Study and Certification of Traffic Control Devices

1. **Requested Motion**: **Meeting Date**: October 6, 2022

Approve the contract with Trebilcock Consulting Solutions in the amount of $4,550 and authorize the District Manager to execute contract documents.

Why the action is necessary:

This action is the first step to have the Lee County Commissioners allow the Lee County Sheriff to enforce Lee County Traffic Laws within Stoneybrook. Florida State statute 316.006 requires a certification of traffic control devices and Lee County Sheriff requires this be completed by a licensed traffic engineer.

2. **Agenda**:	3. **Requirement/Purpose**:	4. **Submitter of Information**:
ADVISORY COMMITTEES ITEMS AND REPORTS	Informational Items	Chelsea O'Riley

---

5. **Background**:

The roadways within Stoneybrook are owned, maintained, and controlled by Gateway Services, they need to apply to have the Lee County Sheriff provide traffic control under Lee County traffic laws. This approval must come from the Lee County Commissioners. The certification of the traffic control devices must be conducted by a private traffic engineer. Trebilcock Consulting Solutions will conduct the study and certification. They are traffic engineers and have done other communities in Collier and Lee County.

Attachments:

1. 22-09-02 Proposal_Stoneybrook Signage Certification.pdf

Financial Impact:

A contract with Trebilcock Consulting Solutions will cost $4550.00 for the study and certifications. Other costs will be known once the study is complete.

6. **Alternative Action**:

If the certification is not completed the Lee County Sheriff will not be able to enforce the traffic laws.

7. **Staff Recommendations**:

Approve the contract and direct staff to complete the process for enforcement in Stoneybrook.

Subject: Stoneybrook at Gateway CDD – Signage Certification
Transportation Consulting Professional Services Agreement

Dear Ms. O'Riley:

Trebilcock Consulting Solutions, PA (TCS) is pleased to submit a proposal to provide Transportation Consulting Professional Services for the Stoneybrook at Gateway CDD Signage Certification project, which is located in Lee County, Florida. The purpose of this project is to provide a letter to the community that the installed regulatory signage is in compliance with applicable required standards.

Please review the attached Scope of Services and Fee Schedule outlining the tasks that will be performed for the subject project. Also included are TCS' Standard Business Terms & Conditions and Standard Rate Code.

Thank you for the opportunity to provide our services on your project.

Sincerely,

Trebilcock Consulting Solutions, PA

Norman J. Trebilcock, AICP, PTOE, P.E.
President

PROJECT INFORMATION AND ASSUMPTIONS

- The Stoneybrook at Gateway CDD (Stoneybrook) community, located in Lee County, Florida, desires to have enforcement of the regulatory signage within the community. The Lee County Sheriff's Department requires that they have the regulatory signage certified as to its compliance with applicable regulations.
- The Stoneybrook community will be hiring a contractor to modify existing signage that is not in compliance with regard to placement, height, and to correct applicable deficiencies.
- Client to provide a copy of all relevant permits, reports, approvals, and other related documents for the Project.

SCOPE OF SERVICES

1. Signage Review

A. Conduct a site review and determine if installed signage is in compliance with applicable standards.

2. Contractor Coordination and Certification

A. Coordinate with contractor on signs requiring adjustment, as applicable.
B. Review contractor adjusted signs for compliance with standards.
C. Prepare a letter of findings certifying the signage conditions that could be provided to the Lee County Sheriff's Department for regulatory sign enforcement within the community.

PROFESSIONAL SERVICE FEES

1. **Reimbursable Expenses** are billed as TME (Time and Materials Estimate). Expenses for blueprints, reproduction services, overnight delivery, courier service, and other project related charges will be billed at cost plus 10%.

2. **Retainer/Payment.** Client will pay a retainer to Consultant for the Services in the amount of $ N/A . This fee shall be payable upon contract signing (invoice will be provided). Client shall pay additional fees, if any, upon presentment of a billing statement by Consultant, and the retainer will be applied to the project final billing.

3. **Scope of Services** will be provided based on the following fee structure:

TASK	SCOPE OF SERVICES	FEE TYPE	FEE
1	Signage Review	LS	$ 2,750.00
2	Contractor Coordination and Certification	TME	$ 1,750.00
	Professional Service Fees – Reimbursable Expenses	TME	$ 50.00

TREBILCOCK CONSULTING SOLUTIONS, PA
STANDARD BUSINESS TERMS & CONDITIONS

These Standard Business Terms & Conditions are attached to, and made part of, the Proposals and Agreements between Trebilcock Consulting Solutions, P.A. (Consultant) and Client.

I. Limitation of Liability

Trebilcock Consulting Solutions' services under this Agreement will be consistent with the Standard of Care for all professional engineering and related services to be performed or furnished by Trebilcock Consulting Solutions. These engineering services shall be provided with the care and skill ordinarily provided by members of the Engineering Profession practicing under similar circumstances. Upon notice to Trebilcock Consulting Solutions and by mutual Agreement between the parties, Trebilcock Consulting Solutions will correct those services not meeting such a standard without additional compensation.

Trebilcock Consulting Solutions and Client recognize that the project involves risk. The risks have been allocated such that the Client agrees to the fullest extent permitted by the law, Trebilcock Consulting Solutions' total liability to Client for any and all injuries, claims, losses, expenses, damages, reasonable attorney's fees, and defense costs, arising out of or in any way connected to this project and/or Agreement from any cause or causes, shall not exceed the amount of the fee charged for the specific service described. Such causes may include, but are not limited to, Trebilcock Consulting Solutions' negligence, errors, omissions, strict liability, breach of contract or breach of warranty. INDIVIDUAL EMPLOYEES, OR AGENTS OF TREBILCOCK CONSULTING SOLUTIONS MAY NOT BE HELD INDIVIDUALLY LIABLE FOR NEGLIGENCE.

II. Payments and Collection

Invoicing may be provided monthly, and statements are due and payable upon receipt, unless otherwise agreed in writing. Client agrees to carefully read all billing statements and promptly notify Trebilcock Consulting Solutions, in writing, of any claimed errors or discrepancies, within fifteen (15) days from the date of the statement. If Trebilcock Consulting Solutions is not notified by the Client in writing, it is presumed that owner agrees with the correctness, accuracy, and fairness of the billing statement.

Past due amounts may incur a late fee of 1% compounded monthly and Trebilcock Consulting Solutions can, upon giving seven (7) days written notice to Client, suspend services until payment in full is received. Client's failure to make payment to us within 30 days shall constitute a material breach of this Agreement and shall be cause for termination by Trebilcock Consulting Solutions. Retainers shall be credited on the final invoice. Trebilcock Consulting Solutions is entitled to collect reasonable fees and costs, including collection agency, attorney's fees and interest as required to obtain collection of any fees under the Agreement.

III. Reimbursable Expenses

Expenses for reproduction services, courier fees, delivery, presentation materials, long distance phone calls, travel made on behalf of the project, subcontractors/sub-consultant fees, and any other out-of-pocket expenses incurred on the project are reimbursable to Trebilcock Consulting Solutions. These expenses will be billed to the Client at cost plus 10%.

IV. Permit and Application Fees

Client shall pay all permit and application fees required for the project.

V. Termination

This Agreement may be terminated by either party upon 30 days written notice in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. Irrespective of which party shall effect termination, the Client shall pay Trebilcock Consulting Solutions for all services rendered to the date of termination.

VI. Attorney Fees

Should litigation arise related to services under this Agreement, the prevailing party is entitled to recover reasonable costs including staff time, court costs, attorney fees and related expenses.

VII. Mediation

Trebilcock Consulting Solutions and Client agree that all disputes or claims between them arising out of or relating to this Agreement made during design, construction, or post-construction of the project shall be submitted to nonbonding mediation unless the parties agree otherwise.

VIII. Ownership of Documents

All documents, including electronic media, prepared by Trebilcock Consulting Solutions under this Agreement shall remain the property of Trebilcock Consulting Solutions.

IX. Delays

Trebilcock Consulting Solutions is not responsible for delays caused by factors beyond Trebilcock Consulting Solutions' control including, but not limited to, the production of contract documents; issuance of permits from any government or agency; beginning or completion of construction; or performance of any phase of the work pursuant to this Agreement. Trebilcock Consulting Solutions does not guarantee issuance of any permit.

Pelican Preserve Aeration Maintenance Proposal

1. **Requested Motion**: **Meeting Date**: October 6, 2022

Approve Pelican Preserve Advisory Committee's recommendation for the amendment to the contract with New Superior Waterway Management for pond maintenance in Pelican Preserve in the amount of $34,000.

Why the action is necessary:

Amendment to the contract.

2. **Agenda**: ADVISORY COMMITTEES ITEMS AND REPORTS

3. **Requirement/Purpose**: Informational Items

4. **Submitter of Information**: Georgia Johnson

Attachments:

1. Proposed Aeration Contract Changes.pdf

Financial Impact:

$34,000 from Pelican Preserve Fund

6. **Alternative Action**:

Do not approve.

Proposed Change in Aeration Vendor on Sept 30, 2022

PPAC recommends that we change our aeration vendor (current vendor is CES) on Sept 30th to reduce total aeration cost. We spend around $140,000 on aeration a year the largest part of this is power (80K). We ask our vendors to give us plans to reduce that and Superior Waterway Services came up with the best plan with installing timers to not run 24 x7 and right sizing the number of compressors. Superior Waterway Services developed a comprehensive plan. Superior will also inspect aerators twice a month vs current once.

Current Aeration

Vendor CES – Time	**$23,400**
Vendor CES – Materials	**$36,600**
Vendor FPL – Power	**$80,000**
Total	**$140,000**

Reason for change

- **Less total aeration cost (right sizing and timers)**
- **Andy Nott at Superior original installer of aeration design**
- **Larger company to address more of our needs**

Proposed Aeration

Vendor Superior Waterway Services – Time	**$34,000**
Vendor Superior Waterway Services – Materials	**$25,000**
Vendor FPL – Power	**$60,000**
Total	**$119,000**

At the same time Gateway District Staff wants to merge both the Littoral Management contract that Superior Waterway Services ($72,000) currently has with the new proposed aeration contract. This will align the contracts to Gateway's calendar year and simplify the number of contracts.

New Superior Waterway Services contract would be $106,000 (current $72,000 littoral management contract plus the new $34,00 Aeration maintenance contract)

The following is a summary of the minutes of the February 17, 2022 regular meeting of the Gateway Services Community Development District Board of Supervisors.

On MOTION by Mr. Geppert seconded by Mr. Tinkle with all in favor authorization allowing Mr. Guy to fully participate in this meeting due to exceptional circumstances was approved. 4/0

Regular Meeting

1. CALL TO ORDER & PLEDGE OF ALLEGIANCE

A. Overview of Meeting Procedures and Decorum

2. AUDIENCE/PUBLIC COMMENT

A. Regarding Agenda Items

B. Regarding Non-Agenda Items

There were no public comment requests from attendees, no requests to speak from on-line attendees and no email or text requests.

3. Staff Reports – Informational Items

A. District Attorney

Mr. Pires commented on the following items:

- The Pelican Preserve DRI was approved.
- Ordered an update to the title work for the FPL easement lanes south of Gateway Boulevard.
- Worked with Cal Teague with regards to the Consulting Agreement and Mr. Teague will report on that.
- Ms. Elle Harris provided a comprehensive list of a number of properties that have encroachments in the conservation maintenance easement, and we are in the process of writing a letter to the owners.

i. Election 2022

Mr. Pires noted the Lee County Elections office has provided the information sheet for those who want to file to run for election or re-election to the position as a Supervisor of the District, which is included in today's agenda package. It includes notification that the qualifying period for candidates is from noon on June 13, 2022 through noon on June 17, 2022.

The qualifying period notice will be advertised per Florida Statute in the newspaper in late April or early May. Candidates can also pre-qualify before the posted qualifying period.

B. District Engineer

Attending the meeting via phone, Mr. Danny Nelson, offered to answer questions from the Board.

- Mr. Geppert inquired about the status of the lighting specialist. Mr. Nelson will get more information on this and email a response to Ms. LeRoy to be sent to the Board.
- Mr. Pires reported on a meeting regarding the bond validation. At the March 3rd Board meeting the Board will be asked to authorize engaging Mr. Brett Sealy to handle the financial transaction for services he will provide for this process.
- Mr. Tinkle inquired about the roundabout with Griffin and asked Mr. Nelson if there is anything we have not done yet in the way of utility relocation that we are responsible for. Mr. Nelson attempted to answer; however, the response was inaudible. Ms. LeRoy added, "everything we can do ahead of time, has been taken care of."

C. District Management Report

i. Assistant District Manager Update – Laura LeRoy

- The loan closed last week on the 8th as planned.
- The bond, we have a meeting tomorrow with Fred and others from Tetra Tech to go over the list of the capital projects.
- Interviewed several candidates for the Business Manager's position and we have one, potential, good candidate.
- The first license plate reader is on-line and up and running.

ii. Project Manager Update – Scott Connell

- We took bids on Monday for the next round of lake bank restorations and a copy of the bid summary was provided to the Board.

  Tetra Tech is analyzing the bids and the apparent low bidder is one contractor, Mettauer Environmental.
- Daniels Preserve, the drainage concern. Extreme Divers started excavating a week ago on the northern end, lake 6, and have cleared all the end of the pipe. They are making progress.
- The resurfacing at the soccer complex starts on Monday. They will start on the east parking lot first, by the dog park. League participants and all have been notified and signs have been posted.

- Casella, weir 3 was not built correctly and they are getting their contractor to regrade it and eliminate the berm there. Lennar is taking care of it.

iii. Storm Water Specialist Update – Elle Harris

Ms. Harris offered to take questions regarding the Storm Water Report she provided for the agenda package.

A discussion ensued regarding the dock for the remote-control boats.

iv. Landscape Maintenance Lead Update – Jim Kennedy

Ms. Harris reported for Mr. Kennedy and commented as follows:

- We had the Pelican Preserve landscape contract bid opening on the 14th and received three bids and packages were provided to Castle Group and PPAC for review and for them to make their recommendations.
- Contract documents have been sent to management and District Counsel for the video inspection of basin 4. MRI has completed the cleaning of basin 5.
- On behalf of Mr. Kennedy, Ms. Harris reported they are scheduling quarterly meetings with the Mainscape core group.

D. Storage Building Discussion

This item was on the agenda at Mr. Tinkle's request and a discussion ensued.

Mr. Kenny Hall joined the discussion on this item. Researching possibilities for this item will continue.

FOURTH ORDER OF BUSINESS Action Items

A. 3rd Amendment to the Interlocal Agreement

Mr. Pires requested that all Board members should have a copy of the amendment.

i. Concept Plan for the Fountain Design

Mr. Dan Craig of Cardno now Stantec directed a slide presentation on the Lee County Roundabout Gateway and Griffin Fountain. He noted his firm is working with the County on this project. Ms. Dayna Fendrick, Landscape Architect with Urban Green

was in attendance and Mr. John Lord who is with the Freeport Fountain Groups who are our fountain designers was on-line.

A quick slide presentation on concepts they have developed ensued.

Mr. Pires indicated the County Attorney's office is looking for approval of the 3rd Amendment to the Interlocal Agreement as this project is time sensitive.

Mr. Cecil Pendergrass, Chairman of the County Commission, joined the discussion and thanked the Board for working with the County on this project. He noted he thinks this fountain will be a great addition to the center point of the Gateway Community.

A representative of the Lee County DOT, Mr. Rob Price, commented on this project and noted we were hoping to get a consensus on what the Gateway CDD Board liked the best and we were also looking for an approval of the Interlocal Agreement so that we could move forward.

Mr. Pires gave a brief overview of the highlights of the Interlocal Agreement which includes the District accepting all ongoing maintenance responsibilities and to fund any and all necessary maintenance and repairs. He noted the agreement is in good form for execution and approval by the Board.

On MOTION by Mr. Tinkle seconded by Mrs. Walsh with all in favor authorization to approve the Third Amendment to the Landscape Sign Drainage Utilities and Street Lighting Maintenance and Hold Harmless Interlocal Agreement, authorizing the Chairman to execute, and the document will be finalized with Exhibit A which is the location, was approved. 5/0

The Board's recommendation and preference was to accept Concept B included in the presentation made by the representatives of Cardno now Stantec and Ms. Fendrick of Urban Green.

The record will reflect the presentation concluded and all representatives left the meeting.

B. Transfer Funds for Pressure Washing – Jim

Ms. LeRoy discussed this item. We received a bid to do some pressure washing for $4,500 on monuments that have not yet been cleaned.

The Board was asked to approve of moving $4,500 from the Dog Park Sod Budget to the R&M signage line item.

> On MOTION by Mr. Tinkle seconded by Mrs. Walsh with all in favor moving $4,500 from the dog park sod budget to the R&M Signage budget line item was approved. 5/0

Discussion Topics

1. Bonds

- Ms. O'Riley noted some of the bond team is on the phone. At Thursday's meeting the Board decided to have a second look at this bond project and all of the projects that are comprised of the total of the $58 Million we have looked at. We have Fred and Steven here to take us through line item by line item and Stephen Bloom, Russ and Tony may be on the line.
- Fred discussed the framework of his directive and goals for today. The CIP will be revised from what was in the report. He hopes to deliver it to the bond team today so they can work quickly to stay on schedule.
- Ms. O'Riley added we will walk away with some guidance for staff and Tetra Tech to compile and bring back a further amended and restated Master Engineer's Report at the September 1, 2022 meeting looking for the Board to adopt that, keeping in line with an October 6, 2022 hearing.
- The Board opted to go line item by line item, led by Mr. Mittl, of the Approved Amended and Restated Report.
- An administrative building, parks, and parking lots, etc. were discussed.
- A discussion ensued regarding who would be occupying the administrative building.
- Aeration of the district ponds to be done in the next five years was discussed.
- Point repairs and maintenance.
- Lake bank/pond restoration. - costs approximately $13 per square foot.
- Master irrigation – this item needs to move up - controllers and heads.
- Streetlight pole wiring and fixture replacement. This item can fluctuate.

2. Budget

- The adopted fiscal year 2023 budget was put on the District website August 23, 2022.
- The finalized tax roll goes to the County.
- We closed out the accounting system and had the new data for the new fiscal year put in.
- The budget was adopted on August 18, 2022.
- We will start issuing P.O's. in October.
- In December we start doing final financials and work with the auditors to begin the auditing process.
- In April, we start it all over again.
- In June the budget should be approved by June 15, 2023.

Mr. Banks asked Ms. O'Riley to comment on her vision regarding the upcoming budget moving forward, and she did so.

A discussion on the future budget ensued.

Priorities – The Board viewed slides regarding projects.

D. Capital Reserve Study Proposal(s) – General Fund

The Board put $50,000 for Capital Improvements for a Capital Reserve Study, General Fund and proposals were received. The lowest proposal was $14,500 from the same company that provided the 2010 report, Reserve Advisors. If the proposal is accepted by the Board, the study would not be done until the next calendar year.

Staff was directed to follow up on the Reserve Study and obtain quotes for a Reserve Study for the Enterprise Fund.

> On MOTION by Mrs. Walsh seconded by Mr. Guy with all in favor going forward with the proposal from Reserve Advisors as the most responsive, competent, qualified bid and most advantageous to the District to prepare the Reserve Study for the General Fund in the amount of $14,500 was accepted. 4/0

E. Paving Pelican Preserve Access Road Contract

This item is to approve the proposal from Pavement Maintenance LLC in the amount of $287,481.50 and authorize the District Manager to execute the contract documents. All permits were received, and we are waiting on FPL to enter into an agreement with them for their blessing to construct this. By awarding this contract the vendor can begin the right-of-way permitting process and start to que-up and acquire any materials and get on their schedule.

> On MOTION by Mr. Tinkle seconded by Mrs. Walsh with all in favor the proposal from Pavement Maintenance LLC in the amount of $287,481.50 for paving the Pelican Preserve Access Road was accepted. 4/0

Fort Myers, FL 33913

SERVICE PROVIDER AGREEMENT

This SERVICE PROVIDER AGREEMENT is entered into on this 9th day of September 2022, by and between Gateway Services Community Development District, 11922 FAIRWAY LAKES DR, SUITE #1, Fort Myers, FL 33913, (hereafter "GSCDD"), and Joshua Tree, INC 2620 Brightside Court, Cape Coral, Florida 33991 (hereafter "Provider).

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties hereto agree as follows:

1. Scope of Services. Provider will perform all services and work necessary as set forth in "Scope of Services" attached as Exhibit "A". Provider warrants and represents that it is qualified, willing and able to provide and perform all services in accordance with the terms of this Agreement. The parties have the ability to modify the Scope of Services by mutual written agreement, except that GSCDD has the unilateral right to exclude specified services hereunder for any reason upon prior written notice to Provider and Provider will not be entitled to compensation for such excluded services unless those services have already been performed by Provider.

2. Term. The term of this Agreement is commencing on Sept. 9, 2022 and terminating on Oct. 19, 2022.

3. Payment Obligation. GSCDD will pay for all requested and authorized services rendered hereunder by the Provider and completed in accordance with this Agreement, as set forth in attached Exhibit "B". The Provider's invoice statements must contain a breakdown of charges, description of services and work provided or performed, and, where appropriate, supportive documentation of charges consistent with the basis of compensation set forth in this Agreement. In the event of a dispute as to GSCDD's payment obligation, GSCDD will pay the undisputed amount, if any, within 30 days of the date of the receipt of a proper invoice.

4. Provider's Obligations. The Provider's obligations include, but are not limited to, the following:

   a) *Licensure.* The Provider will maintain all licenses and certifications required by governmental agencies responsible for regulating and licensing the services provided and performed by the Provider.

   b) *Provision of Services.* The Provider will perform all services pursuant to this Agreement in accordance with generally accepted standards of professional practice and in accordance with the laws, statutes, ordinances, codes, rules, regulations and requirements of governmental agencies that regulate or have jurisdiction over the services to be provided or performed by the Provider. All personnel assigned by Provider hereunder will be qualified to perform such duties. Provider will designate one person as the point of contact for GSCDD regarding its duties hereunder. Provider is solely responsible for all taxes incurred by Provider and will make all deductions required of employers by state, federal and local laws.

c) *Non-Waiver.* Neither review, approval, nor acceptance of GSCDD data, studies, reports, memoranda, and incidental professional services, work and materials furnished hereunder by the Provider will in any way relieve Provider of responsibility for the adequacy, completeness and accuracy of its services, work and materials.

d) *Indemnity and Hold Harmless*. The Provider agrees to indemnify and hold harmless GSCDD, its officers and employees, from liabilities, damages, losses and costs, including, but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Provider and persons employed or utilized by Provider in providing services under this Agreement.

e) *Non-Public Information*. The Provider agrees, during the term of this Agreement, not to divulge, furnish or make available to any third person, firm, or organization, without GSCDD's prior written consent, or unless incident to the proper performance of Provider's obligations hereunder, or as provided for or required by law, any non-public information concerning the services to be rendered by Provider. Provider will require all of its employees and agents to comply with the provisions of this paragraph.

f) *Statutory Duties.* The duties and obligations imposed upon the Provider by this Agreement and the rights and remedies available to GSCDD hereunder will be in addition to, and not a limitation of, any otherwise imposed or available by law or statute.

g) *Disclosure.* The Provider warrants it has not employed or retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift or other compensation contingent upon or resulting from the award or making of this Agreement.

h) *Permits.* Provider will submit for any required permits as part of this agreement.

5. Commencement and Completion of Work. GSCDD will provide written notice to the Provider regarding commencement of services under this Agreement. Time is of the essence in the performance of this Agreement. The Provider agrees to commence work promptly and carry on all services and work as may be required in a timely and diligent manner to completion. Should the Provider fail to commence, provide, perform, and complete any of the services and work required hereunder in a timely and diligent manner, GSCDD may terminate this Agreement, in addition to any other remedies GSCDD may have.

6. Insurance. The Provider will have, and maintain, during the entire period of this Agreement, all such insurance (or self-insurance) as set forth on Exhibit "C". Each Certificate of Insurance must include the name and type of policy and coverages provided; the amount or limit applicable to each coverage provided; the date of expiration of coverage; the designation of Gateway Services Community Development District as additional insured and as certificate holder, except as to Professional Liability Insurance

and Workers' Compensation Insurance. Should any of these policies be cancelled before the expiration date thereof, Provider will instruct the issuing company to mail 30 days written notice to GSCDD of such cancellation.

7. Inclusion of Additional Documents. Any request for bids and/or request for proposal, along with all exhibits or other attachments thereto as issued by GSCDD, are hereby incorporated by reference. In addition, the following Exhibits are attached hereto and hereby incorporated by reference: Exhibit "A"; Exhibit "B"; Exhibit "C"; Attachment "A"; Attachment "B".

8. Termination of Agreement. Either party may terminate this Agreement without cause upon 30 calendar days' prior written notice to the other, in which case GSCDD will compensate the Provider for all services performed prior to the effective date of termination and reimbursable expenses then due.

9. Assignment, Transfer and Subcontracts. The Provider may not assign or transfer any of its rights, benefits, or obligations hereunder, except for transfers that result from the merger or consolidation of Provider with a third party. The Provider has the right, subject to GSCDD's prior written approval, to employ other persons and firms to serve as subcontractors to Provider in connection with its performance of services and work pursuant to this Agreement.

10. Maintenance of Records. The Provider will keep and maintain adequate records and supporting documentation applicable to all the services, work, information, expense, costs, invoices and materials provided and performed pursuant to this Agreement. Said records and documentation will be retained by the Provider for a minimum of three years from the date of termination of this Agreement, or for such period as required by law. GSCDD and its authorized agents will, with reasonable prior notice, have the right to audit, inspect and copy all such records and documentation as often as GSCDD deems necessary during the term of this Agreement and the next succeeding three years.

11. Public Records. The following provisions are required by §119.0701, Fla. Stat., and may not be amended. Contractor shall keep and maintain public records required by GSCDD to perform the services required under this Contract. Upon request from GSCDD's custodian of public records, Contractor shall provide GSCDD with a copy of any requested public records or to allow the requested public records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract's term and following completion of the Contract if Contractor does not transfer the public records GSCDD. Upon completion of the Contract, Contractor may transfer, at no cost, to GSCDD all public records in possession of Contractor or keep and maintain public records required by GSCDD to perform the services required under the Contract. If Contractor transfers all public records to GSCDD upon completion of the Contract, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor keeps and maintains public records upon completion of the Contract, Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to GSCDD, upon request from GSCDD's custodian of public records, in a format that is compatible with GSCDD's information technology systems. The failure of Contractor to comply with the provisions set forth in this Section shall constitute a Default and Breach of this Agreement,

for which, GSCDD may terminate the Agreement.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF THE PUBLIC RECORDS AT (239) 561-1313, https://www.gatewaydistrict.org/administration/public-records/ 11922 FAIRWAY LAKES DR, SUITE #1, FORT MYERS, FLORIDA 33913.

12. References to GSCDD. All references to "GSCDD" or "Gateway Services Community Development District" are deemed to include its employees, agents, and authorized representatives.

13. Modification. Except as set forth in Paragraph 1 above, modifications to this Agreement will be valid only when made in writing and signed by both parties. In the event of a conflict between the requirements, provisions, or terms of this Agreement and any subsequent written modification hereto, the most recently executed document will take precedence.

14. E-Verify. ***As a condition precedent to entering into this AGREEMENT***, and in compliance with Section 448.095, Fla. Stat., Contractor, and its subcontractors shall, register with and use the E-Verify system to verify work authorization status of all employees hired after January 1, 2021.

    a. Contractor shall require each of its subcontractors to provide Contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. Contractor shall maintain a copy of the subcontractor's affidavit as part of and pursuant to the records retention requirements of this AGREEMENT.

    b. GSCDD, Contractor, or any subcontractor who has a good faith belief that a person or entity with which it is contracting has knowingly violated Section 448.09(1), Fla. Stat. or the provisions of this section shall terminate the contract with the person or entity.

    c. GSCDD, upon good faith belief that a subcontractor knowingly violated the provisions of this section, but Contractor otherwise complied, shall promptly notify Contractor and Contractor shall immediately terminate the contract with the subcontractor.

    d. A contract terminated under the provisions of this section is not a breach of contract and may not be considered such. Any contract termination under the provisions of this section may be challenged pursuant to Section 448.095(2)(d), Fla. Stat. Contractor acknowledges that upon termination of this AGREEMENT by GSCDD for a violation of this section by Contractor, Contractor may not be awarded a public contract for at least one (1) year. Contractor further acknowledges that Contractor is liable for any additional costs incurred by GSCDD as a result of termination of any contract for a violation of this section.

    e. *Subcontracts.* Contractor or subcontractor shall insert in any subcontracts the clauses set forth in this section, including this subsection, requiring the subcontractors to include

these clauses in any lower tier subcontracts. Contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in this section.

15. Prohibition Against Contracting with Scrutinized Companies. By execution of this Contract, in accordance with the requirements of §§287.135 and 215.473, Fla. Stat., Contractor certifies that Contractor is not participating in a boycott of Israel. Contractor further certifies that Contractor is not on the Scrutinized Companies that Boycott Israel list, not on the Scrutinized Companies with Activities in Sudan List, and not on the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has Contractor been engaged in business operations in Cuba or Syria. Subject to limited exceptions provided in state law, GSCDD will not contract for the provision of goods or services with any scrutinized company referred to above. Submitting a false certification shall be deemed a material breach of Contract. GSCDD shall provide notice, in writing, to Contractor of GSCDD's determination concerning the false certification. Contractor shall have five (5) days from receipt of notice to refute the false certification allegation. If such false certification is discovered during the active Contract term, Contractor shall have ninety (90) days following receipt of the notice to respond in writing and demonstrate that the determination of false certification was made in error. If Contractor does not demonstrate that GSCDD's determination of false certification was made in error then GSCDD shall have the right to terminate the contract and seek civil remedies pursuant to §287.135, Fla. Stat., as amended from time to time.

16. Miscellaneous Provisions.

    a) *Applicable Law.* This Agreement is governed by the laws of the State of Florida.

    b) *Non-Discrimination*. The Provider covenants that in the furnishing of services hereunder, no person on the grounds of race, color, national origin, handicap, or sex will be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination.

    c) *Headings.* The headings of the Articles, Sections, Exhibits, and Attachments in this Agreement are for the purpose of convenience only and may not be deemed to expand, limit or change the provisions contained in such Articles, Section, Exhibits and Attachments.

    d) *Entire Agreement.* This Agreement, including any Exhibits, constitutes the entire Agreement between the parties and supersedes all prior agreements or understandings, written or oral, relating to the matters set forth herein.

    e) *Notices.* All notices required under this Agreement must be in writing and sent via U.S. Postal Service, first class mail, to the other party's address as listed at the beginning of this Agreement. Either party may change its address by prior written notice to the other party.

IN WITNESS WHEREOF, the parties have executed this Agreement as set forth below.

(A) Minimum limits of $1,000,000 per person and $2,000,000 per accident for Bodily Injury Liability and a minimum limit of $1,000,000 for Property Damage Liability, or a minimum combined single limit of $1,000,000.

(B) Coverage shall include owned vehicles, hired and leased, or non-owned vehicles.

(C) Such additional requirements as are set forth in the Agreement above.

(4) PROFESSIONAL LIABILITY

Coverage must include the following:

(A) A minimum aggregate limit of $1,000,000.00.

(B) Such additional requirements as are set forth in the Agreement above.

(C) Should the Professional Liability Insurance Policy issued pursuant to the above requirements and limits be written so as to provide an applicable deductible amount, or other exclusion or limitation as to the amount of coverage to be provided within the minimum coverage limits set forth above, the District shall hold the Provider responsible and liable for any such difference in the amount of coverage provided by the insurance policy. In the event of any such deductible amount, exclusion or limitation, the Provider shall be required to provide written documentation that is acceptable to the District establishing that the Provider has the financial resources readily available to cover damages, injuries and/or losses which are not covered by the policy's deductible amounts, exclusions and/or limitations as stated above.

5. **Background**:

In May 2022, the Pelican Preserve Advisory Committee began discussing amending the O&M agreement with Pelican Preserve Community Association to remove certain duties from the contract. As such, many items were brought to the attention of staff, Board of Supervisors and the District Attorney. One of the items included how PPAC was established and how it functioned. After extensive research of the District's records, it was determined that while the Board of Supervisors established the Pelican Preserve Advisory Committee as an Advisory Committee in August 2008 and appointed its first members in 2008, as an Advisory Committee to the Board, a signed resolution of the Board could not be found in the District's records. This Resolution will formalize the establishment of PPAC, how it functions and how it establishes subcommittees and how they function.

RESOLUTION NUMBER 2023-01

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT CREATING THE PELICAN PRESERVE ADVISORY COMMITTEE; PROVIDING FOR SEVERABILITY; PROVIDING AN EFFECTIVE DATE

WHEREAS, pursuant to the provisions of Chapter 190, Florida Statutes, the Gateway Services Community Development District has been established as a special purpose local government providing various services to the property owners and residents within the boundaries of the Gateway Services Community Development District (the "District") including but not limited to District facilities, infrastructure and improvements, including but not limited to District roads, access control, surface water managements systems, landscaping, street lights, conservation areas, landscaping and street lighting (the "Improvements"); and,

WHEREAS, the Pelican Preserve community ("Pelican Preserve") as depicted on the attached **Exhibit "A"** hereto is located within the boundaries of the District and the District is responsible for the operation, maintenance, repair, replacement and reconstruction of the District Improvements within Pelican Preserve; and,

WHEREAS, the Board of Supervisors ("Board") of the District has determined that it is in the best interests of the property owners and residents within the boundaries of the Pelican Preserve portion of the District to establish a Pelican Preserve Advisory Committee ("PPAC") to act in an advisory capacity and assist the Board in the operation, maintenance, repair, replacement and reconstruction of the District's Improvements within Pelican Preserve including the preparation of annual budgets, tracking and reviewing expenditures, monitoring on-going operational and maintenance needs and making recommendations to the District Manager and Board concerning infrastructure maintenance, contracts and other major operational and capital expenditures.

NOW THEREFORE BE IT RESOLVED by the Board of Supervisors of the Gateway Services Community Development District, that the Pelican Preserve Advisory Committee ("PPAC") is hereby created as outlined below and shall advise and assist the Board of Supervisors through following the procedures as set forth below:

1. The Pelican Preserve Advisory Committee ("PPAC" or "Committee") is hereby created as an advisory committee to the Board of the District. The Committee shall adhere to and abide by the adopted *Gateway Services Community Development District Protocol And Meeting Procedures For Committees Established By The Board Of Supervisors And Any Authorized Subcommittees,* as it may be amended and revised by the Board from time to time.

2. The Committee and its members are subject to the Florida's Government in the Sunshine Law and Public Records Law. As such, absent a specific exemption and only if approved by the District Counsel and District Manager, all Committee meetings are publicly noticed, open to the public and held in a location where the general public can attend and comment. All Committee members must adhere to the Florida Sunshine Laws.

3. The Committee shall consist of a maximum of seven (7) members, each of whom shall be appointed by the Board, and when appointed shall serve for a maximum term of two (2) years; who must be residents or representatives of property owners within the Pelican Preserve portion of the District; and who are in good standing with the District. The terms of any

members serving on the Committee at the time this Resolution is adopted are ratified and confirmed and shall be extended for two years from the Resolution's adoption date.

4. Any vacancies occurring on the Committee shall be filled by appointments made by the Board of Supervisors from candidates recommended by the Committee. Upon the occurrence of any vacancy, the Committee shall report same to the Board and shall announce the vacancy to the Pelican Preserve community and solicit applications for qualified persons to fill any vacancy.

5. The Committee will have a Chairperson and Vice Chairperson each of whom shall be member of the Committee, elected for two-year terms by the Committee membership. Elections will be held bi-annually at the first meeting of the new fiscal year. The Chairperson shall preside at all meetings of the Committee and shall perform such other duties as may be directed by action of the Board. The Vice Chairperson shall serve in the absence of the Chairperson and shall perform such other duties as may be directed by action of the Board.

6. A Committee member who is absent for either three (3) successive meetings or four (4) meetings within any one fiscal year, without reasonable cause or justifiable excuse, as determined by the Committee, shall be deemed and considered to have resigned their membership on the Committee, creating a vacancy.

7. Except as specifically provided otherwise in this Resolution, the Committee shall serve solely in an advisory capacity by providing non-binding recommendations to the Board of Supervisors. As part of its work, the Committee will report its progress in writing not less than quarterly to the District Board.

8. The scope, purpose, roles and responsibilities of the Committee are as follows:
   A. To annually, no later than June 1st of each year, prepare and submit to the Board a proposed budget for the next ensuing fiscal year that covers all District funding responsibilities for all District Improvements within Pelican Preserve.
   B. After adoption of the District's annual budget by the Board, assist the District staff in implementing the approved budget and as appropriate and as the need arises, suggest and submit proposed budget amendments to the Board for approval.
   C. Provide administrative, operational and financial oversight regarding current and future District infrastructure, agreements, operations and finances, relating to the District's Improvements and operations within Pelican Preserve.
   D. Make recommendations to the Board regarding:
      a. the operation and maintenance of District Improvements within Pelican Preserve, including the awarding of contracts concerning District Improvements and services within Pelican Preserve;
      b. Capital improvements, including construction, acquisition, reconstruction or renovation;
      c. Services to be provided by the District within Pelican Preserve.
   E. Establish the following subcommittees to assist the Committee in distinct and discrete areas: Ponds/Conservation Areas, Safety and Security. The Scopes/Duties/Responsibilities of each subcommittee are attached as Exhibit B.
      1. If the Committee desires the establishment of additional subcommittees, it shall submit to the Board a request for authorization to establish such additional subcommittees.
      2. Approval of the role and scope of a subcommittee and appointment of members must be approved by a majority vote of the entire membership of the Committee and the Board. A representative from the Pelican Preserve Community Association will hold a

seat on each subcommittee.

3. Each subcommittee and its members are subject to the Florida's Government in the Sunshine Law and Public Records Law. As such, absent a specific exemption and only if approved by the District Counsel and District Manager, all subcommittee meetings are publicly noticed, open to the public and held in a location where the general public can attend and comment. All subcommittee members must adhere to the Florida Sunshine Laws.
4. Each subcommittee will formally submit a monthly report, either verbally or written, that will be incorporated into the minutes of the Committee meeting at which the report is presented and thus will become part of the public record.

9. Emergency Expenditures and Expenses:
   A. The Board hereby authorizes the Chair of the Committee (or the Vice Chair in the Chair's absence), to approve expenditures in amounts not exceeding $30,000.00 and non-continuing agreements, with the specific prior written approval of the District Manager, in the event of bona fide emergencies. To incur obligations and to approve the disbursement of funds for payment of invoices for non-continuing expenses or on non-continuing agreements on an emergency basis, as necessary for the health, safety and welfare of the residents within Pelican Preserve and/or the repair or maintenance of a District Improvement, facility or asset in Pelican Preserve. All such payments or expenditures shall come only from the District's approved budget for Pelican Preserve.
   B. A project or expenditure may not be divided into more than one component for the purpose of lowering the project or expenditure amount.
   C. Any payment or expenditure made or obligation incurred pursuant to this Section 9 shall be submitted to the Committee at its next scheduled meeting for approval and ratification and thereafter to the Board at its next available regularly scheduled meeting for approval and ratification as part of the financial report and noted in the District Manager's report to the Board.

10. To accomplish the above, the District Manager, District Engineer and District Counsel are authorized to provide support and assistance to the Committee and subcommittees.

11. The District shall give notice and keep record of such notice of the Committee's meetings and the meeting of any subcommittees including the date, time, and location of each regular and special meeting. Notice of meetings of the Committee and any subcommittee and preparation and filing of minutes of meetings shall be provided as required by Florida law.

12. All meetings of a Committee and each subcommittee are and shall be open to the public. Meetings shall be held in a location within Lee County, Florida with the following standards:
    a. The location must be open and accessible to the public, as outlined in Section 286.011, F.S.;
    b. Except in extraordinary circumstances, advance approval of the location shall be obtained from the Board of Supervisors.

13. All Sections or parts of Sections of any resolutions, agreements, or actions of the Board of Supervisors in conflict with this Resolution 2022-31 are hereby repealed to the extent of such conflict.

14. If any phrase or portion of this Resolution is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

15. This Resolution shall take effect upon adoption.

NOTICE OF PUBLIC HEARING TO CONSIDER IMPOSITION OF SPECIAL ASSESSMENTS PURSUANT TO SECTION 170.07, FLORIDA STATUTES, BY THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT

NOTICE OF PUBLIC HEARING TO CONSIDER ADOPTION OF ASSESSMENT ROLL PURSUANT TO SECTION 197.3632(4)(b), FLORIDA STATUTES, BY THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT

The Gateway Services Community Development District Board of Supervisors ("Board") will hold a public hearing on October 6, 2022, at 5:00 p.m., in the Board meeting room of the Gateway Services Community Development District at 13240 Griffin Drive Fort Myers, Florida 33913 to consider the adoption of an assessment roll, the imposition of special assessments to secure proposed bonds on benefited lands within the Gateway Services Community Development District ("District"), a depiction of which lands to be assessed is shown below, and to provide for the levy, collection and enforcement of the special assessments. The District is a unit of special purpose local government responsible for providing infrastructure improvements for lands within the District. The District has indicated that it intends to perform and fund the certain public capital improvements generally described below, the District's Capital Improvement Plan (the "Project"). The scope of the Project is set forth in more detail in that certain *Amended and Restated Master Engineer's Report for the Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated September 1, 2022 which is on file at the District Administrative Office at 11922 Fairway Lakes Drive, Suite #1, Fort Myers, FL, 33913 (hereinafter, the "Amended and Restated Engineer's Report"). In order to fund the Project, the District will issue a series of bonds ("Project Bonds") and will levy special assessments on the benefited properties within the District in order to secure the Project Bonds necessary to finance the Project (hereinafter, collectively referred to as the "Project Assessments").

The public hearing is being conducted pursuant to Chapters 170, 190 and 197, *Florida Statutes*. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the District Administrative Office located at 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913. (239) 561-1313.

The District intends to impose special assessments on benefitted lands within the District in the manner set forth in the District's *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated September 1, 2022, (the "Amended and Restated Assessment Report"), which is on file and available during normal business hours at the District Administrative Office. The purpose of the Project Assessments is to secure the Project Bonds to be issued to fund the acquisition, construction and/or reconstruction of the Project Improvements by the District. The Amended and Restated Assessment Report contains a listing of each tax parcel identification of benefitted lands within the District, the number of units within each parcel, the total assessment to be levied against each parcel, and the method of allocation of the Project Assessments. Lands within the District are assigned units of measurement in accordance with their use. All properties and parcels receive assessments related to the benefits received for that property and parcel. The benefits received by each use on a property or parcel are based upon the impact(s) each single family homesite, multi-family residential unit and individual commercial parcel has on the roadways, water management and administrative budget items. For the administrative services and parks and recreation components and costs, platted single family residential lots are considered to contain one (1) EAU per lot and unplatted residential lands and non-residential lands including commercial lands are assigned EAUs in accordance with the District's assessment methodology in the Amended and Restated Assessment Report on file at the District Administrative Office. The portion of the total assessment attributable to administrative services and parks and recreation components and costs against each parcel is the total of the EAUs in each parcel multiplied by per EAU assessments. For the roadways costs, the impact on roadways has been calculated based upon trip generation rates. For the water management services costs the impact on the surface water management system (ponds, lakes, conservation areas, etc.) has been calculated based upon impervious surface areas and runoff coefficients.

The annual principal and interest assessment levied against each parcel will be based on repayment over a maximum of twenty (20) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than $54,920,000 in principal debt to be assessed by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment or interest. The total revenue the District will collect by the subject assessments is $92,364,000 exclusive of fees and costs of collection or enforcement, discounts for early payment, interest on late payments and penalties. Please consult the Amended and Restated Assessment Report for more details.

The proposed schedule of assessments and the total assessment amount to be levied against each type of use on a property or parcel is set forth below as follows:

GATEWAY ASSESSMENT AREA

Land Use	Total Principal Assessment	Assessable Units	Total Principal Assessment Per Unit	Not to Exceed Annual Debt Service Assessment Per Unit
Single Family	$37,506,897	4,127	$9,088	$720

The actual assessment per commercial parcel is determined based on the special and peculiar benefit determined under the Amended and Restated Assessment Report dated September 1, 2022 for each individual parcel.

The assessments may be prepaid in whole at any time, or in some instances in part, or may be paid in not more than twenty (20) annual installments subsequent to the issuance of debt to finance the improvements. The assessments may be paid without interest within 30 days after the improvements have been completed and accepted by Resolution of the Board of Supervisors, and thereafter such prepayments shall be with interest to the next applicable payment date. These annual assessments may be collected directly by the District in accordance with Florida law, or may be collected on the property tax bill issued by the Lee County Tax Collector. The decision to collect special assessments by any particular method – e.g., by direct bill or on the tax roll – does not mean that such a method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices. All affected property owners have the right to appear at the public hearing and the right to file written objections with the District within twenty (20) days of the publication of this notice.

If a person chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearing, such person will need a record of the proceeding and should accordingly ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

RESOLUTION 2022 –29

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") DECLARING SPECIAL ASSESSMENTS; INDICATING THE LOCATIONS, NATURE AND ESTIMATED COST OF THOSE IMPROVEMENTS WHICH COST IS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE PORTION OF THE ESTIMATED COST OF THE IMPROVEMENTS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE MANNER IN WHICH SUCH SPECIAL ASSESSMENTS SHALL BE MADE; PROVIDING WHEN SUCH SPECIAL ASSESSMENTS SHALL BE MADE; DESIGNATING LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT; ADOPTING A PRELIMINARY ASSESSMENT ROLL; PROVIDING FOR A PUBLIC HEARING TO CONSIDER THE ADVISABILITY AND PROPRIETY OF SAID ASSESSMENTS AND THE RELATED IMPROVEMENTS; PROVIDING FOR NOTICE OF SAID PUBLIC HEARING; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; PROVIDING FOR THE REPEAL OF RESOLUTION 2022-18 AND RESOLUTION 2022-12; PROVIDING FOR CONFLICTS, PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board on June 16, 2022 had adopted its Resolution 2022-12 declaring special assessments; and,

WHEREAS, after the adoption of Resolution 2022-12, the Board determined that the lands and properties within the Pelican Preserve portion of the District benefit from certain of the Improvements and the Board on August 4, 2022 adopted its Resolution 2022-18, repealing Resolution 2022-12; and,

WHEREAS, the Board of Supervisors of the Gateway Services Community Development District (the "Board") hereby determines to undertake, install, plan, establish, construct, reconstruct, enlarge or extend, equip, acquire, operate and/or maintain certain public improvements (the "Improvements") described in that certain Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech and dated September 1, 2022 ("Amended and Restated Engineer's Report"), a copy of which is attached hereto and made a part hereof as Exhibit 'A' and maintained on file at the District Administrative Office, 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913 ("District Administrative Office") and the offices of the District Engineer, Tetra Tech, 10600 Chevrolet Way, Suite 102, Estero, Florida 33928 ("District Engineer's Office"); and,

WHEREAS, Gateway Services Community Development District (the "District") is empowered by Chapter 190, the Uniform Community Development District Act of 1980; Chapter 170, Supplemental and Alternative Method of Making Local Municipal Improvements; and, Chapter 197, Florida Statutes, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain the Improvements and to impose, levy, and collect the Assessments (as defined below); and,

WHEREAS, the Board finds that it is in the best interest of the District to pay the cost of the Improvements by imposing, levying, and collecting special assessments pursuant to Chapters 170, 190 and 197, Florida Statutes (the "Assessments"); and,

WHEREAS, the District hereby determines that benefits will accrue to the property benefited by the Improvements, the amount of those benefits, and that the Assessments will be made in proportion to the benefits received as set forth in that certain Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc. and dated September, 1,2022, ("Amended and Restated Assessment Report"), a copy of which is attached hereto and made a part hereof as Exhibit "B" and maintained on file at the District Administrative Office and the District Engineer's Office; and

WHEREAS, the District hereby determines that the Assessments to be levied will not exceed the benefits to the property benefited by the Improvements.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT THAT:

Section 1. The foregoing recitals are hereby incorporated as the findings of the Board.

Section 2. Assessments shall be levied to defray the cost of the Improvements.

Section 3. The nature and general location of, and plans and specifications for, the Improvements are described in the Amended and Restated Engineer's Report and maintained on file at the District Administrative Office and the District Engineer's Office.

Section 4. The total estimated cost of the Improvements is approximately $45,300,000 (the "Estimated Cost").

Section 5. The Assessments will defray approximately $54,920,000 in bonded indebtedness which includes, without limitation, the Estimated Cost plus financing related costs, capitalized interest, a debt service reserve and contingency.

Section 6. The manner in which the Assessments shall be apportioned and paid is set forth in the Amended and Restated Assessment Report attached hereto and made a part hereof as Exhibit "B", subject to provisions for supplemental assessment resolutions. The Amended and Restated Assessment Report is also available on file at the District Administrative Office and the District Engineer's Office.

Section 7. The Assessments shall be levied in accordance with the Amended and Restated Assessment Report referenced above on all lots and lands, within the District, which are adjoining and contiguous or bounding and abutting upon the Improvements or specially benefited thereby and further designated by the assessment plat hereinafter provide for.

Section 8. There is on file at the District Administrative Office and the District Engineer's Office, an assessment plat showing the area to be assessed, with the plans and specifications describing the Improvements and the Estimated Cost, all of which shall be open to inspection by the public.

Section 9. The District has caused to be made a preliminary assessment roll, prepared by Real Estate Econometrics, Inc. in accordance with the method of assessment described in Sections 3 through 4 of the Amended and Restated Assessment Report, which preliminary assessment roll shows the lots and lands assessed, the amount of benefit to and the Assessment against each lot or parcel of land and the number of annual installments into which such Assessment may be divided, which is hereby adopted and approved as the District's preliminary assessment roll.

Section 10. Commencing with the year in which the Assessments are certified for collection and subsequent to any capitalized interest period, the Assessments shall be paid in not more than (20) twenty yearly installments, which installments shall include principal and interest as calculated in accordance with the Amended and Restated Assessment Report. The Assessments shall be payable at the same time and in the same manner as are ad-valorem taxes and as prescribed in Chapter 197, Florida Statutes; provided, however, that in the event the uniform non ad-valorem assessment method of collecting the Assessments is not available to the District in any year, or the District otherwise determines not to utilize the provisions of Chapter 197, Florida Statutes, the Assessments may be collected as is otherwise permitted by law.

Section 11. The Board shall adopt a subsequent resolution to fix a time and place at which the owners of property to be assessed or any other persons interested therein may appear before the Board and be heard as to the propriety and advisability of the Assessments or the making of the Improvements, the cost thereof, the manner of payment therefore, or the amount thereof to be assessed against each property as improved; and to authorize such notice and publications of same as may be required by Chapter 170, Florida Statutes, or other applicable law.

Section 12. The District Manager is hereby directed to cause this resolution to be published twice (once a week for two (2) weeks) in a newspaper of general circulation within Lee County and to provide mailed notices to the owners of the property subject to the proposed Assessments and such other notice as may be required by law or deemed in the best interest of the District. The District Manager shall file a publisher's affidavit with the District Secretary verifying such publication of notice.

Section 13. If any one of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, but not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way effect the validity of the other provisions hereof.

Section 14. Resolution Number 2022-18 is hereby repealed in its entirety. Resolution Number 2022-12 is hereby repealed in its entirety. All Sections or parts of Sections of any Resolutions, Agreements or actions of the Board of Supervisors in conflict with this Resolution 2022-29 are hereby repealed to the extent of such conflict.

Section 15. This Resolution shall become effective upon its adoption.

MAP OF DISTRICT

NOTICE OF PUBLIC HEARING TO CONSIDER IMPOSITION OF SPECIAL ASSESSMENTS PURSUANT TO SECTION 170.07, FLORIDA STATUTES, BY THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT

NOTICE OF PUBLIC HEARING TO CONSIDER ADOPTION OF ASSESSMENT ROLL PURSUANT TO SECTION 197.3632(4)(b), FLORIDA STATUTES, BY THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT

The Gateway Services Community Development District Board of Supervisors ("Board") will hold a public hearing on October 6, 2022, at 5:00 p.m., in the Board meeting room of the Gateway Services Community Development District at 13240 Griffin Drive Fort Myers, Florida 33913 to consider the adoption of an assessment roll, the imposition of special assessments to secure proposed bonds on benefited lands within the Gateway Services Community Development District ("District"), a depiction of which lands to be assessed is shown below, and to provide for the levy, collection and enforcement of the special assessments. The District is a unit of special purpose local government responsible for providing infrastructure improvements for lands within the District. The District has indicated that it intends to perform and fund the certain public capital improvements generally described below, the District's Capital Improvement Plan (the "Project"). The scope of the Project is set forth in more detail in that certain *Amended and Restated Master Engineer's Report for the Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated September 1, 2022 which is on file at the District Administrative Office at 11922 Fairway Lakes Drive, Suite #1, Fort Myers, FL, 33913 (hereinafter, the "Amended and Restated Engineer's Report"). In order to fund the Project, the District will issue a series of bonds ("Project Bonds") and will levy special assessments on the benefited properties within the District in order to secure the Project Bonds necessary to finance the Project (hereinafter, collectively referred to as the "Project Assessments").

The public hearing is being conducted pursuant to Chapters 170, 190 and 197, *Florida Statutes*. A description of the property to be assessed and the amount to be assessed to each piece or parcel of property may be ascertained at the District Administrative Office located at 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913. (239) 561-1313.

The District intends to impose special assessments on benefitted lands within the District in the manner set forth in the District's *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated September 1, 2022, (the "Amended and Restated Assessment Report"), which is on file and available during normal business hours at the District Administrative Office. The purpose of the Project Assessments is to secure the Project Bonds to be issued to fund the acquisition, construction and/or reconstruction of the Project Improvements by the District. The Amended and Restated Assessment Report contains a listing of each tax parcel identification of benefitted lands within the District, the number of units within each parcel, the total assessment to be levied against each parcel, and the method of allocation of the Project Assessments. Lands within the District are assigned units of measurement in accordance with their use. All properties and parcels receive assessments related to the benefits received for that property and parcel. The benefits received by each use on a property or parcel are based upon the impact(s) each single family homesite, multi-family residential unit and individual commercial parcel has on the roadways, water management and administrative budget items. For the administrative services and parks and recreation components and costs, platted single family residential lots are considered to contain one (1) EAU per lot and unplatted residential lands and non-residential lands including commercial lands are assigned EAUs in accordance with the District's assessment methodology in the Amended and Restated Assessment Report on file at the District Administrative Office. The portion of the total assessment attributable to administrative services and parks and recreation components and costs against each parcel is the total of the EAUs in each parcel multiplied by per EAU assessments. For the roadways costs, the impact on roadways has been calculated based upon trip generation rates. For the water management services costs the impact on the surface water management system (ponds, lakes, conservation areas, etc.) has been calculated based upon impervious surface areas and runoff coefficients.

The annual principal and interest assessment levied against each parcel will be based on repayment over a maximum of twenty (20) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than $54,920,000 in principal debt to be assessed by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment or interest. The total revenue the District will collect by the subject assessments is $92,364,000 exclusive of fees and costs of collection or enforcement, discounts for early payment, interest on late payments and penalties. Please consult the Amended and Restated Assessment Report for more details.

The proposed schedule of assessments and the total assessment amount to be levied against each type of use on a property or parcel is set forth below as follows:

GATEWAY ASSESSMENT AREA

Land Use	Total Principal Assessment	Assessable Units	Total Principal Assessment Per Unit	Not to Exceed Annual Debt Service Assessment Per Unit

The actual assessment per commercial parcel is determined based on the special and peculiar benefit determined under the Amended and Restated Assessment Report dated September 1, 2022 for each individual parcel.

The assessments may be prepaid in whole at any time, or in some instances in part, or may be paid in not more than twenty (20) annual installments subsequent to the issuance of debt to finance the improvements. The assessments may be paid without interest within 30 days after the improvements have been completed and accepted by Resolution of the Board of Supervisors, and thereafter such prepayments shall be with interest to the next applicable payment date. These annual assessments may be collected directly by the District in accordance with Florida law, or may be collected on the property tax bill issued by the Lee County Tax Collector. The decision to collect special assessments by any particular method – e.g., by direct bill or on the tax roll – does not mean that such a method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices. All affected property owners have the right to appear at the public hearing and the right to file written objections with the District within twenty (20) days of the publication of this notice.

If a person chooses to appeal any decision of the Board with respect to any matter considered at the meeting or hearing, such person will need a record of the proceeding and should accordingly ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

RESOLUTION 2022 –29

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") DECLARING SPECIAL ASSESSMENTS; INDICATING THE LOCATIONS, NATURE AND ESTIMATED COST OF THOSE IMPROVEMENTS WHICH COST IS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE PORTION OF THE ESTIMATED COST OF THE IMPROVEMENTS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE MANNER IN WHICH SUCH SPECIAL ASSESSMENTS SHALL BE MADE; PROVIDING WHEN SUCH SPECIAL ASSESSMENTS SHALL BE MADE; DESIGNATING LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT; ADOPTING A PRELIMINARY ASSESSMENT ROLL; PROVIDING FOR A PUBLIC HEARING TO CONSIDER THE ADVISABILITY AND PROPRIETY OF SAID ASSESSMENTS AND THE RELATED IMPROVEMENTS; PROVIDING FOR NOTICE OF SAID PUBLIC HEARING; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; PROVIDING FOR THE REPEAL OF RESOLUTION 2022-18 AND RESOLUTION 2022-12; PROVIDING FOR CONFLICTS, PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board on June 16, 2022 had adopted its Resolution 2022 12 declaring special assessments; and,

WHEREAS, after the adoption of Resolution 2022-12, the Board determined that the lands and properties within the Pelican Preserve portion of the District benefit from certain of the Improvements and the Board on August 4, 2022 adopted its Resolution 2022-18, repealing Resolution 2022-12; and,

WHEREAS, the Board of Supervisors of the Gateway Services Community Development District (the "Board") hereby determines to undertake, install, plan, establish, construct, reconstruct, enlarge or extend, equip, acquire, operate and/or maintain certain public improvements (the "Improvements") described in that certain Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech and dated September 1, 2022 ("Amended and Restated Engineer's Report"), a copy of which is attached hereto and made a part hereof as Exhibit "A" and maintained on file at the District Administrative Office, 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913 (the "District Administrative Office") and the offices of the District Engineer, Tetra Tech, 10600 Chewolet Way, Suite 102, Estero, Florida 33928 ("District Engineer's Office"); and,

WHEREAS, Gateway Services Community Development District (the "District") is empowered by Chapter 190, the Uniform Community Development District Act of 1980; Chapter 170, Supplemental and Alternative Method of Making Local Municipal Improvements; and, Chapter 197, Florida Statutes, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain the Improvements and to impose, levy, and collect the Assessments (as defined below); and,

WHEREAS, the Board finds that it is in the best interest of the District to pay the cost of the Improvements by imposing, levying, and collecting special assessments pursuant to Chapters 170, 190 and 197, Florida Statutes (the "Assessments"); and,

WHEREAS, the District hereby determines that benefits will accrue to the property benefited by the Improvements, the amount of those benefits, and that the Assessments will be made in proportion to the benefits received as set forth in that certain Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc. and dated September, 1,2022, ("Amended and Restated Assessment Report"), a copy of which is attached hereto and made a part hereof as Exhibit "B" and maintained on file at the District Administrative Office and the District Engineer's Office; and

WHEREAS, the District hereby determines that the Assessments to be levied will not exceed the benefits to the property benefited by the Improvements.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT THAT:

Section 1. The foregoing recitals are hereby incorporated as the findings of the Board.

Section 2. Assessments shall be levied to defray the cost of the Improvements.

Section 3. The nature and general location of, and plans and specifications for, the Improvements are described in the Amended and Restated Engineer's Report and maintained on file at the District Administrative Office and the District Engineer's Office.

Section 4. The total estimated cost of the Improvements is approximately $45,300,000 (the "Estimated Cost").

Section 5. The Assessments will defray approximately $54,920,000 in bonded indebtedness which includes, without limitation, the Estimated Cost plus financing related costs, capitalized interest, a debt service reserve and contingency.

Section 6. The manner in which the Assessments shall be apportioned and paid is set forth in the Amended and Restated Assessment Report attached hereto and made a part hereof as Exhibit "B", subject to provisions for supplemental assessment resolutions. The Amended and Restated Assessment Report is also available on file at the District Administrative Office and the District Engineer's Office.

Section 7. The Assessments shall be levied in accordance with the Amended and Restated Assessment Report referenced above on all lots and lands, within the District, which are adjoining and contiguous or bounding and abutting upon the Improvements or specially benefited thereby and further designated by the assessment plat hereinafter provide for.

Section 8. There is on file at the District Administrative Office and the District Engineer's Office, an assessment plat showing the area to be assessed, with the plans and specifications describing the Improvements and the Estimated Cost, all of which shall be open to inspection by the public.

Section 9. The District has caused to be made a preliminary assessment roll, prepared by Real Estate Econometrics, Inc. in accordance with the method of assessment described in Sections 3 through 4 of the Amended and Restated Assessment Report, which preliminary assessment roll shows the lots and lands assessed, the amount of benefit to and the Assessment against each lot or parcel of land and the number of annual installments into which such Assessment may be divided, which is hereby adopted and approved as the District's preliminary assessment roll.

Section 10. Commencing with the year in which the Assessments are certified for collection and subsequent to any capitalized interest period, the Assessments shall be paid in not more than (20) twenty yearly installments, which installments shall include principal and interest as calculated in accordance with the Amended and Restated Assessment Report. The Assessments shall be payable at the same time and in the same manner as are ad-valorem taxes and as prescribed in Chapter 197, Florida Statutes; provided, however, that in the event the uniform non ad-valorem assessment method of collecting the Assessments is not available to the District in any year, or the District otherwise determines not to utilize the provisions of Chapter 197, Florida Statutes, the Assessments may be collected as is otherwise permitted by law.

Section 11. The Board shall adopt a subsequent resolution to fix a time and place at which the owners of property to be assessed or any other persons interested therein may appear before the Board and be heard as to the propriety and advisability of the Assessments or the making of the Improvements, the cost thereof, the manner of payment therefore, or the amount thereof to be assessed against each property as improved; and to authorize such notice and publications of same as may be required by Chapter 170, Florida Statutes, or other applicable law.

RESOLUTION NO. 2022-30

A RESOLUTION OF THE BOARD OF SUPERVISORS ("BOARD") OF THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT SETTING A PUBLIC HEARING TO BE HELD ON OCTOBER 6, 2022 AT 5:00 P.M. AT THE BOARD OF SUPERVISORS BOARD MEETING ROOM LOCATED AT 13240 GRIFFIN DRIVE, FORT MYERS, FLORIDA 33913, FOR THE PURPOSE OF HEARING PUBLIC COMMENT ON IMPOSING SPECIAL ASSESSMENTS ON CERTAIN PROPERTY WITHIN THE DISTRICT GENERALLY DESCRIBED AS THE GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT IN ACCORDANCE WITH CHAPTERS 170, 190 AND 197, FLORIDA STATUTES; PROVIDING FOR THE REPEAL OF RESOLUTION 2022-19 AND RESOLUTION 2022-13; PROVIDING FOR CONFLICTS, PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors of the Gateway Services Community Development District ("Board") has previously adopted Resolution No. 2022-29 entitled:

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") DECLARING SPECIAL ASSESSMENTS; INDICATING THE LOCATIONS, NATURE AND ESTIMATED COST OF THOSE IMPROVEMENTS WHICH COST IS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE PORTION OF THE ESTIMATED COST OF THE IMPROVEMENTS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE MANNER IN WHICH SUCH SPECIAL ASSESSMENTS SHALL BE MADE; PROVIDING WHEN SUCH SPECIAL ASSESSMENTS SHALL BE MADE; DESIGNATING LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT; ADOPTING A PRELIMINARY ASSESSMENT ROLL; PROVIDING FOR A PUBLIC HEARING TO CONSIDER THE ADVISABILITY AND PROPRIETY OF SAID ASSESSMENTS AND THE RELATED IMPROVEMENTS; PROVIDING FOR NOTICE OF SAID PUBLIC HEARING; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; PROVIDING FOR THE REPEAL OF RESOLUTION 2022-18 AND RESOLUTION 2022-12; PROVIDING FOR CONFLICTS, PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE

WHEREAS, in accordance with Resolution No. 2022-29, a preliminary assessment roll has been prepared and all other conditions precedent set forth in Chapters 170, 190 and 197, Florida Statutes to the holding of the aforementioned public hearing have been satisfied, and the roll and related documents are available for public inspection at the offices of the District Engineer, Tetra Tech, at 10600 Chewolet Way, Suite 102, Estero, Florida 33928, ("District Engineer's Office") and the District Administrative Office at 11922 Fairway Lakes Drive, Suite #1,, Fort Myers, Florida 33913, ("District Administrative Office").

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT:

Section 1. There is hereby declared a public hearing to be held on October 6, 2022, at 5:00 p.m. in the Board meeting room of the Gateway Services Community Development District at 13240 Griffin Drive, Fort Myers, Florida 33913, for the purpose of hearing comment and objections to the proposed special assessment program for the Improvements as identified in the preliminary assessment roll a copy of which is on file at the District Engineer's Office and the District Administrative Office. Said preliminary assessment roll indicates the areas to be improved, description of the Improvements, description of the project for which assessment are to be made and the amount expected to be assessed to each benefited piece or parcel of property. The owners of the property to be assessed, affected parties and interested parties may appear at that hearing or submit their comments in writing prior to the meeting and submit same to the District Administrative Office at 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913.

Section 2. Notice of said hearing shall be advertised in accordance with Chapters 170, 190 and 197 Florida Statutes, and the District Manager is hereby authorized and directed to place said notice in a newspaper of general circulation published within Lee County (by two publications one week apart with the last publication at least one week prior to the date of the hearing established herein). The District Manager shall file a publisher's affidavit with the District Secretary verifying such publication of notice. The District Manager is further authorized and directed to give (30) thirty days written notice by mail of the time and place of this hearing to the owners of all property to be assessed and include in such notice the amount of the assessment for each such property owner, a description of the areas to be improved and also notice that information concerning all assessments may be ascertained at the District Engineer's Office at 10600 Chewolet Way, Suite 102, Estero, Florida 33928 and the District Administrative Office. The District Manager shall file proof of such mailing by affidavit with the District Secretary.

Section 3. If any one of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, but not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way effect the validity of the other provisions hereof.

Section 4. Resolution Number 2022-19 is hereby repealed in its entirety. Resolution Number 2022-13 is hereby repealed in its entirety. All Sections or parts of Sections of any Resolutions, Agreements or actions of the Board of Supervisors in conflict with this Resolution 2022-30 are hereby repealed to the extent of such conflict.

Section 5. This Resolution shall become effective upon its adoption.

RESOLUTION 2022 - 29

A RESOLUTION OF THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT (THE "DISTRICT") DECLARING SPECIAL ASSESSMENTS; INDICATING THE LOCATIONS, NATURE AND ESTIMATED COST OF THOSE IMPROVEMENTS WHICH COST IS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE PORTION OF THE ESTIMATED COST OF THE IMPROVEMENTS TO BE DEFRAYED IN WHOLE OR IN PART BY THE SPECIAL ASSESSMENTS; PROVIDING THE MANNER IN WHICH SUCH SPECIAL ASSESSMENTS SHALL BE MADE; PROVIDING WHEN SUCH SPECIAL ASSESSMENTS SHALL BE MADE; DESIGNATING LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT; ADOPTING A PRELIMINARY ASSESSMENT ROLL; PROVIDING FOR A PUBLIC HEARING TO CONSIDER THE ADVISABILITY AND PROPRIETY OF SAID ASSESSMENTS AND THE RELATED IMPROVEMENTS; PROVIDING FOR NOTICE OF SAID PUBLIC HEARING; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; PROVIDING FOR THE REPEAL OF RESOLUTION 2022-18 AND RESOLUTION 2022-12; PROVIDING FOR CONFLICTS, PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Board of Supervisors of the Gateway Services Community Development District (the "Board") has determined to undertake, install, plan, establish, construct, reconstruct, enlarge or extend, equip, acquire, operate and/or maintain certain public improvements; and

WHEREAS, the Board on June 16, 2022 had adopted its Resolution 2022-12 declaring special assessments; and,

WHEREAS, after the adoption of Resolution 2022-12, the Board determined that the lands and properties within the Pelican Preserve portion of the District benefit from certain of the Improvements and the Board on August 4, 2022 adopted its Resolution 2022-18, repealing Resolution 2022-12; and,

WHEREAS, the Board has determined to undertake, install, plan, establish, construct, reconstruct, enlarge or extend, equip, acquire, operate and/or maintain certain public improvements (the "Improvements"); as described in that certain *Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated as of September 1, 2022 ("Amended and Restated Engineer's Report"), a copy of which is attached hereto and made a part hereof as **Exhibit "A"** and maintained on file at the District Administrative Office, 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913 (the "District Administrative Office") and the offices of the District

Engineer, Tetra Tech, 10600 Chevrolet Way, Suite 300, Estero, Florida 33928 ("District Engineer's Office"); and,

WHEREAS, Gateway Services Community Development District (the "District") is empowered by Chapter 190, the Uniform Community Development District Act of 1980; Chapter 170, Supplemental and Alternative Method of Making Local Municipal Improvements; and, Chapter 197, Florida Statutes, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain the Improvements and to impose, levy, and collect the Assessments (as defined below); and,

WHEREAS, the Board finds that it is in the best interest of the District to pay the cost of the Improvements by imposing, levying, and collecting special assessments pursuant to Chapters 170, 190 and 197, Florida Statutes (the "Assessments"); and,

WHEREAS, the District hereby determines that benefits will accrue to the property benefited by the Improvements, the amount of those benefits, and that the Assessments will be made in proportion to the benefits received as set forth in that certain *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated as of September 1, 2022, (the "Amended and Restated Assessment Report"), a copy of which is attached hereto and made a part hereof as **Exhibit "B"** and maintained on file at the District Administrative Office and the District Engineer's Office; and

WHEREAS, the District hereby determines that the Assessments to be levied will not exceed the benefits to the property benefited by the Improvements; and,

WHEREAS, the District hereby determines that it is appropriate to repeal its prior Resolution 2022-18 and its prior Resolution 2022-12.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF GATEWAY SERVICES COMMUNITY DEVELOPMENT DISTRICT THAT:

Section 1. The foregoing recitals are hereby incorporated as the findings of the Board.

Section 2. Assessments shall be levied to defray the cost of the Improvements.

Section 3. The nature and general location of, and plans and specifications for, the Improvements are described in the Amended and Restated Engineer's Report and maintained on file at the District Administrative Office and the District Engineer's Office.

Section 4. The total estimated cost of the Improvements is approximately $45,300,000 (the "Estimated Cost").

Section 5. The Assessments will defray approximately $54,920,000 in bonded indebtedness which includes, without limitation, the Estimated Cost, plus financing related costs, capitalized interest, a debt service reserve and contingency.

Section 6. The manner in which the Assessments shall be apportioned and paid is set forth in the Amended and Restated Assessment Report attached hereto and made a part hereof as **Exhibit "B"**, subject to provisions for supplemental assessment resolutions. The Amended and Restated Assessment Report is also available on file at the District Administrative Office and the District Engineer's Office.

Section 7. The Assessments shall be levied in accordance with the Amended and Restated Assessment Report referenced above on all lots and lands, within the District, which are adjoining and contiguous or bounding and abutting upon the Improvements or specialty benefited thereby and further designated by the assessment plat hereinafter provide for.

Section 8. There is on file at the District Administrative Office and the District Engineer's Office, an assessment plat showing the area to be assessed, with the plans and specifications describing the Improvements and the Estimated Cost, all of which shall be open to inspection by the public.

Section 9. The District has caused to be made a preliminary assessment roll, prepared by Real Estate Econometrics, Inc. in accordance with the method of assessment described in Sections 3 through 4 of the Amended and Restated Assessment Report, which preliminary assessment roll shows the lots and lands assessed, the amount of benefit to and the Assessment against each lot or parcel of land and the number of annual installments into which such Assessment may be divided, which is hereby adopted and approved as the District's preliminary assessment roll.

Section 10. Commencing with the year in which the Assessments are certified for collection and subsequent to any capitalized interest period, the Assessments shall be paid in not more than (20) twenty yearly installments, which installments shall include principal and interest as calculated in accordance with the Amended and Restated Assessment Report. The Assessments shall be payable at the same time and in the same manner as are ad-valorem taxes and as prescribed in Chapter 197, Florida Statutes; provided, however, that in the event the uniform non ad-valorem assessment method of collecting the Assessments is not available to the District in any year, or the District otherwise determines not to utilize the provisions of Chapter 197, Florida Statutes, the Assessments may be collected as is otherwise permitted by law.

Section 11. The Board shall adopt a subsequent resolution to fix a time and place at which the owners of property to be assessed or any other persons interested therein may appear before the Board and be heard as to the propriety and advisability of the Assessments or the making of the Improvements, the cost thereof, the manner of payment therefore, or the amount

thereof to be assessed against each property as improved; and to authorize such notice and publications of same as may be required by Chapter 170, Florida Statutes, or other applicable law.

Section 12. The District Manager is hereby directed to cause this resolution to be published twice (once a week for two (2) weeks) in a newspaper of general circulation within Lee County and to provide mailed notices to the owners of the property subject to the proposed Assessments and such other notice as may be required by law or deemed in the best interest of the District. The District Manager shall file a publisher's affidavit with the District Secretary verifying such publication of notice.

Section 13. If any one of the covenants, agreements or provisions herein contained shall be held contrary to any express provision of law or contract to the policy of express law, but not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way effect the validity of the other provisions hereof.

Section 14. Resolution Number 2022-18 is hereby repealed in its entirety. Resolution Number 2022-12 is hereby repealed in its entirety. All Sections or parts of Sections of any resolutions, agreements or actions of the Board of Supervisors in conflict with this Resolution 2022 - 29 are hereby repealed to the extent of such conflict.

Section 15. This Resolution shall become effective upon its adoption.

PASSED AND ADOPTED this 1ST day of September, 2022.

1.0 INTRODUCTION

1.1 PROJECT DESCRIPTION

The Gateway Services Community Development District (District) was established on May 22, 1986. More than 10,000 residents now live in the District. The District encompasses approximately 4,488 acres of land, with over 100 lakes and ponds and over 50 conservation areas which serve as the backbone for the stormwater management system.

The Capital Improvement Plan (CIP) described in this report describes the current plans of the District for implementing projects within the following four District Departments: Administrative, Parks and Recreation, Waterway Management, and Roadway and Landscape. This report is presented in sections which describe the project needs for each such Department. This report amends and restates the Master Engineer's Report for the Gateway Services Community Development District: Capital Improvement Plan dated June 16, 2022.

As described in further detail in Section 6.0, the total estimated cost for the CIP is $45,300,000, which is expected to be implemented in phases over an approximately 10-year period. The portion of the CIP to be financed and refinanced in future phases will be more particularly described in one or more supplemental engineer's reports to this report. The full 10-year CIP is included as **Appendix A**.

The opinions of probable cost within this report have been prepared based upon the best available information at the time of report publication. Actual costs may vary from the estimates presented in this report.

1.2 PROJECT PURPOSE AND AUTHORIZATION

The District has the authority to borrow money for the purposes of funding the public improvements described in this report and to impose non-ad-valorem special assessments to repay such borrowed money. This engineer's report has been prepared, among other things, to satisfy the validation and certain other requirements applicable to Community Development Districts established under Chapter 190, Florida Statutes. This report describes the projects comprising the CIP, the cost estimates thereof, and funding and revenue sources.

The District is governed by a five member Board of Supervisors who are qualified electors and elected by qualified electors of the District. The current Board is comprised of the following members:

Doug Banks,	Chairperson
William Guy,	Vice Chairperson
Flavia Walsh,	Supervisor
Ed Tinkle,	Supervisor
Bob Geppert,	Supervisor

1.3 PROJECT LOCATION AND BENEFIT AREA

The District is located in Lee County, Florida with a portion located in the boundaries of the City of Fort Myers, Florida. The District is bound on the east by State Road 82, on the west side by Tree Line Avenue, on the south by Daniels Parkway, and to the north by Colonial Boulevard and SR 82. The District is found just north of the Southwest Florida International Airport and east of Jet Blue Park. The project areas are located within the District boundary shown on **Figure 1-1** provided in **Appendix B**.

The District is and will be the owner and operator of certain roads, conservation areas, lakes (ponds), and facilities that are described in this report.

For purposes of this report and in order to implement the CIP, two distinct assessment areas within the District are being established, to wit: the "Gateway Assessment Area", which corresponds to the Gateway community within the District, and the "Pelican Preserve Assessment Area", which corresponds to the Pelican Preserve community within the District. The Pelican Preserve Assessment Area and the Gateway Assessment Area are sometimes referred to herein as the "Assessment Areas." The boundaries of the Assessment Areas are shown on **Figure 1-2**.

The stormwater management system that the District maintains and will maintain is a complex system of interconnected lakes, wetlands, and canals that cascade into one another providing water treatment and flood prevention before being discharged to the Six Mile Cypress Slough Preserve. The Six Mile Cypress Slough Preserve is over 3,500 acres of wetland ecosystem that catches and slowly filters rainwater on its way towards Estero Bay.

Not all assessable property located within the District boundary shown on **Figure 1-1** benefits from all of the CIP projects described in this report. Assessable property in the Pelican Preserve Assessment Area depicted in **Figure 1-2** benefit from some of the administrative and waterway management CIP projects. The specific CIP projects or components benefitting the assessable property in the Pelican Preserve Assessment Area are identified in the following sections. Unless otherwise noted, all CIP projects benefit the assessable property in the District comprising the Gateway Assessment Area depicted on **Figure 1-2** (the boundaries of which do not include the Pelican Preserve Assessment Area).

By maintaining the surface waters and conservation areas within the applicable Assessment Area within the District's boundary, the District aims to alleviate further sediment loading which reduces the required cleaning of stormwater infrastructure, preventing the surface waters from losing overall treatment volume. The roads maintained by the District provide safe transportation for residents within the applicable Assessment Area to and from their property. The recreational facilities provide a direct benefit to the properties within the applicable Assessment Area, providing recreational opportunities to the residents.

1.4 PROJECT SCOPE

The District owns and maintains various facilities throughout the Assessment Areas, including surface water management components, sidewalks, roads, streetlights, road signs, landscaping and recreational facilities. As the initial community improvements were installed over 30 years ago, many of the District's assets/amenities are aging and in need of repair and/or replacement. More specifically, the District has indicated that it intends to fund the public capital improvements generally described below for the benefit of the applicable benefiting Assessment Area:

Administrative

- Renovation of existing District building facilities and/or construction of new facilities which may include the District's main office building and a maintenance shop/storage building, including acquisition of land as necessary for new facilities

Parks and Recreation

- Improvements to District parks and recreation facilities fields and amenities, including replacement of the pool filtration system, pool equipment, resurfacing and decking

Waterway Management

- Improvements to District surface water management components, including swales and piping within road rights- of-way, videoing and pipe cleaning
- District stormwater lake improvements, including bathymetric surveying, sediment sampling, and addition of aeration equipment

Roadway and Landscape

- Replacement of existing District streetlight systems with LED lights, and construction new wiring from transformers to lights
- Repaving/Construction of District owned roads and accompanying streetscape, i.e., street signs
- Replacement and/or addition of new curbs and sidewalks on District owned/maintained public roads or other public roads, including Lee County owned roads/streets where the District has certain responsibilities under an interlocal agreement
- Replacement of District Landscaping/Monument Signs

2.0 ADMINISTRATIVE

The District is planning to fund seven projects within the administrative category. Three of these projects provide a direct benefit to the Gateway Assessment Area and the Pelican Preserve Assessment Area. The remainder of these projects provide a direct benefit to the Gateway Assessment Area only. **Table 2-1** lists the estimated ten year capital budgetary cost for the projects.

Table 2-1. Summary of Administrative Projects.

Project	Estimated Costs
Board Room Renovation and Updates*	$20,000
Capital Reserve Study	$50,000
Accounting Software*	$70,000
Americans with Disabilities Act Compliance	$80,000
Geographical Information System	$160,000
Storage Facility	$820,000
Main District Building*	$3,620,000
Administrative Total	**$4,820,000**

* Projects that also benefit Pelican Preserve Assessment Area

2.1 BOARDROOM RENOVATION AND UPDATES

The District's main utilities operations center, located at 13240 Griffin Drive, contains the office building for Board meetings, utilities, and operational staff. The Board of Supervisors and its committees meet in the Complex's boardroom. The boardroom is also available for reservation by residents of the District. The boardroom needs new technology which includes but not limited to desktops, monitors, and personal computer connection stations. The boardroom improvements have not yet begun but will be paid for and the improvements completed in FY2023. The District's managerial and support staff currently perform their work at the District's administrative office located at 11922 Fairway Lakes Drive which has been leased until a new administration building is constructed. The Board of Supervisors and its committees will continue to meet in the boardroom in the District's Administrative Complex located at 13240 Griffin Drive until a new administration building is constructed.

2.2 CAPITAL RESERVE STUDY

The District plans to retain the services of a financial consultant to assist with a study to provide recommendations related to establishing a capital reserve fund. The capital reserve fund study has not yet begun but is projected to be 30 percent complete in FY2022 and completed in FY2023.

2.3 ACCOUNTING SOFTWARE

The District plans to retain the services of an accounting software supplier/consultant to furnish and install a new accounting/procurement software package. This would provide improved real time access to the District's finances, for both the District, and their subconsultant that provides management and financial services.

2.4 AMERICANS WITH DISABILITIES ACT COMPLIANCE

The District is planning to fund projects as required to maintain compliance with the nondiscrimination requirements of Title II of the Americans with Disabilities Act (ADA) applicable to state and local government services. Compliance

includes staying up to date with current standards and requirements, addressing any physical concerns with structures, signage, and ADA Accessibility throughout the District. The District plans to develop an ADA transition plan that will be used to identify where ADA improvements are needed. It is anticipated that projects to be funded may include, but not be limited to, sidewalks, building facilities, and website access.

2.5 GEOGRAPHICAL INFORMATION SYSTEM

The District executed an agreement with a consultant to provide Geographical Information System (GIS) services to be completed over a four year period and updated periodically. The consultant will create a GIS geodatabase system and map deliverables for the District. Services to be performed include gathering and manipulating spatial data, inputting data into a GIS geodatabase, and creating maps and graphs. This will also include the beginning stages of building an online interface that allows authorized users to visually see and locate certain District assets and access important documents. GIS interface will be accessed using a username and password.

2.6 STORAGE FACILITY

The District plans to add a new approximately 3,000 square foot storage facility at the District's main operations center located at or near 13240 Griffin Drive. The storage facility will be a totally enclosed structure meeting the Florida Building Code and rated for 180 miles per hour wind loading and any other local, State or Federal codes/regulations as required. The building will be used as a shop for maintenance staff from both Public Works and Parks and Recreation, storage of equipment, critical and general inventory items needed for the District's ongoing general fund operations.

2.7 MAIN DISTRICT BUILDING

The District plans to add a new approximately 5,000 square foot administration building to be occupied by the District's managerial and support staff that currently perform their work at the District's administrative office located at 11922 Fairway Lakes Drive. The new administration building will be located at 11301 Gateway Boulevard, also known as "the Commons." The facility would accommodate administrative staff members, boardroom and meeting space, constructed in compliance with the Florida Building Code and rated for 180 miles per hour wind loading and any other local, State or Federal codes/regulations as required.

3.0 WATERWAY MANAGEMENT

The District is planning to fund seven projects within the Waterway Management category. Of these, the Adjustable Weirs project provides a direct benefit to the Gateway Assessment Area and the Pelican Preserve Assessment Area. The remainder of these projects provide a direct benefit to the Gateway Assessment Area only. **Table 3-1** lists the planned ten year capital budget for the projects.

Within the District there are 134 stormwater management lakes and five flow ways which are connected by a series of conveyance systems. These conveyance systems consist of various size storm drainage piping, control structures, weirs, swales, and flow ways. In general, the purpose of these lakes is to prevent flooding of the improved areas of the District, and to provide treatment for stormwater which they retain. Stormwater runoff throughout the District is conveyed into these lakes where it can be stored and treated prior to discharge into the Six Mile Cypress Slough Preserve. The stormwater management lakes and flow ways are situated within six drainage basins which are shown on **Figure 3-1** provided in **Appendix B**. Additional information for the lakes is shown on **Figure 3-2** provided in **Appendix B**.

There are 711 acres of District maintained lakes. Approximately 30 percent of the lake acreage is within Pelican Preserve, 10 percent within Stoneybrook, and 60 percent within the remainder of "Greater Gateway". These stormwater management lakes benefit all properties within the District, not just the properties that abut the lakes. All the stormwater from the improved properties and roadways in the District are eventually conveyed into these lakes prior to discharging into the flow way systems.

Table 3-1. Summary of Waterway Management Projects.

Project	Estimated Costs
Bathymetric Surveys and Sediment Core Sampling	$500,000
Surface Water Aerators	$832,000
Adjustable Weirs*	$975,000
Interpond Transfer Structure Modifications	$546,000
Stormwater System Repair & Swale Reclamation	$2,500,000
Lake Bank Point Repairs and Maintenance	$1,150,000
Lake Bank Restoration	$13,647,000
Waterway Management Total	**$20,150,000**

* A portion of this project benefits the Pelican Preserve Assessment Area

3.1 BATHYMETRIC SURVEYS AND SEDIMENT CORE SAMPLING

The District is currently reviewing cost proposals for bathymetric surveys and core sampling of 10 of the District's surface water flow ways and lakes that are necessary to properly design improvements to flow ways, ponds, and lakes in the District's storm water management system relating to the Gateway Assessment Area. The bathymetric surveys will include: slope cross sections every 100 linear feet; and color graphics of pond contours in one foot intervals; sediment depth and water depth. Sediment core samples shall be taken from the flow way or lake bottom at 100 linear foot intervals, or a minimum of one per surface acre. One sediment core sample will be collected near where stormwater flows enter the water body and one collected near where stormwater flows out of the water body. Sediment core samples will be laboratory tested for iron, copper, nickel, zinc, and arsenic. The bathymetric surveys and collection of the samples will be from a boat with access coordinated with District staff.

The findings of these surveys and reports will provide the basis for implementing the placement of new aerators in the 10 flow ways and lakes investigated. The cost estimate includes a contingency for other future bathymetric surveys and core sampling projects as needed.

3.2 SURFACE WATER AERATORS

The District has identified two flow ways and eight lakes to receive new aerators. The precise locations for installation of the aerators are to be determined after bathymetric surveys of the surface waters have been completed and reviewed. The District has 34 aerator systems in place at other lakes which utilize submerged diffusers for air dispersion with the air supplied by 1/2 hp air compressors at most of the installations. The aerators will be replaced over the course of the next 10-15 years or on an as-needed basis throughout the Gateway Assessment Area.

3.3 ADJUSTABLE WEIRS

The District owns or operates an interconnected stormwater management system consisting of numerous distinct sub-systems. Each sub- system discharges into the primary flow way which is controlled by weirs. The flow way conveys surface water west to discharge into the Six-Mile Cypress Slough Preserve. The District is proposing modifications to the weir structures as a means of better managing flood waters. The proposed modifications include the addition of adjustable sluice gates attached to by-pass piping or directly affixed to the existing weir. These modifications will allow the District to temporarily lower the control elevation of the stormwater systems in advance of a threatening storm and will add additional stormwater capacity and mitigate flooding during hurricanes and other major storm events, while still maintaining the permitted discharge limit. After waters levels have receded, the weirs will be restored to their original elevation.

Three of the weirs to be modified (Weirs No. 1, No. 2, No. 3) are located in the master flow way and serve the Pelican Preserve Assessment Area and the Gateway Assessment Area equally. The fourth weir to be modified (Pond 38 Weir) is located in a pond that solely benefits Pelican Preserve the Pelican Preserve Assessment Area.

Tetra Tech, on behalf of the District, submitted a permit application to the South Florida Water Management District (SFWMD) for a permit modification to allow installation of these adjustable weirs, and permitting is anticipated to be completed in FY2022. After permitting has been completed the project will be publicly, competitively bid. Construction is anticipated to commence and be completed between FY2023 and FY2024.

3.4 INTERPOND TRANSFER STRUCTURE MODIFICATIONS

Multiple storm pipe repairs have been prioritized within the Daniels Preserve drainage basin (Basin 5) within the Gateway Assessment Area. The first of these repairs is being completed as a pilot project. This pilot project is currently underway and includes cleaning 48-inch reinforced concrete pipe (RCP) and new 42-inch corrugated aluminum pipe (CAP) at two (2) lakes, Lakes #4 and #6. This pilot repair is estimated to cost $60,000 and is scheduled to be completed in FY2022.

3.5 STORMWATER SYSTEM REPAIR & SWALE RECLAMATION

The District systematically prioritizes and implements repairs to the stormwater system that may include: flow way slope stabilization; swale re-grading; repair or replacement of reinforced concrete pipe (RCP) and manholes. The estimated costs include a contingency for other future stormwater system repairs as needed throughout the Gateway Assessment Area.

3.6 LAKE BANK POINT REPAIRS AND MAINTENANCE

Lakes within the District that have undergone bank stabilization in the past several years occasionally require point repairs to liners, riprap, and other components. The CIP includes cost estimates for future anticipated point repairs throughout the Gateway Assessment Area.

3.7 LAKE BANK RESTORATION

This District has previously completed lake bank restoration projects that involve the installation of an anchored reinforced vegetation system where severe erosion is a continuous problem. Alternative repairs may include: regrading lake banks with imported fill; installing drains that direct water away from the slope; and other minor repairs where erosion is less severe to prevent further erosion. Currently over 100 lakes in the District have been degrading due to erosion caused by runoff during storm events and wave action during times of high water. The erosion of the lake banks has caused the lakes to encroach into the adjacent residential properties and in some cases created ledges. The CIP includes the estimated costs associated with future lake bank restoration projects throughout the Gateway Assessment Area.

4.0 ROADWAY AND LANDSCAPE

The District is planning to fund five projects within the roadway and landscape funding group. All of these projects are within the Gateway Assessment Area and provide a direct benefit to the Gateway Assessment Area only. **Table 4-1** lists the planned ten year capital budget for the projects.

The District maintains the roads and rights-of-way, with sidewalks for the majority of Pelican Preserve, all of Stoneybrook, and various roads elsewhere in the Gateway community shown on **Figure 4-1** provided in **Appendix B**. These roadways provide residents, businesses and property owners with access to facilities, businesses, and residences throughout the corresponding Assessment Area(s) including safe and convenient access to the District operated facilities.

Table 4-1. Summary of Roadway and Landscape Projects.

Project	Estimated Costs
Streetlight Pole, Wiring & Fixture Replacement	$8,260,000
Road Repair and Replacement	$910,000
Curb and Gutter Replacement	$280,000
Sidewalk Maintenance & Replacement	$930,000
Master Irrigation Renovation	$2,240,000
Roadway and Landscape Total	**$12,620,000**

4.1 STREETLIGHT POLE, WIRING & FIXTURE REPLACEMENT

The District is planning to fund streetlight wiring, pole, and LED fixture upgrades in two phases, with street segments also prioritized within the two phases. Phase 1 is for work along the main throughfare of Gateway Boulevard. Phase 2 is for work along other roadways within the District. The District is developing a master plan to replace streetlight wiring with a focus on Gateway Boulevard from Daniels Parkway to Stoneybrook, and the CIP includes costs to implement that plan from design to permitting and finally construction/implementation. All of these projects are within the Gateway Assessment Area. The District is in discussions with Florida Power and Light (FPL) to consider a potential conversion to their system for full streetlight wiring and pole replacement.

4.2 ROAD REPAIR AND REPLACEMENT

The Soccer Drive and Parking Lot Pavement project consisted of asphalt pavement milling and resurfacing and was completed in March 2022 at a final cost of approximately $159,000. All Gateway Assessment Area roads will be scheduled to be repaired and replaced over the course of 10 years or on an as-needed basis.

4.3 CURB AND GUTTER REPLACEMENT

The District maintains the roads and rights-of-way for the majority of Pelican Preserve, all of Stoneybrook, and various roads elsewhere in the Gateway community shown on **Figure 4-1**. The District prioritizes and completes curb and valley gutter replacement projects on an as-need basis. Priority is given to curb and gutters that present a safety risk. All of these projects are within the Gateway Assessment Area.

4.4 SIDEWALK MAINTENANCE AND REPLACEMENT

The District maintains the roads and rights-of-way for the majority of Pelican Preserve, all of Stoneybrook, and various roads elsewhere in the Gateway community shown on **Figure 4-1**. District prioritizes and completes sidewalk maintenance and replacement projects on an as-need basis, including at times, pursuant to an interlocal agreement with Lee County, sidewalks within the Lee County owned rights of way of Gateway Boulevard and Griffin Drive. Priority is given to sidewalks that present a safety risk. All of these projects are within the Gateway Assessment Area.

4.5 MASTER IRRIGATION RENOVATION

The District has an ongoing services contract to operate and maintain the District's landscape irrigation system. The Service Provider is preparing a phased master plan for the replacement of the controller system, and the CIP includes costs to implement that plan. The phased master plan is for four irrigation controllers that will replace the approximately 15 current controllers. The new system will be web based capable of being managed/monitored remotely. The proposed project includes full flow and pressure monitoring along with rain catch and soil sensor technology for best water management practices. It is the intent of the District to repair/replace any and all lines as they have not been maintained since their installation.

5.0 PARKS AND RECREATION

The District is planning to fund five projects within the Parks and Recreation category for the benefit of the Gateway Assessment Area. All of these projects are within the Gateway Assessment Area. **Table 5-1** lists the estimated costs for the projects. The location of the District's existing parks and recreation facilities are shown on **Figure 5-1** provided in **Appendix B**.

District parks and recreation facilities include the Gateway Commons Pool, the Fun Park, and the Sherman Soccer Complex and Dog Park. The Gateway Commons Pool, located at 11301 Gateway Boulevard, contains a heated 25-meter-long pool with a designated lap lane, wading pool for children, covered picnic areas, lounge chairs, tables with umbrellas, restrooms, shower-off facilities, and parking. The Fun Park, located at 12971-12999 Eagle Pointe Circle, has a playground, basketball court, sand volleyball court, and swings for children. The Sherman Soccer Complex located at 13260 Griffin Drive has four regulation and one junior size soccer fields, a playground, covered picnic areas, restrooms, and a concession stand. Of these parks and recreation facilities, it is currently anticipated that the pool facilities will not be open to the general public but reserved for the use of residents of the Gateway Assessment Area only.

Table 5-1. Summary of Parks and Recreation Projects.

Project	Estimated Costs
Pool Filtration System Replacement	$60,000
Gateway Commons Pool Renovations	$50,000
Gateway Commons Construction	$6,050,000
Parks and Recreation Fields & Amenities	$900,000
Landscaping/Monument Signs	$650,000
Parks and Recreation Total	**$7,710,000**

5.1 POOL FILTRATION SYSTEM REPLACEMENT

The District replaced the Gateway Commons Pool water filtration system in FY2022.

5.2 GATEWAY COMMONS POOL RENOVATIONS

The District plans to renovate the restrooms, shower-off facilities, and administrative areas of the buildings that serve the Gateway Commons Pool facility. The District plans to resurface the interior wetted surface and the top decking of the Gateway Commons Pool.

5.3 GATEWAY COMMONS CONSTRUCTION

The District plans to implement a phased construction of new park amenities at the 15 acre Gateway Commons Community Park complex, within which the Gateway Commons Pool is now located. Future improvements may include but are not limited to: Community Center, Bandshell/Amphitheater, Event Lawns & Open Space, Pavilions & Park Shelters, Trails & Fitness Courses, Family Pool & Splash Activities, Sports Courts/Active Elements, and Passive Elements/Landscape.

5.4 PARKS AND RECREATION FIELDS & AMENITIES

The District plans to add new amenities to existing parks and recreation facilities in the Gateway Assessment Area. Future improvements may include: pavilions, restrooms, dog park areas, security cameras and systems, and other ancillary structures and improvements in the Gateway Assessment Area. The District plans to aerate the Sherman Soccer Complex soccer fields in the Gateway Assessment Area on a regular basis using the verticutting, or vertical mowing, method.

5.5 LANDSCAPING/MONUMENT SIGNS

The District plans to undertake projects to upgrade landscaping and monument signs at the District's roads, parks, and recreation facilities in the Gateway Assessment Area.

6.0 TOTAL ESTIMATED COST OF CIP

The total estimated cost of the District's ten year CIP is $45,300,000. A summary of the ten year CIP estimated cost in presented in **Table 6-1**.

Table 6-1. Summary of Ten Year CIP Estimated Costs.

Fund/Department	Estimated Costs
Administrative	$4,820,000
Waterway Management	$20,150,000
Roadway and Landscape	$12,620,000
Parks & Recreation	$7,710,000
Total 10 Year Capital Projects Budget	**$45,300,000***

*Includes CIP components completed as of the date of this report.

1.0 Introduction

1.1 Purpose

This report amends and restates the Master Assessment Methodology, Gateway Services Community Development District dated June 16, 2022 and provides a Master Assessment Methodology (the "MAMR") for the Capital Improvement Plan (the “CIP”) documented in the Amended and Restated Master Engineer’s Report (“MER”) for the Gateway Services Community Development District prepared by Tetra Tech (the “District Engineer”) dated September 1, 2022 (the “Master Engineer’s Report”) being implemented by the Gateway Services Community Development District ("District"), which Master Engineer’s Report amends and restates the Master Engineer’s Report for the Gateway Services Community Development District: Capital Improvement Plan dated June 16, 2022.

The MAMR described herein has two goals: (1) determining the special and peculiar benefits that flow to the properties in the District as a logical connection from the infrastructure systems and facilities constituting enhanced use and increased enjoyment of the property; and (2) apportion the special benefits on a basis that is fair and reasonable. The District has adopted the CIP to improve upon existing District infrastructure and construct additional District infrastructure within the District.

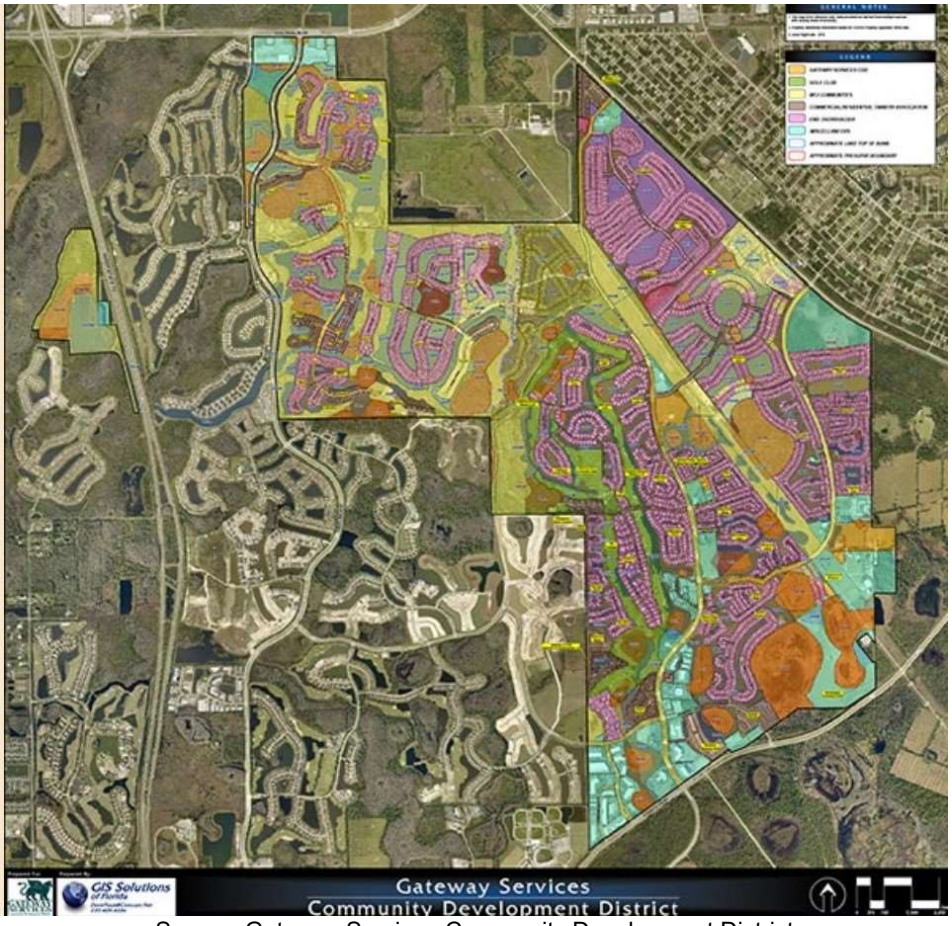

The District plans to fund a portion of the CIP through debt financing with the proceeds of bonds payable from non-ad valorem special assessments levied upon benefitting properties within the District. Any debt repaid from the proceeds of non-ad valorem special assessments is intended to satisfy the statutory and Constitutional tests necessary, including related case law, in order for such non-ad valorem special assessments to constitute liens, co-equal with the liens of State, County, municipal and school board taxes, against properties within the boundary of the District that receive special benefits from the CIP. The Methodology herein is intended to set forth a framework to apportion the special and peculiar benefits from the implementation of the CIP to be financed with the proceeds of bonds payable from and secured by non-ad valorem special assessments (the "Assessments") imposed and levied on the benefiting properties. This report is designed to conform to the requirements of the Constitution, Chapters 170 and 197, F.S. and Chapter 2004-461, Laws of Florida with respect to special assessments and is consistent with our understanding of the case law on this subject.

Real Estate Econometrics, Inc. (“Assessment Consultant”) has been retained to prepare this methodology for the District.

1.2 Background

The District encompasses approximately +/- 4,488 acres comprised of the Gateway and Pelican Preserve master planned residential communities located within Lee County ("County") and partially within the City of Fort Myers ("City"). See Location Map – Figure 1 below.

Figure 1 – Gateway Services Community Development District Location Map

Source: Gateway Services Community Development District

The District was established on May 22, 1986 by the Florida Land and Water Adjudicatory Commission Chapter 42F-1, pursuant to the provisions of the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"). The District is governed by a five-member Board of Supervisors, who are elected to a term of four years, by qualified electors.

The District is a Community Development District ("CDD") which is a governmental unit created to serve the long-term specific needs of property owners within its boundaries. A CDD's main powers are to plan, finance, construct, operate, and maintain community-wide infrastructure and services specifically for the benefit of its property owners.

The District is implementing the CIP in phases through a series of bond issues and other financing sources over an estimated 10-year period. The CIP will benefit the assessable properties located in the Gateway Assessment Area and certain portions of the CIP will benefit the assessable properties located in the Pelican Preserve Assessment Area (collectively, the "CIP Assessment Areas") of the District.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create both special benefits and general benefits. However, the general benefits to the public at large are incidental in nature and are readily distinguishable from the special and peculiar benefits which flow as a logical connection from the applicable systems, facilities, and services to property within the applicable CIP Assessment Areas.

While the general public and property owners outside the boundaries of the CIP Assessment Areas will benefit from the provision of the CIP, these benefits are incidental to the benefits derived from property within the boundaries of the applicable CIP Assessment Areas which is dependent upon the CIP or portions thereof, as applicable, to obtain, or to maintain, development entitlements. This fact alone clearly distinguishes the special and peculiar benefits which property within the applicable CIP Assessment Areas receive compared to those properties lying outside of the CIP Assessment Areas boundaries and establishes that the CIP or portions thereof has a nexus to the increased value and the use and enjoyment of the lands within the applicable CIP Assessment Areas.

1.4 Requirements of a Valid Assessment Methodology

Valid special assessments under Florida law have two requirements. First, the properties assessed must receive a special and peculiar benefit as a logical connection from the systems and services constituting improvements. The courts recognize the special benefits which flow as a logical connection peculiar to the property as enhanced enjoyment and increased use of the property which in turn may result in decreased insurance premiums, increased value and marketability. Second, the assessments must be fairly and reasonably apportioned in relation to the benefit received by the various properties being assessed.

If these two tests for lienability are determined in a manner that is informed and non-arbitrary by the Board of Supervisors of the District, as a legislative determination, then the special assessments may be levied, imposed and collected as first liens on the property. Florida courts have found that it is not necessary to calculate benefit with mathematical precision at the time of imposition and levy so long as the levying and imposition process is not arbitrary, capricious, or unfair.

1.5 Scope of Report

The CIP and therefore the financing of the components thereof have been estimated by the District's Consulting Engineer. Accordingly, there can be no assurance on the date hereof that such costs are attainable. This MAMR is intended to establish a maximum benefit (unless altered by subsequent proceedings) based upon current knowledge and to establish a framework for subsequent Supplemental Assessment Methodology Reports ("SAMRs") which will detail with greater specificity the apportionment of benefit peculiar of a Series Project (as defined below) to the specific properties within the applicable CIP Assessment Areas.

The Act permits the District to establish separate phased units of development, which presumably will differ not only on the timing of their development, but also based upon the composition of the uses of property within each unit and the differences in the special and peculiar benefits that each use receives. If and when the District issues bonds or other debt instruments to finance any portion of the CIP (a "Series Project"), one or more subsequent SMARs will describe the specific size and terms of the bonds or other debt being issued as well as the phased unit of development benefiting from the Series Project.

The MAMR must be used to determine the first lien status of the assessments to be imposed on properties within the CIP Assessment Areas. Just as with this MAMR, the subsequent SAMRs will apply algorithms and the principles set forth in the Act and this MAMR and related statutory methodology with more specificity to result in the actual levy of the assessments on the benefiting property.

2.0 Finance Plan

Capital Improvement Program

The District's Consulting Engineer has identified certain infrastructure in the CIP Assessment Areas of the District that will be improved or provided by the District and has provided a cost estimate for the District's CIP. The CIP is detailed in the Master Engineer's Report prepared by the District Engineer.

The CIP consists of improvements to the roadways, the drainage/storm water management system, parks and recreation and administrative functions of the District. For purposes of benefit determination, the Assessment Consultant has determined that the costs for the new administration building, and its associated costs be allocated between the Gateway Assessment Area, the Pelican Preserve Assessment Area and the Gateway Utility Enterprise Fund. All properties within the District boundaries will benefit from the new District administration building so the new administration building and its associated costs will be allocated based on EAUs.

An initial analysis of the timesheets for the employees using the District's administrative building indicates that 59% of the employees' time was attributed to the utilities function of the District. The remaining 41% of the time was attributed to basic District services. The remaining 41% was split 27% to the Gateway Assessment Area and 14% to the Pelican Preserve Assessment Area. Both the number of Equivalent Assessment Units in each area plus the number of acres in each area were split along the 67%/33% lines thus verifying the use of those percentages for each area.

Therefore, 59.0% of the administrative building costs will be funded by funds transferred from the Gateway Utility Enterprise Fund while 27.0% will be allocated to the Gateway Assessment Area and 14.0% will be allocated to the Pelican Preserve Assessment Area.

The MER indicated that a portion of the water management modifications and improvements that are part of the CIP benefited both District Assessment Areas. Three of the weirs to be modified (Weirs No. 1, No. 2, No. 3) are located in the master flow way and serve the Pelican Preserve Assessment Area and the Gateway Assessment Area equally. The fourth weir to be modified (Pond 38 Weir) is located in a pond that solely benefits the Pelican Preserve Assessment Area.

The remaining costs in the MER were attributed 100% to the Gateway Assessment Area as those costs only benefitted that assessment area.

Table 1 below summarizes the costs as allocated for benefit determination purposes and associated with the proposed CIP.

Table 1 – Total CIP for the District

Capital Improvement	Gateway Assessment Area	Pelican Preserve Assessment Area	Utility Enterprise Fund	Total Costs
Administration Building	$977,400	$509,600	$2,147,600	$3,634,600

The Gateway Utility Enterprise Fund will be funding its portion of the administrative building through a transfer of funds and all or a portion of the remaining CIP will be funded through issuance of bonds. The remaining CIP to be funded by bonds is shown in Table 2 on the next page.

2.1 Bond Requirements

The District intends to finance a portion of the CIP by issuing one or more series of bonds. A number of items comprise the final par bond requirements. These items may include, but are not limited to, capitalized interest, a debt service reserve fund, underwriter's discount, and issuance costs. For purposes of this MAMR, allowances have been made for such items in order to determine the par debt lien for each property benefitting from the CIP.

As the finance plan is implemented, a subsequent SAMR detailing the particulars of each specific bond issue will detail the terms, interest rates, and costs associated with a specific series of bonds, the level of funding for the construction/acquisition account, the capitalized interest account, the debt service reserve fund account, as well as the underwriter's discount, and issuance costs. Table 3 shows an estimate of the total par amount of bonds required to fund the CIP by assessment area.

3.0 Structure – CIP

Special and peculiar benefits flow as a logical connection to the property from the systems, facilities and services provided as a logical consequence to the property within the boundaries of the applicable CIP Assessment Areas. These special benefits are peculiar to the platted units or parcels. The special benefits that justify imposing the assessments on the benefiting platted units or parcels include enhanced enjoyment and increased use, which may result in such positive consequences as increased value and marketability and decreased insurance premiums when levied on the various benefiting platted units or parcels of property.

First the District Engineer identifies the CIP costs then the Assessment Consultant allocates those costs to each benefitting platted unit or parcel for the provision of the systems and facilities, which constitute the CIP. The best determination of benefit involves whether there is a special benefit peculiar to such property, different in kind and degree to any general benefit, so long as the special benefit flows peculiar to the property as a logical connection from the components of the CIP. Then a dollar amount of a proposed assessment is identified using various formulas. Then there is a determination of whether that dollar amount itself can be a first lien to be levied on the benefiting property. Then there is an apportionment of the benefits so that no assessment exceeds any determination of special and peculiar benefit to the property and that the amount levied on the benefiting property is fair and reasonable.

The District Engineer determines the costs for the CIP and an estimate of the bond amount required to finance the CIP is calculated by the Underwriter. The determination of benefit leading to the MAMR associated with the CIP is a two-step process. First, the special and peculiar benefits of the CIP will be determined and imposed upon the benefiting property within the District. Second, the assessments will be levied on the benefiting property on a per unit basis for the platted lots and on an acreage basis for the unplatted parcels within the applicable CIP Assessment Areas for the applicable phased units of development in accordance with the more specific uses and special benefits peculiar to each platted lot or parcel in the SAMRs.

4.0 Assessment Determination

4.1 Special and Peculiar Benefit to the Property

The special and peculiar benefits of the construction and/or acquisition by the District of components of the CIP constituting systems, facilities and services which are provided in differing amounts, is dependent on the type of land use receiving the special and peculiar benefits peculiar to those properties which flow from the logical relationship to the properties.

One example of this differentiation is the concept that various land uses will generate differing demands on the CIPs roadway infrastructure. Another example is that it can be demonstrated that each land use will receive a different level of surface water management benefit that relates to that land use's density and intensity of development.

These determinations are reviewed in the light of the special and peculiar benefits peculiar to the property which flow to the properties as a result of their logical connection from the improvements actually provided.

The special and peculiar benefits within an assessment area of a phased unit of development shall be determined relative to each parcel of land and identified for each improvement in accordance with a SAMR.

4.2 Reasonable and Fair Apportionment of the Duty to Pay

The special and peculiar benefits from the component systems and facilities of the CIP have been determined and apportioned to the platted lots on a unit basis and to the unplatted parcels on an equal acre basis. Based on determined current land uses and as land receives certain development approvals as described in this MAMR, the benefits will be apportioned as provided in SAMRs.

The duty to pay the non-ad valorem special assessments as set forth above is fairly and reasonably apportioned because the special and peculiar benefits to the property flowing from the acquisition and/or construction of the CIP (and the concomitant responsibility for the payment of the resultant and allocated debt) have been apportioned to the property according to the reasonable estimates of the special and peculiar benefits including enhanced enjoyment and increased use, which may result in such positive consequences as increased value and marketability and decreased insurance premiums and conferred on the land as provided by the CIP for the reasons set forth above.

Accordingly, no acre of property within the CIP Assessment Areas will be assessed for the payment of any non-ad valorem special assessment pursuant to this MAMR in an amount greater than the determined special benefit peculiar to that property and having a nexus to the value of the property or the use and enjoyment thereof.

4.3 Par Debt and Assessment benefit analysis

Individual annual assessments are determined with each subsequent SAMR when bonds are issued to fund a Series Project.

Until such SAMRs and the related bonds are issued, and annual assessments determined, the District must determine the total par debt and related assessments to fund the entire CIP, to be calculated and apportioned to each benefiting platted unit or parcel within the CIP Assessment Areas. This MAMR sets forth the master assessment benefit determination process by which the SAMRs will follow and also sets forth the par debt amount for each benefiting platted unit or parcel in the CIP Assessment Areas.

The benefits received by an individual property within the District is determined by applying measurement coefficients to each property based on the benefit being measured. For instance, roadway benefits are generally measured by the number trips generated by the property, stormwater management benefits are measured by the amount of water flow coming off of a property into the stormwater management system (with the exception of the cost related to the weirs which was determined to benefit both CIP Assessment Areas equally), and parks and recreation and administrative benefits are measured by equivalent assessment units ("EAU").

Par Debt Allocation by Capital Improvement

In order to determine the benefit received by product type/land use, the total par debt for the CIP needs to be allocated by capital improvement so that each benefit can be measured by coefficients as noted above. The par debt is apportioned by the percentage of each capital improvement to the total of the CIP as outlined in the Engineer's Report. That allocation is noted in Table 4 below.

Table 4 – CIP Par Debt Allocation by Capital Improvement

CIP Category	Gateway Assessment Area	Pelican Preserve Assessment Area	CIP Category Totals

Roadways

The roadway capital improvement costs are apportioned according to land use, expressed as trip generation rates, associated with each specific land use within the Gateway Assessment Area. The trip rates are derived from the 8th Edition of the Institute of Transportation Engineers ("ITE") Study. Single Family homes generally have more inhabitants, more vehicles, and therefore higher frequency of use of roadways in their respective community. Multi-Family, however, utilize the community roadways less and therefore benefit less than their Single-Family unit counterparts. As a result, Single-Family units can be said to enjoy the special benefits of these specific improvements to a larger magnitude than all other types of units.

Single-Family units will therefore be assessed significantly, but not substantially, more than Multi-Family for the reason that they will be using community roadways more often and hence receive significantly more special benefits from the specific improvements of roadway lighting, landscaping, signage and roadway construction provided by the District.

The ITE rates are shown in terms of daily trips generated by each land use category as shown in Table 5 below.

Stormwater Management System

The Stormwater Management System provides several special benefits, peculiar to certain properties within the respective CIP Assessment Areas, as previously described in Section 4.3. Such benefits conferred by this system, as a whole, are to be apportioned to properties based on the type of land use on a per parcel or per acre basis. The stormwater management system apportionment method addresses the land use of individual parcels and size (acres). Property will be assessed to reflect the relative magnitude of the individual special benefit it receives proportionally from the entire Stormwater Management System. In this case, each property land use is assigned an acreage or a portion thereof runoff percentage factor that is based on the pervious and impervious surfaces each property land use has as it relates to the entire parcel.
For example, a single-family home has less run off due to its smaller impervious surface compared to a multi-family parcel or commercial enterprise due to their large parking lots. As such, the Water Management assessment is apportioned according to the relative magnitude of the proportionate special benefit enjoyed by the particular type of property being assessed.

The Consultant used the runoff coefficients in Figure 2 below to determine the runoff of water on a pervious surface as even vacant land has runoff.

The basis for the runoff coefficient for pervious lands measurement is that impervious surfaces that don't allow water to percolate create a 100% flow into the stormwater management system. From Figure 2, the Assessment Consultant calculated that loamy sand pervious surfaces that allow water to percolate generate a 20% flow into stormwater management system.

Each parcel in the Gateway Assessment Area receiving benefit from the District's stormwater management system was measured to determine its pervious and impervious surfaces, with the exception of the cost of the weirs as described later in this report. The measurements were then added together to determine the impact each parcel has on the stormwater management system. Therefore, 100% of impervious acres + 20% of impervious acres = total acres impacting the stormwater management system.

Residential data from the property appraiser included GIS acres and gross buildable square feet (impervious) and subtracted gross buildable acres from GIS acres to obtain pervious acreage.

The commercial parcels in the Gateway Assessment Area were measured to determine their pervious and impervious surfaces as shown in Figure 3 below.

Figure 3 – Gateway Commercial Parcels Measurements Example

Source: Lee County Florida Property Appraiser

As mentioned earlier in this MAMR, the Assessment Consultant excluded lakes from the golf course acreage. This analysis separated the acreage that is impacting the stormwater management system from the acreage that comprises the stormwater management system. Also not included is property owned by any governmental entity such as the District, the City or the County.

Administration and Parks & Recreation

The District's administration building will provide special benefits peculiar to all properties withing the applicable CIP Assessment Areas, and parks & recreation facilities provide special benefits peculiar to all properties within the Gateway Assessment Area. These assessments are apportioned equally among all the properties within the CIP Assessment Areas. Within the applicable CIP Assessment Areas, the relative benefit conferred is expressed in terms of Equivalent Assessment Units ("EAUs"). The use of EAUs as a basis for apportioning assessments is widely used throughout Florida as a fair and reasonable method of apportioning benefit and determining assessments. Each property within the Gateway Assessment Area receives one (1) EAU regardless of its size or land use. It should be noted that only the residential property within the Gateway Assessment Area will be assessed for the Parks and Recreation Improvements. Within the Pelican Preserve Assessment Area as to the allocation of certain Administration Building related costs and facilities, each residential unit receives one (1) EAU and the commercial parcels are allocated one (1) EAU per 1,500 square feet of developed space, while the undeveloped acreage and the golf course receive one (1) EAU per acre. The EAUs per applicable CIP Assessment Area was previously shown in Table 1 on page 5.

Par Debt Calculations

Once the measurements were applied to each platted residential unit and commercial parcel in the applicable CIP Assessment Areas, an amount (number of daily trips, pervious and impervious surfaces and EAU was determined for each platted unit and parcel. All of the measurement amounts were tallied by category then each property's amount was divided by the total benefit to obtain a percentage of the category benefit for that property.

The category benefit amount was multiplied by each property's percentage of that amount to determine each platted unit or parcel's apportionment benefit assessment for that category. Each property's apportionment benefit par debt for each of the three categories was then tallied to calculate the total annual CIP par debt for each land use.

Gateway Assessment Area

The Par Debt calculations are shown separately for both the Gateway Assessment Area and the Pelican Preserve Assessment Area. The following Tables 6 through 9 on the next page reflect the Gateway Assessment Area par debt per unit for each of the four (4) CIP categories. The administration building CIP is combined with the other administration CIP since their benefit measurement is the same. The parks & recreation CIP only benefits the residential properties within the Gateway Assessment Area since the District has indicated that the parks & recreation areas are not available for use by the commercial properties within the Gateway Assessment Area.

Pelican Preserve Assessment Area

The Pelican Preserve Assessment area has two (2) par debt amounts to be allocated. As shown in Table 4 on page 9, the stormwater management par debt and administration building par debt benefits were determined.

The stormwater management par debt benefit related to the cost of the weirs was determined by the benefit received by the Pelican Preserve Assessment Area from the weirs and the administrative building benefit is determined by the number of EAUs for each parcel in the Pelican Preserve Assessment Area. The following Tables 11 through 13 below and on the next page reflect the Pelican Preserve Assessment Area par debt per unit for each of the two (2) CIP categories.

The par debt amounts for both the Gateway Assessment Area and the Pelican Preserve Assessment Area represent the special and peculiar benefit each property receives as a logical connection from the systems and services of the CIP. The par debt amounts are also fairly and reasonably apportioned in relation to the benefit received by the various properties being assessed and they are measured with mathematical certainty by using professionally acceptable measuring guidelines.

5.0 Covenant to Pay

All par debt amounts levied run with the land. The owner of record at the time a series of bonds is issued and the annual assessment roll is developed will have the responsibility to make the annual debt service assessment payments.

6.0 Methodology Use

This MAMR provides the mathematical calculation to determine the par debt allocation by product type and land use and provides a method to determine par debt amounts and annual assessments for future series of bond issues. The future par debt and assessment calculations could change from fiscal year to fiscal year depending on the issuance of series bonds and changes to planned residential lots and land uses.

7.0 Assessment Roll

The entire CIP assessment roll is located in Appendix A commencing on page 18 and Appendix B commencing on page 24.

draft 10.2.2022

WHEREAS, the Gateway Services Community Development District ("**District**") is a local unit of special-purpose government established by Chapter 42F-1 of the Florida Administration Code (F.A.C.) and existing under and pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended ("**Act**"); and

WHEREAS, the District has previously indicated its intention to undertake, install, plan, establish, construct, reconstruct, enlarge or extend, equip, acquire, operate and/or maintain certain public improvements (the "**Capital Improvement Plan**"); as described in that certain *Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated as of September 1, 2022 ("**Amended and Restated Engineer's Report**") and to finance such improvements through the issuance of loans, notes, bonds, or other specific financing mechanisms, ("**Bonds**") which Bonds would be repaid by the imposition of special assessments on benefited property within the District; and

WHEREAS, the District is empowered by Chapter 190, the Uniform Community Development District Act of 1980; Chapter 170, Supplemental and Alternative Method of Making Local Municipal Improvements; and, Chapter 197, Florida Statutes, to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain the Capital Improvement Plan and to impose, levy, and collect the Assessments (as defined below); and

WHEREAS, the District Board of Supervisors ("**Board**") has noticed and conducted a public hearing pursuant to Chapters 170, 190 and 197, Florida Statutes, relating to the imposition, levy, collection and enforcement of such assessments, and now desires to adopt a resolution imposing and levying such assessments as set forth herein.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE GATEWAY

SERVICES COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **AUTHORITY FOR THIS RESOLUTION.** This Resolution is adopted pursuant to Chapters 170, 190 and 197, Florida Statutes, including without limitation, Section 170.08, Florida Statutes. The recitals stated above are incorporated herein; are adopted by the Board as true and correct statements; and are further declared to be findings made and determined by the Board.

2. **FINDINGS.** The Board further finds and determines as follows:

The Capital Improvement Plan

a. The District is authorized by Chapter 190, Florida Statutes, to finance, fund, design, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct certain improvements to be located in or for the benefit of developable lands within the District including, but not limited to, surface water management and stormwater lake improvements; building and parks and recreation facilities improvements; roadway improvements, including, but not limited to, landscaping, and entrance/lighting features; and all related soft and incidental costs necessitated by the development of, and serving lands within, the District; and

b. On September 1, 2022, and pursuant to Section 170.03 of the Florida Statutes, among other laws, the Board adopted Resolution 2012-19 ("**Declaring Resolution**"), and in doing so determined to undertake a capital improvement plan to finance, fund, design, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct certain improvements including, but not limited to, surface water management and stormwater lake improvements; building and parks and recreation facilities improvements; roadway improvements, including, but not limited to, landscaping, and entrance/lighting features; and all related soft and incidental costs install, ("**Capital Improvement Plan**"); and

c. The Capital Improvement Plan is described in the Declaring Resolution and the *Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated as of September 1, 2022 ("**Amended and Restated Engineer's Report**"), attached hereto as **Exhibit A** and incorporated herein by this reference), and the plans and specifications for the Capital Improvement Plan are on file at the District Administrative Office, 11922 Fairway Lakes Drive, Suite #1, Fort Myers, Florida 33913 ("**District Administrative Office**") and the District Engineer's Office, 10600 Chevrolet Way, Suite 300, Estero, Florida 33928 ("**District Engineer's Office**"); and

The Debt Assessment Process

Draft 10.2022

d. Also as part of the Declaring Resolution, the Board expressed an intention to issue loans, notes, bonds, or other specific financing mechanisms (Bonds) to provide a portion of the funds needed for the Capital Improvement Plan, and further declared its intention to defray the whole or any part of the expense of the Capital Improvement Plan by levying special assessments ("**Debt Assessments**") on specially benefited property within the District; and

e. The Declaring Resolution was adopted in compliance with the requirements of Section 170.03, Florida Statutes, and prior to the time it was adopted, the requirements of Section 170.04, Florida Statutes, had been met; and

f. As stated in the Declaring Resolution, the Board caused to be made a preliminary assessment roll as required by Section 170.06, Florida Statutes; and

g. As directed by the Declaring Resolution, said Declaring Resolution was published as required by Section 170.05, Florida Statutes, and a copy of the publisher's affidavit of publication is on file with the Secretary of the District and at the District Administrative Office; and

h. As required by Section 170.07, Florida Statutes, and as part of the Declaring Resolution, the District's Board adopted its Resolution 2022-30, which fixed the time and place of a public hearing at which owners of the property to be assessed and other persons interested therein could appear before the Board and be heard as to (i) the propriety and advisability of making the improvements relating to the Capital Improvement Plan, (ii) the cost thereof, (iii) the manner of payment therefor, and (iv) the amount thereof to be assessed against each specially benefited property or parcel, and the Board further authorized publication of notice of such public hearing and individual mailed notice of such public hearing in accordance with Chapters 170, 190, and 197, Florida Statutes; and

i. Notice of the scheduled public hearing was given by publication and also by mail as required by Sections 170.07 and 197.3632, Florida Statutes, and affidavits as to such publication and mailings are on file in the office of the Secretary of the District and at the District Administrative Office; and

j. On October 6, 2022, and at the time and place specified in Resolution 2022-30,, the Board conducted such public hearing and heard and considered all complaints and testimony as to the matters described above; the Board further met as an "Equalization Board;" and the Board has made such modifications in the preliminary assessment roll as it deems necessary, just and right in the making of the final assessment roll; and

Draft 10.2.2022

k. Having considered the estimated costs of the Capital Improvement Plan, the estimated financing costs and all comments and evidence presented at such public hearing, the Board further finds and determines that is necessary to the public health, safety and welfare and in the best interests of the District that: (1) the District provide the Capital Improvement Plan as set forth in the Amended and Restated Engineer's Report; (2) the cost of such Capital Improvement Plan be assessed against the lands specially benefited by such Capital Improvement Plan; and (3) the District issue loans, notes, bonds, or other specific financing mechanisms (Bonds) to provide funds for such purposes pending the receipt of such Debt Assessments; and

l. The provision of said Capital Improvement Plan, the levying of the Debt Assessments, and the sale and issuance of such loans, notes, bonds, or other specific financing mechanisms (Bonds) serve a proper, essential, and valid public purpose and are in the best interests of the District, its landowners and residents; and

m. The estimated costs of the Capital Improvement Plan are as specified in the Amended and Restated Engineer's Report; (defined herein below), and the amount of such costs is reasonable and proper; and

n. It is reasonable, proper, just and right to assess the cost of such Capital Improvement Plan against the properties specially benefited thereby using the method determined by the Board and set forth in the *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated as of September 1, 2022, (the "**Amended and Restated Assessment Report**"), attached hereto as **Exhibit B** and incorporated herein by this reference), which results in the Debt Assessments set forth on the final assessment roll; and

o. The Capital Improvement Plan benefits the property within the District identified in the Amended and Restated Engineer's Report and Amended and Restated Assessment Report and accordingly, the Debt Assessments as set forth in the Amended and Restated Assessment Report constitute a special benefit to all parcels of real property listed on said final assessment roll, and the benefit, in the case of each such parcel, will be equal to or in excess of the Debt Assessments imposed thereon, as set forth in **Exhibit B**; and

p. All developable property within the District identified in the Amended and Restated Engineer's Report and Amended and Restated Assessment Report is deemed to be benefited by the project, and the Debt Assessments will be allocated in accordance with the Amended and Restated Assessment Report at **Exhibit B**; and

Draft 10.2.2022

q. The Debt Assessments are fairly and reasonably allocated across the benefitted property, as set forth in **Exhibit B**; and

r. It is in the best interests of the District that the Debt Assessments be paid and collected as herein provided; and

s. In order to provide funds with which to pay the costs of the Capital Improvement Plan which are to be assessed against the benefited properties, pending the collection of the Debt Assessments, it is necessary for the District to issue loans, notes, revenue bonds, or other specific financing mechanisms, including refunding bonds (together, "Bonds").

3. **AUTHORIZATION FOR CAPITAL IMPROVEMENT PLAN; ADOPTION OF AMENDED AND RESTATED ENGINEER'S REPORT.** The Amended and Restated Engineer's Report identifies and describes the infrastructure improvements to be financed in part with the Bonds and sets forth the costs of the Capital Improvement Plan. The District hereby confirms that the Capital Improvement Plan serves a proper, essential, and valid public purpose. The use of the Amended and Restated Engineer's Report in connection with the issuance and/or sale of the Bonds is hereby authorized, approved and ratified, and the proper officers, employees and/or agents of the District are hereby authorized and directed to take such further action as may be necessary or desirable to cause the same to be made.

draft 10.2.2022

4. **ESTIMATED COST OF IMPROVEMENTS.** The total estimated costs of the Capital Improvement Plan and the costs to be paid by the Debt Assessments on all specially benefited property are set forth in **Exhibits A and B**, respectively, hereto.

5. **ADOPTION OF ASSESSMENT REPORT.** The Amended and Restated Assessment Report setting forth the allocation of Debt Assessments to the benefitted lands within the District is hereby approved, adopted, and confirmed. The District ratifies its use in connection with issuance and/or the sale of the Bonds.

6. **EQUALIZATION, APPROVAL, CONFIRMATION AND LEVY OF SPECIAL ASSESSMENTS.** The Debt Assessments imposed on the parcels specially benefited by the Capital Improvement Plan, all as specified in the final assessment roll set forth in **Exhibit B**, attached hereto, are hereby equalized, approved, confirmed and levied. Immediately following the adoption of this Resolution, the lien of Debt Assessments as reflected in **Exhibit B**, attached hereto, shall be recorded by the Secretary of the District in the District's "**Improvement Lien Book**." The Debt Assessments against each respective parcel shown on such final assessment roll and interest, costs, and penalties thereon, as hereafter provided, shall be and shall remain a legal, valid and binding first lien on such parcel until paid, and such lien shall be coequal with the lien of all state, county, district, municipal or other governmental taxes and superior in dignity to all other liens, titles, and claims.

a. ***Adjustments to Debt Assessments.*** Prior to the issuance of the Bonds, the District may, by subsequent resolution, adjust the acreage assigned to particular parcel identification numbers listed on the final assessment roll to reflect accurate apportionment of acreage within the District amongst individual parcel identification numbers. The District may make any other such acreage and boundary adjustments to parcels listed on the final assessment roll as may be necessary and in the best interests of the District, as determined by the Board by subsequent resolution. Any such adjustment in the assessment roll shall be consistent with the requirements of law. In the event the issuance of the Bonds by the District would result in a decrease of the Debt Assessments, then the District may if appropriate and by subsequent resolution, adopted within sixty (60) days of the issuance and/or sale of the Bonds at a publicly noticed meeting and without the need for further public hearing, evidence such a decrease and amend the final assessment roll as shown in the Improvement Lien Book to reflect such a decrease.

draft 10.2.2022

b. ***Supplemental Assessment Resolutions the Bonds.*** In connection with the issuance and/or sale of any particular series of the Bonds, the District shall adopt, without the need for further public hearing, a supplemental assessment resolution establishing a specific Debt Assessments securing the Bonds. Such subsequent resolution shall be adopted at a noticed meeting of the District, and shall set forth the actual amounts financed, costs of issuance, expected costs of collection, and the total amount of the assessments pledged to that issue, which amount shall be consistent with the lien imposed by this Resolution. Among other things, the supplemental assessment resolutions may provide for the issuance of multiple bonds each secured by one or more assessment areas.

7. **FINALIZATION OF SPECIAL ASSESSMENTS.** When any phase of the Capital Improvement Plan has been constructed or otherwise provided to the satisfaction of the Board, the Board shall adopt a resolution accepting the same and determining the actual costs (including financing costs) thereof, as required by Sections 170.08 and 170.09, Florida Statutes. Pursuant to Section 170.08, Florida Statutes, regarding completion of such phase of the Capital Improvement Plan funded by a particular series of Bonds, the District shall credit to each Debt Assessment the difference, if any, between the Debt Assessment as hereby made, approved and confirmed and the actual costs incurred in completing such phase of the Capital Improvement Plan. In making such credits, no credit shall be given for loan, bond, note or other specific financing mechanism costs, capitalized interest, funded reserves or bond or other discounts. Such credits, if any, shall be entered in the Improvement Lien Book.

8. **PAYMENT OF SPECIAL ASSESSMENTS AND METHOD OF COLLECTION.**

a. ***Payment.*** The Debt Assessments, as further set forth in each supplemental assessment resolution, and securing the issuance and/or sale of each series of the Bonds, may be paid in not more than twenty (20) substantially equal consecutive annual installments of principal and interest, provided, however, that the Board shall at any time make such adjustments by resolution, at a noticed meeting of the Board, to that payment schedule as may be necessary and in the best interests of the District to account for changes in long and short term indebtedness as actually issued or incurred by the District.

b. ***Prepayment.*** Unless the right is waived, and at any time from the date of levy of Debt Assessments through the date that is thirty (30) days after the related phase of Capital Improvement Plan has been completed and the District's Board has adopted a resolution accepting such phase of Capital Improvement Plan as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Debt Assessments may, at its option, pay the entire amount of such Debt Assessments on such property, without interest. At any time subsequent to thirty (30) days after the related phase of Capital Improvement Plan has been completed and the District's Board has adopted a resolution accepting such phase of Capital Improvement Plan as provided by Section 170.09, Florida Statutes, as amended, and subject to the provisions of any supplemental assessment resolution, any owner of property subject to the Debt Assessments may, at its option, pre-pay the entire amount of the Debt

Assessment any time, or a portion of the amount of the Debt Assessment up to two times, plus accrued interest to the next succeeding interest payment date (or the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the applicable series of Bonds secured by the Debt Assessments in question)), attributable to the property subject to Debt Assessment owned by such owner. Prepayment of Debt Assessments does not entitle the property owner to any discounts for early payment. If authorized by a supplemental assessment resolution, the District may grant a discount equal to all or a part of the payee's proportionate share of the cost of such phase of Capital Improvement Plan consisting of indebtedness financing costs, such as capitalized interest, funded reserves, and bond discount included in the estimated cost of phase of Capital Improvement Plan, upon payment in full of any Debt Assessment during such period prior to the time such financing costs are incurred as may be specified by the District.

c. ***Uniform Method; Alternatives*** The District has heretofore taken all required actions to comply with Sections 197.3632 and 197.3635, Florida Statutes to use the method of collecting Debt Assessments authorized by Sections 197.3632 and 197.3635 Florida Statutes **("Uniform Method")**. Such Debt Assessments may be subject to all of the collection provisions of Chapter 197, Florida Statutes. Notwithstanding the above, in the event the Uniform Method of collecting its

draft 10.2.2022

Debt Assessments is not available to the District in any year, or if determined by the District to be in its best interests, and subject to the terms of any applicable trust indenture, the Debt Assessments may be collected as is otherwise permitted by law. In particular, the District may, in its sole discretion, collect Debt Assessments by directly billing landowners and enforcing said collection in any manner authorized by law. Any prejudgment interest on delinquent assessments that are directly billed shall accrue at the applicable rate of any bonds or other debt instruments secured by the Debt Assessments. The decision to collect Debt Assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect Debt Assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

d. ***Uniform Method Agreements Authorized.*** With respect to the use of the Uniform Method, the District has previously entered into an agreement with the Tax Collector of Lee County who may notify each owner of a lot or parcel within the District of the amount of the special assessment, including interest thereon, in the manner provided in Section 197.3635, Florida Statutes.

9. ALLOCATION OF SPECIAL ASSESSMENTS; APPLICATION OF TRUE-UP PAYMENTS.

a. At such time as parcels of land, or portions thereof, are included in a plat or site plan, it shall be an express condition of the lien established by this Resolution that, prior to Lee County or City of Fort Myers approval, any and all plats or site plans for any portion of the lands within the District, as the District's boundaries may be amended from time to time, shall be presented to the District Manager for review. As parcels of land, or portions thereof, are included in a plat or site plan, the District Manager shall review the plat or site plan and cause the Debt Assessments securing each series of Bonds to be reallocated to the units being included in the plat or site plan and the remaining property in accordance with **Exhibit B**, and cause such reallocation to be recorded in the District's Improvement Lien Book.

b. Pursuant to the Assessment Report, attached hereto as **Exhibit B**, and which terms are incorporated herein, there may be required from time to time certain true-up payments. When a plat or site plan is presented to the District, the District Manager shall review the plat or site plan to determine whether, taking into account the plat or site plan, there is a net shortfall in the overall principal amount of assessments reasonably able to be assigned to benefitted lands within the District. Such determination shall be made based on the tests or other methods set forth in **Exhibit B.** If the overall principal amount of assessments reasonably cannot be assigned, or is not reasonably expected to be assigned, as set forth in more detail in and subject to the terms of **Exhibit B,** to the platted and site planned lands as well as the undeveloped lands,

draft 10.2.2025

then a debt reduction payment ("**True-Up Payment**") in the amount of such shortfall shall become due and payable that tax year by the landowner(s) of record of the land subject to the proposed plat or site plan, in addition to any regular assessment installment. No further action by the Board shall be required. The District's review shall be limited solely to this function and the enforcement of the lien established by this Resolution. In the event a True-Up Payment is due and unpaid, the lien established herein for the True-Up Payment amount shall remain in place until such time as the True-Up Payment is made. The District shall record all True-Up Payments in its Improvement Lien Book.

c. The foregoing is based on the District's understanding that the community would be developed with the type and number of units set forth in **Exhibit B**, on the remaining developable acres. However, more than the stated number of units may be developed. In no event shall the District collect Debt Assessments pursuant to this Resolution in excess of the total debt service related to the phase of Capital Improvement Plan, including all costs of financing and interest. The District recognizes that such things as regulatory requirements and market conditions may affect the timing and scope of the development in the District. If the strict application of the true-up methodology to any assessment reallocation pursuant to this paragraph would result in Debt Assessments collected in excess of the District's total debt service obligations for the phase of Capital Improvement Plan, the Board shall by resolution take appropriate action to equitably reallocate the Debt Assessments.

draft 10.2.2022

10. GOVERNMENT PROPERTY; TRANSFERS OF PROPERTY TO UNITS OF LOCAL, STATE, AND FEDERAL GOVERNMENT. As referenced in the Assessment Report, real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Debt Assessments without specific consent thereto. If at any time, any real property on which Debt Assessments are imposed by this Resolution is sold or otherwise transferred to a unit of local, state, or federal government (without consent of such governmental unit to the imposition of Debt Assessments thereon), or similarly exempt entity, all future unpaid Debt Assessments for such tax parcel shall become due and payable immediately prior to such transfer without any further action of the District.

11. ASSESSMENT NOTICE. The District's Secretary is hereby directed to record a general Notice of Assessments in the Official Records of Lee County, Florida.

12. SEVERABILITY. If any section or part of a section of this Resolution be declared invalid or unconstitutional, the validity, force and effect of any other section or part of a section of this Resolution shall not thereby be affected or impaired unless it clearly appears

that such other section or part of a section of this Resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

13. CONFLICTS. All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.

14. EFFECTIVE DATE. This Resolution shall become effective upon its adoption.

APPROVED AND ADOPTED THIS 6TH DAY OF OCTOBER, 2022.

RE: Gateway Services Community Development District
Notice of Hearings on Special Assessments Related to Gateway Services Community Development District Capital Improvement Plan

Dear Property Owner:

You are receiving this notice because Lee County tax records indicate that you are a property owner in the Gateway Assessment Area, which is within the Gateway Services Community Development District (the "District"). The property you own that is the subject of this notice is identified by the Strap Number listed above.

The District is a special-purpose unit of local government that was established pursuant to Chapter 190, *Florida Statutes*, for the purpose of financing, acquiring, constructing, reconstructing, operating and/or maintaining public infrastructure improvements. The District serves the lands within the Gateway mixed use community ("Gateway").

The District owns and maintains various facilities throughout Gateway, including surface water management components, sidewalks, roads, streetlights, road signs, landscaping, and recreational facilities. As the initial community improvements were installed over 30 years ago, many of the District's assets/amenities are aging and in need of repair and/or replacement. More specifically, the District has indicated that it intends to perform and fund the certain public capital improvements generally described below, the District's Capital Improvement Plan (the "Project"):

Roadway and Landscape

- Replacement of existing streetlight systems with LED lights, and construction, new wiring from transformers to lights.
- Repaving/Construction of District owned roads and accompanying streetscape, i.e., street signs.
- Replacement and/or addition of new curbs and sidewalks.
- Replacement of Landscaping/Monument Signs.

12383859-550-3-5

Waterway Management

- Improvements to surface water management components, including modifications to existing weirs, plus swales and piping within road rights- of-way. Three of the weirs to be modified (Weirs No. 1, No. 2, No. 3) are located in the master flow way and serve the Pelican Preserve Assessment Area and the Gateway Assessment Area equally. The fourth weir to be modified (Pond 38 Weir) is located in a pond that solely benefits the Pelican Preserve Assessment Area.
- Stormwater lake improvements, including bathymetric surveying, sediment sampling, and addition of aeration equipment.

Administrative

- Renovation of existing District building facilities and/or construction of new facilities which may include the District's main office building and a maintenance shop/storage building, including acquisition of land as necessary for new facilities.

Parks and Recreation

- Improvements to parks and recreation facilities, fields, and amenities, including replacement of the pool filtration system, pool equipment, resurfacing and decking.

The estimated budgetary cost of the above-described Project is approximately $45,300,000 of which the Gateway Assessment Area's apportioned benefit is $42,089,050 . This cost includes professional fees such as, design, inspection services, legal and construction management, and construction costs including contingency. The scope of the Project is set forth in more detail in that certain *Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated September 1, 2022 which is on file at the District Administrative Office at 11922 Fairway Lakes Drive, Suite 1, Fort Myers, FL 33913 (hereinafter, the "Amended and Restated Engineer's Report").

In order to fund the Project, the District will issue one or more series of bonds ("Project Bonds") and will levy special assessments on the benefited properties within Gateway in order to secure the Project Bonds necessary to finance the Project (hereinafter, collectively referred to as the "Project Assessments"). The purpose of the Project Assessments is to pay the costs of the Project Improvements described in the Amended and Restated Engineer's Report.

The maximum amount of par debt apportioned to your property is $6,207.72 and the not to exceed annual net assessment for your property is $492.00.

Accordingly, the District will hold a public hearing at **5:00 p.m. on October 6, 2022, at the Gateway Services Community Development District Board of Supervisors Board Meeting Room, 13240 Griffin Drive, Fort Myers, Florida, 33913** to consider the imposition of the Project Assessments in the manner set forth in the District's *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated September 1, 2022 (the "Amended and Restated Assessment Report"), The purpose of the Project Assessments is to secure the Project Bonds to be issued to fund the construction and/or reconstruction of the Project Improvements by the District.

While the above referenced meeting and public hearing of the District's Board of Supervisors may be held in a hybrid format of both in person and remote participation, utilizing communications media technology, the District fully encourages public participation in a safe and efficient manner. Toward that end, anyone wishing to listen and participate in the meeting and public hearings can do so telephonically at 1-866-899-4679 toll free; or, if via video view and participate in the meeting and public hearings by going to https://meet.goto.com/818542453, *with the access code:* 818-542-453. Additionally, participants are encouraged to submit questions and comments in advance to the District Manager by email to *customercare@gatewaydistrict.org* or facsimile transmittal at *239-561-1350* to facilitate the Board's consideration of such questions and comments during the meeting and public hearing.

The process by which the allocation of the Project Assessments is to be made and the maximum amounts to be allocated are as set forth in the Amended and Restated Assessment Report, which was presented and approved at the September 1, 2022 meeting of the Board of Supervisors of the District. The Amended and Restated Assessment Report contains a listing of each tax parcel identification number within the District, the number of units within each parcel, the total assessment to be levied against each parcel, and the method of allocation of the Project Assessments. Lands within the District are assigned units of measurement in accordance with their use. All properties and parcels receive assessments related to the benefits received for that property and parcel. The benefits received by each use on a property or parcel are based upon the impact(s) each single family homesite, multi-family residential unit and individual commercial parcel has on the roadways, water management and administrative budget items.

For the administrative services and parks and recreation components and costs, platted single family residential lots are considered to contain one (1) EAU per lot and unplatted residential lands and non-residential lands including commercial lands are assigned EAUs in accordance with the District's assessment methodology in the Amended and Restated Assessment Report on file at the offices of the District Manager. The portion of the total assessment attributable to administrative services and parks and recreation components and costs against each parcel is the total of the EAUs in each parcel multiplied by per EAU assessments. Our records indicate that you will be assessed for one (1) EAU for the property you own identified above. For the roadways costs, the impact on roadways has been calculated based upon trip generation rates. For the water management services, the impact on the surface water management system (ponds. lakes, conservation areas, etc.) has been calculated based upon impervious surface areas and runoff coefficients. In all events, based upon the assessment methodology as outlined in the Assessment Report, the allocated benefit is fair and equitable.

The annual principal and interest assessment levied against each parcel will be based on repayment over a maximum of twenty (20) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than $53,560,000 in principal debt to be assessed on the Gateway Assessment Area by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment or interest. The total revenue the District will collect by the subject assessments over the life of the bonds is $90,077,000 exclusive of fees and costs of collection or enforcement, discounts for early payment, interest on late payments and penalties. The total assessment amount by assessment area to be levied against each unit type is set forth on the next page:

Totals	$53,560,000			$4,239,000

[(1)] Maximum principal debt and maximum annual debt service assessment based on largest assessable commercial parcel and is not representative of all commercial parcels. The actual assessment per commercial parcel is determined based on the special and peculiar benefit determined under the Amended and Restated Assessment Report dated September 1, 2022 for each individual parcel.

Please note that the Project Assessments securing the Project Bonds are in addition to prior assessments and existing operations and maintenance assessments, and any other assessments that the District may levy.

NOTWITHSTANDING THE FORGOING, LANDOWNERS WILL NOT HAVE A PAYMENT OBLIGATION RELATIVE TO THE PROJECT ASSESSMENTS UNLESS AND UNTIL THE ISSUANCE OF THE PROJECT BONDS BY THE DISTRICT, AT WHICH TIME THE FIXED ASSESSMENT AMOUNTS SECURING THOSE PROJECT BONDS WILL BE ESTABLISHED WHICH SHALL BE EQUAL TO OR LESS THAN THE MAXIMUM AMOUNTS ESTABLISHED AT THE ABOVE REFERENCED HEARING.

These assessments may be collected directly by the District in accordance with Florida law, or may be collected on the property tax bill issued by the Lee County Tax Collector. The decision to collect special assessments by any particular method – e.g., by direct bill or on the tax roll – does not mean that such a method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

Please be advised that failure to pay any assessments will cause a tax certificate to be issued against your property within the District that may result in a loss of title, or, if the assessments are directly collected, will cause a foreclosure action to be filed against your property within the District that may result in a loss of title.

In accordance with Chapters 170, 190 and 197, *Florida Statutes*, this letter is to further notify you that, at the above-referenced public hearing, the Board will hear testimony from any interested property owners as to the propriety and advisability of the Project and improvements, as to the cost thereof, as to the manner of payment thereof, and as to the amount thereof to be assessed against each property so improved. All affected property owners have a right to appear at the hearing and to file written objections with the District Board within twenty (20) days of this notice.

Information concerning the Project Assessments and copies of the documents referred to in this letter are on file and available during normal business hours at the office of the District Manager, located at 11922 Fairway Lakes Drive, Suite 1, Fort Myers, FL. 33913 (the "District Administrative Office") or by calling (239) 561-1313. The referenced documents are also on the District's website at www.gatewaydistrict.org. You may appear at the hearing, or submit your comments in advance to the attention of the District Manager at the address above.

Sincerely,
Chelsea O'Riley
District Manager

RE: Gateway Services Community Development District
Notice of Hearings on Special Assessments Related to Gateway Services Community Development District Capital Improvement Plan

Dear Property Owner:

You are receiving this notice because Lee County tax records indicate that you are a property owner in the Pelican Preserve Assessment Area, which is within the Gateway Services Community Development District (the "District"). The property you own that is the subject of this notice is identified by the Strap Number listed above.

The District is a special-purpose unit of local government that was established pursuant to Chapter 190, *Florida Statutes*, for the purpose of financing, acquiring, constructing, reconstructing, operating and/or maintaining public infrastructure improvements. The District serves the lands within the Gateway mixed use community ("Gateway").

The District owns and maintains various facilities throughout the District, including surface water management components, sidewalks, roads, streetlights, road signs, landscaping, and recreational facilities. As the initial community improvements were installed over 30 years ago, many of the District's assets/amenities are aging and in need of repair and/or replacement. More specifically to the Pelican Preserve Assessment Area, the District has indicated that it intends to perform and fund the certain public capital improvements generally described below, the District's Capital Improvement Plan (the "Project"):

Waterway Management

- Improvements to surface water management components, including modifications to existing weirs. Three of the weirs to be modified (Weirs No. 1, No. 2, No. 3) are located in the master flow way and serve the Pelican Preserve Assessment Area and the Gateway Assessment Area equally. The fourth weir to be modified (Pond 38 Weir) is located in a pond that solely benefits the Pelican Preserve Assessment Area.

12383876-320-3-5

Administrative

- Renovation of existing District building facilities and/or construction of new facilities which may include the District's main office building and a maintenance shop/storage building, including acquisition of land as necessary for new facilities.

The estimated budgetary cost of the above-described Projects is approximately $4,595,000 of which Pelican Preserve's apportioned benefit is $1,063,350. This cost includes professional fees such as, design, inspection services, legal and construction management, and construction costs including contingency. The scope of the Project is set forth in more detail in that certain *Amended and Restated Master Engineer's Report for Gateway Services Community Development District: Capital Improvement Plan prepared by Tetra Tech* and dated September 1, 2022 which is on file at the District Administrative Office at 11922 Fairway Lakes Drive, Suite 1, Fort Myers, FL 33913 (hereinafter, the "Amended and Restated Engineer's Report").

In order to fund the Project, the District will issue one or more series of bonds ("Project Bonds") and will levy special assessments on the benefited properties within Gateway in order to secure the Project Bonds necessary to finance the Project (hereinafter, collectively referred to as the "Project Assessments"). The purpose of the Project Assessments is to pay the costs of the Project Improvements described in the Engineer's Report.

The maximum amount of par debt apportioned to your property is $1,335.67 and the not to exceed annual net assessment for your property is $106.04.

Accordingly, the District will hold a public hearing at **5:00 p.m. on October 6, 2022, at the Gateway Services Community Development District Board of Supervisors Board Meeting Room, 13240 Griffin Drive, Fort Myers, Florida, 33913** to consider the imposition of the Project Assessments in the manner set forth in the District's *Amended and Restated Master Assessment Methodology Report for Gateway Services Community Development District prepared by Real Estate Econometrics, Inc.* and dated September 1, 2022 (the "Amended and Restated Assessment Report"), The purpose of the Project Assessments is to secure the Project Bonds to be issued to fund the construction and/or reconstruction of the Project Improvements by the District.

While the above referenced meeting and public hearing of the District's Board of Supervisors may be held in a hybrid format of both in person and remote participation, utilizing communications media technology, the District fully encourages public participation in a safe and efficient manner. Toward that end, anyone wishing to listen and participate in the meeting and public hearings can do so telephonically at 1-866-899-4679 toll free; or, if via video view and participate in the meeting and public hearings by going to https://meet.goto.com/818542453*, with the access code:* 818-542-453. Additionally, participants are encouraged to submit questions and comments in advance to the District Manager by email to *customercare@gatewaydistrict.org* or facsimile transmittal at *239-561-1350* to facilitate the Board's consideration of such questions and comments during the meeting and public hearing.

The process by which the allocation of the Project Assessments is to be made and the maximum amounts to be allocated are as set forth in the Amended and Restated Assessment Report, which was presented and approved at the September 1, 2022 meeting of the Board of Supervisors of the District. The Amended and Restated Assessment Report contains a listing of each tax parcel identification number within the District, the number of units within each parcel, the total assessment to be levied against each parcel, and the method of allocation of the Project Assessments. Lands within the District are assigned units of measurement in accordance with their use. All properties and parcels receive assessments related to the benefits received for that property and parcel. The benefits received by each use on a property or parcel are based upon the impact(s) each single family homesite, multi-family residential unit and individual commercial parcel has on the water management and administrative budget items.

For the administrative services and parks and recreation components and costs, platted single family residential lots are considered to contain one (1) EAU per lot and unplatted residential lands and non-residential lands including commercial lands are assigned EAUs in accordance with the District's assessment methodology in the Amended and Restated Assessment Report on file at the offices of the District Manager. The portion of the total assessment attributable to administrative services and parks and recreation components and costs against each parcel is the total of the EAUs in each parcel multiplied by per EAU assessments. Our records indicate that you will be assessed for one (1) EAU for the property you own identified above. For the water management services, the impact on the surface water management system (ponds. lakes, conservation areas, etc.) has been calculated based upon impervious surface areas and runoff coefficients. In all events, based upon the assessment methodology as outlined in the Assessment Report, the allocated benefit is fair and equitable.

The annual principal and interest assessment levied against each parcel will be based on repayment over a maximum of twenty (20) years for the total debt allocated to each parcel. The District expects to collect sufficient revenues to retire no more than $1,360,000 in principal debt to be assessed on the Pelican Preserve Assessment Area by the District, exclusive of fees and costs of collection or enforcement, discounts for early payment or interest. The total revenue the District will collect by the subject assessments over the life of the bonds is $2,287,000 exclusive of fees and costs of collection or enforcement, discounts for early payment, interest on late payments and penalties. The total assessment amount by assessment area to be levied against each unit type is set forth below:

(1) Maximum principal debt and maximum annual debt service assessment based on largest assessable commercial parcel and is not representative of all commercial parcels. The actual assessment per commercial parcel is determined based on the special and peculiar benefit determined under the Amended and Restated Assessment Report dated September 1, 2022 for each individual parcel.

12383876-320-5-5*

Please note that the Project Assessments securing the Project Bonds are in addition to prior assessments and existing operations and maintenance assessments, and any other assessments that the District may levy.

NOTWITHSTANDING THE FORGOING, LANDOWNERS WILL NOT HAVE A PAYMENT OBLIGATION RELATIVE TO THE PROJECT ASSESSMENTS UNLESS AND UNTIL THE ISSUANCE OF THE PROJECT BONDS BY THE DISTRICT, AT WHICH TIME THE FIXED ASSESSMENT AMOUNTS SECURING THOSE PROJECT BONDS WILL BE ESTABLISHED WHICH SHALL BE EQUAL TO OR LESS THAN THE MAXIMUM AMOUNTS ESTABLISHED AT THE ABOVE REFERENCED HEARING.

These assessments may be collected directly by the District in accordance with Florida law, or may be collected on the property tax bill issued by the Lee County Tax Collector. The decision to collect special assessments by any particular method – e.g., by direct bill or on the tax roll – does not mean that such a method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

Please be advised that failure to pay any assessments will cause a tax certificate to be issued against your property within the District that may result in a loss of title, or, if the assessments are directly collected, will cause a foreclosure action to be filed against your property within the District that may result in a loss of title.

In accordance with Chapters 170, 190 and 197, *Florida Statutes*, this letter is to further notify you that, at the above-referenced public hearing, the Board will hear testimony from any interested property owners as to the propriety and advisability of the Project and improvements, as to the cost thereof, as to the manner of payment thereof, and as to the amount thereof to be assessed against each property so improved. All affected property owners have a right to appear at the hearing and to file written objections with the District Board within twenty (20) days of this notice.

Information concerning the Project Assessments and copies of the documents referred to in this letter are on file and available during normal business hours at the office of the District Manager, located at 11922 Fairway Lakes Drive, Suite 1, Fort Myers, FL. 33913 (the "District Administrative Office") or by calling (239) 561-1313. The referenced documents are also on the District's website at www.gatewaydistrict.org. You may appear at the hearing, or submit your comments in advance to the attention of the District Manager at the address above.

Sincerely,
Chelsea O'Riley
District Manager
