**SUGGESTED ACTION:**

Consideration and possible action to recommend to council the structure, including additional members, and appointment of future members of the Legislative Task Force who will provide input on the city's legislative issues for the 2027 State Legislative Session -- David Morgan, City Manager

**ITEM SUMMARY:**

The Georgetown Legislative Task Force is made up of nine members who will meet every other week from May through August in even-numbered years, and ad-hoc as issues arise throughout the legislative session. Members will serve a one-year term on a volunteer basis and will be selected through an application process. Meetings will consist of briefings from City staff on challenges the City faces to help shape the City's legislative agenda for Council consideration.

Interested residents applied for the Georgetown Legislative Task Force through Feb. 13 on the City's website. This IGR Council Subcommittee is discussing the option of adding an additional six members to this Task Force and will possibly make a recommendation at the next council meeting. Appointment of the members of the Task Force should be made in March. The Task Force's service will then run from March 2026 to January 2027 and work to develop a proposed City of Georgetown 2027 Legislative Agenda for the council to consider for adoption.
