Dear Mr. Vosburg:

This letter is being submitted as a formal request asking the Board of County Commissioners to authorize the Property Appraiser to extend the 2018 ad valorem property tax roll prior to completion of the Valuation Adjustment Board hearings. It is important to afford the taxpayers of Highlands County the opportunity to pay their taxes during each of the four discount periods allowed by law. Prompt action by the Board will ensure this. This extension will also allow the collection of revenue for the various taxing authorities to begin November 1, 2018. Authority for early extension of the tax roll is provided in F.S. 197.323. Thank you.

Sincerely,

ARTICLE 12. LIABILITY AND ACCOUNTABILITY

The Provider, if a non-profit entity, agrees to provide continuous and adequate director, officer, and employee liability insurance coverage against any personal liability or accountability by reason of actions taken while acting within the scope of their authority during the existence of this Agreement and any renewal(s) and extension(s) thereof. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida.

ARTICLE 13. INDEPENDENT CONTRACTOR

The Provider agrees that it is an independent contractor and not an officer, employee, agent, servant, joint venture, or partner of the State of Florida, except where the Provider is a state Agency. Neither the Provider nor its agents, employees, subcontractors or assignees shall represent to others that the Provider has the authority to bind the OAG. This Agreement does not create any right to any state retirement, leave or other benefits applicable to State of Florida personnel as a result of the Provider performing its duties or obligations under this Agreement. The Provider agrees to take such actions as may be necessary to ensure that each subcontractor of the Provider will be deemed an independent contractor and will not be considered or permitted to be an officer, employee, agent, servant, joint venturer, or partner of the State of Florida. The OAG will not furnish support services (e.g., office space, office supplies, telephone service, and administrative support) to the Provider, or its subcontractor or assignee, unless specifically agreed to in writing by the OAG.

unemployment compensation funds and all necessary insurance for the Provider, the Provider's officers, employees, agents, subcontractors, or assignees shall be the sole responsibility of the Provider.

ARTICLE 14. DOCUMENTATION AND RECORD RETENTION

The Provider shall maintain books, records, and documents (including electronic storage media) in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all revenues and expenditures of grant funds.

The Provider shall maintain a file for inspection by the OAG or its designee, Chief Financial Officer, Auditor General, or U.S. Department of Justice that contains written invoices for all fees, or other compensation for services and expenses, in detail sufficient for a proper pre-audit and post-audit. This includes the nature of the services performed or expenses incurred, the identity of the person(s) who performed the services or incurred the expenses, the daily time and attendance records and the amount of time expended in performing the services (including the day on which the services were performed), and if expenses were incurred, a detailed itemization of such expenses. All documentation, including audit working papers, shall be maintained at the office of the Provider for a period of five (5) years from the termination date of the Agreement, or until any audit has been completed and any findings have been resolved, whichever is later.

The Provider shall give authorized representatives of the OAG the right to access, receive and examine all records, books, papers, case files, documents, goods and services related to the grant funds. If the Provider fails to provide access to such materials, the OAG may terminate this Agreement. Sections 119.071, and 960.15, Florida Statutes (2017), provide that certain records received by the OAG are exempt from public record requests, and any otherwise confidential record or report shall retain that status and will not be subject to public disclosure. The Provider, by signing this Agreement specifically authorizes the OAG to receive and review any record reasonably related to the purpose of the grant as authorized in the original approved grant application and or the amendments thereto. Failure to provide documentation as requested by the OAG under the provisions of this Agreement shall result in either the termination of the agreement or suspension of further reimbursements to the Provider until all requested documentation has been received, reviewed, and the costs are approved for reimbursement by the OAG.

The Provider shall allow public access to all documents, papers, letters, or other materials made or received in conjunction with this Agreement, except for those records exempt from disclosure under one of the statutory provisions mentioned in the paragraph above, or are otherwise exempt from disclosure by operation of Section 119.071, Florida Statutes (2017) or Chapter 119, Florida Statutes. Failure by the Provider to allow the aforementioned public access constitutes grounds for unilateral cancellation by the OAG at any time, with no recourse available to the Provider. The Provider shall also keep and maintain all public records consistent with the State of Florida's record retention schedule. The Provider shall provide the OAG with a copy of all requested public records or allow the records to be inspected and copied within a reasonable time or as otherwise provided by law. The provider will ensur

that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of the Agreement if the Provider does not transfer the records to the OAG at that time.

Upon completion of the Agreement, the Provider shall keep and maintain public records required by the OAG to perform the services to be provided in the scope of this Agreement or electronically transfer, at no cost, to the OAG all public records in possession of the Provider. If the Provider transfers all public records to the OAG upon completion of the Agreement, the Provider shall destroy all duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Provider keeps and maintains public records upon completion of the Agreement, the Provider shall meet all applicable requirements for retaining public records. All public records stored electronically must be provided to the OAG, upon request of its Custodian of Public Records, in a format compatible with the information technology systems of the OAG.

IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PROVIDER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 850-414-3634, publicrecordsrequest@myfloridalegal.com OFFICE OF THE ATTORNEY GENERAL, PL-01, THE CAPITOL, TALLAHASSEE, FL 32399-1050.

ARTICLE 15. VICTIM SERVICES PRACTITIONER DESIGNATION TRAINING

The Provider agrees to have all VOCA grant funded staff members complete training and achieve the Victim Services Practitioner Designation through the staff members' successful participation in the OAG's Victim Services Practitioner Designation Training Course provided through the Florida Crime Prevention Training Institute (FCPTI). All VOCA funded staff members must timely renew and maintain this designation certification by applying for renewal of the designation with the OAG within the time frame mandated by the OAG through its Victim Services Practitioner Designation Requirements.

ARTICLE 16. PROPERTY

The Provider agrees to be responsible for the proper care and custody of all property purchased with grant funds and agrees not to sell, transfer, encumber, or otherwise dispose of property acquired with grant funds without the written permission of the OAG. If the Provider is no longer a grant funds recipient, all property acquired by grant funds shall be subject to the provisions of the Financial Guide.

ARTICLE 17. AUDITS; COMPLIANCE WITH OAG'S INSPECTOR GENERAL

The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the Agency's Office of the Inspector General (Section 20.055, Florida Statutes (2017)), or as authorized by law.

The administration of funds disbursed by the OAG to the Provider may be subject to audits and

or monitoring by the OAG, as described in this section.

This part is applicable if the Provider is a Non-Federal Entity, meaning a State, local government, Indian tribe, institution of higher learning, or nonprofit organization that carries out a Federal award as a recipient or subrecipient, as defined in Title 2 C.F.R. Part 200, Subpart A.

1. In the event the Provider expends $750,000 or more during the non-Federal entity's fiscal year in Federal awards, it must have a single or program-specific audit conducted for that year in accordance with the provisions of federal government-wide grant rules as set forth in the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, beginning at 2 C.F.R. § 200.0. Article 33 to this Agreement indicates the amount of Federal funds disbursed through the OAG by this Agreement. In determining the Federal awards expended in its fiscal year, the Provider shall take into account all sources of Federal awards, including Federal resources received from the OAG. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by federal government-wide grant rules as set forth in the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, beginning at 2 C.F.R. § 200.0. An audit of the Provider conducted by the Auditor General in accordance with the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart F, beginning at 2 C.F.R. § 200.500, will meet the requirements of this part.

2. In connection with the audit requirements addressed in this part, the Provider shall fulfill the requirements relative to auditee responsibilities as provided in 2 C.F.R. § 200.508.

3. If the Provider expends less than $750,000 in Federal awards in its fiscal year, an audit conducted in accordance with the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart F, beginning at 2 C.F.R. § 200.500, is not required. In the event the Provider expends less than $750,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart F, beginning at 2 C.F.R. § 200.500, the cost of the audit must be reimbursed from non-Federal funds (i.e., the cost of such an audit must be reimbursed from Provider resources obtained from other than Federal entities), as mandated in the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart E, beginning at 2 C.F.R. § 200.400.

ARTICLE 18. AUDIT REPORT SUBMISSION

Audit reports must be submitted no later than 150 days following cancellation, termination or expiration of the Agreement.

1. Copies of audit reports for audits conducted in accordance with the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart F, beginning at 2 C.F.R. § 200.500, and required by this Agreement shall be submitted, when required by 2 C.F.R.§ 200.512, by or on behalf of the Provider directly to the following:

A. Office of the Attorney General

Bureau of Advocacy and Grants Management
PL-01, The Capitol
Tallahassee, Florida 32399-1050

2. Any reports, management letters, or other information required to be submitted to the OAG pursuant to this Agreement shall be submitted timely in accordance with federal government-wide grant rules as set forth in the Code of Federal Regulations, Part 200, Subtitle A, Ch. II, Pt.200, beginning at 2 C.F.R. §200.0, as applicable.

3. Providers should indicate the date the financial reporting package was delivered in correspondence accompanying the financial reporting package.

ARTICLE 19. MONITORING

In addition to reviews of audits conducted in accordance with the Code of Federal Regulations, Title 2, Subtitle A, Ch. II, Pt. 200, Subpart F, beginning at 2 C.F.R. § 200.500, by entering into this Agreement, the Provider agrees to comply and cooperate with any monitoring procedures/processes and additional audits deemed appropriate by the OAG, including but not limited to on-site visits. The Provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the OAG or its designee, Chief Financial Officer, Auditor General or the U.S. Department of Justice.

The Provider may not accept duplicate funding for any cost, position, service or deliverable funded by the OAG. Duplicative funding is defined as more than 100% payment from all funding sources for any cost, position, service or deliverable. If there are multiple funding sources and a program is funded by the OAG, the OAG or its designee has the right to review all documents related to those funding sources to determine whether duplicative funding is an issue. If duplicate funding is found, the Agreement may be suspended, terminated or both while the extent of the overpayment is determined. Failure to comply with state law, or the Code of Federal Regulations, and the U.S. Department of Justice Programs, Financial Guide, may also result in the suspension, termination or both of the Agreement while the extent of the overpayment is determined. Absent fraud, in the event that there has been an overpayment to a Provider for any reason, if the amount of the overpayment cannot be determined to a reasonable degree of certainty, as determined in the sole discretion of the OAG, both parties agree that the Provider shall reimburse to the OAG one half of the monies previously paid to the Provider for that line item for the grant year in question.

ARTICLE 20. RETURN OF FUNDS

The Provider shall return to the OAG any overpayments made to the Provider for unearned income or disallowed items pursuant to the terms and conditions of this Agreement. In the event the Provider or any outside accountant or auditor determines that an overpayment has been made, the Provider shall immediately return to the OAG such overpayment without prior notification from th

OAG. In the event the OAG discovers that an overpayment has been made, the contract manager, on behalf of the OAG, will notify the Provider and the Provider shall forthwith return the funds to the OAG. Should the Provider fail to immediately reimburse the OAG for any overpayment, the Provider will be charged interest at the rate in effect on the date of the overpayment, as determined by the State of Florida, Chief Financial Officer, pursuant to Chapter 55, Florida Statutes, on the amount of the overpayment or outstanding balance thereof. Interest will accrue from the date of the Provider's initial receipt of funds up to the date of reimbursement of said overpayment funds to the OAG.

ARTICLE 21. PUBLIC ENTITY CRIME

Pursuant to Section 287.133, Florida Statutes (2017), the following restrictions are placed on persons convicted of public entity crimes to transact business with the OAG: When a person or affiliate has been placed on the convicted vendor list following a conviction for a public entity crime, he/she may not submit a bid, proposal or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes (2017), for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The Provider certifies that neither it nor any affiliate has been placed on such convicted vendor list and shall notify the OAG within five (5) days of its, or any of its affiliate's, placement thereon.

ARTICLE 22. GRATUITIES

The Provider agrees that it will not offer or give any gift or any form of compensation to any OAG employee. As part of the consideration for this Agreement, the parties intend that this provision will survive the Agreement for a period of two years. In addition to any other remedies available to the OAG, any violation of this provision will result in referral of the Provider's name and description of the violation of this term to the Department of Management Services for the potential inclusion of the Provider's name on the suspended vendors list for an appropriate period. The Provider will ensure that its subcontractors, if any, comply with these provisions.

ARTICLE 23. PATENTS, COPYRIGHTS, AND ROYALTIES

The Provider agrees that if any discovery or invention arises or is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected herewith, the discovery or invention shall be deemed transferred to and owned by the State of Florida. Any and all patent rights accruing under or in connection with the performance of this Agreement are hereby reserved to the State of Florida.

In the event that any books, manuals, films, or other copyrightable materials are produced, the

Provider shall identify all such materials to the Agency. The Provider does hereby assign to the OAG and its assigns or successors, all rights accruing under or in connection with performance under this Agreement, including the United States Copyright, all other literary rights, all rights to sell, transfer or assign the copyright, and all rights to secure copyrights anywhere in the world.

The Provider shall indemnify and hold the OAG and its employees harmless from any claim or liability whatsoever, including costs and expenses, arising out of any copyrighted, patented, or unpatented invention, process, or article manufactured or used by the Provider in the performance of this Agreement. The Provider shall indemnify and hold the OAG and its employees harmless from any claim against the OAG for infringement of patent, trademark, copyright or trade secrets. The OAG will provide prompt written notification of any such claim. During the pendency of any claim of infringement, the Provider may, at its option and expense, procure for the OAG, the right to continue use of, or to replace or modify the article to render it non-infringing. If the Provider uses any design, device, or materials covered by letters patent, or copyright, it is mutually agreed and understood without exception the compensation paid pursuant to this Agreement includes all royalties or costs arising from the use of such design, device, or materials in any way involved in the work contemplated by this Agreement.

Subcontracts must specify that all patent rights and copyrights are reserved to the State of Florida.

ARTICLE 24. INDEMNIFICATION AND ASSUMPTION OF LIABLITY

The Provider shall be liable for and indemnify, defend, and hold the OAG and all of its officers, agents, and employees harmless from all claims, suits, judgments, or damages, including attorney's fees and costs, arising out of any act or omission or neglect by the Provider and its agents, employees and subcontractors during the performance or operation of this Agreement or any subsequent modifications or extensions thereof.

The Provider's evaluation or inability to evaluate its liability shall not excuse the Provider's duty to defend and to indemnify the OAG within seven (7) days after notice by the OAG. After the highest appeal taken is exhausted, only an adjudication or judgment specifically finding the Provider not liable shall excuse performance of this provision. The Provider shall pay all costs and fees including attorney's fees related to these obligations and their enforcement by the OAG. The OAG's failure to notify the Provider of a claim shall not release the Provider from these duties. The Provider shall not be liable for any claims, suits, judgments, or damages arising solely from the negligent acts of the OAG.

This Agreement and the rights and obligations created by it are intended for the sole benefit of the OAG and the Provider. No third party to this Agreement, including the victims served by the Provider, have any rights under this Agreement. No third party may rely upon this Agreement or the rights and representations created by it for any purpose.

The Provider agrees to assume all liability associated with providing services under the terms and conditions of this Agreement. This includes, but is not limited to, premises liability and any travel taken by any employee of Provider or any recipient of Provider's services.

ARTICLE 25. REMEDIES; INCLUDING TERMINATION OF AGREEMENT

The Provider's failure to perform pursuant to the terms of this Agreement may result in non-payment, imposition of the financial consequences contained in this Agreement, delay of payment, and/or termination as provided under this Agreement. Such non-compliance can result in any or all of the additional following actions; temporary withholding of payments under ARTICLE 10, METHOD OF PAYMENT, above, pending correction of all deficiencies by the Provider; appropriate legal action being taken to enforce compliance by the Provider with the terms of this Agreement; and suspension of grant funds up to and including termination of the Agreement by the OAG.

This Agreement may be terminated by the OAG for any reason upon five (5) days written notice via certified U.S. mail, hand delivery, or email to the Provider to the physical or email address provided by the Provider in the application.

In the event this Agreement is terminated by the OAG, the Provider shall deliver documentation of ownership or title, if appropriate for all supplies, equipment and personal property purchased with grant funds to the OAG, within 30 days after termination of the Agreement. Any finished or unfinished documents, data, correspondence, reports and other products prepared by or for the Provider under this Agreement shall be made available to and for the exclusive use of the OAG.

Notwithstanding the above, the Provider shall not be relieved of liability to the OAG for damages sustained by the OAG by virtue of any termination by the OAG or breach of this Agreement by the Provider. In the event this Agreement is terminated by the OAG, the Provider shall be reimbursed for satisfactorily performed and documented services provided prior to the effective date of termination.

ARTICLE 26. AMENDMENTS

Modification of any provision of this Agreement must be mutually agreed upon by all parties and requires a written and fully executed amendment to this Agreement, except as provided for budget modifications submitted by the Provider in writing which have been previously approved by the OAG pursuant to the terms of ARTICLE 8, AUTHORIZED EXPENDITURES.

ARTICLE 27. NONDISCRIMINATION

Recipients of federal financial assistance must comply with applicable federal civil rights laws, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §§ 10228(c) and 10221(a)); the Victims of Crime Act of 1984, as amended (34 U.S.C. § 20110(e)); The

Juvenile Justice and Delinquency Prevention Act of 1974, as amended (34 U.S.C. § 11182(b)); Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §794), Title II of the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131-34); Title IX of the Education Amendments of 1972 (20 U.S.C. §§ 1681, 1683, 1685-86); the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07); and Exec. Order 13279 (67 Fed. Reg. 241).

Pursuant to applicable federal laws and Chapter 760, Florida Statutes (2017), the Provider agrees not to discriminate against any client or employee in the performance of this Agreement or against any applicant for employment because of age, race, religion, color, disability, national origin, marital status or sex. The Provider further assures that all contractors, subcontractors, sub-grantees, or others with whom it arranges to provide services or benefits to clients or employees in connection with any of its programs and activities are not discriminating against those clients or employees because of age, race, religion, color, disability, national origin, marital status or sex.

The Provider must have policies and procedures in place for responding to complaints of discrimination that employees and beneficiaries file directly with the Provider. Information provided by the U.S. Department of Justice, Office of Justice Programs, to assist with policy and procedure development is available at http://ojp.gov/about/offices/ocr.htm.

In the event a Federal or State court, or a Federal or State administrative agency, makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, marital status or sex against the Provider, the Provider will forward a copy of the findings to the Office of Justice Programs, Office for Civil Rights (OCR), and the OAG.

As clarified by Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Safe Streets Act and Title VI of the Civil Rights Act of 1964, the Provider must take reasonable steps to ensure that LEP persons have meaningful access to its programs and activities. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. The Provider is encouraged to consider the need for language services for LEP persons served or encountered both in developing its budgets and in conducting its programs and activities. Additional assistance and information regarding your LEP obligations can be found at <http://www.lep.gov>.

In accordance with federal civil rights laws, the Provider shall not retaliate against individuals for taking action or participating in action to secure rights protected by these laws.

All Providers must complete a review of the Office of Justice Programs, Office for Civil Rights training modules and confirm compliance with this requirement to the OAG through self-reporting by December 31, 2018. The training modules are available at http://ojp.gov/about/ocr/assistance.htm>.

Pursuant to Section 287.134, Florida Statutes (2017), an entity or affiliate who has bee

placed on the Florida Department of Management Services' discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide goods or services to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

The OCR issued an advisory document for Federal grant recipients on the proper use of arrest and conviction records in making hiring decisions. See Advisory for Recipients of Financial Assistance from the U.S. Department of Justice on the U.S. Equal Employment Opportunity Commission's Enforcement Guidance: Consideration of Arrest and Conviction Records in Employment Decisions Under Title VII of the Civil Rights Act of 1964 (June 2013), available at http://ojp.gov/about/ocr/pdfs/UseofConviction_Advisory.pdf. Recipients should be mindful that the misuse of arrest or conviction records to screen either applicants for employment or employees for retention or promotion may have a disparate impact based on race or national origin, resulting in unlawful employment discrimination. In light of the Advisory, recipients should consult local counsel in reviewing their employment practices. If warranted, recipients should also incorporate an analysis of the use of arrest and conviction records in their Equal Employment Opportunity Plans (EEOPs).

ARTICLE 28. NONDISCRIMINATION IN PROGRAMS INVOLVING STUDENTS

The Provider shall not use award funding to discriminate against students that are participating in (or benefiting from) programs that are funded by those same federal funds. As an example provided by the Office for Victims of Crime, Office of Justice Programs, the Provider cannot use VOCA funding to treat a Catholic student differently than a non-Catholic student when both are applying for, or receiving benefits from, the VOCA program. This same protection also applies to the students' parents or legal guardians.

ARTICLE 29. ACKNOWLEDGMENTS

All publications, advertising or written descriptions of the sponsorship of the program shall state: "This project was supported by Award No.VOCA-2018-Highlands County Sheriff'-00072 awarded by the Office for Victims of Crime, Office of Justice Programs. Sponsored by HIGHLANDS COUNTY BOARD OF COUNTY COMMISSIONERS and the State of Florida."

The Provider is required to display a civil rights statement prominently on all publications, websites, posters and informational materials mentioning USDOJ programs in bold print and no smaller than the general text of the document. The full civil rights statement must be used whenever possible. Single page documents that do not have space for the full civil rights statement may contain a condensed version in a print size no smaller than the text used throughout the document. If the civil rights statement is missing on a publication, the statement must be included the next time the publication is revised or reprinted and printed copies of the statement must be attached to the current supply of the publication until the next revision is reprinted.

Full Civil Rights Statement: In accordance with federal law and U.S. Department of Justice policy, this organization is prohibited from discriminating on the basis of race, color, national origin, religion, sex, age, or disability. The Provider is required to display the OAG's "Civil Rights Fact Sheet" at locations open to the public. The "Civil Rights Fact Sheet" will be made available to the Provider via the OAG E-Grants Management System.

ARTICLE 30. EMPLOYMENT

The employment of unauthorized aliens by the Provider is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Provider knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. Any services performed by any such unauthorized aliens shall not be paid.

The Provider shall utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of all persons hired during the Agreement term.

ARTICLE 31. ADMINISTRATION OF AGREEMENT

All approvals referenced in this Agreement must be obtained from the parties' contract administrators or their designees. The OAG's contract administrator is the Christina F. Harris, Chief, Bureau of Advocacy and Grants Management. All notices must be given to the parties' contract administrators respectively.

ARTICLE 32. CONTROLLING LAW AND VENUE

This Agreement shall be governed by the laws of the State of Florida. Any and all litigation arising under the Agreement shall be instituted in the appropriate court of general jurisdiction in Leon County, Florida.

ARTICLE 33. AMOUNT OF FUNDS

The OAG agrees to reimburse the Provider for contractual services and/or availability to provide services for the entire Time of Performance, as set forth in Article 3 of this Agreement, and completed in accordance with the terms and conditions of the Agreement. The total sum of monies available for reimbursement to the Provider for services provided shall not exceed $109,135.00

“Availability to Provide Services” is defined as maintaining sufficient capacity to assist victims during the Provider’s core business hours throughout the Time of Performance, as set forth in Article 3 of this Agreement. Core business hours are assumed to be at least from 8:00 AM to 5:00 PM, Monday through Friday, unless otherwise approved as alternative core business hours by the OAG. Employee leave earned under this grant period is reimbursable; however, the Provider must continue to maintain sufficient capacity to assist victims.

"Contractual Services" are defined as those specified services established within the OAG approved budget for which the Provider is to be paid upon completion at the set rate also established within the OAG approved budget, as authorized expenditures eligible for payment, or reimbursement pursuant to ARTICLE 8, AUTHORIZED EXPENDITURES, of this Agreement.

ARTICLE 34. AGREEMENT AS INCLUDING ENTIRE AGREEMENT

This instrument and the approved 2018-2019 grant application in the E-grants Management System, embody the entire Agreement of the parties. There are no provisions, terms, conditions, or obligations other than those contained herein. This Agreement supersedes all previous communications, representations or Agreements on this same subject, verbal or written, between the parties.

There are no representations or statements that are relied upon by the Provider that are not expressly set forth herein.

The Provider's signature below specifically acknowledges understanding of the fact that the privilege of obtaining a VOCA grant is not something this or any Provider is entitled to receive. This Agreement is for one-time funding only, covering one fiscal year. There is absolutely no expectation or guarantee, implied or otherwise, the Provider will receive VOCA funding in the future. The OAG strongly encourages the Provider to secure funding from other sources if the Provider anticipates the program will continue beyond the current grant year.

Each of the parties executing this Agreement have full authority to do so and have received all lawfully necessary approvals to enter into this Agreement.

IN WITNESS WHEREOF, the OFFICE OF THE ATTORNEY GENERAL and *HIGHLANDS COUNTY BOARD OF COUNTY COMMISSIONERS*, have executed this agreement.

Highlands County Industrial Development Authority and Economic Development Commission Board of Directors Q&A

1) What does economic development mean to you?
Economic Development is the continual promotion of healthy, sustainable growth from a community and its leaders. A community must be supportive of local businesses, and support needs to come from the leaders of the community for it to be positive and sustainable.
2) Why do you want to serve on the Board of Directors for the Highlands County IDA/EDC?
I want to continue to serve on the IDA/EDC to lend my expertise and experience as a former business owner in Highlands County. I want to ensure that our growth and community involvement aligns with the goals and objectives of the community as a whole.
3) As a board member, how would you promote economic development for the county?
I have a passion for Agriculture and understand what it means to be a community that is built around the values that come with that industry. I believe it is important for us to ensure we are attracting businesses that align with our values and needs as a community. Equally important is the ability to support the existing businesses. I would promote economic development in Highlands County by continuing to be involved in our community. This board is a diverse board that covers all areas of industry in our county. I want to contribute to the team of Highlands County leaders that come together on a regular basis to promote economic development, discuss the needs of our community, and take action to improve the economic status of our county.
4) What are your goals for Highlands County economic development?
Agriculture is the heritage and foundation for economic development in our community. I want to see Agriculture thrive in Highlands County, with the support and technology needed to stay local. Education and Training are paramount to keeping a solid workforce professional and educated. Support systems for our local eduction is something that I support and see as one of the foundations to continued Economic Development in Highlands County.
5) What other organizations, if any, have you previously or do you currently belong to? What responsibilities did you have (Officer seats, Community Service, etc.)?
I previously served as an Advisory Board Member for the United Way of Highlands County. They meet in the middle of the day and the location of my job with Alico was not conducive to my schedule, so I completed my term in 2017.

Highlands County Industrial Development Authority and Economic Development Commission Board of Directors Q&A

1) What does economic development mean to you?
Economic development is wood for the fire in terms of growth in every part of life. If we want better healthcare, better parks, better restaurants, better entertainment, better education, better lakes and a better quality of life; we need consistent and intentional economic development. It means businesses are thriving, wages are growing, jobs are being created, new businesses are being attracted and our citizens are taking steps forward; not standing-still or moving backwards.
2) Why do you want to serve on the Board of Directors for the Highlands County IDA/EDC?
This is arguably the biggest challenge facing our county. There is urgency in constructing a plan for how this area will thrive in a rapidly changing world. We have something many places don't: a quaint rural community like "Mayberry". I think there is a lot of opportunity to capitalize on our strengths and address our weaknesses. I represent the younger generation that has a vested interest in the economic well-being of this county. I've been in finance for 12 years and genuinely enjoy economics.
3) As a board member, how would you promote economic development for the county?
Defining a clear vision and communicating it often. Engaging citizens, government leaders and business owners in the community to build support and buy-in. Engaging people who are in Generation Y & even the dreaded Millenials. With clarity and a little momentum, growth can follow. The term economic development is not very tangible, the community needs to see the fruits, something they can touch and understand.
4) What are your goals for Highlands County economic development?
Defining the problems that are unique to Highlands County and also those that are common amongst other similar areas. Design a framework for addressing the problems that would yield the best results. Keep good data, analyze the data, re-allocate resources, keep tinkering. In short, encourage focused efforts to strengthen all facets of our community.
5) What other organizations, if any, have you previously or do you currently belong to? What responsibilities did you have (Officer seats, Community Service, etc.)?
Champion for Children Foundation - Board Member Change of Pace - Board Member Big Brothers/Big Sisters - Mentor Citizens' Advisory Committee(1/2 cent sales tax) - Chairman Highlands News-Sun Well-Being Advisory Board - Member St. Catherine Catholic Church - Parishioner

Highlands County Industrial Development Authority and Economic Development Commission Board of Directors Q&A

1) What does economic development mean to you?

Economic Development is a necessary process between public agencies and private companies in order to forge a valuable relationship to create jobs and establish a sense of place for those living in a particular area. It can have a variety of end products from employment centers to housing and mixed use developments all to achieve the main goal of improving the quality of life of the areas being impacted.

2) Why do you want to serve on the Board of Directors for the Highlands County IDA/EDC?

My intent to serve as a Board member would be to bring my vast knowledge and understanding of the development industry to our hometown of Sebring, Florida and Highlands County as we plan to improve the demographics and preserve the make-up of the place my family calls home. It would be a true pleasure to serve the commission and the residents of the county and to be a part of a dynamic focus to improve the overall feel for where I was born and raised and have returned to raise my family.

3) As a board member, how would you promote economic development for the county?

My current occupation affords me the time to travel around the state and country to attend conferences and meet with influential people, including other EDC's and Governmental agencies, about their own areas of development. I never miss an opportunity to speak about where I live and what I see in the respective markets where I travel for work.
In my 14+ year career in commercial development, I have come to find that it is a very close community and easy to share ideas across county boarders. I feel this would be a great asset to the BOD.

4) What are your goals for Highlands County economic development?

My goals for HCED would be to adhere to the established goals of the leadership of Highlands County. To try to infuse new ideas and concepts with site selectors and other EDC's across Florida and across my companies National footprint. It would be a great accomplishment to bring higher wage jobs to the area in order to see the livelihood of our residents change for the better and increase the retention of our younger residents as well.

5) What other organizations, if any, have you previously or do you currently belong to? What responsibilities did you have (Officer seats, Community Service, etc.)?

NAIOP - Central Florida BOD - State of of Florida Political Action Committee
ICSC - Political Action Committee Member

I also sit in a men's dinner group with folks in the Central Florida area and we strive for contributing our time to a charitable group bi-monthly.

PRESENTER: **David Nitz, OMB Manager**

SUBJECT/TITLE: **Request approval of budget amendment 17-18-173 to transfer reserve funds to cost center 4218 (Refuse Collection Program) in Fund 401 (Solid Waste).**

STATEMENT OF ISSUE

When the FY 17/18 budget was prepared for Fund 401, cost center 4218, the monthly fee per residential unit had not been adjusted for the CPI (per contract) and the unit counts had not been updated. These result of these updates was nearly $340,000. Additionally, a commercial waste pick up budget was not added, resulting in this account being under budgeted nearly $30,000.

These items have been included in the FY 18/19 Adopted budget that was recently approved by the Board.

RECOMMENDED ACTION

Move to approve budget amendment 17-18-173 to transfer reserve funds to cost center 4218.

FISCAL IMPACT

There is no fiscal impact to Fund 401 (Solid Waste) or the overall budget. This budget amendment is transferring $400,000 from cost center 9990F (Budgetary Expenditures AC/401), account 59900 (Reserve for Contingency) to cost center 4218 (Refuse Collection Program), account 53433 (Waste Franchise).
