with them; she further noted that prior Deputy District Attorney Maddox had reviewed the agreement under the State's NASPRO contract and had approved it. The following motion was made by Commissioner Evatz and passed unanimously:

To approve the sixty-month period of leasing through Quadient Leasing USA through MMS West as presented by the Treasurer in the amount of $20,067.00.

PUBLIC WORKS DEPARTMENT: Public Works Director Don Kalkoske appeared before the Commission.

APPROVAL TO INSTALL ADDITIONAL DRAINAGE AT THE MAINTENANCE SHOP: Consideration, discussion and possible approval to install additional drainage at the Public Works Road Maintenance shop in an amount not to exceed $6,879. Included on the on-line agenda for review was the prepared staff report (see attached). Director Kalkoske reviewed the request for the Commission. Chairman Tipton asked legal if the items could be handled together. Deputy District Attorney Macdonald recommended they be handled separately. Commissioner Evatz asked why the plan is to maybe do paving, why not fix the problem up there once and for all. Director Kalkoske responded that is what he hopes to do, explaining that he is trying to get in contact with a local contractor and work with some of the more veteran department operators to cut costs with that portion by seeing if they would be confident enough to do the finish grading as everything has to be sloped to this drain and, while they don't have a paver, one of the guys is saying, that if the material is hot, he can lay it down with a blade, so he will be meeting with him on that and then he may be back requesting the purchase of asphalt, which will result in a significant savings versus having a third-party do the work. Commissioner Evatz agreed as long as the quality of work is the same; he asked if this project cost was budgeted. Director Kalkoske confirmed that it would be included in the Special Projects line-item. Commissioner Hill asked if any of this work or the work for item B would impact the Buildings & Grounds building project or the electrical upgrade planned for the area. Director Kalkoske responded that it would not as long as none of the Public Works property is taken for the proposed building. Commissioner Hill asked for clarification on the fence plan. Director Kalkoske reviewed the proposed location. Commissioner Evatz recommended to do a comprehensive approach to fixing up the drainage including pavement if needed, rather than piecemealing it. Commissioner Hill noted that, while he understands the efforts to save money by using county employees, that does take away from the services provided to the public, so if we have to spend a little extra money to take care of our facility while making sure our guys are out doing what are paid to do, that is probably something to be looked at. Director Kalkoske agreed explaining that this would probably not occur until after the dust control program is completed as that frees up the guys as the roads should be good for a while and the guy that is addressing doing this is getting quite a bit of the mag in his area, so he will have time and it

UNAPPROVED/UNOFFICIAL

should not take that long. Chairman Tipton asked if Director Kalkoske could obtain an estimate for a contractor to do the paving and bring this item back at a future meeting. Director Kalkoske responded explaining the difficulty he has had with getting any responses. Commissioner Evatz agreed with Chairman Tipton's suggestion to include putting a comprehensive plan together to include using a third-party to get it done right noting that if it is not done right in-house that will result in issues. Chairman Tipton concurred with Commissioner Hill's concerns about pulling a blade operator away for the roads. Director Kalkoske noted that, whether this is bid out or done in-house, this drainage structure will be needed. Commissioner Cerri asked if this is something that happens rarely. Director Kalkoske responded that it occurs every year and explained. Commissioner Cerri voiced concern that the cost is going to go up and that it has not been budgeted for. Commissioner Evatz noted the amount budgeted for in next year's Special Project line-item. Director Kalkoske noted that flood re-builds will be included in that line-item as well. Commissioner Evatz offered that is why it makes sense to purchase this portion in the current budget. The following motion was made by Commissioner Evatz and passed unanimously:

To approve the purchase of an engineered drainage drop structure to address the drainage issue at the Public Road Maintenance Shop, that asset would eventually come into play as part of a more comprehensive drainage plan approval but this would get us this asset not to exceed $6,879.00.

TO INSTALL FENCING FOR THE WINNEMUCCA PUBLIC WORKS YARD: Consideration, discussion and possible approval to install a chain link fence to prevent theft at the Public Works yard in an amount not to exceed $30,000. Included on the on-line agenda for review was the prepared staff report (see attached). Director Kalkoske reviewed the request for the Commission again explaining the planned placement. Commissioner Evatz asked if this had wire structure at the top. Director Kalkoske responded that is not planned at this time as he is trying to be conservative; he noted the quotes received. Commissioner Evatz suggested barbed wire at the top to protect against theft. Discussion ensued. Commissioner Cerri asked if this item is budgeted. Director Kalkoske confirmed it was. Discussion ensued regarding a project at the yard in Golconda. Commissioner Hill commented on his support for using the contractor do it to completion so it is not climbable and to utilize the county employee's for more specialized projects that have to do with maintaining county roads and county structures for our residents who pay taxes on that stuff. Director Kalkoske stated that he could get with Artistic and if it goes over the $30,000.00 that is being requested he can bring it back to amend. Commissioner Hill also commented that he had requested the quotes this morning as they were not included in the Commissioner's agenda packet noting the importance of the Board members having all the necessary information to consider. The following motion was made by Commissioner Evatz:

UNAPPROVED/UNOFFICIAL

To approve the installation of a chain-link fence with the addition of the barbed wire at the top to prevent theft at the Public Works Yard in an amount not to exceed $35,000.00 which was captured at the high-end of one of the bids.

Deputy District Attorney Macdonald commented that the Commission is limited to the $30,000.00 as indicated on the agenda. The following amended motion was made by Commissioner Evatz and passed unanimously:

To approve the installation of a chain-link fence with the addition of the barbed wire at the top to prevent theft at the Public Works Yard in an amount not to exceed $30,000.00 but that Director Kalkoske will come back next meeting with a combination and the price of the addition for the barbed wire to be captured and installed by the one contractor that is selected.

TO INSTALL A CORRUGATED METAL PIPE TO REPAIR LAMBERT DRIVE BRIDGE STRUCTURE: Consideration, discussion and possible approval to purchase and install corrugated metal pipe in the cells of the Lambert Drive bridge in an amount not to exceed $48,000. Director Kalkoske reviewed the request for the Commission including the quotes provided. Commissioner Evatz asked if this includes install. Director Kalkoske responded indicating that he had spoken to Kenner about producing the grout and that he is not concerned about the cost of the grout; he commented on the need to determine where the pipe would be delivered for staging. Commissioner Evatz voiced concern about the language of the item, as it sounds like it is comprehensive but this is just getting the pipe, which is how it should read. The following motion was made by Commissioner Evatz

To procure the corrugated metal pipe and have it delivered FOB to the work yard in an amount not to exceed $48,000.00 and next time to bring a comprehensive approach to the project that fits the description as presented to the Commission

TO PURCHASE A VEHICLE LIFE JACK SYSTEM: Consideration, discussion and possible approval to purchase a Vehicle Lift Jack System in an amount not to exceed $12,000. Included on the on-line agenda for review was the prepared staff report (see attached). Director Kalkoske reviewed the request for the Commission. The following motion was made by Commissioner Hill and passed unanimously:

To approve the purchase of a vehicle life jack system in an amount not to exceed $12,000.00.

REQUEST TO PURCHASE CULVERT PIPE: Consideration, discussion and possible approval to purchase culvert pipe to replenish stock in an amount not to exceed $20,000. Included on the on-line agenda for review was the prepared staff report (see attached). Director Kalkoske reviewed the request for the Commission. The following motion was made by Commissioner Evatz and passed unanimously:

To approve the purchase of culvert pipe to replenish stock in an amount not to exceed $20,000.00.

As it was not yet 10:30, Chairman Tipton stated that the Commission would proceed to items 18 and 19 on the agenda.

Chairman Tipton recessed the meeting at 10:24 a.m. reconvening at 10:32 a.m.

10:30 A.M. CITY OF WINNEMUCCA/HUMBOLDT COUNTY JOINT MEETING REGARDING LITHIUM NEVADA'S REQUEST TO PURCHASE/LEASE PROPERTY NEAR REGIONAL AIRPORT FOR TRANSLOADING FACILITY: Present on behalf of the Winnemucca City Council were Mayor Rich Stone, Councilmen Mike Owens, Theresa Mavity, Vince Mendiola and Pam Coats, City Manager Alicia Heiser, City Clerk Ruth Fitzpatrick and City Attorney O. Kent Maher.

CALL TO ORDER: The joint portion of the meeting was called to order at 10:32 a.m. by Mayor Stone.

PUBLIC COMMENT: Mayor Stone asked for public comment; none offered. Mayor Stone noted for the record that Councilman Ashley Maden was present in the audience but would not be participating in this item as she is employed by Lithium Nevada.

City Attorney: Review and discussion regarding authority of the Winnemucca City Council authority and/or Airport Board Authority related to the 177-acre parcel west of the airport. City Attorney Maher reviewed the ownership and the powers that lie with the City as to the sale or lease of property; he continued discussing the authority of the Airport Board noting that they do not have authority over city-owned property, that their authority is primarily over the airport operations but that their function has been primarily advisory. Chairman Tipton asked if the decision is for sale or lease of the parcel. Mr. Maher responded saying that there has been no decision but the discussion by the Council indicates a preference for lease. Commissioner Hill asked for clarification on control/ownership. Mr. Maher responded. Commissioner Evatz asked about the portion under Airport Board authority. Mr. Maher responded. Mr.

UNAPPROVED/UNOFFICIAL

Maher noted that the ownership is via US Patent to the City of Winnemucca as to both the 177-acre parcel west of the airport as well as the airport property in response to a comment by Commissioner Hoss.

District Attorney: Review and discussion regarding authority of the County Commission authority and/or Airport Board Authority related to the 177-acre parcel west of the airport. District Attorney Macdonald stated that he agrees with the City Attorney's assessment and reviewed the process with the obtaining of the property, other jointly acquired properties, the language of the original airport agreement noting that the agreement does not contemplate other commercial properties outside the airport; he noted in what ways County offices may be involved in the acreage such as with Planning and Building & Safety.

Christina Kenison will provide a presentation highlighting concerns of residents related to the proposed transloading facility on the 177-acre parcel west of the airport. Christina Kenison appeared before the Commission. Ms. Kenison reviewed language of the Airport Agreement related to the ownership and management of airport property and the process regarding disposal of property. She continued offering her opinion on the information provided by Mr. Maher and Mr. Macdonald noting that this information provided is wrong and offered her opinion on the actions of the Commission and Council and their responsibility to their constituents, their lack of care or concern which goes against everything that is supposed to happen with airports and their very important responsibility as an airport sponsor; she questioned the legality of the federal grants applied for, commented that the airport is going to be lost as the FAA will pull funding if the Commission/Council goes forward with this proposal and plays these games, that grant assurances have already been broken and the funding will be gone. Ms. Kenison stated that the Commission/Council should be investigated as they are the epitome of corruption and anyone on these boards who goes forward with any of this is just as culpable and this is absolutely disgusting; she continued commenting on the joint powers set forth by state law and how that cannot be separated; that the City has sucked away all the power of the airport board and made the airport into something it was never supposed to be; she continued commenting on the information provided by the attorneys, the risk as to the citizens and that they are not going to stand for this and her opinions of the actions of the Council and Commission. Commissioner Hoss offered comment stating that what Ms. Kenison has been saying is the law, it's all been researched and he has seen all of it; he noted the comments offered by Mr. Wigglesworth this morning showing that the Airport Board is not just advisory, that they have the final say on what goes on at the airport; that the purchase of the property was done through three different entities, of which one is the county, so that is a joint venture so it is not owned by the City, it is owned by the three entities; that he thinks some outside attorneys should be brought in to help with this; that a portion of what is being requested infringes on the runway therefore according to the FAA rules and regulations that is not

UNAPPROVED/UNOFFICIAL

kosher so what Ms. Kenison spoke to about funding being taken away from the airport could easily come about noting that state regulations and revised statutes say that; he commented on the need for the airport for medical transport as an example of how important the airport is to the community stating that what has happened from 1964 on was to ensure that we had an airport here with FAA backing and that this proposed transloading facility will put that at risk because of hazardous materials; that the people of the community do not want this at the airport as it is too dangerous and noted what had occurred in Ohio; he continued commenting on the danger of the facility. Ms. Kenison noted that there is an elementary school downwind from the site. Commissioner Evatz commented on the lack of trust in the legal representation the County and City which seems to be the main issue for decision making authority and questioned what needs to be done to get over the hump; he commented that the land ownership is not overly complicated and explained. Ms. Kenison noted that she had asked for a third-party audit as the so-called experts are not being truthful. Commissioner Cerri commented that the Commission has to follow legal advice from their legal counsel or the Board is in trouble and if the legal is wrong, they are in trouble so he has to rely on them when they say the property is in the City's name. Ms. Kenison responded that all property does go into the City's name but decisions are to be done jointly unless the agreement is voided plus the FAA must be involved and approve; she noted that the individual speaking for the FAA is not a staffer but a hired consultant. Commissioner Hill offered comment on what his position as Commission is for and noted he would be in favor of making sure that they are not doing anything illegal so would support finding an independent counsel to look at the facts. Mayor Stone commented that when the acreage was not bought for airport purposes it was bought by three entities for economic development and the purpose was for a transloading facility. Discussion ensued.

Presentation by Mike Dikun, Chris Nocks and Justin Pietz, Armstrong Consultants, to provide information related to the Winnemucca Regional Airport's Airport Layout Plan (ALP) and general overview of the FAA approvals that may be required for the proposed transloading facility on the 177-acre parcel west of the airport. Mike Dikun, western territory manager for Armstrong Consultants appeared before the Commission and began by explaining the FAA's purpose and goals and stating that, in the FAA's eyes, the City of Winnemucca is the sponsor of the Airport; he continued discussing the master plan process for the airport layout including what is assessed, how the plan is redefined over the years, how the 177-acres are viewed by the FAA as non-aeronautical, the process to this point on the review process and the FAA's determination that the use of the land does not lie with them but with the City; what the next steps will be in the process, if the decision is made to lease the land, but noted that the FAA's determination cannot be determined since there is not an actual proposal at this time; he commented that the FAA

supports/encourages revenue generation on airports so they become self-sufficient. Mr. Dikun responded to questions put forth by members of the City Council, County Commission and Ms. Kenison.

Presentation by Jack Cohen, Savage Services, regarding the proposed construction and operation of the transloading facility on the 177-acre parcel west of the airport, including the emergency response plan for the facility. Appearing before the Commission and Council on half of Savage Services were Phillip Hoskins, Vice President of Business Development, Jack Holmes Senior Vice President Manager of sulfur related businesses, Jeff Hymas Director of Public Affairs and Michael Atherly, Senior SH&E Manager. Mr. Hoskins offered comment on what Savage Services is and what industries they serve. Mr. Holmes reviewed Savage's experience and qualifications related to sulfur, the proposal for the transloading facility, the volumes of chemicals to be handled, spill prevention plans and controls, sulfur fire prevention and management including response procedures, training and coordination including equipment consideration and coordination with local emergency response agencies including local fire districts. The representatives from Savage answered questions from the Commission and Council members.

Chairman Tipton recessed the meeting at 12:52 p.m. reconvening at 1:02 p.m.

Presentation by Glenn Miller, Co-Chair, Emeritus Professor, Natural Resources & Environmental Science Office, University of Nevada-Reno regarding Sulphur and other chemicals or materials that will be handled at the proposed transloading facility at the 177-acre parcel west of the airport. Glenn Miller appeared before the Commission and Council via Teams. Mr. Miller set froth his background and discussed the risk factors associated with the components which are very common in the mining industry and which may be present at the site including sulfur. Mr. Miller responded to questions put forth by members of the Commission, the Council and Ms. Kenison.

Presentation by Peggy Buhay, Government Affairs, with Union Pacific Railroad regarding Union Pacific operations related to the transportation of chemicals across its rail system and its safety record. Peggy Buhay, Senior Director of Public Affairs with Union Pacific Railroad, appeared before the Commission and Council via Teams. Ms. Buhay gave a general overview of transportation and safety including the Union Pacific System, facts related to Nevada, safety priorities including hauling hazmat, shippers and regulations, inspection requirements, hazardous material management and response. Ms. Buhay answered questions from members of the Council and Commission.

Presentation by Mark Wooster, Nevada Department of Transportation (NDOT) regarding current and future traffic loads on US95 and the impact of additional traffic created by the proposed Lithium Nevada transloading facility on Interstate 80, US 95 and in the City of Winnemucca. Mark Wooster, Traffic Forecasting and Modeling Supervisor with NDOT, appeared before the Commission. Mr. Wooster

UNAPPROVED/UNOFFICIAL

discussed the comparison done for US 95 showing a negligible impact and that US 95 could accommodate that; he continued reviewing transportation numbers on Reinhart including the bridge, US 95, the East Winnemucca exit, what latent compacity means, how truck climbing lanes and speed limits are determined, concerns about lack of passing lanes, what is the capacity at currently and what amount would be needed for major improvements, how capacity is determined, what is used to determine the need for improvements for roads, current issues with truck traffic on US 95 and the concern related to that, ability to rely on the State to maintain the roads, safety concerns on the Kings River Valley Road to include pull-offs for repair and that no chain-up areas are currently available,

Public Comment: Chairman Tipton asked for public comment. Roberta Rothwell appeared before the Commission commenting that all the presenters today do not live here, they are making their companies and the process and things sound really good because that is the best foot forward, other areas did not expect issues; she voiced her issues with the proposal including road blockages, possible chemical spills impact on the ground water, wind issues, train derailments and issues caused in other areas; she stated her opposition to Lithium Nevada.

Debra Gay appeared before the Commission and offered public comment indicating issues with the number of trucks being proposed and the incorrect numbers being provided, noting that Savage will not stay and run the facility and her concerns with that, her concerns about information being provided as to the containment system, the increase in truck traffic and train traffic and the impacts and that the City does not care about the county residents.

Jamie Nicotera appeared before the Commission and offered public comment stating that the residents don't want it, that it has already diminished property values, that she couldn't sell now if she wanted to, that this is her life they are playing with, that she supports growth but there are a lot of places that are safer for this facility, she noted concern with elementary school and the risks posed to it and the students, concerns with the impact on medical transport out of the airport, crop impact and the impact on US 95; she asked the boards to consider the impact on the community and asked not to change the shape and our quality of life.

Zerella Buttars appeared before the Commission and offered public comment asking that a decision be put off to allow for a third-party audit, to have a risk assessment done and not rush this decision.

Jace Billingsley appeared before the Commission and offered public comment on his concerns with the impact on US 95 asking who will help him clean up the bodies of family and friends who travel the road regularly; he continued offered public comment on the importance of the issue and about concerns with lithium mining and its impacts on communities and land and the consequences we will see if the green

UNAPPROVED/UNOFFICIAL

agenda continues to infiltrate Winnemucca including comments on extraction companies associated with green energy and their failures to local communities, their depletion of natural resources, overwhelmed habitats and created human rights atrocities in other countries; that if this is approved the Commission/Council say they approve of these acts; he offered comment on the impact of this type of decision on the youth and future generations.

Tim Crowley, with Lithium Americas, appeared before the Commission and commented on Lithium Nevada's plans including the location, its ownership, the plan to move cautiously and carefully so as to not make mistakes, he discussed the transloading facility and what is needed for the site, how the train traffic will move, that there will be two phases permitted, the benefits of the airport site from an economic and a business standpoint, that they went to the best company to design, that they do not intend to sell sulfuric acid, road repairs needed and safety concerns including work that is ongoing with NDOT including improvements at the intersection of 293 and 95; he thanked the Commission and Council for the hearing today noting the company's full-time presence in the community and the ability to always contact them. Questions came from the audience to Mr. Crowley; he responded. Ms. Nicotera asked questions of Mr. Crowley and he responded.

Christina Kenison appeared before the Commission and offered public comment that from all that has been heard there are no benefits for the County residents, there are lots of downfalls, that in weighing the pros and cons, it makes lots of sense for Lithium Nevada and none for the county or city.

Susan Frey appeared before the Commission and offered public comment reviewing the time-line of the land purchase and the county's involvement up to this point including funding observing that when it comes time to actually make a lease or sale and entertain those potential users the City says this is our land and our decision alone so it seems a little disingenuous to take the County's money but not to offer input on the decision; she urged the Commissioners to put themselves in the shoes of 2008 and ask why anybody agreed to go ahead and purchase land for $55,000.00 plus and then not have any say in what would happen so she urged the Commission to correct that going forward especially in relation to areas owned by the City but populated by county residents who voted for you.

Jim Billingsley offered public comment noting his prior comments regarding outside influences coming into our community and trying to change it; he stated his thanks for this informational meeting and commented on his concerns with the lithium mine noting that this is mostly a BLM project and his feelings that the County and City have been left out of the discussion and decisions; that he does not believe anyone can argue that the County and City will be changed and less safe with this project and that there will be an extreme environmental impact to Thacker Pass; he spoke to his concerns with the long term

UNAPPROVED/UNOFFICIAL

problems that the far left push for green energy and that agenda will have on America; he stated the need to say no to the transloading facility and the need to stand up for Winnemucca and Humboldt County and protect our way of life for future generations.

Patrick Schommer offered public comment as to the importance of the growth and that not all are opposed to this project; that the focus should be on regulation and that things are done right.

No further public comment offered.

Manager Mendiola offered comment on what had occurred with the senior housing situation. CHAPTER 2
HUMBOLDT COUNTY NATURAL RESOURCE PLANNING AND REVIEW PROCESS

12-2-1 : NATURAL RESOURCE MANAGEMENT PLANNING INTENT, POLICY AND OBJECTIVES:

(A) This Natural Resource Management Planning and Review Process is hereby established to protect the natural resources of Humboldt County for future generations as well as to protect the economic and cultural stability of Humboldt County for present and future generations.

The intent of the Humboldt County Board of Commissioner, in adopting this Chapter, is to promote the stated purposes and philosophy, "to declare a policy which will encourage the productive and agreeable harmony between man and his environment; to promote efforts which

DRAFT

will eliminate damage to the environment and biosphere and stimulate the health and welfare of man....."

DRAFT

(See 42 USC 4321).

The Natural Resources Management Advisory Commission will promote natural resource management and planning of private and public lands, to maximize social and economic contributions to the nation's well being, in an environmentally sound manner. Therefore, the purpose of this Chapter is to create an Humboldt County environmental planning process which will:

1. Protect the customs, culture, and economic stability of Humboldt County.

2. Ensure that Humboldt County participates with local, state and federal government agencies and organizations to the full extent allowed by existing laws in joint planning for proposals on private and public lands within the County.

3. Ensure full mitigation of adverse effects of environmental decisions to Humboldt County and its citizens.

(B) Joint Natural Resource Management Research: The Humboldt County Board of Commissioners intends to enter into joint research and studies with the local, state and federal agencies. The purpose of joint research and studies will be to develop a coordinated approach to natural resource management through:

1. Promoting understanding of "like values" or the customs and culture of Humboldt County.

2. Identifying outputs/products requirements for improving natural resource conditions and trends, and for protecting the community and enhancing the economic stability of the County.

3. Coordinating the development of natural resource management approaches for preferred management alternatives in the planning process.

(C) POLICY and OBJECTIVES: It is the policy of the Humboldt County Board of Commissioners that all proposals regarding natural resources of private and public lands which will adversely affect the quality of both the physical and socioeconomic environment in Humboldt County, should henceforth comply with the requirements of local, state, federal laws and regulations.

The Humboldt County Board of Commissioners has identified the following primary objectives for environmental planning and review within Humboldt County:

1. To disclose to the public and to local, state and federal authorities the significant environmental effects of proposed private and government actions on the physical environment and the customs, culture, property rights, and economic stability of Humboldt County.
2. To identify means to mitigate or eliminate adverse impacts to the above.

DRAFT

3. To minimize injury to the physical and socioeconomic environment by promoting feasible alternatives or mitigation measures.

DRAFT

4. To encourage intergovernmental coordination and joint participation in the environmental planning and review process in Humboldt County.

5. To encourage public education and participation in the environmental review process.

6. To plan and manage natural resources consistent with environmental and community standards.

12-2-2 : JOINT NATURAL RESOURCE MANAGEMENT PLANNING; HUMBOLDT COUNTY AS COOPERATING AGENCY:

Humboldt County's economy is dependent upon natural resources to a major extent. It is therefore advantageous that local, state, and federal agencies work closely together to jointly determine the benefits, impacts, and costs of resource plans and decisions. By pooling local, state, and federal resources, the general public will be better informed about resource decisions. Joint planning and coordination will also provide a unique opportunity to cooperatively develop realistic mitigation alternatives for redressing negative environmental, social and economic impacts. Humboldt County has and shall continue to implement coordination agency status on a permanent basis and may implement cooperating agency and/or lead agency status on a selective determined basis on federal land use actions. The Natural Resource Management Advisory Commission should refer extensively to the 2008 Humboldt County Public Lands Policy Plan, or updates thereof, for Humboldt County Board of County Commissioners' policy statements regarding public land guiding principles relating to Humboldt County. The Humboldt County Nevada General Open Space Plan, 2003, Humboldt County Planning and Zoning, or future updates, should also be used broadly for policy reference.

The procedures and guidelines of this Humboldt County Natural Resource Management Planning and Review Process Ordinance shall be consistent with the requirements of local, state and federal laws and implementing regulations. Furthermore, in the event that an environmental assessment and/or an environmental impact statement is required by both the Humboldt County Ordinance and NEPA, such documents may be coordinated and jointly prepared by the Humboldt County Board of Commissioners and the State or Federal agency.

The legal authority for this Chapter is derived from state and federal statutes. The joint intergovernmental planning and coordination requirements of this Chapter are consistent with the requirements of NEPA and CEQ regulations (See 40 CFR 1506.2(b)) as follows:

Joint Environmental Planning
Joint Environmental Research
Joint Public Hearings
Joint Preparation of Environmental Documents

(A) Joint Natural Resource Management Planning: Upon invoking the joint impact assessment process, the Humboldt County Board of Commissioners may, as it deems necessary, enter into a Memorandum of Agreement (MOA) for joint planning and preparation of joint

impact

DRAFT

assessment documents, including procedures for designating Humboldt County as a joint lead agency in the state and federal natural resource assessment process and in the development of environmental impact statements.

The MOAs shall be in full conformance with the requirement of this Chapter. All government agencies and organizations shall notify the Humboldt County Board of Commissioners immediately upon initiation of any proposal or planning activity that may affect natural resource and human environment in Humboldt County. In Humboldt County, joint natural resource management planning should be conducted in the following sequence to ensure that all planning and proposals are formulated and/or evaluated against appropriate and realistic objectives:

1. Establish management objectives in terms of the natural resource and human environment for the site impacted. These will be determined through review of local, state, federal and county land use plans for consistency. This definition of objectives should include the commodity and amenity outputs or production thresholds needed to achieve the values the citizens of the County have determined to be important or necessary to their well being.

2. Design "desired future conditions" to best meet the above determined management objectives within the physical capabilities of the natural resources and environment.

3. Utilize an ecosystem management approach to evaluate any single proposal. That is, all uses, management objectives, socioeconomic effects, customs and culture, and environmental capabilities will be considered.

12-2-3 : JOINT NATURAL RESOURCE MANAGEMENT AND ENVIRONMENTAL IMPACT ANALYSES; HUMBOLDT COUNTY AS JOINT LEAD AGENCY:

In accordance with NEPA (See 42 USC 4331(B) (2)-(4), 4332(2), 40 CFR 1502.14, 1506.2), Humboldt County may seek active participation in the management of public lands as a joint lead agency when the Humboldt County Board of Commissioners determine that the proposed agency action may affect the County's interests as a whole. Once Humboldt County is designated as a joint lead agency regarding a specific land use proposal, the local, state and federal agencies should work jointly with Humboldt County to conduct natural resource impact analyses of the proposals and reasonable alternatives for both the physical and the socioeconomic environment.

The following methods should be followed in a coordinated manner to conduct inter-governmental joint environmental assessments and joint environmental impact statements. There are three (3) classes of environmental analyses which Humboldt County may wish to participate in and/or respond to: informal letters (sometimes referred to as decision memos), environmental assessments and environmental impact statements.

(A) Preliminary Review - Informal Letters: Informal letters should be used to document preliminary discussions and decisions of proposals categorically excluded from NEPA assessments, and for planning activities establishing or refining management objectives, desired future conditions, or identifying or rejecting future management needs or proposals. The activities appropriate to informal letters are usually those preceding formal proposals requiring NEPA analyses.

DRAFT

(B) Environment Assessment (EA): An EA should be prepared at the request of the Humboldt County Board of Commissioners when there is an indication that the environment (physical, social, cultural, property rights, and/or economic factors) will be affected by proposed Federal agency(s) actions. The EA is found in the CEQ regulations of NEPA. (See 40 CFR 1501.3). There is no standard format required, but the EA should include the following information:

1. Proposal description
2. Environmental setting
3. Local citizens' values and management objectives
4. Production norms for the area(s) involved
5. Potential natural resource and environmental impacts
6. Alternatives (if appropriate)
7. Mitigation measures
8. Consistency of the proposal with the Humboldt County Federal Land Use Plan.

(C) Environmental Impact Statement (EIS): (See 40 CFR 1502-1508.2). Based on findings documented in an EA, the Humboldt County Board of Commissioners shall make its determination whether to request a more formal and detailed EIS. The EIS should be developed jointly by the Federal agency(s) and by Humboldt County, as a joint lead agency, as provided by NEPA and CEQ regulations. The "affected environment" encompasses the human environment as described in the NEPA and CEQ regulations.

"Human environment" should be interpreted comprehensively to include the natural resources and natural physical environment and the relationship of people with that environment. When an environmental impact statement is prepared and economic or social and natural or physical environmental effects are interrelated, then the environmental impact statement should discuss all of these effects on the human environment.
Since the majority of the land in Humboldt County is public land, and the County's natural resources including, but not limited to industries, agriculture, mining, recreation and wildlife are tied to public lands, all "economic or social and natural or physical environmental effects" are interrelated.

(D) The purpose of Joint Natural Resource Management and Environmental Impact Analysis is to:

1. Identify the significant effects of a proposal on the natural resources and environment (natural, social, cultural, property rights, and economic factors).

2. Identify reasonable alternatives to the proposal when there is a negative affect, especially on the natural resources, health, safety, welfare and livelihood (economic welfare) of County citizens.
3. Indicate the manner in which those significant effects can be mitigated or avoided. The EIS will assess cumulative impacts along with the direct effects and their significance and indirect effects and their significance of proposed actions in accordance with NEPA and CEQ regulations. Also, in accordance with NEPA requirements, the EIS should consider all reasonable alternatives to the proposed action with the goal of finding the alternative with the least adverse

environmental impact in relation to its benefits.

DRAFT

(E) Information developed in an individual EIS should be incorporated into a database, which can be used to reduce delay in preparation of subsequent environmental impact reports as follows:

1. Purpose and Need for Action: A brief statement of the underlying purpose and need which has brought about the proposal and the alternatives.

2. Description of the Proposal: A summary description of the proposal. Where an EIS is required for allotment management plans, the proposal and alternatives will be grazing management concepts and application of best management practices.

3. Affected Physical and Socioeconomic Environment: The environmental setting, both physical and socioeconomic, which will be affected or created by the proposed alternatives.

4. Management Objectives for the Affected Area: The management objectives for the planning process which take into account the human environment, socioeconomic needs, and production thresholds necessary for realization of such values which are important to people of the County. These management objectives and production levels will then become the goals and evaluation criteria against which all proposals and alternatives shall be evaluated.
The management objectives shall be drawn from reviews of Humboldt County and various local, state and federal land management plans. Since most of these land plans are programmatic and broad in scope, the management objectives may have to be refined specific to the affected area or site.

5. Natural Resource and Environmental Impacts: A concise description showing the affects of the proposal on both the physical and socioeconomic environment, including current and desired future conditions of the area.

   (a) Assessment of Impacts on the Natural Resource and Physical Environment: A description of any effects on the County's natural resource assets and environmental quality to include effects on:

   (1) Mining resources.
   (2) Range resources.
   (3) Dry land crops.
   (4) Watershed resources.
   (5) Public and Private Recreation resources.
   (6) Wildlife
   (7) Private surface and ground water rights and irrigated cropland.
   (8) Environmental quality: air, water (including surface and ground water), energy, soils, etc).
   (9) Integrated resource planning and management in which County private parties and/or public interest are involved.
   (10) Multiple use, sustained yield, and range resource laws.
   (11) Private investments and costs into public land resources.

(b) Assessment of Impacts on the Social Environment: A description of any effects on Humboldt County's natural resources, culture, governance, schools, and other local programs including effects on:

(1) The culture of Humboldt County due to population loss.
(2) The culture of Humboldt County from possible limitations and restrictions on cultural beliefs and practices, and maintenance of cultural and community cohesion and kinships.
(3) Cultural and community aesthetics, including historical sites, natural resource vistas, river ways, and landscapes.
(4) The County's ability to protect the health, safety, and social and cultural well-being of its citizens.
(5) The County's ability to promote environmental value and resource protection and development.
(6) The County's ability to finance public programs and services through bonding, lending, and other financing mechanisms.
(7) Local governments (e.g., cities, towns, and county) and schools from identified tax revenue losses.
(8) Local emergency medical services, law enforcement, fire protection and nuisance abatement.
(9) The local government infrastructure, including transportation, community water systems, (including those provided through irrigation and reclamation districts), and landfill services.
(10) Local community well-being, stability of governance, and the education of children from cumulative and long-term impacts.

(c) Assessment of Impacts on the Economic Environment: A description of any effects on the County's economy, customs, services, and businesses to include effects on:

(1) Private investment backed expectations.
(2) The economic value of private water rights and real property.
(3) Direct, indirect and cumulative employment.
(4) The base industries of livestock and mining-specifying unit cost effects (e.g., economic value of AUMs, mining activities, etc.).
(5) Local businesses directly and indirectly related to the resource decisions or plans.
(6) Housing, real estate values, and residential energy needs.
(7) Thresholds for business demand and markets.
(8) Local community well-being, stability, and ability to maintain current and future debt service by long-term and cumulative impacts.

(d) Assessment of Cumulative Effects: An analysis of the effects of planning decisions should be conducted to ensure that there are no cumulative, long-term effects on the County's natural resources, economy, customs, culture, services, and businesses, as well as the environment.

DRAFT

One of the primary reasons for enacting the procedures contained in this Chapter and the commitment of County natural resources for the development of accurate data is to assist state and federal agencies to s systematically identify both present and cumulative impacts associated with their actions and to develop effective and feasible mitigation measures and alternatives so that these adverse impacts may be eliminated or substantially reduced or compensated.

6. Alternatives: A description should be made of the natural resources and environmental impacts of the proposal and the reasonable alternatives in comparative form which will provide a clear basis for choice among the options by the decision makers and the public, in accordance with NEPA and CEQ regulations (See 40 CFR 1502.14). This section will:

   (a) Provide an objective evaluation of all reasonable alternatives and a decision of why any alternatives were eliminated.

   (b) Provide a detailed description of each alternative, including the proposal, so that reviewers may evaluate their comparative merits.

   (c) Include reasonable alternatives not within the jurisdiction of the lead agency.

   (d) Include the alternative of no action.

   (e) Identify the preferred alternative or alternatives.

   (f) Include appropriate mitigation measures not already included in the mitigation plan.

7. Natural Resources Mitigation Plan: A mitigation plan is needed which will provide detailed and realistic alternatives. The mitigation plan should:

   (a) Identify each impact which the mitigation measure is intended to address.

   (b) Identify the party or agency responsible for the implementation and monitoring of the proposed mitigation measure.

   (c) Specify the following for each mitigation alternative:

   (1) How impacts may be avoided altogether by not taking certain actions.
   (2) How impacts may be minimized by limiting the degree or magnitude of the proposed action.
   (3) How impacts may be rectified through repair, rehabilitation, or restoration of the affected environment.
   (4) How impacts may be reduced or eliminated over time through preservation and maintenance action during the life of the action.
   (5) How the agency could compensate for the impact by providing substitute resources of equal economic value.

(d) Specify, for each mitigation measure, its:

(1) Legal authority.
(2) Technical feasibility.
(3) Fiscal and economic feasibility.
(4) Social, cultural and political feasibility.

(e) Provide a mitigation monitoring plan, which is based on specific objectives and performance standards, to ensure implementation of mitigation measures during the life of the proposal.

(f) Provide all pertinent information to the Natural Resource Management Advisory Commission and Humboldt County Board of Commissioners from the mitigation monitoring process.

8. Public Involvement Requirements: During the preparation of an analysis for a decision document, or amendment to a proposal, Humboldt County, local, state and the federal agencies should jointly provide opportunities for the involvement of Humboldt County citizens, local governments, schools, utility companies, civic or other community groups, and all economic segments within Humboldt County. This shall be done through public hearings and other means the Humboldt County Board of Commissioners deems appropriate. The joint public involvement program should have the following elements:

(a) Local, state and federal agencies should be encouraged to coordinate joint public involvement planning, programs, and processes with the Natural Resource Management Advisory Commission and Humboldt County Board of Commissioners, pursuant to this Section of the Humboldt County Natural Resource Planning and Review Chapter.

(b) The public involvement program shall include objectives to:

(1)Identify the management objectives, affected parties, and opportunities of the proposed action.
(2) Apprise land owners of regulations and decisions that may affect their property rights.
(3) Provide public opportunities to evaluate alternatives and to participate in choosing the preferred alternative.
(4) Create an atmosphere in which conflicting demands for resources and uses can be resolved without destabilizing community economic, social, and/or cultural fabrics.

12-2-4: IMPLEMENTATION OF THE NATURAL RESOURCE PLANNING AND REVIEW PROCESS:

In addition to the procedures contained in this Chapter, the Humboldt County Board of Commissioners may:

DRAFT

(A) Adopt such administrative rules and oversight guidelines deemed necessary to carry out this Chapter.

(B) Develop such natural resource best management practices, related cooperative agreements, memorandums of understanding, joint policy statements, and joint letters of intent with appropriate state and federal agencies, so that the goals and objectives of this Chapter may be carried out.

12-2-7: SEVERABILITY:

If any section, subsection, sentence, clause, phrase or portion of this Chapter or the application thereof to any person or circumstances is declared invalid or unconstitutional by the decision of a court of competent jurisdiction, the remainder of this Chapter shall be severed therefrom and shall remain in full force and effect.

CHAPTER 3
NATURAL RESOURCES MANAGEMENT

12-3-1: NATURAL RESOURCES MANAGEMENT:

The Humboldt County Board of Commissioners has established the issues of natural resource management. The management of the natural resources is imperative to the success and sustained lifestyle historically and currently enjoyed by the general public and visitors of Humboldt County.

As each area of concern is addressed the content will serve as the primary guide for future local, state and federal natural resource management planning within Humboldt County.

12-3-2 : CUSTOM AND CULTURE:

The County recognizes that private ownership leads to the greatest natural resource enhancement. Private ownership means individual responsibility and stewardship.

12-3-3 : COMMUNITY STABILITY:

Federally managed lands make up the majority of Humboldt County land. Humboldt County's economy is dependent on business and recreational activities on these federally managed lands. Many of the activities on federally managed lands are inseparably tied to the small fraction of private lands in Humboldt County. The nature and intent of Humboldt County government natural resource management and land use planning is to protect the custom and culture of County citizens through protection of private property rights as well as the right to use federally managed lands for recreational and economic purposes.

12-3-4 : TAX BASE:

DRAFT

It is critical to the well-being of the citizens of Humboldt County that the Humboldt County Board of Commissioners remain vigilant over the federal government "in lieu of" tax revenues, or PILT, coming to the State of Nevada and to Humboldt as well and interactive concerning the implementation of best management practices of all natural resources. All factors of natural resource management will potentially affect the Humboldt County economy and Tax Base.

12-3-5 : WATER RIGHTS:

In the arid West, it is recognized that of all of our natural resources, water is the most important. Proper use and conservation of water is critically important to the general health and well-being of the people of Humboldt County.

(A) The Humboldt County Board of Commissioners identify and adopt the guidelines, policies and objectives for the natural resource management of surface and ground water in Humboldt County as per the Humboldt County Water Resources Management Plan:

1) All water resources of Humboldt County belong to the public and are managed by the State of Nevada Division of Water Resources, the State Engineer and Nevada Revised Statutes chapters **533** and **534**.

2) Water resource needs of the current and future of Humboldt County residents must be managed with a balanced approach that provides for Humboldt County's economic goals without detriment to the social, aesthetic, cultural, recreational, individual and ecological values of Humboldt County.

3) The appropriation and beneficial use of Humboldt County's water resources is administered by the Nevada State Engineer in accordance with the requirements and provisions of Nevada Water Law and by state and federal decrees and regulations.

4) Public education and public input is imperative to the success of water resource management planning and all units of local government.

5) Water rights in Nevada are private property and may be bought, sold and traded under free market conditions.

6) Humboldt County, in filing for ground and surface rights within the Humboldt County Boundary is only interested in augmenting and enhancing the water resources for Humboldt County citizens and the economic diversity.

7) All water resource development in Humboldt County should be conducted in a manner that is technically, environmentally and economically sound and consistent with state and federal laws.

8) Water conservation and re-use methods are important components of the planning and management of Humboldt County water resources.

9) The Humboldt County Water Resource Management Plan must be based on sound science and water resource evaluation and management principles.

DRAFT

10) Water Rights applications, appropriations, transfers and amendments are to be monitored and recorded in a County database.

(B) The Humboldt County Board of Commissioners reaffirms the Prior Appropriation Doctrine as recognized by Nevada State Law, that the right to appropriate water is a primary property right open to individuals and groups of individuals, such as local government. That the key principles of the Prior Appropriation Doctrine (as represented in Nevada's water law) shall remain first right, first use, beneficial use, and point of diversion.

12-3-6 : MINING:

It is imperative to the well-being of Humboldt County and the nation that mining on private and federally managed lands remains open to the public. It is clear that mining claims are property belonging to individuals or groups of individuals, as has been traditionally established. Such as the Analysis of Economic and Occupational Skill Impacts of the Hard Rock Mining Sector on the Humboldt Micropolitan S.A. Economy, 2008, by Dr. Thomas R. Harris of UNR, or future updates, and An Analysis of the Economic Impact of the Hard Rock Mining Sector on the Humboldt County Economy, 2007, or future updates, the Humboldt County Public Land Use Policy Plan and other existing and future studies and documents should be requested for inclusion of all federal land use actions regarding the mining industry. It should also be used as a reference for social, culture and economic impacts of the mining industry by the natural resource management advisory commission.

Humboldt County supports:

(A) Retention of and compliance with the 1872 Mining Law.

(B) A review of new legislation and regulations that would place more stringent controls upon the mining industry.

(C) Unreasonable legislation and regulation which burden our mining industry will be vigorously opposed by Humboldt County.

12-3-7 : AGRICULTURE:

Humboldt County recognizes the importance of agriculture, particularly the traditional family farms and ranches that have played such an important part in the social and economic well-being of our nation. Humboldt County also recognizes how increasing governmental regulations are gradually reducing and eliminating farms and ranches. The natural resource management advisory commission should broadly utilize studies and document such as the Analysis of Impacts of Public Land Grazing on the Humboldt County Economy and Mountain City Management Area, 2007, by Thomas R. Harris of UNR, or future updates, for reference of the social, cultural and economic impacts of grazing to Humboldt County, Humboldt County Public Land Use Policy Plan, Humboldt County Open Space Plan and any future studies and documents or updates.
In order to reverse such trends, Humboldt County supports, encourages, and promotes policies that will lead to strengthening and supporting family farming and ranching. Humboldt County

supports and encourages the right to:

DRAFT

(A) Private investment in range improvements. Public land permit holders making investments in range betterment should be given increased grazing capacity or allowed other benefits.

(B) Appropriate and fair fee schedules that reflect all non-fee costs of running livestock on federally managed lands.

(C) Subleasing of grazing rights.

(D) Legislation at the state and federal levels should be reviewed and changed to give incentives to the family-based farming or ranching business.

12-3-8 : WILDLIFE:

The Nevada Board of Wildlife Commissioners is charged with the direct responsibility under law to set policy and adopt regulations. The Board of Wildlife Commissioners has the responsibility to monitor and prevent NDOW employees within the Department from pursuing their own agenda.

(A) The Board of Wildlife Commissioners through public hearings, input from the Humboldt County Advisory Board to Manage Wildlife (ECABTMW) and the open meeting process, may set policy after review and consideration of all pertinent documentation impacting wildlife and wildlife resources.

(B) Humboldt County's ECABTMW and Humboldt County's Natural Resource Management Advisory Board will monitor all policies and regulations to ensure their conformity to this plan and direction as set forth by the Board of County Commissioners and the NDOW Board of Wildlife Commissioners.

(C) Any Management Policy or NDOW Regulation must be responsive to recommendations of the ECABTMW, Sportsmen and the Board of Humboldt County Commissioners.

12-3-9 : RECREATION:

Recreation is critically important in our society. The open lands and outdoor recreational opportunity found throughout the western states shall remain among our greatest assets. We prize the opportunity and freedom these lands provide.

Humboldt County shall promote, actively monitor and be engaged in providing the opportunity for the development of private and public lands based recreation within the County through land use planning on private lands and the use of Recreation and Public Purpose leases on federally managed lands. The County also promotes the continued use of passive, active, dispersed and multiple recreation uses of federally managed lands.

Humboldt County shall promote and actively monitor and be engaged in providing the opportunity for the development of water-based recreation within the County, such as the

DRAFT

provided by the

DRAFT

numerous man made public reservoirs and natural lakes in the county. It is the policy of Humboldt County that customary use, access and enjoyment of the federally managed lands are to be protected.

Recreation is identified as a natural resource in Humboldt County. All aspects and uses of recreation on private and public lands in Humboldt County are to be managed using best management practices to conserve and protect the right of use of recreation on such lands. All active private and public recreation is to be identified and monitored by the natural resource management advisory commission.

12-3-10 : PUBLIC and PRIVATE UTILITY ACCESS:

Humboldt County supports individual citizens' acquisition of easements and rights of way for roads, ditches, pipelines, canals, power lines, telephone lines and stock driveways. Humboldt County also supports the protection of those rights over federally managed lands or privately owned lands that are vested and accrued through past usage and prescriptive uses prior to the passage of the Federal Land Policy and Management Act of 1976.

12-3-11 : PUBLIC LAND DISPOSITION:

The Humboldt County Board of Commissioners formally requests that all local, state and federal agencies notify the Humboldt County Board of Commissioners of any planned action that might affect the natural resources and economic or recreational uses on local, state or federal lands by the citizens of the County.

Upon receipt of such notice, and after determination by the Humboldt County Board of Commissioners that the activity may be adverse to the citizens of the County, the Humboldt County Board of Commissioners may then request the local, state or federal agency to complete an economic impact study, or the County may institute its own study to review the potential impact before the regulation or activity has begun.

Federal land transfers to local government and municipalities should be given priority consideration. In the event the Federal government acquires land or water rights other than through exchange in Humboldt County, the Federal government should dispose of an equal value or amount of land or water rights to foster private property ownership in Humboldt County.

12-3-12 : PREDATOR CONTROL:

If future generations are to enjoy the abundance of wildlife, as did our generation, and if livestock production is to remain a part of Nevada's industry, it is imperative that sound predator control programs be implemented throughout our State and County.

12-3-13 : COMMENSURABILITY:

It is critically important to the long term well-being of Humboldt County, both ecologically and economically, that base property and commensurability requirements, as traditionally established, remain part of the eligibility requirements necessary for holding grazing permits on

Federal lands.

12-3-14 : RIPARIAN AREAS and HABITAT:

Riparian or wet areas as found throughout our state and federal lands are of critical importance to well-balanced and productive rangeland ecosystems. Although riparian areas make up only a small portion of most allotments, they often support vegetation critical to the survival of various species of wildlife. Public over use and/or overgrazing of riparian areas can, over time, eliminate key plants, such as native rosebush, wild currant, willow, or quaking aspen. Conversely public use or under grazing can quickly lead to congested growth of these same plants, which in turn can greatly reduce or destroy wet meadow areas.

For these reasons, it is important that the local, state and federal management agencies, the general, public grazing permit holders and the natural resource management advisory board work closely with one another in managing riparian areas, utilizing consultation, cooperation and coordination as provided under section 8 of the Public Rangelands Improvement Act of 1978.

Humboldt County Natural Resource Management Advisory Commission is to take an active role in the participation of management practices of riparian habitat and areas. Key partnerships with agencies such as the U.S.G.S., U.S. Forest Service and B.L.M are required to actively monitor and manage the riparian areas. Memorandums of understandings are to be developed between Humboldt County and all agencies involved in the best management practices and establishment of riparian areas.

12-3-15 : WILDERNESS - WILDERNESS STUDY AREAS, WILD AND SCENIC RIVERS, ETC.:

Humboldt County is opposed to the designation of any further wilderness areas, wilderness study areas, wild and scenic rivers, or other single use designations by the federal government.

It takes an act of Congress to designate an area as Wilderness. However, Congress must take the opinions of all American citizens into consideration when debating whether or not to designate an area as Wilderness. Humboldt County must actively monitor and participate in the public review of the designations to protect the public right to utilize the proposed for multiple use.

If the presently designated wilderness areas and wildlife refuges are to remain healthy and productive, it is imperative that grazing, hunting, predator control, and noxious weed control be a part of the management plan.

Key partnerships with agencies such as the U.S.G.S., U.S. Forest Service and B.L.M are required to actively monitor and manage the wilderness, wilderness study areas and wild and scenic river areas. Memorandums of understandings are to be developed between Humboldt County and all agencies involved in the best management practices and establishment of such areas.

12-3-16 : WILD (FERAL) HORSES:

Humboldt County encourages new legislation that will effectively manage wild (feral) horses. Wild horses should be managed by federal agencies to maintain established HMLs in all areas of

Humboldt

DRAFT

County.

12-3-17 : COMMERCIAL / RECREATION HUNTING AND TRAPPING:

Commercial / Recreational hunting and trapping is recognized as an economic component in Humboldt County. The Natural Resource Management Advisory Board will assist the ECABTMW in monitoring activities and decisions of the Nevada Board of Wildlife Commissioners as it governs hunting and trapping resources in Humboldt County. The Natural Resource Management Advisory Board and/or the Humboldt County Advisory Board to Manage Wildlife is charged with the responsibility to notify, in writing, any concerns/decisions not in the best interest of wildlife resources or Sportsmen of Humboldt County to the Board of County Commissioners.

Hunting and trapping are recognized as effective tools to manage wildlife and viable economic factors in Humboldt County.

12-3-18 : PARKS AND REFUGES:

Humboldt County supports the institution of local input in the management of Federal and State parks and refuges within the County.

12-3-19 : PUBLIC ROADS and ACCESS:

Humboldt County supports the rights of the people to travel over and through, state and federally managed lands, for the lawful purposes of economic propriety, private necessity, recreation including but not limited to hunting, fishing, rock hounding, wood gathering, post cutting, and other activities such as snowmobiling.

(A) Except for State and Federal highways, Humboldt County, a political subdivision of the State of Nevada, holds title as trustee for the public to all public roads situated in Humboldt County, of every kind whatsoever and however such roads may have come into being.

(B) Humboldt County will:

1. Oppose closure of any public road except as authorized by this Chapter or Nevada Revised Statute.

2. Maintain the public roads by conventional or other appropriate means, as from time to time authorized by the Humboldt County Board of Commissioners, or designate certain public roads as roads to be maintained only by passage and use without liability to the County, as permitted by the Nevada Revised Statutes.

(C) The Humboldt County Department of Planning and Zoning shall prepare and maintain a map or series of maps showing the location of all Publicly Maintained County roads as herein above described.

(D) The Map of County Roads prepared by the Humboldt County Department of Planning and Zoning, as the same may from time to time be amended, is made a part of this

Chapter by reference. The Map of County Roads may be revised by action of the Humboldt County Board of

DRAFT

Commissioners.

(E) No person or persons shall interfere with the right of the public to travel upon the public roads, except:

1. Public roads temporarily closed by the Humboldt County Board of Commissioners for reasons of public safety. The Humboldt County Sheriff may effect temporary closures for reasons of public safety pending ratification of such action by the Humboldt County Board of Commissioners.

2. Public roads may be closed permanently or abandoned by the Humboldt County Board of Commissioners only after complying with state law.

3. The Humboldt County Board of Commissioners may grant temporary exclusive licenses to use, or place lesser restrictions on the public use of a public road to accommodate mining activity, provided: a) an alternate access route if reasonably available and at the licensee's expense is provided to the areas served by the public road; b) the licensee maintains the public road and returns it to the County at the conclusion of the mining activity in as good or better condition than at the time of the licensing; and c) thirty (30) days' notice is given of the intent to temporarily limit use of the public road for mining activity and holding a public hearing on the proposed limitation(s).

DRAFT

(F) DEFINITIONS As used in 12-3-19, the following terms have the meanings ascribed to them in this Section:

2. COUNTY ROAD: Any public road situated within Humboldt County, except for designated State and Federal highways.

3. HIGHWAY: (A) Modern Usage: Any State or Federally designated road, usually paved or graveled. (B) Traditional (R.S. 2477) Use: Any road, trace, trail, canal, navigable waterway, or other route used by humans for travel by wheeled vehicle, horseback, foot, boat or otherwise. This definition includes all highways established across public land pursuant to the Mining Law of 1866, which was repealed by enactment of the Federal Lands Policy Management Act (FLPMA) in 1976.

4. MAINTENANCE: Includes maintenance, construction, reconstruction and repair of a road by mechanical or other means, including repeated use.

Roads established pursuant to the grant of right of way by the Mining Law of 1866 (R.S. 2477 roads) are public roads.

6. RIGHT OF WAY: The entire fee, easement, licensed or permitted area for a road; the traveled way, together with such adjoining lands as may be required for construction or maintenance of a road.

7. ROAD: Any highway (traditional definition), road, trail, trace, footpath, canal, navigable waterway, or other route, whether constructed or created by repeated use, whether maintained by mechanical means or repeated use, or used by humans for transportation by wheeled vehicle, horseback, foot, boat or otherwise.

12-3-20 : NOXIOUS / INVASIVE WEED & PLANTS:

Humboldt County supports and encourages a better understanding of the destructive nature of noxious and invasive plants and weeds encroachment, and encourages legislation addressing the problem. The Humboldt County Cooperative Weed Management Area coalition, established as a collaborative diverse membership within Humboldt County, shall serve as an advisory board for this commission and also the Humboldt County Board of Commissioners, if requested.

12-3-21 : ENDANGERED SPECIES; WETLANDS AND OTHER FEDERAL LAND

DRAFT

REGULATIONS ACTS:

The Endangered Species Act and the wetlands regulations under the Clean Water Act are proving unworkable in many areas of the nation and are beginning to have a major impact on both private and federally managed lands within Humboldt County. It is the goal of Humboldt County to establish local management plans to lessen the impact of these acts and to closely monitor the effects of these and similar acts on the citizens of Humboldt County. Humboldt County will pursue the modification of these acts so as to make them less cumbersome and restrictive to private property owners/developers and public land managers

12-3-22 FIRE MANAGEMENT

Humboldt County support and encourages a coordinated, collaborative, multi-agency approach to mitigation of the effects of fire management and wildfire use. The Nevada Community Wildfire Risk/ Hazard Assessment Project for Humboldt County, 2005, and subsequent updates identify all communities in Humboldt County and associated risk assessments. These reports should be used for reference regarding priorities and needs for each community, and further for prioritization of communities at risk for mitigation purposes.

FROM: Dave Mendiola, County Manager

SUBJECT: Formation of the Humboldt County Natural Resources Advisory Commission

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:
Humboldt County is challenged annually with any number of issues that impact our natural resources, including public lands, water and wildlife. The Humboldt County Commission has directed the County Manager to begin the process of setting up said Commission.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:
The goal of this agenda item is to have the Commission consider the formation of a Natural Resources Advisory Commission that will meet on a consistent basis and provide advice to the Board of Commissioners regarding impacts of various actions taken by federal and state partners as well as Non-Governmental Organizations.

PREVIOUS ACTION:
N/A

HAS DISTRICT ATTORNEY REVIEWED AGREEMENT/CONTRACT IF APPLICABLE:

AGENDA REQUEST FORM

DATE: April 20, 2023

TO: County Commission

FROM: Dave Mendiola, County Manager

SUBJECT: Consideration of support for Elko County's Common Sense Lands Act

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:
Elko County and other Nevada counties have been lobbying the federal government for many years to transfer public lands to individual counties for the purpose of supporting both economic development and wildlife preservation efforts. This revised bill transfers selected land directly to the counties without consideration. Transferring the land to the counties directly should remove the argument that the state, through legislation passed in 2017, does not want any additional land. Also, this bill stipulates that no land transferred to the counties can be sold unless approved for sale by the various wildlife groups. It also limits transfers to only BLM land. And finally, this bill makes no provisions for wilderness or Wilderness Study Areas, leaving those decisions for future legislation.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:
There is a major push to revisit past efforts to transfer federal lands to local communities.

PREVIOUS ACTION:
The Nevada Lands Task Force, comprised of one county commissioner from each county, met monthly for one year studying the various aspects of a wholesale lands transfer to the state and determined the transfer could benefit the state significantly.

The Task Force voted unanimously to recommend the state pursue a transfer, Senator Pete Goicoechea introduced SJR 1 calling for the transfer in 2015 and it passed the Senate and Assembly and was signed by Governor Brian Sandoval. The bill was introduced in Congress by Representative Mark Amodei as HR 1484. The idea of a transfer to local control has widespread, grassroots support.
We feel the best way to accomplish a lands transfer is through a single bill supported by all 17 counties. H.R. 1484 made significant progress before dying with the 2016 congressional session. The various individual county bills currently before Congress also have done well, but we fear they will die with the end of this session. We would like all of us to unite behind a single bill and see if we can push it through with our collective efforts.

HAS DISTRICT ATTORNEY REVIEWED AGREEMENT/CONTRACT IF APPLICABLE:
The Language for this bill has been forwarded to the DA's office for review.

FISCAL IMPACT IF APPLICABLE:
No impact expected at this time.

Dear Commissioner Evatz:

Enclosed is a copy of a bill we have prepared that merges the various lands bills already submitted and addresses the concerns directed at previous transfer efforts.

Specifically, this bill transfers selected land directly to the counties without consideration. Transferring the land to the counties directly should remove the argument that the state, through legislation passed in 2017, does not want any additional land. Also, this bill stipulates that no land transferred to the counties can be sold unless approved for sale by the various wildlife groups. It also limits transfers to only BLM land. And finally, this bill makes no provisions for wilderness or Wilderness Study Areas, leaving those decisions for future legislation.

By way of a reminder, the Nevada Lands Task Force, comprised of one county commissioner from each county, met monthly for one year studying the various aspects of a wholesale lands transfer to the state and determined the transfer could benefit the state significantly.

The Task Force voted unanimously to recommend the state pursue a transfer, Senator Pete Goicoechea introduced SJR 1 calling for the transfer in 2015 and it passed the Senate and Assembly and was signed by Governor Brian Sandoval. The bill was introduced in Congress by Representative Mark Amodei as HR 1484. The idea of a transfer to local control has widespread, grassroots support.

We feel the best way to accomplish a lands transfer is through a single bill supported by all 17 counties. H.R. 1484 made significant progress before dying with the 2016 congressional session. The various individual county bills currently before Congress also have done well, but we fear they will die with the end of this session. We would like all of us to unite behind a single bill and see if we can push it through with our collective efforts.

Please review the enclosed bill and schedule it on a future agenda.

Sincerely,

Rex Steninger, Chair

115th CONGRESS

SESSION

H.R.

To direct the Secretary of Agriculture and the Secretary of the Interior to convey certain Federal lands to Elko County and other willing Counties of Nevada to ensure continued access, growth and other purposes

IN THE HOUSE OF REPRESENTATIVES

MONTH ##, ####

[Congressman] introduced the following bill

A BILL

To allow counties to select certain federal lands as needed and as often as needed and to have those lands transferred to them without compensation or unnecessary delay.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled.

SEC. 100 SHORT TITLE.

This Act may be cited as the "Elko County's Common Sense Lands Act."

SEC. 101 - FINDINGS.

Congress finds the following:

(1) The federal government controls nearly 90 percent of all the land within the State of Nevada, which is a greater percentage than any other state.

(2) The federal government promised all new states, in their statehood Enabling Acts, that it would dispose of federally controlled public lands within the borders of those states.

(3) The federal government has honored this promise with 38 states while failing to honor it in the 12 western states, including Nevada.

(4) The United States Supreme Court has declared that statehood Enabling Acts are "solemn compacts" with enforceable rights and obligations.

(5) Nevada's lack of control of its public lands violates the "Equal Sovereignty Principle." For a Republic like the United States to function properly, each member must be equal in sovereign power and a state that is 90-percent owned by the federal government in subservient to that government.

(6) The paucity of state land and privately controlled land in Nevada severely constrains the size and diversity of Nevada's economy since the federal land cannot be taxed.

(7) In 2015 the Nevada Legislature passed SJR 1 calling for the transfer of certain federal lands to the state. In 2019, the new legislature passed SJR 12 that rescinded SJR 1. That 2019 action not only hobbles the state, but also the 17 counties that are political subdivisions of the state. In fact, the counties are affected even more than the state since the state routinely balances its budget by passing down unfunded mandates to the counties. The counties, being the lowest rung on the ladder, have no recourse other than cutting funding to other areas to meet the state demands. The transfer of selected lands directly to the counties would be a much-needed economic lifeline.

(8) In addition to the political and economic hardships created by the federal control of so much land within a state, many local communities also are landlocked by federal property and must petition Congress for relief, which if successful turns into a decades long process.

(9) Since 1930, the federal government has been systematically restricting access to Nevada's public lands. To date, 16 million acres representing nearly one quarter of Nevada's land mass bears some sort of restriction on public access.

(10) Nevada's counties could generate significant net revenue for the benefit of its lands and people if it were afforded the opportunity to develop its own public lands.

SEC. 102. - DEFINITIONS IN THIS ACT THAT APPLY THROUGHOUT THIS BILL

In this Act:

(1) The term "identified federal lands" means those lands available for transfer.

(2) The term "secretary concerned" means:

(A) The Secretary of Agriculture, with respect to identified federal lands administered by that secretary.

(B) The Secretary of the Interior, with respect to identified federal lands administered by that secretary.

(3) The term "select beneficiaries" means any of the following:

(A) Projects aimed at conserving and improving public lands, improving access to public lands and improving range conditions and wildlife habitat.

(B) General education, including new programs dedicated to the evaluation and improvement of our public schools.

(C) Urban renewal and revitalization efforts to promote rehabilitation of declining urban areas, including acquiring, restoring and conserving historic and culturally significant properties.

(D) Economic development and community expansion.

(4) The term counties means Elko County and any other willing Nevada county.

SEC. 103. - CONVEYANCE OF FEDERAL LAND TO THE COUNTIES

(1) CONVEYANCE REQUIRED - As provided in this Act, the Secretary concerned shall convey, without consideration, to the counties of origin all right, title and interest of the United States in and to identified federal lands for the purpose of permitting the counties to use the conveyed lands to support select beneficiaries.

(2) CONDITION OF CONVEYANCES - All conveyances made under this Act shall be subject to the condition that the counties hold the identified federal lands in trust for the select beneficiaries, except the counties may sell, lease or securitize lands acquired under this Act and identified on the map described below.

(3) LANDS AVAILABLE FOR SALE - The counties are authorized to sell only those lands identified as suitable for sale through consultation with county wildlife boards, the Nevada Board of Wildlife Commissioners, the Boards of County Commissioners and owners of any valid rights or uses. Public lands providing high wildlife values will remain in public ownership, unless higher values for wildlife can be attained through a sale, transfer or exchange.

(4) COST OF CONVEYANCE – The counties shall assume the costs of surveys and other administrative costs associated with the conveyance.

(5) ACCESS TO CHECKERBOARD LANDS – As an additional condition of conveyance and in regard to the checkerboard lands along the railroad corridor, running generally east to west along Interstate 80 in northern Nevada, Congress demands that the public be provided access to public lands landlocked by private holdings.

(6) CONVEYANCE OF ENTIRE INTEREST – For identified federal lands conveyed under this Act, title to and ownership of both federally held surface and subsurface estate and appurtenant federally held water rights, shall pass to the counties.

SEC. 104. CONVEYANCE

(1) CONVEYANCE REQUIRED – After selection of identified federal lands by the counties, the Secretary concerned shall convey, in a timely and essential manner, to the counties, pursuant to Section 103, the selected federal lands from the following categories of identified federal lands:

(A) Lands administered by the Bureau of Land Management (BLM) pursuant to the Act of June 14, 1926 (commonly known as the Recreation and Public Purposes Act; 43 U.S.C. 869 et. Seq.).

(B) Lands selected by individual counties.

(C) Lands allocated by the Secretary concerned as Solar Energy Zones.

(D) Lands leased pursuant to the mineral and geothermal leasing laws under the Mineral Leasing Act (30 U.S.C. 181 et seq.).

(E) Lands administered by the BLM as linear and nonlinear rights-of-way granted to the state and political subdivisions of the state.

(F) Split estate lands, where the surface is privately held and the BLM administers the subsurface mineral estate.

(G) Lands in the state designated for disposal by any other Act of Congress.

(H) Lands administered by the BLM remaining within the original Central Pacific Railroad corridor along Interstate 80 in northern Nevada, also known as the "checkerboard."

SEC. 105. LANDS CONVEYED IN THIS ACT

(1) Shall not be sold by the counties, other than those lands identified in Section 103-3; and

(B) Shall be managed for:

(a) Improved public access;

(b) Multiple use;

(c) Wildlife habitat and range conservation;

(d) Ongoing net-revenue generation; and

(e) Environmental health, function, productivity and sustainability.

(f) Economic development

Subtitle A--- Checkerboard Land Resolution

SEC. 100. FINDINGS

Congress finds that –

(1) Since the passage of the Act of July 1, 1862 (12 Stat. 489, chapter 120) (commonly known as the "Pacific Railroad Act of 1862"), under which railroad land grants along the Union Pacific Railroad right-of-way created a checkerboard land pattern of alternating public land and privately owned land, management of the land in the checkerboard area has been a constant source of frustration for the county governments, private land holders in the county and the federal government;

(2) Management of Federal land in the checkerboard area has been costly and difficult for the Federal land management agencies, creating a disincentive to manage the land effectively;

(3) Parcels of land within the checkerboard area in the counties will not vary significantly in appraised value by acre due to the similarity of highest and best use in the counties; and

(4) Consolidation of appropriate land within the checkerboard area will----

(A) Help improve the tax base of the counties; and

(B) Create opportunity for new economic investment in the counties.

SEC. 101. DEFINITIONS

In this title:

(1) ELIGIBLE LAND --The term "eligible land" means any land administered by the Bureau of Land Management or Forest Service that is designated for acquisition by the counties

SEC. 102. TRANSFER OF ELIGIBLE LAND

(a)AUTHORIZATION OF CONVEYANCE--- As soon as practicable after the date of the enactment of this Act, the Secretary, in accordance with this provision and subject to valid existing rights shall transfer ownership of the eligible land selected by the Counties, without consideration, to the Counties.

(b)MAP---

(1) IN GENERAL --- As soon as practicable after the date of the enactment of this Act and after providing public notice, the Counties shall prepare a map that depicts the lands identified for acquisition by the County.

(2) MINOR CORRECTIONS—The Counties, with the Secretary's involved, may correct minor errors and make additions to the Map.

SUMMARY: A RESOLUTION SUPPORTING THE "ELKO COUNTY'S COMMON SENSE LANDS ACT" WHICH TRANSFERS SELECTED UNITED STATES FEDERAL GOVERNMENT CONTROLLED LAND DIRECTLY TO THE COUNTIES.

RESOLUTION NO. _____

WHEREAS, the 12 Western states, upon admission to the Union, were denied equal footing to the original states because the federal government retained possession of their public lands. Thomas Jefferson wrote in 1784 that when new states were admitted to the Union it would be "on an equal footing with the said original states" and that doctrine was followed with the 38 states east of Colorado; and

WHEREAS, the 12 Western states were denied the equal sovereignty required for a Republic as established in the United States to work. The Equal Sovereignty Principle was cited by the U.S. Supreme Court as recently as 2013 in Shelby County v. Holder and recognizes that for a republic to function properly, each member of the republic must be of equal sovereign power. When a state is denied its land, it is inferior politically and economically to both the federal government and the earlier states that were given their land; and

WHERAS, the 12 Western states were denied the compact entered into when they became states. The Compact Theory maintains that a contract was entered into between the new states and the federal government in which the states gave up all claim to the lands within their borders and the federal government agreed to promptly and completely dispose of the land by sale or grant; and

WHEREAS, in 2015 a Davillier Law Group analysis determined that the Equal Footing Doctrine, Equal Sovereignty Principle and the Compact Theory were ammunition enough to "pursue litigation in an effort to gain ownership of the public lands;" and WHEREAS, the federal government now controls nearly 90% of Nevada's lands, more than any other state; and

WHEREAS, the paucity of private land in Nevada severely constrains the size and diversity of its economy, since federal lands are removed from tax rolls; and WHEREAS, the Nevada Land Management Task Force, consisting of one county commissioner from each county, determined unanimously in 2015 that significant net revenue could be realized if the public lands were managed by local government; and

WHEREAS, the Southern Nevada Public Lands Management Act allowed sales of public lands in Clark County, generating more than $3 billion in revenue, while no such mechanism exists in the 16 other Nevada counties; now, therefore, be it

RESOLVED, that Humboldt County supports the Elko County Common Sense Lands Act (ECCSLA) that enables individual counties to identify lands they need and requires the Secretary of the Interior to transfer title to the counties without consideration; and be it further

RESOLVED, that Humboldt County recognizes that the ECCSLA only makes eligible for

transfer lands administered by the Bureau of Land Management and counties are authorized to sell only those lands identified as suitable for sale through consultation with wildlife boards and owners of any valid existing rights or uses.

The undersigned duly qualified and acting Authorized Signer of the Governing Body of Applicant certifies that the foregoing is a true and correct copy of a resolution, adopted at a legally convened meeting of the Humboldt county Board of Commissioners held on May 1, 2023.

ADOPTED this 1st day of May, 2023 by the Board of County Commissioners, Humboldt County, Nevada.

AGENDA REQUEST FORM

DATE: April 19, 2023

TO: County Commission

FROM: County Manager's Office

SUBJECT: Nevada Division of Forestry Wildland Fire Protection Program

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:

The Nevada Division of Forestry provides services to the counties that covers any costs for fire management where private lands are burned. Without this agreement, the county would be responsible for all costs associated with a fire that started on private land and/or burned private land that started on public land. This could cost millions with a single incident. The Martin Fire alone would have cost the county well over a million dollars. This agreement is insuring our residents that the county has them covered.

This agreement used to be year-to-year. Approximately three years ago they went to a new formula to assess the counties. Under the old system we had no idea how they came up with the amount, thus we asked them to provide better detail as to how they arrived at their assessments. NDF came back with a detailed formula that was based on only three years of data, which included the Martin Fire year, which increased our rate significantly. Humboldt County went from paying $100,000 annually to $208,000. We rejected the offer and eventually negotiated the cost down to $150,000. This was the assessment over the last two years. The new biennial agreement covering Fire Seasons 2024 and 2025 at a cost of $157,707.00 for State Fiscal Year 2024 and $157,707.00 for State Fiscal Year 2025, not to exceed $315,414.00 pending review and approval of the District Attorney's Office.

In addition to covering our costs, NDF does all of the collection of fire expense data and scrubs it for accuracy. They then work closely with me to assure us that all of the expenses were legitimate and accurate. It has been a great program for us as it also engages us in the off-season as well as to what went well and what went wrong so that we can constantly improve our response to wild fires.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:

16. SEVERABILITY. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.

17. ASSIGNMENT. Neither party shall assign, transfer or delegate any rights, obligations or duties under this Contract without the prior written consent of the other party.

18. OWNERSHIP OF PROPRIETARY INFORMATION. Unless otherwise provided by law any reports, histories, studies, tests, manuals, instructions, photographs, negatives, blue prints, plans, maps, data, system designs, computer code (which is intended to be consideration under this Contract), or any other documents or drawings, prepared or in the course of preparation by either party in performance of its obligations under this Contract shall be the joint property of both parties.

23. ENTIRE AGREEMENT AND MODIFICATION. This Contract and its integrated attachment(s) constitute the entire agreement of the parties and as such are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Unless an integrated attachment to this Contract specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language between any such attachment and this Contract shall be construed consistent with the terms of this Contract. Unless otherwise expressly authorized by the terms of this Contract, no modification or amendment to this Contract shall be binding upon the parties unless the same is in writing and signed by the respective parties hereto and approved by the Office of the Attorney General.

B. Payment

The DIVISION will assume incident costs consistent with the terms of the Master Cooperative Wildland Fire Management and Stafford Act Response Agreement unless deviations from these agreements are authorized by the DIVISION Agency Representative due to the accelerated complexity of the incident. The DIVISION will not pay wildland fire suppression expenses to (or for) the participating FPA jurisdiction in the WFPP without appropriate authorization from the DIVISION and adherence to the agreement herein.

1. Qualifying Expenses

Reasonable and prudent expenses (actual costs, based on established rates on file with the DIVISION by December 31st each year, of the jurisdiction) commensurate with values at risk, for wildland fire suppression and support resources engaged in wildland fire suppression within the FPA jurisdiction, or through a cost-share agreement with Federal Agencies on adjacent or comingled jurisdiction and billed in accordance with the SIIBM. All qualifying expenses must be accompanied by a resource order or WildCAD document. It is the FPA or the cooperators responsibility to obtain properly documented authorizations from the Incident.

The FPA and DIVISION may jointly conduct cooperative actions and share assets to carry out non-suppression activities in support of interagency wildfire management, including but not limited to hazardous fuel reduction, fire adapted community support, training, etc. All non-suppression costs shall be billed and paid in accordance with the terms and conditions of a supplemental project agreement that includes action-specific scope of work, budget, procurement, or other appropriate written documents, executed by the authorized signatories of the involved Parties within their legal authorities.

- Escaped prescribed burn costs of FPA.

3. Negotiable Expenses

Costs not outlined above may be subject to negotiation between the parties for payment.

The FPA should notify the DIVISION of any questions, issues or situations regarding qualifying expenses that are not clear or require negotiation. The DIVISION will set a meeting to discuss and/or resolve. If the parties are unable to reach a mutually agreeable resolution, either party may refer the matter to the Review Committee (Section K) for further action.

C. Annual Planning Meeting

Annually, representatives of the DIVISION, the FPA, and others deemed necessary, shall meet, and jointly discuss, review, and update as necessary the WFPP, develop an operating plan (OP), and set the FPA's rates for personnel and equipment. The OP will identify, among other things, prioritized hazardous fuel treatment areas, training needs, equipment needs, defensible space activities and personnel responsible for representing the WFPP program interests for cost containment, FMAG data, and cost recovery. All OP's will be signed by March of each year.

The DIVISION will arrange the date and location for the meeting each year.

D. Delegation of Authority

The FPA extends a "blanket" delegation of authority to the DIVISION as the DIVISION performs pre-fire activities in the FPA's jurisdiction as agreed to in the OP. For emergency activities, a formal delegation of authority by the FPA may be created and administered to the DIVISION at the discretion of the FPA.

E. Use of Incident Management Teams

The FPA will notify the DIVISION Regional and State Duty Officers of any wildland fire in their jurisdiction that may require mobilization of an Incident Management Team. The DIVISION, together with the FPA when possible, will participate in unified command role and actively participate as an Agency Administrator/Agency Representative on any Type III, Type II or Type I wildland incident in a WFPP jurisdiction.

F. Organizing, Equipping, and Training

The FPA will cooperate in the training, equipping, and maintaining of wildland firefighting forces in the FPA.

The DIVISION will assist the FPA in the organizing, equipping, and training of FPA and cooperator forces to detect, contain and extinguish wildland fires, as agreed to in the AOP.

G. Wildfire Pre-Suppression

The FPA has authority through this agreement to request assistance by hire and reimburse any other FPA resources for prioritized hazardous fuel reduction projects within the FPA jurisdiction if a supplemental agreement is in place. The Division will assist with hazardous fuels reduction, including treatment plans; State Historic Preservation Office (SHPO) pre-project reviews for potential impacts upon historic properties; Threatened and Endangered (T&E) species occurrences; and other technical services as requested and available. The DIVISION will provide, at the FPA'S request, subject to availability, personnel, and apparatus to assist in Public Wildfire Education Programs, and the DIVISION and the FPA will collaborate on a wildland fire prevention program that includes a common message.

The FPA will provide the DIVISION with a list of subdivisions, infrastructure, businesses, and other critically important community attributes within their jurisdiction for use in development of Fire Management Assistance Grant (FMAG) applications should the need arise.

H. Wildfire Suppression

The DIVISION will provide dispatching/mobilization services and support to local government FPA for mutual aid and wildfire response both state and federal. All hazard and EMAC requests will remain with the Department of Emergency Management.

The FPA under this contract and as identified in the Master Cooperative Wildland Fire Management and the Stafford Act Response Agreement Operating Plan pg. 38 IV Preparedness section 2 Nevada Division of Forestry, has authority to respond Out of Local Jurisdiction within Nevada and Out of State for federal wildland fire response mobilization requests.

The DIVISION and the FPA will utilize the "closest forces" concept for all wildland fire responses. This concept dictates that the closest available, appropriate resources respond to initial attack fires, regardless of jurisdiction, whenever there is a critical and immediate need for the protection of life and property. Beyond initial attack, the "closest forces" concept is modified, and the respective agencies will request the most appropriate resource to aid in the suppression of a wildfire. In lieu of established rates, the DIVISION will pay FPA volunteer fire departments $20 per hour (with a two-hour minimum) per fire engine/tender for wildland fire suppression responses in the FPA.

I. Reporting/Notification

The FPA will notify the DIVISION Regional Duty Officer of any wildland fire in their jurisdiction at time of size up or as soon as reasonably possible.

The FPA will request an FMAG at the earliest sign the incident will grow to a qualifying event and/or into a major disaster. The FMAG request will contain a detailed list of all threatened resources prompting the request.

The FPA will submit a report to DIVISION annually which includes:

- A list of all wildland fires with a duration less than 24 hours that occurred within their jurisdiction for use in annual reporting.
- All hazardous fuel reduction treatments/efforts undertaken in their jurisdiction.
- Any enhancements made to FPA wildland fire suppression capabilities.

J. Prescribed Burning

The DIVISION and the FPA will coordinate technical assistance and the FPA may provide resources if available for prescribed fires and fuels reduction projects. The DIVISION will provide burn resources at the discretion and amount requested of the FPA based upon availability. The DIVISION will only participate on FPA prescribed fires that have approved burn plans per NWCG standards and a supplemental project agreement per the Nevada State Master Cooperative Wildland Fire Management and Stafford Act Response Agreement. Prescribed burning costs are not eligible for reimbursement under the WFPP.

K. Review Committee

The STATE will establish a review committee to adjudicate issues or questions between the DIVISION and the FPA which cannot be resolved informally through the parties. The Director of the Department of Conservation and Natural Resources (DCNR) will request one STATE representative and two individuals from jurisdictions other than where the dispute is occurring to serve on the Committee. The FPA involved must agree to the selected committee. The Committee will meet and discuss the issue and make a non-binding recommendation to the Director of DCNR for a final decision. The use of a Review Committee, however, is not intended to alter or supplant any other remedy either party may have at law.

L. Reimbursement/Payment

The DIVISION will provide reimbursement to the FPA or provide for direct payment of approved costs to Federal Agencies and other vendors.

FPA

1. Billing invoice requirements:
    a. One incident per invoice;
    b. Incident name;

c. Incident start date;
d. Incident number (State and Federal);
e. Contact point for questions;
f. Standard billing documentation: Dispatch Resource Orders, Cost Share Agreements, Transaction Registers, and backup documentation (Resource Order Numbers for all Supplies, Incident Dispatch Log).

The FPA will also develop a Fire Rate Agreement (FRA). The FRA is within the Fire Business System (FBS) and shall be entered and maintained by the DIVISION. The DIVISION office can and will guide the FPA through the process using FBS. The FRA will identify all equipment available for fire assignments, set hourly rates, and identify minimum and standard staffing levels for each piece of equipment. Minimum staffing levels are defined by National Wildfire Coordinating Group (NWCG) standards and National Fire Protection Association standards and the FPA's policies and procedures on initial attack.

All fire bills are consolidated in the Fire Business System (FBS) database for all agencies.
Fires are tracked individually per agency and tracked by using fire reports, fire codes, fire names and function codes. For those unique incidents that occur on lands within Nevada some of them may have an out of state designator. (Border fires) These incidents will be addressed individually and may be included in the State consolidation process. The state is responsible for managing consolidated billing in the FBS that includes all agencies and cost share information. Actual costs are tracked by each agency for each incident and added to FBS as costs become available to the respective agencies. Agency costs are subject to audit. The consolidated billing database is verified but may be disputed based on the cost share allocation, severability of costs and actual costs submitted for each fire. FBS will generate a final balance for all parties in the State/Federal Reconciliation Report, thus requiring only one transfer of funds to reconcile the fire season. Any discrepancies or concerns pertaining to individual fires recorded in FBS will be identified, resolved, and handled on a per case basis, beginning with a cost adjudication meeting. During the adjudication meeting, entities that are part of the billing process will meet to discuss the discrepancies or concerns. After resolution of costs, a bill will be issued to the owing party. Post reconciliation adjustments will be resolved, agreed upon, and pursued by all agencies involved, on a case-by-case basis.

The FPA will prepare and submit in the Fire Billing System (FBS) incident billing packages no later than six (6) months from the date the incident is declared out**,** with the exception of certain FEMA, Civil Cost Recovery and other incidents that warrant specific timetables. The DIVISION reserves the right to return billing packages not meeting the billing invoice requirements outlined above, for correction. Failure to meet these timelines shall not be construed as a release or waiver of claims for reimbursement against the other party. If the six (6)-month timeframe cannot be met, immediate written notification shall be made to the DIVISION Deputy Administrator.

Any FPA that does not utilize the FBS system for billing and the Division completes the billing for the FPA the FPA will be charged an administrative fee of 20%.

For Federal Emergency Management Agency (FEMA) billings, the DIVISION will be the lead agency for all bills to be submitted for the Fire Management Assistance Grant Program

(FMAG). The DIVISION requires estimated bills from the FPA within 30 days of the fire being declared out. The FPA will track resources and costs associated with wildland fires.

M. Cost Share Agreements

The FPA will notify the DIVISION Regional/State Duty Officer, in a timely manner, of any wildland fire in their jurisdiction that may require a cost share agreement. The DIVISION and the FPA will assume an active role in the development of the cost share agreement and must ratify the agreement in order for any expenses incurred through the agreement to qualify under the WFPP.

N. Fire Investigations

PARTIES shall render mutual assistance in investigation and law enforcement activities, and in court prosecutions, to the fullest extent possible. The FPA will request a wildland fire investigator through the resource ordering system for all fires which may warrant cost recovery actions, or is suspicious in nature. The FPA shall be responsible for fire-related law enforcement activities on wildfires that originate on their respective lands.

O. Cost Recovery

The FPA is responsible to file cost recovery actions on trespass fires when feasible, or the DIVISION may not cover the cost of the fire for the FPA. The DIVISION has the ability to seek cost recovery actions on known human caused fires, if the FPA has filed for cost recovery. To the extent permitted by State law, the FPA will provide investigation files relative to the fire to the DIVISION.

Third Party Cost Recovery: In responding to and suppressing a wildland fire, the agency that has the land management jurisdiction/administration role (i.e., the agency that administers the lands where the fire ignited) is considered the "lead" agency. Other agencies, which provide fire protection or perform other fire related services, are considered "cooperating agencies." The lead agency is responsible for determining the fire origin and cause of ignition and the suspected person who or entity that negligently or intentionally ignited the fire. The cooperating agency law enforcement and/or fire investigation personnel will assist the lead agency in making those assessments. Consequently, at the outset of the investigation, the lead agency must invite federal enforcement personnel or other appropriate fire investigation personnel to work jointly with the lead agency to determine the fire cause and origin and determine whether the fire was human and negligently caused. Should the lead agency choose not to investigate, and/or the fire originates on private lands, the lead agency must invite federal law enforcement officers to investigate the fire.

Cost Recovery: Authority to recover suppression costs and damages from individuals causing a fire varies depending on contracts, agreements, permits and applicable laws. The Authorized Representatives of affected agencies will attempt to reach mutual agreement as soon as possible after a fire on the strategy that will be used to recover suppression costs and damages from the individuals liable for such costs and damages. Such strategy may alter interagency billing procedures, timing and content as otherwise provided in this Agreement. Any Agency may

independently pursue civil actions against individuals to recover suppression costs and damages. In the cases where costs have been recovered from an individual, reimbursement of initial attack, as well as suppression costs to the extent included in the recovery, will be made to the Agency taking reciprocal action.

(b) Year 2 (September 1, 2019 to August 31, 2020) multiply the total year 1 payment sum times the adjustment factor and add the resulting sum to the total year 1 payment sum to determine the total year 2 payment sum; and, it is payable, in arrears, in twelve (12) equal monthly installments commencing October, 2019 and continuing each month thereafter until paid.

(c) Year 3 (September 1, 2020 to August 31, 2021) multiply the total year 2 payment sum times the adjustment factor and add the resulting sum to the total year 2 payment sum to determine the total year 3 payment sum; and, it is payable, in arrears, in twelve (12) equal monthly installments commencing October, 2020 and continuing each month thereafter until paid.

4. **NON-EXCLUSIVE CONTRACT.** The management, operation and maintenance of the Landfill are unique and are not practical to perform by more than one contractor. This Agreement grants the Contractor the exclusive right to operate and maintain the Landfill and to perform the services described herein; however, in the event another landfill within the Landfill District is approved for, or commences, operation or another landfill is required by any government authority having jurisdiction, nothing in this Agreement shall be construed to mean that the Contractor has the right to operate and maintain the other landfill(s), it being understood that any such services will be provided by separate agreement upon the terms and conditions therein.

5. **PERFORMANCE.** All work and labor performed by Contractor in the operation and maintenance of the Landfill shall be performed in accordance with good workmanlike practices and the requirements of this Agreement and shall meet or exceed any Laws now in existence or

Contractor's obligations under this section shall survive the termination of this Agreement.

8. **TERMINATION.** This Agreement shall terminate in accordance with the following:

(a) Automatically at the expiration of the term; or

(b) By mutual written agreement among the parties upon the terms and conditions specified therein; or

(c) In the event Contractor materially breaches, violates or defaults in the performance of any of the covenants or conditions of this Agreement and fails to timely cure or correct such breach, violation or default after proper notice thereof given by County and City, then County and City shall have the unilateral right to terminate this Agreement; or

(d) In the event Contractor assigns or transfers Contractor's interest in or to this Agreement or any right or privilege connected therewith without first obtaining the written consent of County and City, then County and City shall have the unilateral right to terminate this Agreement; or

(e) In the event of any change in the applicable Laws or in any other directive or action by any Court, administrative agency or federal or state authority which must be followed by the Contractor and/or by the County and City, which shall render performance of this Agreement impossible or shall substantially increase the burden of any party hereto in performance hereof, this Agreement may be unilaterally terminated by any party so affected upon ten (10) days notice.

9. **CONDITIONAL RENEWAL.** Contractor shall have the conditional right to renew this Agreement for one (1) additional five (5) year term beginning at the expiration of the initial term.

Contractor shall give notice of the desire to renew this Agreement not later than March 1, 2023 (six months prior to the expiration of the initial term). In the event such notice is given by Contractor, the payment and conditions for the renewal term shall be in such sum and upon such terms as County, City and Contractor agree not later than May 1, 2023 (four months prior to the expiration of the initial term). In the event County, City and Contractor fail to agree upon a payment sum and conditions for the renewal term prior to May 1, 2023, then Contractor's services and this Agreement shall terminate at the expiration of the term without further notice.

10. GENERAL PROVISIONS. The general provisions attached hereto as **Exhibit "A"** are made a part of this Agreement and are incorporated herein by reference.

IN WITNESS WHEREOF, the parties have hereunto caused this Agreement to be executed effective as of the day and year first above written.

Dear Council Members and Commissioners of the Humboldt County Landfill Committee:

Thank you for meeting with us on April 11th to discuss and approve our Intent to Renew our Landfill Agreement for another five-year term, through August 31, 2028. We genuinely appreciate the opportunity to continue providing high quality operation of the Humboldt County Landfill. As requested by the Landfill Committee at that April 11th meeting, we would like to present the following Proposal for increase in the base contract amount of our Agreement:

The current Agreement began on September 1, 2018, with a base contract amount of $669,000 annual ($55,750 per month) and has increased based upon annual CPI adjustments to the current base of $758,366.16 annual ($63,197.18 per month) through August 31, 2023. This is an increase of 13% over the five-year period.

During those five years, DeLong Construction has seen large increases in almost every aspect of our day-to-day business expenses. Some of the average increases in costs from 2018 to 2023 that we have absorbed are:

Wages / Health Insurance	16%
Landfill Insurance Policy	95%

G/L Insurance	68%
Fuel	90%
Utilities	36%
Equipment (Dozer)	35%
Tires	21%
Filters/Maintenance	35%

In consideration of these unforeseen and extreme increased costs, and with careful attention to the fact that the County, the City and the users of the Landfill are also facing the same rising costs, DeLong Construction proposes an increase in the base contract amount of our Agreement to operate the Landfill to $887,000 annual ($73,916.67 per month) for Year 1 of the renewal term beginning on September 1, 2023. This is an approximate 17% increase over the current base contract amount. We would like to see the CPI continue to be used as the adjustment factor in the renewal term, as we believe that using the CPI (with the parameters of adjustment never being below zero and never greater than five percent) is a fair and concrete method.

As Dave Mendiola expressed in the April 11th meeting, the working relationship we have developed over the years is a great asset to taxpayers of Humboldt County and the City of Winnemucca and allows for smooth and efficient operation of the Landfill. We couldn't agree more and we are grateful to continue that relationship and our service for another five years.

Sincerely,

Danielle K. DeLong

STAFF REPORT

DATE: Wednesday, April 19, 2023

TO: County Commission

FROM: Daniel Ferraro, Assistant Public Works Director

SUBJECT: Purchase of Medium Duty Truck and Chassis

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY

In recent years the prospect of finding new or used medium duty trucks has been difficult and costly. Humboldt County Public Works has found a good used medium duty truck locally with low miles and pre-def emissions. Public Works would like to purchase this truck and utilize its cab and chassis to be used to install a plow and sander bed on. This truck would be used to replace one of our aging snow plows that are rusting out from the salt and sand environment they work in and reaching their useable life as snow plows before major bed and frame overhauls are needed. This purchase of the truck and installing a plow/sander would be a cost savings to the county and fill the need of starting to replace an aging snowplow fleet. New or used snow plows in good condition are very hard to find and very expensive due to the limited availability.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:

To facilitate the purchase of a 2003 Freightliner medium truck with 107,000 original miles to be used to replace aging snow plows.

PREVIOUS ACTION

None

BACKGROUND

The Public Works Department maintains the road systems of Humboldt County and uses snow plows for snow and ice removal during winter weather conditions. These snow plows have blades on the front and sanders on the back. With aging snow plows and salt effects on metal components of the trucks, it is in the best interest of county tax payers for Public Works to purchase newer equipment to replace older equipment that is showing signs of equipment failure. It has been over ten years since a new or used medium to heavy duty plow has been purchased for the county.

FISCAL IMPACT

In the 2022-2023 Budget, the Public Works Department has $150,000.00 allocated for a dump truck with plow/sander and this project would fit into that category and fulfill a need of the department.

RECOMMENDATION

To facilitate this purchase, we recommend purchase from the local vendor that provides the lowest best condition truck to be used as a plow. We are requesting $25,000.00 to purchase this truck for the purpose of converting it to a snow plow.

POSSIBLE MOTION

Should the Board agree with Staff's recommendation; a possible motion would be: "Move to approve the purchase of a 2003 Freightliner medium duty truck for the Public Works Department, in an amount not to exceed $25,000.00"

SUBJECT: Shop Door Replacement

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY

The existing roll-up shop doors at the Public Works Equipment Shop are showing wear and have no insulation or safety features. To help combat the extreme cold and heat in the shop, we have discussed changing out the south facing doors for newer, insulated doors. The existing doors are not insulated and we have noted temperatures on the inside of the doors in excess of 135 degrees in the summer and 7 degrees in the winter. In addition, newer insulated doors would provide a level of safety in the shop as the existing doors can burn skin during the hottest parts of the summer.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:

The existing shop doors are showing wear from years of use and there are no safety features on the existing doors.

PREVIOUS ACTION

None

BACKGROUND

During the winter and summer seasons, the inside surfaces of the existing doors, transfer excessive heat and cold to the inside of the equipment shop and can be a safety concern in the summer as the inside surface can burn bare skin.

FISCAL IMPACT

While this is an un-budgeted item, Public Works has shown a savings in other capital purchases in excess of $100,000 to help cover the costs of the door replacement.

RECOMMENDATION

Public Works solicited quotes from two vendors (Elko Overhead Door and Thompson Garage Doors). The Thompson Garage Doors quote was the lowest at $30,000 however, the R-value rating for the quoted doors was 7.0. The submitted Elko Overhead Door quote included doors that have an R-value of 18.4 for a total of $36,000. It is our recommendation to proceed with the purchase and installation of 4 sectional, insulated commercial garage doors from Elko Overhead Door, as the product quoted is far superior to the other quoted doors.

LIST SUPPORTING DOCUMENTS IF APPLICABLE:
Thompson Garage Doors and Elko Overhead Door Quotes

POSSIBLE MOTION
A possible motion for this item would be; "Move to approve the purchase and installation of new commercial shop doors at the Public Works Equipment Shop from Elko Overhead Door, in an amount not to exceed $36,000"

STAFF AGENDA REQUEST

DATE: April 20, 2023

TO: County Commission

FROM: Ric Grantham, Director-Technology Services Department

SUBJECT: Approval to Add to Contract With Alliance Document Technologies for Print Devices for Multiple County Offices and for Chairman or His Designee to Sign the Related Order and Pool Plan Documents

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:

The Technology Services Department is seeking approval to make additions to the 48-month contract with Alliance Document Technologies for print devices for the Human Services, Planning, Denio Library Branch, McDermitt Library Branch, Sheriff Cardenas, Sixth Judicial District Court and Treasurer Offices and for the Chairman or his designee to sign the related Order and Pool Plan documents.

On February 22, 2022, this Commission approved an initial contract with Alliance Document Technologies for county wide print devices in the amount of 5,543.71 per month.

On August 8, 2022, this Commission approved an amended contract with Alliance Document Technologies for county wide print devices that increased the initial contract amount by $137.90 per month, resulting in an increased monthly contract cost of $5,681.61.

The current request to add devices to the initial contract with Alliance Document Technologies is due to the fact that when the initial survey and evaluations were done, the offices listed above were not considered or provided for.

The Human Services office was a one room office in the Detention Center and used a small desktop printing device. Now the Human Services office is located in its own suite in a different building that consists of multiple offices and has increased its staff from one (1) to three (3).

The Planning Department was provided a device that did not fit the needs of that office as it would not print pages large enough for plans and the like.

The Northern Library branches (McDermitt and Denio) were just never considered or provided devices.

The Sheriff's office has reconfigured the offices within their area upon the recent change in administration and Sheriff Cardenas now requires a small print device in his office.

The Sixth Judicial District Court had one of their main printing devices fail in the recent past and requires a replacement.

The Treasurer's Office was only provided devices to replace their counter printers but has an older large multi-function device that needs to be replaced.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:
For approval to make additions to the 48-month contract with Alliance Document Technologies for additional print devices, for the offices mentioned above, in an approximate amount of $979.14 per month which results in an increased total monthly amount of $6,660.75 and for the Chairman or his designee to sign the related Order and Pool Plan documents

PREVIOUS ACTION:
On February 22, 2022, this Commission approved an initial contract with Alliance Document Technologies for county wide print devices in the amount of 5,543.71 per month.

On August 8, 2022, this Commission approved an amended contract with Alliance Document Technologies for county wide print devices that increased the initial contract amount by $137.90 per month, resulting in an increased monthly contract cost of $5,681.61.

HAS DISTRICT ATTORNEY REVIEWED AGREEMENT/CONTRACT IF APPLICABLE:
No, will be provided upon approval of this request.

FISCAL IMPACT IF APPLICABLE:
The fiscal impact of adding the additional devices to the current contract with Alliance Document Technologies will be an additional amount of approximately $979.14 per month, making the new monthly costs of this contract approximately $6,660.75.

RECOMMENDATION:
It is recommended that this request be approved.

LIST SUPPORTING DOCUMENTS IF APPLICABLE:
Proposed Order and Pool Plan documents

POSSIBLE MOTION:

Pool Plan

under Services Contract # 7184786-001

Pool Plan Terms & Conditions

1. **THE POOL PLAN** modifies the Services Contract, entered into between Customer and Xerox and identified by its 10-digit Services Contract number on the Pool Plan documents. This Pool Plan and the Services Contract constitute the entire agreement as to the pool(s) identified herein, and supersedes all other oral and written agreements regarding said pool(s). Except as set forth in this Pool Plan, the Services Contract will remain as stated. In the event of a conflict between the terms of the Services Contract and this Pool Plan, this Pool Plan will control.

2. **DEFINITIONS:** Any term not defined below for this Pool Plan will be as set forth in the SSA or SSO. As used herein, the following terms will have these meanings:
   - **a.** "Additional Impression Charge" or "AIC" means the charge for each impression above the Monthly Impressions Included in Plan.
   - **b.** "Meter Reconciliation Period" ("MRP") means the frequency with which the actual impressions made on Pooled Equipment are compared to the Monthly Impressions Included in Plan for invoicing purposes. Each pool may only have one MRP.
   - **c.** "Pool Plan" means a specific pricing arrangement for impressions for 2 or more units of Equipment, with applicable terms and conditions. Multiple Pool Identifiers may exist under a Services Contract.
   - **d.** "Xerox Equipment In Pool" or "Pooled Equipment" means the Equipment set forth in the Xerox Equipment In Pool table as shown in the Pool Plan documents. An updated Xerox Equipment In Pool table will be issued with each modification to a Pool Plan. Each pool will be identified by a Pool ID. Equipment with both Black & White and Color meters may contribute to more than one pool. Multiple pools may exist under a Services Contract
   - **e.** "Monthly Impressions Included in Plan", as shown in the Pool Plan documents, indicates the monthly level of impressions that must be exceeded on the Pooled Equipment before the AIC becomes billable.
   - **f.** "SSO AIC" means the charge for each impression above the "Monthly Impressions In Plan", as shown in the SSO documents included for each unit which is outside the Pool Plan.
   - **g.** "Quarterly" means calendar quarters of 3 consecutive months beginning in January, April, July and October.

3. **PRICING** The MMC for each unit of Pooled Equipment will be as set forth in a Services Contract. The AIC pricing for a pool is based on Pooled Equipment that is physically installed or pending delivery. The "Monthly Impressions Included in Plan" and the AIC will be revised as Equipment is added to or removed from a pool. Unless the units' "Plan Features" indicate "Fixed Price", Xerox may annually adjust the AIC. (For state and local government customers, this adjustment will take place at the commencement of such Customer's annual contract cycles).

4. **BILLING** The unit MMCs for Pooled Equipment will be invoiced monthly. The AIC will be invoiced in arrears based on the frequency of the MRP.

5. **QUARTERLY RECONCILIATION:** If the MRP is Quarterly, Xerox will invoice the AIC at the end of each quarter for impressions in excess of 3 times the Monthly Impressions Included in Plan. Partial quarters will be invoiced on a pro rata basis, based on a 30-day billing month.

6. **POOL PLAN CREATION AND MODIFICATIONS:** The Pool Plan Effective Date will be (i) the date shown on the face of the Pool Plan documents, or (ii) the installation date of the first newly placed unit of Xerox Equipment In Pool- at the inception of a pool, whichever is later.
   - **a. NEW POOL OR ADDITIONS TO POOL:** When a pool is created or when Equipment is added to a pool the Equipment will be invoiced using its pool AIC in effect at the end of that MRP.
   - **b. REMOVALS FROM POOL:** When a unit of Equipment is removed from a pool and its SSO, the Equipment will be invoiced using its pool AIC in effect at the end of the previous MRP. When a unit of Equipment is removed from a pool and continues under its SSO, it will revert to its SSO AIC, exclusive of any Pool Plan, beginning on the first day of the MRP during which the Equipment is removed from the pool.
   - **c. TERMINATION OF A POOL:** Either party may terminate a pool upon 30 days prior written notice. A modification resulting in less than 2 units in a pool will be a termination of that pool. When a pool is terminated and the Equipment is removed from its SSO, the Equipment will be invoiced using its pool AIC in effect at the end of the previous MRP. When a pool is terminated and the Equipment continues under its SSO it will be invoiced using its then current SSO AIC.
   - **d. TRANSFERRING EQUIPMENT FROM ONE POOL TO ANOTHER POOL:** When Equipment is transferred from one pool to another pool, the Equipment will be invoiced for the entire MRP using the receiving pool s AIC in effect at the end of that MRP.

7. **EQUIPMENT TERMINATION:** When a unit of Equipment in a pool is terminated, Customer will be invoiced for that unit as set forth in this Pool Plan and for any other applicable charges as set forth in the SSA or Services Contract.

Services Contract Terms & Conditions

The following terms and conditions are in addition to those in the SSA. In the event of a conflict between terms and conditions, the order of precedence will be the SSA, this SSO and the applicable SOW, except where expressly stated otherwise in the SSA.

XEROX PRINT SERVICES INVOICING. Client will be invoiced for XPS Services in a standard Xerox format. The Total Monthly Minimum Charge ("MMC") identified in Exhibit A is billed monthly in advance through the end of the month in which the termination effective date occurs. If the Services Commencement Date is other than the first day of a month, the MMC will be billed for the first month on a pro rata basis. If a Managed Device is added to, or removed from, the XPS Services Contract during a month, Xerox will bill the Monthly Fee on a pro rata basis. The Excess Charge per Impression ("ECI") identified in Exhibit A is billed in arrears on a quarterly basis for all impressions in excess of three times the Monthly Minimum Print Volume ("MMPV") identified in Exhibit A. If the Services Commencement Date is other than the first day of a month, the MMPV for the first month will be calculated on a pro rata basis. Invoicing and payment for Xerox Contracted Devices will be governed by the terms and conditions of the applicable Equipment Agreement.

OVERSIZE PRINTS: Each print made on the following Equipment; C8130H2, C8135H2 and C8145H2, that is larger than 145 square inches (e.g., 11 x 17 = 187 square inches), but less than or equal to 491 mm in length, will register as two (2) prints on the applicable (B&W/color) meter, and, for that Equipment with extra-long print capability, for any impressions greater than 491 mm will register as four (4) prints on the applicable (B&W/color) meter.

QUARTERLY METER RECONCILIATION: Each month Customer will be billed for the then-current Monthly Minimum Charge(s) under an Order. The number of "Monthly Impressions In Plan" will count towards a Quarterly Minimum Volume (calculated as three (3) times the Monthly Impressions In Plan) for Equipment installed under the SSO. At the end of each "Quarterly Period", (defined as the three (3) consecutive months beginning in January, April, July and October), Xerox will bill Customer for impressions produced in excess of the Quarterly Minimum Volume, at the Additional Impression Charge set forth in an Order. In the event that the total number of impressions produced in a quarter is less than the Quarterly Minimum Volume, Customer agrees to pay the Quarterly Minimum Volume. Xerox will bill Customer for partial quarters on a pro rata basis.

EARLY TERMINATION: As per the Early Termination provision in the SSA, for every Order under this Services Contract number 7184786-001, you shall pay early termination charges as noted herein. If, prior to the end of the term of an Order hereunder, you terminate Equipment, require Equipment be removed or replaced or Xerox terminates an Order due to your default, you shall pay all amounts due Xerox as of that date, together with the Xerox-calculated monthly equipment component ("MEC"), which is available upon request and includes a disengagement charge, for all affected Equipment multiplied by the number of months remaining in said Order. In addition, you shall either make the subject Equipment (in the same condition as when delivered, reasonable wear and tear excepted) and its Software available for removal by Xerox when requested to do so or purchase the subject Equipment "AS IS, WHERE IS" and WITHOUT ANY WARRANTY AS TO CONDITION OR VALUE by paying Xerox the Fair Market Value ("FMV") of the Equipment at the conclusion of its term.

STAFF AGENDA REQUEST

DATE: April 20, 2023

TO: County Commission

FROM: Joaquin Padilla, Facility Operations Manager

SUBJECT: Request for Final Approval to Move Forward with the Second Back-up Dispatch Generator Project.

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:

The Facility Operations Department is requesting approval to move forward with the second back-up generator for the Dispatch Building project, in an amount not to exceed $241,804.00, for the project entirety. This purchase includes the generator from Cummins, transfer switch, WP enclosure, fuel tank, construction documents for installation and connection(s) to the new generator, transfer switch, MDP B and remote annunciator panel. Facility Operations will have to issue an RFP for the electrical portion of this project at a later date.

The Humboldt County Dispatch Building is a 24 hours a day, seven days a week, facility that is the hub of public safety communications. As such, this building requires a reliable back up power supply, in the event that NV Energy has a power outage.

The generator/back up power supply system currently at the dispatch building was designed to support two backup generators. During the build of the new dispatch center in 2013, it was decided to reduce cost and only install one generator. This facility (PSAP) should have two standby generators, as the main UPS system will only keep the facility operational for 3 hours in the event of a loss of NV Energy Utility Power and a single generator failure.

Since recent changes/losses in staff in the Facility Operations Department and the fact that they are very short handed, the Technology Services Department has volunteered to assist in the procurement and oversee the installation of this generator.

This purchase is being made in consideration of NRS 332.065 - Contracts for which estimated annual amount required to perform is more than $100,000: Advertisement required; permissive solicitation; award; prohibition on entering without certification relating to certain boycotts of Israel. (1) Except as otherwise provided by specific statute, if the estimated annual amount required to perform a contract is more than $100,000, the governing body or its authorized representative: (a) Shall advertise the contract in the manner prescribed in NRS 332.045; and (b) May issue a solicitation for the contract. (2) If the estimated annual amount to perform a contract is more than $100,000 and the method for obtaining the

contract designated in the solicitation is an invitation to bid, the governing body or its authorized representative must, except as otherwise provided by specific statute, award the contract to the lowest responsive and responsible bidder. The lowest responsive and responsible bidder may be judged on the basis of: (a) Price; (b) Conformance to specifications; … The amount of this purchase is more than $50,000 but less than $100,000 and two (2) quotes were obtained. However, the quote from Gamma, which was the higher quote, included installation, but does not conform to the specifications required for this generator. The quote from Cummins, which was the lower quote, did not include installation, but does conforms to the specifications required for this generator.

Additionally, this purchase is being made in consideration of NRS 332.115 – Contracts not adapted to award by competitive solicitation; purchase of certain equipment by local law enforcement agency, response agency or other local governmental agency; purchase of goods commonly used by hospital. (1) Contracts which by their nature are not adapted to award by a competitive solicitation, including contracts for: (d) Equipment which, by reason of the training of the personnel or of an inventory of replacement parts maintained by the local government is compatible with existing equipment; and (s) The design of, and equipment and services associated with, systems of communication, are not subject to the requirements of this chapter for a competitive solicitation, as determined by the governing body or its authorized representative… The Building and Grounds Department is standardizing all generators throughout the county's facilities to be similar and from the same manufacturer so that the vendor currently contracted for service and maintenance will be able to service and maintain all generators countywide. In addition, the county will be provided basic supplies to keep on hand such as oil and filters for the generators so that county staff members can perform basic maintenance in the case of an extended emergency situation that requires use of generators. This generator could also be considered equipment associated with a system of communication, as it would provide backup power to the dispatch building and the 911 system more specifically, in the event of a utility power outage. The 911 system is a system of communication.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:
For final approval to move forward with the second back-up Dispatch generator project, in an amount not to exceed $241,804.00.

PREVIOUS ACTION:
This project came before the Board of Commissioners during the February 21, 2023 meeting. At that time, it was approved by the Commission to move forward with purchasing the generator from Cummins in an amount not to exceed $72,309.00. This purchase was for the generator and ATS MTS only and it was to be the responsibility of Facility Operation's to issue an RFP for the remaining equipment required and installation for a later date. Shortly after the meeting it was found that the generator quoted and approved was not the proper generator and there was an issue with the size of area for the generator to sit in. Due to these issues it was brought to the County's Architectural Firm, CTA, to design the area for a proper fit.

HAS DISTRICT ATTORNEY REVIEWED AGREEMENT/CONTRACT IF APPLICABLE:
N/A

FISCAL IMPACT IF APPLICABLE:
The fiscal impact of this purchase would be an expenditure from the Facility Operation' approved budget for Fiscal Year 2022-2023, in an amount not to exceed $241,804.00.

RECOMMENDATION:
It is recommended that the Facility Operation's request for final approval move forward with the second back-up Dispatch generator project, in an amount not to exceed $241,804.00, be approved

LIST SUPPORTING DOCUMENTS IF APPLICABLE:
Quote from Cummins for generator and ATS MTS and CTA Proposal.

POSSIBLE MOTION:
Motion to approve the Facility Operation's request, as presented, to move forward with the second back-up Dispatch generator project, in an amount not to exceed $241,804.00.

LIEN; SECURITY AGREEMENT

Customer agrees that Cummins retains all statutory lien rights. To secure payment, Customer grants Cummins a Purchase Money Security Interest in the Equipment. If any portion of the balance is due to be paid following delivery, Customer agrees to execute and deliver such security agreement, financing statements, deed of trust and such other documents as Cummins may request from time to time in order to permit Cummins to obtain and maintain a perfected security interest in the Equipment; or in the alternative, Customer grants Cummins a power of attorney to execute and file all financing statements and other documents needed to perfect this security interest. Cummins may record this Agreement, bearing Customer's signature, or copy of this Agreement in lieu of a UCC-1, provided that it shall not constitute an admission by Cummins of the applicability or non-applicability of the UCC nor shall the failure to file this form or a UCC-1 in any way affect, alter, or invalidate any term, provision, obligation or liability under this Agreement. The security interest shall be superseded if Customer and Cummins enter into a separate security agreement for the Equipment. Prior to full payment of the balance due, Equipment will be kept at Customer's location noted in this Agreement, will not be moved without prior notice to Cummins, and is subject to inspection by Cummins at all reasonable times.

CANCELLATION; CHARGES

Orders placed with and accepted by Cummins may not be cancelled except with Cummins' prior written consent. If Customer seeks to cancel all or a portion of an order placed pursuant to this Agreement, and Cummins accepts such cancellation in whole or in part, Customer shall be assessed cancellation charges as follows: (i) 10% of total order price if cancellation is received in Cummins' office after Cummins has provided submittals and prior to releasing equipment to be manufactured; (ii) 25% of total order price if cancellation is received in Cummins' office after receipt of submittal release to order, receipt of a purchase order for a generator already on order with the factory, or is asked to make any hardware changes to the equipment already on order with the factory; (iii) 50% of total order price if cancellation is received in Cummins' office 60 or fewer days before the scheduled shipping date on the order; or (iv) 100% of total order price if cancellation is received in Cummins' office after the equipment has shipped from the manufacturing plant.

Unless otherwise stated, electronic submittals and electronic operation and maintenance manuals will be provided, and print copies may be available upon Customer's request at an additional cost.

TRAINING; START UP SERVICES; INSTALLATION

Startup services, load bank testing, and owner training are not provided unless otherwise stated. Site startup will be subject to the account being current and will be performed during regular Cummins business hours, Monday to Friday. Additional charges may be added for work requested to be done outside standard business hours, on weekends, or holidays. One visit is allowed unless specified otherwise in the Quote. A minimum of two-week prior notice is required to schedule site startups and will be subject to prior commitments and equipment and travel availability. A signed site check sheet confirming readiness will be required, and Cummins personnel may perform an installation audit prior to the startup being completed. Any issues identified by the installation audit shall be corrected at the Customer's expense prior to the start-up. Portable load banks for site test (if offered in the Quote) are equipped with only 100 feet of cable. Additional lengths may be arranged at an extra cost. Cummins is not responsible for any labor or materials charged by others associated with start-up and installation of Equipment, unless previously agreed upon in writing. Upon the occurrence of any event of Customer's default, Cummins, at its sole option and without notice, shall have the right to exercise concurrently or separately any one or all of the following remedies, which shall be cumulative and not alternative: (a) to declare all sums due, and to become due, under this Agreement immediately due and payable; (b) to commence legal proceedings, including collection actions and specific performance proceedings, to enforce performance by Customer of any and all provisions of this Agreement, and to be awarded damages or injunctive relief for the Customer's breach; (c) to require the Customer to deliver the Equipment to Cummins' branch specified on the face of this Agreement; (d) to exercise one or more of the rights and remedies available to a secured party under applicable law; and (e) to enter, without notice or liability or legal process, onto any premises where the Equipment may be located, using force permitted by law, and there to disconnect, remove and repossess the Equipment, the Customer having waived further right to possession after default. Even if Customer's purchase of Equipment from Cummins under this Agreement is based, in whole or in part, on specifications, technical information, drawings, or written or verbal advice of any type from third parties, Customer has sole responsibility for the accuracy, correctness and completeness of such specifications, technical information, drawings, or advice. Cummins make no warranties or representations respecting the accuracy, correctness and completeness of any specifications, technical information, drawings, advice or other information provided by Cummins. Cummins makes no warranties or representations respecting the suitability, fitness for intended use, compatibility, integration or installation of any Equipment supplied under this Agreement. Customer agrees to assign, and does hereby assign, all right, title, and interest to such intellectual property to Cummins. Any Cummins pre-existing intellectual property shall remain Cummins' property. Nothing in this Agreement shall be deemed to have given Customer a license or any other rights to use any of the intellectual property rights of Cummins.

In the event of a conflict in the terms of this Agreement with any Customer terms or conditions or agreement (whether referenced in an order submitted by Customer as the terms that govern the purchase of the Equipment or otherwise) or any terms set forth in any other documentation of Customer with respect to the Equipment, the terms of this Agreement shall govern.Cummins may incur additional charges which will be passed on to the Customer, as applicable.

Strict compliance with this provision and all laws of the territory pertaining to the importation, distribution, sales, promotion and marketing of the Equipment is a material consideration for Cummins entering into this Agreement with Customer and continuing this Agreement for its term. Customer represents and warrants that it has not and shall not, directly or through any intermediary, pay, give, promise to give or offer to give anything of value to a government official or representative, a political party official, a candidate for political office, an officer or employee of a public international organization or any other person, individual or entity at the suggestion, request or direction or for the benefit of any of the above-described persons and entities for the purposes of inducing such person to use his influence to assist Cummins in obtaining or retaining business or to benefit Cummins or any other person in any way, and will not otherwise breach any applicable laws relating to anti-bribery. Any failure by Customer to comply with these provisions will constitute a default giving Cummins the right to immediate termination of this Agreement and/or the right to elect not to recognize the warranties associated with the Equipment. Customer shall accept full responsibility for any and all civil or criminal liabilities and costs arising from any breaches of those laws and regulations and will defend, indemnify, and hold Cummins harmless from and against any and all fines, penalties, claim, damages, liabilities, judgments, costs, fees, and expenses incurred by Cummins or its affiliates as a result of Customer's breach.

WEC FACILITY HOURS
The normal WEC facility hours are 8:00 a.m. – 5:00 p.m., Monday through Friday, except for holidays.

LICENSE AGREEMENT
No organization or person may use any portion of the WEC for an organized event/activity without having first signed a License Agreement. A License Agreement must be signed by the Licensee and by an authorized representative of WEC, prior to the Licensee beginning any activities on the facilities. The License Agreement must also contain the names and signatures, authorized by the Licensee, to sign for incidentals that may be charged to the Licensee.

BASIC FACILITIES
The rental of WEC facilities provides only the basic building and/or facility and includes general designated areas, restrooms, and normal utilities. Rental does not include any electrical needs beyond the facility lighting, heat/air, and readily available single phase, 120 volt 20 amp outlets; for more information on utility and other charges, see the current WEC Facility Rental Handbook Fee Schedule.

RENTAL FEES
Rental fees will conform to the current WEC Facility Rental Handbook Fee Schedule and there is reserved to the WEC the right to modify the rental fees for priority use events.

USAGE HOURS
Facility usage charges shall apply to any periods of occupancy between the hours of 7:00 am and 12:00 am. No event shall be permitted to continue after 11:30 pm unless prior written approval has been granted by WEC

management. The building must be cleaned and vacated by 12:00 am. Applicable overtime costs will be charged unless all premises are vacated and secured by the time specified in the License Agreement.

PRIORITY USE

The highest priority of use of the Winnemucca Events Complex is for events that primarily bring persons from out-of-county, and thereby contribute to the economic well-being of the entire county. Licensee use of the facility may be canceled by the WEC at any time up to 180 days before Licensee's scheduled event in case facilities are required for an out-of-county function. In such event, WEC will make reasonable efforts to relocate the canceled event to another facility but shall be under no duty to find another facility and shall have no liability for such cancellation or failure to find an alternate facility. A refund of 100% of all monies deposited by Licensee will be made in case of an authorized cancellation by the WEC.

BOOKING & RESERVATIONS FOR NEW EVENTS

The WEC accepts contractually binding bookings up to twelve (12) months in advance. New events are booked on a firm basis when the first License Agreement payment has been received by the WEC booking office.

BOOKINGS & RESERVATIONS FOR EXISTING, ANNUAL/RETURNING EVENTS

A reasonable effort will be made to reschedule annual/returning events in good standing on the corresponding dates for the following year. In the event the dates requested are not available, the WEC will work with the Licensee to provide alternate dates. A Licensee desiring to reschedule an annual/returning event for the following year must make written request to the WEC booking office within thirty (30) calendar days following the last day of the event. It is the Licensee responsibility to initiate and submit the written request. Upon receipt of the request, the applicant will be sent a License Agreement, which must be signed and returned with the required deposit within ten (10) business days. Failure to do so will result in the date being released. The WEC will not be held responsible for events cancelled because of failure to comply with the foregoing requirements.

SCHEDULING

Scheduling is at the sole discretion and right of the WEC, and the WEC reserves the right to refuse and/or cancel dates for an event that has potential to endanger spectators, participants, or WEC facilities/property. If two or more qualified individuals or organizations make a request for the same facility and date, on the same day, the successful applicant will be determined by lottery draw. A representative from each party will be invited to participate in the lottery process.

FEE PAYMENT SCHEDULE

The Licensee shall pay to the WEC, a sum based on the facilities licensed, plus costs and incidental charges for the use of the WEC facilities as follows:

1. Contracts executed 90 or more days prior to the event.
    a. Fifty percent (50%) of the contract amount shall be paid upon execution of the License Agreement.
    b. The contract balance shall be paid no later than 90 days prior to the first day of the event.
2. Contracts executed less than 90 days prior to the event.
    a. The entire contract amount shall be paid upon execution of the License agreement.

Upon event approval a License Agreement must be signed and returned with the required deposit within ten (10) business days. Failure to do so will result in the date being released. It is the Licensee's sole responsibility to ensure that the License Agreement and deposit are returned in a timely manner. Failure to timely make subsequent fee payments when due may result in the date being released. All payments made less than fourteen (14) days prior to the first day of the event must be made by money order or cashier check. Any additional charges incurred during an event shall be paid within five (5) working days following the event.

CANCELLATIONS

If an event is cancelled, the Licensee must notify the WEC in writing. If the written notice is received by the WEC sixty (60) days or more prior to the first day of the event, the Licensee shall forfeit twenty-five percent (25%) of the contract amount plus the amount of any costs and incidental charges incurred by the WEC in preparing for the event, and the remaining contract balance held by the WEC will be refunded. If the written notice is received by the WEC less than sixty (60) days prior to the first day of the event, the entire amount paid by the Licensee shall

be forfeited, and the Licensee shall remain fully liable for any remaining balance on the contract as well as all costs and incidental charges incurred by the WEC in preparing for the event.

CHARITABLE NON-PROFIT GROUPS

A non-profit group, entity or organization registered in the State of Nevada which is either recognized as exempt under section 501(c)(3) of the Internal Revenue Code as amended, or is organized for a public or charitable purpose and which upon dissolution must distribute its assets to the United States, a state, or a person which is recognized as exempt under section 501(c)(3) of the Internal Revenue Code as amended, may qualify for the non-profit rental fee established for each facility. Non-profit groups, entities or organizations shall not be permitted to subcontract their non-profit status for use by a commercial enterprise. WEC will make the final determination of an event being classified as "non-profit" or "commercial" based on the purpose for which the facility is being used.

INSURANCE REQUIREMENTS

Every Licensee and every person, group, entity, or organization hosting an event at the WEC must have a general liability policy that shall be in effect throughout the occupancy of the premises (set-up, event, dismantle), which shall be at least $500,000 Combined Single Limit, covering bodily injury and property damage, depending on facility usage. Additional coverage amounts may be required depending on the nature of the event or activity.

THE AGRICULTURAL DISTRICT #3 BOARD SHALL BE NAMED CERTIFICATE HOLDER AND THE WINNEMUCCA EVENTS COMPLEX, HUMBOLDT COUNTY, ITS OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES SHALL BE ADDITIONAL INSUREDS. Certificates will not be accepted if they do not include the additional insureds exactly as stated.

The WEC must be notified at least fourteen (14) calendar days in advance of any reduction in or cancellation of the coverage.

Certificate showing compliance with the above requirements must be submitted to the WEC booking office at least fourteen (14) calendar days prior to the event. Failure to submit an acceptable insurance certificate will result in cancellation of the event.

- WEC reserves the right to request a complete text of the liability policy.
- All significant limitations and exclusions must be identified and included in the certificate of insurance.
- WEC reserves the right to reject any certificate of insurance or other evidence of coverage if in the WEC opinion such coverage does not meet WEC standards or comply with WEC insurance requirements.
- WEC may at its sole discretion require higher limits of bodily injury and property damage liability insurance depending on exposure of risk.

SET-UP & DISMANTLE

Subject to staff and manpower availability to set-up and dismantle the facilities, Licensee may be permitted up to four (4) hours of set-up time prior to an event for each full day the premises are rented. If an event is scheduled prior to the Licensee event, the WEC will endeavor to make the facility available as soon as possible. Normal set-up hours are 8:00 am to 5:00 pm, Monday through Friday, excluding holidays. To ensure sufficient set-up time, the Licensee may reserve the day prior to the event and pay the established set-up fee. An event must be dismantled, and the facilities cleaned and vacated within the time allotted per the Licensee Agreement. If additional time is anticipated, arrangements must be made in advance. WEC reserves the right to adjust set-up and dismantle times as necessary.

NSF CHECKS

Upon return of any check for insufficient funds, the Licensee must pay all fees by cashier check or cash. In addition, a $25.00 fee will be charged for all returned checks.

LATE CHARGES

Payments postmarked or delivered seven (7) business days after the payment due date will be charged a late penalty of $25.00. Accounts thirty (30) calendar days past due will pay interest at the rate of one percent (1%) per month on the outstanding balance.

CONCESSION SERVICE

Concession service is defined as the sale of food and beverages such as hamburgers, hot dogs, sandwiches, pizza, tacos, salad, soup, pastries, breakfast items, water, soft drinks, alcoholic beverages, coffee, etc. **The WEC retains all concession rights for the sale of food and beverages on and about the facilities and premises and reserves the right to assign concession privileges and to establish and collect charges payable in consideration of the assignment of concession privileges** (normally 15% of gross food and bar receipts). Licensees may suggest a concessionaire(s) for events and shows. However, the WEC reserves the sole right of determination as to final concessionaire selection and location. **Each concessionaire must sign a Concession and Exhibit Space Agreement and comply with all rules, regulations, and procedures contained therein.** When alcoholic beverages are sold, the concessionaire must supply the WEC with proof of all applicable permits or licenses **not less than 14 calendar days prior to the event**. Bona fide, non-profit organizations performing their own concession functions for their own events or for their own fundraising activity are exempt from the concession food or bar fee. However, they are not exempt from normal rental and kitchen fees as established herein.

WEC does not provide ice for bar or concession purveyors. The catering purveyor must serve beverages only in plastic, paper or aluminum containers – no glass containers are allowed. Patrons attending events at the WEC are prohibited from bringing bottles, cans, and alcoholic beverages onto the premises. Catering supplies may not be stored in the Event Center elevator closets. Storage in other areas must be approved in advance by the WEC. Sale or distribution of an alcoholic beverage to a minor may, at the discretion of WEC, result in immediate closure of the bar and/or concession.

CATERING

Any private party, business, professional caterer, or organization performing catering functions for other persons, groups or organizations (the "caterer client") shall pay fifteen percent (15%) of the gross food and bar receipts arising from use of the WEC facilities by the caterer based upon invoices to the caterer client, whether served or prepared in WEC facilities or not. Each caterer shall furnish the WEC with a copy of each bill or invoice to a caterer client. Caterers must also pay a preparation fee for use of kitchen before or after the day of event, if applicable. Bona fide non-profit organizations performing their own catering functions for their own private meetings or conventions or for their own fundraising activity are exempt from the caterer food or bar fee. However, they are not exempt from normal rental and kitchen fees as established herein. All caterer property must be removed and the kitchen cleaned prior to event curfew or within 4 hours of event completion, whichever is sooner. Kitchen clean-up is to be performed according to the WEC kitchen usage and clean-up policies. If clean-up is unsatisfactory to WEC, the caterer shall be billed for the cost of required clean-up or rewashing of dishes at WEC cost plus 50%. Use of kitchen for events not held at publicly owned facilities may be restricted. Caterers must adhere to all Nevada State Health Department rules and regulations, and obtain all applicable city, county, and/or state permits or licenses. All parties utilizing kitchen or bar facilities must comply with the WEC Concession, Catering, and Novelty Rules and Fees.

VENDORS, NOVELTY CONCESSIONS & SPECIAL SALES

The WEC retains all concession rights for novelty and special sales on and about the facilities and premises and reserves the right to assign concession privileges and to establish and collect charges payable in consideration for the assignment of concession privileges. Concessionaires must sign a Concession and Exhibit Space Agreement and will be assigned specific locations from which to sell novelties and special items.

No vendor may be located in the parking lots or in front of roll-up or access doors to buildings. No storage or parking by vendors of trucks and/or trailers on any of the paved parking areas. Each vendor must obtain and exhibit a city business license. It is the responsibility of the Licensee to coordinate the collection of the state sales tax with the Nevada Department of Taxation. Vendor supplies may not be stored in Event Center elevator closets. Storage in other areas must be approved in advance by the WEC.

SIGNS, BANNERS & ADVERTISING

All advertising space on the WEC is the exclusive property of WEC. No signs or banners are permitted on any location of the WEC without prior WEC approval. Signs and banners directing the public to an event may be placed on the day of event. All signs and banners or other advertising will be removed immediately following an event.

WEC reserves the right to sell display signs for general display inside the Event Center and the WEC. WEC will not sell sponsorship signs solely for a License event.

Licensee may display information, decorations, and commercial or other banner signs which do not interfere with the visibility or otherwise detract from the WEC scoreboard or building sponsorship signs. WEC may remove or cause to be removed any Licensee display information, decorations, and commercial or other banner signs which, in the judgment and sole discretion of the WEC, are deemed inappropriate or in poor taste.

ELECTRONIC BILLBOARD

The Indoor Event Center electronic billboard is available for Licensee use subject to WEC prior approval. A limited amount of Licensee copy (logos, sponsors, schedules, etc.) may be posted at no cost. More comprehensive copy/video services may be available for an additional fee. Licensee copy must be submitted not later than two weeks prior to the start of the event.

CLEANING

WEC is responsible for cleaning all facilities prior to occupancy by Licensee. Licensee shall be responsible for the cleanup of exhibitor's area and removal of any debris, packing materials, boxes, samples, stickers, tape, signs, posters, buttons, balloons, etc. from the ceilings, floors, walls, and areas leading to and from the facilities. Tables and chairs are to be wiped clean and returned to their racks and all garbage and trash thrown in dumpsters located outside the buildings. Licensee is responsible for any trash left by vendors. If cleanup is performed by the WEC, the cost shall be charged to the Licensee. An additional dumpster fee may be charged for events with excessive debris.

EVENT ATTENDANT

Depending on the estimated event attendance and number of facilities used, WEC will determine the number of WEC attendants and work schedule required for the event. The cost to Licensee for attendants required to be on duty when the facility is used for an organized activity before or after normal WEC facility hours (8:00 am – 5:00 pm daily, except holidays) shall be assessed in accordance with the current Fee Schedule.

CUSTODIAL SERVICE

WEC will provide general custodial services such as the cleaning and restocking of restrooms, emptying of garbage cans, and sweeping aisles during an event. Depending on the estimated event attendance, additional custodial attendants may be required in the sole discretion of the WEC and the cost of such additional attendants will be assessed Licensee in accordance with the current Fee Schedule.

OTHER LABOR

Other labor requirements will be determined in the sole discretion of the WEC according to the specific nature of the event and the facilities being used. The cost of such additional labor will be assessed Licensee in accordance with the current Fee Schedule.

COMMON AREAS

No portion of the sidewalks, entries, passages, vestibules, halls, elevators, ramps, stairways, or access to public utilities of the buildings or grounds shall be obstructed by the Licensee or used for any purpose than for ingress or egress to and from the premises. Doors or openings that reflect or admit light in any place in the buildings, hallways, corridors, passageways and house lighting attachments shall not be covered or obstructed by Licensee.

DAMAGE/LOSS

If any portion of the buildings, grounds, stands, fixtures, and/or equipment are damaged by the act, default, or negligence of Licensee, Licensee's agents, employees, patrons or guests, or any person admitted or invited to the premises by Licensee, Licensee shall pay WEC, upon demand, such sums as are reasonably necessary to restore the premises to its condition prior to such damage. Licensee assumes full responsibility for the character, acts, and conduct of all persons admitted or invited to the premises by or with the consent of Licensee or any person acting for and with the consent of Licensee.

The use of staples, nails, tacks, or cellophane tape to attach decorations to walls, ceilings, etc., is prohibited. Decorations must be removed by the Licensee following the event.

The WEC is not responsible for the loss of Licensee or exhibitor property, goods, or displays by theft or any other means, including loss by fire. It is the responsibility of the Licensee, and each exhibitor or vendor, to ensure that property, goods or displays are locked and secured against loss by theft at any time the property, goods, or displays are left unattended, including the hours the event or activity is not open to the public. Proper and adequate security service personnel are the sole responsibility of Licensee for Licensee events, shows or activities that feature expensive, valuable or vulnerable items, before during, and after such events, shows or activities. No person shall be, or remain, in any building on the WEC during designated locked, closed or secured times except for authorized security personnel conducting extended or overnight security, if provided, and authorized WEC personnel.

The Board has the right to reject or refuse entry to any person, and for such purposes the Licensee consents to such authority and waives any right or claim against the Board which it may have as a result of the exercise of such authority.

ENTRY BY WEC
WEC, through its authorized representatives, reserves the right to enter into any WEC premises or area in use by Licensee for the purpose of monitoring compliance with the License Agreement or WEC policy, and for the purposes of repair or improvement, provided that such entry and work will not unreasonably interfere with Licensee's operation, and in all cases of emergency, as determined by the WEC.

STALLS/CAMPING

Subdivision(s) and/or Special District(s) that sign(s) onto the One Nevada Agreement and participate(s) in the Walmart and/or Allergan settlement agreements also will become Participating Subdivisions. The State acknowledges the materiality of the foregoing representation and warranty.

VI. Release

A. Section XI of the CVS Global Settlement is incorporated by reference and applies to this Agreement, including without limitation the following provisions:

1. *Scope.* . . .[T]he Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. [The] State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of [the] State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

2. *General Release*. In connection with the releases provided for in this Agreement, [the] State (for itself and its Releasors) and [each] Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent**. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges . . . any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the . . . State['s] decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

3. *Representation and Warranty*. The signator[y] hereto on behalf of [the State] expressly represent[s] and warrant[s] that [he or has] (or will obtain . . .) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of

(1) the[] . . . State[], (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of the[] . . . State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from [the] State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

VII. Miscellaneous

A. Further Incorporation by Reference. Sections V.F, XII.A, XII.E, XIII.A through XIII.D, XIII.F through XIII.P, and XIII.R through XIII.T of the CVS Global Settlement are incorporated by reference and apply to this Agreement.

B. Warranty of Equitable Treatment. The State warrants that, after the Execution Date, it will not settle claims against another pharmacy defendant that is more favorable to that other defendant based on the total amount of the settlement (including without limitation remediation payments, fees, and costs) with CVS (subject to a net-present-value adjustment in the event of different payment periods). The State acknowledges the materiality of the foregoing warranty.

C. Public Statements. CVS and the State agree to work together and coordinate the announcement and timing of the Agreement.

D. Records Custodian. CVS will provide an affidavit(s) from a records custodian to authenticate up to fifty (50) records requested by the State, which have been produced by CVS in the Nevada AG Action and that are capable of being authenticated by CVS. In the event the affidavit(s) is (are) not accepted in the Nevada AG Action, CVS will make a witness available to authenticate the records at trial if necessary.

E. Fees and Costs. Attorney fees and costs have been addressed and resolved directly between CVS and counsel.

F. Amendment. This Agreement may be amended or modified only by the mutual written agreement of CVS and the Attorney General.

8. In connection with the releases provided for in the CVS-Nevada Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the CVS-Nevada Settlement.

9. Nothing herein is intended to modify in any way the terms of the CVS-Nevada Settlement, to which Governmental Entity hereby agrees. To the extent this Subdivision Participation and Release Form is interpreted differently from the CVS-Nevada Settlement in any respect, the CVS-Nevada Settlement controls.

I have all necessary power and authorization to execute this Subdivision Participation and Release Form on behalf of the Governmental Entity.

CVS SETTLEMENT AGREEMENT

This Settlement Agreement, dated as of December 9, 2022 (the "*Agreement*"), sets forth the terms of settlement between and among the Settling States, CVS, and the Participating Subdivisions (as those terms are defined below). Upon satisfaction of the conditions set forth in Section II and Section VIII, this Agreement will be binding on all Settling States, Participating Subdivisions, and CVS. This Agreement will then be submitted for entry as part of Consent Judgments in the respective courts of each of the Settling States, pursuant to the terms set forth in Section VIII.

WHEREAS, certain States and Subdivisions have filed or could file Actions in various forums against CVS raising Claims or allegations concerning, related to, based upon, or in connection with the Alleged Harms and/or the Covered Conduct;

WHEREAS, CVS (i) denies each and all of the Claims and allegations of wrongdoing made by the States and Litigating Subdivisions in each of the Actions and maintains that it has meritorious defenses; (ii) denies all assertions of wrongdoing or liability against CVS arising out of any of the conduct, statements, acts or omissions alleged, or that could have been alleged, in the Actions already brought or that could be brought by any State or Subdivision related to the Covered Conduct and/or Alleged Harms and contends that the factual allegations made in the current Actions relating to CVS are false and materially inaccurate; (iii) denies that any State, Subdivision, or resident thereof was harmed by any conduct of CVS; (iv) denies liability, denies any wrongdoing, and denies it violated any federal or state statute, regulation, or common law; and (v) maintains that CVS would be able to successfully defend against the Claims and allegations at trial, that the facts do not support the allegations, that CVS engaged in no misconduct or unlawful activity, and that CVS caused no harm to any State, Subdivision, or resident thereof;

WHEREAS, the Parties have investigated the facts and analyzed the relevant legal issues regarding the Claims and defenses that have been or could have been asserted in the Actions;

WHEREAS, the Parties have determined that it is preferable to resolve any Claims the States and Subdivisions may have through a cooperative and mutually beneficial settlement that provides funding to remediate Alleged Harms;

WHEREAS, the Parties have each considered the costs, delays and uncertainty associated with the continued prosecution and defense of the Actions;

WHEREAS, the Parties believe the settlement set forth herein avoids the uncertainties of litigation and assures that the benefits reflected herein are obtained;

WHEREAS, the States have concluded that the terms of the settlement are fair, reasonable and adequate and in the best interests of the States and all Subdivisions and citizens and residents of the States;

WHEREAS, the Parties have agreed to the terms herein for the sole purpose of settlement, and nothing herein may be taken as or construed to be an admission or concession of any violation

of law, rule, or regulation, or of any other matter of fact or law, or of any liability or wrongdoing or lack thereof;

WHEREAS, no part of this Agreement, including its statements and commitments, shall constitute evidence of any liability, fault, or wrongdoing, or of any lack thereof; and

WHEREAS, unless the contrary is expressly stated, this Agreement is not intended for use by any Party or any third party for any purpose not expressly stated herein, including submission to any court for any purpose other than Court approvals associated with this Agreement.

NOW, THEREFORE, IT IS HEREBY AGREED by and between the Settling States, Participating Subdivisions, and CVS, by and through their respective counsel, as follows:

F. "*Allocation Statute*" means a state law that governs allocation, distribution, and/or use of some or all of the Settlement Fund amounts allocated to that State and/or its Subdivisions. In addition to modifying the allocation as set forth in Section V.D.2, an Allocation Statute may, without limitation, contain a Statutory Trust, further restrict expenditures of funds, form an advisory committee, establish oversight and reporting requirements, or address other default provisions and other matters related to the funds. An Allocation Statute is not required to address all three (3) types of funds comprising the Settlement Fund or all default provisions.

If not easily calculable from state data sources and agreed to between the Eligible State and CVS, a fire district's population is calculated by dividing the population of the county or counties a fire district serves by the number of fire districts in the county or counties. III. "*Reference Date*" means the date on which CVS is to provide notice to the Settling States and the Enforcement Committee of its determination whether to proceed with this Agreement as required by Section VIII.B. Released Claims also include all Claims asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. The Parties intend that "Released Claims" be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that the use and/or effect of this Agreement in connection with Claims by private individuals be treated in accordance with applicable law. Any person or entity described in subsections (3)-(5) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. For the avoidance of doubt, any joint venture partner of a joint venture in subsection (2) or (4) is not a Released Entity unless such entity independently falls within subsections (1)-(5) above. An illustrative list of CVS's present joint ventures, subsidiaries, affiliates and predecessor entities is set forth in Exhibit J. With respect to joint ventures (including predecessor entities), only entities listed on Exhibit J are Released Entities. Current or former defendants in *In re: National Prescription Opiate Litigation*, No. 1:17-md-2804 (N.D. Ohio) ("*MDL*") (or in other pending litigation asserting a Claim for Covered Conduct, as identified in the *"National Opiate Litigation – Case and Defendant Extract"* provided to CVS by the Plaintiffs' Executive Committee on November 22, 2022) not identified in Exhibit J are not considered Released Entities, *provided, however*, that any CVS entities that fall within clauses (1)-(5) above against whom Released Claims are brought in the MDL on or after December 9, 2022 shall be considered Released Entities even if not listed on Exhibit J. For the avoidance of doubt, any entity acquired, or joint venture entered into, by CVS before the Initial Subdivision Participation Date is a Released Entity, but any entity acquired, or joint venture entered into, by CVS after the Initial Subdivision Participation Date is not a Released Entity.

LLL. "*Releasors*" means (1) each Settling State; (2) each Participating Subdivision; and (3) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision to release Claims, (a) the Settling State's and Participating Subdivision's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, law enforcement districts, emergency services districts, school districts, hospital districts and other Special Districts in a Settling State, and (c) any person or entity acting in a *parens patriae*, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief on behalf of or generally applicable to the general public with respect to a Settling State or Subdivision in a Settling State, whether or not any of them participate in the Agreement. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Subdivision Participation Date) the authority set forth in Section XI.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Participation Agreement referenced in Section VII providing for a release to the fullest extent of the Participating Subdivision's authority.

MMM. "*Remediation Accounts Fund*" means the component of the Settlement Fund described in Section V.E.

NNN. "*Revocation Event*" means, with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims, or any other action or event that otherwise deprives the Bar, Settlement Class Resolution, or Case-Specific Resolution of force or effect in any material respect.

OOO. "*Settlement Class Resolution*" means a class action resolution in a court of competent jurisdiction in a Settling State (that is not successfully removed to federal court) with respect to a class of Subdivisions in that Settling State that (1) conforms with that Settling State's statutes, case law, and rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that Settling State and such order has become a Final Order; (3) is binding on all Non-Participating Subdivisions in that Settling State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions may not bring any Released Claims against any Released Entities, whether on the ground of this Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on CVS other than those provided for in this Agreement, or contain any provision inconsistent with any provision of this Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement

purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

PPP. "*Settlement Fund*" means the interest-bearing fund established pursuant to this Agreement into which the payment under Section IV is made. The Settlement Fund is comprised of the Remediation Accounts Fund, State Fund, and Subdivision Fund.

QQQ. "*Settlement Fund Administrator*" means the entity that determines the payments and reversions due under Section IV and Section IX, including annually determining the Payout Amount and calculating incentive payments, administers the Settlement Fund, and distributes amounts into three sub-funds (the Remediation Accounts Fund, State Fund, and Subdivision Fund) pursuant to this Agreement. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to the Initial Subdivision Participation Date, CVS and the Enforcement Committee shall agree to selection and removal processes for and the identity of the Settlement Fund Administrator, and a detailed description of the Settlement Fund Administrator's duties and responsibilities, including a detailed mechanism for paying the Settlement Fund Administrator's fees and costs, all of which shall be appended to the Agreement as Exhibit L.

RRR. "*Settling State*" means an Eligible State that has entered into this Agreement with CVS and delivers an executed State Participation Form and executed releases in accordance with Section II.A.

SSS. "*State Global Allocation Percentage*" means the allocation percentages for all States as set forth in Exhibit F-1, which represents allocations before adjusting for States that are not Eligible States due to prior settlements with CVS (Florida, New Mexico, and West Virginia).

TTT. "*State Fund*" means the component of the Settlement Fund described in Section V.C.

UUU. "*State Participation Form*" means the form attached as Exhibit V.

VVV. "*State Participation Date*" has the meaning set forth in Section II.A.

WWW. "*State-Subdivision Agreement*" means an agreement that a Settling State reaches with the Subdivisions in that Settling State regarding the allocation, distribution, and/or use of funds allocated to that Settling State and to its Subdivisions. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A Settling State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

XXX. "*Statewide Payment Amount"* means the amount from an Annual Payment to be paid to a Settling State, its separate types of funds (if applicable), and its Participating Subdivision listed on Exhibit G.

YYY. "*Statutory Trust*" means a trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from such Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. A Settling State may give a Statutory Trust authority to allocate one (1) or more of the three (3) types of funds comprising such State's Settlement Fund, but this is not required.

ZZZ. "*Subdivision*" means any (1) General-Purpose Government (including, but not limited to, a municipality, county, county subdivision, city, town, township, parish, village, borough, gore, or any other entities that provide municipal-type government), School District, or Special District within a Settling State, and (2) any other subdivision, subdivision official (acting in an official capacity on behalf of the subdivision) or sub-entity of or located within a Settling State (whether political, geographical or otherwise, whether functioning or non-functioning, regardless of population overlap, and including, but not limited to, nonfunctioning governmental units and public institutions) that has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity. "General-Purpose Government," "School District," and "Special District" shall correspond to the "five basic types of local governments" recognized by the U.S. Census Bureau and match the 2017 list of Governmental Units.[3] The three (3) General-Purpose Governments are county, municipal, and township governments; the two (2) special purpose governments are School Districts and Special Districts.[4] The terms "Fire District," "Health District," "Hospital District," and "Library District" shall correspond to categories of Special Districts recognized by the U.S. Census Bureau.[5] References to a Settling State's Subdivisions or to a Subdivision "in," "of," or "within" such Settling State include Subdivisions located within the Settling State even if they are not formally or legally a sub-entity of such Settling State; *provided*, *however*, that a "health district" that includes any of the following words or phrases in its name shall not be considered a Subdivision: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

AAAA. "*Subdivision Allocation Percentage*" means the portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V.C or Section V.D if it becomes a Participating Subdivision. Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Subdivision Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

BBBB. "*Subdivision Fund*" means the component of the Settlement Fund described in Section V.C.

CCCC. "*Subdivision Participation Agreement*" means the form of agreement attached as Exhibit K that Participating Subdivisions must execute and return to the Implementation Administrator or Settlement Fund Administrator.

DDDD. "*Threshold Motion*" means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal any applicable Bar or the relevant release by a Settling State or Participating Subdivision provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

EEEE. "*Total Remediation Amount*" means the aggregate amount paid or incurred by CVS hereunder other than amounts paid as attorneys' fees and costs or identified pursuant to Section V.B.2 as being used to pay attorneys' fees, investigation costs or litigation costs.

II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States*. On December 9, 2022, this Agreement shall be distributed to all Eligible States by the Enforcement Committee. The Eligible States' Attorneys General shall then have until December 31, 2022 (the "*State Participation Date*"), to decide whether to become Settling States. Eligible States that determine to become Settling States shall sign a State Participation Form, in the form attached as Exhibit Y, and provide it to CVS and the Enforcement Committee on or before the State Participation Date. The State Participation Date may be extended by the written agreement of CVS and the Enforcement Committee.

B. *Condition to Preliminary Agreement—Settling States' Determination to Proceed*. Following the State Participation Date, the Settling States on the Enforcement Committee shall determine whether enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. The Settling States shall have full, unfettered, and unilateral discretion to abandon the Agreement, without prejudice, should they

determine, based on any criteria or factors they deem relevant, that the Eligible State participation level is insufficient. Within seven (7) calendar days after the State Participation Date, the Settling States shall provide notice to CVS and the Enforcement Committee whether they intend to proceed with the Agreement. Should the Settling States give notice of insufficient Eligible State participation and elect not to proceed, then this Agreement shall have no further effect and all releases, payment obligations, and other commitments or obligations contained herein shall be void.

C. *Condition to Preliminary Agreement—CVS's Determination to Proceed*. If the Settling States elect to proceed, then CVS shall determine whether enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII below. CVS shall have full, unfettered, and unilateral discretion to abandon the Agreement, without prejudice, should it determine, based on any criteria or factors it deems relevant, that the Eligible State participation level is insufficient. Within seven (7) calendar days after receiving notice of the Settling States' election to proceed pursuant to Section II.B, CVS shall provide notice to the Settling States and the Enforcement Committee whether it intends to proceed with the Agreement. Should CVS give notice of sufficient Eligible State participation and elect to proceed, the date of the notice shall be the Preliminary Agreement Date. Should CVS give notice of insufficient Eligible State participation and elect not to proceed, then this Agreement shall have no further effect and all releases, payment obligations, and other commitments or obligations contained herein shall be void.

D. *Later Joinder by States*. Should the Settling States and CVS elect to proceed with the Agreement, then an Eligible State may become a Settling State after the Preliminary Agreement Date only with the consent of CVS, in its sole discretion. If an Eligible State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before May 31, 2023, then the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of that Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after May 31, 2023.

E. *Litigation Activity*. Following the State Participation Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease all litigation activity against the Released Entities, including by jointly seeking stays or severance of Claims against Released Entities, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief*. As part of the Consent Judgments, the Parties agree to the entry of the injunctive relief terms as set forth in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Payments by CVS.*

1. CVS shall make ten (10) Annual Payments, each comprised of base payments and incentive payments as provided in this Section IV and Exhibit M-1; *provided that* the Annual Payment in Payment Year 1 shall consist solely of base payments. As a result, and as set forth in Exhibit M-1, base payments in Payment Years 2 through 10 are less than base payments in Payment Year 1 to ensure they do not exceed thirty-eight percent (38%) of each Settling State's allocable share of the Maximum Remediation Amount.

2. In no instance shall CVS's Annual Payment obligation exceed the Maximum Annual Remediation Payments, reduced for Non-Settling States, except as specified in the definition of "Maximum Annual Remediation Payments" for Payment Years 6-10. In no instance shall the sum of CVS's Annual Payment obligations exceed the Maximum Remediation Payment, reduced for Non-Settling States.

C. *Settlement Fund Payment Process*

1. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of April 30 of the Payment Year for each Annual Payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. determining, for each Settling State, the amount of base payments and incentive payments to which the State is entitled by applying the criteria in this Section;

b. applying any reductions or offsets required by Section IV and Section XII; and

c. determining the total amount owed by CVS to all Settling States and Participating Subdivisions listed on Exhibit G.

3. As soon as possible, but no later than forty-five (45) days prior to the Payment Date, the Settlement Fund Administrator shall give notice to CVS, the Settling

States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, CVS, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and CVS identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and CVS identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and CVS shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify CVS of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Maximum Annual Payment. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Maximum Annual Remediation Payments.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by CVS into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G.

e. At any time before the Payment Date for an Annual Payment, CVS and the Enforcement Committee may agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State. If such agreement is reached, CVS and the Enforcement Committee shall inform the Settlement Fund Administrator, and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund

Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection (other than those for which no response is filed under Section IV.C.3.c or Section IV.C.4.d) shall be resolved in accordance with the terms of Section VI.

6. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements

under other comparable opioid settlements. No such disbursement determinations by the Settlement Fund Administrator shall impact in any respect the amount, composition, or determination of an Annual Payment under this Agreement or CVS's obligations under this Agreement.

7. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive and are not eligible to receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Payment Date and Procedure for Annual Payment in Payment Year 1.* The procedure described in Section IV.C.2 and Section IV.C.3 for determining the amount of the Annual Payment shall not apply to Payment Year 1. The procedure in lieu of Section IV.C.2 and Section IV.C.3 for determining the amount of the Annual Payment for Payment Year 1 is as set forth here. The Payment Date for Payment Year 1 is June 30, 2023 or the Effective Date, whichever is later. On or before such date, and *provided that* the conditions set forth in Section II.B, Section II.C, Section VIII.B, and Section VIII.C have been satisfied, CVS shall deposit into the Settlement Fund the Maximum Annual Remediation Payment for Payment Year 1 as specified in Exhibit M-1 (which, again, shall consist only of base payments). The excess amount paid in Payment Year 1—including without limitation any amounts allocable to Non-Settling States—shall be deducted from the Annual Payment for Payment Year 2, along with any other deductions or reductions to the Annual Payment for Payment Year 2.

E. *Payment Date for Payment Years 2 through 10.* The Payment Date for Payment Years 2 through 10 is June 30 of each Payment Year or thirty (30) calendar days from when the Settlement Fund Administrator gives notice to CVS of the amount of the Annual Payment for a Payment Year, whichever is later. The Annual Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Payments to the Settlement Fund for Non-Settling States.* An offset equal to the Maximum Remediation Payment of $4,279,160,837 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by CVS to the Settlement Fund. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the Maximum Annual Remediation Payments specified in Exhibit M-1 are reduced by the aggregate Overall Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

G. *Base Payments.*

1. CVS shall make base payments into the Settlement Fund in an amount equal to thirty-eight percent (38%) of the Maximum Remediation Payment of $4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F. The maximum total for base payments is $1,626,081,118. The base payments shall be due in annual installments consistent with Exhibit M-1 over the ten (10) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. Each Settling State's total base payments for all Payment Years shall not exceed thirty-eight percent (38%) of each Settling State's Overall Allocation Percentage times the Maximum Remediation Payment.

3. The base payment for any Settling State in each Payment Year shall be the base payment for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2.

H. *Incentive Payments.*

1. CVS shall make potential incentive payments into the Settlement Fund, totaling up to a maximum of sixty-two percent (62%) of the Maximum Remediation Payment of $4,279,160,837, minus any offsets for Non-Settling States specified in Section IV.F, with the actual incentive payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for incentive payments is and cannot exceed $2,653,079,719.

2. A Settling State qualifies to receive incentive payments in addition to base payments if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for incentive payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. Incentive payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be available from four (4) categories, referred to as Incentive Payments A, B, C, and D. Incentive Payments A, B, and C will be due in annual installments over the nine (9) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over five (5) years beginning with Payment Year 6, as shown on Exhibit M-1. The total amount of incentive payments in an Annual Payment shall be the sum of the incentive payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be determined with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, B, C, and D shall be determined on a Settling State-by-Settling State basis and for each Payment Year as set forth below. Except to the limited extent provided below for Incentives A (see Section IV.H.6.c) and D (see Section IV.H.9.j), a Settling State may not earn and shall not be paid in any later Payment Year an annual incentive payment for a prior Payment Year, or any portion thereof, that it failed to qualify for in that prior Payment Year.

4. A Settling State may either qualify for Incentive Payment A, or it can alternatively qualify for Incentive Payments B, C, and/or D. A Settling State will be eligible for its full allocable share of the maximum amount available for incentive payments by either (a) achieving Incentive Payment A within two (2) years of the Effective Date or (b) by fully earning Incentive Payment B in each Payment Year it is available and

earning Incentive Payments C and D in a manner that produces that maximum possible combined amount from those two incentives.

5. The following time periods apply to Incentive Payments B and C:

a. Period 1: Zero to two hundred ten (210) days after the Effective Date.

b. Period 2: Two hundred eleven (211) days to one year after the Effective Date.

c. Period 3: One year and one day after the Effective Date to April 30, 2027.

6. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments B, C, and D; if a Settling State receives Incentive Payment A in an Annual Payment, such Settling State is not eligible for Incentive Payments B, C, or D in that Annual Payment.

b. Incentive Payment A shall be up to a maximum of sixty-two percent (62%) of the Maximum Remediation Payment of $4,279,160,837, minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment A is $2,653,079,719.

c. The Incentive Payment A for any Settling State in each Payment Year shall be the Incentive Payment A for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State achieves Incentive Payment A by two (2) years after the Effective Date. If a Settling State achieves Incentive Payment A after April 30, 2024 but before two (2) years after the Effective Date, it shall receive a catch-up payment as part of the next Annual Payment for the difference between what it would have earned had it qualified for Incentive Payment A for Payment Year 2 and what it was actually paid for Payment Year 2. The Settlement Fund Administrator shall decrease the catch-up payments payable pursuant to this Section IV.H.6.c to the extent they cannot be paid without exceeding an applicable payment limit shown in Exhibit M-1 for the next Payment Year.

d. A Settling State is eligible for Incentive Payment A if: (i) there is a Bar in that State in full force and effect; (ii) there is a Settlement Class Resolution in that State in full force and effect; (iii) there is a ruling from the State's highest court barring all Subdivisions from bringing or maintaining Released Claims; (iv) the Released Claims of all of the following entities are released through the execution of Subdivision Participation Agreements: (1) all Litigating Subdivisions,

(2) all Non-Litigating Primary Subdivisions, (3) all non-litigating School Districts with a K-12 student enrollment of at least 25,000 or 0.10% of a State's population, whichever is greater, (4) all non-litigating health districts and hospital districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and (5) all Primary Fire Districts; or (v) a combination of the actions in clauses (i)-(iv) has achieved the same level of resolution of Claims by Subdivisions (*e.g.*, a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions.

e. A Settling State that does not achieve Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for, and shall not receive, Incentive Payment A for any Payment Year.

f. CVS shall acknowledge on or before the Initial Subdivision Participation Date the sufficiency of any existing Bars in Settling States, provided that such States shall have provided no less than 30 days' notice to CVS of such Bars. Any other Settling State that believes it qualifies for Incentive Payment A by two (2) years after the Effective Date shall provide prompt notice to CVS, the Enforcement Committee, and the Settlement Fund Administrator, including data sources or other information establishing such Settling State's entitlement to Incentive Payment A. CVS and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

g. If CVS made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently subject to a Revocation Event, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the State requalifies for Incentive Payment A through any method pursuant to Section IV.H.6.d, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by CVS in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by CVS).

7. Incentive Payment B.

a. Incentive Payment B shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment B shall be up to a potential maximum of twenty-eight percent (28%) of the Maximum Remediation Payment of $4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below

are met in each Settling State. The potential maximum total for Incentive Payment B is $1,198,165,035.

c. The potential maximum Incentive Payment B for any Settling State in each Payment Year shall be the Incentive Payment B for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment B by April 30 of the Payment Year or April 30, 2027, whichever is earlier. The Incentive Payment B for any Settling State that qualifies for Incentive Payment B is subject to reduction in accordance with Section IV.H.7.f, Section IV.H.7.g, and Section IV.H.7.h.

d. For Payment Years 2 through 5, the calculations specified by this Section IV.H.7 shall be based on a Settling State's Participation Percentage of Litigating Subdivision Population[6] as of April 30 of that Payment Year. For Payment Years 6 through 10, the calculations specified by this Section IV.H.7 shall be based on a Settling State's Participation Percentage of Litigating Subdivision Population as of April 30, 2027.

e. A Settling State qualifies for an Incentive Payment B if Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Litigating Subdivision population are either Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions.

f. Within Period 1: If Litigating Subdivisions collectively representing at least eighty-five percent (85%) of a Settling State's Litigating Subdivision population are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, during Period 1, then a sliding scale will determine the share of the Settling State's maximum Incentive Payment B for a Payment Year that it has earned. Under that sliding scale, if Litigating Subdivisions collectively representing eighty-five percent (85%) of a Settling State's Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 1, a Settling State will receive twenty percent (20%) of its maximum Incentive Payment B for each Payment Year. If more Litigating

[6] The "Participation Percentage of Litigating Subdivision Population" shall be determined by the aggregate population of a Settling State's Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, divided by the aggregate population of that Settling State's Litigating Subdivisions (including without limitation School Districts and Special Districts). In calculating the Settling State's population that resides in Litigating Subdivisions, the population of the Settling State's Litigating Subdivisions shall be the sum of the population of all Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Litigating Subdivision. An individual Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided*, *however*, that for the avoidance of doubt, no Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Litigating Subdivision to be excluded.

Subdivisions become Participating Subdivisions, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the maximum Incentive Payment B for each Payment Year as shown in the table below.

Participation Percentage of Litigating Subdivision Population	**Incentive Payment B Percentage**
Participation of less than 85%	Payment of 0% of Incentive B
Participation of 85% but less than 86%	Payment of 20% of Incentive B
Participation of 86% but less than 87%	Payment of 30% of Incentive B
Participation of 87% but less than 88%	Payment of 33% of Incentive B
Participation of 88% but less than 89%	Payment of 36% of Incentive B
Participation of 89% but less than 90%	Payment of 40% of Incentive B
Participation of 90% but less than 91%	Payment of 43% of Incentive B
Participation of 91% but less than 92%	Payment of 46% of Incentive B
Participation of 92% but less than 93%	Payment of 50% of Incentive B
Participation of 93% but less than 94%	Payment of 55% of Incentive B
Participation of 94% but less than 95%	Payment of 58% of Incentive B
Participation of 95% but less than 96%	Payment of 60% of Incentive B
Participation of 96% but less than 97%	Payment of 70% of Incentive B
Participation of 97% but less than 98%	Payment of 75% of Incentive B
Participation of 98% but less than 99%	Payment of 85% of Incentive B
Participation of 99% but less than 100%	Payment of 95% of Incentive B
Participation of 100%	Payment of 100% of Incentive B

g. Within Period 2: If a Settling State did not qualify for Incentive Payment B in Period 1, but Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 2, then the Settling State qualifies in each Payment Year for seventy-five percent (75%) of the Incentive Payment B it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment B in Period 1 and increases its Participation Percentage of Litigating Subdivision Population in Period 2, the additional Incentive Payment B for each Payment Year shall be eighty-seven and one-half percent (87.5%) of the difference between (i) the Incentive Payment B calculated pursuant to Section IV.H.7.f in Period 2 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.7.f at the end of Period 1.

h. Within Period 3: If a Settling State did not qualify for an Incentive Payment B in Periods 1 or 2, but Litigating Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Litigating Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 3, then the Settling State qualifies for fifty percent (50%) of the Incentive Payment B it would have qualified for in Period 1. If a

Settling State qualifies for Incentive Payment B in Period 2 and increases its Participation Percentage of Litigating Subdivision Population in Period 3, the additional Incentive Payment B in each Payment Year shall be seventy-five percent (75%) of the difference between (i) the Incentive Payment B calculated pursuant to Section IV.H.7.f in Period 3 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.7.f at the end of Period 2.

i. For the avoidance of doubt, an increase in a Settling State's Participation Percentage of Litigating Subdivision Population in Periods 2 and/or 3 from an earlier Period entitles the Settling State to receive the Incentive Payment B Percentage it had earned as of the end of the earlier Period plus the additional Incentive Payment B Percentage specified by the calculations in Section IV.H.7.g and Section IV.H.7.h.

j. If a Settling State has not qualified for Incentive Payment B by April 30, 2027, it shall no longer be eligible to qualify for and shall not receive any Incentive Payment B for any Payment Year.

k. If there are no Litigating Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment B, that Settling State will receive its maximum Incentive Payment B for that Annual Payment provided by Section IV.H.7.c.

8. Incentive Payment C.

a. Incentive Payment C shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment C shall be equal to up to a potential maximum of twenty-eight percent (28%) of the Maximum Remediation Payment of $4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment C is $1,198,165,035.

c. The potential maximum Incentive Payment C for any Settling State in each Payment Year shall be the Incentive Payment C for that Payment Year specified in Exhibit M-1 times the Settling State's Overall Allocation Percentage specified in Exhibit F-2, provided such Settling State becomes eligible for Incentive Payment B by April 30 of the Payment Year or April 30, 2027, whichever is earlier. The maximum Incentive Payment C for any Settling State that qualifies for Incentive Payment C is subject to reduction in accordance with Section IV.H.8.f, Section IV.H.8.g, and Section IV.H.8.h.

d. For Payment Years 2 through 5, the calculations specified by this Section IV.H.8 shall be based on the participation percentage of a Settling State's Non-Litigating Threshold population and its Litigating Subdivision population

("*Participation Percentage of Incentive C Eligible Subdivision Population*")[7] as of April 30 of that Payment Year. For Payment Years 6 through 10, the calculations specified by this Section IV.H.8 shall be based on a Settling State's Participation Percentage of Incentive C Eligible Subdivision Population as of April 30, 2027.

e. Incentive Payment C shall be available depending on the percentage of the aggregate population of a Settling State's Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions (the "*Incentive C Eligible Subdivisions*"). A Settling State qualifies for an Incentive Payment C if Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Incentive C Eligible Subdivision population are either Participating Subdivisions or have their Claims resolved through Case-Specific Resolutions.

f. Within Period 1: If Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of a Settling State's Incentive C Eligible Subdivision population are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, during Period 1, then a sliding scale will determine the share of the Settling State's maximum Incentive Payment C for a Payment Year that it has earned. Under that sliding scale, if Incentive C Eligible Subdivisions collectively representing eighty-five percent (85%) of a Settling State's Incentive C Eligible population become Participating Subdivisions or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive twenty percent (20%) of its maximum Incentive Payment C for each Payment Year. If more Incentive C Eligible Subdivisions become Participating Subdivisions, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the maximum Incentive Payment C for each Payment Year as shown in the table below.

[7] The "Participation Percentage of Incentive C Eligible Subdivision Population" shall be determined by the aggregate population of a Settling State's Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts) that are Participating Subdivisions, or have their Claims resolved through Case-Specific Resolutions, divided by the aggregate population of that Settling State's Non-Litigating Threshold Subdivisions and Litigating Subdivisions (including without limitation School Districts and Special Districts). In calculating the Settling State's population that resides in Non-Litigating Threshold Subdivisions and Litigating Subdivisions, the population of the Settling State's Non-Litigating Threshold Subdivisions and Litigating Subdivisions shall be the sum of the population of all Non-Litigating Threshold Subdivisions and Litigating Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Non-Litigating Threshold Subdivisions and Litigating Subdivision. An individual Non-Litigating Threshold Subdivisions or Litigating Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; *provided, however*, that for the avoidance of doubt, no Non-Litigating Threshold Subdivision or Litigating Subdivision will be excluded from the numerator or denominator under this sentence unless a Non-Litigating Threshold Subdivision or Litigating Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section XI) of the Non-Litigating Threshold Subdivision or Litigating Subdivision to be excluded.

Participation Percentage of Incentive C Eligible Subdivision Population	**Incentive Payment C Percentage**
Participation of less than 85%	Payment of 0% of Incentive C
Participation of 85% but less than 86%	Payment of 20% of Incentive C
Participation of 86% but less than 87%	Payment of 30% of Incentive C
Participation of 87% but less than 88%	Payment of 33% of Incentive C
Participation of 88% but less than 89%	Payment of 36% of Incentive C
Participation of 89% but less than 90%	Payment of 40% of Incentive C
Participation of 90% but less than 91%	Payment of 43% of Incentive C
Participation of 91% but less than 92%	Payment of 46% of Incentive C
Participation of 92% but less than 93%	Payment of 50% of Incentive C
Participation of 93% but less than 94%	Payment of 55% of Incentive C
Participation of 94% but less than 95%	Payment of 58% of Incentive C
Participation of 95% but less than 96%	Payment of 60% of Incentive C
Participation of 96% but less than 97%	Payment of 70% of Incentive C
Participation of 97% but less than 98%	Payment of 75% of Incentive C
Participation of 98% but less than 99%	Payment of 85% of Incentive C
Participation of 99% but less than 100%	Payment of 95% of Incentive C
Participation of 100%	Payment of 100% of Incentive C

g. Within Period 2: If a Settling State did not qualify for Incentive Payment C in Period 1, but Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Incentive C Eligible Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 2, then the Settling State qualifies in each Payment Year for seventy-five percent (75%) of the Incentive Payment C it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment C in Period 1 and increases its Participation Percentage of Incentive C Eligible Subdivision Population in Period 2, the additional Incentive Payment C for each Payment Year shall be eighty-seven and one-half percent (87.5%) of the difference between (i) the Incentive Payment C calculated pursuant to Section IV.H.8.f in Period 2 and (ii) the Incentive Payment C calculated pursuant to Section IV.H.8.f at the end of Period 1.

h. Within Period 3: If a Settling State did not qualify for an Incentive Payment C in Periods 1 or 2, but Incentive C Eligible Subdivisions collectively representing at least eighty-five percent (85%) of the Settling State's Incentive C Eligible Subdivision population become Participating Subdivisions, or achieve Case-Specific Resolution status, by the end of Period 3, then the Settling State qualifies for fifty percent (50%) of the Incentive Payment C it would have qualified for in Period 1. If a Settling State qualifies for Incentive Payment C in Period 2 and increases its Participation Percentage of Incentive C Eligible Subdivision Population in Period 3, the additional Incentive Payment B in each Payment Year shall be seventy-five percent (75%) of the difference between (i) the Incentive

Payment B calculated pursuant to Section IV.H.8.f in Period 3 and (ii) the Incentive Payment B calculated pursuant to Section IV.H.8.f at the end of Period 2.

i. For the avoidance of doubt, an increase in a Settling State's Participation Percentage of Incentive C Eligible Subdivision Population in Periods 2 and/or 3 from an earlier Period entitles the Settling State to receive the Incentive Payment C Percentage it had earned as of the end of the earlier Period plus the additional Incentive Payment C Percentage specified by the calculations in Section IV.H.8.g and Section IV.H.8.h.

j. If a Settling State has not qualified for Incentive Payment C by April 30, 2027, it shall no longer be eligible to qualify for and shall not receive any Incentive Payment C for any Payment Year.

k. If there are no Incentive C Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment C, that Settling State will receive its maximum Incentive Payment C for that Annual Payment provided by Section IV.H.8.c.

9. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a potential maximum of fifteen percent (15%) of the Maximum Remediation Payment of $4,279,160,837 minus any offsets for Non-Settling States specified in Section IV.F, with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The potential maximum total for Incentive Payment D is $641,874,126.[8]

c. Incentive Payment D shall be available to be earned starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-10 will depend on (i) the Settling State's eligibility as set out in Section IV.H.9.d and (ii) the Participation Percentage of the Incentive C Eligible Subdivision Population achieved by the Settling State as of April 30, 2027.

d. A Settling State is eligible for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the State's population, whichever is greater; (iii) a health district or hospital district that has at least one

[8] The Incentive Payment C table specified in Section IV.H.8.f and Incentive Payment D table specified in Section IV.H.9.e operate so that the combined amount of Incentive Payment C and Incentive Payment D cannot exceed thirty-four percent (34%) of the Maximum Remediation Payment over the term of the Agreement. CVS will have no obligation to pay more than $1,454,914,684 for the combined amounts of Incentive Payment C and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F and reductions for unachieved incentives.

hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that State has a lawsuit against a Released Entity that survived in whole or in part a Threshold Motion and is pending as of April 30 in Payment Years 6 to 10 ("*Incentive Payment D Look-Back Dates*").

e. The Incentive Payment D for any Settling State in Payment Years 6-10 shall be between six percent (6%) and fifteen percent (15%) of the Maximum Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F-2. The applicable percentage shall be determined based on the Participation Percentage of the Incentive C Eligible Subdivision Population achieved by the Settling State as of April 30, 2027 as shown in the table below:

Participation Percentage of Incentive C Eligible Subdivision Population as of April 30, 2027	**Settling State's Applicable Incentive Payment D Percentage**
Participation of less than 96%	15% of Maximum Remediation Payment
Participation of 96% but less than 97%	14.4% of Maximum Remediation Payment
Participation of 97% but less than 98%	13% of Maximum Remediation Payment
Participation of 98% but less than 99%	10.2% of Maximum Remediation Payment
Participation of 99% but less than 100%	7.4% of Maximum Remediation Payment
Participation of 100%	6% of Maximum Remediation Payment

f. Incentive Payment D shall be available in equal installments in Payment Years 6-10, unless an adjustment to payment is required by Section IV.H.9.i or Section IV.H.9.j after the Annual Payment is made for Payment Year 6, in which case the adjustment shall be made in a way that equalizes, to the extent possible, its effect over the remaining Payment Years.[9]

g. Prior to determining the Annual Payment for each of Payment Years 6 through 10, the Settlement Fund Administrator shall determine a Settling State's eligibility for Incentive Payment D as of the Incentive Payment D Look-Back Date

[9] The top of the range for Incentive Payment D specified in Exhibit M-2 for Payment Years 6-10 represents five years of equal payments of Incentive Payment D at fifteen percent (15%) of the Maximum Remediation Payment for all Eligible States. The bottom of the range for Incentive Payment D specified in Exhibit M-2 for Payment Years 6-10 represents five years of equal payments of Incentive Payment D at six percent (6%) of the Maximum Remediation Payment for all Eligible States. Incentive Payment D cannot exceed the top of the range for Incentive Payment D specified in Exhibit M-2 for each of Payment Years 6-10. Any Incentive Payment D in excess of the bottom of the range for Incentive Payment D must correspond to reductions to Incentive Payment C in a prior or the same Payment Year, as provided by the Incentive Payment C table specified in Section IV.H.8.f.

in each such Payment Year. Prior to each Incentive Payment D Look-Back Date, CVS may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. If, at any time during the term of this Agreement any Subdivision becomes a Later Litigating Subdivision (as that term is limited by Section IV.H.9.c), then CVS shall, within thirty (30) calendar days of CVS or any Released Entity being served, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by CVS under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and CVS shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

i. If a Later Litigation Subdivision's lawsuit results in a money judgment being entered against a Released Entity or reasonable settlement being reached with a Released Entity, the amount is to be set off from the total Incentive Payment D for which the Settling State may become eligible. The total Incentive Payment D for which the Settling State may become eligible shall be reduced by the amount of the judgment or settlement.

j. Notwithstanding Section IV.H.9.d, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for any missed payments of Incentive Payment D in the following Payment Year, less any litigation fees and costs incurred by CVS in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D. The Settlement Fund Administrator shall decrease the missed payments payable pursuant to this Section IV.H.9.j to the extent it cannot be paid without exceeding the top end of an applicable payment range shown in Exhibit M-2 for the remaining Payment Years.

I. In no event shall any Settling State receive base payments and incentive payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F-2 times the Maximum Remediation Payment.

J. *Credit for Dispensing Services.* CVS and a Settling State may enter into an agreement for CVS to earn credits against Annual Payments for dispensing free-of-charge opioid alternatives, for free-of-charge product provided in connection with other opioid-related resolutions, and/or for other initiatives and services.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund*. The Settlement Fund shall be comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payment made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds).

B. *Use of Settlement Payments*.

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation to address Alleged Harms, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than 95.5% of CVS's maximum payment amounts pursuant to Section IV as set forth on Exhibit M-1 over the entirety of all Payment Years (but not in any single Payment Year) be spent on Opioid Remediation; *provided, however*, that the remaining 4.5% only may be spent outside of Opioid Remediation to the extent necessary to satisfy: (a) back-stop attorney fee agreements entered into by Settling States with respect to at least one opioid settlement on or before November 30, 2022, even if such an agreement did not as of that date apply to CVS's Annual Payments; or (b) contingency fee agreements entered into by Settling States covering CVS's Annual Payments. Any amounts not spent to satisfy such agreements must be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision may, subject to the limitation in the second sentence of Section V.B.1, use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation, provided that if, at any time, a Settling State or a Participating Subdivision listed on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision listed on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and CVS how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. Such expenditures shall be reported to the Settlement Fund Administrator and CVS by January 31 of the year following the calendar year in which they are made. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Total Remediation Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund*. The allocation of the Settlement Fund allows for different approaches to be taken in different Settling States, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Participating Subdivisions, Settling States and their Participating Subdivisions are encouraged to enter into State-Subdivision

Agreements in order to direct the allocation of their portion of the Settlement Fund. This Agreement has no effect on the ability of Settling States and their Participating Subdivisions to internally agree on the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate base payments under Section IV.G among the Settling States pursuant to Section VI.G. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat incentive payments under Section IV.H on a Settling State-specific basis in proportion to each Settling State's respective Overall Allocation Percentage. Incentive payments for which a Settling State is eligible under Section IV.H will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Settlement Fund Administrator. Prior to the Initial Subdivision Participation Date, CVS and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any reasonable costs and fees of the Settlement Fund Administrator accruing under this Agreement as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund; *provided, however*, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, CVS shall pay fifty percent (50%) of the additional amount directly to the Settlement Fund Administrator and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution.*

As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[10] For a State-Subdivision Agreement to be applied to the relevant portion of the Annual Payment, notice must be provided to CVS and the Settlement Fund Administrator at least ten (10) business days prior to the Settlement Fund Administrator's disbursements of such portion to a Settlement State and its Participating Subdivisions.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation,[11] then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V.D.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation and abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable Settling State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary

redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust, then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section V.F shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions to the extent such a distribution would violate Section VII.G or Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Non-Participating

Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust in a Settling State may govern the operation and use of amounts in that State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Participating Subdivisions in that State comply with Section VII.G through Section VII.I.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used by a Settling State solely for future Opioid Remediation[12] and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (A) define its initial regions, which shall consist of one (1) or more General-Purpose Subdivision(s) and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated using the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund

[12] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms.

dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) A Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General-Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Participating Subdivisions shall be eligible to receive regional allocation funds in the form of block grants for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more, and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.*, health department or similar agency). Each Participating Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Participating Subdivisions eligible for block grants under Section V.E.2.c shall be divided regionally so that each block-grant eligible Participating Subdivision is a region and the remainder of the Settling State is a region.

d. *Advisory Committee.* A Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Participating Subdivisions and other communities regarding how the opioid crisis is

affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between CVS and the Enforcement Committee.

F. *Nature of Payment*. CVS, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Total Remediation Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Total Remediation Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Total Remediation Amount by CVS constitutes, and is paid for, compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by CVS in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law and/or is an amount paid to come into compliance with the law; and

4. For the avoidance of doubt: (a) the entire Total Remediation Amount is properly characterized as described in Section V.F, (b) no portion of the Total Remediation Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and CVS; *provided, however*, that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights with respect to either the terms of this Agreement that apply only to or in other States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against CVS with respect to this Agreement or any Consent Judgment except that Participating Subdivisions shall have enforcement rights as set forth herein as to payments that would be allocated to the Subdivision Fund or Remediation Accounts Fund pursuant to Section V; *provided, however*, that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* CVS consents to the jurisdiction of the court in each Settling State in which the Consent Judgment is filed, limited to and for the sole and exclusive purpose of resolution of disputes identified in Section VI.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that CVS believes that the requirements established in Section V.B.1 are not being satisfied, CVS may request that CVS and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to CVS obtaining a reduction of its Annual Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the 95.5% of CVS's maximum payment amounts pursuant to Section IV as set forth on Exhibit M-1 over the entirety of all Payment Years (but not in any single Payment Year); (ii) only reduce Annual Payments to those Settling States and their Participating Subdivisions that are out of compliance with the requirements established in Section V.B.1; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement*.

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E, or (ii) a Settling State failed to pay funds directly from

the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to address allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State pursuant to Section VI.F.3.a(iv) to seek resolution regarding the failure by CVS to make its allocable share of an Annual Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except as provided by Section VI.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section VI.F to resolve the dispute.

2. Except to the extent provided by Section VI.C or Section VI.F.3, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion has been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the Agreement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or CVS (together, "*Participating Parties*") shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular State's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) The amount of withholding attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Alleged Harms," "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by CVS to pay the Annual Payment, the Additional Remediation Amount in a Payment Year, or the amounts due pursuant to Exhibit S and Exhibit T, but for the avoidance of doubt, disputes between CVS and a Settling State over the amounts owed only to that

Settling State that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XIII.E;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, B, C or D;

(ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(x) any dispute subject to resolution under Section VI.F.2 but for which all Participating Parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this SectionVI.F.3.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by CVS, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the Participating Parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the Participating Parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any Participating Party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel

shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or CVS on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, CVS, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and CVS whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each Participating Party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between CVS and Settling States/Participating Subdivisions shall be split fifty percent (50%) by CVS and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

4. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining Participating Party must:

a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided*, *however*, that the date the Enforcement Committee establishes for obtaining additional information from the Participating Parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the Participating Parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the Participating Parties.

5. If the Participating Parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.2 or SectionVI.F.3, a committee comprising the Enforcement Committee and sufficient representatives of CVS, such that the members of the Enforcement Committee have a majority of one (1) member, will determine, within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum, the forum where the dispute will be initiated. The forum identified by such committee shall be the sole forum for resolving the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("*CID*") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and CVS reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* Prior to the State Participation Date, the Parties shall agree on a vendor to serve as the Implementation Administrator and provide notice pursuant to this Section VII.A. No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the State Participation Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The Settling States also may provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such Notice may include publication and other standard forms of notification, as well as notice to national state and county organizations such as the National Association of Counties and the National League of Cities. All notice provided under this subsection will include that the deadline for becoming a Participating Subdivision is the Initial Subdivision Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however*, that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Participation Agreement is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Participation Agreement to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section VIII.C have been met, whichever is later. Following its execution of a Subdivision Participation Agreement, a Litigating Subdivision shall take reasonable steps to immediately cease all litigation activity against the Released Entities, where feasible, or to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice, unless the Litigating Subdivision reasonably concludes that it would be prejudiced by doing so. A Settling State may require each Litigating Subdivision in that State to specify on the Subdivision Participation Agreement whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity. For avoidance of doubt, where a subdivision official other than a General-Purpose Government has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, *parens patriae*, or any other capacity, that Subdivision may become a Participating Subdivision only if, in addition to the other requirements of this Section VII.C, the lawsuit filed by the subdivision official has also been dismissed with prejudice.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Subdivision Participation Date. All Subdivision Participation Agreements returned to the Implementation Administrator shall be held in escrow by the Implementation Administrator until the Reference Date. Subdivision Participation Agreements returned to the Implementation Administrator shall not be withdrawn

unless notice of the withdrawal is provided to the Implementation Administrator within eighteen (18) days after the Initial Subdivision Participation Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Subdivision Participation Agreements shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision in a Settling State that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Subdivision Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Payment due before it became a Participating Subdivision.

2. A Subdivision that becomes a Later Participating Subdivision after November 30, 2023 shall receive seventy-five percent (75%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Subdivision Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) is not eligible to become a Participation Subdivision.

4. A Subdivision that becomes a Later Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive twenty-five percent (25%) of the share of future base or incentive payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from CVS.

G. *Ineligible Subdivisions*. Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

H. *Non-Participating Subdivisions*. Non-Participating Subdivisions shall not directly receive any portion of any Annual Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions*. Any base payments and incentive payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the Settling State in which the Non-Participating Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Distribution of Subdivision Participation Agreements*. No later than three (3) calendar days after the Initial Subdivision Participation Date, the Implementation Administrator shall report to the Settling States and CVS on which Subdivisions in the Settling States have and have not executed Subdivision Participation Agreements and shall provide notice under Section XIII.Q of any withdrawals of Subdivision Participation Agreements within one (1) business day of the withdrawal. The Settling States and CVS each shall have online access to the Subdivision Participation Agreements for the purpose of auditing the Implementation Administrator's reports but may not maintain copies. CVS shall pay up to and no more than $1.5 million of the Implementation Administrator's fees and costs, including advancing such fees and costs prior to the Effective Date. If this Agreement becomes effective, then CVS may deduct from its Annual Payment for Payment Year 2 any amount in excess of $1.5 million it paid for the Implementation Administrator's fees and costs.

B. *Determination to Proceed with Settlement—Settling States*. Following the Initial Subdivision Participation Date, the Settling States on the Enforcement Committee shall determine whether to proceed with the Agreement. No later than fifteen (15) calendar days prior to the Reference Date, the Settling States shall provide notice to CVS and the Enforcement Committee of their decision. If the Settling States elect not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

C. *Determination to Proceed with Settlement—CVS.* If the Settling States elect to proceed, CVS shall then determine whether to proceed with the Agreement. This determination shall be in CVS's sole discretion and may be based on any criteria or factors it deems relevant. CVS shall provide notice to the Settling States and the Enforcement Committee of its decision no later than the Reference Date. If CVS elects to proceed with the Agreement, the Parties will proceed to file the Consent Judgments, and the obligations in the State Participation Forms and the Subdivision Participation Agreements will become effective as of the Reference Date. If CVS elects not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Participation Agreements will be void.

IX. Additional Remediation

A. *Additional Remediation Amount.* Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and

subject to the reduction specified in Section IX.B, CVS shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, on the Payment Date for each relevant Payment Year to such Settling States as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

B. *Reduction of Additional Remediation Amount.* The amounts owed by CVS pursuant to this Section IX shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

C. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with opioid investigations that receives an Additional Remediation Amount because the Settling State was not otherwise eligible to receive funds from the State Outside Counsel Fee Fund may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

X. Plaintiffs' Attorneys' Fees and Costs

The Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference. CVS shall pay subdivision attorneys' fees and costs into the Subdivision Attorney's Fee and Subdivision Cost and Expense Fund as set forth in Exhibit R and Exhibit M-3. The Agreement on the State Outside Counsel Fee Fund and Agreement on the Joint State Cost Fund are set forth in Exhibit S and Exhibit T, respectively, and are incorporated herein by reference. Attorneys' fees, expenses and costs shall not exceed the maximum annual and total amounts set forth in the relevant columns of Exhibits M-1 and M-3 and shall be subject to reduction as set forth in Exhibit R, Exhibit S, and Exhibit T.

XI. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim; or to cause, assist in bringing or permit to be brought, filed, or claimed; or to otherwise seek to establish liability for any Released Claim against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are broad, shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to any Released Claim, and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement*.

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Alleged Harms and/or Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties shall not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section XI.B are to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. If any Releasor enters into a Non-Party Settlement on or after the Effective Date, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from CVS in Section XI.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. If any Releasor obtains a judgment with respect to a Non-Party Covered Conduct Claim against a Non-Released Entity that does not contain the prohibition described in Section XI.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.2 with respect to that Non-Released Entity and that Releasor and CVS shall take the following actions to ensure that

the Released Entities do not pay more with respect to Alleged Harms and/or Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by CVS:

a. CVS shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Agreement, whichever is later;

b. CVS and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement;

c. That Releasor and CVS shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by CVS or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by CVS to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to CVS by that Releasor to ensure CVS is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to CVS under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and CVS may devise to hold CVS harmless from the Claim-Over.

d. The actions of that Releasor and CVS taken pursuant to clause (c) above must, in combination, ensure CVS is not required to pay more with respect to Alleged Harms and/or Covered Conduct than the amounts owed by CVS under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to clause (c) above, Releasor and CVS may seek review by the National Arbitration Panel, or, upon consent of the parties to the dispute, by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to order a remedy, including one or more of the actions specified in clause (c), sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, CVS shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold CVS harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that CVS may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, distributor, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. CVS shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release*. In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any State or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent**. A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and

> that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date even if Releasors do not know or suspect such claims to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and even if knowledge of the existence of such claims would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver*. To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct or Alleged Harms by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against CVS (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, such Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to CVS.

F. *Res Judicata*. Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty*. The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or will obtain no later than the Initial Subdivision Participation Date) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Alleged Harms and/or Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also for the purposes of clause (3), a release from a State's Governor, to be materially similar to that in Exhibit X, is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness*. The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement

Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation*. Settling States will meet and confer with CVS and simultaneously make reasonable efforts to resolve any action filed by a Subdivision involving any Covered Conduct, Alleged Harms, or a Product that remains pending against CVS after the Initial Subdivision Participation Date. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, Claims for liability under tax law, Claims under securities law by a State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement. Nothing in this Agreement precludes the Released Entities from asserting, in an action arising from or relating to Claims by private individuals, any defense or argument based on this Agreement that is available under applicable law.

XII. Later Litigating Subdivisions; Non-Settling States

A. *Released Claims against Released Entities.* If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Initial Subdivision Participation Date, the Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. CVS shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by CVS under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and CVS shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

B. *Non-Settling States.* Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Settling State shall seek to obtain either dismissal of the lawsuit in cooperation with CVS, or a release of the Primary Subdivision's claims. If the lawsuit asserting a Released Claim

either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, CVS shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that Settling State and to its Subdivisions.

D. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If CVS made any Annual Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Payment, that Settling State shall seek to obtain a release of the claims impacted by the Revocation Event, including but not limited to defending the legality of the Bar, obtaining a dismissal of the claims made against the Released Entity, and obtaining releases from impacted Subdivisions. If the Settling State is unable to defend the legality of the bar and/or obtain releases form all impacted Subdivisions, then CVS shall receive a dollar-for-dollar offset against the portion of remaining Annual Payments that would be allocated to that Settling State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by CVS by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from CVS during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

E. *Certain Taxes.* Amounts paid by CVS under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against CVS's obligation to pay its share of the Annual Payment in that Payment Year that would be allocated to the taxing Settling State or its Participating Subdivisions. If such amounts paid exceed CVS's allocable share of the Annual Payment allocable to the taxing Settling State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its allocable share of remaining Annual Payments that would be allocated to the taxing Settling State or its Participating Subdivisions. CVS represents that as of December 2, 2022, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

XIII. Miscellaneous

A. *Population of General-Purpose Governments.* The population figures for General-Purpose Governments shall be the published U.S. Census Bureau's population estimates for July

1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.[13]

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.6.d and Section IV.H.9.d: (a) School Districts' populations will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' populations will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including fire districts' and library districts') populations will be measured at ten percent (10%) of the population served. For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. CVS and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section XIII.B prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs.* For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* The Parties intend the settlement as described herein to be a final and complete resolution of all disputes between CVS and all Releasors. CVS is entering into this Agreement solely for the purposes of settlement, to resolve all Actions and Released Claims and thereby avoid significant expense, inconvenience and uncertainty. CVS denies the allegations in the Actions and denies any civil or criminal liability in the Actions. Nothing contained herein may be taken as or deemed to be an admission or concession by CVS of: (i) any violation of any law, regulation, or ordinance; (ii) any fault, liability, or wrongdoing; (iii) the strength or weakness of any Claim or defense or allegation made in any Action, or in any other past, present or future proceeding relating to any Covered Conduct, Alleged Harms, or any Product; (iv) the legal viability of the claims and theories in any Action, including but not limited to the legal viability of the relief sought; or (v) any other matter of fact or law. Nothing in this Agreement shall be construed or used to prohibit any Released Entity from engaging in the conduct of its business relating to any Product in accordance with the Injunctive Relief Terms and applicable laws and regulations.

E. *Most-Favored-Nation Provision.*

1. If, after the Effective Date, CVS enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States may elect to seek review, pursuant to Section XIII.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such

[13] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-countiestotal.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

Settling State(s) may obtain, with respect to CVS, overall payment terms at least as favorable as those obtained by such Non-Settling State. "*Overall payment terms*" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amounts of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, CVS shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by CVS with a Non-Settling State are more favorable to the Non-Settling State, based on the totality of the considerations set forth in Section XIII.E.1, the Settling State(s) and CVS shall engage in the following process:

a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or consent judgment is provided to the Enforcement Committee, to CVS of its (their) intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and shall provide, in detail, the basis for the Settling State's (Settling States') belief that it (they) is (are) entitled to a revision of the Agreement.

b. CVS shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is (are) entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and CVS do not reach agreement as to the application of Section XIII.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.3.

d. The Settling State(s) and CVS shall be bound by the determination of the National Arbitration Panel.

4. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with CVS that is entered into with: (a) a Non-Settling State after a date ninety (90) calendar days prior to the scheduled start date of a trial between CVS and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order

to complete a settlement, a Non-Settling State and CVS jointly request an adjournment of the scheduled start date of a trial within ninety (90) calendar days of that date, this exception will apply as if the trial date had not been adjourned; (b) a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against CVS. For avoidance of doubt, the National Arbitration Panel shall have no power to review agreements described in this paragraph.

5. This Section XIII.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, (a) any agreement between CVS and Non-Participating Subdivisions, and (b) any global tribal settlement or any agreement between CVS and any federally-recognized tribe.

6. This Section XIII.E will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

F. *Tax Cooperation and Reporting*.

1. Upon request by CVS, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for CVS to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with CVS with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. The Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "*Appropriate Official*"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to CVS and (ii) any legally required returns or amended returns with any applicable governmental authority, or any returns requested by CVS, and (b) provides to CVS a copy of (i) the IRS Form 1098-F filed with respect to CVS and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such form, return, or statement shall be prepared and filed in a manner fully consistent with Section V.F.

4. Any return, amended return, or written statement filed or provided pursuant to Section XIII.F.3, and any similar document, shall be prepared and filed in a manner

consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Total Remediation Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any return, amended return, or written statement contemplated by this Section XIII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to CVS a draft of such return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from CVS on the return, amended return, or written statement.

5. For the avoidance of doubt, neither CVS nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Total Remediation Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation*. Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction*. None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation*. Each Party and each Participating Subdivision agrees to use reasonable efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement*. This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution*. This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry*. Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *Legal Obligations.* Nothing in this Agreement shall relieve CVS of the obligation to comply with all state and federal laws, regulations or rules, nor does any provision herein permit any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that CVS cannot comply with this Agreement without violating such a requirement or requirements, CVS shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement. The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.N.

P. *Non-Admissibility*. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement: (i) is or may be deemed to be or may be used as an admission or evidence relating to any matter of fact or law alleged in the Actions, the strength or weakness of any claim or defense or allegation made in those cases, or any wrongdoing, fault, or liability of any Released Entities; or (ii) is or may be deemed to be or may be used as an admission or evidence relating to any liability, fault or omission of Released Entities in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Neither this Agreement nor any act performed or document executed pursuant to or in furtherance of this Agreement shall be admissible in any proceeding for any purpose, except to enforce the terms of this Agreement, and except that Released Entities may file or use this Agreement in any action (1) involving a determination regarding insurance coverage; (2) involving a determination of the taxable income or tax liability of any Released Entities; (3) to support a defense or counterclaim

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.Q.

R. *No Waiver*. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Severability.* In the event any one or more immaterial provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent

Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors*.

1. This Agreement shall be binding upon, and inure to the benefit of, the Parties and their respective successors and assigns.

2. CVS shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to CVS's obligations under this Agreement.

3. CVS shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by CVS) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of CVS where the sale or transfer transaction is announced after the Effective Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize CVS's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if CVS obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of CVS's remaining payment obligations under this Agreement equal to the percentage of CVS's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of CVS's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.U.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section XIII.U.3 not raised within twenty (20) calendar days from the date that CVS transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XIII.U.3 shall be a National Dispute as described in Section VI.F.3 and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

V. *Waiver*. CVS, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "*Texas*

Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of CVS's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of CVS's payment obligations incurred hereunder are satisfied in full, CVS's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

W. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or CVS concludes prior to January 18, 2023 that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and CVS shall meet and confer and make such amendments as they agree are appropriate. Except as otherwise provided in this Agreement, after the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by CVS, along with the signatures of at least two-thirds of the Settling States along with a representation from each such Settling State that either: (1) the Advisory Committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in States without any Advisory Committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

X. *Termination.*

1. Unless otherwise agreed to by CVS and the Settling State in question, this Agreement or the Consent Judgment as to that Settling State and all of its terms (except Section XIII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect, only if one or more of the following conditions applies:

b. this Agreement has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.X.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that CVS and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. CVS and the Settling State in question shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that CVS and the Settling State in question shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless CVS and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties after the Payment Date for Payment Year 10, *provided* that CVS has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.X.3 or in this Agreement, all releases under this Agreement will remain effective in perpetuity.

Y. *Governing Law.* Except (1) as otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of each Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against CVS or against which CVS is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

EXHIBIT G

Subdivisions Eligible to Receive Direct Allocations from the Subdivision Fund and Default Subdivision Fund Allocation Percentages

The Subdivisions set forth on this Exhibit G are eligible to receive direct allocations from the Subdivision Fund, if such Subdivisions are otherwise eligible to receive such funds under this Agreement. By default, the Subdivisions set forth on this Exhibit G shall include all Subdivisions set forth on Exhibit G of the national opioid settlement agreement dated July 21, 2021 with Janssen Pharmaceuticals, Inc., et al., including all amendments up to the Preliminary Agreement Date of this Agreement. A State may elect to add any additional Subdivisions to this Exhibit G at any time prior to the Initial Subdivision Participation Date.

Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Subdivision Participation Date, this Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3.

For the avoidance of doubt, inclusion on this Exhibit G shall not create any claim for any amount of the Settlement Fund, and no such amounts shall be allocated or distributed to any Subdivision included herein if such Subdivision does not otherwise meet all requirements to receive any such funds pursuant to the Agreement.

7. The Governmental Entity has the right to enforce the CVS Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the CVS Settlement, including without limitation all provisions of Section XI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the CVS Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The CVS Settlement shall be a complete bar to any Released Claim.

9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the CVS Settlement.

10. In connection with the releases provided for in the CVS Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the CVS Settlement.

11. Nothing herein is intended to modify in any way the terms of the CVS Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is

interpreted differently from the CVS Settlement in any respect, the CVS Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

NOTES:

1. The Maximum Additional Remediation Amount and the state and subdivision attorneys' fees and costs amounts are broken out into separate columns in Exhibit M-3. All payments shown in this schedule are maximum figures.

2. All annual and total figures for Maximum Additional Remediation Amount & All Attorneys' Fees & Costs Fund are maximum figures that may never be exceeded. They are subject to reduction as set forth in the Agreement and its exhibits.

3. All annual and total figures for Maximum Base Payment, Maximum Incentive Payment A, Maximum Incentive Payment B, and Maximum Incentive Payment C are maximum figures that may never be exceeded and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn the full amount of the relevant incentive payment.
   - The figures are subject to reduction as set forth in the Agreement.

4. All annual and total figures for Maximum Incentive Payment D are maximum figures that reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn 100% of Incentive Payment C and hence the full amount of D at a value of 6%.
   - Exhibit M-2 shows maximums based on Incentive Payment D values higher than 6% if Incentive Payment C is not earned in full. As set forth in the Agreement and Exhibit M-2, any Incentive Payments D at values higher than 6% for a Settling State must be offset in full by corresponding reductions to Incentive Payment C for that Settling State in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount ($4,279,160,837) and the total Maximum Overall Total amount ($4,904,201,178).
   - The figures are subject to reduction as set forth in the Agreement.

5. All annual and total figures for Maximum Total Remediation and Maximum Overall Total are maximum payments that reflect the following:
   - The credit amount of $117,882,400 for prior settlements has already been applied.
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States earn their full potential maximum amount of the Maximum Total Remediation through either Incentive Payment A, or Incentive Payments B, C, and D with Incentive Payment D at a value of 6%.
   - All annual and total figures for Maximum Total Remediation and Maximum Overall Total may never be exceeded with the sole and exclusive exception of the annual amounts for Years 6-10, which may increase based on Incentive Payment D as set forth in Exhibit M-2 when Incentive Payment C is not earned in full. Any such increases must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year for that Settling State, resulting in zero increase to the total Maximum Total Remediation amount ($4,279,160,837) and the total Maximum Overall Total amount ($4,904,201,178).
   - Exhibit M-2 shows maximums based on Incentive Payment D values higher than 6%.
   - The figures are subject to reduction as set forth in the Agreement.

6. Any offsets for Eligible States that are Non-Settling States would be deducted from Maximum Base Payment, Maximum Incentive Payment A, Maximum Incentive Payment B, Maximum Incentive Payment C, Maximum Incentive Payment D, and Maximum Total Remediation by

subtracting from all annual and total payments the amount of the payment times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.

EXHIBIT M-2: INCENTIVE D PAYMENT RANGE SCHEDULE

Payment Year	Incentive Payment D (6%-15%)		Total Remediation

Year 10 June 30, 2032	$51,349,930	$128,374,826	$438,453,320	$474,128,924
Total (Years 1-10)	**$256,749,650**	**$641,874,126**	**$4,279,160,837**	**$4,279,160,837**

NOTES:

1. The ranges for Incentive Payment D show the amount earned based on all Settling States obtaining its minimum value of 6% and its maximum value of 15%, and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States qualify for Incentive Payment D.
   - The high end of the annual and total ranges for Incentive Payment D may never be exceeded and assume that all Settling States earn the full amount of the Total Remediation that they are eligible to receive by achieving, among other incentives, Incentive Payment D at a value of 14.4%. (The Incentive Payment C and Incentive Payment D payment tables do not allow Settling States earning Incentive Payment D at a value of 15% to earn their full potential amount of the Total Remediation.)
   - Any increase above the low end of the annual and total ranges for Incentive Payment D must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount ($4,279,160,837) and the total Maximum Overall Total amount ($4,904,201,178).

- The total Maximum Total Remediation amount ($4,279,160,837) and total Maximum Overall Total amount ($4,904,201,178) may never be exceeded and do not change regardless if all Settling States earn their full potential amount of the total Maximum Total Remediation through Incentive Payment D at a value of 6% or at a value of 14.4%.
- The amounts are subject to reduction as set forth in the Agreement.

2. All ranges for Total Remediation payments reflect the following:
   - The credit amount of $117,882,400 for prior settlements has already been applied.
   - An assumption that all Eligible States are Settling States.
   - The low end of the ranges assume that all Settling States earn their full potential amount of the Total Remediation through 100 percent of Incentive Payment B, 100 percent of Incentive Payment C, and thus Incentive Payment D at a value of 6%.
   - The high end of the annual ranges may never be exceeded and assume that all Settling States earn the full amount of the Total Remediation that they are eligible to receive by achieving, among other incentives, Incentive Payment D at a value of 14.4%. (The Incentive Payment C and Incentive Payment D payment tables do not allow Settling States earning Incentive Payment D at a value of 15% to earn their full potential amount of the Total Remediation.)
   - Any increase above the low end of the annual ranges must be offset in full by corresponding reductions to Incentive Payment C in prior Payment Years and the same Payment Year, resulting in zero increase to the total Maximum Total Remediation amount ($4,279,160,837) and the total Maximum Overall Total amount ($4,904,201,178).
   - The total Maximum Total Remediation amount ($4,279,160,837) and total Maximum Overall Total amount ($4,904,201,178) may never be exceeded and do not change regardless if all Settling States earn their full potential amount of the total Maximum Total Remediation through Incentive Payment D at a value of 6% or at a value of 14.4%.
   - The amounts are subject to reduction as set forth in the Agreement.

3. Any offsets for Eligible States that are Non-Settling States would be deducted from the Incentive Payment D and Total Remediation by subtracting from all payments the amount of the payment times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F-2.

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or

[1] Certain states do not have counties or parishes that have functional governments, including Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

statutory provision be part of the requirements to be an Initial Participating Subdivision.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

CVS Pharmacy Inc. Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, CVS Pharmacy, Inc. ("Settling Pharmacy") shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Settling Pharmacy already have in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

    a. Settling Pharmacy will implement or maintain a Controlled Substance Dispensing Oversight Program ("CSDOP").

    b. The CSDOP must include written standard operating procedures and/or corporate policies (the "CSDOP Policies and Procedures") required by these Injunctive Terms.

    c. The CSDOP shall apply during the term of these Injunctive Terms, to each of Settling Pharmacy's retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

    d. Settling Pharmacy shall provide a copy of the relevant CSDOP Policies and Procedures to each Settling State within 60 days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than 30 days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Settling Pharmacy must provide a copy of the relevant CSDOP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

    e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Settling Pharmacy and to perform such other roles as set forth herein. Upon the committee's formation, Settling States shall provide notice to Settling Pharmacy of the members of the committee.

4. Compliance with Laws

    a. Each Settling Pharmacy acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving the Settling Pharmacy of the obligation of their pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Settling Pharmacy to engage in any acts or practices prohibited by such laws, regulations or rules.

    b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Settling Pharmacy from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Settling Pharmacy to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.

    c. In the event that a Settling Pharmacy determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court ("Express Interpretations"), such that the Settling Pharmacy determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Settling Pharmacy shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from a Settling Pharmacy referenced above, the Settling Pharmacy and the State shall meet and discuss the potential conflict, and the Settling Pharmacy shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that a Settling Pharmacy believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then the Settling Pharmacy may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or

administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with a Settling Pharmacy as to the conflict; (ii) be deemed to relieve a Settling Pharmacy from following any subsequently enacted law or regulation, or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms; (iii) or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iv) be deemed to relieve a Settling Pharmacy from adhering to the outcome of a court or administrative determination that there is no conflict; or (v) limit a Settling State's ability to relieve a Settling Pharmacy of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

d. A Settling Pharmacy shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.

5. No Admission and No Use as Evidence. Settling Pharmacy do not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, (2) an admission, concession or evidence of the reach, requirements, meaning or interpretation of any statute or regulation, or (3) a waiver or limitation of any defense otherwise available to Settling Pharmacy. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until August 15, 2032, unless otherwise specified herein.

2. Except as otherwise stated herein, the Injunctive Terms shall apply to Settling Pharmacy's retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Settling Pharmacy operate an online pharmacy that is registered or licensed to dispense Schedule II Designated Controlled Substances in any Settling State while these

Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.[1]

3. This agreement may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

6. The term "Designated Controlled Substances" shall be limited to: (a) oxycodone; (b) hydrocodone; (c) hydromorphone; (d); tramadol; (e) oxymorphone; (f) morphine; (g) methadone; and (h) fentanyl.

7. The term "Injunctive Terms Implementation Date" means 30 days after the Effective Date of the Settlement Agreement [as defined in Section TK of the full Agreement].

8. The term "National Arbitration Panel" is defined in Section TK of [title of full Agreement].

9. The term "Patient" means any individual who receives a prescription for a Designated Controlled Substance from a Prescriber, whether legally valid or not, and attempts to fill it at one of a Settling Pharmacy's retail pharmacy stores in a Settling State.

10. The term "Prescriber" means any individual that has written a prescription for a Designated Controlled Substance, whether legally valid or not, that is presented to a Settling Pharmacy in a Settling State.

[1] Caremark specialty and mail order pharmacies are not subject to, and are not online pharmacies for purposes of, these Injunctive Terms.

11. The term "Red Flag(s)" means the enumerated Patient Red Flags, Prescription Red Flags, and Prescriber Red Flags set out in Section IX.

12. The term "Settling State(s)" means each State that is a signatory to [Title of Full Agreement].

13. The term "States Injunctive Relief Committee" means a committee representing the Settling States composed of between four and eight members designated by the Settling States. The members of the States Injunctive Relief Committee shall be employees of a Settling State's Office of Attorney General and/or employees of another agency of a Settling State and may not include special assistant attorneys general, contractors, outside counsel, or other non-employees delegated official functions.

IV. CONTROLLED SUBSTANCE OVERSIGHT PERSONNEL

1. Settling Pharmacy shall designate a Chief Pharmacy Controlled Substances Officer, or other appropriately titled position, to be a member of the Controlled Substance Oversight Committee (described below in Section VI), and to oversee a Controlled Substance Professional Practices Department and Settling Pharmacy's compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Oversight Committee" and "Controlled Substance Professional Practices Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Chief Pharmacy Controlled Substances Officer shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. 1306.04.

3. The Chief Pharmacy Controlled Substances Officer shall provide at least quarterly reports to the Controlled Substance Oversight Committee (described below in Section VI) regarding Settling Pharmacy's compliance with these Injunctive Terms, including the implementation of any changes to the CSDOP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Settling Pharmacy's Controlled Substance Professional Practices Department shall be reviewed periodically, but at least on an annual basis, by Settling Pharmacy's Controlled Substance Oversight Committee to assess whether such staffing levels are sufficient for the Controlled Substance Professional Practices Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Settling Pharmacy shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSDOP Policies and Procedures, these Injunctive Terms, Settling Pharmacy's company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Settling Pharmacy shall publish their Hotline contact information to its employees and Patients in the Settling States. Settling Pharmacy shall maintain for the duration of Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Settling Pharmacy to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Settling Pharmacy's Controlled Substance Professional Practices Department personnel, pharmacists and pharmacist technicians who work at Settling Pharmacy's pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSDOP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSDOP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Settling Pharmacy from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Settling Pharmacy's Controlled Substance Professional Practices Department shall not report to Settling Pharmacy's sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Professional Practices Department personnel.

This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.

4. Settling Pharmacy's sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Professional Practices Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Professional Practices Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, a Settling Pharmacy's Controlled Substance Oversight Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, each Settling Pharmacy shall establish an oversight committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSDOP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Oversight Committee." Settling Pharmacy shall maintain its Controlled Substance Oversight Committee for the duration of the term of the Injunctive Terms. The Chief Pharmacy Controlled Substances Officer shall be a member of the Controlled Substance Oversight Committee.

2. A Settling Pharmacy's Controlled Substance Oversight Committee shall have quarterly meetings during which the Chief Pharmacy Controlled Substances Officer shall report on, and the Controlled Substance Oversight Committee shall review, among other things, (a) the Prescription Validation Process, including the CSDOP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Settling Pharmacy's adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSDOP. The Controlled Substance Oversight Committee shall have access to all CSDOP reports described in the following subsection.

3. On an annual basis, a Settling Pharmacy's Controlled Substance Oversight Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settlement Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the CVS Health

Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSDOP that the Controlled Substance Oversight Committee has approved. The CVS Health Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Settling Pharmacy, through its Controlled Substance Professional Practices Department and Oversight Committee, shall, at least once every year, review and oversee any enhancements to the CSDOP Policies and Procedures and systems for dispensing activity that the Controlled Substance Oversight Committee deems necessary.

5. The Controlled Substance Oversight Committee shall be responsible for the approval of all material revisions to the CSDOP Policies and Procedures, provided that nothing herein shall prevent Settling Pharmacy from implementing changes to the CSDOP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSDOP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy personnel at each of the Settling Pharmacy's retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy personnel have access to a computer with access to the CSDOP Policies and Procedures.

2. Settling Pharmacy shall launch training for all existing CSDOP Employees, to the extent practical (for example, accounting for employee leave), on the CSDOP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within 120 days of the Injunctive Terms Implementation Date. All CSDOP Employee new hires, to the extent practical, shall be required to participate in such trainings within 60 days of hiring or 6 months of the Injunctive Terms Implementation Date, whichever is later. Settling Pharmacy will further require that every CSDOP Employee, to the extent practical, receive such training at least once every 3 years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Settling Pharmacy shall test their CSDOP Employees on their knowledge regarding the CSDOP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSDOP Policies and Procedures and all trainings of all CSDOP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that i) Settling Pharmacy's compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSDOP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2023.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSDOP, Settling Pharmacy shall maintain a Prescription Validation Process in the CSDOP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Settling Pharmacy in a Settling State must follow when dispensing a prescription for a Controlled Substance. The inclusion of an enumerated Red Flag in these Injunctive Terms shall not be considered, construed, or represented to be an admission, concession, or evidence of any factual or legal contention related to such Red Flag. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

3. A Settling Pharmacy's CSDOP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information

available to the pharmacist.

4. Each Settling Pharmacy's CSDOP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Settling Pharmacy's CSDOP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Settling Pharmacy records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the Settling Pharmacy.

6. A Settling Pharmacy's CSDOP Policies and Procedures shall provide that the resolution of all Red Flags identified by the pharmacist, as well as sufficient details to reflect the steps taken to resolve the Red Flags must be documented by the pharmacist. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in a Settling Pharmacy's records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives 55 miles from a Settling Pharmacy but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation does not create a presumption that a pharmacist did not resolve any identified Red Flags.

7. Settling Pharmacy's CSDOP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Settling Pharmacy shall provide quarterly to the Settling States, beginning with an initial report four months after the Injunctive Terms Implementation Date, and quarterly thereafter, (1) data reports (the "Quarterly Data Reports") for each retail pharmacy operated by Settling Pharmacy containing data generated by the periodic proactive compliance reviews set forth in Section XI.1, subject to any potential modifications as a result of the meet and confer process set forth in Section IX.2, on cash, high MME patients, and cocktail prescriptions consistent with the sample report provided by Settling Pharmacy on November 21, 2022, (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State from CVS's retail dispensing data, and (3) the lists of prescribers subject to disclosure in section X.5. Each Settling State shall provide contact information for receipt of the above information and shall update such contact information as necessary. A Settling State shall not disclose or provide any data provided under this provision during or after the Term of these Injunctive Terms unless required to do so by law or in a proceeding to enforce these Injunctive Terms. If a Settling State receives a request, demand or subpoena for such information or data, or intends to produce said data in a proceeding to enforce these Injunctive Terms, the Settling State shall, before producing any information or data, provide to Settling Pharmacy no less than ten (10) days' notice, unless a shorter period is required by law, and an opportunity to object, seek a protective order, or come to an agreement on confidentiality protections, prior to the expiration of the 10-day notice period. It is CVS's position that the information and data to be provided under these Injunctive Terms is confidential in nature, shall not be disclosed or produced by a Settling State, and is exempted from public record requests under exemptions for confidential commercial information and all other applicable exemptions and exclusions. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies, provided that such agencies acknowledge and comply with the nondisclosure and notice obligations set forth in the preceding sentences.

2. Within the three months following the provision of the Annual Data Reports, either Settling Pharmacy or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Settling Pharmacy or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, a Settling Pharmacy might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

a. If Settling Pharmacy and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.

b. If Settling Pharmacy and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.

c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration or any Settling State's Board of Pharmacy or other Controlled Substance government regulators.

d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event such a dispute is submitted to the National Arbitration Panel, it shall be the Settling Pharmacy's burden to prove that the Red Flag(s) at issue are too numerous or complex to be reasonably workable for pharmacists. The Arbitration Panel should consider information regarding potential impacts on public health in determining if the red flag(s) at issue are too numerous or complex to be reasonably workable for pharmacists.

3. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to treat the following circumstances as "Patient Red Flags":

a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;

b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Settling Pharmacy from more than four other Prescribers, from separate practices, in a given 6-month period;[2]

c. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at the same Settling Pharmacy's pharmacies within 30 days;

d. The distance between a Patient's residence and the Settling Pharmacy receiving the Designated Controlled Substance prescription is farther than 50 miles ;

e. The Patient resides more than 100 miles from the Prescriber who issued the Designated Controlled Substances prescription;

f. To the extent personally known to the pharmacist filling the prescription, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to refusals to fill by a Settling Pharmacy pharmacist within the past 30 days;

g. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;

h. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;

i. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

j. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated or incoherent.

4. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to treat the following circumstances as "Prescription Red Flags:"

[2] In Settling Pharmacies' sole discretion, for administrative convenience Settling Pharmacies may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

a. A Controlled Substance prescription fails to meet the requirements of law;

b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;

d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and

e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

5. Settling Pharmacy's CSDOP Policies and Procedures shall require their pharmacists to the following circumstances as "Prescriber Red Flags:"

a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

b. A Prescriber has no office within 50 miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

X. PRESCRIBER REVIEW

1. Settling Pharmacy shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Settling Pharmacy's retail dispensing for potential Prescribers of concern.

2. Settling Pharmacy shall initiate Prescriber Review Process in the following circumstances:

a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of the Settling Pharmacy's retail pharmacy stores in the Settling States;

b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

c. A Settling Pharmacy has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, a Settling Pharmacy may also initiate the Prescriber Review Process when:

   a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of controlled substances;

   b. A Prescriber of Designated Controlled Substances was flagged for review by a Settling Pharmacy pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise a Settling Pharmacy's pharmacies in a Settling State; or

   c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Settling Pharmacy's retail dispensing.

4. Once a Settling Pharmacy identifies a Prescriber for further investigation, the Settling Pharmacy shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by the Settling Pharmacy for the term of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents a Settling Pharmacy from taking immediate action to Block a Prescriber.

5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused a Settling Pharmacy to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at the Settling Pharmacy's retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of the Settling Pharmacy to seek future reinstatement by providing information to the Settling Pharmacy that may resolve its concerns. Nothing in this Section shall limit the right or ability of an individual Settling Pharmacy pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by the Settling Pharmacy to Block or not Block a given Prescriber. On written demand, on a quarterly basis, a Settling Pharmacy shall provide to each Settling State the names and DEA or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the

Settling States, on a quarterly basis, a Settling Pharmacy shall provide to the Injunctive Relief Committee the number, names and DEA or NPI numbers of Prescribers who were: (a) blocked, and the number of prescribers who were (b) reviewed but not blocked.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Settling Pharmacy shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Professional Practices Department personnel upon request for the duration of these Injunctive Terms.

2. During the term of these Injunctive Terms, Settling Pharmacy personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy identified for further review in a calendar year. Settling Pharmacy shall provide a list of such pharmacies to Settling States on an annual basis. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSDOP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.

3. During site visits, Settling Pharmacy's personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSDOP Policies and Procedures, and these Injunctive Terms.

4. A Settling Pharmacy's personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSDOP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by the Settling Pharmacy and made accessible to all Controlled Substance Professional Practices Department personnel. Upon its request, the States Injunctive Relief Committee shall be provided

sample reports or a report for a particular store.

XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, each Settling Pharmacy shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.

2. In addition to any other reporting obligations under state and federal law, Settling Pharmacy must provide to each Settling State on a quarterly basis any reports it has made to the Drug Enforcement Administration regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 CFR §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform the Settling Pharmacy to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Settling Pharmacy shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within 5 business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.

2. Settling Pharmacy shall document and for at least 2 years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

    a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that a Settling Pharmacy is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement is not presumed to occur when a pharmacist, pharmacist technician,

or other field personnel who supervise pharmacists and/or pharmacist technicians employed by a Settling Pharmacy violates the Settling Pharmacy's CSDOP Policies and Procedures.

b. Potential Violation Discovered by Settling State.

i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify the Settling Pharmacy in writing (the "State's Notice").

ii. Within thirty (30) days of receipt of the State's Notice, the Settling Pharmacy shall provide a written response to the Settling State. The response shall include Settling Pharmacy's position as to the act(s) of non-compliance, including, possibly, a statement setting forth why the Settling Pharmacy believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

iii. If the Settling State wishes to meet with a Settling Pharmacy, that Settling Pharmacy shall promptly make itself available for such a meeting.

c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to a Settling Pharmacy and work in conjunction with the Settling Pharmacy to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

d. Within 60 and 120 days after implementing the Corrective Action Plan, the Settling Pharmacy will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

e. If a Settling Pharmacy fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with the Settling Pharmacy. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within 30 days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Each Settling Pharmacy's Chief Pharmacy Controlled Substances Officer shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. The certification shall state:

"I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Chief Pharmacy Controlled Substances Officer is unable to provide such a certification, the Chief Pharmacy Controlled Substances Officer shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

XVI. DATA SHARING

1. Each Settling Pharmacy shall consent to the provision by their distributors of the Settling Pharmacy's unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Settling Pharmacy) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Settling Pharmacy, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Settling Pharmacy provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Settling Pharmacy agree that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Settling Pharmacy, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. The Settling Pharmacy will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from the Settling Pharmacy for a Settling Distributor to perform suspicious order monitoring,; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by the Settling Pharmacy to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to omission of information about Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and commercial concerns, in connection with any meet and confer described above, the Settling Pharmacy may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. The Settling Pharmacy and Settling Distributors will also determine whether and in what amount each Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When a Settling Pharmacy contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of the Settling Pharmacy's contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by a Settling Pharmacy to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

XVIII. CHANGES & MODIFICATIONS

1. These Injunctive Terms may be amended or modified with the written consent of Settling Pharmacy and a majority of the States Injunctive Relief Committee.

II. Fees and Costs

A. *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by CVS to Attorneys under this Fee Agreement shall be up to, but in no event more than, $530,615,944, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $500,615,944 for the Attorney Fee Fund, as set forth in Section II, and $30,000,000 in total for the Cost Fund, divided between the Subdivision Cost and Expense Fund and MDL Direct Cost Fund as set forth in Sections II.E and II.F, respectively. Additionally, CVS shall also pay $8,841,180 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, and such amount shall be paid on the schedule set forth in Ex. M-3. The maximum attorney fees and costs allowed under this Fee Agreement, subject to the reductions set forth herein, are set forth in Ex. M-3 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

paid under this Fee Agreement by CVS shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the CVS Agreement.

3. The total attorneys' fees and costs to be paid under this Fee Agreement by CVS shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Litigating Subdivisions in any Settling State that continue to pursue Released Claims ("*Non-Participating Litigating Subdivisions*"), as set forth in Section II.D.4 and II.H.7 below.

4. If CVS settles with any Non-Settling State after December 9, 2022, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, CVS agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State if it had participated in the CVS Settlement and been awarded its full portion of the Remediation Payment (the "*CVS State Settlement CBF Assessment*"). If CVS settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after December 9, 2022, then CVS agrees to withhold from the attorney fee portion of such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "*CVS Subdivision CBF Assessment,*" and, along with the CVS State Settlement CBF Assessment, each a "*CVS CBF Assessment*"). If (a) CVS settles with a Non-Settling State after December 9, 2022, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) CVS later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, CVS agrees to deposit the CVS State Settlement CBF Assessment in the Common Benefit Fund. Any CVS CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that CVS is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the CVS CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

B. *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund. The State Counsel Fee Fund and the State Cost Fund shall

be separate funds under the control of the Settling States and are not part of this Fee Agreement.

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Trial Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the CVS Agreement, or if the CVS Agreement does not proceed. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

5. In no event shall CVS be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified in paragraph II.A.1., which amounts are reflected in Exhibit M to the CVS Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the CVS Agreement, as set forth in Exhibit G to the CVS Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in

Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by CVS into the Attorney Fee Fund is $300,369,566.40, and in no event shall it exceed that amount. CVS's maximum potential Common Benefit Fund payments are subject to the reductions set forth in Section II.A.2. for Non-Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	CVS Maximum Common Benefit
Payment Year 1	$54,779,142.60
Payment Year 2	$48,406,953.60
Payment Year 3	$65,727,823.80
Payment Year 4	$65,727,823.20
Payment Year 5	$65,727,823.20
Total	$300,369,566.40

Additionally, CVS shall also pay $8,841,180 into the Court Common Benefit Fund as a common benefit fund assessment on the Credit set forth in Ex. M-3, which shall be paid on the schedule set forth in Ex. M-3.[2]

[2] For the avoidance of doubt, CVS is not required to pay any sums under this Agreement for matters settled prior to December 6, 2022, other than the $8,841,180 credit referenced above.

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

   a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against CVS have also reached a settlement for Released Claims with CVS. These settlements are the subject of agreements with CVS. Attorneys representing Tribal Nations are eligible for Common Benefit consideration provided such agreements with CVS became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

   For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. CVS's Common Benefit Fund payments under this Fee Agreement satisfy, at a minimum, any assessments or withholdings for the CVS Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Initial Participation in the CVS Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the CVS Agreement, including the CVS Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients,

whether they participated in the CVS Agreement or not. It is the intent of this provision to recognize that the goal of the CVS Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the CVS Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions or Later Litigating States is antithetical to the CVS Settlement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to CVS as set forth in Section II.H.[3] The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by CVS under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors not inconsistent with the factors set forth in paragraph II.C.4. and Section II.H. Any reduction in payment obligation or credit to be given CVS in this Fee Agreement shall be applied against Payment Year 5 and then working backwards. Any reduction to an Applicant not credited to CVS shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Subdivision Participation Date.

D. *Contingency Fee Fund* (40% of the Attorney Fee Fund)

1. The maximum potential total Contingency Fee Fund payment to be made by CVS into the Attorney Fee Fund is $200,246,378.60, and in no event shall it exceed that amount. CVS's maximum potential Contingency Fee Fund payment shall be subject to the reductions set forth in Section II.A.2. for Non-

[3] Regardless of the status of the CT-3 bellwether counties under the CVS Agreement and this Fee Agreement, and notwithstanding any provisions in those agreements to the contrary, it is expressly agreed that the attorneys who represent or worked on behalf of the CT-3 bellwether counties in the CT-3 litigation are eligible to apply to the Fee Panel for attorneys' fees from the Common Benefit Fund for the CT-3 representation and that the Fee Panel has discretion to determine that such representation has achieved common benefit.

Settling States and to the adjustments set forth below and, subject to those reductions, shall be paid on the following yearly schedule:

	CVS Maximum Contingency Fee
Payment Year 1	$36,519,428.40
Payment Year 2	$32,271,302.40
Payment Year 3	$43,818,549.20
Payment Year 4	$43,818,548.80
Payment Year 5	$43,818,548.80
Total	$200,246,377.60

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

    a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.

    b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

3. The amount owed by CVS to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

4. In the event that after the date of the CVS Agreement, CVS, prior to the Effective Date of the CVS Agreement, settles with any Litigating Subdivision

that would have been eligible to participate in the CVS Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the CVS Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be returned to CVS, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement.

E. *Subdivision Cost and Expense Fund*

1. CVS shall pay $22,500,000 into the Subdivision Cost and Expense Fund on the schedule set forth below.

	Cost Fund
Payment Year 1	$11,250,000.00
Payment Year 2	$11,250,000.00
Total	$22,500,000.00

2. The Subdivision Cost and Expense Fund shall be available to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions. No funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision. In allocating the Subdivision Cost and Expense Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022.

3. During the period between December 9, 2022 and the Effective Date of the CVS Agreement, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against CVS, including by jointly seeking stays or severance of claims against CVS, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

4. In the event that CVS, prior to the Effective Date of the CVS Agreement, settles with any Litigating Subdivision and, under such settlement agreement, pays costs to the Litigating Subdivision or its Attorney, the MDL Cost and Expense Fund Administrator shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, using the same criteria applicable to all applicants to the Subdivision Cost and Expense Fund, determine what amount in costs the Litigating

Subdivision or its Attorney would have been paid from the Subdivision Cost and Expense Fund if they had settled under the CVS Agreement. That sum, rather than being paid to the Attorney or the previously settling Litigating Subdivision, shall be credited and/or returned to CVS, except that such sum shall not be greater than the amount paid under the previously settled Litigating Subdivision's settlement agreement.

5. The Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

6. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

7. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs under Section II.E.2 in pursuit of claims against CVS. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this Exhibit R.

8. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than CVS that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that separate global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds; *provided, however*, that the Subdivision Cost and Expense Fund shall remain subject to the requirements set forth in Section II.E.2. For the avoidance of doubt, the Subdivision Cost and Expense Fund is available only to compensate Attorneys for costs and expenses arising out of representation of Participating Litigating Subdivisions, and no funds in the Subdivision Cost and Expense Fund may be used to compensate the costs incurred by Non-Participating Subdivisions or Non-Litigating Subdivisions or costs and expenses arising out of representation of any such Subdivision.

F. *MDL Direct Cost Fund*

1. CVS shall pay $7,500,000 into the MDL Direct Cost Fund on the schedule set forth below.

	MDL Direct Cost Fund
Payment Year 1	$3,750,000.00
Payment Year 2	$3,750,000.00
Total	$7,500,000.00

2. The MDL Direct Cost Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL Counsel for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlement.

3. In allocating the MDL Direct Cost Fund, the Administrator shall not allocate any funds for costs incurred after December 9, 2022, unless the Administrator determines that there are sufficient funds to cover all Subdivision costs incurred prior to December 9, 2022 and that special circumstances exist to justify costs incurred following the public announcement of the CVS Agreement, including reasonable costs related to the implementation of the CVS Agreement.

G. Eligibility

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications

for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date except that the Attorney may recommend participation in the Agreement.

d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the CVS Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the CVS Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify CVS when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the CVS Agreement represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to CVS. CVS or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to CVS, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the CVS Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. Calculation of Amounts Due

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from CVS as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as CVS may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for CVS) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

    a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

    b. The novelty, time, and complexity of the Qualifying Representations;

    c. The skill requisite to perform legal services properly and undesirability of the case;

    d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

    e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities

whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph II.C.4;

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against CVS or any risk for CVS created by the Applicant in cases against CVS;

m. Any risk for defendants created by Applicants in cases against CVS;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against CVS prior to the announcement of this settlement on December 9, 2022;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the CVS Agreement on December 9, 2022, such latter litigation both being of less value and, the case of litigation filed after the announcement of the CVS Agreement on December 9, 2022, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the CVS Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:

a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 1, 2022;

b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

   a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

   b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

   c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

   d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

   e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

   f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

   g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

    a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.

    b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

    a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

    b. Apply the Mathematical Model in Exhibit A.

    c. Use such allocations to determine refund amounts owed to CVS from the Attorney Fee Fund, and inform CVS and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that CVS is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. Miscellaneous

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by CVS.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the CVS will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision in a non-Settling State that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to CVS information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

4. The MDL PEC and CVS agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision to represent a Later Litigating Subdivision or Later Litigating State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the CVS Agreement until the Effective Date of the CVS Agreement, as well as thereafter, if the CVS Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination*. If the CVS Agreement does not proceed past the Reference Date, whether because CVS does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, CVS shall have no obligation to make any payments under this Fee Agreement, and CVS and the MDL PEC shall take such steps as are necessary to restore the *status quo ante.*

1. *MDL Court Consideration.* This Fee Agreement shall be attached as an exhibit to the CVS Agreement. This Fee Agreement shall also be submitted by CVS and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached. The MDL Court shall have no authority to increase the payments made by CVS under this Fee Agreement beyond the amounts described in this Fee Agreement.

2. In the event that the MDL Court, through an order, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, CVS and the MDL PEC shall meet and confer concerning such changes.

3. If CVS and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, CVS shall have no obligation to make any payments under this Fee Agreement, and CVS and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante.*

B. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of CVS and the MDL PEC and (2) approval by the MDL Court.

C. *Jurisdiction and Enforcement.* The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of CVS as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against CVS, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement, or provides the MDL Court with jurisdiction over the CVS Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

CVS Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the CVS Settlement Agreement.[4] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the CVS Settlement Agreement.[5] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named CVS (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the CVS Settlement Agreement is $200,246,377.60.[6]

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the CVS Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the $4,279,160,837 Remediation amount [see Exhibit M of the CVS Settlement Agreement].
- 50% of the 1% share allocated to State A is $21,395,804.19.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation

[4] *See* CVS Settlement Agreement, Exhibit R § II.D.2.
[5] CVS Settlement Agreement, Exhibit R § II.D.2.
[6] CVS Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

Percentage for City B in State A is 1.00000000%.

- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $21,395,804.19, or $213,958.04.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named CVS in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name CVS in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named CVS before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract.* Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named CVS in a lawsuit).

Illustrative example:

- $220,000 [from para. 2.b] ÷ $220,000,000 [total amount owed under contingency fee contracts nationwide] = 0.1%[7]
- 0.1%* $200,246,377.60 [Contingency Fee Fund] = $200,246.38

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the CVS Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named CVS in a lawsuit).

Illustrative example:

- 1% * $200,246,377.60 = $2,002,463.78 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $2,500,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $2,500,000 = 8.8%
- 8.8% * $2,002,463.78 = $176,216.81

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.[8]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool,

[7] In this example, $220 million is the amount theoretically owed under all contingency fee contracts for litigation against CVS as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

[8] The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

The Chain Pharmacies Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Chain Pharmacies. The Settlement Fund Administrator (the "Fee Fund Administrator") shall administer the State Outside Counsel Chain Pharmacies Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Chain Pharmacies Fee Fund Committee.

4. **State Outside Counsel Chain Pharmacies Fee Eligibility.**

   a. To receive any amount from the State Outside Counsel Chain Pharmacies Fee Fund, an outside counsel to a Settling State must have filed and maintained an

action in the name of a Settling State or its Attorney General against a Chain Pharmacy in a state or federal court as of November 1, 2022. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Chain Pharmacies Fee Fund and any "Additional Remediation Amount" as may be provided for in This Settlement Agreement.

b. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Chain Pharmacies Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Chain Pharmacies Fee Fund Amount.** The Settling Chain Pharmacy shall pay funds into the State Outside Counsel Chain Pharmacies Fee Fund in an amount equal to, and on the schedule identified in, Exhibit M (the "Contribution"). The Settling Chain Pharmacy's Contribution shall subject to a reduction as described in Paragraph 8, below.

6. State Outside Counsel Chain Pharmacies Fee Fund Availability and Calculation of Amount.

a. The State Outside Counsel Chain Pharmacies Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the "Fee Schedule").

b. The Fee Schedule is intended to reflect the fee calculation in subparagraph 6.c, below (the "Fee Calculation"). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the "Final Fee Schedule."

c. Fees shall be aggregated across the Multistate Chain Pharmacy Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Chain Pharmacy Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State's outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State's contract with its outside counsel assuming that fifty percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States)

exhausts the State Outside Counsel Chain Pharmacies Fee Fund. The proportional share percentage will be the same for each Settling State included in the State Outside Counsel Chain Pharmacies Fee Fund. Fees shall be split proportionally among each Multistate Chain Pharmacy Settlement Agreement, as set forth on the Fee Schedule.

d. All amounts paid will be less any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of $50,000 for such administrative expenses of the Fee Fund Administrator. The remainder of any unused administrative expenses shall be disbursed pro rata to States receiving monies from the State Outside Counsel Chain Pharmacies Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator**.

a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) the last of the three Multistate Chain Pharmacy Settlement Agreements becomes effective or (2) when instructed by the Settling State Members of the Enforcement Committee.

b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Chain Pharmacies Fee Fund in the following scenarios ("Payment Scenarios"):

1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Chain Pharmacy Settlement Agreement.
2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Chain Pharmacies Fee Fund.
3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Chain Pharmacies Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or

such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.

d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Chain Pharmacies Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.

e. Nothing herein, including the amounts listed in Paragraph 6 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Chain Pharmacy bars payment of a higher fee to outside counsel.

f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Chain Pharmacy.

8. **Reduction of Amounts owed**

a. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Chain Pharmacy to the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. Specifically, the reduction in the amount owed by the Settling Chain Pharmacy shall be calculated as 2.25% times the total Remediation Payments that would have been allocated to the Non-Settling State had it been a Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

b. **Settling States; Redistribution**. If a Settling State under This Settlement Agreement (i) would otherwise be entitled to a payment from the State Outside Counsel Chain Pharmacies Fee Fund and (ii) is eligible to be a "Settling State" under either of the two other Multistate Chain Pharmacy

Settlement Agreements but does not become such a "Settling State", then that Settling State's payment from the State Outside Counsel Chain Pharmacies Fee Fund shall be reduced to an amount equal to the Contribution times the Settling State's allocation percentage on Exhibit F, which shall be treated as an additional remediation payment in lieu of a fee payment. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

c. If either or both of the other Chain Pharmacies fail to enter into a Multistate Chain Pharmacy Settlement Agreement, or if such Multistate Chain Pharmacy Settlement Agreements fail to take effect by December 15, 2023, then the Settling Chain Pharmacy and the Enforcement Committee shall renegotiate the terms of Paragraph 8.b in order to permit prompt payment to Settling States that terminated contested litigation with the Settling Chain Pharmacy, and permitting additional time if necessary to finalize payments to the other Settling States. In no event will such renegotiation result in additional reversion of monies in the State Outside Counsel Chain Pharmacies Fee Fund to the Settling Chain Pharmacy.

9. **Interpretation**.

a. This Agreement shall be an Exhibit to each Multistate Chain Pharmacy Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.

b. It is the intent of all parties that the State Outside Counsel Chain Pharmacies Fee Fund function in a similar manner, with similar calculations and mechanics, as the "State Outside Counsel Fee Fund" established in Exhibit S of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

EXHIBIT T

Agreement on the Joint State Cost Fund

1. **Definitions**.

   a. "Opioids Defendant" means Walmart, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and "Opioids Defendants" means all of the foregoing.

   b. "Multistate Settlement" means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.

   c. "Settlement Agreement" means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.

   d. "Settling Opioids Defendant" means the Opioids Defendant that is a party to the Settlement Agreement.

   e. "Settling States" has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the "State Cost Fund"). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar "State Cost Funds" created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the "Joint State Cost Fund." To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states' litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, Exhibit M (the "Settling Opioids Defendant's Contribution") for the purpose paying States' costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated

representatives (such committee, the "Joint State Cost Fund Committee") shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

a. The Joint State Cost Fund Committee may select an administrator (the "Joint State Cost Fund Administrator"), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.

b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.

b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:

1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)

2. Funds in any State Cost Fund shall be primarily used to reimburse costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid

before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:

    - the reasonable costs of the Joint State Cost Fund Administrator;
    - repayment of National Association of Attorneys General grants made in connection with opioid litigation, without regard to when the grants were made;
    - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;

4. The Joint State Cost Fund shall seek to prioritize costs in the following order:

    - litigation-related costs; then
    - investigation-related costs; then
    - settlement and negotiation related costs; then
    - cost shares.

5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.

6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.

7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.

9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.

10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.

11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).

c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.

d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.

e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to

incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

a. to only submit costs allowable under this Joint State Cost Fund Agreement;

b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;

c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and

d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

ONE NEVADA AGREEMENT ON ALLOCATION OF OPIOID RECOVERIES

WHEREAS, the people of the State of Nevada and its communities have been harmed by the misfeasance, nonfeasance, and malfeasance of certain individuals and entities, including licit and illicit opioid distribution, that has created an opioid epidemic both nationally and within the State of Nevada;

WHEREAS, on January 24, 2019, the Honorable Steve Sisolak, Governor of the State of Nevada, in consultation with the Honorable Aaron D. Ford, Attorney General of the State of Nevada, entered a Declaration of Findings Pursuant to NRS 228.1111(1)(a), declaring that the State of Nevada is combating the opioid epidemic;

WHEREAS, the State of Nevada though its elected representatives and counsel, including the Honorable Aaron D. Ford, Attorney General of the State of Nevada, and certain Local Governments, through their elected representatives and counsel, are separately engaged in opioid-related litigation seeking to hold various entities and individuals accountable for the opioid epidemic in the State of Nevada based on their misconduct relating to the unlawful manufacture, marketing, promotion, distribution, and/or dispensing of prescription opioids;

WHEREAS, the State of Nevada and its Local Governments share a common desire to remediate and alleviate the impacts of the opioid epidemic throughout the State of Nevada;

THEREFORE, the State of Nevada and its Local Governments, desire, subject to formal approval effectuating this One Nevada Agreement on Allocation of Opioid Recoveries ("Agreement") relating to the resolution or partial resolution of opioid-related litigation and the allocation and use of the proceeds of any Recoveries as described; and

NOW THEREFORE, the Parties agree and desire to be bound as follows:

A. Definitions

As used in this Agreement:

1. The "State" or "State of Nevada" shall mean the State of Nevada acting through its Attorney General.
2. “Local Governments” shall mean the Local Governments listed in **Exhibit A**, attached.
3. "Litigating Counties" shall mean the following Nevada Counties: Carson City, Churchill, Clark, Douglas, Esmeralda, Humboldt, Lincoln, Lyon, Mineral, Nye, Washoe, and White Pine;
4. "Non-Litigating Counties" shall mean the following Nevada Counties: Elko, Eureka, Lander, Pershing, and Storey;
5. “Litigating Cities and Districts” shall mean the Cities and Districts listed in **Exhibit B**, attached;

9. "Lead Litigator Costs" shall mean the costs incurred to date for opioid-related litigation by the State of Nevada, the Litigating Counties, and the Litigating Cities

and Districts against the Defendants of at the time of any Recovery. Costs do not include attorney fees or contingency fees for Counsel.

10. "Federal Government CMS Medicaid Costs" shall mean 22.52% of any Recovery after deduction of the Lead Litigator Costs that may be asserted, and only if determined to be recoverable, against the State of Nevada's Federal Government Centers for Medicaid Services costs for claims, otherwise commonly known as the federal share of Medicaid claims payments.

11. "Negotiating Committee" shall mean Counsel for the State of Nevada, the Nevada Attorney General or his designees as required by NRS chapter 228.1113, et seq., and Counsel for the Litigating Counties, and the Litigating Cities and Districts (collectively, "Members") in their respective opioid-related litigation.

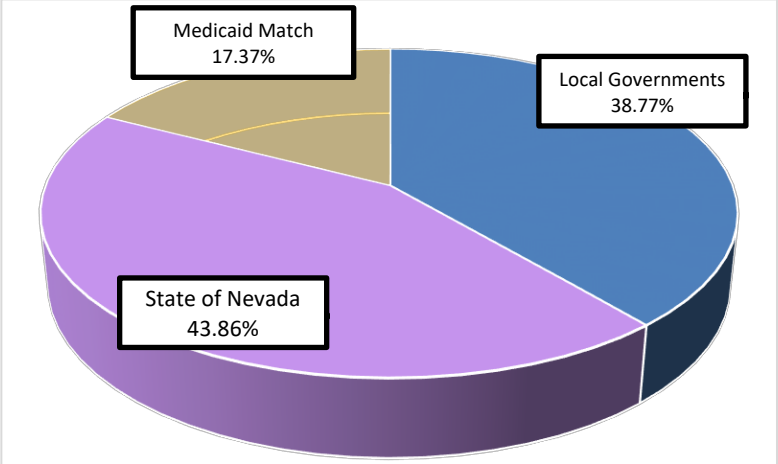

12. "Recovery" or "Recoveries" shall mean monetary amounts obtained through the negotiated resolution of legal or equitable claims against any Defendant in any opioid-related litigation listed in **Exhibit C**, and shall include any Recoveries against any Defendant through bankruptcy proceedings related to the opioid-related litigation in **Exhibit C** to the extent the bankruptcy court allows for use of this Agreement to allocate Recoveries.

13. "Approved Purposes" shall mean only uses to remediate the harms, impact, and risks caused by the opioid epidemic to the State of Nevada and its residents, and are consistent with those uses required by Senate Bill 390 (SB 390) as enrolled by the 81st (2021) Nevada Legislative Session and signed into law by the Nevada Governor, or uses that are listed as an approved use for abatement purposes in any plan approved by a bankruptcy court that are not otherwise inconsistent with SB 390.

B. Allocation of Recoveries

1. With the exception of up to 8% for administrative costs, or unless otherwise limited by Court Order, all Recoveries must be used for Approved Purposes.

2. Any Recovery, after deduction of Lead Litigator Costs, unless otherwise limited by Court Order, and the Federal Government CMS Medicaid Costs, if and only if applicable, shall be divided into percentages and allocated within these percentages as follows:

(*pie chart for illustrative purposes*)

1) "State of Nevada Allocation": 43.86% to the State of Nevada;

2) "Local Governments Allocation": 38.77% to the Local Governments to be allocated by percentage of claims data for the Local Governments as outlined in **Exhibit D**, attached; and

3) "Medicaid Match Allocation": 17.37% representing what is referred to as the Medicaid Match which amount shall be allocated among the Counties as follows: **a)** 65% to Clark County, **b)** 14% to Washoe County, and **c)** 21% to the remaining Litigating and Non-Litigating Counties by population, as outlined in **Exhibit E**, attached.

3. Unless otherwise directed by court order, the State of Nevada shall receive and divide and allocate any Recoveries described in Paragraph 2.

4. The State of Nevada and Local Governments shall exercise due diligence to complete a release against any Defendant, if necessary, as a result of a Recovery pursuant to this Agreement.

5. The State of Nevada and Local Governments shall make every reasonable effort to coordinate any related press releases and/or press interaction concerning any settlement or other disposition under this Agreement.

6. The State of Nevada and Local Governments are, after deduction of Lead Litigator Costs unless otherwise limited by Court Order, and the Federal Government CMS Medicaid Costs, if and only if applicable, from any Recovery, each responsible for any remaining costs of that Party's litigation from that Party's share of the Recovery after allocation.

7. The State of Nevada and Local Governments are each responsible, unless otherwise directed by court order, for payment of any attorney fees for the use of their Counsel in maintaining their respective opioid-related litigation from their share of the Recoveries after allocation pursuant to the terms of their respective contingency fee agreements. However, in the event Counsel is eligible to apply for attorney fees or costs from a national fund created by one or more Defendants in connection with a Recovery, Counsel will refund any amount recovered from said national fund proportionate to the amount of attorney fees paid under each respective contingency fee agreement.

8. Additionally, a fee adjustment of 25% shall be deducted from the share of each of the allocation amounts to the Non-Litigating Counties described in Paragraph 2 of

this Agreement. The total amount of the fee adjustment deducted pursuant to this paragraph shall then be allocated to the Litigating Counties by total percentage of claims data for those Litigating Counties as outlined in **Exhibit F**, attached.

9. In the event a Local Government merges, dissolves, ceases to exist, opioid-related litigation is dismissed with prejudice including the exhaustion of any and all appeals related to the Court's order of dismissal, or is excluded from a specific recovery for any reason, the allocation percentage for that Local Government shall be reallocated as follows:

   a. If a Local Government excluded under this paragraph is a Litigating City or District, then that Litigating City or District's allocated share shall be added to the share of the County in which the Litigating City or District is located in addition to the County's allocated share.

   b. If a Local Government excluded under this paragraph is a County, then that County's allocated share shall be added to the State's share minus the allocated shares of any Litigating City or District located within the excluded County that would otherwise be entitled to receive their shares.

10. Funds received by the State of Nevada or Local Governments, which are obtained from entities or individuals not listed on **Exhibit C**, or from sources unrelated to a Recovery, i.e., via grant, bequest, gift or the like, are excluded from this Agreement.

11. The State of Nevada's share of Recoveries, after deduction of any remaining costs and attorney fees, shall be deposited in the Fund for Resilient Nevada through Senate Bill 390 (2021).

12. Nothing in this Agreement alters or intends to alter or change the right of the State of Nevada or any Local Governments to pursue its own claims against any Defendant through that Parties' separate opioid-related litigation. Rather, the intent of this Agreement is to join all Parties to seek and negotiate binding global settlement or settlements and to obtain Recoveries with one or more Defendants in the State of Nevada or Local Governments opioid-related litigation for the benefit of all Parties to this Agreement.

C. Waiver of Conflict of Interest. Consistent with the intent of this Agreement, the Parties agree that there is no conflict of interest in Counsel representing the Parties to this Agreement, but to the extent Counsel's representation may constitute a conflict of interest, the Parties waive any potential conflict of interest.

D. Reporting. Accountability - Prior to July 1st of each year, or as otherwise required by any Court Order, each of the Local Governments shall provide information to the State, to the attention of Mark J. Krueger, Chief Deputy Attorney General at mkrueger@ag.nv.gov, about how they intend to expend, and how they did expend, their allocated shares of any Recovery/Recoveries to ensure such Recoveries are being used for Approved Purposes only. Local Governments shall respond and provide documents to any reasonable requests from the State for data or information about the use of the Recoveries, including Local Government or third-party programs, services, or infrastructure receiving the Recoveries.

E. Miscellaneous

be given to the issue of which Party actually prepared, drafted or requested any term or condition thereof.

2. **Severability Clause.** In the event any provision or part of this Agreement is found to be invalid or unenforceable, only that particular provision or part so found, and not the entire Agreement, will be inoperative.

3. **Entire Agreement.** This Agreement, contains the entire agreement between the Parties and supersedes and cancels all previous negotiations and agreements, if any.

This Agreement and any amendments thereto, to the extent signed and delivered by means of a facsimile machine or electronic scan (including in the form of an Adobe Acrobat PDF file format), shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof.

7. **Legal Advice.** The Parties acknowledge that they have been advised to have this Agreement reviewed by their respective Deputy Attorney Generals, District Attorneys, and City Attorneys (collectively "Government Attorneys") and the

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement and Release between CVS and the State of Nevada ("*CVS-Nevada Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the CVS-Nevada Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the CVS-Nevada Settlement, understands that all terms in this Subdivision Participation and Release Form have the meanings defined therein, and agrees that by executing this Subdivision Participation and Release Form, the Governmental Entity elects to participate in the CVS-Nevada Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event no later than the Subdivision Participation Date, dismiss with prejudice any Released Claims that it has filed.

3. The Governmental Entity agrees to the terms of the CVS-Nevada Settlement pertaining to Participating Subdivisions as defined therein.

4. By agreeing to the terms of the CVS-Nevada Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, Annual Remediation Payments.

5. The Governmental Entity agrees to use any monies it receives through the CVS-Nevada Settlement solely for the purposes provided therein.

6. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the CVS-Nevada Settlement, including without limitation all provisions of Section VI (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, hereby releases Released Entities to the fullest extent of its authority. > **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the CVS-Nevada Settlement.

"Released Claims" shall be interpreted broadly. This Agreement does not release Claims by private individuals. Claims by private individuals shall be treated in accordance with applicable law. Released Claims is also used herein to describe Claims brought by a Later Litigating Subdivision, Later Litigating Special District, or other non-party Subdivision or Special District that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date.

76. "*Released Entities*" means Allergan and (1) all of Allergan's past and present direct or indirect parents, subsidiaries, divisions, joint ventures, predecessors, successors, affiliates, business units, assigns, agents (all of the foregoing solely in their capacity as such with respect to the Released Claims), and insurers (solely in their role as insurers, if any, with respect to the Released Claims), including, but not limited to, (a) AbbVie and (b) Divested Actavis Generic Entities and other Divested Entities (and their respective past and current parents, subsidiaries, and affiliates, including but not limited to Teva Ltd., Teva USA, and their subsidiaries and affiliates) but solely as to the branded opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of the Divested Actavis Generic Entities and other Divested Entities related to those branded opioid drugs that are Products before August 2, 2016; (2) any person or entity to the extent, and only to the extent, that such person or entity may have a Claim based on such person or entity having a business relationship with Allergan or AbbVie and/or any of Allergan or AbbVie's Affiliated Companies, including, but not limited to, for contractual indemnity, equitable or implied indemnity, contribution, comparative fault, reimbursement, or apportionment (including, but not limited to, the respective past and present direct or indirect parents, subsidiaries, divisions, joint ventures, predecessors, successors, affiliates, business units, assigns, partners, manufacturers, contractors, agents, and insurers (all of the foregoing solely in their capacity as such with respect to the Released Claims) of any of the foregoing in (1), including Abbott Laboratories and Abbott Laboratories Inc. ("Abbott"), provided that, for avoidance of doubt, Abbott is not a Released Entity for purposes of Claims related to OxyContin, Purdue Pharma, or Purdue Pharma Inc.; and (ii) Halo Pharmaceuticals, Inc., Shionogi Inc., Mikart, LLC, PDI, Inc., TMS Health, LLC, National Health Information Network,

Inc., Ventiv Commercial Services, LLC, inVentiv Commercial Services, LLC, UPS Supply Chain Solutions, Inc., and King Pharmaceuticals, Inc., and their respective past and current parents, subsidiaries, and affiliates) against Allergan or AbbVie and/or any of Allergan or AbbVie's Affiliated Companies relating to any Covered Conduct, Products, class of Products, and/or Released Claims arising from such business relationship; and (3) the respective past and present employees, officers, directors, members, shareholders, partners, trustees, contractors, consultants, and agents (all of the foregoing solely in their capacity as such with respect to the Released Claims) of any of the foregoing in (1) and (2). Notwithstanding the foregoing (and subject to certain provisions, including, but not limited to, the Non-Party Settlement at Section V.B.2 and the Set-Off at Section XV below), Released Entities shall exclude Divested Actavis Generic Entities and other Divested Entities (and their respective past and current parents, subsidiaries, and affiliates, including but not limited to Teva Ltd., Teva USA, and their subsidiaries and affiliates, but not Allergan and other Released Entities), but solely as to: (i) their generic opioid drugs that are Products, and/or (ii) the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products for which Releasors have also sought to hold Allergan (and/or other Released Entities) liable. For the avoidance of doubt, any entity acquired, or joint venture entered into by Allergan after the Reference date is not a Released Entity.

77. "*Releasors*" means (1) each Settling State; (2) each Participating Subdivision; (3) each Participating Special District; and (4) without limitation and to the maximum extent of the power of each Settling State's Attorney General and/or Participating Subdivision and Participating Special District to release Claims, (a) the Settling State's, Participating Subdivision's, and Participating Special District's departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, including its Attorney General, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, (b) any public entities, public instrumentalities, public educational institutions, unincorporated districts, fire districts, irrigation districts, water districts, emergency services districts, school districts, healthcare districts, hospital districts, Sheriffs and law enforcement districts, library districts, coroner's offices, and public transportation authorities, and other Special Districts in a Settling State, including those with the regulatory authority to enforce state and federal controlled substances acts or the authority to bring Claims related to Covered Conduct seeking money (including abatement (or remediation and/or restitution)) or revoke a pharmaceutical distribution license, and (c) any person or entity acting in a parens patriae, sovereign, quasi-sovereign, private attorney general, qui tam, taxpayer, or other capacity seeking relief, including but not limited to, fines, penalties, or punitive damages, on behalf of or generally applicable to the general public with respect to a Settling State or a Subdivision or Special District in a Settling State, whether or not any of them participate in the Agreement. "Releasors" does not include persons acting in an individual capacity, regardless of the type of relief sought. In addition to being a Releasor as provided herein, Participating Subdivisions and Participating Special Districts shall also provide a Settlement

Participation Form, which is attached as Exhibit K. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Effective Date) the authority set forth in the Representation and Warranty subsection of Section V.

78. "*Revocation Event*" means with respect to a Bar, Settlement Class Resolution, or Case-Specific Resolution, a legislative amendment or a revocation, rescission, reversal, overruling, or interpretation that in any way limits the effect of such Bar, Settlement Class Resolution, or Case-Specific Resolution on Released Claims or any other action or event that otherwise deprives the Bar, Settlement Class Resolution or Case-Specific Resolution of force or effect in any material respect.

79. "*Settlement Class Resolution*" means a class action resolution in a court of competent jurisdiction in a Settling State with respect to a class of Subdivisions and Special Districts in that State that (1) conforms with that Settling State's statutes, case law, and/or rules of procedure regarding class actions; (2) is approved and entered as an order of a court of competent jurisdiction in that State and has become final as defined in "State-Specific Finality"; (3) is binding on all Non-Participating Subdivisions and Non-Participating Special Districts in that State (other than opt outs as permitted under the next sentence); (4) provides that all such Non-Participating Subdivisions or Non-Participating Special Districts may not bring Released Claims against Released Entities, whether on the ground of the Agreement (or the releases herein) or otherwise; and (5) does not impose any costs or obligations on Allergan other than those provided for in the Agreement, or contain any provision inconsistent with any provision of the Agreement. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than 1% of the total population of all of that State's Subdivisions listed in Exhibit G opt out. In seeking certification of any Settlement Class, the applicable State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case.

80. "*Settlement Fund*" means the interest-bearing fund established under the Agreement into which Annual Payments by Allergan are made pursuant to subsection VII. The Settlement Fund comprises the Abatement Accounts Fund, State Fund, and Subdivision Fund.

81. It shall also administer and distribute the Additional Restitution Amount pursuant to Section XII. The duties of the Settlement Fund Administrator shall be governed by this Agreement. Prior to

the Initial Participation Date, the Parties shall agree to selection and removal processes for and a detailed description of the Settlement Fund Administrator's duties all of which shall be appended to the Agreement as Exhibit L.

82. "*Settlement Fund Administrator Costs*" means any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator with regard to Teva and Allergan's payments to the Settlement Fund as described in Exhibit L and elsewhere in this Agreement, including those arising from the use of a bank or other financial institution to receive and disburse payments.

83. "*Settlement Fund Escrow*" means the interest-bearing escrow fund established pursuant to this Agreement to hold disputed payments made under this Agreement.

84. "*Settlement Participation Form*" means the form attached as Exhibit K that Participating Subdivisions and Participating Special Districts must execute and provide to Allergan and the Implementation Administrator or Settlement Fund Administrator, and which shall (1) make such Participating Subdivisions and Participating Special Districts signatories to this Agreement, (2) include a full and complete release of any and all of such Participating Subdivisions' and Participating Special Districts' Claims and (3) require prompt cessation of litigation activity as set forth in Section III, and request for dismissal with prejudice of any Released Claims that have been filed against Released Entities by any such Participating Subdivisions or Participating Special Districts within fourteen (14) business days after the Reference Date.

85. "*Settlement Payment Schedule*" means the schedule of payments attached to this Agreement as Exhibit M. Actual payment amounts are subject to adjustments consistent with this Agreement.

86. "*Settling State*" means any Eligible State that has entered into this Agreement.

87. "*Special District*" means (1) formal and legally recognized sub-entities of a State recognized by the U.S. Census Bureau[1] and those listed on Exhibit C; and (2) any person, official, or entity thereof acting in an official capacity on behalf of the Special District. Special Districts do not include sub-entities of a State that provide general governance for a defined area that would qualify as a Subdivision. Entities that include any of the following words or phrases in its name shall not be considered a Special District: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

88. "*State*" means any state of the United States of America, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands. Additionally, the use of non-capitalized "state" to describe

[1] All such entities are found on the "Special District," "School District," and "DEP School District" tabs of the Census Bureau's 2017 Government Units Listing spreadsheet available at https://www2.census.gov/programs-surveys/gus/datasets/2017/govt_units_2017.ZIP.

something (e.g., "state court") shall also be read to include parallel entities in commonwealths, territories, and the District of Columbia (e.g., "territorial court").

89. "*State Allocation Percentage*" means the allocation percentages for Eligible States as set forth in Exhibit F-2, which have been adjusted from the State Global Allocation Percentages to account for the Prior Settlements Credit.

90. "*State Cost Fund*" means the fund totaling $3,598,373.50 and described in Exhibit T.

91. "*State Global Allocation Percentage*" means the allocation percentages for all States as set forth in Exhibit F-1, which represents allocations before the Prior Settlements Credit is applied.

92. "*State Fund*" means a component of the Settlement Fund described in subsection VIII.D.

93. "*State Outside Counsel Fee Fund*" means the fund totaling $16,192,680.76 described in Exhibit S.

94. "*State-Specific Finality*" means, with respect to the Settling State in question:

a. the Agreement and the Consent Judgment have been approved and entered by the Court as to Allergan, including the release of all Released Claims against Released Entities as provided in this Agreement;

b. for all lawsuits brought by the Settling State against Released Entities for Released Claims, either previously filed or filed as part of the entry of the Consent Judgment, the Court has stated in the Consent Judgment or otherwise entered an order finding that all Released Claims against Released Entities asserted in the lawsuit have been resolved by agreement; and

c. (1) the time for appeal or to seek review of or permission to appeal from the approval and entry as described in subsection (a) hereof and entry of such order described in subsection (b) hereof has expired; or (2) in the event of an appeal, the appeal has been dismissed or denied, or the approval and entry described in (a) hereof and the order described in subsection (b) hereof have been affirmed in all material respects (to the extent challenged in the appeal) by the court of last resort to which such appeal has been taken and such dismissal or affirmance has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

95. "*State-Subdivision Agreement*" means an agreement that a Settling State reaches with the Subdivisions in that State regarding the allocation, distribution, and/or use of funds allocated to that State and to Exhibit G Participants in that State. A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other

than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A State and its Subdivisions may revise, supplement, or refine a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O or if adopted by statute.

96. "*Statewide Payment Amount"* means the amount from an Annual Payment to be paid to a Settling State, its separate types of funds (if applicable), and its Exhibit G Participants.

97. "*Statutory Trust*" means a trust fund established by state law to receive funds allocated to a State's Abatement Accounts Fund and restrict their expenditure to Opioid Remediation purposes subject to reasonable administrative expenses. A State may give a Statutory Trust authority to allocate one or more of the three Settlement Funds, but this is not required.

98. "*Subdivision*" means (1) a formal and legally recognized sub-entity of a State that provide general governance for a defined area, such as a municipality, county, parish, city, town, incorporated township, village, borough, or any other entities that provide municipal-type government within a State, and (2) any person, official, or entity thereof acting in an official capacity on behalf of the Subdivision (including, without limitation, district attorneys, county attorneys, city attorneys, Sheriffs, and any other official, employee, or representative). Unless otherwise specified, "Subdivision" includes all functional counties and parishes and other functional levels of sub-entities of a State that provide general governance for a defined area. Historic, non-functioning sub-entities of a State (such as Connecticut counties) are not Subdivisions, unless the entity has filed a lawsuit that includes a Released Claim against a Released Entity in a direct, parens patriae, or any other capacity. For purposes of this Agreement, the term Subdivision does not include Special Districts.

99. "*Subdivision and Special District Allocation Percentage*" means for Subdivisions and Special Districts in a Settling State that are eligible to receive an allocation from the Subdivision Fund pursuant to subsection VIII.D or subsection VIII.E, the percentage as set forth in Exhibit G. The aggregate Subdivision and Special District Allocation Percentage of all Subdivisions and Special Districts receiving a Subdivision and Special District Allocation Percentage in each State shall equal 100%. Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section VIII.E.3. The Subdivision and Special District Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to subsection X.A, except upon the effectiveness

of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by subsection VIII.E.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision or Special District not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

100. "*Subdivision Fund*" means a component of the Settlement Fund described in subsection VIII.A.

101. "*Teva*" means (i) Teva Pharmaceutical Industries Ltd. and, (ii) all of its respective past and present direct or indirect parents, subsidiaries, divisions, affiliates, joint ventures, predecessors, successors, assigns, including but not limited to the Divested Actavis Generic Entities and Anda Inc.

102. "*Teva Global Opioid Settlement Agreement*" means the settlement agreement between and among the Settling States, Participating Subdivisions, Participating Special Districts, and Teva to resolve opioid-related Claims against Teva and the other Released Entities (as defined therein).

103. "*Threshold Motion*" means a motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. A Threshold Motion must include as potential grounds for dismissal, any applicable Bar or the relevant release by a Settling State, Participating Subdivision, or Participating Special District provided under this Agreement and, where appropriate under applicable law, any applicable limitations defense.

II. Participation by States and Condition to Preliminary Agreement

A. *Notice to States*. On November 22, 2022 this Agreement shall be distributed to all Eligible States. The Eligible States' Attorneys General shall then have a period of thirty (30) days to decide whether to become Settling States. Eligible States will decide whether to become Settling States for both this Agreement and the Teva Global Opioid Settlement Agreement, or decline participation in both settlements. However, if Teva enters bankruptcy prior to the Effective Date, Eligible States can choose to only join this Agreement. If a State is only an Eligible State with respect to one of the Agreements, the State need only decide whether to become a Settling State with respect to the Agreement for which it is an Eligible State. States that determine to become Settling States shall so notify the Enforcement Committee and Allergan within thirty (30) days after November 22, 2022 and shall further commit to obtaining any necessary additional State releases prior to the Effective Date. This notice

period for States may be extended by written agreement of Allergan and the Enforcement Committee.

B. *Ineligible States.* Non-Settling States and Prior Settling States shall not be eligible for any payments or have any rights in connection with this Agreement.

C. *Condition to Preliminary Agreement*. Following the notice period to Eligible States set forth in subsection II.A above, Allergan shall determine on or before the Preliminary Agreement Date whether, in its sole discretion enough States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section X below. The determination to proceed shall be in the sole discretion of Allergan and may be based on any criteria or factors deemed relevant by Allergan. If Allergan determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Allergan determines that this condition has not been satisfied, it will so notify the Settling States by providing notice to the Enforcement Committee, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void, other than Allergan's funding of Implementation Costs to date. The Preliminary Agreement Date may be extended by written agreement of Allergan and the Enforcement Committee.

D. *Later Joinder by States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Allergan, in its sole discretion. If a State becomes a Settling State more than thirty (30) days after the Preliminary Agreement Date, the Subdivisions and Special Districts in that State that become Participating Subdivisions and Participating Special Districts within ninety (90) days of the State becoming a Settling State shall be considered Initial Participating Subdivisions or Initial Participating Special Districts.

III. Cessation of Litigation Activities

A. Following the Preliminary Agreement Date, if Allergan has determined to proceed with notice pursuant to Section II, all Litigating States that intend to become Settling States and that are engaged in or have engaged in discovery and/or substantive motion practice ("*Active Litigation*") against a Released Entity shall make reasonable efforts to immediately cease litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the Agreement. This paragraph III.A does not apply to Litigating States with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating States and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity.

B. Following the execution of the Settlement Participation Form, attached as Exhibit K, a Litigating Subdivision or Litigating Special District that is engaged in active litigation

against a Released Entity shall make all reasonable efforts to immediately cease all litigation activity (e.g., written and document discovery, depositions, expert disclosures, and motion practice) against Allergan, where feasible, or to minimize litigation activity by means of agreed deadline extensions and agreed postponement of litigation activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practices. Allergan shall cooperate in such efforts. The obligations under this subsection do not extend past the Reference Date if Allergan determines it is not going forward with the settlement. This paragraph III.B does not apply to Litigating Subdivisions or Litigating Special Districts with a trial date within six (6) months of the Preliminary Agreement Date, though such Litigating Subdivisions or Litigating Special Districts and Allergan shall engage in good faith discussions regarding the potential cessation of litigation activity. Notwithstanding this provision no Litigating Subdivision is required to cease its litigation if it determines such action would be detrimental to its litigation.

C. Following the Reference Date, the Settling States shall endeavor to file Consent Judgments (the contents of which must be agreed upon with Allergan) within thirty (30) days of the Reference Date. Participating Subdivisions and Participating Special Districts, as applicable, shall request dismissal of their actions with prejudice within fourteen (14) days of the Reference Date. The Settling States, Participating Subdivisions, and Participating Special Districts shall use best efforts to get Consent Judgments or orders of dismissal with prejudice, as applicable, entered promptly after filing.

IV. Injunctive Relief

A. *Entry of Injunctive Relief*. As part of the Consent Judgment, the Parties agree to the Injunctive Relief Terms attached as Exhibit P.

V. Release

A. *Scope.* As of the Effective Date, the Released Entities will be released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors), and Participating Special District (for itself and its Releasors) will, on or before the Effective Date, absolutely, unconditionally, and irrevocably covenant not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Agreement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State, its Attorney General, each Participating Subdivision, and each Participating Special District to release Claims. The release shall be a complete bar to any Released Claim of all Releasors. Nothing in this Agreement shall release or impair any Claims against Teva Ltd., Teva USA, Cephalon, or Anda, except to the extent expressly set forth in this Agreement.

B. *Claim Over and Non-Party Settlement*.

1. *Statement of Intent.* It is the intent of the Parties that:

   a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract) from other parties for their payment obligations under this Agreement;

   b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

   c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

   d. the Settlement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

   e. The provisions of this subsection V.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. *Contribution/Indemnity Prohibited*. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner, provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim Over against it. However, and notwithstanding the foregoing, this provision shall not preclude any Released Entity from seeking indemnification, contribution, or any other theory from and against Teva Ltd., Divested Entities, Pfizer Inc., King Pharmaceuticals, Inc., and Alpharma Inc., and/or each of their respective past and current parents, subsidiaries, and/or affiliates. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. *Non-Party Settlement*. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Allergan in subsection V.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases

contained in this Agreement) of any Claim Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement. The sole remedy for a Releasor's failure to include such a provision in a Non-Party Settlement shall be the application of Section V.B.4 below. Non-Released Entities include, but are not limited to, Teva Ltd., Teva USA, Divested Actavis Generic Entities or other Divested Entities, and Anda.

4. *Claim Over*. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that in subsection V.B.3, or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in subsection V.B.3, and such Non-Released Entity asserts a Claim Over against a Released Entity, then Releasor and Allergan shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Agreement by Allergan:

   a. Allergan shall notify that Releasor of the Claim Over within sixty (60) days of the assertion of the Claim Over or sixty (60) days of the Effective Date of this Agreement, whichever is later;

   b. Allergan and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that it is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement;

   c. That Releasor and Allergan shall take steps sufficient and permissible under the law of the State of the Releasor to hold Released Entities harmless from the Claim Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement. Such steps may include, where permissible:

      (i) Filing of motions to dismiss or such other appropriate motion by Allergan or Released Entities, and supported by Releasors, in response to any Claim filed in litigation or arbitration;

      (ii) Reduction of that Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

      (iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim Over;

(iv) Return of monies paid by Allergan to that Releasor under this Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim Over;

(v) Payment of monies to Allergan by that Releasor to ensure it is held harmless from such Claim Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Allergan under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim Over; and

(vii) Such other actions as that Releasor and Allergan may devise to hold Allergan harmless from the Claim Over.

d. The actions of that Releasor and Allergan taken pursuant to paragraph (c) must, in combination, ensure Allergan is not required to pay more with respect to Covered Conduct than the amounts owed by Allergan under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Allergan may seek review by the National Arbitration Panel, provided that, if the Parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the panel's actions do not result in Released Entities being held fully harmless, Allergan shall have a Claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Allergan harmless from the Claim Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Allergan may have.

C. To the extent that the Claim Over is based on a contractual indemnity, the obligations under subsection V.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser or dispenser of Products, a manufacturer that sold or promoted Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Allergan shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim Over arising out of contractual indemnity against it.

D. *General Release*. In connection with the releases provided for in the Agreement, each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or

other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may thereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors), Participating Subdivision and Participating Special District hereby expressly waives and fully, finally, and forever settles, releases, and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into the Agreement, the Participating Subdivisions' decision to participate in the Agreement, or the Participating Special District's decision to participate in the Agreement.

E. *Res Judicata*. Nothing in the Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in the Agreement, and/or any Consent Judgment or other judgment entered on the Agreement, gives rise to under applicable law.

F. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling State, its Participating Subdivisions, and its Participating Special Districts, expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling State; (2) any of the Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; (4) any Participating Subdivisions; and (5) any Participating Special District. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor is sufficient to demonstrate that the appropriate releases have been obtained.

G. *Effectiveness*. The releases set forth in the Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use

of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

H. *Cooperation*. Releasors (i) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (ii) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims.

I. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State, Subdivision, or Special District related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724, and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

VI. Monetary Relief Overview and Maximum Payments

A. Excluding Allergan's share of Implementation Costs and costs of the Settlement Fund Administrator, there are three main categories of monetary payments:

1. *Annual Payments to the Settlement Fund*. These payments are generally addressed in Section VII. The maximum amount Allergan shall pay in Annual Payments to the Settlement Fund is the Net Abatement Amount of $1,799,186,751.00, which reflects the application of the Prior Settlements Credit to the Global Settlement Abatement Amount. Annual Payments will be made over seven (7) years on the Payment Dates. The actual amount paid will depend on, among other things, the level of participation of Eligible States, their Subdivisions, and their Special Districts.

2. *Additional Restitution Amount*. These payments are generally addressed in Section XII. The maximum amount Allergan shall pay for the Additional Restitution Amount is $16,192,680.76. Payments for the Additional Restitution Amount will be made over four (4) years on the Payment Dates. The actual amount paid will depend on the number of Eligible States listed in Exhibit N that become Settling States.

3. *Attorney Fee and Cost Payments*. These payments are generally addressed in Section XII and Exhibits M, R, S, and T. They consist of payments for the State Outside Counsel Fee Fund, the State Cost Fund, and the Attorney Fee and Cost Fund. These payments will be made over four (4) on the Payment Dates. The maximum amount Allergan shall pay into these funds is the Global Settlement Attorney Fee Amount of $206,906,476.36.

B. The aggregate maximum amount Allergan shall pay for these for these payment categories is $2,022,285,908.12 (the "*Post-Credit Global Settlement Amount*"). This figure does not include costs related to injunctive relief and document disclosure addressed in Exhibit P, Implementation Costs, and Settlement Fund Administrator Costs addressed in this Agreement. AbbVie agrees to satisfy the obligations to make the payments due in this Section VI if for any reason Allergan fails to fulfill its payment obligations under Section VI (the "*Payment Obligations*").

C. For purposes of this Agreement only, Releasors represent that fifty-six percent (56%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016 that the Releasors are asserting or might otherwise assert or could assert that Allergan (or any other Released Entity) is directly or indirectly and/or jointly or severally liable, including but not limited to, based on parent or control liability or a substantially similar theory. Releasors represent that forty-four percent (44%) of the Post-Credit Global Settlement Amount payable by Allergan constitutes consideration for the settlement of Claims involving, arising from, or related to branded opioid drugs that are Products of or attributable to Allergan or any other Released Entity (including but not limited to branded opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and other Divested Entities and the operation of the Divested Actavis Generic Entities and the other Divested Entities related to those branded opioid drugs that are Products before August 2, 2016) that the Releasors are asserting or might otherwise assert or could assert against Allergan or any other Released Entity, of which seventy-seven percent (77%) is specifically involving, arising from, or related to Kadian® (including but not limited to Kadian® manufactured, distributed, marketed, and/or sold from 1997 through 2008 by King Pharmaceuticals, Inc. and/or Alpharma Inc.).

D. *Settlement Fund Administrator and Implementation Costs*. If this Agreement becomes effective, Allergan shall be responsible for one-third of the Implementation Costs. The full amount of the Implementation Costs shall be jointly advanced by Teva and Allergan. If this Agreement becomes effective, then Allergan shall deduct from Allergan's Initial Year Payment the difference between the excess amount it advanced for Implementation Costs and its one-third obligation for such costs. Settlement Fund Administrator Costs shall be paid out of interest accrued on the Settlement Fund. Should such interest prove insufficient to fully cover the costs, the remaining cost amounts shall be paid one-third by Teva, one-third by Allergan and one-third from the Settlement Fund through the disbursement of Allergan's final Payment Allergan shall not be responsible for any costs incurred by the Settlement Fund Administrator after the disbursement of its final Payment.

VII. Annual Payments to Settlement Fund

A. Structure of Payments to Settlement Fund

1. All payments under this Section VII shall be made into the Settlement Fund, except that where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VIII.

2. Allergan shall pay into the Settlement Fund the Net Abatement Amount consisting of $1,799,186,751.00 minus: (1) any offsets specified in subsection VII.C below; (2) any unearned Incentive Payments under subsection VII.E below; and (3) any adjustments under Section XI below.

3. The payments to the Settlement Fund shall be divided into Base Payments and Incentive Payments as provided in subsections VII.D and VII.E below and set out in Exhibit M.

B. Settlement Fund Payment Process

1. Except as otherwise provided in this Agreement, Allergan shall make one Initial Year Payment (the first Annual Payment) and six (6) additional Annual Payments of equal installments of the Net Abatement Amount (after all applicable offsets) into the Settlement Fund. The Settlement Payment Schedule is set forth in Exhibit M. Annual Payments shall be made on the Payment Date, provided that the necessary wire instructions, W-9 form, and Allergan's Bank Verification Form process is completed for the Settlement Fund at least twenty-one (21) days before the relevant payment is due and Allergan has completed any process required by the Settlement Fund Administrator and/or its financial institution(s) to complete the transaction. If there is a delay in making a payment because any of these conditions were not completed at least twenty-one (21) days in advance of the Payment Date, then the Annual Payment will be made within twenty-one (21) days of the completion of these conditions.

2. The Initial Year Payment shall consist of only Base Payments (after all applicable offsets). The other six (6) Annual Payments shall each consist of Base Payments (after all applicable offsets) and Incentive Payments (after all applicable offsets). The amount of the Initial Year Payment and each other Annual Payment, payable by Allergan shall not exceed the maximum amounts allocated to each Payment Year in Exhibit M.

3. To determine each Annual Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data in its records sixty (60) days prior to the Payment Date for each payment. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to Settling States and Exhibit G Participants consistent with the terms of this Agreement as quickly as practical.

4. The Settlement Fund Administrator shall determine the Annual Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

   a. determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the State is entitled by applying the criteria in this Section;

   b. applying any reductions, or offsets required by Sections VII and XI; and

   c. determining the total amount owed by Allergan to all Settling States and Exhibit G Participant.

5. If, no later than fifty (50) days prior to the Payment Date for each payment for Payment Year 2 forward, Allergan and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Payment and the Statewide Payment Amount for each Settling State, Allergan shall pay the agreed-upon Annual Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in subsection VII.B.4. If the Settlement Fund Administrator is not so informed, it shall give notice to Allergan, the Settling States, and the Enforcement Committee of the amount of the Annual Payment, and the Statewide Payment Amount for each Settling State, following the determination described in subsection VII.B.4, and the following timeline shall apply:

   a. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, Allergan, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Payment, or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

   b. Within twenty-one (21) days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Allergan identifying the basis for disagreement with the notice of dispute.

   c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Allergan shall pay the adjusted amount as the Annual Payment on the Payment Date. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Allergan of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with

the notice of dispute, *provided*, *however* that in no circumstances shall the preliminary amount to be paid be higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the maximum amount of Base Payments and Incentive Payments for that payment as set forth in Exhibit M.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Allergan into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Exhibit G Participants.

6. If a Settling State informs the Settlement Fund Administrator that it and its Exhibit G Participants have reached consensus on the amount of its Statewide Payment Amount, determined pursuant to subsection VII.B.3 or VII.B.4, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Exhibit G Participants, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State. For a Settling States that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VII, among the separate types of funds for the Settling State (if applicable), and among its Exhibit G Participants using the following procedures:

a. As soon as possible for each payment and following the determination described in subsection VII.B.3 and VII.B.4, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Exhibit G Participants of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Settling State's Exhibit G Participants.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Exhibit G Participant may dispute, in writing, the calculation of the amount to be received by a Settling State and/or its Exhibit G Participants. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Exhibit G Participant identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Exhibit G Participant may submit

a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Exhibit G Participant identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Exhibit G Participants.

7. Disputes described in this subsection (other than those for which no response is filed under subsection VII.B.5.c or VII.B.6.d) shall be resolved in accordance with the terms of Section XIV.

8. The Settlement Fund Administrator may combine the disbursements of Annual Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

9. For the avoidance of doubt, Subdivisions and Special Districts not listed on Exhibit G shall not receive an allocation from the Subdivision Fund.

C. Offsets to Annual Payments to the Settlement Fund for Non-Settling States

1. An offset equal to the Net Abatement Amount of $1,799,186,751.00 times the State Allocation Percentage assigned to each Non-Settling State in Exhibit F-2 shall be deducted from the total amount to be paid by Allergan to the Settlement Fund.

2. Non-Settling States shall not be eligible for any payments or have any rights in connection with this Agreement. Accordingly, the stated maximum dollar amounts of the Annual Payments specified in Exhibit M are reduced by the aggregate State Allocation Percentage of Non-Settling States as set forth in Exhibit F-2.

D. Base Payments

1. Allergan shall make Base Payments into the Settlement Fund in an amount equal to 45% of the Net Abatement Amount of $1,799,186,751.00 minus any offsets for Non-Settling States specified in Section VII.C.I. The maximum total for Base Payments is $809,634,037.95. The Base Payments will be paid in accordance with the Settlement Payment Schedule specified by Exhibit M, subject to potential offsets for Non-Settling States as provided in Section VII.C.1.

2. The Base Payments will be allocated by Settling State proportionate to each Settling State's State Allocation Percentage in Exhibit F-2, adjusted for any Non-Settling State.

E. Incentive Abatement Payments

1. Allergan shall make potential Incentive Payments totaling up to a maximum of 55% of the Net Abatement Amount of $1,799,186,751.00 for all Settling States with the actual amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $989,552,713.05.

2. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section VII.E.1 times the Settling State's State Allocation Percentage specified in Exhibit F-2. Incentive Payments are state-specific, with each Settling State receiving an Incentive Payment based on the incentives for which it is eligible for that year under the criteria set forth below and any offset specified in Section XI.

3. The Incentive Payments shall be divided among four (4) categories, referred to as Incentives A–D. Incentives A–C will be due in installments over six (6) Payment Years beginning with Annual Payment 2 and Incentive D will be due in installments over four (4) years beginning with Annual Payment 4, as shown on Exhibit M. The total amount of Incentive Payments in an Annual Payment shall be the sum of the Incentive Payments for which individual Settling States are eligible for that Payment Year under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below.

4. The maximum amount available for Incentive Payments, $989,552,713.05, is divided into two pools. The maximum amount of Incentive Payments for Incentives A-C shall be $863,609,640.48, which is 48% of the maximum Net Abatement Amount. A Settling State may be eligible for its full allocable share of this payment by either achieving Incentive A or by fully earning both Incentives B and C. The maximum amount of Incentive Payments for Incentive D shall be $125,943,072.57, which is 7% of the maximum Net Abatement Amount. (These figures represent maximum payments prior to being adjusted for any offsets and assumes every State is a Settling State and will satisfy the requirements specified below to earn its maximum incentive amount. The Incentive Payments will be paid in accordance with the payment schedule in Exhibit M, subject to potential deductions as provided herein.) A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. Settling States may qualify for Incentive Payments in four ways. If a Settling State qualifies for Incentive A, it will become entitled to receive the maximum payment allocable to the State for Incentives A-C as stated in subsection VII.E.5. If a Settling State does not qualify for Incentive A, it can alternatively qualify for Incentive B and/or Incentive C. A Settling State can qualify for Incentive D regardless of whether it qualifies for another Incentive Payment.

5. *Incentive A: Full Participation or Fully Released Claims of Litigating Subdivisions, Litigating Special Districts, Non-Litigating Subdivisions with Population Greater Than 10,000, and Non-Litigating Covered Special Districts*.

   a. A Settling State's total potential Incentive A payment allocation is $863,609,640.48 times the percentage allocation assigned that Settling State in Exhibit F-2.

   b. A State qualifies for Incentive A by: (1) complete participation in the form of releases consistent with Section V above from all Litigating Subdivisions and Litigating Special Districts, Non-Litigating Subdivisions with population over 10,000, and Non-Litigating Covered Special Districts; (2) a Bar; or (3) a combination of approaches in clauses (1)-(2) that achieves the same level of resolution of Subdivision and Special District Claims (e.g., a law barring future litigation combined with full joinder by Litigating Subdivisions and Litigating Special Districts). For purposes of Incentive A, a Subdivision or Special District is considered a "Litigating Subdivision" or "Litigating Special District" if it has brought Released Claims against Released Entities on or before the Reference Date; all other Subdivisions and Special Districts are considered "Non-Litigating." For purposes of Incentive A, Non-Litigating Covered Special Districts shall not include a Special District with any of the following words or phrases in its name: mosquito, pest, insect, spray, vector, animal, air quality, air pollution, clean air, coastal water, tuberculosis, and sanitary.

   c. If a Settling State qualifies for Incentive A after receiving an Incentive Payment under Incentives B or C, described below, the Settling State's payments under Incentive A will equal the remainder of its total potential Incentive A payments less any payments previously received under Incentives B or C. A Settling State that receives all of its total potential Incentive A payment allocation shall not receive additional Incentive Payments under Incentives B or C.

   d. A Settling State that is not eligible for Incentive A as of two (2) years after the Effective Date shall not be eligible for Incentive A for that Payment Year or any subsequent Payment Years.

6. *Incentive B: Early Participation or Released Claims by Litigating Subdivisions and Litigating Special Districts.*

   a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 60% of its total potential Incentive A payment allocation under Incentive B.

   b. A Settling State can qualify for an Incentive B payment if Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population are either Participating

Subdivisions, Participating Special Districts, or have their claims resolved through Case-Specific Resolutions.

(i) A Settling State's litigating population is the sum of the population of all Litigating Subdivisions and Litigating Special Districts. A Settling State's litigating population shall include all Litigating Subdivisions and Litigating Special Districts whose populations overlap in whole or in part with other Litigating Subdivisions and Litigating Special Districts, for instance in the case of a Litigating Special District, city, or township contained within a county.

(ii) For example, if School District A is a Litigating Special District in City B with a population of 1, City B is itself a Litigating Subdivision with a population of 8, and City B is located within County C, and County C is a Litigating Subdivision with a population 10, then each of their individual populations shall be added together (i.e., 1 + 8 +10) to determine the total litigating population (i.e., 19).

c. The following time periods apply to Incentive B payments:

(i) Period 1: Zero to two hundred ten (210) days after the Effective Date.

(ii) Period 2: Two hundred eleven (211) days to one year after the Effective Date.

(iii) Period 3: One year and one day to two years after the Effective Date.

d. Within Period 1: If Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of a Settling State's litigating population are Participating Subdivisions or Participating Special Districts, or have their Claims resolved through Case-Specific Resolutions during Period 1, then a sliding scale will determine the share of the funds available under Incentive B, with a maximum of 60% of the Settling State's total potential Incentive Payment allocation available. Under that sliding scale, if Litigating Subdivisions and Litigating Special Districts collectively representing 75% of a Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 1, a Settling State will receive 50% of the total amount available to it under Incentive B. If more Litigating Subdivisions and Litigating Special Districts become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status, the Settling State shall receive an increased percentage of the total amount available to it under Incentive B as shown in the table below.

Participation or Case-Specific Resolution Levels (As percentage of litigating population)	**Incentive B Award** (As percentage of total amount available to Settling State for Incentive B)
75%	50%
76%	52%
77%	54%
78%	56%
79%	58%
80%	60%
85%	70%
90%	80%
95%	90%
100%	100%

e. Within Period 2: If a Settling State did not qualify for an Incentive B payment in Period 1 but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 2, then the Settling State qualifies for 75% of the Incentive B payment it would have qualified for in Period 1.

f. Within Period 3: If a Settling State did not qualify for an Incentive B payment in Periods 1 or 2, but Litigating Subdivisions and Litigating Special Districts collectively representing at least 75% of the Settling State's litigating population become Participating Subdivisions or Participating Special Districts, or achieve Case-Specific Resolution status by the end of Period 3, then the Settling State qualifies for 50% of the Incentive B payment it would have qualified for in Period 1.

g. A Settling State that receives the Incentive B payment for Periods 1 and/or 2 can receive additional payments if it secures participation from additional Litigating Subdivisions and/or Litigating Special Districts (or Case-Specific Resolutions of their Claims) during Periods 2 and/or 3. Those additional payments would equal 75% (for additional participation or Case-Specific Resolutions during Period 2) and 50% (for additional participation or Case-Specific Resolutions during Period 3) of the amount by which the increased litigating population levels would have increased the Settling State's Incentive B payment if they had been achieved in Period 1.

h. The percentage of the available Incentive B amount for which a Settling State is eligible by the end of Period 3 shall cap its eligibility for that Payment Year and all subsequent Payment Years. If Litigating Subdivisions and Litigating Special Districts that have become Participating Subdivisions or Participating Special Districts, or achieved Case-Specific Resolution

status collectively represent less than 75% of a Settling State's litigating population by the end of Period 3, the Settling State shall not receive any Incentive B payment.

i. If there are no Litigating Subdivisions or Litigating Special Districts in a Settling State, and that Settling State is otherwise eligible for Incentive B, that Settling State will receive its full allocable share of Incentive B.

j. Incentives earned under Incentive B shall accrue after each of Periods 1, 2, and 3. Calculations to increase Incentive Payments in later periods based on additional joinder shall not reduce any amount already vested at the end of a prior period.

7. *Incentive C: Participation or Release of Claims by Primary Subdivisions*

a. If a Settling State does not qualify for Incentive A, it may still qualify to receive up to 40% of its total potential Incentive A payment allocation under Incentive C, which has two parts.

b. Part 1: Under Incentive C, Part 1, a Settling State can receive up to 75% of its Incentive C allocation. A Settling State can qualify for a payment under Incentive C, Part 1 only if Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date) collectively representing at least 60% of the Settling State's Primary Subdivision population become Participating Subdivisions or achieve Case-Specific Resolution status.

(i) A Settling State's Primary Subdivision population is the sum of the population of all Primary Subdivisions (whether Litigating Primary Subdivisions or Non-Litigating Primary Subdivisions as of the Reference Date). A Settling State's Primary Subdivision population shall include all Primary Subdivisions whose populations overlap in whole or in part with other Primary Subdivisions, for instance in the case of a Primary Subdivision that is a city contained within a Primary Subdivision that is a county. Because Primary Subdivisions include Subdivisions whose populations overlap in whole or in part with other Subdivisions, the Settling State's Primary Subdivision population may be greater than the Settling State's total population. (Special Districts are not relevant for purposes of Incentive C calculations.)

(ii) For example, if City A is a Primary Subdivision with a population of 1 within County B, and County B is a Primary Subdivision with a population of 10, then each of their individual populations shall be added together (i.e., 1+10) to determine the total Primary Subdivision population (i.e., 11).

c. A sliding scale will determine the share of the funds available under Incentive C, Part 1 to Settling States meeting the minimum 60% threshold. Under that sliding scale, if a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing 60% of its total Primary Subdivision population, it will receive 40% of the total amount potentially available to it under Incentive C, Part 1. If a Settling State secures participation or Case-Specific Resolutions from Primary Subdivisions representing more than 60% of its Primary Subdivision population, the Settling State shall be entitled to receive a higher percentage of the total amount potentially available to it under Incentive C, Part 1, on the scale shown in the table below. If there are no Primary Subdivisions, and that Settling State is otherwise eligible for Incentive C, that Settling State will receive its full allocable share of Incentive C, Part 1.

Participation or Case-Specific Resolution Levels (As percentage of total Primary Subdivision population)	**Incentive C, Part 1 Award** (As percentage of total amount available to Settling State for Incentive C, Part 1)
60%	40%
70%	45%
80%	50%
85%	55%
90%	60%
91%	65%
92%	70%
93%	80%
94%	90%
95%	100%

d. Part 2: If a Settling State qualifies to receive an incentive under Incentive C, Part 1, the Settling State can also qualify to receive an additional incentive amount equal to 25% of its total potential Incentive C allocation by securing 100% participation of the ten (10) largest Subdivisions by population in the Settling State. (Special Districts are not relevant for purposes of this calculation.) If a Settling State does not qualify for any amount under Incentive C, Part 1, it cannot qualify for Incentive C, Part 2.

e. Incentives earned under Incentive C shall accrue on an annual basis up to three years after the Effective Date. At one, two, and three years after the Effective Date, the Settlement Fund Administrator will conduct a lookback to assess which Subdivisions had agreed to participate or had their Claim resolved through a Case-Specific Resolution that year. Based on the look-back, the Settlement Fund Administrator will calculate the incentives accrued under Incentive C for the year. The percentage of the available Incentive C amount, for both Part 1 and Part 2, for which a Settling State is

eligible three years after the Effective Date shall cap its eligibility for that Payment Year and all subsequent Payment Years.

8. *Incentive D: No Qualifying Lawsuits Surviving Threshold Motions at Two Look-Back Dates.*

a. A Settling State's total potential Incentive D payment allocation is $125,943,072.57 times the percentage allocation assigned that Settling State in Exhibit F-2.

b. If, at any time within five and one-half (5.5) years of the Preliminary Agreement Date, any Subdivision or Special District within a Settling State files litigation pursuing Released Claims against any Released Entity (a "*Qualifying Lawsuit*"), then Allergan shall, within thirty (30) days of Allergan or any Released Entity being served or otherwise informed of the prosecution of such Released Claims, provide notice to the Settling State in which such Released Claims are being pursued and shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Allergan under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Allergan shall confer and use reasonable efforts to promptly resolve a Qualifying Lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a Qualifying Lawsuit.

c. Part 1: Under Incentive D, Part 1, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at two years after the Effective Date (the "*First Look-Back Date*"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.

d. Part 2: Under Incentive D, Part 2, a Settling State shall receive 50% of its total potential Incentive D payment allocation if, at five and one-half (5.5) years after the Preliminary Agreement Date (the "*Second Look-Back* Date"), there are no pending Released Claims from a Qualifying Lawsuit that survived a Threshold Motion within the Settling State against any Released Entities.

e. After the First Look-Back Date, a Settling State can become re-eligible for Incentive Payment D Part 1 if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall become eligible for Incentive Payment D less any litigation fees and cost incurred by the Released Entity in the interim, except that if the dismissal motion occurs after the

completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

VIII. Allocation and Use of Settlement Funds

A. *Components of Settlement Fund*. The Settlement Fund shall be comprised of an Abatement Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments under Section VI into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below or as provided for by a State-Subdivision Agreement (or other State-specific allocation of funds). Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Allergan.

B. *Use of Settlement Payments*. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Exhibit G Participants be for Opioid Remediation, subject to limited exceptions that must be documented in accordance with subsection VII.C. In no event may less than 85% of Allergan's payments pursuant to Section VI.A.1-3 over the entirety of all Payment Years (but not any single Payment Year) be spent on Opioid Remediation.

C. While disfavored by the Parties, a Settling State or Exhibit G Participant may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or Exhibit G Participant uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Exhibit G Participant shall identify such amounts and report to the Settlement Fund Administrator and Allergan how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this subsection VIII.C shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this subsection VIII.C as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the "Compensatory Restitution Amount" for purposes of subsection VIII.G and (b) Participating Subdivisions not listed on Exhibit G or Participating Special Districts that receive monies from the Settlement Fund indirectly may only use such monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

D. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of States and their Subdivisions, Settling States and Participating Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Exhibit G Participants, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under subsection VII.D among the Settling States in proportion to their respective State Allocation Percentages. Base Payments for each Settling State will then be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under subsection VII.E on a State-specific basis. Incentive payments for which a Settling State is eligible under subsection VII.E will be allocated 15% to its State Fund, 70% to its Abatement Accounts Fund, and 15% to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in subsection VIII.E.

3. Application of Adjustments. If any offset under Section XI applies with respect to a Settling State, the offset shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Abatement Accounts Fund, and the Subdivision Fund for that State.

4. Settlement Fund Administrator. Prior to the Initial Participation Date, Allergan and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall be appended hereto as Exhibit L.

E. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under subsections VIII.E.1-2, then the default provisions of subsection VIII.E.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to subsections VIII.E.1-2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Abatement Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into or amended after July 26, 2022 shall be applied only if it requires: (1) that all amounts be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) that at least 70% of amounts be used solely for future Opioid Remediation (references to "future Opioid Remediation" include amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms). For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Allergan and the Settlement Fund Administrator at least ten (10) days prior to the Settlement

Administrator's disbursement of such portion to a Settling State and its Participating Subdivisions and Special Districts.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such State's State Fund, Abatement Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation except as allowed by subsection VIII.C, and (2) at least 70% of all amounts to be used solely for future Opioid Remediation, then, to the extent allocation or distribution is addressed, the amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions in subsection VIII.E.4 of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this subsection VIII.E only addresses funds restricted to abatement, then the default provisions in this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that State would still apply, while the distribution of the applicable State's Abatement Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Abatement Accounts Fund. An Exhibit G Participant may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the State's Abatement Accounts Fund or to another Participating Subdivision or Participating Special District. The Settlement Fund Administrator is not required to honor voluntary redistribution for which notice is provided to it less than sixty (60) days prior to the Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If subsections VIII.E.1-2 do not apply, and subject to any voluntary redistribution pursuant to subsection VIII.E.3, amounts apportioned to that State's State Fund, Abatement Accounts Fund, and Subdivision Fund under subsection VIII.D shall be distributed as follows:

   a. Amounts apportioned to that State's State Fund shall be distributed to that State.

   b. Amounts apportioned to that State's Abatement Accounts Fund shall be distributed consistent with subsection VIII.F. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling

State's funding requests from the Abatement Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Abatement Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the State's Abatement Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that State's Subdivision Fund shall be distributed to Participating Subdivisions in that State listed on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Subsection X.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by subsection VIII.E.3. A Settling State may allocate funds from its State Fund or Abatement Accounts Fund for Special Districts.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section IX, *i.e.*, no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions in excess of what is permissible under subsection IX.E. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in subsection VIII.E.1 or by an Allocation Statute or a Statutory Trust described in subsection VIII.E.2.

F. *Provisions Regarding Abatement Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that State's Abatement Accounts Fund so long as it complies with the requirements of subsection VIII.E.1 or VIII.E.2 as applicable, and all direct payments to Subdivisions comply with subsections IX.E-H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Abatement Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. *Regional Remediation.*

(i) At least 50% of distributions for remediation from a State's Abatement Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to subsection VIII.F.2.d to define its regions and assign regional allocations percentages. Otherwise, a Settling State shall (1) define its initial regions, which shall consist of one (1) or more Subdivisions and which shall be designated by the State agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that State for opioid abuse treatment or other public health purposes; and (2) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions listed on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Abatement Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Abatement Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than 50% of its Abatement Accounts Fund to the regional expenditure and may annually adjust the percentage of its Abatement Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (1) has the authority to adjust the definition of the regions, and (2) may annually revise the percentages allocated to each region to reflect the number of Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants*. Certain Subdivisions listed on Exhibit G shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision listed on Exhibit G eligible for block grants is a county or parish (or in the case of States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, Bar, or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (e.g., health department or similar agency). Each Subdivision listed on Exhibit G eligible to receive block grants shall be assigned its own region.

c. *Small States*. Notwithstanding the provisions of subsection VIII.F.2.a, Settling States with populations under four (4) million that do not have existing regions described in subsection VIII.F.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions listed on Exhibit G eligible for block grants under subsection VIII.F.2.b shall be divided regionally so that each block-grant eligible Subdivision listed on Exhibit G is a region and the remainder of the State is a region.

d. *Advisory Committee*. The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the "*Advisory Committee*") to provide input and recommendations regarding remediation spending from that Settling State's Abatement Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however*, the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their abatement needs, and proposals for abatement strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Abatement Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to among the Parties.

G. *Nature of Payment.* Allergan, the Settling States, the Participating Subdivisions, and the Participating Special Districts, acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. Allergan has entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. The Settling States, the Participating Subdivisions, and the Participating Special Districts sought compensatory restitution (within the meaning of 26 U.S.C.

§ 162(f)(2)(A)) as damages for the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts;

3. By executing this Agreement the Settling States, the Participating Subdivisions, and the Participating Special Districts certify that: (a) the Compensatory Restitution Amount is no greater than the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States, Participating Subdivisions and Participating Special Districts; and (b) the portion of the Compensatory Restitution Amount received by each Settling State, Participating Subdivision or Participating Special Districts is no greater than the amount of the Alleged Harms allegedly suffered by such Settling State, Participating Subdivision or Participating Special Districts;

4. The payment of the Compensatory Restitution Amount by Allergan constitutes, and is paid for, compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Allergan;

5. The Compensatory Restitution Amount is being paid as compensatory restitution (within the meaning of 26 U.S.C. § 162(f)(2)(A)) in order to restore, in whole or in part, the Settling States, Participating Subdivisions and Participating Special Districts to the same position or condition that they would be in had the Settling States, Participating Subdivisions and Participating Special Districts not suffered the Alleged Harms;

6. No portion of the Compensatory Restitution Amount represents reimbursement to any Settling State, Participating Subdivision, Participating Special District, or other person or entity for the costs of any investigation or litigation. The entire Compensatory Restitution Amount is properly characterized as described in subsection VIII.G. No portion of the Compensatory Restitution Amount constitutes disgorgement or is properly characterized as the payment of statutory or other fines, penalties, punitive damages, other punitive assessments, or attorneys' fees; and

7. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts (the "Form 1098-F Filer") shall complete and file Form 1098-F with the Internal Revenue Service on or before February 28 (March 31 if filed electronically) of the year following the calendar year in which the order entering this Agreement becomes binding. On the Form 1098-F, the Form 1098-F Filer shall identify the entire Compensatory Restitution Amount received by the Form 1098-F Filer as remediation/restitution. The Form 1098-F Filer shall also, on or before January 31 of the year following the calendar year in which the order entering this Agreement becomes binding, furnish Copy B of such Form 1098-F (or an acceptable substitute statement) to Allergan.

IX. Participation by Subdivisions and Special Districts

A. *Notice.* No later than fifteen (15) days after the Preliminary Agreement Date, the Settling States, with the cooperation of Allergan, shall send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions and Special Districts in the Settling State that are (1) Litigating Subdivisions or Litigating Special Districts, or (2) Non-Litigating Subdivisions listed in Exhibit G. To the extent a Non-Litigating Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special District. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Allergan's share of costs of the written notice shall be paid by Allergan as part of the Implementation Costs. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions, Litigating Special Districts, and known counsel for Non-Litigating Subdivisions listed on Exhibit G and Non-Litigating Special Districts listed on Exhibit G. The notice will include that the deadline for becoming an Initial Participating Subdivision or Initial Participating Special District is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions or Special Districts about becoming a Participating Subdivision or Participating Special District, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision: Non-Litigating Subdivisions*. A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Subdivision submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Subdivision can choose to only join this Agreement.

C. *Requirements for Becoming a Participating Subdivision: Litigating Subdivisions/Later Litigating Subdivisions*. A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.B for Non-Litigating Subdivisions, commits it to

promptly dismissal its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Subdivision or Later Litigating Subdivision will decide whether to become a Participating Subdivision for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Subdivision or Later Litigating Subdivision can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Subdivision or a Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in subsections IX.B or IX.C by the Initial Participation Date. Provided however, all Subdivision Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective. If Allergan determines not to proceed, all Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after the Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Subdivision (unless the Later Participating Subdivision is subject to subsections IX.E.3 or IX.E.4 below). A Later Participating Subdivision that becomes a Participating Subdivision after June 15, 2023 shall receive no share of the Initial Year Payment.

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided,*

however, that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payments or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments*. Amounts to be received by Later Participating Subdivisions or Later Participating Special Districts shall not increase the payments due from Allergan.

G. *Ineligible Subdivisions and Special Districts.* Prior Settling Subdivisions and Subdivisions and Special Districts in Non-Settling States or Prior Settling States are not eligible to be Participating Subdivisions or Participating Special Districts.

H. *Non-Participating Subdivisions and Non-Participating Special Districts*. Non-Participating Subdivisions and Non-Participating Special Districts shall not directly receive any portion of any Base Payments or Incentive Payments, including from the State Fund and direct distributions from the Abatement Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions and Non-Participating Special Districts.

I. *Unpaid Allocations to Later Participating and Non-Participating Subdivisions*. Any Base Payments and Incentive Payments allocated pursuant to subsection VII.E to a Later Participating or Non-Participating Subdivision or a Later Participating or Non-Participating Special District that cannot be paid pursuant to Section IX, will be allocated to the Abatement Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

J. *Requirements for Becoming a Participating Special District: Non-Litigating Special Districts*. A Non-Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Special District agrees to the terms of this Agreement pertaining to Special Districts, (2) that the Special District releases all Released Claims against all Released Entities, (3) that the Special District agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VIII, and (4) that the Special District submits to the jurisdiction of the Court where the Consent Judgment is filed for purposes limited to that Court's role under the Agreement. The required Settlement Participation Form is attached as Exhibit K. A Non-Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither.

However, if Teva enters bankruptcy prior to the Effective Date, a Non-Litigating Special District can choose to only join this Agreement.

K. *Requirements for Becoming a Participating Special District: Litigating Special Districts/Later Litigating Special Districts.* A Litigating Special District or Later Litigating Special District in a Settling State may become a Participating Special District by returning an executed Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) that, in addition to the requirements set out in subsection IX.J for Non-Litigating Special Districts, commits it to promptly dismiss its legal action. The required Settlement Participation Form is attached as Exhibit K. A Litigating Special District or Later Litigating Special District will decide whether to become a Participating Special District for both this Agreement and the Teva Global Opioid Settlement Agreement, or neither. However, if Teva enters bankruptcy prior to the Effective Date, a Litigating Special District or Later Litigating Special District can choose to only join this Agreement. Except for trials begun before the Initial Participation Date, a Litigating Special District or a Later Litigating Special District may not become a Participating Special District after the completion of opening statements in a trial of a legal action it brought that includes a Released Claim against a Released Entity.

L. *Initial Participating Special Districts*. A Special District qualifies as an Initial Participating Special District if it meets the applicable requirements for becoming a Participating Special District set forth in subsections IX.J or IX.K by the Initial Participation Date. Provided however, all Special District Settlement Participation Forms shall be held by the Implementation Administrator until Allergan provides the notice in subsection X.B that it intends to proceed with the settlement, at which time the obligations created by such forms become effective.

M. *Later Participating Special Districts.* A Special District that is not an Initial Participating Special District may become a Later Participating Special District by meeting the applicable requirements for becoming a Participating Special District after the Initial Participation Date and agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to subsections VIII.E or VIII.F. or any agreement reached by the applicable Settling State with Initial Participating Special Districts. The following provisions govern what a Later Participating Special District can receive (but do not apply to Initial Participating Special Districts):

1. Except for the Initial Year Payment, a Later Participating Special District shall not receive any share of any Base or Incentive Payments paid to the Subdivision Fund that were due before it became a Participating Special District.

2. A Later Participating Special District that becomes a Participating Special District after Initial Participation Date but before June 15, 2023 shall receive 75% of the share of the Initial Year Payment that it would have received had it become an Initial Participating Special District (unless the Later Participating Special District is subject to subsections IX.M.3 or IX.M.4 below). A Later Participating Special

District that becomes a Participating Special District after June 15, 2023 shall receive no share of the Initial Year Payment.

3. A Later Participating Special District that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Special District (other than a consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District prior to such judgment; *provided, however*, that if the Special District appeals the judgment and the judgment is affirmed with finality before the Special District becomes a Participating Special District, the Special District shall not receive any share of any Base Payments or Incentive Payments.

4. A Later Participating Special District that becomes a Participating Special District while a Bar or Case-Specific Resolution involving a different Special District exists in its State shall receive 25% of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Special District without such Bar or Case-Specific Resolution.

X. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed With Settlement.* Allergan will determine on or before the Reference Date whether there has been a sufficient resolution of the Claims of the Subdivisions and Special Districts in the Settling States (through participation under Section IX, Case-Specific Resolution(s), and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Allergan, in good faith, and may be based on any criteria or factors deemed relevant by Allergan.

B. *Notice by Allergan*. On or before the Reference Date, Allergan shall inform the Settling States and MDL Plaintiffs' Executive Committee of its determination pursuant to subsection X.A. If Allergan determines to proceed, the Parties will proceed to file the Consent Judgments. If Allergan determines not to proceed, this Agreement will have no further effect and all releases (including those given by Participating Subdivisions and Participating Special Districts) and other commitments or obligations contained herein will be void and Settlement Participation Forms returned to the Subdivision or Special District or destroyed to the extent not prohibited by then existing legal obligations or document holds.

XI. Potential Payment Adjustments

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) days prior to the scheduled start of a trial involving a Released Claim, and is resolved with

finality on terms requiring payment by the Released Entity, Allergan shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive A payments that would be apportioned to that State or Participating Subdivisions listed on Exhibit G.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.*

1. If Allergan made a payment as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and that Bar, Settlement Class Resolution, or Case-Specific Resolution is subject to a Revocation Event, Allergan shall receive a dollar-for-dollar offset against its obligation to make remaining payments that would be apportioned to that State or Participating Subdivisions or Participating Special Districts listed on Exhibit G. This offset will be calculated as the dollar amount difference between (1) the total amount of Incentive Payments paid by Allergan during the time the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect, and (2) the total amount of Incentive Payments that would have been due from Allergan during that time without the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event being in effect. The amount of Incentive Payments that would have been due, referenced in (2) above, will be calculated based on considering any Subdivision or Special District that provides a release within one hundred eighty (180) days after the Revocation Event as having been a Participating Subdivision or Participating Special District (in addition to all other Participating Subdivisions and Participating Special Districts) during the time that the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event was in effect. If a Revocation Event causes a Settling State to no longer qualify for one or both parts of Incentive D, the Settling State and its Exhibit G participants shall return to Allergan all relevant payments made under Incentive D through offsets as set forth above.

2. Notwithstanding anything to the contrary in paragraph 1 above, if a Bar or Case-Specific Resolution is reinstated by the Settling State, either through the same or different means as the initial Bar or Case-Specific Resolution, Allergan's right to an offset is extinguished and any amounts withheld to offset amounts paid on account of the revoked, rescinded, reversed, or overruled Bar or Case-Specific Resolution shall be returned to the Settling State, less and except any Incentive Payments that would have been paid during the period in which the Bar or Case-Specific Resolution was revoked, rescinded, reversed, or overruled.

XII. Additional Restitution Amount

A. *Additional Restitution Amount*. Allergan shall pay an Additional Restitution Amount to each Settling State listed in Exhibit N in the amount and on the schedule set forth in Exhibit M. The maximum Additional Restitution Amount of $16,192,680.76 shall be reduced by the allocation set forth on Exhibit N for any Non-Settling States listed on Exhibit N. The Settlement Fund Administrator shall allocate such funds among and within the Settling

States listed in Exhibit N at the same time as its allocation of Annual Payments pursuant to Section VII.B.

B. Additional Restitution Amount funds shall not be subject to allocation as provided in Sections VIII.D through VIII.F

XIII. Plaintiffs' Attorneys' Fees and Costs

A. Attorneys' fees and costs are addressed in the following exhibits and are incorporated herein by reference:

1. The State Outside Counsel Fee Fund is addressed in Exhibit U.

2. The State Cost Fund is addressed in Exhibit S.

3. The Attorney Fee and Cost Fund is addressed and the Agreement on Attorneys' Fees, Expenses and Costs is set forth in Exhibit R.

XIV. Enforcement and Dispute Resolution

A. *Enforceability*. The terms of the Agreement and Consent Judgment applicable to or in a Settling State will be enforceable solely by that Settling State and Allergan. Settling States or Participating Subdivisions shall not have enforcement rights with respect either to the terms of this Agreement that apply only to or in other States or to any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Allergan with respect to the Agreement or any Consent Judgment except as to payments that would be allocated to the Subdivision Fund or Abatement Accounts Fund pursuant to Section VII; *provided, however*, that each Settling State shall allow Participating Subdivisions in that State to notify it of any perceived violations of the Agreement or Consent Judgment.

B. *Consent to Jurisdiction and Service of Process*. Allergan consents to the jurisdiction of the Court in which the Consent Judgment is filed, and any appellate court thereof, limited to resolution of disputes identified in subsection XIV.G.2; for a civil action for any appropriate relief to enforce compliance with the Parties' Agreement for Injunctive Relief pursuant to Exhibit P, Section K.5 herein; and for any proceedings for or related to the enforcement or collection of any payments on the Consent Judgment for resolution in the Court in which the Consent Judgment is filed. Allergan further agrees any service of process or notice required for such action or proceeding may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. To be clear, for the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts, and will not contend service must be effectuated through personal service of the Hague Convention process.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms in Exhibit P shall be resolved as provided therein and pursuant to Section VIII.E.3 herein.

2. In the event Allergan believes the 85% threshold established in subsection VIII.B is not being satisfied, any Party may request that Allergan and the Enforcement Committee meet and confer regarding the use of funds under subsection VIII.B. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning subsection VIII.B shall: (i) be limited to Allergan seeking to reduce its Annual Payments by no more than 5% of the difference between the actual amount of Opioid Remediation and the 85% threshold established in subsection VIII.B; (ii) only reduce Annual Payments to those Settling States and its Participating Subdivisions that are below the 85% threshold established in subsection VIII.B; and (iii) not reduce Annual Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Participating Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to the Agreement or any Consent Judgment except: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that: (a) the Settling State's use of Abatement Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (b) a Settling State failed to pay funds directly from the Abatement Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to subsection VIII.F.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory: (1) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (2) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, as to allegations that the uses of Abatement Accounts Fund monies by Participating Subdivisions listed on Exhibit G were not for uses similar to or in the nature of those uses contained in Exhibit E.

3. As between Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change, or alter any other existing rights under law.

E. *Enforcement Committee Actions to Enforce Agreement.*

1. The Parties agree that in the event of any failure by Allergan to make any required payments under this Agreement, the Enforcement Committee, on its own or through its designee such as a Settling State or Participating Subdivision acting by its authorization and on its behalf, shall have the ability and right to file an action or proceeding in any New York state court, or federal court of the United States of

America, sitting in New York, for or related to the enforcement or collection of such payments.

2. If any National Dispute involving a Settling State, Participating Subdivision, and/or Allergan is pending before a National Arbitration Panel concerning a given year's payment to all Settling States, any action or proceeding pursuant to this subsection XIV.E shall be stayed as to any disputed amounts only, but may proceed as to any and all undisputed amounts. In the event there is a dispute between the Parties as to the disputed amounts at issue, the Enforcement Committee or any party to that dispute may seek an expedited determination from the National Arbitration Panel for that proceeding as to the disputed and undisputed amounts.

3. The Parties further Agree that in the event of Allergan's breach of the Parties' Agreement for Injunctive Relief (Exhibit P attached hereto), the Enforcement Committee, on its own or through a single designee such as a Settling State shall have the ability and right to file a civil action pursuant to Exhibit P, after completing the processes laid out in Exhibit P, in any New York state court, or federal court of the United States of America, sitting in New York, seeking any appropriate relief to enforce compliance with such Agreement for Injunctive Relief.

4. Allergan and other Released Entities consent to the jurisdiction of the New York state court, or federal court of the United States of America, sitting in New York, and any appellate court from any thereof, in which any action or proceeding is initiated pursuant to this subsection XIV.E, and for enforcement or collection of any related judgment entered by such court. Allergan further agrees any service of process or notice required for such action or proceeding, including for any action or proceeding for enforcement or collection of any judgment entered thereon, may be effectuated on Allergan through delivery of all required papers by hand or by a nationally recognized private courier on Allergan's representatives identified in Section XVI.P herein. For the purposes of this Agreement only, Allergan consents to personal jurisdiction before such courts and will not contend service must be effectuated through personal service or the Hague Convention process.

5. The enforcement rights under this subsection XIV.E are in addition to, and not in lieu of, any other enforcement and collection rights of the Parties herein, including but not limited to enforcement rights as to payments as allowed by subsection XV.A.

F. *Subdivision Payment Enforcement.* A Participating Subdivision shall have the same right as a Settling State pursuant to subsection XIV.G.4.a(iv) to seek resolution of any failure by Allergan to make its required Base Payments and/or Incentive Payments in a Payment Year.

G. *Other Dispute Resolution Terms.*

1. Except as provided in subsection VIII.C, the parties to a dispute shall promptly meet and confer in good faith to resolve any dispute prior to any filing or

presentation to the Court or National Arbitration Panel. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this Section XIV to resolve the dispute.

2. Except as provided in subsections XIV.C and XIV.G.4, disputes not resolved informally shall be resolved in either the Court that entered the relevant Consent Judgment or, if no Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of state government is located. State court proceedings shall be governed by the rules and procedures of the forum. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

   a. disputes concerning whether expenditures qualify for Opioid Remediation;

   b. disputes between a Settling State and Participating Subdivisions located in such Settling State as provided by subsection XIV.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

   c. whether this Agreement and relevant Consent Judgment are binding under state law;

   d. the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release Claims;

   e. whether the requirements of a Bar, a Case-Specific Resolution, State-Specific Finality, Later Litigating Subdivision, Litigating Subdivision, or a Threshold Motion have been met; and

   f. all other disputes not specifically identified in subsections XIV.C and XIV.G.4.

3. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an amicus curiae brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

4. National Disputes involving a Settling State, Participating Subdivision, and/or Allergan shall be resolved by a National Arbitration Panel.

a. "*National Disputes*" are disputes that are exceptions to subsection XIV.G.2's presumption of resolution in state courts because they involve issues of interpretation of Agreement terms applicable to all Settling States without reference to a particular State's law. Disputes between a State and any Participating Subdivisions shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of "Product";

(iii) interpretation and application of the terms "Covered Conduct" and "Released Entities";

(iv) disputes over a given year's Annual Payment or the payment of the Additional Restitution Amount to all Settling States (for the avoidance of doubt, disputes between a Settling State and Allergan over the amounts owed to only that State shall not be considered National Disputes);

(v) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vi) disputes involving liability of successor entities;

(vii) disputes that require a determination of sufficient Subdivision and Special District participation to qualify for Incentives A, B, C, or D,;

(viii) disputes that require interpretation of Agreement terms (i) that concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under State law; and

(ix) any dispute subject to resolution under subsection XIV.G.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this subsection XIV.G.4.

b. The "*National Arbitration Panel*" shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Allergan, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

(i) The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) days of filing, and in no event shall it take longer than one (1) year.

(ii) The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible, and with a presumption in favor of remote participation to minimize the burdens on the parties.

(iii) To the extent allowed under state law, a Settling State, Participating Subdivision, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

(iv) The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, Participating Subdivision, or Allergan on a state law issue.

(v) The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Allergan, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Allergan whose resolution could prejudice the rights of a Participating Subdivision(s) or Participating Special District(s) in that Settling State, such Participating Subdivision(s) or Participating Special District(s) shall be allowed to file a statement of view in the proceeding.

c. Nothing herein shall be construed so as to limit or otherwise restrict a State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

d. Each party shall bear its own costs in any arbitration or court proceeding arising under this subsection XIV.G. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, *e.g.*, a dispute between Allergan and Settling States/Participating Subdivisions shall be split 50% by Allergan and 50% by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split 50% by the Settling State and 50% by any Participating Subdivisions that are party to the dispute.

5. Prior to initiating an action to enforce pursuant to this subsection XIV.G, the complaining party must:

   a. Provide written notice to the Enforcement Committee of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however*, that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

   b. Wait to commence any enforcement action until thirty (30) days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

6. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of subsections XIV.G.2 or XIV.G.4, a committee comprising the Enforcement Committee and sufficient representatives of Allergan such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for determining where the dispute shall be heard, and the committee's identification of such forum shall not be entitled to deference by the forum selected.

H. *No Effect*. Nothing in this Agreement shall be interpreted to limit the Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Allergan reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

XV. Judgment and Settlement Set-Off Related to Teva

A. The Parties recognize that some of the Settling States, Participating Subdivisions, and Participating Special Districts are pursuing Claims against Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates. If any of them achieves a judgment by verdict, judicial decision, or means other than settlement against any of Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, each plaintiff listed above shall represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates

reflects the amount over and above 56% of the amount they or their counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

B. The Settling States, Participating Subdivisions, and Participating Special Districts may reach a settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates that resolves some or all of their respective Claims. In that event, the Releasors represent and agree that any payment(s) that the Settling States, Participating Subdivisions, and Participating Special Districts or their counsel receives from Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates reflects the amount over and above 56% of the amount they or they counsel received from the Global Settlement Amount due under this Agreement that each and all of them deem to reflect a fair overall settlement value for liability attributable to the generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or attributable to the operation of the Divested Actavis Generic Entities and/or other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016. In any such settlement agreement with Teva Ltd., Teva USA, Cephalon, Divested Actavis Generic Entities, and/or other Divested Entities, and/or each of their respective parents, subsidiaries, and/or affiliates, the Settling States, Participating Subdivisions, and Participating Special Districts agree that the agreed settlement amount reflects the value the parties to the agreement deem a fair settlement value over and above the payments made or due to be paid under the Allergan Public Global Opioid Settlement Agreement for generic opioid drugs that are Products distributed and/or sold before August 2, 2016 by Divested Actavis Generic Entities and/or other Divested Entities and/or relate to the operation of Divested Actavis Generic Entities and other Divested Entities related to those generic opioid drugs that are Products before August 2, 2016.

XVI. Miscellaneous

A. *No Admission.* Allergan does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed, or represented to be (1) an admission, concession, or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Allergan.

B. *Population of Subdivisions*. The population figures for Subdivisions shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

C. *Population of Special Districts*. For any purpose in this Agreement in which the population of a Special District is used: (a) School Districts' population will be measured by the

number of students enrolled who are eligible under the Individuals with Disabilities Education Act ("*IDEA*") or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at 25% of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at 10% of the population served.

D. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at 20% of the capacity of the jail(s) operated by the sheriff.

E. *Most-Favored-Nation Provision*.

1. If Allergan enters into any settlement agreement with any Non-Settling State after November 23, 2022 that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State on a net present value basis (calculated with a 7% discount rate) on overall payment terms the Non-Settling State would have received under this Agreement based on the same level of participation, then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XVI.E.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that the Settling State(s) may obtain, with respect to Allergan, overall payment terms at least as favorable as those obtained by such Non-Settling State. "*Overall payment terms*" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims, Allergan shall provide the Enforcement Committee with a copy of the settlement agreement or relevant Consent Judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Allergan with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the considerations set forth in Section XVI.E.1, the Settling State(s) and Allergan shall engage in the following process:

    a. The Settling State(s) shall provide notice, within sixty (60) calendar days of the date on which a settlement agreement or Consent Judgment is provided to the Enforcement Committee, to Allergan of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. Such notice shall be confidential and not disclosed publicly to the extent allowed by law and shall state, in detail, the basis for the Settling State's belief that it is entitled to a revision of the Agreement.

b. Allergan shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) is entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Allergan do not reach agreement as to the application of Section XVI.E.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XVI.E.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section XIV.G.4.

d. The Settling State(s) and Allergan shall be bound by the determination of the National Arbitration Panel.

4. This Section XVI.E does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any Non-Settling State agreement with Allergan that is entered into: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Allergan and the Non-Settling State or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Allergan jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) with a Non-Settling State that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; or (c) the earlier of (i) after a Non-Settling State has obtained any court order or judicial determination that grants judgment (in whole or in part) against Allergan in the Non-Settling State's case, (ii) after a sanctions ruling against Allergan in the Non-Settling State's case against Allergan; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

5. This Section does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Allergan and (a) federally-recognized tribe(s),(b) Non-Participating Subdivisions or (3) Non-Participating Special Districts. This Section XVI.E will not apply to any agreement entered into more than six (6) months after the Reference Date.

F. *Tax Reporting and Cooperation*.

1. The Parties agree that, unless otherwise required by law, Allergan's payment of the Compensatory Restitution Amount (after all applicable offsets) payable by Allergan shall be directed to Opioid Remediation for restitution of Alleged Harms allegedly caused by Allergan. By executing this Agreement (or the Settlement

Participation Form and thereby becoming a signatory to this Agreement), each Settling State, Participating Subdivision, and Participating Special District certify that: (1) the entity suffered Alleged Harms allegedly caused by Allergan; (2) the Compensatory Restitution Amount to be paid by Allergan to the entity represent an amount that is less than or equal to the actual monetary damage allegedly caused by Allergan; and (3) the entity shall use such payments for the sole purpose of Opioid Remediation.

2. Upon request by Allergan, the Settling States, Participating Subdivisions, and Participating Special Districts agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Allergan to establish the statements set forth in subsection VIII.G to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by Treasury Regulations Section 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

3. Without limiting the generality of subsection XVI.F, each Settling State, Participating Subdivision, and Participating Special District shall cooperate in good faith with Allergan with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

4. The Designated State, on behalf of all Settling States, Participating Subdivisions, and Participating Special Districts, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of Treasury Regulations Section 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official").

5. Neither Allergan nor the Settling States, Participating Subdivisions, and Participating Special Districts make any warranty or representation to any Settling jurisdiction or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not a Settling State or Released Entity. No Settling State may assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation*. Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction*. None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation*. Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement*. This Agreement, its exhibits and any other attachments, including the attorneys' fees and cost agreement in Exhibit R, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution*. This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry*. Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and signatories to this Agreement warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

N. *No Prevailing Party.* The Parties each agree that they are not the prevailing party in this action, for purposes of any Claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties have reached a good faith settlement. The Parties each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law.

O. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Allergan's right to coverage under an insurance contract.

Q. *No Waiver*. The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

R. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

S. *Successors*

1. The Agreement shall be binding upon, and insure to the benefit of, Allergan and its respective successors and assigns.

2. Prior to Allergan's last Payment Date, Allergan shall not sell the majority of its voting stock or substantially all its assets without obtaining the acquiror's agreement that it will constitute a successor with respect to Allergan's obligations under this Agreement.

3. Prior to Allergan's last Payment Date, Allergan shall not in one (1) transaction, or a series of related transactions, sell, or transfer assets (other than sales or transfers of inventories, or sales or transfers to an entity owed directly or indirectly by Allergan) having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Allergan where the sale or transfer transaction is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Allergan's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction. The above restriction shall not apply if Allergan obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Allergan's remaining Payment Obligations under this Agreement equal to the percentage of Allergan's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with the United States generally accepted accounting principles and as of the date of Allergan's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XVI.S.3 shall be enforceable solely by the Enforcement Committee, and any objection under this Section X.VI.S.3 not raised within twenty (20) calendar days from the date that Allergan transmits notice of the transaction to the Enforcement Committee is waived. Any dispute under this Section XVI.S.3 shall be a National Dispute as described in Section XIV.G and must be raised exclusively with the National Arbitration Panel as described therein within twenty (20) calendar days of the announcement, and the sole remedy shall be an order enjoining the transaction.

T. *Modification, Amendment, Alteration*. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Allergan along with the signatures of at least thirty-seven (37) of those then-serving Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to subsection VIII.F.2, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment, or alteration of this Agreement including at least one Participating Subdivision-appointed member; or (2) in States without any advisory committee, that 50.1% of the Participating Subdivisions by population expressed approval of the modification, amendment, or alteration of this Agreement in writing. Provided, however, in the event the modification, amendment, or alteration relates to injunctive relief, interstate allocation between the Settling States, intrastate allocation in a particular Settling State, or fees or costs of Settling States and Participating Subdivisions, then every Settling

State and each Participating Subdivision affected by that modification, amendment, or alteration must assent in writing. Provided further that, in the event the modification, amendment, or alteration relates to injunctive relief, then such amendment, modification, or alteration of injunctive relief against Allergan will not be effective unless and until any Consent Judgment is modified by a court of competent jurisdiction, except as otherwise provided by the Injunctive Terms.

U. *Termination.*

1. Unless otherwise agreed to by Allergan and the Settling State in question, this Agreement and all of its terms (except subsection XVI.O and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

    a. A Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to the Settling State by a court of competent jurisdiction on or before one hundred eighty (180) days after the Effective Date; or

    b. This Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court).

2. If this Agreement is terminated with respect to a Settling State and its Participating Subdivisions for whatever reason pursuant to subsection XVI.U.1, then:

    a. An applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Allergan and the Settling State in question shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

    b. Allergan and the Settling State and its Participating Subdivisions in question shall jointly move the relevant court of competent jurisdiction for an order

reinstating the actions and Claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Allergan and the Settling State and its Participating Subdivisions in question shall be in the same position with respect to those actions and Claims as they were at the time the action or Claim was stayed or dismissed.

3. Unless Allergan and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of Annual Payment 6, *provided* that Allergan has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Agreement, all releases under this Agreement will remain effective despite any termination under this paragraph.

V. *Waiver.* Allergan, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor or divisive mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Allergan's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Allergan's payment obligations hereunder are satisfied in full, Allergan's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims or Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

W. *Governing Law.* Except (1) as otherwise provided in the Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Allergan or against which Allergan is seeking enforcement.

Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Agreement dated November 22, 2022 ("*Allergan Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Allergan Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Allergan Settlement, understands that all terms in this Election and Release have the meanings defined therein, and agrees that by this Election, the Governmental Entity elects to participate in the Allergan Settlement as provided therein.

2. Following the execution of this Settlement Participation Form, the Governmental Entity shall comply with Section III.B of the Allergan Settlement regarding Cessation of Litigation Activities.

3. The Governmental Entity shall, within fourteen (14) days of the Reference Date and prior to the filing of the Consent Judgment, file a request to dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the MDL Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal With Prejudice substantially in the form found at [link to national settlement website page to be provided].

4. The Governmental Entity agrees to the terms of the Allergan Settlement pertaining to Subdivisions and Special Districts as defined therein.

5. By agreeing to the terms of the Allergan Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

6. The Governmental Entity agrees to use any monies it receives through the Allergan Settlement solely for the purposes provided therein.

7. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Allergan Settlement.

8. The Governmental Entity has the right to enforce the Allergan Settlement as provided therein.

9. The Governmental Entity, as a Participating Subdivision or Participating Special District, hereby becomes a Releasor for all purposes in the Allergan Settlement, including, but not limited to, all provisions of **Section V (Release)**, and along with all departments, agencies, divisions, boards, commissions, Subdivisions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Allergan Settlement are intended to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Allergan Settlement shall be a complete bar to any Released Claim.

10. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision or Participating Special District as set forth in the Allergan Settlement.

11. In connection with the releases provided for in the Allergan Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would

materially affect the Governmental Entities' decision to participate in the Allergan Settlement.

12. Nothing herein is intended to modify in any way the terms of the Allergan Settlement, to which the Governmental Entity hereby agrees. To the extent this Settlement Participation Form is interpreted differently from the Allergan Settlement in any respect, the Allergan Settlement controls.

I have all necessary power and authorization to execute this Settlement Participation Form on behalf of the Governmental Entity.

EXHIBIT O
Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval.* A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Participating Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority.* Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation.* For purposes of this **Exhibit O** only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1], the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "Primary Incorporated Municipality" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; *provided* that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision

[1] Certain states do not have counties or parishes that have functional governments, including Alaska, Connecticut, Massachusetts, Rhode Island, and Vermont.

(including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions.* A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

5. *Revised Agreements.* A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of **Section VIII** and is approved by the State and by the State's Subdivisions pursuant to the terms above.

B. "*In-Kind Support*" means payment or assistance in the form of goods, commodities, services, or anything else of value.

C. "*Lobby*" and "*Lobbying*" shall have the same meaning as "lobbying activities" and "lobbying contacts" under the federal lobbying disclosure act, 2 U.S.C. § 1602 *et seq.*, and any analogous state or local provisions governing the person or entity being lobbied. As used in this document, "Lobby" and "Lobbying" include Lobbying directly or indirectly, through grantees or Third Parties.

Also, by way of example, the term "Opioid-Induced Side Effects Treatment Product(s)" shall not include the following pharmaceutical medications: BOTOX®, CELEXA®, FETIZMA®, HUMIRA®, LEXAPRO®, LINZESS®, NIMBEX®, ORIAHNN®, ORILISSA®, QULIPTA®, RINVOQ®, SAVELLA®, UBRELVY®, ULTANE®, ULTANE NOVAPLUS®, VIBERZI®, or VIEKIRA PAK®.

The term "Opioid Product(s)" shall not include (1) methadone, buprenorphine, and other substances when used exclusively to treat opioid abuse, addiction, OUD, or overdose; or (2) raw materials, immediate precursors, and/or active pharmaceutical ingredients ("APIs") used in the manufacture or study of Opioids or Opioid Products, but only when such materials, immediate precursors, and/or APIs are sold or marketed exclusively to DEA-licensed manufacturers or DEA-licensed researchers. Also, by way of example, the terms "Opioid(s)" and "Opioid Product(s)" shall not include pharmaceutical medications that may relieve pain but not by interacting with mu-opioid receptors primarily in the central nervous system, such as BOTOX®, CELEXA®, FETIZMA®, HUMIRA®, LEXAPRO®, LINZESS®, NIMBEX®, ORIAHNN®, ORILISSA®, QULIPTA®, RINVOQ®, SAVELLA®, UBRELVY®, ULTANE®, ULTANE NOVAPLUS®, VIBERZI®, or VIEKIRA PAK®.

7. No officer or Vice President-level employee of Allergan may concurrently serve as a director, board member, employee, agent, or officer of any entity that primarily engages in conduct that Promotes Opioids or Opioid Products. 8. Allergan shall play no role in appointing persons to the board, or hiring persons to the staff, of any Third Party that primarily engages in conduct that Promotes Opioids or Opioid Products. 1. The following categories of information are exempt from public disclosure:

a. Information subject to trade secret protection. A "trade secret" is information, including a formula, pattern, compilation, program, device, method, technique or process, that (a) derives independent economic value, actual or potential, from not being generally known to the public or to other persons who can obtain economic value from its disclosure and use; and (b) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy. Even if the information falls within the definition, "trade secret" does not include information reflecting sales or promotional strategies, tactics, targeting, or data, or internal communications related to sales or promotion or information in documents dated more than five (5) years before the disclosure required by this section.

b. Confidential personal information. "Confidential personal information" means individual Social Security or tax identification numbers, personal financial account numbers, passport numbers, driver license numbers, home addresses, home telephone numbers, personal email addresses, and other personally identifiable information protected by law from disclosure. 1. Whenever a document contains information subject to a claim of exemption pursuant to section B, Allergan will provide the document in redacted form. Such redactions must indicate that trade secret and/or private information, as appropriate, has been redacted. Redactions are limited to the minimum redactions possible, consistent with section B.

2. Allergan must provide to each Settling State a log noting each document redacted. The log must also provide fields stating the basis for redacting the document, with sufficient detail to allow an assessment of the merits of the assertion. The log is subject to public disclosure in perpetuity. The log shall be provided by the production deadline.

3. In addition to the redacted documents, Allergan shall, upon any Settling State's request, also produce all documents identified in subsection III.A above in unredacted form to such Settling State at the same time, but only to the extent the document was produced by Allergan in an unredacted form in the underlying litigation, and only for the purpose of permitting a merits assessment and potential challenge of the redaction pursuant to Section IV herein.

D. Public Disclosure Through a Document Repository

1. Each Settling State may publicly disclose all documents covered by this section through a public repository maintained by a governmental, non-profit, or academic institution. IV. ENFORCEMENT

A. For the purposes of resolving disputes with respect to compliance with **Exhibit P**, should any of the Settling States have reason to believe that Allergan has violated a provision of **Exhibit P**, then such Settling State shall notify Allergan in writing of the specific objection, identify with particularity the provisions of **Exhibit P** that

the practice appears to violate, and give Allergan thirty (30) days to respond to the notification ("Response Period").

B. Upon receipt of written notice from any of the Settling States, Allergan shall provide a written response to the Settling State's notification, containing either a statement explaining why Allergan believes it is in compliance with **Exhibit P**, or a detailed explanation of how the alleged violation occurred and a statement explaining how and when Allergan intends to remedy or has remedied the alleged violation. Allergan may request a reasonable amount of additional time to cure any violation through such remedial measures ("Cure Period") and the Settling State shall not unreasonably withhold approval of such request.

C. The Settling State may not take any action concerning the alleged violation of **Exhibit P** during the Response and Cure Periods. Nothing shall prevent the Settling State from agreeing in writing to provide Allergan with additional time beyond the thirty (30) days to respond to the notice. However, the Settling State may take any action, including, but not limited to legal action to enforce compliance with the Consent Judgment, without delay if the Settling State believes that a threat to the health or safety of the public requires immediate action.

D. The Settling State may bring an action against Allergan to enforce the terms of **Exhibit P**, but only after providing Allergan an opportunity to respond to the notification and, if agreed upon, a period to cure any violation, as described above, or within any other period as agreed to by Allergan and the Settling State.

E. Nothing in this Consent Judgment shall be interpreted to limit any Settling State's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law.

F. Nothing herein shall be construed to exonerate any failure to comply with any provision of **Exhibit P** after the Effective Date, or to compromise the authority of any Settling State to take action for any failure to comply with **Exhibit P**, consistent with this section.

II. MDL Direct Cost Fund and Subdivision Cost and Expense Fund ("*Cost Fund*")

A. The total Cost Fund shall be $30 million dollars funded as set forth below.

1. Total cost to be paid by Teva in each of the relevant Payment Years[2] under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

	Cost Fund

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

[2] Payment Year shall have the same meaning for Teva as set forth in the Teva Agreement and Teva Exhibits M-1 and M-3. Payment Year shall carry the same definition for Allergan as set forth in the Allergan Agreement and Allergan Exhibits M-1 and M-2.

Payment Year 1	$9,000,000.00
Payment Year 2	$9,000,000.00

2. Total cost to be paid by Allergan in each of the relevant Payment Years under this Agreement shall be up to the following amounts, subject to the provisions set forth below:

	Cost Fund
Payment Year 1	$6,000,000.00
Payment Year 2	$6,000,000.00

3. The Cost Fund shall be split into the MDL Direct Cost Fund and the Subdivision Cost and Expense Fund.

   a. The MDL Direct Cost Fund shall be Seven Million Five Hundred Thousand Dollars ($7,500,000), payable 50% in Year One, and 50% in Year Two. The MDL Direct Cost Fund shall make payment without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, provided the costs have been approved by the Cost and Expense Fund Administrator appointed by the Court. The MDL Direct Cost Fund will be paid directly to the MDL Opiate Capital Account. The Cost and Expense Fund Administrator may include costs incurred by the MDL PEC in furtherance of litigation, mediation, implementation, and management of the Settlements.

   b. The Subdivision Cost and Expense Fund shall be Twenty-Two Million Five Hundred Thousand Dollars ($22,500,000), payable 50% in Year One and 50% in Year Two.

   c. It is the intention of the Parties that the Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

   d. The costs of the Cost and Expense Fund Administrator shall be paid from the Cost Fund and allocated by the Cost and Expense Fund Administrator between the MDL Direct Cost Fund and the

Subdivision Cost and Expense Fund to fairly charge each fund the cost incurred in implementing and supervising the specific fund.

e. The Cost and Expense Fund Administrator shall set the process and procedures for submission of and criteria for applications for payment of Subdivisions' and Tribal Nations' costs and expenses. The Cost and Expense Fund Administrator shall receive and evaluate applications from Participating Litigating Subdivisions and litigating Tribal Nations, whether filed in Federal Court or State Court, to seek reimbursement for eligible costs in pursuit of claims against Allergan or Teva. The process shall require a showing that the costs or expenses sought were reasonably incurred in furtherance of active litigation of a designated state or federal bellwether trial-set case, or Common Benefit. The Cost and Expense Fund Administrator shall require transparency from all applicants as to any other sources for compensating Attorneys for Subdivisions and Tribal Nations for costs incurred. If funds remain after the reimbursement of approved out-of-pocket costs, the Cost and Expense Fund Administrator may consider reasonable and appropriate payment for client time, costs, or expenses incurred by recognized trial bellwether plaintiffs. At the conclusion of the process, any funds not allocated by the Cost and Expense Fund Administrator shall be transferred to the Common Benefit Fund established in this **Exhibit R**.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate cost fund, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Cost and Expense Fund Administrator shall have the authority to aggregate the Cost Fund with the cost fund created under that global settlement agreement. The Cost and Expense Fund Administrator shall have the authority to address the appropriate procedures and required information to allow the costs to be funded from the appropriate cost fund or shared by two or more cost funds.

III. Attorney Fee Fund

A. An Attorney Fee Fund shall be paid in the following amounts and years:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	$ 46,215,837.93	$ 40,778,855.53
Payment Year 2	$ 46,215,837.93	$ 40,778,855.53
Payment Year 3	$ 55,215,837.92	$ 46,778,855.53

Payment Year 4	$ 55,215,837.92	$ 46,778,855.53
Payment Year 5	$ 55,215,837.92	$ 0.00
Payment Year 6	$ 55,215,837.92	$ 0.00

B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

2. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Teva Agreement and Allergan Agreement or if the Teva Agreement does not proceed past Teva's determination in **subsection XI.A** of the Teva Agreement or if the Allergan Agreement does not proceed past Allergan's determination in **subsection X.A** of the Allergan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

D. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Teva or Allergan be required to pay more into the Attorney Fee Fund in any Payment Year than the maximum amount specified for that Payment Year in subsection III.A., which amounts are reflected in **Exhibit M** to the Teva Agreement and Allergan Agreement. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions and offsets set forth below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Teva Agreement and Allergan Agreement, as set forth in **Exhibits F-2** and **G** to the Teva Agreement and **Exhibits F** and **G** to the Allergan Agreement, and shall be made applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection III.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund).*

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund according to the schedule set forth below, subject to the adjustments described in paragraph III.E.6. The payments are to be made on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	$ 27,729,502.76	$ 24,467,313.32
Payment Year 2	$ 27,729,502.76	$ 24,467,313.32
Payment Year 3	$ 33,129,502.75	$ 28,067,313.32
Payment Year 4	$ 33,129,502.75	$ 28,067,313.32
Payment Year 5	$ 33,129,502.75	$ 0.00
Payment Year 6	$ 33,129,502.75	$ 0.00

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating

Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

b. satisfy the eligibility criteria set forth in subsection III.G.

3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Teva or Allergan have also reached a settlement for Released Claims with Teva and Allergan. These settlements shall be the subject of separate agreements with Teva and Allergan. Attorneys representing Tribal Nations are eligible for Common Benefit consideration, provided such agreements with Teva and Allergan become effective under their terms. Such Attorneys must meet the eligibility criteria in subsection III.G.

4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection III.G shall be eligible.

5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the May 1, 2018 Order.

6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Teva Agreement or the Allergan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Teva Agreement, including the Teva Tribal Agreement, or the Allergan Agreement, including the Allergan Tribal Agreement. The Fee Panel shall also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Teva Agreement or Allergan Agreement or not. It is the intent of this provision to recognize that the goal of the Teva Agreement

and Allergan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Teva Agreement or Allergan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Teva Settlement and the Allergan Agreement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Teva or Allergan as set forth in subsection III.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in subsection III.H, the Fee Panel must consider the factors described in paragraph III.E.6 to determine how and whether to reduce the amounts to be paid by Teva or Allergan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Teva or Allergan in this Fee Agreement shall be applied against the last Payment Year for that defendant and working backwards. Any reduction to an Applicant not credited to Teva or Allergan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

8. The MDL PEC will seek, and the Attorneys General for Settling States, Teva, and Allergan, will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or paid in a case otherwise under the jurisdiction of the MDL Court.

9. If Teva and Allergan agree to go forward with their respective Agreements under subsections [XI.A and X.A] of their respective Agreements, they shall pay the full Common Benefit (60%) Fee into the Common Benefit Fund without regard to the number of Settling States or Participating Subdivisions. Should Teva and/or Allergan pay a judgment to, or settle

with, a Non-Participating State or a Non-Participating Litigating Subdivision subsequent to the Reference Date, and such settlement or judgment results in a common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund, the following shall apply:

a. Teva or Allergan shall be credited dollar-for-dollar for the amount paid for the fee assessment up to 7.5% of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Non-Participating State or Non-Participating Litigating Subdivision would have received if it had participated in the Settlement Agreement;

b. Except as set forth below in subparagraph III.E.9.c, for any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**, no credits shall be taken against Teva or Allergan's obligation to make payments into the Common Benefit Fund for that portion of the settlement or judgment in excess of the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G**;

c. For any settlement or judgment that meets the requirements of paragraph III.E.9 that exceeds the abatement amount derived from the application of the State Global Allocation Percentage as set forth in **Exhibit F-1** or the abatement amount derived from the application of the Subdivision and Special District Allocation Percentage as set forth in **Exhibit G** that the Later Litigating State or Later Litigating Subdivision would have received if it had participated in the Settlement Agreement, where the Later Litigating State or Later Litigating Subdivision is represented by any member of the MDL PEC or that member's law firm, Teva or Allergan shall be credited dollar-for-dollar for the full amount of the 7.5% common benefit fee assessment paid into the Common Benefit Fund or the Court Common Benefit Fund;

d. If a credit is made to Allergan or Teva pursuant to subparagraph III.E.9.c., then that amount shall be calculated as a direct reduction to any common benefit fee award made under this Fee Agreement

to the MDL PEC firm(s) that represented the Later Litigating State or Later Litigating Subdivision;

e. Any credits shall be taken first against Teva's or Allergan's payment to the Common Benefit Fund in Teva's or Allergan's respective final Payment Year as set forth in paragraph III.E.1 (for Teva Year 6; for Allergan Year 4), up to the full amount of Teva's or Allergan's final year payment obligation, then from the next-to-final Payment Year's payment obligation, and so on;

f. Teva and Allergan shall not be entitled to any credits against the Common Benefit Fund for settlements or judgments paid after Teva's or Allergan's final fee Payment Year.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund).*

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund on the following yearly schedule, subject to the adjustments set forth below:

	Teva Shall Pay	Allergan Shall Pay
Payment Year 1	$ 18,486,335.17	$ 16,311,542.21
Payment Year 2	$ 18,486,335.17	$ 16,311,542.21
Payment Year 3	$ 22,086,335.17	$ 18,711,542.21
Payment Year 4	$ 22,086,335.17	$ 18,711,542.21
Payment Year 5	$ 22,086,335.17	$ 0.00
Payment Year 6	$ 22,086,335.17	$ 0.00

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in subsection III.G.

a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of subsection III.G.

b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee

the fairness of the distribution process, and enforcement of this Fee Agreement.

c. Under the terms of the Teva Agreement and Allergan Agreement Litigating Subdivisions must become a Participating Litigating Subdivision under both Agreements to be eligible to participate. Therefore, **Exhibit R** applies jointly to Teva and Allergan with the Attorneys' Fee Fund and MDL Cost Fund to include the combined payment from Teva and Allergan.

3. Teva and/or Allergan shall each be entitled to a pro-rata reduction to their own portion of the Contingency Fee Fund payment(s) in accordance with subsection III.F.4., unless, by the Payment Date for the Initial Year Payment, (i) 41 states are Settling States for Teva or 43 states are Settling States for Allergan, (ii) 98% of all Litigating Subdivisions are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, and, (iii) 97% of all Non-Litigating Subdivisions with Populations over 10,000 as listed in **Exhibit I** are Participating Subdivisions and/or Subdivisions Subject to a Bar, Case-Specific Resolution, in which case no offset shall be applied.

4. If the participation conditions in paragraph III.F.3 are not met, then the amounts owed by Teva and/or Allergan to the Contingency Fee Fund shall be reduced as follows:

a. For Non-Settling States, the Contingency Fee Fund payments shall first be reduced by the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Litigating Subdivisions in Non-Settling States, had those States and those Litigating Subdivisions been Settling States and Participating Subdivisions.

b. Following the calculation in subparagraph III.F.4.a., the Contingency Fee Fund payments shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph III.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

5. In the event that after the date of the Settlement Agreement Teva, prior to the Effective Date of the Teva Agreement, or Allergan, prior to the Effective Date of the Allergan Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the defendant's Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating

Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Teva Agreement or the Allergan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Teva or Allergan as if determined under (a)(ii) above, except that such credit shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement and credits apply equally over the Fee Payment Years.

6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Teva and Allergan, including by jointly seeking stays or severance of claims against Teva and Allergan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph III.G.3, must be subject to the criteria set forth in subsection III.C, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or

future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

   b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

   c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.

   d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Teva Agreement or Allergan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Teva Agreement and the Allergan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Participating Subdivision except Common Benefit Fees as described in paragraph III.E.2. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this paragraph.

5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further

review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Teva and Allergan when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Teva Agreement or the Allergan Agreement, represents a Later Litigating Subdivision or Later Litigating State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Teva or Allergan. Teva, Allergan, or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Allergan or Teva to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of

Released Claims set forth in the Teva Agreement or Allergan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Teva or Allergan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph III.E.6; and (c) such other information as Teva or Allergan may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Teva and Allergan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection III.G of this Fee Agreement and the criteria set forth in paragraph III.E.2. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

   a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's

financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

b. The novelty, time, and complexity of the Qualifying Representations;

c. The skill requisite to perform legal services properly and undesirability of the case;

d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph III.E.6.

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Teva or Allergan or any risk for Teva or Allergan created by the Applicant in cases against them;

m. Any risk for defendants created by Applicants in cases against Teva or Allergan;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Teva or Allergan;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Teva Agreement or Allergan Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process; and

x. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Teva or Allergan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, (b) creates a separate common benefit fund to be administered by the Fee Panel, and (c) unless the parties agree to another date, such agreement has an effective date prior to June 30, 2023, the Fee Panel may:

    a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

    b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after November 14, 2022;

    c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

    d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

    e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

    a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

    b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

    c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection III.G.

b. Reduce, on an annual basis, Teva's or Allergan's payment obligations, as set forth in paragraph III.E.7. The Panel shall inform Teva or Allergan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.

c. Using criteria set forth in subsections III.E and III.H, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph III.E.6 and shall allocate any reduction in the payments specified in paragraph III.E.7 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection III.G.

b. Apply the Mathematical Model in Exhibit A to this Fee Agreement.

c. Use such allocations to reduce on an annual basis the payment obligations of Teva or Allergan to the Attorney Fee Fund as set forth in paragraph III.F.4, and distributions therefrom, and inform Teva or Allergan and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Teva or Allergan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Teva and Allergan.

2. The MDL PEC shall provide to Teva and Allergan information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or

materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

IV. Miscellaneous

A. *Termination*. If the Teva Agreement or Allergan Agreement does not proceed past the Reference Date, whether because Teva and Allergan do not determine to proceed or for any other reason, this Fee Agreement shall be null and void, neither Teva nor Allergan shall have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Teva, Allergan, and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as an exhibit to the Teva Agreement and Allergan Agreement. This Fee Agreement shall also be submitted by Teva, Allergan, and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached, prior to the Preliminary Agreement Date of the Agreements, as Exhibit B.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Teva and Allergan under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph III.E.6, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Teva, Allergan, and the MDL PEC shall meet and confer concerning such changes.

2. If Teva, Allergan, and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Teva and Allergan shall have no obligation to make any payments under this Fee Agreement, and Teva, Allergan, and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Teva, Allergan, and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Teva and Allergan as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Teva or Allergan, including data and documents, depositions, expert

reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Teva Agreement or Allergan Agreement.

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Allergan Settlement Agreement and Teva Settlement Agreement

This document describes the Mathematical Model for the allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorney's Fees, Expenses and Costs) to the Allergan Settlement Agreement and Teva Settlement Agreement, respectively.[1] Awards of fees from the Contingency Fee Funds shall be available to Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the eligibility criteria.[2] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

The total amount of the Contingency Fee Funds is $195,364,179.86, of which $70,046,168.84 is to be contributed by Allergan[3] and $125,318,011.02 is to be contributed by Teva.[4] Attorneys with Qualifying Representations of Participating Litigating Subdivisions that timely named one or more Released Entities of either Settlement Agreement and meet the other eligibility requirements shall receive the full amount due from the combined Contingency Fee Funds.[5]

Allocation of the Contingency Fee Funds shall be made according to the following steps. These calculations are made only to determine the percentage share of the Contingency Fee Funds that Attorneys for each Participating Litigating Subdivision would receive, ***not*** for determining the dollar amount each Subdivision would receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Allergan Settlement Agreement or Teva Settlement Agreement.

`Illustrative example for the Allergan Settlement Agreement:`

[1] *See* Allergan Settlement Agreement, Exhibit R § III.D.3; Teva Settlement Agreement, Exhibit R § III.D.3.

[2] Allergan Settlement Agreement, Exhibit R § III.F.2; Teva Settlement Agreement, Exhibit R § III.F.2.

[3] Allergan Settlement Agreement, Exhibit R § III.F.1.

[4] Teva Settlement Agreement, Exhibit R § III.F.1.

[5] For example, Attorneys with Qualifying Representations whose suits named Teva, but did not name Allergan, shall be treated the same as Attorneys whose suits named Allergan but did not name Teva. Furthermore, Attorneys whose suits named both Allergan and Teva shall be treated the same as Attorneys who named only Teva or Allergan.

- The combined Net Abatement Amount is $4,984,715,862 ($1,799,186,751 for Allergan and $3,185,529,111 for Teva, including the cash value of the product). *See* Allergan Settlement Agreement, Exhibit M-1 and Teva Settlement Agreement, Exhibits M-1 and M-2.
- Assume that State A is allocated 1.00000% of the $1,799,186,751 Allergan Net Abatement Amount.
- 50% of the 1% share allocated to State A is $8,995,933.76.
- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $8,995,933.76, or $89,959.34.
- These steps would need to be repeated for the Teva Settlement Agreement since the state allocation percentages are different in that agreement.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named a Released Entity in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. This adjustment must be done individually for each defendant. If the Litigating Subdivision did not name a Released Entity in a suit before December 2, 2022, then fees from the Contingency Fee Fund will not be awarded for otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named the defendant(s) before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract*. Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the total amount of the Contingency Fee Funds to figure each Subdivision's dollar share of the Contingency Fee Funds.

Illustrative example:

- $220,000 [from para. 2.b] ÷ $500,000,000 [total amount owed under contingency fee contracts nationwide] = 0.044%[6]
- 0.044% * $195,364,179.86 [Contingency Fee Funds] = $85,960.24

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the relevant Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund.

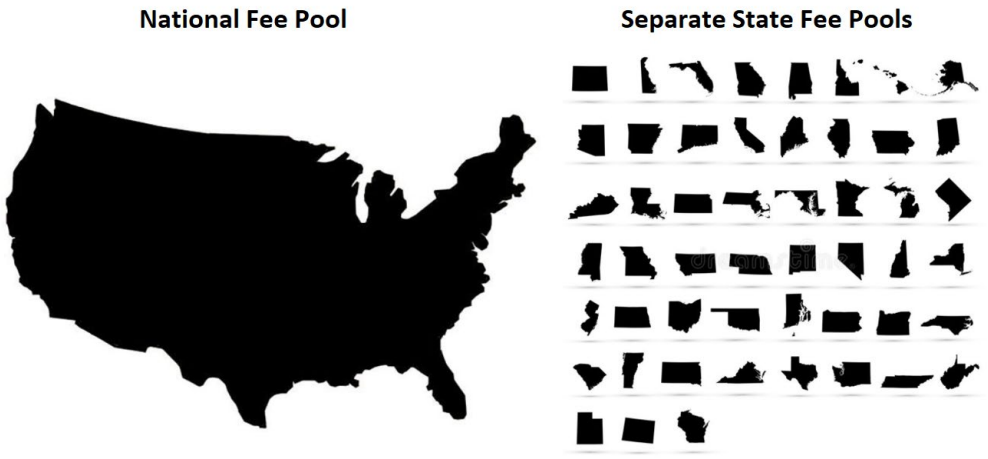

Illustrative example:

- 1% * $195,364,179.86 = $1,953,641.80 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $6,000,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $6,000,000 = 3.6666667%
- 3.6666667% * $1,953,641.80 = $71,633.53

[6] In this example, $500 million is the amount theoretically owed under all contingency fee contracts for litigation against Released Entities as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of all of their contingency fee contracts are collected.

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above less any amounts the Fee Panel is authorized to, and does, withhold.[7]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool, while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting. This is illustrated below.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Litigating Subdivisions.

[7] The model also enforces a maximum fee award of 20% of the amount calculated in 2.b. This rule is designed to prevent windfalls by addressing over-allocation in a small number of states with relatively few Litigating Subdivisions. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

EXHIBIT S
Agreement on the State Outside Counsel Fee Fund for Manufacturer Settlements

1. **Definitions.**

   a. "Manufacturer" means any of Teva and Allergan, and "Manufacturers" means all of the foregoing.
   b. "Multistate Manufacturer Settlement Agreement" means This Settlement Agreement along with the separate settlement of opioids-related claims among 30 or more states and the other Manufacturer.
   c. "This Settlement Agreement" means the settlement agreement between the Settling States and the Manufacturer to which this Agreement is attached as an Exhibit.
   d. "Settling Manufacturer" means the Manufacturer that is a party to This Settlement Agreement.
   e. "Settling States" has the meaning given such term in the relevant Multistate Manufacturer Settlement Agreement.

2. **Creation of a State Outside Counsel Manufacturers Fee Fund.** The Settling States have agreed to the creation of a state outside counsel fee fund to pay reasonable attorneys' fees of Settling States which have retained outside counsel in connection with litigation against one or more Manufacturers (such fund, the "State Outside Counsel Manufacturers Fee Fund").

3. **State Outside Counsel Manufacturers Fee Fund Administration.** The State Outside Counsel Manufacturers Fee Fund shall be administered separately from any other funds for the payment of attorney's fees or costs in connection with This Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, state cost fund, or MDL expense fund. If necessary, a committee of Attorneys General shall be convened to oversee the State Outside Counsel Manufacturers Fee Fund (the "Manufacturers Fee Fund Committee"). The Manufacturers Fee Fund Committee shall be appointed by the Settling State Members of the Enforcement Committee and shall be comprised solely of Attorneys General of Settling States that engaged outside counsel to pursue litigation against one or more Manufacturers. The Settlement Fund Administrator (the "Fee Fund Administrator") shall administer the State Outside Counsel Manufacturers Fee Fund according to this Exhibit and, if convened, the guidelines and directives of the Manufacturers Fee Fund Committee.

4. **State Outside Counsel Manufacturers Fee Eligibility.**

   a. To receive any amount from the State Outside Counsel Manufacturers Fee Fund, both of the following must be true:
      1. an outside counsel to a Settling State must have filed and maintained an action in the name of a Settling State or its Attorney General against a Manufacturer in a state or federal court as of November 1, 2022; and
      2. the State must become a Settling State for each Multistate Manufacturer Settlement Agreement for which it is eligible.

b. No Settling State (or its outside counsel) shall receive funds from both the State Outside Counsel Manufacturers Fee Fund and any "Additional Restitution Amount" as may be provided for in This Settlement Agreement.
c. In addition to the eligibility criteria set forth in Paragraph 4.a, above, and for the avoidance of doubt, only Settling States under This Settlement Agreement are eligible to receive any funds paid into the State Outside Counsel Manufacturers Fee Fund as a result of This Settlement Agreement.

5. **State Outside Counsel Manufacturers Fee Fund Amount.** The Settling Manufacturer shall pay funds into the State Outside Counsel Manufacturers Fee Fund in an amount equal to, and on the schedule identified in, **Exhibit M** (the "Contribution"). The Settling Manufacturer's Contribution shall be subject to a reduction as described in Paragraph 8, below.

6. **State Outside Counsel Manufacturers Fee Fund Availability and Calculation of Amount.**

a. The State Outside Counsel Manufacturers Fee Fund shall be available to compensate private outside counsel for Settling State Attorneys General for approved fees arising out of representation of the Settling State pursuant to the schedule attached to this agreement as Schedule I (the "Fee Schedule").
b. The Fee Schedule is intended to reflect the fee calculation in subparagraphs 6.c and d, below (the "Fee Calculation"). Subject to adjustments required by Paragraph 8, below, in the event of any discrepancy between the Fee Schedule and the Fee Calculation, the Fee Schedule shall control. Each Settling State, by becoming a Participating State in This Settlement Agreement, agrees that the Fee Schedule reflects the Fee Calculation and waives any right to contest the accuracy of the Fee Schedule, absent manifest error, the exclusion of a Settling State, or the inclusion of a Non-Settling State. The version of the Fee Schedule reflecting any necessary adjustments shall be the "Final Fee Schedule."
c. Except as provided in Paragraph d, below, fees shall be aggregated across the Multistate Manufacturer Settlement Agreements and be calculated by adding two components: (a) a fixed amount consisting of fifty percent (50%) of the amount of remediation funds allocated to a Settling State and its Subdivisions pursuant to the Multistate Manufacturer Settlement Agreements multiplied by 4.5% (or, if lower, the applicable contingency fee percentage in the Settling State's outside counsel contract); and (b) a proportional percentage of the remaining fee due under that Settling State's contract with its outside counsel assuming that fifty percent (50%) of the Settling State's recovery is allocable to a Settling State (rather than allocable to the Settling State's Participating Subdivisions) so that the fees of all eligible Settling States (minus the fixed amount that would have been allocated to any Non-Settling States had they become Settling States) exhausts the State Outside Counsel Manufacturers Fee Fund. The proportional share percentage will be the same for each Settling State

included in the State Outside Counsel Manufacturers Fee Fund. Except as set forth in Paragraph 6.c, fees shall be split proportionally among each Multistate Manufacturer Settlement Agreement, as set forth on the Fee Schedule.

d. Notwithstanding the foregoing, fees for the State of Oklahoma, if it becomes a Settling State under the Multistate Manufacturer Settlement Agreement with Allergan, shall be limited to Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Allergan's Contribution. Oklahoma's share of the State Outside Counsel Manufacturers Fee Fund derived from Teva's Contribution shall be reallocated proportionally among the other Settling States eligible to receive payments from the State Outside Counsel Manufacturer Fee Fund.

e. All amounts paid will be less the following:

    1. Any costs or fees of the Fee Fund Administrator. The Fee Schedule reflects a holdback amount of $50,000 for such administrative expenses of the Fee Fund Administrator, the remainder of which shall be disbursed proportionally to States receiving monies from the State Outside Counsel Manufacturers Fee Fund at the conclusion of such administration.

7. **Payment by the Fee Fund Administrator.**

a. The Fee Fund Administrator shall hold the Contribution in escrow until the earlier of (1) both Multistate Manufacturer Settlement Agreements become effective or (2) when instructed by the Settling State Members of the Enforcement Committee.

b. Subject to eligibility pursuant to Paragraph 4, above, a Settling State's outside counsel may receive funds from the State Outside Counsel Manufacturers Fee Fund in the following scenarios ("Payment Scenarios"):

    1. The Settling State's outside counsel agrees that the amount listed for such state on the Final Fee Schedule either satisfies in full or exceeds the amounts owed to all such Settling State's outside counsel and such counsel has provided written notice waiving all entitlement to additional fee in respect of any Multistate Manufacturer Settlement Agreement.
    2. The Settling State and its outside counsel enter into a signed writing establishing the amount owed to the counsel, which includes an agreement on the payment of the amount listed for such state on the Final Fee Schedule and waives any right of the State or its outside counsel to additional amounts from the State Outside Counsel Manufacturers Fee Fund.
    3. A final judgment is entered that is no longer appealable, which judgement adjudicates the amount owed to the Settling State's counsel in respect of This Settlement Agreement and directs the Manufacturers Fee Fund Committee how to pay the amount listed on the Final Fee Schedule for such State.

If no Payment Scenario is applicable with respect to a Settling State, then the Settling State's share shall be placed in an interest-bearing escrow account (less reasonable expenses of the Fee Fund Administrator) and held unless and until a Payment Scenario is applicable.

c. Upon the applicability of a Payment Scenario 1 with respect to a Settling State, the Fee Fund Administrator shall pay that Settling State's outside counsel the amount identified on the Final Fee Schedule for such state or such lesser amount that satisfies the Settling State's obligation to its outside counsel in full. Any remaining allocation to such State shall be paid to the Settling State.

d. Upon the applicability of a Payment Scenario 2 or 3 with respect to a Settling State, the Fee Fund Administrator shall release monies from the State Outside Counsel Manufacturers Fee Fund in either the amount held by the Fee Fund Administrator, if the amount of the agreement or judgment is equal to or more than the amount held, or the amount indicated in the agreement or in the final judgment, if the amount in the agreement or judgment is less than the amount held.

e. Nothing herein, including the amounts listed in Paragraph 5 above or on any Fee Schedule, shall prevent a Settling State from arguing in any proceeding with its outside counsel that (i) its recovery was less than fifty percent (50%) of the recovery in the settlement agreement down to and including fifteen percent (15%) of the total recovery; (ii) any payment should be discounted by an appropriate discount rate commensurate to the risk of the settlement agreement and the timeline that the Settling State is receiving its payments; (iii) the settlement amount should be lower because the amount a Settling State receives was reduced because such Settling State's outside counsel failed to obtain joinder from a Settling State's Subdivision(s) that the outside counsel also represented; or (iv) any limitation placed by the Settling Manufacturer bars payment of a higher fee to outside counsel.

f. In the event the amount due to the Settling State's outside counsel from an escrow account is less than the total amount of funds escrowed on the account of the Settling State, the balance shall be paid to the Settling State. In no event, other than a State becoming a Non-Settling State, shall funds revert to a Manufacturer.

8. **Non-Settling States; Reversion and Redistribution.** Amounts owed by the Settling Manufacturer to the State Outside Counsel Manufacturers Fee Fund shall be reduced by amounts allocated to the fixed amount for such State under This Settlement Agreement in the event that a listed State becomes a Non-Settling State. The payments for the other Settling States reflected in the Fee Schedule shall be adjusted by the Fee Fund Administrator to reflect a recalculated proportional percentage under the Fee Calculation.

9. **Interpretation**.

a. This Agreement shall be an Exhibit to each Multistate Manufacturer Settlement Agreement and shall include the Fee Schedule setting forth the presumptive payment calculations for each eligible Settling State. By joining This Settlement Agreement, each State agrees on the presumptive accuracy of the Fee Schedule, absent manifest error, the inclusion of a Non-Settling State, or the exclusion of a Settling State.

b. It is the intent of all parties that the State Outside Counsel Manufacturers Fee Fund function in a similar manner, with similar calculations and mechanics, as the "State Outside Counsel Fee Fund" established in **Exhibit S** of that certain settlement agreement dated as of July 21, 2021 setting forth the terms of settlement between and among McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation, on the one hand, and certain settling states and certain participating subdivisions, on the other hand.

EXHIBIT T
Agreement on the Joint State Cost Fund

1. **Definitions**.

a. "Opioids Defendant" means Teva, Allergan, or such other defendant in opioids-related litigation that enters into a Multistate Settlement after November 1, 2022, and "Opioids Defendants" means all of the foregoing.

b. "Multistate Settlement" means this Settlement Agreement along with any other settlement of opioids-related claims among 30 or more states and an Opioids Defendant.

c. "Settlement Agreement" means the settlement agreement between the Settling States and the Opioids Defendant to which this Agreement is attached as an Exhibit.

d. "Settling Opioids Defendant" means the Opioids Defendant that is a party to the Settlement Agreement.

e. "Settling States" has the meaning given such term in the Settlement Agreement.

2. **Creation of a State Cost Fund.** The Settling Opioids Defendant and the Settling States agree to the creation of a fund to pay costs and expenses associated with litigation and investigations related to the opioids litigation (such fund, the "State Cost Fund"). The State Cost Fund shall be administered separately from any other funds for the payment of attorneys fees or costs in connection with the Settlement Agreement, including any common benefit fund, contingency fee fund for subdivision counsel, subdivision cost fund, or MDL expense fund. However, the State Cost Fund shall be administered jointly with similar "State Cost Funds" created in other Multistate Settlements after November 1, 2022; any state cost funds jointly administered in this manner shall be referred to as the "Joint State Cost Fund." To the extent permissible and feasible, the Joint State Cost Fund may also be jointly administered with any fund for reimbursement of states' litigation and investigation costs established by a bankruptcy plan, including the Mallinckrodt bankruptcy plan, any plans that may emerge from the bankruptcies of Purdue and Endo, and any similar bankruptcies of opioids defendants. To the extent feasible, the Joint State Cost Fund may also be jointly administered with the State Cost Funds established pursuant to the Distributors Multistate Settlement and the Janssen Multistate Settlement.

3. **State Cost Fund Amount.** The Settling Opioids Defendant shall pay into the State Cost Fund in the amount listed on, and on the schedule set forth in, **Exhibit M** (the "Settling Opioids Defendant's Contribution") for the purpose paying States' costs and expenses associated with to the opioid litigation.

4. **Joint State Cost Fund Committee.** A committee of Attorneys General or their designated representatives (such committee, the "Joint State Cost Fund Committee") shall oversee the Joint State Cost Fund. The committee shall be appointed by the Settling State Members of the Enforcement Committee, who shall aim to (i) have equal representation between states that retained contingency fee outside counsel and states that did not retain contingency fee outside counsel with respect to opioids-related litigation, and (ii) maintain consistency of committee membership across state cost funds that compose the Joint State Cost Fund. The Settling State Members of the Enforcement Committee may by majority vote add to or change the composition of the Joint State Cost Fund Committee.

5. **Joint State Cost Fund Administrator.**

a. The Joint State Cost Fund Committee may select an administrator (the "Joint State Cost Fund Administrator"), who shall administer the Joint State Cost Fund and direct payments to Settling States according to the guidelines and directives of the Joint State Cost Fund Committee. While the expenses of the Joint State Cost Fund Administrator shall be reimbursable pursuant to the principles and guidelines listed below, the Joint State Cost Fund Administrator shall first rely on any separate funds that may be set aside for such purpose in any Multistate Settlement.

b. The Joint State Cost Fund Administrator shall be responsible, under the direction and supervision of the Joint State Cost Fund Committee, for receiving and reviewing applications for reimbursement from the Joint State Cost Fund. This may include the creation of an audit process to ensure the integrity of submissions, as well as reimbursement rules to incentivize accurate submissions.

6. **State Cost Fund Guidelines and Principles.**

a. Monies in the State Cost Fund shall be released without any delay to reimburse Settling States for documented costs incurred or paid in connection with litigation and investigation related to the opioid litigation.

b. In allocating the Joint State Cost Fund, the Joint State Cost Fund Committee shall seek to comply with the following principles:

1. Each State Cost Fund should be used to reimburse costs incurred by States that are Settling States in the Multistate Settlement from which funds are paid. (However, the foregoing sentence does not preclude a Non-Settling State that joins a separate Multistate Settlement from participating in the Joint State Cost Fund with respect to contributions made by other Opioids Defendants.)

2. Funds in any State Cost Fund shall be primarily used to reimburse

costs incurred prior to the date on which the relevant Multistate Settlement was first made available for participation to eligible States. Regardless of other factors considered in prioritizing payments, all costs incurred prior to January 1, 2023, shall be paid before any costs incurred after that date are paid.

3. The Joint State Cost Fund shall prioritize the reimbursement of the following over reimbursement of any State's litigation or investigation costs:

    - the reasonable costs of the Joint State Cost Fund Administrator;

    - repayment of National Association of Attorneys General grants made in connection with opioid investigations and litigation, without regard to when the grants were made;

    - repayment of state-attributable costs of any mediator in connection with negotiations of a Multistate Settlement;

4. The Joint State Cost Fund shall seek to prioritize costs in the following order:

    - litigation-related costs; then

    - investigation-related costs; then

    - settlement and negotiation related costs; then

    - cost shares.

5. Costs incurred by a State's outside counsel that the State is contractually obligated to reimburse shall be treated as costs incurred by a State.

6. As between similar categories of costs (e.g., defendant-specific litigation-related costs), the Joint State Cost Fund shall first reimburse costs incurred by a State's outside counsel that the State is contractually obligated to reimburse out of its recovery, and then reimburse costs directly incurred by States.

7. The Joint State Cost Fund shall be available to reimburse only those costs which have not yet been reimbursed to a State from any other source, including any other fund set aside in a Multistate Settlement or bankruptcy plan for the reimbursement of costs or any individual

state settlements.

8. The Joint State Cost Fund should not reimburse expenses that are expected to be reimbursed from another source, such as a bankruptcy debtor, unless such expected reimbursements do not come to fruition within a reasonable amount of time. This includes cost shares paid by states.

9. When coordinating among different state cost funds that each could be used to reimburse a given expense, the Joint State Cost Fund Committee may set guidelines to equitably distribute reimbursements across all state cost funds in a manner that prioritizes costs unlikely to be otherwise reimbursed to a similarly situated State.

10. The Joint State Cost Fund may deny reimbursement of costs, on either an individual basis or a categorical basis, that a supermajority (75%+) of the Joint State Cost Fund Committee determines to be unreasonable.

11. After all costs identified in the foregoing have been reimbursed, the remaining funds in the Joint State Cost Fund shall be distributed to states in proportion to their allocation of remediation payments in the Mallinckrodt bankruptcy plan. Such distribution shall be treated as a reimbursement for States' unenumerated costs of administering the Multistate Settlements and no subdivision shares shall be carved out of such disbursement, nor shall any attorney's fees be assessed against such distribution (unless individually agreed to by a State).

c. In applying the foregoing principles, the Joint State Cost Fund Committee shall have the discretion to vary their application in order to ensure equity among similarly situated states and to facilitate the ease and speed of administering the Joint State Cost Fund. The Joint State Cost Fund Committee may also apply percentages to approximate costs attributable to a particular Opioids Defendant (or categories of Opioids Defendants) in a manner that seeks to treat similarly situated states equitably.

d. The Joint State Cost Fund Committee shall establish guidelines for the submission and approval of expenses eligible for reimbursement from the Joint State Cost Fund, which guidelines may be coordinated and consolidated with any similar cost funds in other state opioid settlements for purposes of joint administration and efficiency.

e. Unless waived by the Joint State Cost Fund Committee, the Joint State Cost

Fund Administrator shall, in accordance with such guidelines, receive from Settling States records sufficient to demonstrate the incurrence and payment of each expense.

f. Where the Joint State Cost Fund Committee determines by a supermajority vote (75%+) that outside counsel for a Settling State has failed to exercise reasonable diligence in reviewing submitted costs for allowability, and such failure has resulted in the reimbursement of unallowed costs to such outside counsel, the Committee shall have the discretion to reduce or recover payments made to such outside counsel in an amount calculated to incentivize the exercise of reasonable diligence.

7. **State Undertakings.** Each State submitting for reimbursement of costs from the Joint State Cost Fund agrees:

a. to only submit costs allowable under this Joint State Cost Fund Agreement;

b. to provide all back-up documentation that may be requested with respect to any submitted cost and to make itself available for any questions related to such costs;

c. to exercise reasonable diligence to ensure that all submitted costs are allowable under (i) this Joint State Cost Fund Agreement, (ii) the State's contract with its outside counsel, if relevant, (iii) state law, and (iv) the policies and procedures applicable to the State's retention of outside counsel, if relevant; and

d. to promptly return any excess payments made to the State or its outside counsel from the Joint State Cost Fund, including payments made for costs that were reimbursed from another source or are not allowable hereunder.

AGENDA REQUEST FORM

DATE: April 19, 2023

TO: County Commission

FROM: Central Nevada Regional Water Authority

SUBJECT: Annual Membership Fee

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:

Article III of the Central Nevada Regional Water Authority Bylaws pertains to Authority membership and dues. Section 1. of Article III (membership) reads "The Authority shall have three classes of membership." The three classes of membership are as follows; 1) member counties, 2) associate members, and 3) government partners.

Regarding a member county, the Authority's Bylaws states the following: "A county can be admitted as a member county as long as 1) the county requesting membership has a portion of the Central Hydrographic Region within its boundary, 2) the request for membership is submitted by the county governing board, 3) the Board (Authority Board) recommends membership to the member county governing boards, and 4) each member county governing board approves the membership request and thereby amends the Cooperative Agreement pursuant to Article 6 of the Cooperative Agreement."

The Authority's Bylaws states the following regarding an associate member: "The Board (Authority Board) may, upon written application and subject to ratification by the Board, approve the membership. The general purpose of such membership shall be to encourage maximum cooperation between the Authority and private businesses. In no event shall an associate member be able to vote or represent the Authority."

And, the Authority's Bylaws provides the following for a government partner: "The Board (Authority Board) may, upon written application and subject to ratification by the Board, approve the membership. The general purpose of such membership shall be to broaden the Authority's relationship with counties and cities that are not represented on the Board. In no event shall a government partner be able to vote or represent the Authority."

The Authority does not have an associate member or a government partner member. The Authority was created in the fall of 2005, and it has not promoted or solicited associate membership and government partner membership. In the recent past the Authority has had some discussion about encouraging parties and entities that might be interested in associate and government partner membership to pursue said

membership. If this occurs the Authority will need to determine the annual dues for an associate member and a government partner member.

Section 2. of Article III pertains to Authority dues. It states "The annual membership dues for each fiscal year commencing July 1 shall be determined in March for Member Counties, Associate Members and Government Partners." The annual membership dues for Authority member counties has been $7,500 since the Authority was created in the fall of 2005. That means the Authority's annual revenue is $60,000 (8 times $7,500). It is recommended the Authority's dues for an associate member and a government partner be $1,000.

WHY ARE YOU BRINGING THIS BEFORE THE BOARD NOW:
We have been notified that dues will be assessed and an invoice will be sent in July.

REQUESTED AGENDA DATE: May 1, 2023

SUMMARY AND BACKGROUND:

Each fiscal year, the County must levy an assessment on the water users in the Groundwater Basins within Humboldt County, and must be based on the proportion which the water right of that water user bears to the aggregate water rights in the stream system, for the distribution of the waters of the Quinn River, Little Humboldt River, and the Humboldt River.

The amount of $307,132.45 for the Fiscal Year 2022-2023 will be required for the payment necessary expenses incurred for supervision over distribution of the decreed water and include, but not limited to salaries of the water commissioners, special studies, water measurements, crop inventories, field investigations, associated data collection and management.

Memorandum

Date: April 25, 2023

To: Humboldt County Board of Commissioners

From: Abel Del Real-Nava, Assistant County Manager/Human Resources Director

Subject: Staff Report for County Manager Recruitment Options and Other Considerations

---

Summary

Enclosed are general County Manager recruitment options and other considerations.

Why this is being brought before the Board now:

Commissioner Hoss requested a discussion on filling a future County Manager vacancy. The County Manager has provided an approximate retirement date of mid to late March 2024, after being asked by Commissioner Hoss during public comment in a prior meeting.

Previous Action

N/A

Background

Options available to fill a future County Manager vacancy include:

1. Traditional Recruitment through County's Applicant Tracking System
    a. Human Resources advertises the position through the same system used for other vacancies in the County.
    b. Recruitment would be opened internally for one week and externally for a period deemed reasonable by stakeholders or continuous until filled.
    c. Coordination of recruitment would be internal to the Human Resources Department.

d. Staff planning to apply for the position would recuse themselves from working on the recruitment once it is underway.

2. Outsource to Executive Recruitment Firm
    a. Previously used to fill the Public Works Director position.
    b. Human Resources would prepare a Request for Proposal to solicit proposals from firms and later present proposals and recommendations to the Board for selection of the firm.
    c. Additional considerations:
        i. Objective third-party perspective to guarantee that candidates are selected based on their merits and not just on who they know.
        ii. Top executives are busy leaders who are accustomed to finding new opportunities through their professional network and referrals, not through job boards.
        iii. Executive recruiters often have built strong relationships with executives and have the access to upper-level professional networks needed to find ideal executives.

3. Interim Appointment
    a. The Board may appoint an interim County Manager until a permanent replacement is found. Interim appointee could be internal, or an Executive Recruitment Firm can be hired to provide a qualified interim appointee.

4. Trial Appointment
    a. The Board may appoint a new County Manager on a trial basis, like what Humboldt General Hospital did. This was after an exhaustive search to find a permanent Chief Executive Officer.

Fiscal Impact

The current salary range for the County Manager position is $136,045.53 – $171,535.67. *This range will change as it will be filled in the next fiscal year and the Board has not determined a cost-of-living adjustment rate that would increase the range*. Human Resources takes the opportunity to conduct compensation reviews for new or vacant appointed level positions to ensure fair-market and competitive wages. This is expected to be completed through Pontifex, the firm hired to conduct our organization-wide classification and compensation study and brought to the Board later for consideration and possible approval.

Recommendation

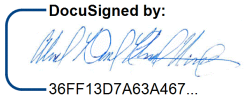

If the Board's desire is to open a recruitment for the County Manager position, Human Resources recommends directing the department to complete a Request for Proposal to solicit bids from Executive Recruitment Firms. For the reasons mentioned above, an executive recruitment firm would be better suited to assist in filling this future vacancy.
