Motion by Pedro Trevino Jr. to Approve. Seconded by Ventura Garcia Jr.. Motion Passed.

10.2 Discuss, consider and take action to adopt 2027 Jim Wells County Budget.

County Judge Pedro Trevino, Jr., stated that this year's budget has been a little hectic. He gave a rundown as follows: The proposed budget was filed on August 12, 2026. The court approved the 2025 proposed tax rate on August 31, 2026. The first budget workshop was held on September 2, 2026 and a second one on September 4, 2026. The proposed budget expenditures were increased by \$183,000.00 because of insurance premiums, fringe benefits, group insurance and salary for district judge longevity. He stated that we had two workshops and from the two workshops we had approvals for the following:

non departments\county judge budget - contract maintenance \$68,200.00
child safety payments \$1,000.00
County Court at Law Judge \$34,422.00
Tax Assessor-Collector for gas \$200.00
information technology \$99,296.00
JP, Pct 3 \$3,000.00
rental of space \$10,000.00
Constable Pct 5 \$540.00
Sheriff's department \$100,000.00
Juvenile Probation \$7,000.00
Adult pretrial bond \$37,000.00
County Agent \$500.00
reserve for contingencies for Sheriff's issues \$1.4 million

He further stated that altogether, we increased the budget by \$1,709,241.00. Budgeted revenues and transfers for the 2027 budget is \$24,820,468.00 with the tax rate chosen of .767802, which is the same tax rate that we have had the last two years, we had a difference of \$668,799.00. Budget expenses, including all the previously mentioned as well as the reserved for contingency, are \$26,640,045.55. That is an increase in \$1.8 million or \$1,839,379.00. This year we would be approving a \$439,779.00 budget which would mean that the goals that we have by keeping the same tax rate, would be working, minus the jail issue. That being said, we will be approving a budget that is over \$1,819,577.55.

County Judge Pedro Trevino, Jr. made a motion to adopt this budget, which will raise more total property taxes than last year's budget by \$891,793.00 or 4.06%. Of that amount, \$546,658.00 is tax revenue to be raised from new properties added to the tax role this year. It was seconded by Ventura Garcia, Jr., County Commissioner Pct 2.

County Judge Pedro Trevino, Jr., made a motion that the property tax order be .767802. It was seconded by Mauricio Gonzalez, County Commissioner, Pct 4.

As further discussion, County Judge Pedro Trevino, Jr. read the following to the Court:

The order to set the tax rate on this date, the 28th day of September, 2026, the Commisisoners' court of Jim Wells County, Texas convened in open session and it's special meeting and said court at the courthouse in the City of Alice, Texas with the following members present, Pedro Trevino, Jr, County Judge; George Aguilar, County Commissioner Pct 1; Ventura Garcia, County Commissioner, Pct 2; Renee Kirchoff, County Commissioner, Pct 3 and Mauricio Gonzalez, County Commissioner Pct 4; and J.C. Perez, III, County Clerk and had the following order passed.

Whereas the Commissioners' Court of Jim Wells County, Texas had considered the matter and deemed it appropriate to set the Jim Wells County tax rate at 767,802 millionth of a cent, that is the .767802 per \$100 valuation. Now therefore, it be order and adjudged and decreed by the Commissioners Court of Jim Wells County, Texas that the tax rate for 2026 be set at 767,802 millionth cents or .767802 per \$100 valuation which is effectively a 3.52 increase in tax rate. The tax revenue from the same will be allocated at the following basis: 60.4465 cents of said .767802 cents to the county general fund; .595653 for maintenance and operations; .008812 for debt service; 5.6044 cents for special road fund and maintenance or maintenance and operation and the remining 1.07293 cents of said 767802 cents per \$100 valuation to the flood and lateral road fund and for maintenance and operation for a total tax rate of 767,802 millionth cents per \$100 valuation. This tax rate will raise more taxes for maintenance and operation than last year's tax rate. The above ordered being read, it was moved and second that same passes. Thereupon the question being called for the following members of this court.

A record vote was taken as follows:

10.4 Discuss, consider and take action on ratifying the Property Tax reflected on the 2027 Budget.

County Judge Pedro Trevino made a motion to ratify the property tax increase reflected in the budget. It was seconded by George Aguilar, County Commissioner, Pct 1.

A record vote was taken as follows:

MOTION PASSED

10.5 Discuss, consider, and take action on approval of a contract between Jim Wells County and Local Government Solutions, L.P. for case management software and related services for use by the Jim Wells County Justice Courts, and authorize County Judge Pedro "Pete" Treviño, Jr. to execute the contract and any necessary related documents on behalf of Jim Wells County.

County Attorney Michael Guerra stated that this is for the case management for all five of the justice courts. This is the same company they currently use and they are transitioning the existing software which is Hill Country to a new one. Since they are reaching end of life on the Hill Country they will need to come to install and train the staff on use of the new software. The total contract the first year is \$30,230.00. This term is for one year and auto renews unless you give notice 90 days prior to the expiration of the contract. The contract start date would be October 1, 2026. Any subsequent years if we renew, would go down approximately \$4,000.00 because there is only the one time training fee in year one.

Motion by Pedro Trevino Jr. to Approve. Seconded by Mauricio Gonzalez. Motion Passed.

11. Fiscal Year 2027 Proposed Budget

11.1 Discuss, consider, and take action to approve modification of the draft Fiscal Year 2027 Proposed Budget to reallocate funds from the Prisoner Detention line item to applicable salary and fringe benefit line items in an amount sufficient to fund any additional jailer positions approved by Commissioners Court, with no increase to the total proposed budget resulting from such reallocation; and authorize the County Auditor and other appropriate County officials to make the corresponding budget adjustments.

Jim Wells County Sheriff Joseph "Guy" Baker gave a run-down of what is being requested on this agenda item. He stated that basically the five additional correctional officers including their salary and fringe is at \$63,246.00 each totaling \$316,230.00. With that they would be able to house at least 30 more inmates in the Jim Wells County jail. 30 inmates at an average of \$75.00 a day\365 year is a total of \$821,250.00. That is an annual savings for the taxpayers of \$505,020.00. He further stated that over a five-year period, that's \$2.53 million that the county would be saving. He stated that they did make changes that affected who they are allowed to count - inmate to officer ratio. They assigned collateral duty to a court coordinator officer who still does transports and still works at the jail, and the other one was a compliance officer to make sure that the jail was in compliance with the Texas Commission on Jail Standards. The Texas Commission on Jail Standards will not allow him to count these two officers towards their ratio. That is the driving force behind this request.

County Judge Pedro Trevino asked the Sheriff to please explain why this time last year was different. He did a little reviewing and last year the sheriff's office made some changes in some positions. Those positions were jailer positions that had a title change. If this was one, this makes a huge difference. He stated that if the sheriff changed their titles and the jailers are no longer able to supervise, then it is a problem that we created, not a problem that was in existence. Unless the sheriff can change his way of thinking, the positions were already there. Once the changes were made, they are no longer there and now we have a problem that cost the county a lot of money. It also cost us in prisoner detention and transports, as well as in medical, etc. He wants to get all of the answers before he makes a decision on approving any type of increase in additional staff.

There was also a lengthy and detailed discussion regarding the county jail's staffing requirements to comply with state standards and a motion to reallocate funds for five additional jailer positions was denied at this time.

Motion by George Aguilar to Deny. Seconded by Mauricio Gonzalez. Motion Passed.

12. County Treasurer's Report and other monthly reports

12.1 Discuss, consider and take action to approve County Treasurer's Report and other monthly reports.

Motion by Ventura Garcia Jr. to Approve. Seconded by George Aguilar. Motion Passed.

Abstain: (1) Pedro Trevino Jr.

13. County Auditor's Reports

13.1 Discuss, consider and take action to approve County Auditor's Reports.

County Auditor, Cindy Garcia presented the August sales tax and financial reports as follows:
On the Sales Tax report for August, our revenues collected year to date is going to be \$1,791,014.17 in General Fund, adding in the road and bridge we are at a total collection of \$2,238,767.72. That is a total of 65.95% of

collections that have been received from revenues. We are on target compared to our budgeted amount that have received thus far. For Jim Wells County this year's monthly collection was \$293,772.13 versus last month of \$289,672.42 showing a little increase over last month. Overall, we are on target showing a steady stream compared to last year. On the Auditor's report, you will see the revenues. For general fund we are at a collection rate of 93%, when you combine the road and bridge collection rates, it is 89% and all revenues is 95% for all of the funds. On the expenditures we should be at 67% for the month of August. Total general fund is at a total of 74% so we are definitely going above our budgeted amount. On the road and bridge departments they are total at 62%. Combining all of the other funds, we are a total of 73%. On total we are at a -6% variance.

Motion by Mauricio Gonzalez to Approve. Seconded by George Aguilar. Motion Passed.
