WHEREAS, any project for any building or facility or area occupied or utilized by an enterprise providing educational services to any other person is an important inducement to industrial, commercial, maritime and agricultural businesses to do business, locate, remain and expand in the County which in time will result in increased employment opportunities in the County; and

WHEREAS, Providence Creek Academy Charter School, Inc. (the “Applicant”) has submitted an application (the “Application”) to the County for the issuance of revenue bonds of the County, in one or more series, in the maximum aggregate principal amount of up to \$5,000,000 (the “Bonds”) to finance a Project (as defined in the General Ordinances) consisting of the refinancing of a portion of the Kent County, Delaware Economic Development Revenue Bonds (Providence Creek Academy Project) Series 2008 Bonds (the “2008 Bonds”) which were issued to finance the acquisition and construction of certain educational facilities of the Applicant (the “Project”); and

WHEREAS, after notice was published at least seven (7) days in advance on the County’s website on March 18, 2026, the Levy Court held a public hearing on May 26, 2026 concerning the Project and the proposed issuance of the Bonds, during which all interested persons were given an opportunity to be heard and, after said hearing, the Levy Court desires to approve the project, to make the findings and determinations set forth herein and to authorize the sale and issuance of the Bonds for the Project; and

WHEREAS, the Levy Court desires to authorize the issuance, execution and delivery of the Bonds and the execution and delivery of the other documents required to accomplish the foregoing, and to authorize all other necessary action in connection with the Project and the financing thereof.

THE COUNTY OF KENT HEREBY ORDAINS (5/7th of all of the members elected to Levy Court concurring herein);

Section 1. Findings and Approval of the Project.

In connection with the Application of the Applicant, the Levy Court hereby makes the following findings and determinations:

(a) The issuance and sale by the County of the Bonds, in one or more series, in the maximum aggregate principal amount not to exceed \$5,000,000 in order to lend the proceeds thereof to the Applicant for the Project:

(i) will tend to provide or maintain employment of citizens of the County; and

(ii) will serve a public purpose by contributing to the prosperity, health, safety and welfare of the citizens of the County as contemplated by the General Ordinances; and

(b) the Bonds will be the limited obligation of the County and the County will not pledge its full faith and credit or taxing power thereof, but the Bonds will be payable solely from the revenues of the Project and the Applicant as set forth under the Bond Purchase and Loan Agreement.

Based on the foregoing findings and determinations and as a substantial inducement to the Applicant to undertake the Project, the Project is hereby determined to be eligible for financing by the County.

Section 2. Authorization of the Bonds.

In order to provide funds to finance the costs of the Project, the County shall issue its Revenue Bonds (Providence Creek Academy Project) Series 2026, in one or more tax-exempt or taxable series, in a maximum aggregate principal amount not to exceed \$5,000,000, which shall mature and bear interest substantially as set forth in **Exhibit A** hereto. The Bonds shall be dated the date of delivery thereof, shall be issued as typewritten bonds, one for each maturity date and shall be in the name of the Bond Issuer as owner.

The Bonds will be a special limited obligation of the County payable solely and exclusively

from the payments made by or on behalf of the Applicant under the Bond Purchase and Loan Agreement and out of the revenues derived from the Project and shall be secured as set forth herein. The full faith and credit or taxing power of the County or of the State of Delaware or of any other political subdivision thereof shall not be pledged for the Bonds and the Bonds shall not be a debt or liability of the State of Delaware or of any political subdivision thereof, other than the County to the limited extent provided in the Bond Purchase and Loan Agreement.

The Bonds shall not be payable out of any funds, revenues or properties of the County other than those specifically pledged therefor.

Section 3. Authorization of Agreements; Sale of Bonds; Loan to Applicant; Assignment to Bond Purchaser.

The County shall enter into the Bond Purchase and Loan Agreement with the Bond Purchaser and the Applicant, setting forth the terms and conditions under which (i) the Bonds are to be issued by the County and purchased by the Bond Purchaser; (ii) the proceeds of the Bonds are to be delivered to the County and applied by the County to make a loan to the Applicant; (iii) the Notes are to be executed and delivered to the County in order to evidence the Applicant's obligation to the County with respect to the loan; and (iv) the County is to assign to the Bond Purchaser the Notes and substantially all of its rights under the Bond Purchase and Loan Agreement.

The Applicant is hereby authorized to proceed with the Project in accordance with the terms of this Ordinance.

Copies of the foregoing documents, together with the other documents relating to the

transactions authorized hereby, in final form as executed and delivered by the parties thereto, shall be filed in the official records of the County.

OFFICE OF THE COUNTY ADMINISTRATOR

MEMORANDUM

TO: Levy Court Commissioners
FROM: Kevin R. Sipple, County Administrator
SUBJECT: POSDC Local Government Funding
DATE: April 30, 2026

Kent County has received a total of **\$518,507.90** in available funding through the Local Government Opioid Settlement Fund (OARS) for this grant cycle. These funds are intended to support evidence-based programs and initiatives that address opioid misuse, treatment, recovery, and prevention efforts within our community.

The County issued competitive grant solicitation and received multiple applications from qualified organizations proposing a range of services aligned with approved opioid abatement strategies.

Staff conducted a comprehensive review of all submitted applications based on alignment with approved opioid abatement strategies, demonstrated need within Kent County, program effectiveness, organizational capacity, measurable outcomes, and overall financial reasonableness. Consideration was also given to ensuring a balanced portfolio of programs across prevention, treatment, recovery support, and harm reduction.

Based on this evaluation, staff recommend allocating the available funding across a prioritized mix of initiatives, including treatment and recovery support programs, prevention and youth-focused services, harm reduction efforts, and community outreach initiatives. These programs are intended to provide both immediate impact and long-term benefits to Kent County residents.

Kent County has elected to utilize the **POSDC-Managed Grant (Third-Party Contract) option**, which allows the County to identify and select qualified external organizations to execute specific projects within its jurisdiction. Under this approach, the Prescription Opioid Settlement Distribution Commission (POSDC) will serve as the fiscal agent and

enter into grant agreements directly with the selected organizations on behalf of the County.

A detailed funding allocation table outlining the recommended awards by organization is attached hereto as **Exhibit “A.”**

Recommended Motion:

“I MOVE TO APPROVE THE ALLOCATION OF \$518,507.90 IN LOCAL GOVERNMENT OPIOID SETTLEMENT (OARS) FUNDING, AS PRESENTED BY STAFF AND OUTLINED IN EXHIBIT ‘A,’ AND TO AUTHORIZE THE COUNTY ADMINISTRATOR TO EXECUTE ALL NECESSARY DOCUMENTATION ASSOCIATED WITH THE POSDC-MANAGED GRANT PROCESS ON BEHALF OF KENT COUNTY.”
