Steven T. Noble
Mayor

January 25, 2018

Honorable James Noble, President
City of Kingston Common Council
420 Broadway
Kingston, N.Y. 12401

Dear President Noble,

Recently, it's been brought to my attention that vehicles are often parked in front of 3-5 N. Front Street, which is currently a "No Parking" zone. With no clear signage, drivers are not aware that parking is prohibited, which leads to an unsafe area, as drivers turn onto N. Front from Clinton Avenue.

I respectfully request for a loading zone to be established between 3-5 N. Front Street, with the appropriate pavement markings. I've attached an image of the loading zone proposal for you to review. This will help significantly with safety concerns and the overall traffic flow in that area.

Thank you for your consideration.

Respectfully Submitted,

Steve Noble
Mayor
