Elisa,

Please include this as a late communication for June's Public Safety meeting. Tony received the exact location from the engineer:

"Add handicap parking on Ravine Street opposite #52 Ravine, 19-feet southwest from the intersection of Ravine Street and German Street."

Thank you,

Andrea

Andrea,

I need to add a late communication to public safety agenda.

Add handicap parking across the street from 52 ravine st, which will be 19 feet from the corner of Ravine St and German St.

I do not know if it is north, south, east, or west.
