AGENDA ITEM No.: 8a

PREPARED BY: Maria Rios, Executive Assistant to the Town Manager

REVIEWED BY: Brian K. Raducci, ICMA-CM, Town Manager

MEETING DATE: March 24, 2025

AGENDA ITEM: Consideration of Resolution No. R-03-2025 approving an Interlocal Agreement with multiple **"PUBLIC AGENCIES"** that include the Cities of Atlantis, Greenacres, and Lake Worth Beach; the Towns of Haverhill, Lake Clarke Shores, and Lantana; the Village of Palm Springs; along with the District Board of Trustees of Palm Beach State College to encourage and promote private investment, development, redevelopment, and related initiatives in the Central Palm Beach County Area.

ISSUE/BACKGROUND:

The mayors, managers and representatives of multiple **"PUBLIC AGENCIES"** (as described above), have been meeting in a collaborative and cooperative fashion to determine how they may be able to encourage and promote private investment, development, redevelopment, and related initiatives in the Central Palm Beach County Area.

The yet unnamed organization is interested in formalizing its relationship via an Interlocal Agreement ("ILA"). The ILA was drafted by the City of Atlantis' City Attorney and circulated to all parties for their comment and review. The initial term of the agreement is for ten (10) years and may be extended by mutual agreement of the parties. The final draft of the ILA (attached) has been reviewed and approved by our Town Attorney for legal sufficiency. It is important to note that there is no direct fiscal impact to the Town to enter into the ILA.

INTERLOCAL AGREEMENT TO ENCOURAGE AND PROMOTE PRIVATE INVESTMENT, DEVELOPMENT, RE-DEVELOPMENT, AND RELATED INITIATIVES IN CENTRAL PALM BEACH COUNTY

THIS INTERLOCAL AGREEMENT (hereinafter the "AGREEMENT") is hereby made and entered into on the ____day of _____ 2025, by and between the public agency local governments of Atlantis, Greenacres, Haverhill, Lake Clarke Shores, Lake Worth Beach, Lantana and Palm Springs, along with the public agency the District Board of Trustees of Palm Beach State College (hereinafter the "PUBLIC AGENCIES") for the broad purpose of collaborating and cooperating with each other from time to time on an as needed basis in the encouragement and promotion of private investment, development, re-development, and related initiatives in the central Palm Beach County area.

WITNESSETH:

WHEREAS, Part I of Chapter 163, *Florida Statutes*, permits public agencies such as those named above to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, Section 163.01, *Florida Statutes*, known as the "Florida Interlocal Cooperation Act of 1969," authorizes such public agencies to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, the PUBLIC AGENCIES are all located within the general area of central Palm Beach County; and

WHEREAS, the PUBLIC AGENCIES are all aware of the present need for private investment, development, and re-development in the general region of central Palm Beach County for the purpose of enhancing benefits for residents, visitors, and businesses in the form of job creation, improved infrastructure, transportation and mobility planning and implementation, public safety, safe and reasonable operation of the Lantana

Airport and its service providers, and any other issues of common interest and mutual concern among and between the PUBLIC AGENCIES that may arise from time to time, attention to which can have a positive impact on the overall economic health of the region, and the quality of life for its residents; and

WHEREAS, the PUBLIC AGENCIES desire to memorialize a platform with which they can collaborate with each other from time to time on an as needed basis to encourage and promote private investment, development, re-development, and related initiatives in the general region of central Palm Beach County for the purpose of creating the above stated benefits; and

WHEREAS, the PUBLIC AGENCIES have determined that entering into this AGREEMENT pursuant to the "Florida Interlocal Cooperation Act of 1969" is a lawful and efficient method to create the aforesaid platform for collaboration among the participating public agencies, and serves a public purpose that will promote the public health, safety, and general welfare.

NOW THEREFORE, in consideration of the mutual covenants and promises hereinafter contained to be kept and performed by the parties hereto, and for the benefit of the PUBLIC AGENCIES, it is agreed as follows:

1. The above recitals are true and correct and are incorporated into this AGREEMENT.
2. The term of this AGREEMENT is for ten (10) years beginning on the date this AGREEMENT is executed by all the participating PUBLIC AGENCIES. This AGREEMENT may be extended by mutual agreement of the PUBLIC AGENCIES. Any party to this AGREEMENT may terminate its participation at any time by providing thirty (30) days advance written notice to the other parties. The termination of participation in this AGREEMENT by any party shall not impact the participation in this AGREEMENT by the remaining parties.
3. Following this AGREEMENT becoming effective, additional local government agencies may desire to become parties hereto in the future. In such a case, the additional local government agency shall execute the then current form of this AGREEMENT, and file same with the Palm Beach County Clerk & Comptroller's Office as required by law and as specified in Paragraph 9 below.

4. The PUBLIC AGENCIES shall each designate a manager, administrator, or other official to serve as its representative for purposes of this AGREEMENT. Such representatives shall meet as a committee from time to time, on an as-needed basis to effectuate the intent of this AGREEMENT. The committee shall be responsible for its own organization including branding, promotion, appointment of chairpersons/officers and adoption of rules of order. The committee shall set its own meeting agendas and within the parameters of this AGREEMENT, shall determine in its sole and absolute discretion which matters to discuss for purposes of potential collaboration. Such committee meetings shall be held on a rotating basis in and among the PUBLIC AGENCIES as determined by the committee. The committee shall be subject to the Florida Government in the Sunshine Law set forth at Sec. 286.011 et.seq. Florida Statues.
5. This AGREEMENT shall not obligate any PUBLIC AGENCY to the commitment of public funds, or the use of other public resources including personnel time or use of public property / equipment for any purpose whatsoever; however, to the extent that one or more participating PUBLIC AGENCIES determines, through its governing body, that the expenditure of its own public funds, or the use of its own other public resources including personnel time or use of public property / equipment to effectuate the intent of this AGREEMENT serves a public purpose as required by law, then such expenditure or use may be made in the sole and absolute discretion of that party.
6. Any notices that may be required by this AGREEMENT shall be delivered in person or be sent by certified mail or nationally recognized overnight courier to the individuals designated on Exhibit A attached hereto, until such time as any of the PUBLIC AGENCIES furnishes the other PUBLIC AGENCIES with written instructions to contact another individual.
7. If any clause, section, or provision of this AGREEMENT shall be declared to be unconstitutional, invalid, or unenforceable for any cause or reason, or is abrogated or negated by a change in law, the same shall be eliminated from this AGREEMENT, and the remaining portions of this AGREEMENT shall remain in full force and effect and be valid as if the unconstitutional, invalid, or unenforceable portions thereof had not been included.
8. This AGREEMENT represents the entire agreement between the PUBLIC AGENCIES and supersedes any prior agreements or representations, whether written or oral, with respect to the subject matter hereof. No provision of this

AGREEMENT may be changed or amended except by written amendment signed by the PUBLIC AGENCIES.

9. After being properly executed by the PUBLIC AGENCIES, this AGREEMENT shall be filed with the Palm Beach County Clerk & Comptroller's Office.

11. This AGREEMENT shall be construed in accordance with the laws of the State of Florida. Should any litigation arise from this AGREEMENT, venue shall lie in Palm Beach County, Florida. Each party in any dispute shall be responsible for its own attorney's fees and costs, including such fees and costs associated with any appeal.
12. This AGREEMENT is binding upon the parties hereto and their respective heirs, successors, and assigns.
13. The PUBLIC AGENCIES all warrant and represent that all of their employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity and expression.
14. The PUBLIC AGENCIES all recognize that all parties to this AGREEMENT enjoy the same right to sovereign immunity under Florida law. Each party shall be responsible for its own negligence under this AGREEMENT. However, nothing in this AGREEMENT shall be construed as any party’s waiver of its right to sovereign immunity, or as consent to be sued. The PUBLIC AGENCIES all shall individually maintain adequate insurance or be self-insured for their performance of this AGREEMENT.
15. The PUBLIC AGENCIES all shall abide by all applicable laws and regulations in the performance of this AGREEMENT including, without limitation, Florida’s Public Records Act, Chapter 119, *Florida Statutes*.
16. This AGREEMENT is subject to the Palm Beach County Inspector General’s authority.
17. The PUBLIC AGENCIES all are and shall be, in the performance of all activities under this AGREEMENT, independent contractors and not employees, agents or

servants of the other PUBLIC AGENCIES. Each PUBLIC AGENCY shall exercise control over the means and manner in which it and its employees perform any activity under this AGREEMENT. No PUBLIC AGENCY has the power or authority to bind any other PUBLIC AGENCY in any promise, agreement, or representation under this AGREEMENT.

18. No provision of this AGREEMENT is intended to, or shall be construed to, create any third-party beneficiary or to provide any rights to any person or entity not a party to this AGREEMENT.

19. This AGREEMENT may be executed in counterparts, each of which shall be an original, but all of which shall constitute one and the same document. This AGREEMENT may be executed electronically.

IN WITNESS WHEREOF, the PUBLIC AGENCIES that are parties hereto have made and executed this Interlocal agreement to encourage and promote private investment, development, re-development, and related initiatives in central Palm Beach County on the day and date first above written.
