LEHI CITY

RESOLUTION NO. 2026-__

A RESOLUTION OF THE LEHI CITY COUNCIL APPROVING AN AGREEMENT WITH COLE PECK COMPANY LLC FOR THE COSNTRUCTION OF A CULINARY WATERLINE AND A PRESSURIZED IRRIGATION LINE ACROSS 850 EAST

WHEREAS, City needs to construct and 8-inch culinary waterline and a 10-inch pressurized irrigation line across 850 East (the "Project");

WHEREAS, City issued a request for bids and selected Cole Peck Company LLC to construct the Project;

WHEREAS, on November 10th, 2026, the City Council held a duly-noticed public meeting to ascertain the facts regarding this matter, which facts and comments are found in the meeting record; and,

WHEREAS, after considering the facts and comments presented to the City Council, the Council finds: (i) that it should approve an Agreement with Cole Peck Company LLC for the Project; and (ii) such action furthers the health, safety and welfare of the citizens of Lehi.

NOW, THEREFORE, be it resolved by the City Council of Lehi City, Utah, as follows:

1. The Agreement for the Project between Lehi City and Cole Peck Company LLC attached hereto as Exhibit "A" is hereby approved and the Mayor is authorized to execute the Agreement and take all other such action as is necessary to make it effective.

2. This resolution shall take effect immediately.

Approved and Adopted by the City Council of Lehi City, Utah this 10th day of November, 2026.

EXHIBIT “A”

Staff Report for City Council Consideration

Engineering November 10, 2026

Issue

The Engineering Department recommends that the Lehi City Council approve the attached **Lehi City Mill Pond Waterlines Phase II Agreement** between Lehi City and Cole Peck Company, LLC, for the construction of Phase II waterline improvements and associated appurtenances along the south side of Mill Pond.

Background

Lehi City is contractually obligated to construct an 8-inch culinary waterline and a 10-inch pressurized irrigation waterline across 850 East and extending eastward along the south side of Mill Pond. To fulfill this obligation, the City solicited bids for two phases of construction from three contractors: Cole Peck Company, LLC; Peacock Excavating; and B.D. Bush Excavation. Cole Peck Company, LLC submitted the lowest overall bid for the project.

To expedite construction and meet upcoming asphalt paving deadlines, Lehi City entered into a contract with Cole Peck Company, LLC for Phase I, which is currently under construction.

The Engineering Department is now requesting City Council approval to proceed with Phase II of the project at a proposed cost of $139,115.14, as detailed in the bid tabulation included in the agreement.

Financial Impact

This project will be paid for using current Mill Pond RDA funds, which need to be obligated/spent by December 31, 2026.

Communication and Public Outreach

No communication or public outreach is anticipated

Staff Recommendation

Engineering Staff recommends approving Option 1 below, authorizing the Mayor to sign the Lehi City Mill Pond Waterline Phase 2 Agreement and proceed with the phase 2 project construction.

Option 1 – Approve the proposed Agreement and proceed with the construction.

Option 2 – Not Approve the proposed Agreement. Budget waterline construction funds in a future budget year, as the Mill Pond RDA funds expire on December 31, 2026.

Prepared By: Brad Kenison, Lehi City Engineer

AGREEMENT FOR THE CONSTRUCTION OF
THE LEHI CITY MILL POND WATERLINES PHASE TWO

THIS AGREEMENT FOR THE Lehi City Mill Pond Waterlines Phase Two ("Agreement") is made and entered into and effective as of the date the last party signs below ("Effective Date") by and between Lehi City, 153 North 100 East, Lehi, Utah 84043 ("City") and Cole Peck Company LLC, whose principal place of business is located at 1512 North 1300 East, Lehi, Utah 84043 ("Contractor").

WHEREAS, City desires to contract for the construction of an 8-inch culinary and 10-inch pressurized irrigation waterline and associated appurtenances from the west side of 850 East to the east side of 850 East, including associated roadway/sidewalk/curb & gutter repair (the "Work"); and

WHEREAS, City issued a request for proposal for said Phase Two appurtenances and Contractor submitted a Response which City determined to be the lowest responsive and most responsible bid and the City desires to contract with Contractor to perform the Work;

NOW, THEREFORE, in consideration of the premises, the covenants and conditions set forth in this Agreement, and in further consideration of the execution of this Agreement and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, City and Contractor agree as follows:

1. **Scope of Work**. City hereby hires Contractor and Contractor agrees to be bound to the City to perform the Work shown as Phase Two of the attached construction plans attached hereto as Exhibit A, and referred to as the "Contract Documents" and by this reference are incorporated herein and made a part of this Agreement.

2. **Term**. The Work shall commence on the Effective Date and shall be completed and invoiced to City no later than December 23, 2026.

3. **Payment**. City shall pay a total lump sum price of $139,115.14 at the completion of the Work, provided that Contractor submit invoices for said construction services by December 23, 2026.

4. **Changes in Performance**. All changes in performance of this Agreement shall be described in detail on a change order request form, provided by the City, and which must be authorized in writing by an authorized representative of the City prior to commencing any proposed changes in performance. Contractor shall not be entitled to any additional consideration for changes in performance which were not authorized as contemplated by this section, nor for the correction of any mistakes attributable in any way to Contractor, or its employees, agents, subcontractors, independent contractors, and the like.

5. **Withholding Payment for Defective Performance**. The City may withhold or, on account of subsequently discovered evidence, nullify the whole or part of any of the Payment to the extent that the City reasonably determines such withholding is necessary to protect itself from loss or liability on the account of defective or incomplete performance by Contractor, including but not limited to defective goods or services not remedied, or any other failure to comply with the terms and conditions of this Agreement.

6. **Termination**. The City may terminate this Agreement at any time if, in the sole discretion of the City, Contractor's performance under this Agreement is unsatisfactory, Contractor fails to perform its duties and obligations required by this Agreement with diligence or within the time specified herein, or Contractor has otherwise materially breached this Agreement.

6.1 Before terminating this Agreement if Contractor's performance is unsatisfactory, the City shall first provide written notice to Contractor of the City's intention to terminate this Agreement. The notice of termination must be provided by City to Contractor at least seven (7) calendar days prior to termination. After receiving such notice of termination from City, Contractor shall have the next five (5) working days in which to cure any deficiency noted by the City. If Contractor adequately cures any such deficiency to the sole satisfaction of the City, this Agreement shall continue. However, in the event Contractor fails to adequately cure any such deficiency, this Agreement shall terminate and Contractor shall be liable for any resulting damages associated with the deficiency and breach of this Agreement. The City may pursue any such damages through all available means, whether in law or in equity, or both.

6.2 The City may, in its sole discretion, terminate, suspend, or abandon this Agreement without cause at any time by providing written notice to Contractor of the City's intention to terminate this Agreement without cause. The notice of termination shall be provided by the City to Contractor at least seven (7) calendar days prior to termination.

6.3 Any Work which Contractor has completed or performed prior to the date of any termination, suspension, or abandonment shall be recorded and tangible work documents shall be transferred to, and become the sole property of, the City. If the City has terminated this Agreement without cause, then subsequently requests Contractor to recommence its performance of the Work after more than three (3) months from the date of termination, the consideration payment amount shall be subject to renegotiation at the request of either party hereto.

If City terminates this Agreement without cause, Contractor shall be paid a pro rata portion of the Payment for the reasonable value of the Work that Contractor has completed or performed prior to the date of termination.

7. **Taxes**.

7.1 Each party shall be solely responsible for any tax liability which it may incur as a result of this Agreement.

8. **Indemnification and Insurance**.

8.1 Contractor shall be solely responsible for any damage or injury which it, or its employees, agents, subcontractors, independent contractors, and the like may cause in the performance of this Agreement. Consequently, to the fullest extent permitted by law, Contractor shall indemnify, defend, and hold harmless the City, any subsidiary or affiliate of the City, and its past, present and future agents, representatives, and employees from and against all claims, damages, lawsuits, losses, liabilities, liens, cost, citations, penalties, fines and expenses, including but not limited to attorneys' fees, arising out of or resulting from Contractor's performance of this Agreement, provided that such claims, damages, losses, liabilities, liens, costs, citations, penalties, fines, and expenses are caused in whole or in part by any negligent, grossly negligent, reckless, or intentional act or omission attributable in any way to Contractor, or its employees, agents, subcontractors, independent contractors, and the like, or anyone directly or indirectly employed by Contractor or any subcontractor, or any party for whose acts Contractor may be liable, regardless of whether liability is imposed upon such party. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity, which may otherwise exist in favor of the City. In any and all claims against the City, or any subsidiary or affiliate, or any of its past, present or future agents, representatives, or employees, by Contractor, or its current or former employees, agents, subcontractors, independent contractors, and the like, or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by the amount or types of damages, compensations, or benefits payable by or for Contractor, or any subcontractor, worker's compensation acts, disability benefit acts, or other employee benefit acts.

8.2 Contractor, at its own expense, shall provide: Workers' Compensation Insurance: Statutory workers' compensation insurance (Part A). Such insurance shall also include employer's liability (Part B) insurance in a limit of not less than $1,000,000 for each: accident, disease and employee. No owner or officer may be excluded. Rights of subrogation against the city shall be waived.

8.3 Contractor, at its own expense, shall maintain General Liability Insurance: Commercial General Liability insurance written on an occurrence basis, arising out of claims for bodily injury (including death), property damage, products liability, completed operations liability, personal injury, advertising injury, damage to premises rented to you, with not less than $3,400,000 per occurrence and $3,400,000

aggregate, with the contractor naming the City as Additional Insured for ongoing and completed operations, on a primary and non-contributory basis, with rights of subrogation against the city waived.

8.4 Contractor, at its own expense, shall maintain automobile liability insurance with bodily injury and death limits of at least $2,000,000 each accident. Such benefits and coverage shall not be deemed to limit Contractor's liability under this Agreement. It is intended by this Section that the requirements set forth herein will satisfy applicable minimum requirements under Utah law. However, in the event that the foregoing requirements do not satisfy applicable Utah law, Contractor must maintain automobile liability insurance in amounts satisfying applicable Utah law.

8.5 Contractor, at its own expense, shall maintain Contractors Professional Liability (Errors & Omissions) Insurance: Professional Liability Insurance for Contractor's liability arising out of the rending of professional services, including faulty workmanship, or any other professional service, including construction management and design related work, with limits not less than $1,000,000 per occurrence and $1,000,000 aggregate. The professional liability/errors and omissions insurance required by this Section 8.5 must be project specific with a one-year extended reporting period. Contractor shall, likewise, require its subcontractors, if any, to provide for such benefits and to maintain such insurance at no expense to the City.

8.6 Before commencing the Work, and at any time thereafter upon written request by the City, Contractor shall furnish the City with a copy of certificates of insurance as evidence that policies providing the coverage required by this Agreement are in effect. The City reserves the right to require complete, certified copies of all required insurance policies, with all endorsements, at any time.

8.7 All insurance required by this Agreement, with the exception of worker's compensation and employer's liability policies, shall include the City, its directors, officers, agents, and employees as additional insured persons with respect to the activities of Contractor in the performance of this Agreement, or that of its employees, agents, subcontractors, independent contractors, and the like. Any certificate presented as evidence of insurance shall specify the date when such benefits and insurance expire. Unless a different length of time is expressly set forth in this Agreement, Contractor shall maintain any insurance required by this Agreement until after the Work has been fully performed by Contractor, and subsequently approved and accepted by the City. Contractor shall provide the City with written notice at least sixty (60) days in advance of any cancellation, termination, or material alteration of said policies of insurance.

9. **Performance and Warranty Bonds or Letters of Credit.**

9.1 Prior to commencing work on the Scope of Service, Contractor must provide the City with a performance bond and a payment bond in the amount of the Payment. The completed performance bond and payment bond are attached hereto as Exhibit B. In the event that Contractor fails to provide a performance bond and a payment bond within 10 days of the Effective Date, this Agreement shall be void.

9.2 The purpose of the performance bond and payment bond are to guarantee the proper completion by Contractor of the Work as contemplated by this Agreement and property payment to subcontractors; if any.

9.3 The performance bond and payment bond shall remain valid until the City approves of and accepts the Work, as set forth in Section 9.6.

9.4 Prior to the City's approval and acceptance of the Work, Contractor must provide the City with a warranty bond/warranty letter of credit in the amount of 10% of the Payment. The completed warranty bond/warranty letter of credit is attached as Exhibit C.

9.4.1 The purposes of the warranty bond/letter of credit is to guarantee that the Work:

(A) complies with this Agreement; and

(B) will not fail in any material respect as a result of poor workmanship or materials within the Warranty Period.

9.5 The warranty bond/warranty letter of credit shall remain valid for the entire Warranty Period.

9.6 Approval and acceptance of the Work shall be deemed to have occurred when each of the following events have been satisfied:

(A) Contractor provides written notice to the City that Contractor considers the Work to be complete.

(B) The City provides written approval and acceptance of the Work, or fails to provide a written response to Contractor, within thirty (30) days after receiving the notification contemplated by Section 9.6(A), indicating the additional work which the City considers incomplete pursuant to this Agreement.

10. **Representations and Warranties.**

10.1 Each party represents that:

10.1.1. Its signatory has the authority to the party to this Agreement.

10.1.2 It has not sold, assigned, or otherwise transferred any interest in the claims or subject matter contemplated by this Agreement.

10.2 Contractor represents and warrants that:

10.2.1. Contractor has sufficiently and reasonably researched the requirements of this Agreement, understands the same, and is able to competently perform each of its duties and obligations required hereunder.

10.2.2. Contractor warrants the workmanship, materials, proper functioning, and manner of the Work contemplated by this Agreement for the entire Warranty Period. In the event that any portion of the Work does not remain in good and operating condition (in the sole judgment of the City) during the Warranty Period (ordinary wear and tear excepted), Contractor, at its own expense, shall immediately perform all necessary repairs and replacements to maintain such inadequate Work in good and operating condition (to the City's sole satisfaction). Should any portion of the Work imminently jeopardize the health and safety of the City, or any other individual, the City may perform any necessary repairs and replacements (or arrange for a third party to perform such services) at Contractor's expense – to be paid by Contractor within thirty (30) days of receiving a notice of indebtedness from the City.

10.2.3. Contractor shall perform its obligations required by this Agreement in a manner consistent with applicable professional and technical standards for Work of a similar and comparable nature, and shall ensure that the implementation thereof is also performed in an applicable professional, technical, and workman-like manner. Contractor shall correct any defect in its performance at no additional cost to the City. Upon request by the City, Contractor must be able to summarize and concisely report pertinent information associated with this Agreement and the performance thereof to the City in a timely manner. Contractor shall not make any alterations or variations in or additions to, or omissions from, its duties and obligations

contemplated by this Agreement, without the prior written consent of the City

10.3 Contractor's licensure or authority to transact business issued by the Utah Division of Corporations and Commercial Code and the Utah Division of Occupational and Professional Licensing, as well as any other required licensure, is currently active, and shall remain active throughout the performance of this Agreement.

11. **Confidentiality.** The parties acknowledge that this Agreement may be subject to public disclosure pursuant to the Government Records Access and Management Act, UTAH CODE ANN. § 63G-2-101, *et seq*., as the same may be amended from time to time.

Notwithstanding the above, Contractor agrees that, except as directed by the City, Contractor shall not at any time during or after the term of this Agreement disclose to any person or entity any information or document provided by the City which the City has designated as "confidential" or "private." Upon the conclusion or termination of this Agreement, Contractor shall turn over to the City all documents, papers, and other matter, including copies thereof, which are in Contractor's possession or control, and which are designated "confidential" or "private." Contractor further agrees to bind its employees and any sub-contractors to the terms and conditions of this Section 11.

12. **Authority**. Each individual signing this Agreement warrants and represents that he or she has been authorized by appropriate action of the party which he or she represents and has authority to enter into this Agreement on behalf of the party.

13. **Notice.**

13.1 If any notice is required to be provided pursuant to the terms and conditions of this Agreement, said notice must be provided as follows:

To the City:	To Contractor:
Lehi City Corporation	Cole Peck Company, LLC
Attn: Brad Kenison	Attn: Cole Peck
153 N. 100 East	1512 North 1300 East
Lehi, Utah 84043	Lehi, Utah 84043

13.2 If notice is sent via regular mail, commercial courier, and the like, receipt thereof shall be presumed on the third Calendar Day thereafter.

14. **Attorneys' Fees and Costs**. Each party shall bear its own attorneys' fees and costs incurred in connection with the drafting, execution, and performance of this Agreement. However, if any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party in such action shall be entitled to recover

reasonable attorneys' fees, legal costs, and other collection fees and costs incurred by the prevailing party in connection with the suit, both before and after the judgment, in addition to any other relief to which such party may be entitled.

15. **Non-Waiver**. No failure to exercise and no delay in exercising any right, remedy, or power under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, or power under this Agreement preclude any other or further exercise thereof, or the exercise of any other right, remedy or power provided herein or by law or in equity.

16. **Binding Effect**. This Agreement is binding upon the parties and their proper and allowable heirs, legatees, representatives, successors, and assignees.

17. **Assignment**. Neither party may assign this Agreement nor delegate any responsibilities under this Agreement without prior written consent. Any purported assignment or delegation in violation of this Section without prior written consent from the non-assigning party, shall be void and will be considered a material breach of this Agreement.

18. **Amendments**. This Agreement may not be modified, amended, or terminated, except by an instrument in writing.

19. **Time**. Time is of the essence with this Agreement, as well as every term, covenant, and condition contained herein.

20. **Force Majeure**. Neither party shall be liable for any failure or delay in performing an obligation under this Agreement that is due to causes beyond its reasonable control, such as natural catastrophes, governmental acts or omissions, laws or regulations, labor strikes or difficulties, pandemics, transportation stoppages or slowdowns or the inability to procure parts or materials. If any of these causes continue to prevent or delay performance for more than 180 days, the non-delaying party may terminate this Agreement, effective immediately upon notice to the delaying party.

21. **Severability**. If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions of this Agreement shall, nevertheless, be construed, performed, and enforced as if the invalidated or unenforceable provision had not been included in the text of the Agreement.

22. **Governing Law**. This Agreement shall be construed in accordance with the laws of the State of Utah.

23. **Entire Agreement**. All agreements, covenants, representations and warranties, express or implied, oral or written, of the parties concerning the subject matter hereof are contained solely in this Agreement, subject to any implied warranties and conditions imposed upon the parties by Utah law. No other agreements, covenants,

representations, or warranties have been made by any party to any other party concerning the subject matter hereof. RESOLUTION NO. 2026-??__

A RESOLUTION OF THE LEHI CITY COUNCIL APPROVING AN INTERLOCAL COOPERATION AGREEMENT BETWEEN UTAH COUNTY AND LEHI CITY FOR THE LEHI SR 92 TRAIL BRIDGE PROJECT

WHEREAS, Lehi City and Utah County desire to provide transportation facilities in Utah County for use by its residents and visitors to ensure the safe passage of vehicles and pedestrians;

WHEREAS, Lehi City and Utah County to facilitate the construction of the Lehi SR 92 Trail Bridge project has secured funding to design and construct a non-motorized paved trail along Utah Lake; and Lehi City has secured funding to design and construct a new roadway in the same location;

WHEREAS, on November 10th, 2026, the City Council held a duly noticed public meeting to ascertain the facts regarding this matter, which facts and comments are found in the meeting record; and

WHEREAS, after considering the facts and comments presented to the City Council, the Council finds: (i) that it should approve an Interlocal Cooperation Agreement with Utah County; and (ii) such action furthers the health, safety and welfare of the citizens of Lehi.

NOW, THEREFORE, be it resolved by the City Council of Lehi City, Utah, as follows:

1. The Interlocal Cooperation Agreement attached hereto as Exhibit "A" is hereby approved and the Mayor is authorized to execute the agreements and take all other such action as is necessary to make them effective.

2. This resolution shall take effect immediately.

Approved and Adopted by the City Council of Lehi City, Utah this 10th day of November 9, 2026.

Staff Report for City Council Consideration

Engineering November 10, 2026

Issue

The Engineering Department is recommending that the Lehi City Council approve the attached Inter-Local Cooperation Agreement between Utah County and Lehi City for the design and construction of a pedestrian bridge over SR-92 at Center Street (see the proposed Cooperation Agreement in Exhibit A).

Background

The proposed pedestrian bridge will provide a safer connection across SR-92 (Timpanogos Highway) at Center Street for students, pedestrians, and bicyclists. Heavy traffic volumes and high vehicle speeds make the existing crossing particularly hazardous, despite its importance as a link between neighborhoods north and south of the highway. This is especially true for students traveling to and from the schools north of the highway and the high school to the south. Additionally, this bridge will provide a necessary link in the regional trails system by connecting the Murdock Trail on the south to the trail systems on the north.

To address these needs, Lehi City is coordinating closely with Utah County, MAG and UDOT to fund and construct this bridge. Most of the bridge and trail will be constructed within the UDOT right-of-way. However, since this is a particularly important project, UDOT has agreed to allow the construction, provide the necessary property, and may help fund the project. The total cost is estimated at approximately $9 million, with about half provided by UDOT and the remaining costs shared by Utah County and Lehi City.

Key Points to the Cooperation Agreement:

- Utah County Public Works Director will act as the administrator of this agreement
- The terms of this agreement shall be from the date of execution until the terms are completed, or a maximum of 4 years
- Lehi City will be responsible for managing the design, construction advertising, bids opening and construction of the project
- This project has been approved and authorized by the Mountainland MPO Board to fund a not-to-exceed amount of $4,466,598.00
- This is a mulit-year funded project with approved Utah County Transportation Sales

Tax Funds of $2,467,420.00 in 2028 and $1,696,790.00 in 2029

- Lehi City is to pay a 6.77% match portion of the total project cost
- Lehi City will own, repair and maintain the bridge and trail when completed

Summary

This new pedestrian bridge has been needed for years to provide a safe crossing of SR-92. The need has become particularly urgent for elementary and junior high school students who live south of the highway and attend schools north of SR-92, following the School District's recent elimination of the bus routes that previously served them. This need is further heightened by ongoing and anticipated growth in the Inverness area and surrounding commercial developments, which is increasing vehicle traffic through the intersection.

Financial Impact

The Mountainland MPO board has agreed to pull forward the money that was originally set for the second phase of the 700 South Cycle Track in 2030 to use for this project. This money will be available to use on this project beginning in 2028. Any funding not covered by additional sources will be paid up front by Lehi as the design begins and will be reimbursed during the 2028 calendar year.

Communication and Public Outreach

No communication or public outreach is anticipated

Stakeholders Impacts

This project has an impact on the Parks Department who will be responsible for the repair and maintenance of the new bridge once it is completed. Additionally, the Water Department could potentially be impacted since it may be required to relocate some water lines that could conflict with the structure.

Staff Recommendation

Engineering Staff recommends approving Option 1 below, authorizing the Mayor to sign the Cooperation Agreement and proceed with the project

Option 1 – Approve the proposed Cooperation Agreement and proceed with the design and construction.
Option 2 – Not Approve the proposed Agreement. The risk with this option would be to either cancel the project or postpone the project indefinitely while additional funding sources are acquired.

Agreement No. 2026-

INTER-LOCAL COOPERATION AGREEMENT
between
UTAH COUNTY and
LEHI CITY

For A Project Known As

LEHI SR 92 TRAIL BRDIGE

THIS AGREEMENT, made and entered into this ___ day of November 2026, by and between **UTAH COUNTY (Program Manager)**, a political subdivision of the State of Utah, with principal offices located at 100 East Center ST, Suite 2300, Provo, Utah 84606 and **LEHI CITY (Project Sponsor)**, a political subdivision of the State of Utah, with principal offices located at 131 North 100 East, Lehi, Utah 84043.

RECITALS:

WHEREAS, the Utah Interlocal Co-operation Act, Title 11, Chapter 13, Utah Code Annotated (1953), as amended, permits local governmental units including cities, counties, inter-local entities and political subdivisions of the State of Utah to make the most efficient use of their powers by enabling them to cooperate with other public entities on the basis of mutual advantage and to exercise joint cooperative action for the benefit of their respective citizens; and

WHEREAS, the Program Manager and the Project Sponsor desire to facilitate the construction of a road project known as Lehi SR 92 Trail Bridge (**Approved Project**) which consists of the construction of a pedestrian bridge over SR-92 at Center Street; and

WHEREAS, the Program Manager and the Project Sponsor held duly noticed public meetings wherein this Agreement was considered and an Authorizing Resolution was presented for approval by the respective legislative bodies.

NOW THEREFORE, in consideration of the covenants and agreements contained herein and other valuable consideration, the sufficiency of which is hereby acknowledged, the Program

Manager and the Project Sponsor hereby agree as follows:

Section 1. PURPOSES.

This Agreement has been established and entered into between the Program Manager and the Project Sponsor for the purpose of outlining the respective rights and responsibilities of the Program Manager and the Project Sponsor in the construction of the Approved Project.

Section 2. ADMINISTRATION OF AGREEMENT.

The parties hereto agree that, pursuant to Section 11-13-207, Utah Code Annotated, 1953 as amended, the Utah County Public Works Director shall act as the administrator responsible for the administration of this Agreement. The parties further agree that this Agreement does not anticipate nor provide for any organizational changes in the parties. The administrator agrees to keep all books and records in such form and manner as the Utah County Auditor shall specify and further agrees that said books shall be open for examination by the parties hereto at all reasonable times.

Section 3. MULTIPLE JURISDICTIONS.

If a project is within multiple jurisdictions and/or agencies, one jurisdiction or agency will enter in to this interlocal agreement and interface with the Program Manager as the Project Sponsor. Multiple jurisdictions and/or agencies interactions will be outlined within a separate interlocal agreement between said jurisdictions and/or agencies. This agreement shall be referenced in this agreement as an Exhibit.

Section 4. EFFECTIVE DATE; DURATION; TERMINATION.

This Agreement shall become effective and shall enter into force within the meaning of the Interlocal Cooperation Act, upon the submission of this Agreement to, and the approval and execution hereof by the governing bodies of the Program Manager and the Project Sponsor. The term of this Agreement shall be from the date of execution hereof until the terms and obligations identified herein are completed, but in no event, longer than 4 years from the execution date. The Agreement may only be terminated for cause in advance of the specified termination date with written notice and an opportunity to cure, not less than thirty (30) days.

Section 5. NO SEPARATE LEGAL ENTITY.

The Program Manager and the Project Sponsor do not contemplate nor intend to establish a separate legal or administrative entity under the terms of this Agreement.

Section 6. TERMS.

1) **Project Scope –** construction of a new pedestrian bridge over sr-92 at Center Street, Lehi.

2) **Procurement** - The Project Sponsor will designate a qualified project engineer from its staff or hire a project engineer from the Project Sponsors consultant pool or the prequalified UDOT pool, who will be responsible for project delivery. The Project Sponsor shall follow Utah State Code Section 63G-6a-101 or its own procurement/purchasing policy. Different project engineers can be designated or hired for different phases of the project.

3) **Project Development** - The Project Sponsor and the designated project engineer, will design, acquire the necessary rights-of-way (ROW), bid out, and manage the construction of the Approved Project.

   a) **Design Standard -** The design and construction of the Approved Project will meet or exceed Lehi City standards.

   b) **Environmental Work -** The Project Sponsor will acquire the appropriate clearances and permits through the design process. The Project Sponsor can follow their own adopted environmental process, or follow the Recommended Environmental Guidance / Mountainland & Utah County Programmed Projects document (including designating with the Program Manager the type of environmental work to be completed), or any other stricter environmental process under local or federal law. The Project Sponsor must follow any National Environmental Policy Act (NEPA) requirements required (Endangered Species Act, Clean Water Act, etc.), and any other local or government agency requirements for the Approved Project.

   c) **Design Work -** The Project Sponsor will involve the Program Manager at the following design milestones:

      (1) Selection of Design Engineering Firm;

      (2) Kickoff Meeting;

(3) 30% Scope and Schedule Review;

(4) 60% On Site Plan Review; and

(5) 90% Plans, Specifications and Estimate.

d) **Final Design Approval** - Once project design is completed, the Project Sponsor will review the final design with the Program Manager. The construction phase will not proceed unless both parties agree that the project is ready.

e) **ROW Acquisition** - The Project Sponsor will be responsible to acquire all necessary ROW adhering to state and local laws. The Project Sponsor can follow their own adopted ROW acquisition process or follow the Recommended Right of Way Acquisition Guidance / Mountainland & Utah County Programmed Projects guidance document, or as required by Utah law.

f) **Construction Advertising** - To advertise construction, the Project Sponsor shall follow Utah State Code Section 63G-6a-101 or its own procurement/purchasing policy. All construction bids will include a 10% construction contingency. The Project Sponsor will provide a copy of the advertisement and the notice of award to the Program Manager.

4) **Project Signage/Contact Info -** It is recommended that the Project Sponsor install signage informing the public of the following:
   a) Project name.
   b) Project description.
   c) Start and completion dates (general).
   d) Contact name, phone number, website address, email.
   e) Use the sentence "This project funded with Mountainland Transportation Funding".
   f) List project sponsors and their logos (Project Sponsor, Mountainland, Utah County, Utah Department of Transportation).
   g) Generally, one sign at each access point to the project shall be installed.
   h) Signs should be at least 4' x 6', or large enough for passing motorists to read.
   i) Signs should be installed prior to construction and stay in place through construction.

5) **Construction Process -** The Project Sponsor will manage the construction process. The Project Sponsor will notify the Program Manager of any changes that affect the scope of the project or costs that exceed the construction contingency.

6) **Project Completion** - Program Manager staff will be notified and allowed to attend the final inspection of the completed project.

7) **Project Hold** - The Program Manager has the authority to place a project on hold at any time during the project development process or withhold reimbursement of invoices during the construction process if the Program Manager deems that the Approved Project is not within the Approved Project scope or budget. The Program Manager shall notify the Project Sponsor of the hold in writing and will work with the Project Sponsor to rectify the issues promptly. If the Project Sponsor and Program Manager cannot bring the Approved Project back into scope or if additional funding is needed above what the Program Manager or the Project Sponsor can provide, the issues will be brought to the Mountainland TAC committee and MPO Board for their review, recommendations, resolutions, and approvals.

8) **Total Project Cost** - Both the Program Manager and Project Sponsor acknowledge that the Approved Project has been authorized by the Mountainland MPO Board (and the Utah County Commission if county funds are used) to be funded at an amount not to exceed $4,466,598.00 (Total Project Cost) for the direct costs of the Approved Project.

   a) **Matching Funds -** The Project Sponsor is required to pay a match or portion of the Total Project Cost. This amount is 6.77% of the Total Project Cost. The use of Project Sponsor equipment and/or Project Sponsor employee time for the project shall not be reimbursable, but can be claimed by the Project Sponsor as a soft match toward the required 6.77% matching funds required from the Project Sponsor. The Project Sponsor is required to pay the difference between the required match and the value of the soft match, if any.

   b) **Multi-Year Funding** - Some projects require funding across multiple fiscal years. Reimbursement for Approved Project activities can only be made up to the available amount identified in a single fiscal year. Any balance from a prior year where available funds have not been expended for the Approved Project are then advanced to the next fiscal year and are added to the funds available that fiscal year. Fiscal year for County Transportation Sales Tax Funds starts on January 1st. The Approved Project has $2,467,420.00 in 2028 and $1,696,790 in 2029. UNDER NO CIRCUMSTANCES SHALL PROGRAM MANAGER BE OBLIGATED TO PAY ANY INVOICE OR REIMBURSE ANY COST PRIOR TO THE YEAR IN WHICH FUNDING HAS BEEN ALLOCATED.

   c) **Funding Availability** - County Transportation Sales Tax funds are generally available

each January and are generated by sale tax revenue, which can fluctuate with the economy. MAG will not reimburse expenses on an Approved Project unless funding is made available by UDOT and Utah County. This could require the Approved Project to be placed on hold by the Program Manager or that the Project Sponsor advance their own funds toward the Approved Project with reimbursement to be made by the Program Manager upon receipt of available funding from UDOT and/or Utah County.

d) **Reimbursement -** The Project Sponsor, if desiring reimbursement for the direct costs of the Approved Project, will provide the Program Manager with one monthly itemized invoice detailing actual costs for the ROW acquisition, design, utility relocation, construction, or other approved elements of the project. Appropriate backup materials shall also be supplied by the Project Sponsor to the Program Manager without requiring separate inquiry. The Program Manager agrees to reimburse the Project Sponsor within thirty (30) days of receiving acceptable itemized invoices establishing the validity of the direct costs of the Approved Project or within thirty (30) days after the start of the fiscal year in which funds are available, whichever is later. The maximum amount of reimbursement from the Program Manager to the Project Sponsor for any fiscal year shall be the available funds actually appropriated or received by the Program Manager for such fiscal year. The maximum amount of reimbursement from the Program Manager to the Project Sponsor for the entire cost of the Approved Project shall not exceed $4,164,209.00 (Total Project Cost less Matching Funds). Any costs which exceed $4,164,209.00 shall be the sole responsibility of the Project Sponsor. The Program Manager will review and approve monthly, beginning in 2028, each itemized invoice and will reimburse the total invoice amount less the required matching funds.

e) **Cost Overruns -** The Program Manager maintains a contingency account for cost overruns. The Project Sponsor may request additional funds above the approved Total Project Cost with supporting documentation demonstrating the need for additional funds. The Program Manager may approve up to 10% of the Total Project Cost up to a maximum of $500,000. The MPO Board can approve higher amounts (Utah County Commission must also approve if county funds are used). The addition of these contingency funds would require a modification to this Agreement. If no additional funds are awarded or the Approved Project still requires additional funds, the Project Sponsor will be responsible to fund the overrun.

f) **Surplus Funds -** Any surplus funds remaining after the completion of the Approved Project will be returned to the Utah County fund balance to be reallocated to other projects selected through the MPO project selection process. Note that Mountainland and Utah

County selects and funds projects, not project sponsors. Surplus funds cannot be moved to a new project not already approved though the MPO project selection process. Any surplus funds paid by the Project Sponsor shall be returned to the Project Sponsor.

9) **Liability, Ownership and Maintenance of Approved Project** - The Project sponsor bears all liability through all stages of project development and construction. The Project Sponsor shall own and be responsible for maintenance, repair and replacement of the completed project.

10) **Inspection of Approved Project** - The Program Manager and its designees, upon reasonable notice, reserve the right to enter upon the Approved Project to inspect the same to verify compliance with this Agreement.

11) **Other Expenses -** Except as otherwise expressly stated herein, all expenses not identified as a part of the Approved Project or executed prior to the Agreement shall be the sole responsibility of the Project Sponsor.

12) **No Third-Party Rights** - The obligations of the parties set forth in this Agreement shall not create any rights in or obligations to any persons or parties other than to the Project Sponsor and Program Manager. This Agreement is not intended to nor shall it be construed to benefit any third party.

13) **Recitals -** The Recitals portion of this Agreement constitutes a part of this Agreement.

Section 7. FILING OF INTERLOCAL COOPERATION AGREEMENT.

Executed copies of this Agreement shall be placed on file with the official keeper of records of the Program Manager and the Project Sponsor and shall remain on file for public inspection during the term of this Agreement.

Section 8. AMENDMENTS.

1) **Amending this Agreement** - This Agreement may not be amended, changed, modified or altered except by an instrument in writing which shall be: (a) approved by Resolution of the governing body of each of the parties, (b) executed by a duly authorized official of each of the

parties, and (c) filed in the official records of each party.

Section 9. EXTRA WORK

Extra work shall be undertaken only when previously authorized in writing by the Program Manager and is defined as additional work which is neither shown nor defined in this Agreement. Extra work includes additional improvements adjacent to the Approved Project or in other locations that the Project Sponsor desires to complete as a package of projects. Extra work can be for utility projects, facilities that tie into the Approved Project, project betterments, or other work desired by the Project Sponsor. No costs incurred by extra work can be billed to the Approved Project. Any invoices submitted by the Project Sponsor shall clearly detail costs incurred by the Approved Project and list separately costs incurred by the extra work. This agreement shall be referenced in agreements for extra work as an Exhibit.

Section 10. SEVERABILITY.

If any term or provision of this Agreement or the application thereof shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and shall be enforced to the extent permitted by law. To the extent permitted by applicable law, the parties hereby waive any provision of law, which would render any of the terms of this Agreement unenforceable.

Section 11. GOVERNING LAW.

All questions with respect to the construction of this Agreement, and the rights and liability of the parties hereto, shall be governed by the laws of the State of Utah.

Section 12. INDEMNIFICATION.

The Project Sponsor shall indemnify and hold the Program Manager harmless from any and all claims of liability for any injury or damage to any person or property whatsoever occurring in, on or about the Approved Project or any part thereof. The Project Sponsor shall further indemnify and hold the Program Manager harmless from and against any and all claims arising

from any breach or default in the performance of any obligation on the Project Sponsor's part to be performed under the terms of this Agreement, or arising from any act or negligence of the Project Sponsor, or any of the Project Sponsor's agents, employees, contractors, subcontractors, or invitees and from and against all costs, reasonable attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon. Both the Project Sponsor and Program Manager agree that the terms of this Agreement are subject to, and not a waiver of, the protections, immunities and liability limits of the Governmental Immunity Act, U.C.A. 63G-1-101, et. seq. The Project Sponsor's obligations under this provision shall survive the expiration or other termination of this Agreement.

Section 13. ENTIRE AGREEMENT

This Agreement shall constitute the entire agreement between the parties and any prior understanding or representation of any kind preceding the date of this Agreement shall not be binding upon either party except to the extent incorporated in this Agreement.

IN WITNESS WHEREOF, the parties have signed and executed this Agreement, after resolutions duly and lawfully passed, on the dates listed below:

City Council	Final approval

REPORT ANALYSIS

The applicant requests to annex their property at approximately 1300 S 1700 W. The General Plan designates this property as Very Low-Density Residential Agriculture (VLDRA). The applicant requests approval of their proposal to annex 2.68 acres of property located at approximately 1300 S 1700 W with R-1-22 on 0.5 acres and TH-5 on the remaining 2.18 acres.

This annexation is being done by resolution because the property is part of an existing county island. The DRC had informational comments for the applicant.

POSSIBLE MOTIONS AND FINDINGS

The City Council may approve or deny the proposed annexation. Any motion should include findings. Possible findings include:

1. The proposed application does/does not conform to the goals and policies of the General Plan.
2. Other findings as determined at the public hearing.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission reviewed the proposed annexation on October 8, 2026. The minutes and motion from this meeting are as follows:

Logan Annexation
DRC Redline Comments

Danny Logan- requests review of the Logan Annexation located at approximately 1300 S 1700 W with R-1-22 zoning on 0.5 acres and TH-5 on the remaining 2.18 acres.

DRC Members Present: Glade Kirkham, Garion Rowett, Ryan Allred, Shelbey Brewer, Kim Struthers, Gary Smith, Gary Ellis, James Farnsworth, Matt Seal
Representatives of the Applicant Present: Tony Trane
Assigned Planner: Jacob Curtis
Date of Plans Reviewed: 8/25/26
Time Start: 1:14 pm
Time End: 1:25 pm

DRC REPORT:

1. **Critical Issues: None**

2. **Location of existing and proposed City facilities- utilities are in 1700 W**

3. **Zoning required or recommended- R-1-22 and TH-5**

4. **Distances to schools/parks/shopping- Mellor-Rhodes park across the street**
   Dry Creek Elementary- 0.4 miles
   Willowcreek Junior High- 1.65 miles
   Lehi High School- 3 miles

5. **Transportation- 1700 W is a minor collector with protected bike lanes. Dry Creek trail on the south end of the property. Future trail would have 20' ROW.**

DRC GENERAL COMMENTS:

1. Power- There will need to be an RMP ATA for this. The north lot is on RMP
2. Water dedication has already been provided for the 0.5-acre portion zoned R-1-22. Additional water dedication will be required at the time the TH-5-zoned area is rezoned.
3. A Mylar copy of the annexation plat is required prior to scheduling the annexation for final City Council approval.
4. An annexation agreement will be required as part of the annexation process. The applicant is responsible to request a copy of the draft agreement prior to the final City Council meeting.
5. Dry Creek will need to be dedicated to the City at the time of development.

THIS ITEM IS SCHEDULED FOR CITY COUNCIL ON SEPTEMBER 22, 2026. PLANNING COMMISSION ON OCTOBER 8TH.

NEED ENVELOPES

(PLANNING STAFF - REMEMBER TO SEND AN ELECTRONIC COPY OF THE ANNEXATION PLAT TO THE COUNTY SURVEYOR'S OFFICE FOR THEIR "PRE CHECK" AND REMEMBER TO CHECK NAME ON ANNEXATION PLAT THAT IT STAYS THE SAME THROUGHOUT THE PROCESS AND ON ALL LEGAL DOCUMENTS)

Note: This list of corrections and deficiencies should not be considered as an all-inclusive or final list. The items listed need to be corrected and resolved and a new set of information submitted for review by the DRC. Further corrections and deficiencies may still be noted as the DRC further reviews the resubmitted information.

RESOLUTION NO: 2026-64

A RESOLUTION OF THE LEHI CITY COUNCIL APPROVING AN ANNEXATION AGREEMENT WITH THE OWNERS OF THE PROPERTY THAT IS THE SUBJECT OF THE LOGAN ANNEXATION

WHEREAS, the owners desire to annex certain property located at approximately 1300 South 1700 West to the City of Lehi which property is further described in Exhibit "A" of the Annexation Agreement and incorporated by reference herein; and

WHEREAS, owners have specifically requested that said property be annexed to the City, and the City Council having considered the matter is willing to annex the said property only upon certain conditions to be met and fulfilled by the owners, their heirs, executors, assigns and successors in interest; and

WHEREAS, it is expressly agreed and understood by and between the parties that but for the said performance by the owners, the City of Lehi would not, under any circumstance, annex the said property within its corporate boundaries; and

WHEREAS, the conditions, performances and obligations of the owners set forth herein are expressly understood to be independent and in addition to compliance with all of the laws, ordinances, requirements and regulations of the city of Lehi; and

WHEREAS, it is further agreed that this Agreement in no way and under no circumstances infers sketch plan, preliminary plan or final plan approval of any subdivision or development, nor does it assure or represent that the owners and/or developers have complies with all of the requirements set forth by ordinance and statute as pertains to the proposed improvement of development; and

WHEREAS, after considering the facts and comments presented to the City Council, the Council finds: (i) that it should approve an Annexation Agreement with the owners of the property that is the subject of the Logan Annexation; and (ii) such action furthers the health, safety and welfare of the citizens of Lehi.

NOW, THERFORE, be it resolved by the City Council of Lehi City, Utah, as follows:

1. The Logan Annexation Agreement attached hereto as Exhibit "A" is herby approved and the Mayor is authorized to execute the Agreement and take all other such actions as is necessary to make it effective.

2. This resolution shall take effect immediately.

PASTURE WALK ANNEXATION
ANNEXATION AGREEMENT

THIS AGREEMENT made and entered into this____ day of_____, 20___, by and between **LEHI CITY CORPORATION,** a municipal corporation of the State of Utah and **THE UNDERSIGNED PROPERTY OWNERS,** hereinafter referred to as Owners.

WHEREAS, the Owners desire to annex certain property to the City of Lehi which property is described on Attachment A and incorporated by reference herein; and

WHEREAS, Owners have specifically requested that said property be annexed to the City, and the City Council having considered the matter is willing to annex the said property only upon certain conditions to be met and fulfilled by the Owners, their heirs, executors, assigns and successors in interest.

WHEREAS, it is expressly agreed and understood by and between the parties that but for the said performance by the Owners, the City of Lehi would not, under any circumstance, annex the said property within its corporate boundaries.

WHEREAS, the conditions, performances and obligations of the Owners set forth herein are expressly understood to be independent and in addition to compliance with all of the laws, ordinances, requirements and regulations of the city of Lehi; and

WHEREAS, it is further agreed that this Agreement in no way and under no circumstances infers sketch plan, preliminary plan or final plan approval of any subdivision or development, nor does it assure or represent that the Owners and/or developers have complied with all of the requirements set forth by ordinance and statute as pertains to the proposed improvement of development;

NOW THEREFORE, for and in consideration of the City of Lehi's Agreement to annex said property into the corporate limits of the City of Lehi, the Owners agree to the following:

1. This agreement shall be and is hereby expressly made binding upon all of the heirs, executors, assigns and any and all other successors in interest of the parties hereto.
2. Any improvements stated herein as required to be performed by the Owners prior to annexation shall be and are expressly understood and set forth herein as conditions precedent to annexation; and any requirement which is to be performed after annexation shall be subject to specific performance by the Owner and/or developer, and shall be considered to be a condition subsequent to the annexation and is a requirement to the continued status of the property as having a right to the services, governmental and utility of the City of Lehi.
3. It is agreed that the Owners and/or developers shall pay unto the City of Lehi at such times and places as

required by the ordinance, rules and regulations existing at the time of this Agreement, or as subsequently changed by ordinance, rules of regulations, such sums as are required by the said ordinances, rules and regulations pertaining to development of subdivisions, connections fees, impact fees, and any and all other such fees as are so made and provided.

4. The property will be zoned **R-1-22 and TH-5** as shown on the annexation plat map**.**

5. There will be a water right dedication required as a condition of recording the annexation plat because of the R-1-22 zoning designation. The amount of water to be dedicated has been calculated according to Section 27.070 of the Lehi City Development Code, and determined to be .79 acre feet per acre of culinary water and 2.90 acre feet per acre of irrigation water. The annexation plat shall be recorded prior to any application for development being considered other than a concept plan application. When water transfers do occur, they must comply with Exhibit B (attached).

6. As per Utah State Code requirements, Owners agree to work with Lehi City Power to purchase and remove any existing Rocky Mountain Power services to individual customers within the annexation area and connect them to Lehi City Power as a condition of recording the annexation plat and prior to any application for development being considered. This will be at the Owner's expense, and they are required to work with the Lehi City Power Department to provide Lehi City power to the existing customers. If purchase is needed, Lehi City Power will send a request for facility transfer to Rocky Mountain Power, and all costs for the transfer will be passed on to the owner/developer.

7. At the time of development of the property, the Owners and/or Developer will be responsible to purchase, move or remove any existing Rocky Mountain Power main lines and/or facilities affected by the development.

8. As property is developed, roadway dedication may be required to accommodate local roads as identified on the Lehi City Master Transportation Plan.

9. As the property in the annexation is sold or developed, Owners agree to provide notification to all purchasers of the provisions of the Right to Farm chapter of the Lehi City Development Code as it relates to agricultural uses in the area such that all subsequent property owners will be aware of the nature of the farming operations on surrounding properties and the intent to continue present agricultural operations. All individual buyers will be notified of the existing agricultural uses in the surrounding area with the following statements which will be included on the recorded subdivision plats:

> "This area is subject to the normal, everyday sounds, odors, sites, equipment, facilities and any other aspect associated with an agricultural lifestyle. Future residents should also recognize the risks inherent with livestock."

10. The extension of all city utility lines and services will be the responsibility of the Developer.

IN WITNESS WHEREOF, the said parties to this agreement have hereunto signed their names and day and year as written.

EXHIBIT "B"

LEHI CITY
WATER RIGHT TRANSFER PROCEDURES

The procedures in this exhibit pertain to all transfers of water rights to Lehi City such as transfers related to annexations, zone changes, etc.

1. General Requirements. The water right dedication for an annexation is based on the zoning designation assigned at the time of annexation. Should the zone be changed subsequent to annexation, an adjustment will be made in order to conform to the water dedication schedule for the new zone. Acre-feet will be rounded up if the shares/water rights do not exactly match the required amount. Lehi Irrigation Company shares shall be used as the standard in determining the number of shares of water stock to be dedicated. Owner warrants good and marketable title to the Stock/Water Rights and warrants that Stock/Water Rights will be transferred free of all liens, encumbrances and security interests. Owner shall pay all debts, taxes, charges and assessments against said Stock/Water Rights existing as of the date that the Owner transfers Stock/Water Rights to Lehi City.

2. Irrigation Company Shares. If the irrigation shares can be used directly in the Lehi pressurized irrigation system, the shares shall be transferred into the name of Lehi City through the Irrigation company and the certificates delivered to Lehi City. If the irrigation company shares cannot be used directly in the Lehi pressurized irrigation system, the change application procedure in item #4 must be followed. When the change application is final, Owner must transfer the shares into the name of Lehi City through the Irrigation company and deliver the certificates to Lehi City.

3. Fee in Lieu of Future Assessments. Shares of stock in mutual irrigation companies are subject to payment of an annual fee to cover assessments levied by the irrigation company board of directors pursuant to Utah Code Annotated 16-4-4 et seq. If the city incurs pumping costs in order to use the irrigation water in the city system, then there shall be an additional assessment. In consideration for the City's additional obligation created herein for all future assessments levied by the irrigation company, Owner agrees to make a one-time payment to Lehi City equal to the most recent assessment levied against the shares being

transferred to the City multiplied by 15.

4. <u>Non-irrigation Company Shares.</u> The Owner must prepare, submit, pay appropriate fees and receive approval from State Engineer's Office for a Joint Change of Water for said water right to be used from an existing City source for municipal use as approved by the Lehi City Engineer. (This will allow quantification and verification of the right by the State Engineer's Office.) The decision on the change application shall be considered final when the time for filing a request for reconsideration with the Utah State Engineer's office (20 days after issuance of the Utah State Engineer's decision) and the time for filing a judicial review action in the district court (30 days after the later of the issuance of the Utah State Engineer's decision or a denial of a request for reconsideration) has run and no judicial review action has been filed. When the change application is final, Owner must:

a. Prepare warranty deed to transfer title to Lehi City

b. Record deed at the Utah County Recorder's Office

c. Transfer title to Lehi City at the State Engineer's Office

d. Deliver recorded deed to Lehi City

ORDINANCE NO: 50-2026

AN ORDINANCE APPROVING THE LOGAN ANNEXATION

WHEREAS, the Lehi City Council has adopted a resolution of intent to annex real property known as the Logan Annexation, located at approximately 1300 South 1700 West and further identified by Exhibit "A" pursuant to the provisions of Section 10-2-418 of the Utah Code: and

WHEREAS, the Lehi City Council conducted a public hearing on the 27th day of October 2026, after having published notice as also required by Section 10-2-418 of the Utah Code; and

WHEREAS, the Lehi City Council noted that there were no protests filed to defeat the annexation as required by Section 10-2-418 of the Utah Code.

NOW, THEREFORE, IT IS ORDAINED by the City Council of Lehi City, Utah, as follows:

Section 1. The Lehi City Council finds that the proposed Logan Annexation as more fully described on the transparent reproducible Annexation Plat and the attached Exhibit "A", in the judgment of Lehi City, meets the standards set forth in Section 10-2-418 of the Utah Code.

Section 2. The area as specifically described in the Annexation Plat is hereby annexed to Lehi City.

Section 3. Pursuant to Utah Code Ann. §10-9-406, the City Council hereby assigns the R-1-22 and TH-5 zoning designations to the territory depicted on the Annexation Plat which is being annexed to Lehi City by this ordinance, and further directs that the Official Zoning District Map of Lehi City be amended to show the area as part of Lehi City with the new zoning district designation.

Section 4. The Mayor is hereby authorized to sign this ordinance. Once all conditions precedent to the Annexation have been complied with, the City Recorder is directed to file the transparent reproducible Annexation Plat, together with a certified copy of this ordinance in the office of the Utah County Recorder

Section 5. This ordinance shall become effective on the date that it is filed in the office of the Utah County Recorder.

Approved and adopted by the Lehi City Council this 27th day of October 2026.

APPLICABLE GENERAL PLAN GOALS AND POLICIES

LOW DENSITY RESIDENTIAL (LDR) The Low Density Residential (LDR) classification provides for predominantly single-family residential areas and single-family dwelling units with an overall neighborhood density not to exceed 4 units per acre.

APPLICABLE DEVELOPMENT CODE REGULATIONS

Section 04.060 Criteria for Approval, of the Lehi City Development Code, the Planning Commission should consider the following factors, among others, when reviewing a zone amendment:

1. The effect of the proposed amendment on the character of the surrounding area;
2. Consistency with the goals and policies of the General Plan;
3. Consistency and compatibility of the proposed zone with the General Plan land uses of nearby and adjoining properties;
4. The suitability of the properties for the uses requested and their suitability for the existing uses identified by the General Plan;
5. Whether a change in the uses allowed for the affected properties will unduly affect the uses, or proposed uses for nearby and adjoining properties;
6. The gain to the public health, safety, and welfare from the existing classification to the proposed amendment; and
7. The overall community benefit of the proposed amendment.

Section 05.010. Zoning by Districts. D. The Low Density Residential Districts (R-1 12, R-1-10, R-1-8, and R-1-Flex) provide for single family dwelling units on individual lots.

PROPERTY HISTORY

September 23, 1998 This property was part of the Alpine School District Annexation.

REPORT ANALYSIS

The applicant is seeking approval of a proposed zone change from A-5 to R-1-8 located at approximately 1840 North 2300 West. This zone change is to facilitate the construction of a future subdivision of single-family homes. The proposed zone change would restrict each lot size to a minimum of 8,000 square feet with a maximum dwelling units per acre of four. The proposed R-1-8 zoning designation is consistent with the General Plan Designation of LDR for the property.

There were two redline comments from the DRC, including:

1. As a condition of recording the zone change ordinance and prior to submission of an application for preliminary subdivision, the owner needs to complete the required water dedication for the R-1-8 zone. The amount of culinary water is 1.80 feet per acre and the irrigation water is 1.89 feet per acre.

Please consider all DRC comments in your motion.

POSSIBLE MOTIONS AND FINDINGS

The City Council may move to approve or deny the proposed zone change. Any motion should include findings. Possible findings include:

1. The proposed zone change is/is not consistent with the goals and policies of the General Plan.
2. The proposed change is/is not consistent and compatible with the General Plan land uses of nearby and adjoining properties.
3. The proposed change will/will not unduly affect the uses, or proposed uses for nearby and adjoining properties.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission reviewed the proposed zone change on October 22, 2026. The minutes and motion from this meeting are as follows:

Zoning Map Amendment Application

Application Overview & Property Details

Property Information	Application Data
Applicant Name	Josh Jarvis / JDJ Investments LLC
Subject Property Area	Approx. 1.89 Acres (82,328 sq. ft.)
Current Zoning	A-5 (Agricultural)
Proposed Zoning	R-1-8 (Single-Family Residential)
General Plan Designation	MDR (Medium Density Residential) / HDR (High Density Residential)
Location	2280 W Entrance (vicinity of 1901 N 2300 W), Lehi, UT 84043
Tax I.D. / Parcel #s	12-07-0056, 12-027-0075

1. Narrative Description

(a) Explanation of Request & Proposed Uses

The applicant requests a Zoning Map Amendment for approximately 1.89 acres located at 2280 W Entrance (vicinity of 1901 N 2300 W), Lehi, UT 84043. The project site currently consists of mixed underlying zoning, including legacy A-5 agricultural and low-density provisions. This application proposes to align the zoning map with the Lehi City General Plan by rezoning the subject properties to R-1-8 (Single-Family Residential).

The proposed zone change will facilitate a well-planned, high-quality residential community comprising single-family detached residential units with a minimum lot size of 8,000 square feet. This layout addresses the regional demand for quality single-family housing options while ensuring architectural continuity with adjacent developments.

(b) Compatibility with the Lehi City General Plan

The proposed Zoning Map Amendment directly supports the goals and policies outlined in the Lehi City General Plan:

- **General Plan Alignment:** The future land use map designates this parcel for Medium Density Residential (MDR). Re-designating the existing A-5 zoning to R-1-8 ensures consistency between the underlying land use framework and the actual zoning map.
- **Balanced Growth:** The request fulfills General Plan goals aimed at creating orderly transition zones between commercial corridors and established single-family neighborhoods.
- **Housing Opportunities:** The proposal supports city objectives to provide single-family homes suited for growing families in Lehi.

(c) Compatibility with Surrounding Uses

The subject property is positioned within a rapidly developing residential corridor. Surrounding land uses include:

Direction	Surrounding Land Use & Zoning Context
North	Existing residential developments zoned R-1-8
South	Agricultural / Large-lot residential transitioning into future planned neighborhood hubs
East	Medium-density residential development
West	Arterial transportation corridors and light commercial services

The single-family residential character of the proposed R-1-8 zoning creates a seamless transition that complements surrounding neighborhoods while preserving the low-to-medium density appeal of the surrounding area.

(d) Impact on Public Facilities & Infrastructure

The proposed development site is situated within existing municipal service areas. Preliminary capacity evaluations indicate:

- **Water & Sewer:** Connections will be integrated into the existing Lehi City culinary water, pressurized irrigation, and sanitary sewer networks located along adjacent collector rights-of-way. Main line extensions and loop connections will be completed at the developer's expense.
- **Transportation & Traffic:** Main ingress and egress points are designed to connect directly into 1100 W and secondary collector streets. A traffic study will be finalized during the preliminary site plan phase to verify capacity and necessary right-of-way dedications.

- **Stormwater:** On-site detention and retention facilities will be constructed in compliance with Lehi City Engineering Standards to handle post-development runoff without burdening downstream systems.
- **Public Services:** Emergency response (police and fire), school district capacities, and park services have been reviewed, with adequate service coverage identified for the projected yield of units.

(e) Expected Development Schedule & Phasing

The development is intended to be executed in two (2) contiguous phases over an estimated 24 to 36-month timeline following final entitlement approvals:

- **Phase 1 (Site Work & Off-Site Utilities):** Infrastructure development, utility installation, road construction, and grading (Months 1–12).
- **Phase 2 (Single-Family Residential Construction):** Utility tie-ins, home construction on R-1-8 single-family lots, and final landscaping/amenity completion (Months 12–24).

2. Supporting Documentation

- **Conceptual Site Plan:** Preliminary layout showing proposed building footprints, public/private road access, open space, and buffering features.

3. Legal Description & Boundary Survey

APPLICABLE DEVELOPMENT CODE REGULATIONS

Section 05.040. Table of District Yard, Bulk and Intensity Requirements. *(Amended 3/11/08; 11/15/22)*

B. The following exceptions to the Bulk and Intensity Requirements listed on Tables 05.040 A and B may be allowed on a case-by-case basis at the discretion of the applicable Land Use Authority following review and recommendation from the Reviewing Departments.

1. Exceptions may be allowed to the minimum lot width or frontage for subdivisions that incorporate traffic calming elements in their design.

Exceptions may be allowed to the minimum lot size, maximum dwelling units per acre, lot width or frontage, or other design considerations for subdivisions located along a master planned major roadway or master planned trail or that include a planned park, historic monument or other public facility that warrants special consideration in lieu of payment to the developer for right-of-way, property dedication, or other improvements required by the General Plan, Master Transportation Plan or Design Standards and Public Improvements Specifications Manual.

2. In order to determine the amount of any additional density allowed, the applicant shall provide two concept plan designs: one based on a standard layout that meets all of the bulk and intensity requirements and the other showing the proposed layout with the exceptions. The standard layout shall determine the base number of lots and units.

3. The City Engineer shall review all proposed exceptions to evaluate the density that could be achieved under a standard layout that meets all of the bulk and intensity requirements and any additional density that may be allowed in lieu of right-of-way, improvements, property dedication or other considerations received by the City. The Engineer shall recommend to the applicable Land Use Authority the number of additional lots and units that may be allowed, if any.

Section 11.010. Concept Plan – Applicability:
The Concept Plan gives the applicant, staff, Planning Commission and City Council an opportunity to discuss the project in the conceptual stage. The applicant can use the Concept Plan meeting to receive direction on project layout as well as discuss the procedure for approval, the specifications and requirements that may be required for layout of streets, drainage, water, sewerage, fire protection, and similar matters prior to the preparation of a more detailed preliminary subdivision plat.

PROPERTY HISTORY

May 27, 2025 The City Council approved the Clark Meadows Annexation with R-1-22 zoning.
March 10, 2026 The City Council approved the Clark Meadows Subdivision Concept with 11 lots.

REPORT ANALYSIS

The applicant requests approval of the Clark Meadows updated concept plan. In March, a different iteration of this plan was approved to allow for 11 lots. After further review of the property and costs of the improvements, the developer is requesting review of an updated concept plan for 12 lots. Similar to last time, they are requesting an exception to the minimum lot size of 22,000 square feet for several of the lots. The density bonus in lieu of reimbursement comes from the canal parcel dedication and the continuation of city trail improvements within the property. The applicant notes that the concept plan also provides larger lots along the western boundary to create a transition from the neighboring lots and the proposed development, and that the homes will also be of similar quality, finish, and design to the existing community.

The applicant has submitted two concept plans per the requirements of Chapter 5 in the Development Code. The first concept shows the base layout of the subdivision. It shows 10 lots that meet the zoning requirements and also includes the required improvements. The second layout includes 12 lots and the lots are between 16,556 square feet and 25,106 square feet. Chapter 5 allows subdivisions that are utilizing the density-in-lieu to have flexibility in lot sizes and frontages. In either situation, the overall density of the subdivision does not exceed the 1.75 units per acre that would be allowed in the R-1-22 zoning.

The primary decision the City Council has to make is how the required canal and trail improvements will be funded, whether through an updated density bonus or financial reimbursement from the City.

The DRC made the following comments on the proposal:

1. The base layout provides a better overall lot and street layout, and would be Planning Staff's preference, with reimbursement for the canal and trail improvements.
2. A trail connection will be required here to meet the 600' spacing requirement. This connection could be put in an easement and also be an all-weather access for the storm drain connection.
3. Provide an access ramp into the Dry Creek at this location, access ramp to be built with the Dry Creek channel improvements.

Please consider all DRC comments in your motion.

POSSIBLE MOTIONS AND FINDINGS

The City Council may move to approve or deny the proposed concept plan. Any motion should include findings. Possible findings include:

1. The proposed Concept is/is not consistent with the Lehi City Development Code
2. The proposed Concept does/does not conform to the goals and policies of the General Plan.
3. Other findings as determined by the public hearing.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission reviewed the proposed concept plan on October 22, 2026. The minutes and motion from this meeting are as follows:

Lehi City Planning & Zoning
C/O Jacob Curtis

Lehi, Utah 84043

RE: Request for Concept Review on Approximately 7.2 acres located near 1300 South 1700 West Lehi, Utah, known as Clark Meadows; Utah County Parcel No. 13-029-0146.

Mr. Curtis:

Please see the enclosed Application for Concept Review for 12 lots within JDH Development's ("JDH") 7.2 acres located at approx. 1300 South 1700 West, Lehi ("Property").

JDH is seeking a Concept Plan review and staff recommendation for a 12-lot single-family subdivision. The 12-lot concept is within the maximum 1.75 units/acre as required by City code, but slightly under the 22,000 square foot minimum lot size. We respectfully request design flexibility of lot size in lieu given JDH's installation of both the 1) Canal Parcel Dedication, and 2) Continuation of City trail improvements within the Property.

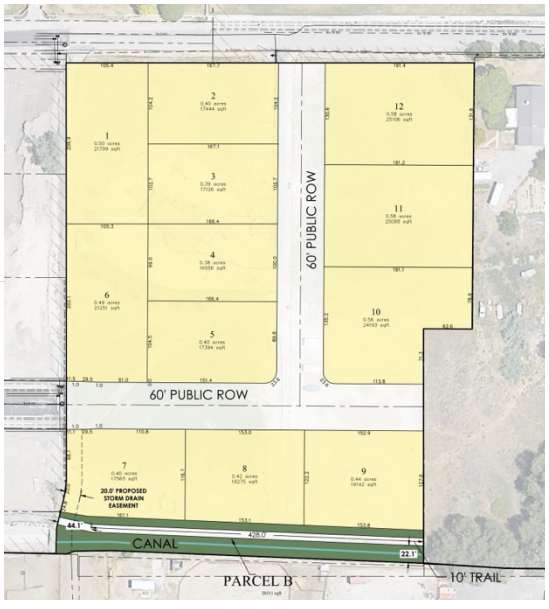

The concept plan also provides larger lots along the western boundary, adjacent to the existing neighborhood, to create a compatible transition between the established homes and our community. Overall, the proposed lots average more than 20,000 square feet, which, together with the requested lot size in lieu flexibility, preserves the low-density character intended by the zoning code. Additionally, the planned homes will be of similar quality, finish, and design as the existing community to the west, ensuring a consistent, complementary product for this growing area of Lehi.

Thank you for your time and consideration. Please feel free to contact me directly with any questions or if additional information would be helpful. Otherwise, I look forward to discussing through the City's DRC process.

ORDINANCE NO: 53-2026

AN ORDINANCE AMENDING THE LEHI CITY DEVELOPMENT CODE CHAPTER 39

WHEREAS, it has become necessary to amend Chapter 39 of the Lehi City Development Code; and

WHEREAS, this amendment seeks to consolidate all definitions into one chapter for consistency and ease of use; and

WHEREAS, following a public hearing on October 22, 2026, the Lehi City Planning Commission reviewed the proposed revisions and forwarded a positive recommendation to the City Council; and

WHEREAS, on November 10, 2026, the City Council held a duly noticed meeting to receive public comment and ascertain the facts regarding this matter, which facts and comments are found in the hearing record and which include the staff report, minutes from the Planning Commission meeting of October 22, 2026, and the positive recommendation of the Planning Commission; and,

WHEREAS, after considering the facts and comments presented to the Municipal Council, the Council finds: Chapter 39 of the Lehi City Development Code should be amended; and such action furthers the health, safety, and welfare of the citizens of Lehi.

NOW, THEREFORE, BE IT ORDAINED by the City Council of Lehi City, Utah as follows:

PART I:

Chapter 39 of the Lehi City Development Code is hereby amended.

PART II:

A. If a provision of this Ordinance 53 -2026 conflicts with a provision of a previously adopted ordinance concerning the same title, chapter, and/or section number amended herein, the provision in this Ordinance shall prevail.

B. This ordinance and its various sections, clauses and paragraphs are hereby declared to be severable. If any part, sentence, clause or phrase is adjudged to be unconstitutional or invalid, the remainder shall not be affected thereby.

C. The City Council hereby directs that the official copy of the Lehi City Code be

updated to reflect the provisions enacted by this Ordinance.

D. This Ordinance shall take effect immediately after being posted or published as required by law.

Approved and Adopted by the City Council of Lehi City this 10th day of November 2026.

Meeting Date	November 10, 2026
Requested Action/Purpose	Approval of a proposed amendment to the Lehi City Development Code
Date of DRC Review	August 19, 2026
Date of Planning Commission Review	October 22, 2026

REQUIRED ACTION

Planning Commission	Review and recommendation
City Council	Final approval

APPLICABLE DEVELOPMENT CODE REGULATIONS

Section 04.060. Criteria for Approval.
No amendment to this Code, or the Zoning District Map(s), may be recommended for approval by the Commission nor approved by the City Council unless such amendment or conditions thereto are consistent with the General Plan. In considering a Code amendment, or Zoning District Map(s) amendment, the applicant shall identify, and the City Staff, DRC, Commission, and the City Council may consider the following factors, among others:

1. The effect of the proposed amendment on the character of the surrounding area;
2. Consistency with the goals and policies of the General Plan.
3. Consistency and Compatibility of the proposed zone with the General Plan land uses of nearby and adjoining properties.
4. The suitability of the properties for the uses requested and their suitability for the existing uses identified by the General Plan;
5. Whether a change in the uses allowed for the affected properties will unduly affect the uses, or proposed uses for nearby and adjoining properties;
6. The gain to the public health, safety and welfare from the existing classification to the proposed amendment; and
7. The overall community benefit of the proposed amendment.

REPORT ANALYSIS

The Planning Division is proposing an amendment to Chapter 39 of the Development Code to consolidate all definitions into one chapter for consistency and ease of use. The proposed amendment in the packet only shows the updates to Chapter 39. However, for reference, sections with existing definitions have been extracted from Chapters 7, 12, 35, 36, and 36B.

Currently, definitions are located throughout the Development Code, as well as in Chapter 39. This can make it difficult for residents, applicants, and staff to locate definitions and results in unnecessary clutter within individual chapters.

As part of this update, staff is proposing revisions to certain definitions, as indicated by redlines, and the removal of others. Definitions proposed for removal are either no longer referenced in the Code or are unnecessary due to redundancy or simplicity.

Where definitions contained regulatory requirements, staff have, where possible, proposed relocating those requirements to an upcoming amendment to Chapter 12, Development Standards. The removal of these requirements from the definitions will not affect the current review process, as the uses impacted by these changes will remain conditional uses subject to additional review.

This amendment will help make the Code more user friendly for citizens, applicants, and staff.

The DRC had a few comments at the August 19th meeting, but the comments were resolved and the text updated prior to Planning Commission and City Council.

POSSIBLE MOTIONS AND FINDINGS

The City Council may approve or deny the proposed development code amendment. Any motion should include findings. Possible findings include:

1. The proposed Development Code amendment is/is not in conformance with the purposes, intent, and provisions of the General Plan and its various elements.
2. Additional findings based upon information presented during the public hearing.

PLANNING COMMISSION RECOMMENDATION

The Planning Commission reviewed the proposed amendment on October 22, 2026. The minutes and motion from this meeting are as follows:

Narrative – Chapter 39 Development Code Amendment

The Planning Division is proposing a Development Code Amendment to Chapter 39 of the Development Code. Specifically, we are proposing to condense all definitions in the code into the Chapter 39 definitions chapter for clarity.

Currently, definitions are scattered throughout the entire Development Code and also contained within Chapter 39. This made it unclear where to find a definition for people using the Development Code. It also made other chapters cluttered with definitions unnecessarily. To simply the code, we added all definitions from other chapters to Chapter 39. This update impacts the following Chapters with their sections for definitions: 7, 12, 18, 23, 35, 36, and 36B. As part of this update, we also amended some definitions, which are notated with redlines, and are proposing to remove some definitions entirely. These definitions are either ones that are no longer in the code or ones that are not needed. This amendment will help simplify the code and make it more user friendly for citizens and applicants.

Please contact the Planning Division if you have any questions.

Thank you,

Katie Bussell, AICP
