City Manager Benjamin Moody reported that Luis Cibrian, Parks and Recreation Director, is coordinating with regional partners on the Heart of America Festival celebrating America’s 250<sup>th</sup> birthday. Mr. Moody also provided an update on fireworks stands and the upcoming 4<sup>th</sup> of July holiday. He reported that the City will utilize social media announcements, city signage, and text message notifications to encourage compliance with local fireworks regulations and help reduce the use of illegal fireworks. Mr. Moody further noted that there are currently no agenda items planned for the July 1<sup>st</sup> meeting. As a result, that meeting may be canceled. Regarding recent social media comments about Flock cameras, Mr. Moody explained that the devices are mounted on black poles with small cameras and function as automated license plate readers. The cameras are strategically positioned and located throughout Sutter County, outside the city limits. They were acquired through a grant and are used by law enforcement to assist with criminal investigations by identifying and locating vehicles associated with reported crimes.

City Manager Benjamin Moody reported that the building permit for Velly’s Pizza is ready to be issued. He also provided an update on the proposed McDonald’s project, noting that staff met with representatives earlier that day and continues to work through comments from Caltrans. The project is expected to be brought before the Planning Commission for consideration of a use permit in the near future. Moody informed the Council that the City’s Hazard Mitigation Plan must be recertified every five years to maintain eligibility for federal emergency funding following a disaster. Staff has been updating the plan and recently posted information on the City’s social media platforms to encourage public awareness and community input. The updated plan is expected to be presented to the City Council within the next couple of months to ensure the City remains in compliance and eligible for federal funds should an emergency occur. Mr. Moody reminded the Council that City offices would be closed on July 3<sup>rd</sup> in observance of the July 4<sup>th</sup> holiday. He also announced that the Heart of America Festival celebrating America’s 250<sup>th</sup> birthday, a regionally coordinated two-day event, will begin on Friday, July 3<sup>rd</sup>. Regarding 4<sup>th</sup> of July preparations, Mr. Moody reported that City crews have been mowing weeds in dry areas

to reduce fire hazards and noted that staff have been using social media to promote safe and sane holiday practices. He also provided additional details regarding the ongoing coordination with Caltrans to address mitigation requirements associated with the proposed McDonald's project.

#### **COUNCILMEMBER COMMENTS**

Councilmember Santana announced that the Butte County District Attorney's Office will be hosting a public barbecue the following day in celebration of America's 250<sup>th</sup> anniversary. She also commented on the appearance of the Leo Chesney Facility, stating that the landscaping has been cleaned up and that the property looks better than it has in many years.

Councilmember Woten reported on his attendance at the SASA meeting, where the agency adopted its annual budget. He noted that one of the primary issues SASA has been addressing is the number of cockfighting rings.

Mayor Chapdelaine reported on his attendance at the SASA meeting. He stated that concerns regarding animal services within the City were discussed and that SASA representatives indicated they had not received many complaints about service issues. They encouraged residents and City officials to contact the agency if there are instances where follow-through is not occurring after reports are made. He also reported attending a Sacramento Area Council of Governments Board meeting during which Transportation Development Act (TDA) funding was approved. He announced that the City will receive approximately \$546,000 in TDA funds. He concluded by noting that he will be attending a Sutter Butte Flood Control Agency meeting the following week.

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Clarissa Menchaca, City Clerk

---

**Subject:** Election Services Agreement for Consolidation with the State Wide General Election

**Summary:** Recommendation: 1) Adopt the resolution approving the Agreement for Election Services between the County of Sutter and the City of Live Oak; and 2) Authorize the Mayor to execute the agreement on behalf of the City requesting consolidation with the Statewide General Election.

Fiscal Impacts: Fiscal Year 2026-27 budget item estimated at \$27,000.

---

**Purpose:**

To approve an agreement with the County of Sutter for election services and execute an agreement to consolidate the City's election with the Statewide General Election.

**Background:**

The City of Live Oak has traditionally contracted with the Sutter County Elections Office to conduct its municipal elections. The County has the expertise, personnel, and infrastructure necessary to administer elections in accordance with state law.

By consolidating the City's election with the Statewide General Election, the City is able to take advantage of the County's established election processes while providing voters with a convenient and efficient voting experience.

**Analysis:**

Contracting with the Sutter County Elections Office for election services continues to be the most cost-effective approach for the City. Due to economies of scale, the County can provide election administration services more efficiently than the City could perform in-house. Entering into this agreement ensures compliance with applicable election laws while minimizing administrative burdens and costs to the City.

Approval of the resolution and the agreement will authorize the County to administer the City's election as part of the Statewide General Election and will allow the Mayor to execute the necessary documents on behalf of the City.

Agenda Item 3.

**Fiscal Impact:**

Fiscal Year 2026-27 budget item estimated at \$27,000.

**Recommendation:**

1) Adopt the resolution approving the Agreement for Election Services between the County of Sutter and the City of Live Oak; and 2) Authorize the Mayor to execute the agreement on behalf of the City requesting consolidation with the Statewide General Election.

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Jessica Mata, Management Analyst

---

**Summary**

**Subject:** FY26/27 Personnel Changes

**Recommendation:**

1. Approve the reclassification of the existing Chief Plant Operator to Utilities Superintendent.
2. Adopt a resolution which includes:
  - a) Adjustments to the Non-Represented and Part-Time Employee Salary Schedules to align with state minimum wage and FY26/27 budget changes.
  - b) Amendment to Resolution No.17-2025 to include the addition of the Chief Plant Operator, and recognize the Finance Director and Community and Economic Development Director classifications
  - c) Delete the Part-Time Maintenance Worker classification.

**Fiscal Impact:** The reclassification of the Chief Plant Operator to Utilities Superintendent will result in an approximate 5% cost increase for that position. Funding has been programmed in the FY26/27 budget for costs.

---

**Purpose:**

To implement FY26/27 personnel changes that include establishing a Utilities Superintendent position, revising the Part-Time Employee Salary Schedule effective the beginning of the next full pay period following January 1, 2027, to account for minimum wage adjustments, and delete an outdated classification.

**Background:**

The City Manager/Public Works Director in coordination with an independent analysis has reviewed the functions of the existing Chief Plant Operator to determine whether the positions duties, responsibilities, and required qualifications accurately reflect the operational and management functions that are currently being performed. Based on review and third-party analysis it has been determined that the position aligns with the Utilities Superintendent classification.

The current classification of Chief Plant Operator is included in the City's Non-Represented Employee Salary and Benefits Resolution No. 17-2025; an amendment would need to be made to include the Utilities Superintendent classification. The amendment also proposes to include the

newly created Finance Director and Community and Economic Development Director classifications to align with other non-represented employees.

The City's Part-Time Employee Salary Schedule has not been updated since June 1, 2022, when the minimum wage in California was \$15.50 per hour. Since then, minimum wage amounts have continued to increase, where certain City salary ranges are no longer compliant and/or competitive. Updating these ranges will align with state law and improve the City's ability to recruit and retain qualified part-time and seasonal employees.

**Analysis:**

The following job classifications will be affected:

**Reclassification - Effective July 19, 2026**

- Chief Plant Operator to Utilities Superintendent

**Part-Time Salaries – Effective January 1, 2027 \*(Following Next Full Pay Period)**

- Recreation Leader I
- Recreation Leader II
- Lifeguard
- Head Lifeguard
- Aquatics Supervisor

**Delete Part-Time Employee Effective July 19, 2026**

- Maintenance Worker

**Fiscal Impact:**

The creation of the Utilities Superintendent and reclassifying of the existing Chief Plant Operator to Utilities Superintendent will result in a 5% increase for the position. Costs have been accounted for in the FY26/27 budget.

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Ethan Gutierrez, Finance Director

---

**Summary**

**Subject:** FY2025-26 Water and Sewer Property Liens

**Recommendation:** Conduct a Public Hearing to receive comments and after consideration;

- A. Adopt a Resolution to assess properties identified in Exhibit B for unpaid Water and Sewer services; and
1. Confirm that the assessment shall constitute a special assessment against any lien upon each identified property
  2. Direct City Manager or designee to submit a certified copy of the resolution and any other related documentation to the Sutter County Auditor-Controller to fulfill the request for collection

**Fiscal Impact:** Collection of unpaid Water and Sewer bills - \$702.37

---

**Purpose:**

To collect unpaid Water and Sewer services by confirming special assessments against affected properties after providing notice and a public hearing.

**Background:**

The City of Live Oak provides water and sewer service to properties throughout the community and bills customers for the cost of providing those services. Pursuant to Chapter 13.04 of the Live Oak Municipal Code, charges for water and sewer service constitute a debt owed to the City. When water and sewer service charges remain delinquent, the City may recover the unpaid amounts by placing a lien or special assessment against the property in accordance with §§ 13.04.550 of the Live Oak Municipal Code.

**Analysis:**

City staff identified accounts with delinquent water and sewer service charges and provided notice to the affected property owners with the City's intent to recover the unpaid amounts through the property tax roll. The notice also informed property owners of the date, time, and location of the public hearing, providing an opportunity to dispute or object to the proposed assessments.

## CITY OF LIVE OAK STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Ethan Gutierrez, Finance

---

**Subject:** FY2025-26 Refuse Disposal Property Liens

**Summary:** Conduct a Public Hearing to receive comments and after consideration: A) Adopt a resolution to assess properties identified in Exhibit B for refuse disposal; and 1) Confirm that the assessment shall constitute a special assessment against any lien upon each identified property; and 2) Direct City Manager or designee to submit a certified copy of the resolution and any other related documentation to the Sutter County Auditor-Controller to fulfill the request for collection.

Fiscal Impact: The City receives administrative fees variable to the volume of parcels assessed.

---

**Purpose:**

To recover unpaid mandatory refuse collection charges on behalf of Recology by confirming special assessments against affected properties after providing notice and a public hearing.

**Background:**

On June 19, 1996, the City Council adopted Ordinance No. 432, codified as Chapter 8.05 of the Live Oak Municipal Code, establishing mandatory refuse collection services within the City. The ordinance requires all developed properties to maintain refuse collection service, makes property owners ultimately responsible for payment of those services, and authorizes the City to recover delinquent refuse collection charges through the placement of a special assessment against the benefited property following notice and a public hearing.

**Analysis:**

In accordance with the Municipal Code, Recology Yuba-Sutter identified accounts with delinquent refuse collection balances and mailed notices to the property owners, and tenants when applicable, advising them of the outstanding balance and the City's intent to recover the delinquent charges through the property tax roll if payment was not received. The notice also informed affected property owners of the date, time, and location of the public hearing, providing an opportunity to present testimony or contest the proposed assessment.

Following the public hearing, the City Council may confirm, modify, or remove any proposed

Agenda Item 6.

assessments based on the information presented. Upon adoption of the attached resolution, the confirmed delinquent refuse collection charges will be placed as special assessments against the respective properties and submitted to the Sutter County Auditor-Controller for collection on the secured property tax roll. This process provides a mechanism to recover unpaid refuse collection charges while allowing affected property owners an opportunity to address the proposed assessment before it is finalized.

**Fiscal Impact:**

The City receives administrative fees variable to volume of parcels assessed.

**Recommendation:**

Conduct a Public Hearing to receive comments and after consideration: A) Adopt a resolution to assess properties identified in Exhibit B for refuse disposal; and 1) Confirm that the assessment shall constitute a special assessment against any lien upon each identified property; and 2) Direct City Manager or designee to submit a certified copy of the resolution and any other related documentation to the Sutter County Auditor-Controller to fulfill the request of collection.

tax bill levied against each parcel and the amount of each such assessment to be collected at the same time and in the same manner as ordinary City taxes are collected and that said assessment shall be subject to the same penalties and interest and to the same procedure for foreclosure and sale in the case of delinquency as are provided for ordinary City taxes.

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Ethan Gutierrez, Finance

---

**Subject:** FY2026-27 Special Tax Assessment for Community Facilities District No. 92-1

**Summary:** Recommendation: Adopt a resolution approving a special tax collection for FY2026-27 for the City of Live Oak's Community Facilities District No. 92-1.

Fiscal Impact: Approximately \$105,653 of which \$70,439 provides facility funding to Live Oak Unified School District and \$35,214 to the City to directly offset related General Fund expenditures.

---

**Purpose:**

To establish the Fiscal Year 2026-27 Community Facilities District (CFD) No. 92-1 special tax assessments and authorize their placement on the Sutter County secured property tax roll for collection.

**Background:**

CFD No. 92-1 was formed on March 13, 1992 to finance the costs and expenses of providing municipal services for the City of Live Oak. The services that are provided include: fire, law enforcement, recreation sites and structures, streets, and other governmental facilities. In addition to the services listed above, CFD No. 92-1 was also formed to finance the costs of purchasing and constructing elementary and secondary school sites and structures.

The levy for the CFD No. 92-1 is broken down into two components. For parcels with a building permit issued through June 1996, the annual levy amount consists of a portion allocated to the Live Oak Unified School District to pay for School District's facilities maintenance, and a portion allocated to City facilities. For parcels that had a building permit issued after June 1996 through June 2006 with each permit having a 30-year term from the time of issuance, their annual levy amount consists of the Developer Fee Conversion Tax (multiplied by the parcel's square footage) plus a base amount that was determined on the date the building permit was issued. The School District's portion is 66.67% of the combined total amount levied, and the City's portion is 33.33% of the combined total amount.

For the past 32 years, with the exception of FY2021-22, the City has applied these approved

Agenda Item 7.

tax levies for collection on the secured property tax roll.

**Analysis:**

The proposed resolution establishes the annual special tax rates for Fiscal Year 2026-27 in accordance with the formation of CFD No. 92-1 and authorizes the Sutter County Auditor-Controller to include the special taxes on the secured property tax roll for collection.

Based on records provided, the last levy will be on building permits pulled in FY2005-06 and will expire after the 30-year term.

**Fiscal Impact:**

Approval of the proposed resolution will authorize the collection of approximately \$105,653 of which \$70,439 provides facility funding to Live Oak Unified School District and \$35,214 to the City to directly offset related General Fund expenditures.

**Recommendation:**

Adopt a resolution approving a special tax collection for FY2026-27 for the City of Live Oak's Community Facilities District No. 92-1.

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Ethan Gutierrez, Finance Director

---

**Summary**

**Subject:** FY2026-27 Special Tax Assessment for Community Facilities District No. 2004-1

**Recommendation:** Adopt a Resolution approving a special tax collection for FY2026-27 for the City of Live Oak's Community Facilities District No. 2004-1

**Fiscal Impact:** Approximately \$821,631 – Assessment assists with directly offsetting related General Fund expenditures.

---

**Purpose:**

To establish the Fiscal Year 2026-27 Community Facilities District (CFD) No. 2004-1 special tax assessments and authorize their placement on the Sutter County secured property tax roll for collection.

**Background:**

CFD No. 2004-1 was formed on February 18, 2004 to fund the costs and expenses of providing municipal services. The services provided include fire, law enforcement, animal control, parks and recreation, pool, storm drainage facilities as well as streetlight maintenance, installation, repair, removal and replacement, and electrical energy and services related thereto. Except for FY2021-22, the City has applied these approved tax levies for collection on the secured property tax roll and are ongoing contingent on Council approval each fiscal year.

There are currently 849 parcels that are subject to the levy based on the boundaries set by the formation of CFD 2004-1 which includes Pennington Ranch phases I-V, Peachtree III, Garden Glen, Sand Piper, Walnut View subdivisions, as well as Kristen Court Apartments.

Since CFD No. 2004-1 was formed and established, the overall tax rate has increased by approximately 13% over the past 22 years. By comparison, according to the U.S. Bureau of Labor Statistics, the Consumer Price Index (CPI) for the San Francisco-Oakland-Hayward region has increased approximately 65% since 2004.

**Analysis:**

Staff are recommending a 3.8% increase to the FY2026-27 special tax rates, which corresponds to the annual CPI inflation adjustment. The proposed increase will help offset rising inflationary costs associated with providing the municipal services funded by the CFD, including fire

protection, law enforcement, animal control, parks and recreation, pool operations, storm drainage, and street lighting services.

Type	Description	Maximum Tax	FY 2025-26 Approved Tax	FY 2026-27 Approved Tax <sup>(1)</sup>	Annual Increase for FY 2026-27
Single Family Detached Property	Per Unit	\$2,413.34	\$932.29	\$967.71	\$35.42
Single Family Attached Property	Duplex-Per Unit	965.33	372.92	387.09	14.17
Single Family Attached Property	Triplex-Per Unit	731.31	282.52	293.25	10.73
Single Family Attached Property	Fourplex-Per Unit	482.66	186.45	193.53	7.08
Single Family Attached Property	Five or more units per structure-Per Unit	292.52	113	117.29	4.29
Multi-Family Property	Per Multi-Family Unit (Apartment)	73.13	28.24	29.31	1.07
Commercial Property	Per Acre	526.54	203.41	211.13	7.72

(1) The FY 2026-27 Approved Tax increased by 3.8%.

The proposed adjustment remains below the maximum special tax rates authorized for the district and is consistent with the Rate and Method of Apportionment approved at the time of CFD formation. Applying the annual CPI adjustment allows revenues to better reflect the increasing cost of providing municipal services and minimize the compounding effect of deferred adjustments.

Approval of the proposed resolution establishes the annual special tax rates for Fiscal Year 2026-27 in accordance with the formation of CFD No. 2004-1 which includes a 3.8% increase. Additionally, authorizes the Sutter County Auditor-Controller to include the special taxes on the secured property tax roll for collection.

**Fiscal Impact:**

Approval of the proposed resolution will authorize the collection of approximately \$821,631. Assessment assists with directly offsetting related General Fund expenditures.

**Alternatives:**

The City Council has the ability to set the assessment at various levels in accordance with the District Formation documents, this directly affects public funding for services.

**Recommendation:**

Adopt a Resolution approving a special tax collection for FY2026-27 for the City of Live Oak’s Community Facilities District No. 2004-1

CITY OF LIVE OAK  
STAFF REPORT

**Date:** July 15, 2026  
**To:** Honorable Mayor & Members of the City Council  
**From:** Ethan Gutierrez, Finance Director

---

**Summary**

**Subject:** FY2026-27 Special Tax Assessment for Fire Protection and Street Lighting Maintenance

**Recommendation:** Adopt a resolution approving a special tax collection for FY2026-27 for the City of Live Oak's Fire Protection and Street Lighting Maintenance.

**Fiscal Impact:** Approximately \$188,736 in Fire Protection and \$88,560 in Street Lighting Maintenance. Both assessments assist with directly offsetting related General Fund expenditures. No updates from previous fiscal year.

---

**Purpose:**

To establish the Fiscal Year 2026-27 Fire Protection and Street Lighting Maintenance special tax assessments and authorize their placement on the Sutter County secured property tax roll for collection in accordance with the 1997 measure to help fund Fire Protection and Street Lighting Maintenance costs.

**Background:**

On November 4, 1997, the voters of the City of Live Oak approved a special tax measure to fund fire protection services and street lighting maintenance. Following voter approval, the City Council adopted Ordinance No. 442, establishing Chapter 3.24 of the Live Oak Municipal Code, which imposes an annual special tax on parcels within the City for these purposes. Revenues generated from the fire protection component are used to support fire suppression equipment, apparatus, personnel, and other fire protection and prevention activities. Revenues generated from the street lighting maintenance component are collected with funds primarily used to pay for energy costs which include the installation, operation, maintenance, repair, replacement, and administration of the City's street lighting system. Per Live Oak Municipal Code § 3.24.020, these are the rate formulas approved by the voters in 1997, from which the City Council annually sets the actual levy by resolution.

*All fire protection rates are based on dollars per square foot, except the acreage component, which is based on dollars per acre.*

**Lighting Maintenance Parcel Tax Component**

Over 80' Street Frontage	40.00/lot
<b>Within 150' Radius and Within 300' Radius of Street Light:</b>	
0' – 80' Street Frontage	\$16.00/lot
Over 80' Street Frontage	24.00/lot
<b>Within 300' Radius of Street Light:</b>	
0' – 80' Street Frontage	\$8.00/lot
Over 80' Street Frontage	8.00/lot

**Analysis:**

The proposed resolution establishes the annual special tax rates for Fiscal Year 2026-27 in accordance with the voter-approved rate formula set forth in Chapter 3.24 of the Municipal Code and authorizes the Sutter County Auditor-Controller to include the special taxes on the secured property tax roll for collection.

**Fiscal Impact:**

The levy for Fire assessments generate \$188,736 and Street Lighting assessments generate \$88,560. Assessments assist with directly offsetting their related expenditure's funding sources. No updates from previous fiscal year.

**Alternatives:**

Do not impose the special tax. However, if the proposed resolution is not adopted, the City would be unable to levy the annual special taxes for Fiscal Year 2026-27, resulting in the loss of dedicated funding for these essential public services.

**Recommendation:**

Adopt a Resolution approving a tax collection schedule for FY2026-27 for the City of Live Oak's Fire Protection and Street Lighting Maintenance
