INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS

The County Counsel has prepared the following title and summary of the chief purpose and points of the proposed measure:

Ballot Title:

VOTER INITIATIVE TO REPEAL AND REPLACE THE 1997 SPECIAL PARCEL TAX IN COUNTY SERVICE AREA “F”

Summary:

The Sutter County Board of Supervisors established County Service Area (CSA) “F” in 1996 to provide fire suppression and prevention, rescue, and hazardous materials response services within a specific area of the County. This CSA, like all CSAs, raises additional revenue from residents and property owners in a specific area to fund additional services in that area.

In 1997, the Sutter County Board of Supervisors placed on the ballot a special tax measure to levy annual assessments against parcels in CSA F. Assessment rates are between 1 and 2.75 cents per square foot of structure and 2 cents per acre of dry pasture. These rates are not subject to adjustment for inflation. The voters of CSA F passed that measure, and it remains in effect today.

This voter initiative would repeal and replace the special tax established by the 1997 measure.

This voter initiative states that revenue levels under the 1997 measure do not provide adequate funding to support the current level of services within CSA F because while rates remain fixed, the costs of fire protection and emergency services have increased significantly since 1997.

If voters approve this voter initiative, commencing with the 2024-25 fiscal year, the special tax levied against CSA F parcels shall be \$100 per parcel up to one acre, and \$7.00 per additional acre or fraction thereof. Parcels containing more than one residential or commercial unit shall be taxed an additional \$100 for each additional unit. These rates may be adjusted for inflation, subject to a cap of a three percent (3%) increase per year.

This voter initiative places all assessment proceeds in a special revenue fund and limits the use of those revenues to fire protection, emergency rescue, medical care and ambulance transportation, and hazard response purposes. Allowable spending includes costs related to personnel, facilities, and equipment, as defined. This special revenue fund must be audited on an annual basis.

This voter initiative, by its terms, requires a 2/3 majority vote to pass, but allows for the reduction or subsequent repeal of the tax by a simple majority vote.

If voters reject this voter initiative, then the current special parcel tax for CSA F that voters passed in 1997 will remain in effect.

Notice of Intention to Circulate Petition

Notice is hereby given by the person whose name appears hereon of their intention to circulate the petition within the County of Sutter, County Service Area F for the purpose of repealing and replacing the current CSA F special parcel tax.

A statement of reasons of the proposed action as contemplated in the petition is as follows:

- A. Fire protection, emergency medical, and hazard response services are essential to protect public health and safety in Sutter County Service Area F (CSA F).
- B. The County has inadequate general funds to financially support fire protection and emergency services in CSA F;

- C. Dedicated property tax revenues and a special parcel tax placed on the ballot by Sutter County Resolution 97-56 and approved by voters in CSA F in 1997, do not provide adequate funding to support the current level of services provided within CSA F;
- D. The current special parcel tax for CSA F does not adjust annually even though costs of fire protection and emergency services have increased significantly since 1997. This has resulted in a severe funding shortage, making this initiative a matter of highest urgency;
- E. This special tax is imposed solely for the purpose of funding fire protection, emergency rescue, emergency medical service, industrial accidents and hazardous material response services, including facilities and equipment necessary for said services.
- F. All funds raised by this special tax will be deposited and kept in a special revenue fund within the Sutter County Treasury, and the Sutter County Auditor-Controller will ensure that the funds are audited annually to guard against diversion or mismanagement.
- G. This special tax measure will repeal and replace the 1997 County Service Area “F” – parcel tax created by Sutter County Resolution 97-56.
- H. Adoption of this special tax by a two-thirds (2/3) vote will assure that CSA F will suffer no loss of revenue if the voter approval threshold is altered by a statewide measure or court ruling that is retroactive to a date preceding this initiative.

/s/ Elizabeth Lang Cervantes, Proponent

INITIATIVE MEASURE TO BE SUBMITTED DIRECTLY TO THE VOTERS OF SUTTER COUNTY SERVICE AREA “F”

SECTION 1. TITLE.

This measure shall be known as “Sutter County Service Area “F” Special Tax to Fund Fire Protection and Emergency Services.”

SECTION 2. STATEMENT OF FINDINGS AND DECLARATION OF PURPOSE.

Text of this section is included in the Notice of Intention above.

SECTION 3: SPECIAL PARCEL TAX IMPOSED.

An annual special parcel tax for the purposes specified herein shall be imposed on all parcels of real property in County Service Area F that are not exempt under state or federal law from property taxation, commencing with fiscal year 2024-25, and continuing each fiscal year thereafter (the period beginning July 1 and ending the following June 30).

Beginning in fiscal year 2024-25, the amount of the special tax shall be \$100 per parcel up to one acre, and \$7.00 per additional acre or fraction thereof; provided, however, that parcels containing more than one residential or commercial unit shall be taxed an additional \$100 for each additional unit.

The special parcel tax may reflect from year to year the inflationary rate not to exceed 3 percent (3 %) for any given year, as shown in the consumer price index or comparable data for the area under taxing jurisdiction applicable to Sutter County.

The records of the Sutter County Assessor as of January 1st of each year, shall be used to determine the taxable parcel area for the calculation of the special parcel tax applicable to that parcel in the following fiscal year, with such corrections as deemed necessary.

For the purposes of this initiative, the following terms shall have the following meaning:

“Parcel” means a parcel of real property having a separate assessor’s parcel number as shown on the last equalized assessment roll of the County of Sutter.

“Residential unit” means a separate dwelling. For example a duplex would be two units, a 20-unit apartment complex would be 20 units, a parcel with 3 separate dwellings would be three units, and an Accessory Dwelling Unit (ADU) would be a unit, regardless of whether the dwelling is attached to a primary residence or not.

"Commercial unit" means a space designed or constructed to be used, purchased, or rented by a separate business, regardless of whether the unit is attached to other units or not; provided, however, that a room in a residential dwelling that is used for business is not a commercial unit.

SECTION 4: SPECIAL FUND, USE OF TAX PROCEEDS.

The proceeds of the special parcel tax imposed by this initiative shall be placed in a special revenue fund within the Sutter County Treasury, which shall be created and designated the CSA F Parcel Tax Special Fund, and shall be applied only for the

purposes of providing fire protection, emergency rescue, medical care and ambulance transportation, and hazard response, including providing the necessary personnel and the acquisition, construction, maintenance and replacement of necessary facilities, apparatus, equipment, gear and vehicles, and establishing prudent reserves.

Ten Percent (10 %) of the tax proceeds collected annually shall be placed in a Capital Improvement Fund to be used specifically for acquisition, construction, maintenance and replacement of necessary facilities, apparatus, equipment and equipment accessories, gear, and vehicles and vehicle accessories. Proceeds placed in the Capital Improvement Fund may also be used for purposes of providing matching funds in obtaining grants and pledged as security for long term financing with voter approval.

To guard against economic downturn and revenue shortfalls, the Board of Directors of CSA F may establish a reserve for economic uncertainty in the CSA F fund within the Sutter County Treasury that shall not exceed sixteen-point six seven percent (16.67%) of combined annual special tax and dedicated property tax revenues. Deposits into this reserve shall be considered an appropriation use of Special Tax funds. Use of funds in this reserve shall only be for expenditures within CSA F.

SECTION 5: LEVY AND COLLECTION.

The special parcel tax imposed by this initiative shall be collected on annual property tax bills in the same manner, on the same dates, and subject to the same penalties and interest as other charges and taxes levied and collected by the Sutter County Tax Collector.

SECTION 6: ANNUAL AUDIT

The Sutter County Auditor-Controller shall perform an annual audit of the CSA F Parcel Tax Special Fund, separate from other county audits, to assure accountability and the proper disbursement of these tax proceeds in accordance with the objectives stated herein. In the event the Auditor-Controller’s office is unable to perform the annual audit, a certified public accounting firm retained by the Sutter County Auditor-Controller will perform the audit. The Sutter County Auditor-Controller shall cause a report with the audit to be prepared and filed with the County Board of Supervisors and published on the County’s website no later than December 31 of each year. The report shall state: (a) the amount of special tax proceeds collected and how they were expended in such year; and (b) a description of the character and status of any projects or programs funded from proceeds of the special tax. Any additional cost of this audit shall be borne entirely by CSA F.

SECTION 7: EXEMPTIONS.

The special parcel tax shall not be imposed upon any parcel that is exempt from special parcel taxes pursuant to any provision of the United States Constitution, California Constitution, or California state law.

SECTION 8: ADDITIONAL EXEMPTIONS.

The Board of Supervisors, by ordinance, may establish additional exemptions from the special parcel tax imposed by this initiative only for residential parcels occupied by low income owners as their primary residence. The Board in its discretion may limit this exemption in whole or in part to seniors over the age of 65, permanently disabled and/or veteran owner occupants.

Property owner exemption applications that have been granted shall remain in effect for the duration of the owner’s occupancy.

SECTION 9: VOTER APPROVAL AND DURATION.

This special parcel tax initiative shall become effective if approved by two-thirds of the voters of CSA F who cast votes upon the initiative at the election therefor. The authority to levy this special parcel tax, and the other particulars of this initiative, shall remain in effect unless a subsequent ordinance amending this initiative is approved by two-thirds of the voters of CSA F; except that a majority of the voters of CSA F may reduce or repeal the special parcel tax provided by this initiative.

SECTION 10: SEVERABILITY.

If any provision of this ordinance or the application thereof to any person or circumstances is held invalid or unconstitutional by any court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any other provision or applications, and to this end the provisions of this ordinance are declared to be severable. The voters in adopting this initiative declare that they would have adopted each section, subsection, sentence, clause, phrase, and part or portion thereof, irrespective of the fact that any one or more sections, subsections, clauses, phrases, parts or portions thereof, might be declared invalid or unconstitutional.

City of Live Oak Report to City Council

Meeting Date: August 16, 2023

Title: Adoption of an Ordinance Adding Chapter 2.44 "Electronic Filing of Fair Political Practices Commission Campaign Disclosure Statements and Statements of Economic Interests" to Title 2 "Administration and Personnel" of the Live Oak Municipal Code

Contact Information: Clarissa Menchaca, City Clerk

Background: At the August 2, 2023 City Council meeting, the first reading and introduction of the ordinance came before Council. The second reading and adoption needs to be passed by Council before the ordinance can be published and take effect.

Background:

The Political Reform Act recognizes campaigns that spend or raise more than \$2,000 as "Controlled Committees." Under the Act, these committees are obligated to file detailed campaign finance statements, also known as Fair Political Practices Commission (FPPC) Form 460s. The City Clerk is the local filing officer for the City of Live Oak, and is responsible for receiving, reviewing, and storing campaign disclosure information, as well as making it accessible to the public.

Effective January 1, 2021, Assembly Bill (AB) 2151 requires cities to post any campaign statement, report, or other document required by the Political Reform Act to its city website within 72 hours of its filing. The City Clerk's office currently accepts paper filings of such documents and, since January 2021, staff has been manually redacting and uploading forms to the City website. The documents are to be made available online for four years from the date of the election associated with the filing, and retained for a total of 10 years for non-incumbents or permanently for elected officials.

To provide a more efficient process, the City Clerk's Office recently acquired NetFile, an electronic/paperless filing system that accommodates online filing of several types of FPPC forms, including Forms 460, 470, 496, and 497, and meets the requirements of the Secretary of State. NetFile will ensure compliance with AB 2151, provide more transparency to the public, and offer an easier way for all filers to complete their required filings.

Discussion:

Although Government Code section 84615 allows local government agencies to require an elected and appointed official, candidate, or committee to file FPPC campaign statements, reports, or other documents online or electronically with a local filing officer, staff recognizes that such mandate could have a direct effect on those committees or individuals who do not have computer access or familiarity with computer programs. To ensure that the same opportunity to comply with the Political Reform Act is afforded to all committees without unduly burdening any one committee, the Council may adopt an ordinance allowing the option for electronic filing and paper filing.

There are many advantages to allowing electronic filing of disclosure documents. One of which is shifting to an electronic system allows the public direct online access to campaign disclosure documents and Statements of Economic Interests. The system is also beneficial to the filer by providing multiple prompts to ensure timely filing, by storing previous statements for user ease when completing subsequent filings, and by permitting a single filing for multiple offices.

In order for the City to meet the mandate and accept electronically filed statements, an ordinance has been drafted for City Council consideration. The ordinance would permit the use of an electronic filing system for filing and designating the filings received electronically by the City Clerk's office as the filings of record for the City. While all filers will be encouraged to file campaign disclosure documents electronically, the ordinance allows filers to either file on paper or electronically. The ordinance amends the Live Oak Municipal Code authorizing electronic filings, but does not require filers to file Campaign disclosure documents using an online system. Statements that are electronically filed will be available within 24 hours to the public, excluding the redacted information. Forms filed in paper copy will have to be manually reviewed/redacted by staff and the uploaded into the system, but will be completed within the 72-hour requirement.

In terms of security, the NetFile system is a web-based, vendor-hosted application that utilizes "industry best practices" for securing data, using the same data encryption for online filings that is used by banks for online banking. NetFile stores and backs up data at three separate locations, creating the essential safety measures and redundancy that allows for recovery of information in the event of an emergency or disaster.

Implementation of the NetFile system will promote transparency and provide convenience for committees, individuals, and the public. It provides 24-hour filing and viewing accessibility of campaign finance information from any computer, anywhere. In certain instances, the NetFile system will also increase the accuracy of filed campaign statements by prohibiting any filings that may have inadvertently omitted information required under the Political Reform Act.

To ensure a smooth transition, NetFile and the City Clerk will offer extensive training to all filers.

Statement of Economic Interests (Form 700):

The Form 700 component of NetFile does not require an ordinance and is simply an internal procedural change. However, with the transition to allow electronic filing of campaign disclosure statements, staff recommends all future reports and other documents filed on behalf of Statement of Economic Interest filers be allowed the option for electronic filing. The City Clerk is responsible for the annual filing of Form 700s by 87200 Filers (City Council, Planning Commission, City Manager, City Treasurer, and City Attorney) and designated City staff, boards, commissions, and consultants. Form 700s occasionally need amendments or are submitted incomplete or without appropriate schedules attached. The Form 700 electronic filing system incorporates an initial review process that alerts the filer of errors at the time they enter their information, thereby minimizing the need for the City Clerk to request amendments. There are currently 215 cities and 50 counties in California using electronic filing systems for Form 700 filings.

Analysis:

Fiscal Impacts:

The NetFile system cost is \$3,300 per year. Funds have been appropriated in the Fiscal Year 2023-24 City Clerk's Office budget.

MUNICIPAL CODE**

The City Council of the City of Live Oak, State of California, does ordain as follows:

WHEREAS, Government Code Section 84615 currently provides that a local agency may adopt an ordinance to require an elected officer, candidate, committee, or other person required to file statements, reports, or other documents required by Chapter 4 of the Political Reform Act (commencing with Section 84100 of the Government Code), except an elected officer, candidate, committee, or other person who receives contributions totaling less than \$2,000 and who makes independent expenditures totaling less than \$2,000 in a calendar year, to file those statements, reports, or other documents online or electronically with the local filing officer; and

WHEREAS, the System will operate securely and effectively and will not unduly burden filers. Specifically: (1) the System will ensure the integrity of the data and includes safeguards against efforts to tamper with, manipulate, alter, or subvert the data; (2) the System will only accept a filing in the standardized record format developed by the Secretary of State and compatible with the Secretary of State's system for receiving an online or electronic filing; and (3) the System will be available free of charge to filers and to the public for viewing filings; and

WHEREAS, the City of Live Oak desires to amend the Live Oak Municipal Code to add a new Section relating to electronic filing of Campaign Disclosure Statements and Statements of Economic Interests;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF LIVE OAK DOES ORDAIN AS FOLLOWS:

SECTION 1: RECITALS

That the above Recitals are true and correct and are incorporated as though fully set forth herein.

SECTION 2. PURPOSE

That the purpose of this Ordinance is to allow the filing of Campaign Disclosure Statements and Statements of Economic Interest by elected officials, candidates, staff, consultants, commissions, or committees to be completed electronically. The City Council enacts this Ordinance in accordance with the authority granted to cities by state law. This ordinance is intended to supplement, and not conflict with, the Political Reform Act.

SECTION 3. ADDING CHAPTER 2.44 "ELECTRONIC FILING OF FAIR POLITICAL PRACTICES COMMISSION CAMPAIGN DISCLOSURE STATEMENTS AND STATEMENTS OF ECONOMIC INTERESTS" TO TITLE 2 "ADMINISTRATION AND PERSONNEL" OF THE LIVE OAK MUNICIPAL CODE

Title 2 of the Live Oak Municipal Code is hereby amended to add new Chapter 2.44 to read as follows:

2.44 Electronic Filing of Campaign Disclosure Statements and Statements of Economic Interests

(a) Any elected officer, candidate, commission, committee, or other person required to file statements, reports, or other documents required by Government Code Chapter 4 - Political Reform Act (commencing with Section 84100) may file those statements, reports, or other documents online or electronically with the City Clerk. Elected officers, candidates, or committees required to file statements must file such Statements using the City Clerk's online system, unless exempt from the requirement to file online pursuant to Government Code Section 84615(a) because the officer, candidate, or committee receives less than \$2,000 in contributions and makes less than \$2,000 in expenditures in a calendar year. All other individuals required to file Statements of Economic Interest according to the City's adopted Code of Conflict of Interest may file electronically using the City Clerk's online system.

(b) An elected officer, candidate, committee, or other person may choose not to use the electronic filing system by filing all original statements, reports, forms, or other documents in paper format with the City Clerk, until such time as the City Council determines that electronic filing is mandatory for all filers.

(c) In any instance in which an original statement, report or other document must be filed with the California Secretary of State and a copy of that statement, report or other document is required to be filed with the City Clerk, the filer may, but is not required to, file the copy electronically.

(d) The online filing system shall ensure the integrity of the data transmitted and shall include safeguards against efforts to tamper with, manipulate, alter, or subvert the data.

(e) The online filing system shall only accept a filing in the standardized record format that is developed by the California Secretary of State pursuant to Section 84602(a)(2) of the California Government Code and that is compatible with the Secretary of State's system for receiving an online or electronic filing.

(f) The online filing system shall include a procedure for filers to comply with the requirement that they sign statements and reports

under penalty of perjury pursuant to Section 81004 of the Government Code.

(g) Any elected officer, candidate, or committee who has electronically filed a statement using the City Clerk's online system is not required to file a copy of that document in paper format with the City Clerk.

(h) The City Clerk shall issue an electronic confirmation that notifies the filer that the Statement was received, the notification shall include the date and the time that the Statement was received and the method by which the filer may view and print the data received by the City Clerk. The date of filing for a Statement filed online shall be the day that it is received by the City Clerk.

(i) If the City Clerk's system is not capable of accepting a Statement due to technical difficulties, an elected officer, candidate, or committee shall file that Statement in paper format with the City Clerk.

(j) The online filing system shall enable electronic filers to complete and submit filings free of charge.

(k) The City Clerk's system shall make all the data filed available on the City's webpage in an easily understood format that provides the greatest public access. The data shall be made available free of charge and as soon as possible after receipt. The data made available on the City's webpage shall not contain the street name and building number of the persons or entity representatives listed on the electronically filed forms or any bank account number required to be disclosed by the filer. The City Clerk's office shall make a complete, unredacted copy of the statement, including any street names, building numbers, and bank account numbers disclosed by the filer, available to any person upon request.

(l) The City Clerk's office shall maintain, for a period of at least 10 years commencing from the date filed, a secured, official version of each online or electronic statement which shall serve as the official version of that record for purpose of audits and any other legal purpose.

Section 5. SEVERABILITY

That the City Council declares that, should any provision, section, paragraph, sentence or word of this ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this ordinance as hereby adopted shall remain in full force and effect.

Section 6. REPEAL OF CONFLICTING PROVISIONS

That all the provisions of the Live Oak Municipal Code as heretofore adopted by the City of Live Oak that are in conflict with the provisions of this ordinance are hereby repealed.

Section 7. EFFECTIVE DATE

That this ordinance shall take effect thirty (30) days after its adoption.

Title: City Projects Update
Contact Information: Ron Walker, Public Works Director

Background:

1. Pennington Road - West Project: For members of the public that have questions and/or concerns an information line and website have been set up. The information telephone number is (530) 557-2023. City staff has performed a project walk-through with the project management company and the construction company to look for items that have not been completed according to the contract yet. A very small punch list has been developed and discussed with the contractor. Included in the list was one traffic sign and a few feet of curb work. The contractor is working on a completion date for these items.
2. Pennington - East Project: Plans at 60%. Specifications and Estimate at 50%. Staff has conducted a field review of the draft plans and is making modifications based on that review.
3. P Street Lift Station Improvement Project: Staff received an update from Kevin Warring with the Water Board on June 21, 2023. Kevin stated that he did not have any updates regarding the application, the Environmental and financial packages are in for review. The State has asked for more documentation for the project which Bill Lewis has completed.
4. Wastewater Treatment Plant Solar Project: City staff is working on a service agreement with a consultant for project management services.
5. Wastewater Treatment Plant Headworks Rehabilitation Project: The State has not evaluated this grant application yet, because of a backlog of grant applications. Also, some of the grant money allocated to the state water board for grants has been reduced which may push this project back a year or more.
6. Well 7 and Well 4 Generator Grant Project: I received a message on July 27, 2023 that the funding program was five months away from having more capacity.
7. Customer Complaint Project: City Clerk, Clarissa Menchaca has been working with the Granicus team for the set-up, training, and implementation of the system. Clarissa has indicated that from the date the contract is signed (August 7, 2023 in our case), a kickoff call will occur 3-4 weeks after and that begins the implementation process. OneView is expected to be completed within the next 3-6 months.
8. Welcome to Live Oak Signs: City staff has received an updated package from Arrow Sign Co.
9. Streets Master Plan: Staff will update as funds become available.
10. Dog Park: At the July 19, 2023 City Council meeting, staff presented the Council with three design options for the facility. The City Council provided guidance that Option 3 was preferred. Staff is preparing design recommendations for Option 3.

Council Action Advised by August 28, 2023

DATE: Wednesday, June 21, 2023

TO: Mayors, Council Members, City Clerks, and City Managers

**RE: DESIGNATION OF VOTING DELEGATES AND ALTERNATES
League of California Cities Annual Conference and Expo, Sept. 20-22, 2023,
Sacramento SAFE Credit Union Convention Center**

Every year, the League of California Cities convenes a member-driven General Assembly at the [Cal Cities Annual Conference and Expo](#). The General Assembly is an important opportunity where city officials can directly participate in the development of Cal Cities policy.

Taking place on Sept. 22, the General Assembly is comprised of voting delegates appointed by each member city; every city has one voting delegate. Your appointed voting delegate plays an important role during the General Assembly by representing your city and voting on resolutions.

To cast a vote during the General Assembly, your city must designate a voting delegate and up to two alternate voting delegates, one of whom may vote if the designated voting delegate is unable to serve in that capacity. Voting delegates may either be an elected or appointed official.

Please complete the attached voting delegate form and email it to Cal Cities office no later than Monday, August 28.

New this year, we will host a pre-conference information session for voting delegates to explain their role. Submitting your voting delegate form by the deadline will allow us time to establish voting delegate/alternate records prior to the conference and provide pre-conference communications with voting delegates.

Please view Cal Cities' [event and meeting policy](#) in advance of the conference.

Action by Council Required. Consistent with Cal Cities bylaws, a city's voting delegate and up to two alternates must be designated by the city council. When completing the attached Voting Delegate form, please attach either a copy of the council resolution that reflects the council action taken or have your city clerk or mayor sign the form affirming that the names provided are those selected by the city council.

Please note that designating the voting delegate and alternates **must** be done by city council action and cannot be accomplished by individual action of the mayor or city manager alone.

Conference Registration Required. The voting delegate and alternates must be registered to attend the conference. They need not register for the entire conference; they may register for Friday only. Conference registration is open on the [Cal Cities](https://calcities.org) website.

For a city to cast a vote, one voter must be present at the General Assembly and in possession of the voting delegate card and voting tool. Voting delegates and alternates need to pick up their conference badges before signing in and picking up the voting delegate card at the voting delegate desk. This will enable them to receive the special sticker on their name badges that will admit the voting delegate into the voting area during the General Assembly.

Transferring Voting Card to Non-Designated Individuals Not Allowed. The voting delegate card may be transferred freely between the voting delegate and alternates, but *only* between the voting delegate and alternates. If the voting delegate and alternates find themselves unable to attend the General Assembly, they may *not* transfer the voting card to another city official.

Seating Protocol during General Assembly. At the General Assembly, individuals with a voting card will sit in a designated area. Admission to the voting area will be limited to the individual in possession of the voting card and with a special sticker on their name badge identifying them as a voting delegate.

The voting delegate desk, located in the conference registration area of the SAFE Credit Union Convention Center in Sacramento, will be open at the following times: Wednesday, Sept. 20, 8:00 a.m.- 6:00 p.m. and Thursday, Sept. 21, 7:30 a.m.- 4:00 p.m. On Friday, Sept. 22, the voting delegate desk will be open at the General Assembly, starting at 7:30 a.m., but will be closed during roll calls and voting.

The voting procedures that will be used at the conference are attached to this memo. Please share these procedures and this memo with your council and especially with the individuals that your council designates as your city's voting delegate and alternates.

Once again, thank you for completing the voting delegate and alternate form and returning it to Cal Cities office by Monday, Aug. 28. If you have questions, please contact Zach Seals at zseals@calcities.org.

How it works: Cal Cities Resolutions and the General Assembly

Developing League of California Cities policy is a dynamic process that engages a wide range of members to ensure that we are representing California cities with one voice. These policies directly guide Cal Cities advocacy to promote local decision-making, and lobby against statewide policy that erodes local control.

The resolutions process and General Assembly is one way that city officials can directly participate in the development of Cal Cities policy. If a resolution is approved at the General Assembly, it becomes official Cal Cities policy. Here's how Resolutions and the General Assembly works.

Prior to the Annual Conference and Expo

General Resolutions

Sixty days before the Annual Conference and Expo, Cal Cities members may submit policy proposals on issues of importance to cities. The resolution must have the concurrence of at least five additional member cities or individual members.

Policy Committees

The Cal Cities President assigns general resolutions to policy committees where members review, debate, and recommend positions for each policy proposal. Recommendations are forwarded to the Resolutions Committee.

During the Annual Conference and Expo

Petitioned Resolutions

The petitioned resolution is an alternate method to introduce policy proposals during the annual conference. The petition must be signed by voting delegates from 10% of member cities, and submitted to the Cal Cities President at least 24 hours before the beginning of the General Assembly.

Resolutions Committee

The Resolutions Committee considers all resolutions. General Resolutions approved¹ by either a policy committee or the Resolutions Committee are next considered by the General Assembly. General resolutions not approved, or referred for further study by both a policy committee and the Resolutions Committee do not go the General Assembly. All Petitioned Resolutions are considered by the General Assembly, unless disqualified.²

General Assembly

During the General Assembly, voting delegates debate and consider general and petitioned resolutions forwarded by the Resolutions Committee. Potential Cal Cities bylaws amendments are also considered at this meeting.

Who's who

Cal Cities policy development is a member-informed process, grounded in the voices and experiences of city officials throughout the state.

The **Resolutions Committee** includes representatives from each Cal Cities diversity caucus, regional division, municipal department, policy committee, as well as individuals appointed by the Cal Cities president.

Voting delegates are appointed by each member city; every city has one voting delegate.

The **General Assembly** is a meeting of the collective body of all voting delegates — one from every member city.

Seven **Policy Committees** meet throughout the year to review and recommend positions to take on bills and regulatory proposals. Policy committees include members from each Cal Cities diversity caucus, regional division, municipal department, as well as individuals appointed by the Cal Cities president.

What's new in 2023?

- Voting delegates will receive increased communications to prepare them for their role during the General Assembly.
- The General Assembly will take place earlier to allow more time for debate and discussion.
- Improvements to the General Assembly process will make it easier for voting delegates to discuss and debate resolutions.

¹ The Resolution Committee can amend a general resolution prior to sending it to the General Assembly.

² Petitioned Resolutions may be disqualified by the Resolutions Committee according to Cal Cities Bylaws Article VI. Sec. 5(f).
