Title: Resolution of the City Council of the City of Live Oak Approving a Tax Collection Schedule for Fiscal Year (FY) 2021-22 for Community Facilities District (CFD) No. 2004-1

Contact Information: (James Ramsey, Finance Director)

Background: In 2004, the Council approved the establishment of CFD 2004-1 and approved the recordation of liens on properties that petitioned the City for the formation of the CFD. Since then, there are 759 parcels that are subject to the levy. The tax roll included in the staff report covers all taxable parcels within the boundaries of CFD 2004-1; this development includes Pennington Ranch phases I-V, Peachtree III, Garden Glen, Sand Piper and Walnut View subdivisions, as well as the Kristen Court Apartments. The CFD rate for a single-family home has been $909.56 per year since FY 2006-07.

The special assessment attributed to each parcel was computed in accordance with Resolutions 28-2003, 29-2003, 2-2004, 3-2004, 9-2004, 10-2004, 11-2004, and 12-2004. Formation documents stipulate that CFD 2004-1 funding be used for services related to fire and police protection, animal control services, street lighting, storm drain maintenance, parks, pool and recreation services.

The CFD formation documents provide for a maximum annual increase in the levy rate of 5% for each type of developed property. The maximum rate for FY 2021-22 amounts to $1,890.91 per home. However, the City has not increased the tax levy since 2006-07. The resolution included in the staff report sets the annual tax levy to remain at $909.56 for FY 2020-21 for single family detached properties. This levy will be the same amount that has been used for the previous 14 years.

Recent development activity in the Pennington Ranch KB Homes provided for 72 new homes to begin paying the annual CFD 2004 levy. KB Homes nearly completed the occupancy of their development. In the upcoming years, we expect the remaining KB Homes to be added as well as some of the Garden Glen development. The last two years of new homes have provided enough revenue to offset the $90,162 of annual payments for the City's fire engine.

Fiscal Impacts: 1) CFD 2004-1 taxes on new homes reduces General Fund burden.
2) Levy remains at the same level as previous 14 years and will generate approximately $690,301 in FY 2021-22.
3) New homes by KB Homes pay the FY 2021-22 tax levy and new collections will add $65,489 to cover the increased public safety costs.

Recommendation: Adopt resolution.

Contact Information: (James Ramsey, Finance Director)

Background: For the previous 28 years, the City has applied these approved tax levies for collection on the County property tax roll. The listing included in the staff report of 226 parcels (Exhibit "A") covers all taxable levies within the boundaries of CFD No. 92-1; American Dram Homes, Phases I through V. Tax attributed to each parcel (226 parcels) was computed in accordance with Ordinances 380, 403, 438, and 439 and Resolutions 42-1992, 46-1992 and 55-1992.

The tax levies for CFD 92-1 totals $130,306.88 for FY 2021-22 of which 2/3rds will be forwarded to the Live Oak Unified School District in accordance with the district formation documents. The remaining annual levies of $43,436 will be used to cover the City's debt service contribution for the County animal shelter. The CFD 92-1 assessments to be used by the City are restricted for the purchase, construction, expansion or rehabilitation of sites and structures for general government, police, fire, parks, recreation, streets, and other government facilities.

Fiscal Impacts: CFD 92-1 taxes reduces the burden on the City's General Fund for animal control facilities and provides facility funding to the Live Oak Unified School District.

Recommendation: Adopt resolution.

City of Live Oak
Report to City Council

Meeting Date: July 21, 2021

Title: Consideration of Resolution of the City Council of the City of Live Oak Calling a Special Election on November 16, 2021 and Requesting Sutter County Elections to Provide Elections Services

Contact Information: (Nicole Rosser, City Attorney)

Background:

At its meeting on June 2, 2021, the City Council discussed options for filling the vacant Council seat that was created by former Mayor Luis Hernandez' resignation effective May 31, 2021. The Council considered: 1. Conducting an application/appointment process for consideration by the Council, and 2. Calling for a special election if the application/appointment process was unsuccessful. The Council gave direction to staff to move forward with the application/appointment process for consideration by the Council.

City Staff advertised that applications were being accepted for the vacant City Council seat and that it closed on June 30, 2021 and that interviews of candidates would be held on July 7, 2021. At the Council Meeting on July 7, 2021, the City Council had NINE (9) applicants for the vacant City Council seat and interviewed them at this same meeting. After several motions for different candidates, the City Council was unsuccessful in selecting a person to fill the vacant seat.

The term for Mayor Hernandez' former Council seat expires in November 2022. City of Live Oak is a general law city under State law, so the requirements for filling a vacant Council seat are dictated by Government Code Section 36512(b). This section provides that the Council has SIXTY (60) days from the commencement of the vacancy to either appoint a replacement for the remainder of the term or call a special election for voters to select the replacement to serve the remaining term. The vacancy was created on May 31, 2021; therefore, the Council has until July 30, 2021 to act on filling the vacancy.

Neither State law nor the City's Municipal Code stipulate a specific process to select a replacement by appointment, so the City Council has wide discretion over the selection process. If a special election is used to determine the replacement for the vacant seat, Government Code Section 36512(b)(1) requires the election to be held on the next regular election date (established by Elections Code Section 1000) that is at least ONE HUNDRED FOURTEEN DAYS (114) days from the call of the special election. In this case, the next eligible regular election date would be November 16, 2021. Also, for cities of less than ONE-HUNDRED THOUSAND (100,000) in population, the State Elections Code provides that a Council vacancy may be filled by an all-mail ballot election on certain dates.

City Staff received an estimate of THIRTY THOUSAND DOLLARS ($30,000) from the Sutter County Elections Division for the cost of conducting a special election. Sutter County Elections Division did indicate that this estimate may vary due to COVID restrictions and the additional costs associated that may be in place in November of 2021. The cost of a special election would need to be fully covered by the City.

Analysis: The resolution calls the election, specifies the office to be filled, requests a special election on November 16, 2021, and outlines election services to be provided by the County Elections Division to the City. Those services include publication of required legal notices, ballot printing and/or mailing, administering polling places (if necessary), mail ballot distribution and receipt, and services for collecting and counting ballots in compliance with Elections Code Section 3017. The resolution also states that each candidate is to pay FOUR HUNDRED DOLLARS ($400) for the publication of the optional Candidate's Statement, which has a 400-word count limit. If the candidate chooses also to have the statement printed in another language, the candidate will be charged in full in accordance with fees established by the County Elections Division. The City Clerk is the filing officer for City Council nomination papers and Fair Political Practices Commission filings. The City Clerk will also coordinate and oversee daily election activities within the City.

Fiscal Impacts: According to the Sutter County Elections Division, the estimated cost of conducting a special election is $30,000 which would nee to be fully covered by the City.

Recommendation: Adopt resolution calling a special election on November 16, 2021 and requesting Sutter County Elections to provide election services by either a regular election or an all-mail ballot election.
