During the "Councilmember Comments" portion of the City Council meeting, any member of the City Council may request that an item be placed on a future City Council agenda for initial consideration by the City Council. Initial consideration will allow Council to discuss the item during an open and public meeting and determine by a simple majority vote whether to direct the City Manager to add the item to a future agenda and provide specific direction. No motion, second, or vote or other action shall be required of the City Council to have the item placed on a future City Council agenda for initial consideration so long as the item is to be on an agenda thirty or more days later.

E. Agenda Items Added by City Council. Other than a simple administrative report describing the nature of the request, no work on an item added by a member of the City Council shall be undertaken by City Staff, including but not limited to, fiscal review, legal review, and policy review for consistency with existing City policies, until the City Council has had the opportunity to have a discussion and provide direction as provided herein. For the purposes of this section, work will be defined as generating, compiling, analyzing, researching, or writing new information, new policies, laws or plans and specifically excludes meetings or discussions with the City Manager and department heads jointly to obtain their comments on a Councilmember requested item. However, the City Councilmember requesting that the item be added for initial consideration shall have the right and privilege of submitting a letter or memorandum (and any other related materials) describing their item and the reasons therefore which shall be included in the City Council agenda packet so long as the letter or memorandum (and any other related materials) is submitted to the City Clerk at least one week prior to the City Council meeting.

At the meeting, where the item is initially considered, if a majority of the City Council supports further study of the item by way of motion, second and simple majority vote, then a full staff analysis shall be prepared thereafter for consideration by the City Council. The date set for further consideration shall be set in light of legal notice requirements, existing City Council priorities, the urgency of the item, and the advice of the City Manager and staff as to its impact on the timing of existing work and/or projects of the City.

A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of adjournment. The Mayor and Vice Mayor so selected and seated at that time shall hold their respective offices until the first regular City Council meeting following the first Wednesday of the month in the year following the year in which they were selected and seated. The Mayor shall preserve strict order and decorum at all regular and special meetings of the Council. For the purposes of this section, work will be defined as generating, compiling, analyzing, researching, or writing new information, new policies, laws or plans and specifically excludes meetings or discussions with the City Manager and department heads jointly to obtain their comments on a Councilmember requested item. However, the City Councilmember requesting that the item be added for initial consideration shall have the right and privilege of submitting a letter or memorandum (and any other related materials) describing their item and the reasons therefore which shall be included in the City Council agenda packet so long as the letter or memorandum (and any other related materials) is submitted to the City Clerk at least one week prior to the City Council meeting.

At the meeting, where the item is initially considered, if a majority of the City Council supports further study of the item by way of motion, second and simple majority vote, then a full staff analysis shall be prepared thereafter for consideration by the City Council. The date set for further consideration shall be set in light of legal notice requirements, existing

City Council priorities, the urgency of the item, and the advice of the City Manager and staff as to its impact on the timing of existing work and/or projects of the City.

City of Live Oak
Report to City Council

Meeting Date: July 5, 2023

Title: Assessment of Liens: Cost of Refuse Disposal

Contact Information: James Ramsey, Finance Director

Location: Citywide

Background: The City of Live Oak adopted a mandatory garbage ordinance on June 19, 1996. This ordinance gave the City the authority to lien a homeowner's property if refuse collection service went unpaid.

On June 21, 2023, Recology Yuba-Sutter mailed a delinquent notification to both the renter (if applicable) and the homeowner informing them of the delinquent balance owed and that if the balance went unpaid a lien would be placed against the property. The letter noticed the account holders that this matter would be reviewed by the City Council at the July 5, 2023 City Council meeting.

At this Council meeting, the Council will hear testimony from those homeowners who wish to discuss this delinquent balance. The Council may make determinations to alter the lien listing if the requested collections have been unduly charged.

Fiscal Impacts: None.

Recommendation: Conduct a public hearing and upon conclusion, adopt resolution: 1) Ordering that costs for refuse disposal be assessed against properties identified in Exhibit A; 2) Confirming that the assessment shall constitute a special assessment against any lien upon each identified property; and 3) Directing the City Manager to submit a certified copy of the resolution to the Sutter County Auditor with a request for collection.
