City of Live Oak Report to City Council

Meeting Date:	July 19, 2023
Title:	Purchase of a New City Truck
Contact Information:	Luis Cibrian, Parks and Recreation Director
Location:	Citywide
Background:	The maintenance cost and reliability of the current truck is unacceptable. Maintenance repair cost has increased tremendously of the past years. The current truck we are wanting to upgrade is the oldest in our fleet. Our current 2001 Silverado is in bad working condition. Staff has contacted three local dealerships Ford, Chevrolet, and Dodge to solicit bids. Staff recommends purchasing from the lowest bidder.
Analysis:	The Ford truck will be meeting all City needs. Staff will pursue the current Ford bid. The truck is a Ford F-150 Regular cab long bed. Having the option of the long bed is ideal to haul tools around and large tree limbs.
Fiscal Impacts:	The purchase of a new city truck was included in FY 2023-2024 operating budget.
Recommendation:	Approve the purchase of a new Parks and Recreation truck for Fiscal Year 2023-2024.
