The Brown Act

California's Open Meeting Law

Cal. Gov't Code Section 54950 et seq

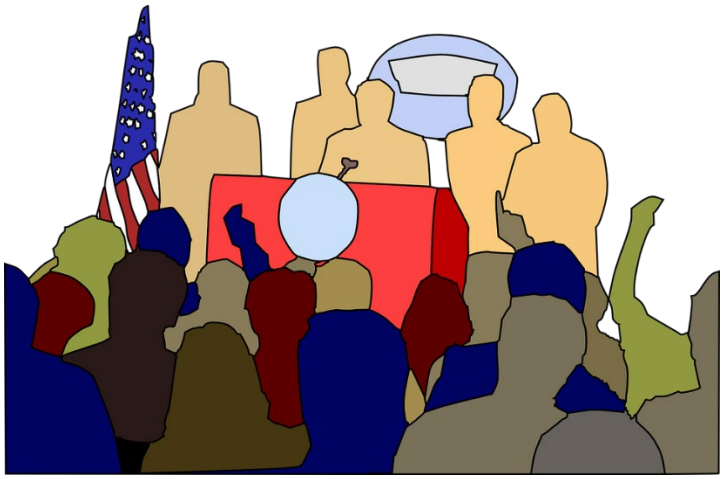

General Rule

*"All meetings of the **legislative body** of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the **legislative body** of a local agency, except as otherwise provided in this chapter."*

Cal Gov't Code § 54953 (a)

Purpose

Local decision-making bodies must deliberate publicly and act openly, with ample opportunity for the public to attend, hear, and participate in meetings.

"The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created."

Cal. Gov't Code sec. 54950

Understanding the Brown Act

- What is a “legislative body”?
- What is a “meeting”?
  - Quorum requirements
  - Types of meetings
- How does the public participate?
  - Notice and agendas
  - Public comment
- Are there penalties for violating the Act?

What is a legislative body?

- Governing body of a local agency
  - Includes newly elected members
- Commission, Committee, or Board created by charter, ordinance, or formal action of the legislative body
  - May be temporary or permanent
  - May be decision-making or advisory

What is NOT a legislative body?

- Temporary advisory committee comprised of less than a quorum of the body
  - Must serve for a limited purpose and duration
  - Must be dissolved after specific task is completed
- Groups advisory to a single decision-maker or appointed by staff

What is a meeting?

- Any gathering of a majority of the members of a legislative body at the same time and location to hear, discuss, deliberate, or take action upon any item(s) within its subject matter jurisdiction

★Be careful to avoid informal meetings

Is there a quorum?

- Is a majority of the Commission present?
  - Based on the members of the established body
  - Not based on the number of seats filled

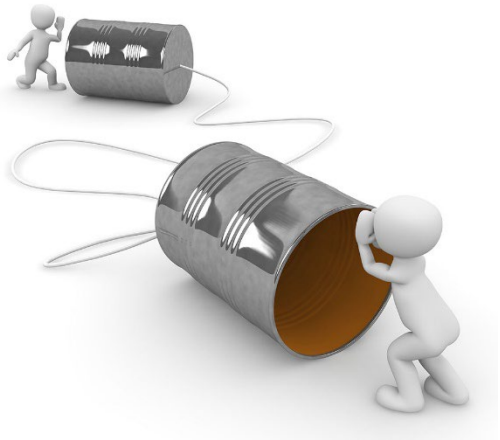

- Here, a quorum is three members
  - The Commission consists of five members

Types of Meetings

- Formal Meetings
  - Regular meeting
  - Special meeting
  - Adjourned meeting

- Informal Meetings
  - Daisy Chain
  - Hub and Spoke
  - Email/other technology

Regular Meetings

- Must be held at the time and place set by ordinance, resolution, or other formal action of the body
- An agenda must be posted at least 72 hours in advance

Special Meetings

- May occur at any time
- Called by the commission chair, commission liaison, or a majority of the commission members
- Require written notice 24 hours before the meeting
  - delivered to each member and to all media outlets that have requested notice in writing
- Only business stated in the notice may be considered at the meeting

Adjourned Meetings

- Regular or special meetings
- Called by commission chair, commission liaison, or by majority of the commission members
- Consultation with the City Attorney
- Notice of adjournment posted within 24 hours
  - Exception if the meeting reconvenes in less time

Exceptions

- Individual contacts
  - **<u>Caution</u>**: serial meetings
- Conferences
- Community meetings
- Other legislative bodies
- Standing committees
- Social or ceremonial events

★ *But remember, a majority of commission members may not discuss business of a specific nature that is within the commission's subject matter jurisdiction.*

Serial Meetings

"A majority of the members of a legislative body shall not, outside a meeting . . . use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body."

(Cal Gov't Code sec. 54952.2(b)(1))

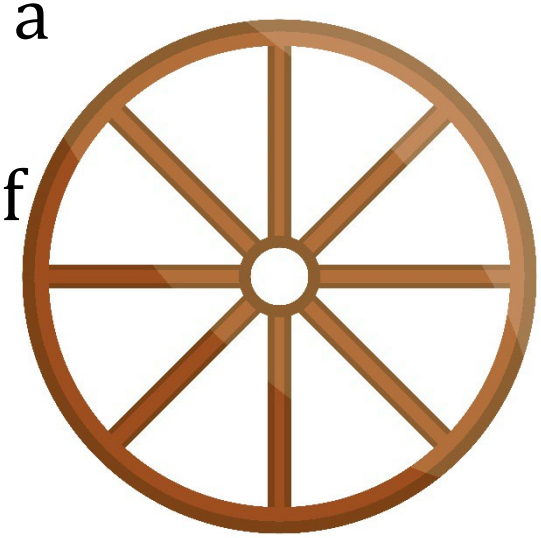

Serial Meetings

- **Daisy Chain**: Commission member A contacts commission member B, and commission member B contacts commission member C, and so on, until a quorum has been involved

Serial Meetings

- **Hub and Spoke**:
  - Commission member A talks to commission member B, then commission member C, then commission member D and so on until a quorum has been contacted
  - An intermediary contacts a majority of members one-by-one for discussion, deliberation, or a decision

Methods of Communication

The communication is what creates the violation, not the method of communication.

- Electronic Communications
  - The Brown Act applies to internet-based social media platforms
  - Use of e-mail or other technology/media by a majority of a legislative body to discuss, deliberate, or take action on items within the body's jurisdiction violates the Brown Act

Emails and Electronic Communications

- Commission members should not use email, text, internet-based social media, or other technology:
  - To develop a collective consensus, agreement, or decision; or
  - Exchange information about their views or positions on public business

Social Media and the Brown Act

- Officials subject to the Brown Act may communicate with the public on social media. This includes:
  - Answering questions
  - Providing information
  - Soliciting information

- Officials may not respond or react to anything posted or shared on social media regarding business of the legislative body by another member of the same legislative body
  - This includes "liking" a social media post

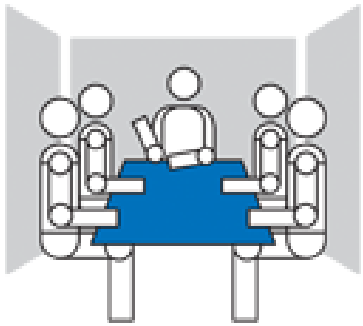

Private Emails and Public Records

Communications related to the conduct of public business, even if in a private account, may be subject to disclosure under California Public Records Act

(*See City of San Jose v. Superior Court* (2017) 2 Cal.5th 608)

Basic Requirements of a Meeting

Meeting must be:

- Properly noticed;
- Include only business described in the agenda;
- Take place within the geographic boundaries of the territory over which the commission has jurisdiction; and
- Be completely accessible to the public

Notice

- A written agenda must be prepared for each regular or adjourned regular meeting of each legislative body
- The agenda for a regular meeting must be posted at least 72 hours before the meeting
- Notice of all meetings must be posted on the City's website

Agendas

- Agendas must contain a brief description of every item to be discussed and each action to be taken
- Descriptions must be:
  - clear enough to be understood by members of the public and
  - detailed enough to inform the public of the items to be discussed and the actions to be taken
- Agendas for regular meetings must include a time for public comment

Items Not on the Agenda

Action or discussion of items not on the agenda is generally prohibited

Public Comment

- Public comment period must be on the agenda for any matter in the jurisdiction of the legislative body
- Public may also comment on items on the agenda prior to, or during, consideration of the item
- Commission chair may limit the duration of the comment
- May request public to fill out speaker cards

Public Comment

Cautions

- Speakers should not be restricted or otherwise limited based on their viewpoints
- Do not prevent speakers from participating for failure to provide name or address
- Even if no speakers filled out a speaker card, ask if anyone wishes to speak before closing the public comment period
- Must allow for negative comments but not willful interruptions

Penalties

- Invalidation of action/decision
- Criminal misdemeanor

Rules of Procedure

City Council has adopted rules of procedure for the orderly, consistent, and fair conduct of meetings consistent with applicable law

See also, City of Livermore Airport Commission Rules of Procedure

Sources of Rules of Order

- City Council Rules of Procedure
- Airport Commission Rules of Procedure
- Rosenberg's Rules of Order (Revised 2011)
  - In the event of a conflict between City Council Rules of Procedure and Rosenberg's Rules of Order, City Council Rules of Procedure prevail

Rules of Order

- The starting point for a meeting is the establishment of a quorum
  - A quorum must be present to conduct any business. Quorum = 3 Commissioners
  - If no quorum → adjourn meeting
- The commission chair is charged with applying the rules of conduct of the meetings
- Points of order shall be settled by the chair

Format for Agenda Item Discussion

The commission chair should:

1. Announce agenda item number and state agenda item subject
2. Invite staff to report on item
3. Ask commission members if they have technical questions of clarification
4. Participating parties address the commission
5. Open for public comment
6. Announce when public comment has concluded
7. Commission members deliberate and discuss the item
8. Invite a motion
9. Determine if another commission member wants to second the motion
10. Take a vote
11. Announce the result of the vote and what action the body has taken

Voting

- For a 5-member commission, you must have at least 3 to hold a meeting; If all commission members are present, a vote of 3-2 passes a motion. A majority vote of commission members present passes a basic motion.
- A motion fails if there is a tie vote. If 4 commission members attend, 2-2 vote = motion fails
  - Commission members may continue to deliberate after a tie vote to determine if they can break the deadlock
  - Can continue the item if vote tied due to absent Commission member with no conflict of interest

Abstentions
Council Rules of Procedure

- City Council policy discourages abstentions, without impeding any member's right to choose not to speak
- Commission members must announce abstention when item is first called for consideration and must not participate in consideration of item
- If commission member fails to announce abstention when item is first called for consideration or the commission member participates in the consideration of the item → abstention is tabulated as a vote in favor of the motion
- Silence of a commission member shall be tabulated along with the majority of votes cast by the commission members present and voting on the motion since the silent commission member is conceding to the majority's wishes

Media, Recording Meetings, and Workshops

- Meetings of a commission shall be open to the media
- Meetings may be recorded by the public and the media as long as recordings don't interfere with orderly conduct of meetings or constitute a persistent disruption of proceedings

Transparency Laws

- California Constitution
- Brown Act
- Public Records Act
- Political Reform Act
    - Form 700 Economic Interest Disclosure

Key Points to Remember

- All meetings shall be open and public except when the Brown Act provides for exceptions
- Applies to local agencies, legislative bodies, and individuals elected to legislative bodies even before assuming office
- Applies to social media

Pitfalls to Avoid

- Discussing an item that is not on the agenda
- Serial meetings
- Discussing business with a quorum of members outside of a public meeting

Recent Updates to the Brown Act

- SB 707 (Durazo, 2025) — Brown Act Modernization Act
- - Expanding public access and hybrid meetings
- - Adds language access/translation requirements
- - Modernizes teleconferencing rules starting July 1 through 2030

- AB 2449 (2022)

TITLE 5. LOCAL AGENCIES [50001 - 57607] (Title 5 added by Stats. 1949, Ch. 81.)

DIVISION 2. CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 55821] (Division 2 added by Stats. 1949, Ch. 81.)

PART 1. POWERS AND DUTIES COMMON TO CITIES, COUNTIES, AND OTHER AGENCIES [53000 - 54999.7] (Part 1 added by Stats. 1949, Ch. 81.)

CHAPTER 9. Meetings [54950 - 54963] *(Chapter 9 added by Stats. 1953, Ch. 1588.)*

54950. In enacting this chapter, the Legislature finds and declares that the public commissions, boards and councils and the other public agencies in this State exist to aid in the conduct of the people's business. It is the intent of the law that their actions be taken openly and that their deliberations be conducted openly.

The people of this State do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

(Added by Stats. 1953, Ch. 1588.)

54950.5. This chapter shall be known as the Ralph M. Brown Act.

(Added by Stats. 1961, Ch. 115.)

54951. As used in this chapter, "local agency" means a county, city, whether general law or chartered, city and county, town, school district, municipal corporation, district, political subdivision, or any board, commission or agency thereof, or other local public agency.

(Amended by Stats. 1959, Ch. 1417.)

54952. As used in this chapter, "legislative body" means:

(a) The governing body of a local agency or any other local body created by state or federal statute.

(b) A commission, committee, board, or other body of a local agency, whether permanent or temporary, decisionmaking or advisory, created by charter, ordinance, resolution, or formal action of a legislative body. However, advisory committees, composed solely of the members of the legislative body that are less than a quorum of the legislative body are not legislative bodies, except that standing committees of a legislative body, irrespective of their composition, which have a continuing subject matter jurisdiction, or a meeting schedule fixed by charter, ordinance, resolution, or formal action of a legislative body are legislative bodies for purposes of this chapter.

(c) (1) A board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that either:

(A) Is created by the elected legislative body in order to exercise authority that may lawfully be delegated by the elected governing body to a private corporation, limited liability company, or other entity.

(B) Receives funds from a local agency and the membership of whose governing body includes a member of the legislative body of the local agency appointed to that governing body as a full voting member by the legislative body of the local agency.

(2) Notwithstanding subparagraph (B) of paragraph (1), no board, commission, committee, or other multimember body that governs a private corporation, limited liability company, or other entity that receives funds from a local agency and, as of February 9, 1996, has a member of the legislative body of the local agency as a full voting member of the governing body of that private corporation, limited liability company, or other entity shall be relieved from the public meeting requirements of this chapter by virtue of a change in status of the full voting member to a nonvoting member.

(d) The lessee of any hospital the whole or part of which is first leased pursuant to subdivision (p) of Section 32121 of the Health and Safety Code after January 1, 1994, where the lessee exercises any material authority of a legislative body of a local agency delegated to it by that legislative body whether the lessee is organized and operated by the local agency or by a delegated authority.

(Amended by Stats. 2002, Ch. 1073, Sec. 2. Effective January 1, 2003.)

54952.1. Any person elected to serve as a member of a legislative body who has not yet assumed the duties of office shall conform his or her conduct to the requirements of this chapter and shall be treated for purposes of enforcement of this chapter as if he or she has already assumed office.

(Amended by Stats. 1994, Ch. 32, Sec. 2. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54952.2. (a) As used in this chapter, "meeting" means any congregation of a majority of the members of a legislative body at the same time and location, including teleconference location as permitted by Section 54953, to hear, discuss, deliberate, or take action on any item that is within the subject matter jurisdiction of the legislative body.

(b) (1) A majority of the members of a legislative body shall not, outside a meeting authorized by this chapter, use a series of communications of any kind, directly or through intermediaries, to discuss, deliberate, or take action on any item of business that is within the subject matter jurisdiction of the legislative body.

(2) Paragraph (1) shall not be construed as preventing an employee or official of a local agency, from engaging in separate conversations or communications outside of a meeting authorized by this chapter with members of a legislative body in order to answer questions or provide information regarding a matter that is within the subject matter jurisdiction of the

local agency, if that person does not communicate to members of the legislative body the comments or position of any other member or members of the legislative body.

(3) (A) Paragraph (1) shall not be construed as preventing a member of the legislative body from engaging in separate conversations or communications on an internet-based social media platform to answer questions, provide information to the public, or to solicit information from the public regarding a matter that is within the subject matter jurisdiction of the legislative body provided that a majority of the members of the legislative body do not use the internet-based social media platform to discuss among themselves business of a specific nature that is within the subject matter jurisdiction of the legislative body. A member of the legislative body shall not respond directly to any communication on an internet-based social media platform regarding a matter that is within the subject matter jurisdiction of the legislative body that is made, posted, or shared by any other member of the legislative body.

(B) For purposes of this paragraph, all of the following definitions shall apply:

(i) "Discuss among themselves" means communications made, posted, or shared on an internet-based social media platform between members of a legislative body, including comments or use of digital icons that express reactions to communications made by other members of the legislative body.

(ii) "Internet-based social media platform" means an online service that is open and accessible to the public.

(iii) "Open and accessible to the public" means that members of the general public have the ability to access and participate, free of charge, in the social media platform without the approval by the social media platform or a person or entity other than the social media platform, including any forum and chatroom, and cannot be blocked from doing so, except when the internet-based social media platform determines that an individual violated its protocols or rules.

(c) Nothing in this section shall impose the requirements of this chapter upon any of the following:

(1) Individual contacts or conversations between a member of a legislative body and any other person that do not violate subdivision (b).

54952.3. (a) A legislative body that has convened a meeting and whose membership constitutes a quorum of any other legislative body may convene a meeting of that other legislative body, simultaneously or in serial order, only if a clerk or a member of the convened legislative body verbally announces, prior to convening any simultaneous or serial order meeting of that subsequent legislative body, the amount of compensation or stipend, if any, that each member will be entitled to receive as a result of convening the simultaneous or serial meeting of the subsequent legislative body and identifies that the compensation or stipend shall be provided as a result of convening a meeting for which each member is entitled to collect compensation or a stipend. However, the clerk or member of the legislative body shall not be required to announce the amount of compensation if the amount of compensation is prescribed in statute and no additional compensation has been authorized by a local agency.

(Amended by Stats. 2025, Ch. 327, Sec.3. (SB 707) Effective January 1, 2026.)

54953. (a) All meetings of the legislative body of a local agency shall be open and public, and all persons shall be permitted to attend any meeting of the legislative body of a local agency, except as otherwise provided in this chapter.

(b) (1) Notwithstanding any other provision of law, the legislative body of a local agency may use teleconferencing for the benefit of the public and the legislative body of a local agency in connection with any meeting or proceeding authorized by law. The teleconferenced meeting or proceeding shall comply with all otherwise applicable requirements of this chapter and all otherwise applicable provisions of law relating to a specific type of meeting or proceeding.

(2) Teleconferencing, as authorized by this section, may be used for all purposes in connection with any meeting within the subject matter jurisdiction of the legislative body. If the legislative body of a local agency elects to use teleconferencing, the legislative body of a local agency shall comply with all of the following:

(c) (1) Nothing in this chapter shall be construed to prohibit a member of a legislative body with a disability from participating in any meeting of the legislative body by remote participation as a reasonable accommodation pursuant to any applicable law.

(2) A member of a legislative body participating in a meeting by remote participation pursuant to this subdivision shall do both of the following:

(A) The member shall participate through both audio and visual technology, except that any member with a disability, as defined in Section 12102 of Title 42 of the United States Code, may participate only through audio technology if a physical condition related to their disability results in a need to participate off camera.

(B) The member shall disclose at the meeting before any action is taken, whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any of those individuals.

(3) Remote participation under this subdivision shall be treated as in-person attendance at the physical meeting location for all purposes, including any requirement that a quorum of the legislative body participate from any particular location. The provisions of subdivision (b) and Sections 54953.8 to 54953.8.7, inclusive, shall not apply to remote participation under this subdivision.

(i) A local agency executive, as defined in subdivision (d) of Section 3511.1.

(ii) A department head or other similar administrative officer of the local agency.

(B) This paragraph shall not affect the public's right under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1) to inspect or copy records created or received in the process of developing the recommendation.

(e) For purposes of this section, both of the following definitions apply:

(2) (A) "Teleconference" means a meeting of a legislative body, the members of which are in different locations, connected by electronic means, through either audio or video, or both.

(B) Notwithstanding subparagraph (A), "teleconference" does not include one or more members watching or listening to a meeting via webcasting or any other similar

electronic medium that does not permit members to interactively speak, discuss, or deliberate on matters.

(3) "Remote participation" means participation in a meeting by teleconference at a location other than any physical meeting location designated in the notice of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec.4. (SB 707) Effective January 1, 2026.)

54953.3. A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(Amended by Stats. 1981, Ch. 968, Sec. 28.)

54953.4. (a) The Legislature finds and declares that public access, including through translation of agendas as required by this section, is necessary for an informed populace. The Legislature encourages local agencies to adopt public access requirements that exceed the requirements of this chapter by translating additional languages, employing human translators, and conducting additional outreach.

(b) (1) In addition to any other applicable requirements of this chapter, a meeting held by a eligible legislative body pursuant to this chapter shall comply with both of the following requirements:

(A) (i) (I) (ia) All open and public meetings shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform, except if adequate telephonic or internet service is not operational at the meeting location. If adequate telephonic or internet service is operational at the meeting location during

only a portion of the meeting, the legislative body shall include an opportunity for members of the public to attend via a two-way telephonic service or a two-way audiovisual platform during that portion of the meeting.

(ib) (Ia) On or before July 1, 2026, an eligible legislative body shall approve at a noticed public meeting in open session, not on the consent calendar, a policy regarding disruption of telephonic or internet service occurring during meetings subject to this sub-subclause. The policy shall address the procedures for recessing and reconvening a meeting in the event of disruption and the efforts that the eligible legislative body shall make to attempt to restore the service.

(Ib) If a disruption of telephonic or internet service that prevents members of the public from attending or observing the meeting via the two-way telephonic service or two-way audiovisual platform occurs during the meeting, the eligible legislative body shall recess the open session of the meeting for at least one hour and make a good faith attempt to restore the service. The eligible legislative body may meet in closed session during this period. The eligible legislative body shall not reconvene the open session of the meeting until at least one hour following the disruption, or until telephonic or internet service is restored, whichever is earlier.

(Ic) Upon reconvening the open session, if telephonic or internet service has not been restored, the eligible legislative body shall adopt a finding by rollcall vote that good faith efforts to restore the telephonic or internet service have been made in accordance with the policy adopted pursuant to sub-sub-subclause (Ia) and that the public interest in continuing the meeting outweighs the public interest in remote public access.

(II) Subclause (I) does not apply to a meeting that is held to do any of the following:

(ib) Inspect real or personal property provided that the topic of the meeting is limited to items directly related to the real or personal property.

If an eligible legislative body does not elect to provide a two-way audiovisual platform, the eligible legislative body shall provide a two-way telephonic service for the public to participate in the meeting, pursuant to subclause (I).

(B) (i) All open and public meetings for which attendance via a two-way telephonic service or a two-way audiovisual platform is provided in accordance with paragraph (1) shall provide the public with an opportunity to provide public comment in accordance with Section 54954.3 via the two-way telephonic or two-way audiovisual platform, and ensure the opportunity for the members of the public participating via a two-way telephonic or two-way audiovisual platform to provide public comment with the same time allotment as a person attending a meeting in person.

(2) (A) An eligible legislative body shall reasonably assist members of the public who wish to translate a public meeting into any language or wish to receive interpretation provided by another member of the public, so long as the interpretation is not disrupting to the meeting, as defined in Section 54957.95. The eligible legislative body shall publicize instructions on how to request assistance under this subdivision. Assistance may include any of the following, as determined by the eligible legislative body:

(i) Arranging space for one or more interpreters at the meeting location.

(ii) Allowing extra time during the meeting for interpretation to occur.

(iii) Ensuring participants may utilize their personal equipment or reasonably access facilities for participants to access commercially available interpretation services.

(B) This section does not require an eligible legislative body to provide interpretation of any public meeting, however, an eligible legislative body may elect to provide interpretation of any public meeting.

(C) The eligible legislative body is not responsible for the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision. An action shall not be commenced or maintained against the eligible legislative body arising from the content or accuracy of any interpretation facilitated, assisted with, or provided under this subdivision.

(II) An explanation of the procedures for a member of the public to provide in-person or remote oral public comment during a public meeting or to submit written public comment.

(III) A calendar of all public meeting dates with calendar listings that include the date, time, and location of each public meeting.

(IV) The agenda posted online pursuant to paragraph (2) of subdivision (a) of Section 54954.2.

(ii) The eligible legislative body shall include a link to the webpage required by subparagraph (A) on the home page of the eligible legislative body's internet website.

(ii) Legislative bodies shall have broad discretion in the choice of reasonable efforts they make under this subparagraph. No action shall be commenced or maintained against an eligible legislative body arising from failing to provide public meeting information to any specific group pursuant to this subparagraph.

(c) (1) (A) The agenda for each meeting of an eligible legislative body shall be translated into all applicable languages, and each translation shall be posted in accordance with Section 54954.2. Each translation shall include instructions in the applicable language describing how to join the meeting by the telephonic or internet-based service option, including any requirements for registration for public comment.

(B) The accessible internet webpage provided under subparagraph (B) of paragraph (3) of subdivision (b) shall be translated into all applicable languages, and each translation shall

be accessible through a prominent direct link posted on the primary internet website home page of the eligible legislative body.

(2) A translation made using a digital translation service shall satisfy the requirements of paragraph (1).

(4) The eligible legislative body is not responsible for the content or accuracy of any translation provided pursuant to this subdivision. No action shall be commenced or maintained against an eligible legislative body arising from the content, accuracy, posting, or removal of any translation provided by the eligible legislative body or posted by any person pursuant to this subdivision.

(5) For the purposes of this section, the agenda does not include the entire agenda packet.

(B) For the purposes of subparagraph (A), the applicable population shall be determined as follows:

(i) For an eligible legislative body that is a city council or county board of supervisors, the applicable population shall be the population of the city or county.

(C) If more than three languages meet the criteria set forth in subparagraph (A), "applicable languages" shall mean the three languages described in subparagraph (A) that are spoken by the largest percentage of the population.

(D) An eligible legislative body may elect to determine the applicable languages based upon a source other than the most recent American Community Survey if it makes a finding, based upon substantial evidence, that the other source provides equally or more reliable data for the territory over which the eligible legislative body exercises jurisdiction.

(2) "Eligible legislative body" means any of the following:

(2) (A) Notwithstanding paragraph (1), the agenda need not provide an opportunity for members of the public to address the legislative body on any item that has already been considered by a committee, composed exclusively of members of the legislative body, at a public meeting wherein all interested members of the public were afforded the opportunity to

address the committee on the item, before or during the committee's consideration of the item.

(B) Subparagraph (A) shall not apply if any of the following conditions are met:

(i) The item has been substantially changed since the committee heard the item, as determined by the legislative body.

(ii) When considering the item, a quorum of the committee members did not participate from a singular physical location, that was clearly identified on the agenda, open to the public, and situated within the boundaries of the territory over which the local agency exercises jurisdiction.

(iii) The committee has primary subject matter jurisdiction, as defined by the charter, an ordinance, a resolution, or any formal action of the legislative body that created the subsidiary body, that focuses on elections, budgets, police oversight, privacy, removing from, or restricting access to, materials available in public libraries, or taxes or related spending proposals. This clause shall not apply to an item if the local agency has adopted a law applicable to the meeting of the committee at which the item that was considered prohibits the committee from placing a limit on the total amount of time for public comment on the item.

(3) Every notice for a special meeting shall provide an opportunity for members of the public to directly address the legislative body concerning any item that has been described in the notice for the meeting before or during consideration of that item.

(b) (1) The legislative body of a local agency may adopt reasonable regulations to ensure that the intent of subdivision (a) is carried out, including, but not limited to, regulations limiting the total amount of time allocated for public testimony on particular issues and for each individual speaker.

(2) Notwithstanding paragraph (1), when the legislative body of a local agency limits time for public comment, the legislative body of a local agency shall provide at least twice the allotted time to a member of the public who utilizes a translator to ensure that non-English speakers receive the same opportunity to directly address the legislative body of a local agency.

(3) Paragraph (2) shall not apply if the legislative body of a local agency utilizes simultaneous translation equipment in a manner that allows the legislative body of a local agency to hear the translated public testimony simultaneously.

(c) The legislative body of a local agency shall not prohibit public criticism of the policies, procedures, programs, or services of the agency, or of the acts or omissions of the legislative body. Nothing in this subdivision shall confer any privilege or protection for expression beyond that otherwise provided by law.

(Amended by Stats. 2025, Ch. 327, Sec.17. (SB 707) Effective January 1, 2026.)

54954.4. (a) The Legislature hereby finds and declares that Section 12 of Chapter 641 of the Statutes of 1986, authorizing reimbursement to local agencies and school districts for costs mandated by the state pursuant to that act, shall be interpreted strictly. The intent of the Legislature is to provide reimbursement for only those costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986.

(b) In this regard, the Legislature directs all state employees and officials involved in reviewing or authorizing claims for reimbursement, or otherwise participating in the reimbursement process, to rigorously review each claim and authorize only those claims, or parts thereof, which represent costs which are clearly and unequivocally incurred as the direct and necessary result of compliance with Chapter 641 of the Statutes of 1986 and for which complete documentation exists. For purposes of Section 54954.2, costs eligible for reimbursement shall only include the actual cost to post a single agenda for any one meeting.

(c) The Legislature hereby finds and declares that complete, faithful, and uninterrupted compliance with the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code) is a matter of overriding public importance. Unless specifically stated, no future Budget Act, or related budget enactments, shall, in any manner, be interpreted to suspend, eliminate, or otherwise modify the legal obligation and duty of local agencies to fully comply with Chapter 641 of the Statutes of 1986 in a complete, faithful, and uninterrupted manner.

54954.6. (a) (1) Before adopting any new or increased general tax or any new or increased assessment, the legislative body of a local agency shall conduct at least one public meeting at which local officials shall allow public testimony regarding the proposed new or increased general tax or new or increased assessment in addition to the noticed public hearing at which the legislative body proposes to enact or increase the general tax or assessment.

For purposes of this section, the term "new or increased assessment" does not include any of the following:

(A) A fee that does not exceed the reasonable cost of providing the services, facilities, or regulatory activity for which the fee is charged.

(B) A service charge, rate, or charge, unless a special district's principal act requires the service charge, rate, or charge to conform to the requirements of this section.

(C) An ongoing annual assessment if it is imposed at the same or lower amount as any previous year.

(D) An assessment that does not exceed an assessment formula or range of assessments previously specified in the notice given to the public pursuant to subparagraph (G) of paragraph (2) of subdivision (c) and that was previously adopted by the agency or approved by the voters in the area where the assessment is imposed.

(E) Standby or immediate availability charges.

(2) The legislative body shall provide at least 45 days' public notice of the public hearing at which the legislative body proposes to enact or increase the general tax or assessment. (b) (1) The joint notice of both the public meeting and the public hearing required by subdivision (a) with respect to a proposal for a new or increased general tax shall be accomplished by placing a display advertisement of at least one-eighth page in a newspaper of general circulation for three weeks pursuant to Section 6063 and by a first-class mailing to those interested parties who have filed a written request with the local agency for mailed notice of public meetings or hearings on new or increased general taxes. The public meeting pursuant to subdivision (a) shall take place no earlier than 10 days after the first publication of the joint notice pursuant to this subdivision. The public hearing shall take place no earlier than seven days after the public meeting pursuant to this subdivision. Notwithstanding paragraph (2) of subdivision (a), the joint notice need not include notice of the public meeting after the meeting has taken place. The public hearing pursuant to subdivision (a) shall take place no earlier than 45 days after the first publication of the joint notice pursuant to this subdivision. Any written request for mailed notices shall be effective for one year from the date on which it is filed unless a renewal request is filed. Renewal requests for mailed notices shall be filed on or before April 1 of each year. The legislative body may establish a reasonable annual charge for sending notices based on the estimated cost of providing the service.

(2) The notice required by paragraph (1) of this subdivision shall include, but not be limited to, the following:

(A) The amount or rate of the tax. If the tax is proposed to be increased from any previous year, the joint notice shall separately state both the existing tax rate and the proposed tax rate increase.

The envelope or the cover of the mailing shall include the name of the local agency and the return address of the sender. This mailed notice shall be in at least 10-point type and shall be given to all property owners or business owners proposed to be subject to the new or increased assessment by a mailing by name to those persons whose names and addresses appear on the last equalized county assessment roll, the State Board of Equalization assessment roll, or the local agency's records pertaining to business ownership, as the case may be.

(A) In the case of an assessment proposed to be levied on property, the estimated amount of the assessment per parcel. In the case of an assessment proposed to be levied on businesses, the proposed method and basis of levying the assessment in sufficient detail to allow each business owner to calculate the amount of assessment to be levied against each business. If the assessment is proposed to be increased from any previous year, the joint notice shall separately state both the amount of the existing assessment and the proposed assessment increase.

(B) A general description of the purpose or improvements that the assessment will fund.

(C) The address to which property owners may mail a protest against the assessment.

(D) The telephone number and address of an individual, office, or organization that interested persons may contact to receive additional information about the assessment.

(E) A statement that a majority protest will cause the assessment to be abandoned if the assessment act used to levy the assessment so provides. Notice shall also state the percentage of protests required to trigger an election, if applicable.

(F) The dates, times, and locations of the public meeting and hearing described in subdivision (a).

(G) A proposed assessment formula or range as described in subparagraph (D) of paragraph (1) of subdivision (a) if applicable and that is noticed pursuant to this section.

(4) Notwithstanding paragraph (1), in the case of an assessment proposed to be levied pursuant to Part 2 (commencing with Section 22500) of Division 2 of the Streets and Highways Code by a regional park district, regional park and open-space district, or regional open-space district formed pursuant to Article 3 (commencing with Section 5500) of Chapter 3 of Division 5 of, or pursuant to Division 26 (commencing with Section 35100) of, the Public Resources Code, notice may be provided pursuant to paragraph (1) of subdivision (b).

(d) The notice requirements imposed by this section shall be construed as additional to, and not to supersede, existing provisions of law, and shall be applied concurrently with the existing provisions so as to not delay or prolong the governmental decisionmaking process.

(1) The property owners subject to the assessment.

(2) The voters within the local agency imposing the tax or assessment.

(f) Nothing in this section shall prohibit a local agency from holding a consolidated meeting or hearing at which the legislative body discusses multiple tax or assessment proposals.

(g) The local agency may recover the reasonable costs of public meetings, public hearings, and notice required by this section from the proceeds of the tax or assessment. The costs recovered for these purposes, whether recovered pursuant to this subdivision or any other provision of law, shall not exceed the reasonable costs of the public meetings, public hearings, and notice.

(h) Any new or increased assessment that is subject to the notice and hearing provisions of Article XIII C or XIII D of the California Constitution is not subject to the notice and hearing requirements of this section.

(Amended by Stats. 2011, Ch. 382, Sec. 3.5. (SB 194) Effective January 1, 2012.)

54955. The legislative body of a local agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the legislative body may declare the meeting adjourned to a stated time and place and he shall cause a written notice of the

adjournment to be given in the same manner as provided in Section 54956 for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held within 24 hours after the time of the adjournment. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

(Amended by Stats. 1959, Ch. 647.)

54955.1. Any hearing being held, or noticed or ordered to be held, by a legislative body of a local agency at any meeting may by order or notice of continuance be continued or recontinued to any subsequent meeting of the legislative body in the same manner and to the same extent set forth in Section 54955 for the adjournment of meetings; provided, that if the hearing is continued to a time less than 24 hours after the time specified in the order or notice of hearing, a copy of the order or notice of continuance of hearing shall be posted immediately following the meeting at which the order or declaration of continuance was adopted or made.

(Added by Stats. 1965, Ch. 469.)

54956. (a) (1) A special meeting may be called at any time by the presiding officer of the legislative body of a local agency, or by a majority of the members of the legislative body, by delivering written notice to each member of the legislative body and to each local newspaper of general circulation and radio or television station requesting notice in writing and posting a notice on the local agency's internet website, if the local agency has one. The notice shall be delivered personally or by any other means and shall be received at least 24 hours before the time of the meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted or discussed. No other business shall be considered at these meetings by the legislative body. The written notice may be dispensed with as to any member who at or prior to the time the meeting convenes files with the clerk or secretary of the legislative body a written waiver of notice. The waiver may be given by telephone or electronic mail. The written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes.

(2) The call and notice shall be posted at least 24 hours prior to the special meeting in a location that is freely accessible to members of the public.

(b) Notwithstanding any other law, a legislative body shall not call a special meeting regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits, of the legislative body or of a local agency executive, as defined in subdivision (d) of Section 3511.1. However, this subdivision does not apply to a local agency calling a special meeting to discuss the local agency's budget.

(Amended by Stats. 2025, Ch. 327, Sec.18. (SB 707) Effective January 1, 2026.)

54956.5. (a) For purposes of this section, "emergency situation" means both of the following:

(1) An emergency, which shall be defined as a work stoppage, crippling activity, or other activity that severely impairs public health, safety, or both, as determined by a majority of the members of the legislative body.

(2) A dire emergency, which shall be defined as a crippling disaster, mass destruction, terrorist act, or threatened terrorist activity that poses peril so immediate and significant that requiring a legislative body to provide one-hour notice before holding an emergency meeting under this section may endanger the public health, safety, or both, as determined by a majority of the members of the legislative body.

(b) (1) Subject to paragraph (2), in the case of an emergency situation involving matters upon which prompt action is necessary due to the disruption or threatened disruption of public facilities, a legislative body may hold an emergency meeting without complying with either the 24-hour notice requirement or the 24-hour posting requirement of Section 54956 or both of the notice and posting requirements.

(2) Each local newspaper of general circulation and radio or television station that has requested notice of special meetings pursuant to Section 54956 shall be notified by the presiding officer of the legislative body, or designee thereof, one hour prior to the emergency meeting, or, in the case of a dire emergency, at or near the time that the presiding officer or designee notifies the members of the legislative body of the emergency meeting.

(A) Except as provided in subparagraph (B), the notice required by this paragraph shall be given by telephone and all telephone numbers provided in the most recent request of a newspaper or station for notification of special meetings shall be exhausted. In the event that telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(B) For an emergency meeting held pursuant to this section, the presiding officer of the legislative body, or designee thereof, may send the notifications required by this paragraph by email instead of by telephone, as provided in subparagraph (A), to all local newspapers of general circulation, and radio or television stations, that have requested those notifications by email, and all email addresses provided by representatives of those newspapers or stations shall be exhausted. In the event that internet services and telephone services are not functioning, the notice requirements of this paragraph shall be deemed waived, and the legislative body, or designee of the legislative body, shall notify those newspapers, radio stations, or television stations of the fact of the holding of the emergency meeting, the purpose of the meeting, and any action taken at the meeting as soon after the meeting as possible.

(c) During a meeting held pursuant to this section, the legislative body may meet in closed session pursuant to Section 54957 if agreed to by a two-thirds vote of the members of the legislative body present, or, if less than two-thirds of the members are present, by a unanimous vote of the members present.

(d) All special meeting requirements, as prescribed in Section 54956 shall be applicable to a meeting called pursuant to this section, with the exception of the 24-hour notice requirement.

(e) The minutes of a meeting called pursuant to this section, a list of persons who the presiding officer of the legislative body, or designee of the legislative body, notified or attempted to notify, a copy of the rollcall vote, and any actions taken at the meeting shall be posted for a minimum of 10 days in a public place as soon after the meeting as possible.

(Amended by Stats. 2025, Ch. 327, Sec.19. (SB 707) Effective January 1, 2026.)

54956.6. No fees may be charged by the legislative body of a local agency for carrying out any provision of this chapter, except as specifically authorized by this chapter.

(Added by Stats. 1980, Ch. 1284.)

54956.7. Whenever a legislative body of a local agency determines that it is necessary to discuss and determine whether an applicant for a license or license renewal, who has a criminal record, is sufficiently rehabilitated to obtain the license, the legislative body may hold a closed session with the applicant and the applicant's attorney, if any, for the purpose of holding the discussion and making the determination. If the legislative body determines, as a result of the closed session, that the issuance or renewal of the license should be denied, the applicant shall be offered the opportunity to withdraw the application. If the applicant withdraws the application, no record shall be kept of the discussions or decisions made at the closed session and all matters relating to the closed session shall be confidential. If the applicant does not withdraw the application, the legislative body shall take action at the public meeting during which the closed session is held or at its next public meeting denying the application for the license but all matters relating to the closed session are confidential and shall not be disclosed without the consent of the applicant, except in an action by an applicant who has been denied a license challenging the denial of the license.

(Added by Stats. 1982, Ch. 298, Sec. 1.)

54956.75. (a) Nothing contained in this chapter shall be construed to prevent the legislative body of a local agency that has received a confidential final draft audit report from the Bureau of State Audits from holding closed sessions to discuss its response to that report.

(b) After the public release of an audit report by the Bureau of State Audits, if a legislative body of a local agency meets to discuss the audit report, it shall do so in an open session unless exempted from that requirement by some other provision of law.

(Added by Stats. 2004, Ch. 576, Sec. 4. Effective January 1, 2005.)

54956.8. Notwithstanding any other provision of this chapter, a legislative body of a local agency may hold a closed session with its negotiator prior to the purchase, sale, exchange, or lease of real property by or for the local agency to grant authority to its negotiator regarding the price and terms of payment for the purchase, sale, exchange, or lease.

However, prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its negotiators, the real property or real properties which the negotiations may concern, and the person or persons with whom its negotiators may negotiate.

For purposes of this section, negotiators may be members of the legislative body of the local agency.

For purposes of this section, "lease" includes renewal or renegotiation of a lease.

Nothing in this section shall preclude a local agency from holding a closed session for discussions regarding eminent domain proceedings pursuant to Section 54956.9.

(Amended by Stats. 1998, Ch. 260, Sec. 3. Effective January 1, 1999.)

54956.81. Notwithstanding any other provision of this chapter, a legislative body of a local agency that invests pension funds may hold a closed session to consider the purchase or sale of particular, specific pension fund investments. All investment transaction decisions made during the closed session shall be made by rollcall vote entered into the minutes of the closed session as provided in subdivision (a) of Section 54957.2.

(Added by Stats. 2004, Ch. 533, Sec. 20. Effective January 1, 2005.)

54956.86. Notwithstanding any other provision of this chapter, a legislative body of a local agency which provides services pursuant to Section 14087.3 of the Welfare and Institutions Code may hold a closed session to hear a charge or complaint from a member enrolled in its health plan if the member does not wish to have his or her name, medical status, or other information that is protected by federal law publicly disclosed. Prior to holding a closed session pursuant to this section, the legislative body shall inform the member, in writing, of his or her right to have the charge or complaint heard in an open session rather than a closed session.

(Added by Stats. 1996, Ch. 182, Sec. 2. Effective January 1, 1997.)

54956.9. (a) Nothing in this chapter shall be construed to prevent a legislative body of a local agency, based on advice of its legal counsel, from holding a closed session to confer with, or receive advice from, its legal counsel regarding pending litigation when discussion in open session concerning those matters would prejudice the position of the local agency in the litigation.

(b) For purposes of this chapter, all expressions of the lawyer-client privilege other than those provided in this section are hereby abrogated. This section is the exclusive expression of the lawyer-client privilege for purposes of conducting closed-session meetings pursuant to this chapter.

(c) For purposes of this section, "litigation" includes any adjudicatory proceeding, including eminent domain, before a court, administrative body exercising its adjudicatory authority, hearing officer, or arbitrator.

(d) For purposes of this section, litigation shall be considered pending when any of the following circumstances exist:

(1) Litigation, to which the local agency is a party, has been initiated formally.

(2) A point has been reached where, in the opinion of the legislative body of the local agency on the advice of its legal counsel, based on existing facts and circumstances, there is a significant exposure to litigation against the local agency.

(3) Based on existing facts and circumstances, the legislative body of the local agency is meeting only to decide whether a closed session is authorized pursuant to paragraph (2).

(4) Based on existing facts and circumstances, the legislative body of the local agency has decided to initiate or is deciding whether to initiate litigation.

(e) For purposes of paragraphs (2) and (3) of subdivision (d), "existing facts and circumstances" shall consist only of one of the following:

(1) Facts and circumstances that might result in litigation against the local agency but which the local agency believes are not yet known to a potential plaintiff or plaintiffs, which facts and circumstances need not be disclosed.

(2) Facts and circumstances, including, but not limited to, an accident, disaster, incident, or transactional occurrence that might result in litigation against the agency and that are known to a potential plaintiff or plaintiffs, which facts or circumstances shall be publicly stated on the agenda or announced.

(3) The receipt of a claim pursuant to the Government Claims Act (Division 3.6 (commencing with Section 810) of Title 1 of the Government Code) or some other written communication from a potential plaintiff threatening litigation, which claim or communication shall be available for public inspection pursuant to Section 54957.5.

(4) A statement made by a person in an open and public meeting threatening litigation on a specific matter within the responsibility of the legislative body.

(5) A statement threatening litigation made by a person outside an open and public meeting on a specific matter within the responsibility of the legislative body so long as the official or employee of the local agency receiving knowledge of the threat makes a contemporaneous or other record of the statement prior to the meeting, which record shall be available for public inspection pursuant to Section 54957.5. The records so created need not identify the alleged victim of unlawful or tortious sexual conduct or anyone making the threat on their behalf, or identify a public employee who is the alleged perpetrator of any unlawful or tortious conduct upon which a threat of litigation is based, unless the identity of the person has been publicly disclosed.

(f) Nothing in this section shall require disclosure of written communications that are privileged and not subject to disclosure pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1).

(g) Prior to holding a closed session pursuant to this section, the legislative body of the local agency shall state on the agenda or publicly announce the paragraph of subdivision (d) that authorizes the closed session. If the session is closed pursuant to paragraph (1) of subdivision (d), the body shall state the title of or otherwise specifically identify the litigation to be discussed, unless the body states that to do so would jeopardize the agency's ability to effectuate service of process upon one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(h) A local agency shall be considered to be a "party" or to have a "significant exposure to litigation" if an officer or employee of the local agency is a party or has significant exposure to litigation concerning prior or prospective activities or alleged activities during the course and scope of that office or employment, including litigation in which it is an issue whether an activity is outside the course and scope of the office or employment.

(Amended by Stats. 2021, Ch. 615, Sec. 206. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54956.95. (a) Nothing in this chapter shall be construed to prevent a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, for purposes of insurance pooling, or a local agency member of the joint powers agency, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the joint powers agency or a local agency member of the joint powers agency.

(b) Nothing in this chapter shall be construed to prevent the Local Agency Self-Insurance Authority formed pursuant to Chapter 5.5 (commencing with Section 6599.01) of Division 7 of Title 1, or a local agency member of the authority, from holding a closed session to discuss a claim for the payment of tort liability losses, public liability losses, or workers' compensation liability incurred by the authority or a local agency member of the authority.

54956.96. (a) Nothing in this chapter shall be construed to prevent the legislative body of a joint powers agency formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1, from adopting a policy or a bylaw or including in its joint powers agreement provisions that authorize either or both of the following:

(1) All information received by the legislative body of the local agency member in a closed session related to the information presented to the joint powers agency in closed session shall be confidential. However, a member of the legislative body of a local agency member may disclose information obtained in a closed session that has direct financial or liability implications for that local agency to the following individuals:

(A) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(B) Other members of the legislative body of the local agency present in a closed session of that local agency member.

(2) Any designated alternate member of the legislative body of the joint powers agency who is also a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the joint powers agency in lieu of a local agency member's regularly appointed member to attend closed sessions of the joint powers agency.

(b) (1) In addition to the authority described in subdivision (a), the Clean Power Alliance of Southern California, or its successor entity, may adopt a policy or a bylaw or include in its joint powers agreement a provision that authorizes both of the following:

(A) A designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member and who is attending a properly noticed meeting of the Clean Power Alliance of Southern California, or its successor entity, in lieu of a local agency member's regularly appointed member, to attend closed sessions of the Clean Power Alliance of Southern California, or its successor entity.

(B) All information that is received by a designated alternate member of the legislative body of the Clean Power Alliance of Southern California, or its successor entity, who is not a member of the legislative body of a local agency member, and that is presented to the Clean Power Alliance of Southern California, or its successor entity, in closed session, shall be confidential. (i) Legal counsel of that local agency member for purposes of obtaining advice on whether the matter has direct financial or liability implications for that local agency member.

(ii) Members of the legislative body of the local agency present in a closed session of that local agency member.

(2) If the Clean Power Alliance of Southern California, or its successor entity, adopts a policy or bylaw or includes in its joint powers agreement a provision authorized pursuant to paragraph (1), the Clean Power Alliance of Southern California, or its successor entity, shall establish policies to prevent conflicts of interest and to address breaches of confidentiality that apply to a designated alternate member who is not a member of the legislative body of a local agency member who attends a closed session of the Clean Power Alliance of Southern California, or its successor entity.

(c) If the legislative body of a joint powers agency adopts a policy or a bylaw or includes provisions in its joint powers agreement pursuant to subdivision (a) or (b), then the legislative body of the local agency member, upon the advice of its legal counsel, may conduct a closed session in order to receive, discuss, and take action concerning information obtained in a closed session of the joint powers agency pursuant to paragraph (1) of subdivision (a) or paragraph (1) of subdivision (b).

(d) This section shall remain in effect only until January 1, 2030, and as of that date is repealed.

(Amended (as amended by Stats. 2019, Ch. 248, Sec. 1) by Stats. 2024, Ch. 24, Sec. 1. (AB 1852) Effective January 1, 2025. Repealed as of January 1, 2030, by its own provisions. See later operative version, as amended by Sec. 2 of Stats. 2024, Ch. 24.)

***(Added by Stats. 2019, Ch. 442, Sec. 14. (AB 857) Effective January 1, 2020.)*54957.**
(a) (1) This chapter does not prevent the legislative body of a local agency from holding closed sessions with the Governor, Attorney General, district attorney, agency counsel, sheriff, or chief of police, or other law enforcement or security personnel, or a security consultant or a security operations manager, on matters posing a threat to the security of public buildings, a threat to the security of essential public services, including water, drinking water, wastewater treatment, natural gas service, and electric service, a threat to the public's right of access to public services or public facilities, or a threat to critical infrastructure controls or critical infrastructure information relating to cybersecurity.

(2) For purposes of this subdivision, the following definitions apply:

> (A) "Critical infrastructure controls" means networks and systems controlling assets so vital to the local agency that the incapacity or destruction of those networks, systems, or assets would have a debilitating impact on public health, safety, economic security, or any combination thereof.
>
> (B) "Critical infrastructure information" means information not customarily in the public domain pertaining to any of the following:
>
> > (i) Actual, potential, or threatened interference with, or an attack on, compromise of, or incapacitation of critical infrastructure controls by either physical or computer-based attack or other similar conduct, including, but not limited to, the misuse of, or unauthorized access to, all types of communications and data transmission systems,

that violates federal, state, or local law or harms public health, safety, or economic security, or any combination thereof.

(ii) The ability of critical infrastructure controls to resist any interference, compromise, or incapacitation, including, but not limited to, any planned or past assessment or estimate of the vulnerability of critical infrastructure.

(iii) Any planned or past operational problem or solution regarding critical infrastructure controls, including, but not limited to, repair, recovery, reconstruction, insurance, or continuity, to the extent it is related to interference, compromise, or incapacitation of critical infrastructure controls.

(b) (1) Subject to paragraph (2), this chapter does not prevent the legislative body of a local agency from holding closed sessions during a regular or special meeting to consider the appointment, employment, evaluation of performance, discipline, or dismissal of a public employee or to hear complaints or charges brought against the employee by another person or employee unless the employee requests a public session.

(2) As a condition to holding a closed session on specific complaints or charges brought against an employee by another person or employee, the employee shall be given written notice of their right to have the complaints or charges heard in an open session rather than a closed session, which notice shall be delivered to the employee personally or by mail at least 24 hours before the time for holding the session. If notice is not given, any disciplinary or other action taken by the legislative body against the employee based on the specific complaints or charges in the closed session shall be null and void.

(3) The legislative body also may exclude from the public or closed meeting, during the examination of a witness, any or all other witnesses in the matter being investigated by the legislative body.

(4) For the purposes of this subdivision, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee but shall not include any elected official, member of a legislative body or other independent contractors. This subdivision shall not limit local officials' ability to hold closed session meetings pursuant to Sections 1461, 32106, and 32155 of the Health and Safety Code or Sections 37606 and 37624.3 of the Government Code. Closed sessions held pursuant to this subdivision shall not include discussion or action on proposed compensation except for a reduction of compensation that results from the imposition of discipline.

(Amended by Stats. 2024, Ch. 243, Sec. 1. (AB 2715) Effective January 1, 2025.)

54957.1. (a) The legislative body of any local agency shall publicly report any action taken in closed session and the vote or abstention on that action of every member present, as follows:

(1) Approval of an agreement concluding real estate negotiations pursuant to Section 54956.8 shall be reported after the agreement is final, as follows:

(A) If its own approval renders the agreement final, the body shall report that approval and the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with the other party to the negotiations, the local agency shall disclose the fact of that approval and the substance of the agreement upon inquiry by any person, as soon as the other party or its agent has informed the local agency of its approval.

(2) Approval given to its legal counsel to defend, or seek or refrain from seeking appellate review or relief, or to enter as an amicus curiae in any form of litigation as the result of a consultation under Section 54956.9 shall be reported in open session at the public meeting during which the closed session is held. The report shall identify, if known, the adverse party or parties and the substance of the litigation. In the case of approval given to initiate or intervene in an action, the announcement need not identify the action, the defendants, or other particulars, but shall specify that the direction to initiate or intervene in an action has been given and that the action, the defendants, and the other particulars shall, once formally commenced, be disclosed to any person upon inquiry, unless to do so would jeopardize the agency's ability to effectuate service of process on one or more unserved parties, or that to do so would jeopardize its ability to conclude existing settlement negotiations to its advantage.

(3) Approval given to its legal counsel of a settlement of pending litigation, as defined in Section 54956.9, at any stage prior to or during a judicial or quasi-judicial proceeding shall be reported after the settlement is final, as follows:

(A) If the legislative body accepts a settlement offer signed by the opposing party, the body shall report its acceptance and identify the substance of the agreement in open session at the public meeting during which the closed session is held.

(B) If final approval rests with some other party to the litigation or with the court, then as soon as the settlement becomes final, and upon inquiry by any person, the local agency shall disclose the fact of that approval, and identify the substance of the agreement.

(4) Disposition reached as to claims discussed in closed session pursuant to Section 54956.95 shall be reported as soon as reached in a manner that identifies the name of the claimant, the name of the local agency claimed against, the substance of the claim, and any monetary amount approved for payment and agreed upon by the claimant.

(5) Action taken to appoint, employ, dismiss, accept the resignation of, or otherwise affect the employment status of a public employee in closed session pursuant to Section 54957 shall be reported at the public meeting during which the closed session is held. Any report required by this paragraph shall identify the title of the position. The general requirement of this paragraph notwithstanding, the report of a dismissal or of the nonrenewal of an employment contract shall be deferred until the first public meeting following the exhaustion of administrative remedies, if any.

(6) Approval of an agreement concluding labor negotiations with represented employees pursuant to Section 54957.6 shall be reported after the agreement is final and has been

accepted or ratified by the other party. The report shall identify the item approved and the other party or parties to the negotiation.

(7) Pension fund investment transaction decisions made pursuant to Section 54956.81 shall be disclosed at the first open meeting of the legislative body held after the earlier of the close of the investment transaction or the transfer of pension fund assets for the investment transaction.

(b) Reports that are required to be made pursuant to this section may be made orally or in writing. The legislative body shall provide to any person who has submitted a written request to the legislative body within 24 hours of the posting of the agenda, or to any person who has made a standing request for all documentation as part of a request for notice of meetings pursuant to Section 54954.1 or 54956, if the requester is present at the time the closed session ends, copies of any contracts, settlement agreements, or other documents that were finally approved or adopted in the closed session. If the action taken results in one or more substantive amendments to the related documents requiring retyping, the documents need not be released until the retyping is completed during normal business hours, provided that the presiding officer of the legislative body or his or her designee orally summarizes the substance of the amendments for the benefit of the document requester or any other person present and requesting the information.

(c) The documentation referred to in subdivision (b) shall be available to any person on the next business day following the meeting in which the action referred to is taken or, in the case of substantial amendments, when any necessary retyping is complete.

(d) Nothing in this section shall be construed to require that the legislative body approve actions not otherwise subject to legislative body approval.

(e) No action for injury to a reputational, liberty, or other personal interest may be commenced by or on behalf of any employee or former employee with respect to whom a disclosure is made by a legislative body in an effort to comply with this section.

(f) This section is necessary to implement, and reasonably within the scope of, paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(Amended by Stats. 2006, Ch. 538, Sec. 311. Effective January 1, 2007.)

54957.2. (a) The legislative body of a local agency may, by ordinance or resolution, designate a clerk or other officer or employee of the local agency who shall then attend each closed session of the legislative body and keep and enter in a minute book a record of topics discussed and decisions made at the meeting. The minute book made pursuant to this section is not a public record subject to inspection pursuant to the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be kept confidential. The minute book shall be available only to members of the legislative body or, if a violation of this chapter is alleged to have occurred at a closed session, to a court of general jurisdiction wherein the local agency lies. The minute book may, but need not, consist of a recording of the closed session.

(b) An elected legislative body of a local agency may require that each legislative body all or a majority of whose members are appointed by or under the authority of the elected legislative body keep a minute book as prescribed under subdivision (a).

(Amended by Stats. 2021, Ch. 615, Sec. 207. (AB 474) Effective January 1, 2022. Operative January 1, 2023, pursuant to Sec. 463 of Stats. 2021, Ch. 615.)

54957.5. (a) Agendas of public meetings are disclosable public records under the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and shall be made available upon request without delay and in compliance with Section 54954.2 or Section 54956, as applicable. However, this section shall not apply to a writing, or portion thereof, that is exempt from public disclosure.

(b) (1) If a writing is a public record related to an agenda item for an open session of a regular meeting of the legislative body of a local agency and is distributed to all, or a majority of all, of the members of a legislative body of a local agency by a person in connection with a matter subject to discussion or consideration at an open meeting of the body less than 72 hours before that meeting, the writing shall be made available for public inspection pursuant to paragraph (2) at the time the writing is distributed to all, or a majority of all, of the members of the body.

(2) (A) Except as provided in subparagraph (B), a local agency shall comply with both of the following requirements:

(i) A local agency shall make any writing described in paragraph (1) available for public inspection at a public office or location that the agency shall designate for this purpose.

(ii) A local agency shall list the address of the office or location designated pursuant to clause (i) on the agendas for all meetings of the legislative body of that agency.

(B) A local agency shall not be required to comply with the requirements of subparagraph (A) if all of the following requirements are met:

(i) An initial staff report or similar document containing an executive summary and the staff recommendation, if any, relating to that agenda item is made available for public inspection at the office or location designated pursuant to clause (i) of subparagraph (A) at least 72 hours before the meeting.

(ii) The local agency immediately posts any writing described in paragraph (1) on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

(iii) The local agency lists the web address of the local agency's internet website on the agendas for all meetings of the legislative body of that agency.

(iv) (I) Subject to subclause (II), the local agency makes physical copies available for public inspection, beginning the next regular business hours for the local agency, at the office or location designated pursuant to clause (i) of subparagraph (A).

(II) This clause is satisfied only if the next regular business hours of the local agency commence at least 24 hours before that meeting.

(c) Writings that are public records described in subdivision (b) and distributed during a public meeting shall be made available for public inspection at the meeting if prepared by the local agency or a member of its legislative body, or after the meeting if prepared by some other person. These writings shall be made available in appropriate alternative formats upon request by a person with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(d) This chapter shall not be construed to prevent the legislative body of a local agency from charging a fee or deposit for a copy of a public record pursuant to Section 7922.530, except that a surcharge shall not be imposed on persons with disabilities in violation of Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof.

(e) This section shall not be construed to limit or delay the public's right to inspect or obtain a copy of any record required to be disclosed under the requirements of the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), including, but not limited to, the ability of the public to inspect public records pursuant to Section 7922.525 and obtain copies of public records pursuant to either subdivision (b) of Section 7922.530 or Section 7922.535. This chapter shall not be construed to require a legislative body of a local agency to place any paid advertisement or any other paid notice in any publication.

(Amended (as amended by Stats. 2021, Ch. 615, Sec. 208) by Stats. 2022, Ch. 971, Sec. 1. (AB 2647) Effective January 1, 2023.)

54957.6. (a) Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions with the local agency's designated representatives regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits of its represented and unrepresented employees, and, for represented employees, any other matter within the statutorily provided scope of representation, subject to all of the following conditions:

(1) Prior to the closed session, the legislative body of the local agency shall hold an open and public session in which it identifies its designated representatives.

(2) The closed session shall be for the purpose of reviewing its position and instructing the local agency's designated representatives.

(3) The closed session may take place prior to and during consultations and discussions with representatives of employee organizations and unrepresented employees.

(4) Any closed session with the local agency's designated representative regarding the salaries, salary schedules, or compensation paid in the form of fringe benefits may include discussion of an agency's available funds and funding priorities, but only insofar as these discussions relate to providing instructions to the local agency's designated representative.

(5) The closed session shall not include final action on the proposed compensation of one or more unrepresented employees.

(6) For the purposes enumerated in this section, a legislative body of a local agency may also meet with a state conciliator who has intervened in the proceedings.

(b) For the purposes of this section, the term "employee" shall include an officer or an independent contractor who functions as an officer or an employee, but shall not include any elected official, member of a legislative body, or other independent contractors.

(Amended by Stats. 2025, Ch. 327, Sec.20. (SB 707) Effective January 1, 2026.)

54957.7. (a) Prior to holding any closed session, the legislative body of the local agency shall disclose, in an open meeting, the item or items to be discussed in the closed session. The disclosure may take the form of a reference to the item or items as they are listed by number or letter on the agenda. In the closed session, the legislative body may consider only those matters covered in its statement. Nothing in this section shall require or authorize a disclosure of information prohibited by state or federal law.

(b) After any closed session, the legislative body shall reconvene into open session prior to adjournment and shall make any disclosures required by Section 54957.1 of action taken in the closed session.

(c) The announcements required to be made in open session pursuant to this section may be made at the location announced in the agenda for the closed session, as long as the public is allowed to be present at that location for the purpose of hearing the announcements.

(Amended by Stats. 1993, Ch. 1137, Sec. 15. Effective January 1, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 1137.)

54957.8. (a) For purposes of this section, "multijurisdictional law enforcement agency" means a joint powers entity formed pursuant to Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 that provides law enforcement services for the parties to the joint powers agreement for the purpose of investigating criminal activity involving drugs; gangs; sex crimes; firearms trafficking or felony possession of a firearm; high technology, computer, or identity theft; human trafficking; or vehicle theft.

(b) Nothing contained in this chapter shall be construed to prevent the legislative body of a multijurisdictional law enforcement agency, or an advisory body of a multijurisdictional law enforcement agency, from holding closed sessions to discuss the case records of any ongoing criminal investigation of the multijurisdictional law enforcement agency or of any party to the joint powers agreement, to hear testimony from persons involved in the investigation, and to discuss courses of action in particular cases.

(Amended by Stats. 2006, Ch. 427, Sec. 1. Effective September 22, 2006.)

54957.9. In the event that any meeting is willfully interrupted by a group or groups of persons so as to render the orderly conduct of the meeting unfeasible and order cannot be restored by the

removal of individuals who are willfully interrupting the meeting, the members of the legislative body conducting the meeting may order the meeting room cleared and continue in session. Only matters appearing on the agenda may be considered in such a session. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the legislative body from establishing a procedure for readmitting an individual or individuals not responsible for willfully disturbing the orderly conduct of the meeting.

(Amended by Stats. 2025, Ch. 327, Sec.21. (SB 707) Effective January 1, 2026.)

54957.95. (a) (1) In addition to authority exercised pursuant to Sections 54954.3 and 54957.9, the presiding member of the legislative body conducting a meeting or their designee may remove, or cause the removal of, an individual for disrupting the meeting, including any teleconferenced meeting.

(2) Prior to removing an individual, the presiding member or their designee shall warn the individual that their behavior is disrupting the meeting and that their failure to cease their behavior may result in their removal. The presiding member or their designee may then remove the individual if they do not promptly cease their disruptive behavior. This paragraph does not apply to any behavior described in subparagraph (B) of paragraph (1) of subdivision (b).

(b) As used in this section:

(1) "Disrupting" means engaging in behavior during a meeting of a legislative body that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting and includes, but is not limited to, one of the following:

(A) A failure to comply with reasonable and lawful regulations adopted by a legislative body pursuant to Section 54954.3 or any other law.

(B) Engaging in behavior that constitutes use of force or a true threat of force.

(2) "True threat of force" means a threat that has sufficient indicia of intent and seriousness, that a reasonable observer would perceive it to be an actual threat to use force by the person making the threat.

(Amended by Stats. 2025, Ch. 327, Sec.22. (SB 707) Effective January 1, 2026.)

54957.96. (a) The existing authority of a legislative body or its presiding officer to remove or limit participation by persons who engage in behavior that actually disrupts, disturbs, impedes, or renders infeasible the orderly conduct of the meeting, including existing limitations upon that authority, shall apply to members of the public participating in a meeting via a two-way telephonic service or a two-way audiovisual platform.

(b) For purposes of this section, the following definitions apply:

(1) "Two-way audiovisual platform" means an online platform that provides participants with the ability to participate in a meeting via both an interactive video conference and a two-way telephonic service. A two-way audiovisual platform may be structured to disable the use of video for the public participants.

(2) "Two-way telephonic service" means a telephone service that does not require internet access and allows participants to dial a telephone number to listen and verbally participate.

(Added by Stats. 2025, Ch. 327, Sec.23. (SB 707) Effective January 1, 2026.)

54957.10. Notwithstanding any other provision of law, a legislative body of a local agency may hold closed sessions to discuss a local agency employee's application for early withdrawal of funds in a deferred compensation plan when the application is based on financial hardship arising from an unforeseeable emergency due to illness, accident, casualty, or other extraordinary event, as specified in the deferred compensation plan.

(Added by Stats. 2001, Ch. 45, Sec. 1. Effective January 1, 2002.)

54958. The provisions of this chapter shall apply to the legislative body of every local agency notwithstanding the conflicting provisions of any other state law.

(Added by Stats. 1953, Ch. 1588.)

54959. Each member of a legislative body who attends a meeting of that legislative body where action is taken in violation of any provision of this chapter, and where the member intends to deprive the public of information to which the member knows or has reason to know the public is entitled under this chapter, is guilty of a misdemeanor.

(Amended by Stats. 1994, Ch. 32, Sec. 18. Effective March 30, 1994. Operative April 1, 1994, by Sec. 23 of Ch. 32.)

54960. (a) The district attorney or any interested person may commence an action by mandamus, injunction, or declaratory relief for the purpose of stopping or preventing violations or threatened violations of this chapter by members of the legislative body of a local agency or to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body, or to determine the applicability of this chapter to past actions of the legislative body, subject to Section 54960.2, or to determine whether any rule or action by the legislative body to penalize or otherwise discourage the expression of one or more of its members is valid or invalid under the laws of this state or of the United States, or to compel the legislative body to audio record its closed sessions as hereinafter provided.

(b) The court in its discretion may, upon a judgment of a violation of Section 54956.7, 54956.8, 54956.9, 54956.95, 54957, or 54957.6, order the legislative body to audio record its closed sessions and preserve the audio recordings for the period and under the terms of security and confidentiality the court deems appropriate.

(c) (1) Each recording so kept shall be immediately labeled with the date of the closed session recorded and the title of the clerk or other officer who shall be custodian of the recording.

(2) The audio recordings shall be subject to the following discovery procedures:

(A) In any case in which discovery or disclosure of the audio recording is sought by either the district attorney or the plaintiff in a civil action pursuant to Section 54959, 54960, or 54960.1 alleging that a violation of this chapter has occurred in a closed session that has been recorded pursuant to this section, the party seeking discovery or disclosure shall file a written notice of motion with the appropriate court with notice to the governmental agency that has custody and control of the audio recording. The notice shall be given pursuant to subdivision (b) of Section 1005 of the Code of Civil Procedure.

(B) The notice shall include, in addition to the items required by Section 1010 of the Code of Civil Procedure, all of the following:

(i) Identification of the proceeding in which discovery or disclosure is sought, the party seeking discovery or disclosure, the date and time of the meeting recorded, and the governmental agency that has custody and control of the recording.

(ii) An affidavit that contains specific facts indicating that a violation of the act occurred in the closed session.

(3) If the court, following a review of the motion, finds that there is good cause to believe that a violation has occurred, the court may review, in camera, the recording of that portion of the closed session alleged to have violated the act.

(4) If, following the in camera review, the court concludes that disclosure of a portion of the recording would be likely to materially assist in the resolution of the litigation alleging violation of this chapter, the court shall, in its discretion, make a certified transcript of the portion of the recording a public exhibit in the proceeding.

(5) This section shall not permit discovery of communications that are protected by the attorney-client privilege.

(Amended by Stats. 2012, Ch. 732, Sec. 1. (SB 1003) Effective January 1, 2013.)

54960.1. (a) The district attorney or any interested person may commence an action by mandamus or injunction for the purpose of obtaining a judicial determination that an action taken by a legislative body of a local agency in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 is null and void under this section. Nothing in this chapter shall be construed to prevent a legislative body from curing or correcting an action challenged pursuant to this section.

(b) Prior to any action being commenced pursuant to subdivision (a), the district attorney or interested person shall make a demand of the legislative body to cure or correct the action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5. The demand shall be in writing and clearly describe the challenged action of the legislative body and nature of the alleged violation.

(c) (1) The written demand shall be made within 90 days from the date the action was taken unless the action was taken in an open session but in violation of Section 54954.2, in which case the written demand shall be made within 30 days from the date the action was taken.

(2) Within 30 days of receipt of the demand, the legislative body shall cure or correct the challenged action and inform the demanding party in writing of its actions to cure or correct or inform the demanding party in writing of its decision not to cure or correct the challenged action.

(3) If the legislative body takes no action within the 30-day period, the inaction shall be deemed a decision not to cure or correct the challenged action, and the 15-day period to commence the action described in subdivision (a) shall commence to run the day after the 30-day period to cure or correct expires.

(4) Within 15 days of receipt of the written notice of the legislative body's decision to cure or correct, or not to cure or correct, or within 15 days of the expiration of the 30-day period to cure or correct, whichever is earlier, the demanding party shall be required to commence the action pursuant to subdivision (a) or thereafter be barred from commencing the action.

(d) An action taken that is alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 shall not be determined to be null and void if any of the following conditions exist:

(1) The action taken was in substantial compliance with Sections 54953, 54954.2, 54954.5, 54954.6, 54956, and 54956.5.

(2) The action taken was in connection with the sale or issuance of notes, bonds, or other evidences of indebtedness or any contract, instrument, or agreement thereto.

(3) The action taken gave rise to a contractual obligation, including a contract let by competitive bid other than compensation for services in the form of salary or fees for professional services, upon which a party has, in good faith and without notice of a challenge to the validity of the action, detrimentally relied.

(4) The action taken was in connection with the collection of any tax.

(5) Any person, city, city and county, county, district, or any agency or subdivision of the state alleging noncompliance with subdivision (a) of Section 54954.2, Section 54956, or Section 54956.5, because of any defect, error, irregularity, or omission in the notice given pursuant to those provisions, had actual notice of the item of business at least 72 hours prior to the meeting at which the action was taken, if the meeting was noticed pursuant to Section 54954.2, or 24 hours prior to the meeting at which the action was taken if the meeting was noticed pursuant to Section 54956, or prior to the meeting at which the action was taken if the meeting is held pursuant to Section 54956.5.

(e) During any action seeking a judicial determination pursuant to subdivision (a) if the court determines, pursuant to a showing by the legislative body that an action alleged to have been taken in violation of Section 54953, 54954.2, 54954.5, 54954.6, 54956, or 54956.5 has been

cured or corrected by a subsequent action of the legislative body, the action filed pursuant to subdivision (a) shall be dismissed with prejudice.

(f) The fact that a legislative body takes a subsequent action to cure or correct an action taken pursuant to this section shall not be construed or admissible as evidence of a violation of this chapter.

(Amended by Stats. 2002, Ch. 454, Sec. 23. Effective January 1, 2003.)

54960.2. (a) The district attorney or any interested person may file an action to determine the applicability of this chapter to past actions of the legislative body pursuant to subdivision (a) of Section 54960 only if all of the following conditions are met:

(1) The district attorney or interested person alleging a violation of this chapter first submits a cease and desist letter by postal mail or facsimile transmission to the clerk or secretary of the legislative body being accused of the violation, as designated in the statement pertaining to that public agency on file pursuant to Section 53051, or if the agency does not have a statement on file designating a clerk or a secretary, to the chief executive officer of that agency, clearly describing the past action of the legislative body and nature of the alleged violation.

(2) The cease and desist letter required under paragraph (1) is submitted to the legislative body within nine months of the alleged violation.

(3) The time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b) has expired and the legislative body has not provided an unconditional commitment pursuant to subdivision (c).

(4) Within 60 days of receipt of the legislative body's response to the cease and desist letter, other than an unconditional commitment pursuant to subdivision (c), or within 60 days of the expiration of the time during which the legislative body may respond to the cease and desist letter pursuant to subdivision (b), whichever is earlier, the party submitting the cease and desist letter shall commence the action pursuant to subdivision (a) of Section 54960 or thereafter be barred from commencing the action.

(b) The legislative body may respond to a cease and desist letter submitted pursuant to subdivision (a) within 30 days of receiving the letter. This subdivision shall not be construed to prevent the legislative body from providing an unconditional commitment pursuant to subdivision (c) at any time after the 30-day period has expired, except that in that event the court shall award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to this section, in accordance with Section 54960.5.

(c) (1) If the legislative body elects to respond to the cease and desist letter with an unconditional commitment to cease, desist from, and not repeat the past action that is alleged to violate this chapter, that response shall be in substantially the following form:

To _____:

The [name of legislative body] has received your cease and desist letter dated [date] alleging that the following described past action of the legislative body violates the Ralph M. Brown Act:

[Describe alleged past action, as set forth in the cease and desist letter submitted pursuant to subdivision (a)]

In order to avoid unnecessary litigation and without admitting any violation of the Ralph M. Brown Act, the [name of legislative body] hereby unconditionally commits that it will cease, desist from, and not repeat the challenged past action as described above.

The [name of legislative body] may rescind this commitment only by a majority vote of its membership taken in open session at a regular meeting and noticed on its posted agenda as "Rescission of Brown Act Commitment." You will be provided with written notice, sent by any means or media you provide in response to this message, to whatever address or addresses you specify, of any intention to consider rescinding this commitment at least 30 days before any such regular meeting. In the event that this commitment is rescinded, you will have the right to commence legal action pursuant to subdivision (a) of Section 54960 of the Government Code. That notice will be delivered to you by the same means as this commitment, or may be mailed to an address that you have designated in writing.

Very truly yours,

_____

[Chairperson or acting chairperson of the legislative body]

(2) An unconditional commitment pursuant to this subdivision shall be approved by the legislative body in open session at a regular or special meeting as a separate item of business, and not on its consent agenda.

(3) An action shall not be commenced to determine the applicability of this chapter to any past action of the legislative body for which the legislative body has provided an unconditional commitment pursuant to this subdivision. During any action seeking a judicial determination regarding the applicability of this chapter to any past action of the legislative body pursuant to subdivision (a), if the court determines that the legislative body has provided an unconditional commitment pursuant to this subdivision, the action shall be dismissed with prejudice. Nothing in this subdivision shall be construed to modify or limit the existing ability of the district attorney or any interested person to commence an action to determine the applicability of this chapter to ongoing actions or threatened future actions of the legislative body.

(4) Except as provided in subdivision (d), the fact that a legislative body provides an unconditional commitment shall not be construed or admissible as evidence of a violation of this chapter.

(d) If the legislative body provides an unconditional commitment as set forth in subdivision (c), the legislative body shall not thereafter take or engage in the challenged action described in the cease and desist letter, except as provided in subdivision (e). Violation of this subdivision shall

constitute an independent violation of this chapter, without regard to whether the challenged action would otherwise violate this chapter. An action alleging past violation or threatened future violation of this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(e) The legislative body may resolve to rescind an unconditional commitment made pursuant to subdivision (c) by a majority vote of its membership taken in open session at a regular meeting as a separate item of business not on its consent agenda, and noticed on its posted agenda as "Rescission of Brown Act Commitment," provided that not less than 30 days prior to such regular meeting, the legislative body provides written notice of its intent to consider the rescission to each person to whom the unconditional commitment was made, and to the district attorney. Upon rescission, the district attorney or any interested person may commence an action pursuant to subdivision (a) of Section 54960. An action under this subdivision may be brought pursuant to subdivision (a) of Section 54960, without regard to the procedural requirements of this section.

(Added by Stats. 2012, Ch. 732, Sec. 2. (SB 1003) Effective January 1, 2013.)

54960.5. A court may award court costs and reasonable attorney fees to the plaintiff in an action brought pursuant to Section 54960, 54960.1, or 54960.2 where it is found that a legislative body of the local agency has violated this chapter. Additionally, when an action brought pursuant to Section 54960.2 is dismissed with prejudice because a legislative body has provided an unconditional commitment pursuant to paragraph (1) of subdivision (c) of that section at any time after the 30-day period for making such a commitment has expired, the court shall award court costs and reasonable attorney fees to the plaintiff if the filing of that action caused the legislative body to issue the unconditional commitment. The costs and fees shall be paid by the local agency and shall not become a personal liability of any public officer or employee of the local agency.

A court may award court costs and reasonable attorney fees to a defendant in any action brought pursuant to Section 54960 or 54960.1 where the defendant has prevailed in a final determination of such action and the court finds that the action was clearly frivolous and totally lacking in merit.

(Amended by Stats. 2012, Ch. 732, Sec. 3. (SB 1003) Effective January 1, 2013.)

54961. (a) No legislative body of a local agency shall conduct any meeting in any facility that prohibits the admittance of any person, or persons, on the basis of ancestry or any characteristic listed or defined in Section 11135, or which is inaccessible to disabled persons, or where members of the public may not be present without making a payment or purchase. This section shall apply to every local agency as defined in Section 54951.

(b) No notice, agenda, announcement, or report required under this chapter need identify any victim or alleged victim of tortious sexual conduct or child abuse unless the identity of the person has been publicly disclosed.

(Amended by Stats. 2007, Ch. 568, Sec. 35. Effective January 1, 2008.)

54962. Except as expressly authorized by this chapter, or by Sections 1461, 1462, 32106, and 32155 of the Health and Safety Code, or by Sections 37606, 37606.1, and 37624.3 of the Government Code as they apply to hospitals, or by any provision of the Education Code pertaining to school districts and community college districts, no closed session may be held by any legislative body of any local agency.

(Amended by Stats. 2006, Ch. 157, Sec. 2. Effective January 1, 2007.)

54963. (a) A person may not disclose confidential information that has been acquired by being present in a closed session authorized by Section 54956.7, 54956.8, 54956.86, 54956.87, 54956.9, 54957, 54957.6, 54957.8, or 54957.10 to a person not entitled to receive it, unless the legislative body authorizes disclosure of that confidential information.

(b) For purposes of this section, "confidential information" means a communication made in a closed session that is specifically related to the basis for the legislative body of a local agency to meet lawfully in closed session under this chapter.

(c) Violation of this section may be addressed by the use of such remedies as are currently available by law, including, but not limited to:

(1) Injunctive relief to prevent the disclosure of confidential information prohibited by this section.

(2) Disciplinary action against an employee who has willfully disclosed confidential information in violation of this section.

(3) Referral of a member of a legislative body who has willfully disclosed confidential information in violation of this section to the grandjury.

(d) Disciplinary action pursuant to paragraph (2) of subdivision (c) shall require that the employee in question has either received training as to the requirements of this section or otherwise has been given notice of the requirements of this section.

(e) A local agency may not take any action authorized by subdivision (c) against a person, nor shall it be deemed a violation of this section, for doing any of the following:

(1) Making a confidential inquiry or complaint to a district attorney or grand jury concerning a perceived violation of law, including disclosing facts to a district attorney or grand jury that are necessary to establish the illegality of an action taken by a legislative body of a local agency or the potential illegality of an action that has been the subject of deliberation at a closed session if that action were to be taken by a legislative body of a local agency.

(2) Expressing an opinion concerning the propriety or legality of actions taken by a legislative body of a local agency in closed session, including disclosure of the nature and extent of the illegal or potentially illegal action.

(3) Disclosing information acquired by being present in a closed session under this chapter that is not confidential information.

(f) Nothing in this section shall be construed to prohibit disclosures under the whistleblower statutes contained in Section 1102.5 of the Labor Code or Article 4.5 (commencing with Section 53296) of Chapter 2 of this code.

Special Notes About Public Input 7

Introduction

The rules of procedure at meetings should be simple enough for most people to understand. Unfortunately, that has not always been the case. Virtually all clubs, associations, boards, councils and bodies follow a set of rules — *Robert's Rules of Order* — which are embodied in a small, but complex, book. Virtually no one I know has actually read this book cover to cover. Worse yet, the book was written for another time and for another purpose. If one is chairing or running a parliament, then *Robert's Rules of Order* is a dandy and quite useful handbook for procedure in that complex setting. On the other hand, if one is running a meeting of say, a five-member body with a few members of the public in attendance, a simplified version of the rules of parliamentary procedure is in order.

Hence, the birth of *Rosenberg's Rules of Order*.

What follows is my version of the rules of parliamentary procedure, based on my decades of experience chairing meetings in state and local government. These rules have been simplified for the smaller bodies we chair or in which we participate, slimmed down for the 21st Century, yet retaining the basic tenets of order to which we have grown accustomed. Interestingly enough, *Rosenberg's Rules* has found a welcoming audience. Hundreds of cities, counties, special districts, committees, boards, commissions, neighborhood associations and private corporations and companies have adopted *Rosenberg's Rules* in lieu of *Robert's Rules* because they have found them practical, logical, simple, easy to learn and user friendly.

This treatise on modern parliamentary procedure is built on a foundation supported by the following four pillars:

1. **Rules should establish order.** The first purpose of rules of parliamentary procedure is to establish a framework for the orderly conduct of meetings.
2. **Rules should be clear.** Simple rules lead to wider understanding and participation. Complex rules create two classes: those who understand and participate; and those who do not fully understand and do not fully participate.
3. **Rules should be user friendly.** That is, the rules must be simple enough that the public is invited into the body and feels that it has participated in the process.
4. **Rules should enforce the will of the majority while protecting the rights of the minority.** The ultimate purpose of rules of procedure is to encourage discussion and to facilitate decision making by the body. In a democracy, majority rules. The rules must enable the majority to express itself and fashion a result, while permitting the minority to also express itself, but not dominate, while fully participating in the process.

Establishing a Quorum

The starting point for a meeting is the establishment of a quorum. A quorum is defined as the minimum number of members of the body who must be present at a meeting for business to be legally transacted. The default rule is that a quorum is one more than half the body. For example, in a five-member body a quorum is three. When the body has three members present, it can legally transact business. If the body has less than a quorum of members present, it cannot legally transact business. And even if the body has a quorum to begin the meeting, the body can lose the quorum during the meeting when a member departs (or even when a member leaves the dais). When that occurs the body loses its ability to transact business until and unless a quorum is reestablished.

The default rule, identified above, however, gives way to a specific rule of the body that establishes a quorum. For example, the rules of a particular five-member body may indicate that a quorum is four members for that particular body. The body must follow the rules it has established for its quorum. In the absence of such a specific rule, the quorum is one more than half the members of the body.

The Role of the Chair

While all members of the body should know and understand the rules of parliamentary procedure, it is the chair of the body who is charged with applying the rules of conduct of the meeting. The chair should be well versed in those rules. For all intents and purposes, the chair makes the final ruling on the rules every time the chair states an action. In fact, all decisions by the chair are final unless overruled by the body itself.

Since the chair runs the conduct of the meeting, it is usual courtesy for the chair to play a less active role in the debate and discussion than other members of the body. This does not mean that the chair should not participate in the debate or discussion. To the contrary, as a member of the body, the chair has the full right to participate in the debate, discussion and decision-making of the body. What the chair should do, however, is strive to be the last to speak at the discussion and debate stage. The chair should not make or second a motion unless the chair is convinced that no other member of the body will do so at that point in time.

The Basic Format for an Agenda Item Discussion

Formal meetings normally have a written, often published agenda. Informal meetings may have only an oral or understood agenda. In either case, the meeting is governed by the agenda and the agenda constitutes the body's agreed-upon roadmap for the meeting. Each agenda item can be handled by the chair in the following basic format:

First, the chair should clearly announce the agenda item number and should clearly state what the agenda item subject is. The chair should then announce the format (which follows) that will be followed in considering the agenda item.

Second, following that agenda format, the chair should invite the appropriate person or persons to report on the item, including any recommendation that they might have. The appropriate person or persons may be the chair, a member of the body, a staff person, or a committee chair charged with providing input on the agenda item.

Third, the chair should ask members of the body if they have any technical questions of clarification. At this point, members of the body may ask clarifying questions to the person or persons who reported on the item, and that person or persons should be given time to respond.

Fourth, the chair should invite public comments, or if appropriate at a formal meeting, should open the public meeting for public input. If numerous members of the public indicate a desire to speak to the subject, the chair may limit the time of public speakers. At the conclusion of the public comments, the chair should announce that public input has concluded (or the public hearing, as the case may be, is closed).

Fifth, the chair should invite a motion. The chair should announce the name of the member of the body who makes the motion.

Sixth, the chair should determine if any member of the body wishes to second the motion. The chair should announce the name of the member of the body who seconds the motion. It is normally good practice for a motion to require a second before proceeding to ensure that it is not just one member of the body who is interested in a particular approach. However, a second is not an absolute requirement, and the chair can proceed with consideration and vote on a motion even when there is no second. This is a matter left to the discretion of the chair.

Seventh, if the motion is made and seconded, the chair should make sure everyone understands the motion.

This is done in one of three ways:

1. The chair can ask the maker of the motion to repeat it;
2. The chair can repeat the motion; or
3. The chair can ask the secretary or the clerk of the body to repeat the motion.

Eighth, the chair should now invite discussion of the motion by the body. If there is no desired discussion, or after the discussion has ended, the chair should announce that the body will vote on the motion. If there has been no discussion or very brief discussion, then the vote on the motion should proceed immediately and there is no need to repeat the motion. If there has been substantial discussion, then it is normally best to make sure everyone understands the motion by repeating it.

Ninth, the chair takes a vote. Simply asking for the "ayes" and then asking for the "nays" normally does this. If members of the body do not vote, then they "abstain." Unless the rules of the body provide otherwise (or unless a super majority is required as delineated later in these rules), then a simple majority (as defined in law or the rules of the body as delineated later in these rules) determines whether the motion passes or is defeated.

Tenth, the chair should announce the result of the vote and what action (if any) the body has taken. In announcing the result, the chair should indicate the names of the members of the body, if any, who voted in the minority on the motion. This announcement might take the following form: "The motion passes by a vote of 3-2, with Smith and Jones dissenting. We have passed the motion requiring a 10-day notice for all future meetings of this body."

Motions in General

Motions are the vehicles for decision making by a body. It is usually best to have a motion before the body prior to commencing discussion of an agenda item. This helps the body focus.

Motions are made in a simple two-step process. First, the chair should recognize the member of the body. Second, the member of the body makes a motion by preceding the member's desired approach with the words "I move … "

A typical motion might be: "I move that we give a 10-day notice in the future for all our meetings."

The chair usually initiates the motion in one of three ways:

1. **Inviting the members of the body to make a motion,** for example, "A motion at this time would be in order."
2. **Suggesting a motion to the members of the body,** "A motion would be in order that we give a 10-day notice in the future for all our meetings."
3. **Making the motion.** As noted, the chair has every right as a member of the body to make a motion, but should normally do so only if the chair wishes to make a motion on an item but is convinced that no other member of the body is willing to step forward to do so at a particular time.

The Three Basic Motions

There are three motions that are the most common and recur often at meetings:

The basic motion. The basic motion is the one that puts forward a decision for the body's consideration. A basic motion might be: "I move that we create a five-member committee to plan and put on our annual fundraiser."

The motion to amend. If a member wants to change a basic motion that is before the body, they would move to amend it. A motion to amend might be: "I move that we amend the motion to have a 10-member committee." A motion to amend takes the basic motion that is before the body and seeks to change it in some way.

The substitute motion. If a member wants to completely do away with the basic motion that is before the body, and put a new motion before the body, they would move a substitute motion. A substitute motion might be: "I move a substitute motion that we cancel the annual fundraiser this year."

"Motions to amend" and "substitute motions" are often confused, but they are quite different, and their effect (if passed) is quite different. A motion to amend seeks to retain the basic motion on the floor, but modify it in some way. A substitute motion seeks to throw out the basic motion on the floor, and substitute a new and different motion for it. The decision as to whether a motion is really a "motion to amend" or a "substitute motion" is left to the chair. So if a member makes what that member calls a "motion to amend," but the chair determines that it is really a "substitute motion," then the chair's designation governs.

A "friendly amendment" is a practical parliamentary tool that is simple, informal, saves time and avoids bogging a meeting down with numerous formal motions. It works in the following way: In the discussion on a pending motion, it may appear that a change to the motion is desirable or may win support for the motion from some members. When that happens, a member who has the floor may simply say, "I want to suggest a friendly amendment to the motion." The member suggests the friendly amendment, and if the maker and the person who seconded the motion pending on the floor accepts the friendly amendment, that now becomes the pending motion on the floor. If either the maker or the person who seconded rejects the proposed friendly amendment, then the proposer can formally move to amend.

Multiple Motions Before the Body

There can be up to three motions on the floor at the same time. The chair can reject a fourth motion until the chair has dealt with the three that are on the floor and has resolved them. This rule has practical value. More than three motions on the floor at any given time is confusing and unwieldy for almost everyone, including the chair.

When there are two or three motions on the floor (after motions and seconds) at the same time, the vote should proceed *first* on the *last* motion that is made. For example, assume the first motion is a basic "motion to have a five-member committee to plan and put on our annual fundraiser." During the discussion of this motion, a member might make a second motion to "amend the main motion to have a 10-member committee, not a five-member committee to plan and put on our annual fundraiser." And perhaps, during that discussion, a member makes yet a third motion as a "substitute motion that we not have an annual fundraiser this year." The proper procedure would be as follows:

First, the chair would deal with the *third* (the last) motion on the floor, the substitute motion. After discussion and debate, a vote would be taken first on the third motion. If the substitute motion *passed*, it would be a substitute for the basic motion and would eliminate it. The first motion would be moot, as would the second motion (which sought to amend the first motion), and the action on the agenda item would be completed on the passage by the body of the third motion (the substitute motion). No vote would be taken on the first or second motions.

Second, if the substitute motion *failed*, the chair would then deal with the second (now the last) motion on the floor, the motion to amend. The discussion and debate would focus strictly on the amendment (should the committee be five or 10 members). If the motion to amend *passed*, the chair would then move to consider the main motion (the first motion) as *amended*. If the motion to amend *failed,* the chair would then move to consider the main motion (the first motion) in its original format, not amended.

Third, the chair would now deal with the first motion that was placed on the floor. The original motion would either be in its original format (five-member committee), or if *amended*, would be in its amended format (10-member committee). The question on the floor for discussion and decision would be whether a committee should plan and put on the annual fundraiser.

To Debate or Not to Debate

The basic rule of motions is that they are subject to discussion and debate. Accordingly, basic motions, motions to amend, and substitute motions are all eligible, each in their turn, for full discussion before and by the body. The debate can continue as long as members of the body wish to discuss an item, subject to the decision of the chair that it is time to move on and take action.

There are exceptions to the general rule of free and open debate on motions. The exceptions all apply when there is a desire of the body to move on. The following motions are not debatable (that is, when the following motions are made and seconded, the chair must immediately call for a vote of the body without debate on the motion):

Motion to adjourn. This motion, if passed, requires the body to immediately adjourn to its next regularly scheduled meeting. It requires a simple majority vote.

Motion to recess. This motion, if passed, requires the body to immediately take a recess. Normally, the chair determines the length of the recess which may be a few minutes or an hour. It requires a simple majority vote.

Motion to fix the time to adjourn. This motion, if passed, requires the body to adjourn the meeting at the specific time set in the motion. For example, the motion might be: "I move we adjourn this meeting at midnight." It requires a simple majority vote.

Motion to table. This motion, if passed, requires discussion of the agenda item to be halted and the agenda item to be placed on "hold." The motion can contain a specific time in which the item can come back to the body. "I move we table this item until our regular meeting in October." Or the motion can contain no specific time for the return of the item, in which case a motion to take the item off the table and bring it back to the body will have to be taken at a future meeting. A motion to table an item (or to bring it back to the body) requires a simple majority vote.

Motion to limit debate. The most common form of this motion is to say, "I move the previous question" or "I move the question" or "I call the question" or sometimes someone simply shouts out "question." As a practical matter, when a member calls out one of these phrases, the chair can expedite matters by treating it as a "request" rather than as a formal motion. The chair can simply inquire of the body, "any further discussion?" If no one wishes to have further discussion, then the chair can go right to the pending motion that is on the floor. However, if even one person wishes to discuss the pending motion further, then at that point, the chair should treat the call for the "question" as a formal motion, and proceed to it.

When a member of the body makes such a motion ("I move the previous question"), the member is really saying: "I've had enough debate. Let's get on with the vote." When such a motion is made, the chair should ask for a second, stop debate, and vote on the motion to limit debate. The motion to limit debate requires a two-thirds vote of the body.

NOTE: A motion to limit debate could include a time limit. For example: "I move we limit debate on this agenda item to 15 minutes." Even in this format, the motion to limit debate requires a two-thirds vote of the body. A similar motion is a *motion to object to consideration of an item.* This motion is not debatable, and if passed, precludes the body from even considering an item on the agenda. It also requires a two-thirds vote.

Majority and Super Majority Votes

In a democracy, a simple majority vote determines a question. A tie vote means the motion fails. So in a seven-member body, a vote of 4-3 passes the motion. A vote of 3-3 with one abstention means the motion fails. If one member is absent and the vote is 3-3, the motion still fails.

All motions require a simple majority, but there are a few exceptions. The exceptions come up when the body is taking an action which effectively cuts off the ability of a minority of the body to take an action or discuss an item. These extraordinary motions require a two-thirds majority (a super majority) to pass:

Motion to limit debate. Whether a member says, "I move the previous question," or "I move the question," or "I call the question," or "I move to limit debate," it all amounts to an attempt to cut off the ability of the minority to discuss an item, and it requires a two-thirds vote to pass.

Motion to close nominations. When choosing officers of the body (such as the chair), nominations are in order either from a nominating committee or from the floor of the body. A motion to close nominations effectively cuts off the right of the minority to nominate officers and it requires a two-thirds vote to pass.

Motion to object to the consideration of a question. Normally, such a motion is unnecessary since the objectionable item can be tabled or defeated straight up. However, when members of a body do not even want an item on the agenda to be considered, then such a motion is in order. It is not debatable, and it requires a two-thirds vote to pass.

Motion to suspend the rules. This motion is debatable, but requires a two-thirds vote to pass. If the body has its own rules of order, conduct or procedure, this motion allows the body to suspend the rules for a particular purpose. For example, the body (a private club) might have a rule prohibiting the attendance at meetings by non-club members. A motion to suspend the rules would be in order to allow a non-club member to attend a meeting of the club on a particular date or on a particular agenda item.

Counting Votes

The matter of counting votes starts simple, but can become complicated.

Usually, it's pretty easy to determine whether a particular motion passed or whether it was defeated. If a simple majority vote is needed to pass a motion, then one vote more than 50 percent of the body is required. For example, in a five-member body, if the vote is three in favor and two opposed, the motion passes. If it is two in favor and three opposed, the motion is defeated.

If a two-thirds majority vote is needed to pass a motion, then how many affirmative votes are required? The simple rule of thumb is to count the "no" votes and double that count to determine how many "yes" votes are needed to pass a particular motion. For example, in a seven-member body, if two members vote "no" then the "yes" vote of at least four members is required to achieve a two-thirds majority vote to pass the motion.

What about tie votes? In the event of a tie, the motion always fails since an affirmative vote is required to pass any motion. For example, in a five-member body, if the vote is two in favor and two opposed, with one member absent, the motion is defeated.

Vote counting starts to become complicated when members vote "abstain" or in the case of a written ballot, cast a blank (or unreadable) ballot. Do these votes count, and if so, how does one count them? The starting point is always to check the statutes.

In California, for example, for an action of a board of supervisors to be valid and binding, the action must be approved by a majority of the board. (California Government Code Section 25005.) Typically, this means three of the five members of the board must vote affirmatively in favor of the action. A vote of 2-1 would not be sufficient. A vote of 3-0 with two abstentions would be sufficient. In general law cities in

California, as another example, resolutions or orders for the payment of money and all ordinances require a recorded vote of the total members of the city council. (California Government Code Section 36936.) Cities with charters may prescribe their own vote requirements. Local elected officials are always well-advised to consult with their local agency counsel on how state law may affect the vote count.

After consulting state statutes, step number two is to check the rules of the body. If the rules of the body say that you count votes of "those present" then you treat abstentions one way. However, if the rules of the body say that you count the votes of those "present and voting," then you treat abstentions a different way. And if the rules of the body are silent on the subject, then the general rule of thumb (and default rule) is that you count all votes that are "present and voting."

Accordingly, under the "present and voting" system, you would **NOT** count abstention votes on the motion. Members who abstain are counted for purposes of determining quorum (they are "present"), but you treat the abstention votes on the motion as if they did not exist (they are not "voting"). On the other hand, if the rules of the body specifically say that you count votes of those "present" then you **DO** count abstention votes both in establishing the quorum and on the motion. In this event, the abstention votes act just like "no" votes.

How does this work in practice?
Here are a few examples.

Assume that a five-member city council is voting on a motion that requires a simple majority vote to pass, and assume further that the body has no specific rule on counting votes. Accordingly, the default rule kicks in and we count all votes of members that are "present and voting." If the vote on the motion is 3-2, the motion passes. If the motion is 2-2 with one abstention, the motion fails.

Assume a five-member city council voting on a motion that requires a two-thirds majority vote to pass, and further assume that the body has no specific rule on counting votes. Again, the default rule applies. If the vote is 3-2, the motion fails for lack of a two-thirds majority. If the vote is 4-1, the motion passes with a clear two-thirds majority. A vote of three "yes," one "no" and one "abstain" also results in passage of the motion. Once again, the abstention is counted only for the purpose of determining quorum, but on the actual vote on the motion, it is as if the abstention vote never existed — so an effective 3-1 vote is clearly a two-thirds majority vote.

Now, change the scenario slightly. Assume the same five-member city council voting on a motion that requires a two-thirds majority vote to pass, but now assume that the body **DOES** have a specific rule requiring a two-thirds vote of members "present." Under this specific rule, we must count the members present not only for quorum but also for the motion. In this scenario, any abstention has the same force and effect as if it were a "no" vote. Accordingly, if the votes were three "yes," one "no" and one "abstain," then the motion fails. The abstention in this case is treated like a "no" vote and effective vote of 3-2 is not enough to pass two-thirds majority muster.

Now, exactly how does a member cast an "abstention" vote? Any time a member votes "abstain" or says, "I abstain," that is an abstention. However, if a member votes "present" that is also treated as an abstention (the member is essentially saying, "Count me for purposes of a quorum, but my vote on the issue is abstain.") In fact, any manifestation of intention not to vote either "yes" or "no" on the pending motion may be treated by the chair as an abstention. If written ballots are cast, a blank or unreadable ballot is counted as an abstention as well.

Can a member vote "absent" or "count me as absent?" Interesting question. The ruling on this is up to the chair. The better approach is for the chair to count this as if the member had left his/her chair and is actually "absent." That, of course, affects the quorum. However, the chair may also treat this as a vote to abstain, particularly if the person does not actually leave the dais.

The Motion to Reconsider

There is a special and unique motion that requires a bit of explanation all by itself; the motion to reconsider. A tenet of parliamentary procedure is finality. After vigorous discussion, debate and a vote, there must be some closure to the issue. And so, after a vote is taken, the matter is deemed closed, subject only to reopening if a proper motion to consider is made and passed.

A motion to reconsider requires a majority vote to pass like other garden-variety motions, but there are two special rules that apply only to the motion to reconsider.

First, is the matter of timing. A motion to reconsider must be made at the meeting where the item was first voted upon. A motion to reconsider made at a later time is untimely. (The body, however, can always vote to suspend the rules and, by a two-thirds majority, allow a motion to reconsider to be made at another time.)

Second, a motion to reconsider may be made only by certain members of the body. Accordingly, a motion to reconsider may be made only by a member who voted in the majority on the original motion. If such a member has a change of heart, he or she may make the motion to reconsider (any other member of the body — including a member who voted in the minority on the original motion — may second the motion). If a member who voted in the minority seeks to make the motion to reconsider, it must be ruled out of order. The purpose of this rule is finality. If a member of minority could make a motion to reconsider, then the item could be brought back to the body again and again, which would defeat the purpose of finality.

If the motion to reconsider passes, then the original matter is back before the body, and a new original motion is in order. The matter may be discussed and debated as if it were on the floor for the first time.

Courtesy and Decorum

The rules of order are meant to create an atmosphere where the members of the body and the members of the public can attend to business efficiently, fairly and with full participation. At the same time, it is up to the chair and the members of the body to maintain common courtesy and decorum. Unless the setting is very informal, it is always best for only one person at a time to have the floor, and it is always best for every speaker to be first recognized by the chair before proceeding to speak.

The chair should always ensure that debate and discussion of an agenda item focuses on the item and the policy in question, not the personalities of the members of the body. Debate on policy is healthy, debate on personalities is not. The chair has the right to cut off discussion that is too personal, is too loud, or is too crude.

Debate and discussion should be focused, but free and open. In the interest of time, the chair may, however, limit the time allotted to speakers, including members of the body.

Can a member of the body interrupt the speaker? The general rule is "no." There are, however, exceptions. A speaker may be interrupted for the following reasons:

Privilege. The proper interruption would be, "point of privilege." The chair would then ask the interrupter to "state your point." Appropriate points of privilege relate to anything that would interfere with the normal comfort of the meeting. For example, the room may be too hot or too cold, or a blowing fan might interfere with a person's ability to hear.

Order. The proper interruption would be, "point of order." Again, the chair would ask the interrupter to "state your point." Appropriate points of order relate to anything that would not be considered appropriate conduct of the meeting. For example, if the chair moved on to a vote on a motion that permits debate without allowing that discussion or debate.

Appeal. If the chair makes a ruling that a member of the body disagrees with, that member may appeal the ruling of the chair. If the motion is seconded, and after debate, if it passes by a simple majority vote, then the ruling of the chair is deemed reversed.

Call for orders of the day. This is simply another way of saying, "return to the agenda." If a member believes that the body has drifted from the agreed-upon agenda, such a call may be made. It does not require a vote, and when the chair discovers that the agenda has not been followed, the chair simply reminds the body to return to the agenda item properly before them. If the chair fails to do so, the chair's determination may be appealed.

Withdraw a motion. During debate and discussion of a motion, the maker of the motion on the floor, at any time, may interrupt a speaker to withdraw his or her motion from the floor. The motion is immediately deemed withdrawn, although the chair may ask the person who seconded the motion if he or she wishes to make the motion, and any other member may make the motion if properly recognized.

Special Notes About Public Input

The rules outlined above will help make meetings very public-friendly. But in addition, and particularly for the chair, it is wise to remember three special rules that apply to each agenda item:

Rule One: Tell the public what the body will be doing.

Rule Two: Keep the public informed while the body is doing it.

Rule Three: When the body has acted, tell the public what the body did.

4. Attendance Policy – Airport Commission members may miss three meetings per calendar year. A member who misses more than three meetings per year may be subject to removal from the Commission. The staff liaison will document all absences and report to the City Clerk when a member of the Commission has exceeded the allowed number of absences. The City Clerk will notify the City Council with a memo explaining the circumstances of the absences and the City Council will determine if an agenda item is needed to consider whether removal from the Commission is appropriate. The member will have the opportunity to

speak at a City Council meeting when removal is under consideration. The final decision to remove a member from the Commission rests solely with the City Council.

5. Elections and Officers – The Airport Commission shall elect a chairperson and a vice chairperson at the first meeting held after January 1st of each year. Election of the officers shall be by majority vote of the Commission. The role of the officers shall be as follows:

   a. Chairperson – The Chairperson shall preside at all regular meetings and may call special meetings. The Chairperson shall decide upon all points of order and procedure during the meeting.

Commission members may not participate in a meeting remotely, via teleconference or videoconference.

7. Agenda Preparation and Posting – The staff liaison shall post the notices and agendas for each Airport Commission meeting in the kiosk in front of the Civic Center Meeting Hall, the Civic Center Library and on the City's website.

   a. Regular Meetings

   Agendas shall be prepared in accordance with the requirements of the Brown Act and shall be posted in a location that is freely accessible to members of the public at least 72 hours in advance of a regular meeting. The agenda shall specify the time and location of the meeting and contain a brief description of each item of business to be transacted or discussed at the meeting. [54954.2]

   b. Special Meetings and Workshops

   Notice of the call for a special meeting must be delivered and received by each Commission Member and the media at least 24 hours before the special meeting and must be posted at least 24 hours before the special meeting date. The agenda shall specify the time and location of the meeting, contain a brief

description of each item of business to be transacted or discussed at the meeting, and state who called the special meeting. [54956].

8. Minutes of Proceedings – An account of all final actions or recommendations of the Airport Commission shall be prepared by the staff liaison and approved by the Commission. The staff liaison with input from the City Clerk, and consistent with the uniform format provided by the City Clerk, shall determine the preferred software/recording device used to capture the minutes for their advisory body meetings. Minutes shall be provided for Commission consideration and approval as action minutes.

9. Quorum – Three members constitute a quorum of the Airport Commission. A quorum of the members must be present to conduct any business. In the absence of a quorum at a meeting, the meeting must be adjourned. The matters listed on the agenda shall be taken up at the next regularly scheduled meeting of the Commission or scheduled for a special meeting if deemed necessary. A meeting may also be declared adjourned in advance, if absence notifications received by staff create a lack of a quorum, or if staff determines that there is not current business pending before the Airport Commission. Cancellations of meetings must comply with the requirements of the Brown Act.

10. Conduct at Meetings

    a. All meetings shall be held in accordance with City policies and the Brown Act Open Meeting Laws (Government Code, Sections 54950 and following). Only items listed on the agenda may be considered by the Airport Commission.

    b. General Conduct of Meetings – Points of order shall be settled by the Chairperson. Points of order shall comply with the Brown Act, Rosenberg's Rules of Order, Revised 2011, Airport Commission Rules of Procedure and City policies. The Chairperson will consult with staff as necessary. Unresolved issues shall be referred to the City Attorney and continued to a future meeting. Any member desiring to speak must first be recognized by the Chairperson and shall confine any remarks to the subject under consideration.

    c. Voting on Items – Voting on items shall be in accordance with Rosenberg's Rules of Order, Revised 2011 and Parliamentary Procedures. The Airport Commission shall not take a sealed ballot vote in open session.

    d. Call to Order - The Chairperson shall call the meeting to order at the appointed time. If both the Chairperson and the Vice Chairperson are absent, then the staff liaison shall call the meeting to order, and the

Commission Members present shall then select a presiding officer for that meeting.

e. Preservation of Order - The Chairperson shall preserve strict order and decorum, and shall discourage personal, verbal attacks on Commission Members, staff, and/or citizens, but shall not prohibit criticisms of the policies, procedures, programs, or services of the City, or of the acts or omissions of the Airport Commission or members of the City staff. The Chairperson shall confine debate to the item under discussion. [36813, 38638, 54954.3, 54957.9].

f. Reordering of Agenda - The Chairperson may reorder the items on the agenda for a noticed meeting to accommodate members of the public who wish to speak on an agenda item that would otherwise be considered by the Airport Commission later in the meeting. The Chairperson shall announce the reorder prior to calling members of the public to speak during citizens forum.

g. Motion to be Stated - The Chairperson shall state all motions submitted for a vote by the Airport Commission and announce the result of the vote and identify the no votes and any Commission Members that abstained or recused themselves from the vote. No action shall be taken by secret ballot, but electronic tabulation may be used to record, and report roll call votes. [54953(b)(2) and (c)(2)].

11. Citizens' Forum/Public Comments

Every agenda shall provide the opportunity for members of the public to address the Airport Commission on subjects which are not listed on the agenda and are within the subject matter jurisdiction of the Commission. The Chairperson may establish time limits per individual speaker. The Commission shall not discuss nor take action on subjects raised under Citizens' Forum/Public Comments; but the Chairperson, with the concurrence of a majority of the Commission, may direct staff to place subjects raised under Citizens' Forum/Public Comments on a future Commission agenda.

12. Subcommittees

The Airport Commission may create standing subcommittees (those with ongoing subject matter jurisdiction and regularly scheduled meetings). Such subcommittees shall be subject to all City policies and the requirements of the Brown Act.

13. Staff Support and Responsibilities

The head of the department that is responsible for supporting the Airport Commission shall designate the Airport Manager or another employee to serve as staff liaison to the Commission.

The Staff Liaison shall prepare and post the agenda, take and maintain meeting minutes, prepare other documents as directed by the Chairperson, and generally assist the Commission in performing its duties. The Staff Liaison shall have no voting authority.

Staff shall be responsible for recommending to Council approval of Airport rates and charges, operating expenditure and revenue budgets, and operating and replacement reserves.

Commissioners must work with their assigned staff liaison and the liaison's Department Head to obtain the City Council's approval before beginning any self-initiated project that will require more than 8 hours of staff time to complete that year. However, the Commission may pursue self-initiated projects that can be accomplished utilizing the city resources currently allocated to the particular advisory body and that do not take resources away from that advisory body's anticipated work to fulfill its duties and responsibilities to the City Council.

14. Rules of Parliamentary Procedure

The City Council has adopted Rosenberg's Rules of Order, Revised 2011, as its rules of parliamentary procedure for the City Council and all Boards and Commissions. In the event of a conflict between Rosenberg's Rules of Order and these rules of procedure, these rules of procedure shall control.

15. Types of Meetings

15.1 Regular Meetings

The Airport Commission shall meet in the William H. Mendenhall Community Room for all regular Commission meetings. The regular meetings shall begin on the first Monday of each month at 6:30 p.m., unless otherwise specified by posted notice. If the meeting date falls on a legal holiday, the Airport Commission shall meet at a date and time designated by the Commission.

15.2 Special Meetings

Special meetings may be called by the Commission Chair, the Commission liaison or by a majority of Commissioners. The call and notice for a special meeting must specify the items to be considered and the date, time, and location for the meeting. [36807, 54956(a)].

The Airport Commission may take final action at a special meeting that is not a workshop.

15.3 Special Meeting Workshops

The Airport Commission may meet informally in special meetings designated as workshops that are called by the Chairperson, the Commission liaison, or by a majority of Commission Members. Workshops are special meetings intended for training purposes such as ethics training, sexual harassment prevention and education, and specific technical subjects.

Workshops are open to the public and are meetings for purposes of the Brown Act. The Airport Commission may provide direction, but unlike other special meetings the Airport Commission may not take a final action at a workshop. [54956].

15.4 Adjourned Meetings, and Adjourned Regular Meetings

Any meeting of the Airport Commission may be adjourned to a later date, time, and location, and the notice of adjournment shall be posted within 24 hours on or near the door of the place where the adjourned meeting was held. However, if the adjourned meeting is to reconvene less than 24 hours after adjournment, then a copy of the order or notice of the continuance shall be posted immediately following the meeting. [36809, 54955].

The Chairperson, Commission liaison, or majority of Members may call for an adjourned regular meeting in consultation with the City Attorney to conduct a regular meeting on a date other than on a regular meeting date on the Airport Commission's annual calendar. [54955]

16. Actions Limited to Posted Agendas

The Airport Commission shall not discuss or take action on any item not appearing on the posted notice or agenda for that meeting. However, as permitted by the Brown Act, Commission Members and staff may briefly respond to statements made or questions posed by the Airport Commission or by members of the public addressing the Airport Commission. Commission Members may ask a question of City staff or a speaker for clarification, make a brief announcement, or make a brief report on their own activities.

17. Continuance of Agenda Items

Items listed on a posted agenda should not be continued or postponed absent good cause.

17.1 Discovery of Good Cause Before an Item is Considered

If good cause to continue an item is discovered by City staff after a notice or agenda is posted but before the meeting commences, then after calling the meeting to order the Chair shall identify the item and announce that is has been continued.

17.2 Good Cause to Continue During Consideration

Once an item has been taken up for consideration, City staff, a Commission Member, or a participating party as defined in Section 21.4.4 Participating Parties may request a continuance of the item. The item may only be continued following a majority vote of the Commission Members present.

17.3 Public Comment for a Continued Item

If the opportunity for the public to address the Airport Commission has concluded and the item was returned to the Airport Commission for deliberation before it was continued, then the opportunity for public comment on the item will not be reopened absent a motion by the Airport Commission. [54955].

18. Consideration of items after 11:00 p.m.

18.1 Canvass and Reorder

At 10:30 p.m., or as soon thereafter as practical, the Chairperson shall canvass staff and Commissioners present to identify the remaining agenda items for consideration. The Chairperson will then identify what items will be considered or continued, and in what order. Once the Chairperson outlines the balance of the agenda, it may not be amended absent an appeal by a Commission Member.

18.2 No New Items Considered after 11:00 p.m.

Generally, the Airport Commission will not begin consideration of any items on an agenda after 11:00 p.m., but may complete their consideration of an item that was commenced prior to 11:00 p.m.

18.3 Exceptions

The Airport Commission may commence consideration of an item after 11:00 p.m. under the following circumstances:

a. An item is subject to a legal deadline, such as a project application subject to the Permit Streamlining Act; or,

b. The Airport Commission votes to allow consideration of the item after 11:00 p.m.

19. Points of Order, Privilege, and Personal Privilege

A Commission Member may ask for a point of order, at which time the Chairperson will ask for an explanation. Appropriate points of order relate to matters that a Commission Member considers inappropriate conduct for the meeting, such as the failure to observe these Rules of Procedure or the rules of parliamentary procedure.

A Commission Member may seek a point of privilege. If so, the Chairperson shall ask for an explanation of the Commission Member's point. Points of privilege generally relate to matters that interfere with a normal flow or comfort of the Airport Commission's meeting, such as the inability to hear testimony because of disruption.

A Commission Member may ask for a point of personal privilege when the integrity, character, or motives of the Commission Member are called into question by a speaker; or where the welfare of the Airport Commission is concerned.

If a speaker is interrupted by a point of order, privilege, or personal privilege, the remainder of a speaker's time will be preserved by the staff liaison until the point is resolved.

20. Minutes - An account of all final actions or recommendations of the Airport Commission shall be prepared by the staff liaison and approved by the Commission. The staff liaison with input from the City Clerk, and consistent with the uniform format provided by the City Clerk, shall determine the preferred software/recording device used to capture the minutes for their advisory body meetings. Minutes shall be provided for Commission consideration and approval as action minutes.

20.1 Approval

The minutes for an Airport Commission meeting shall be reviewed and approved as set forth in this section.

a. The Airport Commission shall approve minutes for a regular meeting, special meeting, and special meeting workshops.

b. An Airport Commissioner may not approve the minutes for any meeting that the Commissioner did not attend.

Also, an Airport Commissioner may not approve the minutes for a meeting that they were not eligible to attend as a commissioner.

c. If no Commissioners are eligible to approve the minutes for an Airport Commission meeting, then the staff liaison shall attest to the accuracy of the meeting minutes and enter them into official minute books.

20.2 Preferred Method of Recordation and Minutes

Airport Commission liaisons shall take an audio recording of each meeting and keep them in accordance with the City's Records Retention Schedule. Minutes of Airport Commission meetings shall be action minutes that capture the action taken by the Airport Commission and the outcome of each agenda item.

20.3 Staff Attendance & Development of Agenda - Staff attendance and agenda development will be determined by the staff liaison for the advisory body.

21. Order of Business – Regular Meetings

The usual order of business for regular meetings shall be as follows:

21.1. Call to Order

This portion of the agenda is for roll call and the pledge of allegiance.

21.2. Citizens Forum

This portion of the agenda is for any member of the public to address the Airport Commission on any item of interest to the public that is within the Airport Commission's subject matter jurisdiction. However, to prepare and preserve a proper administrative record, public comments concerning an item listed elsewhere on the agenda should be reserved and addressed to the Airport Commission when that item is called for consideration.

Citizen's forum shall be limited to 30 minutes, usually before the consent calendar. If there are additional members of the public who wish to speak at the conclusion of the 30-minute time period, then the Chair shall reconvene the citizens forum at the conclusion of the matters for consideration portion of the agenda unless the Chair announces that citizens forum is reordered to a different place on the agenda.

The procedures for public comments during the citizens forum are set forth in Section 23 Citizens' Rights.

21.3. Consent Calendar

The consent calendar portion of the agenda is for routine items that are not expected to require Airport Commission discussion. Examples of items for the consent calendar include the approval of minutes. Any Airport Commissioner

may pull an item for separate discussion. Members of the public may address the Airport Commission on consent calendar items by following the procedures set forth in Section 23 Citizens' Rights.

The items on the consent calendar are generally approved by the Airport Commission by a single motion, but separate motions may be appropriate to accommodate a conflict of interest, an absence, or other Commission Member interests.

21.4. Matters for Consideration

This portion of the agenda is for items of business that require Airport Commission action, direction, or receipt of reports that do not also require a public hearing. The procedures for this portion of the agenda follow the following procedure:

21.4.1 Introduction

The Chairperson shall call each item for hearing and consideration. If there are public hearing items, the Chairperson has the discretion to concurrently call the items for hearing and consideration.

21.4.2 Staff Presentation

A member of City staff will then:

a. Introduce themselves and the item by identifying the report and other written material included in the agenda packet for the Airport Commission's consideration, as well as any written comments received from the public.

b. Identify any supplemental written materials that have been provided to the Airport Commission for consideration, which were received or prepared for the item after the meeting agenda was published.

c. Identify any other staff members or consultants that will be part of the staff presentation or are otherwise present and available for the Airport Commission questions.

d. State whether the applicant is present and whether the applicant intends to make a presentation to the Airport Commission.

e. Make an oral report, unless waived by the Airport Commission.

21.4.3 Airport Commission Questions or Comments

Following the staff presentation, the Commission Members may ask questions of City staff and consultants or make comments on the item.

21.4.4 Participating Parties

Following Commission Member questions and comments after the staff presentation, the applicant, appellant, and other named participant in the item that is party to an agenda item (collectively “participating parties”) may address the Commission. After the Chair determines that no other participating parties wish to address the Airport Commission on the hearing item, the Chairperson will then invite Commission Member questions or comments of the participating parties and staff concerning the item. Participating parties shall address the Airport Commission following the procedures set forth in Section 23 Citizens’ Rights.

21.4.5 Opportunity for Public Comment

The purpose of the public hearing is to provide members of the public with an opportunity to address the Airport Commission concerning the item, as well as to express their support or opposition of the item. The Chairperson will formally announce the opening of the public comment period and invite members of the public to address the Airport Commission on the item. Public speakers shall address the Airport Commission following the procedures set forth in Section 23 Citizens’ Rights.

After the Chairperson determines that no other member of the public wishes to address the Airport Commission on the hearing item, the Chairperson will formally close the public comment period and return the item to the Airport Commission for deliberation.

21.4.6 Deliberation

Once an item of business returns to the Airport Commission for deliberation, the Chairperson will invite the Commission Members to discuss the item to develop concurrence for a motion. Commission Members may ask questions of staff and the participating parties as part of their deliberations.

21.4.7. Airport Commission Action

After Airport Commission deliberation, the Chairperson shall call for a motion and a second as set forth in Section 25 Motions, and the Airport Commission may make such motions as set forth in that section.

If the motion seconded for consideration is substantially different than the recommended action in the published staff report, the Chairperson may invite public comments on the motion. Each speaker will be limited to one minute to

comment on the motion; and the Airport Commission has discretion to decide not to hear further comment if they choose. Public speakers shall address the Airport Commission following the procedures set forth in Section 23 Citizens' Rights.

Prior to deliberating on matters for consideration, the Airport Commission shall receive public comment as provided for in Section 23 Citizens' Rights. After receiving public comment, the Airport Commission shall deliberate and shall receive the report, take action, or provide direction as set forth in Section 25 Motions.

21.5 Reports and Matters Initiated

This portion of the agenda is for:

a. Each member of the Airport Commission to provide brief reports on any conferences, training, community meetings, or other events of interest to the community that the Commissioner attended at the City's expense [53232.2(d)].

b. The City staff to provide information of community interest to the Airport Commission and to seek direction from the Airport Commission concerning items to be included on future agendas.

c. The Airport Commission to provide guidance and direction to staff concerning items to be included on future agendas and information to be provided in response to questions raised during citizens forum.

d. The Airport Commission to request staff to provide information, perform studies, or undertake other administrative functions or to develop information for Commission action at a future meeting. If the requested action cannot be accomplished within the approved budget or if it will involve substantial staff resources, approval of resources would need to be provided from the City Council prior to staff completing the work.

Members of the public do not have the right to address the Airport Commission during this portion of the agenda. [54954.3(a); Coalition of Labor, Agriculture & Business v. County of Santa Barbara Bd. of Supervisors, (2005) 129 Cal.App.4th 205].

21.6 Adjournment

This portion of the agenda is for the Chairperson to adjourn the Airport Commission meeting to its next meeting. The meeting may be adjourned to a regular meeting, special meeting, special meeting workshop, adjourned regular meeting, or adjourned special meeting.

Members of the public do not have the right to address the Airport Commission during this portion of the agenda. [54954.3(a); Coalition of Labor, Agriculture & Business v. County of Santa Barbara Bd. of Supervisors, (2005) 129 Cal.App.4th 205].

Adjournment at any other point in the meeting requires a formal motion by the Airport Commission.

22. Order of Business – Special Meetings and Workshops

No matters except those specified in the notice and agenda for a special meeting or special meeting workshop may be discussed at those meetings.

The usual order of business for special meetings and workshops shall be as follows:

22.1. Call to Order

This portion of the agenda is the same as it is for a regular meeting.

22.2. Public Comment

The purpose of this portion of the agenda is to provide the public with the opportunity to address the Airport Commission on only those items listed in the posted notice and agenda for the special meeting or workshop.

Public speakers shall address the Airport Commission following the procedures set forth in Section 23 Citizens' Rights.

However, unlike a regular meeting, the agenda for a special meeting will not include a citizens' forum or opportunity for the public to address the Airport Commission on any item of interest to the public that is within the Airport Commission's subject matter jurisdiction, unless that opportunity is expressly included in the agenda.

22.3 Special Meeting Item and Workshop Item

Generally, the procedures for this portion of the agenda follow the procedures in Section 21.4.1 Introduction, 21.4.2 Staff Presentation, 21.4.3 Questions and Comments, and 21.4.6 Deliberations. The Airport Commission may take a final action at a special meeting, but not at a workshop, as set forth in Section 15.2 Special Meetings and Section 15.3 Special Meeting Workshops

22.4 Adjournment

This portion of the agenda is the same as it is for a regular meeting.

23. Citizens' Rights

An Airport Commission meeting is a limited public forum. [78 Ops.Cal.Atty.Gen. 224 (1995); Kindt v. Santa Monica Rent Control Bd. (9th Cir. 1995) 67 F.3d 266; White v. City of Norwalk, (9th Cir. 1990) 900 F.2d 1421; Leventhal v. Vista Unified School District (SD Cal. 1997) 973 F.Supp. 951]. Members of the public have the right to address the Airport Commission and to attend its meetings. During the citizens forum portion of a regular meeting agenda, members of the public have a right to address the Airport Commission on any item of interest to the public that is within the Airport Commission's subject matter jurisdiction. Members of the public also have the right to address the Airport Commission before the Airport Commission considers or takes action on an item on any regular meeting agenda, except for items properly listed or considered in the Call to Order, Airport Commission Reports and Matters Initiated, and the Adjournment portions of the agenda. Members of the public shall be provided an opportunity to address the Airport Commission concerning any item that is described in the notice for special meeting workshops and special meetings. [54954.3].

The procedures for addressing public comments to the Airport Commission are as follows:

23.1 Addressing the Airport Commission

Members of the public that want to address the Airport Commission during citizens forum or before the Airport Commission considers or takes action on an item must indicate their desire by personally submitting a request to speak to the staff liaison, or his or her designee, using the methods specified by the staff liaison in the agenda for that meeting. A member of the public may not submit a request to speak on behalf of any other person. The methods for addressing the Airport Commission will be described at each meeting. The staff liaison will prominently display the methods to address the Airport Commission in the William H. Mendenhall Community Room.

Before an item is considered by the Airport Commission, the staff liaison shall identify or provide a list of the speakers to the presiding officer in the order that they are received for each agenda item. Generally, once the Airport Commission begins its consideration of an item, no additional requests to speak will be accepted absent invitation by the presiding officer.

The purpose of submitting a request to speak is to help the presiding officer conduct the Airport Commission's meetings and to complete its business in an orderly fashion. The intent is not to limit testimony. Therefore, a member of the public will not be denied an opportunity to speak if a request to speak lacks information or because a speaker wants to remain anonymous.

Speakers who have not submitted a request to speak on time may be heard by the presiding officer's recognition or by another Airport Commissioner's successful appeal. [White v. City of Norwalk, (9th Cir. 1990) 900 F.2d 1421].

23.2 Speaker Time Limit

Each advisory body, with input from the City Clerk and consistent with the uniform format provided by the City Clerk, may establish their own rules to specify the method to request, and the speaker time limits, for citizens addressing the advisory body, but the advisory body must then administer them uniformly.

23.3 Members of the Public Addressing the Airport Commission

23.3.1 A list of people who have requested to speak shall be used to call each speaker to address the Airport Commission. When calling a speaker to the lectern the next two speakers will also be identified, so they are prepared to address the Airport Commission when called.

23.3.2 The Chairperson may request each speaker to state his or her name and city of residence before addressing the Airport Commission. A speaker is not required to provide his or her name or address to address the Airport Commission. However, to the extent such information is relevant to the issues being considered by the Airport Commission, the absence of such information may bear on the speaker's credibility and the weight the Airport Commission affords the speaker's comments.

23.3.3 Speakers shall address their comments only to the Airport Commission as a body and not to a particular member.

23.3.4 Members of the public may only address the Airport Commission from the lectern. No member of the public, other than the speaker at the lectern, may address the Airport Commission, unless called upon by the Chairperson.

23.3.5 No question shall be asked of Commission Members by a speaker, except through the Chairperson. No question shall be asked of a speaker by a Commission Member, except through the Chairperson. Commission Members, the Chairperson, and the speaker are not obligated to answer any questions asked. The Chairperson may refer questions to staff for a brief answer while the speaker is at the lectern.

23.3.6 Speakers shall not use their time to unduly disrupt the orderly conduct of the Airport Commission's meeting.

23.3.7 Speakers are encouraged to avoid repetition.

23.3.8 Speakers are encouraged to avoid making personal attacks.

23.3.9 Each speaker shall relinquish the lectern when his or her time to address the Airport Commission has expired.

23.3.10 A speaker may use his or her allotted time to read letters or other documents, play electronic recordings at a non-amplified volume, or otherwise present information to the Airport Commission in a non-disruptive manner, provided those activities are completed within the allotted time. The city will not provide the means for a speaker to play an electronic recording.

23.3.11 When called upon during citizen's forum, speakers may address the Airport Commission on any item of interest to the public within the Airport Commission's subject matter jurisdiction. [54954.3(a)].

23.3.12 When called upon to provide public comment on a specific item of business on the agenda, speakers shall focus their comments on that specific item of business before the Airport Commission. [54954.3(a); White v. City of Norwalk, (9th Cir. 1990) 900 F.2d 1421; 78 Ops.Cal.Atty.Gen 224 (1995)].

23.4 Participating Parties Addressing the Airport Commission

Participating parties shall comply with the procedures set forth in Section 23 Citizens' Rights when addressing the Airport Commission, except that the participating parties shall each have up to a maximum of 10 minutes to address the Airport Commission. The Chairperson may set and announce the time limit for each active participant to address the Airport Commission based upon the same criteria set forth in Section 23.2 Speaker Time Limit.

23.5 Public Criticism

Public criticism of the City's policies, procedures, programs, or services, or of the acts or omissions of the Airport Commission, shall not be prohibited. However, the rights of each speaker to express his or her views is not absolute and nothing in these rules of procedure are intended to confer any privilege or protection for expression beyond that otherwise provided by law. [54954.3].

23.6 Disruptive Speech and Conduct

Any person unduly disrupting an Airport Commission meeting may be requested by the Chairperson to leave the meeting. The Chairperson shall discourage demonstrations before the Airport Commission, such as applauding or booing. Upon instructions by the Chairperson, a Sergeant-at-Arms may be called for the purpose of removing any person who, in the Chairperson's judgment, has disrupted the meeting. [36813, 38638, 54954.3, 54957.9, Penal Code 403].

When possible, the Chairperson is encouraged to use alternative means, such as direction to speakers to avoid disruption or by taking a recess to review these rules with the speaker, to avoid disruptions to allow the Airport Commission to complete its business.

23.7 Written Communications – Post Hearing Notice, and Post Agenda Publication

23.7.1 Submitted after the hearing notice, but before the Agenda Publication.

Any member of the public may submit written comments and materials to the Airport Commission through the Airport Commission Liaison. All written comments and materials must be submitted between the date public hearing notices are published (10 days prior to the meeting) and noon on the day before agenda publication (3 days prior to the meeting). The Airport Commission Liaison shall deliver all written comments and materials received by 12:00 p.m. the day before agenda publication as part of the agenda packet for the posted agenda.

23.7.2 Submitted Post Agenda Publication.

Any member of the public may submit electronic comments to the Airport Commission using the electronic submission process the staff liaison specifies and makes available on the City's website within the timeframe provided on the agenda. Any additional attachments can be submitted directly to the staff liaison. All comments submitted using the staff liaison's electronic process will be available to the public and the Airport Commission immediately upon submission. The staff liaison shall post on the City's website and deliver any additional materials received by 12:00 p.m. the day of the meeting to the Airport Commission in a supplemental packet prior to the meeting.

Physical copies of written comments and materials, and electronic and physical materials submitted to the Airport Office before 12:00 p.m. noon on the day of the Airport Commission meeting, will be included in the supplemental packet. After 12:00 p.m. noon on the day of the Airport Commission meeting, any member of the public that desires to submit materials to the Airport Commission for consideration at that meeting is hereby instructed to present 8 copies of the materials to the staff liaison for distribution to the Airport Commission at its meeting when the item is considered.

23.7.3 Special Meetings and Workshops.

For special meetings and workshops, the staff liaison shall specify the instructions and timeframes for the public to submit comments and materials in the agenda for those meetings.

23.8 Approaching the Airport Commission

Once a meeting is called to order, no member of the public shall enter the area between the Commission and public seating without an invitation from the Chairperson. Members of the public may enter the area before and after the meeting, and during a recess, for the purpose of interacting with the individual Commission Members and City staff.

24. Airport Commission Deliberation

Airport Commission deliberations shall be orderly and guided by the Chairperson to reach a decision on the item before them or to provide the direction sought by staff.

25. Motions

25.1 Making a Motion

A motion may be made by the Chairperson or a Commission Member. Once a motion has been made, the Chairperson will solicit a second. A motion shall die unless it receives a second. If a motion receives a second, the Chairperson shall then invite debate and discussion on the motion and any amendments.

Any Commission Member who makes a motion may withdraw it during debate and discussion, even to the point of interrupting a speaker to do so. If the motion is withdrawn, the Chairperson may ask the person who seconded the motion if the Commission Member wishes to make the motion, subject to another Commission Member's second.

25.2 Categories of Motions

There are four categories of motions that the Airport Commission may consider.

The first category is a **basic motion**, which is one that puts forward a decision for consideration. For example, a motion to approve City staff's recommendation.

The second category is a **motion to amend** an earlier motion. Such an amending motion changes a basic motion under discussion in a minor way but does not supersede it. For example, adding a condition to a basic motion to approve staff's recommendation. If the maker of the basic motion, and the second, accept the amendment, then the amendment shall be incorporated into the original motion without the need for a second on the amending motion. If an amendment is not accepted into the basic motion by the moving Commission Members, the process for voting on simultaneous motions is then followed.

The third category is a **substitute motion**. Such a motion completely does away with the basic motion under discussion and puts a new motion before the Airport Commission. For example, if the basic motion is to approve staff's

recommendation, a substitute motion would propose numerous changes to staff's recommendation or assembles multiple amending motions into a single motion. If a substitute motion is approved, the initial basic motion does not require action since it was substituted. If a substitute motion fails, the process for voting on simultaneous motions is then followed.

The fourth category is a **hostile motion**. A hostile motion is one that seeks to accomplish the opposite effect of the basic motion. For example, when a basic motion is to approve a project, a hostile motion is one to deny the project. If a hostile motion is made, the process for voting on simultaneous motions is then followed.

A decision whether a motion is one to amend or substitute is left to the Chairperson's sole discretion. A decision whether a motion is hostile is left to the Chairperson in consultation with the Commission's Attorney.

25.3 Simultaneous Motions

The Airport Commission may consider up to three motions on the floor at one time. The Chairperson may reject a fourth motion until the three before the Airport Commission have been resolved. When two or three motions are before the Airport Commission, after motions and seconds, the first vote will be on the last motion made. Generally, the discussion when a motion is before the Airport Commission should focus on the last motion made. Once the vote on the last motion takes place, if necessary, discussion and decision on additional motions will take place in order.

However, a hostile motion shall not be on the floor at the same time as the motion it challenges. A hostile motion shall be considered after a vote on the basic motion and its amendments that it challenges.

25.4 Debatable and Non-debatable Motions

Debatable motions are subject to Commission Member comment and discussion before calling for a vote. Non-debatable motions are not subject to Commission Member comment and discussion and are to be voted on immediately.

25.4.1 Debatable Motions

Debatable motions are motions to take action on agenda items and other items of City business. For the purpose of these rules of procedure, all motions are debatable except those expressly identified in subsection 25.4.2. Debate on a motion should continue as long as Commission Members wish to discuss an item, subject to the Chairperson's decision that it is time to move on and take action.

25.4.2 Non-Debatable Motions

Non-debatable motions are procedural and terminating motions. Certain motions once made immediately stop the Commission's deliberations and, upon receipt of a second, should be voted on immediately. The Commission's non-debatable motions are as follows:

a. **Motion to Adjourn**. If passed, a motion to adjourn requires the Airport Commission to immediately adjourn to its next regularly scheduled meeting.

b. **Motion to Recess**. If passed, a motion to recess requires the Airport Commission to immediately take a recess, the length of which the Chairperson will determine. The Chairperson may order a recess without a motion, and without adjourning the meeting, as the Chairperson determines necessary to maintain decorum and conduct the meeting in an orderly fashion.

c. **Motion to Fix the Time to Adjourn**. If passed, a motion to fix the time to adjourn the meeting requires the Airport Commission to adjourn at a specific time set in the motion.

d. **Motion to Table an Item**. If passed, a motion to table an item postpones an item indefinitely or to a date and time certain, set in the motion. If the motion does not contain a specific time, an additional motion is required to bring the item back to the Airport Commission at a future meeting.

e. **Motion to Continue an Item**. A motion to continue an item has the same effect as a motion to table but is generally used when good cause exists or in response to a request by staff, a Commission Member, or a participating party, as set forth in Section 17 Continuance of Agenda Items, or a scheduling problem arises. If passed, the motion continues the item indefinitely or to the date and time set in the motion. If the motion does not contain a specific time, an additional motion is required to bring the item back to the Airport Commission at a future meeting.

f. **Motion to Call the Question**. A motion to call the question, also known as moving the previous question or limiting debate, stops further Airport Commission deliberation, debate, and discussion on an item. It can be stated as stopping debate or discussion within a certain period of time, such as 15 minutes. If seconded, the Chairperson shall then call for a vote on the motion or motions pending before the Airport as provided for in Section 10(g) Motion to Be Stated.

25.5 Miscellaneous Motions and Appeals

25.5.1 Motion to Reconsider

A motion to reconsider any action taken by the Airport Commission may be made as follows: (1) The motion must be made by a Commission Member that voted along with majority that voted for the original motion that passed, although the motion for reconsideration may be seconded by any Commission Member; (2) The motion must be made either at the meeting at which the action to be reconsidered was taken, or, at the next regular meeting, provided appropriate due process is afforded to any participating parties; (3) The motion is debatable; and (4) If any participating party has left the meeting, or if the motion comes at a subsequent meeting, the ultimate decision to be reconsidered must take place at a subsequent meeting.

25.5.2 Commission Member Appeal

Any Commission Member may appeal any ruling by the Chairperson. If a Commission Member so moves and the motion is seconded, after debate, the ruling of the Chairperson may be reversed by majority vote. If an appeal is taken, the question shall be, “Shall the decision of the Chair be sustained?”

26. Action and Direction

26.1 Votes, General Rules

Unless otherwise provided, the Airport Commission’s actions must be passed pursuant to a majority vote on a motion, and the motion may not be considered unless it is seconded. A simple majority vote by those Commission Members present is necessary to pass a motion providing direction to staff or establishing administrative policy.

Any Commission Member may, before the “Nays” are called for, demand that a roll call vote be taken on the motion before the Commission. The Chairperson’s name shall be called last with other Commission Members’ names called in alphabetical order by the staff liaison. Commission Members shall not give explanations for their vote during roll call.

If a motion does not receive the necessary majority vote for passage, the Chairperson may solicit additional discussion and another motion for further deliberation and voting. If further discussion and deliberation does not result in a motion receiving a majority vote necessary to pass a motion, the Chairperson may declare that “no action has been taken” and proceed with the remainder of the agenda. In the event of a tie vote, the procedures in section 26.2 Tie Votes, shall control.

If a Commission Member is present at the meeting but abstains from voting on a motion or is silent during the vote on the motion, then the rules in section 26.3

Abstentions and Silence shall govern how the Commission Member's silence or abstention is tabulated.

26.2 Tie Votes

Generally, a motion fails if there is a tie vote. After a tie vote, the Chairperson may solicit additional discussion and another motion in an attempt to break the tie. If the tie vote occurs during a Commission Member absence, and the absent Commission Member does not have a conflict of interest related to the item being voted on, the Airport Commission may continue the item to a subsequent meeting when the absent Commission Member is expected to be present in an effort to resolve the tie. If the tie vote is not resolved, the motion shall fail, and the Chairperson may declare that "no action has been taken" and proceed with the remainder of the agenda. However, if a decision is legally compelled under state law (such as the Permit Streamlining Act), the tie vote shall constitute a denial of the application, project before the Airport Commission and an appeal could be submitted for final decision by the City Council.

26.3 Abstentions and Silence

The City Council discourages abstentions since abstentions without legal conflict may impede the Airport Commission's actions, for example by causing a tie vote. Abstentions also deprive Livermore residents of one vote of five and may diminish accountability of Commission Members on items of legitimate concern. At the same time, it is not the City Council's intention to impede any individual Commission Member's right to choose not to speak or vote on an item.

If any Commission Member wishes to abstain from voting on a motion, the Commission Member must announce the abstention when the item of business is first called for consideration and must not participate in the consideration of the item, in which case the minutes will reflect that the Commission Member abstained from the vote.

If the Commission Member does not announce an abstention when the item of business is first called for consideration, or the Commission Member participates in the consideration of the item, and the Commission Member's abstains during the vote, then that Commission Member's vote shall be tabulated in favor of the motion.

Silence of any Commission Member shall be tabulated along with the majority of the votes cast by the Commission Members present and voting on the motion since the silent Commission Member is conceding to the majority's wishes.

This rule is intended to expressly modify Rosenberg's Rules of Order, Revised 2011 for counting votes with regard to abstentions and silence by a Commission Member.

26.4 Protests

Any Commission Member shall have the right to enter into public record reasons for dissent or protests against any motion carried by the majority.

27. Appeals

A person found in violation of the rules and regulations contained in Chapter 11.08.190 of the Livermore Municipal Code, Airport Rules and Regulations, or any order or directive of the airport manager related thereto, including a 30-day notice of termination of tenancy, may appeal such finding, order or directive by submitting a written request for appeal to the Airport Commission. A three-day notice to pay rent, cure default or quit is final and not subject to appeal.
