1. Good News Moment

9. PUBLIC COMMENTS (UP TO 30 MINUTES)

Public comment is not an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the School Board or public. Also, public comment is not a forum to attack individual school system employees or Board Members. Any such complaints should be submitted in writing to the Superintendent for appropriate handling. Finally, this is not a forum for addressing issues involving individual students. Because of privacy concerns, such issues should be submitted in

writing to the Superintendent for appropriate handling. Each speaker is allowed three minutes to address the Board. Speakers must stand at the podium and not approach the dais.

This is a business meeting of the School Board and the public expects that we conduct it in an orderly, efficient, effective and dignified manner. We request that speakers keep this in mind when making your comments. We also request that the audience keep that in mind and not demonstrate approval or disapproval of what a speaker has said by clapping or booing. The Board appreciates the public's input and will listen attentively, consider each comment, and usually will not respond, enter into debate, or answer questions during comments on agenda items or during the public comments section.

PUBLIC INPUT INSTRUCTIONS:
1. Before you begin speaking, please provide any handouts to the Agency Clerk.
2. Please identify yourself only by your full name for the record.
3. You have no more than three minutes to speak. Please stop speaking when the bell rings.
4. Florida Law requires all citizens to conduct themselves in an orderly fashion at public meetings.
5. **WARNING:** Any individual who interferes with the expeditious or orderly process of a School Board meeting, will be subject to removal from the meeting pursuant to Section 1001.372(3) Florida Statutes at the discretion of the Chair. Orderly fashion is deemed as, at a minimum (1) no profanity (2) no vulgar language (3) no discourteous, disrespectful, or disparaging conduct.

10. CONSENT ITEMS

School Board of Manatee County
July 25, 2023 - Regular Board Meeting

Title
Year-to-Date Charter School Financial Statement Summary Through May 31, 2023

Executive Summary
Unaudited year-to-date financial statements of the Charter Schools are submitted to the District each month or quarter, depending on each school's reporting requirements. These reports are filed in the District's administrative offices and are available upon request.

The District reviews and summarizes the financial statements; however, cannot certify as to their accuracy. The summary data is provided for information only purposes. Each charter school's Board is responsible for the accuracy of the monthly financial statements submitted to the District.

Note: Annual financial audits are conducted by independent CPAs for each Charter school following the fiscal year end.

SCHOOL DISTRICT OF MANATEE COUNTY

MEMORANDUM

DATE: June 27, 2023

TO: Cynthia Saunders, Superintendent

FROM: Rachel Sellers, Deputy Superintendent of Business Services

SUBJECT: Certification of Monthly Bank Reconciliation (05/31/2023)

As a response to Audit Finding 2019-001, Finance staff developed the following internal control enhancement: District staff will complete monthly bank reconciliations, and a review with accounting staff will occur on the third Monday of every month, chaired by the Deputy Superintendent of Business Services. At completion of the monthly reconciliation review, the Deputy Superintendent of Business Services will certify the completion of the reconciliation to the Superintendent.

Also available (upon request) are the cash ledger and bank statement summaries that support the "book" and "bank" amounts in the reconciliation, and also screenshots, from the PeopleSoft Treasury module, proving that the May 31, 2023 book-to-bank reconciliation has been completed, with $0 variance.

Minutes: Chair Choate provided background information and expressed desire for the Board to hold a workshop discussion prior to approving a contract for a specific amount and scope. He shared that a workshop discussion would be held in July to discuss the audit process and details of an engagement letter. Chair Choate noted that specific details could be approved in August following the Board Workshop discussion.

Board Member Foreman provided a redlined version of the item attachment, noting the differences between the published document and the Engagement Letter that was recommended by the Audit Committee. She discussed the role of the Committee Liaison and noted the importance of having a signed letter of engagement by July 1. She expressed desire for the Board to vote on the version of Letter that was recommended by the Audit Committee and made a substitute motion to replace the original motion 15.4.

15.4.a. Motion to Accept the Recommendation of the Audit Committee, for the Approval of the Carr, Riggs and Ingram Engagement Letter Dated May 3, 2023, to Provide Internal Audit Services for the Year 2023-2024

RESULT:	**Failed [4-1]**
MOVER:	Mary Foreman
SECONDER:	Richard Tatem
AYES:	Mary Foreman
NAYS:	Gina Messenger, Chad Choate, Cindy Spray, Richard Tatem

Minutes: The Board Members discussed the substitute motion and asked questions.

Following a question, Superintendent Saunders clarified that the original document that was placed on the draft agenda shared with the Board was the contract from Carr, Riggs & Ingram (CRI) and the scope of work with an amount of $400,000.00. She noted that the Chair felt the Board had not had the opportunity to hold discussion regarding the topic and provided the reasons a modified document was placed on the published agenda which did not contain a specific scope or amount for the year.

Mr. Steven Dye, School Board Attorney, responded to additional questions.

Vice-Chair Spray discussed the options and expressed appreciation for the work of the Audit Committee and Liaison.

Board Member Messenger expressed understanding for both options and noted her respect for the Audit Committee. She noted the importance of the decision.

The Board held further discussion.

Vice-Chair Spray expressed concerns that the redlined version provided by Board Member Foreman was not advertised on the published agenda.

Mr. Steven Dye, School Board Attorney, noted that the language of the redlined version of the Engagement Letter would give the Audit Committee, rather than the School Board, the purview to change and update the services defined in the contract. Following a question from Vice-Chair Spray, Mr. Dye confirmed that he had not seen the redlined version prior to the Meeting.

Chair Choate requested to call the question. The Board Members approved of calling the question with a super majority approval. The Board voted on the substitute motion from Board Member Foreman.

Chair Choate returned to the original motion 15.4 for a vote.

16) WORKSHOP ITEM REQUESTS

Minutes: Board Member Foreman requested a Workshop discussion of the elimination of the Block Grant. Board Member Messenger noted that she requested a legal opinion on the issue prior to holding the workshop. Board Member Tatem agreed.

TERMS AND CONDITIONS:

Term of Agreement:

This Agreement shall become effective on the Agreement Date, or the date on which the agreement has been signed by both parties, whichever is later, and shall have a term not to exceed one year.

Assignment:

Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

Compliance with Jessica Lunsford Act:

The School District of Manatee County and State of Florida, requires all Vendors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School Board related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net/

Third Party Beneficiary:

This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

Governing Law:

This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

Relationship of Parties:

The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

Indemnification:

Vendor agrees to defend indemnify and hold harmless the School District, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a services contract, Vendor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Vendor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification.

Confidentiality:

Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008.

Sovereign Immunity:

The parties acknowledge and agree that the School Board, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

Compliance Requirements:

The School District, acknowledges and understands that the projects contemplated by this contract are being constructed on public property owned by the School District, which property may at various times during construction be occupied by students, teachers, parents and school administrators. Accordingly, in order to secure the property, protect students and staff, and otherwise comply with applicable law, the Vendor agrees to all provisions and instructions contained in this Agreement and agrees that the failure of Vendor to comply with any of these provisions and instructions may result in the termination of this contract by the School District of Manatee County.

Invoice Requirements:

The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.

The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.

The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the services performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

Contact with Students:

Unless otherwise specified, the Vendor, will have no employees or independent contractors, material men, supplier

or anyone involved in any manner with projects resulting from this Agreement shall have direct or indirect contact with students at project sites. A violation of this provision shall result in immediate termination of the offender and issuance of a trespass notice from the School District. Vendor shall be responsible for insuring compliance by all employees, independent contractors and sub-contractors or other persons involved in any manner with projects resulting from this Agreement.

Standards of Conduct:

Vendor will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Vendor, but also to the employees of its sub-contractors.

Severability and Waiver:

If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

Force Majeure:

The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such a acts of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

Equal Opportunity:

The Vendor agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or marital status. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

Federal Debarment & Suspension Certification:

This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

Termination:

Termination for Cause—The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

Termination for Convenience—Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

Custodian of Public Records:

Compliance to the Sunshine Law:

The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Vendor hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

School District Policy:

In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment

or services shall be effected with any individual or business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 Florida Statutes.

Compliance with Regulations:

Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Vendor will in no way be a cause for relief from responsibility. The Vendor shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Vendor must not be in violation of any zoning or other ordinances in the performance of this contract.

Safety Standards:

All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

Tax Exemptions:

When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

Contract Work Hours & Safety Standards Act:

(34 CFR 80.36(I) (6): All vendors, Vendors and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part 5).

Possession of Firearms:

Possession of firearms will not be tolerated on the project or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Vendor, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Vendor. If a sub-contractor fails to terminate said employee or independent contractor, the Vendor shall terminate its agreement with the sub-contractor. If the Vendor fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. “Firearm” has the meaning given in Subsection 790.001(6) Florida Statutes.

Criminal Acts:

Employment on the project by the Vendor, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Vendor agrees to take all steps necessary to remove such person from the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Vendor does not comply with this provision

Possession/Use/Under the influences of Mind Altering Substances:

Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Vendor’s employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Vendor. If a sub-contractor fails to terminate said employee or independent contractor, the Vendor shall terminate its agreement with the sub-contractor. If the Vendor fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Clean Air and Water Pollution Act:

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office. The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act as amended (33 U.S.C. §§ 1251 et seq. The Contractor agrees to report each violation to the USDA and the appropriate EPA Regional Office.

Energy Policy and Conservation Act:

The contractor agrees to comply with mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

Byrd Anti-Lobbying Amendment:

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or

attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Funding Agreement (Right to Inventions):

If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2(a), and the contractor/subcontractor enters into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement", the contractor/subcontractor must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements", and implementing regulations issued by the awarding agency.

Procurement of Recovered Materials

1. In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.

2. Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of $10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of $10,000 of the item both under and outside that contract.

Entire Agreement:

This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict the terms of this agreement shall govern.

Covid 19 The Vendor agrees to follow the School District of Manatee County's protocols pertaining to COVID-19.

Employment Eligibility Verification ("E-VERIFY"):

By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Action Item

Title
Approval to Purchase Advanced Via Individual Determination (AVID), SDMC No. 24-0047-BS, Continued Procurement with Vendor, Estimated in the Amount of $150,000.00

Executive Summary
The School District of Manatee County began our Advanced Via Individual Determination (AVID) partnership during the 2009-2010 school year with implementation at Palmetto High School, Lincoln Memorial Middle School, and Buffalo Creek Middle School. AVID has been implemented in our district since then at various schools.

The AVID program is designed to close the achievement gap by preparing students for college readiness and success in a global society. AVID challenges students with rigorous course work, guides them through a college preparatory path, increases participation in school activities, provides opportunities for AVID students to participate in advanced course work increases their enrollment in four-year colleges, arms them with the skills necessary for college success, and encourages them to become responsible participants and leaders in a democratic society.

Approval of this agenda item does not indicate immediate or complete expenditure of funds. Funds will only be expended as budget(s) allow. The requested contract is for the period of July 1, 2023 through June 30, 2024.

This AVID Center Products and Services Quote/Order is a Subsequent Quote/Order as defined in the General Terms and Conditions previously agreed to by AVID Center and the "Client" identified above ("Ts&Cs"). This Quote/Order and any exhibits or attachments hereto, together with the Ts&Cs (including the definitions of terms set forth at https://www.avid.org/Page/3290 or another location on AVID Center's website designated by AVID Center), supersedes all previous Quote/Orders and constitutes a binding agreement between AVID Center and Client with respect to the AVID Products and Services specified above. Certain AVID Products and Services may be cancelled by Client as set forth in AVID Center's Rest Assured Policy at https://www.avid.org/rest-assured-policy.

AVID Center is committed to assisting Client with a successful implementation. Additional information regarding professional learning registrations is listed below:

- Newly implementing AVID sites are best supported by a core site team of educators – at least 8 for AVID Secondary or 4 for AVID Elementary. In the initial year of implementation, Client agrees to enroll participants into AVID Summer Institute ("SI") equal to the minimum core site team described herein, unless AVID Center agrees otherwise on this Quote/Order. If other professional learning events are taken instead of SI, prices will be adjusted accordingly upon completion of the training event.
- For each existing site in year 2 and beyond of AVID implementation, Client agrees to enroll one (1) participant into AVID Ignite, unless Client notifies otherwise. If a participant is not enrolled or a registrant does not attend, Client will receive a voucher to be used for AVID Ignite in the following summer after payment has been received.

Client will be invoiced for the greater of the number of participants from a site registered for the event or committed to on this Quote/Order. No payment is due at the time of execution of this Quote/Order, notwithstanding anything to the contrary in the General Terms and Conditions. At the time of invoicing, AVID Center will verify registration fees for each site listed on this Quote/Order and any registrations which have been previously paid will be removed from the invoice. Payment will be due within thirty (30) days following receipt of AVID Center's invoice related to this Quote/Order. Each party has caused this Quote/Order to be signed by its duly authorized representative. The terms of this Quote/Order will control in the event of a conflict with any terms or conditions set forth in any purchase order or other document or communication from Client and any such terms and conditions are hereby rejected by AVID Center and of no effect.

AGENDA ITEM NO. 10.3

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Appointments, Change of Assignments, Promotions, Reappointments, Reassignments, Resignations, Retirements, Suspensions, Terminations, and Transfers

Executive Summary
The personnel listed under change of assignments, promotions, reappointments, reassignments, resignations, retirements, suspensions, terminations, and transfers have been recommended by their principal or immediate supervisor to the Superintendent of Schools.

The personnel recommended for appointments for the 2023-2024 school years have been interviewed by members of the administrative staff and have applications with favorable references on file in the Human Resources Department.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 1
Develop a competitive employee salary schedule to keep and attract the best talent and continue to provide quality customer service to our staff and parents

Ready To Grow | Goal 2
Strengthen our new employee orientation and development program to foster, promote, and retain extraordinary educators and staff

Recommendation
The Superintendent recommends the approval of the appointments, change of assignments, promotions, reappointments, reassignments, resignations, retirements, suspensions, terminations, and transfers.

Financial Impact
There is no financial impact.

AGENDA ITEM NO. 10.4

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Report of Teachers Out-of-Field Content, Reading, ESOL (English for Speakers of Other Languages), and/or Long-Term Substitutes

Executive Summary
The Out-of-Field Plan for Manatee County Schools provides that teachers are notified of their out-of-field status at the point that the current certification that they hold does not meet the required certification for the subject(s) they are teaching. State School Board Rule 6A-1.0503 provides that any out-of-field teacher must be appointed by the School Board as being out-of-field after verification that an appropriately certified teacher is not available. The attached list of teachers was appointed by the School Board as out-of-field. These teachers have the option of passing the subject area exam or completing a minimum of six semester hours annually toward certification until such time that they can pass the test if applicable.

The META (Multicultural and Educational Training Advocacy) Consent Decree requires that all teachers of ELLs (English Language Learners) receive training in ESOL (English for Speakers of Other Languages) strategies. The number of required training hours ranges from 18 to 300 hours and is categorized by the subject in which the teacher gives instruction. Categories are I, II, III, and IV. The timeline for completing training hours is also driven by the category. Specifics are given to each teacher at the time of hire or when there is a change of assignment. Category I Teachers who are not ESOL Certified or Endorsed must be reported to the Board as out-of-field. The attached list contains the names of those teachers that are required to be reported to the Board.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 1
Develop a competitive employee salary schedule to keep and attract the best talent and continue to provide quality customer service to our staff and parents

Ready To Grow | Goal 2
Strengthen our new employee orientation and development program to foster, promote, and retain extraordinary educators and staff

Recommendation
The Superintendent recommends approval of the report of teachers out-of-field content, reading, ESOL (English for Speakers of Other Languages), and/or long-term substitutes.

Financial Impact
There is no financial impact.

AGENDA ITEM NO. 10.5

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval to Purchase Certiport Subscriptions, SDMC No. 24-0058-BS, Continued Procurement with Vendor, Estimated in the Amount of $250,000.00

Executive Summary
The District is seeking approval to purchase Certiport subscriptions for industry certifications, a business of NCS Pearson, Inc. Certiport a business of NCS Pearson, Inc. is the sole provider of the exam delivery system for the industry certification and credential programs for Microsoft, Adobe, Intuit QuickBooks and Internet and Computing. Obtaining these certifications in middle and high school gives our students an edge to a skilled and high-wage job upon graduation of high school. The District is reimbursed by the State of Florida Department of Education for each certification earned by our students. From 2008 to date, the District has earned approximately $12,097,442.00, which includes Certiport subscriptions of which 80% of the funding is earmarked directly to support the program in which it was earned.

Approval of this agenda item does not indicate immediate or complete expenditure of funds. Approved funds will only be expended on an as needed basis as budget(s) allows. Approval to purchase is valid from July 28, 2023 through July 27, 2024.

Historical expenditures are as follows:
- 2020-2021 $180,768.77
- 2021-2022 $149,921.41
- YTD 2022-2023 $237,897.90

Subsection 6A-1.012(11)(b) F.A.C. states, “The purchase by district school boards of educational services and any type of copyrighted materials including, without limitation, educational tests, textbooks, printed instructional materials, computer software, films, filmstrips, video tapes, dvds, disc or tape recordings, digital recordings, or similar audio-visual materials, and for library and reference books, and printed library cards where such materials are purchased directly from the producer or publisher, the owner of the copyright, an exclusive agent within the state, a governmental agency or a recognized educational institution.”

State Board Rule 6A-1.012(14) states, “A district school board, when acquiring, whether by purchase, lease, lease with option to purchase, rental or otherwise, information technology resources, as defined in Section 282.0041(11), Florida Statutes, may make any acquisition through the bid process as described herein or by direct negotiation and contract with a vendor or supplier, as best fits the needs of the school district as determined by the school board.”

The supplier is NCS Pearson, Inc d/b/a Certiport Incorporated, American Fork, UT, Florida Document No. 831133.

This item aligns with the District’s Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 4
Create an instructional model centered around real-world skills, civic involvement, financial literacy, and arts integration

Ready For Life | Goal 9
Advance career-centered programs across the District to provide quality post-high school education and

employment opportunities

Recommendation
The Superintendent recommends approval to purchase Certiport subscriptions, SDMC No. 24-0058-BS, continued procurement with vendor, estimated in the amount of $250,000.00.

Financial Impact
The funding source for this expenditure is CAPE funds, and in included in the High School, Middle School and Manatee Technical College proposed budget for 2023/2024 school year.

Mission and Vision

The **mission** of Manatee Technical College is to produce highly skilled individuals and resourceful leaders through collaborative education to meet the ever-changing needs of our communities and the workforce.

The **vision** of Manatee Technical College is to be recognized as a leader in transforming people's lives through quality education.

Student Expectations

Students are active learners in meeting MTC's goals of excellence. We encourage diligence and sustained effort in their work and activities; respect for themselves, other students, the staff, and college property; actions which will be a credit to themselves, their family, their school, and our community. This handbook outlines the expectations students should have of their school and its staff.

ACADEMICS

Completion of Certification and Licensure

It is the expectation that all students/graduates upon completion of certification exams or licensure exams will provide a copy of their certificate or license to their instructor. Documentation will be submitted within seven days of receiving the certification or licensure.

Grading System*

Adult and high school students receive grades quarterly and are graded under the same standards used in the School District of Manatee County.

A: 90-100; **B**: 80-89; **C**: 70-79; **D**: 60-69; **F**: 0-59

An incomplete grade ("I") will be changed to a letter grade upon completion of all course requirements within 10 school days, under normal circumstances. If after 10 days the course requirements are not completed, the incomplete grade will become an "F."

*Please note that some programs may require more stringent grading policies due to licensure and/or state certification requirements.

Graduation

Who is allowed to participate in a Graduation Ceremony?

Career and Technical Education Students: Any Manatee Technical College (MTC) student who has completed all program and assessment requirements two weeks prior to the set graduation date.

GED® Students: GED® students must have attended an Adult Education program at MTC at the time of passing the last test section. If the GED® graduate is still enrolled in Adult

Basic Education (ABE) courses, the student must complete the final post-test. The GED® graduate must have given MTC permission for online test score access through the official "GED® Manager." All students must be clear of financial responsibilities.

What steps do I need to take to participate in the Graduation Ceremony?
Complete all coursework and assessment requirements by two weeks prior to the set graduation date.

1. Maintain a current email and mailing address at MTC so that information can be sent regarding deadlines and participation information.
2. Order a cap and gown and register for graduation at MTC in April.
3. Make sure all deficiencies/fees have been paid by two weeks before set graduation date.

Graduation commencement is a formal, reserved, and dignified ceremony. All who participate are asked to follow some basic rules of etiquette for such an occasion.

Graduate Dress Code

- Tassels start on the right side of your cap.
- Wear your cap flat on your head.
- **No Decorated Caps**. If your cap is decorated, you must purchase a new one.
- The gown should fall midway between the knee and ankle.
- **Men:** Wear dark trousers, a neatly pressed, light colored dress shirt with a dark tie, dark socks, and dress shoes under the gown.
- **Women:** Wear a dress, skirt, or dark dress slacks with a light-colored blouse and dress shoes under the gown (we suggest comfortable shoes in case you will be climbing stairs).
- **NO shorts, jeans, athletic shoes, or flip-flops.**

Student Frameworks

All students will have access to the current Florida Department of Education (FLDOE) curriculum frameworks and student performance standards for their program. The content of the class will be based on these frameworks. Grades and Occupation Completion Points (OCP)s will be submitted to the Student Records Office at the end of each OCP and will be based on student performance of the frameworks. Other training may be incorporated into the program as part of the curriculum such as CPR, first aid, forklift, OSHA, employability skills, entrepreneurship, or parliamentary procedures.

Student Records and Transcripts

A student's school records are kept by the Student Services/Records office. If the student is under the age of 18 and enrolled in postsecondary education, he/she controls their privacy. However, if the student is dual-enrolled and under the age of 18, Federal Law prohibits revealing this information to anyone without a parent's permission. The Student Records Office, located at the Main Campus aids all students, past and present. Office hours are Monday, Tuesday, Wednesday, and Friday 7:30 a.m. – 3:30 p.m. and Thursday 7:30 a.m. – 6 p.m. (except Holidays and all School District of Manatee County breaks). Summer hours may vary. For additional information, please call 941.751.7900 x 46013.

Transcripts

Your official Transcript, housed with Manatee Technical College Student Records, is bound by the Federal law – FERPA (Federal Educational Rights and Privacy Act of 1974). MTC maintains transcripts on campus for the past 5 years for Career and Technical Students. Older transcripts will be provided by the School District of Manatee County Records Management department. All records requests for Manatee Technical College Career and Technical Education students must be made online at https://www.manateeschoolsfl.scriborder.com/ An official picture ID (Driver's License, State ID, etc.) is required. There is a fee for all records requests.

To obtain your GED ® Transcripts or a copy of your GED® Diploma, please contact 1.877.352.4331 or go to https://ged.com and select request a duplicate diploma or request transcript.

ADMISSIONS

Admissions

Admission Policy for Applicants without a High School Diploma

All Career and Technical Education adult applicants to Manatee Technical College are urged to earn a valid high school diploma or its equivalent (GED®) prior to admission. However, the college will accept students without a diploma in most programs, who will benefit by attending a Manatee Technical College training program.

Most Career and Technical Education programs will admit students with a state-validated standard high school diploma based on program openings. They will admit students who have not earned a high school diploma, GED®, or have a diploma from a non-accredited high school whose math and language/reading achievement levels meet

exit standards. (State validated: https://fsapartners.ed.gov/sites/default/files/2021-04/2122FSAHbkVol1Master.pdf).

Admission to Career and Technical Education Programs with a High School Diploma

Prospective students should check with a counselor regarding the admission status for an individual program.

Certain Career and Technical Education Programs such as the Florida Law Enforcement Academy, Practical Nursing, Paramedic, etc., have strict admissions standards set by the program's certifying agency. These standards include but are not limited to passing a background check, passing a drug screening, and having a clean driving history. All applicants to these programs must have a state validated standard high school diploma or its equivalent. Please refer to individual program information sheets for specific information.

Student and Exchange Visitor Information for International and Non-immigrant Students

Manatee Technical College (MTC) is NOT a Student and Exchange Visitor Program (SEVP) certified institution and does NOT participate in the Student and Exchange Visitor Information System (SEVIS), nor does MTC participate in the F, J or M visas programs.

Accreditations that are accepted by Manatee Technical College for Admission

Please see this website for a listing of all accrediting agencies that MTC accepts.

Dual Enrollment

Dual Enrollment is the enrollment of students in college classes while still in high school. For MTC to provide dual enrollment classes, it is necessary to assure the same standards of instruction as in all other college classes, including academic practices and collegiate learning environment. Dual Enrollment students are governed by the School District of Manatee County student code of conduct and by MTC's code of conduct. Dual enrollment students can be dismissed from MTC to their districted high school for good cause.

To be eligible for participation in the Dual Enrollment program, students must meet

all the qualifications listed below:

- 10th - 12th grade classification (Age 16 minimum).
- Unweighted GPA of 2.0.
- Written approval from the high school signed by a school official.
- Written approval of the student's parent or legal guardian if the student is under 18 years of age.
- Have taken the Basic Skills Assessment test.
- Filled out an online application through https://www.manateetech.edu/apply-now/.

Students who are taking Dual Enrollment classes at MTC are not eligible to apply for Federal Financial Aid such as Pell grants until they have earned a high school diploma. This is because Financial Aid recipients are expected to have completed high school. However, your efforts in dual enrollment classes may influence your future financial aid eligibility. Financial Aid offices in every college in the country are required to keep track of every student's academic progress. This measurement is called Satisfactory Academic Progress which has the following requirements:

- Students must maintain a minimum of a 2.0 grade point average (GPA) at their high school.
- Students must satisfactorily complete (pass) at least 70% of the program in which they enroll.

If a student is projected to graduate from high school before the scheduled completion date of an Occupational Completion Point (OCP) (postsecondary course), the student may not register for that course (OCP) through dual enrollment. The student may apply to the postsecondary institution and pay the required registration, tuition, and fees if the student meets the postsecondary institution's admissions requirements (1007.263).
A dual-enrolled student attends MTC tuition-free. Dual enrollment students also receive their textbooks, registration, and lab fees free. Issued textbooks are the property of MTC and failure to return textbooks at the end of the program will result in a hold on their final OCP certificate A student will be required to pay for any lost or damaged textbooks before their final OCP certificate can be issued.

All dual enrollment students are required to purchase uniforms, student ID, and personal specialized equipment needs.

Basic Skills Assessment for Career and Technical Education (CTE) Courses

Instruction and State Board of Education Rule 6A-10.040 Florida Administrative Code (F.A.C.) requires students who enroll in a career certificate or applied technology diploma program offered for career credit of 450 hours or more to complete an entry-level examination within the first six weeks after admission into the program. No assessment is required for programs with less than 450 hours.

The purpose of assessment is to determine whether or not the student has the basic skills necessary to be successful in the chosen CTE program. Assessment instruments meeting this requirement are annually adopted in Rule 6A-10.040, F.A.C. and include:

- Any common placement test where a minimum score has been achieved pursuant to Rule 6A-10.0315, F.A.C.
- Tests of Adult Basic Education (TABE) 11 & 12.
- Comprehensive Adult Student Assessment System (CASAS), GOALS 900 Series
- 2014 GED® Tests: Reasoning through Language Arts and Mathematics Reasoning where a minimum score (145) as required in Rule 6A-6A.6.021, Florida Administrative Code (F.A.C.) has been achieved, on each test.

Exceptions and Exemptions from the Basic Skills Examination

- Adult students with disabilities may be exempted from meeting the basic skills level required to earn a Career Certificate of Completion and be reported as a completer.

- Students who are exempt from basic skills exit requirements include those who:
  - Possess a college degree at the associate in applied science (AAS) level or higher:
  - A student who demonstrates readiness for public postsecondary education pursuant to S. 1008.30, F.S. and applicable rules adopted by the State Board of Education by achieving or exceeding standard test scores established herein and enrolls in a Florida College System (FCS) institution within two years after achieving such scores.
  - A student who entered 9th grade in a Florida public school in the 2003-2004 school year, or any year thereafter, and earned a valid Florida standard high school diploma.
  - A student who is serving as an active-duty member of any branch of the United States Armed Services

- Students who have taken the 2014 GED® and scored at least 145 on each subject and a total score of 580 or higher across all 4 subjects.
- Pass a state or national industry certification or licensure examination that is identified in State Board of Education rules and aligned to the CTE program in which the student is enrolled; or
- Is enrolled in an apprenticeship program that is registered with FLDOE in accordance with Chapter 446.
- If a student has met or exceeded standard scores in one area of one test, another test may be used to meet the additional skill area requirements. It is acceptable to combine test scores from more than one test. (Rule 6A - 10.315, F.A.C.).
- Students enrolled in school district or FCS institution law enforcement training academies are not subject to basic skills exit requirements in s. 1004-91 F.S. or Rule 6A-10.040 F.A.C. The Florida Department of Law Enforcement (FDLE) has designated the Florida Basic Abilities Test (FBAT) for use with these students; please refer to s.943.17(6), F.S. for more information.
- A student who has taken the 2014 GED® and attained the minimum achievement scores on both the Reasoning through Language Arts (RLA) and Mathematic Reasoning, does not need to be tested.
- If a student does not meet the exit requirements, it is possible the student may be enrolled into the program. However, the student will not be able to graduate until exit requirements have been met.

A student who is not required to take the common placement test and is not required to enroll in developmental education under this paragraph may opt to be assessed and to enroll in developmental education instruction, and the college shall provide such assessment and instruction upon the student's request.

If the student does not meet exit requirement score for Reading and/or Math, the student is required to retake those portions of the exam where exit requirements were not met.

If the student is not exempt the following rules apply:

1. The student is required to take the assessment within six weeks of being admitted. Note that the requirement is admitted, not enrolled. If a student has applied to MTC, the countdown clock on the six weeks commences when the guidance counselor admits the student to MTC in Campus Solutions.
2. The assessment cannot be used as a pre-requisite for admissions or placement.
3. Basic Skills for CTE programs are exit requirements not entry or placement requirements. A student may enter the CTE program before reaching minimum basic

skills levels but may not receive a local Career Certificate of Completion until basic skills requirements are met, except students exempted in accordance with s.1004.91, F.S

4. Students who do not achieve the minimum level of basic skills required for completion (final OCP) from his or her CTE program will not be awarded a Career Certificate of Completion. However, adult students with disabilities may be exempted from meeting the basic skills level to earn a Career Certificate of Completion and be reported as a completer. S.1004.91 (3),
5. Dual enrolled students who have not met the basic skills requirements, may complete the program prior to high school graduation and then be counted as a completer once they have received their high school diploma. All of the requirements for full program completion would need to be earned by the end of the reporting year for the year in which there was enrollment.

Basic Skills Remediation and Retesting Requirements

The student may retest under the following circumstances:

- Remediation hours have been completed and documented.
- The student has waited three months.

Reading and Math- CASAS 900 Series

- CASAS recommends re-testing students after 70-100 instructional hours (testing should not occur before at least 40 hours of instruction).

Basic Skills Remediation

Following admission to a program, if a student is unable to demonstrate the basic skills exit requirements, remediation will be provided. After remediation, the student can retest using the same assessment instrument before the completion of the program. A student only needs to meet the basic skills requirements to exit from the program.

To enroll in remediation, students contact MTCACADEMICSUPPORT@manateeschools.net or call 941.752.8100 x 47144. No fee is charged for students already enrolled in a program at MTC; otherwise, a one-time $25.00 fee is required, payable through Revtrak.

After remediation, if the student's basic skills scores do not meet the program's exit requirements, the student may:

- Remediate further and retest.
- Pass a related state, national or industry licensure examination or certification defined by FLDOE and posted on the website: http://www.fldoe.org/core/fileparse.php/5652/urlt/2019-20-basicskills-with-License-exempt.rtf
- Be exempt from meeting the basic skills requirements of the program if they are a student with a disability and provide appropriate documentation and request an exemption based upon the disability.

Remediation is available to assist students in attaining the required basic skills levels. The remediation may be provided concurrently with enrollment in the CTE program, or, in certain cases (i.e., programs with waiting lists), prior to entry into the CTE program.

Basic Skills Assessment Accommodations

To receive accommodations for the CTE Basic Skills test, documentation must be provided to a counselor prior to scheduling the first test. Example: Copies of IEP's, 504's, ESOL services.

Rescheduling

Failure to attend a scheduled test date will result in forfeiture of your testing fee. Should an unforeseen situation arise, and your test need to be rescheduled, please contact the Testing Center by phone at 941.751.7900 x 46123 or email MTCtestingcenter@manateeschools.net. Rescheduling is a one-time courtesy.

Students with a Disability

Manatee Technical College accepts secondary students with documented disabilities identified in the Individualized Education Plan (IEP) or 504 Plan that indicates the student can benefit from the training offered at MTC. Adult students with disabilities are to self- disclose and self-identify their disabilities to their career counselor. He/she must provide current documentation of disability from qualified personnel, such as physicians, school records, vocational rehabilitation, etc. Upon determination of eligibility, a 504 Plan will be written. Plans will be placed in the appropriate student's folder and on file in the Disability Resource Center coordinator's office.

Job Planning

The student is responsible to find their own job. Your instructor has many business and industry contacts in the field and is a good resource to help connect you to potential job openings. Your instructor and other staff members, including the Business and Industry Specialist, will be able to assist you when you reach program completion. In addition, please check the MTC Career Board frequently for current job postings, found online on the MTC website at https://www.ManateeTech.edu.

FINANCIAL

Financial Aid

The Financial Aid Office provides financial assistance to students who, without such aid, would be unable to attend. Grants and scholarships do not have to be repaid; however, students must make satisfactory progress in their programs in order to continue to be eligible for awards. We do not offer student loans.

Financial Aid for Ability-to-Benefit Students: Manatee Technical College ***does not offer*** non-high school graduates "ability-to-benefit" status to qualify them for federal financial aid.

Financial Aid awards are processed on, or about, your published disbursement date. Your aid will cover any outstanding balance, showing in your account, for the term. Any overage will be issued in the form of a check and mailed to your address of record. This credit balance check is to help with other educational expenses such as food, housing, etc. In the event of an over award, the student is responsible to return those funds. Payment should be made directly onto the student's account using his or her student portal or through the cashier at the Main Campus of MTC. Funds are never returned directly to the Financial Aid Office.

FAFSA

All students seeking financial assistance must complete the Free Application for Federal Student Aid (FAFSA). This application is available online at: https://studentaid.gov/. Our Federal School Code for all campuses is 015496. Adult applicants are required to complete a FAFSA at https://studentaid.gov/ to qualify for the following services:

Federal Financial Aid (Title IV) Available at Manatee Technical College

Pell Grant

We are a clock hour school. Federal Regulation mandates that students attend all the hours of each Pell Grant Payment Period to be eligible for additional funding. Students must also maintain a minimum grade of "C" to remain eligible for Federal Aid. Students will be evaluated after 450 clock hours or at half of their program length if the program is less than 900 clock hours.

Federal Supplemental Education Opportunity Grant (FSEOG)

This grant is awarded to students with exceptional financial need. The student's need is determined by completing a FAFSA. Awards will be given based on funds available and the number of students with exceptional need, as determined by their FAFSA.

Federal Work Study

This federal program provides jobs to students to earn money to help pay for their educational expenses. Students must have an unmet need as determined by the completion of the FAFSA in order to be considered for employment. Students must be enrolled in a program of 600 clock hours or more to be eligible. Applicants will be required to be fingerprinted for a background check before they are eligible to work. This process can only start after class begins. Students holding a Bachelors' Degree are eligibility for the Federal Work Study program.

Veterans Educational Benefits

We are certified by the Florida State Approving Agency for Veterans Educational Benefits. Veterans may apply for educational benefits online at https://www.va.gov/education/how-to-apply/. Veterans are also encouraged to complete a FAFSA to determine their eligibility for additional funds.

State and Local Scholarships Florida's Bright Futures Scholarships

Students who use Bright Futures to register, but do not complete their entire registration

period, will be required to pay back unearned awards or they will lose their Bright Futures eligibility.

Florida Student Assistance Grant
This grant is open to Florida Residents with financial need, as determined by the completion of the FAFSA, and who are enrolled in a technical program that is at least 450 clock hours. Students cannot be in default on any student loans or have a bachelor's degree. Proof of Florida Residency is required.

Florida Prepaid College Fund
Florida Prepaid Plans are Educational Savings Plans that are purchased on behalf of a student to be used at any qualified educational institution. Once enrolled, qualified students should present a current prepaid college fund document to Student Financials Coordinator. This document entitles students to use these funds to pay for their ***TUITION*** only.

Manatee Technical College Scholarship
This scholarship typically assists up to 50% of the costs of tuition only. Fees are not covered. In order to be considered for this scholarship, students are required to complete a FAFSA. This scholarship is open to Florida Residents, with a need, based on their cost of attendance. Students cannot be in default on any student loans or have a bachelor's degree.

Leave of Absence

If a Career and Technical Education student needs an extended absence, administration must pre-approve a leave of absence. A student may have only one leave of absence in a school year. However, the director may grant subsequent leaves for jury duty, or military reasons. A student taking an approved leave retains their in-school status. A student who does not return from the approved leave of absence will be considered withdrawn. A leave of absence request can be initiated by making an appointment with your career counselor who can direct you on how to proceed. Students cannot be guaranteed reentry in the same class or semester if the leave of absence is extensive, see program policies for more information.

Adult Education students are not permitted to take a leave of absence due to statutory requirements and MTC attendance policy.

Payments

Please note that MTC does not require up-front payment for an entire Career and Technical Education program. All fees for each Occupational Completion Point (OCP) will be due 7 days before the start of that OCP. MTC policy is that students may not attend classes if they have an outstanding balance. All Financial Aid checklist items must be complete, and received by Financial Aid, 14 days prior to the payment date. Adult Education programs must be paid in advance, on a semester basis.

Refund Policy

Manatee Technical College has a fair and equitable refund policy for the refund of tuition fees, and other institutional charges. Refunds will not be processed until all financial obligations have been cleared.

A. Online Bookstore Return Policy

Any online purchases must be returned via the MTC Online Bookstore website according to the rules stated on the site. Purchases made on the Marketplace will be subject to the seller's return policy.

B. Main Campus Store Return Policy

All uniforms, and merchandise refunds and/or exchanges must be made ***within five days of purchase***.

The original receipt is required for a refund. Clothing must be returned unwashed, and unworn, in the same condition they were sold in. Any returns eligible for a cash refund requires the completion of our Official Refund Form. Please contact the Main Campus Store for this form. This process can take up to six weeks to receive a refund check through the mail.

Books and uniforms purchased from the Criminal Justice Academy are non-refundable. For uniforms purchased from an outside vendor or online, the student must follow that vendor's refund policy.

C. Career and Technical Education Programs

Tuition and fees refunds are as follows:

1. If, before the first class meets, MTC cancels a class, denies a student's enrollment, or a student withdraws:
   a. TUITION: 100% refund

b. FEES: All fees refunded except application fee

2. If a student is enrolled, or enrolls in an OCP, but withdrawals prior to the end of the 5th class day:
   (Exception: OCP's that are less than 32 hours).
   a. TUITION - 100% refund
   b. FEES - All fees refunded, excluding application, and administration fees

3. If a student is enrolled and withdraws after the 5th class day of the programs start date:
   a. TUITION - No refunds
   b. FEES - No refunds except for drug testing/background checks (if the test or check has not yet been performed) and certification fees.

Remaining balances of $5.00 or less will not be refunded.

There is no refund for any class of less than 32 hours. There is no refund for personal enrichment classes if the student attends one class. There is no refund for the CTE (Basic Skills Assessment) test.

Refunds for students who are in the military and are called to active duty will be approved on an individual basis by the director and/or an assistant director.

Students who have not visited the school facility prior to enrollment will have the opportunity to withdraw without penalty within 3 days following either attendance at a regularly scheduled orientation or following a tour of the facilities and inspection of the equipment.

Students may request a refund through a counselor at the time they complete their withdrawal form. However, MTC will refund tuition and fees without a request from the student. All refunds will be processed within 45 days of the completed refund request or after a students' unofficial withdrawal has been ascertained. To determine unofficial withdrawals, the school monitors student attendance at a minimum of once per month (every 30 days). An official or unofficial withdrawal is determined by the next class meeting after the last date of attendance. A student on an approved leave of absence notifies the school that he or she will not be returning. The date of withdrawal shall be the earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.

D. Adult Education Programs

Tuition and fee refunds are as follows:

1. If, **before the first class meets**, MTC cancels a class, denies a student's enrollment, or a student withdraws:
    a. TUITION: 100% refund
    b. FEES: All fees refunded except application fee

2. Students may request a refund through a counselor prior to their class start date

3. No refunds will be provided to Adult Education students after the start of their scheduled class(es).

Additional Information

Anyone eligible and requesting a cash refund must fill out our **Official Refund Form**. This process can take **up to six weeks** to receive a refund check through the mail.

Program Transfers

Any student who wishes to transfer from one Career and Technical Education program to another must see a counselor. Since each program has its own entrance requirements, openings, and start dates, the counselor can assist in making this decision. Some programs may have common student performance standards; the counselor can provide accurate information. Please note, transferring programs after the start date will have an impact on students using Financial Aid for registration costs, including any aid used from Financial Aid to purchase books. Students must contact financial aid to determine eligibility in another program. Any student who wishes to transfer from full time to part time or from part time to full time must see a counselor for approval and must meet with financial aid to determine continued eligibility. These changes may not be approved.

Veterans

We are certified by the Florida State Approving Agency for Veterans Educational Benefits. Veterans may apply for educational benefits online at https://www.va.gov/education/how-to-apply/.

Veterans are also encouraged to complete a FAFSA to determine eligibility for additional Federal/State grants funding. MTC does not participate in Student Loans.

Pay Rates

You can check the current pay rates here: https://www.va.gov/education/gi-bill-comparison-tool/.

You can explore our programs on our website. On each program page, you will find the contact information for the career counselor of that program who can help you enroll. During the enrollment process, you will learn about the graduation requirements and the time it will take you to complete that program. The career counselor of that program is also your Academic Adviser.

HEALTH AND SAFETY

Campus Security Report

This report contains emergency information, crime definitions, and crime statistics for Manatee Technical College. It is designed to provide information concerning safety and security on all Manatee Technical College campuses should an emergency occur. The document is located on this webpage: https://www.manateetech.edu/quick-docs/

Controlling the Spread of Communicable Diseases

The School Board recognizes its responsibility relative to student, employee, and visitor health and safety. To protect the health and safety of the students, District personnel, and the community at large, the Board shall follow all State statutes and Health Department regulations that pertain to immunization under Policy 5320, and other means for controlling communicable disease spread through normal interaction in the school setting as set forth in Policy 8450.

Counseling/Treatment Programs

MTC is committed to providing each of its students and staff with a drug-free environment in which to attend classes and work. From a safety perspective, the users of drugs or alcohol may impair the well-being of students and staff, interfere with MTC's educational environment, and result in damage to college property. Therefore, it is the college's policy that the unlawful manufacturing, distribution, dispensation, possession, or use of narcotics, drugs, or other controlled substances or alcohol is prohibited on all MTC campuses or as part of any college-sponsored activity. MTC encourages the identification and treatment of alcohol and chemical dependency in its early stages before school or work is affected. Students interested in speaking with someone on campus may contact a career counselor at 941.751.7900. The following organizations offer drug/alcohol counseling and treatment programs:

- Alcoholics Anonymous: https://www.aa.org
- Centerstone: https://centerstone.org/locations/florida/
- https://centerstone.org/locations/florida/facilities/centerstone-bradenton-hospital-and-

addiction-center/

- Manatee County Health Department: http://manatee.floridahealth.gov

Drills & Emergencies

Regulations require that multiple fire drills be held periodically during the school year. MTC will also have at least two tornado drills each school year. In addition, the college also has other emergency drills. Each exit in each campus building is clearly indicated. During all drills, follow the instructor's directions. Causing a false alarm or reporting an alarm that is false, is a criminal offense in the State of Florida. In case of emergency situations requiring evacuation, students should follow evacuation routes. In other emergency situations, students should go to the designated safety areas inside the buildings as directed or exit the building if safe to do so.

Drug Screenings

Students must participate in a drug screening at MTC because the programs listed below involve heavy machinery. If under the influence, the student could cause harm to themselves or others. The programs that require drug screening are as follows: Advanced Manufacturing, Automotive Service (due to the electric over hydraulic lifts and strut spring compressor), Auto Collision (due to electric over hydraulic lift, welders, and jib crane), Carpentry and Building Trades & Construction Design (due to the routers, joiners, planers, table saws, and roof work), Diesel Mechanic (due to the electric over hydraulic lifts and strut spring compressor), Emergency Medical Technician, Florida Law Enforcement Academy, Fire Fighter I & II, Fire Fighter/Emergency Medical Technician Combined, Marine Service (due to jib crane and motor testing station similar to a dynamometer for marine engines), Electrician (because the final course in the program is Industrial Electricity), Electrical and Instrumentation Technology, Heating, Ventilation and Air Conditioning, Industrial Technology, Machining, Paramedic, Welding (due to the grinders and possibility for explosion from gases).

If an internship, apprenticeship, or clinical site requires a drug test prior to allowing the student on their site, the student will be subject to a suspicion-less drug test at their expense. These programs include all nursing programs, Dental Assisting, EMT, Fire Fighter, Paramedic, Medical Assisting, Pharmacy Tech, and Surgical Technology.

Drug testing will be done randomly throughout the academic year. During the drug test, the students will be asked to submit to a urinalysis. Drug screenings are completely confidential and will only be shared with appropriate college personnel, and parents or

guardians of high school students under the age of 18. Students must test negative to remain in the program and avoid consequences.

Exceptions will be made if medical documentation is provided explaining the validity of a legally prescribed chemical presence. All prescriptions must be in the original container and dated within one year. This does not include a physician's order or referral.

If a student tests positive, it will result in immediate withdrawal. The student would not be eligible to return until the next term the OCP is available AND provide a negative drug screening from an authorized drug testing company. The student can contact their career counselor for the most updated list of these companies.

Please note that some licensure programs may have more restrictive policies regarding a positive test. See the program counselor for these requirements. **Again**, those that test positive are excluded from certain programs based on the health, safety, and welfare of themselves and others. If a student is in a dual-enrolled high school program, the parent will be notified, the high school will be notified, and the student will be returned to their districted high school.

Reasonable Suspicion: If any student during the school year exhibits suspicious behavior in or around Manatee Technical College or clinical site, the instructor will immediately secure help from a second instructor, administrator, or faculty member. The emergency hotline for drug testing will be called immediately. The student will be escorted to the office to wait for the drug testing company to come and test the student. Reasonable suspicion may result in a urinalysis test. If alcohol is suspected, the student may be subject to a breath-test.

Refusal of Testing: If a student leaves for any reason before or after the drug testing company arrives, it will be considered a positive drug test and appropriate consequences will be followed.

Challenge of Testing: If the student feels that his/her drug test is a "false positive", the results will be sent automatically to the lab for further testing. The student will remain out of the program until the results are returned.

Drug/Alcohol Abuse and Prevention

No student or staff shall distribute, dispense, possess, use or be under the influence of any alcoholic beverage, malt beverage, fortified wine, or other intoxicating liquor.

No student may unlawfully manufacture, distribute, dispense, possess, use or be under the influence of any narcotic drugs, hallucinogenic drugs, amphetamines, barbiturate, marijuana, anabolic steroid or any other "controlled substance" before, during, after school hours on any Manatee Technical College, or at college-sponsored activities or events.

Harassment

District technical colleges shall inform students and employees at orientation and on their websites of the existence of the Florida Department of Law Enforcement sexual predator and sexual offender registry website and the toll-free telephone number that gives access to sexual predator and sexual offender public information pursuant to Florida law. The Florida Department of Law Enforcement (FDLE) sexual predator and sexual offender registry website may be accessed at:
https://offender.fdle.state.fl.us/offender/sops/home.jsf. FDLE toll-free number: 1.888.357.7332 (for TTY Accessibility: 1.877.414.7234)

No one should be subjected to harassment or bullying at this school for any reason. It is expected that all students will treat others in ways that convey respect and consideration for individuals, regardless of race, marital status, national origin, creed, religion, gender, sexual orientation, age, or disability. Both bullying and harassment are prohibited at the college, during college-related activities (whether on or off campus), and through the use of computers or other electronic devices, which is known as cyberbullying.

Cyberbullying and harassment are also prohibited through the use of off-campus internet posting, phone calls, or text messaging if such behavior disrupts the orderly environment of any district school, college, or activity or interferes with the educational opportunities of others.

Such conduct referencing or directed at an individual or group that demeans the person/group based on race, ethnicity, religion, gender, sexual orientation, creed, age, disability, or other extraneous factors is prohibited and shall be grounds for disciplinary action. Disciplinary action for students found or deemed guilty of bullying or harassment will be dependent upon, but not limited to, the student's attitudes, intent, the effect on other students and/or staff, mitigating circumstances, and the student's disciplinary history. Consequences and appropriate remedial action for students who engage in bullying or harassment may range from positive behavioral interventions up to and including suspension, reassignment to an alternative program, and expulsion.

Racial harassment – includes name-calling, taunting, gestures, intimidation, conduct, jokes, pictures, and slurs is prohibited. Such conduct referencing or directed to individuals or groups that demeans them based on race or ethnicity is prohibited and is grounds for disciplinary action, including suspension and/or expulsion.

Sexual harassment and "sexting" - includes all unwanted, uninvited, and non-reciprocal sexual attention as well as the creation of an intimidating, hostile, or offensive college or work environment. This can include:

- Sexually suggestive looks or gestures.
- Sexual jokes, pictures, or teasing.
- Pressure for dates or sex.
- Sexually demeaning comments in person, online or on social media.
- Deliberate touching, cornering, or pinching.
- Attempts to kiss or fondle.
- Threats, demands, or suggestions that favors are granted in exchange for sex or tolerance of sexual advances

If while under the jurisdiction of the School District you post, send or forward to anyone else a nude or sexually revealing photo of a person through the internet or text message, or if you show such photos to other people, you will be suspended from the college, and you may be recommended to be withdrawn. You may also be subject to arrest for violation of child pornography laws if the student in the photo is a minor. If you are found to have sent any such images or messages to other students or faculty of the college, regardless of time or location, you still may be subject to college-based consequences under Florida cyberbullying and harassment laws.

Disciplinary action for students guilty of sexual harassment will be dependent upon, but not limited to, the student's attitudes, intent, the effect on other students and/or staff, mitigating or aggravating circumstances, and the student's disciplinary history. Based on these factors, discipline may be imposed, up to and including suspension or withdrawal. Law enforcement may be contacted. Please refer to the School District of Manatee County Student Code of Conduct for further information.

Hazing

Students shall not participate, or conspire for others to participate, in harassing acts that may injure, degrade, disgrace, or put others at risk in any way. Hazing may result in suspension or withdrawal.

Severe Weather

Manatee Technical College will follow the severe weather closings of the School District of Manatee County. Monitor the situation on the TV or online or listen to local weather reports for announcements of school closings.

Student Accidents & Injuries

In the event of an accident or injury on campus, students are responsible for notifying the instructor or other MTC personnel immediately. Faculty/staff will handle injuries such as superficial lacerations or abrasions. Emergency medical services will be contacted for a serious injury or medical condition. All students should have emergency contact information in our PeopleSoft: Campus Solutions student information system.

Limited Student Accident Insurance – Full-time, Career Preparation and Adult Education students attending any campus day or night are covered, as are students on clinicals and field trips. Students attending Continuing Education are not covered. High school students are covered through the district's policy and do not pay the fee. Again, all accidents must be reported to an instructor or available staff member immediately. Student accident insurance is a secondary insurance policy. Students should file an initial claim with their own insurance first.

Technology and Internet Safety Policy

Technology is an integral part of your educational experience and must be used in a way that is consistent with the goals of the School District of Manatee County (SDMC). Technology includes, but is not limited to, computers, other electronic devices, software, email, the Internet, and other network resources. Your use of technology is a privilege, and you are responsible for using it appropriately. This includes the use of district technology while off school property. Refer to the discipline matrix for possible disciplinary consequences.

The following are improper uses of technology:

a. Photographing, recording, or using images of any person without their knowledge or consent.

b. Accessing pornographic or obscene images, language, or materials, including screen savers.

c. Transmitting any material in violation of federal, state, local law, School Board policy, regulation, or the District Code of Student Conduct. This includes but is not

limited to copyrighted material; threatening, obscene or pornographic material; test questions or answers; student work products; trade secrets; and computer viruses or malware.

d. Using technology for commercial activities unless explicitly permitted by the School Board.

e. Modifying the original SDMC pre-set software image including, but not limited to loading software applications not authorized by SDMC; changing the computer name; changing or removing operating system extensions; altering security/filtering software; altering the pre-loaded operating system or application; or taking apart the computer for access to internal parts.

f. Downloading music, games, or videos at any time on a district computer.

g. Using cellular phones or other wireless communication devices during unauthorized times of the school day. Cellular phones, tablets, and other electronic devices may only be used on campus before or after school unless your school has different policy restrictions, or you have permission from an administrator or designee.

h. Using email, instant messaging, texting, web pages or other technology operations to threaten, disrupt, or interfere with the safety and welfare of the school community, including engaging in cyber-bullying, harassment, or "sexting."

i. Gaining or attempting to gain unauthorized access to SDMC networks, computer servers, or data files.

j. Gaining or attempting to gain unauthorized access to non-SDMC networks, computer servers, or data files utilizing SDMC equipment.

k. Using profanity, obscenity, or other language which may be offensive to another person, or reposting personal communications without the author's prior consent, when using computer network access.

l. Downloading or printing any material that is deemed inappropriate by the School District.

m. Attempting to log on to the SDMC network or other district-affiliated systems using another's identity or password.

n. Sharing logins and passwords to the SDMC network.

o. Bypassing or attempting to bypass SDMC filtering software.

p. Unauthorized disclosure use and dissemination of personal information regarding students, unauthorized online access by students, including hacking and other unlawful activities, and access by students to inappropriate matters on the Internet is prohibited.

NOTE: There is no right or expectancy of privacy on District provided or owned technology. College officials may review any information or files on such technology at any time.

Tobacco-Free Policy

Use of ALL tobacco products is prohibited on all School District of Manatee County owned or leased property, including, but not limited to, all interior and exterior parts of any campus, ancillary facilities, work sites and facilities, parking lots and vehicles, as well as at any event sponsored by MTC or the School District of Manatee County. Any non-employee who has been given notice of this policy by a college official and fails to comply will be asked to leave the premises. Any person who is asked to leave the premises and refuses or who leaves but returns without permission shall be deemed a trespasser and shall be subject to arrest.

Tobacco products include, but are not limited to, real or electronic cigarettes, any vaping products, cigars, pipes or blunts; rolling/loose tobacco; smokeless tobacco such as chewing tobacco, dip, snuff, snus, or any other substance containing tobacco, nicotine or product simulating the use of effects of tobacco.

POLICIES/PROCEDURES

Acknowledgment of Responsibility

Failure to review the student code of conduct will not relieve the student or the parent/guardian of the responsibility for compliance with the code or accountability for loss or damage to School District of Manatee County property. By enrolling at Manatee Technical College, you agree to abide by this Student Handbook.

Academic Integrity

As a part of the School District of Manatee County, Manatee Technical College is committed to fostering a culture of academic integrity. Students, instructors, administration, and parents understand that hard work produces great results.

As a student at Manatee Technical College, you agree that:

- I learn best when I complete my own work.
- I am responsible for protecting my own work.
- Asking for help when I do not understand how to complete my work is a positive practice.
- It is important to give credit to sources and their authors.

There are academic and disciplinary consequences for cheating.

- **CHEATING** includes all the following, **but is not limited to**:
  - Copying the work of others or claiming someone else's work to be mine.
  - Allowing others, including family, friends, or classmates to complete my work.
  - Completing work for someone else.
  - Using archived work from previous terms.
  - Sharing answers, questions, or work, unless specifically instructed to do so by my classroom teacher.
  - Participating in inappropriate testing behavior.
  - Using electronic devices, the Internet, or social media to achieve any of the above.
  - Plagiarizing, whether it is done intentionally or accidentally.
  - Representing work generated by artificial intelligence (AI) to be mine or submit such work in a way inconsistent with my teachers' expectations.

- **PLAGIARISM** includes all the following, **but is not limited to**:
  - Copying from sources without directly quoting and properly citing those sources.
  - Paraphrasing from sources without citing those sources or taking ideas from sources without citing those sources.

Attendance

Career & Technical Education Students and Adult Education Students

- Students are expected to be in class, on time and ready to learn. There are no excused or unexcused absences. The student is either present or absent.
- Students attending an approved field trip or other college-sponsored activity are marked present.
- If a student is unable to attend a scheduled class or field trip, the student shall contact the instructor to self-report the absence.
- Any student with five full absences or a combination of partial absences during a quarter may be withdrawn based on the instructor's or career counselor's recommendation.
- Two partial attendance days (missing more than an hour including being late or leaving early) count as one absence.
- Three tardies or three leaving the class early count as an absence.
- In compliance with Florida statute, any adult student with six consecutive absences shall be withdrawn. The withdrawal date shall be the first of the six days the student was absent.

- Please note that some programs may require more stringent attendance policies due to licensure and/or state certification requirements.
- ***First Withdrawal for Poor Attendance*:** A student withdrawn due to poor attendance may apply for readmission for the next semester. Students previously withdrawn for attendance reasons and who are later readmitted will be required to comply with a Performance Improvement Plan to remain in the program. See Specific Program policies for more information.
- ***Second Withdrawal for Poor Attendance*:** A student withdrawn for poor attendance a second time must be out of school until the next school year begins and may apply for readmission; the student will be accepted on a space-available basis. A Performance Improvement Plan must be signed before the student can re-enter the program. See Specific Program policies for more information.
- ***Third Withdrawal for Poor Attendance*:** Any student withdrawn for poor attendance a third time may apply for readmission after one school year. See Specific Program policies for more information. Please note that some programs may require more stringent attendance policies due to licensure and/or state certification requirements.

Adult Education Students

In addition to the policies in the above section, the following also apply to Adult Education courses:

100% Online GED® preparation and ESOL Courses

- Online GED® preparation and ESOL students must complete at least 10 hours of work in their assigned online program(s) each week. Failure to complete 10 hours of coursework in any given week may result in withdrawal from the online GED® preparation and/or ESOL class.
- In compliance with Florida statute, any 100% online Adult Education Student with six consecutive absences, the equivalent of zero hours of online work in a one-week period, may be withdrawn.

Hybrid GED® preparation and ESOL courses

- Hybrid GED® preparation and ESOL students must complete at least five hours of work in their assigned online program(s) each week AND attend face-to-face classes two days each week. Failure to complete 10 hours of course work, five hours of online work AND five hours of face-to-face class in any given week may result in withdrawal from online GED® preparation and/or ESOL class.
- In compliance with Florida statute, any hybrid Adult Education student with six consecutive absences, the equivalent of zero hours of online work who also does

not attend class twice in the same week, shall be withdrawn.

100% Face-to-Face students

- In compliance with Florida statute, any face-to-face Adult Education student with six consecutive absences shall be withdrawn.

Dual Enrollment

- High school students are expected to follow the MTC attendance policies.
- High school students who drive to campus or ride with a driver are expected to arrive and leave the classroom at regular MTC school hours (not high school bus hours).

Cell/Mobile Phones

All cell phones should be on vibrate and out of sight during classroom time. Texting while in class is prohibited. Students may use cell phones before and after school, while on break and during lunch. Cell phones may be used in class if the instructor has given permission to do so for a college-related purpose. If an EVACUATION is ever announced, cell phones are NOT to be used as they could inadvertently trigger a remote-control explosive device. During a lockdown, you must silence your cell phone.

Dress Code

The dress and grooming of district students shall be neat and clean, promoting a safe and positive educational environment. Apparel that disrupts educational activities and processes of the school may result in the removal of the student from the regular learning environment until acceptable apparel can be secured for the student. Failure to comply with the dress code may result in disciplinary consequences outlined in state statute and the district discipline matrix.

Requirements for student dress in all schools are listed below:

a. All shirts and blouses must cover midriff, back, sides, and all undergarments including bra straps at all times. All shirts, tops, and dresses shall have sleeves and cover the shoulders.

b. Shorts, skirts, divided skirts, dresses, and culottes are allowed. They must be mid- thigh length or longer.

c. All trousers, pants, or shorts must fully cover undergarments, including boxer shorts.

d. All clothing, jewelry, or tattoos shall be free of the following: profanity; violent images, wording, or suggestion; sexually suggestive phrases or images; gang

related symbols; alcohol, tobacco, drugs, or advertisements for such products.

e. Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, roller skates, skate shoes, and bedroom slippers. Each program may specify footwear needed for safety in the classroom.

Further Clarification/other requirements:

a. Form-fitting leotard/spandex type clothing is not allowed unless proper outer garments cover to mid-thigh length or longer.

b. See-through or mesh fabric clothing may only be worn over clothing meeting requirements.

c. Clothing must be an appropriate size, with the waist of the garment worn at the student's waist.

d. Clothing and footwear traditionally designed as undergarments or sleepwear shall not be worn as outer garments.

e. Sunglasses may not be worn inside unless a parent provides a doctor's note to the school. Field trips are an exception.

f. Bandanas or sweatbands are not allowed to be visible on school grounds during regular school hours.

g. Hats or other head coverings may be worn during outside activities and may not be worn during any portion of the regular school day without the expressed permission of the director or designee.

h. If the school has a mandatory school uniform policy, the student must adhere to those requirements.

ID Badges

All students must always wear their MTC identification badge. It must be always visible while on campus. IDs are part of the administrative fee during initial enrollment. It is to be worn below the shoulder and above the waist. If lost or misplaced, a new ID must be purchased in the Book Store for $10.

Lost and Found

All articles found on campus are to be turned in to the Administration Office. Lost articles not claimed may be disposed of after 30 days.

Manatee Technical College and the School District of Manatee County are not responsible for lost, stolen, or broken items while on campus.

Parking

All student-driven vehicles must have a parking tag that can be obtained from the MTC Outfitters store on the Main Campus or from the front desk in the Conard Building at East Campus. Students must have a valid driver's license to be issued a parking permit. The cost is part of the administrative fee; the tag must always be displayed on the vehicle. No skateboards or hoverboards are allowed on campus. Manatee Technical College nor the School District of Manatee County is responsible for damage or theft to cars, trucks, bicycles, or motorcycles, etc., or their contents. Do not park in visitor spots or in disabled parking unless you are a visitor or have the proper permit.

Searches and Seizures

You, your locker, vehicle, purse, backpack, and other personal possessions may be searched if there is a reasonable belief (suspicion) that any of them contain drugs, weapons, contraband, or other items not permitted on campus. If you refuse to consent to a legal search while on school property or under the jurisdiction of school personnel, administrative action may be taken that would be consistent with possessing any unauthorized or illegal items you were suspected of carrying. Running or fleeing from staff so as to prevent a justified search may also be grounds for similar administrative action. Trained sniff-screening dogs are allowed in the schools to prevent drugs and weapons at school. Routine checks by the dogs are not considered a search; however, an alert by the dog gives reasonable suspicion for a search. Dogs may not check students themselves to determine probable cause for a search. The use of trained dogs is a safety precaution to provide you with a safe school in which to learn. Metal detectors may be used on campus.

Student Discipline

For a detailed description of Student Discipline, you can locate the School District of Manatee County Code of Student Conduct on the District website at www.manateeschools.net. Click on "Parents and Students" then "Student Code of Conduct."

FAILURE TO REVIEW THE STUDENT CODE OF CONDUCT WILL NOT RELIEVE A STUDENT (OR THE PARENT/ GUARDIAN) OF THE RESPONSIBILITY FOR COMPLIANCE WITH THE CODE OR ACCOUNTABILITY FOR LOSS OR DAMAGE TO SCHOOL DISTRICT OF MANATEE COUNTY PROPERTY. BY ATTENDING MTC, YOU AGREE TO ABIDE BY THIS HANDBOOK.

Disciplinary infractions and the responses to them are divided into four levels. Each level

represents progressively more serious infractions beginning with Level 1, petty acts of misconduct, culminating in Level 4 offenses, the most serious threats to safety. Corrective responses to infractions become progressively more severe as one moves upward in the levels of misconduct. It is the administrator's or their designee's responsibility to determine the level of the offense that has been committed and the appropriate response.

In certain circumstances, a combination of corrective measures may be appropriate. **It is important to understand that certain programs might have different and more severe corrective measures based on program guidelines. These guidelines will be explained to students when enrolled in the programs.**

LEVEL 1 - Disciplinary Infractions and Administrative Actions

Infractions	Administrative Actions
• Disrespect for Others • Disruptive behavior • Dress Code Violation • Failure to properly display student ID (1st Offense) • Horseplay • Inappropriate Behavior (minor) • Medication Policy Violation (Over the Counter or legitimate prescription) – possession or use only • Tardy to Class • Technology – Inappropriate Use or unauthorized use • Violation of Attendance Procedures	• Counseling and redirection • Verbal reprimand • Return of property, payment for same or restitution for damages • Performance Improvement Plan • Suspension after Multiple Infractions

Talent/Participant Release

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA requires that the School District of Manatee County, with certain exceptions, obtain written parental consent prior to the disclosure of personally identifiable information from a child's education records. However, the District may disclose appropriately designated "directory information" without written consent, unless the parent has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the School District to include this type of information from education records in certain publications. Examples include but are not limited to:

- Advertisements
- Press Releases
- Honor Roll or other lists.
- Graduation programs; and
- SkillsUSA, HOSA, Honor Societies, activity sheets.
- Directory information, which is information generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent.
- Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks and law enforcement agencies.

If you are over the age of 18 and object, you must object in writing to your instructor who will inform Manatee Technical College Administration.

If parents of a minor do not want the School District to disclose directory information from their child's education records without prior written consent, they must notify the District in writing by September 15th of each year or within 30 days of receiving this annual notice. The School District has designated the following information as directory information:

- Student's name.
- Electronic mail address.
- Photograph or other likeness.
- Date and place of birth.
- Major field of study.

- Dates of attendance.
- Grade level.
- Participation in officially recognized activities.
- Degrees, honors, and awards received.
- The most recent school attended.

NOTE: Objecting to the release of directory information may result in your name, photograph, video/audio and other directory information being excluded from publications and press releases. Both parents have a right to see the school records of their child unless there is a certified copy of a court order on file at the school that specifically denies the right to access school records. Copies of school records are available for a minimal copying charge. If you have any questions about these rights, please contact your school office.

Uniforms

MTC has a program-specific uniform policy. All students are required to wear their program's uniform shirts (and pants, and specific shoes, if required). Refer to individual Program Guidelines for exact details, including program-specific information regarding hair, makeup, and jewelry.

Video Cameras on Campus

Video surveillance is in use on each campus.

Weapons and Firearms

According to Florida Statute 790.115(2)(a) students will not possess any firearm, destructive device, or other weapon as defined in F.S. 790.001(13). Withdrawal from the program is required, even if you brought the firearm or weapon for self-defense. The Director or designee may give permission to utilize a gun or weapon while on campus or at a school function when the gun or weapon is part of the curriculum of the MTC Law Enforcement program drills and at the firing ranges.

NOTE: Per F.S. 790.115, the School District of Manatee County strictly prohibits any firearms from being stored in student vehicles parked on any school grounds or at any school-sponsored event. Any violation is immediately reported to law enforcement.

If you bring weapon-like contraband to school, to any school function, or onto any school sponsored transportation, or if you use any non-weapon as a weapon to threaten or injure others, you will be withdrawn from your program and reported to law enforcement.

STUDENT SUPPORT

Equity, Diversity, and Inclusion Policy

The School District will ensure equal opportunity and access in relation to all stakeholders: students, families, and staff within the School District community, by valuing, acknowledging, recognizing, and celebrating everyone in our school system. We are committed to inspiring our school community to be accepting, open-minded, and willing to learn from individuals from various backgrounds.

The School District has adopted policies and procedures that promote diverse and equitable access for all stakeholders: students, families, and staff within the School District community regardless of race, color, national or ethnic origin, language, culture, gender, sex, gender identity, gender expression, sexual orientation, religious and spiritual beliefs, age (except as authorized by law), political beliefs, marital status, handicapping condition(s), social and family background (collectively protected characteristics), or physical and learning abilities.

Freedom of Expression

The free expression of student opinion is an important part of education in a democratic republic. A student's verbal and written expression of private opinion on college premises is to be encouraged if it does not disrupt the educational process or interfere with the rights of others.

Distribution of written material, oral expression, or any other expressive activity (including the wearing of symbols, clothing, hairstyle, or other personal effects) may be restricted where a disruption of the educational process is likely to result or does result from such activity. Disruption includes:

- Inability to conduct classes or school activities, or inability to move students to/from class or other activities.
- Breakdown of student order.
- Widespread shouting or boisterous conduct.
- Physical violence, fighting, or harassment of any kind among students.
- Intimidation, harassment, or other verbal conduct (including swearing, disrespectful or insulting speech to students, teachers, administrators, or college personnel) creating a hostile educational environment.

- Defamation or untrue statements.
- Statements that attack ethnic, religious, gender, or racial groups, or that tend to provoke a physical response, including gang symbols or apparel, insults, or other fighting words that could reasonably be anticipated to provoke a physical or otherwise disruptive response will result in suspension or possible withdrawal.
- Student participation in a boycott, sit-in, stand-in, walk-out or similar activity.
- Speech encouraging disobedience of college rules or health and safety standards (such as apparel advertising alcohol, drugs, tobacco, etc.)
- Official college publications (such as our Program Guide or any other publication) and student expression that occurs under circumstances where it is sponsored or endorsed by the college (such as speech at student assemblies or dramatic productions) are not private speech of students. Rather, they are public communicative activities of the college, over which the college retains control to the extent permitted by the First Amendment and state statutes. Such speech shall be subject to regulation not only under the standards set forth in the paragraph above but also for any other legitimate educational reasons as determined by the college. Students who violate the standards for verbal and written expression shall be subject to corrective action or disciplinary action, up to and including suspension or being withdrawn.

Prohibition of Discrimination and Title IX

Manatee Technical College (MTC) is part of the School District of Manatee County. The School Board does not discriminate on the basis of race, color, ethnicity, religion, national origin, sex (including sexual orientation, transgender status, or gender identity), disability (including HIV, AIDS, or sickle cell trait), pregnancy, marital status, age (except as authorized by law), ancestry, genetic information, which are classes protected by State and/or Federal law (collectively, "protected classes") in its programs and activities, including employment opportunities. It is the legal obligation and the policy of the Board to employ only those persons who are best qualified, with or without reasonable accommodations. The Superintendent shall appoint a compliance officer whose responsibility it will be to require that Federal and State regulations are complied with and that any inquiries, or complaints are dealt with promptly in accordance with the law. S/He shall also require that proper notice of nondiscrimination for Title II, Title VI, and Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination in Employment Act will be provided to staff members and the public. Any sections of the District's collectively bargained negotiated agreements dealing with hiring and promotion will contain a statement of nondiscrimination similar

to that in the Board's statement above.

Student Clubs / Activities

HOSA-Future Health Professionals

HOSA-Future Health Professionals is a global student-led career and technical organization endorsed by the U.S. Department of Education and the Health Science Education Division of the Association for Career and Technical Education (ACTE). The mission of HOSA is to empower HOSA-Future Health Professionals to become leaders in the global health community through education, collaboration, and experience. Its purpose is to develop leadership and technical HOSA skill competencies through a program of motivation, awareness, and recognition, which is an integral part of the Health Science Education instructional program. HOSA provides opportunities for students to develop, practice and refine their technical, leadership, and teamwork skills to achieve a seamless transition from education to a health care career. The MTC postsecondary/collegiate chapter is open to any student enrolled in a postsecondary health science program during the current school year.

National Technical Honor Society

The National Technical Honor Society is an honor organization for students who achieve outstanding success in vocational-technical education. It is America's foremost scholastic honor for excellence in workforce education. Fewer than two percent of America's secondary and postsecondary students are nominated for membership into this prestigious organization. Students are nominated by their instructors and a ceremony is held bi-annually to induct new members.

SkillsUSA

SkillsUSA is a national career and technical student organization that serves trade, industrial, and technical students, and instructors. SkillsUSA is dedicated to developing a well-rounded education by enhancing leadership, citizenship, safety, and skill training. Members compete on regional, state, and national levels in their skill areas as well as leadership and occupationally related contest areas. The instructors at Manatee Technical College support and encourage participation in this student organization.

National Adult Education Honor Society

The National Adult Education Honor Society is a national organization providing "meaningful recognition to deserving adult education students, to improve student employment opportunities, to develop student ambassadors for local adult education programs and to create adult education awareness with school administrators and state legislators." Students are nominated by their instructors "based on dependable attendance, a cooperative attitude, and work ethic."

Student Grievances

All students are entitled to due process. If you believe you have been treated unfairly, you can expect that your grievance will be settled in a timely and fair manner.

1. When initiating a grievance, the student should first make every reasonable effort to resolve the issue with the instructor or staff member concerned.
2. If the situation cannot be resolved, the student should see his or her career counselor, or program director to discuss the grievance. During this meeting, the counselor/director/coordinator will assist the student in documenting the grievance, the actions that need to be taken towards resolution, and the results of those actions taken.
3. If a resolution could not be reached, the student will make an appointment with the campus Assistant Director. During this meeting, the Career Counselor can be present as the student's advocate. All further actions taken and the results of those actions must also be documented. If a resolution is not reached by this point, the Assistant Director will organize a Grievance Hearing that consists of a non-partisan group that will review all the documentation compiled. They will then separately discuss the grievance with the student and the instructor/staff member. The members of the group will then discuss the findings and arrive at a mutually agreed upon resolution. This resolution will be presented separately to the student and then to the instructor/staff member. If the student is not satisfied with the Grievance Hearing resolution, the next step is to:

4. Make an appointment to meet with the MTC Director. All previously collected documentation, including the resolutions derived from the Grievance Hearing, will be forwarded to the MTC Director for review prior to the meeting with the student. If resolution cannot be reached at the college level, the student may:
5. Seek resolution at the district level from the following individuals in the following order: Executive Director of Adult, Career and Technical Education; Deputy Superintendent of Operations; Superintendent of Schools; and finally, the School Board of Manatee County.
6. If the issue cannot be resolved at the district level, the student may contact the Florida Division of Career, Technical & Adult Education (DCAE) http://www.fldoe.org/academics/career-adult-edu/division-directory.stml.
7. If you believe that your complaint has not been addressed satisfactorily, after exhausting all Manatee Technical College's complaint or grievance procedures, you may contact for additional information/guidance: Council on Occupational Education 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350 Phone: (800) 917-2081 FAX: (770) 396-3790 http://www.council.org

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the New Affiliation Agreement Between the School Board of Manatee County and All About Kids Pediatric Dentistry for Clinical Experience for Manatee Technical College (MTC) Dental Assisting Students for the 2023-2026 School Years, No Financial Impact

Executive Summary
The School Board has, over the years, contracted with providers for clinical experience and/or on-the-job training for district students.

In order for the students to participate in this type of clinical or on-the-job experience, it is necessary for the participating office to sign an agreement with the School District. The opportunity to receive this type of clinical experience is a great advantage to our students. Not only do they obtain a valuable hands-on learning experience, but also placements resulting in permanent jobs for the students after they finish their training.

A copy of the agreement is attached for review.

The School Board of Manatee County
d/b/a Manatee Technical College
Affiliation Agreement for Clinical Practice

AGREEMENT for affiliation with All About Kids Pediatric Dentistry

Address: 1882 59th Street West Bradenton, FL 34209

This agreement is made this 25th day of July 2023, between the School Board of Manatee County, Florida, d/b/a Manatee Technical College (hereafter called the School) and All About Kids Pediatric Dentistry (hereafter called the Affiliating Site).

WHEREAS, it is of mutual interest and benefit that the students enrolled in the Manatee Technical College Health Science Program are provided the opportunity and benefit of the educational facilities of All About Kids Pediatric Dentistry for clinical experience.

NOW, THEREFORE, in consideration of the premises, which are hereby deemed to be incorporated into this Agreement as an integral part hereof and not mere recital hereto, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Affiliating Site, the Health Science program, and the School hereby agree as follows:

RESPONSIBILITIES OF THE SCHOOL: The School shall perform all of the following duties and obligations with due diligence, due care and in good faith:

Provision to Provide Educational Services: The School shall provide to the Affiliating Site Health Science Education students who have demonstrated a basic level of proficiency and ability to perform technical skills as required by their specific program. School personnel shall also provide the requisite instruction, supervision and guidance required in this phase of the program. The School will assign a program coordinator to make periodic coordinating visits to the Affiliating Site. The program coordinator shall, upon request, provide evidence of all initial and periodic reasonable background checks, health screens and drug tests that are conducted or obtained by, or are verified as acceptable to Affiliating Site. The School program coordinator will collaborate with assigned site personnel to ensure that students meet identified curriculum competencies, and has the authority--*after consultation with the Affiliating Site*--to discontinue the training of any student if deemed appropriate. The student, when in training at the Affiliating Site, will at all times be under the direct supervision of assigned personnel at the Affiliating Site, and that person(s) will complete the student evaluation record (efficiency rating) in collaboration with the School program coordinator.

Non Discrimination: Neither the School nor its personnel shall discriminate against any patient or other person on the basis of sex, sexual preference, race, creed, color, age, national origin or disability.

Patient Records: The School shall ensure that all required patient records relating to the educational services rendered by its personnel and students are prepared and maintained in accordance with applicable Florida and Federal law and any other requirements that may be imposed by Affiliating Site or any applicable Payor. All such records shall be delivered to and maintained by and in accordance with its

policies and procedures. The School shall ensure that its personnel and students at all times maintain the confidentiality of medical records in accordance with applicable laws and regulations.

Incident/Injury Reporting: The School shall be responsible for advising its personnel and students to report any incident/injury that occurs during the performance of any services by such personnel or students under this Agreement or that is witnessed as having occurred on the property of the Affiliating Site. The Affiliating Site shall be responsible for implementing the post-exposure protocol in Exhibit A. Neither the School, the program, its personnel, nor the Affiliating Site shall be responsible for any medical care, counseling or other necessary follow up as a consequence of such incident/injury. The School, its personnel and students shall be responsible for compliance with any State or Federal statutes, regulations, rulings or orders related to safe work practices and environment. The SCHOOL BOARD OF MANATEE COUNTY, the School, and the Affiliating Site will follow the post- exposure evaluation protocols established in Exhibit A.

INSURANCE: During the term of this Agreement and any extension thereof, the School shall maintain, at its own cost and expense, professional liability insurance with minimum coverage of at least $1 million per occurrence and $3 million in the aggregate. If such coverage is pursuant to a claims-made policy, and it is terminated for any reason during the term of this Agreement or during a period of three (3) years after the termination of this Agreement, then the School will obtain and maintain tail or prior acts coverage for a period of three (3) years after termination thereof. In addition, the School agrees to maintain general liability insurance to cover its actions and those of its personnel and Workers' Compensation coverage (in such amounts as may be required by law) for its personnel. Upon request of the Affiliating Site, the School will provide a certificate of insurance verifying coverage, and the School will notify Affiliating Site in writing within two (2) business days of any cancellation or adverse modification of such insurance coverage. If the School fails to obtain or maintain the insurance required hereunder, Affiliating Site at its option may terminate this Agreement.

Affiliating Site shall obtain and maintain professional liability and general liability insurance in the minimum amounts of $1 million per occurrence and $3 million in the aggregate per annum that provides coverage for activities that the Affiliating Site and their employees participate in pursuant to this Agreement. Evidence of professional and general liability insurance coverage shall be provided to School annually unless requested earlier. Affiliating Site shall give School thirty (30) days prior written notice to the extent Affiliating Site has such notice of impending cancellation or termination of such insurance and, upon cancellation or termination thereof, shall immediately notify School. In the event that Affiliating Site maintains claims-made coverage, and Affiliating Site's coverage is terminated within three (3) years of the date on which School ceases to participate or have its Students or Faculty Members participate in Site Activities pursuant to this Agreement, Affiliating Site shall obtain "tail coverage," or other prior acts coverage, if such coverage is available, in the amount stated above until the expiration of three (3) years from the last date on which School, a Student, or a Faculty Member participated in a Site Activity, as contemplated by this Agreement. Failure to secure and maintain the insurance coverage required by this Section shall constitute a material default and the Agreement may be terminated by School.

RESPONSIBILITIES OF HEALTH CARE FACILITY (Affiliating Site) The Affiliating Site shall perform all of the following duties and obligations with due diligence, care, and in good faith.

1. The personnel of the Affiliating Site will recognize the student as a participant in an educational program, and will be willing to cooperate as appropriate to make arrangements for teaching situations for the student that will contribute to his growth and development of skills.

2. The Affiliating Site shall certify to the School that it is licensed and fully accredited by an appropriate accrediting body and that the individual responsible for direction of the student is licensed/certified in the State of Florida.

3. Students shall not receive compensation for their participation in the above educational experiences.

4. Adequate time will be allowed for orientation of the student to the Affiliating Site.

5. The student, when in training at the Affiliating Site, will at all times be under the direct supervision by designated personnel who is/are licensed/certified by the State of Florida.

6. Assignments in the Affiliating Site at no time will exceed that which permits good care for patients/clients, exceeds state statutes, ratios or guidelines, and good learning practice. It is recognized that the assignments may vary with the ability of the student and the conditions of the site.

7. At the end of the clinical experience, an evaluation will be completed for each student in terms of his personal characteristics, knowledge and performance of skills. The evaluation report will be developed-- in collaboration with the School coordinator-- by a designated person who has direct knowledge of the student's performance in the area in which the student gains experience.

8. The Affiliating Site will provide the student with emergency medical care (first-aid) in the event of an accident or injury. In the event of accident, injury, or serious illness of the student, the Affiliating Site will ***immediately*** notify the School Assistant Director and the School coordinator. The coordinator will notify the appropriate emergency contact for that student.

9. The student will be subject to the rules and regulations of the Affiliating Site. The Affiliating Site will have the right to discontinue the training of any student on its premises, upon consultation with the School coordinator.

10. The student may be scheduled for assignment during regular operating hours of the Affiliating Site.

Provision of Facilities and Equipment: The Affiliating Site shall provide appropriate space designated by the facility for the educational experience, plus any equipment, expendable supplies and services necessary for the proper operation of the educational experience. In connection with the foregoing, Affiliating Site shall be responsible for compliance by its facility and its personnel with any State or Federal statutes, regulations, rulings or orders related to safe work practices and environment.

Provision of Educational Experience: The Affiliating Site shall have adequate means for educational experiences, including:

- provide opportunities for observational and practice experiences in the patient units and clinics and in other departments
- assist in the orientation of the School personnel and students to the physical facilities, policies, and procedures of the facility, as required;
- allow the School personnel and students, at their own expense, to use cafeteria facilities, if available.
- retain overall responsibilities for quality of patient care;
- the facility shall certify to the School that it is licensed and fully accredited by an appropriate

accrediting body and the individual responsible for direction of the student is licensed in the State of Florida.

INDEPENDENCE OF THE PARTIES; NO CONNECTION TO REFERRALS: In the performance of their separate businesses, it is understood and agreed by Affiliating Site that the School and each shall be, and at all times is, an independent and unrelated entity acting and performing as a separate business. Accordingly, none of the provisions of this Agreement are intended to create, nor shall be deemed or construed to create, any relationship between the School and Affiliating Site other than that of independent entities contracting with each other solely for the purpose of achieving the provisions of this Agreement. The parties hereto shall be considered to be independent, and neither of them, nor any of their respective representatives, employees or agents shall be construed to be the agent, employee, servant or representative of the other.

TERM AND RENEWAL-- TERMINATION:

(a) **Term and Renewal:** This Agreement shall be in effect from the date of the signature of the School Board Chair for a period of three school years, from July 25, 2023 through June 30, 2026, upon which time the School and Affiliating Site have the option, without change to this Agreement, to extend this Agreement for a period of an additional three school years.

(b) **Termination for Cause:** The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the Affiliating Site has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Affiliating Site in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Affiliating Site or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida.

(c) Termination for Convenience: Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

(d) **Effect of Illegality or Reimbursement Changes:** If a legislative body, a court of competent jurisdiction or an administrative agency having authority to regulate any of the parties, holds this Agreement or the obligations to be performed hereunder to be illegal under this Agreement, then the parties agree to negotiate in good faith to amend this Agreement. If necessary, this Agreement shall be deemed suspended until such amendment can be accomplished. Otherwise, the parties agree, for a period of sixty (60) days, to restructure the practical conduct of this contractual arrangement in a manner that will eliminate the illegal or unenforceable aspects hereof.

CONSTRUCTION AND INTERPRETATION

Compliance with Jessica Lunsford Act: The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with

Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at:
http://www.manateeschools.net/pages/SDMC/Departments/District_Support_Services/Purchasing/Jessica_Lunsford_Act

Assignment: Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by The School Board of Manatee County upon thirty days written notice and The School Board of Manatee County will be released of any and all obligations under this contract.

Third Party Beneficiaries: This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any provision of this agreement will be effective unless in writing and signed by both parties.

Governing Law: This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

Relationship of Parties: The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School Board of Manatee County does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

Indemnification: To the extent permitted by law, affiliating Site with the School Board of Manatee County agrees to defend indemnify and hold harmless The School Board of Manatee County, their agents, employees, officers and Board Members against any and all third-party claims, loses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement. When pertaining to a services contract, the Affiliating Site, will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board of Manatee County, their Board Members and School District Employees as an additional insured. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board of Manatee County, the election to immediately terminate this agreement.

Confidentiality: Confidentiality is subject to the Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008.

Sovereign Immunity: The parties acknowledge and agree that the School Board of Manatee County, Florida, as a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

Contact with Students: Unless otherwise specified, the contracting party with The School Board of Manatee County will have no employees or independent contractors, material men, supplier or anyone involved in any manner with projects resulting from this proposal shall have direct or indirect contact with students at project sites. A violation of this provision shall result in immediate termination of the offender and issuance of a trespass notice from the School District. Vendor/Proposer shall be responsible for insuring compliance by all employees, independent contractors and sub-contractors or other persons involved in any manner with projects resulting from this proposal.

Standards of Conduct: The contracting party with The School Board of Manatee County will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the vendor, but also to the employees of its sub-contractors

Severability and Waiver: If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

Force Majeure: The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

Equal Opportunity: The Affiliating Site agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act. Said Affiliating Site further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, age or marital status.

Federal Debarment & Suspension Certification: This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

Compliance With Sunshine Act: The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et seq, and Fla. Stat. sec. 119.01 et. seq. The Affiliating Site with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

Custodian of Public Records: IF THE AFFILIATING SITE HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE AFFILIATING SITES DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS MEMORANDUM OF UNDERSTANDING, CONTACT THE CUSTODIAN OF PUBLIC

RECORDS: Public Records Custodian 215 Manatee Avenue W. Bradenton, Florida, 34205 (941) 708-8770 publicrecords@manateeschools.net

School District Policy: In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be effected with any individual or business entity in which any member of the School Board of Manatee County or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in F.S. 112.

Compliance with Regulations: Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the proposer will in no way be a cause for relief from responsibility. The proposer shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The successful proposer(s) must not be in violation of any zoning or other ordinances in the performance of this contract.

Safety Standards: All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

Tax Exemptions: When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

Other Provisions:

Possession of Firearms: Possession of firearms will not be tolerated on the project or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the vendor/proposer, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the vendor/proposer. If a sub-contractor fails to terminate said employee or independent contractor, the vendor/proposer shall terminate its agreement with the sub-contractor. If the vendor/proposer fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" means any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any destructive devise, or any machine gun. Powder actuated construction nailers and fasteners are excluded from this definition.

Criminal Acts: Employment on the project by the Affiliating Site, or any of its subcontractors, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Affiliating Site agrees to take all steps necessary to remove such person from the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Affiliating Site does not comply with this provision.

Possession/Use/Under the Influence of Mind Altering Substances: Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Affiliating Site employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Affiliating Site. If a sub-contractor fails to terminate said employee or independent contractor, the Affiliating Site shall terminate its agreement with the sub-contractor. If the Affiliating Site fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Entire Agreement: This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail.

Headings: The headings of the various sections and paragraphs in this Agreement are inserted for the convenience of the parties and shall not affect the meaning, construction or interpretation of this Agreement.

COUNTERPARTS: This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument.

IN WITNESS WHEREOF, All About Kids Pediatric Dentistry **and Manatee Technical College have duly executed this Agreement.**

AGENDA ITEM NO. 10.8

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Home Education and Private School Dual Enrollment Articulation Agreement with Manatee Technical College (MTC) for the 2023-2024 School Year

Executive Summary
As required by the Florida Department of Education, each school district must have a Home Education and Private School Dual Enrollment Articulation Agreement in place and also have established written policies that operationalize the home education and private school education dual enrollment process within the school district that is available to parents and students. Attached is the 2023-2024 Home Education and Private School Dual Enrollment Articulation Agreement between the home education and private school student and their parents and Manatee Technical College (MTC). This outlines the required specific State Statutes that are applicable to home education and private school dual enrollment. This document will be updated annually and submitted to the Manatee County School Board for approval. This Agreement will formalize our working partnership with the community and workforce here in the Suncoast.

A copy of the 2023-2024 Home Education and Private School Dual Enrollment Articulation Agreement is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 8
Expand acceleration opportunities for all middle and high school students

Recommendation
The Superintendent recommends approval of the Home Education and Private School Dual Enrollment Articulation Agreement with Manatee Technical College (MTC) for the 2023-2024 school year.

Financial Impact
Financial impact will be determined by the number of students served and the generated revenue from the Florida Department of Education.

2023 2024 Home Private Education DE Articulation Agreement

2023-24 Home/Private Education Dual Enrollment

Articulation Agreement

Between the Home Education Student and their parents
or the Private School Education Student and their parents
and

Manatee Technical College

THIS AGREEMENT is entered into by and between the Home Education Student and their parents or the Private School Education Student and their parents, hereafter referred to as the "Home/Private", and Manatee Technical College, hereafter referred to as the "College"; and

WHEREAS, Florida Statutes provides that home education dual enrollment is a curricular option of elective credits toward earning a home school diploma and completing a career certificate program through a district's technical college, and

WHEREAS, Manatee Technical College, a publicly funded postsecondary institution, can provide a variety of high skill, high wage career training program options.

NOW, THEREFORE, BE IT RESOLVED that the Home/Private and the College agree to the following:

The Home/Private Education Articulation Agreement, pursuant to section S.1007.271(13)(b), Florida Statutes (F.S.), requires each postsecondary institution to enter into an agreement with each home education or private school student seeking enrollment in a dual enrollment course and the student's parents. The following are the minimum components required in the agreement:

A. Courses and programs available to dually enrolled home/private education students appear in Exhibit B. Courses and programs may be added, revised, or deleted at any time by the postsecondary institution.

B. The initial and continued eligibility requirements for home/private education student participation, not to exceed those required of other dually enrolled students. An eligible home/private education student must:
    1. Provide proof of enrollment in a home education program/private school, pursuant to S. 1002.41, F.S.
    2. Students are responsible for their own transportation to the college. Students are also responsible to purchase the proper uniform for their program. Home/private education students are **exempt** from the payment of registration, tuition, and laboratory fees.
    3. Sign the home/private education articulation agreement.

Note: While there is no grade point average (GPA) requirement to initially enroll, home/private education students must still present qualifying scores on a common placement test (SAT, ACT, or P.E.R.T.). See Exhibit A below. The postsecondary institution may also establish a postsecondary grade point average for continued participation.

In order to provide comparable dual enrollment programs between home/private education and public-school students, the postsecondary institution may require a determination of the home/private education student grade level prior to entry to the dual enrollment program.

There is no statutory requirement that home/private education students must present a transcript at the time of entry to the dual enrollment program; however, there may be educational benefits to the student for sharing his or her education background.

C. The Florida Department of Education "Statement of Dual Enrollment Transfer Guarantees" is available at http://www.fldoe.org/policy/articulation

D. Section 1007.271(25), F.S. requires that the dual enrollment articulation agreement include services and resources that are available to students with disabilities who register for dual enrollment.

E. Applications for career dual enrollment will be accepted by the College in Spring and Summer for the beginning of the following school year. Mid-term applications will only be accepted on a space available basis and with mutual agreement of the home/private high school principal and College director. S.1007.271 (21)(d), F.S.

F. All students enrolled in career dual enrollment will meet the Basic Skills Requirements as specified in 6A-10.040, F.A.C, and detailed in Exhibit "A".

G. All career dual enrolled students will have the opportunity to achieve at least one industry certification as part of the career program. Programs are listed in Exhibit "B".

H. Only career preparatory courses contained within the state course numbering system and are part of sequence of courses in a program offered through the College which lead to an industry certification, are part of this agreement. New programs/courses meeting this specification can be added to the agreement at any time by agreement of the chief administrative officers of each party. S.1007.271 (21)(c), F.S.

I. Students participating in home/private education dual enrollment will be responsible to meet College rules for registration, attendance, and behavior as specified in the College Student Handbook. S.1007.271 (21)(m), F.S.

J. The College shall be responsive to parent inquiries of their student performance and progress in the home/private education dual enrollment program.

IN WITNESS WHEREOF, the parties have executed, or had their authorized representatives executed, this agreement on the dates written below.

AGENDA ITEM NO. 10.9

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept, and Expend the 2023-2024 Adult Education Grant Application for Integrated English Literacy and Civics Education, in the Amount of $95,206.00

Executive Summary
The Florida Department of Education (FDOE), Division of Career and Adult Education, is awarding multi-year grants on a competitive basis to develop, implement and improve adult education and literacy in Florida for a three-year grant cycle, for which 2023-2024 is the first year. As such, the School Board is submitting a consolidated application for both grants:

- Adult General Education (AGE) (AEFLA Section 231) and
- Integrated English Literacy and Civics Education (IELCE) (AEFLA Section 243)

Funding for these discretionary grant dollars is authorized by the Adult Education and Family Literacy Act (AEFLA), Federal Grant Programs Title II, and Workforce Innovation and Opportunity Act (WIOA).

If the School Board of Manatee County is awarded the full allocations for Manatee County, it will provide $95,206.00 for IELCE grant projects. Adult Education literacy and workforce development activities will take place at Manatee Technical College and two Goodwill sites in Bradenton (Cortez and Ranch Lake).

A copy of the 2023-2024 Integrated English Literacy and Civics Education (IELCE) Grant Application is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 1
Improve easy access to quality family resources that support student learning

Recommendation
The Superintendent recommends approval to apply, accept and expend the 2023-2024 Adult Education Grant application for Integrated English Literacy and Civics Education, in the amount of $95,206.00.

Financial Impact
There is no cost to the General Fund. All activities under this grant are funded by federal AEFLA dollars at no material expense to the District. This grant will bring the District up to $95,206.00 for IELCE grant projects for the period July 1, 2023 to June 30, 2024. There is no significant difference in this grant budget from last year; it includes salary and benefits for part-time teachers, partial salary and benefits for career counselors, teacher/counselor professional development activities, instructional software, hardware, and indirect costs to cover District-level grants accounting and finance related to this project.

Note: Funding is contingent upon the availability of funds from the United States Department of Education (USDOE).

- Allocations are subject to change based on Florida's federal award notification or any adjustments made to the allocation by USDOE.
- The Commissioner may recommend an amount greater or less than the amount requested in the proposal.

FLORIDA DEPARTMENT OF EDUCATION

Narrative: Individual Application for AGE and IELCE

Priority 1: Promote regional partnerships to ensure comprehensive approaches that result in improved learner outcomes. Maximum 25 Points

A. Needs Assessment (5 points)

1. Describe the labor market needs that have been identified in the Local Workforce Plan(s) and Regional Needs Assessments (include data sources).

The 2020-2024 CareerSource Suncoast (CSS) Local WIOA Workforce Plan identified the following industries with the most demand in the Suncoast Region with "trade, transportation and utilities generating the most demand (60,500 jobs), followed by education and health services (57,200 jobs) …" These industries were also in the top-three for the state. In addition, "…education and health services (+4.5 percent) were the fastest growing major industries…" per the Local Plan.

In the 2022-2024 WIOA Unified Plan for the State of Florida, within the education sector, the industry title Other Schools and Instruction is projected to have a 28.6% growth in jobs from 2021-2029. Regional Needs Assessment within the education sector indicates that as of May 26, 2023, there are 101 job openings for paraprofessionals (https://careers.manateeschools.net) within the School District of Manatee County alone.

2. Describe the community demographics of the geographic area, including the number of individuals who are English language learners and/or are lacking a high school diploma or equivalent. Define the various data sources used to substantiate the size and scope of the population that can benefit from adult education instructional services.

According to the US Census Bureau, 2017-2021 American Community Survey (ACS) 5-Year Estimates, the total population of Manatee County, FL, was 322,847. Within that population, 20,569 are lacking a high school diploma or equivalent and the number of 18-64-year-olds who speak English not well or not at all was 8,115. The average annual number of dropouts for Manatee between 2016-17 and 2021-22 was 478, with the total dropouts and withdrawals to adult education being 2,870 for the same time-period, according to the ACS. According to US Census Bureau Quick Facts, the July 1, 2022, population estimate for Manatee County was

429,125 with 9.9% of persons in poverty, and 9.7% of persons aged 25 years+, between 2017-2021, lacking a high school diploma. https://www.census.gov/quickfacts/manateecountyflorida

According to the National Center for Education Statistics for the School District of Manatee County (2017-21): 16% of residents have less than a high school diploma; 26% have a high school diploma as the highest degree attained; 15% of families have income below the poverty level; 23% of families rely on food stamps/SNAP benefits; 4% speak English "less than very well." https://nces.ed.gov/Programs/Edge/ACSDashboard/1201230

3. Complete the **Adult Education Past Performance Table,** (Consolidated Excel Workbook, TAB D1 for currently funded applicants and TAB D2 for applicants not previously funded).
4. Complete the **Adult Education Enrollment Targets Table**, (Consolidated Excel Workbook TAB E).
5. Describe how the eligible provider will adequately achieve the need for services identified in in the past performance and enrollment targets tabs.

Manatee Adult Education (AE) will achieve the need for identified services by employing intake and advising processes to reduce the equity and achievement gaps of individuals in the community most in need of literacy services, including individuals who have multiple barriers to employment, by ensuring instructor preparedness and instructional delivery informed by research- and appropriate evident-based practice, through an individual, student-centered approach to academic, postsecondary, and employment goal setting, and by providing appropriate accommodations, including referral services, remediation, tutoring, and other interventions, as necessary, via an extensive collaboration of community and regional agencies through the CareerSource Suncoast Crosswalk (https://careersourcesuncoast.com/initiatives/) and by employing faculty and staff members, including Career Counselors, who speak Haitian Creole and Spanish, the most represented non-English heritage languages of the region.

6. Describe how the program will recruit and serve individuals in the community most in need of literacy services, including individuals who have multiple barriers to employment.

Manatee uses a variety of recruitment strategies in English and Spanish, including social media such as Facebook, Instagram, Twitter, and YouTube. The school's website may be viewed in Spanish, Haitian Creole, or any other language using Google Translate. Class schedules are available in print and on-line. Program information is distributed in economically disadvantaged neighborhoods, public libraries, schools, Goodwill Manasota, Goodwill Ranch Lake, and CareerSource Suncoast; at education and career fairs; through announcements in elementary and middle school newsletters, on campus marquees, and in local newspapers and magazines (including Spanish language publications), public service announcements on the District's Spanish-language educational radio station (WTEC-LPFM), flyers sent home with K-8 students in English, Spanish, and Haitian Creole, and placing ads in publications (including Spanish-language and African American publications) distributed in target population areas. Manatee anticipates enrolling 1,200+ students in 2023-2024.

B. Regional Partnerships and Collaborative Networks (10 points)

The WIOA requires collaboration at all levels – federal, state, and local – and between core programs. The formation of regional partnerships aligns multiple resources to provide comprehensive services to learners.

1. Describe how the applicant will develop partnerships with an expanded set of regional providers such as schools, community-based organizations, vocational rehab, unions, industry associations, local or regional economic development agencies, chambers of commerce, community development corporations, libraries, postsecondary institutions, and social service agencies to:
    a. coordinate regional referral and recruiting efforts among partners to serve students most in need of literacy services;

Partners include Manatee Schools, Vocational Rehab, Housing Authority, Blind Services, Chamber of Commerce, Catholic Charities, Lutheran Services (immigration), Project HEART (homeless), Goodwill, and the Farmworker Program. Partners provide referrals to Manatee Adult Ed, and likewise, Manatee AE makes referrals to these agencies and organizations. These organizations provide services to the disabled, unemployed, homeless, low-income (e.g., United Way ALICE population), and those most in need of literacy services. Planned

partnerships include organizations with strong community ties including United Way and the Junior and Urban Leagues. In some situations, AE counselors give information to students for them to take the next steps. In other cases, counselors or the referring agency make the call or walk the students through the process. Sometimes, the referring agency physically brings the student to AE to register for classes. For CareerSource, counselors enter student information in the Crosswalk online platform, and CS contacts the student directly. Using the Crosswalk, "CareerSource Suncoast and 31 other partner agencies can make confidential referrals between each other to better coordinate service for individual clients. The search functionality makes it possible to find services such as housing, education and counseling for clients in need." (Local Plan).

b. coordinate comprehensive wrap-around services (services that minimize barriers for adult education students to attend and persist in their adult education program) such as childcare, transportation, mental health services, employee assistance and placement;

Counselors refer students to the CareerSource Suncoast (CSS) Crosswalk referral system for wrap-around services. Counselors work directly with partner agency staff or give students the information through the CSS Crosswalk. Counselors either talk or walk them through the process, especially if the student needs mental health or substance abuse services. In the case of a service that CareerSource can help with, counselors enter student information in the Crosswalk, and CSS contacts the student directly.

c. specifically support the development and implementation of the required IET programs and other work-based learning opportunities based on local and regional labor market needs;

The 2022-23 Regional Demand Occupations List for Workforce Region 18 includes teachers for elementary, middle school, high school, and postsecondary. The Florida Department of Economic Opportunity, Bureau of Workforce Statistics & Economic Research indicates that teacher assistant and teacher jobs will grow 11%-16%, depending upon the job title, from 2022-2030 in Manatee County and Workforce Development Region 18. In addition to credentialing

successful completers for immediate employment as paraprofessional educators, this IET will serve as a bridge to future education in associate and bachelor's degree programs and higher, as well as other employment possibilities in the field of education in Manatee County, the region and state of Florida.

d. encourage the braiding of local, regional, state, and federal funding resources (direct or indirect) for greater impact to align resources to support services and regional employment needs;

CareerSource Suncoast (LWDB) will pay the tuition and fees for all eligible students in the eligible IET training programs and for eligible AE students transitioning to locally targeted occupations and programs on the eligible provider list.

In addition, Manatee AE is seeking to use Title II funds to pay for BloomBoard (industry certification) seats in the Paraprofessional IET. As part of this career pathway, ParaPro completers hired by the School District of Manatee County may be eligible to participate in the Project Parasol Project, a collaboration with the University of South Florida and the School District of Manatee County's Department of ESOL, Migrant and Dual Language Department which will pay for 60 ESOL paraprofessionals to earn a B.A. degree in elementary education, thus addressing the teacher shortage locally, regionally, and statewide. This latter project is funded with federal funds through the Office of English Language Acquisition.

e. and provide increased opportunities for transitions to college and career and attainment of postsecondary credentials.

Manatee AE will partner with Manatee Technical College (MTC) to provide most of the IET career training. In addition, AE will hold AGE and IELCE classes on the MTC Campus, where they will have exposure to postsecondary career training opportunities. Career counselors and instructors for CTE and AE programs will work together to create opportunities for AE students to explore CTE postsecondary education through campus tours, career fairs, and cross-training.

2. Workplace education is defined as *adult education and literacy activities offered by an eligible provider in collaboration with an employer or employee organization at a workplace or an off-site location designed to improve the productivity of the workforce.*

Provide details about current or projected formal employer partnerships to provide workplace education class(es), if applicable. If there is more than one employer partnership, describe each. Include how the program activities offered are designed to improve the productivity of employees, and how the employer contributes to the success of the program.

Program year 2023-24 will be the first full year of the Paraprofessional IET program for IELCE and for AGE. During this first year, the workplace education component will consist of a Practicum, in which students who have completed at least 75% of their program will spend 10-12 hours assisting with instruction in lower-level Adult ESOL or ABE classes. It is projected that a formal partnership with the School District will be established to offer workplace education opportunities in K-12 classrooms throughout the District, including working with ESE and ELL students. Prior to the Practicum, students will complete a paraprofessional portfolio that includes a lesson plan, literacy activities, and ideas for working one-on-one with students and small groups. They will also complete two hours of classroom observations with teachers prior to the Practicum. Students receive hands-on training within their curriculum to better prepare them for the workplace. The employer contributes to the success of the program by providing the opportunity for micro-internships (10-12 hours); employers also benefit from these activities by seeing potential employees in action prior to offering them a job to fill much needed positions within the District. It's a win for IET completers and a win for employers.

3. **Partnership Chart** (Tab F) in the Consolidated Grant Workbook. This chart lists collaborative partners contributing to improved learner outcomes. Identify which partners are sub-recipients receiving funds to support the three-year grant cycle.

C. Alignment with One-Stop Partners and Coordination (10 points)

1. Describe the following LWDB considerations to illustrate the partnership between the eligible provider/collective and the LWDB:
    a. How the program will align its services with and contribute to the local One-Stop Center to meet the goals identified in the Local Workforce Area WIOA Plan(s).

The mission of the LWDB is "to recruit, train, and retain talent for employers on the Suncoast." The goals identified in the LWDB plan are "Preparing an Educated and Skilled Workforce; Regional Economic Growth; Self-Sufficiency". The Manatee AE two-year plan will align its

services and contribute to the local One-Stop Center to meet the goals identified in the LWDB plan in the following ways:

- Deliver workforce, education, and training activities to help Floridians advance their careers.
- Offer Adult Basic Education, Adult Secondary Education (GED® Preparation), English Language Acquisition (WIOA Sec. 231), Integrated English Literacy and Civics Education (WIOA Sec. 243), and family literacy activities to help Floridians fill knowledge, skills, and abilities gaps as identified in the LWDB plan.
- Offer workforce preparation activities (WPA) and integrated education and training (IET) for in-demand occupations and industry sectors to meet the needs of employers as identified in the LWDB plan.
- Continue communication and enhance collaboration with regional partners to be a part of building capacity of the region's workforce system.
- Enhance communication and collaboration with current and new partners to increase recruitment and the mutual referral process to improve workforce readiness and assistance for students with disabilities or barriers to employment.

b. Any formal or informal agreements between the provider/collective and the LWDB that coordinate/align services benefiting adult learners in the WIOA, Title II (AEFLA) programs.
   - Submit a copy of the agency's **executed Memorandum of Understanding (MOU) agreement including the local One-Stop Infrastructure Cost Agreement**. Carefully review the Adult Education MOU Requirements to ensure the MOU complies with all federal requirements. If a MOU is not available at the time the application is submitted, an executed MOU must be submitted to FDOE prior to the issuance of the grant award notification.

a. Any existing MOUs, MOAs, or contracts with other core providers of WIOA services Include organizations that provide resources for individuals with disabilities or barriers to employment.

Manatee AE has an MOU with the LWDB. The MOU is reviewed annually and will be part of the three-year plan to coordinate and align services benefiting adult learners, particularly those with

disabilities. Manatee will also enter into an MOU with Goodwill Manasota. Goodwill's primary mission is to provide resources for individuals with disabilities or barriers to employment.

Career counselors, instructors, staff, and administration may make referrals in the CareerSource Crosswalk online platform to 54 other partner agencies. These are confidential referrals to agencies who offer wrap-around services, mental health, health, housing, employment, including employment to individuals with barriers to employment, childcare, disability services, and more. Local and regional community agencies include Goodwill Manasota, Centerstone (mental health services), Vocational Rehabilitation, the Sustainable Workforce Alliance, and more. "The search functionality makes it possible to find services such as housing, education and counseling for clients in need." (Local Plan).

b. Coordination with other regional partners and the available education and training resources for the development of career pathways. Identify specific referral processes ensuring students successfully navigate between partners.

Manatee District Adult Education has long-standing partnerships and collaborative efforts with a broad range of county and regional partners, including WIOA core partners. Partnerships and efforts that are currently addressing state priorities and meeting the needs of adult learners include: CareerSource Suncoast (support services, financial and tuition assistance, barriers to employment, placement), Manatee Technical College and State College of Florida (IET, credentials of value, postsecondary education), Florida Department of Vocational Rehabilitation and Division of Blind Services (services and support for students with disabilities), Lutheran Services Florida (refugee services), Goodwill Manasota (clothing, employment, career planning, proving classroom space for Manatee's AE programs), Early Learning Coalition (child care, pay for GED), Bay Area Youth Services (support for juvenile justice referred youth), Project Heart (assistance/support for homeless), Solve Maternity Homes (helping at-risk pregnant women and their babies), Centerstone of Florida (mental health and substance abuse assistance), and St. Vincent DePaul (sponsor students to attain workforce success, mentoring and scholarships).

Manatee AE has a three-year MOU with CareerSource Suncoast, an MOU in process with Goodwill Manasota, and informal agreements with the other partners to ensure high-quality services to all eligible participants to close equity and achievement gaps. These partnerships promote concurrent enrollment in other WIOA Title I programs and services and hold learners at the center. All provide referrals to Manatee AE, and likewise, Manatee AE makes referrals to these agencies and organizations. Beyond the referral process, agency representatives and Manatee AE counselors and staff work with each other to provide the best possible support to students by addressing underlying issues that impact immediate outcomes and longer-term goals of full participation in career pathways and the workforce.

Employers support career pathway programming by serving on advisory committees for workforce training programs, hiring graduates, and paying tuition and fees for incumbent employees.

Manatee AE and Sarasota AE have been working to enhance current collaborative efforts to develop career pathways and the referral processes between each institution. Career Counselors from each agency have met to coordinate the referral processes between Suncoast Technical College and Manatee Technical College not just regarding the transfer of AE students, but to refer AE students to CTE programs. In addition, Manatee AE seeks to collaborate with Sarasota AE and OneBlood to provide a regional Phlebotomy IET in the foreseeable future.

Manatee AE currently has articulation agreements in place with State College of Florida (SCF), so AE students who enter postsecondary CTE programs and subsequently want to earn an A.A./A.S. degree or R.N. can smoothly transition to the State College system. Referrals occur between MTC counselors and Academic Advisors at SCF. In addition, the Provost of SCF serves on MTC's Board of Governors which facilitates the development of new career pathways, including IETs based on local business and industry demands.

2. Complete and submit the **Alignment with LWDB Plan Executive Summary** (Appendix B).

   The LWDB will consider the written responses in the Executive Summary to determine the extent to which this application addresses the required considerations in 34 CFR §463.20 [34 CFR §463.21(c)]. In accordance with 34 CFR 463.21, FDOE will:

   - Provide for the submission of all applications for funds under AEFLA to the appropriate Local Boards to review for consistency with the local plan;
   - Provide an opportunity for the local board to make recommendations to the eligible agency or regional consortium to promote alignment with the local plan; and
   - Consider the results of the review by the Local Board in determining the extent to which the application addresses the required AEFLA 13 Considerations in §463.20.

Priority 2: Expand the state's talent pipeline through attainment of credentials of value and acquisition of postsecondary certifications, industry-recognized credentials, and degrees. Maximum 25 Points

D. Integrated Education and Training Programs and Credentials of Value (15 points)

1. Describe the three-year plan's efforts to recruit, screen and orient participants so they will be successful participating in the IET service approach.

Manatee will continue to recruit from enrolled AGE students and through social media sites, the school's website, district communications aimed at parents, community and business and industry partners, the CareerSource Suncoast Crosswalk referral system, and local media outlets. To appropriately screen applicants, answer potential participants' questions and to offer more detailed program specifics, information sessions will be offered in person and virtually. In addition, orientation sessions will be held. Information and orientation sessions will be provided in person, virtually, both with day and evening sessions, and in Spanish, English, and Haitian Creole when applicable.

2. Describe how the three-year plan will develop partnerships and implement career pathway strategies, (which may include IET programs) aligned to the LWDB plan to expand access to employment, education and other services for individuals with barriers to employment.

Manatee AE will develop partnerships and implement career pathways strategies according to regional employment demands identified in the LWDB Plan and the results of career interest surveys taken during intake. Manatee AE will reduce barriers to employment and

postsecondary education and reduce the equity and achievement gaps in the region through customized individual, student-centered goal-setting sessions with Career Counselors, instructional staff, and other appropriate personnel. This includes referral services, remediation, tutoring and other interventions, and the use of the robust referral opportunities by an extensive collaboration of over 30 community and regional agencies through the CareerSource Suncoast Crosswalk referral system (https://careersourcesuncoast.com/initiatives/).

Manatee AE will work with these regional partners and develop new partnerships and collaborations to support the regional needs and delivery of programs and services and implement career pathways strategies aligned with the Local Workforce Development Board (LWDB) goals of "preparing an educated and skilled workforce, regional economic growth, and self-sufficiency."

A subcommittee of business and industry representatives will be leveraged to establish and set standards for the design of programs and future IET offerings and to provide work-based experiences to expand access to employment opportunities for low-skilled individuals, English learners, out-of-school youth, TANF recipients, unemployed and underemployed individuals, displaced workers, immigrants, refugees, and ex-offenders.

This comprehensive service approach will be based on identified instructional and specific participant and/or family needs, informed by regional employment needs, aligned with the local workforce development board (LWDB), and delivered through a collaborative network of partners. Partners that may be engaged in the process include Career and Technical Education partners, business and industry stakeholders including the Manatee Chamber of Commerce and Bradenton Area Economic Development Council (EDC), special populations partners, and family literacy stakeholders that have an interest in expanding access to education and other services that will ultimately help students with barriers to employment achieve success and ensure that the region's employers can count on a well-trained workforce for existing and emerging occupations.

3. Explain how credentials obtained through IET programs are in-demand by regional employers and lead to sustainable wages.

Manatee County District Schools is the county's largest employer in Manatee County and has a consistent need for paraprofessionals in schools throughout the district. As of May 26, 2023, over 100 job openings for paraprofessionals were posted within the School District of Manatee County alone (https://careers.manateeschools.net). The ParaPro credential will provide IET students with a credential of value for an opportunity to earn a living wage. The starting wage for a paraprofessional in the School District of Manatee County will be $15 per hour in the school year 2023-24. The ParaPro credential is part of a career pathway leading to a higher wage (becoming a teacher) which is an in-demand job locally and regionally.

4. Describe the relevant work-based learning opportunities available through the IET service approach and the process used to have employers validate workplace skills.

Work-based learning opportunities will be provided via internships within the school district. Students will have the opportunity to work in elementary school classrooms with currently employed paraprofessionals and teachers, who will validate workplace skills. The program will include three course components designed to empower participants to demonstrate mastery of the key competencies associated with effective paraprofessionals through a standardized and scalable, portfolio-based review model.

5. Complete the following:
    - **IET Offering Summary (Tab H)** in the Consolidated Grant Workbook.
    - **Integrated Education and Training Program of Study Template** – NA. Manatee's IET Program is currently approved by the FDOE.

E. Data Driven Credentials of Value through IET (10 Points)

Local and regional labor market data must drive the design, development, and implementation of training programs with credentials of value.

1. Describe how labor market data will be used to drive the development and implementation of the IET service approach.

The Florida Department of Economic Opportunity, Bureau of Workforce Statistics & Economic Research indicates that teacher assistants and teacher jobs will grow 11%-16%, depending

upon the job title, from 2022-2030 in Manatee County and Workforce Development Region 18. In addition to credentialing successful completers for immediate employment as paraprofessional educators, this IET will serve as a bridge to future education in associate and bachelor's degree programs and higher, as well as other employment possibilities in the field of education in Manatee County, the region and state. Based on information of in-demand industry sectors and occupations in the WIOA Plan, Education is among the highest in demand in the Suncoast Region. Elementary, Middle School, and Secondary School Teachers are all high-skill, high-wage jobs on the Regional Demand List for Workforce Region 18. Manatee County District Schools is the county's largest employer and has a consistent need for paraprofessionals in schools throughout the district. As of May 26, 2023, over 100 job openings for paraprofessionals were posted within the School District of Manatee County alone (https://careers.manateeschools.net).

2. Describe how the IET service approach will be aligned to credentials of value such as industry certificates and certifications.

The Manatee IET service approach will utilize a fully integrated instructional teaching model using BloomBoard's online Paraprofessional course and direct instruction completely aligned with the Educational Testing Service ParaPro Assessment (industry certification). The program will prepare students to pass the ParaPro Assessment with a score that meets or exceeds Manatee County District Schools' cut score (minimum score required for employment). Manatee County District Schools is the county's largest employer and has a consistent need for paraprofessionals in schools throughout the district. The ParaPro Assessment measures skills and knowledge in reading, writing, and math and the ability to apply those skills and knowledge when assisting in classroom instruction. The test is designed to ensure prospective paraprofessionals meet the skills requirements of federal legislation (ESSA) before applying for paraprofessional job openings in the district. The program will include workplace/occupational skills training to help participants gain the knowledge, skills, and abilities necessary to earn the

ParaPro Certification by demonstrating the ability to assist classroom teachers and help students with classwork.

3. Identify the types of credentials available to students who participate in the IET service approach.

AGE and IELCE students who participate in the IET program will prepare to earn the ParaPro Certification, certification code EDTS001, from the Educational Testing Service.

Priority 3: Ensure all learners receive high quality instruction that prioritizes measurable labor market needs and outcomes while working to eliminate equity gaps and achievement gaps in the community. Maximum 25 Points

F. Quality Program Offerings (15 points)

1. Describe the program enrollment system in place that ensures quality learning and outcomes including:
   a. managed enrollment, open-entry/open-exit enrollment. FDOE expects programs to offer managed enrollment at a majority of class sites.

To provide efficient onboarding to students (online information sessions, pre-testing, orientation, career counseling), Manatee AE uses a managed enrollment system. New students may join classes at the start of each quarter—in September, October, January, and April. Students attend a virtual or face-to-face orientation which is offered in three languages (English, Spanish, and Haitian Creole) and begin career pathway planning and education during intake.

   b. the course modality offered (online, blended learning, laboratory, traditional classroom setting).

Manatee AE offers Adult ESOL, ABE and GED® and classes in the following modalities: 100% asynchronous online, a blended (hybrid) model, and traditional classes. Blended classes are held at multiple venues in the county: the MTC Main Campus and at two Goodwill Manasota Locations in the west and east locations of the county. These sites are located on county bus lines and served by multiple routes.

c. the expectations for students' participation and attendance (for example, number of hours, weeks) to demonstrate sufficient intensity and duration informed by rigorous research necessary for making learning gains.

All classes meet a minimum of 10 hours per week depending upon the location. Students enrolled in blended learning classes meet 5 hours per week in a traditional classroom setting and are expected to spend at least 5 additional hours working in the online component. Students enrolled in the online modality are expected to devote a minimum of 10 hours per week. All courses meet for 32 weeks, and students are expected to be in attendance at least 80% of the scheduled hours.

d. how system will offer a flexible schedule (day and evening classes year-round), local support services, and provide a quality learning system (such as childcare, transportation, mental health services, and career planning) for all students, including those with special learning needs, low levels of literacy skills, members of the ALICE (Asset Limited, Income Constrained, Employed) population, learning disabilities and other special needs, to attend and complete program.

To meet the needs of the local workforce and adults with young children, classes are offered in the mornings, early afternoon, and evenings at Manatee Technical College, 100% online asynchronously as well as day and night hybrid options and at two Goodwill Manasota sites located nearest to the target population and on a bus line.

During the intake process, students are informed of Manatee AE's attendance policies and expectations and of the various support services available, including the process of self-declaring any special learning needs or disabilities. Career Counselors meet with students on an individual or small group basis to develop a customized student plan for postsecondary enrollment, future education and/or employment needs based on the student's interests, needs, and goals.

These individual meetings between Career Counselors and students allow for referrals to agencies using the CareerSource Suncoast Crosswalk's extensive referral system that provides

appropriate support services leading to higher student achievement and better outcomes. This referral system provides agencies with the ability to refer students to services in the community through a privacy-protected and secure digital platform. Agencies using this system in Workforce Region 18 include more than 32 agencies that provide: mental health services; healthcare; housing assistance, transitional housing and emergency shelters; re-entry services for former criminal offenders; childcare; foodbanks; maternity care; early learning services; employment agencies; addiction services; veterans services; unaccompanied homeless and at-risk youth; farmworkers programs; and agencies focused on breaking the cycle of poverty and focus on family self- sufficiency such as Step Up Suncoast, Goodwill Manasota, and Family Resources, Inc., among others, as well as educational entities including the two school districts, two technical colleges and the state college in the workforce region.

In addition, Manatee AE has Spanish- and English-speaking counselors and can provide for Haitian Creole translation provided by instructional staff to ensure better communication with low English-proficient levels to ensure that student needs and wrap-arounds services are provided when needed.

2. The state has set the expectation for each program to post-test 70% of enrolled participants using an NRS-approved standardized assessment after achieving sufficient hours of instruction. Describe what measures are in place to ensure that the program will meet or exceed that expectation.

Manatee's student information system (SIS), Campus Solutions, has the ability to run a query based on attendance hours and the date of the last pre- or post-test. There is a locally established business process in place regarding post-testing. There are two dedicated staff members who run this query every two weeks (one for day and online classes, the other for night classes) to monitor post-testing throughout the year to ensure compliance and to ultimately improve post-test performance. The instructional schedule is designed so that students post-test each quarter (twice each semester). Post-testing is aligned to start dates in the managed enrollment calendar, allowing for better instructional continuity as new students arrive in classes on the same date (each quarter).

Using the post-testing query from the SIS, the assigned staff members communicate with instructors to schedule post-testing according to test publishers' criteria. An online calendar platform informs the testing department of the specific students to be post-tested during a given test session, the content area, and any other special situations such as approved accommodations. Testing is available in labs on the MTC Main campus during the day and evening and may be completed remotely as well.

3. **Program Offerings Summary Form (Tab G)** in the Consolidated Grant Workbook. This form will summarize all planned program offerings in the 2023-2024 year and will be used to demonstrate the size and scope of the adult education instructional services that will be available during the three-year plan.
4. Describe the policies in this three-year plan adopted by the eligible provider to accommodate students and staff with disabilities, including learning disabilities, as described in the American Disabilities Act of 1990 (42 U.S.C. 12102).

To accommodate students and staff with disabilities, Manatee AE follows the School Board Policies as delineated in the School District of Manatee County Policy Manual. Manatee AE has an established business process for informing students of their rights as a student with disabilities and provides an electronic brochure to all students during the matriculation process to inform them of such. This document is available in English, Spanish, and Haitian Creole.

Students are directed to 504 coordinator who then determines eligibility, appropriate accommodations, and/or needs. This may include using the CareerSource Suncoast local service agencies crosswalk to identify services and make referrals to help students address barriers to success, including housing, transportation, mental health, healthcare, employment, food and nutrition, adaptive technology, Braille materials, and childcare. In addition, Manatee AE partners with Vocational Rehabilitation, Florida Division of Blind Services, Lighthouse of Manasota, and Manatee County Area Transportation for the Handy Bus reservation system and other bus subscription services to provide services and assistive technology for adult learners. In addition, Life Coaches from Goodwill Manasota, case workers from foster care agencies, the Florida Department of Children and Families, the juvenile justice system, the SDMC Department

of Drop Out Prevention, homeless advocates from various regional agencies, and guardians at litem may also participate in the determination of services and accommodations needed for students with disabilities.

The School District of Manatee County conducts the hiring and onboarding of employees. The SDMC prohibition of discrimination statement, information regarding the compliance officers, Title IX coordinators, Section 504/ADA coordinators, and relevant polices may be found at: https://www.manateeschools.net/Page/6071.

Adult education instructors are provided with annual opportunities for professional development regarding ADA and the instruction of students with disabilities through the School District of Manatee County's Professional Learning Department as well as opportunities provided by ACE of Florida and IPDAE.

Manatee AE employs an ESE teacher to serve as a coach/mentor for teachers who work with students with disabilities. This instructor also serves as the disability designee and the initial contact for students to begin the development of a 504 plan. In addition, the ESE coach works with Career Counselors and adult education instructors to coordinate supplemental referral services with community agencies as needed and to ensure that students with disabilities receive appropriate accommodations and differentiation during instruction and assessment. As previously mentioned, all students meet with a Career Counselor on an individual basis during intake and on at least a quarterly basis to determine post-secondary and employment goals. At this meeting, the student would have already been informed of her rights as a student with disabilities, and it would be up the student to self-declare any needs at this time pursuant to state and federal laws and guidance (https://www.fldoe.org/core/fileparse.php/7690/urlt/0070068-311201_acmod-voc.pdf).

Instructors have the opportunity to meet with MTC Career Counselors, administration and the ESE coach and other support personnel as needed to discuss individual student needs and concerns.

Instructors and Counselors may refer students with low literacy levels and other special needs to Goodwill Manasota, The Manatee Public Library system, Project Light, or the Manatee Literacy Council for additional one-on-one tutoring services or for additional English language conversation opportunities. Goodwill Manasota also provides jobs to students with disabilities with work schedules that support their learning needs and allows for participation in Manatee Adult Education classes, which may be located at Goodwill sites where these individuals may work.

5. Describe how the eligible provider will use rigorous research and evidence-based instructional approaches for ABE and ELA (e.g., essential components of reading instruction, differentiated instruction, direct explicit instruction, and use of formative assessment, use of standards-based instruction) to assist adult students with achieving substantial learning gains.

Manatee's AE Program integrates evidence-based, student-centered instructional practices in instruction. Instructor facilitated face-to-face, hybrid and online courses are offered and grounded in the Florida Adult Education Frameworks. Instruction is differentiated and based on individual student needs determined by pre- and post-testing as well as formative and summative assessment. The research-based core curriculum tools utilized are Essential Education with ABE/GED students and Burlington English with ESOL students. Each curriculum combines standards-based, academic, and workforce readiness skills which actively engage and prepare students for postsecondary education and career planning. Supplemental literacy resources include Flocabulary, CommonLit, Pro Literacy, the Brigance Transitions Skills Kit, and multiple titles from New Readers Press regarding workforce skills and preparation, grammar, vocabulary, math, reading, and writing.

Instruction includes the researched-based Burlington English and Essential Education curricula. These digital instructional programs address the research-based reading practices of building knowledge through content-rich nonfiction, evidence-based reading, writing, and speaking, and regular practice with complex texts and their vocabulary (Coleman, D., Pimental, S. & Zimba, J., 2018). In addition, Burlington Core Digital Readers are available to English

learners to integrate the essential components of reading instruction: alphabetics, fluency, vocabulary, and reading comprehension. The program recognizes that many English sounds are non-existent in the native languages of its learners. It is therefore critical to provide explicit instruction so that essential components of reading instruction, such as phonics and phonemic awareness, can be addressed. Using Burlington English's patented Speech Trainer to address pronunciation and instruction of unfamiliar sounds, English language learners acquire the building blocks for increased fluency and comprehension. Burlington English courseware allows for a variety of learning modalities including teacher-led onsite or online instruction. This is available to students at school, at home and on mobile devices. This access provides additional learning opportunities and the potential for accelerated and increased success in attaining learning gains.

The following are research- and evidenced-based practices employed by AE instructors:

Identification of Skill Gaps –Instructors will identify gaps in students' understanding that need to be filled and teach learning strategies explicitly. Students will move forward with more confidence and success when they have the necessary foundations in place.

Differentiated instruction - Instructors design lessons based on students' learning styles, group students by shared interest, topic, or ability for assignments, manage the classroom to create a safe and supportive environment, continually assess and adjust lesson content to meet students' needs.

Instruction for high engagement - Instructors will use strategies and materials that are meaningful, relevant, and engage the learner cognitively and emotionally.

Formative assessments – Instructors use formative assessments to not only identify skill gaps, but also to provide opportunities for reteaching when necessary. Instructors use a continuing cycle of assessment and instruction until proficiency is demonstrated. Summaries, reflections, lists, charts, graphic organizers, visual representations of information, and other collaborative

activities will be used to provide students with the opportunity to communicate with others as they develop and demonstrate their understanding of concepts.

Providing timely corrective feedback – Manatee AE uses assessment data to reteach concepts and skills until the student has reached proficiency. Both corrective activities and enrichment activities that directly correlate to instruction will be utilized. Scaffolding strategies are used with struggling learners or to challenge advanced learners.

Instructors are trained to analyze CASAS and TABE scores to inform instruction to maximize student achievement, differentiate instruction, assign learning groups to provide direct instruction, and provide appropriate formative assessments.

6. Describe the student support and transition services that support the three-year plan for quality instructional programming. The response must include the following:
   a. how the program will assess students' educational needs, support services and accommodations and how will providers or partners deliver those services; and

Individual student needs are first assessed during the intake process by registration personnel and subsequently by Career Counselors during the initial goal setting and planning session. This may result with a student referral to services from local and regional partners, community agencies or to the disability liaison (provided this need is disclosed by the student) for the creation of a 504 plan, assistive technology, or other appropriate accommodations. Instructors, administration, support staff can all make referrals to the CareerSource Crosswalk referral system for wrap-around support and disability services. The disability liaison meets with students when appropriate and schedules 504 meetings and coordinates services and accommodations.

   b. how the program will provide student advisement services to facilitate transition to postsecondary education/training and employment.

Current intake processes allow for the identification of specific student needs and accommodations. Career Counselors facilitate career interest assessments to develop a customized student plan for postsecondary enrollment and/or employment based on the

student's interests, needs, and goals. Adult Education, CTE Career counselors, and the ESE liaison serve students in a consultative manner as needed.

Manatee Technical College's Business and Industry Coordinator facilitates Workforce Wednesdays where various local employers and business partners are on campus during lunch to advertise and recruit employees. In addition, AE students have easy access to resources available through CareerSource Suncoast as Manatee provides them with an office on the Manatee Technical College Main campus where the majority of Adult Ed instruction occurs. MTC also holds an Open House and/or Career Fair each semester giving AE students exposure to postsecondary programs and employment opportunities in the local community and region (more than 90 employers were present at the last event along with other educational institutions and community organizations).

G. Technology and Online Learning (5 points)

1. Describe how the program will integrate the use of technology into class instruction including the following:
    a. how the instructor will use technology as a classroom tool;

Instructors use technology as a classroom tool in a myriad of ways. Technology is heavily infused into the daily classroom routine. Instructors utilize Samsung display mounts as a primary means of projecting classroom instruction. Core curriculum consists of Burlington English and Essential Education software programs. Additional tools to enhance instruction include Flocabulary, NearPod, News for You, Quizlet, and Plickers. Canvas is available to all instructors. Workforce and digital skills are incorporated in instruction. Students produce resumes, PowerPoint presentations, learn how to use Excel, and produce other assignments using Microsoft Office products. All classrooms have either a desktop, laptop, or tablet available for each student.

    b. how students will use technology, including those with low levels of literacy and learning disabilities, to develop digital literacy skills in the classroom or as an integral part of their own class work;

Students with low levels of literacy and learning disabilities are supported by the instructor and the ESE Coach. Students with low levels of literacy and learning disabilities are eligible for laptop loans and open lab sessions for additional support. Teachers receive professional development regarding providing appropriate differentiation and accommodations annually through various resources (scheduled in-service dates and on-demand through SDMC, IPDAE, COABE, ACE of Florida) and are expected to educate the students in a creative, engaging manner to provide a learning environment that is conducive to all learners.

Project-based, differentiated activities are used to ensure students are successful, creative, and engaged. This allows for the natural growth and development of literacy skills which include fluency, word recognition, phonetics, and comprehension. https://www.gvsu.edu/cms4/asset/777A03CA-E5D1-90B3-FF97B7EA6E9ECB3/educational_technology_project_1(2).pdf)

c. how digital literacy skills are integrated into workforce preparation and IET programs;

The following digital literacy skills are examples of how digital literacy skills are being integrated into workforce preparation activities and in IET programs:

- Watching a video regarding elementary school instruction and actively participate in classroom discussion and prepare a Word document responding to a set of questions
- Conducting an Internet search about the education and training career pathway and evaluate sources (using only reliable sources)
- Preparing and presenting a digital presentation (PowerPoint, YouTube Video, Google Slides, Prezi, etc.) on a relevant topic to education and training, healthcare, or regional jobs.
- Integrating and evaluating content presented in diverse media and formats, including visually and quantitatively, as well as verbally and in writing.
- Using technology to produce clear and coherent writing in which the development, organization and style are appropriate to task, purpose, and audience.

- Using technology to develop and strengthen writing by planning, revising, editing, rewriting, or trying a new approach.
- Using technology, including the Internet, to produce and publish writing and to interact and collaborate with others.
- Gathering relevant information from multiple print and digital sources, assess the credibility and accuracy of each source, and integrate the information while avoiding plagiarism.

In addition, Burlington English and Essential Education both contain workforce and employability skills modules. Students may use the software to customize career exploration by occupation. In addition, MTC uses various workforce preparation and workforce skills texts from New Readers Press relevant to the student's English proficiency level to teach workforce preparation. ABE and GED classrooms use the McGraw-Hill *Workplace Skills* and *Career Companion* for this purpose.

2. Describe how distance education will be made available for all students, particularly those with low levels of literacy and learning disabilities; include the following:

Distance learning opportunities, including hybrid and online learning, are available to all students. Students with low levels of literacy and learning disabilities will be supported by the teacher and ESE Coach. Students with low levels of literacy and learning disabilities will be eligible for laptop loans and open lab sessions for additional support.

a. The synchronous, asynchronous, and blended options offered. If you utilize additional software as supplemental instruction, describe the purpose and use of the software.

Manatee AE offers asynchronous and blended options for ESOL, ABE, and GED instruction using Burlington English or Essential Education respectively. Instructors can access Zoom to provide tutoring and/or supplemental instruction as needed on an individual or small group basis.

b. How these options may lead to improved student performance.

Numerous studies have supported the idea that implementing technology into the classroom facilitates meaningful learning, greater use of prior knowledge, hierarchical cognitive structure, elaboration, and greater depth of processing and innovative practice (Hillman, 2014). This integration shifts the focus of the learning environment to being more student-centered and allows for them to develop autonomy and control over their learning (Mo, 2011). (https://techandcurriculum.pressbooks.com/chapter/engagement-and-success).

Manatee AE's incorporation of technology and online learning improves student performance by increasing student motivation and allowing students to enhance communication. It further allows students to engage in collaborative problem-solving activities and discussions and to reflect on content and expand digital competencies in greater depth. Easy-to-accomplish, unit-based learning allows the students to focus on one piece of learning at a time and see forward movement. Students stay motivated because they can see the direct result of their study time and know what they need to do next to achieve mastery learning. The student progression reports and check points within Burlington English and Essential Education allow students to see forward progress and performance. Students can see where their deficiencies lie and where self-remediation is needed. Instructors can view their classroom dashboard to readily verify standards attainment and precisely how close the student is to mastery. Instructors target the standards that need to be re-taught and design groups or break-out rooms with the purpose and intention of driving classroom instruction.

c. How post-testing procedures will be adapted to ensure distance learners meet the state's expectation for each program to post-test 70% of enrolled participants.

Manatee adheres to the policies and procedures for remote testing established by the test publishers and FDOE, including adherence to remote proctoring agreements and requiring online certification for online proctors. Manatee's post-testing procedures and protocols (as previously discussed) are the same for distance learning as in the traditional classroom, except that remote pre- and post-testing is available for online students. In addition, Manatee has certified, English-, Haitian Creole- and Spanish-speaking remote proctors available for this

purpose.

d. The kind of information and data to be analyzed by programs to monitor student engagement/persistence enrolled in a distance learning program versus a traditional classroom-based enrollment.

The distance learning program data analyzed to monitor student engagement, productivity, and persistence include using the following reports available in the software systems used in distance learning: *student study time, skill mastery, readiness, academic targets in alignment with content maps, practice test analysis, student summary and proxy* reports. Both distance learning and traditional classroom enrollment require a strong foundation for measuring progress, however, initial placement tests, subsequent post testing, and formative assessments are more significant in providing teachers with information regarding learning needs in distance learning. Analysis and review of the *time on task reports* in distance learning classes allows for the implementation of interventions to address persistence, or lack thereof. Instructors, career counselors, and the ESE liaison review these reports regularly to identify student needs and gaps so that relevant interventions can be initiated when required to improve student engagement and persistence.

H. Instructional Personnel and Professional Development (5 points)

1. Describe the agency's plan for implementing continuous professional development to ensure staff are knowledgeable about adult education instruction, assessment, policies, procedures, career pathways strategies and other regional priorities.

Manatee AE professional development includes a summer symposium, back-to-school in-service, and a Spring in-service. Topics covered in the adult educator professional development offerings include, but are not limited to, adult education data reporting workshops, Florida College and Career Readiness Standards, IET programming, and analyzing post-testing data and formative assessment to drive instruction. Adult Education teachers are required to have an active, registered, portal account with IPDAE, the Institute for the Professional Development of Adult Educators. IPDAE provides a web-based site which allows adult educators access to

various resources. These resources include, but are not limited to, electronic documents, toolkits, lessons, videos, workshops, webinars, virtual trainings, online training modules, newsletters, and consistent communication outreach via an email contact database. Career Counselors and instructional personnel also may attend local, regional, statewide, and out-of-state conferences directly related to Adult Education, provided by COABE, ACE of Florida, IPDAE, TESOL, Sunshine State TESOL, National Career Pathways, etc.

In addition, Manatee AE also offers professional development offered by Burlington English's trainers virtually, by appointment, online on-demand, or through customized trainings on-site. Professional development for IET Paraprofessional instructors is provided by BloomBoard through their Faculty Academy and weekly coaching sessions. Essential Education provides on-demand virtual training and customized training as needed.

Lastly, AE instructors have access to all professional development opportunities offered by the School District of Manatee County including hybrid, online, self-paced and face-to-face offerings.

2. Describe how the agency's professional development plan supports instructors in incorporating current research and evidence-based instructional strategies that lead to effective program outcomes.

The professional development plan supports instructors in incorporating current research and evidence-based instructional strategies that lead to effective program outcomes. The research of John Hattie and Robert Marzano, among others, are utilized to plan and develop AE in-services. Topics include cooperative learning, inquiry-based teaching, higher-level questioning, differentiated instruction, the science of reading instruction, andragogy, backwards design, the gradual release of responsibility model, reciprocal teaching, cues, questions & advance organizers, the importance of timely, direct, and specific feedback are some of the research-based instructional practices explicitly taught and modeled during professional development. These methods and techniques are grounded in evidence supporting increased student achievement, thus leading to effective program outcomes.

3. Agency's minimum qualifications for the instructors, counselors and administrators delivering the program activities during the three-year plan.

Instructors	1. Bachelor's degree or higher from an accredited educational institution. 2. Certification by the state of Florida in appropriate area(s) and possession of necessary endorsements, preferred.
Counselors	1. Bachelor's Degree from an accredited educational institution. 2. Certification in guidance preferred. 3. Minimum of three (3) years successful work experience in teaching, counseling, or a related field.
Program Supervisor	1. Master's Degree from an accredited educational institution. 2. Certification in a career and technical education area. 3. Minimum of five (5) years successful teaching experience or appropriate work experience 4. Minimum three (3) years' experience in administration or leadership. 5. Certification as Principal and/or in Educational Leadership and/or Vocational Director (preferred).
Assistant Director (Adult Education Director)	1. Master's Degree from an accredited educational institution. 2. Certification in a career and technical education area. 3. Minimum of five (5) years successful teaching in a career and technical education area and/or administrative experience. 4. Certification in Educational Leadership or as a Local Director of Vocational Education preferred or attainable within three (3) years.

4. **Personnel Chart (Tab I).**

Priority 4: Incent, Measure, and Support Enhances Program Effectiveness Max 25 Points

I. Performance Outcomes (Not Scored)

1. Describe the applicant's capacity to manage a federal grant and any unique aspects of the program which would facilitate delivery of effective adult education and literacy services.

The School District of Manatee County Manatee has successfully implemented Adult Education federal grants for over 50 years, Perkins grants for close to 40 years, and Higher Education Emergency Relief Funds for the past three years. Manatee has a Federal Programs

and Grants Department that supports the successful implementation of many other federal grants, including Title I, Part A-Improving Basic Programs Operated by State and Local Educational Agencies; Title I, Part C-Education of Migratory Children; Title III-English Language Learners and Immigrant Students; Title IV, Part A-Students Support and Academic Enrichment; Title IX-Homeless Education Project; as well as many competitive grants. As a school district, Manatee adheres to the General Assurances for Participation in State and Federal Programs in compliance with 2 CFR 200 Uniform Grant Guidance and adheres as well to Florida Statutes Section 1010.1, which requires school districts to prepare and maintain financial records and accounts as prescribed by law.

2. Describe how the three-year grant plan accounts for the evaluation and reporting of educational performance and student exit outcomes, including completing an educational gain and transitioning students into postsecondary education or training and the workforce.

Manatee AE tracks student outcomes through locally produced data queries in the Student Information System (SIS), known as Campus Solutions, and through FDOE survey reports. Manatee AE has established business processes for monitoring and scheduling post-testing and tracking measurable skills gains. A report tracking LCPs per student, by instructor, is currently in production. Any data element recorded in the SIS may be queried and reports produced for both program and student analysis.

Career Counselors meet with each student on an individual basis, as appropriate to student needs. Instructors can meet with students virtually through Zoom or Teams or by appointment or during virtual or face-to-face office hours to discuss student performance and to provide feedback as needed. Students meet with their instructor and/or career counselor after post-testing to review learning gains and to monitor or change short- and long-term educational, postsecondary, and/or employment goals. Appointments can be made using Calendly, an online calendar tool. The ESE coach and administration are involved in these discussions when appropriate. In addition, interventions and referral services may be implemented, schedule or

instructional mode may be changed as needed, or tutoring (virtual or face-to-face) may be suggested.

Since most of the Manatee AE classes are now offered on the Main Campus of Manatee Technical College, AE students have greater access to CTE counselors and the financial aid department providing easier entry into CTE programs. AE students therefore may attend CTE Open Houses and Career Fairs and weekly Workforce Wednesdays where local and regional employers are represented and actively recruit students. In addition, CareerSource Suncoast maintains an office on this campus, so AE students have increased access to the services, scholarships and workforce training and preparation provided by the LWDB.

3. Describe how the eligible provider will adequately provide services for students functioning at lower levels such as ABE levels 1, 2, and 3 and ESL levels 1, 2, and 3.

ABE levels 1, 2, 3 – Online Instruction - Essential Education is used as the primary curriculum tool. Essential Education self-customizes according to the current level the student is on with their adaptive learning system. Essential Education adaptive learning system creates a personalized experience for every learner. This enables all students to work at their level and make gains until mastery is achieved. The following steps were articulated in an Essential Education report entitled, *Mastery Learning*: Step One: Identify Prerequisites - In Essential Education Academies, students start with a built-in initial smart assessment that identifies the degree of their skill mastery against the targets of the educational goal they are working towards. Step Two: Customize Learning Plan - The program uses the diagnostic data from the student's pre-assessment to automatically create a customized learning plan. The first lessons in the learning plan teach the student's missing foundational skills, the building blocks needed to move on to more complex skills. Step Three: Track Student Progress -The built-in diagnostic center gives teachers real-time skill mastery reports that detail student performance on each target and skill, identifying gaps. As the student progresses, the mastery report shows the student's most current performance.

ABE levels 1, 2, 3- Traditional classroom: Essential Education is a component of the learning, accompanied by direct teacher instruction, collaborative learning centers, diversified grouping, peer review, and interactive activities.

Additional strategies used to retain and advance ABE levels 1,2, and 3 students include support of an ESE coach, increased counselor engagement, personalized Individual career academic plan, remediation via open lab sessions, and specialized teacher professional development with focus on scaffolding and student differentiation.

ESL levels 1, 2, 3 – Online Instruction - Burlington English is used as the primary curriculum tool. Burlington English is designed to help students at NRS ESL level 1-3 gain basic language skills, develop digital literacy and learn essential vocabulary to communicate in their everyday lives. Burlington Core Basics integrates language acquisition and civics education with level-appropriate workforce preparation activities. The following description was articulated in a Burlington English report entitled, *The Publisher that Cares,* provided in June 2021:

"Burlington English's comprehensive reports will provide the applicant with easily accessible, up-to-the-minute reports of measurable participant outcomes to measure learning gains and student achievement. With Burlington English's ongoing reporting system, teachers can track student time on task in the program and scores for completed work to best target instruction to specific competencies, standards, and task areas. Learners also receive immediate feedback on their progress and can complete activities multiple times, if needed to obtain mastery. "

ESL levels 1, 2, 3- Traditional classroom: Burlington English is a component of the learning, accompanied by direct teacher instruction, collaborative learning centers, diversified grouping, peer review, and interactive activities.

Additional strategies used to retain, and advance ESL levels 1, 2, and 3 students include the support of an ESE coach, translations applications, increased counselor engagement, personalized individual career academic plan, remediation via open lab sessions, and

specialized teacher professional development with focus on scaffolding and student differentiation.

4. **Past Performance Table** in the Consolidated Grant Workbook.
    a. Applicants Previously Funded Table (Tab D1).
5. Describe the program's past effectiveness, supported by the data provided in the Past Performance table, in improving the literacy of eligible individuals to meet the state's estimated 2023-2024 performance levels, especially with respect to eligible individuals who have low levels of literacy.

Performance Outcome 1: Manatee AE surpassed the 28.7% Overall Total goal of measurable skills gains (MSG) with 30.7% in 2020-2021 and 35.8% 2021-2022.

The Total ELA MSG target of 28.2% was also exceeded by Manatee AE with the percentage of ESL students attaining at least one MSG in 2020-2021 and 2021-2022 at 39.9% and 43.2% respectively. In ESL level 6, Manatee AE doubled the performance from 20.5% in 2020-2021—during the pandemic—to 40.7% in 2021-2022. In 2021-22, all ESL levels were higher than 36% (with a range of 36.8% - 57.1%).

In 2020-2021 and 2021-22, Manatee's ABE programs missed meeting the goal of 29.3% with achievements of 20.6% and 19.7%. Performance was impacted by school closures and the inability to post-test students due to the global pandemic. In both years, Level 1 had a very small number of participants which disproportionately affected the overall performance percentage. It is significant to note that both ASE levels (ABE 5-6) reported markedly lower gains than the other ABE levels (excluding the small sample size of ABE level 1). At the time, Manatee AE did not post-test ASE students as this is not a requirement, but beginning in the 2022-23 academic year, a procedural change was initiated, and these students are now being post-tested with TABE and/or CASAS in addition to earning milestones by passing GED subject tests.

However, Manatee AE surpassed the MSG Overall Total goal of 28.7% with 30.7% in 2020-2021 and 35.8% 2021-2022.

Performance Outcome 2: Manatee AE students exceeded the 31% target for Employment 2nd Quarter After Exit with 34.4% in 2020-21 and 35.6% in 2021-22, and the 28% target for 4th Quarter After Exit with 33.1% in 2020-21 and 37.9% in 2021-22.

Performance Outcome 3: Manatee AE also exceeded the $4,876 Median Earnings target both years with median earnings 2nd quarter after exit of $5,402 in 2020-2021 and $6,198 in 2021-2022.

Performance Outcome 4: As to Credential Attainment, taken individually, only one indicator of performance (attained a Postsecondary Credential while enrolled or within one year of exit) in 2021-22 exceeded the goal of 24%. However, a sum of the number of exited students who achieved an outcome in all three indicators of performance in the Past Performance Table produced percentages of 23.6% in 2020-21 and 23.1% in 2021-22. These percentages are just shy of the 24% goal for Credential Attainment. When the sum of the number of exited students who achieved an outcome includes the final measure (Attained Any Credential, Unduplicated) from NRS Table 5 (from which the performance table draws its outcomes), the percentage rises to 47.2% for 2020-21 and 42% in 2021-22, exceeding the 24% goal both years.

It is significant to note that in both years, around 70% of ABE students were in ABE instructional levels 1-4, which translates to a high number of students with instructional levels less than 8th grade. Since this time, data and program analysis led to changes in staffing and instructional materials. In addition, many online asynchronous classes have been and continue to be replaced by more hybrid courses and traditional classes, so that more lower-level students have direct instruction and increased contact with instructors.

2023-24 Approved WIOA Measures Minimum Performance Levels for Florida Adult Education Programs	
Measurable Skill Gain (MSG)	
• Educational Functioning Level (EFL) completion measured on pre and post test • Enrollment in postsecondary education after program exit • Receipt of recognized secondary credential or its recognized equivalent • Progress toward milestones • Passing a technical/occupational knowledge-based exam	Overall 28.7% ABE 29.3% ESL 28.2%
Employment – 2nd Quarter After Exit	31%
Employment – 4th Quarter After Exit	28%
Median Earnings	$4,867
Credential Attainment	24%

J. Comprehensive Performance Monitoring (10 points)

1. Describe the agency's data management information system and practices for the following:

    a. Tracking student attendance records

Campus Solutions Data Management System (CS DMS) contains a full attendance tracking system including attendance data and actual contact times. Due to the security parameters within Campus Solutions, only specific designated personnel have access to student data. Career Counselors, designated data personnel, and administrative personnel as well as teachers, their classes only, may access attendance records with varying permission levels according to their role. Leadership (assistant director) is dedicated to ensuring that teachers take attendance on a daily or weekly basis, depending on if the class meets in a traditional or online modality. Assistant director also monitors any anomalies via a nightly report. Campus Solutions allows instructors to enter referrals or warnings as needed regarding attendance patterns that violate State and school policies. Career Counselors then intervene with virtual or face- to-face meetings with individual students to remedy the situation. This may result in referrals to other agencies for support services depending on student needs.

b. Tracking student pre and post-tests

Manatee Technical College Adult Education (MTC AE) has a locally written adult education assessment produce manual that addresses pre- and post-test business processes.

All Adult Education students are pre-tested using a state-approved assessment(s) prior to being enrolled into class. MTC AE uses the CASAS and TABE assessments for pre- and post-testing. MTC AE tests all new students prior to enrollment. Continuing students may be placed into class with test scores that were administered within 4 months.

MTC's testing center personnel use a query in the Campus Solutions Data Management System (CS DMS) to determine if enrolled students have met the instructional hours required to post-test per test publishers and FDOE guidelines. There is a locally established business process in place that outlines the protocols and procedures aligned with these guidelines.

Testing personnel advise instructors of the students who are eligible to post-test and the instructor then coordinates with the students and testing personnel to schedule the post- testing. Trained testing center personnel enter the post-test data into the CS DMS, and the instructor and/or Career Counselor confer with the student to discuss the results and to review or reassess short- and long-term goals. During the intake appointment, students are scheduled for pre-testing according to course enrollment and the date of the last test, if applicable.

Manatee's testing center personnel use a query in the Campus Solutions SIS to determine if enrolled students have met the instructional hours required to post-test per test publisher and FDOE guidelines. There is a locally established business process in place that outlines the protocols and procedures in place aligned with these guidelines. Testing personnel advise instructors of the students eligible to post-test. The instructor then coordinates with them to schedule the post-testing. Trained testing center personnel enter the post-test data into the SIS, and the instructor and/or Career Counselor confer with the student to discuss the results and review or reassess short- and long-term goals.

c. Tracking student outcomes

Manatee AE auto-imports CASAS scores into Campus Solutions (SIS) each morning. TABE score imports are in progress as we work out the mappings from the import file to the destination elements in the SIS.

The State Reporting Specialist notifies the Career Counselor when students earn an LCP for the counselor to make the appropriate student schedule change based on the learning gains. The Career Counselors then meet with students to review their progress.

Credentials of Value (Industry Certifications, Licensure, etc.) will be documented as Milestones in Campus Solutions and then reported to FSR through the Supplemental Information Format report. These will be reported in Surveys F, W, and S.

d. Providing frequent student and program data to teachers and staff to better target educational services and to ensure program effectiveness

Locally produced reports can be obtained at any time to allow for program analysis and improvement by administrative staff and key stakeholders. This data also serves to inform professional development offerings based on emerging data trends and to meet the developmental needs of instructors, when appropriate. The schedule of instructional staff allows for quarterly discussions of student data and outcome measures. Program improvement and analysis is also discussed during these quarterly data discussions.

e. Data collection, privacy, and quality

Data Collection: All data, such as admission, testing, enrollment, attendance, and grades, is collected using the Campus Solutions Data Management System (CS DMS).

Privacy: The CS DMS incorporates levels of security which allows only specific designated personnel to have access to student data. Manatee Technical College Adult Education (MTC AE) complies with FERPA law and School District of Manatee County (SDMC) policies.

Quality: The State Reporting Specialist (SRS) is responsible for maintaining the quality of student data. The Campus Solutions WDIS Data Verification process allows for review, verification, and

analysis of student data prior to submitting it to Florida State Reporting (FSR). WDIS Data Verification is viewed by survey period and reports contained within the survey period. This process is run daily to check for errors which are then investigated and corrected. The goal is to have all correctable errors resolved prior to submitting data to FLDOE. Thirty days prior to the FLDOE Survey Load date, the reporting data is submitted to FLDOE Data Quality2 (DQ2) system. Once data is submitted, Error, Validation, and Exception reports are generated. If additional errors are identified through these reports, the SRS corrects the data in the CS DMS, generates new extract files, and submits them to DQ2 to verify correction of the error. This process is repeated until all correctable errors are resolved.

Through the data submission of each survey period, the FLDOE Workforce Education Data System (WEDS) generates WEDS reports that give an overall view of the data submitted. The reports give a comparison of the present reporting period and the same reporting period from the previous year. WEDS will generate reports after the initial Load and Close date of the Survey. Information from the Load reports are analyzed to find possible anomalies and/or errors. These are then investigated and corrected prior to the FLDOE Survey Close date. Information from the Close reports is used to manage, improve, and evaluate programs offered at Manatee AE.

f. Using data for program and system improvements

Adult Education data from local and FDOE reports are reviewed by the Adult Education Director (MTC Assistant Director) and Program Supervisor, the MTC- Campus Solutions Manager, the Adult Education Records Coordinator, and the Student Records and Accreditation Coordinator (reports coordinator). Recommendations for program improvements, data collection and changes to business processes are subsequently shared with the Director and members of the Campus Solutions Leads Team where they are discussed and acted upon.

This team attends WEDDAC meetings to stay up to date with changes to reporting requirements. They also hold as-needed meetings within the group, including other individuals if

needed, as issues arise. The team also conducts a bi-weekly Campus Solutions Leads meeting to discuss issues, upcoming changes, or matters specific to the local SIS, Campus Solutions.

Locally produced data reports are also used to identify enrollment trends, meet the developmental needs of instructors, and to determine professional development needs for faculty and staff to better meet the needs of individual students leading to higher student achievement and success.

g. Monitoring program performance

Locally produced data reports are entirely customizable and are also used to identify enrollment trends, LCP attainment, student attendance and outcomes, and post-testing data to meet the needs of individual students leading to higher student achievement and success. This allows for referrals to other local and regional agencies for services specific to the student through the CareerSource Suncoast Crosswalk referral system. The Campus Solutions SIS also allows instructors and staff to enter referrals allowing for interventions from Manatee AE's Career Counselors and other appropriate staff members such as the ESE coordinator. In addition, reports are used to review instructor and program effectiveness and to determine professional development offerings.

h. Sharing data with core partners for strategic improvements

As part of the application process, all students complete a FERPA release authorizing Manatee Technical College Adult Education (MTC AE) to share data with the CareerSource Crosswalk referral service. This is a regional partnership of 32 participating agencies that provide a multitude of services through the workforce region. Agencies may be added as needed and as more regional collaborations are established. Manatee AE has established business processes. Signed FERPA-complaint release forms are required to share student data when applicable.

2. Describe how the agency's personnel will engage in the collection, entry, attestation, correction of errors and resolution of issues in the data management system. Explain any current limitations and how data will be used to:

    a. Measure participant outcomes

Participant outcomes may be tracked through data reports which are entirely customizable. This includes monitoring individual student LCP attainment, student attendance, and post-testing data to meet the needs of students, leading to higher student achievement and success. Data review allows for referrals to other local and regional agencies for services specific to the student through the CareerSource Suncoast Crosswalk referral system. The Campus Solutions Data Management System (CS DMS) also allows for instructors and staff to enter referrals allowing for interventions from Manatee Technical College Adult Education (MTC AE) Career Counselors and other appropriate staff members such as the ESE coordinator.

    b. Evaluate learning gains and student goal achievement

Career Counselors and instructors will use student data in the recurrent goal-setting discussions with students to motivate and remediate as necessary. Administration along with Campus Solutions SIS data personnel review discrepancies to resolve issues.

    c. Design IET programs and two-generation approaches

Manatee Adult Education will use a comprehensive data analysis and review approach to develop IETs and two-generation approaches with local and regional partners. Agency generated data will be used to identify instructional service needs, informed by regional employment needs, aligned with the local workforce development board (LWDB), and delivered through a collaborative network of partners. Groups of partners (current and proposed) that may be engaged in the process include Career and Technical Education (CTE) partners, business and industry stakeholders, special populations partners, and family literacy stakeholders that have an interest in student success for both AGE (section 231) and IELCE (section 243) programs.

d. Identify gaps and recruit partners to better support high-need priorities for use beyond NRS and compliance reporting

Frequent review of data patterns and trends will be used to provide ancillary services on campus by community partners and local or regional service providers and to encourage the agency or resource to participate in the CareerSource Suncoast Crosswalk referral service and with regional providers and other postsecondary institutions.

3. Describe how the project will comply with the reporting requirements of the National Reporting System (NRS) and WIOA Performance Measures (Section 116).

Manatee collects and reports data per all reporting requirements, policies and formats identified in the WDIS (Workforce Development Information System) Handbook. In addition, all reporting changes presented at WEDDAC by FLDOE are reviewed and implemented. The State Report Process is run regularly and reviewed on the WDIS Data Verification page in CS DMS. All errors are corrected, and the State Report Process is rerun to verify corrections. This process and all locally established business processes regarding required NRS and WIOA reporting will continue.

Manatee AE compliance with reporting requirements of NRS and WIOA performance measures is evidenced by Manatee's participation in the FDOE Quality Assurance and Compliance Virtual Desktop Monitoring (VDMR) process in January 2021 in which Manatee received zero (0) audit findings.

The Manatee AE academic calendar and class schedules are aligned with the survey reporting load dates. All data personnel and administrators work 12 months.

Required Budget Narrative
Scored

K. Budget Narrative Maximum 15 Points

1. How the funds requested will be spent to meet the objectives consistent with the requirements of WIOA, as outlined in the written narrative responses.

Funds will be spent to meet the objectives consistent with the WIOA (13 considerations) and the needs that have been identified in the LWDB Region 18 plan. Funds will be used solely for activities that directly support the accomplishments of these priorities: Instructor and counselor salaries and benefits to provide programs that are of sufficient intensity and quality so that participants, including those with disabilities and other special needs, the ALICE population, students with low literacy skills and low English proficiency levels, can achieve substantial learning gains, offer flexible schedules, career pathways, integrated education and training, family literacy activities, and support transitioning to postsecondary education, training, or employment (considerations 1-6, 10-11, 13); access to digital curricula, textbooks, and other materials and supplies to employ research-based curricula and technology including traditional, distance and blended learning opportunities, to increase student achievement and outcomes (consideration 7), travel and professional development to deliver instruction based on research- and evidence-based best practices and to provide adult education and literacy skills with concurrent, contextualized workforce activities and skills by well-trained faculty (considerations 8, 9). The budget narrative reflects these priorities.

2. Describe how funds will be used to supplement (not supplant) adult education services.

Funds will be used to supplement adult education services that are funded through Florida Workforce Development Funds and other funds, which are used to provide salaries, benefits, travel for professional development, instructional materials and supplies, traditional, hybrid and distance learning, non-instructional counseling, placement, managed enrollment, assessment, career pathways, salaries and benefits of administrative and support staff, utilities, communication, custodial and security costs.

Additional Required Narrative Responses
Not Scored

The following narrative responses (L and M) are required but not scored.

L. General Education Provisions Act (GEPA) – For Federal Programs

Eligible agencies must provide a concise description of the process to ensure equitable access to, and participation of students, teachers and other program beneficiaries with special needs. For details, refer to General Education Provisions Act (GEPA) section 427 (PDF).

In accordance with the requirements of Section 427 of the GEPA Public Law 103-382, here set forth is Manatee School District's GEPA Plan to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs.

No employee, student, applicant for admission or applicant for employment, volunteer, vendor, or member of the public, shall, on the basis of race, color, national origin, gender, disability, marital status, age, genetic information or any other basis prohibited by law, be excluded from participation in, be denied the benefits of or be subjected to discrimination or harassment under any educational programs, activities, services, or in any employment conditions, policies or practices conducted by the Manatee County Public School System. The District shall comply with all state and federal statutes relating to nondiscrimination, including but not limited to Florida Statutes: Title VII, Title IX, the Americans with Disabilities Act of 1990 (ADA) Section 504 of the Rehabilitation Act of 1973, ADEA, Section 1000.05 Florida Statutes (2005).

Accommodations and modifications for students with disabilities: Adult students with disabilities must self-identify and request such services. Students with disabilities are provided accommodations as needed in such areas as instructional methods and materials, assignments, assessments, time demands, schedules, learning environment, assistive technology, and special communication systems. Other support services include personnel, such as interpreters, readers, and tutors. Schools are handicapped accessible.

Support for Strategic Imperatives

1. Describe how the project will incorporate one or more of the Goals included in the State Board of Education's K-20 Strategic Plan.

The Manatee Adult Education program incorporates the Strategic Goals included in Florida's PreK-20 Education Strategic Plan. The strategy to achieve **Goal** 1, highest student achievement, is to increase college readiness and success by utilizing assessments (CASAS, TABE and industry certification and licensure exams) to direct learning and outcomes and expanding opportunities for postsecondary enrollment. Those who participate in the IET program or co-enroll in post-secondary education at MTC have the opportunity to earn an industry certification or state or national license. The strategy to achieve **Goal 2,** seamless articulation / maximum access, is incorporated through Career Pathways implementation, instructor professional development, providing concurrent enrollment opportunities in postsecondary education and training, and touring college campuses. The strategy to achieve **Goal 3,** skilled workforce/economic development, is to prepare students for careers through workplace contextualized and integrated curricula, local employers serving on program advisory committees, and offering students opportunities to attend career fairs and meet with intake specialists from CareerSource. **Goal 4:** The District supports these goals through efforts to achieve quality efficient services.

Optional: Family Literacy and Two Generation Approaches
Not Scored

The state will consider *activities that are of sufficient intensity and quality, to make sustainable improvements in the economic prospects for a family and that better enable parents or family members to support their children's learning needs, and that integrate all of the following activities:*

A. Parent or family adult education and literacy activities that lead to readiness for postsecondary education or training, career advancement, and economic self-sufficiency.
B. Interactive literacy activities between parents or family members and their children.
C. Training for parent or family members regarding how to be the primary teacher for their children and full partners in the education of their children.
D. An age-appropriate education to prepare children for success in school and life experiences.

AEFLA Section 203(9) (A-D)

M. Family Literacy and Two Generation Approaches

1. Describe the need for two-generation approaches and any proposed plan for identifying appropriate provider partners and co-developing two-generation models during year one of the three-year plan. Provide an overview of the partners' ability to provide two-generation services. Include information regarding:

The regional need for two-generation approaches to family literacy is supported by the following indicators by the National Center for Education Statistics for the School District of Manatee County: 16% of residents have less than a high school diploma; 26% have a high school diploma as the highest degree attained; 15% of families have income below the poverty level; 23% of families rely on food stamps/SNAP benefits; 4% speak English "less than very well." https://nces.ed.gov/Programs/Edge/ACSDashboard/1201230

Data from the 2019-2020 and 2020-2021 Florida Kindergarten Readiness Screener (FLKRS) indicate that 52% and 53% of tested students demonstrate kindergarten readiness. Thus, approximately half of students entering school at that grade level do not demonstrate school readiness, further demonstrating the need for 2-generation family literacy programs and activities in Manatee County.

A regional approach to providing 2-generation family literacy activities would include a partnership with Sarasota County School District which, like the School District of Manatee County, also participates in the larger family literacy effort, the Suncoast Campaign for Grade-Level Reading (SCGLR), which encompasses Charlotte, DeSoto, Manatee and Sarasota Counties and which is spearheaded by The Patterson Foundation and its many regional partnerships and business and industry sponsors within Workforce Region 18 and the larger four-county Southwest Florida region.

In the past, Manatee AE has partnered with *Soar in 4,* the School District of Manatee County's Campaign for Grade Level Reading initiative provided by the Patterson Foundation. This program provides comprehensive research- and evidence-based early childhood education programs and family literacy activities through a two-generation model. In addition, Manatee AE has partnered with School District of Manatee County's Early Learning Department to provide 2-generation workshops to AE students on campus using evidence-based curricula.

a. Curriculum/material intended to be used to provide instruction to this population;

The curricula and materials used include these evidence-based programs: Sound Beginnings, PBS/Sesame Street, and the Soar in 4 designed curricula.

b. Types of activities that will be implemented in the program; and

Two-generational family literacy workshops and literacy-based events.

c. Partnerships, support services and accommodations.

Past partnerships in the Soar in 4 initiative include: the Florida Campaign for Grade Level Reading, the University of Florida Lastinger Center for Early Learning, Beall's Inc, Food Bank of Manatee, United Way, Story Makers, Manatee Education Foundation, Art Center Manatee, Early Learning Coalition, and the Sarasota Bay Club as well as the School District of Manatee County's Early Learning Department. Appropriate support services would be provided by the

CareerSource Suncoast Crosswalk referral system, Career and Technical Education, Manatee County School District's Early Learning, ESOL, Migrant and Dual Language, Homeless and Exceptional Education Departments, as well as the AE ESE Liaison.

Integrated English Literacy and Civics Education (IELCE) - Section 243 Scored

WIOA Title II [§203(12)] authorizes funding of programs providing adult education and literacy activities to English language learners, including professionals with degrees and credentials from their native countries, that enables such adults to achieve competency in the English language and acquire both basic and advanced skills necessary to function effectively as parents, workers, and citizens of the United States. These services include:

- academic instruction in literacy and English language acquisition
- instruction on the rights/responsibilities of U.S. citizenship and civic participation
- workforce training.

Required components of an IELCE program include:

- English Language Acquisition (speaking and comprehension); and
- Literacy (reading and writing); and
- Civics education (the rights and responsibilities of citizenship and civic participation);
- Integrated Education and Training (IET).

Important reminders:

- All questions in the Narrative section also apply to the IELCE program and should be noted in the applicant's responses. There are additional specific narrative questions in this section.
- Since IELCE WIOA Section 243 funds are provided under a separate federal grant to FDOE, funds provided for IELCE must only be used to support activities related to a provider's IELCE program.

Narrative Questions (10 points)

1. Describe strategies to identify and recruit English language learners for participation in the proposed IELCE program(s), including those learners with advanced degrees from other countries.

The identification and recruitment tools Manatee AE use include the following:

- Social Media Campaigns (Twitter, Facebook, Instagram)
- Media releases
- PeachJar electronic flyers to school district parents- including English learners with advanced degrees
- Announcements on the institution's digital signs

- Website
- Featured interviews and announcements on Spanish-language radio station
- Referrals from local business and industry partners
- Referrals from local and regional community agencies through the CareerSource Suncoast Crosswalk referral system
- School district partners such as ESOL, Migrant & Dual Language, Migrant, Homeless, Drop-Out Prevention, Guidance, Early Learning Departments (for parents and including English learners with advanced degrees)
- CareerSource Suncoast (LWDB)-including English learners with advanced degrees
- SIS to recruit and re-enroll English learners with advanced degrees for IET programs
- Career Counselor presentations and participation at community outreach events, open houses, and job fairs.

2. Describe how English language learners participating in IELCE can engage in the three required components: a) instruction in English language acquisition and civics education; b) workforce preparation activities; and c) workforce training. Describe how these components occur simultaneously (rather than sequentially) and are based on a single set of learning objectives.

a) Manatee AE uses Burlington English as core instruction in IELCE. This program is research-based, vetted by OCTAE, and is aligned with the College and Career Readiness Standards, the CASAS competencies and the FLDOE Adult ESOL and Employability Skills Standards. This program is based on the evidenced-based communicative approach of language acquisition and provides differentiation as needed. Contextual and concurrent instruction is provided at every NRS level of instruction including reading and language skills, vocabulary, reading comprehension exercises, speaking opportunities. Additionally, this program is based on principles of andragogy so that students can customize their learning. It is student-centered and provides meaningful interactions and connections to adult learner's lives and experiences. Burlington English also contains modules on civics and citizenship to ensure that learners understand the rights and responsibilities of citizenship. This module includes topics such as US history, freedom of speech, how to participate and contribute to one's community, government structure, the U.S. Constitution, and the Bill of Rights.

Supplemental resources are also available for instruction such as New Reader's Press citizenship texts and newcomer resources.

b) The Burlington English Career Pathways course incorporates workplace preparation in modules that address workplace ethics, customer service, soft skills, analytical and problem- solving skills, business acumen, teamwork, education opportunities and digital literacy concurrently with occupational content. In addition, workforce preparation skills are taught using New Reader's Press materials appropriate for each NRS English proficiency level. Instructors include workforce preparation activities such as researching a relevant topic and making a PowerPoint presentation, analyzing data, and making charts, and using Microsoft Word to create a resume. These artifacts are retained in the student's personal portfolio.

c) Through the Career Extension courses, Burlington English provides contextualized and concurrent instruction including reading and language skills, vocabulary, reading comprehension exercises, and speaking opportunities relevant to more than forty specific occupations. These courses may be used in the Adult ESOL program, but they are also used in IETs. In the IELCE Paraprofessional IET, students receive concurrent English language instruction along with job-specific workforce training using the BloomBoard platform. This program provides occupational skills training to build the knowledge necessary to pass the ParaPro Certification assessment with the established SDMC cut score and demonstrate the ability and knowledge required to assist classroom teachers and help students with classwork. This course includes three components designed to empower participants to demonstrate mastery of the key competencies associated with effective paraprofessionals*: Supporting a Positive Classroom Culture, Leading Small- Group or 1-on-1 Instruction and Supporting Students*

in Math. At the course's end, successful student completers will meet the eligibility requirements to be hired as an SDMC Teacher Aide/Paraprofessional.

3. **IET Program of Study Template** (Appendix C). IET programs previously approved by FDOE are not required to be submitted with this grant application.

IET Programs of Study for IELCE and ABE were previously submitted and approved by FDOE.

4. Describe how the IELCE program(s) will prepare participants to transition into unsubsidized employment in occupations leading to family-sustaining careers.

Current intake processes provide student support and mark the onset of transition services based on specific student needs and interests. Career Counselors conduct career interest assessments to develop a customized student plan for postsecondary enrollment and/or employment based on the student's interests, needs, and goals. These individual meetings between Career Counselors and students allow for referrals to agencies that provide appropriate ancillary or wrap-around support services leading to higher student achievement and better outcomes. The ESE liaison serves students in a consultative manner as needed. Manatee AE plans have representatives from Vocational Rehabilitation, Goodwill Manasota, the Manatee Literacy Council, for example, and other agencies providing services to students with disabilities and/or with low literacy skills on campus on a regular basis to facilitate and coordinate services. This is likewise the case with agencies serving immigrant and Hispanic populations, including Lutheran Services Florida, Unidos Now, and the Gulf Coast Latin Chamber of Commerce, among others.

Manatee AE plans to have representatives and students from CTE programs on campus to answer potential participants' questions. Manatee AE is increasing its already strong partnerships with CareerSource Suncoast through a focus on Adult ESOL and IET students and their diverse needs and seeks to diminish barriers to employment and postsecondary education. Workshops targeted for Career Counselors and instructional staff to increase their own knowledge about the services provided by CareerSource Suncoast will be held during in-service

days for a seamless student transition to education, training, and employment beginning next semester. Manatee AE will:

- Deliver workforce, education, and training activities to help Floridians advance their careers.
- Offer, English Language Acquisition (WIOA Sec. 231), Integrated English Literacy and Civics Education (WIOA Sec. 243), and family literacy activities to help Floridians fill knowledge, skills, and abilities gaps as identified in the LWDB plan.
- Offer workforce preparation activities and integrated education and training (IET), for in-demand occupations and industry sectors to meet the needs of employers as identified in the LWDB plan.
- Continue communication and enhance collaboration with regional partners to be a part of building capacity of the region's workforce system.
- Enhance communication and collaboration with current and new partners to increase recruitment and the mutual referral process to improve workforce readiness and assistance for students with disabilities or barriers to employment.

5. Describe how braided funding and/or cost sharing agreements with partners will support the workforce training component of the proposed IELCE program(s).

Manatee District Adult Education (AE) will hold classes at two Goodwill Manasota locations to provide ESOL services to English learners in different locations throughout the county, including an area where a high concentration of students in need resides. Manatee AE provides the Local Workforce Development Board (LWDB), CareerSource Suncoast, with office space on its Main campus so that participants have easy access to additional opportunities for workforce training and services, including access to funding for postsecondary training opportunities and the attainment of credentials of value tied to local workforce needs.

Narrative Questions

1. Describe the procedures in place to promote alignment among adult education service providers in the local area.

The two adult education service providers within Workforce Region 18 are Manatee and Sarasota County school districts. The two districts use a Crosswalk referral, web-based application system as an important procedure to promote alignment. The "Crosswalk facilitates awareness of the community's human services, encourages communication with partner agencies, creates a process for interagency referral, establishes accountability and the expedition of services resulting in greater collaboration among local area providers." (2020-2024 Local Plan) Satellite One-Stop centers are located at both adult education service provider campuses (Manatee Technical College and Suncoast Technical College). "CareerSource Suncoast and adult education programs work collaboratively with assessment and instructional services that are provided on-site at the centers and include counseling, advising, and other services related to awareness of workforce resources." (Local Plan) Manatee and Sarasota are also planning a joint IET program.

2. Describe how the adult education program will address the regional needs as identified in the LWDB plan by serving individuals in the community who were identified as most in need of adult education and literacy activities, including individuals who have low levels of literacy skills or who are English language learners.

The local area is comprised of Manatee and Sarasota counties. Of the local area population who speak English not well or not at all, 84% reside in Manatee County. Of the average number of annual high school dropouts within the local population, 63% reside in Manatee County. Of the local population with highest grade completed being less than 9th and 9-12 with no diploma, 75% reside in Manatee County.

Manatee District Adult Education will address these needs by providing Adult Basic Education (ABE), Adult ESOL (English for Speakers of Other Languages), GED® Preparation, and Integrated Education and Training (IET) programs. Programs will be offered at the MTC (Manatee Technical College) Main Campus and at two Goodwill locations within Manatee County, and online (distance and hybrid learning options). Laptop computers or tablets will be provided to students who need them.

Funds will be spent to meet the objectives consistent with the WIOA and the needs identified in the Local Plan. Specifically, funds will be used to pay for instructor and counselor salaries and benefits to provide programs that are of sufficient intensity and quality so that participants, including those with disabilities and other special needs, the ALICE population, students with low literacy skills and low English proficiency levels, can achieve substantial learning gains, be offered flexible schedules, career pathways, integrated education and training, family literacy activities, and support transitioning to postsecondary education, training, or employment (considerations 1-6, 10-11, 13); access to digital curricula, textbooks, and other materials and supplies to employ research-based curricula and technology including traditional, distance and hybrid learning opportunities, to increase student achievement and outcomes (consideration 7), and travel and professional development to deliver instruction based on research- and evidence-based best practices and to provide adult education and literacy skills with concurrent, contextualized workforce activities and skills by well-trained faculty (considerations 8, 9).

3. Describe how the eligible provider will provide adult education activities and services in alignment with the strategy and goals of the LWDB plan, including how the agency will promote co-enrollment in programs and activities provided by WIOA, Title I core programs (Adult Program, Dislocated Worker Program, Youth Program, Adult Education and Family Literacy Act, Wagner-Peyser Act, Vocational Rehabilitation Program, including Blind Services Program).

The mission of CareerSource Suncoast is to recruit, train and retain talent for employers on the Suncoast. Per the LWDB Plan, goals include preparing for an educated and skilled workforce, regional economic growth, and self-sufficiency, to deliver services that provide employers with the talent they need to succeed. One of the strategies to achieve these goals is to "create, host and facilitate a region-wide organized effort to address workforce issues, policy, resources and strategies."

"CareerSource Suncoast partners with Manatee and Sarasota County School Districts' adult education programs to offer a variety of alternative learning opportunities and arrangements for adult...career seekers to engage in academics through non-traditional means. CareerSource Suncoast is co-located and coordinates efforts with Suncoast Technical College and Manatee Technical College." (LWDB Plan, p. 43)

The Manatee School District provides Adult Education program offerings (traditional, hybrid, and distance learning) at Manatee Technical College and two Goodwill locations in Manatee County. Through the One-Stop at Manatee Technical College, Manatee Adult Education partners with CareerSource Suncoast Adult Program and Dislocated Worker Program, the Farmworker Career Development Program, the Florida Division of Vocational Rehabilitation, and the Florida Division of Blind Services to promote co-enrollment in programs and activities.

4. Provide specific details about shared-cost activities and the resources utilized to support those costs (Example: AEFLA funds cover the cost of the full-time adult education teacher and the local board covers the cost of the classroom facility).

AEFLA funds cover the cost of the part-time adult education teachers, online instructional programs, and computers/tablets at Manatee Technical College, Goodwill Ranch Lake, and Goodwill Cortez. The School District of Manatee County provides office space for CareerSource at Manatee Technical College, which includes furniture, computer, utilities, and telecommunications. CareerSource benefits from the onsite location and access to clients. Manatee students benefit from the resources and supportive services provided by and through CareerSource, including assistance with transportation, special services, employability skills training and support, and job placement assistance.

5. Provide a copy of the Memorandum of Understanding (MOU) agreement and Local One-stop Infrastructure Cost agreement with the LWDB. (If a MOU is not available at the time the application is submitted, an executed MOU must be submitted to FLDOE prior to the issuance of the grant award notification.)

Attached is the signed Memorandum of Understanding (MOU) and Local One-stop Infrastructure Cost agreement with CareerSource Suncoast for the period July 1, 2023, through June 30, 2026.

MOU Agreement #: 23-06
IFA# 23-06A

CareerSource Suncoast
One-Stop Career Center
Memorandum of Understanding

I. Purpose

It is the purpose of this Memorandum of Understanding (MOU) to state the conditions under which the Career Center Partner, **School District of Manatee County**, hereinafter referred to as School District of Manatee County or Partner, whose address is 215 Manatee Ave. West. Bradenton, Fl. 34205, will implement and provide services, as shall be described herein, in partnership with the **Suncoast Workforce Board, Inc. dba CareerSource Suncoast (CSS)**, whose address is 3660 N. Washington Blvd., Sarasota Fl. 34234, to eligible clients Local Workforce Development Board 18 as required under the Workforce Innovation and Opportunity Act (WIOA, [2014]). The cornerstone of the Act is its one- stop customer service delivery system. The One-stop System assures coordination between the activities authorized in and linked to this Act. The attached Infrastructure Funding Agreement (IFA) is a mandatory component of the MOU and contains an infrastructure costs budget, and important part of the overall operating budget which included applicable career services and shared operating costs and services among partners.

Activities within this MOU include the cooperative workforce training, employment and economic development efforts of CSS and the Partner and the actions to be taken by each to assure the coordination of their efforts in accordance with state issued requirements. This agreement is intended workforce services in Manatee and Sarasota Counties. In addition, this agreement will establish joint processes and procedures that will enable the Partner to integrate with the current Career Center service delivery system resulting in a seamless and comprehensive array of education, human service, job training, and other workforce development services to persons with disabilities and significant barriers to employment within Manatee and Sarasota Counties.

The parties to this document agree to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the parties' respective programs, services, and agencies.

II. Services Provided

The Manatee Board of County Commissioners and Sarasota Board of County Commissioners have designated career Source Suncoast to act as the administrative entity, grant recipient and fiscal agent for this local workforce development area.

CareerSource will perform the following functions:

1. Coordinate with the Partner to provide access to workforce services and programs through the One-stop System in accordance with published policies and procedures which include the way the services will be coordinated and delivered through the One-stop System. Workforce services and programs include, but are not limited to, the allowable activities described in the WIOA and related legislation for: WIOA adult, dislocated worker and youth programs; Wagner-Peyser; Unemployment Insurance (UI); Veterans programs; Trade Adjustment Assistance (TAA); Temporary Assistance for Needy Families (TANF) program; adult education and family literacy; Perkins Act programs; and Vocational Rehabilitation.

2. Coordinate with the Partner to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to appropriate technology and materials that are available through the One-stop Career Center System.

3. Coordinate with the Partner for the funding of the infrastructure costs of the one-stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any state infrastructure funding mechanism requirements issued by the State of Florida. See Section V – Infrastructure Cost.

4. Maintain the statewide "CareerSource" branding of each center.

5. Maintain and operate at least one comprehensive one-stop career center within the local workforce development area that shall be open to the public from 8:30 am until 5:00 pm, Monday through Friday (excluding recognized holidays, staff development days and emergency situations.)

6. Model CareerSource core values and maintain a professional working environment and abide by all its policies, rules, and procedures and applicable Florida statutes and rules.

7. Review this MOU annually and solicit feedback from the Partner regarding improvements, changes, and/or additions.

The Partner agrees to perform the following functions:

1. Coordinate with CareerSource to provide access to its workforce services and programs in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through the One-stop System.

2. Coordinate with CareerSource to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the One-stop System.

3. Coordinate with CareerSource for the funding of any required infrastructure costs of the one-stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any infrastructure funding mechanism requirements issued by the State of Florida. See Section V – Infrastructure Cost.

4. Provide CareerSource Suncoast management feedback regarding the performance of the partnership, including its effectiveness and success.

5. Participate in periodic meetings to provide updates on the partners' programs and procedures to CareerSource staff.

III. Methods of Internal Referral

Internal cross-referral procedures will be developed and/or reassessed based upon availability of funding, services and program need to ensure that high quality and convenient services are available to potentially eligible customers of the One-Stop Career Center system. These procedures include active use of the Crosswalk agency-to-agency online referral system and access to the reports generated by this system as agreed upon with CSS staff.

Memorandum of Understanding

IV. Confidentiality of Records

In the event that either party to this MOU obtains access to any records, files, or other information of the other party in connection with, or during the performance of this MOU, then that party shall keep all such records, files or other information confidential, and shall comply with all laws and regulations concerning the confidentiality of such records, files or other information to the same extent as such laws and regulations apply to the other party.

V. Infrastructure Costs and Insurance

Costs of the infrastructure of the one-stop centers are in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements. Infrastructure Funding Agreements (IFAs) are renewed annually with funding budget and operational cost updates and will effectively become an addendum to this MOU upon signatures of all parties of this MOU.

For Partners co-located physically in the career center, the Partner agrees to provide CSS a current Certificate of Insurance for General Liability, listing CSS as additional insured, on an annual basis. Additionally, Partner shall carry Contents Insurance for all property located in the CSS Career Center, if applicable. CSS is not responsible for lost or damaged contents.

VII. Term

This MOU is effective July 01, 2023 through June 30, 2026, or the date last executed by both parties, whichever is later. This MOU may be terminated for convenience at any time by either party upon thirty (30) days written notice.

Neither this MOU nor any provision hereof may be changed, waived, discharged, or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement.

VIII. Merger

This MOU constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating, and merging all prior understandings, agreements, and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

IX. Third Party Beneficiary

This MOU is for the benefit of CareerSource, the Partner, and the Manatee Board of County Commissioners and the Sarasota Board of County Commissioners and no third party is an intended beneficiary.

X. Governance

The accountability and responsibility for the One-stop System's organizational activity and accomplishments will rest with CareerSource Suncoast, the Manatee Board of County Commissioners, and the Sarasota Board of County Commissioners. Pursuant to the Workforce Innovation and Opportunity Act of 2014, the local Board in partnership with the CEOs shall conduct oversight with respect to the One-stop System.

INFRASTRUCTURE FUNDING AGREEMENT

ONE-STOP CAREER CENTER SYSTEM

BY AND BETWEEN CAREERSOURCE SUNCOAST

AND

SCHOOL DISTRICT OF MANATEE COUNTY

I.PARTIES

This Infrastructure Agreement ("IFA") is made pursuant to the Workforce Innovation Act of 2014 ("the Act") and is entered into by **School District of Manatee County**, hereinafter referred to as School District of Manatee County or Partner and **Suncoast Workforce Board, Inc., dba CareerSource Suncoast ("CSS").**

The contact information for Partner is as follows:

Name:	Doug Wagner
Title:	Deputy Superintendent
Phone:	941-708-8770 x41217
Email:	wagnerd@manateeschools.net

II. Purpose

The Workforce Innovation & Opportunity Act (WIOA) is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its American Job Center (AJC) One-Stop customer delivery system. The AJC One-Stop system assures coordination between the activities authorized in and linked to the Act.

WIOA requires Local Workforce Development Boards (LWDB) to develop and finalize Infrastructure Funding Agreements (IFA) with all required partners that carry out their programs in the local area.

The purpose of this agreement is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the AJC One-Stop customer delivery system. The Parties to this Infrastructure Agreement (IFA) agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that:

- Establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area,
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness),
- Reduces duplication by establishing data sharing as it relates to participant records for outcome information,
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and

- Ensures that costs are appropriately shared by determining contributions based on the proportionate use of the One-Stop centers and relative benefits received and requiring that all funds be spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this One-Stop operating budget as the master budget necessary to maintain the high standard One-Stop delivery system. It includes the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure costs (also separately outlined in the Infrastructure Funding Agreement (IFA)),
- Career services, and
- Shared services.

All costs included in the IFA, allocated according to Partners' proportionate use and relative benefits received and will be reconciled on a quarterly basis. The One-Stop operating budget is transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners negotiated in good faith and sought to establish outcomes that are reasonable and fair.

III. Partners

Each Partner commits to cross-training of staff, as appropriate, and to providing other professional learning opportunities that promote continuous quality improvement.

Partners will further promote system integration to the maximum extent feasible through:

- Effective communication, information sharing, and collaboration with the One-Stop operator,
- Joint planning, policy development, and system design processes,
- Commitment to the joint goals, strategies, and performance measures,
- The use of common and/or linked data management systems and data sharing methods, as appropriate
- Leveraging of resources including other public agency and non-profit organization services.
- Participation in a continuous improvement process designed to boost outcomes and increase customer satisfaction, and
- Participation in scheduled Partner meetings to exchange information in support of the above and encourage program and staff integration.

iv. One-Stop Operating Budget

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating cost of the One-Stop Centers. The Local Workforce Development Board based the budget on all costs associated with operating the America Job Center.

FTEs Supporting the American Job Center (as of July 2023)		**23**
Cost per FTE = $419,652/28 FTEs (as of July 2023)		**$18,205**
Direct Linkage/Virtual Presence = 0.1 x Cost per FTE (as of July 2023)		**$1,821**

v. Cost Allocation Methodology

All required Partners have agreed to provide access to their programs in the comprehensive One-Stop Career Center and contribute to the infrastructure costs. Partners will have staff co-located in the Center (on a full or part-time basis) or will provide access via direct linkage as outlined in Attachment A (Partner On-site Representation Schedule} and will fund operating costs based on a percentage of the partner's annual FTE. (All costs included in the IFA, allocated according to Partners' proportionate use and relative benefits received, and will be reconciled on a quarterly basis.)

Required partners who have elected not to have staff co-located in the AJC will utilize a "direct linkage" that will allow customers to connect with partner program staff to access

services. Cross-trained front desk and other physically co-located staff can assist in providing information and referrals to the direct-linkage partners. Partners utilizing direct linkage must contribute to the infrastructure cost equivalent to a minimum of 0.1 FTE or 4 hours per week (1 FTE is equivalent to 40 hours/week).

The LWDB selected the cost allocation bases to determine overall Partner contributions. This was done in an effort:

a) To remedy the imbalance of non-physically represented Partners, and

b) To comply with the requirement of Partners' contributions having to be in proportion to the Partners' use of the AJC and relative benefits received.

As outlined in the MOU, the costs of the infrastructure of AJC One-Stop Center will be funded in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements.

VI. PARTNER CONTRIBUTION (Based on all costs associated with the operation of the American Job Center)

Below is the partner contribution cost determination:

Estimated Cost per FTE	Estimated Infrastructure Costs Total Partner FTE _____ / _____ =
Partner Physical Presence Contribution (*partners who elected to have their representatives in the One-Stop on a FT or PT basis to serve customers)*	1 FTE x Estimated Cost per FTE 1 FTE x $18,205 = $18,205 **(1 FTE represents 40 hours/week commitment)**
Partner Direct Linkage/Visual Presence Contribution *(Partner who elects not to have their representative in the one-stop but offer a technology option to serve customers.)*	Minimum of 0.1 FTE or 4 hours per week 0.1 FTE x $ 18,205= $1,821 **(0.1 FTE represents 4 hours/week commitment)**

FUNDING TYPES AND SOURCES

The permissible types of funds used for infrastructure costs and additional costs of operating a local One-Stop delivery system (i.e., partner's program or administrative funds) may differ depending upon the partners program's authorizing law and implementing regulations. The funds that may be used also differ based on whether the amount that must be contributed by a partner for infrastructure costs is determined under the Local Funding Model or the State Funding Model. (Copy of the TEGL 17- 16: Infrastructure Funding of the One-Stop Delivery System can be found at: TRAINING AND EMPLOYMENT GUIDANCE LETTER No. 17-16 | U.S. Department of Labor (dol.gov).

Types. Funding for infrastructure costs and additional costs may be in the form of:
(1) CASH, NON-CASH and THIRD-PARTY IN-KIND CONTRIBUTIONS*
(2) Funding from philanthropic organizations or other private entities; or
(3) Other alternative financing options (described in WIOA sec. 121(c)(2)(A)(ii) and 20 CFR 678.715, 34 CFR 361.715, and 34 CFR 463.715.

Some partner programs may have statutory or regulatory prohibitions against using certain types of these contributions or on how the program may treat these contributions for fiscal accountability purposes under the respective program's requirements.

*

Cash

Cash funds provided to the Local WDB or its designee by one-stop Partners, either directly or by an interagency transfer, or by a third party.

Non-Cash

- Expenditures incurred by one-stop Partners on behalf of the one-stop center; and
- Non-cash contributions or goods or services contributed by a Partner program and used by the One-Stop center.

The value of non-cash and third-party in-kind contributions must be fairly evaluated in accordance with the Uniform Guidance at 2 CFR 200.306.

Third-party In-kind

Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, by a non- - one-stop Partner to:

Sources: The source of funds that may be used to pay for infrastructure costs depends on the requirements regarding use of funds under the law authorizing the partner program that is contributing the funding. The infrastructure funding may be from funds classified as administrative, program, or both, depending on the partner programs' requirements.

VII. Cost Reconciliation

The source of funds that may be used to pay for infrastructure costs depends on the requirements regarding use of funds under the law authorizing the partner program that is contributing the funding.

The Partner agrees to submit Infrastructure Funding agreement reports on a quarterly basis for the LWDB (CSS) to complete a reconciliation of budgeted and actual costs and updates of the allocation basis.

All Parties agree that a bi-annual reconciliation of budgeted and actual costs and update of the allocation basis will be provided for the review.

The LWDB will submit invoices (if applicable) to the Partners and send a copy of the updated budget to all Parties. Partners will communicate any disputes with costs in the invoice or the budget to the LWDB in writing. The LWDB will review the disputed cost items and respond accordingly to the Partner. When necessary, the LWDB will revise the invoice and the adjusted budget upon resolution of the dispute.

One-Stop delivery system infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the OSCC, including, but not limited to: Rental of the facilities; Utilities and maintenance; Equipment, including assessment-related products and assistive technology for individuals with disabilities; and, Technology to facilitate access to the One-Stop delivery system, including technology used for the center's planning and outreach activities. This may also include the costs associated with the development and use of the common identifier (i.e., American Job Center signage) and supplies, as defined in Uniform Guidance at 2 CFR 200.94, to support the general operation of the One-Stop center (WIOA sec.121 (h)(4) and 20 CFR 678.700(a), and 34 CFR 446.700(a)).

Non-personnel costs are costs that are not compensation for personnel costs. For example, technology-related services performed by vendors or contractors are non-personnel costs and may be identified as infrastructure costs if they are necessary for the general operation of the One-Stop center. Such costs would include service contracts with vendors or contractors, equipment, and supplies.

Personnel services include salaries, wages, and fringe benefits of the employees of partner programs or their subrecipients, as described in 2 CFR 200.430-200.431 of the Uniform Guidance. For example, allocable salary and fringe costs of partner program staff who work on information technology systems (e.g., common performance and reporting outcomes) for use by the One-Stop center as a whole would be personnel costs. The costs of a shared welcome desk or greeter directing employers and customers to the services or staff that are available in that One-Stop center is a personnel expense. These costs, therefore, could not be included in infrastructure costs but are included in "additional costs."

All Parties to this IFA recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the One-Stop Career Center (OSCC) or not. Each partner's contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs' authorizing laws and regulations and the Uniform Guidance.

VII. Term

The Term of this IFA shall commence on July 01, 2023 or the date last executed by both parties, whichever is later, through June 30, 2024. The IFA will be reviewed and renewed annually for successive one-year terms as an amendment to this agreement. This IFA may be terminated for convenience at any time by either party upon thirty (30) days written notice. Neither this IFA nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement.

IX. Amendments and Modifications

Neither this IFA nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement sent via certified, return receipt requests, U. S. Mail.

X. Merger

This IFA constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating, and merging all prior understandings, agreements, and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

XI. Third Party Beneficiary

The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this IFA. None of the Parties intend to directly or substantially benefit a third party by this IFA. The Parties agree that there are no third-party beneficiaries to this /FA and that no third party shall be entitled to assert a claim against any of the Parties based upon this IFA.

XII. Governance

The accountability and responsibility for the One-Stop career center system's organizational activity and accomplishments will rest with CSS. Pursuant to the Act CareerSource shall conduct oversight with respect to the One-Stop delivery system. Any dispute concerning this IFA will be resolved in accordance with CSS.

XIIII. Dispute Resolution

If an issue arises involving this IFA, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.

If not resolved, the issue and the efforts to resolve will be documented and forwarded to the President/CEO of CareerSource Suncoast and the Director of the Partner organization. A joint decision shall be issued within sixty calendar days of receipt.

If dissatisfied with the decision, the dispute may be filed with the State of Florida Department of Economic Opportunity (DEO) and the Commissioner of the Education to review concerns and determine resolution. DEO and DOE may remand the issue back to the President/CEO of CareerSource Suncoast and to the Director of the Partner organization, Partner or impose other remedies to resolve the issue.

AGENDA ITEM NO. 10.10

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the New Agreement Between the School Board of Manatee County and HCA Florida Blake Hospital for Clinical Experience for Manatee Technical College (MTC) Nursing, Paramedic, Surgical Technology, and Pharmacy Technician Students for the 2023-2026 School Years, No Financial Impact

Executive Summary
The School Board has, over the years, contracted with providers for clinical experience and/or on-the-job training for district students.

In order for the students to participate in this type of clinical or on-the-job experience, it is necessary for the participating office to sign an agreement with the School District. The opportunity to receive this type of clinical experience is a great advantage to our students. Not only do they obtain a valuable hands-on learning experience, but also placements resulting in permanent jobs for the students after they finish their training.

A copy of the agreement is attached for review.

SCHOOL AFFILIATION AGREEMENT

THIS SCHOOL AFFILIATION AGREEMENT (this "Agreement") is made as of **July 26th, 2023** (the "Effective Date") by and between **School District of Manatee County, on behalf of Manatee Technical College** ("School") and **HCA Florida Blake Hospital** ("Hospital"). School and Hospital may be referred to herein individually as a "Party" and collectively as the "Parties."

WITNESSETH:

WHEREAS, School is a public institution governed by the Florida Board of Governors that enrolls students in an accredited degree program in the field of **Nursing, Nursing Assistant, Paramedic, Surgical Technology, Pharmacy Technician, and Phlebotomy Technician** (the "Degree Program");

WHEREAS, Hospital operates a comprehensive acute-care medical-surgical hospital located at **2020 59th Street West, Bradenton, Florida 34209** (the "Facility");

WHEREAS, School desires to provide to **100-150** students per year enrolled in the Degree Program a clinical learning experience through the application of knowledge and skills in actual patient-centered treatment situations in a health care setting; and

WHEREAS, Hospital will make the Facility available to School for such clinical learning experience, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the Parties hereby agree as follows:

1. **RESPONSIBILITIES OF SCHOOL.**

   (a) **Clinical Program.** School will develop, implement and operate the clinical learning experience component of the Degree Program at the Facility in a form and format acceptable to Hospital ("Clinical Program"). School may modify the Clinical Program from time to time with Hospital's permission and will promptly incorporate reasonable changes to the Clinical Program requested by Hospital from time to time With respect to the Clinical Program, School will:

   (i) ensure the adequacy of Degree Program resources, including up-to-date reference materials, and the academic preparation of students enrolled in the Degree Program, including theoretical background, basic skills, professional ethics, and attitude and behavior, for participation in the Clinical Program and will assign to the Clinical Program only those students who have demonstrated the ability to successfully participate in the Clinical Program (each a "Participating Student");

   (ii) advise each Program Participant (defined below) to attend training and orientation with respect to applicable Hospital policies and procedures prior to the commencement of each Clinical Program rotation during the Term (each a "Rotation");

   (iii) provide training for Hospital's representatives who will support the Clinical Program regarding Clinical Program features and expectations, and Participating Student evaluations, as requested by Hospital from time to time;

   (iv) identify to Hospital each Program Participant who will participate in a Rotation as soon as that information is reasonably available to School;

   (v) require Program Participants to comply with applicable laws and Hospital policies and procedures when onsite at the Facility;

(vi) require Program Participants to treat Hospital patients, staff and Clinical Program supervisors with courtesy and respect and do not disrupt Facility operations or the provision of health care services for Hospital's patients;

(vii) timely prepare and update with input from Hospital rotation schedules for each Participating Student throughout each Rotation and coordinate the same with Hospital;

(viii) require Participating Students to arrive early for each scheduled Rotation, except when a Participating Student is ill or attending to a personal emergency;

(ix) provide continuing oral and written communication with Hospital regarding Participating Student Clinical Program performance and evaluation and other pertinent information;

(x) participate and ensure that Program Participants participate in Hospital's Quality Assurance and related programs;

(xi) participate and require Program Participants to participate in Hospital training as determined necessary by Hospital from time to time; and

(xii) promptly perform additional duties to facilitate operation of the Clinical Program as may be deemed reasonable or necessary by Hospital from time to time.

(b) **Responsibility**.

(i) School will retain ultimate responsibility for the appointment of faculty from the Degree Program to support the Clinical Program.

(ii) School will retain sole responsibility for offering and administering the Degree Program, including, but not limited to, budgetary considerations, faculty appointments, admissions, financial aid, academic instruction, curriculum content, pedagogy, and the requirements of matriculation, grading, and graduation.

(iii) Without limiting the foregoing, all Participating Students, Degree Program faculty and other School representatives onsite at the Facility (collectively "Program Participants") shall be accountable to the Hospital's Administrator while onsite at the Facility.

(iv) School will address all Program Participant complaints, claims, requests and questions regarding the Clinical Program. If necessary, School's Program Representative will follow-up with Hospital's Program Representative to address unresolved issues.

(v) School will obtain prior signed and dated written consent that complies with 34 C.F.R. 99.30 from each Participating Student (or the parent of the student, if the student is not deemed an "eligible student" under 34 C.F.R. 99.30) before disclosing personally identifiable information from the student's education records to Hospital to the extent that access to such information is required by Hospital to carry out the Clinical Program.

(c) **Supervision of Students**. When Participating Students are supervised in their study at Hospital by professionals who are not employed by Hospital, School shall provide to Hospital an agreement between School and such appropriately-licensed supervising professionals that meets the satisfaction of Hospital prior to Participating Students beginning a rotation at Hospital.

(d) **Compliance with Program Requirements**. School acknowledges that compliance by School and each Program Participant with the terms and conditions of this Agreement and Hospital policies and procedures is a condition precedent to Program Participant access to

the Facility. Non-compliance or partial compliance with any such requirement may result in an immediate denial of access or re-access to the Facility.

(e) **Dress Code**. School will cause Program Participants to conform to reasonable personal appearance standards imposed by Hospital and wear ID badges as requested by Hospital from time to time. School will cause Program Participants to pay for their own meals at the Facility. School acknowledges and will regularly inform Program Participants that Hospital is not responsible for personal items lost or stolen at the Facility.

(f) **Use of the Facility**. School will ensure that Program Participants use the Facility solely for the purpose of providing to Participating Students clinical learning experience pursuant to the Clinical Program.

(g) **Records**. School will cause each Program Participant to timely complete and save in Hospital's systems as directed by Hospital accurate records of all services provided by the Program Participant to a Hospital patient ("Records"). All Records are and will remain the property of Hospital, subject to the rights of patients with respect to such records and to the terms of applicable law. Hospital will provide to School a copy of Records for all lawful purposes, including defense of liability claims.

(h) **Program Participants**. School will provide to Hospital information regarding each Program Participant, including health examination and immunization records, documentation attesting to the competency of Degree Program faculty (e.g., state licensure, board certification in the relevant Specialty, etc.) and background checks and drug screens as determined reasonably necessary in Hospital's discretion from time to time.

(i) **Program Participant Statements**. School shall require each Program Participant to sign a Statement of Responsibility, in the form attached hereto as Exhibit A, and a Statement of Confidentiality and Security, in the form attached hereto as Exhibit B prior to each non-consecutive Rotation.

(j) **Liability Insurance**. School shall obtain and maintain occurrence-type general and professional liability insurance coverage in amounts not less that one million dollars ($1,000,000.00) per occurrence and three million dollars ($3,000,000.00) annual aggregate per Program Participant, with insurance carriers or self insurance programs approved by Hospital and covering the acts and omissions of Program Participants. If such coverage is provided on a claims-made basis, then such insurance shall continue throughout the Term and upon the termination or expiration of this Agreement, School shall purchase tail coverage for a period of three years after the termination or expiration of this Agreement (said tail coverage shall be in amounts and type equivalent to the claims-made coverage). School shall further, at its expense, obtain and maintain for the Term workers' compensation insurance and unemployment insurance for School-employed Program Participants. School will notify Hospital at least thirty (30) calendar days in advance of any cancellation or modification of insurance coverage required hereunder and shall promptly provide to Hospital, upon request, certificates of insurance evidencing the above coverage.

Notwithstanding the foregoing, if the School is a public entity entitled to governmental immunity protections under applicable state law, then the School shall provide occurrence- based liability coverage in accordance with any limitations associated with the applicable law; but the School shall provide such insurance with limits of at least $1,000,000 per occurrence and $3,000,000 annual aggregate in the event governmental immunity protections are determined by a court of competent jurisdiction to not apply. Nothing in this agreement is intended to be construed or interpreted as (1) denying either School or Hospital any remedy or defense available to it under state laws; (2) the consent of the State where School is located or any of its agents and agencies to be sued; or (3) a waiver of sovereign immunity of

the State or the School beyond any waiver explicitly stated in state statutes.

(k) **Health of Program Participants**. School will advise Program Participants that no Program Participant will be permitted to attend the Clinical Program until he or she submits to a medical examination acceptable to Hospital.

School will require each Program Participant to maintain health insurance and provide proof of health insurance to the School prior to participating in the Clinical Program. School will cause Program Participants to provide to Hospital proof of health insurance as requested by Hospital from time to time.

In the event a Program Student is exposed to an infectious or environmental hazard or other occupational injury while at the Hospital, the Hospital, upon notice of such incident from the Participating Student, will provide such emergency care as is provided its employees. School acknowledges that Hospital is not and will not be financially responsible for a Program Participant's medical care or treatment regardless of the Program Participant's condition or injury or cause of injury whether occurring at the Facility or otherwise and regardless of fault or cause of injury.

School will ensure that each Participating Student furnishes to Hospital prior to each non-consecutive Rotation a complete copy of the following health records (Participating Students will not be allowed to access the Facility until all records are provided):

(i) Tuberculin skin test performed within the past twelve (12) months or documentation as a previous positive reactor;

(ii) Proof of Rubella and Rubeola immunity by positive antibody titers or two (2) doses of MMR;

(iii) Proof of Varicella immunity, by positive history of chickenpox or Varicella immunization;

(iv) Proof of Influenza vaccination during the flu season, October 1 to March 31, (or dates defined by CDC). If the Program Participant declines the Influenza vaccination, he/she will not be permitted on the Facility's premises during the designated flu season period; and

(v) Proof of Hepatitis B immunization or declination of vaccine, if patient contact is anticipated.

(vi) Proof of completed vaccination for COVID-19 or exemption for religious or medical reasons.

(l) **Performance**. All faculty provided by School to support the Clinical Program shall be faculty members of the Degree Program, duly licensed, certified or otherwise qualified to support the Clinical Program in the capacity proposed by School. School and all Program Participants shall perform its and their duties and services hereunder in accordance with all relevant local, state, and federal laws and shall comply with the standards and guidelines of all applicable accrediting bodies and the bylaws, rules and regulations of Hospital and any non-conflicting rules and regulations of School as may be in effect from time to time. Neither School nor any Program Participant shall interfere with or adversely affect the operation of Hospital or the performance of services therein.

(m) **Background Checks**.

(i) School will ensure that each Program Participant obtains prior to each non-

consecutive Rotation a background check acceptable to Hospital, including, at a minimum, the following:

A. Social Security Number Verification;

B. Criminal Search (7 years or up to 5 criminal searches);

C. Violent Sex Offender and Predator Registry Search;

D. HHS/OIG List of Excluded Individuals;

E. GSA List of Parties Excluded from Federal Programs;

F. U.S. Treasury, Office of Foreign Assets Control (OFAC), List of Specially Designated Nationals (SDN); and

G. Applicable State Exclusion List, if available.

(ii) Background Checks for Program Faculty, if School provides Faculty on site, who will be treating patients in the Facility shall include all of the above, and the following:

A. Education verification (highest level);

B. Professional license verification;

C. Certifications & Designations check;

D. Professional Disciplinary Action search;

E. Department of Motor Vehicle Driving History, based on responsibilities; and

F. Consumer Credit Report, based on responsibilities.

(iii) School shall provide to Hospital an *Attestation of Satisfactory Background Investigation* in the form attached hereto as Exhibit C prior to each non-consecutive Rotation. If the background check discloses adverse information about a Participating Student, School shall immediately remove the student from the Clinical Program. School further agrees to an annual compliance audit of background checks, if requested by Hospital and approved by any Program Participant pursuant to the Fair Credit Reporting Act (FCRA).

(n) **Drug Testing**. School will ensure that each Program Participant obtains prior to each non-consecutive Rotation a drug test acceptable to Hospital, including, at a minimum, the following:

(i) Substances tested prior to placement at the Hospital must at a minimum include amphetamines, barbiturates, benzodiazepines, opiates, fentanyl analogues, methadone, marijuana, meperidine, and cocaine.

(ii) A Program Participant may be required to undergo additional drug and alcohol testing upon reasonable suspicion that the Program Participant has violated Hospital's policies, and after any incident that involves injury or property damage.

Hospital shall not bear the cost of any such tests. Should the testing disclose adverse information as to any Program Participant, Hospital shall have no obligation to accept that Program Participant at the Hospital. To the extent that any Program Participant violates the policy for drug or alcohol abuse after placement at the Facility, or refuses to cooperate with the requirement for a search or reasonable suspicion and reportable accident testing, then the Facility may immediately remove the Program Participant from participation in the Program at the Facility.

(o) **Student Documentation**. School will maintain all documentation required to evidence compliance by each Program Participant with the terms and conditions of Subsections 1(g)-(m) of this Agreement during the Term and for at least ten (10) years following expiration or termination of this Agreement.

(p) **Access to Resources**. The School shall ensure that its department heads have authority to ensure faculty and Participating Student access to appropriate resources for the Participating Students' education.

(q) **Approval and Authorization**. Hospital's willingness to enter into this Agreement and provide clinical opportunities to Participating Students is conditioned on School having obtained and maintaining all requisite institutional, regulatory, and accreditor approvals or authorizations necessary to offer the Degree Program. Moreover, it is conditioned on School's adherence to all applicable federal, state, and local laws and regulations. In the event that School's status changes with respect to any approval or authorization necessary to offer the Degree Program, School will notify Hospital within ten (10) business days.

2. **RESPONSIBILITIES OF HOSPITAL.**

(a) Hospital will make Facility access reasonably available to Program Participants and reasonably cooperate with School's orientation of all Program Participants to the Facility. Hospital shall provide Program Participants with access to appropriate clinical experience resources for the Clinical Program. Hospital shall provide reasonable opportunities for Participating Students to observe and assist in various aspects of patient care to the extent permitted by applicable law and without disruption of patient care or Hospital operations. Hospital shall at all times retain ultimate control of the Hospital and responsibility for patient care and quality standards.

(b) Upon the request of School, Hospital shall assist School in the evaluation of each Participating Student's performance in the Clinical Program. Any such evaluations shall be returned to School in a timely manner. However, School shall at all times remain solely responsible for the evaluation and education of Participating Students.

(c) Hospital will ensure that the Facility complies with applicable state and federal workplace safety laws and regulations. In the event a Participating Student is exposed to an infectious or environmental hazard or other occupational injury (i.e., needle stick) while at the Facility, it shall provide, upon notice of such incident from the Participating Student, such emergency care as is provided its employees, including, where applicable: examination and evaluation by Facility's emergency department or other appropriate facility as soon as possible after the injury; emergency medical care immediately following the injury as necessary; initiation of the HBV, Hepatitis C (HCV), and/or HIV protocol as necessary; and HIV counseling and appropriate testing as necessary. In the event that the Facility does not have the resources to provide such emergency care, Facility will refer such student to the nearest emergency facility.

(e) Upon reasonable request, Hospital will provide proof to School that Hospital maintains liability insurance in an amount that is commercially reasonable.

(f) Hospital will provide written notification to School if a claim arises involving a Program Participant. Both Hospital and School agree to share such information in a manner that protects such disclosures from discovery to the extent possible under applicable federal and state peer review and joint defense laws.

(g) Hospital will resolve any situation in favor of its patients' welfare and may restrict a Participating Student to the role of observer when necessary in Hospital's discretion. Hospital will notify School's Program Representative (defined below) when such action has occurred.

(h) Upon reasonable notice from School, Hospital will make the Facility reasonably available for inspection during normal business hours by organizations that provide or may provide academic accreditation for the Degree Program. Such inspections must be accompanied at all times by a Hospital representative and are contingent upon receipt by Hospital of executed agreements that Hospital believes are reasonably necessary or convenient to protect the confidentiality and security of Hospital's information. School will promptly reimburse Hospital for all direct costs incurred by Hospital in connection with such accreditation inspections.

(i) Hospital shall provide Program Participants with access to and Participating Students with required training in the proper use of electronic medical records or paper charts, as applicable.

(j) Hospital shall provide student security badges or other means of secure access to Facility patient care areas.

(k) Hospital shall provide Program Participants with computer access, and access to call rooms, if necessary.

(l) Hospital shall provide secure storage space for Participating Students' personal items when at the Facility.

(m) Hospital shall provide qualified and competent staff members in adequate number for the instruction and supervision of students using the Facility.

3. **MUTUAL RESPONSIBILITIES.** The Parties shall cooperate to fulfill the following mutual responsibilities:

(a) Each Party will identify to the other Party a Clinical Program representative (each a "Program Representative") on or before the execution of this Agreement. School's Program Representative shall be a faculty member who will be responsible for Participating Student teaching and assessment provided pursuant to this Agreement. Each Party will maintain a Program Representative for the Term and will promptly appoint a replacement Program Representative if necessary to comply with this Agreement. Each Party will ensure that its Program Representative is reasonably available to the other Party's Program Representative.

(b) School will provide qualified and competent Degree Program faculty in adequate number for the instruction, assessment and supervision of Participating Students at the Facility.

(c) Both School and Hospital will work together to maintain a Clinical Program emphasis on high quality patient care. At the request of either Party, a meeting or teleconference will promptly be held between the Parties' respective Program Representatives to resolve any problems in the operation of the Clinical Program.

(d) School acknowledges, and will inform Participating Students that Participating Students are trainees in the Clinical Program and have no expectation of receiving compensation or future employment from Hospital or School. Participating Students are not to replace Hospital staff and are not to render unsupervised patient care and/or services. Hospital and its staff will provide such supervision of the educational and clinical activities as is reasonable and appropriate to the circumstances and to the Participating Student's level of training.

(e) Any courtesy appointments to faculty or staff by either School or Hospital shall be without entitlement of the individual to compensation or benefits for the appointed party

(f) Both School and Hospital will work together to create and maintain an appropriate learning environment for the Participating Students.

(g) The School, including its faculty, staff and residents, and the Hospital share responsibility for creating an appropriate learning environment that includes both formal learning activities and the attitudes, values, and informal "lessons" conveyed by individuals who interact with the Participating Student. The parties will cooperate to evaluate the learning environment (which may include on-site visits) to identify positive and negative influences on the maintenance of professional standards, and to conduct and develop appropriate strategies to enhance the positive and mitigate the negative influences.

4. **WITHDRAWAL OF PARTICIPATING STUDENTS.** Hospital may immediately remove a Participating Student from the Facility when in Hospital's discretion his or her clinical performance is unsatisfactory or his or her behavior is disruptive or detrimental to Hospital operations and/or Hospital's patients. In such event, School will immediately remove the Participating Student from the Clinical Program. It is understood that only School can dismiss the Participating Student from the Clinical Program. School may terminate a Participating Student's participating in the Clinical Program when it determines, in its sole discretion, that further participation by the student would no longer be appropriate.

5. **FEES.** All fees generated by or in connection with services provided by Program Participants to Hospital patients belong to Hospital. School on behalf of itself and each Program Participant hereby assigns to Hospital all right, title and interest (if any) in and to such fees. If School or any Program Participant receives any fees or other reimbursement for services provided by Program Participants to Hospital patients, School will and will cause Program Participants to immediately deliver and endorse over to Hospital all such amounts. School will and will cause Program Participants not to bill Hospital patients for services provided. School will and will cause Program Participants to take all actions and execute all documents reasonably requested by Hospital in order for Hospital to collect fees and payments for health care services provided by Program Participants.

6. **INDEPENDENT CONTRACTOR; NO OTHER BENEFICIARIES; EMPLOYMENT DISCLAIMER.**

(a) The Parties hereby acknowledge that they are independent contractors, and neither School nor any of its agents, representatives, Program Participants, or employees shall be considered agents, representatives, or employees of Hospital. In no event shall this Agreement be construed as establishing a partnership or joint venture or similar relationship between the Parties. School shall be liable for its own debts, obligations, acts and omissions, including the payment of all required withholding, social security and other taxes or benefits. No Program Participant shall look to Hospital for any salaries, insurance or other benefits. No Program Participant or other third person is entitled to, and shall not, receive any rights under this Agreement. Neither Party shall have the right or authority nor hold itself out to have the right or authority to bind the other Party and neither shall either Party be responsible for the acts or omissions of the other except as provided specifically to the contrary herein.

(b) Each Party acknowledges Participating Students will not be considered employees or agents of Hospital or School for any purpose. Participating Students will not be entitled to receive any compensation from Hospital or School or any benefits of employment from Hospital or

School, including health care or workers' compensation benefits, vacation, sick time, or other direct or indirect benefit of employment.

(c) School acknowledges that Hospital has not and is not obligated to implement or maintain insurance coverage for the benefit or protection of School or Program Participants.

7. **NON-DISCRIMINATION.** There shall be no discrimination on the basis of race, national origin, religion, creed, sex, sexual orientation, gender identity, age, veteran status, or disability in either the selection of Participating Students, or as to any aspect of the Clinical Program; provided, however, that with respect to a disability, the disability must not be such as would, even with reasonable accommodation, in and of itself preclude the Program Participant's effective participation in the Clinical Program.

8. **INDEMNIFICATION.** The Parties understand and acknowledge that, pursuant to Florida Statutes § 768.28(9) the exclusive remedy for injury or damage suffered as a result of an act, event, or omission of an officer, employee, or agent of the School shall be by action against the School. Accordingly, School agrees to be fully liable for its acts of negligence or its agents' acts of negligence when acting within the scope of employment or agency and agrees to be liable for any damage resulting from said negligence. Nothing herein is intended to serve as a waiver of sovereign immunity by the School and/or the Florida Board of Governors. Nothing herein shall be construed as consent by a state agency, public body corporate, or political subdivision of the State of Florida to be sued except as permitted by Section 768.28 Florida Statutes. The Parties acknowledge that this contractual relationship with School does not create or extend sovereign immunity to any other person or entity. Any damages allocated against the School, as prescribed by Section 766.112, Florida Statutes, are not subject to reallocation under the doctrine of joint-and-several liability to codefendants of School in professional liability actions.

9. **CONFIDENTIALITY.** School will and will advise Program Participants to keep strictly confidential and hold in trust all non-public information of Hospital, including all patient information, and refrain from disclosing such confidential information to any third party without the express prior written consent of Hospital, provided that the minimum necessary confidential information may be disclosed pursuant to valid legal process after Hospital is permitted an opportunity to minimize the potential harmful affects of such disclosure. School shall not disclose the terms of this Agreement to any person who is not a party to this Agreement, except as required by law or as authorized by Hospital. These confidentiality requirements survive the termination or expiration of the Agreement. In addition to the requirements set forth in this Section, Program Participants shall abide by the terms of Exhibit B.

10. **TERM; TERMINATION.**

(a) The term of this Agreement will commence on the Effective Date and will continue for two (2) years unless terminated as provided below (the "Term").

(b) Either Party may terminate this Agreement at any time without cause upon at least sixty (60) calendar days prior written notice to the other Party, provided that all Participating Students participating in the Program at the time of notice of termination or who are already scheduled to train at the Facility shall be given the opportunity to complete the then-current Program rotation or previously scheduled clinical assignment.

(c) The Parties may terminate this Agreement at any time by mutual written agreement.

(d) Hospital may immediately terminate this Agreement at any time upon notice to School in the event of a breach of Section 11 of this Agreement.

11. **REPRESENTATIONS AND WARRANTIES.**

(a) School hereby represents to Hospital as of the Effective Date and warrants to Hospital for the

Term that:

(i) School and its Program Participants: (A) are not excluded, debarred, or otherwise ineligible to participate in the Federal health care programs as defined in 42 U.S.C. Section 1320a-7b(f) (the "Federal health care programs"); (B) are not convicted of a criminal offense related to the provision of health care items or services but has not yet been excluded, debarred or otherwise declared ineligible to participate in the Federal health care programs, and (C) are not under investigation or otherwise aware of any circumstances which may result in the School, or a Program Participant being excluded from participation in the Federal health care programs; and

(ii) In the aggregate, School and all of School's affiliates compensate all physician employees and physician contractors (if any) (A) in an amount that is consistent with fair market value for actual services provided, and (B) in a manner that does not vary with or take into account the volume or value of patient referrals to, or other business generated for, Hospital or any of Hospital's affiliates. Furthermore, all of School's and its affiliates' compensation arrangements with physician employees and physician contractors are memorialized in a signed written agreement or other satisfy an exception to the Stark Law physician referral prohibitions provided in 42 U.S.C. § 1395nn(a)(1).

(b) The representation and warranty set forth above is an ongoing representation and warranty for the Term of this Agreement. School will immediately notify Hospital in writing of any change in status of the representation and warranty set forth in this section.

12. **Travel Expenses.** No expense of School or of a Program Participant will be paid or reimbursed by Hospital unless that expense is approved by Hospital in writing in advance and is incurred and documented in accordance with applicable Hospital travel and expense policies.

13. **Use of Name or Logo.** School will not, and will cause Program Participants not to use names, logos or marks associated with Hospital without the express written consent of Hospital in each case.

14. **Entire Agreement.** This Agreement and its Exhibits set forth the entire Agreement with respect to the subject matter hereof and supersedes all prior agreements, oral or written, and all other communications between the Parties relating to such subject matter. This Agreement may not be amended or modified except by mutual written agreement of the Parties. All continuing covenants, duties and obligations herein shall survive the expiration or earlier termination of this Agreement.

15. **Severability.** If any provision of this Agreement is held to be invalid or unenforceable for any reason, this Agreement shall remain in full force and effect in accordance with its terms disregarding such unenforceable or invalid provision.

16. **Captions.** The captions contained herein are used solely for convenience and shall not be deemed to define or limit the provisions of this Agreement.

17. **No Waiver.** Delay or failure to exercise any right or remedy hereunder will not impair such right or remedy or be construed as a waiver thereof. Any single or partial exercise of any right or remedy will not preclude any other or further exercise thereof or the exercise of any other right or remedy.

18. **Governing Law.** This Agreement shall be governed and construed in accordance with the laws of the state in which Hospital is located. Venue for all disputes arising in connection with this Agreement will be in the federal or state courts with jurisdiction for the area where the Hospital is located.

19. **Assignment; Binding Effect.** School may not assign or transfer any of its rights, duties or obligations under this Agreement, in whole or in part, without the prior written consent of Hospital. This Agreement shall inure to the benefit of, and be binding upon, the Parties and their respective successors

and permitted assigns.

20. **NOTICES.** All notices hereunder by either Party to the other shall be in writing, delivered personally, by certified or registered mail, return receipt requested, or by overnight courier, and shall be deemed to have been duly given when delivered personally or when deposited in the United States mail, postage prepaid, addressed as follows:

If to Hospital:	HCA Florida Blake Hospital 2020 59th Street West Bradenton, FL 34209 **Attention: Chief Executive Officer**
Copy to:	HCA One Park Plaza, Bldg. 1, 2-East Nashville, TN 37203 **Attention: Operations Counsel**
If to School:	Manatee Technical College 5520 Lakewood Ranch Blvd. Bradenton, FL 34211 **Attention: Assistant Director East Campus**

or to such other person or place as either Party may from time to time designate by written notice to the other Party.

21. **COUNTERPARTS.** This Agreement may be executed in multiple parts (by facsimile transmission or otherwise) and each counterpart shall be deemed an original, and all of which together shall constitute but one agreement. Electronic signatures will be considered originals.

22. **HIPAA REQUIREMENTS.** To the extent applicable to this Agreement, School agrees to comply with the Health Information Technology for Economic and Clinical Health Act of 2009 (the "HITECH ACT"), the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, as codified at 42 USC § 1320d through d-8 ("HIPAA") and any current and future regulations promulgated under either the HITECH Act or HIPAA including without limitation the federal privacy regulations contained in 45 C.F.R. Parts 160 and 164 (the "Federal Privacy Regulations"), the federal security standards contained in 45 C.F.R. Parts 160, 162 and 164 (the "Federal Security Regulations") and the federal standards for electronic transactions, all as may be amended from time to time, and all collectively referred to herein as "HIPAA Requirements". School further agrees not to use or disclose any Protected Health Information (as defined in 45 C.F.R. § 164.501) or Individually Identifiable Health Information (as defined in 42 USC § 1320d), other than as permitted by HIPAA Requirements and the terms of this Agreement. School will and will cause Program Participants to enter into any further agreements as necessary to facilitate compliance with HIPAA Requirements.

23. **NO REQUIREMENT TO REFER.** Nothing in this Agreement requires or obligates School to cause the admittance of a patient to Hospital or to use Hospital's services. None of the benefits granted pursuant to this Agreement are conditioned on any requirement or expectation that the Parties make referrals to, be in a position to make or influence referrals to, or otherwise generate business for the other Party. Neither Party is restricted from referring any services to, or otherwise generating any business for, any other entity of their choosing.

24. **NO PAYMENTS.** Except as provided in Section 5, no payments will be made between the Parties or to the Program Participants in connection with this Agreement.

25. **RECITALS.** The Recitals to this Agreement shall be an enforceable part of this Agreement, binding on the Parties as if fully set forth herein.

26. **EQUITABLE REMEDIES.** School acknowledges that the injury which might be suffered by Hospital in the event of any breach by School or non-compliance by Program Participants with the terms and conditions of this Agreement would be of a nature which could not be fully compensated for solely by a recovery of monetary damages, and accordingly agrees that in the event of any such breach or threatened breach, in addition to and not in lieu of any damages sustained by Hospital and any other remedies which Hospital may pursue hereunder or under applicable law, Hospital shall have the right to equitable relief, including issuance of a temporary restraining order, preliminary injunction and/or permanent injunction by any court of competent jurisdiction, against the commission or continuation of such breach or threatened breach, without the necessity of proving any actual damages or the posting of any bond.

WHEREFORE, authorized representatives of each Party hereby execute this Agreement as of the Effective Date.

Workforce Member Confidentiality and Security Agreement

I understand that the HCA affiliated entity(ies) (the "Company") for which I am a Workforce Member (my "Engagement") manages health information and has legal and ethical responsibilities to safeguard the privacy of its patients and their personal and health information ("Patient Information"). "Workforce Member" means employees, employed Licensed Independent Practitioners (LIPs) (*e.g.*, employed/managed physicians), employed Advanced Practice Professionals (APPs), residents/fellows, students (*e.g.*, nursing, medical, and interns), faculty/instructors, contractors (*e.g.*, HealthTrust Workforce Solutions (HWS), travelers, network/per diem staff, or dependent healthcare professionals and/or contracted through another temporary staffing agency), and volunteers.

Additionally, the Company must protect its interest in, and the confidentiality of, any information it maintains or has access to, including, but not limited to, financial information, marketing information, Human Resource Information, (as defined below), payroll, business plans, projections, sales figures, pricing information, budgets, credit card or other financial account numbers, customer and supplier identities and characteristics, sponsored research, processes, schematics, formulas, trade secrets, innovations, discoveries, data, dictionaries, models, organizational structure and operations information, strategies, forecasts, analyses, credentialing information, Social Security numbers, passwords, PINs, and encryption keys (collectively, with patients' information, "Confidential Information"). The Company must also protect Company Property (such as inventions, software, trade secrets, and Developments (as defined below)).

During the course of my Engagement with the Company, I understand that I may access, use, or create Confidential Information. I agree that I will access and use Confidential Information only when it is necessary to perform my job-related duties and in accordance with the Company's policies and procedures, including, without limitation, its Privacy and Security Policies (available at http://hcahealthcare.com/ethics-compliance/ and the Information Protection Page of the Company's Intranet). I further acknowledge that I must comply with such policies, procedures, and this Confidentiality and Security Agreement (the "Agreement") at all times as a condition of my Engagement and in order to obtain authorization for access to Confidential Information and/or Company systems. I acknowledge that the Company is relying on such compliance and the representations, terms and conditions stated herein.

General

1. I will act in the best interest of the Company and, to the extent subject to it, in accordance with its Code of Conduct at all times during my Engagement with the Company.
2. I have no expectation of privacy when using Company systems and/or devices. The Company may log, access, review, and otherwise utilize information stored on or passing through its systems, devices and network, including email.
3. Any violation of this Agreement may result in the loss of my access to Confidential Information and/or Company systems, or other disciplinary and/or legal action, including, without limitation, suspension, loss of privileges, and/or termination of my Engagement with the Company, at Company's sole discretion in accordance with its policies.

Patient Information

4. I will access and use Patient Information only for patients whose information I need to perform my assigned job duties in accordance with the HIPAA Privacy and Security Rules (45 CFR Parts 160—164), applicable state and international laws (*e.g.*, the European Union General Data Protection Regulation), and applicable Company policies and procedures, including, without limitation, its Privacy and Security Policies (available at

http://hcahealthcare.com/ethics-compliance/ and the Information Protection Page of the Company's intranet).

5. I will only access, request and disclose the minimum amount of Patient Information needed to carry out my assigned job duties or as needed for treatment purposes.

6. By accessing or attempting to access Patient Information, I represent to the Company at the time of access that I have the requisite job-related need to know and to access the Patient Information.

Protecting Confidential Information

7. I acknowledge that the Company is the exclusive owner of all right, title and interest in and to Confidential Information, including any derivatives thereof.
8. I will not publish, disclose or discuss any Confidential Information (a) with others, including coworkers, peers, friends or family, who do not have a need to know it, or (b) by using communication methods I am not specifically authorized to use, including personal email, Internet sites, Internet blogs or social media sites.
9. I will not take any form of media or documentation containing Confidential Information from Company premises unless specifically authorized to do so as part of my job and in accordance with Company policies.
10. I will not transmit Confidential Information outside the Company network unless I am specifically authorized to do so as part of my job responsibilities. If I am authorized to transmit Confidential Information outside of the Company, I will ensure that the information is encrypted according to Company Information Security Standards and ensure that I have complied with the External Data Release policy and other applicable Company privacy policies.
11. I will not retain Confidential Information longer than required by the Company's Record Retention policy.
12. I will only reuse or destroy media in accordance with the Company's Information Security Standards.
13. I acknowledge that in the course of performing my job responsibilities I may have access to human resource information which may include compensation, age, sex, race, religion, national origin, disability status, medical information, criminal history, personal identification numbers, addresses, telephone numbers, financial and education information (collectively, "Human Resource Information"). I understand that I am allowed to discuss any Human Resource Information about myself and other employees if they self-disclose their information. I can also discuss Human Resource Information that does not relate to my individual employment or my job responsibilities and that is not in violation of any other provision in this Agreement.

Using Mobile Devices, Portable Devices and Removable Media

14. I will not copy, transfer, photograph, or store Confidential Information on any mobile devices, portable devices or removable media, such as laptops, smart phones, tablets, CDs, thumb drives, external hard drives, unless specifically required and authorized to do so as part of my Engagement with the Company.
15. I understand that any mobile device (smart phone, tablet, or similar device) that synchronizes Company data (*e.g.*, Company email) may contain Confidential Information and as a result, must be protected as required by Company Information Security Standards.

Doing My Part – Personal Security

16. I will only access or use systems or devices I am authorized to access, and will not demonstrate the operation or function of systems or devices to unauthorized individuals.
17. I will not attempt to bypass Company security controls.

18. I understand that I will be assigned a unique identifier (*i.e.*, 3-4 User ID) to track my access and use of Company systems and that the identifier is associated with my personal data provided as part of the initial and/or periodic credentialing and/or employment verification.
19. In connection with my Engagement, I will never:
    a. disclose or share user credentials (*e.g.*, password, SecurID card, Tap n Go badge, etc.), PINs, access codes, badges, or door lock codes;
    b. use another individual's, or allow another individual to use my, user credentials (*e.g.*, 3-4 User ID and password, SecurID card, Tap n Go badge, etc.) to access or use a Company computer system or device;
    c. allow a non-authorized individual to access a secured area (*e.g.*, hold the door open, share badge or door lock codes, and/or prop the door open);
    d. use tools or techniques to break, circumvent or exploit security measures;
    e. connect unauthorized systems or devices to the Company network; or
    f. use software that has not been licensed and approved by the Company.
20. I will practice good workstation security measures such as locking up media when not in use, using screen savers with passwords, positioning screens away from public view, and physically securing workstations while traveling and working remotely.
21. I will immediately notify my manager, Facility Information Security Official (FISO), Director of Information Security Assurance (DISA), Facility Privacy Official (FPO), Ethics and Compliance Officer (ECO), or Facility or Corporate Client Support Services (CSS) help desk or if involving the United Kingdom, the Data Protection Officer (DPO), Information Governance Manager, Caldicott Guardian, Heads of Governance (HoG), Division Chief Information Security Officer (CISO) if:
    a. my user credentials have been seen, disclosed, lost, stolen, or otherwise compromised;
    b. I suspect media with Confidential Information has been lost or stolen;
    c. I suspect a virus or malware infection on any system;
    d. I become aware of any activity that violates this Agreement or any Company privacy or security policies; or
    e. I become aware of any other incident that could possibly have any adverse impact on Confidential Information or Company systems.

Upon Separation

22. I agree that my obligations under this Agreement will continue after termination or expiration of my access to Company systems and Company Information.
23. At the end of my Engagement with the Company for any reason, I will immediately:
    a. securely return to the Company any Confidential Information, Company related documents or records, and Company owned media (*e.g.*, smart phones, tablets, CDs, thumb drives, external hard drives, etc.). I will not keep any copies of Confidential Information in any format, including electronic; and
    b. un-enroll any non-Company owned devices from the Company Enterprise Mobility Management System, if applicable.

Except to the Extent Otherwise Agreed in a Separate Agreement, the Following Statements Apply to All Workforce Members

24. I shall promptly disclose to the Company all Company Property that I develop during my Engagement. "Company Property" means any subject matter (including inventions, improvements, designs, original works of authorship, formulas, processes, compositions of matter, software, databases, confidential information and trade secrets), whether belonging to the Company or others, that, directly or indirectly: (i) I author, make, conceive, first reduce to practice, or otherwise create or develop, whether alone or with others using any Company equipment, supplies, facilities, or Confidential Information, or (ii) otherwise arises from work performed by me for the Company, its employees, or agents, (each of the foregoing, a

"Development").

25. As between me and the Company, all Company Property is the property of the Company or its designee, and all copyrightable Developments that I create within the scope of my employment are "works made for hire."
26. I agree to assign, and do hereby irrevocably assign, to the Company or its designee all of my right, title, and interest in and to any and all Developments, together with all intellectual property and other proprietary rights therein or arising therefrom, including any registrations or applications to register such rights and the right to sue for past, present, or future infringements or misappropriations thereof.

27. During and after my Engagement, I agree to execute any document and perform any act to effectuate, perfect, enforce, and defend the Company's rights in any Development. I hereby appoint the Company and its authorized agent(s) as my attorney in fact to execute such documents in my name for these purposes, which power of attorney shall be coupled with an interest and shall be irrevocable, if I fail to execute any such document within five (5) business days.
28. If there is a conflict between a term in Sections 24 through 28 and a term separately agreed to in writing with the Company, the term set forth in the separate agreement will control.

By signing this document, I acknowledge that I have read and understand this Agreement, and I agree to be bound by and comply with all the representations, terms and conditions stated herein.

AGENDA ITEM NO. 10.11

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval to Apply, Accept, and Expend the 2023-2024 Adult Education Grant Application for Adult General Education, in the Amount of $617,662.00

Executive Summary
The Florida Department of Education (FDOE), Division of Career and Adult Education, is awarding multi-year grants on a competitive basis to develop, implement and improve adult education and literacy in Florida for a three-year grant cycle, for which 2023-2024 is the first year. As such, the School Board is submitting a consolidated application for both grants:

- Adult General Education (AGE) (AEFLA Section 231) and
- Integrated English Literacy and Civics Education (IELCE) (AEFLA Section 243)

Funding for these discretionary grant dollars is authorized by the Adult Education and Family Literacy Act (AEFLA), Federal Grant Programs Title II, and Workforce Innovation and Opportunity Act (WIOA).

If the School Board of Manatee County is awarded the full allocations for Manatee County, it will provide Manatee Adult Education $617,662.00 for AGE.

A copy of the 2023-2024 Adult General Education (AGE) Grant Application is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 1
Improve easy access to quality family resources that support student learning

Recommendation
The Superintendent recommends approval to apply, accept, and expend the 2023-2024 Adult Education Grant application for Adult General Education, in the amount of $617,662.00.

Financial Impact
There will be no cost to the General Fund. All activities under this grant are funded by federal AEFLA dollars at no material expense to the District. This grant will bring the district up to $617,662.00 for AGE grant projects for the period July 1, 2023 to June 30, 2024. There is no significant difference in this grant budget from last year; it includes salary and benefits for part-time teachers, partial salary and benefits for career counselors, teacher/counselor professional development activities, instructional software, hardware, and indirect costs to cover District-level grants accounting and finance related to this project.

Note: Funding is contingent upon the availability of funds from the United States Department of Education (USDOE).

- Allocations are subject to change based on Florida's federal award notification or any adjustments made to the allocation by USDOE.
- The Commissioner may recommend an amount greater or less than the amount requested in the proposal.

CERTIFICATION

I, Cynthia Saunders, (*Please Type Name)* as the official who is authorized to legally bind the agency/organization, do hereby certify to the best of my knowledge and belief that all the information and attachments submitted in this application are true, complete and accurate, for the purposes, and objectives, set forth in the RFA or RFP and are consistent with the statement of general assurances and specific programmatic assurances for this project. I am aware that any false, fictitious or fraudulent information or the omission of any material fact may subject me to criminal, or administrative penalties for the false statement, false claims or otherwise. Furthermore, all applicable statutes, regulations, and procedures; administrative and programmatic requirements; and procedures for fiscal control and maintenance of records will be implemented to ensure proper accountability for the expenditure of funds on this project. All records necessary to substantiate these requirements will be available for review by appropriate state and federal staff. I further certify that all expenditures will be obligated on or after the effective date and prior to the termination date of the project. Disbursements will be reported only as appropriate to this project, and will not be used for matching funds on this or any special project, where prohibited.

Further, I understand that it is the responsibility of the agency head to obtain from its governing body the authorization for the submission of this application.

Narrative: Individual Application for AGE and IELCE

Priority 1: Promote regional partnerships to ensure comprehensive approaches that result in improved learner outcomes. Maximum 25 Points

A. Needs Assessment (5 points)

1. Describe the labor market needs that have been identified in the Local Workforce Plan(s) and Regional Needs Assessments (include data sources).

The 2020-2024 CareerSource Suncoast (CSS) Local WIOA Workforce Plan identified the following industries with the most demand in the Suncoast Region with "trade, transportation and utilities generating the most demand (60,500 jobs), followed by education and health services (57,200 jobs) …" These industries were also in the top-three for the state. In addition, "…education and health services (+4.5 percent) were the fastest growing major industries…" per the Local Plan.

In the 2022-2024 WIOA Unified Plan for the State of Florida, within the education sector, the industry title Other Schools and Instruction is projected to have a 28.6% growth in jobs from 2021-2029. Regional Needs Assessment within the education sector indicates that as of May 26, 2023, there are 101 job openings for paraprofessionals (https://careers.manateeschools.net) within the School District of Manatee County alone.

2. Describe the community demographics of the geographic area, including the number of individuals who are English language learners and/or are lacking a high school diploma or equivalent. Define the various data sources used to substantiate the size and scope of the population that can benefit from adult education instructional services.

According to the US Census Bureau, 2017-2021 American Community Survey (ACS) 5-Year Estimates, the total population of Manatee County, FL, was 322,847. Within that population, 20,569 are lacking a high school diploma or equivalent and the number of 18-64-year-olds who speak English not well or not at all was 8,115. The average annual number of dropouts for Manatee between 2016-17 and 2021-22 was 478, with the total dropouts and withdrawals to adult education being 2,870 for the same time-period, according to the ACS. According to US Census Bureau Quick Facts, the July 1, 2022, population estimate for Manatee County was

429,125 with 9.9% of persons in poverty, and 9.7% of persons aged 25 years+, between 2017-2021, lacking a high school diploma. https://www.census.gov/quickfacts/manateecountyflorida

According to the National Center for Education Statistics for the School District of Manatee County (2017-21): 16% of residents have less than a high school diploma; 26% have a high school diploma as the highest degree attained; 15% of families have income below the poverty level; 23% of families rely on food stamps/SNAP benefits; 4% speak English "less than very well." https://nces.ed.gov/Programs/Edge/ACSDashboard/1201230

3. Complete the **Adult Education Past Performance Table,** (Consolidated Excel Workbook, TAB D1 for currently funded applicants and TAB D2 for applicants not previously funded).
4. Complete the **Adult Education Enrollment Targets Table**, (Consolidated Excel Workbook TAB E).
5. Describe how the eligible provider will adequately achieve the need for services identified in in the past performance and enrollment targets tabs.

Manatee Adult Education (AE) will achieve the need for identified services by employing intake and advising processes to reduce the equity and achievement gaps of individuals in the community most in need of literacy services, including individuals who have multiple barriers to employment, by ensuring instructor preparedness and instructional delivery informed by research- and appropriate evident-based practice, through an individual, student-centered approach to academic, postsecondary, and employment goal setting, and by providing appropriate accommodations, including referral services, remediation, tutoring, and other interventions, as necessary, via an extensive collaboration of community and regional agencies through the CareerSource Suncoast Crosswalk (https://careersourcesuncoast.com/initiatives/) and by employing faculty and staff members, including Career Counselors, who speak Haitian Creole and Spanish, the most represented non-English heritage languages of the region.

6. Describe how the program will recruit and serve individuals in the community most in need of literacy services, including individuals who have multiple barriers to employment.

Manatee uses a variety of recruitment strategies in English and Spanish, including social media such as Facebook, Instagram, Twitter, and YouTube. The school's website may be viewed in Spanish, Haitian Creole, or any other language using Google Translate. Class schedules are available in print and on-line. Program information is distributed in economically disadvantaged neighborhoods, public libraries, schools, Goodwill Manasota, Goodwill Ranch Lake, and CareerSource Suncoast; at education and career fairs; through announcements in elementary and middle school newsletters, on campus marquees, and in local newspapers and magazines (including Spanish language publications), public service announcements on the District's Spanish-language educational radio station (WTEC-LPFM), flyers sent home with K-8 students in English, Spanish, and Haitian Creole, and placing ads in publications (including Spanish-language and African American publications) distributed in target population areas. Manatee anticipates enrolling 1,200+ students in 2023-2024.

B. Regional Partnerships and Collaborative Networks (10 points)

The WIOA requires collaboration at all levels – federal, state, and local – and between core programs. The formation of regional partnerships aligns multiple resources to provide comprehensive services to learners.

1. Describe how the applicant will develop partnerships with an expanded set of regional providers such as schools, community-based organizations, vocational rehab, unions, industry associations, local or regional economic development agencies, chambers of commerce, community development corporations, libraries, postsecondary institutions, and social service agencies to:
    a. coordinate regional referral and recruiting efforts among partners to serve students most in need of literacy services;

Partners include Manatee Schools, Vocational Rehab, Housing Authority, Blind Services, Chamber of Commerce, Catholic Charities, Lutheran Services (immigration), Project HEART (homeless), Goodwill, and the Farmworker Program. Partners provide referrals to Manatee Adult Ed, and likewise, Manatee AE makes referrals to these agencies and organizations. These organizations provide services to the disabled, unemployed, homeless, low-income (e.g., United Way ALICE population), and those most in need of literacy services. Planned

partnerships include organizations with strong community ties including United Way and the Junior and Urban Leagues. In some situations, AE counselors give information to students for them to take the next steps. In other cases, counselors or the referring agency make the call or walk the students through the process. Sometimes, the referring agency physically brings the student to AE to register for classes. For CareerSource, counselors enter student information in the Crosswalk online platform, and CS contacts the student directly. Using the Crosswalk, "CareerSource Suncoast and 31 other partner agencies can make confidential referrals between each other to better coordinate service for individual clients. The search functionality makes it possible to find services such as housing, education and counseling for clients in need." (Local Plan).

b. coordinate comprehensive wrap-around services (services that minimize barriers for adult education students to attend and persist in their adult education program) such as childcare, transportation, mental health services, employee assistance and placement;

Counselors refer students to the CareerSource Suncoast (CSS) Crosswalk referral system for wrap-around services. Counselors work directly with partner agency staff or give students the information through the CSS Crosswalk. Counselors either talk or walk them through the process, especially if the student needs mental health or substance abuse services. In the case of a service that CareerSource can help with, counselors enter student information in the Crosswalk, and CSS contacts the student directly.

c. specifically support the development and implementation of the required IET programs and other work-based learning opportunities based on local and regional labor market needs;

The 2022-23 Regional Demand Occupations List for Workforce Region 18 includes teachers for elementary, middle school, high school, and postsecondary. The Florida Department of Economic Opportunity, Bureau of Workforce Statistics & Economic Research indicates that teacher assistant and teacher jobs will grow 11%-16%, depending upon the job title, from 2022-2030 in Manatee County and Workforce Development Region 18. In addition to credentialing

successful completers for immediate employment as paraprofessional educators, this IET will serve as a bridge to future education in associate and bachelor's degree programs and higher, as well as other employment possibilities in the field of education in Manatee County, the region and state of Florida.

d. encourage the braiding of local, regional, state, and federal funding resources (direct or indirect) for greater impact to align resources to support services and regional employment needs;

CareerSource Suncoast (LWDB) will pay the tuition and fees for all eligible students in the eligible IET training programs and for eligible AE students transitioning to locally targeted occupations and programs on the eligible provider list.

In addition, Manatee AE is seeking to use Title II funds to pay for BloomBoard (industry certification) seats in the Paraprofessional IET. As part of this career pathway, ParaPro completers hired by the School District of Manatee County may be eligible to participate in the Project Parasol Project, a collaboration with the University of South Florida and the School District of Manatee County's Department of ESOL, Migrant and Dual Language Department which will pay for 60 ESOL paraprofessionals to earn a B.A. degree in elementary education, thus addressing the teacher shortage locally, regionally, and statewide. This latter project is funded with federal funds through the Office of English Language Acquisition.

e. and provide increased opportunities for transitions to college and career and attainment of postsecondary credentials.

Manatee AE will partner with Manatee Technical College (MTC) to provide most of the IET career training. In addition, AE will hold AGE and IELCE classes on the MTC Campus, where they will have exposure to postsecondary career training opportunities. Career counselors and instructors for CTE and AE programs will work together to create opportunities for AE students to explore CTE postsecondary education through campus tours, career fairs, and cross-training.

2. Workplace education is defined as *adult education and literacy activities offered by an eligible provider in collaboration with an employer or employee organization at a workplace or an off-site location designed to improve the productivity of the workforce.*

Provide details about current or projected formal employer partnerships to provide workplace education class(es), if applicable. If there is more than one employer partnership, describe each. Include how the program activities offered are designed to improve the productivity of employees, and how the employer contributes to the success of the program.

Program year 2023-24 will be the first full year of the Paraprofessional IET program for IELCE and for AGE. During this first year, the workplace education component will consist of a Practicum, in which students who have completed at least 75% of their program will spend 10-12 hours assisting with instruction in lower-level Adult ESOL or ABE classes. It is projected that a formal partnership with the School District will be established to offer workplace education opportunities in K-12 classrooms throughout the District, including working with ESE and ELL students. Prior to the Practicum, students will complete a paraprofessional portfolio that includes a lesson plan, literacy activities, and ideas for working one-on-one with students and small groups. They will also complete two hours of classroom observations with teachers prior to the Practicum. Students receive hands-on training within their curriculum to better prepare them for the workplace. The employer contributes to the success of the program by providing the opportunity for micro-internships (10-12 hours); employers also benefit from these activities by seeing potential employees in action prior to offering them a job to fill much needed positions within the District. It's a win for IET completers and a win for employers.

3. **Partnership Chart** (Tab F) in the Consolidated Grant Workbook. This chart lists collaborative partners contributing to improved learner outcomes. Identify which partners are sub-recipients receiving funds to support the three-year grant cycle.

C. Alignment with One-Stop Partners and Coordination (10 points)

1. Describe the following LWDB considerations to illustrate the partnership between the eligible provider/collective and the LWDB:
    a. How the program will align its services with and contribute to the local One-Stop Center to meet the goals identified in the Local Workforce Area WIOA Plan(s).

The mission of the LWDB is "to recruit, train, and retain talent for employers on the Suncoast." The goals identified in the LWDB plan are "Preparing an Educated and Skilled Workforce; Regional Economic Growth; Self-Sufficiency". The Manatee AE two-year plan will align its

services and contribute to the local One-Stop Center to meet the goals identified in the LWDB plan in the following ways:

- Deliver workforce, education, and training activities to help Floridians advance their careers.
- Offer Adult Basic Education, Adult Secondary Education (GED® Preparation), English Language Acquisition (WIOA Sec. 231), Integrated English Literacy and Civics Education (WIOA Sec. 243), and family literacy activities to help Floridians fill knowledge, skills, and abilities gaps as identified in the LWDB plan.
- Offer workforce preparation activities (WPA) and integrated education and training (IET) for in-demand occupations and industry sectors to meet the needs of employers as identified in the LWDB plan.
- Continue communication and enhance collaboration with regional partners to be a part of building capacity of the region's workforce system.
- Enhance communication and collaboration with current and new partners to increase recruitment and the mutual referral process to improve workforce readiness and assistance for students with disabilities or barriers to employment.

b. Any formal or informal agreements between the provider/collective and the LWDB that coordinate/align services benefiting adult learners in the WIOA, Title II (AEFLA) programs.
   - Submit a copy of the agency's **executed Memorandum of Understanding (MOU) agreement including the local One-Stop Infrastructure Cost Agreement**. Carefully review the Adult Education MOU Requirements to ensure the MOU complies with all federal requirements. If a MOU is not available at the time the application is submitted, an executed MOU must be submitted to FDOE prior to the issuance of the grant award notification.

a. Any existing MOUs, MOAs, or contracts with other core providers of WIOA services Include organizations that provide resources for individuals with disabilities or barriers to employment.

Manatee AE has an MOU with the LWDB. The MOU is reviewed annually and will be part of the three-year plan to coordinate and align services benefiting adult learners, particularly those with

disabilities. Manatee will also enter into an MOU with Goodwill Manasota. Goodwill's primary mission is to provide resources for individuals with disabilities or barriers to employment.

Career counselors, instructors, staff, and administration may make referrals in the CareerSource Crosswalk online platform to 54 other partner agencies. These are confidential referrals to agencies who offer wrap-around services, mental health, health, housing, employment, including employment to individuals with barriers to employment, childcare, disability services, and more. Local and regional community agencies include Goodwill Manasota, Centerstone (mental health services), Vocational Rehabilitation, the Sustainable Workforce Alliance, and more. "The search functionality makes it possible to find services such as housing, education and counseling for clients in need." (Local Plan).

b. Coordination with other regional partners and the available education and training resources for the development of career pathways. Identify specific referral processes ensuring students successfully navigate between partners.

Manatee District Adult Education has long-standing partnerships and collaborative efforts with a broad range of county and regional partners, including WIOA core partners. Partnerships and efforts that are currently addressing state priorities and meeting the needs of adult learners include: CareerSource Suncoast (support services, financial and tuition assistance, barriers to employment, placement), Manatee Technical College and State College of Florida (IET, credentials of value, postsecondary education), Florida Department of Vocational Rehabilitation and Division of Blind Services (services and support for students with disabilities), Lutheran Services Florida (refugee services), Goodwill Manasota (clothing, employment, career planning, proving classroom space for Manatee's AE programs), Early Learning Coalition (child care, pay for GED), Bay Area Youth Services (support for juvenile justice referred youth), Project Heart (assistance/support for homeless), Solve Maternity Homes (helping at-risk pregnant women and their babies), Centerstone of Florida (mental health and substance abuse assistance), and St. Vincent DePaul (sponsor students to attain workforce success, mentoring and scholarships).

Manatee AE has a three-year MOU with CareerSource Suncoast, an MOU in process with Goodwill Manasota, and informal agreements with the other partners to ensure high-quality services to all eligible participants to close equity and achievement gaps. These partnerships promote concurrent enrollment in other WIOA Title I programs and services and hold learners at the center. All provide referrals to Manatee AE, and likewise, Manatee AE makes referrals to these agencies and organizations. Beyond the referral process, agency representatives and Manatee AE counselors and staff work with each other to provide the best possible support to students by addressing underlying issues that impact immediate outcomes and longer-term goals of full participation in career pathways and the workforce.

Employers support career pathway programming by serving on advisory committees for workforce training programs, hiring graduates, and paying tuition and fees for incumbent employees.

Manatee AE and Sarasota AE have been working to enhance current collaborative efforts to develop career pathways and the referral processes between each institution. Career Counselors from each agency have met to coordinate the referral processes between Suncoast Technical College and Manatee Technical College not just regarding the transfer of AE students, but to refer AE students to CTE programs. In addition, Manatee AE seeks to collaborate with Sarasota AE and OneBlood to provide a regional Phlebotomy IET in the foreseeable future.

Manatee AE currently has articulation agreements in place with State College of Florida (SCF), so AE students who enter postsecondary CTE programs and subsequently want to earn an A.A./A.S. degree or R.N. can smoothly transition to the State College system. Referrals occur between MTC counselors and Academic Advisors at SCF. In addition, the Provost of SCF serves on MTC's Board of Governors which facilitates the development of new career pathways, including IETs based on local business and industry demands.

2. Complete and submit the **Alignment with LWDB Plan Executive Summary** (Appendix B).

   The LWDB will consider the written responses in the Executive Summary to determine the extent to which this application addresses the required considerations in 34 CFR §463.20 [34 CFR §463.21(c)]. In accordance with 34 CFR 463.21, FDOE will:

   - Provide for the submission of all applications for funds under AEFLA to the appropriate Local Boards to review for consistency with the local plan;
   - Provide an opportunity for the local board to make recommendations to the eligible agency or regional consortium to promote alignment with the local plan; and
   - Consider the results of the review by the Local Board in determining the extent to which the application addresses the required AEFLA 13 Considerations in §463.20.

Priority 2: Expand the state's talent pipeline through attainment of credentials of value and acquisition of postsecondary certifications, industry-recognized credentials, and degrees. Maximum 25 Points

D. Integrated Education and Training Programs and Credentials of Value (15 points)

1. Describe the three-year plan's efforts to recruit, screen and orient participants so they will be successful participating in the IET service approach.

Manatee will continue to recruit from enrolled AGE students and through social media sites, the school's website, district communications aimed at parents, community and business and industry partners, the CareerSource Suncoast Crosswalk referral system, and local media outlets. To appropriately screen applicants, answer potential participants' questions and to offer more detailed program specifics, information sessions will be offered in person and virtually. In addition, orientation sessions will be held. Information and orientation sessions will be provided in person, virtually, both with day and evening sessions, and in Spanish, English, and Haitian Creole when applicable.

2. Describe how the three-year plan will develop partnerships and implement career pathway strategies, (which may include IET programs) aligned to the LWDB plan to expand access to employment, education and other services for individuals with barriers to employment.

Manatee AE will develop partnerships and implement career pathways strategies according to regional employment demands identified in the LWDB Plan and the results of career interest surveys taken during intake. Manatee AE will reduce barriers to employment and

postsecondary education and reduce the equity and achievement gaps in the region through customized individual, student-centered goal-setting sessions with Career Counselors, instructional staff, and other appropriate personnel. This includes referral services, remediation, tutoring and other interventions, and the use of the robust referral opportunities by an extensive collaboration of over 30 community and regional agencies through the CareerSource Suncoast Crosswalk referral system (https://careersourcesuncoast.com/initiatives/).

Manatee AE will work with these regional partners and develop new partnerships and collaborations to support the regional needs and delivery of programs and services and implement career pathways strategies aligned with the Local Workforce Development Board (LWDB) goals of "preparing an educated and skilled workforce, regional economic growth, and self-sufficiency."

A subcommittee of business and industry representatives will be leveraged to establish and set standards for the design of programs and future IET offerings and to provide work-based experiences to expand access to employment opportunities for low-skilled individuals, English learners, out-of-school youth, TANF recipients, unemployed and underemployed individuals, displaced workers, immigrants, refugees, and ex-offenders.

This comprehensive service approach will be based on identified instructional and specific participant and/or family needs, informed by regional employment needs, aligned with the local workforce development board (LWDB), and delivered through a collaborative network of partners. Partners that may be engaged in the process include Career and Technical Education partners, business and industry stakeholders including the Manatee Chamber of Commerce and Bradenton Area Economic Development Council (EDC), special populations partners, and family literacy stakeholders that have an interest in expanding access to education and other services that will ultimately help students with barriers to employment achieve success and ensure that the region's employers can count on a well-trained workforce for existing and emerging occupations.

3. Explain how credentials obtained through IET programs are in-demand by regional employers and lead to sustainable wages.

Manatee County District Schools is the county's largest employer in Manatee County and has a consistent need for paraprofessionals in schools throughout the district. As of May 26, 2023, over 100 job openings for paraprofessionals were posted within the School District of Manatee County alone (https://careers.manateeschools.net). The ParaPro credential will provide IET students with a credential of value for an opportunity to earn a living wage. The starting wage for a paraprofessional in the School District of Manatee County will be $15 per hour in the school year 2023-24. The ParaPro credential is part of a career pathway leading to a higher wage (becoming a teacher) which is an in-demand job locally and regionally.

4. Describe the relevant work-based learning opportunities available through the IET service approach and the process used to have employers validate workplace skills.

Work-based learning opportunities will be provided via internships within the school district. Students will have the opportunity to work in elementary school classrooms with currently employed paraprofessionals and teachers, who will validate workplace skills. The program will include three course components designed to empower participants to demonstrate mastery of the key competencies associated with effective paraprofessionals through a standardized and scalable, portfolio-based review model.

5. Complete the following:
    - **IET Offering Summary (Tab H)** in the Consolidated Grant Workbook.
    - **Integrated Education and Training Program of Study Template** – NA. Manatee's IET Program is currently approved by the FDOE.

E. Data Driven Credentials of Value through IET (10 Points)

Local and regional labor market data must drive the design, development, and implementation of training programs with credentials of value.

1. Describe how labor market data will be used to drive the development and implementation of the IET service approach.

The Florida Department of Economic Opportunity, Bureau of Workforce Statistics & Economic Research indicates that teacher assistants and teacher jobs will grow 11%-16%, depending

upon the job title, from 2022-2030 in Manatee County and Workforce Development Region 18. In addition to credentialing successful completers for immediate employment as paraprofessional educators, this IET will serve as a bridge to future education in associate and bachelor's degree programs and higher, as well as other employment possibilities in the field of education in Manatee County, the region and state. Based on information of in-demand industry sectors and occupations in the WIOA Plan, Education is among the highest in demand in the Suncoast Region. Elementary, Middle School, and Secondary School Teachers are all high-skill, high-wage jobs on the Regional Demand List for Workforce Region 18. Manatee County District Schools is the county's largest employer and has a consistent need for paraprofessionals in schools throughout the district. As of May 26, 2023, over 100 job openings for paraprofessionals were posted within the School District of Manatee County alone (https://careers.manateeschools.net).

2. Describe how the IET service approach will be aligned to credentials of value such as industry certificates and certifications.

The Manatee IET service approach will utilize a fully integrated instructional teaching model using BloomBoard's online Paraprofessional course and direct instruction completely aligned with the Educational Testing Service ParaPro Assessment (industry certification). The program will prepare students to pass the ParaPro Assessment with a score that meets or exceeds Manatee County District Schools' cut score (minimum score required for employment). Manatee County District Schools is the county's largest employer and has a consistent need for paraprofessionals in schools throughout the district. The ParaPro Assessment measures skills and knowledge in reading, writing, and math and the ability to apply those skills and knowledge when assisting in classroom instruction. The test is designed to ensure prospective paraprofessionals meet the skills requirements of federal legislation (ESSA) before applying for paraprofessional job openings in the district. The program will include workplace/occupational skills training to help participants gain the knowledge, skills, and abilities necessary to earn the

ParaPro Certification by demonstrating the ability to assist classroom teachers and help students with classwork.

3. Identify the types of credentials available to students who participate in the IET service approach.

AGE and IELCE students who participate in the IET program will prepare to earn the ParaPro Certification, certification code EDTS001, from the Educational Testing Service.

Priority 3: Ensure all learners receive high quality instruction that prioritizes measurable labor market needs and outcomes while working to eliminate equity gaps and achievement gaps in the community. Maximum 25 Points

F. Quality Program Offerings (15 points)

1. Describe the program enrollment system in place that ensures quality learning and outcomes including:
   a. managed enrollment, open-entry/open-exit enrollment. FDOE expects programs to offer managed enrollment at a majority of class sites.

To provide efficient onboarding to students (online information sessions, pre-testing, orientation, career counseling), Manatee AE uses a managed enrollment system. New students may join classes at the start of each quarter—in September, October, January, and April. Students attend a virtual or face-to-face orientation which is offered in three languages (English, Spanish, and Haitian Creole) and begin career pathway planning and education during intake.

   b. the course modality offered (online, blended learning, laboratory, traditional classroom setting).

Manatee AE offers Adult ESOL, ABE and GED® and classes in the following modalities: 100% asynchronous online, a blended (hybrid) model, and traditional classes. Blended classes are held at multiple venues in the county: the MTC Main Campus and at two Goodwill Manasota Locations in the west and east locations of the county. These sites are located on county bus lines and served by multiple routes.

c. the expectations for students' participation and attendance (for example, number of hours, weeks) to demonstrate sufficient intensity and duration informed by rigorous research necessary for making learning gains.

All classes meet a minimum of 10 hours per week depending upon the location. Students enrolled in blended learning classes meet 5 hours per week in a traditional classroom setting and are expected to spend at least 5 additional hours working in the online component. Students enrolled in the online modality are expected to devote a minimum of 10 hours per week. All courses meet for 32 weeks, and students are expected to be in attendance at least 80% of the scheduled hours.

d. how system will offer a flexible schedule (day and evening classes year-round), local support services, and provide a quality learning system (such as childcare, transportation, mental health services, and career planning) for all students, including those with special learning needs, low levels of literacy skills, members of the ALICE (Asset Limited, Income Constrained, Employed) population, learning disabilities and other special needs, to attend and complete program.

To meet the needs of the local workforce and adults with young children, classes are offered in the mornings, early afternoon, and evenings at Manatee Technical College, 100% online asynchronously as well as day and night hybrid options and at two Goodwill Manasota sites located nearest to the target population and on a bus line.

During the intake process, students are informed of Manatee AE's attendance policies and expectations and of the various support services available, including the process of self-declaring any special learning needs or disabilities. Career Counselors meet with students on an individual or small group basis to develop a customized student plan for postsecondary enrollment, future education and/or employment needs based on the student's interests, needs, and goals.

These individual meetings between Career Counselors and students allow for referrals to agencies using the CareerSource Suncoast Crosswalk's extensive referral system that provides

appropriate support services leading to higher student achievement and better outcomes. This referral system provides agencies with the ability to refer students to services in the community through a privacy-protected and secure digital platform. Agencies using this system in Workforce Region 18 include more than 32 agencies that provide: mental health services; healthcare; housing assistance, transitional housing and emergency shelters; re-entry services for former criminal offenders; childcare; foodbanks; maternity care; early learning services; employment agencies; addiction services; veterans services; unaccompanied homeless and at-risk youth; farmworkers programs; and agencies focused on breaking the cycle of poverty and focus on family self- sufficiency such as Step Up Suncoast, Goodwill Manasota, and Family Resources, Inc., among others, as well as educational entities including the two school districts, two technical colleges and the state college in the workforce region.

In addition, Manatee AE has Spanish- and English-speaking counselors and can provide for Haitian Creole translation provided by instructional staff to ensure better communication with low English-proficient levels to ensure that student needs and wrap-arounds services are provided when needed.

2. The state has set the expectation for each program to post-test 70% of enrolled participants using an NRS-approved standardized assessment after achieving sufficient hours of instruction. Describe what measures are in place to ensure that the program will meet or exceed that expectation.

Manatee's student information system (SIS), Campus Solutions, has the ability to run a query based on attendance hours and the date of the last pre- or post-test. There is a locally established business process in place regarding post-testing. There are two dedicated staff members who run this query every two weeks (one for day and online classes, the other for night classes) to monitor post-testing throughout the year to ensure compliance and to ultimately improve post-test performance. The instructional schedule is designed so that students post-test each quarter (twice each semester). Post-testing is aligned to start dates in the managed enrollment calendar, allowing for better instructional continuity as new students arrive in classes on the same date (each quarter).

Using the post-testing query from the SIS, the assigned staff members communicate with instructors to schedule post-testing according to test publishers' criteria. An online calendar platform informs the testing department of the specific students to be post-tested during a given test session, the content area, and any other special situations such as approved accommodations. Testing is available in labs on the MTC Main campus during the day and evening and may be completed remotely as well.

3. **Program Offerings Summary Form (Tab G)** in the Consolidated Grant Workbook. This form will summarize all planned program offerings in the 2023-2024 year and will be used to demonstrate the size and scope of the adult education instructional services that will be available during the three-year plan.
4. Describe the policies in this three-year plan adopted by the eligible provider to accommodate students and staff with disabilities, including learning disabilities, as described in the American Disabilities Act of 1990 (42 U.S.C. 12102).

To accommodate students and staff with disabilities, Manatee AE follows the School Board Policies as delineated in the School District of Manatee County Policy Manual. Manatee AE has an established business process for informing students of their rights as a student with disabilities and provides an electronic brochure to all students during the matriculation process to inform them of such. This document is available in English, Spanish, and Haitian Creole.

Students are directed to 504 coordinator who then determines eligibility, appropriate accommodations, and/or needs. This may include using the CareerSource Suncoast local service agencies crosswalk to identify services and make referrals to help students address barriers to success, including housing, transportation, mental health, healthcare, employment, food and nutrition, adaptive technology, Braille materials, and childcare. In addition, Manatee AE partners with Vocational Rehabilitation, Florida Division of Blind Services, Lighthouse of Manasota, and Manatee County Area Transportation for the Handy Bus reservation system and other bus subscription services to provide services and assistive technology for adult learners. In addition, Life Coaches from Goodwill Manasota, case workers from foster care agencies, the Florida Department of Children and Families, the juvenile justice system, the SDMC Department

of Drop Out Prevention, homeless advocates from various regional agencies, and guardians at litem may also participate in the determination of services and accommodations needed for students with disabilities.

The School District of Manatee County conducts the hiring and onboarding of employees. The SDMC prohibition of discrimination statement, information regarding the compliance officers, Title IX coordinators, Section 504/ADA coordinators, and relevant polices may be found at: https://www.manateeschools.net/Page/6071.

Adult education instructors are provided with annual opportunities for professional development regarding ADA and the instruction of students with disabilities through the School District of Manatee County's Professional Learning Department as well as opportunities provided by ACE of Florida and IPDAE.

Manatee AE employs an ESE teacher to serve as a coach/mentor for teachers who work with students with disabilities. This instructor also serves as the disability designee and the initial contact for students to begin the development of a 504 plan. In addition, the ESE coach works with Career Counselors and adult education instructors to coordinate supplemental referral services with community agencies as needed and to ensure that students with disabilities receive appropriate accommodations and differentiation during instruction and assessment. As previously mentioned, all students meet with a Career Counselor on an individual basis during intake and on at least a quarterly basis to determine post-secondary and employment goals. At this meeting, the student would have already been informed of her rights as a student with disabilities, and it would be up the student to self-declare any needs at this time pursuant to state and federal laws and guidance (https://www.fldoe.org/core/fileparse.php/7690/urlt/0070068-311201_acmod-voc.pdf).

Instructors have the opportunity to meet with MTC Career Counselors, administration and the ESE coach and other support personnel as needed to discuss individual student needs and concerns.

Instructors and Counselors may refer students with low literacy levels and other special needs to Goodwill Manasota, The Manatee Public Library system, Project Light, or the Manatee Literacy Council for additional one-on-one tutoring services or for additional English language conversation opportunities. Goodwill Manasota also provides jobs to students with disabilities with work schedules that support their learning needs and allows for participation in Manatee Adult Education classes, which may be located at Goodwill sites where these individuals may work.

5. Describe how the eligible provider will use rigorous research and evidence-based instructional approaches for ABE and ELA (e.g., essential components of reading instruction, differentiated instruction, direct explicit instruction, and use of formative assessment, use of standards-based instruction) to assist adult students with achieving substantial learning gains.

Manatee's AE Program integrates evidence-based, student-centered instructional practices in instruction. Instructor facilitated face-to-face, hybrid and online courses are offered and grounded in the Florida Adult Education Frameworks. Instruction is differentiated and based on individual student needs determined by pre- and post-testing as well as formative and summative assessment. The research-based core curriculum tools utilized are Essential Education with ABE/GED students and Burlington English with ESOL students. Each curriculum combines standards-based, academic, and workforce readiness skills which actively engage and prepare students for postsecondary education and career planning. Supplemental literacy resources include Flocabulary, CommonLit, Pro Literacy, the Brigance Transitions Skills Kit, and multiple titles from New Readers Press regarding workforce skills and preparation, grammar, vocabulary, math, reading, and writing.

Instruction includes the researched-based Burlington English and Essential Education curricula. These digital instructional programs address the research-based reading practices of building knowledge through content-rich nonfiction, evidence-based reading, writing, and speaking, and regular practice with complex texts and their vocabulary (Coleman, D., Pimental, S. & Zimba, J., 2018). In addition, Burlington Core Digital Readers are available to English

learners to integrate the essential components of reading instruction: alphabetics, fluency, vocabulary, and reading comprehension. The program recognizes that many English sounds are non-existent in the native languages of its learners. It is therefore critical to provide explicit instruction so that essential components of reading instruction, such as phonics and phonemic awareness, can be addressed. Using Burlington English's patented Speech Trainer to address pronunciation and instruction of unfamiliar sounds, English language learners acquire the building blocks for increased fluency and comprehension. Burlington English courseware allows for a variety of learning modalities including teacher-led onsite or online instruction. This is available to students at school, at home and on mobile devices. This access provides additional learning opportunities and the potential for accelerated and increased success in attaining learning gains.

The following are research- and evidenced-based practices employed by AE instructors:

Identification of Skill Gaps –Instructors will identify gaps in students' understanding that need to be filled and teach learning strategies explicitly. Students will move forward with more confidence and success when they have the necessary foundations in place.

Differentiated instruction - Instructors design lessons based on students' learning styles, group students by shared interest, topic, or ability for assignments, manage the classroom to create a safe and supportive environment, continually assess and adjust lesson content to meet students' needs.

Instruction for high engagement - Instructors will use strategies and materials that are meaningful, relevant, and engage the learner cognitively and emotionally.

Formative assessments – Instructors use formative assessments to not only identify skill gaps, but also to provide opportunities for reteaching when necessary. Instructors use a continuing cycle of assessment and instruction until proficiency is demonstrated. Summaries, reflections, lists, charts, graphic organizers, visual representations of information, and other collaborative

activities will be used to provide students with the opportunity to communicate with others as they develop and demonstrate their understanding of concepts.

Providing timely corrective feedback – Manatee AE uses assessment data to reteach concepts and skills until the student has reached proficiency. Both corrective activities and enrichment activities that directly correlate to instruction will be utilized. Scaffolding strategies are used with struggling learners or to challenge advanced learners.

Instructors are trained to analyze CASAS and TABE scores to inform instruction to maximize student achievement, differentiate instruction, assign learning groups to provide direct instruction, and provide appropriate formative assessments.

6. Describe the student support and transition services that support the three-year plan for quality instructional programming. The response must include the following:
   a. how the program will assess students' educational needs, support services and accommodations and how will providers or partners deliver those services; and

Individual student needs are first assessed during the intake process by registration personnel and subsequently by Career Counselors during the initial goal setting and planning session. This may result with a student referral to services from local and regional partners, community agencies or to the disability liaison (provided this need is disclosed by the student) for the creation of a 504 plan, assistive technology, or other appropriate accommodations. Instructors, administration, support staff can all make referrals to the CareerSource Crosswalk referral system for wrap-around support and disability services. The disability liaison meets with students when appropriate and schedules 504 meetings and coordinates services and accommodations.

   b. how the program will provide student advisement services to facilitate transition to postsecondary education/training and employment.

Current intake processes allow for the identification of specific student needs and accommodations. Career Counselors facilitate career interest assessments to develop a customized student plan for postsecondary enrollment and/or employment based on the

student's interests, needs, and goals. Adult Education, CTE Career counselors, and the ESE liaison serve students in a consultative manner as needed.

Manatee Technical College's Business and Industry Coordinator facilitates Workforce Wednesdays where various local employers and business partners are on campus during lunch to advertise and recruit employees. In addition, AE students have easy access to resources available through CareerSource Suncoast as Manatee provides them with an office on the Manatee Technical College Main campus where the majority of Adult Ed instruction occurs. MTC also holds an Open House and/or Career Fair each semester giving AE students exposure to postsecondary programs and employment opportunities in the local community and region (more than 90 employers were present at the last event along with other educational institutions and community organizations).

G. Technology and Online Learning (5 points)

1. Describe how the program will integrate the use of technology into class instruction including the following:
    a. how the instructor will use technology as a classroom tool;

Instructors use technology as a classroom tool in a myriad of ways. Technology is heavily infused into the daily classroom routine. Instructors utilize Samsung display mounts as a primary means of projecting classroom instruction. Core curriculum consists of Burlington English and Essential Education software programs. Additional tools to enhance instruction include Flocabulary, NearPod, News for You, Quizlet, and Plickers. Canvas is available to all instructors. Workforce and digital skills are incorporated in instruction. Students produce resumes, PowerPoint presentations, learn how to use Excel, and produce other assignments using Microsoft Office products. All classrooms have either a desktop, laptop, or tablet available for each student.

    b. how students will use technology, including those with low levels of literacy and learning disabilities, to develop digital literacy skills in the classroom or as an integral part of their own class work;

Students with low levels of literacy and learning disabilities are supported by the instructor and the ESE Coach. Students with low levels of literacy and learning disabilities are eligible for laptop loans and open lab sessions for additional support. Teachers receive professional development regarding providing appropriate differentiation and accommodations annually through various resources (scheduled in-service dates and on-demand through SDMC, IPDAE, COABE, ACE of Florida) and are expected to educate the students in a creative, engaging manner to provide a learning environment that is conducive to all learners.

Project-based, differentiated activities are used to ensure students are successful, creative, and engaged. This allows for the natural growth and development of literacy skills which include fluency, word recognition, phonetics, and comprehension. https://www.gvsu.edu/cms4/asset/777A03CA-E5D1-90B3-FF97B7EA6E9ECB3/educational_technology_project_1(2).pdf)

c. how digital literacy skills are integrated into workforce preparation and IET programs;

The following digital literacy skills are examples of how digital literacy skills are being integrated into workforce preparation activities and in IET programs:

- Watching a video regarding elementary school instruction and actively participate in classroom discussion and prepare a Word document responding to a set of questions
- Conducting an Internet search about the education and training career pathway and evaluate sources (using only reliable sources)
- Preparing and presenting a digital presentation (PowerPoint, YouTube Video, Google Slides, Prezi, etc.) on a relevant topic to education and training, healthcare, or regional jobs.
- Integrating and evaluating content presented in diverse media and formats, including visually and quantitatively, as well as verbally and in writing.
- Using technology to produce clear and coherent writing in which the development, organization and style are appropriate to task, purpose, and audience.

- Using technology to develop and strengthen writing by planning, revising, editing, rewriting, or trying a new approach.
- Using technology, including the Internet, to produce and publish writing and to interact and collaborate with others.
- Gathering relevant information from multiple print and digital sources, assess the credibility and accuracy of each source, and integrate the information while avoiding plagiarism.

In addition, Burlington English and Essential Education both contain workforce and employability skills modules. Students may use the software to customize career exploration by occupation. In addition, MTC uses various workforce preparation and workforce skills texts from New Readers Press relevant to the student's English proficiency level to teach workforce preparation. ABE and GED classrooms use the McGraw-Hill *Workplace Skills* and *Career Companion* for this purpose.

2. Describe how distance education will be made available for all students, particularly those with low levels of literacy and learning disabilities; include the following:

Distance learning opportunities, including hybrid and online learning, are available to all students. Students with low levels of literacy and learning disabilities will be supported by the teacher and ESE Coach. Students with low levels of literacy and learning disabilities will be eligible for laptop loans and open lab sessions for additional support.

a. The synchronous, asynchronous, and blended options offered. If you utilize additional software as supplemental instruction, describe the purpose and use of the software.

Manatee AE offers asynchronous and blended options for ESOL, ABE, and GED instruction using Burlington English or Essential Education respectively. Instructors can access Zoom to provide tutoring and/or supplemental instruction as needed on an individual or small group basis.

b. How these options may lead to improved student performance.

Numerous studies have supported the idea that implementing technology into the classroom facilitates meaningful learning, greater use of prior knowledge, hierarchical cognitive structure, elaboration, and greater depth of processing and innovative practice (Hillman, 2014). This integration shifts the focus of the learning environment to being more student-centered and allows for them to develop autonomy and control over their learning (Mo, 2011). (https://techandcurriculum.pressbooks.com/chapter/engagement-and-success).

Manatee AE's incorporation of technology and online learning improves student performance by increasing student motivation and allowing students to enhance communication. It further allows students to engage in collaborative problem-solving activities and discussions and to reflect on content and expand digital competencies in greater depth. Easy-to-accomplish, unit-based learning allows the students to focus on one piece of learning at a time and see forward movement. Students stay motivated because they can see the direct result of their study time and know what they need to do next to achieve mastery learning. The student progression reports and check points within Burlington English and Essential Education allow students to see forward progress and performance. Students can see where their deficiencies lie and where self-remediation is needed. Instructors can view their classroom dashboard to readily verify standards attainment and precisely how close the student is to mastery. Instructors target the standards that need to be re-taught and design groups or break-out rooms with the purpose and intention of driving classroom instruction.

c. How post-testing procedures will be adapted to ensure distance learners meet the state's expectation for each program to post-test 70% of enrolled participants.

Manatee adheres to the policies and procedures for remote testing established by the test publishers and FDOE, including adherence to remote proctoring agreements and requiring online certification for online proctors. Manatee's post-testing procedures and protocols (as previously discussed) are the same for distance learning as in the traditional classroom, except that remote pre- and post-testing is available for online students. In addition, Manatee has certified, English-, Haitian Creole- and Spanish-speaking remote proctors available for this

purpose.

d. The kind of information and data to be analyzed by programs to monitor student engagement/persistence enrolled in a distance learning program versus a traditional classroom-based enrollment.

The distance learning program data analyzed to monitor student engagement, productivity, and persistence include using the following reports available in the software systems used in distance learning: *student study time, skill mastery, readiness, academic targets in alignment with content maps, practice test analysis, student summary and proxy* reports. Both distance learning and traditional classroom enrollment require a strong foundation for measuring progress, however, initial placement tests, subsequent post testing, and formative assessments are more significant in providing teachers with information regarding learning needs in distance learning. Analysis and review of the *time on task reports* in distance learning classes allows for the implementation of interventions to address persistence, or lack thereof. Instructors, career counselors, and the ESE liaison review these reports regularly to identify student needs and gaps so that relevant interventions can be initiated when required to improve student engagement and persistence.

H. Instructional Personnel and Professional Development (5 points)

1. Describe the agency's plan for implementing continuous professional development to ensure staff are knowledgeable about adult education instruction, assessment, policies, procedures, career pathways strategies and other regional priorities.

Manatee AE professional development includes a summer symposium, back-to-school in-service, and a Spring in-service. Topics covered in the adult educator professional development offerings include, but are not limited to, adult education data reporting workshops, Florida College and Career Readiness Standards, IET programming, and analyzing post-testing data and formative assessment to drive instruction. Adult Education teachers are required to have an active, registered, portal account with IPDAE, the Institute for the Professional Development of Adult Educators. IPDAE provides a web-based site which allows adult educators access to

various resources. These resources include, but are not limited to, electronic documents, toolkits, lessons, videos, workshops, webinars, virtual trainings, online training modules, newsletters, and consistent communication outreach via an email contact database. Career Counselors and instructional personnel also may attend local, regional, statewide, and out-of-state conferences directly related to Adult Education, provided by COABE, ACE of Florida, IPDAE, TESOL, Sunshine State TESOL, National Career Pathways, etc.

In addition, Manatee AE also offers professional development offered by Burlington English's trainers virtually, by appointment, online on-demand, or through customized trainings on-site. Professional development for IET Paraprofessional instructors is provided by BloomBoard through their Faculty Academy and weekly coaching sessions. Essential Education provides on-demand virtual training and customized training as needed.

Lastly, AE instructors have access to all professional development opportunities offered by the School District of Manatee County including hybrid, online, self-paced and face-to-face offerings.

2. Describe how the agency's professional development plan supports instructors in incorporating current research and evidence-based instructional strategies that lead to effective program outcomes.

The professional development plan supports instructors in incorporating current research and evidence-based instructional strategies that lead to effective program outcomes. The research of John Hattie and Robert Marzano, among others, are utilized to plan and develop AE in-services. Topics include cooperative learning, inquiry-based teaching, higher-level questioning, differentiated instruction, the science of reading instruction, andragogy, backwards design, the gradual release of responsibility model, reciprocal teaching, cues, questions & advance organizers, the importance of timely, direct, and specific feedback are some of the research-based instructional practices explicitly taught and modeled during professional development. These methods and techniques are grounded in evidence supporting increased student achievement, thus leading to effective program outcomes.

3. Agency's minimum qualifications for the instructors, counselors and administrators delivering the program activities during the three-year plan.

Instructors	1. Bachelor's degree or higher from an accredited educational institution. 2. Certification by the state of Florida in appropriate area(s) and possession of necessary endorsements, preferred.
Counselors	1. Bachelor's Degree from an accredited educational institution. 2. Certification in guidance preferred. 3. Minimum of three (3) years successful work experience in teaching, counseling, or a related field.
Program Supervisor	1. Master's Degree from an accredited educational institution. 2. Certification in a career and technical education area. 3. Minimum of five (5) years successful teaching experience or appropriate work experience 4. Minimum three (3) years' experience in administration or leadership. 5. Certification as Principal and/or in Educational Leadership and/or Vocational Director (preferred).
Assistant Director (Adult Education Director)	1. Master's Degree from an accredited educational institution. 2. Certification in a career and technical education area. 3. Minimum of five (5) years successful teaching in a career and technical education area and/or administrative experience. 4. Certification in Educational Leadership or as a Local Director of Vocational Education preferred or attainable within three (3) years.

4. **Personnel Chart (Tab I).**

Priority 4: Incent, Measure, and Support Enhances Program Effectiveness Max 25 Points

I. Performance Outcomes (Not Scored)

1. Describe the applicant's capacity to manage a federal grant and any unique aspects of the program which would facilitate delivery of effective adult education and literacy services.

The School District of Manatee County Manatee has successfully implemented Adult Education federal grants for over 50 years, Perkins grants for close to 40 years, and Higher Education Emergency Relief Funds for the past three years. Manatee has a Federal Programs

and Grants Department that supports the successful implementation of many other federal grants, including Title I, Part A-Improving Basic Programs Operated by State and Local Educational Agencies; Title I, Part C-Education of Migratory Children; Title III-English Language Learners and Immigrant Students; Title IV, Part A-Students Support and Academic Enrichment; Title IX-Homeless Education Project; as well as many competitive grants. As a school district, Manatee adheres to the General Assurances for Participation in State and Federal Programs in compliance with 2 CFR 200 Uniform Grant Guidance and adheres as well to Florida Statutes Section 1010.1, which requires school districts to prepare and maintain financial records and accounts as prescribed by law.

2. Describe how the three-year grant plan accounts for the evaluation and reporting of educational performance and student exit outcomes, including completing an educational gain and transitioning students into postsecondary education or training and the workforce.

Manatee AE tracks student outcomes through locally produced data queries in the Student Information System (SIS), known as Campus Solutions, and through FDOE survey reports. Manatee AE has established business processes for monitoring and scheduling post-testing and tracking measurable skills gains. A report tracking LCPs per student, by instructor, is currently in production. Any data element recorded in the SIS may be queried and reports produced for both program and student analysis.

Career Counselors meet with each student on an individual basis, as appropriate to student needs. Instructors can meet with students virtually through Zoom or Teams or by appointment or during virtual or face-to-face office hours to discuss student performance and to provide feedback as needed. Students meet with their instructor and/or career counselor after post-testing to review learning gains and to monitor or change short- and long-term educational, postsecondary, and/or employment goals. Appointments can be made using Calendly, an online calendar tool. The ESE coach and administration are involved in these discussions when appropriate. In addition, interventions and referral services may be implemented, schedule or

instructional mode may be changed as needed, or tutoring (virtual or face-to-face) may be suggested.

Since most of the Manatee AE classes are now offered on the Main Campus of Manatee Technical College, AE students have greater access to CTE counselors and the financial aid department providing easier entry into CTE programs. AE students therefore may attend CTE Open Houses and Career Fairs and weekly Workforce Wednesdays where local and regional employers are represented and actively recruit students. In addition, CareerSource Suncoast maintains an office on this campus, so AE students have increased access to the services, scholarships and workforce training and preparation provided by the LWDB.

3. Describe how the eligible provider will adequately provide services for students functioning at lower levels such as ABE levels 1, 2, and 3 and ESL levels 1, 2, and 3.

ABE levels 1, 2, 3 – Online Instruction - Essential Education is used as the primary curriculum tool. Essential Education self-customizes according to the current level the student is on with their adaptive learning system. Essential Education adaptive learning system creates a personalized experience for every learner. This enables all students to work at their level and make gains until mastery is achieved. The following steps were articulated in an Essential Education report entitled, *Mastery Learning*: Step One: Identify Prerequisites - In Essential Education Academies, students start with a built-in initial smart assessment that identifies the degree of their skill mastery against the targets of the educational goal they are working towards. Step Two: Customize Learning Plan - The program uses the diagnostic data from the student's pre-assessment to automatically create a customized learning plan. The first lessons in the learning plan teach the student's missing foundational skills, the building blocks needed to move on to more complex skills. Step Three: Track Student Progress -The built-in diagnostic center gives teachers real-time skill mastery reports that detail student performance on each target and skill, identifying gaps. As the student progresses, the mastery report shows the student's most current performance.

ABE levels 1, 2, 3- Traditional classroom: Essential Education is a component of the learning, accompanied by direct teacher instruction, collaborative learning centers, diversified grouping, peer review, and interactive activities.

Additional strategies used to retain and advance ABE levels 1,2, and 3 students include support of an ESE coach, increased counselor engagement, personalized Individual career academic plan, remediation via open lab sessions, and specialized teacher professional development with focus on scaffolding and student differentiation.

ESL levels 1, 2, 3 – Online Instruction - Burlington English is used as the primary curriculum tool. Burlington English is designed to help students at NRS ESL level 1-3 gain basic language skills, develop digital literacy and learn essential vocabulary to communicate in their everyday lives. Burlington Core Basics integrates language acquisition and civics education with level-appropriate workforce preparation activities. The following description was articulated in a Burlington English report entitled, *The Publisher that Cares,* provided in June 2021:

"Burlington English's comprehensive reports will provide the applicant with easily accessible, up-to-the-minute reports of measurable participant outcomes to measure learning gains and student achievement. With Burlington English's ongoing reporting system, teachers can track student time on task in the program and scores for completed work to best target instruction to specific competencies, standards, and task areas. Learners also receive immediate feedback on their progress and can complete activities multiple times, if needed to obtain mastery. "

ESL levels 1, 2, 3- Traditional classroom: Burlington English is a component of the learning, accompanied by direct teacher instruction, collaborative learning centers, diversified grouping, peer review, and interactive activities.

Additional strategies used to retain, and advance ESL levels 1, 2, and 3 students include the support of an ESE coach, translations applications, increased counselor engagement, personalized individual career academic plan, remediation via open lab sessions, and

specialized teacher professional development with focus on scaffolding and student differentiation.

4. **Past Performance Table** in the Consolidated Grant Workbook.
    a. Applicants Previously Funded Table (Tab D1).
5. Describe the program's past effectiveness, supported by the data provided in the Past Performance table, in improving the literacy of eligible individuals to meet the state's estimated 2023-2024 performance levels, especially with respect to eligible individuals who have low levels of literacy.

Performance Outcome 1: Manatee AE surpassed the 28.7% Overall Total goal of measurable skills gains (MSG) with 30.7% in 2020-2021 and 35.8% 2021-2022.

The Total ELA MSG target of 28.2% was also exceeded by Manatee AE with the percentage of ESL students attaining at least one MSG in 2020-2021 and 2021-2022 at 39.9% and 43.2% respectively. In ESL level 6, Manatee AE doubled the performance from 20.5% in 2020-2021—during the pandemic—to 40.7% in 2021-2022. In 2021-22, all ESL levels were higher than 36% (with a range of 36.8% - 57.1%).

In 2020-2021 and 2021-22, Manatee's ABE programs missed meeting the goal of 29.3% with achievements of 20.6% and 19.7%. Performance was impacted by school closures and the inability to post-test students due to the global pandemic. In both years, Level 1 had a very small number of participants which disproportionately affected the overall performance percentage. It is significant to note that both ASE levels (ABE 5-6) reported markedly lower gains than the other ABE levels (excluding the small sample size of ABE level 1). At the time, Manatee AE did not post-test ASE students as this is not a requirement, but beginning in the 2022-23 academic year, a procedural change was initiated, and these students are now being post-tested with TABE and/or CASAS in addition to earning milestones by passing GED subject tests.

However, Manatee AE surpassed the MSG Overall Total goal of 28.7% with 30.7% in 2020-2021 and 35.8% 2021-2022.

Performance Outcome 2: Manatee AE students exceeded the 31% target for Employment 2nd Quarter After Exit with 34.4% in 2020-21 and 35.6% in 2021-22, and the 28% target for 4th Quarter After Exit with 33.1% in 2020-21 and 37.9% in 2021-22.

Performance Outcome 3: Manatee AE also exceeded the $4,876 Median Earnings target both years with median earnings 2nd quarter after exit of $5,402 in 2020-2021 and $6,198 in 2021-2022.

Performance Outcome 4: As to Credential Attainment, taken individually, only one indicator of performance (attained a Postsecondary Credential while enrolled or within one year of exit) in 2021-22 exceeded the goal of 24%. However, a sum of the number of exited students who achieved an outcome in all three indicators of performance in the Past Performance Table produced percentages of 23.6% in 2020-21 and 23.1% in 2021-22. These percentages are just shy of the 24% goal for Credential Attainment. When the sum of the number of exited students who achieved an outcome includes the final measure (Attained Any Credential, Unduplicated) from NRS Table 5 (from which the performance table draws its outcomes), the percentage rises to 47.2% for 2020-21 and 42% in 2021-22, exceeding the 24% goal both years.

It is significant to note that in both years, around 70% of ABE students were in ABE instructional levels 1-4, which translates to a high number of students with instructional levels less than 8th grade. Since this time, data and program analysis led to changes in staffing and instructional materials. In addition, many online asynchronous classes have been and continue to be replaced by more hybrid courses and traditional classes, so that more lower-level students have direct instruction and increased contact with instructors.

2023-24 Approved WIOA Measures Minimum Performance Levels for Florida Adult Education Programs	
Measurable Skill Gain (MSG)	
• Educational Functioning Level (EFL) completion measured on pre and post test	Overall 28.7% ABE 29.3% ESL 28.2%
• Enrollment in postsecondary education after program exit	
• Receipt of recognized secondary credential or its recognized equivalent	
• Progress toward milestones	
• Passing a technical/occupational knowledge-based exam	
Employment – 2nd Quarter After Exit	31%
Employment – 4th Quarter After Exit	28%
Median Earnings	$4,867
Credential Attainment	24%

J. Comprehensive Performance Monitoring (10 points)

1. Describe the agency's data management information system and practices for the following:

    a. Tracking student attendance records

Campus Solutions Data Management System (CS DMS) contains a full attendance tracking system including attendance data and actual contact times. Due to the security parameters within Campus Solutions, only specific designated personnel have access to student data. Career Counselors, designated data personnel, and administrative personnel as well as teachers, their classes only, may access attendance records with varying permission levels according to their role. Leadership (assistant director) is dedicated to ensuring that teachers take attendance on a daily or weekly basis, depending on if the class meets in a traditional or online modality. Assistant director also monitors any anomalies via a nightly report. Campus Solutions allows instructors to enter referrals or warnings as needed regarding attendance patterns that violate State and school policies. Career Counselors then intervene with virtual or face- to-face meetings with individual students to remedy the situation. This may result in referrals to other agencies for support services depending on student needs.

b. Tracking student pre and post-tests

Manatee Technical College Adult Education (MTC AE) has a locally written adult education assessment produce manual that addresses pre- and post-test business processes.

All Adult Education students are pre-tested using a state-approved assessment(s) prior to being enrolled into class. MTC AE uses the CASAS and TABE assessments for pre- and post-testing. MTC AE tests all new students prior to enrollment. Continuing students may be placed into class with test scores that were administered within 4 months.

MTC's testing center personnel use a query in the Campus Solutions Data Management System (CS DMS) to determine if enrolled students have met the instructional hours required to post-test per test publishers and FDOE guidelines. There is a locally established business process in place that outlines the protocols and procedures aligned with these guidelines.

Testing personnel advise instructors of the students who are eligible to post-test and the instructor then coordinates with the students and testing personnel to schedule the post- testing. Trained testing center personnel enter the post-test data into the CS DMS, and the instructor and/or Career Counselor confer with the student to discuss the results and to review or reassess short- and long-term goals. During the intake appointment, students are scheduled for pre-testing according to course enrollment and the date of the last test, if applicable.

Manatee's testing center personnel use a query in the Campus Solutions SIS to determine if enrolled students have met the instructional hours required to post-test per test publisher and FDOE guidelines. There is a locally established business process in place that outlines the protocols and procedures in place aligned with these guidelines. Testing personnel advise instructors of the students eligible to post-test. The instructor then coordinates with them to schedule the post-testing. Trained testing center personnel enter the post-test data into the SIS, and the instructor and/or Career Counselor confer with the student to discuss the results and review or reassess short- and long-term goals.

c. Tracking student outcomes

Manatee AE auto-imports CASAS scores into Campus Solutions (SIS) each morning. TABE score imports are in progress as we work out the mappings from the import file to the destination elements in the SIS.

The State Reporting Specialist notifies the Career Counselor when students earn an LCP for the counselor to make the appropriate student schedule change based on the learning gains. The Career Counselors then meet with students to review their progress.

Credentials of Value (Industry Certifications, Licensure, etc.) will be documented as Milestones in Campus Solutions and then reported to FSR through the Supplemental Information Format report. These will be reported in Surveys F, W, and S.

d. Providing frequent student and program data to teachers and staff to better target educational services and to ensure program effectiveness

Locally produced reports can be obtained at any time to allow for program analysis and improvement by administrative staff and key stakeholders. This data also serves to inform professional development offerings based on emerging data trends and to meet the developmental needs of instructors, when appropriate. The schedule of instructional staff allows for quarterly discussions of student data and outcome measures. Program improvement and analysis is also discussed during these quarterly data discussions.

e. Data collection, privacy, and quality

Data Collection: All data, such as admission, testing, enrollment, attendance, and grades, is collected using the Campus Solutions Data Management System (CS DMS).

Privacy: The CS DMS incorporates levels of security which allows only specific designated personnel to have access to student data. Manatee Technical College Adult Education (MTC AE) complies with FERPA law and School District of Manatee County (SDMC) policies.

Quality: The State Reporting Specialist (SRS) is responsible for maintaining the quality of student data. The Campus Solutions WDIS Data Verification process allows for review, verification, and

analysis of student data prior to submitting it to Florida State Reporting (FSR). WDIS Data Verification is viewed by survey period and reports contained within the survey period. This process is run daily to check for errors which are then investigated and corrected. The goal is to have all correctable errors resolved prior to submitting data to FLDOE. Thirty days prior to the FLDOE Survey Load date, the reporting data is submitted to FLDOE Data Quality2 (DQ2) system. Once data is submitted, Error, Validation, and Exception reports are generated. If additional errors are identified through these reports, the SRS corrects the data in the CS DMS, generates new extract files, and submits them to DQ2 to verify correction of the error. This process is repeated until all correctable errors are resolved.

Through the data submission of each survey period, the FLDOE Workforce Education Data System (WEDS) generates WEDS reports that give an overall view of the data submitted. The reports give a comparison of the present reporting period and the same reporting period from the previous year. WEDS will generate reports after the initial Load and Close date of the Survey. Information from the Load reports are analyzed to find possible anomalies and/or errors. These are then investigated and corrected prior to the FLDOE Survey Close date. Information from the Close reports is used to manage, improve, and evaluate programs offered at Manatee AE.

f. Using data for program and system improvements

Adult Education data from local and FDOE reports are reviewed by the Adult Education Director (MTC Assistant Director) and Program Supervisor, the MTC- Campus Solutions Manager, the Adult Education Records Coordinator, and the Student Records and Accreditation Coordinator (reports coordinator). Recommendations for program improvements, data collection and changes to business processes are subsequently shared with the Director and members of the Campus Solutions Leads Team where they are discussed and acted upon.

This team attends WEDDAC meetings to stay up to date with changes to reporting requirements. They also hold as-needed meetings within the group, including other individuals if

needed, as issues arise. The team also conducts a bi-weekly Campus Solutions Leads meeting to discuss issues, upcoming changes, or matters specific to the local SIS, Campus Solutions.

Locally produced data reports are also used to identify enrollment trends, meet the developmental needs of instructors, and to determine professional development needs for faculty and staff to better meet the needs of individual students leading to higher student achievement and success.

g. Monitoring program performance

Locally produced data reports are entirely customizable and are also used to identify enrollment trends, LCP attainment, student attendance and outcomes, and post-testing data to meet the needs of individual students leading to higher student achievement and success. This allows for referrals to other local and regional agencies for services specific to the student through the CareerSource Suncoast Crosswalk referral system. The Campus Solutions SIS also allows instructors and staff to enter referrals allowing for interventions from Manatee AE's Career Counselors and other appropriate staff members such as the ESE coordinator. In addition, reports are used to review instructor and program effectiveness and to determine professional development offerings.

h. Sharing data with core partners for strategic improvements

As part of the application process, all students complete a FERPA release authorizing Manatee Technical College Adult Education (MTC AE) to share data with the CareerSource Crosswalk referral service. This is a regional partnership of 32 participating agencies that provide a multitude of services through the workforce region. Agencies may be added as needed and as more regional collaborations are established. Manatee AE has established business processes. Signed FERPA-complaint release forms are required to share student data when applicable.

2. Describe how the agency's personnel will engage in the collection, entry, attestation, correction of errors and resolution of issues in the data management system. Explain any current limitations and how data will be used to:

    a. Measure participant outcomes

Participant outcomes may be tracked through data reports which are entirely customizable. This includes monitoring individual student LCP attainment, student attendance, and post-testing data to meet the needs of students, leading to higher student achievement and success. Data review allows for referrals to other local and regional agencies for services specific to the student through the CareerSource Suncoast Crosswalk referral system. The Campus Solutions Data Management System (CS DMS) also allows for instructors and staff to enter referrals allowing for interventions from Manatee Technical College Adult Education (MTC AE) Career Counselors and other appropriate staff members such as the ESE coordinator.

    b. Evaluate learning gains and student goal achievement

Career Counselors and instructors will use student data in the recurrent goal-setting discussions with students to motivate and remediate as necessary. Administration along with Campus Solutions SIS data personnel review discrepancies to resolve issues.

    c. Design IET programs and two-generation approaches

Manatee Adult Education will use a comprehensive data analysis and review approach to develop IETs and two-generation approaches with local and regional partners. Agency generated data will be used to identify instructional service needs, informed by regional employment needs, aligned with the local workforce development board (LWDB), and delivered through a collaborative network of partners. Groups of partners (current and proposed) that may be engaged in the process include Career and Technical Education (CTE) partners, business and industry stakeholders, special populations partners, and family literacy stakeholders that have an interest in student success for both AGE (section 231) and IELCE (section 243) programs.

d. Identify gaps and recruit partners to better support high-need priorities for use beyond NRS and compliance reporting

Frequent review of data patterns and trends will be used to provide ancillary services on campus by community partners and local or regional service providers and to encourage the agency or resource to participate in the CareerSource Suncoast Crosswalk referral service and with regional providers and other postsecondary institutions.

3. Describe how the project will comply with the reporting requirements of the National Reporting System (NRS) and WIOA Performance Measures (Section 116).

Manatee collects and reports data per all reporting requirements, policies and formats identified in the WDIS (Workforce Development Information System) Handbook. In addition, all reporting changes presented at WEDDAC by FLDOE are reviewed and implemented. The State Report Process is run regularly and reviewed on the WDIS Data Verification page in CS DMS. All errors are corrected, and the State Report Process is rerun to verify corrections. This process and all locally established business processes regarding required NRS and WIOA reporting will continue.

Manatee AE compliance with reporting requirements of NRS and WIOA performance measures is evidenced by Manatee's participation in the FDOE Quality Assurance and Compliance Virtual Desktop Monitoring (VDMR) process in January 2021 in which Manatee received zero (0) audit findings.

The Manatee AE academic calendar and class schedules are aligned with the survey reporting load dates. All data personnel and administrators work 12 months.

Required Budget Narrative
Scored

K. Budget Narrative Maximum 15 Points

1. How the funds requested will be spent to meet the objectives consistent with the requirements of WIOA, as outlined in the written narrative responses.

Funds will be spent to meet the objectives consistent with the WIOA (13 considerations) and the needs that have been identified in the LWDB Region 18 plan. Funds will be used solely for activities that directly support the accomplishments of these priorities: Instructor and counselor salaries and benefits to provide programs that are of sufficient intensity and quality so that participants, including those with disabilities and other special needs, the ALICE population, students with low literacy skills and low English proficiency levels, can achieve substantial learning gains, offer flexible schedules, career pathways, integrated education and training, family literacy activities, and support transitioning to postsecondary education, training, or employment (considerations 1-6, 10-11, 13); access to digital curricula, textbooks, and other materials and supplies to employ research-based curricula and technology including traditional, distance and blended learning opportunities, to increase student achievement and outcomes (consideration 7), travel and professional development to deliver instruction based on research- and evidence-based best practices and to provide adult education and literacy skills with concurrent, contextualized workforce activities and skills by well-trained faculty (considerations 8, 9). The budget narrative reflects these priorities.

2. Describe how funds will be used to supplement (not supplant) adult education services.

Funds will be used to supplement adult education services that are funded through Florida Workforce Development Funds and other funds, which are used to provide salaries, benefits, travel for professional development, instructional materials and supplies, traditional, hybrid and distance learning, non-instructional counseling, placement, managed enrollment, assessment, career pathways, salaries and benefits of administrative and support staff, utilities, communication, custodial and security costs.

Additional Required Narrative Responses
Not Scored

The following narrative responses (L and M) are required but not scored.

L. General Education Provisions Act (GEPA) – For Federal Programs

Eligible agencies must provide a concise description of the process to ensure equitable access to, and participation of students, teachers and other program beneficiaries with special needs. For details, refer to General Education Provisions Act (GEPA) section 427 (PDF).

In accordance with the requirements of Section 427 of the GEPA Public Law 103-382, here set forth is Manatee School District's GEPA Plan to ensure equitable access to, and participation of students, teachers, and other program beneficiaries with special needs.

No employee, student, applicant for admission or applicant for employment, volunteer, vendor, or member of the public, shall, on the basis of race, color, national origin, gender, disability, marital status, age, genetic information or any other basis prohibited by law, be excluded from participation in, be denied the benefits of or be subjected to discrimination or harassment under any educational programs, activities, services, or in any employment conditions, policies or practices conducted by the Manatee County Public School System. The District shall comply with all state and federal statutes relating to nondiscrimination, including but not limited to Florida Statutes: Title VII, Title IX, the Americans with Disabilities Act of 1990 (ADA) Section 504 of the Rehabilitation Act of 1973, ADEA, Section 1000.05 Florida Statutes (2005).

Accommodations and modifications for students with disabilities: Adult students with disabilities must self-identify and request such services. Students with disabilities are provided accommodations as needed in such areas as instructional methods and materials, assignments, assessments, time demands, schedules, learning environment, assistive technology, and special communication systems. Other support services include personnel, such as interpreters, readers, and tutors. Schools are handicapped accessible.

Support for Strategic Imperatives

1. Describe how the project will incorporate one or more of the Goals included in the State Board of Education's K-20 Strategic Plan.

The Manatee Adult Education program incorporates the Strategic Goals included in Florida's PreK-20 Education Strategic Plan. The strategy to achieve **Goal** 1, highest student achievement, is to increase college readiness and success by utilizing assessments (CASAS, TABE and industry certification and licensure exams) to direct learning and outcomes and expanding opportunities for postsecondary enrollment. Those who participate in the IET program or co-enroll in post-secondary education at MTC have the opportunity to earn an industry certification or state or national license. The strategy to achieve **Goal 2,** seamless articulation / maximum access, is incorporated through Career Pathways implementation, instructor professional development, providing concurrent enrollment opportunities in postsecondary education and training, and touring college campuses. The strategy to achieve **Goal 3,** skilled workforce/economic development, is to prepare students for careers through workplace contextualized and integrated curricula, local employers serving on program advisory committees, and offering students opportunities to attend career fairs and meet with intake specialists from CareerSource. **Goal 4:** The District supports these goals through efforts to achieve quality efficient services.

Optional: Family Literacy and Two Generation Approaches
Not Scored

The state will consider *activities that are of sufficient intensity and quality, to make sustainable improvements in the economic prospects for a family and that better enable parents or family members to support their children's learning needs, and that integrate all of the following activities:*

A. Parent or family adult education and literacy activities that lead to readiness for postsecondary education or training, career advancement, and economic self-sufficiency.
B. Interactive literacy activities between parents or family members and their children.
C. Training for parent or family members regarding how to be the primary teacher for their children and full partners in the education of their children.
D. An age-appropriate education to prepare children for success in school and life experiences.

AEFLA Section 203(9) (A-D)

M. Family Literacy and Two Generation Approaches

1. Describe the need for two-generation approaches and any proposed plan for identifying appropriate provider partners and co-developing two-generation models during year one of the three-year plan. Provide an overview of the partners' ability to provide two-generation services. Include information regarding:

The regional need for two-generation approaches to family literacy is supported by the following indicators by the National Center for Education Statistics for the School District of Manatee County: 16% of residents have less than a high school diploma; 26% have a high school diploma as the highest degree attained; 15% of families have income below the poverty level; 23% of families rely on food stamps/SNAP benefits; 4% speak English "less than very well." https://nces.ed.gov/Programs/Edge/ACSDashboard/1201230

Data from the 2019-2020 and 2020-2021 Florida Kindergarten Readiness Screener (FLKRS) indicate that 52% and 53% of tested students demonstrate kindergarten readiness. Thus, approximately half of students entering school at that grade level do not demonstrate school readiness, further demonstrating the need for 2-generation family literacy programs and activities in Manatee County.

A regional approach to providing 2-generation family literacy activities would include a partnership with Sarasota County School District which, like the School District of Manatee County, also participates in the larger family literacy effort, the Suncoast Campaign for Grade-Level Reading (SCGLR), which encompasses Charlotte, DeSoto, Manatee and Sarasota Counties and which is spearheaded by The Patterson Foundation and its many regional partnerships and business and industry sponsors within Workforce Region 18 and the larger four-county Southwest Florida region.

In the past, Manatee AE has partnered with *Soar in 4,* the School District of Manatee County's Campaign for Grade Level Reading initiative provided by the Patterson Foundation. This program provides comprehensive research- and evidence-based early childhood education programs and family literacy activities through a two-generation model. In addition, Manatee AE has partnered with School District of Manatee County's Early Learning Department to provide 2-generation workshops to AE students on campus using evidence-based curricula.

a. Curriculum/material intended to be used to provide instruction to this population;

The curricula and materials used include these evidence-based programs: Sound Beginnings, PBS/Sesame Street, and the Soar in 4 designed curricula.

b. Types of activities that will be implemented in the program; and

Two-generational family literacy workshops and literacy-based events.

c. Partnerships, support services and accommodations.

Past partnerships in the Soar in 4 initiative include: the Florida Campaign for Grade Level Reading, the University of Florida Lastinger Center for Early Learning, Beall's Inc, Food Bank of Manatee, United Way, Story Makers, Manatee Education Foundation, Art Center Manatee, Early Learning Coalition, and the Sarasota Bay Club as well as the School District of Manatee County's Early Learning Department. Appropriate support services would be provided by the

CareerSource Suncoast Crosswalk referral system, Career and Technical Education, Manatee County School District's Early Learning, ESOL, Migrant and Dual Language, Homeless and Exceptional Education Departments, as well as the AE ESE Liaison.

Integrated English Literacy and Civics Education (IELCE) - Section 243 Scored

WIOA Title II [§203(12)] authorizes funding of programs providing adult education and literacy activities to English language learners, including professionals with degrees and credentials from their native countries, that enables such adults to achieve competency in the English language and acquire both basic and advanced skills necessary to function effectively as parents, workers, and citizens of the United States. These services include:

- academic instruction in literacy and English language acquisition
- instruction on the rights/responsibilities of U.S. citizenship and civic participation
- workforce training.

Required components of an IELCE program include:

- English Language Acquisition (speaking and comprehension); and
- Literacy (reading and writing); and
- Civics education (the rights and responsibilities of citizenship and civic participation);
- Integrated Education and Training (IET).

Important reminders:

- All questions in the Narrative section also apply to the IELCE program and should be noted in the applicant's responses. There are additional specific narrative questions in this section.
- Since IELCE WIOA Section 243 funds are provided under a separate federal grant to FDOE, funds provided for IELCE must only be used to support activities related to a provider's IELCE program.

Narrative Questions (10 points)

1. Describe strategies to identify and recruit English language learners for participation in the proposed IELCE program(s), including those learners with advanced degrees from other countries.

The identification and recruitment tools Manatee AE use include the following:

- Social Media Campaigns (Twitter, Facebook, Instagram)
- Media releases
- PeachJar electronic flyers to school district parents- including English learners with advanced degrees
- Announcements on the institution's digital signs

- Website
- Featured interviews and announcements on Spanish-language radio station
- Referrals from local business and industry partners
- Referrals from local and regional community agencies through the CareerSource Suncoast Crosswalk referral system
- School district partners such as ESOL, Migrant & Dual Language, Migrant, Homeless, Drop-Out Prevention, Guidance, Early Learning Departments (for parents and including English learners with advanced degrees)
- CareerSource Suncoast (LWDB)-including English learners with advanced degrees
- SIS to recruit and re-enroll English learners with advanced degrees for IET programs
- Career Counselor presentations and participation at community outreach events, open houses, and job fairs.

2. Describe how English language learners participating in IELCE can engage in the three required components: a) instruction in English language acquisition and civics education; b) workforce preparation activities; and c) workforce training. Describe how these components occur simultaneously (rather than sequentially) and are based on a single set of learning objectives.

a) Manatee AE uses Burlington English as core instruction in IELCE. This program is research-based, vetted by OCTAE, and is aligned with the College and Career Readiness Standards, the CASAS competencies and the FLDOE Adult ESOL and Employability Skills Standards. This program is based on the evidenced-based communicative approach of language acquisition and provides differentiation as needed. Contextual and concurrent instruction is provided at every NRS level of instruction including reading and language skills, vocabulary, reading comprehension exercises, speaking opportunities. Additionally, this program is based on principles of andragogy so that students can customize their learning. It is student-centered and provides meaningful interactions and connections to adult learner's lives and experiences. Burlington English also contains modules on civics and citizenship to ensure that learners understand the rights and responsibilities of citizenship. This module includes topics such as US history, freedom of speech, how to participate and contribute to one's community, government structure, the U.S. Constitution, and the Bill of Rights.

Supplemental resources are also available for instruction such as New Reader's Press citizenship texts and newcomer resources.

b) The Burlington English Career Pathways course incorporates workplace preparation in modules that address workplace ethics, customer service, soft skills, analytical and problem- solving skills, business acumen, teamwork, education opportunities and digital literacy concurrently with occupational content. In addition, workforce preparation skills are taught using New Reader's Press materials appropriate for each NRS English proficiency level. Instructors include workforce preparation activities such as researching a relevant topic and making a PowerPoint presentation, analyzing data, and making charts, and using Microsoft Word to create a resume. These artifacts are retained in the student's personal portfolio.

c) Through the Career Extension courses, Burlington English provides contextualized and concurrent instruction including reading and language skills, vocabulary, reading comprehension exercises, and speaking opportunities relevant to more than forty specific occupations. These courses may be used in the Adult ESOL program, but they are also used in IETs. In the IELCE Paraprofessional IET, students receive concurrent English language instruction along with job-specific workforce training using the BloomBoard platform. This program provides occupational skills training to build the knowledge necessary to pass the ParaPro Certification assessment with the established SDMC cut score and demonstrate the ability and knowledge required to assist classroom teachers and help students with classwork. This course includes three components designed to empower participants to demonstrate mastery of the key competencies associated with effective paraprofessionals*: Supporting a Positive Classroom Culture, Leading Small- Group or 1-on-1 Instruction and Supporting Students*

in Math. At the course's end, successful student completers will meet the eligibility requirements to be hired as an SDMC Teacher Aide/Paraprofessional.

3. **IET Program of Study Template** (Appendix C). IET programs previously approved by FDOE are not required to be submitted with this grant application.

IET Programs of Study for IELCE and ABE were previously submitted and approved by FDOE.

4. Describe how the IELCE program(s) will prepare participants to transition into unsubsidized employment in occupations leading to family-sustaining careers.

Current intake processes provide student support and mark the onset of transition services based on specific student needs and interests. Career Counselors conduct career interest assessments to develop a customized student plan for postsecondary enrollment and/or employment based on the student's interests, needs, and goals. These individual meetings between Career Counselors and students allow for referrals to agencies that provide appropriate ancillary or wrap-around support services leading to higher student achievement and better outcomes. The ESE liaison serves students in a consultative manner as needed. Manatee AE plans have representatives from Vocational Rehabilitation, Goodwill Manasota, the Manatee Literacy Council, for example, and other agencies providing services to students with disabilities and/or with low literacy skills on campus on a regular basis to facilitate and coordinate services. This is likewise the case with agencies serving immigrant and Hispanic populations, including Lutheran Services Florida, Unidos Now, and the Gulf Coast Latin Chamber of Commerce, among others.

Manatee AE plans to have representatives and students from CTE programs on campus to answer potential participants' questions. Manatee AE is increasing its already strong partnerships with CareerSource Suncoast through a focus on Adult ESOL and IET students and their diverse needs and seeks to diminish barriers to employment and postsecondary education. Workshops targeted for Career Counselors and instructional staff to increase their own knowledge about the services provided by CareerSource Suncoast will be held during in-service

days for a seamless student transition to education, training, and employment beginning next semester. Manatee AE will:

- Deliver workforce, education, and training activities to help Floridians advance their careers.
- Offer, English Language Acquisition (WIOA Sec. 231), Integrated English Literacy and Civics Education (WIOA Sec. 243), and family literacy activities to help Floridians fill knowledge, skills, and abilities gaps as identified in the LWDB plan.
- Offer workforce preparation activities and integrated education and training (IET), for in-demand occupations and industry sectors to meet the needs of employers as identified in the LWDB plan.
- Continue communication and enhance collaboration with regional partners to be a part of building capacity of the region's workforce system.
- Enhance communication and collaboration with current and new partners to increase recruitment and the mutual referral process to improve workforce readiness and assistance for students with disabilities or barriers to employment.

5. Describe how braided funding and/or cost sharing agreements with partners will support the workforce training component of the proposed IELCE program(s).

Manatee District Adult Education (AE) will hold classes at two Goodwill Manasota locations to provide ESOL services to English learners in different locations throughout the county, including an area where a high concentration of students in need resides. Manatee AE provides the Local Workforce Development Board (LWDB), CareerSource Suncoast, with office space on its Main campus so that participants have easy access to additional opportunities for workforce training and services, including access to funding for postsecondary training opportunities and the attainment of credentials of value tied to local workforce needs.

Narrative Questions

1. Describe the procedures in place to promote alignment among adult education service providers in the local area.

The two adult education service providers within Workforce Region 18 are Manatee and Sarasota County school districts. The two districts use a Crosswalk referral, web-based application system as an important procedure to promote alignment. The "Crosswalk facilitates awareness of the community's human services, encourages communication with partner agencies, creates a process for interagency referral, establishes accountability and the expedition of services resulting in greater collaboration among local area providers." (2020-2024 Local Plan) Satellite One-Stop centers are located at both adult education service provider campuses (Manatee Technical College and Suncoast Technical College). "CareerSource Suncoast and adult education programs work collaboratively with assessment and instructional services that are provided on-site at the centers and include counseling, advising, and other services related to awareness of workforce resources." (Local Plan) Manatee and Sarasota are also planning a joint IET program.

2. Describe how the adult education program will address the regional needs as identified in the LWDB plan by serving individuals in the community who were identified as most in need of adult education and literacy activities, including individuals who have low levels of literacy skills or who are English language learners.

The local area is comprised of Manatee and Sarasota counties. Of the local area population who speak English not well or not at all, 84% reside in Manatee County. Of the average number of annual high school dropouts within the local population, 63% reside in Manatee County. Of the local population with highest grade completed being less than 9th and 9-12 with no diploma, 75% reside in Manatee County.

Manatee District Adult Education will address these needs by providing Adult Basic Education (ABE), Adult ESOL (English for Speakers of Other Languages), GED® Preparation, and Integrated Education and Training (IET) programs. Programs will be offered at the MTC (Manatee Technical College) Main Campus and at two Goodwill locations within Manatee County, and online (distance and hybrid learning options). Laptop computers or tablets will be provided to students who need them.

Funds will be spent to meet the objectives consistent with the WIOA and the needs identified in the Local Plan. Specifically, funds will be used to pay for instructor and counselor salaries and benefits to provide programs that are of sufficient intensity and quality so that participants, including those with disabilities and other special needs, the ALICE population, students with low literacy skills and low English proficiency levels, can achieve substantial learning gains, be offered flexible schedules, career pathways, integrated education and training, family literacy activities, and support transitioning to postsecondary education, training, or employment (considerations 1-6, 10-11, 13); access to digital curricula, textbooks, and other materials and supplies to employ research-based curricula and technology including traditional, distance and hybrid learning opportunities, to increase student achievement and outcomes (consideration 7), and travel and professional development to deliver instruction based on research- and evidence-based best practices and to provide adult education and literacy skills with concurrent, contextualized workforce activities and skills by well-trained faculty (considerations 8, 9).

3. Describe how the eligible provider will provide adult education activities and services in alignment with the strategy and goals of the LWDB plan, including how the agency will promote co-enrollment in programs and activities provided by WIOA, Title I core programs (Adult Program, Dislocated Worker Program, Youth Program, Adult Education and Family Literacy Act, Wagner-Peyser Act, Vocational Rehabilitation Program, including Blind Services Program).

The mission of CareerSource Suncoast is to recruit, train and retain talent for employers on the Suncoast. Per the LWDB Plan, goals include preparing for an educated and skilled workforce, regional economic growth, and self-sufficiency, to deliver services that provide employers with the talent they need to succeed. One of the strategies to achieve these goals is to "create, host and facilitate a region-wide organized effort to address workforce issues, policy, resources and strategies."

"CareerSource Suncoast partners with Manatee and Sarasota County School Districts' adult education programs to offer a variety of alternative learning opportunities and arrangements for adult...career seekers to engage in academics through non-traditional means. CareerSource Suncoast is co-located and coordinates efforts with Suncoast Technical College and Manatee Technical College." (LWDB Plan, p. 43)

The Manatee School District provides Adult Education program offerings (traditional, hybrid, and distance learning) at Manatee Technical College and two Goodwill locations in Manatee County. Through the One-Stop at Manatee Technical College, Manatee Adult Education partners with CareerSource Suncoast Adult Program and Dislocated Worker Program, the Farmworker Career Development Program, the Florida Division of Vocational Rehabilitation, and the Florida Division of Blind Services to promote co-enrollment in programs and activities.

4. Provide specific details about shared-cost activities and the resources utilized to support those costs (Example: AEFLA funds cover the cost of the full-time adult education teacher and the local board covers the cost of the classroom facility).

AEFLA funds cover the cost of the part-time adult education teachers, online instructional programs, and computers/tablets at Manatee Technical College, Goodwill Ranch Lake, and Goodwill Cortez. The School District of Manatee County provides office space for CareerSource at Manatee Technical College, which includes furniture, computer, utilities, and telecommunications. CareerSource benefits from the onsite location and access to clients. Manatee students benefit from the resources and supportive services provided by and through CareerSource, including assistance with transportation, special services, employability skills training and support, and job placement assistance.

5. Provide a copy of the Memorandum of Understanding (MOU) agreement and Local One-stop Infrastructure Cost agreement with the LWDB. (If a MOU is not available at the time the application is submitted, an executed MOU must be submitted to FLDOE prior to the issuance of the grant award notification.)

Attached is the signed Memorandum of Understanding (MOU) and Local One-stop Infrastructure Cost agreement with CareerSource Suncoast for the period July 1, 2023, through June 30, 2026.

MOU Agreement #: 23-06
IFA# 23-06A

CareerSource Suncoast
One-Stop Career Center
Memorandum of Understanding

I. Purpose

It is the purpose of this Memorandum of Understanding (MOU) to state the conditions under which the Career Center Partner, **School District of Manatee County**, hereinafter referred to as School District of Manatee County or Partner, whose address is 215 Manatee Ave. West. Bradenton, Fl. 34205, will implement and provide services, as shall be described herein, in partnership with the **Suncoast Workforce Board, Inc. dba CareerSource Suncoast (CSS)**, whose address is 3660 N. Washington Blvd., Sarasota Fl. 34234, to eligible clients Local Workforce Development Board 18 as required under the Workforce Innovation and Opportunity Act (WIOA, [2014]). The cornerstone of the Act is its one- stop customer service delivery system. The One-stop System assures coordination between the activities authorized in and linked to this Act. The attached Infrastructure Funding Agreement (IFA) is a mandatory component of the MOU and contains an infrastructure costs budget, and important part of the overall operating budget which included applicable career services and shared operating costs and services among partners.

Activities within this MOU include the cooperative workforce training, employment and economic development efforts of CSS and the Partner and the actions to be taken by each to assure the coordination of their efforts in accordance with state issued requirements. This agreement is intended workforce services in Manatee and Sarasota Counties. In addition, this agreement will establish joint processes and procedures that will enable the Partner to integrate with the current Career Center service delivery system resulting in a seamless and comprehensive array of education, human service, job training, and other workforce development services to persons with disabilities and significant barriers to employment within Manatee and Sarasota Counties.

The parties to this document agree to coordinate and perform the activities and services described herein within the scope of legislative requirements governing the parties' respective programs, services, and agencies.

II. Services Provided

The Manatee Board of County Commissioners and Sarasota Board of County Commissioners have designated career Source Suncoast to act as the administrative entity, grant recipient and fiscal agent for this local workforce development area.

CareerSource will perform the following functions:

1. Coordinate with the Partner to provide access to workforce services and programs through the One-stop System in accordance with published policies and procedures which include the way the services will be coordinated and delivered through the One-stop System. Workforce services and programs include, but are not limited to, the allowable activities described in the WIOA and related legislation for: WIOA adult, dislocated worker and youth programs; Wagner-Peyser; Unemployment Insurance (UI); Veterans programs; Trade Adjustment Assistance (TAA); Temporary Assistance for Needy Families (TANF) program; adult education and family literacy; Perkins Act programs; and Vocational Rehabilitation.

2. Coordinate with the Partner to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to appropriate technology and materials that are available through the One-stop Career Center System.

3. Coordinate with the Partner for the funding of the infrastructure costs of the one-stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any state infrastructure funding mechanism requirements issued by the State of Florida. See Section V – Infrastructure Cost.

4. Maintain the statewide "CareerSource" branding of each center.

5. Maintain and operate at least one comprehensive one-stop career center within the local workforce development area that shall be open to the public from 8:30 am until 5:00 pm, Monday through Friday (excluding recognized holidays, staff development days and emergency situations.)

6. Model CareerSource core values and maintain a professional working environment and abide by all its policies, rules, and procedures and applicable Florida statutes and rules.

7. Review this MOU annually and solicit feedback from the Partner regarding improvements, changes, and/or additions.

The Partner agrees to perform the following functions:

1. Coordinate with CareerSource to provide access to its workforce services and programs in accordance with published policies and procedures which include the manner in which the services will be coordinated and delivered through the One-stop System.

2. Coordinate with CareerSource to ensure that the needs of job seekers, youth, and individuals with barriers to employment, including individuals with disabilities, are addressed in providing access to services, including access to technology and materials that are available through the One-stop System.

3. Coordinate with CareerSource for the funding of any required infrastructure costs of the one-stop career centers and the funding of shared services and operating costs in accordance with 29 U.S.C § 3151 and any infrastructure funding mechanism requirements issued by the State of Florida. See Section V – Infrastructure Cost.

4. Provide CareerSource Suncoast management feedback regarding the performance of the partnership, including its effectiveness and success.

5. Participate in periodic meetings to provide updates on the partners' programs and procedures to CareerSource staff.

III. Methods of Internal Referral

Internal cross-referral procedures will be developed and/or reassessed based upon availability of funding, services and program need to ensure that high quality and convenient services are available to potentially eligible customers of the One-Stop Career Center system. These procedures include active use of the Crosswalk agency-to-agency online referral system and access to the reports generated by this system as agreed upon with CSS staff.

IV. Confidentiality of Records

In the event that either party to this MOU obtains access to any records, files, or other information of the other party in connection with, or during the performance of this MOU, then that party shall keep all such records, files or other information confidential, and shall comply with all laws and regulations concerning the confidentiality of such records, files or other information to the same extent as such laws and regulations apply to the other party.

V. Infrastructure Costs and Insurance

Costs of the infrastructure of the one-stop centers are in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements. Infrastructure Funding Agreements (IFAs) are renewed annually with funding budget and operational cost updates and will effectively become an addendum to this MOU upon signatures of all parties of this MOU.

For Partners co-located physically in the career center, the Partner agrees to provide CSS a current Certificate of Insurance for General Liability, listing CSS as additional insured, on an annual basis. Additionally, Partner shall carry Contents Insurance for all property located in the CSS Career Center, if applicable. CSS is not responsible for lost or damaged contents.

VII. Term

This MOU is effective July 01, 2023 through June 30, 2026, or the date last executed by both parties, whichever is later. This MOU may be terminated for convenience at any time by either party upon thirty (30) days written notice.

Neither this MOU nor any provision hereof may be changed, waived, discharged, or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement.

VIII. Merger

This MOU constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating, and merging all prior understandings, agreements, and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

IX. Third Party Beneficiary

This MOU is for the benefit of CareerSource, the Partner, and the Manatee Board of County Commissioners and the Sarasota Board of County Commissioners and no third party is an intended beneficiary.

X. Governance

The accountability and responsibility for the One-stop System's organizational activity and accomplishments will rest with CareerSource Suncoast, the Manatee Board of County Commissioners, and the Sarasota Board of County Commissioners. Pursuant to the Workforce Innovation and Opportunity Act of 2014, the local Board in partnership with the CEOs shall conduct oversight with respect to the One-stop System.

BY AND BETWEEN CAREERSOURCE SUNCOAST

AND

SCHOOL DISTRICT OF MANATEE COUNTY

I.PARTIES

This Infrastructure Agreement ("IFA") is made pursuant to the Workforce Innovation Act of 2014 ("the Act") and is entered into by **School District of Manatee County**, hereinafter referred to as School District of Manatee County or Partner and **Suncoast Workforce Board, Inc., dba CareerSource Suncoast ("CSS").**

The contact information for Partner is as follows:

II. Purpose

The Workforce Innovation & Opportunity Act (WIOA) is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its American Job Center (AJC) One-Stop customer delivery system. The AJC One-Stop system assures coordination between the activities authorized in and linked to the Act.

WIOA requires Local Workforce Development Boards (LWDB) to develop and finalize Infrastructure Funding Agreements (IFA) with all required partners that carry out their programs in the local area.

The purpose of this agreement is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the AJC One-Stop customer delivery system. The Parties to this Infrastructure Agreement (IFA) agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that:

- Establishes and maintains the local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area,
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness),
- Reduces duplication by establishing data sharing as it relates to participant records for outcome information,
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and

- Ensures that costs are appropriately shared by determining contributions based on the proportionate use of the One-Stop centers and relative benefits received and requiring that all funds be spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this One-Stop operating budget as the master budget necessary to maintain the high standard One-Stop delivery system. It includes the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure costs (also separately outlined in the Infrastructure Funding Agreement (IFA)),
- Career services, and
- Shared services.

All costs included in the IFA, allocated according to Partners' proportionate use and relative benefits received and will be reconciled on a quarterly basis. The One-Stop operating budget is transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners negotiated in good faith and sought to establish outcomes that are reasonable and fair.

III. Partners

Each Partner commits to cross-training of staff, as appropriate, and to providing other professional learning opportunities that promote continuous quality improvement.

Partners will further promote system integration to the maximum extent feasible through:

- Effective communication, information sharing, and collaboration with the One-Stop operator,
- Joint planning, policy development, and system design processes,
- Commitment to the joint goals, strategies, and performance measures,
- The use of common and/or linked data management systems and data sharing methods, as appropriate
- Leveraging of resources including other public agency and non-profit organization services.
- Participation in a continuous improvement process designed to boost outcomes and increase customer satisfaction, and
- Participation in scheduled Partner meetings to exchange information in support of the above and encourage program and staff integration.

iv. One-Stop Operating Budget

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating cost of the One-Stop Centers. The Local Workforce Development Board based the budget on all costs associated with operating the America Job Center.

FTEs Supporting the American Job Center (as of July 2023)		**23**
Cost per FTE = $419,652/28 FTEs (as of July 2023)		**$18,205**
Direct Linkage/Virtual Presence = 0.1 x Cost per FTE (as of July 2023)		**$1,821**

v. Cost Allocation Methodology

All required Partners have agreed to provide access to their programs in the comprehensive One-Stop Career Center and contribute to the infrastructure costs. Partners will have staff co-located in the Center (on a full or part-time basis) or will provide access via direct linkage as outlined in Attachment A (Partner On-site Representation Schedule} and will fund operating costs based on a percentage of the partner's annual FTE. (All costs included in the IFA, allocated according to Partners' proportionate use and relative benefits received, and will be reconciled on a quarterly basis.)

Required partners who have elected not to have staff co-located in the AJC will utilize a "direct linkage" that will allow customers to connect with partner program staff to access

services. Cross-trained front desk and other physically co-located staff can assist in providing information and referrals to the direct-linkage partners. Partners utilizing direct linkage must contribute to the infrastructure cost equivalent to a minimum of 0.1 FTE or 4 hours per week (1 FTE is equivalent to 40 hours/week).

The LWDB selected the cost allocation bases to determine overall Partner contributions. This was done in an effort:

a) To remedy the imbalance of non-physically represented Partners, and

b) To comply with the requirement of Partners' contributions having to be in proportion to the Partners' use of the AJC and relative benefits received.

As outlined in the MOU, the costs of the infrastructure of AJC One-Stop Center will be funded in accordance with the requirements of the Workforce Innovation and Opportunity Act; federal cost principles; and all other applicable legal requirements.

VI. PARTNER CONTRIBUTION (Based on all costs associated with the operation of the American Job Center)

Below is the partner contribution cost determination:

Estimated Cost per FTE	Estimated Infrastructure Costs Total Partner FTE _____ / _____ =
Partner Physical Presence Contribution (*partners who elected to have their representatives in the One-Stop on a FT or PT basis to serve customers)*	1 FTE x Estimated Cost per FTE 1 FTE x $18,205 = $18,205 **(1 FTE represents 40 hours/week commitment)**
Partner Direct Linkage/Visual Presence Contribution *(Partner who elects not to have their representative in the one-stop but offer a technology option to serve customers.)*	Minimum of 0.1 FTE or 4 hours per week 0.1 FTE x $ 18,205= $1,821 **(0.1 FTE represents 4 hours/week commitment)**

FUNDING TYPES AND SOURCES

The permissible types of funds used for infrastructure costs and additional costs of operating a local One-Stop delivery system (i.e., partner's program or administrative funds) may differ depending upon the partners program's authorizing law and implementing regulations. The funds that may be used also differ based on whether the amount that must be contributed by a partner for infrastructure costs is determined under the Local Funding Model or the State Funding Model. (Copy of the TEGL 17- 16: Infrastructure Funding of the One-Stop Delivery System can be found at: TRAINING AND EMPLOYMENT GUIDANCE LETTER No. 17-16 | U.S. Department of Labor (dol.gov).

Types. Funding for infrastructure costs and additional costs may be in the form of:
(1) CASH, NON-CASH and THIRD-PARTY IN-KIND CONTRIBUTIONS*
(2) Funding from philanthropic organizations or other private entities; or
(3) Other alternative financing options (described in WIOA sec. 121(c)(2)(A)(ii) and 20 CFR 678.715, 34 CFR 361.715, and 34 CFR 463.715.

Some partner programs may have statutory or regulatory prohibitions against using certain types of these contributions or on how the program may treat these contributions for fiscal accountability purposes under the respective program's requirements.

*

Cash

Cash funds provided to the Local WDB or its designee by one-stop Partners, either directly or by an interagency transfer, or by a third party.

Non-Cash

- Expenditures incurred by one-stop Partners on behalf of the one-stop center; and
- Non-cash contributions or goods or services contributed by a Partner program and used by the One-Stop center.

The value of non-cash and third-party in-kind contributions must be fairly evaluated in accordance with the Uniform Guidance at 2 CFR 200.306.

Third-party In-kind

Contributions of space, equipment, technology, non-personnel services, or other like items to support the infrastructure costs associated with one-stop operations, by a non- - one-stop Partner to:

Sources: The source of funds that may be used to pay for infrastructure costs depends on the requirements regarding use of funds under the law authorizing the partner program that is contributing the funding. The infrastructure funding may be from funds classified as administrative, program, or both, depending on the partner programs' requirements.

VII. Cost Reconciliation

The source of funds that may be used to pay for infrastructure costs depends on the requirements regarding use of funds under the law authorizing the partner program that is contributing the funding.

The Partner agrees to submit Infrastructure Funding agreement reports on a quarterly basis for the LWDB (CSS) to complete a reconciliation of budgeted and actual costs and updates of the allocation basis.

All Parties agree that a bi-annual reconciliation of budgeted and actual costs and update of the allocation basis will be provided for the review.

The LWDB will submit invoices (if applicable) to the Partners and send a copy of the updated budget to all Parties. Partners will communicate any disputes with costs in the invoice or the budget to the LWDB in writing. The LWDB will review the disputed cost items and respond accordingly to the Partner. When necessary, the LWDB will revise the invoice and the adjusted budget upon resolution of the dispute.

One-Stop delivery system infrastructure costs are defined as non-personnel costs that are necessary for the general operation of the OSCC, including, but not limited to: Rental of the facilities; Utilities and maintenance; Equipment, including assessment-related products and assistive technology for individuals with disabilities; and, Technology to facilitate access to the One-Stop delivery system, including technology used for the center's planning and outreach activities. This may also include the costs associated with the development and use of the common identifier (i.e., American Job Center signage) and supplies, as defined in Uniform Guidance at 2 CFR 200.94, to support the general operation of the One-Stop center (WIOA sec.121 (h)(4) and 20 CFR 678.700(a), and 34 CFR 446.700(a)).

Non-personnel costs are costs that are not compensation for personnel costs. For example, technology-related services performed by vendors or contractors are non-personnel costs and may be identified as infrastructure costs if they are necessary for the general operation of the One-Stop center. Such costs would include service contracts with vendors or contractors, equipment, and supplies.

Personnel services include salaries, wages, and fringe benefits of the employees of partner programs or their subrecipients, as described in 2 CFR 200.430-200.431 of the Uniform Guidance. For example, allocable salary and fringe costs of partner program staff who work on information technology systems (e.g., common performance and reporting outcomes) for use by the One-Stop center as a whole would be personnel costs. The costs of a shared welcome desk or greeter directing employers and customers to the services or staff that are available in that One-Stop center is a personnel expense. These costs, therefore, could not be included in infrastructure costs but are included in "additional costs."

All Parties to this IFA recognize that infrastructure costs are applicable to all required Partners, whether they are physically located in the One-Stop Career Center (OSCC) or not. Each partner's contributions to these costs, however, may vary, as these contributions are based on the proportionate use and relative benefit received, consistent with the Partner programs' authorizing laws and regulations and the Uniform Guidance.

VII. Term

The Term of this IFA shall commence on July 01, 2023 or the date last executed by both parties, whichever is later, through June 30, 2024. The IFA will be reviewed and renewed annually for successive one-year terms as an amendment to this agreement. This IFA may be terminated for convenience at any time by either party upon thirty (30) days written notice. Neither this IFA nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement.

IX. Amendments and Modifications

Neither this IFA nor any provision hereof may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by each of the parties to this Agreement sent via certified, return receipt requests, U. S. Mail.

X. Merger

This IFA constitutes and expresses the entire and integrated understanding and agreement between the parties hereto, superseding, incorporating, and merging all prior understandings, agreements, and discussions relating to the transactions contemplated hereby, and no agreements, understandings, prior negotiations, prior discussions, warranties, representations or covenants not herein expressed shall be binding upon the parties.

XI. Third Party Beneficiary

The Parties expressly acknowledge that it is not their intent to create or confer any rights or obligations in or upon any third person or entity under this IFA. None of the Parties intend to directly or substantially benefit a third party by this IFA. The Parties agree that there are no third-party beneficiaries to this /FA and that no third party shall be entitled to assert a claim against any of the Parties based upon this IFA.

XII. Governance

The accountability and responsibility for the One-Stop career center system's organizational activity and accomplishments will rest with CSS. Pursuant to the Act CareerSource shall conduct oversight with respect to the One-Stop delivery system. Any dispute concerning this IFA will be resolved in accordance with CSS.

XIIII. Dispute Resolution

If an issue arises involving this IFA, both parties will make every effort to reach a resolution in a timely and efficient manner. Either partner may request a face-to-face meeting of the local partners to identify and discuss the issue. If resolved and no further action is deemed necessary by the partners, the issue and the resolution will be documented in writing.

If not resolved, the issue and the efforts to resolve will be documented and forwarded to the President/CEO of CareerSource Suncoast and the Director of the Partner organization. A joint decision shall be issued within sixty calendar days of receipt.

If dissatisfied with the decision, the dispute may be filed with the State of Florida Department of Economic Opportunity (DEO) and the Commissioner of the Education to review concerns and determine resolution. DEO and DOE may remand the issue back to the President/CEO of CareerSource Suncoast and to the Director of the Partner organization, Partner or impose other remedies to resolve the issue.

Goodwill MANASOTA

Memorandum of Understanding
Manatee Technical College

Introduction
In its commitment to "Changing Lives through the Power of Work," Goodwill Industries Manasota, Inc (GIMI) enters into partnerships with agencies in order to provide upskilling opportunities for our Team Members and to community residents. Goodwill is committed to providing these services for the following purposes:

- To help individuals become more marketable and more prepared for the current labor market
- To help individuals move toward a family sustaining wage

This memorandum provides Goodwill's expectations of participants and agencies.

Manatee Technical College agrees to:
- Provide instructors, all course materials, and digital devices when needed for GED and ESOL classes for Goodwill Team Members and community residents at GIMI's Ranch Lake and Cortez Community Resource Centers Monday through Thursday
- Provide a morning and evening session Monday through Thursday 8:30-11:30am and 5:30-8:00pm.
- Track and share student information, progress, and participation with Goodwill on a monthly basis, when a signed authorization to release information has been provided by the student, including, but not limited to:
    - Number of students served
    - Individual student progress
    - Name(s) of students
    - Student phone number and/or email address
- Provide access to digital coursework for students, when appropriate
- Provide referrals to GIMI to those needing employment services, when appropriate
- Acknowledge that the school/agency, its members, and external students are collectively and individually responsible for any and all damages to the facility that occurs as a result of their use of the facility.
- Further acknowledge that they are responsible collectively and individually for the safety of each member of the group while using Goodwill facilities and release Goodwill and its officers and employees of any and all liability arising out of any injury that may occur as a result of such facility use.
- Provide supervision to the students at all times.
- Leave classroom in a neat and orderly condition at the end of each class, including returning all chairs and tables to their locations and cleanliness that were prior to Manatee Technical College's usage.
- Restore all lighting to that prior to Manatee Technical College's usage.
- Leave Air Conditioning/Heating thermostats as set at all times.
- Confine usage to the classroom and locking storage space at GIMI's Ranch Lake and Cortez Community Resource Centers for GED and ESOL classes.
- Place garbage in the receptacles provided.
- Remove all food and beverages, and clean up any spills. Goodwill does not permit alcohol in community rooms.
- Report any damage to the building, unusual occurrences, or problems as soon as possible to the GIMI Mission Services Team Member/ representative, and/or Manager on duty.
- Maintain adequate levels of insurance and provide a current Certificate of Insurance to GIMI

Goodwill MANASOTA

- Agree to abide by all other Goodwill policies not stated above as shared by GIMI.
- Ensures all classes start after 08:30am and end by 8:00 pm. MS 144 requires usage to take place between 8:00 am and 4:30 pm we may need to amend our SOP to state or per additional MOU up to 08:00pm.

Goodwill Manasota agrees to:

- Provide classroom and locking storage space at the Goodwill's Ranch Lake and Cortez Community Resource Centers for GED and ESOL classes Mondays through Thursdays
- Provide classroom access to students and instructors, through a designated door, for up to 30 minutes before and after established class times.
- Provide parking for instructors and students
- Make referrals to GED and ESOL classes, as applicable
- Ensure cleanliness of classrooms and parking lots

Terms and Conditions

1. It is the expectation of each Party that the providing of these services will take place September 5, 2023 through May 23, 2024.
2. Each Party will indemnify and hold harmless the other party for all costs, demands, expenses, claims, liability and judgments (including attorney fees) incurred by the indemnified party by virtue of the acts of the indemnitor which are not approved or contemplated by this MOU.
3. The Parties agree to protect the confidential information of all Parties being served by virtue of the arrangement.
4. The Parties of this MOU agree that if any dispute arises through any aspect of this agreement, including but not limited to, any matters, disputes, or claims, the Parties shall confer in good faith to promptly resolve any disputes. In the event that the Parties are unable to resolve the issue or dispute between them, then the matter shall be mediated and/or arbitrated in an attempt to resolve any and all issues between the Parties.

This Memorandum of Understanding (MOU) is made on _____ by and between Goodwill Industries Manasota Inc. and Manatee Technical College for the following time period: September 5, 2023 through May 31st, 2026.

AGENDA ITEM NO. 10.12

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the New Affiliation Agreement Between the School Board of Manatee County and Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center for Clinical Experience for Manatee Technical College (MTC) Nursing Students for the 2023-2026 School Years, No Financial Impact

Executive Summary
The School Board has, over the years, contracted with providers for clinical experience and/or on-the-job training for District students.

In order for the students to participate in this type of clinical or on-the-job experience, it is necessary for the participating office to sign an agreement with the School District. The opportunity to receive this type of clinical experience is a great advantage to our students. Not only do they obtain a valuable hands-on learning experience, but also placements resulting in permanent jobs for the students after they finish their training.

A copy of the agreement is attached for review.

Clinical Providers for Nursing: Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center, Nikki Walsh-Administrator

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 9
Advance career-centered programs across the District to provide quality post-high school education and employment opportunities

Recommendation
The Superintendent recommends approval of the new affiliation agreement between the School Board of Manatee County and Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center for clinical experience for Manatee Technical College (MTC) Nursing students for the 2023-2026 school years, no financial impact.

Financial Impact
There is no financial impact.

Affiliation Agreement for Clinical Practice

AGREEMENT for affiliation with Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center

Address: 2600 Courtland St Sarasota, FL 34237

This agreement is made this _26th_ day of _July 2023_, between the School Board of Manatee County, Florida, d/b/a Manatee Technical College (hereafter called the School) and Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center (hereafter called the Affiliating Site).

WHEREAS, it is of mutual interest and benefit that the students enrolled in the Manatee Technical College Health Science Program are provided the opportunity and benefit of the educational facilities of Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center for clinical experience.

NOW, THEREFORE, in consideration of the premises, which are hereby deemed to be incorporated into this Agreement as an integral part hereof and not mere recital hereto, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Affiliating Site, the Health Science program, and the School hereby agree as follows:

RESPONSIBILITIES OF THE SCHOOL: The School shall perform all of the following duties and obligations with due diligence, due care and in good faith:

Provision to Provide Educational Services: The School shall provide to the Affiliating Site Health Science Education students who have demonstrated a basic level of proficiency and ability to perform technical skills as required by their specific program. School personnel shall also provide the requisite instruction, supervision and guidance required in this phase of the program. The School will assign a program coordinator to make periodic coordinating visits to the Affiliating Site. The program coordinator shall, upon request, provide evidence of all initial and periodic reasonable background checks, health screens and drug tests that are conducted or obtained by, or are verified as acceptable to Affiliating Site. The School program coordinator will collaborate with assigned site personnel to ensure that students meet identified curriculum competencies, and has the authority--*after consultation with the Affiliating Site*--to discontinue the training of any student if deemed appropriate. The student, when in training at the Affiliating Site, will at all times be under the direct supervision of assigned personnel at the Affiliating Site, and that person(s) will complete the student evaluation record (efficiency rating) in collaboration with the School program coordinator.

Non Discrimination: Neither the School nor its personnel shall discriminate against any patient or other person on the basis of sex, sexual preference, race, creed, color, age, national origin or disability.

Patient Records: The School shall ensure that all required patient records relating to the educational

services rendered by its personnel and students are prepared and maintained in accordance with applicable Florida and Federal law and any other requirements that may be imposed by Affiliating Site or any applicable Payor. All such records shall be delivered to and maintained by and in accordance with its policies and procedures. The School shall ensure that its personnel and students at all times maintain the confidentiality of medical records in accordance with applicable laws and regulations.

Incident/Injury Reporting: The School shall be responsible for advising its personnel and students to report any incident/injury that occurs during the performance of any services by such personnel or students under this Agreement or that is witnessed as having occurred on the property of the Affiliating Site. The Affiliating Site shall be responsible for implementing the post-exposure protocol in Exhibit A. Neither the School, the program, its personnel, nor the Affiliating Site shall be responsible for any medical care, counseling or other necessary follow up as a consequence of such incident/injury. The School, its personnel and students shall be responsible for compliance with any State or Federal statutes, regulations, rulings or orders related to safe work practices and environment. The SCHOOL BOARD OF MANATEE COUNTY, the School, and the Affiliating Site will follow the post- exposure evaluation protocols established in Exhibit A.

INSURANCE: During the term of this Agreement and any extension thereof, the School shall maintain, at its own cost and expense, professional liability insurance with minimum coverage of at least $1 million per occurrence and $3 million in the aggregate. If such coverage is pursuant to a claims-made policy, and it is terminated for any reason during the term of this Agreement or during a period of three (3) years after the termination of this Agreement, then the School will obtain and maintain tail or prior acts coverage for a period of three (3) years after termination thereof. In addition, the School agrees to maintain general liability insurance to cover its actions and those of its personnel and Workers' Compensation coverage (in such amounts as may be required by law) for its personnel. Upon request of the Affiliating Site, the School will provide a certificate of insurance verifying coverage, and the School will notify Affiliating Site in writing within two (2) business days of any cancellation or adverse modification of such insurance coverage. If the School fails to obtain or maintain the insurance required hereunder, Affiliating Site at its option may terminate this Agreement.

Affiliating Site shall obtain and maintain professional liability in the amount of one-hundred thousand per occurrence and three hundred thousand in the aggregate and general liability insurance in the minimum amounts of $1 million per occurrence and $3 million in the aggregate per annum that provides coverage for activities that the Affiliating Site and their employees participate in pursuant to this Agreement. Evidence of professional and general liability insurance coverage shall be provided to School annually unless requested earlier. Affiliating Site shall give School thirty (30) days prior written notice to the extent Affiliating Site has such notice of impending cancellation or termination of such insurance and, upon cancellation or termination thereof, shall immediately notify School. In the event that Affiliating Site maintains claims-made coverage, and Affiliating Site's coverage is terminated within three (3) years of the date on which School ceases to participate or have its Students or Faculty Members participate in Site Activities pursuant to this Agreement, Affiliating Site shall obtain "tail coverage," or other prior acts coverage, if such coverage is available, in the amount stated above until the expiration of three (3) years from the last date on which School, a Student, or a Faculty Member participated in a Site Activity, as contemplated by this Agreement. Failure to secure and maintain the insurance coverage required by this Section shall constitute a material default and the Agreement may be terminated by School.

RESPONSIBILITIES OF HEALTH CARE FACILITY (Affiliating Site) The Affiliating Site shall perform all of the following duties and obligations with due diligence, care, and in good faith.

1. The personnel of the Affiliating Site will recognize the student as a participant in an educational program, and will be willing to cooperate as appropriate to make arrangements for teaching situations for the student that will contribute to his growth and development of skills.

2. The Affiliating Site shall certify to the School that it is licensed and fully accredited by an appropriate accrediting body and that the individual responsible for direction of the student is licensed/certified in the State of Florida.

3. Students shall not receive compensation for their participation in the above educational experiences.

4. Adequate time will be allowed for orientation of the student to the Affiliating Site.

5. The student, when in training at the Affiliating Site, will at all times be under the direct supervision by designated personnel who is/are licensed/certified by the State of Florida.

6. Assignments in the Affiliating Site at no time will exceed that which permits good care for patients/clients, exceeds state statutes, ratios or guidelines, and good learning practice. It is recognized that the assignments may vary with the ability of the student and the conditions of the site.

7. At the end of the clinical experience, an evaluation will be completed for each student in terms of his personal characteristics, knowledge and performance of skills. The evaluation report will be developed-- in collaboration with the School coordinator-- by a designated person who has direct knowledge of the student's performance in the area in which the student gains experience.

8. The Affiliating Site will provide the student with emergency medical care (first-aid) in the event of an accident or injury. In the event of accident, injury, or serious illness of the student, the Affiliating Site will ***immediately*** notify the School Assistant Director and the School coordinator. The coordinator will notify the appropriate emergency contact for that student.

9. The student will be subject to the rules and regulations of the Affiliating Site. The Affiliating Site will have the right to discontinue the training of any student on its premises, upon consultation with the School coordinator.

10. The student may be scheduled for assignment during regular operating hours of the Affiliating Site.

Provision of Facilities and Equipment: The Affiliating Site shall provide appropriate space designated by the facility for the educational experience, plus any equipment, expendable supplies and services necessary for the proper operation of the educational experience. In connection with the foregoing, Affiliating Site shall be responsible for compliance by its facility and its personnel with any State or Federal statutes, regulations, rulings or orders related to safe work practices and environment.

Provision of Educational Experience: The Affiliating Site shall have adequate means for educational experiences, including:

- provide opportunities for observational and practice experiences in the patient units and clinics and in other departments
- assist in the orientation of the School personnel and students to the physical facilities, policies, and procedures of the facility, as required;
- allow the School personnel and students, at their own expense, to use cafeteria facilities, if

available.

- retain overall responsibilities for quality of patient care;
- the facility shall certify to the School that it is licensed and fully accredited by an appropriate accrediting body and the individual responsible for direction of the student is licensed in the State of Florida.

INDEPENDENCE OF THE PARTIES; NO CONNECTION TO REFERRALS: In the performance of their separate businesses, it is understood and agreed by Affiliating Site that the School and each shall be, and at all times is, an independent and unrelated entity acting and performing as a separate business. Accordingly, none of the provisions of this Agreement are intended to create, nor shall be deemed or construed to create, any relationship between the School and Affiliating Site other than that of independent entities contracting with each other solely for the purpose of achieving the provisions of this Agreement. The parties hereto shall be considered to be independent, and neither of them, nor any of their respective representatives, employees or agents shall be construed to be the agent, employee, servant or representative of the other.

TERM AND RENEWAL-- TERMINATION:

(a) **Term and Renewal:** This Agreement shall be in effect from the date of the signature of the School Board Chair for a period of three school years, from July 26, 2023 through June 30, 2026, upon which time the School and Affiliating Site have the option, without change to this Agreement, to extend this Agreement for a period of an additional three school years.

(b) **Termination for Cause:** The School Board of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the Affiliating Site has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Affiliating Site in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Affiliating Site or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida.

(c) Termination for Convenience: Termination of this contract in whole or in part may be made by School District Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

(d) **Effect of Illegality or Reimbursement Changes:** If a legislative body, a court of competent jurisdiction or an administrative agency having authority to regulate any of the parties, holds this Agreement or the obligations to be performed hereunder to be illegal under this Agreement, then the parties agree to negotiate in good faith to amend this Agreement. If necessary, this Agreement shall be deemed suspended until such amendment can be accomplished. Otherwise, the parties agree, for a period of sixty (60) days, to restructure the practical conduct of this contractual arrangement in a manner that will eliminate the illegal or unenforceable aspects hereof.

CONSTRUCTION AND INTERPRETATION

Compliance with Jessica Lunsford Act: The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals or entities under contract with the

School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at:
http://www.manateeschools.net/pages/SDMC/Departments/District_Support_Services/Purchasing/Jessica_Lunsford_Act

Assignment: Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by The School Board of Manatee County upon thirty days written notice and The School Board of Manatee County will be released of any and all obligations under this contract.

Third Party Beneficiaries: This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals or representations, written or oral, concerning its subject matter. No modification, amendment or waiver of any provision of this agreement will be effective unless in writing and signed by both parties.

Governing Law: This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

Relationship of Parties: The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School Board of Manatee County does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

Indemnification: To the extent permitted by law, affiliating Site with the School Board of Manatee County agrees to defend indemnify and hold harmless The School Board of Manatee County, their agents, employees, officers and Board Members against any and all third-party claims, loses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement. When pertaining to a services contract, the Affiliating Site, will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board of Manatee County, their Board Members and School District Employees as an additional insured. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board of Manatee County, the election to immediately terminate this agreement.
To the extent permitted by law, the School Board of Manatee County agrees to indemnify and hold harmless the Affiliating Site, their agents, employees, officers and Board Members against any and all third-party claims, loses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement caused by the negligence of the School Board of Manatee County. This provision shall not constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

Confidentiality: Confidentiality is subject to the Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non Discrimination Act of 2008.

Sovereign Immunity: The parties acknowledge and agree that the School Board of Manatee County, Florida, as a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

Contact with Students: Unless otherwise specified, the contracting party with The School Board of Manatee County will have no employees or independent contractors, material men, supplier or anyone involved in any manner with projects resulting from this proposal shall have direct or indirect contact with students at project sites. A violation of this provision shall result in immediate termination of the offender and issuance of a trespass notice from the School District. Vendor/Proposer shall be responsible for insuring compliance by all employees, independent contractors and sub-contractors or other persons involved in any manner with projects resulting from this proposal.

Standards of Conduct: The contracting party with The School Board of Manatee County will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the vendor, but also to the employees of its sub-contractors.

Severability and Waiver: If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

Force Majeure: The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such as acts of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

Equal Opportunity: The Affiliating Site agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act. Said Affiliating Site further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, age or marital status.

Federal Debarment & Suspension Certification: This agreement is subject to the requirement by Executive Order 12549, Debarment and Suspension, 7CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

Compliance With Sunshine Act: The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et seq, and Fla. Stat. sec. 119.01 et. seq. The Affiliating Site with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

CUSTODIAN OF PUBLIC RECORDS: IF THE AFFILIATING SITE HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE AFFILIATING SITES DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS MEMORANDUM OF UNDERSTANDING, CONTACT THE CUSTODIAN OF PUBLIC RECORDS: **Public Records Custodian 215 Manatee Avenue W. Bradenton, Florida, 34205 (941) 708-8770**publicrecords@manateeschools.net

School District Policy: In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be effected with any individual or business entity in which any member of the School Board of Manatee County or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in F.S. 112.

Compliance with Regulations: Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the proposer will in no way be a cause for relief from responsibility. The proposer shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The successful proposer(s) must not be in violation of any zoning or other ordinances in the performance of this contract.

Safety Standards: All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

Tax Exemptions: When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

Other Provisions:

Possession of Firearms: Possession of firearms will not be tolerated on the project or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the vendor/proposer,

or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the vendor/proposer. If a sub-contractor fails to terminate said employee or independent contractor, the vendor/proposer shall terminate its agreement with the sub-contractor. If the vendor/proposer fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" means any weapon (including a starter gun or antique firearm) which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any destructive devise, or any machine gun. Powder actuated construction nailers and fasteners are excluded from this definition.

Criminal Acts: Employment on the project by the Affiliating Site, or any of its subcontractors, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Affiliating Site agrees to take all steps necessary to remove such person from the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Affiliating Site does not comply with this provision.

Possession/Use/Under the Influence of Mind Altering Substances: Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Affiliating Site employees or independent contractors or its sub-contractors employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Affiliating Site. If a sub-contractor fails to terminate said employee or independent contractor, the Affiliating Site shall terminate its agreement with the sub-contractor. If the Affiliating Site fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Entire Agreement: This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail.

Headings: The headings of the various sections and paragraphs in this Agreement are inserted for the convenience of the parties and shall not affect the meaning, construction or interpretation of this Agreement.

COUNTERPARTS: This Agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which together will constitute one and the same instrument.

IN WITNESS WHEREOF, Sarasota Bay Rehabilitation Center, LLC d/b/a Sarasota Point Rehabilitation Center and Manatee Technical College have duly executed this Agreement.

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Charter School Dual Enrollment Articulation Agreement with Manatee Technical College (MTC) for the 2023-2024 School Year

Executive Summary
This Charter School Dual Enrollment Articulation Agreement is in place to establish written policies that operationalize the charter school dual enrollment process within the school district that is available to parents and students. Attached is the 2023-2024 Charter School Dual Enrollment Articulation Agreement between the charter school student and their parents and Manatee Technical College (MTC). This document will be updated annually and submitted to the Manatee County School Board for approval. This Agreement will formalize our working partnership with the community and workforce here in the Suncoast.

A copy of the 2023-2024 Charter School Dual Enrollment Articulation Agreement is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 8
Expand acceleration opportunities for all middle and high school students

Recommendation
The Superintendent recommends approval of the Charter School Dual Enrollment Articulation Agreement with Manatee Technical College (MTC) for the 2023-2024 school year.

Financial Impact
Financial impact will be determined by the number of students served and the generated revenue from the Florida Department of Education.

THIS AGREEMENT is entered into by and between the Charter School - _____, hereafter referred to as the "Charter", and Manatee Technical College, hereafter referred to as the "College"; and

WHEREAS, Florida Statutes provides that Charter education dual enrollment is a curricular option of elective credits toward earning a Charter school diploma and completing a career certificate program through a district's technical college, and

WHEREAS, Manatee Technical College, a publicly funded postsecondary institution, can provide a variety of high skill, high wage career training program options.

NOW, THEREFORE, BE IT RESOLVED that the Charter and the College agree to the following:

The Charter School Articulation Agreement, pursuant to section S.1007.271, Florida Statutes (F.S.), requires each postsecondary institution to enter into an agreement with each Charter school student seeking enrollment in a dual enrollment course and the student's parents. The following are the minimum components required in the agreement:

A. Courses and programs available to dually enrolled Charter education students appear in Exhibit B. Courses and programs may be added, revised, or deleted at any time by the postsecondary institution.

B. The initial and continued eligibility requirements for Charter education student participation, not to exceed those required of other dually enrolled students. The Charter school must:
   1. Provide proof of enrollment in a Charter education program
   2. Students are responsible for their own transportation to the college. Students are responsible to purchase the proper uniform for their program. Charter education students are **exempt** from the payment of registration, tuition and laboratory fees.
   3. Set up a third party pay for students' expenses for the Charter school.

C. The Florida Department of Education "Statement of Dual Enrollment Transfer Guarantees" is available at http://www.fldoe.org/policy/articulation

D. Section 1007.271(25), F.S., requires that the dual enrollment articulation agreement include services and resources that are available to students with disabilities who register for dual enrollment.

E. Career dual enrollment is available to all Charter education students meeting the following criteria:
   I. Possess and maintain a minimum 2.0 grade point average (GPA).
   II. Be on-track for high school graduation.
   S.1007.271 (21)(e), F.S.

F. Applications for career dual enrollment will be accepted by the College in Spring and Summer for the beginning of the following school year. Mid-term applications will only be accepted on a space available basis and with mutual agreement of the home/private/charter high school principal and College director. S.1007.271 (21)(d), F.S.

G. All students enrolled in career dual enrollment will meet the Basic Skills Requirements as specified in 6A-10.040, F.A.C, and detailed in Exhibit "A".

H. All career dual enrolled students will have the opportunity to achieve at least one industry certification as part of the career program. Programs are listed in Exhibit "B".

I. Only career preparatory courses contained within the state course numbering system and are part of sequence of courses in a program offered through the College which lead to an industry certification, are part of this agreement. New programs/courses meeting this specification can be added to the agreement at any time by agreement of the chief administrative officers of each party. S.1007.271 (21)(c), F.S.

J. Students participating in the Charter education dual enrollment will be responsible to meet College rules for registration, attendance, and behavior as specified in the College Student Handbook. S.1007.271 (21)(m), F.S.

K. The College will report student attendance and grades to the Charter school in compliance with the established District grade reporting procedures and schedule. S.1007.271 (21)(m), F.S.

L. The College shall be responsive to parent inquiries of their student performance and progress in the career dual enrollment program.

M. The College will be responsible for all costs associated with presenting career instruction at the College.

AGENDA ITEM NO. 10.14

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Manatee Technical College (MTC) Career Dual Enrollment Articulation Agreement for the 2023-2024 School Year

Executive Summary
As required by the Florida Department of Education, each school district must have a Dual Enrollment Articulation Agreement in place and also have established written policies that operationalize the dual enrollment process within the school district that is available to parents and students. Attached is the 2023-2024 Dual Enrollment Articulation Agreement between the School District of Manatee County and Manatee Technical College (MTC). This outlines the required specific State Statutes that are applicable to career dual enrollment. This document will be updated annually and submitted to the Manatee County School Board for approval. This Agreement will formalize our working partnership with the community and workforce here on the Suncoast.

A copy of the Career Dual Enrollment Articulation Agreement is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready For Life | Goal 8
Expand acceleration opportunities for all middle and high school students

Recommendation
The Superintendent recommends approval of the Manatee Technical College (MTC) Career Dual Enrollment Articulation Agreement for the 2023-2024 school year.

Financial Impact
Financial impact will be determined by the number of students served and the generated revenue from the Florida Department of Education.

2023-24 Career Dual Enrollment

Articulation Agreement

Between the School District of Manatee County

and

Manatee Technical College

THIS AGREEMENT is entered into by and between the School District of Manatee County, Florida, hereafter referred to as the "District", and Manatee Technical College, hereafter referred to as the "College"; and

WHEREAS, Florida Statutes provides that career dual enrollment is a curricular option of elective credits toward earning a high school diploma and completing a career certificate program through a district's technical college, and

WHEREAS, the District wishes to enhance opportunities for high school graduates to identify and set clear career and postsecondary education goals before high school graduation, and

WHEREAS, Manatee Technical College, a publicly funded postsecondary institution, can provide a variety of high skill, high wage career training program options, and

WHEREAS, the District and College accept the challenge of ensuring that every Manatee County high school graduate has a defined pathway to a career and postsecondary education.

NOW, THEREFORE, BE IT RESOLVED that the District and the College agree to the following:

A. This agreement supersedes all previous career dual enrollment agreements between the District and College. S.1007.271 (21)(a), F.S.

B. Career dual enrollment is available to all Manatee County high school students meeting the following criteria:
   I. Possess and maintain a minimum 2.0 grade point average (GPA).
   II. Be on-track for high school graduation.
   S.1007.271 (21)(e), F.S.

C. The College will notify students and parents of the career dual enrollment opportunity through career and postsecondary education awareness activities in District high schools. Interested students will complete a career dual enrollment application and have the opportunity to "shadow" a College program(s) of interest with their parents. The College will facilitate the application and scheduling of shadowing experiences through high school guidance counselors, College staff and the College website. S.1007.271 (21)(b), F.S.

D. Applications for career dual enrollment will be accepted by the College in Spring and Summer for the beginning of the following school year. Mid-term applications will only be accepted on a space available basis and with mutual agreement of the home high school principal and College director. S.1007.271 (21)(d), F.S.

E. All students enrolled in career dual enrollment will meet the Basic Skills Requirements as specified in 6A-10.040, F.A.C, and detailed in Exhibit "A".

F. All career dual enrolled students will have the opportunity to achieve at least one industry certification as part of the career program. Programs are listed in Exhibit "B".

G. Only career preparatory courses contained within the state course numbering system and are part of sequence of courses in a program offered through the College which lead to an industry certification, are part of this agreement. New programs/courses meeting this specification can be added to the agreement at any time by agreement of the chief administrative officers of each party. S.1007.271 (21)(c), F.S.

H. All career dual enrollment courses under this agreement will be weighted equally as Advanced Placement (AP) courses and will count toward high school graduation. S.1007.271 (21)(f). F.S.

I. Students participating in career dual enrollment are exempt from the payment of registration, tuition, instructional materials, laboratory fees and other fees such as technology fees and parking decal fees associated with the costs of attendance. Students are responsible to purchase the proper uniform for their program.

J. Students participating in career dual enrollment will be responsible to meet College rules for registration, attendance, and behavior as specified in the College Student Handbook. S.1007.271 (21)(m), F.S.

K. The College will report student attendance and grades to the home high school in compliance with the established District grade reporting procedures and schedule. S.1007.271 (21)(m), F.S.

L. The District will ensure all career dual enrollment students will meet the College requirements for admission. The District and College will collaborate to monitor and maintain individual student's performance in high school and career courses. S.1007.271 (21)(l), F.S.

M. The College shall be responsive to parent inquiries of their student performance and progress in the career dual enrollment program.

N. The College will be responsible for all costs associated with presenting career instruction at the College. The District will be responsible for the costs of transporting career dual enrolled students to and from the College within the established transportation system routes and boundaries. S.1007.271 (n)(o), F.S.

O. Section 1007.271(25), F.S., requires that the dual enrollment articulation agreement include services and resources that are available to students with disabilities who register for dual enrollment.

HISTORY: Manatee High School was reconstructed beginning in 1997. In 2007 and 2010, the District purchased lots adjacent to the school for future campus expansion. In 2023, renovations to the football stadium grandstand seating and parking were renovated. In 2015, the kitchen HVAC system was replaced. Currently renovations to the CCTV Studio 618 are being conducted. The site consists of one parcel containing 32 acres, located at 902 33rd Street Court West in Bradenton. The total existing student stations is 2753. Roof replacement is required due to the existing roof have exceeded their normal service life.

SCOPE: THE SCOPE OF WORK includes, but is not limited to, the replacement of existing roof membranes and flashings with new on buildings #1, #2, #3, #4, #9, #10 and #11. The existing roof membranes have exceeded their useful life and require replacement. Additionally, the scope of work includes painting the exposed steel roof structure, between buildings #2 and #5. Painting other exposed steel between buildings #2 and #5 and painting west elevation of building #2. Replacement of bird netting between buildings #2 and #5.

Re: Roof Replacement for Manatee High School
Buildings 1,2,3,4,9,10 and 11, and exterior painting on building 2.

Dear Mr. Phillips:

Thank you for this opportunity to submit our proposal for the architectural design of the roof replacement for the Buildings at Manatee High School.

Per our discussion, and site visit our scope of work will include the design of the replacement of the existing TPO roof system for buildings 1,2,3,4,9, and 10 of approximately 94,000 s.f. and the painting of the steel walkway cover between buildings 2 and 5 and the front of building 2. The existing roof systems consists of a single ply TPO roof with varied insulation and supporting structures. Per our discussion the district may complete the construction in phases due to funding for the project.

As noted in the report by PBA Design Group dated March 29, 2023 provided to our office, we note the following items regarding the roof:

- The building consists of a TPO roof system with tapered insulation.
- The existing roof is past its useful life and should be replaced with a new roof system with a minimum R-25 insulation at 1/4" per slope and using a TPO roofing system.
- Roof curbs and roof penetrations to be removed and raised up as necessary for the new insulation.
- The lightning protection is to be removed and replaced.
- Painting the steel structure between building 2 and 5 and the front area of building 5.

Per our discussion the following work will not be included in the scope of the project.

- Existing roof equipment that is on modified curbs **will not** be removed and reinstalled but will remain in their current condition.
- At the south end of building 4, in the area of the HVAC equipment and chilled water piping , this area of the roof will not be reroofed but a coating added to the existing membrane. The existing equipment will not permit a code compliant replacement of this roof without relocating the equipment. This area will be reroofed in the future when the mechanical equipment is being replaced.
- We will not provide any Mechanical or electrical revision to roof top equipment

Per our discussion the School district will provide our office the following testing of the existing roof:

- Roof Infrared survey
- Roof core tests in areas of the where the IR indicates high moisture contents as well as key areas on the roof to identify the composition of the roof and insulation depth. Approximately 20 roof cores
- Roof fastener pull-out test so the correct fasteners can be specified in the design to meet wind uplift requirements.
- FM Global 1-52 Roof uplift testing if necessary.

These tests will help us develop a cost-effective design for the reroofing work.

The estimated budget is below:

Re-Roof	$2,790,000 to $3,720,000
Lightning Protection:	$ 150,000 to $ 250,000
Painting:	$ 25,000 to $ 50,000
Total:	$ 2,807,500 to $4,020,000

Our work will consist of the development of design and construction drawings for the replacement of the roofing and Building 2 painting.

Our scope of work will be in general accordance with our discussions and meeting at the site as written below:

- Site review and documentation of the existing conditions.
- Develop CADD drawings of the existing roof .
- Development of drawings, details and specifications for the removal and replacement of the roof system and insulation
- Develop specifications for the painting of building 2 items as noted above.
- Provide 8 site visits during the repainting by PGA to review the painting and confirm the work is meeting the painting specification requirements.

There will be Four (4) submittals for this project for two Phase of the roof:

- The first will be an as-built of the existing conditions.
- The Second Submittal will be Design Development Set
- The Third submittal will be a 75% Construction Document set.
- The final submittal will be the 100% Construction Documents which are signed and sealed.
- Specification book will be submitted.

Williamson Design Associates' basic construction contract administration services will include the review of shop drawings, bi-weekly site visits to review the progress of the work and general conformance to the contract drawings, a substantial and final completion inspection and review of the contractor's pay application.

Daily site inspections during the installation of the roofing system are not included in our fee.

We anticipate the construction time for replacement of the roof would be approximately 6 months.

We propose to work with Patel Greene and Associates on the investigation of the painting specifications for the existing metal structure and their site observation visits during construction. Attached is their proposal dated 4/24/2023 and for their scope of work.

As-build drawings are not included in our scope.

We have included $3,000 for expenses that will be a not to exceed amount for the contract.

Our breakdown of the fee for preparation of the construction documents is as follows:

Williamson Design Associates

Existing Conditions and Verifications	$ 5,460.00
Design Development	$ 19,460.00
75% Construction Documents	$ 41,540.00
100% Construction Documents	$ 13,850.00
Structural Engineering	$ 5,550.00
Bidding	$ 3,240.00
Construction Administration	$ 27,830.00
Sub-Total	$116,930.00

Patel Greene and Associates

Existing Conditions and Verifications	$ 1,233.00
Construction Documents	$ 3,222.00
Construction Administration	$ 13,494.00
Sub-Total	$ 17,949.00
Expense allowance not to exceed	$ 3,000.00
TOTAL	**$ 137,879.00**

Our schedule to complete the work is as follows:

Project Start up	2 weeks
Roof Testing (By Owner)	TBD
Existing Field Conditions Verification/Drawings	4 weeks
Design Development	6 weeks
75% Construction Documents	6 weeks
100% Construction Documents	4 weeks

If any of the above work is necessary, we will submit a fee proposal for the additional work.

If the scope of work changes, we will complete the work on an hourly basis or submit a lump sum fee proposal. Revisions to the design and drawings, after they have been completed, will be billed based on our hourly rates or a lump sum fee.

Following are our hourly rates:

Principal Architects/Engineers	$260.00
Registered Architects/Engineers	$120.00
Project Manager	$100.00
Graduate Architects/Engineers	$100.00
Sr. Drafting/Designer	$ 85.00
CADD Drafting	$ 75.00

Administration/Clerical Support	$ 75.00

Our office looks forward to working with you on this project. Should you have any questions, please give me a call.

This proposal is valid for 60 days from the proposal date.

Subject: Proposal for Coating Consulting Services
Manatee High School Renovations
PGA Proposal Number 23-0424

Dear Mr. Lapointe:

You have requested that Patel Greene & Associates, LLC (PGA) provide Williamson Design Associates (WDA) with a proposal to provide coating consulting services for exterior painting of specific existing finishes at Manatee High School. This proposal includes our understanding of the project, the proposed scope of services and our fee for providing the services.

UNDERSTANDING OF PROJECT SCOPE

Various renovations will be performed at Building No. 2 over a 10-week period during this year's summer break. You stated the scope of the work will be as follows relative to protective coatings and exterior finishes:

- Prepare and paint existing stucco façade (east entrance)
- Abrasive blast and coat the structural framing of a large awning (west) but exclude the roof deck.

You have requested PGA provide a proposal to assist WDA with the design of the protective coating systems (e.g. prepare specific technical sections), assist during competitive bidding, review shop drawings and/or material submittals, attend meetings and perform Quality Assurance (QA) during construction.

PROPOSED CONSULTING SCOPE OF SERVICES

1.0 Design

Pre-Design Review / Limited Condition Assessment

Kevin Schweikhart and/or Mark McCarthy will visit the site and generally review the various components to be prepared and painted. The information gathered will be used to prepare the technical sections. Photos of existing conditions and summary notes will be provided to WDA.

Technical Specification Design

We will prepare a technical section related to paint finishes for portland-cement plaster (stucco) and exterior exposed steel. We anticipate one technical section (09 90 00) will be prepared and expect two review/ edit phases (100% and Final submission). In addition, we will review WDA plans and specifications related to the painting/finishing scope of work relative to the stucco façade and metal awning.

2.0 Contract Administration

Document Review

We will review the project correspondence, assist with Request for Information (RFI), review contractor submittals and provide written comments (i.e. Work Product). Included with submittal review, two reviews per trades listed below are included:

- Paint and protective coatings including surface preparation.
- Sealants

Quality Assurance (QA) Inspection

We will visit the project at various times during construction to generally observe the work-in-progress and completed work and to determine conformance with the project specifications, industry standards and subcontractor submittals. Specific test methods will be utilized to verify technical compliance and all site visits will be performed by Certified Coating Inspectors (i.e. SSPC, NACE, AMPP).

Re: Manatee Elementary School Auditorium Renovation

Mr. Wildes:

Please accept this letter as our proposal to perform preconstruction services for the Manatee Elementary School Auditorium Renovation for $6,000. This is based on the expected construction costs of $400,000.

We propose an allowance of $3,000 for exploratory work, to be used only if needed and directed by the client.

We propose an additional fee for preconstruction for the re-roof scope added to this project of $25,500. This is based on expected construction costs of $1,700,000.

We are excited to have been selected for this project and are looking forward to getting started. Please contact me if you need anything further from us.

Sincerely,

Nathan Carr

RE: MANATEE ELEMENTARY SCHOOL RE-ROOFING

Dear Mr. Wildes,

We appreciate this opportunity to provide this proposal for professional Architecture and Engineering Services for the above referenced project. Based on our 6/12/23 meeting and previous discussions, we understand the scope of work to include the following:

- Perform field visit to verify existing conditions in areas associated with the scope of work.
- Provide biddable and permittable construction documents in accordance with applicable codes and our Continuing Services agreement depicting the following scope of work:
  - Re-roof of all of the existing buildings 1-10 at Manatee Elementary School with the exceptions of the southern half of Building 2 and all of Building 9.
  - The roofing area included is approximately 48,795 sf of building area based on the attached chart provided by the District, plus the existing Fibertite covered walkway canopies which are not included in the chart total.
  - New roof to be Fibertite felt-backed fully adhered system.
  - Owner to provide asbestos testing results for the existing roof system.
  - District to determine if new roof system will be required to include additional insulation in order to meet current Code minimum R-value requirements of if the project will be a replacement of roofing only in like-kind.
  - Lightning protection is excluded from the scope of work
- We will provide Schematic, 60% and 100% Construction Document submittals with opportunity for Owner Review and Comment on each submittal.
- Provide Standard Construction Administration Services including response to RFI's, review of shop drawings (up to 2 reviews for each shop drawing), and periodic field visits to the site to observe construction including Substantial and Final Completion visits and punchlist.
- This scope of work is to be added to the Manatee Elementary School Auditorium Envelope Improvements 100% Construction Documents scope of work and is to be performed by the same contractor, Willis Smith.
- The Project Budget for this work is $2,000.000.

Exclusions – the following services are excluded from this proposal but are available as Additional Services:

- Modifications or improvements to the buildings other than replacement of the roofing and flashing.
- Modifications to bring the buildings up to current Building Codes.
- Lightning Protection
- MEP/F Engineering Services
- LEED Services
- Detailed Cost Estimating
- Civil Engineering
- Landscape Architecture

For the scope of work identified above, we propose a Lump Sum Fee of $125,800.

Thank you for this opportunity to continue to be of service to Manatee County Schools. Please review and let me know how you wish to proceed. Feel free to give me a call if you would like to discuss this proposal in more detail.

Sincerely,

Title
Approval of Parrish Community High School - Temporary Construction Easement, No Financial Impact

Executive Summary
Parrish Community High School is located at 7505 Fort Hamer Road, Parrish. Manatee County is the owner of the adjacent Fort Hamer Road, and they are making improvements to the roundabout at the school entrance. The improvements will provide a southbound dedicated right turn lane into the school property, which will improve traffic flow onto the campus. Part of the improvement will occur on the school property at the western end of the improvement, so Manatee County has requested a temporary construction easement over an area amounting to a total of .358 acres. The temporary construction easement will allow Manatee County to work within the School District-owned property, widen a small area of the school drive, grade, slope, and harmonize the roadway improvements. No other impacts to School District property will occur.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 5
Continue our secure financial position, utilize referendum millage funds effectively, and modernize and enhance our current schools to meet our school community needs, including building vibrant, new schools

Recommendation
The Superintendent recommends approval of Parrish Community High School - Temporary Construction Easement, no financial impact.

TEMPORARY CONSTRUCTION EASEMENT

THIS TEMPORARY CONSTRUCTION EASEMENT (hereinafter the Easement) made this _____ day of _____, 2023, between **SCHOOL BOARD OF MANATEE COUNTY**, a public body corporate organized and existing under the laws of the State of Florida, as owner of the following described property, whose mailing address is Post Office Box 9069, Bradenton, Florida 34206-9069, (hereinafter the **Grantor**), and **MANATEE COUNTY**, a political subdivision of the State of Florida, whose mailing address is Post Office Box 1000, Bradenton, Florida 34206, (hereinafter the **Grantee**).

As used herein, the term "Grantor" shall include any and all heirs, legal representatives, successors or assigns of the Grantor, and all subsequent owners of the "**Property**" (as hereinafter defined) and the term "Grantee" shall include any successor or assignee of Grantee.

WITNESSETH that Grantor, for and in consideration of the sum of ONE DOLLAR ($1.00) and other valuable consideration paid, the receipt whereof is hereby acknowledged, does hereby grant, bargain, sell and transfer unto Grantee a ***nonexclusive temporary construction easement*** for the use and benefit of Grantee for access drive improvements related to the Fort Hamer Roundabout Lane CIP Project at Fort Hamer Road and Parrish Community High School entrance across, in, over, under, and upon the real property of the Grantor situated, lying and being in the County of Manatee, State of Florida (hereinafter the Property), particularly described as:

See legal description identified as Exhibit A attached hereto.

THIS Easement shall be for ingress, entering upon, widening the asphalt access drive at Parrish Community High School, sloping and harmonizing the driveway, and for all other construction purposes reasonably related to the construction to be undertaken by Grantee. This Easement is granted upon the condition that the asphalt access drive improvements, sloping and/or grading upon the Property shall not extend beyond the limits outlined above and that all asphalt access drive improvements, grading and/or sloping shall conform to all existing improvements on the Property and all work shall be performed in such a manner that existing improvements will be left in same or like condition.

THAT said Grantor reserves the right to use the Property in any manner that will not prevent or interfere with the rights granted to the Grantee herein.

THAT during the term of this easement, Grantee shall (1) be solely responsible for the performance of the work described herein, and the maintenance of the easement area, and (2) maintain its self-insured status such that it shall be financially capable of responding to any claims for personal injury or property damage.

THAT, as limited by and in accordance with the provisions of Section 768.28, Florida Statutes, Grantee shall indemnify and hold harmless Grantor from all claims, damages, costs and expenses (including attorney's fees in the lower court and through appeal) associated with the exercise of the rights set forth herein by Grantee and Grantee's employees, agents and contractors. Grantee shall also be obligated to remove and discharge any lien recorded against the property of Grantor arising from the exercise of the rights set forth herein by Grantee and Grantee's employees, agents, and contractors.

THAT THE FOLLOWING **SPECIAL PROVISIONS** WILL BE ADHERED TO BY GRANTEE:

A. Construction shall not occur on school days between 6:30 a.m. and 8:00 a.m. and between 1:45 p.m. and 3:15 p.m.

THIS Easement shall be for the length of the Fort Hamer Roundabout Lane CIP Project, not to exceed six (6) months from the recording of the easement.

IN WITNESS WHEREOF, the Grantor has caused these presents to be executed in its name by its Chairperson thereunto duly authorized as of the day, month and year written above.

Title
Approval of Southeast High School - Permanent Utility Easement 10', No Financial Impact

Executive Summary
Southeast High School is located at 1200 37th Avenue East, Bradenton. Building 9 houses science and art and is being replaced. Florida Power and Light (FPL) is the electric service provider in this area, and they require an easement to provide electric service for the school building replacement project.

This 10' wide underground utility easement is being provided to the benefit of FPL for Southeast High School. This easement will allow FPL to access the site to install and maintain underground power lines at their convenience. There are no improvements other than asphalt and landscaping currently in the area of the easement, and none are contemplated in the future.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 5
Continue our secure financial position, utilize referendum millage funds effectively, and modernize and enhance our current schools to meet our school community needs, including building vibrant, new schools

Recommendation
The Superintendent recommends approval of Southeast High School – Permanent Utility Easement 10', no financial impact.

Financial Impact
There is no financial impact.

Re: Proposal for Professional Architectural and Engineering Services
North County Middle School – Reuse of Sugg Middle School

Mr. Horton,

Harvard Jolly Architecture is pleased to submit this proposal for architectural and engineering services for the new North County Middle School. These services include architectural, civil, structural, MEP/FP, IT/AV design, landscape, and food service. The Site Survey is attached for reference.

We understand that the goal of the District is to utilize the recently completed Sugg Middle School as a prototype reuse on the 30-acre North County site. Overall design goals include:

1. A two-story prototype design with brick veneer exterior.
2. School design should accommodate 1,268 student stations.
3. Administrative areas designed to provide maximum visibility of the school.
4. Classrooms designed with breakout spaces and windows for visibility.
5. Incorporation of new standards for 21st century learning and security which will include new classroom technology (confirm latest IT standards with District staff), security cameras and associated monitoring systems, card access at various access points, limited entrance and areas of high visibility for staff to monitor the campus.
6. Large MDF/IDF rooms for technology infrastructure which also include separate HVAC/DX units.
7. Low maintenance, durable interior surfaces are preferred (quarry tile in the kitchen for example).

The design process consists of Program Verification, Phase I Schematic Design, Phase II Design Development, Phase III Construction Documents, Building Permitting, Bidding and Negotiation, Construction Administration, and Close Out Documents. We expect to provide a Commitment Letter at the conclusion of Phase I and Phase II Documents verifying our endorsement of the project scope, budget, time schedule, and quality as adequate and aligned with your District standards and our executed agreement for professional services.

Expected deliverables include Program Verification Summary, Estimate of Probable Construction Cost Verification (Phase I & Phase II), Phase I Schematic Design submittal, Phase II Design Development submittal, Phase III Construction Document submittal, FISH Plans, OEF 208A Forms, Design Calculations, Life Cycle Cost Analysis, District-selected Color Charts and Finish Schedules. The Project Schedule is anticipated to be as follows:

Design Schedule:			
A/E Notice to Proceed		May	2023
PI, Schematic Design Documents	2 months	Jul	2023
PII, Design Development Documents & Early Site Permit Documents	3 months	Oct	2023
PIII, Construction Documents	3 months	Jan	2024
Site Construction Bidding Period & GMP Approval (overlaps PIII, CD)	2 months	Dec	2023
Vertical Construction Bidding Period & GMP Approval	2 months	Mar	2024
Construction Schedule:			
Substantial Completion	16 months	Jun 19	2025
Occupancy of School	2 months	Aug	2025

HARVARD • JOLLY | PBK

The scope of the work consists of the construction of a two (2) story brick veneer prototype containing 1,268 student stations and all improvements required for a dynamic, state of the art learning environment for grades six through eight, in addition to the bus loop, administrative, teacher and pedestrian parking and auxiliary outdoor facilities. The school design features 21st century classroom technology, camera & monitoring systems, car access, limited accessibility, and high visibility monitoring for administration. The new school will be constructed on a greenfield site in North Manatee County. The 30.02-acre site is located within the North River Ranch planned development located west of Ft. Hamer Road and north of proposed Road FF (Attachment A). Since the new school design is a prototype, the design phases will be expedited.

Our fee for Professional Architectural and Engineering Services is based on adapting the prototype design of Sugg Middle School, comprised of approximately 164,534 gross sq ft, supporting approximately 1,268 – 1,280 student stations. Additionally, we reviewed our HJA staffing hours on the recently completed Sugg Middle School and applied a reduction to forecast the hours needed to produce the required drawings and construction administration services for this project.

A. Add to Project Description

The scope of the work consists of the construction of a two (2) story brick veneer prototype containing 1,268 student stations and all improvements required for a dynamic, state of the art learning environment for grades six through eight, in addition to the bus loop, administrative, teacher and pedestrian parking and auxiliary outdoor facilities. The school design features 21st century classroom technology, camera & monitoring systems, card access, limited accessibility, and high visibility monitoring for administration. The new school will be constructed on a greenfield site in North Manatee County. The 30.02 acre site is located within the North River Ranch planned development located west of Ft. Hamer Road and north of proposed Road FF. Since the new school design is a prototype, the design phases will be expedited.

Title
Approval of East County K8 - Agreement Between Owner and NDC Construction Company, in the Amount of $288,540.00

Executive Summary
The purpose of the requested action is to enter into an agreement between Owner and NDC Construction Company. This agreement authorizes the pre-construction services required to assist in design, budgeting, and scheduling with the Project Team for the construction of the East County K8. Additional elementary/middle school capacity is needed to serve students in east county, as there is significant growth in the area and will alleviate capacity issues at Gullett Elementary and Mona Jain Middle School. The new school will be constructed on a greenfield site of 40-acres in East Manatee County located at Academic Avenue and Uihlein Road.

East County K8 Summary Sheet and Contract Summary are attached for reference.

Funding sources that do not require an Educational Plant Survey will be utilized.

The Construction Manager Agreement is available for review at the Agency Clerk's Office.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 5
Continue our secure financial position, utilize referendum millage funds effectively, and modernize and enhance our current schools to meet our school community needs, including building vibrant, new schools

Recommendation
The Superintendent recommends approval of East County K8 - Agreement between Owner and NDC Construction Company, in the amount of $288,540.00.

Financial Impact
The construction management fee for pre-construction services is not to exceed $288,540.00 and is included in the total project budget requirements of $96,949,440.00. A Guaranteed Maximum Price Proposal will be completed after the construction documents are developed. **Project Funded by Capital Funds.**

Title
Approval to Renew the Contract Between Pace Center For Girls, Inc. and The School Board of Manatee County for the 2023-2024 School Year

Executive Summary
Pace Center for Girls, Inc. serves at-risk and troubled teens. Pace Center for Girls, Inc. addresses the therapeutic, social, and educational needs of young girls by creating an environment that fosters growth. Pace values all girls and young women, believing each one deserves an opportunity to find her voice, to achieve her potential, and to celebrate a life defined by responsibility, dignity, serenity, and grace. The renewed contract between Pace Center For Girls, Inc. and the School Board of Manatee County will provide for up to fifty-five (55) students to participate in the Pace Center For Girls, Inc. program. The addendum reflects a brief description of the educational services being provided. The information has been provided by the contract site director and has not been edited. This effort supports the District's commitment to strengthening the learning opportunities for all students. This contract will ensure that all children will have an opportunity for a quality learning experience. A copy of the contract is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Learn | Goal 3
Increase ES enrollments in accelerated courses and identification of gifted and talented students

Ready To Learn | Goal 4
Develop effective professional development and high-quality instructional coaching for teachers to support rigorous literacy instruction across all grades

Ready For Life | Goal 2
Ensure that all staff are trained to respond to students impacted by trauma and adverse childhood experiences, including highly effective student services and mental health supports

Ready For Life | Goal 7
Implement additional research-based initiatives that support first generation college students by expanding literacy-building opportunities and critical thinking elements in secondary classrooms

Recommendation
The Superintendent recommends approval to renew the contract between Pace Center for Girls, Inc. and the School Board of Manatee County for the 2023-2024 school year.

Financial Impact
The funding source for the expenditure is General Funds and is included in the Dropout Prevention Department approved (or proposed) budget. The District will reimburse Pace Center for Girls, Inc. 95 % of the weighted Full-Time Equivalency (FTE) based upon FTE generated during the 2023-2024 school year. The maximum number of full-time equivalent students to be funded under this agreement is fifty-five (55).

PACE CENTER FOR GIRLS, INC.
AND
THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA
For 2023-2024 School Year

This contract is entered into between **PACE CENTER FOR GIRLS, INC.,** 3508 26th Street West, Bradenton, Florida 34205, hereinafter referred to as "the Provider" and **THE SCHOOL BOARD OF MANATEE COUNTY,** whose address is 215 Manatee Avenue West, Bradenton, Florida 34205, hereafter referred to as "the Board", and is effective July 1, 2023 and expires June 30, 2024.

I. The Provider Agrees:

ADMINISTRATION

A. To follow the School District of Manatee County Student Code of Conduct and the Policy and Procedural Manual.

B. To provide an educational program in accordance with this agreement for students in grades 6-12.

C. To implement and maintain an effective educational program that allows youth in the juvenile justice system the opportunity to obtain a high-quality education.

D. To designate a staff member to be responsible for the administration of the contract and for the supervision of the educational program.

E. To have written procedures for admission, dismissal, and separation of students.

F. To require each child who is entitled to initial admittance to any school in this state to present certification of a school-entry health examination performed within one (1) year prior to enrollment in school. Each child should also present or have on file certification of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health.

G. To provide for appropriate screening of students for scoliosis at the proper age.

H. To maintain health records on each student. Where appropriate, schools should use forms approved and provided by the Department of Health. These records become a part of each student's permanent record, to be transferred when the student transfers, is promoted, or changes schools.

J. To have a written philosophy, curriculum, and methodology for each special program to be provided to each student placed under this contract.

K. To provide classroom space, furniture and equipment for the teachers and students participating in the school program.

L. To provide and continually maintain a safe and secure learning environment for all students who enter under this contract.

M. To coordinate the implementation of curriculum, instruction, and assessment according to statute.

N. To evaluate teachers and maintain rigor in the instructional program.

EDUCATIONAL PROGRAM

A. That the program is staffed by professionally qualified instructional personnel and must have all certifications and endorsements as required by Florida Statute and State Board Rules. The instructional program will provide and deliver Tier 3 interventions by reading endorsed or certified teachers to those students as required by Federal and State Law.

B. The contracting site will ensure that all library materials and classroom materials are age appropriate, do not contain objectionable material, and compliant with Florida Statute(s). All curriculum must be Florida Department of Education approved, including all required policies within House Bill (HB) 7.

C. Teachers shall also possess or be in the process of obtaining English for Speakers of other Languages (ESOL) endorsement as required by Florida Statute and State Board Rules. Documentation must be provided concerning what is being done to meet the ESOL requirement on an annual basis.

D. To notify parents in writing when a teacher is teaching out of his/her area of certification. This notification can be in the form of individual letters or appear as a notice in the Provider's newsletter. Copies of this notification should be sent to The Office of Dropout Prevention/Alternative Education.

E. To require all teachers with temporary certification to participate in the district's certification program, or another comparable certification program. The Provider, or teacher participant will pay for the cost of participation.

F. To provide documentation that teachers with temporary certification have applied for certification including a timeline for steps being taken to obtain professional certification.

G. To require that all staff be fingerprinted and processed by the Board and the Federal Bureau of Investigation for criminal background checks.

H. That a personnel file shall be maintained on each employee documenting the qualifications of personnel: resume, transcripts, letters of reference, certification (if applicable). Copies of documents should be sent to Human Resources to be maintained in a district file.

I. The Provider shall operate for a term of 250 teaching days or the hourly equivalent, which is no fewer than 1,250 instructional hours. The minimal number of instructional days may decrease by up to twenty (20) days or its hourly equivalent for teacher planning. Instructional hours shall be a minimum of 300 minutes each school day.

J. That the instructional program shall meet the requirements of the Florida Statutes, including on-line learning and career and professional education (CAPE) requirements and include curricular offerings consistent with the Florida Course Code Directory. Teacher assignments will be determined as prescribed by course codes and the specified area(s) of certification, including Exceptional Student Education (ESE) certification.

K. (Middle Grades ONLY) That a rigorous reading requirement is provided for reading and language arts programs as the primary component of its school improvement plan.

L. (Middle Grades ONLY) That a quarterly report is submitted to the district school contact on the progress of students toward increased reading achievement.

M. All students will participate in entry and exit assessments as required by statute and Quality Assurance Standards. That instruction shall be delivered through a variety of instructional techniques to address students' academic levels and learning styles based on entry assessments and past records.

N. All middle school students and all high school students that score below a Level 2 on the most recent administration of the Florida Standard Assessment (FSA) must be enrolled in an intensive reading class. That all teachers shall be responsible for the planning, development, and delivery of standards-based instructional activities aligned to the Sunshine State Standards.

O. All students will participate in FSA testing as required by the State of Florida. The administration schedule must follow the state prescribed schedule or be approved by the Office of Assessment and Accountability.

P. To document the provision of ESE services, including obtaining, reviewing and determining whether the current Individual Education Plan (IEP) is appropriate. An IEP meeting will be convened as soon as possible if the current IEP cannot be implemented as written. The district ESE Specialist will be present at all IEP meetings.

Q. To develop plans under Section 504 of the Rehabilitation Act of 1973 for eligible students with disabilities, individual English Language Learning (ELL) plans for limited English proficient students and Individual Progress Monitoring Plans (IPMPs) for non-ESE students according to Florida Statute that includes specific individualized long-term

goals and short-term instructional objectives for reading, writing, mathematics, and science. The plan should also identify diagnostic assessments, intervention strategies, progress updates, and a schedule for determining progress toward achieving goals and objectives of the plans mentioned above.

R. To ensure that IPMPs and IEPs are used by all instructional personnel to assist in providing individualized instruction and educational services to students, regardless of the content area they are teaching. There should also be a strong emphasis on appropriate agency coordination.

S. To provide regular and special education services to students in accordance with the student's IPMPs or IEP as governed by Florida laws and IDEA.

T. To provide Speech, Language, Physical and/or Occupational Therapy as defined in the student's IEP. To provide all information required by the Florida Department of Education for each speech/language pathologist assigned to work with students in the Manatee District Schools.

U. That if a student has expressed intent to terminate school enrollment, the student should be notified of the option of enrolling in a program for a General Education Diploma (GED).

V. To document the transmittal of the Educational Exit Portfolio to the student's next educational placement prior to, or at the time of exit, that include the following items:

1. A district withdrawal form that includes grades in progress;
2. A copy of the student's exit plan: continuing education needs and goals, anticipated next educational placement and job/career or vocational training plans, and diploma option; and
3. A copy of permanent record information that includes results of any state and district-wide assessments, current cumulative total of credits attempted and earned, including those credits earned prior to commitment.

W. To develop an individual transition plan cooperatively with the student, his/her parents, school district and/or contracted providers' personnel, probation officer, personnel from the student's home school district and Department of Juvenile Justice (DJJ) program staff. The transition plan must address:

1. Academic re-entry goals;
2. Career and employment goals; and
3. Recommended educational placement.

X. To develop exit portfolios for each student prior to exit from a commitment program. DJJ shall provide the following information as required by statutes:

1. Transition plan;
2. Results of district and statewide assessments;

DocuSign Envelope ID 1A6E1FF5-2DBB-48F7-BD0E-6FE4CF4A45E4

3. Academic improvement plan (AIP), 504 plan, and/or individual educational plan (IEP) for exceptional students;
4. Academic record or transcript; and
5. Work and/or project samples.

To provide an opportunity for parents or guardians to participate to the extent necessary in the review of placement process.

RECORDS AND REPORTS

A. To designate a staff member to serve as Registrar.

B. To maintain students' records in a manner and form prescribed by the Board, the State of Florida, and federal agencies. Records shall include data required to participate in the Florida Education Finance Program (FEFP), including the documentation for special programs such as Exceptional Student Education (ESE). These records must be retained for a period of three (3) years beyond the final payments and all other pending matters are closed. Failure to maintain accurate records required for an audit may result in forfeiture of earned FTE payments. The content of these records shall include, but not be limited to, the following:

6. A copy of the student's individualized education plan (IEP);
7. Assessment data, including grade level proficiency in reading, writing, and mathematics, and performance on any state or standardized tests;
8. A copy of the student's permanent cumulative record;
9. A copy of the student's academic transcript; and
10. A portfolio reflecting the student's academic accomplishments while in the DJJ program.

C. To request and document requests for all student educational records, transcripts, withdrawal forms, and ESE records, including Individual Education Plans (IEPs), on the date of student entry to the program. Each school district shall provide these students' educational records no later than five (5) school days after the receipt of the request.

D. To report the non-attendance of students to the office of the Supervisor of Dropout Prevention in accordance with Florida Department of Education, Florida Education Finance Program (FEFP) guidelines.

E. To report to the county health department director or administrator annual reports of compliance with the provisions of school health examinations and immunizations.

F. To be responsible for all Florida Department of Education and the Board's district reports, reporting student academic progress to parents in the appropriate home language according to the requirements in statute and for communication with the students' home schools when necessary.

G. To accurately maintain student data on the district's student information system.

H. To submit monthly cost reports to the district to account for expenditures of all state, local, and federal funds.

MANAGEMENT

A. To develop written policies concerning the care of students in emergencies, clinical and administrative records, and insurance coverage.

B. To grant access by the School District, the Florida Department of Education, the Auditor General's Office, the appropriate federal agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit examination, excerpts, and transcriptions.

C. To provide quarterly expenditure reports to the Board to include Title 1 and FTE expenditures as required by Quality Assurance Standards. The reports are to be submitted during September, December, March and June.

FOOD SERVICE AGREEMENT

A. Any and all separate contract for Food Services is unaffected by this Contract and will remain in full force and effect. The School shall provide food service to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program, it shall follow all applicable federal rules and regulations. If the school chooses to contract with the School District of Manatee County for meals, a separate agreement will be required. All terms of those separate agreements are subject to separate and distinct negotiations, renewal, and expiration.

TRANSPORTATION AGREEMENT

A. The contracted site will be responsible for any and all transportation of students. The School District of Manatee County will not provide transportation for any students of the contracted site.

II. THE BOARD AGREES:

A. To reimburse the Provider for delivery of the program services in an amount equal to 95% of the weighted FTE funding generated per year for the actual number of eligible students enrolled in the program during the official FTE survey weeks conducted by the Florida Department of Education. The number of FTE will be adjusted in accordance with any adjustment made by the Florida State Legislature or the Florida Department of Education. The maximum number of full-time equivalent students to be funded under this agreement is FIFTY-FIVE (55) students, which may equal up to EIGHTY (80) maximum FTE for the 250-day calendar. Payments for August through December will be made on the basis of an estimate of the FTE count. Payments for January through March will be adjusted in accordance with actual July and actual October FTE count and

an estimate for the February and June count. The payments for April through June will be based on the actual counts for July, October and February and an estimated June count. The Board will pay the Provider 100% of appropriated Supplemental Academic Instructional (SAI) funding, Instructional Materials, including the DJJ supplemental allocation. In addition, the Board will pay the Provider its proportional share of allocation for the Exceptional Student Education Guaranteed Allocation. It is further understood by the Board and the Provider that if there is a loss of funding because of the district exceeding the cap on any area of the FTE, there will be a proportional decrease in funding to the School.

B. That one hundred percent (100%) of the formula-based categorical funds generated by these students must be spent on appropriate categorical purchases for these students.

C. District School Boards are to satisfy invoices from providers within 15 working days of receipt. District school boards that fail to timely satisfy an invoice must also pay interest, at the rate of 1 percent per month, calculated daily.

D. That the students participating in General Education Diploma (GED) preparation programs shall be funded at the basic program cost factor.

E. That an ESE-certified Specialist will be provided by the Board through the 240-day school year. The ESE-certified Specialist will be responsible for review and preparation, staffing and maintaining ESE compliance records for all exceptional education students as well as determining the student's matrix and serving as the local education agency (LEA) representative.

F. To provide screening to determine if the use of assistive technology devices and other specialized equipment is necessary for an exceptional student to benefit from education.

G. To provide the initial diagnostic and evaluation services for an exceptional student. Any further evaluations will be the responsibility of the Provider.

H. Provider teachers shall be eligible to attend and receive credit for professional development opportunities and training conducted by the Board, as space permits.

SCHOOL IMPROVEMENT

A. To offer technical assistance and support through the Board's staff including the participation in and approval of the school improvement process and assist with the implementation of the School Improvement Plan (SIP), to include access to the district professional services when available.

B. To ensure that the Board-approved SIP is based on educational program needs, actual instructional assignments, Quality Assurance (QA) findings, and is designed to address student outcomes, performance, and achieve state educational goals.

C. To ensure that the SIP is based on issues relevant to budget, training, instructional materials, technology, staffing, and student support services. The SIP is implemented as

evidenced through adequate school improvement progress reports and annual evaluations.

III. THE PROVIDER AND THE BOARD MUTUALLY AGREE:

A. That the staff of the Board will be permitted to review the program provided by the Provider and confers with its staff at reasonable times. Further, the Board and the Provider agree to abide by all procedures and guidelines developed and mutually agreed upon by both parties regarding the implementation of the contract.

B. That unforeseen questions or any problems arising during the administration of the contract between parties shall be resolved through negotiations. The negotiated resolution of the unforeseen problems or questions shall be reduced to writing, which shall then be attached to and made part of this contract as a clarifying interpretation.

C. That this contract shall become effective July 1, 2023 and terminate June 30, 2024 or by thirty (30) days written notice by either party.

D. The Board and the Provider agree to comply with the Standards and Key Indicator Compliance issues as outlined in the Quality Assurance guidelines.

E. To develop a mutually agreed upon school improvement plan (SIP), as required by statute. Educational Administrators work cooperatively with the staff of the Board, program instructional personnel, student, and parents, to create a written SIP. The SIP must be specific to the program.

F. The Board and the Provider agree to submit any dispute, with the exception of an immediate termination as set forth in section I. C. 6. b., to the Department of Education for mediation. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on issues of equitable treatment of the School as a public school, whether provisions of the Contract violate the intended flexibility granted contract schools by statute, or any other matter except the termination or nonrenewal of the contract. The administrative law judge shall award the prevailing party reasonable attorneys' fees and costs.

G. The Board and the Provider agrees to the Education Accountability for DJJ Programs, Rule 6A-1.099812, F.A.C., establishes a performance rating system for DJJ education programs that measure performance on twelve (12) components. Ratings are based solely upon data submitted to FDOE. The school district shall grant the user access for Pace local and National Office designees to verify and correct data in all systems used to submit Pace data to FDOE regarding FTE and DJJ accountability reporting. A school district designee shall work with a Pace designee(s) assigned by its National Office to verify that all data, including student-enrollment data, program entry and exit dates, and

any other data needed to calculate a DJJ accountability rating, is accurate and reported timely to the FDOE. The District will work with Pace to correct any errors or omissions in the data reported.

H. If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay be either party to exercise a right under this agreement will be a waiver of that right.

I. This contract may be modified subject to revenue shortfall, which reduces district funding. This modification shall be proportionate to the Board's reduction.

IV TERMS AND CONDITIONS:

A. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be canceled by the School District upon thirty days written notice and the School District will be released of any and all obligations under this contract.

B. The School District of Manatee County and State of Florida requires all Providers/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals, or entities under contract with the School District required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School District related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net/

C. This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals, or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

D. This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

E. The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency, or employment relationship between the parties. It is

expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

F. Provider agrees to defend indemnify and hold harmless the School District, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a services contract Provider will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Provider will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification.

G. Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non-Discrimination Act of 2008.

H. The parties acknowledge and agree that the School District, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

I Provider will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Provider, but also to the employees of its sub- contractors.

J. If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

K. The term "FORCE MAJEURE" means circumstances beyond the reasonable control of a party, (such an act of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

L. The Provider agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age, or marital status.

M. This agreement is subject to the requirement by Executive Order 12549, Department and Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85, Section 85.510.

N Termination for Cause. The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School District under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

O Termination for Convenience. Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

P. CUSTODIAN OF PUBLIC RECORDS:

Q. The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Provider hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

R. In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be affected with any individual or

business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 Florida Statutes.

S. Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Provider will in no way be a cause for relief from responsibility. The Provider shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Provider must not be in violation of any zoning or other ordinances in the performance of this contract.

T. All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards there under.

U. When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

V. All vendors, Providers and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part 5).

W. Possession of firearms will not be tolerated on provider's property or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Provider, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub- contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" has the meaning given in Subsection 790.001(6) Florida Statutes.

X. Employment on provider's property by the Provider, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Provider agrees to take all steps necessary to remove such person the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Provider does not comply with this provision.

Y. Possession/use and/or being under the influence of any illegal mind-altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Provider's employees or independent contractors or its sub-contractors' employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind-altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub-contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County.

Z. This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals, or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict, the terms of this agreement shall govern.

AA. Employment Eligibility Verification ("E-VERIFY"): By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system. The Contracted Site agrees to execute the attached E-Verify form annexed to this agreement.

V. FORMAL AGREEMENTS:

In compliance with PL 114-95, Section 1423, the School Board Agrees to meet all the requirements of PL 114-95, Section 1423:

1) Where feasible, ensure that educational programs in the school facility are coordinated with the student's home school, particularly with respect to a student with an individualized education program under part B of the Individuals with Disabilities Education Act;

2) If the child or youth is identified as in need of special education services while in the correctional facility, notify the local school of the child or youth of such need;

DocuSign Envelope ID 1A6E1FF5-2DBB-48F7-BD0E-6FE4CF4A45E4

3) Where feasible, provide transition assistance to help the child or youth stay in school, including coordination of services for the family, counseling, assistance in accessing drug and alcohol abuse prevention programs, tutoring, and family counseling;

4) Provide support programs that encourage children and youth who have dropped out of school to reenter school once their term at the correctional facility has been completed, or provide such children and youth with the skills necessary to gain employment or seek a secondary school diploma or its recognized equivalent;

5) Work to ensure that the school facility is staffed with teachers and other qualified staff who are trained to work with children and youth with disabilities taking into consideration the unique needs of such children and youth;

6) Ensure that educational programs in that educational programs in the juvenile justice facilities are related to assisting students to meet the challenging State academic standards;

7) To the extent possible, use technology to assist in coordinating educational programs between the school facility and the community school;

8) Where feasible, involve parents in efforts to improve the educational achievement of their children and prevent the further involvement of such children in delinquent activities;

9) Coordinate funds received under this subpart with other local, State, and Federal funds available to provide services to participating children and youth, such as funds made available under title I of Public Law 105-220, and vocational and technical education funds;

10) Coordinate programs operated under this subpart with activities funded under the Juvenile Justice and Delinquency Prevention Act of 1974 and other comparable programs, if applicable; and

11) If appropriate, work with local businesses to develop training, curriculum-based youth entrepreneurship education, and mentoring programs for children and youth.

12) Upon the child's or youth's entry into the juvenile justice facility, work with the child's or youth's family members and the local educational agency that most recently provided services to the child or youth (if applicable) to ensure that any relevant and appropriate academic records and plans not provided to probation staff during the commitment staffing process regarding the continuation of educational services for such child or youth are shared jointly between the juvenile justice facility and local educational agency in order to facilitate the transition of such children and youth between the local educational agency and the juvenile justice facility; and

13) Upon discharge from a juvenile justice facility, ensure consultation occurs between the local educational agency and the juvenile justice facility for a period jointly determined necessary to coordinate educational services so as to minimize disruption to the child's or youth's achievement.

Employment Eligibility Verification ("E-VERIFY")

By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https //e-verify uscis gov/emp to verify the work authorization status of all newly hired employees The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on this document; by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract

Termination. With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

Florida 2023-24 ESEA Federal Program Assurances

General Assurances (Click here to access documents related to General Assurances)

Assurance 1: The Local Educational Agency (LEA) has on file with the FDOE, Office of the Comptroller, and a signed statement by the agency head certifying applicant adherence to these General Assurances for Participation in State and Federal Programs. The complete text may be found in Section D of the Green Book. The certification of adherence, currently on file with the FDOE Comptroller's Office, shall remain in effect indefinitely. The certification does not need to be resubmitted with this application unless a change occurs in federal or state law, or there are other changes in circumstances affecting a term, assurance, or condition.

Assurance 2: The LEA assures that they will comply with all applicable supplement not supplant requirements under ESEA. [Sections 1118(b), 1304(c)(2), 1415(b), 2301, 3115(g), 4110, 5232 of the Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act of 2015].

Assurance 3: The LEA assures that they will comply with the K12 ESEA Common Federal Program Guidance.

Assurance 4: The LEA assures, as appropriate, that stakeholder collaboration across multiple programs will occur as outlined under ESEA.

Assurance 5: The LEA assures that a comprehensive needs assessment is conducted that takes into account information on the academic achievement of children in relation to the challenging state academic standards.

Assurance 6: The LEA assures that timely and meaningful consultation occurs between LEA and private school officials before any decision that affects the opportunities of eligible private school children, teachers, and other educational personnel to participate in programs subject to equitable participation. [Section 8501(a)(1)]

Assurance 7: The LEA assures they will periodically monitor and evaluate the effectiveness of the activities approved within the program application.

Assurance 8: The LEA assures compliance with all state laws and regulations, including the State Board of Education rules.

Title I, Part A: Improving Basic Programs Operated by Local Educational Agencies

Assurance 1: Migratory Children: The LEA assures that migratory and formerly migratory children who are eligible to receive services under Title I are selected to receive such services on the same basis as other children who are selected to receive services under the Title I program. [Section 1112(c)(1)].

Assurance 2: Private Schools: The LEA assures that it will provide services to eligible children attending private elementary schools and secondary schools per section 1117, and timely and meaningful consultation with private school officials regarding such services unless there are no eligible private schools identified. [Section 1112(c)(2)].

Assurance 3: NAEP: The LEA assures that it will participate, if selected, in the National Assessment of Educational Progress (NAEP) in reading and mathematics in grades 4 and 8 carried out under section 303(b)(3) of the National Assessment of Educational Progress Authorization Act [Section 1112(c)(3)].

Assurance 4: Cross Coordination: The LEA assures that it will coordinate and integrate services provided under Title I with other educational services at the LEA or individual school level, such as services for English learners, children with disabilities, migratory children, American Indian, Alaska Native, and Native Hawaiian children, and homeless children and youths, to increase program effectiveness, eliminate duplication, and reduce fragmentation of the instructional program. [Section 1112(c)(4)].

Assurance 5: Child Welfare Agency Point of Contact: The LEA assures that it will collaborate with the State or local child welfare agency to designate a point of contact if the corresponding child welfare agency notifies the LEA, in writing, that the agency has designated an employee to serve as a point of contact for the LEA. [Section 1112(c)(5)(A)].

Assurance 6: Certification: The LEA assures that all teachers and paraprofessionals working in a program supported with funds under Title I meet applicable state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification [Section 1112 (c)(6)].

Assurance 7: Early Childhood Education: The LEA assures that in the case the LEA chooses to use Title I, Part A funds to provide early childhood education services to low-income children below the age of compulsory school attendance, such services comply with the performance standards established under section 641A(a) of the Head Start Act [Section 1112(c)(7)].

Assurance 8: Parents Right-To-Know: The LEA assures parents are notified appropriately according to the "Parents Right-To-Know" provision. [Section 1112(e)(1)(A-B)].

Assurance 9: Collaboration: The local educational agency (LEA) assures that its plan was developed with timely and meaningful consultation with teachers, principals, other school leaders, paraprofessionals, specialized instructional support personnel, charter school leaders (in an LEA that has charter schools), administrators (including administrators of programs described in other parts of this Title), other appropriate school personnel, and with parents of children in schools served under Title I. [Section 1112(a)(1)(A)].

Assurance 10: Coordination of Programs: As appropriate, the LEA assures the plan is coordinated with other programs under ESEA, the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.), the Rehabilitation Act of 1973 (20 U.S.C. 701 et seq.), the Carl D. Perkins Career and Technical Education Act of 2006 (20 U.S.C. 2301 et seq.), the Workforce Innovation and Opportunity Act (29 U.S.C. 3101 et seq.), the Head Start Act (42 U.S.C. 9831 et seq.), the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.), the Adult Education and Family Literacy Act (29 U.S.C. 3271 et seq.), and other Acts as appropriate. [Section 1112(a)(1)(B)].

Assurance 11: Child Welfare Agency Procedures: The LEA assures they will collaborate with the state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain children in foster care in their school of origin when in their best interest will be provided, arranged and funded for the duration of the time in foster care. The procedures will: ensure that children in foster care needing transportation to the school of origin will promptly receive transportation in a cost-effective manner and in accordance with section 475(4)(A) of the Social Security Act (42 U.S.C. 675(4)(A)); and ensure that, if there are additional costs incurred in providing transportation to maintain children in foster care in their schools of origin, the LEA will provide transportation to the school of origin if: the local child welfare agency agrees to reimburse the LEA for the cost of such transportation; the LEA agrees to pay for the cost of such transportation; or the LEA and the local child welfare agency agree to share the cost of such transportation. [Section 1112(c)(5)(B)].

Assurance 12: Parent Consultation: The LEA assures that in order to receive parent and family engagement funds under section 1116 the agency will conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under Title I consistent with section 1116. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children. [Section 1116(a)(1)].

Assurance 13: School Parent and Family Engagement Policy: The LEA assures that the following requirements outlined in section 1116(b)(1-4) are met: (1) Each school served under this part shall jointly develop with, and distribute to, parents and family members of participating children a written parent and family engagement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of section 1116 (c-f) and Assurances 11c-f. Parents shall be notified of the policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school; (2) If the school has a parent and family engagement policy that applies to all parents and family members, a such school may amend that policy, if necessary, to meet the requirements of this subsection; (3) If the LEA involved has a school district-level parent and family engagement policy that applies to all parents and family members in all schools served by the LEA, such agency may amend that policy, if necessary, to meet the requirements of this subsection; and (4) If the plan under section 1112 is not satisfactory to the parents of participating children, the LEA shall submit any parent comments with such plan when such LEA submits the plan to the state. [Section 1116(b)].

Assurance 14: Policy Involvement: The LEA assures that each school served under this part shall meet the following requirements outlined in section 1116(c)(1-5): (1) Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved; (2) offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement; (3) involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b)except that if a school has in place a process for involving parents in the joint planning and design of the school's programs, the school may use that process, if such process includes an adequate representation of parents of participating children; (4) provide parents of participating children — (A) timely information about programs under this part; (B) a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the achievement levels of Florida's challenging academic standards; and (C) if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible; and (5) if the schoolwide program plan, under section 1114(b), is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the LEA. [Section 1116(c)].

Assurance 15: Shared Responsibilities for Student Achievement: The LEA assures that the following requirements outlined in section 1116(d)(1-2) are met: as a component of the school-level parent and family engagement policy developed under subsection (b), each school served under this part shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and how the school and parents will build and develop a partnership to help children achieve Florida's challenging academic standards. Such compact shall — (1) describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the children served under this part to meet the Florida's challenging academic standards, and the ways in which each parent will be responsible for supporting their children's learning, volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time; and (2) address the importance of communication between teachers and parents on an ongoing basis through, at a minimum — (A) parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as it relates to the individual child's achievement; (B) frequent reports to parents on their children's progress; (C) reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities; and (D) ensuring regular two-way, meaningful communication between family members and school staff, and, to the extent practicable, in a language that family members can understand. [Section 1116(d)].

Assurance 16: Building Capacity for Involvement: To assure the effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school, and LEA funded under Title I will meet the provisional requirements as outlined in section 1116(e)(1-5 and 14). [Section 1116(e)].

Assurance 17: Accessibility: In carrying out the parent and family engagement requirements under Title I, LEAs, and schools, to the extent practicable, shall provide opportunities for the informed participation of parents and family members (including parents and family members who have limited English proficiency, parents and family members with disabilities, and parents and family members of migratory children), including providing information and school reports required under section 1111 in a format and, in a language such parents understand. [Section 1116(f)].

Assurance 18: Family Engagement in Education Programs: The LEA assures that in a state operating a program under part E of Title IV, each LEA or school that receives assistance under this part shall inform parents and organizations of the existence of the program. [Section 1116(g)].

Assurance 19: Private School Consultation: The LEA assures that after timely and meaningful consultation with appropriate private school officials, it will provide special educational services, instructional services, counseling, mentoring, one-on-one tutoring, or other benefits that address the needs of eligible children identified under section 1115(c); and, ensures that teachers and families of eligible children participate, on an equitable basis, in services and activities according to section 1116. [Section 1117(a)(1)(A) and (B)].

Assurance 20: Private School and LEA Agreement: The LEA assures that after conducting the timely and meaningful consultation with appropriate private school officials, it will submit a copy of the agreement between the LEA and the private school to the FDOE ombudsman in the Office of Grants Management. [Section 1117(b)(1)].

Assurance 21: Affirmation of Agreement: The LEA assures that it will submit to the FDOE ombudsman a written affirmation, signed by officials of each participating private school, that the meaningful consultation required by this section has occurred. The written affirmation shall provide the option for private school officials to indicate such officials' belief that timely and meaningful consultation has not occurred or that the program design is not equitable for eligible private school children. If such officials do not provide such affirmation within a reasonable time, the LEA shall forward the documentation that such consultation has, or attempts at such consultation has taken place to the state educational agency. [Section 1117(b)(5)].

Assurance 22: Supplement, Not Supplant Methodology: The LEA assures that it will be in compliance stipulated in paragraph (1) concerning supplement and not supplant requirements. To address this compliance, the LEA assures that it has a methodology used to allocate state and local funds to each school receiving assistance under this part is in place to ensure that such school receives all of the state and local funds it would otherwise receive if it were not receiving assistance under Title I, Part A. [Section 1118(b)(1-2)].

Assurance 23: Public School and Non-Public School Eligibility Survey (PSES/NPSES): The LEA assures they are in compliance with the PSES and NPSES guidelines to properly rank and serve their Public K-12 schools and to determine Title I, Part A equitable proportion of funds. [Sections 1113(a)(3) and 1117(a)(4)].

Assurance 24: English Language Learners (ELLs) Notification Requirements: The LEA assures that it will comply with the requirements outlined in section 1112(e)(3)(A-B): the use of Title I, Part A and/or Title III funds to provide a language instruction educational program as determined under Title III shall, not later than 30 days after the beginning of the school year, inform parents using the 'Annual Parent Notification Letter' of an English learner identified for participation or participating in such a program. For children who have not been identified as English learners before the beginning of the school year, but are identified as English learners during the such school year, the LEA shall notify the children's parents during the first two weeks of the child being placed in a language instruction educational program using the 'Initial Parent Notification Letter.' [Sections 1112(3)(A) and (B)].

Assurance 25: Comparability: The LEA assures that it will be in compliance with the requirements provided in section 1118(c)(2)(A) to ensure the following comparability requirements are met: an LEA-wide salary schedule; a policy to ensure equivalence among schools in teachers, administrators, and other staff; or a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. [Section 1118(c)(2)(A)].

Assurance 26: Constitutionally Protected Prayer: The LEA assures they will certify in writing to the Department that no policy of the LEA prevents, or otherwise denies participation in, constitutionally protected prayer in public elementary and secondary schools. An LEA must provide this certification to the Bureau of Federal Educational Programs by October 1 of each year. [Section 8524(b)].

Assurance 27: Schoolwide Programs: The LEA will ensure that all schools operating Schoolwide Programs under Title I, Part A will develop and implement a Schoolwide program plan that is developed in compliance with all requirements per Section 1114 (b).

Title I, Part C: Migrant Education Program

Assurance 1: The LEA assures funds for Migrant Education Program (MEP) will be used only for programs and projects, including the acquisition of equipment, under ESEA, section 1306; and to coordinate such programs and projects with similar programs and projects within the state and in other states, as well as with other Federal programs that can benefit migratory children and their families. [Section 1304(c)(1)].

Assurance 2: The LEA assures programs and projects funded for MEP will be carried out in a manner consistent with the objectives of section 1114, subsections (b) and (d) of section 1115, subsections (b) and (c) of section 1118, and Part F. [Section 1304(c)(2)].

Assurance 3: The LEA assures that in the planning and operation of programs and projects, there is appropriate consultation with parents of migratory children, including parent advisory councils for programs of at least 1 (one) school year in duration, and that all such programs and projects are carried out in a manner that provides for the same parental involvement as is required for programs and projects under section 1116 unless extraordinary circumstances make such provision impractical; and in a format and language understandable to the parents. [Section 1304(c)(3)].

Assurance 4: The LEA assures that in planning and carrying out such programs and projects, there will be adequate provision for addressing the unmet educational needs of preschool migratory children and migratory children who have dropped out of school. [Section 1304(c)(4)].
Assurance 5: The LEA assures the effectiveness of such programs and projects will be determined, where feasible, using the same standards approaches that will be used to assess the performance of students, schools, and local educational agencies under Title I, Part A. [Section 1304(c)(5)].
Assurance 6: The LEA assures such programs and projects will provide for advocacy and outreach activities for migratory children and their families, to inform such children and families of other education, health, nutrition, and social services to help connect them to such services. [Section 1304(c)(6)].
Assurance 7: The LEA assures that such programs and projects will, to the extent feasible, provide for advocacy and other outreach activities for migratory children and their families, including helping such children and families gain access to other education, health, nutrition, and social services; professional development programs, including mentoring, for teachers and other program personnel; family literacy programs; the integration of information technology into educational and related programs; and programs that facilitate the transition of secondary school students to postsecondary education or employment. [Section 1304(c)(7)].
Assurance 8: The LEA assures they will conduct the transfer of migrant student records according to state-required policies and procedures including actively participating with and meeting all Migrant Student Information Exchange System requirements. [Section 1308(b)(2). 34 Code of Federal Regulations Part 200.85(d)].
Assurance 9: The LEA assures they will assist the state in determining the number of migratory children under Section 1303(a)(1), and the LEA shall give priority to migratory children who have made a qualifying move within the previous 1-year period and who are failing, or most at risk of failing, to meet the challenging State academic standards; or, have dropped out of school. [Section 1304(d). 34 CFR Part 200.89(c). Section 1304(c)(8)].
Assurance 10: The LEA assures they will assist the state to promote interstate and intrastate coordination of services for migratory children, including coordination with other relevant programs and local projects in the state and other states. [Section 1304(b)(3). 34 CFR Part 200.82(b)].
Assurance 11: The LEA assures that a child who ceases to be a migratory child during a school term shall be eligible for services funded through Title I, Part C until the end of such term and may continue to receive such services for one (1) additional school year if comparable services are not available through other programs. Additionally, the LEA assures that migrant students who were eligible for services in secondary school may continue to be served through credit accrual programs until graduation. [ESEA section 1304(e)]."
Title I, Part D, Subpart 2: Neglected and Delinquent Youth
Assurance 1: The LEA assures they shall adhere to the purpose of Section 1420 to provide opportunities for students to meet the same challenging state content standards and student academic achievement standards that all children in Florida are expected to meet. [Sections 1421 and 1425(6)]
Assurance 2: The LEA assures they shall design transitional and supportive programs to meet the needs of children and youth returning to schools within the LEA or other alternative educational programs and assist them in completing their education. [Sections 1422 and 1424].
Assurance 3: The LEA assures they shall, where feasible, involve parents in efforts to improve the educational achievement of their children and prevent further delinquent activities. [Section 1425(8)].
Assurance 4: The LEA assures they shall adhere to the provision of services under section 1423(2) and program requirements under section 1425 for any correctional facility to which the LEA has agreed. [Section 1423].
Assurance 5: The LEA assures they shall evaluate the program not less than once every three years to determine the program's impact on student outcomes. [Section 1431].
Title II, Part A: Supporting Effective Instruction
Assurance 1: The LEA assures they will comply with section 8501 (regarding participation by private school children and teachers). [Section 2102(b)(2)(E)].
Assurance 2: The LEA assures they will coordinate professional development activities authorized under this part with professional development activities provided through other Federal, State, and local programs. [Section 2102(b)(2)(F)].
Assurance 3: The LEA assures they will reduce class size to an evidence-based level, to the extent the State (in consultation with local educational agencies in the State) determines that such evidence is reasonably available, to improve student achievement through the recruiting and hiring of additional effective teachers. [ESSA: Section 2103].
Assurance 4: Collaboration - The local educational agency (LEA) assures that, in developing the application, an LEA shall provide meaningful consultation with teachers, principals, other school leaders, paraprofessionals (including organizations representing such individuals), specialized instructional support personnel, charter school leaders (in an LEA that has charter schools), parents, community partners, and other organizations or partners with relevant and demonstrated expertise in programs and activities. [ESEA section 2102(b)(3)]
Assurance 5: Professional Development - The LEA assures they will meet the statutory professional development definition as provided in ESEA section 8101(42) or other allowable uses of funds under section 2103(b)(3) of the ESEA.
Title III, Part A: English Language Acquisition, Language Enhancement and Academic Achievement
Assurance 1: The LEA assures that it will comply with section 1112(e) – Parents' Rights-to-know, before, and throughout, each school year as of the date of application. [Section 3116(b)(4)(A)].
Assurance 2: The LEA assures that it is not in violation of any State law, including State constitutional law, regarding the education of English learners, consistent with Sections 3125 and 3126. [Section 3116(b)(4)(B)].
Assurance 3: The LEA assures that each school with English learner (EL) students receives funds from non-Federal sources to fulfill the LEA's obligations under Title IV of the Civil Rights Act of 1964 and the Equal Educational Opportunities Act, before using Title III, Part A funds for languages services to EL students. [Section 3115(g)].
Assurance 4: The LEA assures that, if applicable, it will coordinate activities and share relevant data under its plan with local Head Start and Early Head Start agencies, including migrant and seasonal Head Start agencies, and other early childhood education providers. [Section 3116(b)(4)(D)].
Assurance 5: The LEA assures that it will consult with officials of private schools in a timely and meaningful manner to make available equitable Title III, Part A services to eligible English learners and immigrant children attending private schools located within the LEA's geographical boundaries. [Section 8501].
Assurance 6: The LEA assures that the current ELL population has enough students to generate the $10,000 threshold as indicated in Section 3114. [Section 3114 (c)].
Assurance 7: The LEA assures that not more than 2 percent of the LEA's Title III allocation will be used for the cost of administering the project. [Section 3115 (b)].
Title IV, Part A: Student Support and Academic Enrichment
Assurance 1: The LEA assures that it will prioritize the distribution of funds to schools served by the LEA or consortium of such agencies, that :are among the schools with the greatest needs, as determined by a such LEA, or consortium; have the highest percentages or numbers of children counted under section 1124(c); are identified for comprehensive support and improvement under section 1111(c)(4)(D)(I); are implementing targeted support and improvement plans as described in section 1111(d)(2); or are identified as a persistently dangerous public elementary school or secondary school under section 8532. [Section 4106(e)(2)(A)].
Assurance 2: The LEA assures that it will comply with section 8501 regarding equitable participation by private school children and teachers. [Section 4106(e)(2)(B)].
Assurance 3: With the exception of LEAs outlined in special rule ESEA 4106(f), the LEA assures that it will use not less than 20 percent of funds received under this subpart to support one or more of the activities authorized under section 4107. [Section 4106(e)(2)(C)].
Assurance 4: Except LEAs outlined in the special rule section 4106(f), the LEA assures that it will use not less than 20 percent of funds received under this subpart to support one or more activities authorized under section 4108, coordinate with other schools and community-based services, and promote the [illegible]ement of parents. [Section 4106(e)(2)(D)].

Assurance 5: Except LEAs outlined in special rule section 4106(f), the LEA assures that it will use a portion of funds received under this subpart to support one or more activities authorized under section 4109(a), including an assurance that the local educational agency, or consortium of local educational agencies, will comply with section 4109(b). [Section 4106(e)(2)(E)].
Assurance 6: The LEA assures that it will annually report to the State for inclusion in the report described in section 4104(a)(2) how funds are being used under this subpart to meet the requirements of subparagraphs (C) through (E). [Section 4106(e)(2)(F)].
Assurance 7: The LEA assures that the LEA, or consortium of such agencies, shall develop its application through consultation with parents, teachers, principals, other school leaders, specialized instructional support personnel, students, community-based organizations, local government representatives (which may include a local law enforcement agency, local juvenile court, local child welfare agency, or local public housing agency), Indian tribes or tribal organizations that may be located in the region served by the local educational agency (where applicable), charter school teachers, principals, and other school leaders (if such agency or consortium of such agencies supports charter schools), and others with relevant and demonstrated expertise in programs and activities designed to meet the purpose of this subpart. [Section 4106(c)(1)]

Title V, Part B, Subpart 2: Rural and Low-Income Schools

Assurance 1: The LEA assures that its project funds under Title V, Part B, subpart 2 will be used for any activities authorized under the following ESEA Title programs: Title I, Part A; Title II, Part A; Title III, Part A; Title IV, Part A; and parental involvement activities. [Section 5222(a)].
Assurance 2: The LEA assures that its project funds under Subpart 2 will be used to supplement, and not supplant, any other Federal, State, or local education funds. [Section 5232].

Title I, Part D, Subpart 2

Manatee

Prevention and Intervention Programs for Children and Youths Who are Neglected, Delinquent or At-Risk

To support the operation of LEA programs that involve collaboration with locally operated correctional facilities to carry out high quality education programs to prepare children and youth for secondary school completion, training, employment or further education; provide activities to facilitate the transition of children and youth from the correctional program to further education or employment; and operate programs in local schools, including schools operated or funded by the Bureau of Indian Education, for children and youth returning from correctional facilities and programs which may serve at-risk children and youth.

Preliminary Allocation	**$204,541.00**
Requested Allocation Amount	**$204,541.00**

Area of Focus 1	Student Achievement
Area of Focus 2	Transition, Dropout Prevention (DOP) and Support Services
Area of Focus 3	Coordination and Collaboration
Area of Focus 4	Administrative Costs

Population to be Served and Its Needs

A. Provide a description of the delinquent schools to be assisted with Part D funds. Include the following in the description of each school: 1) characteristics of the students (e.g., learning difficulties, substance abuse problems, other special needs) and 2) if the program or school was supported with Part D funds in the last cycle. If the listed schools do not include all delinquent residential facilities, why not?

The Title 1, Part D, Neglected and Delinquent Grant Program supports and supplementally serves four schools and is run out of the Drop Out Prevention/Student Services Department in The School District of Manatee County. The Manatee County Regional Juvenile Detention Center houses juveniles from Manatee, Sarasota, and Desoto Counties, grades 6th to 12th. Students typically stay an average of 15 days, not to exceed 35 days. It runs on a 250-day calendar. The Port Manatee Jail, or Port Academy, houses juveniles charged as adults. Students stay from 1 month, up to 1 year, and education services support students grades 6th to 12th. PACE Center for Girls, Inc. is a 6th to 12th grade DJJ Contracted site and Alternative School for girls. Girls stay 6 months to 3 years. AMIKids Manatee, Inc. is a middle school for boys, grade 6th to 8th. The Title 1, Part D Grant supports two Transition Specialists that transition delinquent and at-risk youth to the middle and high schools in the district. The Neglected and Delinquent Grant funds two Transition Specialists to provide transition support services to Department of Juvenile Justice Schools, Alternative Schools, and Drop Out Prevention Programs throughout the district. Both District Specialists will support student guidance services, mentoring, parent/guardian involvement, and coordination of DJJ/business/community partnerships.

B. Provide a description of institutions and non-school institutions for neglected students to be assisted with Part D funds. Include a description of the transition, delinquency and dropout prevention services in which Part D funds support and if the institution was supported with Part D funds in the last cycle.

The Title 1, Part D Grant reaches many types of students in the LEA system. First and foremost, the program supports academic achievement in our Delinquent sites, the Manatee County Regional Juvenile Detention Center, and the PORT Manatee Jail. Certified teachers in all subject areas and ESE provide services to these students throughout the school year at PORT Academy and for a 250-day calendar in JDC. Students who are on probation, in Diversion programs such as Teen Court and JDAP, and students on Post commitment Probation are supported by Transition Specialists and LEA schools. Students transitioning back from Commitment facilities are served by the Drop Out Prevention Department and the two Transition Specialists. These post-commitment students are followed from before they are released through teleconferences and email correspondence to after the release and before school, and all the way through the school year. The Program also supports at-risk students in other schools, such as PACE Center for Girls, Inc. and AMIKids Manatee, Inc. The students in these schools are academically at-risk, often behind at least one school year/grade level, have a high absenteeism rate, or are involved in the Florida Department of Juvenile Justice in some way. Students who have previously dropped out are supported through credit recovery and GED prep programs. Students who are caught with drugs or alcohol are offered the SAFE Program, a Drug Intervention and Prevention program run through the Drop Out Prevention Department.

C. Provide a description of the at-risk programs to be assisted with Part D funds. Include the following in the description of each program: 1) characteristics of the students (e.g., teenage parent, credit deficient); 2) if the program was supported with Part D funds in the last grant cycle; and 3) the criteria to determine student eligibility to be served under this program.

The Title 1. Part D Grant will support a program called L.I.F.E. PM. It is a blended model of instruction (web-based & direct instruction) that assists at-risk students in either academic credit recovery or preparation to successfully take the General Equivalency Diploma (GED) test. The program operates at one of our alternative sites in the late afternoon (3 to 5 pm). The program additionally delivers an affective curriculum that focuses on character education, social skills development, and decision-making. L.I.F.E. PM serves students who are over age and behind on credits and who are typically involved with the Juvenile Justice System or placed on virtual education, in lieu of expulsion for firearm charges. Students attend the program four days each week (Monday through Thursday). Students must complete additional work at home through an online platform called Edgenuity. Connecting all students and families to high-speed internet access is a component of this program. Student laptops will be issued to students in need. Essential Program is a tech-related rental that charges $75.00 per seat. Each seat can be reused between January 2024-December 2024.

D. Describe the cooperative agreements that exist between the LEA and correctional facilities serving children and youth involved in the juvenile justice system and the contracts for educational services that exist between the LEA and contracted education provider at the correctional facilities serving children and youth involved in the juvenile justice system.

The LEA has several cooperative agreements with our contracted sites, correctional facilities, and juvenile justice sites. 1. A cooperative agreement between the School District of Manatee and the Manatee County Sheriff exists to serve students incarcerated in the PORT Manatee Jail. Both parties are mutually committed in the development of programs designed to provide a comprehensive system of care that meet the educational needs of students. This agreement supports an effective educational program that allows students to obtain a high-quality education through direct instruction from Certified teachers. Students earn credits for high school classes and course completion for middle school classes. 2. A cooperative agreement between the School District of Manatee County and the Florida Department of Juvenile Justice supports a comprehensive system of care that meets the health, educational, mental health, and social welfare needs of youth served in the Juvenile Justice settings, including the Manatee County Regional Juvenile Detention Center, AMIKids Manatee, Inc., and PACE Center for Girls, Inc. This agreement is designed to implement a year long,

250-day teacher calendar with certified teachers and teacher assistants. Student can earn credit in direct instruction settings as well as credit recovery options.

E. Describe how the LEA will use the results of the most recent evaluation to plan and improve the activities and services supported by Part D funds.

The LEA will evaluate all programs supported by Part D funds which are PORT Manatee Jail, Juvenile Detention Center, PACE Center for Girls, Inc., and AMIKids Manatee, Inc. The results of the internal survey identified three areas that need improvement and one area that needs significant improvement. The three areas that need improvement are Credit Recovery opportunities, GED opportunities, and Life Skills opportunities. Employment opportunities was identified as a significant need. The L.I.F.E program was designed specifically to focus on Credit Recovery, GED, and Life Skills. The LEA will collaborate will the CareerSource Center for Employment opportunities. All students looking for employment or training opportunities will be assigned a job coach CSC.

Area of Focus 1: Student Achievement

A. Describe how participating schools will work to ensure education staff and facility staff are aware of a student's individualized education program.

Each school ensures the education and facility staff are aware of a student's IEP. When a student enrolls or is placed in one of our participating schools, the enrolling parent or guardian will fill out a questionnaire about the student indicating if the student has a current IEP. Records are requested and the Lead ESE Teacher or Administrator will review the IEP, check the status to make sure the IEP is current, and adjust the IEP as needed. The IEP is housed on PEER, the district's system for IEPs and 504 Plans. Each teacher and teacher assistant have access to their students on PEER and will review the IEP and 504 plans when the student begins. The registrar, ESE Lead, or Guidance Counselor will keep track of Plan Review and Re-evaluation dates to make sure compliance takes place.

B. Describe the steps the LEA will take to find alternative placements for students interested in continuing their education but not able to attend a traditional public school program.

If a student is unable to attend a traditional public-school program, the LEA has many options. First, they can attend Horizons Academy, our Alternative School. Horizons ranges from grades 2^{nd} – 12^{th} and offers certified teachers in all subject areas. Students take core classes and electives and can participate in Credit Recovery if needed. Students can also be referred to our Credit Recovery Program, the LIFE Program. In this program, students have certified teachers available and are given an account on Edgenuity, a credit recovery system. PACE Center for Girls, Inc. and AMIKids Manatee, Inc. take students who are involved in the Juvenile Justice system and work on a year-round basis. PACE Center for Girls, Inc. and AMIKids Manatee, Inc. are considered Contracted Sites and are supported through the Title 1, Part D Grant. Students who are unable to obtain their High School Diploma due to credits or GPA are offered an opportunity to obtain their GED through Manatee Technical College. Classes and tests are given throughout the school year.

C. Describe how participating schools will ensure students are enrolled in an education program that is comparable to the one in the local school they would otherwise attend.

Each school ensures that students are receiving a comparable education as the local school would provide. The LEA provides highly qualified, certified teachers in all subject areas for the Juvenile Detention Center and the Port Academy at the Manatee County Jail. Students with IEPs and 504 Plans will have their plans updated and reviewed upon entry to ensure that the plan is followed. Students can earn credits, participate in credit recovery, and meet all the graduation requirements that students in local schools can. State testing is given in each program. The programs and school sites in Manatee County that work with delinquent and at-risk students implement and teach to the Florida State Standards. The LEA provides oversight to the DJJ schools to ensure that services are comparable. Each program utilizes the LEA recommended Instructional material to meet the needs of all the students. The contracted Neglected & Delinquent sites follow the district's pupil progression plan, state course requirements, graduation requirements and testing calendar. The LEA uses funds from the Neglected & Delinquent Grants to support the programs with supplemental instructional materials, class materials, and any other necessary supplemental resources. Transition Specialists provide support for mental and emotional health resources. The ESE department assigns ESE Specialists to the sites so that Comparable ESE services are applied.

☐ No Title I, Part D funds will be used to address this Area of Focus. If this box is checked then the LEA does not need to complete the next question or the budget section for this Area of Focus.

D. Describe the funded activities that will be implemented to address Area of Focus 1.

Activity 1	Essential is a program to prepare student for the GED. This program is a tech-related rental that charges $75.00 per seat. Each seat can be reused between January 2024-December 2024. Outcomes: This program The estimated amount of the program will be $1,293.60 Outcomes: This supplemental program will help students Improve their knowledge in Math, Science, Social Studies and Reading. Timeline and Frequency: Monday through Thursday in the Essential program throughout the school year. This activity was funded in last year's grant.
Activity 2	Supplemental supplies including paper, pens, notebooks, rulers, calculators, white out, zip drives, art supplies, student organizers, emotional regulation activities, trash liners, folders, binders, easel pads, dry erase markers for all the Neglected and Delinquent sites. Alternative School also has job coaches who disseminate weekly jobs available in the area and can also help with interviewing skills and resume building. Project Bridge supports students returning from Commitment Programs with transportation services, job training, GED prep, mental therapy sessions, and employability skills.

D. Describe how the program will involve parents/guardians in efforts to improve the educational achievement of their children, assist in dropout prevention activities and prevent the involvement of their children in delinquent activities.

Parents are encouraged to participate in every step of the Transition Process. Starting when a student is arrested, the teachers at the JDC will correspond with the parents to ensure the student is getting the correct classes and placements. Parents are invited to all IEP meetings and 504 meetings and can participate by phone as well. The Department of Juvenile Justice invites participation from parents for Commitment Staffing's, Community Re-entry Teams meetings, and monthly check-ins. Parental input is asked for each time a student is returning from a Commitment Facility. The parents, student, school, and Transition Specialists form a team to help determine the best possible placement for the student. AMIKids Manatee, Inc. and PACE Center for Girls, Inc. offer parent nights for the parents and guardians of students. At these nights, families can come and meet the teacher, learn about school programs, set up conference times, and get a better feel for the school.

E. Describe how schools will work with probation officers to help meet the needs of students returning from correctional facilities.

A student returning from a commitment or correctional facility is of the utmost importance in the Program. Two Transition Specialists are assigned to help with these transitions. The transition process starts while the student is still in the Commitment Facility. A Community Re-entry Team meeting takes place with the Facility staff, Probation Officer, Commitment Manager, Parent/Guardian, and school district Transition Specialists. Educational services are discussed at this time and a plan is started to help ensure a successful transition back to the community for the student. Community Mental Health Programs such as Centerstone also participate as well as Project Bridge. Upon re-entry to the school district, a Certified Guidance Counselor checks the student's transcripts and discusses with the student and parent which classes the student needs to graduate. A look at the Assessments will also allow the student to know which tests they need to pass to graduate. A meeting will then be held with the receiving school to discuss best placement options and to go over, if applicable, a 504 plan or IEP. When appropriate the transition specialists meet with teachers and other school staff to discuss the placement options. Upon entry into the school, the transition specialists will then frequently meet with the student to discuss academic issues, behavioral issues, or any other topic needed.

F. Describe the funded activities that will be implemented to address Area of Focus 2.

Activity 1	One Transition Specialist at 100% and One Transition Specialist at 85% to provide transition support services to students returning from commitment facilities, students enrolling in and out of the Manatee Regional Juvenile Detention Center, students processed through the Juvenile Booking Facility, as well as at-risk students at all the neglected and delinquent sites and alternative schools. Estimated cost for this activity is $193,440.40. Timeline and Frequency: Monday through Friday continuing throughout the school year. This activity was funded in last year's grant.
Activity 2	Local travel for transition specialist to travel between Neglected and Delinquent sites and county offices. The estimated amount of the program will be $2,000.00 Outcomes: Timeline and Frequency: Monday through Friday continuing throughout the school year. This activity was funded in last year's grant.

Area of Focus 3: Coordination and Collaboration

A. Describe how the program will be coordinated with other Federal, State and local programs, such as those under Title I and career and technical education programs serving students who are at risk of dropping out of school.

The Manatee County School District has a wonderful Federal Programs department. Coordinators of all grants meet quarterly in Collaborative Grants Meetings to share which initiatives are being implemented by each grant and to see how each grant can help support or if there is any overlap in services. Students who are returning from Commitment programs and who are eligible based on grade level and grade point average can apply to enroll in a dual enrollment program in our District's technical school. Program;s offerings inlcude: electrician, engine repair, marine mechanics, welding, and many more including some in the computer field. Students in our drop-out prevention programs are encouraged to apply for this opportunity. Students who are credit deficient and are not able to graduate on time due to age can attend Manatee Technical College and take pre-GED classes to help them pass the GED test.

B. Describe how the program will be coordinated with programs operated under the Juvenile Justice and Delinquency Prevention Act of 1974, reauthorized in 2018 as the Juvenile Justice Reform Act (e.g., gang violence prevention, human trafficking, mentoring), and other comparable programs, if applicable.

The Manatee County School District allows several mentoring programs to work with our N&D and At-risk youth. The Department of Juvenile Justice collaborates with Re-Play, a mentoring program designed to keep students who are in diversion programs a chance to stay off probation through job skills training and homework assistance. The program is also coordinated through the Drop Out Prevention department and is allowed to see students at the alternative School, Horizons Academy. Project Bridge mentors students returning from commitment programs and offers academic and employment help as well. The LEA uses the Child Safety Matters curriculum to help combat the issue of Child and Human Trafficking. District wide training is offered with this curriculum for teachers, district staff, and paraprofessionals. The District's Child Trafficking Prevention Implementation plan is available on the district's website. The LEA coordinates with Selah Freedom, a National Organization with a mission to end child trafficking.

AGENDA ITEM NO. 10.32

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval to Renew the Contract Between The Early Learning Coalition of Manatee County, Inc. and The School Board of Manatee County for the 2023-2024 School Year, Not to Exceed $30,000.00

Executive Summary
The Early Learning Coalition of Manatee County, Inc. and their approval sites, provide infant/childcare for teen parents attending district schools. Teen parents attending their regular schools have been entitled to childcare per state statue. Due to transportation and liability issues, it is beneficial for childcare to be provided in a reasonable proximity to the school the parents attend.

The Early learning Coalition of Manatee County, Inc. and their approved sites will continue to provide infant/childcare services for children of teen parents directly through Early Learning Coalition of Manatee County, Inc. and via a subcontract with any other suitable licensed childcare providers, as required by state statue.

This contract will ensure that all children will have an opportunity for a quality learning experience.

Historical expenditures are as follows:
- 2020-2021 $ 14,729.33
- 2021-2022 $22,045.66
- YTD 2022-2023 $19,547.10

A copy of the contract is attached for review.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Learn | Goal 3
Increase ES enrollments in accelerated courses and identification of gifted and talented students

Ready To Learn | Goal 4
Develop effective professional development and high-quality instructional coaching for teachers to support rigorous literacy instruction across all grades

Ready For Life | Goal 2
Ensure that all staff are trained to respond to students impacted by trauma and adverse childhood experiences, including highly effective student services and mental health supports

Ready To Grow | Goal 7
Promote our schools and District as remaining highly competitive and uniquely designed to produce top-notch graduates, great neighbors, and responsible citizens

Recommendation
The Superintendent recommends approval to renew the contract between the Early Learning Coalition of Manatee County, Inc. and the School Board of Manatee County for the 2023-2024 school year, not to exceed $30,000.00.

Financial Impact
The cost to implement this agenda item will not exceed $30,000.00 per year. The funding source for this annual expenditure is General Fund and is included in the Dropout Prevention Department proposed budget for 2023-2024.

EARLY LEARNING COALITION OF MANATEE COUNTY, INC.
AND
THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA
For 2023–2024 School Year

This contract is entered into by and between **EARLY LEARNING COALITION OF MANATEE COUNTY, INC.,** 600 8th Avenue W. Ste. 100, Palmetto Florida 34221, hereinafter referred to as "the Coalition" and **THE SCHOOL BOARD OF MANATEE COUNTY, FLORIDA** whose address is 215 Manatee Avenue West, Bradenton, Florida 34205, hereafter referred to as "the Board", and is effective July 1, 2023 and expires June 30, 2024.

I. The Coalition Agrees:

A This agreement is contingent upon any and all participants and individuals that administer or participate in the program to follow any and all CDC guidelines in effect, take necessary precautions to prevent and avoid the spread of COVID-19 and any other known communicable diseases. Mask and/or face shields must be worn, and social distancing must be followed to the same extent it is utilized in traditional schools. In addition, no individuals exhibiting COVID-19 symptoms will be allowed on campus or participate in the program.

B. To administer through legally operating providers, childcare services for eligible children of teen parents in full-time membership in the Florida Education Finance Program in attendance at their assigned schools or verified as working in an approved on-the-job training course placement with by the on-the-job (OJT) teacher of record and timecards. Students employed after school will need to have an extended childcare contract. Providers will follow the School Readiness Contract. Coalitionproviders listed with a School Readiness Contract in probationary status will not be permitted to accept children of teenparents.

C. That the hours of service will be 6:30 a.m. to 6:00 p.m. or as agreed uponby both parties, based on teen-parent school hours.

D. To bill the Board based on the total number of students in attendance.

E To use the Board's approved calendar to indicate the number of school days billed in each month. ESE students may exceed the 180-school day calendar.

F. To assign a student identification number for each child including all appropriate data for

reporting.

G To submit the required weekly attendance reports by the 10th day of the following month to the "board."

H To grant access by the School District, the Florida Department of Education, the Auditor General's Office, the appropriate federal agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit examination, excerpts, and transcriptions.

I To ensure the below contracted childcare provider obligations:

- To be responsible for maintaining the program as required by the Florida Administrative Code Chapter 65C-22 Child Care Licensing standards and any other
- To provide developmentally appropriate learning activities for children of teen parents. The Coalition will ensure that all library materials and classroom materials are age appropriate, do not contain objectionable material, and compliant with Florida Statute(s). All curriculum must be Florida Department of Education approved, including all required policies within House Bill (HB) 7.
- To provide equipment to meet minimum specifications of Department of Children and Families guidelines.
- To ensure the appropriate supervision of the childcare program.
- To provide developmental screenings using Ages and Stages Questionnaire – 3rd edition for children of teen parents.
- To submit notification of registrations and withdrawals of students within 24 hours of enrollment/withdrawal to the appropriate Board personnel.
- To maintain daily attendance records with documentation of excused absences. These records are to be submitted to the appropriate school registrar at the end of each week. Teen parents will notify the provider and school district of absences after three consecutive days. Provider must attempt to determine need for continued care and notify school district if the child will or will not be returning. Any student accumulating five (5) consecutive unexcused days will be withdrawn and payment to the provider will be terminated on the sixth (6) day.
- To provide general liability and accident insurance for workers and children.
- To require each child who is entitled to initial admittance to any school in this state to present certification of a school-entry health examination performed within one (1) year prior to enrollment in school. Each child should also present or have on file a certification of immunization for the prevention of those communicable diseases for which immunization is required by the Department of Health. A copy of the birth certificate for

each child being enrolled by the student should be on record.

- To maintain health records on each student. Where appropriate, schools should use forms approved and provided by the Department of Health. These records become a part of each student's permanent record, to be transferred when the student transfers, is promoted, or changes schools.

- To provide copies of credentials for childcare workers, supervisors, and administrators, including, but not limited to, CDA certificates, CDS certificates, community college degrees, college/university degrees, licenses, teacher certificates, etc. to the extent required. The instructional program will provide and deliver Tier 3 interventions by reading endorsed or certified teachers to those students as required by Federal and State Law.

- Not to use or disclose any information concerning a recipient of services under this contract for any purpose not in conformity with state and federal regulations except on written consent of the recipient of his parent or guardian where authorized by law.

- To develop written policies concerning the care of students in emergencies, clinical and administrative records, and insurance coverage.

- Coalition will assure that the PROVIDER will comply with all statutory and administrative requirements for the protection of children, specifically reporting suspected child abuse or neglect or other reportable events under Chapter 3 9 . 2 0 1 F.S. by calling the ABUSE Hotline at (800) 962-2873.

- Coalition will assure that the PROVIDER will immediately report to the ELC-Manatee any unusual incidents that involve the health and safety of children or an event that would put the ELC- Manatee and/or the School District of Manatee County at risk or cause a negative public reaction.

- The Coalition will NOT provide transportation for students.

II. Food Service Agreement

A Any and all separate contract for Food Services is unaffected by this Contract and will remain in full force and effect. The School shall provide food service to its students consistent with applicable Florida Statutes. If the School elects to participate in the National School Lunch Program, it shall follow all applicable federal rules and regulations. If the school chooses to contract with the School District of Manatee County for meals, a separate agreement will be required. All terms of those separate agreements are subject to separate and distinct negotiations, renewal and expiration.

III. The Board Agrees

A To reimburse the Coalition for off-site contracted childcare and direct support services at the following daily rates to be determined on an annual basis:

FULL-TIME daily rates – the costs indicated below represents the cost for a full day of services:

<12 months	=$50.82

B. That this contract shall become effective July 1, 2023 terminate June 30, 2024. The full-time daily rates will be determined on an annual basis

C. To pay for Coalition childcare system non-direct/support services on behalf of the teenage participants. The childcare system support services will be paid at a rateof 5% of services which will be rendered each month and included in the monthly invoice.

IV. The Coalition and The Board MutuallyAgree

A. That this contract shall be null and void if the State of Florida does not fundteen parent childcareprograms.

B. The Coalition may terminate this Contract with or without cause by giving the Board thirty (30) calendar days written notice of its intent to cease TAPP Services.

C. The Board may terminate this Contract "without cause" by giving the Coalition (30) calendar days written notice that it will cease TAPP funding.

D. In each of the above cases the notice period is based upon the date of receipt of the notice by the receiving party, as documented by a return receipt request.

E. That the staff of the Board will be permitted to review the program provided by the Coalition and confers with its staff at reasonable times. Further, the Board and the Coalition agree to abide by all procedures and guidelines developed and mutually agreed upon by both parties regarding the implementation of the contract.

F. The unforeseen questions or any problems arising during the administration of the contract between parties shall be resolved through negotiations. The negotiated resolution of the unforeseen problems or questions shall be reduced to writing, which shall then be attached to and made part of this contract as a clarifying interpretation.

V. This agreement shall be governed by the laws of the state of Florida and governing regulatory rules, excepting Florida laws regarding choice of law. Any action brought to enforce this agreement shall be brought exclusively before the appropriate court in and for Manatee County, Florida.

VI. This contract may be modified subject to revenue shortfall which reduces district funding. This modification shall be proportionate to the Board's reduction.

VII. Terms and Conditions

A. This Agreement shall become effective on the Agreement Date, or the date on which the agreement has been signed by both parties, whichever is later, and shall have a term not to exceed one year.

B. Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be canceled by the School District upon thirty days written notice and the School District will be released of any and all obligations under this contract.

C. The School District of Manatee County and State of Florida requires all Providers/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Providers, individuals, or entities under contract with the School District required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School District for any claims made against the School District related to the failure to comply with Section 1012.465 and Section 1012.32 Florida Statutes. For information on JLA requirements and how to comply visit: http://www.manateeschools.net.

D. This agreement constitutes the entire agreement between the parties and supersedes any and all prior agreements, proposals, or representations, written or oral, concerning its subject matter. No modification, amendment, or waiver of any of any provision of this agreement will be effective unless in writing and signed by both parties.

E. This agreement will be governed by the internal laws of the State of Florida, without regard to its conflicts of laws rules. Each party agrees to comply with all applicable laws in the performance of this agreement. All disputes are to be resolved in Manatee County, Florida by binding Arbitration before the American Arbitration Association or other mutually agreed and similar forum. The costs of such dispute will be borne by the individual party.

F. The parties are independent contractors. This agreement does not create a partnership, franchise, joint venture, agency or employment relationship between the parties. It is expressly acknowledged that the School District does not direct or control the work or services to be performed, or how to perform such work or services under this agreement.

G. The Coalition agrees to defend indemnify and hold harmless the School District, their agents, employees, officers, and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a services contract Coalition will obtain at its own cost and expense general liability insurance with

minimum coverage amounts of at least one million dollars per occurrence and three million dollars in excess coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable Provider will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School District, the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification.

H. Confidentiality is pursuant to Florida Public Records Act and all Federal, State and Local Statutes, including but not limited to Trademark Protection, Copyright protection, Family Educational Rights and Privacy Act of 1996, Health Insurance Portability and Accountability Act of 1996, Family Medical Leave Act of 1993, Americans with Disabilities Act of 1990, and Genetic Information Non-Discrimination Act of 2008.

I. The parties acknowledge and agree that the School District, a political subdivision of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in Section 768.28 Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

J. The Coalition will be held to the same standards of conduct as employees of the School District of Manatee County while conducting business with the District. These standards, as defined in School Board Policies, will apply not only to employees of the Provider, but also to the employees of its sub- contractors.

K. If any provision of this agreement is held to be contrary to law, the provision will be subjected to modification and interpreted so as best to accomplish the objectives of the original provision to the fullest extent permitted by law, and the remaining provisions of this agreement will remain in effect. No failure or delay by either party to exercise a right under this agreement will be a waiver of that right.

L. The term “FORCE MAJEURE” means circumstances beyond the reasonable control of a party, (such as an act of God, government restrictions, wars, insurrections, labor disputes, financial insolvency, economic hardship, strife, failure of suppliers, communications, or data systems) which delay or prevent the party from performing under the terms of this agreement. Affected performance obligations will be suspended during the duration of the Force Majeure. In the event that the Force Majeure persists more than 90 days, the party may elect to terminate this agreement upon written notice.

M. The Coalition agrees to comply with the provisions of the Civil Rights Act of 1991, The Civil Rights Act of 1964, and The Americans with Disabilities Act, Age Discrimination in Employment Act, Section 1000.05, Florida Statutes, and The Pregnancy Discrimination Act and the Family Medical Leave Act. Said Provider further agrees not to discriminate on the basis of race, sex, national origin, religion, handicap, disability, sexual orientation, age or marital status.

N. This agreement is subject to the requirement by Executive Order 12549, Debarment and

Suspension, 7 CFR Part 3017.510 and/or 34 CFR Part 85,Section 85.510.

O. Termination for Cause. The School District reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School District shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to the Provider or recoveries by the School District under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for cause includes terminations under 215.4725, F.S.

P. Termination for Convenience. Termination of this contract in whole or in part may be made by School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required.

Q. CUSTODIAN OF PUBLIC RECORDS:
IF THE COALITION HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

R. The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Section 286.011 Florida Statutes. et. seq. and Section 119.01 Florida Statutes. et. seq. Provider hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

S. In accordance with School Board of Manatee County Policy and Procedures, no contract for providing supplies, equipment or services shall be affected with any individual or business entity in which any member of the School Board or the Superintendent has any financial interest. No contract for goods or services may be made with any business entity in which the Superintendent, Board Member or their spouse or child has an employment relationship or a material interest. No School Board employee may directly or indirectly purchase or recommend for purchase of goods or services from any business organization in which his/her spouse or child has a material interest as defined in Chapter 112 Florida Statutes.

T. Federal, state, county, and local laws, ordinances, rules, and regulations that in any manner affect the items covered herein apply. Lack of knowledge by the Provider will in no way be a cause for relief from responsibility. The Provider shall have in their possession and must provide all applicable insurance, permits, licenses, etc., which may be required by federal, state, or county law to furnish services under the scope of this contract. The Provider must not be in violation of any zoning or other ordinances in the performance of this contract.

U. All equipment must meet the applicable requirements of the Occupational Safety and Health Act (OSHA) and any standards thereunder.

V. When purchasing directly from a supplier the School District of Manatee County, Florida is exempt from Federal Excise, State Sales and Use Taxes. Tax exemption certificates and numbers will be furnished on request.

W. All vendors, Providers and sub-contractors must comply with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor Regulations (29 CFR Part 5).

X. Possession of firearms will not be tolerated on provider's property or any School District of Manatee County property. No person who has a firearm in their vehicle may park their vehicle on School District property. Furthermore, no person may possess or bring a firearm on School District property. If any employee or independent contractor of the Provider, or any of its sub-contractors, is found to have brought a firearm on School District property, said employee or independent contractor shall be immediately removed and terminated from the project by the Provider. If a sub- contractor fails to terminate said employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub- contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of Manatee County. "Firearm" has the meaning given in Subsection 790.001(6) Florida Statutes.

Y. Employment on provider's property by the Provider, or any of its subcontractor, of any employee, or independent contractor, with any prior convictions of any crimes against children, crimes of violence or crimes of moral turpitude will not be tolerated. If it is determined that any person with such criminal history is on the project site, the Provider agrees to take all steps necessary to remove such person the project and the property. The School District of Manatee County shall have the right to terminate this agreement if the Provider does not comply with this provision.

Z. Possession/use and/or being under the influence of any illegal mind altering substances, such as, but not limited to alcohol and/or substances delineated in Chapter 893, Florida Statutes, by Provider's employees or independent contractors or its sub- contractors' employees or independent contractors will not be tolerated on School District property. If any employee or independent contractor is found to have brought and/or used or is under the influence of any illegal mind-altering substances as described above on School District property, said employee or independent contractor shall be removed and terminated from the project by the Provider. If a sub-contractor fails to terminate said

employee or independent contractor, the Provider shall terminate its agreement with the sub-contractor. If the Provider fails to terminate said employee or independent contractor or fails to terminate the agreement with the sub- contractor who fails to terminate said employee or independent contractor, this agreement may be terminated by the School District of ManateeCounty.

AA. This agreement constitutes the entire agreement between the parties and supersedes all prior agreements, proposals or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail. In the event of conflict, the terms of this agreement shall govern.

BB. Employment Eligibility Verification ("E-VERIFY"): By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages, or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.092, Florida Statues and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system. The Contracted Site agrees to execute the attached E-Verify form annexed to this agreement.

CC. Entire Agreement: This is the entire agreement and supersedes any prior agreements oral and/or in writing. Any modification of this agreement must be in writing and mutually agreed to by all parties.

2023-24 YDash Contract

YMCA OF SOUTHWEST FLORIDA INC., AND
THE SCHOOL BOARD OF MANATEE COUNTY

MIDDLE SCHOOL SERVICES
2023-2024

This Memorandum of Agreement is entered into between YMCA OF SOUTHWEST FLORIDA INC., 200 Nokomis Ave. Venice, Florida, hereinafter referred to as "The Provider, or YMCA" and THE SCHOOL BOARD OF MANATEE COUNTY, hereinafter referred to as "The Board."

That this Agreement will only take effect during times that the School District of Manatee County operates student learning in traditional brick and mortar schools.

YMCA agrees to follow the School District of Manatee County's COVID-19 Protocols.

In addition, only employees of the School District of Manatee County may administer and participate in the program that takes place on school grounds unless otherwise modified or amended in writing. The provider may staff and administer their own program offsite, provided they comply with the safety procedures enumerated above.

I. The Provider agrees:

Title
Approval of the Request for Proposal on National School Lunch Program - Fresh Delivered Pizza, SDMC No. 24-0003-KD, Continued Procurement of Commodity, Estimated in the Amount of $550,000.00 Annually

Executive Summary
A Request for Proposal (RFP) was issued for National School Lunch Program - Fresh Delivered Pizza. Pizza is sold in the District's secondary schools as part of a reimbursable meal and as an a la carte item. In order to meet the current United States Department of Agriculture (USDA) nutritional requirements for meal reimbursement and Smart Snack a la carte items, the pizza must use reduced fat and sodium cheese, reduced sodium sauce, and reduced sodium turkey pepperoni as well as a whole grain crust. The nutritional requirements, District volume, and delivery schedule are factors that limit the number of suppliers that may participate. The District will purchase pizza as needed throughout the contract period.

This proposal is recommended for award to:
- High Powered Pizza LLC (Domino's Pizza), Delray Beach, FL, Florida Document No. L16000154705
- Additional suppliers may be added as needed throughout the contract period.

The requested contract is for the period of August 1, 2023 through July 31, 2026, with two additional one (1) year renewals through July 31, 2028.

Historical Expenditures are as follows:
- Fiscal Year 2020-2021 $289,394.00
- Fiscal Year 2021-2022 $538,992.00
- Fiscal Year 2022-2023 $502,527.21

Approval of this proposal and agenda item does not indicate immediate or complete expenditure of approved funds. Funds will only be expended as budget(s) allow on an as-needed basis throughout the contract period.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 4
Maximize the energy efficiency and management of our facilities to remain sustainable and financially responsible

Recommendation
The Superintendent recommends approval of the request for proposal on National School Lunch Program - Fresh Delivered Pizza, SDMC No. 24-0003-KD, continued procurement of commodity, estimated in the amount of $550,000.00 annually.

Financial Impact
The funding source for this annually estimated expenditure is Food and Nutrition Services, and is included in the proposed budget for 2023-2024.

CONTRACT OF AWARD AGREEMENT, SDMC No. 24-0003-KD

THIS AGREEMENT is entered into by and between The School District of Manatee County, hereinafter "District" and High Powered Pizza LLC (Domino's Pizza) (Contractor).

1. **THE WORK:**

1.1 Contractor shall perform and render all services as prescribed and required by the Instructions to Proposers, Proposal Form, General Conditions, Specials Conditions, Scope of Work, Specifications, and all other documents forming a part of the Proposal package and any other documents signed by both parties relating to the subject matter of the Agreement, all of which are incorporated by reference as though set forth in full herein for:

National School Lunch Program – Fresh Delivered Pizza, SDMC No. 24-0003-KD.

2. **CONTRACT TERM:**

2.1 The term of this Agreement shall be from July 1, 2023 through June 30, 2026. Any deviation from the awarded contract period or cancellation of any item(s) awarded may result in your company being barred from doing business with the School District of Manatee County, in accordance with School District Policies and Procedures. Multi-year contracts will automatically renew for one (1) year periods during the initial contract period above, unless the District notifies the supplier of intent to rebid or negotiate new terms ninety (90) days prior to the contract anniversary date. This Agreement shall not expire until all work under Purchase Orders issued is completed, accepted and paid for by the District. All indemnification provisions contained in the Agreement shall survive beyond the expiration of the Agreement.

3. **PAYMENT TERMS:**

3.1 The standard payment terms for the School District of Manatee County are Net 45. Invoices must include the purchase order number prominently displayed in order to receive payment. Payments will be made only to the vendor listed on the purchase order.

4. **INVOICE REQUIREMENTS:**

4.1 The selected Proposer shall submit an invoice to the District, each month, after the services have been performed and have been received and accepted by the District. The amount charged shall not be in excess of the rates and fees in the Agreement.
The date of the invoices shall not exceed ten (10) working days from the performance of the work. Under no circumstances shall the invoice be submitted to the District in advance of the performance of the work.
The invoice shall contain the following basic information: the awarded Bidder's name and address, invoice number, date of invoice, description of the service performed, the contract number, purchase order number, and any discounts. The invoice shall be in detail sufficient for a proper pre-audit and post audit thereof. Each bill or invoice must properly identify the services, portion of services, and expenses for which compensation is sought.

5. **NON-FUNDING:**

5.1 In the event sufficient budgeted funds are not available for a new fiscal period, the Purchasing Department shall notify the vendor of such an occurrence and the contract shall terminate on the last day of the current fiscal period without penalty or expense to the District.

6. **TERMINATION FOR CAUSE AND CONVENIENCE:**

6.1 Termination for Cause—The School District of Manatee County reserves the right to terminate this contract in whole or in part at any time before the date of completion, in the event it is determined that the provider has failed to comply with the conditions of the agreement. The School Board shall promptly notify the Provider in writing of the determination and the reasons for the termination, together with the effective date of the termination. Payments made to Providers or recoveries by the School Board under contracts terminated for cause shall be in accordance with the legal rights and liabilities of the parties under the laws of the State of Florida. Termination for Convenience—Termination of this contract in whole or in part may be made by the School District of Manatee County when the district determines that the continuation of the contract would not produce beneficial results commensurate with the further expenditure of funds or in furtherance of the goals and directives of the School District of Manatee County. Termination may be initiated within 30 days' notice when Board approval is not required and subject to Board approval when required

7. **COMPLIANCE WITH THE SUNSHINE LAW:**

7.1 The Florida Sunshine Law is a series of laws designed to guarantee that the public has access to the public records of governmental bodies in Florida, Fla. Stat. sec. 286.011 et. seq. and Fla. Stat. sec. 119.01 et. seq. The contracting party with The School Board of Manatee County hereby acknowledges and agrees to comply with The Florida "Sunshine" Law, including but, not limited to keeping and maintaining all records that relate and/or pertain to the terms of this agreement available for inspection and copying, public records requests, internal audits and for any other informational purpose.

8. **EQUAL EMPLOYMENT OPPORTUNITY:**

8.1 Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964– 1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

9 **ANTI-DISCRIMINATION**:

9.1 a. the bidder certifies that they are in compliance with the non-discrimination clause contained in Section 202, Executive Order 11246, as amended by Executive Order 11375 relative to equal employment opportunity for all persons without regard to race, color, religion, sex or national origin. The provisions of the ADA Act of 1990 pertaining to employment shall also be applicable.

b. the bidder shall not discriminate on the basis of race, gender, gender identity or expression, religion, national origin, ethnicity, sexual orientation, age or disability in the solicitation, selection, hiring, or treatment of sub-contractors, vendors, suppliers, or commercial customers. Bidder shall provide equal opportunity for sub-contractors to participate in all of its public sector and private sector sub-contracting opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that has occurred or is occurring in the marketplace. Bidder understands and agrees that violation of this clause is a material breach of the contract and may result in contract determination, debarment, or other sanctions.

10. **MINORITY, SMALL, AND WOMEN OWNED BUSINESS**:

14.1 (40 U.S.C. 3701–3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours

worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

15 **RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT:**

15.1 If the Federal award meets the definition of ''funding agreement'' under 37 CFR §401.2 (a) and the recipient or sub recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that ''funding agreement,'' the recipient or sub recipient must comply with the requirements of 37 CFR Part 401, ''Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,'' and any implementing regulations issued by the awarding agency.

16. **CLEAN AIR ACT:**

16.1 42 U.S.C. 7401–7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251–1387), as amended: Contracts and sub grants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

17. **DEBARMENT AND SUSPENSION:**

17.1 (Executive Orders 12549 and 12689): A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), ''Debarment and Suspension.'' The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

18. **BYRD ANTI-LOBBYING AMENDMENT:**

18.1 (31 U.S.C. 1352): Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

19. **SECTION 6002 OF THE SOLID WASTE DISPOSAL ACT:**

19.1 The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage

of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. (78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014).

20. **RECORD RETENTION REQUIREMENTS FOR CONTRACTS PAID FOR WITH FEDERAL FUNDS:**

20.1 2 CFR §200.333: When federal funds are expended by SDMC for any contract resulting from this procurement process, the vendor certifies that it will comply with the record retention requirements detailed in 2 CFR §200.333. The vendor further certifies that vendor will retain all records as required by 2 CFR §200.333 for a period of three years after grantees or sub-grantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

21. **INDEMNIFICATION:**

21.1 Contractor agrees to defend indemnify and hold harmless the School Board, their agents, employees, officers and Board Members against any and all third-party claims, losses, damages, expenses, or liabilities arising from any action or failure to act with respect to this agreement to the extent provided by law. When pertaining to a contract, Contractor will obtain at its own cost and expense general liability insurance with minimum coverage amounts of at least one million dollars per occurrence and three million dollars in aggregate coverage and such insurance will name The School Board, their Board Members and School District Employees as an additional insured. To the extent applicable, Contractor will maintain and furnish workers compensation insurance. A certificate of insurance will be furnished within ten business days from the execution of this agreement. Failure to provide such insurance allows the School Board the election to immediately terminate this agreement. Certain employees are subject to written waiver of indemnification. Failure to provide such insurance allows the District the election to immediately terminate this agreement.

22. **INSURANCE:**

22.1
a. Statutory Limits of Worker's Compensation in compliance with Chapter 440, Florida Statute, if required.
b. Employer's Liability Insurance in an amount not less than $1,000,000.00 per occurrence.
c. Comprehensive General Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for any occurrence resulting in bodily injury or death to any one or group of persons, including any consequential damages that arise therefrom.
    I. If policy is on a "CLAIMS MADE" basis, contractor's insurance carrier will identify policy as such and indicate in writing the amount of claims paid by this policy and reserves outstanding. Policy aggregates must equal at least two (2) times the occurrence limit.
d. Liability Insurance in an amount equal to or greater than $1,000,000.00 per occurrence for bodily injuries and/or death to any person or persons caused by passenger automobiles or commercial vehicles.
e. Liability Insurance equal to or greater than $1,000,000.00 per occurrence for property damage caused by passenger automobiles or commercial vehicles.

23. **COMPLIANCE WITH JESSICA LUNSFORD ACT:**

23.1 The School District of Manatee County and State of Florida, requires all contractors/subcontracts to comply with the Jessica Lunsford Act (JLA) which consists of a level II background screening via fingerprinting. Vendors, individuals or entities under contract with the School Board of Manatee County required to go on school grounds when students are present, must comply with the requirements of the law and agree to indemnify and hold harmless the School Board of Manatee County for any claims made against the School Board related to the failure to comply with Florida Statute Section 1012.465 and Section 1012.32 Florida Statutes. Information on JLA requirements and how to comply can be accessed at www.manateeschools.net.

24. **SOVEREIGN IMMUNITY:**

24.1 The parties acknowledge and agree that the School Board of Manatee County, Florida, as an agency of the State of Florida, is a sovereign entity that is by law immune from suit except to the extent specified in 768.28 of Florida Statutes. No provision of the agreement shall constitute, or be interpreted as, a waiver of sovereign immunity, and all defenses relative to sovereign immunity shall be preserved.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICABILITY OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR' S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS:

Public Records Custodian, 215 Manatee Avenue W. Bradenton, Florida, 34205

25. **ENTIRE AGREEMENT:**

25.1 The proposal and this agreement constitutes the entire agreement between the parties and supersedes all prior agreements or representations, whether written or oral, concerning its subject matter. This agreement may be executed in one or more counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. The terms of this agreement will supersede any conflicting terms in any counterpart, exhibit or attachment. No modification, amendment, or waiver of any provision of this agreement will be effective unless in writing and signed by both parties. Notice is by writing sent certified mail.

26. **AUTHORITY TO EXECUTE:**

26.1 The individual executing this Agreement on behalf of the Contractor is duly and fully authorized to execute this Agreement on behalf of the Contractor and to bind the Contractor to each and every, condition and covenant of the Contract Documents.

27. ASSIGNMENT:

27.1 Neither party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other party (not to be unreasonably withheld.) If this matter pertains to a school that becomes a Charter School, this contract may be cancelled by the School District upon thirty days written notice and the School Board will be released of any and all obligations under this contract.

28. **COVID 19**

28.1 The Vendor agrees to follow The School District of Manatee County's protocols pertaining to COVID-19.

29. **EMPLOYMENT ELIGIBILITY VERIFICATION ("E-VERIFY"):**

29.1 By entering into a contract with the School District of Manatee County (a public employer in Florida) to provide goods or services in exchange for salary, wages or other renumeration, this section applies to verify employment eligibility. Therefore, pursuant to Section 448.095, Florida Statutes and beginning January 1, 2021, every public employer, Contractor and Subcontractor shall register with and use the United States Department of Homeland Security's E-Verify system, located at https://e-verify.uscis.gov/emp to verify the work authorization status of all newly hired employees. The Parties may not enter into a contract unless each party registers with and uses the federal E-Verify system.

The Contractor verifies its compliance with the E-Verify System by listing its E-Verify System Number on page 3 of this document; or by signature and submission of this contract, asserts it does not hire any employees, and it is not an unauthorized alien, as defined by this statute.

The Contractor will require all Subcontractors who work on this contract to use the E-Verify System for any subcontracted employees hired during this contract. The Contractor will verify Subcontractor's compliance with an affidavit stating whether the Subcontractor uses the E-Verify System as evidenced by Subcontractor's E-Verify System Number or that the Subcontractor is not an unauthorized alien and does not employ, contract with or subcontract with unauthorized aliens defined by this statute. The Contractor will maintain and provide the Subcontractor's affidavits to the School District on request during this contract.

Termination: With good faith belief that the Contractor knowingly violated this section, the School District will terminate the contract. Further, with good faith believe that the Subcontractor knowingly violated this section, the School District will promptly notify the Contractor and the Contractor will immediately terminate the Contractor's contract with the Subcontractor. A contract terminated for noncompliance with E-Verify is not a breach of contract and may not be considered as such.

To the extent required by applicable law, the Contractor is liable for any additional costs incurred by the School District resulting from a failure to comply with E-Verify. Additional costs may include but are not limited to higher costs for the same services and rebidding costs (if necessary). Likewise, the Contractor will be barred from any other contracts with the School Board for at least one year after the date the contract was terminated.

AGENDA ITEM NO. 10.36

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of the Food Service and School's Internal Accounts Change Funds for Fiscal Year 2023-2024, in the Amount of $35,200.00

Executive Summary
The School Board must authorize the establishment of each change fund, including dollar amounts, and the individuals responsible must be designated and approved.

Some departments and schools, as well as each cafeteria, and Manatee Technical College (MTC) in the Manatee County School District transact daily cash sales and require a change fund to meet daily needs.

A list of the applicable departments, schools, cafeteria and Manatee Technical College (MTC) locations, the amount of the change funds requested, and the name of the individual responsible at each facility is attached.

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Grow | Goal 5
Continue our secure financial position, utilize referendum millage funds effectively, and modernize and enhance our current schools to meet our school community needs, including building vibrant, new schools

Recommendation
The Superintendent recommends approval of the food service and school's internal accounts change funds for fiscal year 2023-2024, in the amount of $35,200.00.

Financial Impact
There is no financial impact.

SECTION III POSITIVE SCHOOL CLIMATES		
Page/Section	**Change**	**Rationale**
(P.10) Igniting Positive School Climates	Project Spark combines prevention and early intervention through our Multi-Tiered Systems of Support (MTSS), and a focus on building environments for optimal engagement; cultivating skills that build resiliency; and supporting safe and welcoming learning communities.	We chose to put the spotlight on multiple elements of our effort to build more positive school climates.
(P.10) Building Environments for Optimal Engagements	**Building Environments for Optimal Engagement** Whether due to unclear expectations or learning goals, the impact of stress or trauma, or poor relationships with adults and peers, the optimal engagement of our students with their learning environment is challenged by numerous factors. To help address these barriers to student engagement, the SDMC actively promotes several initiatives. CHAMPs is an evidence-based system of classroom management supported by over 30 years of research. Teachers use the CHAMPs model to clarify expectations for learning activities and transitions that occur throughout a class or school. The CHAMPS acronym stands for: • **C**onversation: Can students talk to each other during this activity? At what level? • **H**elp: How do students get the teacher's attention and their questions answered? • **A**ctivity: What is the task/objective? What is the end product?	
(P.11) Building Environments for Optimal Engagements Continued	• **M**ovement: Can students move about during this activity? • **P**articipation: How do students show they are fully participating? What does work behavior look/sound like? All district schools have at least one trained CHAMPs coach who is tasked to work with teachers for implementing	

	CHAMPs in the classroom. CHAMPs coaches also work with school administrators to establish and solidify school-wide expectations. To assist teachers and other school staff in better understanding developmentally appropriate teaching and learning, the SDMC has begun initial training using The Neurosequential Model in Education (NME). This training offers a way to educate school staff about brain development, developmental trauma, and how to apply that knowledge to support all students in and out of the classroom, especially those impacted by adverse childhood experiences. The SDMC has also dedicated extensive time and resources in providing Youth Mental Health First Aid (YMHFA) training to most of our staff across all schools and support sites. YMHFA allows our staff to better understand and recognize the unique risk factors and warning signs of mental health problems in adolescents, including anxiety, depression, psychosis, eating disorders, substance use disorder, ADHD and other disruptive behavior disorders. YMHFA emphasizes the importance of early intervention, and teaches our staff how to help an adolescent who is in crisis or experiencing a mental health challenge. Quality relationships are perhaps the key element in building a positive school climate and are also critical for optimal student engagement. Our schools offer a wide range of activities and interests for our students to form social bonds and explore their personal interests with like-minded peers. In the classroom setting, relationships between students and adults can be strengthened through the use of practices such as community-building circles. Circles can be used proactively to help build trust, positive feelings, and a sense of belonging within the classroom community. Circles	

	can also be used to discuss classroom expectations, problem-solve common issues, mentally prime students for learning, and create a culture of communication and empathy. With a strong sense of community, circles can also be used to restore relationships that may have been harmed. The SDMC has invested training and resources to bring the concept of circles to our schools. It represents an easy and effective way to foster better relationships and build the foundation for a more positive school climate.	
(P.11) Cultivate Skills that Build Resiliency, (P.11) Supporting Safe and Welcoming Learning Communities	**Cultivate Skills that Build Resiliency** To ensure positive mental health for all students, the SDMC ensures all students have the necessary skills and resources to see them through life's successes and challenges. The new FL Resiliency Standards centered around Character, Personal Responsibility, Mentoring and Citizenship, Critical Thinking and Problem Solving provide the foundation for schools to support and strengthen the characteristics that build resiliency. The new Florida Resiliency Standards will be implemented for the first time during the 2023-2024 school year. The standards will help us connect several existing universal curricular efforts to include substance use education, health education, character education, and mental health education. **Supporting Safe and Welcoming Learning Communities** Along with elements such as our MTSS, community-building circles, and our district code of conduct, the SDMC undertakes several initiatives to help ensure a safe and welcoming environment for all students. • Several of our district schools partner with the Sandy Hook Promise Foundation and operate a SAVE (Students Against Violence Everywhere) Promise Club. SAVE promise clubs are led by a	

	faculty sponsor	
(P.12) Supporting Safe and Welcoming Learning Communities Continued	and empower student leaders to develop and organize activities designed to create safe and welcoming environments for all students. SAVE Promise Clubs are supported by district staff who seek to increase the number of schools that operate these student leadership clubs. If you are interested in joining or starting a club on your campus, please contact your school's administration. When threats of harm are made against the school or any member of our school community, each district school has a specially trained threat management team to assist in mitigating the threat of potential harm. The members of the threat management team are charged with investigating any threat of harm and developing appropriate safety plans to help ensure the threat cannot be carried out and that supports are provided to the students involved. Each school's threat management team includes school administrators, discipline personnel, counselors, and other staff, as well as local law enforcement. The SDMC, local law enforcement, and local community mental health providers work together to ensure our policies and procedures are in compliance with all legal requirements and that our schools provide the highest level of safety for all members of their community. If you become aware of an explicit or implied threat of harm to a school or any member of our school community, please report the concern immediately. In nearly all mass casualty acts of violence in our schools, the perpetrator(s) announce their plans in advance through a phenomenon known as "leakage". Whether on social media or through face-to-face communication, too often these warning signs of impending violence are dismissed or go unreported. The state of Florida has established a reporting system called	

	FortifyFL, which can be downloaded as an app for mobile devices and computers. FortifyFL is designed for suspicious behavior and serious threats that have been made against our schools and school community members. In addition to FortifyFL, the SDMC operates an anonymous reporting system for all acts of bullying, harassment, or other dangerous or unwelcome behaviors that target our students. Each district school has a link on the front page of their website for reporting and there is also a link found on our district website. Together, these reporting systems are designed to help ensure that all concerning or suspicious behavior can be immediately reported and investigated.	

SECTION IV STUDENT ATTENDANCE		
Page/Section	**Change**	**Rationale**
(P.12) Student Attendance	Florida Compulsory School Law (F.S. 1003.21) states all children who are either six years of age (or who will be six years old by February 1 of any school year), but who have not attained the age of ~~16~~ 18 must attend school regularly during the entire school term. ~~Students between 16 and 18 are also within compulsory attendance age, unless a formal Declaration of Intent to Terminate School Enrollment has been completed and signed by the parent and an exit interview is conducted at the school.~~	The Florida Legislature increased the age at which students are allowed to discontinue their public education.

SECTION V STUDENT DISCIPLINE		
Page/Section	**Change**	**Rationale**
(P.19) Threats Against Schools and Persons	**Threats Against Schools and Persons**	This section is now expanded to include threats against the school as a whole, and other individuals.

(P.19, 20) Threats Against Schools and Persons	You are subject to school-based consequences for any threats communicated online or through the use of technology, regardless of the time, day, or location where the threat was made.	This language was already a part of our disciplinary practice. We wanted to better inform students and parents of the jurisdictional reach and consequences.
(P.20) Note:	This includes simulating realistic gunfire, explosions, or acts of violence using apps or other technology.	The proliferation of new apps and technology that can create a realistic -sounding gunfire, potentially creating panic and disruption in the school setting.
***(P.20) Violent and Aggressive Acts	Violent and Aggressive Acts If you commit two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression)	In order to clearly establish that violence or physical aggression will not be tolerated in our schools. 6/2/23- Board member asked Mr. Schrier to define Aggressive Acts
(P. 20) Violent and Aggressive Acts	If you are involved in two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression) in the same school year and while under the jurisdictional control of the school, you may be placed on a district-level Behavior Assessment and Modification (BAM) contract. A third such offense in the same school year may result in your recommendation for reassignment to an alternative program.	This language has been a part of our disciplinary practice for at least two years. We wanted to better communicate the practice to students, parents, and school staff.
***(P.23) Discipline Matrix for Schools	The term SESIR is found 24 throughout the discipline matrix and is an acronym for **School Environmental Safety Incident Reporting.** These discipline incidents are defined by the state and reported to the Florida Department of Education on a monthly basis.	6/2/23- Board member requested the acronym SESSIR be spelled out.
SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS		
Page/Section	**Change**	**Rationale**

(P. 28-41) SDMC Discipline Matrix	Added RTI to the MTSS as an option after the 3rd offense for most discipline infractions. Previously, many infractions did not have such administrative action listed until the 4th offense	We wanted to make sure that students were consistently referred for early intervention.
(P.28-41) SDMC Discipline Matrix	Added ALT Placement as an option after the 3rd offense of SESIR Bullying or Other Serious behavior.	This was a decision proposed and made to help keep our schools and students as safe as possible.
(P.30) SDMC Elementary School Discipline Matrix – Grades 3-5	CFS, ~~FIN~~, PWR, RLW, TMO, 1 Day ISS CFS, PCN, RLW, RTI, 1-2 Days ISS, 1 Day OSS	ISS was necessary on a first offense to allow students to complete our online vaping intervention course, while in the school setting. The day of OSS was added for a second offense to be consistent with a progressive system of discipline.

SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS

Page/Section	Change	Rationale
(P.50) Out-of-School-Suspension	~~When OSS is deemed appropriate, the district does offer an Alternative To Out of School Suspension (ATOSS) program that is housed at two different locations. You are responsible for transportation to ATOSS however, it does offer a structured and supervised environment where assignments may be communicated and submitted to your regular teachers.~~	This program was eliminated from funding and discontinued.
***(P. 51) Out of School Suspension Q & A	How do I make up my work while on suspension? A. You are encouraged to remain current with all class assignments	6/2/2023- Board member requested language be incorporated encouraging students to continue their schoolwork when suspended

(P.52) Expulsion and Discipline Reassignment Q & A	~~All alternative placements and expulsion recommendations for students with disabilities are made by the appropriate IEP or 504 team.~~	This is not accurate. The majority of recommendations for reassignment or expulsion are made by the school principal.
SECTION VII IMPORTANT POLICIES AND PROCEDURES		
Page/Section	**Change**	**Rationale**
(P.57) Suspected Overdose	Suspected Overdose District schools may maintain an on-site supply of the opioid antagonist Naloxone, following guidelines established in Board Policy 5780 and F.S. 499.003. Naloxone is a medication that is used to reverse an opioid overdose. If any student or staff are suspected of having an opioid-related overdose, Naloxone will be administered by a trained nurse as a life-saving measure.	New Board Policy and state law allowing Naloxone to be stored and delivered in schools.
(P.59) Electronic Equipment	Absent such permission, teachers or other school staff may confiscate your electronic device, per F.S. 1006.07.	New legislation (SB 52) updated F.S. 1006.07 to explicitly allow teachers to confiscate student mobile phones.
(P.59) Electronic Equipment	A student may not electronically record any ~~teacher or a classroom~~ SDMC employee or facility without ~~the teacher's~~ written or explicit permission. This does not apply to school-sanctioned events or activities that may warrant such recording. Additionally, students may not record or post to the Internet recordings of fighting, acts of bullying, assault, or battery, whether staged or real – regardless of time or location.	A situation arose where staff were being recorded and maligned online but who were not teachers. The committee felt protections should be afforded to all staff. The prohibition on recording areas of the school was a recommended security measure during the DOE- led threat assessment training.

2023-2024 Code of Student Conduct Change Summary

VIII PUBLIC NOTICES		
Page/Section	**Change**	**Rationale**
(P.67) Video Surveillance on School District Policy	Requests for school videos are exempt under Florida Statute as well as FERPA -34 CFR s. 99.12, unless under a subpoena.	A recommendation from our General Counsel, based on what law allows for.
***(P.68) Entering Areas Intended for the Opposite Sex	Entering Areas Intended for the Opposite Sex Based upon legislative changes in the law, if you enter an area on campus designated for the opposite biological sex and refuse to immediately leave when asked, there may be a criminal penalty for students age 18 and above under F.S. 553.865. In addition, school discipline can be imposed for all students as outlined in the appropriate grade-level matrix for entering areas on campus designated for the opposite biological sex that will also include defiance. Schools will work with students that have privacy concerns for reasonable accommodations for a undesignated bathroom.	We were compelled by law 6/2/2023- Board member requested opposite sex be defined by using term biological.

NOTICE REGARDING CODE OF STUDENT CONDUCT

In order to conserve resources, schools will not distribute paper copies of the Student Code of Conduct to students. You can locate an electronic copy of the Student Code of Conduct on the District website at www.manateeschools.net or on your school's website. If you require a paper copy of the Student Code of Conduct, please check the appropriate box below; sign and return this sheet, and one will be provided to your child. This page will also exist as a form, which is available at your school's front office, if you are unable to print a copy for yourself.

This Student Code of Conduct has been developed so our students and families have a clear understanding of behavioral expectations and to inform all parties of important procedures related to our educational mission. It is helpful if parents are aware of school rules so they can help support them from home. Parents and students are encouraged to review the Student Code of Conduct together to gain a better understanding of their rights and responsibilities. Training on the Student Code of Conduct will be provided to all students, teachers and administration during the first month of school. The rules and language contained within the Student Code of Conduct shall supersede any conflict that may arise with individual school handbooks.

FAILURE TO REVIEW THE STUDENT CODE OF CONDUCT WILL NOT RELIEVE A STUDENT OR THE PARENT/ GUARDIAN OF THE RESPONSIBILITY FOR COMPLIANCE WITH THE CODE OR ACCOUNTABILITY FOR LOSS OR DAMAGE TO SCHOOL DISTRICT OF MANATEE COUNTY PROPERTY.

Please check and submit, only if you require a printed copy of the 2022-2023 Code of Student Conduct. One (1) copy per household will be provided.

☐ I would like to have a printed copy of the Student Code of Conduct sent home with my child.

THE SCHOOL DISTRICT OF MANATEE COUNTY
CODE OF STUDENT CONDUCT
20223-20234

~~Dear Students and Parents,~~

~~One of our many important goals in this School District is to provide a safe, nurturing, and well-disciplined learning environment for all students. To achieve this goal, the School Board has authorized the development of a comprehensive District Code of Student Conduct. I strongly encourage you to read this Code of Student Conduct and share your thoughts and observations with your teens or children.~~

~~This District Code of Student Conduct was developed with input from school and district administrators, faculty and staff members, School Advisory Council members, community members, and students.~~

~~The District Code of Student Conduct will be reviewed annually for any additions or deletions that may be necessary for clarification or as required by new legislation. If you have any questions regarding the contents of the District Code of Student Conduct, please contact your school principal.~~

~~The information contained in this District Code of Student Conduct is being provided to all students and parents. Extra copies of this publication are available at school sites or on the District website at www.manateeschools.net. Thank you for taking the time to read and discuss this information. I appreciate your support of our schools and School District. Have a Great School Year!~~

Sincerely,

~~Cynthia Saunders~~,

SECTION I JURISDICTION OF THE SCHOOL BOARD

Introduction

The purpose of this document is to assist students, parents, and school personnel in establishing and maintaining a safe, nurturing and well-disciplined learning environment for all. To be fully effective, the Code of Student Conduct addresses not only the role of the parents, the students, and the school, but also specifies areas relative to the responsibilities and rights of students and parents; grounds for disciplinary action; and procedures to be followed for acts requiring disciplinary action.

In the event of a situation which significantly alters the standard process for delivering education, such as natural disasters, pandemics, etc., the School District of Manatee County reserves the right to amend policies and procedures to allow for the continued education, articulation, and graduation of students, as well as the safety and security of our school communities.

Students in the School District of Manatee County are subject to the Code of Student Conduct during the school day and regular school activities, while being transported on school buses or at public expense to and from school or other education facilities. Students are also subject at such time and places that include - but are not necessarily limited to - school sponsored events, field trips, athletic functions, and other activities where appropriate school personnel have jurisdiction over students. In addition, jurisdictional control over students may be extended as per Florida Statute Sections 1006.07, 1006.09, 1006.13, 1006.147, and 1003.31 whenever the conduct of a student is deemed to have a detrimental effect on the health, safety, and welfare of any member of the school community or the learning environment of the school.

IN LOCO PARENTIS

State and federal law recognizes that teachers and school administrators have a need to stand in the place of parents over children entrusted to them at school. This is a concept called *in loco parentis*. While this power is not equal to a parent's power over a child, it permits school personnel to exercise a degree of supervision and control over students that could not be exercised over free adults. This concept is responsible for the fact that school personnel can search without a warrant based on reasonable suspicion and are not held to the higher standard of "probable cause" by which law enforcement is bound. It is also responsible for the fact that school personnel can interrogate a student without providing him or her with Miranda warnings or allowing the student to call a parent or attorney.

Prohibition of Discrimination

No student shall, on the basis of race, color, national origin, sex, sexual orientation, gender identity, disability, marital status, age, religion, or any other basis prohibited by law, be excluded from participation in, be denied the benefits of, or be subjected to discrimination or harassment under any educational programs, activities, services, or in any policies or practices by the School District of Manatee County. Any student who believes he or she has been discriminated against or has been harassed by an employee, student, or other third party, who is subject to control of the School Board, is encouraged to use the appropriate grievance procedures set forth in policy.

TITLE IX

Title IX of the Education Amendments Act of 1972 is a federal law, enacted in 1972, which states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

The United States Department of Education requires school districts to follow a specific Title IX Grievance Process while investigating allegations of sexual misconduct. The Office of Civil Rights of the United States Department of Education considers sexual misconduct (including sexual harassment, sexual violence, sexual assault and intimate partner violence) to be a form of sexual discrimination and requires the school districts to take immediate and effective steps to respond to sexual misconduct.

For a Title IX investigation to apply, the incident must have occurred in an education program or activity in which the District has substantial control over both the respondent and the context in which the incident occurred.

"Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. Any School District of Manatee County employee conditioning the provision of an aid, benefit, or service of the recipient on an individual’s participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity; or

3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34

U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Responsibilities and Obligations

The School District of Manatee County takes its obligation to comply with Title IX very seriously. Inquiries concerning the application of Title IX and the Grievance Procedures may be referred to the District’s Title IX Coordinators:

SECTION II STUDENT & PARENT RIGHTS and RESPONSIBILITIES

STUDENT RIGHTS AND RESPONSIBILITIES

This section summarizes the basic principles of student rights and responsibilities. As a student, you have a right to an education, regardless of your race, color, creed, national origin, religion, gender, marital status, heritage, disability, or sexual orientation. Some of your basic rights include the right to:

- Learn
- Agree or Disagree
- Petition
- Freedom of expression
- Publish
- Assemble
- Privacy

Your exercise of these rights must conform to the District Code of Student Conduct. While you also have the right to a free and appropriate education, this right shall be applied at the school serving your residential attendance zone, except as authorized by the School Choice Program or otherwise provided by School Board Policy. **The Superintendent is authorized to assign or reassign a student to any program or school as deemed to be in the best interest of the student or School District, pursuant to** F.S. 1006.08**.**

If you are attending a charter school or a school out of your assigned area under the School Choice Program, you may be suspended, expelled or reassigned during the school year as provided in this Code. Your school choice may additionally be revoked for non-attendance, habitual tardiness, or disciplinary issues, upon the recommendation of the principal. The principal's recommendation is subject to review and approval by the District Administrative Appeals Committee.

First Amendment Freedom of Expression

In 1969, The United States Supreme Court ruled that public school students do not leave their constitutional right to freedom of expression at the schoolhouse gate. You have a right to freedom of expression; however, when you exercise that right, you must do so in a responsible manner that does not cause a disruption of the school or a school activity. A principal may impose reasonable time, place and manner restrictions on your exercise of First Amendment freedom of expression rights. If possible, before imposing reasonable time, place and manner restrictions, the principal will consult with the School District General Counsel and will notify the Superintendent (or designee) in such cases. If it is not possible to consult the School District General Counsel beforehand, the principal will do so as soon as possible.

Principal's Authority

The principal of each school is responsible for the administration of the school and the enforcement of the District Code of Student Conduct. The principal has the authority to direct students and staff and can impose any reasonable requirements that are not inconsistent with the District Code of Student Conduct or School Board Policy.

INVESTIGATIONS AT SCHOOL

Administrative

If you are suspected of violating the District Code of Student Conduct, school officials can question you without first contacting your parent. You do not have a right to have your parent present or a right to an attorney when you are questioned. If you refuse to answer questions asked by school officials, you may be disciplined.

Criminal

If you are a suspect in a criminal investigation that may result in your arrest or criminal charges, law enforcement will make a good faith effort to contact your parent before the law enforcement officers begin questioning you. If a parent cannot be located, law enforcement officers may proceed with questioning. If your parent is contacted, the law enforcement officers may allow your parent to be present during your questioning.

Victim or Witness

If you are a victim or a witness, law enforcement officers, Children and Family Services investigators, or administrative investigators are allowed to question you without first contacting your parent. If the investigation involves child abuse, the official conducting the investigation will decide who can be present during your interview. If you refuse to answer questions asked by school officials, you may be disciplined.

Removal of a Student Under Arrest

If you are subject to arrest, with or without a warrant, the officer can remove you without your parents' consent or the consent of school officials. The administrator will try to notify your parent before you are removed or as soon as possible after your removal.

Removal for Involuntary Examinations

The school principal or the principal's designee shall make a reasonable attempt to notify your parent or guardian, if you are removed from school, school transportation, or a school- sponsored activity and taken to a receiving facility for a Baker, Marchman, or other evaluation, pursuant to F.S. 394.463. The principal or the principal's designee may delay notification for no more than 24 hours after you are removed, if the principal or designee deems the delay to be in your best interest or if a report has been submitted to the central abuse hotline, pursuant to F.S. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect.

Searches and Seizures

You, your locker, vehicle, purse, backpack and other personal possessions may be searched if there is a reasonable belief (suspicion) that any of them contain drugs, weapons, contraband or other items not permitted on campus. You are expected to cooperate fully with your school administration in all searches and investigations. The failure to fully cooperate may be grounds for your school administration to infer that you are in possession of contraband or illegal items and the matter will be referred to law enforcement as deemed necessary. Trained sniff-screening dogs are allowed in the schools to prevent drugs and weapons at school. Routine checks by the dogs are not considered a search; however, an alert by the dog gives reasonable suspicion for a search. Dogs may not check students themselves to determine probable cause for a search. The use of trained dogs is a safety precaution to provide you a safe school in which to learn.

GRADES

An academic grade should reflect the teacher's most objective assessment of your academic achievement. Academic grades should not be used as a means of maintaining order in a classroom, nor should your behavior be included in calculating academic grades.

1. Your Responsibilities

a. To become informed of the grading criteria.
b. To maintain standards of academic performance commensurate with your ability, and to make every effort to improve your performance upon receipt of notification of unsatisfactory progress.

2. Your Rights

a. To receive a teacher's grading criteria at the beginning of each year or semester course.
b. To receive a reasonable notification of failure or potential failure prior to the end of the grading period with sufficient time, when possible, to take corrective action.

3. Your Parents' Responsibilities

a. To meet with your teachers upon request and assist in helping take corrective action if you are experiencing academic difficulty.
b. To seek advice on before and after school programs that will assist you in succeeding in school.

OTHER STUDENT RESPONSIBILITIES

- To read and become familiar with the Code of Student Conduct;
- To attend school daily, prepare for class, and complete class and homework assignments to the best of your ability;
- To know and follow school rules and instructions given by the school administration, teachers, and other staff;
- To report to school staff any dangerous behavior or bullying that occurs at school, on the way to and from school, or in the school community;
- To bring to school only those materials that are allowed;
- To treat everyone in the school community with respect;
- To respect school property, community property, and the property of others.

ACADEMIC HONOR CODE

- I will take responsibility for my own work. I will not cheat, help others cheat, or allow anyone else to do my work for me.
- I will not plagiarize. I will use quotations and cite sources when I use someone else's words and ideas.
- I will not represent work generated by Artificial Intelligence (AI) as my own or submit such work in a way that is inconsistent with the expectations of my teachers.
- I will not forge the signature of others or knowingly falsify any records, information, or results.
- I will be honest about my work with teachers, peers, and parent(s)/guardian(s).
- I understand I will receive a zero on any assignment, as well as any other appropriate consequence for breaking the Honor Code.

PARENTAL RIGHTS AND RESPONSIBILITIES

The role of parents, guardians, and families is critical to the healthy growth and development of each of our students. Some of the basic parent rights include:

- To be actively involved in your child's education;
- To be treated fairly and respectfully by the school administration, teachers, and other staff;
- To access information about the Board's policies and procedures;
- To be notified promptly if your child is disciplined for inappropriate or disruptive behavior and informed of the consequences assigned;
- To appeal disciplinary actions taken;
- To receive pertinent, accurate, and timely information about your child's academic progress, in addition to ways you can help your child succeed in school.

School staff and parents must work together to maximize a student's success at school. We are committed to working with and supporting families and we request parents work with and support us. As a parent you are expected to:

Sign in at the Office

Sign in through the Raptor System when you go to any school and before you go anywhere else on the campus. (You must present your driver's license or official picture identification to be scanned for student safety issues.)

Be Involved

Get to know the people at your child's school by participating in teacher conferences and school-parent activities such as Parent-Teacher Association (PTA)/Parent-Teacher Organization (PTO) meetings and School Advisory Council (SAC) meetings. Be actively involved in the learning process at home and in school, such as volunteering, collaborating with teachers on your child's performance in school, and fostering learning at home by providing your child appropriate assistance and monitoring of homework. Participate in your child's elementary report card conferences, which are scheduled following the first and third quarters of the school year.
School Board Policy 2111 Parent/Family Involvement may be accessed on the district website, or you may request a copy at the district office at 215 Manatee Avenue West, in Bradenton.

Provide Information

Each year provide your child's school your current telephone number, home address, work telephone number and emergency contact number. Parents must immediately notify the school of any changes in contact information.

Support School Rules

Understand and support the rules in this District Code of Student Conduct and talk to your child about them.

Support Dress Code

Teach your child to follow the dress code as outlined in this document. Because school is a place to work and learn, dressing neatly and appropriately for school is very important.

Promote Punctuality

Make sure your child arrives at school on time every day. Parents should be aware that if they live within two (2) miles of their child's school, School District transportation will not be provided unless required as a related service for a student with a disability.

Ensure Your Child's Safety
Ensure your child arrives at school no more than thirty minutes before the start of the school day and leaves campus no more than thirty minutes after the school day or activity unless you have made special arrangements with a teacher, administrator or a before/after school care program. Supervision will not be provided beyond that time. Supervision for students attending school activities outside the regular school day such as clubs, dances, carnivals, practices and games will be provided 30 minutes before and after the activity. Be aware that school nursing services are not available at extracurricular activities or before or after the school day. It is the parents' responsibility to provide any medical needs for their children before or after the school day.

Comply with Safety Rules
Adhere to school developed, on-site traffic plans for vehicles when bringing students to school or picking them up after school. If your children are walkers or bicyclists, encourage them to follow safety rules and use pedestrian-safety features where available.

Notify School of Absences
Contact the school when your child is absent and explain the reason for the absence. It is recommended you call the day of the absence, but parents do have 48 hours to notify the school. In situations specified in the attendance section, written documentation will be required by the school.

Notify School When You Move
Notify the school principal in writing if you move from the last address you have provided the school. You must notify the principal within five days of your move. If you have not moved out of your school's attendance zone, your child may continue at that school and may be entitled to transportation. If you have moved out of your school's attendance zone, in many cases your child may remain in the current school through the rest of the school year, but district transportation will not be provided. If the school discovers you have moved and have not provided notification, your child could be assigned to an alternative school or considered to be "found out of that school's attendance area." This could mean an immediate change of school for your child, and your child could be deemed ineligible for athletics and other activities.

Support School Discipline
Work with school staff members to solve discipline or other problems. You should let the school know if something has happened at home that could affect how your child behaves in school.

Provide Correct Student Pickup Information
Be aware that only people whose names and contact information are listed on the Enrollment Form may pick up a student from school during the school day. The enrolling parent should complete the Health Information Card. Identification must be shown to the office staff when someone signs out a student from school.

Pay Damages
Be prepared to pay for any damage done to School Board property by your child. If payment is not made and the amount is substantial, the principal will refer the matter to the Superintendent.

Reimburse School
Pay for lost or damaged books or other teaching materials. Failure to pay may mean no other

books or materials will be given to your child, your child will not be able to participate in extra-curricular activities or your child will be required to pay the debt through community service at the school. The principal will make those decisions.

Per School Board policy, if you cannot afford to pay for instructional materials or a fee that your child has incurred at school, you may submit a letter to the Superintendent seeking a waiver. Please consult School Board policy for the information necessary to request such a waiver.

Know School's Delivery Policies
Contact the school before delivering items for your child. Allowing deliveries to students is at the discretion of each individual school.

Comply with Cell Phone Policy
If you need to reach your child in an emergency during the school day, contact the front office. Because cell phones and all other forms of electronic communication are to be turned off and put away out of sight once students are at school, parents should not text message or phone their children during the school day.

Know CHOICE Options
If you want your child to attend a different school, visit the Office of Student Assignment and follow the CHOICE Student Assignment Plan procedures or call them at (941) 708-4971.

Know Parental Rights
Be aware that when parents are divorced or separated, both parents have full rights to participate in the child's school activities and to know what is happening at school. The non-enrolling parent will not be allowed to remove the child from school without the permission of the enrolling parent. A non-enrolling parent has the right of access to student records and information unless a court order prohibits such access.

Curricula and Instructional Materials
In accordance with 1006.28(2)(a) and 1002.20(19)(b), F.S. and School Board Policy 2520, parents have the right to learn about their minor child's course of study, to include the source of any supplemental instructional materials. Parents may request a copy of instructional materials from their child's teacher or may purchase certain materials with a written request to the school's principal. For parents who are interested in learning more about the types and nature of extracurricular activities and club offerings, please visit your school's website.

Parents or Manatee County residents who object to the purchase of specific instructional materials on the basis of moral, sexual, religious, or other perceived harms may complete a form available on the district website. The form must be submitted to the Curriculum Department within 30 days of the district adoption of the specific materials. Parents who object to specific content based on sexuality may also withdraw their minor child from those portions of the school district's required comprehensive health education instruction, with a written request to the school principal.

Classroom Transfers
An enrolling parent has the right to request his or her child be transferred to another classroom teacher. **Parents must formally submit the request in writing** and the principal or designee

shall approve or deny the transfer within 2 weeks after receiving such a request. If a request for transfer is denied, the principal or designee must notify the parent and specify the reasons for the denial. This provision does not give parents the right to choose a specific classroom teacher.

Classroom and Bus Removals

Per F.S. 1003.04, the parent of each public K-12 student must cooperate with the authority of the student's district school board, Superintendent, principal, teachers, and school bus drivers, according to F.S. 1003.31 and F.S. 1003.32, to remove the student from the classroom and the school bus and, when appropriate and available, to place the student in an alternative educational setting, if the student is disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive.

Healthcare Services

Per Florida's parental bill of rights, at the beginning of each school year, parents will be notified of all healthcare services offered at their child's school and provided with the opportunity to individually consent to or decline each service. Please visit your child's school website for further information.

SECTION III POSITIVE SCHOOL CLIMATES

IGNITING POSITIVE SCHOOL CLIMATES

A school's climate can be simply defined as the "quality and character of school life" (National School Climate Council, 2007). This simple definition is underpinned by an array of intentional activities that support integral structures, such as trusting student and adult relationships, teaching and learning, the physical environment, and the safety of all school community members.

At its core, a positive school climate includes:

- positive relationships among and between all stakeholders (students, parents, all school personnel and community partners);
- engaging, relevant academic and extracurricular activities for all students that meets their social, academic, and developmental needs;
- meaningful family and community engagement;
- training and resources to resolve conflicts peacefully and respectfully;
- support for students who are experiencing an emotional crisis, trauma, or serious challenges in their homes and communities;
- clean and well-maintained campuses that support a sense of school pride;
- orderly learning environments, allowing all stakeholders to feel physically and emotionally safe.

These tenets of a positive school climate are reflected in several initiatives that are starting throughout the School District of Manatee County under the umbrella of what we call Project Spark.

Project Spark combines prevention and early intervention through our Multi-Tiered Systems of Support (MTSS), and a focus on building environments for optimal engagement; cultivating skills that build resiliency; and supporting safe and welcoming learning communities. Through these efforts and other Tier One initiatives, Project Spark aims to build a more positive school experience and increase engagement for all students.

Multi-Tiered Systems of Support (MTSS)

MTSS refers to the instructional strategies, interventions, supports and resources that are used to help all students achieve academically and behaviorally. MTSS serves as the framework for organizing supports within a school and district so that the needs of the whole child are met. An effective system blends culturally responsive academic, and behavior supports to create effective environments that address a range of student needs.

A three-tiered instruction and intervention framework is used to organize resources and supports to ensure student learning and educational success. The level of supports provided at each tier will match the needs of each student. Tier One is universal instruction and supports that is intended for all students. Tier Two consists of targeted and supplemental supports, designed for the estimated 20% of students who require more than universal instruction and support. Tier Three is the most intensive level and is intended for the 5-10% of students who may need more individualized support, in addition to their Tier One and Two interventions.

MTSS is a proactive approach that has the following key elements:

- Leadership
- Building Capacity/Infrastructure for Implementation
- Communication and Collaboration
- Data-Based Problem Solving
- Three-Tiered Instructional/Intervention Model
- Data Evaluation

For more information on our MTSS, please visit the School District of Manatee County's website.

Building Environments for Optimal Engagement

Whether due to unclear expectations or learning goals, the impact of stress or trauma, or poor relationships with adults and peers, the optimal engagement of our students with their learning environment is challenged by numerous factors. To help address these barriers to student engagement, the SDMC actively promotes several initiatives.

CHAMPs is an evidence-based system of classroom management supported by over 30 years of research. Teachers use the CHAMPs model to clarify expectations for learning activities and transitions that occur throughout a class or school. The CHAMPS acronym stands for:

- **C**onversation: Can students talk to each other during this activity? At what level?
- **H**elp: How do students get the teacher's attention and their questions answered?
- **A**ctivity: What is the task/objective? What is the end product?
- **M**ovement: Can students move about during this activity?
- **P**articipation: How do students show they are fully participating? What does work behavior look/sound like?

All district schools have at least one trained CHAMPs coach who is tasked to work with teachers for

implementing CHAMPs in the classroom. CHAMPs coaches also work with school administrators to establish and solidify school-wide expectations.

To assist teachers and other school staff in better understanding developmentally appropriate teaching and learning, the SDMC has begun initial training using The Neurosequential Model in Education (NME). This training offers a way to educate school staff about brain development, developmental trauma, and how to apply that knowledge to support all students in and out of the classroom, especially those impacted by adverse childhood experiences.

The SDMC has also dedicated extensive time and resources in providing Youth Mental Health First Aid (YMHFA) training to most of our staff across all schools and support sites. YMHFA allows our staff to better understand and recognize the unique risk factors and warning signs of mental health problems in adolescents, including anxiety, depression, psychosis, eating disorders, substance use disorder, ADHD and other disruptive behavior disorders. YMHFA emphasizes the importance of early intervention, and teaches our staff how to help an adolescent who is in crisis or experiencing a mental health challenge.

Quality relationships are perhaps the key element in building a positive school climate and are also critical for optimal student engagement. Our schools offer a wide range of activities and interests for our students to form social bonds and explore their personal interests with like-minded peers. In the classroom setting, relationships between students and adults can be strengthened through the use of practices such as community-building circles. Circles can be used proactively to help build trust, positive feelings, and a sense of belonging within the classroom community. Circles can also be used to discuss classroom expectations, problem-solve common issues, mentally prime students for learning, and create a culture of communication and empathy. With a strong sense of community, circles can also be used to restore relationships that may have been harmed. The SDMC has invested training and resources to bring the concept of circles to our schools. It represents an easy and effective way to foster better relationships and build the foundation for a more positive school climate.

Cultivate Skills that Build Resiliency

To ensure positive mental health for all students, the SDMC ensures all students have the necessary skills and resources to see them through life's successes and challenges. The new FL Resiliency Standards, centered around Character, Personal Responsibility, Mentoring and Citizenship, Critical Thinking and Problem Solving provide the foundation for schools to support and strengthen the characteristics that build resiliency.

The new Florida Resiliency Standards will be implemented for the first time during the 2023-2024 school year. The standards will help us connect several existing universal curricular efforts to include substance use education, health education, character education, and mental health education.

Supporting Safe and Welcoming Learning Communities

Along with elements such as our MTSS, community-building circles, and our district code of conduct, the SDMC undertakes several initiatives to help ensure a safe and welcoming environment for all students.

Several of our district schools partner with the Sandy Hook Promise Foundation and operate a SAVE (Students Against Violence Everywhere) Promise Club. SAVE promise clubs are led by a faculty sponsor and empower student leaders to develop and organize activities designed to create safe and welcoming environments for all students. SAVE Promise Clubs are supported by district staff who seek to increase the number of schools that operate these student leadership clubs. If you are interested in joining or starting a club on your campus, please contact your school's administration.

When threats of harm are made against the school or any member of our school community, each district school has a specially trained threat management team to assist in mitigating the threat of potential harm. The members of the threat management team are charged with investigating any threat of harm and developing appropriate safety plans to help ensure the threat cannot be carried out and that supports are provided to the students involved. Each school's threat management team includes school administrators, discipline personnel, counselors, and other staff, as well as local law enforcement. The SDMC, local law enforcement, and local community mental health providers work together to ensure our policies and procedures are in compliance with all legal requirements and that our schools provide the highest level of safety for all members of their community.

If you become aware of an explicit or implied threat of harm to a school or any member of our school community, please report the concern immediately. In nearly all mass casualty acts of violence in our schools, the perpetrator(s) announce their plans in advance through a phenomenon known as "leakage". Whether on social media or through face-to-face communication, too often these warning signs of impending violence are dismissed or go unreported. The state of Florida has established a reporting system called FortifyFL, which can be downloaded as an app for mobile devices and computers. FortifyFL is designed for suspicious behavior and serious threats that have been made against our schools and school community members. In addition to FortifyFL, the SDMC operates an anonymous reporting system for all acts of bullying, harassment, or other dangerous or unwelcome behaviors that target our students. Each district school has a link on the front page of their website for reporting and there is also a link found on our district website. Together, these reporting systems are designed to help ensure that all concerning or suspicious behavior can be immediately reported and investigated.

SECTION IV **STUDENT ATTENDANCE**

Florida Compulsory School Law (F.S. 1003.21) states all children who are either six years of age (or who will be six years old by February 1 of any school year), but who have not attained the age of ~~16~~ 18 must attend school regularly during the entire school term. ~~Students between 16 and 18 are also within compulsory attendance age, unless a formal Declaration of Intent to Terminate School Enrollment has been completed and signed by the parent and an exit interview is conducted at the school.~~

a. You are expected to be on time and in school for the entire student day, each school day.

b. On the day of your absence, a parent or guardian should call the school to explain the absence. The absence will be excused if it meets the criteria outlined below. The parent or guardian must contact the school within 48 hours of the absence or appropriate documentation is required within 5 days. If this contact is not made, the absence will be recorded as unexcused.

c. If you are continually sick and repeatedly absent from school, you must be under the supervision of a physician in order to be excused from attendance. Excessive absences will lead to a parent conference, referral to the District's Child Study Team, referral for social work services, referral to Truancy Court, and the involvement of the State Attorney. Parents who fail or refuse to cooperate with the school in the matter of regular school attendance for their child may be prosecuted for truancy by the State Attorney's Office.

FREQUENTLY ASKED QUESTIONS:

Q: What is an excused absence?

A: An absence can be excused for the following reasons:

a. You are ill or injured.
b. Major illness in your immediate family (this means parents, brothers, sisters, Grandparents, or others living in the home or who are close relatives).
c. Death in your immediate family
d. Religious instruction in your faith - requires note from your parent before the absence.
e. Subpoena or forced absence by any law enforcement agency. A copy of the subpoena or summons must be given to the principal or designee. This includes detention at a juvenile center in which you continue your education.
f. A major disaster as decided by the administration.
g. Any absences, including those for field trips, participation in another academic class or program, or other parental requests as judged appropriate by the principal, provided the request is submitted to the principal forty-eight (48) hours in advance of the absence. A principal may waive the requirement for advance notice if extenuating circumstances exist.
h. A documented appointment with a doctor, dentist, or other medical or legal professional.
i. An occurrence of head lice, with a maximum of two excused days.

Q: How many excused absences can I have?

A: You are allowed nine excused absences. Your parent may excuse nine absences per year. When you have reached your limit, official documentation is then required for every additional absence.

Q: What if I have used all of my excused absences and a family emergency occurs?

A: You must provide appropriate documentation to the school principal or designee for approval. These will be recorded as excused absences.

Q: How can I make up work when I am absent?

A: After an excused absence, you must arrange with your teacher for any make-up work. You have the same number of days you were absent to make up your work. This rule does not apply to some long-term assignments. (A long-term assignment is when a student has 10 or more days to complete the work.) These long-term assignments will be due on the specified date unless excused in writing by the teacher or principal. It is your responsibility to make these arrangements and to submit the make-up work within the deadlines set by the teacher(s). You do not have the right to make up work if your absence was unexcused.

Q. I am going to be absent for semester exams. May I take my exams early?

A: Semester exams may not be given early. You may take your semester exams upon your return to school.

Q: What is an unexcused absence?

A: Anything that does not meet the criteria of an excused absence is considered unexcused. (Please refer to Excused Absences Section.)

Q: How many unexcused absences can I have?

A. In Manatee County, state law requires the regular attendance of children between the ages of 6 and 18 and makes parents and legal guardians legally responsible for seeing that their children attend school. Family vacations during scheduled school time are considered unexcused absences. If you have accumulated a total of 5 unexcused absences in one month or 10 unexcused/unexplained absences in a 90-day period, your child's school will send a letter to the address listed on school records, in an attempt to ensure parent(s)/guardian(s) are aware of any developing attendance issues. Fifteen unexcused absences in a 90-day period may result in a referral for truancy court action. The District Truancy Department will send a 3-Day Demand Notice by U.S. Mail to the address listed on school records in the event of excessive consecutive unexcused/unexplained absences.

Q: What happens if I am late for school?

A: If you arrive at school late for any reason, you must report to the office and receive a tardy admit slip. The tardy will be deemed as excused or unexcused. You are expected to be in school at the start of the school day, every day.

Q: What is an excused tardy?

A: An excused tardy is when you are late for school due to sickness, injury, death in your family, medical or dental appointments with a note from the physician, school sponsored activities, court date, or other reason approved by the school principal. For elementary students, parents must accompany the student to the office when they are tardy.

Q: What is an unexcused tardy?

A: An unexcused tardy is when you are late to school due to, but not limited to, oversleeping, missing the school bus, shopping trips, pleasure trips, or excessive tardiness due to illness without a physician's verification that the medical condition justifies your tardiness. If an elementary student arrives late and comes into the office unaccompanied by an adult, he or she will receive an unexcused tardy.

Q: May I leave school early in the school day?

A: You are expected to be in school for the full day. However, if you must leave school early, you must go to the office and receive permission for early release. Parents of elementary and middle school students must report to the office to pick up their child. High school students aged 16 or older may sign themselves out early with parent permission, following the school sign-out procedures. You cannot leave your school campus for lunch or other unexcused personal reasons at any point during the school day.

Q: What are excused reasons for leaving school early?

A: Excused reasons for early dismissal follow the same guidelines as excused absences. They include: illness or injury, major illness or death in your immediate family, subpoena

or forced absence by a law enforcement agency, a major disaster, a documented appointment with a doctor or dentist, discovery of head lice, participation in another academic class or program, or other parental requests as judged appropriate by the principal.

Q: What happens if I leave school early for unexcused reasons?

A: Numerous early dismissals are unacceptable and unfair to the other students whose instruction is interrupted each time a student leaves early. Individual schools may develop school-based consequences for unexcused early dismissal students.

Q: How does my school attendance affect my privilege to drive?

A: You will lose your driver's license, or privilege of applying for any driver's license, if you are not enrolled in or do not attend school regularly.

NOTE: Students who are withdrawn as dropouts or who have accumulated 15 unexcused absences in 90 calendar days will lose the privilege to apply for or hold a Florida Driver's License. Students who have lost the privilege must subsequently accumulate 30 consecutive SCHOOL days with no unexcused absences in order to receive a Reinstatement of Driving Privilege form. If you need further information regarding this issue, please contact the District Truancy Office at 751-6550, extension 43091.

Q. Does my attendance affect my participation in athletics or extracurricular activities?

A. If you are not present for more than half of the school day on the day of an event, due to any undocumented absence, you may not participate in the athletic or extracurricular event. If you are suspended from school, you may not participate in any school-related function.

SECTION V STUDENT DISCIPLINE

The School District of Manatee County recognizes that a safe, orderly, and supportive learning environment is the result of caring relationships and quality instruction. It is the responsibility of the district to help foster such environments by implementing clear, appropriate, fair, and consistent expectations and consequences for all schools and classroom teachers to construct and carry out their behavior support plans. For these plans to be optimally effective, schools and classrooms must in turn, have the latitude to work within established guidelines to create positive behavioral intervention systems which support the unique needs of their students, families, and communities. Our philosophy of discipline in the School District of Manatee County is rooted in the development of positive relationships with our students and families. We believe that students should have a chance to learn from their mistakes and the opportunity to restore any damaged relationships with peers and adults. Our discipline practices encompass preventative and early intervention measures that seek to strengthen relationships and build positive communities, so that misbehavior is less likely to occur or continue.

MISCONDUCT THAT REQUIRES SPECIFIC CONSEQUENCES

Acts that require specific consequences include the following:

- Possession or Use of Illegal Drugs or Alcoholic Beverages
- Possession or Use of Tobacco Products
- Bullying or Harassment
- Dating Violence and Abuse
- Threats Against Schools
- Chemical or Biological Attacks or Threats
- Possession of Guns, Weapons, or Dangerous Objects
- Gang Activity
- Violent Acts Resulting in Serious Injury
- Making False Accusations or Reports

Drugs and Alcoholic Beverages

Use of a drug authorized by a medical prescription from a registered physician for a specific student shall not be considered a violation of this rule. However, all procedures found in the School District of Manatee County's medication policy must be followed.

You shall not knowingly possess, use, transmit or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any other controlled or synthetic substance defined in F.S. 893.03, or substitute for such, hemp, Cannabidiol (CBD), alcoholic beverage (including powdered alcohol), inhalant or intoxicant, or over the counter drugs of any kind. This applies to you on the school grounds before, during, or after school hours, or off the school grounds on a school bus, bus stop, at a school activity, function, or event. Also, you shall not possess, have under your control, sell or deliver any device, or contrivance, instrument or paraphernalia containing the substance or substances described in this paragraph, or any residue of such substance, or devices intended for use or used in injecting, inhaling/huffing, smoking, administering, or using any of the foregoing prescribed drugs, narcotics or stimulants.

Possession, Use, Under the Influence

For substances that are not considered over-the-counter, the first offense for possession, use, or under the influence will result in up to a ten (10) day suspension. The principal or designee may offer to reduce your suspension to 5 days providing you and a parent or guardian attend and complete the district's SAFE (Substance Abuse and Family Education) Program. For a second offense of possession, use, or under the influence, you will be automatically suspended for up to 10 days and a recommendation for expulsion or reassignment to an alternative placement may be made to the Superintendent or designee.

Selling, Purchasing, Providing, Distributing, & Receiving

If you buy, sell, trade, provide, negotiate, receive, or engage in any drug or alcohol-related transaction at school, at a school activity, at a school bus stop or on a school bus - even if the sale or purchase does not actually take place - you will be suspended for up to 10 days and a recommendation for expulsion or reassignment to an alternative placement will be made to the Superintendent or designee. Providing or receiving Over The Counter drugs to other students may be considered a Level 2 infraction for endangerment, while providing others with medication prescribed to you (or others) may be considered a Level 4 offense that is subject to a suspension of up to 10 days.

Fake Drugs

If you are caught possessing or distributing a substance that is represented to be an illegal drug you may be suspended for up to 10 days or recommended for a disciplinary reassignment to another school or program.

Possession or Use of Tobacco

Possession or use of tobacco by minors is illegal. If you are caught smoking or in possession of tobacco, the School Resource Officer or other law enforcement officer may give you a written citation. In addition to possible fines, if you are caught using or possessing any form of tobacco, including electronic cigarettes at school, at any school-sponsored activity, at a school bus stop or on the school bus, you will receive a disciplinary consequence. Tobacco or nicotine products include cigars, cigarettes, dip, snuff, dissolvable tobacco products (e.g. gum, mints, or dissolvable strips) and electronic smoking devices. **Additionally, any electronic smoking device is subject to field-testing for illicit substances and may be permanently confiscated.**

Bullying and Harassment

Conduct that constitutes bullying or harassment, as defined below, is prohibited.

Bullying is the mistreatment of an individual or group characterized by a willful intent to cause harm and a perceived advantage in power. These acts can be socially, emotionally, or physically damaging in nature, to include, but not limited to: teasing, name calling, rumor spreading, exclusion, intimidation, threats, damaging personal property, stealing, public or private humiliation, stalking, pushing, shoving, or other physical attacks, and sexual, religious, or racial/ethnic harassment. Harassment involves any threatening, insulting, or dehumanizing act or gesture, which places an individual in reasonable fear of harm to his or her person or damage to his or her property; has the effect of substantially interfering with an individual's educational performance, opportunities, or benefits; or has the effect of substantially disrupting the orderly operation of a school or activity.

Both bullying and harassment are prohibited at school, during school-related activities (whether on or off campus), on the school bus, at school bus stops, and through the use of computers or other electronic devices, which is known as cyberbullying. Cyberbullying and harassment are also prohibited through off-campus Internet posting, phone calls, or text messaging - if such behavior disrupts the orderly environment of any district school or activity or interferes with the educational opportunities of others.

If you engage in bullying or harassment, the consequences and appropriate remedial action may range from positive behavioral interventions up to and including suspension, reassignment to an alternative program, and expulsion. More severe or persistent infractions will result in more intensive interventions and administrative actions. Additionally, the appropriate school administrator or designee will report to the victim's parents any incident of bullying or harassment once an investigation of an incident has been initiated. Bullying should be reported to the appropriate school administrator or through the School District of Manatee County's anonymous reporting system.

Hazing

Hazing is defined by F.S. 1006.135 as any action or situation that endangers the mental or physical health or safety of a student at a school with any of grades 6 through 12 for purposes of initiation or admission into or affiliation with any school-sanctioned organization. Hazing

includes, but is not limited to:

(a) pressuring, coercing, or forcing a student to:
1. Violate state or federal law
2. Consume any food, liquor, drug, or other substance; or
3. Participate in physical activity that could adversely affect the health or safety of the student.

(b) any brutality of a physical nature, such as whipping, beating, branding, or exposure to the elements.

Dating Violence or Abuse

Conduct that constitutes dating violence and abuse as defined below is prohibited. Dating violence is a pattern of verbal, physical, emotional, or sexual violence or abuse used by one person in a current or past relationship to exert power and control over the other person. Abuse

may include insults, coercion, social sabotage, sexual harassment, threats or acts of physical or sexual abuse. The abusive partner uses this pattern of violent or coercive behavior to gain power and maintain control over the other person.

School employees are required to report to the principal or designee suspected cases of dating violence or abuse. Students should report suspected cases of dating violence or abuse to the principal or designee and may do so anonymously. Student victims should report any incidents of dating violence or abuse to the principal or designee as soon after it occurs as possible.

The principal or designee will immediately conduct an investigation of the allegation and proceed under paragraph L. PROCEDURES FOR SUSPENSION AND EXPULSION. If the principal or designee determines a student is guilty of dating violence or abuse, the student will be suspended from school for up to 10 days and may, where appropriate, be recommended for assignment to another school or program as an accommodation for the victim. Suspected criminal conduct will be reported to law enforcement.

The District Health Education Curriculum for grades 7-12 will include a component on teen dating violence and abuse, with emphasis on prevention education.

Threats Against Schools and Persons

If you are involved in making a destructive device, fake destructive device, or planning the use of such a device, either at school, or at a school activity, or while you are at school or at a school activity, you will be suspended for up to 10 days, recommended for expulsion, and reported to law enforcement for prosecution. The same actions will be taken if you make a threat by any means against the school, school property, school personnel, or students, regardless of any disruption on campus or any school-related function. This includes direct, veiled, or implied threats communicated verbally, in writing, or through social media platforms. If you make any such threat, you will be referred to your school's threat management team. This team is charged with helping to ensure the safety of all persons in your school and will take steps that may include interviews with friends, teachers, staff, parents, or employers regarding any concerns they may have. The threat management team is also responsible for making referrals for mental health services and to law enforcement for continued investigation, if you pose a concern or threat to the school or any member of the school community. You are subject to school-based consequences for any threats communicated online or through the use of technology, regardless of the time,

day, or location where the threat was made.

Reporting Threats or Suspicious Activity

Students, parents, staff, or any individual may report threats, or any concerning behaviors exhibited by a member of our school community. All persons are strongly encouraged to be vigilant of potential signals, warning signs, and threats and to not hesitate in reporting their concerns immediately. This is particularly true of online or social media posts. FortifyFL is an app specifically designed by the State of Florida to assist in reporting suspicious or concerning behavior, which may be downloaded to your mobile device for immediate reporting.

NOTE: If you make a threat or false report - to include a bomb threat, bomb threat hoax, or a knowingly false report - concerning the use of a destructive device or firearm in a violent manner, as defined by F.S. 790.162 and 790.163, involving a school or school personnel's property, school transportation, or a school-sponsored activity, you may be expelled (with or without continuing education services) from your regular school for a period of not less than one full year, as well as referred for criminal prosecution and mental health services identified by the school district, pursuant to F.S. 1012.584(4) for evaluation or treatment, when appropriate (1006.07 (2) (l) F.S.). The Superintendent may consider the expulsion requirement on a case-by-case basis and request the School Board to modify the requirement by assigning you to a disciplinary program, if it is determined to be in the best interest of you and the school system. Commission of either of these offenses is a second-degree felony, punishable by up to 15 years imprisonment and a $10,000 fine. The School Board must maintain a policy for all threats to commit violence or harm. Even threats made in jest or in exaggeration must be treated as serious and may subject you to suspension, reassignment, or expulsion. This includes simulating realistic gunfire, explosions, or acts of violence using apps or other technology. If you make a threat of violence, the school administration will assess the situation and where appropriate, take administrative action.

Violent and Aggressive Acts

If you violently attack a School Board employee or any other person or act as a decoy in a violent attack at school, a school function, on the bus or at a bus stop, you will be suspended from school for up to 10 days and may face a recommendation for expulsion or reassignment to an alternative program. If you are charged with violently attacking another person somewhere else other than school, you may be removed from the general education program and administratively assigned to another program if your principal believes your presence on campus may be disruptive or pose a concern for the safety of students or staff.

If you commit two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression) in the same school year and while under the jurisdictional control of the school, you may be placed on a district-level Behavior Assessment and Modification (BAM) contract. A third such offense in the same school year may result in your recommendation for reassignment to an alternative program.

Possession of Firearms and Weapons

According to Florida Statute 790.115(2)(a) students will not possess any firearm, destructive device, or other weapon as defined in F.S. 790.001(13) and/or listed under Category A (below). Federal and state laws require you be expelled from school, with or without continuing educational services, for a period of not less than one full year, referred to mental health services identified by the school district, pursuant to F.S. 1012.584(4), and referred for criminal prosecution if you bring a firearm or a weapon to school, to any school function, or onto any school sponsored transportation, or if you possess a firearm or weapon at school. Expulsion is required, even if you brought the firearm or weapon for self-defense. The School Board may assign you to a disciplinary program for the purpose of continuing educational services during the period of expulsion. The Superintendent may consider the expulsion requirement on a case- by-case basis and request the School Board to modify the requirement by assigning you to a disciplinary program or other appropriate consequence, if it is determined to be in the best interest of you and the school system.

NOTE: Per F.S. 790.115, the School District of Manatee County strictly prohibits any firearms from being stored in student vehicles parked on any school grounds or at any school-sponsored event. Your principal may give you written permission to possess a gun or weapon while on campus or at a school function when the gun or weapon is part of the curriculum of the school. An example of this is when a gun or rifle may be part of JROTC drill and firing ranges. If you bring weapon-like contraband to school, to any school function, or onto any school sponsored transportation, or if you use any non-weapon as a weapon to threaten or injure others, you may be suspended for up to 10 days and possibly recommended for alternative placement, expulsion, and referred for criminal prosecution.

WEAPONS AND FIREARMS
Category A
Mandatory Alternative Placement or Expulsion
F.S. 1006.13 and F.S. 790.001(6)(13)

a. Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
b. The frame or receiver of any such weapon described above;
c. Any firearm muffler or firearm silencer;
d. Any machine gun;
e. Any destructive device as defined by F.S. 790.001(4) including but not limited to bomb, grenade, mine, rocket, missile, pipe bomb, or similar device containing an explosive, incendiary, or poison gas;
f. Any type of weapon which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive and which has a barrel with a bore of ½ inch or more in diameter;
g. Knife or dirk (excluding common pocket knife, plastic knife and blunt bladed table knife);
h. Metallic or other knuckles;
i. Slungshot - a striking weapon consisting of weight or other hard object affixed on a flexible handle or strap;
j. Billy club;
k. Flare gun;
l. Tear gas gun, except a self-defense chemical spray carried solely for the purpose of self-defense in a compact size and containing not more than 2 ounces of chemical.
m. Chemical weapon or device or any other deadly weapon.
n. Electric weapon or device.

WEAPON-LIKE CONTRABAND
Category B
Suspension or Alternative Placement or Expulsion
F.S. 1006.13 and F.S. 790.001(6)(13)

a. Slingshot;
b. Fireworks;
c. Razorblade/razor;
d. Any knife or bladed instrument not covered in Category A;
e. Non-weapons used as weapons: A student using as a weapon any article or substance not normally considered to be a weapon (including but not limited to rocks, pens, pencils, lasers, chains, lumber, screwdriver, etc.) or facsimile (toy or otherwise) but which is used by a student as a weapon to intimidate, threaten, coerce or injure another individual shall be suspended and may be recommended for expulsion.
f. Any replica or facsimile of any item listed in Categories A or B, including toys, souvenirs, antiques, broken, or inoperable weapons, including but not limited to bb guns, pellet guns, paint guns, squirt guns, regardless of how they are used or displayed.
g. Ammunition and any component thereof, including but not limited to bullets, shotgun shells, bullet casings, magazines, or clips.

In addition to the administrative actions listed in the Code of Student Conduct, possession of weapon-like contraband by any student while the student is on school property or in attendance at a school function may also result in criminal prosecution (F.S. 790.115).

Gang Activity

No student shall commit any act which promotes gangs or gang-related activities. A criminal street gang is a formal or informal organization or group that has as one of its primary activities the commission of criminal or delinquent acts and consists of three or more persons who have a common name or common identifying signs or symbols and have one or more members who engage in a pattern of criminal street gang activity. Conduct prohibited by this policy includes but is not limited to the following:

a. Wearing, possessing, using, distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs or other items which may be evidence of membership or affiliation in any gang.
b. Communicating either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) to convey membership or affiliation in a gang.
c. Soliciting others for gang membership.
d. Tagging, or otherwise defacing school or personal property with gang or gang-related symbols or slogans.
e. Requiring payment of protection, insurance, or otherwise intimidating or threatening any person related to gang activity.
f. Inciting other students to intimidate or to act with physical violence upon any other person related to gang activity.
g. If you commit any gang-related activity while at school, a school activity, school bus stop, or on a school bus, you will be suspended from school for up to 10 days. If you commit a second gang- related activity while under the jurisdiction of the school district that can be documented by law enforcement, you may be assigned to an alternative program or face expulsion.

"Sexting"

If while under the jurisdiction of the school district you post, send or forward to anyone else a nude or sexually revealing images of a person through the Internet or text message, or if you show such images to other people, you may be suspended from school and possibly be recommended for reassignment or expulsion. You may also be subject to arrest for violation of child pornography laws if the student in the photo is a minor. If you are found to have sent any such images or messages to other members of the school community regardless of time or location, you still may be subject to school-based consequences under Florida cyberbullying and harassment laws (F.S. 1006.147).

Making False Accusations

If you intentionally make false accusations that jeopardize the professional reputation, employment or professional certification of a teacher or other member of the school staff, you will be suspended for up to 10 days and may be recommended for assignment to an alternative school or for expulsion.

MISCONDUCT THAT MAY RESULT IN DISCIPLINE

You are expected to behave during the time you are at school, at school activities, at the school bus stop and on the school bus. You may be disciplined if you do anything during those times or attempt to do anything that violates a school rule or that may:

- Hurt, harass or threaten others,
- Damage property,
- Disrupt class, school or a school activity,
- Be dishonest or
- Violate a criminal law or state statute.

You may be subject to disciplinary action even if your conduct occurs off campus but is connected to activities or incidents that occurred on campus or at a school activity, or conduct that, regardless of where it occurs, is directed at a Board official or employee, or the property of such official or employee.

Discipline Matrix for Schools

The discipline matrix is a tool that helps ensure a consistent and progressive response to discipline across all SDMC schools. ~~In the 2018-2019 school year, the SDMC introduced a discipline matrix for both middle and high schools. Beginning with the 2021-2022 school year, the district adopted separate matrices for grades PK-2 and grades 3-5 at the elementary level.~~

The below incident codes and corresponding types of offenses represent the different types of infractions found in our FOCUS student information system. These larger infraction headings encompass the full range of student misconduct and include more specific behaviors (such as cutting in the lunch line or using profanity). **Each offense may be met with a range of appropriate consequences that escalate with each successive infraction of that offense. The matrix does not necessarily call for every intervention or consequence listed, but rather reflects a range of appropriate possibilities, considering any mitigating factors. All Office Discipline Referrals are also met with a phone call home to your parent(s), in addition to any consequences outlined in the matrix.**

Once the type of offense is located on the left-hand side of the matrix, simply follow that row to the right to see which consequences and interventions are considered appropriate for the number of times that specific offense has been repeated. You may use the key below for proper identification of the specific types of administrative action found on the matrix. The term SESIR is found

throughout the discipline matrix and is an acronym for School Environmental Safety Incident Reporting. These discipline incidents are defined by the state and reported to the Florida Department of Education on a monthly basis.

DISCIPLINE FOR STUDENTS WITH DISABILITIES (SECTION 504 AND IDEA)

If you are an IDEA or Section 504 eligible student and have an Individualized Education Plan (IEP) or Section 504 Plan, you are expected to comply with the District Code of Student Conduct

and school rules just like any other student. If you violate the District Code of Student Conduct or school rules, you are subject to discipline just like any other student. There are, however, some special rules dealing with suspensions, assignments to alternative programs, and expulsions.

Q. How are In-School Suspensions handled?

A. If a student with a disability receives an in-school suspension, the student's IEP or Section 504 Plan will continue to be in force. An in-school suspension is not considered an out-of-school suspension if the IEP or Section 504 Plan is followed.

Q. Can a student with a disability receive an out-of-school suspension?

A. Yes. A student with a disability may be suspended from school just like any other student and will not receive any educational services during the suspension.

Q. Can a principal use other forms of discipline with a student who has a disability?

A. Yes. A principal or designee may use any other form of in-school discipline when dealing with a student with a disability who has violated the District Code of Student Conduct or a school rule, provided that non-disabled students are disciplined the same way. Such discipline actions may include detentions, in-school suspension, extra school, Saturday school, or exclusion from extracurricular activities or field trips.

Q. What happens when a student with a disability reaches ten days of Out-of-School Suspension?

A. School personnel familiar with the student and the student's IEP or Section 504 Plan will meet with the parents as a team. For both IDEA and Section 504 eligible students, this team will determine if the student's disability is causing the misconduct (Manifestation Determination) and whether changes to the IEP or Section 504 Plan are necessary. For the IDEA eligible student, this team will also ensure a current Functional Behavioral Assessment (FBA) and a Behavior Intervention Plan (BIP) are in place, or recommend changes to either document.

Q. Can a student with a disability be reassigned to another school?

A. Yes. A student with a disability may be reassigned to another school, provided certain conditions are met. Students with disabilities may be reassigned to an alternative program for persistent disruptive behavior, only if that behavior is determined to not be substantially related to or caused by their disability and a current FBA and BIP are in place. Students may be also reassigned to an alternative program for behavior which represents a concern for the safety of other students or staff or the orderly operation of a school. If committed on campus, these acts must also not be substantially related to or caused by the student's disability.

Q. If a student with a disability has a weapon, illegal drugs or causes serious bodily injury to someone, what disciplinary actions may be taken?

A. When a student with a disability commits one of these infractions at school or at a school-related function, that student may be subject to the same administrative action and for the same length of time as a non-disabled peer - provided the behavior is determined to <u>not</u> be a manifestation of their disability. Even if the behavior is determined to be a manifestation of the student's behavior, he or she may be removed to an interim alternative educational setting for not more than forty-five (45) school days. Such

placement does not require parent consent.

Q. Who determines the interim alternative educational setting (IAES)?

A. The IAES will be determined by the IEP or Section 504 Plan team.

Q. May a student with a disability be expelled?

A. Yes, but only if services are provided by the district.

Q. May a student with a disability be suspended from the bus?

A. Yes. Students with disabilities may be suspended from the bus just as any other student. Responsibility for transporting the student to school would then fall to the parent. However, any days missed during the bus suspension will be counted as an Out-of-School Suspension, unless the parent excuses or documents the absence.

Q. If transportation is a related service identified on the IEP or Section 504 Plan, may a student with a disability be suspended from the bus?

A. Yes. If transportation is a related service identified on the student's IEP or Section 504 Plan, and suspension or expulsion from the bus is recommended, then the bus suspension will be counted as an Out-of-School Suspension if the student is not in attendance.

Q. May a parent or guardian record an IEP meeting?

A. Yes. A parent, authorized representative of a parent, or IEP team member is permitted to record the meeting. He or she must use his or her own recording device and the District will obtain its own recording of the meeting. The District is under no obligation to provide the parent with a transcription of the recording the District obtains on its own equipment. If the District audio records an IEP Team meeting, the resulting recording shall become a part of the student's educational record and will be maintained in accordance with State and Federal law.

ENGLISH LANGUAGE LEARNERS

English Language Learners (ELLs) are not to be subjected to disciplinary action exclusively because of their use of a language other than English. However, all School District of Manatee County students, regardless of their ability to speak English, are governed by the Code of Student Conduct.

CONDUCT ON SCHOOL BUSES

The School Board believes you and your fellow students, as well as the bus driver, should be able to ride safely on school buses. In addition to any bus-specific consequences, you may be disciplined for any action on the bus in the same manner as if the conduct had happened at school. You are also subject to disciplinary action while at the bus stop, if your behavior has a harmful effect on the health, safety, or welfare of any member of the school community. You should assume that you are being recorded any time you are riding a school bus.

Parent Responsibility

Your parents are responsible for your behavior at the bus stop prior to the arrival of the bus in the morning and after the departure of the bus at the end of the day. However, if you are at the bus stop and violate school rules, the school can still discipline you for your behavior if it has a harmful effect on the health, safety, or welfare of any member of the school community. Students are to be on time and stand off the roadway.

Damage to Bus
If you cause any damage to the bus or another vehicle, your parent will be required to pay for the damage.

Waiting for the Bus
Wait for the bus to come to a complete stop before you approach the bus. To cross in front of the bus, wait for the driver to signal you.

Items Not Allowed on a Bus

a. Any item prohibited elsewhere in the District Code of Student Conduct
b. Glass containers of any kind
c. Balls
d. Bats
e. Cologne/perfume
f. Cutting instruments of any kind
g. Any large or bulky item that interferes with proper seating of students (examples: large musical instruments or athletic equipment)
h. Any animal
i. Batons, drumsticks, tennis rackets (unless in proper carrying case)
j. Aerosol sprays may be possessed but use on buses or enclosed areas is expressly prohibited

Rules While on the Bus
The bus driver is in charge and you must obey the driver at all times. You must tell the bus driver your correct name when asked. The bus driver and school will keep a seating chart. You must be on time; the bus cannot wait for you if you are tardy. YOU MAY NOT RIDE ANY BUS OTHER THAN YOUR ASSIGNED BUS. You can be disciplined if you do not follow all district and school rules and the following special rules: a. Sit in your assigned seat and use the seat belt if available.
b. Stay seated at all times while the bus is in motion. c. Do not place any part of your body outside the bus windows. d. Do not distract the driver with loud conversation or noises. e. Observe appropriate classroom conduct. f. Do not eat or drink on the bus. g. Maintain absolute silence at railroad crossings. h. Do not throw any items on the bus or out of the bus windows. i. Do not mark, cut or damage bus seats or the bus itself. j. Do not display signs from the bus. k. Do not use obscene language or gestures. l. Cell phones are to be turned off.

Discipline If You Do Not Follow the Bus Rules

a. If you commit minor infractions, the school bus driver has the authority to address your behavior. If you cause repeated problems on the bus, the bus driver will give the school a written discipline referral for what you did. School administrators can take any action contained in this Code against you for misbehaving at a bus stop or on a bus.
b. Discipline on school buses will be dealt with according to the following protocols; however, severe infractions (for example, fighting, setting a fire on the bus) may result in immediate suspension or recommendation for expulsion based on the recommendation of the principal or designee.

Elementary Bus Discipline Protocol

1st Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for one week and closely monitored.

2nd Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for two weeks and closely monitored.

3rd Offense: Referral submitted, with recommended bus suspension up to 1 day. Upon return to bus, student assigned to front of the bus for one week and closely monitored.

4th Offense: Referral submitted, with recommended bus suspension up to 3 days. Upon return to bus, student assigned to front of the bus for two weeks and closely monitored.

5th Offense: Referral submitted, with recommended bus suspension up to 5 days. Conference with parent, student, school administrator and Transportation Staff. Upon return to bus, student assigned to front of the bus for two weeks and closely monitored.

6th Offense: Referral submitted, with recommended bus suspension up to 10 days. Letter from school to parent stating next referral may result in recommendation for removal from the bus for the remainder of the year.

Secondary Bus Discipline Protocol

1st Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for one week and closely monitored.

2nd Offense: Referral submitted, with recommended bus suspension up to 1 day. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

3rd Offense: Referral submitted, with recommended bus suspension up to 3 days. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

4th Offense: Referral submitted, with recommended bus suspension up to 5 days. Conference with parent, student, school administrator and Transportation Staff. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

5th Offense: Referral submitted, with recommended bus suspension up to 10 days. Letter from school to parent stating next referral may result in removal from the bus for the remainder of the year.

c. Suspension from the school bus may be imposed only by the principal or designee by following the procedures for suspension from school. Bus suspensions may not be extended beyond the number of days originally prescribed by the principal or designee.
d. You can be removed from the school bus by the Superintendent or his designee for up to one calendar year for misconduct or a violation of the bus rules on a school bus or at a bus stop, based upon the recommendation of the principal and after the principal has suspended you from riding the bus for 10 days for an incident. Before the Superintendent or designee removes you from the bus, you and your parents will be informed in writing of the Principal's recommendation and the basis for that recommendation. The Superintendent or designee will inform you and your parents in writing of any removal from the bus.
e. Even if you transfer to a new school, you will be held responsible for any previous incidents of bus misconduct from your previous school.

SCHOOL DRESS CODE

The dress and grooming of District students shall be neat and clean, promoting a safe and positive educational environment. Apparel that disrupts educational activities and processes of the school may result in the removal of the student from the regular learning environment until acceptable apparel can be secured for the student. Failure to comply with the dress code may result in disciplinary consequences outlined in state statute and the district discipline matrix.

Pursuant to F.S. 1006.07, wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

a. For a first offense, a student shall be given a verbal warning and the school principal (or designee) shall call the student's parent or guardian.

b. For a second offense, the student may be ineligible to participate in any extracurricular activity for a period of time not to exceed 5 days and the school principal (or designee) shall meet with the student's parent or guardian.

c. For a third offense, the student will have lunch detention in a supervised area, not the cafeteria.

d. For a fourth offense, the student may be ineligible to participate in any extracurricular activity for a period not to exceed 30 days.

e. For a Fifth and subsequent offense, a student may receive an In-School Suspension pursuant to F.S. 1003.01(5) for a period not to exceed one (1) day and may be subject to any of the interventions listed above.

Requirements for student dress in all schools are listed below:

a. All shirts and blouses must cover the midriff, back, sides, and all undergarments including bra straps at all times. All shirts, tops, and dresses shall have sleeves and cover the shoulders.

b. Shorts, skirts, divided skirts, dresses, and culottes are allowed. They must be mid-thigh length or longer.

c. All trousers, pants, or shorts must completely cover undergarments, including boxer shorts.

d. All clothing, jewelry, or tattoos shall be free of the following: profanity; violent images, wording or suggestion; sexually suggestive phrases or images; gang-related symbols; alcohol, tobacco, drugs, or advertisements for such products.

e. Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, roller skates, skate shoes, and bedroom slippers.

Further Clarification/other requirements:

a. Form-fitting leotard/spandex type clothing is not allowed unless proper outer garments cover to mid-thigh length or longer.

b. See-through or mesh fabric clothing may only be worn over clothing meeting requirements.

c. Clothing must be appropriate in size, with the waist of the garment worn at the student's waist.

d. Clothing and footwear traditionally designed as undergarments or sleepwear shall not be worn as outer garments.

e. Sunglasses may not be worn inside unless a parent provides a doctor's note to the school. Field trips are exceptions.

f. Bandanas or sweatbands are not allowed to be visible on school grounds during regular school hours.

g. Hats or other head coverings may be worn during outside P.E. activities and may not be worn during any portion of the regular school day without the expressed permission of the principal.

h. If the school has a mandatory school uniform policy, the student must adhere to those requirements.

SCHOOL UNIFORMS POLICY

Manatee County elementary or secondary schools may implement a mandatory uniform policy, governing students enrolled at the school only if all conditions set forth in the following procedures are met:

Initiation

a. A favorable vote of at least 67 percent or more by the School Advisory Council (SAC) must occur to support mandatory use of uniforms for students.

b. The school or SAC conducts a survey of parents of all students in that school and at least 51 percent of the families completing the survey must indicate that they are in favor of establishing such a program. Ballots must be received from a majority of eligible families. Parents are to be surveyed every three years at any school implementing a uniform program.

c. The school must establish a uniform committee that adequately represents all segments of the school community. The uniform committee must follow guidelines promulgated by the Superintendent for selection of uniforms.

d. The school-selected uniforms must comply in all respects with the other provisions of the district rules concerning appropriate attire.

e. The uniforms selected may not be characterized as gender-specific (both boys and girls may wear slacks).

f. The school must make provisions for those students who, by reason of financial hardship, cannot comply with the uniform and must notify the students' parents of these provisions.

Communication

Each school implementing a uniform policy must communicate to parents the following:

1. types and colors of uniform;
2. requirements for jackets or outer garments;
3. optional articles of attire, if any;
4. compliance measures to be employed;
5. the availability of financial support and the procedures for applying for assistance;
6. methods to facilitate recycling of uniforms within the school community; and
7. notice of uniform sales and lists of competitive prices from vendors of uniform articles.

The means by which this information is communicated shall include one or more of the following: school newsletters, parent forums, telephone hotline, PTA/PTO meetings and newsletters, school advisory council meetings, television, radio, newspaper announcements, posters displayed at school and in the community, and registration materials.

Compliance Measures

a. Each school shall develop incentives and positive reinforcement measures to encourage full compliance with the uniform policy. Each school should strive to achieve full compliance through use of incentives and positive reinforcement measures and should resort to disciplinary action only when positive measures fail to ensure compliance. In addition, schools shall communicate with parents so that expectations, rationale and benefits are fully understood by the student and the family.

b. If necessary, disciplinary action may be taken to encourage compliance with the policy. Since the intent of the policy is not to inhibit or prohibit any student who is not in uniform from receiving the education to which he or she is entitled, no student shall be suspended from class or from school, expelled from school, or receive a lowered academic grade as a result of not complying with the policy.

c. Prior to initiating any disciplinary action against a student not complying with the policy, a school administrator shall hold a conference with the parent or guardian to solicit cooperation and support.

d. Disciplinary action is initiated only after all other means to secure support and cooperation as mentioned above have not succeeded. A "progressive discipline" approach is to be employed by the school support staff so as to encourage full and consistent compliance with the least amount of disciplinary action.

e. In order to ensure a smooth transition to a uniform policy, and in order to ensure that incentives and positive reinforcement measures are employed before resorting to disciplinary action, no school implementing a uniform policy shall take disciplinary action for the first two months of implementation unless those not in compliance materially or substantially interfere with the requirements of appropriate discipline.

f. Exceptions to wearing the uniform are permitted when:

   1. Uniforms of a nationally recognized youth organization such as JROTC, Civil Air Patrol, or the Boy Scouts or Girl Scouts are worn on regular meeting days.

   2. A student wears a button, arm band, or other accoutrement to exercise the right to freedom of speech as guaranteed by the First Amendment, unless the button, arm band, or other accouterment signifies or is related to gangs, gang membership or gang activity.

   3. The wearing of a school uniform violates a student's sincerely held religious belief.

   4. A student's parent or guardian has secured an exemption from the uniform policy by following the procedures set forth below.

g. Parents or guardians are permitted to exempt their children from the uniform program by the following procedure:
   1. Parents should be notified of the exemption procedure.
   2. A request is made by mail or in person by the parent or guardian for an Application for Exemption from the Uniform Program ("Application"). The parent or guardian may obtain an Application at the student's school site.

3. The Application is completed in full and submitted to the school principal.
4. The school principal or other designated administrator meets with the parents to discuss the uniform policy and the nature of the objections to the policy. The purposes of this meeting include: (a) ensuring that the parents or guardians understand the reasons for, and goals of the uniform policy; (b) verifying the accuracy of the information on the Application; and (c) preventing fraud or misrepresentation.

SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS

Each school and classroom in the school District of Manatee County is required to develop their own behavior plans, which support the unique needs of their students, families, and communities. Common disciplinary actions at each school may include, but not be limited to the following:

Loss of Privilege
For a specified period of time, you may lose a privilege on campus. These privileges include, but are not limited to, parking, use of technology, extracurricular activities, and assemblies.

Disciplinary Probation/ Check-in/Check-out
For a specified period of time, you are assigned to report frequently to a staff member who will assist in monitoring your adjustment to the school situation.

Detention/Extra School
You report to an assigned location at your school for a specified period of time before or after school for supervised study hall activities. Extra school is not intended to interfere with your regular class schedule.

Fine/Restitution
You may be given a written citation by the School Resource Officer and required to pay a fine if you are caught smoking or in possession of tobacco. You may be required to pay restitution for any damage you may have caused to School Board property.

Student Work Assignments
If your parent and a school administrator agree, the administrator can assign you to a work detail at the school. The principal will decide who will supervise your work.

Saturday School
You may be required to attend Saturday School if an administrator has contacted your parent at least twenty-four (24) hours in advance.

In-School Suspension
You may be assigned to a specific location at your school during the school day where you will be required to continue your regular academic coursework. This assignment may be for a single period (usually referred to as Time Out), all day, or for multiple days. Time Out may also be used in lieu of detentions, when transportation or other issues prevent their assignment.

Classroom Removal
Your teacher may require that you be removed from class if it has been documented that your behavior has seriously disrupted the teaching or learning in the classroom. If you are removed from a class, the principal may place you in another appropriate classroom, in-school suspension, an alternative education program, or the principal may recommend you for suspension or

expulsion. You cannot be returned to that teacher's classroom unless the teacher consents or a school-based placement review committee has determined that doing so is the best or only available alternative. A decision on whether to return you to the classroom must be made by the teacher or the committee within five days of the removal.

MAJOR DISCIPLINARY ACTIONS

In order to protect the rights of all students and staff, certain procedures are followed with regard to major disciplinary actions. These procedures are developed as suggested or required by law or regulation. School/classroom procedures for administering discipline in areas not covered by these specific procedures are encouraged.

School Bus Suspension

You can be denied the privilege of riding a school bus by the principal or designee for up to 10 school days. Suspension from the school bus may be imposed only by the principal or designee by following the procedures for suspension from school.

Out-of-School Suspension

You have the right to attend school and have an opportunity to learn. You may lose that right if you violate the District Code of Student Conduct or a school rule. You lose the right to attend school by being suspended or expelled. You can be suspended from school for up to ten (10) days at a time. If you are suspended you cannot be on school grounds or on any Manatee School District property, nor can you attend any school activities. You cannot be suspended for skipping class or school or for excessive tardiness. However, you may be suspended for failure to serve consequences assigned for skipping or tardiness. ~~When OSS is deemed appropriate, the district does offer an Alternative To Out of School Suspension (ATOSS) program that is housed at two different locations. You are responsible for transportation to ATOSS however, it does offer a structured and supervised environment where assignments may be communicated and submitted to your regular teachers.~~

OUT-OF-SCHOOL SUSPENSION Q & A

Q. Who can suspend you?

A. The principal or someone designated by the principal can suspend you.

Q. How long can you be suspended?

A. You can be suspended from school for one school day or up to ten (10) school days. School principals or designees may not impose suspensions of undefined lengths, pending a parent conference or other stipulations.

Q. What happens before a suspension?

A. When the principal or designee becomes aware that a student may have broken a rule in the District Code of Student Conduct or a school rule, he or she will investigate by talking to students, teachers or others who may know something about what happened. Even if you are not one of the students who may have broken the rule, the principal or designee may talk to you as part of the investigation. After talking to people who were involved or witnesses, the principal or designee will determine who he or she thinks broke a rule.

Q. What if the principal or designee determines you broke a rule?

A. As soon as possible, the principal or designee will talk to you and tell you that you are

accused of breaking a rule in the District Code of Student Conduct or a school rule. You also will be given written notification, such as a disciplinary referral, which tells you the same thing. You will be told why it is believed that you have broken the rule. After this happens, you should know what you are accused of doing and what evidence there is that supports the accusations.

Q. What happens next?

A. You will then have an opportunity to tell the principal or designee your side of the story. You can ask that he or she talk to someone you think may know something about what happened. You can give the principal or designee a written statement to read. After listening to you and reading anything you have provided, the principal or designee may talk to the people you named and anyone else who might have knowledge about the situation, as may be appropriate in the opinion of the principal or designee. After that, the principal or designee will decide if you have broken a rule in the District Code of Student Conduct or a school rule. If he or she decides you have broken a rule, the principal or designee will then determine whether you should be suspended from school, and if so, for how long. You will be told about this decision.

Q. Will my parents know?

A. Prior to the beginning of the suspension, the principal or designee will attempt to telephone your parents and let them know about the suspension. If your parents cannot be reached by telephone, then the principal or designee will record the dates and times contact was attempted. Also, within 24 hours of the decision, a letter will be mailed to your parents informing them of the suspension. If you or your parents claim you did not receive the letter, it will not change the suspension. You will be given another copy of the letter if you request one.

Q. Can you appeal a suspension?

A. You can request the principal reconsider the evidence and decision. However, the principal's decision to suspend a student is final.

Q. How do I make up my work while on suspension?

A. You are encouraged to remain current with all class assignments but are required to obtain your work. The following means are available: 1. Ask fellow students to obtain the class work for you. 2. Contact your teacher via email or phone. 3. Access teacher websites or weekly assignment sheets, if available.

All makeup work is due on the day of your return from suspension. In the case of in-class activities such as labs, tests, quizzes, class projects, etc., the teacher will determine a reasonable amount of time for assignments to be completed.

Disciplinary Reassignment

The School District of Manatee County offers an alternative program for students who struggle with behavioral issues in their current setting or create a concern for the safety of others. Pursuant to School Board policy, the Superintendent of Schools or designee may decide to reassign you, if it is determined to be in your best interest, or the best interest of the school. If your actions create a concern for the safety and welfare of any student or staff member or substantially interferes with the safe and orderly operation of a school, you are eligible for reassignment to an

alternative program under the School Safety reassignment process, regardless of any current or past patterns of behavior. These acts would normally involve

infractions such as battery on a school board employee, causing substantial injury or mental distress to others, threats to commit acts of violence, sexual misconduct, weapon or drug-related behaviors, or any variety of criminal acts committed on a school campus. Likewise, being charged with an off-campus criminal act by law enforcement, which creates a concern for the safety and welfare of students or staff, or which substantiates a pattern of unsafe behavior may result in a School Safety reassignment, per ss 1006.09, 1006.147, and 1006.13.

You may also be referred for a School Safety Reassignment to the alternative program for persistent behaviors which substantially disrupt the learning environment and are not mitigated through school-based interventions. Such behaviors may include interfering with instruction; the use of profane or offensive language or gestures; disrespect towards school staff; defiance of school staff; theft, destruction, or improper use of school equipment; possession of contraband or prohibited items; or continually being out of area. You may also be referred for reassignment for patterns of behavior which substantially interfere with the educational rights of other students. These behaviors may include acts such as bullying, harassment, extortion, threats, theft, fighting, or any conduct which is disruptive to the orderly educational process in the classroom.

If you are assigned to an alternative program for disciplinary reasons, you cannot be present on any other school grounds or on any Manatee School District property at any time. If you have been reassigned to an alternative program for disciplinary reasons, you may instead choose to attend another school outside the district. However, your academics, attendance, and behavior must be evaluated in a physical setting with peers in order to return to any Manatee County school. Virtual or purely online programs are not an acceptable alternative without specific review and authorization from the district office of Drop-Out Prevention and Alternative Programs.

Expulsion

You can be expelled (excluded) from school by the School Board for the remainder of a school term or school year and one additional year of attendance. During the time you are expelled, you may or may not receive educational services. Students who commit violent acts that involve the use of a firearm as defined in the Code of Student Conduct will be expelled, with or without educational services. All other students will be evaluated on a case-by-case basis and where possible, recommendations for diversionary or intervention programs will be made in lieu of arrest or expulsion.

EXPULSION AND DISCIPLINARY REASSIGNMENT Q & A

If you are found to be guilty of a severe breach of conduct or are guilty of continuing misconduct, the principal or designee may suspend you for up to 10 days after following the suspension procedures and recommend to the Superintendent or designee that you should be expelled or reassigned to another school or program. ~~All alternative placements and expulsion recommendations for students with disabilities are made by the appropriate IEP or 504 team.~~

Q. What happens if the principal recommends reassignment to another school or program?

A. The principal will refer the case to the Office of Drop-Out Prevention and Alternative Programs

to determine whether it should move forward or be declined. If approved, you will either be directly assigned to another school or program or have your case go before the School Safety Reassignment Committee for deliberation. Any vote by the committee will be the recommendation made to the Superintendent or designee. Should you be reassigned, you will be provided information concerning the school or program and instructions on how to enroll.

Q. What is the School Safety Committee?

A. A group of district and school administrators which evaluate the facts of each case and the student's history to make recommendations for reassignment to an alternative program. The Committee is additionally charged with evaluating the interventions attempted by the school, prior to the reassignment referral being submitted.

Q. Can the recommendation of the committee be appealed?

A. You may appeal the decision to the Office of Alternative programs and Drop-out Prevention. Facts of the case must be appealed to the principal if the reassignment referral is being forwarded by the school for on-campus behavior.

Q. What happens if my principal recommends expulsion?

A. Your principal may recommend an expulsion to the Director of Student Services. The Director will in turn listen to the facts of the case and make a recommendation to the Superintendent. However, only the School Board can expel a student. If the Superintendent agrees with the recommendation, the District General Counsel or designee will inform your parents in writing about the recommendation and why expulsion is being recommended. The notice will additionally inform your parents they can request a hearing.

Q. What happens if my parents do not request a hearing?

A. The School Board will take final action on the recommendation for expulsion without a hearing. By not requesting a hearing, you are admitting that you did what you were accused of doing.

Q. What happens if I request an expulsion hearing?

A. The School District General Counsel will notify you when and where the hearing will be conducted. The Office of Dropout Prevention and Alternative Programs will inform your parents of the procedures involved and your procedural rights. At the hearing, the General Counsel, on behalf of the Superintendent, presents the evidence in support of the recommendation for expulsion. You, your parents, your attorney or other qualified representative will be permitted to cross examine witnesses and offer evidence on your behalf, including your testimony. The cost of your attorney will be your parent's responsibility. Your parents may elect to have the hearing open or closed to the public.

Q. What procedures govern the expulsion hearing?

A. The expulsion hearing is governed by sections 120.569 and 120.57(2), Florida Statutes. A copy of those sections will be provided to you upon request.

Q. What happens after the expulsion hearing?

A. The School District General Counsel will submit to the School Board a recommended order consisting of findings of fact, conclusions of law, and a recommendation on the expulsion. You, your parents, or your attorney will have an opportunity to submit written objections to the recommended order. The School Board is limited on what it can do with respect to the recommended order by section 120.57 (1), Florida Statutes.

Q. Who makes the final decision to expel me?

A. The School Board will make the final decision on whether you should be expelled and if so, for how long. The School Board will also decide if you will receive educational services during your expulsion. Your parents may elect to have the School Board meeting open or closed to the public.

Q. How long can the School Board expel me?

A. You can be expelled for the remainder of the current school year and one additional school year. A student who is serving an expulsion during the last semester of his or her senior year may not participate in the graduation ceremony.

Q. Can I appeal the School Board's decision to expel?

A. You can appeal the School Board's decision to the Second District Court of Appeal in Tampa. You must do so within 30 days of the time you are expelled; you may or may not receive educational services.

Felony Arrests

Students are required to self-report any felony arrest to their principal within 48 hours of the arrest. An arrest that would be a felony if the student were an adult must also be self-reported. The principal will review information about the arrest to determine, after conferring with the Executive Director of School Management, whether the student should be suspended from all extracurricular activities and possibly suspended from school, or reassigned to an alternative placement. Failure to self-report such an arrest may result in suspension from all extracurricular activities for a minimum of one calendar year and suspension from school or reassignment to an alternative placement.

Extension of Ten-Day Suspension

If the principal suspends you for 10 days, the Superintendent may extend your suspension until the outcome of the criminal charges that have been filed against you. During your suspension, pending the outcome of the criminal charges, you will be assigned to an alternative educational program.

Criminal Victimization

In accordance with F.S. 1006.13, students who are found to have committed certain felony offenses against another student are prohibited from attending the same school or riding on the same school bus with the victim or the victim's siblings. According to F.S. 1006.13(5)(d), "The offender, or the parents of the offender if the offender is a juvenile, shall arrange and pay for transportation associated with or required by the offender's attending another school or that would be required as a consequence of the prohibition against riding on a school bus on which the victim or a sibling of the victim is riding. However, the offender or the parents of the offender may not be charged for existing modes of transportation that can be used by the offender at no additional cost to the District School Board."

Corporal Punishment

The use of corporal punishment is prohibited. This prohibition extends to parents or guardians on school grounds.

REPORTS TO LAW ENFORCEMENT AGENCIES

The School Board views disruptive and criminal acts, and those which may affect the health,

safety and welfare of, or pose a legitimate threat to those on a school campus, as extremely serious in nature. In addition to disciplinary action administered at the school level, certain acts are expected to be reported to law enforcement as required by the State Attorney Office. The actions of law enforcement do not dictate the corrective measure enforced by the school.

LIMITED ROLE OF LAW ENFORCEMENT

To help avoid the unnecessary criminalization of our students, law enforcement action should be limited to situations when it is necessary to protect the physical safety of students and staff or appropriate to address criminal activity. Law enforcement involvement should not be requested in a situation that can be safely and appropriately handled by a school's internal disciplinary procedures.

THE COACH AARON FEIS SCHOOL GUARDIAN PROGRAM

Like law enforcement, school guardians hired through the Coach Aaron Feis School Guardian program in Manatee County are in place to help ensure the physical safety of our students, staff, and school community. School guardians are not to be involved in student discipline matters unless it is a matter of safety. School guardians additionally have no authority to act in any law enforcement capacity, except to the extent necessary to prevent or abate an active assailant incident.

REPORTS TO DEPARTMENT OF CHILDREN AND FAMILIES (DCF)

All employees of the District have the responsibility to report all actual and suspected cases of child abuse, abandonment or neglect. They also have the responsibility to comply with child protective investigations and all other provisions of law related to child abuse, abandonment or neglect. All employees of the District shall have immunity from liability if they report such cases in good faith. Abuse is defined as "any willful act or threatened act that results in any physical, mental, or sexual injury or harm that causes or is likely to cause the child's physical, mental or emotional health to be significantly impaired."

REFERRALS TO MENTAL HEALTH AGENCIES

If you present a concern for the safety of others, due to your actions or words, as determined by your school or district administration, law enforcement, or a threat management team, you will be referred for mental health services, per F.S. 1012.584. These services may be provided on campus or through off-campus mental health providers that partner with our district. In the event you present an immediate concern for the safety of yourself or others, the Marchman or Baker Acts may be enacted (see Page 4) to ensure an appropriate mental health examination and intervention(s) occur. This may result in an involuntary examination and removal from campus, pursuant to F.S. 394.463. Such contact may be in person by a mental health professional or using telehealth as defined in F.S.456.47.

SELF-REPORTING UPON INITIAL REGISTRATION

Upon initial registration in any district school from another district, state, charter, home or private school, you are required per F.S. 1006.07 to self-report any previous school expulsions, prior arrests resulting in charges, Juvenile Justice actions, and referrals to mental health services. You are also required to report any placements in an alternative setting for disciplinary or safety reasons. Students found to have been expelled or placed in an alternative program in lieu of expulsion from another school or district may serve any remaining duration of the original

expulsion as outlined in F.S. 1006.07.

SECTION VII IMPORTANT POLICIES AND PROCEDURES

MEDICATION POLICY

Taking legal medications (prescription drugs prescribed for you or over-the-counter drugs) at school, on a school bus, at any school activity, or on any field trip must strictly comply with this Medication Policy. This policy requires the following:

a. You should make every effort to administer medications at home during non-school hours.

b. All medications (including over-the-counter medications, vitamins and supplements) must be prescribed by a licensed physician and must be retained in the school clinic.

c. For each medication to be administered, your parent must provide the principal or clinic staff with a written statement giving the principal or the principal's designee permission to assist in the administration of the medication. The written statement must explain the reason it is necessary for the medication to be provided during the school day.

d. The written statement shall be on a Medication Authorization Form which can be obtained from the school's office and must be signed by both a physician and a parent or guardian before medications can be administered at school.

e. You may not transport medications to school or be in possession of any medications while on school property.

f. An authorized adult must bring the medication to be administered to the school's office and deliver it along with a completed Medical Authorization Form.

g. Possessing medications prescribed to others is illegal and considered a Level 3 offense.

h. Students with any of the following medical conditions may carry and self-administer the medications or supplies listed below to attend to their conditions while at, or in transit to or from, school or school-sponsored activities, if the school has been provided written parental and physician authorization in advance:

Student's Medical Condition:	Student May Carry and Self-Administer:
Life-threatening Allergies or Asthma	An epinephrine auto-injector
Asthma	A metered dose inhaler
Pancreatic Insufficiency	A prescribed pancreatic enzyme supplement
Diabetes	Diabetic supplies, equipment, and specific food items identified in the written authorization along with a description of the activities the student is capable of performing without assistance, such as blood-glucose level checks, urine ketone testing, administering insulin, and treating hypo-or hyperglycemia.

Suspected Overdose

District schools may maintain an on-site supply of the opioid antagonist Naloxone, following guidelines established in Board Policy 5780 and F.S. 499.003. Naloxone is a medication that is used to reverse an opioid overdose. If any student or staff are suspected of having an opioid-related overdose, Naloxone will be administered by a trained nurse as a life-saving measure.

CONTROLLING THE SPREAD OF COMMUNICABLE DISEASES

The School Board recognizes its responsibility relative to student, employee, and visitor health and safety. In order to protect the health and safety of the students, District personnel, and the community at large, the Board shall follow all State statutes and Health Department regulations which pertain to immunization under Policy 5320, and other means for controlling communicable disease spread through normal interaction in the school setting as set forth in Policy 8450.

CRISIS PROTOCOL

Providing a safe and secure environment for our students to learn is the top priority of the School District of Manatee County. Measures have been taken to ensure our staff and students are prepared in the event a crisis situation occurs in one of our schools. A comprehensive Crisis Management Plan has been created to guide our staff through a wide variety of situations. Fire drills, tornado drills, lock-down drills, and shelter-in-place drills are practiced at each site to ensure routines and safety procedures are well established and familiar to all.

In a shelter-in-place, all school doors will be locked and regular classroom instruction continues behind the locked doors. In a lock-down, all school doors are locked and all students and staff are out of view. Classroom instruction is discontinued.

What parents need to know during either crisis:

a. Please DO expect to be notified with a special parent advisory sent home from the school and/or with a telephone message from our telephone notification service when the school is able to provide accurate information and/or the incident is resolved.
b. Please DO cooperate with school and/or district directives.
c. Please DO consult local media for regular updates about the incident. Listen for information updates on local radio and television stations. You may be directed to an off-campus parent staging area for the latest information regarding a campus crisis.
d. Please DO NOT call the school because phone lines will be needed for emergency communication.
e. Please DO NOT call your child's cell phone because cell phones are not to be used during a crisis.
f. Please DO NOT go to the school if a crisis situation should occur. Roads are closed, doors are locked and campuses are off-limits to anyone other than authorized personnel.

Pursuant to F.S. 120.54, in the event of an emergency, the Superintendent or the School Board can enact additional rules governing student conduct which shall be enforced as included in this Code of Student Conduct.

Unannounced Lock-down Drills

The principal may conduct unannounced lockdown drills from time to time and will inform parents after the fact about the drill by way of automated telephone calls.

STUDENT AND FAMILY REUNIFICATION PLAN

In case of a school emergency or a natural disaster, you need to be aware of our school's plan for releasing your child. First and foremost, remain calm. Remember, it is our primary concern that students remain safe at all times, and there is a plan for an orderly dismissal and release of our students. When you learn your child's school is in a lockdown situation or any other emergency situation, do not call the school and do not come to the school. Staff will be very busy during an emergency and will not be able to attend to the safety of your children if they have to answer your phone calls. If you come to the school during an emergency, in all likelihood you will not be allowed into the school or even into the inner perimeter set up by emergency responders. The presence of hundreds of parents showing up on the scene will hinder the efforts of emergency responders, which in turn may jeopardize the safety of your child. Instead, if the situation warrants the release of students, direct notification to your listed emergency contact numbers as well as the use of local news media will provide instructions on when and where the release will take place. Students may be bused to an off-site location for their release to parents.

Once an "all clear" is given at the school, and if there is a need to release students for the day, the Student and Family Reunification Plan will be put into place. For the safety of every child, we must document to whom each child is released. Students will only be released to parent, guardian, or childcare personnel as designated on your child's school *Contact, Medical, and Emergency Form*. When you arrive at the facility where students will be released, proceed to the designated area and plan to do the following:

- Fill out a Student Release Form.
- Present photo identification.
- Move to the Student release area and wait for your child.
- A runner will go to the assembly area, get your child, and bring him or her to the release area. Be prepared to show your ID again.
- Sign for the student and depart. **REMINDER: Your child will be released only to those listed on the *Contact, Medical, and Emergency Form*. It is therefore imperative you keep information on your child's *Contact, Medical, and Emergency Form* up to date, including your cell phone number or other emergency contact information. Please note that if for any reason your child is not picked up, he or she will be placed in an alternate place of safety.** These procedures should be shared with everyone you list on the *Contact, Medical, and Emergency Form* so they are familiar with our plan and these concerns. If you have any questions about the Student and Family Reunification Plan, contact your child's school principal.

REGISTER YOUR EMERGENCY CONTACT INFORMATION TODAY!

The school district, in cooperation with TIFF (To Inform Families First) urges you and your family to register your emergency contact phone numbers TODAY. In the event of an emergency, families can be notified more quickly through this service. On the Internet, simply log onto the following website as follows:

ELECTRONIC EQUIPMENT

If you are in possession of non-district issued electronic items at school, they may only be used before the morning bell rings and after school, unless your school has adopted a policy further allowing or restricting the use of personally owned electronic devices. In all other instances, **they are to be kept turned off and out of sight on school grounds** unless an administrator or designee gives permission to use the device. Teachers may also allow you to utilize personal electronic devices for the completion of specific assignments, as a component of your coursework. Absent such permission, teachers or other school staff may confiscate your electronic device, per F.S. 1006.07. These electronic devices include, but are not limited to, the following:

- music playback or streaming devices
- camera
- cellular phone (including the camera that may be part of the phone)
- video or digital recorder
- video gaming devices
- computer or tablet (unless specifically authorized for academic purposes)
- Smartwatches or other smart devices that may or may not connect to the Internet
- Earbuds or headphones

If this rule is violated, an administrator may ask you to surrender the device and will hold it until you or your parent comes to retrieve it. Refusal to surrender the device will be considered defiance and will result in appropriate administrative action. If the item is not picked up by July 1st following the end of the school year, the item will be deemed abandoned. Each school will determine what to do with abandoned items. Neither the school nor school staff members are responsible for any such items if they are lost, stolen, broken or damaged.

A student may not electronically record any ~~teacher or a classroom~~ SDMC employee or facility without ~~the teacher's~~ written or explicit permission. This does not apply to school-sanctioned events or activities that may warrant such recording. Additionally, students may not ~~record or~~ post to the Internet recordings of fighting, acts of bullying, assault, or battery, whether staged or real – regardless of time or location.

During any district, state, or federally required assessment administration, if you are found with an electronic device that reproduces, transmits, calculates, or records (e.g., a cell phone, camera, or calculator) in your pocket, at your desk, or within your reach during testing, your test will be invalidated. Additionally, the device will be confiscated and you will be disciplined.

If school officials have reasonable suspicion that electronic items contain evidence of a violation of the Code of Student Conduct, or criminal activity, they may conduct a search of the contents of the electronic item.

TECHNOLOGY AND INTERNET SAFETY POLICY

Technology is an integral part of your educational experience and must be used in a way that is consistent with the goals of the School District of Manatee County (SDMC). Technology includes, but is not limited to, computers, tablets, other electronic devices, software, email, the Internet, and other network resources. Your use of technology is a privilege and you are responsible for using it appropriately. This includes use of district technology while off school property. The

following are improper uses of technology:

a. Photographing, recording, or using images of any person without their knowledge or consent.
b. Accessing pornographic or obscene images, language or materials, including screen savers.
c. Transmitting any material in violation of federal, state, local law, School Board policy, regulation, or the District Code of Student Conduct. This includes, but is not limited to: copyrighted material; threatening, obscene or pornographic material; test questions or answers; student work products; trade secrets; and computer viruses or malware.
d. Using technology for commercial activities unless explicitly permitted by the School Board.
e. Modifying the original SDMC pre-set software image including, but not limited to: loading software applications not authorized by SDMC; changing the computer name; changing or removing operating system extensions; altering security/filtering software; altering the pre-loaded operating system or application; or taking apart the computer for access to internal parts.
f. Downloading music, games, or videos at any time on a district computer.
g. Using cellular phones or other wireless communication devices during unauthorized times of the school day. Cellular phones, tablets, and other electronic devices may only be used on campus before or after school, unless your school has different policy restrictions, or you have permission from an administrator or designee.
h. Using email, instant messaging, texting, web pages or other technology operations to threaten, disrupt, or interfere with the safety and welfare of the school community, including engaging in cyber-bullying, harassment, or “sexting.”
i. Gaining or attempting to gain unauthorized access to SDMC networks, computer servers, or data files.
j. Gaining or attempting to gain unauthorized access to non-SDMC networks, computer servers, or data files utilizing SDMC equipment.
k. Using profanity, obscenity, or other language which may be offensive to another person, or reposting personal communications without the author’s prior consent, when using computer network access.
l. Downloading or printing any material that deemed inappropriate by the School District.
m. Attempting to log on to the SDMC network or other district-affiliated systems using another’s identity or password.
n. Sharing of logins and passwords to the SDMC network.
o. Bypassing or attempting to bypass SDMC filtering software.
p. Unauthorized disclosure use and dissemination of personal information regarding students, unauthorized online access by students, including hacking and other unlawful activities and access by students to inappropriate matter on the Internet is prohibited.

NOTE: There is no right or expectancy of privacy on District provided or owned technology. School officials may review any information or files on such technology at any time.

Use of Social Media

The School District of Manatee County allows schools, students, teachers and staff to use social media for enhancing classroom learning and communication among members of the SDMC community. Your use of District-approved social media platforms must be consistent with all aspects of this Code of Student Conduct.

For School Board Policies regarding student use of social media, please see Policy 7544 "Use of Social Media," as well as Policy 7540.03 "Student Technology Acceptable Use and Safety." Those policies can be found in the School Board Policy Manual on the School District website at https://www.manateeschools.net/Page/2186. For Student Social Media Guidelines, please visit the "Parents and Students" page of the School District website at www.manateeschools.net.

DISCLAIMER OF RESPONSIBILITY FOR PERSONAL PROPERTY

Although the school attempts to maintain a safe and secure environment, theft and loss do sometimes occur. All personal property in possession of the student should be identified with the student's name. The school disclaims responsibility for any lost, stolen, broken or confiscated property. Parents send and students bring such items to school at their own risk. Students are expected to turn in to the office any found items.

ATHLETIC ELIGIBILITY

If you are in grades 6-12, you may be eligible to participate on athletic teams in interscholastic athletic contests as a representative of a school, provided you are a bona fide student of that school and meet the following requirements:

High School Eligibility Requirements

1. Must be regularly enrolled and in regular attendance at school. Charter school students, home education students (including FLVS Full-time) and private school students meeting criteria under F.S. 1006.15 may participate at their home zoned school or at another district school provided they have exercised school choice to that school through the district's controlled open enrollment process.
2. A student not currently suspended from interscholastic or intrascholastic extracurricular activities, or suspended or expelled from school, pursuant to a district school board's suspension or expulsion powers provided in law, including Florida Statute Sections 1006.07, 1006.08, and 1006.09, is eligible to participate in interscholastic and intrascholastic extracurricular activities.
3. A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets the criteria in F.S. 1006.15(3)(h).
4. A student's eligibility to participate in any interscholastic or intrascholastic extracurricular activity may not be affected by any alleged recruiting violation until final disposition of the allegation, pursuant to F.S. 1006.20 (2)(b).
5. Any violation of school discipline policies or the District Code of Student Conduct may be considered for exclusion as eligibility standards to participate in extracurricular interscholastic or intrascholastic activities.
6. A student must have a cumulative 2.0 grade point average on a 4.0 unweighted scale, or its

equivalent, at the conclusion of each semester to be academically eligible during the next semester (F.S. 1006.15(3)(a)1). Academic eligibility or ineligibility is determined on a semester basis. A student who is academically eligible at the beginning of a semester will continue to be academically eligible for that entire semester. Likewise, a student who is academically ineligible at the beginning of a semester will continue to be academically ineligible for that entire semester, except as provided in Bylaw 9.4.5.1.2.

Middle School Eligibility Requirements

1. Must be regularly enrolled and in regular attendance at school. Charter school students, home education students (including FLVS Full-time) and private school students meeting criteria under F.S. 1006.15 may participate at their home zoned school or at another district school provided they have exercised school choice to that school through the district's controlled open enrollment process.
2. Must carry a normal class load, maintain satisfactory classroom work (minimum 2.0 grade point average on previous quarter's report card) and maintain a satisfactory conduct record (no 4's in Citizenship on the previous quarter's report card). Sixth grade students are exempt for soccer only.
3. Must be less than 15 years 9 months of age. On the day a student reaches this age, regardless of when that day is, the student becomes ineligible to participate on the middle school level.
4. Must obtain signed permission from his/her parents or guardian on a form provided by the school.
5. Must have a school physical on file with the school.
6. Must be an amateur. This means that the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating.
7. Must display good sportsmanship and follow the rules of competition before, during, and after every contest in which the student participates. If not, the student may be barred from participation for a period of time.
8. Must not provide false information to gain eligibility.
9. All non-traditional student eligibility will be determined on a semester-by-semester basis.
10. A student may not participate if serving an out of school suspension the day of competition.
11. A student must attend a minimum of one-half of a day of school to practice or participate in an athletic contest.
12. All participants must have appropriate paperwork (physical form and parent consent form) on file in the athletic director's office before the beginning of the All-Star Tournament.
13. A student transferring into a school must meet eligibility requirements. The student cannot take the spot of an existing team player on the roster.

Athletic Student Transfer Eligibility

A student who transfers is immediately eligible, as long as all other eligibility requirements are met. Students may not participate in the same sport in the same year at more than one school, unless one of the following exceptions are met:

1. Children of active duty military whose move resulted from military orders.

2. Children relocated due to foster care placement or McKinney —Vento Act.

3. Children who move due to a court-ordered change in custody due to separation, or serious illness or death of custodial parent.

4. Good cause policy in district or charter (district placement).

Per F.S. 1006.15, the School District of Manatee County has defined just cause for immediate eligibility as:

a) Special Assignment by Superintendent, or Office of Student Assignment.

b) Move to a new residence following the marriage of the student. The student immediately establishes a new residence that makes it necessary to attend a different school.

c) Reassignment by District School Board or Charter School Board.

d) Transfer of school within the first twenty days of a semester in acceptance of a seat (first opportunity to enroll) into a previously applied for magnet program.

e) Any other athletic eligibility appeal ruled upon by the Athletics Review Committee to intervene and make a decision on a case brought before the board by the Supervisor of Athletics. All decisions will be given within 10 school days from the date of the appeal.

Attendance

A student must be in attendance a minimum of one-half day on the day of competition or the day prior if the contest falls on a non-school day, unless documented (doctor's note, field trip, subpoena, etc.), to practice or participate in a contest on that day unless approved by the Principal or designee.

Dismissal / Quitting a Team

Any athlete or manager who is suspended from a team, voluntarily quits a team or is dismissed from a team for disciplinary reasons is not permitted to go out for another sport while the original sport is still in season. The season is officially over when the team plays the last game of the season. A season is defined as the first day of practice through the last play-off game.

Out of School Suspension

Students who are serving out of school suspension are not allowed to participate in any athletic activities until they have returned to regular class attendance for one full school day. Students who are suspended for a total of 10 or more days (cumulative or single incident) in a school year will be subject to an administrative review to determine eligibility to participate in any extracurricular activities. The administrative review will encompass the incident or infraction, discipline, academic, and attendance history, and conference with the student and others involved. Based on the results of the review, the student may be ineligible to participate in any extracurricular activities for a period not to exceed 180 school days from the incident. If after the review process, the student is determined to be ineligible he or she may not participate in any event or activity as a representative of the school. These events or activities include but are not limited to: athletics, marching band, concert band, orchestra, choir, drama, JROTC competition teams, and or clubs or organizations sponsored by the school's faculty or staff. A student may appeal the 180-day suspension after 90 school days. The appeal must be in writing to the principal. The appeal process will take into consideration the student's attendance, grades, discipline, teacher comments, any other pertinent information, and student interview during a parent conference. The suspension from

extracurricular activities will not be less than 90 school days. Should the suspension from extracurricular activities be changed to a period of time less than 180 school days, the student will be on probation until the conclusion of the 180-school day period.

Criminal Offenses

1. Criminal Charges: After a hearing with the principal, a student charged with a criminal offense will be suspended from extracurricular or co-curricular activities by the school principal until the charge is adjudicated.
2. Adjudication Withheld: A student who has been suspended from extracurricular activities because of a criminal charge may be reinstated at the principal's discretion if adjudication is withheld.
3. Felony: A student's conviction in "adult" court or judgment of "delinquency" in a juvenile court for any act that would have been felonious in "adult" court will mandate loss of eligibility to participate in any student activity for the duration of the years enrolled in a Manatee County public high school from the time of conviction. After one calendar year following conviction, the student may request a review of his/her eligibility by the principal.
4. Misdemeanors: A student's conviction in "adult" court or judgment of "delinquency" in a juvenile court for the following misdemeanors (assault or battery, possession of concealed weapons, lewdness or indecent exposure, theft, drug possession/sale) will mandate loss of eligibility to participate in any student activity for six months from the time of conviction. After three calendar months following conviction, the student may request a review of his/her eligibility by the principal.

Drug and Tobacco Use

1. No use of tobacco products. For the first offense a one game suspension will occur. The second offense will result in dismissal from the team.
2. An athlete knowingly possessing, using, transferring, or being under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind, or any facsimile regardless of content, on or off campus, ~~will~~ may be suspended from athletic participation for 180 days. A student may appeal the 180-day suspension after 90 school days. The appeal must be in writing to the principal. The appeal process will take into consideration the student's attendance, grades, discipline, teacher comments, any other pertinent information, and student interview during a parent conference. The suspension from extracurricular activities will not be less than 90 school days. Should the suspension from extracurricular activities be changed to a period of time less than 180 school days, the student will be on probation until the conclusion of the 180-school day period.

Homeless Student Rights under the McKinney-Vento Act

Under the McKinney-Vento Act, homeless students have the right to attend school, regardless of the location where they live or the length of time at that location. The student is to be enrolled immediately, regardless of whether the appropriate records required for enrollment are presented. The school will refer the parent/guardian to Project Heart, which will help in obtaining the required records. Students eligible under the McKinney-Vento Act have the right to continue in the same school they attended before their housing situation changed, or the school last attended, as well as receive assistance with transportation to that school of origin. Furthermore, the students are

allowed to attend the school of origin for the rest of the school year, even if they obtain permanent housing during the school year.

If a student who is eligible under the McKinney-Vento Act is sent to a school other than the school of origin, a reason must be provided in writing, along with the process for appealing such a decision. The student may remain in the school of origin during the appeal. If it is proven the student was not eligible for McKinney-Vento Act rights and services, but the parent/guardian accepted goods, services or special rights, including free school lunches, school fraud rules will apply. The parent will be notified in writing and provided the process for disputing the charges of fraud.

SECTION VIII **PUBLIC NOTICES**

PUBLIC NOTICES

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 30 days of the day the School receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official

will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional

responsibility. Upon request, the school discloses education records without consent to officials of another school in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with requirements of FERPA. The name and address of the Office that administers FERPA are:

FAMILY POLICY COMPLIANCE OFFICE
U.S. DEPARTMENT OF EDUCATION
400 Maryland Avenue,
SW Washington, DC 20202-8520

Annual Notice: Students with Disabilities

Parents have the right to:

a. Have your child take part in, and receive benefits from, public education programs without discrimination due to his/her disabling condition(s).
b. Receive prior notice with respect to identification, evaluation, or educational programming for your child.
c. Have your child receive a free appropriate education.
d. Have your child receive educational services in facilities which are comparable to those provided to non-handicapped students.
e. Examine your child's educational programming decisions made, based on a variety of information sources and by persons who know the student and who are knowledgeable about the evaluation data and placement options.
f. Have transportation provided to and from an alternative placement setting (if the setting is a program not operated by the district) at no greater cost to you than would be incurred if the student were placed in a program operated by the district.
g. Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the district.
h. File a local grievance with the local school district's grievance officer.
i. File a complaint with the Office for Civil Rights (OCR).
j. Take action through Civil Court.
k. Be represented by an attorney or legal counsel.
l. Request an impartial hearing regarding district decisions concerning the identification, evaluation, or educational programming for the students. The parent/guardian and their legal representative will have full opportunity for participation.
    - The hearing request must be made to the Superintendent of the District.
    - The hearing will be held by an impartial hearing officer qualified to hear 504 proceedings.

Notification of Student Social Security Number Collection and Usage

In compliance with Florida Statute 119.071(5), this statement provides notification of the purpose for the collection and usage of student social security numbers by the School District of Manatee County. According to F.S.1008.386, When a student enrolls in a public school in this state, the district school board shall request that the student provide his or her social security number and shall indicate whether the student identification number assigned to the student is a social security

number. However, a student is not required to provide his or her social security number as a condition for enrollment or graduation. A student satisfies this requirement by presenting to school enrollment officials his or her social security card or a copy of the card. The Department of Education shall establish a process for assigning a Florida student identification number to each student in the state, at which time a school district may not use social security numbers as student identification numbers in its management information systems. The Commissioner of Education shall assist school districts with the assignment of student identification numbers to avoid duplication of any student identification number.

Service Animals

Subject to specific guidelines, certification, and authorization by the School District of Manatee County, students with disabilities or other medical issues are permitted to have service animals accompany them during the school day. Service animals are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, alerting people to the presence of potentially deadly food allergens, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Please contact your school administration for initiating the process of using a service animal in any Manatee County school.

Military Transfers

Priority is given to the dependent children of active-duty military personnel transferring to the School District of Manatee County. Military transfer priority is granted only at the time of the initial military transfer to the district and does not apply to future county-wide program application periods. By state law, dependent children of active-duty military personnel transferring into the district are given first priority for placement at the time of their initial transfer. Students who participated in special programs and extracurricular activities at their transferring schools will be given priority access to the same programs and extracurricular activities when available (Florida Statute 1003.05).

Notification of Availability of School Public Accountability Report

The annual school public accountability report is available online through the Florida Department of Education. Please visit the site and select Manatee County, then the appropriate school.

Video Surveillance on School District Property

In order to maintain a safe environment for students, staff and the public, and to control vandalism and criminal activity on School District property, the District has installed and will utilize video surveillance systems on School District property, including school buses. Any activities recorded on the video cameras may be used for school discipline or for law enforcement purposes. Federal and state law governs disclosure and use of video material, and such material could become part of a student's record. Requests for school videos are exempt under Florida Statute as well as FERPA -34 CFR s. 99.12, unless under a subpoena.

Student Identification

You must have your student ID on you at all times when you are on a school campus or on any district bus. If your school requires you to wear or otherwise display your student ID, then you

must follow all procedures pursuant to that rule. You must also display your student ID and have it scanned, each time you board a district bus.

Pledge of Allegiance

F.S. 1003.44 requires the Pledge of Allegiance be recited at the beginning of each school day. When the national anthem is played or the pledge is recited, students and all civilians shall stand at attention, men removing the headdress, except when such headdress is worn for religious reasons. When the pledge is recited, students shall stand with the right hand over the heart. With a written request by a student's parent or guardian, a student will be excused from reciting the pledge, including standing and placing the right hand over his or her heart. When the pledge is given, unexcused students must show full respect to the flag by standing at attention. When the Junior Reserve Officer Training Corps (JROTC) Color Guard presents the colors for the national anthem or Pledge of Allegiance at a school or district function, the audience is asked to rise before the procession begins from the back of the room. The audience remains standing after the pledge or anthem and during the entire time the Color Guard walks to the back of the room. The audience remains standing until the Color Guard is dismissed.

Moment of Silence

Per FS 1003.45, the principal of each public school shall require teachers in first-period classrooms in all grades to set aside at least 1 minute, but not more than 2 minutes, daily for a moment of silence, during which students may not interfere with other students' participation. A teacher may not make suggestions as to the nature of any reflection that a student may engage in during the moment of silence. Each first-period classroom teacher shall encourage parents or guardians to discuss the moment of silence with their children and to make suggestions as to the best use of this time.

The Hope Scholarship Program

If you have been subjected to a range of violent incidents on campus, to include battery, harassment, hazing, bullying, kidnapping, physical attack, robbery, sexual offenses, assault, threat, intimidation, or fighting, your parents may choose to withdraw you from your zoned school and enroll you in another public school that has capacity, or to request a scholarship to attend an eligible private school. Requests for scholarships to participating private schools is on a first-come, first-serve basis and is subject to available funding and other restrictions, per F.S. 1002.40.

Entering Areas Intended for the Opposite Sex

Based upon legislative changes in the law, if you enter an area on campus designated for the opposite biological sex and refuse to immediately leave when asked, there may be a criminal penalty for students age 18 and above under F.S. 553.865. In addition, school discipline can be imposed for all students as outlined in the appropriate grade-level matrix for entering areas on campus designated for the opposite biological sex that will also include defiance. Schools will work with students that have privacy concerns for reasonable accommodations for a undesignated bathroom.

PUBLIC NOTICES WITH PARENTAL OPT-OUT PROVISIONS

Directory Information/Photographs/Publications

FERPA also requires that the School District, with certain exceptions, obtain written parental

consent prior to the disclosure of personally identifiable information from a child's education records. However, the School District may disclose appropriately designated "directory information" without written consent, unless the parent has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the School District to include this type of information from a child's education records in certain school publications. Examples include:

- A playbill, showing a student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks and law enforcement agencies. If parents do not want the School District to disclose directory information from their child's education records without prior written consent, they must notify the District in writing by September 15 of each year or within 30 days of receiving this annual notice. The School District has designated the following information as directory information:

- Student's name
- Electronic mail address
- Photograph or other likeness (with parental consent)
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Degrees, honors, and awards received
- The most recent school attended

NOTE: Objecting to the release of directory information may result in your name, photograph and other directory information being excluded from yearbooks, sports programs, and other school publications. Both parents have a right to see the school records of their child unless there is a certified copy of a court order on file at the school that specifically denies the right to access school records. Copies of school records are available for minimal copying charge. If you have any questions about these rights, please contact your school office.

Military Opt-Out Procedures

Under federal law, military recruiters are entitled, upon request, to a list of names, addresses, and telephone numbers of high school students unless you object to such release. **You or your parents must notify your principal in writing if you do not want your name, address and telephone number released to military recruiters without prior written parental consent. This written notification may be submitted at any time and the School District will honor**

the objection from that point forward unless you otherwise provide written notification to your principal. A military opt out form is available on the District web site: www.manateeschools.net. You may also request a copy of the form at your school's main office.

Higher Education Opt-Out Procedures

Under federal law, institutions of higher learning are entitled, upon request, to a list of names, addresses, and telephone numbers of high school students, unless you object to such release. You or your parents must notify your principal in writing if you do not want your name, address, and telephone number released to institutions of higher learning without prior written parental consent. This written notification may be submitted at any time and the School District will honor the objection from that point forward unless you otherwise provide written notification to your principal.

Notification of Rights under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents certain rights regarding the District's conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

1. Consent before students are required to submit a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education: a. Political affiliations or beliefs of the student or student's parent; b. Mental or psychological problems of the student or student's family; c. Sexual behavior or attitudes; d. Illegal, anti-social, self-incriminating, or demeaning behavior; e. Critical appraisals of others with whom respondents have close family relationships;

f. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; g. Religious practices, affiliations, or beliefs of the student or parents; or h. Income, other than as required by law to determine program eligibility. 2. Receive notice and an opportunity to opt a student out of: a. Any other protected information survey, regardless of funding; b. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; c. Activities involving collection, disclosure, or use of personal information that has been obtained to market or to sell or otherwise distribute the information to others; and d. In accordance with s. 1002.222(1)(a), the right to opt out of any district-level data collection not required by law. 3. Inspect, upon request and before administration or use, the following: a. Protected information surveys of students; b. Instruments used to collect personal information from students for any of the above for marketing, sales, or other distribution purposes; and c. Instructional material used as part of the educational curriculum. These rights transfer from the parents to the student who is 18 years old or an emancipated minor under State law. Parents who believe their rights have been violated may file a complaint with: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-5901

AGENDA ITEM NO. 11.2

School Board of Manatee County
July 25, 2023 - Regular Board Meeting
Action Item

Title
Approval of Adopting Amendments to the Code of Student Conduct for the 2023-2024 School Year

Executive Summary
The Code of Student Conduct is reviewed and revised annually and serves as the School Board's policies and procedures for governing student behavior on school grounds, at school activities, and while being transported to and from school. During the June 2, 2023 Board Workshop, Mr. George Schrier, Director of Student Services, provided an overview of the Code of Student Conduct and the proposed changes for the 2023-2024 school year. On June 13, 2023 the Board approved advertising of Notice of Intent to Amend the Code of Student Conduct and setting a Public Hearing on the Proposed Amendments at the Board Meeting scheduled for July 25, 2023. On June 22, 2023, the advertisement appeared in the Bradenton Herald, which assumes compliance with the provision of section 120.54 (3)(a) 1, Florida Statutes (2022).

This item aligns with the District's Strategic Plan Goal(s) which state(s):

Ready To Learn | Goal 3
Increase ES enrollments in accelerated courses and identification of gifted and talented students

Ready To Learn | Goal 4
Develop effective professional development and high-quality instructional coaching for teachers to support rigorous literacy instruction across all grades

Ready For Life | Goal 2
Ensure that all staff are trained to respond to students impacted by trauma and adverse childhood experiences, including highly effective student services and mental health supports

Ready To Grow | Goal 7
Promote our schools and District as remaining highly competitive and uniquely designed to produce top-notch graduates, great neighbors, and responsible citizens

Recommendation
The Superintendent recommends approval of adopting amendments to the Code of Student Conduct for the 2023-2024 school year.

Financial Impact
There is no cost to the General Fund.

NOTICE REGARDING CODE OF STUDENT CONDUCT

In order to conserve resources, schools will not distribute paper copies of the Student Code of Conduct to students. You can locate an electronic copy of the Student Code of Conduct on the District website at www.manateeschools.net or on your school's website. If you require a paper copy of the Student Code of Conduct, please check the appropriate box below; sign and return this sheet, and one will be provided to your child. This page will also exist as a form, which is available at your school's front office, if you are unable to print a copy for yourself.

This Student Code of Conduct has been developed so our students and families have a clear understanding of behavioral expectations and to inform all parties of important procedures related to our educational mission. It is helpful if parents are aware of school rules so they can help support them from home. Parents and students are encouraged to review the Student Code of Conduct together to gain a better understanding of their rights and responsibilities. Training on the Student Code of Conduct will be provided to all students, teachers and administration during the first month of school. The rules and language contained within the Student Code of Conduct shall supersede any conflict that may arise with individual school handbooks.

FAILURE TO REVIEW THE STUDENT CODE OF CONDUCT WILL NOT RELIEVE A STUDENT OR THE PARENT/ GUARDIAN OF THE RESPONSIBILITY FOR COMPLIANCE WITH THE CODE OR ACCOUNTABILITY FOR LOSS OR DAMAGE TO SCHOOL DISTRICT OF MANATEE COUNTY PROPERTY.

Please check and submit, only if you require a printed copy of the 2022-2023 Code of Student Conduct. One (1) copy per household will be provided.

☐ I would like to have a printed copy of the Student Code of Conduct sent home with my child.

THE SCHOOL DISTRICT OF MANATEE COUNTY
CODE OF STUDENT CONDUCT
20223-20234

~~Dear Students and Parents,~~

~~One of our many important goals in this School District is to provide a safe, nurturing, and well-disciplined learning environment for all students. To achieve this goal, the School Board has authorized the development of a comprehensive District Code of Student Conduct. I strongly encourage you to read this Code of Student Conduct and share your thoughts and observations with your teens or children.~~

~~This District Code of Student Conduct was developed with input from school and district administrators, faculty and staff members, School Advisory Council members, community members, and students.~~

~~The District Code of Student Conduct will be reviewed annually for any additions or deletions that may be necessary for clarification or as required by new legislation. If you have any questions regarding the contents of the District Code of Student Conduct, please contact your school principal.~~

~~The information contained in this District Code of Student Conduct is being provided to all students and parents. Extra copies of this publication are available at school sites or on the District website at www.manateeschools.net. Thank you for taking the time to read and discuss this information. I appreciate your support of our schools and School District. Have a Great School Year!~~

Sincerely,

~~Cynthia Saunders~~,
Superintendent

SECTION I JURISDICTION OF THE SCHOOL BOARD

Introduction

The purpose of this document is to assist students, parents, and school personnel in establishing and maintaining a safe, nurturing and well-disciplined learning environment for all. To be fully effective, the Code of Student Conduct addresses not only the role of the parents, the students, and the school, but also specifies areas relative to the responsibilities and rights of students and parents; grounds for disciplinary action; and procedures to be followed for acts requiring disciplinary action.

In the event of a situation which significantly alters the standard process for delivering education, such as natural disasters, pandemics, etc., the School District of Manatee County reserves the right to amend policies and procedures to allow for the continued education, articulation, and graduation of students, as well as the safety and security of our school communities.

Students in the School District of Manatee County are subject to the Code of Student Conduct during the school day and regular school activities, while being transported on school buses or at public expense to and from school or other education facilities. Students are also subject at such time and places that include - but are not necessarily limited to - school sponsored events, field trips, athletic functions, and other activities where appropriate school personnel have jurisdiction over students. In addition, jurisdictional control over students may be extended as per Florida Statute Sections 1006.07, 1006.09, 1006.13, 1006.147, and 1003.31 whenever the conduct of a student is deemed to have a detrimental effect on the health, safety, and welfare of any member of the school community or the learning environment of the school.

IN LOCO PARENTIS

State and federal law recognizes that teachers and school administrators have a need to stand in the place of parents over children entrusted to them at school. This is a concept called *in loco parentis*. While this power is not equal to a parent's power over a child, it permits school personnel to exercise a degree of supervision and control over students that could not be exercised over free adults. This concept is responsible for the fact that school personnel can search without a warrant based on reasonable suspicion and are not held to the higher standard of "probable cause" by which law enforcement is bound. It is also responsible for the fact that school personnel can interrogate a student without providing him or her with Miranda warnings or allowing the student to call a parent or attorney.

Prohibition of Discrimination

No student shall, on the basis of race, color, national origin, sex, sexual orientation, gender identity, disability, marital status, age, religion, or any other basis prohibited by law, be excluded from participation in, be denied the benefits of, or be subjected to discrimination or harassment under any educational programs, activities, services, or in any policies or practices by the School District of Manatee County. Any student who believes he or she has been discriminated against or has been harassed by an employee, student, or other third party, who is subject to control of the School Board, is encouraged to use the appropriate grievance procedures set forth in policy.

TITLE IX

Title IX of the Education Amendments Act of 1972 is a federal law, enacted in 1972, which states: “No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance."

The United States Department of Education requires school districts to follow a specific Title IX Grievance Process while investigating allegations of sexual misconduct. The Office of Civil Rights of the United States Department of Education considers sexual misconduct (including sexual harassment, sexual violence, sexual assault and intimate partner violence) to be a form of sexual discrimination and requires the school districts to take immediate and effective steps to respond to sexual misconduct.

For a Title IX investigation to apply, the incident must have occurred in an education program or activity in which the District has substantial control over both the respondent and the context in which the incident occurred.

"Sexual harassment" means conduct on the basis of sex that satisfies one or more of the following:

1. Any School District of Manatee County employee conditioning the provision of an aid, benefit, or service of the recipient on an individual’s participation in unwelcome sexual conduct;

2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the recipient’s education program or activity; or

3. “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34

U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Responsibilities and Obligations

The School District of Manatee County takes its obligation to comply with Title IX very seriously. Inquiries concerning the application of Title IX and the Grievance Procedures may be referred to the District’s Title IX Coordinators:

SECTION II STUDENT & PARENT RIGHTS and RESPONSIBILITIES

STUDENT RIGHTS AND RESPONSIBILITIES

This section summarizes the basic principles of student rights and responsibilities. As a student, you have a right to an education, regardless of your race, color, creed, national origin, religion, gender, marital status, heritage, disability, or sexual orientation. Some of your basic rights include the right to:

- Learn
- Agree or Disagree
- Petition
- Freedom of expression
- Publish
- Assemble
- Privacy

Your exercise of these rights must conform to the District Code of Student Conduct. While you also have the right to a free and appropriate education, this right shall be applied at the school serving your residential attendance zone, except as authorized by the School Choice Program or otherwise provided by School Board Policy. **The Superintendent is authorized to assign or reassign a student to any program or school as deemed to be in the best interest of the student or School District, pursuant to** F.S. 1006.08**.**

If you are attending a charter school or a school out of your assigned area under the School Choice Program, you may be suspended, expelled or reassigned during the school year as provided in this Code. Your school choice may additionally be revoked for non-attendance, habitual tardiness, or disciplinary issues, upon the recommendation of the principal. The principal's recommendation is subject to review and approval by the District Administrative Appeals Committee.

First Amendment Freedom of Expression

In 1969, The United States Supreme Court ruled that public school students do not leave their constitutional right to freedom of expression at the schoolhouse gate. You have a right to freedom of expression; however, when you exercise that right, you must do so in a responsible manner that does not cause a disruption of the school or a school activity. A principal may impose reasonable time, place and manner restrictions on your exercise of First Amendment freedom of expression rights. If possible, before imposing reasonable time, place and manner restrictions, the principal will consult with the School District General Counsel and will notify the Superintendent (or designee) in such cases. If it is not possible to consult the School District General Counsel beforehand, the principal will do so as soon as possible.

Principal's Authority

The principal of each school is responsible for the administration of the school and the enforcement of the District Code of Student Conduct. The principal has the authority to direct students and staff and can impose any reasonable requirements that are not inconsistent with the District Code of Student Conduct or School Board Policy.

INVESTIGATIONS AT SCHOOL

Administrative

If you are suspected of violating the District Code of Student Conduct, school officials can question you without first contacting your parent. You do not have a right to have your parent present or a right to an attorney when you are questioned. If you refuse to answer questions asked by school officials, you may be disciplined.

Criminal

If you are a suspect in a criminal investigation that may result in your arrest or criminal charges, law enforcement will make a good faith effort to contact your parent before the law enforcement officers begin questioning you. If a parent cannot be located, law enforcement officers may proceed with questioning. If your parent is contacted, the law enforcement officers may allow your parent to be present during your questioning.

Victim or Witness

If you are a victim or a witness, law enforcement officers, Children and Family Services investigators, or administrative investigators are allowed to question you without first contacting your parent. If the investigation involves child abuse, the official conducting the investigation will decide who can be present during your interview. If you refuse to answer questions asked by school officials, you may be disciplined.

Removal of a Student Under Arrest

If you are subject to arrest, with or without a warrant, the officer can remove you without your parents' consent or the consent of school officials. The administrator will try to notify your parent before you are removed or as soon as possible after your removal.

Removal for Involuntary Examinations

The school principal or the principal's designee shall make a reasonable attempt to notify your parent or guardian, if you are removed from school, school transportation, or a school- sponsored activity and taken to a receiving facility for a Baker, Marchman, or other evaluation, pursuant to F.S. 394.463. The principal or the principal's designee may delay notification for no more than 24 hours after you are removed, if the principal or designee deems the delay to be in your best interest or if a report has been submitted to the central abuse hotline, pursuant to F.S. 39.201, based upon knowledge or suspicion of abuse, abandonment, or neglect.

Searches and Seizures

You, your locker, vehicle, purse, backpack and other personal possessions may be searched if there is a reasonable belief (suspicion) that any of them contain drugs, weapons, contraband or other items not permitted on campus. You are expected to cooperate fully with your school administration in all searches and investigations. The failure to fully cooperate may be grounds for your school administration to infer that you are in possession of contraband or illegal items and the matter will be referred to law enforcement as deemed necessary. Trained sniff-screening dogs are allowed in the schools to prevent drugs and weapons at school. Routine checks by the dogs are not considered a search; however, an alert by the dog gives reasonable suspicion for a search. Dogs may not check students themselves to determine probable cause for a search. The use of trained dogs is a safety precaution to provide you a safe school in which to learn.

GRADES

An academic grade should reflect the teacher's most objective assessment of your academic achievement. Academic grades should not be used as a means of maintaining order in a classroom, nor should your behavior be included in calculating academic grades.

1. Your Responsibilities

a. To become informed of the grading criteria.
b. To maintain standards of academic performance commensurate with your ability, and to make every effort to improve your performance upon receipt of notification of unsatisfactory progress.

2. Your Rights

a. To receive a teacher's grading criteria at the beginning of each year or semester course.
b. To receive a reasonable notification of failure or potential failure prior to the end of the grading period with sufficient time, when possible, to take corrective action.

3. Your Parents' Responsibilities

a. To meet with your teachers upon request and assist in helping take corrective action if you are experiencing academic difficulty.
b. To seek advice on before and after school programs that will assist you in succeeding in school.

OTHER STUDENT RESPONSIBILITIES

- To read and become familiar with the Code of Student Conduct;
- To attend school daily, prepare for class, and complete class and homework assignments to the best of your ability;
- To know and follow school rules and instructions given by the school administration, teachers, and other staff;
- To report to school staff any dangerous behavior or bullying that occurs at school, on the way to and from school, or in the school community;
- To bring to school only those materials that are allowed;
- To treat everyone in the school community with respect;
- To respect school property, community property, and the property of others.

ACADEMIC HONOR CODE

- I will take responsibility for my own work. I will not cheat, help others cheat, or allow anyone else to do my work for me.
- I will not plagiarize. I will use quotations and cite sources when I use someone else's words and ideas.
- I will not represent work generated by Artificial Intelligence (AI) as my own or submit such work in a way that is inconsistent with the expectations of my teachers.
- I will not forge the signature of others or knowingly falsify any records, information, or results.
- I will be honest about my work with teachers, peers, and parent(s)/guardian(s).
- I understand I will receive a zero on any assignment, as well as any other appropriate consequence for breaking the Honor Code.

PARENTAL RIGHTS AND RESPONSIBILITIES

The role of parents, guardians, and families is critical to the healthy growth and development of each of our students. Some of the basic parent rights include:

- To be actively involved in your child's education;
- To be treated fairly and respectfully by the school administration, teachers, and other staff;
- To access information about the Board's policies and procedures;
- To be notified promptly if your child is disciplined for inappropriate or disruptive behavior and informed of the consequences assigned;
- To appeal disciplinary actions taken;
- To receive pertinent, accurate, and timely information about your child's academic progress, in addition to ways you can help your child succeed in school.

School staff and parents must work together to maximize a student's success at school. We are committed to working with and supporting families and we request parents work with and support us. As a parent you are expected to:

Sign in at the Office

Sign in through the Raptor System when you go to any school and before you go anywhere else on the campus. (You must present your driver's license or official picture identification to be scanned for student safety issues.)

Be Involved

Get to know the people at your child's school by participating in teacher conferences and school-parent activities such as Parent-Teacher Association (PTA)/Parent-Teacher Organization (PTO) meetings and School Advisory Council (SAC) meetings. Be actively involved in the learning process at home and in school, such as volunteering, collaborating with teachers on your child's performance in school, and fostering learning at home by providing your child appropriate assistance and monitoring of homework. Participate in your child's elementary report card conferences, which are scheduled following the first and third quarters of the school year.
School Board Policy 2111 Parent/Family Involvement may be accessed on the district website, or you may request a copy at the district office at 215 Manatee Avenue West, in Bradenton.

Provide Information

Each year provide your child's school your current telephone number, home address, work telephone number and emergency contact number. Parents must immediately notify the school of any changes in contact information.

Support School Rules

Understand and support the rules in this District Code of Student Conduct and talk to your child about them.

Support Dress Code

Teach your child to follow the dress code as outlined in this document. Because school is a place to work and learn, dressing neatly and appropriately for school is very important.

Promote Punctuality

Make sure your child arrives at school on time every day. Parents should be aware that if they live within two (2) miles of their child's school, School District transportation will not be provided unless required as a related service for a student with a disability.

Ensure Your Child's Safety
Ensure your child arrives at school no more than thirty minutes before the start of the school day and leaves campus no more than thirty minutes after the school day or activity unless you have made special arrangements with a teacher, administrator or a before/after school care program. Supervision will not be provided beyond that time. Supervision for students attending school activities outside the regular school day such as clubs, dances, carnivals, practices and games will be provided 30 minutes before and after the activity. Be aware that school nursing services are not available at extracurricular activities or before or after the school day. It is the parents' responsibility to provide any medical needs for their children before or after the school day.

Comply with Safety Rules
Adhere to school developed, on-site traffic plans for vehicles when bringing students to school or picking them up after school. If your children are walkers or bicyclists, encourage them to follow safety rules and use pedestrian-safety features where available.

Notify School of Absences
Contact the school when your child is absent and explain the reason for the absence. It is recommended you call the day of the absence, but parents do have 48 hours to notify the school. In situations specified in the attendance section, written documentation will be required by the school.

Notify School When You Move
Notify the school principal in writing if you move from the last address you have provided the school. You must notify the principal within five days of your move. If you have not moved out of your school's attendance zone, your child may continue at that school and may be entitled to transportation. If you have moved out of your school's attendance zone, in many cases your child may remain in the current school through the rest of the school year, but district transportation will not be provided. If the school discovers you have moved and have not provided notification, your child could be assigned to an alternative school or considered to be "found out of that school's attendance area." This could mean an immediate change of school for your child, and your child could be deemed ineligible for athletics and other activities.

Support School Discipline
Work with school staff members to solve discipline or other problems. You should let the school know if something has happened at home that could affect how your child behaves in school.

Provide Correct Student Pickup Information
Be aware that only people whose names and contact information are listed on the Enrollment Form may pick up a student from school during the school day. The enrolling parent should complete the Health Information Card. Identification must be shown to the office staff when someone signs out a student from school.

Pay Damages
Be prepared to pay for any damage done to School Board property by your child. If payment is not made and the amount is substantial, the principal will refer the matter to the Superintendent.

Reimburse School
Pay for lost or damaged books or other teaching materials. Failure to pay may mean no other

books or materials will be given to your child, your child will not be able to participate in extra-curricular activities or your child will be required to pay the debt through community service at the school. The principal will make those decisions.

Per School Board policy, if you cannot afford to pay for instructional materials or a fee that your child has incurred at school, you may submit a letter to the Superintendent seeking a waiver. Please consult School Board policy for the information necessary to request such a waiver.

Know School's Delivery Policies
Contact the school before delivering items for your child. Allowing deliveries to students is at the discretion of each individual school.

Comply with Cell Phone Policy
If you need to reach your child in an emergency during the school day, contact the front office. Because cell phones and all other forms of electronic communication are to be turned off and put away out of sight once students are at school, parents should not text message or phone their children during the school day.

Know CHOICE Options
If you want your child to attend a different school, visit the Office of Student Assignment and follow the CHOICE Student Assignment Plan procedures or call them at (941) 708-4971.

Know Parental Rights
Be aware that when parents are divorced or separated, both parents have full rights to participate in the child's school activities and to know what is happening at school. The non-enrolling parent will not be allowed to remove the child from school without the permission of the enrolling parent. A non-enrolling parent has the right of access to student records and information unless a court order prohibits such access.

Curricula and Instructional Materials
In accordance with 1006.28(2)(a) and 1002.20(19)(b), F.S. and School Board Policy 2520, parents have the right to learn about their minor child's course of study, to include the source of any supplemental instructional materials. Parents may request a copy of instructional materials from their child's teacher or may purchase certain materials with a written request to the school's principal. For parents who are interested in learning more about the types and nature of extracurricular activities and club offerings, please visit your school's website.

Parents or Manatee County residents who object to the purchase of specific instructional materials on the basis of moral, sexual, religious, or other perceived harms may complete a form available on the district website. The form must be submitted to the Curriculum Department within 30 days of the district adoption of the specific materials. Parents who object to specific content based on sexuality may also withdraw their minor child from those portions of the school district's required comprehensive health education instruction, with a written request to the school principal.

Classroom Transfers
An enrolling parent has the right to request his or her child be transferred to another classroom teacher. **Parents must formally submit the request in writing** and the principal or designee

shall approve or deny the transfer within 2 weeks after receiving such a request. If a request for transfer is denied, the principal or designee must notify the parent and specify the reasons for the denial. This provision does not give parents the right to choose a specific classroom teacher.

Classroom and Bus Removals

Per F.S. 1003.04, the parent of each public K-12 student must cooperate with the authority of the student's district school board, Superintendent, principal, teachers, and school bus drivers, according to F.S. 1003.31 and F.S. 1003.32, to remove the student from the classroom and the school bus and, when appropriate and available, to place the student in an alternative educational setting, if the student is disobedient, disrespectful, violent, abusive, uncontrollable, or disruptive.

Healthcare Services

Per Florida's parental bill of rights, at the beginning of each school year, parents will be notified of all healthcare services offered at their child's school and provided with the opportunity to individually consent to or decline each service. Please visit your child's school website for further information.

SECTION III POSITIVE SCHOOL CLIMATES

IGNITING POSITIVE SCHOOL CLIMATES

A school's climate can be simply defined as the "quality and character of school life" (National School Climate Council, 2007). This simple definition is underpinned by an array of intentional activities that support integral structures, such as trusting student and adult relationships, teaching and learning, the physical environment, and the safety of all school community members.

At its core, a positive school climate includes:

- positive relationships among and between all stakeholders (students, parents, all school personnel and community partners);
- engaging, relevant academic and extracurricular activities for all students that meets their social, academic, and developmental needs;
- meaningful family and community engagement;
- training and resources to resolve conflicts peacefully and respectfully;
- support for students who are experiencing an emotional crisis, trauma, or serious challenges in their homes and communities;
- clean and well-maintained campuses that support a sense of school pride;
- orderly learning environments, allowing all stakeholders to feel physically and emotionally safe.

These tenets of a positive school climate are reflected in several initiatives that are starting throughout the School District of Manatee County under the umbrella of what we call Project Spark.

Project Spark combines prevention and early intervention through our Multi-Tiered Systems of Support (MTSS), and a focus on building environments for optimal engagement; cultivating skills that build resiliency; and supporting safe and welcoming learning communities. Through these efforts and other Tier One initiatives, Project Spark aims to build a more positive school experience and increase engagement for all students.

Multi-Tiered Systems of Support (MTSS)

MTSS refers to the instructional strategies, interventions, supports and resources that are used to help all students achieve academically and behaviorally. MTSS serves as the framework for organizing supports within a school and district so that the needs of the whole child are met. An effective system blends culturally responsive academic, and behavior supports to create effective environments that address a range of student needs.

A three-tiered instruction and intervention framework is used to organize resources and supports to ensure student learning and educational success. The level of supports provided at each tier will match the needs of each student. Tier One is universal instruction and supports that is intended for all students. Tier Two consists of targeted and supplemental supports, designed for the estimated 20% of students who require more than universal instruction and support. Tier Three is the most intensive level and is intended for the 5-10% of students who may need more individualized support, in addition to their Tier One and Two interventions.

MTSS is a proactive approach that has the following key elements:

- Leadership
- Building Capacity/Infrastructure for Implementation
- Communication and Collaboration
- Data-Based Problem Solving
- Three-Tiered Instructional/Intervention Model
- Data Evaluation

For more information on our MTSS, please visit the School District of Manatee County's website.

Building Environments for Optimal Engagement

Whether due to unclear expectations or learning goals, the impact of stress or trauma, or poor relationships with adults and peers, the optimal engagement of our students with their learning environment is challenged by numerous factors. To help address these barriers to student engagement, the SDMC actively promotes several initiatives.

CHAMPs is an evidence-based system of classroom management supported by over 30 years of research. Teachers use the CHAMPs model to clarify expectations for learning activities and transitions that occur throughout a class or school. The CHAMPS acronym stands for:

- **C**onversation: Can students talk to each other during this activity? At what level?
- **H**elp: How do students get the teacher's attention and their questions answered?
- **A**ctivity: What is the task/objective? What is the end product?
- **M**ovement: Can students move about during this activity?
- **P**articipation: How do students show they are fully participating? What does work behavior look/sound like?

All district schools have at least one trained CHAMPs coach who is tasked to work with teachers for

implementing CHAMPs in the classroom. CHAMPs coaches also work with school administrators to establish and solidify school-wide expectations.

To assist teachers and other school staff in better understanding developmentally appropriate teaching and learning, the SDMC has begun initial training using The Neurosequential Model in Education (NME). This training offers a way to educate school staff about brain development, developmental trauma, and how to apply that knowledge to support all students in and out of the classroom, especially those impacted by adverse childhood experiences.

The SDMC has also dedicated extensive time and resources in providing Youth Mental Health First Aid (YMHFA) training to most of our staff across all schools and support sites. YMHFA allows our staff to better understand and recognize the unique risk factors and warning signs of mental health problems in adolescents, including anxiety, depression, psychosis, eating disorders, substance use disorder, ADHD and other disruptive behavior disorders. YMHFA emphasizes the importance of early intervention, and teaches our staff how to help an adolescent who is in crisis or experiencing a mental health challenge.

Quality relationships are perhaps the key element in building a positive school climate and are also critical for optimal student engagement. Our schools offer a wide range of activities and interests for our students to form social bonds and explore their personal interests with like-minded peers. In the classroom setting, relationships between students and adults can be strengthened through the use of practices such as community-building circles. Circles can be used proactively to help build trust, positive feelings, and a sense of belonging within the classroom community. Circles can also be used to discuss classroom expectations, problem-solve common issues, mentally prime students for learning, and create a culture of communication and empathy. With a strong sense of community, circles can also be used to restore relationships that may have been harmed. The SDMC has invested training and resources to bring the concept of circles to our schools. It represents an easy and effective way to foster better relationships and build the foundation for a more positive school climate.

Cultivate Skills that Build Resiliency

To ensure positive mental health for all students, the SDMC ensures all students have the necessary skills and resources to see them through life's successes and challenges. The new FL Resiliency Standards, centered around Character, Personal Responsibility, Mentoring and Citizenship, Critical Thinking and Problem Solving provide the foundation for schools to support and strengthen the characteristics that build resiliency.

The new Florida Resiliency Standards will be implemented for the first time during the 2023-2024 school year. The standards will help us connect several existing universal curricular efforts to include substance use education, health education, character education, and mental health education.

Supporting Safe and Welcoming Learning Communities

Along with elements such as our MTSS, community-building circles, and our district code of conduct, the SDMC undertakes several initiatives to help ensure a safe and welcoming environment for all students.

Several of our district schools partner with the Sandy Hook Promise Foundation and operate a SAVE (Students Against Violence Everywhere) Promise Club. SAVE promise clubs are led by a faculty sponsor and empower student leaders to develop and organize activities designed to create safe and welcoming environments for all students. SAVE Promise Clubs are supported by district staff who seek to increase the number of schools that operate these student leadership clubs. If you are interested in joining or starting a club on your campus, please contact your school's administration.

When threats of harm are made against the school or any member of our school community, each district school has a specially trained threat management team to assist in mitigating the threat of potential harm. The members of the threat management team are charged with investigating any threat of harm and developing appropriate safety plans to help ensure the threat cannot be carried out and that supports are provided to the students involved. Each school's threat management team includes school administrators, discipline personnel, counselors, and other staff, as well as local law enforcement. The SDMC, local law enforcement, and local community mental health providers work together to ensure our policies and procedures are in compliance with all legal requirements and that our schools provide the highest level of safety for all members of their community.

If you become aware of an explicit or implied threat of harm to a school or any member of our school community, please report the concern immediately. In nearly all mass casualty acts of violence in our schools, the perpetrator(s) announce their plans in advance through a phenomenon known as "leakage". Whether on social media or through face-to-face communication, too often these warning signs of impending violence are dismissed or go unreported. The state of Florida has established a reporting system called FortifyFL, which can be downloaded as an app for mobile devices and computers. FortifyFL is designed for suspicious behavior and serious threats that have been made against our schools and school community members. In addition to FortifyFL, the SDMC operates an anonymous reporting system for all acts of bullying, harassment, or other dangerous or unwelcome behaviors that target our students. Each district school has a link on the front page of their website for reporting and there is also a link found on our district website. Together, these reporting systems are designed to help ensure that all concerning or suspicious behavior can be immediately reported and investigated.

SECTION IV **STUDENT ATTENDANCE**

Florida Compulsory School Law (F.S. 1003.21) states all children who are either six years of age (or who will be six years old by February 1 of any school year), but who have not attained the age of ~~16~~ 18 must attend school regularly during the entire school term. ~~Students between 16 and 18 are also within compulsory attendance age, unless a formal Declaration of Intent to Terminate School Enrollment has been completed and signed by the parent and an exit interview is conducted at the school.~~

a. You are expected to be on time and in school for the entire student day, each school day.

b. On the day of your absence, a parent or guardian should call the school to explain the absence. The absence will be excused if it meets the criteria outlined below. The parent or guardian must contact the school within 48 hours of the absence or appropriate documentation is required within 5 days. If this contact is not made, the absence will be recorded as unexcused.

c. If you are continually sick and repeatedly absent from school, you must be under the supervision of a physician in order to be excused from attendance. Excessive absences will lead to a parent conference, referral to the District's Child Study Team, referral for social work services, referral to Truancy Court, and the involvement of the State Attorney. Parents who fail or refuse to cooperate with the school in the matter of regular school attendance for their child may be prosecuted for truancy by the State Attorney's Office.

FREQUENTLY ASKED QUESTIONS:

Q: What is an excused absence?

A: An absence can be excused for the following reasons:

a. You are ill or injured.
b. Major illness in your immediate family (this means parents, brothers, sisters, Grandparents, or others living in the home or who are close relatives).
c. Death in your immediate family
d. Religious instruction in your faith - requires note from your parent before the absence.
e. Subpoena or forced absence by any law enforcement agency. A copy of the subpoena or summons must be given to the principal or designee. This includes detention at a juvenile center in which you continue your education.
f. A major disaster as decided by the administration.
g. Any absences, including those for field trips, participation in another academic class or program, or other parental requests as judged appropriate by the principal, provided the request is submitted to the principal forty-eight (48) hours in advance of the absence. A principal may waive the requirement for advance notice if extenuating circumstances exist.
h. A documented appointment with a doctor, dentist, or other medical or legal professional.
i. An occurrence of head lice, with a maximum of two excused days.

Q: How many excused absences can I have?

A: You are allowed nine excused absences. Your parent may excuse nine absences per year. When you have reached your limit, official documentation is then required for every additional absence.

Q: What if I have used all of my excused absences and a family emergency occurs?

A: You must provide appropriate documentation to the school principal or designee for approval. These will be recorded as excused absences.

Q: How can I make up work when I am absent?

A: After an excused absence, you must arrange with your teacher for any make-up work. You have the same number of days you were absent to make up your work. This rule does not apply to some long-term assignments. (A long-term assignment is when a student has 10 or more days to complete the work.) These long-term assignments will be due on the specified date unless excused in writing by the teacher or principal. It is your responsibility to make these arrangements and to submit the make-up work within the deadlines set by the teacher(s). You do not have the right to make up work if your absence was unexcused.

Q. I am going to be absent for semester exams. May I take my exams early?

A: Semester exams may not be given early. You may take your semester exams upon your return to school.

Q: What is an unexcused absence?

A: Anything that does not meet the criteria of an excused absence is considered unexcused. (Please refer to Excused Absences Section.)

Q: How many unexcused absences can I have?

A. In Manatee County, state law requires the regular attendance of children between the ages of 6 and 18 and makes parents and legal guardians legally responsible for seeing that their children attend school. Family vacations during scheduled school time are considered unexcused absences. If you have accumulated a total of 5 unexcused absences in one month or 10 unexcused/unexplained absences in a 90-day period, your child's school will send a letter to the address listed on school records, in an attempt to ensure parent(s)/guardian(s) are aware of any developing attendance issues. Fifteen unexcused absences in a 90-day period may result in a referral for truancy court action. The District Truancy Department will send a 3-Day Demand Notice by U.S. Mail to the address listed on school records in the event of excessive consecutive unexcused/unexplained absences.

Q: What happens if I am late for school?

A: If you arrive at school late for any reason, you must report to the office and receive a tardy admit slip. The tardy will be deemed as excused or unexcused. You are expected to be in school at the start of the school day, every day.

Q: What is an excused tardy?

A: An excused tardy is when you are late for school due to sickness, injury, death in your family, medical or dental appointments with a note from the physician, school sponsored activities, court date, or other reason approved by the school principal. For elementary students, parents must accompany the student to the office when they are tardy.

Q: What is an unexcused tardy?

A: An unexcused tardy is when you are late to school due to, but not limited to, oversleeping, missing the school bus, shopping trips, pleasure trips, or excessive tardiness due to illness without a physician's verification that the medical condition justifies your tardiness. If an elementary student arrives late and comes into the office unaccompanied by an adult, he or she will receive an unexcused tardy.

Q: May I leave school early in the school day?

A: You are expected to be in school for the full day. However, if you must leave school early, you must go to the office and receive permission for early release. Parents of elementary and middle school students must report to the office to pick up their child. High school students aged 16 or older may sign themselves out early with parent permission, following the school sign-out procedures. You cannot leave your school campus for lunch or other unexcused personal reasons at any point during the school day.

Q: What are excused reasons for leaving school early?

A: Excused reasons for early dismissal follow the same guidelines as excused absences. They include: illness or injury, major illness or death in your immediate family, subpoena

or forced absence by a law enforcement agency, a major disaster, a documented appointment with a doctor or dentist, discovery of head lice, participation in another academic class or program, or other parental requests as judged appropriate by the principal.

Q: What happens if I leave school early for unexcused reasons?

A: Numerous early dismissals are unacceptable and unfair to the other students whose instruction is interrupted each time a student leaves early. Individual schools may develop school-based consequences for unexcused early dismissal students.

Q: How does my school attendance affect my privilege to drive?

A: You will lose your driver's license, or privilege of applying for any driver's license, if you are not enrolled in or do not attend school regularly.

NOTE: Students who are withdrawn as dropouts or who have accumulated 15 unexcused absences in 90 calendar days will lose the privilege to apply for or hold a Florida Driver's License. Students who have lost the privilege must subsequently accumulate 30 consecutive SCHOOL days with no unexcused absences in order to receive a Reinstatement of Driving Privilege form. If you need further information regarding this issue, please contact the District Truancy Office at 751-6550, extension 43091.

Q. Does my attendance affect my participation in athletics or extracurricular activities?

A. If you are not present for more than half of the school day on the day of an event, due to any undocumented absence, you may not participate in the athletic or extracurricular event. If you are suspended from school, you may not participate in any school-related function.

SECTION V STUDENT DISCIPLINE

The School District of Manatee County recognizes that a safe, orderly, and supportive learning environment is the result of caring relationships and quality instruction. It is the responsibility of the district to help foster such environments by implementing clear, appropriate, fair, and consistent expectations and consequences for all schools and classroom teachers to construct and carry out their behavior support plans. For these plans to be optimally effective, schools and classrooms must in turn, have the latitude to work within established guidelines to create positive behavioral intervention systems which support the unique needs of their students, families, and communities. Our philosophy of discipline in the School District of Manatee County is rooted in the development of positive relationships with our students and families. We believe that students should have a chance to learn from their mistakes and the opportunity to restore any damaged relationships with peers and adults. Our discipline practices encompass preventative and early intervention measures that seek to strengthen relationships and build positive communities, so that misbehavior is less likely to occur or continue.

MISCONDUCT THAT REQUIRES SPECIFIC CONSEQUENCES

Acts that require specific consequences include the following:

- Possession or Use of Illegal Drugs or Alcoholic Beverages
- Possession or Use of Tobacco Products
- Bullying or Harassment
- Dating Violence and Abuse
- Threats Against Schools
- Chemical or Biological Attacks or Threats
- Possession of Guns, Weapons, or Dangerous Objects
- Gang Activity
- Violent Acts Resulting in Serious Injury
- Making False Accusations or Reports

Drugs and Alcoholic Beverages

Use of a drug authorized by a medical prescription from a registered physician for a specific student shall not be considered a violation of this rule. However, all procedures found in the School District of Manatee County's medication policy must be followed.

You shall not knowingly possess, use, transmit or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any other controlled or synthetic substance defined in F.S. 893.03, or substitute for such, hemp, Cannabidiol (CBD), alcoholic beverage (including powdered alcohol), inhalant or intoxicant, or over the counter drugs of any kind. This applies to you on the school grounds before, during, or after school hours, or off the school grounds on a school bus, bus stop, at a school activity, function, or event. Also, you shall not possess, have under your control, sell or deliver any device, or contrivance, instrument or paraphernalia containing the substance or substances described in this paragraph, or any residue of such substance, or devices intended for use or used in injecting, inhaling/huffing, smoking, administering, or using any of the foregoing prescribed drugs, narcotics or stimulants.

Possession, Use, Under the Influence

For substances that are not considered over-the-counter, the first offense for possession, use, or under the influence will result in up to a ten (10) day suspension. The principal or designee may offer to reduce your suspension to 5 days providing you and a parent or guardian attend and complete the district's SAFE (Substance Abuse and Family Education) Program. For a second offense of possession, use, or under the influence, you will be automatically suspended for up to 10 days and a recommendation for expulsion or reassignment to an alternative placement may be made to the Superintendent or designee.

Selling, Purchasing, Providing, Distributing, & Receiving

If you buy, sell, trade, provide, negotiate, receive, or engage in any drug or alcohol-related transaction at school, at a school activity, at a school bus stop or on a school bus - even if the sale or purchase does not actually take place - you will be suspended for up to 10 days and a recommendation for expulsion or reassignment to an alternative placement will be made to the Superintendent or designee. Providing or receiving Over The Counter drugs to other students may be considered a Level 2 infraction for endangerment, while providing others with medication prescribed to you (or others) may be considered a Level 4 offense that is subject to a suspension of up to 10 days.

Fake Drugs

If you are caught possessing or distributing a substance that is represented to be an illegal drug you may be suspended for up to 10 days or recommended for a disciplinary reassignment to another school or program.

Possession or Use of Tobacco

Possession or use of tobacco by minors is illegal. If you are caught smoking or in possession of tobacco, the School Resource Officer or other law enforcement officer may give you a written citation. In addition to possible fines, if you are caught using or possessing any form of tobacco, including electronic cigarettes at school, at any school-sponsored activity, at a school bus stop or on the school bus, you will receive a disciplinary consequence. Tobacco or nicotine products include cigars, cigarettes, dip, snuff, dissolvable tobacco products (e.g. gum, mints, or dissolvable strips) and electronic smoking devices. **Additionally, any electronic smoking device is subject to field-testing for illicit substances and may be permanently confiscated.**

Bullying and Harassment

Conduct that constitutes bullying or harassment, as defined below, is prohibited.

Bullying is the mistreatment of an individual or group characterized by a willful intent to cause harm and a perceived advantage in power. These acts can be socially, emotionally, or physically damaging in nature, to include, but not limited to: teasing, name calling, rumor spreading, exclusion, intimidation, threats, damaging personal property, stealing, public or private humiliation, stalking, pushing, shoving, or other physical attacks, and sexual, religious, or racial/ethnic harassment. Harassment involves any threatening, insulting, or dehumanizing act or gesture, which places an individual in reasonable fear of harm to his or her person or damage to his or her property; has the effect of substantially interfering with an individual's educational performance, opportunities, or benefits; or has the effect of substantially disrupting the orderly operation of a school or activity.

Both bullying and harassment are prohibited at school, during school-related activities (whether on or off campus), on the school bus, at school bus stops, and through the use of computers or other electronic devices, which is known as cyberbullying. Cyberbullying and harassment are also prohibited through off-campus Internet posting, phone calls, or text messaging - if such behavior disrupts the orderly environment of any district school or activity or interferes with the educational opportunities of others.

If you engage in bullying or harassment, the consequences and appropriate remedial action may range from positive behavioral interventions up to and including suspension, reassignment to an alternative program, and expulsion. More severe or persistent infractions will result in more intensive interventions and administrative actions. Additionally, the appropriate school administrator or designee will report to the victim's parents any incident of bullying or harassment once an investigation of an incident has been initiated. Bullying should be reported to the appropriate school administrator or through the School District of Manatee County's anonymous reporting system.

Hazing

Hazing is defined by F.S. 1006.135 as any action or situation that endangers the mental or physical health or safety of a student at a school with any of grades 6 through 12 for purposes of initiation or admission into or affiliation with any school-sanctioned organization. Hazing

includes, but is not limited to:

(a) pressuring, coercing, or forcing a student to:
1. Violate state or federal law
2. Consume any food, liquor, drug, or other substance; or
3. Participate in physical activity that could adversely affect the health or safety of the student.

(b) any brutality of a physical nature, such as whipping, beating, branding, or exposure to the elements.

Dating Violence or Abuse

Conduct that constitutes dating violence and abuse as defined below is prohibited. Dating violence is a pattern of verbal, physical, emotional, or sexual violence or abuse used by one person in a current or past relationship to exert power and control over the other person. Abuse

may include insults, coercion, social sabotage, sexual harassment, threats or acts of physical or sexual abuse. The abusive partner uses this pattern of violent or coercive behavior to gain power and maintain control over the other person.

School employees are required to report to the principal or designee suspected cases of dating violence or abuse. Students should report suspected cases of dating violence or abuse to the principal or designee and may do so anonymously. Student victims should report any incidents of dating violence or abuse to the principal or designee as soon after it occurs as possible.

The principal or designee will immediately conduct an investigation of the allegation and proceed under paragraph L. PROCEDURES FOR SUSPENSION AND EXPULSION. If the principal or designee determines a student is guilty of dating violence or abuse, the student will be suspended from school for up to 10 days and may, where appropriate, be recommended for assignment to another school or program as an accommodation for the victim. Suspected criminal conduct will be reported to law enforcement.

The District Health Education Curriculum for grades 7-12 will include a component on teen dating violence and abuse, with emphasis on prevention education.

Threats Against Schools and Persons

If you are involved in making a destructive device, fake destructive device, or planning the use of such a device, either at school, or at a school activity, or while you are at school or at a school activity, you will be suspended for up to 10 days, recommended for expulsion, and reported to law enforcement for prosecution. The same actions will be taken if you make a threat by any means against the school, school property, school personnel, or students, regardless of any disruption on campus or any school-related function. This includes direct, veiled, or implied threats communicated verbally, in writing, or through social media platforms. If you make any such threat, you will be referred to your school's threat management team. This team is charged with helping to ensure the safety of all persons in your school and will take steps that may include interviews with friends, teachers, staff, parents, or employers regarding any concerns they may have. The threat management team is also responsible for making referrals for mental health services and to law enforcement for continued investigation, if you pose a concern or threat to the school or any member of the school community. You are subject to school-based consequences for any threats communicated online or through the use of technology, regardless of the time,

day, or location where the threat was made.

Reporting Threats or Suspicious Activity

Students, parents, staff, or any individual may report threats, or any concerning behaviors exhibited by a member of our school community. All persons are strongly encouraged to be vigilant of potential signals, warning signs, and threats and to not hesitate in reporting their concerns immediately. This is particularly true of online or social media posts. FortifyFL is an app specifically designed by the State of Florida to assist in reporting suspicious or concerning behavior, which may be downloaded to your mobile device for immediate reporting.

NOTE: If you make a threat or false report - to include a bomb threat, bomb threat hoax, or a knowingly false report - concerning the use of a destructive device or firearm in a violent manner, as defined by F.S. 790.162 and 790.163, involving a school or school personnel's property, school transportation, or a school-sponsored activity, you may be expelled (with or without continuing education services) from your regular school for a period of not less than one full year, as well as referred for criminal prosecution and mental health services identified by the school district, pursuant to F.S. 1012.584(4) for evaluation or treatment, when appropriate (1006.07 (2) (l) F.S.). The Superintendent may consider the expulsion requirement on a case-by-case basis and request the School Board to modify the requirement by assigning you to a disciplinary program, if it is determined to be in the best interest of you and the school system. Commission of either of these offenses is a second-degree felony, punishable by up to 15 years imprisonment and a $10,000 fine. The School Board must maintain a policy for all threats to commit violence or harm. Even threats made in jest or in exaggeration must be treated as serious and may subject you to suspension, reassignment, or expulsion. This includes simulating realistic gunfire, explosions, or acts of violence using apps or other technology. If you make a threat of violence, the school administration will assess the situation and where appropriate, take administrative action.

Violent and Aggressive Acts

If you violently attack a School Board employee or any other person or act as a decoy in a violent attack at school, a school function, on the bus or at a bus stop, you will be suspended from school for up to 10 days and may face a recommendation for expulsion or reassignment to an alternative program. If you are charged with violently attacking another person somewhere else other than school, you may be removed from the general education program and administratively assigned to another program if your principal believes your presence on campus may be disruptive or pose a concern for the safety of students or staff.

If you commit two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression) in the same school year and while under the jurisdictional control of the school, you may be placed on a district-level Behavior Assessment and Modification (BAM) contract. A third such offense in the same school year may result in your recommendation for reassignment to an alternative program.

Possession of Firearms and Weapons

According to Florida Statute 790.115(2)(a) students will not possess any firearm, destructive device, or other weapon as defined in F.S. 790.001(13) and/or listed under Category A (below). Federal and state laws require you be expelled from school, with or without continuing educational services, for a period of not less than one full year, referred to mental health services identified by the school district, pursuant to F.S. 1012.584(4), and referred for criminal prosecution if you bring a firearm or a weapon to school, to any school function, or onto any school sponsored transportation, or if you possess a firearm or weapon at school. Expulsion is required, even if you brought the firearm or weapon for self-defense. The School Board may assign you to a disciplinary program for the purpose of continuing educational services during the period of expulsion. The Superintendent may consider the expulsion requirement on a case- by-case basis and request the School Board to modify the requirement by assigning you to a disciplinary program or other appropriate consequence, if it is determined to be in the best interest of you and the school system.

NOTE: Per F.S. 790.115, the School District of Manatee County strictly prohibits any firearms from being stored in student vehicles parked on any school grounds or at any school-sponsored event. Your principal may give you written permission to possess a gun or weapon while on campus or at a school function when the gun or weapon is part of the curriculum of the school. An example of this is when a gun or rifle may be part of JROTC drill and firing ranges. If you bring weapon-like contraband to school, to any school function, or onto any school sponsored transportation, or if you use any non-weapon as a weapon to threaten or injure others, you may be suspended for up to 10 days and possibly recommended for alternative placement, expulsion, and referred for criminal prosecution.

WEAPONS AND FIREARMS
Category A
Mandatory Alternative Placement or Expulsion
F.S. 1006.13 and F.S. 790.001(6)(13)

a. Any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive;
b. The frame or receiver of any such weapon described above;
c. Any firearm muffler or firearm silencer;
d. Any machine gun;
e. Any destructive device as defined by F.S. 790.001(4) including but not limited to bomb, grenade, mine, rocket, missile, pipe bomb, or similar device containing an explosive, incendiary, or poison gas;
f. Any type of weapon which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive and which has a barrel with a bore of ½ inch or more in diameter;
g. Knife or dirk (excluding common pocket knife, plastic knife and blunt bladed table knife);
h. Metallic or other knuckles;
i. Slungshot - a striking weapon consisting of weight or other hard object affixed on a flexible handle or strap;
j. Billy club;
k. Flare gun;
l. Tear gas gun, except a self-defense chemical spray carried solely for the purpose of self-defense in a compact size and containing not more than 2 ounces of chemical.
m. Chemical weapon or device or any other deadly weapon.
n. Electric weapon or device.

WEAPON-LIKE CONTRABAND
Category B
Suspension or Alternative Placement or Expulsion
F.S. 1006.13 and F.S. 790.001(6)(13)

- **a.** Slingshot;
- **b.** Fireworks;
- **c.** Razorblade/razor;
- **d.** Any knife or bladed instrument not covered in Category A;
- **e.** Non-weapons used as weapons: A student using as a weapon any article or substance not normally considered to be a weapon (including but not limited to rocks, pens, pencils, lasers, chains, lumber, screwdriver, etc.) or facsimile (toy or otherwise) but which is used by a student as a weapon to intimidate, threaten, coerce or injure another individual shall be suspended and may be recommended for expulsion.
- **f.** Any replica or facsimile of any item listed in Categories A or B, including toys, souvenirs, antiques, broken, or inoperable weapons, including but not limited to bb guns, pellet guns, paint guns, squirt guns, regardless of how they are used or displayed.
- **g.** Ammunition and any component thereof, including but not limited to bullets, shotgun shells, bullet casings, magazines, or clips.

In addition to the administrative actions listed in the Code of Student Conduct, possession of weapon-like contraband by any student while the student is on school property or in attendance at a school function may also result in criminal prosecution (F.S. 790.115).

Gang Activity

No student shall commit any act which promotes gangs or gang-related activities. A criminal street gang is a formal or informal organization or group that has as one of its primary activities the commission of criminal or delinquent acts and consists of three or more persons who have a common name or common identifying signs or symbols and have one or more members who engage in a pattern of criminal street gang activity. Conduct prohibited by this policy includes but is not limited to the following:

a. Wearing, possessing, using, distributing, displaying, or selling any clothing, jewelry, emblems, badges, symbols, signs or other items which may be evidence of membership or affiliation in any gang.
b. Communicating either verbally or non-verbally (gestures, handshakes, slogans, drawings, etc.) to convey membership or affiliation in a gang.
c. Soliciting others for gang membership.
d. Tagging, or otherwise defacing school or personal property with gang or gang-related symbols or slogans.
e. Requiring payment of protection, insurance, or otherwise intimidating or threatening any person related to gang activity.
f. Inciting other students to intimidate or to act with physical violence upon any other person related to gang activity.
g. If you commit any gang-related activity while at school, a school activity, school bus stop, or on a school bus, you will be suspended from school for up to 10 days. If you commit a second gang- related activity while under the jurisdiction of the school district that can be documented by law enforcement, you may be assigned to an alternative program or face expulsion.

"Sexting"

If while under the jurisdiction of the school district you post, send or forward to anyone else a nude or sexually revealing images of a person through the Internet or text message, or if you show such images to other people, you may be suspended from school and possibly be recommended for reassignment or expulsion. You may also be subject to arrest for violation of child pornography laws if the student in the photo is a minor. If you are found to have sent any such images or messages to other members of the school community regardless of time or location, you still may be subject to school-based consequences under Florida cyberbullying and harassment laws (F.S. 1006.147).

Making False Accusations

If you intentionally make false accusations that jeopardize the professional reputation, employment or professional certification of a teacher or other member of the school staff, you will be suspended for up to 10 days and may be recommended for assignment to an alternative school or for expulsion.

MISCONDUCT THAT MAY RESULT IN DISCIPLINE

You are expected to behave during the time you are at school, at school activities, at the school bus stop and on the school bus. You may be disciplined if you do anything during those times or attempt to do anything that violates a school rule or that may:

- Hurt, harass or threaten others,
- Damage property,
- Disrupt class, school or a school activity,
- Be dishonest or
- Violate a criminal law or state statute.

You may be subject to disciplinary action even if your conduct occurs off campus but is connected to activities or incidents that occurred on campus or at a school activity, or conduct that, regardless of where it occurs, is directed at a Board official or employee, or the property of such official or employee.

Discipline Matrix for Schools

The discipline matrix is a tool that helps ensure a consistent and progressive response to discipline across all SDMC schools. ~~In the 2018-2019 school year, the SDMC introduced a discipline matrix for both middle and high schools. Beginning with the 2021-2022 school year, the district adopted separate matrices for grades PK-2 and grades 3-5 at the elementary level.~~

The below incident codes and corresponding types of offenses represent the different types of infractions found in our FOCUS student information system. These larger infraction headings encompass the full range of student misconduct and include more specific behaviors (such as cutting in the lunch line or using profanity). **Each offense may be met with a range of appropriate consequences that escalate with each successive infraction of that offense. The matrix does not necessarily call for every intervention or consequence listed, but rather reflects a range of appropriate possibilities, considering any mitigating factors. All Office Discipline Referrals are also met with a phone call home to your parent(s), in addition to any consequences outlined in the matrix.**

Once the type of offense is located on the left-hand side of the matrix, simply follow that row to the right to see which consequences and interventions are considered appropriate for the number of times that specific offense has been repeated. You may use the key below for proper identification of the specific types of administrative action found on the matrix. The term SESIR is found

throughout the discipline matrix and is an acronym for School Environmental Safety Incident Reporting. These discipline incidents are defined by the state and reported to the Florida Department of Education on a monthly basis.

DISCIPLINE FOR STUDENTS WITH DISABILITIES (SECTION 504 AND IDEA)

If you are an IDEA or Section 504 eligible student and have an Individualized Education Plan (IEP) or Section 504 Plan, you are expected to comply with the District Code of Student Conduct

and school rules just like any other student. If you violate the District Code of Student Conduct or school rules, you are subject to discipline just like any other student. There are, however, some special rules dealing with suspensions, assignments to alternative programs, and expulsions.

Q. How are In-School Suspensions handled?

A. If a student with a disability receives an in-school suspension, the student's IEP or Section 504 Plan will continue to be in force. An in-school suspension is not considered an out-of-school suspension if the IEP or Section 504 Plan is followed.

Q. Can a student with a disability receive an out-of-school suspension?

A. Yes. A student with a disability may be suspended from school just like any other student and will not receive any educational services during the suspension.

Q. Can a principal use other forms of discipline with a student who has a disability?

A. Yes. A principal or designee may use any other form of in-school discipline when dealing with a student with a disability who has violated the District Code of Student Conduct or a school rule, provided that non-disabled students are disciplined the same way. Such discipline actions may include detentions, in-school suspension, extra school, Saturday school, or exclusion from extracurricular activities or field trips.

Q. What happens when a student with a disability reaches ten days of Out-of-School Suspension?

A. School personnel familiar with the student and the student's IEP or Section 504 Plan will meet with the parents as a team. For both IDEA and Section 504 eligible students, this team will determine if the student's disability is causing the misconduct (Manifestation Determination) and whether changes to the IEP or Section 504 Plan are necessary. For the IDEA eligible student, this team will also ensure a current Functional Behavioral Assessment (FBA) and a Behavior Intervention Plan (BIP) are in place, or recommend changes to either document.

Q. Can a student with a disability be reassigned to another school?

A. Yes. A student with a disability may be reassigned to another school, provided certain conditions are met. Students with disabilities may be reassigned to an alternative program for persistent disruptive behavior, only if that behavior is determined to not be substantially related to or caused by their disability and a current FBA and BIP are in place. Students may be also reassigned to an alternative program for behavior which represents a concern for the safety of other students or staff or the orderly operation of a school. If committed on campus, these acts must also not be substantially related to or caused by the student's disability.

Q. If a student with a disability has a weapon, illegal drugs or causes serious bodily injury to someone, what disciplinary actions may be taken?

A. When a student with a disability commits one of these infractions at school or at a school-related function, that student may be subject to the same administrative action and for the same length of time as a non-disabled peer - provided the behavior is determined to <u>not</u> be a manifestation of their disability. Even if the behavior is determined to be a manifestation of the student's behavior, he or she may be removed to an interim alternative educational setting for not more than forty-five (45) school days. Such

placement does not require parent consent.

Q. Who determines the interim alternative educational setting (IAES)?

A. The IAES will be determined by the IEP or Section 504 Plan team.

Q. May a student with a disability be expelled?

A. Yes, but only if services are provided by the district.

Q. May a student with a disability be suspended from the bus?

A. Yes. Students with disabilities may be suspended from the bus just as any other student. Responsibility for transporting the student to school would then fall to the parent. However, any days missed during the bus suspension will be counted as an Out-of-School Suspension, unless the parent excuses or documents the absence.

Q. If transportation is a related service identified on the IEP or Section 504 Plan, may a student with a disability be suspended from the bus?

A. Yes. If transportation is a related service identified on the student's IEP or Section 504 Plan, and suspension or expulsion from the bus is recommended, then the bus suspension will be counted as an Out-of-School Suspension if the student is not in attendance.

Q. May a parent or guardian record an IEP meeting?

A. Yes. A parent, authorized representative of a parent, or IEP team member is permitted to record the meeting. He or she must use his or her own recording device and the District will obtain its own recording of the meeting. The District is under no obligation to provide the parent with a transcription of the recording the District obtains on its own equipment. If the District audio records an IEP Team meeting, the resulting recording shall become a part of the student's educational record and will be maintained in accordance with State and Federal law.

ENGLISH LANGUAGE LEARNERS

English Language Learners (ELLs) are not to be subjected to disciplinary action exclusively because of their use of a language other than English. However, all School District of Manatee County students, regardless of their ability to speak English, are governed by the Code of Student Conduct.

CONDUCT ON SCHOOL BUSES

The School Board believes you and your fellow students, as well as the bus driver, should be able to ride safely on school buses. In addition to any bus-specific consequences, you may be disciplined for any action on the bus in the same manner as if the conduct had happened at school. You are also subject to disciplinary action while at the bus stop, if your behavior has a harmful effect on the health, safety, or welfare of any member of the school community. You should assume that you are being recorded any time you are riding a school bus.

Parent Responsibility

Your parents are responsible for your behavior at the bus stop prior to the arrival of the bus in the morning and after the departure of the bus at the end of the day. However, if you are at the bus stop and violate school rules, the school can still discipline you for your behavior if it has a harmful effect on the health, safety, or welfare of any member of the school community. Students are to be on time and stand off the roadway.

Damage to Bus
If you cause any damage to the bus or another vehicle, your parent will be required to pay for the damage.

Waiting for the Bus
Wait for the bus to come to a complete stop before you approach the bus. To cross in front of the bus, wait for the driver to signal you.

Items Not Allowed on a Bus

a. Any item prohibited elsewhere in the District Code of Student Conduct
b. Glass containers of any kind
c. Balls
d. Bats
e. Cologne/perfume
f. Cutting instruments of any kind
g. Any large or bulky item that interferes with proper seating of students (examples: large musical instruments or athletic equipment)
h. Any animal
i. Batons, drumsticks, tennis rackets (unless in proper carrying case)
j. Aerosol sprays may be possessed but use on buses or enclosed areas is expressly prohibited

Rules While on the Bus
The bus driver is in charge and you must obey the driver at all times. You must tell the bus driver your correct name when asked. The bus driver and school will keep a seating chart. You must be on time; the bus cannot wait for you if you are tardy. YOU MAY NOT RIDE ANY BUS OTHER THAN YOUR ASSIGNED BUS. You can be disciplined if you do not follow all district and school rules and the following special rules: a. Sit in your assigned seat and use the seat belt if available.
b. Stay seated at all times while the bus is in motion. c. Do not place any part of your body outside the bus windows. d. Do not distract the driver with loud conversation or noises. e. Observe appropriate classroom conduct. f. Do not eat or drink on the bus. g. Maintain absolute silence at railroad crossings. h. Do not throw any items on the bus or out of the bus windows. i. Do not mark, cut or damage bus seats or the bus itself. j. Do not display signs from the bus. k. Do not use obscene language or gestures. l. Cell phones are to be turned off.

Discipline If You Do Not Follow the Bus Rules

a. If you commit minor infractions, the school bus driver has the authority to address your behavior. If you cause repeated problems on the bus, the bus driver will give the school a written discipline referral for what you did. School administrators can take any action contained in this Code against you for misbehaving at a bus stop or on a bus.
b. Discipline on school buses will be dealt with according to the following protocols; however, severe infractions (for example, fighting, setting a fire on the bus) may result in immediate suspension or recommendation for expulsion based on the recommendation of the principal or designee.

Elementary Bus Discipline Protocol

1st Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for one week and closely monitored.

2nd Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for two weeks and closely monitored.

3rd Offense: Referral submitted, with recommended bus suspension up to 1 day. Upon return to bus, student assigned to front of the bus for one week and closely monitored.

4th Offense: Referral submitted, with recommended bus suspension up to 3 days. Upon return to bus, student assigned to front of the bus for two weeks and closely monitored.

5th Offense: Referral submitted, with recommended bus suspension up to 5 days. Conference with parent, student, school administrator and Transportation Staff. Upon return to bus, student assigned to front of the bus for two weeks and closely monitored.

6th Offense: Referral submitted, with recommended bus suspension up to 10 days. Letter from school to parent stating next referral may result in recommendation for removal from the bus for the remainder of the year.

Secondary Bus Discipline Protocol

1st Offense: Operator - student conference and parent contacted by Courtesy Notice prepared by Operator. Student re-assigned to the front of the bus for one week and closely monitored.

2nd Offense: Referral submitted, with recommended bus suspension up to 1 day. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

3rd Offense: Referral submitted, with recommended bus suspension up to 3 days. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

4th Offense: Referral submitted, with recommended bus suspension up to 5 days. Conference with parent, student, school administrator and Transportation Staff. Upon return to bus, student re-assigned to front of the bus for two weeks and closely monitored.

5th Offense: Referral submitted, with recommended bus suspension up to 10 days. Letter from school to parent stating next referral may result in removal from the bus for the remainder of the year.

c. Suspension from the school bus may be imposed only by the principal or designee by following the procedures for suspension from school. Bus suspensions may not be extended beyond the number of days originally prescribed by the principal or designee.
d. You can be removed from the school bus by the Superintendent or his designee for up to one calendar year for misconduct or a violation of the bus rules on a school bus or at a bus stop, based upon the recommendation of the principal and after the principal has suspended you from riding the bus for 10 days for an incident. Before the Superintendent or designee removes you from the bus, you and your parents will be informed in writing of the Principal's recommendation and the basis for that recommendation. The Superintendent or designee will inform you and your parents in writing of any removal from the bus.
e. Even if you transfer to a new school, you will be held responsible for any previous incidents of bus misconduct from your previous school.

SCHOOL DRESS CODE

The dress and grooming of District students shall be neat and clean, promoting a safe and positive educational environment. Apparel that disrupts educational activities and processes of the school may result in the removal of the student from the regular learning environment until acceptable apparel can be secured for the student. Failure to comply with the dress code may result in disciplinary consequences outlined in state statute and the district discipline matrix.

Pursuant to F.S. 1006.07, wearing clothing that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

a. For a first offense, a student shall be given a verbal warning and the school principal (or designee) shall call the student's parent or guardian.

b. For a second offense, the student may be ineligible to participate in any extracurricular activity for a period of time not to exceed 5 days and the school principal (or designee) shall meet with the student's parent or guardian.

c. For a third offense, the student will have lunch detention in a supervised area, not the cafeteria.

d. For a fourth offense, the student may be ineligible to participate in any extracurricular activity for a period not to exceed 30 days.

e. For a Fifth and subsequent offense, a student may receive an In-School Suspension pursuant to F.S. 1003.01(5) for a period not to exceed one (1) day and may be subject to any of the interventions listed above.

Requirements for student dress in all schools are listed below:

a. All shirts and blouses must cover the midriff, back, sides, and all undergarments including bra straps at all times. All shirts, tops, and dresses shall have sleeves and cover the shoulders.

b. Shorts, skirts, divided skirts, dresses, and culottes are allowed. They must be mid-thigh length or longer.

c. All trousers, pants, or shorts must completely cover undergarments, including boxer shorts.

d. All clothing, jewelry, or tattoos shall be free of the following: profanity; violent images, wording or suggestion; sexually suggestive phrases or images; gang-related symbols; alcohol, tobacco, drugs, or advertisements for such products.

e. Safe and appropriate footwear must be worn. Inappropriate footwear includes, but is not limited to, roller skates, skate shoes, and bedroom slippers.

Further Clarification/other requirements:

a. Form-fitting leotard/spandex type clothing is not allowed unless proper outer garments cover to mid-thigh length or longer.

b. See-through or mesh fabric clothing may only be worn over clothing meeting requirements.

c. Clothing must be appropriate in size, with the waist of the garment worn at the student's waist.

d. Clothing and footwear traditionally designed as undergarments or sleepwear shall not be worn as outer garments.

e. Sunglasses may not be worn inside unless a parent provides a doctor's note to the school. Field trips are exceptions.

f. Bandanas or sweatbands are not allowed to be visible on school grounds during regular school hours.

g. Hats or other head coverings may be worn during outside P.E. activities and may not be worn during any portion of the regular school day without the expressed permission of the principal.

h. If the school has a mandatory school uniform policy, the student must adhere to those requirements.

SCHOOL UNIFORMS POLICY

Manatee County elementary or secondary schools may implement a mandatory uniform policy, governing students enrolled at the school only if all conditions set forth in the following procedures are met:

Initiation

a. A favorable vote of at least 67 percent or more by the School Advisory Council (SAC) must occur to support mandatory use of uniforms for students.

b. The school or SAC conducts a survey of parents of all students in that school and at least 51 percent of the families completing the survey must indicate that they are in favor of establishing such a program. Ballots must be received from a majority of eligible families. Parents are to be surveyed every three years at any school implementing a uniform program.

c. The school must establish a uniform committee that adequately represents all segments of the school community. The uniform committee must follow guidelines promulgated by the Superintendent for selection of uniforms.

d. The school-selected uniforms must comply in all respects with the other provisions of the district rules concerning appropriate attire.

e. The uniforms selected may not be characterized as gender-specific (both boys and girls may wear slacks).

f. The school must make provisions for those students who, by reason of financial hardship, cannot comply with the uniform and must notify the students' parents of these provisions.

Communication

Each school implementing a uniform policy must communicate to parents the following:

1. types and colors of uniform;
2. requirements for jackets or outer garments;
3. optional articles of attire, if any;
4. compliance measures to be employed;
5. the availability of financial support and the procedures for applying for assistance;
6. methods to facilitate recycling of uniforms within the school community; and
7. notice of uniform sales and lists of competitive prices from vendors of uniform articles.

The means by which this information is communicated shall include one or more of the following: school newsletters, parent forums, telephone hotline, PTA/PTO meetings and newsletters, school advisory council meetings, television, radio, newspaper announcements, posters displayed at school and in the community, and registration materials.

Compliance Measures

a. Each school shall develop incentives and positive reinforcement measures to encourage full compliance with the uniform policy. Each school should strive to achieve full compliance through use of incentives and positive reinforcement measures and should resort to disciplinary action only when positive measures fail to ensure compliance. In addition, schools shall communicate with parents so that expectations, rationale and benefits are fully understood by the student and the family.

b. If necessary, disciplinary action may be taken to encourage compliance with the policy. Since the intent of the policy is not to inhibit or prohibit any student who is not in uniform from receiving the education to which he or she is entitled, no student shall be suspended from class or from school, expelled from school, or receive a lowered academic grade as a result of not complying with the policy.

c. Prior to initiating any disciplinary action against a student not complying with the policy, a school administrator shall hold a conference with the parent or guardian to solicit cooperation and support.

d. Disciplinary action is initiated only after all other means to secure support and cooperation as mentioned above have not succeeded. A "progressive discipline" approach is to be employed by the school support staff so as to encourage full and consistent compliance with the least amount of disciplinary action.

e. In order to ensure a smooth transition to a uniform policy, and in order to ensure that incentives and positive reinforcement measures are employed before resorting to disciplinary action, no school implementing a uniform policy shall take disciplinary action for the first two months of implementation unless those not in compliance materially or substantially interfere with the requirements of appropriate discipline.

f. Exceptions to wearing the uniform are permitted when:

   1. Uniforms of a nationally recognized youth organization such as JROTC, Civil Air Patrol, or the Boy Scouts or Girl Scouts are worn on regular meeting days.

   2. A student wears a button, arm band, or other accoutrement to exercise the right to freedom of speech as guaranteed by the First Amendment, unless the button, arm band, or other accouterment signifies or is related to gangs, gang membership or gang activity.

   3. The wearing of a school uniform violates a student's sincerely held religious belief.

   4. A student's parent or guardian has secured an exemption from the uniform policy by following the procedures set forth below.

g. Parents or guardians are permitted to exempt their children from the uniform program by the following procedure:
   1. Parents should be notified of the exemption procedure.
   2. A request is made by mail or in person by the parent or guardian for an Application for Exemption from the Uniform Program ("Application"). The parent or guardian may obtain an Application at the student's school site.

3. The Application is completed in full and submitted to the school principal.
4. The school principal or other designated administrator meets with the parents to discuss the uniform policy and the nature of the objections to the policy. The purposes of this meeting include: (a) ensuring that the parents or guardians understand the reasons for, and goals of the uniform policy; (b) verifying the accuracy of the information on the Application; and (c) preventing fraud or misrepresentation.

SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS

Each school and classroom in the school District of Manatee County is required to develop their own behavior plans, which support the unique needs of their students, families, and communities. Common disciplinary actions at each school may include, but not be limited to the following:

Loss of Privilege
For a specified period of time, you may lose a privilege on campus. These privileges include, but are not limited to, parking, use of technology, extracurricular activities, and assemblies.

Disciplinary Probation/ Check-in/Check-out
For a specified period of time, you are assigned to report frequently to a staff member who will assist in monitoring your adjustment to the school situation.

Detention/Extra School
You report to an assigned location at your school for a specified period of time before or after school for supervised study hall activities. Extra school is not intended to interfere with your regular class schedule.

Fine/Restitution
You may be given a written citation by the School Resource Officer and required to pay a fine if you are caught smoking or in possession of tobacco. You may be required to pay restitution for any damage you may have caused to School Board property.

Student Work Assignments
If your parent and a school administrator agree, the administrator can assign you to a work detail at the school. The principal will decide who will supervise your work.

Saturday School
You may be required to attend Saturday School if an administrator has contacted your parent at least twenty-four (24) hours in advance.

In-School Suspension
You may be assigned to a specific location at your school during the school day where you will be required to continue your regular academic coursework. This assignment may be for a single period (usually referred to as Time Out), all day, or for multiple days. Time Out may also be used in lieu of detentions, when transportation or other issues prevent their assignment.

Classroom Removal
Your teacher may require that you be removed from class if it has been documented that your behavior has seriously disrupted the teaching or learning in the classroom. If you are removed from a class, the principal may place you in another appropriate classroom, in-school suspension, an alternative education program, or the principal may recommend you for suspension or

expulsion. You cannot be returned to that teacher's classroom unless the teacher consents or a school-based placement review committee has determined that doing so is the best or only available alternative. A decision on whether to return you to the classroom must be made by the teacher or the committee within five days of the removal.

MAJOR DISCIPLINARY ACTIONS

In order to protect the rights of all students and staff, certain procedures are followed with regard to major disciplinary actions. These procedures are developed as suggested or required by law or regulation. School/classroom procedures for administering discipline in areas not covered by these specific procedures are encouraged.

School Bus Suspension

You can be denied the privilege of riding a school bus by the principal or designee for up to 10 school days. Suspension from the school bus may be imposed only by the principal or designee by following the procedures for suspension from school.

Out-of-School Suspension

You have the right to attend school and have an opportunity to learn. You may lose that right if you violate the District Code of Student Conduct or a school rule. You lose the right to attend school by being suspended or expelled. You can be suspended from school for up to ten (10) days at a time. If you are suspended you cannot be on school grounds or on any Manatee School District property, nor can you attend any school activities. You cannot be suspended for skipping class or school or for excessive tardiness. However, you may be suspended for failure to serve consequences assigned for skipping or tardiness. ~~When OSS is deemed appropriate, the district does offer an Alternative To Out of School Suspension (ATOSS) program that is housed at two different locations. You are responsible for transportation to ATOSS however, it does offer a structured and supervised environment where assignments may be communicated and submitted to your regular teachers.~~

OUT-OF-SCHOOL SUSPENSION Q & A

Q. Who can suspend you?

A. The principal or someone designated by the principal can suspend you.

Q. How long can you be suspended?

A. You can be suspended from school for one school day or up to ten (10) school days. School principals or designees may not impose suspensions of undefined lengths, pending a parent conference or other stipulations.

Q. What happens before a suspension?

A. When the principal or designee becomes aware that a student may have broken a rule in the District Code of Student Conduct or a school rule, he or she will investigate by talking to students, teachers or others who may know something about what happened. Even if you are not one of the students who may have broken the rule, the principal or designee may talk to you as part of the investigation. After talking to people who were involved or witnesses, the principal or designee will determine who he or she thinks broke a rule.

Q. What if the principal or designee determines you broke a rule?

A. As soon as possible, the principal or designee will talk to you and tell you that you are

accused of breaking a rule in the District Code of Student Conduct or a school rule. You also will be given written notification, such as a disciplinary referral, which tells you the same thing. You will be told why it is believed that you have broken the rule. After this happens, you should know what you are accused of doing and what evidence there is that supports the accusations.

Q. What happens next?

A. You will then have an opportunity to tell the principal or designee your side of the story. You can ask that he or she talk to someone you think may know something about what happened. You can give the principal or designee a written statement to read. After listening to you and reading anything you have provided, the principal or designee may talk to the people you named and anyone else who might have knowledge about the situation, as may be appropriate in the opinion of the principal or designee. After that, the principal or designee will decide if you have broken a rule in the District Code of Student Conduct or a school rule. If he or she decides you have broken a rule, the principal or designee will then determine whether you should be suspended from school, and if so, for how long. You will be told about this decision.

Q. Will my parents know?

A. Prior to the beginning of the suspension, the principal or designee will attempt to telephone your parents and let them know about the suspension. If your parents cannot be reached by telephone, then the principal or designee will record the dates and times contact was attempted. Also, within 24 hours of the decision, a letter will be mailed to your parents informing them of the suspension. If you or your parents claim you did not receive the letter, it will not change the suspension. You will be given another copy of the letter if you request one.

Q. Can you appeal a suspension?

A. You can request the principal reconsider the evidence and decision. However, the principal's decision to suspend a student is final.

Q. How do I make up my work while on suspension?

A. You are encouraged to remain current with all class assignments but are required to obtain your work. The following means are available: 1. Ask fellow students to obtain the class work for you. 2. Contact your teacher via email or phone. 3. Access teacher websites or weekly assignment sheets, if available.

All makeup work is due on the day of your return from suspension. In the case of in-class activities such as labs, tests, quizzes, class projects, etc., the teacher will determine a reasonable amount of time for assignments to be completed.

Disciplinary Reassignment

The School District of Manatee County offers an alternative program for students who struggle with behavioral issues in their current setting or create a concern for the safety of others. Pursuant to School Board policy, the Superintendent of Schools or designee may decide to reassign you, if it is determined to be in your best interest, or the best interest of the school. If your actions create a concern for the safety and welfare of any student or staff member or substantially interferes with the safe and orderly operation of a school, you are eligible for reassignment to an

alternative program under the School Safety reassignment process, regardless of any current or past patterns of behavior. These acts would normally involve

infractions such as battery on a school board employee, causing substantial injury or mental distress to others, threats to commit acts of violence, sexual misconduct, weapon or drug-related behaviors, or any variety of criminal acts committed on a school campus. Likewise, being charged with an off-campus criminal act by law enforcement, which creates a concern for the safety and welfare of students or staff, or which substantiates a pattern of unsafe behavior may result in a School Safety reassignment, per ss 1006.09, 1006.147, and 1006.13.

You may also be referred for a School Safety Reassignment to the alternative program for persistent behaviors which substantially disrupt the learning environment and are not mitigated through school-based interventions. Such behaviors may include interfering with instruction; the use of profane or offensive language or gestures; disrespect towards school staff; defiance of school staff; theft, destruction, or improper use of school equipment; possession of contraband or prohibited items; or continually being out of area. You may also be referred for reassignment for patterns of behavior which substantially interfere with the educational rights of other students. These behaviors may include acts such as bullying, harassment, extortion, threats, theft, fighting, or any conduct which is disruptive to the orderly educational process in the classroom.

If you are assigned to an alternative program for disciplinary reasons, you cannot be present on any other school grounds or on any Manatee School District property at any time. If you have been reassigned to an alternative program for disciplinary reasons, you may instead choose to attend another school outside the district. However, your academics, attendance, and behavior must be evaluated in a physical setting with peers in order to return to any Manatee County school. Virtual or purely online programs are not an acceptable alternative without specific review and authorization from the district office of Drop-Out Prevention and Alternative Programs.

Expulsion

You can be expelled (excluded) from school by the School Board for the remainder of a school term or school year and one additional year of attendance. During the time you are expelled, you may or may not receive educational services. Students who commit violent acts that involve the use of a firearm as defined in the Code of Student Conduct will be expelled, with or without educational services. All other students will be evaluated on a case-by-case basis and where possible, recommendations for diversionary or intervention programs will be made in lieu of arrest or expulsion.

EXPULSION AND DISCIPLINARY REASSIGNMENT Q & A

If you are found to be guilty of a severe breach of conduct or are guilty of continuing misconduct, the principal or designee may suspend you for up to 10 days after following the suspension procedures and recommend to the Superintendent or designee that you should be expelled or reassigned to another school or program. ~~All alternative placements and expulsion recommendations for students with disabilities are made by the appropriate IEP or 504 team.~~

Q. What happens if the principal recommends reassignment to another school or program?

A. The principal will refer the case to the Office of Drop-Out Prevention and Alternative Programs

to determine whether it should move forward or be declined. If approved, you will either be directly assigned to another school or program or have your case go before the School Safety Reassignment Committee for deliberation. Any vote by the committee will be the recommendation made to the Superintendent or designee. Should you be reassigned, you will be provided information concerning the school or program and instructions on how to enroll.

Q. What is the School Safety Committee?

A. A group of district and school administrators which evaluate the facts of each case and the student's history to make recommendations for reassignment to an alternative program. The Committee is additionally charged with evaluating the interventions attempted by the school, prior to the reassignment referral being submitted.

Q. Can the recommendation of the committee be appealed?

A. You may appeal the decision to the Office of Alternative programs and Drop-out Prevention. Facts of the case must be appealed to the principal if the reassignment referral is being forwarded by the school for on-campus behavior.

Q. What happens if my principal recommends expulsion?

A. Your principal may recommend an expulsion to the Director of Student Services. The Director will in turn listen to the facts of the case and make a recommendation to the Superintendent. However, only the School Board can expel a student. If the Superintendent agrees with the recommendation, the District General Counsel or designee will inform your parents in writing about the recommendation and why expulsion is being recommended. The notice will additionally inform your parents they can request a hearing.

Q. What happens if my parents do not request a hearing?

A. The School Board will take final action on the recommendation for expulsion without a hearing. By not requesting a hearing, you are admitting that you did what you were accused of doing.

Q. What happens if I request an expulsion hearing?

A. The School District General Counsel will notify you when and where the hearing will be conducted. The Office of Dropout Prevention and Alternative Programs will inform your parents of the procedures involved and your procedural rights. At the hearing, the General Counsel, on behalf of the Superintendent, presents the evidence in support of the recommendation for expulsion. You, your parents, your attorney or other qualified representative will be permitted to cross examine witnesses and offer evidence on your behalf, including your testimony. The cost of your attorney will be your parent's responsibility. Your parents may elect to have the hearing open or closed to the public.

Q. What procedures govern the expulsion hearing?

A. The expulsion hearing is governed by sections 120.569 and 120.57(2), Florida Statutes. A copy of those sections will be provided to you upon request.

Q. What happens after the expulsion hearing?

A. The School District General Counsel will submit to the School Board a recommended order consisting of findings of fact, conclusions of law, and a recommendation on the expulsion. You, your parents, or your attorney will have an opportunity to submit written objections to the recommended order. The School Board is limited on what it can do with respect to the recommended order by section 120.57 (1), Florida Statutes.

Q. Who makes the final decision to expel me?

A. The School Board will make the final decision on whether you should be expelled and if so, for how long. The School Board will also decide if you will receive educational services during your expulsion. Your parents may elect to have the School Board meeting open or closed to the public.

Q. How long can the School Board expel me?

A. You can be expelled for the remainder of the current school year and one additional school year. A student who is serving an expulsion during the last semester of his or her senior year may not participate in the graduation ceremony.

Q. Can I appeal the School Board's decision to expel?

A. You can appeal the School Board's decision to the Second District Court of Appeal in Tampa. You must do so within 30 days of the time you are expelled; you may or may not receive educational services.

Felony Arrests

Students are required to self-report any felony arrest to their principal within 48 hours of the arrest. An arrest that would be a felony if the student were an adult must also be self-reported. The principal will review information about the arrest to determine, after conferring with the Executive Director of School Management, whether the student should be suspended from all extracurricular activities and possibly suspended from school, or reassigned to an alternative placement. Failure to self-report such an arrest may result in suspension from all extracurricular activities for a minimum of one calendar year and suspension from school or reassignment to an alternative placement.

Extension of Ten-Day Suspension

If the principal suspends you for 10 days, the Superintendent may extend your suspension until the outcome of the criminal charges that have been filed against you. During your suspension, pending the outcome of the criminal charges, you will be assigned to an alternative educational program.

Criminal Victimization

In accordance with F.S. 1006.13, students who are found to have committed certain felony offenses against another student are prohibited from attending the same school or riding on the same school bus with the victim or the victim's siblings. According to F.S. 1006.13(5)(d), "The offender, or the parents of the offender if the offender is a juvenile, shall arrange and pay for transportation associated with or required by the offender's attending another school or that would be required as a consequence of the prohibition against riding on a school bus on which the victim or a sibling of the victim is riding. However, the offender or the parents of the offender may not be charged for existing modes of transportation that can be used by the offender at no additional cost to the District School Board."

Corporal Punishment

The use of corporal punishment is prohibited. This prohibition extends to parents or guardians on school grounds.

REPORTS TO LAW ENFORCEMENT AGENCIES

The School Board views disruptive and criminal acts, and those which may affect the health,

safety and welfare of, or pose a legitimate threat to those on a school campus, as extremely serious in nature. In addition to disciplinary action administered at the school level, certain acts are expected to be reported to law enforcement as required by the State Attorney Office. The actions of law enforcement do not dictate the corrective measure enforced by the school.

LIMITED ROLE OF LAW ENFORCEMENT

To help avoid the unnecessary criminalization of our students, law enforcement action should be limited to situations when it is necessary to protect the physical safety of students and staff or appropriate to address criminal activity. Law enforcement involvement should not be requested in a situation that can be safely and appropriately handled by a school's internal disciplinary procedures.

THE COACH AARON FEIS SCHOOL GUARDIAN PROGRAM

Like law enforcement, school guardians hired through the Coach Aaron Feis School Guardian program in Manatee County are in place to help ensure the physical safety of our students, staff, and school community. School guardians are not to be involved in student discipline matters unless it is a matter of safety. School guardians additionally have no authority to act in any law enforcement capacity, except to the extent necessary to prevent or abate an active assailant incident.

REPORTS TO DEPARTMENT OF CHILDREN AND FAMILIES (DCF)

All employees of the District have the responsibility to report all actual and suspected cases of child abuse, abandonment or neglect. They also have the responsibility to comply with child protective investigations and all other provisions of law related to child abuse, abandonment or neglect. All employees of the District shall have immunity from liability if they report such cases in good faith. Abuse is defined as "any willful act or threatened act that results in any physical, mental, or sexual injury or harm that causes or is likely to cause the child's physical, mental or emotional health to be significantly impaired."

REFERRALS TO MENTAL HEALTH AGENCIES

If you present a concern for the safety of others, due to your actions or words, as determined by your school or district administration, law enforcement, or a threat management team, you will be referred for mental health services, per F.S. 1012.584. These services may be provided on campus or through off-campus mental health providers that partner with our district. In the event you present an immediate concern for the safety of yourself or others, the Marchman or Baker Acts may be enacted (see Page 4) to ensure an appropriate mental health examination and intervention(s) occur. This may result in an involuntary examination and removal from campus, pursuant to F.S. 394.463. Such contact may be in person by a mental health professional or using telehealth as defined in F.S.456.47.

SELF-REPORTING UPON INITIAL REGISTRATION

Upon initial registration in any district school from another district, state, charter, home or private school, you are required per F.S. 1006.07 to self-report any previous school expulsions, prior arrests resulting in charges, Juvenile Justice actions, and referrals to mental health services. You are also required to report any placements in an alternative setting for disciplinary or safety reasons. Students found to have been expelled or placed in an alternative program in lieu of expulsion from another school or district may serve any remaining duration of the original

expulsion as outlined in F.S. 1006.07.

SECTION VII IMPORTANT POLICIES AND PROCEDURES

MEDICATION POLICY

Taking legal medications (prescription drugs prescribed for you or over-the-counter drugs) at school, on a school bus, at any school activity, or on any field trip must strictly comply with this Medication Policy. This policy requires the following:

a. You should make every effort to administer medications at home during non-school hours.

b. All medications (including over-the-counter medications, vitamins and supplements) must be prescribed by a licensed physician and must be retained in the school clinic.

c. For each medication to be administered, your parent must provide the principal or clinic staff with a written statement giving the principal or the principal's designee permission to assist in the administration of the medication. The written statement must explain the reason it is necessary for the medication to be provided during the school day.

d. The written statement shall be on a Medication Authorization Form which can be obtained from the school's office and must be signed by both a physician and a parent or guardian before medications can be administered at school.

e. You may not transport medications to school or be in possession of any medications while on school property.

f. An authorized adult must bring the medication to be administered to the school's office and deliver it along with a completed Medical Authorization Form.

g. Possessing medications prescribed to others is illegal and considered a Level 3 offense.

h. Students with any of the following medical conditions may carry and self-administer the medications or supplies listed below to attend to their conditions while at, or in transit to or from, school or school-sponsored activities, if the school has been provided written parental and physician authorization in advance:

Student's Medical Condition:	Student May Carry and Self-Administer:
Life-threatening Allergies or Asthma	An epinephrine auto-injector
Asthma	A metered dose inhaler
Pancreatic Insufficiency	A prescribed pancreatic enzyme supplement
Diabetes	Diabetic supplies, equipment, and specific food items identified in the written authorization along with a description of the activities the student is capable of performing without assistance, such as blood-glucose level checks, urine ketone testing, administering insulin, and treating hypo-or hyperglycemia.

Suspected Overdose

District schools may maintain an on-site supply of the opioid antagonist Naloxone, following guidelines established in Board Policy 5780 and F.S. 499.003. Naloxone is a medication that is used to reverse an opioid overdose. If any student or staff are suspected of having an opioid-related overdose, Naloxone will be administered by a trained nurse as a life-saving measure.

CONTROLLING THE SPREAD OF COMMUNICABLE DISEASES

The School Board recognizes its responsibility relative to student, employee, and visitor health and safety. In order to protect the health and safety of the students, District personnel, and the community at large, the Board shall follow all State statutes and Health Department regulations which pertain to immunization under Policy 5320, and other means for controlling communicable disease spread through normal interaction in the school setting as set forth in Policy 8450.

CRISIS PROTOCOL

Providing a safe and secure environment for our students to learn is the top priority of the School District of Manatee County. Measures have been taken to ensure our staff and students are prepared in the event a crisis situation occurs in one of our schools. A comprehensive Crisis Management Plan has been created to guide our staff through a wide variety of situations. Fire drills, tornado drills, lock-down drills, and shelter-in-place drills are practiced at each site to ensure routines and safety procedures are well established and familiar to all.

In a shelter-in-place, all school doors will be locked and regular classroom instruction continues behind the locked doors. In a lock-down, all school doors are locked and all students and staff are out of view. Classroom instruction is discontinued.

What parents need to know during either crisis:

a. Please DO expect to be notified with a special parent advisory sent home from the school and/or with a telephone message from our telephone notification service when the school is able to provide accurate information and/or the incident is resolved.
b. Please DO cooperate with school and/or district directives.
c. Please DO consult local media for regular updates about the incident. Listen for information updates on local radio and television stations. You may be directed to an off-campus parent staging area for the latest information regarding a campus crisis.
d. Please DO NOT call the school because phone lines will be needed for emergency communication.
e. Please DO NOT call your child's cell phone because cell phones are not to be used during a crisis.
f. Please DO NOT go to the school if a crisis situation should occur. Roads are closed, doors are locked and campuses are off-limits to anyone other than authorized personnel.

Pursuant to F.S. 120.54, in the event of an emergency, the Superintendent or the School Board can enact additional rules governing student conduct which shall be enforced as included in this Code of Student Conduct.

Unannounced Lock-down Drills

The principal may conduct unannounced lockdown drills from time to time and will inform parents after the fact about the drill by way of automated telephone calls.

STUDENT AND FAMILY REUNIFICATION PLAN

In case of a school emergency or a natural disaster, you need to be aware of our school's plan for releasing your child. First and foremost, remain calm. Remember, it is our primary concern that students remain safe at all times, and there is a plan for an orderly dismissal and release of our students. When you learn your child's school is in a lockdown situation or any other emergency situation, do not call the school and do not come to the school. Staff will be very busy during an emergency and will not be able to attend to the safety of your children if they have to answer your phone calls. If you come to the school during an emergency, in all likelihood you will not be allowed into the school or even into the inner perimeter set up by emergency responders. The presence of hundreds of parents showing up on the scene will hinder the efforts of emergency responders, which in turn may jeopardize the safety of your child. Instead, if the situation warrants the release of students, direct notification to your listed emergency contact numbers as well as the use of local news media will provide instructions on when and where the release will take place. Students may be bused to an off-site location for their release to parents.

Once an "all clear" is given at the school, and if there is a need to release students for the day, the Student and Family Reunification Plan will be put into place. For the safety of every child, we must document to whom each child is released. Students will only be released to parent, guardian, or childcare personnel as designated on your child's school *Contact, Medical, and Emergency Form*. When you arrive at the facility where students will be released, proceed to the designated area and plan to do the following:

- Fill out a Student Release Form.
- Present photo identification.
- Move to the Student release area and wait for your child.
- A runner will go to the assembly area, get your child, and bring him or her to the release area. Be prepared to show your ID again.
- Sign for the student and depart. **REMINDER: Your child will be released only to those listed on the *Contact, Medical, and Emergency Form*. It is therefore imperative you keep information on your child's *Contact, Medical, and Emergency Form* up to date, including your cell phone number or other emergency contact information. Please note that if for any reason your child is not picked up, he or she will be placed in an alternate place of safety.** These procedures should be shared with everyone you list on the *Contact, Medical, and Emergency Form* so they are familiar with our plan and these concerns. If you have any questions about the Student and Family Reunification Plan, contact your child's school principal.

REGISTER YOUR EMERGENCY CONTACT INFORMATION TODAY!

The school district, in cooperation with TIFF (To Inform Families First) urges you and your family to register your emergency contact phone numbers TODAY. In the event of an emergency, families can be notified more quickly through this service. On the Internet, simply log onto the following website as follows:

ELECTRONIC EQUIPMENT

If you are in possession of non-district issued electronic items at school, they may only be used before the morning bell rings and after school, unless your school has adopted a policy further allowing or restricting the use of personally owned electronic devices. In all other instances, **they are to be kept turned off and out of sight on school grounds** unless an administrator or designee gives permission to use the device. Teachers may also allow you to utilize personal electronic devices for the completion of specific assignments, as a component of your coursework. Absent such permission, teachers or other school staff may confiscate your electronic device, per F.S. 1006.07. These electronic devices include, but are not limited to, the following:

- music playback or streaming devices
- camera
- cellular phone (including the camera that may be part of the phone)
- video or digital recorder
- video gaming devices
- computer or tablet (unless specifically authorized for academic purposes)
- Smartwatches or other smart devices that may or may not connect to the Internet
- Earbuds or headphones

If this rule is violated, an administrator may ask you to surrender the device and will hold it until you or your parent comes to retrieve it. Refusal to surrender the device will be considered defiance and will result in appropriate administrative action. If the item is not picked up by July 1st following the end of the school year, the item will be deemed abandoned. Each school will determine what to do with abandoned items. Neither the school nor school staff members are responsible for any such items if they are lost, stolen, broken or damaged.

A student may not electronically record any ~~teacher~~ ~~or a~~ ~~classroom~~ SDMC employee or facility without ~~the teacher's~~ written or explicit permission. This does not apply to school-sanctioned events or activities that may warrant such recording. Additionally, students may not ~~record or~~ post to the Internet recordings of fighting, acts of bullying, assault, or battery, whether staged or real – regardless of time or location.

During any district, state, or federally required assessment administration, if you are found with an electronic device that reproduces, transmits, calculates, or records (e.g., a cell phone, camera, or calculator) in your pocket, at your desk, or within your reach during testing, your test will be invalidated. Additionally, the device will be confiscated and you will be disciplined.

If school officials have reasonable suspicion that electronic items contain evidence of a violation of the Code of Student Conduct, or criminal activity, they may conduct a search of the contents of the electronic item.

TECHNOLOGY AND INTERNET SAFETY POLICY

Technology is an integral part of your educational experience and must be used in a way that is consistent with the goals of the School District of Manatee County (SDMC). Technology includes, but is not limited to, computers, tablets, other electronic devices, software, email, the Internet, and other network resources. Your use of technology is a privilege and you are responsible for using it appropriately. This includes use of district technology while off school property. The

following are improper uses of technology:

a. Photographing, recording, or using images of any person without their knowledge or consent.
b. Accessing pornographic or obscene images, language or materials, including screen savers.
c. Transmitting any material in violation of federal, state, local law, School Board policy, regulation, or the District Code of Student Conduct. This includes, but is not limited to: copyrighted material; threatening, obscene or pornographic material; test questions or answers; student work products; trade secrets; and computer viruses or malware.
d. Using technology for commercial activities unless explicitly permitted by the School Board.
e. Modifying the original SDMC pre-set software image including, but not limited to: loading software applications not authorized by SDMC; changing the computer name; changing or removing operating system extensions; altering security/filtering software; altering the pre-loaded operating system or application; or taking apart the computer for access to internal parts.
f. Downloading music, games, or videos at any time on a district computer.
g. Using cellular phones or other wireless communication devices during unauthorized times of the school day. Cellular phones, tablets, and other electronic devices may only be used on campus before or after school, unless your school has different policy restrictions, or you have permission from an administrator or designee.
h. Using email, instant messaging, texting, web pages or other technology operations to threaten, disrupt, or interfere with the safety and welfare of the school community, including engaging in cyber-bullying, harassment, or “sexting.”
i. Gaining or attempting to gain unauthorized access to SDMC networks, computer servers, or data files.
j. Gaining or attempting to gain unauthorized access to non-SDMC networks, computer servers, or data files utilizing SDMC equipment.
k. Using profanity, obscenity, or other language which may be offensive to another person, or reposting personal communications without the author’s prior consent, when using computer network access.
l. Downloading or printing any material that deemed inappropriate by the School District.
m. Attempting to log on to the SDMC network or other district-affiliated systems using another’s identity or password.
n. Sharing of logins and passwords to the SDMC network.
o. Bypassing or attempting to bypass SDMC filtering software.
p. Unauthorized disclosure use and dissemination of personal information regarding students, unauthorized online access by students, including hacking and other unlawful activities and access by students to inappropriate matter on the Internet is prohibited.

NOTE: There is no right or expectancy of privacy on District provided or owned technology. School officials may review any information or files on such technology at any time.

Use of Social Media

The School District of Manatee County allows schools, students, teachers and staff to use social media for enhancing classroom learning and communication among members of the SDMC community. Your use of District-approved social media platforms must be consistent with all aspects of this Code of Student Conduct.

For School Board Policies regarding student use of social media, please see Policy 7544 "Use of Social Media," as well as Policy 7540.03 "Student Technology Acceptable Use and Safety." Those policies can be found in the School Board Policy Manual on the School District website at https://www.manateeschools.net/Page/2186. For Student Social Media Guidelines, please visit the "Parents and Students" page of the School District website at www.manateeschools.net.

DISCLAIMER OF RESPONSIBILITY FOR PERSONAL PROPERTY

Although the school attempts to maintain a safe and secure environment, theft and loss do sometimes occur. All personal property in possession of the student should be identified with the student's name. The school disclaims responsibility for any lost, stolen, broken or confiscated property. Parents send and students bring such items to school at their own risk. Students are expected to turn in to the office any found items.

ATHLETIC ELIGIBILITY

If you are in grades 6-12, you may be eligible to participate on athletic teams in interscholastic athletic contests as a representative of a school, provided you are a bona fide student of that school and meet the following requirements:

High School Eligibility Requirements

1. Must be regularly enrolled and in regular attendance at school. Charter school students, home education students (including FLVS Full-time) and private school students meeting criteria under F.S. 1006.15 may participate at their home zoned school or at another district school provided they have exercised school choice to that school through the district's controlled open enrollment process.
2. A student not currently suspended from interscholastic or intrascholastic extracurricular activities, or suspended or expelled from school, pursuant to a district school board's suspension or expulsion powers provided in law, including Florida Statute Sections 1006.07, 1006.08, and 1006.09, is eligible to participate in interscholastic and intrascholastic extracurricular activities.
3. A student may not participate in a sport if the student participated in that same sport at another school during that school year, unless the student meets the criteria in F.S. 1006.15(3)(h).
4. A student's eligibility to participate in any interscholastic or intrascholastic extracurricular activity may not be affected by any alleged recruiting violation until final disposition of the allegation, pursuant to F.S. 1006.20 (2)(b).
5. Any violation of school discipline policies or the District Code of Student Conduct may be considered for exclusion as eligibility standards to participate in extracurricular interscholastic or intrascholastic activities.
6. A student must have a cumulative 2.0 grade point average on a 4.0 unweighted scale, or its

equivalent, at the conclusion of each semester to be academically eligible during the next semester (F.S. 1006.15(3)(a)1). Academic eligibility or ineligibility is determined on a semester basis. A student who is academically eligible at the beginning of a semester will continue to be academically eligible for that entire semester. Likewise, a student who is academically ineligible at the beginning of a semester will continue to be academically ineligible for that entire semester, except as provided in Bylaw 9.4.5.1.2.

Middle School Eligibility Requirements

1. Must be regularly enrolled and in regular attendance at school. Charter school students, home education students (including FLVS Full-time) and private school students meeting criteria under F.S. 1006.15 may participate at their home zoned school or at another district school provided they have exercised school choice to that school through the district's controlled open enrollment process.
2. Must carry a normal class load, maintain satisfactory classroom work (minimum 2.0 grade point average on previous quarter's report card) and maintain a satisfactory conduct record (no 4's in Citizenship on the previous quarter's report card). Sixth grade students are exempt for soccer only.
3. Must be less than 15 years 9 months of age. On the day a student reaches this age, regardless of when that day is, the student becomes ineligible to participate on the middle school level.
4. Must obtain signed permission from his/her parents or guardian on a form provided by the school.
5. Must have a school physical on file with the school.
6. Must be an amateur. This means that the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating.
7. Must display good sportsmanship and follow the rules of competition before, during, and after every contest in which the student participates. If not, the student may be barred from participation for a period of time.
8. Must not provide false information to gain eligibility.
9. All non-traditional student eligibility will be determined on a semester-by-semester basis.
10. A student may not participate if serving an out of school suspension the day of competition.
11. A student must attend a minimum of one-half of a day of school to practice or participate in an athletic contest.
12. All participants must have appropriate paperwork (physical form and parent consent form) on file in the athletic director's office before the beginning of the All-Star Tournament.
13. A student transferring into a school must meet eligibility requirements. The student cannot take the spot of an existing team player on the roster.

Athletic Student Transfer Eligibility

A student who transfers is immediately eligible, as long as all other eligibility requirements are met. Students may not participate in the same sport in the same year at more than one school, unless one of the following exceptions are met:

1. Children of active duty military whose move resulted from military orders.

2. Children relocated due to foster care placement or McKinney —Vento Act.

3. Children who move due to a court-ordered change in custody due to separation, or serious illness or death of custodial parent.

4. Good cause policy in district or charter (district placement).

Per F.S. 1006.15, the School District of Manatee County has defined just cause for immediate eligibility as:

a) Special Assignment by Superintendent, or Office of Student Assignment.

b) Move to a new residence following the marriage of the student. The student immediately establishes a new residence that makes it necessary to attend a different school.

c) Reassignment by District School Board or Charter School Board.

d) Transfer of school within the first twenty days of a semester in acceptance of a seat (first opportunity to enroll) into a previously applied for magnet program.

e) Any other athletic eligibility appeal ruled upon by the Athletics Review Committee to intervene and make a decision on a case brought before the board by the Supervisor of Athletics. All decisions will be given within 10 school days from the date of the appeal.

Attendance

A student must be in attendance a minimum of one-half day on the day of competition or the day prior if the contest falls on a non-school day, unless documented (doctor's note, field trip, subpoena, etc.), to practice or participate in a contest on that day unless approved by the Principal or designee.

Dismissal / Quitting a Team

Any athlete or manager who is suspended from a team, voluntarily quits a team or is dismissed from a team for disciplinary reasons is not permitted to go out for another sport while the original sport is still in season. The season is officially over when the team plays the last game of the season. A season is defined as the first day of practice through the last play-off game.

Out of School Suspension

Students who are serving out of school suspension are not allowed to participate in any athletic activities until they have returned to regular class attendance for one full school day. Students who are suspended for a total of 10 or more days (cumulative or single incident) in a school year will be subject to an administrative review to determine eligibility to participate in any extracurricular activities. The administrative review will encompass the incident or infraction, discipline, academic, and attendance history, and conference with the student and others involved. Based on the results of the review, the student may be ineligible to participate in any extracurricular activities for a period not to exceed 180 school days from the incident. If after the review process, the student is determined to be ineligible he or she may not participate in any event or activity as a representative of the school. These events or activities include but are not limited to: athletics, marching band, concert band, orchestra, choir, drama, JROTC competition teams, and or clubs or organizations sponsored by the school's faculty or staff. A student may appeal the 180-day suspension after 90 school days. The appeal must be in writing to the principal. The appeal process will take into consideration the student's attendance, grades, discipline, teacher comments, any other pertinent information, and student interview during a parent conference. The suspension from

extracurricular activities will not be less than 90 school days. Should the suspension from extracurricular activities be changed to a period of time less than 180 school days, the student will be on probation until the conclusion of the 180-school day period.

Criminal Offenses

1. Criminal Charges: After a hearing with the principal, a student charged with a criminal offense will be suspended from extracurricular or co-curricular activities by the school principal until the charge is adjudicated.
2. Adjudication Withheld: A student who has been suspended from extracurricular activities because of a criminal charge may be reinstated at the principal's discretion if adjudication is withheld.
3. Felony: A student's conviction in "adult" court or judgment of "delinquency" in a juvenile court for any act that would have been felonious in "adult" court will mandate loss of eligibility to participate in any student activity for the duration of the years enrolled in a Manatee County public high school from the time of conviction. After one calendar year following conviction, the student may request a review of his/her eligibility by the principal.
4. Misdemeanors: A student's conviction in "adult" court or judgment of "delinquency" in a juvenile court for the following misdemeanors (assault or battery, possession of concealed weapons, lewdness or indecent exposure, theft, drug possession/sale) will mandate loss of eligibility to participate in any student activity for six months from the time of conviction. After three calendar months following conviction, the student may request a review of his/her eligibility by the principal.

Drug and Tobacco Use

1. No use of tobacco products. For the first offense a one game suspension will occur. The second offense will result in dismissal from the team.
2. An athlete knowingly possessing, using, transferring, or being under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind, or any facsimile regardless of content, on or off campus, ~~will~~ may be suspended from athletic participation for 180 days. A student may appeal the 180-day suspension after 90 school days. The appeal must be in writing to the principal. The appeal process will take into consideration the student's attendance, grades, discipline, teacher comments, any other pertinent information, and student interview during a parent conference. The suspension from extracurricular activities will not be less than 90 school days. Should the suspension from extracurricular activities be changed to a period of time less than 180 school days, the student will be on probation until the conclusion of the 180-school day period.

Homeless Student Rights under the McKinney-Vento Act

Under the McKinney-Vento Act, homeless students have the right to attend school, regardless of the location where they live or the length of time at that location. The student is to be enrolled immediately, regardless of whether the appropriate records required for enrollment are presented. The school will refer the parent/guardian to Project Heart, which will help in obtaining the required records. Students eligible under the McKinney-Vento Act have the right to continue in the same school they attended before their housing situation changed, or the school last attended, as well as receive assistance with transportation to that school of origin. Furthermore, the students are

allowed to attend the school of origin for the rest of the school year, even if they obtain permanent housing during the school year.

If a student who is eligible under the McKinney-Vento Act is sent to a school other than the school of origin, a reason must be provided in writing, along with the process for appealing such a decision. The student may remain in the school of origin during the appeal. If it is proven the student was not eligible for McKinney-Vento Act rights and services, but the parent/guardian accepted goods, services or special rights, including free school lunches, school fraud rules will apply. The parent will be notified in writing and provided the process for disputing the charges of fraud.

SECTION VIII **PUBLIC NOTICES**

PUBLIC NOTICES

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 30 days of the day the School receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official

will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request amendment of the student's education records that the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to ask the school to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to privacy of personally identifiable information in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff); a person serving on the School Board; a person or company with whom the school has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional

responsibility. Upon request, the school discloses education records without consent to officials of another school in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with requirements of FERPA. The name and address of the Office that administers FERPA are:

FAMILY POLICY COMPLIANCE OFFICE
U.S. DEPARTMENT OF EDUCATION
400 Maryland Avenue,
SW Washington, DC 20202-8520

Annual Notice: Students with Disabilities

Parents have the right to:

a. Have your child take part in, and receive benefits from, public education programs without discrimination due to his/her disabling condition(s).
b. Receive prior notice with respect to identification, evaluation, or educational programming for your child.
c. Have your child receive a free appropriate education.
d. Have your child receive educational services in facilities which are comparable to those provided to non-handicapped students.
e. Examine your child's educational programming decisions made, based on a variety of information sources and by persons who know the student and who are knowledgeable about the evaluation data and placement options.
f. Have transportation provided to and from an alternative placement setting (if the setting is a program not operated by the district) at no greater cost to you than would be incurred if the student were placed in a program operated by the district.
g. Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the district.
h. File a local grievance with the local school district's grievance officer.
i. File a complaint with the Office for Civil Rights (OCR).
j. Take action through Civil Court.
k. Be represented by an attorney or legal counsel.
l. Request an impartial hearing regarding district decisions concerning the identification, evaluation, or educational programming for the students. The parent/guardian and their legal representative will have full opportunity for participation.
    - The hearing request must be made to the Superintendent of the District.
    - The hearing will be held by an impartial hearing officer qualified to hear 504 proceedings.

Notification of Student Social Security Number Collection and Usage

In compliance with Florida Statute 119.071(5), this statement provides notification of the purpose for the collection and usage of student social security numbers by the School District of Manatee County. According to F.S.1008.386, When a student enrolls in a public school in this state, the district school board shall request that the student provide his or her social security number and shall indicate whether the student identification number assigned to the student is a social security

number. However, a student is not required to provide his or her social security number as a condition for enrollment or graduation. A student satisfies this requirement by presenting to school enrollment officials his or her social security card or a copy of the card. The Department of Education shall establish a process for assigning a Florida student identification number to each student in the state, at which time a school district may not use social security numbers as student identification numbers in its management information systems. The Commissioner of Education shall assist school districts with the assignment of student identification numbers to avoid duplication of any student identification number.

Service Animals

Subject to specific guidelines, certification, and authorization by the School District of Manatee County, students with disabilities or other medical issues are permitted to have service animals accompany them during the school day. Service animals are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, alerting people to the presence of potentially deadly food allergens, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Please contact your school administration for initiating the process of using a service animal in any Manatee County school.

Military Transfers

Priority is given to the dependent children of active-duty military personnel transferring to the School District of Manatee County. Military transfer priority is granted only at the time of the initial military transfer to the district and does not apply to future county-wide program application periods. By state law, dependent children of active-duty military personnel transferring into the district are given first priority for placement at the time of their initial transfer. Students who participated in special programs and extracurricular activities at their transferring schools will be given priority access to the same programs and extracurricular activities when available (Florida Statute 1003.05).

Notification of Availability of School Public Accountability Report

The annual school public accountability report is available online through the Florida Department of Education. Please visit the site and select Manatee County, then the appropriate school.

Video Surveillance on School District Property

In order to maintain a safe environment for students, staff and the public, and to control vandalism and criminal activity on School District property, the District has installed and will utilize video surveillance systems on School District property, including school buses. Any activities recorded on the video cameras may be used for school discipline or for law enforcement purposes. Federal and state law governs disclosure and use of video material, and such material could become part of a student's record. Requests for school videos are exempt under Florida Statute as well as FERPA -34 CFR s. 99.12, unless under a subpoena.

Student Identification

You must have your student ID on you at all times when you are on a school campus or on any district bus. If your school requires you to wear or otherwise display your student ID, then you

must follow all procedures pursuant to that rule. You must also display your student ID and have it scanned, each time you board a district bus.

Pledge of Allegiance

F.S. 1003.44 requires the Pledge of Allegiance be recited at the beginning of each school day. When the national anthem is played or the pledge is recited, students and all civilians shall stand at attention, men removing the headdress, except when such headdress is worn for religious reasons. When the pledge is recited, students shall stand with the right hand over the heart. With a written request by a student's parent or guardian, a student will be excused from reciting the pledge, including standing and placing the right hand over his or her heart. When the pledge is given, unexcused students must show full respect to the flag by standing at attention. When the Junior Reserve Officer Training Corps (JROTC) Color Guard presents the colors for the national anthem or Pledge of Allegiance at a school or district function, the audience is asked to rise before the procession begins from the back of the room. The audience remains standing after the pledge or anthem and during the entire time the Color Guard walks to the back of the room. The audience remains standing until the Color Guard is dismissed.

Moment of Silence

Per FS 1003.45, the principal of each public school shall require teachers in first-period classrooms in all grades to set aside at least 1 minute, but not more than 2 minutes, daily for a moment of silence, during which students may not interfere with other students' participation. A teacher may not make suggestions as to the nature of any reflection that a student may engage in during the moment of silence. Each first-period classroom teacher shall encourage parents or guardians to discuss the moment of silence with their children and to make suggestions as to the best use of this time.

The Hope Scholarship Program

If you have been subjected to a range of violent incidents on campus, to include battery, harassment, hazing, bullying, kidnapping, physical attack, robbery, sexual offenses, assault, threat, intimidation, or fighting, your parents may choose to withdraw you from your zoned school and enroll you in another public school that has capacity, or to request a scholarship to attend an eligible private school. Requests for scholarships to participating private schools is on a first-come, first-serve basis and is subject to available funding and other restrictions, per F.S. 1002.40.

Entering Areas Intended for the Opposite Sex

Based upon legislative changes in the law, if you enter an area on campus designated for the opposite biological sex and refuse to immediately leave when asked, there may be a criminal penalty for students age 18 and above under F.S. 553.865. In addition, school discipline can be imposed for all students as outlined in the appropriate grade-level matrix for entering areas on campus designated for the opposite biological sex that will also include defiance. Schools will work with students that have privacy concerns for reasonable accommodations for a undesignated bathroom.

PUBLIC NOTICES WITH PARENTAL OPT-OUT PROVISIONS

Directory Information/Photographs/Publications

FERPA also requires that the School District, with certain exceptions, obtain written parental

consent prior to the disclosure of personally identifiable information from a child's education records. However, the School District may disclose appropriately designated "directory information" without written consent, unless the parent has advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the School District to include this type of information from a child's education records in certain school publications. Examples include:

- A playbill, showing a student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks and law enforcement agencies. If parents do not want the School District to disclose directory information from their child's education records without prior written consent, they must notify the District in writing by September 15 of each year or within 30 days of receiving this annual notice. The School District has designated the following information as directory information:

- Student's name
- Electronic mail address
- Photograph or other likeness (with parental consent)
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of athletic team members
- Degrees, honors, and awards received
- The most recent school attended

NOTE: Objecting to the release of directory information may result in your name, photograph and other directory information being excluded from yearbooks, sports programs, and other school publications. Both parents have a right to see the school records of their child unless there is a certified copy of a court order on file at the school that specifically denies the right to access school records. Copies of school records are available for minimal copying charge. If you have any questions about these rights, please contact your school office.

Military Opt-Out Procedures

Under federal law, military recruiters are entitled, upon request, to a list of names, addresses, and telephone numbers of high school students unless you object to such release. **You or your parents must notify your principal in writing if you do not want your name, address and telephone number released to military recruiters without prior written parental consent. This written notification may be submitted at any time and the School District will honor**

the objection from that point forward unless you otherwise provide written notification to your principal. A military opt out form is available on the District web site: www.manateeschools.net. You may also request a copy of the form at your school's main office.

Higher Education Opt-Out Procedures

Under federal law, institutions of higher learning are entitled, upon request, to a list of names, addresses, and telephone numbers of high school students, unless you object to such release. You or your parents must notify your principal in writing if you do not want your name, address, and telephone number released to institutions of higher learning without prior written parental consent. This written notification may be submitted at any time and the School District will honor the objection from that point forward unless you otherwise provide written notification to your principal.

Notification of Rights under the Protection of Pupil Rights Amendment (PPRA)

PPRA affords parents certain rights regarding the District's conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

1. Consent before students are required to submit a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education: a. Political affiliations or beliefs of the student or student's parent; b. Mental or psychological problems of the student or student's family; c. Sexual behavior or attitudes; d. Illegal, anti-social, self-incriminating, or demeaning behavior; e. Critical appraisals of others with whom respondents have close family relationships;

f. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers; g. Religious practices, affiliations, or beliefs of the student or parents; or h. Income, other than as required by law to determine program eligibility. 2. Receive notice and an opportunity to opt a student out of: a. Any other protected information survey, regardless of funding; b. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; c. Activities involving collection, disclosure, or use of personal information that has been obtained to market or to sell or otherwise distribute the information to others; and d. In accordance with s. 1002.222(1)(a), the right to opt out of any district-level data collection not required by law. 3. Inspect, upon request and before administration or use, the following: a. Protected information surveys of students; b. Instruments used to collect personal information from students for any of the above for marketing, sales, or other distribution purposes; and c. Instructional material used as part of the educational curriculum. These rights transfer from the parents to the student who is 18 years old or an emancipated minor under State law. Parents who believe their rights have been violated may file a complaint with: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-5901

2023-2024 Code of Student Conduct Change Summary

SECTION III POSITIVE SCHOOL CLIMATES		
Page/Section	**Change**	**Rationale**
(P.10) Igniting Positive School Climates	Project Spark combines prevention and early intervention through our Multi-Tiered Systems of Support (MTSS), and a focus on building environments for optimal engagement; cultivating skills that build resiliency; and supporting safe and welcoming learning communities.	We chose to put the spotlight on multiple elements of our effort to build more positive school climates.
(P.10) Building Environments for Optimal Engagements	**Building Environments for Optimal Engagement** Whether due to unclear expectations or learning goals, the impact of stress or trauma, or poor relationships with adults and peers, the optimal engagement of our students with their learning environment is challenged by numerous factors. To help address these barriers to student engagement, the SDMC actively promotes several initiatives. CHAMPs is an evidence-based system of classroom management supported by over 30 years of research. Teachers use the CHAMPs model to clarify expectations for learning activities and transitions that occur throughout a class or school. The CHAMPS acronym stands for: • **C**onversation: Can students talk to each other during this activity? At what level? • **H**elp: How do students get the teacher's attention and their questions answered? • **A**ctivity: What is the task/objective? What is the end product?	
(P.11) Building Environments for Optimal Engagements Continued	• **M**ovement: Can students move about during this activity? • **P**articipation: How do students show they are fully participating? What does work behavior look/sound like? All district schools have at least one trained CHAMPs coach who is tasked to work with teachers for implementing	

	CHAMPs in the classroom. CHAMPs coaches also work with school administrators to establish and solidify school-wide expectations. To assist teachers and other school staff in better understanding developmentally appropriate teaching and learning, the SDMC has begun initial training using The Neurosequential Model in Education (NME). This training offers a way to educate school staff about brain development, developmental trauma, and how to apply that knowledge to support all students in and out of the classroom, especially those impacted by adverse childhood experiences. The SDMC has also dedicated extensive time and resources in providing Youth Mental Health First Aid (YMHFA) training to most of our staff across all schools and support sites. YMHFA allows our staff to better understand and recognize the unique risk factors and warning signs of mental health problems in adolescents, including anxiety, depression, psychosis, eating disorders, substance use disorder, ADHD and other disruptive behavior disorders. YMHFA emphasizes the importance of early intervention, and teaches our staff how to help an adolescent who is in crisis or experiencing a mental health challenge. Quality relationships are perhaps the key element in building a positive school climate and are also critical for optimal student engagement. Our schools offer a wide range of activities and interests for our students to form social bonds and explore their personal interests with like-minded peers. In the classroom setting, relationships between students and adults can be strengthened through the use of practices such as community-building circles. Circles can be used proactively to help build trust, positive feelings, and a sense of belonging within the classroom community. Circles	

	can also be used to discuss classroom expectations, problem-solve common issues, mentally prime students for learning, and create a culture of communication and empathy. With a strong sense of community, circles can also be used to restore relationships that may have been harmed. The SDMC has invested training and resources to bring the concept of circles to our schools. It represents an easy and effective way to foster better relationships and build the foundation for a more positive school climate.	
(P.11) Cultivate Skills that Build Resiliency, (P.11) Supporting Safe and Welcoming Learning Communities	**Cultivate Skills that Build Resiliency** To ensure positive mental health for all students, the SDMC ensures all students have the necessary skills and resources to see them through life's successes and challenges. The new FL Resiliency Standards centered around Character, Personal Responsibility, Mentoring and Citizenship, Critical Thinking and Problem Solving provide the foundation for schools to support and strengthen the characteristics that build resiliency. The new Florida Resiliency Standards will be implemented for the first time during the 2023-2024 school year. The standards will help us connect several existing universal curricular efforts to include substance use education, health education, character education, and mental health education. **Supporting Safe and Welcoming Learning Communities** Along with elements such as our MTSS, community-building circles, and our district code of conduct, the SDMC undertakes several initiatives to help ensure a safe and welcoming environment for all students. • Several of our district schools partner with the Sandy Hook Promise Foundation and operate a SAVE (Students Against Violence Everywhere) Promise Club. SAVE promise clubs are led by a	

	faculty sponsor	
(P.12) Supporting Safe and Welcoming Learning Communities Continued	and empower student leaders to develop and organize activities designed to create safe and welcoming environments for all students. SAVE Promise Clubs are supported by district staff who seek to increase the number of schools that operate these student leadership clubs. If you are interested in joining or starting a club on your campus, please contact your school's administration. When threats of harm are made against the school or any member of our school community, each district school has a specially trained threat management team to assist in mitigating the threat of potential harm. The members of the threat management team are charged with investigating any threat of harm and developing appropriate safety plans to help ensure the threat cannot be carried out and that supports are provided to the students involved. Each school's threat management team includes school administrators, discipline personnel, counselors, and other staff, as well as local law enforcement. The SDMC, local law enforcement, and local community mental health providers work together to ensure our policies and procedures are in compliance with all legal requirements and that our schools provide the highest level of safety for all members of their community. If you become aware of an explicit or implied threat of harm to a school or any member of our school community, please report the concern immediately. In nearly all mass casualty acts of violence in our schools, the perpetrator(s) announce their plans in advance through a phenomenon known as "leakage". Whether on social media or through face-to-face communication, too often these warning signs of impending violence are dismissed or go unreported. The state of Florida has established a reporting system called	

	FortifyFL, which can be downloaded as an app for mobile devices and computers. FortifyFL is designed for suspicious behavior and serious threats that have been made against our schools and school community members. In addition to FortifyFL, the SDMC operates an anonymous reporting system for all acts of bullying, harassment, or other dangerous or unwelcome behaviors that target our students. Each district school has a link on the front page of their website for reporting and there is also a link found on our district website. Together, these reporting systems are designed to help ensure that all concerning or suspicious behavior can be immediately reported and investigated.	

SECTION IV STUDENT ATTENDANCE		
Page/Section	**Change**	**Rationale**
(P.12) Student Attendance	Florida Compulsory School Law (F.S. 1003.21) states all children who are either six years of age (or who will be six years old by February 1 of any school year), but who have not attained the age of ~~16~~ 18 must attend school regularly during the entire school term. ~~Students between 16 and 18 are also within compulsory attendance age, unless a formal Declaration of Intent to Terminate School Enrollment has been completed and signed by the parent and an exit interview is conducted at the school.~~	The Florida Legislature increased the age at which students are allowed to discontinue their public education.

SECTION V STUDENT DISCIPLINE		
Page/Section	**Change**	**Rationale**
(P.19) Threats Against Schools and Persons	**Threats Against Schools and Persons**	This section is now expanded to include threats against the school as a whole, and other individuals.

(P.19, 20) Threats Against Schools and Persons	You are subject to school-based consequences for any threats communicated online or through the use of technology, regardless of the time, day, or location where the threat was made.	This language was already a part of our disciplinary practice. We wanted to better inform students and parents of the jurisdictional reach and consequences.
(P.20) Note:	This includes simulating realistic gunfire, explosions, or acts of violence using apps or other technology.	The proliferation of new apps and technology that can create a realistic -sounding gunfire, potentially creating panic and disruption in the school setting.
***(P.20) Violent and Aggressive Acts	Violent and Aggressive Acts If you commit two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression)	In order to clearly establish that violence or physical aggression will not be tolerated in our schools. 6/2/23- Board member asked Mr. Schrier to define Aggressive Acts
(P. 20) Violent and Aggressive Acts	If you are involved in two violent or aggressive acts (such as fighting, bullying, threats, or physical aggression) in the same school year and while under the jurisdictional control of the school, you may be placed on a district-level Behavior Assessment and Modification (BAM) contract. A third such offense in the same school year may result in your recommendation for reassignment to an alternative program.	This language has been a part of our disciplinary practice for at least two years. We wanted to better communicate the practice to students, parents, and school staff.
***(P.23) Discipline Matrix for Schools	The term SESIR is found 24 throughout the discipline matrix and is an acronym for **School Environmental Safety Incident Reporting.** These discipline incidents are defined by the state and reported to the Florida Department of Education on a monthly basis.	6/2/23- Board member requested the acronym SESSIR be spelled out.
SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS		
Page/Section	**Change**	**Rationale**

(P. 28-41) SDMC Discipline Matrix	Added RTI to the MTSS as an option after the 3rd offense for most discipline infractions. Previously, many infractions did not have such administrative action listed until the 4th offense	We wanted to make sure that students were consistently referred for early intervention.
(P.28-41) SDMC Discipline Matrix	Added ALT Placement as an option after the 3rd offense of SESIR Bullying or Other Serious behavior.	This was a decision proposed and made to help keep our schools and students as safe as possible.

The day of OSS was added for a second offense to be consistent with a progressive system of discipline.

SECTION VI PROCEDURES RELATING TO DISCIPLINARY ACTIONS

Page/Section	Change	Rationale
(P.50) Out-of-School-Suspension	~~When OSS is deemed appropriate, the district does offer an Alternative To Out of School Suspension (ATOSS) program that is housed at two different locations. You are responsible for transportation to ATOSS however, it does offer a structured and supervised environment where assignments may be communicated and submitted to your regular teachers.~~	This program was eliminated from funding and discontinued.
***(P. 51) Out of School Suspension Q & A	How do I make up my work while on suspension? A. You are encouraged to remain current with all class assignments	6/2/2023- Board member requested language be incorporated encouraging students to continue their schoolwork when suspended

(P.52) Expulsion and Discipline Reassignment Q & A	~~All alternative placements and expulsion recommendations for students with disabilities are made by the appropriate IEP or 504 team.~~	This is not accurate. The majority of recommendations for reassignment or expulsion are made by the school principal.
SECTION VII IMPORTANT POLICIES AND PROCEDURES		
Page/Section	**Change**	**Rationale**
(P.57) Suspected Overdose	Suspected Overdose District schools may maintain an on-site supply of the opioid antagonist Naloxone, following guidelines established in Board Policy 5780 and F.S. 499.003. Naloxone is a medication that is used to reverse an opioid overdose. If any student or staff are suspected of having an opioid-related overdose, Naloxone will be administered by a trained nurse as a life-saving measure.	New Board Policy and state law allowing Naloxone to be stored and delivered in schools.
(P.59) Electronic Equipment	Absent such permission, teachers or other school staff may confiscate your electronic device, per F.S. 1006.07.	New legislation (SB 52) updated F.S. 1006.07 to explicitly allow teachers to confiscate student mobile phones.
(P.59) Electronic Equipment	A student may not electronically record any ~~teacher or a classroom~~ SDMC employee or facility without ~~the teacher's~~ written or explicit permission. This does not apply to school-sanctioned events or activities that may warrant such recording. Additionally, students may not record or post to the Internet recordings of fighting, acts of bullying, assault, or battery, whether staged or real – regardless of time or location.	A situation arose where staff were being recorded and maligned online but who were not teachers. The committee felt protections should be afforded to all staff. The prohibition on recording areas of the school was a recommended security measure during the DOE- led threat assessment training.

VIII PUBLIC NOTICES		
Page/Section	**Change**	**Rationale**
(P.67) Video Surveillance on School District Policy	Requests for school videos are exempt under Florida Statute as well as FERPA -34 CFR s. 99.12, unless under a subpoena.	A recommendation from our General Counsel, based on what law allows for.
***(P.68) Entering Areas Intended for the Opposite Sex	Entering Areas Intended for the Opposite Sex Based upon legislative changes in the law, if you enter an area on campus designated for the opposite biological sex and refuse to immediately leave when asked, there may be a criminal penalty for students age 18 and above under F.S. 553.865. In addition, school discipline can be imposed for all students as outlined in the appropriate grade-level matrix for entering areas on campus designated for the opposite biological sex that will also include defiance. Schools will work with students that have privacy concerns for reasonable accommodations for a undesignated bathroom.	We were compelled by law 6/2/2023- Board member requested opposite sex be defined by using term biological.

STUDENT PROGRESSION PLAN

Student Progression Plan Notice

The School Board has the authority to adopt rules for implementing the student progression requirements for students in grades kindergarten through 12. The Student Progression Plan for Manatee County defines the criteria for graduation, participation in graduation, promotion, intensive remediation, course offerings, evaluating student performance, and reporting to students and parents. The Student Progression Plan for Manatee County has been developed based on Florida Statutes and current and local needs.

Changes may be made to the School District of Manatee County Student Progression Plan at any time pending new legislation or interpretation of legislation from the Florida Department of Education.

In the event of a situation which significantly alters the standard process for delivering education, such as natural disasters, pandemics, etc., the School District of Manatee County reserves the right to amend policies and procedures to allow for the continued education, articulation, and graduation of students.

For purposes of this document, pursuant to Florida Statute, "Parent" is either or both parents of a student, any guardian of a student, any person in a parental relationship to a student, or any person exercising supervisory authority over a student in place of the parent (FS 1000.21(5)).

For more information, see Florida Department of Education website – www.fldoe.org.

General Information (K-12), Section 4.9

I. Admission and Enrollment

To enroll a student in school in the School District of Manatee County (SDMC), the parent must have physical custody of the student at least 50% of the time and certify ~~to~~ that fact on the enrollment form. The address of the enrolling parent will be used for purposes of pupil assignment to a school. If parents are separated or divorced, the student will not change schools when the student stays with the non-enrolling parent, unless there has been a documented change in custody.

For the purpose of this policy, the term "parent" is defined as either or both biological or adoptive parents of a student, or any legal guardian of a student. The term "legal guardian" includes any guardian established by court order or a guardian-in-fact established by the filing of a proper Guardianship Affidavit with the District. Step-parents have no legal rights regarding enrollment and school activities, unless guardianship to act on behalf of the spouse is established. A "change in custody" occurs when a child who was living with the enrolling parent at least 50% of the time, no longer lives with the enrolling parent at least 50% of the time. The enrolling parent will not be changed unless both parents agree, changes to the parenting plan or other legal documentation is presented expressly directing this change and/or there is a change of address outside of the zoned school boundary.

Any Florida student who resides outside of Manatee County who wishes to attend the School District of Manatee County must have permission from both the school district of his or her residence and the Manatee County School District. The Superintendent or designee is authorized to give ~~the~~ permission. Students must apply annually~~.~~ ~~A~~any student who receives permission prior to the start of the school year will be granted permission for the upcoming school year only. Any student receiving permission to attend after the first day of school will be granted permission to complete the current school year only. The student must maintain acceptable attendance, discipline, and academic requirements. The student does not have a property interest in attending the school, and the Superintendent may revoke the student's permission to attend at any time.

First Enrollment

Prior to the student's first day, the school must have received the documentation detailed below as required by Section 1003.21, Florida Statutes. ~~The~~ Enrollment at Manatee ~~S~~schools ~~Enrollment Form~~ may be ~~obtained~~ completed at~~from~~ the zoned school via parent kiosk or from the SDMC website (https://www.manateeschools.net/registration). ~~Changes can only be made to this form by the enrolling parent.~~

Students may only be released from school to those who are listed ~~on~~ in the Pick-Up/Emergency Contact list ~~section of the Enrollment R~~completed during registration ~~Form~~. The enrolling parent is responsible for notifying the school of any updates or changes to the information given during~~on the enrollment~~ registration ~~form~~.

For ~~S~~students who are experiencing homelessness and do not have access to the required documents, please see the general information section 4.9 Homeless Students on page 12.

~~Students entering kindergarten must be five years of age on or before September 1st.~~

Florida Statute 1003.21 requires a child be five (5) years old on or before September 1st. Parents who provide a passport for proof of age must also provide documentation of proof of parentage, proof of legal custody and/or guardianship, or any other evidence that one is a parent as that term is defined under F.S. 1000.21(5). In the event that such documentation is not available, the person registering the child must present, at the time of registration, an affidavit sworn to by the parent, that he/she is the parent, legal guardian, or otherwise as defined by the statute above.

1. Verification of Age - One of the following documents must be provided:
    - An original or certified copy of child's birth certificate
    - A certificate of baptism, accompanied by parent's affidavit
    - An insurance policy
    - An original or certified copy of a religious ceremony certificate, accompanied by Parent's Affidavit
    - A passport
    - A copy of the student's school record
    - An affidavit of age sworn ~~to~~ by parent, accompanied by a medical practitioner's statement
2. Evidence of immunization against communicable diseases

Florida law (1003.22 F.S.) requires that students attending Florida schools, (public, private and charter) have the following documentation on file in their school health records:

- Physical exam (DH-3040 or equivalent) COMPLETED and SIGNED by a health professional who is licensed in Florida or in the state where the student resided at the time of the health examination, and who is authorized to perform a general health examination under such licensure. The exam must be completed within the 12 months prior to ~~your~~ thechild enrolling in a Florida School. Children are not admitted to school without a physical exam. Contact ~~your~~ a medical provider (doctor/clinic) for a school physical exam (DH-3040).
- Certificate of Immunization (DH 680) with all immunization dates/or disease date(s) completed and/or updated by the health care provider. Students entering the designated grade levels are required to show proof of these vaccines or a valid medical/religious exemption before entry into school.

3. Proof of Manatee County Residency -Schools will accept one of the following sets of documents:
    - A copy of a current water bill, electric bill, lease agreement, or proof of home ownership in parent's name, with address and name of parent/legal guardian as receiving the service
    - A copy of a Migrant Services Certificate of Eligibility
    - An official letter from company which is providing housing with name of parent (for example, migrant camp)
    - A residency letter from Project Heart Homeless Education Program to verify that a family is

deemed homeless under the McKinney-Vento Act

If the parent cannot provide one of the listed requirements, all of the following are required:

- A notarized statement from the owner/lessee of the home where they are living, stating the names of all people residing at the address
- A current utility bill (power or water) with the owner/lessee's name and address
- A government issued ID with the new address or processed USPS change of address documentation

4. Academic History

The School District of Manatee County strongly encourages the enrolling parent to provide copies of any special education records (such as IEP) that might assist in placement of students in the appropriate classes.

- Last ~~R~~report ~~C~~card
- Withdrawal Form
- ~~A 1st grader who attended a private kindergarten for a full year must provide p~~Proof of attendance and successful completion of kindergarten for a 1st grader who attended a private kindergarten for a full year
- Copies of any special education records ~~(~~such as evaluation reports, eligibility forms, IEP, 504, or EP.~~) that might assist in placement of students in the appropriate classes~~
- Transcripts are required for students with high school credit to determine progress toward graduation

Entry from another Manatee County School

Upon initial admission or entry from one attendance zone to another in SDMC, evidence of residence must be presented to the receiving school. All addresses are subject to verification by the School Board.

Parent must provide the following documents:

1. Manatee School Enrollment ~~Form.~~

   Manatee School Enrollment ~~Form~~ may be ~~obtained~~ completed at ~~from~~ the zoned school via parent kiosk or from the SDMC website (https://www.manateeschools.net/registration). Changes can only be made ~~to this form~~ by the enrolling parent. Students may only be released from school to those who are listed on the Pick-Up/Emergency Contact list section ~~of the Enrollment Registration Form~~. The enrolling parent is responsible for notifying the school of any updates or changes to the information on the enrollment registration.

2. Proof of Manatee County Residency – Schools will accept one of the following documents:

   - A copy of a current water/electric bill, lease agreement, proof of home ownership in parent's name, with address and name of parent
   - A copy of a Migrant Services Certificate of Eligibility

- An official letter from company which is providing housing with name of parent (for example, migrant camp)
- A residency letter from Project Heart Homeless Education Program to verify that a family is deemed homeless under the McKinney-Vento Act

If the parent cannot provide the above requirements, all of the following are required:

- A notarized statement from the owner/lessee of the home where they are living, stating the names of all people residing at the address
- A current utility bill (power or water) with the owner/lessee's name and address
- A government issued ID with the new address or processed USPS change of address documentation

Contact the Office of Student Assignment at (941)708-4971 for additional options.

Falsification of address can make a student ineligible for high school athletics for one (1) calendar year.

3. Withdrawal form from previous school.

Entry from a Public or Private School ~~W~~within Florida

Parent must provide the following documents:

1. Manatee School Enrollment ~~Form~~

   Manatee School Enrollment ~~Form~~ may be ~~obtained~~ completed at ~~from~~ the zoned school via parent kiosk or from the SDMC website (https://www.manateeschools.net/registration). Changes can only be made ~~to this form~~ by the enrolling parent. Students may only be released from school to those who are listed on the Pick-Up/Emergency Contact list section of the Enrollment Registration ~~Form~~.

   The enrolling parent is responsible for notifying the school of any updates or changes to the information on the enrollment registration ~~form~~.

2. Proof of Manatee County residency – Schools will accept one of the following documents:

   - A copy of a current water/electric bill, lease agreement, proof of home ownership in parent's name, with address and name of parent
   - A copy of a Migrant Services Certificate of Eligibility
   - An official letter from company which is providing housing with name of parent (for example, migrant camp)
   - A residency letter from Project ~~Heart~~ HEART Homeless Education Program to verify that a family is deemed homeless under the McKinney-Vento Act

If the parent cannot provide the above requirements, all of the following are required:

- A current utility bill (power or water) with the owner/lessee's name and address
- A government issued ID with the new address or processed USPS change of address documentation

Contact the Office of Student Assignment at (941)708-4971 for additional options.

Falsification of address can make a student ineligible for high school athletics for one (1) calendar year.

3. Withdrawal form from previous school.

4. Academic History

The School District of Manatee County strongly encourages the enrolling parent to provide copies of any special education records (such as IEP) that might assist in placement of students in the appropriate classes.

- Last ~~R~~report ~~C~~card
- Withdrawal Form
- ~~A 1st grader who attended a private kindergarten for a full year must provide~~ pProof of attendance and successful completion of kindergarten for a 1st grader who attended a private kindergarten for a full year
- Copies of any special education records ~~(~~such as evaluation reports, eligibility forms, IEP, 504, or EP.~~) that might assist in placement of students in the appropriate classes~~
- Transcripts are required for students with high school credit to determine progress toward graduation

Entry from Home Education

Students who are participating in a home education program may be admitted to SDMC on a full-time or part-time basis. The student seeking entry must meet the same registration requirements as full-time students [F.S. 1002.41]. Students transferring to SDMC from home education as ~~a~~ full-time students must have documentation to verify academic history in the form of a transcript, annual evaluation, or portfolio as outlined in section 1002.41 F.S. Home education students must register for all courses prior to the start of the semester they will attend. Home education students who are excluded from a class because the course is not offered or due to space limitations at their zoned school may be assigned to another school if there is available space.

The school principal will establish the time and place for arrival and departure of home education students. SDMC is not responsible for the transportation of students in a home education program to or from the school. Students who attend on a part-time basis are subject to all applicable rules and regulations pertaining to full-time students. Students who are participating in a home education program may participate in extracurricular activities. Participation is on a space available basis, and students must meet the same registration requirements as full-time students [F.S. 1002.20(18)(b)].

Over-~~-~~Age Students Who Interrupt Their Education

The following procedures are to serve as a guide for appropriate placement. The final decision will be made

by the school principal of the regular school and the Supervisor of Alternative Education.

1. Except as provided in (4), (5), (6), and (7) below, a student seventeen years of age or older who has interrupted his or her high school education and who subsequently desires to enroll in Manatee County Public Schools may enroll in county adult programs or alternative programs. The student may not enroll in a regular high school except in extenuating circumstances approved by the principal of the regular school and the Supervisor of Alternative Education. The principal will determine if enrollment is appropriate. Parents of students who are not enrolled may appeal the principal's decision to the Executive Director of Secondary Education.

2. Except as provided in (4), (5), and (6) below, students may not enroll in or continue in a regular high school for more than eight semesters, unless the principal approves the enrollment beyond eight semesters. The principal will consider the reason the student wants to continue high school, the educational progress to date, and the student's commitment to education. If the principal does not approve enrollment in the regular high school beyond the eight semesters, the student may enroll in county adult programs or alternative programs. The semester count begins the first semester a student enrolled in ninth grade at any public or private school.

3. Except as provided in (4) below, students may not enroll in or continue in a regular high school if they cannot earn the number of required credits to graduate by their 20th birthday. The student may enroll in county adult programs or alternative programs.

4. For students with disabilities who have not graduated with a Standard Diploma, the district will provide services until the end of the school year in which the student turns 22 years old, providing that the student was 21 years old on the first day of school.

5. English Language Learners (ELL) who have completed the credits required for graduation and who have failed to meet the 10th grade standards as measured by the required state assessments shall be eligible for compensatory education for "a thirteenth year" as provided in Section 1003.43.F.S.

6. If a foreign-born ELL student without records enters school, the student must be placed age appropriately (14= 9th grade, 15= 9th or 10th grade, 16=10th grade, and 17=11th grade), and the Uniform Transfer Records Guideline Verification Process must be followed.

7. Per the State of Florida Consent Decree and the Office of Civil Rights, no student may be denied enrollment in the regular high school program on the basis of refugee status or limited English proficiency. Students who qualify for ELL services must be placed age appropriately if no official transcript is available.

8. Students who enter without records are eligible for the verification process as defined in the Uniform Transfer of Records Guidelines.

School Choice Options

The School Choice Program shall provide an opportunity for all students in Manatee County to apply for assignment to any district school that is within the designated elementary cluster or middle school region of

the student's zoned school as determined by the address of the student's parent. Approval of School Choice applications will be by school, program, and building capacities as well as the Board's goal of maintaining a student population at every district school which reflects the district's overall socio-economic distribution of population.

Applications to participate in the Voluntary School Choice Controlled Open Enrollment Program shall be available at all school sites via the parent kiosk and through the parent portal and the Office of Student Assignment during the School Choice Open Enrollment period. This applicationform shall be completed by the student's enrolling parent and submitted to the designated office prior to the close of the School Choice Open Enrollment period. Students who have been approved through the Choice process to attend a school out of their assigned area will be governed by the following rules:

1. High school athletic eligibility at the Choice school will be determined according to the provisions of the Florida High School Athletic Association (FHSAA). If there is a question regarding the eligibility of any student, FHSAA procedures shall be followed.
2. Students receiving School Choice are approved through the completion of the highest grade level at that school. The Choice school, therefore, becomes the student's assigned district attendance school. However, the principal may recommend that the student be withdrawn and returned to his/her home zoned school for severe attendance or disciplinary issues. The principal's recommendation is subject to review by the District Administrative Appeals Committee.
3. Students who are approved for Choice are expected to continue in attendance at the Choice school throughout at least one school year and may then apply for a different school, including their original boundary assigned school, but only through application during the School Choice Open Enrollment period.
4. Other School Choice options include: Hardship Transfers, Home Education, Manatee County Virtual Programs, and Enrollment in Charter Schools.
5. Students can only be in attendance at one school as assigned by the Office of Student Assignment other than being enrolled in a virtual or home school program.

Homeless Students

Homeless students are children and youth who lack a fixed, regular, and adequate nighttime residence and include children who are:

1. Sharing the housing of others due to loss of housing, economic hardship, or a similar reason;
2. Living in motels, hotels, travel trailer parks, or camping grounds due to the lack of alternative accommodations;
3. Living in emergency or transitional shelters or abandoned in hospitals;
4. Sleeping in a place that is not ordinarily used as a sleeping place for human beings;

5. Living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;

6. Migrant and living in one of the above.

Homeless children and youth shall be immediately enrolled even if the student is unable to provide documents that are typically required for enrollment, such as previous academic records, records of immunization and other health records, proof of residency, or other documentation. Enrollment means permitting the student to attend classes and participate fully in school activities. Although the McKinney Vento Act is silent on the definition of "immediate", the standard dictionary definition is "without delay". ~~T~~; therefore, the student must begin attending classes and participating fully in school activities without delay. Generally, that would mean the same or the following day. Families claiming to be homeless and needing enrollment assistance should be referred to Project HEART Homeless Education Program, and the family will be provided with a residency letter for proof of residency.

Homeless children and youth shall be immediately enrolled even if students are unable to produce immunization or other required health records, recognizing that families and youth who are homeless are frequently unable to obtain and keep copies of records. The vast majority of homeless students have been enrolled in school before and have had required immunizations. These records should be a part of their school records. Since the enrolling school is required to contact the previous school for records, the information should be available quickly. The enrolling school and the District Homeless Liaison should work together to get immunization records as soon as possible. If a student has not had immunizations, initial doses should be administered as soon as possible. Families claiming to be homeless and needing to enroll without immunization records and/or a physical examination should be referred to Project HEART Homeless Education Program, and the family will be provided with a 30-school day waiver ~~in order~~ to help them acquire~~d~~ the necessary documentation for their records.

Unaccompanied children and youths~~,~~ not in the physical custody of a parent~~,~~ and living in homeless situations are defined as unaccompanied homeless students. Unaccompanied ~~H~~homeless students have the right to self-enroll and should be referred to Project HEART Homeless Education Program for enrollment assistance and other services.

When it is in the student's best interest and it is the wish of the parent, or it is the wish of an unaccompanied youth, homeless students can continue to attend the school of origin. The school of origin means the school that the student attended when permanently housed~~,~~ or the school in which the student was last enrolled. Formerly homeless students can also continue at the school of origin for the remainder of the school year in which they obtain permanent housing.

If the District Homeless Liaison assigns a homeless student to a school other than the school of origin, a written explanation must be provided to the parent, including the right to appeal the decision.

If there is a dispute regarding school selection or enrollment, the student shall be immediately admitted to the school of origin or assigned zone school as requested by the parent and transportation provided to and from the school of origin, pending resolution of the dispute.

The case must be referred to Project HEART Homeless Education Program to ensure the resolution process is carried out as quickly as possible. Project HEART Homeless Education Program will convene a review committee including a representative from the transportation department and the Superintendent's designee.

Parents may appeal an unfavorable decision to the Supervisor of Student Assignment. The decision of the Supervisor of Student Assignment may be appealed to the Superintendent who is vested with the authority to place students in the school which is in their best interest. The Superintendent will render the final local decision concerning school placement. Parents have the right to appeal to the Florida Department of Education.

Transportation will be provided for a homeless student to and from the school of origin for the remainder of the school year. Homeless students needing transportation assistance to school of origin should be referred to ~~p~~Project HEART Homeless Education Program.

Transfer Students from Out of Country

Students who transfer to a School District of Manatee County site without records should be placed age appropriately. The student's age on September 1 of the school year in which enrollment occurs should be used to determine "age" at entry. Coordination with the school-based ELL Committee is recommended to assist in issues regarding course placement for such students. Students cannot be denied access to free and appropriate education due to lack of academic records. If an out-of-country student without records enters school, the student must be placed age appropriately, and the Uniform Transfer of Records Guideline Verification Process must be followed.

Students who indicate "yes" on the Home Language Survey during enrollment must be assessed for language proficiency within the first 20 days of enrollment. Students eligible for English Language Learner (ELL) services are entitled to equal access to programs, such as early childhood, vocational, and adult education programs. ELL students should not be restricted for reasons related to limited English proficiency. Students must receive understandable instruction, not necessarily in their native language.

State Uniform Transfer of Credit Guidelines for Middle School

The procedures relating to the acceptance of transfer work and courses for students entering Florida's public schools composed of middle grades 6, 7, and 8 from out of state or out of country are as follows:

1. Grades earned and offered for acceptance shall be based on official transcripts and shall be accepted at face value, subject to validation if required by the receiving school's accreditation. If validation of the official transcript is deemed necessary, or if the student does not possess an official transcript or is a home education student, successful completion of courses shall be validated through performance during the first grading period as outlined in subsection (2) of this rule.

2. Validation of courses shall be based on performance in classes at the receiving school. A student

transferring into a school shall be placed at the appropriate sequential course level and should be passing each required course at the end of the first grading period. Students who do not meet this requirement shall have courses validated using the Alternative Validation Procedure, as outlined below.

3. Alternative Validation Procedure:

If validation based on performance as described above is not satisfactory, then any one of the following alternatives identified in the district's Student Progression Plan shall be used for validation purposes as determined by the teacher, principal, and parent.

a. ~~A p~~Portfolio evaluation by the principal or designee, including samples of course work, subject area assessments, and standardized tests to show mastery of the standards for the course;

b. Demonstrated performance in courses taken at other public or private accredited schools;

c. ~~A d~~Demonstrated proficiency on nationally-normed standardized subject area assessments;

d. ~~A d~~Demonstrated proficiency on the required state assessment; or

e. ~~A w~~Written review of the criteria utilized for a given subject provided by the former school.

State Uniform Transfer of Credit Guidelines for High School Credit Courses

The ~~procedures~~ guidelines for students transferring from out-of-state or out-of-country, including ELLs, into a Florida public school are as follows:

1. Grades earned and offered for acceptance shall be based on official transcripts and shall be accepted at face value. Credits for courses requiring an EOC will be accepted based on state statute.

If validation of the official transcript is deemed necessary, or the student does not possess an official transcript~~,~~ or is a home education student, successful completion of courses shall be validated through performance during the first grading period. Validation of courses shall be based on performance in classes at the receiving school. A student transferring into a school shall be placed at the appropriate sequential course level and should earn a grade of "C" or better at the end of the first grading period in that course. ~~A student who meets this criterion will receive a Pass ("P") grade on the academic history for the validated courses, which has no impact on a student's GPA.~~ Students must be provided at least 90 days from date of transfer to prepare for assessment, if required. Students who ~~do~~are not ~~meet the~~ validat~~ion~~ed based on the performance requirement shall have courses validated using the Alternative Validation Procedure as described below:

a. Portfolio evaluation by the principal or designed, including samples of course work, subject area assessments, and standardized tests to show mastery of the standards for the course

b. Demonstrated performance in courses taken at other public or private accredited schools;

c. Demonstrated proficiency on nationally-normed standardized subject area assessments;

d. Demonstrated proficiency on the required state assessments or other required state assessment; or

e. Written review of the criteria utilized for a given subject provided by the former school.

Homeschool transfer student(s) must enter by the first semester of their 11th grade year to be included in class rank.

2. Students who enter a Florida public school at the 11th or 12th grade from out-of-state or from a foreign country shall not be required to spend additional time in a Florida public school in order to meet the high school course requirements if the student has met all requirements of the school district, state, or country from which they are transferring. However, to receive a Standard High School Diploma, a transfer student must earn a 2.0 grade point average and pass the required state assessment(s) or an approved alternative assessment. The approved alternative assessments are the PSAT, ACT and SAT.

3. Transferring students who are not proficient in English should receive immediate and intensive instruction in English language acquisition.

4. A dependent child of a member of the United States Armed Forces, who enters a public school at the 12th grade level from out of state or from a foreign country and provides satisfactory proof of attaining a score on an approved alternative assessment that is concordant to a passing score on the required state assessment(s), has satisfied the assessment requirement for a Standard High School Diploma. In lieu of testing requirements for graduation in a school of the receiving state, states shall accept exit or end-of-course exams required for graduation from a school in the sending state or national norm-referenced achievement tests or alternative testing.

II. Withdrawals

Withdrawal to a School Outside of the District

Parents withdrawing a student from a School District of Manatee County site to another school district must complete a withdrawal form at the school. This form is a record of the student's grades up to the last date of attendance. All books must be returned~~,~~ and any fines resolved prior to withdrawal.

The enrolling school will request official records. ~~The registrar will send copies of the cumulative folder, a transcript (high school), and any other educational records pertinent to academic placement to the requesting school.~~ The registrar will scan the withdrawal form and any remaining hardcopy documents into Scribbles and direct the enrolling school to the Records Management website to request official records.

Withdrawal to a School within the District

Parents withdrawing a student from a School District of Manatee County site to another School District of Manatee County school must complete a withdrawal form at the school.

This form is a record of the student's grades up to the last date of attendance. All books must be returned~~,~~ and any fines resolved prior to withdrawal.

The enrolling school will request official records. ~~The registrar will send the cumulative folder and any other educational records pertinent to academic placement to the requesting school.~~ The withdrawing registrar will

scan the withdrawal form and any remaining hardcopy documents into Scribbles and advise the receiving registrar once complete. The enrolling registrar will submit a service desk ticket via the SSO to have the student transferred to their school in Scribbles.

III. Reporting and Notification

Annual Reporting

Each district must annually publish to the public and report in writing to the State Board of Education by September 1 of each year the following information on the prior school year:

1. the provisions of student progression and the district's policies and procedures on student retention and promotion
2. by grade, the number and percentages of all students in grades 3 through 10 performing at level 1 and 2 of the required English Language Arts (ELA) state assessment
3. by grade, the number and percentages of all students retained in grades 3 through 10
4. information on the total number of third grade students who were promoted or placed for good cause by each category of good cause
5. any revisions to the district's policy on student retention and promotion from the prior year.

The Department of Curriculum, Instruction, and Assessment ~~and Professional Learning~~ has the responsibility to ensure this information is printed prior to September 1st each year.

Allocation of Resources

Remedial and supplemental instructional resources must be allocated~~,~~ and spending prioritized as follows:

1. First, to students who are substantially deficient in Grades K- 3 Reading.
2. Second, to students who score below grade level on required state assessments, including:
    a. Students in grades 3-10 who score Level 1 or 2 on required state assessments in English Language Arts (ELA) or mathematics or who fail the End of Course (EOC) Exam;
    b. Students in grades 11-12 who do not meet the required state assessments or EOC graduation requirement in English Language Arts (ELA) or mathematics.
3. Third, to students who failed to meet the performance levels required for promotion.

Participation in District and State Assessments

All students in grades Pre-K through 12 must participate in Florida's statewide assessments and progress monitoring system as required by Florida Statute. District progress monitoring assessments are also administered to K-12 students at intervals throughout the year. Schools will participate in assessments for

learning as indicated in the District Assessment Schedule.

Reporting to Parents:

The district will provide student's results on state assessments and district-required local assessments to the student and his/her parent within 1 week of those results being received by the district. The student's progress toward achieving state and district requirements for proficiency in core academic subject areas shall be reported quarterly ~~adopted~~ by the district school board to each student and his/her parents. The evaluation of each student's progress must be based upon the student's classroom work, observations, tests, district and state assessments~~,~~ and other relevant information.

All written and oral communication between school district personnel and parents of current or former English Language Learners shall be in the parents' primary language or other mode of communication commonly used by the parents, unless clearly not feasible.

Report Card

The ~~R~~report ~~C~~card must clearly depict the following:

1. The student's academic performance on grade level in each class or course, which in grades K through 12 must be based upon achievement of the State Standards as evidenced by class work, tests, and other academic performance indicators;

2. The student's citizenship and behavior. ~~Student's c~~Citizenship marks are "E, S, N, U (E-Excellent, S-Satisfactory, N-Needs Improvement, U- Unsatisfactory) for kindergarten, ~~and~~ first, and second grade and~~.~~ E, S, I, N, U (E-Excellent, S- Satisfactory, I-Improving, N-Needs Improvement, U-Unsatisfactory) for third~~second~~ through fifth grades. Secondary marks are 1, 2, 3, or 4 (1-Excellent, 2-Satisfactory, 3-Needs Improvement, 4-Unsatisfactory); and

3. The student's attendance, including absences and tardies.

The student's final ~~R~~report ~~C~~card for a school year shall include a statement indicating end-of-the-year status regarding performance or nonperformance at grade level (has/has not performed satisfactorily at grade level); acceptable or unacceptable behavior (has/has not demonstrated acceptable behavior); attendance (has/has not met district attendance requirements); and promotion or non-promotion (has/has not met promotion requirements at this time). The end-of-the-year report card must indicate promoted, retained, or placed for good cause.

Each English Language Learner receiving English for Speakers of Other Languages (ESOL) services is graded based on his/her academic progress at his/her level of English proficiency. The teacher must document that accommodations and strategies of instruction and assessment were employed, which allowed the student to demonstrate progress in the achievement of the benchmarks and grade-level expectations. A grade of "Unsatisfactory," "D," or "F" may only be assigned to an English Language Learner receiving ELL services if he/she received appropriate accommodations and strategies in instruction and assessment, and the student demonstrated no progress toward achieving the standards and grade-level expectations at his/her level of English proficiency.

A student with a disability who is taking standardized state assessments, such as required state assessments, is graded on his/her achievement of the standards, benchmarks, and grade-level expectations appropriate for his/her grade using the standard ~~R~~report ~~C~~card. The student is to be given appropriate accommodations for all classroom instruction and testing as documented on the student's Individual Education Plan (IEP). Per state rule 6A-1.0943, a student with a significant cognitive disability ~~A student with a disability~~ may participate in the Florida Standards Alternative Assessment if the eligibility requirements for Florida Standards Alternate Assessment are met and documented on the IEP. ~~based on the IEP team decision using the Florida Alternative Assessment Participation Checklist located on the assessment page of the IEP~~. The student is to be given appropriate accommodations for all classroom instruction and testing as documented on the student's IEP. The student will be graded on his/her achievement of the Access Point Standards ~~, benchmarks and IEP goals~~ using the standard ~~R~~report ~~C~~card.

Progress Reports

Schools will notify students and parents of the student's mid-term academic progress ~~3r~~ (3rd-12th grades). For English Language Learners, the ~~P~~progress ~~R~~report comments are translated into the home language of the English Language Learners when feasible. If appropriate, schools will make the Spanish and Haitian Creole translation of the ~~P~~progress ~~R~~reports available to parents and inform parents in the comments section of the ~~P~~progress ~~R~~reports that, "the English Language Proficiency Level is taken into consideration when planning instruction, assessments, and grading for English Language Learners."

Grades for courses taken through Manatee Virtual School and course recovery will not be included on the mid-quarter ~~P~~progress ~~R~~report.

IV. General Curriculum Information

Curriculum Additions or Modifications

Any curriculum modification being considered by a school must be submitted on the Request for Program Additions or Modifications form and reviewed by members of the Instructional Division and submitted to the Deputy Superintendent for Instructional Services prior to any changes being implemented at the school level. Florida Statute requires all courses offered in the State of Florida be aligned to the State Standards.

District Homework Guidelines

The School District of Manatee County acknowledges the educational validity of homework as an extension of the instructional program.

Clarification: Homework shall typically refer to those assignments that are meaningfully prepared by the classroom teacher for students to complete outside of the school setting to reinforce and extend the curriculum taught within the classroom.

Purpose:

1. Homework is designed as a reinforcement tool to deepen the understanding of concepts and provide

practice for the mastery of skills formally instructed in the classroom.

2. Homework is designed to promote student responsibility and independent work habits.

Guidelines for Homework:

1. Homework assignments shall be based on the abilities of the students.
2. Homework shall not be used as a punitive measure.
3. Homework assigned for reinforcement shall be done outside of class time.

Teacher Expectations:

Teachers will monitor completion of homework and provide appropriate, graded feedback in a timely manner to students. Teachers should collaborate, whenever possible, to ensure that the amount of ~~the~~ homework assigned to any one student is not excessive.

Multi-T~~t~~iered System of Supports (MTSS)

The District's Multi-Tiered System of Support (MTSS) provides high quality instruction and intervention matched to student needs using learning rate over time and level of performance to inform instructional decisions. The MTSS framework is a continuum of integrated academic, behavioral, mental health, and attendance supports reflecting the need for students to have fluid access to instruction and supports of varying intensity levels. To ensure efficient use of resources, schools begin with the identification of trends and patterns using school-wide and grade-level data.

Within the MTSS framework, resources are allocated in direct proportion to student needs. Data collected at each tier is used to measure the efficacy of supports so that meaningful decisions can be made regarding what instruction and intervention should be intensified and/or maintained. Students who need instructional intervention beyond what is provided universally for behavioral and academic content areas~~,~~ are provided with targeted, supplemental interventions delivered and embedded within the content area courses, individually or in small groups, at increasing levels of intensity. Throughout the continuum of instruction and intervention, planning/problem-solving is used to match instructional resources to educational need. Teams continue to engage in instructional planning and problem-solving to ensure that student success is achieved and maintained. Regular communication between problem-solving teams (i.e., Instructional Leadership Team led by the principal, the Teacher Collaborative~~-~~ Teams, the Intensive Support Team (IST), Individual Education Plan Team, MTSS-Behavior Team), where data-based problem solving is occurring, will guide the appropriate intervention needs.

Intervention, Remediation and Progress Monitoring

Students must participate in Florida's statewide assessments and progress monitoring. Each student who scores below Level 3 in reading or mathematics must be provided with additional diagnostic assessments to determine the nature of the student's difficulty, the areas of academic need, and strategies for appropriate instruction and intervention using the problem-solving process within the MTSS framework.

In consultation with the student's parent, the school in which the student is enrolled must engage in the

problem-solving process to develop and implement an intervention plan which includes a progress-monitoring plan. The Multi-Tiered System of Support framework (MTSS) will serve as a guide for identifying students in need of tiered interventions and progress monitoring. The problem-solving cycle, which is an integral part of the MTSS framework, should be used to match interventions with areas of need. A student who is not meeting the school district or state requirements for proficiency in reading and math shall be covered by at least one of the following plans to target instruction within the MTSS framework and identify ways to improve his or her behavioral and/or academic achievement:

1. a federally required student plan, such as an individual education plan;
2. a school-wide system of progress monitoring for all students;
3. a targeted individualized intervention plan that includes a progress monitoring plan.

The plan chosen must be designed to assist the student or the school in meeting state and district expectations for proficiency. Each student who does not meet the minimum performance expectations defined by the Commissioner of Education for the statewide assessment tests in reading, writing, and mathematics must continue to be provided with remedial or supplemental instruction until:

1. the expectations are met;
2. the student graduates from high school; or
3. the student is not subject to compulsory school attendance.

Problem solving teams should monitor students' responses to intervention and engage in problem solving as needed to ensure positive student response to intervention.

In addition to an intervention plan, which includes progress monitoring, 3rd- 10th grade students, performing at Level 1 or Level 2 on required state assessments, must receive intensified support the following year. An Early Warning System and Elementary Reading Decision Tree will be used by ~~P~~problem-~~-S~~solving teams to identify K-5 students in need of supplemental and intensive supports in the areas of behavior, attendance, and academics. Explicit, systematic, and multi-sensory reading intervention strategies beyond the 90-minute literacy block and frequent, ongoing progress monitoring must occur. Mathematics intervention may be integrated within the student's current mathematics class.

In addition to an intervention plan, which includes progress monitoring, middle and high school students performing at Level 1 or 2 on Florida's statewide assessment in reading and mathematics or who do not earn a Level 3 or higher within the last two academic years may be enrolled in and complete an intensive reading or mathematics course the following year. Students may exit intensive courses at the end of the quarter/semester by demonstrating proficiency at Level 3 or higher on Florida's statewide assessment, or by meeting a concordant/comparative score on a state-approved assessment (PSAT, SAT, ACT) in reading and/or mathematics or by showing proficiency on the district benchmark assessment. Problem-solving teams should monitor students' response to intervention and engage in problem solving as needed to ensure positive student response to intervention.

A school-wide progress monitoring plan provides structure for monitoring the progress of all students and will be an integral part of the school improvement plan. Within the school improvement plan, the school-wide progress monitoring plan has four major components. The intervention plan, which includes progress monitoring for students scoring below a Level 3 on the required state assessments, must include the following:

1. Diagnostic Assessment:

Diagnostic assessments, in addition to the initial screening, are to be administered to all students scoring below a Level 3. Parents may not opt their child out of the District-approved diagnostic tool. In absence of state assessment data, school diagnostic data, or report card showing completion of grade level, the student will be placed into the age-appropriate grade level.

a. The specific diagnostic assessments to be administered must be identified, as well as the process for administering the assessments.

b. For students scoring Level 1 or 2 on the required state reading assessments, reading proficiency must be assessed at the beginning of the school year. The student must continue to be provided with targeted and intensive reading instruction until the reading deficiency is remediated. Targeted intensive instruction is usually associated with the following:

(i) Variety of opportunities for practice

(ii) Problem solving which results in interventions targeted to specific skill development

(iii) Smaller chunks of text or content

(iv) Guided and independent practice

(v) Skill development and practice integrated into all activities

(vi) Frequent progress monitoring

(vii)Criterion-based evaluation of success

c. Diagnostic results are to be gathered and maintained for the students scoring Level 1 and 2 on required state assessments in reading or math.

d. Diagnostic results must be readily accessible to teachers, school administrators, ~~C~~certified School Counselors, parents, and School Psychologists.

2. Intervention plans should include:

a. Interventions, in the targeted areas of weakness, to assist students in meeting state and district expectations in behavior, reading, writing, and or math;~~.~~

b. Targeted strategies to accelerate learning;~~.~~

c. Measurable targets or goals for each deficit area;.

d. A description of the supplemental or intensive instructional intervention and support, when they will be provided, how often, by whom, and for how long;.

e. For reading deficiencies, identification of a student's specific areas of need in phonemic awareness, phonics, fluency, comprehension, vocabulary, and/or oral language. Targeted intervention must be provided for any students scoring Level 1 and 2 on required state assessments in reading or math.

f. Remedial instruction and intervention strategies may include, but are not limited to the following:

(i) Summer school

(ii) Dropout prevention services

(iii) Parent tutorial programs required

(iv) Contracted academic services

(v) Reading instruction

(vi) After-school instruction and other extended day services

(vii)Tutoring

(viii) Mentoring

(ix) Intensive skill development programs

(x) In-person academic advising for struggling high school students (F.S. 1003.491)

3. Parent Consultation and Communication

Parents of students in kindergarten through grade 5 who exhibit a substantial reading deficiency based upon screening, diagnostic, progress monitoring, assessment data, statewide assessments, or teacher observations must receive notification in writing of the following:

- That ~~T~~their child has been identified as having a substantial reading deficiency, including a description and ~~/~~explanation in parent friendly terms~~,~~ of the exact nature of the ~~child's~~ student's difficulty in learning and lack of achievement in reading.~~reading achievement.~~
- A description of the current services that are provided to the child.
- A description of the proposed interventions and supports that will be provided to the child that are designed to remediate the identified area of reading deficiency.
- That, ~~I~~if the reading deficiency is not remediated by the end of grade 3, the child must be retained unless the child is exempt from mandatory retention for ~~meets~~ good cause~~criteria~~.
- Strategies, including multisensory strategies, the parent can use through a read-at-home plan to help their child succeed in reading.
- That the statewide, standardized English Language Arts assessment is not the sole determiner of promotion for grade 3 and that additional evaluations, portfolio reviews, and assessments are available to assist parents and the district in knowing when a child is reading at or above grade level and ready for grade promotion.

- The district's specific criteria and policies for student portfolios and the evidence required for a student to demonstrate mastery of Florida's academic standards for English Language Arts. A school must immediately begin collecting evidence for a portfolio when a student in grade 3 is identified as being at risk of retention or upon the request of the parent, whichever occurs first. ~~A parent of a third grade student who is identified as being at risk for retention, can request the school immediately begin collecting evidence for a portfolio.~~

- The district's specific criteria and policies for mid-year promotion. Mid-year promotion means promotion of a retained student at any time during the year of retention once the student has demonstrated ability to read at grade level. ~~for student retained in grade 3.~~

- Information about the student's eligibility for the New Worlds Reading Initiative under s.1003.485, F.S., and information on parent training modules and other reading engagement resources available through the initiative.

- The process to request and receive a New Worlds Reading scholarship, subject to available funds (s. 1002.411, F.S.).

In addition, schools may not wait for a kindergarten through grade 3 student to receive a failing grade at the end of a grading period to identify the student as having a substantial reading deficiency and initiate intensive interventions.

For students in grades 6 through 12, the school shall notify the student and his/her parents of any remedial or supplemental academic instruction by the end of the first quarter. Parents may be notified through personal verbal contact, through a district-provided letter, during an Individual Education Plan team meeting, or a face-to-face meeting. All written and oral communication between the school district's personnel and parents of current or former English Language Learners shall be in the parents' primary language or the mode of communication commonly used by the parents unless clearly not feasible.

The letter is to include general information about the seriousness of the situation and the intervention plan in place for the students not meeting proficiency. The letter should also include an invitation for the parents to meet with instructional staff to consult about their child's plan.

Parents should be given an explanation of the information on which the decision was based, as well as a copy of the intervention plan for their child.

Parental approval for general education instructional interventions is not required.

4. Monitoring for Results:

The intervention plan must be developed by the end of first quarter, or within 6 weeks of a new student entering school, or as soon as a need is identified through the analysis of data by a problem-solving team. Students receiving supplemental interventions at the end of a school year should begin receiving interventions at the beginning of the next school year until there is evidence that the student has closed the gap and no longer needs supplemental or intensive support services.

The principal or designee will monitor the implementation of the school-wide progress monitoring

plan and the school's plan for providing targeted intervention.

Each quarter, the principal or designee will review the progress of students identified as not meeting proficiency with the Instructional Leadership Team (ILT). The team will check for compliance with the school-wide progress monitoring plan (diagnostic assessment, intervention strategies, quarterly progress updates) and use data to inform instruction. Student progress shall be monitored at least twice a month and compared with the progress of peers to guide instructional decisions. If a student is not responding positively to interventions, an intensive individualized intervention plan should be developed with assistance from a problem-solving team at the school.

Each school will identify its problem-solving teams and their roles and responsibilities for monitoring the progress of all students (e.g., Instructional Leadership Team; Teacher collaborative Teams, IEP Teams, MTSS-B Team, and Intensive Support Team).

~~If a student is not responding positively to interventions, an intensive individualized intervention plan should be written.~~ The intervention plan, including the plan for monitoring progress, can be documented on a student's Individual Education Plan (IEP), English Language Learner's Plan (ELL), or Section 504 Accommodation Plan.

5. For Elementary School Students who are retained:

a. The intervention plan, which includes a plan for progress monitoring, must specify, through the problem-solving process, how the second year's instructional program will be different from the previous year's program, utilizing interventions matched with the student's deficit areas.

b. Students must be provided evidence-based, explicit, systematic, and multi-sensory reading instruction in an area of deficit~~,~~ (i.e., phonemic awareness, phonics, fluency, vocabulary, comprehension, and other strategies).

Career and Technical Education Course Offerings

Career and Technical Education elementary and middle school students, including students with disabilities, may be given the options to earn Career and Professional Education (CAPE) Digital Tool certificates and CAPE industry certifications.

Required Instruction

Pursuant to Florida Statute 1003.42, required instruction will be embedded in K-12 course of study, where age appropriate and consistent with course standards. Students may be exempted from the comprehensive health components that include reproductive health or any disease, including HIV/AIDS, its symptoms, development, and treatment. A student so exempted may not be penalized by reason of that exemption. The process to request an exemption will be posted on the district's website. Appendix C contains the Parent Opt Out form for Health Education.

~~Civic and Character Education:~~

~~Civic and character education is required on the qualities and responsibilities of patriotism and citizenship, including kindness, respect for authority, life, liberty, and personal property; honesty; charity; racial, ethnic, and religious tolerance; and cooperation and for grades 11 and 12 voting using the uniform primary and general election ballot described in s. 101.151 (9).~~

~~Victims of Communism Day:~~

~~The SDMC will observe November 7 as Victims of Communism Day honoring the 100 million people who fell victim to communist regimes across the world per CS/HB 395.~~

Parental Rights

All parental rights are reserved to the parent of a minor child in this state without obstruction or interference from the state, any of its political subdivisions, any other governmental entity, or any other institution, as set forth in s. 1014.04, including, but not limited to all of the following rights of a parent of a minor child:

(a) The right to direct the education and care of his or her minor child.

(b) The right, pursuant to s. 1002.20(2)(b) and (6), to apply to enroll his or her minor child in a public school or, as an alternative to public education, a private school, including a religious school, a home education program, or other available options, as authorized by law.

(c) The right, pursuant to s. 1002.20(13), to access and review all school records relating to his or her minor child.

(d) The right to consent in writing before the state or any of its political subdivisions makes a video or voice recording of his or her minor child unless such recording is made during or as part of a court proceeding or is made as part of a forensic interview in a criminal or Department of Children and Families investigation or is to be used solely for the following purposes:

1. A safety demonstration, including the maintenance of order and discipline in the common areas of a school or on student transportation vehicles;

2. A purpose related to a legitimate academic or extracurricular activity;

3. A purpose related to regular classroom instructions;

4. Security or surveillance of buildings or grounds; or

5. A photo identification card.

(e) The right to be notified promptly if an employee of the state, any of its political subdivisions, any other governmental entity, or any other institution suspects that a criminal offense has been committed against his or

her minor child, unless the incident has first been reported to law enforcement or the Department of Children and Families and notifying the parent would impede the investigation.

The School District of Manatee County will develop and adopt a policy to promote parental involvement in the public school system including but not limited to;

1. A plan for parental participation in schools to improve parent and teacher cooperation in such areas as homework, school attendance and discipline;

2. A procedure for a parent to learn about his or her minor child's course of study, including the course of any supplemental education materials;

3. Procedures for a parent to object to instructional materials and other materials used in the classroom.

Elementary School Education (Grades K-5), Section 4.9.1

I. Program of Studies Grades K-5

All students will receive instruction in English Language Arts (ELA), mathematics, science, social studies, the arts, health, and physical education aligned with state standards. ELA, mathematics, science, the arts, and physical education will be graded courses. Students and families must be notified at the beginning of each year as to how their grades in each core academic area will be determined.

English Language Arts (ELA)

All students in K-5 shall be assigned an uninterrupted 90-minute reading block~~,~~ with additional time for instruction in the writing process and additional time for reading intervention, as needed, with a highly qualified, effective teacher, a core reading program, and ongoing progress monitoring.

Physical Education (PE) and Recess

Physical education (PE) instruction focuses on the outcomes of achieving and maintaining a health-enhancing level of fitness and understanding that physical activity provides the opportunity for enjoyment, challenge, self-expression, communication, and well-being. Elementary schools provide 150 minutes of PE per week. In addition, schools are required to provide 20 consecutive minutes of unstructured free-play recess per day. A

minimum of 30 consecutive minutes of PE is required on any day that formal (PE) instruction is provided. The elementary school principal may designate any instructional personnel to provide ~~the~~ PE. Elementary schools will integrate health education standards into science and PE as appropriate.

~~Health Education:~~

~~Comprehensive health education addresses 14 component areas under Florida State Statute 1003.42 (2)(n) - Required Instruction:~~

~~**Grades K-12**~~

- ~~Community health~~
- ~~Consumer health~~
- ~~Environmental health~~
- ~~Family life~~
- ~~Injury prevention and safety~~
- ~~Internet safety~~
- ~~Nutrition~~
- ~~Personal health~~
- ~~Prevention and control of disease~~
- ~~Substance use and abuse~~

~~A link to access and review the instructional materials used to teach the curriculum will be included on the district's website homepage. The process to opt out of health instruction will also be posted on the district's website homepage. Additionally, the opt out form can be found in the SPP, Appendix C.~~

K-5 Academically Challenging Curriculum to Enhance Learning (ACCEL)

Each school must offer the following ACCEL options~~:~~; whole-grade and mid-year promotion, subject-matter acceleration, and virtual instruction in higher grade-level subjects. Whole-grade and mid-year promotion requires an elementary student to meet the district criteria outlined below. ~~ict acceleration procedures.~~ Whole-grade and mid-year promotion requires students to meet student progression promotion criteria. Subject-matter acceleration is available when a student has met the prerequisite course requirements for that content area. Virtual instruction in higher grade level subjects is available when students have exhausted the course offerings at the school, and students meet the course prerequisites. In addition to these requirements, the following must be considered when establishing eligibility~~:~~.

1. The student's performance on required state assessments
2. The student's grades or grade point average
3. The student's attendance and conduct
4. Teacher and school counselor recommendations

Each school must inform students and parents of these options. A student or a parent may request one of the options by written request to the principal. This will be followed by a parent conference to discuss eligibility

and placement.

Whole-Grade Promotion:

An elementary student must meet all the following criteria to be eligible for whole-grade promotion:

1. The student must be consistently performing above grade level standards on a locally determined assessment, a statewide assessment or a standardized assessment in reading/language arts and mathematics for each of the past two years. For kindergarten students, schools will use state and district assessment data for ELA and mathematics.

   In addition to this, students must meet the following criteria:

   a. The student cannot skip third grade as a result of whole-grade promotion.

   b. The student must be recommended by the principal, ~~the~~ parent, classroom teacher, or~~and the~~ school counselor.

   c. All whole-grade promotions must be approved by a district promotion committee and entered appropriately in the student information system.

Mid-Year Promotion:

An elementary student must meet all the following criteria to be eligible for mid-year promotion:

1. The student must be consistently performing above grade standards on a locally determined assessment, a statewide assessment or a standardized assessment in reading/language arts and mathematics for each of the past two years. In the event a student does not have two years of data,~~For kindergarten students~~, schools will use state and district assessment data for ELA and mathematics.

2. The student must be recommended by the principal, ~~the~~ classroom teacher, parent, or~~and~~ ~~the~~ school counselor.~~.~~

3. All mid-grade promotions must be approved by a district promotion committee and take place prior to the end of first semester and entered appropriately in the student information system.

4. Third graders must meet all the requirements in statute for mid year promotion (s. 1008.25(7), F.S., and Rule 6A-1.094222, F.A.C.). Students cannot skip third grade.

Subject-Matter Acceleration:

An elementary student is eligible for subject-matter acceleration when the student has mastered the subject standards in the prerequisite grade-level course. The student must be recommended by the principal, parent, classroom teacher, or the school counselor based on achievement of the learning targets and standards.

II. Promotion and Good Cause Placements

Promotion Requirements

All decisions pertaining to the promotion or retention of students will be communicated to parents and made under the authority of the School District of Manatee County in accordance with Florida statute. A student in K-2 or 4-5 is promoted if the student demonstrates mastery of the currently adopted state standards in core academic subject areas. In accordance with state statute, K-5th grade students are mandated to participate in required state-approved assessments. Grade 3 students must score a Level 2 or higher on the English Language Arts statewide, standardized assessment for promotion to grade 4. A student may not be retained more than once in grade 3.

K-2 and 4-5 students will be promoted or "Good Caused" each year with their cohort group. Those students who do not meet grade-level standards in English Language Arts and m~~M~~athematics will be supported in the next grade level through intensive remediation as well as an alternative instructional setting if needed.

Good Cause Criteria for K-2

A student who does not meet the promotion criteria will be considered for good cause placement in the next grade. Good cause placement is defined as follows:

Grades K-2 ~~Grade~~ Good Cause
Good Cause "A-ESE" –A student with a disability in grades K-2 can be placed for good cause if the Individual Education Plan (IEP) indicates that the student is making adequate progress towards their individual goals and/or is receiving services appropriate to progressing their individual skills. Documentation indicates that the promotion of the student with disabilities is appropriate, based upon the student's academic record, and shall be submitted from the student's teacher/therapist to the school principal.
Good Cause "A-ESOL" – An English Language Learner (ELL) who has had less than two years of instruction in English for Speakers of Other Languages (ESOL) program (not including PreK) based on the initial date of entry into a school in the United States (DEUSS), can be placed for good cause. The ELL Committee must be convened, and the recommendation to exempt the student from the promotion criteria must be included in the ELL Committee Report. (Use this exemption first for eligible K-2 English Language Learners.)
Good Cause "A-504" – A student with a Section 504 plan can be placed for good cause if the Report of Conference Form indicates the student's disability along with the recommendation and reasons for the student's exemption from the promotion criteria in reading and mathematics. Documentation of remediation in reading and/or mathematics will be included within the school-wide progress monitoring plan.

Good Cause "A-Com" – A student in grades K-2 can be placed for good cause if a committee comprised of the student's teachers, school counselor, or other appropriate personnel as designated by the principal documents the recommendation and the reasons for the student's exemption from the promotion criteria. Documentation could be included in a student portfolio, case conference notes, or documentation in the school-wide progress monitoring plan. Student will receive intervention and support in the next grade level. No student can be assigned to a grade level based solely on age or other factors that constitute social promotion.

Good Cause Criteria for Grade 3

Good Cause Criteria:

Per state statute, a student may not be retained more than once in grade 3. A student is exempt from retention for good cause and placed in the next grade if the student meets one of the following. 3rd grade good cause is defined as follows:

~~3rd Grade~~Grade 3 **Good Cause**
Good Cause "1" –English Language Learners who have had less than two years of instruction in English for Speakers of Other Languages (ESOL) program (not including PreK) based on the initial date of entry into a school in the United States (DEUSS). The ELL Committee must be convened, and the recommendation to exempt the student from the promotion criteria must be included in the ELL Committee Report.
Good Cause "2" – Students with disabilities whose Individual Education Plans (IEP) indicate that participation in statewide assessment is not appropriate, consistent with the requirements of section 1008.212, F.S..
Good Cause "3" – Students who demonstrate an acceptable level of performance on an alternative standardized reading assessment that has been approved by the Department of Education, administered after the required grade 3 statewide standardized English Language Arts assessment under Section 1008.22, F.S. The required percentile passing score for each approved alternative standardized reading assessment will be determined by the Department of Education.

Good Cause "4" – Students who demonstrate, through a student portfolio, that they are reading on grade level as evidenced by demonstration of mastery of the State Standards in reading equal to at least a Level 2 performance on required state assessment. To demonstrate mastery of the required reading skills, the student portfolio must: • be selected by the student's teachers as determined by district criteria; • be an accurate picture of the student's ability and include only student work that has been independently produced in the classroom; • include evidence that the benchmarks assessed by the grade 3 statewide, standardized English Language Arts assessment reading required state assessment have been met. Evidence is to This includes multiple-choice items and grade-level passages that are approximately 560% literary text and 540% informational text, and that are between 100-700 words with an average of 500 words. Such evidence could include chapter or unit tests from the district's/school's adopted core reading curriculum or teacher-prepared assessments that are aligned with the State B.E.S.T. English Language Arts Standards; • be an organized collection of evidence of the student's mastery of the B.E.S.T. English Language Arts Standards that are assessed by the grade 3 statewide, standardized English Language Arts assessment. For each benchmark, there must be at least 8 items assessed and the student must demonstrate seventy (70) percent mastery for all items assessed per benchmark; and • be signed by the teacher and principal as an accurate assessment of the required reading skills. A school must immediately begin collecting evidence for a portfolio when a student in grade 3 is identified as being at risk of retention or upon the request of the parent, whichever occurs first.
Good Cause "5" – Students with disabilities who take the statewide, standardized English Language Arts assessment and who have an Iindividual Eeducation Pplan (IEP) or a Section 504 plan that reflects that the student has received intensive instruction in reading or English Language Arts for 2 years or more but still demonstrates a deficiency and was previously retained in kindergarten, grade 1, grade 2, or grade 3.
Good Cause "67"– Any third-grade student receiving intensive remediation in reading for two or more years, but still has deficiency in reading and has been previously retained in K-3 for a total of two years. If placed under this exemption, intensive reading instruction must include an altered instructional day that includes specialized diagnostic information and specific reading strategies. A student may not be retained more than once in 3rd grade. Any currently retained 3rd grader would qualify for this Good Cause.

The school district Superintendent shall accept or reject the school principal's recommendation in writing.

Good Cause Criteria for Grades 4-5

No student may be assigned to a grade level based solely on age or other factors that constitute social promotion. 4th and 5th Grade good causeGood cause for grades 4 and 5 is defined as follows:

Grades 4-5 Good Cause
Good Cause "A-ESE" –A student in grades 4-5 with a disability can be placed for good cause if the Individual Education Plan (IEP) indicates that the student is making adequate progress towards their individual goals and/or is receiving services appropriate to progressing their individual skills. Documentation indicates that the promotion of the student with disabilities is appropriate, based upon the student's academic record, and shall be submitted from the student's teacher/therapist to the school principal.
Good Cause "A-ESOL"—An English Language Learner (ELL) who has had less than two years of instruction in English for Speakers of Other Languages program based on the initial date of entry into a school in the United States (DEUSS), can be placed for good cause. The ELL Committee must be convened, and the recommendation to exempt the student from the promotion criteria must be included in the ELL Committee Report.
Good Cause "A-504" – A student with a Section 504 plan can be placed for good cause if the Report of Conference Form indicates the student's disability along with the recommendation and reasons for the student's exemption from the promotion criteria in reading and mathematics.
Good Cause -"A-Com" – A student in ~~4~~grades 4-5 can be placed for good cause if a committee comprised of the student's teachers, school counselor, or other appropriate personnel as designated by the principal documents the recommendation and the reasons for the student's exemption from the promotion criteria. Documentation could be included in a student portfolio, case conference notes, or documentation in the school-wide progress monitoring plan. A ~~S~~student will receive intervention and support in the next grade level. No student can be assigned to a grade level based solely on age or other factors that constitute social promotion.

Summer School Promotion

Summer school reading programs are provided for third grade students who do not meet the promotion criteria or who are not approved for g~~G~~ood c~~C~~ause placement. Third grade students who meet state defined criteria at the end of the Summer Reading Camp will qualify for good cause.

III. Intensive Intervention

Parent Notification of a Reading Deficiency for Students Grades K-5 (F.S. 1008.25)

Parents of students in kindergarten through grade 5 who exhibit a substantial ~~reading~~ deficiency in reading, or the characteristics of dyslexia based upon screening, diagnostic, progress monitoring, assessment data, statewide assessments, or teacher observations must receive notification in writing of the following:

1. That the child has been identified as having~~cation of~~ a substantial ~~reading~~ deficiency in reading, including a description and ~~/~~explanation, in ~~parent friendly terms~~terms understandable to the parent, of the exact nature of the student~~child~~'s difficulty in learning and lack of achievement in reading~~; achievement;~~
2. A~~a~~ description of the current services that are provided to the child;

3. A~~a~~ description of the proposed interventions and supports that will be provided to the child that are designed to remediate the identified area of reading deficiency;

4. That if the child's ~~notice that, if the~~ reading deficiency is not remediated by the end of grade 3, the child must be retained unless the child ~~meets good cause criteria~~is exempt from mandatory rention for good cause;

5. S~~s~~trategies, including multisensory strategies and programming, ~~the parent can use~~ through a read-at-home plan the parent can use to help the child succeed in reading, including electronic resources compiled by the Department of Education;~~, to help their child succeed in reading;~~

6. ~~explanation~~ T~~t~~hat the statewide, standardized English Language Arts assessment is not the sole determiner of promotion for grade 3 and that additional evaluations, portfolio reviews, and assessments are available to assist parents and the district in knowing when a child is reading at or above grade level and ready for promotion;

7. The district's specific criteria and policies for a portfolio and the evidence required for a student to demonstrate mastery of Florida's academic standards for English Language Arts. A school must immediately begin collected evidence for a portfolio when a student in grade 3 is identified as being at risk of retention or upon the request of the parent, whichever comes first.~~notice that, for any grade 3 student who is identified as being at risk for retention, the parent can request the school immediately begin collecting evidence for a portfolio; and~~

8. T~~t~~he district's specific criteria and policies for mid-year promotion. Mid-year promotion means promotion of a retained student at any time during the year of retention once the students has demonstrated ability to read at grade level. ~~for student retained in grade 3;~~

9. I~~i~~nformation about the student's eligibility for the New Worlds Reading Initiative under s. 1003.485 and the New Worlds Scholarship Accounts under s. 1002.411 and information on parent training modules and other reading engagement resources available through the initiative.

~~By September 30, the school district will notify the parent of each student in kindergarten through grade 5 who has a substantial reading deficiency identified under s. 1008.25(5)(a) or scored below a level 3 on the statewide, standardized ELA assessment in the prior school year of the process to request and receive a reading scholarship, subject to available funds.~~

Parents of students in kindergarten through grade 5 who exhibit a substantial deficiency in mathematics, or the characteristics of dyscalculia based upon screening, diagnostic, progress monitoring, assessment data, statewide assessments, or teacher observations must receive notification in writing of the following:

1. That his or her child has been identified as having a substantial deficiency in mathematics, including a description and explanation, in terms understandable to the parent, of the exact nature of the student's difficulty in learning and lack of achievement in mathematics.

2. A description of the current services that are provided to the child.

3. A description of the proposed intensive interventions and supports that will be provided to the child that are designed to remediate the identified area of mathematics deficiency.

4. Strategies, including multisensory strategies and programming, through a home-based plan the parent can use in helping his or her child success in mathematics, including electronic resources compiled by the Department of Education.

After initial notification of a deficiency in reading or mathematics, the school shall apprise the parent at least monthly of the student's progress in response to the intensive interventions and supports. Such communications must be in writing and must explain any additional interventions or supports that will be implemented to accelerate the student's progress if the interventions and supports already being implemented have not resulted in improvement.

By September 30, the school district will notify the parent of each eligible student of the process to request and receive a scholarship, subject to available funds.

In addition, schools may not wait for a ~~kindergarten through grade 3~~ student to receive a failing grade at the end of a grading period or wait until a plan is developed to identify the student as having a substantial reading or math deficiency and initiate intensive interventions.

Please see Appendix B – Elementary Reading Decision Tree.

Services for Students Retained in Grade 3

Students retained in grade 3 must be provided a highly effective teacher as determined by the teacher's performance evaluation under section 1012.34, F.S. and ~~beginning July 1, 2020,~~ the teacher must also be certified or endorsed in reading. ~~In addition, t~~These students must be provided intensive interventions in reading to ~~remediate~~ ameliorate the student's specific reading deficiency and prepare the student for promotion. These interventions must include:

1. Evidence-based, explicit, systematic, and multisensory reading instruction in phonemic awareness, phonics, fluency, vocabulary, and comprehension and other strategies prescribed by the school district.
2. Participation in the school district's summer reading camp, which must incorporate the instructional and intervention strategies above.
3. A minimum of 90 minutes of daily, uninterrupted reading instruction incorporating the instructional and intervention strategies above. This instruction may include:
    a. Coordinated i~~I~~ntegration of content-rich texts in science and ~~social studies~~civic literacy within the 90-minute block;~~.~~
    b. Small group instruction;~~.~~
    c. Reduced teacher-student ratios;~~.~~
    d. More frequent progress monitoring;~~.~~

e. Tutoring or mentoring;~~,~~

f. Transition classes containing 3rd and 4th grade students;~~,~~

g. Extended school day, week, or year.

Services for Students Promoted to Grade 4 with a Good Cause Exemption

Each student who does not achieve a Level 3 or above on the statewide, standardized English Language Arts assessment~~,~~ or the statewide, standardized Mathematics assessment must be evaluated to determine the nature of the student's difficulty, the areas of academic need, and strategies for providing academic supports to improve the student's performance. A student who is not meeting the school district or state requirements for satisfactory performance in English Language Arts and mathematics must be covered by one of the following:

1. A federally required student plan, such as an individual education plan;

2. A schoolwide system of progress monitoring for all students, except a student who scores Level 4 or above on the English Language Arts and mathematics assessments may be exempted from participation by the principal; or

3. An individualized progress monitoring plan.

A student who is promoted to grade 4 with a good cause exemption shall be provided intensive reading instruction and intervention that include specialized diagnostic information and specific reading strategies to meet the needs of each student so promoted. The school district shall assist schools and teachers with the implementation of explicit, systematic, and multisensory reading instruction and intervention strategies for students promoted with a good cause exemption which research has shown to be successful in improving reading among students who have reading difficulties. (Section 1008.25(4), F.S., and Section 1008.25(6)(b), F.S.)

Middle School Education (Grades 6-8), Section 4.9.2

I. Program of Studies Grades 6-8

Course Offerings

Middle school grades 6-8 basic education course offerings are selected from the Florida Department of Education's Course Code Directory and approved by the district.

The program of studies for middle school grades includes the following state and local offerings:

Language Arts	Art
Mathematics	Music
Science	Physical Education/Health
Social Studies	Career/Technical Education
Reading	Foreign Language
Advancement Via Individual Determination	

Other enrichment and exploratory courses may be offered by individual middle schools, such as dance, drama, agriculture, and gifted services. Each school will hold a parent meeting either in the evening or on a weekend to inform parents about the school's curriculum and activities.

Middle school students may have the opportunity to earn high school credits and/or industry certifications.

In addition to evidence-based reading courses, reading instruction is integrated throughout the entire curriculum. All middle schools must follow the district-approved curriculum.

Schools are prohibited from suspending a regular program of curricula to administer practice tests or engage in other test-preparation activities for a statewide assessment. However, activities including instruction on test-taking strategies are authorized.

Students are required to be enrolled on a full-time basis, ~~to~~ including~~e~~ 7 courses or the equivalent. If there are extenuating circumstances, students may use a combination of Manatee Virtual School courses and traditional courses to meet the full-time criteria.

To use this option, seats must be available in the required Manatee Virtual School courses, and principal approval is required. Students wishing to have a part-time enrollment status may do so by registering as a home education student. Home education students may take up to 3 courses at their districted school, providing there is room in the course(s).

An English Language Learner (ELL) with no prior school records shall be assigned to a grade level based on age-appropriate placement.

Required Courses for Grades 6-8

1. Promotion from middle school to high school requires that the student successfully complete three middle school or higher courses in each of the following:

    a. English Language Arts

    b. Mathematics

    c. Social Studies (including Civics, assessed by a state required End-of-Course Exam)

    d. Science

2. Social Studies:

    The required study of state and federal government and civics education will be incorporated into Civics. One of these courses must be at least a one-semester civics education course. Each student's performance on the statewide, standardized EOC assessment in civics education constitutes 30 percent of the student's final course grade. A middle grades student who transfers into the state's public school system from out-of-country, out-of-state, private school, or a home education program after the beginning of the second term of grade 8 is not required to meet the civics education requirement for promotion from the middle grades if the student's transcripts document passage of three courses in social studies or two year-long courses in social studies that includes coverage of civics education.

3. Language Arts:

    English Language Arts must emphasize literature, informational/technical text, writing, listening, and speaking, and language.

4. Mathematics:

    Each middle school must offer at least one high school-level mathematics course for which students may earn high school credit.

Physical Education

1. Middle schools must offer the equivalent of one class period per day of physical education for one semester of each year for students enrolled in grades 6-8.

2. Physical Education Waiver:

    Parents may submit a waiver of the physical education requirement for their child. Students in grades

6-8 are eligible to waive the physical education requirement if they meet any of the following criteria:

a. The student is enrolled in a remedial course.

b. The student's parent indicates in writing to the school that:

(i) The parent requests that the student enroll in another course from among those courses already offered as options by the school district as space allows; or

(ii) The student is participating in physical activities outside the school day which are equal to or in excess of the mandated requirement. Students who use the waiver because they participate in physical activities outside the school day must be enrolled in school on a full- time basis.

Career Research Course

Middle school students must successfully complete one course in career and education planning which must result in a completed internet-based, customizable, personalized academic and career plan for the student. The personalized academic and career plan may be revised as the student progresses through middle school and high school. The course must include research-based assessments to assist students in determining educational and career goals, emphasize the importance of entrepreneurship and employability skills, and must include information from the Department of Economic Opportunity's economic security report under s. 445.07, F.S.

The personalized academic and career plan must inform students of the following:

1. high school graduation requirements, including a detailed explanation of the requirements for earning a high school diploma designation under s. 1003.4285, F.S.,
2. the requirements for each scholarship in the Florida Bright Futures Scholarship Program;
3. admission requirements for ~~s~~State ~~u~~University System and Florida College System institutions ~~admission requirements~~;
4. available opportunities to earn college credit in high school, including Advanced Placement (AP) courses; the International Baccalaureate (IB) Program; the Advanced International Certificate of Education (AICE) Program; dual enrollment, including career dual enrollment; and
5. career education courses, including career-themed courses, pre-apprenticeship and apprenticeship programs, and course sequences that lead to industry certification pursuant to ss. 1003.492 or 1008.44, F.S.

Health Education:

Comprehensive health education addresses 14 component areas under Florida State Statute 1003.42 (2)(n) - Required Instruction

Grades K-12

- Community health
- Consumer health
- Environmental health
- Family life
- Injury prevention and safety
- Internet safety
- Nutrition
- Personal health
- Prevention and control of disease
- Substance use and abuse
- Prevention of child sexual abuse, exploitation, and human trafficking

For students in grades 7 through 12, shall include a teen dating violence and abuse. This component must include that includes, but is not be limited to, the definition of dating violence and abuse, the warning signs of dating violence and abusive behavior, the characteristics of healthy relationships, measures to prevent and stop dating violence and abuse, and community resources available to victims of dating violence and abuse.

For students in grades 6 through 12, shall include an awareness of the benefits of sexual abstinence as the expected standard and the consequences of teenage pregnancy.

Life Skills:

Life skills that build confidence, support mental and emotional health, and enable students to overcome challenges, including:

a. Self-awareness and self-management.
b. Responsible decision making.
c. Resiliency.
d. Relationship skills and conflict resolution.
e. Understanding and respecting other viewpoints and backgrounds.

A link to access and review the instructional materials used to teach the curriculum will be included on the district's website. The process to request an exemption will also be posted on the district's website. Appendix C contains the Parent Opt Out form for Health Education.

Required Remediation

Participation in the assessment program is mandatory for all students enrolled in a public school. Students must earn a Level 3 or higher in English Language Arts (ELA) and/or Mathematics on a standardized assessment within the last 2 or more consecutive years. Students who do not meet these criteria may be required to receive enhanced instruction through a course that will assist in building the student's skills and in mastering standards.

School administrators may use ~~district benchmark~~state progress monitoring assessments to determine proficiency if no state standardized assessment scores are available at the time of enrollment.

Intensive Instruction Waiver:

Parents may submit a waiver of the intensive instruction requirement for their child to the student's school counselor. Exercising this option can jeopardize a student's opportunity for an ESE assessment waiver and prohibit students from participation in alternative graduation options in high school. The following criteria must be met to qualify for this waiver:

1. Parents must complete the Intensive Instruction Waiver Request Form (Appendix A).~~.~~
2. Student must be in 6th-11th grade.

Advancement Via Individual Determination (AVID)

AVID is an elective course designed to prepare students for college and career readiness and success. Students who apply for and are accepted into the course must also take at least one advanced level or high school credit course. The AVID curriculum supports students as they undertake the most rigorous courses, with emphasis on writing as a learning tool, the inquiry method, collaborative grouping, organization, and academic reading.

Academically Challenging Curriculum to Enhance Learning (ACCEL)

Each school must offer the following ACCEL options: whole-grade and mid-year promotion, subject-matter acceleration, virtual instruction in higher grade-level subjects, and Credit Acceleration Program (CAP). Whole-grade and mid-year promotion requires secondary students to meet student progression course/credit promotion criteria. Subject-matter acceleration is available when a student has met the prerequisite course requirements for that content area. Virtual instruction in higher grade-level subjects is available when students have exhausted the course offerings at the school and students meet the course prerequisites. The Credit Accelerated Program may be used for any course that requires an end-of-course exam to earn credit in the course. In addition to these requirements, the following must be considered when establishing eligibility:

1. the student's performance on required state assessments;
2. the student's grades or grade point average;
3. the student's attendance and conduct;
4. teacher and school counselor recommendations.

Each school must inform students and parents of these options. A student or a parent may request one of the options by written request to the principal. This request will be followed by a parent conference to discuss eligibility and placement.

II. Promotion and Retention

Promotion Requirements

Students will be promoted to the next grade level based on the number of years in middle school. ~~Students who do not meet promotion criteria to 9th grade will be supported in the next grade level through intensive remediation as well as an alternative instructional setting.~~

To be promoted from 8th grade to high school, a student must successfully complete 12 core academic courses to include 3 courses in each of the following academic areas: language arts, math, science, and social studies (to include Civics). Students who do not meet promotion criteria to 9th grade will be supported in the next grade level at an alternative instructional setting

Promotion from 8th grade to 9th grade for a student who transfers into Florida from out-of-state during middle school will be based on the student successfully completing the number of core courses in language arts, mathematics, science, and social studies for each year the student has been in Florida. If a student transfers into a Florida public middle school from a Florida private school during their middle grade years, the student must meet all promotion requirements as defined by state statute.

If a student has successfully completed a high school course, failure of the ~~E~~end-of-~~C~~course ~~A~~assessment will not result in the student being retained in middle school.

8th grade students who are enrolled in a virtual program for an academic course must complete the academic course by the last day of school or will be placed in an alternative instructional setting.

Middle School Grading

Grading Scale:

Student achievement in all courses will be evaluated using numeric and letter grades. As designated in Florida Statute, letter grading scale and definitions adopted for all courses in grades 6 through 8 are as follows:

Value	Numeric Range	Letter Grade	Definition
4	90-100	A	Outstanding Progress
3	80-89	B	Above Average Progress
2	70-79	C	Average Progress
1	60-69	D	Lowest Acceptable Progress
0	0-59	F	Failure

Note: W = Withdrawn I = Incomplete* NG—No Grade Assigned

*An incomplete grade ("I") will be changed to a letter grade upon completion of all course requirements within 10 school days of the "I" being issued, under normal circumstances. If, after ten days, the course requirements are not completed, the incomplete grade will become an "F."

A progress report or report card grade cannot be more than 100%.

Students must be notified in writing at the beginning of each course as to how their grade will be determined. This could be included in the Course Syllabus or information shared with students and parents.

Exam Exemptions:

Schools shall not exempt students from academic performance requirements such as final exams, based on practices or policies designed to encourage student attendance. A student's attendance record may not be used in whole or part to provide an exemption from any academic performance requirement.

Progress Reports:

Progress reports are posted mid-way through each quarter (approximately 4.5 weeks) to notify students and their parents or guardians of mid-term academic progress. Progress reports are available via the Parent Portal. Schools may print ~~P~~progress ~~R~~reports at the principal's discretion. Parents may request a printed copy of the progress report. Additionally, parents may monitor student progress regularly through the FOCUS Parent Portal. To communicate with teachers, parents may contact each teacher ~~by phone~~ at school by phone or through email.

Grades for courses taken through Manatee Virtual School and course recovery will not be included on the mid-quarter ~~P~~progress ~~R~~report.

Report Cards:

Report cards, which are available on a quarterly basis, specify the student's academic performance, conduct and behavior, and attendance, including absences and tardies. Academic performance is based on examinations as well as written papers, class participation, and/or other academic performance criteria. Report cards are available via the Parent Portal. -Schools may print report cards at the principal's discretion. Parents may request a printed copy of the report card.

Makeup Work:

Following an excused absence, the students have the responsibility to contact their teachers on the next attendance day in order to obtain any missed assignments. Work assigned prior to the absence is due the day the student returns to school. Work assigned during the student's absence is due within a period of time equal to the number of days that the student was absent.

End of Year Grades:

The end of the year average in the district grade book system is based on the average of all four quarters, with the requirement that a passing grade must be earned either third or fourth quarter ~~in order~~ for the student to pass the course for the year. Letter grades will be awarded based on the district grading scale.

For middle school courses that do not have a state-required ~~E~~end-of-~~C~~course ~~E~~exam, a point system has been established for the benefit of students who may have experienced an unsuccessful quarter.

Teachers are to award whichever grade is the highest for each student -- the grade determined by the average of the four quarters~~,~~ or the grade determined by the Point System. Students are still required to earn a minimum of at least one (1) point in second semester for either method of grading.

The ~~P~~point ~~S~~system for ~~E~~end-of-the-~~Y~~year ~~G~~grades is determined as follows:

Each quarter grade will be assigned a value selected from the following:	To determine the end-of-year grade for a middle school course, total the numerical values of the four quarters and select the grade from the table below:
A = 4 B = 3 C = 2 D = 1 F = 0	A = 14 – 16 B = 10 – 13 C = 6 – 9 D = 3 – 5 F = 0 – 2

If the grade book program average and the grade determined by the point system differ, the student is to be given the higher of the two grades as long as the student earns at least one (1) point in second semester.

Grades for high school courses are calculated each semester according to the high school procedures. ~~and,~~ therefore, they do not have an end of the year grade. Middle school semester-long courses that do not have a state mandated EOC will be calculated by averaging the two quarters to determine a semester-long final grade.

The ~~P~~point ~~S~~system cannot be used to determine the end-of-year grades for Civics. It must be calculated using the EOC as 30% of the year-long course grade. Students are not required to earn at least 1 point in 3rd or 4th quarter as the final grade is strictly based on the average of the 4 quarters and the EOC.

The final grade for Civics will be calculated as follows:

Quarter 1—17%

Quarter 2—18%

Quarter 3—17%

Quarter 4—18%

EOC—30%

Semester grades in Civics for students using an ESE End-of-Course Assessment Waiver will be averaged as follows:

Quarter 1=25%

Quarter 2 =25%

Quarter 3 =25%

Quarter 4 =25%.

Parent Notification:

Each year, to prepare students for career and postsecondary education planning, all middle schools shall notify students in grades 6 - 8 and their parents of the three-year and four-year high school graduation options, so ~~that~~ they may select the program that best meets the student's needs. This notification shall be conducted prior to the annual course selection, so ~~that~~ a student's academic plan and a time frame for achieving the graduation option may be modified to meet the student's needs. The selection of a graduation option is an exclusive choice of the student and parent. ~~H~~; however, if a diploma option is not selected, the choice will revert to the standard four-year diploma option, which requires 24 credits.

III. Transfer Students

Transfer Grade Policy

The procedures relating to the acceptance of transfer work and courses for students entering Florida's public schools composed of middle grades 6, 7, and 8 from out of state or out of country are as follows:

1. Grades earned and offered for acceptance shall be based on official transcripts and shall be accepted at face value, subject to validation if required by the receiving school's accreditation. If validation of the official transcript is deemed necessary, or if the student does not possess an official transcript or is a home education student, successful completion of courses shall be validated through performance during the first grading period as outlined in subsection (b) of this rule.

2. Validation of courses shall be based on performance in classes at the receiving school. A student transferring into a school shall be placed at the appropriate sequential course level and should be passing each required course at the end of the first grading period. Students who do not meet this requirement shall have courses validated using the Alternative Validation Procedure outlined below.

3. Alternative Validation Procedure: If validation based on performance as described above is not satisfactory, then any one of the following alternatives identified in the district Student Progression Plan shall be used for validation purposes as determined by the teacher, principal, and parent or guardian:

a. Portfolio evaluation by the superintendent or designee;

b. Demonstrated performance in courses taken at other public or private schools that are accredited;

c. Demonstrated proficiencies on nationally-normed standardized subject area assessments;

d. Demonstrated proficiencies on the required state assessment; or

e. Written review of the criteria utilized for a given subject provided by the former school.

Students must be provided at least ninety (90) days from date of transfer to prepare for assessments outlined above if required.

4. Transferring students who are not proficient in English should receive immediate and intensive instruction in English language acquisition.

Virtual School Transfers:

Students who are enrolled full time in a virtual school program are required to meet the same promotion requirements of all other public school students in the state of Florida.

For a student who transfers back into a non-virtual district school any time during the year, the student shall be required to bring evidence of grades in progress as documented by withdrawal forms, progress reports, or report cards.

If the student is able to produce the required documentation, the grades received while attending the virtual school program will become part of the student's record in the same manner as any other transfer student. However, if the student is unable to provide the required documentation, validation of courses shall be based on performance during the first grading period in the non-virtual district school classroom. This validation will follow the same procedures as outlined under Transfer Grade Policy.

IV. Course Acceleration and Enrichment

Principals may override district criteria and place students in high school dual enrollment courses based on data indicating that the student is capable of success in the courses. This data must be documented.

High School Credit Courses Offered in Middle School

High school dual credit courses provide middle school students who have advanced skills the opportunity to pursue a more rigorous education. The expectation is that these students will take challenging courses, such as Advanced Placement, AICE, International Baccalaureate, and ~~C~~college ~~D~~dual ~~E~~enrollment, including during the~~ir~~ senior year of high school. High school credit courses are not offered in middle school for the purpose of graduating early or experiencing an "easier" senior year. Failure to take rigorous academic courses during the senior year could prevent a student from being accepted into many colleges and universities. Parents of student athletes who take high school courses in middle school should visit the National Collegiate Athletic Association (NCAA) website for more information.

Each middle school may offer dual enrollment high school courses based on the needs of their students, special program requirements, and ~~whether the minimum number of students enroll in~~demand for the course. Course offerings vary by school; please see the school's Curriculum Guide for specific course offerings.

Career and Technical Education (CTE) courses that have been approved by the Director of CTE~~,~~ articulate to high school CTE programs in their feeder pattern~~,~~ and are the introductory course in a specific program of study.

A Curriculum Modification Request Form can be submitted by the principal to the Office of Student Assignment for the Deputy Superintendent for Instructional Services to request approval to offer high school credit courses.

1. Grades for high school courses taken during middle school will appear on the high school transcript and will be averaged in with the high school grade point average. Students must carry forward all grades and any credits earned in high school courses.

2. State assessments, benchmark data and course grades must be monitored. If a middle school student is struggling in a high school course during first or second quarter, a schedule change may be implemented by the school administrator to move the student to the middle school course, as long as there is room in the course. Remaining in high school courses places the middle school student at risk of failing a required core subject. The schedule change must be made before the end of first semester.

   Once the semester is completed and the student has earned the high school credit, the grade and credit cannot be removed from the high school transcript, even if the grade is a" "D or "F".

3. Middle school students who earn a "C" or lower in a high school course are strongly encouraged to retake the course under the Grade Forgiveness Policy.

4. Schools will use district criteria for identifying eligible students for enrollment in honors or high school credit courses. Schools must have a plan for reviewing students' required state assessment~~s~~ scores and their grade point averages to ensure that all eligible students are considered for placement into these courses. Principals may override the district criteria and place students in dual enrollment courses based on data indicating that the student is capable of success in the courses. This data must be documented.

5. AVID students must be placed in at least one honors, advanced, or dual enrollment course. Principals are encouraged to make exceptions to the placement criteria in the AVID students' areas of strength. Special consideration should be given to placing students in Algebra 1 Honors in an AVID student's 8th grade year.

District Criteria for Enrollment in High School Credit Courses:

Students earning a "D" or "F" in a high school credit course at the end of the first semester may be withdrawn and scheduled into a middle school course in the same subject area by the school administrator.

1. English I Honors:

   The student must have earned a Level 3, 4, or 5 on the most current required state assessment in

English Language Arts (ELA) or have both of the following:

a. teacher, counselor, and/or administrator recommendation

b. 3.5 grade point average for the year in the 7th grade Advanced Language Arts course

2. 8th Grade Algebra I or Algebra I Honors:

   The student must have earned a Level 3, 4, or 5 on the most current required state assessment in Mathematics or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. grade point average for the year in the 7th grade Advanced Mathematics course

3. 7th Grade Algebra I Honors:

   The student must have earned a Level 4 or 5 on the most current required state assessment in Mathematics, scored a stanine of 8 or 9 on the Iowa Algebra Prognosis Test, completed the district developed summer assignment, or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.5 grade point average for the year in the 6th grade Advanced Mathematics course

4. 8th Grade Geometry Honors:

   The student must have earned a "C" or higher in each semester of Algebra I Honors and must have passed the End-of-Course Assessment. A student who passes the Algebra I Honors course but does not pass the Algebra End-of-Course Assessment or earned the required comparative/concordant score may not enroll in Geometry Honors.

5. World Languages I:

   The student must have earned a Level 4 or 5 on the most current required state assessment in English Language Arts or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.0 grade point average in the previous year's Advanced Language Arts course

6. World Languages II:

   a. the student earned a 3.0 grade point average in the first year of the World Language course; and

   b. teacher, counselor, and/or administrator recommendation

7. Physical Science Honors/Integrated Science Honors:

   The student must have earned a Level 4 or 5 on the most current required state assessment in English Language Arts and Mathematics or have both of the following:

a. a 3.0 grade point average in the previous year's Advanced Science course

b. teacher, counselor, and/or administrator recommendation.

8. Career & Technical Courses:

a. CTE teacher, counselor, and/or administrator recommendation; and

b. The student must have earned a 3.0 grade point average in the previous year's course within the same or similar curricular area.

Awarding Grades and Credits for High School Credit Courses in Middle School

Course Requirements:

High school dual enrollment courses must meet all ~~of~~ the requirements of high school courses. High school requirements include:

1. assessment of students through a semester exam;
2. administration of any state-required end-of-course exams;
3. calculation of the semester grade using the high school procedure;
4. minimum 135 hours as required in Florida Statute;
5. district-approved instructional materials aligned with the district-approved curriculum; and
6. reporting of the first and second semester grades to the high school the student will attend.

Grades:

Course grades will be averaged as follows:

The student's semester grade is calculated by averaging according to the following scale:

Quarter 1 = 40%
Quarter 2 = 40%
Benchmark Assessment or teacher designed exam = 20%

Quarter 3 = 40%
Quarter 4 = 40%
Benchmark Assessment or teacher designed exam = 20%

All state generated EOCs (Algebra I and Geometry) will constitute 30% of the final course grade. The grade will be calculated as follows:

Quarter 1 = 35%	Quarter 3 = 35%
Quarter 2 = 35%	Quarter 4 = 35%

Semester Exam = 30%	EOC = 30%

Credit Recovery courses will follow the same grade calculation as all other similar courses.

End-of-Course Assessment Waiver:

A student with a disability, as defined in s. 1007.02(2), Florida Statutes, for whom the IEP committee determines that an end-of-course assessment cannot accurately measure the student's abilities, taking into consideration all allowable accommodations, shall have the end-of-course assessment results waived for the purpose of determining the student's course grade and credit as required. All ESE students must attempt to take the EOC in order to potentially qualify for an EOC waiver. An individual IEP team will examine all information for each ESE student~~,~~ and ~~then~~ make a determination regarding the potential for the results of the EOC to be waived.

Any waiver of the statewide, standardized assessment requirements by the individual education plan team must be approved by the parent and is subject to verification for appropriateness by an independent reviewer selected by the parent.

Semester grades for students using an End-of-Course Waiver will be averaged as follows:

Semester 1: Quarter 1=50% and Quarter 2 =50%

Semester 2: Quarter 3 =50% and Quarter 4 =50%.

Florida Course Credit Statute:

Florida Statute requires that a student enrolled in a year-long course shall receive a full credit if the student passes one semester of the course but fails the other semester based on the defined recalculation process. This statute may also be applied if recalculation of a year-long grade would result in a higher final grade for the student, even if a semester grade of "F" was not earned. A student or parent must request this recalculation in writing. Schools must ensure students and parents are aware of this option.

The numeric semester grades will be averaged to calculate a year-long grade. If this average is to the student's benefit, it will be entered on the student's academic history as the final grade for the course. Each school will follow the district plan to ensure that the grade recalculation is completed and entered into the student system.

Courses carried forward as high school credit will be used to satisfy the high school graduation and Florida Academic Scholars Award requirements. A middle school student must be granted credit toward high school graduation requirements for courses taken through dual enrollment.

Once a high school grade is earned (credit carried forward to high school), that grade becomes a permanent ~~record~~ on the student's transcript and may not be removed from the transcript.

High School Dual Enrollment Courses:~~—~~End-of-Course Exams (EOC):

1. To earn high school credit for Algebra I, a middle school student must take the state-wide standardized Algebra I EOC assessment and pass the course. The student's performance on the Algebra I EOC assessment constitutes 30% of the student's final course grade. If a student passes the course but does not pass the EOC, the promotion requirement for middle school is met, but the student must pass an Algebra I EOC retake or have earned a comparative/concordant score on a state-~~-~~approved assessment to earn a high school diploma.

To earn high school credit for a Geometry course, a middle school student must take the state-wide standardized Geometry EOC assessment, which constitutes 30% of the student's final course grade, and earn a passing grade in the course.

Semester grades for students who do not take the semester exam will be calculated with a 0% as the exam portion of the grade calculation. All make-ups for semester 1 exams must be completed within 10 school days following the semester 1 exam window. Once the exam is completed, the semester grade will be recalculated.

2. Students enrolled in a high school course with a statewide, standardized end-of-course assessment shall not take the corresponding grade-level required state assessment.

3. A student with a disability, as defined in s. 1007.02(2), Florida Statutes, for whom the IEP committee determines that an end-of-course (EOC) assessment with accommodations cannot accurately measure the student's abilities, shall have the EOC assessment results waived for the purpose of~~-~~determining the student's course grade and credit. All ESE students must attempt to take the EOC in order to potentially qualify for an EOC waiver. An IEP team will examine all information for each ESE student and make a determination regarding the potential for the results of the EOC to be waived.

   Any waiver of the statewide, standardized assessment requirements by the IEP team must be approved by the parent and is subject to verification for appropriateness by an independent reviewer selected by the parent.

District Criteria for Enrollment in Advanced Middle School Courses:

Students/Parents may request enrollment in advanced middle school courses during the course selection process in the spring. Upon verification that required criteria has been met, enrollment will be granted. Principals may override the district criteria and place students in advanced courses based on data indicating

that the student is capable of success in the courses. This data must be documented. AVID students must be placed in at least one honors, advanced, or dual enrollment course. Principals are encouraged to make exceptions to the placement criteria in the AVID students' areas of strength.

1. Accelerated Math:

   The student must have earned a Level 3 or above on the most current required state assessment in Mathematics or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.0 grade point average for the year in the previous year's ~~M~~mathematics course

2. Advanced Language Arts

   The student must have earned a Level 3 or above on the most current required state assessment in English Language Arts (ELA) or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.0 grade point average for the year in the previous year's Language Arts course

3. Advanced Science:

   The student must have earned a Level 3 or above on the most current required state assessment in Science, Mathematics, or English Language Arts (ELA) or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.0 grade point average for the year in the previous year's Science course

4. Advanced Social Studies:

   The student must have earned a Level 3 or above on the most current required state assessment in English Language Arts (ELA) or have both of the following:

   a. teacher, counselor, and/or administrator recommendation

   b. 3.0 grade point average for the year in the previous year's ~~S~~social ~~S~~studies course

Credit Acceleration Program (CAP)

The Credit Acceleration Program (CAP) is created for the purpose of allowing a student to earn high school credit in a course that requires a statewide, standardized end-of-course assessment if the student attains a specified score on the assessment. The school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course, if the student attains a score indicating satisfactory performance on the corresponding statewide standardized end-of-course assessment. The school district shall permit a student who is not enrolled in the course, or who has not completed the course, to take the standardized end- of-course assessment during the regular administration of the assessment.

The credit awarded is for the regular course level and not the honors level. The credit for this course is not

weighted for GPA calculation purposes.

If a student fails a course requiring an EOC to earn credit but attains a score indicating satisfactory performance on the corresponding EOC, credit will be awarded for the course as prescribed by state statute. Students must retake the course to use the grade forgiveness policy. The failing grade will be calculated in the GPA unless the student retakes the course and earns a "C" or above.

Grade Forgiveness Policy

Middle school students taking high school courses may repeat and replace a grade of "C", "D", or "F" earned during middle school in the high school course, with a grade of C or higher, earned subsequently in the same or comparable courses.

Credit Recovery courses are credit-bearing courses with specific content requirements defined by state adopted standards. Students enrolled in a Credit Recovery course must have previously attempted the corresponding course (and/or ~~E~~end-of-~~C~~course assessment) since the course requirements for the Credit Recovery course are the same as the previously attempted corresponding course. It is important to note that Credit Recovery courses are not bound by Section 1003.436(1) (a), Florida Statutes, requiring a minimum of 135 hours of bona fide instruction (120 hours in a school/district implementing block scheduling) in a designed course of study that contains student performance standards~~,~~ since the students have previously attempted successful completion of the corresponding course. Additionally, Credit Recovery courses should ONLY be used for credit recovery, grade forgiveness, or remediation for students needing to prepare for an End-of- Course assessment retake.

Alternative Education Programs and the Department of Juvenile Justice

For students in alternative programs, including DJJ, the ~~C~~career ~~E~~education component must be completed by all students prior to leaving the 8th grade. For students in DJJ programs, the physical education requirement will be waived if the student is in a commitment program as an eighth grader. Physical education is not available in the DJJ program. For juvenile justice programs and alternative programs offering extended learning opportunities, promotions may occur as the requirements herein described are met.

High School Education (Grades 9-12), Section 4.9.3

I. Program of Studies Grades 9-12

High school basic education course offerings are selected from the Florida Department of Education's Course Code Directory and approved by the Deputy Superintendent for Instruction Services for the School District of Manatee County. All students will receive instruction in reading, English/language arts, mathematics, science, social studies, the ~~a~~Arts, health, and physical education. The School District of Manatee County will adhere to all statutes regarding required instruction.

Students are required to be enrolled on a full-time basis, to include seven courses or the equivalent. If there are extenuating circumstances, students may use a combination of Manatee Virtual School courses and traditional courses to meet the full-time criteria. In order to use this option, seats must be available in the required Manatee Virtual School courses, and principal approval is required.

Students wishing to have a part-time enrollment status may do so by registering as a home education student. Home education students may take up to three courses at their districted school, providing there is room in the courses selected. Home education students will not be awarded a diploma from the School District of Manatee County and may not participate in any senior graduation activities on the districted school campus.

II. Grades and Credits

Grading Scale

Student achievement in all courses will be evaluated using numeric and letter grades. As designated in Florida Statute, the letter grade scale and definitions adopted for all courses in grades 9 through 12 are as follows:

Value	Numeric Range	Letter Grade	Definition
4	90-100	A	Outstanding Progress
3	80-89	B	Above Average Progress
2	70-79	C	Average Progress
1	60-69	D	Lowest Acceptable Progress
0	0-59	F	Failure

Note: W = Withdrawn I = Incomplete* NG—No Grade Assigned

*An incomplete grade ("I") will be changed to a letter grade upon completion of all course requirements within 10 school days of grades being posted, under normal circumstances. If, after 10 days, the course

requirements are not completed, the incomplete grade will become an "F."

Exam Exemption Policy:

Seniors who earn a "B" or higher for both third and fourth quarters may be exempt from the required semester 2 exam. State mandated end-of-course exams and dual enrollment course exams may not be exempted. Grades for students who are eligible to exempt the semester 2 exam will be averaged using only the third and fourth quarter grades. Each quarter will be calculated at 50% of the total semester 2 grade.

Grading Policies:

Schools shall not exempt students from academic performance requirements, such as final exams, based on practices or policies designed to encourage student attendance. A student's attendance record may not be used in whole or part to provide an exemption from any academic performance requirement.

Students must be notified in writing at the beginning of each course as to how their grades will be determined. This could be included in the course syllabus or information shared with students and parents.

Pass/Fail grades will not be issued for courses offered in Manatee District Schools. Students who transfer in with a Pass ("P") grade will earn the credit for the indicated course(s) but will not have a grade calculated into their grade point average.

In alignment with post-secondary education, withdrawals from a course will not become part of the student record if the course is dropped within the first ten days of the start of the semester. A "W" (Withdraw) will be recorded after the first ten days but prior to the end of the first/third quarter. Either a "WP" (Withdraw Passing) or "WF" (Withdraw Failing) will be recorded if the course is dropped after the first quarter, indicating the student's progress at the time of withdrawal. There is no impact on GPA.

Progress Reports are issued mid-way through each quarter (approximately 4.5 weeks) to notify students and their parents or guardians of mid-term academic progress. Additionally, parents may monitor student progress regularly through the FOCUS Parent Portal. To communicate with teachers, parents may contact each teacher by phone at school or through email. Many teachers maintain a web page or post through our online platform Schoology to upload information such as homework, other assignments, major projects, unit assessments, and the course syllabus.

Semester Grades

A Semester Exam is required in all courses for high school credit. SemesterExams may not be given early. Semester grades for students who do not take the semester exam will be calculated with a 0% as the exam portion of the grade calculation. All make-ups for semester exams must be completed within 10 school days following the semester exam window. Once the exam is completed, the semester grade will be recalculated.

Course grades will be averaged as follows:

The student's semester grade is calculated by averaging according to the following scale:

Quarter 1 = 40%	Quarter 3 = 40%
Quarter 2 = 40%	Quarter 4 = 40%
Semester Exam = 20%	Semester Exam = 20%

The Algebra I, Geometry, U.S. History, and Biology EOCs will constitute 30% of the final course grade. The grade will be calculated as follows:

Quarter 1 = 35%	Quarter 3 = 35%
Quarter 2 = 35%	Quarter 4 = 35%
Semester Exam = 30%	EOC = 30%

Credit Recovery courses will follow the same grade calculation as all other similar courses.

End-of-Course Assessment Waiver:

A student with a disability, as defined in s. 1007.02(2), Florida Statutes, for who the IEP committee determines that an end-of-course assessment cannot accurately measure the student's abilities, taking into consideration all allowable accommodations, shall have the end-of-course assessment results waived for the purpose of determining the student's course grade and credit as required. All ESE students must attempt to take the EOC in order to potentially qualify for an EOC waiver. An ~~individual~~ IEP team will examine all information for each ESE student~~,~~ and ~~then~~ make a determination regarding the potential for the results of the EOC to be waived.

Any waiver of the statewide~~,~~ standardized assessment requirements by ~~individual education plan~~the IEP team must be approved by the parent and is subject to verification for appropriateness by an independent reviewer selected by the parent.

Semester grades for students using an End-of-Course Waiver will be averaged as follows:

Semester 1: Quarter 1=50% and Quarter 2 =50%

Semester 2: Quarter 3 =50% and Quarter 4 =50%.

Florida Course Credit Statute:

Florida Statute requires that a student enrolled in a year-long course shall receive a full credit if the student passes one semester of the course but fails the other semester, and the average of the two semesters is a 60% or higher based on the defined recalculation process.

If recalculation of a year-long grade, even if a semester grade of "F" was not earned, would result in a higher final grade for the student, this statute may also be applied. A student or parent must request this recalculation in writing. Schools must ensure students and parents are aware of this option.

The numeric semester grades will be averaged to calculate a year-long grade. If this average is to the student's benefit, it will be entered in the student's academic history as the final grade for the course. Each school will follow the district plan to ensure that the grade recalculation is completed and entered into the student system.

This rule applies when both semesters are taken within one school year, and the student fails one of the two semesters. Students continue to earn- half-credit for passing a semester of a course. This does not affect other credit recovery options.

Make-up Work

Following an excused absence, the student has the responsibility to contact his/her teachers on the next attended day in order to obtain any missed assignments. Work assigned prior to the absence is due the day the student returns to school. Work assigned during the student's excused absence is due within a period of time equal to the number of days that the student was absent.

Grade Point Average

1. A student's cumulative grade point average (GPA) will be calculated based upon all ~~of the~~ courses a student has completed, including courses taken for high school credit in middle school, except those where the forgiveness policy applies. Transfer credit(s) with a grade of Pass (P) will not be calculated into the ~~grade point average~~GPA. In order to graduate, students must earn a cumulative unweighted GPA of 2.0 on a 4.0 scale.

2. Parents of students who have a cumulative GPA of 1.5 or below at the end of each semester in grades 9, 10, 11, and 12 shall be notified that the student is at-risk of not meeting the graduation requirements. The notice shall contain an explanation of the policies the district has in place to assist the student in meeting the GPA requirement.

Class Rank:

1. For the purposes of class ranking, high schools will use a weighted grading system for appropriate courses as indicated in the Florida Department of Education Comprehensive Course Table for high school credit courses. Class rank for graduation will be determined in January of the current school year. Class rank is determined by a student's cohort, which is defined by the year that the student enters 9th grade.

2. Class rank will be determined based on courses for which credit and grades are awarded toward a Standard Diploma. Students earning a Access Points Pathway Standard Diploma,~~,~~ Hospital Homebound students, and Home Education students will not be included in the class ranking. A student's rank in class will be determined by using the cumulative weighted grade point average.

3. Class rank will be calculated and locked for graduation recognition purposes ten (10) school days after the

end of the first semester. After it is locked, there will be no recalculation of class rank for graduation purposes.

4. Grade weighting is done at the discretion of the school district. The School District of Manatee County will weight all courses, including those who transferred ~~in~~ from out of district, based on the scales described below.

5. Beginning with courses taken during the 2016-2017 school year ~~and thereafter~~, the grade weighting scale is as follows:

Unweighted Grade Points	Weighted Honors Course Grade Points	Weighted Advanced Studies Course* Grade Points
A=4	A=4.5	A=5
B=3	B=3.5	B=4
C=2	C=2.5	C=3
D=1	D=1.5	D=2

* (Section 1003.437, F.S., specifies that "For the purposes of class ranking, district school boards may exercise a weighted grading system pursuant to s. 1007.271." For districts that use a weighted grading system, s. 1007.271(18), F.S., states that "school districts and Florida College System institutions must weigh dual enrollment courses the same as Advanced Placement, International Baccalaureate, and Advanced International Certificate of Education courses when grade point averages are calculated. Alternative grade calculation or weighting systems that discriminate against dual enrollment courses are prohibited." This provision relating to GPA weighting includes all dual enrollment courses, including career education courses.)

6. Grades earned in Career and Technical Education courses that are Level 3 courses and lead to an industry certification are weighted the same as ~~a~~ grades earned in ~~an~~ Honors courses for the purpose of calculating grade point average (GPA).

Honors Recognition

The upper 10% of the graduating class, based on the weighted rank in class, will be graduated with Honors in the recognition of excellence in academic achievement. High schools will determine the top 10% and top 4% of the graduating class using the weighted grade point average. All Honors and Highest Honors students will be recognized at commencement. A Valedictorian and a Salutatorian will not be chosen.

Grade Forgiveness

Achievement of a cumulative grade point average of 2.0 (unweighted) on a 4.0 scale is required for graduation. To assist students in meeting this requirement, districts may offer grade forgiveness policies, summer school, before-school or after-school attendance, special counseling, volunteers or peer tutors, school-sponsored help sessions, homework hotlines, and study skills classes.

1. To assist students in achieving a cumulative grade point average of 2.0 (unweighted) on a 4.0 scale, the forgiveness policy provides that students may replace a "D" or "F" with a grade of "C" or higher, earned subsequently in the same or comparable course. Only one grade and one credit may be earned for the same course. When a course is repeated, all grades appear on the student's transcript. The forgiveness policy applies only when a course is repeated after the course for which the "D" or "F" was earned. Students may repeat a course already passed only once.

2. The only exception to these forgiveness policies shall be made for a student in middle school who takes any high school course for high school credit and earns a grade of "C", "D", or "F". In such cases, the district forgiveness policy must allow the replacement of the grade with a grade of "C" or higher, earned subsequently in the same or comparable course. When a course is repeated, all grades appear on the student's transcript. All grades, except those that meet the conditions of the grade forgiveness policy, will be calculated in the grade point average.

3. In all cases of grade forgiveness, only the new grade is used in the calculation of the student's grade point average. Any course not replaced according to the forgiveness policy is included in the calculation of the cumulative grade point average required for graduation. Post-secondary institutions may have different grade forgiveness policies; therefore, the GPA may be recalculated to ~~and could~~ include ALL courses attempted. ~~This could recalculate GPA and~~which could affect admissions decisions.

4. An ~~E~~elective course~~s~~ may be replaced with any other elective course, as long as graduation requirements are still met with the substituted elective course. A student may choose to retake a high school course where no credit was awarded.

Courses for Graduation for Standard Diploma	Course completed	Course(s) that will Forgive the grade

		Agriscience Foundations (8106810), if used as a science credit, can forgive an equally rigorous science

Electives	Any elective	Same course or any elective

Credit Recovery courses are elective credit-bearing courses with specific content requirements defined by Florida State Standards. Students enrolled in a Credit Recovery course must have previously attempted the corresponding course (and/or End-of-Course assessment)~~.~~ It is important to note that Credit Recovery courses are not bound by Section 1003.436(1)(a), Florida Statutes, requiring a minimum of 135 hours of bona fide instruction (120 hours in a school/district implementing block scheduling) in a designed course of study that contains student performance standards~~,~~ since the students have previously attempted successful completion of the corresponding course. Additionally, Credit Recovery courses should ONLY be used for credit recovery or grade forgiveness or to support on-time graduation.

Credits

The granting of course credit is based on an evaluation of the individual student's achievement of established district and state performance standards and other requirements as designated by the teacher. Performance standards will include specific course content as specified in statutes and in the district curriculum.

1. For the purpose of high school graduation requirements, one full credit is determined as follows:
    a. A minimum of 135 hours of bona fide instruction in a designated course of study which contains student performance standards; or
    b. For schools that have been authorized to implement block scheduling by the district school board, a minimum of 120 hours of bona fide instruction in a designated course of study that contains student performance standards for purposes of meeting high school graduation requirements.
2. One-half (.5) credit means a minimum of 67.5 hours of bona fide instruction or a minimum of 60 hours of bona fide instruction in a high school that implements block scheduling. One half (.5) credit shall be awarded at the end of each semester/term upon the satisfactory completion of course requirements.
3. Student performance standards must be met for each ~~A~~academic and Career and Technical Education Program in grades 9 through 12 for which credit toward high school graduation is awarded.
4. Credit will be awarded if a student who is not enrolled in or who has not completed a course takes and passes a statewide standardized assessment through the Credit Acceleration Program. No student may be granted credit toward high school graduation for enrollment in the following programs or courses:
    a. More than a total of nine elective credits in remedial programs.
    b. More than one credit in exploratory vocational courses.
    c. Any Level 1 course, unless the student's assessment indicates a more rigorous course would be inappropriate, in which case a written assessment of the need must be included in the Individual Education Plan or the Individual Progress Monitoring Plan and signed by the principal, school counselor and the parent, if the student is not 18 years or older.

5. Enhanced Instruction for Non-Proficient Students:

- Students must earn a Level 3 or higher in English Language Arts (ELA) and/or Math on a standardized assessment within the last two or more consecutive years. Students who do not meet these criteria may be required to receive enhanced instruction through a course that will assist in building the students' skills and in mastering standards.
- School administrators may use concordant/comparative scores on state-approved assessments. ~~(SAT, ACT, PERT. PERT may not be used by students entering 9th grade in 2019-2020 and thereafter.) to determine proficiency if no state standardized assessment scores are available at the time of enrollment.~~

6. Intensive Instruction Waiver:

Parents may submit a waiver of the intensive instruction requirement for their child to the student's school counselor. Exercising this option can jeopardize a student's opportunity for an ESE assessment waiver and prohibit students from participation in alternative graduation options in high school. The following criteria must be met to qualify for this waiver:

a. Parents must complete the Intensive Instruction Waiver Request Form (Appendix A).~~-~~

b. Student must be in 6th-11th grade.

III. Promotion

Promotion Guidelines

Students will be promoted based on the number of years ~~in which~~ they have attended high school:

First year—9th grade

Second year—10th grade

Third year—11th grade

Fourth year—12th grade

Students entering high school for the first time may be placed into the 9th grade.

Students who do not meet graduation requirements after the 8th semester of high school and choose to continue their high school education, may~~will~~ be placed in an alternative site at the start of their 9th semester.

Students who plan to graduate in three years will be promoted to 12th grade after the first semester of their third year in high school.

IV. Acceleration and Enrichment

Articulated acceleration is available and serves to shorten the time necessary for a student to complete the requirements associated with a high school diploma and a postsecondary degree, broaden the scope of curricular options available to students, or increase the depth of study available for a particular subject. This

includes, but is not ~~be~~ limited, to post-secondary Dual Enrollment and Early Admission, Cambridge Advanced International Certificate of Education Program (AICE), Advanced Placement (AP), and the International Baccalaureate (IB) Program. Credits earned through the Florida Virtual School shall provide additional opportunities for early graduation and acceleration.

Each high school shall advise students of programs through which a high school student can earn college credit, including AP, IB-, AICE, dual enrollment courses, career academy courses, and courses that lead to national industry certification, as well as offerings through virtual instruction.

To be eligible to participate in AICE, AP or IB programs, ~~A~~a student shall have a 3.0 grade point average and have earned Level 3 or higher on the state assessment~~FSA,~~ passed a nationally-normed standardized test, ~~or~~ earned the required comparative/concordant score within the last two years ~~to be eligible to participate in AP, IB, or AICE~~ , or ~~at~~ been granted admission at the discretion of the principal.

Eligibility requirements for dual enrollment programs are determined by each enrolling institution and can be accessed on the institution's website.

A student transferring in from out-of-state, homeschool, or private school with a state or national normed test score demonstrating that the course is academically appropriate, may enroll in AP, IB, or AICE. If requested by the student or parent, the principal may override the district criteria and place students in advanced studies courses based on data indicating that the student is capable of success in the courses. This data must be documented.

Home education students may participate in dual enrollment, career dual enrollment, early admission, and credit by examination. Credit earned by home education students through dual enrollment shall apply toward the completion of a home education program that meets the requirements of Section 1002.42, Florida Statute.

Advanced Placement (AP)

Advanced Placement (AP) is a program for ~~the enrollment of an~~ eligible secondary school students to enroll in college-level courses ~~in a course offered by the Advanced Placement Program~~ administered by the College Board. Postsecondary credit for an AP course may be awarded to students who score a minimum of 3 on a 5-point scale on the corresponding AP exam in accordance with the policies of the receiving college or university. Students shall be exempt from the payment of any fees, excluding restocking fees when applicable, for AP courses in which they are enrolled, including fees for administration of the AP examination, regardless of whether the student achieves a passing score. Students requesting to take AP exams for courses in which they are not currently enrolled must pay for the cost of the AP exam.

~~A school may withdraw s~~Students earning a "D" or "F" in an Advanced Placement ~~C~~course at the end of first semester may be withdrawn and scheduled into another course in the same subject area.

AP Capstone™

AP Capstone™ is a diploma program based on two AP courses: AP Seminar and AP Research. These yearlong courses focus on developing the critical thinking, research, collaboration, time management, and

presentation skills students need for college-level work. If a student earns scores of 3 or higher in AP Seminar and AP Research, he or she will receive the AP Seminar and Research Certificate™. If a student earns scores of 3 or higher in AP Seminar and AP Research and on four additional AP Exams, the student will receive the AP Capstone Diploma™.

AP Seminar - During this course, students investigate a variety of topics through various viewpoints. Students will also complete a team project and an individual paper and presentation, as well as take a written end-of-course exam.

AP Research - In AP Research, students explore various research methods and complete an independent research project. The project can build on a topic, problem, or issue covered in AP Seminar or on a brand-new topic of your own choosing. At the end of the project, students submit an academic paper and present and defend the research findings.

International Baccalaureate (IB)

~~The~~ International Baccalaureate (IB) is a ~~P~~program administered by the IB Organization ~~is the curriculum~~ whereby eligible secondary students are enrolled in a prescribed program of studies ~~offered through the IB Program administered by the IB Office~~. The State Board of Education has established rules that specify the cutoff scores ~~and~~ forIB ~~E~~examinations that will be used to grant postsecondary credit at community colleges and universities. Students shall be awarded a maximum of 30 college semester credit hours. Students shall be exempt from the payment of any fees, excluding restocking fees when applicable, for IB courses in which they are enrolled, including fees for administration of the examinations, regardless of whether or not the student achieves a passing score on the examination.

~~A school may withdraw~~ ~~s~~Students earning a "D" or "F" in an IB ~~C~~course at the end of the first semester may be withdrawn and scheduled into another course in the same subject area.

Cambridge Advanced International Certificate of Education (AICE)

Cambridge Advanced International Certificate of Education (AICE) provides a high-quality curriculum which prepares young people for honors degree programs. It requires the study of subjects drawn from three curriculum areas; mathematics and science, languages, and arts and humanities. AICE offers students the opportunity to tailor their studies to their individual interests, abilities, and future plans within an international curriculum framework. The State Board of Education has established rules that specify the cutoff scores that will be used to grant postsecondary credit at community colleges and universities. Students shall be awarded a maximum of 30 college semester credit hours. Students shall be exempt from the payment of any fees, excluding restocking fees when applicable, for Cambridge AICE courses in which they are enrolled, including fees for administration of the examinations, regardless of whether or not the student achieves a passing score on the examination. Students requesting to take Cambridge AICE exams for courses in which they are not currently enrolled must pay for the cost of the Cambridge AICE exam.

~~A school may withdraw s~~Students earning a "D" or "F" in an AICE course at the end of the first semester may be withdrawn and scheduled into another course in the same subject area.

Early High School Graduation

Early high school graduation is an option if a student has completed a minimum of 24 credits and meets all graduation requirements in less than 8 semesters, or meets the 18 credit, ACCEL Diploma Option. A student who graduates early may continue to participate in school activities and social events and attend and participate in graduation events with the student's cohort as if the student were still enrolled in high school. A student who graduates early will be included in class ranking, honors, and award determinations for the student's cohort. Cohort is defined by the FLDOE as when the student enters 9th grade (1003.4281).

A student who graduates early must comply with district school board rules and policies regarding access to the school facilities and grounds during normal operating hours.

Advancement Via Individual Determination (AVID)

Advancement Via Individual Determination (AVID) is designed to prepare students for college and career readiness and success. Students who apply for and are accepted must also take at least one weighted course (Honors, Pre-AP, AP, IB, AICE, and ~~D~~dual ~~E~~enrollment) and the AVID Academic elective. AVID is designed for students who are capable of completing a college-preparatory curriculum. The AVID curriculum supports students as they undertake the most rigorous courses, with an emphasis on writing as a learning tool, the inquiry method, collaborative course grouping, organization, and academic reading. Principals are encouraged to make exceptions to the placement criteria in AVID students' areas of strength.

~~Middle School~~High School Dual Enrollment for Middle School Students

High school courses may be taken by eligible middle school students.

1. High school courses taken during middle school may be used to satisfy high school graduation requirements and Florida Bright Futures ~~S~~scholarship requirements.
2. A student must be granted credit toward high school graduation requirements for courses completed in middle school. Grades for high school credit courses taken during middle school will appear on the high school transcript, and the grades will average into the student's high school grade point average (GPA).
3. High schools shall not award high school credit for courses taken in middle school if the middle school did not award the high school credit.
4. Middle school students taking courses that require an EOC must follow statute.

Post-Secondary Dual Enrollment and Early Admission

Post-Secondary Dual Enrollment ~~P~~programs and Early Admission are available at all high schools.

1. ~~The~~ Dual Enrollment ~~P~~program is defined as the enrollment of an eligible secondary student or home education student in a postsecondary course creditable toward high school completion ~~and~~ AND a career and technical certificate or an associate or baccalaureate degree. dual enrollment shall be available for secondary students seeking a degree or certificate from a complete career-preparatory program and shall

not be used to enroll students in isolated career courses.

2. The School Board shall inform all secondary school students of dual enrollment as an educational option and mechanism for acceleration. Students shall be informed of eligibility criteria, the option for taking dual enrollment courses beyond the regular school year, and the minimum academic credits required for graduation. District school boards must annually assess the demand for dual enrollment ~~and other advanced courses~~, and the district school board shall consider strategies and programs to meet that demand and include access to dual enrollment on the high school campus whenever possible. Information regarding student education options which discriminate against dual enrollment courses is prohibited.

3. Students enrolled in postsecondary instruction that is not creditable toward the high school diploma shall not be classified as dual enrollment.

4. Students who are eligible for dual enrollment shall be permitted to enroll in dual enrollment courses conducted during school hours and after school hours.

5. Instructional time for such enrollment may vary from 900 hours; however, the school district may only report the student for a maximum of 1.0 Full-~~t~~Time Equivalency (FTE). Any student so enrolled is exempt from the payment of registration, tuition, and laboratory fees. Vocational-preparatory instruction, college-preparatory instruction, and other forms of pre-collegiate instruction, as well as physical education courses that focus on the physical execution of a skill rather than the intellectual attributes of the activity, are ineligible for inclusion in the dual enrollment program. Recreation and leisure studies courses shall be evaluated individually in the same manner as physical education courses for potential inclusion in the program.

6. Each semester of instruction that is eligible for high school and postsecondary credit shall be reported by school districts as 75 membership hours for purposes of FTE calculation. ~~Any student so enrolled is exempt from payment of registration, tuition, the purchase of the primary text, and laboratory fees.~~

7. Dual enrollment courses are weighted the same as AP, AICE, and IB courses. Alternative grade calculation or weighting systems that discriminate against dual enrollment courses are prohibited.

8. The Department of Education adopted guidelines to achieve comparability across school districts of both student qualifications and teacher qualifications for dual enrollment courses. A high school student must complete the following:

    a. Demonstrate~~e~~ion of readiness for college-level course work if the student is to be enrolled in college courses;

    b. Demonstrate~~e~~ion of readiness for career-level course work if the student is to be enrolled in career courses;

    c. Indicate~~e~~ion that, in addition to the required placement examination, student qualifications for enrollment in college credit dual enrollment courses must include at least a 3.0 unweighted GPA, and student qualifications for enrollment in career certificate dual enrollment course must include at least a 2.0 unweighted grade point average.

9. Career dual enrollment shall be provided as a curricular option for secondary students to pursue in order to earn a series of elective credits toward the high school diploma. Career dual enrollment shall be available for secondary students seeking a degree or certificate from a complete career-preparatory program and shall not be used to enroll students in isolated career courses.

10. The Inter-institutional Articulation Agreement is jointly developed between the School District of Manatee County and State College of Florida, University of South Florida, and/or other postsecondary institutions to provide advanced instruction for those students who demonstrate a readiness to engage in postsecondary academic work. In this program, students may earn credit toward both a high school diploma and an ~~A~~associate or ~~B~~baccalaureate ~~D~~degree. The agreement includes the following:

    a. A delineation of courses and programs available for students;

    b. A plan for the ~~community college~~institution to provide guidance services to participating students on the selection of courses in the dual enrollment program;

    c. The process by which students are eligible to participate in dual enrollment and by which their parents are informed about opportunities to participate in acceleration programs;

    d. An assurance that each dual enrollment student is encouraged to identify a postsecondary education objective with which to guide the course selection;

    e. An assurance that each student has a plan that includes a list of courses that will result in an Applied Technology Diploma, an Associate in Science degree, or an Associate in Arts degree, and, if the student identifies a baccalaureate degree as the objective, the plan must include courses that will meet the general education requirements and any prerequisite requirements for entrance into a selected baccalaureate degree program;

    f. The process by which students and their parents exercise their option to participate in an acceleration program;

    g. An explanation of ~~H~~high school credits earned for completion of each dual enrollment course;

    h. An explanation of ~~P~~postsecondary courses that meet the criteria for inclusion in the district articulated acceleration program to be counted toward meeting graduation requirements;

    i. The ~~E~~eligibility criteria for student participation;

    j. An explanation of ~~I~~institutional responsibility for screening prior to enrollment and monitoring student performance subsequent to enrollment;

    k. An ~~I~~identification of the instructional quality criteria for dual enrollment courses and programs that are to be judged;

    l. A delineation of institutional responsibilities for instructional quality;

    m. A delineation of responsibilities for cost of dual enrollment courses and instructional materials;

n. A description of ~~T~~transportation;

o. The process for converting college credit hours through dual enrollment and early admissions to high school credit; and

p. An identification of the responsibility of the postsecondary educational institution for assigning letter grades for dual enrollment courses and the responsibility of school districts for posting dual enrollment grades to the high school transcript as assigned by the postsecondary institution awarding credit.

11. Only those academic elective courses approved in the Dual Enrollment Articulation Agreement can be taken for ~~D~~dual ~~E~~enrollment ~~C~~credit. An academic elective that counts as credit toward graduation can be taken as ~~D~~dual ~~E~~enrollment with the approval of the principal.

12. The State Board of Education shall determine the number of postsecondary credit hours earned through dual enrollment that satisfy the requirements of the district's inter-institutional articulation agreement and that equal one full credit of the equivalent high school course.

13. When dual enrollment is provided on the high school site by college or university faculty, the school district shall reimburse the costs associated with the proportion of salary and benefits and other actual costs of the college or university to provide the instruction. Charter ~~S~~schools are an entity of the School District of Manatee County and are bound by the rules and policies of the approved IAA between the school district and State College of Florida, University of South Florida, or other postsecondary institutions. While the School District of Manatee County will be invoiced for the tuition, charter schools receive FTE for ~~D~~dual ~~E~~enrollment students and will be responsible to the School District for all dual enrollment tuition encumbered by their students.

Credit by Examination

Credit by examination is the program through which postsecondary credit is earned based on the receipt of a specified minimum score on nationally standardized general or subject area examinations. The State Board of Education states minimum scores required for an award of credit in the statewide articulation agreement.

College and University Programs

1. Students who wish to participate in an educational program offered by accredited schools, colleges, or universities~~,~~ must have prior written agreement with the school principal, detailing any credit or grade acceptance toward high school graduation or inclusion on the high school transcript. Final inclusion on the high school transcript will be completed only upon the school's receipt of all necessary documentation from the appropriate institution.

2. All evidence of work/credits earned at another school will be based on an official transcript authenticated by the proper school authority. Credits from state or regionally accredited schools shall be accepted at face value, subject to validation where deemed necessary. Credits earned through alternative delivery systems that are accredited by a regional accrediting association, non-accredited

schools, home schools, or non-accredited correspondence schools shall be validated by the administration of examinations or by establishing credits earned through successful performance in subsequent courses.

With the approval of the principal, students may earn credit through ~~D~~dual ~~E~~enrollment, Advanced Placement, Cambridge Advanced International Certificate of Education ~~Certificate~~, International Baccalaureate programs, Florida Virtual School, and by using substitutions indicated in the course code directory. Home education students may participate in ~~C~~college ~~D~~dual ~~E~~enrollment, working directly with ~~and~~ State College of Florida, University of South Florida~~-~~, or other postsecondary institutions, career and technical dual enrollment and early admission and credit by exam by postsecondary institutions. Dual ~~E~~enrollment credit earned by home education students shall apply toward the completion of a home education program that meets the requirements of state statute.

Academically Challenging Curriculum to Enhance Learning (ACCEL)

Each school must offer the following ACCEL options: whole-grade and mid-year promotion, subject-matter acceleration, virtual instruction in higher grade level subjects, and Credit Acceleration Program (CAP). Whole-grade and mid-year promotion requires secondary students to meet student progression course/credit promotion criteria. Subject-matter acceleration is available when a student has met the prerequisite course requirements for that content area. Virtual instruction in higher grade-level subjects is available when students have exhausted the course offerings at the school, and students meet the course prerequisites. The Credit Accelerated Program may be used for any course that requires an end-of-course exam to earn credit in the course. In addition to these requirements, the following must be considered when establishing eligibility:

1. The student's performance on required state assessments
2. The student's grades or grade point average
3. The student's attendance and conduct
4. Teacher and school counselor recommendations

Each school must inform students and parents of these options. A student or a parent may request one of these options by written request to the principal. This will be followed by a parent conference to discuss eligibility and placement.

Credit Acceleration Program (CAP)

1. The Credit Acceleration Program (CAP) is created for the purpose of allowing a student to earn high school credit in a course that requires a statewide, standardized end-of-course assessment if the student attains a specified score on the assessment. If the student attains a score indicating satisfactory performance on the corresponding statewide standardized end-of-course assessment then the school district shall award course credit to a student who is not enrolled in the course, or who has not completed the course. The school district shall permit a student who is not enrolled in the course, or who has not completed the course, to take the standardized end-of-course assessment during the regular

administration of the assessment. If a student earns course credit without enrollment in a course via the CAP, a grade of "T" is recorded on the transcript in the Grade column.

2. The credit will be awarded for the course as prescribed by state statute when a student fails a course requiring an EOC to earn credit, but attains a score indicating satisfactory performance on the corresponding EOC. Students must retake the course in order to use the grade forgiveness policy. The failing grade will be calculated in the GPA unless the student retakes the course and earns a "C" or above.

3. A student will be awarded course credit for earning a grade of 3 or higher on an Advanced Placement exam, even if not enrolled in the course, or for passing a CLEP test. If a student fails an AP course, but attains a score indicating satisfactory performance on the corresponding AP exam, credit will be awarded for the course as prescribed by state statute. Students must retake the course or an equivalent course in order to use the grade forgiveness policy. The failing grade will be calculated in the GPA unless the student retakes the course or an equivalent course and earns a "C" or above.

V. Graduation Requirements

General Information

A student in a Manatee County public school may earn a Standard Diploma~~, a Special Diploma for Exceptional Education Students who meet specific cohort entry requirements,~~ or a Certificate of Completion. All requirements must be met before a diploma or certificate is awarded. The diploma or certificate will be awarded to reflect the year that the final requirements are met. To earn a diploma, a student must meet the graduation requirements for the school year in which that student entered ninth grade for the first time. In accordance with the Individuals with Disabilities Act (IDEA), students with disabilities may receive services through the public school system through age 21 (i.e., until their 22nd birthday) or until they graduate with a Standard Diploma, whichever comes first.

Before a student graduates from high school, the school shall assess the student's preparation to enter the work force and provide the student and student's parent/guardian with the results of the assessment. The Department of Education has determined that, because required state assessments assess certain Education Goal 3 standards, which were developed from a United States Secretary of Labor's report on necessary skills, the required state assessments can serve as this assessment.

Students who have met all requirements for the standard high school diploma except for passage of the required state assessment or an alternate assessment by the end of Grade 12 must be provided the following learning opportunities:

1. participation in an accelerated high school equivalency diploma preparation program during the summer;

2. upon completion of Certificate of Completion, be allowed to take the Postsecondary Education Readiness Test (PERT) and be admitted to remedial or credit courses at a state community college, as appropriate: and

3. participation in an adult general education program for such time as the student requires to master

English, reading, mathematics, or any other subject required for high school graduation. Students attending adult basic, adult secondary, or vocational-preparatory instruction are exempt from any requirement for the payment of tuition and fees, including lab fees. A student attending an adult general education program shall have the opportunity to take the required state assessment an unlimited number of times in order to receive a standard high school diploma.

Change in Graduation Requirements

School Board approval is required prior to ~~a school's~~ increasing a school's graduation requirements. An increase in academic credit or minimum grade point average requirements shall not apply to students in grades 9-12 at the time of the increase.

District ~~S~~school ~~B~~boards may not establish requirements for the ACCEL Accelerated Diploma Option in excess of the requirements as per statute.

Participation in the Graduation Ceremony

A student must complete all requirements for a standard or special diploma in order to participate in his/her high school graduation ceremony. A student must be registered at a Manatee ~~D~~district high school in order to participate in that high school's graduation ceremony or must be enrolled in a School District of Manatee County sanctioned educational option. A full-time virtual school student will not be allowed to participate in graduation at his or her zoned school.

A student who withdraws from a high school, enrolls in an adult program, and successfully completes the Graduate Educational Development (GED) tests, may participate in the adult high school graduation ceremony, and is awarded a State of Florida diploma. Students may not participate in the graduation ceremony with their previous high school.

Special Education students who earn a Certificate of Completion as addressed in the IEP may participate in the graduation ceremony. A student who receives a Certificate of Completion due to not meeting graduation requirements for a Standard Diploma may not participate in any graduation ceremony. A Special Education student whose diploma has been deferred based on the IEP team decision will be permitted to participate in the graduation ceremony for his or her cohort group only.

Summer Graduation

A student who completes the 12th grade having met all of the graduation requirements except for one credit may attend summer school. If the student satisfactorily completes the credit, the student may participate in the district summer graduation ceremony.

~~A student who completes the 12th grade, having met all of the graduation requirements except for the assessment requirement (either by passing the required state assessment or by achieving a concordant score) and successfully completes the Graduate Educational Development (GED) tests by June 30, may participate in the district summer graduation ceremony and be awarded a Manatee School District of Manatee County~~

~~diploma.~~

Students who graduate from an alternative educational path as sanctioned by the School District of Manatee County may participate in the summer graduation ceremony. Students enrolled in a School District of Manatee County alternative high school who are not permitted to walk with their zoned schools~~,~~ may participate in the district summer graduation ceremony.

Graduation Requirements: Standard Diploma

Standard Diploma Options:

To graduate from a Manatee County public school, all students seeking a standard diploma must select one of the graduation diploma options:

1. Four Year Standard Diploma 24 credits
2. ACCEL Accelerated Graduation Option 18 credits
3. CTE Graduation Pathway 18 credits

Students must select one of the graduation options. The choice is exclusively up to the student and his/her parent/guardian .

Each year, schools shall notify students in grades 6 – 12 and their parent of the high school graduation options and requirements, including the respective curriculum requirements for those options, so ~~that~~ the student and parent/guardian may select the program which best fits their needs. This notification shall be made prior to the annual spring registration of students for the following year, so ~~that~~ the student's academic plan can be selected or modified to meet the needs of the student. Students must be advised of eligibility requirements for state programs and postsecondary admissions.

If the student and parent/guardian fails to select a diploma option, the student shall be considered to have selected the Four Year Standard Diploma option, which requires 24 credits.

Changing between Standard and Accelerated Diploma Options:

Once a diploma option is selected, the option remains in effect throughout the student's high school experience, unless the parent and student submit ~~in writing a~~a written request to change diploma options as part of the registration process for the upcoming school year. Any such change must be submitted in writing.

Diploma Endorsement:

School ~~B~~boards may attach a Florida Gold Seal Career and Technical Endorsement to a Standard Diploma or award differentiated diplomas to those exceeding the prescribed minimums.

Grade Point Average:

In order to graduate from high school, students must achieve a cumulative unweighted grade point average (GPA) of 2.0 on a 4.0 scale in the courses required for graduation.

State Assessment:

Students must meet all state assessment requirements in order to graduate from high school with a Standard Diploma. Students may use concordant scores or the required state assessments waiver (ENNOBLES Act) to satisfy this requirement.

Diploma Designations:

The **Florida Seal of Biliteracy** Program is established to recognize high school graduates who have attained a high level of competency in listening, speaking, reading, and writing in one or more foreign languages, in addition to English, by the award of a silver or gold seal on a Standard Diploma. The criteria for both seals can be found at http://www.fldoe.org/academics/eng-language-learners/world-languages-foreign-languages.stml .

Students may earn either a **Scholar Diploma** designation or a **Merit Diploma** designation by meeting specific criteria. The criteria is identified in the cohort charts to follow.

Credit Requirements: Standard Diploma

Students receiving a Standard High School Diploma must meet the requirements specified in Florida Statutes. More information on graduation requirements can be found at https://www.fldoe.org/schools/k-12-public-schools/sss/graduation-requirements/.

CTE Graduation Pathway:

Beginning with the 2019-2020 school year, a student is eligible to complete an alternative pathway to earn a standard high school diploma through this ~~new~~ option by:

- Earning at least 18 credits.
- Earning a cumulative grade point average of a 2.0 on a 4.0 scale.
- Completing the ~~S~~same requirements as for a standard diploma in ELA, Math, Science and Social Studies.
- Completing two credits in career and technical education. The courses must result in a program completion and an industry certification.
- Completing two credits in work-based learning programs. A student may substitute up to two credits of electives, including one-half credit of financial literacy~~, for work-based learning program courses to fulfill this requirement~~.

Course Information

Mathematics:

Successful completion of Algebra IA and Algebra IB will satisfy the Algebra I requirement for graduation. A certified school counselor or the principal's designee must advise students that state universities may require ~~for admission~~ three additional mathematics courses at least as rigorous as Algebra I for admission. Level III Mathematics courses in the Florida Course Code Directory may substitute for the Algebra I requirement. Transfers from outside Manatee County may fulfill the Algebra I requirement with the state equivalents. Credit may not be earned for more than one of the options. Students must earn the necessary mathematics credits required for graduation.

A student who earns an industry certification for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute the certification for one mathematics credit. Substitution may occur for up to two mathematics credits, except for Algebra I and Geometry. This option will not impact a student's grade point average as no grade is awarded for the substituted math course.

A student may substitute a credit in computer science, if identified as equivalent in rigor by the ~~c~~Commissioner, for one mathematics requirement except for Algebra I and Geometry. A computer science credit may only be used to substitute one course (either mathematics or science).

A student that earns an industry certification in 3D rapid prototype printing may substitute up to two credits of the mathematics requirement, with the exception of Algebra I, if the ~~c~~Commissioner identifies the certification as being equivalent in rigor.

U.S. Government:

Beginning with the 2021-2022 school year, students taking U.S. Government are required to take the assessment of civic literacy identified by the State Board of Education pursuant to s. 1007.25 (4). Students earning a passing score on this assessment are exempt from the postsecondary civic literacy assessment required by s. 1007.25 (4). The Lou Frey Institute has created a supplemental resource guide and a practice examination for the FCLE. This has been approved by FDOE and is now available here: https://www.fldoe.org/accountability/assessments/k-12-student-assessment/fcle.stml.

~~Comprehensive health education addresses 14 component areas under Florida State Comprehensive health education under Florida State Statute 1003.42 (2)(n).~~

~~**Required Instruction Grades K-12**~~

- ~~Community health~~
- ~~Consumer health~~
- ~~Environmental health~~
- ~~Family life~~
- ~~Injury prevention and safety~~
- ~~Internet safety~~

- ~~Personal health~~

- ~~Prevention and control of disease~~

- ~~Substance use and abuse~~
- ~~Prevention of child sexual abuse, exploitation, and human trafficking~~

~~For students in grades 7 through 12, shall include a teen dating violence and abuse. This component must include that includes, but is not be limited to, the definition of dating violence and abuse, the warning signs of dating violence and abusive behavior, the characteristics of healthy relationships, measures to prevent and stop dating violence and abuse, and community resources available to victims of dating violence and abuse.~~

~~For students in grades 6 through 12, shall include an awareness of the benefits of sexual abstinence as the expected standard and the consequences of teenage pregnancy.~~

~~Life Skills:Resiliency Education:~~

~~School districts must annually provide a minimum of five (5) hours of data-driven instruction to students in grades 6-12 related to civic and character education and life skills education through resiliency education using the health education standards adopted in Rule 6A-1.09401, F.A.C., Student Performance Standards. The instruction will advance each year through developmentally appropriate instruction and skill building and must address, at a minimum, the following topics:~~

~~1. Strategies specific to demonstrating resiliency through adversity, including the benefits of service to the community through volunteerism;~~

~~2. Strategies to develop healthy characteristics that reinforce positive core values and foster resiliency such as:~~

~~a. Empathy, perseverance, grit, gratitude and responsibility;~~

~~b. Critical thinking, problem-solving and responsible decision-making;~~

~~c. Self-awareness and self-management;~~

~~d. Mentorship and citizenship; and~~

~~e. Honesty.~~

~~3. Recognition of signs and symptoms of mental health concerns;~~

~~4. Promotion of resiliency to empower youth to persevere and reverse the harmful stigma of mental health by reframing the approach from mental health education to resiliency education;~~

~~5. Strategies to support a peer, friend, or family member through adversity;~~

~~6. Prevention of suicide;~~

~~7. Prevention of the abuse of and addiction to alcohol, nicotine, and drugs; and~~

~~8. Awareness of local school and community resources and the process for accessing assistance.~~

~~Life skills that build confidence, support mental and emotional health, and enable students to overcome challenges, including:~~

~~a. Self-awareness and self-management.~~

~~b. Responsible decision-making.~~

~~c. Resiliency.~~

~~d. Relationship skills and conflict resolution.~~

~~e. Understanding and respecting other viewpoints and backgrounds.~~

~~A link to access and review the instructional materials used to teach the curriculum will be included on the district's website. The process to request an exemption will also be posted on the district's website. Appendix C contains the Parent Opt-Out form for Health Education.~~

~~Students in grades 9-11 must receive basic training in first aid, including cardiopulmonary resuscitation. This training must be based on a one-hour, nationally recognized program that uses the most current evidence-based emergency cardiovascular care guidelines.~~

Science:

1. Agriscience Foundations I may count as a science credit.
2. Integrated Science I, II, and III taken in sequence will meet the science requirements. The School District of Manatee County will only offer this series of courses for ESE students. These students are required to take the Biology EOC at least one time.
3. A student who earns an industry certification for which there is a statewide college credit articulation agreement approved by the State Board of Education may substitute the certification for one Biology

credit. Substitution may occur for up to two science credits, except for Biology I. This option will not impact a student's grade point average as no grades are awarded for the substituted science course.

4. A student who earns credit in a computer science course may substitute the computer science credit for one science credit, except for Biology I, if identified as equivalent in rigor by the Commissioner. A computer science credit may only be used to substitute one course (either mathematics or science).

Community Service:

If offered at the high school, students may enroll in Voluntary Public Service (0500370) or Voluntary School/Community Service (2104330). Students may earn community service hours and elective credit for the Voluntary Public Service course. To receive credit for the Voluntary School/Community Service course, students must complete at least 75 community service hours. Students will be awarded social studies elective credit as well as the community service hours earned during completion of the course standards.

Health Opportunities through Physical Education (HOPE):

HOPE is a year-long health and physical education (PE) course required of all high school students. A school may not require students to take the one credit in HOPE or a Health/PE variation of HOPE during the ninth grade.

Schools may offer ~~1~~one of the following options to meet the health/PE graduation requirement:

- student takes ½ credit in Physical education and ½ credit in Personal Fitness;
- student takes the one credit HOPE Core course; or
- student takes the one credit HOPE Physical Education Variation course.

Students can meet the HOPE requirement by passing .5 credit of Personal Fitness and .5 credit in a Physical Education course.

Certain activities as follows may satisfy a portion ~~of~~ or all of the HOPE/Physical Education requirement.

1. Interscholastic Sports:

   Participation in two seasons of an interscholastic sport at the junior varsity and varsity levels satisfies the full 1 credit HOPE requirement.

2. Junior Reserve Officers Training Corps (JROTC):

   Completion of two years in a Junior Reserve Officers Training Corps (JROTC) course satisfies the full one credit of HOPE/physical education requirement and the full one credit of Performing Arts requirement. This credit may not be used to satisfy the personal fitness requirement or the requirement for adaptive physical education under an IEP or Section 504 plan.

3. Completion of one semester, with a grade of "C" or better in a marching band class, in a physical activity class that requires participation in marching band activities as an extracurricular activity, or in a dance

class shall satisfy .5 credit in physical education or .5 credit in performing arts. This credit may not be used to satisfy the personal fitness requirement or the requirement for adaptive physical education under an IEP or Section 504 plan.

4. The HOPE curriculum includes education on teen dating violence and abuse as required by statute.

~~Online Course:~~

~~Students entering 9th grade in the 2011-2012 school year and thereafter are required to pass one (1) course by some means of virtual instruction or blended learning course taught by an instructor certified to teach the course. A school may not require a student to take this on-line course or blended learning course outside the school day or in addition to the student's courses for a given semester. An on-line course or blended learning course taken during grades 6-8 for high school credit fulfills this requirement. This requirement does not apply to a student who has an IEP which indicates that an on-line course would be inappropriate or to a student who is enrolled in a Florida high school and has less than one academic year remaining in high school.~~

Assessment Requirements:

To meet graduation requirements, a student must earn passing scores on the required state-wide assessments or earn scores on a standardized test (PSAT, SAT, and/or ACT) that are concordant/comparative with passing scores on the required state-wide assessments. Participation in the assessment program is mandatory for all school districts and all students attending public schools. Students who transfer from out-of-state, home education or private school must have a passing score on a state-wide end-of-course assessment for Algebra from the previous state/district attended or a concordant score.

Civics: Beginning with the 2021-2022 school year, students taking U.S. Government are required to take the assessment of civic literacy identified by the State Board of Education pursuant to s. 1007.25 (4). Students earning a passing score on this assessment are exempt from the postsecondary civic literacy assessment required by s. 1007.25 (4).

*Students who entered Grade 9 in the 2010–11 school year were required to earn course credit in Algebra 1 or an equivalent course and participate in the Algebra 1 EOC Assessment. The results of the Algebra 1 EOC Assessment must constitute 30% of these students' final course grade, but there is not a passing requirement for this cohort of students.		
**Students who took the assessment prior to the adoption of the passing score on the new scale adopted by the State Board in January 2016 are eligible to use the alternate passing score for graduation, which is linked to the passing score for the previous assessment requirement.

Once a student who has failed the required state assessment for graduation has met the assessment graduation requirement for a standard high school diploma with a concordant score, the student is not required to

continue retaking the required state assessment for graduation for the purpose of high school graduation and may be removed from an intensive intervention course at the change of the semester. Students scoring at Level 1 and 2 on required state assessments in reading and/or math must continue to receive intervention and remediation within the MTSS framework irrespective of meeting graduation requirements through concordant/comparative score if the problem-solving team finds the services necessary.

Students Currently Holding a Certificate of Completion:

5. Students currently holding a Certificate of Completion who are seeking a standard diploma must meet a concordant score based on the statute governing their 9th grade cohort requirements. As always, students may use a combination of SAT and ACT scores to meet the high school graduation testing requirements.

Test	Date Taken	Concordant Score
SAT Mathematics	Prior to March 2005	370
	March 2005 and Beyond	340
SAT Reading	Prior to March 2005	410
	March 2005 and Beyond	420
ACT Reading	N/A	19
ACT Mathematics	N/A	15
PERT	Beginning with students who graduated in 2015 through 2022 graduates.	97

The flexibility for concordant score requirements will be retained for students in this cohort who do not meet the requirements in 2010.

a. Students presenting ACT scores (no date restriction): Students may use the 2003 ACT concordant score requirements to meet the high school graduation testing requirements in reading and mathematics.

b. Students presenting SAT scores dated prior to March 2005: Students must use the 2003 concordant score requirements to meet the high school graduation testing requirements in reading and mathematics.

c. Students presenting revised SAT scores dated March 2005 and beyond: Students may use either the 2003 or 2009 concordant score requirements (mix and match to their advantage) to meet the high school graduation testing requirements.

VI. Diploma Options

ACCEL Diploma

Selection of the ACCEL Diploma Option:

Prior to a student selecting the ACCEL accelerated diploma option, designated school personnel should meet with the student and his/her parent to explain the requirements, advantages, and disadvantages of this option.

Students choosing the ACCEL diploma option must attend high school as a full-time student. No requirements for the ACCEL accelerated three-year high school graduation options shall be established in excess of the requirements listed in statute. A student who meets all of the requirements for a three-year diploma shall be awarded a standard diploma in a form prescribed by the State Board of Education.

Course Requirements for the ACCEL Accelerated Diploma:

A Standard Diploma will be awarded to a student who:

1. Completes Florida's high school Standard Diploma course requirements (based on the grade 9 cohort year) without the required physical education course and only three credits in electives (total of 18 credits)

~~2. An on-line course is not required.~~

~~3.~~2. Maintains a cumulative grade point average (GPA) of 2.0 on a 4.0 scale.

Diploma Equivalency Options

Other diploma options for Manatee district students include:

1. Adult High School Diploma
2. High School Equivalency Diploma (GED) Option

3. Performance-Based Exit Option (for DJJ Students only)

Adult Student High School Diploma:

In order to earn an Adult Education Standard Diploma, a student enrolled in an adult education program must meet all of the requirements for a Standard Diploma. However, the laboratory component for the science requirements may be waived if facilities are not available; ~~and~~ the credit in physical education may be waived, and elective credit may be substituted.

Any course listed within the Florida Course Code Directory in the areas of art, drama, dance, or music may be taken by adult education students and will satisfy the credit in performing arts that is required for high school graduation.

High school credit may be awarded for educational experience in the Armed Forces, to include the following:

1. Two elective credits for any individual who has completed one full year of military service~~:~~;
2. Correspondence courses completed under USAFI~~:~~; or
3. Organized courses completed in a school operated by the Armed Forces.

Credits may be awarded for prior learning and nonacademic activities. Up to eight credits may be awarded for experience. High school credit may be granted on the basis of examinations, administered as prescribed in State Board Rule.

Course credit or other evidence of work earned in another school district at an accredited school shall be transferred into Manatee County Adult School based on face value as authorized by State Statute, State Board of Education Rules, Manatee County School Board Policy, and the appropriate school authority. If deemed necessary, additional validation may be required.

Students 16 years old or older, with the approval of the principal, may exercise the Adult Education course option to earn up to four additional credits during their high school career.

Special assistance to obtain a high school equivalency diploma pursuant to Florida Statute may be given only when the student has completed all requirements for graduation except the attainment of the required cumulative grade point average.

High School Equivalency Diploma (GED) Option:

The GED is a battery of four General Educational Development Tests. A student must be 16 years of age at the time of application.

The GED Testing Center is located at ~~the~~ Manatee Technical College. The student must apply and pay online to schedule their test at www.ged.com . The test itself is taken at MTC West.

A student under the age of 16 must complete the Florida GED Testing Program's Testing Eligibility Exception Form (also known as the Underage Waiver) and submit it to the approved GED Testing Center.

After satisfactorily passing the High School Equivalency Test, the student will receive a State of Florida High

School Diploma and will be considered an adult graduate. The student may participate in the adult high school graduation ceremony.

Performance-Based Exit Option:

The Performance-Based Diploma Exit Option is an alternative route to graduation for eligible Department of Juvenile Justice (DJJ) students who may not graduate with their cohort group because of credit deficiency, low grade point average, or being over-age for the grade. The program is not an option for early exit; it is designed to help students who fall behind to graduate with their kindergarten cohorts by receiving a State of Florida High School Performance- Based Diploma.

The program is designed to provide some academic support for students who are in jeopardy of not graduating with their cohort group. These students cannot graduate before their entry level classmates. The Manatee County model includes direct, explicit instruction, and an online instructional program.

The students must meet all of the following eligibility criteria:

1. The student must be enrolled in and attending a PK-12 program.
2. The student is at least 16 years old.
3. The student is enrolled in courses that meet high school graduation requirements and is earning and receiving credits.
4. The student is over-age for grade, behind in credits, or has a low grade point average, and is in jeopardy of not graduating with his or her cohort group.
5. The cohort group with which the student entered kindergarten is graduating or has graduated.
6. The student's reading level must be at seventh grade or higher at the time of selection (ninth grade or higher at the time of testing for the Florida High School Diploma authorized under Rule 6A-6.0201, F.A.C), as documented by a passing score on the Test of Adult Basic Education (TABE) reading component or other assessment to determine grade-level proficiency.
7. The student has acceptable scores on official GED Practice Tests administered under testing conditions.

Admission Procedures for Performance-Based Exit Option:

After initial eligibility is determined, a comprehensive review of student records by the child study team, including grades, credits, and educational plans, must be completed to determine if the Performance-Based Exit Option Model is the most appropriate educational strategy.

Parents must be informed and give consent to the student's participation in this option.

The student's record must include notification and eligibility, parents' right to administrative review of proposed placement, and parent consent for student participation prior to placement.

Parents must be provided clarification that the student transcript will indicate an alternative graduation route.

Certificate of Completion

A Certificate of Completion shall be awarded to a student who completes the 24 required credits for graduation, but who does not meet one or more of the following requirements:

1. earning passing scores on the required state assessment or scores on a standardized test that are concordant with passing scores on the required state assessment;

2. achieving the required cumulative grade point average of 2.0 on a 4.0 scale; or

3. completing all other requirements in Student Progression and remedial instruction.

The student shall be awarded a certificate of completion in a form prescribed by the State Board. Any student who receives a Certificate of Completion may elect to remain in the secondary school, either as a full-time or part-time student, for up to one additional year, and receive special instruction designed to remedy his/her identified deficiencies. If the student meets the additional requirements to earn a diploma, the diploma will be awarded from the home high school.

There is no Certificate of Completion awarded to students who are seeking a three-year diploma option. If the student does not meet all of the requirements for a three-year diploma option, the student automatically reverts to the 24 credit requirements for the four-year standard diploma.

The district superintendent shall be responsible for ensuring that schools notify all students of the consequences of failure to receive a Standard Diploma, including the potential ineligibility for financial assistance at postsecondary educational institutions.

The following section will be implemented to the extent that funding is provided in the General Appropriations Act. Students who have met all requirements for a Standard Diploma, except for passage of the required state assessment or an alternative assessment by the end of grade 12, must be provided the following learning opportunities:

1. To Participat~~cion~~ in an accelerated high school equivalency diploma preparation program during the summer, and upon receipt of a ~~c~~Certificate of ~~c~~Completion, take the Postsecondary Readiness Test (PERT) and be admitted to remedial or credit courses at a state community college, as appropriate.

2. To Participat~~cion~~ in an adult general education program for such time as the student requires in order to master English, reading, mathematics, or any other subject required for high school graduation. Students attending adult basic, adult secondary, or vocational preparatory instruction are exempt from any requirement for the payment of tuition and fees, including lab fees. A student attending an adult general education program shall have the opportunity to take the required state assessment an unlimited number of times in order to receive a standard high school diploma.

3. To Participat~~cion~~ in an immersion English ~~l~~language instruction program during the summer following the senior year. There must be documentation that students have been enrolled in an ESOL program for

less than two school years and that they have met all requirements for the standard high school diploma except for passage of the required state assessment or alternate assessment. Students receiving such instruction are eligible to take the required state assessment or alternative assessment and receive a standard high school diploma upon passage of the required state assessment or the alternative assessment. Upon receipt of a certificate of completion, a student will be allowed the opportunity to take the Postsecondary Readiness Test (PERT) and be admitted to remedial or credit courses at a state community college as appropriate.

VII. Exceptional Student Education

Standard Diploma Pathways

Effective school year 2014-2015, ~~or after,~~ all students with disabilities entering grade nine (for the first time) will be provided the opportunity to receive a standard high school diploma by meeting the same requirements as all students~~,~~ OR through an alternate pathway as outlined below:

1. Standard Diploma available to all students to include students with disabilities:
    a. Refer to Graduation Option Chart on page 77 - 78, first column, for specifics
    b. Students with disabilities working for a scholar designation are not eligible for a waiver consideration, per scholar designation requirements.
    c. Students with disabilities working for a merit designation may be considered for a waiver, if necessary, per merit requirements.
2. Standard Diploma Academic & Employment Pathway:

    For any student with a disability, when the IEP team determines that mastery of academic (State Standards) and employment competencies is the most appropriate way for the student to demonstrate his/her skills, the student must demonstrate:

    a. Documented achievement of all annual IEP goals, academic and employment competencies, industry certification, or occupational completion points (OCPs) in the student's transition plan; and
    b. Maintain successful paid employment for at least one semester
    c. Refer to Graduation Option Chart on page 77 - 78, center column
3. Standard Diploma Access Points Pathway:

For a student with a significant cognitive disability, when the IEP determines that mastery of State Standards Access Points is the most appropriate pathway, the student must be instructed in State Standards A~~a~~ccess P~~p~~oints (modified curriculum) and participate in the statewide alternate assessment. This option includes:

a. Portfolio of quantifiable evidence for courses not measured by a state standardized assessment;

b. Refer to Graduation Option Chart on page 77 - 78, last column

** Eligible courses and eligible course substitutes are specified in the Florida Course Code Directory at http://www.fldoe.org/articulation/CCD/default.asp.

CTE Course Substitutions for Graduation Requirements

Requirements for a standard diploma for students with disabilities for whom the IEP team has determined that participation in the Florida Alternate Assessment is the most appropriate measure of the student's skills, in accordance with subsection 6A-1.0943(5), F.A.C., and instruction in the ~~a~~Access ~~p~~Points is the most appropriate means of providing the student access to the general curriculum. Students must meet the graduation requirements specified in Section 1003.4282(1)-(9) or 1002.3105(5), F.S., through the access course specified for each required core course or through core academic courses aligned with the general education curriculum standards."

Eligible CTE courses, as defined in paragraph (2)(d) of this rule, may substitute for Access English IV; one (1) mathematics credit, with the exception of Access Algebra 1A and Access Algebra 1B and Access Geometry; one (1) science credit, with the exception of Access Biology; and one (1) social studies credit with the exception of Access United States History. Eligible courses are described in the Course Code Directory and Instructional Personnel Assignments, in accordance with Rule 6A-1.09441, F.A.C.

Deferral of Standard Diploma

Once a student with a disability meets all the requirements for a standard diploma, they may defer the receipt of their diploma. The decision to accept or defer the standard high school diploma must be made prior to the beginning of the school year in which the student is expected to meet all requirements for a standard high school diploma. A signed statement by the parent, guardian or student, if the student has reached the age of majority and rights have transferred to the student in accordance with subsection 6A-6.03311(8), F.A.C., that he or she understands the process for deferment and identifies if the student will defer the receipt of his or her

standard high school diploma, must be included in the IEP. ~~This decision is made by the IEP team for the IEP in effect at the beginning of the year the student is expected to graduate and documented on the IEP.~~ The IEP Team must review the benefits of deferring the standard high school diploma and describe to the parent and the student all services and program options available.

Certain conditions must be met in order to defer the standard diploma:

1. The student's TIEP prescribes special education, transition planning, transition services, or related services through the student's 22nd birthday.

~~2. The student is enrolled in accelerated college credit, industry certification courses that lead to college credit, a collegiate high school, courses necessary for Scholar designation, or structured work-student, internship, or pre-apprenticeship.~~

The decision to defer a diploma must be made during the school year in which the student is expected to meet all graduation requirements. Students who fail to defer receipt of a standard high school diploma will be notified by the district, in writing, that receipt of the diploma ends the district's obligation to provide free appropriate public education (FAPE).

Students who choose to defer the receipt of the diploma will participate in a graduation ceremony with their graduation class. If student chooses to NOT participate in the graduation ceremonies, he/she forfeits the opportunity of participation in any future ceremonies.

Certificate of Completion

A student with a disability who receives a ~~c~~Certificate of ~~c~~Completion and has a TIEP that prescribes special education, transition planning, transition services, or related services may continue to receive free and appropriate public education (FAPE) until the student's 22nd birthday.

ESE Assessment Requirements

Standard Diploma with Required State Assessment Waiver:

A student with a disability, as defined in S.1007.02(2), F.S., for whom the Individual Education Plan (IEP) committee determines that the required state assessment cannot accurately measure the student's abilities taking into consideration all allowable accommodations, shall have the required state assessment results waived for the purpose of receiving a standard high school diploma, if the student:

1. Completes the minimum number of credits and other requirements for graduation and
2. Does not earn passing scores on the required state assessment or on a standardized test that are concordant with passing scores on the required state assessment after attempting each required assessment at least once.

~~In order for the required state assessment graduation results to be waived, the School District of Manatee~~

~~County IEP Team must meet to determine whether the required state assessment can accurately measure the student's abilities, taking into consideration allowable accommodations.~~

Consistent with the provisions of section 1003.43(11)(a), F.S., any senior who has not achieved a passing score on the required state assessment may receive intensive remediation.

Intensive Instruction Waiver:

Parents may submit a waiver of the intensive instruction requirement for their child to the student's school counselor. Exercising this option can jeopardize a student's opportunity for an ESE assessment waiver and prohibit students from participation in alternative graduation options in high school. The following criteria must be met to qualify for this waiver:

1. Parents must complete the Intensive Instruction Waiver Request form (Appendix A).~~.~~
2. Student must be in 6th-11th grade.

End-of-Course Assessment Waiver:

A student with a disability, as defined in s. 1007.02(2), Florida Statutes, for who the IEP committee determines that an end-of-course assessment cannot accurately measure the student's abilities, taking into consideration all allowable accommodations, shall have the end-of-course assessment results waived for the purpose of determining the student's course grade and credit as required. All ESE students must attempt to take the EOC in order to potentially qualify for an EOC waiver. An ~~individual~~ IEP team will examine all information for each ESE student, and then make a determination regarding the potential for the results of the EOC to be waived.

Any waiver of the statewide~~,~~ standardized assessment requirements by ~~individual education plan~~an IEP team must be approved by the parent and is subject to verification for appropriateness by an independent reviewer selected by the parent.

Semester grades for students using an End-of-Course Waiver will be averaged as follows:

Semester 1: Quarter 1=50% and Quarter 2 =50%

Semester 2: Quarter 3 =50% and Quarter 4 =50%.

VIII. English for Speakers of other Languages (ESOL)

Students who are enrolled in an ESOL program and have met all requirements for the standard high school diploma except for passage of the required state assessment or alternate assessment may receive immersion English language instruction during the summer following their senior year and/or return as a fifth-year senior to have the opportunity to meet the graduation requirements. Students receiving such instruction are eligible to take the required state assessment or alternate assessment and receive a standard high school diploma upon passage of the required state assessment or the alternate assessment. This section will be implemented to the

extent funding is provided in the General Appropriations Act.

Pursuant to Section 1003.433(3), F.S., and SB 6A-1.09422, beginning with the 2022-23 school year, students who have been enrolled in an English Speakers of Other Languages (ESOL) program for *less than 2 school years and have met all requirements for the standard high school diploma except for passage of any assessment required for graduation* as specified by Section 1003.4282 or 1008.22, F.S., or alternate assessment is eligible for a standard high school diploma if the student:

Meets the requirement to pass the statewide, standardized grade 10 ELA assessment by satisfactorily demonstrating grade-level expectations on a formative assessment that generates a score or metric that can be interpreted as a measure of grade 10 level achievement in ELA.

Students who enter without records are eligible for the verification process as defined in the Uniform Transfer of Records guidelines.

IX. College Readiness

Schools shall use all available assessment results, including the results of statewide, standardized English language arts assessments and end-of-course assessments for Algebra I and Geometry, to advise students of any identified deficiencies and to provide appropriate postsecondary preparatory instruction before high school graduation.

X. Exit Interviews

Manatee County students are required to remain enrolled in school until the age of 16. The student's school counselor or other school personnel is required to conduct an ~~E~~exit ~~I~~interview with a student to discuss actions that could be taken to keep the student in school. The student must be informed of opportunities to continue his/her education in a different environment, including~~,~~ but not limited to, adult-education and GED test preparation. The student must complete a survey in the format prescribed by the Department of Education to provide data on reasons for terminating enrollment and actions taken by schools to keep students enrolled to the student's school counselor.

K-12 Virtual Education, Section 4.9.3

XI. Virtual Programs

Policy

The School Board has the authority to adopt rules for implementing the student progression requirements for students in grades kindergarten through twelve. The Student Progression Plan for Manatee County defines the criteria for graduation, participation in graduation, promotion, intensive remediation, course offerings, evaluating student performance, and reporting to students and parents. The Student Progression Plan for Manatee County has been developed based on Florida Statutes, current and local needs, and includes requirements for virtual education programs. For more information, see Florida Department of Education website – www.fldoe.org.

Virtual Education Programs

All students who choose to participate in a virtual education program must meet all of the local and state requirements for promotion, retention, and good cause exemptions. All instructional personnel, parents, and students are encouraged to become familiar with the requirements for progression from one grade to another, including the requisite testing programs.

Virtual instruction means a program of instruction provided in an interactive learning environment created through technology in which students are separated from their teachers by time, space, or both, and in which a Florida certified teacher is responsible for at least 70% of the online instruction to students in K-12.

As stipulated by the Florida K-20 Education Code (s.1002.20), parents have the right to choose educational options including virtual education. –Manatee Virtual School (MVS) provides full-time and/or part-time opportunities for all Manatee County zoned and home school students to access elementary, middle and high school courses. A student's full-time school may not deny access to courses offered through any approved district virtual education program if the desired online course(s) is an appropriate course placement based on the student's academic history, grade level, and age.

Note: Per Florida Virtual memo of June 2011, public school students may only register for up to three FLVS courses at one time.

- Full-time virtual education is available for home education and FLVS students.

A student must be assigned to a FLVS teacher either before the school year ~~begins~~ or semester begins or within the first ten days of either semester to be able to withdraw from a SDMC face-to-face course.

The Manatee County School District shall provide students with access to enroll in courses available through the MVS option of the student and parent's choice and shall award credits or academic points for successful completion of such courses. While a district may not artificially limit a student's enrollment in online courses offered by the school district, another school district, or FLVS if the student would be academically eligible to enroll in the same courses in a brick-and-mortar setting within the district, a district still has authority and responsibility to provide academic guidance to their students. This includes limiting enrollment in courses for which the student is not academically qualified~~,~~ in the same manner it would limit a student from enrolling in brick-and-mortar courses for which the student is not academically qualified.

Access to approved virtual courses shall be available to zoned school students during or after the normal school day. Students wishing to take courses through ~~an~~ MVS options must work closely with their school counselor to ensure that appropriate virtual courses are reviewed and approved to match the needs of the students. MVS courses are available during the academic school year and summer session.

An important characteristic of the virtual instruction program is that students, along with a responsible adult, assume the responsibility for student success. All courses offered in the virtual instruction program are based on the Florida State Standards. All full-time Manatee virtual students are required to take and pass the state-required assessments at their zoned school. Students are able to participate in extracurricular activities at their zoned school. The virtual school option requires eligible students with the capacity and motivation to become independent learners.

~~Manatee Schools~~SDMC offers only ~~V~~virtual ~~I~~instructional ~~P~~programs approved by the Florida Department of Education. All ~~V~~virtual ~~I~~instruction ~~P~~providers are required to sign the District Assurances to affirm they are meeting all the requirements in Florida Statute. Manatee Virtual Program rules and procedures, both full and part-time, are included in the Manatee Virtual Program Handbook. Students who qualify for free and reduced lunch and do not have a computer at home may qualify to receive all required equipment.

All students enrolled in a virtual full-time district school program are subject to compulsory attendance requirements of s1003.21 Florida Statutes as specified in the Manatee Virtual Program Handbook. Attendance must be verified by virtual teacher, registrar, and the school district. The parent or a responsible adult is required to be available to assist the student as a learning coach through each school day. Middle school students will be graded on the average of the first semester grade and the second semester grade. If the student does not finish 100% of the second semester, they cannot pass the course regardless of their first semester grade. Courses that require an ~~E~~end-of-~~C~~course ~~exam~~ assessment (EOC) must follow all state grading and credit requirements.

Middle and high school students will typically spend 5-6 hours daily on coursework and homework. Failure to make adequate progress or to demonstrate appropriate attendance may result in dismissal from the program.

MVS Programs:

In order for students to be eligible for any MVS full-time virtual program for the 2023~~2~~-2024~~31~~school year, the student must meet the eligibility requirements listed below~~.~~:

1. Grades K-5 Criteria:
    a. Children who are five years old on or before September 1, 2023~~2~~, are eligible to start kindergarten in August 2023~~2~~.
    b. To enter first grade, a child must be six years old on or before September 1, 2023~~2~~ and must have successfully completed kindergarten (Florida Statute 1003.21).
    c. A child must ~~H~~have demonstrated academic success in the previous 2 years of school~~.~~ As indicated by ~~F~~final report cards. ~~(~~If the student is moving to 1st grade, then submit kindergarten final report card~~)~~.
    d. ~~State/District testing scores- FSA, AIMS Webb, iReady, other assessments~~ A child must have demonstrated ~~G~~grade level proficiency on state assessments from the 2022~~1~~-2023~~2 2020~~ school year. If the student is entering kKindergarten, no test scores required.
    e. A student must apply for admissions in the enrollment window as posted on the Manatee County ~~Schools~~Schools website.
2. Grades 6-12 Criteria

a. A student must ~~H~~have demonstrated academic success in the previous semester courses.

b. A student must ~~H~~have attained grade level proficiency on at least one of the following standardized tests in the 2022~~1~~-2023~~2~~ school year:

- ~~FSA~~ FAST ELA/FAST Math
- All ~~E~~end-~~-~~of-~~-C~~course (EOC) ~~E~~exams that student has already taken
- Stanford Achievement Test (50th percentile or higher on the Reading section)
- Iowa Test or Basic Skills (50th percentile or higher on the Reading section)
- Grade level proficiency on an official standardized test administered by another public school system

3. Reside in Manatee County

Full-time Virtual Education Options

MVS provides one full-time virtual school program:

- Manatee Virtual School (MVS)

The full-time MVS is a contract program with FLVS which uses the FLVS online curriculum and either Manatee or~~f~~ FLVS teachers, depending upon the need.

Goals of MVS:

a. To provide a comprehensive virtual education program

b. To provide flexibility in student academic and non-academic scheduling

c. To provide opportunities for students to accelerate

To remain in MVS, a student must:

a. Maintain virtual attendance expectations as prescribed in the MVS and FLVS policies and procedures manual.

b. Meet benchmarks, including all state required-assessments.

c. Provide his/her own transportation to their zoned school on designated test days for all state required-assessments and provide photo ID.

d. Be considered zoned-school students for sports and extracurricular activities.

e. Follow and maintain course pace, according to course and instructor requirements.

f. Work with the zoned-school athletic director ~~on any~~regarding NCAA eligibility.

g. Agree and adhere to all the student and parent guidelines as stipulated in the MVS Handbook.

h. Enroll in and complete six half-credit courses each semester within the specified enrollment and completion dates.

How to apply to a Full-~~-~~Time Virtual Program:

1. Manatee County public, charter, or home school students should consult with their school counselor and~~,~~ review the MVIP and FLVS websites.

Part-time Virtual Education Options

Students who wish to enroll in a virtual education option on a part-time basis may choose to do so through either MVS or FLVS (see criteria above). This program allows students enrolled in public school or home school to take a portion of their coursework online for the purposes of acceleration, grade forgiveness or credit recovery. Zoned school students may participate in this program by taking any portion of their course-work online and at school (up to a total of 3 courses). Charter ~~S~~school students must register for FLVS courses for part-time enrollment. Public school students are required to take all required state assessments at their zoned school.

The performance of zoned school students shall be included for school grade or school improvement rating purposes by the non-virtual school providing the student's primary instruction.

Policies for Part-time Programs:

1. A student may not be placed in the same course concurrently at a district middle or high school and at Florida Virtual School.

2. Schools may not deny placement in a course offered through Florida Virtual School even if the school offers the same course.

3. A student who withdraws or is withdrawn from a virtual course within 28 days of entry must enroll in enough courses at the zoned school to maintain full-time enrollment status.

4. 8th grade students who are enrolled in a virtual program for an academic course must complete the academic course by the last day of school or will be placed in an alternative instructional setting.

General Information

Equipment Requirements

Students wishing to take a virtual course should have access to their own computer. Some provision is available to students with an established need as verified by the free-and-reduced lunch application process. Students must also have access to a phone to contact their teacher(s) for assistance.

Most virtual school courses make use of a wide variety of features and technologies, such as Java, Flash, Acrobat Reader, Apple QuickTime, or Microsoft Media Player, and depending on the course, other specialized components that help students achieve a more immersive learning experience.

The PC, Mac, mobile and other hardware requirements vary according to the program provider and will be listed on each program's website.

Due to the wide array of technologies in over 100 courses, there are some limitations to browsers and devices that the district can support. Currently, students may use recent versions of the following browsers:

- ~~Internet Explorer 9.0 or higher~~
- Microsoft Edge
- Mozilla Firefox
- Google Chrome
- Apple Safari

MVS/Florida Virtual School expects a full commitment to academic integrity from each student.

Academic integrity means:

- Student's work on each assignment will be completely his/her own.
- Student's collaboration with another classmate on any assignment will be pre-approved by their instructor.
- Students will not practice plagiarism in any form.
- Students will not allow others to copy their work.
- Students will not misuse content from the Internet.

Plagiarism is defined as ~~follows:~~ copying or using ideas or words (from another person, an online classmate, or an Internet or print source) and presenting them as your own.

Please be aware that all MVS/Florida Virtual School instructors utilize a **myriad of technologies to check student work for authenticity including, but not limited to, the upload of student work to TurnItIn.com**. In order to maintain the integrity of all grades, instructors may choose to facilitate random oral assessments and/or face-to-face exams. If an instructor confirms that a student has plagiarized work in any manner, the student will be subject to consequences determined by MVS /Florida Virtual School staff and may be **removed from the course and/or program with a failing grade.**

Extracurricular Activity Eligibility:

A full-time virtual school student who meets specified academic and conduct requirements is eligible to participate in extracurricular activities at the zoned school.

Appendix A
Intensive Instruction Waiver Request
School District of Manatee County

Academic excellence is a priority for the School District of Manatee County. Providing students with every opportunity to develop today for their success tomorrow is our mission. To this end, intensive instruction is provided for students who do not demonstrate academic proficiency. This is a means to close the achievement gap and support students as they strive to earn their high school diploma.

Manatee County schools will provide intensive interventions for students with Reading and/or Math through a course called Intensive Reading and/or Foundational Math. These interventions shall be required for any student who has scored a Level 1 or 2 on the English Language Arts and/or a Level 1 or 2 on the Mathematics portion of the previous school year's state assessment and/or for any student who has been identified as having a significant deficit in foundational reading and/or math skills among their cohort peers.

School administrators may use concordant/comparative scores on state-approved assessments as defined in state statute (SAT, ACT, PSAT) to determine proficiency if no state standardized scores are available at the time of enrollment.

Parents/Guardian may submit a written request for a waiver of the intensive instruction requirement for their student who is in the 6th -11th grade. Exercising this option can:

1. Jeopardize a student's opportunity for an ESE assessment waiver.
2. Prohibit students from participation in alternative graduation options in high school.
3. Jeopardize a student's ability to graduate with their school year cohort.

Parent/Guardian(s) who wish to remove their student from intensive interventions provided through an intensive Reading and/or Foundational Math course for their child must complete and sign this form and return it to the school counselor.

By signing this waiver, you are acknowledging that you understand that your child will not receive intensive interventions for deficits in reading or math through an intensive language arts or intensive math course which is the model utilized by Manatee County School District for providing specific reading or math interventions.

I wish to exempt my student from intensive instruction for the _____ school year in (__) Intensive Reading and/or (___) Foundational Math. (Please check those that apply). I have read and understand the conditions listed above upon exercising this option. Should my student fail to demonstrate proficiency (Level 3 or higher or a concordant score) on future state assessments, that student will be placed back into intensive instruction courses, and I must complete a waiver of exemption from intensive instruction each school year.

Appendix B Assessment/Curriculum Decision Tree
Grades K-5 Decision Tree
Elementary schools (K-5) must teach reading in a dedicated, uninterrupted block of time of at least 90 minutes daily to all students. The reading block will include whole group instruction utilizing an evidence-based sequence of reading instruction and small group differentiated instruction in order to meet individual student needs.

Core Instruction **Indicate the core curriculum and how the program is supported by strong, moderate, or promising levels of evidence.** Florida Benchmark Advance is a state approved Tier 1 Core Program. While Benchmark Advance does not have an ESSA rating, it meets four recommendations in the Foundational Skills to Support Reading for Understanding in Kindergarten through 3rd Grade Guide (What Works Clearing House and Institute of Education Sciences-IES, 2016). Recommendation 1 has minimal evidence, recommendation 2 and 3 have strong evidence, and recommendation 4 has moderate evidence. This program has explicit and systematic instruction that help students develop awareness of segments of sound and letter-sound correspondence, decoding words, analyzing word parts, vocabulary, writing and recognizing words, and the program includes connected text to improve word reading, reading accuracy and fluency, and comprehension. The frameworks and lessons are also grounded in the Science of Reading.
List performance criteria that indicate Tier 1 is sufficient for at least 80% of students. 1. Student scores at or above the 25th percentile at FAST PM 2 and PM3 2. Student fluently identifies at least 40 letter names at end of quarter 1 (October) as measured by a Letter Name Identification Assessment (from Next Step Guided Reading Assessment Kit) 3. Student is reading at an instructional level B in January as measured by the Next Step in Guided Reading Assessment; student is reading at an instructional level D in May as measured by the Next Step in Guided Reading Assessment
Explain how the effectiveness of Tier 1 instruction is monitored. • Weekly administrative walkthroughs • Analysis of FAST/Star Early Literacy data three times per year • Analysis of Pre-A assessment data and running record data • MTSS Teams and Literacy Leadership Teams • District walkthroughs of schools
What procedures are in place to identify and solve problems to improve effectiveness of Tier 1 instruction? • Targeted feedback to teachers based on administrative walkthroughs/observations • School-based Instructional Leadership Teams (ILT) monitor, analyze, and problem solve school, grade level, and classroom Tier 1 data • School-based grade level teams including a member of the ILT monitor, analyze, and problem solve classroom and individual student data • District level leadership monitors, analyzes, and problem solves based on district and individual school data trends, walkthroughs, and feedback- school support is adjusted based on trends • Literacy coaching cycles based on data, trends, and teacher needs

Performance criteria that prompt the addition of Tier 2 interventions for students not meeting expectations/benchmarks during the school year:

1. Student scores below the 25th percentile at FAST PM 2 and PM3
2. Student fluently identifies less than 40 letter names at the end of quarter 1 (October) as measured by Letter Name Identification Assessment (from Next Step Guided Reading Assessment Kit)

Recommendation 2 and 3 have strong evidence and recommendation 4 has moderate evidence. These IES recommendations are built into this program through explicit, systematic instruction in daily phonological/phonemic awareness activities, phonics and word analysis activities, spelling practice with high frequency words, repeated reading to support accuracy and fluency, and discussions and writing in response to reading to support comprehension. The district will support and monitor implementation of this program through FAST progress monitoring and STAR CBM progress monitoring data, including providing ongoing professional development for teachers, coaches, and administrators utilizing the Foundational Skills to Support Reading for Understanding IES guide, targeted Science of Reading PD, and through a partnership with State Regional Literacy Directors. Recommendation 2 and 3 have strong evidence and recommendation 4 has moderate evidence. These IES recommendations are built into this program through explicit, systematic instruction in daily phonological/phonemic awareness activities, phonics and word analysis activities, spelling practice with high frequency words, repeated reading to support accuracy and fluency, and discussions and writing in response to reading to support comprehension. The district will support and monitor implementation of this program through FAST progress monitoring and STAR CBM progress monitoring data, including providing ongoing professional development for teachers, coaches, and administrators utilizing the Foundational Skills to Support Reading for Understanding IES guide, targeted Science of Reading PD, and through a partnership with State Regional Literacy Directors. The frameworks and lessons are also grounded in Reading Recovery which has a strong rating according to the Evidence for ESSA website. https://ies.ed.gov/ncee/wwc/PracticeGuide/21
- **Lexia Core5 Teacher Led Lessons:** Lexia Core5 is grounded in the Science of Reading. The program shows evidence for ESSA with a strong rating with average effect size of +0.23. Additionally, Lexia Core5 showed a strong correlation between the end level of Core5 and ELA FSA scores for 3rd-5th grades in 2021-2022 study conducted in a suburban Florida school district (Lexia Research, 2022).
- **Imagine Language and Literacy** (ELL students with 2.9 or below ACCESS score OR new ELL's): This program has a promising rating according to the Evidence for ESSA website.

The frameworks and lessons are also grounded in the Science of Reading.

List performance criteria that indicate Tier 1 is sufficient for at least 80% of students.

1. Student scores at or above the 25th percentile at FAST PM 2 and PM3
2. Student is reading at an instructional level K and above in January as measured by the Next Step in Guided Reading Assessment; student is reading at an instructional level L in May as measured by the Next Step in Guided Reading Assessment

Explain how the effectiveness of Tier 1 instruction is monitored.

- Weekly administrative walkthroughs
- Analysis of FAST data three times per year
- Analysis of unit assessments from Benchmark Advance
- Analysis of running record data
- MTSS Teams and Literacy Leadership Teams
- District walkthroughs of schools

What procedures are in place to identify and solve problems to improve effectiveness of Tier 1 instruction?

- Targeted feedback to teachers based on administrative walkthroughs/observations
- School-based Instructional Leadership Teams (ILT) monitor, analyze, and problem solve school, grade level, and classroom Tier 1 data

1 of the following DIBELS 8th Edition measures administered every week and determined based on the focus of the intervention: • Nonsense Word Fluency • Word Reading Fluency • Oral Reading Fluency	Student consistently scores at the 'Strategic' (Yellow) or 'Core' (Blue or Green) levels of support as measured by the DIBELS 8th Edition Benchmark Goals based on the progress monitoring measure, time of year,	Student consistently scores at the 'Intensive' (Red) level of support as measured by the DIBELS 8th Edition Benchmark Goals based on the progress monitoring measure, time of year, and grade level showing	Student has consistently received Tier 3 interventions (in addition to core instruction and Tier 2 interventions) delivered with fidelity and is still scoring at 'Intensive' levels based on DIBELS norms **AND** DIBELS

• MAZE *(DIBELS Scoring Guide located on Schoology)*	and grade level showing there is a positive response to the intervention **AND/OR** FAST PM 2 – 21st to 35th percentile. *(DIBELS Scoring Guide located on Schoology)*	there is an insufficient or poor response to the intervention **AND/OR** FAST PM 2 – 20th percentile or below. *(DIBELS Scoring Guide located on Schoology)*	progress monitoring data points do not show student's trend line is closing the gap towards meeting the goal/aim line. *(DIBELS Scoring Guide located on Schoology)*

What procedures are in place to identify and solve problems to improve effectiveness of Tier 3 interventions?

The Intensive Support Team (IST) at each school uses a problem-solving process for reviewing progress monitoring data and Tier 1 data in order to make decisions about continuing, discontinuing, or intensifying interventions. For students who have not responded to a specific reading intervention delivered with fidelity and with the initial intensity (time and group size) provided, reading intervention group size, time, and/or materials will be changed based on student progress monitoring data that is reviewed monthly by the IST.

Beginning of year data

IF: Student meets the following criteria at the beginning of the school year:

• 2022-2023 3rd Grade/4th Grade FAST PM 3 Level 3 or above **AND/OR**

• 2023 FAST PM 1 – 36th percentile or above

THEN TIER 1 Only

Core Instruction

Indicate the core curriculum and how the program is supported by strong, moderate, or promising levels of evidence.

Florida Benchmark Advance is a State Approved Tier 1 Core Program. While Benchmark Advance does not have an ESSA rating, it meets four recommendations in the Foundational Skills to Support Reading for Understanding in Kindergarten through 3rd Grade Guide (What Works Clearing House and Institute of Education Sciences-IES, 2016). Recommendation 1 has minimal evidence, recommendation 2 and 3 have strong evidence, and recommendation 4 has moderate evidence. This program has explicit and systematic instruction that help students develop awareness of segments of sound and letter-sound correspondence, decoding words, analyzing word parts, vocabulary, writing and recognizing words, and the program includes connected text to improve word reading, reading accuracy and fluency, and comprehension. The frameworks and lessons are also grounded in the Science of Reading.

List performance criteria that indicate Tier 1 is sufficient for at least 80% of students.

Student scores Level 3 or above on FAST assessment

Explain how the effectiveness of Tier 1 instruction is monitored.

• Weekly administrative walkthroughs
• Analysis of FAST data three times per year
• Analysis of unit assessments from Benchmark Advance
• MTSS Teams and Literacy Leadership Teams
• District walkthroughs of schools

What procedures are in place to identify and solve problems to improve effectiveness of Tier 1 instruction?

• Targeted feedback to teachers based on administrative walkthroughs/observations
• School-based Instructional Leadership Teams (ILT) monitor, analyze, and problem solve school, grade level, and classroom Tier 1 data

• School-based grade level teams including a member of the ILT monitor, analyze, and problem solve classroom and individual student data
• District level leadership monitors, analyzes, and problem solves based on district and individual school data trends, walkthroughs, and feedback- school support is adjusted based on trends
• Literacy coaching cycles based on data, trends, and teacher needs

Performance criteria that prompt the addition of Tier 2 interventions for students not meeting expectations/benchmarks during the school year:
Student scores Level 2 or below based on FAST

Beginning of year data

IF: Student meets the following criteria at the beginning of the school year:
• 2022-2023 3rd Grade/4th Grade FAST PM 3 Level 2 **AND/OR**
• 2023 FAST PM 1 – 21st to 35th percentile

THEN TIER 1 Instruction and TIER 2 Interventions

Supplemental Instruction/Interventions
Indicate the programs and practices used in Tier 2 interventions and how the programs and practices are supported by strong, moderate, or promising levels of evidence.

- **Lexia Core5 Teacher Led Lessons:** Lexia Core5 is grounded in the Science of Reading. The program shows evidence for ESSA with a strong rating with average effect size of +0.23. Additionally, Lexia Core5 showed a strong correlation between the end level of Core5 and ELA FSA scores for 3rd-5th grades in 2021-2022 study conducted in a suburban Florida school district (Lexia Research, 2022).
- **Imagine Language and Literacy** (ELL students with 2.9 or below ACCESS score OR new ELL's): This program has a promising rating according to the Evidence for ESSA website.
- **Benchmark Advance Differentiated Tier 2 Lessons:** This resource has a Moderate ESSA Evidence Level based on an Indian River Study. Source of the Study: Benchmark Education Company. (2020, January 30). ESSA Evidence for Benchmark Advance and Benchmark Adelante: Updated for the 2017–2018 to 2018–2019 School Years.
- **SIPPS** (based on school availability): The SIPPS program has a moderate rating on the Evidence for ESSA website.
- **SRA** (based on school availability): The program was found to have potentially positive effects on reading achievement according to What Works Clearinghouse (WWC). This included substantial effects for oral reading fluency, letter/word identification, word attack, and reading vocabulary.

Indicate the evidence-based programs and practices implemented for students with a disability, students with an Individual Educational Plan (IEP), and students who are English language learners, as applicable.
