III. PUBLIC COMMENTS

Public comment is not an open forum to discuss matters unrelated to education, to support or oppose candidates for public office, or to engage in commercial speech attempting to sell a service or product to the School Board or public. Also, public comment is not a forum to attack individual school system employees or Board Members. Any such complaints should be submitted in writing to the Superintendent for appropriate handling. Finally, this is not a forum for addressing issues involving individual students. Because of privacy concerns, such issues should be submitted in writing to the Superintendent for appropriate handling. Each speaker is allowed three minutes to address the Board. Speakers must stand at the podium and not approach the dais.

This is a business meeting of the School Board and the public expects that we conduct it in an orderly, efficient, effective and dignified manner. We request that speakers keep this in mind when making your comments. We also request that the audience keep that in mind and not demonstrate approval or disapproval of what a speaker has said by clapping or booing. The Board appreciates the public's input and will listen attentively, consider each comment, and usually will not respond, enter into debate, or answer questions during comments on agenda items or during the public comments section.

PUBLIC INPUT INSTRUCTIONS:
1. Before you begin speaking, please provide any handouts to the Agency Clerk.
2. Please identify yourself only by your full name for the record.
3. You have no more than three minutes to speak. Please stop speaking when the bell rings.
4. Florida Law requires all citizens to conduct themselves in an orderly fashion at public meetings.
5. WARNING: Any individual who interferes with the expeditious or orderly process of a School Board meeting, will be subject to removal from the meeting pursuant to Section 1001.372(3) Florida Statutes at the discretion of the Chair. • The primary basis for education funding is student enrollment. In general, one student is equal to one FTE. However, it's important to understand that FTE actually represents the hours of instruction provided to those students.

• In a standard school, a student must receive 900 hours of instruction (5 hours per day for 180 days) to equal one FTE. Nine hundred hours is the maximum number of hours of instruction that will be funded per student for the school year.

• Each year, FTE is estimated based on demographic and school district projections. Once the school year begins, FTE is revised by actual counts of students in October and February.

The District Cost Differential (DCD) is a factor used to adjust funding to reflect each district's cost of living and associated personnel costs.

The DCD for each district is computed annually based on a three-year average of the Florida Price Level Index (FPLI) by using an “amenity adjusted” FPLI, which takes factors other than the cost of goods into consideration.

Base Funding

• FTE x Program Weight
  = Weighted FTE

• Weighted FTE x BSA x DCD
  = Base Funding
The FEFP is funded with both state general revenue (primarily sales tax) and local revenue derived from property tax.

The State Legislature determines on an annual basis how much is to be raised state-wide through local property taxes and how much is to be funded through state revenues.
Base Funding

• The Florida Department of Education (FLDOE) then determines the Required Local Effort (RLE) millage rate that must be levied to generate the required local share.

• The district must impose the FLDOE established millage rate in order to obtain the state share of funding for the district.
• Districts with higher property values will generate more funding than districts with lower property values, but the amounts generated are redistributed and supplemented by the state's contribution.

• If a district is property-poor, it will receive proportionally more state funding. Conversely, if a district is property-rich, it will receive proportionally less state funding.
Comparison of State and Local Funding

STATE VS LOCAL REVENUE - FEFP FUNDING

- **Manatee**: 47.4% Local, 52.6% State
- **Sarasota**: 18.8% Local, 81.2% State
- **Lake**: 18.8% Local, 65.9% State
- **Marion**: 18.0% Local, 69.3% State
- **Collier**: 82.0% Local, 18.0% State
- **Lafayette**: 86.6% Local, 13.4% State
Discretionary Taxes

• In addition to the RLE, Districts levy an additional, non-voted Discretionary Local Effort (DLE) tax to add to that District’s coffers.

• Currently, the maximum allowed for 2022-23 is 0.748 mill.

• Unlike the required RLE, proceeds from the DLE are not equalized, so property rich Districts benefit more from this tax.

• There is an adjustment made for District’s in which the DLE does not raise an amount equal to the State average. This is referred to as the “0.748 Mill Compression”.

A Categorical Program is one in which funding is earmarked to be spent on a specific program or initiative. The legislature may create or eliminate categorical programs at any time. Unless flexibility is specifically provided by the Legislature, any unspent categorical funds must be carried forward by the school district into the subsequent year to be used for the same purpose.

• The FEFP Funding Formula is the primary funding for school district operations. However, the Legislature has provided two methods that allow an individual school district to obtain additional funds through voter-approved referendum:
  • Additional Ad Valorem Tax (4 years)
    • Generally used for Operating Fund Expenditures.
  • Local Option Sales Tax (15 years)
    • Generally used for Capital Outlay Expenditures.
• School District of Manatee County had requested and received voter approval for both options.

House Bill 1467
Section (s.) 1006.29(6), Florida Statutes

The department shall develop an online training program for school librarians, media specialists, and other personnel involved in the selection and maintenance of library media and collections or materials maintained on a reading list. No later than July 1, 2023, and annually thereafter, each superintendent must certify to the department that all school librarians and media specialists employed by the district have completed the online training program.
Criteria for Selection of Library Materials

Section 1006.40(3)(d), F.S.

All materials in a school library or included on a reading list must be:
1. Free of Pornography and material prohibited under s. 847.012, F.S.
2. Suited to student needs and their ability to comprehend the material presented.
3. Appropriate for the grade level and age group for which the materials are used and made available.
Pornography

While there is no statutory definition of pornography in the Florida Statutes, the Merriam-Webster dictionary defines it as “the depiction of erotic behavior (as in pictures or writing) intended to cause sexual excitement.”
Materials Prohibited by Section 847.012, F.S.

An adult may not knowingly distribute to a minor on school property:

• Any picture...or visual representation of a person or a portion of a human body which depicts nudity or sexual conduct, sexual excitement, sexual battery, bestiality, or sadomasochistic abuse and which is harmful to minors.

• Any book, pamphlet, magazine [or] printed matter...that contains...explicit and detailed verbal descriptions or narrative accounts of sexual excitement, or sexual conduct and that is harmful to minors.
Materials Prohibited by Section 847.012, F.S. (cont.)

• The phrase “harmful to minors” requires that any description or representation of nudity, sexual conduct or sexual excitement meet three requirements in order to be found “harmful to minors.”

• The description or representation must:
  • Predominantly appeal to a prurient, shameful, or morbid interest;
  • Be patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable material for minors; and
  • Taken as a whole the material is without serious literary, artistic, political, or scientific value for minors.
Penalty for Violating Section 847.012, F.S.

(6) Any person violating any provision of this section commits a felony of the third degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

To protect librarians and media specialists, it must be clear that a book depicting nudity, sexual conduct, or sexual excitement does not meet the tenets of “Harmful to minors” (s. 847.001, F.S.), which are:

(a) Predominantly appeals to a prurient, shameful, or morbid interest;
(b) Is patently offensive to prevailing standards in the adult community as a whole with respect to what is suitable material or conduct for minors; and

• Board approval of updated procedure – February 14th, 2023 Board Meeting
Each district school board shall adopt procedures for developing library media center collections and post the procedures on the website for each school within the district.

The procedures must:

a. Require that book selections meet the criteria in s. 1006.40(3)(d).
b. Require consultation of reputable, professionally recognized reviewing periodicals and school community stakeholders.
c. Provide for library media center collections based on reader interest, support of state academic standards and aligned curriculum, and the academic needs of students and faculty.

New Updated Procedure

• Continue to allow stakeholders to submit concerns via the District website but allow schools to first review submitted concerns to determine a solution in order to better align with the direction of the FLDOE training.

• The Curriculum Department will liaison between the schools and stakeholders and School Board.

• If the stakeholder that submitted the concern is not in agreement with the school-based decision, the title will be reviewed by School Board for final determination.

Public Input
The District follows the FLDOE Instructional Materials Adoption Cycle, which identifies an academic area each year that is up for renewal of core instructional materials. The current procedure used in the Manatee School District requires the Curriculum Department to create an Instructional Materials Review Committee comprised of staff, parents, and community members. This has been done every year when new institutional materials must be selected.

2023-1-27 Policies for March 28, 2023 Public Hearing
Proposed Amendments to Bylaw and School Board Policies for March 28, 2023 Public Hearing

Bylaw 0165.1 - Agendas (Revised)
- Revision requested by a Board Member on Section D.

Policy 1121.01/3121.01/4121.01 - Criminal Background Screening and Employment History Checks (Revised)
- The revisions to these policies are the result of various provisions in SB 2524 that address background screening and rescreening requirements for certain school district employees, vendors, contractors, and volunteers. Importantly, effective January 1, 2023, the new background screening and rescreening process requires that school districts conduct such screenings in accordance with F.S. 435.12 (i.e. the Care Provider Background Screening Clearinghouse).

Policy 1122/3122/4122 - Nondiscrimination and Equal Employment Opportunity (Revised)

Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity (Revised)
- HB 7 amended F.S. 760.10 (Unlawful Employment Practices) and F.S. 1000.05 (the Florida Educational Equity Act) by making it unlawful discrimination to subject students, employees, or any individual to any activity that espouses, promotes, advances, inculcates, or compels them to believe that certain concepts are discriminatory. The revisions to these policies incorporate the language from HB 7.

Policy 2520 - Selection and Adoption of Instructional Materials (Revised)
- The revisions to Policies 2520 are the result of SB 1048, SB 2524. The revisions to Policy 2520 incorporate statutory revisions requirements that certain committees utilized during the instructional material adoption process be publicly noticed, that the public be given a reasonable opportunity to comment on the selection, approval, and adoption of instructional materials, that instructional materials be published on the school board’s website, and that certain books included in school libraries and on reading lists be selected and approved by a school district employee who holds a valid educational media specialist certificate. The revision to Policy 2520 also include a process for the evaluation and selection of books by a media specialist.

Policy 3120.04 - Employment of Substitute and Part-Time Instructional Staff (Revised)
- Revision made due to Rule 6A-1.0503, F.A.C.

Policy 8100 - Interlocal Agreements (Revised)

Policy 9800 - Charter Schools (Revised)
- SB 758 amended F.S. 1002.33 (Charter Schools) by prohibiting school boards from entering into any interlocal agreement that prevents or limits the creation of a charter school. SB 758 also provides that an interlocal agreement entered into by a school board for the development of
only its own district schools, including provisions relating to the extension of infrastructure, may be used by charter schools.

- The revisions to Policy 9800 are also the result of HB 225, HB 899, SB 1048, and SB 2524, and impact the renewal/termination of charter schools, the application procedure, appeals of the proposed termination or nonrenewal of a charter, the timeframe to defer the opening of a charter school's operations, consolidation of multiple charters, virtual charter schools (including references to the soon-to-be adopted Standard Virtual Charter Contract), attendance by charter school governing board members/members of a committee at meetings, charter school operations, distribution of a charter school's proportionate share of salary allocations, School of Hope facilities, and withholding of administrative fees.

**Policy 8407 - Safe School Officers (Revised)**

- Revisions made due to Rule 6A-1.0018 School Safety Requirements and Monitoring.

**Policy 9142 – Educational Equity Policy (Revised)**

- Revisions made due to change in Florida Statutes as a result of HB 7.
The Superintendent shall establish the agenda for School Board meetings in consultation with the Board Chairman. Individual members of the Board may place items for discussion on an agenda by advising the Superintendent of their desire to do so. A motion to rescind or to amend action previously taken shall be timely placed on the agenda since either motion may be considered a "proposition". The Superintendent shall establish reasonable procedures and deadlines for the receipt of requests to place items of business on the agenda and requests to make a presentation in the public discussion period.

The agenda for Board meetings, hearings, and workshops shall be prepared in time to ensure that a copy of the agenda may be received at least seven (7) days before the event by any person in the State who requests a copy and who pays the reasonable cost of the copy. The agenda shall contain the items to be considered in order of presentation.

After the agenda has been made available, changes to the agenda shall be only for good cause, as determined by the person designated to preside, and stated in the record. Notification of such change shall be at the earliest practicable time.

A. The agenda, along with any meeting materials available in electronic form, excluding confidential or exempt information, should be published on the Board's website at least seven (7) days before the event, and shall include any recommendations of the Superintendent.

B. The agenda for each regular meeting shall be delivered to each Board member so as to provide proper time for the member to study the agenda. Generally, the agenda should be delivered no later than seven (7) days prior to the meeting, so as to provide time for the study of the agenda by the member.

C. The Board shall transact business according to the agenda prepared by the Superintendent and submitted to all Board members in advance of the meeting. The order of business may be altered and items added at any meeting by a majority vote of the members present.

D. Consent Agenda

The Board shall use a consent agenda to keep routine matters within a reasonable time frame.

A member of the Board may request any item be removed from the consent agenda and defer it for individual discussion, public comment (if otherwise permitted), and action. No vote of the Board will be required to remove an item from the consent agenda. A single member's request shall cause it to be relocated as an action item eligible for discussion, public comment (if otherwise permitted), and action. Any item on the consent agenda may be removed and discussed as a nonaction item if the Superintendent or any Board member thinks the item requires further discussion.

E. The agenda for special meetings called by the Superintendent, or by the Superintendent on request of the Board Chairman, or on the request of a majority of the Board members, shall be prepared upon the calling of the meeting but not less than forty-eight (48) hours prior to such a meeting. The agenda for special meetings, along with any meeting materials available in electronic form, excluding confidential or exempt information, shall be published on the Board's website at least twenty-four (24) hours before the special meeting, and shall include any recommendations of the Superintendent. The order of business at special meetings of the Board shall be established by the Board.

F. The agenda for emergency meetings, along with any meeting materials available in electronic form, excluding confidential or exempt information, may be published on the Board's website if possible under the circumstances and necessary to protect the public interest.

1121.01 - CRIMINAL BACKGROUND SCREENING AND EMPLOYMENT HISTORY CHECKS

The safety of its students is of paramount importance to the District. Consistent with this concern for student safety, and in compliance with Florida law, the District requires that, prior to initial employment or re-employment if there has been a break in service, all candidates for all administrative positions shall be subject to a criminal background screening check to determine eligibility for employment.

The application for employment shall inform the applicants that they are subject to a criminal background screening and employment history check.

The cost of the background screening related to initial employment or re-employment after a break in service will be borne by the candidate for employment.

Background screenings, including all fingerprint requirements, shall be conducted in accordance with F.S. 435.12 and F.S. 1012.32.

If it is found that a person who is employed as an administrator does not meet the screening requirements, the person shall be immediately suspended from working in that capacity and shall remain suspended until final resolution of any appeals.

Fingerprints of candidates for employment or re-employment if there has been a break in service shall be submitted to the Florida Department of Law Enforcement (FDLE) for statewide criminal and juvenile records checks and to the Federal Bureau of Investigation (FBI) for Federal criminal records checks. A person who is found ineligible for employment under F.S. 1012.315, or otherwise found through background screening to have been convicted of any crime involving moral turpitude as defined by rule of the State Board of Education, may not be employed, engaged to provide services, or serve in any position that requires direct contact with students. For purposes of this policy, "convicted" means that there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld, and includes an adjudication of delinquency of a juvenile as specified in F.S. 943.0435.

Probationary persons subject to this section who are terminated because of their criminal record have the right to appeal such decisions.

Individuals whose fingerprints have not been retained by the FDLE must be re-fingerprinted and re-screened upon re-employment or re-engagement to provide services as an administrative staff member in order to comply with the law.

Furthermore, before employing an administrator in any position that requires direct contact with students, the Superintendent shall conduct employment history checks of each of the candidate's previous employer(s), review each affidavit of separation from previous employers pursuant to F.S. 1012.31, screen the candidate through use of the educator screening tools described in F.S. 1001.10(5), and document the findings. If unable to contact a previous employer, the Superintendent shall document efforts to contact the employer (F.S. 1012.27(6)). Background screenings for these candidates must also comply with the requirements of F.S. 1012.465 or F.S. 1012.56 (whichever is applicable).

Pursuant to State law, all administrators employed by the District must self-report arrests for serious offenses (see AP 1121.01).

Additionally, the fingerprints of all administrators who are employed by the District and have no break in service must be re-submitted to the FDLE and to the FBI every five (5) years so that subsequent statewide criminal and juvenile records checks and Federal criminal records checks can be completed as required by law.

The cost of this subsequent background screening will be borne by the Board.

The information contained in reports received from the FDLE and the FBI is confidential.

Although permissible by State law, the District will not share information received as the result of the criminal background check with other school districts.

Current employees will be rescreened through the Care Provider Background Screening Clearinghouse in accordance with the following schedule:
A. Employees for whom the last screening was conducted on or before June 30, 2019 must be rescreened by June 30, 2024; 

B. Employees for whom the last screen was conducted between July 1, 2019 and June 30, 2021 must be rescreened by June 30, 2025; and 

C. Employees for whom the last screening was conducted between July 1, 2021 and December 31, 2022 must be screened by June 30, 2026.

A person is not required to be rescreened before January 1, 2023 solely for the purpose of retention under F.S. 435.12 if the person was screened before participation by the specified agencies named in F.S. 435.12(13)(a).

Furthermore, if information received as a result of the criminal history records check indicates that a certificated administrator has been convicted of certain crimes enumerated by law, the Superintendent must report this information to the Florida Department of Education per Policy 8141 - Mandatory Reporting of Misconduct by Certificated Employees.

Nothing contained in this policy is intended to interfere with the rights of any individual to pursue a complaint of unlawful harassment or retaliation with the U.S. Department of Education’s Office for Civil Rights (“OCR”), the Florida Commission on Human Relations (“FCHR”), or the Equal Employment Opportunity Commission (“EEOC”).

In accordance with Federal and State law, employees will be notified of their right to file an internal complaint regarding an alleged violation, misinterpretation, or misapplication of Federal and/or State law. In addition, employees will be notified of their right to file a complaint with the OCR, FCHR, or EEOC.

Internal complaints must be in writing and identify the specific circumstances or areas of dispute that have given rise to the complaint and offer possible solutions to the dispute. The complaint must be filed with a compliance officer within the time limits specified below. The compliance officer is available to assist individuals in filing a complaint.

V. **Internal Complaint Procedure**

The following internal complaint procedure is available to employees for the prompt and equitable resolution of complaints alleging discrimination that is prohibited in this policy. This complaint procedure is not available to unsuccessful applicants. Use of the internal complaint procedure is not a prerequisite to the pursuit of other remedies, including the filing of a complaint with the OCR, FCHR, or EEOC.
A. An employee with a complaint based on alleged discrimination may first discuss the problem with the compliance officer.

B. If the informal discussion does not resolve the matter, or if the employee skips Step A, the individual may file a formal written complaint with the compliance officer. The written complaint must contain the name and address of the individual or representative filing the complaint, be signed by the complainant or someone authorized to sign for the complainant, describe the alleged discriminatory action in sufficient detail to inform the compliance officer of the nature and date of the alleged violation, and propose a resolution. The complaint must be filed within thirty (30) calendar days of the circumstances or event giving rise to the complaint unless the time for filing is extended by the compliance officer for good cause.

C. The compliance officer will conduct an independent investigation of the matter (which may or may not include a hearing). This complaint procedure contemplates informal, but thorough investigations, affording all interested persons and their representatives, if any, an opportunity to present witnesses and other evidence relevant to the complaint. The compliance officer will provide the complainant with a written disposition of the complaint within ten (10) workdays. If no decision is rendered within ten (10) days, or the decision is unsatisfactory in the opinion of the complainant, the employee may file, in writing, an appeal with the Superintendent.

D. The Superintendent will, within ten (10) days of receiving the written appeal, conduct a hearing with all parties involved in an attempt to resolve the complaint.

E. The Superintendent will render his/her decision within ten (10) days of the hearing.

F. The employee may be represented, at his/her own cost, at any of the above-described meetings/hearings.

G. The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person’s pursuit of other remedies. Use of this internal complaint procedure is not a prerequisite to the pursuit of other remedies.

If it is determined that the complainant was subjected to unlawful discrimination, the CO must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

VI. Filing a Complaint with OCR/FCHR/EEOC

At any time, if an employee believes that they have been subjected to unlawful discrimination, the individual may file a complaint with the OCR, FCHR, or EEOC.

VII. Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set
forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

VIII. Training

The compliance officers will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Federal and State law, and are informed of the Board’s policies and practices with respect to fully implementing and complying with the requirements of Federal and State law.

X. Retention of Public Records, Student Records, and Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information (ESI), and electronic media (as defined in Policy 8315) created and received as part of an investigation in accordance with the Boards’ records retention policy and applicable Federal and State law. Any records which are considered student records in accordance with the Family Education Rights and Privacy Act shall also be maintained in a manner consistent with the provisions of the Federal and State law.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, and Policy 8320 for not less than three (3) years, but longer if required by the District’s records and retention schedule.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

VIII. Training

The compliance officers will also oversee the training of employees in the District so that all employees understand their rights and responsibilities under Federal and State law, and are informed of the Board’s policies and practices with respect to fully implementing and complying with the requirements of Federal and State law.

IX. Notice

Notice of the Board’s policy on nondiscrimination in employment practices and the identity of the compliance officers will be posted throughout the District, and published in the District’s recruitment statements or general information publications as required by Federal and State law and this policy.

X. Retention of Public Records, Student Records, and Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information (“ESI”), and electronic media (as defined in Policy 8315) created and received as part of an investigation in accordance with the Boards’ records retention policy and applicable Federal and State law. Any records which are considered student records in accordance with the Family Education Rights and Privacy Act shall also be maintained in a manner consistent with the provisions of the Federal and State law.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315 created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, and Policy 8320 for not less than three (3) years, but longer if required by the District’s records and retention schedule.
I. General Statement

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationship, and/or personal sense of self-worth. As such, the School Board will not discriminate nor tolerate harassment in its educational programs or activities on the basis of race, color, national origin, sex (including sexual orientation, gender status, or gender identity), disability (including HIV, AIDS, or sickle cell trait), pregnancy, marital status, age (except as authorized by law), religion, military status, ancestry, or genetic information, which are classes protected by State and/or Federal law (collectively "protected classes").

The Board does not, as a condition of employment, membership, certification, licensing, credentialing, or passing an examination, subject individuals to training, instruction or any other required activity that is prohibited under F.S. 760.10 and F.S. 1000.05. Prohibited discrimination also occurs when any student or employee is subjected to training or instruction that is unlawful under F.S. 1000.05.

The Board also does not discriminate on the basis of protected classes in its employment policies and practices as they relate to students.

Equal educational opportunities shall be available to all students, without regard to the protected classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

Further, nothing in this policy shall be construed to abridge the rights of students or school employees that are protected by the First Amendment to the Constitution of the United States.

In order to achieve the aforesaid goal, the Superintendent shall:

A. Curriculum Content

   review current and proposed courses of study and textbooks to detect any bias based upon the protected classes, as well as sexual orientation or transgender identity, ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc., toward the development of human society;

B. Staff Training

   develop an ongoing program of in-service training for school personnel designed to identify and solve problems of bias based upon the protected classes, in all aspects of the program;

C. Student Access

   1. review current and proposed programs, activities, facilities, and practices to verify that all students have equal access thereto and are not segregated on the basis of the protected classes, in any duty, work, play, classroom, or school practice, except as may be permitted under State and Federal laws and regulations;

   2. verify that facilities are made available for non-curricular student activities that are initiated by parents or other members of the community, including but not limited to any group that is officially affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society pursuant to Board Policy 7510 - Use of District Facilities;

In accordance with Florida statute, the Board may establish and maintain a single-gender nonvocational class, extra-curricular activity, or school for elementary, middle, or high school students.
D. **District Support**

verify that like aspects of the District's program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. **Student Assessment**

verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of the protected classes, as well as sexual orientation or transgender identity.

II. **Definitions**

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

**Third Parties** include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

C. **Duties and Responsibilities**

The COs are responsible for coordinating the District's efforts to comply with applicable Federal and State laws and regulations, including the District's duty to address in a prompt and equitable manner any inquiries or complaints regarding discrimination or denial of equal access. The CO(s) shall also verify that proper notice of nondiscrimination for Title II of the Americans with Disabilities Act (as amended), Title VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Section 504 of the Rehabilitation Act of 1973 (as amended), the Age Discrimination Act of 1975, the Florida Civil Rights Act of 1992, the Florida Educational Equity Act, and/or their implementing regulations is provided to students, their parents, staff members, and the general public. In addition, s/he shall establish procedures to identify students who are Limited English Proficient (LEP), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This program shall include procedures for student placement, services, evaluation, and exit procedures and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading, and writing, on an annual basis (see AP 2260F). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient (LEP) in one or more programs is not the result of discrimination.

E. **The Board is committed to educating (or providing for the education of) each qualified person with a disability with persons who are not disabled to the maximum extent appropriate.** Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

IV. **Reports and Complaints of Unlawful Discrimination and Retaliation**

Students and Board employees are required, and all other members of the School District community and Third Parties are encouraged to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with the CO at his/her first convenience and/or within two (2) business days.

Members of the School District community, which includes students or third parties, who believe they have been unlawfully discriminated/retaliated against are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant’s employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the
facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior and/or harassment in accordance with Policy 5517.01 – Bullying and Harassment, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a protected class, the Principal shall report the act to one of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO’s written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community Third Party, or receive reports that are initially filed with another Board employee. Upon receipt of a report of alleged discrimination/retaliation, the CO will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation), or the CO will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to the CO within two (2) business days of learning of the incident/conduct.

Any Board employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one of the COs within two (2) business days. Additionally, any Board employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other Board employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, the CO or designee must contact Complainant, if age eighteen (18) or older, or the Complainant's parents/guardians if the Complainant is under the age of eighteen (18), within two (2) school days to advise s/he/them of the Board's intent to investigate the alleged wrongdoing.

V. Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any student who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual’s claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) business days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the United States Department of Education Office for Civil Rights (“OCR”). The Atlanta Office of the OCR can be reached at 61 Forsyth Street, SW. - Suite 19T10, Atlanta, GA 30303-8927 Phone: (404) 974-9406 FAX; (404) 974-9471
A. Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student alleges unlawful discrimination/retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.
The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

Students who believe that they have been unlawfully discriminated/retaliated against may proceed immediately to the formal complaint process and individuals who seek resolution through the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

B. As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. An individual who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

C. A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one of the COs.

All informal complaints must be reported to one of the COs who will either facilitate an informal resolution as described below, or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the wishes of the student claiming unlawful discrimination/retaliation, informal resolution may involve, but not be limited to, one (1) or more of the following:

1. Advising the Complainant about how to communicate concerns to the Respondent.
2. Distributing a copy of Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity to the individuals in the school building or office where the Respondent works or attends.
3. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint. And, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

All materials generated as part of the informal complaint process will be retained by the COs in accordance with the Board's records retention policy and/or student records policy. (See Policy 8310)

D. **Formal Complaint Procedure**

   If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution
through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official at the student’s school, the CO, Superintendent, or another District official who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official at the student’s school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to the CO within two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the complainant.

If the complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the complainant will be asked to verify the accuracy of the reported charge by signing the document.

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the complainant from further discrimination or retaliation, including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Superintendent to assess whether the individual agrees with the proposed action. If the complainant is unwilling to consent to the proposed change, the CO may still take whatever actions s/he deems appropriate in consultation with the Superintendent.

Within two (2) days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the complainant has been subjected to unlawful discrimination/retaliation. A Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the complaint within five (5) business days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) business days of receiving the formal complaint. The investigation will include:

1. interviews with the complainant;
2. interviews with the respondent;
3. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;
4. consideration of any documentation or other information presented by the complainant, respondent, or any other witness that is reasonably believed to be relevant to the allegations.
At the conclusion of the investigation, the CO or designee shall prepare and deliver a written report to the Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. The CO’s recommendations must be based upon the totality of the circumstances, including the ages and maturity levels of those involved. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board’s legal counsel before finalizing the report to the Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Superintendent’s final decision will be delivered to both the complainant and the respondent.

If the Superintendent requests additional investigation, the Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Superintendent shall issue a final written decision as described above.

If the Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

The decision of the Superintendent shall be final.

The Board reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The Board also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the Board or its designee.

The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person’s pursuit of other remedies such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

VI. Privacy/Confidentiality

The School District will employ all reasonable efforts to protect the rights of the complainant, the respondent(s), and the witnesses as much as possible, consistent with the Board’s legal obligations to investigate, to take appropriate action, and to conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed. Additionally, the Respondent must be provided the Complainant’s identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to third parties any information that is learned or provided during the course of the investigation.

All records created as a part of an investigation of a complaint of discrimination/retaliation will be maintained by the CO in accordance with the Board’s records retention policy. Any records that are considered student education records in accordance with the Family Educational Rights and Privacy Act or under Florida’s student records law will be maintained in a manner consistent with the
provisions of the Federal and State law.

VII. Sanctions and Monitoring

The Board shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the Board may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the Board becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the Board and/or Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

VIII. Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful discrimination/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participated or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

IX. Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent or designee shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information, provided regarding the Board’s policy and discrimination in general, will be age and content appropriate.

X. Retention of Investigatory Records and Materials

The Compliance Officer(s) is responsible for overseeing retention of all records that must be maintained pursuant to this policy. All individuals charged with conducting investigations under this policy shall retain all information, documents, electronically stored information ("ESI"), and electronic media (as defined in Policy 8315) created and received as part of an investigation, including, but not limited to:

A. all written reports/allegations/complaints/statements;
B. narratives of all verbal reports/allegations/complaints/statements;
C. a narrative of all actions taken by District personnel;
D. any written documentation of actions taken by District personnel or individuals contracted or appointed by the Board to fulfill its responsibilities related to the investigation and/or the District’s response to the alleged violation of this policy;
E. written witness statements;
F. narratives of, notes from, or audio, video, or digital recordings of witness statements;
G. all documentary evidence;
H. e-mails, texts, or social media posts pertaining to the investigation;
I. contemporaneous notes in whatever form made (e.g., handwritten, keyed into a computer or tablet, etc.) pertaining to the investigation;

N. documentation of all actions taken, both individual and systemic, to stop the discrimination or harassment, prevent its recurrence, eliminate any hostile environment, and remedy its discriminatory effects;
O. documentation of any supportive measures offered and/or provided to the Complainant and/or the Respondent, including no-contact orders issued to both parties, the dates the no-contact orders were issued, and the dates the parties acknowledged receipt of the no-contact orders;
P. copies of the Board policy and/or procedures/guidelines used by the District to conduct the investigation, and any documents used by the District at the time of the alleged violation to communicate the Board’s expectations to students and staff with respect to the subject of this policy (e.g., Student Codes of Conduct and/or Employee Handbooks);
Q. copies of any documentation that memorializes any formal or informal resolutions to the alleged discrimination, harassment, or retaliation; and
R. documentation of any training provided to District personnel related to this policy, including but not limited to, notification of the prohibitions and expectations of staff set forth in this policy and the role and responsibility of all District personnel involved in enforcing this policy, including their duty to report alleged violations of this policy and/or conducting an investigation of an alleged violation of this policy.

The information, documents, ESI, and electronic media (as defined in Policy 8315) retained may include public records and records exempt from disclosure under Federal and/or State law (e.g., student records).

The information, documents, ESI, and electronic media (as defined in Policy 8315) created or received as part of an investigation shall be retained in accordance with Policy 8310, Policy 8315, and Policy 8320 for not less than three (3) years, but longer if required by the District’s records retention schedule.
2520 - SELECTION AND ADOPTION OF INSTRUCTIONAL MATERIALS

The School Board adopts courses of study pursuant to State law. When adopting courses of study, State law also requires the Board to adopt and provide adequate instructional materials to students enrolled in the District.

"Adequate instructional materials" means a sufficient number of student or site licenses or sets of materials that are available in bound, unbound, kit, or package form and may consist of hard-backed or soft-backed textbooks, electronic content, consumables, learning laboratories, manipulatives, electronic media, and computer courseware or software that serves as the basis for instruction for each student in the core courses of mathematics, language arts, social studies, science, reading, and literature.

Furthermore, Federal law requires the Board to provide accessible instructional materials as specified in a student's Individualized Education Program (IEP). Such accessible instructional materials may be of a type or in a format as specified in the definition of adequate instructional materials in this policy.

As required by State law, instructional materials adopted and used in the District shall be consistent with the goals and objectives in the District's adopted course of study and with the course descriptions established by State Board rule. The Board is responsible for the content of all instructional materials and any other materials used in a classroom, made available in a school library, or included on a reading list. Upon written request, an individual will be provided access to material or books specified in the written request that are maintained in a District library if such material or books are available for review. The school principal shall arrange for a convenient time to provide such access.

The Superintendent shall develop administrative procedures that set forth a process to involve staff in the review and evaluation of instructional materials. The staff involved in this process shall recommend to the Superintendent for submission to the Board for adoption the instructional materials that address the goals and objectives for adopted courses of study and the course descriptions established by State Board rule. The instructional materials shall be from the State-adopted instructional materials list if there has been a State adoption or from publishers and other resources if there has not been a State adoption. A meeting of a committee for the purpose of ranking, eliminating, or selecting instructional materials for recommendation to the Board must be notified and open to the public in accordance with F.S. 286.011. A committee convened for such purposes must include parents of District students.

The Superintendent's procedures shall also prescribe the process for the acquisition, management, use, accountability, and reporting requirements of all instructional materials.

Adoption of Instructional Materials

Prior to submitting a recommendation to the Board regarding the recommended instructional materials, those materials will be accessible for review online for at least twenty (20) calendar days prior to the open publicly noticed meeting at which a public hearing will be held so that the Board can receive comment, if any, about the instructional material under consideration for adoption. The Superintendent shall establish reasonable safeguards against the unauthorized use, reproduction, and distribution of the instructional material under consideration.

Following the public hearing, the Board may act upon the Superintendent's recommendation to adopt the instructional materials. The Board will select, approve, and adopt all materials as a separate line item on the regular (non-consent) agenda and will provide a reasonable opportunity for public comment.

At an open publicly noticed meeting following the meeting at which the instructional material is adopted, the Board shall consider a recommendation to approve an annual instructional materials plan that identifies any instructional materials to be purchased pursuant to the instructional materials review process described herein.

The Superintendent shall maintain a list of all adopted instructional materials.

Publication on Website

The Board will publish on its website, in a searchable format, a list of all instructional materials, including those used to provide required instruction under Florida law.
**School Library Media Centers and Reading Lists**

*Effective July 1, 2022, each book newly made available to students through a school library media center or included in a recommended or assigned school or grade level reading list must be selected and approved by a District employee who holds a valid educational media specialist certificate, regardless of whether the book is purchased, donated or otherwise made available to students.*

E. The petitioner may make a closing statement.

F. The District representative may make a closing statement.

Within fourteen (14) days of the date of the hearing, the hearing officer shall submit a recommended order to the Board. The Board shall consider the recommended order and enter a final order at a publicly noticed Board meeting. If the petitioner proves that instructional material does not meet the criteria required under F.S. 1006.28, or contains prohibited material under that statute, it shall be removed in accordance with Florida law. The Board’s decision is final and not subject to further petition or review.

Hearings under this policy are not subject to the provisions of F.S. Chapter 120.

Parent and Resident Objections to Instructional Material Used in Classrooms, Made Available in a School Library, or Included on a Reading List

Parents and residents of the county may object to the use of a specific instructional material in the classroom, made available in a school library, or included on a reading list based on the criteria set forth in F.S. 1006.28(2)(a)2. or F.S. 1014.05(1)(c).

For purposes of this policy, “resident” means a resident of the county who has maintained their residence in Florida for the preceding year, has purchased a home that is occupied by them as their residence, or has established a domicile in Florida pursuant to F.S. 222.17.

Parents and residents of the county should make any such objection in writing to the principal identifying the specific instructional material and stating the basis for the objection.

The principal will review the objection and may meet with the teacher or objector, or both, in an attempt to resolve the objection, which may include using an alternative instructional material. If the objection is not resolved to the objector’s satisfaction, the principal shall refer the matter to the appropriate District-level curriculum supervisor.

The District-level curriculum supervisor will meet with the objector and attempt to resolve the objection. If the objection is still not resolved to the objector’s satisfaction, the matter will be referred for a hearing, using the hearing procedures set forth in Policy 2520.

If the Board finds that the instructional material does not meet the criteria under F.S. 1006.28(2)(a)2.a. or that any other material contains prohibited content under F.S. 1006.28(2)(a)2.b., the district will discontinue use of the material for any grade level or age group for which such use is inappropriate or unsuitable. The decision of the Board shall be final.

Free School-Related Instructional Materials

Free instructional materials may be accepted for classroom and school purposes under conditions that meet all the following criteria:
A. The initiative for securing the materials should be of the type that teachers seek rather than materials forwarded to them to promote the interests of an outside agency.

B. The materials should fill a legitimate purpose of the school curriculum.

C. The advertising feature of the materials should be minimized.

D. Educational films should contain a minimum amount of commercial advertising.

Equipment or Instructional Materials Vendors

The principal may permit vendors to demonstrate and show only that equipment and instructional materials which can be used to improve the instructional program and which are under consideration for purchase by the school.

The District school district must notify parents of eligible students upon enrollment and at the beginning of each school year options for specific book topics or genres in order to maximize student interest in reading in writing and provide them with the application form, which must allow for the selection of specific book topics or genres for the student. The District must coordinate monthly book deliveries with the program administrator beginning no later than October and continuing through at least June. However, for the 2021-2022 school year only, delivery may begin no later than December 31, 2021. The District must participate in the initiative by partnering with local nonprofit organizations and raising awareness by using marketing materials provided by the program administrator. A student’s eligibility for the initiative continues until promotion to grade 6 or until the parent opts out of the initiative.

The District shall coordinate with each charter school it sponsors for the purposes of identifying eligible students, notifying parents, coordinating book deliveries, providing the opportunity to annually select book topics and genres, and raising awareness of the initiative.

Additionally, the District may remove a substitute teacher from its approved list of substitute teachers with or without cause. The substitute teacher removed from the approved list shall not have no further recourse against the District unless removal from the approved list is in violation of State or Federal law.

Upon request from an early learning coalition serving students in Manatee County, the District will make available to the coalition a list of persons eligible to act as a substitute teacher in this District.

B. Long-Term Substitute Teachers

The public agency receiving services from the Board shall indemnify and hold harmless the Board from any and all liability.

The District is prohibited from entering into any interlocal agreement that prohibits or limits the creation of a charter school. If the Board denies an application submitted by a high-performing charter school, or high-performing charter school system, the sponsor shall, within ten (10) calendar days after such denial, state in writing the specific reasons, based upon the criteria of F.S. 1002.33 supporting its denial of the final application and must provide the letter of denial and supporting documentation to the applicant and to the Department of Education. The applicant may appeal the Board’s denial of the final application directly to the State Board of Education pursuant to F.S. 1002.33. If a high-performing charter school or a high-performing charter school system appeals the denial of an application, the State Board of Education shall determine whether the sponsor’s denial was in accordance with F.S. 1002.33(b)3.b.

The sponsor shall act upon the decision of the State Board of Education within thirty (30) calendar days after it is received. The State Board of Education’s decision is a final action subject to judicial review in the district court of appeal. A prevailing party may file an action with the Division of Administrative Hearings to recover reasonable attorney fees and costs incurred during the denial of the application and any appeals.

Appeal of a Proposed Termination or Nonrenewal of a Charter

Before a vote on any proposed action to renew, terminate, other than an immediate termination under F.S. 1002.33(8)(c), or to not renew the charter and at least ninety (90) days before the end of the local year renewing, nonrenewing, or terminating a charter, the sponsor shall notify the charter school’s governing board in writing of its proposed action to renew, terminate, or not renew the charter. A charter automatically renews with the same terms and conditions if notification does not occur at least ninety (90) days before the end of the school year. The notice shall state in reasonable detail the grounds for the proposed action and stipulate that the charter school’s governing board may, within fourteen (14) calendar days after receiving the notice, request a hearing. The hearing shall be conducted by an administrative law judge assigned by the Florida Division of Administrative Hearings. The hearing shall be conducted within ninety (90) days after receipt of the request for a hearing and in accordance with F.S. Chapter 120. The administrative law judge’s final order shall be submitted to the Board. The administrative law judge shall award the prevailing party reasonable attorney fees and costs incurred during the administrative proceeding and any appeals.

The charter school’s governing board may, within thirty (30) calendar days after receiving the final order, appeal the decision pursuant to F.S. 120.68.

A charter may be terminated immediately if the Board sets forth in writing the particular facts and circumstances demonstrating indicating that an immediate and serious danger to the health, safety, or welfare of the charter school’s students exists, that an immediate and serious danger is likely to continue, and that an immediate termination of the charter is necessary. The Board’s determination is subject to the procedures set forth in F.S. 1002.33(8)(b) and (c), except that the hearing may take place after the charter has been terminated. The sponsor shall notify in writing the charter school’s governing board, the charter school principal, and FLDOE of the facts and circumstances supporting the immediate termination if a charter is terminated immediately. The sponsor shall clearly identify the specific issues that resulted in the immediate termination and provide evidence of prior notification of issues resulting in the immediate termination, if applicable when appropriate. Upon receiving written notice from the board, the charter school’s governing board has ten (10) calendar days to request a hearing. A requested hearing must be expedited and the final order must be issued within sixty (60) days after the date of request. The sponsor shall assume operation of the charter school throughout the pendency of the hearing unless the continued operation of the charter school would materially threaten the health, safety, or welfare of the students. The administrative law judge shall award reasonable attorney fees and costs to the prevailing party of any injunction, administrative proceeding, or appeal. The sponsor may seek an injunction in the circuit court in which the charter school is located to enjoin continued operation of the charter school if continued operation would materially threaten the health, safety, or welfare of the students.

Charter School Obligations Upon Initial Notification of Nonrenewal, Closure, or Termination of a Charter

Upon initial notification of nonrenewal, closure, or termination of its charter, a charter school may not expend more than $10,000 per expenditure without prior written approval from the sponsor unless such expenditure was included within the annual budget submitted to the sponsor pursuant to the charter contract, is for reasonable attorney fees and costs during the pendency of any appeal, or is for reasonable fees and costs to conduct an independent audit.

An independent audit shall be completed within thirty (30) days after notice of nonrenewal, closure, or termination to account for all public funds and assets.
A provision in a charter contract that contains an acceleration clause requiring the expenditure of funds based upon closure or upon notification of nonrenewal or termination is void and unenforceable.

A charter school may not enter into a contract with an employee that exceeds the term of the school's charter contract with the sponsor.

A violation of this section triggers a reversion or clawback power by the sponsor allowing for collection of an amount equal to or less than the accelerated amount that exceeds normal expenditures. The reversion or clawback plus legal fees and costs shall be levied against the person or entity receiving the accelerated amount.

**Charter Contract and Contract Negotiation Process**

A standard charter contract shall be consistent with this policy and approved by the Charter Review Team to be used as the basis for all charters approved under this policy. All contracts and contract amendments, as approved by the Charter Review Team, must be presented to the Board for approval. The charter contract must contain all information set forth in the Florida Standard Charter Contract or the Florida Standard Charter Renewal contract (F.A.C. 6A-6.0786 Form) as prescribed by the FLDOE.

**A. Initial Charter Contract**

1. Initial contract shall be for a term of four (4) or five (5) years unless a longer term is specifically required by law.

   b. Except for virtual charter schools, actual locations and evidence that a facility has been secured for the term of the charter, or a deadline for submitting evidence that a facility has been secured. Evidence should include, but is not limited to:
      1. letter of intent from the landlord or mortgagee indicating property usage and term of occupancy;
      2. executed lease or certification of occupancy; and/or
      3. use or occupational license indicating proper use.

   All facilities must meet the requirements set forth in F.S. 1002.33 and comply with all Florida building codes.

**B. Charter Contract Negotiations**

The sponsor shall have thirty (30) days after approval of an application to provide an initial proposed charter contract to the charter school. The applicant and the sponsor shall have forty (40) days thereafter to negotiate and notice the charter contract for final approval by the Board unless both parties agree to an extension. The proposed charter contract shall be provided to the charter school at least seven (7) calendar days prior to the date of the meeting at which the charter is scheduled to be voted upon by the Board. The FLDOE shall provide mediation services for any dispute regarding this section subsequent to the approval of a charter application and for any dispute relating to the approved charter; except disputes regarding charter school application denials. **If either the charter school or the sponsor indicates in writing that the party does not desire to settle any dispute arising under this section through mediation procedures offered by the Department of Education, a charter school may immediately appeal any formal or informal decision by the sponsor to an administrative law judge appointed by the Division of Administrative Hearings.** If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may also be appealed to an administrative law judge appointed by the Florida Division of Administrative Hearings. The administrative law judge has final order authority to rule on issues of equitable treatment of the charter school as a public school, whether proposed provisions of the charter violate the intended flexibility granted charter schools by statute, or on any other matter regarding this section except a charter school application denial, a charter termination, or a charter nonrenewal and shall award the prevailing party reasonable attorney's fees and costs.
incurred during the mediation process, administrative proceeding, and any appeals to be paid by the losing party.

C. Request to Extend Negotiations/School Opening

1. The applicant and sponsor may mutually agree to extend the statutory timeline to negotiate and consider approval of the charter contract for a period not to exceed one (1) year from the approved opening date in the charter school application. Requests shall be submitted, in writing, to the District Support Department by an authorized agent of the charter school, detailing the reason for the requested extension.

2. In the event that the statutory timeline to negotiate and enter into a charter contract is extended, the applicant shall update its charter school application prior to resuming negotiations with regard to (1) updated budget; and (2) applicable application revisions necessitated by the delay.

3. The application shall be automatically rescinded, without further action by the Board, if the applicant does not enter into contract negotiations or open the school within: (1) the timeframe specified by law, or (2) the date of extension which has been mutually agreed upon in writing by both parties.

4. Unless extended pursuant to this policy, an approved applicant shall open its charter school eighteen (18) months later at the beginning of the District’s school year following the approval of the charter school application. At the written request of the applicant and at the sponsor’s sole discretion, the sponsor may allow an applicant with an approved charter school application to defer the opening of its charter school for up to three (3) school years following the opening date specified in the approved charter school application. In the event that the opening of the approved applicant’s charter school is deferred, the applicant shall update its charter school application prior to the opening of the charter school with regard to: (1) updated budget; and (2) applicable application revisions.

5. An approved contract shall be automatically revoked, without further action by the Board, if the applicant does not open the school:
   a. on the first day of school of the initial school year indicated in the contract; or
   b. on the first day of the school year indicated in the approved deferral.

D. Charter Contract Amendments/Modifications

1. A charter may be modified during its initial term or any renewal term upon the recommendation of the sponsor or the charter school’s governing board and the approval of both parties to the agreement. **Changes to the curriculum which are consistent with State standards shall be deemed approved unless the sponsor and the Department of Education determine in writing that the curriculum is inconsistent with State standards.** All modifications must be mutual and in writing. Unilateral modifications made by the charter school may be the grounds for termination or non-renewal. Modification during any term may include, but is not limited to, consolidation of multiple charters into a single charter if the charters are operated under the same governing board, regardless of the renewal cycle. A charter school that is not subject to a school improvement plan and that closes as part of a consolidation shall be reported by the District as a consolidation. **A request for consolidation of multiple charters must be approved or denied within sixty (60) days after the submission of the request. If the request is denied, the Board shall notify the charter school’s governing board of the denial and provide the specific reasons, in reasonable detail, for the denial of the request for consolidation within ten (10) days.**

2. Modifications may be considered by the sponsor for a number of reasons, which may include, but is not limited to, protect the health, safety, or welfare of the students.

3. All contract amendment requests shall be submitted in writing to the District Support Department by an authorized agent of the charter school. Additional information or documentation may be requested for consideration of any amendment requests.

4. The charter school shall provide evidence of governing board approval for all proposed amendments (e.g., governing board resolution, governing board meeting minutes).

5. Requirements for Amendment Requests
a. **Education Program Amendments**

Significant changes in the curriculum or changes in grade levels constitute a change in the educational program and shall require an amendment that is mutually acceptable and approved by both parties. Requests for such amendments shall include the following information and supporting documentation:

1. justification for change
2. effective date of the change
3. evidence that financial implications, feasibility, and student access issues have been addressed, including provisions for all required resources, staff, and materials
4. evidence of parental support

A high-performing charter school that has met the requirements set forth in State law for such designation shall notify the sponsor of any increase in enrollment by March 1st of the school year preceding the increase. The written notice shall specify the grade levels that will be added. Student enrollment may not exceed the capacity of the facility at the time the enrollment increase will take effect. Facility capacity for purposes of grade level expansion shall include any improvements to an existing facility in which a majority of the students of the high-performing charter school will enroll. If a high-performing charter school notifies the sponsor of its intent to expand, the sponsor shall modify the charter within ninety (90) days to include the new enrollment maximum and may not make any other changes. The sponsor may deny a request to increase the enrollment of a high-performing charter school if the Commissioner of Education has declassified the charter school as high-performing.

b. **Location Amendments**

1. Changes in locations or addition of location (i.e., relocation, secondary campus, satellite locations) shall include the following information and supporting documentation:
   
   a. description of location, including identification as permanent or temporary
      If the relocation will be temporary, the request shall include the period of time during which the school will be at the temporary location.
   
   b. effective date of the relocation
   
   c. evidence that financial implications, feasibility, and student access issues have been addressed
   
   d. evidence of parental support for the new facility
   
   e. evidence of the school’s property interest in the facility (owner or lessee)
   
   f. a disclosure affidavit in accordance with F.S. 286.23, if the school leases the facility

2. Nothing in this policy or State law obligates the sponsor to agree to an increase in the number of facilities, campuses, and/or locations associated with a charter school’s operations.

3. The charter school shall not change or add facilities or locations at any time during the term of the charter contract without prior approval of the Board through the contract amendment process. Violation of this provision constitutes a unilateral amendment or modification of this contract and good cause for termination.

4. If the request for a location amendment involves a facility in which other schools are operating, the names of the school(s), the grade levels, number of classrooms, number of students in each class, and the number of students enrolled in each school shall be included in the request, in addition to the information and documentation described in paragraphs a
and b above.

5. evidence of parental support

A high-performing charter school that has met the requirements set forth in State law for such designation shall be required to notify the sponsor in writing by March 1st of its intent to increase enrollment the following school year. The written notice shall specify the amount of the enrollment increase. The sponsor shall not require a charter school to identify the names of students to be enrolled or to enroll those students before the start of the school year as a condition of approval or renewal of a charter.

6. When a contract is amended or renewed, it shall be updated to comply with this policy and the current standard charter contract or standard virtual charter contract.

Pre-Opening Requirements

No later than thirty (30) days prior to the initial use of the facility by the school, the school shall have an approved contract and provide evidence of all necessary permits, licensing, zoning, use approval, facility certification and other approvals required for use of the facility by the local government. Failure to comply may result in automatic rescission of the contract, with no further action by the Board. A certificate of occupancy or a temporary certificate of occupancy must be provided to the sponsor no later than fifteen (15) calendar days before the first day of school.

6. The Board shall not apply its policies to a charter school unless mutually agreed to by both the sponsor and the charter school. If the Board subsequently amends any agreed-upon Board policy, the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the sponsor may not hold the charter school responsible for any provision of a newly revised policy until the revised policy is mutually agreed upon by the charter school.

An analysis comparing the charter school’s standardized test scores to those of similar student populations attending other public schools in the District will also be conducted.

   a. In the event a charter school earns a grade of "D" or "F" in the grading system set forth in State law, the director and a representative of the governing board of the charter school shall appear before the sponsor to present information concerning each contract component having noted deficiencies and shall prepare and submit to the sponsor for approval a proposed School Improvement Plan to
raise student achievement. The proposed School Improvement Plan must meet the requirements set forth in State law. The charter school shall implement the proposed School Improvement Plan once approved by the sponsor.

b. If a charter school earns three (3) consecutive grades of "D", two (2) consecutive grades of below a "C", the charter school governing board shall take corrective action as set forth in F.S. 1002.33. The corrective action must be implemented in the school year following receipt of a third consecutive grade of below a "C". If the charter school does not improve by at least one (1) letter grade after two (2) full school years of implementing the corrective action, the charter school must select and implement a different corrective action in accordance with F.S. 1002.33. At least one (1) fire exit drill shall be conducted every month school is in session. Any emergency evacuation drill (e.g., "crisis event"), completely performed, may be substituted for a required fire exit drill in a given month. All drills and all deficiencies affecting egress shall be documented in writing.

    Inspections of all buildings including educational facilities, ancillary plants, and auxiliary facilities for casualty safety, and sanitation shall be conducted at least once during each fiscal year. Conditions that may affect environmental health and safety or impair operation of the plant will be reported, with recommendations for corrective action.

    Each school cafeteria must post in a visible location and on the school website the school’s semiannual sanitation certificate and a copy of its most recent sanitation inspection report.

    Under the direction of the fire official appointed by the Board, fire-safety inspections of each educational and ancillary plant located on property owned or leased by the charter school’s governing board, or other educational facilities operated by the charter school’s governing board, shall be made no sooner than one (1) year after issuance of a certificate of occupancy and annually thereafter. Regardless, if immediate life-threatening deficiencies are noted in the report, the report shall be delivered to the Board and to the county, municipality, or independent special fire control district providing
fire protection services immediately.

K. Charter School Website

Each charter school shall maintain a website that enables the public to obtain information regarding the school; the school’s academic performance; the names of the governing board members; the programs at the school; the name and contact information for the representative who facilitates parent involvement; any management companies, service providers, or education management corporations associated with the school; the school’s annual budget and its annual independent fiscal audit; the school’s grade pursuant to F.S. 1008.34; and, on a quarterly basis, the minutes of governing board meetings.

Board Annual Report Submission

The Board shall submit an annual report to the FLDOE in a web-based format to be determined by the FLDOE. The report shall include the:

Nonexclusive Interlocal Agreements

The Board may enter into nonexclusive interlocal agreements with Federal and State agencies, counties, municipalities, and other governmental entities that operate within the geographical borders of the District to act on behalf of such governmental entities in the inspection, issuance, and other necessary activities for all necessary permits, licenses, and other permissions that a charter school needs in order for development, construction, or operation. A charter school may use, but may not be required to use, the District for these services. The interlocal agreement must include, but need not be limited to, the identification of fees that charter schools will be charged for such services. The fees must consist of the governmental entity’s fees plus a fee for the Board to recover no more than actual costs for providing such services. These services and fees are not included within the services to be provided pursuant to F.S. 1002.33(20). Notwithstanding any other provision of law, an interlocal agreement, or ordinance that imposes a greater regulatory burden on charter schools than on the District or that prohibits or limits the creation of a charter school is void and unenforceable. An interlocal agreement entered into by the District by the development of only its own District schools, including provisions relating to the extension of infrastructure, may be used by charter schools.

These services shall include contract management services; full-time equivalent and data reporting services, exceptional student education administration services; services related to eligibility and reporting duties required to ensure that school lunch services under the National School Lunch Program, consistent with the needs of the charter school, are provided by the Board at the request of the charter school, that any funds due to the charter school under the National School Lunch Program be paid to the charter school as soon as the charter school begins serving food under the National School Lunch Program and that the charter school is paid at the same time and in the same manner under the National School Lunch Program as other public schools serviced by the Board; test administration services, including payment of the costs of State-required or
Board-required student assessments; processing of teacher certificate data services; and information services, including equal access to the sponsor’s student information systems that are used by public schools in the District. Student performance data for each student in a charter school, including, but not limited to, State mandated testing scores, standardized test scores, previous public school student report cards, and student performance measures, shall be provided by the Board to a charter school in the same manner provided to other public schools in the District.

The Board may withhold an administrative fee for the provision of such services which shall be a percentage of the available funds defined in F.S. 1002.33(17)(b) calculated based on weighted full-time equivalent students. If the charter school services seventy-five percent (75%) or more exceptional education students as defined in F.S. 1003.01(3), the percentage shall be calculated based on unweighted full-time equivalent students. The administrative fee shall be calculated as follows:

A. Up to five percent (5%) for the following:

1. enrollment of up to and including 250 students in a charter school as defined in F.S. 1002.33(20);

The Board will not charge charter schools any additional fees or surcharges for administrative and educational services in addition to the maximum percentage of administrative fees withheld pursuant to this policy. The Board will not charge or withhold any administrative fee against a charter school any funds specifically allocated by the Legislature for teacher compensation.

The Board shall provide the FLODE by no later than September 15th of each year the total amount of funding withheld from charter schools pursuant to this policy and Florida law for the prior fiscal year.

If goods and services are made available to the charter school through the contract with the Board, they shall be provided to the charter school at a rate no greater than the Board’s actual cost unless mutually agreed upon by the charter school and the Board in a contract negotiated separately from the charter. When mediation has failed to resolve disputes over contracted services or contractual matters not included in the charter, an appeal may be made to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on the dispute. The administrative law judge shall award the prevailing party reasonable attorney fees and costs incurred during the mediation process, administrative proceeding, and any appeals to be paid by the party whom the administrative law judge rule against. To maximum the use of State funds, the Board shall allow charter schools to participate in the sponsor’s bulk purchasing program if applicable.

The governing body of the charter school may provide transportation through an agreement or contract with
the Board. The charter school and the Board shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within a reasonable distance of the charter school as determined in its charter.

**School Safety Requirements**

Each charter school in the District must comply with the requirements of F.A.C. 6A-1.0018 and Florida law pertaining to school safety, including the requirement that charter schools coordinate with the District’s School Safety Specialist. See also, Board Policy 8405 (School Safety and Security) and Policy 8407 (Safe-School Officers).

**Interpretation**

If a court or agency of competent jurisdiction invalidates any provision of this policy or finds a specific provision to be in conflict with the Florida Constitution, Florida statutes, the Florida Administrative Code, or any rule or policy prescribed by the FLDOE, then all of the remaining provisions of this policy shall continue unabated and in full force and effect.

In the event that an existing charter school contract provision is found to be inconsistent with this policy, the charter contract provision prevails. Any charter approved after the adoption of this policy is required to be fully consistent with this policy.

If there is any conflict with this policy, F.S. 1002.33 et. seq. and other regulatory statutes are prevailing. Existing charter school contracts that predate this policy remain in full force and effect absent a controlling Federal or State statute.
