BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA

AMENDMENT NUMBER 17 TO LEASE NUMBER 4549

THIS LEASE AMENDMENT is entered into this _____ day of _____, 20____, by and between the **BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA**, hereinafter referred to as "LESSOR" and **MONROE COUNTY**, **FLORIDA, a political subdivision of the State of Florida**, hereinafter referred to as "LESSEE";

WITNESSETH:

WHEREAS, LESSOR, by virtue of Section 253.03, Florida Statutes, holds title to certain lands and property for the use and benefit of the State of Florida; and

WHEREAS, on November 14, 2007, LESSOR and LESSEE entered into Lease Number **4549** (the "lease"); and

WHEREAS, LESSOR and LESSEE desire to amend the lease to add land to the leased premises.

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the parties hereto agree as follows:

1. The legal description of the leased premises set forth in Exhibit "A" of Lease Number **4549** is hereby amended to include the real property described in Exhibit "A" attached hereto and by reference made a part hereof.

2. It is understood and agreed by LESSOR and LESSEE that in each and every respect the terms of Lease Number **4549**, except as amended, shall remain unchanged and in full force and effect and the same are hereby ratified, approved and confirmed by LESSOR and LESSEE as of the date of this amendment.

3. It is understood and agreed by LESSOR and LESSEE that this Amendment Number **17** to Lease Number **4549** is hereby binding upon the parties hereto and their successors and assigns.

4. This lease amendment may be executed by electronic signature, which shall be considered as an original signature for all purposes and shall have the same force and effect as an original signature. Without limitation, "electronic signature" shall include faxed versions of an original signature or electronically scanned and transmitted versions (e.g., via pdf) of an original signature.

[*Remainder of page intentionally left blank; Signature page follows*]

v1.0

IN WITNESS WHEREOF, the parties have caused this Amendment Number 17 to Lease Number 4549 to be executed on the day and year first above written.

WARRANTY DEED

(STATUTORY FORM - SECTION 689.02, F.S.)

THIS INDENTURE is made this 15th day of February, 2023, between **Monroe County Comprehensive Plan Land Authority, a land authority under section 380.0663 (1), Florida Statutes, and Monroe County Ordinance Number 031-1986,** whose post office address is 1200 Truman Avenue, Ste 207, Key West, FL 33040 ("Grantor"), and the **BOARD OF TRUSTEES OF THE INTERNAL IMPROVEMENT TRUST FUND OF THE STATE OF FLORIDA**, whose post office address is c/o Florida Department of Environmental Protection, Division of State Lands, 3900 Commonwealth Boulevard, Mail Station 115, Tallahassee, FL 32399-3000 ("Grantee").

(Wherever used herein the terms "Grantor" and "Grantee" include all the parties to this instrument and their heirs, legal representatives, successors and assigns. "Grantor" and "Grantee" are used for singular and plural, as the context requires and the use of any gender shall include all genders.)

WITNESSETH: That the said Grantor, for and in consideration of the sum of Ten Dollars and other good and valuable considerations, to said Grantor in hand paid by said Grantee, the receipt whereof is hereby acknowledged, has granted, bargained and sold to the said Grantee, and Grantee's successors and assigns forever, the following described land situate, lying and being in **Monroe County**, Florida, to-wit:

See **EXHIBIT "A"** attached hereto and by reference made a part hereof.

Tax Collector's Account Number: 1131202

Property Appraiser's Parcel ID Number: 00110780-000000

This conveyance is subject to easements, restrictions, limitations, and conditions of record, if any, but any such interests that may have been terminated are not hereby re-imposed.

AND the said Grantor does hereby fully warrant the title to said land, and will defend the same against the lawful claims of all persons whomsoever.

IN WITNESS WHEREOF the Grantor has hereunto set Grantor's hand and seal, the day and year first above written.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: F9
2023-2166

BULK ITEM: Yes

DEPARTMENT: County Land Acquisition And Land Management

TIME APPROXIMATE:
9:00AM

STAFF CONTACT: Mike Lalbachan

AGENDA ITEM WORDING:

Approval to submit FY 2023 "Flood Mitigation Assistance (FMA) Swift Current" applications for Residential Elevation and Mitigation Reconstruction projects of approximately 11 privately owned properties with an estimated budget amount of $3,930,208.00 with homeowners providing the local match amount.

ITEM BACKGROUND:
The Department of Homeland Security (DHS) announced the availability of funding opportunities for the FY 2023 Flood Mitigation Assistance Swift Current to states, U.S territories, federally recognized Tribal government and local government to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does so by providing funding for mitigation opportunities immediately after a flood disaster event with the aim of delivering mitigation outcomes as quickly as possible.

This differs from the existing FMA grant opportunity, which has an annual grant cycle that funds a broader range of flood mitigation activities, which includes Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects and Individual Flood Mitigation Projects, through a competitive selection process. FMA Swift Current aims to streamline funding through disaster declaration and flood insurance claims-based eligibility criteria, minimized application periods, and narrowed project type eligibility to Individual Flood Mitigation Projects that are Severe Repetitive Loss, Repetitive Loss and Substantially Damaged.

For this announcement, FEMA allocated $300,000,000.00 for Individual Flood Mitigation Projects.

Staff received mitigation applications during the FY2022 and FY 2023 Flood Mitigation Assistance (FMA) grant cycles from property owners Countywide including incorporated cities and unincorporated

Monroe County. Some of the applications received in these years are Severe Repetitive and Repetitive Loss Structures, as a result, staff will submit the applications that meet the program requirement of; "Properties included in Individual Flood Mitigation Project sub-applications must be FMA and/or NFIP defined SRL properties, RL properties, or properties that were deemed Substantially Damaged after the applicant's disaster declaration date".

Staff will submit three (3) residential mitigation reconstruction properties with a total budget of $1,351,854.00 and nine (9) residential elevation properties with a total budget of $2,578,354.00.

The Florida Division of Emergency Management (FDEM) will be participating in the FMA Swift Current grant program. All sub-applications must be submitted to FDEM via the eGrants application system on or before March 15, 2024, at 5:00 p.m., Eastern Daylight Time (EDT).

If these applications are approved by FEMA and selected for grant award, the State (FDEM) will enter into a grant agreement with the County for administration of the program. Monroe County will then execute a homeowner agreement with each owner, to assist homeowners in implementing their projects. The County will request management costs to help implement these projects.

PREVIOUS RELEVANT BOCC ACTION:

On October 20, 2021, Monroe County BOCC granted approval to submit 2021 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

On October 19,2022, Monroe County BOCC granted approval to submit 2022 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

On July 19, 2023, Monroe County BOCC granted approval to submit applications for mitigation reconstruction and residential elevation for 34 privately owned properties under Hurricane Nicole (FEMA-4680-DR-FL).

MITIGATION GRANT FUNDING

Flood Mitigation Assistance Swift Current Grant Program
2023 Notice of Funding Opportunity

The FY 2023 Application Period is open for Flood Mitigation Assistance (FMA) Swift Current program, under the Federal Emergency Management Agency (FEMA). FEMA's Notice of Funding Opportunity (NOFO) is attached and can be found at www.grants.gov.

The Florida Division of Emergency Management (FDEM) will be participating in the FMA Swift Current grant program. All subapplications must be submitted to FDEM via the eGrants application system on or before March 15, 2024, at 5:00 p.m., Eastern Daylight Time (EDT). Only complete subapplications will be accepted and reviewed. More information about how to register in eGrants is attached. It is encouraged to register in eGrants as early as possible. Additional resources can be found on the FDEM Website Swift Current Page, including minimum programmatic, engineering, and environmental and historic preservation (EHP) requirements for elevation, acquisition, and mitigation reconstruction projects.

Subapplication Deadline:
March 15, 2024, 5:00 p.m. Eastern Daylight Time (EDT) in eGrants

FMA Swift Current Objectives:

The purpose of FMA Swift Current is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the National Flood Insurance Program (NFIP) following a flood-related disaster event, and to enhance community flood resilience within NFIP-participating communities.

FMA Swift Current Priorities:

FMA Swift Current funds Individual Flood Mitigation Projects (Residential Mitigation) for the following:

- Repetitive Loss (RL)
- Severe Repetitive Loss (SRL)
- Properties deemed Substantially Damaged (after the applicant's disaster declaration date – August 31, 2023)

Definitions for these terms can be found in the NOFO in Section C (Eligibility Information), Subsection 4 (Cost Share and Match).

PLEASE NOTE: All property owners must contact their local government to apply. All property owners must have had an active NFIP Flood Insurance Policy in effect on or before December 15, 2023 to be eligible for this funding opportunity.

Contact: If you have any questions about this program, please contact us at SwiftCurrent@em.myflorida.com

FY 2023 FMA Swift Current Notice of Funding Opportunity

eGrants Subapplication Process & Registration Guidance

Published February 12, 2024

The Department of Homeland Security (DHS)
Notice of Funding Opportunity (NOFO)
Fiscal Year 2023 Flood Mitigation Assistance Swift Current

SUMMARY OVERVIEW OF KEY INFORMATION FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) FLOOD MITIGATION ASSISTANCE (FMA) SWIFT CURRENT	
Program Overview	Fiscal Year 2023 Flood Mitigation Assistance (FMA) Swift Current aims to better align the delivery of FMA flood mitigation funding to the disaster survivor experience. The FMA grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[1] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does so with a recognition of the growing flood hazards associated with climate change,[2] and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future.
Goals and Objective	The purpose of FMA Swift Current is to reduce or eliminate the flood risk to NFIP-participating communities and repetitive flood damage to structures and buildings insured by the NFIP following a flood-related disaster event, and to enhance community flood resilience within NFIP-participating communities. It does so by providing funding for mitigation opportunities immediately after a flood disaster event with the aim of delivering mitigation outcomes as quickly as possible. This differs from the existing FMA grant opportunity, which has an annual grant cycle that funds a broader range of flood mitigation activities, which includes Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects and Individual Flood Mitigation Projects, through a competitive selection process. FMA Swift Current aims to streamline funding through disaster declaration and flood insurance claims based eligibility criteria, minimized application periods, and narrowed project type eligibility to Individual

[1] The term "federally recognized Tribal government," as used in this notice of funding opportunity, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).
[2] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system" (Fourth National Climate Assessment).

	Flood Mitigation Projects that are Severe Repetitive Loss, Repetitive Loss and Substantially Damaged.
Eligible Projects	The FMA Swift Current grant opportunity funds activities under Individual Flood Mitigation Projects.
Deadlines	NOFO Availability Window Start Date: 11/15/2023 NOFO Availability Window End Date: 1/15/2025 Disaster Declaration Deadline: 5/31/2024 Applicant Eligibility Period Start Date: Varies by applicant and dependent on disaster declaration date Application Submission Deadline: Varies by applicant; typically 120 calendar days after the applicant's eligibility period start date at 03:00:00 PM ET
Funding Amount	Available Funding for the NOFO: $300,000,000 for Individual Flood Mitigation Projects
Eligible Applicants	• States • District of Columbia • U.S. territories • Federally recognized Tribal governments
Cost Share	Individual Flood Mitigation Projects federal share options: • Up to 100% federal cost share funding for FMA defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3). Or • Up to 90% federal cost share funding for FMA defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7). Or • Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score is not less than 0.5001, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher federal cost share is not available.

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). The UEI number is issued by the SAM system. Requesting a UEI using Sam.gov can be found at: https://sam.gov/content/entity-registration.

Grants.gov registration information can be found at: https://www.grants.gov/web/grants/register.html.

Planned UEI Updates in Grant Application Forms:

> *On April 4, 2022, the Data Universal Numbering System (DUNS) Number was replaced by a new, non-proprietary identifier requested in, and assigned by, the System for Award Management (SAM.gov). This new identifier is the Unique Entity Identifier (UEI).*

Additional Information can be found on Grants.gov:

https://www.grants.gov/web/grants/forms/planned-uei-updates.html

10. Program Overview, Objectives, and Priorities

a. Overview

The Flood Mitigation Assistance (FMA) grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[3] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP) and within NFIP-participating communities. It does so with a recognition of the growing flood hazards associated with

[3] The term "federally recognized Tribal government," as used in this NOFO, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).

climate change,[4] anticipated growth of damage and repetitive losses due to flood, and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute, extreme weather events as well as chronic stressors that have been observed and are expected to increase in the future.

FY 2023 FMA Swift Current aims to better align the delivery of FMA flood mitigation funding to the disaster survivor experience. In FY 2023, funds will be made available on a rolling basis to states, territories, and federally recognized Tribal governments that receive a major disaster declaration for a flood-related disaster event and meet all other eligibility criteria. (Refer to Section C.1, Eligible Applicants). Flood-related disasters include coastal storms, hurricanes, remnants of hurricanes, and floods. Eligible activities in FMA Swift Current are Individual Flood Mitigation Projects, for example, structure elevation, property acquisition and structure demolition/relocation, dry floodproofing, and mitigation reconstruction. FMA Swift Current aims to streamline funding through disaster declaration and flood insurance claims based eligibility criteria, minimized application periods, and narrowed project type eligibility to Individual Flood Mitigation Projects that are Severe Repetitive Loss, Repetitive Loss and Substantially Damaged. This differs from the existing FMA grant opportunity, which has an annual grant cycle that funds a broader range of flood mitigation activities, which includes Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects and Individual Flood Mitigation Projects through a competitive selection process.

FEMA is offering tailored pre-application support to FMA Swift Current applicants and subapplicants for subapplication development. For more information about FMA Swift Current tailored pre-application support, contact your State Hazard Mitigation Officers, FEMA Regional Office, or Regional Tribal Liaison. Contact information can be found on the FEMA website at State Hazard Mitigation Officers | FEMA.gov and https://www.fema.gov/fema-regional-contacts.

FMA Swift Current aligns with the 2020-2024 DHS Strategic Plan through pursuing Goal 5: Strengthen Preparedness and Resilience. Specifically, Objective 5.1: Build a National Culture of Preparedness has several sub-objectives that the FMA Program supports. FMA Swift Current serves primarily to bolster Sub-Objective 5.1.1: Incentivize investments that reduce risk and increase pre-disaster mitigation, including expanding the use of insurance to manage risk through funding hazard mitigation projects, particularly ones that reduce risk to NFIP-insured structures. Additionally, FMA Swift Current's tailored pre-application support also contributes to other sub-objectives. It helps improve awareness initiatives to encourage public action to increase preparedness (Sub-Objective 5.1.2), uses lessons from past disasters and exercises to inform community investment decisions and anticipate challenges that may emerge during future disasters (Sub-Objective 5.1.3), and coordinates and guide continuity of operations activities through partnerships with government and non-government stakeholders

[4] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system." (Fourth National Climate Assessment)

(Sub-Objective 5.1.5).

The 2022-2026 FEMA Strategic Plan outlines a bold vision and three ambitious goals designed to address key challenges the agency faces during a pivotal moment in the field of emergency management: Goal 1 - Instill equity as a foundation of emergency management, Goal 2 - Lead the whole of community in climate resilience, and Goal 3 - Promote and sustain a ready FEMA and prepared nation. Most notably, the FMA program supports Objective 1.2: Remove barriers to FEMA programs through a people first approach, Objective 1.3: Achieve equitable outcomes for those we serve, and Objective 2.2: Build a climate resilient nation. FMA also supports the National Mitigation Investment Strategy and the FIMA FY 2021-2023 Mitigation Strategy by advancing mitigation investment to reduce risks posed by natural hazards and increasing the nation's resilience to natural hazards.

Awards made under this Notice of Funding Opportunity (NOFO) will be funded with funds appropriated by the Infrastructure Investment and Jobs Act (IIJA) Pub. L. No. 117-58, 135 Stat. 1387–1388 (2021) also known as the Bipartisan Infrastructure Law (BIL). The BIL is a once-in-a-generation investment in infrastructure, which will grow a more sustainable, resilient, and equitable economy by enhancing U.S. competitiveness, driving the creation of good-paying jobs with the free and fair choice to join a union, and ensuring stronger access to economic and environmental benefits for disadvantaged communities. The BIL appropriates billions of dollars to FEMA to promote resilient infrastructure, respond to the impacts of climate change, and equip our nation with the resources to combat its most pressing threats.

The BIL authorizes FMA to provide an increased federal cost share for an NFIP property that is located within a census tract with a Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score of not less than 0.5001, and the activity is funded by BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Refer to Section C.4, Cost Share or Match of this funding opportunity.

b. Objectives

The purpose of FMA Swift Current is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the NFIP following a flood-related disaster event, and to enhance community flood resilience within NFIP-participating communities.

c. Priorities

FMA Swift Current funds Individual Flood Mitigation Projects for Repetitive Loss (RL), Severe Repetitive Loss (SRL), or properties deemed Substantially Damaged after the applicant's disaster declaration date. (Definitions for these terms can be found in Section C Eligibility Information, Cost Share and Match of this funding opportunity).

In addition, FMA Swift Current aims to incentivize flood mitigation projects that will advance equity (see Executive Order 14091: Further Advancing Racial Equity and Support for Underserved Communities Through the Federal Government) and that will benefit disadvantaged communities as discussed in Executive Order (EO) 14008: Tackling the Climate Crisis at Home and Abroad. In implementing the Administration's Justice40

Initiative, established in EO 14008 and discussed in subsequent guidance, FMA Swift Current will be identifying a disadvantaged community, also referred to as a Justice40 community, using the Climate and Economic Justice Screening Tool (CEJST). Communities are considered disadvantaged communities if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of a federally recognized Tribal government. Further, all eligible Federally Recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land).[5] In addition, census tracts that are completely surrounded by disadvantaged communities, as described above, are also considered disadvantaged if they meet an adjusted low- income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. More information about the CEJST methodology, datasets, and downloadable files can be found on the CEJST website at https://screeningtool.geoplatform.gov.

11. Performance Measures

The following key performance indicators provide strategic and relevant information to decisionmakers and stakeholders about FMA Swift Current's progress and success toward achieving goals and objectives, and are based on measurable data that are available or could be feasibly collected:

- Total number of NFIP-insured properties selected that are FMA and/or NFIP defined Severe Repetitive Loss (SRL), Repetitive Loss (RL), and properties deemed Substantially Damaged after the applicant's disaster declaration date.
- Total federal cost share funding invested in or benefiting Justice40 Communities identified using version 1.0 of the Climate and Economic Justice Screening Tool (CEJST).
- Number of State, Local, Tribal, and Territorial Governments (SLTTs) that attended tailored pre-application support and outreach activities hosted by FEMA.
- Timeliness of obligation from the disaster declaration date.
- Total dollar amount of flood losses avoided in projects or communities funded by FMA Swift Current subapplications.

FEMA recognizes that many effective resilience solutions, such as nature-based solutions, yield critical benefits that are not monetizable. As such, FEMA notes that these key performance indicators are not determinative of whether an application to the FMA grant program is selected for funding.

FEMA will further assess the recipient's performance against the program objective during the award closeout process as outlined in Section F.3.c of this funding opportunity.

B. Federal Award Information

[5] See also M-23-09, available at https://www.whitehouse.gov/wp-content/uploads/2023/01/M-23-09_Signed_CEQ_CPO.pdf.

1. Available Funding for the NOFO: $300 million

FEMA will accept FY 2023 FMA Swift Current applications from November 15, 2023 until January 15, 2025 for applicants that receive a major disaster declaration for a flood-related disaster event between June 1, 2023 (backdated) and May 31, 2024 and meets the specified claims criterion. This is called the FMA Swift Current availability window.

During the FMA Swift Current availability window, the applicant's eligibility period begins 30 days after the applicant both receives a major disaster declaration for a flood-related disaster event between June 1, 2023 (backdated) and May 31, 2024 and meets the specified claims criterion. The eligibility period refers to the time that the applicant may submit subapplications to FMA Swift Current. The eligibility period start date will vary by applicant. Generally, the eligibility period is 120 calendar days. Upon FMA Swift Current activation, the application deadline date will be provided to the applicant. However, if the applicant has more than $1 million prior flood insurance claims in the previous year and the declared disaster results in 500 or more flood insurance claims for the applicant, their eligibility period is 150 calendar days. At the start of an applicant's eligibility period, FEMA will determine an allocation for that applicant (see Section B.1.a. Applicant Allocation below) Applicants must meet all other eligibility criteria to be eligible for FMA Swift Current funds.

An applicant and their subapplicants develop and submit subapplications to FEMA during the applicant's eligibility period. At the end of the applicant's eligibility period, the applicant's allocation will expire. Subapplications will be reviewed and awarded on a rolling basis, so subapplicants are also encouraged to submit their subapplications as soon as possible to expedite obligation.

Any remaining unused funds by an applicant after the applicant's eligibility period ends will be returned to the FY 2023 FMA Swift Current available funds.

FEMA will distribute the available FY 2023 FMA Swift Current funding amount and federal activity caps as follows until the total available funding amount is exhausted:

a.	**Applicant Allocation**	**Variable**	up to **$10 million** or up to **$20 million** or up to **$40 million** or up to **$5 million**

- The applicant allocation may be used for Individual Flood Mitigation Projects that mitigate the risk of flooding to NFIP-insured structures that are NFIP defined or FMA defined SRL or RL structures or are structures that have been deemed Substantially Damaged after the applicant's disaster declaration date.
- The applicant allocation determination may be up to **$10 million**, **$20 million,** or up to **$40 million,** or up to **$5 million.** All allocations require the applicants to have a major disaster declaration for a flood-related event between June 1, 2023 and May 31, 2024.

- If the applicant has at least $1 million in prior NFIP flood insurance claims from June 1, 2022 to the disaster declaration date, the applicant receives an allocation **up to $10 million**.
- If the applicant receives 500 or more NFIP flood insurance claims in the declared disaster, the applicant receives an allocation **up to $10 million**.
- If the applicant has at least $5 million in prior NFIP flood insurance claims from June 1, 2022 to the disaster declaration date, the applicant receives an allocation **up to $20 million**.
- If the applicant both has at least $1 million in prior NFIP flood insurance claims from June 1, 2022 to the disaster declaration date **AND** receives 500 or more NFIP flood insurance claims in the declared disaster, the applicant receives an allocation **up to $20 million.**
- If the applicant both has at least $5 million in prior NFIP flood insurance claims from June 1, 2022 to the disaster declaration date **AND** receives 500 or more NFIP flood insurance claims in the declared disaster, the applicant receives an allocation **up to $40 million.**
- If federally recognized Tribes and U.S. Territories do not meet the NFIP flood insurance claims-based allocation determination criteria above, then the Tribal and Territorial allocation is up to **$5 million**.
- The special consideration allocation is up to **$5 million**. This is made available to applicants that submit a request for special consideration for Swift Current to the FEMA Regional Administrator. The FEMA Regional Administrator will forward their recommendation to the FEMA Administrator for approval. (Refer to Section C.2.a.3. for more information.)

b. The FEMA Administrator may authorize the usage of additional BIL funding in the FY 2023 FMA Swift Current NOFO in accordance with NOFO goals and priorities.

c. FEMA shall make up to 10 percent of the available funding for Applicant Management Costs. For more information, see Section I, Management Costs.

d. For more information on FY 2023 FMA Swift Current funding priorities and eligible activities, see Section E, Application Review Information, Review, and Selection Process.

e. For more information about uses of assistance under FMA Swift Current, refer to FMA resources at https://www.fema.gov/grants/mitigation/floods/fma-resources. For information on how to submit various project types in Mitigation eGrants (MT eGrants), refer to https://www.fema.gov/grants/mitigation/mitigation-egrants-system-resources and Section D of this funding opportunity, Application and Submission Information, Submitting the Application in MT eGrants.

2. Projected Number of Awards: Variable

The number of projected awards is variable due to the unpredictable nature of major flood related disaster declarations across the nation in any given year.

3. Period of Performance: **36 months**

The Period of Performance (POP) is 36 months, starting on the date of the recipient's federal award. Any subsequent amendments to the federal award will not extend the POP unless explicitly stated.

Extensions to the period of performance are allowed. For additional information on period of performance extensions, please refer to Section H of this funding opportunity, Additional Information, Period of Performance Extensions.

FEMA awards under most programs, including this program, only include one budget period, so it will be same as the period of performance. *See* 2 C.F.R. § 200.1 for definitions of "budget period" and "period of performance."

4. Projected Period of Performance Start Date(s): **Will vary by award**

FEMA anticipates making awards on a rolling basis to applicants during each applicant's eligibility period.

5. Projected Period of Performance End Date(s): **36 months from date of award unless otherwise approved by FEMA**

6. Funding Instrument Type: **Grant**

C. Eligibility Information

1. Eligible Applicants

- States
- District of Columbia
- U.S. territories
- Federally recognized Tribal governments

Each eligible applicant shall designate one agency to serve as the applicant for FMA Swift Current funding. The designee is strongly encouraged to conduct outreach with disadvantaged communities as referenced in EO 14008 prior to and during the application process. Each applicant's designated agency may submit only one FMA grant application to FEMA.

Communities, including local governments, cities, townships, counties, special district governments, and Tribal governments who choose to apply as subapplicants are considered subapplicants and must submit subapplications to their applicant agency. Federally recognized Tribal governments who directly apply to FEMA for FMA Swift Current assistance will be considered applicants. Certain political subdivisions (for example, regional flood control districts or county governments) may apply and act as subapplicants if they are part of a community participating in the NFIP where the political subdivision

provides zoning and building code enforcement or planning and community development professional services for that community. Subapplications under which two or more entities would carry out the award are eligible, such as a multi-state or multi-Tribal initiative; however, only one entity may be the subapplicant with primary responsibility for carrying out the award. Contact information for the State Hazard Mitigation Officers) is provided on the FEMA website at State Hazard Mitigation Officers | FEMA.gov.

2. Applicant Eligibility Criteria

a. The applicant meets the FMA Swift Current activation criteria when:

1. The applicant receives a major disaster declaration for a flood-related disaster event between June 1, 2023, and the disaster declaration deadline of May 31, 2024. A flood-related disaster event includes coastal storms, hurricanes, remnants of hurricanes, and floods; and,
2. The applicant meets at least one of the three conditions or the special consideration:
   - The applicant has at least $1 million in prior NFIP flood insurance claims from June 1, 2022, to the disaster declaration date; **OR**
   - The applicant has 500 or more NFIP flood insurance claims in the declared flood-related disaster event; **OR**
   - The applicant is a U.S. territory or a federally recognized Tribal government[6] applying directly to FEMA.
   - Special Consideration: If the applicant receives a major disaster declaration for a flood-related disaster event between June 1, 2023 and May 31, 2024 but does not meet any of the three additional conditions listed above, the applicant may submit a request to their FEMA Regional Administrator (RA) for special consideration for FMA Swift Current within 30 days of the declared disaster. The applicant may submit a request to their FEMA Regional Administrator by contacting the Regional Office contact listed at https://www.fema.gov/fema-regional-contacts. By submitting a request for special consideration for FMA Swift Current, the applicant certifies that they have not been awarded FMA funding since FY 2018 FMA[7] and that any FMA Swift Current funding will align with the applicant's SRL, RL and SD plans and strategies. The FEMA Regional Administrator will review requests to confirm that the applicant and circumstance aligns with the Region's flood mitigation goals and will forward their recommendation to the FEMA Administrator for approval. If the

[6] If a federally recognized Tribal government is applying as a subapplicant to the state, the state is considered the applicant and must meet at least one of the claims-related FMA Swift Current activation criteria. (I.e., the applicant has at least $1 million in prior NFIP flood insurance claims from (June 1, 2022 to the disaster declaration date) or the applicant has 500 or more NFIP flood insurance claims in the declared flood-related disaster event).

[7] FMA selections refers to the selections made through the Flood Mitigation Assistance grant program that FEMA offers annually. More information about the FMA grant program can be found at https://www.fema.gov/grants/mitigation/floods. Applicants can verify previous FMA grant program selections status at https://www.fema.gov/grants/mitigation/flood-mitigation-assistance/after-you-apply/previous-fiscal-year-subapplication-statuses.

request for special consideration for FMA Swift Current is approved, FEMA will provide an allocation of up to $5 million.

b. All applicants and subapplicants must be participating in the NFIP, and not be withdrawn, on probation, or suspended. NFIP community status can be verified at https://www.fema.gov/national-flood-insurance-program-community-status-book.
c. Structures eligible for Individual Flood Mitigation Projects must have an NFIP policy (including a Group Flood Insurance Policy [GFIP]) in effect prior to the opening of the application period and the policy must be maintained throughout the life of the structure. The requirement of maintaining flood insurance shall apply during the life of the property, regardless of transfer of ownership of such property. If the subapplicant does not comply with this requirement, FEMA may take one or more actions as remedies for noncompliance, as appropriate. This could include disallowing all or part of the cost of the activity or action not in compliance. For additional details on NFIP requirements, see Title 44 of the Code of Federal Regulations (C.F.R.) § 77.6.
d. Applicants are required to have a FEMA-approved State Hazard Mitigation Plan in accordance with Title 44 of the (C.F.R.) Part 201 at the time of application and at the time of obligation of the award. More detailed information is provided in Part 4. Eligibility and Requirements, C. Hazard Mitigation Plan Requirements, of the 2023 Hazard Mitigation Assistance Program and Policy Guide available on the FEMA website at https://www.fema.gov/grants/mitigation/hazard-mitigation-assistance-guidance.
e. Subapplicants are required to have a FEMA-approved Local or Tribal Hazard Mitigation Plan in accordance with 44 C.F.R. Part 201 at the time of application and at the time of obligation of grant funds. Mitigation plan integration, while not required to be eligible for FMA, is encouraged. See section H.14 for additional information. Local hazard mitigation plans must conform to the Local Plan Review Guide, or any subsequent local mitigation planning guide that supersedes it.
f. To be considered for financial assistance, all applicants must submit their FY 2023 FMA Swift Current grant applications to FEMA via MT eGrants. Refer to Section D, Application and Submission Information of this funding opportunity.

3. Other Eligibility Criteria

a. Properties included in Individual Flood Mitigation Project subapplications must be FMA and/or NFIP defined SRL properties, RL properties, or properties that were deemed Substantially Damaged after the applicant's disaster declaration date.
b. All activities under FMA must be in conformance with all criteria established by FEMA that is specific to the proposed activity, found in the 2023 Hazard Mitigation Assistance Program and Policy Guide.
c. All Individual Flood Mitigation Project subapplications submitted as part of an FMA Swift Current grant application must be consistent with the goals and objectives identified in the current, FEMA-approved State or Tribal (Standard or Enhanced) Mitigation Plan and the local mitigation plan for the jurisdiction in which the project is located. Hazard Mitigation Plans should reflect state-wide mitigation priorities across all potential federal and non-federal mitigation funding sources.

d. On April 19, 2022, FEMA updated the State and Local Mitigation Planning Policy Guides (policies). On April 19, 2023, they went into effect. This means that all state and local mitigation plans must meet the updated requirements. For instance, it is required that state plans weigh equity and the impacts of climate change. FMA funding can be used for mitigation planning grants, with a focus on integrating equity, climate impacts, and floodplain management. For more information on funding and designing the mitigation planning process to integrate floodplain management planning and maximize Community Rating System Activity 510 points, refer to Mitigation Planning and the Community Rating System: Key Topics Bulletin (fema.gov), and the Local Hazard Mitigation Plan and Community Rating System Crosswalk Starter Kit in the Local Mitigation Planning Handbook (fema.gov). For more information on requirements for approved mitigation plans, States should refer to the State Mitigation Planning Policy Guide (FP 302-094-2, April 19, 2022). Local governments should refer to the Local Mitigation Planning Policy Guide (FP-206-21-0002, April 19, 2022). Tribal governments should refer to the Tribal Mitigation Plan Review Guide (December 2017) (https://www.fema.gov/sites/default/files/2020-06/fema-tribal-mitigation-plan-review-guide_12-05-2017.pdf).

e. All structure elevation, mitigation reconstruction, and dry floodproofing projects; and all projects where HMA funds are used for new construction, substantial improvement, or to address substantial damage to structures[8] must meet the minimum standards of FEMA's partial implementation of the Federal Flood Risk Management Standards (FFRMS).[9] Website

    1. If a state, local, Tribal, or territorial government, or federal agency has adopted a higher standard applicable to the specific project, FEMA will require the higher standard.[10]

f. See EO 14030, Climate-Related Financial Risk, FEMA Policy #-206-21-003-0001, Partial Implementation of the Federal Flood Risk Management Standard for Hazard Mitigation Assistance Programs, and the 2023 Hazard Mitigation Assistance Program and Policy Guide. Subapplicants can direct any questions about the proposed hazard mitigation project's location in the floodplain to their local floodplain manager and/or State Hazard Mitigation Officers. Contact information for the State Hazard Mitigation Officers s is provided on the FEMA website at http://www.fema.gov/state-hazard-mitigation-officers.

g. When eligible subapplications include an information technology or operational technology component as part of a larger project, FEMA will allow activities that enable greater community resilience through cybersecurity as eligible costs when those activities are performed in accordance with the cybersecurity performance goals for critical infrastructure and control systems directed by the National Security

---

[8] Refer to 44 C.F.R. § 9.4 for the definitions of "new construction" and "substantial improvement;" Refer to 44 C.F.R. § 59.1 for the definition of "substantial damage."

[9] Refer to the Hazard Mitigation Assistance Program and Policy Guide, Part 4, I. Federal Flood Risk Management Standards – Partial.

[10] Under 44 C.F.R. § 9.11(d)(6), no action may be taken if it is inconsistent with the criteria of the National Flood Insurance Program (44 C.F.R. part 59 et seq.) or any more restrictive Federal, State, or local floodplain management standards.

Presidential Memorandum on Improving Cybersecurity for Critical Infrastructure Control Systems, found at https://www.cisa.gov/control-systems-goals-and-objectives. Subapplicants should address cybersecurity in their planning, design, and project oversight for awards that include a technology nexus that may pose a cyber risk that would affect the reliability or operability of project.

h. FEMA encourages the use of environmentally friendly construction practices when completing FMA Swift Current mitigation projects.
    - When subapplications include the use of concrete or asphalt products, FEMA encourages the inclusion of low embodied carbon concrete and environmentally preferable asphalt.
    - Subrecipients should ensure that federally funded infrastructure investments reduce life cycle emissions of construction materials, specifically concrete, asphalt, and steel.
    - Subrecipients should request disclosure of Environmental Product Declarations (EPD) to evaluate and incentivize acquisition of these lower carbon materials.
    - Subrecipients are encouraged to prioritize the use of American-made, lower-carbon construction materials as referenced in the Federal Buy Clean Initiative.

i. FEMA encourages the use of nature-based solutions in FMA Swift Current mitigation projects.
    - Subrecipients can refer to resources such as FEMA's guide to *Building Community Resilience with Nature-Based Solutions* and the Federal Nature-Based Solutions Resource Guide to identify strategies for using nature-based solutions in ways that reduce future flood risk while simultaneously building resilience, reducing emissions, and delivering other co-benefits.
    - Nature-based solutions: are actions to protect, sustainably manage, or restore natural or modified ecosystems to address societal challenges, simultaneously providing benefits for people and the environment. Other terms for nature-based solutions include green infrastructure, natural and nature-based features, natural climate solutions, and natural infrastructure.

j. Subrecipients are encouraged to place publicly visible signage at sites where federal funding is being used for hazard mitigation projects, identifying the funding source of the project (Office of Management and Budget's February 24, 2023 Controller Alert, "CA-23-6, Enhancing Transparency Through Use of the Investing in America Emblem on Signs (UPDATED)). The cost of such signs is an eligible project cost. Subapplicants may request up to $5,000 per project for such costs. Requests for signage costs must be identified as a line item in the subapplication cost estimate. Project costs for signage are subject to the applicable cost-sharing requirements. The contents and other details of the signage must be in accordance with FEMA's signage guidance at https://www.fema.gov/grants/policy-guidance/bipartisan-infrastructure-law.

k. FEMA encourages applicants and subapplicants to leverage the Department of Labor's The Good Jobs Initiative. The Good Jobs Initiative is an initiative that provides critical information to workers, employers, and government agencies as they

work to improve job quality and create access to good jobs free from discrimination and harassment for all working people.

4. Cost Share or Match

Cost share is required for all subapplications funded under this program. FEMA may contribute the federal cost share funding if available, as follows:

i. Individual Flood Mitigation Projects federal cost share options and definitions:

a. Up to 100% federal cost share funding for FMA defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3), is a structure that:

i. Is covered under a contract for flood insurance made available under the NFIP; **and**

ii. Has incurred flood-related damage

1. ((B)(i)) For which four or more separate claims payments (includes building and contents) have been made under flood insurance coverage with the amount of each such claim exceeding $5,000, and with the cumulative amount of such claim payments exceeding $20,000, **or**

2. ((B)(ii)) For which at least two separate claims payments (includes only building) have been made under such coverage, with the cumulative amount of such claims exceeding the market value of the insured structure.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA SRL definition. Applicants and subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet the definition.

b. Up to 90% federal cost share funding for FMA defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7) is a structure covered by a contract for flood insurance made available under the NFIP that:

i. Has incurred flood-related damage on two occasions, in which the cost of the repair, on the average, equaled or exceeded 25 percent of the market value of the structure at the time of each such flood event; **and**

ii. At the time of the second incidence of flood-related damage, the contract for flood insurance contains Increased Cost of Compliance (ICC) coverage.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA RL definition. Applicants and

subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet this definition.

c. Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score that is not less than 0.5001, and for which the mitigation activity is funded by the Bipartisan Infrastructure Law (BIL). FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation, **or**

d. Up to 75% federal cost share funding if a higher federal cost share is not available.

To note, the Individual Flood Mitigation Project's Repetitive Loss (RL) 90% federal cost share and the Severe Repetitive Loss (SRL) 100% federal cost share options are only eligible for those NFIP properties meeting FMA definitions under 42 U.S.C. § 4104c(h)(3) and 42 U.S.C. § 4121(a)(7). These federal cost shares are not available for NFIP defined SRL and RL properties.

Generally, the cost share for this program is 75 percent federal cost share and 25 percent non-federal cost share. This means federal funding is available for up to 75 percent of eligible costs. The remaining 25 percent of eligible costs must be derived from non-federal sources. For example, if the total cost of the activity is $400,000 and the non-federal cost share is 25 percent, then the non-federal contribution is $100,000: 25 percent of $400,000 is $100,000. The non-federal contribution would be provided by the applicant or subapplicant. Likewise, the federal cost share of that activity would be $300,000: 75 percent of $400,000 is $300,000. The federal contribution would be provided by FEMA. FEMA may consider the non-federal cost share based on availability of remaining federal funds, as noted in Section E, Application Review Information.

As a result of FMA funding made available under the IIJA, FEMA may contribute up to 90 percent federal cost share for qualifying FY 2023 funding priorities and criteria. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Applicants and Subapplicants can determine their activities and projects' CDC SVI score by calculating the three SVI themes' averages using information on CDC/ATSDR Social Vulnerability Index webpage, https://www.atsdr.cdc.gov/placeandhealth/svi/index.html.

Structures with different federal cost-share requirements can be submitted in a single project subapplication. The overall project federal cost share documented in the Cost Share Section of the project subapplication should reflect the combined federal cost shares of the structures. For example, in an Individual Flood Mitigation Project subapplication, a project with $100,000 costs for one Severe Repetitive Loss structure funded at 100 percent federal cost share plus $100,000 costs for one Repetitive Loss structure funded at 90 percent federal cost share will have an overall project federal cost share of 95 percent, or $190,000, of the $200,000 total cost for both structures.

For insular areas (American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands), FEMA automatically waives the non-federal cost share for the recipient when the non-federal cost share for the entire award is under $200,000. If the non-federal cost share for the entire award is $200,000 or greater, FEMA may waive all or part of the non-federal cost share at the request of the recipient. The recipient may request 100 percent cost-share in its application.

The non-federal cost share may consist of cash, donated or third-party in-kind services, materials, or any combination thereof. Cash and third-party in-kind matches must consist of eligible costs (i.e., same eligibility as the federal share). Applicants cannot apply other federal award funds toward the non-federal cost share unless the other federal statutory authority allows the funds to be used to meet cost-share requirements. For example, FEMA's Safeguarding Tomorrow through Ongoing Risk Management Revolving Loan Fund (STORM RLF) Program loans may be eligible for non-federal cost share funding. For more information, visit the STORM RLF webpage at https://www.fema.gov/grants/mitigation/storm-rlf. In addition, in certain situations U.S. Department of Housing and Urban Development Community Development Block Grant Disaster Recovery (CDBG-DR) program funds, U.S. Small Business Administration Disaster Loans, United States Department of Agriculture Rural Development Single Family Direct Home Loans or Single-Family Repair Loans, the Department of Defense's Readiness and Environmental Protection Integration (REPI) program, and others may be used towards the non-federal match. Additionally, certain American Rescue Plan funds may be used as non-federal cost share as determined by the Department of Treasury.[11] Refer to the Hazard Mitigation Assistance Cost Share Guide for more information at https://www.fema.gov/sites/default/files/2020-08/fema_hma_cost-share-guide.pdf. FEMA encourages innovative use of public and private-sector partnerships to meet the non-federal cost share.

FMA Swift Current funding cannot be used as matching funds for another federal grant. Additionally, third-party in-kind matches used to meet the matching requirement may not be used to meet matching requirements for any other federal grant program.

Ultimately, the recipient is responsible for ensuring that it contributes the proper cost share to its actual project costs. If actual total project costs exceed the projected total project costs stated in the federal award, the recipient will not receive any additional federal funding and will be responsible for contributing additional funds above the required cost match. If actual total project costs are less than the projected total project costs stated in the federal award, the recipient will be responsible for contributing a cost match calculated as a percentage of those actual project costs.

---

[11] Treasury funds are available through the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program. According to U.S. Department of Treasury, the SLFRF program funds available under the "revenue loss" eligible use category (sections 602(c)(1)(C) and 603(c)(1)(C) of the Social Security Act) generally may be used to meet the non-federal cost-share or matching requirements of other federal programs. See Coronavirus State & Local Fiscal Recovery Funds: Overview of the Final Rule at https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-Overview.pdf.

More detailed information is provided in Part 4. Eligibility and Requirements, Section L: Cost Share, of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

D. Application and Submission Information

1. Key Dates and Times

FEMA will solicit applications for the FY 2023 FMA Swift Current program from November 15, 2023, until January 15, 2025 based on applicants who have experienced a major flood disaster between June 1, 2023 (going back in time) and May 31, 2024, and meet certain requirements. This is called the FMA Swift Current availability window and is different from the application submission deadline.

Each applicant's individual application submission deadline is determined by the date of the major disaster declaration for the flood-related event. See D.1.d. Eligibility Period Start Date below.

a. Availability Window Start Date:	***11/15/2023***
b. Availability Window End Date:	***1/15/2025***
c. Disaster Declaration Deadline:	***5/31/2024***

d. Eligibility Period Start Date — ***Varies by applicant***

The applicant eligibility period start date varies by applicant. The applicant's eligibility period starts 30 days after the applicant both receives a major disaster declaration for a flood-related event and meets the claims-related eligibility criterion. The applicant's eligibility period end date is the application submission deadline.

e. Application Submission Deadline: — ***Varies by applicant; 03:00:00 PM ET***

Upon FMA Swift Current activation, the eligibility period start date and application submission deadline date will be provided to the applicant.

I. Application Submission Deadline (General)

The application submission deadline varies by applicant. Typically, the applicant's application submission deadline is 120 calendar days after the eligibility period start date.

II. Application Submission Deadline (Exception)

The application submission deadline varies by applicant. If the applicant has more than $1 million prior flood insurance claims in the previous year and the declared disaster results in 500 or more flood insurance claims for the applicant, the applicant's application submission deadline is 150 calendar days after the eligibility period start date.

Applications will be reviewed for eligibility on a rolling timeline as they are submitted to FEMA. After the application submission deadline, the applicant's allocation will expire. Any

remaining funds will be available to future eligible applicants. For more information see Section E, Application Review Information, Review, and Selection Process.

All applications **must** be received by the established deadline. Please note that FEMA deadlines listed in this NOFO refer to application deadlines for the applicants. Subapplicants should consult with their applicant agency to confirm subapplication deadlines to the applicant if applicable.

FEMA will not review applications that are received after the deadline or consider these late applications for funding. FEMA may, however, extend the application deadline on request for any applicant who can demonstrate that good cause exists to justify extending the deadline. Good cause for an extension may include technical problems outside of the applicant's control that prevent submission of the application by the deadline, other exigent or emergency circumstances, or statutory requirements for FEMA to make an award.

Applicants experiencing technical problems outside of their control must notify FEMA as soon as possible and before the application deadline. Failure to timely notify FEMA of the issue that prevented the timely filing of the application may preclude consideration of the award. "Timely notification" of FEMA means: prior to the application deadline and within 48 hours after the applicant became aware of the issue.

A list of FEMA contacts can be found in Section G of this funding opportunity, "DHS Awarding Agency Contact Information." For programmatic or grants management questions, please contact your Program Analyst or Grants Specialist. If applicants do not know who to contact or if there are programmatic questions or concerns, please contact the FEMA Grants Information Desk by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

To be considered timely, an FMA Swift Current grant application must be submitted by the application deadline via FEMA's MT eGrants, and the applicant must have received a confirmation message in MT eGrants that indicates successful FMA Swift Current grant submission to FEMA. For additional information on how an applicant will be notified of application receipt, see the subsection titled "Timely Receipt Requirements and Proof of Timely Submission" in Section D of this NOFO.

f. Other Key Dates

Event	Suggested Deadline for Completion
Initial registration in SAM.gov includes UEI issuance	Four weeks before actual submission deadline
Obtaining a valid Employer Identification Number (EIN)	Four weeks before actual submission deadline
Creating an account with login.gov	Four weeks before actual submission deadline
Registering in SAM or Updating SAM registration	Four weeks before actual submission deadline
Registering in MT eGrants system	Four weeks before actual submission deadline

Event	Suggested Deadline for Completion
Submitting the final application in MT eGrants	By the submission deadline

2. **Agreeing to Terms and Conditions of the Award**
   By submitting an application, applicants agree to comply with the requirements of this NOFO and the terms and conditions of the award, should they receive an award.

3. **Address to Request Application Package**
   FEMA will only process applications received via MT eGrants.

   Information, training and resources on MT eGrants are available on the FEMA website at https://www.fema.gov/grants/mitigation/mitigation-egrants-system-resources (see section G, DHS Awarding Agency Contact Information, of this NOFO).

   Hard copies of the NOFO can be downloaded at Grants.gov or obtained via email from the Awarding Office points of contact listed in Section G of this NOFO, "DHS Awarding Agency Contact Information" or by TTY (800) 462-7585.

4. **Requirements: Obtain a Unique Entity Identifier (UEI) and Register in the System for Award Management (SAM)**
   Each applicant, unless they have a valid exception under 2 C.F.R. 25.110, must:
   1) Be registered in Sam.Gov before application submission.
   2) Provide a valid Unique Entity Identifier (UEI) in its application.
   3) Continue to always maintain an active System for Award Management (SAM) registration with current information during the Federal Award process.

5. **Steps Required to Obtain a Unique Entity Identifier, Register in the System for Award Management (SAM), and Submit an Application**
   Applying for an award under this program is a multi-step process and requires time to complete. Applicants are encouraged to register early as the registration process can take four weeks or more to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required submission deadlines.

   Please review the table above for estimated deadlines to complete each of the steps listed. Failure of an applicant to comply with any of the required steps before the deadline for submitting an application may disqualify that application from funding.

   To apply for an award under this program, all applicants must:

   a. Apply for, update, or verify their Unique Entity Identifier (UEI) number from SAM.gov and Employer Identification Number (EIN) from the Internal Revenue Service;
   b. In the application, provide an UEI number;
   c. Have an account with login.gov;

d. Register for, update, or verify their SAM account and ensure the account is active before submitting the application;
e. Create a Grants.gov account;
f. Add a profile to a Grants.gov account;
g. Establish an Authorized Organizational Representative (AOR) in Grants.gov;
h. Register in MT eGrants
i. Submit an initial application in Grants.gov;
j. Submit the final application in MT eGrants, including electronically signing applicable forms; and
k. Continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. As part of this, applicants must also provide information on an applicant's immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

Applicants are advised that FEMA may not make a federal award until the applicant has complied with all applicable SAM requirements. Therefore, an applicant's SAM registration must be active not only at the time of application, but also during the application review period and when FEMA is ready to make a federal award. Further, as noted above, an applicant's or recipient's SAM registration must remain active for the duration of an active federal award. If an applicant's SAM registration is expired at the time of application, expires during application review, or expires any other time before award, FEMA may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

Per 2 C.F.R. § 25.110(c)(2)(iii), if an applicant is experiencing exigent circumstances that prevents it from obtaining an UEI number and completing SAM registration prior to receiving a federal award, the applicant must notify FEMA as soon as possible by contacting fema-grants-news@fema.dhs.gov and providing the details of the circumstances that prevent completion of these requirements. If FEMA determines that there are exigent circumstances and FEMA has decided to make an award, the applicant will be required to obtain an UEI number, if applicable, and complete SAM registration within 30 days of the federal award date.

6. Electronic Delivery

DHS is participating in the Grants.gov initiative to provide the grant community with a single site to find and apply for grant funding opportunities. DHS encourages or requires applicants to submit their applications online through Grants.gov, depending on the funding opportunity.

For this funding opportunity, FEMA requires applicants to submit applications through MT eGrants.

7. How to Register to Apply

a. General Instructions:

Registering and applying for an award under this program is a multi-step process and requires time to complete. Read the instructions below about registering to apply for FEMA funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. To ensure an application meets the deadline, applicants are advised to start the required steps well in advance of their submission.

Organizations must have an UEI number, an EIN, an active System for Award Management (SAM) registration and Grants.gov account to apply for grants.

b. Obtain an UEI Number:
All entities applying for funding, including renewal funding, prior to April 4, 2022, must have a UEI number. Applicants must enter the UEI number in the applicable data entry field on the SF-424 form.

For more detailed instructions for obtaining a UEI number, refer to: Sam.gov.

c. Obtain Employer Identification Number
All entities applying for funding must provide an Employer Identification Number (EIN). The EIN can be obtained from the IRS by visiting: https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online.

d. Create a login.gov account:
Applicants must have a login.gov account in order to register with SAM or update their SAM registration. Applicants can create a login.gov account here: https://secure.login.gov/sign_up/enter_email?request_id=34f19fa8-14a2-438c-8323-a62b99571fd3.

Applicants only have to create a login.gov account once. For applicants that are existing SAM users, use the same email address for the login.gov account as with SAM.gov so that the two accounts can be linked.

For more information on the login.gov requirements for SAM registration, refer to: https://www.sam.gov/SAM/pages/public/loginFAQ.jsf.

e. Register with SAM:
All organizations applying online through Grants.gov must register with SAM. Failure to register with SAM will prevent your organization from applying through Grants.gov. SAM registration must be renewed annually. Organizations will be issued a UEI number with the completed SAM registration.

For more detailed instructions for registering with SAM, refer to: https://www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html.

Note: As a new requirement per 2 C.F.R. § 25.200, applicants must also provide the applicant's immediate and highest-level owner, subsidiaries, and predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

III. Additional SAM Reminders

Existing SAM.gov account holders should check their account to make sure it is "ACTIVE." SAM registration should be completed at the very beginning of the e and should be renewed annually to avoid being "INACTIVE." **Please allow plenty of time before the grant application submission deadline to obtain an UEI number and then to register in SAM. It may be four weeks or more after an applicant submits the SAM registration before the registration is active in SAM, and then it may be an additional 24 hours before FEMA's system recognizes the information.**

It is imperative that the information applicants provide is correct and current. Please ensure that your organization's name, address, and EIN are up to date in SAM and that the UEI number used in SAM is the same one used to apply for all other FEMA awards. Payment under any FEMA award is contingent on the recipient's having a current SAM registration.

IV. Help with SAM

The SAM quick start guide for new recipient registration and SAM video tutorial for new applicants are tools created by the General Services Administration (GSA) to assist those registering with SAM. If applicants have questions or concerns about a SAM registration, please contact the Federal Support Desk at https://www.fsd.gov/fsd-gov/home.do or call toll free (866) 606-8220.

f. Register in MT eGrants

Applicants must register in MT eGrants. For more information, see https://www.fema.gov/sites/default/files/2020-08/fema_mt-egrants-frequently-asked-questions_support_document_March_2018.pdf.

8. Submitting the Application in MT eGrants

Subapplicants must create project subapplications and submit them to their applicant organization. Subapplicants should contact their applicant agency for information specific to their State's application process. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/state-hazard-mitigation-officers. If a subapplicant does not use FEMA's grant application system to submit project subapplications to the applicant, then the applicant must enter the subapplication(s) into MT eGrants on the subapplicant's behalf.

Applicants must review and approve subapplications submitted by their subapplicants. Applicants must ensure that accurate NFIP policy numbers and RL numbers are included in

the Properties section of project subapplications in MT eGrants to be considered for competitive property flood mitigation project funding. For structures that are deemed Substantially Damaged after the applicant's disaster declaration date, applicants must include a certification that the structures meet these conditions.

Applicants must create an FMA grant application and approve the subapplications. The approved project and management costs subapplications may then be submitted and added to the grant application.

While FEMA will be reviewing and awarding projects on a rolling basis, applicants must rank all subapplications in MT eGrants.

Applicants will be prompted to submit the standard application information and any program-specific information required as described in Section D.10 of this funding opportunity, "Contentand Form of Application Submission." The Standard Forms (SF) may be accessed in the Forms tab under the SF-424 family on Grants.gov. Applicants should review these forms before applying to ensure they have all the information required.

After submitting the final application, MT eGrants will provide either an error message or a successfully received transmission in the form of an email sent to the user that submitted the application. Applicants using slow internet connections, such as dial-up connections, should be aware that transmission can take some time before MT eGrants receives your application.

For additional application submission requirements, including program-specific requirements, please refer to the subsection titled "Content and Form of Application Submission" under Section D of this NOFO.

9. Timely Receipt Requirements and Proof of Timely Submission

All applications must be completed in MT eGrants by the application deadline. MT eGrants automatically records proof of timely submission and the system generates an electronic date/time stamp when MT eGrants successfully receives the application. The individual with the Authorized Organization Representative (AOR) role that submitted the application will also receive the official date/time stamp and a MT eGrants tracking number in an email serving as proof of their timely submission on the date and time that MT eGrants received the application.

Applicants who experience system-related issues will be addressed until 03:00 PM ET, 48 hours before their application submission deadline. No new system-related issues will be addressed after this deadline. Applications not received by the application submission deadline will not be accepted.

10. Content and Form of Application Submission

a. Standard Required Application Forms and Information

The following forms or information are required to be submitted via MT eGrants. The Standard Forms (SF) are also available at https://www.grants.gov/web/grants/forms/sf-424-family.html. Applicants may require their subapplicants to complete and attach the grant

application and/or Assurance and Certifications forms to their subapplications in MT eGrants. Subapplicants should contact their applicant agency for information specific to their State/territory/tribe's application process. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/state-hazard-mitigation-officers.

- **SF-424, Application for Federal Assistance**
- **Grants.gov Lobbying Form, Certification Regarding Lobbying**
- **SF-424A, Budget Information (Non-Construction)**
  - **For construction under an award, submit SF-424C, Budget Information (Construction)**, in addition to or instead of SF-424A
- **SF-424B, Standard Assurances (Non-Construction)**
  - **For construction under an award, submit SF-424D, Standard Assurances (Construction)**, in addition to or instead of SF-424B
- **SF-LLL, Disclosure of Lobbying Activities**
- **Indirect Cost Agreement or Proposal** if the budget includes indirect costs and the applicant is required to have an indirect cost rate agreement or proposal. If the applicant does not have or is not required to have an indirect cost rate agreement or proposal, please see Section D.13 of this NOFO, "Funding Restrictions and Allowable Costs," for further information regarding allowability of indirect costs and whether alternatives to an indirect cost rate agreement or proposal might be available, or contact the relevant FEMA staff identified in Section G of this NOFO, "DHS Awarding Agency Contact Information" for further instructions.

Generally, applicants have to submit either the non-construction forms (i.e., SF-424A and SF-424B) or construction forms (i.e., SF-424C and SF-424D), meaning that applicants that only have construction work and do not have any non-construction work need only submit the construction forms (i.e., SF-424C and SF-424D) and not the non-construction forms (i.e., SF-424A and SF-424B), and vice versa. However, applicants who have both construction and non-construction work under this program need to submit both the construction and non-construction forms.

b. Program-Specific Required Forms and Information

The following program-specific forms or information are required to be submitted in MT eGrants.

Applicants may require their subapplicants to complete and attach the grant application and/or Assurance and Certifications forms to their Individual Flood Mitigation Project subapplications in MT eGrants.

Subapplicants should contact their applicant agency for information specific to their state/territory/federally recognized Tribal government's application process. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/state-hazard-mitigation-officers.

All applicants must submit an FMA grant application via MT eGrants by the application deadline to be considered for funding. The required format for applications and subapplications is built into MT eGrants:

- FMA applications including Individual Flood Mitigation Project and Management Costs subapplications must be submitted in an FY 2023 FMA Swift Current application.
    - Individual Flood Mitigation Project must be submitted in a project subapplication.
- Applicant Management Costs must be submitted in a management costs subapplication.

V. MANAGEMENT COSTS

Applicants are eligible to receive management costs consisting of a maximum of 10 percent of the project activities awarded to the State, each fiscal year under FMA Swift Current. These costs must be included in the application to FEMA.

A federally recognized Tribal government applying directly to FEMA is eligible for management costs consisting of a maximum of 10 percent of grants awarded for project activities under FMA Swift Current.

Subapplicants may include a maximum of 5 percent of the total funds requested for their subapplication for management costs to support the implementation of their project activity. These costs must be included in the subapplication to the State.

For additional information, please refer to Section D.13.c Management Costs.

11. Other Submission Requirements

a. Benefit-Cost Analysis for Mitigation Projects

Applicants and subapplicants applying for an Individual Flood Mitigation Project must provide a Benefit-Cost Analysis (BCA) or other documentation that validates cost-effectiveness. Management costs subapplications do not require a BCA. Applicants and subapplicants may use one of three standard approaches. In no case will FEMA award a hazard mitigation project that is not cost-effective.

i. **Streamlined cost-effectiveness determination method:** FEMA has established streamlined cost-effectiveness determination methods for some hazard mitigation projects and project types. Using one of these methods fulfills the cost-effectiveness requirement if the project meets applicable criteria.
    - For projects with a total cost of less than $1,000,000, the subapplicant may provide a narrative that includes qualitative and quantitative data demonstrating the benefits and cost-effectiveness of the project. Total project costs include all project costs, not just the federal share. Instructions for completing a cost-effectiveness narrative may be found on the FEMA BCA website. FEMA will validate the cost effectiveness and estimate a benefit cost ratio of the proposed project during its review.
    - Pre-calculated benefits are available for some project types, including acquisitions and elevations. Further details, including application submission requirements,

may be found in the HMA Policy and Program Guide and on the FEMA BCA website.

ii. **Benefit-Cost Analysis (BCA) Assistance:** FEMA will review hazard mitigation project subapplications during the pre-award process that are competitive and otherwise eligible for selection where a small and impoverished communities as defined in 44 C.F.R. 201.2., federally recognized Tribal government, or subapplication for a hazard mitigation project within or primarily benefiting a Community Disaster Resilience Zone (defined at 42 U.S.C. § 5136(a)(1)) is unable to calculate a BCR to demonstrate cost-effectiveness. FEMA may assist such communities with developing a BCA. Projects with a total cost of less than $1,000,000 that qualify for BCA Assistance under this provision are not required to submit a cost-effectiveness narrative. FEMA has additional guidance for this approach for selected subapplications that may qualify for this consideration. For more information see the FEMA BCA website.

iii. **Benefit-Cost Analysis (BCA):** If a streamlined cost-effectiveness determination method does not apply, a BCA is required to validate cost-effectiveness. FEMA has established a set discount rate of 3% to be used in a BCA for hazard mitigation projects for the FY 2023 BRIC and FMA cycles, including FMA Swift Current. FEMA's BCA Toolkit is available on the FEMA website at https://www.fema.gov/grants/tools/benefit-cost-analysis. Version 6.0 or newer are the only versions FEMA will accept as documentation for demonstrating cost-effectiveness. FEMA encourages the use of the BCA Toolkit to calculate the project BCR; however, applicants and subapplicants may also use a non-FEMA BCA methodology if pre-approved by FEMA in writing.
    - All projects not using a streamlined cost-effectiveness determination must demonstrate a BCR of 1.0 or greater to be eligible for funding.
    - Even if a streamlined cost-effectiveness determination method applies, applicants and subapplicants may use a BCA to show cost-effectiveness of a project.

Structure acquisitions and elevations located in the Special Flood Hazard Area (SFHA) may use pre-calculated benefits to determine cost effectiveness. The updated values for use of pre-calculated benefits to determine cost effectiveness of elevations and acquisitions in the SFHA are: $323,000 per structure for acquisitions and $205,000 per structure for Elevations (and Mitigation Reconstruction). These pre-calculated benefits for acquisition projects are recognized as helping support BCA eligibility for larger community relocation efforts. More detailed information about pre-calculated benefits and how they can be used is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_acquisition-elevation-precalculated-benefits-memo_092021.pdf.

Additionally, FEMA has determined that the acquisition of a structure designated as RL or SRL,[12] regardless of location within or outside of the SFHA, with total project costs less than

[12] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

or equal to $323,000 is considered cost-effective. As such, FEMA has expanded the use of pre-calculated benefits to include acquisition projects of RL and SRL properties outside the SFHA with a project cost less than or equal to the existing calculated threshold of $323,000.

More detailed information is available on the FEMA website at https://www.fema.gov/grants/guidance-tools/benefit-cost-analysis.

b. Acquisition Project Requirements

The subrecipient must provide FEMA with a signed copy of the Statement of Voluntary Participation for each property post-award. The Statement of Voluntary Participation formally documents the Notice of Voluntary Interest and information related to the purchase offer. The Statement of Voluntary Participation is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_form-ff-206-fy-21-124.pdf.

Subrecipients must apply deed-restriction language to all acquired properties to ensure that the property is maintained in perpetuity as open space consistent with the conservation of natural floodplain functions, as agreed to by accepting FEMA mitigation award funding. Deed-restriction language is applied to acquired properties by recording the open space and deed restrictions. The FEMA Model Deed Restriction is available on the FEMA website at https://www.fema.gov/sites/default/files/2020-08/fema_model-deed-restriction.pdf. Subrecipients, as well as recipients and FEMA are responsible for enforcing compliance with open space restrictions pursuant to 44 C.F.R. Part 80 requirements.

c. National Environmental Policy Act Requirements for Mitigation Projects

Applicants and subapplicants applying for hazard mitigation projects must provide information needed to comply with the National Environmental Policy Act (NEPA) (42 U.S.C. §§ 4321–4370h), the Council on Environment Quality's implementing regulations at 40 C.F.R. parts 1500-1508, and the related DHS and FEMA instructions and directives (i.e., DHS Directive 023-01, [13] DHS Instruction Manual 023-01-001-01,[14] FEMA Directive 108-1, [15] and FEMA Instruction 108-1-1,[16] which can be accessed at https://www.fema.gov/emergency-managers/practitioners/environmental-historic/laws/ehp-directive-instruction). The required information is included in the subapplication in MT eGrants. Environmental Planning and Historic Preservation (EHP) Job Aids and Supplements are available on the FEMA website at https://www.fema.gov/grants/guidance-tools/environmental-historic. The required information is included in the subapplication in MT eGrants.

12. Intergovernmental Review

[13] DHS Directive 023-01is titled Implementation of the National Environmental Policy Act.
[14] DHS Instruction Manual 023-01-001-01is titled Implementation of the National Environmental Policy Act (NEPA).
[15] FEMA Directive 108-1 is titled Environmental Planning and Historic Preservation Responsibilities and Program Requirements.
[16] FEMA Instruction 108-1-1is titled Instruction on Implementation of the Environmental Planning and Historic Preservation Responsibilities and Program Requirements.

An intergovernmental review may be required. Applicants must contact their state's Single Point of Contact (SPOC) to comply with the state's process under Executive Order 12372 (See https://www.archives.gov/federal-register/codification/executive-order/12372.html; www.whitehouse.gov/wp-content/uploads/2020/04/SPOC-4-13-20.pdf.

13. Funding Restrictions and Allowable Costs

All costs charged to awards covered by this NOFO must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements at 2 C.F.R. Part 200, unless otherwise indicated in the NOFO, or the terms and conditions of the award. This includes, among other requirements, that costs must be incurred, and products and services must be delivered, within the period of performance of the award. *See* 2 C.F.R. § 200.403(h) (referring to budget periods, which for FEMA awards is the same as the period of performance).

In general, the Cost Principles establish standards for the allowability of costs, provide detailed guidance on the cost accounting treatment of costs as direct or administrative costs, and set forth allowability principles for selected items of cost. More specifically, except as otherwise stated in this NOFO, the terms and condition of an award, or other program materials, costs charged to awards covered by this NOFO must be consistent with the Cost Principles for Federal Awards located at 2 C.F.R. Part 200, Subpart E. In order to be allowable, all costs charged to a FEMA award or applied to the cost share must be reasonable in nature and amount and allocable to the particular FEMA award.

Additionally, all costs charged to awards must comply with the grant program's applicable statutes, policies, requirements in this NOFO as well as with the terms and conditions of the award. If FEMA staff identify costs that are inconsistent with any of these requirements, these costs may be disallowed, and FEMA may recover funds as appropriate, consistent with applicable laws, regulations, and policies.

As part of those requirements, grant recipients and subrecipients may only use federal funds or funds applied to a cost share for the purposes set forth in this NOFO and the terms and conditions of the award, and those costs must be consistent with the statutory authority for the award.

Grant funds may not be used for matching funds for other federal grants/cooperative agreements, lobbying, or intervention in federal regulatory or adjudicatory proceedings. In addition, federal funds may not be used to sue the federal government or any other government entity.

Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high-cost items and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment and federal procurement requirements, please reference 2 C.F.R. Part 200, available at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl

More detailed information is available in the 2023 Hazard Mitigation Assistance Program and Policy Guide.

a. Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services

Recipients and subrecipients of FEMA federal financial assistance are subject to the prohibitions described in section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA), Pub. L. No. 115-232 (2018) and 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200. Beginning August 13, 2020, the statute – as it applies to FEMA recipients, subrecipients, and their contractors and subcontractors – prohibits obligating or expending federal award funds on certain telecommunications and video surveillance products and contracting with certain entities for national security reasons.

Guidance is available at FEMA Policy #405-143-1 - Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services

Additional guidance is available at Contract Provisions Guide: Navigating Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards (fema.gov).

Effective August 13, 2020, FEMA recipients and subrecipients **may not** use any FEMA funds under open or new awards to:

- Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
- Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
- Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

I. DEFINITIONS

Per section 889(f)(2)-(3) of the FY 2019 NDAA and 2 C.F.R. § 200.216, covered telecommunications equipment or services means:

i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
ii. For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);

iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or
iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the People's Republic of China.

Examples of the types of products covered by this prohibition include phones, internet, video surveillance, and cloud servers when produced, provided, or used by the entities listed in the definition of "covered telecommunications equipment or services." *See* 2 C.F.R. § 200.471.

b. Pre-Award Costs

Pre-award costs directly related to developing the FMA grant application or subapplication that are incurred prior to the date of the grant award are allowed subject to FEMA approval at time of award. Such costs may have been incurred prior to application submission, for example gathering data to be used for preparing environmental reviews required by NEPA or developing a BCA (see Section D, Application and Submission Information), preparing design specifications, or conducting workshops or meetings related to development and submission of subapplications. To be eligible for FMA funding, pre-award costs must be identified in the individual line item in the cost estimate of the subapplication.

Pre-award costs may be cost shared or applicants and subapplicants may identify them as their non-federal cost share (see Section C, Eligibility Information, Cost Share or Match).

Costs associated with implementation of proposed projects in the submitted grant application or subapplication that are incurred prior to the date of the grant award are not allowed. Activities initiated or completed prior to the date of the grant award are generally not eligible.

- However, per the Hazard Eligibility and Local Projects (HELP) Act, FEMA may provide assistance for certain acquisition and demolition projects when implementation started after January 3, 2023. In order to be eligible, the project must also: (1) qualify for a categorical exclusion under NEPA; (2) be compliant with applicable floodplain management and protection of wet land regulations and criteria; and (3) not require consultation under any other environmental or historic preservation law or regulation or involve any extraordinary circumstances. An entity seeking assistance under the HELP Act must comply with all other applicable HMA and federal requirements (see Pub. L. No. 117-332).

If any pre-award activities related to developing an FMA grant application or subapplication result in ground disturbance, the applicant or subapplicant must comply with all applicable federal, state, and local laws and regulations, and obtain any applicable environmental permits and clearances. The applicant or subapplicant must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, work will immediately cease, and the appropriate state authority will be notified.

Applicants and subapplicants who are not awarded awards or subawards will not receive reimbursement for the corresponding pre-award costs.

c. Management Costs

In addition to funding received as described in Section B.1, Available Funding for the NOFO, applicants and subapplicants are eligible to receive management costs (direct and indirect administrative costs pursuant to 2 C.F.R. Part 200, Subpart E).

Subapplicants may submit up to 5% of the total budget of the subapplication for management costs. The total budget refers to the sum of non-federal and federal shares of the proposed subapplication. Subapplicants must use subapplicant management costs to manage their subaward activities. Subapplicant management costs will not exceed 5% of the total subapplication budget. Subapplicant management cost activities must be added to the Scope of Work section and identified in the Cost Estimate section of subapplications in MT eGrants.

Applicants may submit up to 10% of the application budget (with the total budget including subapplicant management costs) for applicants to administer and manage award and subaward activities. Applicants' management costs will be calculated using the total sum of all non-federal and federal cost shares (the composite of all projects' cost share). FEMA will verify and calculate the management costs based on the applications and subapplications final selections.

Applicant requests for management costs must be submitted in a separate management costs subapplication in MT eGrants (see Section D, Application and Submission Information, Content and Form of Application Submission).

The subapplicant management costs (up to 5%) must be added to the subapplication total budget prior to the calculation of the applicant management costs (up to 10%). Applicant management costs will not exceed 10% of the total application budget.

If the applicant is also implementing the award as the subapplicant, the applicant is allowed to claim subapplicant (up to 5%) and applicant management costs (up to 10%). Uses of the applicant management costs must be distinct from subapplicant management costs and must adhere to the stated uses, even if being used by the same entity. The total management costs still will not exceed 15% of the total award. Management costs are governed by 44 C.F.R. Part 77. Management costs are any indirect costs, any direct administrative costs, and other administrative expenses that are reasonably incurred in administering an award or subaward. Eligible applicant or subapplicant management cost activities may include:

- Solicitation, review, and processing of subapplications and subawards
- Subapplication development and technical assistance to subapplicants regarding feasibility and effectiveness and BCA
- Geocoding hazard mitigation projects identified for further review by FEMA
- Delivery of technical assistance (e.g., plan reviews, planning workshops, training) to support the implementation of hazard mitigation activities
- Managing awards (e.g., quarterly reporting including closeout)
- Technical monitoring (e.g., site visits, technical meetings)

- Purchase of equipment, per diem and travel expenses, and professional development that is directly related to the implementation of HMA programs
- Staff salary costs directly related to performing the activities listed above

d. Indirect Facilities & Administrative (F&A) Costs

Indirect costs of administering the FMA program are eligible as part of the 10 percent management costs for the recipient or the 5 percent management costs of the subrecipient, but in no case do they make the recipient eligible for additional management costs that exceed the statutory caps. In addition, all costs must be in accordance with the provisions of 2 C.F.R. parts 200 and 3002.

Indirect costs are allowable under this program as described in 2 C.F.R. Part 200, including 2 C.F.R. § 200.414. Applicants with a current negotiated indirect cost rate agreement that desire to charge indirect costs to an award must provide a copy of their negotiated indirect cost rate agreement at the time of application. Not all applicants are required to have a current negotiated indirect cost rate agreement. Applicants that are not required by 2 C.F.R. Part 200 to have a negotiated indirect cost rate agreement but are required by 2 C.F.R. Part 200 to develop an indirect cost rate proposal must provide a copy of their proposal at the time of application. Applicants who do not have a current negotiated indirect cost rate agreement (including a provisional rate) and wish to charge the de minimis rate must reach out to the, Grants Management Specialist for further instructions. Applicants who wish to use a cost allocation plan in lieu of an indirect cost rate must also reach out to the Grants Management Specialist for further instructions.

Subapplicants are not required to submit negotiated indirect cost rate agreements or proposals directly to FEMA, but they may need to submit them to the applicable applicants per 2 C.F.R. § 200.332.

E. Application Review Information

1. Application Evaluation Criteria

a. Programmatic Criteria

FEMA will review subapplications submitted by each applicant to ensure:

- Eligibility of the applicant and subapplicant;
- Eligibility of proposed activities and costs;
- Completeness of the subapplication;
- Cost-effectiveness, alternative cost-effectiveness, and engineering feasibility of mitigation projects; or expected savings to the National Flood Insurance Fund (NFIF) from expected avoided damages through acquisition or relocation activity;
- Eligibility and availability of non-federal cost share;
- Alignment with approved State Mitigation Plan and Local and/or Tribal Hazard Mitigation Plan;
- Conformance with all applicable Federal, State, Tribal and local environmental and historic preservation laws and regulations;

- Proposed project will solve a problem independently, or constitute a functional portion of a long-term solution where there is assurance that the project will be completed; and
- Requested funds do not duplicate benefits available from another source for the same purpose or assistance that another federal agency or program has more primary authority to provide.

For more detailed information, see the 2023 Hazard Mitigation Assistance Program and Policy Guide.

b. Financial Integrity Criteria

Prior to making a federal award, FEMA is required by 31 U.S.C. § 3354, as enacted by the Payment Integrity Information Act of 2019, Pub. L. No. 116-117 (2020); 41 U.S.C. § 2313; and 2 C.F.R. § 200.206 to review information available through any Office of Management and Budget (OMB)-designated repositories of governmentwide eligibility qualification or financial integrity information, including whether the applicant is suspended or debarred. FEMA may also pose additional questions to the applicant to aid in conducting the pre-award risk review. Therefore, application evaluation criteria may include the following risk-based considerations of the applicant:

i. Financial stability.
ii. Quality of management systems and ability to meet management standards.
iii. History of performance in managing federal award.
iv. Reports and findings from audits.
v. Ability to effectively implement statutory, regulatory, or other requirements.

c. Supplemental Financial Integrity Criteria and Review

Prior to making a federal award where the anticipated total federal share will be greater than the simplified acquisition threshold, currently $250,000:

i. FEMA is required to review and consider any information about the applicant, including information on the applicant's immediate and highest-level owner, subsidiaries, and predecessors,[17] if applicable, that is in the designated integrity and performance system accessible through the System for Award Management (SAM), which is currently the Federal Awardee Performance and Integrity Information System (FAPIIS).

ii. An applicant, at its option, may review information in FAPIIS and comment on any information about itself that a federal awarding agency previously entered.

iii. FEMA will consider any comments by the applicant, in addition to the other information in FAPIIS, in making a judgment about the applicant's integrity,

[17] As defined in 2 C.F.R. Part 25, specifically § 25.447: Predecessor means a non-federal entity that is replaced by a successor and includes any predecessors of the predecessor.

business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 C.F.R. § 200.206.

2. Review and Selection Process

a. Selection

FEMA will select eligible subapplications up to at least the available funding amount of **$300 million**. The FEMA Administrator may authorize the usage of additional BIL funding to increase funding of FMA Swift Current.

All identified properties in a subapplication must be NFIP defined or FMA defined SRL, RL, or deemed Substantially Damaged after the applicant's disaster declaration date, as referenced in Section C.3 Other Eligibility Criteria. If a subapplication includes a property that is not SRL, RL, or deemed Substantially Damaged as of the applicant's disaster declaration date, FEMA will remove the property from the subapplication prior to selection.

FEMA may lower the priority of subapplications where the average elevation federal cost share is greater than $250,000 for all single dwelling units or the average acquisition federal cost share is greater than $750,000 for all single dwelling units.

FEMA may increase the priority of properties from subapplications if the building value of a single-family dwelling is less than $750,000, according to best available data, to ensure maximization of the number of NFIP-insured properties selected for mitigation projects in accordance with 44 C.F.R. § 77.4(a). To determine the building value of a single-family dwelling, homeowners can refer to the Replacement Cost Value (RCV)[18] documented in the most recent claim. If no RCV is provided, then homeowners can refer to the Actual Cash Value (ACV)[19] as documented on the most recent claim. If an RCV or ACV for the structure is not available or includes errors, FEMA will evaluate properties on a case-by-case basis for removal from the subapplication.

If the structure does not have an RCV, then FEMA will consider the Actual Cash Value (ACV) of the structure, as listed on the most current claim of the property. If the structure has neither RCV nor ACV, FEMA will consider the assessed market value.

Subapplications will be reviewed and selected on a rolling basis as subapplications are submitted to FEMA during the applicant's eligibility period.

At the end of the applicant's eligibility period, the applicant allocation will expire. At this time, any unused funds within the applicant allocation that are not tied to projects identified for further review will be returned to FY 2023 FMA Swift Current available funds.

[18] The cost to replace property with the same kind of material and construction without deduction for depreciation.
[19] The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.

Sec. 223 from Executive Order 14008: "Tackling the Climate Crisis at Home and Abroad" establishes the Justice40 Initiative, which sets a goal that 40 percent of the overall benefits of certain Federal investments flow to disadvantaged communities. Pursuant to this effort and to maximize the number of NFIP-insured properties receiving assistance in accordance with 44 C.F.R. § 77.4(a), FEMA will use the Climate and Economic Justice Screening Tool (CEJST) to identify properties located in a Justice40 community, also referred as a disadvantaged community, in order to prioritize assistance for those communities. Applicants and subapplicants should also undertake ongoing and meaningful community engagement in the implementation of Justice40 to identify and design efforts that will prioritize and maximize benefits for disadvantaged communities through the implementation of these projects. To help realize these benefits, applicants and subapplicants could also consider including local and economic hiring practices or contracting with small, disadvantaged businesses rooted in disadvantaged communities to help implement the work that will be conducted.

FEMA may select a subapplication out of prioritized order or rolling order based on one or more of the following factors:

- Availability of funding
- Duplication of subapplications
- Program priorities and policy factors
- Other pertinent information, such as flood insurance claims history, substantial damage status, structure value, etc.

Subapplications that have made it through the selections process but will not be funded due to the limited availability of FMA funding may be reviewed by other FEMA grant programs for eligibility and alternative funding. Additional information may be requested to ensure all applicable programmatic eligibility criteria are met.

b. Selection Status

After the review has been completed as described in Section E, Application Review Information, FEMA will designate the selected project subapplications as one of the following three statuses:

- **Identified for Further Review (IFFR)** – Applicants with project subapplication(s) that are Identified for Further Review that submitted a management costs subapplication in their FMA grant application (see Section D.9 Content and Form of Application Submission) are eligible to receive applicant management costs not to exceed 10 percent of the selected project subapplications.

- **Not Selected** – This means the subapplication is eligible but was not selected due to a lack of available funding under the applicable subtotals.

- **Does Not Meet HMA Requirements –** This means the subapplication does not satisfy the eligibility and completeness requirements.

c. Request for Reconsideration

At its discretion, and at the request of the applicant or subapplicant (through the applicant), FEMA may reconsider a decision regarding any subapplication that is Not Selected or Does Not Meet HMA Requirements only where there is an indication of substantive technical or procedural error that may have influenced FEMA's decision. There will be no reconsideration regarding the amount of applicant management costs. Applicants must send requests for reconsideration based on technical or procedural error to the FEMA Regional Office within 60 days of the posting of subapplication status. Subapplicants should contact their applicant agency regarding reconsideration requests, so that the applicant may submit it to the FEMA Regional Office on their behalf. Contact information for each State Hazard Mitigation Officer is provided at State Hazard Mitigation Officers | FEMA.gov.

The FEMA Regional Office will review reconsideration requests received from applicants and submit the Regional recommendation to FEMA Headquarters. FEMA Headquarters will make a final determination to overturn or uphold the original decision and send the response to the applicant.

Prior to making an award, FEMA will evaluate applicants to determine the level of risk when there is a history of failure to comply with general or specific terms and conditions of a federal award or failure to meet the expected performance goals. If FEMA determines that a federal award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award, as specified in Part VI, Section B: Risk Assessment Prior to PDM and FMA award, of the 2023 Hazard Mitigation Assistance Program and Policy Guide,

F. Federal Award Administration Information

1. Notice of Award

Before accepting the award, recipient should carefully read the award package. The award package includes instructions on administering the grant award and the terms and conditions associated with responsibilities under federal awards. **Recipients must accept all conditions in this NOFO as well as any specific terms and conditions in the Notice of Award to receive an award under this program.**

FEMA will provide the federal award package to the applicant electronically via MT eGrants. Award packages include an Award Letter, Summary Award Memo, Agreement Articles, and Obligating Document. An email notification of the award package will be sent through MT eGrants.

Recipients must accept their awards no later than 30 days from the award date. The recipient shall notify FEMA of its intent to accept and proceed with work under the award through the MT eGrants system.

Funds will remain on hold until the recipient accepts the award through the MT eGrants system and all other conditions of the award have been satisfied or until the award is otherwise rescinded. Failure to accept a grant award within the specified timeframe may result in a loss of funds.

When FEMA obligates funds for a grant to an applicant, the applicant and subapplicant are denoted as recipient and subrecipient, respectively. The recipient and subrecipient agree to

abide by the grant award term and conditions as set forth in the Articles of Agreement provided in the award package. Recipients must accept all conditions in this NOFO as well as any Special Terms and Conditions.

FEMA or DHS may initiate a formal evaluation of programs, projects, or activities supported by this grant. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant (such as property owners), and providing access to program operating personnel and participants, as specified by the evaluator(s), including after the POP.

2. Administrative and National Policy Requirements

In addition to the requirements of in this section and in this NOFO, FEMA may place specific terms and conditions on individual awards in accordance with 2 C.F.R. Part 200.

a. DHS Standard Terms and Conditions

All successful applicants for DHS grant and cooperative agreements are required to comply with DHS Standard Terms and Conditions, which are available online at: DHS Standard Terms and Conditions.

The applicable DHS Standard Terms and Conditions will be those in effect at the time the award was made. What terms and conditions will apply for the award will be clearly stated in the award package at the time of award.

b. Ensuring the Protection of Civil Rights

As the Nation works towards achieving the National Preparedness Goal, it is important to continue to protect the civil rights of individuals. Recipients and subrecipients must carry out their programs and activities, including those related to the building, sustainment, and delivery of core capabilities, in a manner that respects and ensures the protection of civil rights for protected populations.

Federal civil rights statutes, such as Section 504 of the Rehabilitation Act of 1973 and Title VI of the Civil Rights Act of 1964, along with FEMA regulations, prohibit discrimination on the basis of race, color, national origin, sex, religion, age, disability, limited English proficiency, or economic status in connection with programs and activities receiving federal financial assistance from FEMA.

The DHS Standard Terms and Conditions include a fuller list of the civil rights provisions that apply to recipients. These terms and conditions can be found in the DHS Standard Terms and Conditions. Additional information on civil rights provisions is available at https://www.fema.gov/about/offices/equal-rights/civil-rights.

Monitoring and oversight requirements in connection with recipient compliance with federal civil rights laws are also authorized pursuant to 44 C.F.R. Part 7.

In accordance with civil rights laws and regulations, recipients and subrecipients must ensure the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment.

c. Environmental Planning and Historic Preservation (EHP) Compliance

As a federal agency, FEMA is required to consider the effects of its actions on the environment and historic properties to ensure that all activities and programs funded by FEMA, including grant-funded projects, comply with federal EHP laws, Executive Orders (EO), regulations, and policies, as applicable.

All FEMA actions, including grant-funded actions, must comply with National Flood Insurance Program criteria or any more restrictive federal, state, or local floodplain management standards or building code (44 C.F.R. § 9.11(d)(6)).

All FEMA-funded non-critical actions in 1% annual chance floodplains (also known as 100-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated or floodproofed, at a minimum, to the lower of:

- Two feet above the 1% annual chance flood elevation (also known as the base flood elevation), in accordance with the Federal Flood Risk Management Standard (FFRMS) "Freeboard Value Approach" (FVA); or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least two feet above the 1% annual chance flood elevation.

All FEMA-funded critical actions in 1% annual chance floodplains or 0.2% annual chance floodplains (also known as 500-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated, at a minimum, to the higher of:

- Three feet above the 1% annual chance flood elevation; or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least three feet above the 1% annual chance flood elevation.

See Executive Order 11988, *Floodplain Management*, as amended by Executive Order 13690, *Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input,* and the 2023 Hazard Mitigation Assistance Program and Policy Guide.

Recipients and subrecipients proposing projects that have the potential to impact the environment, including, but not limited to, the construction of communication towers, modification or renovation of existing buildings, structures, and facilities, or new construction including replacement of facilities, must participate in the FEMA EHP review process. The EHP review process involves the submission of a detailed project description along with any supporting documentation requested by FEMA in order to determine whether the proposed project has the potential to impact environmental resources or historic properties.

In some cases, FEMA is also required to consult with other regulatory agencies and the public in order to complete the review process. Federal law requires EHP review to be completed before federal funds are released to carry out proposed projects. FEMA may not be able to fund projects that are not incompliance with applicable EHP laws, regulations Executive Orders, and policies.

DHS and FEMA EHP policy is found in directives and instructions available on the FEMA.gov EHP page, the FEMA website page that includes documents regarding EHP responsibilities and program requirements, including implementation of the National Environmental Policy Act and other EHP laws, regulations, and Executive Orders. Individual FEMA programs have separate procedures to conduct and document EHP review. Guidance for individual grant programs is available from applicable program offices.

Presidential EO 11988: Floodplain Management and EO 11990: Protection of Wetlands require that all federal actions in or affecting the floodplain or wetlands be reviewed for opportunities to relocate, and be evaluated for social, economic, historical, environmental, legal and safety considerations. FEMA's regulations at 44 C.F.R. Part 9 implement the EOs and require an 8-step review process if a proposed action is located in a floodplain or wetland consistent with 44 C.F.R. § 9.6.

The regulation also requires that the federal agency provide public notice of the proposed action at the earliest possible time to provide the opportunity for public involvement in the decision-making process (44 C.F.R. § 9.8). Where there is no opportunity to relocate the federal action, FEMA is required to undertake a detailed review to determine what measures can be taken to minimize future damages to the floodplain or wetland.

Through this NOFO, FEMA is giving notice of projects that may be funded under the FMA program, consistent with the requirements of Section 9.8. The public is invited to participate in the process of identifying alternatives to locating a proposed project in the floodplain or wetland and analyzing the impacts of the alternatives on the floodplain or wetland. Comments may be provided by emailing ehphelpline@fema.dhs.gov within 15 days of its issuance. While analyzing alternatives, FEMA may determine there are no practicable alternatives to carrying out the proposed work within the floodplain or wetland. Relocating facilities may not be practicable and would adversely impact affected communities socially and economically.

In addition, no alternative actions may be practicable that serve the same purpose and have less potential to affect or be affected by the floodplain. The no action option would not be appropriate as it would fail to meet the purpose and need of the community. In the course of developing project proposals, subsequent public notices will be published, if necessary, as more specific information becomes available.

d. Construction Project Requirements

Acceptance of federal funding requires FEMA, the recipient, and any subrecipients to comply with all federal, state, and local laws and regulations prior to the start of any construction activity. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding. Also:

- Any change to the approved scope of work will require re-evaluation by FEMA for compliance with the NEPA and other laws and Executive Orders.
- If ground-disturbing activities occur during construction, the recipient and any subrecipients must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, the subrecipient will immediately cease construction in that area and notify the recipient and FEMA.
    - All mitigation projects must be in conformance with flood insurance requirements. This means that: (a) the project must be in a jurisdiction participating in the National Flood Insurance Program (NFIP); and (b) the property owner(s) must obtain and maintain NFIP flood insurance policy for the life of the structure, regardless of transfer of ownership, in an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the mitigated property, whichever is less.

3. Reporting

Recipients are required to submit various financial and programmatic reports as a condition of award acceptance. Future awards and funds drawdown may be withheld if these reports are delinquent.

a. Financial Reporting Requirements

I. Federal Financial Report (FFR)

Recipients must report obligations and expenditures through the FFR form (SF-425) to FEMA.

Recipients may review the Federal Financial Reporting Form (FFR) (SF-425) at https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1

Recipients must file the FFR electronically using the Payment and Reporting Systems (PARS).

II. FFR Reporting Periods and Due Dates

An FFR must be submitted quarterly throughout the POP, including partial calendar quarters, as well as in periods where no grant award activity occurs. The final FFR is due within 120 calendar days after the end of the POP. Future awards and fund drawdowns may be withheld if these reports are delinquent, demonstrate lack of progress, or are insufficient in detail.

Except for the final FFR due at 120 days after the end of the POP for purposes of closeout, the following reporting periods and due dates apply for the FFR:

Reporting Period	Report Due Date
October 1 – December 31	January 30
January 1 – March 31	April 30

April 1 – June 30	July 30
July 1 – September 30	October 30

b. Programmatic Performance Reporting Requirements

I. PERFORMANCE PROGRESS REPORT (PPR)

In addition to the FFR reports, Recipients must report on the progress of the grant on a quarterly basis to DHS/FEMA using the Quarterly Performance Report in MT eGrants. The Quarterly Performance Reports must be submitted electronically in FEMA's grant application system throughout the period of performance, even for periods where no grant Award activity occurs. Reports are due within 30 days from the end of the first federal quarter following the initial grant Award and within 30 days after every subsequent quarter until the grant ends.

c. Closeout Reporting Requirements

I. CLOSEOUT REPORTING

Within 120 calendar days after the end of the period of performance for the prime award or after an amendment has been issued to close out an award before the original POP ends, recipients must liquidate all financial obligations and must submit the following:

i. The final request for payment, if applicable.
ii. The final FFR (SF-425).
iii. The final progress report detailing all accomplishments, including a narrative summary of the impact of those accomplishments throughout the period of performance.
v. Other documents required by this NOFO, terms and conditions of the award, or other FEMA guidance.

In addition, pass-through entities are responsible for closing out their subawards as described in 2 C.F.R. § 200.344; subrecipients are still required to submit closeout materials within 90 calendar days of the period of performance end date. When a subrecipient completes all closeout requirements, pass-through entities must promptly complete all closeout actions for subawards in time for the recipient to submit all necessary documentation and information to FEMA during the closeout of the prime award.

After the prime award closeout reports have been reviewed and approved by FEMA, a closeout notice will be completed to close out the grant. The notice will indicate the period of performance as closed, list any remaining funds that will be deobligated, and address the requirement of maintaining the grant records for at least three years from the date of the final FFR. The record retention period may be longer, such as due to an audit or litigation, for equipment or real property used beyond the period of performance, or due to other circumstances outlined in 2 C.F.R. § 200.334.

The recipient is responsible for refunding to FEMA any balances of unobligated cash that FEMA paid that are not authorized to be retained per 2 C.F.R. § 200.344(d).

II. ADMINISTRATIVE CLOSEOUT

Administrative closeout is a mechanism for FEMA to unilaterally move forward with closeout of an award using available award information in lieu of final reports from the recipient per 2 C.F.R. § 200.344(h)-(i). It is a last resort available to FEMA, and if FEMA needs to administratively close an award, this may negatively impact a recipient's ability to obtain future funding. This mechanism can also require FEMA to make cash or cost adjustments and ineligible cost determinations based on the information it has, which may result in identifying a debt owed to FEMA by the recipient.

When a recipient is not responsive to FEMA's reasonable efforts to collect required reports needed to complete the standard closeout process, FEMA is required under 2 C.F.R. § 200.344(h) to start the administrative closeout process within the regulatory timeframe. FEMA will make at least three written attempts to collect required reports before initiating administrative closeout. If the recipient does not submit all required reports in accordance with 2 C.F.R. § 200.344, this NOFO, and the terms and conditions of the award, FEMA must proceed to administratively close the award with the information available within one year of the period of performance end date. Additionally, if the recipient does not submit all required reports within one year of the period of performance end date, per 2 C.F.R. § 200.344(i), FEMA must report in FAPIIS the recipient's material failure to comply with the terms and conditions of the award.

If FEMA administratively closes an award where no final FFR has been submitted, FEMA uses that administrative closeout date in lieu of the final FFR submission date as the start of the record retention period under 2 C.F.R. § 200.334.

In addition, if an award is administratively closed, FEMA may decide to impose remedies for noncompliance per 2 C.F.R. § 200.339, consider this information in reviewing future award applications, or apply special conditions to existing or future awards.

d. Additional Reporting Requirements

I. DISCLOSING INFORMATION PER 2 C.F.R. § 180.335

This reporting requirement pertains to disclosing information related to government-wide suspension and debarment requirements. Before a recipient enters into a grant award with FEMA, the recipient must notify FEMA if it knows if it or any of the recipient's principals under the award fall under one or more of the four criteria listed at 2 C.F.R. § 180.335:

i. Are presently excluded or disqualified;
ii. Have been convicted within the preceding three years of any of the offenses listed in 2 C.F.R. § 180.800(a) or had a civil judgment rendered against it or any of the recipient's principals for one of those offenses within that time period;
iii. Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses listed in 2 C.F.R. § 180.800(a); or
iv. Have had one or more public transactions (federal, state, or local) terminated within the preceding three years for cause or default.

At any time after accepting the award, if the recipient learns that it or any of its principals falls under one or more of the criteria listed at 2 C.F.R. § 180.335, the recipient must

provide immediate written notice to FEMA in accordance with 2 C.F.R. § 180.350.

II. Reporting of Matters Related to Recipient Integrity and Performance

Per 2 C.F.R. Part 200, Appendix I § F.3, the additional post-award reporting requirements in 2 C.F.R. Part 200, Appendix XII may apply to applicants who, if upon becoming recipients, have a total value of currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies that exceeds $10,000,000 for any period of time during the period of performance of an award under this funding opportunity.

Recipients that meet these criteria must maintain current information reported in FAPIIS about civil, criminal, or administrative proceedings described in paragraph 2 of Appendix XII at the reporting frequency described in paragraph 4 of Appendix XII.

III. Single Audit Report

For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report, also known as the single audit report.

The audit must be performed in accordance with the requirements of U.S. Government Accountability Office's (GAO) Government Auditing Standards, located at https://www.gao.gov/yellowbook/overview, and the requirements of Subpart F of 2 C.F.R. Part 200, located at http://www.ecfr.gov/cgi-bin/text-idx?node=sp2.1.200.f.

4. Monitoring and Oversight

Per 2 C.F.R. § 200.337, FEMA, through its authorized representatives, has the right, at all reasonable times, to make site visits or conduct desk reviews to review project accomplishments and management control systems to review award progress and to provide any required technical assistance. During site visits or desk reviews, FEMA will review recipients' files related to the award. As part of any monitoring and program evaluation activities, recipients must permit FEMA, upon reasonable notice, to review grant-related records and to interview the organization's staff and contractors regarding the program. Recipients must respond in a timely and accurate manner to FEMA requests for information relating to the award.

Effective monitoring and oversight help FEMA ensure that recipients use grant funds for their intended purpose(s); verify that projects undertaken are consistent with approved plans; and ensure that recipients make adequate progress toward stated goals and objectives.

Additionally, monitoring serves as the primary mechanism to ensure that recipients comply with applicable laws, rules, regulations, program guidance, and requirements. FEMA regularly monitors all grant programs both financially and programmatically in accordance with federal laws, regulations (including 2 C.F.R. Part 200), program guidance, and the terms and conditions of the award. All monitoring efforts ultimately serve to evaluate progress towards grant goals and proactively target and address issues that may threaten grant success during the period of performance.

FEMA staff will periodically monitor recipients to ensure that administrative processes, policies and procedures, budgets, and other related award criteria are meeting Federal Government-wide and FEMA regulations. Aside from reviewing quarterly financial and programmatic reports, FEMA may also conduct enhanced monitoring through either desk-based reviews, onsite monitoring visits, or both. Enhanced monitoring will involve the review and analysis of the financial compliance and administrative processes, policies, activities, and other attributes of each federal assistance award, and it will identify areas where the recipient may need technical assistance, corrective actions, or other support.

Financial and programmatic monitoring are complementary processes within FEMA's overarching monitoring strategy that function together to ensure effective grants management, accountability, and transparency; validate progress against grant and program goals; and safeguard federal funds against fraud, waste, and abuse. Financial monitoring primarily focuses on statutory and regulatory compliance with administrative grant requirements, while programmatic monitoring seeks to validate and assist in grant progress, targeting issues that may be hindering achievement of project goals and ensuring compliance with the purpose of the grant and grant program. Both monitoring processes are similar in that they feature initial reviews of all open awards, and additional, in-depth monitoring of grants requiring additional attention.

Recipients and subrecipients who are pass-through entities are responsible for monitoring their subrecipients in a manner consistent with the terms of the federal award at 2 C.F.R. Part 200, including 2 C.F.R. § 200.332. This includes the pass-through entity's responsibility to monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

In terms of overall award management, recipient and subrecipient responsibilities include, but are not limited to: accounting of receipts and expenditures, cash management, maintaining adequate financial records, reporting and refunding expenditures disallowed by audits, monitoring if acting as a pass-through entity, or other assessments and reviews, and ensuring overall compliance with the terms and conditions of the award or subaward, as applicable, including the terms of 2 C.F.R. Part 200.

By accepting the award, all recipients agree to participate in monitoring or an evaluation of this grant, which may include analysis of the impact and providing access to program operating personnel and participants, as specified by the evaluator(s). FEMA, through the FMA program, encourages investments to protect communities and infrastructure. As part of performance evaluation and monitoring efforts, FEMA will conduct a series of grant effectiveness and cost-effectiveness case studies jointly with FMA recipients to highlight how recipients and subrecipients have used the FMA funds to increase resilience from natural hazards in their jurisdictions.

FEMA will not provide additional federal funding in the event of a cost overrun.

G. DHS Awarding Agency Contact Information

1. Contact and Resource Information

a. Program Office Contact

General questions about the FMA program can be directed to the appropriate FEMA Regional Office or State Hazard Mitigation Officers. Contact information for FEMA Regional Offices is provided at https://www.fema.gov/about/contact. Contact information for the State Hazard Mitigation Officers is provided at https://www.fema.gov/state-hazard-mitigation-officers.

The HMA Helpline is available by telephone 1-866-222-3580.

For questions about cost-effectiveness and FEMA's BCA software, contact the BC Helpline by telephone 1-855-540-6744 or email BCHelpline@fema.dhs.gov.

The Feasibility and Effectiveness Helpline is available for guidance on FEMA Building Science publications by email FEMA-BuildingScienceHelp@fema.dhs.gov.

For questions about NEPA or EHP requirements, the EHP Helpline is available by telephone 1-866-222-3580 or email ehhelpline@fema.dhs.gov.

Resources and job aids intended to help prepare applications and subapplications are available on FEMA's Hazard Mitigation Assistance webpage at https://www.fema.gov/grants/mitigation.

FEMA publications that specify the documentation and information necessary for FEMA to review project subapplications for feasibility and effectiveness, cost-effectiveness, and potential impacts on environmental and cultural resources are available on the FEMA website at https://www.fema.gov/grants/guidance-tools.

b. FEMA Grants News

FEMA Grants News is a non-emergency comprehensive management and information resource developed by FEMA for grants stakeholders. This channel provides general information on all FEMA grant programs and maintains a comprehensive database containing key personnel contact information at the federal, state, and local levels. When necessary, recipients will be directed to a federal point of contact who can answer specific programmatic questions or concerns. FEMA Grants Information Desk can be reached by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

c. FEMA Regional Offices

FEMA Regional Offices manage, administer, and conduct the application budget review, create the award package, approve, amend, and close out awards, as well as conduct cash analysis, financial and programmatic monitoring, and audit resolution FMA Swift Current. The Regions also provide technical assistance to FMA Swift Current.

FEMA Regional Office contact information is available at https://www.fema.gov/fema-regional-contacts.

d. Equal Rights

The FEMA Office of Equal Rights (OER) is responsible for compliance with and enforcement of federal civil rights obligations in connection with programs and services conducted by FEMA and recipients of FEMA financial assistance. All inquiries and communications about federal civil rights compliance for FEMA grants under this NOFO should be sent to FEMA-CivilRightsOffice@fema.dhs.gov.

e. Environmental Planning and Historic Preservation

The FEMA Office of Environmental Planning and Historic Preservation (OEHP) provides guidance and information about the EHP review process to FEMA programs and FEMA's recipients and subrecipients. All inquiries and communications about EHP compliance for FEMA grant projects under this NOFO or the EHP review process should be sent to FEMA-OEHP-NOFOQuestions@fema.dhs.gov.

2. Systems Information

a. Payment and Reporting System (PARS)

FEMA uses the Payment and Reporting System (PARS) for financial reporting, invoicing, and tracking payments. FEMA uses the Direct Deposit/Electronic Funds Transfer (DD/EFT) method of payment to recipients. If you have questions about the online system, please call the Customer Service Center at (866) 927-5646 or email ask-GMD@fema.dhs.gov.

b. Mitigation eGrants (MT eGrants)

For technical assistance with the MT eGrants, please contact the Mitigation eGrants Helpdesk at mtegrants@fema.dhs.gov.

Information, training and resources on MT eGrants are available on the FEMA website at https://www.fema.gov/grants/mitigation/mitigation-egrants-system-resources. Frequently asked question can be found at https://www.fema.gov/sites/default/files/2020-08/fema_mt-egrants-frequently-asked-questions_support_document_March_2018.pdf.

H. Additional Information

1. Termination Provisions

FEMA may terminate a federal award in whole or in part for one of the following reasons. FEMA and the recipient must still comply with closeout requirements at 2 C.F.R. §§ 200.344-200.345 even if an award is terminated in whole or in part. To the extent that subawards are permitted under this NOFO, pass-through entities should refer to 2 C.F.R. § 200.340 for additional information on termination regarding subawards.

a. Noncompliance

If a recipient fails to comply with the terms and conditions of a federal award, FEMA may terminate the award in whole or in part. If the noncompliance can be corrected, FEMA may first attempt to direct the recipient to correct the noncompliance. This may take the form of a Compliance Notification. If the noncompliance cannot be corrected or the recipient is non-responsive, FEMA may proceed with a Remedy Notification, which could impose a remedy for noncompliance per 2 C.F.R. § 200.339, including termination. Any action to terminate

based on noncompliance will follow the requirements of 2 C.F.R. §§ 200.341-200.342 as well as the requirement of 2 C.F.R. § 200.340(c) to report in FAPIIS the recipient's material failure to comply with the award terms and conditions. See also the section on Actions to Address Noncompliance in this NOFO.

b. With the Consent of the Recipient

FEMA may also terminate an award in whole or in part with the consent of the recipient, in which case the parties must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated.

c. Notification by the Recipient

The recipient may terminate the award, in whole or in part, by sending written notification to FEMA setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. In the case of partial termination, FEMA may determine that a partially terminated award will not accomplish the purpose of the federal award, so FEMA may terminate the award in its entirety. If that occurs, FEMA will follow the requirements of 2 C.F.R. §§ 200.341-200.342 in deciding to fully terminate the award.

2. Program Evaluation

Recipients and subrecipients are encouraged to incorporate program evaluation activities from the outset of their program design and implementation to meaningfully document and measure their progress towards meeting the project(s) goals. Title I of the Foundations for Evidence-Based Policymaking Act of 2018 (Evidence Act), Pub. L. No. 115-435 (2019) urges federal awarding agencies and federal assistance recipients and subrecipients to use program evaluation as a critical tool to learn, to improve equitable delivery, and to elevate program service and delivery across the program lifecycle. Evaluation means "an assessment using systematic data collection and analysis of one or more programs, policies, and organizations intended to assess their effectiveness and efficiency." Evidence Act § 101 (codified at 5 U.S.C. § 311). Evaluation costs are allowable costs (either as direct or indirect), unless prohibited by statute or regulation.

In addition, recipients are required to participate in a DHS-led evaluation if selected, which may be carried out by a third-party on behalf of the Program Office or DHS. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant, and provide access to program operating personnel and participants, as specified by the evaluator(s) during the award.

3. Period of Performance Extensions

Extensions to the period of performance (POP) for this program are allowed. Extensions to the POP identified in the award will only be considered through formal, written requests to the recipient's FEMA Regional Office and must contain specific and compelling justifications as to why an extension is required. Recipients are advised to coordinate with the FEMA Regional Hazard Mitigation Assistance Specialist as needed when preparing an extension request.

All extension requests must address the following:

a. The grant program, fiscal year, and award number;
b. Reason for the delay –including details of the legal, policy, or operational challenges that prevent the final outlay of awarded funds by the deadline;
c. Current status of the activity(ies);
d. Approved POP termination date and new project completion date;
e. Amount of funds drawn down to date;
f. Remaining available funds, both federal and, if applicable, non-federal;
g. Budget outlining how remaining federal and, if applicable, non-federal funds will be expended;
h. Plan for completion, including milestones and timeframes for achieving each milestone and the position or person responsible for implementing the plan for completion; and
i. Certification that the activity(ies) will be completed within the extended POP without any modification to the original statement of work, as described in the application and as approved by FEMA.

Extension requests will be granted only due to compelling legal, policy, or operational challenges. Extension requests will only be considered for the following reasons:

- Contractual commitments by the recipient or subrecipient with vendors prevent completion of the project, including delivery of equipment or services, within the existing POP;
- The project must undergo a complex environmental review that cannot be completed within the existing POP;
- Projects are long-term by design, and therefore acceleration would compromise core programmatic goals; or
- Where other special or extenuating circumstances exist.

Recipients should submit all proposed extension requests to FEMA for review and approval at least 60 days prior to the end of the POP to allow sufficient processing time.

Based on sufficiency of justification, the FEMA Regional Administrator can issue up to two extensions of the POP for up to 12 months each.

4. Disability Integration

Pursuant to Section 504 of the Rehabilitation Act of 1973, recipients of FEMA financial assistance must ensure that their programs and activities do not discriminate against other qualified individuals with disabilities.

Grant recipients should engage with the whole community to advance individual and community preparedness and to work as a nation to build and sustain resilience. In doing so, recipients are encouraged to consider the needs of individuals with disabilities into the activities and projects funded by the grant.

FEMA expects that the integration of the needs of people with disabilities will occur at all levels, including planning; alerting, notification, and public outreach; training; purchasing of equipment and supplies; protective action implementation; and exercises/drills.

The following are examples that demonstrate the integration of the needs of people with disabilities in carrying out FEMA awards:

- Include representatives of organizations that work with/for people with disabilities on planning committees, work groups and other bodies engaged in development and implementation of the grant programs and activities.
- Hold all activities related to the grant in locations that are accessible to persons with physical disabilities to the extent practicable.
- Acquire language translation services, including American Sign Language, that provide public information across the community and in shelters.
- Ensure shelter-specific grant funds are in alignment with FEMA's Guidance on Planning for Integration of Functional Needs Support Services in General Population Shelters.
- If making alterations to an existing building to a primary function area utilizing federal funds, complying with the most recent codes and standards and making path of travel to the primary function area accessible to the greatest extent possible.
- Implement specific procedures used by public transportation agencies that include evacuation and passenger communication plans and measures for individuals with disabilities.
- Identify, create, and deliver training to address any training gaps specifically aimed toward whole-community preparedness. Include and interact with individuals with disabilities, aligning with the designated program capability.
- Establish best practices in inclusive planning and preparedness that consider physical access, language access, and information access. Examples of effective communication access include providing auxiliary aids and services such as sign language interpreters, Computer Aided Real-time Translation (CART), and materials in Braille or alternate formats.

FEMA grant recipients can fund projects towards the resiliency of the whole community, including people with disabilities, such as training, outreach and safety campaigns, provided that the project aligns with this NOFO and the terms and conditions of the award.

5. Conflicts of Interest in the Administration of Federal Awards or Subawards

For conflicts of interest under grant-funded procurements and contracts, refer to the section on Procurement Integrity in this NOFO and 2 C.F.R. §§ 200.317 – 200.327.

To eliminate and reduce the impact of conflicts of interest in the subaward process, recipients and pass-through entities must follow their own policies and procedures regarding the elimination or reduction of conflicts of interest when making subawards. Recipients and pass-through entities are also required to follow any applicable federal and state, local, Tribal, or territorial (SLTT) statutes or regulations governing conflicts of interest in the making of subawards.

The recipient or pass-through entity must disclose to the respective Program Analyst or Program Manager, in writing, any real or potential conflict of interest that may arise during the administration of the federal award, as defined by the federal or SLTT statutes or

regulations or their own existing policies, within five days of learning of the conflict of interest. Similarly, subrecipients, whether acting as subrecipients or as pass-through entities, must disclose any real or potential conflict of interest to the recipient or next-level pass-through entity as required by the recipient or pass-through entity's conflict of interest policies, or any applicable federal or SLTT statutes or regulations.

Conflicts of interest may arise during the process of FEMA making a federal award in situations where an employee, officer, or agent, any members of his or her immediate family, his or her partner has a close personal relationship, a business relationship, or a professional relationship, with an applicant, subapplicant, recipient, subrecipient, or FEMA employees.

6. Procurement Integrity

Through audits conducted by the DHS Office of Inspector General (OIG) and FEMA grant monitoring, findings have shown that some FEMA recipients have not fully adhered to the proper procurement requirements at 2 C.F.R. §§ 200.317 – 200.327 when spending grant funds. Anything less than full compliance with federal procurement requirements jeopardizes the integrity of the grant as well as the grant program. To assist with determining whether an action is a procurement or instead a subaward, please consult 2 C.F.R. § 200.331. For detailed guidance on the federal procurement standards, recipients and subrecipients should refer to various materials issued by FEMA's Procurement Disaster Assistance Team (PDAT), such as the PDAT Field Manual and Contract Provisions Guide. Additional resources, including an upcoming trainings schedule can be found on the PDAT Website: https://www.fema.gov/grants/procurement.

The below highlights the federal procurement requirements for FEMA recipients when procuring goods and services with federal grant funds. FEMA will include a review of recipients' procurement practices as part of the normal monitoring activities. **All procurement activity must be conducted in accordance with federal procurement standards at 2 C.F.R. §§ 200.317 – 200.327.** Select requirements under these standards are listed below. The recipient and any of its subrecipients must comply with all requirements, even if they are not listed below.

Under 2 C.F.R. § 200.317, when procuring property and services under a federal award, states (including territories) must follow the same policies and procedures they use for procurements from their non-federal funds; additionally, states must now follow 2 C.F.R. § 200.321 regarding socioeconomic steps, 200.322 regarding domestic preferences for procurements, 200.323 regarding procurement of recovered materials, and 2 C.F.R. § 200.327 regarding required contract provisions.

All other non-federal entities, such as tribes (collectively, non-state entities), must have and use their own documented procurement procedures that reflect applicable SLTT laws and regulations, provided that the procurements conform to applicable federal law and the standards identified in 2 C.F.R. Part 200. These standards include, but are not limited to, providing for full and open competition consistent with the standards of 2 C.F.R. § 200.319 and the required procurement methods at § 200.320.

a. Important Changes to Procurement Standards in 2 C.F.R. Part 200

OMB recently updated various parts of Title 2 of the Code of Federal Regulations, among them, the procurement standards. States are now required to follow the socioeconomic steps in soliciting small and minority businesses, women's business enterprises, and labor surplus area firms per 2 C.F.R. § 200.321. All non-federal entities should also, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States per 2 C.F.R. § 200.322. More information on OMB's revisions to the federal procurement standards can be found in Purchasing Under a FEMA Award: OMB Revisions Fact Sheet.

The recognized procurement methods in 2 C.F.R. § 200.320 have been reorganized into informal procurement methods, which include micro-purchases and small purchases; formal procurement methods, which include sealed bidding and competitive proposals; and noncompetitive procurements. The federal micro-purchase threshold is currently $10,000, and non-state entities may use a lower threshold when using micro-purchase procedures under a FEMA award. If a non-state entity wants to use a micro-purchase threshold higher than the federal threshold, it must follow the requirements of 2 C.F.R. § 200.320(a)(1)(iii)-(v). The federal simplified acquisition threshold is currently $250,000, and a non-state entity may use a lower threshold but may not exceed the federal threshold when using small purchase procedures under a FEMA award. *See* 2 C.F.R. § 200.1 (citing the definition of simplified acquisition threshold from 48 C.F.R. Part 2, Subpart 2.1).

See 2 C.F.R. §§ 200.216, 200.471, and Appendix II as well as section D.13.a of the NOFO regarding prohibitions on covered telecommunications equipment or services.

b. Competition and Conflicts of Interest

Among the requirements of 2 C.F.R. § 200.319(b) applicable to all non-federal entities other than states, in order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. FEMA considers these actions to be an organizational conflict of interest and interprets this restriction as applying to contractors that help a non-federal entity develop its grant application, project plans, or project budget. This prohibition also applies to the use of former employees to manage the grant or carry out a contract when those former employees worked on such activities while they were employees of the non-federal entity.

Under this prohibition, unless the non-federal entity solicits for and awards a contract covering both development and execution of specifications (or similar elements as described above), and this contract was procured in compliance with 2 C.F.R. §§ 200.317 – 200.327, federal funds cannot be used to pay a contractor to carry out the work if that contractor also worked on the development of those specifications. This rule applies to all contracts funded with federal grant funds, including pre-award costs, such as grant writer fees, as well as post-award costs, such as grant management fees.

Additionally, some of the situations considered to be restrictive of competition include, but are not limited to:

- Placing unreasonable requirements on firms for them to qualify to do business;
- Requiring unnecessary experience and excessive bonding;
- Noncompetitive pricing practices between firms or between affiliated companies;
- Noncompetitive contracts to consultants that are on retainer contracts;
- Organizational conflicts of interest;
- Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- Any arbitrary action in the procurement process.

Per 2 C.F.R. § 200.319(c), non-federal entities other than states must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed SLTT geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

Under 2 C.F.R. § 200.318(c)(1), non-federal entities other than states are required to maintain written standards of conduct covering conflicts of interest and governing the actions of their employees engaged in the selection, award, and administration of contracts. **No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest.** Such conflicts of interest would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-federal entities may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-federal entity.

Under 2 C.F.R. 200.318(c)(2), if the recipient or subrecipient (other than states) has a parent, affiliate, or subsidiary organization that is not a state, local, Tribal, or territorial government, the non-federal entity must also maintain written standards of conduct covering organizational conflicts of interest. In this context, organizational conflict of interest means that because of a relationship with a parent company, affiliate, or subsidiary organization, the non-federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization. The non-federal entity must disclose in writing any potential conflicts of interest to FEMA or the pass-through entity in accordance with applicable FEMA policy.

c. Supply Schedules and Purchasing Programs

Generally, a non-federal entity may seek to procure goods or services from a federal supply schedule, state supply schedule, or group purchasing agreement.

d. Prohibition on Use of Funds to Support or Oppose Union Organizing

A recipient or subrecipient may not use federal grant funds or funds used to meet a cost share requirement to support or oppose union organizing. Using grant or cost share funds to hire unionized workers does not constitute a violation of this prohibition on use of funds to support or oppose union organizing.

I. General Services Administration Schedules

States, tribes, and local governments, and any instrumentality thereof (such as local education agencies or institutions of higher education) may procure goods and services from a General Services Administration (GSA) schedule. GSA offers multiple efficient and effective procurement programs for state, Tribal, and local governments, and instrumentalities thereof, to purchase products and services directly from pre-vetted contractors. The GSA Schedules (also referred to as the Multiple Award Schedules and the Federal Supply Schedules) are long-term government-wide contracts with commercial firms that provide access to millions of commercial products and services at volume discount pricing.

Information about GSA programs for states, tribes, and local governments, and instrumentalities thereof, can be found at https://www.gsa.gov/resources-for/programs-for-State-and-local-governments and https://www.gsa.gov/buying-selling/purchasing-programs/gsa-schedules/schedule-buyers/state-and-local-governments.

For tribes, local governments, and their instrumentalities that purchase off of a GSA schedule, this will satisfy the federal requirements for full and open competition provided that the recipient follows the GSA ordering procedures; however, tribes, local governments, and their instrumentalities will still need to follow the other rules under 2 C.F.R. §§ 200.317 – 200.327, such as solicitation of minority businesses, women's business enterprises, small businesses, or labor surplus area firms (§ 200.321), domestic preferences (§ 200.322), contract cost and price (§ 200.324), and required contract provisions (§ 200.327 and Appendix II).

II. Other Supply Schedules and Programs

For non-federal entities other than states, such as tribes, local governments, and nonprofits, that want to procure goods or services from a state supply schedule, cooperative purchasing program, or other similar program, in order for such procurements to be permissible under federal requirements, the following must be true:

- The procurement of the original contract or purchasing schedule and its use by the non-federal entity complies with state and local law, regulations, and written procurement procedures;

- The state or other entity that originally procured the original contract or purchasing schedule entered into the contract or schedule with the express purpose of making it available to the non-federal entity and other similar types of entities;
- The contract or purchasing schedule specifically allows for such use, and the work to be performed for the non-federal entity falls within the scope of work under the contract as to type, amount, and geography;
- The procurement of the original contract or purchasing schedule complied with all the procurement standards applicable to a non-federal entity other than states under at 2 C.F.R. §§ 200.317 – 200.327; and
- With respect to the use of a purchasing schedule, the non-federal entity must follow ordering procedures that adhere to applicable state, Tribal, and local laws and regulations and the minimum requirements of full and open competition under 2 C.F.R. Part 200.

If a non-federal entity other than a state seeks to use a state supply schedule, cooperative purchasing program, or other similar type of arrangement, FEMA recommends the recipient discuss the procurement plans with its FEMA Regional Grants Management Specialist.

e. Procurement Documentation

Per 2 C.F.R. § 200.318(i), non-federal entities other than states and territories are required to maintain and retain records sufficient to detail the history of procurement covering at least the rationale for the procurement method, selection of contract type, contractor selection or rejection, and the basis for the contract price. States and territories are encouraged to maintain and retain this information as well and are reminded that in order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g).

Examples of the types of documents that would cover this information include but are not limited to:

- Solicitation documentation, such as requests for quotes, invitations for bids, or requests for proposals;
- Responses to solicitations, such as quotes, bids, or proposals;
- Pre-solicitation independent cost estimates and post-solicitation cost/price analyses on file for review by federal personnel, if applicable;
- Contract documents and amendments, including required contract provisions; and
- Other documents required by federal regulations applicable at the time a grant is awarded to a recipient.
- Additional information on required procurement records can be found on pages 24-26 of the PDAT Field Manual.

7. FEMA Financial Assistance Programs for Infrastructure *Build America, Buy America Act*

Recipients and subrecipients must comply with the Build America, Buy America Act (BABAA), which was enacted as part of the Infrastructure Investment and Jobs Act §§ 70901-70927, Pub. L. No. 117-58 (2021); and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers. See also 2 C.F.R. Part 184 and OMB

MemorandumM-24-02, Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

Section 70914 of BABAA requires all federal agencies, including FEMA, to ensure that none of the funds provided under this program may be used for a project for infrastructure unless the iron and steel, manufactured products, and construction materials used in that infrastructure are produced in the United States. For FEMA financial assistance programs, these requirements apply to new infrastructure awards made on or after January 2, 2023, as well as new funding FEMA obligates to existing awards or through renewal awards on or after January 2, 2023.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

To see whether a particular FEMA federal financial assistance program is considered an infrastructure program and thus required to include a Buy America preference, please see Programs and Definitions: Build America, Buy America Act | FEMA.gov.

To ensure compliance with BABAA, all recipient and subrecipient contracts under FEMA infrastructure awards must include a contract provision explaining the BABAA requirements and a self-certification where the contracts can certify compliance with the domestic preference requirements, unless the BABAA requirement is waived by FEMA. Please see Buy America Preference in FEMA Financial Assistance Programs for Infrastructure FEMA Interim Policy #207-22-0001.

a. Waivers

When necessary, recipients (and subrecipients through their pass-through entity) may apply for, and FEMA may grant, a waiver from these requirements.

A waiver of the domestic content procurement preference may be granted by the agency awarding official if FEMA determines that:

1) Applying the domestic content procurement preference would be inconsistent with the public interest.

2) The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality.

3) The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25%.

Prior to requesting a waiver, recipients and subrecipients should consider whether a FEMA approved general applicability waiver applies to their projects. The term "general applicability waiver" refers to a waiver that applies generally across multiple awards and do not require a separate application or approval by FEMA prior to use. These may cover categories of products known to be unavailable domestically or are intended to ease the burden of compliance. For a list of FEMA's general applicability waivers, and for additional information on FEMA's process for requesting a project-specific waiver from the Buy America preference requirements, please see FEMA's website at: "Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov.

b. Definitions

For BABAA specific definitions, please refer to the FEMA Buy America website at: "Programs and Definitions: Build America, Buy America Act | FEMA.gov."

c. Please refer to the applicable DHS Standard Terms & Conditions for the BABAA specific term applicable to all FEMA financial assistance awards for infrastructure.

8. Record Retention

a. Record Retention Period

Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award generally must be maintained for at least three years from the date the final FFR is submitted. *See* 2 C.F.R. § 200.334. Further, if the recipient does not submit a final FFR and the award is administratively closed, FEMA uses the date of administrative closeout as the start of the general record retention period.

The record retention period **may be longer than three years or have a different start date** in certain cases. These include:

- Records for real property and equipment acquired with Federal funds must be retained for **three years after final disposition of the property**. *See* 2 C.F.R. § 200.334(c).
- If any litigation, claim, or audit is started before the expiration of the three-year period, the records **must be retained until** all litigation, claims, or audit findings involving the records **have been resolved and final action taken**. *See* 2 C.F.R. § 200.334(a).
- The **record retention period will be extended if the non-federal entity is notified in writing** of the extension by FEMA, the cognizant or oversight agency for audit, or the cognizant agency for indirect costs, or pass-through entity. *See* 2 C.F.R. § 200.334(b).
- Where FEMA requires recipients to report program income after the period of performance ends, the **program income record retention period begins at the end of the recipient's fiscal year in which program income is earned**. *See* 2 C.F.R. § 200.334(e).

- For indirect cost rate computations and proposals, cost allocation plans, or any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates), the start of the record retention period depends on whether the indirect cost rate documents were submitted for negotiation. If the **indirect cost rate documents were submitted for negotiation, the record retention period begins from the date those documents were submitted** for negotiation. If indirect cost rate documents were **not submitted for negotiation, the record retention period begins at the end of the recipient's fiscal year or other accounting period covered by that indirect cost rate**. *See* 2 C.F.R. § 200.334(f).

b. Types of Records to Retain

FEMA requires that non-federal entities maintain the following documentation for federally funded purchases:

- Specifications
- Solicitations
- Competitive quotes or proposals
- Basis for selection decisions
- Purchase orders
- Contracts
- Invoices
- Cancelled checks

Non-federal entities should keep detailed records of all transactions involving the grant. FEMA may at any time request copies of any relevant documentation and records, including purchasing documentation along with copies of cancelled checks for verification. *See, e.g.*, 2 C.F.R. §§ 200.318(i), 200.334, 200.337.

In order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g). Non-federal entities who fail to fully document all purchases may find their expenditures questioned and subsequently disallowed.

9. Actions to Address Noncompliance

Non-federal entities receiving financial assistance funding from FEMA are required to comply with requirements in the terms and conditions of their awards or subawards, including the terms set forth in applicable federal statutes, regulations, NOFOs, and policies. Throughout the award lifecycle or even after an award has been closed, FEMA or the pass-through entity may discover potential or actual noncompliance on the part of a recipient or subrecipient. This potential or actual noncompliance may be discovered through routine monitoring, audits, closeout, or reporting from various sources.

In the case of any potential or actual noncompliance, FEMA may place special conditions on an award per 2 C.F.R. §§ 200.208 and 200.339, FEMA may place a hold on funds until the matter is corrected, or additional information is provided per 2 C.F.R. § 200.339, or it may do both. Similar remedies for noncompliance with certain federal civil rights laws are authorized pursuant to 44 C.F.R. Parts 7 and 19.

In the event the noncompliance is not able to be corrected by imposing additional conditions or the recipient or subrecipient refuses to correct the matter, FEMA might take other remedies allowed under 2 C.F.R. § 200.339. These remedies include actions to disallow costs, recover funds, wholly or partly suspend or terminate the award, initiate suspension and debarment proceedings, withhold further federal awards, or take other remedies that may be legally available. For further information on termination due to noncompliance, see the section on Termination Provisions in the NOFO.

FEMA may discover and take action on noncompliance even after an award has been closed. The closeout of an award does not affect FEMA's right to disallow costs and recover funds as long the action to disallow costs takes place during the record retention period. *See* 2 C.F.R. §§ 200.334, 200.345(a). Closeout also does not affect the obligation of the non-federal entity to return any funds due as a result of later refunds, corrections, or other transactions. 2 C.F.R. § 200.345(a)(2).

The types of funds FEMA might attempt to recover include, but are not limited to, improper payments, cost share reimbursements, program income, interest earned on advance payments, or equipment disposition amounts.

FEMA may seek to recover disallowed costs through a Notice of Potential Debt Letter, a Remedy Notification, or other letter. The document will describe the potential amount owed, the reason why FEMA is recovering the funds, the recipient's appeal rights, how the amount can be paid, and the consequences for not appealing or paying the amount by the deadline.

If the recipient neither appeals nor pays the amount by the deadline, the amount owed will become final. Potential consequences if the debt is not paid in full or otherwise resolved by the deadline include the assessment of interest, administrative fees, and penalty charges; administratively offsetting the debt against other payable federal funds; and transferring the debt to the U.S. Department of the Treasury for collection.

FEMA notes the following common areas of noncompliance for FEMA's grant programs:

- Insufficient documentation and lack of record retention.
- Failure to follow the procurement under grants requirements.
- Failure to submit closeout documents in a timely manner.
- Failure to follow EHP requirements.
- Failure to comply with the POP deadline.

An eligible applicant, subapplicant, recipient, or subrecipient may request an appeal of a remedy FEMA has taken for noncompliance with federal statutes, regulations, or the terms and conditions of the award that results in suspension or termination of all or part of the award. The appeal must be submitted according to the following procedures:

- For remedies FEMA has taken for noncompliance, the appeal must contain documented justification supporting the appellant's position, specify the monetary

figure in dispute, and identify the provisions in federal law, regulation, or policy with which the appellant believes the initial action was inconsistent.

The applicant, subapplicant, recipient, or subrecipient will be notified in writing of the disposition of the appeal or the need for additional information. All appeal decisions are final.

10. Audits

FEMA grant recipients are subject to audit oversight from multiple entities including the DHS OIG, the GAO, the pass-through entity, or independent auditing firms for single audits, and may cover activities and costs incurred under the award. Auditing agencies such as the DHS OIG, the GAO, and the pass-through entity (if applicable), and FEMA in its oversight capacity, must have access to records pertaining to the FEMA award. Recipients and subrecipients must retain award documents for at least three years from the date the final FFR is submitted, and even longer in many cases subject to the requirements of 2 C.F.R. § 200.334. In the case of administrative closeout, documents must be retained for at least three years from the date of closeout, or longer subject to the requirements of 2 C.F.R. § 200.334. If documents are retained longer than the required retention period, the DHS OIG, the GAO, and the pass-through entity, as well as FEMA in its oversight capacity, have the right to access these records as well. *See* 2 C.F.R. §§ 200.334, 200.337.

Additionally, non-federal entities must comply with the single audit requirements at 2 C.F.R. Part 200, Subpart F. Specifically, non-federal entities, other than for-profit subrecipients, that expend $750,000 or more in federal awards during their fiscal year must have a single or program-specific audit conducted for that year in accordance with Subpart F. 2 C.F.R. § 200.501. A single audit covers all federal funds expended during a fiscal year, not just FEMA funds. The cost of audit services may be allowable per 2 C.F.R. § 200.425, but non-federal entities must select auditors in accordance with 2 C.F.R. § 200.509, including following the proper procurement procedures. For additional information on single audit reporting requirements, see section F of this NOFO under the header “Single Audit Report” within the subsection “Additional Reporting Requirements.”

The objectives of single audits are to:

- Determine if financial statements conform to generally accepted accounting principles (GAAP);
- Determine whether the schedule of expenditures of federal awards is presented fairly;
- Understand, assess, and test the adequacy of internal controls for compliance with major programs; and
- Determine if the entity complied with applicable laws, regulations, and contracts or grants.

For single audits, the auditee is required to prepare financial statements reflecting its financial position, a schedule of federal award expenditures, and a summary of the status of prior audit findings and questioned costs. The auditee also is required to follow up and take appropriate corrective actions on new and previously issued but not yet addressed audit

findings. The auditee must prepare a corrective action plan to address the new audit findings. 2 C.F.R. §§ 200.508, 200.510, 200.511.

Non-federal entities must have an audit conducted, either single or program-specific, of their financial statements and federal expenditures annually or biennially pursuant to 2 C.F.R. § 200.504. Non-federal entities must also follow the information submission requirements of 2 C.F.R. § 200.512, including submitting the audit information to the Federal Audit Clearinghouse within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The audit information to be submitted include the data collection form described at 2 C.F.R. § 200.512(c) and Appendix X to 2 C.F.R. Part 200 as well as the reporting package described at 2 C.F.R. § 200.512(b).

The non-federal entity must retain one copy of the data collection form and one copy of the reporting package for three years from the date of submission to the Federal Audit Clearinghouse. 2 C.F.R. § 200.512; *see also* 2 C.F.R. § 200.517 (setting requirements for retention of documents by the auditor and access to audit records in the auditor's possession).

FEMA, the DHS OIG, the GAO, and the pass-through entity (if applicable), as part of monitoring or as part of an audit, may review a non-federal entity's compliance with the single audit requirements. In cases of continued inability or unwillingness to have an audit conducted in compliance with 2 C.F.R. Part 200, Subpart F, FEMA and the pass-through entity, if applicable, are required to take appropriate remedial action under 2 C.F.R. § 200.339 for noncompliance, pursuant to 2 C.F.R. § 200.505.

11. Payment Information

FEMA uses the Direct Deposit/Electronic Funds Transfer (DD/EFT) method of payment to recipients.

For FY 2023 FMA Swift Current, FEMA utilizes the Payment and Reporting System (PARS) for financial reporting, invoicing and tracking payments. For additional information, refer to https://isource.fema.gov/sf269/execute/LogIn?sawContentMessage=true.

12. Whole Community Preparedness

Preparedness is a shared responsibility that calls for the involvement of everyone—not just the government—in preparedness efforts. By working together, everyone can help keep the nation safe from harm and help keep it resilient when struck by hazards, such as natural disasters, acts of terrorism, and pandemics.

Whole Community includes:

- Individuals and families, including those with access and functional needs
- Businesses
- Faith-based and community organizations
- Nonprofit groups
- Schools and academia
- Media outlets
- All levels of government, including state, local, Tribal, territorial, and federal partners

The phrase "Whole Community" often appears in preparedness materials, as it is one of the guiding principles. It means two things:

1. Involving people in the development of national preparedness documents.
2. Ensuring their roles and responsibilities are reflected in the content of the materials.

13. Extraordinary Circumstances

Applicants and subapplicants must have a FEMA-approved current hazard mitigation plan at the time of application submission and at the time of the award; hazard mitigation plans pending adoption is not sufficient. The FEMA Regional Administrator may grant an exception to the local mitigation plan requirements in extraordinary circumstances when the appropriate justification is provided.

Extraordinary circumstances exist when FEMA or the applicant determine that the proposed project is consistent with the priorities and strategies identified in the state or Tribal (standard or enhanced) mitigation plan and that the jurisdiction meets at least one of the criteria below:

- The jurisdiction meets the small and impoverished communities as defined in 44 C.F.R. 201.2.
- The jurisdiction has been determined to have had insufficient capacity because of lack of available assistance, staffing or other necessary expertise to satisfy the mitigation planning requirement prior to the current disaster or application deadline
- The jurisdiction experienced significant disruption from a declared disaster or another event that impacts its ability to complete the mitigation planning process prior to award or final approval of a project award.
- The jurisdiction does not have a mitigation plan for reasons beyond the control of the state, federally recognized Tribal government or local community, such as Disaster Relief Fund restrictions, that delay FEMA from granting a subaward prior to the expiration of the local or Tribal mitigation plan.

The applicant must provide written justification that identifies the specific criteria from the above list and explains why the jurisdiction will be able to have a plan both approved by FEMA and adopted by the jurisdiction within 12 months. The justification must identify the specific actions or circumstances that have eliminated or will eliminate the deficiency that prevented the jurisdiction from previously having an approved plan. The justification must clearly demonstrate how the above circumstances impacted the community beyond just stating the above circumstances.

If FEMA grants an extraordinary circumstances exception, a local or Tribal mitigation plan must be approved by FEMA within 12 months of the award of the project subaward to that community. The recipient must acknowledge in writing to the Regional Administrator that the jurisdiction will complete a plan within 12 months of the subaward. The recipient must provide a Compliance Action Plan for completing the local or Tribal mitigation plan, including milestones and a timetable, to ensure the jurisdiction will complete the plan in the required time. This requirement must be incorporated into the award. If a plan is not provided within this time frame, the project subaward will be terminated, and any costs incurred after notice of subaward termination will not be reimbursed by FEMA. FEMA must notify the

recipient of the subaward termination. For more information on award termination, refer to Part 8 of the HMA Guide.

If the mitigation plan is not approved by FEMA within 12 months of the award, and if the subaward also involved a mitigation planning award, FEMA should notify the recipient of its failure to meet the additional specific award or subaward conditions and request that the issue be corrected following remedies for non-compliance procedures in Part 8 of the HMA Guide. If compliance cannot be achieved, FEMA will apply a remedy action to the planning subaward to address the non-compliance and may, as a result, withhold assistance, recoup assistance, suspend or terminate the planning subaward.

14. Integrating Mitigation and Planning

In addition, SLTTs are encouraged, but not required, to pursue hazard mitigation projects with co-benefits that advance shared outcomes for economic, environmental, and social resilience. Alignment with SLTT planning mechanism (economic development, housing, comprehensive plans, transportation plans, floodplain ordinances, etc.) and vice versa is vital to build safer, more resilient, equitable communities. This two-way exchange of information supports community-wide risk reduction, both before and after disasters occur. Not only will the community's planning efforts be better integrated, but by going through this process there is a higher level of interagency coordination, which is just as important as the planning mechanisms. Additional information on Plan Integration can be found at Implement, Integrate and Maintain Mitigation Planning Activities | FEMA.gov,

Guides to Expanding Mitigation | FEMA.gov, and https://planning.org/nationalcenters/hazards/.

MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY
GOVERNING BOARD

January 31, 2024 Meeting Minutes

The Governing Board of the Monroe County Comprehensive Plan Land Authority held a regular meeting on Wednesday, January 31, 2024. The meeting was a hybrid format with the Governing Board members assembled at the Marathon Government Center located at 2798 Overseas Highway Marathon, Florida. Some members of the public participated via Communications Media Technology (CMT) using a Zoom Webinar platform, while other members of the public attended the meeting in person. Chairman David Rice called the meeting to order at 9:25 AM.

G-1 Roll Call. Present and answering roll call, in addition to Chairman David Rice, were Commissioner Craig Cates, Commissioner Michelle Lincoln, Commissioner Holly Raschein, and Commissioner Jim Scholl. Attending the meeting in person was Executive Director Christine Hurley. Attending via CMT were Senior Property Acquisition Specialist Mark Rosch, Property Specialist Dina Gambuzza, Office Manager John Beyers, and Counsel Greg Oropeza.

G-2 Bulk Approvals. A motion was made by Commissioner Lincoln and seconded by Commissioner Scholl to approve items G.3 though G.15.

G-3 Approval of the minutes for the December 13, 2023 meeting.

G-4 Monroe County Land Authority Executive Director Monthly Report for January, 2024 (through December 31, 2023).

G-5 Review of MCLA expenses for the time period of 12/1/23 through 12/31/23.

G-6 Approval of a contract to purchase Tier 1 property for conservation - Parcels 11 and 13 on Little Knockemdown Key near mile marker 25 from Donald J. Nelson and Mary Ann Nelson, formerly known as Mary Ann Hanifan for the price of $200,000.

G-7 Approval of a contract to purchase Tier 2 property for conservation - Block 4, Lots 20 and 21, Doctors Arm First Addition on Big Pine Key near mile marker 30 from Deborah J. Casino, Personal Representative of the Estate of Betty Lou Bruner a/k/a Betty Lou Shrouder for the price of $140,000.

G-8 Approval of a contract to purchase Tier 1 property for conservation - Block 19, Lot 10, Port Pine Heights 1st Addition on Big Pine Key near mile marker 30 from Tailored Homes, LLC for the price of $55,000.

G-9 Approval of a resolution approving an option agreement to sell pre-acquired Florida Forever land described by metes and bounds (Parcel ID# 00118300-000000) on Sugarloaf Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida for the price of $55,000; authorizing the Chairman to execute same; and authorizing the Chairman to execute the deed and associated closing documents. [Resolution 01-2024]

G-10 Approval of a resolution approving an option agreement to sell pre-acquired Florida Forever land described by metes and bounds (Parcel ID# 00114000-000000) on Ramrod Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida for the price of $320,000; authorizing the Chairman to execute same; and authorizing the Chairman to execute the deed and associated closing documents. [Resolution 02-2024]

G-11 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Lots 1 and 2, Block 1; Lots 1 through 10, Block 3; Lots 1 through 12, Block 4; Lots 1 through 6, Block 5; and Lots 1 through 6, Block 6, Marion Park on Key Largo to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to March 22, 2024.

G-12 Approval of the 2024 Land Authority Acquisition List.

G-13 Approval of a resolution of the Monroe County Comprehensive Plan Land Authority committing to encumber up to $2,240,000 for a zero interest 50-year affordable housing construction loan for hard construction costs for development of 56 affordable rental units on property legally described as A Portion of Tracts A and B, Revised Plat of Amended Plat of Sugarloaf Shores, Section F (PB 6-9) as shown in Exhibit A and Exhibit B with Parcel ID#00166976-011300 and Parcel ID#00166976-011400 subject to a Land Use Restriction Agreement (LURA). [Resolution 03-2024]

G-14 Approval of a professional services agreement with Hana Eskra, Consultant, in an amount up to $49,999.00 to assist Monroe County Comprehensive Plan Land Authority staff with review of affordable housing projects seeking funding from the Authority.

G-15 Approval of a Resolution of the Monroe County Comprehensive Plan Land Authority regarding the execution of all warrants, legal documents and papers, and other instruments on behalf of the Land Authority. [Resolution 04-2024]

There being no objections, the motion carried (5/0).

There being no further business, the meeting was adjourned at 9:27 AM.

MEMORANDUM

Office of Monroe County Land Authority

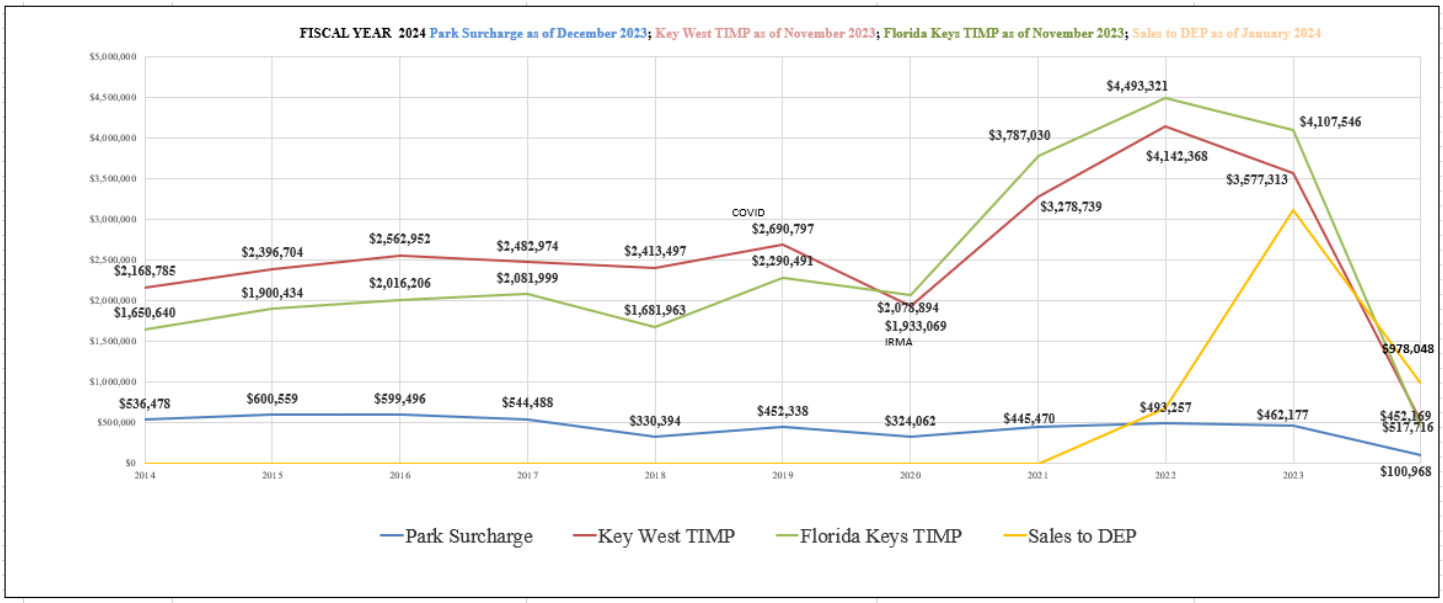
TO: Board of County Commissioners

FROM: Christine Hurley, AICP
Executive Director

DATE: February 21, 2024

SUBJECT: Monroe County Land Authority (MCLA) & County Monthly Acquisition/Disposition Report ending – January 31, 2024
*Certain programs may not be reporting as of this date because of the way their revenues are collected

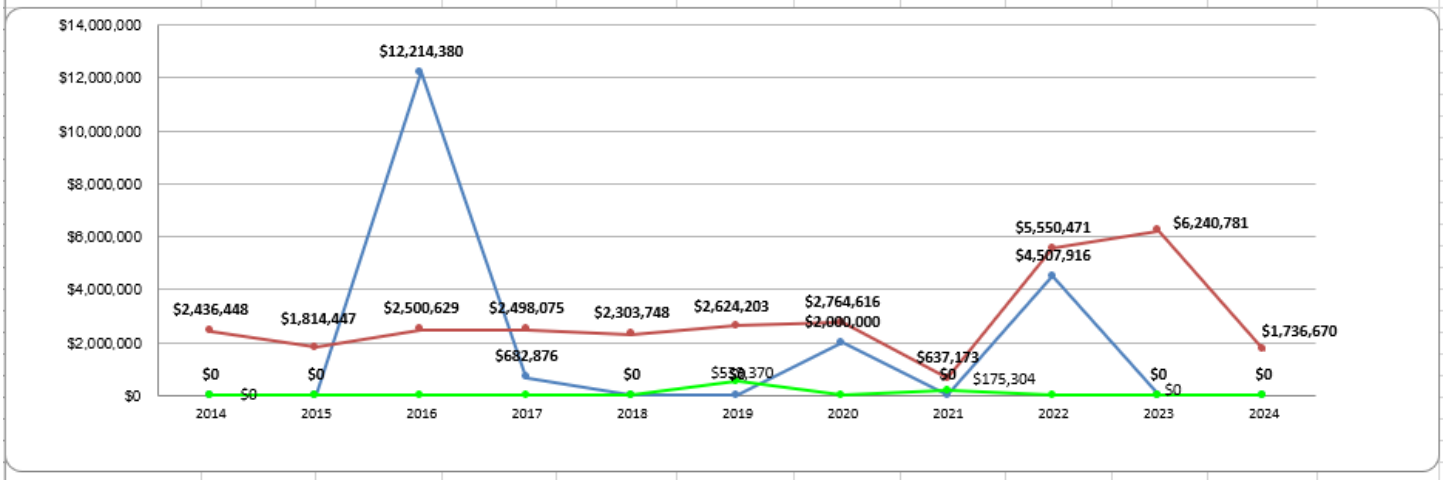
---



MONTHLY ACTIVITY REPORT

The MCLA receives recurring revenue for property acquisitions from two primary sources. Pursuant to section 380.0685, Florida Statutes, the Authority receives a **park surcharge** on admission and overnight occupancy at state parks within the unincorporated area of Monroe County and pursuant to section 125.0108, Florida Statutes, and sections 23-178 and 23-179, Monroe County Code, the Authority receives a 50% share of the 1% **tourist impact tax** charged on lodging in the Keys.

In addition to these recurring revenues, the Authority has received land acquisition grants from the State of Florida and the US Army Corps of Engineers in past.



Beginning in FY22, MCLA has successfully worked with the Florida Department of Environmental Protection (FDEP) to allow MCLA to pre-acquire lands within Florida Forever and then resell the parcels to the State of Florida. The chart demonstrates the "revenue" MCLA is receiving as FDEP purchases the land from MCLA. The goal is for MCLA to sell $5 Million of land per year to FDEP, based on the Stewardship Bill. This is explained in more detail in the report.

The following chart demonstrates the previous 10 years of park surcharge and tourist impact tax revenue for the MCLA with the addition of the **FDEP resales**.

Monroe County Land Authority Expenditures - 10 Years Historic Data

	2014	2015	2016	2017	2018	2019	2020	2021	2022	2023	2024
Key West	$0	$0	$12,214,380	$682,876	$0	$0	$2,000,000	$0	$4,507,916	$0	$0
Florida Keys	$2,436,448	$1,814,447	$2,500,629	$2,498,075	$2,303,748	$2,624,203	$2,764,616	$637,173	$5,550,471	$6,240,781	$1,736,670
ROGO Reserve	$0	$0	$0	$2,000	$0	$539,370	$0	$175,304	$0	$0	$0

The MCLA manages the following programs, of which, progress is being reported as follows:

- MCLA Acquisitions/Dispositions
  - City of Marathon
  - Village of Islamorada
- Density Reduction Acquisition Program
- Less Than Fee Acquisition Program
- Code Compliance Foreclosure Properties Reuse
- Affordable Housing
- Community Development Block Grant – Disaster Recovery (CDBG-DR) Voluntary Home Buyout Program
- Florida Forever Program
- Density Reduction Resale Program
- Conservation Land Stewardship Program
- Hazard Mitigation Grant Program (HMGP) Acquisition and Demolition
- Hazard Mitigation Grant Program (HMGP) Elevation
- Flood Mitigation Assistance (FMA) Elevation
- Flood Mitigation Assistance (FMA) Acquisition and Demolition
- Flood Mitigation Assistance (FMA) Mitigation Reconstruction

---

MCLA Acquisitions / Dispositions Contact: Mark Rosch 305-295-5180

The following table summarizes all acquisition projects where MCLA has acquired or assisted in the acquisition of real property interests since MCLA's first acquisition in Fiscal Year 1988 through Fiscal Year 2023.

All Projects By Type
FY 1988 - FY 2023

Project Type	Transactions	Parcels	Acres	Units	MCLA Expenditures
Conservation	1,727	4,704	4,083	0	$57,737,736
Density Reduction - FS	22	25	5	0	$0
Density Reduction - LTF	67	83	11	0	$0
Density Reduction - VHBP	16	18	4	0	$0
Affordable Housing	78	168	111	1,317	$57,788,286
Recreation	30	156	126	0	$7,276,697
Solid Waste	1	4	74	0	$2,212,500
Total	1,941	5,158	4,414	1,317	$125,015,219

The following budget outlook table demonstrates land the MCLA is currently working on acquiring or selling January 1, 2024 through January 31, 2024:

Budget Outlook as of 1/31/24

Inside Key West	
FY 24 Budget for general acquisitions	
Key West ACSC	$15,850,058
FY 24 Expenditures to date	$0
FY 24 Encumbered by MCLA Resol	$0
	$0
FY 24 Potential Encumbrances	($4,928,500)
Bahama Villiage Lofts Resol 22-290	($4,028,500)
Bahama Villiage Lofts Resol 23-891	($900,000)
FY 24 Potential Balance	$10,921,558

Outside Key West - General Acquisitions	
FY 24 Budget for general acquisitions	
FL Keys ACSC	$14,082,194

MCLA Acquisitions – City of Marathon Contact: Mark Rosch 305-295-5180

The City of Marathon passed resolutions 2016-48 which requested the purchase of 432 parcels, mostly on the Florida Forever list and they have agreed to maintain any purchase made by the MCLA within the City of Marathon if MCLA purchases them and the State of Florida Department of Environmental Protection does not purchase them after they are pre-acquired. They have also provided back up data and analysis of habitat, density, and Transfer of Development Rights information for the 432 parcels. This is used for appraisals when pursuing purchases. On 12/12/23, Marathon Council approved an Interlocal Agreement between Marathon and MCLA to allow them to fund purchases over and above appraised value or outright purchases, with Land Authority staff acting as agents. The MCLA Governing Board approved the agreement on 12/13/23.

MCLA Acquisitions – Village of Islamorada Contact: Christine Hurley 305-295-5180

The Village of Islamorada passed Resolution 23-02-11 which requested the purchase of 68 parcels within the Village of Islamorada, wholly within the Florida Forever list and they have agreed to maintain any purchase made by the MCLA within the Village of Islamorada if MCLA purchases them and the State of Florida does not purchase them after they are pre-acquired. The resolution also provides acreage, assessed values, zoning, development rights, and habitat information useful to appraisers. Land Authority staff are working on several purchases with Islamorada. Islamorada also passed Resolution 23-07-59 adding additional land to their acquisition priorities. On 12/12/23, Islamorada Council will review a proposed Interlocal Agreement between Islamorada and MCLA to allow them to fund purchases over and above appraised value or outright purchases, with Land Authority staff acting as agents. The MCLA Governing Board approved the agreement on 12/13/23.

Density Reduction Acquisition Program Contact: Neecie Scull 305-295-5180

The Density Reduction Program goal is to purchase lands that do not consist of significant habitat for the purpose of retiring the associated density (Transferable Development Rights or TDRs).

Since 2016 through the end of FY 23, the BOCC has purchased 25 density reduction properties at a cost of $1,633,563.

FY 24 Progress: At the January 31, 2024, BOCC meeting one additional density reduction property was approved for purchase. It is anticipated to close this month. One contract is pending approval at the February 21, 2024, BOCC meeting.

Less Than Fee Acquisition Program Contact: Neecie Scull 305-295-5180

The Less than Fee Program's goal is to purchase Development Rights from owners of lots zoned IS, IS-M and URM adjacent to the seller's primary residence. Property owners can continue to use the land for accessory, non-habitable space structures permitted by county land use regulations, such as a pool, open yard, or garage.

Since 2016 through January 31, 2024, the County acquired 89 Less than Fee Development Rights from 89 lots and spent a total of $4,588,318.50.

Less Than Fee Acquisitions by Year	
Year	Number of Lots
2018	3
2019	47
2020	**23**
2021	**2**
In response to the pandemic, LTF activities were suspended in April 2020, and authorized to resume in October 2021.	
2022	3
2023	4
2024 YTD	7
Total:	**89**

FY 2024 Progress: As of January 31, 2024, there have been:

- 13 contracts signed by Sellers,
- 12 contracts approved by the Board, and
- 6 contracts closed.

Code Compliance Foreclosure Properties Reuse Contact: Christine Hurley 305-295-5180

The Monroe County Code Compliance Department forecloses on long term code liens through a process designated by the County Commission. After foreclosure, the land may be suitable for multiple uses within County Departments or may also be useful for conservation purposes or density reduction. It could also be eligible for the resale program. Because the Land Authority manages several of these programs on behalf of the County, recently the County Commission agreed through interlocal agreement to have the Land Authority coordinate the review and use of these sites.

Affordable Housing Contact: Christine Hurley 305-295-5180

Key West

Peary Court – MCLA assisted in this project by providing $12.5 million to maintain affordable housing. Recently KWHA provided a report indicating that some of the units did not meet the MCLA affordability criteria. In other words, the family income exceeds the maximum allowed income. MCLA staff, working with legal counsel, wrote a memorandum to Key West staff explaining non-compliance issue and correspondingly wrote a letter to the owner notifying him of the 4 non-compliant units and explaining that the leases of those 4 units should not be renewed unless the families occupying the units meet the income requirements found in the Statues. MCLA staff met with Peary Court owners and their attorney, and they have proposed a revision to the deed restriction that would allow them to use three new code provisions the City of Key West adopted into their most recent Land Development Code, since the original deed restrictions were put in place in 2016. MCLA staff requested the property owners seek a resolution of support from the City of Key West Commission related to this request, prior to it being brought to the MCLA Governing Board. Key West staff have indicated they expect this to be reviewed by the Key West Commission in February 2023. The three changes would allow Peary Court units to be:

In summary, generally, these changes allow:

- Income to be qualified by counting individual income (in the case of roommates), with a caveat that the grand total of all income must still be below the Land Authority maximum income of 160% of area median.

- Units to be rented to Monroe County residents (either already as residents or those moving into the County for work) as evidenced by driver's license, voter registration, and an employer verification as opposed to proving 70% of income is earned through employment within Monroe County

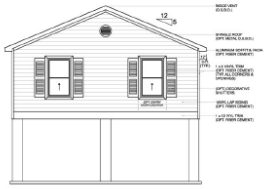
- Units to be rented to income qualified workers within Monroe but allow them to remain tenants if they retire or become disabled.

Monroe County

12 Scattered Sites – Monroe County partnered with MCLA and MCLA purchased 12 scattered sites, primarily on Big Pine, with one site on Little Torch. These properties were submitted by Monroe County Housing Authority (MCHA) for reimbursement of land acquisition funding through FHFC. MCHA also applied for $4,696,591 in construction funding. The cost of construction has increased since the grant applications and therefore, the MCLA approved a resolution to forgive the total amount ($1,353,989) of the land acquisition grant so those funds can be used for construction. Monroe County Land Authority staff requested an affordable ROGO allocation be reserved for one of the scattered sites on Little Torch, so the market rate unit associated with the property can be turned back into the County for administrative relief. That was approved on the September 2022 BOCC agenda. The project was approved for funding by the FHFC Board in August 2022. The MCHA purchased the sites from the MCLA March 31, 2023. A groundbreaking ceremony was held on April 27, 2023 and a Grand Opening was held on November 1, 2023, when the first three units were completed. As of today, four units have received certificates of occupancy, and three of the four are occupied with tenants. MCHA expects to receive two more certificates of occupancy this month, bringing the total complete to six, with all the remaining units (6) expected to be finished during the first quarter of 2024. All units are 2 bedroom/1 bath single-family homes with rents ranging from $397 to $1,740 per month. All units are built to Florida Green Building standards.

LOWER KEYS SCATTERED SITES

EQUAL HOUSING OPPORTUNITY



THE ADDRESSES	
30 SANDS ROAD	BIG PINE KEY
31235 AVENUE E	BIG PINE KEY
31059 AVENUE G	BIG PINE KEY
301 COUNTY RD	BIG PINE KEY
31481 AVENUE C	BIG PINE KEY
31566 AVENUE B	BIG PINE KEY
31067 AVENUE G	BIG PINE KEY
31423 AVENUE G	BIG PINE KEY
31441 AVENUE G	BIG PINE KEY
31247 AVENUE G	BIG PINE KEY
31063 AVENUE E	BIG PINE KEY

Howards Haven Trailer Park Redevelopment – 10 Units - Monroe County partnered with MCLA and MCLA provided the funding for Monroe County to purchase the Howards Haven Trailer Park land on Big Pine Key. This property was submitted by MCHA for reimbursement of land acquisition funding through FHFC. MCHA also applied for construction funding (a total of $7,099,048 for both Howards Haven and Conch Key [outlined below]). The cost of construction increased since the grant applications and therefore, the BOCC approved a resolution to forgive the total amount ($856,154) of the Howards Haven Trailer Park land acquisition grant so those funds can be used for construction. The project was approved for funding by the FHFC at the October 28, 2022 Board meeting in Tallahassee. MCHA closed on the grant funds in June. The site is currently under construction and all ten modular homes are set on their foundations. All units are 1 bedroom/1 bath stand-alone structures. Site work and finish work on the interiors of the units continues. The expected completion date for this project is June 2024. Rents on these units will range from $300-$1700 per month, but we will wait until completion to get the exact rental rates as rent limits and utility allowances will change prior to completion. All units are built to Florida Green Building standards.

Conch Key Trailer Park Redevelopment - 10 Units - Monroe County purchased the Conch Key Trailer Park land on Conch Key. This property was submitted by MCHA for reimbursement of land acquisition funding through FHFC. MCHA also applied for construction funding (a total of $7,099,048 for both Howards Haven [outlined above] and Conch Key. The cost of construction has increased since the grant applications and therefore, the BOCC approved a resolution to forgive the total amount ($1,000,000) of the Howards Haven/Conch Key Trailer Park land acquisition grant so those funds can be used for construction. The project was approved for funding by FHFC at the October 28, 2022, Board meeting in Tallahassee. MCHA closed on the grant funds in June 2023. This site contains eight (8) 1 bedroom/1 bath and two (2) 2 bedroom/1 bath units. The site is under construction. Foundations are complete. Site work ongoing and we expect delivery of modular units at the end of February 2024. Rents on these units will range from $300-$1700 per month, but we will wait until completion to get the exact rental rates as rent limits and utility allowances will change prior to completion. All units are built to Florida Green Building standards.

Scattered Sites/MC Employee Housing – MCLA presented a chart demonstrating MCLA and County owned parcels for use in the Monroe County Employee Housing Program. BOCC funded $1 Million for construction in FY23 to build 4 housing units. On 1/18/23, MCLA Governing Board approved conveyance of 4 lots on Big Pine Key: (RE# 00300180-000100, 190 Sands Road; RE# 00300180-000200, 180 Sands Road; RE# 00300180-001700, 170 Sands Road; and RE# 00300180-001800, 160 Sands Road) to the County and 1 ROGO exemption from Suarez property to Monroe County for use in this program. County planning staff submitted a minor conditional use application to transfer the market rate ROGO exemptions from their current location to the 4 lots on Big Pine referenced above. This application was heard by the Development Review Committee on March 28, 2023. The ROGO exemptions were transferred to the Sands Road lots and the lots have been conveyed to the County.

Habitat for Humanity (Lower Keys) – MCLA provided a $400,000 loan to Habitat for them to purchase a site to construct 4 affordable housing units.

Habitat for Humanity (Lower Keys) (Conch Republic 4 sites) – MCLA purchased 4 sites for $468,000 with ROGO exemptions to convey to the County. The County can then lease the land to Habitat for redevelopment. Conveyance from Land Authority to County has occurred.

Habitat for Humanity (Lower Keys) requested 4 sites for affordable housing development. MCLA acquired these sites and conveyed them to the Board of County Commissioners. These sites were approved on the 12/13/23 BOCC agenda to lease to Habitat:

- Site 6: RE # 00308490-000000; 31530 Avenue D, (corner of 5th Street and Avenue D); bay side of Big Pine Key near MM 31; Block 22, Lot 11, Big Pine Cove (PB 3-131)
- Site 7: RE #00300250-000000; 30936 Nathalie Street; bay side of Big Pine Key, MM 31; Block 3, Lot 5, Sam-N-Joe Subdivision (PB 3-76)
- Site 9: RE #00222830-000000; 28269 Julia Avenue; MM 28, bay side of Little Torch Key; Block 1, Lot 8, Amended Plat of Ladies Acre.
- Site 10: RE #00222830-000100; Julia Avenue; MM 28, bay side of Little Torch Key; Block 1, Lot 9, Amended Plat of Ladies Acre.

The following sites were also acquired by MCLA and then conveyed to BOCC for Habitat development. These sites are on the 12/13/23 BOCC agenda to lease to Habitat

- RE# 00305070-000000, 31142 Avenue F, bay side of Big Pine Key near mile marker 31, Lot 13, Block 36, Sands Subd. (PB 1-65).
- RE# 00305850-000000, 31371 Avenue F, bay side of Big Pine Key near mile marker 31, Lot 7, Block 41, Sands Subdivision (PB 1-65).
- RE# 00305880-000000, 31372 Avenue G, bay side of Big Pine Key near mile marker 31, Lot 10, Block 41, Sands Subdivision (PB 1-65).
- RE# 00307000-000000; 31250 Avenue I; bay side of Big Pine Key near mile marker 31, Lot 9, Block 49, Sands Subdivision (PB 1-65).

Habitat for Humanity (Middle Keys) requested MCLA purchase a duplex lot for future affordable housing development.

Habitat for Humanity (Upper Keys) requested MCLA purchase 10 lots for future affordable housing development. On the February 21, 2024 Governing Board agenda there are two purchases which will create an opportunity for Upper Keys Habitat to lease, then redevelop with affordable housing, after the MCLA closes on these purchases. MCLA will convey sites to BOCC and then BOCC will lease to Habitat.

Community Development Block Grant / Disaster Recovery (CDBG-DR) Voluntary Home Buyout Program Contact: Cynthia Guerra 305-453-8756

The Voluntary Home Buyout Program (VHBP) goal is to purchase property damaged by Hurricane Irma using a $15 million grant from the State of Florida after Hurricane Irma, to eliminate future flood risk and assist vulnerable populations in low-moderate income areas.

In total, 87 VHBP applications were received by staff and the County's consultants, Tetra Tech. As of January 31, 2024, two VHBP applications were actively being processed, 19 sold their parcels to the County through VHBP closings, and the remaining 66 either voluntarily withdrew or were deemed ineligible. Based on current program participation and data, and assuming remaining parcels in process are acquired by the County, staff has

estimated the county will expend approximately $13 million of the $15 million grant on the parcels with the remaining moneys being used for grant administration. Unless the grant agreement is extended, grant activities need to be completed by the grant agreement deadline of June 3, 2024. Staff have requested a 1 year extension to assure there is time to close out all necessary requirements.

In total, 20 VHBP purchase contracts were approved by BOCC. Nineteen of these transactions have closed, expending a total of $10,080,033.14 for VHBP acquisitions. The 19 transactions have retired 19 development rights (market rate ROGO Exemptions). All of the market rate ROGO Exemptions available from the VHBP transactions are being moved to the Administrative Relief Pool for market rate allocations.

Several acquisitions (closings) were delayed as a result of the DEO monitoring that took place in early 2023. DEO conducted the monitoring with outside consultants, including Horne. The final report was received May 11, 2023, and the report included 3 findings. Staff compiled a response to resolve the findings which was submitted to DEO on June 12, 2023. Since then, Monroe County has been working with DEO to close the findings.

Florida Forever Program Contact: Mark Rosch 305-295-5180

The State of Florida has made substantial investments in the Florida Keys purchasing conservation land pursuant to the Florida Forever Program. This program is administered by the Florida Department of Environmental Protection (DEP). The State has established three Florida Forever projects in the Keys:

- North Key Largo Hammocks
- Coupon Bight / Key Deer
- Florida Keys Ecosystem

As the end of ROGO approaches, the State's long-standing acquisition efforts are essential to reduce future liability. DEP should aggressively pursue land acquisition in the Keys because over 3,500 privately-owned vacant, undeveloped parcels lie within the Florida Forever project boundaries.

The Land Authority is assisting in this effort by serving as a local partner with DEP, pursuant to a memorandum of agreement between DEP and the County. In this role, the Land Authority helps locate suitable properties with willing sellers for DEP, obtains due diligence products for DEP, and pre-acquires conservation land for resale to the State. Since July 1, 2016, with the passage of the Florida Keys Stewardship Bill, DEP has spent approximately $9,963,581 and retired 149.9 development rights as of January 31, 2024.

The goal is for DEP to spend $5 million annually on acquisition in the Florida Forever boundary.

The table below demonstrates the annual expenditures by DEP, since passage of the Florida Keys Stewardship Bill through January 31, 2024:

STATE FISCAL YEAR	STATE PURCHASES FROM PRIVATE SELLERS*	STATE PURCHASES OF PRE-ACQUIRED LAND FROM MCLA*	TOTAL STATE PURCHASES*
2017	$0	$0	$0
2018	$709,246	$0	$709,246
2019	$2,037,381	$0	$2,037,381
2020	$1,177,841	$0	$1,177,841
2021	$695,492	$0	$695,492
2022	$89,732	$607,323	$697,055
2023	$210,828	$2,924,856	$3,135,684

2024	$0	$1,510,882	$1,510,882
TOTAL	$4,920,520	$5,043,062	$9,963,581

*Includes soft costs such as Appraisals, surveying, etc.

Since the goal of DEP spending $5 million annually under the Stewardship Bill has not been achieved by the State making direct purchases from private sellers, Land Authority and DEP staff established a system during 2022 where MCLA pre-acquires land in Florida Forever projects for resale to the State. As of January 31, 2024, this system has successfully resulted in the State purchasing $5,043,062 of pre-acquired property from MCLA since July 1, 2016 and $4,920,520 in direct purchases since July 1, 2016 for a total of $9,963,581. The following demonstrates the pre-acquisitions.

- MCLA/Radenhausen/Port Pine Heights 2nd Addition – Closed $ 46,123
- MCLA/Messera Selman/Cutthroat Harbor Estates – Closed $ 561,200
- MCLA/Carbonell/No Name Key – Closed $ 103,555
- MCLA/Epifano/Crains – Closed $ 38,686
- MCLA/Jattan/Sands – Closed $ 50,752
- MCLA/Koleda/Southern Pines, Kinercha, Sands - Closed $ 979,841
- MCLA/Vero Atlantic 2/Crains - Closed $ 215,891

• MCLA/Nall - Closed	$ 50,602
• MCLA/Page - Closed	$ 51,677
• MCLA/GilBessonValdivia - Closed	$ 68,973
	$ 5,043,062

The pre-acquisition system is expected to result in considerably more State closings in the near future. As of January 31, 2024, MCLA has either purchased or has a contract to purchase the following properties that are "in the pipeline" for ultimate resale to the State:

- Little/Eden Pines Colony
- Pass/Marion Park (36 lots)
- Weiss/Bay Haven Section 1
- Albury/Rainbow Beach
- HFHLK/Biggar – Ramrod Key Acreage
- Ruiz Trust/Sugarloaf Key Acreage
- HFHLK Dorn Rd/Rainbow Beach
- Tropical Isles, Inc./Long Beach Estates
- Atkinson/Sugarloaf Key Acreage
- Yingst/Big Pine Key Acreage
- Luong/Palm Villa
- Sakowski/Ramrod Key Acreage
- Weinstein/Pine Key Acres
- Boyd/Ramrod Shores First Addition
- Nelson/Little Knockemdown Key
- Tailored Homes, LLC/Port Pine Heights
- Ansell/Southern Pines and Crains
- Novacek/Summerland Estates Re-sub No. 2

Density Reduction Resale Program Contact: Christine Hurley 305-295-5180

The Monroe County Land Authority manages the County's density reduction efforts. When buildable lots are acquired under the Density Reduction Program, they may be resold to homeowners of contiguous properties or to Property Owner Associations, without the ability of the purchaser to ask for a Rate of Growth Ordinance (ROGO) allocation to build a residential unit with all density stripped from the land.

Duck Key

To date, 11 parcels have been resold on Duck Key. They were originally acquired for $927,000 with development rights. The County successfully resold them without development rights for $425,494, an average of $38.681 per Transferrable Development Right (TDR).

The BOCC approved a site on Jamaica for resale, not for a dog park; but for contiguous property owners and the POA. MCLA staff issued written letters to contiguous property owners and the POA soliciting bids for the property. Bids by contiguous property owners or the POA were due back by April 14, 2023. One bid was received from a contiguous property owner for $61,500. Approval to sell the site with a deed restriction was approved on the May BOCC agenda. We are currently working on the transaction.

The County Commission adopted an ordinance establishing a "Resale Program" on January 21, 2022.

Tropical Bay Estates

Following the newly adopted ordinance, the BOCC adopted a resolution authorizing resale of 9 lots in Tropical Bay Estates under this program. Staff issued direct bid notices to the contiguous property owners, as well as the Property Owner Association. Of the 9 lots, staff received 1 bid for one lot, 1 bid for a 2nd lot, and no bids for the remaining 7 lots. Both bids were approved by the BOCC on May 18, 2022. Staff have closed both sales.

Conservation Land Stewardship Program Contact: Beth Bergh 305-289-2511

The Monroe County Conservation Land Stewardship Program manages conservation properties owned by the Monroe County Land Authority as well as those conservation properties owned by the Board of County Commissioners (like lots dedicated to the County for conservation). Additionally, the program manages state-owned conservation properties where the County is the designated land manager, via lease agreements. Currently, the Land Stewardship staff manages approximately 3,939 County parcels (MCLA & BOCC combined) and 663 state-owned parcels.

Management activities on the conservation properties include invasive exotic plant removal, habitat restoration, native planting projects, cleanup of solid waste, and hazard tree trimming.

The following table shows updated land management statistics for the month of September 2023.

MONTH	YEAR	# of BOCC Parcels Managed	Acreage of BOCC parcels	# of MCLA Parcels Managed	Acreage of MCLA Parcels	# of State-owned parcels managed
September	2023	1,187	648	2,752	1,173	663

Hazard Mitigation Grant Program (HMGP) Elevation Contact: Mike Lalbachan 305-453-8796

The HMGP Elevation program goal is to apply for grants on behalf of eligible homeowners to fund elevation of existing homes and bring the finished floor above the minimum flood elevation required, to eliminate future flood risk.

After Hurricane Irma, the County submitted 23 applications for funding for home elevation.

As of August 24, 2022, there were 4 applicants with a total project cost of $756,147.00. The match amount of $189,036.76 would be paid by the applicants.

On December 16, 2022, FEMA approved the grant in the amount of $720,140.00 with a federal share of $540,105.00 and a homeowner share (non-federal cost) of $180,035.00. FEMA also allocated an additional $18,000.00 for management cost for the implementation of the project within the first year. An additional $18,000.00 is available for allocation if needed by the county as management cost for the implementation process beyond the first year.

The grant agreement was presented Monroe County BOCC and was approved on April 19,2023. The grant agreement was returned to the Florida Division of Emergency Management (FDEM) for execution. FDEM executed the contract on May 2, 2023.

Unfortunately, after working with each of the homeowners (Christopher Mallory, Lisa Bragan, Mark Peterson and Yasser Ramos Hernandez) each applicant withdrew from the program, citing issues with the following as reasons:

- Unable to elevate an older mobile home, due to structural issues
- Unable to fund match money for the grant
- Unable to find a elevation contractor (several contractors have left the Keys)
- Unable to find a general contractor willing to abide by the conditions in the contract developed by Monroe County to meet the grant requirements as well as the conditional language related to insurance requirements and bonding
- Upon working with Flood Insurance agents it was discovered under Risk Rating 2.0, there would no longer be substantial insurance savings upon elevation of the home

The homeowners have notified the County that they will not continue with the elevation of their homes and would like to be removed from the grant process. Staff presented an agenda item (2023-1897: F9) to the Monroe County Board of County Commissioners to cancel the grant agreement develop developed and executed on May 2, 2023 between the County and the FDEM.

HMGP-Post Fire Grant: Elevation

FY22

On August 22, 2022, the Florida Division of Emergency Management (FDEM) informed the County that there is funding available through the Hazard Mitigation Grant Program (HMGP) Post-Fire, authorized by Section 20602 of the Bipartisan Budget Act of 2018. The incident period includes those counties that have been declared for a Fire Management Assistance (FMA) between the dates of March 4, 2022, through March 6, 2022. The State of Florida received two FMA declarations during this time period: FM-5424 (1707 Adkins Ave), and FM-5426 (Chipola Fire Complex). The State of Florida was awarded a flat amount of HMGP funding per declaration ($1,048,736.00), which was then aggregated into one HMGP Post-Fire declaration, FM-5424-FL.

FDEM also informed Monroe county that funding not utilized by affected counties listed above can be reallocated to other counties throughout the state. As a result, staff submitted an HMGP elevation application for funding.

Moreover, the County received residential elevation applications from homeowners in 2021 for the Flood Mitigation Assistance (FMA) grant program; however, FEMA notified the County that there was not enough funding to approve these elevation projects. As a result, the staff worked with these homeowners to resubmit their application under this Post Fire Grant.

There is a total number of 6 applicants in this application of total project cost of $1,207,647.00 with a federal share of $905,735.25. The difference of $301,911.75 will be paid by each property owner for their respective share of the project costs. Finally, 3 of the applicants were from the City of Key West, 2 were from Big Pine Key and 1 from Summerland Key.

On February 17, 2023, the FDEM notified the County that they are reviewing the application for consideration of funding. Additional information was provided to FDEM to for their review.

On June 13th, 2023, the County posted a public notice on the Monroe County website about these projects while FDEM was preparing to submit these projects to FEMA for funding consideration.

HMGP - Hurricane Ian (FEMA 4673): Elevation and Mitigation Reconstruction

FY23

On February 21,2023, the Florida Division of Emergency Management (Division) announced the availability of Hazard Mitigation Grant Program (HMGP) from the Presidential Disaster Declaration for Hurricane Ian (FEMA 4673-DR-FL). Monroe County (both unincorporated and incorporated Monroe County) was allocated $3,582,750.00 as Tier 1 funding (Tier 1 funding is allocated to counties included in the Declaration in proportion to each county's share of federal disaster funding from the Public Assistance (PA), Individual Assistance (IA), and Small Business Administration (SBA) Disaster Loan Program as of 120 days after a Disaster Declaration as reported by FEMA).

The Division advised the County to submit additional HMGP applications in an amount greater than the tier 1 allocation, since typically tier 1 funds are not always spent and then the Division reallocates funds into tier 2 or 3.

Moreover, the County received residential elevation and mitigation reconstruction applications from homeowners in the 2022 Flood Mitigation Assistance (FMA) grant program, which have a very low possibility of getting funded in FMA, since they are non-repetitive loss, which are prioritized by FEMA in the FMA program.

Finally, the HMGP program does not prioritize residential elevation and mitigation reconstruction applications on flood damages; therefore, the County submitted the following applications for Hurricane Ian HMGP funding.

Hurricane Ian: Elevation

3 residential elevation applications with a total of 20 applicants for hurricane Ian in the amount of $5,639,081.00 with a federal share of $4,229,311.20. The difference of $1,409,769.80 will be paid by each property owner for their respective share of the project costs. Finally, 13 of the applicants were from the City of Key West, 2 were from Big Pine Key, 2 were from Sugarloaf Key, 2 were from Tavernier and 1 was from Long Key.

Hurricane Ian: Mitigation Reconstruction

2 residential mitigation reconstruction applications with a total of 8 applicants for hurricane Ian in the amount of $3,828,261.00with a federal share of $2,871,195.70. The difference of $957,065.30 will be paid by each property owner for their respective share of the project costs. Finally, 5 of the applicants were from the City of Key West, 1 was from Key Largo, 1 from Big Pine Key and 1 from Little Torch Key.

On October 23, 2023, the Florida Division of Emergency Management notified the County that they are currently reviewing all applications for completeness. As a result, FDEM has sent the County "Request for Additional Information". Staff have provided the information requested.

HMGP - Hurricane Nicole (FEMA 4680): Elevation and Mitigation Reconstruction

FY23

On May 19, 2023, the Florida Division of Emergency Management (Division) announced the availability of Hazard Mitigation Grant Program (HMGP) from the Presidential Disaster Declaration for Hurricane Nicole (FEMA 4680-DR-FL). Monroe County (both unincorporated and incorporated Monroe County) was not allocated any funding in the tier 1 allocation (Tier 1 funding is allocated to counties included in the Declaration in proportion to each county's share of federal disaster funding from the Public Assistance (PA), Individual Assistance (IA), and Small Business Administration (SBA) Disaster Loan Program as of 120 days after a Disaster Declaration as reported by FEMA).

The Division advised the County to submit HMGP applications since typically tier 1 funds are not always spent and then the Division reallocates funds into tier 2 or 3.

Moreover, the County received residential elevation and mitigation reconstruction applications from homeowners in the 2022 Flood Mitigation Assistance (FMA) grant program, which have a very low possibility of getting funded in FMA, since they are non-repetitive loss, which are prioritized by FEMA in the FMA program.

Finally, the HMGP program does not prioritize residential elevation and mitigation reconstruction applications on flood damages; therefore, the County submitted the following applications for Hurricane Ian HMGP funding.

Hurricane Nicole: Elevation

4 residential elevation applications with a total of 26 applicants for hurricane Nicole in the amount of $6,846,526.60 with a federal share of $5,134,894.90. The difference of $1,711,631.70 will be paid by each property owner for their respective share of the project costs. Finally, 16 of the applicants were from the City of Key West, 4 were from Big Pine Key, 2 were from Sugarloaf Key, 2 were from Tavernier, 1 was from Long Key and 1 was Summerland Key

Hurricane Nicole: Mitigation Reconstruction

2 residential mitigation reconstruction applications with a total of 8 applicants for hurricane Nicole in the amount of $3,828,261.00 with a federal share of $2,871,195.70. The difference of $957,065.30 will be paid by each property owner for their respective share of the project costs. Finally, 5 of the applicants were from the City of Key West, 1 was from Key Largo, 1 from Big Pine Key and 1 from Little Torch Key.

Flood Mitigation Assistance (FMA) Elevation Contact: Mike Lalbachan 305-453-8796

FY21

For the first time, Monroe County pursued elevations of private property through this program. After extensive outreach within the County and cities, staff worked with private property owners and submitted the following 2021 Flood Mitigation Assistance (FMA) grant applications into the FDEM/FEMA system by the State of Florida Department of Emergency Management (FDEM) deadline of 11/12/21. The FEMA deadline was 01/28/2022.
11 Elevation Projects were submitted, for a total funding request of $2,142,210.00 with $535,552.00 to be paid by the private property owners. The applicants are located in the following geographic areas:

- 7 unincorporated Monroe
- 4 Key West

On August 2nd, 2022, the Florida Division of Emergency Management (FDEM) notified the County that FEMA has reviewed the 11 projects, and they were not selected for funding consideration due the number of applications received by FEMA for funding and the amount of funding that were allocated in the 2021 FMA application cycle.

Staff research indicated that FEMA prioritized Severe Repetitive Loss (SRL) and Repetitive Loss (RL) properties over other properties in the application cycle. Monroe County did not have any SRL or RL properties in the 2021 FMA elevation application cycle.

Staff worked with the applicants that were not funded to include them in the FY22 application if they so desired.

FY22

For FY 2022, FEMA allocated $400 million for individual flood mitigation projects under the Flood Mitigation Assistance grant program. Individual flood mitigation consists of home elevation, mitigation reconstruction and acquisition and demolition. The most essential criteria to participate in this program is: the homeowners must have an NFIP policy in effect at the application start date and must maintain it through completion of the flood hazard mitigation activity and for the life of the structure.

As a result, staff assisted private homeowners throughout the Florida Keys to develop applications and then submitted applications to the Florida Division of Emergency Management (FDEM) and FEMA. The FDEM deadline for 2022 was November 14, 2022.

The applications submitted for residential elevation included forty-four (44) residents:

- City of Key West-32 residents
- Big Pine Key-5 residents
- Sugarloaf Key and Summerland Key-3 residents
- Long Key- 1 resident
- Tavernier-2 residents
- Key Largo-1 resident

The total project cost for these 44 properties is: $11,070,832.00 with a federal share of $8,695,372.04 and a homeowner share of $2,375,459.96.

Federal cost share funding is available for up to 75% of the eligible activity costs. However, FEMA may contribute increased federal cost share for properties that are insured under the National Flood Insurance Program at the time of application and meet the definitions of Severe Repetitive Loss or Repetitive Loss. There were seven (7) homeowners with either Severe Repetitive Loss or Repetitive Loss within these applications.

On August 28, 2023, FEMA published on their website that all applications in this submission were "identified for further review" (Sub-applications identified for further review contain sufficient information for a preliminary determination of cost-effectiveness and feasibility. In certain instances, FEMA may work with applicants to confirm cost-effectiveness and feasibility. Identification for further review is not a notification of award).

FY23

For FY 2023, FEMA allocated $220 million for individual flood mitigation projects under the Flood Mitigation Assistance grant program. Individual flood mitigation consists of home elevation, mitigation reconstruction and acquisition and demolition. The most essential criteria to participate in this program is: the homeowners must have an NFIP policy in effect at the application start date and must maintain it through completion of the flood hazard mitigation activity and for the life of the structure.

As a result, staff assisted private homeowners throughout the Florida Keys to develop applications and then submitted applications to the Florida Division of Emergency Management (FDEM) and FEMA. The FDEM deadline for 2023 was December 1st, 2023.

Staff submitted six (6) applications; however, after the FDEM reviews, five (5) applications were accepted and will be forwarded to the FEMA. The applications submitted for residential elevation included five (5) residents:

- City of Key West - 3 residents
- Stock Island - 1 resident
- Key Largo – 1 resident

The total project cost for these 5 properties is: $1,732,661.11 with a federal share of $1,387,065.84 and a homeowner share of $345,595.29.

Federal cost share funding is available for up to 75% of the eligible activity costs. However, FEMA may contribute increased federal cost share for properties that are insured under the National Flood Insurance Program at the time of application and meet the definitions of Severe Repetitive Loss or Repetitive Loss. There was one (1) homeowner with a Severe Repetitive Loss property.

Flood Mitigation Assistance (FMA) Acquisition and Demolition Contact: Mike Lalbachan 305-453-8796

FY21, FY22 and FY23

There were no applications received during the FY21, FY22 and FY23 grant cycles.

Flood Mitigation Assistance (FMA) Mitigation Reconstruction Contact: Mike Lalbachan 305-453-8796

FY21

For the first time, Monroe County pursued mitigation reconstruction (demolition/reconstruction) of private property through this program. After extensive outreach within the County and cities, staff worked with private property owners and submitted the following 2021 FMA grant applications into the FDEM/FEMA system by the State of Florida Department of Emergency Management (FDEM) deadline 11/21/2021. The FEMA deadline was 01/28/2022.

5 Mitigation Reconstruction projects were submitted for a total funding request of $1,094,175 with $406,295.00 to be paid by the private property owners. The applicants are located in the following geographic areas:

- 1 unincorporated Monroe
- 3 Marathon
- 1 Key West

On August 2nd, 2022, the Florida Division of Emergency Management (FDEM) notified the County that FEMA has reviewed the projects and 4 of the 5 properties will be moving forward for further review. The four properties that were selected for further review were grouped together during the application cycle by staff, and within this group, one of the properties was considered an RL property.

The property that was not considered did not have any past flood losses to the NFIP and was submitted individually because the mitigation value was greater than the others and needed a Cost-Benefit Analysis review by FDEM.

Of those requests, 4 Mitigation Reconstruction projects for a total funding request of $785,160.00 with $275,041.00 to be paid by the private property owners were recommended by FEMA for further review.

On May 28th, 2023, FEMA asked if designs were available for these homes; however, the homeowners did not start the design process. The County informed FEMA that the designs were unavailable.

Finally, for the entire State of Florida FY 2021 FMA grant cycle, 30 projects were submitted by various Florida Communities and only 6 were Identified BY FDEM for Further Review by FEMA. The funding for those 6 projects selected for further review is $3,899,974 in total project costs, with Monroe County being one of the 6, that project includes 4 structures estimated to cost $785,160.00.

Staff worked with the applicant that was not funded to include them in the FY22 application.

FY22

For 2022, staff assisted thirteen (13) residents developed and submitted mitigation reconstruction applications to the Florida Division of Emergency Management under the FMA program. The application submitted included residents from:

- City of Key West-8 residents
- Big Pine Key-1 resident
- City of Marathon-1 resident
- Little Torch Key-1 resident
- Key Largo-2 residents

The total project cost for these 13 properties is: $5,555,148.00 with a federal share of $2,510,714.00 and a homeowner share of $3,044,434.00.

Federal cost share funding is available for up to 75% of the eligible activity costs. However, FEMA may contribute increased federal cost share for properties that are insured under the National Flood Insurance Program at the time of application and meet the definitions of Severe Repetitive Loss or Repetitive Loss. There were two (2) homeowners with either Severe Repetitive Loss or Repetitive Loss within these applications.

On August 28, 2023, FEMA published on their website that all applications in this submission were "identified for further review" (Sub-applications identified for further review contain sufficient information for a preliminary determination of cost-effectiveness and feasibility. In certain instances, FEMA may work with applicants to confirm cost-effectiveness and feasibility. Identification for further review is not a notification of award).

FY23

For 2023, staff developed and submitted sixteen (16) mitigation reconstruction applications; however, after the Florida Division of Emergency Management reviews, eight (8) application were accepted and will be part of a final review and then forwarded to the FEMA. The applications submitted included residents from:

- Sugarloaf Key – 1 resident
- Long Key – 1 resident
- City of Marathon - 1 resident
- Islamorada – 1 resident
- Lower Matecumbe Key – 1 resident
- Tavernier – 1 resident

- Key Largo-2 residents

The total project cost for these 8 properties is: $4,789,684.20 with a federal share of $2,387,518.90 and a homeowner share of $2,402,165.30.

Federal cost share funding is available for up to 75% of the eligible activity costs. However, FEMA may contribute increased federal cost share for properties that are insured under the National Flood Insurance Program at the time of application and meet the definitions of Severe Repetitive Loss or Repetitive Loss. There was one (1) homeowner with a Severe Repetitive Loss structure within these applications.

2023-2059

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase Tier 1 property for conservation - Block 9, Lot 4, Southern Pines on Big Pine Key near mile marker 31 and also property for conservation within the City of Marathon - Block 48, Lots 1 and 2, Crains on Grassy Key near mile marker 58 from Charles William Ansell, II for the price of $70,000.

ITEM BACKGROUND:

This acquisition is proposed to protect property rights and the natural environment and to reduce potential liability for takings suits.

The Big Pine Key property is located on an undeveloped road and the Grassy Key property is located on Avocado Avenue.

Purchase Price and Estimated Closing Costs:

- Purchase Price: $70,000.00
- Cost of Appraisal: $1,700.00 (paid by the BOCC and eligible for reimbursement by DEP)
- Cost of Survey: $0.00
- Title Fees & Insurance: $877.50
- Attorney Fee and Mobile Notary Fees: $725.00
- Recording Fees: $35.50
- Total Costs: $73,388.00

Attributes of the Subject Property:

- Parcel ID#: 00275230-000000, 00372860-000000, and 00372870-000000
- Size: 20,375 square feet (5,375 square feet on Big Pine Key and 15,000 square feet on Grassy Key)
- Tier Designation: Tier 1 – Natural Area (Big Pine Key). The Grassy Key lots do not have a Tier designation.

- Zoning Designation: Suburban Residential (Big Pine Key) and Residential Conservation (Grassy Key)
- Future Land Use Map Designation: Residential Low (Big Pine Key) and Conservation (Grassy Key)
- Vegetation: Mapped as hammock.
- Acquisition List Qualification: This property qualifies because it is Tier 1 (Big Pine Key) and because the City of Marathon nominated it as a priority acquisition (Grassy Key).
- Florida Forever Boundary: This property is inside the Florida Forever boundary.
- Transferrable Development Rights (TDRs): 0.092 TDRs
- Cost per TDR: $760,870
- ROGO and BPAS Dedication Points: 6 points
- Cost per ROGO and BPAS Dedication Point: $11,667

The subject property could potentially be sold to the State of Florida, which would result in some or all of the acquisition costs being reimbursed.

ADVISORY COMMITEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend purchasing this property for the price of $70,000.

PREVIOUS RELEVANT BOCC ACTION:

The Board has approved the purchase of other conservation properties in these subdivisions.

AGREEMENT FOR THE PURCHASE OF LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between

Charles William Ansell, II

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority") acting by and through the Executive Director of the LAND AUTHORITY.

WITNESSETH:

1. In consideration of Ten Dollars ($10.00) in hand, paid by the LAND AUTHORITY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the LAND AUTHORITY certain lands upon the terms and conditions hereinafter set forth, and for the price of **$70,000.00** for all of the lands and other interests, which lands shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the Seller’s rights in or arising by reason of ownership thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

   Block 9, Lot 4, Southern Pines (PB 1-112) and Block 48, Lots 1 and 2, Crains (PB 1-51)
   Parcel ID# 00275230-000000, 00372860-000000, and 00372870-000000

2. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the LAND AUTHORITY the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

   Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

   The LAND AUTHORITY, at the LAND AUTHORITY’S expense, within the time allowed to deliver evidence of title and to examine same, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

   Seller(s) shall convey a marketable title subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The LAND AUTHORITY shall have sixty (60) days from the Effective Date in which to examine title. If title is found defective, the LAND AUTHORITY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unmarketable the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the LAND AUTHORITY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

3. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or title to said lands may be diminished or encumbered while this Agreement is pending. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the LAND

AUTHORITY by reasons of the unauthorized cutting or removal of products therefrom, or because of fire, shall be borne by the Seller(s); and that, in the event any such loss or damage occurs, the LAND AUTHORITY may, without liability, refuse to accept conveyance of said lands.

4. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the LAND AUTHORITY shall have at all reasonable times the unrestricted right and privilege to enter upon said lands for all proper and lawful purposes, including examination of said lands and the resources upon them. The Seller(s) hereby waive their rights to any and all claims against the LAND AUTHORITY, Monroe County, or the State of Florida associated with, or arising from ownership of, said lands and this waiver shall survive closing.

5. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the LAND AUTHORITY a good and sufficient deed of warranty conveying to the LAND AUTHORITY a marketable title to the said lands of such character as to be satisfactory to the legal counsel of the LAND AUTHORITY and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the LAND AUTHORITY governing the use, occupation, protection and administration of lands.

6. In consideration whereof the LAND AUTHORITY agrees that it will purchase all of said lands and other interests at the price of **$70,000.00**. The LAND AUTHORITY further agrees that, after the preparation, execution, and delivery of the deed, and after the legal counsel of the LAND AUTHORITY shall have approved the title thus vested in the LAND AUTHORITY, it will cause to be paid to the Seller(s) the purchase price. The LAND AUTHORITY shall pay the following expenses associated with the conveyance of the property: deed recording fees, settlement fees, abstract fees, title examination fees, the Buyer's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the LAND AUTHORITY, or the effective date of possession of such real property by the same, whichever is earlier. The Seller(s) shall pay the expenses of documentary stamps to be affixed to the deed and real estate commissions, if any. Full possession of the premises shall pass to the LAND AUTHORITY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the property herein contracted to be sold, satisfactory to the legal counsel of the LAND AUTHORITY will be obtained by the LAND AUTHORITY at its expense. The Seller(s) expressly agree herein to furnish to the LAND AUTHORITY any documents in Seller(s)'s possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.

8. It shall be the obligation of the Seller(s) to pay all taxes and assessments outstanding as liens at the date title vests of record in the LAND AUTHORITY, whether or not such taxes and assessments are then due and payable.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

2809 Flagler Avenue
Key West, FL 33040

and shall be effective upon date of mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of paragraph 6 hereof.

10. The property shall be delivered at closing free of any tenant or occupancy whatsoever.

11. The Seller(s) shall close any open building permits or code enforcement proceedings prior to closing.

12. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the LAND AUTHORITY has signed this Agreement.

13. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **January 19, 2024** to sign and return this Agreement to the LAND AUTHORITY. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the closing of this transaction is contingent upon approval by the Advisory Committee and Governing Board of the LAND AUTHORITY, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed within one hundred eighty (180) days from the Effective Date, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the LAND AUTHORITY or its authorized representative, or any other office or agent of the LAND AUTHORITY authorized to purchase said lands, the option and right to enter into this Agreement for Purchase within sixty (60) days from the execution thereof by the Seller(s).

Seller/ **Charles William Ansell, II**

The MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY, acting by and through its EXECUTIVE DIRECTOR in accordance with Resolution 03-2016, has executed this Agreement on behalf of the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY this _____ day of _____, 2024.

MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY

(Seal)

_____
Christine Hurley, Executive Director

Sponsored by: Zieg

CITY OF MARATHON, FLORIDA
RESOLUTION 2016-48

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, REQUESTING THAT THE MONROE COUNTY LAND AUTHORITY / BOARD OF COUNTY COMMISSIONERS PRIORITIZE PURCHASE OF THE ATTACHED LIST OF PROPERTIES WITHIN THE CITY OF MARATHON AS OPPORTUNITY AND FUNDING ARE AVAILABLE FOR THE PURPOSES OF HABITAT PROTECTION, CONSERVATION AND PRESERVATION AS WELL AS REDUCING THE POTENTIAL FOR TAKINGS CASES WITHIN THE CITY; PROVIDING FOR TRANSMITTAL OF THIS RESOLUTION TO THE LAND AUTHORITY; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the City of Marathon (the "City") is located within the Florida Keys, a designated Area of Critical State Concern; and

WHEREAS, the City Council of Marathon (the "City Council") is elected to represent the best interests of City residents; and

WHEREAS, the Comprehensive Plan for the City of Marathon requires that the City acquire, protect, conserve, and restore properties within its jurisdiction for the purposes of habitat conservation; and

WHEREAS, the City of Marathon has purchased or otherwise acquired a substantial number of parcels for the purposes of habitat conservation amongst other public purposes, and

WHEREAS, particularly, the City of Marathon owns over one hundred and eighty parcels and manages an additional 225 parcels strictly for the purpose conservation and habitat protection; and

WHEREAS, the City has identified four hundred and thirty-two (432) parcels, in no particular priority, that represent the most important pieces of property for conservation and habitat protection remaining in private ownership within the City of Marathon; and

WHEREAS, there are multiple reasons for selecting the 432 parcels identified, including critical habitat protection, limited potential for development under the City's Land Development Regulations, some limited opportunity for recreational use, infill to other conservation and land management efforts, and minimization of potential takings cases; and

WHEREAS, the 432 parcels suggested for purchase sum to a total of approximately 1,398 acres with a range in size from approximately one tenth of an acre to as large as 198 acres, and with the average parcel size being 3.23 acres; and

WHEREAS, the 432 parcels suggested for purchase contain the following habitats listed from greatest acreage to least acreage:

Mangroves	815.23 acres
Water	376.68 acres
Hammock	78.75 acres
Buttonwood	54.21 acres
Saltmarsh	14.48 acres
Other	58.65 acres

WHEREAS, the total taxable value of the parcels suggested for purchase based on January 2016 Monroe County Property Appraiser values, is approximately $7,248,374 with a minimum value of $10, a maximum taxable value of $361,814, and an average taxable value of $16,778.; and

WHEREAS, 349 of the parcels suggested for purchase are on the current Florida Forever purchase list, and thus would be typically prioritized for purchase by the State and Monroe County Land Authority; and

WHEREAS, the remaining 83 parcels not on the Florida Forever list are considered by the City to have conservation value similar in priority to the those on the Florida Forever list, thus due consideration should still be given for these purchases as well based on the City's willingness to manage them; and

WHEREAS, the City requests that the Monroe County Land Authority / Board of County Commissioners purchase the parcels suggested based on a concerted effort to purchase the parcels and as funding is available,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, THAT:

Section 1. The above recitals are true and correct and incorporated herein.

Section 2. The City Council of the City of Marathon requests that the Monroe County Land Authority / Board of County Commissioners in a concerted effort, seek the purchase of four hundred and thirty-two (432) parcels within the City of Marathon, as identified in Exhibit A, for the purposes of critical habitat protection, limited potential for development under the City's Land Development Regulations, some limited opportunity for recreational use, infill to other conservation and land management efforts, and minimization of potential takings cases.

Section 3. The City further requests that land thus acquired be transferred to the City of Marathon for management by the City.

Section 4. **Transmittal.** The City Council hereby directs that a copy of this Resolution be transmitted to the Executive Director of the Land Authority, the County Administrator and any other appropriate parties as soon as possible.

Section 5. **Effective Date**. This resolution shall take effect immediately upon its adoption.

PASSED AND APPROVED BY THE CITY COUNCIL OF THE CITY OF MARATHON, FLORIDA, THIS 14TH DAY OF JUNE, 2016

THE CITY OF MARATHON, FLORIDA

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Holly Merrill Raschein, District 5
Mayor Pro Tem James K. Scholl, District 3
Craig Cates, District 1
Michelle Lincoln, District 2
David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: G7
2023-2065

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase Tier 2 property for Administrative Relief and Density Reduction - Block 11, Lot 12, Tropical Bay 3rd Addition on Big Pine Key near mile marker 30 from Thomas Carl Rothdeutsch for the price of $120,000.

ITEM BACKGROUND:

This acquisition is proposed to provide ROGO Administrative Relief pursuant to Monroe County Commission Resolution 572A-2023 and to reduce density.

The subject property is located at 30499 Hawk Lane on the bay side of Big Pine Key.

Purchase Price and Estimated Closing Costs:

- Purchase Price: $120,000.00
- Cost of Appraisal: $1,900.00
- Cost of Survey: $0.00
- Title Fees & Insurance: $1,150.00
- Attorney Fee and Mobile Notary Fees: $725.00
- Recording Fees: $35.50
- Total Costs: $123,810.50

Attributes of the Subject Property:

- Parcel ID#: 00314240-000000
- Size: 8,100 square feet
- Tier Designation: Tier 2 – Transition and Sprawl Reduction Area
- Zoning Designation: Improved Subdivision-Masonry (IS-M)
- Future Land Use Map Designation: Residential Medium (RM)
- Vegetation: Mapped as Developed Land
- Acquisition List Qualification: This property qualifies because it is for Administrative Relief.

- Florida Forever Boundary: This property is outside the Florida Forever boundary.
- Transferrable Development Rights (TDRs): 1 TDR
- Cost per TDR: $120,000
- ROGO Dedication Points: 2 points
- Cost per ROGO Dedication Point: $60,000

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend purchasing this property for the price of $120,000.

PREVIOUS RELEVANT BOCC ACTION:

The Board has approved the purchase of other properties in this subdivision.

AGREEMENT FOR THE PURCHASE OF LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between

Thomas Carl Rothdeutsch

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority") acting by and through the Executive Director of the LAND AUTHORITY.

WITNESSETH:

1. In consideration of Ten Dollars ($10.00) in hand, paid by the LAND AUTHORITY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the LAND AUTHORITY certain lands upon the terms and conditions hereinafter set forth, and for the price of **$120,000.00** for all of the lands and other interests, which lands shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the Seller’s rights in or arising by reason of ownership thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

   Block 11, Lot 12, Tropical Bay 3rd Addition (PB 5-81)
   Parcel ID# 00314240-000000

2. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the LAND AUTHORITY the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

   Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

   The LAND AUTHORITY, at the LAND AUTHORITY’S expense, within the time allowed to deliver evidence of title and to examine same, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

   Seller(s) shall convey a marketable title subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The LAND AUTHORITY shall have sixty (60) days from the Effective Date in which to examine title. If title is found defective, the LAND AUTHORITY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unmarketable the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the LAND AUTHORITY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

3. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or title to said lands may be diminished or encumbered while this Agreement is pending. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the LAND

AUTHORITY by reasons of the unauthorized cutting or removal of products therefrom, or because of fire, shall be borne by the Seller(s); and that, in the event any such loss or damage occurs, the LAND AUTHORITY may, without liability, refuse to accept conveyance of said lands.

4. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the LAND AUTHORITY shall have at all reasonable times the unrestricted right and privilege to enter upon said lands for all proper and lawful purposes, including examination of said lands and the resources upon them. The Seller(s) hereby waive their rights to any and all claims against the LAND AUTHORITY, Monroe County, or the State of Florida associated with, or arising from ownership of, said lands and this waiver shall survive closing.

5. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the LAND AUTHORITY a good and sufficient deed of warranty conveying to the LAND AUTHORITY a marketable title to the said lands of such character as to be satisfactory to the legal counsel of the LAND AUTHORITY and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the LAND AUTHORITY governing the use, occupation, protection and administration of lands.

6. In consideration whereof the LAND AUTHORITY agrees that it will purchase all of said lands and other interests at the price of **$120,000.00**. The LAND AUTHORITY further agrees that, after the preparation, execution, and delivery of the deed, and after the legal counsel of the LAND AUTHORITY shall have approved the title thus vested in the LAND AUTHORITY, it will cause to be paid to the Seller(s) the purchase price. The LAND AUTHORITY shall pay the following expenses associated with the conveyance of the property: deed recording fees, settlement fees, abstract fees, title examination fees, the Buyer's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the LAND AUTHORITY, or the effective date of possession of such real property by the same, whichever is earlier. The Seller(s) shall pay the expenses of documentary stamps to be affixed to the deed and the removal of trash, debris, and structures from the property, if any, and real estate commissions, if any. Full possession of the premises shall pass to the LAND AUTHORITY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the property herein contracted to be sold, satisfactory to the legal counsel of the LAND AUTHORITY will be obtained by the LAND AUTHORITY at its expense. The Seller(s) expressly agree herein to furnish to the LAND AUTHORITY any documents in Seller(s)'s possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.

8. It shall be the obligation of the Seller(s) to pay all taxes and assessments outstanding as liens at the date title vests of record in the LAND AUTHORITY, whether or not such taxes and assessments are then due and payable.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

3667 Southseas Street
Big Pine Key, FL 33043

and shall be effective upon date of mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of paragraph 6 hereof.

10. The property shall be delivered at closing free of any tenant or occupancy whatsoever.

11. The Seller(s) shall close any open building permits or code enforcement proceedings prior to closing.

12. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the LAND AUTHORITY has signed this Agreement.

13. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **January 29, 2024** to sign and return this Agreement to the LAND AUTHORITY. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the closing of this transaction is contingent upon approval by the Advisory Committee and Governing Board of the LAND AUTHORITY, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed within one hundred eighty (180) days from the Effective Date, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the LAND AUTHORITY or its authorized representative, or any other office or agent of the LAND AUTHORITY authorized to purchase said lands, the option and right to enter into this Agreement for Purchase within sixty (60) days from the execution thereof by the Seller(s).

Seller/ **Thomas Carl Rothdeutsch**

_____
Christine Hurley, Executive Director

RESOLUTION NO. 572A –2023

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS **APPROVING** THE REQUEST FOR ADMINISTRATIVE RELIEF MADE BY THOMAS ROTHDEUTSCH ON PROPERTY DESCRIBED AS LOT 12, BLOCK 11, TROPICAL BAY 3RD ADD., BIG PINE KEY, RE # 00314240-000000 IN THE FORM **OF A PURCHASE OFFER FROM THE MONROE COUNTY LAND AUTHORITY.**

WHEREAS, Thomas Rothdeutsch submitted an application for administrative relief under Policy 101.7.1 of the **Monroe County Year 2030 Comprehensive Plan**; and

WHEREAS, the Department of Planning and Environmental Resources provided a staff report to the Monroe County Board of County Commissioners regarding the application; and

WHEREAS, the Monroe County Board of County Commissioners makes the following findings of fact and conclusions of law:

1. The application for administrative relief from Thomas Rothdeutsch is for Lot 12, Block 11, Tropical Bay 3rd Addition, Big Pine Key in Monroe County, Florida having Real Estate No. 00314240-000000.
2. The date of the ROGO application is 05/29/2019.
3. The ROGO allocation application has been in the ROGO system for at least four (4) consecutive years and qualifies for administrative relief under Policy 101.7.1 of the Monroe County Year 2030 Comprehensive Plan.
4. Monroe County Code (MCC) Section 138-27 provides a mechanism whereby an applicant who has not received an allocation award in ROGO may apply to the Board of County Commissioners for administrative relief.
5. The Board of County Commissioners (BOCC) has the authority to grant administrative relief under Policy 101.7.1 and may grant the applicant a building allocation, offer to purchase the property at fair market value, or provide such other relief as may be necessary and appropriate.
6. The applicant applied for administrative relief on 09/19/2023, under Section 138-27 of the MCC and Policy 101.7.1 of the Monroe County Year 2030 Comprehensive Plan.
7. Policy 101.7.1 and Policy 105.2.8 of the Monroe County Year 2030 Comprehensive Plan provides criteria to be used for determining lands that are appropriate for acquisition and the criteria includes the environmental sensitivity of the vegetative habitat on the lot and the applicable Tier designation.

9. The subject property has the land use district designation of Improved Subdivision (IS) and is located in the Tropical Bay 3rd Addition Subdivision and is located in a Tier II designated area and is also within the Florida Forever acquisition boundary.

10. Monroe County Year 2030 Comprehensive Plan Policy 101.7.1 and Policy 105.2.8 states the Board may offer to purchase property as the preferred action for property located within Tier II.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Administrative relief is granted to Thomas Rothdeutsch, for Lot 12, Block 11, Tropical Bay 3rd Addition, Big Pine Key, Real Estate No. 00314240-000000 in the form of a purchase offer by the Monroe County Land Authority.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the 13th day of December, 2023.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: G8
2023-2066

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a resolution authorizing the conveyance of real property described as Block 11, Lot 12, Tropical Bay Third Addition (PB 5-81) on Big Pine Key to Monroe County for density reduction subject to a Land Use Restriction Agreement (LURA).

ITEM BACKGROUND:
The Land Authority is in the process of purchasing Block 11, Lot 12, Tropical Bay Third Addition on Big Pine Key for ROGO Administrative Relief and density reduction using funding from the Land Authority's ROGO Reserve Fund.

Density reduction lots are maintained by the BOCC and Monroe County has already acquired a number of density reduction lots in the Tropical Bay neighborhood.

The proposed resolution authorizes the Land Authority to convey the property to Monroe County so the property can be managed in a coordinated manner with the other County owned lots in the neighborhood. Consistent with the County's density reduction goals, the conveyance will be subject to a Land Use Restriction Agreement (LURA) extinguishing the property's density but allowing the County to sell the property.

Estimated Closing Costs:

- Sales Price: $0
- Closing Fee: $250
- Attorney Fee: $475
- Recording Fees: $79
- Total Cost: $804

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend approval of the proposed resolution.

RESOLUTION NO. _____

A RESOLUTION OF THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY AUTHORIZING THE CONVEYANCE OF REAL PROPERTY DESCRIBED AS BLOCK 11, LOT 12, TROPICAL BAY THIRD ADDITION (PB 5-81) ON BIG PINE KEY TO MONROE COUNTY FOR DENSITY REDUCTION SUBJECT TO A LAND USE RESTRICTION AGREEMENT (LURA).

WHEREAS, the Monroe County Board of County Commissioners (hereinafter "BOCC") approved Resolution 572A-2023 approving the request for Administrative Relief made by Thomas Rothdeutsch on the above referenced property (hereinafter "Subject Property") in the form of a purchase offer from the Monroe County Comprehensive Plan Land Authority (hereinafter "Land Authority"); and

WHEREAS, the Land Authority has contracted to purchase the Subject Property for density reduction and said purchase will be funded from the Land Authority's Rate of Growth Ordinance (ROGO) Reserve Fund; and

WHEREAS, Density Reduction lots are maintained by the BOCC and the BOCC has requested the Land Authority convey the Subject Property to Monroe County subject to a Land Use Restriction Agreement; and

WHEREAS, on February 1, 2024, the Land Authority Advisory Committee voted x/x to recommend _____ of this resolution; NOW, THEREFORE

BE IT RESOLVED BY THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY:

Section 1. The above recitals are true and correct and incorporated herein.

Section 2. The Land Authority is hereby authorized to convey the Subject Property to Monroe County subject to the Land Use Restriction Agreement shown in Attachment "A" restricting use of the Subject Property to density reduction in accordance with Section 380.0666(3)(a), Florida Statutes.

Section 3. This resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the Monroe County Comprehensive Plan Land Authority at a regular meeting on this ___ day of _____ 2024.

LAND USE RESTRICTION AGREEMENT

BLOCK 11, LOT 12, TROPICAL BAY THIRD ADDITION (PB 5-81) ON BIG PINE KEY WITH PARCEL ID#00314240-000000.

THIS LAND USE RESTRICTION AGREEMENT (hereinafter "Agreement") is made and entered into as of the ____ day of _____, 20__, between MONROE COUNTY (hereinafter "County") and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority"), a land authority pursuant to section 380.0663(1), Florida Statutes and Monroe County Ordinance No. 031-1986 (hereinafter "Land Authority"), and their respective successors and assigns.

RECITALS

A. The site legally described as Lot 12, Block 11, Tropical Bay Third Addition as recorded in Plat Book 5, Page 81, of the Public Records of Monroe County, Florida (hereinafter "Subject Property") located at 30499 Hawk Lane, bay side of Big Pine Key, with Parcel ID Number 00314240-000000.

B. The County has adopted Resolution xx-xxxx nominating the Subject Property for purchase by the Land Authority, with subsequent conveyance to the County for density reduction purposes.

C. The Land Authority has adopted Resolution xx-xxxx and has contracted to purchase the Subject Property.

D. As a condition of the Land Authority purchasing the Subject Property, the County has agreed that the Subject Property shall only be used consistent with Florida Statutes 380.0666 (3)(a) for density reduction.

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the County and the Land Authority do hereby contract and agree as follows:

ARTICLE I
COMPLIANCE WITH LAND AUTHORITY REQUIREMENTS

In order to comply with the Land Authority's requirements pursuant to section 380.0663(1), *et seq.*, Florida Statutes and Monroe County Ordinance No. 031-1986, County hereby covenants and agrees as follows:

1.01 The restrictions contained in this Article I shall not expire, shall run with the Subject Property in perpetuity and shall be binding upon the County.

1.02 Use of the Subject Property shall be restricted as to density and therefore all density associated with the land is hereby extinguished and the Subject Property hereby and always shall have no density. Consistent with Article VII, Division 2 of the Monroe County Code, the Subject Property may be resold subject to this Land Use Restriction Agreement.

1.03 The County is responsible for ensuring compliance with the restrictions in this Article I and expressly agrees to furnish, upon the Land Authority's request, written certification thereof.

ARTICLE II
CONSIDERATION

The Land Authority has purchased the Subject Property and is donating same to the County. In consideration of said donation, the County and the Land Authority have entered into this Agreement.

ARTICLE III
RELIANCE

In performing its duties hereunder, the Land Authority may rely upon statements by the County of the Subject Property believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the County pertaining to occupancy of the Subject Property.

ARTICLE IV
TERM

This Agreement shall become effective upon its execution and delivery and shall remain in full force and effect without expiration, unless modified by mutual written consent of the parties.

ARTICLE V
ENFORCEMENT

If the County defaults in the performance of its obligations under this Agreement or breaches any material covenant, agreement or warranty of the County set forth in this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by the Land Authority to the County, then the Land Authority may take any action at law or in equity or otherwise to address said default(s). However, if the default stated in such notice can be corrected, but not within the thirty (30) day period, and if the County adopts a plan to correct or cure the default and commences the correction within the thirty (30) day period (subject to any rights of tenants in possession of units under a valid lease agreement), and thereafter diligently pursues the same to completion within such extended period, the Land Authority shall not have waived its right of enforcement if the default remains uncured after the expiration of the extended cure period.

ARTICLE VI
RECORDING AND FILING; COVENANTS TO RUN WITH THE LAND

6.01. Upon execution the County shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public records of Monroe County and shall pay all fees and charges incurred in connection therewith.

6.02 This Agreement and the covenants contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, the County and the Land Authority and their respective successors and assigns during the term of this Agreement.

ARTICLE VII
GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, with respect to both substantive rights and with respect to procedures and remedies.

ARTICLE VIII
NOTICE AND EFFECT

All notices and other communications to be made or permitted to be made hereunder shall be in writing and shall be delivered to the addresses shown below or to such other addresses that the parties may provide to one another in accordance herewith. Such notices and other communications shall be given by any of the following means: (a) personal service or (b) national express air courier, provided such courier maintains written verification of actual delivery. Any notice or other communication given by the means described in subsection (a) or (b) above shall be deemed effective upon the date of receipt or the date of refusal to accept delivery by the party to whom such notice or other communication has been sent.

ARTICLE IX
MISCELLANEOUS

9.01. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired.

9.02. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument and each of which shall be deemed to be an original.

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase Tier 1 property for conservation - Block 5, Lots 13 and 14, Summerland Estates Re-subdivision No. 2 on Summerland Key near mile marker 25 from Robert J. Novacek for the price of $115,000.

ITEM BACKGROUND:

This acquisition is proposed to protect property rights and the natural environment and to reduce potential liability for takings suits. The subject property is located on 46th Street on the ocean side of Summerland Key.

Purchase Price and Estimated Closing Costs:

- Purchase Price: $115,000.00
- Cost of Appraisal: $750.00 (paid by the BOCC and eligible for reimbursement by DEP)
- Cost of Survey: $2,600.00
- Title Fees & Insurance: $1,125.00
- Attorney Fee and Mobile Notary Fees: $725.00
- Recording Fees: $35.50
- Total Costs: $120,235.50

Attributes of the Subject Property:

- Parcel ID#: 00200160-000000 and 00200170-000000
- Size: 11,000 square feet
- Tier Designation: Tier 1 – Natural Area
- Zoning Designation: Improved Subdivision (IS)
- Future Land Use Map Designation: Residential Medium (RM)
- Vegetation: Hammock
- Acquisition List Qualification: This property qualifies because it is Tier 1.
- Florida Forever Boundary: This property is inside the Florida Forever boundary.

- Transferrable Development Rights (TDRs): 2 TDR's
- Cost per TDR: $57,500
- ROGO Dedication Points: 5 points
- Cost per ROGO Dedication Point: $23,000

The subject property could potentially be sold to the State of Florida, which would result in some or all of the acquisition costs being reimbursed.

ADVISORY COMMITEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend purchasing this property for the price of $115,000.

PREVIOUS RELEVANT BOCC ACTION:

The Board has approved the purchase of other conservation properties in this subdivision.

AGREEMENT FOR THE PURCHASE OF LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between

Robert J. Novacek

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority") acting by and through the Executive Director of the LAND AUTHORITY.

WITNESSETH:

1. In consideration of Ten Dollars ($10.00) in hand, paid by the LAND AUTHORITY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the LAND AUTHORITY certain lands upon the terms and conditions hereinafter set forth, and for the price of **$115,000.00** for all of the lands and other interests, which lands shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the Seller’s rights in or arising by reason of ownership thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

   Block 5, Lots 13 and 14, Summerland Estates Re-subdivision No. 2 (PB 4-2)
   Parcel ID# 00200160-000000 and 00200170-000000

2. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the LAND AUTHORITY the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

   Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

   The LAND AUTHORITY, at the LAND AUTHORITY’S expense, within the time allowed to deliver evidence of title and to examine same, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

   Seller(s) shall convey a marketable title subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The LAND AUTHORITY shall have sixty (60) days from the Effective Date in which to examine title. If title is found defective, the LAND AUTHORITY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unmarketable the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the LAND AUTHORITY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

3. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or title to said lands may be diminished or encumbered while this Agreement is pending. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the LAND

AUTHORITY by reasons of the unauthorized cutting or removal of products therefrom, or because of fire, shall be borne by the Seller(s); and that, in the event any such loss or damage occurs, the LAND AUTHORITY may, without liability, refuse to accept conveyance of said lands.

4. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the LAND AUTHORITY shall have at all reasonable times the unrestricted right and privilege to enter upon said lands for all proper and lawful purposes, including examination of said lands and the resources upon them. The Seller(s) hereby waive their rights to any and all claims against the LAND AUTHORITY, Monroe County, or the State of Florida associated with, or arising from ownership of, said lands and this waiver shall survive closing.

5. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the LAND AUTHORITY a good and sufficient deed of warranty conveying to the LAND AUTHORITY a marketable title to the said lands of such character as to be satisfactory to the legal counsel of the LAND AUTHORITY and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the LAND AUTHORITY governing the use, occupation, protection and administration of lands.

6. In consideration whereof the LAND AUTHORITY agrees that it will purchase all of said lands and other interests at the price of **$115,000.00**. The LAND AUTHORITY further agrees that, after the preparation, execution, and delivery of the deed, and after the legal counsel of the LAND AUTHORITY shall have approved the title thus vested in the LAND AUTHORITY, it will cause to be paid to the Seller(s) the purchase price. The LAND AUTHORITY shall pay the following expenses associated with the conveyance of the property: deed recording fees, settlement fees, abstract fees, title examination fees, the Buyer's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the LAND AUTHORITY, or the effective date of possession of such real property by the same, whichever is earlier. The Seller(s) shall pay the expenses of documentary stamps to be affixed to the deed and the removal of trash, debris, and structures from the property, if any, and real estate commissions, if any. Full possession of the premises shall pass to the LAND AUTHORITY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the property herein contracted to be sold, satisfactory to the legal counsel of the LAND AUTHORITY will be obtained by the LAND AUTHORITY at its expense. The Seller(s) expressly agree herein to furnish to the LAND AUTHORITY any documents in Seller(s)'s possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.

8. It shall be the obligation of the Seller(s) to pay all taxes and assessments outstanding as liens at the date title vests of record in the LAND AUTHORITY, whether or not such taxes and assessments are then due and payable.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

339 Gorge View Drive **Blowing Rock, NC 28605**	**with a copy to:**	**Lara Martin** **Coldwell Banker Schmitt Real Estate** **hapynkeys@gmail.com**

and shall be effective upon date of mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of paragraph 6 hereof.

10. The property shall be delivered at closing free of any tenant or occupancy whatsoever.

11. The Seller(s) shall close any open building permits or code enforcement proceedings prior to closing.

12. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the LAND AUTHORITY has signed this Agreement.

13. In the event the Seller(s) desire to effect a tax deferred exchange in connection with the conveyance of the property, the LAND AUTHORITY and the Seller(s) agree to cooperate in effecting such exchange; provided, however, that the Seller(s) shall be responsible for all additional costs associated with such exchange and the LAND AUTHORITY shall not assume any additional liability with respect to such exchange. The LAND AUTHORITY and the Seller(s) shall execute such additional documents, including assignment of this contract in connection therewith, at no cost to the LAND AUTHORITY, as shall be required to give effect to this provision.

14. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **January 25, 2024** to sign and return this Agreement to the LAND AUTHORITY. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the closing of this transaction is contingent upon approval by the Advisory Committee and Governing Board of the LAND AUTHORITY, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed by March 1, 2024, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the LAND AUTHORITY or its authorized representative, or any other office or agent of the LAND AUTHORITY authorized to purchase said lands, the option and right to enter into this Agreement for Purchase within sixty (60) days from the execution thereof by the Seller(s).

Agenda Item Number: G10
2023-2083

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval to amend the Acquisition List to add 1) Block 2, Lots 8 and 9, Hibiscus Park on Key Largo and 2) Lots 22 and 23, Burton's Addition to Tavernier on Key Largo as affordable housing sites.

ITEM BACKGROUND:
This agenda item proposes to add two properties to the Land Authority's Acquisition List as affordable housing sites.

The first site is Block 2, Lots 8 and 9, Hibiscus Park on Key Largo (including 2 ROGO exemptions).

The second site is Lots 22 and 23, Burton's Addition to Tavernier on Key Largo (including up to 6 ROGO exemptions).

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend approval.

PREVIOUS RELEVANT BOCC ACTION:
On January 31, 2024, the Board adopted the 2024 Acquisition List.

MONROE COUNTY LAND AUTHORITY
(MCLA)
2024 ACQUISITION LIST
Approved by MCLA Advisory Committee 2/1/24 and Adopted by MCLA Governing Board 2/21/24

This Acquisition List has been developed to guide purchases using MCLA funding.

Florida Statutes 380.0667. Advisory committee: acquisitions, Section (3) indicates: The land authority shall approve the list of acquisitions, in whole or in part, in the order of priority recommended by the advisory committee.

Ordinance 031-1986, Section 8, further indicates: The Advisory Committee shall establish, on or before January 15 of each year, an identification and prioritization of land acquisition for the Land Authority.

The list also incorporates by reference the Florida Keys Stewardship Act that took effect on July 1, 2016, as amended, the land acquisition priorities in Policy 102.4.2 of the 2030 Comprehensive Plan, the Memorandum of Understanding between DEP and Monroe County revised on October 20, 2021 and House Bill 1173 that took effect on April 6, 2018.

PROPERTY IN FLORIDA KEYS AREA OF CRITICAL STATE CONCERN (OUTSIDE OF KEY WEST)

The MCLA Advisory Committee will promote acquisition of conservation land as follows:

Property Type	Acquisition Objectives	Intended Development	Proposed Owner/Manager
Property Designated Tier 1, Tier 2, or Tier 3A with priority being properties located within the Big Pine Habitat Conservation Plan	Property Rights Protection Environmental Protection	None	MCLA, Local, State, or Federal Government
Property Designated Tier 3 with significant habitat or connectivity	Property Rights Protection Retire Development Rights Environmental	None	MCLA, Local, State, or Federal Government
Property Designated Tier 3 without significant habitat or connectivity	Either affordable housing or Density Reduction	To be determined	BOCC Preferred, MCLA
Property Eligible for ROGO Administrative Relief	Property Rights Protection Environmental Protection	None	MCLA, Local, State, or Federal Government
Property Impacted by Local Government Regulations or prioritized by a local government for acquisition for density reduction, environmental protection, and conservation purposes	Property Rights Protection Environmental Protection	None	MCLA, Local, State, or Federal Government
Property Within Florida Forever Projects (with priority for those with potential for resale to the State of Florida DEP).	Environmental Protection Property Rights Protection	None	MCLA, Local, State, or Federal Government

The MCLA Advisory Committee will promote acquisition, by fee simple purchases or other means provided in HB 1173, to address affordable workforce housing damaged or destroyed by Hurricane Irma by adding to the Acquisition List, on a case-by-case basis, affordable housing sites that are preferably ROGO-exempt to be acquired by government partners provided the sites are not located in a V flood zone and do not include environmentally sensitive habitat or possible wetlands, and are not located in areas prohibited for development by Comprehensive Plan Policy 601.1.11. The Monroe County Code defines environmentally sensitive lands as "areas of native habitat requiring special management attention to protect important fish and wildlife resources and other natural systems or processes. Environmentally sensitive lands typically include wetlands and other surface waters, tropical hardwood hammocks and pinelands." Native habitat includes Species Focus Areas identified by the US Fish and Wildlife Service but does not include Species Focus Area Buffers. Therefore, MCLA shall not purchase or fund affordable housing that impacts any habitat defined as environmentally sensitive or is located in any of the following areas: Species Focus Areas; areas designated Tier 1, 2, or 3A; V flood zones; offshore islands; or areas within a Coastal Barriers Resource System unit. Evidence of environmental sensitivity includes, but is not limited to, a determination to be made by the County Environmental Resources Office of whether the construction of affordable housing requires habitat to be removed and mitigated.

Favorable factors in the analysis and consideration of affordable housing sites will include the record of the partner in the project; quality of the project; ability of the project to serve individuals, couples and families; leverage from additional non-MCLA funds brought to the project; and the MCLA funds price per unit.

Property Type	Acquisition Objectives	Intended Development	Proposed Owner/Manager
A portion of Tracts A and B, Revised Plat of Amended Plat of Sugarloaf Shores Section F (PB 6-9)	Affordable Housing Construction Funding	Affordable Housing	Rural Neighborhoods, Inc. Developer
Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166)	Lot 8 - Affordable Housing with ROGO Exemption Lot 9 – Affordable Housing with ROGO Exemption	Affordable Housing Affordable Housing	TBD/TBD
Lots 22 and 23, Burton's Addition to Tavernier (PB 2-82)	Lots 22 and 23 – Affordable Housing with 6 ROGO Exemptions	Affordable Housing	TBD/TBD

PROPERTY IN KEY WEST AREA OF CRITICAL STATE CONCERN

In Key West, the MCLA Advisory Committee will consider adding to the Acquisition List, on a case-by-case basis, affordable housing sites to be acquired by government partners provided the sites do not include environmentally sensitive habitat or possible wetlands (see above). Favorable factors in the analysis and consideration of affordable housing sites will include the record of the partner in the project; quality of the project; ability of the project to serve individuals, couples, and families; leverage from additional non-MCLA funds brought to the project; and the MCLA funds price per unit.

Property Type	Acquisition Objectives	Intended Development	Proposed Owner/Manager

Agenda Item Number: G11
2023-2081

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase Tier 3 property with two ROGO exemptions for affordable housing - Block 2, Lots 8 and 9, Hibiscus Park on Key Largo near mile marker 101 from L.J. Gators, LLC for the price of $530,000.

ITEM BACKGROUND:

This acquisition is proposed to provide an affordable housing site.

The subject property consists of two adjoining lots located at 15 and 17 Hibiscus Lane on the ocean side of Key Largo. Each lot is ROGO exempt.

Purchase Price and Estimated Closing Costs:

- Purchase Price: $530,000.00
- Cost of Appraisals: $5,150
- Cost of Survey: $0.00
- Title Fees & Insurance: $3,200.00
- Attorney Fee and Mobile Notary Fees: $725.00
- Recording Fees: $35.50
- Total Costs: $539,110.50

Attributes of the Subject Property:

- Parcel ID#: 00507510-000000 and 00507520-000000
- Size: 14,000 square feet
- Tier Designation: Tier 3 – Infill Area
- Zoning Designation: Urban Residential Mobile Home (URM)
- Future Land Use Map Designation: Residential High (RH)
- Vegetation: Developed land.
- Acquisition List Qualification: This property is being added to the Acquisition List as an

affordable housing site.
- Florida Forever Boundary: This property is outside the Florida Forever boundary.
- Transferrable Development Rights (TDRs): 2 TDRs
- Cost per TDR: $265,000
- ROGO Dedication Points: 10 points
- Cost per ROGO Dedication Point: $53,000

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend purchasing this property for the price of $530,000.

AGREEMENT FOR THE PURCHASE OF LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between

L.J. Gators, LLC

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority") acting by and through the Executive Director of the LAND AUTHORITY.

WITNESSETH:

1. In consideration of Ten Dollars ($10.00) in hand, paid by the LAND AUTHORITY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the LAND AUTHORITY certain lands upon the terms and conditions hereinafter set forth, and for the price of **$530,000.00** for all of the lands and other interests, which lands shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the Seller’s rights in or arising by reason of ownership thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

   Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166)
   Parcel ID#s 00507510-000000 and 00507520-000000

2. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the LAND AUTHORITY the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

   Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

   The LAND AUTHORITY, at the LAND AUTHORITY’S expense, within the time allowed to deliver evidence of title and to examine same, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

   Seller(s) shall convey a marketable title subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The LAND AUTHORITY shall have sixty (60) days from the Effective Date in which to examine title. If title is found defective, the LAND AUTHORITY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unmarketable the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the LAND AUTHORITY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

3. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or title to said lands may be diminished or encumbered while this Agreement is pending. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the LAND AUTHORITY by

reasons of the unauthorized cutting or removal of products therefrom, or because of fire, shall be borne by the Seller(s); and that, in the event any such loss or damage occurs, the LAND AUTHORITY may, without liability, refuse to accept conveyance of said lands.

4. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the LAND AUTHORITY shall have at all reasonable times the unrestricted right and privilege to enter upon said lands for all proper and lawful purposes, including examination of said lands and the resources upon them. The Seller(s) hereby waive their rights to any and all claims against the LAND AUTHORITY, Monroe County, or the State of Florida associated with, or arising from ownership of, said lands and this waiver shall survive closing.

5. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the LAND AUTHORITY a good and sufficient deed of warranty conveying to the LAND AUTHORITY a marketable title to the said lands of such character as to be satisfactory to the legal counsel of the LAND AUTHORITY and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the LAND AUTHORITY governing the use, occupation, protection and administration of lands.

6. In consideration whereof the LAND AUTHORITY agrees that it will purchase all of said lands and other interests at the price of **$530,000.00**. The LAND AUTHORITY further agrees that, after the preparation, execution, and delivery of the deed, and after the legal counsel of the LAND AUTHORITY shall have approved the title thus vested in the LAND AUTHORITY, it will cause to be paid to the Seller(s) the purchase price. The LAND AUTHORITY shall pay the following expenses associated with the conveyance of the property: deed recording fees, settlement fees, abstract fees, title examination fees, the Buyer's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the LAND AUTHORITY, or the effective date of possession of such real property by the same, whichever is earlier. The Seller(s) shall pay the expenses of documentary stamps to be affixed to the deed and the removal of trash, debris, and structures from the property, if any, and real estate commissions, if any. Full possession of the premises shall pass to the LAND AUTHORITY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the property herein contracted to be sold, satisfactory to the legal counsel of the LAND AUTHORITY will be obtained by the LAND AUTHORITY at its expense. The Seller(s) expressly agree herein to furnish to the LAND AUTHORITY any documents in Seller(s)'s possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.

8. It shall be the obligation of the Seller(s) to pay all taxes and assessments outstanding as liens at the date title vests of record in the LAND AUTHORITY, whether or not such taxes and assessments are then due and payable.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

794 East Shore Drive
Summerland Key, FL 33042

Lanny Gardner
Bluescape Real Estate
Lannygardner74@gmail.com

and shall be effective upon date of mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of paragraph 6 hereof.

10. The property shall be delivered at closing free of any tenant or occupancy whatsoever.

11. The Seller(s) shall close any open building permits or code enforcement proceedings prior to closing.

12. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the LAND AUTHORITY has signed this Agreement.

13. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **January 31, 2024** to sign and return this Agreement to the LAND AUTHORITY. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the closing of this transaction is contingent upon approval by the Advisory Committee and Governing Board of the LAND AUTHORITY, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed within one hundred eighty (180) days from the Effective Date, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the LAND AUTHORITY or its authorized representative, or any other office or agent of the LAND AUTHORITY authorized to purchase said lands, the option and right to enter into this Agreement for Purchase within sixty (60) days from the execution thereof by the Seller(s).

BOARD OF COUNTY COMMISSIONERS
Mayor Holly Merrill Raschein, District 5
Mayor Pro Tem James K. Scholl, District 3
Craig Cates, District 1
Michelle Lincoln, District 2
David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: G12
2023-2087

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase Tier 3 property with six ROGO exemptions for affordable housing - Lots 22 and 23, Burtons Addition to Tavernier on Key Largo near mile marker 92 from John F. Gillen, Carol Gillen, and the Lawrence J. Hogan Estate for the price of $975,000.

ITEM BACKGROUND:

This acquisition is proposed to provide an affordable housing site for development of 6 affordable housing units.

The subject property consists of two adjoining lots located at 159 Florida Avenue in Tavernier on the bay side of Key Largo. The site is currently developed with dilapidated, unoccupied mobile homes, which will need to be demolished as a Land Authority cost and may qualify for up to 6 ROGO exemptions. Finally, there is a code compliance lien that we are seeking a waiver from related to failure to hookup to the sewer system. Upon demolition and rebuilding the site will be connected to sewer.

Purchase Price and Estimated Closing Costs:

- Purchase Price: $975,000.00
- Cost of Appraisals: $7,050.00
- Cost of Survey: $1,500.00
- Title Fees & Insurance: $5,425.00
- Attorney Fee and Mobile Notary Fees: $725.00
- Recording Fees: $35.50
- Total Costs: $989,735.50

Attributes of the Subject Property:

- Parcel ID#: 00479430-000000
- Size: 11,150 square feet

- Tier Designation: Tier 3 – Infill Area
- Zoning Designation: Mixed Use (MU)
- Future Land Use Map Designation: Mixed Use/Commercial (MC)
- Vegetation: Developed land
- Acquisition List Qualification: This property is being added to the Acquisition List as an affordable housing site.
- Florida Forever Boundary: This property is outside the Florida Forever boundary.
- Transferrable Development Rights (TDRs): 0.26 TDRs
- Cost per TDR: $3,750,000
- ROGO Dedication Points: 10 points
- Cost per ROGO Dedication Point: $97,500

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Committee voted 5/0 to recommend purchasing this property for the price of $975,000.

AGREEMENT FOR THE PURCHASE OF LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2024, by and between

John F. Gillen, Carol Gillen, and the Lawrence J. Hogan Estate

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "Land Authority") acting by and through the Executive Director of the LAND AUTHORITY.

WITNESSETH:

1. In consideration of Ten Dollars ($10.00) in hand, paid by the LAND AUTHORITY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the LAND AUTHORITY certain lands upon the terms and conditions hereinafter set forth, and for the price of **$975,000.00** for all of the lands and other interests, which lands shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the Seller’s rights in or arising by reason of ownership thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

   Lots 22 and 23, Burton's Addition to Tavernier (PB 2-82)
   Parcel ID# 00479430-000000

2. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the LAND AUTHORITY the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

   Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

   The LAND AUTHORITY, at the LAND AUTHORITY’S expense, within the time allowed to deliver evidence of title and to examine same, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

   Seller(s) shall convey a marketable title subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The LAND AUTHORITY shall have sixty (60) days from the Effective Date in which to examine title. If title is found defective, the LAND AUTHORITY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unmarketable the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the LAND AUTHORITY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

3. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or title to said lands may be diminished or encumbered while this Agreement is pending. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the LAND

AUTHORITY by reasons of the unauthorized cutting or removal of products therefrom, or because of fire, shall be borne by the Seller(s); and that, in the event any such loss or damage occurs, the LAND AUTHORITY may, without liability, refuse to accept conveyance of said lands.

4. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the LAND AUTHORITY shall have at all reasonable times the unrestricted right and privilege to enter upon said lands for all proper and lawful purposes, including examination of said lands and the resources upon them. The Seller(s) hereby waive their rights to any and all claims against the LAND AUTHORITY, Monroe County, or the State of Florida associated with, or arising from ownership of, said lands and this waiver shall survive closing.

5. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the LAND AUTHORITY a good and sufficient deed of warranty conveying to the LAND AUTHORITY a marketable title to the said lands of such character as to be satisfactory to the legal counsel of the LAND AUTHORITY and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the LAND AUTHORITY governing the use, occupation, protection and administration of lands.

6. In consideration whereof the LAND AUTHORITY agrees that it will purchase all of said lands and other interests at the price of **$975,000.00**. The LAND AUTHORITY further agrees that, after the preparation, execution, and delivery of the deed, and after the legal counsel of the LAND AUTHORITY shall have approved the title thus vested in the LAND AUTHORITY, it will cause to be paid to the Seller(s) the purchase price. The LAND AUTHORITY shall pay the following expenses associated with the conveyance of the property: deed recording fees, settlement fees, abstract fees, title examination fees, the Buyer's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the LAND AUTHORITY, or the effective date of possession of such real property by the same, whichever is earlier. The Seller(s) shall pay the expenses of documentary stamps to be affixed to the deed and real estate commissions, if any. Full possession of the premises shall pass to the LAND AUTHORITY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the property herein contracted to be sold, satisfactory to the legal counsel of the LAND AUTHORITY will be obtained by the LAND AUTHORITY at its expense. The Seller(s) expressly agree herein to furnish to the LAND AUTHORITY any documents in Seller(s)'s possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.

8. It shall be the obligation of the Seller(s) to pay all taxes and assessments outstanding as liens at the date title vests of record in the LAND AUTHORITY, whether or not such taxes and assessments are then due and payable.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

c/o Sabrina Wampler
Ocean Sotheby's International Realty
sabrina.sarah@oceansir.com

and shall be effective upon date of mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of paragraph 6 hereof.

10. The property shall be delivered at closing free of any tenant or occupancy whatsoever.

11. The LAND AUTHORITY accepts the property with the sewer code violations and agrees to resolve any present or future liens levied by Monroe County regarding sewer connections.

12. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the LAND AUTHORITY has signed this Agreement.

13. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **January 30, 2024** to sign and return this Agreement to the LAND AUTHORITY. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the closing of this transaction is contingent upon approval by the Advisory Committee and Governing Board of the LAND AUTHORITY, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed within one hundred eighty (180) days from the Effective Date, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the LAND AUTHORITY or its authorized representative, or any other office or agent of the LAND AUTHORITY authorized to purchase said lands, the option and right to enter into this Agreement for Purchase within sixty (60) days from the execution thereof by the Seller(s).

David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: G13
2023-2119

BULK ITEM: No

DEPARTMENT: Land Authority Governing Board

TIME APPROXIMATE:
9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a resolution authorizing the purchase of Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166) with Parcel ID#s 00507510-000000 and 00507520-000000 commonly known as 15 and 17 Hibiscus Lane, Tavernier, FL, for affordable housing; and authorizing the conveyance of the property (excluding 2 Rate of Growth Ordinance (ROGO) exemptions) to Monroe County subject to a Land Use Restriction Agreement (LURA).

ITEM BACKGROUND:

The Land Authority is in the process of purchasing Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166) with Parcel ID#s 00507510-000000 and 00507520-000000 commonly known as 15 and 17 Hibiscus Lane, Tavernier, Florida for the purposes of affordable housing redevelopment. On June 21, 2023, the Board of County Commissioners approved Resolution 224-2023 (attached), which awarded Habitat for Humanity of the Upper Keys, Inc. 10 affordable ROGO allocations for future affordable housing development. In June, 2023, Lindsay Fast, Executive Director of the Upper Keys Habitat for Humanity asked the Monroe County Land Authority to assist in securing land for affordable housing development.

The two lots at 15 and 17 Hibiscus Lane are under contract for purchase by the Monroe County Land Authority and are candidates for Upper Keys Habitat for Humanity for redevelopment as affordable housing.

Since Habitat has 10 affordable allocations, the Monroe County Land Authority will keep the 2 ROGO Exemptions for future use at an alternate site. Habitat can use 2 of their 10 affordable ROGO allocations toward redevelopment of these two sites.

The Land Authority requires a Land Use Restriction Agreement (LURA) to be recorded in land records and enforced by the Board of County Commissioners, to assure the development on these sites remains affordable in perpetuity consistent with the Florida Statute governing Land Authority activities.

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Advisory Committee considered this purchase and voted 5/0 to recommend approval.

RESOLUTION NO. _____

A RESOLUTION OF THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY AUTHORIZING THE PURCHASE OF BLOCK 2, LOTS 8 AND 9, HIBISCUS PARK (PB 3-166) WITH PARCEL ID#S 00507510-000000 AND 00507520-000000 COMMONLY KNOWN AS 15 AND 17 HIBISCUS LANE, TAVERNIER, FL, FOR AFFORDABLE HOUSING; AND AUTHORIZING THE CONVEYANCE OF THE PROPERTY (EXCLUDING 2 RATE OF GROWTH ORDINANCE (ROGO) EXEMPTIONS) TO MONROE COUNTY SUBJECT TO A LAND USE RESTRICTION AGREEMENT (LURA).

WHEREAS, Monroe County (hereinafter "County") desires the Monroe County Comprehensive Plan Land Authority (hereinafter "Authority") to purchase Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166) with a Parcel ID#s 00507510-000000 and 00507520-000000 commonly known as 15 and 17 Hibiscus Lane, Tavernier, Florida, (hereinafter "Subject Property") for affordable housing; and

WHEREAS, the County adopted Resolution XXXX-XX nominating the property for purchase by the Authority; and

WHEREAS, purchase of the subject property for affordable housing is consistent with the policies of the County's Comprehensive Plan and Land Development Regulations; and

WHEREAS, the property owner has agreed to sell the site to the Authority; and

WHEREAS, the Authority wishes to assist the County in acquiring the subject property for development as affordable housing.

WHEREAS, Habitat for Humanity of the Upper Keys, Inc. reserved 10 affordable housing units from the County under Resolution 224-2023 for use in developing Upper Keys sites with affordable housing, which eliminates the need for the existing 2 Rate of Growth Ordinance (ROGO) Exemptions on the site; and

WHEREAS, the existing 2 Rate of Growth Ordinance (ROGO) Exemptions are not needed to develop the Subject Property and therefore, the Authority will keep the 2 Rate of Growth Ordinance (ROGO) Exemptions for future use on other sites; and

WHEREAS, the Land Authority Advisory Committee considered this purchase on February 1, 2024 and voted 5/0 to recommend approval;

NOW, THEREFORE, BE IT RESOLVED BY THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY THAT:

Section 1. The above recitals are true and correct and incorporated herein.

Section 2. The Authority is hereby authorized to purchase the Site for the purchase price of $530,000 plus closing costs for the County.

Section 3. The County will utilize the site for affordable housing.

Section 4. The Chairman of the Land Authority is hereby authorized to execute a Land Use Restriction Agreement (LURA) shown in Attachment "A" to assure the land is used in accordance with Florida Statutes 380.0666 (3)(a), powers of land authority including affordable housing.

Section 5. This resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the Monroe County Comprehensive Plan Land Authority at a regular meeting on this _____ day of _____, 2024.

LAND USE RESTRICTION AGREEMENT

Two Lots in Hibiscus Park Subdivision
15 and 17 Hibiscus Lane Ocean side of Key Largo near MM 101
Legal: Block 2, Lots 8 and 9, Hibiscus Park (PB 3-166)
Parcel ID# 00507510-000000 and 00507520-000000

THIS LAND USE RESTRICTION AGREEMENT (hereinafter "Agreement") is made and entered into as of the ____ day of _____, 2024, between MONROE COUNTY (hereinafter "County" and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY, a land authority pursuant to section 380.0663(1), Florida Statutes and Monroe County Ordinance No. 031-1986 (hereinafter "Land Authority"), and their respective successors and assigns.

RECITALS

A. The site is legally described as Block 2, Lots 8 and 9, Hibiscus Park Subdivision as recorded in Plat Book 3, Page 166 of the Public Records of Monroe County, Florida (hereinafter "Subject Property"). The Subject Property has street addresses of 15 and 17 Hibiscus Lane in Key Largo, Florida and Parcel ID#s 00507510-000000 and 00507520-000000

B. The County has adopted Resolution **XX-XXXX** nominating the Subject Property for purchase by the Land Authority, with subsequent conveyance to the County for affordable housing.

C. The Land Authority has adopted Resolution **XX-XXXX** authorizing purchase of the Subject Property.

D. As a condition of Land Authority purchasing the Subject Property, County has agreed that the Subject Property shall only be used consistent with Florida Statutes 380.0666 (3)(a) for affordable housing and shall be leased to Habitat for Humanity of the Upper Keys, Inc.

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, County and Land Authority do hereby contract and agree as follows:

ARTICLE I
COMPLIANCE WITH LAND AUTHORITY REQUIREMENTS

In order to comply with the Land Authority's requirements pursuant to Section 380.0663(1), *et seq.*, Florida Statutes and Monroe County Ordinance No. 031-1986, County hereby covenants and agrees as follows:

1.01 The restrictions contained in this Article I shall not expire, shall run with the Subject Property in perpetuity and shall be binding upon County.

1.02 Use of the Subject Property shall be restricted to affordable housing consistent with Section 380.0666, Florida Statute which requires family income to be less than 160% of area median income.

1.03 County is responsible for ensuring compliance with the restrictions in this Article I and expressly agrees to furnish, upon the Land Authority's request, written certification thereof.

ARTICLE II
CONSIDERATION

The Land Authority has paid over $530,000 to purchase the Subject Property for the County and as an inducement to the County to restrict use of the Subject Property to affordable housing in perpetuity. In consideration of said Land Authority funding for the foregoing purposes, County and Land Authority have entered into this Agreement.

ARTICLE III
RELIANCE

In performing its duties hereunder, the Land Authority may rely upon statements and certificates of the County, its tenants, and the residents of the Subject Property believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of County pertaining to occupancy of the Subject Property.

ARTICLE IV
TERM

This Agreement shall become effective upon its execution and delivery and shall remain in full force and effect without expiration, unless modified by mutual written consent of the parties.

ARTICLE V
ENFORCEMENT

If County defaults in the performance of its obligations under this Agreement or breaches any material covenant, agreement or warranty of County set forth in this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by the Land Authority to County, then the Land Authority may take any action at law or in equity or otherwise to address said default(s). However, if the default stated in such notice can be corrected, but not within the thirty (30) day period, and if County adopts a plan to correct or cure the default and commences the correction within the thirty (30) day period (subject to any rights of tenants in possession of units under a valid lease agreement), and thereafter diligently pursues the same to completion within such extended period, the Land Authority shall not have waived its right of enforcement if the default remains uncured after the expiration of the extended cure period.

ARTICLE VI
RECORDING AND FILING; COVENANTS TO RUN WITH THE LAND

6.01. Upon execution County shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public records of Monroe County and shall pay all fees and charges incurred in connection therewith.

6.02 This Agreement and the covenants contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, County and Land Authority and their respective successors and assigns during the term of this Agreement.

ARTICLE VII
GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, with respect to both substantive rights and with respect to procedures and remedies.

ARTICLE VIII
NOTICE AND EFFECT

All notices and other communications to be made or permitted to be made hereunder shall be in writing and shall be delivered to the addresses shown below or to such other addresses that the parties may provide to one another in accordance herewith. Such notices and other communications shall be given by any of the following means: (a) personal service or (b) national express air courier, provided such courier maintains written verification of actual delivery. Any notice or other communication given by the means described in subsection (a) or (b) above shall be deemed effective upon the date of receipt or the date of refusal to accept delivery by the party to whom such notice or other communication has been sent.

Any party may change said address by giving the other parties hereto notice of such change of address in accordance with the foregoing provisions.

ARTICLE IX
MISCELLANEOUS

9.01. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired.

9.02. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument and each of which shall be deemed to be an original.

RESOLUTION NO. 224 - 2023

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING THE RESERVATION OF TEN LOW INCOME CATEGORY AFFORDABLE ROGO ALLOCATIONS FOR PROPOSED AFFORDABLE HOUSING DWELLING UNITS ON PROPERTIES TO BE DETERMINED WITHIN UNINCORPORATED MONROE COUNTY, AS REQUESTED BY HABITAT FOR HUMANITY OF THE UPPER KEYS, INC., UNTIL JUNE 21, 2027, FOR BUILDING PERMIT ISSUANCE.

WHEREAS, the State of Florida and all local governments in the Florida Keys (each subject to Area of Critical State Concern mandates relating to housing affordability) recognize the need for affordable housing throughout the state and particularly in the Florida Keys where developable land for housing is extremely limited and expensive; and

WHEREAS, the challenge of providing affordable housing opportunities in the Florida Keys is one requiring sensible and responsive use of residential unit allocations, including implementation of long-term preservation mechanisms; and

WHEREAS, due consideration should be given to relevant factors such as the capacity for allocation recipients to promptly transform allocation awards/reservations into finished and occupied affordable/workforce housing units; and

WHEREAS, Section 138-24(b)(2) of the Monroe County Land Development Code allows the BOCC to authorize reservations for "the county housing authority, nonprofit community development organizations, pursuant to Section 139-1(e), and other public entities established to provide affordable housing by entering into a memorandum of understanding with one or more of these agencies"; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., is proposing to develop ten affordable-employee housing units; and

WHEREAS, the reservation of affordable housing allocation for the anticipated units does not exempt the units from applicable requirements for the Monroe County Comprehensive Plan and Code(s), the Florida Building Code, floodplain management regulations, and other like requirements; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain all required approvals from the Monroe County Planning & Environmental Resources Department for the units; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain permits for the affordable-employee housing dwelling units by June 21, 2027, but if the permit for a reserved ROGO allocation housing unit is not issued by that time, the allocation will revert to the County;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The foregoing recitals are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The Monroe County Planning Department shall reserve ten (10) low income category affordable ROGO allocations, for Habitat for Humanity of the Upper Keys, Inc. ("Developer"), for development of affordable-employee housing dwelling units on sites to be determined within unincorporated Monroe County, until June 21, 2027.

Section 3. The developer must obtain the building permits for the ten affordable housing units on or before June 21, 2027.

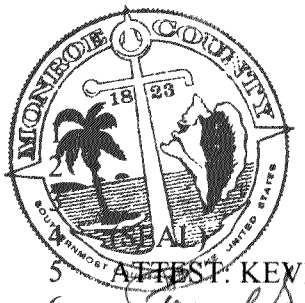
Section 4. The developer shall comply with all provisions of the Monroe County Code(s), Monroe County Comprehensive Plan, Florida Building Code, and shall comply with all applicable floodplain management regulations, and any other oversight agencies and their respective regulatory requirements.

Section 5. The Planning and Environmental Resources Department and Building Department staffs are hereby authorized to expeditiously process permit related applications for the above referenced project when received.

Section 6. Construction and Interpretation. The construction and interpretation of this resolution and all Monroe County Comprehensive Plan provision(s), Florida Building Code, Florida Statutes, and Monroe County Code(s) provision(s) whose interpretation arises out of, relates to, or is interpreted in connection with this resolution shall be liberally construed and enforced in favor of Monroe County to effectuate its public purpose(s) and policy(ies) of the County, and shall be deferred in favor of the BOCC and such construction and interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, bankruptcy, and on appeal.

Section 7. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 8. Severability. If any provision of this resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.



PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the 21st day of June, 2023.

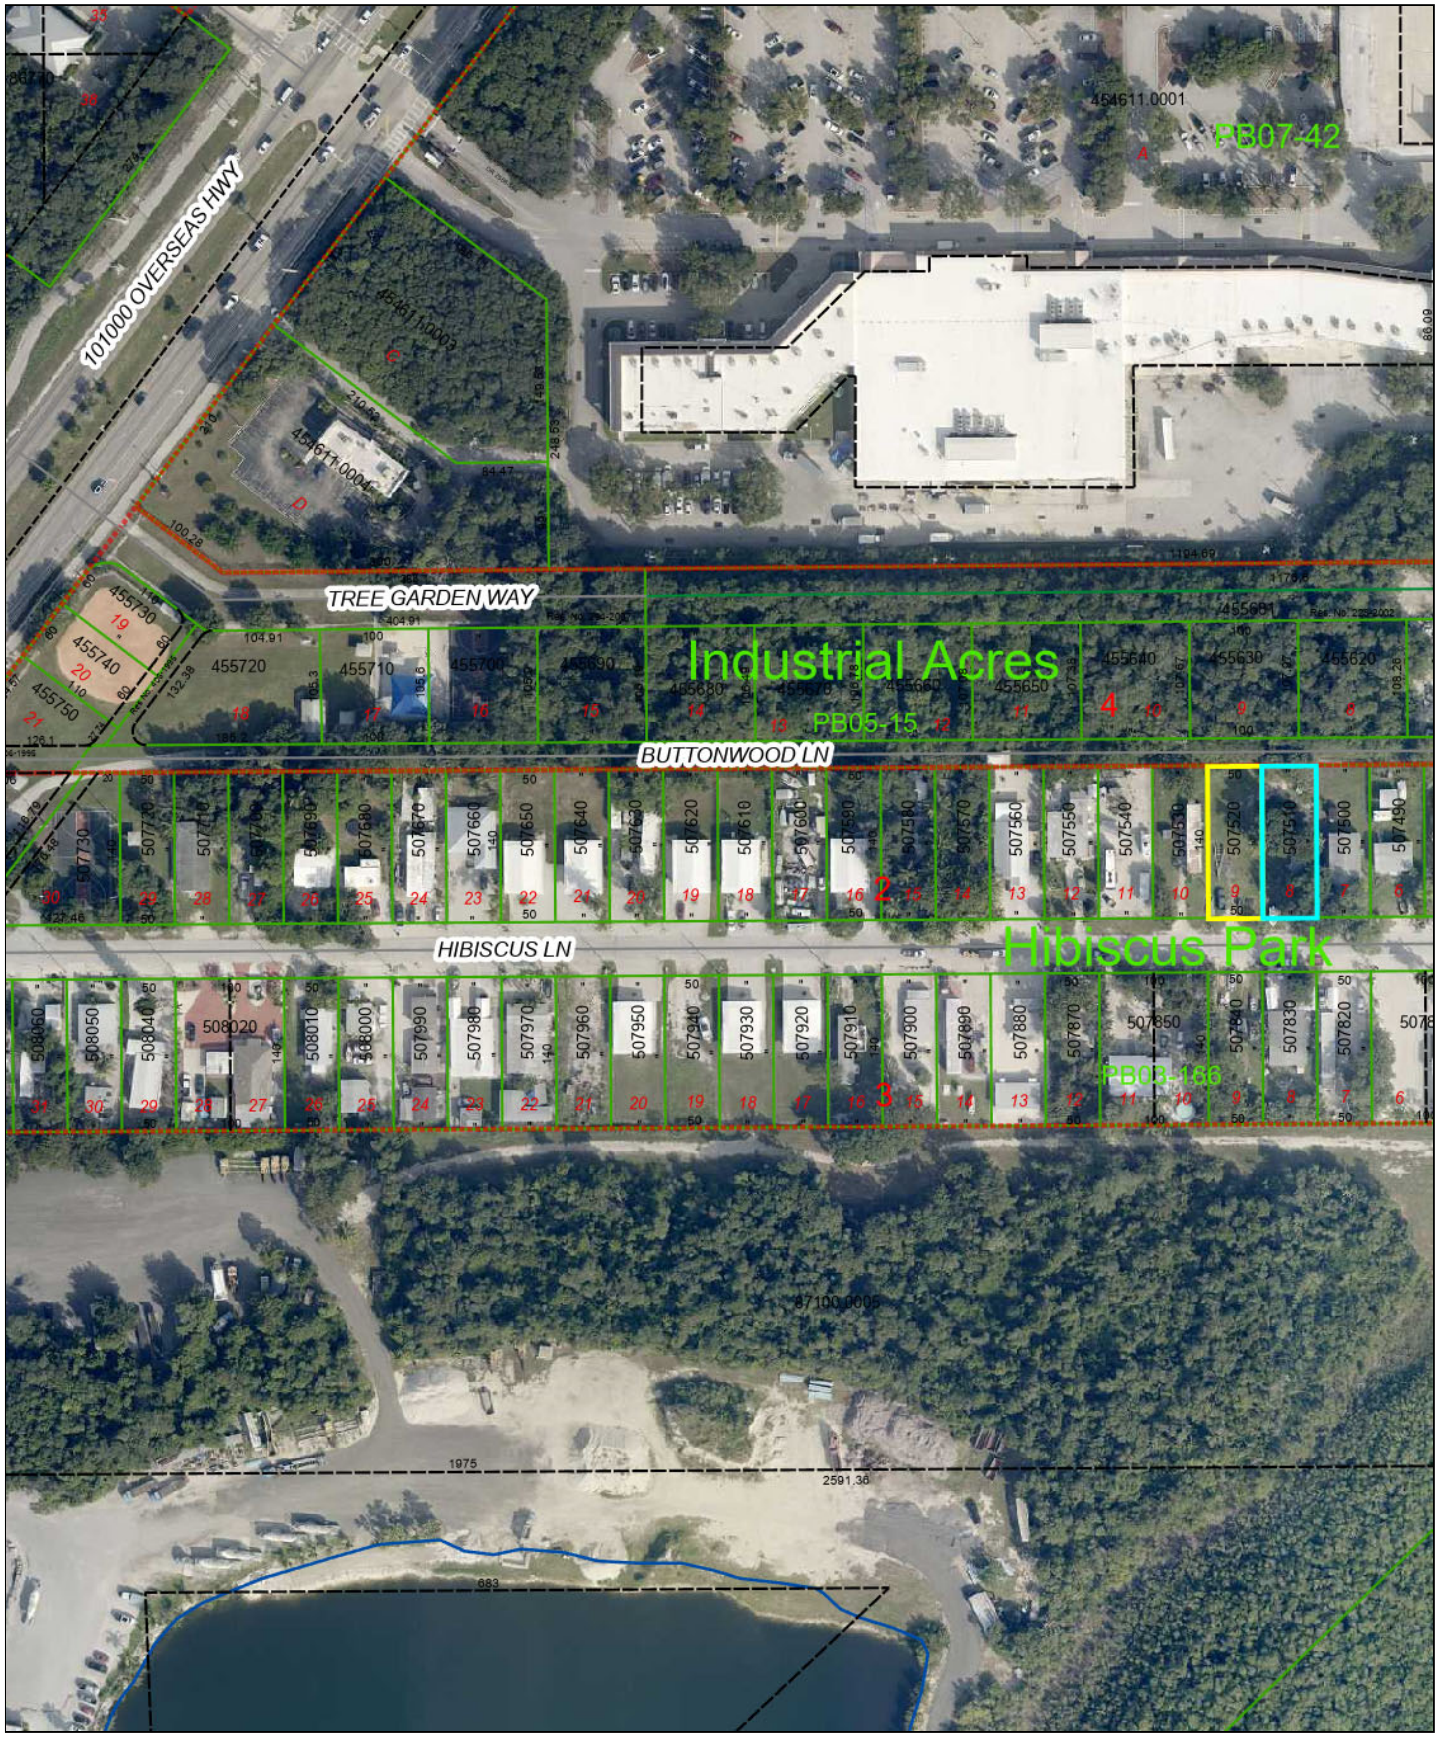
BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA

BY: _____

Mayor Pro Tem

ATTEST: KEVIN MADOK, CLERK

AS DEPUTY CLERK



MONROE COUNTY ATTORNEY
APPROVED AS TO FORM

Date: 6/6/23

FILED FOR RECORD
2023 JUN 30 AM 10: 54
CLK CIR CT
MONROE COUNTY, FLA

Block 2, Lots 8 and 9, Hibiscus Park

Key Largo

Habitat for Humanity of the Upper Keys, Inc.

Building houses in partnership with God's people in need

Monroe County Land Authority,
Attn: Christine Hurley
1100 Simonton Street,
Key West, FL 33040

February 5, 2024

Dear Ms Hurley,
Habitat for Humanity of the Upper Keys (HfHUK) wanted to express its interest in leasing the following 3 sites for the purpose of building affordable housing:

- 15 Hibiscus Lane in Key Largo, RE:00507510-000000
- 17 Hibiscus Lane in Key Largo, RE: 00507520-000000
- 159 Florida Avenue in Key Largo, RE: 00479430-000000

At the first two requested sites (15 & 17 Hibiscus Lane), Habitat proposes our standard single-family home design on each. These are 3-bedroom, 2-bathroom approximately 1,100 square foot stilted homes.

For the 3rd listed location on Florida Avenue, HfHUK would like to explore the option of 6 attached multi-family dwelling units. However, we will need to work with the Monroe County Planner, as well as an architect, to finalize our proposal and approach to this parcel.

These 3 properties would offer another potential 8 units of critically needed affordable housing in Monroe County. In addition, it's important to note that Habitat Upper Keys constructs with accessibility, durability and sustainability standards, including EnergyStar, Indoor airPLUS and WaterSense requirements, plus we attempt to utilize local contractors when feasible.

We look forward to partnering with the County on these 3 projects. Feel free to let me know if you have any questions or need anything further from myself or my Board of Directors.

Regards,

Lindsay Fast
Executive Director

9:25 AM

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a resolution authorizing the purchase of Lots 22 and 23, Burtons Addition to Tavernier (PB 2-82) with parcel ID#00479430-000000 commonly known as 159 Florida Avenue, Tavernier, FL, for affordable housing; and authorizing the conveyance of the property (Excluding 6 Rate Of Growth Ordinance (ROGO) Exemptions) to Monroe County subject to a Land Use Restriction Agreement (LURA).

ITEM BACKGROUND:

The Land Authority is in the process of purchasing Lots 22 and 23, Burton's Addition to Tavernier (PB 2-82) with parcel ID#00479430-000000 commonly known as 159 Florida Avenue, Tavernier, Florida for the purposes of affordable housing redevelopment. On June 21, 2023, the Board of County Commissioners approved Resolution 224-2023 (attached), which awarded Habitat for Humanity of the Upper Keys, Inc. 10 affordable ROGO allocations for future affordable housing development. In June, 2023, Lindsay Fast, Executive Director of the Upper Keys Habitat for Humanity asked the Monroe County Land Authority to assist in securing land for affordable housing development.

The lot at 159 Florida Avenue is under contract for purchase by the Monroe County Land Authority and is a candidate for Upper Keys Habitat for Humanity for redevelopment as affordable housing.

Since Habitat has 10 affordable allocations, the Monroe County Land Authority will keep the 6 ROGO Exemptions for future use at an alternate site. Habitat can use 6 of their 10 affordable ROGO allocations toward redevelopment of this site.

The Land Authority requires a Land Use Restriction Agreement (LURA) to be recorded in land records and enforced by the Board of County Commissioners, to assure the development on this site remains affordable in perpetuity consistent with the Florida Statute governing Land Authority activities.

ADVISORY COMMITTEE ACTION: On February 1, 2024 the Advisory Committee considered this

purchase and voted 5/0 to recommend approval.

RESOLUTION NO. _____

A RESOLUTION OF THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY AUTHORIZING THE PURCHASE OF LOTS 22 AND 23, BURTON'S ADDITION TO TAVERNIER (PB 2-82) WITH PARCEL ID#00479430-000000 COMMONLY KNOWN AS 159 FLORIDA AVENUE, TAVERNIER, FL, FOR AFFORDABLE HOUSING; AND AUTHORIZING THE CONVEYANCE OF THE PROPERTY (EXCLUDING 6 RATE OF GROWTH ORDINANCE (ROGO) EXEMPTIONS) TO MONROE COUNTY SUBJECT TO A LAND USE RESTRICTION AGREEMENT (LURA).

WHEREAS, Monroe County (hereinafter "County") desires the Monroe County Comprehensive Plan Land Authority (hereinafter "Authority") to purchase Lots 22 and 23, Burton's Addition to Tavernier (PB 2-82) with Parcel ID#00479430-000000 commonly known as 159 Florida Avenue, Tavernier, Florida, (hereinafter "Subject Property") for affordable housing; and

WHEREAS, the County adopted Resolution XXXX-XX nominating the property for purchase by the Authority; and

WHEREAS, purchase of the subject property for affordable housing is consistent with the policies of the County's Comprehensive Plan and Land Development Regulations; and

WHEREAS, the property owner has agreed to sell the site to the Authority; and

WHEREAS, the Authority wishes to assist the County in acquiring the subject property for development as affordable housing.

WHEREAS, Habitat for Humanity of the Upper Keys, Inc. reserved 10 affordable housing units from the County under Resolution 224-2023 for use in developing Upper Keys sites with affordable housing, which eliminates the need for the existing 6 Rate of Growth Ordinance (ROGO) Exemptions on the site; and

WHEREAS, the existing 6 Rate of Growth Ordinance (ROGO) Exemptions are not needed to develop the Subject Property and therefore, the Authority will keep the 6 Rate of Growth Ordinance (ROGO) Exemptions for future use on other sites; and

WHEREAS, the Land Authority Advisory Committee considered this purchase on February 1, 2024 and voted 5/0 to recommend approval;

NOW, THEREFORE, BE IT RESOLVED BY THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY THAT:

Section 1. The above recitals are true and correct and incorporated herein.

Section 2. The Authority is hereby authorized to purchase the Site for the purchase price of $975,000 plus closing costs for the County.

Section 3. The County will utilize the site for affordable housing.

Section 4. The Chairman of the Land Authority is hereby authorized to execute a Land Use Restriction Agreement (LURA) shown in Attachment "A" to assure the land is used in accordance with Florida Statutes 380.0666 (3)(a), powers of land authority including affordable housing.

Section 5. This resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED by the Monroe County Comprehensive Plan Land Authority at a regular meeting on this _____ day of _____, 2024.

LAND USE RESTRICTION AGREEMENT

Two Lots in Burton's Addition to Tavernier Subdivision
159 Florida Avenue, Bayside of Tavernier on Key Largo near MM92
Legal: Lots 22 and 23, Burtons Addition to Tavernier (PB2-82)
Parcel ID#: 00479430-000000

THIS LAND USE RESTRICTION AGREEMENT (hereinafter "Agreement") is made and entered into as of the ____ day of _____, 2024, between MONROE COUNTY (hereinafter "County" and the MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY, a land authority pursuant to section 380.0663(1), Florida Statutes and Monroe County Ordinance No. 031-1986 (hereinafter "Land Authority"), and their respective successors and assigns.

RECITALS

A. The site is legally described as Lots 22 and 23, Burton's Addition to Tavernier as recorded in Plat Book 2, Page 82 of the Public Records of Monroe County, Florida (hereinafter "Subject Property"). The Subject Property has street addresses of 159 Florida Avenue, Tavernier, Florida and Parcel ID#: 00479430-000000

B. The County has adopted Resolution **XX-XXXX** nominating the Subject Property for purchase by the Land Authority, with subsequent conveyance to the County for affordable housing.

C. The Land Authority has adopted Resolution **XX-XXXX** authorizing purchase of the Subject Property.

D. As a condition of Land Authority purchasing the Subject Property, County has agreed that the Subject Property shall only be used consistent with Florida Statutes 380.0666 (3)(a) for affordable housing and shall be leased to Habitat for Humanity of the Upper Keys, Inc.

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, County and Land Authority do hereby contract and agree as follows:

ARTICLE I
COMPLIANCE WITH LAND AUTHORITY REQUIREMENTS

In order to comply with the Land Authority's requirements pursuant to Section 380.0663(1), *et seq.*, Florida Statutes and Monroe County Ordinance No. 031-1986, County hereby covenants and agrees as follows:

1.01 The restrictions contained in this Article I shall not expire, shall run with the Subject Property in perpetuity and shall be binding upon County.

1.02 Use of the Subject Property shall be restricted to affordable housing consistent with Section 380.0666, Florida Statute which requires family income to be less than 160% of area median income.

1.03 County is responsible for ensuring compliance with the restrictions in this Article I and expressly agrees to furnish, upon the Land Authority's request, written certification thereof.

ARTICLE II
CONSIDERATION

The Land Authority has paid over $530,000 to purchase the Subject Property for the County and as an inducement to the County to restrict use of the Subject Property to affordable housing in perpetuity. In consideration of said Land Authority funding for the foregoing purposes, County and Land Authority have entered into this Agreement.

ARTICLE III
RELIANCE

In performing its duties hereunder, the Land Authority may rely upon statements and certificates of the County, its tenants, and the residents of the Subject Property believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of County pertaining to occupancy of the Subject Property.

ARTICLE IV
TERM

This Agreement shall become effective upon its execution and delivery and shall remain in full force and effect without expiration, unless modified by mutual written consent of the parties.

ARTICLE V
ENFORCEMENT

If County defaults in the performance of its obligations under this Agreement or breaches any material covenant, agreement or warranty of County set forth in this Agreement, and if such default remains uncured for a period of thirty (30) days after written notice thereof shall have been given by the Land Authority to County, then the Land Authority may take any action at law or in equity or otherwise to address said default(s). However, if the default stated in such notice can be corrected, but not within the thirty (30) day period, and if County adopts a plan to correct or cure the default and commences the correction within the thirty (30) day period (subject to any rights of tenants in possession of units under a valid lease agreement), and thereafter diligently pursues the same to completion within such extended period, the Land Authority shall not have waived its right of enforcement if the default remains uncured after the expiration of the extended cure period.

ARTICLE VI
RECORDING AND FILING; COVENANTS TO RUN WITH THE LAND

6.01. Upon execution County shall cause this Agreement and all amendments and supplements hereto to be recorded and filed in the official public records of Monroe County and shall pay all fees and charges incurred in connection therewith.

6.02 This Agreement and the covenants contained herein shall run with the land and shall bind, and the benefits shall inure to, respectively, County and Land Authority and their respective successors and assigns during the term of this Agreement.

ARTICLE VII
GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, with respect to both substantive rights and with respect to procedures and remedies.

ARTICLE VIII
NOTICE AND EFFECT

All notices and other communications to be made or permitted to be made hereunder shall be in writing and shall be delivered to the addresses shown below or to such other addresses that the parties may provide to one another in accordance herewith. Such notices and other communications shall be given by any of the following means: (a) personal service or (b) national express air courier, provided such courier maintains written verification of actual delivery. Any notice or other communication given by the means described in subsection (a) or (b) above shall be deemed effective upon the date of receipt or the date of refusal to accept delivery by the party to whom such notice or other communication has been sent.

Any party may change said address by giving the other parties hereto notice of such change of address in accordance with the foregoing provisions.

ARTICLE IX
MISCELLANEOUS

9.01. If any provision of this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions shall not in any way be affected or impaired.

9.02. This Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument and each of which shall be deemed to be an original.

RESOLUTION NO. 224 - 2023

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING THE RESERVATION OF TEN LOW INCOME CATEGORY AFFORDABLE ROGO ALLOCATIONS FOR PROPOSED AFFORDABLE HOUSING DWELLING UNITS ON PROPERTIES TO BE DETERMINED WITHIN UNINCORPORATED MONROE COUNTY, AS REQUESTED BY HABITAT FOR HUMANITY OF THE UPPER KEYS, INC., UNTIL JUNE 21, 2027, FOR BUILDING PERMIT ISSUANCE.

WHEREAS, the State of Florida and all local governments in the Florida Keys (each subject to Area of Critical State Concern mandates relating to housing affordability) recognize the need for affordable housing throughout the state and particularly in the Florida Keys where developable land for housing is extremely limited and expensive; and

WHEREAS, the challenge of providing affordable housing opportunities in the Florida Keys is one requiring sensible and responsive use of residential unit allocations, including implementation of long-term preservation mechanisms; and

WHEREAS, due consideration should be given to relevant factors such as the capacity for allocation recipients to promptly transform allocation awards/reservations into finished and occupied affordable/workforce housing units; and

WHEREAS, Section 138-24(b)(2) of the Monroe County Land Development Code allows the BOCC to authorize reservations for "the county housing authority, nonprofit community development organizations, pursuant to Section 139-1(e), and other public entities established to provide affordable housing by entering into a memorandum of understanding with one or more of these agencies"; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., is proposing to develop ten affordable-employee housing units; and

WHEREAS, the reservation of affordable housing allocation for the anticipated units does not exempt the units from applicable requirements for the Monroe County Comprehensive Plan and Code(s), the Florida Building Code, floodplain management regulations, and other like requirements; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain all required approvals from the Monroe County Planning & Environmental Resources Department for the units; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain permits for the affordable-employee housing dwelling units by June 21, 2027, but if the permit for a reserved ROGO allocation housing unit is not issued by that time, the allocation will revert to the County;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The foregoing recitals are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The Monroe County Planning Department shall reserve ten (10) low income category affordable ROGO allocations, for Habitat for Humanity of the Upper Keys, Inc. ("Developer"), for development of affordable-employee housing dwelling units on sites to be determined within unincorporated Monroe County, until June 21, 2027.

Section 3. The developer must obtain the building permits for the ten affordable housing units on or before June 21, 2027.

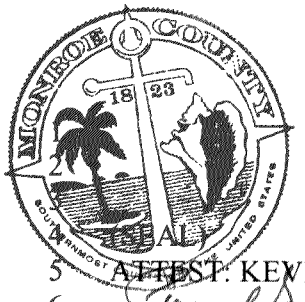
Section 4. The developer shall comply with all provisions of the Monroe County Code(s), Monroe County Comprehensive Plan, Florida Building Code, and shall comply with all applicable floodplain management regulations, and any other oversight agencies and their respective regulatory requirements.

Section 5. The Planning and Environmental Resources Department and Building Department staffs are hereby authorized to expeditiously process permit related applications for the above referenced project when received.

Section 6. Construction and Interpretation. The construction and interpretation of this resolution and all Monroe County Comprehensive Plan provision(s), Florida Building Code, Florida Statutes, and Monroe County Code(s) provision(s) whose interpretation arises out of, relates to, or is interpreted in connection with this resolution shall be liberally construed and enforced in favor of Monroe County to effectuate its public purpose(s) and policy(ies) of the County, and shall be deferred in favor of the BOCC and such construction and interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, bankruptcy, and on appeal.

Section 7. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 8. Severability. If any provision of this resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.



PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the 21st day of June, 2023.

Habitat for Humanity of the Upper Keys, Inc.

Building houses in partnership with God's people in need

Monroe County Land Authority,
Attn: Christine Hurley
1100 Simonton Street,
Key West, FL 33040

February 5, 2024

Dear Ms Hurley,
Habitat for Humanity of the Upper Keys (HfHUK) wanted to express its interest in leasing the following 3 sites for the purpose of building affordable housing:

- 15 Hibiscus Lane in Key Largo, RE:00507510-000000
- 17 Hibiscus Lane in Key Largo, RE: 00507520-000000
- 159 Florida Avenue in Key Largo, RE: 00479430-000000

At the first two requested sites (15 & 17 Hibiscus Lane), Habitat proposes our standard single-family home design on each. These are 3-bedroom, 2-bathroom approximately 1,100 square foot stilted homes.

For the 3rd listed location on Florida Avenue, HfHUK would like to explore the option of 6 attached multi-family dwelling units. However, we will need to work with the Monroe County Planner, as well as an architect, to finalize our proposal and approach to this parcel.

These 3 properties would offer another potential 8 units of critically needed affordable housing in Monroe County. In addition, it's important to note that Habitat Upper Keys constructs with accessibility, durability and sustainability standards, including EnergyStar, Indoor airPLUS and WaterSense requirements, plus we attempt to utilize local contractors when feasible.

We look forward to partnering with the County on these 3 projects. Feel free to let me know if you have any questions or need anything further from myself or my Board of Directors.

Regards,

Lindsay Fast
Executive Director

FIRST ADDENDUM TO EMPLOYMENT AGREEMENT BETWEEN

THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS,

THE BOARD OF GOVERNORS OF MONROE COUNTY

FIRE & AMBULANCE DISTRICT 1, AND

NINA BURGESS

FOR THE POSITION OF EMS BILLING SPECIALIST

THIS FIRST ADDENDUM TO EMPLOYMENT AGREEMENT ("Addendum") is entered into upon the date below written by and between Monroe County, Florida, acting through its Board of County Commissioners ("BOCC"), a political subdivision of the State of Florida, whose main business address is 1100 Simonton Street, Key West, Florida 33040; the Board of Governors of Monroe County Fire & Ambulance District 1 (collectively "County") and Nina Burgess ("Employee").

WHEREAS, the County entered into an Employment Agreement ("Agreement") with Nina Burgess on March 19, 2022 for a period of twenty-four (24) months for the position of EMS Billing Specialist which is due to expire on February 18, 2024; and

WHEREAS, the Employment Agreement allows the parties to extend the employment term by written addendum; and

WHEREAS, the Employee has satisfactorily performed her duties therefore the parties desire to update several terms and extend the term of the contract for a period of two years, becoming effective on February 19, 2024 and terminating February 18, 2026, subject to modification of certain other terms within the Agreement; and

NOW THEREFORE, in consideration of the mutual promises contained herein, the County and Employee set forth herein, it is mutually agreed as follows:

1. Paragraph 2(c) of the Agreement is amended to read as follows: At the discretion of the EMS Billing Supervisor, Employee may be required to be physically present at the

EMS Billing Office located at 490 63rd Street, Marathon, FL 33050 for a minimum of forty (40) hours per week.

2. Paragraph 3(a) of the Agreement is amended to read as follows: In return for performance of the duties set forth in Exhibit A, including but not limited to specific duties assigned by MCFR from time to time, Employee shall receive an annual salary in the amount of fifty-seven thousand and two hundred dollars ($57,200).
3. Paragraph 3(d)(i) is amended to read as follows: Employee agrees to obtain EMS Ambulance Billing and Coding Certification while employed by Monroe County as an EMS Billing Specialist and during the term of this Agreement. Tuition costs related to the certification are eligible for reimbursement by Monroe County Fire Rescue of the actual expenditure in accordance with Section 2.11 of the Monroe County Personnel Policies and Procedures Manual ("Manual"), including the condition that the Employee must reimburse the cost of tuition if Employee terminates from Monroe County within one (1) year of completion of the course.
4. Paragraph 4 is amended to read as follows: The Employee agrees to abide by Section 1.03 OUTSIDE EMPLOYMENT as set forth in the Manual, and any updates thereto.
5. Paragraph 5(a) is amended to read as follows: The normal term of this Agreement as extended by this Addendum will be for a period of twenty-four (24) months commencing February 19, 2024 and terminating on February 18, 2026.

(signatures on next page)

Job Description

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

Job Title: **EMS Billing & Claims Specialist, Fire Rescue**

Department: Monroe County Fire Rescue

Pay Grade: Contract

FLSA Status: Non-exempt

JOB SUMMARY

The primary function of this position is to be responsible for report review, data entry, retrieval, and records maintenance of an air and ground EMS billing program; and for performing complex administrative work within the division of Emergency Services.

ESSENTIAL JOB FUNCTIONS

- Reviews ePCR reports to ensure complete and accurate patient demographic, trip, billing, and insurance information; refers incomplete or inaccurate records to EMS Quality Assurance.
- Extensive knowledge of medical terminology, CPT, HCPCS, ICD 10, and CMS 1500 Revenue Codes, modifiers, billing, rules, and recommendations for government and commercial payers.
- Verifies or assigns condition codes, modifiers, levels of service, and other relevant claim data.
- Scans and attaches biomedical and supporting trip records to electronic patient care reports.

- Greets customers in person and by telephone, receives account payments, and assists customers as necessary in the completion of insurance forms, Air Resident (Trauma Star) waivers, and records requests.
- Initiates pre-authorization for air ambulance transportation, if applicable for specific insurances.
- Assists Billing and Claims Supervisor with collection actions, including contacting patients by phone and arranging payments.
- Minimizes the number of aging accounts to maintain a consistent workflow by regularly following up on unpaid claims.
- Processes and posts Medicare, Medicaid, Automated Clearing House (ACH) payments, wire transfers, checks, and credit cards payments on a daily basis. Reviews and processes refunds as needed.
- Reviews and follows up on accounts before transferring to an outside collection agency that have reached collections timeframe for accuracy.
- Processes Air Resident (Trauma Star) waivers.
- Processes legal records requests for patient care reports and response records.
- Performs monthly EMSTARS extract and data submission to Department of Health, State EMS Division to comply with mandatory pre-hospital reporting requirements.
- Reviews, processes, and responds to correspondence accordingly.
- Posts payments and denials accurately.
- Maintains several spreadsheets for billing reconciliation.
- Scans and maintains accurate day to day posting documents and correspondence in One Drive for audits and compliance purposes.
- Maintains strictest confidentiality; adheres to all HIPAA guidelines/regulations and County/Department Policies and Procedures.
- Needs to stay informed of regulatory changes with the ability to adapt and navigate the claim reimbursement and denials environment.
- Possess strong written communication and grammar competencies to generate appeal letters that are specifically tailored to the patient's level of illness, the quality of service, reason for denial, and capacity against which prompted denial.
- Processes RFPs, contracts, renewals, purchases, agenda items, special projects, and maintains records.
- Participates in any meetings, phone conferences, or webinars that may be required to process rejections effectively, acquire information about the appeals process, adapt to the latest regulations and laws, or comprehend the terms of payer contracts.
- Assists in budget preparation and monitoring expenses.
- Performs other related job duties as assigned.
- In the event of special, emergency, or disaster situations, employee may be required to work schedules other than those for which they are regularly scheduled in any capacity deemed appropriate.

QUALIFICATIONS

Education and Experience:
High school Diploma or GED required. 3 years minimum of prior related work experience preferred.

Special Qualifications:
Certified Ambulance Coder within one year of employment.

Knowledge, Skills, and Abilities:

- Ability to work from a general outline of duties and responsibilities.
- Ability to perform entry-level professional work including basic data analysis and synthesis, report creation, process performance, and regulatory or compliance activities.
- Ability to follow basic guidelines for operational activities.
- Ability to work with less than ten co-workers who are mostly engaged in the same activities as me.

PHYSICAL DEMANDS

The work is sedentary and requires exerting up to 10 pounds of force occasionally and/or negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body. Additionally, the following physical abilities are required:

- Manual Dexterity: Picking, pinching, typing, or otherwise working, primarily with fingers rather than with the whole hand as in handling.
- Mental Acuity: Ability to make rational decisions through sound logic and deductive processes.
- Repetitive Motion: Substantial movements (motions) of the wrist, hands, and/or fingers.
- Speaking: Expressing or exchanging ideas by means of the spoken word including the ability to convey detailed or important spoken instructions to other workers accurately and concisely.
- Talking: Expressing or exchanging ideas by means of the spoken word including those activities in which they must convey detailed or important spoken instructions to other workers accurately, loudly, or quickly.
- Visual Acuity: Have close visual acuity to perform an activity such as: preparing and analyzing data and figures; transcribing; viewing a computer terminal; and/or extensive reading.
- Walking: Moving about on foot to accomplish tasks, particularly for long distances or moving from one work site to another.

WORK ENVIRONMENT

Work is performed in a dynamic environment that requires sensitivity and responsiveness to changes that include goals, priorities, and needs of the organization and position.

EMPLOYMENT AGREEMENT BETWEEN

THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS;

THE BOARD OF GOVERNORS OF MONROE COUNTY

FIRE & AMBULANCE DISTRICT 1, AND

NINA BURGESS

FOR THE POSITION OF EMS BILLING SPECIALIST

THIS AGREEMENT is entered into upon the date last below written by and between Monroe County, Florida, acting through its Board of County Commissioners ("BOCC"), a political subdivision of the State of Florida, whose main business address is 1100 Simonton Street, Key West, Florida 33040; the Board of Governors of Monroe County Fire & Ambulance District 1 (collectively "County") and Nina Burgess ("Employee").

WHEREAS, Nina Burgess was selected and has been employed as EMS Billing Specialist since February 19, 2020;

WHEREAS, the current term of the employment agreement expires on March 18, 2022;

WHEREAS, County desires to increase the salary of Nina Burgess from $48,000 to $52,000; and

WHEREAS, the parties desire to enter into a new contract to become effective on March 19, 2022.

NOW THEREFORE, in consideration of the mutual promises contained herein, the County and Employee set forth herein, it is mutually agreed as follows:

1. EMPLOYMENT: Employee is hereby employed as the EMS Billing Specialist as a Contract Employee as that term is defined in Section 2.03 of the Personnel Policies & Procedures Manual ("Manual").

2. DUTIES: Duties of the Employee will be as set forth in the Job Description attached hereto as Exhibit A, the provisions of which are incorporated herein by reference.

A. The Employee shall not disclose to any person, party, or entity any confidential, proprietary, time-sensitive, or non-public (including HIPAA) information relating to the County or its operations unless required by law to do so.

B. Upon termination of this Agreement, the Employee agrees to immediately surrender all documents, information, property and assets to Monroe County Fire Rescue ("MCFR").

C. Due to the requirements of this position, Employee is required to be physically present at the EMS Billing Office located at 490 63rd Street, Marathon, FL 33050 for a minimum of 40 hours per week.

3. COMPENSATION AND BENEFITS: County and Employee agree that the position of EMS Billing Specialist will be a full-time position deemed non-exempt under the Fair Labor Standards Act. Work hours performed, annual leave, personal leave, and sick leave hours taken will be documented on a form or forms to be provided by the County, or by another method as designated by the County.

A. Base Pay: In return for performance of the duties set forth in Exhibit A, including but not limited to specific duties assigned by MCFR from time to time, Employee shall receive an annual salary in the amount of $52,000.

B. Financial Incentive: In lieu of any annual merit or cost-of-living adjustment, the Employee will be eligible for a financial lump sum incentive based upon billing and collections performance. After the conclusion of each billing and collections performance review period, a comparison of EMS user fee revenue will be conducted to determine whether a supplemental lump-sum payment is warranted for increased revenue receipts, not to exceed ten percent (10%) of base salary.

C. Benefits: Except as otherwise set forth herein, the Employee shall also receive all benefits set forth in the Monroe County Personnel Policies & Procedures Manual ("Manual") as said Manual may be amended from time to time.

D. Transportation and Business Related Travel: Employee agrees that she will be responsible for providing her own motor vehicle for transportation. MCFR agrees to budget and pay for the costs incurred by the Employee in attending approved seminar and continuing education courses as may be deemed necessary or appropriate to employee's duties and responsibilities under this Agreement and in accordance with County policy.

i. Employee agrees to maintain an EMS Ambulance Billing and Coding Certification during the term of this agreement. Tuition costs related to the certification are eligible for reimbursement by MCFR of the actual expenditure in accordance with Section 2.11 of the Monroe County Personnel Policies and Procedures Manual, including the condition that the Employee must reimburse the cost of tuition if Employee terminates from Monroe County within one (1) year of completion of the course.

4. SOLE EMPLOYMENT: The Employee agrees that he or she will not perform any work, consulting services, or other activities for any other person or entity, whether for remuneration or at no charge, without the prior express written approval of MCFR.

5. TERM OF AGREEMENT; TERMINATION; CANCELLATION; GENERAL RELEASE:

A. Normal Term. The normal term of this Agreement will commence on March 19, 2022 and terminate on February 18, 2024.

B. Extension of Time. The parties may extend the term of Agreement by written addendum to this Agreement.

C. Termination of Agreement:

i. By entering into this Agreement, the Employee understands that she serves at the pleasure of MCFR; and that the Employee can be terminated at any time upon thirty (30) days written notice by MCFR without cause.

ii. By entering into this Agreement, the Employee also understands that she can be terminated at any time upon 24 hours written notice by MCFR for cause. As used in this paragraph, the term "for cause" will mean (a) dishonesty with respect to the business and operation of the County; (b) confirmed violation of the County's drug policy; (c) refusal to cooperate in an investigation regarding any aspect of the business or operation of the County, including but not limited to an investigation which is conducted by or at the express direction of the BOCC; (d) conviction of a crime which is classified as a felony or a crime involving moral turpitude; (e) gross neglect or willful and intentional misconduct; (f) conviction of a crime; (g) violation of a provision of the Monroe County Code; or (h) breach of any material term or condition of this Agreement by the Employee.

iii. The Employee further understands that in the event of termination, the Employee is free to apply to the County for any other position then currently open and the County is free to consider the Employee for any open position, but that County has no obligation to place the Employee in another position, and specifically has no obligation to place the Employee in a position of equivalent or comparable salary, grade, or benefits. By entering into this Agreement, the Employee therefore specifically waives the right to utilize the grievance procedure set forth in Sections 9 and 10 of the Manual; House Bill No. 2658, Chapter 69-1321, the Monroe County Career Service Council; as well as any rights to which a Monroe County employee would otherwise be entitled under Chapter 447, Florida Statutes.

iv. Resignation. In the event the Employee resigns from the position prior to the normal expiration date of this Agreement, the Employee shall be entitled only to payment for salary through the effective date of the resignation and any accrued annual and sick leave in accordance the Monroe County Personnel Policies and Procedures.

6. ATTORNEY'S FEES AND COSTS: In the event of any litigation initiated by either party, the prevailing party shall receive reasonable attorneys' fees, costs of litigation, and related expenses, both at the trial and appellate levels.

7. GOVERNING LAW; ATTORNEY'S FEES AND COSTS; VENUE: This Agreement is made in the State of Florida and will be governed by Florida law. This Agreement may be signed in more than one counterpart, in which case each counterpart will constitute an original of this Agreement. Paragraph headings are for convenience only and are not intended to expand or restrict the scope or substance of the provisions of this Agreement. Wherever used herein, the singular will include the plural, the plural will include the singular, and pronouns will be read as masculine, feminine, or neuter as the context requires. Monroe County, Florida will be the proper venue for any litigation involving this Agreement. This Agreement is not subject to arbitration.

8. OTHER TERMS AND CONDITIONS:

A. Except as set forth herein, the Employee is subject to all terms and conditions set forth in the Monroe County Personnel Policies & Procedures Manual ("Manual") and Monroe County Fire Rescue Standard Operating Procedures as may be amended from time to time. To the extent there is a conflict between the terms of this Agreement and the Manual, the terms of this Agreement shall prevail.

B. If any provision, term, or portion of this Agreement shall be held to be unconstitutional, illegal, invalid, or enforceable by a court of competent jurisdiction, the remaining terms, conditions, and portions shall remain in full force and effect as if originally agreed to without the term, condition, or portion that has been determined to be unconstitutional, illegal, invalid or unenforceable.

C. The waiver by either the County or the Employee of a breach or violation of any term or provision of this Agreement by the other party shall not operate or be construed as a waiver of any subsequent breach or violation by the other party.

D. The County and Employee acknowledge that each has shared equally in the review of this Agreement and, accordingly, no court or administrative hearing officer shall construe any provision of this Agreement more strictly against one party over the other party, and every term, condition, covenant, and provision of this Agreement shall be construed simply according to its fair meaning. Employee further acknowledges that she or he has had the Agreement reviewed by an attorney or has been given the opportunity to do so and has waived that opportunity.

E. This Agreement incorporates and supersedes all prior negotiations, correspondence, conversations, agreements, and/or understandings applicable to the matters contained herein. It is further agreed that there are no commitments, agreements, inducements, or understandings concerning the subject matter of this Agreement that are not contained herein, and no deviation from the terms hereof shall be predicated upon any prior representations, offers, promises, inducements, or agreements, whether oral or written, and by whomever made.

F. The text herein constitutes the entire agreement between the Employee and the County, and this agreement cannot be amended except by a written document mutually agreed to and executed with the same formalities as this Agreement. The rights and obligations of this Agreement are personal to the Employee and cannot be assigned or transferred.

9. CONTRACTS; PUBLIC RECORDS-F.S.119.0701:

A. For purposes of this section, the term:

i. "Contractor" means this aforenamed Employee, an individual, partnership, corporation, or business entity that enters into a contract for services with a public agency and is acting on behalf of the public agency as provided under s. 119.011(2).

ii. "Public Agency" means a state, county, district, authority, or municipal officer, or department, division, board, bureau, commission, or other separate unit of government created or established by law.

B. In addition to other contract requirements provided by law, each public agency contract for services must include a provision that requires the contractor to comply with public records laws, specifically:

Public Records Compliance. Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract. The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the Contractor is required to:

i. Keep and maintain public records that would be required by the County to perform the service.

ii. Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

iii. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.

iv. Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

v. A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO

THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY, AT (305)292-3470. BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE, 1111 12th STREET, SUITE 408, KEY WEST, FL 33040.

Job Description

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

Job Title: **Billing Specialist, Fire Rescue EMS**

Department: Monroe County Fire Rescue

Pay Grade: Contract

FLSA Status: Non-exempt

JOB SUMMARY

The primary function of this position is, under the direction of the Fire Rescue EMS Billing Supervisor, to be responsible for report review, data entry and retrieval, and records maintenance of an air and ground EMS billing program; and for performing complex administrative work within the division of Emergency Services.

ESSENTIAL JOB FUNCTIONS

- Reviews ePCR reports to ensure complete and accurate patient demographic, trip, billing, and insurance information; refers incomplete or inaccurate records to EMS Quality Assurance.
- Verifies or assigns condition codes, modifiers, levels of service, and other relevant claim data.
- Scans and attaches biomedical and supporting trip records to electronic patient care reports.
- Greets customers in person and by telephone, receives account payments, and assists customers as necessary in the completion of insurance forms, Air Resident (Trauma Star) waivers, and records requests.
- Assists Billing Supervisor with collection actions, including contacting patients by phone and arranging payments.
- Runs account aging and other related billing reports.
- Processes and posts Medicare, Medicaid, check, and credit card payments regularly. Reviews and processes refunds as needed.
- Processes Air Resident (Trauma Star) waivers.
- Processes legal records requests for patient care reports and response records.
- Performs monthly EMSTARS extract and data submission to Department of Health, State EMS Division to comply with mandatory pre-hospital reporting requirements.

- Maintains strictest confidentiality; adheres to all HIPAA guidelines/regulations and County/Department Policies and Procedures.
- Completes and maintains purchase orders, processes invoices, orders supplies, keeps inventory records, processes mail.
- Processes RFPs, contracts, renewals, purchases, agenda items, special projects, and maintains records.
- Assists in budget preparation and monitoring expenses.
- Performs other related job duties as assigned.
- May be required to provide disaster assistance during times of emergency in any capacity deemed appropriate.

QUALIFICATIONS

Education and Experience:
Highschool Diploma or GED required. 3 years minimum of prior related work experience preferred.

Special Qualifications:
Certified Ambulance Coder within one year of employment.

Knowledge, Skills and Abilities:

- Ability to make recommendations or decisions which usually affect the assigned department, but may at times affect operations, services, individuals, or activities of others outside of the assigned department.
- Ability to use and apply technical and detailed guidelines.
- Moderate analytic ability is needed to gather and interpret data where results/answers can be found after analysis of several facts.
- Ability to use independent judgment to study previously established, often partially relevant guidelines; plan for various interrelated activities; and coordinate such activities within a work unit or while completing a project.
- Ability to maintain regular internal and external contacts to carry out programs and to explain specialized matters.
- Ability to maintain contact with officials at higher levels on matters requiring cooperation, explanation, and persuasion, as well as with the public involving the enforcement of regulations, policies, and procedures.

PHYSICAL DEMANDS

The work is sedentary and requires exerting up to 10 pounds of force occasionally and/or negligible amount of force frequently or constantly to lift, carry, push, pull or otherwise move objects, including the human body. Additionally, the following physical abilities are required:

- Manual Dexterity: Picking, pinching, typing, or otherwise working, primarily with fingers rather than with the whole hand as in handling.
- Mental Acuity: Ability to make rational decisions through sound logic and deductive processes.

- Repetitive Motion: Substantial movements (motions) of the wrist, hands, and/or fingers.
- Speaking: Expressing or exchanging ideas by means of the spoken word including the ability to convey detailed or important spoken instructions to other workers accurately and concisely.
- Talking: Expressing or exchanging ideas by means of the spoken word including those activities in which they must convey detailed or important spoken instructions to other workers accurately, loudly, or quickly.
- Visual Acuity: Have close visual acuity to perform an activity such as: preparing and analyzing data and figures; transcribing; viewing a computer terminal; and/or extensive reading.
- Walking: Moving about on foot to accomplish tasks, particularly for long distances or moving from one work site to another.

WORK ENVIRONMENT

Work is performed in a dynamic environment that requires sensitivity and responsiveness to changes that include goals, priorities, and needs of the organization and position.

Monroe County has the right to revise this job description at any time. This description does not represent in any way a contract of employment.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: I1
2023-2104

BULK ITEM: No

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING: Approval of 7th Amendment to Agreement with Cliffhanger Janitorial, Inc., for janitorial services at the Key West International Airport, increasing annual contract sum by 3.4% CPI adjustment (from $513,831.62/yr. to $531,301.90/yr.) plus an additional $24,700.00 per month for providing janitorial services in the TSA leasehold; the agreement is fully funded by Airport Operating Fund 404.

ITEM BACKGROUND:
The month-to-month renewal agreement with Cliffhanger was approved in 2020 so the Airport could retain Cliffhanger with no break in janitorial services while a new bid proposal is issued, bids opened, and a new contract awarded. The bid package is being developed based on the final design of the new Terminal Concourse A. In the meantime, the contractor has requested an annual CPI adjustment in accordance with Section 4(b) of the agreement and the contract sum is also being increased for providing janitorial services in the TSA leasehold.

PREVIOUS RELEVANT BOCC ACTION:
Awarded bid and contract to Cliffhanger Janitorial, Inc. on February 10, 2016. Approved 1st amendment on March 15, 2017, 2nd amendment on February 21, 2018, final renewal agreement on February 20, 2019, a month-to-month renewal agreement on February 19, 2020, 4th amendment on August 18, 2021, 5th amendment on April 20, 2022 and 6th amendment on April 19, 2023.

INSURANCE REQUIRED:
Yes

CONTRACT/AGREEMENT CHANGES:
Effective 03/1/2024, the annual contract sum is increased by $17,470,28 for 3.4% CPI adjustment, plus the sum of $24,700.00 per month is added to the agreement for providing janitorial services in the TSA leasehold as of 02/01/2024.

STAFF RECOMMENDATION: Approval

DOCUMENTATION:

7th AMENDMENT to CONTRACT FOR JANITORIAL SERVICES
CLIFFHANGER JANITORIAL, INC.
KEY WEST INTERNATIONAL AIRPORT

THIS SEVENTH AMENDMENT is made and entered into this 21st day of February, 2024, by and between the Board of County Commissioners of MONROE COUNTY (County) and Cliffhanger Janitorial, Inc., (Contractor).

WHEREAS, on February 10, 2016 the parties entered into an agreement (hereafter original agreement) for Contractor to provide janitorial services at the Key West International Airport, as amended on March 15, 2017, February 21, 2018, February 20, 2019, August 18, 2021, April 20, 2022, and April 19, 2023, and

WHEREAS, on February 19, 2020 the agreement was renewed on a month to month basis commencing March 1, 2020, while the County prepared and issued a new Request for Proposals (RFP), and

WHEREAS, the RFP is being developed based on the final design of the new Terminal Concourse A, and

WHEREAS, the TSA/GSA recently executed Lease Amendment No. 2 adding an additional 1,701 square feet of office and related space to their leasehold; and

WHEREAS, the rental terms for TSA/GSA lease amendment 2 provides for reimbursement for the cost of janitorial services provided by the Airport to the increased leasehold; and

WHEREAS, those services will be provided by Contractor effective February 1, 2024; and

WHEREAS, the contractor has requested a CPI adjustment;

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter contained, the parties do hereby agree as follows:

SECTION 1. Article 2. CONTRACT SUM of the original agreement is amended to read as follows**:**

> 2. **CONTRACT SUM.** Retroactive to **February 1, 2024**, the County shall pay to the Contractor for the faithful performance of said service provided to the TSA leasehold the sum of $24,700.00 in arrears each of month, and effective **March 1, 2024,** the Contractor shall invoice KWIA monthly for janitorial services performed under the Specifications contained herein. The Contract amount shall be **$531,301.90** per year ($513,831.62 per year plus 3.4% CPI adjustment of $17,470.28) for the preceding 12 months ending December 2023, plus $24,700.00 per month for providing janitorial services for the TSA leasehold)."

SECTION 2. Except as set forth in paragraph one of this 7th Amendment, in all other respects, the terms and conditions of the original agreement dated February 10, 2016, as renewed and amended, remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first above written.

Agenda Item Number: I2
2023-2105

BULK ITEM: Yes

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING: Approval of a First Extension to extend the Financial Advisor Consultant Services Agreement with Frasca & Associates, LLC for one-year for the Key West International Airport Concourse A and Terminal Improvements Program. The Task Orders will be funded by EYW Planning Studies FDOT Contract G1Q04 and/or Airport Operating Fund 404.

ITEM BACKGROUND:
Responses to the RFQ for Financial Advisor Services were opened by the Purchasing Department on February 23, 2021. The following three (3) firms responded: Frasca & Associates, LLC, PFM Financial Advisors, LLC and Estrada & Hinojosa Investment Bankers. The Selection Committee met in a publicly noticed meeting on February 26, 2021, and announced the Selection Committee's scores and rankings of the respondents (Phase 1). On March 3, 2021, the three firms made presentations to the Selection Committee (Phase 2), and following thereafter, the Selection Committee met in a publicly noticed meeting and announced the top-ranked firm as Frasca & Associates, LLC.

PREVIOUS RELEVANT BOCC ACTION:
On October 21, 2020, the BOCC granted approval to advertise the RFQ for Financial Advisor Services for the Concourse A and Terminal Improvements Program, and on March 17, 2021, the BOCC approved the Financial Advisor Consultant Services Agreement with Frasca & Associates for a three term which expires on March 16, 2024.

INSURANCE REQUIRED:
Yes

CONTRACT/AGREEMENT CHANGES:
Extends the agreement for one year with one (1) one-year extension remaining.

STAFF RECOMMENDATION: Approval

DOCUMENTATION:

EYW Frasca 1st Extension.pdf

FINANCIAL IMPACT:

COST TO COUNTY: TBD

BUDGETED: Yes
TOTAL COST: unknown
SOURCE OF FUNDS: FDOT Grant Contract G1Q04 and/or Airport Operating Fund 404.

1st EXTENSION TO THE AGREEMENT FOR
FINANCIAL ADVISOR CONSULTANT SERVICES
KEY WEST INTERNATIONAL AIRPORT
TERMINAL EXPANSION PROGRAM

THIS 1st EXTENSION AGREEMENT is made this 21st day of February, 2024 by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, (hereinafter called "COUNTY") and Frasca & Associates, LLC of the State of New York, NY whose address is 521 Madison Avenue, 7th Floor, New York, NY 10022, its successors and assigns (hereinafter referred to as "CONSULTANT" or "CONTRACTOR").

WITNESSETH

W**HEREAS,** on the 17th day of March 2021, the County entered into an agreement with CONSULTANT to provide financial advisor services to the Key West International Airport for the Terminal Expansion Program (hereinafter Original Agreement); and,

WHEREAS, the COUNTY and the CONSULTANT have found the Original Agreement to be mutually beneficial; and

WHEREAS, the COUNTY desires to exercise its option to extend the Original Agreement for the first of the two (2) one-year extensions provided for in the Original Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth below, the parties agree to amend the original agreement as follows:

SECTION 1. Article 1.1 TERM OF AGREEMENT of the Original Agreement is amended to read as follows:

1.1 TERM OF AGREEMENT
The term of this agreement commences March 17, 2024, and ends on March 16, 2025, with an option for one (1) one-year extension, which may be exercised at the sole discretion of the COUNTY.

SECTION 2. All other provisions of the March 17, 2021, Original Agreement, not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEREOF, each party has caused this 1st Extension to the Agreement for Financial Advisor Consultant Services, Key West International Airport Terminal Expansion Project, to be executed by its duly authorized representative.

AGENDA ITEM WORDING:

Approval to advertise a public hearing for April 17, 2024 for the purpose of receiving comments and hearing discussion concerning the Countys proposed additional draws of not to exceed $1,340,000, in aggregate principal amount against its Tax-Exempt Master Airport Revenue Note (PNC Bank, National Association Line of Credit), Series 2024.

ITEM BACKGROUND:
On August 17, 2022, the Board of County Commissioners (the "Board") of Monroe County, Florida (the "County") held a duly noticed and called public hearing and approved the issuance of up to $50,000,000 in tax-exempt indebtedness to finance and refinance various costs related to the Key West International Airport Project (the "Prior Approval"). In connection with the Prior Approval, the County has issued its $41,340,000 aggregate principal amount of Monroe County, Florida Airport Revenue Bonds (Key West International Airport), Series 2022 and has executed and delivered a Line of Credit Agreement with PNC Bank, National Association, as amended, allowing the County to borrow up to $10,000,000 of tax-exempt indebtedness to finance and refinance various costs of the Project, subject to the terms and provisions of such Agreement. In order to comply with federal tax rules, the County desires to approve additional draws of not to exceed $1,340,000 in aggregate principal amount against its Tax-Exempt Master Airport Revenue Note (PNC Bank, National Association Line of Credit), Series 2024 (AMT) (the "Master Note") to finance and refinance the costs of certain capital improvements to the Key West International Airport.

The public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended.

Approximately $500.00 to publish notice; to be paid from Airport Operating Fund 404.

NOTICE OF PUBLIC HEARING

Notice is hereby given of a public hearing to be held by the Board of County Commissioners (the "Board") of Monroe County, Florida (the "County") on April 17, 2024, at 9:00 a.m. or as soon thereafter as the matter can be heard, in the Board meeting room of the Marathon Government Center - BOCC, 2798 Overseas Highway, 2nd Floor, Marathon, Florida, for the purpose of receiving comments and hearing discussion concerning the County's proposed additional draws of not to exceed $1,340,000 in aggregate principal amount against the Monroe County, Florida Tax-Exempt Master Airport Revenue Note (PNC Bank, National Association Line of Credit), Series 2024 (AMT) (the "Master Note"), pursuant to a resolution to be considered for adoption by the Board on April 17, 2024, as supplemented.

Draws against the Master Note will be applied to: finance and refinance the costs of certain capital improvements to the Key West International Airport (the "Airport"), including the development, construction and equipping of a new second-level concourse of approximately 48,805 square feet ("Concourse A") consisting of: (1) seven gates all fitted with passenger boarding bridges, holdroom areas, passenger circulation space, concession areas, restrooms, a nursing room, a pet relief area, building support areas, including mechanical rooms, IT/Communication rooms, an electrical room, elevator, storage, janitors closet, and stair areas and (2) a ground (apron) level below Concourse A to support a new baggage make-up area and device(s), tug lanes, airline ramp space, ramp equipment storage and circulation space (collectively the "Project").

The Project will be located at Key West International Airport, 3491 South Roosevelt Boulevard, Key West, Florida. The County will own and operate the Project which will be part of the Airport.

All interested persons are invited to attend said hearing and to, either personally or through their representatives, present oral or written comments and discussion concerning the proposed plan of finance. Written comments may also be submitted prior to the hearing at the Office of the County Attorney, 1111 12th Street, Suite 408, Key West, Florida 33040, Attention: County Attorney. In accordance with the Americans with Disabilities Act, persons needing a special accommodation in order to participate in this proceeding should contact the County Administrator's Office, by phoning (305) 292-4441, between the hours of 8:30 a.m. – 5:00 p.m., no later than five (5) calendar days prior to the scheduled meeting; if you are hearing or voice-impaired, call "711". Live Closed Captioning is available at our web portal @ http://monroecountyfl.iqm2.com/Citizens/Default.aspx for meetings of the Monroe County Board of County Commissioners. Any person deciding to appeal any decision made by the County after the hearing will need to

ensure that a verbatim record of the proceeding is made, which record includes the testimony and evidence upon which the appeal is to be based.

The public hearing is required by Section 147(f) of the Internal Revenue Code of 1986, as amended (the "Code"). Subsequent to the public hearing, the Board will consider whether to approve the issuance of the Master Note as required by Section 147(f) of the Code. Any person interested in the issuance of the Master Note or the location or nature of the Project may appear and be heard.

By order of the Board of County Commissioners of Monroe County, Florida.

Key West, FL. 33040

ATTENTION: Antonio Pinto

REFERENCE: **RCO No.1a – Permeation Grout Scope Changes**
Key West IACA
3491 S. Roosevelt Blvd
Key West, FL. 33040
Keller Project No. 13121088

Mr. Pinto

Keller was subcontracted last year on 9/20/2022 for permeation grouting work at the above-mentioned project. The permeation grouting work is an engineered temporary shoring system for the existing foundations for protection to allow for adjacent excavation of the new foundations.

Contractual grouting scope was based on the addendum 1 structural drawings dated 4/22/2022. New conformed structural drawing set has been released dated 5/5/2023 and the grouting scope has increased based on structural changes, material escalation and logistical challenges. This narrative is to describe the permeation grout scope increases and change order request.

Two areas have been identified via dashed black lines along the proposed foundations by the EOR which would require temporary shoring, see figures 1 and 3 for 4/22/2022 set. Proposed pile caps were designed requiring excavation elevations noted on the figures. Latest 5/5/2023 set for construction was released and pile caps were redesigned to shallow foundations, see figures 2 and 4 for details. New shallow foundations increased the overall footprint and excavation depths.

See below for summary of drawing changes.

Drawing Summary Changes

Gridline location	Foundation changes	**drawing date 4/5/2022**	**drawing date 4/5/2022**	**drawing date 5/5/23**	**drawing date 5/5/23**
		Bottom of footing	Grouting required (feet)	Bottom of footing	grouting required (feet)
3.3 to 3.7	PC1 to shallow foundation	-3'-0"	30	-3'-6"	40
3.3 to 3.7 at A.0	PC1 to shallow foundation	-3'-6"	13	-3'-6"	-
3.7 to EJ.3 at A.0	Deeper and larger elevator pit	-7'-0"	45	-8'-6"	55

For additional change order backup, Keller has included shop drawing comparisons in figures 5 through 8. This details differences between contract and revised permeation grouting scopes. Please note injection pipe increases and injection volume increases. Scope increases impact installation durations, spoils handling and material increases.

Summary of scope changes

- An additional 6,850 gallons of drilling and injection required.
- Additional work will require a 6-day increase to our current schedule.
  - Contract work duration of 1.5 weeks plus 5 day cure time
  - New work duration will be 2.5 weeks plus 5 day cure time.
- Night work required.
- Material escalation increase from 2022 contract date to anticipated mob date of October 2023.
  - See exhibits A and B for material quotes.
- Drill access required from south entrance, requiring additional cable length for electric drill.
  - See exhibit C for cable quote.

Keller is requesting a change order in the amount of $105,320.75 for additional drilling and grouting required based on the structural drawing updates for conformed structural set dated 5/5/2023.

If we can be of any assistance in clarifying any points in this letter, please contact us at (954) 977-8117.

Sincerely,
KELLER NORTH AMERICA, INC.

Carlos P. Rosand

Dear Carlos,

I appreciate the opportunity to present this proposal for N ® Sodium Silicate.

I have received management approval to respond and offer you the following:

Product: N ® Sodium Silicate
Package: Bulk Tank Truck
Customer: Keller – NA / Key West Airport
Volume: 80 k pounds
Shipments: Full Bulk Tank Truck shipments of approximately 46,000 lbs.
Price: $0.187/lb., No Discounts Apply, FCA Chester, PA
Freight: Prepaid & Add
Payment Terms: Net 30 days from date of invoice

Quotation is subject to any market price increases that occur during the life of the project.

This pricing is subject to PQ LLC standard terms and conditions, contingent upon availability.

Carlos, Thank you for the confidence Keller-NA has placed in PQ LLC as a key supplier. We greatly appreciate the business you place with PQ LLC, and look forward to an expanded relationship.

Do not hesitate to contact me if you need any additional information.

Respectfully Submitted,

Tim Yanavage

CONTRACT CHANGE ORDER

PROJECT TITLE: **KWIA Concourse A & Terminal Improvements**

CHANGE ORDER NO.: **016**
INITIATION DATE: 12/20/2023

TO CONTRACTOR: **NV2A/Gulf Keystar JV**

CONTRACT DATE: 8/17/2022

The Contract is changed as follows:

The Original (Contract Sum) (Guaranteed Maxium Price)	$ 101,461,771.00
Net change by previously authozied Change Order	$ 13,126,496.31
The (Contract Sum) (Guaranteed Mxium Price) prior to this Chage order was	$ 114,588,267.31
The (Contract Sum) (Guaranteed Mxium Price) will be **(increased)** by this Change Order	**$ 495,000.00**
The new (Contract Sum) (Guaranteed Mxium Price) including this Change Order is	**$ 115,083,267.31**

The Contract Time will be **(unchanged)** by 0 days
The date of Substantial Completion as of the date of this Change Order is 3/9/2026

Detailed Description of change order and justification:

Per the Owner's request, Passenger Boarding Bridges will be stored at Thyssen Krupp Airport Solutions Factory in Fort Worth, Texas until delivery to the KWIA project. (20-2039-01)
This change order includes the cost of Storage of 7 Passenger Boarding Bridges. 2 Walkways, and Components as agreed in the FAT meeting on 08/16/2023. Invoice, meeting minutes, and location plan are attached.

POTENTIAL CHANGE ORDERS IN THIS CHANGE ORDER:

PCO #	Title	Schedule Impact	Amount
017	TKAS - PBB Storage	0	$ 495,000.00
		Total:	$ 495,000.00

This change order is 0.49% of the original contract price.

Not valid until signed by Owner, Architect (if applicable), and Contractor

PROJECT RELEASE AUTHORIZATION CHECKLIST	Sales Order # 750000090
	Item # 02

Component to be Inspected	Comments	Status
SECTION 1 – Visual Inspection of Rotunda Major Assembly		**OK / NC / NA**
1 Rotunda Assembly	Completed per engineering Spec.	NA
2 Exterior/Interior	Painted per engineering Spec.	NA
3 Curtain Assembly	Properly installed	NA
4 Exterior/ Interior	Free from rust, dents, and blemishes.	NA
SECTION 2 - Visual Inspection of PBB Cab Exterior Assembly		**OK / NC / NA**
5 Cab assembly	Completed per engineering Spec.	OK
6 Exterior	Painted per engineering Spec.	OK
7 Articulating Floor	Properly installed.	OK
8 Curtain/ Covers	Properly installed.	OK
9 Canopy Assembly	Properly installed.	OK
10 Drive chain	Properly installed.	OK
11 Exterior	Free from rust, dents, and blemishes.	OK
SECTION 3 - Visual Inspection of PBB Tunnels Exterior Assembly		**OK / NC / NA**
12 Tunnels exterior assembly	Completed per engineering Spec.	OK
13 Tunnel weather seals	Properly installed.	OK
14 Rollers	Are greased and free from rust.	OK
15 Tunnels	Fit without problem	OK
16 Exterior paint	Painted per engineering Spec.	OK
17 Bridge exterior	Free from rust, dents, and blemishes	OK
SECTION 4 - Visual Inspection of Elevation Assembly		**OK / NC / NA**
18 Elevation	Is mounted at the proper P-Position.	OK
19 Hydraulic power unit, cylinders, and connections.	There is no oil leakage or damaged hoses.	N/A
20 Wheel bogie FRONT and REAR signs	Are clearly identified.	N/A
21 Warning "CRUSH HAZARD - KEEP FEET CLEAR"	Mounted each side of wheel bogie cross tube.	N/A
SECTION 5 - Visual Inspection of Electrical General Wiring Exterior		**OK / NC / NA**
22 Wiring/Cables	Various Junction boxes- properly installed and labeled.	OK
	All wires are neatly routed and secured.	OK
	Wires labeled and are terminated in correct terminal.	OK
	Electrical conduit is straight, without damage and secure.	OK
23 Side trolley system	Trolley moves smoothly with no binding.	OK
	Electrical cable is properly supported and labeled.	OK
	Correct side of cord grips attached at the end of each cable.	OK
SECTION 6 - Visual inspection of PBB Tunnels Interior Assembly		**OK / NC / NA**
24 Wall, ceiling, and corner trims	Properly installed	OK
25 Carpet flooring	Properly installed, no bubbles are visible.	OK
26 Floor Gutter	Properly installed, no bubbles are visible	OK
27 Transition ramp	Ramp is secure and not a trip hazard.	OK
28 "WATCH YOUR STEP" signs	Installed at above the Transition Ramp.	N/A
29 Handrails	Rails are properly secured with no sharp edges.	OK

DocuSign Envelope ID: E84243BE-A3A9-4EAB-87A7-B776438E8AB8

PROJECT RELEASE AUTHORIZATION CHECKLIST	Sales Order # 750000090
	Item # 02

	Component to be Inspected	Comments	Status
30	Tunnels interior	Free from rust, dents, and blemishes	
SECTION 7 - Visual inspection of PBB Cab Interior Assembly			**OK / NC / NA**
31	Cab curtains	Properly installed, free from dents and blemishes	OK
		Brushes and seals are properly installed.	OK
32	Cab flooring	Properly installed, no bubbles are visible.	OK
33	Service door assembly	Installed properly.	OK
		Caulking and weather sealed properly installed	OK
		Lock is mounted and operate properly.	OK
34	Weather Door assembly	Properly installed; and operates properly.	OK
35	Cab interior	Free from rust, dents, and blemishes	OK
SECTION 8 - Visual Inspection of Electrical Assembly Interior			**OK / NC / NA**
36	Light fixtures	Light fixtures operate correctly.	OK
37	Light bulbs	Installed per engineering Spec.	OK
38	Diffusers	Placed inside TA with fully wrap.	OK
39	GFI plug (receptacle)	Operates correctly	OK
40	Telephone preparations for connection and assembly of a telephone	Installed in the left wall of the cabin.	Not Installed
41	CCTV camera monitor	Installed on left wall of cabin above CC1	OK
42	Operating Instruction placard/ UL labels	Installed on left wall of the cabin.	Not Installed
SECTION 9 – Visual inspection the of Primary Power (PP1) and Control Console (CC1)			**OK / NC / NA**
43	Control Console desktop and faceplate	The functions are clearly labeled on the control panel	OK
44	PP1 and CC1 wiring	All wires are neatly routed and secured.	OK
		Wires are identified with approved labels.	OK
		Labels are visible and match the wiring diagram.	OK
		Spare wires shall be numbered and labelled as SPARE.	OK
45	PP1 Door	Properly installed, open and close without issue.	OK
46	HIGH VOLTAGE / Electrical Warning signs	Installed per engineering Spec.	OK
SECTION 10 - Functional Inspection			**OK / NC / NA**
47	Operation and Functional Inspection	Completed per Engineering Inspection Protocol	OK
48	Control console cabinet (CC1)	Is secured. Interlocks are functional.	OK
49	Primary power cabinet (PP1)	Is secured. Interlocks are functional.	OK
50	Press LAMP TEST Button	All the panel lights are ON and the buzzer and siren sound audibly.	OK
51	Press and reset "EMERGENCY STOP" button on CC1	All output should be off, and no movements allowed. Auto lever Alarm Buzzer and CC1 Buzzer should be on.	OK
52	Tunnel lighting- three-way switches	Operates correctly	OK
53	Emergency lighting	Illuminates only when Main power is shut off.	OK
54	Red battery light for emergency lighting	Illuminates only when switch is off.	OK
55	HMI push button for Exterior Cab lights	Outside front of rotating cab light is on.	OK
56	HMI push button for Interior Cab Lights	Light above CC1 in on.	OK
57	Canopy Operation	Extends/ retracts fully; and stops on the limit	OK
		Canopy extended bridge will not move forward.	OK
58	Articulating Floor Operation	Raises and lowers; and maintains a level position.	OK
59	Auto leveler	Operate correctly.	OK

PROJECT RELEASE AUTHORIZATION CHECKLIST	Sales Order # 750000090
	Item # 02

	Component to be Inspected	Comments	Status
60	Cab rotations	Cab rotates and stops on the limit with no issues.	OK
		Drive chain runs properly and has enough clearance from the nearby components.	OK
		Curtain is tight on both sides when cab is moved in both directions.	OK
61	Vertical Operation	The bridge raises up and lowers smoothly	OK
		Check for bounce or shudder.	OK
62	Service door (check in various positions)	The door stays closed with the bridge at the lowest height.	OK
		The door opens easily at the highest height.	OK
63	Wheel Bogie Rotations	Wheel rotates properly and stops on the limit.	OK
		Wheel guard system fully encompasses both wheels, and it stops movement of the PBB when it is contacted/activated by a person or obstruction.	OK
64	Tunnel extends and retract	The tunnel extends and retract without noise.	OK
		The tunnel Rollers support evenly.	OK
		The exterior of the inner tunnel does not rub the inner wall panels of the exterior tunnel.	OK
		The antismoke sealing seals well.	OK
		The gap on the left and the right side has the same width.	OK
		The ramp moves freely.	OK

Notes

Pre FAT follow up notes

- Storage
  - TK submitted change order for $508k for storage in house
    - 50k in spares credit was granted
    - Agreed to $450k change order total to be revised and resubmitted by Friday of this week
    - Confirm in writing that insurance coverage will support any acts of God

- Training
  - TK to follow up and provide proposal for additional training and exact training being offered
    - Provide by Friday Aug 25th

- Maintenance
  - TK to have an internal meeting on August 17th for review
    - Proposal to be submitted by no later than Aug 25th

- Spares and Auto Docking
  - TK to provide the spares parts list and costing directly with Richard
    - To be provided by Aug 18th
    - Auto Docking to be reviewed as well tomorrow

- Pay App #1
  - Receipt of payment to site yesterday
    - TK to receive payment in the next week

DocuSign Envelope ID: E84243BE-A3A9-4EAB-87A7-B776438E8AB8

- Pay App #2
    - Reviewed during meeting to be submitted today prior to end of business
        - Value of 2.9M

- Bird Frit Approval
    - Original sample was lost by UPS
        - New samples were ordered and follow up with delivery date by next week

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: I5
2023-2115

BULK ITEM: Yes

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING:

Approval of updated Minimum Standards for Commercial Aeronautical Activities at the Key West International Airport to foster, encourage, promote and develop commercial aeronautical activities at the Airport.

ITEM BACKGROUND:
The Airport desires to have the BOCC adopt updated Minimum Standards for Commercial Aeronautical Activities at the Airport that promote safety and security in all airport activities, enhance the availability of high-quality aeronautical services for airport users, promote the orderly development of airport property for aeronautical activities, and provide a fair and reasonable opportunity to all on-airport commercial aeronautical operators to offer their services.

PREVIOUS RELEVANT BOCC ACTION:
On August 1, 1990 the BOCC adopted Resolution No. 374-1990 to revise the Minimum Standards for Commercial Aeronautical activities by Fixed Base Operators and Other Aeronautical Service Providers at Monroe County Airports.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:

MINIMUM STANDARDS

TABLE OF CONTENTS

SECTION	ITEM	PAGE
SECTION 1.	INTRODUCTION	1
SECTION 2.	DEFINITIONS	2
SECTION 3.	GENERAL POLICIES	6
SECTION 4.	APPLICATIONS FOR AGREEMENTS	12
SECTION 5.	GENERAL REQUIREMENTS	18
SECTION 6.	FIXED BASE OPERATOR (FBO)	25
SECTION 7.	SPECIALIZED AVIATION SERVICE OPERATOR (SASO)	30

SECTION 1. INTRODUCTION

Monroe County, Florida, as owner and operator of the Key West International Airport adopts through its Board of County Commissioners these Minimum Standards for Commercial Aeronautical Activities to foster, encourage, promote and develop Commercial Aeronautical Activities at the Airport, while:

A. Promoting safety and security in all Airport activities;

B. Enhancing the availability of high-quality aeronautical services for Airport users;

C. Promoting the orderly development of Airport property for Aeronautical Activities; and

D. Providing a fair and reasonable opportunity to all on-Airport Commercial Aeronautical Operators to offer their services.

Capitalized terms used in these Minimum Standards shall have the meanings assigned to them in Section 2 hereof. In promulgating these Minimum Standards, the County intends to provide Commercial Aeronautical Operators access to the Airport on fair and reasonable terms without granting any exclusive right and without unjustly discriminating against potential Commercial Aeronautical Operators seeking available Airport facilities to furnish Aeronautical Activities.

The Minimum Standards shall take effect upon their adoption by the BOCC and shall become binding upon any prospective or actual Commercial Aeronautical Operator that thereafter enters into, amends, or otherwise modifies its Agreement with the County or otherwise begins to conduct a Commercial Aeronautical Activity at the Airport. The Minimum Standards shall not a bind a Commercial Aeronautical Operator with respect to a Commercial Aeronautical Activity that the Commercial Aeronautical Operator conducts pursuant to an Agreement entered into with the County prior to the adoption of the Minimum Standards, unless such Agreement provides that the Commercial Aeronautical Operator shall be subject to new or amended minimum standards that the County might adopt after the Agreement's effective date.

All Commercial Aeronautical Operators subject to these Minimum Standards are also subject to any amendments or updates thereto that the County may adopt from time to time. Every Commercial Aeronautical Operator, regardless of the status of its Agreement with the County, must comply with the Rules and Regulations and with all Applicable Laws. No current or prospective Commercial Aeronautical Operator may inhibit the County from complying with the terms of any Applicable Law.

These Minimum Standards will be administered by the Airport Director or his or her designee.

SECTION 2. DEFINITIONS

2.1 Terms used in these Minimum Standards are defined below. Words relating to aeronautical practices, processes and equipment will be construed according to their general usage in the aviation industry, unless a different meaning is apparent from the context or specifically defined otherwise. All other words not defined in these Minimum Standards will be construed in accordance with their definitions, if any, in the Rules and Regulations or given their common literal meaning.

A. **Aeronautical Activity** means any activity that involves, makes possible, or is required for the operation of Aircraft or that contributes to or is required for the safety of such operations. Aeronautical Activities do *not* include any operation, commercial or otherwise, not directly related to the operation of Aircraft (*e.g.*, restaurant, hotel, rental car, newsstand, and other concessions, and taxi and limousine services).

B. **Agreement** means a written lease or other contract, enforceable under Applicable Law and executed by all parties thereto, between the Airport and a Commercial Aeronautical Operator that transfers a right or interest in land or Improvements or authorizes the conduct of an activity.

C. **Air Charter** means an operator licensed by the FAA to provide air transportation of persons or property for hire on a charter basis or as an air taxi operator on a scheduled, nonscheduled, or on-demand basis as defined and regulated by the FAA. This term specifically includes, but is not limited to, operators certificated by the FAA under 14 C.F.R. Part 135 or regulated under 14 C.F.R. Part 380.

D. **Air Tour Service** means the provision of passenger-carrying tour flights operating pursuant to 14 C.F.R. § 91.147.

E. **Aircraft** means any contrivance designed, invented or used for powered or nonpowered flight in the air. For the purpose of this definition, Ultralights are not included.

F. **Airport** means Key West International Airport, including all of the areas, buildings, facilities, and improvements within the interior boundaries of that airport, as that airport now exists or may hereafter be modified.

G. **Airport Director** means the Director of Airports for the County. The term "Airport Director" also includes the Airport Director's designee except where the Minimum Standards expressly state otherwise or where context clearly indicates that the term applies only to the Airport Director individually.

H. **Applicable Laws** means all federal, state, and local laws, regulations, ordinances, orders, mandates, and other authorities, including but not limited to the regulations and guidance of the FAA or the Transportation Security Administration, that apply to the Airport or a given Airport user.

I. **Applicant** means a Person who submits an application to provide one or more Commercial Aeronautical Activities at the Airport.

J. **Avionics Sales and Service** means the repair, sale, or service of Aircraft avionics, radios, instruments, and other accessories, not to include airframe or powerplant maintenance.

K. **BOCC** means the Monroe County Board of County Commissioners.

L. **Commercial Aeronautical Activity** means an Aeronautical Activity conducted for compensation, hire, or other pecuniary gain, excluding air carrier operations regulated pursuant to 14 C.F.R. part 121 or otherwise subject to the preemptive effect of the federal Airline Deregulation Act.

M. **Commercial Aeronautical Operator (or CAO)** means a Person who offers one or more Commercial Aeronautical Activities. CAOs include Fixed Base Operators and Specialized Aviation Service Operators.

N. **Core Services** means those Aeronautical Activities that a Fixed Base Operator must provide to aeronautical users of the Airport, whether directly or through contract with a SASO. The Core Services are described in Section 6 of these Minimum Standards.

O. **County** means Monroe County, Florida, acting by and through the BOCC or the Airport Director.

P. **FAA** means the Federal Aviation Administration.

Q. **Fixed Base Operator (or FBO)** means a Commercial Aeronautical Operator granted the right by the County through an Agreement to provide Fuel Service on the Airport subject, without limitation, the terms and conditions of these Minimum Standards.

R. **Fuel Service** means the sale, handling, storage, dispensation, and transportation of Aircraft fuel, including but not limited to aviation gasoline and Jet A fuel; provided, that Fuel Service shall not include (a) the handling, storage, dispensation or transportation of fuel by an Aircraft operator exercising such operator's federal right to self-fueling or (b) the delivery of Aircraft fuel by a supplier not based on the Airport to a Fixed Base Operator.

S. **Governmental Entity** means each and every governmental authority, quasi-governmental or department, agency, bureau, department or other entity or instrumentality having or claiming jurisdiction over the Airport, including the federal government of the United States, the Florida state government, the County, the City of Key West, and any subdivisions and municipalities thereof, and all other applicable governmental authorities and subdivisions thereof.

T. **Improvement** means one of the buildings, structures, additions, or facilities, including but not limited to pavement, fencing, and landscaping, constructed, installed, or placed on, under, or above any land on the Airport.

U. **Miscellaneous Activity** means a Commercial Aeronautical Activity that, due to its infrequency at the Airport or for other reasons, does not reasonably permit or justify the establishment of specific minimum standards.

V. **Minimum Standards** means these Minimum Standards for Commercial Aeronautical Activities as supplemented or amended from time to time.

W. **Package Service** means a Commercial Aeronautical Activity in which the CAO transports mail and packages between an Aircraft at the Airport and a point outside the Airport, whether directly or through one or more intermediate stop(s) at facilities, or other Aircraft, on the Airport.

X. **Person** means any individual, firm, partnership, corporation, company, limited liability company, association, joint stock association, Governmental Entity or body politic, including any such entity's trustee, receiver, committee, assignee, employee or other representative.

Y. **Public Service Hours** means, with respect to the Airport or a particular Commercial Aeronautical Operator, the hours during which the Airport or that Commercial Aeronautical Operator, respectively, is open to the public.

Z. **Rules and Regulations** means the Rules and Regulations for the Airport, as adopted by the County and as they may be amended from time to time.

AA. **Specialized Aviation Service Operator (or SASO)** means a Commercial Aeronautical Operator that offers one or more Aeronautical Activities but does not provide Fuel Service.

BB. **Statement of Interest** means a written statement from an Applicant to the Airport Director that satisfies the provisions of subsection 4.2 of the Minimum Standards.

CC. **Through-the-Fence (or TTF) Operation** means the movement of an Aircraft by ground across the fence line of the Airport or the provision of a Commercial Aeronautical Activity by a Person who does not lease space on the Airport or hold an agreement with an FBO or SASO to provide such services within that FBO's or SASO's on-Airport facilities.

DD. **Ultralight** means a vehicle that meets the definition of "ultralight vehicle" set forth in 14 C.F.R. 103.1.

EE. **Variance** means a conditional grant of a modification to one or more requirements of the Minimum Standards, for only a temporary period, to address unique facts or hardships.

FF. **Waiver** means the conditional grant of a complete or partial exemption from one or more requirements of the Minimum Standards.

SECTION 3. GENERAL POLICIES

3.1 General.

A. These Minimum Standards are adopted by the Board of County Commissioners of Monroe County, Florida.

B. No Person may conduct a Commercial Aeronautical Activity on the Airport without (a) first entering into an Agreement that expressly authorizes such Person to do so and (b) continuously abiding by the Minimum Standards, Rules and Regulations and all Applicable Laws.

C. In addition to the Minimum Standards, all Persons on or using the Airport are subject to all applicable provisions of Applicable Law and the Rules and Regulations.

D. The privilege of using the Airport, including but not limited to any of the facilities or Improvements thereon, is subject to the Airport user's assumption of full responsibility and risk for any such use. The County reserves the right to assert immunity from liability in connection with its operation of the Airport, including but not limited to assertion of sovereign immunity, and to assert any other defenses available to it under Applicable Law.

E. These Minimum Standards cancel and supersede all minimum standards governing the use of the Airport adopted prior to the effective date of these Minimum Standards.

F. The invalidation of any particular minimum standard or other requirement, term, or condition of these Minimum Standards shall not impair the validity of the remainder of the Minimum Standards.

G. Except as provided in the Minimum Standards, an Agreement, a Policy, Standard Procedure, or Operative Directive issued by the Airport Director, or a requirement of the Federal Aviation Administration, the standards and requirements of the Minimum Standards set forth herein are minimums, which a Commercial Aeronautical Operator may exceed.

3.2 Application of the Minimum Standards.

A. The Minimum Standards are effective upon adoption by the County and shall apply to:

1. Any new Agreement entered into after the effective date of these Minimum Standards;

2. Any Agreement in force on the effective date of these Minimum Standards, to the fullest extent permissible under the terms and conditions of such Agreement;

3. Any amendment to an existing Agreement entered into after the effective date of these Minimum Standards;

4. Any Commercial Aeronautical Operator not subject to an Agreement, except as provided in subsection 3.2(C); and

5. The County in any instance in which the County elects to provide a Commercial Aeronautical Activity on the Airport, except when the County invokes, expressly or by its actions, its proprietary exclusive right to be the sole provider of an aeronautical service at the Airport.

B. The BOCC may amend the Minimum Standards from time to time in its sole discretion, and such amended Minimum Standards shall apply to the same extent as the Minimum Standards prior to such amendment.

C. The Minimum Standards shall *not* apply to the following Persons:

1. A flight instructor occasionally accessing the Airport for the limited purpose of picking up or dropping off a student pilot, or conducting flight training, in an Aircraft that is not based at the Airport, unless, in the Airport Director's reasonable judgment, the flight instructor is making regular or frequent use of the Airport;

2. An FAA-designated pilot examiner providing a check ride;

3. An Aircraft manufacturer, Aircraft parts provider, or Aircraft maintenance provider, only to the extent that such manufacturer or provider is providing service or parts at the specific request of an Aircraft owner or operator pursuant to a bona fide emergency request or to a "rapid response" or similar program to provide service or maintenance at a remote location; and

4. Self-servicing or self-fueling by an Airport tenant to the extent permitted by the Rules and Regulations.

3.3 Prohibited Activities.

A. Through-the-Fence Operations.

Except as may be expressly provided by the County and authorized by the FAA, Through-the-Fence Operations are expressly forbidden. Through-the-Fence Operations can adversely affect the ability of the Airport to sustain itself financially, can cause unfair competitive injury to on-Airport CAOs, and can undermine the County's control over the Airport.

B. Cross-Ownership.

Each CAO must promptly inform the County if it holds or controls, directly or indirectly, any ownership, voting, management, or debt interest (actual or

contingent) in any other on-Airport CAO. Consistent with the County's obligation to avoid granting exclusive rights, no CAO may hold or control any of the aforementioned interests in more than one on-Airport CAO absent the prior express written consent of the County.

C. Subleasing Non-Commercial Space.

No Person may conduct a Commercial Aeronautical Activity as a lessee or sublessee of Airport property that is leased or designated for non-commercial use.

D. Fuel Service by non-FBOs.

Only those Persons meeting all of the Minimum Standards' requirements to operate as an FBO may provide Fuel Service on the Airport, except that the Airport Director may authorize air carriers operating at the Airport to establish a fuel consortium solely for the handling, transportation, and dispensation of fuel.

3.4 Waivers and Variances.

A. Overview.

1. As a general matter, the County expects all CAOs to comply fully with the Minimum Standards. The County recognizes that there may sometimes only be one CAO that is willing and able to provide a certain Commercial Aeronautical Activity at the Airport that would benefit the Airport's aeronautical users. In the unusual circumstance that such a CAO cannot practicably provide such Commercial Aeronautical Activity in strict compliance with all of the Minimum Standards, the County may determine that the benefit to the Airport and its aeronautical users of obtaining such service justifies a Waiver or Variance of the Minimum Standards. The intent of a Waiver or Variance is to make feasible a beneficial Commercial Aeronautical Activity at the Airport when the County reasonably determines that a CAO would not, in the reasonably near future, provide such Commercial Aeronautical Activity without the Waiver or Variance.

2. In no event shall the County permit one CAO to exercise or benefit from a Waiver or Variance that is not provided to a similarly situated CAO, or where such a Waiver or Variance would have the effect of creating an impermissible exclusive right or causing unjust discrimination among CAOs. As such, the County reserves the right to revise or rescind any Waiver or Variance, including but not limited to situations in which a second CAO offers to provide a Commercial Aeronautical Activity at the Airport without requiring the Waiver or Variance.

B. Waiver.

1. The County may issue a Waiver for all or any portion of the Minimum Standards for the benefit of any Governmental Entity providing public or

emergency services, including but not limited to law enforcement, disaster relief, search and rescue, fire management, and firefighting.

2. In other instances, the County may approve a Waiver upon finding that all of the following conditions are satisfied:

   a. The CAO seeking the Waiver will be the only CAO on the Airport providing a particular product, service, or facility as of the effective date of its Agreement;

   b. The Waiver is necessary to alleviate the CAO's financial burden of initiating or expanding the provision of the Commercial Aeronautical Activity subject to the Waiver; and

   c. The Waiver will not materially undermine the CAO's provision of high-quality products, services, and facilities to Airport users.

3. Under extraordinary circumstances, the County may grant a Waiver to a CAO that cannot satisfy either paragraph 3.4(A)(1) or 3.4(A)(2), provided that the County determine that such a Waiver:

   a. Is in the interest of Airport users generally;

   b. Does not create an impermissible exclusive right; and

   c. Is otherwise fair and equitable, and not unjustly discriminatory, to any other CAO on the Airport.

4. The County may revoke a Waiver if it reasonably determines that:

   a. The continued grant of such Waiver poses a substantial risk of giving rise to an exclusive right or of unjustly discriminating against any CAO; or

   b. Another CAO proposes to provide the Commercial Aeronautical Activity subject to the Waiver without requiring such Waiver.

C. Variance.

1. The County may approve a Variance of the Minimum Standards upon finding that each of the following conditions is satisfied:

   a. An extraordinary circumstance exists that makes the application of the Minimum Standards unduly burdensome to the subject Commercial Aeronautical Operator(s);

   b. The Variance is narrowly tailored to address that extraordinary circumstance;

c. The CAO seeking the variance has agreed to come into full compliance with the Minimum Standards within a specific, reasonable timeframe set and enforceable by the County;

d. The Variance will not grant the CAO requesting it an unjustly discriminatory competitive advantage over any other on-Airport CAO; and

e. The County finds that the Variance will not materially adversely affect the CAO's provision of high-quality products, services, and facilities to Airport users.

2. The County may revoke a Variance if it reasonably determines that:

a. The continued grant of such Variance poses a substantial risk of giving rise to an exclusive right or of unjustly discriminating against any CAO; or

b. Another CAO proposes to provide the Commercial Aeronautical Activity subject to the Variance without requiring such Variance.

D. Limitations on Waivers and Variances.

Any Waiver or Variance approved by the County:

1. Shall apply only to the specific Commercial Aeronautical Operator requesting it;

2. Shall have no precedential effect on the grant of a Waiver or Variance under circumstances that may arise under other circumstances at the Airport; and

3. Shall create no right for the Commercial Aeronautical Operator receiving the Waiver or Variance to extend the duration or expand the scope of such Waiver or Variance or to receive any other Waiver or Variance in the future.

E. Additive and Conflicting Standards.

1. Except as otherwise expressly stated in the Minimum Standards, each CAO must meet all of the requirements of the Minimum Standards that apply to each Commercial Aeronautical Activity that CAO conducts.

2. In the event that a CAO is subject to conflicting requirements under the Minimum Standards, the CAO must satisfy the highest or most demanding such requirement, as the Airport Director may determine in his or her reasonable discretion.

3. If a requirement of the Minimum Standards conflicts with a term of a CAO's Agreement, such term in the Agreement shall govern, provided that, subject

to subsection 3.1, no Agreement may apply a standard less stringent than a comparable requirement in the Minimum Standards unless the County has granted a Waiver or Variance or an accommodation pursuant to subsections 3.4(B) or (C).

F. Accommodations.

1. The County may, in its reasonable discretion, permit a CAO conducting multiple Commercial Aeronautical Activities to satisfy a requirement that is less stringent than the sum of the requirements of these Minimum Standards that are generally applicable to each Commercial Aeronautical Activity that the CAO wishes to offer, provided that the County finds that such less-stringent requirement:

   a. Will not materially adversely affect the CAO's provision of high-quality products, services, and facilities to Airport users; and

   b. Will not grant the CAO requesting it an unjustly discriminatory competitive advantage over any other on-Airport CAO.

2. No accommodation granted pursuant to this subsection 3.4(F) shall constitute either a Waiver or a Variance.

SECTION 4. APPLICATIONS FOR AGREEMENTS

4.1 General.

A. Except as provided by paragraph 7.12(A) below, any Person wishing to offer a Commercial Aeronautical Activity on the Airport shall first enter into an Agreement with the County to do so. This Section 4 states the general requirements to obtain such an Agreement.

B. To obtain an Agreement, a Person must first submit an application to the Airport Director. If such Person is a corporation or other organization, the application shall be signed and submitted by an individual who owns an interest in that corporation or organization, is designated to manage the CAO should the County approve the application, is a partner in the organization if such entity is a partnership, or serves as an officer, director, member, or principal of the applicant organization.

C. If the Airport Director determines that the application is complete, then the Airport Director shall present the application to the BOCC, which shall have authority and discretion to approve or deny the application, subject to Applicable Law and the requirements of the Minimum Standards.

D. A CAO operating on the Airport as of the date of adoption of these Minimum Standards is not required to submit a Statement of Interest or an application to the County to provide Commercial Aeronautical Activities it currently offers on the Airport, provided that:

1. The CAO shall submit an application in order to provide any additional Commercial Aeronautical Activities not being provided before the adoption of these Minimum Standards; and

2. A CAO providing a Commercial Aeronautical Activity without an Agreement must promptly obtain an Agreement and may be barred from the Airport until it enters into an Agreement with the County.

4.2 Statement of Interest.

The County will not accept an application to provide a Commercial Aeronautical Activity until the Applicant submits a Statement of Interest in writing to the Airport Director that provides:

A. A general description of the nature and scope of the Commercial Aeronautical Activity(ies) proposed to be provided by the Applicant, including the general area of the Airport in which the Applicant proposes to conduct such Commercial Aeronautical Activity(ies); and

B. The names of both the Applicant and its principal(s) and their physical and email addresses and telephone numbers.

4.3 Procurement Invitation.

Following receipt of a Statement of Interest, or upon its own initiative, the County may issue a request for proposals or qualifications to provide a Commercial Aeronautical Activity or otherwise select a CAO to provide such Commercial Aeronautical Activity through an open and competitive process. Subject to Applicable Law, in the interest of promoting competition and avoiding the risk of granting an exclusive right, the County may, in its discretion, prohibit an existing CAO on the Airport from applying to provide any additional Commercial Aeronautical Activity.

4.4 Application.

Each application to provide a Commercial Aeronautical Activity on the Airport shall be in the form prescribed by the Airport Director. Such application shall include the following information, provided that the Airport Director may require alternative or additional information:

A. The names of the Applicant and all of its principals, if any, and the physical and email addresses and telephone number of the Applicant or a principal point of contact;

B. A comprehensive description of the scope of the Commercial Aeronautical Activity(ies) proposed to be provided by the Applicant;

C. The date on which the Applicant proposes to commence the proposed Commercial Aeronautical Activity(ies);

D. A map or diagram, to scale, depicting:

1. The size, location, and specifications of any building(s) or other Improvements that the Applicant proposes to construct or lease on the Airport;

2. The estimated cost of (a) constructing or leasing and (b) furnishing and equipping such building(s) or Improvements; and

3. The Applicant's proposed method of financing such construction or leasing and furnishing.

E. With respect to the real property on the Airport that the Applicant seeks to lease from the County or to sublease from another Airport tenant, the name of the Person who currently leases such property, if known;

F. The name(s) and qualifications of the key personnel whom the Applicant proposes to operate the CAO, including but not necessarily limited to the president or general manager and any employee of the CAO acting in a lead or supervisory capacity;

G. A statement of past experience related to the Commercial Aeronautical Activity(ies) that the Applicant proposes to provide on the Airport. Without limitation, that statement must list the name, telephone number, and email address of the principal of, or official point of contact for, each airport proprietor, employer, and business partner at or with whom each of the Applicant's principals worked, and for each landlord from whom any of the Applicant's principals leased space, with respect to the general kind or class of Commercial Aeronautical Activity(ies) that the Applicant proposes to provide on the Airport. By listing such persons, the Applicant affirmatively authorizes the Airport Director to contact such persons;

H. Copies of all certifications and authorizations from the FAA or another Governmental Entity necessary to perform the proposed Commercial Aeronautical Activity(ies) in accordance with Applicable Law, or demonstration, satisfactory to the County, that the Applicant can obtain such certifications or authorizations reasonably promptly;

I. The specific types and amounts of insurance that the Applicant proposes to obtain for its proposed Commercial Aeronautical Activity(ies), provided that such insurance must satisfy the requirements of the Minimum Standards;

J. Names and financial statements, satisfactory to the County, of the Applicant and of any proposed guarantor(s) of the Agreement for the previous five (5) years;

K. Identification of any bankruptcies that the Applicant or any of its principals have entered into or been subject to within the previous seven (7) years;

L. Copies of any proposed safety and emergency response plans that may be required by the County's form operating agreement for the proposed Commercial Aeronautical Activity(ies);

M. Disclosure whether the Applicant or any Person holding or controlling, directly or indirectly, any ownership, voting, management, or debt interest (actual or contingent) therein holds any ownership, voting, management or debt interest (actual or contingent) in any other Applicant or existing on-Airport CAO; and

N. If the Applicant proposes to conduct any construction on the Airport:

1. A certification that the Applicant has submitted FAA Form 7460-1, *Notice of Proposed Construction or Alteration*, as the FAA may amend or supersede such form, if FAA regulation or policy requires the Applicant to submit such form;

2. A copy of such submitted Form 7460-1, as amended, if any, and a copy of any determination that the FAA has made with respect to such submission; and

3. A certification that the Applicant will comply with any such FAA determination.

4.5 Additional Information.

In addition to the materials required of an Applicant under subsection 4.4, the County may further require an Applicant to submit, as part of its application:

A. A current financial statement for the Applicant's principal(s);

B. A current credit report for the Applicant or its principal(s); and

C. A written authorization to the FAA and all aviation or aeronautical agencies of all states in which the Applicant or its principal(s) have conducted Commercial Aeronautical Activities to supply the County with all information in their files related to the Applicant or its principals to the maximum extent permissible under Applicable Law. The Applicant shall further execute any forms, releases, or discharges that the FAA or any such state agency may require to release the requested information to the County.

4.6 The County may, upon review of the materials provided by the Applicant pursuant to subsections 4.4 and 4.5, require the Applicant to supplement such materials if the County reasonably deems such supplementary information necessary to responsibly evaluate the application.

4.7 Review of Application.

A. The County shall not act on an application to provide a Commercial Aeronautical Activity until it has received all of the materials required under subsection 4.4 and any materials it has requested pursuant to subsections 4.5 and 4.6.

B. To obtain an Agreement, an Applicant must satisfy the County that such Applicant has:

1. The managerial, technical, and operational competence and experience to perform its proposed Commercial Aeronautical Activity(ies) in a safe, high-quality, and legally compliant manner;

2. The financial responsibility and technical ability to provide the facilities and Commercial Aeronautical Activities proposed without requiring financial or technical assistance from the County, and to meet its obligations to the County; and

3. The capability to consistently provide its proposed Commercial Aeronautical Activity(ies) in a manner that serves the best interest of the Airport's aeronautical users generally.

C. In evaluating whether an Applicant satisfies the criteria of subsection 4.7(B), the County may consider the contents of the application, and any additional, reliable information that the County may obtain with respect to the Applicant or its principal(s), to assess the following factors to determine whether:

1. **Safety and Efficiency.** The Applicant's proposed operations or construction would impair the safe and efficient operation of the Airport.

2. **Competence and Experience.** The Applicant has the competence, qualifications and experience to provide the proposed Commercial Aeronautical Activity(ies) in a consistently reliable manner.

3. **County Expenditure.** Granting the application would foreseeably require the County to expend Airport revenue or other public funds, or to supply labor or materials in relation to the Applicant's proposed construction or Commercial Aeronautical Activity.

4. **Availability.** The Airport has available space that is appropriate and adequate to accommodate the Applicant's proposed Commercial Aeronautical Activity(ies) or construction work at the time the Applicant proposes or could foreseeably commence such Commercial Aeronautical Activity(ies) or work.

5. **Compliance with Airport Layout Plan or Airport Master Plan.** The Applicant's proposed Commercial Aeronautical Activity(ies) or construction are consistent with the airport layout plan or airport master plan for the Airport.

6. **Misrepresentation.** The Applicant or any Person submitting an application to provide Commercial Aeronautical Activity(ies) on its behalf has, intentionally or unintentionally, misrepresented or failed to disclose any material fact in that application or in the documents in support thereof.

7. **History of Violations.** The Applicant or any of its principal(s) has a record of violating the minimum standards or rules and regulations of the Airport or of any other airport.

8. **Lack of Authority.** The Applicant lacks any authorization, certification, license, or permit required by the FAA or by another Governmental Entity to conduct any of the Commercial Aeronautical Activities, other business operations, construction, or development that it proposes to conduct in its application, and the Applicant fails to satisfy the County that it will obtain all such authorizations, certifications, licenses and permits prior to its proposed commencement of such Commercial Aeronautical Activities, operations, construction, or development.

9. **Defaulted Performance.** The Applicant, any of its principal(s), or any of its guarantor(s) has defaulted in the performance of any Agreement with the County or at another airport.

10. **Lack of Finances.** The Applicant does not appear to have, or have access to, the finances necessary to conduct its proposed Commercial Aeronautical Activities, development, or construction for a period of at least six month.

11. **Undue Risk.** The Applicant or any of its principal(s) has been convicted of any crime, has charges pending for any crime, or is the subject of any court order, and the County reasonably believes that such conviction, pending charges, or court order indicate that the Applicant or principal(s) poses an undue safety, security, financial, or compliance risk to the County, the Airport, or Airport tenants or users.

12. **FAA Determination.** The FAA has determined that any construction or development proposed by the Applicant on or about the Airport would constitute an obstruction or hazard to air navigation.

13. **County's Obligations.** Approving the application would foreseeably place the County in violation of any of Applicable Law.

SECTION 5. GENERAL REQUIREMENTS

5.1 Introduction.

The following requirements are applicable to all Commercial Aeronautical Operators engaged in any Commercial Aeronautical Activity at the Airport. Additional requirements specific to FBOs and SASOs are set forth in Section 6 and Section 7, respectively.

5.2 Agreement.

A. A CAO must obtain an Agreement prior to providing any Commercial Aeronautical Activity on the Airport. Upon approving an Applicant's application to provide a Commercial Aeronautical Activity(ies), the County shall prepare an Agreement that sets forth the terms and conditions under which the Applicant may conduct such Commercial Aeronautical Activity(ies).

B. The Agreement shall state the terms and conditions under which the Commercial Aeronautical Operator shall be permitted to do business on the Airport, including but not limited to the term of the Agreement, the applicable rentals, fees or charges, the rights, privileges, and obligations of the respective parties to the Agreement, and other relevant provisions.

C. The County may set the term of an Agreement based upon, among other factors, the degree of investment that the CAO proposes to make in its operations and in facilities on the Airport, the remaining value of any Improvements that the CAO will lease pursuant to and through the term of the Agreement, and any applicable requirements of Applicable Law.

D. Each Agreement shall require the CAO to indemnify, hold harmless, and defend the County for claims arising from its Commercial Aeronautical Activity(ies) and other actions on or relating to the Airport, its performance or non-performance of the Agreement, or the acts or omissions of itself (including its principals, agents, representatives, assigns, contractors, successors, and other associated parties) or its invitees.

E. Each Agreement shall incorporate the Minimum Standards and Rules and Regulations by reference.

F. Each Agreement shall include:

1. All provisions required by the FAA as a condition of the County's eligibility to receive federal grant funds; and

2. A provision subordinating such Agreement to the County's federal obligations, including the conditions of any grant agreement between the County and the United States relative to the operation of the Airport.

G. Title to any Improvements leased or constructed by a CAO shall vest in the County upon expiration or termination of that CAO's Agreement, unless the Agreement expressly states otherwise.

5.3 Security for Payment.

A. Each CAO entering into an Agreement shall provide the County, on or before the effective date of the Agreement, an irrevocable letter of credit, acceptable to County, in an amount equal to the estimate of three months' rent, fees, and charges payable by the CAO under the Agreement. Such letter of credit shall guarantee the faithful performance by the CAO of its obligations under the Agreement and the payment of all rent, fees, tax assessments, and charges due under the Agreement ("Payment Security"). Except as provided in the following sentence, the CAO shall be obligated to maintain such Payment Security at all times during the Agreement term. Any release of the CAO's obligation to the letter of credit is conditioned on the satisfactory performance of all terms, conditions, and covenants contained in the Agreement for no less than 4 years.

B. In the event that the County reasonably determines that it must draw down or collect against the CAO's Payment Security for any reason, the CAO will, within fifteen (15) days after such drawdown or collection, take such action as is necessary to replenish the existing Payment Security to an amount equal to three months' estimated rent, fees, and charges or provide additional or supplemental Payment Security from another source so that the aggregate of all Payment Security is equal to three months' estimated rent, fees, and charges payable to the County by the CAO under the Agreement.

5.4 Termination of Agreement.

The grounds upon which the County may terminate an Agreement shall include, without limitation, the CAO's:

A. Failure to remain current in the payment of all rents, fees, charges, pass-through-expenses, and other sums due and owing to the County, or, if permitted by the County, to pay any such sum that is late or delinquent, and any interest or late fees required by the County, within the period set by the Agreement or otherwise authorized in writing by the County;

B. Failure to remain in compliance with the Minimum Standards or the Rules and Regulations, subject to any applicable cure periods specified in the Agreement or in the Rules and Regulations; or

C. Breach of any other material term or condition of the Agreement and failure to remedy such breach in the manner and timeframe for which the Agreement permits such a remedy, if any.

5.5 Airport Use Fees.

Each CAO shall timely pay any applicable fees, rates, or charges specified, expressly or by reference, in its Agreement for use of the Airport.

5.6 Insurance.

A. Each CAO shall procure and maintain, at its sole expense, insurance of the types and in the minimum limits determined by the County for each type of Commercial Aeronautical Activity that the CAO offers. Except as may otherwise be provided in the CAO's Agreement, a list of such insurance requirements and minimum limits is appended to, and incorporated into, the Minimum Standards as Appendix A.

B. The County reserves the right to adjust such insurance limits from time to time as it reasonably deems appropriate, provided that required insurance shall be available on reasonable commercial terms in the Airport's regional insurance market to CAOs that provide the pertinent Commercial Aeronautical Activity and pose an ordinary risk profile for CAOs providing such Commercial Aeronautical Activity.

C. Each year, the CAO will deliver, or cause to be delivered, to the Airport copies of all certificates of insurance, in form and from an insurer licensed to do business in the State of Florida and satisfactory to the Airport, that it has obtained in relation to its Commercial Aeronautical Activities and other operations on the Airport. Such certificates must be valid, must name the County as an additional insured (except with respect to worker's compensation), and must be signed by an authorized representative of the insurer.

D. In requiring each CAO to obtain insurance, the County in no way:

1. Assumes any liability for injury or damage occurring on or in connection with the Airport;

2. Represents or guarantees that such insurance coverage is adequate to protect the CAO's interests or liabilities, or to cover any claim that might arise; or

3. Prohibits the CAO from obtaining greater insurance coverage than the Minimum Standards or Agreement require, and any insurance coverage carried by CAO in excess of these requirements shall nevertheless name the County as an additional insured.

5.7 Fee Disclosure.

Each CAO shall publicly disclose, in a readily accessible manner, any and all rents, fees, prices, and charges that it assesses Airport Users to use its services, which shall be reasonable and not unjustly discriminatory.

5.8 Compliance with Applicable Laws.

A. Notwithstanding any other provision of the Minimum Standards or any Agreement, each CAO must comply with all Applicable Laws, and other requirements applicable to their operations, including but not limited to:

1. All applicable FAA regulations, orders, and directives;

2. All applicable regulations, orders and directives of the Transportation Security Administration, as each may be amended from time to time;

3. All applicable environmental laws;

4. The lawful orders and directions of law-enforcement officers; and

5. The County's policies and orders pursuant to its Airport Security Program and Safety Management System.

B. Each CAO must ensure that its employees, vendors, contractors, agents, and invitees also comply with the requirements summarized in subsection 5.8(A).

5.9 Compliance with Licenses, Permits, Certifications, and Ratings.

The CAO will procure and maintain, during the term of the Agreement and during any other period during which it conducts any Commercial Aeronautical Activity(ies), permitted or otherwise, on the Airport, all licenses, permits and other similar authorizations applicable to the CAO that the Airport Director or any Governmental Entity may require the CAO to procure and maintain in order to provide its Commercial Aeronautical Activity(ies).

5.10 Facilities, Maintenance, and Equipment.

A. Except as otherwise expressly stated in the Minimum Standards, each CAO shall lease from the County, or enter into a written sublease or other agreement with another on-Airport CAO for the use of, an area or facility at the Airport of adequate and appropriate size, shape, and location to safely, efficiently, and professionally provide the CAO's Commercial Aeronautical Activity(ies) on the Airport.

B. Each CAO shall ensure that all of the structures it constructs, develops, or leases meet applicable building and fire codes and are consistent with both the Airport Layout Plan and the requirements of 14 C.F.R. Part 77.

C. Except as provided in the Minimum Standards or the CAO's Agreement, each CAO is responsible for all maintenance, repair, and replacement of the Airport facilities that it is authorized to use unless another CAO has assumed responsibility for such maintenance, repair, or replacement.

D. Unless the CAO's Agreement provides otherwise:

1. The County shall be responsible for structural and external repairs (except for repairs to windows and hangar doors) of County-owned Airport

facilities; all other maintenance of facilities on the Airport, including repair of windows and hangar doors at County-owned Airport facilities, shall be the responsibility of the CAO leasing such facility.

2. Each CAO shall be responsible for trash removal, sewage, grass-mowing, landscape maintenance (including weed removal), wildlife control, utility-line maintenance, and pavement maintenance within such CAO's leased premises on the Airport, including the set-back areas around the CAO's leased or used structures.

3. Each CAO shall be responsible for all utilities and utility-connection requirements, permits, and payments necessary for the operation of, or in support of, the CAO's operations.

4. No CAO may pile or store crates, boxes, barrels, containers, refuse, or surplus property on its leased or used premises or elsewhere on the Airport.

5. Each CAO shall maintain all of its leased premises on the Airport in a clean and sanitary condition and, at the expiration of the term of its Agreement, shall return said premises to the County in that condition, reasonable wear and tear excepted.

6. Each CAO shall ensure the safe and sanitary handling and disposal, away from the Airport, of all trash, waste, and other materials utilized in its Commercial Aeronautical Activity(ies), including but not limited to used oil, solvents, lavatory-cart contents, and other waste.

E. Neither a CAO nor any of its contractors may undertake construction until:

1. It submits detailed plans and specifications of such architectural designs and construction to the County and the County approves them; and

2. It submits all municipal and County permits required by Applicable Law or by the Agreement to the County for review.

F. All vehicles operating at the Airport and operators thereof, including any operated by a CAO or its contractor(s), shall obtain the permits required under the Rules and Regulations and shall comply with all applicable federal training requirements, FAA and TSA requirements, and provisions of the Rules and Regulations governing vehicles and traffic.

5.11 Parking.

Each CAO must ensure that it has a sufficient number of motor vehicle parking spaces available and readily accessible to accommodate those of its personnel and customers who desire to park at the Airport. A CAO may ensure such availability and accessibility by leasing parking spaces directly from the County, if any are available, from another CAO, with the County's prior written approval, or by other means. Due to the Airport's

geography, parking at the Airport is constrained, so it is imperative that each CAO ensure sufficient parking for its personnel and customers.

5.12 Personnel.

A. Each CAO shall provide a list of contacts to the Airport Director, including at least one telephone number through which the Airport Director may reach a manager or owner of the CAO. For FBOs and CAOs that provide airframe or powerplant maintenance (see Section 7.7) or ground handling (see Section 7.9), such CAO or owner must be reachable by that telephone number 24 hours per day, seven days a week. For all other CAOs, such manager or owner must be reachable by that telephone number between 8:00 a.m. and 6:00 p.m., Airport local time, Monday through Friday, as well as any other time during which the CAO is open for business. Each CAO shall update such list whenever any change occurs to the contacts contained within it.

B. Each CAO is responsible for the conduct and demeanor of its personnel, agents, subcontractors, and subtenants.

5.13 Notice and Reporting.

A. Each CAO shall keep current, in good standing, and available for inspection by the County all permits, licenses, certifications and ratings that the CAO, its employees, or its contractors are required to maintain by any Governmental Entity to conduct the CAO's Commercial Aeronautical Activities.

B. Each CAO shall submit to the Airport Director a certificate of insurance for any Aircraft the CAO brings onto the Airport to conduct any Commercial Aeronautical Activity. The CAO shall submit to the Airport Director all such certificates of insurance for an Aircraft within forty-eight (48) hours after bringing such Aircraft onto the Airport. This paragraph shall not apply to a flight instructor bringing a particular student's Aircraft onto the Airport solely for the purpose of providing flight instruction to that student, provided that the flight instructor removes the Aircraft from the Airport following each lesson.

5.14 Subcontracting, Subleasing and Assignment.

A. No CAO may sublease, assign, or subcontract any of its Commercial Aeronautical Activities on the Airport, or any Agreement pertaining thereto, except as provided herein or without the County's prior written approval to do so.

B. No CAO may subcontract all or substantially all of its Commercial Aeronautical Activities on the Airport absent extraordinary circumstances and prior written approval from the County. This paragraph does not apply to a CAO's contractual relationship with individual independent contractors or temporary employees of the CAO.

C. A CAO may sublease space to another CAO to perform one or more Commercial Aeronautical Activities, provided that the sublessor CAO must first obtain the express written consent of the County to sublease, which consent the County may grant or withhold in its sole discretion. As a condition of granting such consent, the County may require that, at a minimum, the appropriate CAO(s) or its sublessee(s), as applicable, satisfy the following conditions:

1. Each sublessee enters into an Agreement with the County;

2. The sublessor CAO carries insurance for its sublessee or provides a certificate of insurance which shows the sublessee and the County as additional insured, in amounts commensurate with the activities conducted by the sublessee and compliant with all applicable insurance requirements specified in the Minimum Standards; and

3. No Person may conduct a Commercial Aeronautical Activity as a lessee or sublessee of Airport property that is leased or designated for a non-commercial use, including, for example, and without limitation, a hangar leased for private, non-commercial use.

D. The County may, in its sole discretion, provide express written consent for a CAO to assign its rights under an Agreement, subject to the Rules and Regulations and to these Minimum Standards. Prior to granting consent for any assignment, the County may require the prospective assignee to complete an application pursuant to Section 4 or to provide similar information. The County may reject the request to assign the Agreement based on the factors enumerated in subsection 4.7(C) or for any other reason.

5.15 Proprietary Exclusive.

A. The County may elect to provide any lawful Aeronautical Activity at the Airport.

B. Should the County exercise its proprietary right to be the sole provider of a particular Commercial Aeronautical Activity on the Airport, then the County shall not be subject to the Minimum Standards with respect to that Commercial Aeronautical Activity. The County shall use only its own personnel to provide any such proprietary exclusive Commercial Aeronautical Activity.

C. Should the County elect to provide a Commercial Aeronautical Activity while permitting one or more CAOs to provide the same such Commercial Aeronautical Activity, then the County shall comply with all applicable provisions of sections 3, 5, 6, and 7 of the Minimum Standards with respect to providing such Commercial Aeronautical Activity.

SECTION 6. FIXED BASE OPERATOR (FBO)

6.1 All FBOs will be subject to the following:

A. Core Services.

The Core Services listed below must be performed by the FBO either directly or through an agreement approved in advance in writing by the County:

1. Fuel Service, including, without limitation:

   a. The sale and the dispensation into Aircraft of aviation gasoline (including but not limited to 100LL and unleaded aviation gasoline), jet fuel, and Aircraft oils and lubricants of kinds customarily sold, all in sufficient quantity and with sufficient ratings, grades, and quality to meet the foreseeable demand therefor by the operators of the general-aviation, commercial, and air-carrier Aircraft that use the Airport; and

   b. Operation of a fuel farm facility that meets the fuel-farm capacity requirements set forth in Section 6.1(C) and is sufficient to store the aviation gas and jet fuel that the FBO is required to sell and dispense pursuant to paragraph 6.1(A)(1)(a).

2. Tie-down and common use hangar storage for general aviation Aircraft. T-Hangars are not permitted to satisfy this requirement.

3. Tie-down services, including, but not limited to:

   a. Ramp parking and tie-down assistance, including ramp personnel and vehicles of sufficient quantity to readily assist Aircraft operators without substantial delay except in extraordinary circumstances;

   b. Tie-down ropes, chains and anchors;

   c. Aircraft-towing services utilizing motor-driven drawbar vehicles capable of moving single- and multi-engine Aircraft weighing up to 60,000 pounds;

   d. Mobile electrical ground power assistance with a minimum 14/28 volt, 1,600 ampere surge capacity; and

   e. Cabin cleaning, including on-board toilet cleaning, and catering services.

4. Emergency service to disabled general aviation Aircraft on the Airport, including towing and transporting disabled Aircraft, at the request of the

owner or operator of the Aircraft or the Airport Director, for Aircraft with a gross weight up to 60,000 pounds.

5. Flight planning and flight services facilities equipped with direct telephone communication to an FAA flight service station, local navigation charts, flight planning materials and weather information available during Public Service Hours for Airport patrons.

6. A customer waiting area of sufficient size to meet the requirements of 6.1(C) below and to accommodate the FBO's foreseeable customer demand. Such waiting area shall feature comfortable, attractive, and well-maintained furniture, wireless-Internet service, beverages and snacks for free or for purchase, water, and clean, functioning restrooms for customers' use.

7. Free, courtesy ground transportation to carry FBO customers between the Airport and destinations within Key West, Florida and the immediately surrounding area.

8. Using either an FAA-certificated mechanic or a maintenance provider certificated by the FAA pursuant to 14 C.F.R. Part 145:

   a. Airframe and powerplant maintenance, repair, and servicing of Aircraft within FAA Airport Design Group ("ADG") I or ADG Group II, except for Aircraft classified by the FAA as ultralight; and

   b. Line maintenance of Aircraft within ADG Group III.

9. Maintenance of adequate inventory of the necessary Aircraft parts and accessories to maintain, repair and service the Aircraft specified in paragraphs 6.1(A)(4)(a) and (b).

B. Optional Services.

An FBO may further, at its discretion, perform the following services directly or through a contractor:

1. The sale of new or used Aircraft.

2. The operation of non-scheduled, air taxi, air ambulance and charter transportation of passengers, cargo or mail, provided that:

   a. An FBO offering non-scheduled air charter services for passengers, cargo, or mail, including air ambulance services, shall conduct such activities in accordance with all applicable Federal Aviation Regulations; and

   b. An FBO offering non-scheduled air charter services for transporting passengers will also provide services and equipment for servicing

passengers and for handling freight, luggage and ticketing and will make available ground transportation for transient patrons.

3. The operation of specialized commercial flying services such as aerial survey, photography, sightseeing and mapping services.

4. The operation of specialized Aircraft repair services such as radio, propeller, instrument, and accessory repairs.

5. The sale of convenience foods, amenities, and beverages, to include any and all catering services, incidental to FBO activities and Aircraft operations.

6. The sale of merchandise incidental to FBO activities.

C. Minimum Facility Requirements.

The minimum facility requirements for each FBO shall total a minimum leased square footage of no less than 424,235 square feet, and shall include the following:

Total Hangar space (in square feet (sf))	12,000
Maintenance parts and shop space	Hangar space no less than 5,000 sf with sufficient supporting parts and shop space adequate to house any Aircraft upon which service is being performed
Office Space	Office building (either separate or adjoining), of not less than 4,500 sf, adequate to house an office, pilot's lounge, telephone and public restroom facilities, line service area, customer service counter, flight planning area, lobby with adequate seating for passengers, break and vending areas, and conference room to meet reasonable demand
Tie Downs	50
Paved Ramp	Equal to total hangar space or sufficient to unload based or owned Aircraft, whichever is larger
Public Parking	A minimum of 70 vehicle parking spaces, to include the required number and accessibility requirements of parking spaces mandated by the Americans with Disabilities Act and as governed by other Applicable Laws
Jet A Fuel Farm (gallons)	60,000
Avgas Fuel Farm (gallons)	12,000

D. Prior Experience.

The general manager of an FBO must have at least five (5) years of full-time experience as an employee of an FBO, or a combination of at least five (5) years of business experience and training in FBO management or operation.

E. Public Service Hours.

1. The FBO shall provide the Commercial Aeronautical Activities listed in paragraphs 6.1(A)(1) through 6.1(A)(7) seven (7) days a week, fourteen (14) hours a day between 7:00 AM and 9:00 PM. The County may grant exceptions to those minimum hours at its reasonable discretion. At all other times, one FBO employee must be available, on call, who will respond on-site, if necessary, to customer inquiries and Airport concerns within [one] hour or less.

2. The FBO shall provide the Commercial Aeronautical Activities listed in paragraphs 6.1(A)(8) through 6.1(A)(9) each Monday through Friday, eight (8) hours a day, between 9:00 AM and 5:00 PM, except as the County may otherwise approve. At all other times, one FBO employee must be available, on call, who will respond on-site, if necessary, to customer inquiries and Airport concerns within [one] hour or less.

F. Minimum Management and Staffing Standards.

1. The activities of an FBO shall be supervised by a full-time, on-site general manager who shall be responsible for the FBO adhering to these Minimum Standards.

2. The FBO shall provide, at a minimum, sufficient staff to fill the following key positions:

   a. General manager;

   b. Line service supervisor; and

   c. Maintenance manager.

   The general manager and line-service manager shall be direct employees of the FBO, while the maintenance manager may be either a direct employee or an employee of a CAO with which the FBO contracts to provide Aircraft maintenance.

3. All FBO staff shall be trained and qualified to perform the duties for which they are employed, and shall hold any certifications or authorizations required by Applicable Law to perform their duties.

4. All FBO staff shall wear uniforms and protective clothing and equipment, as appropriate or as required by Applicable Law.

5. Additional minimum management and staffing standards may be specified individually in an Agreement.

G. Self-Service Permissions.

1. Subject to the conditions of paragraphs 6.1(G)(2) through 6.1(G)(6), each FBO shall permit the operator of any general aviation Aircraft to self-service that Aircraft on the FBO's ramp, and to taxi and park that Aircraft on that ramp for the purpose of doing so.

2. No FBO may charge any fee for the parking or self-service described in paragraph 6.1(G)(1) or require the operator of a general aviation Aircraft to purchase any fuel, other goods, or services in order to park or self-service pursuant to paragraph 6.1(G)(1).

3. Each FBO is required to accommodate the self-service of a general aviation Aircraft pursuant to paragraph 6.1(G)(1) only to the extent that:

    a. The Aircraft's operator informs the FBO of its intent to self-service the Aircraft on the FBO's ramp prior to taxiing onto that ramp;

    b. Such Aircraft's operator performs such self-service using the operator's own employees (or the operator itself);

    c. Such self-service complies with all Applicable Laws and all applicable provisions of the Rules and Regulations, including but not limited to provisions of the Rules and Regulations concerning fueling, fuel handling, and fuel storage; and

    d. Such self-service occurs within ten feet of the Aircraft.

4. No FBO is required to permit a self-servicing Aircraft operator to use the FBO's equipment to conduct self-service.

5. No FBO is required to permit a self-servicing Aircraft operator to park its Aircraft on the FBO's ramp for longer than reasonably necessary to conduct self-servicing.

6. If an FBO lacks sufficient ramp space to accommodate all general aviation Aircraft operators who wish to conduct self-servicing on the FBO's ramp at a given time, the FBO shall prioritize access for general aviation Aircraft operators who need to perform emergency self-service on their general aviation Aircraft.

7. Each FBO shall maintain at least one Aircraft parking position on its ramp, suitable for Aircraft self-service, to accommodate such self-service pursuant to paragraph 6.1(G)(1).

SECTION 7. SPECIALIZED AVIATION SERVICE OPERATOR (SASO)

7.1 In addition to complying with all other applicable provisions of the Minimum Standards, each SASO shall comply with those provisions of this Section 7 that apply to each Commercial Aeronautical Activity that the SASO offers.

7.2 Air Charter.

A CAO may offer Air Charter services subject to the following requirements:

A. Personnel.

At all times when its Air Charter service is open for business, the CAO shall employ and have on duty or reasonably available personnel who are sufficiently qualified, and who hold all licenses and permits required by Applicable Law, to provide all necessary aspects of the Air Charter service and other customer service, as necessary. Such personnel shall include, without limitation, an FAA-certified commercial pilot with instrument rating for each Aircraft that the CAO uses for Air Charter operations and who holds all necessary legal authorization to conduct Air Charter operations.

B. Land and Improvements.

Each CAO offering Air Charter service shall construct, lease, sublease, or have a written agreement to use an area providing sufficient tie-down or hangar space to accommodate all Aircraft that such Commercial Aeronautical Operator intends to base at the Airport and providing sufficient office and passenger accommodations space for its business.

C. Services and Equipment.

Each CAO providing Air Charter service shall provide the following in sufficient quantities to reliably provide the services it offers:

1. Properly certificated Aircraft meeting all requirements of the operating certificates held. All such Aircraft shall be owned by, or by written agreement leased to, the CAO conducting the Air Charter service.

2. Properly certificated and qualified crew to operate the Aircraft to be used for the provided Air Charter service.

3. Ground service equipment that the Airport Director determines to be necessary to perform the provided Air Charter service.

4. Passenger lounge and restroom facilities, which may be shared in common with other CAOs, subject to approval by the Airport Director.

5. Adequate table, desk, or counter space for checking in passengers, handling ticketing or fare collection, and handling luggage.

D. Certifications.

Each CAO offering Air Charter service shall hold any FAA certificate(s) required to operate its services, be fully registered with the FAA and any other Governmental Entity requiring such registration, and hold ratings appropriate to, and licensing for, the Air Charter functions to be performed.

7.3 Air Tour Service.

A CAO may offer Air Tour Service subject to the following requirements:

A. Personnel.

At all times when its Air Tour Service is open for business, the CAO shall employ and have on duty personnel sufficiently qualified to provide all necessary aspects of the Air Tour Service and any other necessary customer service. Such personnel shall include, without limitation, an FAA-certified commercial pilot for each Aircraft that the CAO uses for Air Tour Service and who is authorized to conduct Air Tour Service operations.

B. Land and Improvements.

Each CAO offering Air Tour Service shall construct, lease, or sublease an area sufficient to accommodate the Air Tour Service's customers and to accommodate all Aircraft that such CAO intends to base or operate at the Airport.

C. Services and Equipment.

Each CAO providing Air Tour Service shall provide the following in sufficient quantities to reliably provide the services it offers:

1. Properly certificated Aircraft meeting all requirements of the certificates held. All such Aircraft shall be owned by, or by written agreement leased to, the CAO conducting the Air Tour Service.

2. Properly certificated and qualified crew to operate the Aircraft to be used for the offered Air Tour Service.

3. Ground service equipment that the Airport Director determines to be necessary to perform the offered Air Tour Service.

4. Passenger lounge and restroom facilities, which may be shared in common with other CAOs, subject to approval by the Airport Director.

5. Adequate table, desk, or counter space for customer service, checking in passengers and handling ticketing or fare collection.

D. Certifications.

1. Each CAO offering Air Tour Service shall hold a valid FAA letter of authorization authorizing such CAO to conduct commercial air tour operations under 14 C.F.R. § 91.147, hold any other authorizations required by the FAA or the U.S. Department of Transportation to provide an Air Tour Service, be fully registered with the FAA and any other Governmental Entity requiring such registration, and hold all ratings appropriate to, and licensing for, the Air Tour Service functions to be performed.

2. Each CAO offering Air Tour Service shall at all times comply with all of the requirements and restrictions of its FAA letter of authorization and of any other authorization of a Governmental Entity required under Applicable Law to conduct Air Tour Service.

7.4 Aircraft Rental.

A CAO may offer Aircraft for rent subject to the following requirements:

A. Personnel.

Each CAO offering Aircraft for rent shall employ and have on duty personnel sufficiently qualified to conduct Aircraft rentals and provide other necessary customer service.

B. Land and Improvements.

Each CAO offering Aircraft for rent shall construct, lease, or sublease an area providing sufficient office space and sufficient space to safely accommodate all of the Aircraft that the CAO intends to offer for rent, including at least one Aircraft.

C. Service and Equipment.

1. Each CAO offering Aircraft for rent shall own or have under a written lease, and have available to rent to Persons with an appropriate and current pilot certificate, at least one Aircraft. That Aircraft must comply with all Applicable Laws, including but not limited to those regulations promulgated by the FAA, and such Aircraft shall be airworthy, currently registered with the FAA, and suitably maintained and certificated.

2. Each CAO offering Aircraft for rent shall further provide:

a. Sufficient facilities for maintenance and service of each such Aircraft, or have an agreement with one or more CAOs that provide such maintenance and service on the Airport to conduct such

maintenance and service on the Aircraft that the CAO offers for rent; and

b. Onboard each such Aircraft, all checklists required by Applicable Law, or by the Aircraft's manufacturer, for such Aircraft.

7.5 Aircraft Sales.

A CAO may offer Aircraft for sale subject to the following requirements:

A. Personnel.

Each CAO offering to sell new or used Aircraft shall employ and have on duty an authorized agent to transact sales who maintains current any and all regulatorily required credentials to conduct sales, and provide services commonly incidental to Aircraft sales, to prospective Aircraft buyers and sellers.

B. Land and Improvements.

Each CAO offering to sell new or used Aircraft shall construct, lease, or sublease an area providing office space sufficient for its business and an amount of paved area or hangar space on the Airport sufficient to safely accommodate Aircraft to be offered for sale.

C. Service and Equipment.

It will be at the discretion of each CAO wishing to sell new or used Aircraft whether to be an authorized factory dealer for any manufacturer(s) and which, if any, manufacturer(s) such CAO chooses to represent.

7.6 Avionics Sales and Service.

A CAO may offer Avionics Sales and Service subject to the following requirements:

A. Personnel.

Each CAO offering Avionics Sales and Service shall employ and have on duty personnel sufficiently qualified to perform such Avionics Sales and Service and other necessary customer service. All personnel servicing Aircraft must hold all applicable certificates and ratings required by 14 C.F.R. parts 65 or 145 to perform such work.

B. Land and Improvements.

Each CAO offering Avionics Sales and Service shall construct, lease, or sublease an area providing hangar space sufficient to conduct its business in a safe, orderly, and lawful manner and sufficient office space to provide necessary customer service.

C. Service and Equipment.

Each CAO offering Avionics Sales and Service shall provide for the sale and repair of new or used Aircraft avionics, radios, instruments, and accessories, provide the necessary tools, supplies, and equipment to provide such services, and hold all appropriate FAA certificates for the sale, service, or installation of the equipment the CAO offers to sell, service, or install.

7.7 Airframe and Powerplant Maintenance and Accessories Sales.

A CAO may offer Aircraft engine and airframe maintenance, including maintenance of aircraft accessories, and sales of Aircraft engine or airframe accessories subject to the following requirements:

A. Personnel.

Each CAO offering Aircraft engine and airframe maintenance shall provide at least one FAA-certificated airframe and powerplant mechanic available eight (8) hours per day, five (5) days per week and on call by readily accessible means at other hours during the day or night, or at such hours as may be specified by the County.

B. Land and Improvements.

Each CAO offering Aircraft engine and airframe maintenance shall construct, lease, or sublease an area providing a minimum of 5,000 square feet of hangar space and sufficient office space to provide maintenance services.

C. Services and Equipment.

Each CAO offering aircraft engine and airframe maintenance shall provide:

1. Sufficient inside or outside space for Aircraft awaiting maintenance or awaiting delivery after maintenance is complete.

2. Adequate tools and equipment to perform maintenance and adequate shop space to house that equipment.

3. Facilities for washing and cleaning Aircraft if the CAO offers such services.

7.8 Flight Training.

A CAO may offer flight training or instruction subject to the following requirements:

A. Personnel.

Each CAO offering flight training shall make available to customers personnel who, collectively, are properly certified by the FAA to provide all of the kinds of flight training that the CAO offers.

B. Land and Improvements

Each CAO offering flight training shall construct, lease, or sublease an area providing a minimum of one tie-down or hangar ramp space and sufficient office and instructional space to instruct its customers and perform its on-Airport business, provided that all such space (tie-down or hangar space and office and instructional space) shall be sufficient to allow flight instructors to properly instruct the number of student pilots that the CAO instructs.

C. Services and Equipment.

Each CAO offering flight training shall provide:

1. At least one properly certified Aircraft equipped for flight instruction, and such additional types of Aircraft as required to give flight instruction of the kind(s) advertised.

2. Sufficient office and classroom space for students, proper restroom and seating facilities, and a student service counter.

3. Sufficient facilities for storing, parking, servicing, and repairing all of the CAO's Aircraft, or have an agreement with one or more CAOs to provide such services, provided that each such CAO agreeing to provide such services must be licensed or otherwise permitted to provide such services on the Airport.

7.9 Ground Handling.

A CAO may offer ground-handling services subject to the following requirements:

A. Personnel.

Each CAO offering ground-handling services to airlines, Air Charter providers, or other Aircraft owners or operators that themselves are conducting commercial passenger service shall make available sufficient staff who are qualified and fully trained to perform their respective ground-handling functions. Such staff shall include, at least, a full-time, qualified, on-site manager of the CAO who is responsible for the conduct of the CAO's day-to-day ground-handling operations and the handling of each flight for which the CAO provides ground handling.

B. Land and Improvements.

Each CAO offering ground-handling services to airlines, Air Charter providers, or other Aircraft owners or operators that themselves are conducting commercial passenger service shall construct, lease, or sublease an area on the Airport that provides sufficient space in which to operate its ground-handling business.

C. Services and Equipment.

Each CAO offering ground-handling services to airlines, Air Charter providers, or other Aircraft owners or operators that themselves are conducting commercial passenger service shall:

1. Maintain an office on the Airport suitably located and sufficient to manage its ground-handling services.

2. Provide ground-handling services in accordance with FAA Advisory Circular 00-34A, *Aircraft Ground Handling and Servicing*, as the same may be amended from time to time or superseded.

3. Provide two or more of the following services:

    a. Aircraft movement and safety services, including Aircraft marshaling, start-up, moving or towing, and safety management.

    b. On-ramp Aircraft servicing, including but not limited to wheel and tire chocking, ground power supply, cooling and heating, toilet servicing, potable-water provision, routine maintenance, and cleaning of cockpit windows, wings, nacelles and cabin windows.

    c. Ramp services to airlines, including cleaning, catering, minor servicing of cabin fittings, alteration of seat configuration, ground service equipment, air stairs, catering loading, baggage handling, cargo loading, and mail and equipment loading.

    d. In-terminal services, including ticketing, processing, and loading and unloading of passengers, baggage, cargo, property, express packages and mail.

    e. Service provided in accordance with a written operating agreement with an airline, Air Charter provider, or other Person, prepared in conformance with or containing equivalent terms as the Standard Ground Handling Agreement published by the International Air Transport Association.

7.10 Hangar-Keeping.

A CAO may offer hangar space for rent or lease for the storage of Aircraft subject to the following requirements:

A. Personnel.

At all times when open for business, the CAO shall employ and have on duty personnel sufficiently qualified to rent and lease hangar space to Aircraft owners and perform any necessary customer service.

B. Land and Improvements.

Each CAO offering hangar space for rent or lease shall construct, lease, or sublease a hangar area adequate for Aircraft storage and sufficient office space for its hangar-keeping business.

C. Services and Equipment.

Each CAO offering hangar space for rent or lease shall:

1. Ensure that its hangar facilities accord with applicable Airport plans and specifications approved by the County.

2. Require all of its hangar tenants to obtain, prior to commencing occupancy, an agreement with the CAO that, in the County's opinion, sufficiently indemnifies the County and provides for sufficient insurance. The CAO must obtain the Airport Director's written approval if the CAO's standard sublease form prior to offering hangar space for rent or lease.

3. Ensure that its hangar tenants perform no maintenance within their respectively rented or leased hangars other than:

   a. Hangar tenants performing preventive maintenance on their own Aircraft, utilizing their own employees, to the extent permitted in 14 C.F.R. § 43.7 (federal regulations regarding the specific persons authorized to approve Aircraft or component parts for return to service after maintenance, rebuilding, or alteration); and

   b. Other Aircraft maintenance permitted by the FAA's Policy on the Non-Aeronautical Use of Airport Hangars (the "Hangar Use Policy"), as the Hangar Use Policy may be amended.

4. Ensure that hangar space is used for aeronautical purposes and that, to the extent that non-aeronautical items are stored in a hangar, such storage is consistent with the Hangar Use Policy or has otherwise been approved by the FAA.

7.11 Miscellaneous Activities.

A. Miscellaneous Activities include but are not limited to:

1. Aerial agriculture spraying (*i.e.*, crop-dusting);

2. Aerial photography, mapping, or surveying;

3. Aerial firefighting;

4. Air ambulance and medical-evacuation services;

5. Aircraft painting;

6. Aircraft upholstery services; and

7. Powerline or pipeline inspection or patrol.

B. This subsection 7.11 only applies to those CAOs which, in the sole reasonable opinion of the Airport Director, regularly or frequently conduct one or more Miscellaneous Activities at the Airport.

C. Each CAO offering or conducting a Miscellaneous Activity is subject to all applicable requirements of sections 1, 3, 4, and 5 of the Minimum Standards.

D. If the Airport Director reasonably determines that it is appropriate to set additional requirements for any Miscellaneous Activity, he or she may do so by written order, provided that all CAOs providing that Miscellaneous Activity shall then be subject to such additional requirements, except that the Airport Director may grant a CAO a Waiver or Variance from such order in the manner provided for Waivers and Variances under subsection 3.4 of the Minimum Standards.

E. The requirements of this subsection 7.11 do not supersede any applicable requirements of Section 6 or other provisions of Section 7 of the Minimum Standards. If any Miscellaneous Activity overlaps with a Commercial Aeronautical Activity addressed elsewhere in this Section 7, and that Commercial Aeronautical Activity is subject to any minimum standards that apply to the Miscellaneous Activity that overlaps it, then such minimum standards shall also apply to the overlapping Miscellaneous Activity to the extent applicable.

7.12 Special Provisions for Aircraft Cleaning and Package Services.

A. Aircraft Cleaning.

A Person providing occasional interior or exterior cleaning of an Aircraft at the invitation of that Aircraft's operator shall be required to obtain prior written permission from the Airport Director to provide such service and comply with all applicable security requirements as to its services and personnel, but shall otherwise not be required to obtain an Agreement or lease any on-Airport property and shall not be considered a CAO for purposes of the Minimum Standards.

B. Package Services.

Any Person wishing to provide Package Service on the Airport shall either:

1. Function as a CAO conducting a Miscellaneous Activity, subject to subsection 7.11 and all other applicable provisions of the Minimum Standards; or

Enter into a Package Service agreement with the County that permits the Package Service provider to transfer packages onto or from the Airport, and then to or from

an Aircraft, in exchange for such Package Service provider paying a special additional fee to the County as specified in the Package Service agreement.

David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: I6
2023-2116

BULK ITEM: Yes

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING: Approval of a Resolution establishing and adopting a uniform set of rules and regulations for the management, governance and use of the Key West International Airport as set for in Exhibit A attached to the Resolution.

ITEM BACKGROUND:

The Airport desires to have the BOCC adopt a uniform set of Airport Rules and Regulations that provide general regulations, regulation of personal conduct, expressive activities, and environmental management, rules and regulations for aeronautic activities, motor vehicle regulations, commercial ground transportation regulations, and enforcement of violations.

PREVIOUS RELEVANT BOCC ACTION:
None.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:

RESOLUTION NO. _____-2024

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ESTABLISHING RULES AND REGULATIONS FOR KEY WEST INTERNATIONAL AIRPORT AS SET FORTH IN EXHIBIT A OF THIS RESOLUTION; PROVIDING DEFINITIONS; PROVIDING GENERAL REGULATIONS; PROVIDING FOR REGULATION OF PERSONAL CONDUCT; PROVIDING FOR REGULATION OF EXPRESSIVE ACTIVITIES; PROVIDING FOR ENVIRONMENTAL MANAGEMENT REGULATION; PROVIDING RULES AND REGULATIONS FOR AERONAUTICAL ACTIVITIES; PROVIDING FOR MOTOR VEHICLE REGULATIONS; PROVIDING FOR COMMERCIAL GROUND TRANSPORTATION REGULATIONS; PROVIDING FOR ENFORCEMENT OF VIOLATIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF ALL RESOLUTIONS INCONSISTENT HEREWITH; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, Florida Statute section 332.08 grants to the Monroe County Board of County Commissioners (BOCC) the authority to establish rules and regulations for the management, governance, and use of the Key West International Airport (EYW); and

WHEREAS, Monroe County is the sponsor of and owns and operates EYW; and

WHEREAS, the BOCC previously promulgated and adopted rules and regulations applicable to EYW through the [Code of 1979] and Ordinance Nos. [021-1984, 11-1987, 30-1987, 53-1988, 8-1993, 17-1993, 38-1997, and 38-2000]; and

WHEREAS, EYW has experienced substantial growth since the adoption of said ordinances; and

WHEREAS, the BOCC considers it appropriate to amend the rules and regulations applicable to EYW to promote the safe, secure, efficient, and economically beneficial operation of EYW in light of the growth and development of aeronautical operations at EYW; and

WHEREAS, the BOCC deems it advisable to vest in the Monroe County Director of Airports the authority to administer, enforce, and reasonably interpret the rules and regulations; and

WHEREAS, the BOCC intends to reaffirm the full authority of the Monroe County Sheriff's Office to exercise its jurisdiction at EYW;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA THAT:

Section 1. Rules and Regulations

The Rules and Regulations attached hereto as Exhibit A are incorporated by reference as if fully set forth herein.

Section 2. Severability

If any section, subsection, sentence, clause, item, or provision of this Resolution is held invalid, the remainder of this Resolution shall not be affected by such invalidity.

Section 3. Inconsistency

All Resolutions or parts of a Resolution in conflict herewith are hereby repealed to the extent of such conflict.

Section 4. Effective Date

This Resolution will take effect after the promulgation required in Sec. 332.08 (2) (b), Fla. Stat.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 21st day of February 2024.

Initial Issue		

SECTION 1. DEFINITIONS

Terms used in these Rules and Regulations are defined below. Words relating to aeronautical practices, processes and equipment will be construed according to their general usage in the aviation industry unless a different meaning is apparent from the context or specifically defined otherwise herein. All other words will be construed according totheir common literal meaning.

Abandoned Aircraft has the definition of "abandoned aircraft" provided in section 705.183(1)(b)(1) of the Florida Statutes, as such definition may be amended from time to time. At the time of the issuance of the Rules and Regulations, that section of the Florida Statutes defines "abandoned aircraft" as "an aircraft that has been disposed of on a public-use airport in a wrecked, inoperative, or partially dismantled condition or an aircraft that has remained in an idle state on premises owned or controlled by the operator of a public-use airport for 45 consecutive calendar days."

Advocacy (or to Advocate) means to publicly and openly express viewpoints on political, religious, charitable, social, philosophical, or other ideological causes or issues; to engage or attempt to engage other Persons in discussion or argument regarding any such cause or issue; or to ask other Persons to sign or add their names to a petition. Examples of Advocacy include delivering a speech supporting or opposing a political candidate or issue, approaching others to argue for a policy proposal, and proselytizing on behalf of a religion. Advocacy does not include Demonstration, Leafleting, or Solicitation, and it does not include incidental conversations or communications among those using the Airport for Airport employment or travel-related purposes.

Aeronautical Activity means any activity that involves, makes possible, or is required for the operation of Aircraft or that contributes to or is required for the safety of such operations. Aeronautical Activities do *not* include any operation, commercial or otherwise, not directly related to the operation of aircraft (*e.g.*, restaurant, hotel, rental car, newsstand, and other concessions, and taxi and limousine services).

Air Operations Area (or AOA) means any area of the Airport used or intended to be used for the landing, take off or surface maneuvering of Aircraft. Without limitation, the AOA includes all areas inside the Airport fence line.

Aircraft means any contrivance designed, invented or used for powered or non-powered flight in the air.

Airfield means those portions of the Airport, excluding the commercial and general aviation ramps and aprons, provided for the landing, taking off, and taxiing of Aircraft, including, without limitation, approach and turning zones, clear zones, avigation and other easements, runways, a fully integrated taxiway system, runway and taxiway lights, and other appurtenances related to the aeronautical use of the Airport.

Airport means Key West International Airport, including all of the areas, buildings, facilities, and improvements within the interior boundaries of that airport, as that airport now exists or may hereafter be modified.

Airport Certification Manual means the Airport document that specifies how the Airport will comply with the requirements of 14 C.F.R. Part 139.

Airport Control means the office responsible for regular monitoring of Airport operations. Airport Control may be reached by telephone by dialing (305) 292-4625.

Airport Director means the Director of Airports for Monroe County, Florida. The term "Airport Director" includes both the Airport Director individually and any of his or her designees, except where the context clearly indicates that the term applies only to the Airport Director individually.

Airport Emergency means an occurrence or threat thereof, substantially confined to the area on or above the Airport, that results in or may result in injury or harm to those in an Aircraft or at the Airport or substantial damage to or loss of property.

Airport Security Program means the Airport document that specifies how the County will comply with the requirements of 49 C.F.R. Part 1542.

Applicable Laws means all federal, state, and local laws, regulations, ordinances, orders, mandates, and other authorities, including but not limited to the regulations and guidance of the FAA and the TSA, that apply to the Airport or a given Airport user.

Apron (or Ramp) means those areas of the Airport within the AOA designated for the loading, unloading, servicing, or parking of Aircraft.

Board of County Commissioners (or BOCC) means the Monroe County Board of County Commissioners.

Cargo Aircraft Aprons means those areas of the Airport that are designated for the parking of cargo Aircraft and support vehicles and the loading and unloading of cargo Aircraft.

Commercial Activity means the exchange, trading, buying, leasing, hiring or selling of commodities, goods, services or tangible or intangible property of any kind, conducted for compensation, hire, or other pecuniary gain.

Commercial Ground Transportation means the act of providing the carriage of persons or property in a Commercial Vehicle.

Commercial Ground Transportation Operator means any Person offering any type of Commercial Ground Transportation, including but not limited to TNCs, taxi services, limousine services, and individual operators of Commercial Vehicles.

Commercial Ramp means that area of the Airport within the AOA designated for the loading, unloading, servicing, or parking of commercial Aircraft.

Commercial Vehicle means any vehicle made available for hire.

County means Monroe County, Florida, which is the Airport's proprietor, acting by and through the

BOCC or the Airport Director.

Derelict Aircraft means any Aircraft that is not in flyable condition, or that does not have a current certificate of airworthiness issued by the FAA, and is not in the process of actively being repaired.

Demonstration (or to Demonstrate) means picketing, protesting, rallying, and other similar collective physical acts intended to publicly communicate a viewpoint. Demonstration does not include Advocacy, Leafleting, or Solicitation.

Equipment Demonstration means an Aircraft operation, whether airborne or otherwise, conducted in whole or in part for the purpose of displaying, demonstrating, or proving an Aircraft, Aircraft part, or avionics system not authorized or certified for public or commercial use by the Federal Aviation Administration. Equipment Demonstration shall not include any such activities conducted by the United States military.

Expressive Activity means any form of Advocacy, Demonstration, Leafleting, Solicitation, media distribution (other than the sale of media by an Airport tenant pursuant to a written agreement with the County), or similar expressive acts.

Expressive Activity Permit means a permit, issued by or on behalf of the Airport Director, authorizing one or more Persons to engage in Advocacy, Demonstration, or Leafleting subject to the Rules and Regulations and the terms and conditions of such permit.

FAA means the Federal Aviation Administration or its successor(s).

Fixed Base Operator (or FBO) means a Person engaged in conducting those commercial aeronautical services required of an FBO by the Minimum Standards.

Governmental Entity means each and every governmental authority, quasi-governmental or department, agency, bureau, department or other entity or instrumentality having or claiming jurisdiction over the Airport, including the federal government of the United States, the Florida state government, the County, the City of Key West, and any subdivisions and municipalities thereof, and all other applicable governmental authorities and subdivisions thereof.

Ground Transportation Resolution (GTR) means the County's policy, approved by the BOCC, regarding the operation of Commercial Ground Transportation.

Leafleting (or to Leaflet) means the repetitive or continuous distribution of printed or written material without requesting compensation for such material.

Marathon International means Florida Keys Marathon International Airport.

M.C.C. means the Monroe County Code of Ordinances.

MCSO means the Monroe County Sheriff's Office.

Minimum Standards means the Airport's Minimum Standards for Commercial Aeronautical Activities, as that document may be amended from time to time.

Missile Site means the former HAWK missile battery located on the Airport.

Motor Vehicle means a self-propelled device, other than an Aircraft, in, upon, or by which individuals or property may be transported.

Movement Area means the runways, taxiways, and other areas of the Airport which are used for the landing, taxiing, or taking off of Aircraft, exclusive of loading ramps and Aircraft parking areas.

Operating Directive means an instruction or guidance issued or approved by the Airport Director regarding operations on the Airport. Operating Directives are typically in effect for a defined, temporary period or for the duration of certain situations or events.

Passenger Terminal Complex means the Airport's airline passenger terminal facilities, public parking garages and associated surface parking, Rental Car Center, and all roadways on Airport property adjacent to any such facilities.

Person means any individual, firm, partnership, corporation, company, limited liability company, association, joint stock association, Governmental Entity or body politic, including any such entity's trustee, receiver, board, assignee, employee or other representative. Except where context makes the contrary clear, "Person" does not include the Airport Director or any of his or her designees.

Policy means a general principle or plan, approved by the BOCC, for the management of the Airport.

Pre-Reserved Customer means a passenger who specifically requests service from, or has made a reservation with, a Commercial Ground Transportation Operator before that Commercial Ground Transportation Operator brings a Commercial Vehicle onto the Airport to transport that passenger.

Professional Journalist means a person regularly engaged in collecting, photographing, recording, writing, editing, reporting, or publishing news, for gain or livelihood, who obtained the information sought while working as a salaried employee of, or independent contractor for, a newspaper, news journal, news agency, press association, wire service, radio or television station, network, or news magazine.

Rental Car Center means the facility that houses the on-Airport rental car companies and the vehicles that those companies offer for rental.

Restricted Area means any area of the Airport to which entry or access is restricted or limited to individually authorized individuals.

Rules and Regulations means these Airport Rules and Regulations collectively, as they may be amended from time to time.

Safety Areas means the designated areas abutting the runways and taxiways or otherwise designated

as Safety Areas in the Airport Certification Manual.

Safety Management System (or SMS) means the formal system of procedures, practices, and policies prepared by the County for the management of safety risk at the Airport.

Secured Area means any area of the Airport that the Airport Security Program identifies as requiring limited-access procedures consistent with federal security regulations.

Solicitation (or to Solicit) means to ask, request, implore or plead repetitively or continuously, directly or indirectly, orally, in writing or otherwise for the direct receipt of money or anything else of pecuniary value. Solicitation does not include Leafleting.

Standard Procedure means a specific method, established or approved by the Airport Director, for conducting a certain activity on the Airport.

Sterile Area means any area of the Airport to which access is controlled by the inspection of persons or property in accordance with a federally approved security program.

Tower means the Airport's Air Traffic Control Tower.

Transportation Network Company (or TNC) means a Person who, pursuant to applicable Florida statute, uses a digital network to connect a customer to a driver who provides prearranged Commercial Ground Transportation.

TSA means the Transportation Security Administration or its authorized successor(s).

Ultralight has the definition of "ultralight vehicle" provided by 14 C.F.R. § 103.1 as of the issuance of the Rules and Regulations.

Unmanned Aircraft System (or UAS) means an Aircraft that is controlled remotely and lacks an onboard human pilot.

SECTION 2. GENERAL REGULATIONS

2.1 APPLICATION OF RULES AND REGULATIONS

a. These Rules and Regulations are adopted under the authority of Section 332.08, Florida Statutes, which grants the County the power to regulate the use of the County's airports. The Rules and Regulations apply to all Persons on or at the Airport.

b. The Rules and Regulations also are adopted pursuant to County Resolution **[XXXX]**; the County's authority as the owner, proprietor, and sponsor of the Airport; and the County's authority to protect the health, safety, and welfare of all individuals within the County.

c. The Rules and Regulations apply to the Airport, but do not apply to Marathon International.

d. In addition to complying with the Rules and Regulations, all Airport users shall comply with all Applicable Laws, as any such Applicable Laws may be amended from time to time. In the event of a conflict between the Rules and Regulations and any of the Applicable Laws, federal and state laws and regulations shall take precedence over the Rules and Regulations.

e. The Rules and Regulations shall not be interpreted to restrict any Person from exercising any right to use the Airport that may be established by Applicable Laws, including, without limitation, the federal Airline Deregulation Act.

2.2 AIRPORT DIRECTOR'S AUTHORITY

a. Except to the extent that the Rules and Regulations expressly reserve such authority to the BOCC, the Airport Director is authorized to administer, enforce, and reasonably interpret the Rules and Regulations on behalf of the County.

b. All Airport users shall comply with all applicable Standard Procedures and Operating Directives issued by the Airport Director.

c. The Airport Director is authorized to suspend the Rules and Regulations to the extent the Airport Director reasonably deems necessary to enable police, firefighters, or other first responders or government officials to perform their duties.

d. In the event of an emergency at the Airport, the Airport Director shall proceed in accordance with the Airport Emergency Plan or Airport Security Plan as approved by the FAA or TSA respectively.

2.3 SHERIFF'S AUTHORITY

The MCSO has law-enforcement jurisdiction over the Airport to the full extent of its authority to enforce Applicable Law within the County.

2.4 GENERAL CONDITIONS OF AIRPORT ACCESS

a. Each Person who enters the Airport is deemed to agree to:

   i. Comply with the Rules and Regulations and with all applicable Policies, Standard Procedures and Operating Directives;

   ii. Pay all applicable fees and charges established by the County for use of the Airport; and

   iii. Assume full responsibility and risk for use of the Airport to the maximum extent permitted by law.

b. No lessee or sublessee of Airport property may allow such property to be used or occupied for any purpose, or in any manner, prohibited by the Rules and Regulations.

c. Any Person intending to conduct any Commercial Activity on the Airport must first obtain a written agreement, license, or permit, or other written form of authorization, from the County.

d. No Person may conduct a Commercial Aeronautical Activity, as such term is defined in the Minimum Standards, on the Airport except in compliance with the Minimum Standards.

e. A Person's failure to comply with the Rules and Regulations is grounds for that Person's removal or exclusion from the Airport and termination of any lease of Airport property that such Person holds. Any Person who, after such removal or exclusion, attempts to reenter the Airport without the Airport Director's express permission shall be deemed a trespasser. Nothing in this paragraph shall be construed to limit the definition of "trespasser" to those who have previously been removed or excluded from the Airport.

f. Any Person who operates or provides any Commercial Activity at the Airport without the County's written authorization is deemed a trespasser.

g. All leases, licenses, permits and other agreements authorizing the use of Airport property and facilities shall require compliance with these Rules and Regulations.

2.5 FEES AND CHARGES

a. The BOCC reserves the right to establish and publish a schedule of fees and charges for use of the Airport and to revise any such fees from time to time.

b. All fees and charges will be in accordance with the Airport's Policies, Standard Procedures and Operating Directives except as otherwise provided by the terms and conditions of any contract or agreement between the County and a Person. All user

fees will be determined by the County in accordance with FAA guidance and approved by the BOCC.

c. Landing fees payable for commercial use of the Airport will be based on the certified maximum gross landed weight of the Aircraft and will be payable regardless of whether the commercial use is a landing or a take-off; however, the operator will not be charged for both a landing and a take-off.

d. All regularly scheduled air carriers operating at the Airport will be required to enter into either a Use and Lease Agreement or an Operating Agreement prior to commencing service at the Airport. Annually published rates and charges will be utilized to apply fees associated with the use of the Airport's Aircraft gates, ticket counters and related facilities in order to recover the Airport's costs to provide such facilities through the Airport's Policies, Standard Procedures and Operating Directives.

e. All regularly scheduled air carriers operating at the Airport will be required to pay to the County a fuel flowage fee, as identified in the Airport's annually published rates and charges, for each gallon of fuel pumped into such air carrier's Aircraft at the Airport.

2.6 PROHIBITED CONDUCT

To the fullest extent permitted by Applicable Law, in order to ensure safety, security, and the efficient operation of the Airport, all activity at the Airport is subject to regulation by the County and, to the extent provided in these Rules and Regulations, the Airport Director. No Person may undertake any activity or conduct prohibited by the Rules and Regulations. Further, pursuant to F.S. 332.08(2) and the Monroe County Code of Ordinances, the following activities are punishable as a 2nd degree misdemeanor:

a. Sale or distribution of any items, goods, merchandise or services except when expressly allowed by written agreement with the Airport;

b. Conduct that in any way obstructs, delays or interferes with the free movement of any other Person or authorized business of the Airport except by Airport staff;

c. Pinning, tying or attaching any flower or other symbol, insignia, article or object to the clothing, luggage, or vehicle of any Person without consent;

d. Camping on or other residential use of the Airport, except to the extent clearly allowed by the FAA's *Policy on the Non-Aeronautical Use of Airport Hangars* (Federal Register volume 81, beginning page 38,906), as that policy may be amended;

e. Using any musical instrument or sound- or voice-amplifying device, singing or chanting, or emitting any other sound which may reduce the effectiveness of the

public address system or interfere with the business functions of the Airport, except upon approval of the Airport Director. This paragraph does not apply to the use of a cellular telephone, provided that the user does not enable the telephone's speaker functionality or otherwise use it in a manner that creates unusually loud noise;

f. Placement of a table, bench, chair, sign or other structure, fixture or object on Airport property without the prior permission of the Airport Director;

g. Intentionally leaving unattended any container, article of luggage, or item intended for distribution;

h. Impairing, obstructing, or interfering with any Person's, vehicle's, or Aircraft's safe, orderly, or efficient use of the Airport;

i. Any conduct which improperly indicates or represents, or attempts to indicate or represent, to the public that an individual is a representative of the Airport; and

j. Any conduct which misrepresents the identity of the individual or organization for which the individual is performing the permitted activities.

2.7 COMPLIANCE WITH APPLICABLE LAWS

All Persons on the Airport shall at all times comply with all Applicable Laws, including but not limited to the Florida Uniform Traffic Control Law, now in existence or hereafter promulgated.

2.8 NO WAIVER

No failure or delay in enforcing any provision of the Rules and Regulations shall constitute a waiver of such provision. To be enforceable, any waiver of the Rules and Regulations must be in writing and authorized by the Airport Director.

2.9 INTENT

Nothing in the Rules and Regulations is intended to preclude the Airport Director or any County employee from taking action authorized by Applicable Law.

2.10 SEVERABILITY

The provisions of the Rules and Regulations shall be severable, and if any provision of the Rules and Regulations is held to be unconstitutional or invalid, such determinations will not affect the constitutionality or validity of any of the remaining provisions of the Rules and Regulations. The County affirms that such remaining provisions would have been adopted had such unconstitutional or invalid provision or provisions not been included in the Rules and Regulations.

SECTION 3. PERSONAL CONDUCT

3.1 COMPLIANCE WITH SIGNS

All Persons shall observe and obey all Airport posted signs, fences, and barricades. Sign placement and removal procedures associated with tenant, concessionaire and air carrier sign usage will be governed by the Airport's Policies, Standard Procedures and Operating Directives, or as set forth in a written contract, permit or other form of written authorization from the County.

3.2 USE AND ENJOYMENT OF AIRPORT PREMISES

No Person may impede any other Person from lawfully passing through the entrances, exits or passageways on the Airport, and no Person may otherwise impede the normal and lawful operation of the Airport.

3.3 RESTRICTED AREAS, MOVEMENT AREAS AND AIR OPERATIONS AREAS

a. No Person may enter the AOA or any Movement Area, Secured Area, or Restricted Area except:

   1. Persons expressly authorized to do so by the Airport Director in accordance with the Airport Security Program;

   2. Passengers who, under appropriate supervision by a Person described in paragraph 3.3(a)(1) above, enter upon the Ramp for the purposes of enplaning or deplaning an Aircraft; and

   3. Other Persons escorted pursuant to the Airport Security Program.

b. No Person may walk or drive upon any Movement Area without the prior express permission of the Airport Director and the Tower.

3.4 ANIMALS

a. No Person may bring an animal into the Airport except:

   1. An animal to be or that has been transported by air. Animals being transported must be properly confined before entering the Passenger Terminal Complex and/or must be restrained in a traveling container;

   2. A service animal recognized as such by federal or Florida law;

   3. An animal which remains inside a Motor Vehicle at all times;

   4. An animal used for law-enforcement, rescue, or wildlife-management purposes; or

5. Animals otherwise authorized by the Airport Director to come onto the Airport for a special event.

b. Any Person who brings an animal onto the Airport or has possession of an animal thereon shall handle such animal in compliance with all Applicable Laws pertinent to animal welfare.

c. All animals permitted by this subsection 3.4 must be restrained by a leash or confined and completely under control, except that animals brought onto the Airport by law-enforcement, rescue, or wildlife-management officials for official duties may be unconfined and unleashed in the course of those duties.

d. No Person other than those authorized by the Airport Director may hunt, pursue, trap, catch, injure or kill any animal on the Airport.

e. No Person may feed or do any other act to encourage the congregation of birds or other animals on the Airport.

f. No Person may permit, either willfully or through failure to exercise due care or control, any animal to urinate or defecate on the AOA, in parking garage(s), on sidewalks of the Airport, within any Airport building or in any other area at the Airport, except within Pines Park, the Missile Site, and any other designated animal relief areas. Any solid waste deposited by any animal in any area of the Airport shall be immediately collected by the Person having custody or control of such animal. Any Person having custody or control of an animal on the Airport shall be equipped to collect such animal's solid waste when deposited.

g. Any Person whose animal displays aggression shall immediately remove it from the Airport, except with respect to animals acting in the course of law-enforcement or wildlife-management activities permitted by the Rules and Regulations.

3.5 FIREARMS AND WEAPONS (FOR INFORMATION ONLY)

a. The regulation of firearms and weapons at the Airport is governed by Florida Statutes Chapter 790. All Persons using the Airport and exercising their right to carry a firearm should review and shall adhere the provisions of Florida Statutes Chapter 790.

b. Except as provided by section 790.251, Florida Statutes, the carrying of firearms on the Airport by Monroe County personnel during and in the course of their official duties must be approved by the County Administrator upon consultation with the Airport Director.

3.6 DAMAGE INSPECTION AND RESPONSIBILITY

a. The Airport Director may conduct a damage inspection of any Airport facilities

involved in an accident or incident to determine the extent of damage to the Airport. Damages so sustained may be assessed by the Airport as a claim against the owner or operator of an Aircraft or vehicle causing such an accident or incident.

b. Any Person causing damage to or destroying public property of any kind, including buildings, fixtures or appurtenances, whether through violation of these Rules and Regulations or through any act or omission, will be fully liable to the Airport for any and all damages resulting therefrom. Any such Person must immediately report such damage or destruction to the Airport Director or MCSO and shall cooperate fully with any County or law-enforcement investigation into such damage or destruction, subject to the Fifth Amendment right against self-incrimination.

3.7 CRASH REPORTS

Any Person involved in any type of Aircraft or vehicular crash, collision, or other accident on the Airport shall make a full report to the County or MCSO as soon as possible. The report will include, but not be limited to, the names and addresses of all individuals involved in, and all known witnesses to, the accident, and a complete and accurate description of the accident itself.

3.8 PRESERVATION OF PROPERTY

a. No Person may destroy, damage, deface or disturb any building, sign, equipment, marker, or other structure, landscaping, or other property on the Airport. Any Person causing or responsible for such destruction, damage, defacement, or disturbance shall immediately report such damage to the Airport.

b. No Person may travel upon the Airport other than on roads or walkways provided for such purpose.

c. No Person may alter, add to, or erect any building or sign or make any excavation on the Airport without the prior written approval of the Airport Director and, when required, without (i) filing and complying with the provisions of FAA Form 7460-1 and (ii) obtaining written approval from the FAA to erect any potential obstruction of navigable airspace or any planar surface required to be kept free of obstructions by 14 C.F.R. Part 77.

3.9 LOST AND FOUND AND ABANDONED PROPERTY

a. Any Person finding lost articles in the public areas of the Airport will immediately deposit them with the MCSO. Nothing in this paragraph shall be construed to prohibit air carriers or other Airport tenants from maintaining lost-and-found storage and services.

b. No Person may knowingly abandon any personal property on the Airport. Any

property that has been determined by the Airport to be abandoned will be removed, stored, and/or disposed of at the owner's expense and in accordance with Applicable Law.

c. All Airport users are on notice that law enforcement officers and TSA officials may damage or destroy abandoned personal property located on the Airport in the performance of their duties.

3.10 ALCOHOLIC BEVERAGES

No Person may drink any alcoholic beverages on any part of the Airport except in locations designated by the Airport Director or, in accordance with Applicable Laws, onboard aircraft.

3.11 SMOKING

No Person may smoke on the Airport except in an area, otherwise lawfully accessible to such Person, that the Airport Director expressly designates as a smoking area.

SECTION 4. EXPRESSIVE ACTIVITIES

4.1 GENERAL

a. The Airport is a non-public forum. For the safe, secure, and efficient passage of and usage by the travelling public and other Airport users, the County determines not to designate the Airport as a designated or limited public forum, and nothing in the Rules and Regulations shall be interpreted to transform the Airport into a public forum, whether traditional, limited, or designated.

b. The restrictions on the exercise of Expressive Activities contained in the Rules and Regulations are intended, among other things, to maintain the safety of travelers, Airport workers, and other Airport users; to maintain the efficient operation of the Airport by maximizing the smooth flow of passenger traffic and minimizing congestion; to avoid unnecessary duress and disturbance for Airport users; to minimize passenger confusion; to minimize unnecessary crowding at the Airport; and to avoid visual blight and clutter—all in keeping with the Airport's intended function and primary purpose as a facility for air travel.

c. The restrictions on the exercise of Expressive Activities contained in the Rules and Regulations are intended to be viewpoint-neutral and will apply and be enforced without regard to the viewpoint of the message sought to be communicated.

d. The Rules and Regulations do not cover commercial speech (*e.g.*, advertising, newspaper racks). Commercial speech on the Airport requires, and is subject to the terms and conditions of, a written agreement with the County. This paragraph does not apply to news media engaging in bona fide news coverage, which is subject to Section 4.2.

e. All Expressive Activities shall be conducted:

1. In strict compliance with the Rules and Regulations and with all applicable Policies, Standard Procedures and Operating Directives;

2. In a peaceful and orderly manner, without physical harm, molestation, threat, harassment, obscenity, violence, breach of the peace, damage to property or other unlawful conduct; and

3. Without obstructing the use of the Airport by others, without hindrance to or interference with the proper, safe, orderly and efficient operation of the Airport and of the activities conducted thereupon, and without interference with the constitutional rights of others.

f. Nothing in the Rules and Regulations shall be interpreted to deny any right guaranteed by the First Amendment to the United States Constitution.

4.2 NEWS MEDIA

Professional Journalists may conduct bona fide news coverage in a non-disruptive manner in public areas of the Airport, or any other area designated for such coverage by the Airport Director, subject to the Airport's relevant Policies, Standard Procedures and Operating Directives.

4.3 POLLS, QUESTIONNAIRES AND SURVEYS

No Person may conduct any poll, questionnaire, or survey on the Airport, except at the request of the County, without first obtaining written permission from the Airport Director. Notwithstanding the preceding sentence, an Airport tenant may conduct polls, questionnaires, or surveys of its customers or employees without the Airport Director's approval.

4.4 LOCATIONS FOR ADVOCACY, DEMONSTRATION, AND LEAFLETING

a. The Airport Director shall designate portions of Pines Park, the Missile Site, and the curbside of the Passenger Terminal Complex as areas of the Airport in which Advocacy, Demonstration, and Leafleting are permissible.

b. The Airport Director shall also designate spaces within the passenger terminal where Leafleting is permissible. Such spaces shall not be isolated or physically separated from the main terminal area but shall instead allow Persons engaged in Leafleting a reasonable opportunity to interact with members of the public without obstructing or interfering with normal terminal operations (*e.g.*, passenger and baggage check-in, ingress or egress from the terminal building, or security screening).

c. Any Advocacy, Demonstration or Leafleting shall be subject to the permitting process and procedures specified in this Section 4 and to any reasonable orders issued by the Airport Director to ensure the safe, efficient and orderly operation of the Airport, including, without limitation, the free flow of pedestrian traffic into and out of the terminal facilities, the commercial operations of Airport tenants and concessionaires, and the Airport's safety and security measures.

d. The Airport Director may temporarily change the designated Advocacy, Demonstration and Leafleting areas to address remodeling, construction, emergency conditions or other factors which may reasonably require such change.

4.5 SOLICITATION

No Person may Solicit for any purpose on the Airport.

4.6 DEMONSTRATION

a. For the safety of Airport users and to minimize obstructions to foot and vehicular traffic on the Airport, no Person who is Demonstrating may carry:

1. A sign greater than twelve (12) inches long or twelve (12) inches wide; or

2. A stake, rod, post, or similar tool to which a sign is attached if such stake, rod, post or tool (i) exceeds twenty-four (24) inches in length or (ii) is made out of metal or any other heavy material that could allow it to be used as a weapon posing a significant risk of substantial physical harm to others.

4.7 LEAFLETING

a. Due to the space constraints of the passenger terminal, no more than four people shall be permitted to engage in Leafleting within the terminal at any given time.

b. No Person may Leaflet in a manner that obstructs or interferes with normal terminal operations (*e.g.*, passenger and baggage check-in, ingress or egress from the terminal building, or security screening).

4.8 PERMITTING PROCESS AND PROCEDURES

a. Any Person desiring to engage in Advocacy, Demonstration, or Leafleting at the Airport must first obtain an Expressive Activity Permit from the Airport Director by submitting a written request setting forth:

1. The name, address, and telephone number of the Person or organization proposing to conduct the Advocacy, Demonstration, or Leafleting;

2. Providing a point of contact, including name and telephone number, who will be responsible for coordinating with the Airport Director on the day(s) of the proposed Advocacy, Demonstration, or Leafleting as necessary;

3. Specifying which form(s) of Expressive Activity (Advocacy, Demonstration, and/or Leafleting) the Person wishes to engage in pursuant to the requested Expressive Activity Permit;

4. Submitting a description of the proposed Advocacy, Demonstration, or Leafleting, which description shall state an estimate of the number of participants, the proposed location of the Advocacy, Demonstration, or Leafleting, and the proposed date(s) and time(s) of the Advocacy, Demonstration, or Leafleting. Should the Person requesting the Expressive Activity Permit seek authorization to engage in multiple forms of Expressive Activity under that permit, the Person shall include a description for each such proposed Expressive Activity; and

5. An affirmation that the proposed Expressive Activity will not include Solicitation and that the point of contact has read, understands, and will abide by the Rules and Regulations.

b. The following criteria apply to review and approval or disapproval of applications

for Expressive Activity Permits:

1. After the Airport Director receives an application for an Expressive Activity Permit, the Airport Director's designee will review the application for sufficiency of information and compliance with the Rules and Regulations and either issue an Expressive Activity Permit on behalf of the Airport Director or notify the applicant in writing why issuance of an Expressive Activity Permit is delayed or denied. If an applicant seeks a permit to engage in multiple Expressive Activities (that is, some combination of Advocacy, Demonstration, and Leafleting), the Airport Director's designee may issue a permit for all or only some of the applicant's proposed Expressive Activities.

2. An Expressive Activity Permit shall not be granted or denied based upon the viewpoint that the applicant wishes to express, provided that such message is non-commercial.

3. If, within five business days after the Airport Director receives an application, the Airport Director's designee fails to issue an Expressive Activity Permit or to notify the applicant that there is a delay in evaluating the application or issuing the Expressive Activity Permit, the application shall be considered denied.

c. Petitions for review of denial of an Expressive Activity Permit:

1. If the Airport Director's designee denies an application for an Expressive Activity Permit, or issues an Expressive Activity Permit that authorizes only some, but not all, of the applicant's proposed Expressive Activities (either such outcome a "Denial"), the applicant may petition the Airport Director personally to review such Denial.

2. Any such petition for review shall be delivered to the Airport Director within 15 business days of the Denial, shall be in writing, and shall include a copy of the original Expressive Activity Permit application.

3. After receiving the petition for review, notwithstanding the designee's Denial, the Airport Director shall take one or more of the following actions: (a) grant the Expressive Activity Permit (or authorize Expressive Activities that the Airport Director's designee excluded from such permit); (b) deny such permit (or deny the request to authorize additional Expressive Activities); (c) request more information from the applicant; and/or (d) notify the applicant that the Airport Director requires more time to evaluate the petition for review or the underlying Expressive Activity Permit application.

4. Should the Airport Director fail to approve or deny the petition for review, or fail to request further information from the applicant, within five

business days of receipt of the petition, or should the applicant fail to deliver a petition for review of the Denial to the Airport Director within 15 business days following such Denial, the petition for review shall be considered denied and the Denial issued by the Airport Director's designee shall be final.

5. Nothing in the Rules and Regulations shall prevent a Person from exercising any legal right to challenge the Denial before a court or government agency of competent jurisdiction.

d. If the Airport Director, whether personally or through a designee, issues an Expressive Activity Permit, the recipient thereof shall abide by any and all lawful restrictions stated in that permit regarding the time, place, or manner of the permitted Advocacy, Demonstration, or Leafleting.

e. An Expressive Activity Permit will authorize the holder thereof to Advocate, Demonstrate, or Leaflet, as such permit provides, on the designated location at the Airport, subject to the Rules and Regulations and the terms and conditions of such permit, for one calendar day. However, if an applicant intends to Advocate, Demonstrate, or Leaflet on the Airport over multiple days, the Airport Director may issue an Expressive Activity Permit authorizing such activity for a period of no more than seven consecutive days, as the Airport Director reasonably deems appropriate.

f. If a Person holding an Expressive Activity Permit wishes to Advocate, Demonstrate, or Leaflet beyond the term of such permit, that Person must obtain a new Expressive Activity Permit.

g. Advocacy, Demonstration, or Leafleting on the Airport shall be conducted strictly in conformity with the Rules and Regulations and with the terms and conditions set forth in the applicable Expressive Activity Permit.

h. An Expressive Activity Permit is not transferrable.

i. No Expressive Activity Permit holder shall have the right to exclusive use of any area on the Airport. The Airport Director may grant authorization for use of areas designated for the permitted Expressive Activity on a first-come-first-served basis. In the event that two or more Persons seek to conduct Advocacy, Demonstration, or Leafleting at the same time and qualify for Expressive Activity Permits to do so, the Airport Director will allocate, by lot or other equitable method, the available designated areas of the Airport, or space within any such area, between or among such Persons on a daily basis.

4.9 VIOLATIONS BY PERMIT HOLDERS

a. Any Person who violates any provision of this Section 4 shall be ineligible to obtain an Expressive Activity Permit for at least six months, and any Expressive Activity

Permit that such Person then holds shall be immediately voided.

b. If a Person is convicted of engaging in criminal activity while conducting an Expressive Activity at the Airport, or if the Airport Director reasonably determines that a Person has engaged in violent or threatening behavior, or behavior that disrupts Airport operations, while conducting an Expressive Activity on the Airport, the Airport Director may deny such Person an Expressive Activity Permit for up to five years, as the Airport Director reasonably deems appropriate in light of the severity of such behavior or whether the Person has previously been found to have violated the Rules and Regulations, and such Person's existing Expressive Activity Permit, if any, shall be immediately voided. If the Airport Director reasonably determines that a Person poses a significant threat to the safety or security of Persons, or operations, on the Airport for a term beyond five years, the Airport Director may deny such Person an Expressive Activity Permit for however long the Airport Director reasonably deems such Person such a threat.

c. The Airport Director may revoke any existing Expressive Activity Permit without prior notice, provided that, if the Airport Director revokes a Person's Expressive Activity Permit or deems an existing or past Expressive Activity Permit holder ineligible for such a permit, the Airport Director shall then so notify that Person by mailing a letter, explaining the Airport Director's decision, to the address shown on that Person's most recent Expressive Activity Permit.

d. A Person whose Expressive Activity Permit is revoked or whom the Airport Director deems ineligible for such a permit may seek review of such decision by delivering a written petition to the Airport Director. The Airport Director may sustain, reverse, or modify the revocation or ineligibility determination, or request more information from the petitioner, within ten business days of receiving the petition. If the Airport Director issues no such decision or request within ten business days after receiving the petition, the petition shall be deemed denied.

4.10 ACTIVITIES DURING EMERGENCIES

In the event that the Airport Director declares an Airport Emergency, or if the County's Director of Emergency Management declares an emergency that the Airport Director deems applicable to part or all of the Airport (an "Applicable Emergency"), then any Person engaged in an Expressive Activity in an area affected by the Airport Emergency or Applicable Emergency shall immediately cease such Expressive Activity and not resume such Expressive Activity until the Airport Director announces the termination of the Airport Emergency or Applicable Emergency.

SECTION 5. ENVIRONMENTAL MANAGEMENT

5.1 GENERAL

a. No Person may dispose of garbage, papers, refuse or other forms of trash, including cigarettes, cigars and matches, on the Airport except in receptacles provided for such purpose.

b. All Airport users must exercise the utmost care to guard against fire and injury to persons or property.

c. No Person may use any lighter or have any other open flame within one hundred (100) feet of an Aircraft or as otherwise prohibited by Applicable Laws or by any order of the Airport Director.

d. Except with the Airport Director's prior written approval, no Person may dispose of any fill or building material, or any other discarded or waste material, on the Airport, nor place liquids in the storm drains or the sanitary sewer system at the Airport which will damage such drains or system or will result in environmental pollution passing through such drains or system.

e. Any solid or liquid material spilled at the Airport shall immediately be cleaned up by the Person responsible for such spill, and such Person shall immediately report that spill to the Airport Director.

f. Chemicals, paints, oils or other products must be disposed of only in accordance with all Applicable Laws.

g. No tenant, lessee, concessionaire, or agent thereof doing business on the Airport may keep uncovered trash containers on any part of the Airport.

5.2 FUELING OPERATIONS

a. The Rules and Regulations adopt, by reference, each of the following, and no Person may conduct any activity on the Airport, including without limitation the fueling or defueling of Aircraft or the handling or storage of fuel, except in compliance therewith:

1. All of the County's applicable fire and environmental-management codes, standards, and recommended practices now in existence or hereafter amended or promulgated;

2. All applicable standards and recommended practices of the National Fire Protection Association (NFPA), including, without limitation, NFPA 407, *Standard for Aircraft Fuel Servicing*, now in existence or hereafter promulgated and not in conflict with any Applicable Laws, the Rules and Regulations, the Policies, the Standard Procedures, or Directives; and

3. Air Transport Association (now Airlines for America) Specification 103, *Standard for Jet Fuel Quality Control at Airports*, as such document may be amended or superseded from time to time.

b. No Aircraft may be fueled or defueled while inside any building or structure.

c. Any Person, including the owner or operator of Aircraft, causing overflowing or spilling of fuel, oil, grease or other contaminants anywhere on the Airport shall be responsible for ensuring the immediate cleanup of such spillage. In the event of failure or refusal to comply with such cleanup requirements, the spillage may be cleaned up by the Airport at theresponsible party's expense, provided that no such cleaning or compensation therefor shall relieve the responsible party of any applicable penalties or liability for failure to clean the spill itself.

d. Any fuel spillage must be reported immediately to Airport Control via telephone by dialing (305) 292-4625. Details of all spills must be reported to the Airport, in compliance with the procedures contained in the Airport Emergency Plan (AEP) and/ or Stormwater Pollution and Prevention Plan (SWPPP) as appropriate. Aircraft, fuel delivery devices and other vehicles will not be moved or operated in the vicinity of the spill until the spillage is removed. The Person causing the spill will promptly post a fire guard.

e. If a fire occurs in or near a fuel delivery device while servicing an Aircraft, Airport Control must be notified by dialing (305) 292-4625. Fueling must be discontinued immediately and all emergency valves and dome covers must be closed at once.

f. No fuel vehicle designed for or employed in the transportation of fuel may be operated on a taxiway or runway at any time without prior permission from the Airport.

g. Aircraft fuel tenders are allowed to engage in fueling on the airside terminal ramps or aprons; provided, however, that no fuel tender will operate on any of the airside terminal ramps or aprons without first entering into a written agreement with the Airport as to the specifics for such operation.

h. No Person may start the engine of an Aircraft on the Airport if there is any gasoline or other volatile fluid on the ground within the vicinity of the Aircraft.

i. No Person may operate a radio transmitter or receiver, or switch electrical appliances on or off, in or adjacent to an Aircraft while it is being fueled or defueled.

5.3 AUTHORITY TO DISPENSE AVIATION FUEL

a. Only those Persons authorized by the Airport Director via a current self-fueling or commercial fueling permit may dispense fuel into any Aircraft.

b. No Person may dispense aviation fuel directly into a Motor Vehicle or sell fuel for

such purposes.

c. Nothing in the Rules and Regulations shall be interpreted to restrict any Person's right to self-fuel that Person's aircraft in accordance with FAA policy.

5.4 LEASEHOLD CARE

a. All persons occupying space at the Airport shall keep the space allotted to them clean and free from rubbish and accumulation of any material.

b. Only boxes, crates, paint or varnish cans, bottles and containers that carry a UL safety marking or other industry or government approval may be stored in or about any leasehold.

c. Floors shall be kept clean and free from fuel and oil.

d. The use of volatile or flammable solvents for cleaning floors is prohibited.

e. Only metal receptacles, approved by the Airport Director, with a self-extinguishing cover may be used for the storage of oily waste rags and similar material.

f. The tenant of each leasehold shall ensure that the contents of all waste receptacles are removed daily and lawfully disposed of daily.

g. When an Aircraft is undergoing engine or airframe maintenance on the Airport, the Person then responsible for such Aircraft shall ensure that a drip pan is placed under each engine of that aircraft, and kept from overflowing or leaking, at all times.

h. All clothes lockers on the Airport shall be constructed of metal or other fire-resistant material.

5.5 HAZARDOUS MATERIALS

a. No Person may, except in compliance with all Applicable Laws and with the prior permission of the Airport Director, keep, transport, handle, or store at, in or upon the Airport any cargo of explosives or other hazardous articles which are barred from being loaded in, or being transported by, civil Aircraft in the United States under Applicable Laws. Compliance with Applicable Laws will not constitute or be construed to constitute a waiver of the required notice or an implied permission to keep, transport, handle or store such explosives or other dangerous articles at, in or upon the Airport. Advance notice of at least twenty-four (24) hours must be given to the Airport Director to permit full investigation and clearances for any operation requiring a waiver of these Rules and Regulations.

b. No Person may offer, and no Person may knowingly accept, any hazardous article for

shipment at the Airport unless the shipment is handled and stored in full compliance with all Applicable Laws, including without limitation current federal aviation regulations.

c. Any Person engaged in the transportation of hazardous articles shall have designated personnel at the Airport authorized and responsible for receiving and handling such shipments in compliance with all Applicable Laws.

d. Any Person engaged in the transportation of hazardous articles must provide storage facilities which reasonably ensure against unauthorized access by or exposure to Persons and against damage to shipments while at the Airport.

5.6 STORAGE OF EQUIPMENT

Unless otherwise provided for by a contractual agreement, no Person may use any area of the Airport, including buildings, whether privately or publicly owned, for the storage of cargo or any other property or equipment without prior permission of the Airport Director. The Airport Director will have the authority to order such cargo or other property to be removed and stored at the expense of the owner or consignee without responsibility or liability by the Airport.

5.7 REPAIRING AIRCRAFT

a. No Person may repair an Aircraft or Aircraft engine, propeller or other Aircraft apparatus in any area of the Airport other than those areas specifically designated by the Airport Director for such repairs, except that minor adjustments or repairs may be made while the Aircraft is at an Aircraft parking position prepared for departure. Any Aircraft being repaired at a gate position shall be immediately moved to another location upon the Airport Director's request.

b. Aircraft repairs in storage areas of hangars are limited to inspections and replacements of parts and repairs incident thereto, provided such repairs do not involve appliances using open flames or heated parts.

c. The starting or operation of Aircraft engines inside any hangar is prohibited. This prohibition will not be construed as prohibiting the use of tractors with NFPA approved exhaust systems when moving Aircraft within any hangar.

d. This subsection 5.7 shall not be construed to prohibit the emergency repair of any Aircraft or Motor Vehicle to the extent that such repair is necessary to move the Aircraft or Motor Vehicle from the Movement Area or to address a leak or risk of fire or explosion posed by the Aircraft or Motor Vehicle.

5.8 AIRCRAFT PAINTING

No Person may paint an Aircraft on the Airport except in facilities, and according to safety protocols, that meet the facility and safety standards set by the federal Occupational Safety

and Health Administration, any applicable state or local requirements, and all Applicable Laws.

5.9 POWDER OR EXPLOSIVE CARTRIDGE ACTIVATED TOOLS

No Person may use powder or explosive cartridge activated tools or fastening devices anywhere on the Airport without prior written authorization of the Airport Director.

5.10 SAFETY MANAGEMENT SYSTEM

Any Person on the Airport shall comply with a request by the Airport Director for information that the Airport Director reasonably considers necessary for the County to comply with the requirements of the Airport's Safety Management System.

SECTION 6. AERONAUTICS

6.1 INDEMNIFICATION

a. By using the Airport for any aeronautical purpose, including but not limited to the operation, maintenance, or movement of an Aircraft, each Aircraft operator, owner, and pilot hereby, to the greatest lawful extent, releases, holds harmless, and indemnifies the County, including but not limited to the BOCC, the Airport Director, and employees, agents, representatives, successors, and assigns of the County, of the BOCC, or of the Airport Director (those indemnified parties the "Indemnitees") from any action, claim, or liability for any damage to property, personal injury, or death resulting directly or indirectly from such Aircraft operator's, owner's, or pilot's operation, use, or maintenance of such Aircraft, or any other Aeronautical Activity related to such Aircraft, at the Airport, except when the liability of the County results from the gross negligence of the Indemnitees.

b. The duty to indemnify under paragraph 6.1(a) includes the duty to pay or reimburse the reasonable attorney's fees, expert-witness fees, court costs, and other costs of litigation, and the expenses of investigation for any action or claim, incurred by any of the Indemnitees.

6.2 PROHIBITED OPERATIONS AND LIABILITY

a. No Person may operate an Aircraft at the Airport in a careless manner or without due regard for the rights and safety of others.

b. The County may hold any Aircraft operator liable for any personal injury, death, or property damage caused to the County, including to any of the members of the BOCC, any of the County's other elected or appointed officials, and any of the County's employees or agents, by such Aircraft operator or such operator's agent(s) or invitee(s) on or over the Airport.

c. No Person may take any Aircraft from the airfield or hangars or operate such Aircraft while under the influence of alcohol or illegal drugs.

d. No Person may aim, throw, shoot or propel any object or laser beam in such a manner as to interfere with or endanger the safe operation of any Aircraft taking off, landing or operating on the Airport or of any Motor Vehicle operating on the Airport.

6.3 DENIAL OF USE OF AIRPORT

When necessary to avoid endangering persons or property and to be consistent with the safe and efficient operation of the Airport, the Airport Director has the right at any time to close the Airport, in its entirety or in part, to air traffic, to delay or restrict any flight or other Aircraft operation, to deny take-off permission, and to deny the use of the Airport or any portion

thereof to any specified class of Aircraft or any individual or group. In the event the Airport Director believes the condition of the Airport to be unsafe for landings or take-offs, it will be within his or her authority to issue, or cause to be issued, a Notice to Air Mission (NOTAM) closing the Airport or any portion thereof. Nothing in this subsection 6.3 shall be construed to supersede the authority of the FAA over aviation safety or aircraft operations.

6.4 AIRCRAFT ACCIDENTS AND INCIDENTS

a. Incident Reporting

In addition to any other reports required by any Applicable Law or by the Rules and Regulations, the pilot or operator of any Aircraft involved in an accident or incident on the Airport that causes personal injury or property damage must make a prompt and complete report concerning said accident or incident to Airport Control via telephone, by dialing (305) 292-4625. If a written report of an accident or incident is required by Applicable Laws, including but not limited to the regulations of the FAA or of the National Transportation Safety Board, the pilot or operator filing such report must also file a copy of such report with the Airport Director. All such reports must be filed with the Airport Director within a reasonable time of the accident or incident.

b. Disabled Aircraft

Subject to compliance with all applicable federal aviation regulations and any orders of federal investigators, the Aircraft owner will be responsible for the prompt removal of all disabled Aircraft and parts of such Aircraft at the Airport, as reasonably directed by the Airport Director. In the event of the owner's failure or refusal to comply with such directions, the disabled Aircraft or any and all parts thereof may be removed by the Airport Director at the owner's expense and without liability to the County, including but not limited to the Airport Director, for damage which may result from such removal.

c. Tampering with Aircraft

1. No Person may interfere or tamper with any Aircraft, operate any Aircraft, or use or move any Aircraft or Aircraft part, instrument or tool without permission of the owner of such Aircraft or Aircraft part, instrument, or tool.

2. The Airport Director may deny a Person access to an Aircraft or Aircraft part, instrument, or tool if the Person fails to present evidence, reasonably acceptable to the Airport Director, of ownership of, or permission from the owner to use, move, or operate, that Aircraft or Aircraft part, instrument or tool.

d. Cleaning, Maintenance and Repair of Aircraft

No Person may clean, paint, wash, polish or otherwise maintain an Aircraft on the Airport except in areas approved, and in the manner designated by, the Airport

Director.

e. **Hand-Propping Aircraft**

Aircraft hand-propping is not allowed unless there is no other means of starting the Aircraft. Pilots are solely responsible for liability resulting from this type of action.

f. **Certification of Aircraft and Licensing of Pilots**

There shall be displayed onboard all Aircraft operating at the Airport a valid airworthiness certificate issued by the FAA or by a foreign government having jurisdiction over the aircraft. Each Aircraft operating at the Airport shall further display on the Aircraft's exterior a valid registration number issued by the FAA or by the foreign government having jurisdiction over the Aircraft. All Persons operating Aircraft on the Airport shall possess an appropriate license issued by the FAA or by a foreign government having jurisdiction over such Person.

g. **Registration of Aircraft**

The County may require the registration of pilots and/or Aircraft based at the Airport.

h. **Payment of Fees**

An Aircraft owner or operator shall pay all rentals, fees and charges relating to such Aircraft's use of Airport premises and facilities before take-off. In lieu of such payment, satisfactory credit arrangements may be made by the owner or operator of the Aircraft with the County or with the appropriate FBO before leaving the Airport.

6.5 AIRPORT OPERATING RESTRICTIONS

a. **Operations Subject to Limitation**

The Airport is a busy commercial airport that is geographically constrained by heavily developed land and by the Atlantic Ocean. To ensure the safe and efficient operation of the Airport, the Airport Director may limit various aeronautical operations at the Airport, including but not limited to the following types of operations:

1. The operation of Aircraft not registered with the FAA or the equivalent aviation-safety agency of a foreign nation;

2. Equipment Demonstration; and

3. Air shows.

The Airport Director shall establish any such limitation or restriction through the

issuance of an Operating Directive.

b. **Operations Prohibited Without Prior Approval**

Without the prior written approval of the Airport Director, no Person may use the Airport to conduct or operate:

1. Powerless Aircraft and ultralights;

2. Banner towing;

3. Kites, model airplanes, UAS, tethered balloons or objects constituting a hazard to Aircraft operations or navigation; and

4. Parachute jumping over or onto the Airport.

c. **Application of Subsections 6.5(a) and 6.5(b)**

The public is advised that activities subject to limitation or restriction pursuant to subsections 6.5(a) and 6.5(b) of the Rules and Regulations may nonetheless be permissible at Marathon International, subject to Applicable Laws and any rules and regulations or other policies applicable to Marathon International.

d. **Take-offs and Landings**

1. No Person may cause an Aircraft, other than a helicopter, to land or take-off at the Airport, except on a runway and in accordance with any instructions provided by the Tower. Helicopters must operate in accordance with directions of the Tower.

2. No Person may turn an Aircraft in order to reverse direction on a runway unless given specific instruction or authorization to do so by the Tower or except in a bona fide emergency.

3. Any Person landing an Aircraft at the Airport will make the landing runway available to other Aircraft by leaving said runway as promptly as safely practicable.

4. Any Person operating or controlling an Aircraft landing at or taking-off from the Airport will comply with applicable Aircraft noise limits promulgated or authorized by the FAA.

5. Aircraft operators are urged, but not required, to comply with the County's voluntary noise abatement procedures for Aircraft operations to or from the Airport.

e. **Preferential Runway Use**

To minimize flights over noise-sensitive residential areas, the Airport maintains Voluntary Noise Abatement Procedures. Pilots are encouraged to comply with the voluntary procedures, as outlined in the Airport's approved Part 150 Noise Compatibility Study.

6.6 AIRCRAFT GROUND RULES

a. **Aircraft Parking**

1. No Person may park an Aircraft in any area on the Airport except those designated, and in the manner prescribed, by the Airport Director. If any Person uses unauthorized areas for Aircraft parking, the Aircraft so parked may be removed by or at the direction of the Airport Director at the sole risk and expense of the Aircraft's owner.

2. Each Person operating an Aircraft on the Airport shall use Aprons only as assigned and consistent with any Operating Directive governing such use.

3. No Aircraft operator may leave his or her Aircraft unattended on the Airport except in a hangar or otherwise in an adequately secured manner.

4. An Aircraft's operator assumes sole responsibility for any article left in his or her Aircraft. The County, including but not limited to the Airport Director, is not responsible for any theft, vandalism, destruction, or loss of any such article.

b. **Derelict and Abandoned Aircraft**

1. No Person may park or store an Abandoned Aircraft or a Derelict Aircraft on Airport property, including leased premises, without the Airport Director's prior written permission.

2. No Person may store or retain Aircraft parts or components anywhere on the Airport, other than in an enclosed facility authorized by the Airport Director for such purpose or in a manner otherwise approved by the Airport Director in writing.

3. Whenever any Aircraft is parked, stored or left in a derelict or abandoned condition on the Airport in violation of the provisions of this Section 6, the Aircraft is subject to removal by the Airport pursuant to section 705.183 of the Florida Statutes.

c. **Starting and Running Aircraft Engines**

1. No Aircraft engine may be run at the Airport unless:

i. A pilot or certified airframe and powerplant mechanic qualified to run the engines of that particular type of Aircraft is at the controls of such Aircraft; and

ii. Blocks have been placed in front of and behind the wheels of that Aircraft or such Aircraft's parking brakes have been set adequately.

2. No Person may run an engine of an Aircraft parked on the Airport in a manner that could injure Persons, damage property, or endanger the safe operation of the Airport.

3. No Person may start or operate an Aircraft engine on the Airport except in the places and times designated for such purposes by the Airport's Policies, Standard Procedures or Operating Directives.

4. Any Person operating an Aircraft on the Airport shall ensure that noise emanating from that Aircraft's engines during ground operations remains within any applicable Aircraft-engine noise limits set by the FAA.

5. No Person shall conduct an engine run-up for any purpose other than preflight except in those areas, and during those hours, prescribed by an Operating Directive and in conformity with the Airport's Voluntary Noise Abatement Procedures.

d. **Aircraft Taxiing**

1. No Person may taxi an Aircraft on the Airport unless such Person has ascertained that there is no danger of collision with any Person or object.

2. All Aircraft shall be taxied at a safe and reasonable speed.

3. All Aircraft operating on the Airport shall be equipped with wheel brakes in proper working order.

4. No Aircraft may be taxied, towed or pushed on any runway or taxiway unless specifically cleared to do so by the Tower.

5. When taxiing Aircraft are converging, the Aircraft involved shall pass each other bearing to the right unless otherwise directed by the Tower.

6. No Aircraft shall taxi between a terminal gate and an Aircraft engaged in a push-back or power-back operation.

7. No Aircraft may be taxied into or out of any hangar under its own power.

8. All Aircraft being taxied, towed or otherwise moved on the Airport shall

proceed with navigational lights on during the period between sunset and sunrise.

9. All Aircraft operations shall be confined to hard-surfaced areas of the AOA and Aprons.

6.7 HELICOPTER OPERATION

a. In addition to complying with all other applicable provisions of the Rules and Regulations, each helicopter operator must:

1. Operate under the direction of the Tower;

2. Taxi, tow or otherwise move with rotors turning only if there is a clear area of at least 50 feet in all directions from the outer tips of the rotors; and

3. Operate at least 200 feet from any area on the Airport where unsecured light Aircraft are parked.

SECTION 7. MOTOR VEHICLES

7.1 GENERAL TRAFFIC REGULATIONS

a. **Authority**

1. The operation of any Motor Vehicle on the Airport shall comply with all Applicable Laws, including the Florida Uniform Traffic Control Law, the M.C.C. and the Rules and Regulations.

2. No Person may operate a Motor Vehicle on the Airport without a valid driver's license that authorizes such operation.

b. **Discharge of Material**

1. No Person may operate an uncovered Motor Vehicle to haul trash, dirt or any other material on the Airport without the prior permission of the Airport Director.

2. No Person may spill or discharge any type of material from a Motor Vehicle operated on the Airport.

c. **Traffic Signs and Signal Devices**

Signs, markers and devices installed on the Airport will be prima facie evidence that they were installed under proper authority. Failure to comply with the directions indicated on any such signs, markers or devices will be a violation of the Rules and Regulations and any applicable provisions of the Florida Uniform Traffic Control Law.

d. **Pedestrian Right-of-Way**

The operator of any Motor Vehicle must yield the right-of-way to a pedestrian who crosses within a marked pedestrian crosswalk, except where the movement of traffic is being otherwise actively regulated by County or MCSO personnel or by traffic control devices. The driver of a Motor Vehicle must exercise due care for the safety of any pedestrian upon a roadway.

e. **Vehicle Condition**

No Person may operate any Motor Vehicle upon the Airport:

1. Which is constructed, equipped, loaded, or otherwise in a condition, such that its operation would endanger persons or property;

2. Which has attached thereto any object or equipment, including that which is being towed, which drags, swings or projects so as to be hazardous to any

Person or property; or

3. In a negligent or reckless manner or in excess of posted speed limits.

f. **Closing or Restricting Use of Airport Roadways**

The Airport Director is authorized to close or restrict the use of any Airport roadway to Motor Vehicles if the Airport Director reasonably determines that such closure is necessary to preserve public safety.

g. **Storing, Parking and Repairing Vehicles**

No Motor Vehicle may be stored, parked or repaired on the Airport, except in areas designated for such purpose by the Airport Director, provided that Persons may conduct minor repairs on a disabled Motor Vehicle to the extent necessary to remove such Motor Vehicle from the Airport.

h. **Slow-Moving Motor Vehicles, Equipment and Machinery**

Every Motor Vehicle and piece of equipment or machinery that is operated on Airport roadways and is designed primarily for use at speeds of less than 25 miles per hour must be equipped with an operating beacon light or display a triangular slow-moving-vehicle emblem that is mounted either on its rear or, in case of towed units, on the rearmost unit being towed.

i. **Engine Turn-Off**

The operator of each Motor Vehicle on the Airport must turn off the Motor Vehicle's engine when such Motor Vehicle is parked, idling anywhere other than at a traffic control device that requires the Motor Vehicle to stop temporarily, or parked or idling to permit the safe passage of a Person, Aircraft, or other Motor Vehicle.

j. **Inspection**

Any Motor Vehicle entering the Airport is subject to inspection in accordance with Applicable Law.

7.2 PROCEDURE IN CASE OF INCIDENT

The driver of any Motor Vehicle involved in a crash, collision, or other incident on the Airport which results in injury to or death of any Person or in damage to property shall immediately stop such Motor Vehicle at the scene of the incident and, by the quickest means of communication, give notice of the incident to MCSO.

7.3 SPEED LIMITS

The operator of a Motor Vehicle shall drive such Motor Vehicle on the roadways and other

vehicular traffic areas on the Airport, including parking areas, only at a speed that is reasonable and prudent under the existing conditions, with due regard for actual and potential hazards, and shall comply with speed limits indicated on signs posted and maintained by the Airport. In areas of the Airport in which speed-limit signs are not posted, the speed limit shall be 15 miles per hour as established in M.C.C. sec. 25-2.

7.4 DESIGNATED ONE-WAY DRIVES

Vehicular traffic on the entrance and exit roadways serving the Passenger Terminal Complex shall be one-way only. No Person may move a Motor Vehicle on any such roadway in the direction opposite to that indicated by signage.

7.5 VEHICLE OPERATIONS ON AIR OPERATIONS AND MOVEMENT AREAS

a. No Person may operate a Motor Vehicle on the AOA or Movement Area without the prior permission of the Airport Director. The Airport Director may require a Person to obtain specialized training prior to operating a Motor Vehicle on the Movement Area.

b. No Motor Vehicle may tow more than three baggage carts or pods at any given time.

c. No Person may park a Motor Vehicle in any portion of the AOA unless such Motor Vehicle is necessary for the servicing of Aircraft or the operation and maintenance of the Airport, and then only if such Motor Vehicle is properly identified in accordance with the Airport Security Program and Airport Certification Manual.

d. No Person may drive a Motor Vehicle or move equipment between an Aircraft and a passenger gate when passengers are boarding or deplaning from the Aircraft.

e. No Person may park a Motor Vehicle in any manner so as to block or obstruct any fire hydrant, any emergency fuel shutoff device or the approaches thereto, any gate or emergency exit, or any building entrance or exit.

f. Aircraft taxiing in the AOA will have the right-of-way over Motor Vehicle traffic.

7.6 PUBLIC PARKING

a. Operators of Motor Vehicles using the public parking facilities at the Airport must observe and comply with all traffic signs posted on said facilities.

b. Motor Vehicles may be parked only in marked parking spaces. No Person may park a Motor Vehicle in any marked parking space in such a manner as to occupy a part of another space.

c. No Person may park a Motor Vehicle in any area requiring payment for parking without paying the required parking charges for the right and privilege of parking.

d. Any Motor Vehicle remaining in a public parking facility on the Airport for greater than 45 days will be considered an Abandoned Vehicle unless the operator of that Motor Vehicle obtains the Airport Director's prior written authorization to park for greater than 45 days.

7.7 RESERVED PARKING

No Person may park any Motor Vehicle in a reserved parking area without a valid parking permit issued by the Airport Director. Each Motor Vehicle parked in a reserved parking area must prominently display such permit or insignia provided by the Airport Director for the purpose of indicating such permit. Every such Motor Vehicle shall be parked only in the space or area specifically assigned to that Motor Vehicle.

7.8 LOADING AND UNLOADING OF VEHICLES

No Person may stop a Motor Vehicle for loading, unloading or any other purpose on the Airport other than in areas specifically designated by the Airport Director for such use and only in the manner prescribed by signs, roadway markings, and other traffic-control indicia. Stopping on the passenger arrival and departure roadways and the commercial curbs of the Passenger Terminal Complex is permissible only to active load or unload passengers and their baggage. The MCSO may cite and tow unattended Motor Vehicles not in parking spaces designated for such Motor Vehicles' use.

7.9 AUTHORITY TO REMOVE VEHICLES

The Airport Director and the MCSO may each remove or cause to be removed from any Restricted Area or reserved areas, any roadway or right-of-way, and any other area on the Airport, any Motor Vehicle which is disabled, abandoned, illegally or improperly parked, or which creates an obstruction. Any such Motor Vehicle shall then be under the control and authority of the company removing it and shall be released to the Motor Vehicle's owner or operator upon proper identification of the Motor Vehicle and of the Person claiming it and upon payment of any due and owing towing charges and parking and storage fees. Neither the County nor MCSO shall be liable for damage to any Motor Vehicle or loss of personal property which might result from the lawful removal thereof from the Airport.

7.10 IMPOUND OF MOTOR VEHICLES IN EMPLOYEE PARKING LOTS

Motor Vehicles parked in any Airport employee parking lot are subject to removal in accordance with subsection 7.9 if they lack a valid, unexpired employee parking authorization.

7.11 ISSUANCE OF TRAFFIC CITATIONS AND TICKETS

MCSO deputies are authorized to issue traffic citations and parking tickets for violation of any provision of the Florida Uniform Traffic Control Law, M.C.C. sec. 5-24, M.C.C. Chapter 25 or the Rules and Regulations governing the operation, loading, unloading or parking of Motor Vehicles on the Airport.

SECTION 8. COMMERCIAL GROUND TRANSPORTATION

8.1 USE OF FACILITIES

a. Unless otherwise provided by an agreement or permit with the County, each Commercial Ground Transportation Operator, may deliver customers to the Airport and meet Pre-Reserved Customers at the Airport only in places designated for such purposes by the County in accordance with the County's Ground Transportation Resolution.

b. Unless otherwise provided by permit issued by or agreement with the County, or in instances where a valid reservation for a Pre-Reserved Customer is made, no Commercial Ground Transportation Operator may pick up a passenger, or offer to pick up a passenger, on the Airport.

8.2 FEES AND CHARGES

The County will establish and collect fees and charges from Commercial Ground Transportation Operators that operate to, from, or at the Airport in accordance with the Airport's Ground Transportation Resolution.

8.3 COMPLIANCE WITH POLICIES, RULES AND REGULATIONS, STANDARD PROCEDURES AND OPERATING DIRECTIVES

All operators of Commercial Vehicles will be subject to the Ground Transportation Resolution, these Rules and Regulations, and the Airport's Policies, Standard Procedures and Operating Directives. In addition, they will be subject to on-site supervision and direction by authorized Airport personnel and MCSO staff.

8.4 UNAUTHORIZED PARKING

No Commercial Vehicle may be left unattended on the Airport without prior written permission of the Airport Director, except when parked in a designated public parking facility.

SECTION 9. ENFORCEMENT

9.1 CEASE AND DESIST ORDERS

The Airport Director may, verbally or in writing, order any Person to cease and desist from any activity or conduct that violates the Rules and Regulations, Policies, Standard Procedures, or Operating Directives or that the Airport Director otherwise determines to pose a safety or security threat to the Airport or to Persons thereon.

9.2 REMOVAL FROM OR DENIAL OF ACCESS TO AIRPORT

a. Any Person who fails to comply promptly with a cease-and-desist order issued by the Airport Director shall be considered a trespasser on the Airport.

b. If a Person fails to comply with a cease-and-desist order issued by the Airport Director, the Airport Director may deny that Person access to the Airport and may order that Person removed from the Airport by County staff or the MCSO.

c. If the Airport Director denies a Person access to the Airport or orders a Person removed from the Airport, such person shall be issued a trespass warning in accordance with M.C.C section 17-8.

d. Without the need for a cease-and-desist order or any other prior process, the Airport Director may order the immediate removal of any Person whom the Airport Director reasonably determines to pose a danger or disruption to the peaceful, orderly operation of the Airport or the lawful, authorized activities of Airport users.

9.3 APPEALS OF TRESPASS WARNINGS

a. A person who has been issued trespass warning may file an appeal as provided in M.C.C. sec. 17-8(i).

b. Nothing in the Rules and Regulations shall prevent a Person from exercising any legal right to challenge a trespass warning before a court or government agency of competent jurisdiction.

9.4 REMOVAL OF PROPERTY

a. The Airport Director may remove or cause to be removed from any Restricted Area, reserved area, roadway or right-of-way, or any other area or structure at the Airport, any property which is disabled, abandoned or unattended; which poses a nuisance or impediment to the safe, secure, peaceful, or efficient operation of the Airport or the lawful, authorized activities of Persons thereon; or which is otherwise situated in an illegal, improper or unauthorized manner. The Airport Director or the MCSO may remove or cause to be removed any such property to an impound area or other area designated by the Airport Director or the MCSO, all at the expense of the owner of such Property.

b. Any property impounded by the Airport Director, or by the MCSO, will be released to the owner or operator thereof upon the completion of both of the following:

1. Such owner's or operator's provision of identification, satisfactory to the Airport Director or the MCSO, that establishes that such Person is in fact the property's owner or operator; and

2. Such owner or operator paying all applicable towing, removal, or storage charges and any other accrued fees and fines.

c. Neither the County, including without limitation the Airport Director, nor MCSO shall be liable for any damage or loss or diminution of value which may be caused to the property by the Airport Director's or the MCSO's removal or storage thereof in accordance with this subsection 9.4.

RESOLUTION NO. 123 – 2021

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA DELEGATING AUTHORITY TO THE DIRECTOR OF AIRPORTS AND APPROVING THE USE OF KEY WEST INTERNATIONAL AIRPORT ENTERPRISE REVENUE FUNDS TO BE USED FOR PROMOTIONAL SPONSORSHIPS.

WHEREAS, Florida Statute 331.20 grants to the Board of County Commissioners the right, power, and authority to publicize, advertise, and promote the activities of its airport in order to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; and

WHEREAS, the Department of Transportation, Federal Aviation Administration has promulgated the Policies and Procedures Concerning the Use of Airport Revenue in the Federal Register at 64 Fed. Reg. 7696, February 16, 1999, and

WHEREAS, the Policies and Procedures Concerning the Use of Airport Revenues lists the permitted uses of airport revenue and includes, among other things, the full costs of activities directed towards promoting public and industry awareness of airport facilities and services; and

WHEREAS, Key West International Airport has sponsored community organizations and community events from Key West High School to the Naval Air Station Key West Air Show to the Wounded Warrior Ride; and

WHEREAS, community involvement and community outreach through paid sponsorships of community organizations help effectuate the purposes of F.S. 331.20 and promotes and engenders goodwill toward the airport and the county; and

WHEREAS, the board desires to set forth a policy permitting the use of airport enterprise revenue funds to support community promotional sponsorships;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Monroe County BOCC (The Board) desires to establish a positive relationship with the community and Key West International Airport.

Section 2. The Board finds that promotional sponsorships which raise the goodwill toward the county by making known the advantages, facilities, resources, products, attractions,

and attributes of the Key West International Airport and/or the Florida Keys Marathon International Airport serve a public purpose.

Section 3. In furtherance of this resolution, the Board incorporates the rationale set forth in the memo attached as Exhibit A as if fully set forth herein.

Section 2. The Board hereby delegates to the Director of Airports the authority to publicize, advertise, and promote the activities of its airports; to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; to create a favorable climate of opinion concerning its airport and to cooperate with other agencies, public and private, to accomplish these purposes.

Section 4. Expenditure thresholds shall be based on the level of anticipated community outreach (community exposure). "Community exposure" shall be defined as the total number of individuals the outreach activity is estimated to reach. The Board hereby authorizes sponsorship expenditures to publicize, advertise, and promote the activities of its airport in the following amounts:

Rate of Community Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,001 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

PASSED AND ACCEPTED by the Board of County Commissioners of Monroe County, Florida, at a meeting of said Board held on the 17th day of March, 2021.

Mayor Michelle Coldiron	Yes
Mayor Pro Tem David Rice	Yes
Commissioner Craig Cates	Yes

AIRPORT MEMO

From: Erick D'Leon, Asst. Director of Airports

To: Richard Strickland; Beth Leto

Date: October 30, 2020

Re: Airport Promotion and Community Relations

Introduction

The Key West International Airport is a substantial component of the Key West community and offers the island's most significant economic engine with a combined annual economic output totaling $856 million. As the Airport continues to exhibit rapid growth trends in every aspect of its operation, it is imperative for the Airport to maintain a positive relationship within its small island community. This is accomplished by strategic community outreach efforts to ensure that all citizens are aware of the Airport and express a favorable opinion of the Airport's successful future. Although generally intangible, maintaining a community relationship that promotes a positive airport outlook ensures that the Airport can continue to prosper efficiently and effectively within the physical and sociological limitations of operating on an island.

Background

The Federal Aviation Administration (FAA) deems that public use airport's expenditure of funds for the promotion of an airport and marketing of airport services are legitimate costs of an airport's operation. Additionally, the FAA entrusts airport management to assure that the level of expenditures for such purposes be reasonable in relation to the airport's specific financial situation.

Airport funds may be used to support community activities, or community organizations, if the expenditures are directly and substantially related to the operation of the airport. In addition, the policy provides explicitly that where the amount of the contribution is minimal, the airport operator may consider the "directly and substantially related to air transportation" standard to be met if the contribution has the intangible benefit of enhancing the airport's acceptance in local communities impacted by the airport.

As a point of reference, the Key West International Airport, like many other commercial airports, through a combination of Federal, State, and Airport generated funds, maintains a federally mandated Noise Insulation Program (NIP) for eligible family residences. The NIP has expended substantial funding to lessen the impact, and associated burden, of aircraft noise to single family homes and multi-family condominium facilities in Key West by way of noise insulation efforts. The multi-year program creates a cohesive environment in which the Airport and its numerous operations are an accepted part of the community's daily function.

Community Relations

Recently the Airport announced plans to pursue a major capital improvement plan combining millions of dollars in development to completely overhaul the manner in which the Airport operates. The improvements, developed to meet air service demand, include a new terminal concourse and significant roadway improvements to streamline and improve the passenger experience.

However, as the Airport continues to make significant strides in air service development, which supports the community's tourism based economy, the island of Key West is home to only twenty five thousand permanent residents. In a small town community, such as Key West, the importance of a grass roots effort to establish a positive community relationship cannot be overstated. That relationship is fostered through strategic efforts that focus on hosting community events, public outreach presentations, key marketing efforts, and the encouragement of constant feedback from the community through ad-hoc committees and other public forums.

The Airport has historically selected the neighboring Key West High School Athletics Department as a recipient of an annual sponsorship. The sponsorship offers tangible and intangible benefits to the operation of the Airport. While the relationship benefits are intangible, the tangible benefits of hometown marketing are of incredible value to the Airport and a critical focus to all promotional marketing efforts.

The local community is vital to the future success of the airport. Utilizing simple marketing efforts such as banner advertisements and other key signage, local event programs and print media, and radio advertisements are all part of a larger effort to continually keep the local community involved with the Airport. Therefore, the participation with local groups such as the Key West High School Athletics Dept., a local non-profit youth athletics dance association, or a wounded warriors ride, the effort ensures the Airport maintains a positive position within the growth and daily life of the community that supports the Airport's operation.

State and Federal Guidance

As previously stated, the FAA offers clear guidance on how revenues used for promotional/ marketing efforts, and revenues used for donations to charitable/ community service organizations are classified as permitted uses. The guidance can be found in Federal Register/ Vol. 64, Pgs. 7696-7723, Policy and Procedures Concerning the Use of Airport Revenue.

Additionally, Florida Statute 331.20 empowers the BOCC to expend funds to publicize and promote the airport and its related facilities, and to create a favorable climate of opinion in the interest of promoting and engendering goodwill toward its airport.

Policy Request

We request to clarify that promotional, marketing, and community outreach efforts in addition to charitable donations are, as defined by existing state and federal guidelines, part of the Airport's normal operating expenses. Included in those expenses, the Airport will focus on the following categories to pursue effective community relations:

Membership: Industry, Economic Development, & Other Associations

Partnership: Education, Military, & Other Agencies

Sponsorship: Youth Development, Tourism, Economic Development, Government Relations, Community, Leadership, Diversity & Inclusion

As with all other operational expenses, as these expenses are defined by the FAA, the Airport Director will be provided with the same liberties that are afforded with other aspects of the daily duties associated with the operation of the Airports. However, due to the nature of procurement for event specific memberships, partnerships, or sponsorships, as they may occur, it is not feasible to adhere to standard County procurement policies for multiple price quotes. In these cases, the Airport Director will adhere to the Monroe County Purchasing Policy guidelines for purchasing authority with relation to the purchasing levels for total dollar amount requested.

Additionally, as defined by the FAA, airport management will assure to the BOCC that the total amount of expenditures for such purposes would be reasonable in relation to the airport's specific financial situation. The specific level of director approved expenditures will be based on the level of exposure the expense will provide. For example, if the expenditure will offer a small amount of exposure, up to five thousand people, for the airport, the expense will be limited to five thousand dollars. If the expense will offer a medium amount of exposure, five thousand to ten thousand people, the expense will be limited to ten thousand dollars. If the expense is expected to offer the Airport a significant amount of exposure, greater than ten thousand people, such as with major events, partnerships, or marketing campaigns for air service, the expense will be limited to nineteen thousand nine hundred ninety nine dollars and ninety nine cents; see below chart.

Rate of Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,000 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

Additionally, significant exposure expenses over the Director's procurement authority will abide by the policies and procedures already outlined within the County's purchasing policy, with regard to County Manager approval and/ or BOCC approval.

SPONSORSHIP OPPORTUNITIES 2024

RACE WORLD OFFSHORE

2ND ANNUAL RWO 7-MILE OFFSHORE GRAND PRIX

E ADVERTISING & SPONSORSHIP CONTRACT BETWEEN

On the one hand Race World Offshore, LLC the 2nd Annual **RWO 7-Mile Offshore Grand Prix** (hereafter called "the **ORGANIZER**"), responsible for the organization and running of the Offshore Event. And on the other hand, the SPONSOR, represented in this act as per details stated in Section A herein, and declaring to have full legal capacity to sign this contract.

DECLARATIONS

ORGANIZER is responsible for hosting and organizing the 2nd Annual **RWO 7-Mile Offshore Grand Prix** that will take place in **Marathon, Florida** in **April** 2024 (hereafter, "the Project").

I. **The SPONSOR**, within its sponsorship and patronage activities, is interested in collaborating with the **ORGANIZER**

II. By virtue of that previously declared, both parties mutually recognise their full capacity and powers to sign this advertising and sponsorship contract, which is subject to the following:

ARTICLES

I. PURPOSE:
By virtue of the present contract, the **ORGANIZER** is committed to provide advertising/marketing/promotion services in benefit of the **SPONSOR** as described in the third article thereafter, and the **SPONSOR** is committed to sponsor the project with the payment of the sponsorship fee in the second article hereafter.

II. SPONSORSHIP FEE:
The SPONSOR undertakes to settle with the **ORGANIZER** the amount of US Dollars as referred in "Section B" in favor of the **ORGANIZER**. This amount will be settled by means of a check to the ORGANIZER of which the beneficiary is ..... as mentioned in "Section C" herein.

III. ADVERTISING/MARKETING/PROMOTION RIGHTS:
From the moment this present contract comes into effect, and until its termination as stipulated in the sixth article hereafter, the **ORGANIZER** is committed to collaborate / promote / benefit the **SPONSOR** within the provided project sponsorship brochure, and during all the preparation, development, organization, race and celebration phases, by means of a insertion of their brand, company name and logo on any printed brochures, proceedings, marketing and on any other information that is published or edited in relation with the project, in accordance with the terms & deliverables described for the **SPONSOR**, as mentioned in sponsor package "Section G" for this contract. The **SPONSOR** will send the rules and standards for the use of their logo if needed, to the **ORGANIZER**, whom shall respect the format and specifications that the **SPONSOR** commands in regard to their logo and company title. Depending on the space provided along with other brands and logos, the logo will be subject to size alteration maintaining the same scale. All commitments to **SPONSOR** will come from expectations and deliverables from Sponsorship Brochure.
The **SPONSOR**, with previous consent from **ORGANIZER**, is entitled to announce and publish their participation in the project by their own means.

IV. ORGANIZATION AND DEVELOPMENT OF THE PROJECT:
ORGANIZER will organize the project by its own means, and has exclusive responsibility of the same. **ORGANIZER** will devote to the project all human and/or material resources that are necessary for fulfilling objectives, and will meet all expenses and costs incurred for the same.

V. COPYRIGHT OF THE SPONSOR:
None of the statements of this present contract surrenders any transmission of copyright or intellectual ownership of the **SPONSOR**.

VI. DURATION:
The present contract will come into effect on the day of its signature and will maintain its validity until the same date as the **Declaration Event Name** is due to be concluded, as is expressed in declaration of this contract.
Nevertheless, if for any reason the race event has not concluded on that date, this contract will maintain its validity until the end of all official acts of the project.

VII. RESOLUTION:
During the validity of this contract, if either of the parties breaches one or more of their obligations, the other may choose between demanding implementation or settlement of the contract, with indemnity for damages and payment of interests in both cases.
If for force majeure reasons either party is unable to meet with their obligations, such as conflict, hurricanes, etc. and impedes them to act in accordance with the conditions and foreseen terms, the affected party will be exempted while such a contingency lasts and all obligations will be re-established upon the conclusion of the same.

IX. CANCELLATION:
In the event of cancellation or termination of this Participation Contract by the **SPONSOR**, the **SPONSOR** shall pay to the **ORGANIZER** cancellation charges
at the following rates:

1. Cancellation more than 90 days before the first day of the event - 50% of contract price
2. Cancellation 60 to 90 days before the first day of the event - 75% of contract price
3. Cancellation less than 60 days before the first day of the event - 100% of contract price

X. APPLICABLE LAW AND JURISDICTION:
This contract is governed by State of Florida Law. Both parts intervene with express renunciation to any jurisdiction that could correspond to them, to submit the controversies that might arise concerning the interpretation or fulfilment of this contract, to the jurisdiction and competence of the courts and pertaining to Florida. And in proof of conformity of all that proceeds, both parties' sign this contract in duplicate and to one sole effect and on the date indicated below.

Approval of a sponsorship contract with Special Olympics, Florida, in the amount of $3,000 for the Key West International Airport to sponsor sports training and competition in a variety of Olympic-type sports throughout the Florida Keys under Airport promotional sponsorships Resolution No. 123-2021.

ITEM BACKGROUND:

The Airport wishes to promote goodwill toward the County and the Airport and sponsor Special Olympics sports training and competition in the Florida Keys. The Airport's logo and sponsorship will reach at least 3,000 views via banners displayed in key event areas locally, via local radio broadcast (104.1 US1 Radio, 97.7 The Zone, 100.1 Thunder Country), the press (Key West Citizen, Keys Weekly), social media, email blasts, and at all events, of which there are several annually. The Airport's logo would also be displayed when athletes travel to Area and Regional Competitions for each sport season (5 seasons) as part of the West Coast Region of Special Olympics Florida.

2024 Proposal to Key West International Airport for Support of Special Olympics Florida in Monroe County

The mission of Special Olympics Florida is to provide year-round sports training and competition in a variety of Olympic-type sports for people with intellectual disabilities who wish to participate, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in the sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

The ultimate objective of Special Olympics Florida is to help people with intellectual disabilities participate as productive and respected members of society at large, by offering them a fair opportunity to develop and demonstrate their skills and talents through sports training and competition, and by increasing the public's awareness of their capabilities and needs.

Special Olympics Florida offers activities for all ability levels and serves both children and adults. Special Olympics Florida also provides critical health screenings as well as life-changing leadership opportunities for the athletes. All Special Olympics Florida programs and services are at no cost to the athletes or their families. Special Olympics Florida, Inc. is a 501(c)(3) charitable organization.

Special Olympics Florida in Monroe County

In Monroe County, as of January 2024, Special Olympics Florida serves 650+ youth ages eight and above with and without intellectual disabilities in 12 sports, in schools, and in the community. We also offer a variety of developmental programs for ages two and above, as well as athlete leadership training. Our county participation has grown tremendously over the past years. In 2013, we served 80 athletes in the Key West area only, and zero served in other areas of the Keys. In January of 2023, we served 528 athletes in all areas, lower, middle, and upper keys, giving us a growth of 122 participants in one calendar year.

Yearly Event Exposure in Monroe County

Locally we host three events (fall and spring), along with multiple school-based events throughout the school year. Each event has 100-500 people in attendance.

Each event has an Opening Ceremony where our supporters and community VIP members are invited to attend and are honored. Locally we can offer an exposure of at least 1,000 people throughout the calendar year with the currently planned events.

Our most recent event, the 2023 Cornhole Culmination at Key West High School in December, hosted 100 athletes, 25 coaches, and multiple volunteers and fans from the Key West area. We will be holding the Cornhole event again in December 2024.

Upcoming events, the 2024 Unified Championship Schools Soccer Competition at Big Pine Park and the 2024 Bocce Culmination at Big Pine Park, will include all athletes from Lower, Middle and Upper Keys.

The 2024 Soccer Competition will host five soccer teams, including 55 athletes, 10 coaches, and 25 volunteers, along with multiple community members and fans.

The 2024 Bocce Culmination will host over 100 athletes, 25 coaches, 50 volunteers, and multiple community members and fans.

We have plans to expand our local events to include a Swim Competition at Founders Park Pool, along with a Stand-Up Paddle Event to include the general public in the future.

Additional Sponsorship Benefits

We will announce our supporters on local radio (104.1 US1 Radio, 97.7 The Zone, 100.1 Thunder Country), in press (Key West Citizen, Keys Weekly), and on social media for each event, along with displaying a co-branded banner at each event.

Our athletes also travel to Area and Regional Competitions for each sport season (5 seasons) as part of the West Coast Region of Special Olympics Florida. At each event an Opening Ceremony is held where supporters are recognized and also invited to attend.

Upcoming Summer Season Games Competitions:

- Area Games, March 2, are hosted at Lehigh High School in Lehigh, Florida and will include up to 1,000 people for exposure.
- Regional Games, April 13, are hosted at IMG Academy in Sarasota, Florida and will include up to 3,500-4,000 people for exposure.

We would also be able to provide recognition of the Key West International Airport with photos of our teams displaying the co-branded banner at local events, positioned at awards and opening ceremonies, and in press photos. We will travel with the banner to Area/Regional and State events, using it in photos with our teams. These photos may be used for promotion, recognition and display by the Key West International Airport.

Example of Co-Branded Banner

Funding Needs for 15 Games

- Bus travel: $8,800 per bus per game
- Meals: $1,500-$2,000 per game
- Hotels: $2,500-$5,000 per game
- Future plans for travel by plane: $5,000
- Uniforms per sport: $2,500

RESOLUTION NO. 123 – 2021

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA DELEGATING AUTHORITY TO THE DIRECTOR OF AIRPORTS AND APPROVING THE USE OF KEY WEST INTERNATIONAL AIRPORT ENTERPRISE REVENUE FUNDS TO BE USED FOR PROMOTIONAL SPONSORSHIPS.

WHEREAS, Florida Statute 331.20 grants to the Board of County Commissioners the right, power, and authority to publicize, advertise, and promote the activities of its airport in order to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; and

WHEREAS, the Department of Transportation, Federal Aviation Administration has promulgated the Policies and Procedures Concerning the Use of Airport Revenue in the Federal Register at 64 Fed. Reg. 7696, February 16, 1999, and

WHEREAS, the Policies and Procedures Concerning the Use of Airport Revenues lists the permitted uses of airport revenue and includes, among other things, the full costs of activities directed towards promoting public and industry awareness of airport facilities and services; and

WHEREAS, Key West International Airport has sponsored community organizations and community events from Key West High School to the Naval Air Station Key West Air Show to the Wounded Warrior Ride; and

WHEREAS, community involvement and community outreach through paid sponsorships of community organizations help effectuate the purposes of F.S. 331.20 and promotes and engenders goodwill toward the airport and the county; and

WHEREAS, the board desires to set forth a policy permitting the use of airport enterprise revenue funds to support community promotional sponsorships;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Monroe County BOCC (The Board) desires to establish a positive relationship with the community and Key West International Airport.

Section 2. The Board finds that promotional sponsorships which raise the goodwill toward the county by making known the advantages, facilities, resources, products, attractions,

and attributes of the Key West International Airport and/or the Florida Keys Marathon International Airport serve a public purpose.

Section 3. In furtherance of this resolution, the Board incorporates the rationale set forth in the memo attached as Exhibit A as if fully set forth herein.

Section 2. The Board hereby delegates to the Director of Airports the authority to publicize, advertise, and promote the activities of its airports; to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; to create a favorable climate of opinion concerning its airport and to cooperate with other agencies, public and private, to accomplish these purposes.

Section 4. Expenditure thresholds shall be based on the level of anticipated community outreach (community exposure). "Community exposure" shall be defined as the total number of individuals the outreach activity is estimated to reach. The Board hereby authorizes sponsorship expenditures to publicize, advertise, and promote the activities of its airport in the following amounts:

Rate of Community Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,001 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

PASSED AND ACCEPTED by the Board of County Commissioners of Monroe County, Florida, at a meeting of said Board held on the 17th day of March, 2021.

Mayor Michelle Coldiron	Yes
Mayor Pro Tem David Rice	Yes
Commissioner Craig Cates	Yes
Commissioner Eddie Martinez	Yes

AIRPORT MEMO

From: Erick D'Leon, Asst. Director of Airports

To: Richard Strickland; Beth Leto

Date: October 30, 2020

Re: Airport Promotion and Community Relations

Introduction

The Key West International Airport is a substantial component of the Key West community and offers the island's most significant economic engine with a combined annual economic output totaling $856 million. As the Airport continues to exhibit rapid growth trends in every aspect of its operation, it is imperative for the Airport to maintain a positive relationship within its small island community. This is accomplished by strategic community outreach efforts to ensure that all citizens are aware of the Airport and express a favorable opinion of the Airport's successful future. Although generally intangible, maintaining a community relationship that promotes a positive airport outlook ensures that the Airport can continue to prosper efficiently and effectively within the physical and sociological limitations of operating on an island.

Background

The Federal Aviation Administration (FAA) deems that public use airport's expenditure of funds for the promotion of an airport and marketing of airport services are legitimate costs of an airport's operation. Additionally, the FAA entrusts airport management to assure that the level of expenditures for such purposes be reasonable in relation to the airport's specific financial situation.

Airport funds may be used to support community activities, or community organizations, if the expenditures are directly and substantially related to the operation of the airport. In addition, the policy provides explicitly that where the amount of the contribution is minimal, the airport operator may consider the "directly and substantially related to air transportation" standard to be met if the contribution has the intangible benefit of enhancing the airport's acceptance in local communities impacted by the airport.

As a point of reference, the Key West International Airport, like many other commercial airports, through a combination of Federal, State, and Airport generated funds, maintains a federally mandated Noise Insulation Program (NIP) for eligible family residences. The NIP has expended substantial funding to lessen the impact, and associated burden, of aircraft noise to single family homes and multi-family condominium facilities in Key West by way of noise insulation efforts. The multi-year program creates a cohesive environment in which the Airport and its numerous operations are an accepted part of the community's daily function.

Community Relations

Recently the Airport announced plans to pursue a major capital improvement plan combining millions of dollars in development to completely overhaul the manner in which the Airport operates. The improvements, developed to meet air service demand, include a new terminal concourse and significant roadway improvements to streamline and improve the passenger experience.

However, as the Airport continues to make significant strides in air service development, which supports the community's tourism based economy, the island of Key West is home to only twenty five thousand permanent residents. In a small town community, such as Key West, the importance of a grass roots effort to establish a positive community relationship cannot be overstated. That relationship is fostered through strategic efforts that focus on hosting community events, public outreach presentations, key marketing efforts, and the encouragement of constant feedback from the community through ad-hoc committees and other public forums.

The Airport has historically selected the neighboring Key West High School Athletics Department as a recipient of an annual sponsorship. The sponsorship offers tangible and intangible benefits to the operation of the Airport. While the relationship benefits are intangible, the tangible benefits of hometown marketing are of incredible value to the Airport and a critical focus to all promotional marketing efforts.

The local community is vital to the future success of the airport. Utilizing simple marketing efforts such as banner advertisements and other key signage, local event programs and print media, and radio advertisements are all part of a larger effort to continually keep the local community involved with the Airport. Therefore, the participation with local groups such as the Key West High School Athletics Dept., a local non-profit youth athletics dance association, or a wounded warriors ride, the effort ensures the Airport maintains a positive position within the growth and daily life of the community that supports the Airport's operation.

State and Federal Guidance

As previously stated, the FAA offers clear guidance on how revenues used for promotional/ marketing efforts, and revenues used for donations to charitable/ community service organizations are classified as permitted uses. The guidance can be found in Federal Register/ Vol. 64, Pgs. 7696-7723, Policy and Procedures Concerning the Use of Airport Revenue.

Additionally, Florida Statute 331.20 empowers the BOCC to expend funds to publicize and promote the airport and its related facilities, and to create a favorable climate of opinion in the interest of promoting and engendering goodwill toward its airport.

Policy Request

We request to clarify that promotional, marketing, and community outreach efforts in addition to charitable donations are, as defined by existing state and federal guidelines, part of the Airport's normal operating expenses. Included in those expenses, the Airport will focus on the following categories to pursue effective community relations:

Membership: Industry, Economic Development, & Other Associations

Partnership: Education, Military, & Other Agencies

Sponsorship: Youth Development, Tourism, Economic Development, Government Relations, Community, Leadership, Diversity & Inclusion

As with all other operational expenses, as these expenses are defined by the FAA, the Airport Director will be provided with the same liberties that are afforded with other aspects of the daily duties associated with the operation of the Airports. However, due to the nature of procurement for event specific memberships, partnerships, or sponsorships, as they may occur, it is not feasible to adhere to standard County procurement policies for multiple price quotes. In these cases, the Airport Director will adhere to the Monroe County Purchasing Policy guidelines for purchasing authority with relation to the purchasing levels for total dollar amount requested.

Additionally, as defined by the FAA, airport management will assure to the BOCC that the total amount of expenditures for such purposes would be reasonable in relation to the airport's specific financial situation. The specific level of director approved expenditures will be based on the level of exposure the expense will provide. For example, if the expenditure will offer a small amount of exposure, up to five thousand people, for the airport, the expense will be limited to five thousand dollars. If the expense will offer a medium amount of exposure, five thousand to ten thousand people, the expense will be limited to ten thousand dollars. If the expense is expected to offer the Airport a significant amount of exposure, greater than ten thousand people, such as with major events, partnerships, or marketing campaigns for air service, the expense will be limited to nineteen thousand nine hundred ninety nine dollars and ninety nine cents; see below chart.

Rate of Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,000 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

Additionally, significant exposure expenses over the Director's procurement authority will abide by the policies and procedures already outlined within the County's purchasing policy, with regard to County Manager approval and/ or BOCC approval.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Holly Merrill Raschein, District 5
Mayor Pro Tem James K. Scholl, District 3
Craig Cates, District 1
Michelle Lincoln, District 2
David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: I9
2023-2160

BULK ITEM: No

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING: Approval of Resolution promulgating an administrative directive for the purpose of setting forth the terms under which a parcel of land, subject to FAA grant assurances, at the Florida Keys Marathon International Airport will be leased to the Monroe Department of Emergency Management from the Monroe County Department of Airports.

ITEM BACKGROUND:
The former Director of Airports obtained a Florida Department of Transportation (FDOT) Aviation grant to assist the County with funding for the construction of a non-aeronautical revenue generating facility at the Marathon Airport. The FDOT grant incorporates the Airport Improvement Program (AIP) grant assurances, and FDOT offered the grant to provide the Marathon Airport with an additional revenue source to meet its obligation to be as self-sustaining as possible. Under AIP grant assurances, Monroe County is obligated to maintain a fee and rental structure at the Marathon Airport that will help make the airport as self-sustaining as possible.

PREVIOUS RELEVANT BOCC ACTION:

On September 19, 2018, the BOCC approved an agreement with the Florida State Department of Emergency Management to accept a grant in the amount of $5.9M for the design and construction of a Monroe County Emergency Operations and Public Safety Center.

On December 19, 2018, the BOCC approved an agreement with the Florida Department of Transportation (Public Transportation Grant G1009) to accept a grant in the amount of $400,000 (to be matched with $400,000 in County funds) for the planning, permitting, design and construction of a non-aeronautical building (EOC) to be constructed on the SW corner of the Marathon airport property. On March 28, 2020, the BOCC approved Amendment No. 1 to FDOT Grant G1009 providing $4,000,000 for construction of the non-aeronautical building, and on April 21, 2021, the BOCC approved Amendment No. 2 providing final funding in the amount of $6,338,000 for construction costs for this project.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:
New 40 year agreement effective 04/01/2024 through 03/31/2064.

STAFF RECOMMENDATION: Approval.

DOCUMENTATION:

Resolution - EOC Administrative Directive - Feb. 2024 final.pdf
Resolution - EOC Administrative Directive - Exhibit A.pdf

FINANCIAL IMPACT:

$303,176.00 per year for year one plus annual CPI-U adjustment on term anniversary date. Funding is General Revenue Fund 001.

RESOLUTION NO. _____-2024

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, PROMULGATING AN ADMINISTRATIVE DIRECTIVE FOR PURPOSES OF SETTING FORTH THE TERMS UNDER WHICH A PARCEL OF LAND, SUBJECT TO FAA GRANT ASSURANCES, AT THE FLORIDA KEYS MARATHON INTERNATIONAL AIRPORT WILL BE LEASED TO THE MONROE COUNTY DEPARTMENT OF EMERGENCY MANAGEMENT FROM THE MONROE COUNTY DEPARTMENT OF AIRPORTS.

WHEREAS, during an event that has required the activation of the Monroe County (County) Emergency Operations Center (EOC) the County has historically converted the Board of County Commissioners commission chambers in the Marathon Government Center into the County's EOC; and

WHEREAS, the converted commission chambers have been shown to have shortcomings during past emergency events up to and including the need to evacuate the EOC during Hurricane Irma; and

WHEREAS, the County has had a long-standing need to construct a dedicated EOC facility, capable of among other things, withstanding a category 5 hurricane; and

WHEREAS, Monroe County owns and operates the Florida Keys Marathon International Airport (Marathon Airport); and

WHEREAS, the Director of Airports predecessor applied for and obtained a Florida Department of Transportation (FDOT) Aviation grant for purposes of assisting the County with funding for the construction of a non-aeronautical revenue generating facility; and

WHEREAS, the FDOT aviation grant incorporates the Airport Improvement Program (AIP) grant assurances; and

WHEREAS, under the AIP grant assurances, Monroe County is obligated to maintain a fee and rental structure at the Marathon Airport that will make the airport as self-sustaining as possible; and

WHEREAS, the purpose of the grant was to provide the Marathon Airport with an additional revenue source in order to meet its obligation to be as self-sustaining as possible; and

WHEREAS, the non-aeronautical revenue generating facility is designed to withstand a category 5 hurricane and can therefore be used as an EOC; and

WHEREAS, FAA Grant Assurance #25, as well as the FAA's Policy and Procedures

Concerning Use of Airport Revenue (64 Fed. Reg.7696 (February 16, 1999)), both require that the leasehold premises occupied by the Monroe County Emergency Management Department pay rent to the Monroe County Department of Airports; and

WHEREAS, the Monroe County Department of Airports had an appraisal performed by Slack, Johnston and Maggenheimer, a real estate, appraisal and consultant firm, and the appraisal determined that the fair market value rent of the property should set at $2.00 per sq. ft per year; and

WHEREAS, the purpose of this Agreement Directive is to set forth the duties, responsibilities and obligations of the respective departments for the lease of the parcel of property at the Marathon Airport.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA THAT:

1. Recitals.

The foregoing recitals are true and correct and are hereby incorporated by reference.

2. Directive.

The Monroe County Department of Emergency Management (MCEM, Lessee or Tenant) and the Monroe County Department of Airports (MCA or Lessor) are directed as follows.

3. Premises.

MCA hereby leases approximately 151,588 sq. ft. located at the Florida Keys Marathon International Airport as shown on Exhibit A to be used by MCEM for construction of an Emergency Operations Center (EOC). The premises are leased in an as is condition. Upon completion of the EOC facility, the completed facility shall be an MCA asset and will be included in the leasehold premises. MCEM shall be entitled to use, in common with others authorized to do so, the Airport and appurtenances, together with all facilities, equipment and parking areas.

4. Term.

The term of this agreement shall be forty (40) years commencing on April 1, 2024 and terminating on March 31, 2064.

5. Rent.

The initial rent for the premises shall be $303,176 per year computed at two (2) dollars per square foot/per year. Thereafter, on the annual anniversary of the execution of this Agreement, rental rates will be increased by 3% or by an amount equal to the percentage increase in the CPI-U for all urban consumers for the previous calendar year, whichever is lower. In the event of a deflationary CPI, no adjustment in the rental rates will be made.

6. Lessee’s Covenants

a) Lessee MCEM shall be responsible for budgeting and obtaining any additional funds necessary for completing the construction of the EOC facility and shall provide all items and

equipment needed for the operation. Unless otherwise extended, MCEM's items and equipment must be removed from the premises when this lease terminates. MCEM shall be responsible for budgeting and obtaining any funds necessary to install, maintain, operate, repair and replace any and all trade fixtures and other personal property useful from time to time in connection with its operation on the Airport.

b) MCEM agrees to make no exterior architectural changes without the consent in writing of the Director of Airports, whose consent will not be unreasonably withheld.

c) MCEM shall be responsible for budgeting and providing for all maintenance costs necessary for the upkeep of the EOC facility and leasehold premises and for all utility costs associated with the EOC facility and leasehold premises.

7. Public Records Compliance.

Lessee and Lessor shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the Lessee and Lessor in conjunction with this Agreement; and the Lessor shall have the right to unilaterally cancel this Agreement upon violation of this provision by Lessee.

8. Lessor's Covenants

a) The Lessor does not make any representations or warranties regarding the premises beyond those set forth in this agreement. The taking of possession of the premises by the Lessee is conclusive evidence that the premises were in good and satisfactory condition when the Lessee took possession. In no event will the Lessor be liable for any building construction defects.

b) In the event the premises are partially damaged by fire, explosion, the elements, the public enemy or other casualty, but not rendered untenable, then the premises will be repaired with due diligence by the County. The rent payable under this lease will be waived until the premises are fully restored by the County. In the event the County chooses not to restore the premises, the County will demolish any remaining structure and remove all structural debris from the premises after which MCEM will have no further obligations, duties or rights with regards to the premises.

9. Rights Reserved.

Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this agreement are nonexclusive and the Lessor herein reserves the right to grant similar privileges to another Lessee or other Lessees on other parts of the Airport.

10. Inspection of Premises by Lessor.

Lessor and its authorized officers, employees, agents, contractors, subcontractors and other representatives shall have the right to enter upon the leased premises in order to inspect the leased premises at reasonable intervals during regular business hours (or at any time in case of emergency) to determine whether Lessee has complied and is complying with the terms and conditions of this agreement with respect thereto.

11. Nondiscrimination.

The tenant itself, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, (3) that the tenant shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

That in the event of breach of any of the above nondiscrimination covenants, Airport Owner shall have the right to terminate the lease and to re-enter and as if said lease had never been made or issued. The provision shall not be effective until the procedures of Title 49, Code of Federal Regulations, Part 21 are followed and completed, including exercise or expiration of appeal rights. In addition, Tenant agrees that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the Court order. Tenant agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685 -1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975; as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 1201 Note), as may be amended from time to time, relating to nondiscrimination based of disability; 10) Secs. 13-101, et seq., Monroe County Code, relating to discrimination based on race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identify or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

12. Severability

If any term, covenant, condition or provision of this Directive (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Directive, shall not be affected thereby; and each remaining term, covenant, condition and

provision of this shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Directive would prevent the accomplishment of the original intent of this Directive.

13. Non-Reliance by Non-Parties.

No person or entity shall be entitled to rely upon the terms, or any of them, of this Directive to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder.

14. Other Use.

MCEM shall not use or permit the use of the demised premises or any part thereof for any purpose or use other than as set forth in this Directive.

15. Airport Protection.

It shall be a condition of this Directive;

i) That the lessor reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property hereinafter described, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the airport.

ii) That the Lessee expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the hereinafter described real property to such a height so as to comply with Federal Aviation Regulations, Part 77.

iii) That the Lessee expressly agrees for itself, its successors and assigns, to prevent any use of the hereinafter described real property which would interfere with or adversely affect the operation or maintenance of the airport, or otherwise constitute an airport hazard.

iv) That at such time in the future as deemed necessary by the Lessor, Lessor may enter and construct airport improvements (runways, taxiways, extensions, associated lighting, etc.) upon the premises provided notice is given to the Lessee at least 180 days prior to the start of construction. Should such development become necessary, the Lesssor agrees to pay all costs associated with the protection or relocation of Lessee's facilities to accommodate said airport improvements.

16. Property Rights Reserved.

This Directive and all provisions hereof are subject and subordinate to the terms and conditions of the instruments and documents under which the Airport Owner acquired the subject property from the United States of America and shall be given only such effect as will not conflict or be inconsistent with the terms and conditions contained in the lease of said lands from the Airport Owner, and any existing or subsequent amendments thereto, and are subject to any ordinances, rules or regulations which have been, or may hereafter be adopted by the Airport Owner pertaining to the Marathon Airport.

17. Paragraph Headings.

Paragraph headings herein are intended only to assist in reading identification and are not in limitation or enlargement of the content of any paragraph.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 21st day of February 2024.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Holly Merrill Raschein, District 5
Mayor Pro Tem James K. Scholl, District 3
Craig Cates, District 1
Michelle Lincoln, District 2
David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: I10
2023-2171

BULK ITEM: Yes

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING:

Approval of a Lease Agreement with Greyhound Lines, Inc. for 492 square feet of office and support space located in the airport support services building located at the Key West International Airport for use in transporting passengers and other property.

ITEM BACKGROUND:

Greyhound has been operating at the airport since 1998. The new lease is for one year, with one (1) one-year renewal, for office and support space located in the airport support services building (formerly occupied by the DMV and Tax Collector's Office). Payment of rent is based on an access fee of $45.00 per use, defined as one arrival and one departure, collectively a round trip bus operation, plus reimbursement of utilities.

PREVIOUS RELEVANT BOCC ACTION:
Original lease approved in 1998, five year renewal approved in 2003, five year extension approved in 2008 and a one year extension approved in 2013. On June 11, 2014, the BOCC approved a month to month holdover lease pending renovation of the Customs & Border Protection Office Building where Greyhound was formerly located. Because their former space was needed by Customs and Airport Badging, Greyhound was relocated to the airport support services building, which also provides better ingress and egress for pickup and drop off of their passengers and other property.

INSURANCE REQUIRED:
Yes

CONTRACT/AGREEMENT CHANGES:

Effective December 1, 2023, Greyhound will owe an access fee of $45.00 per use, plus an annual fee of $3,000.00 for utilities, paid on a monthly basis.

STAFF RECOMMENDATION: Approval.

DOCUMENTATION:

EYW - Greyhound Lease.pdf

FINANCIAL IMPACT:
Revenue producing: approximately $32,850.00 per year for access fees plus $3,000.00/yr. for reimbursement of utilities.

LEASE AGREEMENT
MONROE COUNTY
GREYHOUND LINES, INC

THIS LEASE AGREEMENT is made and entered into on this **21st** day of **February 2024** by and between **MONROE COUNTY**, a political subdivision of the State of Florida, hereinafter referred to as "COUNTY" and **GREYHOUND LINES, INC.**, a Delaware corporation, hereinafter referred to as "GREYHOUND."

WHEREAS, COUNTY owns an airport known as the Key West International Airport, located in Key West, Monroe County, Florida, hereinafter referred to as "AIRPORT," and

WHEREAS, GREYHOUND is engaged in the business of ground transportation of passengers and other property, and

WHEREAS, GREYHOUND desires to obtain certain rights, services and privileges in connection with the use of the Airport facilities, and the COUNTY is willing to grant and lease the same to GREYHOUND on a non-exclusive basis, upon the terms and conditions hereinafter stated, now, therefore,

IN CONSIDERATION of the premises and of the mutual covenants and agreements herein contained, and other valuable considerations, COUNTY does hereby grant and lease unto GREYHOUND, and GREYHOUND does hereby lease from COUNTY, certain premises, facilities, rights, and privileges in connection with and on the Airport, as follows, to wit:

1. Premises. COUNTY does hereby lease to GREYHOUND, and GREYHOUND leases from the COUNTY, the office and support space, as indicated on the drawing labeled as Exhibit "A" attached hereto and made a part hereof, presently located at the Airport, containing approximately four hundred and ninety-two (492) sq. ft. of gross building area. GREYHOUND shall receive "Preferential Use" of paved area adjacent to the building as labeled on Exhibit A for Greyhound ground transportation operations to include the loading and unloading of ticketed passengers. Preferential Use shall mean that at those times that GREYHOUND is not utilizing the identified pickup and drop-off parking for Greyhound passenger busses, the COUNTY may authorize others to use and assign other ground transportation providers the right to operate in the Preferential Use Area, but in no event shall said use by others take precedence over GREYHOUND's use. GREYHOUND shall have the right to locate one bus within the Preferential Use Area for the purpose of loading and unloading passengers. GREYHOUND shall not park busses in such a manner as would prohibit access, ingress and egress by other commercial or private vehicle traffic. Ground Transportation operations and parking are subject to relocation during the term of this agreement at the sole reasonable discretion of the Director of Airport.

2. Use of the Airport. GREYHOUND shall be entitled to use, in common with others authorized to do so, the airport facilities and appurtenances, together with all equipment, improvements, and services which have been or may hereafter be provided at or in connection with the Airport for common use, in the operation of a business for the transportation of passengers and other property by ground, at the designated ground transportation facility identified within this agreement. GREYHOUND

is responsible for repairing damage caused by GREYHOUND to the COUNTY-owned facilities and space identified in Exhibit A, normal wear and tear excepted.

3. Right to Develop the Airport. Pursuant to 49 USC Title 49 and at any time during the term of this agreement, if the premises leased hereunder are required for Airport development or any other purpose as determined by the COUNTY, the Airport, at the Airport Operator's sole discretion, retains all rights necessary for the safe development of the Airport in any manner required which rights take precedence over any agreement hereto should the leasehold premises be needed by the Airport.

4. Term. The term of this lease shall be twelve (12) months, commencing December 1, 2023, and ending on November 30, 2024. At the Lessee's option, the agreement may be renewed for an additional twelve (12) months, commencing December 1, 2024, and ending on November 30, 2025.

5. Access Fee. For each year during the term of this lease, GREYHOUND shall pay to the COUNTY, an access fee for the rights, privileges, and leases of space, described within this agreement. The access fee shall be assessed on a per use basis. The fee shall be forty-five dollars ($45.00) per use. Per use shall be defined as one arrival and departure collectively as a round trip bus operation.

The access fee shall be paid monthly, due on the fifteenth (15^{th}) of each month for the prior month's operations. Greyhound shall also submit a Usage Report on the first business day of each month for the prior month's bus operations, which includes a breakdown of operations for each day and a total for the month of the report. Additionally, Greyhound shall provide the Airport with a schedule of bus operations immediately upon the routes and seats being published and posted for sale.

Upon the failure of GREYHOUND to pay any fees when due, the COUNTY will be entitled to charge and collect, and GREYHOUND will be obligated to pay, a late fee of two percent (2%) of any such amount, if paid within thirty (30) days of the date due, and five percent (5%) of any such amount, not paid within thirty (30) days of the date due. Such late fees will be in addition to the amount of rent due. The acceptance by the COUNTY of the overdue rental installment plus applicable late fees shall cure what would otherwise constitute a default by GREYHOUND under the terms of this lease. The COUNTY, at its option, however, may refuse a proffered overdue rental installment and late fees, declare a default, and proceed according to paragraph 36 of this lease. In the event that any check, draft, or negotiable instrument by which GREYHOUND has tendered any rent payment is returned to the COUNTY and not honored, whether for insufficient funds or other reason, the COUNTY will be entitled to charge and collect, in addition to any applicable late payment fees as provided above, a fee of Twenty-five Dollars ($25.00) for such dishonored instrument. Such penalty fee shall also be in addition to the amount of rent due. The acceptance by the COUNTY of the rental payment plus any applicable late fee and penalties following the receipt of a dishonored instrument shall cure what would otherwise constitute a default under the terms of this lease. The COUNTY, at its option, however, may refuse any proffered rental installment and applicable late fees and penalties, declare a default, and proceed according to paragraph 36 of this lease.

6. Leasehold Improvements and Use. GREYHOUND shall have the right to occupy and use the premises as indicated on the drawing labeled as Exhibit "A" attached hereto and made a part hereof.

GREYHOUND has the right during the term hereof, at its own expense, at any time from time to time, to install, maintain, operate, repair and replace any and all trade fixtures and other Airport personal property useful from time to time in connection with its operation on the Airport, all of which

shall be and remain the property of GREYHOUND and may be removed by GREYHOUND prior to or within a reasonable time after expiration of the term of this agreement; provided, however, that GREYHOUND shall repair any damage to the premises caused by such removal. The failure to remove trade fixtures or other personal property shall not constitute GREYHOUND a hold over, but all such property not removed within ten (10) days after GREYHOUND receives a written demand for such removal shall be deemed abandoned and thereupon shall become the sole property of the Airport.

GREYHOUND shall cause to be removed any and all liens of any nature arising out of or because of any construction performed by GREYHOUND or any of its contractors or subcontractors on the leased premises or because of the performance of any work or labor upon or the furnishing of any materials for use at said premises, by or at the direction of GREYHOUND.

GREYHOUND may only utilize the leased building to provide counter and lobby space for members of the public desirous of using GREYHOUND's ground transportation services and for the operation of a business engaged in the ground transportation of passengers and other property. While premises are leased to GREYHOUND for bus operations, GREYHOUND shall not park or place automotive vehicles in any space on the premises unless it has been designated by the COUNTY for parking.

7. **Common Areas**. GREYHOUND shall have the right to use, in common with others, the Airport space and facilities to permit ground transportation operations, loading, and unloading of GREYHOUND's busses, subject to reasonable rules and regulations of COUNTY as to the use of such common spaces and facilities.

8. **Right of Ingress and Egress.** GREYHOUND, its agents, employees, customers, suppliers, and patrons shall have the right of ingress and egress to and from the leased premises, which shall not be unreasonably restricted by the COUNTY.

9. **Utilities.** GREYHOUND shall be responsible for the payment of electrical service, water service, and trash collection service provided by the COUNTY. In addition to the access fee and other charges, GREYHOUND shall pay a fee of Three Thousand Dollars ($3,000.00) per annum, paid monthly with the access fee for these services.

10. **Assignment.** The premises leased hereunder along with the improvements thereon may not be sublet and this lease may not be assigned without the written consent of the COUNTY.

11. **Maintenance of Premises.** COUNTY shall be responsible for and shall properly maintain the building structure, roof, plumbing, electrical, HVAC, roof membrane and slab, the parking lots, fencing and asphalt and concrete pads. GREYHOUND shall be responsible for and shall properly maintain the interior of the leased premises, and furnishings including exterior glass and all doors and upon the termination of this lease, shall leave the premises in at least as good condition as at the time of the commencement of this lease, normal use and occupancy excepted. In the event Greyhound performs any remodeling or construction on the property, GREYHOUND is responsible for properly securing any portion of the premises being remodeled or under construction.

12. **Inspection and Maintenance of Premises by County.** The County and its authorized officers, employees, agents, contractors, subcontractors and other representatives shall have the right to enter upon the leased premises for the following purposes:

a) to inspect the leased premises at reasonable intervals during regular business hours (or at any time in case of emergency) to determine whether GREYHOUND has complied and is complying with the terms and conditions of this agreement with respect thereto;

b) to perform essential maintenance, repair, relocation, or removal of existing underground and overhead wires, pipes, drains, cables and conduits now located on or across the leased premises, and to construct, maintain, repair, relocate, and remove such facilities in the future as necessary to carry out the Master Plan of development of the Airport; provided, however, that said work shall in no event unduly interfere with the operations of GREYHOUND and, provided further, that the entire cost of such work, including but not limited to the cost of rebuilding, removing, relocating, protecting or otherwise modifying any fixed improvements at any time erected or installed in or upon the leased premises by GREYHOUND, the COUNTY or third parties, as a result of the exercise by the COUNTY of its rights hereunder, and all damage to such fixed improvements caused thereby, shall be borne by the COUNTY.

13. <u>Insurance Requirements</u>

a) GREYHOUND will obtain or possess the following insurance coverages and will provide Certificates of Insurance to COUNTY to verify such coverage;

<u>Commercial General Liability</u>. GREYHOUND shall provide coverage for all premises and operations including Contractual, Products, and Completed Operations, and Personal/Advertising Injury. The limits shall not be less than;

$5,000,000 Combined Single Limits (CSL) or its equivalent
If split limits are provided, the minimum limits acceptable shall be;
$5,000,000.00 per occurrence,
$500,000 per person,
$100,000 Property Damage
The General Aggregate limit shall either apply separately to this agreement or shall be at least twice the required occurrence limits.

<u>Business Automobile Liability</u>. GREYHOUND shall provide coverage for all owned, non-owned and hired vehicles with limits of not less than;

$5,000,000 CSL or its equivalent
If split limits are provided, the minimum limits acceptable shall be;
$5,000,000 per occurrence
$500,000 per person
$100,000 Property Damage

<u>Worker's Compensation</u>. GREYHOUND shall provide coverage with limits sufficient to respond to the applicable state statutes.

<u>Employer's Liability</u>. GREYHOUND shall provide Employer's Liability insurance with limits of not less than;

$1,000,000 Bodily Injury by Accident,
$1,000,000 Bodily Injury by Disease, policy limits and
$1,000,000 Bodily Injury by Disease, each employee.

<u>Property Insurance</u>. GREYHOUND shall provide coverage for all premises governed by this agreement with limits no less than the Replacement Cost Value of the leased

premises and as a minimum shall include coverages consistent with the latest version of the Special Form as filed by the Insurance Services Office (ISO) and shall include as a minimum coverage for claims arising out of Fire, Sprinkler Leakage, Windstorm, Civil Commotion, Lightning, Sinkhole Collapse, Smoke, Aircraft and Vehicle Damage, Vandalism, Falling Objects, Explosion and Flood.

b) The Monroe County Board of County Commissioners will be included as "Additional Insured" on all policies, except for Worker's Compensation.

In addition, the Monroe County Board of County Commissioners shall be named as loss payee on any property insurance placed on the leased facilities.

c) All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the COUNTY by the insurer.

d) The acceptance and/or approval of GREYHOUND'S insurance shall not be construed as relieving GREYHOUND from any liability or obligation assumed under this lease or imposed by law.

e) GREYHOUND shall maintain the required insurance throughout the entire term of this lease and any extensions which may be entered into. The COUNTY, at its sole option, has the right to request a certified copy of any and all insurance policies required by this lease. Failure to comply with this provision shall be considered a default and the COUNTY may terminate the lease in accordance with paragraph 36.

Any deviations from these General Insurance Requirements must be requested in writing on the COUNTY prepared form entitled, "Request for Waiver of Insurance Requirements" and be approved by Monroe County Risk Management.

14. Books, Records and Documents. GREYHOUND shall maintain all books, records, and documents directly pertinent to performance under this agreement in accordance with generally accepted accounting principles consistently applied. Each party to this agreement or their authorized representatives shall have reasonable and timely access to such records of each other party for public records purposes during the term of the agreement and for five (5) years following the termination of this agreement. The COUNTY, acting through its Finance Director or other authorized representative, shall have the right to inspect and audit GREYHOUND's books of accounts and other records directly generated at the Key West International Airport facility or otherwise pertaining to this agreement. Knowingly furnishing the COUNTY a false statement of its Usage Reports under the provision hereof will constitute a default by GREYHOUND of this agreement and the COUNTY may, at its option, declare this lease terminated. GREYHOUND retains the right to have its controller, or a representative assigned by its controller to be present during any inspection or audit by the COUNTY. Twenty (20) business days' notice must be given of intent to audit by the COUNTY to allow GREYHOUND's controller sufficient time to schedule said presence. Nothing contained within this section waives attorney/client or attorney work product privilege.

15. Governing Law, Venue, Interpretation. This agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this agreement, the COUNTY and GREYHOUND

agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida.

The COUNY and GREYHOUND agree that, in the event of conflicting interpretations of the terms or a term of this agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

16. **Severability**. If any term, covenant, condition or provision of this agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this agreement would prevent the accomplishment of the original intent of this agreement. The COUNTY and GREYHOUND agree to reform the agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

17. **Attorney's Fees and Costs.** The COUNTY and GREYHOUND agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative and out-of-pocket expenses, as an award against the non-prevailing party, and shall include attorney's fees, court costs, investigative, and out-of-pocket expenses in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the Circuit Court of Monroe County.

18. **Binding Effect.** The terms, covenants, conditions, and provisions of this agreement shall bind and inure to the benefit of the COUNTY and GREYHOUND and their respective legal representatives, successors, and assigns.

19. **Authority.** Each party represents and warrants to the other that the execution, delivery and performance of this agreement have been duly authorized by all necessary COUNTY and corporate action, as required by law.

20. **Claims for Federal or State Aid**. GREYHOUND and COUNTY agree that each shall be, and is, empowered to apply for, seek, and obtain Federal and State funds to further the purpose of this agreement; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

21. **Adjudication of Disputes or Disagreements.** COUNTY and GREYHOUND agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If no resolution can be agreed upon within thirty (30) days after the first meet and confer session, the issue or issues shall be discussed at a public meeting of the Board of County Commissioners. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this agreement by Florida law.

22. **Cooperation.** In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this agreement, COUNTY

and GREYHOUND agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this agreement or provision of the services under this agreement. COUNTY and GREYHOUND specifically agree that no party to this agreement shall be required to enter into any arbitration proceedings related to this agreement. A party who requests the other's party's participation in accordance with the terms of this section shall pay all reasonable expenses incurred by the other party by reason of such participation.

23. Nondiscrimination. CONTRACTOR and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. CONTRACTOR and COUNTY agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101- 6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s.3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code, Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties hereto, or the subject matter of, this Agreement.

24. Covenant of No Interest. The COUNTY and GREYHOUND covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this agreement, and the only interest of each is to perform and receive benefits as recited in this agreement.

25. Code of Ethics. The COUNTY agrees that officers and employees of the COUNTY recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

26. Public Access. The COUNTY and GREYHOUND shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the COUNTY and GREYHOUND in conjunction with this agreement; and the COUNTY shall have the right to unilaterally cancel this agreement upon violation of this provision by GREYHOUND. Nothing in this section waives attorney/client or attorney work product privilege.

27. Non-Waiver of Immunity. Notwithstanding the provisions of Sec. 786.28, Florida Statues, the participation of the COUNTY and the GREYHOUND in this agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the COUNTY be required to contain any provision for waiver.

28. Privileges and Immunities. All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the COUNTY, when performing their respective functions under this agreement within the territorial limits of the COUNTY shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the COUNTY.

29. Legal Obligations and Responsibilities. Non-Delegation of Constitutional or Statutory Duties. This agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida Constitution, State Statute, and case law.

30. Non-Reliance by Non-Parties. No person or entity shall be entitled to rely upon the terms, or any of them, of this agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the COUNTY and GREYHOUND agree that neither the COUNTY nor GREYHOUND or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this agreement.

31. Attestations. GREYHOUND agrees to execute such documents as the COUNTY may reasonably require, to include a Public Entity Crime Statement, an Ethics Statement, and a Vendor Certification Regarding Scrutinized Businesses.

32. No Personal Liability. No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this agreement or be subject to any personal liability or accountability by reason of the execution of this agreement.

33. Execution in Counterparts. This agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this agreement by signing any such counterpart.

34. **Section Heading**. Section headings have been inserted in this agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this agreement and will not be used in the interpretation of any provision of this agreement.

35. **CANCELLATION OF LEASE.** The COUNTY may declare a default and cancel this lease agreement by giving GREYHOUND sixty (60) days advanced written notice upon the happening of any one of the following events:

(a) GREYHOUND fails to pay rent when due;

(b) GREYHOUND fails to obtain insurance required under this lease or allows the required insurance to lapse or fall below the minimum required;

(c) GREYHOUND otherwise breaches of the terms of this lease;

(d) cancellation is required to accommodate future Airport growth;

(e) cancellation is required due to F.A.A. requirements;

(f) the appointment of a receiver of GREYHOUND's assets;

(g) the divesting of GREYHOUND's leasehold estate by other operation of law;

(h) the abandonment by GREYHOUND of its passenger ground transportation business at the Airport for a period of sixty (60) days.

Unless the COUNTY has accepted in writing a delay in performance of duties, the failure to perform said duties shall constitute a default/breach under the terms of this agreement. In the case of the default/breach occurrences described in subparagraphs 36(a), (b), or (c), the Director of Airports shall first give the GREYHOUND a written notification stating the default/breach. GREYHOUND shall be notified that it has 10 days to correct the default/breach. If the nature of the default/breach is such that it cannot be cured in 10 days, GREYHOUND shall inform the COUNTY in writing of the reason why the default/breach cannot be cured in 10 days and shall provide a written plan showing how the default/breach will be cured in a timely manner. If GREYHOUND has not corrected the default/breach at the end of the 10 days or if GREYHOUND has provided a cure plan, which GREYHOUND has failed to timely and diligently execute, then the COUNTY may cancel the lease in its discretion. In the case of cancellation occurring as described in subparagraphs 36(d), (e), (f), (g) or (h), COUNTY shall provide LESSEE 90 days' notice. In the event of cancellation occurring as described in subparagraphs 36(d), (e), (f), (g), and (h), the COUNTY, at COUNTY expense, shall relocate the LESSEE's operation to an alternate site in accordance with the Key West International Airport ALP. If an alternate site at the airport is not available, the COUNTY will purchase the LESSEE's lease hold at fair market appraisal value.

By the end of the required notice period, GREYHOUND shall have vacated the premises and the COUNTY may immediately re-enter and take possession of the same. If it is necessary to employ the services of an attorney in order to enforce the COUNTY's rights under this paragraph, the COUNTY shall be entitled to reasonable attorney's fees.

36. **FAA REQUIREMENTS.** The parties shall comply with FAA Required Lease Clauses, which are listed in Exhibit B, attached hereto and made a part hereof.

37. **Hold Harmless; Indemnification; Defense; Release; Survival.** Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, GREYHOUND shall defend, indemnify and hold the COUNTY and the COUNTY's elected and appointed officers and employees harmless from and against (i) any claims, actions or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses (including, without limitation, costs of remediation and costs of additional security measures that the Federal Aviation Administration, the Transportation Security Administration or any other governmental agency requires

by reason of, or in connection with a violation of any federal law or regulation, attorney's fees and costs, court costs, fines and penalties) that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of GREYHOUND or any of its employees, agents, contractors or other invitees on the Airport during the term of this lease, (B) the negligence or willful misconduct of GREYHOUND or any of its employees, agents, contractors or other invitees, or (C) GREYHOUND's default in respect of any of the obligations that it undertakes under the terms of this lease, except to the extent the claims, actions, causes of action, litigation, proceedings, costs or expenses arise from the intentional or sole negligent acts or omissions of the COUNTY or any of its employees, agents, contractors or invitees (other than GREYHOUND). Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this lease, this Section will survive the expiration of the term of this lease or any earlier termination of this lease.

38. Rules and Regulations

A. COMPLIANCE. GREYHOUND shall comply with the all standards for commercial ground transportation providers at Monroe County Airports and all ordinances of the COUNTY, including any reasonable rules and regulations with respect to use of Airport property, as the same may be amended from time to time, all additional laws, statutes, ordinances, regulations and rules of the federal, state and county governments, and any and all plans and programs developed in compliance therewith, which may be applicable to its operations, including specifically, without limiting the generality thereof, federal air and safety laws and regulations and federal, state, and county environmental, hazardous waste and materials and natural resources laws, regulations and permits. The Agreement is subordinate to the County's obligations under federal aviation law and contractual commitments to the federal government. Upon a formal written declaration by the Federal Aviation Administration ("FAA") that a term or provision of the Agreement is inconsistent with federal aviation law or a contractual commitment to the FAA, the impermissible term shall be severed, without affecting the remainder of the Agreement. The parties may agree to amend the Agreement as provided herein as necessary to comply with the FAA's formal written declaration.

B. VIOLATIONS. GREYHOUND agrees to pay on behalf of the COUNTY any penalty, assessment, or fine, issued against the COUNTY, or to defend in the name of the COUNTY any claim, assessment, or civil action, which may be presented or initiated by any agency or office of the federal, state, or county governments, based in whole or substantial part upon a claim or allegation that GREYHOUND, its agents, employees or invitees have violated any law, ordinance, regulation, rule or directives described in 41(A) above.

39. Rights Reserved. Rights not specifically granted to GREYHOUND by this Agreement are reserved to the COUNTY.

40. Mutual Review. This agreement has been carefully reviewed by GREYHOUND and the COUNTY; therefore, this agreement is not to be construed against either party on the basis of authorship.

THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK.

IN WITNESS WHEREOF, the parties have caused this lease to be executed this **21st** day of **February, 2024.**

FAA REQUIRED LEASE CLAUSES

1. This lease shall be subject to review and re-evaluation at the end of each 1-year period, by the airport owner and the rent may be adjusted according to their action, not to exceed the Consumer Price Index rate during the last 12-month period, or;

Land less improvements will be appraised every *5* years and the adjusted rental will be based on normally 10-12 percent of the appraised value. If disputed, lessor obtains appraisal at his expense and lessor/lessee equally share expense for review appraisal that establishes fair market value.

2. The tenant for himself, his personal representatives, successors in interest and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over or under such land and the furnishing or services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, (3) that the tenant shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

That in the event of breach of any of the above nondiscrimination covenants, Airport Owner shall have the right to terminate the lease and to re-enter and as if said lease had never been made or issued. The provision shall not be effective until the procedures of Title 49, Code of Federal Regulations, Part 21 are followed and completed including exercise or expiration of appeal rights.

3. It shall be a condition of this lease, that the lessor reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property hereinafter described, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation of or flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the airport.

That the Tenant expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the hereinafter described real property to such a height so as to comply with Federal Aviation Regulations, Part 77.

That the Lessee expressly agrees for itself, its successors and assigns, to prevent any use of the hereinafter described real property which would interfere with or adversely affect the operation or maintenance of the airport, or otherwise constitute an airport hazard.

4. This lease and all provisions hereof are subject to any ordinances rules or regulation which have been or may hereafter be adopted by the Airport Owner pertaining to the Key West International Airport.

5. Notwithstanding anything herein contained that may be, or appear to be, to the contrary, it is expressly understood and agreed that the rights granted under this agreement are nonexclusive and the Lessor herein reserves the right to grant similar privileges to another Lessee or other Lessees on parts of the airport.

David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: J1
2023-2046

BULK ITEM: Yes **DEPARTMENT:** Planning & Environmental Resources

TIME APPROXIMATE: **STAFF CONTACT:** Emily Schemper

AGENDA ITEM WORDING:

Approval of Work Order No. 03 to Complete Additional Data Collection Runs for the 2023 U.S. 1 Arterial Travel Time and Delay Study ("ATTDS") in Segments 13-24, in the Amount of $57,704.85 Pursuant to the AECOM Transportation Planning Continuing Services Contract, Which Is Funded Through a Joint Participation Agreement ("JPA") from the Florida Department of Transportation ("FDOT"), of Which Monroe Countys Portion of the Cost for This Work Order is $7,213.10.

ITEM BACKGROUND:

The U.S. 1 Arterial Travel Time and Delay Study (“ATTDS”) is performed biennially to monitor the Level of Service (“LOS”) on U.S. Highway 1 ("U.S. 1"). The study is conducted for concurrency purposes, pursuant to Monroe County Comprehensive Plan Policy 301.1.2 and Monroe County Land Development Code Sections 114-2 and 114-200. Monroe County’s adopted overall and segment LOS on U.S. 1 is LOS “C,” represented by a median speed of 45 miles-per-hour ("mph").

On November 8, 2023, the Monroe County BOCC considered the Draft 2023 Arterial Travel Time & Delay Study. The Draft 2023 ATTDS reported an overall LOS D on U.S. 1 with a median speed of 44.7 mph, but indicated that all segments within unincorporated Monroe County currently operate at a LOS C or better. The report noted that Traffic Signal Delays and Construction Delays were significantly longer in 2023 than in 2021, and the Monroe County BOCC's traffic engineering consultant, AECOM, suggested re-collection of data in 2024 on at least some segments, where construction delays were excessive, and/or the Keys COAST project and signal retiming is underway and may improve traffic flow.

At discussion-and-direction Item M2 on the published agenda of the BOCC's regular 8 November 2023 public meeting ("*Discussion and direction on the 2023 U.S. 1 Arterial Travel Time and Delay Study and the Preparation of the Biennial Assessment of Public Facilities Capacity Report*"), the BOCC voted to approve this recommendation for re-collection of data in 2024. AECOM has provided the attached

scope of work for re-collection of data in Segments 13-24. The Florida Department of Transportation ("FDOT") has a traffic signal retiming project planned for February 2024 in these segments. The additional runs will be performed in March 2024, following the FDOT traffic signal retiming project. Once data is updated, the 2023 ATTDS will be updated and presented to the BOCC for review and approval.

The cost of the work order, $57,704.85, is funded at 87.5% ($50,491.75) by FDOT through a Joint Participation Agreement ("JPA"). The County's share for this work order is $7,213.10.

PREVIOUS RELEVANT BOCC ACTION:

August 1991 – Adoption of the U.S. 1 Level of Service ("LOS") C as measured by the U.S. 1 Level of Service Methodology established by the U.S. 1 LOS Task Force

December 1997 – Approval of amendment to the U.S. 1 LOS Methodology based on recommendations of the U.S.1 LOS Task Force

October 2011 – Approval of Work Order No. 1 to complete the 2011 ATTDS

August 2011 – BOCC approval of the 2011 U.S. 1 ATTDS

February 2012 – Approval of Work Order No. 3 to complete the 2012 ATTDS

December 2012 – BOCC approval of the 2012 U.S. 1 ATTDS

February 2013 – Approval of Work Order No. 5 to complete the 2013 ATTDS

September 17, 2013 - BOCC approval of the 2013 U.S. 1 ATTDS

January 2015 – Approval of first option to renew Continuing Services Contract through March 15, 2016.

February 18, 2015 – BOCC approval of Work Order No. 12 to complete the 2015 ATTDS

October 21, 2015 – BOCC approval of the 2015 U.S. 1 ATTDS

January 2016 – Approval of second option to renew Continuing Services Contract through March 15, 2017.

November 22, 2016 – BOCC approval of Work Order No. 19 to complete the 2017 ATTDS.

February 21, 2018 – BOCC approval of the 2017 U.S. 1 ATTDS

January 23, 2019 – Approval of Work Order No. 7 to complete the 2019 U.S. 1 ATTDS.

July 15, 2020 – BOCC considered the Draft 2019 Arterial Travel Time & Delay Study and directed staff to re-engage the U.S. 1 LOS Task Force to evaluate the LOS methodology and consider updates to it based on the considerations identified in the Draft 2019 ATTDS. The final 2019 ATTDS was not approved by the BOCC

October 21, 2020 – BOCC approved Resolution No. 355-2020 reconvening the U.S. 1 LOS Task Force and tasking the U.S. 1 LOS Task Force with evaluating the LOS Methodology and potential updates to it based on the Considerations identified in the draft 2019 ATTDS.

February 17, 2021 – BOCC approved Resolution No. 064-2021 adopting the recommendations of the U.S. 1 LOS Task Force and the 2021 Updated methodology document, A Methodology To Assess Level-Of-Service-On-U.S.-1-In-The-Florida-Keys, for County use

February 17, 2021 – Approval of Work Order No. 13 to complete the 2021 U.S. 1 ATTDS

August 18, 2021 – BOCC approval of the 2021 U.S. 1 ATTDS

February 21, 2023 – Approval of Work Order No. 18 to complete the 2023 U.S. 1 ATTDS

November 8, 2023 - BOCC considered the Draft 2023 Arterial Travel Time & Delay Study and approved re-collection of data for some segments in 2024 due to excessive traffic signal and construction delays.

SCOPE OF SERVICES FOR WORK ORDER NO. 3
US-1 Arterial Travel Time and Delay Study 2024
Monroe County, Florida

A. INTRODUCTION

The Monroe County Planning Department requested that a Travel Time and Delay Study be conducted in certain segments that experienced delays due to roadway construction and/or traffic signals during the 2023 Travel Time and Delay Study. Some segments with signals will also be included as part of this study due to the upcoming FDOT signal retiming effort that is expected to start in February/March of 2024. Based on these considerations, the travel time runs will be conducted from Marathon (segment 13) to County Line Sign (segment 24).

B. SCOPE OF SERVICES

Tasks 1 – 4: Travel Time and Delay Studies

Using the floating car method, the Consultant will record travel time, speed, and delay data for the segments from 13 to 24. Data will be recorded by date, day of week, time of day and direction.

The study will be conducted over 14 days within the four-week period in March 2024. The study will consist of 14 round-trip runs, sampling each day of the week twice.

The study will employ the staggered schedule of departure times previously approved by the US 1 Level of Service Task Force Team, so as to record peak hour conditions in as many different locations as possible.

Task 5: Study Report

The study results will be summarized in a report, including a series of tables and graphs. The travel time and speed data will be used to determine LOS and reserve capacity.

In addition, a statistical analysis of the mean, median, standard deviation, and range of speed recorded for each individual segment and for the overall US-1 corridor will be provided. Excess roadway capacities and deficiencies in capacity will be determined and reported in accordance with the latest US 1 Level of Service Task Team Methodology.

Deliverables

The Consultant shall prepare the draft report for submittal to the County Planning Department for review. Upon receipt of the review comments from the County Planning Department, the Consultant will prepare the final report and submit it to the County Planning Department in Adobe Acrobat (PDF) format.

C. Project Management

Purpose
The purpose of this task to perform all project management related activities that are required as part of this study.

Activities
Project Management will include the overall management of this study, including project staffing, scheduling work activities, coordinating with Monroe County PM, attendance at project meetings, and QA/QC reviews of project deliverables.

Project Schedule
Project schedule will be developed and submitted to the County Project Manager for review and approval. The monthly progress reports will include updates to the original project schedule.

Progress Reports
Project progress reports will be prepared and submitted to the county on a monthly basis. The progress report will discuss work accomplished during the preceding month, work projected for the following month, and potential project issues and associated impacts to the project schedule or budget.

Deliverables
Monthly Progress Reports and Invoices

D. Compensation for Services

The Consultant shall be paid a **lump-sum amount of $57,704.85**, invoiced monthly as percent complete, consistent with progress reports. The staff-hour estimates and the corresponding costs are based on the Professional Services Agreement between Monroe County and AECOM executed on April 25, 2023.

E. Schedule

The fieldwork shall be completed by March 30, 2024. The draft report shall be submitted to the County Planning Department by June 28, 2024. The Final Report shall be submitted within 14 days of receiving review comments from the County Planning Department.

Acceptance and approval of this Work Order by both parties by signatories below constitute authorization for the Consultant to proceed.

AGENDA ITEM WORDING: Approval to appoint Mr. William R. Campbell, Professional Engineer license 79269, to the Construction Board of Adjustment and Appeals (CBAA) as a registered professional engineer for one three-year term beginning January 2024 and ending January 2027.

ITEM BACKGROUND:
The Contractors Examining Board (CEB) voted unanimously on January 16, 2024 to recommend the appointment of Mr. William R. Campbell, Florida Professional Engineer license 79269, to the Contractors Board of Adjustment and Appeals (CBAA) as its registered professional engineer member. This fills the position that was previously held by Mr. Daryle Osborne.

The CBAA is required to have one registered professional engineer as a member, pursuant to Monroe County Code Section 6-56(b). The engineer member must be appointed by the Board of County Commissioners.

AGENDA ITEM WORDING: Approval to appoint Mr. Thomas G. Walker, Professional Engineer license 31462, to the Construction Board of Adjustment and Appeals (CBAA) as an alternate registered professional engineer member for one three-year term beginning January 2024 and ending January 2027.

ITEM BACKGROUND:
The Contractors Examining Board (CEB) voted unanimously on January 16, 2024 to recommend the appointment of Mr. Thomas G. Walker, Florida Professional Engineer license 31462, to the Contractors Board of Adjustment and Appeals (CBAA) as an alternative registered professional engineer member. Mr. Walker would serve in a back-up capacity to the engineer member, acting as the engineer member if the primary engineer member is unable to attend a meeting of the CBAA.

The CBAA is required to have one registered professional engineer as a member, pursuant to Monroe County Code Section 6-56(b). The engineer member must be appointed by the Board of County Commissioners. The CEB is recommending an alternate member for this position in order to facilitate CBAA meetings when the primary engineer member is not available.

AGENDA ITEM WORDING: Approval of a Resolution Setting the Time, Date, and Place for a Public Hearing to Consider Approval of a Resolution Renouncing and Disclaiming Portions of the Right-of-Way of Magnolia Street, Hibiscus Street, Oleander Street, Poinsetta Avenue, Bougainvilla Avenue and an Unnamed Right-of-Way, as shown on the Key Largo plat of Ocean Acres, Plat Book 1, Page 188, Official Records of Monroe County, Florida.

ITEM BACKGROUND:

Monroe County seeks to abandon portions of the right-of-way of Magnolia Street, Hibiscus Street, Oleander Street, Poinsetta Avenue, Bougainvilla Avenue and an unnamed right-of-way, Key Largo, Monroe County, Florida, as shown on the plat of Ocean Acres, Plat Book 1, Page 188, of the Official Records of Monroe County, Florida.

The areas proposed for abandonment have never been lawfully developed, contain Tier I native upland vegetation/habitat, and only access publicly-owned undeveloped Tier I conservation lands owned by Monroe County and State of Florida. Abandonment will aid in the conservation of native upland vegetation/habitat by creating (restoring) contiguous vegetation/habitat that was previously illegally developed (illegally landcleared) with no development permits or approvals.

All right-of-way abandonments shall comply with the Codes and standard engineering requirements for road, turn-around and fire-rescue access. If required for safety purposes, as determined by either Fire Marshal or the County Engineer, a dedicated turn-around area shall be shown on the submitted survey and shall be agreed to in writing and constructed with payment by the property owner(s) requesting abandonment.

RESOLUTION NO. -2024

A RESOLUTION SETTING THE DATE, TIME, AND PLACE FOR A PUBLIC HEARING REGARDING PROPOSED ABANDONMENT OF PORTIONS OF THE RIGHT-OF-WAY OF MAGNOLIA STREET, HIBISCUS STREET, OLEANDER STREET, POINSETTA AVENUE, BOUGAINVILLA AVENUE, AND AN UNNAMED RIGHT-OF-WAY, BOUNDED ON THE NORTH, SOUTH, EAST, AND WEST BY UNDEVELOPED TIER I LANDS OWNED BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AND STATE OF FLORIDA, MORE PARTICULARLY DESCRIBED AS SQUARES 1 – 14 OF THE RECORDED PLAT OF OCEAN ACRES, PLAT BOOK 1, PAGE 188, OFFICIAL RECORDS OF MONROE COUNTY, FLORIDA, AS SHOWN ON THE RECORDED KEY LARGO PLAT OF OCEAN ACRES, PLAT BOOK 1, PAGE 188, OFFICIAL RECORDS OF MONROE COUNTY, FLORIDA.

WHEREAS, the Monroe County Board of County Commissioners ("Monroe County", "BOCC", or the "County") seeks to vacate and abandon portions of the right-of-way situated as more particularly described above and below; and

WHEREAS, under the Monroe County Codes and Florida Statutes Chapter 336, it is necessary to hold a public hearing for the Monroe County BOCC to publicly consider said abandonment after publishing due notice of said hearing therewith; and

WHEREAS, the Monroe County BOCC hereby desires to hold a public hearing to consider abandonment of the subject portions of right-of-way situated as more particularly described above and below;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. Recitals and Legislative Intent. The foregoing title and recitals are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The Board of County Commissioners of Monroe County, Florida, will hold a public hearing on **March 20, 2024, at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo, Monroe County, Florida**, to consider abandoning the

subject portions of right-of-way situated as more particularly described above and below as established by the recorded Key Largo plat of Ocean Acres, Plat Book 1, Page 188, Official Records of Monroe County, Florida, to wit:

Section 3. Construction and Interpretation. This Resolution and its interpretation shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adverse administrative proceedings, at trial, in bankruptcy, and on appeal, and all provisions of the Monroe County Comprehensive Plan, Monroe County Codes, Florida Statutes, floodplain management regulations, and Florida Building Code whose interpretation arises out of, relates to, or is interpreted in connection with this Resolution shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adversarial administrative proceedings, at trial, in bankruptcy, and on appeal.

Section 4. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any

sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 5. Severability. If any provision of this Resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this Resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

PASSED AND ADOPTED by the Monroe County Board of County Commissioners at a regular meeting held on the 21st day of February, 2024.

STAFF CONTACT: Emily Schemper

AGENDA ITEM WORDING: Approval of a Resolution Setting the Time, Date, and Place for a Public Hearing to Consider Approval of a Resolution, Requested by Island Construction Management Inc. as Agent for Magnolia 101 LLC, Renouncing and Disclaiming the Right of the Monroe County BOCC and Public to a Portion of Right-of-Way Located on a Portion of the Hibiscus Street Right-of-Way, Bounded on the West by a Portion of the Hibiscus Street Right-of-Way Already Abandoned in Favor of and To the Monroe County BOCC as Owner of Square 19 of the Recorded Ocean Acres Plat and State of Florida as Owner of Square 22 of the Recorded Ocean Acres Plat, Bounded on the South by Square 23 of the Recorded Ocean Acres Plat, Bounded on the East by Hibiscus Street Right-of-Way, and Bounded on the North by Square 20 of the Recorded Ocean Acres Plat, as Shown on the Key Largo Plat of Ocean Acres, Plat Book 1, Page 188, Official Records of Monroe County, Florida.

ITEM BACKGROUND:

The applicant, Magnolia 101 LLC, via Island Construction Management Inc. acting as an authorized agent, is seeking for the Monroe County BOCC to voluntarily abandon a portion of right-of-way located on a portion of the Hibiscus Street right-of-way situated within the Key Largo Ocean Acres plat, as recorded in Plat Book 1, Page 188, Official Records of Monroe County, Florida, which is bounded on the west by a portion of the Hibiscus Street right-of-way already abandoned (BOCC Reso. No. 151-2017, recorded in the Official Records of Monroe County on July 25, 2017, at Book 2866, Page 51, Document No. 2132587) in favor of and over to the Monroe County BOCC as record owner of Square 19 of the subject plat and State of Florida as record owner of Square 22 of the subject plat, bounded on the south by Square 23 of the subject plat, bounded on the east by Hibiscus Street right-of-way, and bounded on the north by Square 20 of the subject plat.

The Applicant Magnolia 101 LLC is bound by the attached recorded Settlement Agreement approved following extensive code compliance litigation against the Monroe County BOCC in which the BOCC prevailed, and the proposed portion of public right-of-way Magnolia 101 LLC seeks abandonment of is south of its existing permitted waste separation facility located at 215 Magnolia Street which constitutes, under the Monroe County Comprehensive Plan and Land Development Code, a permitted

light industrial use approved for a portion of Square 20 of the subject Ocean Acres plat.

The Applicant has stated "The Applicant seeks the abandonment for the following reasons: 'To expand the current "Atlantic Trash & Transfer" property and to incorporate the area within the same zoning and FLUM districts". In the interest of maximum clarity to the Applicant, a Board decision on whether to abandon this portion of public right-of-way would not constitute a form of development/permitting approval or approval of expansion of any existing permitted development. Abandonment of a portion of a public right-of-way does not sanction violating the limitations and requirements of the Monroe County Land Development Code and Comprehensive Plan.

All right-of-way abandonments shall comply with the Codes and standard engineering requirements for road, turn-around and fire-rescue access. If required for safety purposes, as determined by either Fire Marshal or the County Engineer, a dedicated turn-around area shall be shown on the submitted survey and shall be agreed to in writing and constructed with payment by the property owner(s) requesting abandonment.

Pursuant to Code of Ordinances Section 19-1, Monroe County professional staff recommends approval of a Resolution **setting a public hearing for March 20, 2024, at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo, Monroe County, Florida.**

SETTLEMENT AGREEMENT BETWEEN THE BOARD OF COUNTY COMMISISONERS OF MONROE COUNTY, FLORIDA, MAGNOLIA 101, LLC, AND BRIAN LINDBACK AS OFFICER OF MAGNOLIA 101, LLC, AND ATLANTIC TRASH & TRANSFER LLC

Board of County Commissioners of Monroe County, Florida (hereinafter "Monroe County" or the "County"), and Magnolia 101, LLC, Atlantic Trash & Transfer LLC, and Brian Lindback as the sole managing member and officer of said entities (hereinafter "Lindback"), hereafter collectively referred to as the "parties", hereby agree to settle any and all disputes by and among the parties as it relates to the code enforcement cases, liens and controversies referenced herein as follows:

1. **WHEREAS**, Magnolia 101 LLC currently owns those certain below-described parcels of real property, and took title to them pursuant to that certain deed recorded in the Official Records of Monroe County on or about March 5th, 2008, at Book 2348, Page 1824, Document Number 1685024.

   Squares 5 and 20, Ocean Acres, according to the Plat thereof, as recorded in Plat Book 1, Page 188 of the Public Records of Monroe County, Florida.

2. **WHEREAS**, following administrative hearings brought pursuant to found violations of the Monroe County Codes as memorialized in the Notices of Violation and Final Administrative Orders previously issued and entered in those certain Monroe County Code Compliance Department cases identified as Code Enforcement Case No. CE07040209, Code Enforcement Case No. CE07040211, Code Enforcement Case No. CE07040212, Code Enforcement Case No. CE09050067, and Code Enforcement Case No. CE13050096, the Monroe County Code Compliance Special Magistrate issued the attached recorded Final Administrative Orders, appended as **Exhibit "A."** hereto and hereby

incorporated as if fully set forth herein, which are current liens of record against the property of Lindback.

3. **WHEREAS**, the parties desire to compromise and settle and hereby stipulate and bindingly agree to the following:

NOW, THEREFORE, for good and valuable consideration, the adequacy of which is hereby expressly acknowledged and attested to by the parties, Lindback and Monroe County hereby agree as follows:

Section 1 - Recitals. The foregoing recitals are true and correct and are hereby incorporated as if fully set forth herein.

Section 2 - Settlement. The parties have entered into this Settlement Agreement knowingly, freely, and voluntarily, having determined that they have adequate information upon which to make informed decisions and having decided that it is in their best interests to amicably resolve all code enforcement cases, liens and controversies referenced herein.

A. Neither party is under coercion or duress. Neither has been forced into this Agreement or threatened in any way.

B. Neither party knows of any fact or circumstance which would cause this Agreement to be void or unenforceable.

C. Except as provided herein, the parties agree that each shall bear its own attorneys' fees, costs and expenses arising out of, in connection with, or related to, this matter, whether such fees, costs, or expenses have been incurred prior to the execution of this Agreement or will be incurred after its execution.

D. Lindback agrees to the following:

1. Immediately upon the County's approval of this Agreement (such approval being evidenced as the date of and in the form of the undersigned Assistant County Attorney's executed approval of this Agreement, as authorized by the approval and/or ratification of this Agreement by the Monroe County Board of County Commissioners ("BOCC") at a public meeting of the BOCC, convey by warranty deed the following real property over to the Monroe County Board of County Commissioners:

   A. The parcel referenced above as Square 5,[1] Ocean Acres, according to the Plat thereof, as recorded in Plat Book 1, Page 188 of the Public Records of Monroe County, Florida" (hereinafter "Square 5"); and

   B. Said deed shall be issued and deposited in escrow with The Jacobs Law Group, Attn: Russell Jacobs, 20700 West Dixie Highway, Aventura, Florida 33180.

2. **Affidavit of Clear Title and No Encumbrances.**

   A. Lindback (i.) warrants and certifies that Square 5 is held and titled in the name of Magnolia 101, LLC, free and clear of any encumbrances (other than the instant Monroe County code enforcement liens and that certain mortgage given to First State Bank of the Florida Keys (the "Mortgage") which shall be

[1] Also known as "Parcel 5, Ocean Acres, according to the Plat thereof, as recorded in Plat Book 1, Page 188 of the Public Records of Monroe County, Florida", and/or "Lot 5, Ocean Acres, according to the Plat thereof, as recorded in Plat Book 1, Page 188 of the Public Records of Monroe County, Florida".

released and satisfied at the time of conveyance/transfer to Monroe County), and (ii.) warrants and certifies that Magnolia 101, LLC, has not conveyed Square 5 or any interest therein to any natural or legal person.

B. Lindback (i.) warrants and certifies that it is true and correct that as of the date of his execution of this Agreement no liens (other than Monroe County's code enforcement liens and the Mortgage which shall be released and satisfied at the time of transfer to Monroe County), loans, mortgage encumbrances, or non-mortgage encumbrances, encumber Square 5 (ii.) warrants and certifies that as of the date of his execution of this Agreement said parcel is free of all liens (other than the instant Monroe County code enforcement liens and the Mortgage which shall be released and satisfied at the time of transfer to Monroe County), loans, mortgage encumbrances and non-mortgage encumbrances, and (iii.) warrants, certifies, and guarantees that no such liens, or loans, or encumbrances of any kind will be executed, placed on, or recorded regarding or relating to Square 5 between the date of his execution of this Agreement and the later date of his execution of a warranty deed conveying Square 5 to Monroe County and the date said executed warranty deed is recorded by the County.

3. By executing and authorizing recordation of this Settlement Agreement, Lindback waives any and all challenge to, and consents to, Monroe County's official determination that neither Minor Conditional Use Permit/Minor Conditional Use Development Order No. 2-02, recorded at Book 1790, Page 1377, Document No. 1305054, of the Public Records of Monroe County, Florida ("CUP No. 2-02"), nor any other development order, development permit, act, omission, decision, or representation of Monroe County authorize rock crushing and/or pulverization, concrete pulverization and/or crushing, the separation or sorting or fragmentation or hammering or extraction or excavation of concrete, rocks, or rubble by means of equipment or machine(s), and the separation or sorting or fragmentation or hammering or extraction or excavation of rebar or similar materials from concrete, rocks, rubble, or debris by means of equipment or machine(s) on Square/Lot 20, and that by executing and authorizing recordation of this Settlement Agreement, he and his successor(s)-in-interest and/or successor(s)-in-title are at present prohibited from engaging in such land use, activity, or operation. Monroe County reciprocally agrees that this acknowledges and attests to the current history of development approval(s) for Square/Lot 20 referenced above and does not function as a restrictive covenant upon said property, and that this does not bar Lindback or his successor(s)-in-title or interest from submitting one or more applications requesting approval of an amendment to CUP No. 2-02 and/or submitting one or more applications requesting

approval of an amendment to CUP No. 2-02 and/or submitting one or more applications requesting additional development orders or development permits otherwise authorizing such land use, activity, or operation. It is specifically understood an agreed that nothing contained herein shall prohibit Lindback or his successor(s)-in-title or interest from accepting and receiving concrete, rocks, rubble, or debris and transferring said materials off Square 20 without engaging in any of the prohibited activities described above.

4. Monroe County guarantees that it shall, without any bias or consideration of past Code violations involving Lindback, exercise utmost professional neutrality in evaluating any and all development applications submitted by Lindback or his successor(s)-in-title or interest to either the County or to the State of Florida, including but not limited to application(s) submitted to the Department of Environmental Protection.

E. In the event Lindback or his successor(s)-in-title or interest does not comply with the obligations memorialized at foregoing Paragraph "D.", after receiving notice of the same and failed to cure the same within 30 days of receiving said written notice, then the parties agree that Monroe County shall be entitled to a stipulated judgment immediately enjoining any prohibited conduct or actions and an order imposing a daily fine of $250.00 per day for said prohibited activity until compliance. If after the execution of this Agreement, and compliance with the terms and conditions herein, Lindback sells or

divests himself of all title or interest in the subject properties to an unrelated party or entity, the unrelated party or entity shall be subject to the enforcement provisions contained herein, and he shall not be subject to any enforcement provisions contained herein. In addition, if Monroe County fails to comply with its obligations as set forth in this Agreement, then Monroe County shall be obligated to convey Square 5 back to Lindback and/or his successors and/or assigns.

F. **Satisfaction and Release.** Simultaneously with (i.) the executed warranty deed of Square 5 being conveyed to Monroe County being delivered into escrow and (ii.) after recordation of this executed Settlement Agreement, Monroe County agrees that:

1. It shall issue a recordable instrument and deposit the same in escrow with The Jacobs Law Group, Attn: Russell Jacobs, 20700 West Dixie Highway, Aventura, Florida 33180:
    a. Deeming fully satisfied and forever releasing Lindback and his property from any and all outstanding fines and/or costs associated with the County's above-referenced final administrative orders recorded as liens, the Final Judgment filed in Case No. 2013 CA-945-P, Document No. 2121990 recorded at Book 2853, Page 237, the Notice of Lis Pendens Document No. 1997973, recorded at Book No 2703, Page 923, and any and all other liens or violations against Lindback and/or any of his or his properties referenced in this Agreement; and

b. Releasing Lindback and his property from the County's operative conservation easement on Square 20 referenced more fully above,[2] appended as **Exhibit "B."**

2. The Monroe County Planning and Environmental Resources Department shall not object to or recommend denial of an application for a right-of-way abandonment petition submitted by Lindback or his successor(s)-in-title or interest, that requests abandonment of the portion of the right-of-way of Hibiscus Street laying between Squares/Parcels/Lots 20 and 23, of the Ocean Acres Subdivision, as recorded in Plat Book 1, page 188, on Key Largo, Florida, more particularly depicted on the aerial appended as **Exhibit "C."**

3. The Monroe County Planning and Environmental Resources Department shall not object to, deny, or recommend denial of any application(s) submitted by Lindback or his successors-in-title or interest seeking to expand development (whether in the form of clearing, construction, operations, etc.) into the right-of-way area upon abandonment and former conservation easement area upon release, assuming all Land Development Code and Comprehensive Plan requirements are met.

G. **Mortgage.** In no event shall the interpretation or operation of this Agreement be construed or applied to have Monroe County assume the Mortgage or any responsibility or liability arising thereunder, in whole or in part. The Mortgage

[2] That certain operative Corrective Grant of Conservation Easement recorded at Book 2394, Page 2283, Document No. 1725484, of the Public Records of Monroe County, Florida.

shall be released and satisfied in the land records of Monroe County immediately prior to recorded conveyance of the Square/Parcel 5 over to the County.

Section 3 - Jurisdiction. The Circuit Court of the 16th Judicial Circuit in and for Monroe County, Florida, shall have jurisdiction over this Settlement Agreement for the sole purpose of enforcing its terms.

Section 4 - Good Faith. These settlement negotiations have been undertaken by the parties in good faith.

Section 5 - Choice of Law; Governing Law; Venue. This Agreement is not subject to arbitration and shall be governed by, and construed and enforced in accordance with, the laws of the state of Florida, and venue for all claims, controversies, or disputes relating to this Agreement shall remain in the Circuit Court of the 16th Judicial Circuit in and for Monroe County, Florida.

Section 6 - Binding Effect. It is agreed and understood that this Agreement shall be and is binding upon the parties hereto, including their successors-in-interest.

Section 7 - Inconsistency, Partial Invalidity, Severability, and Survival of Provisions. If any provision or term of this Agreement, or any portion(s) thereof, is/are in any way invalidated by any administrative hearing officer or court of competent jurisdiction, such invalidation shall neither limit nor impair the validity or operation of any other provision or term, or remaining portion(s) thereof. All such other provision(s) and term(s), or portion(s) thereof, shall continue unimpaired in full force and effect.

Section 8 - Integration. This Agreement constitutes the entire Agreement and any representation or understanding of any kind preceding the date of the parties'

written final approval of this Agreement not specifically and expressly memorialized herein is not binding on either of the parties except to the extent that it has been specifically and expressly memorialized in this Agreement.

Section 9 - Non-Reliance by Third-Parties. No non-signatory person(s) or entity(ies) shall be entitled to rely upon any conditions, provisions, or terms of this Agreement to enforce or attempt to enforce any third-party claim(s) or entitlement(s) to or benefit(s) from any conditions, provisions, or terms hereunder.

Section 10 - Execution in Counterparts. The parties acknowledge and agree that this Agreement may be executed in one or more counterparts, each counterpart shall be considered an original portion of this Agreement, and all which constitute a single instrument.

Section 11 - Effective Date. Once fully and finally executed by Magnolia 101 LLC and the County, this Agreement shall be considered legally effective and binding.

Section 12 - Exhibits/Scrivener's Errors. The Monroe County Board of County Commissioners authorizes the Monroe County Attorney and counsel representing the Monroe County Attorney's Office in this matter to insert all exhibits referenced herein, and to correct any scrivener's errors within this Agreement, prior to written execution of this Agreement on the County's behalf as authorized and approved by the Board of County Commissioners following a duly noticed public meeting of the Monroe County Board of County Commissioners at which this Settlement Agreement is considered.

ORDER IMPOSING ADMINISTRATIVE COSTS
AND ORDER OF TIMELY COMPLIANCE

THIS CAUSE having come on for public hearing before the Code Enforcement Special Magistrate on August 30th 2007, at the Monroe County Government Regional Center, located at 2798 Overseas Highway, Marathon, Florida, the Special Magistrate, having reviewed the evidence, heard testimony under oath and being otherwise fully apprised in the premises, makes the following findings of fact and conclusions of law:

1. That the Special Magistrate has jurisdiction over the subject matter of this action;
2. That the Respondent(s) was/were properly served with notice of hearing held in this matter and is/are subject to the orders of the Special Magistrate;
3. That the violation(s) alleged in this matter exist(s) in relation to: MONROE COUNTY RIGHT OF WAY AT OCEAN ACRES, KEY LARGO, MONROE COUNTY, FLORIDA;
4. That the above named Respondent(s) has achieved timely compliance;

Therefore it is

ORDERED AND ADJUDGED that this case is dismissed.

5. That pursuant to Florida Statutes Section 162.07, a cost in the amount of

$100.00 (ONE HUNDRED DOLLARS) is hereby levied for the administrative recovery for prosecution and investigation. Said fine, if not paid within thirty (30) days of this order, shall be recorded in the public records of Monroe County and shall thereafter constitute a lien against the land on which the violation or violations existed and upon any other real or personal property owned by the violator(s).

DONE AND ORDERED at the Division of Administrative Hearings, Tallahassee, Florida, on this 30th day of August, 2007.

CASE NO. CE07040211

vs.

OCEAN ACRES RECYCLING, LLC
Respondent(s).
_____/

FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER

THIS CAUSE having come on for public hearing before the Code Enforcement Special Magistrate on July 27th 2007, at the Monroe County Government Regional Center, located at 2798 Overseas Highway, Marathon, Florida, the Special Magistrate, having reviewed the evidence, heard testimony under oath and being otherwise fully apprised in the premises, makes the following findings of fact and conclusions of law:

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. That the Respondent(s) is/are the owner of record of property located at:
   OCEAN ACRES, PB1-188, KEY LARGO LOT 20, MONROE COUNTY, FLORIDA
   (RE#00454520-000000);
2. That the Respondent(s) was/were duly noticed of this hearing; and
3. That the above-named property is in violation of the Monroe County Code as more particularly described in Exhibit "A", which is attached hereto and incorporated herein.

Therefore it is

ORDERED AND ADJUDGED that:

A. Respondent(s) is/are in violation of the Monroe County Code(s) and is/are ordered to

comply with the provisions of said codes by August 23rd 2007. A compliance / review hearing will be held on August 30th 2007. CONTAINERS ARE TO BE REMOVED BY COMPLIANCE DATE, OR FINES WILL BEGIN ACCRUING.

B. Upon complying, Respondent(s) shall notify the Code Inspector in this case who shall re-inspect the property and notify the Code Enforcement Department of compliance.

C. Noncompliance by the above date will result in the imposition of a fine, $250.00 (TWO HUNDRED FIFTY DOLLARS), per day, for each day thereafter that Respondent(s) is/are in violation.

D. Pursuant to Florida Statutes Section 162.07, a cost in the amount of $100.00 (ONE HUNDRED DOLLARS) has been levied for the administrative recovery for prosecution and investigation.

Doc# 1684912
Bk# 2348 Pg# 1435

E. In the event of nonpayment of fines/liens imposed, a certified copy of an order imposing a fine may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator(s).

F. You have the right to appeal this order to the Circuit Court of Monroe County. If you wish to appeal, you must do so no later than thirty (30) days from the date of this Order. Failure to timely file a written Notice of Appeal will waive your right to appeal.

ORDER IMPOSING PENALTY/LIEN

THIS CAUSE having come on for public hearing before the Special Magistrate on July 27, 2007, at the Marathon Government Regional Center, located at 2798 Overseas Highway, Marathon, Florida, after due notice to the Respondent(s), at which time the Special Magistrate heard testimony under oath, received evidence, and issued his Order finding the Respondent(s) in violation of Monroe County Code Section(s): §9.5-111(1), §9.5-236(a)(5).

Said Order, and subsequent orders, required the Respondent(s) to correct the violation(s) by August 23, 2007, and further, that failure to correct the violation(s) by the compliance date would result in a fine $250.00, (TWO HUNDRED FIFTY DOLLARS) per day, being imposed for each day thereafter that there is noncompliance. At the hearing of the Special Magistrate held on January 31st 2008, Inspector Link testified that the violation(s) had not been corrected:

ACCORDINGLY, the Special Magistrate finding that the violation(s) had not been corrected, as previously ordered, it is hereby:

ORDERED that the Respondent(s) pay to Monroe County, Florida, a fine in the amount of $250.00, (TWO HUNDRED FIFTY DOLLARS) per day, beginning August 24, 2007, and for each and every day thereafter that the violation(s) exist(s) and/or continue(s) to exist. Pursuant to Florida Statutes Section 162.07, a cost in the amount of $100.00 (ONE HUNDRED DOLLARS) is hereby levied for the administrative recovery for prosecution and investigation.

THIS ORDER SHALL CONSTITUTE A LIEN AGAINST THE LAND ON WHICH THE VIOLATION(S) EXIST(S) AND UPON ANY OTHER REAL OR PERSONAL PROPERTY OWNED BY THE VIOLATOR(S).

THE VIOLATION(S) EXIST(S) ON THE FOLLOWING DESCRIBED PROPERTY: OCEAN ACRES PB1-188 KEY LARGO LOTS 35-36 & 45, KEY LARGO, MONROE COUNTY, FLORIDA (RE:00454110-000000).

Doc# 1685923
Bk# 2349 Pg# 1971

Pursuant to Section 162.09, Florida Statutes, this lien may be recorded with the Clerk of the Courts for Monroe County, Florida.

That upon complying, the Respondent(s) shall notify the Code Inspector in this case, who shall reinspect the property and notify the Special Magistrate of compliance.

DONE AND ORDERED this 7th day of February, 2008, at the Division of Administrative Hearings, Tallahassee, Florida.

FINAL ORDER

Having fully considered the evidence presented at hearing, including testimony of the Code Enforcement Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative _____ were/~~were not~~ present and did/~~did not~~ contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

(✓) The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing. The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and pursuant to Section 162.07 of Florida Statutes costs in an amount to be determined at the conclusion of this case are hereby levied for the administrative recovery of the costs of prosecuting and investigating this matter. Costs will continue to accrue until compliance is achieved and case is closed. Furthermore, the Respondent(s) shall comply with those Code(s) referred to in the Notice of Violation/Notice of Hearing **on or before** 9/7/09 **("THE COMPLIANCE DATE").**

(✓) In the event the violation(s) were or are not corrected **on THE COMPLIANCE DATE PREVIOUSLY ORDERED** or **on THE COMPLIANCE DATE SET FORTH HEREIN**, fine(s) in the amount of:

$ 110-140.(1) = 100.00
U-27.(b)(2)h = 250.00

for each day beginning on **THE DAY AFTER THE COMPLIANCE DATE** that the Respondent(s) is/are in violation is/are hereby ORDERED.

( ) a one time fine of $ _____ is ORDERED, and the condition causing the violation(s) is found to present a threat to the public health, safety and welfare. It is further ordered, that the County is hereby authorized to make all reasonable repairs which are required to bring the property into compliance and charge the respondent(s) with cost of repairs including administrative recovery of the costs of prosecuting and investigating this matter.

( ) The Respondent(s) is/are ordered to attend a compliance/review hearing to be held on _____, 20____.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE ENFORCEMENT AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

In the event of nonpayment of fines and costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months. Please make checks payable to Monroe County Code Enforcement and mail to: Monroe County Code Enforcement, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

( ) The Respondent(s) **were** in violation of the MONROE COUNTY Code(s) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before **THE COMPLIANCE DATE** but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines ($_____) to Monroe County Code Enforcement within thirty (30) days of this Order.

(✓) CEASE AND DESIST AND NO OCCUPANCY ON TRAILER AND RV.

DATED this 27TH day of AUGUST, 20 09.

LARRY J. SARTIN, Special Magistrate

APPEAL PROCEDURES

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). BEFORE THE CODE COMPLIANCE SPECIAL MAGISTRATE
JOHN G. VAN LANINGHAM
MONROE COUNTY, FLORIDA

MONROE COUNTY FLORIDA, Petitioner, vs. MAGNOLIA 101 LLC; ATLANTIC TRASH AND TRANSFER LLC; and BRIAN LINDBACK, Respondents.	)	Case No. CE13050096

FINAL ORDER

This case came before the Code Compliance Special Magistrate for final hearing by video teleconference on September 26, 2013, at sites in Marathon and Tallahassee, Florida. Petitioner Monroe County ("County") was represented by Steven T. Williams, Esquire, Assistan County Attorney. Scott C. Black, Esquire, represented Respondents.

The County initiated this proceeding on June 17, 2013, by issuing a Notice of Violation ("NOV") against Respondents. As charged in the NOV, the property at issue (the "Property") is located at 101 Magnolia Street, Key Largo, Florida, and has been assigned real estate number 0045420-000000. The County alleges that the Property is in violation of the Monroe County, Florida Code ("Code") on five separate grounds. The NOV provides, in relevant part, as follows:

> [*Count I*] 130-74. (a) - ACCESSORY USES/AUTHORIZED USE
> No land in the county shall be developed, used or occupied unless expressly authorized in Monroe County Code Chapter 130.

* * *

Doc# 1970700
Bk# 2673 Pg# 539

[*Count II*] 130-94. - SUBURBAN RESIDENTIAL DISTRICT
(Count 1)
The establishment of a heavy industrial use, in the form of resource extraction, without the benefit of a permit is prohibited. ...

* * *

[*Count III*] 130-94. - SUBURBAN RESIDENTIAL DISTRICT
(Count 2)
The activities beyond the approved area of Lot 20 (such as the production and transfer of mulch and use of public property for heavy equipment), are light and heavy industrial uses and are not permitted ....

* * *

[*Count IV*] 21-21.(b) - ILLEGAL DISPOSAL/ROADS/WATER/

* * *

[*Count V*] 118-40 – GENERAL RESOURCE EXTRACTION STANDARDS
All resource extraction activities must comply with the provision of MCC Sec. 118-41 and Sec. 118-42.

During the final hearing, the parties reached an agreement to settle Counts I, III, and IV. The parties' written agreement concerning these charges has been incorporated into this Final Order.

At hearing, the County presented as witnesses its employees Kathleen Windsor, Diane Link, and Michael D. Roberts. Petitioner's Exhibits 1 – 90 were received in evidence. Respondents called Brian Lindback as their sole witness and offered no exhibits.

Having fully considered the evidence presented at hearing, and having considered the parties' respective proposed final orders, the following findings of fact and conclusions of law are made.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

1. Respondent Magnolia 101, LLC ("Magnolia "), a Florida corporation, owns the Property. Respondent Brian Lindback ("Lindback") is the president of Magnolia. He is also the president of Respondent Atlantic Trash and Transfer, LLC.

2. The Property is a square parcel sometimes referred to as Lot 20. Magnolia owns three other square parcels located near Lot 20 on Magnolia Street in Key Largo, Florida. Each of these parcels—known respectively as Lots 1, 4, and 5— has a unique real estate number.[1] The NOV does *not* allege that Lots 1, 4, and 5, are in violation of the Code, either collectively or separately.

3. To remedy past Code violations, Magnolia was required to replant trees on portions of Lots 1, 4, and 20. To perform this work, Magnolia retained Conch Tree Landscaping ("Conch Tree"). Conch Tree applied for permits but, as of the final hearing, none had been issued.

4. On or about May 8, 2013, during an inspection of Magnolia's property, Kathleen Windsor, a County Code Compliance officer, observed trenches in the ground from which coral rock had been removed. Coral rock is a commercially valuable natural resource. Ms. Windsor saw a trench digger parked near the trenches; it appeared to be temporarily disabled by a broken "tooth." Parked next to the trench digger was a truck on which the name Caputo Electric Inc. was prominently displayed.

5. On May 10, 2013, a Stop Work Order was issued and posted on Respondents' property.

6. The County obtained a survey to determine the location and extent of the trenching and excavation. The survey shows, and the parties agree, that none of the trenching and coral rock mining occurred on Magnolia's property. Rather, it is undisputed that the digging and rock removal took place primarily on a County owned right-of-way and partially on state owned land. The extraction of coral rock happened near (but not on) Magnolia's Lots 1, 4, and 5. Of Magnolia's four parcels in the area, Lot 20, which is the Property at issue, is the farthest away from the site of the coral rock removal.

7. No persuasive evidence was adduced showing that Respondents used the Property (Lot 20) as alleged in the NOV, namely as a site for heavy industry in the form of resource extraction, i.e., coral rock removal. Based on the evidence in the record, the undersigned finds that the County failed to prove the allegation that Respondents established a heavy industrial use on the Property.

---

[1] Lot 1 is assessed under real estate number 00454110-000000. Lot 4 is assessed under real estate number 00454220-000000. Lot 5 is assessed under real estate number 00454230-000000.

Doc# 1970700
Bk# 2673 Pg# 541

8. The parties sharply dispute the County's contention that Respondents directed, authorized, controlled, or acquiesced to the coral rock removal that everyone agrees took place on County and state property. The County concedes that it offered no direct evidence of such involvement by Respondents but argues that Respondents' culpability can and should be inferred from the circumstances. Lindback, during his testimony, explicitly and unambiguously denied having ever ordered or authorized any work to be performed anywhere without the benefit of a permit. It is difficult to imagine, however, given the nature and scope of the activities at issue, that Lindback could have been completely unaware of the trenching and rock removal, which were apparently being conducted by the contractor he had retained to perform landscaping work on Magnolia's property. Likewise hard to explain is the question of why Conch Tree would have commenced extracting coral rock, if not at Respondents' direction; presumably, someone requested the work, but who? Unfortunately, no one from Conch Tree (or Caputo Electric Inc.) testified at the final hearing.

9. As it happens, it is not necessary to resolve the dispute about Respondents' alleged involvement in the trenching and rock removal because, as found above, the evidence fails to establish that such uses occurred on the Property, which is essential to the charges set forth in the NOV. Thus, even assuming for argument's sake that Respondents caused the coral rock to be removed, the Property is not in violation of the Code as charged here.

10. To be clear, the determination that Respondents are not guilty of the specific violations alleged in Counts II and V of the NOV is not equivalent to a finding that they are necessarily innocent of all wrongdoing in connection with the extraction of coral rock from County and state property. There might be other Code violations besides these, which the County could allege in a subsequent notice. Moreover, the unauthorized entry upon *someone else's* land to dig up and remove valuable coral rock without the owner's permission likely would cause injuries or damages for which the owner could seek redress outside of Code enforcement channels.

Therefore it is:

ORDERED AND ADJUDGED:

1. Based on the agreement of the parties, Respondents are found in violation of the Code as charged in Counts I and III. The Property will be checked for compliance on December 17,

DocH 1970700
BkH 2673 PgH 542

2013. The parties agree that the completion of the following measures will achieve compliance for these charges:

(a) Clear all Special or Yard Waste off Conservation Easement portion of Lot 20, Lot 4 and County ROW.

(b) Use of Heavy Industrial Equipment on Conservation Easement, Lot 4 and County ROW is authorized for the removal of Special or Yard Waste.

(c) All Heavy Equipment, Storage Containers and Industrial vehicles shall not be parked or stored on restricted property or County ROW. However temporary parking for loading and unloading for the removal of Special or Yard Waste shall be permitted.

(d) All authorized commercial activities shall be confined to the Commercial Portion of Lot 20 and conducted within the guidelines of Development Order 2-02.

2. Based on the agreement of the parties, Respondents are found in violation of the Code as charged in Count IV. The Property will be checked for compliance on October 4, 2013. The parties agree that compliance will be achieved with the removal of Special Waste of any kind from County ROW and all boulders from Lot 1.

3. In the event the violations are not corrected on or before the applicable compliance dates specified above, daily fines in the following amount, per violation, will begin to accrue on the day after the compliance date for each noncompliance:

Count I: 130-74(a)	$250.00
Count III: 130-94	$250.00
Count IV: 21-21(b)	$250.00

4. Respondents are not in violation of Monroe County Code sections 130-94 and 118-40 as charged in Counts II and V of the NOV.

5. Pursuant to section 162.07, Florida Statutes, costs in an amount to be determined at the conclusion of this case are hereby levied for the administrative recovery of the costs of

Doc# 1970700
Bk# 2673 Pg# 543

prosecuting and investigating this matter. Costs will continue to accrue until compliance is achieved and the case is closed.

6. In the event of nonpayment of fines and costs imposed on Respondent, a certified copy of an order imposing fine may *be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator.*

DONE AND ORDERED at the Division of Administrative Hearing, Tallahassee, Florida, this 11th day of February, 2014.

John G. Van Laningham
Code Compliance Special Magistrate

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

APPEAL PROCEDURES

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). ANY AGGRIEVED PARTY, INCLUDING MONROE COUNTY, MAY HAVE APPELLATE RIGHTS WITH REGARD TO THIS ORDER PURSUANT TO SECTION 162.11, FLORIDA STATUTES. ANY SUCH APPEAL WILL BE LIMITED TO APPELLATE REVIEW OF THE RECORD CREATED BEFORE THE SPECIAL MAGISTRATE. ANY APPEAL MUST BE FILED WITH CIRCUIT COURT WITHIN 30 DAYS OF THE EXECUTION OF THIS ORDER.

CERTIFICATE OF ORDER

I hereby certify that this is a true and correct copy of the above Order.

MONROE COUNTY, FLORIDA
CORRECTIVE GRANT OF CONSERVATION EASEMENT

This corrective Grant of Conservation Easement is being recorded to correct the Grant of Conservation Easement filed at Book 1972 Page 1096, in order to reflect the conditions in the minor conditional use Development Order 2-02 issued by Monroe County on April 22, 2002 filed at Book 1790 Page 1379.

This Conservation Easement is Granted this 6th day of January 2009 by Magnolia 101, LLC, whose address is 101 Magnolia Street, Key Largo, Florida 33037 in the County of Monroe and the State of Florida (Grantor), to Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040, (Grantee).

Grantor declares and grants as follows:

1. **Background Information**

   A. Grantor is the successor in interest to the above-referenced Development Order and is the fee simple title holder of certain real property with a street address of 101 Magnolia Street, Key Largo, Florida 33037, and with a Monroe County Real Estate Number of RE# 00454520-000000 (Ocean Acres, Key Largo, Lot 20), the servient estate, and which is shown on Exhibit A.

   B. The consent of all mortgagee(s) of the servient estate is attached as Exhibit ____[1]. If no consent is attached hereto, Grantor certifies to Grantee that no mortgage exists.

   C. Grantor desires to develop the servient estate as a waste processing facility.

   D. The servient estate contains High Elevation Tropical Hardwood Hammock and Restored Hammock Areas.

DocH 1725484
BkH 2394 PgH 2284

E. Grantee is a general purpose political subdivision of the State and is authorized to regulate and control the use of real property through Land Development Regulations (LDRs) in order to protect the public health, safety and welfare of its citizens.

F. Section 9.5-337 (2006 edition) of Grantee's LDRs requires that certain areas of the servient estate be retained as open space and preserved in their natural condition.

2. Grant of Easement

Grantor grants to Grantee the easement shown on Exhibit A.

3. Character of the Easement

This easement is a conservation easement, which, as defined by Section 704.06 of the Florida Statutes, is a right or interest in real property which is appropriate to retaining land or water areas predominantly in their natural, scenic, open, agricultural or wooded condition; retaining such areas as suitable habitat for fish, plants or wildlife; retaining the structural integrity or physical appearance of sites or properties of historical, architectural, archeological or cultural significance; or maintaining existing land uses.

4. Location and Description of the Easement

A. This easement is located on the servient estate as described above.

B. This easement is shown in the diagram attached to this instrument as Exhibit A and by reference made a part hereof.

5. Law Governing the Easement and Enforcement Thereof

This easement is governed by Section 704.06 of the Florida Statutes, or the equivalent Florida Statute governing conservation easements, and is to be construed and enforced in accordance with that statute and in accordance with the laws of the State of Florida and the Grantee's LDRs.

6. Restrictions Imposed by the Easement

By these presents Grantor imposes and will impose the following restrictions on the use of the servient estate within the easement area:

A. No construction or placing of buildings, roads, signs, billboards or other advertising, utilities or other structures on or above the ground.

DocN 1725484
BkN 2394 PgN 2285

B. No dumping or placing of soil or other substance or material as landfill or dumping or placing of trash, waste or unsightly or offensive materials.

C. No removal, trimming or pruning of trees, shrubs or vegetation except for such removal, trimming or pruning which Grantee's biologist has authorized in writing.

D. No excavation, dredging or removal of loam, peat gravel, soil, rock or other material substances in such a manner as to affect the surface of the easement area.

E. No surface use except for purposes that permit the land or water area to remain predominantly in its natural condition.

F. No activities detrimental to drainage, flood control, water conservation, erosion control or soil conservation or fish and wildlife habitat preservation.

G. No acts or uses detrimental to such retention of land or water areas.

H. No planting of non-native, invasive or exotic plants.

I. No acts or uses detrimental to the preservation of the structural integrity or physical appearance of sites or properties of historical, architectural, archeological or cultural significance.

J. _____.

7. Access to the Servient Estate

Grantor will allow Grantee to access and to enter upon the servient estate, with no less than 24 hours notice, for the purposes of inspection to determine the Grantor's compliance with this Grant of Easement.

8. Limitation on Liability for Personal Injury or Injury to Property

The Grantor waives any rights the Grantor may have to bring a claim against Grantee for personal injury or injury to property that is caused by the negligent action or inaction of Grantee or an employee or agent of Grantee during the course of Grantee's activity related to this Grant of Easement and further Grantor holds Grantee harmless from the claims of all persons for action, inactions or activities occurring on the servient estate.

9. Term of Easement

This easement is perpetual and runs with the land.

DocH 1725484
BkH 2394 PgH 2286

10. Persons Bound by Easement

This easement is binding on all present and future owners and mortgagees of the servient estate.

11. Entirety of Grant of Easement

This Grant of Easement constitutes the entire Grant of Easement from Grantor to Grantee and any understanding or representation of any kind preceding the date of this Grant of Easement is not binding on either the Grantor or Grantee except to the extent it has been incorporated into this Grant of Easement.

12. Modification of Grant of Easement

This Grant of Easement may be modified only by a written modification signed by an authorized representative of Grantor and Grantee and by any mortgagee(s).

13. Recover of Attorney's Fees

In the event of any controversy, claim or dispute arising under or as a result of this Grant of Easement, the prevailing party will be entitled to recover reasonable attorney's fees and costs.

14. Notice Concerning Grant of Easement

Any notice provided for or concerning this Grant of Easement will be made in writing and will be sufficiently given when sent by certified or registered mail to the respective address, as set forth at the beginning of this Grant of Easement, of Grantor or Grantee.

15. Recording of Grant of Easement

This Grant of Easement will be recorded in the Official Records of Monroe County, Florida and any changes hereto will also be recorded in the Official Records of Monroe County.

CONSERVATION EASEMENT DESCRIPTION:

An easement for conservation purposes over and across a portion of Lot 20, OCEAN ACRES, according to the Plat thereof, as recorded in Plat Book 1, at Page 188 of the Public Records of Monroe County, Florida, said portion being more particularly described by metes and bounds as follows:
BEGIN at the Northeast corner of said Lot 20, OCEAN ACRES; thence run on an assumed bearing of S.00°07'39"E., along the East line of said Lot 20, a distance of 200.00 feet to the Southeast corner of said Lot 20; thence run S.88°13'21"W., along the South line of said Lot 20, a distance of 138.67 feet; thence depart said South line and run N.19°59'35"E, a distance of 126.98 feet; thence run N.88°00'23"E., a distance of 51.88 feet; thence run N.01°42'31"W., a distance of 81.80 feet to a point in the North line of said Lot 20; thence run N.88°13'21"E. along said North line of Lot 20, a distance of 45.36 feet to the Point of Beginning.
Contains 17,407 square feet, more or less.

NOTES:
1. This description was prepared by the undersigned from information found in the public record, and from information obtained by a boundary survey of Lot 20, OCEAN ACRES, by this comapny on 8-31-05.
2. Per the client's instructions the conservation easement was prepared to encompass that portion of Lot 20 lying Easterly of the existing chain link fence.
3. The bearings shown on the sketch on Sheet 2 and appearing in the above description are on an assumed datum. The base of which is the East line of Lot 20.
4. This is a description and sketch of same only. It is not a boundary survey and should not be used as such.

RESOLUTION NO. _____-2024

A RESOLUTION SETTING THE DATE, TIME, AND PLACE FOR A PUBLIC HEARING REGARDING PROPOSED ABANDONMENT OF A PORTION OF PUBLIC RIGHT-OF-WAY LOCATED ON A PORTION OF THE HIBISCUS STREET RIGHT-OF-WAY SITUATED WITHIN THE KEY LARGO OCEAN ACRES PLAT, AS RECORDED IN PLAT BOOK 1, PAGE 188, OFFICIAL RECORDS OF MONROE COUNTY, FLORIDA, WHICH IS BOUNDED ON THE WEST BY A PORTION OF THE HIBISCUS STREET RIGHT-OF-WAY ALREADY ABANDONED[1] IN FAVOR OF AND OVER TO THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AS RECORD OWNER OF SQUARE 19 OF THE SUBJECT PLAT AND STATE OF FLORIDA AS RECORD OWNER OF SQUARE 22 OF THE SUBJECT PLAT, BOUNDED ON THE SOUTH BY SQUARE 23 OF THE SUBJECT PLAT, BOUNDED ON THE EAST BY HIBISCUS STREET RIGHT-OF-WAY, AND BOUNDED ON THE NORTH BY SQUARE 20 OF THE SUBJECT PLAT, MONROE COUNTY, FLORIDA.[2]

WHEREAS, Magnolia 101 LLC, via Island Construction Management Inc. acting as an authorized agent, has solicited for the Monroe County Board of County Commissioners ("BOCC", "Board", "Monroe County", or the "County") to voluntarily abandon a portion of public right-of-way located on a portion of the Hibiscus Street right-of-way situated within the Key Largo Ocean Acres plat, as recorded in Plat Book 1, Page 188, Official Records of Monroe County, Florida, situated as more particularly described below, which is bounded on the west by a portion of the Hibiscus Street right-of-way already abandoned[3] in favor of and over to the Monroe County BOCC as record owner of Square 19 of the subject plat and State of Florida as record owner of Square 22 of the subject plat, bounded on the south by Square 23 of the subject plat, bounded on the east by Hibiscus Street right-of-way, and bounded on the north by Square 20 of the subject plat; and

[1] Monroe County BOCC Resolution No. 151-2017, recorded at Book 2866, Page 51, Document No. 2132587, Official Records of Monroe County, Florida.
[2] Section 28, Township 61 South, Range 39 East, Key Largo, Monroe County, Florida.
[3] Monroe County BOCC Resolution No. 151-2017, recorded at Book 2866, Page 51, Document No. 2132587, Official Records of Monroe County, Florida.

WHEREAS, Magnolia 101 LLC is bound by that certain recorded Settlement Agreement[4] approved following extensive code compliance litigation against the Monroe County BOCC in which the BOCC prevailed, and the proposed portion of public right-of-way Magnolia 101 LLC seeks abandonment of is south of its existing permitted waste separation facility[5] located at 215 Magnolia Street which constitutes, under the Monroe County Comprehensive Plan and Monroe County Land Development Code, a permitted light industrial use approved for a portion of Square 20 of the subject Ocean Acres plat; and

WHEREAS, a BOCC decision on whether to abandon this portion of public right-of-way would not constitute a form of development/permitting approval or approval of expansion of any existing permitted development; and

WHEREAS, abandonment of a portion of a public right-of-way does not sanction violating the limitations and requirements of the Monroe County Comprehensive Plan and Monroe County Land Development Code; and

WHEREAS, under the Monroe County Codes and Florida Statutes Chapter 336, it is necessary to hold a public hearing for the Monroe County Board of County Commissioners to publicly consider said abandonment after publishing due notice of said hearing therewith; and

WHEREAS, the Monroe County Board of County Commissioners hereby desires to hold a public hearing to consider abandonment of the subject portion of right-of-way situated on a portion of the Hibiscus Street right-of-way;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. Findings of Fact and Conclusions of Law. The foregoing findings of fact and conclusions of law are true and correct and are hereby adopted and incorporated as if fully set forth herein.

Section 2. The Board of County Commissioners of Monroe County, Florida, will hold a public hearing on **March 20, 2024, at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo, Monroe County, Florida**, to consider abandoning the subject portion of right-of-way situated as more particularly described herein on per the recorded plat of Ocean Acres, Plat Book 1, Page 188, Official Records of Monroe County, Florida, to wit:

THE PUBLIC RIGHT OF WAY DESCRIBED AS:

[4] Book 3190, Page 120, Document No. 2388237, Official Records of Monroe County, Florida.
[5] Minor Conditional Use Permit ("CUP") Development Order No. 2-02, recorded at Book 1790, Page 1377, Document No. 1305054, Official Records of Monroe County, Florida.

DESCRIPTION:

A portion of Hibiscus Street contiguous to Lot 20 and Lot 23, OCEAN ACRES, according to the Plat thereof as Recorded In Plat Book 1, st Page 188 of the Public Records of Monroe County, Florida and being more particularly described as follows:

BEGINNING at the Southeasterly corner of said Lot 20 on the Northerly right of way line of Hibiscus Street; thence run S.00°07'39"E along the Southerly extension of the East line of Lot 20, for a distance of 30.02 feet to the Northeasterly corner of Lot 23; thence run S.88°13'21"W along said Northerly line for a distance of 215.00, feet to the Northwesterly corner of said Lot 23 and Southerly right of way line of Hibiscus Street; thence run N.00°07'39"E. along the Northerly extension of the West line of Lot 23 for a distance of 30.02 feet to the Southwest corner of Lot 20; thence run N.88°13'21"E. along the South line of Lot 20 and the North line of Hibiscus Street for a distance of 215.00 feet back to the POINT OF BEGINNING. Containing 6,450, square feet.

Section 3. Construction and Interpretation. This Resolution and its interpretation shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adverse administrative proceedings, at trial, in bankruptcy, and on appeal, and all provisions of the Monroe County Comprehensive Plan, Monroe County Codes, Florida Statutes, floodplain management regulations, and Florida Building Code whose interpretation arises out of, relates to, or is interpreted in connection with this Resolution shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adversarial administrative proceedings, at trial, in bankruptcy, and on appeal.

Section 4. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 5. Severability. If any provision of this Resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this Resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

PASSED AND ADOPTED by the Monroe County Board of County Commissioners at a regular meeting held on the 21st day of February, 2024.

B7 The presentation of an Honorary Conch Certificate to Rear Admiral Douglas M. Schofield, Commander U.S. Coast Guard, Seventh District was tabled.

S1 Mayor's Proclamation declaring October 18, 2023 through November 11, 2023 as Operation Green Light for Veterans and Veterans Week in Monroe County, Florida.

S3 Mayor's Proclamation declaring Tuesday, October 24, 2023 as World Polio Day in Monroe County, Florida.

BULK APPROVALS

Motion was made by Commissioner Lincoln and seconded by Commissioner Raschein granting approval of the following items by unanimous consent:

C1 Board granted approval to advertise Request for Proposals for installation of fire hydrants throughout Monroe County.

C2 Board granted approval of a 1st Amendment to the Florida Department of Environmental Protection Agreement No. 22SRP57 for the Monroe County Twin Lakes Subdivision Flood Mitigation Project, and authorized the County Administrator to execute this amendment and any future related grant agreements, amendments and documentation.

C3 Board granted approval of a 1st Amendment to the Florida Department of Environmental Protection Agreement No. 22SRP56 for the Monroe County Stillwright Point Road Elevation and Stormwater Design and Permitting Project, and authorized the County Administrator to execute this amendment and any future related grant agreements, amendments and documentation.

C4 Board granted approval and authorized execution of a Memorandum of Understanding with the Monroe County Sheriff's Office to apply for reimbursement of funds from the Urban Area Security Initiative Fiscal Year 2022 Grant.

C5 Board granted approval and authorized execution of a 6th Amendment to the Agreement with Sub-Zero, Inc., for Lower Keys HVAC Maintenance to include additional locations, update addresses on current locations, and to add and/or update a contract provision to allow for the option of equipment replacement and installation by seeking a proposal only from the contractor in accordance with the current Monroe County Purchasing Policy. Funding is Ad Valorem.

C6 Board granted approval and authorized execution of a 1st Amendment to the Agreement with Miami Dade Pump & Supply Company for Lift Station Maintenance and Cleaning, Upper Keys, to add and/or update a contract provision to allow for the option of equipment replacement

and installation by seeking a proposal/quote only from the contractor, in accordance with the current Monroe County Purchasing Policy. This Contract is funded through Funds 001 and 147.

C7 Board granted approval and authorized execution of a 5th Amendment to the Agreement with Maverick United Elevator, LLC to add and/or update a contract provision to allow for the option of equipment replacement and installation by seeking a proposal/quote only from the contractor, in accordance with the current Monroe County Purchasing Policy; increase payment amounts by the annual CPI-U increase adjustment of 6.5%; to renew the Agreement for the final one-year renewal with an effective date of December 1, 2023; include the building at the Key Largo Community Park, commonly known as Jacobs Aquatic Center, as an additional location for elevator maintenance and service; and for the contractor to perform under its current Agreement to complete state mandated elevator upgrades on the elevator at the Jacobs Aquatic Center, as submitted in its proposal, in the amount of $80,170.00, with the upgrade to be paid by the Parks and Beaches Department, utilizing funding from American Rescue Plan Act sources. All other funding for this Contract is Ad Valorem.

C8 Board granted approval and authorized execution of a 3rd Amendment to the Shopping Center Lease for Unit B-2, at the Big Pine Key Shopping Center, for use as the District 2 County Commissioner's office, to acknowledge the sale of the property from UH US Big Pine Key 2019, LLC to Big Pine Key Owner LLC, and to amend the Lease to reflect the new addresses for notices to the landlord.

C9 Board granted approval and authorized execution of an Agreement with Musco Sports Lighting, LLC as a sole source provider, in the amount of $372,500.00, for the upgrade of the lighting at Harry Harris Park. This project is being funded by American Rescue Plan Act.

C10 Board granted approval to award the annual lump sum bonus to the Monroe County Fire Rescue billing staff in the amount of 10% of the unloaded base salaries for billing collections for Monroe County Trauma Star Air and Ground Ambulance Transports. The bonus is based on an average collection rate of 80.48% for the period May 1, 2022 to April 30, 2023, as compared to the qualifying baseline collection rate of 33.70%.

C11 Board granted approval and authorized execution of a 1st Amendment to a Task Order with William Horn Architect P.A., in the amount of $9,685.00, for Professional Architectural and Engineering Services for the Monroe County Detention Center Generator Building Addition. This Amendment adds surveying and geotechnical services to the scope of work. This project is funded by the One-Cent Infrastructure Sales Tax (Fund 304).

C12 Board granted approval to advertise a Request for Proposals for a company to provide Online Reservations and Point of Sale System Services for Parks and Beaches reservations and rentals of County facilities and fees for Parks and Beaches programming.

C13 Board granted approval and authorized execution of a Loan Agreement with Key West Art & Historical Society, Inc. for Mario Sanchez woodcarvings "Daily Goose Walks" and "Yellowtails and Grunts", extending the agreement an additional 10 years.

C14 Board granted approval to advertise a Public Hearing to consider adoption of an Ordinance regarding Monroe County Parks and Beaches School Break Camp Program at the Board of County Commissioners regular meeting on November 8, 2023, in Key West, Florida.

C15 Board granted approval to advertise a Public Hearing to consider renaming Pimilico Lane in the Cross Key Waterway Estates Section 3 Subdivision in Key Largo to Pimlico Lane at the Board of County Commissioners regular meeting on November 8, 2023, in Key West, Florida.

C16 Board granted approval and authorized execution of a 2nd Renewal of a Communications Site Use Agreement at Tea Table Fill with Florida Department of Transportation.

C17 Board granted approval and authorized execution of an Agreement with the State of Florida, Division of Emergency Management concerning an Emergency Management Performance Grant Agreement No. 00460, in the amount of $68,386.00, fully grant funded with no local match; and authorized the County Administrator or his designee to execute any additional documentation in relation to the grant.

C18 Board granted approval and authorized execution of Monroe County 911 Grant Application for Fall Grant Program 2023 with State of Florida E911 Board. This grant will provide funds necessary to purchase the new Geo-Diverse recording system for all four PSAPS, countywide.

C19 Board granted approval and authorized execution of a 1st Amendment to the Shopping Center Lease for Unit C-l, C-2, and C-3 at the Big Pine Shopping Center, for use as the Monroe County Community Center; to acknowledge the sale of the property from UH US Big Pine Key 2019, LLC to Big Pine Key Owner LLC, as the new owner and landlord; and to amend paragraphs 25 and 26 of the Basic Lease Terms to reflect the new addresses for notices to the landlord and for payments due to the landlord.

C20 Board granted approval and authorized execution of a 4th Amendment to the Commercial Lease Agreement for Unit B-9 at the Big Pine Shopping Center, for use as the Monroe County Big Pine Library Branch, to acknowledge the sale of the property from UH US Big Pine Key 2019, LLC to Big Pine Key Owner LLC, as the new owner and lessor, and amend the provisions in paragraphs 4.6 and 27 of the Lease to reflect the new addresses for notices to the lessor and address for rental payments.

C21 Board granted approval of the addition of a 0.63 full time equivalent position to the Facilities Maintenance Department for support of the Asset Essentials Preventative Maintenance Program.

C22 Board accepted the Report of monthly Change Orders for the month of September 2023, reviewed by the County Administrator/Assistant County Administrator. Said report is incorporated herein by reference.

C23 Board granted approval and authorized execution of an Application and Agreement for State Aid to Libraries Grant from the Florida Department of State, Division of Library and Information Services, and authorized the County Administrator to sign other required documents.

C24 Board granted approval and authorized execution of an Agreement with the State of Florida, Department of Environmental Protection, Division of Waste Management, for Small County Consolidated Solid Waste Grant No. SC423, for Fiscal Year 2023-2024, in the amount of $93,750.00.

C26 Board granted approval and authorized execution of an updated Statewide Mutual Aid Agreement between the State of Florida Division of Emergency Management and Monroe County.

C27 Board adopted the following Resolution approving and establishing the 2024 Wellness Program and funding levels, which includes health and wellness events (lunch and learns, health and wellness fairs, exercise and nutrition classes), wellness exam and age-appropriate screenings with a participation incentive that includes a tobacco cessation plan, community organized event reimbursement (walks, runs, bikes, swims), and approval of the 2024 Wellness Funding. Also provides for four hours of annual leave to Monroe County employees and participating Constitutional Officer (Property Appraiser, Court Administration, Tax Collector, Land Authority and Clerk of Court) employees who participate in the annual Health & Wellness Fair (minimum participation of biometrics and health coach visit) or visit their personal physician and complete the online Personal Health Assessment. Some Wellness events may be held online/virtually.

RESOLUTION NO. 294-2023

Said Resolution is incorporated herein by reference.

C28 Board granted approval and authorized execution of a 1st Amendment to the General Conditions of the Contract with American Empire Builders, Inc., for repairs to Boca Chica Road due to damage from Hurricane Irma, to include Article 14.5, Termination for Cause and Convenience.

C29 Board granted approval to ratify American Rescue Plan Contract No. RP-2129.3 between Alliance for Aging, Inc., and Monroe County/Social Services/In-Home Services, in the amount of $16,704.30, for the contract period of October 1, 2023 through September 30, 2024.

C30 Board granted approval and authorized execution of an Agreement No. TBMAR23-24 with Tranquility Bay Adult Day Care Corp (Marathon) to provide Facility Based Respite Services to elderly and disabled citizens residing throughout Monroe County, for the contract period of September 1, 2023 through August 31, 2024.

C31 Board granted approval to piggyback the Lake County, Florida Contract No. 22-730B with Bennett Fire Products Co., Inc., for purchase of 28 sets of Firefighter Bunker Gear, in the

amount of $102,394.43, pursuant to Chapter 7, Section E of the Monroe County Purchasing Policy, and authorized the Fire Chief to execute all necessary documents.

C32 Board granted approval and authorized execution of a 1st Amendment to Alzheimer's Disease Initiative Program Contract No. KZ-2397 between the Alliance for Aging, Inc. and Monroe County/Social Services/In-Home Services, to increase funding, in the amount of $25,264.40, bringing the contract total from $60,634.56 to $85,898.96, for the contract period of July 1, 2023 through June 30, 2024.

C33 Board granted approval of Monroe County Sheriff's Office request for expenditure of Federal Equitable Sharing Funds for Fiscal Year 2024, in the amount of $166,580.00. The funds will be used to staff several annual events that occur throughout the County. In addition, funds will be used to target specific crime prevention and investigations as needed.

C34 Board adopted the following Resolutions concerning the Transfer of Funds and the Receipt of Unanticipated Revenue:

C35 Board granted approval and authorized execution of Grant Agreement No. F0121 with the Florida Division of Emergency Management, to receive state funded appropriations for Local Emergency Management and Mitigation Initiatives Assistance No. 31.064, in the amount of $6,245,000.00, with no local match required for the period of October 18, 2023 through March 21, 2027.

C36 Board granted approval of the purchase of 911 consoles for the Emergency Operations Center in Marathon from Watson Furniture Group, Inc., and authorized the County Administrator to sign the agreement subject to ratification once the pricing is finalized. The purchase will be made through a National Association of State Procurement Officials Contract with Watson Furniture Group, Inc., once exact pricing has been finalized based on the state contract prices. Funding will be provided by Florida Department of Emergency Management, Federal Emergency Management Agency, and Florida Department of Transportation.

P6 Board granted approval of Professional Services Subscription, which upon execution becomes a Contract, with CivicPlus, LLC for full-service supplementation plus upgrade subscription of the Monroe County Code of Ordinances including online supplementation, printed copies and OrdBank subscription, effective October 1, 2023; and authorized the County Attorney to sign all necessary documents.

P7 Board granted approval and authorized execution of a Settlement and Release Agreement in *Galleon Bay Corporation v. Monroe County and State of Florida, Case No. CA K 02-595*.

P8 Board granted approval and authorized execution of the 8th Amendment to the Legal Services Agreement with the law firm of Johnson, Anselmo, Murdoch, Burke, Piper & Hochman, P.A., to increase billing rates for partners, associates and paralegals by $5.00 per hour, in line with the rate increase approved by Florida Municipal Insurance Trust for attorneys handling property and liability claims. These changes are retroactive to October 1, 2023.

P10 Board granted approval of a Settlement Agreement in the case of *Mark Barter v. Monroe County, 16th Judicial Circuit Case No. 21-CA-418-K*; and authorized the County Attorney's Office to sign all necessary settlement documents.

P12 Board granted approval to initiate litigation seeking injunctive relief and costs against 91865 Overseas Highway LLC, regarding property located at 91865 Overseas Highway, Tavernier, Florida 33070, to abate ongoing unpermitted development.

SUSTAINABILITY

S4 Board granted approval and authorized execution of a Revenue Agreement with the Florida Department of Transportation, in the amount of $513,000.00, to fund the County's 35% share of the projected $1,465,000.00 cost of the design and permitting of the U.S. 1 shoreline revetments as part of the Florida Keys Coastal Storm Risk Management Project developed by the U.S. Army Corps of Engineers and approved by the U.S. Congress for reducing coastal storm risk vulnerability in the Florida Keys.

Motion carried unanimously.

PUBLIC HEARING

Q5 Bob Shillinger, County Attorney, addressed the Board regarding a Public Hearing to consider approval of a Resolution transmitting to the State Land Planning Agency an Ordinance amending the Monroe County Future Land Use Map from residential medium to mixed use/commercial for property located at 103925, 103935, 103945, 103955, 103965 Overseas Highway, Key Largo, as proposed by Abit Holdings, LLC (File No. 2019- 029). The following individual addressed the Board: David Thompson, representing Abit Holdings, LLC. After discussion, motion was made by Commissioner Raschein and seconded by Commissioner Rice to continue the Public Hearing to the December 13, 2023 regular meeting in Key Largo. Motion carried unanimously.

The Board of County Commissioners meeting adjourned for the Board of Governors, Fire & Ambulance District 1, meeting.

FIRE & AMBULANCE DISTRICT 1
BOARD OF GOVERNORS

The Board of Governors for the Fire & Ambulance District 1 convened. Present and answering to roll call were Mayor Craig Cates, Commissioner Holly Raschein, Commissioner David Rice, Councilman Greg Lewis and Mayor Bruce Halle.

H1 Chief Jim Callahan, Monroe County Fire Rescue, addressed the Board regarding approval to award the annual lump sum bonus to the Monroe County Fire Rescue billing staff in the amount of 10% of the unloaded base salaries for billing collections for Monroe County Trauma Star Air and Ground Ambulance Transports. The bonus is based on an average collection rate of 80.48% for the period May 1, 2022 to April 30, 2023, as compared to the qualifying baseline collection rate of 33.70%. After discussion, motion was made by Commissioner Rice and seconded by Commissioner Raschein granting approval of the item. Motion carried unanimously.

H2 Motion was made by Councilman Lewis and seconded by Commissioner Raschein granting approval to piggyback the Lake County, Florida Contract No. 22-730B for purchase of 28 sets of firefighter bunker gear from Bennett Fire Products Co., Inc. in the amount of $102,394.43, pursuant to Chapter 7, Section E of the Monroe County Purchasing Policy; and authorized the Fire Chief to execute all necessary documents. Motion carried unanimously.

H3 Motion was made by Commissioner Rice and seconded by Mayor Cates adopting the following Resolution appointing and authorizing the governing body of the Fire and Ambulance District 1 designee to sign and execute requests to purchase up to, and including, the amount given to the County Administrator, Assistant County Administrator or Purchasing Director as authorized in the Monroe County Purchasing Policy. Motion carried unanimously.

RESOLUTION NO. 494-2023
Said Resolution is incorporated herein by reference.

The Board of Governors, Fire & Ambulance District 1, adjourned. The Board of County Commissioners meeting reconvened with all Commissioners present.

TAX COLLECTOR

L1 Sam Steele, CFC, Monroe County Tax Collector, gave an update on his office and presented the excess fee check to the Board.

MISCELLANEOUS BULK ITEM

C25 Judy Clarke, Director of Engineering/Roads & Bridges, addressed the Board regarding authorization for the County Administrator to execute Grant Agreement, Amendments and all related grant documents for the Florida Division of Emergency Management Legislative Pre-Disaster Mitigation Grant Program Project No. LPDM-PJ-04-FL-2022-001, Grant Agreement

No. B0200, for the Monroe County Twin Lakes Subdivision Sea Level Rise Pilot Project, in the federally appropriated grant amount of $5,484,300.00, with an expiration date of September 21, 2025. After discussion, motion was made by Commissioner Raschein and seconded by Commissioner Lincoln approving the item. Motion carried unanimously. The Board heard public input after Item M1.

ENGINEERING

M1 Antonette Adams, Program Management Administrator with Florida Department of Transportation (FDOT) District Six, gave a Power Point Presentation on the FDOT Five-Year Tentative Work Program for Fiscal Years 2024/2025 through 2028/2029. The following individuals addressed the Board: Daniel Iglesias, FDOT District Six Director of Transportation Development; and Ken Jeffries, FDOT District Six Transportation Planning Manager. Mr. Shillinger addressed the Board. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Rice acknowledging the Tentative Work Program. Motion carried unanimously.

MISCELLANEOUS BULK ITEM

C25 The following individual addressed the Board regarding approval of and authorization for the County Administrator to execute Grant Agreement, Amendments and all related grant documents for the Florida Division of Emergency Management Legislative Pre-Disaster Mitigation Grant Program Project No. LPDM-PJ-04-FL-2022-001, Grant Agreement No. B0200, for the Monroe County Twin Lakes Subdivision Sea Level Rise Pilot Project, in the federally appropriated grant amount of $5,484,300.00, with an expiration date of September 21, 2025: Stephanie Russo.

STAFF REPORT

E1 Richard Clark, Director of Transit, and Murriah Dekle, Assistant Vice President & Transportation Planner, with WSP USA, Inc. gave a Power Point Presentation on *Monroe County Transit*.

COUNTY ADMINISTRATOR

O6 Rhonda Haag, Chief Resilience Officer, and Daniel Iglesias, Florida Department of Transportation, District Six, Director of Transportation Development, addressed the Board regarding a Design Agreement with the United States Army Corps of Engineers (USACE), for the design and permitting of the U.S. 1 shoreline revetments as part of the Florida Keys Coastal Storm Risk Management Project, in the amount of $1,465,000.00, with the USACE share of such costs projected to be $952,000.00, and the County's share projected to be $513,000.00. The project was developed by USACE and approved by the U.S. Congress for reducing coastal storm risk vulnerability in the Florida Keys. After discussion, motion was made by Commissioner Raschein and seconded by Commissioner Rice approving the Agreement. Motion carried unanimously.

LEGISLATIVE AFFAIRS

S2 Lisa Tennyson, Director of Legislative Affairs and Grants Acquisition, gave a Power Point Presentation on the 2024 Legislative Session Overview.

COUNTY ADMINISTRATOR

O4 Mr. Shillinger, Tina Boan, Senior Director of Budget and Finance, and Lindsey Ballard, County Administration Business Manager, addressed the Board regarding the Board of County Commissioners monthly meeting dates for 2024. January 17 and 18, to be held January 24;
February 21 and 22, to be held February 15;
March 20 meeting, to begin at 1:00 p.m.;
June 19 and 20 removed from the calendar;
November 20 and 21, to be held November 19; and
December 18 and 19, to be held December 11.

Motion carried unanimously. Said meeting dates are attached hereto.

PUBLIC HEARINGS

Emily Schemper, Senior Director of Planning and Environmental Resources, addressed the Board concerning the following three items, Q1, Q2 and Q3:

Q1 A Public Hearing was held to consider an Ordinance adopting Amendments to the Monroe County Year 2030 Comprehensive Plan to create Goal 112, Objectives 112.1 and 112.2, and Policies 112.1.1 and 112.2.1 establishing site-specific development standards and deviations as well as exemptions from adopted land use and development standards for Ocean Reef, as proposed by Ocean Reef Club, Inc., and Ocean Reef Community Association.

Q2 A Public Hearing was held to consider an Ordinance amending Monroe County Land Development Code Section 130-141 to create the Ocean Reef Overlay District and establish a purpose and intent, boundary, exemptions for nonconforming uses and structures, exemptions from development standards established within Land Development Code Chapter 114, and modifications to setbacks for accessory structures as proposed by Smith Hawks, PL on behalf of the applicant, Ocean Reef Club, Inc.

Q3 A Public Hearing was held to consider an Ordinance amending the Monroe County Land Use District (Zoning) Map to apply the Ocean Reef Overlay District for properties located at approximately 100 Anchor Drive, 30 Ocean Reef Drive, 90 Andros Road, 101 Andros Road,

Beach Road, Ocean Reef Drive, 301 Ocean Reef Drive, 650 Beach Road, 314 Anchor Drive, 1 Dockside Lane, 31 Ocean Reef Drive, 2 Dockside Drive, 395 South Harbor Drive, 100 Country Club Road, 120 Nirvana Lane, 100 Nirvana Lane, Torchwood Lane, 212 Anchor Drive and 314 Anchor Drive, Key Largo, Monroe County, Florida, currently having property identification numbers 00572797-003600, 00572795-001000, 00570460-000000,00570450-000000,00569510-000000,00569500-000000,00569480-000000,00569490-000000,00569470-000000,00569480-000000,00569482-000000, 00081780-000300,00081760-000100,00081760-000000,00081880-000100,00081760-000200, 00081740-000500, 00081720-000000, 00081710-000000 and 00572797-003800; as proposed by Smith Hawks, PL on behalf of Ocean Reef Club, Inc., Yachtsman Inn Land, LLC, O.R. Business Center, LLC and Golf Manor IA Condominium.

There was no public input. After discussion, motion was made by Commissioner Rice and seconded by Commissioner Lincoln to adopt the following Ordinances:

Q1 An Ordinance adopting Amendments to the Monroe County Year 2030 Comprehensive Plan to create Goal 112, Objectives 112.1 and 112.2, and Policies 112.1.1 and 112.2.1 establishing site-specific development standards and deviations as well as exemptions from adopted land use and development standards for Ocean Reef, as proposed by Ocean Reef Club, Inc., and Ocean Reef Community Association.

ORDINANCE NO. 021-2023

Said Ordinance is incorporated herein by reference.

Q2 An Ordinance amending Monroe County Land Development Code Section 130-141 to create the Ocean Reef Overlay District and establish a purpose and intent, boundary, exemptions for nonconforming uses and structures, exemptions from development standards established within Land Development Code Chapter 114, and modifications to setbacks for accessory structures as proposed by Smith Hawks, PL on behalf of the applicant, Ocean Reef Club, Inc.

ORDINANCE NO. 022-2023

Said Ordinance is incorporated herein by reference.

Q3 An Ordinance amending the Monroe County Land Use District (Zoning) Map to apply the Ocean Reef Overlay District for properties located at approximately 100 Anchor Drive, 30 Ocean Reef Drive, 90 Andros Road, 101 Andros Road, Beach Road, Ocean Reef Drive, 301 Ocean Reef Drive, 650 Beach Road, 314 Anchor Drive, 1 Dockside Lane, 31 Ocean Reef Drive, 2 Dockside Drive, 395 South Harbor Drive, 100 Country Club Road, 120 Nirvana Lane, 100 Nirvana Lane, Torchwood Lane, 212 Anchor Drive and 314 Anchor Drive, Key Largo, Monroe County, Florida, currently having property identification numbers 00572797-003600, 00572795-001000, 00570460-000000,00570450-000000,00569510-000000,00569500-000000,00569480-000000,00569490-000000,00569470-000000,00569480-000000,00569482-000000, 00081780-000300,00081760-000100,00081760-000000,00081880-000100,00081760-000200, 00081740-000500, 00081720-000000, 00081710-000000 and 00572797-003800; as proposed by Smith Hawks, PL on behalf of Ocean Reef Club, Inc., Yachtsman Inn Land, LLC, O.R. Business Center, LLC and Golf Manor IA Condominium.

ORDINANCE NO. 023-2023
Said Ordinance is incorporated herein by reference.

Motion carried unanimously.

Q4 A Public Hearing was held to consider approval of a Resolution transmitting to the State Land Planning Agency an Ordinance amending the Monroe County Future Land Use Map from residential medium to mixed use/commercial for property located at 103301 Overseas Highway, Key Largo, as proposed by Irwin Holdings 103301, LLC, File No. 2023-081. The following individual addressed the Board: Jim Saunders, representing Irwin Holdings, LLC. Ms. Schemper gave a Power Point Presentation. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Raschein adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 495-2023
Said Resolution is incorporated herein by reference.

Q6 A Public Hearing was held to consider an Ordinance amending section 18-27(h) of Chapter 18, Parks and Recreation, of the Monroe County Code of Ordinances, to modify the boat ramp and admission fees for non-Monroe County residents on weekends, holidays, and during the annual two-day Lobster Mini Season at Harry Harris Park. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 024-2023
Said Ordinance is incorporated herein by reference.

Q7 A Public Hearing was held to consider an Ordinance amending the introduction, background, and glossary of the 2030 Monroe County Comprehensive Plan to clarify the continuing application of the Monroe County 2030 Comprehensive Plan to development, to clarify the General and Defined Terms sections, and to clarify construction of conflicts with the Monroe County Code(s). Ms. Schemper gave a Power Point Presentation. There was no public input. After discussion, motion was made by Commissioner Scholl and seconded by Commissioner Rice adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 025-2023
Said Ordinance is incorporated herein by reference.

Q8 A Public Hearing was held to consider an Ordinance amending Section 22-129 of the Monroe County Code to allow for, and to grant, purchasing authority to the Fire and Ambulance District 1 Board of Governors' designee. There was no public input. Motion was made by Commissioner Scholl and seconded by Commissioner Raschein adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 026-2023
Said Ordinance is incorporated herein by reference.

COUNTY ATTORNEY

P1 Mr. Shillinger addressed the Board with the County Attorney Report for the month of October 2023, and gave an update on the Judicial Circuit Assessment Committee meeting regarding the proposed consolidation of Circuit 11 and Circuit 16. Said report is incorporated herein by reference.

Mr. Shillinger requested to hold an Attorney-Client Closed Session in the matter of *Pirates Cove Property Owners and Boating Association, Inc., Landings of Largo Condominium Association, Inc., Alice Gahagen, George Rhyne, John Gibson, Joe Harris, Jr., Jeanne Carballo, William Wrubleski, Jodiene Koblenzer, Julie Berry, Donald Bower, Jr., Joann Smenda, Dorothy Mueller, Leslie Patterson, Charles Gomez, and Kevin Rowe v. Monroe County, Archer Berry, and Daniel Berry, Jr., Case No. 23-CA-365-P,* and read the required language into the record. Motion was made by Commissioner Rice and seconded by Commissioner Scholl granting approval to hold the closed session at the regularly scheduled November 8, 2023 meeting in Key West, Florida, at 9:00 a.m. or as soon thereafter as may be heard. Motion carried unanimously.

P5 Nathalia Mellies Archer, Assistant County Attorney, and Mr. Shillinger addressed the Board regarding Senate Bill 170, which amended Florida Statute 125.66 during the 2023 Legislative session, requiring the County to prepare a Business Impact Estimate prior to considering an Ordinance, with certain exceptions. The Board took no official action.

COUNTY ADMINISTRATOR

O2 Motion was made by Commissioner Raschein and seconded by Commissioner Lincoln granting approval of the Monroe County 2024 State Legislative Agenda. Motion carried unanimously.

COUNTY ATTORNEY

P9 Mr. Shillinger gave the Board a Charter County update. The Board took no official action.

P11 Mr. Shillinger requested to hold an Attorney-Client Closed Session in the matter of *Monroe County, Florida v. DGW Corporation, 16th Judicial Circuit Case No. 23-CA-249-M* and read the required language into the record. Motion was made by Commissioner Scholl and seconded by Commissioner Rice granting approval to hold the closed session at the regularly scheduled November 8, 2023 meeting in Key West, Florida, at 9:00 a.m. or as soon thereafter as may be heard. Motion carried unanimously.

There being no further business, the meeting of the Board of County Commissioners was adjourned.

Kevin Madok, CPA
Clerk and ex-officio Clerk to the
Board of County Commissioners
Monroe County, Florida
Liz Yongue, D.C.

Section 1.02(a) of the BOCC Administrative Procedures establishes Wednesdays as the preferred day for BOCC meetings and noticing the next day as an additional meeting day in an abundance of caution should a second day prove necessary.

**** Section 1.04(a) of the BOCC Administrative Procedures states that: "The November meeting in election years must be on the date newly elected commissioners assume office as provided by law." F.S. 100.041(2) states that a commissioner's terms starts on the second Tuesday following election.**

Staff recommended meeting dates highlighted in yellow.

All meetings begin at 9:00 a.m. – need to discuss start time (possibly move to 1pm (or 10 am) for KW & KL Meetings)

CAUTION: This email originated from outside of the County. Whether you know the sender or not, do not click links or open attachments you were not expecting.

Zully,

Plus may want to include brief explain why dispose when still has a book value.

Will try to get on the Feb 2024 BOCC agenda (02/06/24 deadline)

Then need BOCC's ok + notes/support

Then I send you destruction cert for you to destroy.

Subject:	Inventory Deletion Request
Attachments:	1.17.24 ASSET DELETE REQUEST Wireless transmitters (4).pdf

Good morning Michael,

As discussed, attached is an inventory deletion request form.
The County ID numbers do not exist on the Workday assets, as you know.
Since this is a non-transfer type of asset, we appreciate you taking this item(s) before the BOCC.
When its approved, we will sign the proper disposal/destruction forms.

Thank you,

Zully K. Hemeyer

9-10	Airport Finance Team Meeting
11	Meeting at NAS Key West with Base Commander to discuss Class C Airspace
16-18	Aviation Risk Management Conference
19	Tony Janus Annual Retreat
22-23	FAA ADO Meeting
25	Concourse A Design Team Meeting
31-Feb 2	FAA Part 139 Certification of Airports Annual Inspection
	Florida Keys Marathon International Airport
15	NTP Terminal Chiller Replacement
22-31	Phase 1 – Tree Clearing for Runway Relocation
29-31	FAA Part 139 Certification of Airports Annual Inspection

Extension Services:
Number of services provided: 35 phone calls, 105 emails, 28 one on one consults, 12 office visits/visits to clients, 28 learning events with 351 participants, 9 media submissions, and 158 publications distributed. Total Budget for FY 23/24: $286,482; Year to Date Expenditures and Encumbrances: $145,289; Remaining Balance: $141,193; Percentage of budget spent and/or encumbered year-to-date: 50.7%

The County Extension Director/Family & Community Development Agent accomplished the following activities:

- Alicia and intern Victoria are working with communities designated by FEMA Community Disaster Redevelopment Zones (CDRZ) to show them how to access technical assistance and funding specifically for them. They are working with 13 CDRZ communities in South East Florida under the Climate Navigators project.

- Alicia is continuing work on the Climate Pollution Reduction Grant and the advisory team has identified projects that will be drafted into the Priority Action Plan. This plan will be completed in March 2024. The identified projects include high-priority, near-term emissions reductions.
- Alicia presented Preparing for Climate Change; Steps, Strategies, and Methods to 42 nationally recognized Extension specialists, researchers, and agents. This workshop was in preparation for developing a Cooperative Extension Climate Framework in February.
- Alicia spoke on the radio about easy New Year's resolutions.

The Florida Sea Grant Marine Extension Agent accomplished the following activities:

- Shelly presented to over 115 attendees on Florida Keys Water Watch Sponge Restoration Aquaculture at the Florida Sea Grant Symposium. University of Florida leadership was well represented, researchers, students, and faculty at this biannual event in Gainesville.
- Shelly is a technical advisor for the Florida Department of Environmental Protection Biscayne Bay Aquatic Preserve sponge advisory board. They held their inaugural meeting to start planning an EPA-grant funded pilot project to restore sponges in the Bay. Shelly and the FWC were on hand to help with technical considerations on the new methods they are considering and the sponge species to choose.
- Shelly assisted Dr. Steven Scyphers' group from the University of South Alabama reach relevant stakeholder groups for interviews at Key West City Hall and other locations related to a NOAA Adaptations Sciences Program grant. The objectives are to research end-users involved in conservation, community planning, and climate adaptation. The group of 6 were in Monroe County for a week to talk to residents and resource managers to understand stakeholder attitudes regarding the benefits, consequences, and trade-offs of coastal flood protection decisions across diverse social and environmental contexts.
- The South Atlantic Fishery Management Council communication staff were in Key West where they were scanning historic fishing photos at the Florida Keys Seafood Festival. People interested in having their photos scanned can contact our office. If you are interested in looking at Monroe County historical photos, the Florida Keys History Center has an amazing repository online at https://www.flickr.com/search/?user_id=97623182%40N00&view_all=1&text=fishing. Many thanks to Dr. Corey Malcom for providing these resources!

The Environmental Horticulture Extension Agent accomplished the following activities:

- In January, Maria Quirico engaged in various community engagement and education activities. Highlights include the radio interview on US 1 Radio, the plant walk with Master Gardeners, and attending meetings to enhance personal and team effectiveness. Moreover, on January 18th, Maria had a meeting with the Montessori school and the Key West Tropical Forest and Botanical Garden to organize the native plant labeling of the Key West City Hall gardens, further strengthening collaborations and initiatives aimed at promoting native plant species and environmental awareness within the local community. Additionally, Maria visited plant clinics to offer support and guidance, underscoring her commitment to horticultural education and outreach. Participation in events like the Master Gardeners gathering and the Native Plant Day further solidifies Maria's dedication to promoting sustainable gardening practices and environmental stewardship within the community.

Monthly Activity Report – January 2024

Fire Rescue

- Conducted a walkthrough of the Long Key Bridge Rescue Plan for work being performed on the water line under the bridge with the Florida Keys Aqueduct Authority.
- Participated in Securing the Cities (STC) Miami Region Tabletop Exercise related to Preventative Radiological/Nuclear Detection concept operations with Miami-Dade County, Broward County and Palm Beach County fire rescue and police departments.
- Crew members from Station 11 participated in the Keys to Be the Change Reading Program at the Sugarloaf Elementary School, on Sugarloaf Key.
- Crew members from Station 13 participated in the Big Pine Athletic Association Opening Day at the Big Pine Community Park.
- Crewmembers from Station 13 provided a tour and presentation of the facility and apparatus to the iStroll 7-Mile group from the neighboring community.
- Crew members from Station 13 made a presentation to the attendees of the Parks & Beaches Winter Camp at the Big Pine Community Park.
- Crew members from Station 13 attended the Reading event at the Big Pine Library with the Big Pine Boys & Girls Club.
- Crew members from Station 22 provided medical support for those attending the Wounded Warrior Ride, which started at the Key Largo VFW Post 10211 to the Veterans Memorial Beach on the South end of the Seven Mile Bridge.

Trauma Star / EMS

- Conducted Quality Assurance meetings with Lower Keys Medical Center and Baptist Health, including Fisherman's and Mariners hospitals.
- Quality Assurance/Quality Management team reviewed 100% of patient care reports, to include clerical errors, paramedic follow up and feedback to improve and enhance patient care documentation.
- Two (2) Paramedics completed MCFR's comprehensive Paramedic Preceptor Program.
- Completed application for EMS state grant funding with the Department of Health to enhance Emergency Medical Services for our residents and visitors.
- Attended the Keys Health Ready Coalition meeting. KHRC serves as a multi-agency coordination group that focuses on health-related emergency preparedness that strengthens the health system's ability to respond to emergencies and disasters in Monroe County.
- Conducted a meeting with Baptist Stroke Program coordinators to expand MCFR's feedback data on stroke patient outcomes. These outcomes will meet the QA team's strategic goal to improve patient care and delivery by providing patient outcomes to the Crew members that initiated the care and stroke alert.

- Three (3) personnel attended the quarterly EMS state meetings, the EMS Chief's meeting, Critical Care Committee meetings, and EMS advisory council meetings.
- Conducted Flight team monthly meeting which included Quality Assurance and documentation guidelines/feedback, upcoming training, and communications.
- Taught a First Aid / CPR/ Stop the bleed course to thirty (30) Safety Patrol children at Stanley Switlik Elementary.
- Initiated Licensing process for MCFR to teach American Red Cross training courses, this will expand our American Heart Association training to include Red Cross certifications.
- Participated in University of Miami Gordon Center for Research and Educations Commission on Accreditation for Prehospital Continuing Education
- CAPCE Site review for re-accreditation. CAPCE is an accrediting body charged with the review and accreditation of EMS continuing education (CE) programs.

Key West International Airport / Fire Station 7

- Attended each of the EYW Operations Meetings, Construction Meetings, Airlines Meeting and Airport Tenant Meeting.
- Completed the annual FAA Safety Inspection for EYW airfield, fueling practices, and ARFF (equipment / records / training / personnel).
- Attended Florida Keys Marathon International Airport annual AEP Review and Tabletop Exercise.
- Completed fire extinguisher training for airport fueling personnel.
- Attended the annual EYW SIDA Badge Signatory Training.
- Attended the initial 2025 NAS Airshow Planning Meeting.
- Began daily inspection of wheeled B:C extinguishers at each aircraft gate.

Fire/EMS Training

- Conducted Facility and Live Fire Training, required for firefighters, with Crew members from Stations 22, 18, 11, 10 and 8 participating.
- Continued Field Training Action Plan "TAPS" for consistent training by Company Officers that corresponds with industry standard training drills.
- Provided national standard curriculum classroom and road training course for Emergency Vehicle Operation Certification (EVOC), conducted testing and final sign-off for 17 Fire Rescue Driver Operators.
- Paramedic Preceptor Program completed for two Firefighter, including testing and approval by Medical Director.
- Facilitated a Fire Chemistry Course providing prerequisite credits for firefighters towards Fire Investigator and Fire Safety Inspector II certification, taught by Fire Marshal.
- Facilitated the National Incident Command System (ICS) 300 class conducted by the State's Emergency Management Department in coordination with the County's Emergency Management Department.
- Monroe County Sheriff's Office SWAT held training drills for 10 of their members at the Fire Academy.

Fire Marshal's Office

- Conducted Plans Reviews and Inspections for New Construction and Renovation Permits for the building departments in Ocean Reef, the Upper Keys, Middle Keys, and the Lower Keys.
- Provided annual Fire and Life Safety inspections to commercial properties.
- Conducted Vacation Rental Fire and Life Safety inspections for residential properties.
- Attended the monthly Development Review Committee meeting held by the Planning Department and provided four letters of coordination for new projects.
- Taught the Fire Chemistry Course to firefighters enabling those seeking Fire Investigator and Fire Safety Inspector II certifications to obtain prerequisite credits.

STAFF CONTACT: Lindsey Ballard

AGENDA ITEM WORDING: Approval of the 5th amendment to the Employment Agreement of Roman Gastesi, dated April 16, 2008, to waive the 60 days notice period for resignation in paragraph 7.G. and to accept his resignation effect effective February 23, 2024.

ITEM BACKGROUND:
Mr. Gastesi has tendered his resignation as County Administrator effective February 23, 2024. He plans to retire 7 months, 25 days prior to the expiration of his current contract. Paragraph 7.G. of his original employment agreement requires that he provide the BOCC 60 days notice of his resignation or "forfeit the pay of the accrued sick and personal leave." The 5th amendment to the contract waives that 60 day notice requirement. That provision has survived the previous 4 amendments to Mr. Gastesi's employment agreement.

PREVIOUS RELEVANT BOCC ACTION:
Original Employment Agreement approved on April 16, 2008.
1st amendment approved on June 29, 2010
2nd amendment approved on December 14, 2011
3rd Amendment approved on December 9, 2015
4th Amendment approved on August 21, 2019

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:
The 5th amendment waives the 60 day notice requirement in paragraph 7.G. for the Administrator to give to tender his resignation. By entering into this agreement, Mr. Gastesi will not have to forfeit entitlement to receive a payout for his accrued sick and personal leave.

STAFF RECOMMENDATION: Approval.

DOCUMENTATION:

5th Amendment Gastesi.docx

FINANCIAL IMPACT:
Payroll estimates that the amendment will cost $136,466.85 in payment of accumulated sick and vacation time.

FIFTH AMENDMENT TO THE EMPLOYMENT AGREEMENT OF COUNTY ADMINISTRATOR

THIS FIFTH AMENDMENT ("Amendment") to the Employment Agreement between Monroe County, Florida and Roman Gastesi for the Position of County Administrator is entered into February 21, 2024 ("Effective Date"), by and between Monroe County, Florida, acting through its Board of County Commissioners ("Board or "BOCC"), a political subdivision of the State of Florida, and Roman Gastesi ("Administrator") (hereinafter collectively, the "Parties").

WHEREAS, on April 16, 2008, the Parties entered into an Employment Agreement with the Administrator, subsequently amended in 2010, 2011, 2015, and 2019, including contract extensions through May 8, 2024; and

WHEREAS, paragraph 7(G) of the Employment Agreement ("Agreement"), as currently drafted, states the Agreement will be terminated upon the effective date of resignation by the County Administrator, but requires the Administrator to forfeit the payment of accrued sick and vacation leave in the event that he does not give at least sixty (60) days' written notice to the BOCC; and

WHEREAS, the Administrator desires to resign effective February 23, 2024; and

WHEREAS, the Board wishes to accept his resignation without the forfeiture of accrued sick and vacation leave.

NOW THEREFORE, IN CONSIDERATION of the covenants and promises contained herein, the PARTIES hereby agree as follows:

1. A new Paragraph 7(I) in the Agreement is added to the Agreement, to read as follows:

I. Notwithstanding any language to the contrary anywhere in this Agreement, including specifically the language contained in paragraph 7(G) of this Agreement, the Board of County Commissioners reserves the right to waive the sixty (60) day notice requirement contained in paragraph 7(G) of this Agreement and to accept the resignation of the Administrator without requiring forfeiture of accrued sick and personal leave.

2. By entering in this Fifth Amendment, the Board accepts the resignation of the Administrator effective February 23, 2024 and waives the sixty (60) day notice requirement in paragraph 7(G).

3. In all other respects, the terms and conditions set forth in the Employment Agreement between Monroe County Board of County Commissioners and Roman Gastesi remain in full force and effect.

WHEREFORE, the parties hereto have signed and sealed this agreement on the date first above written.

AGENDA ITEM WORDING: Approval of a letter of support to Florida Senators and Representatives signed by Mayor Merrill Raschein on January 26, 2024 as part of a 4-county effort of the Southeast Florida Climate Compact to support funding of the comprehensive study of the Central and Southern Florida Flood Control Project, which has been authorized by Congress via the 2022 Water Resources Development Act but is not yet funded.

ITEM BACKGROUND:
The SE Florida Climate Compact requested a letter of support from each of the four Compact counties for support for funding of the Central & Southern Florida (C&SF) Project. The first vital effort is the C&SF Flood Resiliency Section 216 Study (Section 216 Study), which is anticipated to focus on salinity control structures along the coast to reduce the most immediate risk to changing conditions. This study is underway but requires additional funding. The second vital effort is the comprehensive study of the entire C&SF flood control project that has been authorized by Congress via the 2022 Water Resources Development Act, but is not funded at this time. This broader more comprehensive study will expand the overall assessment to the broader C&SF System, with additional focus on storage and conveyance within the system.

Flood risk and losses are not only fueling a rise in flood insurance costs but escalating the cost of auto insurance as well. The financial pressures are severe and crippling for many households. The C&SF Project is integral to the entirety of resilience efforts being undertaken across our region. It is imperative that the C&SF Projects be fully supported in a timely manner to provide current and future flood protection, and the cascading exposures and losses that come with delay.

Re: Support for the Central and South Florida Project Studies

Dear Florida Senators and Representatives:

Thank you for your ongoing support of two critical U.S. Army Corps of Engineers (USACE) studies of the Central and Southern Florida (C&SF) Flood Control Project to collectively to address immediate flood risks in South Florida. As you know, the C&SF Flood Control Project was authorized in 1948 – more than 70 years ago – and has served as an invaluable contributor to the economic success of South Florida, including Broward, Miami-Dade, Monroe, and Palm Beach counties. However, it was designed to deliver flood protection for 2 million residents, not the 11 million it currently serves, nor the estimated 15 million people who are expected to live in the region in 30 years. Today, the C&SF system is under substantial stress due

to changes in the physical environment, especially increased rainfall intensity and rising sea levels. Stormwater severely strains the system and sea level rise significantly threatens project operations. Without a fully functioning flood control system, South Florida's citizens, economy, and broader environment will be at risk.

The first vital effort is the C&SF Flood Resiliency Section 216 Study (Section 216 Study) which is anticipated to focus on salinity control structures along the coast to reduce the most immediate risk to changing conditions. This study is underway but requires additional funding. The second vital effort is the comprehensive study of the entire C&SF flood control project that has been authorized by Congress via the 2022 Water Resources Development Act, but unfortunately is not funded at this time. This broader more comprehensive study will expand the overall assessment to the broader C&SF System, with additional focus on storage and conveyance within the system.

Flood risk and losses are not only fueling a rise in flood insurance costs but escalating the cost of auto insurance as well. The financial pressures are severe and crippling for many households. The C&SF Project is integral to the entirety of resilience efforts being undertaken across our region. It is imperative that the C&SF Projects be fully supported in a timely manner to provide current and future flood protection, and the cascading exposures and losses that come with delay.

Thank you for your strong support to address ongoing flooding concerns in South Florida.We will continue to monitor this vital issue for our community and look forward to addressing to Southeast Florida's aging water management infrastructure.

Sincerely,

Maria Sachs

AGENDA ITEM WORDING: Approval of Third Amendment to Interchange Agreement with the Village of Islamorada, to extend the Agreement for an additional up to sixty (60) days from March 9, 2024 to May 8, 2024; continuing to assign Senior Director Kimberly Matthews to the position; authorization for County Administrator to sign necessary documents.

ITEM BACKGROUND:
On 8/7/2023, the County entered into an Interchange Agreement with the Village of Islamorada, to loan Employee Services Director Bryan Cook to the Village to serve as an Interim Village Manager on a temporary basis while the Village began a search for a new Village Manager. Interchange Agreements between public employers (state and local governments) are allowed under F.S. 112.24. The Agreement was ratified by the BOCC at its 9/6/2023 meeting.

The Interchange Agreement provided that the initial term was 60 days, and then thereafter the Agreement could be renewed by each of the parties every 60 days. On 9/28/2023, the Village voted to approve the First Amendment, which extends the term of Agreement by up to 60 days through 12/6/2023, and replaces Bryan Cook as Interim Village Manager with Ed Koconis, Administrative Director. A Second Amendment was approved by the BOCC at the 11/8/2023 meeting, extending the Agreement to March 8, 2024. The Second Amendment also provided that Senior Director of Strategic Planning & Director of Libraries Kimberly Matthews would be assigned to serve in the Interim Village Manager position beginning January 8, 2024; and adding a clause providing that the Agreement could be terminated on 14 days' notice upon mutual agreement of the County Administrator and the Village Mayor.

This Third Amendment extends the Employee Interchange Agreement by up to sixty (60) days, through May 8, 2024. Senior Director Kimberly Matthews remains in the Interim position.

All other terms in the Interchange Agreement will remain the same.

The Third Amendment is on the agenda for Village approval at its February 13, 2024 meeting.

PREVIOUS RELEVANT BOCC ACTION:
9/6/2023: BOCC ratification of Employee Interchange Agreement.

10/18/2023: BOCC ratification of First Amendment to Employee Interchange Agreement.

11/8/2023: BOCC approval of Second Amendment.

EMPLOYEE INTERCHANGE AGREEMENT
(ISLAMORADA, VILLAGE OF ISLANDS)

THIS EMPLOYEE INTERCHANGE AGREEMENT (hereinafter "Agreement") is made and entered into this 3rd day of August 2023, by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL, 33040 (hereinafter "County"), and Islamorada, Village of Islands, a municipality organized under the laws of the State of Florida, whose address is 86800 Overseas Highway, Islamorada, FL 33036 (hereinafter "Village") (hereinafter, when referred to individually as "Party" or collectively as "Parties).

WITNESSETH

WHEREAS, Chapter 112, Part II, Florida Statutes, authorizes the interchange of employees between governments, including counties and municipalities; and

WHEREAS, Section 112.24, Florida Statutes, provides that the details of an employee interchange shall be the subject of an agreement between a sending agency and a receiving agency;

WHEREAS, the Village has requested and the County has offered to provide assistance in the form of supplying an Interim Village Manager, to provide management while the Village conducts a search for a Village Manager; and

WHEREAS, the County, as the sending agency, wishes to assign Bryan 'Cook ("Cook"), Director of Employee Services for Monroe County, to the Village as receiving agency, to serve as Interim Village Manager; and

WHEREAS, the Parties see a benefit and a public purpose in having Cook temporarily assigned to the Village for the purposes outlined above, and wish to set forth the details of the temporary assignment in an interlocal agreement.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Parties agree as follows:

RECITALS

1. PURPOSE. The purpose of this Agreement is to allow for the assignment of Bryan Cook ("Cook") to serve as an Interim Village Manager, to perform and exercise the powers and duties set forth in Section 7(3) of the Village Charter, and more fully outlined herein and in the Village Manager job description, attached as Exhibit "A."

2. AUTHORITY. The County is authorized pursuant to F.S. 125.01, its home rule powers, and F.S. 112.24, which permits the intergovernmental interchange of governmental employees, to enter into this Agreement. The Village is authorized pursuant to F.S. 166.021(1) and F.S. 112.24 to do the same.

3. TERM OF AGREEMENT: Pursuant to F.S. 112.24, the term of this Agreement shall begin on August 7, 2023 ("Effective Date"), and shall remain in effect for an initial period of sixty (60) days ("Initial Term"). Pursuant to F.S. 112.24(2), the Agreement will be reviewed by the Village prior to the expiration of the Initial Term, at which time the Agreement may be extended for a subsequent term of sixty (60) days upon the approval of the Village Council and with the approval of the Monroe County Administrator, who is delegated authority to execute the extension. After the Initial Term, and for as long as the Agreement is in effect, the Agreement will be reviewed periodically no later than every sixty (60) days by the Village Council to determine whether the Village wishes to renew the Agreement, and may be extended for successive terms not to exceed sixty (60) days, with the written approval of the Village Council and County Administrator. Pursuant to F.S. 112.24, regardless of the number of extensions granted beyond the Initial Term, the Agreement shall not exceed two (2) years and three (3) months. Moreover, the continuation of this Agreement beyond the end of any County fiscal year is subject to both the appropriation and the availability of funds by the Board of County Commissioners in accordance with Chapter 129, Florida Statutes.

4. DUTIES: Cook shall perform the functions and duties specified in the Village's Charter, including without limitation the powers and duties enumerated in Section 7(3) of the Village Charter, as well as applicable sections of the Village Code-, and shall perform other legally permissible and proper duties and functions, as requested from time to time by the Village Council, and as more fully articulated in Exhibit "A". Cook shall comply at all times with Chapter 112, part III (Sections 112.311 et seq.) of Florida Statutes, the Florida Code of Ethics, as set forth in Section 2-52 of the Islamorada Code of Ordinances.

5. SALARIES AND BENEFITS: Salary and benefits for Cook for the time spent working on matters for the Village shall be administered as set forth below.

a. Cook shall remain a full-time exempt employee of Monroe County.

b. Division of Time: Cook shall expend as much time as is required by the Village during the term of this Agreement, up to 100% of Cook's time during a work week. The County and Cook understand that Cook's primary responsibility during the term of this Agreement will be to the Village.

c. Salary:

   i. Each work week, the number of hours spent working for the Village shall be calculated as a percentage of total hours worked by Cook. For the percentage of hours spent by Cook working on Village matters, Cook shall be entitled to compensation at the annual rate of two hundred forty-eight thousand dollars ($248,000.00) ("Village Share"), and for the percentage of hours spent by Cook working on Monroe County matters, Cook shall be entitled to compensation at his current rate of pay, subject to language about salary increases as is set forth below ("County Share"). Cook shall document his Village Share and County Share on forms approved by the respective Human Resources department of each Party.

ii. The County shall issue pay Cook for the combined amount of the Village Share and the County Share in accordance with the County's payroll policies, which provides for employees to be paid two weeks in arrear at the conclusion of the County's existing biweekly pay periods. The County shall then issue an invoice to the Village and the Village shall reimburse the County for the Village Share, which shall include the employer's share of all applicable employment taxes and other mandatory contributions, including mandatory employer contributions to Cook's Florida Retirement System account.

d. In all respects, Cook shall be governed by terms and conditions set forth in the Monroe County Personnel Policies and Procedures Manual ("Manual").

e. Leave: Cook shall continue to accrue annual (vacation) and sick leave in accordance with the terms and conditions set forth in the Manual. The County shall bear the financial responsibility for payment of accrued leave, including hours attributable to the Village Share.

f. Unemployment: The Parties will jointly be responsible for the payment of unemployment benefits on a pro rata basis in proportion to the wages paid to Cook by the Parties. The County is a reimbursing employer. Therefore, in the event that Cook is awarded unemployment benefits pursuant to Chapter 443, Florida Statutes, the Village will be responsible for reimbursing the County for its proportionate share of unemployment benefits, if such benefits are paid.

g. Medical Insurance, Pharmaceutical Plan, Life Insurance, and Voluntary Benefits: Cook will continue to be eligible to participate in the Monroe County's medical insurance, pharmaceutical plan, County-provided basic life insurance and AD&D, and voluntary benefits (dental, vision, supplemental life) on the same terms and conditions as other County employees. Except as outlined elsewhere in this Agreement, the responsibility for payment for and provision of all benefits shall remain the sole responsibility of the County.

h. Workers' Compensation (F.S. 112.30(4)): In the event of injury or death in the performance of Cook's duties for the Village for an incident that arises out of the course and scope of work performed by the Village, the employee shall be treated as an employee of Monroe County and Monroe County as the sending agency shall be solely responsible for providing the workers' compensation benefits without reimbursement by the Village. The Village shall promptly notify the County of Cook's injury or death.

i. Travel Benefits: Cook shall be entitled to travel, per diem and lodging benefits as allowed by Monroe County Code section 2-106 *et seq.*.

j. The Village shall provide an established work area and all other necessary equipment and supplies for Cook to perform his job duties as Interim Village Manager. The Village shall provide a laptop computer for Cook's exclusive use. The costs of acquiring and using the computer shall be paid for by the Village. The work area and

all other necessary equipment and supplies provided by the Village shall be used solely for Village purposes.

6. INDEMNIFICATION: Subject to and without waiving the limitation contained in Section 768.28, the Village agrees to be liable for any and all damages proximately caused by the acts, omission, or wrongful acts of its elected officials, employees or agents, and agrees to defend, indemnify, and hold harmless the County from any and all claims arising out of the wrongful acts or inactions of the Village. Subject to and without waiving the provisions of Section 768.28, Florida Statutes, the County agrees to be liable for any and all damages proximately caused by the acts, omission, or wrongful acts of its employees or agents, and agrees to defend, indemnify, and hold harmless the Village from any and all claims arising out of the wrongful acts or inactions of County. Nothing herein is intended to serve as a waiver of sovereign immunity by either of the Parties. Notwithstanding the above provisions, the Village shall not be obligated to indemnify, defend, or hold Cook harmless from any claims of any nature arising out of Cook's malfeasance, or from injury or property damage caused by the intentional misconduct of Cook. This indemnification provision shall survive the termination of this Agreement.

7. INSURANCE: The Village shall provide a general liability insurance to cover all incidents occurring in the course and scope of work performed for the Village by Cook during the term of this Agreement, in the minimum amount of $1,000,000 per occurrence.

8. BONDS: The Village shall obtain a fidelity bond and any other applicable bonds covering work performed by Cook for the Village during the term of this Agreement. The costs and expenses of obtaining and maintaining such bonds shall be paid for by the Village.

9. TERMINATION: This Agreement may be terminated with or without cause by either Party upon thirty (30) days' prior written notice to the other Party.

10. DISCLOSURE OF FINANCIAL INTERESTS: Section 112.3145, Florida Statutes, requires financial disclosures to be filed by a "local officers," and subsection (1)(a)3., defines a "local officer" to include a city manager. Cook agrees to make such disclosures on such forms and at such times as may be required by state law.

11. NONDISCRIMINATION: The Parties agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The Parties agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352), which prohibit discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC § 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC §§ 6101-6107), which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and

Rehabilitation Act of 1970 (PL 91 616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, §§ 523 and 527 (42 USC §§ 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC §§ 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC §§ 12101), as amended from time to time, relating to nondiscrimination in employment on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) any other nondiscrimination provisions in any federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

12. PUBLIC RECORDS: The County and the Village shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and the Village in conjunction with this Agreement; and either Party shall have the right to unilaterally cancel this Agreement upon violation of this provision by the other Party. Detailed Employee shall retain public records in his possession and related to Village business in accordance with Village policy.

13. RECORDS – ACCESS AND AUDITS. All Parties shall maintain adequate and complete records after termination of this Agreement, as required by the applicable retention schedule required by law. Each party, its officers, employees, agents and auditors shall have access to the other parties' books, records, and documents, related to this Agreement upon request. The access to and inspection of such books, records, and documents by the parties shall occur during the regular office hours or as agreed.

14. NO THIRD-PARTY BENEFICIARIES. Neither Party intends to benefit a third party by this Agreement beyond Cook. Therefore, the Parties acknowledge that there are no other third-party beneficiaries to this Agreement and that no other third party shall be entitled to assert a right or claim against either of them based upon this Agreement.

15. NOTICES. In order for a notice to a party to be effective under this Agreement, notice must be sent via U.S. first-class mail with a contemporaneous copy via e-mail to the addresses listed below and shall be effective upon mailing. The addresses for notice shall remain as set forth herein unless and until changed by providing notice of such change in accordance with the provisions of this section.

16. ASSIGNMENT AND PERFORMANCE. Neither this Agreement nor any right or interest herein may be assigned, transferred, subcontracted, or encumbered by Village without the prior written consent of County. COVENANT OF NO INTEREST. Neither Party presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that the only interest of each party is to perform and receive benefits as set forth in this Party.CODE OF ETHICS. The Parties understand and agree that officers and employees of the County are required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, as well as the Monroe County Personnel Policies and Procedures Manual regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.NO SOLICITATION/PAYMENT. The County and the Village each warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. GOVERNING LAWS/VENUE. This Agreement is governed by laws of the State of Florida. Venue for any dispute arising under this Agreement shall be in Monroe County, Florida. COMPLIANCE WITH LAWS. Each Party to this Agreement shall comply in full with all applicable federal, state and

local laws, regulations and ordinances. This Agreement constitutes the entire Agreement of the Parties and supersedes any and all prior communications, understandings and agreements with respect to the subject matter of this Agreement, whether oral or in writing. This Agreement can never be amended, except with the prior written agreement of both Parties. By signing below, each signatory to this Agreement warrants that it has the requisite corporate authority to enter into the Agreement and to bind its respective entity.

Position Description

EXHIBIT A

Position Title: Village Manager

Reports To: Village Council

Position Status: Exempt (Pay Grade: 20)

General Functions:
Directs and coordinates administration of Village government in accordance with policies determined by Village Council while performing the following duties personally or through subordinate supervisors. Position requires the use of Village vehicle in the performance of duties.

Illustrative Tasks:
(These are intended only as illustrations of the various types of work performed. The omission of specific duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.)

- Plans, organizes, directs, coordinates and evaluates the operations, programs, activities and services of all departments, offices and agencies of the Village, except as otherwise provided by the Charter and other relevant law.
- Responds to requests from the Village Council and the public for appropriate action and/or resolution of policy matters and attendant problems.
- Ensures the Village Council is kept abreast of matters pertinent to Village administration.
- Provides periodic reports in compliance with the Village Council's requirements and Charter provisions concerning the operations, activities and programs of Village departments, offices and agencies subject to the Village Manager's direction and supervision.
- Prepares Village Council meeting agendas, ensuring that the Council is fully apprised of the information contained therein, and that items on the agenda will not unnecessarily prolong the duration of the meeting at issue.
- Initiates policy recommendations for the Village Council's consideration.
- Conducts agenda review meetings with staff, as needed, to review items proposed for presentation to the Village Council.
- Recommends the creation of new committees that will advance Village business and operations.
- Negotiates contracts (including collective bargaining agreements), and other legal instruments, in conjunction with the Village Attorney's Office.
- Executes contracts on behalf of the Village pursuant to the provisions of the appropriate ordinances.
- Appoints, suspends and terminates all Village employees except those appointed by and responsible to the Village Council; approves promotions, transfers, reclassifications, job evaluations, demotions, disciplinary action and other related personnel actions.
- Manages senior staff including the Deputy Village Manager and department directors.
- Responsible for the overall direction, coordination and evaluation of all Village departments.
- Develops and implements appropriate training programs for Village employees.
- Prepares and submits the annual operating budget and capital programs to the Village Council in the appropriate format.
- Develops long-range fiscal managerial plans and strategies.
- Implements the approved budget and effects a program of budgetary control over expenditures and revenues.
- Submits to the Village Council for public review a report on the financial condition and administrative activities of the Village at the end of each fiscal year as required by the Village Charter and/or relevant State Law.

- Attends all Village Council meetings as well as other public meetings scheduled by the Village or in connection with Village business.
- Represents Village administration before various community organizations, business enterprises and governmental entities.
- Develops programs and strategies to enhance the effectiveness and efficiency of Village operations, including appropriate Village staff and/or Council retreats or strategizing sessions.
- Provides guidance and assistance in the development of long and short-range goals for the Village Council's consideration and implements same upon approval by the Council.
- Encourages and oversees economic and community development efforts including business retention, redevelopment and recruitment of new businesses.
- Possesses the ability to work in an increasingly culturally diverse community.
- Possesses the ability to multitask and adjust to changing situations while maintaining efficiency and effectiveness.
- Possesses the ability to deal tactfully, courteously and professionally with all officials and groups, exercising sound and effective judgment in doing so, ensuring the protection of the Village's goodwill.

Requirements for Position:

Bachelor's Degree in Business Administration, Public Administration, or equivalent combination of education and experience. Master's Degree desirable. At least ten (10) years related management experience as department director or manager in a public sector setting. Thorough knowledge of the principles, practices, and techniques of public administration. Demonstrated financial, management, planning, leadership and communication skills. Knowledge of Personal Computer software application, i.e. word processing, spreadsheet, database, etc.

Physical Requirements:

While performing the duties of this class, employees are regularly required to sit; talk or hear, in person and by telephone; use hands to finger, handle, feel or operate standard office equipment; and reach with hands and arms. Employees are occasionally required to walk and stand and lift and move records and documents weighing 20 pounds or less. Specific vision abilities required by this job include close vision and the ability to adjust focus. Employees are regularly required to use written and oral communication skills; read and interpret data, information and documents; analyze and solve problems; use math and mathematical reasoning; learn and apply new skills and information; perform highly detailed work on multiple, concurrent tasks; and interact with Village staff and other organizations.

RESOLUTION NO. 23-08-76

A RESOLUTION OF THE VILLAGE COUNCIL OF ISLAMORADA, VILLAGE OF ISLANDS, FLORIDA, APPROVING THE APPOINTMENT OF BRYAN COOK AS INTERIM VILLAGE MANAGER; APPROVING AND AUTHORIZING THE EXECUTION OF THE EMPLOYEE INTERCHANGE AGREEMENT WITH MONROE COUNTY, FLORIDA PERMITTING BRYAN COOK TO SERVE AS INTERIM VILLAGE MANAGER; AND PROVIDING AN EFFECTIVE DATE

WHEREAS, Islamorada, Village of Islands (the "Village"), is a duly constituted municipality having such power and authority conferred upon it by the Florida Constitution and Chapter 166, Florida Statute; and

WHEREAS, Section 7(3) of the Village Charter requires that there shall be a Village Manager who will be the chief administrative officer of the Village; and

WHEREAS, at the meeting on July 27, 2023, Monroe County, Florida ("County") offered to permit its employee, Bryan Cook ("Mr. Cook"), to serve as the Village's Interim Village Manager pursuant to an Employee Interchange Agreement ("Agreement") governed by Section 112.24, *et seq.*, Florida Statutes; and

WHEREAS, the Village Council finds that approval of the Agreement and appointment of Mr. Cook as Interim Village Manager is in the best interest of the Village and its residents; and

WHEREAS, the Village Council approves and authorizes the execution of the Agreement.

NOW THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF ISLAMORADA, VILLAGE OF ISLANDS, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above recitals are true and correct and incorporated into this Resolution by this Reference.

Section 2. Approval of Appointment. The Village Council hereby approves the appointment of Mr. Cook as Interim Village Manager. Mr. Cook's appointment shall be effective August 7, 2023.

Section 3. Approval of Agreement. The Village Council finds that the Agreement with the County, attached hereto as Exhibit "A", is reasonable and appropriate. The Village Council hereby approves the Agreement.

Section 4. Execution of Agreement. The Mayor is hereby authorized to execute the Agreement with the County on behalf of the Village, to execute any required documents to implement the terms and conditions of the Agreement, subject to approval as to form and legality by the Village Attorney.

Section 5. Effective Date. This Resolution shall become effective immediately upon its adoption.

Remainder of this page intentionally left blank.

Motion to adopt by Gregg, seconded by Mahoney.

FIRST AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (ISLAMORADA, VILLAGE OF ISLANDS)

THIS FIRST AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (hereinafter "Amendment") is made and entered into this __ day of September 2023, by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL, 33040 (hereinafter "County"), and Islamorada, Village of Islands, a municipality organized under the laws of the State of Florida, whose address is 86800 Overseas Highway, Islamorada, FL 33036 (hereinafter "Village") (hereinafter, when referred to individually as "Party" or collectively as "Parties).

WITNESSETH

WHEREAS, Chapter 112, Part II, Florida Statutes, authorizes the interchange of employees between governments, including counties and municipalities; and

WHEREAS, Section 112.24, Florida Statutes, provides that the details of an employee interchange shall be the subject of an agreement between a sending agency and a receiving agency;

WHEREAS, August 6, 2023, the County and the Village entered into an Employee Interchange Agreement ("Agreement") whereby the Parties agreed that the County would assign Bryan Cook ("Cook"), Director of Employee Services for Monroe County, to the Village as receiving agency, to serve as Interim Village Manager; and

WHEREAS, the Agreement provided that the initial term of the Agreement would begin on August 7, 2023 and continue for sixty (60) days, to October 6, 2023 ("Initial Term"), and that prior to the expiration of the Initial Term, the Agreement would be reviewed by the Village, at which time the Agreement could be extended for a subsequent term not to exceed sixty (60) days upon the approval of the Village Council and with the approval of the Monroe County Administrator; and

WHEREAS, both Parties have indicated that they wish to extend the Agreement for an additional term, not to exceed sixty (60) days; and

WHEREAS, the County has proposed to assign Ed Koconis, AICP, Administrative Director for Monroe County, in place of Bryan Cook, who is needed to resume his duties for Monroe County; and

WHEREAS, the Parties have agreed that Bryan Cook's assignment as Interim Village Manager shall end on Friday, September 29, 2023, and beginning October 2, 2023, Ed Koconis shall be assigned to serve as the Interim Village Manager for the remainder of the term of this Agreement, as extended.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Parties agree as follows:

DocuSign Envelope ID: 67912C49-0F94-416E-B429-AE5989A0C41D

RECITALS

1. Pursuant to paragraph (3) of the Agreement (Term of Agreement), the term of the Employee Interchange Agreement is hereby extended by an additional sixty (60) days, through December 6, 2023 ("Extended Term").

2. Bryan Cook shall cease to be assigned as the Interim Village Manager at close of business on September 29, 2023, and Ed Koconis shall be assigned to serve as the Interim Village Manager beginning 8:00 a.m. on October 2, 2023. Effective October 2, 2023, all references to "Bryan Cook" or "Cook" shall be revised and replaced with the name "Ed Koconis" wherever they appear in the Interchange Agreement.

3. Effective October 2, 2023, Exhibit A to the Interchange Agreement (Islamorada Position Description signed by Bryan Cook) is removed and replaced with Exhibit A attached hereto (Islamorada Position Description signed by Ed Koconis), which shall be incorporated in the Interchange Agreement by reference.

4. In all other respects, all terms and conditions set forth in the Agreement remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement this _____ day of September 2023.

SECOND AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (ISLAMORADA, VILLAGE OF ISLANDS)

THIS SECOND AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (hereinafter "Amendment") is made and entered by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL, 33040 (hereinafter "County"), and Islamorada, Village of Islands, a municipality organized under the laws of the State of Florida, whose address is 86800 Overseas Highway, Islamorada, FL 33036 (hereinafter "Village") (hereinafter, when referred to individually as "Party" or collectively as "Parties).

WITNESSETH

WHEREAS, Chapter 112, Part II, Florida Statutes, authorizes the interchange of employees between governments, including counties and municipalities; and

WHEREAS, Section 112.24, Florida Statutes, provides that the details of an employee interchange shall be the subject of an agreement between a sending agency and a receiving agency;

WHEREAS, August 6, 2023, the County and the Village entered into an Employee Interchange Agreement ("Agreement") whereby the Parties agreed that the County would assign Bryan Cook ("Cook"), Director of Employee Services for Monroe County, to the Village as receiving agency, to serve as Interim Village Manager; and

WHEREAS, the initial term of the Agreement continued for sixty (60) days, to October 6, 2023 ("Initial Term"), and the Parties agreed that the Agreement could be extended for a subsequent term not to exceed sixty (60) days upon the approval of the Village Council and with the approval of the Monroe County Administrator; and

WHEREAS, on October 4, 2023, the Agreement was amended to extend the Agreement by up to an additional sixty (60) days, through December 6, 2023, and also to assign Ed Koconis to serve as the Interim Village Manager in place of Bryan Cook; and

WHEREAS, both Parties have indicated that they wish to extend the Agreement, and the County has proposed to assign Kimberly Matthews, Senior Director of Strategic Planning & Director of Libraries, to serve in the position as Interim Village Manager beginning on January 8, 2024 in place of Mr. Koconis for an additional term of up to sixty (60) days, with Maria Bassett, Finance Director for the Village of Islamorada, filling in for the month between the expiration of Mr. Koconis' time period and the start of Ms. Matthews' time period; and

WHEREAS, the Parties wish to amend paragraph (9) (Termination), to shorten the termination time period upon mutual agreement if a suitable replacement candidate is found to serve as Interim Village Manager or permanent Village Manager prior to expiration of the term of the Agreement as extended.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Parties agree as follows:

RECITALS

1. Ed Koconis shall continue to serve as Interim Village Manager for the Village of Islamorada through December 6, 2023.

2. Beginning December 7, 2023 and continuing through January 7, 2024, Maria Bassett, Finance Director for the Village of Islamorada, shall serve as Interim Village Manager for the Village of Islamorada.

3. Beginning 8:00 a.m. on January 8, 2024, and continuing until March 8, 2024, Kimberly Matthews will be assigned to serve as the Interim Village Manager. Effective January 8, 2024, all references to "Ed Koconis" shall be revised and replaced with the name "Kimberly Matthews" wherever they appear in the Interchange Agreement as amended.

4. Pursuant to paragraph (3) of the Agreement (Term of Agreement), the term of the Employee Interchange Agreement shall be extended from January 8, 2024 to March 8, 2024. To the extent that the Employee Interchange Agreement ended on December 6, 2023, the Agreement shall be revived, with the new term of the Agreement running from January 8, 2024 to March 8, 2024.

5. Effective January 8, 2024, Exhibit A to the Interchange Agreement (Islamorada Position Description) is removed and replaced with Exhibit A attached hereto (Islamorada Position Description signed by Kimberly Matthews), which shall be incorporated in the Interchange Agreement by reference.

6. Paragraph (9) of the Agreement ("Termination") is amended to add the following sentence allowing for a shorter termination time period on mutual agreement of the Parties:

> This Agreement may also be terminated with the mutual consent of both Parties, in which case the termination shall occur at the conclusion of fourteen (14) calendar days following delivery of an e-mail exchanged between the Village Mayor and County Administrator.

7. In all other respects, all terms and conditions set forth in the Agreement remain unchanged and in full force and effect.

8. This Amendment shall be effective upon the date last signed by the Parties below.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement as of the dates signed below.

THIRD AMENDMENT TO
EMPLOYEE INTERCHANGE AGREEMENT
(ISLAMORADA, VILLAGE OF ISLANDS)

THIS THIRD AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (hereinafter "Amendment") is made and entered by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL, 33040 (hereinafter "County"), and Islamorada, Village of Islands, a municipality organized under the laws of the State of Florida, whose address is 86800 Overseas Highway, Islamorada, FL 33036 (hereinafter "Village") (hereinafter, when referred to individually as "Party" or collectively as "Parties).

WITNESSETH

WHEREAS, Chapter 112, Part II, Florida Statutes, authorizes the interchange of employees between governments, including counties and municipalities; and

WHEREAS, Section 112.24, Florida Statutes, provides that the details of an employee interchange shall be the subject of an agreement between a sending agency and a receiving agency;

WHEREAS, August 6, 2023, the County and the Village entered into an Employee Interchange Agreement ("Agreement") whereby the Parties agreed that the County would assign Bryan Cook ("Cook"), Director of Employee Services for Monroe County, to the Village as receiving agency, to serve as Interim Village Manager; and

WHEREAS, on October 4, 2023, the Agreement was amended to extend the Agreement by up to an additional sixty (60) days, through December 6, 2023, and also to assign Ed Koconis to serve as the Interim Village Manager in place of Bryan Cook; and

WHEREAS, on November 16, 2023, the Agreement was amended a second time to extend the Agreement through March 8, 2024; to assign Kimberly Matthews, Senior Director of Strategic Planning & Director of Library for Monroe County, to serve in the position as Interim Village Manager beginning on January 8, 2024; and also to shorten the termination time period upon mutual agreement if a suitable replacement candidate is found to serve as Interim Village Manager or permanent Village Manager prior to expiration of the term of the Agreement as extended; and

WHEREAS, the Parties now wish to extend the Agreement for an additional time period of up to sixty (60) days while the Village is continuing its search for a Village Manager;

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Parties agree as follows:

RECITALS

1. Pursuant to paragraph (3) of the Agreement (Term of Agreement), the term of the Employee Interchange Agreement shall be extended by an additional sixty (60) days, from March 9, 2024 to May 8, 2024.

2. Paragraph 9 of the Agreement ("Termination") remains in effect, stating that the Agreement may be terminated at any time with mutual consent of the Parties at the conclusion of fourteen (14) calendar days following delivery of an e-mail exchanged between the Village Mayor and County Administrator.

3. Senior Director Kimberly Matthews shall remain assigned to serve in the position of Interim Village Manager.

4. In all other respects, all terms and conditions set forth in the Agreement remain unchanged and in full force and effect.

5. This Amendment shall be effective upon the date last signed by the Parties below.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement as of the dates signed below.

TIME APPROXIMATE:
n/a

STAFF CONTACT: Lindsey Ballard

AGENDA ITEM WORDING:

Approval of resolution approving an amended and revised fee schedule for primary care services, community public health services, vital statistics, medical records, and related administrative charges offered by Monroe County Health Department.

ITEM BACKGROUND:

F.S. 154.6(1)5 authorizes each county and county health department to collect fees for public health services rendered by the county health department provided the schedule of fees is established by resolution by the Board of County Commissioners. All funds collected must be expended solely for the purpose of providing health services and facilities within the county served by the county health department. The fees listed in this schedule are comparable with fees charged in neighboring counties. Revenue collected provides support for department functions and provision of services.

The current fee schedule for clinical services fees was approved in December 2023. However, subsequent to adoption, the Health Department realized that the computer system used by the Health Department for fees for two vital statistics documents (birth certificate, death certificate) cannot be set up to charge a fee for the document plus an administrative fee. Therefore, these vital statistics fees have been amended to show one lump sum fee (birth certificate - $20, death certificate - $16).

In addition, the amended and revised fee schedule adds nominal fees for notary services ($10), expediting ($10), and a plastic sleeve for the cards ($5) to cover administrative costs.

This agenda item therefore asks for approval to the amended and revised fee schedule shown in Exhibit A to the Resolution.

PREVIOUS RELEVANT BOCC ACTION:
12/13/2023: BOCC adopted Resolution No. 634-2023, setting fee schedule for clinical services.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:
Changes to certain fees are shown in Exhibit A to the Resolution.

STAFF RECOMMENDATION: Approval.

RESOLUTION NO. 634 **- 2023**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA AUTHORIZING THE MONROE COUNTY HEALTH DEPARTMENT TO ESTABLISH FEES SPECIFICALLY FOR VITAL STATISTICS AND THE HEALTH CLINIC AS SET FORTH IN *EXHIBIT "A"* ATTACHED HERETO AND MADE A PART OF THIS RESOLUTION.

WHEREAS, F. S. 154.01(2) requires counties to establish and maintain full-time county health departments to provide environmental health, communicable disease control and primary care services; and

WHEREAS, F.S. 154.01(3) requires the Department of Health to enter into contracts with counties for this purpose; and

WHEREAS, on July 19, 2022, the Board approved the annual core contract between Monroe County and the Florida Department of Health for public health services; and

WHEREAS, F. S. 154.06(1) authorizes each county and each county health department to collect fees for Vital Statistics and Health Clinic services rendered through the county health departments provided that a schedule of such fees is established by resolution of the Board of County Commissioners or by rule of the department; and

WHEREAS, F.S. 154.06(2) requires all funds collected under this section to be expended solely for the purpose of providing health services and facilities within the county served by the county health department and pursuant to the rules and regulations cited therein and pursuant to all other applicable rules and regulations; and

WHEREAS, the Monroe County Health Department has indicated the need to re-define and re-establish fees for Vital Statistics and certain aspects of Health Clinic services offered at the Monroe County Health Department as set forth in *Exhibit "A"* attached hereto and made a part of this Resolution; and

WHEREAS, the Board is satisfied with the justification provided by the Monroe County Health Department;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA that;

1. The Monroe County Health Department shall collect fees for Vital Statistics and Health Clinic services as specified in *Exhibit "A"* attached hereto and made a part of this Resolution.

2. The Monroe County Health Department is solely responsible for ensuring effective notice is provided to the general public and other impacted agencies and organizations of the specific service fee increases.

3. The Monroe County Health Department is solely responsible for ensuring the County's compliance with all financial and transitional rules and regulations, and any other factors that may be impacted by the service fee increases at all levels; local, state, and federal.

4. Any prior resolution, ordinance, or contract inconsistent herewith is hereby repealed.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 13th day of December 2023.

VITAL STATISTICS & CLINIC SERVICES COUNTY FEE SCHEDULE

The Fee Schedules for Vital Statistics and Health Clinic Services in Monroe County have not been updated in many years. As such, the Monroe County Health Department conferred with neighboring counties and senior leadership in Tallahassee to prepare a Fee Schedule aligned and comparable to those with more recent updates. Revenue generated from Vital Statistics and Health Clinic services, once approved, will provide additional support for departmental functions and provision of services. Thank you for your consideration.

Program	**Service**	**Current Fee**	**Proposed Fee**	**Details r/t service and fee**
Vital Statistics	Birth Certificate	$16.00	$16.00 + $6.25 administrative fee	Certification of a registered birth. Adjusted fee aligned with Monroe County Tax Collector.
Vital Statistics	Death Certificate	$13.00	$16.00 + $6.25 administrative fee	Official certification of death with or without cause. Adjusted fee aligned with neighboring counties.
Clinic General Clinical Services		Medicare Rates	Unchanged	All clinical visits with provider are adjusted based on a sliding scale established by the Federal Poverty Guidelines.
		Non-Medicare Rates 160% of Medicaid Rate ($163.27)	Unchanged	
Clinic General Lab Services		Medicare Rates	Unchanged	All laboratory services are adjusted based on a sliding scale established by the Federal Poverty Guidelines.
		160% of Medicaid Rate ($163.27)	Unchanged	
Clinic	School Health Physicals (ages 5-18)	New Svc.	$75.00	Comprehensive physical exam for school completed by physician or APRN, completion of required forms, and evaluation of immunization status.

Clinic	Occupational Health Physicals	New Svc.	$95.00	Comprehensive physical exam for work placement completed by physician or APRN, completion of required forms, and evaluation of immunization status.
Clinic	Consultation for Travel Immunizations	New Svc.	$50.00	Medical staff review of immunizations for travel and completion of required forms.
Clinic	Civil Surgeon Refugee Health Physical	New Svc.	$300	Comprehensive physical exam for adjustment of status completed by physician or APRN, completion of required forms, and evaluation of immunization status.

RESOLUTION NO. _____ - 2024

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA AUTHORIZING THE MONROE COUNTY HEALTH DEPARTMENT TO ESTABLISH FEES SPECIFICALLY FOR VITAL STATISTICS AND THE HEALTH CLINIC AS SET FORTH IN *EXHIBIT "A"* ATTACHED HERETO ("AMENDED AND REVISED FEE SCHEDULE").

WHEREAS, F. S. 154.01(2) requires counties to establish and maintain full-time county health departments to provide environmental health, communicable disease control and primary care services; and

WHEREAS, F.S. 154.01(3) requires the Department of Health to enter into contracts with counties for this purpose; and

WHEREAS, on July 19, 2022, the Board approved the annual core contract between Monroe County and the Florida Department of Health for public health services; and

WHEREAS, F. S. 154.06(1) authorizes each county and each county health department to collect fees for Vital Statistics and Health Clinic services rendered through the county health departments provided that a schedule of such fees is established by resolution of the Board of County Commissioners or by rule of the department; and

WHEREAS, F.S. 154.06(2) requires all funds collected under this section to be expended solely for the purpose of providing health services and facilities within the county served by the county health department and pursuant to the rules and regulations cited therein and pursuant to all other applicable rules and regulations; and

WHEREAS, the Monroe County Health Department has indicated the need to re-define and re-establish fees for Vital Statistics documents and other Health Clinic services offered at the Monroe County Health Department; and

WHEREAS, on December 13, 2023, the Monroe County Board of County Commissioners passed and adopted Resolution No. 634-2023, establishing a fee schedule for vital statistics and other Health Department services; and

WHEREAS, subsequent to adoption, the Health Department was advised that the computer system used by the Health Department for fees for two vital statistics documents (birth certificate and death certificate) was unable to process the fee as it was set up in Resolution No. 634-2023; and

WHEREAS, the Health Department wishes to amend the fee in order to show a single lump sum fee for birth certificates and death certificates; and

WHEREAS, the Health Department also wishes to add nominal fees for notary services ($10), expediting ($10), and a plastic sleeve for the cards ($5) to cover administrative costs; and

WHEREAS, the Board is satisfied with the justification provided by the Monroe County Health Department and wishes to approve the fee schedule.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA that;

1. The Monroe County Health Department shall collect fees for Vital Statistics and Health Clinic services as specified in the Amended and Revised Fee Schedule attached hereto as Exhibit A and made a part of this Resolution.

2. The Monroe County Health Department is solely responsible for ensuring effective notice is provided to the general public and other impacted agencies and organizations of the specific service fee increases.

3. The Monroe County Health Department is solely responsible for ensuring the County's compliance with all financial and transitional rules and regulations, and any other factors that may be impacted by the service fee increases at all levels; local, state, and federal.

4. Any prior resolution, ordinance, or contract inconsistent herewith is hereby repealed.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on February 21, 2024.

AMENDMENT NO. 2
TO AGREEMENT NO. 22PLN66
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS

This Amendment to Agreement No. 22PLN66 (Agreement), as previously amended, is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and Monroe County Board of County Commissioners (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for Monroe County Vulnerability Assessment Update and Compliance (Project), effective February 9, 2023; and,

WHEREAS, the Department has requested an update to the Reimbursement Period in Attachment 2 to begin on July 1, 2021 and end at the expiration of the Agreement; and,

WHEREAS, the Department has requested an update to the Performance Measures and Payment Request Schedule in Attachment 3, Grant Work Plan; and,

WHEREAS, the Grantee has requested a revision to the scope of work and a reallocation of the budget for the Project; and,

WHEREAS, the Grantee has requested a 6-month extension of the Agreement to complete the tasks in the agreement; and,

WHEREAS, the Department has requested an update to Attachment 1, Attachment 2, Attachment 3, and Exhibit F following updates from the Office of the General Counsel and Resilient Florida Program; and

WHEREAS, the Department has requested to add Exhibit J to the Agreement as set forth herein; and,

WHEREAS, other changes to the Agreement are necessary.

NOW THEREFORE, the Department and Grantee hereby agree as follows:

1. Section 3. of the Standard Grant Agreement is hereby revised to change the Date of Expiration to December 31, 2024. The Department and the Grantee shall continue to perform their respective duties during this extension period pursuant to the same terms and conditions provided in the Agreement.

2. Section 7. of the Standard Grant Agreement is hereby revised to the following:

☒ Attachment 1: Standard Terms and Conditions Applicable to All Grants Agreements
☒ Attachment 2: Special Terms and Conditions
☒ Attachment 3: Grant Work Plan
☒ Attachment 4: Public Records Requirements
☒ Attachment 5: Special Audit Requirements
☒ Attachment 6: Program-Specific Requirements
☐ Attachment 7: Grant Award Terms (Federal) *Copy available at https://facts.fldfs.com, in accordance with §215.985, F.S.
☐ Attachment 8: Federal Regulations and Terms (Federal)
☐ Additional Attachments (if necessary):
☒ Exhibit A: Progress Report Form
☐ Exhibit B: Property Reporting Form
☒ Exhibit C: Payment Request Summary Form
☐ Exhibit D: Quality Assurance Requirements

☐ Exhibit E: Advance Payment Terms and Interest Earned Memo
☒ Exhibit J: Common Carrier or Contracted Carrier Attestation Form PUR 1808
☒ Additional Exhibits (if necessary): Exhibit F: Final Report Form, Exhibit G: Photographer Release Form, and Exhibit H: Contractual Services Certification, Exhibit I: Vulnerability Assessment Compliance Checklist

3. Attachment 1, Standard Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 1-A, Revised Standard Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 1-A shall hereinafter refer to Attachment 1-A, Revised Standard Terms and Conditions.

4. Attachment 2-A, Revised Special Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 2-B, Second Revised Special Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 2-A shall hereinafter refer to Attachment 2-B, Second Revised Special Terms and Conditions.

5. Attachment 3-A, Revised Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-B, Second Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3-A shall hereinafter refer to Attachment 3-B, Second Revised Grant Work Plan.

6. Exhibit F, Final Project Report, is hereby deleted in its entirety and replaced with Exhibit F-1, Revised Final Project Report, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit F, shall hereinafter refer to Exhibit F-1, Revised Final Project Report.

7. All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistency may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

Cynthia L. Hall

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1-A

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments (i.e., cost reimbursement) under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for cost reimbursement and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price

negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/ Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.
b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.
c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.
d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.
e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.
b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole

discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
   i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
   ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:
   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may

not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during

the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

   i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

   ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

   iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

   i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the

original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Second Revised Special Terms and Conditions
AGREEMENT NO. 22PLN66

ATTACHMENT 2-B

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Vulnerability Assessment Update and Compliance. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement begins on July 1, 2021 and ends at the expiration of the Agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

No retainage is required under this Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.

There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States

according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Additional Terms.
None.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
SECOND REVISED GRANT WORK PLAN
AGREEMENT NO. 22PLN66

ATTACHMENT 3-B

PROJECT TITLE: Monroe County Vulnerability Assessment Update and Compliance

PROJECT LOCATION: The Project is located within Monroe County, Florida.

PROJECT DESCRIPTION:
Monroe County (Grantee) will complete the Monroe County Vulnerability Assessment Update and Compliance Project (Project) to update the existing Vulnerability Assessment (VA) pursuant to Section 380.093, Florida Statutes (F.S.). The Project will include the National Oceanic and Atmospheric Administration (NOAA) intermediate low sea level rise projections as well as incorporate the critical assets owned or managed by the County. The Project will also include public outreach activities within key neighborhoods identified during the comprehensive VA.

TASKS AND DELIVERABLES:

Task 1: Public Outreach Meetings

Description: The Grantee will conduct at least four public outreach meetings during the project. The purpose of the first meeting is to inform the public about the data collection stage. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable. The Grantee will conduct three subsequent public meetings to present the results from the exposure analysis, sensitivity analysis, and draft VA. The purpose of the three subsequent meetings is to allow the public to provide community-specific input on the results of the analyses and to reconsider methodologies and assumptions used in the analysis for refinement. The Grantee will prepare all social media notifications, meeting invitations, meeting materials, presentations, and graphics utilized during the meeting, as applicable.

Deliverables: The Grantee will provide the following for each meeting:

- **1.1:** Meeting agendas to include location, date, and time of meeting;
- **1.2:** Meeting sign-in sheets with attendee names and affiliation (i.e. local stakeholder, resident, steering committee member, local government staff);
- **1.3:** A copy of the presentation(s) and any materials created in preparation of or for distribution at the meeting (i.e. social media posts, public announcements, graphics), as applicable;
- **1.4:** A copy of the file or weblink of the video or audio recording from the meeting, if applicable; and
- **1.5:** A summary report including attendee input and meeting outcomes, to include defining focus areas recommended by the community

Task 2: Final Vulnerability Assessment

Description: The Grantee will research and compile the data needed to perform the VA, based on the requirements as defined in Section 380.093, F.S. Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related

data. GIS metadata should incorporate a layer for each of the four asset classes as defined in paragraphs 380.093(2)(a) 1-4, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. Sea level rise projection data shall include the 2017 NOAA intermediate-high and intermediate-low projections for 2040 and 2070, at a minimum. Other projections can be used at the Grantees discretion. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of the results. The Grantee shall rectify any gaps of necessary data.

The Grantee will perform an exposure analysis to identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The water surface depths (i.e. flood scenarios) used to evaluate assets shall include the following data: tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable, as well as the scenarios and standards used for the exposure analysis shall be pursuant to s. 380.093, F.S. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

The Grantee will perform the sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created through the Exposure Analysis. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset type and at each flood scenario and assign a risk level based on percentages of land area inundated and number of critical assets affected.

The Grantee will finalize the VA report pursuant to the requirements in s. 380.093, F.S. and based upon internal comments and outreach efforts. The final VA must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks. It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset. GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata.

Deliverables: The Grantee will provide the following:

- **2.1:** GIS files with appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a) 1-4, F.S.;
- **2.2:** GIS files with results of the exposure analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers;
- **2.3:** A final list of critical and regionally significant assets that are impacted by flooding, which must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset;
- **2.4:** Final VA Report that provides details on the results and conclusions, including illustrations via maps and tables, based on the statutorily-required scenarios and standards in s. 380.093, F.S. The Final VA Report should also include the following: outline the data compiled and the findings of the gap analysis with recommendations to address the identified data gaps and any actions taken to rectify them, if applicable; and provide details on the modeling process, type of models utilized, and resulting tables and maps illustrating flood depths for each flood scenario; and
- **2.5:** A signed VA Compliance Checklist Certification.

Task 3: Project Administration

Description: The Grantee will perform project administration, to include project scope of work determination, planning and development of proposed project(s), consultant direction and oversight meetings for overall project coordination and supervision.

Deliverables: The Grantee will submit project administration and management reports signed by the Grantee's Grant Manager, to include a summary of project administration activities, proposed project scopes of work, and meeting minutes with planning professionals and contractors, as applicable.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

DEP AGREEMENT NO. 22PLN66

MONROE COUNTY VULNERABILITY ASSESSMENT UPDATE AND COMPLIANCE

Monroe County Board of County Commissioners

Revised Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

COMMON CARRIER OR CONTRACTED CARRIER ATTESTATION FORM
(PUR 1808)

Exhibit J

This form must be completed by a Common Carrier or contracted carrier and submitted to the Governmental Entity with which a Contract being is executed, amended, or renewed. Capitalized terms used herein have the definitions ascribed in section 908.111, F.S.

_____ is not willfully providing and will not willfully provide any service during the Contract term in furtherance of transporting a person into this state knowing that the person is an Unauthorized Alien, except to facilitate the detention, removal, or departure of the person from this state or the United States.

Under penalties of perjury, I declare that I have read the foregoing statement and that the facts stated in it are true.

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: SUSTAINABILITY: Approval of Amendment no. 3 to the contract with WSP USA Environment & Infrastructure Inc (formerly Wood) for professional mobile LiDAR services for the five municipalities to extend the contract date retroactive from January 31, 2024 to July 31, 2024.

ITEM BACKGROUND:
This item is for approval to enter into an amendment no. 3 to the contract with WSP (formerly Wood) for mobile LiDAR elevation survey services for all five municipalities to provide an extension of time. Work is nearing completion and the municipalities are satisfied with the services to date. Additional time is needed to complete the work due to unforeseen circumstances slightly delaying the work.

PREVIOUS RELEVANT BOCC ACTION:
08/18/21: Approval to advertise for professional mobile LiDAR elevation, surveying and mapping services for roads and facilities in the municipalities to assist in their resilience planning work, to be funded by the municipalities.

01/21/22: Approval to negotiate with top-ranked respondent Wood Environment & Infrastructure Solutions, Inc. for a contract to provide professional mobile LiDAR elevation, surveying and mapping services for roads and facilities in the municipalities to assist in their resilience planning work, to be funded by the municipalities; if necessary, approval to negotiate with next-ranked respondents until an agreement is reached.

June 13, 2023: Approval of Amendment no. 2 to the contract with WSP USA Environment & Infrastructure Inc (formerly Wood) for professional mobile LiDAR services for the five municipalities to extend the contract date from June 15, 2023 to January 31, 2024.

06/15/22: Approval of a contract with Wood Environmental and Infrastructure Solutions, Inc. for $554,000 to provide professional mobile LiDAR elevation, surveying and mapping services for roads and facilities in the five municipalities to assist in their resilience planning work, to be fully funded by

the municipalities.

11/15/22: Approval of a $0 amendment no. 1 to the contract with Wood Environmental and Infrastructure Solutions, Inc. for professional mobile LiDAR services for the five municipalities to change the name to WSP USA Environment & Infrastructure Inc.; retroactive to September 26, 2022.

06/21/23: Approval of Amendment no. 2 to the contract with WSP USA Environment & Infrastructure Inc (formerly Wood) for professional mobile LiDAR services for the five municipalities to extend the contract date from June 15, 2023 to January 31, 2024.

AMENDMENT NO. 3
TO THE CONTRACT
BETWEEN MONROE COUNTY
AND
WSP USA ENVIRONMENT & INFRASTRUCTURE, INC.
FOR
MOBILE LiDAR DATA ELEVATION IN THE MUNICIPALITIES

THIS AMENDMENT NO. 3, dated this 21st day of February 2024, to that Contract dated June 15, 2022 as amended November 15, 2022 under Amendment 1 and June 21, 2023 under Amendment 2 for Development of LiDAR Data Elevation in the Municipalities ("Agreement") by and between Monroe County Board of County Commissioners ("COUNTY") and WSP USA Environment & Infrastructure, Inc. ("WSP") is entered into as follows:

WITNESSETH:

WHEREAS the CONSULTANT is working with the COUNTY and municipalities to complete the mobile LiDAR work outlined in the contract; and

WHEREAS, the municipalities are satisfied with the CONSULTANT'S performance to date; and

WHEREAS, the CONSULTANT has incurred unforeseen circumstances and requires additional time to deliver the data collection and final project report; and

WHEREAS, the COUNTY agrees to extend the AGREEMENT to allow for the completion of work.

NOW, THEREFORE, in consideration of mutual promises, covenants and contracts stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and WSP agree as follows:

1. The CONSULTANT agrees to be bound by all of the terms and conditions of the Agreement.

2. The term of the agreement is retroactively extended from January 31, 2024 to July 31, 2024.

3. The CONSULTANT shall complete deliverables as specified in the revised deliverable schedule attached as Exhibit B-2.

4. In all other respects, the terms and conditions of the Agreement remain unchanged.

IN WITNESS WHEREOF, each party caused this AMENDMENT NO. 3 to be executed by its duly authorized representative on the day and year first above written.

EXHIBIT B -2
DELIVERABLE SCHEDULE

The Contractor shall provide the following items. Items 1-2 shall be provided prior to commencement of field activities:

Task 1: PROJECT SCHEDULE. Contractor shall provide a project schedule outlining the agreed upon schedule that includes the tasks, dates and milestones clearly defined for each municipality. Schedule may be updated throughout the project with municipality approval.
Deliverable: Schedule for each municipality.
Due Date: July 31, 2022

Payment:
- Key West $2,781
- Key Colony Beach $102
- Marathon $1,451
- Layton $46
- Islamorada $1,160

Task 2: QUALITY CONTROL/QUALITY ASSURANCE PROCEDURES. Contractor shall describe the QAQC procedures to be implemented by the Contractor. This includes the techniques to assure complete, efficient, and accurate data collection along with the processes involved with the calibration of the equipment. The procedures shall be approved by the County's LiDAR consultant.
DELIVERABLE: Quality control/quality assurance report for each municipality, approved by COUNTY'S Lidar CONSULTANT.
Due Date: August 31, 2022

Payment:
- Key West $3,139
- Key Colony Beach $115
- Marathon $1,638
- Layton $52
- Islamorada $1,309
-

Task 3: CONTROL SURVEY – Contractor shall provide a control survey that identifies the survey control recovered and the control that was established to support the mobile LiDAR survey collection for each municipality.
Deliverable: Survey report identifying survey control recovered and control established to support mobile LiDAR survey for each municipality.

Payment:
- Key West $121,028
- Key Colony Beach $4,449
- Marathon $63,145
- Layton $1,996

- Islamorada $50,473

Due Date: July 31, 2024

Task 4: MOBILE LIDAR DATA COLLECTION – The Contractor will provide the following items for the accessible municipal maintained roadways listed in the original Appendix A:

- All survey notes and raw survey data, including:
  - Survey Field Book Pages
  - GPS Log and Receiver Files
  - Electronic Field Logs
  - Mark Recovery Forms
  - Pictures of Control
  - Mobile LiDAR Real-time Vehicle Trajectory logs in Excel and KMZ formats

- LAS data, both processed and classified (bare-earth) in LAS v1.2 format
- An ESRI Geodatabase containing Z-enabled feature layers of data layers collected
  - Edge of Roadway – Pavement, Gravel or other surface type
  - Road Centerline
  - Curb – represented as back of curb, top of curb and curb flow line

- FGDC Compliant Metadata
- Mobile mapping trajectory data will be provided for each collection.
  - Google Earth KMZ
  - TerraSolid TRJ File
- All images will be provided in JPEG or a similar format, referenced to the point cloud with date/time imbedded with each image.

The minimum list of features to EXTRACT includes:

- Road Centerline Elevations
- Edge Of Pavement Elevations
- Curbing
- Fences And Guard Rails
- Walls
- Street Trees
- Edge Of Apparent Right Of Way Elevations
- Inlet Elevations (This Means Catch Basins, Etc.)
- Manhole (Also Valve Box) Locations/Elevations
- Signs, Striping, Poles, Guardrails In No Particular Order

The Contractor shall use A MicroStation TIN (GEOPAK or InRoads compatible) model of the roadway surface, and shall perform the following:

- The TIN model will be extracted from break line vertices.
- Break lines will be included in the TIN (road center lines, edge of all paved surfaces, curb/gutter lines, top front and top back of curb and any other areas where break lines are needed to properly define the ground surface).

- The TIN model will be developed for engineering purposes to assure an accuracy of the TIN to <0.05 foot accuracy.

Deliverable:Two sets of the individual data sets will be provided on external hard drive for each municipality. One set shall be provided to the municipality and one set to the County.
Due Date: July 31, 2024

Payment:

- Key West $43,712
- Key Colony Beach $ 1,607
- Marathon $22,807
- Layton $ 721
- Islamorada $18,230

Task 5: FINAL PROJECT REPORT / MANUAL

Final deliverable: Project Report with Executive Summary – 12 hard copies of the Executive Summary and 5 hard copies of the entire project report. Project report will also be provided in Adobe Acrobat PDF format. Project report will outline the process and procedures involved in the project. The data collection strategy, equipment and the methods used to validate accuracy will be described. The software and data formats will also be described.
Due Date: July 31, 2024
Payment:

- Key West $107,449
- Key Colony Beach $ 3,950
- Marathon $ 56,060
- Layton $ 1,771
- Islamorada $ 44,809

AGENDA ITEM WORDING: SUSTAINABILITY: Approval to enter into a $88,668 Task Order #7 to the contract with WSP USA Environment and Infrastructure, Inc. for the on-call Category B Canal Infrastructure Engineering Services, for CEI services to oversee the installation of a demonstration injection well on canal #90 in Key Largo, funded by DEP Grant LPA0241-A2.

ITEM BACKGROUND:
This item is to approve entering into a $88,668 Task Order #7 to the WSP USA Environment & Infrastructure Inc. (formerly Wood Environment & Infrastructure Solutions, Inc.) on-call Category B canal infrastructure professional engineering services contract to authorize the CEI services to oversee the restoration on canal 90 in the Hammerpoint neighborhood in Tavernier in Key Largo.

Adventure Environmental, Inc. is the construction contractor performing the construction.

PREVIOUS RELEVANT BOCC ACTION:

08-18-21: Approval to advertise on call professional engineering services for the resilience and canal restoration programs, including Category A - Canal Master Plan Program Planning Services, Category B -Canal Infrastructure Engineering Services for Projects and Category C - Resilience / Environmental Engineering Services.

02-16-22: Approval to enter into a $0 contract with Wood Environment & Infrastructure Solutions, Inc. for on-call professional engineering services for the canal restoration program for the Category B - Canal Infrastructure Engineering Services.

06-15-22: Approval to enter into a $99,796 Task Order #1, to provide CEI services for the canal 25 Key Largo backfill project under the contract with Wood Environment & Infrastructure Solutions, Inc. for on-call professional engineering services for the canal restoration program for the Category B - Canal

Infrastructure Engineering Services, funded by Stewardship grant LPA0249.

06-15-22: Approval to enter into a $173,716.00 Task Order #2, to provide CEI services for the canal 28 Key Largo backfill project under the contract with Wood Environment & Infrastructure Solutions, Inc. for on-call professional engineering services for the canal restoration program for the Category B - Canal Infrastructure Engineering Services, funded by Stewardship grant LPA0241.

11-15-22: Approval to enter into a $0 Amendment #1 to the contract with Wood Environment & Infrastructure Solutions, Inc. for on-call professional engineering services for the Category B - Canal Infrastructure Engineering Services for a name change to WSP USA Environment & Infrastructure Inc.; retroactive to September 26, 2022.

12-07-22: Approval to enter into a $49,166.00 Task Order #3 to the contract with WSP USA Environment & Infrastructure, Inc. (formerly Wood) for on-call professional engineering services for the Category B - Canal Infrastructure Engineering Services for C259 construction engineering and environmental site inspections (CEI), funded by RESTORE Grant RDCGR170099-01-00 and Grant Amendment 1.

12-07-22: Approval to enter into a $100,000 Task Order #4 to the contract with WSP USA Environment & Infrastructure, Inc. for on-call professional engineering services for the Category B - Canal Infrastructure Engineering Services for the design of a canal restoration for Canal 293, funded by DEP Grant SED001

12-15-23: Approval to enter into a $79,973 Task Order #5 to the contract with WSP USA Environment & Infrastructure, Inc. for the on-call Category B – Canal Infrastructure Engineering Services, for CEI services to oversee the installation of two submerged concrete culverts to hydraulically connect canals #475 and #470 on Geiger Key, funded by DEP Grant LPA0249.

09-20-23: Approval to enter into a $59,226 Task Order #6 to the contract with WSP USA Environment & Infrastructure, Inc. for the on-call Category B Canal Infrastructure Engineering Services, for CEI services to oversee the installation of a demonstration injection well on canal #58 in Key Largo and canal #278 in Big Pine Key and to perform pre and post monitoring to evaluate the effectiveness of both, funded by DEP Grant LPA0428.

TASK ORDER #7 FOR CATEGORY B ON CALL PROFESSIONAL ENGINEERING SERVICES FOR CANAL RESTORATION SERVICES BETWEEN MONROE COUNTY AND WSP USA ENVIRONMENT & INFRASTRUCTURE, INC. FOR THE CANAL #90 TAVERNIER CANAL BACKFILL RESTORATION PROJECT INCLUDING CONSTRUCTION ENGINEERING INSPECTION AND ADMINSTRATION SERVICES IN, MONROE COUNTY, FLORIDA

In accordance with the Continuing Contract for On Call Professional Engineering Services made and entered on the 16th day of February 2022 and Amendment No.1 dated November 15, 2022 between Monroe County, hereinafter referred to as the "County" and WSP USA Environment & Infrastructure Solutions, Inc. hereinafter referred to as "Consultant" where design services are allowed if construction costs do not exceed $2,000,000.

All terms and conditions of the referenced Contract for On Call Professional Engineering Services apply to the Task Order, unless the Task Order modifies an Article of the Agreement of which will be specifically referenced in this Task Order and the modification shall be precisely described.

WITNESSETH

WHEREAS, canal 90 located between Hilson Court and Ivanhoe Court in Key Largo is rated as "poor" in water quality; and

WHEREAS, the canal was selected based on water quality summary, ease of implementation and permitting, and cost of implementation; and

WHEREAS, a backfilling restoration project is a proven restoration technique that was vetted during the demonstration projects and is anticipated to increase the water quality in the canal; and

WHEREAS, the construction of the project is $1.1 Million.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, County and Consultant agree as follows:

Article 1.1 Terms of Agreement:

This Task Order is effective February 21, 2024 and shall expire 60 days after the final deliverable to the County is submitted.

Article II Scope of Basic Services, Paragraph 2.1.1 is amended as follows:

TASK 1: CONSTRUCTION INSPECTIONS AND ADMINISTRATION

The Consultant will provide construction engineering and environmental site inspections and construction administration services for the Canal #90 Backfilling Project. Adventure Environmental, Inc. was selected as the construction contractor for the Canal #90 Project and provided a 120-day construction schedule for completion. Below are the services to be provided:

a) Site Inspections: The Consultant will provide up to eight hours daily site inspections for the in-water work, anticipated 90 days, Monday through Friday during field construction activities and prepare daily work reports showing contractors activities, equipment, maintenance of traffic and environmental compliance.

b) Construction Administration: The Consultant will provide consultation and advice to County regarding the Contractor's performance of the Contract. The Consultant will liaise with the County, homeowners, and other stakeholders as necessary to administer the construction contract.

Deliverable: Construction Engineering and Inspection report (Electronic in PDF format) to document the completion of the project in accordance with the plans, specifications, and permits.

The work will be done in accordance with State grant guidelines and funding from the Florida Keys Stewardship Act Grant LPA0241-A2, attached as Exhibit A.

Article VII, Paragraph 7.1.1 is amended to include the following:

The Consultant shall be paid monthly for time and expenses based on hourly rates and the following not to exceed amounts (except where noted):

Task 1: Construction Inspections and Administration	**$88,668.00**
Total (not to exceed)	**$88,668.00**

IN WITNESS WHEREOF, each party caused the Task Order #7 to be executed by its duly authorized representative.

BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
MONROE COUNTY

This Amendment to Agreement No. LPA0241 (Agreement), as previously amended, is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and Monroe County (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for Monroe County Canals #28 and #90 Backfill Restoration Projects (Project), effective October 28, 2021; and,

WHEREAS, $870,999.80 in additional funding for this Project is provided under Line Item 1709 of the 2023-2024 General Appropriations Act; and the total funding for this Agreement is now $4,513,487.36; and,

WHEREAS, the reimbursement period for the additional funding provided under Line Item 1709 of the 2023-2024 General Appropriations Act begins on July 1, 2023; and,

WHEREAS, the Grantee has requested a budget reallocation for the Project; and,

WHEREAS, the parties have agreed to change the payment request schedule in the Agreement; and,

WHEREAS, other changes to the Agreement are necessary; and,

WHEREAS, the parties have agreed to amend the Agreement as set forth herein.

NOW THEREFORE, the parties agree as follows:

1. Section 5. of the Standard Grant Agreement is hereby revised to the following:

Total Amount of Funding:	**Funding Source?**	**Award #s or Line Item Appropriations:**	**Amount per Source(s):**
$4,513,487.36	☑ State ☐ Federal	Keys, GAA LI 1580A, FY 18-19, GR	$132,829.71
	☑ State ☐ Federal	Keys, GAA LI 1660A, FY 19-20, LATF	$38,252.70
	☑ State ☐ Federal	Keys, GAA LI 1613, FY 21-22, GR	$3,412,919.00
	☑ State ☐ Federal	Keys, GAA LI 1669, FY 22-23, GR	$58,486.15
	☑ State ☐ Federal	Keys, GAA LI 1709, FY 23-24, GR	$870,999.80
	☐ Grantee Match		
		Total Amount of Funding + Grantee Match, if any:	$4,513,487.36

2. The following is hereby added to Attachment 1 as Section 8.k.:

State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.
ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

3. Attachment 3-1, Revised Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-2, Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3 shall hereinafter refer to Attachment 3-2, Revised Grant Work Plan.

4. Attachment 5-1, Revised Special Audit Requirements, is hereby deleted in its entirety and replaced with Attachment 5-2, Revised Special Audit Requirements, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 5 shall hereinafter refer to Attachment 5-2, Revised Special Audit Requirements.

5. All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistency may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

The parties agree to the terms and conditions of this Amendment and have duly authorized their respective representatives to sign it on the dates indicated below.

ATTACHMENT 3-2
REVISED GRANT WORK PLAN

PROJECT TITLE: Monroe County Canals #28 and #90 Backfill Restoration Projects

PROJECT LOCATION: The Project will have 2 locations: Canal #28 and Canal #90. Canal #28 (Figure 1) is located within the unincorporated area of Key Largo, Monroe County; Lat/Long (25.1647, -80.3838). Canal #90 (Figure 2) is located within the unincorporated area of Tavernier, Monroe County, Lat/Long (25.0289, -80.5076).

PROJECT BACKGROUND: In 2013, Phase II of the Monroe County Canal Management Master Plan (CMMP) evaluated the conditions of the Keys canals, prioritized the need for water quality improvement, and identified appropriate restoration options for each canal:

- Culvert
- Air Curtain
- Organic Removal
- Backfill

As part of the Canal Restoration Demonstration Program, Florida International University (FIU) assessed the effectiveness of the various technologies implemented by Monroe County and its partners by comparing treated canals against nearby, unaltered controls over a period of three years. Based on data collected during the limited monitoring period, FIU made the following conclusions about the backfill technology:

- *This technique resulted in an immediate change in the canal's water quality by significantly improving the water column's DO content. The decreased water depth allowed light to penetrate to the sediment. As a result, there were measurable increases in benthic vegetation, fish diversity and abundance and inhabitants of the sea walls.*

Since the demonstration canal restorations were proposed by Monroe County, the canal restoration program has grown to include 17 residential canal restoration projects throughout Monroe County.

PROJECT DESCRIPTION: The Canals #28 and #90 are a continuation of the canal restoration program in accordance with the Department of Economic Opportunity (DEO) canal restoration workplan as detailed in the Monroe County 28.20.140 Comprehensive Plan. The projects will be designed to promote flushing in the canal by removing the deep stagnant zones within the canals and promote a viable benthic community which will help to restore the canal waters to State Department of Environmental Protection (FDEP) Dissolved Oxygen standards.

TASKS: All documentation should be submitted electronically unless otherwise indicated.

Task 1: Design and Permitting

Deliverables: The Grantee will complete the design of the canal restoration project *and* obtain all necessary permits for construction of the project.

Documentation: The Grantee will submit: 1) a signed acceptance of the completed work to date, as provided in the Grantee's Certification of Payment Request; and 2) a summary of design activities to date, indicating the percentage of design completion for the time period covered in the payment request. For the

final documentation, the Grantee will also submit a copy of the design completed with the funding provided for this task and a list of all required permits identifying issue dates and issuing authorities.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

Task 2: Bidding and Contractor Selection

Deliverables: The Grantee will prepare a bid package(s), publish a public notice(s), solicit bids, conduct pre-bid meetings, and respond to bid questions in accordance with the Grantee's procurement process, to select one or more qualified and licensed contractors to complete the canal restoration project.

Documentation: For each bid, the Grantee will submit: 1) the public notice of advertisement for the bid; 2) the bid package; and 3) a written notice of selected contractor(s).

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

Task 3: Construction

Deliverables: The Grantee will complete the canal restoration project in accordance with the construction contract documents.

Documentation: The Grantee will submit 1) a copy of the final design; 2) a signed acceptance of the completed work to date, as provided in the Grantee's Certification of Payment Request; and 3) a signed Engineer's Certification of Payment Request.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

Task 4: Project Management

Deliverables: The Grantee will perform project management, to include field engineering services, construction observation, site meetings with construction contractor(s) and design professionals, and overall project coordination and supervision.

Documentation: The Grantee will submit interim progress status summaries including summary of inspection(s), meeting minutes and field notes, as applicable.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

PROJECT TIMELINE & BUDGET DETAIL:

The tasks must be completed by, and all documentation received by, the corresponding task end date. Cost reimbursable grant funding must not exceed the budget amounts as indicated below.

Task No.	Task Title	Budget Category	Grant Amount	Task Start Date	Task End Date
1	Design and Permitting	Contractual Services	$139,557.50	07/01/2021	06/30/2024
2	Bidding and Contractor Selection	Contractual Services	$14,418.00	07/01/2021	06/30/2024
3	Construction	Contractual Services	$4,185,200.66	07/01/2021	06/30/2024
4	Project Management	Contractual Services	$174,311.20	07/01/2021	06/30/2024
Total: $4,513,487.36					

Note that, per Section 8.h. of Attachment 1 in the Agreement, authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of the Department if the Legislature reduces or eliminates appropriations. Extending the contract end date carries the risk that funds for this project may become unavailable in the future. This should be a consideration for the Grantee with this and future requests for extension.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5-2

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement)* to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

Federal Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following:					
Federal Program A	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	
Federal Program B	Federal Agency	CFDA Number	CFDA Title	Funding Amount	State Appropriation Category
				$	

Note: Of the resources awarded to the recipient represent more than one federal program, list applicable compliance requirements for each federal program in the same manner as shown below:

Federal Program A	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.:(eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	
Federal Program B	First Compliance requirement: i.e.: (what services of purposes resources must be used for)	
	Second Compliance requirement: i.e.: (eligibility requirement for recipients of the resources)	
	Etc.	
	Etc.	

Note: If the resources awarded to the recipient for matching represent more than one federal program, provide the same information shown below for each federal program and show total state resources awarded for matching.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Matching Resources for Federal Programs:					
Federal Program A	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category
Federal Program B	Federal Agency	CFDA	CFDA Title	Funding Amount	State Appropriation Category

Note: If the resources awarded to the recipient represent more than one state project, provide the same information shown below for each state project and show total state financial assistance awarded that is subject to section 215.97, F.S.

State Resources Awarded to the Recipient Pursuant to this Agreement Consist of the Following Resources Subject to Section 215.97, F.S.:						
State Program A	State Awarding Agency	State Fiscal Year[1]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category
Original Agreement	Florida Department of Environmental Protection	2021-2022	37.039	Statewide Water Quality Restoration Projects - LI 1613	$3,412,919.00	141115
Amendment 1	Florida Department of Environmental Protection	2018-2019	37.039	Statewide Water Quality Restoration Projects - LI 1580A	$132,829.71	141115
Amendment 1	Florida Department of Environmental Protection	2019-2020	37.039	Statewide Water Quality Restoration Projects - LI 1660A	$38,252.70	141115
Amendment 1	Florida Department of Environmental Protection	2022-2023	37.039	Statewide Water Quality Restoration Projects - LI 1669	$58,486.15	141115
Amendment 2	Florida Department of Environmental Protection	2023-2024	37.039	Statewide Water Quality Restoration Projects - LI 1709	$870,999.80	141115
State Program B	State Awarding Agency	State Fiscal Year[2]	CSFA Number	CSFA Title or Funding Source Description	Funding Amount	State Appropriation Category

Total Award	$4,513,487.36	

Note: List applicable compliance requirement in the same manner as illustrated above for federal resources. For matching resources provided by the Department for DEP for federal programs, the requirements might be similar to the requirements for the applicable federal programs. Also, to the extent that different requirements pertain to different amount for the non-federal resources, there may be more than one grouping (i.e. 1, 2, 3, etc.) listed under this category.

[1] Subject to change by Change Order.
[2] Subject to change by Change Order.

For each program identified above, the recipient shall comply with the program requirements described in the Catalog of Federal Domestic Assistance (CFDA) [https://sam.gov/content/assistance-listings] and/or the Florida Catalog of State Financial Assistance (CSFA) [https://apps.fldfs.com/fsaa/searchCatalog.aspx], and State Projects Compliance Supplement (Part Four: State Projects Compliance Supplement [https://apps.fldfs.com/fsaa/state_project_compliance.aspx]. The services/purposes for which the funds are to be used are included in the Agreement's Grant Work Plan. Any match required by the Recipient is clearly indicated in the Agreement.

To: Mayor & Commissioners
From: Bob Shillinger, County Attorney
Date: February 6, 2024
Re: February 2024 County Attorney Report

Closed Sessions at the February Meeting

(None)

New Cases

1. 601 Cuda Properties, LLC v. Monroe County & South Fla. Water Management District, Case No. 3D23-118 (L.T. Case No. 2023-066-DAO-ERP). 601 Cuda Properties, LLC, a property owner in the Upper Keys, has appealed from an Order issued on 12/21/23 by the Governing Board of the South Florida Water Management District, dismissing a petition for a formal administrative proceeding filed by 601 Cuda Properties, on the grounds that the petition was untimely. 601 Cuda Properties had filed the petition opposing the issuance of an Environmental Resource Permit to Monroe County, authorizing the use of sovereign submerged lands to repair the Rock Harbor Breakwater and install an air bubble curtain and seaweed gate. The appeal was filed on 1/18/24.

Cases of Interest at Trial Court Level

2. Peter & Olivia Poto v. Monroe County/Monroe County v. Jane Gilbert Trust, 22-CA-709-K, quiet title and specific performance action by buyers of a property where seller had sold development rights to one lot and entered into a unity of title as part of the County's Less than Fee program. The County answered and filed a counterclaim against the Potos and a cross-claim against the seller, Jane Gilbert. **Depositions are being rescheduled for March to give the parties an opportunity to try and resolve this matter.**

3. Largo 89, LLC & AJC Berna Properties, LLC v. FDEP & Monroe County, 23CA216P. Owners of two lots adjacent to the terminus of Kay Drive in Key Largo sued for declaratory relief and nuisance seeking to compel FDEP to issue a Certificate of Recordable Deed. The BOCC denied Owners' road abandonment petition on 3/16/22 because it cut off water access to the public in violation of the Code. A hearing on Plaintiffs motion for summary judgment has not been scheduled yet.

4. Roy's Trailer Park v. Noel & Monroe County, 19-CA-175-K. Declaratory Judgment suit filed by Roy's against County as part of its eviction suit against its tenant. County counterclaim against the trailer park and the park residents, seeking an injunction prohibiting occupancy at the park until serious fire and life safety issues have been addressed, appointment of a receiver, and declaratory relief to determine whether the owner or tenants are responsible for the code violations. The park owner submitted an application to the Planning Department to redevelop the park for affordable housing. The Planning Commission hearing was held on 12/14/22. Next step: public hearing on the owner's application to be presented to the BOCC.

5. Monroe County v. Sugarloaf VFD, Inc. & Sugarloaf Wi-Fi, Inc., 17-CA-631-K. The County sued both SVFD and Wi-Fi to invalidate a lease between SVFD and Wi-Fi on the grounds that SVFD had not approved the lease in an open meeting. The County prevailed and the lease was invalidated. Wi-Fi has a separate suit pending against the SVFD that is holding up the transfer of the property to the County. At Wi-Fi's request, Fortress Secured, LLC submitted a public private partnership (P3) proposal that would serve as the basis for settlement. On 1/18/23, the BOCC approved an interim agreement with Fortress Secured, LLC to design, build and finance a replacement fire station on Sugarloaf Key at the current location of the Sugarloaf Volunteer Fire Department Station #10. A final agreement would resolve all related claims and result in a transfer of the property to the County.

6. Burkhardt v. Monroe County, 22-CA-293-K. Plaintiff sued seeking to declare whether Plaintiff has a right to engage in commercial fishing uses on his Big Pine Key property. The complaint also sought to invalidate the Habitat Conservation Plan and Incidental Take Permit issued by USFWS. On 1/17/23, the County filed its answer to the amended complaint. The parties are currently engaged in discovery.

7. Jay Archbell PA v. Buirley, Monroe County, et al., 23-CA-108-K. The County previously settled its claim against Jay Archbell, PA (the property owner) for a reduced amount of code liens. The property appears to have some owners outside the chain of title. Archbell then sued prior owners Kenneth and Anita Lynn Buirley, the County, and others, to quiet title. The County filed its Answer on 5/30/23.

8. Maschal et al. v. Monroe County and FKAA, 19-CA-186-K. Suit by 12 individuals seeking similar relief to the Delaney lawsuit, which the County and FKAA won. The Court dismissed the case on 4/4/22 but the Third DCA remanded the case with instructions to allow Plaintiffs to file one single amended complaint. Plaintiffs filed their Amended Complaint on 8/17/23. The County and FKAA filed answers on 9/1/23 and a joint Counterclaim for injunctive relief, compelling the property owner plaintiffs to connect to the wastewater system. **Plaintiffs motion for summary judgment will be heard on 4/2/24. Defendants anticipate filing a counter-motion for summary judgment. Trial @ September 2024**

Appellate Cases of Interest

9. Shands v. City of Marathon, 3d DCA21-1987. This is a long running takings case involving an offshore island located within the City of Marathon. On 5/3/23, the Third DCA reversed a trial court decision in favor of the City and, in doing so, created a new hybrid species of inverse condemnation claim that, if left unchecked, could have dire consequences for the growth management policies governing the Florida Keys Areas of Critical State Concern. On 6/2/23, the County and the Village of Islamorada filed an amicus brief in support of Marathon's Motion for Rehearing, Rehearing *en banc*, and for Certification to the Florida Supreme Court. The City's motion for rehearing remains pending.

10. Ray Rey & Ramille Rey v. Monroe County, 22-AP-2-P. On 3/1/22, the owners filed a notice of appeal of the Final Order of the Special Magistrate that found them in violation due to improvements to a nonconforming lower enclosure. Briefing is complete. Awaiting a ruling or the scheduling of oral argument. While the appeal has been pending, the owners achieved compliance and sought and obtained a fine reduction pursuant to an Order Imposing Fine entered by the Special Magistrate on 1/30/24.

11. Sunset Garden Estate Land Trust v. Monroe County, 19-CA-460-P, 3D23-1368. Property owner sued claiming that various state laws including the Right to Farm Act, preempt the County's land development regulations. The County filed a counterclaim for declaratory and injunctive relief. On 7/11/23, the Court granted Plaintiffs' motion for summary judgment, denied the County's motion for summary judgment, and entered judgment for the Plaintiffs. The County appealed to the Third DCA. **The County filed its initial brief on 12/14/23. Appellee Sunset Garden Estate Land Trust has until 2/9/24 to file its Answer Brief.**

Administrative Law Cases

12. 6-7-8 US 1, LLC v. Monroe County Planning Department. On 5/7/21, the property owner filed an appeal to the Planning Commission of the Department's 4/7/21 letter of understanding regarding the attempted use of storage/shipping containers at its Key Largo property. The Department determined that the storage/shipping containers used for commercial storage at the property were not subject to the property owner's conditional use approval or building permit for the parcel; are structures that require a permit and compliance with the Comprehensive Plan, LDC, Chapter 6 of the County Code, the Florida Building Code, local and FEMA flood regulations; and constitute non-residential floor area as defined in the LDC and are subject to NROGO. The owner's appeal of the Department's analysis and conclusions was heard at the Planning Commission's November meeting. The Planning Commission affirmed on a vote of 3-2. **Time for an appeal will start once PC Chair signs resolution memorializing the vote.**

13. Realty, LLC v. Monroe County. On 1/31/24, the owner of property located at 31 Baker Road, Ocean Reef, Florida (00573670-003100) filed an application for a beneficial use determination alleging that a 5/26/23 wetlands determination results in a developable area that precludes the development of a single-family residence. The owner is seeking the ability to build a residence as the form of relief. In order to be entitled to beneficial use relief, the owner must establish that the application of the County's land development regulations has caused a taking of the property. The application will be referred to a special magistrate who will issue a recommendation to the BOCC.

Vacation Rental Cases

14. Lachlan, LLC, et. al. v. Monroe County, et. al., 23-CA-104-K. On 2/17/23, the Coral Hammock owners involved in 20-AP-11-K (Coral Hammock Rental et al. v Monroe County) filed a mandamus complaint seeking to compel the Planning Department to process their applications for exemptions to the annual vacation rental permit requirement (the Department informed the owners that the applications would be held in abeyance pending certiorari review in the Third District). On 4/20/23, the County filed its answer to the complaint. Opposing counsel stated on 1/23/24 he agreed that a voluntary dismissal seemed appropriate in light of the fact that the Department has been processing applications for exemptions. Awaiting filing of a notice of voluntary dismissal.

Class Action Lawsuits where Monroe County is a Party

15. Monroe County v. 3M, et al., 22-CA-618-K/2:22-cv-03680-RMG, consolidated into 2:18-mn-02873-RMG: On 9/9/2022, Monroe County filed suit against manufacturers of aqueous film-forming foam (AFFF) containing per- and polyfluoroalkyl substances (PFAS) to recover damages for investigation, remediation, removal, disposal, treatment and monitoring of water and soil created by defendants' products. PFAS had been detected at the Monroe County Fire Training Academy on Grassy Key. On 10/7/22, defendants removed the case to the U.S. District Court for the Southern District of Florida. On 10/26/22, the County's case was transferred and consolidated with other similar cases in the Multi District Litigation (MDL) case pending in the District of South Carolina before Hon. Richard M. Gergel.

Constitutional Officer Cases

16. The Supervisor of Elections, Joyce Griffin, is currently involved in several litigation matters in which she has been previously served and/or has received notice of other cases which have been filed but not yet been served on her. The cases challenge various Florida Statutes regarding election legislation and voter registration. Griffin and other SOEs retained outside counsel, but the County Attorney's office is assisting in the defense of each case. Current pending matters are as follows with the cases being at various stages of litigation:

    A) League of Women Voters of FL v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-00186; USDC/NDFL, 11th Cir. Ct. App. Case No. 22-11143.

B) Above case consolidated with NAACP of FL v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-00187, USDC/NDFL, 11th Cir. Ct. App. Case No. 22-1114; Florida Rising Together, v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-201, USDC/NDFL, 11th Cir. Ct. App. Case No. 22-11143; and Harriet Tubman Freedom Fighters, et al v. Laurel M. Lee, et al, No. 4:21-cv-00-242-MW-MAF, 11th Cir. Ct. App. 22-11133.

C) Vote.org v. Byrd, Joyce Griffin, et al, No. 4:23-cv-00111 (N.D. Fla.); USDC/NDFL, 11th Cir. Ct. Appt. Case No. 23-13727.

D) NAACP v. Byrd, Joyce Griffin, et al, No. 23-cv-215 (N. D. Fla.).

E) Florida Rights Restoration Coalition v. DeSantis, Joyce Griffin, et al., No. 1:23-cv-22688 (S.D. Fla.).

Tort and Employment Law Cases

17. The County Attorney's Office is defending the following other personal injury, property damage and employment law cases not referenced above:

Katzenstein v. Monroe County, 20-CA-177-P	Personal injury

Foreclosure Actions

18. The County Attorney's Office is currently prosecuting a total of 33 cases to foreclose or otherwise enforce on County code compliance liens. The Office is also currently defending 6 mortgage foreclosure cases, where the County holds an interest in the property, usually as a result of an inferior code compliance lien.

Other Matters of Interest

19. **Code Collections**. During January 2024, County Attorney and Code Compliance staff collected $206,813.29 in code compliance fines and costs. Cumulatively through the first four months of FY24, staff has collected $601,413.56 in fines and costs, including after-the-fact fees. A chart showing code collections is attached.

20. **Vacation Rental Prosecutions.** Five vacation rental cases were heard at the January 2024 code hearing. All five properties were in compliance prior to the hearing. The Special Magistrate issued one-time fines as follows: CE23090009: $3000; CE23100043: $6400; CE23110002: $10,000; CE23110004: $5000. The Special Magistrate took one case under advisement and has yet to issue a final order.

Risk Management

David Rice, District 4

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: O2
2023-2085

BULK ITEM: No **DEPARTMENT:** County Attorney

TIME APPROXIMATE: **STAFF CONTACT:** Kelly Dugan

AGENDA ITEM WORDING: Authorization to initiate litigation against FRANCYS M. HELLIESEN and her property, Vacant Land Bigonia Dr., Big Pine Key, Florida, to seek compliance with the County Code and enforce the lien(s) arising from code compliance case number CE20010022.

ITEM BACKGROUND:

CE20010022: This property has been the subject of a code compliance case for vegetation in canals (not compliant). The fines total $28,600.00 as of January 18, 2024 and will continue to accrue at $100.00 per day, until compliance is achieved.

A hearing was scheduled for January 26, 2023 and the property owner was not present. The Special Magistrate found the property in violation and ordered a compliance date of April 6, 2023. The County's lien was recorded on April 21, 2023. A subsequent hearing was held on October 26, 2023 and the property owner was not present. The Special Magistrate found the property remained in violation and granted the County's motion to proceed with collections. The code case remains open for non-compliance and failure to pay outstanding fines and costs.

The Monroe County Property Appraiser lists the Just Market Value as $59,795. The property is not homesteaded and there is no mortgage recorded. There are no pending foreclosure actions at this time, however there is a title issue that will need to be resolved before the property could be acquired.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County's lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and/or writ of execution;

2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Release the lien.

Additionally, the title issue may warrant the County initiating a probate action in order to resolve ownership.

County staff recommends initiating litigation (option 1) against the property owners for injunction, foreclosure, money judgment and/or writ of execution. County staff also recommends approving the initiation of a probate action.

PREVIOUS RELEVANT BOCC ACTION:

Approval of Resolution No. 057-2014 on March 19, 2014 adopting "ATTACHMENT A" as Procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief for non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner.

Subject: Code Case: CE20010022
Location: VACANT LAND BIGONIA DR., BIG PINE KEY, FL 33043

Dear Property Owner,

This letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on October 26, 2023 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050. **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.** The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location:

Middle Keys: 2798 Overseas Highway, Suite 330
Marathon, FL 33050 (305) 289-2810
Upper Keys: 102050 Overseas Highway
Key Largo, FL 33037 (305) 453-8806

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Monica Rodriguez

July 13, 2023

Subject: Code Case: CE20010022
Location: VACANT LAND BIGONIA DR., BIG PINE KEY, FL 33043

Dear Property Owner,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Our records indicate that the violation(s) remains on your property. Because your property is not in compliance the fines continue to accrue in the amount of $100.00 per day until the property comes into compliance. A daily fine of $100.00 per day has currently accrued for 97 days for a current total of $9,700.00.

Additionally, pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). To date, these costs are $478.16 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is $10,178.16 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days may result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Cynthia J. McPherson

Subject: Code Case CE20010022
Property Location: VACANT LAND BIGONIA DR, BIG PINE KEY, FL 33043
Real Estate No.: 00266320-000000

Dear Property Owner(s),

This letter is to inform you that our records indicate that the violation(s) remain on your property and the fines will continue to run in the amount of $ 100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 04/21/23, Book 3221, Page 1700. The current amount of the County's lien is $1,878.16 (fines and costs) which continue to accrue and increase until the case is compliant and closed.

This lien is a lien on the property that was the subject of the code enforcement action **and** upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to: Monroe County Code Compliance Department; Attention: Nicole Petrick; 2798 Overseas Highway, Suite 330; Marathon, Florida 33050. The County will then provide a Release and Satisfaction of Lien to you.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.

Middle Keys: 2798 Overseas Highway, Suite 330, Marathon, FL 33050 (305) 289-2810

ElectronicallyREC: $52.50

BEFORE THE COUNTY CODE COMPLIANCE SPECIAL MAGISTRATE
MONROE COUNTY, FLORIDA

MONROE COUNTY FLORIDA,
Petitioner,

vs.

FRANCYS M HELLIESEN
Respondent(s).

Case No.: CE20010022
Subject Property Real Estate Number: 00266320-000000

LIEN / FINAL ORDER

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative _____ was not present via zoom webinar on January 26, 2023 did not contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth and attached hereto.

(x) The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.

(x) The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).

( ) ONE-TIME FINE - The violation(s) is found to be irreparable or irreversible and a one-time fine of $ _____ is ORDERED, payable within _____ days of this Order.

(x) COSTS - Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.

(x) The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 04/06/2023 ("THE COMPLIANCE DATE").

(x) In the event the violation(s) were or are not corrected on the compliance date previously ordered or on the compliance date set forth herein, fine(s) in the dollar amount:

26-4.(b) $ 100.00

for each day BEGINNING ON THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

(x) It is further ordered that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

( ) The Respondent(s) **were** in violation of the MONROE COUNTY CODE(S) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before **THE COMPLIANCE DATE** but are now in compliance.
The Respondent(s) shall pay the total amount of cost and/or fines ($_____) to Monroe County Code Compliance within thirty (30) days of this Order.

(x) The Special Magistrate incorporates by reference the allegation(s) in the Notice of Violation/Notice of Hearing (attached hereto) and finds the allegation(s) was/were established by the County's Witness(es), Evidence and/or Exhibits that were introduced and accepted at the hearing.

( ) Other:_____

_____

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 295-4343 FOR THE LOWER KEYS.

DATED this **26TH** day of **January,** 2023.

John G. Van Laningham, Special Magistrate

APPEAL PROCEDURES

Respondent(s) shall have 30 days from the date of the foregoing Order of the Special Magistrate to appeal said Order by filing a Notice of Appeal, signed by the Respondent(s). ANY AGGRIEVED PARTY, INCLUDING MONROE COUNTY, MAY HAVE APPELLATE RIGHTS WITH REGARD TO THIS ORDER PURSUANT TO SECTION 162.11, FLORIDA STATUTES. ANY SUCH APPEAL WILL BE LIMITED TO APPELLATE REVIEW OF THE RECORD CREATED BEFORE THE SPECIAL MAGISTRATE. ANY APPEAL MUST BE FILED WITH CIRCUIT COURT WITHIN 30 DAYS OF THE EXECUTION OF THIS ORDER.

CERTIFICATE OF ORDER

I hereby certify that this is a true and correct copy of the above Order.

Nicole Petrick, Liaison

NOTICE OF VIOLATION/NOTICE OF HEARING

To: FRANCYS M HELLIESEN
2189 BLOSSONWOOD DR
OVIEDO FL 32765-6151

Case Number: CE20010022

Location: VACANT LAND BIGONIA DR., BIG PINE KEY, FL 33043
Re Number: 00266320000000

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 01/09/2020 and subsequently found the following violation(s) of the Monroe County Code:

26-4.(b) - VEGETATION IN CANALS
THE VEGETATION ON THIS PROPERTY REQUIRES TRIMMING BACK BEHIND THE SHORELINE TO PREVENT FUTURE IMPEDIMENTS TO NAVIGATION.

Corrective Action Required:
CONTACT THE MONROE COUNTY BIOLOGIST FOR DETERMINATION OF PERMIT REQUIREMENTS. PERMITS AND APPROVALS MAY ALSO BE REQUIRED FROM THE ARMY CORPS OF ENGINEERS AND DEPARTMENT OF ENVIRONMENTAL PROTECTION.
UPPER KEYS COUNTY BIOLOGIST 305-453-8730
MIDDLE KEYS AND LOWER KEYS COUNTY BIOLOGIST 305-289-2537
DEPT. OF ENVIRONMENTAL PROTECTION 305-289-7070

(✓) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 01/26/2023 at 9:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.** **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.**

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **01/18/2023** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

PETITIONER'S EXHIBIT 1 1 of 4

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed $1,000 per day per violation for a first violation, $5,000 per day per violation for a repeat violation, and up to $15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, or email directly to Petrick-Nicole@monroecounty-fl.gov, prior to the date of the hearing. You may request a copy of your case file by filing a public records request online: https://monroecountyfl.nextrequest.com. If you are requesting the case file in preparation for your hearing, your request should be submitted no less than ten (10) days prior to your scheduled hearing.

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

Gabi,
Please see map and complaint attached. I am not sure all lots are privately owned. Beth Bergh will take care of the county owned lots.
Thanks.

Cynthia

Hi Beth and Cynthia,

I circled the vacant lots at the end of Geranium, Bigonia, and Violet (attached) that really need the vegetation cut back on the canal side. The lot on Bigonia is especially overgrown and interfering with navigation through the canal. I would be very thankful if you could have those lots cut back.

Subject: Eden Pines Canals

Hi Sgt Wirth,

I've attached aerial photos of the Eden Pines canals (west of Fern) for your reference. The parcels shown in green hatching are County conservation lands; vacant lots that are not hatched are private property. As we discussed, if any privately owned lots are in need of trimming then the appropriate process is to go through Code Enforcement (Cynthia McPherson) as I can only trim along the shoreline of County property. Let me know if you think any County lots could use trimming.

COURTESY NOTICE OF CODE VIOLATION

Case: CE20010022
Date Issued: 5/21/2020
RE#: 00266320-000000
Property Location: Vacant Bigonia Dr Lot 9
Big Pine Key, FL 33043

Owner/Tenant: Francys M Helliesen
Address: 2189 Blossomwood Drive
Oviedo, FL 32765

This letter is intended to seek your cooperation in bringing your property into compliance without further Code Compliance Action. Our office received a complaint and an inspection of this property reveals violations of the following:

___ Property to be cleaned of Trash & Debris

__X__ Property overgrown requires trimming (**Vegetation on/near the Canal**)

___ Unlawful Disposal Dumping or disposal of any solid waste, or trash and debris

___ Prohibited Signs Signs Requiring Permits

___ Mobile Vending Sales form the Right of Way

___ Abandoned Vehicles Trailers

___ Abandoned Vessels

___ Parking Storage and or habitation of Trucks, Trailers, Travel Trailers and RV's

___ Rights of Way Use or Improvements

Corrective Action: The vegetation on this property along the canal requires trimming back behind the shoreline to prevent future impediments to navigation. Please contact the Monroe County Biologist for permit requirements at (305) 295-3181.

Corrective measures must be taken within **30** days from the date of hand delivery, posting or postmark of this communication. Failure to comply within allotted time may result in a Notice of Violation/Notice of Hearing being issued to you.

IT IS YOUR RESPONSIBILTY TO CONTACT THE CODE INSPECTOR below for re-inspection.

Issued Posted mailed by: Stan Al Date 5/21/20 Time 9:30 am

This Letter Is intended to seek your cooperation in bringing your property into compliance without further Code Compliance Action. An Inspection of this property reveals violations of the following:

_____ Property to be cleaned of Trash & Debris & Construction Site Debris

____ Property overgrown requires trimming (**Vegetation on/in the Canal**)

____ Unlawful Disposal/Dumping or disposal of any solid waste, or trash and debris

____ Prohibited Signs/Signs Requiring Permits

____ Mobile Vending/Sales form the Right of Way

____ Abandoned Vehicles/Trailers

____ Abandoned Vessels

____ Parking/Storage and/or habitation of Trucks, Trailers, Travel Trailers and RV's

____ Rights of Way Use or Improvements

Corrective Action: **The vegetation on this property along the canal requires trimming back behind the shoreline to prevent future impediments to navigation. Please contact the Monroe County Biologist for permit requirements at (305) 289-2561.**

Corrective measures must be taken within **30 days** from the date of hand delivery, posting or postmark of this communication. Failure to comply within allotted time may result in a Notice of Violation/Notice of Hearing being issued to you. **IT IS YOUR RESPONSIBILTY TO CONTACT THE CODE INSPECTOR** for re-inspection. Please contact your inspector at the appropriate location indicated below.

Subject: Re: About Code Case CE20010022 / Parcel ID: 00266320-000000

Andres,

Beth is correct. The owner of record, Francys Helliesen, is deceased and her estate must be probated in order to clear the property title for a sale. Although the heir to this particular lot (Linda Helliesen-Miller) made a good faith effort, the estate is unable to complete the probate process, so the Land Authority has rescinded its purchase agreement and will not be acquiring title.

Andres,
Mark may add to this response but, FYI – the County is no longer under contract to purchase this property. Therefore, we will not be able to address the vegetation extending into the canal from the privately owned lot.

Good afternoon Mark,

This is a follow up on an old case we have in which we haven't been able to close yet.

As of current time, do you know if the County will at the end purchase this property and remove any possible vegetation interfering with canal navigation?

Sincerely,

PETITIONER'S EXHIBIT 6 1 of 5

Hi Mark,

Thank you for reaching out, I understand that title processes are lengthy when there are issues involved. I can check again in 30 days if is ok with you.

Thank you for checking with Mark, Kevin.

Have a great 4th of July weekend to you both.

Hello Kevin and Andres:

Yes, the Land Authority has a contract to purchase Parcel ID 00266320-000000 but the transaction has not closed yet due to problems with the property title.

Andres, would it be possible for you to put this on hold for another week or two while we try to get it the title problem resolved?

Hello Andres,

Regarding a code complaint on this lot, I am not sure. According to what I go off of in the field, it appears to be privately owned. This is the first time I've heard anything about this lot.
Mark, are you aware if this unit (Re# 266320) is currently on our radar to be purchased for conservation?

Thanks all,

Kevin

Subject: About Code Case CE20010022 / Parcel ID: 00266320-000000

Greetings Kevin,

This code case is about a vacant lot located at the end of Bigonia Dr in Big Pine Key (property records attached for better reference):

https://qpublic.schneidercorp.com/Application.aspx?AppID=605&LayerID=9946&PageTypeID=4&PageID=7635&KeyValue=00266320-000000

PETITIONER'S EXHIBIT 6 4 of 5
2838

I am doing a follow up on an old case we have in which we haven't been able to close yet.

Reason for it is because this case is about vegetation growing into the canal affecting safe navigation. Case records show that this property is (or was I am not sure yet) in the process in being bought by the County for conservation purposes and to trim any vegetation extending into the canal.

Do you have any pending purchase records of it? If yes, can you provide us a status?

Thanks in advance and happy 4th of July weekend.

IMPORTANT - PLEASE READ - INSTRUCTIONS AND INFORMATION

1. If you have ***sold the real property*** described on this notice, please send this notice to the new owners or return it to the Tax Collector's Office immediately. If you **sold the tangible personal property,** but were the owner on January 1st of the tax year, you are responsible for the tax.

2. Please ***verify the description*** of the property. If any errors in the description are found, notify the Property Appraiser as soon as possible. This notice covers taxes for the calendar year, January 1 through December 31, of the year indicated on the front.

3. ***Discounts*** for early payment have been computed for you on the bottom of this notice. Please pay only one amount. Schedule of Discounts: 4% in November 3% in December 2% in January 1% in February Discounts are determined by postmark of payment.

4. Taxes become ***delinquent*** April 1st.

   For ***real estate taxes,*** a 3% minimum mandatory charge is imposed on April 1 and an advertising charge is added during May. Tax sale certificates will be sold on all unpaid accounts on or before June 1 resulting in additional charges.

   For ***tangible personal property*** **taxes**, interest accrues at 1-1/2% per month plus advertising and fees. Tax warrants will be issued on all unpaid personal property taxes.

   If the postmark indicates your payment was mailed on or after April 1 (delinquent date), the amount due is determined by the date your payment is ***RECEIVED*** by the Tax Collector.

5. If ***paying by mail***, please ***keep the top portion*** of this bill along with your canceled check. Please note, your taxes are not "paid" until your check clears the bank.

6. ***Important Dates*** to Remember:

Prior to March 1	File any new exemptions with Property Appraiser
March 31	Deadline for Tax Deferral Application
March 31	Last day for tax payment without interest
April 30	Deadline for new applications to installment plan
November	Tax bills mailed

- **Tax Collector**
  Receives tax roll from the Property Appraiser, prepares and mails tax notices, and collects taxes and assessments based on information certified by the Property Appraiser and other levying authorities. The Tax Collector's Office can be reached by calling (305) 295-5000.

- **Property Appraiser**
  Assesses property values; determines exemptions; maintains certified owner names and addresses, address changes and legal property descriptions; and certifies the county-wide tax roll to the Tax Collector. The Property Appraiser's Office can be reached by calling (305) 292-3420.

- **Levying Authorities**
  Responsible for determining ad valorem millage rates and non-ad valorem assessment rates for their respective boundaries. For a detailed list of all levying authorities and their respective contact information, please visit www.monroetaxcollector.com and click the "Taxing Authorities" link.

"Thank you for the honor to serve as your Tax Collector"

-Sam C. Steele

• Please detach and return this bottom part with your payment. •

Partial Payment Affidavit

This is to certify that I wish to make partial payments on the current year Ad Valorem Tax and Non Ad Valorem Assessments tax bill, as allowed by Florida Statute 197.374, for the property identified on the front of this bill. I agree to and understand the following:

- Partial payments may be accepted for **current year taxes only** between November 1st and March 31st.
- No discount is allowed for partial payments.
- A $10 processing fee will be deducted from each partial payment.
- It is my responsibility to ascertain the balance due.
- No additional tax bills will be mailed except the reminder notice per F.S.197.343.
- Any remaining balance as of April 1st is considered delinquent and subject to all applicable penalties and fees, in which a tax certificate could be sold.

MONROE COUNTY, FLORIDA

RESOLUTION NO.057-2014

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ADOPTING THE PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 162.09(1), Florida Statutes and Monroe County Code Section 8-31(a) give the Special Magistrate appointed to hear Code Compliance cases the authority to impose fines and costs including the cost of repairs if the County is forced to make repairs, after a finding that the property owner has violated the Monroe County Code(s); and

WHEREAS, pursuant to Section 162.09(3), Florida Statutes and Monroe County Code 8-31(c), a certified copy of an Order imposing a fine or a fine plus repair costs may be recorded in the public records and thereafter constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator; and

WHEREAS, a certified copy of the Order imposing the fines and costs becomes a lien on all real and personal property owned by the violator once recorded with the County Clerk; and

WHEREAS, the County has the authority to initiate litigation to enforce its codes and recorded liens; and

WHEREAS, the initiation of litigation may be the only incentive for some property owners to gain compliance; and

WHEREAS, the Board of County Commissioners finds it in the public's interest to have a formalized written procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief on non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY:

Section 1: The County's formal procedure is hereby adopted as set forth in **Attachment A: PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER.**

Section 2: This resolution and the incorporated policies shall become effective upon adoption by the County Commission.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting of said board held on the 19th of March, 2014.

PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER

1. Special Magistrate (SM) enters a Final Order imposing a compliance date, fines and/or costs after a finding of violation of Monroe County Code(s) by property owner (violator) or approving a Stipulated Agreement with an agreed upon compliance date and fine amounts. The Final Order of SM providing the compliance date, and imposing fines and/or costs is provided to the property owner as soon as practicable. Referrals, if not made previously, are made to other agencies in appropriate circumstances.

2. The Final Order of the SM is recorded by Code Compliance (CC) as a lien by Code Compliance within 14 days after the compliance date for those cases that have not achieved compliance.

3. The Final Order of the SM is recorded as a lien by CC within 45 days after the compliance date for those cases that have achieved compliance by the compliance date but have outstanding costs in excess of $200.

4. If compliance is not achieved within 75 days of the recording of the lien, then a re-inspection of the property is completed by the Code Inspector assigned to the case. If the property is still not in compliance then a demand letter including the current amount of fines and/or costs is sent to the property owner.

5. If compliance is not achieved within 90 days of the recording of the lien and/or the lien is not satisfied, then CC will research the subject property to determine:

   i. if the subject property is homesteaded;
   ii. if the subject property is the only property owned by property owner/violator;
   iii. what efforts, if any, the property owner has made to achieve compliance;
   iv. the amount of the lien accrued to date; and
   v. any other relevant factors, including but not limited to researching the status of the property owner, i.e. any Lis Pendens filed against the property or property owner, any pending or closed foreclosure actions, any open, pending or discharged Bankruptcy petitions.

6. CC staff shall provide a written memo or email to the County Attorney's Office (CAY) with the results of the research outlined and requested further action.

7. The CAY will review the information provided by CC staff.

8. The CAY will move the SM per F.S. 162.09 for an Order authorizing foreclosure or a money judgment action; and,

i. The Code Compliance Liaison (Liaison) will schedule the motion for the next available SM hearing for a Motion for approval to proceed with a foreclosure and/or money judgment action;
ii. The Liaison will mail a Notice of Hearing and Notice of Motion prepared by the Liaison and signed by the CAY to the property owner by certified mail noticing the owner of the date, time, place and the substance (collection action, foreclosure and/or money judgment and/or writ of attachment) of the motion;
iii. The Liaison will email/calendar a re-inspection request to the assigned Inspector to conduct inspection prior to the next available SM hearing;
iv. The Motion hearing is heard by SM on the specified date;
v. If SM finds foreclosure or money judgment is appropriate, the Liaison will notice the property owner of the SM's ruling and email/calendar a re-inspection request to the assigned Inspector to conduct an inspection within 30 days of the SM ruling;
vi. CAY will seek permission from the Board of County Commissioners to file for foreclosure or money judgment in court;
vii. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to notify the owner by a quick email letter, telephone call or demand letter every 90 days to inform them that the property is not in compliance and fines are running. The assigned Code Inspector will provide written updates to the CAY every 90 days.

9. Subsequent to the SM's ruling on the Motion, the CAY will place an item on the Commission's agenda seeking the Board's direction and authorization on further enforcement and collection efforts. Potential options for litigation include seeking injunctive relief, a money judgment for the unpaid fines, foreclosure, or other relief. Potential non-litigation options include referral to another agency, allowing liens to accrue, or other relief.

10. If the recommended legal action is referral to another agency, release of lien, or allowing liens to accrue, CAY will send a written memo or email to the Director of Code Compliance outlining recommendation.

11. Once authority is granted by SM and/ or Board of County Commissioners, CC will order a title search on non-homesteaded properties, and the assigned Code Inspector will conduct a re-inspection after receipt of the title search. Litigation will commence after the title search is completed and a current re-inspection is completed. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to contact the property owner by a quick email letter, telephone call or demand letter every 90 days that the property is not in compliance and fines are running. The assigned Inspector will provide written updates to the CAY every 90 days.

12. If the Board decides not to authorize injunction or enforcement litigation, a decision from the Board could include direction to:

    i. Allow lien to remain filed and accrue interest until sale or refinancing; or
    ii. Release the lien; or
    iii. Request CC staff to provide a progress report on compliance efforts annually at the March BOCC meeting.

Exception –If a violation poses a serious threat to the public health, safety & welfare then immediate permission to file an action for an inspection warrant, injunction and/or demolition may be sought with BOCC direction.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: O3
2023-2110

BULK ITEM: No

DEPARTMENT: County Attorney

TIME APPROXIMATE: No

STAFF CONTACT: Cynthia Hall

AGENDA ITEM WORDING: Approval of resolution approving Monroe County Administrative Instruction 4715.6, setting policy regarding the Monroe County post-employment volunteer program as applied to FRS retirees.

ITEM BACKGROUND:
The purpose of this agenda item is to request BOCC approval to a post-employment volunteer program, as required by F.S. 121.091(15), which states that the Employer may establish post-employment volunteer programs for Florida Retirement System (FRS) retirees who wish to provide civic, charitable, and humanitarian services on a volunteer basis to Monroe County.

In July 2023, the Florida legislature passed Chapter 2023-316, Laws of Florida. F.S. 121.021 provides that an employee must terminate from employment in order to receive benefits from the Florida Retirement System (FRS), and that the termination is void if the retiree is hired by any FRS employer during a specified period. The new law, which took effect July 1, 2023, amended F.S. 121.021 and F.S. 121.091 to provide that a person who has retired from FRS may provide volunteer services to an FRS employer without violating the provision of the law requiring termination from employment. Ch. 2023-316 also states that employers may establish postemployment volunteer programs to allow retirees to provide civic, charitable, and humanitarian services during the first 12 calendar months following retirement without causing the retiree to violate the requirements concerning termination of employment contained in F.S. 121.021 and an IRS regulation also defining termination from employment, 26 C.F.R. § 1.409A-1(h)(1)(ii).

F.S. 121.091(15) ("Volunteer Services") states that the volunteer program established by the FRS employer must meet all of the following six (6) criteria:

(a) Before the date of retirement, there was no agreement or understanding between the employer and the retiree that the retiree would provide any service for the employer.

(b) The employer or a third party may not provide any form of compensation, including any cash

equivalents, to a volunteer for his or her volunteer service.

(c) Except as otherwise provided in law, a volunteer may not be provided any employee benefits, including health or life insurance benefits. However, a volunteer may be provided certain perquisites necessary for, and for the limited purpose of, completing tasks associated with the volunteer program, such as an assigned uniform or the provision of equipment.

(d) The number of volunteer hours per week, including training hours, that the volunteer may provide is no more than 20 percent of the number of hours that the volunteer was expected to work per week before his or her date of retirement.

(e) There is a clear distinction between the duties of a volunteer and the duties of an employee.

(f) The schedule of a volunteer, including the number of hours volunteered and the number and type of assignments for which he or she agrees to volunteer, is controlled by the volunteer.

(g) The employer and the retiree are both required to maintain adequate records to document adherence to the criteria listed in this subsection. The records must be made available to the department or state board upon request.

Monroe County Administrative Instruction 4715.6 ("Professional Volunteer in County Service") includes provisions stating that FRS retirees who wish to volunteer with the County must adhere to the guidelines in F.S. 121.091.

The Resolution also directs the Employee Services Department to come with appropriate forms and a procedure in order to comply with F.S. 121.091(15)(g), which states that the employer and the retiree are required to maintain adequate records to document adherence to the criteria listed in F.S. 121.091(15)(a)-(f).

MONROE COUNTY ADMINISTRATIVE INSTRUCTION 4715.6

Date: July 14, 2023

Subject: Professional Volunteer in County Service

Reference: (A) Chapter 110 Florida Statutes
(B) Chapter 121.091 Florida Statutes

Enclosure: (1) Monroe County Volunteer Application Form
(2) Florida Retirement System Volunteer Services Outline

Effective Date: Immediately

(1) Background: There are most probably many people residing in Monroe County possessing specialized skills and expertise who could be motivated to make voluntary contributions of their time and energies for the public good. It is therefore incumbent upon the County Administration to establish plans and procedures to develop meaningful opportunities for volunteers to participate in Monroe County programs and activities. The established plans and procedures will include provisions for utilizing services from Florida Retirement System volunteers as outlined in Section 121.091(15), Florida Statutes, adopted and made effective July 1, 2023.

(2) Purpose: To establish a program for the identification, recruitment, training, and utilization of volunteers to assist in programs and projects falling within the purview of the County Administrator.

(3) Cancellation: This instruction is to remain continuously in effect unless specifically revised or canceled.

(4) Instructions:

A. Enclosure (1) is to be utilized for identifying and recording all prospective Monroe County Civic Volunteer Corps members.

(5) Action:

A. All employees are requested to actively recruit prospective private citizens for the Civic Volunteer Corps.
B. Enclosure (1) is to be completed for all identified volunteers and maintained by the participating departments.
C. Volunteers may be subject to background checks and DL Checks.
D. Any Florida Retirement System retirees who wish to volunteer with Monroe County must adhere to the guidelines established in Enclosure (2) which references Section 121.091, Florida Statutes.
E. Department Heads shall notify Human Resources to conduct a search of registration information regarding sexual predators and sexual offenders before placing the individual in a position to volunteer at a park, playground, daycare center, or other place where children regularly congregate to comply with Florida Statute 943.04351.
F. Monroe County is a Drug-Free Workplace and volunteers are subject to the Monroe County Drug-Free Workplace Policy and Work rules.
G. It is anticipated that volunteers will usually provide for their own transportation and per diem expenses. However, there may be circumstances where this would have a negative impact upon the volunteer's capability to give of their personal services to the County.
H. Departments currently utilizing volunteers are Airports, County Libraries, Nutrition Services, Parks and Beaches, and Extension Services in various capacities.

Every Department that wishes to provide incidental reimbursement for transportation costs, lodging, and subsistence, as the department deems necessary to assist volunteers in performing their functions must obtain prior approval from the County Administrator/Assistant County Administrator. Such reimbursements, if approved, must comply with the provisions of Florida Statutes 110.504 and the Monroe County Code.

FLORIDA RETIREMENT SYSTEM VOLUNTEER SERVICES

Effective July 1, 2023 Subsection (15) is added to section 121.091, Florida Statutes, to read:

VOLUNTEER SERVICES. —Employers may establish post-employment volunteer programs to allow retirees to provide civic, charitable, and humanitarian services during the first 12 calendar months following retirement without causing the retiree to violate the requirement concerning termination of employment as defined in 26 C.F.R. s. 1.409A-1(h)(1)(ii), provided that the program meets all of the following criteria:

(a) Before the date of retirement, there was no agreement or understanding between the employer and the retiree that the retiree would provide any service for the employer.

(b) The employer or a third party may not provide any form of compensation, including any cash equivalents, to a volunteer for his or her volunteer service.

(c) Except as otherwise provided in law, a volunteer may not be provided any employee benefits, including health or life insurance benefits. However, a volunteer may be provided certain perquisites necessary for, and for the limited purpose of, completing tasks associated with the volunteer program, such as an assigned uniform or the provision of equipment.

(d) The number of volunteer hours per week, including training hours, that the volunteer may provide is no more than 20 percent of the number of hours that the volunteer was expected to work per week before his or her date of retirement.

(e) There is a clear distinction between the duties of a volunteer and the duties of an employee.

(f) The schedule of a volunteer, including the number of hours volunteered and the number and type of assignments for which he or she agrees to volunteer, is controlled by the volunteer.

(g) The employer and the retiree are both required to maintain adequate records to document adherence to the criteria listed in this subsection. The records must be made available to the department or state board upon request.

RESOLUTION NO. ___-2024

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, APPROVING AND RATIFYING MONROE COUNTY ADMINISTRATIVE INSTRUCTION 4715.6, SETTING POLICY REGARDING THE MONROE COUNTY POSTEMPLOYMENT VOLUNTEER PROGRAM, IN ORDER TO COMPLY WITH SECTION 121.091(15), FLORIDA STATUTES.

WHEREAS, in 2023, the Florida legislature enacted Chapter 2023-316, Laws of Florida, which amended F.S. 121.021 in order to provide that a person who has retired from FRS may provide volunteer services to an FRS employer within the first twelve (12) months following retirement without violating Florida statutes and an IRS regulation requiring termination from employment; and

WHEREAS, Ch. 2023-316, L.O.F., also provides that FRS employers may establish post-employment volunteer programs to allow retirees to provide civic, charitable and humanitarian services during the first 12 months following retirement without causing the retiree to violate the "full termination" requirements in F.S. 121.021 and 26 C.F.R. § 1.409A-1(h)(1)(ii); and

WHEREAS, Monroe County Administrative Instruction 4715.6 (Attachment 1) sets forth procedures for utilizing services from persons who wish to contribute their time and energies as volunteers for Monroe County; and

WHEREAS, Administrative Instruction 4715.6 states that any Florida Retirement System (FRS) retirees who wish to volunteer with Monroe County must adhere to the guidelines established by Section 121.091(15), Florida Statutes, laid out in Enclosure 2 to the Administrative Instruction; and

WHEREAS, in order to comply with F.S. 121.091(15), which requires the FRS employer to establish the post-employment volunteer program, staff requests approval and ratification of Administrative Instruction 4715.6 by the Board of County Commissioners.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, THAT:

1. Administrative Instruction 4715.6, as it may be amended from time to time, is hereby approved and ratified by the Board of County Commissioners. The provisions of the Administrative Instruction that apply to FRS retirees, including the requirements set forth

in Enclosure (2) to the administrative Instructions, are hereby established as the post-employment volunteer program for Monroe County.

2. The Monroe County Employee Services Department is hereby directed to generate the appropriate forms and procedure in order to comply with F.S. 121.091(15)(g) as applied to Monroe County, which states that the FRS employer is required to maintain adequate records to document adherence to the criteria listed in F.S. 121.091(15)(a)-(f), and to make the records available upon request to the State Department of Management Services and the State Board of Administration.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 21st of February 2024.

FLORIDA RETIREMENT SYSTEM

View Entire Chapter

121.091 Benefits payable under the system.—Benefits may not be paid under this section unless the member has terminated employment as provided in s. 121.021(39)(a) or begun participation in the Deferred Retirement Option Program as provided in subsection (13), and a proper application has been filed in the manner prescribed by the department. The department may cancel an application for retirement benefits when the member or beneficiary fails to timely provide the information and documents required by this chapter and the department's rules. The department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application when the required information or documents are not received.

(1) NORMAL RETIREMENT BENEFIT.—Upon attaining his or her normal retirement date, the member, upon application to the administrator, shall receive a monthly benefit which shall begin to accrue on the first day of the month of retirement and be payable on the last day of that month and each month thereafter during his or her lifetime. The normal retirement benefit, including any past or additional retirement credit, may not exceed 100 percent of the average final compensation. The amount of monthly benefit shall be calculated as the product of A and B, subject to the adjustment of C, if applicable, as set forth below:

(a)1. For creditable years of Regular Class service, A is 1.60 percent of the member's average final compensation, up to the member's normal retirement date. Upon completion of the first year after the normal retirement date, A is 1.63 percent of the member's average final compensation. Following the second year after the normal retirement date, A is 1.65 percent of the member's average final compensation. Following the third year after the normal retirement date, and for subsequent years, A is 1.68 percent of the member's average final compensation.

2. For creditable years of special risk service, A is:

a. Two percent of the member's average final compensation for all creditable years prior to October 1, 1974;

b. Three percent of the member's average final compensation for all creditable years after September 30, 1974, and before October 1, 1978;

c. Two percent of the member's average final compensation for all creditable years after September 30, 1978, and before January 1, 1989;

d. Two and two-tenths percent of the member's final monthly compensation for all creditable years after December 31, 1988, and before January 1, 1990;

e. Two and four-tenths percent of the member's average final compensation for all creditable years after December 31, 1989, and before January 1, 1991;

f. Two and six-tenths percent of the member's average final compensation for all creditable years after December 31, 1990, and before January 1, 1992;

g. Two and eight-tenths percent of the member's average final compensation for all creditable years after December 31, 1991, and before January 1, 1993;

h. Three percent of the member's average final compensation for all creditable years after December 31,

1992; and

i. Three percent of the member's average final compensation for all creditable years of service after September 30, 1978, and before January 1, 1993, for any special risk member who retires after July 1, 2000, or any member of the Special Risk Administrative Support Class entitled to retain the special risk normal retirement date who was a member of the Special Risk Class during the time period and who retires after July 1, 2000.

3. For creditable years of Senior Management Service Class service after January 31, 1987, A is 2 percent;

4. For creditable years of Elected Officers' Class service as a Supreme Court Justice, district court of appeal judge, circuit judge, or county court judge, A is $3\frac{1}{3}$ percent of the member's average final compensation, and for all other creditable service in such class, A is 3 percent of average final compensation;

(b) B is the number of the member's years and any fractional part of a year of creditable service earned subsequent to November 30, 1970; and

(c) C is the normal retirement benefit credit brought forward as of November 30, 1970, by a former member of an existing system. Such normal retirement benefit credit shall be determined as the product of X and Y when X is the percentage of average final compensation which the member would have been eligible to receive if the member had attained his or her normal retirement date as of November 30, 1970, all in accordance with the existing system under which the member is covered on November 30, 1970, and Y is average final compensation as defined in s. 121.021(24). However, any member of an existing retirement system who is eligible to retire and who does retire, become disabled, or die prior to April 15, 1971, may have his or her retirement benefits calculated on the basis of the best 5 of the last 10 years of service.

(d) A member's average final compensation shall be determined by formula to obtain the coverage for the 5 highest fiscal years' salaries, calculated as provided by rule.

(2) BENEFITS PAYABLE FOR DUAL NORMAL RETIREMENT AGES.—If a member accumulates retirement benefits to commence at different normal retirement ages by virtue of having performed duties for an employer which would entitle him or her to benefits as both a member of the Special Risk Class and a member of either the Regular Class, Senior Management Service Class, or Elected Officers' Class, the amount of benefits payable shall be computed separately with respect to each such age and the sum of such computed amounts shall be paid as provided in this section.

(3) EARLY RETIREMENT BENEFIT.—Upon retirement on his or her early retirement date, the member shall receive an immediate monthly benefit that shall begin to accrue on the first day of the month of the retirement date and be payable on the last day of that month and each month thereafter during his or her lifetime. Such benefit shall be calculated as follows:

(a) For a member initially enrolled:

1. Before July 1, 2011, the amount of each monthly payment shall be computed in the same manner as for a normal retirement benefit, in accordance with subsection (1), but shall be based on the member's average monthly compensation and creditable service as of the member's early retirement date. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which the early retirement date precedes the normal retirement date of age 62 for a member of the Regular Class, Senior Management Service Class, or the Elected Officers' Class, and age 55 for a member of the Special Risk Class, or age 52 if a special risk member has completed 25 years of creditable service in accordance with s. 121.021(29)(b)3.

2. On or after July 1, 2011, the amount of each monthly payment shall be computed in the same manner as for a normal retirement benefit, in accordance with subsection (1), but shall be based on the member's average monthly compensation and creditable service as of the member's early retirement date. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which the early retirement date precedes the normal retirement date of age 65 for a member of the Regular Class, Senior Management Service Class, or the Elected Officers' Class, and age 55 for a member of the Special Risk Class, or age 52 if a special risk member has completed 25 years of creditable service in accordance with s. 121.091(29)

(b)3.

(b) If the employment of a member is terminated by reason of death within 10 years before normal retirement as described in s. 121.021(29)(a)1.b. or s. 121.021(29)(a)2.b., the monthly benefit payable to the member's beneficiary shall be calculated in accordance with subsection (1), but must be based on average monthly compensation and creditable service as of the date of death. The benefit so computed shall be reduced by five-twelfths of 1 percent for each complete month by which death precedes the normal retirement date specified above or the date on which the member would have attained the normal retirement date had he or she survived and continued his or her employment, whichever provides a higher benefit.

(4) DISABILITY RETIREMENT BENEFIT.—

(a) *Disability retirement; entitlement and effective date.*—

1.a. A member who becomes totally and permanently disabled, as defined in paragraph (b), after completing 5 years of creditable service, or a member who becomes totally and permanently disabled in the line of duty regardless of service, is entitled to a monthly disability benefit; except that any member with less than 5 years of creditable service on July 1, 1980, or any person who becomes a member of the Florida Retirement System on or after such date must have completed 10 years of creditable service before becoming totally and permanently disabled in order to receive disability retirement benefits for any disability which occurs other than in the line of duty. However, if a member employed on July 1, 1980, who has less than 5 years of creditable service as of that date becomes totally and permanently disabled after completing 5 years of creditable service and is found not to have attained fully insured status for benefits under the federal Social Security Act, such member is entitled to a monthly disability benefit.

b. Effective July 1, 2001, a member of the pension plan who becomes totally and permanently disabled, as defined in paragraph (b), after completing 8 years of creditable service, or a member who becomes totally and permanently disabled in the line of duty regardless of service, is entitled to a monthly disability benefit.

2. If the division has received from the employer the required documentation of the member's termination of employment, the effective retirement date for a member who applies and is approved for disability retirement shall be established by rule of the division.

3. For a member who is receiving Workers' Compensation payments, the effective disability retirement date may not precede the date the member reaches Maximum Medical Improvement (MMI), unless the member terminates employment before reaching MMI.

(b) *Total and permanent disability.*—A member shall be considered totally and permanently disabled if, in the opinion of the administrator, he or she is prevented, by reason of a medically determinable physical or mental impairment, from rendering useful and efficient service as an officer or employee.

(c) *Proof of disability.*—The administrator, before approving payment of any disability retirement benefit, shall require proof that the member is totally and permanently disabled as provided herein:

1. Such proof shall include the certification of the member's total and permanent disability by two licensed physicians of the state and such other evidence of disability as the administrator may require, including reports from vocational rehabilitation, evaluation, or testing specialists who have evaluated the applicant for employment. A member whose position with an employer requires that the member work full time outside this state in the United States may include certification by two licensed physicians of the state where the member works. A member who is receiving care at a federal Veterans Health Administration facility may include certification by two licensed physicians working at the facility.

2. It must be documented that:

a. The member's medical condition occurred or became symptomatic during the time the member was employed in an employee/employer relationship with his or her employer;

b. The member was totally and permanently disabled at the time he or she terminated covered employment; and

c. The member has not been employed with any other employer after such termination.

3. If the application is for in-line-of-duty disability, in addition to the requirements of subparagraph 2., it

must be documented by competent medical evidence that the disability was caused by a job-related illness or accident which occurred while the member was in an employee/employer relationship with his or her employer.

4. The unavailability of an employment position that the member is physically and mentally capable of performing will not be considered as proof of total and permanent disability.

(d) *Election on appeal.*—A member whose application for regular disability retirement has been denied and who has filed an appeal to the State Retirement Commission may, if eligible, elect to receive normal or early service retirement benefits while he or she is awaiting the decision on the appeal. However:

1. If the member elects to receive service retirement benefits and disability benefits are later approved as a result of the appeal, the payment option chosen by the member may not be changed.

2. If the member elects to receive early service retirement and the appeal is later denied, the member may not change his or her election of early retirement.

Before such regular or early retirement benefits may be paid by the division, the member must provide to the division a written statement indicating that the member understands that such changes are not permitted after he or she begins receiving the benefits.

(e) *Disability retirement benefit.*—Upon the retirement of a member on his or her disability retirement date, the member shall receive a monthly benefit that shall begin to accrue on the first day of the month of disability retirement and shall be payable on the last day of that month and each month thereafter during his or her lifetime and continued disability.

(f) *Computation of disability retirement benefit.*—The amount of each monthly payment shall be computed in the same manner as for a normal retirement benefit, in accordance with subsection (1), but shall be based on disability option actuarial equivalency tables and the average monthly compensation and creditable service of the member as of the disability retirement date, subject to the following conditions:

1. If the member's disability occurred in the line of duty, the monthly Option 1 benefit shall not be less than:

a. Forty-two percent of average monthly compensation as of the disability retirement date; or

b. Sixty-five percent of the average monthly compensation as of the disability retirement date for a member of the special risk class who retires on or after July 1, 2000; or

2. If the member's disability occurred other than in the line of duty, the monthly Option 1 benefit shall not be less than 25 percent of average monthly compensation as of the disability retirement date.

(g) *Reapplication.*—A member, whose initial application for disability retirement has been denied, may reapply for disability benefits. However, such member's reapplication will be considered only if the member presents new medical evidence of a medical condition that existed prior to the member's termination of employment. The division may prescribe by rule procedures for reapplication and for review and approval or disapproval of reapplication.

(h) *Recovery from disability.*—The administrator may require periodic reexaminations at the expense of the retirement fund. The division may adopt rules establishing procedures for conducting and review of such reexaminations.

1. If the administrator finds that a member who is receiving disability benefits is, at any time prior to his or her normal retirement date, no longer disabled, the administrator shall direct that the benefits be discontinued. The decision of the administrator on this question shall be final and binding. If such member:

a. Does not reenter the employ of an employer and was not vested as of the disability retirement date, he or she shall be entitled to the excess, if any, of his or her accumulated contributions over the total disability benefits received up to the date of recovery.

b. Does not reenter the employ of an employer, but was vested as of the disability retirement date, he or she may elect to receive:

(I) The excess, if any, of his or her accumulated contributions over the total disability benefits received up to the date of recovery; or

(II) A deferred benefit commencing on the last day of the month of the normal retirement date which shall be payable on the last day of the month thereafter during his or her lifetime. The amount of such monthly benefit shall be computed in the same manner as for a normal retirement benefit, in accordance with subsection (1), but shall be based on average monthly compensation and creditable service as of the member's disability retirement date.

c. Reenters employment of an employer within 6 months after recovery, the member's service will be deemed to have been continuous, but the period beginning with the first month for which he or she received a disability benefit payment and ending with the date he or she reentered employment will not be considered as creditable service for the purpose of computing benefits except as provided in sub-subparagraph d. As used in this section, the term "accumulated contributions" for such member means the excess of the member's accumulated contributions as of the disability retirement date over the total disability benefits received under paragraph (e).

d. Terminates his or her disability benefit, reenters covered employment, and is continuously employed for a minimum of 1 year of creditable service, he or she may claim as creditable service the months during which he or she was receiving a disability benefit, upon payment of the required contributions. Contributions shall equal the total required employee and employer contribution rate applicable during the period the retiree received retirement benefits, multiplied times his or her rate of monthly compensation prior to the commencement of disability retirement for each month of the period claimed, plus 4 percent interest until July 1, 1975, and 6.5 percent interest thereafter, compounded annually each June 30 to the date of payment. If the member does not claim credit for all of the months he or she received disability benefits, the months claimed must be the most recent months of retirement. Such credit for periods of disability, when purchased under the Florida Retirement System, shall apply toward vesting requirements for eligibility to purchase additional credit for other service.

2. Both the member receiving disability benefits who reenters employment and the employer employing such disability retiree shall notify the division immediately upon reemployment, and the division shall terminate such member's disability benefits, effective the first day of the month following the month in which notification of recovery is received. If the member is reemployed with a Florida Retirement System employer at the time of benefit termination, and he or she has received disability retirement benefit and salary payments concurrently prior to notifying the division, he or she may elect within 30 days to:

a. Retain the retirement benefits received prior to termination of disability benefits and begin receiving retirement service credit effective upon the date of termination of benefits; or

b. Repay, within 12 months after his or her decision to receive service credit, the retirement benefits received for each month of reemployment prior to termination of disability benefits and begin receiving retirement service credit effective upon the date of reemployment. Any such unpaid benefits shall have compound interest of 6.5 percent added June 30.

A member may not receive both retirement service credit for employment and retirement benefits for the same month.

3. If, after recovery of disability and reentry into covered employment, the member again becomes disabled and is again approved for disability retirement, the Option 1 monthly retirement benefit shall not be less than the Option 1 monthly benefit calculated at the time of the previous disability, plus any cost of living increases up to the time the disability benefit was terminated upon his or her reentry into covered employment.

(i) *Nonadmissible causes of disability.*—A member shall not be entitled to receive any disability retirement benefit if the disability is a result of any of the following:

1. Injury or disease sustained by the member while willfully participating in a riot, civil insurrection, or other act of violence or while committing a felony;

2. Injury or disease sustained by the member after his or her employment has terminated; or

3. Intentional, self-inflicted injury.

(j) *Disability retirement of justice or judge by order of Supreme Court.*—

1. If a member is a justice of the Supreme Court, judge of a district court of appeal, circuit judge, or judge of a county court who has served for the number of years equal to, or greater than, the vesting requirement in s. 121.021(45) as an elected constitutional judicial officer, including service as a judicial officer, in any court abolished pursuant to Art. V of the State Constitution, and who is retired for disability by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission pursuant to Art. V of the State Constitution, the member's Option 1 monthly benefit as provided in subparagraph (6)(a)1. may not be less than two-thirds of his or her monthly compensation as of the member's disability retirement date. Such member may alternatively elect to receive a disability retirement benefit under any other option as provided in paragraph (6)(a).

2. Should any justice or judge who is a member of the Florida Retirement System be retired for disability by order of the Supreme Court upon recommendation of the Judicial Qualifications Commission pursuant to Art. V of the State Constitution, then all contributions to his or her account and all contributions made on his or her behalf by the employer shall be transferred to and deposited in the General Revenue Fund of the state, and there is hereby appropriated annually out of the General Revenue Fund, to be paid into the Florida Retirement System Fund, an amount necessary to pay the benefits of all justices and judges retired from the Florida Retirement System pursuant to Art. V of the State Constitution.

(5) TERMINATION BENEFITS.—A member whose employment is terminated prior to retirement retains membership rights to previously earned member-noncontributory service credit, and to member-contributory service credit, if the member leaves the member contributions on deposit in his or her retirement account. If a terminated member receives a refund of member contributions, such member may reinstate membership rights to the previously earned service credit represented by the refund by completing 1 year of creditable service and repaying the refunded member contributions, plus interest.

(a) A member whose employment is terminated for any reason other than death or retirement before becoming vested is entitled to the return of his or her accumulated contributions as of the date of termination. Effective July 1, 2011, upon termination of employment from all participating employers for 3 calendar months as defined in s. 121.021(39)(c) for any reason other than retirement, a member may receive a refund of all contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. The refund may be received as a lump-sum payment, a rollover to a qualified plan, or a combination of these methods. Partial refunds are not permitted. The refund may not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against his or her retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).

(b) A member whose employment is terminated for any reason other than death or retirement after becoming vested may elect to receive a deferred monthly benefit which shall begin to accrue on the first day of the month of normal or early retirement and shall be payable on the last day of that month and each month thereafter during his or her lifetime. The amount of monthly benefit shall be computed in the same manner as for a normal retirement benefit in accordance with subsection (1) or early retirement benefit in accordance with s. 121.021(30), but based on average monthly compensation and creditable service as of the date of termination.

(c) In lieu of the deferred monthly benefit provided in paragraph (b), the terminated member may elect to receive a lump-sum amount equal to his or her accumulated contributions as of the date of termination. Effective July 1, 2011, upon termination of employment from all participating employers for 3 calendar months as defined in s. 121.021(39)(c) for any reason other than retirement, a member may receive a refund of all

contributions he or she has made to the pension plan, subject to the restrictions otherwise provided in this chapter. Partial refunds are not permitted. The refund may not include any interest earnings on the contributions for a member of the pension plan. Employer contributions made on behalf of the member are not refundable. A member may not receive a refund of employee contributions if a pending or an approved qualified domestic relations order is filed against his or her retirement account. By obtaining a refund of contributions, a member waives all rights under the Florida Retirement System and the health insurance subsidy to the service credit represented by the refunded contributions, except the right to purchase his or her prior service credit in accordance with s. 121.081(2).

(d) If any retired member dies without having received in benefit payments an amount equal to his or her accumulated contributions, there shall be payable to his or her designated beneficiary an amount equal to the excess, if any, of the member's accumulated contributions over the total monthly payments made to the member prior to the date of death.

(e) A member shall be deemed a terminated member when termination of employment has occurred as provided in s. 121.021(39).

(f) Any member who has been found guilty by a verdict of a jury, or by the court trying the case without a jury, of committing, aiding, or abetting any embezzlement or theft from his or her employer, bribery in connection with the employment, or other felony specified in chapter 838, except ss. 838.15 and 838.16, committed prior to retirement, or who has entered a plea of guilty or of nolo contendere to such crime, or any member whose employment is terminated by reason of the member's admitted commitment, aiding, or abetting of an embezzlement or theft from his or her employer, bribery, or other felony specified in chapter 838, except ss. 838.15 and 838.16, shall forfeit all rights and benefits under this chapter, except the return of his or her accumulated contributions as of the date of termination.

(g) Any elected official who is convicted by the Senate of an impeachable offense shall forfeit all rights and benefits under this chapter, except the return of his or her accumulated contributions as of the date of the conviction.

(h) Any member who, prior to retirement, is adjudged by a court of competent jurisdiction to have violated any state law against strikes by public employees, or who has been found guilty by such court of violating any state law prohibiting strikes by public employees, shall forfeit all rights and benefits under this chapter, except the return of his or her accumulated contributions as of the date of the conviction.

(i) The division or the state board may not pay benefits to any member convicted of a felony committed on or after October 1, 2008, defined in s. 800.04 against a victim younger than 16 years of age, or defined in chapter 794 against a victim younger than 18 years of age, through the use or attempted use of power, rights, privileges, duties, or position of the member's public office or employment position. However, the division or the state board shall return the member's accumulated contributions, if any, that the member accumulated as of the date of conviction.

(j) Any beneficiary who by a verdict of a jury or by the court trying the case without a jury is found guilty, or who has entered a plea of guilty or nolo contendere, of unlawfully and intentionally killing or procuring the death of the member forfeits all rights to the deceased member's benefits under this chapter, and the benefits will be paid as if such beneficiary had predeceased the decedent.

(k) Benefits may not be paid by the division or the state board pending final resolution of such charges against a member or beneficiary if the resolution of such charges could require the forfeiture of benefits as provided in paragraph (f), paragraph (g), paragraph (h), paragraph (i), paragraph (j), or chapter 112.

(6) OPTIONAL FORMS OF RETIREMENT BENEFITS AND DISABILITY RETIREMENT BENEFITS.—

(a) Prior to the receipt of the first monthly retirement payment, a member shall elect to receive the retirement benefits to which he or she is entitled under subsection (1), subsection (2), subsection (3), or subsection (4) in accordance with one of the following options:

1. The maximum retirement benefit payable to the member during his or her lifetime.

2. A decreased retirement benefit payable to the member during his or her lifetime and, in the event of his

or her death within a period of 10 years after retirement, the same monthly amount payable for the balance of such 10-year period to his or her beneficiary or, in case the beneficiary is deceased, in accordance with subsection (8) as though no beneficiary had been named.

3. A decreased retirement benefit payable during the joint lifetime of both the member and his or her joint annuitant and which, after the death of either, shall continue during the lifetime of the survivor in the same amount, subject to the provisions of subsection (12).

4. A decreased retirement benefit payable during the joint lifetime of the member and his or her joint annuitant and which, after the death of either, shall continue during the lifetime of the survivor in an amount equal to $66^{2}/_{3}$ percent of the amount that was payable during the joint lifetime of the member and his or her joint annuitant, subject to the provisions of subsection (12).

The spouse of any member who elects to receive the benefit provided under subparagraph 1. or subparagraph 2. shall be notified of and shall acknowledge any such election. The division shall establish by rule a method for selecting the appropriate actuarial factor for optional forms of benefits selected under subparagraphs 3. and 4., based on the age of the member and the joint annuitant.

(b) The benefit payable under any option stated above shall be the actuarial equivalent, based on tables adopted by the administrator for this purpose, of the amount to which the member was otherwise entitled.

(c) A member who elects the option in subparagraph (a)2. shall, in accordance with subsection (8), designate one or more persons to receive the benefits payable in the event of his or her death. Such persons shall be the beneficiaries of the member. The member may also designate one or more contingent beneficiaries to receive any benefits remaining upon the death of the primary beneficiary.

(d) A member who elects the option in subparagraph (a)3. or subparagraph (a)4. shall, on a form provided for that purpose, designate a joint annuitant to receive the benefits which continue to be payable upon the death of the member. After benefits have commenced under the option in subparagraph (a)3. or subparagraph (a)4., the following shall apply:

1. A retired member may change his or her designation of a joint annuitant only twice. If such a retired member desires to change his or her designation of a joint annuitant, he or she shall file with the division a notarized “change of joint annuitant” form and shall notify the former joint annuitant in writing of such change. Effective the first day of the next month following receipt by the division of a completed change of joint annuitant form, the division shall adjust the member’s monthly benefit by the application of actuarial tables and calculations developed to ensure that the benefit paid is the actuarial equivalent of the present value of the member’s current benefit. The consent of a retired member’s first designated joint annuitant to any such change shall not be required. However, if either the member or the joint annuitant dies before the effective date of the request for change of joint annuitant, the requested change shall be void, and survivor benefits, if any, shall be paid as if no request had been made.

2. In the event of the dissolution of marriage of a retired member and a joint annuitant, such member may make an election to nullify the joint annuitant designation of the former spouse, unless there is an existing qualified domestic relations order preventing such action. The member shall file with the division a written, notarized nullification which shall be effective on the first day of the next month following receipt by the division. Benefits shall be paid as if the former spouse predeceased the member. A member who makes such an election may not reverse the nullification but may designate a new joint annuitant in accordance with subparagraph 1.

(e) The election of an option shall be null and void if the member dies before the effective date of retirement.

(f) A member who elects to receive benefits under the option in subparagraph (a)3. may designate one or more qualified persons, either a spouse or other dependent, as his or her joint annuitant to receive the benefits after the member’s death in whatever proportion he or she so assigns to each person named as joint annuitant. The division shall adopt appropriate actuarial tables and calculations necessary to ensure that the benefit paid

is the actuarial equivalent of the benefit to which the member is otherwise entitled under the option in subparagraph (a)1.

(g) Upon the death of a retired member or beneficiary receiving monthly benefits under this chapter, the monthly benefits shall be paid through the last day of the month of death and shall terminate, or be adjusted, if applicable, as of that date in accordance with the optional form of benefit selected at the time of retirement.

(h) The option selected or determined for payment of benefits as provided in this section shall be final and irrevocable at the time a benefit payment is cashed or deposited or credited to the Deferred Retirement Option Program as provided in subsection (13).

(7) DEATH BENEFITS.—

(a) If the employment of a member is terminated by reason of his or her death prior to being vested, except as provided in paragraph (f), there shall be payable to his or her designated beneficiary the member's accumulated contributions.

(b) If the employment of an active member who may or may not have applied for retirement is terminated by reason of his or her death subsequent to becoming vested and prior to his or her effective date of retirement, if established, it shall be assumed that the member retired as of the date of death in accordance with subsection (1) if eligible for normal retirement benefits, subsection (2) if eligible for benefits payable for dual normal retirement, or subsection (3) if eligible for early retirement benefits. Benefits payable to the designated beneficiary shall be as follows:

1. For a beneficiary who qualifies as a joint annuitant, the optional form of payment provided in accordance with subparagraph (6)(a)3. shall be paid for the joint annuitant's lifetime.

2. For a beneficiary who does not qualify as a joint annuitant, no continuing monthly benefit shall be paid and the beneficiary shall be entitled only to the return of the member's personal contributions. If there is no monetary interest in the member's retirement account for which such beneficiary is eligible, the beneficiary shall be the next named beneficiary or, if no other beneficiary is named, the beneficiary shall be the next eligible beneficiary according to subsection (8).

(c) If a retiring member dies on or after the effective date of retirement, but prior to a benefit payment being cashed or deposited, or credited to the Deferred Retirement Option Program, benefits shall be paid as follows:

1. For a designated beneficiary who qualifies as a joint annuitant, benefits shall be paid in the optional form of payment provided in subparagraph (6)(a)3. for the joint annuitant's lifetime or, if the member chose the optional form of payment provided in subparagraph (6)(a)2., the joint annuitant may select the form provided in either subparagraph (6)(a)2. or subparagraph (6)(a)3.

2. For a designated beneficiary who does not qualify as a joint annuitant, any benefits payable shall be paid as provided in the option selected by the member; or if the member has not selected an option, benefits shall be paid in the optional form of payment provided in subparagraph (6)(a)1.

(d) Notwithstanding any other provision in this chapter to the contrary, with the exception of the Deferred Retirement Option Program, as provided in subsection (13):

1. The surviving spouse of any member killed in the line of duty may receive a monthly pension equal to one-half of the monthly salary being received by the member at the time of death for the rest of the surviving spouse's lifetime or, if the member was vested, such surviving spouse may elect to receive a benefit as provided in paragraph (b). Benefits provided by this paragraph shall supersede any other distribution that may have been provided by the member's designation of beneficiary.

2. If the surviving spouse of a member killed in the line of duty dies, the monthly payments that would have been payable to such surviving spouse had such surviving spouse lived shall be paid for the use and benefit of such member's child or children under 18 years of age and unmarried until the 18th birthday of the member's youngest child. Beginning July 1, 2016, such payments may be extended, for the surviving child of a member in the Special Risk Class at the time he or she was killed in the line of duty on or after July 1, 2013, until the 25th

birthday of any child of the member if the child is unmarried and enrolled as a full-time student. Beginning July 1, 2017, such payments may be extended, for the surviving child of a member in the Special Risk Class at the time he or she was killed in the line of duty on or after July 1, 2002, until the 25th birthday of any child of the member if the child is unmarried and enrolled as a full-time student.

3. If a member killed in the line of duty leaves no surviving spouse but is survived by a child or children under 18 years of age, the benefits provided by subparagraph 1., normally payable to a surviving spouse, shall be paid for the use and benefit of such member's child or children under 18 years of age and unmarried until the 18th birthday of the member's youngest child. Beginning July 1, 2016, such monthly payments may be extended, for the surviving child of a member in the Special Risk Class at the time he or she was killed in the line of duty on or after July 1, 2013, until the 25th birthday of any child of the member if the child is unmarried and enrolled as a full-time student. Beginning July 1, 2017, such monthly payments may be extended, for the surviving child of a member in the Special Risk Class at the time he or she was killed in the line of duty on or after July 1, 2002, until the 25th birthday of any child of the member if the child is unmarried and enrolled as a full-time student.

4. The surviving spouse of a member whose benefit terminated because of remarriage shall have the benefit reinstated beginning July 1, 1993, at an amount that would have been payable had the benefit not been terminated.

(e) The surviving spouse or other dependent of any member, except a member who participated in the Deferred Retirement Option Program, whose employment is terminated by death shall, upon application to the administrator, be permitted to pay the required contributions for any service performed by the member which could have been claimed by the member at the time of his or her death. Such service shall be added to the creditable service of the member and shall be used in the calculation of any benefits which may be payable to the surviving spouse or other surviving dependent.

(f) Notwithstanding any other provisions in this chapter to the contrary and upon application to the administrator, an eligible joint annuitant, of a member whose employment is terminated by death within 1 year of such member satisfying the service requirements for vesting and retirement eligibility, shall be permitted to purchase only the additional service credit necessary to vest and qualify for retirement benefits, not to exceed a total of 1 year of credit, by one or a combination of the following methods:

1. Such eligible joint annuitant may use the deceased member's accumulated hours of annual, sick, and compensatory leave to purchase additional creditable service, on an hour by hour basis, provided that such deceased member's accumulated leave is sufficient to cover the additional months required. For each month of service credit needed prior to the final month, credit for the total number of work hours in that month must be purchased, using an equal number of the deceased member's accumulated leave hours. Service credit required for the final month in which the deceased member would have become vested shall be awarded upon the purchase of 1 hour of credit. Such eligible joint annuitant shall pay the contribution rate in effect for the period of time being claimed for the deceased member's class of membership, multiplied by such member's monthly salary at the time of death, plus 6.5 percent interest compounded annually. The accumulated leave payment used in the average final compensation shall not include that portion of the payment that represents any leave hours used in the purchase of such creditable service.

2. Such eligible joint annuitant may purchase additional months of creditable service for any periods of out-of-state service as provided in s. 121.1115, and in-state service as provided in s. 121.1122, that the deceased member would have been eligible to purchase prior to his or her death.

Service purchased under this paragraph shall be added to the creditable service of the member and used to vest for retirement eligibility, and shall be used in the calculation of any benefits which may be payable to the eligible joint annuitant. Any benefits paid in accordance with this paragraph shall only be made prospectively.

(g) Notwithstanding any other provisions in this chapter to the contrary, if any member who is vested dies and the surviving spouse receives a refund of the accumulated contributions made to the retirement trust fund,

such spouse may pay to the Division of Retirement an amount equal to the sum of the amount of the deceased member's accumulated contributions previously refunded plus interest at 4 percent compounded annually each June 30 from the date of refund until July 1, 1975, and 6.5 percent interest compounded annually thereafter, until full payment is made, and receive the monthly retirement benefit as provided in paragraph (b).

(h) The designated beneficiary who is the surviving spouse or other dependent of a member whose employment is terminated by death subsequent to becoming vested, but prior to actual retirement, may elect to receive a deferred monthly benefit as if the member had lived and had elected a deferred monthly benefit, as provided in paragraph (5)(b), calculated on the basis of the average final compensation and creditable service of the member at his or her death and the age the member would have attained on the commencement date of the deferred benefit elected by the beneficiary, paid in accordance with option 3 of paragraph (6)(a).

(i) Notwithstanding any provision in this chapter to the contrary, if a member in the Special Risk Class, other than a participant in the Deferred Retirement Option Program under subsection (13), is killed in the line of duty on or after July 1, 2002, the following benefits are payable in addition to the benefits provided in paragraph (d):

1. The surviving spouse may receive a monthly pension equal to one-half of the monthly salary being received by the member at the time of the member's death for the rest of the surviving spouse's lifetime or, if the member was vested, such surviving spouse may elect to receive a benefit as provided in paragraph (b). Benefits provided by this paragraph supersede any other distribution that may have been provided by the member's designation of beneficiary.

2. If the surviving spouse dies, the monthly payments that otherwise would have been payable to such surviving spouse shall be paid for the use and benefit of the member's child or children under 18 years of age and unmarried until the 18th birthday of the member's youngest child. Such monthly payments may be extended until the 25th birthday of the member's child if the child is unmarried and enrolled as a full-time student.

3. If the member leaves no surviving spouse but is survived by a child or children under 18 years of age, the benefits provided by subparagraph 1., normally payable to a surviving spouse, shall be paid for the use and benefit of such member's child or children under 18 years of age and unmarried until the 18th birthday of the member's youngest child. Such monthly payments may be extended until the 25th birthday of any of the member's children if the child is unmarried and enrolled as a full-time student.

(8) DESIGNATION OF BENEFICIARIES.—

(a) Each member may, on a form provided for that purpose, signed and filed with the division, designate a choice of one or more persons, named sequentially or jointly, as his or her beneficiary who shall receive the benefits, if any, which may be payable in the event of the member's death pursuant to the provisions of this chapter. If no beneficiary is named in the manner provided above, or if no beneficiary designated by the member survives the member, the beneficiary shall be the spouse of the deceased, if living. If the member's spouse is not alive at his or her death, the beneficiary shall be the living children of the member. If no children survive, the beneficiary shall be the member's father or mother, if living; otherwise, the beneficiary shall be the member's estate. The beneficiary most recently designated by a member on a form or letter filed with the division shall be the beneficiary entitled to any benefits payable at the time of the member's death, except that benefits shall be paid as provided in paragraph (7)(d) when death occurs in the line of duty. Notwithstanding any other provisions in this subsection to the contrary, for a member who dies prior to his or her effective date of retirement on or after January 1, 1999, the spouse at the time of death shall be the member's beneficiary unless such member designates a different beneficiary as provided herein subsequent to the member's most recent marriage.

(b) A designated beneficiary of a retirement account for whom there is a monetary interest may disclaim his or her monetary interest as provided in chapter 739 and in accordance with division rules governing such disclaimers. Such disclaimer must be filed within 24 months after the event that created the interest, that is, the death of the member or annuitant.

(c) Notwithstanding the member's designation of benefits to be paid through a trust to a beneficiary that is a natural person as provided in s. 121.021(46), and notwithstanding the provisions of the trust, benefits shall be paid directly to the beneficiary if the person is no longer a minor or an incapacitated person as defined in s. 744.102.

(9) EMPLOYMENT AFTER RETIREMENT; LIMITATION.—

(a) Any person who is retired under this chapter, except under the disability retirement provisions of subsection (4), may be employed by an employer that does not participate in a state-administered retirement system and receive compensation from that employment without limiting or restricting in any way the retirement benefits payable to that person.

(b) Any person whose retirement is effective before July 1, 2010, or whose participation in the Deferred Retirement Option Program terminates before July 1, 2010, except under the disability retirement provisions of subsection (4) or as provided in s. 121.053, may be reemployed by an employer that participates in a state-administered retirement system and receive retirement benefits and compensation from that employer, except that the person may not be reemployed by an employer participating in the Florida Retirement System before meeting the definition of termination in s. 121.021 and may not receive both a salary from the employer and retirement benefits for 12 calendar months immediately subsequent to the date of retirement. However, a DROP participant shall continue employment and receive a salary during the period of participation in the Deferred Retirement Option Program, as provided in subsection (13).

1. A retiree who violates such reemployment limitation before completion of the 12-month limitation period must give timely notice of this fact in writing to the employer and to the Division of Retirement or the state board and shall have his or her retirement benefits suspended for the months employed or the balance of the 12-month limitation period as required in sub-subparagraphs b. and c. A retiree employed in violation of this paragraph and an employer who employs or appoints such person are jointly and severally liable for reimbursement to the retirement trust fund, including the Florida Retirement System Trust Fund and the Florida Retirement System Investment Plan Trust Fund, from which the benefits were paid. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Retirement benefits shall remain suspended until repayment has been made. Benefits suspended beyond the reemployment limitation shall apply toward repayment of benefits received in violation of the reemployment limitation.

a. A district school board may reemploy a retiree as a substitute or hourly teacher, education paraprofessional, transportation assistant, bus driver, or food service worker on a noncontractual basis after he or she has been retired for 1 calendar month. A district school board may reemploy a retiree as instructional personnel, as defined in s. 1012.01(2)(a), on an annual contractual basis after he or she has been retired for 1 calendar month. Any member who is reemployed within 1 calendar month after retirement shall void his or her application for retirement benefits. District school boards reemploying such teachers, education paraprofessionals, transportation assistants, bus drivers, or food service workers are subject to the retirement contribution required by subparagraph 2.

b. A Florida College System institution board of trustees may reemploy a retiree as an adjunct instructor or as a participant in a phased retirement program within the Florida College System, after he or she has been retired for 1 calendar month. A member who is reemployed within 1 calendar month after retirement shall void his or her application for retirement benefits. Boards of trustees reemploying such instructors are subject to the retirement contribution required in subparagraph 2. A retiree may be reemployed as an adjunct instructor for no more than 780 hours during the first 12 months of retirement. A retiree reemployed for more than 780 hours during the first 12 months of retirement must give timely notice in writing to the employer and to the Division of Retirement or the state board of the date he or she will exceed the limitation. The division shall suspend his or her retirement benefits for the remainder of the 12 months of retirement. Any retiree employed in violation of this sub-subparagraph and any employer who employs or appoints such person without notifying the division to suspend retirement benefits are jointly and severally liable for any benefits paid during the reemployment

limitation period. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Any retirement benefits received by the retiree while reemployed in excess of 780 hours during the first 12 months of retirement must be repaid to the Florida Retirement System Trust Fund, and retirement benefits shall remain suspended until repayment is made. Benefits suspended beyond the end of the retiree's first 12 months of retirement shall apply toward repayment of benefits received in violation of the 780-hour reemployment limitation.

c. The State University System may reemploy a retiree as an adjunct faculty member or as a participant in a phased retirement program within the State University System after the retiree has been retired for 1 calendar month. A member who is reemployed within 1 calendar month after retirement shall void his or her application for retirement benefits. The State University System is subject to the retired contribution required in subparagraph 2., as appropriate. A retiree may be reemployed as an adjunct faculty member or a participant in a phased retirement program for no more than 780 hours during the first 12 months of his or her retirement. A retiree reemployed for more than 780 hours during the first 12 months of retirement must give timely notice in writing to the employer and to the Division of Retirement or the state board of the date he or she will exceed the limitation. The division shall suspend his or her retirement benefits for the remainder of the 12 months. Any retiree employed in violation of this sub-subparagraph and any employer who employs or appoints such person without notifying the division to suspend retirement benefits are jointly and severally liable for any benefits paid during the reemployment limitation period. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Any retirement benefits received by the retiree while reemployed in excess of 780 hours during the first 12 months of retirement must be repaid to the Florida Retirement System Trust Fund, and retirement benefits shall remain suspended until repayment is made. Benefits suspended beyond the end of the retiree's first 12 months of retirement shall apply toward repayment of benefits received in violation of the 780-hour reemployment limitation.

d. The Board of Trustees of the Florida School for the Deaf and the Blind may reemploy a retiree as a substitute teacher, substitute residential instructor, or substitute nurse on a noncontractual basis after he or she has been retired for 1 calendar month. Any member who is reemployed within 1 calendar month after retirement shall void his or her application for retirement benefits. The Board of Trustees of the Florida School for the Deaf and the Blind reemploying such teachers, residential instructors, or nurses is subject to the retirement contribution required by subparagraph 2.

e. A developmental research school may reemploy a retiree as a substitute or hourly teacher or an education paraprofessional as defined in s. 1012.01(2) on a noncontractual basis after he or she has been retired for 1 calendar month. A developmental research school may reemploy a retiree as instructional personnel, as defined in s. 1012.01(2)(a), on an annual contractual basis after he or she has been retired for 1 calendar month after retirement. Any member who is reemployed within 1 calendar month voids his or her application for retirement benefits. A developmental research school that reemploys retired teachers and education paraprofessionals is subject to the retirement contribution required by subparagraph 2.

f. A charter school may reemploy a retiree as a substitute or hourly teacher on a noncontractual basis after he or she has been retired for 1 calendar month. A charter school may reemploy a retired member as instructional personnel, as defined in s. 1012.01(2)(a), on an annual contractual basis after he or she has been retired for 1 calendar month after retirement. Any member who is reemployed within 1 calendar month voids his or her application for retirement benefits. A charter school that reemploys such teachers is subject to the retirement contribution required by subparagraph 2.

2. The employment of a retiree or DROP participant of a state-administered retirement system does not affect the average final compensation or years of creditable service of the retiree or DROP participant. Before July 1, 1991, upon employment of any person, other than an elected officer as provided in s. 121.053, who is retired under a state-administered retirement program, the employer shall pay retirement contributions in an amount equal to the unfunded actuarial liability portion of the employer contribution which would be required for regular members of the Florida Retirement System. Effective July 1, 1991, contributions shall be made as

provided in s. 121.122 for retirees who have renewed membership or, as provided in subsection (13), for DROP participants.

3. Any person who is holding an elective public office which is covered by the Florida Retirement System and who is concurrently employed in nonelected covered employment may elect to retire while continuing employment in the elective public office if he or she terminates his or her nonelected covered employment. Such person shall receive his or her retirement benefits in addition to the compensation of the elective office without regard to the time limitations otherwise provided in this subsection. A person who seeks to exercise the provisions of this subparagraph as they existed before May 3, 1984, may not be deemed to be retired under those provisions, unless such person is eligible to retire under this subparagraph, as amended by chapter 84-11, Laws of Florida.

(c) Any person whose retirement is effective on or after July 1, 2010, or whose participation in the Deferred Retirement Option Program terminates on or after July 1, 2010, who is retired under this chapter, except under the disability retirement provisions of subsection (4) or as provided in s. 121.053, may be reemployed by an employer that participates in a state-administered retirement system and receive retirement benefits and compensation from that employer. However, a person may not be reemployed by an employer participating in the Florida Retirement System before meeting the definition of termination in s. 121.021 and may not receive both a salary from the employer and retirement benefits for 6 calendar months after meeting the definition of termination, except as provided in paragraph (f). However, a DROP participant shall continue employment and receive a salary during the period of participation in the Deferred Retirement Option Program, as provided in subsection (13).

1. The reemployed retiree may not renew membership in the Florida Retirement System, except as provided in s. 121.122.

2. The employer shall pay retirement contributions in an amount equal to the unfunded actuarial liability portion of the employer contribution that would be required for active members of the Florida Retirement System in addition to the contributions required by s. 121.76.

3. A retiree initially reemployed in violation of this paragraph and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any retirement benefits paid to the retirement trust fund from which the benefits were paid, including the Florida Retirement System Trust Fund and the Florida Retirement System Investment Plan Trust Fund, as appropriate. The employer must have a written statement from the employee that he or she is not retired from a state-administered retirement system. Retirement benefits shall remain suspended until repayment is made. Benefits suspended beyond the end of the retiree's 6-month reemployment limitation period shall apply toward the repayment of benefits received in violation of this paragraph.

(d) This subsection applies to retirees, as defined in s. 121.4501(2), of the Florida Retirement System Investment Plan, subject to the following conditions:

1. A retiree may not be reemployed with an employer participating in the Florida Retirement System until such person has been retired for 6 calendar months.

2. A retiree employed in violation of this subsection and an employer that employs or appoints such person are jointly and severally liable for reimbursement of any benefits paid to the retirement trust fund from which the benefits were paid. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system.

(e) The limitations of this subsection apply to reemployment in any capacity irrespective of the category of funds from which the person is compensated.

(f) A retired law enforcement officer may be reemployed as a school resource officer by an employer that participates in the Florida Retirement System and receive compensation from that employer and retirement benefits after meeting the definition of termination in s. 121.021, but may not receive both a salary from the employer and retirement benefits for 6 calendar months immediately subsequent to the date of retirement. The reemployed retired law enforcement officer may not renew membership in the Florida Retirement System,

except as provided in s. 121.122.

(10) FUTURE BENEFITS BASED ON ACTUARIAL DATA.—It is the intent of the Legislature that future benefit increases enacted into law in this chapter shall be financed concurrently by increased contributions or other adequate funding, and such funding shall be based on sound actuarial data as developed by the actuary or state retirement actuary, as provided in ss. 121.021(6) and 121.192.

(11) A member who becomes eligible to retire and has accumulated the maximum benefit of 100 percent of average final compensation may continue in active service, and, if upon the member's retirement the member elects to receive a retirement compensation pursuant to subsection (2), subsection (6), or subsection (7), the actuarial equivalent percentage factor applicable to the age of such member at the time the member reached the maximum benefit and to the age, at that time, of the member's spouse shall determine the amount of benefits to be paid.

(12) SPECIAL PROVISIONS FOR PAYMENT OF CERTAIN SURVIVOR BENEFITS.—Notwithstanding any provision of this chapter to the contrary, for members with an effective date of retirement, or date of death if prior to retirement, on or after January 1, 1996, the named joint annuitant, as defined in s. 121.021(28)(b), who is eligible to receive benefits under subparagraph (6)(a)3. or subparagraph (6)(a)4., shall receive the maximum monthly retirement benefit that would have been payable to the member under subparagraph (6)(a)1.; however, payment of such benefit shall cease the month the joint annuitant attains age 25 unless such joint annuitant is disabled and incapable of self-support, in which case, benefits shall cease when the joint annuitant is no longer disabled. The administrator may require proof of disability or continued disability in the same manner as is provided for a member seeking or receiving a disability retirement benefit under subsection (4).

[3](13) DEFERRED RETIREMENT OPTION PROGRAM.—In general, and subject to this section, the Deferred Retirement Option Program, hereinafter referred to as DROP, is a program under which an eligible member of the Florida Retirement System may elect to participate, deferring receipt of retirement benefits while continuing employment with his or her Florida Retirement System employer. The deferred monthly benefits shall accrue in the Florida Retirement System on behalf of the member, plus interest compounded monthly, for the specified period of the DROP participation, as provided in paragraph (c). Upon termination of employment, the member shall receive the total DROP benefits and begin to receive the previously determined normal retirement benefits. Participation in the DROP does not guarantee employment for the specified period of DROP.

(a) *Eligibility of member to participate in DROP.*—All active Florida Retirement System members in a regularly established position, and all active members of the Teachers' Retirement System established in chapter 238 or the State and County Officers' and Employees' Retirement System established in chapter 122, which are consolidated within the Florida Retirement System under s. 121.011, are eligible to elect participation in DROP if:

1. The member is not a renewed member under s. 121.122 or a member of the State Community College System Optional Retirement Program under s. 121.051, the Senior Management Service Optional Annuity Program under s. 121.055, or the optional retirement program for the State University System under s. 121.35.

2. Election to participate in DROP may be made at any time following the date on which the member first reaches his or her normal retirement date. The member shall advise his or her employer and the division in writing of the date DROP begins. When establishing eligibility to participate in DROP, the member may elect to include or exclude any optional service credit purchased by the member from the total service used to establish the normal retirement date. A member who has dual normal retirement dates is eligible to elect to participate in DROP after attaining normal retirement date in either class.

3. The employer of a member electing to participate in DROP, or employers if dually employed, shall acknowledge in writing to the division the date the member's participation in DROP begins and the date the member's employment and DROP participation terminates.

4. Simultaneous employment of a member by additional Florida Retirement System employers subsequent to the commencement of a member's participation in DROP is permissible if such employers acknowledge in

writing a DROP termination date no later than the member's existing termination date or the maximum participation period provided in paragraph (b).

5. A member may change employers while participating in DROP, subject to the following:

a. A change of employment takes place without a break in service so that the member receives salary for each month of continuous DROP participation. If a member receives no salary during a month, DROP participation ceases unless the employer verifies a continuation of the employment relationship for such member pursuant to s. 121.021(39)(b).

b. The member and new employer notify the division of the identity of the new employer on forms required by the division.

c. The new employer acknowledges, in writing, the member's DROP termination date, which may be extended but not beyond the maximum participation period provided in paragraph (b), acknowledges liability for any additional retirement contributions and interest required if the member fails to timely terminate employment, and is subject to the adjustment required in sub-subparagraph (c)5.d.

(b) *Participation in DROP.*—Except as provided in this paragraph, an eligible member may elect to participate in DROP for a period not to exceed a maximum of 96 calendar months.

1.a. Members who are instructional personnel employed by the Florida School for the Deaf and the Blind and authorized by the Board of Trustees of the Florida School for the Deaf and the Blind, who are instructional personnel as defined in s. 1012.01(2)(a)-(d) in grades K-12 and authorized by the district school superintendent, or who are instructional personnel as defined in s. 1012.01(2)(a) employed by a developmental research school and authorized by the school's director, or if the school has no director, by the school's principal, may:

(I) Extend DROP participation beyond the initial 96-calendar-month period if the instructional personnel's termination date is before the end of the school year. Such instructional personnel may have DROP participation extended until the last day of the last calendar month of the school year in which their original DROP termination date occurred if a date other than the last day of the last calendar month of the school year is designated.

(II) Participate in DROP for up to 24 calendar months beyond the 96-month period. Instructional personnel who are authorized to extend DROP participation beyond the 96-month period must have a termination date that is the last day of the last calendar month of the school year within the DROP extension granted by the employer. If the member's DROP participation has already been extended for the maximum 24 calendar months and the extension period concludes before the end of the school year, the member's DROP participation may be extended through the last day of the last calendar month of that school year. This sub-sub-subparagraph expires June 30, 2029.

The employer shall notify the division of the change in termination date and the additional period of DROP participation for the affected instructional personnel.

b. Administrative personnel in grades K-12, as defined in s. 1012.01(3), may be authorized to extend DROP participation beyond the initial 96 calendar month period if the administrative personnel's termination date is before the end of the school year. Such administrative personnel may have DROP participation extended until the last day of the last calendar month of the school year in which their original DROP termination date occurred if a date other than the last day of the last calendar month of the school year is designated. The employer shall notify the division of the change in termination date and the additional period of DROP participation for the affected administrative personnel.

2. Upon deciding to participate in DROP, the member shall submit, on forms required by the division:

a. A written election to participate in DROP;

b. Selection of DROP participation and termination dates that satisfy the limitations stated in paragraph (a) and this paragraph. The termination date must be in a binding letter of resignation to the employer establishing a deferred termination date. The member may change the termination date within the limitations of this paragraph, but only with the written approval of the employer;

c. A properly completed DROP application for service retirement as provided in this section; and

d. Any other information required by the division.

3. The DROP participant is a retiree under the Florida Retirement System for all purposes, except for paragraph (5)(f) and subsection (9) and ss. 112.3173, 112.363, 121.053, and 121.122. DROP participation is final and may not be canceled by the participant after the first payment is credited during the DROP participation period. However, participation in DROP does not alter the participant's employment status, and the member is not deemed retired from employment until his or her deferred resignation is effective and termination occurs as defined in s. 121.021.

4. Elected officers are eligible to participate in DROP subject to the following:

a. An elected officer who reaches normal retirement date during a term of office may defer the election to participate until the next succeeding term in that office. An elected officer who exercises this option may participate in DROP for up to 96 calendar months or no longer than the succeeding term of office, whichever is less.

b. An elected or a nonelected participant may run for a term of office while participating in DROP and, if elected, extend the DROP termination date accordingly; however, if such additional term of office exceeds the 96-month limitation established in this paragraph, and the officer does not resign from office within such limitation, the retirement and the participant's DROP is null and void as provided in sub-subparagraph (c)5.d.

c. An elected officer who is dually employed and elects to participate in DROP must terminate all employment relationships as provided in s. 121.021(39) for the nonelected position within the original period or maximum participation period as provided in this paragraph. For DROP participation ending:

(I) Before July 1, 2010, the officer may continue employment as an elected officer as provided in s. 121.053. The elected officer shall be enrolled as a renewed member in the Elected Officers' Class or the Regular Class, as provided in ss. 121.053 and 121.122, on the first day of the month after termination of employment in the nonelected position and termination of DROP. Distribution of the DROP benefits shall be made as provided in paragraph (c).

(II) On or after July 1, 2010, the officer may continue employment as an elected officer but must defer termination as provided in s. 121.053.

d. An elected officer who has deferred termination as provided in s. 121.053 before June 30, 2023, is ineligible to extend DROP participation beyond 60 months.

(c) *Benefits payable under DROP.*—

1. Effective on the date of DROP participation, the member's initial normal monthly benefit, including creditable service, optional form of payment, and average final compensation, and the effective date of retirement are fixed. The beneficiary established under the Florida Retirement System is the beneficiary eligible to receive any DROP benefits payable if the DROP participant dies before completing the period of DROP participation. If a joint annuitant predeceases the member, the member may name a beneficiary to receive accumulated DROP benefits payable. The retirement benefit, the annual cost of living adjustments provided in s. 121.101, and interest accrue monthly in the Florida Retirement System Trust Fund. For members whose DROP participation begins:

a. Before July 1, 2011, the interest accrues at an effective annual rate of 6.5 percent compounded monthly, on the prior month's accumulated ending balance, up to the month of termination or death, except as provided in s. 121.053(7).

b. On or after July 1, 2011, the interest accrues:

(I) Through June 30, 2023, at an effective annual rate of 1.3 percent, compounded monthly, on the prior month's accumulated ending balance, up to the month of termination or death, except as provided in s. 121.053(7).

(II) Beginning July 1, 2023, at an effective annual rate of 4 percent, compounded monthly, on the prior month's accumulated ending balance, up to the month of termination or death, except as provided in s. 121.053(7).

2. Each employee who elects to participate in DROP may elect to receive a lump-sum payment for accrued annual leave earned in accordance with agency policy upon beginning participation in DROP. The accumulated leave payment certified to the division upon commencement of DROP shall be included in the calculation of the member's average final compensation. The employee electing the lump-sum payment is not eligible to receive a second lump-sum payment upon termination, except to the extent the employee has earned additional annual leave which, combined with the original payment, does not exceed the maximum lump-sum payment allowed by the employing agency's policy or rules. An early lump-sum payment shall be based on the hourly wage of the employee at the time he or she begins participation in DROP. If the member elects to wait and receive a lump-sum payment upon termination of DROP and termination of employment with the employer, any accumulated leave payment made at that time may not be included in the member's retirement benefit, which was determined and fixed by law when the employee elected to participate in DROP.

3. The effective date of DROP participation and the effective date of retirement of a DROP participant shall be the first day of the month selected by the member to begin participation in DROP, provided such date is properly established, with the written confirmation of the employer, and the approval of the division, on forms required by the division.

4. Normal retirement benefits and any interest continue to accrue in DROP until the established termination date of DROP or until the member terminates employment or dies before such date, except as provided in s. 121.053(7). Although individual DROP accounts may not be established, a separate accounting of each member's accrued benefits under DROP shall be calculated and provided to the member.

5. At the conclusion of the member's participation in DROP, the division shall distribute the member's total accumulated DROP benefits, subject to the following:

a. The division shall receive verification by the member's employer or employers that the member has terminated all employment relationships as provided in s. 121.021(39).

b. The terminated DROP participant or, if deceased, the member's named beneficiary, shall elect on forms provided by the division to receive payment of the DROP benefits in accordance with one of the options listed below. If a member or beneficiary fails to elect a method of payment within 60 days after termination of DROP, the division shall pay a lump sum as provided in sub-sub-subparagraph (I).

(I) Lump sum.—All accrued DROP benefits, plus interest, less withholding taxes remitted to the Internal Revenue Service, shall be paid to the DROP participant or surviving beneficiary.

(II) Direct rollover.—All accrued DROP benefits, plus interest, shall be paid from DROP directly to the custodian of an eligible retirement plan as defined in s. 402(c)(8)(B) of the Internal Revenue Code. However, in the case of an eligible rollover distribution to the surviving spouse of a deceased member, an eligible retirement plan is an individual retirement account or an individual retirement annuity as described in s. 402(c)(9) of the Internal Revenue Code.

(III) Partial lump sum.—A portion of the accrued DROP benefits shall be paid to DROP participant or surviving spouse, less withholding taxes remitted to the Internal Revenue Service, and the remaining DROP benefits must be transferred directly to the custodian of an eligible retirement plan as defined in s. 402(c)(8)(B) of the Internal Revenue Code. However, in the case of an eligible rollover distribution to the surviving spouse of a deceased member, an eligible retirement plan is an individual retirement account or an individual retirement annuity as described in s. 402(c)(9) of the Internal Revenue Code. The proportions must be specified by the DROP participant or surviving beneficiary.

c. The form of payment selected by the DROP participant or surviving beneficiary must comply with the minimum distribution requirements of the Internal Revenue Code.

d. A DROP participant who fails to terminate all employment relationships as provided in s. 121.021(39) shall be deemed as not retired, and the DROP election is null and void. Florida Retirement System membership shall be reestablished retroactively to the date of the commencement of DROP, and each employer with whom the member continues employment must pay to the Florida Retirement System Trust Fund the difference between the DROP contributions paid in paragraph (i) and the contributions required for the applicable Florida

Retirement System class of membership during the period the member participated in DROP, plus 6.5 percent interest compounded annually.

6. The retirement benefits of any DROP participant who terminates all employment relationships as provided in s. 121.021(39) but is reemployed in violation of the reemployment provisions of subsection (9) are suspended during those months in which the retiree is in violation. Any retiree in violation of this subparagraph and any employer that employs or appoints such person without notifying the division to suspend retirement benefits are jointly and severally liable for any benefits paid during the reemployment limitation period. The employer must have a written statement from the retiree that he or she is not retired from a state-administered retirement system. Any retirement benefits received by a retiree while employed in violation of the reemployment limitations must be repaid to the Florida Retirement System Trust Fund, and his or her retirement benefits shall remain suspended until payment is made. Benefits suspended beyond the end of the reemployment limitation period apply toward repayment of benefits received in violation of the reemployment limitation.

7. The accrued benefits of any DROP participant, and any contributions accumulated under the program, are not subject to assignment, execution, attachment, or any legal process except for qualified domestic relations court orders, income deduction orders as provided in s. 61.1301, and federal income tax levies.

8. DROP participants are not eligible for disability retirement benefits as provided in subsection (4).

(d) *Death benefits under DROP.*—

1. Upon the death of a DROP participant, the named beneficiary is entitled to apply for and receive the accrued benefits in DROP as provided in sub-subparagraph (c)5.b.

2. The normal retirement benefit accrued to DROP during the month of a participant's death is the final monthly benefit credited for such DROP participant.

3. Eligibility to participate in DROP terminates upon death of the participant. If the participant dies on or after the effective date of enrollment in DROP, but before the first monthly benefit is credited to DROP, Florida Retirement System benefits are paid in accordance with subparagraph (7)(c)1. or subparagraph 2.

4. A DROP participant's survivors are not eligible to receive Florida Retirement System death benefits as provided in paragraph (7)(d).

(e) *Cost-of-living adjustment.*—On each July 1, the participant's normal retirement benefit shall be increased as provided in s. 121.101.

(f) *Retiree health insurance subsidy.*—DROP participants are not eligible to apply for the retiree health insurance subsidy payments as provided in s. 112.363 until such participants have terminated employment and participation in DROP.

(g) *Renewed membership.*—DROP participants are not eligible for renewed membership in the Florida Retirement System under ss. 121.053 and 121.122 until all employment relationships are terminated as provided in s. 121.021(39).

(h) *Employment limitation after DROP participation.*—Upon termination as defined in s. 121.021, DROP participants are subject to the same reemployment limitations as other retirees. Reemployment restrictions applicable to retirees as provided in subsection (9) do not apply to DROP participants until their employment and participation in DROP are terminated.

(i) *Contributions.*—

1. All employers paying the salary of a DROP participant filling a regularly established position shall contribute 8.0 percent of such participant's gross compensation for the period of July 1, 2002, through June 30, 2003, and the percentage of such compensation required by s. 121.71 thereafter, which shall constitute the entire employer DROP contribution with respect to such participant. Such contributions, payable to the Florida Retirement System Trust Fund in the same manner as required in s. 121.071, must be made as appropriate for each pay period and are in addition to contributions required for social security and the Retiree Health Insurance Subsidy Trust Fund. Such employer, social security, and health insurance subsidy contributions are not included in DROP.

2. The employer shall, in addition to subparagraph 1., also withhold one-half of the entire social security contribution required for the participant. Contributions for social security by each participant and each employer, in the amount required for social security coverage as provided by the federal Social Security Act, are in addition to contributions specified in subparagraph 1.

3. All employers paying the salary of a DROP participant filling a regularly established position shall contribute the percent of such participant's gross compensation required in s. 121.071(4), which constitutes the employer's health insurance subsidy contribution with respect to such participant. Such contributions must be deposited by the administrator in the Retiree Health Insurance Subsidy Trust Fund.

(j) *Forfeiture of retirement benefits.*—This section does not remove DROP participants from the scope of s. 8(d), Art. II of the State Constitution, s. 112.3173, and paragraph (5)(f). DROP participants who commit a specified felony offense while employed are subject to forfeiture of all retirement benefits, including DROP benefits, pursuant to those provisions of law.

(k) *Administration of program.*—The division shall adopt rules as necessary for the effective and efficient administration of this subsection. The division is not required to advise members of the federal tax consequences of an election related to the DROP but may advise members to seek independent advice.

(14) PAYMENT OF BENEFITS.—This subsection applies to the payment of benefits to a payee (retiree or beneficiary) under the Florida Retirement System:

(a) Federal income tax shall be withheld in accordance with federal law, unless the payee elects otherwise on Form W-4P. The division shall prepare and distribute to each recipient of monthly retirement benefits an appropriate income tax form that reflects the recipient's income and federal income tax withheld for the calendar year just ended.

(b) Subject to approval by the division in accordance with rule 60S-4.015, Florida Administrative Code, a payee receiving retirement benefits under the system may also have the following payments deducted from his or her monthly benefit:

1. Premiums for life and health-related insurance policies from approved companies.

2. Life insurance premiums for the State Group Life Insurance Plan, if authorized in writing by the payee and by the department.

3. Repayment of overpayments from the Florida Retirement System Trust Fund, the State Employees' Health Insurance Trust Fund, or the State Employees' Life Insurance Trust Fund, upon notification of the payee.

4. Payments to an alternate payee for alimony or child support pursuant to an income deduction order under s. 61.1301, or division of marital assets pursuant to a qualified domestic relations order under s. 222.21.

5. Payments to the Internal Revenue Service for federal income tax levies, upon notification of the division by the Internal Revenue Service.

(c) A payee must notify the division of any change in his or her address. The division may suspend benefit payments to a payee if correspondence sent to the payee's mailing address is returned due to an incorrect address. Benefit payments shall be resumed upon notification to the division of the payee's new address.

(d) A payee whose retirement benefits are reduced by the application of maximum benefit limits under s. 415(b) of the Internal Revenue Code, as specified in s. 121.30(5), shall have the portion of his or her calculated benefit in the Florida Retirement System Pension Plan which exceeds such federal limitation paid through the Florida Retirement System Preservation of Benefits Plan, as provided in s. 121.1001.

(e) The Division of Retirement may issue retirement benefits payable for division of marital assets pursuant to a qualified domestic relations order directly to the alternate payee, any court order to the contrary notwithstanding, in order to meet Internal Revenue Code requirements.

(f) A benefit may not be reduced for the purpose of preserving the member's eligibility for a federal program.

(g) The division shall adopt rules establishing procedures for determining that persons to whom benefits are being paid are still living. The division shall suspend the benefits being paid to any payee if it is unable to contact such payee and to confirm that he or she is still living.

(15) VOLUNTEER SERVICES.—Employers may establish postemployment volunteer programs to allow retirees to provide civic, charitable, and humanitarian services during the first 12 calendar months following retirement without causing the retiree to violate the requirement concerning termination of employment as defined in 26 C.F.R. s. 1.409A-1(h)(1)(ii), provided that the program meets all of the following criteria:

(a) Before the date of retirement, there was no agreement or understanding between the employer and the retiree that the retiree would provide any service for the employer.

(b) The employer or a third party may not provide any form of compensation, including any cash equivalents, to a volunteer for his or her volunteer service.

(c) Except as otherwise provided in law, a volunteer may not be provided any employee benefits, including health or life insurance benefits. However, a volunteer may be provided certain perquisites necessary for, and for the limited purpose of, completing tasks associated with the volunteer program, such as an assigned uniform or the provision of equipment.

(d) The number of volunteer hours per week, including training hours, that the volunteer may provide is no more than 20 percent of the number of hours that the volunteer was expected to work per week before his or her date of retirement.

(e) There is a clear distinction between the duties of a volunteer and the duties of an employee.

(f) The schedule of a volunteer, including the number of hours volunteered and the number and type of assignments for which he or she agrees to volunteer, is controlled by the volunteer.

(g) The employer and the retiree are both required to maintain adequate records to document adherence to the criteria listed in this subsection. The records must be made available to the department or state board upon request.

History.—s. 9, ch. 70-112; s. 1, ch. 71-22; s. 1, ch. 72-332; s. 1, ch. 72-334; s. 2, ch. 72-344; s. 3, ch. 72-345; s. 3, ch. 72-388; ss. 6, 7, ch. 74-302; s. 2, ch. 74-328; s. 2, ch. 74-376; s. 1, ch. 75-86; s. 1, ch. 77-286; s. 6, ch. 78-308; s. 3, ch. 79-375; s. 2, ch. 80-126; s. 1, ch. 80-128; ss. 1, 3, ch. 80-130; s. 3, ch. 80-242; s. 5, ch. 81-307; s. 1, ch. 83-58; s. 7, ch. 83-76; ss. 1, 2, ch. 84-11; ss. 10, 20, ch. 84-266; s. 1, ch. 85-137; s. 4, ch. 85-220; s. 1, ch. 85-246; s. 3, ch. 86-172; s. 1, ch. 87-149; s. 1, ch. 88-61; s. 2, ch. 88-238; s. 13, ch. 88-382; s. 2, ch. 89-220; s. 1, ch. 89-260; s. 15, ch. 89-367; s. 13, ch. 90-274; s. 5, ch. 90-301; s. 1, ch. 91-276; s. 7, ch. 92-122; s. 5, ch. 93-149; s. 8, ch. 93-193; s. 4, ch. 93-285; s. 773, ch. 95-147; s. 2, ch. 95-338; s. 7, ch. 96-368; s. 2, ch. 97-154; s. 8, ch. 97-180; s. 1, ch. 98-18; s. 9, ch. 98-138; s. 9, ch. 98-292; s. 7, ch. 98-413; s. 54, ch. 99-2; s. 5, ch. 99-7; s. 6, ch. 99-9; s. 37, ch. 99-255; s. 1, ch. 99-389; s. 11, ch. 99-392; s. 1, ch. 2000-167; ss. 15, 17, ch. 2000-169; s. 7, ch. 2000-347; s. 2, ch. 2001-47; s. 19, ch. 2001-60; s. 2, ch. 2001-235; s. 5, ch. 2002-177; ss. 14, 15, ch. 2002-273; s. 899, ch. 2002-387; s. 2, ch. 2003-260; s. 8, ch. 2003-391; s. 15, ch. 2004-260; s. 25, ch. 2004-295; s. 3, ch. 2005-108; s. 1, ch. 2005-134; s. 2, ch. 2005-253; s. 29, ch. 2006-178; s. 20, ch. 2008-4; s. 4, ch. 2008-108; s. 9, ch. 2009-209; s. 15, ch. 2010-5; s. 15, ch. 2011-68; s. 6, ch. 2012-222; s. 17, ch. 2013-15; s. 1, ch. 2016-213; s. 9, ch. 2017-88; s. 7, ch. 2018-3; s. 10, ch. 2018-110; s. 1, ch. 2018-150; s. 1, ch. 2020-19; s. 1, ch. 2022-159; s. 1, ch. 2023-111; ss. 7, 8, ch. 2023-193; s. 2, ch. 2023-316.

[1]**Note.**—The cross reference is erroneous; s. 121.091(29)(b)3. does not exist. Section 121.021(29)(b)3. references the age and years of creditable service for a special risk member in the Special Risk Class.

[2]**Note.**—Section 9, ch. 2003-260, provides in pertinent part that "[i]t is the intent of the Legislature that the costs attributable to the modifications to the retirement laws by this act regarding the reemployment of instructional personnel shall be funded by an increase in payroll contribution rates beginning in fiscal year 2004-2005."

[3]**Note.**—

A. Section 11, ch. 2001-235, as amended by s. 8, ch. 2002-177, provides that "[i]t is the intent of the Legislature that the costs attributable to the additional cost-of-living increase for special risk retirees and Deferred Retirement Option Program participants as provided under section 2 shall be funded by recognition of excess actuarial assets, amortized over 30 years with the payments assumed to remain relatively stable when expressed as a percentage of payroll. For fiscal year 2001-2002, the payment shall be $9.3 million. For fiscal year 2002-2003, the payment shall be $15.1 million, and, thereafter, payments shall increase by 5 percent per year. If insufficient funds are available to fund this additional cost through recognition of excess actuarial assets in fiscal year 2002-2003 and any year thereafter, and there remains an unfunded actuarial liability attributable to the one-time cost-of-living increase provided under section 2, the payroll contribution rate for the Special Risk Class of the Florida Retirement System shall be increased by .93 percent effective July 1 of that year, unless the Legislature provides an alternative funding mechanism before that date." Section 2, ch. 2001-235, amended s. 121.091(13)(b), relating to the Deferred Retirement Option Program, to add a provision relating to elected officers. The intended reference may be to s. 10, ch. 2001-235, which provides a one-time special cost-of-living increase for members of the Special Risk Class.

B. Section 9, ch. 2003-260, provides in pertinent part that "[i]t is the intent of the Legislature that the costs attributable to the

modifications to the retirement laws by this act regarding the reemployment of instructional personnel shall be funded by an increase in payroll contribution rates beginning in fiscal year 2004-2005."

CHAPTER 2023-316

Committee Substitute for
Committee Substitute for House Bill No. 1121

An act relating to the Florida Retirement System; amending s. 121.021, F.S.; revising and providing definitions; amending s. 121.091, F.S.; authorizing employers to establish volunteer programs; establishing criteria for such programs; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsection (39) of section 121.021, Florida Statutes, is amended, and subsection (65) is added to that section, to read:

121.021 Definitions.—The following words and phrases as used in this chapter have the respective meanings set forth unless a different meaning is plainly required by the context:

(39)(a) "Termination" occurs, except as provided in paragraphs ~~paragraph~~ (b) and (c), when a member ceases all employment, which term includes the provision of services, ~~relationships~~ with all ~~participating~~ employers, however:

1. For retirements effective before July 1, 2010, if a member is employed by any ~~such~~ employer within the next calendar month, termination shall be deemed not to have occurred. A leave of absence constitutes a continuation of the employment relationship, except that a leave of absence without pay due to disability may constitute termination if such member makes application for and is approved for disability retirement in accordance with s. 121.091(4). ~~The department or state board may require other evidence of termination as it deems necessary.~~

2. For retirements effective on or after July 1, 2010, if a member is employed by any ~~such~~ employer within the next 6 calendar months, termination shall be deemed not to have occurred. A leave of absence constitutes a continuation of the employment relationship, except that a leave of absence without pay due to disability may constitute termination if such member makes application for and is approved for disability retirement in accordance with s. 121.091(4). ~~The department or state board may require other evidence of termination as it deems necessary.~~

(b) "Termination" for a member ending participation ~~electing to participate~~ in the Deferred Retirement Option Program occurs when the program participant ceases all employment, which term includes the provision of services, ~~relationships~~ with all ~~participating~~ employers in accordance with s. 121.091(13), however:

CODING: Words ~~stricken~~ are deletions; words underlined are additions.

1. For termination dates occurring before July 1, 2010, if a ~~the~~ member is employed by any ~~such~~ employer within the next calendar month, termination shall ~~will~~ be deemed not to have occurred, except as provided in s. 121.091(13)(b)4.c. A leave of absence constitutes ~~shall constitute~~ a continuation of the employment relationship.

2. For termination dates occurring on or after July 1, 2010, if a ~~the~~ member becomes employed by any ~~such~~ employer within the next 6 calendar months, termination shall ~~will~~ be deemed not to have occurred, except as provided in s. 121.091(13)(b)4.c. A leave of absence constitutes a continuation of the employment relationship.

(c) Effective July 1, 2011, "termination" for a member receiving a refund of employee contributions occurs when a member ceases all employment, which term includes the provision of services, ~~relationships~~ with all ~~participating~~ employers for 3 calendar months. A leave of absence constitutes a continuation of the employment relationship.

All terminations must be a termination of employment consistent with 26 C.F.R. s. 1.409A-1(h)(1)(ii). After July 1, 2023, volunteer services do not constitute employment by, or provision of services to, an employer. The department or state board may require any evidence of termination necessary to determine compliance with this chapter or the rules adopted thereunder.

(65) "Volunteer services" means services provided in accordance with s. 121.091(15).

Section 2. Subsection (15) is added to section 121.091, Florida Statutes, to read:

121.091 Benefits payable under the system.—Benefits may not be paid under this section unless the member has terminated employment as provided in s. 121.021(39)(a) or begun participation in the Deferred Retirement Option Program as provided in subsection (13), and a proper application has been filed in the manner prescribed by the department. The department may cancel an application for retirement benefits when the member or beneficiary fails to timely provide the information and documents required by this chapter and the department's rules. The department shall adopt rules establishing procedures for application for retirement benefits and for the cancellation of such application when the required information or documents are not received.

(15) VOLUNTEER SERVICES.—Employers may establish postemployment volunteer programs to allow retirees to provide civic, charitable, and humanitarian services during the first 12 calendar months following retirement without causing the retiree to violate the requirement concerning termination of employment as defined in 26 C.F.R. s. 1.409A-1(h)(1)(ii), provided that the program meets all of the following criteria:

(a) Before the date of retirement, there was no agreement or understanding between the employer and the retiree that the retiree would provide any service for the employer.

(b) The employer or a third party may not provide any form of compensation, including any cash equivalents, to a volunteer for his or her volunteer service.

(c) Except as otherwise provided in law, a volunteer may not be provided any employee benefits, including health or life insurance benefits. However, a volunteer may be provided certain perquisites necessary for, and for the limited purpose of, completing tasks associated with the volunteer program, such as an assigned uniform or the provision of equipment.

(d) The number of volunteer hours per week, including training hours, that the volunteer may provide is no more than 20 percent of the number of hours that the volunteer was expected to work per week before his or her date of retirement.

(e) There is a clear distinction between the duties of a volunteer and the duties of an employee.

(f) The schedule of a volunteer, including the number of hours volunteered and the number and type of assignments for which he or she agrees to volunteer, is controlled by the volunteer.

(g) The employer and the retiree are both required to maintain adequate records to document adherence to the criteria listed in this subsection. The records must be made available to the department or state board upon request.

Section 3. This act shall take effect July 1, 2023.

Approved by the Governor June 30, 2023.

Filed in Office Secretary of State June 30, 2023.

Code of Federal Regulations
Title 26. Internal Revenue
Chapter I. Internal Revenue Service, Department of the Treasury
Subchapter A. Income Tax
Part 1. Income Taxes (Refs & Annos)
Normal Taxes and Surtaxes
Deferred Compensation, Etc.
Pension, Profit–Sharing, Stock Bonus Plans, Etc.

26 C.F.R. § 1.409A–1, Treas. Reg. § 1.409A–1

§ 1.409A–1 Definitions and covered plans.

Effective: July 31, 2007
Currentness

(a) Nonqualified deferred compensation plan—(1) In general. Except as otherwise provided in this paragraph (a), the term nonqualified deferred compensation plan means any plan (within the meaning of paragraph (c) of this section) that provides for the deferral of compensation (within the meaning of paragraph (b) of this section). Whether a plan provides for the deferral of compensation generally is determined at the time the service provider obtains a legally binding right to the compensation under the plan, and is not affected by any retroactive change to the plan to characterize the right as one that does not provide for the deferral of compensation. For example, amounts deferred under a nonqualified deferred compensation plan do not become an excluded death benefit if the plan is amended so that the amounts are payable only upon the death of the service provider. If a principal purpose of a plan is to achieve a result with respect to a deferral of compensation that is inconsistent with the purposes of section 409A, the Commissioner may treat the plan as a nonqualified deferred compensation plan for purposes of section 409A and the regulations thereunder.

(2) Qualified employer plans. The term nonqualified deferred compensation plan does not include a qualified employer plan. The term qualified employer plan means any of the following plans:

(i) Any plan described in section 401(a) and a trust exempt from tax under section 501(a) or that is described in section 402(d).

(ii) Any annuity plan described in section 403(a).

(iii) Any annuity contract described in section 403(b).

(iv) Any simplified employee pension (within the meaning of section 408(k)).

(v) Any simple retirement account (within the meaning of section 408(p)).

(vi) Any plan under which an active participant makes deductible contributions to a trust described in section 501(c)(18).

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(vii) Any eligible deferred compensation plan (within the meaning of section 457(b)).

(viii) Any plan described in section 415(m).

(ix) Any plan described in § 1022(i)(2) of the Employee Retirement Income Security Act of 1974, Public Law 93–406 (88 Stat. 829, 942) (Sept. 2, 1974) (ERISA).

(3) Certain foreign plans—(i) Participation addressed by treaty. With respect to an individual for a taxable year, the term nonqualified deferred compensation plan does not include any scheme, trust, arrangement, or plan maintained with respect to such individual, to the extent contributions made by or on behalf of such individual to such scheme, trust, arrangement, or plan, or credited allocations, accrued benefits, earnings, or other amounts constituting income, of such individual under such scheme, trust, arrangement, or plan, are excludable by such individual for Federal income tax purposes pursuant to any bilateral income tax convention, or other bilateral or multilateral agreement, to which the United States is a party.

(ii) Participation by nonresident aliens, certain resident aliens, and bona fide residents of possessions. With respect to an alien individual for a taxable year during which such individual is a nonresident alien, a resident alien classified as a resident alien solely under section 7701(b)(1)(A)(ii) (and not section 7701(b)(1)(A)(i)), or a bona fide resident of a possession (within the meaning of section 937(a)), the term nonqualified deferred compensation plan does not include any broad-based foreign retirement plan (within the meaning of paragraph (a)(3)(v) of this section).

(iii) Participation by U.S. citizens and lawful permanent residents. With respect to an individual for a given taxable year during which such individual is a U.S. citizen or a resident alien classified as a resident alien under section 7701(b)(1)(A)(i), other than an individual who is also a bona fide resident of a possession (within the meaning of section 937(a)), the term nonqualified deferred compensation plan does not include a broad-based foreign retirement plan (within the meaning of paragraph (a)(3)(v) of this section), but only with respect to a plan, or a portion of a plan where such portion may be distinguished, providing for nonelective deferrals of modified foreign earned income, and earnings with respect to such nonelective deferrals, and only to the extent that the amounts deferred under all such plans of the service recipient, or all portions of such plans, in which the service provider participates in such taxable year, do not exceed the applicable limits under section 415(b) (applied to nonaccount balance plans as defined in paragraph (c)(2)(i)(C) of this section) and section 415(c) (applied to account balance plans as defined in paragraph (c)(2)(i)(A) of this section) that would be applicable if such plans were plans subject to section 415 and the modified foreign earned income of such individual were treated as compensation for purposes of applying section 415(b) and (c). For purposes of this paragraph (a)(3)(iii), the term modified foreign earned income means foreign earned income as defined in section 911(b)(1) without regard to section 911(b)(1)(B)(iv) and without regard to the requirement that the income be attributable to services performed during the period described in section 911(d)(1)(A) or (B). The provisions of this paragraph (a)(3)(iii) do not apply to any individual with respect to any taxable year in which the individual is simultaneously eligible to participate in a broad-based foreign retirement plan and a qualified employer plan described in paragraph (a)(2) of this section. For purposes of this paragraph (a)(3)(iii), an individual is eligible to participate in a qualified employer plan if under the terms of the plan and without further amendment or action by the plan sponsor, the individual is eligible to make or receive contributions or accrue benefits under the plan (regardless of whether the individual has elected to participate in the plan).

(iv) Plans subject to a totalization agreement and similar plans. The term nonqualified deferred compensation plan does not include any social security system of a jurisdiction to the extent that benefits provided under or contributions made to

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

the system are subject to an agreement entered into pursuant to section 233 of the Social Security Act (42 U.S.C. 433) with any foreign jurisdiction. In addition, the term nonqualified deferred compensation plan does not include a social security system of a foreign jurisdiction to the extent that benefits are provided under or contributions are made to a government-mandated plan as part of that foreign jurisdiction's social security system.

(v) Broad-based foreign retirement plan. The term broad-based foreign retirement plan means a scheme, trust, arrangement, or plan (regardless of whether sponsored by a U.S. person) that is written and that, in the case of an employer-maintained plan, satisfies the following conditions:

(A) The plan is nondiscriminatory insofar as the employees who, under the terms of the plan (alone or in combination with other comparable plans) and without further amendment or action by the employer, are eligible to make or receive contributions or accrue benefits under the plan other than earnings (regardless of whether the employee has elected to participate in the plan), are a wide range of employees, substantially all of whom are nonresident aliens, resident aliens classified as resident aliens solely under section 7701(b)(1)(A)(ii) (and not section 7701(b)(1)(A)(i)), or bona fide residents of a possession (within the meaning of section 937(a)), including rank and file employees.

(B) The plan (alone or in combination with other comparable plans) actually provides significant benefits for a substantial majority of such covered employees.

(C) The benefits actually provided under the plan to such covered employees are nondiscriminatory.

(D) The plan contains provisions or is the subject of tax law provisions or other legal restrictions that generally discourage employees from using plan benefits for purposes other than retirement or restrict access to plan benefits before separation from service, including (but not limited to), restricting in-service distributions except in events similar to an unforeseeable emergency (as defined in § 1.409A–3(i)(3)(i)) or hardship (as defined for purposes of section 401(k)(2)(B)(i)(IV)), or for educational purposes or the purchase of a primary residence.

(4) Section 457 plans. A nonqualified deferred compensation plan under section 457(f) may constitute a nonqualified deferred compensation plan for purposes of this paragraph (a). The rules of section 409A apply to nonqualified deferred compensation plans separately and in addition to any requirements applicable to such plans under section 457(f). In addition, nonelective deferred compensation of non-employees described in section 457(e)(12) and a grandfathered plan or arrangement described in § 1.457–2(k)(4) may constitute a nonqualified deferred compensation plan for purposes of this paragraph (a). The term nonqualified deferred compensation plan does not include a length of service award to a bona fide volunteer under section 457(e)(11)(A)(ii). For purposes of the application of section 409A to a plan to which section 457 applies, a payment under the plan generally means the provision of cash or property to the service provider, provided that for purposes of the application of the short-term deferral rule set forth in paragraph (b)(4) of this section, the inclusion in income of an amount under section 457(f) is treated as a payment of the amount.

(5) Certain welfare benefits. The term nonqualified deferred compensation plan does not include a plan, or a portion of a plan, to the extent that the plan provides bona fide vacation leave, sick leave, compensatory time, disability pay, or death benefits. For these purposes, the terms “disability pay” and “death benefits” have the same meanings as provided in § 31.3121(v)(2)–1(b)(4)(iv)(C) of this chapter, provided that for purposes of this paragraph, such disability pay and death benefits may be provided through insurance and the lifetime benefits payable under the plan are not treated as including the value of any taxable term life insurance coverage or taxable disability insurance coverage provided under the plan. The

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

term nonqualified deferred compensation plan also does not include any Archer Medical Savings Account as described in section 220, any Health Savings Account as described in section 223, or any other medical reimbursement arrangement, including a health reimbursement arrangement, that satisfies the requirements of section 105 and section 106 such that the benefits or reimbursements provided under such arrangement are not includible in income.

(b) Deferral of compensation—(1) In general. Except as otherwise provided in paragraphs (b)(3) through (b)(12) of this section, a plan provides for the deferral of compensation if, under the terms of the plan and the relevant facts and circumstances, the service provider has a legally binding right during a taxable year to compensation that, pursuant to the terms of the plan, is or may be payable to (or on behalf of) the service provider in a later taxable year. Such compensation is deferred compensation for purposes of section 409A, this section and §§ 1.409A–2 through 1.409A–6. A legally binding right to an amount that will be excluded from income when and if received does not constitute a deferral of compensation, unless the service provider has received the right in exchange for, or has the right to exchange the right for, an amount that will be includible in income (other than due to participation in a cafeteria plan described in section 125). A service provider does not have a legally binding right to compensation to the extent that compensation may be reduced unilaterally or eliminated by the service recipient or other person after the services creating the right to the compensation have been performed. However, if the facts and circumstances indicate that the discretion to reduce or eliminate the compensation is available or exercisable only upon a condition, or the discretion to reduce or eliminate the compensation lacks substantive significance, a service provider will be considered to have a legally binding right to the compensation. Whether the discretion to reduce or eliminate the compensation lacks substantive significance depends on all the relevant facts and circumstances. However, where the service provider to whom the compensation may be paid has effective control of the person retaining the discretion to reduce or eliminate the compensation, or has effective control over any portion of the compensation of the person retaining the discretion to reduce or eliminate the compensation, or is a member of the family (as defined in section 267(c)(4) applied as if the family of an individual includes the spouse of any member of the family) of the person retaining the discretion to reduce or eliminate the compensation, the discretion to reduce or eliminate the compensation will not be treated as having substantive significance. For this purpose, compensation is not considered subject to unilateral reduction or elimination merely because it may be reduced or eliminated by operation of the objective terms of the plan, such as the application of a nondiscretionary, objective provision creating a substantial risk of forfeiture. Similarly, a service provider does not fail to have a legally binding right to compensation merely because the amount of compensation is determined under a formula that provides for benefits to be offset by benefits provided under another plan (including a plan that is qualified under section 401(a)), or because benefits are reduced due to actual or notional investment losses, or, in a final average pay plan, subsequent decreases in compensation.

(2) Earnings. References to the deferral of compensation or deferred compensation include references to earnings. When the right to earnings is specified under the terms of the plan, the legally binding right to earnings arises at the time of the deferral of the compensation to which the earnings relate. A plan may provide that the time and form of payment of earnings is treated separately from the time and form of payment of the underlying compensation, so that, provided that the rules of section 409A are otherwise met, a plan may provide that earnings will be paid at a separate time or in a separate form from the payment of the underlying compensation. For the application of the deferral election rules to current payments of earnings and dividend equivalents, see § 1.409A–3(e).

(3) Compensation payable pursuant to the service recipient's customary payment timing arrangement. A deferral of compensation does not occur solely because compensation is paid after the last day of the service provider's taxable year pursuant to the timing arrangement under which the service recipient normally compensates service providers for services performed during a payroll period described in section 3401(b), or with respect to a non-employee service provider, a period not longer than the payroll period described in section 3401(b) or if no such payroll period exists, a period not longer than the earlier of the normal timing arrangement under which the service provider normally compensates non-employee service providers or 30 days after the end of the service provider's taxable year.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(4) Short-term deferrals—(i) In general. A deferral of compensation does not occur under a plan with respect to any payment (as defined in § 1.409A–2(b)(2)) that is not a deferred payment, provided that the service provider actually or constructively receives such payment on or before the last day of the applicable 2 ½ month period. The following rules apply for purposes of this paragraph (b)(4)(i):

(A) The applicable 2 ½ month period is the period ending on the later of the 15th day of the third month following the end of the service provider's first taxable year in which the right to the payment is no longer subject to a substantial risk of forfeiture or the 15th day of the third month following the end of the service recipient's first taxable year in which the right to the payment is no longer subject to a substantial risk of forfeiture.

(B) A payment is treated as actually or constructively received if the payment is includible in income, including if the payment is includible in income under section 83, the economic benefit doctrine, section 402(b), or section 457(f).

(C) A right to a payment that is never subject to a substantial risk of forfeiture is considered to be no longer subject to a substantial risk of forfeiture on the first date the service provider has a legally binding right to the payment.

(D) A payment is a deferred payment if it is made pursuant to a provision of a plan that provides for the payment to be made or completed on or after any date, or upon or after the occurrence of any event, that will or may occur later than the end of the applicable 2 ½ month period, such as a separation from service, death, disability, change in control event, specified time or schedule of payment, or unforeseeable emergency, regardless of whether an amount is actually paid as a result of the occurrence of such a payment date or event during the applicable 2 ½ month period. If a plan provides that the service provider or service recipient may make an election under the plan (including an election under § 1.409A–2(a)(4)) of a different payment date, schedule, or event, such right is disregarded for this purpose. In such cases, whether a plan provides for a deferred payment is determined based on the payment date, schedule, or event that would apply if no such election were made, except that if the plan would not provide for a deferred payment absent such an election, and the service provider or service recipient makes such an election, whether the plan provides for a deferred payment is determined based upon the payment date, schedule, or event that the service provider or service recipient in fact elected.

(E) A stock right provides for a deferred payment if such right includes any provision pursuant to which the holder of the stock right will or may have the right to exercise the stock right after the applicable 2 ½ month period.

(F) This paragraph (b)(4)(i) is applied separately to each payment (as defined in § 1.409A–2(b)(2)) required to be made under a plan.

(G) If a plan provides for a deferred payment with respect to part of a payment (for example a life annuity or a series of installment amounts treated as a single payment), the plan provides for a deferred payment with respect to the entire payment.

(ii) Certain delayed payments. A payment that otherwise qualifies as a short-term deferral under paragraph (b)(4)(i) of this section but is made after the applicable 2 ½ month period may continue to qualify as a short-term deferral if the taxpayer establishes that it was administratively impracticable to make the payment by the end of the applicable 2 ½ month period and, as of the date upon which the legally binding right to the compensation arose, such impracticability was

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

unforeseeable, or the taxpayer establishes that making the payment by the end of the applicable 2 ½ month period would have jeopardized the ability of the service recipient to continue as a going concern, and provided further that the payment is made as soon as administratively practicable or as soon as the payment would no longer have such effect. For purposes of this paragraph (b)(4)(ii), an action or failure to act of the service provider or a person under the service provider's control, such as a failure to provide necessary information or documentation, is not an unforeseeable event. In addition, a payment that otherwise qualifies as a short-term deferral under paragraph (b)(4)(i) of this section but is made after the applicable 2 ½ month period may continue to qualify as a short-term deferral if the taxpayer establishes that the service recipient reasonably anticipated that the service recipient's deduction with respect to such payment otherwise would not be permitted by application of section 162(m), and, as of the date the legally binding right to the payment arose, a reasonable person would not have anticipated the application of section 162(m) at the time of the payment, and provided further that the payment is made as soon as reasonably practicable following the first date on which the service recipient anticipates or reasonably should anticipate that, if the payment were made on such date, the service recipient's deduction with respect to such payment would no longer be restricted due to the application of section 162(m). For additional rules applicable to certain transaction-based compensation, see § 1.409A–3(i)(5)(iv)(A).

(iii) Examples. The following examples illustrate the provisions of this paragraph (b)(4). In these examples, except as otherwise noted, each employee and each employer has a calendar year taxable year and each employee is an individual who is employed by the specified employer.

Example 1. On November 1, 2008, Employer Z awards a bonus to Employee A such that Employee A has a legally binding right to the payment as of November 1, 2008, that is not subject to a substantial risk of forfeiture. The bonus plan does not provide for a payment date or a deferred payment. The bonus plan will not be considered to have provided for a deferral of compensation if the bonus is paid or made available to Employee A on or before March 15, 2009.

Example 2. Employer Y has a taxable year ending August 31. On November 1, 2008, Employer Y awards a bonus to Employee B so that Employee B has a legally binding right to the payment as of November 1, 2008, that is not subject to a substantial risk of forfeiture. The bonus plan does not provide for a payment date or a deferred payment. The bonus plan will not be considered to have provided for a deferral of compensation if the bonus is paid or made available to Employee B on or before November 15, 2009.

Example 3. On November 1, 2008, Employer X awards a bonus to Employee C such that Employee C has a legally binding right to the payment as of November 1, 2008. Under the bonus plan, Employee C will forfeit the bonus unless Employee C continues performing services through December 31, 2010. The right to the payment is subject to a substantial risk of forfeiture through December 31, 2010. Employee C has the right to make a written election not later than December 31, 2009, to receive the bonus on or after December 31, 2015, but Employee C does not make such election. The bonus plan does not provide for a default payment date or a deferred payment in the absence of an election by Employee C. The bonus plan will not be considered to have provided for a deferral of compensation if the bonus is paid or made available to Employee C on or before March 15, 2011.

Example 4. On November 1, 2008, Employer W awards a bonus to Employee D such that Employee D has a legally binding right to the payment as of November 1, 2008. Under the bonus plan, the bonus will be determined based on services performed during the period from January 1, 2009 through December 31, 2010. The bonus is scheduled to be paid as a lump sum payment on February 15, 2011. Under the bonus plan, Employee D will forfeit the bonus unless Employee D continues performing services through the scheduled payment date (February 15, 2011). Provided that at all times before the scheduled payment date Employee D is required to continue to perform services to retain the right to the bonus, and the bonus is paid on or before March 15, 2012, the bonus plan will not be considered to have provided for a deferral of compensation.

Example 5. On November 1, 2008, Employer V awards a bonus to Employee E such that Employee E has a legally binding right to the payment as of November 1, 2008. Under the bonus plan, Employee E will forfeit the bonus unless Employee E continues performing services through December 31, 2010. Under the bonus plan, the bonus is scheduled to be paid as a lump

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

sum payment on July 1, 2011. By specifying a payment date after the applicable 2 ½ month period, the bonus plan provides for a deferred payment. The bonus plan provides for a deferral of compensation, and will not qualify as a short-term deferral regardless of whether the bonus is paid or made available on or before March 15, 2011 (and generally any payment before June 1, 2011 would constitute an impermissible acceleration of a payment).

Example 6. On November 1, 2008, Employer U awards a bonus to Employee F such that Employee F has a legally binding right to the payment as of November 1, 2008, that is not subject to a substantial risk of forfeiture. The bonus plan provides for a lump sum payment upon Employee F's separation from service. Because the separation from service is an event that may occur after the applicable 2 ½ month period, the bonus plan provides for a deferred payment and therefore provides for a deferral of compensation. Accordingly, the bonus plan will not qualify as a short-term deferral regardless of whether Employee F separates from service and the bonus is paid or made available on or before March 15, 2009.

Example 7. On November 1, 2008, Employer T grants Employee G a legally binding right to the payment of a life annuity with the first annuity payment on November 1, 2013, provided that Employee G continues performing services for Employer T continuously through November 1, 2013. Because the life annuity is treated as a single payment, and because all payments of the life annuity may not occur during the applicable 2 ½ month period, the plan provides for a deferred payment and none of the amounts payable under the annuity will qualify as a short-term deferral, so that section 409A applies to all amounts that are payable under the plan.

Example 8. On November 1, 2008, Employer S grants Employee H a stock right providing for an exercise price less than the fair market value of the underlying stock on November 1, 2008. The stock right is subject to a substantial risk of forfeiture requiring services through November 1, 2010. The stock right becomes exercisable when the substantial risk of forfeiture lapses and expires on November 1, 2013. Employee H continues providing services through November 1, 2010, at which time the substantial risk of forfeiture lapses. The stock right provides for a deferred payment and will not qualify as a short-term deferral regardless of whether Employee H exercises the stock right on or before March 15, 2011.

(5) Stock options, stock appreciation rights, and other equity-based compensation—(i) Stock rights—(A) Nonstatutory stock options not providing for the deferral of compensation. An option to purchase service recipient stock does not provide for a deferral of compensation if—

(1) The exercise price may never be less than the fair market value of the underlying stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date the option is granted and the number of shares subject to the option is fixed on the original date of grant of the option;

(2) The transfer or exercise of the option is subject to taxation under section 83 and § 1.83–7; and

(3) The option does not include any feature for the deferral of compensation other than the deferral of recognition of income until the later of the following:

(i) The exercise or disposition of the option under § 1.83–7.

(ii) The time the stock acquired pursuant to the exercise of the option first becomes substantially vested (as defined in § 1.83–3(b)).

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(B) Stock appreciation rights not providing for the deferral of compensation. A right to compensation based on the appreciation in value of a specified number of shares of service recipient stock occurring between the date of grant and the date of exercise of such right (a stock appreciation right) does not provide for a deferral of compensation if—

(1) Compensation payable under the stock appreciation right cannot be greater than the excess of the fair market value of the stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date the stock appreciation right is exercised over an amount specified on the date of grant of the stock appreciation right (the stock appreciation right exercise price), with respect to a number of shares fixed on or before the date of grant of the right;

(2) The stock appreciation right exercise price may never be less than the fair market value of the underlying stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date the right is granted; and

(3) The stock appreciation right does not include any feature for the deferral of compensation other than the deferral of recognition of income until the exercise of the stock appreciation right.

(C) Stock rights that may provide for the deferral of compensation. An option to purchase stock other than service recipient stock, or a stock appreciation right with respect to stock other than service recipient stock, generally will provide for the deferral of compensation within the meaning of this paragraph (b). If under the terms of an option to purchase service recipient stock (other than an incentive stock option described in section 422 or a stock option granted under an employee stock purchase plan described in section 423), the exercise price is or could become less than the fair market value of the stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date of grant, the grant of the option generally will provide for the deferral of compensation within the meaning of this paragraph (b). If under the terms of a stock appreciation right with respect to service recipient stock, the compensation payable under the stock appreciation right is or could be any amount greater than, with respect to a predetermined number of shares, the excess of the fair market value of the stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date the stock appreciation right is exercised over the fair market value of the stock (disregarding lapse restrictions as defined in § 1.83–3(i)) on the date of grant of the stock appreciation right, the grant of the stock appreciation right generally will provide for a deferral of compensation within the meaning of this paragraph (b).

(D) Feature for the deferral of compensation. To the extent a stock right provides a right other than the right to receive cash or stock on the date of exercise and such additional right would otherwise allow compensation to be deferred beyond the date of exercise, the entire arrangement (including the underlying stock right) provides for the deferral of compensation. For purposes of this paragraph (b)(5)(i), neither the right to receive substantially nonvested stock (as defined in § 1.83–3(b)) upon the exercise of a stock right, nor the right to pay the exercise price with previously acquired shares, constitutes a feature for the deferral of compensation.

(E) Rights to dividends. For purposes of this paragraph (b)(5)(i), the right, directly or indirectly contingent upon the exercise of a stock right, to receive an amount equal to all or part of the dividends or other distributions (other than stock dividends described in paragraph (b)(5)(v)(H) of this section) declared and paid on the number of shares underlying the stock right between the date of grant and the date of exercise of the stock right constitutes an offset to the exercise price of the stock option or an increase in the amount payable under the stock appreciation right (generally causing such stock right to be subject to section 409A). A plan providing a right to dividends or other distributions declared and paid on the number of shares underlying a stock right, the payment of which is not contingent upon, or otherwise payable on, the exercise of the stock right, may provide for a deferral of compensation, but the existence

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

of the right to receive such an amount will not be treated as a reduction to the exercise price of (or an increase to the compensation payable under) the stock right. Thus, a right to such dividends or distributions that is not contingent, directly or indirectly, upon the exercise of a stock right will not cause the related stock right to fail to satisfy the requirements of the exclusion from the definition of a deferral of compensation provided in paragraphs (b)(5)(i)(A) and (B) of this section.

(ii) Statutory stock options. The grant of an incentive stock option as described in section 422, or the grant of an option under an employee stock purchase plan described in section 423 (including the grant of an option with an exercise price discounted in accordance with section 423(b)(6) and the accompanying regulations), does not constitute a deferral of compensation. However, the exclusion for statutory stock options under this paragraph (b)(5)(ii) does not apply to a modification, extension, or renewal of a statutory option that is treated as the grant of a new option that is not a statutory option. See § 1.424–1(e). In such event, the option is treated for purposes of this paragraph (b) as if it had been a nonstatutory stock option from the date of the original grant. Accordingly, if such modification, extension, or renewal of the stock option would have been treated as the grant of a new option or as causing the option to have had a deferral feature from the date of grant under paragraph (b)(5)(v) of this section, the modification, extension, or renewal of the stock option is treated as the grant of a new option or as causing the option to have had a deferral feature from the date of grant for purposes of this paragraph (b)(5).

(iii) Service recipient stock—(A) In general. Except as otherwise provided in paragraphs (b)(5)(iii)(B), (C), and (D) of this section, the term service recipient stock means a class of stock that, as of the date of grant, is common stock for purposes of section 305 and the regulations thereunder of a corporation that is an eligible issuer of service recipient stock (as defined in paragraph (b)(5)(iii)(E) of this section). Notwithstanding the foregoing, the term service recipient stock does not include a class of stock that has any preference as to distributions other than distributions of service recipient stock and distributions in liquidation of the issuer. The term service recipient stock also does not include any stock that is subject to a mandatory repurchase obligation (other than a right of first refusal), or a put or call right that is not a lapse restriction as defined in § 1.83–3(i), if the stock price under such right or obligation is based on a measure other than the fair market value (disregarding lapse restrictions as defined in § 1.83–3(i)) of the equity interest in the corporation represented by the stock.

(B) American depositary receipts. An American depositary receipt or American depositary share may constitute service recipient stock, to the extent that the stock traded on a foreign securities market to which the American depositary receipt or American depositary share relates qualifies as service recipient stock.

(C) Mutual company units. Mutual company units may constitute service recipient stock. For this purpose, the term mutual company unit means a fixed percentage of the overall value of a non-stock mutual company or association. For purposes of determining the value of the mutual company unit, the unit may be valued in accordance with the rules set forth in paragraph (b)(5)(iv)(B) of this section governing valuation of service recipient stock the shares of which are not traded on an established securities market, applied as if the mutual company were a stock corporation with one class of common stock and the number of shares of such stock determined according to such fixed percentage. For example, an appreciation right based on the appreciation of 10 mutual company units, where each unit is defined as one percent of the overall value of the mutual company, would be valued as if the appreciation right were based upon 10 shares of a corporation, with 100 shares of common stock (and no other class of stock), the shares of which are not readily tradable on an established securities market.

(D) Other entities. An interest in an entity other than a corporation or non-stock mutual company or association may constitute service recipient stock to the extent designated by the Commissioner in revenue procedures, notices, or other guidance published in the Internal Revenue Bulletin (see § 601.601(d)(2) of this chapter).

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(E) Eligible issuer of service recipient stock—(1) In general. The term eligible issuer of service recipient stock means only the corporation for which the service provider provides direct services on the date of grant of the stock right (if the entity receiving such services is a corporation), and any corporation in a chain of corporations or other entities in which each corporation or other entity has a controlling interest in another corporation or other entity in the chain, ending with the corporation or other entity that has a controlling interest in the corporation or other entity for which the service provider provides direct services on the date of grant of the stock right. For this purpose, the term controlling interest has the same meaning as provided in § 1.414(c)–2(b)(2)(i), provided that the language "at least 50 percent" is used instead of "at least 80 percent" each place it appears in § 1.414(c)–2(b)(2)(i). In addition, where the use of such stock with respect to the grant of a stock right to such service provider is based upon legitimate business criteria, the term controlling interest has the same meaning as provided in § 1.414(c)–2(b)(2)(i), provided that the language "at least 20 percent" is used instead of "at least 80 percent" each place it appears in § 1.414(c)–2(b)(2)(i). For purposes of determining ownership of an interest in an organization, the rules of §§ 1.414(c)–3 and 1.414(c)–4 apply. The determination of whether a grant is based on legitimate business criteria is based on the facts and circumstances, focusing primarily on whether there is a sufficient nexus between the service provider and the issuer of the stock right so that the grant serves a legitimate non-tax business purpose other than simply providing compensation to the service provider that is excluded from the requirements of section 409A. For example, stock of a corporation that owns an interest in a joint venture involving an operating business, used with respect to stock rights granted to service providers of the joint venture who are former service providers of such corporation, generally will constitute use of service recipient stock based upon legitimate business criteria, and therefore could constitute service recipient stock with respect to such service providers if the corporation owns at least 20 percent of the joint venture and the other requirements of this paragraph (b)(5)(iii) are met. Similarly, the legitimate business criteria requirement generally would be met if the corporate venturer issued such a right to an employee of the joint venture who it reasonably expected would in the future become an employee of the corporate venturer. However, where a service provider has no real nexus with a corporate venturer, such as generally happens when the corporate venturer is a passive investor in the service recipient joint venture, a stock right issued to that employee on the investor corporation's stock generally would not be based upon legitimate business criteria. Similarly, where a corporation holds only a minority interest in an entity that in turn holds a minority interest in the entity for which the service provider performs services, such that the corporation holds only an insubstantial indirect interest in the entity receiving the services, legitimate business criteria generally would not exist for issuing a stock right on the corporation's stock to the service provider.

(2) Investment vehicles. Notwithstanding the provisions of paragraph (b)(5)(iii)(E)(1) of this section, except as to a service provider providing services directly to such corporation, for purposes of this paragraph (b)(5), an eligible issuer of service recipient stock does not include any corporation whose primary purpose is to serve as an investment vehicle with respect to the corporation's minority ownership interests in entities other than the service recipient.

(3) Corporate structures established or transactions undertaken for purposes of avoiding coverage under section 409A. Notwithstanding the provisions of paragraph (b)(5)(iii)(E)(1) of this section, an eligible issuer of service recipient stock does not include any corporation within a group of entities treated as a single service recipient if a purpose of the establishment of the structure of the ownership, or a purpose of a significant transaction between or among two or more entities comprising a single service recipient, is to provide deferred compensation not subject to the application of section 409A. If an entity becomes a member of a group of corporations or other entities treated as a single service recipient, and the primary source of income or value of such entity arises from the provision of management services to other members of the service recipient group, it is presumed that such structure was established for purposes of avoiding the application of section 409A if any stock rights are issued with respect to such entity.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(4) Substitutions and assumptions by reason of a corporate transaction. If the requirements of paragraph (b)(5)(v)(D) of this section are met such that the substitution of a new stock right pursuant to a corporate transaction for an outstanding stock right, or the assumption of an outstanding stock right pursuant to a corporate transaction, would not be treated as the grant of a new stock right or a change in the form of payment for purposes of this section and §§ 1.409A–2 through 1.409A–6, the stock underlying the stock right that replaced the stock right that is substituted or assumed will be treated as service recipient stock for purposes of applying this paragraph (b)(5) to the replacement stock rights if such underlying stock otherwise satisfies the requirements of paragraph (b)(5)(iii)(A) of this section. For example, if by reason of a spinoff transaction (under which the stock of a subsidiary corporation is distributed to the stockholders of a distributing corporation), a stock option to purchase distributing corporation stock is replaced with a stock option to purchase distributing corporation stock and a stock option to purchase the spun off subsidiary corporation's stock (each otherwise satisfying the requirements of paragraph (b)(5)(iii)(A) of this section), and where such substitution is not treated as a modification of the original stock option pursuant to paragraph (b)(5)(v)(D) of this section, both the distributing corporation stock and the subsidiary corporation stock are treated as service recipient stock for purposes of applying this paragraph (b)(5) to the replacement stock options.

(iv) Determination of the fair market value of service recipient stock—(A) Stock readily tradable on an established securities market. For purposes of paragraph (b)(5)(i) of this section, in the case of service recipient stock that is readily tradable on an established securities market, the fair market value of the stock may be determined based upon the last sale before or the first sale after the grant, the closing price on the trading day before or the trading day of the grant, the arithmetic mean of the high and low prices on the trading day before or the trading day of the grant, or any other reasonable method using actual transactions in such stock as reported by such market. The determination of fair market value also may be determined using an average selling price during a specified period that is within 30 days before or 30 days after the applicable valuation date, provided that the program under which the stock right is granted, including a program with a single participant, must irrevocably specify the commitment to grant the stock right with an exercise price set using such an average selling price before the beginning of the specified period. For this purpose, the term average selling price refers to the arithmetic mean of such selling prices on all trading days during the specified period, or the average of such prices over the specified period weighted based on the volume of trading of such stock on each trading day during such specified period. To satisfy this requirement, the service recipient must designate the recipient of the stock right, the number and class of shares of stock that are subject to the stock right, and the method for determining the exercise price including the period over which the averaging will occur, before the beginning of the specified averaging period. Notwithstanding the forgoing provisions of this paragraph (b)(5)(iv)(A), where applicable foreign law requires that a compensatory stock right be priced based upon a specific price averaging method and period, a stock right granted in accordance with such applicable foreign law will be treated as meeting the requirements of this paragraph (b)(5)(iv)(A), provided that the averaging period does not exceed 30 days.

(B) Stock not readily tradable on an established securities market—(1) In general. For purposes of paragraph (b)(5)(i) of this section, in the case of service recipient stock that is not readily tradable on an established securities market, the fair market value of the stock as of a valuation date means a value determined by the reasonable application of a reasonable valuation method. The determination whether a valuation method is reasonable, or whether an application of a valuation method is reasonable, is made based on the facts and circumstances as of the valuation date. Factors to be considered under a reasonable valuation method include, as applicable, the value of tangible and intangible assets of the corporation, the present value of anticipated future cash-flows of the corporation, the market value of stock or equity interests in similar corporations and other entities engaged in trades or businesses substantially similar to those engaged in by the corporation the stock of which is to be valued, the value of which can be readily determined through nondiscretionary, objective means (such as through trading prices on an established securities market or an amount

paid in an arm's length private transaction), recent arm's length transactions involving the sale or transfer of such stock or equity interests, and other relevant factors such as control premiums or discounts for lack of marketability and whether the valuation method is used for other purposes that have a material economic effect on the service recipient, its stockholders, or its creditors. The use of a valuation method is not reasonable if such valuation method does not take into consideration in applying its methodology all available information material to the value of the corporation. Similarly, the use of a value previously calculated under a valuation method is not reasonable as of a later date if such calculation fails to reflect information available after the date of the calculation that may materially affect the value of the corporation (for example, the resolution of material litigation or the issuance of a patent) or the value was calculated with respect to a date that is more than 12 months earlier than the date for which the valuation is being used. The service recipient's consistent use of a valuation method to determine the value of its stock or assets for other purposes, including for purposes unrelated to compensation of service providers, is also a factor supporting the reasonableness of such valuation method.

(2) Presumption of reasonableness. For purposes of this paragraph (b)(5)(iv)(B), the use of any of the following methods of valuation is presumed to result in a reasonable valuation, provided that the Commissioner may rebut such a presumption upon a showing that either the valuation method or the application of such method was grossly unreasonable:

(i) A valuation of a class of stock determined by an independent appraisal that meets the requirements of section 401(a)(28)(C) and the regulations as of a date that is no more than 12 months before the relevant transaction to which the valuation is applied (for example, the date of grant of a stock option).

(ii) A valuation based upon a formula that, if used as part of a nonlapse restriction (as defined in § 1.83–3(h)) with respect to the stock, would be considered to be the fair market value of the stock pursuant to § 1.83–5, provided that such stock is valued in the same manner for purposes of any transfer of any shares of such class of stock (or any substantially similar class of stock) to the issuer or any person that owns stock possessing more than 10 percent of the total combined voting power of all classes of stock of the issuer (applying the stock attribution rules of § 1.424–1(d)), other than an arm's length transaction involving the sale of all or substantially all of the outstanding stock of the issuer, and such valuation method is used consistently for all such purposes, and provided further that this paragraph (b)(5)(iv)(B)(2)(ii) does not apply with respect to stock subject to a stock right payable in stock, where the stock acquired pursuant to the exercise of the stock right is transferable other than through the operation of a nonlapse restriction.

(iii) A valuation, made reasonably and in good faith and evidenced by a written report that takes into account the relevant factors described in paragraph (b)(5)(iv)(B)(1) of this section, of illiquid stock of a start-up corporation. For this purpose, illiquid stock of a start-up corporation means service recipient stock of a corporation that has no material trade or business that it or any predecessor to it has conducted for a period of 10 years or more and has no class of equity securities that are traded on an established securities market (as defined in paragraph (k) of this section), where such stock is not subject to any put, call, or other right or obligation of the service recipient or other person to purchase such stock (other than a right of first refusal upon an offer to purchase by a third party that is unrelated to the service recipient or service provider and other than a right or obligation that constitutes a lapse restriction as defined in § 1.83–3(i)), and provided that this paragraph (b)(5)(iv)(B)(2)(iii) does not apply to the valuation of any stock if the service recipient or service provider may reasonably anticipate, as of the time the valuation is applied, that the service recipient will undergo a change in control event as described in § 1.409A–3(i)(5)(v) or § 1.409A–3(i)(5)(vii) within the 90 days following the action to which the valuation is applied, or make a public offering of securities within the 180 days following the action to which the valuation is applied.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

For purposes of this paragraph (b)(5)(iv)(B)(2)(iii), a valuation will not be treated as made reasonably and in good faith unless the valuation is performed by a person or persons that the corporation reasonably determines is qualified to perform such a valuation based on the person's or persons" significant knowledge, experience, education, or training. Generally, a person will be qualified to perform such a valuation if a reasonable individual, upon being apprised of such knowledge, experience, education, and training, would reasonably rely on the advice of such person with respect to valuation in deciding whether to accept an offer to purchase or sell the stock being valued. For this purpose, significant experience generally means at least five years of relevant experience in business valuation or appraisal, financial accounting, investment banking, private equity, secured lending, or other comparable experience in the line of business or industry in which the service recipient operates.

(3) Use of alternative methods. For purposes of this paragraph (b)(5), a different valuation method may be used for each separate action for which a valuation is relevant, provided that a single valuation method is used for each separate action and, once used, may not retroactively be altered. For example, one valuation method may be used to establish the exercise price of a stock option, and a different valuation method may be used to determine the value at the date of the repurchase of stock pursuant to a put or call right. However, once an exercise price or amount to be paid has been established, the exercise price or amount to be paid may not be changed through the retroactive use of another valuation method. In addition, notwithstanding the foregoing, where after the date of grant, but before the date of exercise or transfer, of the stock right, the service recipient stock to which the stock right relates becomes readily tradable on an established securities market, the service recipient must use the valuation method set forth in paragraph (b)(5)(iv)(A) of this section for purposes of determining the payment at the date of exercise or the purchase of the stock, as applicable.

(v) Modifications, extensions, substitutions, and assumptions of stock rights—(A) Treatment of modified and extended stock rights. A modification of the terms of a stock right within the meaning of paragraph (b)(5)(v)(B) of this section is considered to be the grant of a new stock right. The new stock right may or may not constitute a deferral of compensation under paragraph (b)(5)(i) of this section, determined at the date of grant of the new stock right. If there is an extension of a stock right (within the meaning of paragraph (b)(5)(v)(C) of this section), the stock right is treated as having had an additional deferral feature from the original date of grant of the stock right, and therefore will be treated as a plan providing for the deferral of compensation from the original grant date for purposes of this paragraph (b).

(B) Modification in general. Except as otherwise provided in paragraph (b)(5)(v) of this section, the term modification means any change in the terms of the stock right (or change in the terms of the plan pursuant to which the stock right was granted or in the terms of any other agreement governing the stock right) that may provide the holder of the stock right with a direct or indirect reduction in the exercise price of the stock right regardless of whether the holder in fact benefits from the change in terms. A change in the terms of the stock right shortening the period during which the stock right is exercisable is not a modification. It is not a modification to add a feature providing the ability to tender previously acquired stock for the stock purchasable under the stock right, or to withhold or have withheld shares of stock to facilitate the payment of the exercise price or the employment taxes or required withholding taxes resulting from the exercise of the stock right. In addition, it is not a modification for the grantor to exercise discretion specifically reserved under a stock right with respect to the transferability of the stock right.

(C) Extensions—(1) In general. An extension of a stock right refers to the provision to the holder of an additional period of time within which to exercise the stock right beyond the time originally prescribed under the terms of the stock right, the conversion or exchange of a stock right for a legally binding right to compensation in a future taxable year, or the addition of any feature for the deferral of compensation not permitted in paragraph (b)(5)(i)(A)(3) of this section (in the case of a stock option) or not permitted in paragraph (b)(5)(i)(B)(3) of this section (in the case of a

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

stock appreciation right) to the terms of the stock right, other than at a time when the exercise price of the stock right equals or exceeds the fair market value of the service recipient stock that could be purchased (in the case of an option) or the fair market value of the service recipient stock used to determine the payment to the service provider (in the case of a stock appreciation right), and includes a renewal of such right that has such effect. It is not an extension if the exercise period of a stock right is extended to a date no later than the earlier of the latest date upon which the stock right could have expired by its original terms under any circumstances or the 10th anniversary of the original date of grant of the stock right. If the exercise period of a stock right is extended at a time when the exercise price of the stock right equals or exceeds the fair market value of the service recipient stock that could be purchased (in the case of an option) or the fair market value of the service recipient stock used to determine the payment to the service provider (in the case of a stock appreciation right), it is not an extension of the original stock right. Instead, in such a case, the original stock right is treated as modified rather than extended and a new stock right is treated as having been granted for purposes of this section. In addition, it is not an extension of a stock right if the expiration of the stock right is tolled while the holder cannot exercise the stock right because such an exercise would violate an applicable Federal, state, local, or foreign law, or would jeopardize the ability of the service recipient to continue as a going concern, provided that the period during which the stock right may be exercised is not extended more than 30 days after the exercise of the stock right first would no longer violate an applicable Federal, state, local, and foreign laws or would first no longer jeopardize the ability of the service recipient to continue as a going concern. For this purpose, a provision of foreign law shall be considered applicable only to foreign earned income (as defined under section 911(b)(1) without regard to section 911(b)(1)(B)(iv) and without regard to the requirement that the income be attributable to services performed during the period described in section 911(d)(1)(A) or (B)) from sources within the foreign country that promulgated such law.

(2) Certain extensions before April 10, 2007. An extension of a stock right before April 10, 2007 solely in order to provide the holder of such stock right an additional period of time beyond the time originally prescribed under the terms of such stock right within which to exercise the stock right is disregarded for purposes of applying the rules contained in paragraph (b)(5)(v)(C)(1) of this section. For purposes of applying the rules contained in paragraph (b)(5)(v)(C)(1) of this section on and after April 10, 2007, such a stock right is treated as having specified at the date of grant the time within which to exercise such stock right that was prescribed under the terms of such stock right in effect on April 10, 2007. Nothing in this paragraph (b)(5)(v)(C)(2) affects any other action treated as the extension of a stock right, including the addition of a deferral feature.

(3) Examples. The following examples illustrate the provisions of this paragraph (b)(5)(v)(C). In the examples, each employee is an individual employed by the specified employer, and each employee and each employer has a calendar year taxable year.

Example 1. On July 1, 2009, Employer Z grants Employee A a nonstatutory stock option that does not provide for the deferral of compensation in accordance with paragraph (b)(5)(i)(A) of this section. The terms of the nonstatutory stock option provide that the exercise period of the stock option expires on the earlier of July 1, 2019, or 3 months after Employee A's separation from service. On July 1, 2011, Employee A separates from service. On the same day, Employee A and Employer Z change the exercise period of the option so that it expires on July 1, 2013. Because the exercise period of the stock right is not extended beyond July 1, 2019, the change is not an extension for purposes of this paragraph (b)(5)(v)(C).

Example 2. The facts are the same as in Example 1 except that Employee A separates from service on July 1, 2018, and on the same day, Employee A and Employer Z change the exercise period of the option so that it expires on July 1, 2020. As of July 1, 2018, the fair market value of the underlying stock exceeds the exercise price. Because the exercise period of the stock right is extended beyond July 1, 2019, the change is an extension for purposes of this paragraph (b)(5)(v)(C).

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

Example 3. The facts are the same as in Example 2 except that as of July 1, 2018, the fair market value of the underlying stock is less than the exercise price of the option. Because the exercise period of the stock right is extended at a time when the fair market value of the underlying stock is less than the exercise price, the change is not an extension for purposes of this paragraph (b)(5)(v)(C) and the change is treated as a modification of the option, resulting in the extension of the exercise period being treated as the grant of a new option on July 1, 2018.

Example 4. On July 1, 2009, Employer Y grants to Employee B a stock appreciation right with respect to 200 shares of Employer Y common stock that does not provide for the deferral of compensation in accordance with paragraph (b)(5)(i)(B) of this section. Upon exercise of the stock appreciation right, Employee B is entitled to receive the excess of the fair market value of a share of Employer Y common stock on the date of exercise over $100 (the fair market value of a share of Employer Y common stock on July 1, 2009), multiplied by the number of shares with respect to which Employee B is exercising the right. The exercise period of the right expires on the earlier of July 1, 2019, or 3 months after Employee B separates from service. Employee B cannot exercise the stock appreciation right with respect to more than 100 shares unless Employee B continues to be employed by Employer Y through June 30, 2014. On July 1, 2011, when the fair market value of a share of Employer Y common stock is $200, Employee B and Employer Y amend the stock appreciation right to provide that the right will be exercisable only during calendar year 2018, except that before January 1, 2017, Employee B may elect to designate calendar year 2023 or any subsequent calendar year before 2033 as the year in which the right will be exercisable. The amendment constitutes an extension of the stock appreciation right under paragraph (b)(5)(v)(C)(1) of this section. Under paragraph (b)(5)(v)(A) of this section, the stock appreciation right is treated as having had an additional deferral feature from the original date of grant (July 1, 2009) of the right, and therefore is treated as a plan providing for the deferral of compensation from that date. During the period from July 1, 2009, through June 30, 2011, the provisions of the stock appreciation right relating to the time and form of payment did not satisfy the requirements of § 1.409A–3(a). Therefore, the stock appreciation right provides for a deferral of compensation that does not comply with section 409A.

(D) Substitutions and assumptions of stock rights by reason of a corporate transaction. If the requirements of § 1.424–1 (without regard to the requirement described in § 1.424–1(a)(2) that an eligible corporation be the employer of the optionee) would be met if the stock right were a statutory option, the substitution of a new stock right pursuant to a corporate transaction (as defined in § 1.424–1(a)(3)) for an outstanding stock right or the assumption of an outstanding stock right pursuant to a corporate transaction will not be treated as the grant of a new stock right or a change in the form of payment for purposes of this section and §§ 1.409A–2 through 1.409A–6. For purposes of the preceding sentence, the requirement of § 1.424–1(a)(5)(iii) will be deemed to be satisfied if the ratio of the exercise price to the fair market value of the shares subject to the stock right immediately after the substitution or assumption is not greater than the ratio of the exercise price to the fair market value of the shares subject to the stock right immediately before the substitution or assumption. In the case of a transaction described in section 355 in which the stock of the distributing corporation and the stock distributed in the transaction are both readily tradable on an established securities market immediately after the transaction, for purposes of this paragraph (b)(5)(v), the requirements of § 1.424–1(a)(5) related to the fair market value of the stock may be satisfied by—

(1) Using the last sale before or the first sale after the specified date as of which such valuation is being made, the closing price on the last trading day before or the trading day of a specified date, the arithmetic mean of the high and low prices on the last trading day before or the trading day of such specified date, or any other reasonable method using actual transactions in such stock as reported by such market on a specified date, for the stock of the distributing corporation and the stock distributed in the transaction, provided the specified date is designated before such specified date, and such specified date is not more than 60 days after the transaction;

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(2) Using the arithmetic mean of such market prices on trading days during a specified period designated before the beginning of such specified period, where such specified period is not longer than 30 days and ends no later than 60 days after the transaction; or

(3) Using an average of such prices during such prespecified period weighted based on the volume of trading of such stock on each trading day during such prespecified period.

(E) Acceleration of date when exercisable. Although with respect to a stock right not immediately exercisable in full, a change in the terms of the right solely to accelerate or delay, within the original term of the stock right, the time at which the stock right (or any portion of such stock right) may be exercised is not a modification for purposes of this section, with respect to a stock right subject to section 409A, such an acceleration may constitute an impermissible acceleration of a payment date under § 1.409A–3(j) or a subsequent deferral under § 1.409A–2(b).

(F) Discretionary added benefits. If a change to a stock right provides, either by its terms or in substance, that the holder may receive an additional benefit under the stock right at the future discretion of the grantor, and the addition of such benefit would constitute a modification or extension, then the addition of such discretion is a modification or extension at the time that the stock right is changed to provide such discretion.

(G) Change in underlying stock increasing value. A change in the terms of the stock subject to a stock right that increases the value of the stock is a modification of such stock right, except to the extent that a new stock right is substituted for such stock right by reason of the change in the terms of the stock in accordance with paragraph (b)(5)(v)(D) of this section.

(H) Change in the number of shares purchasable. If a stock right is amended solely to increase the number of shares subject to the stock right, the increase is not considered a modification of the stock right but is treated as the grant of a new additional stock right to which the additional shares are subject. Notwithstanding the previous sentence, if the exercise price and number of shares subject to a stock right are proportionally adjusted to reflect a stock split (including a reverse stock split) or stock dividend, and the only effect of the stock split or stock dividend is to increase (or decrease) on a pro rata basis the number of shares owned by each shareholder of the class of stock subject to the stock right, then there is no modification of the stock right if it is proportionally adjusted to reflect the stock split or stock dividend and the aggregate exercise price of the stock right is not less than the aggregate exercise price before the stock split or stock dividend.

(I) Rescission of changes. A change to the terms of a stock right (or change in the terms of the plan pursuant to which the stock right was granted or in the terms of any other agreement governing the right) is not considered a modification or extension of the stock right to the extent the change in the terms of the stock right is rescinded by the earlier of the date the stock right is exercised or the last day of the service provider's taxable year during which such change occurred. Thus, for example, if the terms of a stock right granted to an individual employee with a calendar year taxable year are changed on March 1 in a manner that would result in an extension of the stock right, and the change is rescinded on November 1 of the same year, and the stock right is not exercised before the change is rescinded, the stock right is not considered extended under this paragraph (b)(5)(v).

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(J) Successive modifications and extensions. The rules of this paragraph (b)(5)(v) apply as well to successive modifications and extensions.

(K) Modifications and extensions in effect on October 23, 2004. For purposes of the application of section 409A and these regulations to a stock right, if a legally binding right to a modification or extension of such stock right existed on October 23, 2004, such modification or extension is disregarded, and the stock right is treated as if granted with the terms and conditions in effect on October 23, 2004.

(vi) Meaning and use of certain terms—(A) Option. The term option means the right or privilege of an individual to purchase stock from a corporation by virtue of an offer of the corporation continuing for a stated period of time, whether or not irrevocable, to sell such stock at a price determined under paragraph (b)(5)(vi)(D) of this section, such individual being under no obligation to purchase. While no particular form of words is necessary, the option must express an offer to sell at the option price, the maximum number of shares purchasable under the option, and the period of time during which the offer remains open. The term option includes a warrant that meets the requirements of this paragraph (b)(5)(vi)(A). An option may be granted as part of or in conjunction with an employee stock purchase plan or subscription contract. An option must be in writing (in paper or electronic form) provided that such writing is adequate to establish an option right or privilege that is enforceable under applicable law.

(B) Date of grant of option. (1) The language the date of grant of the option, and similar phrases, refer to the date when the granting corporation completes the corporate action necessary to create the legally binding right constituting the option. A corporate action creating the legally binding right constituting the option is not considered complete until the date on which the maximum number of shares that can be purchased under the option and the minimum exercise price are fixed or determinable, and the class of underlying stock and the identity of the service provider is designated. Ordinarily, if the corporate action provides for an immediate offer of stock for sale to a service provider, or provides for a particular date on which such offer is to be made, the date of the granting of the option is the date of such corporate action if the offer is to be made immediately, or the date provided as the date of the offer, as the case may be. However, an unreasonable delay in the giving of notice of such offer to the service provider will be taken into account as indicating that the corporation provided that the offer was to be made at the subsequent date on which such notice is given.

(2) If the corporation imposes a condition on the granting of an option (as distinguished from a condition governing the exercise of the option), such condition generally will be given effect in accordance with the intent of the corporation. However, if the grant of an option is subject to approval by stockholders, the date of grant of the option will be determined as if the option had not been subject to such approval. A condition that does not require corporate action, such as the approval of, or registration with, some regulatory or government agency, for example, a stock exchange or the Securities and Exchange Commission, is ordinarily considered a condition upon the exercise of the option unless the corporate action clearly indicates that the option is not to be granted until such condition has been satisfied.

(3) In general, a condition imposed upon the exercise of an option will not operate to make ineffective the granting of the option. For example, on June 1, 2008, Corporation A grants to X, an employee, an option to purchase 5,000 shares of the corporation's common stock, exercisable by X on or after June 1, 2009, provided X is employed by the corporation on June 1, 2009, and provided that A's profits during the fiscal year preceding the year of exercise exceed $200,000. Such an option is granted to X on June 1, 2008, and will be treated as outstanding as of such date.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(C) Stock. The term stock means capital stock of any class, including voting or nonvoting common or preferred stock. Except as otherwise provided, the term stock includes both treasury stock and stock of original issue. Special classes of stock authorized to be issued to and held by employees are within the scope of the term stock for this purpose, provided such stock otherwise possesses the rights and characteristics of capital stock.

(D) Exercise price. The term exercise price means the consideration in cash or property that, pursuant to the terms of the option, is the price at which the stock subject to the option is purchased. The term exercise price does not include any amounts paid as interest under a deferred payment plan or treated as interest.

(E) Exercise. The term exercise, when used in reference to an option, means the act of acceptance by the holder of the option of the offer to sell contained in the option. In general, the time of exercise is the time when there is a sale or a contract to sell between the corporation and the individual. A promise to pay the exercise price does not constitute an exercise of the option unless the holder of the option is subject to personal liability on such promise. An agreement or undertaking by the service provider to make payments under a stock purchase plan does not constitute the exercise of an option to the extent the payments made remain subject to withdrawal by or refund to the service provider.

(F) Transfer. The term transfer, when used in reference to the transfer to an individual of a share of stock pursuant to the exercise of an option, means the transfer of ownership of such share, or the transfer of substantially all the rights of ownership. Such transfer must, within a reasonable time, be evidenced on the books of the corporation. A transfer may occur even if a share of stock is subject to a substantial risk of forfeiture or is not otherwise transferable immediately after the date of exercise. A transfer does not fail to occur merely because, under the terms of the arrangement, the individual may not dispose of the share for a specified period of time, or the share is subject to a right of first refusal or a right to acquire the share at the share's fair market value at the time of the sale.

(G) Readily tradable. For purposes of this section and §§ 1.409A–2 through 1.409A–6, stock is treated as readily tradable if it is regularly quoted by brokers or dealers making a market in such stock.

(H) Application to stock appreciation rights. For purposes of this section and §§ 1.409A–2 through 1.409A–6, the definitions provided in paragraphs (b)(5)(vi)(A) through (G) of this section may be applied by analogy to the issuance of, exercise of, or payment upon the exercise of, a stock appreciation right.

(6) Restricted property, section 402(b) trusts, and section 403(c) annuities—(i) In general. If a service provider receives property from, or pursuant to, a plan maintained by a service recipient, there is no deferral of compensation merely because the value of the property is not includible in income by reason of the property being substantially nonvested (as defined in § 1.83–3(b)), or is includible in income solely due to a valid election under section 83(b). For purposes of this paragraph (b)(6)(i), a transfer of property includes the transfer of a beneficial interest in a trust or annuity plan, or a transfer to or from a trust or under an annuity plan, to the extent such a transfer is subject to section 83, section 402(b) or section 403(c). In addition, for purposes of this paragraph (b), a right to compensation income that will be required to be included in income under section 402(b)(4)(A) is not a deferral of compensation.

(ii) Promises to transfer property. A plan under which a service provider obtains a legally binding right to receive property in a future taxable year where the property will be substantially vested (as defined in § 1.83–3(b)) at the time

of transfer of the property may provide for the deferral of compensation and, accordingly, may constitute a nonqualified deferred compensation plan. A legally binding right to receive property in a future taxable year where the property will be substantially nonvested (as defined in § 1.83–3(b)) at the time of transfer of the property will not provide for the deferral of compensation and, accordingly, will not constitute a nonqualified deferred compensation plan unless offered in conjunction with another legally binding right that constitutes a deferral of compensation.

(7) Arrangements between partnerships and partners. [Reserved]

(8) Certain foreign plans—(i) Plans with respect to compensation covered by treaty or other international agreement. A plan in which a service provider participates does not provide for a deferral of compensation for purposes of this paragraph (b) to the extent that the compensation under the plan would have been excluded from gross income for Federal income tax purposes under the provisions of any bilateral income tax convention or other bilateral or multilateral agreement to which the United States is a party if the compensation had been paid to the service provider at the time that the legally binding right to the compensation first arose or, if later, the time that the legally binding right was no longer subject to a substantial risk of forfeiture.

(ii) Plans with respect to certain other compensation. A plan in which a service provider participates does not provide for a deferral of compensation for purposes of this paragraph (b) to the extent that compensation under the plan would not have been includible in gross income for Federal tax purposes if it had been paid to the service provider at the time that the legally binding right to the compensation first arose or, if later, the time that the legally binding right was no longer subject to a substantial risk of forfeiture, due to one of the following:

(A) The service provider was a nonresident alien at such time and the compensation would not have been includible in gross income under section 872.

(B) The service provider was a qualified individual (as defined in section 911(d)(1)) at such time, the compensation would have been foreign earned income within the meaning of section 911(b)(1) (without regard to section 911(b)(1)(B)(iv)) if paid at such time, and the amount of such compensation was equal to or less than the excess (if any) of the maximum exclusion amount under section 911(b)(2)(D) for such taxable year over the amount of foreign earned income actually excluded from gross income by such qualified individual for such taxable year under section 911(a)(1).

(C) The compensation would have been excludible from gross income under section 893.

(D) The compensation would have been excludible from gross income under section 931 or section 933.

(iii) Tax equalization agreements. A tax equalization agreement does not provide for a deferral of compensation if payments made under such tax equalization agreement are made no later than the end of the second taxable year of the service provider beginning after the taxable year of the service provider in which the service provider's U.S. Federal income tax return is required to be filed (including any extensions) for the year to which the compensation subject to the tax equalization payment relates, or, if later, the second taxable year of the service provider beginning after the latest such taxable year in which the service provider's foreign tax return or payment is required to be filed or made for the year to which the compensation subject to the tax equalization payment relates. Where such payments arise due to an audit, litigation or

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

similar proceeding, the right to the payments will not be treated as resulting in a deferral of compensation if the payments are scheduled and made in accordance with the provisions of § 1.409A–3(i)(1)(v) (timing of tax gross-up payments). For purposes of this paragraph (b)(8)(iii), the term tax equalization agreement refers to an agreement, method, program, or other arrangement that provides payments intended to compensate the service provider for some or all of the excess of the taxes actually imposed by a foreign jurisdiction on the compensation paid by the service recipient to the service provider over the taxes that would be imposed if the compensation were subject solely to United States Federal, state, and local income tax, or some or all of the excess of the United States Federal, state, and local income tax actually imposed on the compensation paid by the service to the service provider over the taxes that would be imposed if the compensation were subject solely to taxes in the foreign jurisdiction, provided that the payment made under such agreement, method, program, or other arrangement may not exceed such excess and the amount necessary to compensate for the additional taxes on the amount paid under the agreement, method, program, or other arrangement.

(iv) Certain limited deferrals of a nonresident alien. With respect to a nonresident alien, a foreign plan does not provide for a deferral of compensation if the amounts deferred under the foreign plan based upon services performed by the nonresident alien in the United States (including amounts deferred based upon service credits or compensation received due to services performed in the United States) do not exceed the applicable dollar amount under section 402(g)(1)(B) for the taxable year. If the amounts deferred under the foreign plan based upon the services performed by the nonresident alien in the United States exceed the applicable dollar amount, an amount of such deferrals equal to such amount is treated as not deferred under a nonqualified deferred compensation plan. For purposes of this paragraph (b)(8)(iv), the term foreign plan means a plan that, together with all substantially similar plans, is maintained by a service recipient for a substantial number of participants, substantially all of whom are nonresident aliens or resident aliens classified as resident aliens solely under section 7701(b)(1)(A)(ii) (and not section 7701(b)(1)(A)(i)).

(v) Additional foreign plans. A plan in which a service provider participates does not provide for a deferral of compensation for purposes of this paragraph (b) to the extent designated by the Commissioner in revenue procedures, notices, or other guidance published in the Internal Revenue Bulletin (see § 601.601(d)(2) of this chapter).

(vi) Earnings. Earnings on compensation excluded from the definition of deferral of compensation pursuant to this paragraph (b)(8) are also not treated as a deferral of compensation.

(9) Separation pay plans—(i) In general. A plan that otherwise provides for a deferral of compensation under this paragraph (b) does not fail to provide a deferral of compensation merely because the right to payment of the compensation is conditioned upon a separation from service. However, paragraphs (b)(9)(ii), (iii), (iv), and (v) of this section provide rules concerning the extent to which certain separation pay plans do not provide for the deferral of compensation. The exceptions contained in paragraphs (b)(9)(ii), (iii), (iv), and (v) of this section may be used in combination, such that compensation under a plan that would be excepted under one of those paragraphs may be treated as excepted under another of those paragraphs, so that other compensation under a plan may be treated as excepted under the first of such paragraphs. Notwithstanding any other provision of this paragraph (b)(9), any payment or benefit, or entitlement to a payment or benefit, that acts as a substitute for, or replacement of, amounts deferred by the service recipient under a separate nonqualified deferred compensation plan constitutes a payment or a deferral of compensation under the separate nonqualified deferred compensation plan, and does not constitute a payment or deferral of compensation under a separation pay plan. If a service provider receives a payment at separation from service and also has a legally binding right to an amount of deferred compensation that would be forfeited upon the separation from service, whether the payment acts as an acceleration of vesting and substitute payment for the amount of deferred compensation forfeited, or whether the deferred compensation is treated as forfeited and the amount paid is treated as a separate payment of current compensation, is determined based on the facts and circumstances, provided that, where the separation from service is voluntary, it is presumed that the payment

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

results from an acceleration of vesting followed by a payment of the deferred compensation that is subject to section 409A. Accordingly, any change in the payment schedule to accelerate or defer the payments would be subject to the rules of section 409A. The presumption that a right to a payment is not a new right, but is instead a right substituted for a pre-existing forfeited right, may be rebutted by demonstrating that the service provider would have obtained the right to the payment regardless of the forfeiture of the nonvested right. A factor indicating that the service provider would have obtained a right to a payment regardless of the forfeiture of the nonvested right is that the amount to which the service provider obtains a right is materially less than an amount equal to the present value of the forfeited amount multiplied by a fraction, the numerator of which is the period of service the service provider actually completed, and the denominator of which is the full period of service the service provider would have been required to complete to receive the full amount of the payment. For example, where a service provider is entitled to a future payment only if the service provider completes three years of service and at the time of termination the service provider has completed one year of service, the presumption could be rebutted if the payment to the service provider is materially less than the present value of one-third of the nonvested amount. Another such factor is that the payment to the service provider is of a type customarily made to service providers who separate from service with the service recipient and do not forfeit nonvested rights to deferred compensation (for example, a payment of accrued but unused leave or a payment for a release of actual or potential claims).

(ii) Collectively bargained separation pay plans. A separation pay plan does not provide for a deferral of compensation to the extent the plan is a collectively bargained separation pay plan that provides for separation pay only upon an involuntary separation from service or pursuant to a window program. Only the portion of the separation pay plan attributable to employees covered by a bona fide collective bargaining agreement is considered to be provided under a collectively bargained separation pay plan. A collectively bargained separation pay plan is a separation pay plan that meets the following conditions:

(A) The separation pay plan is contained within an agreement that the Secretary of Labor determines to be a collective bargaining agreement.

(B) The separation pay provided by the collective bargaining agreement was the subject of arm's length negotiations between employee representatives and one or more employers, and the agreement between employee representatives and one or more employers satisfies section 7701(a)(46).

(C) The circumstances surrounding the agreement evidence good faith bargaining between adverse parties over the separation pay to be provided under the agreement.

(iii) Separation pay due to involuntary separation from service or participation in a window program. A separation pay plan that is not described in paragraph (b)(9)(ii) of this section and that provides for separation pay only upon an involuntary separation from service (as defined in paragraph (n) of this section) or pursuant to a window program does not provide for a deferral of compensation to the extent that the separation pay, or portion of the separation pay, provided under the plan meets the following requirements:

(A) The separation pay (other than amounts described in paragraphs (b)(9)(iv) and (v) of this section) does not exceed two times the lesser of—

(1) The sum of the service provider's annualized compensation based upon the annual rate of pay for services provided to the service recipient for the taxable year of the service provider preceding the taxable year of the

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

service provider in which the service provider has a separation from service with such service recipient (adjusted for any increase during that year that was expected to continue indefinitely if the service provider had not separated from service); or

(2) The maximum amount that may be taken into account under a qualified plan pursuant to section 401(a)(17) for the year in which the service provider has a separation from service.

(B) The plan provides that the separation pay described in paragraph (b)(9)(iii)(A) of this section must be paid no later than the last day of the second taxable year of the service provider following the taxable year of the service provider in which occurs the separation from service.

(iv) Foreign separation pay plans. A separation pay plan (including a plan providing payments upon a voluntary separation from service) does not provide for deferred compensation to the extent the plan provides for amounts of separation pay required to be provided under the applicable law of a foreign jurisdiction. For this purpose, a provision of foreign law shall be considered applicable only to foreign earned income (as defined under section 911(b)(1) without regard to section 911(b)(1)(B)(iv) and without regard to the requirement that the income be attributable to services performed during the period described in section 911(d)(1)(A) or (B)) from sources within the foreign country that promulgated such law.

(v) Reimbursements and certain other separation payments—(A) In general. To the extent a separation pay plan (including a plan providing payments upon a voluntary separation from service) entitles a service provider to payment by the service recipient of reimbursements that are not otherwise excludible from gross income for expenses that the service provider could otherwise deduct under section 162 or section 167 as business expenses incurred in connection with the performance of services (ignoring any applicable limitation based on adjusted gross income), or of reasonable outplacement expenses and reasonable moving expenses actually incurred by the service provider and directly related to the termination of services for the service recipient, such plan does not provide for a deferral of compensation to the extent such rights apply during a limited period of time (regardless of whether such rights extend beyond the limited period of time). For purposes of this paragraph (b)(9)(v)(A), the reimbursement of reasonable moving expenses includes the reimbursement of all or part of any loss the service provider actually incurs due to the sale of a primary residence in connection with a separation from service.

(B) Medical benefits. To the extent a separation pay plan (including a plan providing payments due to a voluntary separation from service) entitles a service provider to reimbursement by the service recipient of payments of medical expenses incurred and paid by the service provider but not reimbursed by a person other than the service recipient and allowable as a deduction under section 213 (disregarding the requirement of section 213(a) that the deduction is available only to the extent that such expenses exceed 7.5 percent of adjusted gross income), such plan does not provide for a deferral of compensation to the extent such rights apply during the period of time during which the service provider would be entitled (or would, but for such plan, be entitled) to continuation coverage under a group health plan of the service recipient under section 4980B (COBRA) if the service provider elected such coverage and paid the applicable premiums.

(C) In-kind benefits and direct service recipient payments. A service provider's entitlement to in-kind benefits from the service recipient, or a payment by the service recipient directly to the person providing the goods or services to the service provider, is treated as not providing for a deferral of compensation for purposes of this paragraph (b), if

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

a right to reimbursement by the service recipient for a payment for such benefits, goods, or services by the service provider would not be treated as providing for a deferral of compensation under this paragraph (b)(9)(v).

(D) Limited payments. If not otherwise excluded, a taxpayer may treat a right or rights under a separation pay plan to a payment or payments as not providing for a deferral of compensation to the extent such payments in the aggregate do not exceed the applicable dollar amount under section 402(g)(1)(B) for the year of the separation from service.

(E) Limited period of time. For purposes of paragraphs (b)(9)(v)(A) and (C) of this section, a limited period of time in which expenses may be incurred, or in which in-kind benefits may be provided by the service recipient or a third party that the service recipient will pay, does not include periods beyond the last day of the second taxable year of the service provider following the taxable year of the service provider in which the separation from service occurred, provided that the period during which the reimbursements for such expenses must be paid may not extend beyond the third taxable year of the service provider following the taxable year of the service provider in which the separation from service occurred.

(vi) Window programs—definition. The term window program refers to a program established by a service recipient in connection with an impending separation from service to provide separation pay, where such program is made available by the service recipient for a limited period of time (no longer than 12 months) to service providers who separate from service during that period or to service providers who separate from service during that period under specified circumstances. A program will not be considered a window program if a service recipient establishes a pattern of repeatedly providing for similar separation pay in similar situations for substantially consecutive, limited periods of time. Whether the recurrence of these programs constitutes a pattern is determined based on the facts and circumstances. Although no one factor is determinative, relevant factors include whether the benefits are on account of a specific business event or condition, the degree to which the separation pay relates to the event or condition, and whether the event or condition is temporary or discrete or is a permanent aspect of the employer's business.

(10) Certain indemnification and liability insurance plans. A plan in which a service provider participates does not provide for a deferral of compensation for purposes of this paragraph (b) to the extent that the plan provides (to the extent permissible under applicable law), for the indemnification of, or the purchase of an insurance policy providing for payments of, all or part of the expenses incurred or damages paid or payable by a service provider with respect to a bona fide claim against the service provider or service recipient, including amounts paid or payable by the service provider upon the settlement of a bona fide claim against the service provider or service recipient, where such claim is based on actions or failures to act by the service provider in his or her capacity as a service provider of the service recipient.

(11) Legal settlements. An agreement to which a service provider is a party does not provide for a deferral of compensation for purposes of this paragraph (b) to the extent that the agreement provides for amounts paid as settlements or awards resolving bona fide legal claims based on wrongful termination, employment discrimination, the Fair Labor Standards Act, or worker's compensation statutes, including claims under applicable Federal, state, local, or foreign laws, or for reimbursements or payments of reasonable attorneys fees or other reasonable expenses incurred by the service provider related to such bona fide legal claims, regardless of whether such settlements, awards, or reimbursement or payment of expenses pursuant to such claims are treated as compensation or wages for Federal tax purposes. Whether the execution of a waiver of any or all of such types of claims indicates that the amounts are paid as an award or settlement of an actual bona fide claim for damages under applicable law is determined based on the facts and circumstances. This paragraph (b)(11) does not apply to any deferred amounts that did not arise as a result of an actual bona fide claim for damages under applicable law, such as amounts that would have been deferred or paid regardless of the existence of such claim, even if such amounts are paid or modified as part of a settlement or award resolving an actual bona fide claim. For this purpose,

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

a provision of foreign law shall be considered applicable only to foreign earned income (as defined under section 911(b)(1) without regard to section 911(b)(1)(B)(iv) and without regard to the requirement that the income be attributable to services performed during the period described in section 911(d)(1)(A) or (B)) from sources within the foreign country that promulgated such law.

(12) Certain educational benefits. A plan in which a service provider participates does not provide for a deferral of compensation to the extent the plan provides for taxable educational benefits. For purposes of this paragraph (b)(12), the term educational benefits refers solely to benefits provided to a service provider, consisting solely of educational assistance for the education of the service provider, as defined in section 127(c) and the accompanying regulations, and does not refer to any benefits provided for the education of any other person, including any spouse, child, or other family member of the service provider.

(c) Plan—(1) In general. The term plan includes any agreement, method, program, or other arrangement, including an agreement, method, program, or other arrangement that applies to one person or individual. A plan may be adopted unilaterally by the service recipient or may be negotiated or agreed to by the service recipient and one or more service providers or service provider representatives. An agreement, method, program, or other arrangement may constitute a plan regardless of whether it is an employee benefit plan under section 3(3) of ERISA, as amended (29 U.S.C. 1002(3)). The requirements of section 409A are applied as if a separate plan or plans is maintained for each service provider. For purposes of determining the terms of a plan, general provisions of the plan that purport to nullify noncompliant plan terms, or to supply any specific plan terms required by this section, § 1.409A–2 or § 1.409A–3, are disregarded.

(2) Plan aggregation rules—(i) In general. Except as otherwise provided, the following rules apply with respect to the application of this section and §§ 1.409A–2 through 1.409A–6 to deferrals of compensation with respect to a service provider:

(A) All deferrals of compensation at the election of that service provider under all plans of the service recipient that are account balance plans, except to the extent that the plan is described in paragraph (c)(2)(i)(D), (E), (F), (G), or (H) of this section, are treated as deferred under a single plan. For purposes of this paragraph, the term account balance plan means—

(1) An agreement, method, program, or other arrangement that is an account balance plan as defined in § 31.3121(v)(2)–1(c)(1)(ii)(A) of this chapter, including mandatorily bifurcating the agreement, method, program, or other arrangement in accordance with the rules provided in § 31.3121(v)–1(c)(1)(iii)(B) [1] of this chapter; or

(2) An agreement, method, program, or other arrangement that would be described in paragraph (c)(2)(i)(A)(1) of this section if the service provider were an employee.

(B) All deferrals of compensation other than at the election of that service provider, including deferrals reflecting matching by the service recipient with respect to amounts a service provider elects to defer, under all plans of the service recipient that are account balance plans, except to the extent the plan is described in paragraph (c)(2)(i)(D), (E), (F), (G), or (H) of this section, are treated as deferred under a single plan. For purposes of this paragraph (c)(2)(i)(B), the term "account balance plan" has the same meaning as provided in paragraph (c)(2)(i)(A) of this section.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(C) All deferrals of compensation with respect to that service provider under all plans of the service recipient that are nonaccount balance plans, except to the extent such plan is described in paragraph (c)(2)(i)(D), (E), (F), (G), or (H) of this section, are treated as deferred under a single plan. For purposes of this paragraph (c)(2)(i)(C), the term nonaccount balance plan means—

(1) An agreement, method, program, or other arrangement that is a nonaccount balance plan as defined in § 31.3121(v)(2)–1(c)(2)(i) of this chapter, including mandatorily bifurcating the agreement, method, program, or other arrangement in accordance with the rules provided in § 31.3121(v)–1(c)(1)(iii)(B) [1] of this chapter; or

(2) An agreement, method, program, or other arrangement that would be described in paragraph (c)(2)(i)(C)(1) of this section if the service provider were an employee.

(D) All deferrals of compensation with respect to that service provider under all separation pay plans (as defined in paragraph (m) of this section) of the service recipient to the extent an amount deferred under the plans is not described in paragraph (c)(2)(i)(E) of this section and is payable solely upon an involuntary separation from service within the meaning of paragraph (n) of this section or as a result of participation in a window program, are treated as deferred under a single plan.

(E) All deferrals of compensation with respect to that service provider under all plans of the service recipient to the extent such amounts deferred consist of rights to in-kind benefits or reimbursements of expenses, such as membership fees, or expenses related to aircraft or vehicle usage, to the extent that the right to the in-kind benefit or reimbursement, separately or in the aggregate, does not constitute a substantial portion of either the overall compensation earned by the service provider for performing services for the service recipient or the overall compensation received due to a separation from service, are treated as deferred under a single plan.

(F) All deferrals of compensation with respect to that service provider under all plans of the service recipient to the extent that the taxation of such compensation is governed by § 1.61–22 or § 1.7872–15 (split-dollar life insurance arrangements), or the taxation of such compensation would be governed by § 1.61–22 or § 1.7872–15 but for the operation of § 1.61–22(j) (effective date provisions), are treated as deferred under a single plan.

(G) All deferrals of compensation with respect to that service provider under all agreements, methods, programs, or other arrangements of the service recipient to the extent the deferrals under the agreements, methods, programs, or other arrangements are deferrals of amounts that would be treated as modified foreign earned income (meaning foreign earned income as defined under section 911(b)(1) without regard to section 911(b)(1)(B)(iv) and without regard to the requirement that the income be attributable to services performed during the period described in section 911(d)(1)(A) or (B)) if paid to the service provider at the time the amount is first deferred, and provided further that substantially all the participants in such agreements, methods, programs, or other arrangements and any substantially similar agreements, methods, programs, or other arrangements are nonresident aliens and that the service provider does not participate in a substantially identical agreement, method, program, or other arrangement that does not meet the requirements of this paragraph (c)(2)(i)(G) (a domestic arrangement), are treated as deferred under a single plan.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(H) All deferrals of compensation with respect to that service provider under all plans of the service recipient to the extent such plans are stock rights (as defined in paragraph (l) of this section) subject to section 409A, are treated as deferred under a single plan.

(I) All deferrals of compensation with respect to that service provider under all plans of the service recipient to the extent such plans are not described in paragraph (c)(2)(i)(A), (B), (C), (D), (E), (F), (G), or (H) of this section are treated as deferred under a single plan.

(ii) Dual status. Agreements, methods, programs, and other arrangements in which a service provider participates are not aggregated with other agreements, methods, programs, and other arrangements to the extent the service provider participates in one set of agreements, methods, programs, and other arrangements due to status as an employee of the service recipient (employee arrangements) and another set of agreements, methods, programs, and other arrangements due to status as an independent contractor of the service recipient (independent contractor arrangements). For example, where a service provider deferred amounts under an independent contractor arrangement while providing services as an independent contractor, and then becomes eligible for and defers amounts under a separate employee arrangement after being hired as an employee, the two arrangements will not be aggregated for purposes of this paragraph (c)(2). Where an employee also is a member of the board of directors of the service recipient (or a similar position with respect to a non-corporate service recipient), the arrangements under which the employee participates as a director (director arrangements) are not aggregated with employee arrangements, provided that the director arrangements are substantially similar to arrangements provided to service providers providing services only as directors (or similar positions with respect to non-corporate service recipients). For example, an employee director who participates in an employee arrangement and a director arrangement generally may treat the two arrangements as separate plans, provided that the director arrangement is substantially similar to arrangements providing benefits to non-employee directors. To the extent a plan in which an employee director participates is not substantially similar to arrangements in which non-employee directors participate, such plan is treated as an employee plan for purposes of this paragraph (c)(2). Director plans and independent contractor plans are aggregated for purposes of this paragraph (c)(2).

(3) Establishment of plan—(i) In general. A plan does not satisfy the requirements of section 409A and this section and §§ 1.409A–2 through 1.409A–3 and §§ 1.409A–5 through 1.409A–6, unless the plan is established and maintained by a service recipient in accordance with the requirements of this section, §§ 1.409A–2 through 1.409A–3 and §§ 1.409A–5 through 1.409A–6. For purposes of this paragraph (c)(3), a plan is established on the latest of the date on which it is adopted, the date on which it is effective, and the date on which the material terms of the plan are set forth in writing. The material terms of the plan may be set forth in writing in one or more documents. For purposes of this paragraph (c)(3)(i), a plan will be deemed to be set forth in writing if it is set forth in any other form that is approved by the Commissioner. The material terms of the plan include the amount (or the method or formula for determining the amount) of deferred compensation to be provided under the plan and the time and form of payment. Notwithstanding the foregoing, a plan will be deemed to be established as of the date the participant obtains a legally binding right to a deferral of compensation, provided that the plan is otherwise established under the rules of this paragraph (c)(3)(i) by the end of the taxable year of the service provider in which the legally binding right arises, or with respect to an amount not payable in the year immediately following the taxable year of the service provider in which the legally binding right arises (the subsequent year), the 15th day of the third month of the subsequent year.

(ii) Initial deferral election provisions. If a plan provides a service provider or a service recipient with an initial deferral election, the plan satisfies the requirements of this paragraph (c)(3) if the plan sets forth in writing, on or before the date the applicable election is required to be irrevocable to satisfy the requirements of § 1.409A–2(a), the conditions under which such election may be made.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(iii) Subsequent deferral election provisions. If a plan permits a subsequent deferral election described in § 1.409A–2(b), the plan satisfies the requirements of this paragraph (c)(3) if the plan sets forth in writing, on or before the date the election is required to be irrevocable to meet the requirements of § 1.409A–2(b), the conditions under which such election may be made.

(iv) Payment accelerations. Except as explicitly provided in § 1.409A–3, a plan is not required to set forth in writing the conditions under which a payment may be accelerated if such acceleration is permitted under § 1.409A–3(j)(4).

(v) Six-month delay for specified employees. A plan must provide that distributions to a specified employee may not be made before the date that is six months after the date of separation from service or, if earlier, the date of death (the six-month delay rule). The six-month delay rule, required for payments due to the separation from service of a specified employee, must be written in the plan. A plan does not fail to be established and maintained merely because it does not contain the six-month delay rule when the service provider who has a right to compensation deferred under such plan is not a specified employee. However, such provision must be set forth in writing on or before the date such service provider first becomes a specified employee. In general, this means the provision must be set forth in writing on or before the specified employee effective date (as defined in paragraph (i)(3) of this section) for the first list of specified employees that includes such service provider.

(vi) Plan amendments. In the case of an amendment that increases the amount deferred under a nonqualified deferred compensation plan, the plan is not considered established with respect to the additional amount deferred until the plan, as amended, is established in accordance with paragraph (c)(3)(i) of this section.

(vii) Transition rule for written plan requirement. For purposes of this paragraph (c)(3), a legally enforceable unwritten plan that was adopted and effective before December 31, 2007, is treated as established under this section as of the later of the date on which it was adopted or became effective, provided that the material terms of the plan are set forth in writing on or before December 31, 2007.

(viii) Plan aggregation rules. The plan aggregation rules of paragraph (c)(2)(i) of this section do not apply to the written plan requirements of this paragraph (c)(3). Accordingly, deferrals of compensation under an agreement, method, program, or other arrangement that fails to meet the requirements of section 409A solely due to a failure to meet the written plan requirements of this paragraph (c)(3) are not aggregated with deferrals of compensation under other agreements, methods, programs, or other arrangements that meet such requirements.

(d) Substantial risk of forfeiture—(1) In general. Compensation is subject to a substantial risk of forfeiture if entitlement to the amount is conditioned on the performance of substantial future services by any person or the occurrence of a condition related to a purpose of the compensation, and the possibility of forfeiture is substantial. For purposes of this paragraph (d), a condition related to a purpose of the compensation must relate to the service provider's performance for the service recipient or the service recipient's business activities or organizational goals (for example, the attainment of a prescribed level of earnings or equity value or completion of an initial public offering). For purposes of this paragraph (d), if a service provider's entitlement to the amount is conditioned on the occurrence of the service provider's involuntary separation from service without cause, the right is subject to a substantial risk of forfeiture if the possibility of forfeiture is substantial. An amount is not subject to a substantial risk of forfeiture merely because the right to the amount is conditioned, directly or indirectly, upon the refraining from the performance of services. Except as provided with respect to certain transaction-based compensation under § 1.409A–

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

3(i)(5)(iv), the addition of any risk of forfeiture after the legally binding right to the compensation arises, or any extension of a period during which compensation is subject to a risk of forfeiture, is disregarded for purposes of determining whether such compensation is subject to a substantial risk of forfeiture. An amount will not be considered subject to a substantial risk of forfeiture beyond the date or time at which the recipient otherwise could have elected to receive the amount of compensation, unless the present value of the amount subject to a substantial risk of forfeiture (disregarding, in determining the present value, the risk of forfeiture) is materially greater than the present value of the amount the recipient otherwise could have elected to receive absent such risk of forfeiture. For this purpose, compensation that the service provider would receive for continuing to perform services regardless of whether the service provider elected to receive the amount that is subject to a substantial risk of forfeiture is not taken into account in determining whether the present value of the right to the amount subject to a substantial risk of forfeiture is materially greater than the amount the recipient otherwise could have elected to receive absent such risk of forfeiture. For example, a salary deferral generally may not be made subject to a substantial risk of forfeiture. But, for example, where a bonus plan provides an election between a cash payment or restricted stock units with a present value that is materially greater (disregarding the risk of forfeiture) than the present value of such cash payment and that will be forfeited absent continued services for a period of years, the right to the restricted stock units generally will be treated as subject to a substantial risk of forfeiture.

(2) Stock rights. A stock right is not subject to a substantial risk of forfeiture at the earlier of the first date the holder may exercise the stock right and receive cash or property that is substantially vested (as defined in § 1.83–3(b)) or the first date that the stock right is not subject to a forfeiture condition that would constitute a substantial risk of forfeiture. Accordingly, a stock option that the service provider may exercise immediately and receive substantially vested stock is not subject to a substantial risk of forfeiture, even if the stock option automatically terminates upon the service provider's separation from service.

(3) Enforcement of forfeiture condition—(i) In general. In determining whether the possibility of forfeiture is substantial in the case of rights to compensation granted by a service recipient to a service provider that owns a significant amount of the total combined voting power or value of all classes of equity of the service recipient (where the service provider's ownership is determined with application of the attribution rules under section 318 if the service recipient is a corporation, or if the service recipient is an entity that is not a corporation, with application by analogy of the attribution rules under section 318), all relevant facts and circumstances will be taken into account in determining whether the probability of the service recipient enforcing such condition is substantial, including—

(A) The service provider's relationship to other equity holders and the extent of their control, potential control and possible loss of control of the service recipient;

(B) The position of the service provider in the service recipient and the extent to which the service provider is subordinate to other service providers;

(C) The service provider's relationship to the officers and directors of the service recipient (or similar positions with respect to a noncorporate service recipient);

(D) The person or persons who must approve the service provider's discharge; and

(E) Past actions of the service recipient in enforcing the restrictions.

(ii) Examples. The following examples illustrate the rules of paragraph (d)(3)(i) of this section:

Example 1. A service provider would be considered as having deferred compensation subject to a substantial risk of forfeiture, but for the fact that the service provider owns 20 percent of the single class of stock in the transferor corporation. If the remaining 80 percent of the class of stock is owned by an unrelated individual (or members of such an individual's family) so that the possibility of the corporation enforcing a restriction on such rights is substantial, then such rights are subject to a substantial risk of forfeiture.

Example 2. A service provider would be considered as having deferred compensation subject to a substantial risk of forfeiture, but for the fact that the service provider, who is president of the corporation, also owns 4 percent of the voting power of all the stock of a corporation. If the remaining stock is so diversely held by the public that the president, in effect, controls the corporation, then the possibility of the corporation enforcing a restriction on the right to deferred compensation of the president is not substantial, and such rights are not subject to a substantial risk of forfeiture.

(e) Performance-based compensation—(1) In general. The term performance-based compensation means compensation the amount of which, or the entitlement to which, is contingent on the satisfaction of preestablished organizational or individual performance criteria relating to a performance period of at least 12 consecutive months. Organizational or individual performance criteria are considered preestablished if established in writing by not later than 90 days after the commencement of the period of service to which the criteria relates, provided that the outcome is substantially uncertain at the time the criteria are established. Performance-based compensation may include payments based on performance criteria that are not approved by a compensation committee of the board of directors (or similar entity in the case of a non-corporate service recipient) or by the stockholders or members of the service recipient. Performance-based compensation does not include any amount or portion of any amount that will be paid either regardless of performance, or based upon a level of performance that is substantially certain to be met at the time the criteria is established. In addition, except as provided in paragraph (e)(3) of this section, compensation is not performance-based compensation merely because the amount of such compensation is determined by reference to the value of the service recipient or the stock of the service recipient. Where a portion of an amount of compensation would qualify as performance-based compensation if the portion were the sole amount available under the plan, that portion of the award will not fail to qualify as performance-based compensation if that portion is designated separately or otherwise separately identifiable under the terms of the plan, and the amount of each portion is determined independently of the other. Compensation may be performance-based compensation where the amount will be paid regardless of satisfaction of the performance criteria due to the service provider's death, disability, or a change in control event (as defined in § 1.409A–3(i)(5)(i)), provided that a payment made under such circumstances without regard to the satisfaction of the performance criteria will not constitute performance-based compensation. For purposes of this paragraph (e)(1), a disability refers to any medically determinable physical or mental impairment resulting in the service provider's inability to perform the duties of his or her position or any substantially similar position, where such impairment can be expected to result in death or can be expected to last for a continuous period of not less than six months.

(2) Payments based upon subjective performance criteria. The term performance-based compensation includes payments based upon subjective performance criteria, provided that—

(i) The subjective performance criteria are bona fide and relate to the performance of the participant service provider, a group of service providers that includes the participant service provider, or a business unit for which the participant service provider provides services (which may include the entire organization); and

(ii) The determination that any subjective performance criteria have been met is not made by the participant service provider or a family member of the participant service provider (as defined in section 267(c)(4) applied as if the family of an

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

individual includes the spouse of any member of the family), or a person under the effective control of the participant service provider or such a family member, and no amount of the compensation of the person making such determination is effectively controlled in whole or in part by the service provider or such a family member.

(3) Equity-based compensation. Compensation is performance-based compensation if it is based solely on an increase in the value of the service recipient, or a share of stock in the service recipient, after the date of a grant or award. However, compensation payable for a service period that is equal to the value of a predetermined number of shares of stock, and is variable only to the extent that the value of such shares appreciates or depreciates, generally will not be performance-based compensation. Notwithstanding the foregoing, the attainment of a prescribed value for the service recipient (or a portion thereof), or a share of stock in the service recipient, may be used as a preestablished organizational criterion for purposes of providing performance-based compensation, provided that the other requirements of paragraph (e)(1) of this section are satisfied. In addition, an award of equity-based compensation may constitute performance-based compensation if entitlement to the compensation is subject to a condition that would cause the award to otherwise qualify as performance-based compensation, such as a performance-based vesting condition. A provision that allows a service provider to defer compensation that would be realized upon the exercise of a stock right generally constitutes an additional deferral feature for purposes of the definition of a deferral of compensation under paragraph (b)(5) of this section.

(f) Service provider—(1) In general. The term service provider includes an individual, corporation, subchapter S corporation, partnership, personal service corporation (as defined in section 269A(b)(1)), noncorporate entity that would be a personal service corporation if it were a corporation, qualified personal service corporation (as defined in section 448(d)(2)), and noncorporate entity that would be a qualified personal service corporation if it were a corporation, for any taxable year in which such individual, corporation, subchapter S corporation, partnership, or other entity accounts for gross income from the performance of services under the cash receipts and disbursements method of accounting. The term service provider generally includes a person who has separated from service (a former service provider).

(2) Independent contractors—(i) In general. Except as otherwise provided in paragraph (f)(2)(iv) of this section, section 409A does not apply to an amount deferred under a plan between a service provider and service recipient with respect to a particular trade or business in which the service provider participates, including earnings credited to such deferred amount, if during the service provider's taxable year in which the service provider obtains a legally binding right to the payment of the amount deferred each of the following applies:

(A) The service provider is actively engaged in the trade or business of providing services, other than as an employee or as a member of the board of directors of a corporation (or similar position with respect to an entity that is not a corporation).

(B) The service provider provides significant services to two or more service recipients to which the service provider is not related and that are not related to one another (as defined in paragraph (f)(2)(ii) of this section).

(C) The service provider is not related to the service recipient, applying the definition of related person contained in paragraph (f)(2)(ii) of this section subject to the modification that the language “20 percent” is not used instead of “50 percent” each place “50 percent” appears in sections 267(b) and 707(b)(1).

(ii) Related person. For purposes of this paragraph (f)(2), a person is related to another person if the persons bear a relationship to each other that is specified in section 267(b) or 707(b)(1), subject to the modifications that the language

"20 percent" is used instead of "50 percent" each place it appears in sections 267(b) and 707(b)(1), and section 267(c)(4) is applied as if the family of an individual includes the spouse of any member of the family; or the persons are engaged in trades or businesses under common control (within the meaning of section 52(a) and (b)). In addition, an individual is related to an entity if the individual is an officer of an entity that is a corporation, or holds a position substantially similar to an officer of a corporation with an entity that is not a corporation.

(iii) Significant services. Whether a service provider is providing significant services depends on the facts and circumstances of each case. However, for purposes of paragraph (f)(2)(i) of this section, a service provider who provides services to two or more service recipients to which the service provider is not related and that are not related to one another is deemed to be providing significant services to two or more of such service recipients for a given taxable year, if the revenues generated from the services provided to any service recipient or group of related service recipients during such taxable year do not exceed 70 percent of the total revenue generated by the service provider from the trade or business of providing such services. In addition, in the case of a service provider who has been providing services in a trade or business for a period of not less than three consecutive years, for purposes of paragraph (f)(2)(i) of this section, a service provider who provides services to two or more service recipients to which the service provider is not related and that are not related to one another is deemed to be providing significant services to two or more of such service recipients for a given taxable year if in each of the prior three taxable years the revenues generated from the services provided to any service recipient or group of related service recipients during such prior taxable years did not exceed 70 percent of the total revenue generated by the service provider from the trade or business of providing such services and, at the time an amount is deferred, the service provider does not know or have reason to anticipate that the revenues generated from the services provided to any service recipient or group of related service recipients during the current year will exceed 70 percent of the total revenue generated by the service provider from the trade or business of providing such services.

(iv) Management services. This paragraph (f)(2) does not apply to a service provider to the extent the service provider provides management services to a service recipient. For purposes of this paragraph (f)(2)(iv), the term management services means services that involve the actual or de facto direction or control of the financial or operational aspects of a trade or business of the service recipient, or investment management or advisory services provided to a service recipient whose primary trade or business includes the investment of financial assets (including investments in real estate), such as a hedge fund or a real estate investment trust.

(v) Services provided to related persons. Section 409A does not apply to an amount deferred under a plan that is a bona fide agreement, method, program, or other arrangement between a service provider and a related service recipient arising in the ordinary course of a particular trade or business in which the service provider is engaged to the extent that—

(A) The service provider provides services to the service recipient as an independent contractor;

(B) During the service provider's taxable year in which the amount is deferred, the service provider qualifies for the safe harbor provided in paragraph (f)(2)(iii) of this section with respect to such trade or business; and

(C) Such agreement, method, program, or other arrangement and the practices thereunder (including billing and collection practices), are substantially similar to the agreements, methods, programs, or other arrangements and practices applicable to one or more unrelated service recipients to whom the service provider provides substantial services and that produce a majority of the total revenue that the service provider earns from the trade or business of providing such services during the taxable year.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(g) Service recipient. Except as otherwise specifically provided in these regulations, the term service recipient means the person for whom the services are performed and with respect to whom the legally binding right to compensation arises, and all persons with whom such person would be considered a single employer under section 414(b) (employees of controlled group of corporations), and all persons with whom such person would be considered a single employer under section 414(c) (employees of partnerships, proprietorships, etc., under common control). For example, if the service provider is an employee, the service recipient generally is the employer (including all persons treated as a single employer under section 414(b) or (c)). Notwithstanding the foregoing, section 409A applies to a plan that provides for the deferral of compensation, even if the payment of the compensation is not made by the person for whom services are performed.

(h) Separation from service—(1) Employees—(i) In general. An employee separates from service with the employer if the employee dies, retires, or otherwise has a termination of employment with the employer. However, for purposes of this paragraph (h)(1), the employment relationship is treated as continuing intact while the individual is on military leave, sick leave, or other bona fide leave of absence if the period of such leave does not exceed six months, or if longer, so long as the individual retains a right to reemployment with the service recipient under an applicable statute or by contract. For purposes of this paragraph (h)(1), a leave of absence constitutes a bona fide leave of absence only if there is a reasonable expectation that the employee will return to perform services for the employer. If the period of leave exceeds six months and the individual does not retain a right to reemployment under an applicable statute or by contract, the employment relationship is deemed to terminate on the first date immediately following such six-month period. Notwithstanding the foregoing, where a leave of absence is due to any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, where such impairment causes the employee to be unable to perform the duties of his or her position of employment or any substantially similar position of employment, a 29–month period of absence may be substituted for such six-month period.

(ii) Termination of employment. Whether a termination of employment has occurred is determined based on whether the facts and circumstances indicate that the employer and employee reasonably anticipated that no further services would be performed after a certain date or that the level of bona fide services the employee would perform after such date (whether as an employee or as an independent contractor) would permanently decrease to no more than 20 percent of the average level of bona fide services performed (whether as an employee or an independent contractor) over the immediately preceding 36–month period (or the full period of services to the employer if the employee has been providing services to the employer less than 36 months). Facts and circumstances to be considered in making this determination include, but are not limited to, whether the employee continues to be treated as an employee for other purposes (such as continuation of salary and participation in employee benefit programs), whether similarly situated service providers have been treated consistently, and whether the employee is permitted, and realistically available, to perform services for other service recipients in the same line of business. An employee is presumed to have separated from service where the level of bona fide services performed decreases to a level equal to 20 percent or less of the average level of services performed by the employee during the immediately preceding 36–month period. An employee will be presumed not to have separated from service where the level of bona fide services performed continues at a level that is 50 percent or more of the average level of service performed by the employee during the immediately preceding 36–month period. No presumption applies to a decrease in the level of bona fide services performed to a level that is more than 20 percent and less than 50 percent of the average level of bona fide services performed during the immediately preceding 36–month period. The presumption is rebuttable by demonstrating that the employer and the employee reasonably anticipated that as of a certain date the level of bona fide services would be reduced permanently to a level less than or equal to 20 percent of the average level of bona fide services provided during the immediately preceding 36–month period or full period of services provided to the employer if the employee has been providing services to the service recipient for a period of less than 36 months (or that the level of bona fide services would not be so reduced). For example, an employee may demonstrate that the employer and employee reasonably anticipated that the employee would cease providing services, but that, after the original cessation of services, business circumstances such as termination of the employee's replacement caused the employee to return to employment.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

Although the employee's return to employment may cause the employee to be presumed to have continued in employment because the employee is providing services at a rate equal to the rate at which the employee was providing services before the termination of employment, the facts and circumstances in this case would demonstrate that at the time the employee originally ceased to provide services, the employee and the service recipient reasonably anticipated that the employee would not provide services in the future. Notwithstanding the foregoing provisions of this paragraph (h)(1)(ii), a plan may treat another level of reasonably anticipated permanent reduction in the level of bona fide services as a separation from service, provided that the level of reduction required must be designated in writing as a specific percentage, and the reasonably anticipated reduced level of bona fide services must be greater than 20 percent but less that 50 percent of the average level of bona fide services provided in the immediately preceding 36 months. The plan must specify the definition of separation from service on or before the date on which a separation from service is designated as a time of payment of the applicable amount deferred, and once designated, any change to the definition of separation from service with respect to such amount deferred will be subject to the rules regarding subsequent deferrals and the acceleration of payments. For purposes of this paragraph (h)(1)(ii), for periods during which an employee is on a paid bona fide leave of absence (as defined in paragraph (h)(1)(i) of this section) and has not otherwise terminated employment pursuant to paragraph (h)(1)(i) of this section, the employee is treated as providing bona fide services at a level equal to the level of services that the employee would have been required to perform to receive the compensation paid with respect to such leave of absence. Periods during which an employee is on an unpaid bona fide leave of absence (as defined in paragraph (h)(1)(i) of this section) and has not otherwise terminated employment pursuant to paragraph (h)(1)(i) of this section, are disregarded for purposes of this paragraph (h)(1)(ii) (including for purposes of determining the applicable 36–month (or shorter) period).

(2) Independent contractors—(i) In general. An independent contractor is considered to have a separation from service with the service recipient upon the expiration of the contract (or in the case of more than one contract, all contracts) under which services are performed for the service recipient if the expiration constitutes a good-faith and complete termination of the contractual relationship. An expiration does not constitute a good faith and complete termination of the contractual relationship if the service recipient anticipates a renewal of a contractual relationship or the independent contractor becoming an employee. For this purpose, a service recipient is considered to anticipate the renewal of the contractual relationship with an independent contractor if it intends to contract again for the services provided under the expired contract, and neither the service recipient nor the independent contractor has eliminated the independent contractor as a possible provider of services under any such new contract. Further, a service recipient is considered to intend to contract again for the services provided under an expired contract if the service recipient's doing so is conditioned only upon incurring a need for the services, the availability of funds, or both.

(ii) Special rule. Notwithstanding paragraph (h)(2)(i) of this section, a plan is considered to satisfy the requirement described in § 1.409A–3(a)(1) with respect to an amount payable upon a separation from service if, with respect to amounts payable to a service provider who is an independent contractor, the plan provides that—

(A) No amount will be paid to the service provider before a date at least 12 months after the day on which the contract expires under which the service provider performs services for the service recipient (or, in the case of more than one contract, all such contracts expire); and

(B) No amount payable to the service provider on that date will be paid to the service provider if, after the expiration of the contract (or contracts) and before that date, the service provider performs services for the service recipient as an independent contractor or an employee.

(3) Definition of service recipient and employer. For purposes of this paragraph (h), the term service recipient or employer means the service recipient as defined in paragraph (g) of this section, provided that in applying section 1563(a)(1), (2), and

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(3) for purposes of determining a controlled group of corporations under section 414(b), the language "at least 50 percent" is used instead of "at least 80 percent" each place it appears in section 1563(a)(1), (2), and (3), and in applying § 1.414(c)–2 for purposes of determining trades or businesses (whether or not incorporated) that are under common control for purposes of section 414(c), "at least 50 percent" is used instead of "at least 80 percent" each place it appears in § 1.414(c)–2. A plan may provide with respect to a deferral of compensation under the plan that in applying sections 1563(a)(1), (2), and (3) for purposes of determining a controlled group of corporations under section 414(b), another defined percentage greater than 50 percent, but not greater than 80 percent, is used instead of "at least 80 percent" at each place it appears in sections 1563(a)(1), (2), and (3), and in applying § 1.414(c)–2 for purposes of determining trades or businesses (whether or not incorporated) that are under common control for purposes of section 414(c), another defined percentage greater than 50 percent, but not greater than 80 percent, is used instead of "at least 80 percent" at each place it appears in § 1.414(c)–2. In addition, where the use of such definition of service recipient for purposes of determining a separation from service is based upon legitimate business criteria, the plan may provide that for purposes of a deferral of compensation under the plan that in applying sections 1563(a)(1), (2), and (3) for purposes of determining a controlled group of corporations under section 414(b), the language "at least 20 percent" or another defined percentage not less than 20 percent but not greater than 50 percent is used instead of "at least 80 percent" at each place it appears in sections 1563(a)(1), (2), and (3), and in applying § 1.414(c)–2 for purposes of determining trades or businesses (whether or not incorporated) that are under common control for purposes of section 414(c), the language "at least 20 percent" or another defined percentage not less than 20 percent but not greater than 50 percent is used instead of "at least 80 percent" at each place it appears in § 1.414(c)–2. Where a definition of service recipient or employer other than the definition provided in the first sentence of this paragraph (h)(3) (the 50 percent standard) is used, the plan must designate in writing the alternate definition no later than the last date at which the time and form of payment of the applicable amount deferred must be elected in accordance with § 1.409A–2(a), and any change in the definition for such amounts deferred will constitute a change in the time and form of payment subject to the rules governing subsequent deferral elections under § 1.409A–2(b) and the acceleration of payments under § 1.409A–3(j).

(4) Asset purchase transactions. Where as part of a sale or other disposition of assets by one service recipient (seller) to an unrelated service recipient (buyer), a service provider of the seller would otherwise experience a separation from service with the seller, the seller and the buyer may retain the discretion to specify, and may specify, whether a service provider providing services to the seller immediately before the asset purchase transaction and providing services to the buyer after and in connection with the asset purchase transaction has experienced a separation from service for purposes of this paragraph (h), provided that the asset purchase transaction results from bona fide, arm's length negotiations, all service providers providing services to the seller immediately before the asset purchase transaction and providing services to the buyer after and in connection with the asset purchase transaction are treated consistently (regardless of position at the seller) for purposes of applying the provisions of any nonqualified deferred compensation plan, and such treatment is specified in writing no later than the closing date of the asset purchase transaction. For purposes of this paragraph (h)(4), references to a sale or other disposition of assets, or an asset purchase transaction, refer only to a transfer of substantial assets, such as a plant or division or substantially all the assets of a trade or business. For purposes of this paragraph (h)(4), whether a service recipient is related to another service recipient is determined under the rules provided in paragraph (f)(2)(ii) of this section.

(5) Dual status. If a service provider provides services both as an employee of a service recipient and as an independent contractor of a service recipient, the service provider must separate from service both as an employee and as an independent contractor to be treated as having separated from service. If a service provider ceases providing services as an independent contractor and begins providing services as an employee, or ceases providing services as an employee and begins providing services as an independent contractor, the service provider will not be considered to have a separation from service until the service provider has ceased providing services in both capacities. Notwithstanding the foregoing, if a service provider provides services both as an employee of a service recipient and a member of the board of directors of a corporate service recipient (or an analogous position with respect to a non-corporate service recipient), the services provided as a director

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

are not taken into account in determining whether the service provider has a separation from service as an employee for purposes of a nonqualified deferred compensation plan in which the service provider participates as an employee that is not aggregated with any plan in which the service provider participates as a director under paragraph (c)(2)(ii) of this section. In addition, if a service provider provides services both as an employee of a service recipient and a member of the board of directors of a corporate service recipient (or an analogous position with respect to a non-corporate service recipient), the services provided as an employee are not taken into account in determining whether the service provider has a separation from service as a director for purposes of a nonqualified deferred compensation plan in which the service provider participates as a director that is not aggregated with any plan in which the service provider participates as an employee under paragraph (c)(2)(ii) of this section.

(6) Collectively bargained plans covering multiple employers. Notwithstanding the foregoing provisions of this paragraph (h), to the extent a plan is established pursuant to a bona fide collective bargaining agreement covering services performed by employees for multiple employers, such plan may define a separation from service in a reasonable manner that treats the employee as not having separated from service during periods in which the employee is not providing services but is available to perform services covered by the collective bargaining agreement for one or more employers, provided that the definition also provides that the employee must be deemed to have separated from service at a specified date not later than the end of any period of at least 12 consecutive months during which the employee has not provided any services covered by the collective bargaining agreement to any participating employer. This paragraph (h)(6) applies only if the definition of separation from service provided by the collective bargaining agreement was the subject of arm's length negotiations between employee representatives and two or more employers, the agreement between employee representatives and such employers satisfies section 7701(a)(46), and the circumstances surrounding the agreement evidence good faith bargaining between adverse parties over such definition.

(i) Specified employee—(1) In general. The term specified employee means a service provider who, as of the date of the service provider's separation from service, is a key employee of a service recipient any stock of which is publicly traded on an established securities market or otherwise. For purposes of this paragraph (i)(1), a service provider is a key employee if the service provider meets the requirements of section 416(i)(1)(A)(i), (ii), or (iii) (applied in accordance with the regulations thereunder and disregarding section 416(i)(5)) at any time during the 12–month period ending on a specified employee identification date. If a service provider is a key employee as of a specified employee identification date, the service provider is treated as a key employee for purposes of this paragraph (i) for the entire 12–month period beginning on the specified employee effective date.

(2) Definition of compensation. For purposes of identifying a specified employee by applying the requirements of section 416(i)(1)(A)(i), (ii), and (iii), the definition of compensation under § 1.415(c)–2(a) is used, applied as if the service recipient were not using any safe harbor provided in § 1.415(c)–2(d), were not using any of the elective special timing rules provided in § 1.415(c)–2(e), and were not using any of the elective special rules provided in § 1.415(c)–2(g). Notwithstanding the foregoing, a service recipient may elect to use any available definition of compensation under section 415 and the regulations thereunder in accordance with the election requirements set forth in paragraph (i)(8) of this section, including any available safe harbor and any available election under the timing rules or special rules, provided that the definition is applied consistently to all employees of the service recipient for purposes of identifying specified employees. A service recipient may elect to use such an alternative definition regardless of whether another definition of compensation is being used for purposes of a qualified plan sponsored by the service recipient. However, once a list of specified employees has become effective, the service recipient cannot change the definition of compensation for purposes of identifying specified employees for the period with respect to which such list is effective.

(3) Specified employee identification date. Unless another date is designated in accordance with the requirements of this paragraph (i)(3) and paragraph (i)(8) of this section, the specified employee identification date is December 31. A

service recipient may designate in accordance with the requirements of paragraph (i)(8) of this section any other date as the specified employee identification date, provided that a service recipient must use the same specified employee identification date with respect to all nonqualified deferred compensation plans, and any change to the specified employee identification date may not be effective for a period of at least 12 months. The service recipient may designate a specified employee identification date in each plan or in a separate document applicable to all plans, provided that the service recipient will not be treated as having designated a specified employee identification date before the designation is legally binding on the service recipient and all affected service providers. Any designation of a specified employee identification date made on or before December 31, 2007, may be applied to any separation from service occurring on or after January 1, 2005, unless and until subsequently changed pursuant to this paragraph (i)(3).

(4) Specified employee effective date. Unless another date is designated in accordance with the requirements of this paragraph (i)(4) and paragraph (i)(8) of this section, the specified employee effective date is the first day of the fourth month following the specified employee identification date. A service recipient may designate in accordance with the requirements of paragraph (i)(8) of this section any date following the specified employee identification date as the specified employee effective date, provided that such date may not be later than the first day of the fourth month following the specified employee identification date, and provided further that a service recipient must use the same specified employee effective date with respect to all nonqualified deferred compensation plans, and any change to the specified employee effective date may not be effective for a period of at least 12 months. The service recipient may designate a specified employee effective date through inclusion in each plan document or through a separate document applicable to all plans, provided that the service recipient will not be treated as having designated a specified employee effective date on any date before the designation is legally binding on the service recipient and all affected service providers. Any designation of a specified employee effective date made on or before December 31, 2007, may be applied to any separation from service occurring on or after January 1, 2005, unless and until subsequently changed pursuant to this paragraph (i)(4).

(5) Alternative methods of satisfying the six-month delay rule. A plan may provide, in accordance with the requirements of paragraph (i)(8) of this section, for an alternative method to identify service providers who will be subject to the six-month delay rule provided in section 409A(a)(2)(B)(i), provided that the alternative method is reasonably designed to include all specified employees (determined without respect to any available service recipient elections), the alternative method is an objectively determinable standard providing no direct or indirect election to any service provider regarding its application, and the alternative method results in either all service providers or no more than 200 service providers being identified in the class as of any date. Use of such an alternative method will not be treated as a change in the time and form of payment for purposes of § 1.409A–2(b) (the subsequent deferral rules), even if the service provider is not a specified employee when the payment is delayed.

(6) Corporate transactions—(i) Mergers and acquisitions of public service recipients. If as a result of a corporate transaction, two or more separate service recipients, more than one of which has stock outstanding that is publicly traded on an established securities market or otherwise immediately before the transaction, become one service recipient, any stock of which is publicly traded on an established securities market or otherwise immediately after the transaction (resulting public service recipient), the resulting public service recipient's next specified employee identification date and specified employee effective date following the corporate transaction are the specified employee identification date and specified employee effective date that the acquiring service recipient would have been required to use absent such transaction. For this purpose, in the case of a corporate merger, the acquiring service recipient is the service recipient that included the surviving corporation in such merger, in the case of an acquisition by a corporation of the stock of another corporation, the acquiring service recipient is the service recipient that included the corporation that acquired such stock, and in all other cases, the surviving service recipient is determined on the basis of all of the facts and circumstances. For the period between the transaction and the next specified employee effective date, the list of specified employees of the resulting public service recipient is determined by combining the lists of specified employees of all service recipients participating in the transaction

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

that were in effect at the date of the corporate transaction, ranking such specified employees in order of the amount of compensation used to determine each specified employee's status as a specified employee, and treating the top 50 of such specified employees, plus any employees described in section 416(i)(1)(ii) or section 416(i)(1)(iii) and the regulations thereunder (relating to 1–percent and 5–percent owners) who are not included in such top 50 specified employees, as specified employees for the period between the corporate transaction and the next specified employee effective date. Alternatively, the resulting service recipient may elect in accordance with the requirements of paragraph (i)(8) of this section to use any reasonable method to determine the specified employees of the resulting service recipient, including the use of an alternative method of compliance described in paragraph (i)(5) of this section, provided that such method is adopted no later than 90 days after the corporate transaction and applied prospectively from the date the method is adopted.

(ii) Mergers and acquisitions of nonpublic service recipients. If as part of a corporate transaction a service recipient that does not have outstanding stock that is publicly traded on an established securities market or otherwise immediately before the transaction (initial private service recipient), and a service recipient with stock outstanding that is publicly traded on an established securities market or otherwise immediately before the transaction (initial public service recipient), become a single service recipient having stock that is publicly traded on an established securities market or otherwise immediately after the transaction (resulting public service recipient), the resulting public service recipient's next specified employee identification date and specified employee effective date following the corporate transaction are the specified employee identification date and specified employee effective date that the initial public service recipient would have been required to use absent such transaction. For the period after the date of the corporate transaction and before the next specified employee effective date, the specified employees of the initial public service recipient immediately before the transaction continue to be the specified employees of the resulting public service recipient, and no service providers of the initial private service recipient are required to be treated as specified employees.

(iii) Spinoffs. If as part of a corporate transaction, a service recipient with stock outstanding that is publicly traded on an established securities market or otherwise immediately before the transaction (initial public service recipient), becomes two or more separate service recipients, each with stock outstanding that is publicly traded on an established securities market or otherwise immediately after the transaction (post-transaction public service recipients), the next specified employee identification date of each of the post-transaction public service recipients is the specified employee identification date that the initial public service recipient would have been required to use absent such transaction. For the period after the date of the corporate transaction and before the next specified employee effective date, the specified employees of the initial public service recipient immediately before the transaction continue to be the specified employees of the post-transaction public service recipients.

(iv) Public offerings and other corporate transactions. If as part of an initial public offering or corporate transaction not described in paragraph (i)(6)(ii) or (iii) of this section, a service recipient with no outstanding stock that is publicly traded on an established securities market or otherwise immediately before such offering or other transaction (initial private service recipient), becomes one or more service recipients with stock outstanding that is publicly traded on an established securities market or otherwise immediately after such offering or other transaction (post-transaction public service recipient), each post-transaction public service recipient has a specified employee identification date of December 31 and a specified employee effective date of April 1, effective retroactively to the December 31 and April 1 next preceding the offering or other transaction for purposes of identifying the specified employees between the corporation transaction and the next December 31. Alternatively, a post-transaction public service recipient may elect in accordance with the requirements of paragraph (i)(8) of this section, a specified employee identification date and specified employee effective date on or before the date of the offering or other transaction. If a public service recipient makes such an election, for the period after the offering or other transaction and before the next specified employee effective date, the specified employees of the post-transaction public service recipient consist of the service providers that at the time of the offering or other transaction would have been classified as specified employees of the initial private service recipient, had the initial private service

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

recipient elected the same specified employee identification date and specified employee effective date as selected by the post-transaction public service recipient, and had such initial private service recipient had stock publicly traded on an established securities market or otherwise as of the specified employee identification date preceding the transaction.

(v) Alternative methods of compliance. For purposes of this paragraph (i)(6), references to specified employees as of a corporate transaction or offering include any specified employees identified through the use of an alternative method described in paragraph (i)(5) of this section, where the use of such alternative method was established and effective at the time of the corporate transaction or offering.

(7) Nonresident alien employees. For purposes of determining whether an employee meets the requirements of section 416(i)(1)(A)(i), (ii), or (iii) (applied in accordance with the regulations thereunder and disregarding section 416(i)(5)), and therefore is a key employee, the incorporation of the rules of § 1.415(c)–2(g)(5) regarding the definition of compensation applies. Accordingly, the rule of § 1.415(c)–2(g)(5)(i), generally requiring the treatment as compensation of certain compensation excludible from an employee's gross income due to the location of the services or the identity of the employer, applies. In addition, a service recipient may elect in accordance with paragraph (i)(8) of this section to apply the rule of § 1.415(c)–2(g)(5)(ii) to not treat as compensation certain compensation excludible from an employee's gross income on account of the location of the services or the identity of the employer that is not effectively connected with the conduct of a trade or business within the United States. A service recipient may elect to apply the rule of § 1.415–2(g)(5)(ii) regardless of whether the service recipient has elected to apply the rule to a qualified plan sponsored by the service recipient; however, once a list of specified employees has become effective, any election of the rule for that period may not be changed. Notwithstanding the foregoing, any election of the rule made before January 1, 2008, may be effective with respect to any specified employee identification date on or before December 31, 2007.

(8) Elections affecting the identification of specified employees. The elections described in paragraphs (i)(2) through (7) of this section are effective only as of the date that all necessary corporate action has been taken to make such elections binding for purposes of all affected nonqualified deferred compensation plans in which the service providers of the service recipient that would become a specified employee due to the application of such election participate. Where a taxpayer attempts to make an election under paragraph (i)(2), (3), (4), (5), (6), or (7) of this section but such election is not binding on all the affected nonqualified deferred compensation plans and applied consistently to all such service providers, the election is not effective and the rule under paragraph (i)(2), (3), (4), (5), (6), or (7) of this section, as applicable, that would apply absent an election is applicable for identifying specified employees.

(j) Nonresident alien. (1) Except as provided in paragraph (j)(2) of this section, the term nonresident alien means an individual who is—

(i) A nonresident alien within the meaning of section 7701(b)(1)(B); or

(ii) A dual resident taxpayer within the meaning of § 301.7701(b)–7(a)(1) of this chapter with respect to any taxable year in which such individual is treated as a nonresident alien for purposes of computing the individual's U.S. income tax liability.

(2) The term nonresident alien does not include—

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(i) A nonresident alien with respect to whom an election is in effect for the taxable year under section 6013(g) to be treated as a resident of the United States;

(ii) A former citizen or long-term resident (within the meaning of section 877(e)(2)) who expatriated after June 3, 2004, and has not complied with the requirements of section 7701(n); or

(iii) An individual who is treated as a citizen or resident of the United States for the taxable year under section 877(g).

(k) Established securities market. The term established securities market means an established securities market within the meaning of § 1.897–1(m).

(l) Stock right. The term stock right means a stock option (other than an incentive stock option described in section 422 or an option granted pursuant to an employee stock purchase plan described in section 423) or a stock appreciation right.

(m) Separation pay plan. The term separation pay plan means any plan that provides separation pay or, where a plan provides both amounts that are separation pay and that are not separation pay, that portion of the plan that provides separation pay. The term separation pay means any deferral of compensation (before the application of the exclusions from the definition of a deferral of compensation set forth in paragraph (b)(9) of this section) that will not be paid under any circumstances unless the service provider has had a separation from service, whether voluntary or involuntary, including payments in the form of reimbursements of expenses incurred, and the provision of in-kind benefits. A deferral of compensation that the service provider may receive without a separation from service does not become separation pay merely because the service provider elects to receive or receives the payment after or upon a separation from service. A deferral of compensation does not fail to be separation pay merely because the payment is conditioned upon the execution of a release of claims, noncompetition or nondisclosure provisions, or other similar requirements. Notwithstanding the foregoing, any amount, or entitlement to any amount, that acts as a substitute for, or replacement of, amounts deferred by the service recipient under a nonqualified deferred compensation plan constitutes a payment of compensation or deferral of compensation under such nonqualified deferred compensation plan.

(n) Involuntary separation from service—(1) In general. An involuntary separation from service means a separation from service due to the independent exercise of the unilateral authority of the service recipient to terminate the service provider's services, other than due to the service provider's implicit or explicit request, where the service provider was willing and able to continue performing services. An involuntary separation from service may include the service recipient's failure to renew a contract at the time such contract expires, provided that the service provider was willing and able to execute a new contract providing terms and conditions substantially similar to those in the expiring contract and to continue providing such services. The determination of whether a separation from service is involuntary is based on all the facts and circumstances. Any characterization of the separation from service as voluntary or involuntary by the service provider and the service recipient in the documentation of the separation from service is presumed to properly characterize the nature of the separation from service. However, the presumption may be rebutted where the facts and circumstances indicate otherwise. For example, if a separation from service is designated as a voluntary separation from service or resignation, but the facts and circumstances indicate that absent such voluntary separation from service the service recipient would have terminated the service provider's services, and that the service provider had knowledge that the service provider would be so terminated, the separation from service is involuntary.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(2) Separations from service for good reason—(i) In general. Notwithstanding paragraph (n)(1) of this section, a service provider's voluntary separation from service will be treated for purposes of this section and §§ 1.409A–2 through 1.409A–6 as an involuntary separation from service if the separation from service occurs under certain limited bona fide conditions, where the avoidance of the requirements of section 409A is not a purpose of the inclusion of these conditions in the plan or of the actions by the service recipient in connection with the satisfaction of these conditions, and a voluntary separation from service under such conditions effectively constitutes an involuntary separation from service. Generally such conditions will be prespecified under an agreement to provide compensation upon a separation from service for good reason. Such a good reason (or a similar condition) must be defined to require actions taken by the service recipient resulting in a material negative change to the service provider in the service relationship, such as the duties to be performed, the conditions under which such duties are to be performed, or the compensation to be received for performing such services. Other factors taken into account in determining whether a separation from service for good reason effectively constitutes an involuntary separation from service include the extent to which the payments upon a separation from service for good reason are in the same amount and are to be made at the same time and in the same form as payments available upon an actual involuntary separation from service, and whether the service provider is required to give the service recipient notice of the existence of the condition that would result in treatment as a separation from service for good reason and a reasonable opportunity to remedy the condition.

(ii) Safe harbor. For purposes of this section and §§ 1.409A–2 through 1.409A–6, if a plan provides that a voluntary separation from service will be treated as an involuntary separation from service if the separation from service occurs under certain express conditions, a separation from service satisfying the conditions set forth in the plan will be treated as an involuntary separation from the service if the necessary conditions (or set of conditions) require the following:

(A) The separation from service must occur during a pre-determined limited period of time not to exceed two years following the initial existence of one or more of the following conditions arising without the consent of the service provider:

(1) A material diminution in the service provider's base compensation.

(2) A material diminution in the service provider's authority, duties, or responsibilities.

(3) A material diminution in the authority, duties, or responsibilities of the supervisor to whom the service provider is required to report, including a requirement that a service provider report to a corporate officer or employee instead of reporting directly to the board of directors of a corporation (or similar governing body with respect to an entity other than a corporation).

(4) A material diminution in the budget over which the service provider retains authority.

(5) A material change in the geographic location at which the service provider must perform the services.

(6) Any other action or inaction that constitutes a material breach by the service recipient of the agreement under which the service provider provides services.

 © 2024 Thomson Reuters. No claim to original U.S. Government Works.

(B) The amount, time, and form of payment upon the separation from service must be substantially identical to the amount, time and form of payment payable due to an actual involuntary separation from service, to the extent such a right exists.

(C) The service provider must be required to provide notice to the service recipient of the existence of the condition described in paragraph (n)(2)(ii)(A) of this section within a period not to exceed 90 days of the initial existence of the condition, upon the notice of which the service recipient must be provided a period of at least 30 days during which it may remedy the condition and not be required to pay the amount.

(3) Special rule for certain collectively bargained plans. Notwithstanding the foregoing, for purposes of this paragraph (n), to the extent a plan is subject to a bona fide collective bargaining agreement covering services performed for multiple employers under which an employee must separate from service with all such employers in order to receive a payment, such plan may use any reasonable definition of involuntary separation from service, provided that such definition is consistent with any definition of a separation from service adopted under paragraph (h)(6) of this section, and provided further that the definition of an involuntary separation from service provided by the collective bargaining agreement was the subject of arm's length negotiations between employee representatives and two or more employers, the agreement between employee representatives and such employers satisfies section 7701(a)(46), and the circumstances surrounding the agreement evidence good faith bargaining between adverse parties over such definition.

(o) Earnings. Whether a deferred amount constitutes earnings on an amount deferred, or actual or notional income attributable to an amount deferred, is determined under the principles defining income attributable to the amount taken into account under § 31.3121(v)(2)–1(d)(2) of this chapter. Accordingly, with respect to an account balance plan, earnings on an amount deferred generally include an amount credited on behalf of a service provider under the terms of the plan that reflects a rate of return that does not exceed either the rate of return on a predetermined actual investment or, if the income does not reflect the rate of return on a predetermined actual investment, a reasonable rate of interest. With respect to nonaccount balance plans, earnings on an amount deferred generally include an increase, due solely to the passage of time, in the present value of the future payments to which the service provider has obtained a legally binding right, the present value of which constituted the amount deferred (determined as of the date such amount was deferred), but only if the amount deferred was determined using reasonable actuarial assumptions and methods. A right to earnings on an amount deferred generally is treated as a right to a deferral of compensation for purposes of this section and §§ 1.409A–2 through 1.409A–6. However, for purposes of any provision of this section and §§ 1.409A–2 through 1.409A–6 referring to earnings on deferred compensation (or similar terms), the use of an unreasonable rate of return, or unreasonable actuarial assumptions and methods, generally will result in the treatment of some or all of such a right to deferred compensation as a right only to deferred compensation, and not a right to earnings on deferred compensation, so that the provision will not be applicable. With respect to plans that are neither account balance plans nor nonaccount balance plans, these rules apply by analogy.

(p) In-kind benefits. The term in-kind benefits refers to services provided to or on behalf of a service provider, such as financial planning services, or tangible personal or real property made available for use by or on behalf of the service provider, such as the use of an aircraft or vehicle, and does not refer to a transfer of property within the meaning of section 83 and the regulations thereunder, or a promise to transfer, or an option to purchase or receive, property in the future.

(q) Application of definitions and rules. The definitions and rules set forth in paragraphs (a) through (p) of this section apply for purposes of section 409A, this section, and §§ 1.409A–2 through 1.409A–6.

AGENDA ITEM WORDING: Approval to advertise a public hearing regarding adoption of an ordinance establishing new section 4-82 of the Monroe County Code governing animals at Key West International Airport.

ITEM BACKGROUND:
Airport staff, with the aid of the Kaplan, Kirsch and Rockwell law firm, recently completed the drafting of a comprehensive set of rules and regulations for Key West International Airport (EYW) which are being placed before the BOCC for adoption. The rules and regulations contains a section which addresses animals at EYW prompting the need to amend the Monroe County Code (MCC) in order to conform the MCC with the rules and regulations.

ORDINANCE -2024

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ESTABLISHING SECTION 4-82 OF THE MONROE COUNTY CODE; SETTING FORTH REGULATIONS FOR ANIMALS AT THE KEY WEST INTERNATIONAL AIRPORT; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF ALL ORDINANCES INCONSISTENT HEREWITH; PROVIDING FOR INCORPORATION INTO THE MONROE COUNTY CODE OF ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Monroe County Board of County Commissioners (BOCC) promulgated Rules and Regulations for the Key West International Airport (EYW) at the regularly scheduled February 21, 2024 board meeting; and

WHEREAS, the BOCC desires to codify the section of the Rules and Regulations which sets forth the regulations for animals at EYW.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

SECTION 1: Section 4-82 is established to read as follows:

Sec. 4-82. – Animals at Key West International Airport.

a. No Person may bring an animal into the Airport except:

1. An animal to be or that has been transported by air. Animals being transported must be properly confined before entering the Passenger Terminal Complex and/or must be restrained in a traveling container;

2. A service animal recognized as such by federal or Florida law;

3. An animal which remains inside a Motor Vehicle at all times;

4. An animal used for law-enforcement, rescue, or wildlife-management purposes; or

5. Animals otherwise authorized by the Airport Director to come onto the Airport for a special event.

b. Any Person who brings an animal onto the Airport or has possession of an animal thereon shall handle such animal in compliance with all Applicable Laws pertinent to animal welfare.

c. All animals permitted by this section 4-82 must be restrained by a leash or confined and completely under control.

d. No Person other than those authorized by the Airport Director may hunt, pursue, trap, catch, injure or kill any animal on the Airport.

e. No Person may feed or do any other act to encourage the congregation of birds or other animals on the Airport.

f. No Person may permit, either willfully or through failure to exercise due care or control, any animal to urinate or defecate on the AOA, in parking garage(s), on sidewalks of the Airport, within any Airport building or in any other area at the Airport, except within Pines Park, the Missile Site, and any other designated animal relief areas. Any solid waste deposited by any animal in any area of the Airport shall be immediately collected by the Person having custody or control of such animal. Any Person having custody or control of an animal on the Airport shall be equipped to collect such animal's solid waste when deposited.

g. Any Person whose animal displays aggression shall immediately remove it from the Airport, except with respect to animals acting in the course of law-enforcement or wildlife-management activities permitted by the Rules and Regulations.

SECTION 2: SEVERABILITY. If any portion of this ordinance is for any reason held invalid or declared to be unconstitutional, inoperative or void, such holding shall not affect the remaining portions of this ordinance. If this ordinance or any provision thereof shall be held to be inapplicable to any person, property or circumstances, such holding shall not affect its applicability to any other person, property or circumstances.

SECTION 3: CONFLICT WITH OTHER ORDINANCES. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

SECTION 4: INCLUSION IN CODE OF ORDINANCES. The provisions of this ordinance shall be included and incorporated in the Code of Ordinances of the County of Monroe, Florida, as an addition or amendment thereto, and shall be appropriately renumbered to conform to the uniform numbering system of the Code.

SECTION 5: TRANSMITTAL AND EFFECTIVE DATE. This Ordinance shall be filed with the Department of State and shall be effective as provided in section 125.66(2), Florida Statutes.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of said Board held on the _____ day of _____, 2024.

BUSINESS IMPACT ESTIMATE[1]

Meeting Date: March 20, 2024

Proposed Ordinance Title/Reference: Ordinance establishing regulations for animals at Key West International Airport (EYW)

The Proposed Ordinance ☒ does ☐ does not fall under one of the following enumerated exceptions:[2]

☒ The proposed ordinance is required for compliance with Federal or State law or regulation;

☐ The proposed ordinance relates to the issuance or refinancing of debt;

☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;

☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the county government;

☐ The proposed ordinance is an emergency ordinance;

☐ The ordinance relates to procurement; or

☐ The proposed ordinance is enacted to implement the following:

a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

Summary of Proposed Ordinance and Statement of Public Purpose to be Served: EYW has experienced substantial growth since the adoption of prior regulations and ordinances that apply to EYW. It is necessary to amend the rules and regulations and the related implementing ordinances which are applicable to EYW to promote the safe, secure, efficient, and economically beneficial operation of EYW in light of the growth and development of aeronautical operations at EYW.

Estimate of Direct Economic Impact on Private/For Profit Businesses:

a. Estimate of Direct Business Compliance Costs: This ordinance is not intended to impact any businesses in Monroe County.

b. New Charges/Fees on Businesses Impacted: There are no new charges or fees included in this ordinance.

c. Estimate of Regulatory Costs: This ordinance is not intended to impact any businesses in Monroe County.

Good Faith Estimate of Number of Businesses Likely Impacted: Monroe County staff estimates that businesses are not likely to be impacted by this ordinance.

Any Additional Information: The ordinance implements the rules and regulations for the management, governance, and use of EYW.

[1] Business impact statement must be posted on the county's website no later than the date the notice of proposed enactment is published.

ORDINANCE -2024

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AMENDING SECTION 5-21 OF THE MONROE COUNTY CODE; AMENDING WHERE AIRCRAFT CAN BE LEGALLY PARKED; REGULATING THE USE OF AIRPORT APRONS; REQUIRING UNATTENDED AIRCRAFT BE PROPERLY SECURED; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF ALL ORDINANCES INCONSISTENT HEREWITH; PROVIDING FOR INCORPORATION INTO THE MONROE COUNTY CODE OF ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Monroe County Board of County Commissioners (BOCC) promulgated Rules and Regulations for the Key West International Airport (EYW) at the regularly scheduled February 21, 2024 board meeting; and

WHEREAS, the BOCC desires to codify the section of the Rules and Regulations which regulate aircraft parking at EYW.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

[Proposed Text Changes are presented in strikethrough to indicate deletions and underline to indicate additions.]

SECTION 1: Section 5-21 Aircraft Parking shall be amended to read as follows:

Sec. 5-21. - Aircraft parking.

(a) ~~No aircraft shall be parked north of the runway or in the clear zone areas as shown on the appropriate airport layout plan, dated October 1986~~ No person may park an aircraft in any area on the airport except those designated, and in the manner prescribed, by the Airport Director.

(b) ~~No parking in the runway safety zone or to 250 degrees north parallel to the runway centerline is allowed unless specific written authorization has been received by the owner or user of the aircraft from the director of airports or his duly designated representative~~ Each person operating an aircraft on the airport shall use aprons only as assigned and consistent with any Operating Directive governing such use.

(c) No aircraft operator may leave his or her aircraft unattended on the airport except in a hangar or otherwise in an adequately secured manner.

(d) All illegally parked aircraft shall be removed from improper parking locations at the direction of the director of airports or his duly designated representative at owner's expense or user's expense at his sole risk.

SECTION 2: SEVERABILITY. If any portion of this ordinance is for any reason held invalid or declared to be unconstitutional, inoperative or void, such holding shall not affect the remaining portions of this ordinance. If this ordinance or any provision thereof shall be held to be inapplicable to any person, property or circumstances, such holding shall not affect its applicability to any other person, property or circumstances.

SECTION 3: CONFLICT WITH OTHER ORDINANCES. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

SECTION 4: INCLUSION IN CODE OF ORDINANCES. The provisions of this ordinance shall be included and incorporated in the Code of Ordinances of the County of Monroe, Florida, as an addition or amendment thereto, and shall be appropriately renumbered to conform to the uniform numbering system of the Code.

SECTION 5: TRANSMITTAL AND EFFECTIVE DATE. This Ordinance shall be filed with the Department of State and shall be effective as provided in section 125.66(2), Florida Statutes.

ORDINANCE -2024

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AMENDING SECTION 5-22 OF THE MONROE COUNTY CODE; AMENDING WHERE AIRCRAFT RUNUPS CAN BE CONDUCTED; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF ALL ORDINANCES INCONSISTENT HEREWITH; PROVIDING FOR INCORPORATION INTO THE MONROE COUNTY CODE OF ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Monroe County Board of County Commissioners (BOCC) promulgated Rules and Regulations for the Key West International Airport (EYW) at the regularly scheduled February 21, 2024 board meeting; and

WHEREAS, the BOCC desires to codify the section of the Rules and Regulations which regulate aircraft runups at EYW.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

[Proposed Text Changes are presented in strikethrough to indicate deletions and underline to indicate additions.]

SECTION 1: Section 5-22 Aircraft runups shall be amended to read as follows:

Sec. 5-22. - Aircraft runups.

~~All aircraft runups shall be made only at the ends of the parallel taxiway or near the runway ends behind the holding line markings so long as the same shall not interfere with operation of other aircraft in and about either airport~~ No Person shall conduct an engine run-up for any purpose other than preflight except in those areas, and during those hours, prescribed by an Operating Directive.

SECTION 2: SEVERABILITY. If any portion of this ordinance is for any reason held invalid or declared to be unconstitutional, inoperative or void, such holding shall not affect the remaining portions of this ordinance. If this ordinance or any provision thereof shall be held to be inapplicable to any person, property or circumstances, such holding shall not affect its applicability to any other person, property or circumstances.

SECTION 3: CONFLICT WITH OTHER ORDINANCES. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

BUSINESS IMPACT ESTIMATE[1]

Meeting Date: March 20, 2024

Proposed Ordinance Title/Reference: Ordinance governing aircraft runups at Key West International Airport (EYW)

The Proposed Ordinance ☒ does ☐ does not fall under one of the following enumerated exceptions:[2]

- ☒ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the county government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
  a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
  b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
  c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
  d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

Summary of Proposed Ordinance and Statement of Public Purpose to be Served: EYW has experienced substantial growth since the adoption of prior regulations and ordinances that apply to EYW. It is necessary to amend the rules and regulations and the related implementing ordinances which are applicable to EYW to promote the safe, secure, efficient, and economically beneficial operation of EYW in light of the growth and development of aeronautical operations at EYW.

Estimate of Direct Economic Impact on Private/For Profit Businesses:

a. Estimate of Direct Business Compliance Costs: This ordinance is not intended to have a financial impact on any businesses in Monroe County.

b. New Charges/Fees on Businesses Impacted: There are no new charges or fees included in this ordinance.

c. Estimate of Regulatory Costs: This ordinance is not intended to financially impact any businesses in Monroe County.

Good Faith Estimate of Number of Businesses Likely Impacted: Monroe County staff estimates that businesses are not likely to be financially impacted by this ordinance as the ordinance amends rules regarding aircraft runups.

Any Additional Information: The ordinance implements the rules and regulations for the management, governance, and use of EYW.

AGENDA ITEM WORDING: Approval of resolution appointing Kevin G. Wilson as Acting County Administrator; delegating authorities to Acting County Administrator; providing for severability; and providing for an effective date.

ITEM BACKGROUND:
F.S. 125.73 states that a board of county commissioners may appoint an acting administrator in the case of vacancy of the county administrator. Current County Administrator Roman Gastesi has announced his desire to resign and retire effective Feb. 23, 2024. If the resignation is accepted, an Acting County Administrator must be appointed to serve as the administrative head of the County until a successor is appointed.

This resolution, if approved, would appoint Assistant County Administrator Kevin G. Wilson to serve as Acting County Administrator, effective 5 pm on Feb. 23, 2024. An employment contract would be brought back for BOCC approval at a later date.

RESOLUTION NO. ___-2024

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS REGARDING COUNTY ADMINISTRATION; APPOINTING KEVIN G. WILSON AS THE ACTING COUNTY ADMINISTRATOR; DELEGATING AUTHORITIES TO THE ACTING COUNTY ADMINISTRATOR; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Part III of Chapter 125 of the Florida Statutes, known as the County Administration Law (the "Act'), expressly adopted by the Monroe County Board of County Commissioners in Section 2-58 of the Monroe County Code of Ordinances (the "Code"), applies to all non-charter counties within the State of Florida; and

WHEREAS, Section 125.73(1) of the Act states that all counties shall appoint a county administrator, who shall be the administrative head of the county; and

WHEREAS, Roman Gastesi, the current County Administrator, has announced his desire to resign and retire on February 23, 2024; and

WHEREAS, F.S. 125.73(4) states that the Board of County Commissioners may appoint an acting administrator in the case of vacancy of the county administrator until a successor has been appointed and qualified or the administrator returns; and

WHEREAS, F.S. 125.73(2) states that a county administrator shall be qualified by administrative and executive experience and ability to serve as the chief administrator of the county; and

WHEREAS, Assistant County Administrator Kevin G. Wilson meets the requirements of F.S. 125.73(2) and is qualified to serve as the Acting County Administrator; and

WHEREAS, pursuant to Section 125.73(4) of the Act, the Board wishes to appoint Kevin G. Wilson to serve as the Acting County Administrator, conditional upon the Board's acceptance of the resignation of Roman Gastesi; and

WHEREAS, the Board of County Commissioners wishes to provide for a delegation of authority in order to ensure that the Acting County Administrator has the necessary powers and authorities to serve in the capacity of Acting County Administrator; and

WHEREAS, Section 125.74 of the Act lists the power and duties that may be exercised by the county administrator; and

WHEREAS, in Section 2-58 of the Code, the Board specifies three additional powers and duties above and beyond those specified in the Act, namely: (a) on construction projects, the power to execute change orders up to $100,000 or 5% of the contract price with certain reporting requirements and to extend the substantial completion date; (b) to approve moving expenses for new employees and travel expenses for interviewees; and (c) to execute "small contracts;" and

WHEREAS, various County policies including but not limited to the Monroe County Purchasing Policy and the Monroe County Personnel Policies and Procedures Manual place additional responsibilities and grant additional authorities to the County Administrator; and

WHEREAS, the Board of County Commissioners wishes to ensure that all powers and authorities that would be accorded to the County Administrator through the Act, the Code, the Purchasing Policy, the Personnel Policies and Procedures Manual, and other Monroe County policies and procedures, are made equally available to the Acting County Administrator, through an express delegation of authority;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, AS FOLLOWS:

SECTION 1. FINDINGS. The findings contained in the recitals set forth above are true and correct.

SECTION 2. APPOINTMENT OF ASSISTANT COUNTY ADMINISTRATOR. Kevin G. Wilson is hereby appointed as the Acting County Administrator, subject to the following provisions.

A. Duration: The appointment of Kevin G. Wilson shall commence at 5:00 p.m. on February 23, 2024, and shall continue until the effective date of appointment of a replacement County Administrator by resolution of the Board.

B. Compensation: Compensation and other benefits shall be memorialized in an employment agreement, to be presented separately.

SECTION 3. AUTHORITY OF ACTING COUNTY ADMINISTRATOR.

A. Legal Authority. The Acting County Administrator shall have the authority to carry out all functions, powers and duties assigned to the position of County Administrator in the Act, the Code, the general laws of Florida, and other applicable legislation, including without limitation all other statutes, codes, the County's Comprehensive Plan, and all resolutions, policies and procedures of the County. All delegations of responsibility and authority to the County Administrator made by the Board apply equally to the Acting

County Administrator during the term of his appointment unless expressly modified or rescinded by the Board.

B. Administration: The Acting County Administrator shall carry out all functions otherwise assigned to the County Administrator under the Act and the Code necessary to serve as the administrative head of the County. Authorities delegated to the Acting County Administrator in order to accomplish this purpose include signatory authority for all contracts legally approved and entered into by the County pursuant to the Act, the Code, general laws of the State of Florida, and the County's Purchasing Policy.

SECTION 4. SEVERABILITY. If any section, sentence, clause or provision of this Resolution is held to be invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not be construed to render invalid or unconstitutional the remaining sections, sentences, clauses or provisions of this Resolution.

SECTION 5. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 21st of February 2024.

AGENDA ITEM WORDING: Approval of the 2nd amendment to the legal services agreement between Monroe County and Kaplan, Kirsch and Rockwell.

ITEM BACKGROUND:
The County entered into a legal services agreement with Kaplan, Kirsch and Rockwell, LLP (KKR) on April 15, 2020 (Original Agreement) for its legal expertise with regard to federal legal matters and federal requirements regarding federal grant assistance through the Federal Aviation Authority (FAA) for the development of new airport facilities. On September 20, 2023 the County entered into the first amendment to the Original Agreement which updated the list of approved timekeepers and the rates for those attorneys. Staff has no objection to KKR's latest request to update the list of timekeepers and their rates.

PREVIOUS RELEVANT BOCC ACTION:
Approved the original agreement for legal services at the April 15, 2020 BOCC meeting. Approved the 1st amendment to the Original Agreement at the September 20, 2023 BOCC meeting.

INSURANCE REQUIRED:
Yes

CONTRACT/AGREEMENT CHANGES:
This second amendment adds one additional timekeeper - Stephanie Pope and sets her hourly rate at $450.00 per hour. The amendment also raises the hourly rates for each of the previously approved attorneys/paralegals/timekeepers by $25/hour.

2ND AMENDMENT TO AGREEMENT BETWEEN MONROE COUNTY AND KAPLAN KIRSCH & ROCKWELL LLP

THIS 2ND AMENDMENT TO AGREEMENT, is made and entered into this 21st day of February 2024, by and between the BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ("COUNTY"), a political subdivision of the State of Florida whose address is 1100 Simonton Street, Key West, Florida 33040, and **KAPLAN KIRSCH & ROCKWELL LLP** ("ATTORNEY") regarding the retention of ATTORNEY by COUNTY to provide legal advice and services.

WHEREAS, on the 15th day of April 2020 the ATTORNEY entered into an agreement with the COUNTY (Original Agreement) in order to provide advice on aspects of federal law relating to rates and charges and development of new facilities at a federally obligated airport; and

WHEREAS, the Original Agreement between the parties specifies the names of authorized timekeepers; and

WHEREAS, the parties wish to amend the Original Agreement in order to update the names of authorized timekeepers and the hourly rates.

NOW THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties amend the Original Agreement as follows:

SECTION 1. Article 6.3 of the Original Agreement is amended to read as follows:

6.3. Hourly Rates, and Changes to hourly rates
The ATTORNEY has agreed to rates as more fully set forth below:

Approved Timekeepers:

Name:	**Hourly Rate:**
D. Bannard	$575
E. Smith	$575
P. Kirsch	$575
S. Osit	$550
N. Clabbers	$520
S. Wilbanks	$450
S. Pope	$450
A. Gerchick	$420

With the written approval of the County Attorney, additional timekeepers may be utilized by the ATTORNEY and billed at the following rates:

Partners/Associates	$295-$795
Paralegals	$185

ATTORNEY will charge no more than the hourly rate quoted above throughout the duration of the matter, unless otherwise agreed in writing and approved by COUNTY in the same manner as Agreement. The hourly rate to be charged by the lawyers and paralegals are reviewed annually and should ATTORNEY determine that a rate adjustment is warranted for this engagement the COUNTY will be notified in advance of any change.

SECTION 2. All other provisions of the April 15, 2020 Original Agreement, which are not amended herein, shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first above written.

BUSINESS LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the stock insurance company member of The Hartford providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **C**. - Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. - Liability And Medical Expenses Definitions.

A. COVERAGES

1. BUSINESS LIABILITY COVERAGE (BODILY INJURY, PROPERTY DAMAGE, PERSONAL AND ADVERTISING INJURY)

Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury", "property damage" or "personal and advertising injury" to which this insurance does not apply.

We may, at our discretion, investigate any "occurrence" or offense and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **D.** - Liability And Medical Expenses Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments, settlements or medical expenses to which this insurance applies.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Coverage Extension - Supplementary Payments.

b. This insurance applies:

(1) To "bodily injury" and "property damage" only if:

(a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(b) The "bodily injury" or "property damage" occurs during the policy period; and

(c) Prior to the policy period, no insured listed under Paragraph **1.** of Section **C.** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

(2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.

c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **C.** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

© 2005, The Hartford

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

e. Incidental Medical Malpractice

(1) "Bodily injury" arising out of the rendering of or failure to render professional health care services as a physician, dentist, nurse, emergency medical technician or paramedic shall be deemed to be caused by an "occurrence", but only if:

(a) The physician, dentist, nurse, emergency medical technician or paramedic is employed by you to provide such services; and

(b) You are not engaged in the business or occupation of providing such services.

(2) For the purpose of determining the limits of insurance for incidental medical malpractice, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

2. MEDICAL EXPENSES

Insuring Agreement

a. We will pay medical expenses as described below for "bodily injury" caused by an accident:

(1) On premises you own or rent;

(2) On ways next to premises you own or rent; or

(3) Because of your operations;

provided that:

(1) The accident takes place in the "coverage territory" and during the policy period;

(2) The expenses are incurred and reported to us within three years of the date of the accident; and

(3) The injured person submits to examination, at our expense, by physicians of our choice as often as we reasonably require.

b. We will make these payments regardless of fault. These payments will not exceed the applicable limit of insurance. We will pay reasonable expenses for:

(1) First aid administered at the time of an accident;

(2) Necessary medical, surgical, x-ray and dental services, including prosthetic devices; and

(3) Necessary ambulance, hospital, professional nursing and funeral services.

3. COVERAGE EXTENSION - SUPPLEMENTARY PAYMENTS

a. We will pay, with respect to any claim or "suit" we investigate or settle, or any "suit" against an insured we defend:

(1) All expenses we incur.

(2) Up to $1,000 for the cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which Business Liability Coverage for "bodily injury" applies. We do not have to furnish these bonds.

(3) The cost of appeal bonds or bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

(4) All reasonable expenses incurred by the insured at our request to assist us in the investigation or defense of the claim or "suit", including actual loss of earnings up to $500 a day because of time off from work.

(5) All costs taxed against the insured in the "suit".

(6) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.

(7) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

Any amounts paid under **(1)** through **(7)** above will not reduce the limits of insurance.

b. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

(1) The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

(2) This insurance applies to such liability assumed by the insured;

(3) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";

(4) The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interest of the indemnitee;

(5) The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and

(6) The indemnitee:

(a) Agrees in writing to:

(i) Cooperate with us in the investigation, settlement or defense of the "suit";

(ii) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the "suit";

(iii) Notify any other insurer whose coverage is available to the indemnitee; and

(iv) Cooperate with us with respect to coordinating other applicable insurance available to the indemnitee; and

(b) Provides us with written authorization to:

(i) Obtain records and other information related to the "suit"; and

(ii) Conduct and control the defense of the indemnitee in such "suit".

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments.

Notwithstanding the provisions of Paragraph **1.b.(b)** of Section **B.** – Exclusions, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:

(1) We have used up the applicable limit of insurance in the payment of judgments or settlements; or

(2) The conditions set forth above, or the terms of the agreement described in Paragraph **(6)** above, are no longer met.

B. EXCLUSIONS

1. Applicable To Business Liability Coverage

This insurance does not apply to:

a. Expected Or Intended Injury

(1) "Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property; or

(2) "Personal and advertising injury" arising out of an offense committed by, at the direction of or with the consent or acquiescence of the insured with the expectation of inflicting "personal and advertising injury".

b. Contractual Liability

(1) "Bodily injury" or "property damage"; or

(2) "Personal and advertising injury"

for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement.

This exclusion does not apply to liability for damages because of:

(a) "Bodily injury", "property damage" or "personal and advertising injury" that the insured would have in the absence of the contract or agreement; or

(b) "Bodily injury" or "property damage" assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purpose of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage" provided:

(i) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract", and

(ii) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business, or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of **(1)** above.

This exclusion applies:

(1) Whether the insured may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

(1) "Bodily injury", "property damage" or "personal and advertising injury" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible;

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;

(2) A watercraft you do not own that is:

(a) Less than 51 feet long; and

(b) Not being used to carry persons for a charge;

(3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;

(4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft;

(5) "Bodily injury" or "property damage" arising out of the operation of any of the equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment"; or

(6) An aircraft that is not owned by any insured and is hired, chartered or loaned with a paid crew. However, this exception does not apply if the insured has any other insurance for such "bodily injury" or "property damage", whether the other insurance is primary, excess, contingent or on any other basis.

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

(1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented or loaned to any insured; or

(2) The use of "mobile equipment" in, or while in practice or preparation for, a prearranged racing, speed or demolition contest or in any stunting activity.

i. War

"Bodily injury", "property damage" or "personal and advertising injury", however caused, arising, directly or indirectly, out of:

(1) War, including undeclared or civil war;

(2) Warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or

(3) Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

j. Professional Services

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or failure to render any professional service. This includes but is not limited to:

(1) Legal, accounting or advertising services;

(2) Preparing, approving, or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications;

(3) Supervisory, inspection, architectural or engineering activities;

(4) Medical, surgical, dental, x-ray or nursing services treatment, advice or instruction;

(5) Any health or therapeutic service treatment, advice or instruction;

(6) Any service, treatment, advice or instruction for the purpose of appearance or skin enhancement, hair removal or replacement or personal grooming;

(7) Optical or hearing aid services including the prescribing, preparation, fitting, demonstration or distribution of ophthalmic lenses and similar products or hearing aid devices;

(8) Optometry or optometric services including but not limited to examination of the eyes and the prescribing, preparation, fitting,demonstration or distribution of ophthalmic lenses and similar products;

(9) Any:

(a) Body piercing (not including ear piercing);

(b) Tattooing, including but not limited to the insertion of pigments into or under the skin; and

(c) Similar services;

(10) Services in the practice of pharmacy; and

(11) Computer consulting, design or programming services, including web site design.

Paragraphs **(4)** and **(5)** of this exclusion do not apply to the Incidental Medical Malpractice coverage afforded under Paragraph **1.e.** in Section **A.** - Coverages.

k. Damage To Property

"Property damage" to:

(1) Property you own, rent or occupy, including any costs or expenses incurred by you, or any other person, organization or entity, for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property;

(2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;

(3) Property loaned to you;

(4) Personal property in the care, custody or control of the insured;

(5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or

(6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs **(1)**, **(3)** and **(4)** of this exclusion do not apply to "property damage" (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of 7 or fewer consecutive days. A separate Limit of Insurance applies to Damage To Premises Rented To You as described in Section **D.** - Limits Of Insurance.

Paragraph **(2)** of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs **(3)** and **(4)** of this exclusion do not apply to the use of elevators.

Paragraphs **(3)**, **(4)**, **(5)** and **(6)** of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraphs **(3)** and **(4)** of this exclusion do not apply to "property damage" to borrowed equipment while not being used to perform operations at a job site.

Paragraph **(6)** of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

l. Damage To Your Product

"Property damage" to "your product" arising out of it or any part of it.

m. Damage To Your Work

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

n. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property" or property that has not been physically injured, arising out of:

(1) A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or

(2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

o. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

(1) "Your product";

(2) "Your work"; or

(3) "Impaired property";

if such product, work or property is withdrawn or recalled from the market or from use by any person or organization because of a known or suspected defect, deficiency, inadequacy or dangerous condition in it.

p. Personal And Advertising Injury

"Personal and advertising injury":

(1) Arising out of oral, written or electronic publication of material, if done by or at the direction of the insured with knowledge of its falsity;

(2) Arising out of oral, written or electronic publication of material whose first publication took place before the beginning of the policy period;

(3) Arising out of a criminal act committed by or at the direction of the insured;

(4) Arising out of any breach of contract, except an implied contract to use another's "advertising idea" in your "advertisement";

(5) Arising out of the failure of goods, products or services to conform with any statement of quality or performance made in your "advertisement";

(6) Arising out of the wrong description of the price of goods, products or services;

(7) Arising out of any violation of any intellectual property rights such as copyright, patent, trademark, trade name, trade secret, service mark or other designation of origin or authenticity.

However, this exclusion does not apply to infringement, in your "advertisement", of

(a) Copyright;

(b) Slogan, unless the slogan is also a trademark, trade name, service mark or other designation of origin or authenticity; or

(c) Title of any literary or artistic work;

(8) Arising out of an offense committed by an insured whose business is:

(a) Advertising, broadcasting, publishing or telecasting;

(b) Designing or determining content of web sites for others; or

(c) An Internet search, access, content or service provider.

However, this exclusion does not apply to Paragraphs **a.**, **b.** and **c.** under the definition of "personal and advertising injury" in Section **G.** – Liability And Medical Expenses Definitions.

For the purposes of this exclusion, placing an "advertisement" for or linking to others on your web site, by itself, is not considered the business of advertising, broadcasting, publishing or telecasting;

(9) Arising out of an electronic chat room or bulletin board the insured hosts, owns, or over which the insured exercises control;

(10) Arising out of the unauthorized use of another's name or product in your e-mail address, domain name or metatags, or any other similar tactics to mislead another's potential customers;

(11) Arising out of the violation of a person's right of privacy created by any state or federal act.

However, this exclusion does not apply to liability for damages that the insured would have in the absence of such state or federal act;

(12) Arising out of:

(a) An "advertisement" for others on your web site;

(b) Placing a link to a web site of others on your web site;

(c) Content from a web site of others displayed within a frame or border on your web site. Content includes information, code, sounds, text, graphics or images; or

(d) Computer code, software or programming used to enable:

(i) Your web site; or

(ii) The presentation or functionality of an "advertisement" or other content on your web site;

(13) Arising out of a violation of any anti-trust law;

(14) Arising out of the fluctuation in price or value of any stocks, bonds or other securities; or

(15) Arising out of discrimination or humiliation committed by or at the direction of any "executive officer", director, stockholder, partner or member of the insured.

q. Electronic Data

Damages arising out of the loss of, loss of use of, damage to, corruption of, inability to access, or inability to manipulate "electronic data".

r. Employment-Related Practices

"Bodily injury" or "personal and advertising injury" to:

(1) A person arising out of any:

(a) Refusal to employ that person;

(b) Termination of that person's employment; or

(c) Employment-related practices, policies, acts or omissions, such as coercion, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation or discrimination directed at that person; or

(2) The spouse, child, parent, brother or sister of that person as a consequence of "bodily injury" or "personal and advertising injury" to the person at whom any of the employment-related practices described in Paragraphs **(a)**, **(b)**, or **(c)** above is directed.

This exclusion applies:

(1) Whether the insured may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

s. Asbestos

(1) "Bodily injury", "property damage" or "personal and advertising injury" arising out of the "asbestos hazard".

(2) Any damages, judgments, settlements, loss, costs or expenses that:

(a) May be awarded or incurred by reason of any claim or suit alleging actual or threatened injury or damage of any nature or kind to persons or property which would not have occurred in whole or in part but for the "asbestos hazard";

(b) Arise out of any request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, encapsulate, contain, treat, detoxify or neutralize or in any way respond to or assess the effects of an "asbestos hazard"; or

(c) Arise out of any claim or suit for damages because of testing for, monitoring, cleaning up, removing, encapsulating, containing, treating, detoxifying or neutralizing or in any way responding to or assessing the effects of an "asbestos hazard".

t. Violation Of Statutes That Govern E-Mails, Fax, Phone Calls Or Other Methods Of Sending Material Or Information

"Bodily injury", "property damage", or "personal and advertising injury" arising directly or indirectly out of any action or omission that violates or is alleged to violate:

(1) The Telephone Consumer Protection Act (TCPA), including any amendment of or addition to such law;

(2) The CAN-SPAM Act of 2003, including any amendment of or addition to such law; or

(3) Any statute, ordinance or regulation, other than the TCPA or CAN-SPAM Act of 2003, that prohibits or limits the sending, transmitting, communicating or distribution of material or information.

Damage To Premises Rented To You – Exception For Damage By Fire, Lightning or Explosion

Exclusions **c.** through **h.** and **k.** through **o.** do not apply to damage by fire, lightning or explosion to premises rented to you or temporarily occupied by you with permission of the owner. A separate Limit of Insurance applies to this coverage as described in Section **D.** - Liability And Medical Expenses Limits Of Insurance.

2. Applicable To Medical Expenses Coverage

We will not pay expenses for "bodily injury":

a. Any Insured

To any insured, except "volunteer workers".

b. Hired Person

To a person hired to do work for or on behalf of any insured or a tenant of any insured.

c. Injury On Normally Occupied Premises

To a person injured on that part of premises you own or rent that the person normally occupies.

d. Workers' Compensation And Similar Laws

To a person, whether or not an "employee" of any insured, if benefits for the "bodily injury" are payable or must be provided under a workers' compensation or disability benefits law or a similar law.

e. Athletics Activities

To a person injured while practicing, instructing or participating in any physical exercises or games, sports or athletic contests.

f. Products-Completed Operations Hazard

Included with the "products-completed operations hazard".

g. Business Liability Exclusions

Excluded under Business Liability Coverage.

C. WHO IS AN INSURED

1. If you are designated in the Declarations as:

a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.

b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.

c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.

d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.

e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

2. Each of the following is also an insured:

a. Employees And Volunteer Workers

Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business.

However, none of these "employees" or "volunteer workers" are insureds for:

(1) "Bodily injury" or "personal and advertising injury":

(a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), or to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;

(b) To the spouse, child, parent, brother or sister of that co-"employee" or that "volunteer worker" as a consequence of Paragraph **(1)(a)** above;

(c) For which there is any obligation to share damages with or repay someone else who must pay damages because of the injury described in Paragraphs **(1)(a)** or **(b)** above; or

(d) Arising out of his or her providing or failing to provide professional health care services.

If you are not in the business of providing professional health care services, Paragraph **(d)** does not apply to any nurse, emergency medical technician or paramedic employed by you to provide such services.

(2) "Property damage" to property:

(a) Owned, occupied or used by,

(b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).

b. Real Estate Manager

Any person (other than your "employee" or "volunteer worker"), or any organization while acting as your real estate manager.

c. Temporary Custodians Of Your Property

Any person or organization having proper temporary custody of your property if you die, but only:

(1) With respect to liability arising out of the maintenance or use of that property; and

(2) Until your legal representative has been appointed.

d. Legal Representative If You Die

Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this insurance.

e. Unnamed Subsidiary

Any subsidiary and subsidiary thereof, of yours which is a legally incorporated entity of which you own a financial interest of more than 50% of the voting stock on the effective date of this Coverage Part.

The insurance afforded herein for any subsidiary not shown in the Declarations as a named insured does not apply to injury or damage with respect to which an insured under this insurance is also an insured under another policy or would be an insured under such policy but for its termination or upon the exhaustion of its limits of insurance.

3. Newly Acquired Or Formed Organization

Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain financial interest of more than 50% of the voting stock, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:

a. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier; and

b. Coverage under this provision does not apply to:

(1) "Bodily injury" or "property damage" that occurred; or

(2) "Personal and advertising injury" arising out of an offense committed

before you acquired or formed the organization.

4. Operator Of Mobile Equipment

With respect to "mobile equipment" registered in your name under any motor vehicle registration law, any person is an insured while driving such equipment along a public highway with your permission. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the equipment, and only if no other insurance of any kind is available to that person or organization for this liability. However, no person or organization is an insured with respect to:

a. "Bodily injury" to a co-"employee" of the person driving the equipment; or

b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.

5. Operator of Nonowned Watercraft

With respect to watercraft you do not own that is less than 51 feet long and is not being used to carry persons for a charge, any person is an insured while operating such watercraft with your permission. Any other person or organization responsible for the conduct of such person is also an insured, but only with respect to liability arising out of the operation of the watercraft, and only if no other insurance of any kind is available to that person or organization for this liability.

However, no person or organization is an insured with respect to:

a. "Bodily injury" to a co-"employee" of the person operating the watercraft; or

b. "Property damage" to property owned by, rented to, in the charge of or occupied by you or the employer of any person who is an insured under this provision.

6. Additional Insureds When Required By Written Contract, Written Agreement Or Permit

The person(s) or organization(s) identified in Paragraphs **a.** through **f.** below are additional insureds when you have agreed, in a written

contract, written agreement or because of a permit issued by a state or political subdivision, that such person or organization be added as an additional insured on your policy, provided the injury or damage occurs subsequent to the execution of the contract or agreement, or the issuance of the permit.

A person or organization is an additional insured under this provision only for that period of time required by the contract, agreement or permit.

However, no such person or organization is an additional insured under this provision if such person or organization is included as an additional insured by an endorsement issued by us and made a part of this Coverage Part, including all persons or organizations added as additional insureds under the specific additional insured coverage grants in Section **F.** – Optional Additional Insured Coverages.

a. Vendors

Any person(s) or organization(s) (referred to below as vendor), but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business and only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(1) The insurance afforded to the vendor is subject to the following additional exclusions:

This insurance does not apply to:

(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

(b) Any express warranty unauthorized by you;

(c) Any physical or chemical change in the product made intentionally by the vendor;

(d) Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

(h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(i) The exceptions contained in Subparagraphs **(d)** or **(f)**; or

(ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(2) This insurance does not apply to any insured person or organization from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

b. Lessors Of Equipment

(1) Any person or organization from whom you lease equipment; but only with respect to their liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person or organization.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after you cease to lease that equipment.

c. Lessors Of Land Or Premises

(1) Any person or organization from whom you lease land or premises, but only with respect to liability arising out of the ownership, maintenance or use of that part of the land or premises leased to you.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) Any "occurrence" which takes place after you cease to lease that land or be a tenant in that premises; or

(b) Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

d. Architects, Engineers Or Surveyors

(1) Any architect, engineer, or surveyor, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In connection with your premises; or

(b) In the performance of your ongoing operations performed by you or on your behalf.

(2) With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services by or for you, including:

(a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Supervisory, inspection, architectural or engineering activities.

e. Permits Issued By State Or Political Subdivisions

(1) Any state or political subdivision, but only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

(a) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the state or municipality; or

(b) "Bodily injury" or "property damage" included within the "products-completed operations hazard".

f. Any Other Party

(1) Any other person or organization who is not an insured under Paragraphs **a.** through **e**. above, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(a) In the performance of your ongoing operations;

(b) In connection with your premises owned by or rented to you; or

(c) In connection with "your work" and included within the "products-completed operations hazard", but only if

(i) The written contract or written agreement requires you to provide such coverage to such additional insured; and

(ii) This Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

(2) With respect to the insurance afforded to these additional insureds, this insurance does not apply to:

"Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(a) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Supervisory, inspection, architectural or engineering activities.

The limits of insurance that apply to additional insureds are described in Section **D.** – Limits Of Insurance.

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E.** – Liability And Medical Expenses General Conditions.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

D. LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE

1. The Most We Will Pay

The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:

a. Insureds;

b. Claims made or "suits" brought; or

c. Persons or organizations making claims or bringing "suits".

2. Aggregate Limits

The most we will pay for:

a. Damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" is the Products-Completed Operations Aggregate Limit shown in the Declarations.

b. Damages because of all other "bodily injury", "property damage" or "personal and advertising injury", including medical expenses, is the General Aggregate Limit shown in the Declarations.

This General Aggregate Limit applies separately to each of your "locations" owned by or rented to you.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway or right-of-way of a railroad.

This General Aggregate limit does not apply to "property damage" to premises while rented to you or temporarily occupied by you with permission of the owner, arising out of fire, lightning or explosion.

3. Each Occurrence Limit

Subject to **2.a.** or **2.b** above, whichever applies, the most we will pay for the sum of all damages because of all "bodily injury", "property damage" and medical expenses arising out of any one "occurrence" is the Liability and Medical Expenses Limit shown in the Declarations.

The most we will pay for all medical expenses because of "bodily injury" sustained by any one person is the Medical Expenses Limit shown in the Declarations.

4. Personal And Advertising Injury Limit

Subject to **2.b.** above, the most we will pay for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization is the Personal and Advertising Injury Limit shown in the Declarations.

5. Damage To Premises Rented To You Limit

The Damage To Premises Rented To You Limit is the most we will pay under Business Liability Coverage for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, lightning or explosion, while rented to you or temporarily occupied by you with permission of the owner.

In the case of damage by fire, lightning or explosion, the Damage to Premises Rented To You Limit applies to all damage proximately caused by the same event, whether such damage results from fire, lightning or explosion or any combination of these.

6. How Limits Apply To Additional Insureds

The most we will pay on behalf of a person or organization who is an additional insured under this Coverage Part is the lesser of:

a. The limits of insurance specified in a written contract, written agreement or permit issued by a state or political subdivision; or

b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to the Limits of Insurance shown in the Declarations and described in this Section.

If more than one limit of insurance under this policy and any endorsements attached thereto applies to any claim or "suit", the most we will pay under this policy and the endorsements is the single highest limit of liability of all coverages applicable to such claim or "suit". However, this paragraph does not apply to the Medical Expenses limit set forth in Paragraph **3.** above.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. LIABILITY AND MEDICAL EXPENSES GENERAL CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

(1) How, when and where the "occurrence" or offense took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive a written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation, settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization that may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insured's Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insured's Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs **a.** and **b.** apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

(1) You or any additional insured that is an individual;

(2) Any partner, if you or an additional insured is a partnership;

(3) Any manager, if you or an additional insured is a limited liability company;

(4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;

(5) Any trustee, if you or an additional insured is a trust; or

(6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

This Paragraph **f.** applies separately to you and any additional insured.

3. Financial Responsibility Laws

a. When this policy is certified as proof of financial responsibility for the future under the provisions of any motor vehicle financial responsibility law, the insurance provided by the policy for "bodily injury" liability and "property damage" liability will comply with the provisions of the law to the extent of the coverage and limits of insurance required by that law.

b. With respect to "mobile equipment" to which this insurance applies, we will provide any liability, uninsured motorists, underinsured motorists, no-fault or other coverage required by any motor vehicle law. We will provide the required limits for those coverages.

4. Legal Action Against Us

No person or organization has a right under this Coverage Form:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Form unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this insurance or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this policy to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom a claim is made or "suit" is brought.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

(1) The statements in the Declarations are accurate and complete;

(2) Those statements are based upon representations you made to us; and

(3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business at the inception date of this Coverage Part, we shall not deny any coverage under this Coverage Part because of such failure.

7. Other Insurance

If other valid and collectible insurance is available for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **A.** – Coverages.

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion **k.** of Section **A.** – Coverages.

(6) When You Are Added As An Additional Insured To Other Insurance

That is other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

That is other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this Coverage Part:

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract, written agreement or permit that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs **(a)** and **(b)** do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under this Coverage Part to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all the other insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them. This condition does not apply to Medical Expenses Coverage.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

F. OPTIONAL ADDITIONAL INSURED COVERAGES

If listed or shown as applicable in the Declarations, one or more of the following Optional Additional Insured Coverages also apply. When any of these Optional Additional Insured Coverages apply, Paragraph **6.** (Additional Insureds When Required by Written Contract, Written Agreement or Permit) of Section **C.**, Who Is An Insured, does not apply to the person or organization shown in the Declarations. These coverages are subject to the terms and conditions applicable to Business Liability Coverage in this policy, except as provided below:

1. Additional Insured - Designated Person Or Organization

WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

a. In the performance of your ongoing operations; or

b. In connection with your premises owned by or rented to you.

2. Additional Insured - Managers Or Lessors Of Premises

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured - Designated Person Or Organization; but only with respect to liability arising out of the ownership, maintenance or use of that part of the premises leased to you and shown in the Declarations.

b. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

(1) Any "occurrence" which takes place after you cease to be a tenant in that premises; or

(2) Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

3. Additional Insured - Grantor Of Franchise

WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured - Grantor Of Franchise, but only with respect to their liability as grantor of franchise to you.

4. Additional Insured - Lessor Of Leased Equipment

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured – Lessor of Leased Equipment, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your maintenance, operation or use of equipment leased to you by such person(s) or organization(s).

b. With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after you cease to lease that equipment.

5. Additional Insured - Owners Or Other Interests From Whom Land Has Been Leased

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured – Owners Or Other Interests From Whom Land Has Been Leased, but only with respect to liability arising out of the ownership, maintenance or use of that part of the land leased to you and shown in the Declarations.

b. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

(1) Any "occurrence" that takes place after you cease to lease that land; or

(2) Structural alterations, new construction or demolition operations performed by or on behalf of such person or organization.

6. Additional Insured - State Or Political Subdivision – Permits

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the state or political subdivision shown in the Declarations as an Additional

Insured – State Or Political Subdivision - Permits, but only with respect to operations performed by you or on your behalf for which the state or political subdivision has issued a permit.

b. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

(1) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the state or municipality; or

(2) "Bodily injury" or "property damage" included in the "product-completed operations" hazard.

7. Additional Insured – Vendors

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) (referred to below as vendor) shown in the Declarations as an Additional Insured - Vendor, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business and only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

b. The insurance afforded to the vendor is subject to the following additional exclusions:

(1) This insurance does not apply to:

(a) "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

(b) Any express warranty unauthorized by you;

(c) Any physical or chemical change in the product made intentionally by the vendor;

(d) Repackaging, unless unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

(e) Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

(f) Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

(g) Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

(h) "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(i) The exceptions contained in Subparagraphs **(d)** or **(f)**; or

(ii) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

(2) This insurance does not apply to any insured person or organization from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

8. Additional Insured – Controlling Interest

WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured – Controlling Interest, but only with respect to their liability arising out of:

a. Their financial control of you; or

b. Premises they own, maintain or control while you lease or occupy these premises.

This insurance does not apply to structural alterations, new construction and demolition operations performed by or for that person or organization.

9. Additional Insured – Owners, Lessees Or Contractors – Scheduled Person Or Organization

a. WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or organization(s) shown in the Declarations as an Additional Insured – Owner, Lessees Or Contractors, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

(1) In the performance of your ongoing operations for the additional insured(s); or

(2) In connection with "your work" performed for that additional insured and included within the "products-completed operations hazard", but only if this Coverage Part provides coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard".

b. With respect to the insurance afforded to these additional insureds, this insurance does not apply to "bodily injury", "property damage" or "personal an advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

(1) The preparing, approving, or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(2) Supervisory, inspection, architectural or engineering activities.

10. Additional Insured – Co-Owner Of Insured Premises

WHO IS AN INSURED under Section **C.** is amended to include as an additional insured the person(s) or Organization(s) shown in the Declarations as an Additional Insured – Co-Owner Of Insured Premises, but only with respect to their liability as co-owner of the premises shown in the Declarations.

The limits of insurance that apply to additional insureds are described in Section **D.** – Limits Of Insurance.

How this insurance applies when other insurance is available to an additional insured is described in the Other Insurance Condition in Section **E.** – Liability And Medical Expenses General Conditions.

G. LIABILITY AND MEDICAL EXPENSES DEFINITIONS

1. "Advertisement" means the widespread public dissemination of information or images that has the purpose of inducing the sale of goods, products or services through:

a. (1) Radio;

(2) Television;

(3) Billboard;

(4) Magazine;

(5) Newspaper;

b. The Internet, but only that part of a web site that is about goods, products or services for the purposes of inducing the sale of goods, products or services; or

c. Any other publication that is given widespread public distribution.

However, "advertisement" does not include:

a. The design, printed material, information or images contained in, on or upon the packaging or labeling of any goods or products; or

b. An interactive conversation between or among persons through a computer network.

2. "Advertising idea" means any idea for an "advertisement".

3. "Asbestos hazard" means an exposure or threat of exposure to the actual or alleged properties of asbestos and includes the mere presence of asbestos in any form.

4. "Auto" means a land motor vehicle, trailer or semi-trailer designed for travel on public roads, including any attached machinery or equipment. But "auto" does not include "mobile equipment".

5. "Bodily injury" means physical:

a. Injury;

b. Sickness; or

c. Disease

sustained by a person and, if arising out of the above, mental anguish or death at any time.

6. "Coverage territory" means:

a. The United States of America (including its territories and possessions), Puerto Rico and Canada;

b. International waters or airspace, but only if the injury or damage occurs in the course of travel or transportation between any places included in **a.** above;

c. All other parts of the world if the injury or damage arises out of:

(1) Goods or products made or sold by you in the territory described in **a.** above;

(2) The activities of a person whose home is in the territory described in **a**. above, but is away for a short time on your business; or

(3) "Personal and advertising injury" offenses that take place through the Internet or similar electronic means of communication

provided the insured's responsibility to pay damages is determined in the United States of America (including its territories and possessions), Puerto Rico or Canada, in a "suit" on the merits according to the substantive law in such territory, or in a settlement we agree to.

7. "Electronic data" means information, facts or programs:

a. Stored as or on;

b. Created or used on; or

c. Transmitted to or from

computer software, including systems and applications software, hard or floppy disks, CD-ROMS, tapes, drives, cells, data processing devices or any other media which are used with electronically controlled equipment.

8. "Employee" includes a "leased worker". "Employee" does not include a "temporary worker".

9. "Executive officer" means a person holding any of the officer positions created by your charter, constitution, by-laws or any other similar governing document.

10. "Hostile fire" means one which becomes uncontrollable or breaks out from where it was intended to be.

11. "Impaired property" means tangible property, other than "your product" or "your work", that cannot be used or is less useful because:

a. It incorporates "your product" or "your work" that is known or thought to be defective, deficient, inadequate or dangerous; or

b. You have failed to fulfill the terms of a contract or agreement;

if such property can be restored to use by:

a. The repair, replacement, adjustment or removal of "your product" or "your work"; or

b. Your fulfilling the terms of the contract or agreement.

12. "Insured contract" means:

a. A contract for a lease of premises. However, that portion of the contract for a lease of premises that indemnifies any person or organization for damage by fire, lightning or explosion to premises while rented to you or temporarily occupied by you with permission of the owner is subject to the Damage To Premises Rented To You limit described in Section **D.** – Liability and Medical Expenses Limits of Insurance.

b. A sidetrack agreement;

c. Any easement or license agreement, including an easement or license agreement in connection with construction or demolition operations on or within 50 feet of a railroad;

d. Any obligation, as required by ordinance, to indemnify a municipality, except in connection with work for a municipality;

e. An elevator maintenance agreement; or

f. That part of any other contract or agreement pertaining to your business (including an indemnification of a municipality in connection with work performed for a municipality) under which you assume the tort liability of another party to pay for "bodily injury" or "property damage" to a third person or organization, provided the "bodily injury" or "property damage" is caused, in whole or in part, by you or by those acting on your behalf. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

Paragraph **f.** includes that part of any contract or agreement that indemnifies a railroad for "bodily injury" or "property damage" arising out of construction or demolition operations within 50 feet of any railroad property and affecting any railroad bridge or trestle, tracks, road-beds, tunnel, underpass or crossing.

However, Paragraph **f.** does not include that part of any contract or agreement:

(1) That indemnifies an architect, engineer or surveyor for injury or damage arising out of:

(a) Preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders, designs or drawings and specifications; or

(b) Giving directions or instructions, or failing to give them, if that is the primary cause of the injury or damage; or

(2) Under which the insured, if an architect, engineer or surveyor, assumes liability for an injury or damage arising out of the insured's rendering or failure to render professional services, including those listed in **(1)** above and supervisory, inspection, architectural or engineering activities.

13. "Leased worker" means a person leased to you by a labor leasing firm under an agreement between you and the labor leasing firm, to perform duties related to the conduct of your business. "Leased worker" does not include a "temporary worker".

14. "Loading or unloading" means the handling of property:

a. After it is moved from the place where it is accepted for movement into or onto an aircraft, watercraft or "auto";

b. While it is in or on an aircraft, watercraft or "auto"; or

c. While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;

but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

15. "Mobile equipment" means any of the following types of land vehicles, including any attached machinery or equipment:

a. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads;

b. Vehicles maintained for use solely on or next to premises you own or rent;

c. Vehicles that travel on crawler treads;

d. Vehicles, whether self-propelled or not, on which are permanently mounted:

(1) Power cranes, shovels, loaders, diggers or drills; or

(2) Road construction or resurfacing equipment such as graders, scrapers or rollers;

e. Vehicles not described in **a.**, **b.**, **c.**, or **d.** above that are not self-propelled and are maintained primarily to provide mobility to permanently attached equipment of the following types:

(1) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or

(2) Cherry pickers and similar devices used to raise or lower workers;

f. Vehicles not described in **a.**, **b.**, **c.**, or **d.** above maintained primarily for purposes other than the transportation of persons or cargo.

However, self-propelled vehicles with the following types of permanently attached equipment are not "mobile equipment" but will be considered "autos":

(1) Equipment, of at least 1,000 pounds gross vehicle weight, designed primarily for:

(a) Snow removal;

(b) Road maintenance, but not construction or resurfacing; or

(c) Street cleaning;

(2) Cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and

(3) Air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

16. "Occurrence" means an accident, including continuous or repeated exposure to substantially the same general harmful conditions.

17. "Personal and advertising injury" means injury, including consequential "bodily injury", arising out of one or more of the following offenses:

a. False arrest, detention or imprisonment;

b. Malicious prosecution;

c. The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that the person occupies, committed by or on behalf of its owner, landlord or lessor;

d. Oral, written or electronic publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services;

e. Oral, written or electronic publication of material that violates a person's right of privacy;

f. Copying, in your "advertisement", a person's or organization's "advertising idea" or style of "advertisement";

g. Infringement of copyright, slogan, or title of any literary or artistic work, in your "advertisement"; or

h. Discrimination or humiliation that results in injury to the feelings or reputation of a natural person.

18. "Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

19. "Products-completed operations hazard";

a. Includes all "bodily injury" and "property damage" occurring away from premises you own or rent and arising out of "your product" or "your work" except:

(1) Products that are still in your physical possession; or

(2) Work that has not yet been completed or abandoned. However, "your work" will be deemed to be completed at the earliest of the following times:

(a) When all of the work called for in your contract has been completed.

(b) When all of the work to be done at the job site has been completed if your contract calls for work at more than one job site.

(c) When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

The "bodily injury" or "property damage" must occur away from premises you own or rent, unless your business includes the selling, handling or distribution of "your product" for consumption on premises you own or rent.

b. Does not include "bodily injury" or "property damage" arising out of:

(1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured; or

(2) The existence of tools, uninstalled equipment or abandoned or unused materials.

20. "Property damage" means:

a. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or

b. Loss of use of tangible property that is not physically injured. All such loss of use shall be deemed to occur at the time of "occurrence" that caused it.

As used in this definition, "electronic data" is not tangible property.

21. "Suit" means a civil proceeding in which damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies are alleged. "Suit" includes:

a. An arbitration proceeding in which such damages are claimed and to which the insured must submit or does submit with our consent; or

b. Any other alternative dispute resolution proceeding in which such damages are claimed and to which the insured submits with our consent.

22. "Temporary worker" means a person who is furnished to you to substitute for a permanent "employee" on leave or to meet seasonal or short-term workload conditions.

23. "Volunteer worker" means a person who:

a. Is not your "employee";

b. Donates his or her work;

c. Acts at the direction of and within the scope of duties determined by you; and

d. Is not paid a fee, salary or other compensation by you or anyone else for their work performed for you.

24. "Your product":

a. Means:

(1) Any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:

(a) You;

(b) Others trading under your name; or

(c) A person or organization whose business or assets you have acquired; and

(2) Containers (other than vehicles), materials, parts or equipment furnished in connection with such goods or products.

b. Includes:

(1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your product"; and

(2) The providing of or failure to provide warnings or instructions.

c. Does not include vending machines or other property rented to or located for the use of others but not sold.

25. "Your work":

a. Means:

(1) Work or operations performed by you or on your behalf; and

(2) Materials, parts or equipment furnished in connection with such work or operations.

b. Includes:

(1) Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of "your work"; and

(2) The providing of or failure to provide warnings or instructions.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

AMENDMENT - AGGREGATE LIMITS (PER PROJECT)

This endorsement modifies insurance provided under the following:

BUSINESS LIABILITY COVERAGE FORM

A. Section **D.** LIABILITY AND MEDICAL EXPENSES LIMITS OF INSURANCE is amended as follows:

1. The General Aggregate Limit under Section **D.** LIABILITY AND MEDICAL EXPENSES LIMIT OF INSURANCE applies separately to each of your "projects".

2. The limits shown in the Declarations for Liability and Medical Expenses, Damage To Premises Rented To You and Medical Expenses continue to apply.

3. When coverage for liability arising out of the "products-completed operations hazard" is provided, any payments for damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard" will reduce the Products-Completed Operations Aggregate Limit, and not reduce the General Aggregate Limit.

4. If the applicable "project" has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the "project" will still be deemed to be the same "project".

5. The provisions of Section **D.** LIABILITY AND MEDICAL EXPENSES LIMIT OF INSURANCE not otherwise modified by this endorsement shall continue to apply as stipulated.

B. Additional Definitions

The following definition is added to Section **G.** LIABILITY AND MEDICAL EXPENSES DEFINITIONS:

1. "Project" means "your work" at location(s) away from premises owned or rented to you.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: P1
2023-2082

BULK ITEM: No

DEPARTMENT: Planning & Environmental Resources

TIME APPROXIMATE:

STAFF CONTACT: Michael Roberts

AGENDA ITEM WORDING:

A Public Hearing To Consider Approval of a Resolution Approving the Issuance of a Special Permit to Allow a Temporary Construction Staging Area at Property Located at 131 Dubonnet Road, Tavernier, Monroe County, Florida.

ITEM BACKGROUND:

The applicant has requested a special permit to utilize the subject property for a temporary construction staging area. The staging area would facilitate the Tavernier Breakwater project being carried out by Monroe County.

Location: Key Largo (Tavernier), approximate mile marker 92 (Oceanside of US 1)

Address: 131 Dubonnet Road, Tavernier

Legal Description: Block 4 lot 13 Tavernier Ocean Shores Key Largo Plat Book 4 Page 112 having Real Estate (RE) Number 00483200-000000

Property Owner/Applicant: Ophelia & Jose Benito Sanchez

Agent: Josh Ptomey, WSP, USA.

Size of Site: 11,586 SF per Monroe County Property Appraiser

Land Use District: Improved Subdivision (IS)

Future Land Use Map (FLUM) Designation: Residential Medium (RM)

Tier Designation: Tier III

Flood Zone: VE-12; VE-13

Existing Use: Developed Land

Existing Vegetation/Habitat: Scarified/Developed

Community Character of Immediate Vicinity: Single family residential

REVIEW OF APPLICATION:

This project is part of the Water Quality Improvement Program being funded by Monroe County for Canal Restoration Demonstrations. The Scope of Work for the Tavernier Breakwater and Weed Barrier System Restoration is to repair the breakwater and add an air curtain and seaweed prevention system. During Hurricane Irma, the storm surge toppled the boulders over the breakwater, which prior to the storm was providing a significant level of resiliency and storm surge protection to the homes. With the breakwater structure now severely damaged, this low-lying subdivision is subject to frequent and persistent flooding due to storms, astronomical high tides, and sea level rise. The repair activities are to be completed to return the breakwater structure to its previous condition prior to Hurricane Irma. In addition, the breakwater provided a barrier to the heavy loading of floating seaweed coming in from the ocean during the extreme heat of the summer that now clogs the canals, causing severe water quality problems, respiratory and health issues and environmental disaster. Repairing the breakwater and adding the air curtain and seaweed prevention system will help maintain better water quality in the canal systems near the breakwater, helping residents avoid respiratory distress and other health problems.

The subject application is to provide for a temporary construction staging area for equipment and materials. Type of Equipment and Materials to be stored in Staging Area is limited to:

1. Trucks, clean fill material, and excavators to repair the breakwater and install the air curtain and seaweed barrier.

The BOCC has the authority to approve temporary construction staging areas in accordance with Monroe County Code (MCC) §6-3. A special permit may be granted by resolution of the BOCC to allow a property to be used as a construction staging area for an off-site project. The BOCC shall hold a public hearing on the request for a temporary construction staging area and shall issue a resolution granting, granting with conditions or denying the request. The resolution shall take effect on the date of enactment by the BOCC.

Applicability. A temporary construction staging area for an off-site project is a permitted activity in any land use (zoning) district, provided it is approved by a special permit and meets the criteria set forth in

MCC §6-3. This special permit shall approve the temporary construction staging area location and use and shall not override or substitute for any other provision of the Florida Building Code and Monroe County Code that require an additional type of building permit, certification or approval.

Criteria. Approval of such a special permit shall be granted only if the following criteria are met:

(1) The temporary construction staging area shall serve a project being carried out in the vicinity of the construction staging area: *In compliance*.

The proposed staging area serves the Tavernier Breakwater restoration project.

(2) The temporary construction staging area shall serve a project being carried out by a governmental agency: *In compliance*.

The breakwater restoration project is being carried out by Monroe County, Florida.

(3) The temporary construction staging area shall not be located in a tier I designated area: *In compliance.*

The proposed staging area is located on a property that is in a Tier III designated area.

(4) The property subject to the request shall be posted and surrounding property owners within 300 feet shall be notified in writing at least 15 days prior to the BOCC public hearing, with the notice located so it shall be easily visible from all public streets and public ways abutting the property: *In compliance.*

Planning & Environmental Resources Department staff shall carry out the notification as required.

(5) Prior to establishment of the temporary construction staging area, a special building permit approving any associated temporary structure shall be issued in accordance with MCC §6-112: *In compliance.*

The proposed staging area will not have any structure requiring a building permit.

(6) No clearing or filling shall occur to accommodate the temporary construction staging area: *In Compliance.*

The proposed staging area will be located in an open area of a developed lot. No native vegetation is proposed for clearing/removal.

(7) Other than fencing, no temporary structure associated with a temporary construction staging area shall be located in any required setback: *In compliance.*

According to the plans submitted with the application, no structure or storage will be located in a required setback.

(8) The temporary construction staging area shall be compatible with existing uses on surrounding properties, as determined by the BOCC. If necessary, prior to issuance of a special permit allowing the temporary construction staging area, the board may attach conditions to any special permit approval to

1. avoid substantial harm to public health or safety;
2. avoid substantial harm to, or impairment of the normal use of, a public place; and/or
3. avoid substantial harm to the environment.

Depending on the nature and anticipated duration of the use, as a condition of approval to the special permit, the board reserves the right to:

1. Provide a deadline for termination of the construction staging area;
2. Limit the hours of operation;
3. Limit the type of equipment and materials on the site;
4. Require fencing, landscaping and/or other screening to limit potential visual and noise impacts of the use on adjacent property owners; and
5. Require surface water management improvements to the affected site:

The BOCC reserves the right to attach such conditions to any special permit approval at the February 21, 2024 public hearing.

(9) The property shall be restored to its prior condition: *Compliance to be determined upon termination of the staging area.*

MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

To: The Monroe County Board of County Commissioners

Through: Emily Schemper, Senior Director of Planning & Environmental Resources

From: Michael Roberts, Assistant Director/Environmental Resources

Date: January 30, 2024

Subject: *A Public Hearing to consider a resolution of the Monroe County Board Of County Commissioners approving a special permit allowing a temporary construction staging area at property located at 131 Dubonnet Road Key Largo (Real Estate 00483200-000000), related to the Tavernier Breakwater Restoration Project.*

Meeting: February 21, 2024

I REQUEST:

The applicant has requested a special permit to utilize the subject property for a temporary construction staging area. The staging area would facilitate the Tavernier Brekawater project being carried out by Monroe County in Tavernier.

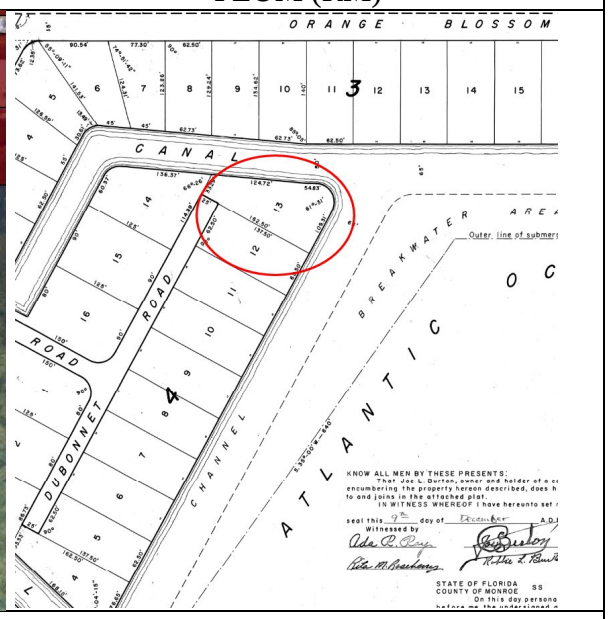
III REVIEW OF APPLICATION:

This project is part of the Water Quality Improvement Program being funded by Monroe County for Canal Restoration Demonstrations. The Scope of Work for the Tavernier Breakwater and Weed Barrier System Restoration is to repair the breakwater and add the air curtain and seaweed prevention system. During Hurricane Irma, the storm surge toppled the boulders over the breakwater, which prior to the storm was providing a significant level of resiliency and storm surge protection to the homes. With the breakwater structure now severely damaged, this low-lying subdivision is subject to frequent and persistent flooding due to storms, astronomical high tides, and sea level rise. The repair activities are to be completed to return the breakwater structure to its previous condition prior to Hurricane Irma. In addition, the breakwater provided a barrier to the heavy loading of floating seaweed coming in from the ocean during the extreme heat of the summer that now clogs the canals, causing severe water quality problems, respiratory and health issues and environmental disaster. Repairing the breakwater and adding the air curtain and seaweed prevention system will help maintain better water quality in the canal systems near the breakwater, helping residents avoid respiratory distress and other health problems.

The subject application is to provide for a temporary construction staging area for equipment and materials. Types of Equipment and Materials to be stored in Staging Area is limited to:

1. Trucks, clean fill material, and excavators to repair the breakwater and install the air curtain and seaweed barrier



Zoning (IS)

FLUM (RM)

Tier Overlay (Tier II)

Block 4 lot 13 Tavernier Ocean Shores

The BOCC has the authority to approve temporary construction staging areas in accordance with MCC §6-3. A special permit may be granted by resolution by the BOCC to allow a property to be used as a construction staging area for an off-site project. The BOCC shall hold a public hearing on the request for a temporary construction staging area and shall issue a resolution granting, granting with conditions or denying the request. The resolution shall take effect on the date of enactment by the BOCC.

Applicability. A temporary construction staging area for an off-site project is a permitted activity in any land use (zoning) district, provided it is approved by a special permit and meets

the criteria set forth in MCC §6-3. This special permit shall approve the temporary construction staging area location and use and shall not override or substitute for any other provision of the Florida Building Code and Monroe County Code that require an additional type of building permit, certification or approval.

Criteria. Approval of such a special permit shall be granted only if the following criteria are met:

(1) The temporary construction staging area shall serve a project being carried out in the vicinity of the construction staging area: *In compliance*.

The proposed staging area is adjacent to canal 90 and serves the Tavernier Breakwater restoration project.

(2) The temporary construction staging area shall serve a project being carried out by a governmental agency: *In compliance.*

The breakwater restoration project is being carried out by Monroe County, Florida.

(3) The temporary construction staging area shall not be located in a tier I designated area: *In compliance.*

The proposed staging area is located on a property that is in a Tier III designated area.

(4) The property subject to the request shall be posted and surrounding property owners within 300 feet shall be notified in writing at least 15 days prior to the BOCC public hearing, with the notice located so it shall be easily visible from all public streets and public ways abutting the property: *Compliance to be determined prior to public hearing.*

Planning & Environmental Resources Department staff shall carry out the notification as required.

(5) Prior to establishment of the temporary construction staging area, a special building permit approving any associated temporary structure shall be issued in accordance with MCC §6-112: *In compliance.*

The proposed staging area will not have any structure requiring a building permit.

(6) No clearing or filling shall occur to accommodate the temporary construction staging area: *In Compliance.*

The proposed staging area would be located in an open area of a developed lot. No native vegetation is proposed for clearing (removal).

(7) Other than fencing, no temporary structure associated with a temporary construction staging area shall be located in any required setback: *In compliance.*

According to the plans submitted with the application, no structure or storage will be located in a required setback.

(8) The temporary construction staging area shall be compatible with existing uses on surrounding properties, as determined by the BOCC. If necessary, prior to issuance of a special permit allowing the temporary construction staging area, the board may attach conditions to any special permit approval to
   a) avoid substantial harm to public health or safety;
   b) avoid substantial harm to, or impairment of the normal use of, a public place; and/or
   c) avoid substantial harm to the environment.

Depending on the nature and anticipated duration of the use, as a condition of approval to the special permit, the board reserves the right to:
   a) Provide a deadline for termination of the construction staging area;
   b) Limit the hours of operation;
   c) Limit the type of equipment and materials on the site;
   d) Require fencing, landscaping and/or other screening to limit potential visual and noise impacts of the use on adjacent property owners; and
   e) Require surface water management improvements to the affected site:

The BOCC reserves the right to attach such conditions to any special permit approval at the February 21, 2024 public hearing.

(9) The property shall be restored to its prior condition: *Compliance to be determined upon termination of the staging area.*

IV RECOMMENDATION:

The Planning & Environmental Resources Department recommends approval.

B. CONSTRUCTION NOTES

1. PROJECT LOCATION: LAT: 25° 2' 40.39" N LONG: 80° 29' 10.48" W

2. DESCRIPTION: THE BREAKWATER STRUCTURE IS LOCATED IN THE ROCK HARBOR AREA OF KEY LARGO. THIS AREA EXPERIENCED SOME OF THE HIGHEST AND MOST AGGRESSIVE STORM SURGES DURING HURRICANE IRMA, DESTROYING MANY HOMES AND CAUSING SIGNIFICANT FLOOD AND WIND DAMAGE TO OTHERS. DURING HURRICANE IRMA, THE STORM SURGE TOPPLED THE BOULDERS OVER THE BREAKWATER, WHICH PRIOR TO THE STORM WAS PROVIDING A SIGNIFICANT LEVEL OF RESILIENCY AND STORM SURGE PROTECTION TO THE HOMES. WITH THE BREAKWATER STRUCTURE NOW SEVERELY DAMAGED, THIS LOW-LYING SUBDIVISION IS SUBJECT TO FREQUENT AND PERSISTENT FLOODING DUE TO STORMS, ASTRONOMICAL HIGH TIDES, AND SEA LEVEL RISE. THEIR HOMES ARE THREATENED NOW WITH STORM SURGE AND HIGH WAVES THAT WILL COME CRASHING THROUGH THEIR LIVING ROOMS IN A STORM EVENT AND POTENTIALLY CAUSING COMPLETE LOSS OF THEIR HOMES.

IN ADDITION, THE BREAKWATER PROVIDED A BARRIER TO THE HEAVY LOADING OF FLOATING SEAWEED COMING IN FROM THE OCEAN DURING THE EXTREME HEAT OF THE SUMMER THAT NOW CLOGS THEIR CANALS, CAUSING SEVERE WATER QUALITY PROBLEMS, RESPIRATORY AND HEALTH ISSUES AND ENVIRONMENTAL DISASTER. REPAIRING THE BREAKWATER AND ADDING THE AIR CURTAIN AND SEAWEED PREVENTION SYSTEM WILL HELP MAINTAIN BETTER WATER QUALITY IN THE CANAL SYSTEMS NEAR THE BREAKWATER, HELPING RESIDENTS AVOID RESPIRATORY DISTRESS AND OTHER HEALTH PROBLEMS.

3. CONSTRUCTION AND DEMOLITION DEBRIS SHOULD BE REMOVED FROM THE SITE AND DISPOSED ACCORDING TO FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION CHAPTER 62-701.

4. SEQUENCE OF MAJOR ACTIVITIES:
   (1) INSTALL TEMPORARY EROSION AND SEDIMENTATION CONTROLS AND MAINTAIN THROUGHOUT PROJECT
   (2) CONSTRUCT STAGING AREA
   (3) REMOVE EXISTING BREAKWATER
   (4) CONSTRUCT BREAKWATER ACCORDING TO TECHNICAL SPECIFICATIONS AND PLANS
   (5) ADD NEW AIR CURTAIN AND SEAWEED BARRIER SYSTEM
   (6) OBTAIN FINAL APPROVAL, REMOVE EROSION AND SEDIMENTATION CONTROLS AND STABILIZE ANY AREA DISTURBED BY THEIR REMOVAL.

5. AREA ESTIMATES: PROJECT BOUNDARY = 6 ACRES ; 262,623 SQ FT.

6. MONROE COUNTY AND THE CONTRACTOR SHALL HAVE A PRE-CONSTRUCTION MEETING TO DISCUSS THE COMPLEXITY AND POTENTIAL PUBLIC CONCERNS WITH THE PROJECT.

7. COORDINATES AND ELEVATIONS SHOWN HEREON ARE RELATIVE TO THE NORTH AMERICAN DATUM OF 1983, 2011 ADJUSTMENT, PROJECTED IN THE FLORIDA STATE PLANE COORDINATE SYSTEM, FLORIDA EAST ZONE 901, US SURVEY FEET, AND; THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 88) BASED ON GLOBAL POSITIONING SYSTEM (GPS) MEASUREMENTS TO THE NATIONAL GEODETIC SURVEY (NGS) CONTROL MONUMENTS LISTED BELOW.

DESIGNATION - TMJ1	DESIGNATION - F 666
PID - AC4852	PID - DR3365
NORTHING: 251,257.33	NORTHING: 258,635.37
EASTING: 818,404.14	EASTING: 824,570.67
ELEVATION: 5.52'	ELEVATION: 5.19'

C. TEMPORARY EROSION AND SEDIMENT CONTROL

1. CONTRACTOR SHALL INSTALL PRIOR TO AND MAINTAIN DURING CONSTRUCTION ALL SEDIMENT CONTROL MEASURES AS REQUIRED TO RETAIN ALL SEDIMENTS ON THE SITE. IMPROPER SEDIMENT CONTROL MEASURES MAY RESULT IN CODE ENFORCEMENT VIOLATIONS.
2. ALL SILT FENCES AND TURBIDITY BARRIERS MUST BE PLACED AS ACCESS IS OBTAINED DURING CLEARING. NO GRADING SHALL BE DONE UNTIL SILT FENCE AND TURBIDITY BARRIERS ARE INSTALLED.
3. SILT FENCE AND TURBIDITY BARRIERS ARE TO BE PLACED AS SHOWN AND/OR DIRECTED BY ENGINEER.
4. EROSION CONTROL MEASURES WILL BE INSPECTED AT LEAST DAILY, AFTER EACH RAIN AND REPAIRED BY THE GENERAL CONTRACTOR. CLEAN OUT OF SEDIMENT CONTROL STRUCTURES WILL BE PERFORMED BY THE CONTRACTOR WHEN SEDIMENT HAS ACCUMULATED TO ONE-THIRD (1/3) OF THE HEIGHT OF THE INDIVIDUAL STRUCTURE FOR TEMPORARY SEDIMENT BASINS & RETROFITTED DETENTION PONDS, ONE-HALF (1/2) FULL FOR SILT FENCE, TURBIDITY BARRIERS, CHECK DAMS, ROCK FILTER DAMS, AND INLET SEDIMENT TRAPS.
5. THE CONTRACTOR IS RESPONSIBLE FOR LOCATING SEDIMENT AND EROSION CONTROL MEASURES TO PROVIDE OPTIMUM SEDIMENT AND EROSION CONTROL. SEDIMENT AND EROSION CONTROL MEASURES SHALL COMPLY WITH CHAPTER 6 OF THE FLORIDA DEVELOPMENT MANUAL.
6. ADDITIONAL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE INSTALLED IF DEEMED NECESSARY BY ON-SITE INSPECTION OF MONROE COUNTY DESIGNATED REPRESENTATIVE.
7. THE CONTRACTOR SHALL PROTECT ANY EXISTING DITCHES, WETLAND VEGETATION, STORM DRAIN PIPES, AND INLETS IN THE VICINITY OF WORK TO BE PERFORMED FROM DAMAGE OR SILTATION, WHETHER OR NOT SPECIFICALLY IDENTIFIED IN THE PLANS.
8. EROSION CONTROL MEASURES DESCRIBED SHALL BE MAINTAINED UNTIL PERMANENT DRAINAGE FACILITIES HAVE BEEN RECONSTRUCTED AND GRASS ON PLANTED SLOPES IS SUFFICIENTLY ESTABLISHED TO BE AN EFFECTIVE EROSION DETERRENT.
9. CONSTRUCTION EXITS SHALL BE MAINTAINED IN A CONDITION WHICH WILL PREVENT TRACKING OR FLOW OF MUD INTO PUBLIC STREETS. IF TRACKING OR FLOW OF MUD OCCURS, CONTRACTOR SHALL CONSTRUCT A SOIL TRACKING PREVENTION DEVICE IN ACCORDANCES WITH FDOT DESIGN STANDARD 2010, INDEX NO. 106.
10. TEMPORARY PROTECTION DEVICES MUST BE MAINTAINED UNTIL PROJECT COMPLETION OR VEGETATION MEASURES ARE ESTABLISHED.
11. REMOVE ALL TEMPORARY EROSION CONTROL MEASURES UPON ESTABLISHMENT OF PERMANENT VEGETATION OR PROJECT COMPLETION.
12. SILT FENCE AND TURBIDITY BARRIERS SHALL MEET THE REQUIREMENTS OF FDOT DESIGN STANDARDS 2010, INDEX NO. 102 AND 103.
13. CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR CONTROL OF EROSION WITHIN THE WORK SITE AND PREVENTION OF SEDIMENTATION OF ANY ADJACENT OR DOWNSTREAM WATERWAYS. THE EROSION AND SEDIMENTATION CONTROL MEASURES SHOWN ON THE PLANS ARE THE MINIMUM REQUIREMENTS. THE CONTRACTOR'S METHODS OF OPERATION MAY DICTATE ADDITIONAL EROSION AND SEDIMENTATION CONTROL MEASURES. THE CONTRACTOR SHALL BE RESPONSIBLE FOR DETERMINING AND INSTALLING ADDITIONAL MEASURES.
14. ANY DISTURBED AREA LEFT EXPOSED FOR A PERIOD GREATER THAN 20 DAYS SHALL BE STABILIZED WITH MULCH OR TEMPORARY SEEDING.
15. EROSION CONTROL MEASURES WILL BE MAINTAINED AT ALL TIMES. IF FULL IMPLEMENTATION OF THE APPROVED PLAN DOES NOT PROVIDE FOR EFFECTIVE EROSION CONTROL, ADDITIONAL EROSION AND SEDIMENT CONTROL MEASURES SHALL BE IMPLEMENTED TO CONTROL OR TREAT THE SEDIMENT SOURCE.
16. NOTIFY APPROPRIATE MONROE COUNTY REPRESENTATIVE 72 HOURS PRIOR TO COMMENCEMENT OF CONSTRUCTION.
17. THE CONTRACTOR SHALL BE SOLEY RESPONSIBLE FOR ENSURING ALL PERMIT REQUIREMENTS FOR TURBIDITY ARE MET. THE TURBIDITY LEVELS WITHIN THE CANAL SHALL NOT EXCEED 29 NTU'S ABOVE BACKGROUND AND THE LEVELS OUTSIDE THE CANAL (OUTSTANDING FLORIDA WATERS) SHALL NOT EXCEED 0 NTU'S ABOVE BACKGROUND. THE TURBIDITY MONITORING WILL BE PERFORMED BY MONROE COUNTY REPRESENTATIVE AND SHALL BE LOGGED DAILY WITH A METER AND DATA SHALL BE KEPT ONSITE THROUGHOUT CONSTRUCTION.

D. EXISTING INFRASTRUCTURE

1. THE CONTRACTOR IS RESPONSIBLE FOR REPLACING EXISTING INFRASTRUCTURE THAT IS IMPACTED DURING CONSTRUCTION TO MATCH EXISTING CONDITIONS.

E. EXISTING UTILITIES

1. THE CONTRACTOR IS RESPONSIBLE FOR NOTIFYING ALL PERTINENT UTILITIES COMPANIES 48 HOURS PRIOR TO CONSTRUCTION FOR LOCATION OF UNDERGROUND UTILITY LINES.
2. IN THE EVENT THE UTILITIES ARE DAMAGED, THE CONTRACTOR SHALL RESTORE TO MATCH EXISTING CONDITIONS AND NOTIFY THE PERTINENT UTILITY COMPANY IMMEDIATELY.

2. THE BATHYMETRIC DATA FOR PROJECT WAS OBTAINED BY WOOD IN NOVEMBER 2021, SEE SIGNED AND SEALED SURVEY FOR ADDITIONAL NOTES. ELECTRONIC FILES OF THE DATA WILL BE SUPPLIED TO CONTRACTORS FOR BIDDING PURPOSES.

3. CONTRACTOR TO PROVIDE THE COUNTY WITH A PRE AND POST CONSTRUCTION VIDEO, AS DETAILED IN THE TECHNICAL SPECIFICATIONS. DAMAGE TO ANY SEAWALLS, BOAT LIFTS AND OTHER PRIVATE PROPERTY DURING CONSTRUCTION SHALL BE REPLACED BY CONTRACTOR AT NO COST TO THE COUNTY TO MATCH EXISTING CONDITIONS. IF THE CONTRACTOR REQUIRES USE OF A PRIVATE HOMEOWNER LOT OR COUNTY RIGHT OF WAY FOR STORAGE OF EQUIPMENT, THE CONTRACTOR MUST OBTAIN COUNTY PERMISSION AND THE STORAGE MAY NOT BE ALLOWED UNTIL A PROPOSED TEMPORARY USE ORDINANCE IS APPROVED AND BECOMES EFFECTIVE.

4. THE CONTRACTOR SHALL LOCATE AND IDENTIFY ALL UNDER GROUND AND ABOVE GROUND UTILITIES WITHIN THE PROJECT BOUNDARY. IN THE EVENT, THE UTILITIES ARE IMPACTED THE CONTRACTOR SHALL NOTIFY THE UTILITY COMPANY AND MONROE COUNTY IMMEDIATELY AND REPLACE TO MATCH EXISTING CONDITIONS.

Rcvd 01.08.2024 Planning & Enviro Res File 2024-008

1 PROPOSED SITE PLAN

Scale: 1"=70'

LEGEND

- MONROE COUNTY PARCELS (2018)
- PROJECT LIMITS (6 ACRES; 262,623 SQ FT)
- EXISTING TAVERNIER BREAKWATER
- PROPOSED UPLAND STAGING AREA
- SEAWEED BARRIER (PERMANENT)
- AIR CURTAIN (PERMANENT)
- EXISTING CONTOURS
- PROPOSED CONTOURS

NOTES:

1. COORDINATES & ELEVATIONS SHOWN HEREON ARE RELATIVE TO THE NORTH AMERICAN DATUM OF 1983/2011 ADJUSTMENT (NAD83/11) WITH VALUES EXPRESSED IN U.S. SURVEY FEET, FLORIDA STATE PLANE COORDINATE SYSTEM (FSPCS) EAST ZONE 901, AND THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 88)

2. THE BATHYMETRIC DATA FOR PROJECT WAS OBTAINED BY WOOD IN NOVEMBER 2021, SEE SIGNED AND SEALED SURVEY FOR ADDITIONAL NOTES. ELECTRONIC FILES OF THE DATA WILL BE SUPPLIED TO CONTRACTORS FOR BIDDING PURPOSES.

3. CONTRACTOR MAY REUSE THE EXISTING ROCK WITHIN THE BREAKWATER TO REBUILD THE NEW BREAKWATER AS LONG AS IT MEETS OR EXCEEDS SIZE AND SPECIFICATIONS.

4. NO EXCAVATION / DREDGING IS REQUIRED FOR THE DEMOLITION, THE PURPOSED OF THE DEMOLITION PORTION IS JUST TO REMOVE THE EXISTING ROCK ABOVE EXISTING GRADE TO ALLOW FOR FREE FLOW OF SARGASSO ALONG THE PROPOSED BREAKWATER TO PREVENT STACKING IN THE CANAL OPENING IN FRONT OF THE PROPOSED AIR CURTAIN SYSTEM. THE ROCK BEING REMOVED FROM THE DEMOLISHED BREAKWATER SECTION WILL BE USED IN THE PROPOSED REPAIR SECTION OF THE BREAKWATER.

MONROE COUNTY, FLORIDA
RESOLUTION NO. ____ -2024

A RESOLUTION APPROVING THE ISSUANCE OF A SPECIAL PERMIT ALLOWING A TEMPORARY CONSTRUCTION STAGING AREA FOR A CANAL RESTORATION/WATER QUALITY IMPROVEMENT PROJECT AT PROPERTY LEGALLY DESCRIBED AS LOT 13, BLOCK 4, TAVERNIER OCEAN SHORES, ACCORDING TO THE PLAT THEREOF, AS RECORDED IN PLAT BOOK 4, PAGE 112, OFFICIAL RECORDS OF MONROE COUNTY, FLORIDA, HAVING A CURRENT ADDRESS OF 131 DUBONNET ROAD, TAVERNIER, MONROE COUNTY, FLORIDA, AND CURRENTLY BEARING PROPERTY IDENTIFICATION NUMBER 00483200-000000.

WHEREAS, an application has been received seeking a special permit allowing a temporary construction staging area at property located at 131 Dubonnet Road, Tavernier, approximately located at mile marker 92 (ocean-side); and

WHEREAS, the Monroe County Board of County Commissioners ("Monroe County", "Board", "BOCC", or the "County") desires to grant the special permit allowing a temporary construction staging area; and

WHEREAS, the temporary construction staging area would facilitate a canal restoration/water quality improvement project being carried out by Monroe County; and

WHEREAS, due notice has been carried out and a public hearing has been held in accordance with Monroe County § 6-3; and

WHEREAS, at said public hearing, the Board considered the full record created before it; and

WHEREAS, the Monroe County BOCC hereby makes the following findings of fact and conclusions of law:

1. The temporary construction staging area is not inconsistent with any of the criterion provided in Monroe County Code of Ordinances § 6-3;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. Title, Recitals, Findings of Fact, and Conclusions of Law. The foregoing title, recitals, findings of fact, and conclusions of law are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The foregoing findings of fact and conclusions of law support the Monroe County BOCC's decision to approve the instant request for issuance of this special permit, subject to the following approval conditions:

1. The temporary construction staging area shall only be used in association with the Tavernier breakwater restoration project in Tavernier,
2. The expected commencement date of the temporary construction staging area is no earlier than April 1, 2024. Construction will not extend beyond six (6) months and the termination date of the temporary construction staging area shall be no later than April 30, 2025.
3. Other than fencing, no temporary structure associated with the temporary construction staging area shall be located in any required setback.
4. Upon termination of the temporary construction staging area, the property shall be restored to its prior condition.

Section 3. Construction and Interpretation. This Resolution and its interpretation shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adverse administrative proceedings, at trial, in bankruptcy, and on appeal, and all provisions of the Monroe County Comprehensive Plan, Monroe County Codes, Florida Statutes, floodplain management regulations, and Florida Building Code whose interpretation arises out of, relates to, or is interpreted in connection with this Resolution shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adversarial administrative proceedings, at trial, in bankruptcy, and on appeal.

Section 4. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 5. Severability. If any provision of this Resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this Resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: P2
2023-2091

BULK ITEM: No

DEPARTMENT: Planning & Environmental Resources

TIME APPROXIMATE:

STAFF CONTACT: Michael Roberts

AGENDA ITEM WORDING:

A Public Hearing to Consider Approval of a Resolution Approving the Issuance of a Special Permit Allowing a Temporary Construction Staging Area at Property Located at 137 Ivanhoe Court, Tavernier, Monroe County, Florida.

ITEM BACKGROUND:
The applicant has requested a special permit to utilize the subject property for a temporary construction staging area. The staging area would facilitate the Canal No. 90 backfill project being carried out by Monroe County in Tavernier.

BACKGROUND INFORMATION:

Location: Key Largo (Tavernier), approximate mile marker 93 (Bayside of US 1)

Address: 137 Ivanhoe Court, Tavernier

Legal Description: Lot 260 And West 10 Feet Of Lot 261 Hammer Point Park Plat Book 6 Page 35 Key Largo having Real Estate (RE) Number 00480111-026000

Property Owner/Applicant: Robert Piezon

Agent: Josh Ptomey, WSP, USA.

Size of Site: 7,280 SF per Monroe County Property Appraiser

Land Use District: Urban Residential – Mobile Home (URM)

Future Land Use Map (FLUM) Designation: Residential High (RH)

Tier Designation: Tier III

Flood Zone: VE-13

Existing Use: Developed Land

Existing Vegetation/Habitat: Scarified/Developed

Community Character of Immediate Vicinity: Single family residential

REVIEW OF APPLICATION:

This project is part of the Water Quality Improvement Program being funded by Monroe County for Canal Restoration. The purpose of the project is to place clean fill material to promote flushing within the unnamed manmade canal located between Hilson Court and Ivanhoe Court, in Tavernier, Florida. The contractor will backfill within the canal to a specified elevation (-8.5') according to technical specifications and plans to eliminate the anoxic zone and promote a viable benthic community. Shallow draft barges will mobilize to the project site utilizing well documented channels to ensure no harm is done to benthic communities within the FKNMS. Once inside the canal with the turbidity barrier in place, the shallow draft barges will be anchored using either spud bars or ropes. The fill material will be placed from land onto the barge systems using a conveyor belt or long reach excavator and will be placed into the water from the barge with an excavator or contractor selected system approved by Monroe County and WSP. Filling of the canal will commence from the front of the canal and will progress towards the rear. If turbid water is observed in between the turbidity barriers at levels that may increase the turbidity in Outstanding Florida Waters (OFW) above background, the contractor will immediately cease operations and install additional turbidity barriers within the canal at pre-determined locations based on where the barges are located at that time and allow for turbidity to subside near the mouth of the canal prior to recommencing operation. The contractor will employ a method of emplacement of the backfill that does not cause turbidity to exceed 0.0 NTUs above the background outside the turbidity curtain at the canal mouth. This will primarily consist of lowering the material into the water rather than dropping it from the excavator bucket.

The subject application is to provide for a temporary construction staging area for equipment and materials. Type of Equipment and Materials to be stored in Staging Area is limited to:

- Clean fill material and long reach excavators to place material from staging area to the canal barge.

The BOCC has the authority to approve temporary construction staging areas in accordance with Monroe County Code (MCC) §6-3. A special permit may be granted by resolution of the BOCC to allow a property to be used as a construction staging area for an off-site project. The BOCC shall hold a public hearing on the request for a temporary construction staging area and shall issue a resolution

granting, granting with conditions or denying the request. The resolution shall take effect on the date of enactment by the BOCC.

Applicability. A temporary construction staging area for an off-site project is a permitted activity in any land use (zoning) district, provided it is approved by a special permit and meets the criteria set forth in MCC §6-3. This special permit shall approve the temporary construction staging area location and use and shall not override or substitute for any other provision of the Florida Building Code and Monroe County Code that require an additional type of building permit, certification or approval.

Criteria. Approval of such a special permit shall be granted only if the following criteria are met:

(1) The temporary construction staging area shall serve a project being carried out in the vicinity of the construction staging area: *In compliance*.

The proposed staging area is adjacent to canal 90 and serves the Canal 90 backfill restoration project.

(2) The temporary construction staging area shall serve a project being carried out by a governmental agency: *In compliance*.

The Canal 90 backfill restoration project is being carried out by Monroe County, Florida.

(3) The temporary construction staging area shall not be located in a tier I designated area: *In compliance.*

The proposed staging area is located on a property that is in a Tier III designated area.

(4) The property subject to the request shall be posted and surrounding property owners within 300 feet shall be notified in writing at least 15 days prior to the BOCC public hearing, with the notice located so it shall be easily visible from all public streets and public ways abutting the property: *In compliance.*

Planning & Environmental Resources Department staff shall carry out the notification as required.

(5) Prior to establishment of the temporary construction staging area, a special building permit approving any associated temporary structure shall be issued in accordance with MCC §6-112: *In compliance.*

The proposed staging area will not have any structure requiring a building permit.

(6) No clearing or filling shall occur to accommodate the temporary construction staging area: *In Compliance.*

The proposed staging area would be located in an open area of a developed lot (Lot 260). No native vegetation is proposed for clearing/removal.

(7) Other than fencing, no temporary structure associated with a temporary construction staging area shall be located in any required setback: *In compliance.*

According to the plans submitted with the application, no structure or storage will be located in a required setback.

(8) The temporary construction staging area shall be compatible with existing uses on surrounding properties, as determined by the BOCC. If necessary, prior to issuance of a special permit allowing the temporary construction staging area, the board may attach conditions to any special permit approval to

1. avoid substantial harm to public health or safety;
2. avoid substantial harm to, or impairment of the normal use of, a public place; and/or
3. avoid substantial harm to the environment.

Depending on the nature and anticipated duration of the use, as a condition of approval to the special permit, the board reserves the right to:

1. Provide a deadline for termination of the construction staging area;
2. Limit the hours of operation;
3. Limit the type of equipment and materials on the site;
4. Require fencing, landscaping and/or other screening to limit potential visual and noise impacts of the use on adjacent property owners; and
5. Require surface water management improvements to the affected site:

The BOCC reserves the right to attach such conditions to any special permit approval at the February 21, 2024 public hearing.

(9) The property shall be restored to its prior condition: *Compliance to be determined upon termination of the staging area.*

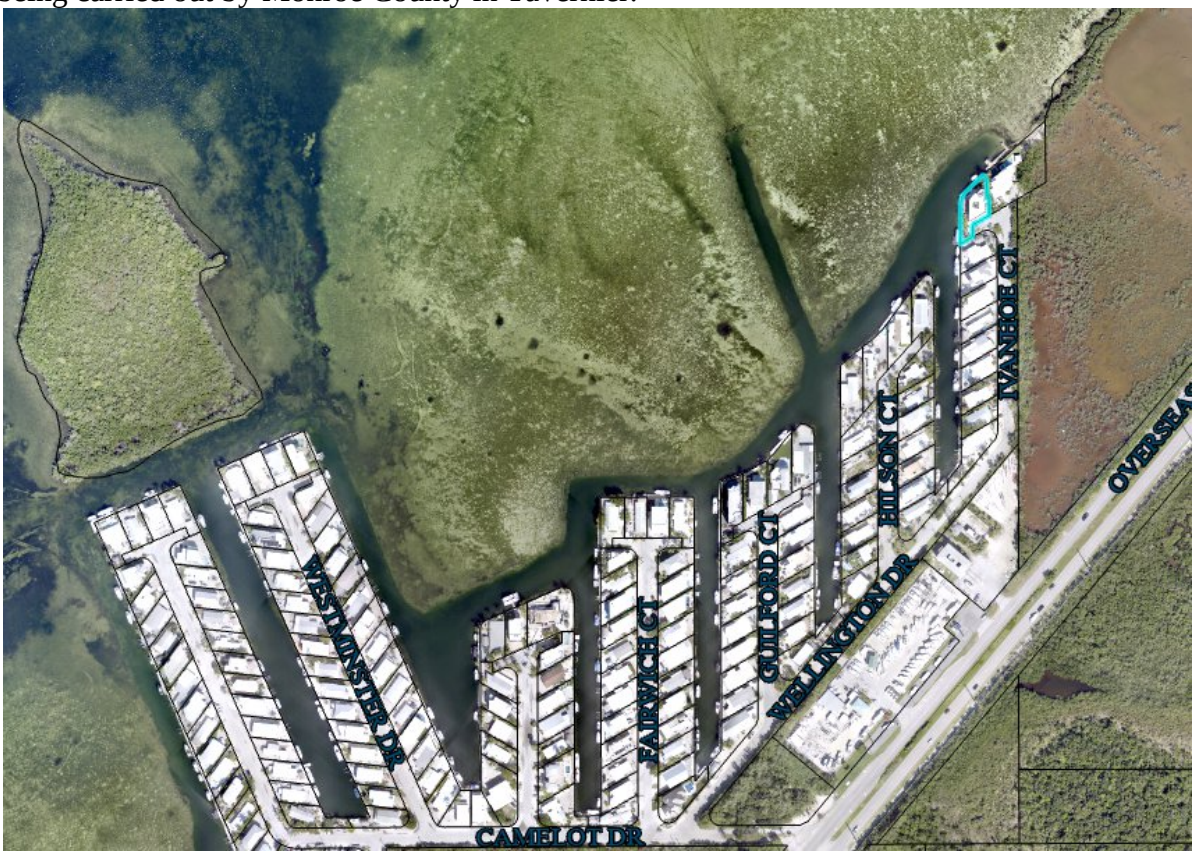
MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

To: The Monroe County Board of County Commissioners

Through: Emily Schemper, Senior Director of Planning & Environmental Resources

From: Michael Roberts, Assistant Director/Environmental Resources



Date: January 30, 2024

Subject: *A public hearing to consider a resolution for the approval of a special permit allowing a temporary construction staging area at property located at 137 Ivanhoe Court Key Largo (Real Estate 00480111-026000), related to the Canal 90 Backfill project.*

Meeting: February 21, 2024

I REQUEST:

The applicant has requested a special permit to utilize the subject property for a temporary construction staging area. The staging area would facilitate the Canal 90 backfill project being carried out by Monroe County in Tavernier.

Subject Property in Blue (Aerial dated 2023)

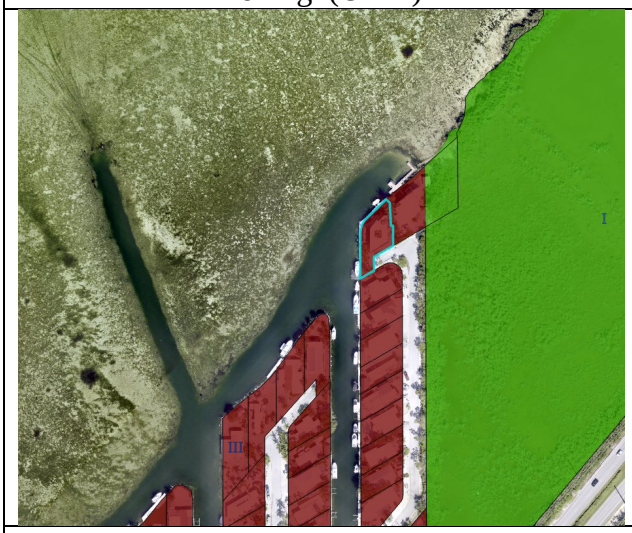
III REVIEW OF APPLICATION:

This project is part of the Water Quality Improvement Program being funded by Monroe County for Canal Restoration. The purpose of the project is to place clean fill material to promote flushing within the unnamed manmade canal located between Hilson Court and Ivanhoe Court, in Tavernier, Florida. The contractor will backfill within the canal to a specified elevation (-8.5') according to technical specifications and plans to eliminate the anoxic zone and promote a viable benthic community. Shallow draft barges will mobilize to the project site utilizing well documented channels to ensure no harm is done to benthic communities within the FKNMS. Once inside the canal with the turbidity barrier in place, the shallow draft barges will be anchored using either spud bars or ropes. The fill material will be placed from land onto the barge systems using a conveyor belt or long reach excavator and will be placed into the water from the barge with an excavator or contractor selected system approved by Monroe County and WSP. Filling of the canal will commence from the front of the canal and will progress towards the rear. If turbid water is observed in between the turbidity barriers at levels that may increase the turbidity in Outstanding Florida Waters (OFW) above background, the contractor will immediately cease operations and install additional turbidity barriers within the canal at pre-determined locations based on where the barges are located at that time and allow for turbidity to subside near the mouth of the canal prior to recommencing operation. The contractor will employ a method of emplacement of the backfill that does not cause turbidity to exceed 0.0 NTUs above the background outside the turbidity curtain at the canal mouth. This will primarily consist of lowering the material into the water rather than dropping it from the excavator bucket.

The subject application is to provide for a temporary construction staging area for equipment and materials. Types of Equipment and Materials to be stored in Staging Area is limited to:



- Clean fill material and long reach excavators to place material from staging area to the canal barge.

Zoning (URM)

FLUM (RH)

Tier Overlay (Tier II)

Hammer Point Lot 260

The BOCC has the authority to approve temporary construction staging areas in accordance with MCC §6-3. A special permit may be granted by resolution by the BOCC to allow a property to be used as a construction staging area for an off-site project. The BOCC shall hold a public hearing on the request for a temporary construction staging area and shall issue a resolution granting, granting with conditions or denying the request. The resolution shall take effect on the date of enactment by the BOCC.

Applicability. A temporary construction staging area for an off-site project is a permitted activity in any land use (zoning) district, provided it is approved by a special permit and meets the criteria set forth in MCC §6-3. This special permit shall approve the temporary construction staging area location and use and shall not override or substitute for any other provision of the Florida Building Code and Monroe County Code that require an additional type of building permit, certification or approval.

Criteria. Approval of such a special permit shall be granted only if the following criteria are met:

(1) The temporary construction staging area shall serve a project being carried out in the vicinity of the construction staging area: *In compliance*.

The proposed staging area is adjacent to canal 90 and serves the Canl 90 backfill restoration project.

(2) The temporary construction staging area shall serve a project being carried out by a governmental agency: *In compliance*.

The breakwater restoration project is being carried out by Monroe County, Florida.

(3) The temporary construction staging area shall not be located in a tier I designated area: *In compliance.*

The proposed staging area is located on a property that is in a Tier III designated area.

(4) The property subject to the request shall be posted and surrounding property owners within 300 feet shall be notified in writing at least 15 days prior to the BOCC public hearing, with the notice located so it shall be easily visible from all public streets and public ways abutting the property: *Compliance to be determined prior to public hearing.*

Planning & Environmental Resources Department staff shall carry out the notification as required.

(5) Prior to establishment of the temporary construction staging area, a special building permit approving any associated temporary structure shall be issued in accordance with MCC §6-112: *In compliance.*

The proposed staging area will not have any structure requiring a building permit.

(6) No clearing or filling shall occur to accommodate the temporary construction staging area: *In Compliance.*

The proposed staging area would be located in an open area of a developed lot (Lot 260). No native vegetation is proposed for clearing (removal).

(7) Other than fencing, no temporary structure associated with a temporary construction staging area shall be located in any required setback: *In compliance.*

According to the plans submitted with the application, no structure or storage will be located in a required setback.

(8) The temporary construction staging area shall be compatible with existing uses on surrounding properties, as determined by the BOCC. If necessary, prior to issuance of a special permit allowing the temporary construction staging area, the board may attach conditions to any special permit approval to

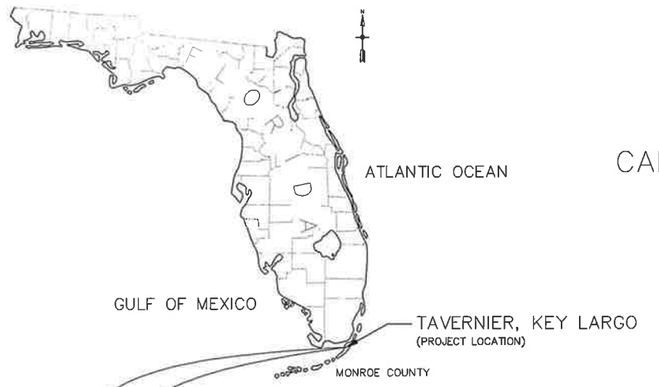
a) avoid substantial harm to public health or safety;
b) avoid substantial harm to, or impairment of the normal use of, a public place; and/or
c) avoid substantial harm to the environment.

Depending on the nature and anticipated duration of the use, as a condition of approval to the special permit, the board reserves the right to:

a) Provide a deadline for termination of the construction staging area;
b) Limit the hours of operation;
c) Limit the type of equipment and materials on the site;
d) Require fencing, landscaping and/or other screening to limit potential visual and noise impacts of the use on adjacent property owners; and
e) Require surface water management improvements to the affected site:

The BOCC reserves the right to attach such conditions to any special permit approval at the February 21, 2024 public hearing.

(9) The property shall be restored to its prior condition: *Compliance to be determined upon termination of the staging area.*



IV RECOMMENDATION:

The Planning & Environmental Resources Department recommends approval.

3016

GENERAL NOTES

1. PROJECT OWNER'S NAME AND ADDRESS:
   MONROE COUNTY PUBLIC WORKS AND ENGINEERING
   1100 SIMONTON STREET
   KEY WEST, FL 33040
2. PROJECT LOCATION: LAT: 25° 1' 44.20" LONG: 80° 30' 27.42"
3. AREA ESTIMATE OF PROPOSED AREA OF WORK IS 0.96 ± ACRES.
4. PROJECT STREET ADDRESS: CANAL #90 WELLINGTON DRIVE, TAVERNIER, FLORIDA 33070
5. IT IS CONTRACTORS RESPONSIBILITY TO REVIEW ALL DRAWINGS AND SPECIFICATIONS FOR COMPLETENESS AND ACCURACY. ALL DISCREPANCIES IN PLANS OR SPECIFICATIONS ARE TO BE BROUGHT UP IN WRITING TO MONROE COUNTY.
6. CONSTRUCTION WORK SHALL NOT TAKE PLACE OUTSIDE OF THE DESIGNATED STAGING AREA(S) LIMITS UNLESS APPROVED BY MONROE COUNTY.
7. THE AWARDED CONTRACTOR SHALL HAVE PRE-CONSTRUCTION MEETING WITH MONROE COUNTY TO DISCUSS COMPLEXITY, PUBLIC OUTREACH, AND SPECIAL CONSIDERATIONS WITH THE PROJECT.
8. THE CONTRACTOR SHALL CONTACT THE SUNSHINE STATE ONE CALL OF FLORIDA, INC. UTILITIES NOTIFICATION CENTER AT 811 (OR AT 800-432-4770) AT LEAST 48 HOURS PRIOR TO MOBILIZATION OR ANY CONSTRUCTION ACTIVITIES.
9. THE CONTRACTOR SHALL DEVELOP AND IMPLEMENT MAINTENANCE OF TRAFFIC (MOT) PLAN IN ACCORDANCE WITH FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT) AND LOCAL REQUIREMENTS. THE CONTRACTOR SHALL SUBMIT MOT PLAN TO MONROE COUNTY FOR REVIEW AND APPROVAL PRIOR TO BEGINNING OF THE WORK. ONCE MOT IS APPROVED CONTRACTOR SHALL INSTALL SPECIFIED MOT PLAN ROAD SIGNS AND ROAD WORK ZONE PROTECTION WHEN WORKING ALONG ACCESS ROADS.
10. DESCRIPTION: DUE TO THE INLAND RECEDED POSITION OF THE CANAL AND LACK OF TIDAL FLUSHING, THE CANAL FLOOR DOES NOT SUPPORT MACROFLORA AND MACROFAUNA COMMUNITIES. HABITAT-FORMING COMMUNITIES ARE ABSENT. THE CANAL FLOOR HAS A RELATIVELY UNIFORM LAYER OF BIOFILM RESPONSIBLE FOR PRODUCTION OF HYDROGEN SULFIDE WHICH IS PREVENTING THE INHABITANCE OF FISH AND OTHER MARINE ORGANISMS.
11. SCOPE OF WORK: BACKFILL THE CANAL TO THE SPECIFIED ELEVATION INDICATED IN THE ECOLOGICAL REPORT AND SHOWN ON THE PLANS. REMOVE CONSTRUCTION AND DEMOLITION DEBRIS FROM SITE'S PREMISES AND DISPOSE ALL DEBRIS ACCORDING TO RELEVANT FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (FDEP) REGULATIONS.
12. PRE-CONSTRUCTION AND CONSTRUCTION SEQUENCE OF MAJOR ACTIVITIES AS FOLLOWS:
    - 12.1. SCHEDULE PRE-CONSTRUCTION (KICK-OFF) MEETING WITH MONROE COUNTY AND SUBCONTRACTORS.
    - 12.2. SECURE ALL PERMITS.
    - 12.3. CONTACT THE SUNSHINE STATE ONE CALL OF FLORIDA, INC. UTILITIES NOTIFICATION CENTER.
    - 12.4. IMPLEMENT APPROVED MOT PLAN.
    - 12.5. INSTALL TEMPORARY EROSION AND SEDIMENTATION CONTROLS (ESC) TO BE MAINTAINED THROUGHOUT THE DURATION OF THE PROJECT.
    - 12.6. CONSTRUCT STAGING AREA(S).
    - 12.7. BACKFILL CANAL ACCORDING TO PRESCRIBED TECHNICAL RECOMMENDATIONS AND PLANS
    - 12.8. STABILIZE DISTURBED AREAS AS NEEDED.
    - 12.9. OBTAIN FINAL APPROVAL TO REMOVE EROSION AND SEDIMENTATION CONTROLS AND STABILIZE ANY AREA DISTURBED DURING THE DEMOBILIZATION AND ESC REMOVAL PROCESS.

SURVEY

13. CANAL AND LAND SURVEY WAS CONDUCTED BY FLORIDA KEYS LAND SURVEYING ON 11/30/2021. INFORMATION FROM THIS SURVEY ARE INCLUDED ON THESE DESIGN DOCUMENTS. REFER TO THE SURVEY INCLUDED IN THE CONTRACT DOCUMENTS FOR ITS LIMITATIONS.
14. HORIZONTAL COORDINATES AND BEARINGS SHOWN ARE REFERENCED TO GRID NORTH, BASED ON THE 2011 ADJUSTMENT OF THE NORTH AMERICAN DATUM OF 1983 (NAD 83/2011), OF THE FLORIDA STATE PLANE COORDINATE SYSTEM (TRANSVERSE MERCATOR PROJECTION), EAST ZONE (0901).
15. COORDINATES WERE ESTABLISHED BY A REAL-TIME KINEMATIC (RTK) GNSS CONTROL SURVEY WHICH IS CERTIFIED TO A 2 CENTIMETER LOCAL ACCURACY, RELATIVE TO THE NEAREST CONTROL POINT WITHIN THE NATIONAL GEODETIC SURVEY (NGS) GEODETIC CONTROL NETWORK.
16. METHOD: WIDE AREA CONTINUOUSLY OPERATING GPS REFERENCE STATION NETWORK (TRIMBLE VRS).
17. ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 1988).
18. BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK: DESIGNATION B 276, P.I.D. AC0454, ELEVATION 3.40' (NAVD 1988).
19. ALL UNITS ARE SHOWN IN U.S. SURVEY FEET.

TEMPORARY EROSION AND SEDIMENTATION CONTROLS

20. THE EROSION AND SEDIMENTATION CONTROL MEASURES, SHOWN ON PLAN SHEET C300 AND DETAIL SHEETS C700 AND C701, ARE THE MINIMUM RECOMMENDED. IF PROPOSED EROSION CONTROL SYSTEM DOES NOT PERFORM SATISFACTORY, ALTERNATIVE OR ADDITIONAL METHODS OF PROTECTION SHALL BE IMPLEMENTED BY THE CONTRACTOR IN ORDER TO COMPLY WITH THE REGULATORY AGENCY. SIGNIFICANT ADDITIONS AND/OR MODIFICATIONS SHALL BE APPROVED BY THE PROJECT ENGINEER.
21. THE CONTRACTOR SHALL MINIMIZE THE IMPACTS TO SURROUNDING AREAS OUTSIDE THE LIMITS OF CONSTRUCTION FROM EROSION, SEDIMENTATION, AND RUNOFF.
22. INSTALLATION, INSPECTIONS AND REPAIRS MUST BE CONDUCTED UNDER THE DIRECTION AND SUPERVISION OF QUALIFIED PERSONNEL.
23. IN THE AREAS WHERE CONSTRUCTION ACTIVITIES HAVE BEEN SUSPENDED FOR MORE THAN 7 DAYS OR PERMANENTLY CEASED, THE DISTURBED GROUND SHALL BE STABILIZED AS SOON AS PRACTICABLE. NO DISTURBED GROUND SHALL BE LEFT UNSTABILIZED FOR THE PERIOD LONGER THAN 14 DAYS.
24. IF TECHNICAL INFORMATION FROM THE EROSION CONTROL MANUFACTURER CONTRADICTS TO THE SIMILAR INFORMATION DEPICTED IN SPECIFICATIONS, PLANS, AND DETAILS THE MOST RESTRICTIVE APPLIES.
25. IF TRENCHING IS NOT POSSIBLE DUE TO (THE IMPERMEABLE) GROUND CONDITIONS COMPOSITE FILTER SOCK CAN BE INSTALLED IN LIEU OF SILT FENCE.
26. ALL EROSION CONTROLS SHALL BE SUFFICIENTLY MAINTAINED UNTIL COMPLETION OF THE PROJECT.
27. PROTECT EXISTING AND PROPOSED STORMWATER INLETS DURING CONSTRUCTION WITH APPLICABLE AND APPROPRIATE SEDIMENTATION CONTROLS.
28. THE CONTRACTOR SHALL TAKE ALL REASONABLE MEANS AND METHODS TO ELIMINATE THE TRANSPORT OF DUST AND LOOSE SEDIMENT FROM THE PROJECT SITE. SWEEP ROADS AND CONSTRUCTION SITE PERIODICALLY TO REMOVE CONSTRUCTION DEBRIS AND SEDIMENT. SPECIAL MEASURES, SUCH AS PERIODICALLY APPLYING WATER TO THE WORK SITE TO PREVENT DUST SHALL BE INCORPORATED INTO THE CONTRACTOR'S WORK PLAN.
29. DISTURBED GRASSED AREAS SHALL BE RE-SODDED AND RESTORED PRIOR TO PROJECT TURN-OVER. ALL AREAS DISTURBED, DAMAGED, OR DEGRADED BY THE CONTRACTOR SHALL BE RESTORED TO PRE-CONSTRUCTION CONDITION OR BETTER.
30. IT IS THE CONTRACTOR'S RESPONSIBILITY TO COMPLY WITH ALL REQUIREMENTS OF THE FDEP AND OTHER RELEVANT PERMITS FOR STORMWATER DISCHARGE FROM LARGE AND SMALL CONSTRUCTION ACTIVITIES AND SWPPP. ALL DISCHARGE FROM DEWATERING OPERATIONS SHALL BE CONTAINED ON-SITE.
31. REFER TO DETAIL SHEET (C700) FOR DESIGN CRITERIA AND CONSTRUCTION OF SILT FENCE, FLOATING AND STAKED TURBIDITY BARRIERS, COMPOSITE FILTER SOCK, AND DETAIL SHEET (C701) FOR SOIL TRACKING PREVENTION DEVICE (STPD).
32. REFER TO DETAIL SHEET (C700) FOR SILT FENCE INSPECTION FREQUENCY AND MAINTENANCE.

EXISTING INFRASTRUCTURE AND UTILITIES

33. THE CONTRACTOR IS RESPONSIBLE FOR NOTIFYING ALL PERTINENT UTILITY COMPANIES/AGENCIES PRIOR TO CONSTRUCTION.
34. THE CONTRACTOR SHALL CONTACT THE SUNSHINE STATE ONE CALL OF FLORIDA, INC. UTILITIES NOTIFICATION CENTER AT 811 (OR AT 800-432-4770) AT LEAST 48 HOURS PRIOR TO MOBILIZATION OR ANY CONSTRUCTION ACTIVITIES.
35. AT ALL TIMES DURING CONSTRUCTION, THE CONTRACTOR SHALL ENSURE THAT THE PROJECT AREA IS ACCESSIBLE TO MONROE COUNTY AND OTHER UTILITY AGENCY REPRESENTATIVES.
36. IT SHALL BE CONTRACTOR'S SOLE RESPONSIBILITY TO TAKE NECESSARY PRECAUTIONS WHEN CONDUCTING WORK IN THE VICINITY OF THE EXISTING UTILITY LINES.
37. CONTRACTOR SHALL VERIFY PROPER CLEARANCE BELOW EXISTING OVERHEAD LINES PRIOR TO COMMENCEMENT OF CONSTRUCTION ACTIVITIES. THE CONTRACTOR SHALL MAINTAIN MINIMAL CLEARANCE TO ALL OVERHEAD POWER LINES AS REQUIRED BY OCCUPATIONAL SAFETY AND HEALTH ADMINISTRATION (OSHA) 1910.269(k)(2)(i).
38. IN THE EVENT OF DAMAGED UTILITY LINE (OR ITS FEATURE), THE CONTRACTOR IS RESPONSIBLE FOR REPAIR/REPLACEMENT OF THE DAMAGED UTILITY LINE (OR ITS COMPONENT). THE PERTINENT UTILITY COMPANY AND MONROE COUNTY SHALL BE IMMEDIATELY NOTIFIED BY THE CONTRACTOR.
39. ALL DAMAGED SUSTAINED TO EXISTING INFRASTRUCTURE SHALL BE REPAIRED/REPLACED BY THE CONTRACTOR AND RESTORED TO MATCH PRE-CONSTRUCTION CONDITIONS OR BETTER.

NOTES:

1. ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NORTH AMERICAN VERTICAL DATUM OF 1988 (NAVD 1988).
2. CANAL AND LAND SURVEY WAS CONDUCTED BY FLORIDA KEYS LAND SURVEYING ON 11/30/2021.
3. THE CONTRACTOR SHALL LOCATE AND IDENTIFY ALL UNDER AND ABOVE GROUND UTILITIES WITHIN THE PROJECT BOUNDARY.
3. LOCATIONS OF GUY POLES, UTILITY POLES, OVERHEAD POWER LINES, AND CATCH BASINS ARE APPROXIMATE. OFF-THE-GROUND POWER LINE HEIGHT CLEARANCES SHALL BE VERIFIED BY THE RESPONSIBLE CONTRACTOR.
4. BOAT LIFT LOCATIONS ARE APPROXIMATE.
5. THE IDENTIFIED CATCH BASIN AND STORMWATER DRAINAGE CULVERT MUST BE PROTECTED AT ALL TIMES AND REMAIN FUNCTIONING DURING CONSTRUCTION.

GENERAL NOTES

1. A Soil Tracking Prevention Device (STPD) shall be constructed at locations designated by the engineer for points of egress from unstabilized areas of the project to public roads where offsite tracking of mud could occur. Traffic from unstabilized areas of the construction project shall be directed thru a STPD. Barriers, flagging, or other positive means shall be used as required to limit and direct vehicular egress across the STPD.
2. The Contractor may propose an alternative technique to minimize offsite tracking of sediment. The alternative must be reviewed and approved by the Engineer prior to its use.
3. All materials spilled, dropped, or tracked onto public roads (including the STPD aggregate and construction mud) shall be removed daily, or more frequently if so directed by the Engineer.
4. Aggregates shall be as described in Section 901 excluding 901-2.3. Aggregates shall be FDOT size #1. If this size is not available, the next available smaller size aggregate may be substituted with the approval of the Engineer. Sizes containing excessive small aggregate will track off the project and are unsuitable.
5. The sediment pit should provide a retention volume of 3600 cubic feet/acre of surface area draining to the pit. When the STPD is isolated from other drainage areas, the following pit volumes will satisfy this requirement:

   $15' \times 50' \times 100\ ft^3$ $\qquad$ $30' \times 50' = 200\ ft^3$

   As an option to the sediment pit, the width of the swale bottom can be increased to obtain the volume. When the sediment pit or swale volume has been reduced to one half, it shall be cleaned. When a swale is used, hay bales or silt fence shall be placed along the entire length.
6. The swale ditch draining the STPD shall have a 0.2% minimum and a 1.0% maximum grade along the STPD and to the sediment pit.
7. Mitered end sections are not required when the sidedrain pipe satisfies the clear zone requirements.
8. The STPD shall be maintained in a condition that will allow it to perform its function. To prevent offsite tracking, the STPD shall be rinsed (daily when in use) to move accumulated mud downward thru the stone. Additional stabilization of the vehicular route leading to the STPD may be required to limit the mud tracked.
9. A STPD shall be paid for under the contract unit price for Soil Tracking Prevention Device, EA. The unit price shall constitute full compensation for construction, maintenance, replacement of materials, removal, and restoration of the area utilized for the STPD; including but not limited to excavation, grading, temporary pipe (including MES when required), filter fabric, aggregate, paved turnout (including asphalt and base construction), ditch stabilization, approach route stabilization, sediment removal and disposal, water, rinsing and cleaning of the STPD and cleaning of public roads, grassing and sod. Hay bales shall be paid for under the contract unit price for Hay or Straw Baled, EA. Silt fence shall be paid for under the contract unit price for Staked Silt Fence, LF.
10. The nominal size of a standard STPD is 15' x 50' unless otherwise shown in the plans. If the volume of entering and exiting vehicles warrant, a 30' width STPD may be used if approved by the Engineer. When a double width (30') STPD is used, the pay quantity shall be 2 for each location.

NOTES:

1. DEPICTED DETAIL, SOIL TRACKING PREVENTION DEVICE TYPE A, (STPD), IS REFERENCED FROM FDOT DATABASE AND IS NOT TO SCALE.
2. REFER TO GENERAL NOTES SECTION FOR IMPLEMENTATION, MAINTENANCE AND SPECIAL CONSIDERATIONS OF EROSION AND SEDIMENTATION CONTROL DEVICES.
3. ALL WORK DONE SHALL BE IN ACCORDANCE WITH EPA, FDEP, USACE, SFWMD, FDOT, AND MONROE COUNTY BEST MANAGEMENT PRACTICES AND EROSION CONTROL SPECIFICATIONS. THE MOST CONSERVATIVE SPECIFICATION SHALL GOVERN.
4. CONTRACTOR MAY CHOOSE TO USE AN APPROVED SOIL TRACKING PREVENTION PAD SYSTEM. CONTRACTOR IS RESPONSIBLE FOR REPAIR TO ANY DAMAGE TO EXISTING ASPHALT ROAD CAUSED BY SOIL TRACKING PREVENTION SYSTEM.

MONROE COUNTY, FLORIDA
RESOLUTION NO. ____ -2024

A RESOLUTION APPROVING THE ISSUANCE OF A SPECIAL PERMIT ALLOWING A TEMPORARY CONSTRUCTION STAGING AREA FOR A CANAL RESTORATION/WATER QUALITY IMPROVEMENT PROJECT AT PROPERTY LEGALLY DESCRIBED AS LOT 260 AND WEST 10 FEET OF LOT 261 HAMMER POINT PARK, PLAT BOOK 6, PAGE 35, OFFICIAL RECORDS OF MONROE COUNTY, FLORIDA, HAVING A CURRENT ADDRESS OF 137 IVANHOE COURT ("CT.") AND CURRENTLY BEARING PROPERTY IDENTIFICATION NUMBER 00480111-026000.

WHEREAS, an application has been received seeking a special permit to allow a temporary construction staging area at the above-referenced property located at 137 Ivanhoe Ct., Tavernier approximately located at mile marker 93.5 (bayside); and

WHEREAS, the subject property is more particularly legally described as Lot 260 And West 10 Feet Of Lot 261 Hammer Point Park, Plat Book 6, Page 35, Key Largo, as recorded at Plat Book 6, Page 35, of the Official Records of Monroe County, Florida; and

WHEREAS, the Monroe County Board of County Commissioners ("Monroe County", "Board", "BOCC", or the "County") desires to grant the special permit allowing a temporary construction staging area; and

WHEREAS, the temporary construction staging area would facilitate a canal restoration/water quality improvement project being carried out by Monroe County; and

WHEREAS, due notice has been carried out and a public hearing has been held in accordance with Monroe County Code of Ordinances Section 6-3; and

WHEREAS, at said public hearing, the Monroe County BOCC considered the full record created before it; and

WHEREAS, the Monroe County BOCC hereby makes the following findings of fact and conclusions of law:

1. The temporary construction staging area is not inconsistent with any of the criterion provided in Monroe County Code of Ordinances § 6-3;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. Title, Recitals, Findings of Fact, and Conclusions of Law. The foregoing title, recitals, findings of fact, and conclusions of law are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The foregoing findings of fact and conclusions of law support the Monroe County BOCC's decision to approve the instant request for issuance of this special permit, subject to the following approval conditions:

1. The temporary construction staging area shall only be used in association with the canal restoration project for Canal No. 90 backfilling at said site.
2. The expected commencement date of the temporary construction staging area is February 2024. The termination date of the temporary construction staging area shall be no later than June 2024.
3. Other than fencing, no temporary structure associated with the temporary construction staging area shall be located in any required setback.
4. Upon termination of the temporary construction staging area, the property shall be restored to its prior condition.

Section 3. Construction and Interpretation. This Resolution and its interpretation shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adverse administrative proceedings, at trial, in bankruptcy, and on appeal, and all provisions of the Monroe County Comprehensive Plan, Monroe County Codes, Florida Statutes, floodplain management regulations, and Florida Building Code whose interpretation arises out of, relates to, or is interpreted in connection with this Resolution shall be liberally construed and enforced in favor of the Monroe County BOCC and such interpretation shall be entitled to and granted great weight in adversarial administrative proceedings, at trial, in bankruptcy, and on appeal.

Section 4. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 5. Severability. If any provision of this Resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this Resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 21st day of February, 2024.

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: P3
2023-1987

BULK ITEM: No

DEPARTMENT: Fire Rescue

TIME APPROXIMATE:
N/A

STAFF CONTACT: James K. Callahan

AGENDA ITEM WORDING: A public hearing to consider an application for issuance of a Class B Certificate of Public Convenience and Necessity COPCN to Aloha Medical Services for the operation of a BLS Transport Service, as well as a Non-Emergency Transport Service in Monroe County, Florida, except for within the city limits of Marathon. for the period 02/01/2024 through 01/31/2026 for responding to requests for inter-facility transports. Aloha Medical Services is not permitted to perform 911 emergency response work in Monroe County.

ITEM BACKGROUND:
Aloha Medical Services has submitted an application for a new Class B COPCN. The Class B COPCN will be for the period commencing on 02/01/2024 and ending on 01/31/2026.

Monroe County Code Sections 11-171 et seq., requires the BOCC to hold a public hearing to consider the application for a new certificate. At the hearing, the Board may receive a report from the County Administrator or his designee, testimony from the applicant or any other interested party, and other relevant information. The Board will consider the public's convenience and necessity for the proposed service and whether the applicant has the ability to provide the necessary service(s). The Board shall then authorize the issuance of the certificate with such conditions as are in the public's interest or deny the application, setting forth the reason(s) for denial.

Per County Ordinance, all existing COPCN holders were notified via email of the Public Hearing for the new COPCN.

Wauchula, FL 33873

Dear Monroe County Officials,

Thank you for taking the time to review our application for COPCN. We appreciate the City of Marathon Fire Chief's past request for a carve-out and understand the importance of ensuring effective transportation services in the community.

At Aloha Medical Services, we are committed to maintaining a collaborative relationship with the County of Monroe, including Marathon, and addressing the unique needs and considerations of the community. Our transport intentions involve providing interfacility transports from Marathon and other keys to alleviate the burden of lengthy transfers. Freeing the county and city ambulances to focus on emergency responses.

We value open communication and are open to further discussions to better understand any specific concerns or requirements that the City of Marathon and Monroe County may have. Our goal is to contribute positively to the community by providing reliable and efficient transportation services while respecting and accommodating the requests and priorities of local authorities.

If there are specific details or additional information you would like to discuss, please do not hesitate to reach out. We look forward to the opportunity to collaborate and contribute to the transportation needs of Monroe County and all the cities within.

Best Regards,

Craig Daw

Board of County Commissioners Meeting
February 21, 2024
Agenda Item Number: P4
2023-2077

BULK ITEM: No

DEPARTMENT: Planning & Environmental Resources

TIME APPROXIMATE:

STAFF CONTACT: Emily Schemper

AGENDA ITEM WORDING:

A Public Hearing to Consider Approval of a Request to Terminate a July 2014 Development Agreement by and between Longstock II LLC d/b/a Stock Island Marina Village ("SIMV") and Successors-in-Interest Stock Island Owner LLC and KW Perry LLC and the Monroe County Board of County Commissioners ("BOCC"), Relating to That Certain Property Located at 7001 and 7025 Shrimp Road, Stock Island, Monroe County, Florida, Currently Having Property Identification Numbers 00123761-000400 and 00123761-000800.

ITEM BACKGROUND:

The applicant has submitted a request that the Monroe County BOCC terminate a ten (10) year Development Agreement that was approved between Monroe County, Florida and Longstock II, LLC d/b/a Stock Island Marina Village (SIMV), conceptually approving the redevelopment of Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island.

In accordance with Monroe County Land Development Code (LDC) Section 110-76, notwithstanding anything contained in this article or elsewhere in this Land Development Code, when a conditional use is also a Development of Regional Impact or is to be the subject of a Development Agreement under the Florida Local Government Development Agreement Act (F.S. Section 163.3220 et seq.) the final development approval, and the approval of any deviations therefrom, shall be reserved to the BOCC as provided by general law.

F.S. 163.3225 provides the following:
(1) Before entering into, amending, or revoking a development agreement, a local government shall conduct at least two public hearings. At the option of the governing body, one of the public hearings may be held by the local planning agency.
(2)(a) Notice of intent to consider a development agreement shall be advertised approximately 7 days before each public hearing in a newspaper of general circulation and readership in the county where the local government is located. Notice of intent to consider a development agreement shall also be mailed to all affected property owners before the first public hearing. The day, time, and place at which the

second public hearing will be held shall be announced at the first public hearing.
(b) The notice shall specify the location of the land subject to the development agreement, the development uses proposed on the property, the proposed population densities, and the proposed building intensities and height and shall specify a place where a copy of the proposed agreement can be obtained.

PREVIOUS RELEVANT BOCC ACTION:
On July 16, 2014, the Monroe County BOCC passed and adopted BOCC Resolution No. 177-2014 approving a Development Agreement between Monroe County, Florida and Longstock II, LLC d/b/a Stock Island Marina Village (SIMV), conceptually approving the redevelopment of Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island. This agreement shall remain in effect for ten (10) years.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:
N/A

STAFF RECOMMENDATION: Approval to hold a second public hearing to terminate the subject Development Agreement in accordance with Section III.(K.)(c.) of the Development Agreement.

RE: Stock Island Owner LLC and KW Perry LLC – Request to Terminate Development Agreement Dated July 16, 2014, and Recorded in Book 2696, Page 1445 of the Official Records of Monroe County, Florida.

Dear Emily,

Please allow this correspondence to serve as Stock Island Owner, LLC and KW Perry LLC, each a Florida limited liability company (collectively "Owner")'s formal request to terminate that certain development agreement dated July 16, 2014, and recorded in Book 2696, Page 1445 of the Official Records of Monroe County, Florida (the "Development Agreement").

The Development Agreement was entered into by **LONGSTOCK II, LLC,** a Florida limited liability company, d/b/a Stock Island Marina Village ("SIMV") and **MONROE COUNTY, FLORIDA**, a Political Subdivision of the State of Florida ("Monroe County") for the redevelopment of the property located at 7001 and 7009 Shrimp Road, Stock Island, Florida.

Fla. Stat. § 163.3237 provides that a development agreement may be amended or canceled by mutual consent of the parties to the agreement or by their successors in interest, and Article III(K)(c)(iii) of the Development Agreement provides that an amendment, extension, or termination shall require at least two (2) public hearings. The hearings shall be held pursuant to an application filed with Monroe County by the Party seeking to amend or terminate this Agreement, along with the requisite filing fee. Notice of public hearing shall be in accordance with Monroe County Ordinances and Florida Statutes.

Owner owns the Property, as shown by those certain Special Warranty Deeds recorded in Book 3218, Page 0606; Book 3218, Page 0610; and Book 3218, Page 0618 of the Official Records of Monroe County, and is the successor in interest to SIMV, and is therefore permitted to request termination of the Development Agreement.

Owner therefore requests that this termination request be scheduled for the two (2) required public meetings at the earliest opportunity, and specifically requests that it be heard at the January 24, 2024, Monroe County Planning Commission meeting and the February 21, 2024, Monroe County Board of County Commissioners meeting for final approval.

Enclosed please find a check in the amount of $2,580.00 representing the required filing fee, advertising, and surrounding property owner notice fees.

If you require anything further, or have any questions and/or concerns, please do not hesitate to contact our office.

Sincerely,

Barton W. Smith

AGENDA ITEM SUMMARY

Meeting Date: July 16, 2014
Bulk Item: Yes ___ No _X_

Division: Growth Management
Staff Contact Person/Phone #: Christine Hurley 289-2517
Joseph Haberman 289-2532

AGENDA ITEM WORDING: A public hearing to adopt a resolution approving a Development Agreement, pursuant to Chapter 163.3220 F.S., between Longstock II, LLC and Monroe County, Florida agreeing to a conceptual plan to redevelop Stock Island Marina Village, located at 700 and 7009 Shrimp Road on Stock Island.

(Statutorily Required Public Hearing)

ITEM BACKGROUND:
The agreement involves the redevelopment of Stock Island Marina Village, located at 700 and 7009 Shrimp Road on Stock Island. The new development would include commercial retail, office, commercial fishing, light industrial and hotel uses. The development will be consistent with the policies of the Comprehensive Plan, including but not limited to Policy 101.4.5, and the provisions of the Monroe County Code. Public access is permitted from 7:00 a.m. until dusk.

More specifically, the maximum new development would include:

- A hotel with up to 100 hotel rooms;
- A restaurant with up to 150 seats and up to 4,000 square feet of floor area;
- A marine services and retail building, a rum distillery, a fish house retail and distribution building, and an environmental resource building consisting of up to 40,000 square feet;
- Additional amenities ancillary and accessory to the hotel use, including a lobby, gatehouse, offices, fitness center, bath house, maintenance, housekeeping and watersports consisting of up to 10,000 square feet; and
- Parking areas and landscaping.
- Required working waterfront preservation pursuant to Comprehensive Plan Policy 101.4.5:
  - Working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.
  - At least 20% of the existing wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
  - At least 10% of the new wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
  - The preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
  - Permanent residential development shall be limited to commercial apartments or employee housing.
  - The preservation of a public access walkway shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
  - Parcels shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

In addition to the application for a development agreement, the applicant submitted an application for an amendment to a major conditional use permit for the associated redevelopment of the subject property. This separate application, which will be reviewed by the Planning Commission at a later date, is required in order for the property owner to redevelop the marina.

During a public meeting held on April 29, 2014, the Development Review Committee reviewed the development agreement and recommended approval. During a public hearing held on May 28, 2014, the Planning Commission reviewed the agreement and recommended approval.

MONROE COUNTY, FLORIDA
RESOLUTION NO. _____-2014

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING A DEVELOPMENT AGREEMENT BETWEEN MONROE COUNTY, FLORIDA AND LONGSTOCK II, LLC, CONCEPTUALLY APPROVING THE REDEVELOPMENT OF STOCK ISLAND MARINA VILLAGE, LOCATED AT 700 AND 7009 SHRIMP ROAD, STOCK ISLAND, APPROXIMATE MILE MARKER 5, DESCRIBED AS PARCELS OF LAND IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, STOCK ISLAND, MONROE COUNTY, FLORIDA, AND HAVING REAL ESTATE (RE) NUMBERS 00123720.000100, 00123720.000200 AND 00123760.000200.

WHEREAS, during a public meeting held on July 16, 2014 the Monroe County Board of County Commissioners conducted a public hearing to review and consider a request filed by Attorney Barton W. Smith, on behalf of Longstock II, LLC, for a development agreement in accordance with §110-132 and §110-133 of the Monroe County Code and Florida Statutes Sec. 163.3220 *et. seq.*, the "Florida Local Government Development Agreement Act"; and

WHEREAS, the development agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 square feet. New residential or nonresidential buildings shall not exceed 35' in height; and

WHEREAS, the Agreement approves a conceptual site plan for development on the site, subject to further site plan approval by the Planning Commission; and

WHEREAS, the development agreement involves the redevelopment of the site, currently known as Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island, Florida, approximate mile marker 5 of the Overseas Highway (US 1); and

WHEREAS, the site is described as parcels of land in Section 35, Township 67 South, Range 25 East, Stock Island, Monroe County, Florida, having Real Estate (RE) Numbers 00123720.000100, 00123720.000200 and 00123760.000200; and

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Findings of Fact:

1. The subject property is located within a Maritime Industries (MI) Land Use (Zoning) District. Further, it is designated within a Mixed Use / Commercial (MC) category on the Future Land Use Map (FLUM) and within a Tier III district on the Tier Overlay District Map; and

2. In 2013, an amendment to the Monroe County Future Land Use Map was approved amending the future land use designation of the subject property from Industrial (I) to Mixed Use/Commercial (MC). The approval is memorialized by Ordinance #045-2013, approved by the Board of County Commissioners at a public hearing on December 11, 2013; and

3. The existing marina was established prior to 1986 and is thereby deemed to have a major conditional use permit pursuant to §101-4(c) of the Monroe County Code; and

4. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development; and

5. The development agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes; and

6. Development shall not be inconsistent with the Monroe County Code; and

7. Development shall not be inconsistent with the Monroe County Comprehensive Plan; and

8. Development on Stock Island shall not be inconsistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan; and

9. Development shall not be inconsistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

10. The Monroe County Planning Commission held a public hearing at its meeting on May 28, 2014;, which was the first of two required public hearings, and recommended approval to the Board of County Commissioners in Resolution #P19-14;

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Conclusions of Law:

1. The request is consistent with the provisions and intent of the Monroe County Code;

2. The request is consistent with the provisions and intent of the Monroe County Year 2010 Comprehensive Plan;

3. The request is consistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan;

4. The request is consistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern;

5. The Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, that the preceding Findings of Fact and Conclusions of Law support its decision to **APPROVE** the Development Agreement between Monroe County, Florida and Longstock II, LLC attached hereto.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting held on the 16th of July, 2014.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT ("Agreement") is entered into on the ___ day of _____ 2014, by and between **Monroe County, Florida**, a Political Subdivision of the State of Florida ("Monroe County") and **Longstock II, LLC**, a Florida limited liability company, d/b/a Stock Island Marina Village ("SIMV") (collectively, the "Parties"), pursuant to Sections 110-132 and 110-133 of the Monroe County, Florida, Code of Ordinances ("Monroe County Code"), and the Florida Local Government Development Agreement Act, Florida Statutes Sections 163.3220-163.3243 (2013), and is binding on the "Effective Date" set forth herein:

WITNESSETH:

The Parties hereby agree as follows:

I. RECITALS

A. This Agreement involves the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida.

B. All Parties have the authority to enter into this Agreement through Florida Statutes Chapter 163.

C. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development.

D. This Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, *et seq.*, Florida Statutes (the "Act").

E. The Parties recognize that the public noticing and hearing procedures shall follow the requirements of Section 163.3225, Florida Statutes, which requires the local government to conduct two public hearings, one of which may be before the Planning Commission.

F. Monroe County finds that entering into this Agreement furthers the purposes, goals, objectives and policies of the Monroe County Comprehensive Plan which contains goals and objectives, including but not limited to Policy 101.4.5, which seeks to encourage the preservation of traditional working waterfront uses along with promoting recreational and commercial working waterfront uses, as defined by 342.07, F.S. by permitting a mix of uses

on properties whose Future Land Use Map ("FLUM") designation is Mixed Use / Commercial (MC) and zoning district is Maritime Industries (MI).

G. Monroe County finds that entering into this Agreement implements Policy 101.20.2 by encouraging the redevelopment of Safe Harbor as identified in the Stock Island/Key Haven Livable Communikeys Master Plan Volume I and II.

H. Monroe County finds that entering into this Agreement implements Goal 102 providing the Monroe County shall direct future growth to lands which are intrinsically most suitable for development and shall encourage conservation and protection of environmentally sensitive lands.

I. Monroe County Code Section 138-22(2) allows for the transference of transient residential ROGO exemptions (TREs) from sender sites in the Lower Keys ROGO subarea or the Big Pine Key/No Name Key ROGO subareas to receiver sites in the Lower Keys ROGO subarea. The receiver site/unit meets all of the following criteria: 1) The receiver site is located in the same ROGO subarea as the sender site, with the exception that ROGO exemptions associated with transient residential dwelling units may be transferred from the Big Pine and No Name Key ROGO subarea to the Lower Keys ROGO subarea; 2) The receiver unit shall only be constructed within a) a tier III designated area or b) a tier III-A (special protection area) designated area where the development does not involve the clearing of any native habitat; and 3) Receiver unit shall not be constructed within a velocity (V) zone.

J. SIMV property is generally described as follows:

1. SIMV owns that certain real property located at 700 and 7009 Shrimp Road, Stock Island, Florida ("SIMV Property"). A copy of the Special Warranty Deed evidencing SIMV's ownership is attached as Exhibit 1. Historically and currently the SIMV Property was and is being used for water dependent uses.

2. The SIMV property complete legal description is provided in Exhibit 2.

3. As of the date of this Agreement, the SIMV Property is assessed by the Monroe County Property Appraiser as real estate numbers 00123760-000200, 00123720-000100 and 00123720-000200.

4. The SIMV Property currently has a Maritime Industries ("MI") Land Use (Zoning) District designation and a corresponding Mixed Use Commercial ("MC") Future Land Use Map designation. A copy of the Land Use District Map and Future Land Use Map for the SIMV Property is attached as Exhibit 3.

5. The SIMV Property currently has a Tier Overlay District designation of Tier III.

6. The SIMV Property consists of 44.124 acres, including 12.24 acres of upland and 31.884 acres of submerged land.

7. Since September 15, 1986, marinas in the MI Land Use (Zoning) District require a major conditional use permit. Since the SIMV Property was lawfully developed with a marina prior to September 15, 1986, the SIMV Property is deemed to have a major conditional use permit in accordance with Monroe County Code Section 101-4(c).

8. In 2012, SIMV applied for and was granted a minor deviation to its conditional use for reconfiguring 173 of its existing 361 wet slips. The approval is memorialized by a letter from the Planning & Environmental Resources Director Townsley Schwab dated July 10, 2012. A copy of the Minor Deviation approval is attached as Exhibit 4.

II. PURPOSE

A. The overall purpose of this Agreement is to allow the Parties to provide certainty in development of the SIMV Property.

B. The Agreement allows the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida, in compliance with all applicable provisions of Florida Statutes, the Principles for Guiding Development in the Florida Keys Area of Critical State Concern, the Monroe County Comprehensive Plan, the Master Plan for the Future Development of Stock Island and Key Haven, and the Monroe County Code.

C. The Agreement allows the Parties to implement the provisions of Monroe County Code Section 138-22(2) as applied to the Properties in order to allow for a reasonable use of the SIMV Property by allowing the transference of market-rate transient residential TRE's lawfully associated with Sender Site(s) to the Receiver Site.

D. SIMV desires to transfer up to and including one-hundred (100) transient TREs from sender site(s) to the receiver site SIMV Property.

III. AGREEMENT REQUIREMENTS

A. **Recitals.** The recitals explaining the intent and purpose of the project as set forth in the preceding clauses are incorporated herein and form a material part of this Agreement. The Parties recognize the binding effect of Florida Statutes Sections 163.3220-163.3243, as to the form and content of this Agreement and in accordance therewith set forth and agree to the following.

B. **Legal Description and Ownership.** The legal descriptions for the Properties subject to this Agreement are set forth in Exhibit 2.

C. **Duration of Agreement.** This Agreement shall remain in effect for ten (10) years from the "Effective Date" as defined herein, and may be extended by mutual consent of the Parties and approval at a public hearing, in accordance with Section 163.3229, Florida Statutes. For the duration of this Agreement, the Parties agree that any development shall comply with and be controlled by this Agreement, the Monroe County Code, and the Monroe County

Comprehensive Plan governing the development of land in effect on the date of execution of this Agreement, in accordance with Section 163.3220, Florida Statutes.

D. **Permitted Uses.**

1. SIMV, 700 and 7009 Shrimp Road, Stock Island:

   a. The SIMV Property currently has a MI Land Use (Zoning) District designation and a corresponding MC Future Land Use Map designation.

   b. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the permitted uses in the MC Future Land Use Map category include, but are not limited to, commercial retail; office; maritime industry; commercial fishing; hotels; marinas, light industrial and accessory uses.

   c. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 35% (or 4.28 acres) of the upland area of the property for working waterfront and water dependent uses (excluding transient uses).

   d. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 20% of the existing wet slips and 10% of any future new wet slips for vessels involved with recreational and commercial working waterfront uses. The dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.

   e. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

   f. In accordance with this Agreement and with the MI Land Use (Zoning) District, as set forth in Monroe County Code Section 130-85, and in compliance with other provisions of the Code, the permitted uses in the MI Land Use (Zoning) District include, but are not limited to, commercial retail; office; light industrial; commercial fishing; hotels; marinas and accessory uses.

   g. The redevelopment of the SIMV Property includes the addition of up to one hundred (100) hotel rooms, restaurants, a fish house retail and distribution operation, and other improvements related to the existing marina and accessory development. Not including accessory structures related to the hotel use, the nonresidential intensity shall not exceed 80,000 square feet.

h. The height of any new structure associated with the redevelopment of the SIMV Property shall not exceed 35 feet measured from grade, except for solar apparatus, according to the Monroe County Code in effect at the execution of this Agreement. Height is defined as "the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna, flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in chapter 146. However, in no event shall any of the exclusions enumerated in this section be construed to permit any habitable or usable space to exceed the applicable height limitations." Monroe County Code defines "Grade" as the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher. For purposes of the SIMV Property grade shall be determined based on the attached topographic survey attached hereto as Exhibit 5.

E. **Public Facilities**. The impact on public facilities is nominal. The number of existing transient residential dwelling units and non-residential intensity at SIMV were recognized in the planning of the sewage treatment plant serving Stock Island.

1. The Florida Keys Aqueduct Authority provides domestic potable water to the SIMV Property. Excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will master meter the hotel use. In addition, excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will meter other types of development accordingly.

2. Keys Energy Services provides electric service to the SIMV Property. Excluding existing development that may already be metered, Keys Energy Services will master meter the hotel use. In addition, excluding existing development that may already be metered, Keys Energy Services will meter other types of development accordingly.

3. Solid waste service is provided to each property by a solid waste collection system franchised by Monroe County.

4. The SIMV Property is connected to central sewer via KW Resort Utilities Corp.'s system.

F. **Reservation or Dedication of Land**. There is no reservation or dedication of land for public purposes contemplated by this Agreement.

G. **Development Allowed and Required**. The following specific criteria are those which will guide development of the Property, and are standards by which any further approvals shall be measured and shall be as follows:

a. The SIMV Property consists of 44.124 gross acres consisting of 12.24 acres of upland and 31.884 acres of submerged land.

b. SIMV Property is permitted to transfer up to (100) transient TRE's from property(s) located in the Lower Keys and Big Pine Key ROGO subareas.

c. Provided such development can be designed and approved by all applicable codes, including but not limited to the Monroe County Code and Florida Building Code, SIMV is permitted to develop the following buildings, facilities and structures on the SIMV Property pursuant to this Agreement:

i. Up to one hundred (100) hotel rooms to be developed into a hotel.

ii. Additional amenities ancillary and accessory to the marina use, including two restaurants and a pool bar with up to 300 seats and up to 7,000 square feet of floor area.

iii. Additional amenities ancillary and accessory to the hotel use, including a lobby, gatehouse, offices, fitness center, bath house, maintenance, and housekeeping consisting of up to 10,000 square feet as depicted on plans submitted with this Agreement.

iv. A marine services, retail, fish house retail and distribution building, boat barn consisting of up to 40,000 square feet as depicted on plans submitted with this Agreement.

v. Parking areas and landscaping

vi. Public access is permitted to the SIMV Property from 7:00 a.m. until dusk.

vii. Working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.

(a) at least 20% of the existing wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(b) at least 10% of the new wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(c) the preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
(d) Permanent residential development shall be limited to commercial apartments or employee housing.

(e) The preservation of a public access walkway shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
(f) Parcels shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

H. **Site Plan Approval**: Monroe County does hereby accept the conceptual site plan of the SIMV Property. The conceptual site plan is attached as Exhibit 6. The development shall be consistent with all applicable codes, including but not limited to the Monroe County Comprehensive Plan and Monroe County Code. Following a review of compliance with such codes, the final site plan must be approved by the Monroe County Planning Commission as an amendment to the Property's major conditional use permit. The Planning Commission has final authority over the site plan and the site plan may be amended by the Planning Commission.

I. **Military Installation Area of Impact.** SIMV acknowledges and understands the SIMV Property is within the Military Installation Area of Impact Overlay as defined by the Monroe County Comprehensive Plan. The SIMV Property is located in the 55 – 59 and 60 – 64 DNL (Day-Night Average Sound Level) noise contours pursuant to the 2013 Navy Final Environmental Impact Statement. While not within a 65 DNL Noise Zone or greater, SIMV agrees to sound attenuate all habitable buildings and shall strive to achieve an outdoor to indoor Noise Level Reduction Level (NLR) of at least 25 decibels. Normal permanent construction can be expected to provide a NLR of 20 dB.

J. **Finding of Consistency.** By entering into this Agreement, Monroe County finds that the development permitted or proposed herein is consistent with the Monroe County Comprehensive Plan and Monroe County Code.

K. **Breach, Amendment, Enforcement, and Termination.**

a. **Material Breach**: A material breach by the Parties is the failure of any Party to comply with the terms of this Agreement after Notice as provided herein.

b. **Notice**: Upon any Party's material breach of the terms and conditions of this Agreement, the non-breaching Party shall serve written Notice of the breach upon the breaching Party pursuant to the procedure established in this Agreement and shall provide the opportunity, within ninety (90) days of the date such Notice is served, to propose a method of fulfilling the Agreement's terms and conditions or curing the breach. The breaching Party shall be provided an additional ninety (90) days to cure the material breach or to negotiate an amendment to this Agreement within a reasonable time, as mutually agreed to by the Parties. This Agreement is not subject to arbitration and must be amended in accordance with the statutory requirements.

c. **Amendment or Termination**: The Parties hereto shall at all times adhere to the terms and conditions of this Agreement. Amendment, termination, extension, or revocation of this Agreement shall be made in accordance with the notification and procedural requirements set forth herein.

i. Amendments to this Agreement shall subject Parties to the laws and policies in effect at the time of the amendment only if the conditions of Section 163.3233(2), Florida Statutes, are met.

ii. No modifications, extensions, amendments, or alterations of the terms or conditions contained herein shall be effective unless contained in a written document approved and executed by the Parties.

iii. Amendment, extension or termination shall require at least two (2) public hearings. The hearings shall be held pursuant to an application filed with Monroe County by the Party seeking to amend or terminate this Agreement, along with the requisite filing fee. Notice of public hearing shall be in accordance with Monroe County Ordinances and Florida Statutes.

d. **Enforcement**:

i. After notice and an opportunity to respond and/or cure the material breach as provided for below. Monroe County may utilize appropriate code compliance remedies to cure any breach after notice and an opportunity to cure as provided herein.

ii. Monroe County, the other Parties, their successors or assigns, or any aggrieved or any adversely affected person as defined in Section 163.3215(2), Florida Statutes, may file an action for injunctive relief in the Circuit Court of Monroe County to enforce the terms of this Agreement or to challenge compliance with the provisions of Sections 163.3243, Florida Statutes.

iii. Nothing contained herein shall limit any other powers, rights, or remedies that either party has, or may have in the future, to enforce the terms of this Agreement.

L. **Binding Effect of Agreement**. The covenants, agreements, and obligations herein contained, except as herein otherwise specifically provided, shall extend to, bind and inure to the benefit of the Parties hereto and their respective personal representatives, heirs, successors and assigns.

M. **State and Federal Law.** If State or Federal laws enacted after the effective date of this Agreement preclude either Party's compliance with the terms of this Agreement, this agreement shall be modified as is necessary to comply with the relevant State or Federal Laws.

O. **Compliance with Other Laws.** The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the Parties of the necessity of complying with the laws governing said permitting requirements, conditions, terms or restrictions.

P. **Reservation of Rights.** This Agreement shall not affect any rights, which may have accrued to any party to this Agreement under applicable law. The Parties reserve any and all such rights. All approvals referenced in this Agreement are subordinate to compliance with all applicable laws, codes, and land development regulations and permits, except to the extent otherwise provided for in this Agreement.

Q. **No Permit.** This Agreement is not and shall not be construed as a Development Permit, Development Approval or authorization to commence development, nor shall it relieve the Parties other than Monroe County of the obligations to obtain necessary Development Approvals that are required under applicable law and under and pursuant to the terms of this Agreement and Monroe County Code.

R. **Good Faith; Further Assurances; No Cost.** The Parties to this Agreement have negotiated in good faith. It is the intent and agreement of the Parties that they shall cooperate with each other in good faith to effectuate the purposes and intent of, and to satisfy their obligations under, this Agreement in order to secure themselves the mutual benefits created under this Agreement. The Parties agree to execute such further documents as may be reasonably necessary to effectuate the provisions of this Agreement; provided that the foregoing shall in no way be deemed to inhibit, restrict or require the exercise of Monroe County's police power or actions of Monroe County when acting in a quasi-judicial capacity. Wherever in this Agreement a provision requires cooperation, good faith or similar effort to be undertaken at no cost to a party, the party co-operating, reviewing or undertaking the effort shall, nonetheless, bear its cost of attendance at meetings, hearings, or proceedings and comment and/or execution of documents, inclusive of the expense of its counsel.

S. **Successors and Assigns.** This Agreement shall constitute a covenant running with the land, which shall be binding upon the Parties hereto, their successors in interest, heirs, assigns, and personal representatives.

T. **Joint Preparation.** This Agreement has been drafted with the participation of the Parties and their counsel, and shall not be construed against any party on account of draftsmanship. The captions of each article, section and subsection contained in this Agreement are fore ease of reference only and shall not affect the interpretational meaning of this Agreement. Whenever the term "included" is used in this Agreement, it shall mean that the included items, or terms are included without limitation as to any other items or terms, which may fall within the listed category.

U. **Notices.** All notices, demands, requests or replies provided for or permitted by this Agreement shall be in writing and may be delivered by any one of the following methods: (a) by personal delivery; (b) by deposit with the United States Postal Service as Certified or Registered mail, return receipt requested, postage prepaid, to the addresses stated below; or (c) by deposit with an overnight express delivery service with proof of receipt to the

addresses stated below. Notice shall be deemed effective upon receipt. For purposes of notice, demand, request, or replies:

The address of Monroe County shall be:

County Administrator
1100 Simonton Street
Room 2-205
Key West, Florida 33040

with a copy to

Robert Shillinger , Esq.
County Attorney
PO Box 1026
Key West, Florida 33041
and
1111 12th Street, Suite 408
Key West, Florida 33040

The address of SIMV shall be:

C/O Matthew Strunk
7009 Shrimp Road
Key West, Florida 33040

And a copy to

Barton W. Smith, Esq.
Smith Oropeza, P.L.
138 - 142 Simonton Street
Key West, Florida 33040

It is the responsibility of the Parties to promptly notify all other Parties of any change in name or address for receipt of notice, demand, request, or replies.

V. **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain labor or materials or reasonable substitutes therefore, riot, civil commotion, fire or other casualty and other causes beyond the reasonable control of the party obligated to perform, excluding the financial inability of such party to perform and excluding delays resulting from appeals or rehearing, shall excuse the performance by such party for a period equal to any such period of prevention, delay or stoppage. In order to avail itself of this force majeure provision, the party invoking the same shall provide the other party with a written notice that shall consist of a recitation of all events that constitute force majeure events under this Section, together with the beginning and ending dates of such events.

W. **Construction**. This Agreement shall be construed in accordance with the laws of the State of Florida. The Parties to this Agreement have participated fully in the negotiation and preparation hereof; and, accordingly, this Agreement shall not be more strictly construed against any one of the Parties hereto. In construing this Agreement, the use of any gender shall include every other and all genders, and captions and section and paragraph headings shall be disregarded. All of the exhibits attached to this Agreement are incorporated in, and made a part of, this Agreement.

X. **Omission**. The Parties hereto recognize and agree that the failure of this Agreement to address a particular permit, condition, terms or restriction shall not relieve either Party of the necessity of complying with the law governing said permitting requirements, conditions, term, or restriction notwithstanding any such omission.

Y. **Jurisdiction and Governing Law**. The Parties hereto agree that any and all suits or actions at law shall be brought in Monroe County, Florida and no other jurisdiction. This Agreement shall be construed and interpreted under the laws of the State of Florida. This Agreement is not subject to arbitration.

Z. **Attorney's Fees and Costs.** The Parties agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, as an award against the non-prevailing party, and shall include attorney's fees, courts costs, in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

AA. **Time of Essence**. Time shall be of the essence for each and every provision of this Agreement.

BB. **Entire Agreement**. This Agreement, together with the documents referenced herein, constitute the entire agreement and understanding among the Parties with respect to the subject matter hereof, and there are no other agreements, representations or warranties other than as set forth herein. This Agreement may not be changed, altered or modified except by an instrument in writing signed by the Party against whom enforcement of such change would be sought and subject to the requirements for the amendment of development agreements in the Act.

CC. **Counterparts**. This Agreement may be executed in one or more counterparts, and by different Parties hereto in separate counterparts, each of which when executed shall be deemed to an original but all which taken together constitute one and the same agreement.

DD. **Recording**. Monroe County shall record this Agreement with the Clerk of the Circuit Court of Monroe County within fourteen (14) days following signature by all Parties. SIMV agrees that it shall be responsible for all recording fees and other related fees and costs related to the

recording and delivery of this Agreement as described in this section. The provisions hereof shall remain in full force and effect during the term provided herein and shall be binding upon all successors in interest to the Parties to this Agreement.

EE. **Conflicting Resolutions**. All resolutions or parts thereof in conflict with the provisions of this Agreement and its resolution are hereby repealed to the extent of such conflict.

FF. **Severability**. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under any applicable law or regulation, such provisions shall be inapplicable and deemed omitted to the extent so contrary, prohibited, or invalid; however, the remainder of the Agreement shall not be invalidated thereby and shall be given full force and effect as if the contrary, prohibited, or invalid provision was never a part hereof.

IV. Effective Date. The "Effective Date" of this Agreement is forty-five (45) days after the duly signed and recorded Agreement is received by the Florida Department of Economic Opportunity pursuant to Chapter 380, Florida Statutes, and if appealed, until the appealed is resolved and if challenged until the challenge is resolved.

COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST; 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST, 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 456.55 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREIN AFTER DESCRIBED; FROM SAID POINT OF BEGINNING CONTINUE BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 119.17FEET; THENCE BEAR SOUTH 05 DEGREES 54 MINUTES 55 SECONDS WEST, 186.69 FEET; THENCE BEAR SOUTH 84 DEGREES 05 MINUTES 05 SECONDS EAST, 175.00 FEET TO A POINT; THENCE BEAR NORTH 34 DEGREES 32 MINUTES 55 SECONDS EAST, 116.44 FEET TO A POINT; THENCE BEAR NORTH 89 DEGREES 27 MINUTES 55 SECONDS EAST, 915.36 FEET TO A POINT; THENCE BEAR NORTH 06 DEGREES 02 MINUTES 03 SECONDS WEST, 230.00 FEET, TO A POINT WHICH IS BEARING NORTH 89 DEGREES 27 MINUTES 55 SECONDS EAST FROM THE AFOREMENTIONED POINT OF BEGINNING; THENCE BEAR SOUTH 89 DEGREES 27 MINUTES 55 SECONDS WEST FOR A DISTANCE OF 1108.00 FEET BACK TO THE POINT OF BEGINNING.

PARCEL B:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 83 DEGREES, 56 MINUTES EAST, 485.00 FEET; THENCE BEAR SOUTH 05 DEGREES, 47 MINUTES WEST, 938.88 FEET; THENCE BEAR SOUTH 08 DEGREES, 02 MINUTES EAST, 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES, 31 MINUTES EAST, 131.51 FEET; THENCE BEAR SOUTH 02 DEGREES, 04 MINUTES WEST, 262.26 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LAND HEREINAFTER DESCRIBED; THENCE SOUTH 84 DEGREES 19 MINUTES EAST, 140 FEET MORE OR LESS TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES, 56 MINUTES EAST, 970 FEET, MORE OR LESS, OUT INTO AN EXISTING SLIP; THENCE BEAR SOUTH 05 DEGREES, 55 MINUTES WEST, 180 FEET, MORE OR LESS, TO THE CENTER LINE OF AN EXISTING SPIT OF LAND; THENCE BEAR SOUTH 89 DEGREES, 32 MINUTES WEST, ALONG SAID CENTER LINE OF SAID SPIT OF LAND 1108 FEET, MORE OR LESS, TO A POINT WHICH IS BEARING SOUTH 02 DEGREES, 04 MINUTES WEST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 02 DEGREES, 04 MINUTES EAST, 194.29 FEET BACK TO THE POINT OF BEGINNING.

ALSO DESCRIBED AND INSURED AS:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST 262.26 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LAND HEREINAFTER DESCRIBED; THENCE SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST 977.77 FEET OUT INTO AN EXISTING SLIP; THENCE BEAR SOUTH 05 DEGREES 37 MINUTES 29 SECONDS WEST, 192.30 FEET TO THE CENTERLINE OF AN EXISTING SPIT OF LAND; THENCE BEAR SOUTH 89 DEGREES 27 MINUTES 55 SECONDS WEST, ALONG SAID CENTERLINE OF SAID SPIT OF LAND 1096.56 FEET TO A POINT WHICH IS BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 01 DEGREES 56 MINUTES 55 SECONDS EAST, 194.29 FEET BACK TO POINT OF BEGINNING.

PARCEL C:

A TRACT OF LAND AND SUBMERGED LAND AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84° 02' 07" EAST, 484.79 FEET; THENCE BEAR SOUTH 05° 39' 55" WEST, 938.76 FEET; THENCE BEAR SOUTH 08° 09' 05" EAST, 249.71 FEET; THENCE BEAR SOUTH 14° 38' 05" EAST, 36.68 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 14° 38' 05" EAST, 94.83 FEET; THENCE BEAR SOUTH 01° 56' 55" WEST, 82.95 FEET; THENCE BEAR NORTH 89° 24' 55" EAST, 1120.76 FEET, OUT ONTO A SPIT OF LAND TO THE SHORELINE; THENCE BEAR NORTH 05°37'29" EAST, 161.06 FEET TO A POINT; THENCE BEAR SOUTH 89° 24' 55" WEST, 1000.60 FEET TO A POINT ON A CONCRETE SEAWALL, SAID POINT BEARING SOUTH 85° 13' 05" EAST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 85° 13' 05" WEST, 157.63 FEET TO THE POINT OF BEGINNING.

PARCEL E:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EASTERLY LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO EASTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 500 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 191.5 FEET

Exhibit 1

TO A POINT WHICH IS THE POINT OF BEGINNING; THENCE CONTINUE EASTERLY ALONG THE PROLONGATION OF THE PREVIOUSLY DESCRIBED COURSE A DISTANCE OF 393.5 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 226.08 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 125 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 20 FEET TO A POINT IN AN EXISTING SEAWALL; THENCE WESTERLY AND PARALLEL WITH THE SOUTHERLY FACE OF SAID SEAWALL A DISTANCE OF 450.1 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES TO A SOUTHERLY LINE OF FIFTH AVENUE A DISTANCE OF 30 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 68.5 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 227.2 FEET BACK TO THE POINT OF BEGINNING.

ALSO

A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE.

ALSO DESCRIBED AND INSURED AS:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY RIGHT-OF-WAY, A DISTANCE 499.98 FEET TO THE EASTERLY LINE OF AN EASEMENT AGREEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 780, PAGE 1169 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 05° 57' 53" W, ALONG SAID EASTERLY LINE, A DISTANCE 729.82 FEET TO THE SOUTHERLY LINE OF AN INGRESS/EGRESS EASEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY LINE, A DISTANCE 191.50 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE ALONG SAID SOUTHERLY LINE S 84°02'07" E, A DISTANCE OF 393.51; THENCE S 06° 00' 38" W, A DISTANCE OF 227.17 FEET; THENCE S 85° 29' 39" E, A DISTANCE OF 125.00 FEET; THENCE S 06° 01' 16" W, A DISTANCE OF 20.01 FEET TO THE SOUTHERLY FACE OF A CONCRETE SEAWALL; THENCE N 85° 29' 39" W, ALONG SAID SOUTHERLY LINE, A DISTANCE OF 450.10 FEET; THENCE N 06° 23' 31" E, A DISTANCE OF 30.00 FEET; THENCE N 85° 29' 39" W, A DISTANCE 68.50 FEET; THENCE N 05° 56' 58" E, A DISTANCE OF 227.20 FEET TO THE POINT OF BEGINNING.

TOGETHER WITH:
A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE. TOGETHER WITH AN EASEMENT FOR INGRESS AND EGRESS OVER AND UPON THE FOLLOWING DESCRIBED PROPERTY, RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464, AND ALSO IN OFFICIAL RECORDS BOOK 2287, PAGE 719, PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, SITUATED, LYING AND BEING IN THE COUNTY OF MONROE, STATE OF FLORIDA, TO WIT: A PARCEL OF LAND LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA, AS RECORDED IN PLAT BOOK 1, AT PAGE 55, MONROE

COUNTY OFFICIAL RECORDS, AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EAST LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO WESTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 499 FEET TO A POINT, WHICH POINT IS THE POINT OF BEGINNING; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 701 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 586 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 29 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 615 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT IN THE SOUTHERLY LINE OF 5TH AVENUE; THENCE EASTERLY AND AT RIGHT ANGLES AND ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 29 FEET BACK TO THE POINT OF BEGINNING.

SAID EASEMENT ALSO DESCRIBED AND INSURED AS:
A PARCEL OF LAND LYING IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE SOUTH 84°02'07" EAST, A DISTANCE OF 499.98 FEET TO THE WEST LINE OF TRUSTEE'S DEED N0.20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE LEAVING SAID LINE SOUTH 05° 57' 53" WEST, ALONG SAID LINE A DISTANCE OF 699.82 FEET TO THE POINT OF BEGINNING; THENCE SOUTH 84° 02' 07" EAST, PARALLEL WITH THE SOUTHERLY LINE OF SAID FIFTH AVENUE A DISTANCE OF 740.00 FEET; THENCE SOUTH 05° 57' 53" WEST, A DISTANCE OF 40.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 155.00 FEET; THENCE NORTH 05° 57' 53" EAST, A DISTANCE OF 10.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 585.00 FEET TO THE WEST LINE OF SAID TRUSTEE'S DEED; THENCE NORTH 05° 57' 53" EAST, ALONG SAID LINE A DISTANCE OF 30.00 FEET TO THE POINT OF BEGINNING.

PARCEL F:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 83 DEGREES AND 56 MINUTES EAST, 485.00 FEET; THENCE BEAR SOUTH 05 DEGREES AND 47 MINUTES WEST, 938.88 FEET; THENCE BEAR SOUTH 08 DEGREES AND 02 MINUTES EAST, 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES AND 31 MINUTES EAST, 131.51 FEET; THENCE BEAR SOUTH 02 DEGREES AND 04 MINUTES WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 02 DEGREES AND 04 MINUTES WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES AND 19 MINUTES EAST, 140.00 FEET, MORE OR LESS, TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES AND 56 MINUTES EAST OUT INTO A SLIP 970 FEET, MORE OR LESS, TO A POINT; THENCE BEAR NORTH 05 DEGREES AND 55 MINUTES EAST, 150.00 FEET, MORE OR LESS, TO A POINT WHICH IS BEARING NORTH 89 DEGREES AND 32 MINUTES EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89

DEGREES AND 32 MINUTES WEST, 1120.00 FEET, MORE OR LESS, BACK TO THE POINT OF BEGINNING.

ALSO DESCRIBED AND INSURED AS:
A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST, 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST, 249.71 FEET; THENCE SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST, 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST OUT INTO A SLIP, 977.77 FEET TO A POINT; THENCE BEAR NORTH 05 DEGREES 37 MINUTES 29 SECONDS EAST, 184.10 FEET TO A POINT WHICH IS BEARING NORTH 89 DEGREES 24 MINUTES 55 SECONDS EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89 DEGREES 24 MINUTES 55 SECONDS WEST, 1120.76 FEET BACK TO THE POINT OF BEGINNING.

PARCEL G:

A PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED-IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.98 FEET; THENCE S 05° 57' 53" W FOR A DISTANCE OF 938.76 FEET; THENCE S 08° 09' 05" E FOR A DISTANCE OF 109.75 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE S 08° 09' 05" E, A DISTANCE OF 139.96 FEET; THENCE S 14° 38' 05" E, A DISTANCE OF 32.68 FEET; THENCE S 85° 13' 05" E, A DISTANCE OF 157.63 FEET; THENCE N 89° 24' 55" E, A DISTANCE OF 49.99 FEET; THENCE N 05° 12' 11" E, A DISTANCE OF 161.18 FEET; THENCE N 84° 02' 55" W, A DISTANCE OF 252.15 FEET TO THE POINT OF BEGINNING.

PARCEL H:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE SOUTH 84° 02' 07" EAST ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.79 FEET; THENCE SOUTH 05° 39' 55" WEST FOR A DISTANCE 938.76 FEET; THENCE SOUTH 08° 09' 05" EAST FOR A DISTANCE OF 42.15 FEET TO THE EASTERLY LINE OF A 30 FOOT EASEMENT AND THE EASTERLY RIGHT-OF-WAY LINE OF SHRIMP ROAD AS

RECORDED IN O.R. BOOK 2030, PAGE 949 (PARCEL A TRACT 1), OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA AND THE POINT OF BEGINNING; THENCE LEAVING SAID LINE SOUTH 08°09'05" EAST, A DISTANCE OF 207.56 FEET; THENCE SOUTH 14°38'05" EAST, A DISTANCE OF 131.51 FEET; THENCE SOUTH 01° 56' 55" WEST, A DISTANCE OF 575.72 FEET; THENCE SOUTH 05° 54' 55" WEST, A DISTANCE OF 186.69 FEET; THENCE SOUTH 84° 05' 05" EAST, A DISTANCE OF 175.00 FEET; THENCE NORTH 34° 32' 55" EAST, A DISTANCE OF 116.44 FEET; THENCE NORTH 89° 27' 55" EAST, A DISTANCE OF 915.36 FEET; THENCE SOUTH 01° 07' 35" WEST, A DISTANCE OF 384.62 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 30.84 FEET TO A MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING TWENTY SEVEN (27) COURSES: 1. NORTH 08° 33' 02" EAST, A DISTANCE OF 25.26 FEET; 2. NORTH 01°03' 10" WEST, A DISTANCE OF 36.70 FEET; 3. NORTH 16°11'45" WEST, A DISTANCE OF 18.64 FEET; 4. NORTH 01°20'32" WEST, A DISTANCE OF 27.71 FEET; 5. NORTH 05°48'23" EAST, A DISTANCE OF 27.11 FEET; 6. NORTH 07°24'12" WEST, A DISTANCE OF 86.16 FEET; 7. NORTH 11° 54'19" EAST, A DISTANCE OF 34.64 FEET; 8. NORTH 09°22'05" WEST, A DISTANCE OF 27.51 FEET; 9. NORTH 57° 40'41" WEST, A DISTANCE OF 4.94 FEET; 10. NORTH 84° 56' 08" WEST, A DISTANCE OF 14.50 FEET; 11. NORTH 61°03'44" WEST, A DISTANCE OF 14.78 FEET; 12. SOUTH 85°47'17" WEST, A DISTANCE OF 117.62 FEET; 13. SOUTH 83°15'58" WEST, A DISTANCE OF 26.59 FEET; 14. NORTH 85° 01' 19" WEST, A DISTANCE OF 21.47 FEET; 15. SOUTH 80°37'17" WEST, A DISTANCE OF 8.06 FEET; 16. NORTH 75°44'52" WEST, A DISTANCE OF 11.67 FEET; 17. SOUTH 86° 09' 28" WEST, A DISTANCE OF 82.77 FEET; 18. SOUTH 89° 59' 29" WEST, A DISTANCE OF 40.54 FEET; 19. NORTH 64°26'30" WEST, A DISTANCE OF 6.15 FEET; 20. SOUTH 88°41'05" WEST, A DISTANCE OF 60.16 FEET; 21. SOUTH 79°29'50" WEST, A DISTANCE OF 36.47 FEET; 22. NORTH 88°07'58" WEST, A DISTANCE OF 57.82 FEET; 23. NORTH 86° 26' 25" WEST, A DISTANCE OF 91.35 FEET; 24. SOUTH 88° 24' 02" WEST, A DISTANCE OF 97.85 FEET; 25. SOUTH 81°39'19" WEST, A DISTANCE OF 76.27 FEET; 26. SOUTH 86°43'16" WEST, A DISTANCE OF 75.93 FEET; 27. SOUTH 81° 33' 16" WEST, A DISTANCE OF 23.73 FEET; THENCE LEAVING SAID LINE SOUTH 07°52'54" WEST, A DISTANCE OF 138.68 FEET TO THE NORTHERLY RIGHT-OF-WAY LINE OF SHRIMP ROAD PER QUIT CLAIM DEED RECORDED IN O.R. BOOK 2030, PAGE 949, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE NORTHERLY AND EASTERLY RIGHT-OF-WAY LINE OF SAID SHRIMP ROAD THE FOLLOWING THREE (3) COURSES AND DISTANCES: 1. NORTH 84° 02' 07" WEST, A DISTANCE OF 288.11 FEET TO A POINT OF CURVATURE; 2. NORTHWESTERLY ALONG THE ARC OF A CURVE TO THE RIGHT, HAVING A RADIUS OF 75.00 FEET, AN ARC LENGTH OF 115.28 FEET, A CENTRAL ANGLE OF 88° 03' 57", AND A CHORD BEARING AND DISTANCE OF NORTH 40°00'08" WEST, 104.26 FEET; 3. NORTH 04°01'50" EAST, A DISTANCE OF 555.62 FEET TO THE NORTHERN TERMINUS OF PARCEL A TRACT 2 OF SAID QUIT CLAIM ON THE WEST LINE OF TRUSTEES DEED NO.20083 O.R.BOOK G-65, PAGE 82; THENCE NORTH 05°57'53" EAST, ALONG SAID LINE A DISTANCE OF 606.85 FEET TO THE POINT OF BEGINNING.

AND ALSO: BAY BOTTOM
A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S. 84°02'07" E. ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 499.98 FEET; THENCE S. 05°57'53" W. FOR A DISTANCE OF 2242.25 FEET; THENCE S.84°02'07"E., A DISTANCE OF 1310.00 FEET, TO THE POINT OF BEGINNING; THENCE CONTINUE S.84°02'07"E., A DISTANCE OF 363.01 FEET TO THE CENTERLINE OF THE ENTRANCE OF THE

HARBOR; THENCE N.08°15'27"W., A DISTANCE OF 959.38 FEET; THENCE S. 81°44'33" W., A DISTANCE OF 132.23 FEET; THENCE N. 05°47'25" W., A DISTANCE OF 658.21 FEET; THENCE N. 83°54'54" W., A DISTANCE OF 255.03 FEET TO THE WESTERLY PART OF THE BAY BOTTOM LINE; THENCE MEANDER THE SAID BAY BOTTOM LINE SOUTHERLY FOR A CHORD OF S.14°34',07" E., A DISTANCE OF 284.16 FEET; THENCE N. 85°29'39" W., A DISTANCE OF 310.00 FEET; THENCE S. 06°01'16" W., A DISTANCE OF 10.00 FEET; THENCE N. 85°29'39" W., A DISTANCE OF 450.16 FEET; THENCE S. 06°23'31" W., A DISTANCE OF 49.85 FEET; THENCE S. 84°02'55" E., A DISTANCE OF 9.27 FEET; THENCE S. 05°12'11" W., A DISTANCE OF 161.18 FEET; THENCE N. 88°24'55" E., A DISTANCE OF 950.61 FEET; THENCE S. 05°37'29" W., A DISTANCE OF 537,46 FEET; THENCE N. 89°27'55" E., A DISTANCE OF 11.44 FEET; THENCE S. 06°02'03" E., A DISTANCE OF 230.00 FEET; THENCE S.01°07'35" W., A DISTANCE OF 384.62 FEET TO THE POINT OF BEGINNING.

PARCEL I: **Intentionally Omitted (Leasehold/Option terminated** *effective 7/31/2010*)

PARCEL J:

A PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" e ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 499.98 FEET; THENCE S 05° 57' 53" W FOR A DISTANCE OF 913.46 FEET TO THE POINT OF BEGINNING; THENCE S 84° 02' 07" E, FOR A DISTANCE OF 191.55 FEET; THENCE S 05° 56' 58" W, A DISTANCE OF 43.56 FEET; THENCE S 85° 29' 40" E, A DISTANCE OF 68.50 FEET; THENCE S 06° 23' 31" W, A DISTANCE OF 89.85 FEET; THENCE N 84° 02' 55" W, A DISTANCE OF 242.88 FEET; THENCE N 08° 09' 05" W, A DISTENCE OF 67.60 FEET; THENCE N 05° 57' 53" E, A DISTANCE OF 66.17 FEET TO THE POINT OF BEGINNING.

AS TO ALL PARCELS:

TOGETHER WITH THOSE BENEFICIAL EASEMENTS RECORDED IN OFFICIAL RECORDS BOOK 780, PAGE 1169, PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

A PARCEL OF LAND ON STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING DESCRIBED AS FOLLOWS:
COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF PUBLIC RECORDS, OF MONROE COUNTY, FLORIDA AND RUN THENCE SOUTH 83 DEGREES, 56 MINUTES EAST ALONG THE NORTH BOUNDARY LINE OF SAID BLOCK 57 FOR A DISTANCE OF 470 FEET TO THE POINT OF BEGINNING OF THE PARCEL OF LAND BEING DESCRIBED HEREIN; THENCE RUN SOUTH 6 DEGREES 04 MINUTES WEST FOR A DISTANCE OF 1283.02 FEET; THENCE RUN SOUTH 41 DEGREES 58 MINUTES EAST FOR A DISTANCE OF 40.35 FEET TO THE SOUTHEAST CORNER OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078 AND THE WEST BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083; THENCE RUN SOUTH 6 DEGREES 04 MINUTES WEST ALONG THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 FOR A DISTANCE OF 932.25 FEET TO THE SOUTHWEST CORNER OF

SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083; THENCE RUN SOUTH 83 DEGREES 56 MINUTES EAST ALONG THE SOUTH BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083, THE SOUTH BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 19837-A AND THE NORTH BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20793 FOR A DISTANCE OF 1116.72 FEET; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST FOR A DISTANCE OF 30 FEET; THENCE RUN NORTH 83 DEGREES 56 MINUTES WEST FOR A DISTANCE OF 1086.72 FEET; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST FOR A DISTANCE OF 915.62 FEET; THENCE RUN NORTH 41 DEGREES 58 MINUTES WEST FOR A DISTANCE OF 40.35 FEET TO THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 AND THE EAST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST ALONG THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 AND THE EAST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078, EXTENDED NORTHERLY, FOR A DISTANCE OF 1269.65 FEET TO THE NORTH BOUNDARY LINE OF SAID BLOCK 57; THENCE RUN NORTH 83 DEGREES 56 MINUTES WEST ALONG THE NORTH BOUNDARY LINE OF THE SAID BLOCK 57 FOR A DISTANCE OF 30 FEET BACK TO THE POINT OF BEGINNING.

SAID EASEMENT ALSO DESCRIBED AND INSURED AS:

A PARCEL OF LAND LYING IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK I, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE SOUTH 84°02'07" EAST, A DISTANCE OF 469.98 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE SOUTH 84°02'07" EAST, A DISTANCE OF 30.00 FEET TO THE WEST LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE ALONG SAID LINE SOUTH 05°57'53" WEST, A DISTANCE OF 1,268.45 FEET; THENCE LEAVING SAID LINE SOUTH 42°04'07" EAST, A DISTANCE OF 40.35 FEET; THENCE SOUTH 05°57'53" WEST, A DISTANCE OF 916.82 FEET; THENCE SOUTH 84°02'07" EAST, A DISTANCE OF 1,086.72 FEET; THENCE SOUTH 05°57'53" WEST, A DISTANCE OF 30.00 FEET TO THE SOUTH LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN OR BOOK G-65, PAGE 82; THENCE ALONG SAID LINE NORTH 84°02'07" WEST, A DISTANCE OF 1,116.72 FEET TO THE WEST LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE ALONG Sold LINE NORTH 05°57'53" EAST, A DISTANCE OF 933.45 FEET; THENCE LEAVING Sold LINE NORTH 42°04'07" WEST, A DISTANCE OF 40.35 FEET; THENCE NORTH 05°57'53" EAST, A DISTANCE OF 1,281.82 FEET TO THE POINT OF BEGINNING.

Doc# 1819016
Bk# 2499 Pg# 358

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST 262.26 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LAND HEREINAFTER DESCRIBED; THENCE SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST 977.77 FEET OUT INTO AN EXISTING SLIP; THENCE BEAR SOUTH 05 DEGREES 37 MINUTES 29 SECONDS WEST, 192.30 FEET TO THE CENTERLINE OF AN EXISTING SPIT OF LAND; THENCE BEAR SOUTH 89 DEGREES 27 MINUTES 55 SECONDS WEST, ALONG SAID CENTERLINE OF SAID SPIT OF LAND 1096.56 FEET TO A POINT WHICH IS BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 01 DEGREES 56 MINUTES 55 SECONDS EAST, 194.29 FEET BACK TO POINT OF BEGINNING.

PARCEL C:

A TRACT OF LAND AND SUBMERGED LAND AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84° 02' 07" EAST, 484.79 FEET; THENCE BEAR SOUTH 05° 39' 55" WEST, 938.76 FEET; THENCE BEAR SOUTH 08° 09' 05" EAST, 249.71 FEET; THENCE BEAR SOUTH 14° 38' 05" EAST, 36.68 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 14° 38' 05" EAST, 94.83 FEET; THENCE BEAR SOUTH 01° 56' 55" WEST, 82.95 FEET; THENCE BEAR NORTH 89° 24' 55" EAST, 1120.76 FEET, OUT ONTO A SPIT OF LAND TO THE SHORELINE; THENCE BEAR NORTH 05°37'29" EAST, 161.06 FEET TO A POINT; THENCE BEAR SOUTH 89° 24' 55" WEST, 1000.60 FEET TO A POINT ON A CONCRETE SEAWALL, SAID POINT BEARING SOUTH 85° 13' 05" EAST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 85° 13' 05" WEST, 157.63 FEET TO THE POINT OF BEGINNING.

PARCEL E:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EASTERLY LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO EASTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 500 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 191.5 FEET

Exhibit 2

LEGAL DESCRIPTION

TO A POINT WHICH IS THE POINT OF BEGINNING; THENCE CONTINUE EASTERLY ALONG THE PROLONGATION OF THE PREVIOUSLY DESCRIBED COURSE A DISTANCE OF 393.5 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 226.08 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 125 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 20 FEET TO A POINT IN AN EXISTING SEAWALL; THENCE WESTERLY AND PARALLEL WITH THE SOUTHERLY FACE OF SAID SEAWALL A DISTANCE OF 450.1 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES TO A SOUTHERLY LINE OF FIFTH AVENUE A DISTANCE OF 30 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 68.5 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 227.2 FEET BACK TO THE POINT OF BEGINNING.

ALSO

A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE.

ALSO DESCRIBED AND INSURED AS:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY RIGHT-OF-WAY, A DISTANCE 499.98 FEET TO THE EASTERLY LINE OF AN EASEMENT AGREEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 780, PAGE 1169 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 05° 57' 53" W, ALONG SAID EASTERLY LINE, A DISTANCE 729.82 FEET TO THE SOUTHERLY LINE OF AN INGRESS/EGRESS EASEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY LINE, A DISTANCE 191.50 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE ALONG SAID SOUTHERLY LINE S 84°02'07" E, A DISTANCE OF 393.51; THENCE S 06° 00' 38" W, A DISTANCE OF 227.17 FEET; THENCE S 85° 29' 39" E, A DISTANCE OF 125.00 FEET; THENCE S 06° 01' 16" W, A DISTANCE OF 20.01 FEET TO THE SOUTHERLY FACE OF A CONCRETE SEAWALL; THENCE N 85° 29' 39" W, ALONG SAID SOUTHERLY LINE, A DISTANCE OF 450.10 FEET; THENCE N 06° 23' 31" E, A DISTANCE OF 30.00 FEET; THENCE N 85° 29' 39" W, A DISTANCE 68.50 FEET; THENCE N 05° 56' 58" E, A DISTANCE OF 227.20 FEET TO THE POINT OF BEGINNING.

TOGETHER WITH:
A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE. TOGETHER WITH AN EASEMENT FOR INGRESS AND EGRESS OVER AND UPON THE FOLLOWING DESCRIBED PROPERTY, RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464, AND ALSO IN OFFICIAL RECORDS BOOK 2287, PAGE 719, PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, SITUATED, LYING AND BEING IN THE COUNTY OF MONROE, STATE OF FLORIDA, TO WIT: A PARCEL OF LAND LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA, AS RECORDED IN PLAT BOOK 1, AT PAGE 55, MONROE

LEGAL DESCRIPTION

COUNTY OFFICIAL RECORDS, AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EAST LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO WESTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 499 FEET TO A POINT, WHICH POINT IS THE POINT OF BEGINNING; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 701 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 586 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 29 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 615 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT IN THE SOUTHERLY LINE OF 5TH AVENUE; THENCE EASTERLY AND AT RIGHT ANGLES AND ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 29 FEET BACK TO THE POINT OF BEGINNING.

SAID EASEMENT ALSO DESCRIBED AND INSURED AS:
A PARCEL OF LAND LYING IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE SOUTH 84°02'07" EAST, A DISTANCE OF 499.98 FEET TO THE WEST LINE OF TRUSTEE'S DEED N0.20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE LEAVING SAID LINE SOUTH 05° 57' 53" WEST, ALONG SAID LINE A DISTANCE OF 699.82 FEET TO THE POINT OF BEGINNING; THENCE SOUTH 84° 02' 07" EAST, PARALLEL WITH THE SOUTHERLY LINE OF SAID FIFTH AVENUE A DISTANCE OF 740.00 FEET; THENCE SOUTH 05° 57' 53" WEST, A DISTANCE OF 40.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 155.00 FEET; THENCE NORTH 05° 57' 53" EAST, A DISTANCE OF 10.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 585.00 FEET TO THE WEST LINE OF SAID TRUSTEE'S DEED; THENCE NORTH 05° 57' 53" EAST, ALONG SAID LINE A DISTANCE OF 30.00 FEET TO THE POINT OF BEGINNING.

PARCEL F:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 83 DEGREES AND 56 MINUTES EAST, 485.00 FEET; THENCE BEAR SOUTH 05 DEGREES AND 47 MINUTES WEST, 938.88 FEET; THENCE BEAR SOUTH 08 DEGREES AND 02 MINUTES EAST, 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES AND 31 MINUTES EAST, 131.51 FEET; THENCE BEAR SOUTH 02 DEGREES AND 04 MINUTES WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 02 DEGREES AND 04 MINUTES WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES AND 19 MINUTES EAST, 140.00 FEET, MORE OR LESS, TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES AND 56 MINUTES EAST OUT INTO A SLIP 970 FEET, MORE OR LESS, TO A POINT; THENCE BEAR NORTH 05 DEGREES AND 55 MINUTES EAST, 150.00 FEET, MORE OR LESS, TO A POINT WHICH IS BEARING NORTH 89 DEGREES AND 32 MINUTES EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89

LEGAL DESCRIPTION

DEGREES AND 32 MINUTES WEST, 1120.00 FEET, MORE OR LESS, BACK TO THE POINT OF BEGINNING.

ALSO DESCRIBED AND INSURED AS:
A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST, 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST, 249.71 FEET; THENCE SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST, 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST OUT INTO A SLIP, 977.77 FEET TO A POINT; THENCE BEAR NORTH 05 DEGREES 37 MINUTES 29 SECONDS EAST, 184.10 FEET TO A POINT WHICH IS BEARING NORTH 89 DEGREES 24 MINUTES 55 SECONDS EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89 DEGREES 24 MINUTES 55 SECONDS WEST, 1120.76 FEET BACK TO THE POINT OF BEGINNING.

PARCEL G:

A PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED-IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.98 FEET; THENCE S 05° 57' 53" W FOR A DISTANCE OF 938.76 FEET; THENCE S 08° 09' 05" E FOR A DISTANCE OF 109.75 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE S 08° 09' 05" E, A DISTANCE OF 139.96 FEET; THENCE S 14° 38' 05" E, A DISTANCE OF 32.68 FEET; THENCE S 85° 13' 05" E, A DISTANCE OF 157.63 FEET; THENCE N 89° 24' 55" E, A DISTANCE OF 49.99 FEET; THENCE N 05° 12' 11" E, A DISTANCE OF 161.18 FEET; THENCE N 84° 02' 55" W, A DISTANCE OF 252.15 FEET TO THE POINT OF BEGINNING.

PARCEL H:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE SOUTH 84° 02' 07" EAST ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.79 FEET; THENCE SOUTH 05° 39' 55" WEST FOR A DISTANCE 938.76 FEET; THENCE SOUTH 08° 09' 05" EAST FOR A DISTANCE OF 42.15 FEET TO THE EASTERLY LINE OF A 30 FOOT EASEMENT AND THE EASTERLY RIGHT-OF-WAY LINE OF SHRIMP ROAD AS

Exhibit 2

LEGAL DESCRIPTION

RECORDED IN O.R. BOOK 2030, PAGE 949 (PARCEL A TRACT 1), OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA AND THE POINT OF BEGINNING; THENCE LEAVING SAID LINE SOUTH 08°09'05" EAST, A DISTANCE OF 207.56 FEET; THENCE SOUTH 14°38'05" EAST, A DISTANCE OF 131.51 FEET; THENCE SOUTH 01° 56' 55" WEST, A DISTANCE OF 575.72 FEET; THENCE SOUTH 05° 54' 55" WEST, A DISTANCE OF 186.69 FEET; THENCE SOUTH 84° 05' 05" EAST, A DISTANCE OF 175.00 FEET; THENCE NORTH 34° 32' 55" EAST, A DISTANCE OF 116.44 FEET; THENCE NORTH 89° 27' 55" EAST, A DISTANCE OF 915.36 FEET; THENCE SOUTH 01° 07' 35" WEST, A DISTANCE OF 384.62 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 30.84 FEET TO A MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING TWENTY SEVEN (27) COURSES: 1. NOTES:

PLANS AUTHORIZED STATUS
Existing and commercial development in Monroe County is subject to the Permit Allocation System (see Objectives 101.2 and 101.3 and related guidelines). The densities and intensities of land identified on the Future Land Use Map may not be achievable immediately upon adoption of the Plan, but may be achieved over the planning horizon as permits are issued in accordance with the Permit Allocation System.

PERMITTED USES
The Future Land Use Map is not a zoning map. Future land use categories have been established to correspond the appropriate range of uses and densities and intensities that may be permitted in each area. The actual range of permitted uses, densities and intensities of uses to be permitted on any parcel may be further limited by the Land Development Regulations, based upon consistency with all applicable provisions of the Plan and the Concurrency Management System, and the adjacent land development designations, as well as the need to protect natural resources, maintain the character of the existing community, and ensure that adequate public facilities are available. Permitted uses may be further limited through the application of additional development criteria which may be adopted as part of the Land Development Regulations.

SPECIAL CONDITIONS
There are a number of properties subject to special conditions agreed to between the County and the Florida Department of Community Affairs. These conditions are listed in the Future Land Use Element. Properties subject to special conditions are identified on the Official Zoning Map by the letter "S" and their conditions are set forth in the Land Development Regulations.

PROPOSED AMENDMENTS PENDING
The adopted Plan is subject to proposed amendments that may be considered by the Board of County Commissioners during the 1997 Evaluation and Appraisal Report process. Such amendments may affect the densities, intensities and permitted uses of land designated on the Future Land Use Map. Persons should contact the Monroe County Growth Management Division to determine what proposed amendments are pending.

ORDINANCE NO. 045-2013

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE FUTURE LAND USE MAP (FLUM) DESIGNATION FROM INDUSTRIAL (I) TO MIXED USE COMMERCIAL (MC) FOR EIGHTEEN PARCELS OF LAND ON STOCK ISLAND, HAVING REAL ESTATE NUMBERS 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000, LOCATED ON SOUTH STOCK ISLAND; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF INCONSISTENT PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY; PROVIDING FOR THE FILING WITH THE SECRETARY OF STATE AND FOR AN EFFECTIVE DATE; AND PROVIDING FOR THE INCLUSION IN THE MONROE COUNTY 2010 COMPREHENSIVE PLAN.

WHEREAS, Longstock II, LLC, submitted an application amending Monroe County 2010 Comprehensive Plan Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category; amend the maximum net density range and the maximum intensity range for the Mixed Use/Commercial (MC) Future Land Use Map Category and to clarify the footnotes within the table; and

WHEREAS, on February 13, 2012, the BOCC voted to transmit the amendment, with the staff's added recommended provisions to preserve and enhance working waterfront while allowing moderate redevelopment of other uses, to the State Land Planning Agency; and

WHEREAS, the State Land Planning Agency reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) Report on May 4, 2012, which did not identify any issues with the proposed amendment; and

WHEREAS, at a public hearing on September 21, 2012, the BOCC adopted the text amendment, amending the MC Future Land Use Map Category description and assigning the MI Zoning District to the MC category (Ordinance 032-2012); and

Exhibit 3

WHEREAS, the MC Future Land Use Map category now includes provisions to preserve and promote recreational and commercial working waterfront uses on all lands designated with the Maritime Industries (MI) land use district within the MC category; and

WHEREAS, 18 properties on South Stock Island formed the Safe Harbor Marina Property Owners Association, Inc.,and submitted an application for a Future Land Use Map amendment from from Industrial (I) to Mixed Use/Commercial (MC); and

WHEREAS, the Monroe County Development Review Committee considered the proposed amendment at a regularly scheduled meeting held on the 25th day of September, 2012; and

WHEREAS, the Monroe County Planning Commission held a public hearing on the 14th day of November, 2012, for review and recommendation on the proposed Future Land Use Map amendment; and

WHEREAS, the Monroe County Planning Commission made the following findings of fact and conclusions of law:

1. On September 21, 2012, the BOCC adopted an amendment to Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category.

2. The BOCC also adopted provisions to further preserve and enhance working waterfront uses within the MC Future Land Use Map Category.

3. The 18 subject parcels are designated as Tier III, classified as developed land, and are not designated as habitat for any protected species.

4. The definition of the term recreational and commercial working waterfront, pursuant to Section 342.07, F.S., means *"a parcel or parcels of real property that provide access for water-dependent commercial activities, including hotels and motels as defined in s. 509.242(1), or provide access for the public to the navigable waters of the state. Recreational and commercial working waterfronts require direct access to or a location on, over, or adjacent to a navigable body of water. The term includes water-dependent facilities that are open to the public and offer public access by vessels to the waters of the state or that are support facilities for recreational, commercial, research, or governmental vessels. These facilities include public lodging establishments, docks, wharfs, lifts, wet and dry marinas, boat ramps, boat hauling and repair facilities, commercial fishing facilities, boat construction facilities, and other support structures over the water. As used in this [statute] section, the term "vessel" has the same meaning as in s. 327.02(39). Seaports are excluded from the definition."*

5. The proposed amendment is internally consistent with the Monroe County Comprehensive Plan.

Exhibit 3

6. The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern, Section 380.0552(7), Florida Statutes.

WHEREAS, the Monroe County Planning Commission passed Resolution No. P54-12 recommending transmittal of the proposed amendment; and

WHEREAS, at a special meeting held on the 18th day of April, 2013, the Monroe County Board of County Commissioners held a public hearing and approved Resolution No. 133-2013 to transmit the proposed amendment to the State Land Planning Agency; and

WHEREAS, the proposed Comprehensive Plan amendment to amend the Future Land Use Map was reviewed by the State Land Planning Agency which issued an Objections, Recommendations, and Comments (ORC) Report on July 2, 2013. The ORC report stated that *"the NAS-KW states that the Navy is utilizing the 2007 AICUZ and that the more recent Environmental Impact Statement (EIS) noise contours are in draft form and therefore not acceptable at this time. The recent EIS study depicts the parcel as being within a lower noise contour, one in which the transient development would be acceptable with noise attenuation and landscaped berm on the outside of the property. For the reasons cited above, the Department objects to the proposal because the change will exacerbate the incompatibility issues that already exist. The proposed change is also inconsistent with the Principles for Guiding Development that require that proposed amendments must be consistent with protection of the value of public investments in the Florida Keys, including Naval Air Station- Key West;"* and

WHEREAS, the ORC report also included a recommendation for addressing the objection: *"The applicant may consider delaying adoption of the proposed amendment until the 2012 EIS DNL Map is adopted by the military, and provide noise attenuation and outside landscaped berms, as requested by the Department of the Navy;"* and

WHEREAS, in response to the ORC Report, the County did wait until the Navy's Record of Decision for the Final Environmental Impact Statement for Naval Air Station Key West Airfield Operations, which was issued on October 31, 2013, and includes new noise contours which no longer include the subject properties of this FLUM amendment within the 65 DNL (Day-Night Average noise).

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Future Land Use Map (FLUM) for the Year 2010 Comprehensive Plan is hereby amended by changing the FLUM designation from Industrial (I) to Mixed Use Commercial (MC) for eighteen parcels of land on Stock Island, having Real Estate Numbers 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000; located on South

Exhibit 3

Stock Island, as shown on Exhibit 1, which is attached hereto and incorporated herein.

Section 2. **Severability.** If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

Section 3. **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

Section 4. **Transmittal.** This ordinance shall be transmitted by the Director of Planning to the State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.

Section 5. **Filing and Effective Date.** This ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance with Chapter 163, Florida Statutes, and after any applicable challenges have been resolved.

Section 6. **Inclusion in the Comprehensive Plan.** The Future Land Use Map amendment shall be incorporated in the Future Land Use Map of the Monroe County Year 2010 Comprehensive Plan.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a special meeting held on the 11th day of Dec., 2013.

July 10, 2012

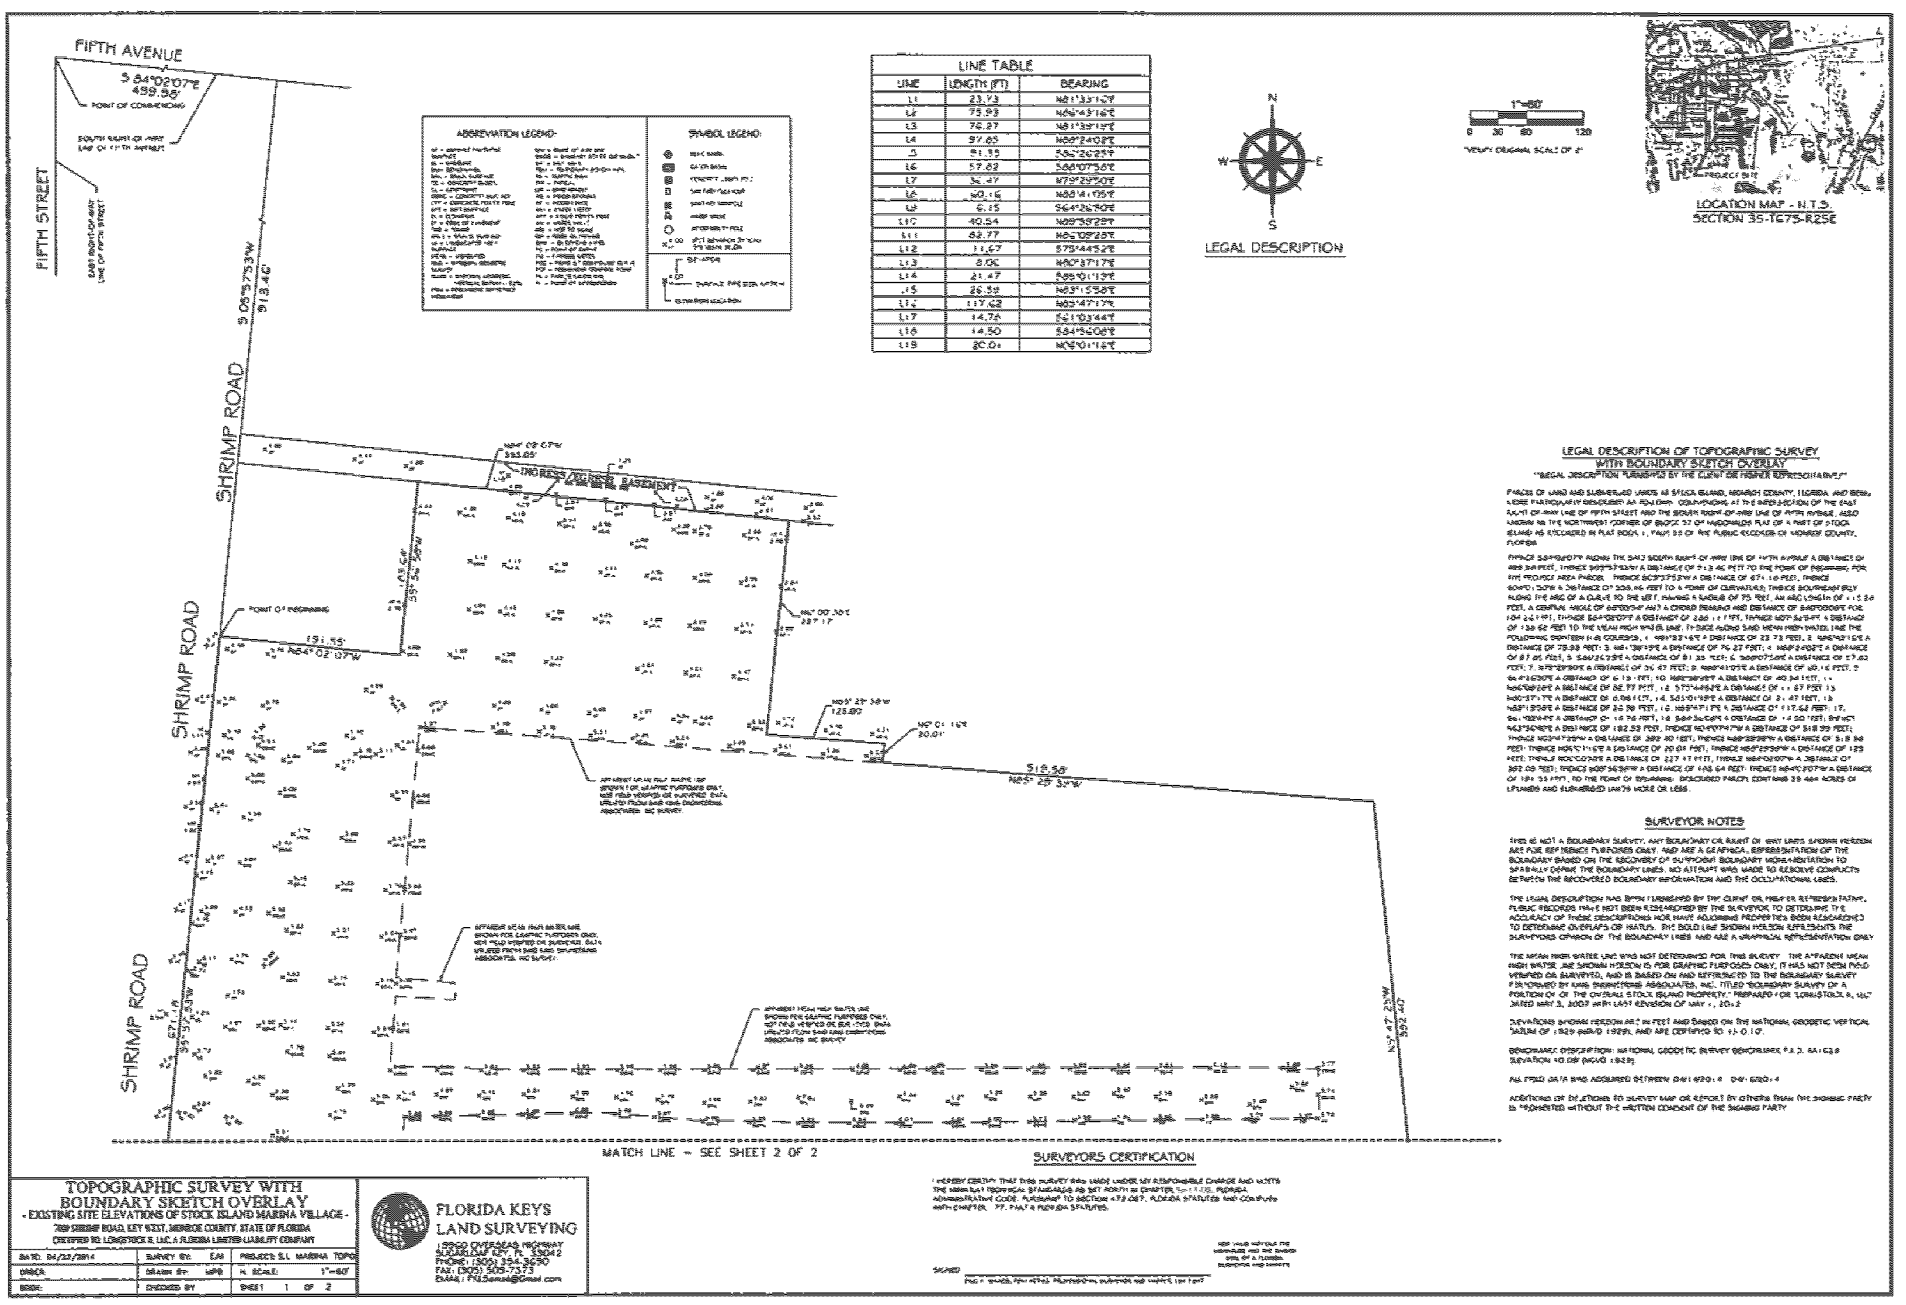
Barton Smith, P.L.
624 Whitehead Street
Key West, FL 33040

Subject: **Minor Deviation to a Major Conditional Use Permit (Deemed)**
Stock Island Marina Village, 7009 Shrimp Road, Stock Island, Real Estate #00123720.000100, #00123720.000200 and #00123760.000200 (File #2011-090)

Mr. Smith,

The Planning & Environmental Resources Department has approved your request for a minor deviation to the major conditional use permit for the above referenced site. The minor deviation was required in order to allow the reconfiguration of 173 of the site's 361 boat slips as shown on a site plan by Weiler Engineering Corporation (WEC) dated April 19, 2012. The Department has determined that the application complies with the requirements and standards set forth in the Monroe County Code. The following conditions apply:

1. Any additional revisions to the site plan or future improvements to the property are subject to further review as a minor deviation or as an amendment to the major conditional use permit approval.
2. While staff recognizes the lawful existence of the 361 boat slips to be reconfigured, this approval does not recognize all of the other existing land uses on the site as lawful. The Planning & Environmental Resources Department is concurrently reviewing this matter. This approval does not condone or approve the unlawful land use and the property owner is subject to possible code compliance prosecution if the unlawful uses are not permitted or terminated.
3. A Monroe County building permit(s) is also required for the scope of work. The Monroe County Office of the Fire Marshal and the Monroe County Building Department have not reviewed this application. The applicant shall meet any additional requirements required by the Fire Marshal and the Building Department.



We trust that this information is of assistance. If you have any questions regarding the contents of this letter, or if we may further assist you with your project, please feel free to contact our Marathon office at (305) 289-2500.

Respectfully,

Townsley Schwab, Senior Director of Planning & Environmental Resources

"LEGAL DESCRIPTION FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE"

PIECES OF LAND AND SUBMERGED LANDS AS STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EAST RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE, ALSO KNOWN AS THE NORTHWEST CORNER OF BLOCK 57 OF MACDONALDS PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 88 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA

THENCE S84°02'07"E ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE A DISTANCE OF 499.96 FEET; THENCE S05°57'53"W A DISTANCE OF 913.46 FEET TO THE POINT OF BEGINNING; FOR THE PRESENT AREA PARCEL; THENCE S05°57'53"W A DISTANCE OF 67.16 FEET; THENCE SOUTH 306.46 FEET TO A POINT OF CURVATURE; THENCE SOUTHEASTERLY ALONG THE ARC OF A CURVE TO THE LEFT, HAVING A RADIUS OF 35 FEET, AN ARC LENGTH OF 115.89 FEET, A CENTRAL ANGLE OF 189°00'49" AND A CHORD BEARING AND DISTANCE OF S88°00'09"E FOR 104.24 FEET; THENCE S84°29'07"E A DISTANCE OF 286.11 FEET; THENCE NORTHERLY A DISTANCE OF 139.62 FEET TO THE MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING COURSES: 1. N89°32'49"E A DISTANCE OF 23.73 FEET; 2. N86°43'16"E A DISTANCE OF 75.93 FEET; 3. N81°39'15"E A DISTANCE OF 76.27 FEET; 4. N89°24'08"E A DISTANCE OF 97.65 FEET; 5. S84°26'25"E A DISTANCE OF 91.35 FEET; 6. S86°07'56"E A DISTANCE OF 57.62 FEET; 7. N79°29'50"E A DISTANCE OF 36.47 FEET; 8. N88°41'05"E A DISTANCE OF 60.16 FEET; 9. S64°26'40"E A DISTANCE OF 6.15 FEET; 10. N89°39'28"E A DISTANCE OF 40.54 FEET; 11. N85°08'25"E A DISTANCE OF 62.77 FEET; 12. S75°44'52"E A DISTANCE OF 11.67 FEET; 13. S70°49'49"E A DISTANCE OF 1.67 FEET; 14. N80°37'17"E A DISTANCE OF 8.06 FEET; 15. N86°01'13"E A DISTANCE OF 21.47 FEET; 16. N83°15'56"E A DISTANCE OF 26.53 FEET; 17. N85°47'17"E A DISTANCE OF 117.62 FEET; 18. S84°56'06"E A DISTANCE OF 14.50 FEET; 19. N21°03'44"E A DISTANCE OF 14.76 FEET; 20. S84°56'06"E A DISTANCE OF 182.53 FEET; THENCE N05°57'53"W A DISTANCE OF 518.56 FEET; THENCE N85°29'32"W A DISTANCE OF 392.40 FEET; THENCE S88°29'07"W A DISTANCE OF 8.18 FEET; THENCE N05°01'16"E A DISTANCE OF 80.01 FEET; THENCE N85°29'32"W A DISTANCE OF 123 FEET; THENCE SOUTHERLY A DISTANCE OF 227.11 FEET; THENCE N89°00'07"W A DISTANCE OF 307.05 FEET; THENCE S05°36'39"W A DISTANCE OF 145.64 FEET; THENCE N84°02'07"W A DISTANCE OF 184.33 FEET, TO THE POINT OF BEGINNING. DESCRIBED PARCEL CONTAINS 39.464 ACRES OF UPLANDS AND SUBMERGED LANDS MORE OR LESS.

SURVEYOR NOTES

THIS IS NOT A BOUNDARY SURVEY. ANY BOUNDARY OR RIGHT OF WAY LINES SHOWN HEREON ARE FOR REFERENCE PURPOSES ONLY AND ARE A GRAPHICAL REPRESENTATION OF THE BOUNDARY BASED ON THE RECOVERY OF SUPPORT BOUNDARY MONUMENTATION TO SPATIALLY DEFINE THE BOUNDARY LINES. NO ATTEMPT WAS MADE TO RESOLVE CONFLICTS BETWEEN THE RECOVERED BOUNDARY INFORMATION AND THE OCCUPATIONAL LINES.

THE LEGAL DESCRIPTION HAS BEEN FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE. PUBLIC RECORDS HAVE NOT BEEN RESEARCHED BY THE SURVEYOR TO DETERMINE THE ACCURACY OF THESE DESCRIPTIONS NOR HAVE ADJOINING PROPERTIES BEEN RESEARCHED TO DETERMINE OVERLAPS OR GAPS. ANY BOLD LINE SHOWN HEREON REPRESENTS THE SURVEYORS OPINION OF THE BOUNDARY LINES AND ARE A GRAPHICAL REPRESENTATION ONLY.

THE MEAN HIGH WATER LINE WAS NOT DETERMINED FOR THIS SURVEY. THE APPARENT MEAN HIGH WATER LINE SHOWN HEREON IS FOR GRAPHIC PURPOSES ONLY, IT HAS NOT BEEN FIELD VERIFIED OR SURVEYED, AND IS BASED ON AND REFERENCED TO THE BOUNDARY SURVEY PERFORMED BY KING ENGINEERING ASSOCIATES, INC. TITLED "BOUNDARY SURVEY OF A PORTION OF OF THE OVERALL STOCK ISLAND PROPERTY." PREPARED FOR LONGSTOCK II, LLC" DATED MAY 3, 2007 WITH LAST REVISION OF MAY 1, 2012

ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NATIONAL GEODETIC VERTICAL DATUM OF 1929 (NGVD 1929), AND ARE CERTIFIED TO +/- 0.10'.

BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK # A 21 4218 ELEVATION 10.08' (NGVD 1929)

ALL FIELD DATA WAS ACQUIRED BETWEEN DATE 07/01/14 - DATE 07/01/14

ADDITIONS OR DELETIONS TO SURVEY MAP OR REPORT BY OTHERS THAN THE SIGNING PARTY IS PROHIBITED WITHOUT THE WRITTEN CONSENT OF THE SIGNING PARTY.

SURVEYORS CERTIFICATION

I HEREBY CERTIFY THAT THIS SURVEY WAS MADE UNDER MY RESPONSIBLE CHARGE AND MEETS THE MINIMUM TECHNICAL STANDARDS AS SET FORTH IN CHAPTER 5J-17.051, FLORIDA ADMINISTRATIVE CODE, PURSUANT TO SECTION 472.027, FLORIDA STATUTES AND CONFORMS WITH CHAPTER 177, PART II, FLORIDA STATUTES.

SURVEYOR NOTES

THIS IS NOT A BOUNDARY SURVEY. ANY BOUNDARY OR RIGHT OF WAY LINES SHOWN HEREON ARE FOR REFERENCE PURPOSES ONLY, AND ARE A GRAPHICAL REPRESENTATION OF THE BOUNDARY BASED ON THE RECOVERY OF SUFFICIENT BOUNDARY MONUMENTATION TO ADEQUATELY DEFINE THE BOUNDARY LINES. NO ATTEMPT WAS MADE TO RESOLVE CONFLICTS BETWEEN THE RECOVERED BOUNDARY MONUMENTATION AND THE OCCUPATION LINES.

THE LEGAL DESCRIPTION HAS BEEN FURNISHED BY THE CLIENT OR THEIR REPRESENTATIVE. PUBLIC RECORDS HAVE NOT BEEN RESEARCHED BY THE SURVEYOR TO DETERMINE THE ACCURACY OF THESE DESCRIPTIONS NOR HAVE ADJOINING PROPERTIES BEEN RESEARCHED TO DETERMINE OVERLAPS OR GAPS. THE BOLD LINE SHOWN HEREON REPRESENTS THE SURVEYORS OPINION OF THE BOUNDARY LINES AND ARE A GRAPHICAL EXPRESSION ONLY.

THE MEAN HIGH WATER LINE WAS NOT DETERMINED FOR THIS SURVEY. THE APPARENT MEAN HIGH WATER LINE SHOWN HEREON IS FOR GRAPHIC PURPOSES ONLY, IT HAS NOT BEEN FIELD VERIFIED OR SURVEYED, AND IS BASED ON AND NOT TIED TO THE BOUNDARY SURVEY TITLED ORDER BY KRAI ENGINEERING ASSOCIATES, INC. TITLED "BOUNDARY SURVEY OF A PORTION OF OF THE OVERALL STOCK ISLAND PROPERTY," PREPARED FOR: LONGTOOTH II, LLC DATED MAY 8, 2007 WITH LAST REVISION OF MAY 1, 2012.

ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NATIONAL GEODETIC VERTICAL DATUM OF 1929 (NGVD 1929), AND ARE EXISTING PG TO +/- 0.10'

BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK P.I.D. AA1621. ELEVATION: 10.09' (NGVD 1929).

ALL FIELD DATA WAS ACQUIRED BETWEEN 04/4/2014 - 04/16/2014.

ADDITIONS OR DELETIONS TO SURVEY MAP OR REPORT BY OTHERS THAN THE SIGNING PARTY IS PROHIBITED WITHOUT THE WRITTEN CONSENT OF THE SIGNING PARTY.

LEGAL DESCRIPTION OF TOPOGRAPHIC SURVEY WITH BOUNDARY SKETCH OVERLAY

"LEGAL DESCRIPTION FURNISHED BY THE CLIENT OR THEIR REPRESENTATIVE"

PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS TO-WIT: COMMENCING AT THE INTERSECTION OF THE EAST RIGHT-OF-WAY LINE OF NORTH STREET AND THE SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE, ALSO KNOWN AS THE NORTHWEST CORNER OF BLOCK 57 OF MUSKRAT-EE PART OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 58 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA.

THENCE S64°02'07"E ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE A DISTANCE OF 489.86 FEET; THENCE S00°07'53"W A DISTANCE OF 91.34 FEET TO THE POINT OF BEGINNING FOR THE PARCEL HEREIN PLACES; THENCE S00°07'53"W A DISTANCE OF 67.16 FEET; THENCE N79°01'30"W A DISTANCE OF 359.46 FEET TO A POINT OF CURVATURE; THENCE SOUTHERLY ALONG THE ARC OF A CURVE TO THE LEFT, HAVING A RADIUS OF 75 FEET, AN ARC LENGTH OF 115.28 FEET, A CENTRAL ANGLE OF 88°03'54" AND A CHORD BEARING AND DISTANCE OF S45°00'03"E FOR 104.26 FEET; THENCE S89°58'07"E A DISTANCE OF 286.19 FEET TO THE MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING EIGHTEEN (18) COURSES: 1. N61°39'16"E A DISTANCE OF 23.73 FEET; 2. N66°43'16"E A DISTANCE OF 75.93 FEET; 3. N61°39'19"E A DISTANCE OF 76.27 FEET; 4. N66°24'02"E A DISTANCE OF 57.65 FEET; 5. MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

To:	Monroe County Board of County Commissioners
Through:	Christine Hurley, AICP, Director of Growth Management Townsley Schwab, Senior Director of Planning & Environmental Resources
From:	Joseph Haberman, AICP, Planning & Development Review Manager
Date:	June 18, 2014
Subject:	*Request for a Development Agreement between Monroe County, Florida and Longstock II, LLC, concerning Stock Island Marina Village, 700 and 7009 Shrimp Road, Stock Island, approximate mile marker 5, having real estate numbers 00123720.000100, 00123720.000200 and 00123760.000200 (File #2014-026)*
Meeting:	**May 28, 2014**

I REQUEST:

The requested agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 SF. New residential or nonresidential buildings shall not exceed 35' in height.

Subject Property with Land Use District Overlaid (Aerial dated 2012)

In addition to the application for a development agreement, the applicant submitted an application for an amendment to a major conditional use permit for the associated redevelopment of the subject property. This separate application, which will be reviewed by the Planning Commission at a later date, is required in order for the property owner to redevelop the existing marina by improving the marina's facilities, constructing the new hotel with 100 transient residential units, constructing a new restaurant, constructing a new fish house (retail and distribution), constructing a new distillery and carrying out associated site improvements.

Location:

Address: 700 and 7009 Shrimp Road, Stock Island, approximate mile marker 5 (Atlantic Ocean side of US 1)

Legal Description: Parcels of land in Section 35, Township 67 South, Range 25 East, Stock Island, Monroe County, Florida (legal description in metes and bounds is provided in the application/file)

Real Estate (RE) Numbers: 00123720.000100, 00123720.000200 and 00123760.000200

(Note: The aforementioned numbers are the current numbers associated with the subject property. Portions of the property have been assessed under different numbers in the past. Known former numbers associated with the upland of the subject property that have been voided include 00123720.000000, 00123720.000300, 00123730.000000, 00123750.000000, 00123760.000101, 00123760.000102, 00123760.000103 and 00123760.000300. Known former numbers associated with the submerged land of the subject property that have been voided include 00123760.000401 through 00123760.000411, 00123760.000501 through 00123760.000521 and 00123760.000601 through 00123760.000604.)

Applicant:

Agent: Barton W. Smith, Esq., Smith Oropeza, P.L.

Owner: Longstock II, LLC

II RELEVANT PRIOR COUNTY ACTIONS:

The existing marina was established prior to 1986 and is thereby deemed to have a major conditional use permit.

In 2012, a minor deviation to the major conditional use permit was approved allowing the reconfiguration of 173 of the site's 361 boat slips

In 2013, a minor deviation to the major conditional use permit was approved allowing new development atop the northernmost pier. The development included bath house buildings for occupants of the live-aboard vessels and a commercial building that included marine fuel services, a marina store and management offices.

In 2013, an alcoholic beverage special use permit (2-COP) was approved allowing the sale of beer and wine, on premise and package. The approval is memorialized by Planning Commission Resolution #P23-13, approved by the Planning Commission at a public hearing on August 28, 2013 and signed by the Planning Commission Chair on September 10, 2013.

In 2013, an amendment to the Monroe County Future Land Use Map was approved amending the future land use designation of the subject property from Industrial (I) to Mixed Use/Commercial (MC). The approval is memorialized by Ordinance #045-2013, approved by the Board of County Commissioners at a public hearing on December 11, 2013.

III BACKGROUND INFORMATION:

A. Size of Site: 35.484 acres (12.240 acres of upland and 23.244 acres of submerged land)
B. Land Use District: Maritime Industries (MI)
C. Future Land Use Map (FLUM) Designation: Mixed Use/Commercial (MC)
D. Tier Designation: Tier III
E. Existing Uses: Mixed Use - Marina, Light Industrial, Commercial Retail, Office
F. Existing Vegetation / Habitat: Predominately scarified, with mangroves along the some segments of the southernmost shoreline and areas landscaping throughout the site
G. Community Character of Immediate Vicinity: Mixed Use
H. Flood Zone: AE-EL 9

IV REVIEW OF APPLICATION:

The BOCC shall have authority to enter into a development agreement by resolution with any person having a legal or equitable interest in real property located within the unincorporated area of Monroe County if the development agreement meets all of the requirements of the Florida Local Government Development Agreement Act, Section 163.3220-163.3243, Florida Statutes; provided, however, that the duration of the development agreement shall not exceed 10 years, and any duration specified in a development agreement shall supersede any conflicting duration otherwise specified in the land development regulations.

Pursuant to Section 163.3227, Florida Statutes, a development agreement shall include the following:

a) A legal description of the land subject to the agreement, and the names of its legal and equitable owners:

In the agreement, a full legal description is provided in Exhibit 2. Ownership is described in section I (J) on page 2 and a special warranty deed is provided in Exhibit 1.

b) The duration of the agreement:

The agreement shall remain in effect for 10 years from the effective date, as stated in section III (C) on page 3.

c) The development uses permitted on the land, including population densities, and building intensities and height:

Permitted uses on the land(s), population densities, and building intensities and height(s) are provided in section III (D) on page 4.

d) A description of public facilities that will service the development, including who shall provide such facilities; the date any new facilities, if needed, will be constructed; and a schedule to assure public facilities are available concurrent with the impacts of the development:

A description of public facilities is stated in section III (E) on pages 4 through 5.

e) A description of any reservation or dedication of land for public purposes:

There will be no reservation or dedication of land for public purpose. This is stated in in section III (F) on page 5.

f) A description of all local development permits approved or needed to be approved for the development of the land:

Required local development permits are not provided in a single section. The requirement for a major conditional use permit to redevelop the property is provided in section III (H) on page 6. The requirement for a minor conditional use permit (per reference to MCC §138-22(2) to finalize transfer the TRE's is provided in section I (I) on page 2 and II (C) on page 3. Permit requirements in general are provided in section III (Q) on page 8, which states "This Agreement is not and shall not be construed as a Development Permit, Development Approval or authorization to commence development, nor shall it relieve the Parties other than Monroe County of the obligations to obtain necessary Development Approvals that are required under applicable law and under and pursuant to the terms of this Agreement and Monroe County Code."

g) A finding that the development permitted or proposed is consistent with the local government's comprehensive plan and land development regulations:

A finding of consistency is stated in section III (J) on page 6.

h) A description of any conditions, terms, restrictions, or other requirements determined to be necessary by the local government for the public health, safety, or welfare of its citizens:

A description of any conditions, terms, restrictions or other requirements is not provided in a single section. Such conditions, terms, restrictions and other requirements are provided throughout the agreement.

i) A statement indicating that the failure of the agreement to address a particular permit, condition, term, or restriction shall not relieve the developer of the necessity of complying with the law governing said permitting requirements, conditions, term, or restriction:

Breach, amendment, enforcement and termination of the development provisions are provided in section III (K) on pages 6 through 7.

V RECOMMENDATION:

The Planning & Environmental Resources Department recommends approval.

MONROE COUNTY, FLORIDA
PLANNING COMMISSION RESOLUTION NO. P19-14

A RESOLUTION BY THE MONROE COUNTY PLANNING COMMISSION RECOMMENDING APPROVAL TO THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS OF A DEVELOPMENT AGREEMENT BETWEEN MONROE COUNTY, FLORIDA AND LONGSTOCK II, LLC, CONCEPTUALLY APPROVING THE REDEVELOPMENT OF STOCK ISLAND MARINA VILLAGE, LOCATED AT 700 AND 7009 SHRIMP ROAD, STOCK ISLAND, APPROXIMATE MILE MARKER 5, DESCRIBED AS PARCELS OF LAND IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, STOCK ISLAND, MONROE COUNTY, FLORIDA, AND HAVING REAL ESTATE (RE) NUMBERS 00123720.000100, 00123720.000200 AND 00123760.000200.

WHEREAS, during a regularly scheduled public meeting held on May 28, 2014, the Monroe County Planning Commission conducted a review and consideration of a request filed by Attorney Barton W. Smith, on behalf of Longstock II, LLC, for a development agreement in accordance with §110-132 and §110-133 of the Monroe County Code and Florida Statutes Sec. 163.3220 *et. seq.*, the "Florida Local Government Development Agreement Act"; and

WHEREAS, the development agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 square feet. New residential or nonresidential buildings shall not exceed 35' in height; and

WHEREAS, the development agreement involves the redevelopment of the site, currently known as Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island, Florida, approximate mile marker 5 of the Overseas Highway (US 1); and

WHEREAS, the site is described as parcels of land in Section 35, Township 67 South, Range 25 East, Stock Island, Monroe County, Florida, having Real Estate (RE) Numbers 00123720.000100, 00123720.000200 and 00123760.000200; and

WHEREAS, the May 28, 2014, Planning Commission public meeting served as one of the two required public hearings for the proposed development agreement; and

WHEREAS, the Planning Commission was presented with the following documents and other information relevant to the request, which by reference is hereby incorporated as part of the record of said hearing:

1. Development Agreement application (File #2014-026), received by the Monroe County Planning & Environmental Resources Department on February 19, 2014; and
2. Development Agreement received February 19, 2014; and
3. Staff report prepared by Joseph Haberman, AICP, Planning & Development Review Manager, dated May 16, 2014; and
4. Sworn testimony of Monroe County Planning & Environmental Resources Department staff; and
5. Sworn testimony of the applicant and general public; and
6. Advice and counsel of Steve Williams, Assistant County Attorney, and John Wolfe, Planning Commission Counsel; and

WHEREAS, based upon the information and documentation submitted, the Planning Commission makes the following Findings of Fact:

1. The subject property is located within a Maritime Industries (MI) Land Use (Zoning) District. Further, it is designated within a Mixed Use / Commercial (MC) category on the Future Land Use Map (FLUM) and within a Tier III district on the Tier Overlay District Map; and

2. The existing marina was established prior to 1986 and is thereby deemed to have a major conditional use permit pursuant to §101-4(c) of the Monroe County Code; and

3. In 2012, a minor deviation to the major conditional use permit was approved allowing the reconfiguration of 173 of the site's 361 boat slips; and

4. In 2013, a minor deviation to the major conditional use permit was approved allowing new development atop the northernmost pier. The development included bath house buildings for occupants of the live-aboard vessels and a commercial building that included marine fuel services, a marina store and management offices; and

5. In 2013, an amendment to the Monroe County Future Land Use Map was approved amending the future land use designation of the subject property from Industrial (I) to Mixed Use/Commercial (MC). The approval is memorialized by Ordinance #045-2013, approved by the Board of County Commissioners at a public hearing on December 11, 2013; and

6. On April 29, 2014, the development agreement was reviewed by the Development Review Committee; and

7. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development; and

8. The development agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes; and

9. Development shall not be inconsistent with the Monroe County Code; and

10. Development shall not be inconsistent with the Monroe County Comprehensive Plan; and

11. Development on Stock Island shall not be inconsistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan; and

12. Development shall not be inconsistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

WHEREAS, based upon the information and documentation submitted, with fulfillment of the requested revisions, the Planning Commission makes the following Conclusions of Law:

1. The request is consistent with the provisions and intent of the Monroe County Code; and

2. The request is consistent with the provisions and intent of the Monroe County Year 2010 Comprehensive Plan; and

3. The request is not inconsistent with the provisions and intent of the Master Plan for the Future Development of Stock Island and Key Haven; and

4. The request is not inconsistent with any of the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

WHEREAS, Planning & Environmental Resources Department staff recommended approval of the development agreement; however with revisions provided in the staff report prepared by Joseph Haberman, AICP, Planning & Development Review Manager, dated May 16, 2014; and

NOW THEREFORE, BE IT RESOLVED BY THE PLANNING COMMISSION OF MONROE COUNTY, FLORIDA, that the preceding Findings of Fact and Conclusions of Law support its decision to **RECOMMEND APPROVAL** of the proposed development

agreement, with the revisions requested in the staff report prepared by Joseph Haberman, AICP, Planning & Development Review Manager, dated May 16, 2014.

PASSED AND ADOPTED BY THE PLANNING COMMISSION of Monroe County, Florida, at a regular meeting held on the 28th of November, 2014.

MONROE COUNTY, FLORIDA
DEVELOPMENT REVIEW COMMITTEE
RESOLUTION NO. DRC 08-14

A RESOLUTION BY THE DIRECTOR OF PLANNING AND ENVIRONMENTAL RESOURCES AND CHAIR OF THE DEVELOPMENT REVIEW COMMITTEE RECOMMENDING APPROVAL TO THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS OF A DEVELOPMENT AGREEMENT BETWEEN MONROE COUNTY, FLORIDA AND LONGSTOCK II, LLC, CONCEPTUALLY APPROVING THE REDEVELOPMENT OF STOCK ISLAND MARINA VILLAGE, LOCATED AT 700 AND 7009 SHRIMP ROAD, STOCK ISLAND, APPROXIMATE MILE MARKER 5, DESCRIBED AS PARCELS OF LAND IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, STOCK ISLAND, MONROE COUNTY, FLORIDA, AND HAVING REAL ESTATE (RE) NUMBERS 00123720.000100, 00123720.000200 AND 00123760.000200.

WHEREAS, during a regularly scheduled meeting held on April 29, 2014, the Development Review Committee (DRC) of Monroe County conducted a review and consideration of a request filed by Attorney Barton W. Smith, on behalf of Longstock II, LLC, for a development agreement in accordance with §110-132 and §110-133 of the Monroe County Code and Florida Statutes Sec. 163.3220 et. seq., the "Florida Local Government Development Agreement Act"; and

WHEREAS, the development agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 square feet. New residential or nonresidential buildings shall not exceed 35' in height; and

WHEREAS, based upon the information and documentation submitted, the Development Review Committee Chair and Senior Director of Planning & Environmental Resources found:

1. The proposed development agreement is consistent with the provisions and intent of the Monroe County Comprehensive Plan; and

2. The proposed development agreement is consistent with the provisions and intent of the Monroe County Code; and

3. The request is not inconsistent with the provisions and intent of the Master Plan for the Future Development of Stock Island and Key Haven; and

4. The proposed development agreement is consistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

NOW THEREFORE, BE IT RESOLVED BY THE DEVELOPMENT REVIEW COMMITTEE OF MONROE COUNTY, FLORIDA that the information provided in the staff report and discussed at the April 29, 2014 meeting supports the Chair's decision to recommend approval to the Planning Commission and Board of County Commissioners with revisions as discussed at the meeting.

Date 6/18/14 _____
Townsley Schwab, Development Review Committee Chair and
Senior Director of Planning and Environmental Resources

I HEREBY CERTIFY that on this day before me, an officer duly authorized in the State aforesaid and in the County aforesaid, to take acknowledgments, personally appeared Townsley Schwab, to me known to be the person described in and who executed the foregoing instrument and she acknowledged before me the she executed the same.

WITNESS my hand and official seal in the County and State last aforesaid this 18th day of June, 2014.

MONROE COUNTY, FLORIDA
RESOLUTION NO. 177 -2014

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING A DEVELOPMENT AGREEMENT BETWEEN MONROE COUNTY, FLORIDA AND LONGSTOCK II, LLC, CONCEPTUALLY APPROVING THE REDEVELOPMENT OF STOCK ISLAND MARINA VILLAGE, LOCATED AT 700 AND 7009 SHRIMP ROAD, STOCK ISLAND, APPROXIMATE MILE MARKER 5, DESCRIBED AS PARCELS OF LAND IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, STOCK ISLAND, MONROE COUNTY, FLORIDA, AND HAVING REAL ESTATE (RE) NUMBERS 00123720.000100, 00123720.000200 AND 00123760.000200.

WHEREAS, during a public meeting held on July 16, 2014 the Monroe County Board of County Commissioners conducted a public hearing to review and consider a request filed by Attorney Barton W. Smith, on behalf of Longstock II, LLC, for a development agreement in accordance with §110-132 and §110-133 of the Monroe County Code and Florida Statutes Sec. 163.3220 *et. seq.*, the "Florida Local Government Development Agreement Act"; and

WHEREAS, the development agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 square feet. New residential or nonresidential buildings shall not exceed 35' in height; and

WHEREAS, the Agreement approves a conceptual site plan for development on the site, subject to further site plan approval by the Planning Commission; and

WHEREAS, the development agreement involves the redevelopment of the site, currently known as Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island, Florida, approximate mile marker 5 of the Overseas Highway (US 1); and

WHEREAS, the site is described as parcels of land in Section 35, Township 67 South, Range 25 East, Stock Island, Monroe County, Florida, having Real Estate (RE) Numbers 00123720.000100, 00123720.000200 and 00123760.000200; and

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Findings of Fact:

1. The subject property is located within a Maritime Industries (MI) Land Use (Zoning) District. Further, it is designated within a Mixed Use / Commercial (MC) category on the Future Land Use Map (FLUM) and within a Tier III district on the Tier Overlay District Map; and

2. In 2013, an amendment to the Monroe County Future Land Use Map was approved amending the future land use designation of the subject property from Industrial (I) to Mixed Use/Commercial (MC). The approval is memorialized by Ordinance #045-2013, approved by the Board of County Commissioners at a public hearing on December 11, 2013; and

3. The existing marina was established prior to 1986 and is thereby deemed to have a major conditional use permit pursuant to §101-4(c) of the Monroe County Code; and

4. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development; and

5. The development agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes; and

6. Development shall not be inconsistent with the Monroe County Code; and

7. Development shall not be inconsistent with the Monroe County Comprehensive Plan; and

8. Development on Stock Island shall not be inconsistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan; and

9. Development shall not be inconsistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

10. The Monroe County Planning Commission held a public hearing at its meeting on May 28, 2014;, which was the first of two required public hearings, and recommended approval to the Board of County Commissioners in Resolution #P19-14;

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Conclusions of Law:

1. The request is consistent with the provisions and intent of the Monroe County Code;

2. The request is consistent with the provisions and intent of the Monroe County Year 2010 Comprehensive Plan;

3. The request is consistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan;

4. The request is consistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern;

5. The Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, that the preceding Findings of Fact and Conclusions of Law support its decision to **APPROVE** the Development Agreement between Monroe County, Florida and Longstock II, LLC attached hereto.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting held on the 16th of July, 2014.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT ("Agreement") is entered into on the 16th day of July 2014, by and between **Monroe County, Florida**, a Political Subdivision of the State of Florida ("Monroe County") and **Longstock II, LLC**, a Florida limited liability company, d/b/a Stock Island Marina Village ("SIMV") (collectively, the "Parties"), pursuant to Sections 110-132 and 110-133 of the Monroe County, Florida, Code of Ordinances ("Monroe County Code"), and the Florida Local Government Development Agreement Act, Florida Statutes Sections 163.3220-163.3243 (2013), and is binding on the "Effective Date" set forth herein:

WITNESSETH:

The Parties hereby agree as follows:

I. RECITALS

A. This Agreement involves the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida.

B. All Parties have the authority to enter into this Agreement through Florida Statutes Chapter 163.

C. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development.

D. This Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, *et seq.*, Florida Statutes (the "Act").

E. The Parties recognize that the public noticing and hearing procedures shall follow the requirements of Section 163.3225, Florida Statutes, which requires the local government to conduct two public hearings, one of which may be before the Planning Commission.

F. Monroe County finds that entering into this Agreement furthers the purposes, goals, objectives and policies of the Monroe County Comprehensive Plan which contains goals and objectives, including but not limited to Policy 101.4.5, which seeks to encourage the preservation of traditional working waterfront uses along with promoting recreational and commercial working waterfront uses, as defined by 342.07, F.S. by permitting a mix of uses

on properties whose Future Land Use Map ("FLUM") designation is Mixed Use / Commercial (MC) and zoning district is Maritime Industries (MI).

G. Monroe County finds that entering into this Agreement implements Policy 101.20.2 by encouraging the redevelopment of Safe Harbor as identified in the Stock Island/Key Haven Livable Communikeys Master Plan Volume I and II.

H. Monroe County finds that entering into this Agreement implements Goal 102 providing the Monroe County shall direct future growth to lands which are intrinsically most suitable for development and shall encourage conservation and protection of environmentally sensitive lands.

I. Monroe County Code Section 138-22(2) allows for the transference of transient residential ROGO exemptions (TREs) from sender sites in the Lower Keys ROGO subarea or the Big Pine Key/No Name Key ROGO subareas to receiver sites in the Lower Keys ROGO subarea. The receiver site/unit meets all of the following criteria: 1) The receiver site is located in the same ROGO subarea as the sender site, with the exception that ROGO exemptions associated with transient residential dwelling units may be transferred from the Big Pine and No Name Key ROGO subarea to the Lower Keys ROGO subarea; 2) The receiver unit shall only be constructed within a) a tier III designated area or b) a tier III-A (special protection area) designated area where the development does not involve the clearing of any native habitat; and 3) Receiver unit shall not be constructed within a velocity (V) zone.

J. SIMV property is generally described as follows:

1. SIMV owns that certain real property located at 700 and 7009 Shrimp Road, Stock Island, Florida ("SIMV Property"). A copy of the Special Warranty Deed evidencing SIMV's ownership is attached as Exhibit 1. Historically and currently the SIMV Property was and is being used for water dependent uses.

2. The SIMV property complete legal description is provided in Exhibit 2.

3. As of the date of this Agreement, the SIMV Property is assessed by the Monroe County Property Appraiser as real estate numbers 00123760-000200, 00123720-000100 and 00123720-000200.

4. The SIMV Property currently has a Maritime Industries ("MI") Land Use (Zoning) District designation and a corresponding Mixed Use Commercial ("MC") Future Land Use Map designation. A copy of the Land Use District Map and Future Land Use Map for the SIMV Property is attached as Exhibit 3.

5. The SIMV Property currently has a Tier Overlay District designation of Tier III.

6. The SIMV Property consists of 44.124 acres, including 12.24 acres of upland and 31.884 acres of submerged land.

7. Since September 15, 1986, marinas in the MI Land Use (Zoning) District require a major conditional use permit. Since the SIMV Property was lawfully developed with a marina prior to September 15, 1986, the SIMV Property is deemed to have a major conditional use permit in accordance with Monroe County Code Section 101-4(c).

8. In 2012, SIMV applied for and was granted a minor deviation to its conditional use for reconfiguring 173 of its existing 361 wet slips. The approval is memorialized by a letter from the Planning & Environmental Resources Director Townsley Schwab dated July 10, 2012. A copy of the Minor Deviation approval is attached as Exhibit 4.

II. PURPOSE

A. The overall purpose of this Agreement is to allow the Parties to provide certainty in development of the SIMV Property.

B. The Agreement allows the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida, in compliance with all applicable provisions of Florida Statutes, the Principles for Guiding Development in the Florida Keys Area of Critical State Concern, the Monroe County Comprehensive Plan, the Master Plan for the Future Development of Stock Island and Key Haven, and the Monroe County Code.

C. The Agreement allows the Parties to implement the provisions of Monroe County Code Section 138-22(2) as applied to the Properties in order to allow for a reasonable use of the SIMV Property by allowing the transference of market-rate transient residential TRE's lawfully associated with Sender Site(s) to the Receiver Site.

D. SIMV desires to transfer up to and including one-hundred (100) transient TREs from sender site(s) to the receiver site SIMV Property.

III. AGREEMENT REQUIREMENTS

A. **Recitals.** The recitals explaining the intent and purpose of the project as set forth in the preceding clauses are incorporated herein and form a material part of this Agreement. The Parties recognize the binding effect of Florida Statutes Sections 163.3220-163.3243, as to the form and content of this Agreement and in accordance therewith set forth and agree to the following.

B. **Legal Description and Ownership.** The legal descriptions for the Properties subject to this Agreement are set forth in Exhibit 2.

C. **Duration of Agreement.** This Agreement shall remain in effect for ten (10) years from the "Effective Date" as defined herein, and may be extended by mutual consent of the Parties and approval at a public hearing, in accordance with Section 163.3229, Florida Statutes. For the duration of this Agreement, the Parties agree that any development shall comply with and be controlled by this Agreement, the Monroe County Code, and the Monroe County

Comprehensive Plan governing the development of land in effect on the date of execution of this Agreement, in accordance with Section 163.3220, Florida Statutes.

D. **Permitted Uses.**

1. SIMV, 700 and 7009 Shrimp Road, Stock Island:

   a. The SIMV Property currently has a MI Land Use (Zoning) District designation and a corresponding MC Future Land Use Map designation.

   b. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the permitted uses in the MC Future Land Use Map category include, but are not limited to, commercial retail; office; maritime industry; commercial fishing; hotels; marinas, light industrial and accessory uses.

   c. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 35% (or 4.28 acres) of the upland area of the property for working waterfront and water dependent uses (excluding transient uses).

   d. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 20% of the existing wet slips and 10% of any future new wet slips for vessels involved with recreational and commercial working waterfront uses. The dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.

   e. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

   f. In accordance with this Agreement and with the MI Land Use (Zoning) District, as set forth in Monroe County Code Section 130-85, and in compliance with other provisions of the Code, the permitted uses in the MI Land Use (Zoning) District include, but are not limited to, commercial retail; office; light industrial; commercial fishing; hotels; marinas and accessory uses.

   g. The redevelopment of the SIMV Property includes the addition of up to one hundred (100) hotel rooms, restaurants, a fish house retail and distribution operation, and other improvements related to the existing marina and accessory development. Not including accessory structures related to the hotel use, the nonresidential intensity shall not exceed 80,000 square feet.

h. The height of any new structure associated with the redevelopment of the SIMV Property shall not exceed 35 feet measured from grade, except for solar apparatus, according to the Monroe County Code in effect at the execution of this Agreement. Height is defined as "the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna, flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in chapter 146. However, in no event shall any of the exclusions enumerated in this section be construed to permit any habitable or usable space to exceed the applicable height limitations." Monroe County Code defines "Grade" as the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher. For purposes of the SIMV Property grade shall be determined based on the attached topographic survey attached hereto as Exhibit 5.

E. **Public Facilities**. The impact on public facilities is nominal. The number of existing transient residential dwelling units and non-residential intensity at SIMV were recognized in the planning of the sewage treatment plant serving Stock Island.

1. The Florida Keys Aqueduct Authority provides domestic potable water to the SIMV Property. Excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will master meter the hotel use. In addition, excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will meter other types of development accordingly.

2. Keys Energy Services provides electric service to the SIMV Property. Excluding existing development that may already be metered, Keys Energy Services will master meter the hotel use. In addition, excluding existing development that may already be metered, Keys Energy Services will meter other types of development accordingly.

3. Solid waste service is provided to each property by a solid waste collection system franchised by Monroe County.

4. The SIMV Property is connected to central sewer via KW Resort Utilities Corp.'s system.

F. **Reservation or Dedication of Land**. There is no reservation or dedication of land for public purposes contemplated by this Agreement.

G. **Development Allowed and Required**. The following specific criteria are those which will guide development of the Property, and are standards by which any further approvals shall be measured and shall be as follows:

a. The SIMV Property consists of 44.124 gross acres consisting of 12.24 acres of upland and 31.884 acres of submerged land.

b. SIMV Property is permitted to transfer up to (100) transient TRE's from property(s) located in the Lower Keys and Big Pine Key ROGO subareas.

c. Provided such development can be designed and approved by all applicable codes, including but not limited to the Monroe County Code and Florida Building Code, SIMV is permitted to develop the following buildings, facilities and structures on the SIMV Property pursuant to this Agreement:

i. Up to one hundred (100) hotel rooms to be developed into a hotel.

ii. Additional amenities ancillary and accessory to the marina use, including two restaurants and a pool bar with up to 300 seats and up to 7,000 square feet of floor area.

iii. Additional amenities ancillary and accessory to the hotel use, including a lobby, gatehouse, offices, fitness center, bath house, maintenance, and housekeeping consisting of up to 10,000 square feet as depicted on plans submitted with this Agreement.

iv. A marine services, retail, fish house retail and distribution building, boat barn consisting of up to 40,000 square feet as depicted on plans submitted with this Agreement.

v. Parking areas and landscaping

vi. Public access is permitted to the SIMV Property from 7:00 a.m. until dusk.

vii. Working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.

(a) at least 20% of the existing wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(b) at least 10% of the new wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(c) the preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
(d) Permanent residential development shall be limited to commercial apartments or employee housing.

(e) The preservation of a public access walkway shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
(f) Parcels shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

H. **Site Plan Approval**: Monroe County does hereby accept the conceptual site plan of the SIMV Property. The conceptual site plan is attached as Exhibit 6. The development shall be consistent with all applicable codes, including but not limited to the Monroe County Comprehensive Plan and Monroe County Code. Following a review of compliance with such codes, the final site plan must be approved by the Monroe County Planning Commission as an amendment to the Property's major conditional use permit. The Planning Commission has final authority over the site plan and the site plan may be amended by the Planning Commission.

I. **Military Installation Area of Impact.** SIMV acknowledges and understands the SIMV Property is within the Military Installation Area of Impact Overlay as defined by the Monroe County Comprehensive Plan. The SIMV Property is located in the 55 – 59 and 60 – 64 DNL (Day-Night Average Sound Level) noise contours pursuant to the 2013 Navy Final Environmental Impact Statement. While not within a 65 DNL Noise Zone or greater, SIMV agrees to sound attenuate all habitable buildings and shall strive to achieve an outdoor to indoor Noise Level Reduction Level (NLR) of at least 25 decibels. Normal permanent construction can be expected to provide a NLR of 20 dB.

J. **Finding of Consistency.** By entering into this Agreement, Monroe County finds that the development permitted or proposed herein is consistent with the Monroe County Comprehensive Plan and Monroe County Code.

K. **Breach, Amendment, Enforcement, and Termination.**

a. **Material Breach**: A material breach by the Parties is the failure of any Party to comply with the terms of this Agreement after Notice as provided herein.

b. **Notice**: Upon any Party's material breach of the terms and conditions of this Agreement, the non-breaching Party shall serve written Notice of the breach upon the breaching Party pursuant to the procedure established in this Agreement and shall provide the opportunity, within ninety (90) days of the date such Notice is served, to propose a method of fulfilling the Agreement's terms and conditions or curing the breach. The breaching Party shall be provided an additional ninety (90) days to cure the material breach or to negotiate an amendment to this Agreement within a reasonable time, as mutually agreed to by the Parties. This Agreement is not subject to arbitration and must be amended in accordance with the statutory requirements.

c. **Amendment or Termination**: The Parties hereto shall at all times adhere to the terms and conditions of this Agreement. Amendment, termination, extension, or revocation of this Agreement shall be made in accordance with the notification and procedural requirements set forth herein.

i. Amendments to this Agreement shall subject Parties to the laws and policies in effect at the time of the amendment only if the conditions of Section 163.3233(2), Florida Statutes, are met.

ii. No modifications, extensions, amendments, or alterations of the terms or conditions contained herein shall be effective unless contained in a written document approved and executed by the Parties.

iii. Amendment, extension or termination shall require at least two (2) public hearings. The hearings shall be held pursuant to an application filed with Monroe County by the Party seeking to amend or terminate this Agreement, along with the requisite filing fee. Notice of public hearing shall be in accordance with Monroe County Ordinances and Florida Statutes.

d. **Enforcement**:

i. After notice and an opportunity to respond and/or cure the material breach as provided for below. Monroe County may utilize appropriate code compliance remedies to cure any breach after notice and an opportunity to cure as provided herein.

ii. Monroe County, the other Parties, their successors or assigns, or any aggrieved or any adversely affected person as defined in Section 163.3215(2), Florida Statutes, may file an action for injunctive relief in the Circuit Court of Monroe County to enforce the terms of this Agreement or to challenge compliance with the provisions of Sections 163.3243, Florida Statutes.

iii. Nothing contained herein shall limit any other powers, rights, or remedies that either party has, or may have in the future, to enforce the terms of this Agreement.

L. **Binding Effect of Agreement**. The covenants, agreements, and obligations herein contained, except as herein otherwise specifically provided, shall extend to, bind and inure to the benefit of the Parties hereto and their respective personal representatives, heirs, successors and assigns.

M. **State and Federal Law.** If State or Federal laws enacted after the effective date of this Agreement preclude either Party's compliance with the terms of this Agreement, this agreement shall be modified as is necessary to comply with the relevant State or Federal Laws.

O. **Compliance with Other Laws**. The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the Parties of the necessity of complying with the laws governing said permitting requirements, conditions, terms or restrictions.

P. **Reservation of Rights**. This Agreement shall not affect any rights, which may have accrued to any party to this Agreement under applicable law. The Parties reserve any and all such rights. All approvals referenced in this Agreement are subordinate to compliance with all applicable laws, codes, and land development regulations and permits, except to the extent otherwise provided for in this Agreement.

Q. **No Permit.** This Agreement is not and shall not be construed as a Development Permit, Development Approval or authorization to commence development, nor shall it relieve the Parties other than Monroe County of the obligations to obtain necessary Development Approvals that are required under applicable law and under and pursuant to the terms of this Agreement and Monroe County Code.

R. **Good Faith; Further Assurances; No Cost**. The Parties to this Agreement have negotiated in good faith. It is the intent and agreement of the Parties that they shall cooperate with each other in good faith to effectuate the purposes and intent of, and to satisfy their obligations under, this Agreement in order to secure themselves the mutual benefits created under this Agreement. The Parties agree to execute such further documents as may be reasonably necessary to effectuate the provisions of this Agreement; provided that the foregoing shall in no way be deemed to inhibit, restrict or require the exercise of Monroe County's police power or actions of Monroe County when acting in a quasi-judicial capacity. Wherever in this Agreement a provision requires cooperation, good faith or similar effort to be undertaken at no cost to a party, the party co-operating, reviewing or undertaking the effort shall, nonetheless, bear its cost of attendance at meetings, hearings, or proceedings and comment and/or execution of documents, inclusive of the expense of its counsel.

S. **Successors and Assigns**. This Agreement shall constitute a covenant running with the land, which shall be binding upon the Parties hereto, their successors in interest, heirs, assigns, and personal representatives.

T. **Joint Preparation**. This Agreement has been drafted with the participation of the Parties and their counsel, and shall not be construed against any party on account of draftsmanship. The captions of each article, section and subsection contained in this Agreement are fore ease of reference only and shall not affect the interpretational meaning of this Agreement. Whenever the term "included" is used in this Agreement, it shall mean that the included items, or terms are included without limitation as to any other items or terms, which may fall within the listed category.

U. **Notices**. All notices, demands, requests or replies provided for or permitted by this Agreement shall be in writing and may be delivered by any one of the following methods: (a) by personal delivery; (b) by deposit with the United States Postal Service as Certified or Registered mail, return receipt requested, postage prepaid, to the addresses stated below; or (c) by deposit with an overnight express delivery service with proof of receipt to the

addresses stated below. Notice shall be deemed effective upon receipt. For purposes of notice, demand, request, or replies:

The address of Monroe County shall be:

County Administrator
1100 Simonton Street
Room 2-205
Key West, Florida 33040

with a copy to

Robert Shillinger , Esq.
County Attorney
PO Box 1026
Key West, Florida 33041
and
1111 12th Street, Suite 408
Key West, Florida 33040

The address of SIMV shall be:

C/O Matthew Strunk
7009 Shrimp Road
Key West, Florida 33040

And a copy to

Barton W. Smith, Esq.
Smith Oropeza, P.L.
138 - 142 Simonton Street
Key West, Florida 33040

It is the responsibility of the Parties to promptly notify all other Parties of any change in name or address for receipt of notice, demand, request, or replies.

V. **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain labor or materials or reasonable substitutes therefore, riot, civil commotion, fire or other casualty and other causes beyond the reasonable control of the party obligated to perform, excluding the financial inability of such party to perform and excluding delays resulting from appeals or rehearing, shall excuse the performance by such party for a period equal to any such period of prevention, delay or stoppage. In order to avail itself of this force majeure provision, the party invoking the same shall provide the other party with a written notice that shall consist of a recitation of all events that constitute force majeure events under this Section, together with the beginning and ending dates of such events.

W. **Construction.** This Agreement shall be construed in accordance with the laws of the State of Florida. The Parties to this Agreement have participated fully in the negotiation and preparation hereof; and, accordingly, this Agreement shall not be more strictly construed against any one of the Parties hereto. In construing this Agreement, the use of any gender shall include every other and all genders, and captions and section and paragraph headings shall be disregarded. All of the exhibits attached to this Agreement are incorporated in, and made a part of, this Agreement.

X. **Omission.** The Parties hereto recognize and agree that the failure of this Agreement to address a particular permit, condition, terms or restriction shall not relieve either Party of the necessity of complying with the law governing said permitting requirements, conditions, term, or restriction notwithstanding any such omission.

Y. **Jurisdiction and Governing Law.** The Parties hereto agree that any and all suits or actions at law shall be brought in Monroe County, Florida and no other jurisdiction. This Agreement shall be construed and interpreted under the laws of the State of Florida. This Agreement is not subject to arbitration.

Z. **Attorney's Fees and Costs.** The Parties agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, as an award against the non-prevailing party, and shall include attorney's fees, courts costs, in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

AA. **Time of Essence.** Time shall be of the essence for each and every provision of this Agreement.

BB. **Entire Agreement.** This Agreement, together with the documents referenced herein, constitute the entire agreement and understanding among the Parties with respect to the subject matter hereof, and there are no other agreements, representations or warranties other than as set forth herein. This Agreement may not be changed, altered or modified except by an instrument in writing signed by the Party against whom enforcement of such change would be sought and subject to the requirements for the amendment of development agreements in the Act.

CC. **Counterparts.** This Agreement may be executed in one or more counterparts, and by different Parties hereto in separate counterparts, each of which when executed shall be deemed to an original but all which taken together constitute one and the same agreement.

DD. **Recording.** Monroe County shall record this Agreement with the Clerk of the Circuit Court of Monroe County within fourteen (14) days following signature by all Parties. SIMV agrees that it shall be responsible for all recording fees and other related fees and costs related to the

recording and delivery of this Agreement as described in this section. The provisions hereof shall remain in full force and effect during the term provided herein and shall be binding upon all successors in interest to the Parties to this Agreement.

EE. **Conflicting Resolutions**. All resolutions or parts thereof in conflict with the provisions of this Agreement and its resolution are hereby repealed to the extent of such conflict.

FF. **Severability**. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under any applicable law or regulation, such provisions shall be inapplicable and deemed omitted to the extent so contrary, prohibited, or invalid; however, the remainder of the Agreement shall not be invalidated thereby and shall be given full force and effect as if the contrary, prohibited, or invalid provision was never a part hereof.

IV. Effective Date. The "Effective Date" of this Agreement is forty-five (45) days after the duly signed and recorded Agreement is received by the Florida Department of Economic Opportunity pursuant to Chapter 380, Florida Statutes, and if appealed, until the appealed is resolved and if challenged until the challenge is resolved.

Special Warranty Deed

This Indenture, made this 29th day of December, 2010, between NEW STOCK ISLAND PROPERTIES, LLC, a Delaware limited liability company, authorized to do business in the State of Florida, having an address of 7009 Shrimp Road, Suite 2, Key West, Monroe County, Florida 33040, grantor and

LONGSTOCK II, LLC, a Florida limited liability company, having an address of 7009 Shrimp Road, Suite 2, Key West, Monroe County, Florida 33040, grantee.

WITNESSETH that the Grantor, for and in consideration of the sum of TEN ($10) DOLLARS and other good and valuable consideration to Grantor in hand paid by Grantee, the receipt whereof is hereby acknowledged, has granted, bargained and sold to the said Grantee and Grantee's heirs, successors and assigns forever, the following described land, situate, lying and being in the County of Monroe, State of Florida, to wit:

SEE LEGAL DESCRIPTION ATTACHED AS EXHIBIT "A" HERETO

NOTE: This is an absolute conveyance of the title in consideration of the cancellation of the debt secured by the mortgage and is not intended to be an additional security.

Together with all tenements, hereditaments and appurtenances thereto belonging or in anywise appertaining.

To Have and to Hold, the same in fee simple forever.

And the grantor hereby covenants with said grantee that grantor is lawfully seized of said land in fee simple; that grantor has good right and lawful authority to sell and convey said land; that grantor hereby fully warrants the title to said land and will defend the same against the lawful claims of all persons claiming by, through or under grantor.

ORDINANCE NO. 045-2013

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE FUTURE LAND USE MAP (FLUM) DESIGNATION FROM INDUSTRIAL (I) TO MIXED USE COMMERCIAL (MC) FOR EIGHTEEN PARCELS OF LAND ON STOCK ISLAND, HAVING REAL ESTATE NUMBERS 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000, LOCATED ON SOUTH STOCK ISLAND; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF INCONSISTENT PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY; PROVIDING FOR THE FILING WITH THE SECRETARY OF STATE AND FOR AN EFFECTIVE DATE; AND PROVIDING FOR THE INCLUSION IN THE MONROE COUNTY 2010 COMPREHENSIVE PLAN.

WHEREAS, Longstock II, LLC, submitted an application amending Monroe County 2010 Comprehensive Plan Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category; amend the maximum net density range and the maximum intensity range for the Mixed Use/Commercial (MC) Future Land Use Map Category and to clarify the footnotes within the table; and

WHEREAS, on February 13, 2012, the BOCC voted to transmit the amendment, with the staff's added recommended provisions to preserve and enhance working waterfront while allowing moderate redevelopment of other uses, to the State Land Planning Agency; and

WHEREAS, the State Land Planning Agency reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) Report on May 4, 2012, which did not identify any issues with the proposed amendment; and

WHEREAS, at a public hearing on September 21, 2012, the BOCC adopted the text amendment, amending the MC Future Land Use Map Category description and assigning the MI Zoning District to the MC category (Ordinance 032-2012); and

Exhibit 3

WHEREAS, the MC Future Land Use Map category now includes provisions to preserve and promote recreational and commercial working waterfront uses on all lands designated with the Maritime Industries (MI) land use district within the MC category; and

WHEREAS, 18 properties on South Stock Island formed the Safe Harbor Marina Property Owners Association, Inc.,and submitted an application for a Future Land Use Map amendment from from Industrial (I) to Mixed Use/Commercial (MC); and

WHEREAS, the Monroe County Development Review Committee considered the proposed amendment at a regularly scheduled meeting held on the 25th day of September, 2012; and

WHEREAS, the Monroe County Planning Commission held a public hearing on the 14th day of November, 2012, for review and recommendation on the proposed Future Land Use Map amendment; and

WHEREAS, the Monroe County Planning Commission made the following findings of fact and conclusions of law:

1. On September 21, 2012, the BOCC adopted an amendment to Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category.

2. The BOCC also adopted provisions to further preserve and enhance working waterfront uses within the MC Future Land Use Map Category.

3. The 18 subject parcels are designated as Tier III, classified as developed land, and are not designated as habitat for any protected species.

4. The definition of the term recreational and commercial working waterfront, pursuant to Section 342.07, F.S., means *"a parcel or parcels of real property that provide access for water-dependent commercial activities, including hotels and motels as defined in s. 509.242(1), or provide access for the public to the navigable waters of the state. Recreational and commercial working waterfronts require direct access to or a location on, over, or adjacent to a navigable body of water. The term includes water-dependent facilities that are open to the public and offer public access by vessels to the waters of the state or that are support facilities for recreational, commercial, research, or governmental vessels. These facilities include public lodging establishments, docks, wharfs, lifts, wet and dry marinas, boat ramps, boat hauling and repair facilities, commercial fishing facilities, boat construction facilities, and other support structures over the water. As used in this [statute] section, the term "vessel" has the same meaning as in s. 327.02(39). Seaports are excluded from the definition."*

5. The proposed amendment is internally consistent with the Monroe County Comprehensive Plan.

Exhibit 3

6. The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern, Section 380.0552(7), Florida Statutes.

WHEREAS, the Monroe County Planning Commission passed Resolution No. P54-12 recommending transmittal of the proposed amendment; and

WHEREAS, at a special meeting held on the 18th day of April, 2013, the Monroe County Board of County Commissioners held a public hearing and approved Resolution No. 133-2013 to transmit the proposed amendment to the State Land Planning Agency; and

WHEREAS, the proposed Comprehensive Plan amendment to amend the Future Land Use Map was reviewed by the State Land Planning Agency which issued an Objections, Recommendations, and Comments (ORC) Report on July 2, 2013. The ORC report stated that "*the NAS-KW states that the Navy is utilizing the 2007 AICUZ and that the more recent Environmental Impact Statement (EIS) noise contours are in draft form and therefore not acceptable at this time. The recent EIS study depicts the parcel as being within a lower noise contour, one in which the transient development would be acceptable with noise attenuation and landscaped berm on the outside of the property. For the reasons cited above, the Department objects to the proposal because the change will exacerbate the incompatibility issues that already exist. The proposed change is also inconsistent with the Principles for Guiding Development that require that proposed amendments must be consistent with protection of the value of public investments in the Florida Keys, including Naval Air Station- Key West;*" and

WHEREAS, the ORC report also included a recommendation for addressing the objection: "*The applicant may consider delaying adoption of the proposed amendment until the 2012 EIS DNL Map is adopted by the military, and provide noise attenuation and outside landscaped berms, as requested by the Department of the Navy;*" and

WHEREAS, in response to the ORC Report, the County did wait until the Navy's Record of Decision for the Final Environmental Impact Statement for Naval Air Station Key West Airfield Operations, which was issued on October 31, 2013, and includes new noise contours which no longer include the subject properties of this FLUM amendment within the 65 DNL (Day-Night Average noise).

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Future Land Use Map (FLUM) for the Year 2010 Comprehensive Plan is hereby amended by changing the FLUM designation from Industrial (I) to Mixed Use Commercial (MC) for eighteen parcels of land on Stock Island, having Real Estate Numbers 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000; located on South

Exhibit 3

Stock Island, as shown on Exhibit 1, which is attached hereto and incorporated herein.

Section 2. **Severability.** If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

Section 3. **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

Section 4. **Transmittal.** This ordinance shall be transmitted by the Director of Planning to the State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.

Section 5. **Filing and Effective Date.** This ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance with Chapter 163, Florida Statutes, and after any applicable challenges have been resolved.

Section 6. **Inclusion in the Comprehensive Plan.** The Future Land Use Map amendment shall be incorporated in the Future Land Use Map of the Monroe County Year 2010 Comprehensive Plan.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a special meeting held on the 11th day of Dec., 2013.

July 10, 2012

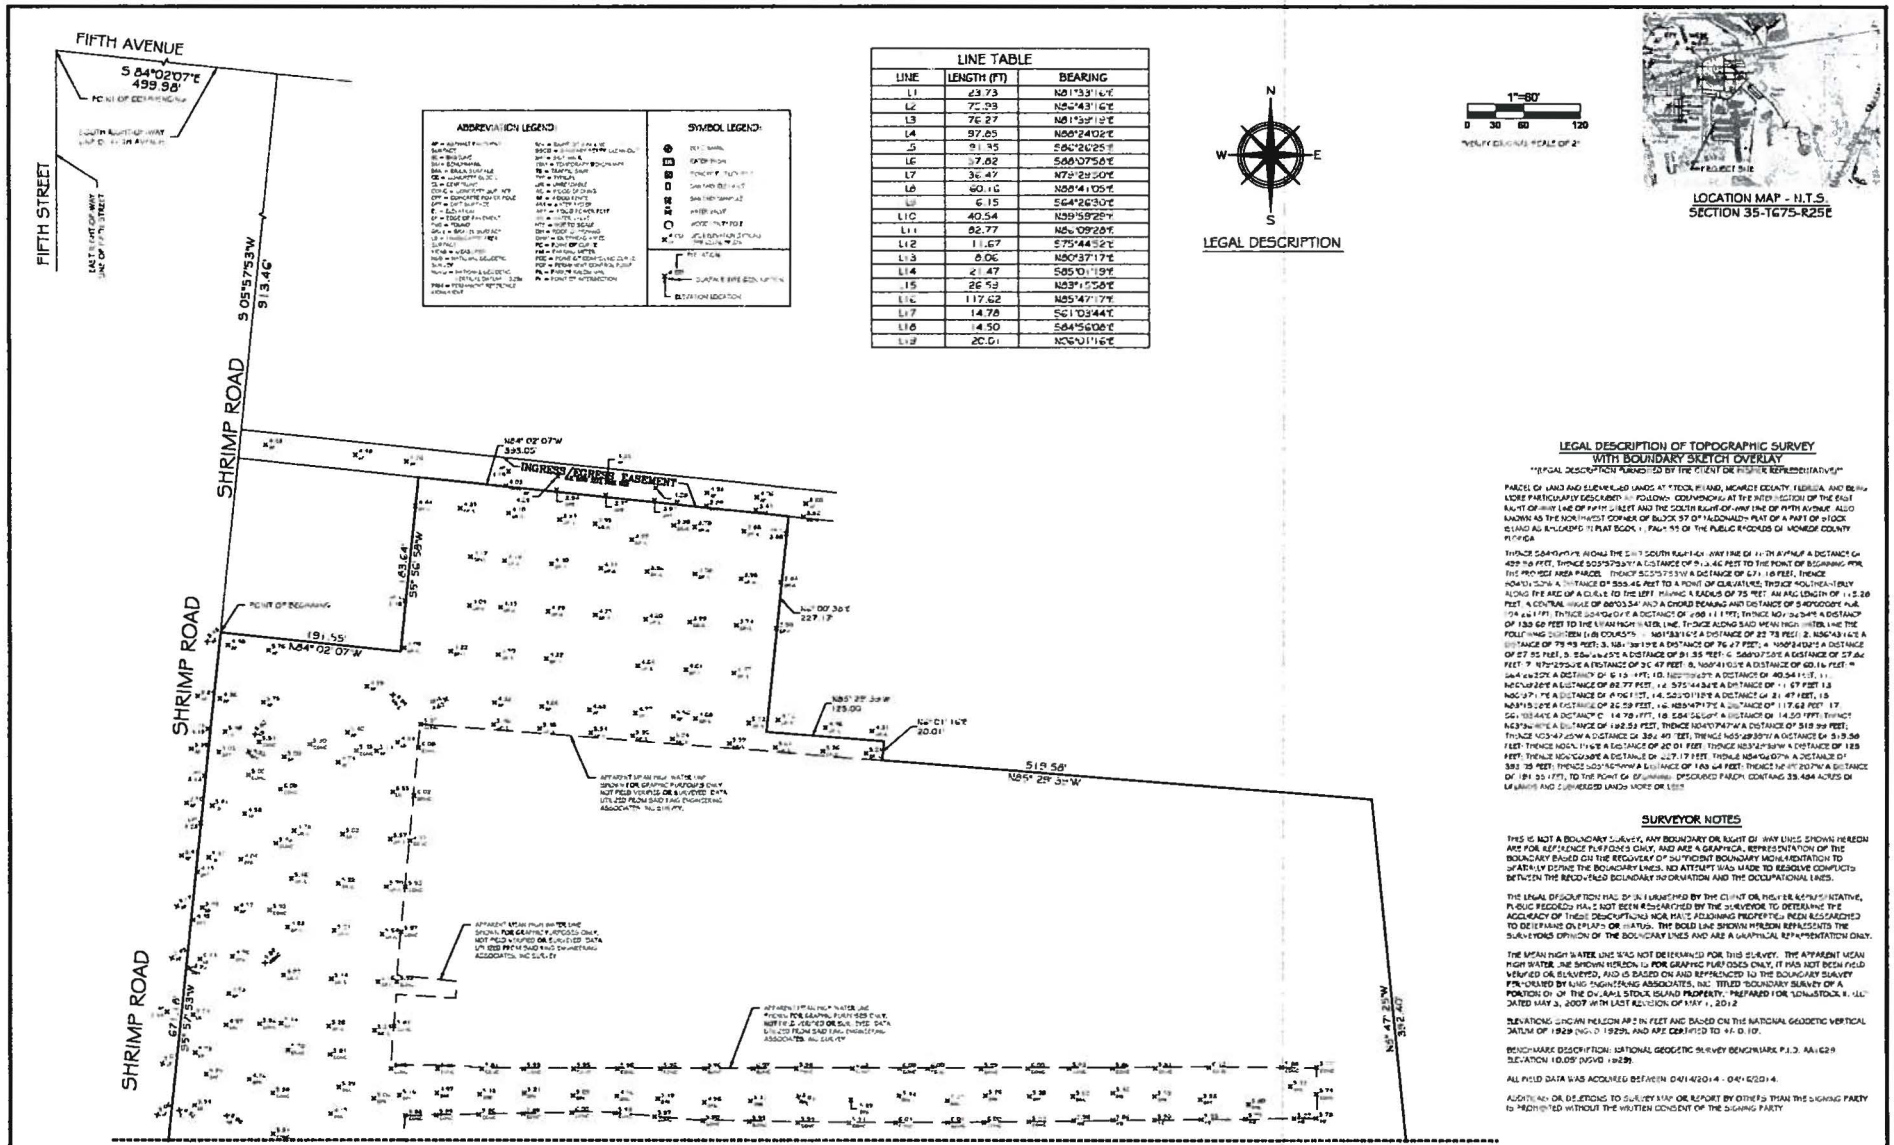
Barton Smith, P.L.
624 Whitehead Street
Key West, FL 33040

Subject: **Minor Deviation to a Major Conditional Use Permit (Deemed)**
Stock Island Marina Village, 7009 Shrimp Road, Stock Island, Real Estate #00123720.000100, #00123720.000200 and #00123760.000200 (File #2011-090)

Mr. Smith,

The Planning & Environmental Resources Department has approved your request for a minor deviation to the major conditional use permit for the above referenced site. The minor deviation was required in order to allow the reconfiguration of 173 of the site's 361 boat slips as shown on a site plan by Weiler Engineering Corporation (WEC) dated April 19, 2012. The Department has determined that the application complies with the requirements and standards set forth in the Monroe County Code. The following conditions apply:

1. Any additional revisions to the site plan or future improvements to the property are subject to further review as a minor deviation or as an amendment to the major conditional use permit approval.
2. While staff recognizes the lawful existence of the 361 boat slips to be reconfigured, this approval does not recognize all of the other existing land uses on the site as lawful. The Planning & Environmental Resources Department is concurrently reviewing this matter. This approval does not condone or approve the unlawful land use and the property owner is subject to possible code compliance prosecution if the unlawful uses are not permitted or terminated.
3. A Monroe County building permit(s) is also required for the scope of work. The Monroe County Office of the Fire Marshal and the Monroe County Building Department have not reviewed this application. The applicant shall meet any additional requirements required by the Fire Marshal and the Building Department.



We trust that this information is of assistance. If you have any questions regarding the contents of this letter, or if we may further assist you with your project, please feel free to contact our Marathon office at (305) 289-2500.

Respectfully,

Townsley Schwab, Senior Director of Planning & Environmental Resources

LEGAL DESCRIPTION

LOCATION MAP - N.T.S.
SECTION 35-T67S-R25E

LEGAL DESCRIPTION OF TOPOGRAPHIC SURVEY WITH BOUNDARY SKETCH OVERLAY

"LEGAL DESCRIPTION FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE"

PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EAST RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE, ALSO KNOWN AS THE NORTHWEST CORNER OF BLOCK 57 OF MALONEY'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 99 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA;

THENCE S84°02'07"E ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE A DISTANCE OF 499.98 FEET; THENCE S05°57'53"W A DISTANCE OF 913.46 FEET TO THE POINT OF BEGINNING FOR THE PROPOSED AREA PARCEL; THENCE S05°57'53"W A DISTANCE OF 67.68 FEET; THENCE N84°02'07"W A DISTANCE OF 395.05 FEET TO A POINT OF CURVATURE; THENCE SOUTHEASTERLY ALONG THE ARC OF A CURVE TO THE LEFT HAVING A RADIUS OF 75 FEET, AN ARC LENGTH OF 117.28 FEET, A CENTRAL ANGLE OF 89°33'54" AND A CHORD BEARING AND DISTANCE OF S49°09'00"W, 105.67 FEET; THENCE S04°52'03"E A DISTANCE OF 290.11 FEET; THENCE N01°39'34"E A DISTANCE OF 139.60 FEET TO THE MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING THIRTEEN (13) COURSES: 1. N81°33'16"E A DISTANCE OF 23.73 FEET; 2. N86°43'16"E A DISTANCE OF 72.93 FEET; 3. N81°39'19"E A DISTANCE OF 76.27 FEET; 4. N86°24'02"E A DISTANCE OF 97.85 FEET; 5. S86°26'25"E A DISTANCE OF 91.95 FEET; 6. S88°07'58"E A DISTANCE OF 97.82 FEET; 7. N79°29'50"E A DISTANCE OF 36.47 FEET; 8. N88°41'05"E A DISTANCE OF 60.16 FEET; 9. S64°26'30"E A DISTANCE OF 6.15 FEET; 10. N39°59'29"E A DISTANCE OF 40.54 FEET; 11. N86°09'26"E A DISTANCE OF 82.77 FEET; 12. S75°44'52"E A DISTANCE OF 11.67 FEET; 13. N80°37'17"E A DISTANCE OF 8.06 FEET; 14. S85°01'19"E A DISTANCE OF 21.47 FEET; 15. N83°15'58"E A DISTANCE OF 26.53 FEET; 16. N85°47'17"E A DISTANCE OF 117.62 FEET; 17. S61°03'44"E A DISTANCE OF 14.78 FEET; 18. S84°56'06"E A DISTANCE OF 14.50 FEET; THENCE N05°01'16"E A DISTANCE OF 182.53 FEET; THENCE N01°47'47"W A DISTANCE OF 318.99 FEET; THENCE N05°47'25"W A DISTANCE OF 392.40 FEET; THENCE N85°29'30"W A DISTANCE OF 519.58 FEET; THENCE N01°01'16"E A DISTANCE OF 20.01 FEET; THENCE N85°29'30"W A DISTANCE OF 125 FEET; THENCE N05°58'06"W A DISTANCE OF 417.19 FEET; THENCE N84°02'07"E A DISTANCE OF 382.35 FEET; THENCE S05°58'06"W A DISTANCE OF 183.64 FEET; THENCE N84°02'07"E A DISTANCE OF 191.55 FEET, TO THE POINT OF BEGINNING. DESCRIBED PARCEL CONTAINS 33.484 ACRES OF UPLANDS AND SUBMERGED LANDS MORE OR LESS.

SURVEYOR NOTES

THIS IS NOT A BOUNDARY SURVEY. ANY BOUNDARY OR RIGHT OF WAY LINES SHOWN HEREON ARE FOR REFERENCE PURPOSES ONLY, AND ARE A GRAPHICAL REPRESENTATION OF THE BOUNDARY BASED ON THE RECOVERY OF SUFFICIENT BOUNDARY MONUMENTATION TO GRAPHICALLY DEPICT THE BOUNDARY LINES. NO ATTEMPT WAS MADE TO RESOLVE CONFLICTS BETWEEN THE RECOVERED BOUNDARY INFORMATION AND THE OCCUPATIONAL LINES.

THE LEGAL DESCRIPTION HAS BEEN FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE, PUBLIC RECORDS HAVE NOT BEEN RESEARCHED BY THE SURVEYOR TO DETERMINE THE ACCURACY OF THESE DESCRIPTIONS NOR HAVE ADJOINING PROPERTIES BEEN RESEARCHED TO DETERMINE OVERLAPS OR GAPS. THE BOLD LINE SHOWN HEREON REPRESENTS THE SURVEYORS OPINION OF THE BOUNDARY LINES AND ARE A GRAPHICAL REPRESENTATION ONLY.

THE MEAN HIGH WATER LINE WAS NOT DETERMINED FOR THIS SURVEY. THE APPARENT MEAN HIGH WATER LINE SHOWN HEREON IS FOR GRAPHIC PURPOSES ONLY, IT HAS NOT BEEN FIELD VERIFIED OR SURVEYED, AND IS BASED ON AND REFERENCED TO THE BOUNDARY SURVEY PREPARED BY LAND ENGINEERING ASSOCIATES, INC. TITLED "BOUNDARY SURVEY OF A PORTION OF OF THE OVAL STOCK ISLAND PROPERTY." PREPARED FOR: LONGSTOCK II, LLC" DATED MAY 3, 2007 WITH LAST REVISION OF MAY 1, 2012

ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NATIONAL GEODETIC VERTICAL DATUM OF 1929 (NGVD 1929), AND ARE CERTIFIED TO +/- 0.10'.

BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK P.I.D. AA1629 ELEVATION 10.09' (NGVD 1929).

ALL FIELD DATA WAS ACQUIRED BETWEEN 04/14/2014 - 04/16/2014.

ADDITIONS OR DELETIONS TO SURVEY MAP OR REPORT BY OTHERS THAN THE SIGNING PARTY is PROHIBITED WITHOUT THE WRITTEN CONSENT OF THE SIGNING PARTY.

SURVEYORS CERTIFICATION

I HEREBY CERTIFY THAT THIS SURVEY WAS MADE UNDER MY RESPONSIBLE CHARGE AND MEETS THE MINIMUM TECHNICAL STANDARDS AS SET FORTH IN CHAPTER 53-17.05, FLORIDA ADMINISTRATIVE CODE, PURSUANT TO SECTION 472.027, FLORIDA STATUTES AND CONFORMS WITH CHAPTER 177, PART II FLORIDA STATUTES.

SURVEYOR NOTES

THIS IS NOT A BOUNDARY SURVEY, ANY BOUNDARY OR RIGHT OF WAY LINES SHOWN HEREON ARE FOR REFERENCE PURPOSES ONLY, AND ARE A GRAPHICAL REPRESENTATION OF THE BOUNDARY BASED ON THE RECOVERY OF SUFFICIENT BOUNDARY MONUMENTATION TO SPATIALLY DEFINE THE BOUNDARY LINES. NO ATTEMPT WAS MADE TO RESOLVE CONFLICTS BETWEEN THE RECOVERED BOUNDARY MONUMENTATION AND THE OCCUPATIONAL LINES.

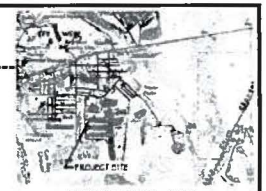
THE LEGAL DESCRIPTION HAS BEEN FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE. PUBLIC RECORDS HAVE NOT BEEN RESEARCHED BY THIS SURVEYOR TO DETERMINE THE ACCURACY OF THESE DESCRIPTIONS NOR HAVE ADJOINING PROPERTIES BEEN RESEARCHED TO DETERMINE OVERLAPS OR GAPS. THE SOLID LINE SHOWN HEREON REPRESENTS THE SURVEYORS OPINION OF THE BOUNDARY LINES AND ARE A GRAPHICAL REPRESENTATION ONLY.

THE MEAN HIGH WATER LINE WAS NOT DETERMINED FOR THIS SURVEY. THE APPARENT MEAN HIGH WATER LINE SHOWN HEREON IS FOR GRAPHIC PURPOSES ONLY, IT WAS NOT DETERMINED OR SURVEYED, AND IS BASED ON AND RE-PLOTTED TO THE BOUNDARY SURVEY PREPARED BY KEY FISHERMAN ASSOCIATES, INC. TITLED "BOUNDARY SURVEY OF A PORTION OF OF THE OVERALL STOCK ISLAND PROPERTY," PREPARED FOR "LONGSTOCK II, LLC" DATED MAY 3, 2007 WITH LAST REVISION OF MAY 1, 2012

ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NATIONAL GEODETIC VERTICAL DATUM OF 1929 (NGVD 1929), AND ARE CERTIFIED TO +/- 0.10'

BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK P.I.D. AA1629 ELEVATION 10.05' (NGVD 1929).

ALL FIELD DATA WAS ACQUIRED BETWEEN 04/4/2014 - 04/16/2014.



ADDITIONS OR DELETIONS TO SURVEY MAP OR REPORT BY OTHERS THAN THE SIGNING PARTY IS PROHIBITED WITHOUT THE WRITTEN CONSENT OF THE SIGNING PARTY.

DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT ("Agreement") is entered into on the 16th day of July 2014, by and between **Monroe County, Florida**, a Political Subdivision of the State of Florida ("Monroe County") and **Longstock II, LLC**, a Florida limited liability company, d/b/a Stock Island Marina Village ("SIMV") (collectively, the "Parties"), pursuant to Sections 110-132 and 110-133 of the Monroe County, Florida, Code of Ordinances ("Monroe County Code"), and the Florida Local Government Development Agreement Act, Florida Statutes Sections 163.3220-163.3243 (2013), and is binding on the "Effective Date" set forth herein:

WITNESSETH:

The Parties hereby agree as follows:

I. RECITALS

A. This Agreement involves the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida.

B. All Parties have the authority to enter into this Agreement through Florida Statutes Chapter 163.

C. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development.

D. This Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, *et seq.*, Florida Statutes (the "Act").

E. The Parties recognize that the public noticing and hearing procedures shall follow the requirements of Section 163.3225, Florida Statutes, which requires the local government to conduct two public hearings, one of which may be before the Planning Commission.

F. Monroe County finds that entering into this Agreement furthers the purposes, goals, objectives and policies of the Monroe County Comprehensive Plan which contains goals and objectives, including but not limited to Policy 101.4.5, which seeks to encourage the preservation of traditional working waterfront uses along with promoting recreational and commercial working waterfront uses, as defined by 342.07, F.S. by permitting a mix of uses

on properties whose Future Land Use Map ("FLUM") designation is Mixed Use / Commercial (MC) and zoning district is Maritime Industries (MI).

G. Monroe County finds that entering into this Agreement implements Policy 101.20.2 by encouraging the redevelopment of Safe Harbor as identified in the Stock Island/Key Haven Livable Communikeys Master Plan Volume I and II.

H. Monroe County finds that entering into this Agreement implements Goal 102 providing the Monroe County shall direct future growth to lands which are intrinsically most suitable for development and shall encourage conservation and protection of environmentally sensitive lands.

I. Monroe County Code Section 138-22(2) allows for the transference of transient residential ROGO exemptions (TREs) from sender sites in the Lower Keys ROGO subarea or the Big Pine Key/No Name Key ROGO subareas to receiver sites in the Lower Keys ROGO subarea. The receiver site/unit meets all of the following criteria: 1) The receiver site is located in the same ROGO subarea as the sender site, with the exception that ROGO exemptions associated with transient residential dwelling units may be transferred from the Big Pine and No Name Key ROGO subarea to the Lower Keys ROGO subarea; 2) The receiver unit shall only be constructed within a) a tier III designated area or b) a tier III-A (special protection area) designated area where the development does not involve the clearing of any native habitat; and 3) Receiver unit shall not be constructed within a velocity (V) zone.

J. SIMV property is generally described as follows:

1. SIMV owns that certain real property located at 700 and 7009 Shrimp Road, Stock Island, Florida ("SIMV Property"). A copy of the Special Warranty Deed evidencing SIMV's ownership is attached as Exhibit 1. Historically and currently the SIMV Property was and is being used for water dependent uses.

2. The SIMV property complete legal description is provided in Exhibit 2.

3. As of the date of this Agreement, the SIMV Property is assessed by the Monroe County Property Appraiser as real estate numbers 00123760-000200, 00123720-000100 and 00123720-000200.

4. The SIMV Property currently has a Maritime Industries ("MI") Land Use (Zoning) District designation and a corresponding Mixed Use Commercial ("MC") Future Land Use Map designation. A copy of the Land Use District Map and Future Land Use Map for the SIMV Property is attached as Exhibit 3.

5. The SIMV Property currently has a Tier Overlay District designation of Tier III.

6. The SIMV Property consists of 44.124 acres, including 12.24 acres of upland and 31.884 acres of submerged land.

7. Since September 15, 1986, marinas in the MI Land Use (Zoning) District require a major conditional use permit. Since the SIMV Property was lawfully developed with a marina prior to September 15, 1986, the SIMV Property is deemed to have a major conditional use permit in accordance with Monroe County Code Section 101-4(c).

8. In 2012, SIMV applied for and was granted a minor deviation to its conditional use for reconfiguring 173 of its existing 361 wet slips. The approval is memorialized by a letter from the Planning & Environmental Resources Director Townsley Schwab dated July 10, 2012. A copy of the Minor Deviation approval is attached as Exhibit 4.

II. PURPOSE

A. The overall purpose of this Agreement is to allow the Parties to provide certainty in development of the SIMV Property.

B. The Agreement allows the redevelopment of property located at 700 and 7009 Shrimp Road, Stock Island, Florida, in compliance with all applicable provisions of Florida Statutes, the Principles for Guiding Development in the Florida Keys Area of Critical State Concern, the Monroe County Comprehensive Plan, the Master Plan for the Future Development of Stock Island and Key Haven, and the Monroe County Code.

C. The Agreement allows the Parties to implement the provisions of Monroe County Code Section 138-22(2) as applied to the Properties in order to allow for a reasonable use of the SIMV Property by allowing the transference of market-rate transient residential TRE's lawfully associated with Sender Site(s) to the Receiver Site.

D. SIMV desires to transfer up to and including one-hundred (100) transient TREs from sender site(s) to the receiver site SIMV Property.

III. AGREEMENT REQUIREMENTS

A. **Recitals.** The recitals explaining the intent and purpose of the project as set forth in the preceding clauses are incorporated herein and form a material part of this Agreement. The Parties recognize the binding effect of Florida Statutes Sections 163.3220-163.3243, as to the form and content of this Agreement and in accordance therewith set forth and agree to the following.

B. **Legal Description and Ownership**. The legal descriptions for the Properties subject to this Agreement are set forth in Exhibit 2.

C. **Duration of Agreement**. This Agreement shall remain in effect for ten (10) years from the "Effective Date" as defined herein, and may be extended by mutual consent of the Parties and approval at a public hearing, in accordance with Section 163.3229, Florida Statutes. For the duration of this Agreement, the Parties agree that any development shall comply with and be controlled by this Agreement, the Monroe County Code, and the Monroe County

Comprehensive Plan governing the development of land in effect on the date of execution of this Agreement, in accordance with Section 163.3220, Florida Statutes.

D. **Permitted Uses.**

1. SIMV, 700 and 7009 Shrimp Road, Stock Island:

   a. The SIMV Property currently has a MI Land Use (Zoning) District designation and a corresponding MC Future Land Use Map designation.

   b. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the permitted uses in the MC Future Land Use Map category include, but are not limited to, commercial retail; office; maritime industry; commercial fishing; hotels; marinas, light industrial and accessory uses.

   c. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 35% (or 4.28 acres) of the upland area of the property for working waterfront and water dependent uses (excluding transient uses).

   d. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall maintain a minimum of 20% of the existing wet slips and 10% of any future new wet slips for vessels involved with recreational and commercial working waterfront uses. The dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.

   e. In accordance with this Agreement and with the MC Future Land Use Map category, as set forth in Monroe County Comprehensive Plan Policy 101.4.5, the SIMV Property shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

   f. In accordance with this Agreement and with the MI Land Use (Zoning) District, as set forth in Monroe County Code Section 130-85, and in compliance with other provisions of the Code, the permitted uses in the MI Land Use (Zoning) District include, but are not limited to, commercial retail; office; light industrial; commercial fishing; hotels; marinas and accessory uses.

   g. The redevelopment of the SIMV Property includes the addition of up to one hundred (100) hotel rooms, restaurants, a fish house retail and distribution operation, and other improvements related to the existing marina and accessory development. Not including accessory structures related to the hotel use, the nonresidential intensity shall not exceed 80,000 square feet.

h. The height of any new structure associated with the redevelopment of the SIMV Property shall not exceed 35 feet measured from grade, except for solar apparatus, according to the Monroe County Code in effect at the execution of this Agreement. Height is defined as "the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna, flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in chapter 146. However, in no event shall any of the exclusions enumerated in this section be construed to permit any habitable or usable space to exceed the applicable height limitations." Monroe County Code defines "Grade" as the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher. For purposes of the SIMV Property grade shall be determined based on the attached topographic survey attached hereto as Exhibit 5.

E. **Public Facilities**. The impact on public facilities is nominal. The number of existing transient residential dwelling units and non-residential intensity at SIMV were recognized in the planning of the sewage treatment plant serving Stock Island.

1. The Florida Keys Aqueduct Authority provides domestic potable water to the SIMV Property. Excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will master meter the hotel use. In addition, excluding existing development that may already be metered, the Florida Keys Aqueduct Authority will meter other types of development accordingly.

2. Keys Energy Services provides electric service to the SIMV Property. Excluding existing development that may already be metered, Keys Energy Services will master meter the hotel use. In addition, excluding existing development that may already be metered, Keys Energy Services will meter other types of development accordingly.

3. Solid waste service is provided to each property by a solid waste collection system franchised by Monroe County.

4. The SIMV Property is connected to central sewer via KW Resort Utilities Corp.'s system.

F. **Reservation or Dedication of Land**. There is no reservation or dedication of land for public purposes contemplated by this Agreement.

G. **Development Allowed and Required**. The following specific criteria are those which will guide development of the Property, and are standards by which any further approvals shall be measured and shall be as follows:

a. The SIMV Property consists of 44.124 gross acres consisting of 12.24 acres of upland and 31.884 acres of submerged land.

b. SIMV Property is permitted to transfer up to (100) transient TRE's from property(s) located in the Lower Keys and Big Pine Key ROGO subareas.

c. Provided such development can be designed and approved by all applicable codes, including but not limited to the Monroe County Code and Florida Building Code, SIMV is permitted to develop the following buildings, facilities and structures on the SIMV Property pursuant to this Agreement:

i. Up to one hundred (100) hotel rooms to be developed into a hotel.

ii. Additional amenities ancillary and accessory to the marina use, including two restaurants and a pool bar with up to 300 seats and up to 7,000 square feet of floor area.

iii. Additional amenities ancillary and accessory to the hotel use, including a lobby, gatehouse, offices, fitness center, bath house, maintenance, and housekeeping consisting of up to 10,000 square feet as depicted on plans submitted with this Agreement.

iv. A marine services, retail, fish house retail and distribution building, boat barn consisting of up to 40,000 square feet as depicted on plans submitted with this Agreement.

v. Parking areas and landscaping

vi. Public access is permitted to the SIMV Property from 7:00 a.m. until dusk.

vii. Working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.

(a) at least 20% of the existing wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(b) at least 10% of the new wet slips shall be preserved for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
(c) the preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
(d) Permanent residential development shall be limited to commercial apartments or employee housing.

(e) The preservation of a public access walkway shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
(f) Parcels shall be limited to commercial retail uses of less than 5,000 square feet of floor area.

H. **Site Plan Approval**: Monroe County does hereby accept the conceptual site plan of the SIMV Property. The conceptual site plan is attached as Exhibit 6. The development shall be consistent with all applicable codes, including but not limited to the Monroe County Comprehensive Plan and Monroe County Code. Following a review of compliance with such codes, the final site plan must be approved by the Monroe County Planning Commission as an amendment to the Property's major conditional use permit. The Planning Commission has final authority over the site plan and the site plan may be amended by the Planning Commission.

I. **Military Installation Area of Impact.** SIMV acknowledges and understands the SIMV Property is within the Military Installation Area of Impact Overlay as defined by the Monroe County Comprehensive Plan. The SIMV Property is located in the 55 – 59 and 60 – 64 DNL (Day-Night Average Sound Level) noise contours pursuant to the 2013 Navy Final Environmental Impact Statement. While not within a 65 DNL Noise Zone or greater, SIMV agrees to sound attenuate all habitable buildings and shall strive to achieve an outdoor to indoor Noise Level Reduction Level (NLR) of at least 25 decibels. Normal permanent construction can be expected to provide a NLR of 20 dB.

J. **Finding of Consistency.** By entering into this Agreement, Monroe County finds that the development permitted or proposed herein is consistent with the Monroe County Comprehensive Plan and Monroe County Code.

K. **Breach, Amendment, Enforcement, and Termination**.

a. **Material Breach**: A material breach by the Parties is the failure of any Party to comply with the terms of this Agreement after Notice as provided herein.

b. **Notice**: Upon any Party's material breach of the terms and conditions of this Agreement, the non-breaching Party shall serve written Notice of the breach upon the breaching Party pursuant to the procedure established in this Agreement and shall provide the opportunity, within ninety (90) days of the date such Notice is served, to propose a method of fulfilling the Agreement's terms and conditions or curing the breach. The breaching Party shall be provided an additional ninety (90) days to cure the material breach or to negotiate an amendment to this Agreement within a reasonable time, as mutually agreed to by the Parties. This Agreement is not subject to arbitration and must be amended in accordance with the statutory requirements.

c. **Amendment or Termination**: The Parties hereto shall at all times adhere to the terms and conditions of this Agreement. Amendment, termination, extension, or revocation of this Agreement shall be made in accordance with the notification and procedural requirements set forth herein.

i. Amendments to this Agreement shall subject Parties to the laws and policies in effect at the time of the amendment only if the conditions of Section 163.3233(2), Florida Statutes, are met.

ii. No modifications, extensions, amendments, or alterations of the terms or conditions contained herein shall be effective unless contained in a written document approved and executed by the Parties.

iii. Amendment, extension or termination shall require at least two (2) public hearings. The hearings shall be held pursuant to an application filed with Monroe County by the Party seeking to amend or terminate this Agreement, along with the requisite filing fee. Notice of public hearing shall be in accordance with Monroe County Ordinances and Florida Statutes.

d. **Enforcement**:

i. After notice and an opportunity to respond and/or cure the material breach as provided for below. Monroe County may utilize appropriate code compliance remedies to cure any breach after notice and an opportunity to cure as provided herein.

ii. Monroe County, the other Parties, their successors or assigns, or any aggrieved or any adversely affected person as defined in Section 163.3215(2), Florida Statutes, may file an action for injunctive relief in the Circuit Court of Monroe County to enforce the terms of this Agreement or to challenge compliance with the provisions of Sections 163.3243, Florida Statutes.

iii. Nothing contained herein shall limit any other powers, rights, or remedies that either party has, or may have in the future, to enforce the terms of this Agreement.

L. **Binding Effect of Agreement**. The covenants, agreements, and obligations herein contained, except as herein otherwise specifically provided, shall extend to, bind and inure to the benefit of the Parties hereto and their respective personal representatives, heirs, successors and assigns.

M. **State and Federal Law.** If State or Federal laws enacted after the effective date of this Agreement preclude either Party's compliance with the terms of this Agreement, this agreement shall be modified as is necessary to comply with the relevant State or Federal Laws.

O. **Compliance with Other Laws**. The failure of this Agreement to address a particular permit, condition, term, or restriction shall not relieve the Parties of the necessity of complying with the laws governing said permitting requirements, conditions, terms or restrictions.

P. **Reservation of Rights**. This Agreement shall not affect any rights, which may have accrued to any party to this Agreement under applicable law. The Parties reserve any and all such rights. All approvals referenced in this Agreement are subordinate to compliance with all applicable laws, codes, and land development regulations and permits, except to the extent otherwise provided for in this Agreement.

Q. **No Permit.** This Agreement is not and shall not be construed as a Development Permit, Development Approval or authorization to commence development, nor shall it relieve the Parties other than Monroe County of the obligations to obtain necessary Development Approvals that are required under applicable law and under and pursuant to the terms of this Agreement and Monroe County Code.

R. **Good Faith; Further Assurances; No Cost**. The Parties to this Agreement have negotiated in good faith. It is the intent and agreement of the Parties that they shall cooperate with each other in good faith to effectuate the purposes and intent of, and to satisfy their obligations under, this Agreement in order to secure themselves the mutual benefits created under this Agreement. The Parties agree to execute such further documents as may be reasonably necessary to effectuate the provisions of this Agreement; provided that the foregoing shall in no way be deemed to inhibit, restrict or require the exercise of Monroe County's police power or actions of Monroe County when acting in a quasi-judicial capacity. Wherever in this Agreement a provision requires cooperation, good faith or similar effort to be undertaken at no cost to a party, the party co-operating, reviewing or undertaking the effort shall, nonetheless, bear its cost of attendance at meetings, hearings, or proceedings and comment and/or execution of documents, inclusive of the expense of its counsel.

S. **Successors and Assigns**. This Agreement shall constitute a covenant running with the land, which shall be binding upon the Parties hereto, their successors in interest, heirs, assigns, and personal representatives.

T. **Joint Preparation**. This Agreement has been drafted with the participation of the Parties and their counsel, and shall not be construed against any party on account of draftsmanship. The captions of each article, section and subsection contained in this Agreement are fore ease of reference only and shall not affect the interpretational meaning of this Agreement. Whenever the term "included" is used in this Agreement, it shall mean that the included items, or terms are included without limitation as to any other items or terms, which may fall within the listed category.

U. **Notices**. All notices, demands, requests or replies provided for or permitted by this Agreement shall be in writing and may be delivered by any one of the following methods: (a) by personal delivery; (b) by deposit with the United States Postal Service as Certified or Registered mail, return receipt requested, postage prepaid, to the addresses stated below; or (c) by deposit with an overnight express delivery service with proof of receipt to the

addresses stated below. Notice shall be deemed effective upon receipt. For purposes of notice, demand, request, or replies:

The address of Monroe County shall be:

County Administrator
1100 Simonton Street
Room 2-205
Key West, Florida 33040

with a copy to

Robert Shillinger , Esq.
County Attorney
PO Box 1026
Key West, Florida 33041
and
1111 12th Street, Suite 408
Key West, Florida 33040

The address of SIMV shall be:

C/O Matthew Strunk
7009 Shrimp Road
Key West, Florida 33040

And a copy to

Barton W. Smith, Esq.
Smith Oropeza, P.L.
138 - 142 Simonton Street
Key West, Florida 33040

It is the responsibility of the Parties to promptly notify all other Parties of any change in name or address for receipt of notice, demand, request, or replies.

V. **Force Majeure.** Any prevention, delay or stoppage due to strikes, lockouts, labor disputes, acts of God, inability to obtain labor or materials or reasonable substitutes therefore, riot, civil commotion, fire or other casualty and other causes beyond the reasonable control of the party obligated to perform, excluding the financial inability of such party to perform and excluding delays resulting from appeals or rehearing, shall excuse the performance by such party for a period equal to any such period of prevention, delay or stoppage. In order to avail itself of this force majeure provision, the party invoking the same shall provide the other party with a written notice that shall consist of a recitation of all events that constitute force majeure events under this Section, together with the beginning and ending dates of such events.

W. **Construction**. This Agreement shall be construed in accordance with the laws of the State of Florida. The Parties to this Agreement have participated fully in the negotiation and preparation hereof; and, accordingly, this Agreement shall not be more strictly construed against any one of the Parties hereto. In construing this Agreement, the use of any gender shall include every other and all genders, and captions and section and paragraph headings shall be disregarded. All of the exhibits attached to this Agreement are incorporated in, and made a part of, this Agreement.

X. **Omission**. The Parties hereto recognize and agree that the failure of this Agreement to address a particular permit, condition, terms or restriction shall not relieve either Party of the necessity of complying with the law governing said permitting requirements, conditions, term, or restriction notwithstanding any such omission.

Y. **Jurisdiction and Governing Law**. The Parties hereto agree that any and all suits or actions at law shall be brought in Monroe County, Florida and no other jurisdiction. This Agreement shall be construed and interpreted under the laws of the State of Florida. This Agreement is not subject to arbitration.

Z. **Attorney's Fees and Costs.** The Parties agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, as an award against the non-prevailing party, and shall include attorney's fees, courts costs, in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

AA. **Time of Essence**. Time shall be of the essence for each and every provision of this Agreement.

BB. **Entire Agreement**. This Agreement, together with the documents referenced herein, constitute the entire agreement and understanding among the Parties with respect to the subject matter hereof, and there are no other agreements, representations or warranties other than as set forth herein. This Agreement may not be changed, altered or modified except by an instrument in writing signed by the Party against whom enforcement of such change would be sought and subject to the requirements for the amendment of development agreements in the Act.

CC. **Counterparts**. This Agreement may be executed in one or more counterparts, and by different Parties hereto in separate counterparts, each of which when executed shall be deemed to an original but all which taken together constitute one and the same agreement.

DD. **Recording**. Monroe County shall record this Agreement with the Clerk of the Circuit Court of Monroe County within fourteen (14) days following signature by all Parties. SIMV agrees that it shall be responsible for all recording fees and other related fees and costs related to the

recording and delivery of this Agreement as described in this section. The provisions hereof shall remain in full force and effect during the term provided herein and shall be binding upon all successors in interest to the Parties to this Agreement.

EE. **Conflicting Resolutions**. All resolutions or parts thereof in conflict with the provisions of this Agreement and its resolution are hereby repealed to the extent of such conflict.

FF. **Severability**. If any part of this Agreement is contrary to, prohibited by, or deemed invalid under any applicable law or regulation, such provisions shall be inapplicable and deemed omitted to the extent so contrary, prohibited, or invalid; however, the remainder of the Agreement shall not be invalidated thereby and shall be given full force and effect as if the contrary, prohibited, or invalid provision was never a part hereof.

IV. Effective Date. The "Effective Date" of this Agreement is forty-five (45) days after the duly signed and recorded Agreement is received by the Florida Department of Economic Opportunity pursuant to Chapter 380, Florida Statutes, and if appealed, until the appealed is resolved and if challenged until the challenge is resolved.

PARCEL A:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST; 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST, 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 456.55 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREIN AFTER DESCRIBED; FROM SAID POINT OF BEGINNING CONTINUE BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 119.17FEET; THENCE BEAR SOUTH 05 DEGREES 54 MINUTES 55 SECONDS WEST, 186.69 FEET; THENCE BEAR SOUTH 84 DEGREES 05 MINUTES 05 SECONDS EAST, 175.00 FEET TO A POINT; THENCE BEAR NORTH 34 DEGREES 32 MINUTES 55 SECONDS EAST, 116.44 FEET TO A POINT; THENCE BEAR NORTH 89 DEGREES 27 MINUTES 55 SECONDS EAST, 915.36 FEET TO A POINT; THENCE BEAR NORTH 06 DEGREES 02 MINUTES 03 SECONDS WEST, 230.00 FEET, TO A POINT WHICH IS BEARING NORTH 89 DEGREES 27 MINUTES 55 SECONDS EAST FROM THE AFOREMENTIONED POINT OF BEGINNING; THENCE BEAR SOUTH 89 DEGREES 27 MINUTES 55 SECONDS WEST FOR A DISTANCE OF 1108.00 FEET BACK TO THE POINT OF BEGINNING.

PARCEL B:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS: COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 83 DEGREES, 56 MINUTES EAST, 485.00 FEET; THENCE BEAR SOUTH 05 DEGREES, 47 MINUTES WEST, 938.88 FEET; THENCE BEAR SOUTH 08 DEGREES, 02 MINUTES EAST, 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES, 31 MINUTES EAST, 131.51 FEET; THENCE BEAR SOUTH 02 DEGREES, 04 MINUTES WEST, 262.26 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LAND HEREINAFTER DESCRIBED; THENCE SOUTH 84 DEGREES 19 MINUTES EAST, 140 FEET MORE OR LESS TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES, 56 MINUTES EAST, 970 FEET, MORE OR LESS, OUT INTO AN EXISTING SLIP; THENCE BEAR SOUTH 05 DEGREES, 55 MINUTES WEST, 180 FEET, MORE OR LESS, TO THE CENTER LINE OF AN EXISTING SPIT OF LAND; THENCE BEAR SOUTH 89 DEGREES, 32 MINUTES WEST, ALONG SAID CENTER LINE OF SAID SPIT OF LAND 1108 FEET, MORE OR LESS, TO A POINT WHICH IS BEARING SOUTH 02 DEGREES, 04 MINUTES WEST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 02 DEGREES, 04 MINUTES EAST, 194.29 FEET BACK TO THE POINT OF BEGINNING.

ALSO DESCRIBED AND INSURED AS:

Exhibit 1

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST 262.26 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LAND HEREINAFTER DESCRIBED; THENCE SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST 977.77 FEET OUT INTO AN EXISTING SLIP; THENCE BEAR SOUTH 05 DEGREES 37 MINUTES 29 SECONDS WEST, 192.30 FEET TO THE CENTERLINE OF AN EXISTING SPIT OF LAND; THENCE BEAR SOUTH 89 DEGREES 27 MINUTES 55 SECONDS WEST, ALONG SAID CENTERLINE OF SAID SPIT OF LAND 1096.56 FEET TO A POINT WHICH IS BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 01 DEGREES 56 MINUTES 55 SECONDS EAST, 194.29 FEET BACK TO POINT OF BEGINNING.

PARCEL C:

A TRACT OF LAND AND SUBMERGED LAND AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:

COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEAR SOUTH 84° 02' 07" EAST, 484.79 FEET; THENCE BEAR SOUTH 05° 39' 55" WEST, 938.76 FEET; THENCE BEAR SOUTH 08° 09' 05" EAST, 249.71 FEET; THENCE BEAR SOUTH 14° 38' 05" EAST, 36.68 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 14° 38' 05" EAST, 94.83 FEET; THENCE BEAR SOUTH 01° 56' 55" WEST, 82.95 FEET; THENCE BEAR NORTH 89° 24' 55" EAST, 1120.76 FEET, OUT ONTO A SPIT OF LAND TO THE SHORELINE; THENCE BEAR NORTH 05°37'29" EAST, 161.06 FEET TO A POINT; THENCE BEAR SOUTH 89° 24' 55" WEST, 1000.60 FEET TO A POINT ON A CONCRETE SEAWALL, SAID POINT BEARING SOUTH 85° 13' 05" EAST FROM THE POINT OF BEGINNING; THENCE BEAR NORTH 85° 13' 05" WEST, 157.63 FEET TO THE POINT OF BEGINNING.

PARCEL E:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EASTERLY LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO EASTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 500 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 191.5 FEET

Exhibit 1

TO A POINT WHICH IS THE POINT OF BEGINNING; THENCE CONTINUE EASTERLY ALONG THE PROLONGATION OF THE PREVIOUSLY DESCRIBED COURSE A DISTANCE OF 393.5 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 226.08 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 125 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 20 FEET TO A POINT IN AN EXISTING SEAWALL; THENCE WESTERLY AND PARALLEL WITH THE SOUTHERLY FACE OF SAID SEAWALL A DISTANCE OF 450.1 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES TO A SOUTHERLY LINE OF FIFTH AVENUE A DISTANCE OF 30 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 68.5 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 227.2 FEET BACK TO THE POINT OF BEGINNING.

ALSO

A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE.

ALSO DESCRIBED AND INSURED AS:

A PARCEL OF FILLED LAND AND ADJACENT BAY BOTTOM LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF A PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF MONROE COUNTY PUBLIC RECORDS AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY RIGHT-OF-WAY, A DISTANCE 499.98 FEET TO THE EASTERLY LINE OF AN EASEMENT AGREEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 780, PAGE 1169 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 05° 57' 53" W, ALONG SAID EASTERLY LINE, A DISTANCE 729.82 FEET TO THE SOUTHERLY LINE OF AN INGRESS/EGRESS EASEMENT AS RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E, ALONG SAID SOUTHERLY LINE, A DISTANCE 191.50 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE ALONG SAID SOUTHERLY LINE S 84°02'07" E, A DISTANCE OF 393.51; THENCE S 06° 00' 38" W, A DISTANCE OF 227.17 FEET; THENCE S 85° 29' 39" E, A DISTANCE OF 125.00 FEET; THENCE S 06° 01' 16" W, A DISTANCE OF 20.01 FEET TO THE SOUTHERLY FACE OF A CONCRETE SEAWALL; THENCE N 85° 29' 39" W, ALONG SAID SOUTHERLY LINE, A DISTANCE OF 450.10 FEET; THENCE N 06° 23' 31" E, A DISTANCE OF 30.00 FEET; THENCE N 85° 29' 39" W, A DISTANCE 68.50 FEET; THENCE N 05° 56' 58" E, A DISTANCE OF 227.20 FEET TO THE POINT OF BEGINNING.

TOGETHER WITH:
A PARCEL OF BAY BOTTOM SOUTHERLY OF AND ADJACENT TO THE SOUTHERLY LINE OF THE ABOVE DESCRIBED PARCEL, SAID BAY BOTTOM BEING 10 FEET WIDE. TOGETHER WITH AN EASEMENT FOR INGRESS AND EGRESS OVER AND UPON THE FOLLOWING DESCRIBED PROPERTY, RECORDED IN OFFICIAL RECORDS BOOK 1239, PAGE 464, AND ALSO IN OFFICIAL RECORDS BOOK 2287, PAGE 719, PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, SITUATED, LYING AND BEING IN THE COUNTY OF MONROE, STATE OF FLORIDA, TO WIT: A PARCEL OF LAND LYING SOUTHERLY OF BLOCK 57, MALONEY'S SUBDIVISION OF PART OF STOCK ISLAND, MONROE COUNTY, FLORIDA, AS RECORDED IN PLAT BOOK 1, AT PAGE 55, MONROE

Exhibit 1

COUNTY OFFICIAL RECORDS, AND IS MORE PARTICULARLY DESCRIBED AS FOLLOWS:
FROM THE INTERSECTION OF THE EAST LINE OF 5TH STREET (AS CONSTRUCTED) AND THE SOUTHERLY LINE OF 5TH AVENUE (AS CONSTRUCTED) GO WESTERLY ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 499 FEET TO A POINT, WHICH POINT IS THE POINT OF BEGINNING; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 701 FEET TO A POINT; THENCE EASTERLY AND AT RIGHT ANGLES A DISTANCE OF 586 FEET TO A POINT; THENCE SOUTHERLY AND AT RIGHT ANGLES A DISTANCE OF 29 FEET TO A POINT; THENCE WESTERLY AND AT RIGHT ANGLES A DISTANCE OF 615 FEET TO A POINT; THENCE NORTHERLY AND AT RIGHT ANGLES A DISTANCE OF 730 FEET TO A POINT IN THE SOUTHERLY LINE OF 5TH AVENUE; THENCE EASTERLY AND AT RIGHT ANGLES AND ALONG THE SOUTHERLY LINE OF 5TH AVENUE A DISTANCE OF 29 FEET BACK TO THE POINT OF BEGINNING.

SAID EASEMENT ALSO DESCRIBED AND INSURED AS:
A PARCEL OF LAND LYING IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE SOUTH 84°02'07" EAST, A DISTANCE OF 499.98 FEET TO THE WEST LINE OF TRUSTEE'S DEED N0.20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE LEAVING SAID LINE SOUTH 05° 57' 53" WEST, ALONG SAID LINE A DISTANCE OF 699.82 FEET TO THE POINT OF BEGINNING; THENCE SOUTH 84° 02' 07" EAST, PARALLEL WITH THE SOUTHERLY LINE OF SAID FIFTH AVENUE A DISTANCE OF 740.00 FEET; THENCE SOUTH 05° 57' 53" WEST, A DISTANCE OF 40.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 155.00 FEET; THENCE NORTH 05° 57' 53" EAST, A DISTANCE OF 10.00 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 585.00 FEET TO THE WEST LINE OF SAID TRUSTEE'S DEED; THENCE NORTH 05° 57' 53" EAST, ALONG SAID LINE A DISTANCE OF 30.00 FEET TO THE POINT OF BEGINNING.

PARCEL F:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 83 DEGREES AND 56 MINUTES EAST, 485.00 FEET; THENCE BEAR SOUTH 05 DEGREES AND 47 MINUTES WEST, 938.88 FEET; THENCE BEAR SOUTH 08 DEGREES AND 02 MINUTES EAST, 249.71 FEET; THENCE BEAR SOUTH 14 DEGREES AND 31 MINUTES EAST, 131.51 FEET; THENCE BEAR SOUTH 02 DEGREES AND 04 MINUTES WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 02 DEGREES AND 04 MINUTES WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES AND 19 MINUTES EAST, 140.00 FEET, MORE OR LESS, TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES AND 56 MINUTES EAST OUT INTO A SLIP 970 FEET, MORE OR LESS, TO A POINT; THENCE BEAR NORTH 05 DEGREES AND 55 MINUTES EAST, 150.00 FEET, MORE OR LESS, TO A POINT WHICH IS BEARING NORTH 89 DEGREES AND 32 MINUTES EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89

Exhibit 1

DEGREES AND 32 MINUTES WEST, 1120.00 FEET, MORE OR LESS, BACK TO THE POINT OF BEGINNING.

ALSO DESCRIBED AND INSURED AS:
A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED BY METES AND BOUNDS AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY LINE OF FIFTH STREET AND THE SOUTHERLY LINE OF FIFTH AVENUE OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, BEAR SOUTH 84 DEGREES 02 MINUTES 07 SECONDS EAST, 484.79 FEET; THENCE BEAR SOUTH 05 DEGREES 39 MINUTES 55 SECONDS WEST, 938.76 FEET; THENCE BEAR SOUTH 08 DEGREES 09 MINUTES 05 SECONDS EAST, 249.71 FEET; THENCE SOUTH 14 DEGREES 38 MINUTES 05 SECONDS EAST, 131.51 FEET; THENCE BEAR SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 82.95 FEET TO THE POINT OF BEGINNING OF THE TRACT OF LAND AND SUBMERGED LANDS HEREINAFTER DESCRIBED; THENCE CONTINUE BEARING SOUTH 01 DEGREES 56 MINUTES 55 SECONDS WEST, 179.31 FEET; THENCE BEAR SOUTH 84 DEGREES 26 MINUTES 05 SECONDS EAST, 131.81 FEET TO THE OUTSIDE FACE OF AN EXISTING CONCRETE SEAWALL; THENCE BEAR NORTH 88 DEGREES 48 MINUTES 55 SECONDS EAST OUT INTO A SLIP, 977.77 FEET TO A POINT; THENCE BEAR NORTH 05 DEGREES 37 MINUTES 29 SECONDS EAST, 184.10 FEET TO A POINT WHICH IS BEARING NORTH 89 DEGREES 24 MINUTES 55 SECONDS EAST FROM THE POINT OF BEGINNING; THENCE BEAR SOUTH 89 DEGREES 24 MINUTES 55 SECONDS WEST, 1120.76 FEET BACK TO THE POINT OF BEGINNING.

PARCEL G:

A PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED-IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" E ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.98 FEET; THENCE S 05° 57' 53" W FOR A DISTANCE OF 938.76 FEET; THENCE S 08° 09' 05" E FOR A DISTANCE OF 109.75 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE S 08° 09' 05" E, A DISTANCE OF 139.96 FEET; THENCE S 14° 38' 05" E, A DISTANCE OF 32.68 FEET; THENCE S 85° 13' 05" E, A DISTANCE OF 157.63 FEET; THENCE N 89° 24' 55" E, A DISTANCE OF 49.99 FEET; THENCE N 05° 12' 11" E, A DISTANCE OF 161.18 FEET; THENCE N 84° 02' 55" W, A DISTANCE OF 252.15 FEET TO THE POINT OF BEGINNING.

PARCEL H:

A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE SOUTH 84° 02' 07" EAST ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 484.79 FEET; THENCE SOUTH 05° 39' 55" WEST FOR A DISTANCE 938.76 FEET; THENCE SOUTH 08° 09' 05" EAST FOR A DISTANCE OF 42.15 FEET TO THE EASTERLY LINE OF A 30 FOOT EASEMENT AND THE EASTERLY RIGHT-OF-WAY LINE OF SHRIMP ROAD AS

Exhibit 1

RECORDED IN O.R. BOOK 2030, PAGE 949 (PARCEL A TRACT 1), OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA AND THE POINT OF BEGINNING; THENCE LEAVING SAID LINE SOUTH 08°09'05" EAST, A DISTANCE OF 207.56 FEET; THENCE SOUTH 14°38'05" EAST, A DISTANCE OF 131.51 FEET; THENCE SOUTH 01° 56' 55" WEST, A DISTANCE OF 575.72 FEET; THENCE SOUTH 05° 54' 55" WEST, A DISTANCE OF 186.69 FEET; THENCE SOUTH 84° 05' 05" EAST, A DISTANCE OF 175.00 FEET; THENCE NORTH 34° 32' 55" EAST, A DISTANCE OF 116.44 FEET; THENCE NORTH 89° 27' 55" EAST, A DISTANCE OF 915.36 FEET; THENCE SOUTH 01° 07' 35" WEST, A DISTANCE OF 384.62 FEET; THENCE NORTH 84° 02' 07" WEST, A DISTANCE OF 30.84 FEET TO A MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING TWENTY SEVEN (27) COURSES: 1. NORTH 08° 33' 02" EAST, A DISTANCE OF 25.26 FEET; 2. NORTH 01°03' 10" WEST, A DISTANCE OF 36.70 FEET; 3. NORTH 16°11'45" WEST, A DISTANCE OF 18.64 FEET; 4. NORTH 01°20'32" WEST, A DISTANCE OF 27.71 FEET; 5. NORTH 05°48'23" EAST, A DISTANCE OF 27.11 FEET; 6. NORTH 07°24'12" WEST, A DISTANCE OF 86.16 FEET; 7. NORTH 11° 54'19" EAST, A DISTANCE OF 34.64 FEET; 8. NORTH 09°22'05" WEST, A DISTANCE OF 27.51 FEET; 9. NORTH 57° 40'41" WEST, A DISTANCE OF 4.94 FEET; 10. NORTH 84° 56' 08" WEST, A DISTANCE OF 14.50 FEET; 11. NORTH 61°03'44" WEST, A DISTANCE OF 14.78 FEET; 12. SOUTH 85°47'17" WEST, A DISTANCE OF 117.62 FEET; 13. SOUTH 83°15'58" WEST, A DISTANCE OF 26.59 FEET; 14. NORTH 85° 01' 19" WEST, A DISTANCE OF 21.47 FEET; 15. SOUTH 80°37'17" WEST, A DISTANCE OF 8.06 FEET; 16. NORTH 75°44'52" WEST, A DISTANCE OF 11.67 FEET; 17. SOUTH 86° 09' 28" WEST, A DISTANCE OF 82.77 FEET; 18. SOUTH 89° 59' 29" WEST, A DISTANCE OF 40.54 FEET; 19. NORTH 64°26'30" WEST, A DISTANCE OF 6.15 FEET; 20. SOUTH 88°41'05" WEST, A DISTANCE OF 60.16 FEET; 21. SOUTH 79°29'50" WEST, A DISTANCE OF 36.47 FEET; 22. NORTH 88°07'58" WEST, A DISTANCE OF 57.82 FEET; 23. NORTH 86° 26' 25" WEST, A DISTANCE OF 91.35 FEET; 24. SOUTH 88° 24' 02" WEST, A DISTANCE OF 97.85 FEET; 25. SOUTH 81°39'19" WEST, A DISTANCE OF 76.27 FEET; 26. SOUTH 86°43'16" WEST, A DISTANCE OF 75.93 FEET; 27. SOUTH 81° 33' 16" WEST, A DISTANCE OF 23.73 FEET; THENCE LEAVING SAID LINE SOUTH 07°52'54" WEST, A DISTANCE OF 138.68 FEET TO THE NORTHERLY RIGHT-OF-WAY LINE OF SHRIMP ROAD PER QUIT CLAIM DEED RECORDED IN O.R. BOOK 2030, PAGE 949, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE NORTHERLY AND EASTERLY RIGHT-OF-WAY LINE OF SAID SHRIMP ROAD THE FOLLOWING THREE (3) COURSES AND DISTANCES: 1. NORTH 84° 02' 07" WEST, A DISTANCE OF 288.11 FEET TO A POINT OF CURVATURE; 2. NORTHWESTERLY ALONG THE ARC OF A CURVE TO THE RIGHT, HAVING A RADIUS OF 75.00 FEET, AN ARC LENGTH OF 115.28 FEET, A CENTRAL ANGLE OF 88° 03' 57", AND A CHORD BEARING AND DISTANCE OF NORTH 40°00'08" WEST, 104.26 FEET; 3. NORTH 04°01'50" EAST, A DISTANCE OF 555.62 FEET TO THE NORTHERN TERMINUS OF PARCEL A TRACT 2 OF SAID QUIT CLAIM ON THE WEST LINE OF TRUSTEES DEED NO.20083 O.R.BOOK G-65, PAGE 82; THENCE NORTH 05°57'53" EAST, ALONG SAID LINE A DISTANCE OF 606.85 FEET TO THE POINT OF BEGINNING.

AND ALSO: BAY BOTTOM
A TRACT OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:
COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55, OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S. 84°02'07" E. ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 499.98 FEET; THENCE S. 05°57'53" W. FOR A DISTANCE OF 2242.25 FEET; THENCE S.84°02'07"E., A DISTANCE OF 1310.00 FEET, TO THE POINT OF BEGINNING; THENCE CONTINUE S.84°02'07"E., A DISTANCE OF 363.01 FEET TO THE CENTERLINE OF THE ENTRANCE OF THE

Exhibit 1

HARBOR; THENCE N.08°15'27"W., A DISTANCE OF 959.38 FEET; THENCE S. 81°44'33" W., A DISTANCE OF 132.23 FEET; THENCE N. 05°47'25" W., A DISTANCE OF 658.21 FEET; THENCE N. 83°54'54" W., A DISTANCE OF 255.03 FEET TO THE WESTERLY PART OF THE BAY BOTTOM LINE; THENCE MEANDER THE SAID BAY BOTTOM LINE SOUTHERLY FOR A CHORD OF S.14°34',07" E., A DISTANCE OF 284.16 FEET; THENCE N. 85°29'39" W., A DISTANCE OF 310.00 FEET; THENCE S. 06°01'16" W., A DISTANCE OF 10.00 FEET; THENCE N. 85°29'39" W., A DISTANCE OF 450.16 FEET; THENCE S. 06°23'31" W., A DISTANCE OF 49.85 FEET; THENCE S. 84°02'55" E., A DISTANCE OF 9.27 FEET; THENCE S. 05°12'11" W., A DISTANCE OF 161.18 FEET; THENCE N. 88°24'55" E., A DISTANCE OF 950.61 FEET; THENCE S. 05°37'29" W., A DISTANCE OF 537,46 FEET; THENCE N. 89°27'55" E., A DISTANCE OF 11.44 FEET; THENCE S. 06°02'03" E., A DISTANCE OF 230.00 FEET; THENCE S.01°07'35" W., A DISTANCE OF 384.62 FEET TO THE POINT OF BEGINNING.

PARCEL I: **Intentionally Omitted (Leasehold/Option terminated** *effective 7/31/2010*)

PARCEL J:

A PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY FLORIDA, AND BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

COMMENCING AT THE INTERSECTION OF THE EASTERLY RIGHT-OF-WAY OF FIFTH STREET AND THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE, OF THE PLAT OF STOCK ISLAND, AS RECORDED IN PLAT BOOK 1, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE S 84° 02' 07" e ALONG THE SAID SOUTHERLY LINE OF FIFTH AVENUE FOR 499.98 FEET; THENCE S 05° 57' 53" W FOR A DISTANCE OF 913.46 FEET TO THE POINT OF BEGINNING; THENCE S 84° 02' 07" E, FOR A DISTANCE OF 191.55 FEET; THENCE S 05° 56' 58" W, A DISTANCE OF 43.56 FEET; THENCE S 85° 29' 40" E, A DISTANCE OF 68.50 FEET; THENCE S 06° 23' 31" W, A DISTANCE OF 89.85 FEET; THENCE N 84° 02' 55" W, A DISTANCE OF 242.88 FEET; THENCE N 08° 09' 05" W, A DISTENCE OF 67.60 FEET; THENCE N 05° 57' 53" E, A DISTANCE OF 66.17 FEET TO THE POINT OF BEGINNING.

AS TO ALL PARCELS:

TOGETHER WITH THOSE BENEFICIAL EASEMENTS RECORDED IN OFFICIAL RECORDS BOOK 780, PAGE 1169, PUBLIC RECORDS OF MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS:

A PARCEL OF LAND ON STOCK ISLAND, MONROE COUNTY, FLORIDA, AND BEING DESCRIBED AS FOLLOWS:
COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1 AT PAGE 55 OF PUBLIC RECORDS, OF MONROE COUNTY, FLORIDA AND RUN THENCE SOUTH 83 DEGREES, 56 MINUTES EAST ALONG THE NORTH BOUNDARY LINE OF SAID BLOCK 57 FOR A DISTANCE OF 470 FEET TO THE POINT OF BEGINNING OF THE PARCEL OF LAND BEING DESCRIBED HEREIN; THENCE RUN SOUTH 6 DEGREES 04 MINUTES WEST FOR A DISTANCE OF 1283.02 FEET; THENCE RUN SOUTH 41 DEGREES 58 MINUTES EAST FOR A DISTANCE OF 40.35 FEET TO THE SOUTHEAST CORNER OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078 AND THE WEST BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083; THENCE RUN SOUTH 6 DEGREES 04 MINUTES WEST ALONG THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 FOR A DISTANCE OF 932.25 FEET TO THE SOUTHWEST CORNER OF

Exhibit 1

SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083; THENCE RUN SOUTH 83 DEGREES 56 MINUTES EAST ALONG THE SOUTH BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083, THE SOUTH BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 19837-A AND THE NORTH BOUNDARY LINE OF TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20793 FOR A DISTANCE OF 1116.72 FEET; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST FOR A DISTANCE OF 30 FEET; THENCE RUN NORTH 83 DEGREES 56 MINUTES WEST FOR A DISTANCE OF 1086.72 FEET; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST FOR A DISTANCE OF 915.62 FEET; THENCE RUN NORTH 41 DEGREES 58 MINUTES WEST FOR A DISTANCE OF 40.35 FEET TO THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 AND THE EAST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078; THENCE RUN NORTH 6 DEGREES 04 MINUTES EAST ALONG THE WEST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 20083 AND THE EAST BOUNDARY LINE OF SAID TRUSTEES OF THE INTERNAL IMPROVEMENT FUND OF THE STATE OF FLORIDA DEED NO. 24078, EXTENDED NORTHERLY, FOR A DISTANCE OF 1269.65 FEET TO THE NORTH BOUNDARY LINE OF SAID BLOCK 57; THENCE RUN NORTH 83 DEGREES 56 MINUTES WEST ALONG THE NORTH BOUNDARY LINE OF THE SAID BLOCK 57 FOR A DISTANCE OF 30 FEET BACK TO THE POINT OF BEGINNING.

SAID EASEMENT ALSO DESCRIBED AND INSURED AS:

A PARCEL OF LAND LYING IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, MONROE COUNTY, FLORIDA, BEING MORE PARTICULARLY DESCRIBED AS FOLLOWS: COMMENCE AT THE NORTHWEST CORNER OF BLOCK 57 OF MCDONALD'S PLAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK I, PAGE 55 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA; THENCE ALONG THE SOUTHERLY RIGHT-OF-WAY LINE OF FIFTH AVENUE SOUTH 84°02'07" EAST, A DISTANCE OF 469.98 FEET TO THE POINT OF BEGINNING; THENCE CONTINUE SOUTH 84°02'07" EAST, A DISTANCE OF 30.00 FEET TO THE WEST LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE ALONG SAID LINE SOUTH 05°57'53" WEST, A DISTANCE OF 1,268.45 FEET; THENCE LEAVING SAID LINE SOUTH 42°04'07" EAST, A DISTANCE OF 40.35 FEET; THENCE SOUTH 05°57'53" WEST, A DISTANCE OF 916.82 FEET; THENCE SOUTH 84°02'07" EAST, A DISTANCE OF 1,086.72 FEET; THENCE SOUTH 05°57'53" WEST, A DISTANCE OF 30.00 FEET TO THE SOUTH LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN OR BOOK G-65, PAGE 82; THENCE ALONG SAID LINE NORTH 84°02'07" WEST, A DISTANCE OF 1,116.72 FEET TO THE WEST LINE OF TRUSTEE'S DEED NO. 20083 AS RECORDED IN O.R. BOOK G-65, PAGE 82; THENCE ALONG Sold LINE NORTH 05°57'53" EAST, A DISTANCE OF 933.45 FEET; THENCE LEAVING Sold LINE NORTH 42°04'07" WEST, A DISTANCE OF 40.35 FEET; THENCE NORTH 05°57'53" EAST, A DISTANCE OF 1,281.82 FEET TO THE POINT OF BEGINNING.

NOTES
PURPOSE AND DESCRIPTION STATEMENT
Residential and non-residential development in Monroe County is subject to the Permit allocation system that is directly tied to land use and density standards. The densities and intensities of use allowed on the Future Land Use Map may not be reachable due to constraints such as the permit allocation system.

PROMOTED USES
The Future Land Use Map is not a zoning map. Future land use categories have been designed to represent the appropriate range of uses and densities and intensities of use. Not all ranges of uses and densities and intensities of use may be appropriate for every parcel. Specific uses for each parcel of land will be determined by the goals, objectives and policies of the Monroe County Comprehensive Plan and the applicable Land Development Regulations. Densities and intensities of use may be reduced in order to meet the requirements of the Permit allocation system, environmental designation criteria, hazard mitigation requirements, and other applicable regulations including the results of site specific investigations. Densities and intensities of use will not exceed the densities and intensities of land use set forth in the Future Development Alternative.

NATURAL RESOURCE PROTECTION
The location of boundaries of planning features, such as Tropical Hardwood Hammocks, Coastal Wetlands, Beaches and Shores, Scenic Vistas, Historic Districts, Archaeological Sites, Public Buildings and Grounds, Public Facilities, Recreational Areas, Conservation Areas, Airport Facility Areas, Military Areas, Incorporated Urban Areas, and Historic Districts are approximate. Actual boundaries may vary from those depicted on the Future Land Use Map. Minor changes may be made in these boundaries without amendment to the Future Land Use Map. Major changes may only be made pursuant to a plan amendment.

ADJACENT AREA CONSIDERATIONS
The designation of land use categories adjacent to one another should be compatible with respect to the uses permitted, the densities and intensities of use allowed, and the impacts generated. Where incompatibilities exist, they should be addressed through buffering requirements.

ORDINANCE NO. 045-2013

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE FUTURE LAND USE MAP (FLUM) DESIGNATION FROM INDUSTRIAL (I) TO MIXED USE COMMERCIAL (MC) FOR EIGHTEEN PARCELS OF LAND ON STOCK ISLAND, HAVING REAL ESTATE NUMBERS 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000, LOCATED ON SOUTH STOCK ISLAND; PROVIDING FOR SEVERABILITY; PROVIDING FOR THE REPEAL OF INCONSISTENT PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY; PROVIDING FOR THE FILING WITH THE SECRETARY OF STATE AND FOR AN EFFECTIVE DATE; AND PROVIDING FOR THE INCLUSION IN THE MONROE COUNTY 2010 COMPREHENSIVE PLAN.

WHEREAS, Longstock II, LLC, submitted an application amending Monroe County 2010 Comprehensive Plan Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category; amend the maximum net density range and the maximum intensity range for the Mixed Use/Commercial (MC) Future Land Use Map Category and to clarify the footnotes within the table; and

WHEREAS, on February 13, 2012, the BOCC voted to transmit the amendment, with the staff's added recommended provisions to preserve and enhance working waterfront while allowing moderate redevelopment of other uses, to the State Land Planning Agency; and

WHEREAS, the State Land Planning Agency reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) Report on May 4, 2012, which did not identify any issues with the proposed amendment; and

WHEREAS, at a public hearing on September 21, 2012, the BOCC adopted the text amendment, amending the MC Future Land Use Map Category description and assigning the MI Zoning District to the MC category (Ordinance 032-2012); and

Exhibit 3

WHEREAS, the MC Future Land Use Map category now includes provisions to preserve and promote recreational and commercial working waterfront uses on all lands designated with the Maritime Industries (MI) land use district within the MC category; and

WHEREAS, 18 properties on South Stock Island formed the Safe Harbor Marina Property Owners Association, Inc.,and submitted an application for a Future Land Use Map amendment from from Industrial (I) to Mixed Use/Commercial (MC); and

WHEREAS, the Monroe County Development Review Committee considered the proposed amendment at a regularly scheduled meeting held on the 25th day of September, 2012; and

WHEREAS, the Monroe County Planning Commission held a public hearing on the 14th day of November, 2012, for review and recommendation on the proposed Future Land Use Map amendment; and

WHEREAS, the Monroe County Planning Commission made the following findings of fact and conclusions of law:

1. On September 21, 2012, the BOCC adopted an amendment to Policies 101.4.5 and 101.4.21 to amend the Mixed Use/Commercial (MC) Future Land Use Map Category description and assign the Maritime Industries (MI) Zoning District to the MC category.

2. The BOCC also adopted provisions to further preserve and enhance working waterfront uses within the MC Future Land Use Map Category.

3. The 18 subject parcels are designated as Tier III, classified as developed land, and are not designated as habitat for any protected species.

4. The definition of the term recreational and commercial working waterfront, pursuant to Section 342.07, F.S., means *"a parcel or parcels of real property that provide access for water-dependent commercial activities, including hotels and motels as defined in s. 509.242(1), or provide access for the public to the navigable waters of the state. Recreational and commercial working waterfronts require direct access to or a location on, over, or adjacent to a navigable body of water. The term includes water-dependent facilities that are open to the public and offer public access by vessels to the waters of the state or that are support facilities for recreational, commercial, research, or governmental vessels. These facilities include public lodging establishments, docks, wharfs, lifts, wet and dry marinas, boat ramps, boat hauling and repair facilities, commercial fishing facilities, boat construction facilities, and other support structures over the water. As used in this [statute] section, the term "vessel" has the same meaning as in s. 327.02(39). Seaports are excluded from the definition."*

5. The proposed amendment is internally consistent with the Monroe County Comprehensive Plan.

6. The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern, Section 380.0552(7), Florida Statutes.

WHEREAS, the Monroe County Planning Commission passed Resolution No. P54-12 recommending transmittal of the proposed amendment; and

WHEREAS, at a special meeting held on the 18th day of April, 2013, the Monroe County Board of County Commissioners held a public hearing and approved Resolution No. 133-2013 to transmit the proposed amendment to the State Land Planning Agency; and

WHEREAS, the proposed Comprehensive Plan amendment to amend the Future Land Use Map was reviewed by the State Land Planning Agency which issued an Objections, Recommendations, and Comments (ORC) Report on July 2, 2013. The ORC report stated that "*the NAS-KW states that the Navy is utilizing the 2007 AICUZ and that the more recent Environmental Impact Statement (EIS) noise contours are in draft form and therefore not acceptable at this time. The recent EIS study depicts the parcel as being within a lower noise contour, one in which the transient development would be acceptable with noise attenuation and landscaped berm on the outside of the property. For the reasons cited above, the Department objects to the proposal because the change will exacerbate the incompatibility issues that already exist. The proposed change is also inconsistent with the Principles for Guiding Development that require that proposed amendments must be consistent with protection of the value of public investments in the Florida Keys, including Naval Air Station- Key West;*" and

WHEREAS, the ORC report also included a recommendation for addressing the objection: "*The applicant may consider delaying adoption of the proposed amendment until the 2012 EIS DNL Map is adopted by the military, and provide noise attenuation and outside landscaped berms, as requested by the Department of the Navy;*" and

WHEREAS, in response to the ORC Report, the County did wait until the Navy's Record of Decision for the Final Environmental Impact Statement for Naval Air Station Key West Airfield Operations, which was issued on October 31, 2013, and includes new noise contours which no longer include the subject properties of this FLUM amendment within the 65 DNL (Day-Night Average noise).

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Future Land Use Map (FLUM) for the Year 2010 Comprehensive Plan is hereby amended by changing the FLUM designation from Industrial (I) to Mixed Use Commercial (MC) for eighteen parcels of land on Stock Island, having Real Estate Numbers 00123660-000000, 00123720-000400, 00123760-000200, 00123720-000100, 00123720-000200, 00123730-000100, 00123740-000000, 00123770-000000, 00127290-000000, 00127380-000000, 00127250-000000, 00127280-000000, 00123600-000100, 00123600-000102, 00123600-000101, 00123590-000000, 00123570-000000, and 00123540-000000; located on South

Exhibit 3

Stock Island, as shown on Exhibit 1, which is attached hereto and incorporated herein.

Section 2. **Severability.** If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

Section 3. **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

Section 4. **Transmittal.** This ordinance shall be transmitted by the Director of Planning to the State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.

Section 5. **Filing and Effective Date.** This ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance with Chapter 163, Florida Statutes, and after any applicable challenges have been resolved.

Section 6. **Inclusion in the Comprehensive Plan.** The Future Land Use Map amendment shall be incorporated in the Future Land Use Map of the Monroe County Year 2010 Comprehensive Plan.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a special meeting held on the 11th day of Dec., 2013.

Barton Smith, P.L.
624 Whitehead Street
Key West, FL 33040

Subject: **Minor Deviation to a Major Conditional Use Permit (Deemed)**
Stock Island Marina Village, 7009 Shrimp Road, Stock Island, Real Estate #00123720.000100, #00123720.000200 and #00123760.000200 (File #2011-090)

Mr. Smith,

The Planning & Environmental Resources Department has approved your request for a minor deviation to the major conditional use permit for the above referenced site. The minor deviation was required in order to allow the reconfiguration of 173 of the site's 361 boat slips as shown on a site plan by Weiler Engineering Corporation (WEC) dated April 19, 2012. The Department has determined that the application complies with the requirements and standards set forth in the Monroe County Code. The following conditions apply:

1. Any additional revisions to the site plan or future improvements to the property are subject to further review as a minor deviation or as an amendment to the major conditional use permit approval.
2. While staff recognizes the lawful existence of the 361 boat slips to be reconfigured, this approval does not recognize all of the other existing land uses on the site as lawful. The Planning & Environmental Resources Department is concurrently reviewing this matter. This approval does not condone or approve the unlawful land use and the property owner is subject to possible code compliance prosecution if the unlawful uses are not permitted or terminated.
3. A Monroe County building permit(s) is also required for the scope of work. The Monroe County Office of the Fire Marshal and the Monroe County Building Department have not reviewed this application. The applicant shall meet any additional requirements required by the Fire Marshal and the Building Department.

We trust that this information is of assistance. If you have any questions regarding the contents of this letter, or if we may further assist you with your project, please feel free to contact our Marathon office at (305) 289-2500.

Respectfully,

Townsley Schwab, Senior Director of Planning & Environmental Resources

SURVEYOR NOTES

"THIS IS NOT A BOUNDARY SURVEY. ANY BOUNDARY OR RIGHT OF WAY LINES SHOWN HEREON ARE FOR REFERENCE PURPOSES ONLY, AND ARE A GRAPHICAL REPRESENTATION OF THE BOUNDARY PARCEL BASED ON THE RECOVERY OF SUFFICIENT BOUNDARY MONUMENTATION TO SPATIALLY DEFINE THE BOUNDARY LINES. NO ATTEMPT WAS MADE TO RESOLVE CONFLICTS BETWEEN THE RECOVERED BOUNDARY INFORMATION AND THE OCCUPATIONAL LINES.

THE LEGAL DESCRIPTION HAS BEEN FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE / PUBLIC RECORDS HAVE NOT BEEN RESEARCHED BY THIS SURVEYOR TO DETERMINE THE ACCURACY OF THESE DESCRIPTIONS NOR HAVE ADJOINING PROPERTIES BEEN RESEARCHED TO DETERMINE OVERLAPS OR HIATUS. THE BOLD LINE SHOWN HEREON REPRESENTS THE SURVEYORS OPINION OF THE BOUNDARY LINES AND ARE A GRAPHICAL REPRESENTATION ONLY.

THE MEAN HIGH WATER LINE WAS NOT DETERMINED FOR THIS SURVEY. THE APPARENT MEAN HIGH WATER LINE SHOWN HEREON IS FOR GRAPHIC PURPOSES ONLY, IT HAS NOT BEEN FIELD VERIFIED OR SURVEYED, AND IS BASED ON AND REFERENCED TO THE BOUNDARY SURVEY PERFORMED BY KING ENGINEERING ASSOCIATES, INC. TITLED "BOUNDARY SURVEY OF A PORTION OF OF THE OVERALL STOCK ISLAND PROPERTY" PREPARED FOR: LONG-TOCK II, LLC DATED MAY 2, 2007 WITH LAST REVISION OF MAY 1, 2012.

ELEVATIONS SHOWN HEREON ARE IN FEET AND BASED ON THE NATIONAL GEODETIC VERTICAL DATUM OF 1929 (NGVD 1929), AND ARE CREATING "0 +/- 0.10'.

BENCHMARK DESCRIPTION: NATIONAL GEODETIC SURVEY BENCHMARK P.I.D. AA1622 ELEVATION 10.05' (NGVD 1929)

ALL FIELD DATA WAS ACQUIRED BETWEEN 04/1/2014 - 04/16/2014.

ADDITIONS OR DELETIONS TO SURVEY MAP OR REPORT BY OTHERS THAN THE SIGNING PARTY IS PROHIBITED WITHOUT THE WRITTEN CONSENT OF THE SIGNING PARTY.

LEGAL DESCRIPTION OF TOPOGRAPHIC SURVEY WITH BOUNDARY SKETCH OVERLAY

"(LEGAL DESCRIPTION FURNISHED BY THE CLIENT OR HIS/HER REPRESENTATIVE)"

PARCEL OF LAND AND SUBMERGED LANDS AT STOCK ISLAND, MONROE COUNTY, FLORIDA AND BEING MORE PARTICULARLY DESCRIBED AS TO WIT: COMMENCING AT THE INTERSECTION OF THE EAST RIGHT-OF-WAY LINE OF FIFTH STREET AND THE SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE, ALSO KNOWN AS THE NORTHWEST CORNER OF BLOCK 57 OF ANCONA DE PRAT OF A PART OF STOCK ISLAND AS RECORDED IN PLAT BOOK 1, PAGE 65 OF THE PUBLIC RECORDS OF MONROE COUNTY, FLORIDA.

THENCE S84°07'07"E ALONG THE SAID SOUTH RIGHT-OF-WAY LINE OF FIFTH AVENUE A DISTANCE OF 489.80 FEET; THENCE S05°52'53"W A DISTANCE OF 31.35 FEET TO THE POINT OF BEGINNING FOR THE PROJECT AREA PARCEL; THENCE S07°52'54"E A DISTANCE OF 136.63 FEET; THENCE S84°07'50"W A DISTANCE OF 955.46 FEET TO A POINT OF CURVATURE; THENCE SOUTHEASTERLY ALONG THE ARC OF A CURVE TO THE LEFT, HAVING A RADIUS OF 75 FEET, AN ARC LENGTH OF 115.28 FEET, A CENTRAL ANGLE OF 88°03'54" AND A CHORD BEARING AND DISTANCE OF S40°09'08"E, 104.26 FEET; THENCE S84°07'07"E A DISTANCE OF 286.11 FEET; THENCE N07°52'54"E A DISTANCE OF 136.63 FEET TO THE MEAN HIGH WATER LINE; THENCE ALONG SAID MEAN HIGH WATER LINE THE FOLLOWING EIGHTEEN (18) COURSES: 1. MONROE COUNTY, FLORIDA
RESOLUTION NO. 177 -2014

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING A DEVELOPMENT AGREEMENT BETWEEN MONROE COUNTY, FLORIDA AND LONGSTOCK II, LLC, CONCEPTUALLY APPROVING THE REDEVELOPMENT OF STOCK ISLAND MARINA VILLAGE, LOCATED AT 700 AND 7009 SHRIMP ROAD, STOCK ISLAND, APPROXIMATE MILE MARKER 5, DESCRIBED AS PARCELS OF LAND IN SECTION 35, TOWNSHIP 67 SOUTH, RANGE 25 EAST, STOCK ISLAND, MONROE COUNTY, FLORIDA, AND HAVING REAL ESTATE (RE) NUMBERS 00123720.000100, 00123720.000200 AND 00123760.000200.

WHEREAS, during a public meeting held on July 16, 2014 the Monroe County Board of County Commissioners conducted a public hearing to review and consider a request filed by Attorney Barton W. Smith, on behalf of Longstock II, LLC, for a development agreement in accordance with §110-132 and §110-133 of the Monroe County Code and Florida Statutes Sec. 163.3220 *et. seq.*, the "Florida Local Government Development Agreement Act"; and

WHEREAS, the development agreement relates to the redevelopment of an existing mixed use marina, to include commercial retail, office, commercial fishing, light industrial and hotel uses. The residential density would not exceed 100 transient residential units. Not including accessory structures related to residential uses, the nonresidential floor area would not exceed 80,000 square feet. New residential or nonresidential buildings shall not exceed 35' in height; and

WHEREAS, the Agreement approves a conceptual site plan for development on the site, subject to further site plan approval by the Planning Commission; and

WHEREAS, the development agreement involves the redevelopment of the site, currently known as Stock Island Marina Village, located at 700 and 7009 Shrimp Road, Stock Island, Florida, approximate mile marker 5 of the Overseas Highway (US 1); and

WHEREAS, the site is described as parcels of land in Section 35, Township 67 South, Range 25 East, Stock Island, Monroe County, Florida, having Real Estate (RE) Numbers 00123720.000100, 00123720.000200 and 00123760.000200; and

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Findings of Fact:

1. The subject property is located within a Maritime Industries (MI) Land Use (Zoning) District. Further, it is designated within a Mixed Use / Commercial (MC) category on the Future Land Use Map (FLUM) and within a Tier III district on the Tier Overlay District Map; and

2. In 2013, an amendment to the Monroe County Future Land Use Map was approved amending the future land use designation of the subject property from Industrial (I) to Mixed Use/Commercial (MC). The approval is memorialized by Ordinance #045-2013, approved by the Board of County Commissioners at a public hearing on December 11, 2013; and

3. The existing marina was established prior to 1986 and is thereby deemed to have a major conditional use permit pursuant to §101-4(c) of the Monroe County Code; and

4. Section 163.3220, Florida Statutes, authorizes Monroe County to enter into development agreements with landowners and/or governmental agencies to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development; and

5. The development agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes; and

6. Development shall not be inconsistent with the Monroe County Code; and

7. Development shall not be inconsistent with the Monroe County Comprehensive Plan; and

8. Development on Stock Island shall not be inconsistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan; and

9. Development shall not be inconsistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern; and

10. The Monroe County Planning Commission held a public hearing at its meeting on May 28, 2014;, which was the first of two required public hearings, and recommended approval to the Board of County Commissioners in Resolution #P19-14;

WHEREAS, based upon the information and documentation submitted, the Board of County Commissioners makes the following Conclusions of Law:

1. The request is consistent with the provisions and intent of the Monroe County Code;

2. The request is consistent with the provisions and intent of the Monroe County Year 2010 Comprehensive Plan;

3. The request is consistent with the Master Plan for the Future Development of Stock Island and Key Haven, also known as the Stock Island/Key Haven CommuniKeys Plan;

4. The request is consistent with the Principles for Guiding Development in the Florida Keys Area of Critical State Concern;

5. The Agreement, among other things, is intended to and shall constitute a development agreement among the Parties pursuant to the Florida Local Government Development Agreement Act, Section 163.3223, et seq., Florida Statutes;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, that the preceding Findings of Fact and Conclusions of Law support its decision to **APPROVE** the Development Agreement between Monroe County, Florida and Longstock II, LLC attached hereto.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting held on the 16th of July, 2014.

CAUTION

Good afternoon Ms. Ballard,

Whilst, hoping to coordinate a time to personally speak and given time uncertainty pursuant to your Section 1.03 reference, the requested subject matter is the Monroe County Comprehensive Plan and Mission to enhance the quality of life by providing outstanding public service that is responsive to the needs of the county citizens. Your assistance in placing this on the Monroe County Board of Commissioners February 21, 2024, Agenda, is sincerely appreciated.

Thank you,

Stephanie Brown

...

CAUTION: This email originated from outside of the County. Whether you know the sender or not, do not click links or open attachments you were not expecting.

Good morning Ms. Ballard,

Pursuant to my January 30, 2024, conversation with Crystal in tandem consult with you, she advised that this written email be submitted to you by February 6, to request a "sounding board item" be brought forth for scheduling at the Monroe County Board of County Commissioners' upcoming February 21, 2024, meeting. In this regard, she also shared that you would provide a specific time at which this 5-minute opportunity to be heard with a 1-minute response for the purpose of clarification would be scheduled.

Your assistance in this matter is sincerely appreciated.

Thank you,

Stephanie Brown

FIRST AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (ISLAMORADA, VILLAGE OF ISLANDS)

THIS FIRST AMENDMENT TO EMPLOYEE INTERCHANGE AGREEMENT (hereinafter "Amendment") is made and entered into this __ day of September 2023, by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL, 33040 (hereinafter "County"), and Islamorada, Village of Islands, a municipality organized under the laws of the State of Florida, whose address is 86800 Overseas Highway, Islamorada, FL 33036 (hereinafter "Village") (hereinafter, when referred to individually as "Party" or collectively as "Parties).

WITNESSETH

WHEREAS, Chapter 112, Part II, Florida Statutes, authorizes the interchange of employees between governments, including counties and municipalities; and

WHEREAS, Section 112.24, Florida Statutes, provides that the details of an employee interchange shall be the subject of an agreement between a sending agency and a receiving agency;

WHEREAS, August 6, 2023, the County and the Village entered into an Employee Interchange Agreement ("Agreement") whereby the Parties agreed that the County would assign Bryan Cook ("Cook"), Director of Employee Services for Monroe County, to the Village as receiving agency, to serve as Interim Village Manager; and

WHEREAS, the Agreement provided that the initial term of the Agreement would begin on August 7, 2023 and continue for sixty (60) days, to October 6, 2023 ("Initial Term"), and that prior to the expiration of the Initial Term, the Agreement would be reviewed by the Village, at which time the Agreement could be extended for a subsequent term not to exceed sixty (60) days upon the approval of the Village Council and with the approval of the Monroe County Administrator; and

WHEREAS, both Parties have indicated that they wish to extend the Agreement for an additional term, not to exceed sixty (60) days; and

WHEREAS, the County has proposed to assign Ed Koconis, AICP, Administrative Director for Monroe County, in place of Bryan Cook, who is needed to resume his duties for Monroe County; and

WHEREAS, the Parties have agreed that Bryan Cook's assignment as Interim Village Manager shall end on Friday, September 29, 2023, and beginning October 2, 2023, Ed Koconis shall be assigned to serve as the Interim Village Manager for the remainder of the term of this Agreement, as extended.

NOW, THEREFORE, in consideration of the mutual covenants and provisions contained herein, the Parties agree as follows:

DocuSign Envelope ID: 67912C49-0F94-416E-B429-AE5989A0C41D

RECITALS

1. Pursuant to paragraph (3) of the Agreement (Term of Agreement), the term of the Employee Interchange Agreement is hereby extended by an additional sixty (60) days, through December 6, 2023 ("Extended Term").

2. Bryan Cook shall cease to be assigned as the Interim Village Manager at close of business on September 29, 2023, and Ed Koconis shall be assigned to serve as the Interim Village Manager beginning 8:00 a.m. on October 2, 2023. Effective October 2, 2023, all references to "Bryan Cook" or "Cook" shall be revised and replaced with the name "Ed Koconis" wherever they appear in the Interchange Agreement.

3. Effective October 2, 2023, Exhibit A to the Interchange Agreement (Islamorada Position Description signed by Bryan Cook) is removed and replaced with Exhibit A attached hereto (Islamorada Position Description signed by Ed Koconis), which shall be incorporated in the Interchange Agreement by reference.

4. In all other respects, all terms and conditions set forth in the Agreement remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have made and executed this Agreement this _____ day of September 2023.
