FOURTH AMENDMENT TO AGREEMENT FOR PROFESSIONAL ARCHITECTURAL AND ENGINEERING SERVICES FOR FACILITY ASSESSMENT AND DESIGN OF WIND-RETROFITS AT 10 COUNTY BUILDINGS BETWEEN MONROE COUNTY AND BENDER & ASSOCIATES ARCHITECTS, P.A.

This Fourth Amendment to the Agreement for Professional Architectural and Engineering Services dated August 17, 2022, ("Agreement") is made and entered into this **8th day of November 2023**, by and between Monroe County ("County") and Bender & Associates Architects, P.A. ("Consultant"), in order to amend the Agreement as follows:

WHEREAS, the parties entered into an Agreement on August 17, 2022, for the Consultant to provide professional architectural and engineering services for the facility assessment and design of wind-retrofits at 10 County buildings ("Project"); and

WHEREAS, the parties executed a First Amendment to the Agreement on March 22, 2023, to add additional services including Demolition and Patching for Investigative Testing and to revise the Cost Estimating Services; and

WHEREAS, the parties executed a Second Amendment to the Agreement on March 22, 2023, to add additional services for storm hardening of the Clock Tower and the Historic Monroe County Courthouse in Key West; and

WHEREAS, the parties executed a Third Amendment to the Agreement on September 20, 2023, to add additional services for replacing the roofs of the Ellis Building and the Marathon Government Center; and

WHEREAS, the County desires to amend the Agreement to add additional services for the permit requirements confirmed by the Chief Building Officials of Monroe County, the City of Key West, the City of Marathon and the City of Islamorada. These Roof Application Standards (RAS), Testing Application Standards (TAS), Drainage Surveys and Asbestos Surveys are required engineering and physical testing to secure a roofing permit.

NOW THEREFORE, in consideration of the mutual promises contained herein, the parties hereby agree as follows:

1. In accordance with Article III of the Agreement, Consultant shall provide services required for permitting the roofs of the buildings within the scope of the project at an additional cost of $53,129.00. Services and deliverables shall include the following:

2.

a.

ELLIS BUILDING:	
Task Description	
Engineering Wood Blocking and Asbestos Survey	$1,425
Drainage Survey and Calculations	$1,150
Subtotal Testing Costs:	$2,575
Bender & Associates 10% coordination fee	$257
TOTAL COST TO CONDUCT TESTING:	$2,832

b.

FIRE STATION 9:	
Task Description	
Engineering Wood Blocking, Asbestos Survey, TAS 105 Fastener Pull Test	$2,350
Drainage Survey and Calculations	$2,800
Subtotal Testing Costs:	$5,150
Bender & Associates 10% coordination fee	$515
TOTAL COST TO CONDUCT TESTING:	$5,665

c.

FIRE STATION 17:	
Task Description	
Engineering Roof Attachment, wood Blocking, Asbestos Survey, TAS 105 test on Steel Roof, TAS 105 test on wood roof	$3,150
Drainage Survey and Calculations	$4,000
Subtotal Testing Costs:	$7,150
Bender & Associates 10% coordination fee	$715
TOTAL COST TO CONDUCT TESTING:	$7,865

d.

HARVEY GOVERNMENT CENTER:	
Task Description	
Engineering Wood Blocking, Roof Attachment, Asbestos Survey	$2,900
Drainage Survey and Calculations	$5,250
Subtotal Testing Costs:	$8,150
Bender & Associates 10% coordination fee	$815
TOTAL COST TO CONDUCT TESTING:	$8,965

e.

KEY WEST COURTHOUSE:

Task Description	
Engineering Roof Attachment, Wood Blocking Calculation, Asbestos Survey	$2,625
Drainage Survey and Calculations	$2,500
Subtotal Testing Costs:	$5,125
Bender & Associates 10% coordination fee	$512
TOTAL COST TO CONDUCT TESTING:	$5,637

f.

LESTER BUILDING:

Task Description	
Engineering Wood Blocking and Asbestos Survey	$2,350
Drainage Survey and Calculations	$2,750
Subtotal Testing Costs:	$5,100
Bender & Associates 10% coordination fee	$510
TOTAL COST TO CONDUCT TESTING:	$5,610

g.

MARATHON GOVERNMENT CENTER:

Task Description	
Engineering Wood Blocking, Asbestos Survey, TAS 105	$2,150
Drainage Survey and Calculations	$3,100
Subtotal Testing Costs:	$5,250
Bender & Associates 10% coordination fee	$525
TOTAL COST TO CONDUCT TESTING:	$5,775

h.

MARATHON TAX COLLECTOR / MCSO: Task Description	
Engineering Roof Attachment, Wood Blocking, Asbestos Survey	$2,700
Drainage Survey and Calculations	$3,850
Subtotal Testing Costs:	$6,550
Bender & Associates 10% coordination fee	$655
TOTAL COST TO CONDUCT TESTING:	$7,205

i.

PLANTATION KEY COURTHOUSE:

Task Description	
Engineering Wood Blocking and Asbestos Survey	$1,450
Drainage Survey and Calculations	$1,300
Subtotal Testing Costs:	$2,750
Bender & Associates 10% coordination fee	$275
TOTAL COST TO CONDUCT TESTING:	$3,025

j.

TAS 105 LAB TESTING:

Task Description	
TAS 105 Fastener Withdrawal Test	$500
Subtotal Testing Costs:	$500
Bender & Associates 10% coordination fee	$50
TOTAL COST TO CONDUCT TESTING:	$550

3. Pursuant to Article VII, Section 7.1.1 thereof, the Agreement is amended to reflect the new Total Not-To-Exceed Amount of **One Million, Six Hundred Thirty-Six Thousand, Three Hundred Forty-Nine and No Cents ($1,636,349.00)**.

4. Pursuant to Article VII, Section 7.1.1 of the Agreement, Attachment C is revised to read:

	Task	Amount
1	BUILDING ASSESSMENT INDICATING CURRENT WIND DESIGN SPEED AND 30% SCHEMATIC DESIGN	$ 498,303.00
2	60% DESIGN DEVELOPMENT	$194,689.00
3	90% CONSTRUCTION DOCUMENTS	$273,340.00
4	100% CONSTRUCTION DOCUMENTS	$99,547.00
5	PERMITTING	$66,328.00
6	DEMOLITION AND PATCHING FOR INVESTIGATIVE TESTING	$57,120.00
7	COST ESTIMATING SERVICES	$95,479.00
8	BUILDING ASSESSMENT INDICATING CURRENT WIND DESIGN SPEED AND 30% SCHEMATIC DESIGN FOR THE COURTHOUSE TOWER	$18,480.00
9	60% DESIGN DEVELOPMENT FOR THE COURTHOUSE TOWER	$40,985.00
10	TASK 3: 90% CONSTRUCTION DOCUMENTS FOR THE COURTHOUSE TOWER	$44,741.00
11	TASK 4: 100% CONSTRUCTION DOCUMENTS FOR THE COURTHOUSE TOWER	$4,320.00
12	TASK 5: PERMITTING FOR THE COURTHOUSE TOWER	$4,093.00
13	BUILDING ASSESSMENT INDICATING CURRENT WIND DESIGN SPEED AND 30% SCHEMATIC DESIGN FOR THE ELLIS BUILDING ROOFING AND MARATHON GOVT CENTER ROOFING	$39,764.00
14	60% DESIGN DEVELOPMENT FOR THE ELLIS BUILDING ROOFING AND MARATHON GOVT CENTER ROOFING	$32,452.00
15	TASK 3: 90% CONSTRUCTION DOCUMENTS FOR THE ELLIS BUILDING ROOFING AND MARATHON GOVT CENTER ROOFING	$54,781.00
16	TASK 4: 100% CONSTRUCTION DOCUMENTS FOR THE ELLIS BUILDING ROOFING AND MARATHON GOVT CENTER ROOFING	$20,880.00

17	TASK 5: PERMITTING FOR THE ELLIS BUILDING ROOFING AND MARATHON GOVT CENTER ROOFING	$27,768.00
18	ELLIS BUILDING TESTING	$2,832.00
19	FIRE STATION 9 TESTING	$5,665.00
20	FIRE STATION 17 TESTING	$7,865.00
21	HARVEY GOVERNMENT CENTER TESTING	$8,965.00
22	KEY WEST COURTHOUSE TESTING	$5,637.00
23	LESTER BUILDING TESTING	$5,610.00
24	MARATHON GOVERNMENT CENTER TESTING	$5,775.00
25	MARATHON TAX COLLECTOR / MCSO TESTING	$7,205.00
26	PLANTATION KEY COURTHOUSE TESTING	$3,025.00
27	TAS 105 LAB TESTING	$550.00
	REIMBURSABLE EXPENSES (FOR ALL TASKS)	$10,150.00
	TOTAL	**$1,636,349.00**

The remaining terms of the Agreement not inconsistent herewith remain in full force and effect.

THIRD AMENDMENT TO AGREEMENT FOR PROFESSIONAL ARCHITECTURAL AND ENGINEERING SERVICES FOR FACILITY ASSESSMENT AND DESIGN OF WIND-RETROFITS AT 10 COUNTY BUILDINGS BETWEEN MONROE COUNTY AND BENDER & ASSOCIATES ARCHITECTS, P.A.

This Third Amendment to the Agreement for Professional Architectural and Engineering Services dated August 17, 2022, ("Agreement") is made and entered into this **20th day of September 2023**, by and between Monroe County ("County") and Bender & Associates Architects, P.A. ("Consultant"), in order to amend the Agreement as follows:

WHEREAS, the parties entered into an Agreement on August 17, 2022, for the Consultant to provide professional architectural and engineering services for the facility assessment and design of wind-retrofits at 10 County buildings ("Project"); and

WHEREAS, the parties executed a First Amendment to the Agreement on March 22, 2023, to add additional services including Demolition and Patching for Investigative Testing and to revise the Cost Estimating Services; and

WHEREAS, the parties executed a Second Amendment to the Agreement on March 22, 2023, to add additional services for storm hardening of the Clock Tower and the Historic Monroe County Courthouse in Key West; and

WHEREAS, the County desires to amend the Agreement to add additional services for replacing the roofs of the Ellis Building and the Marathon Government Center.

NOW THEREFORE, in consideration of the mutual promises contained herein, the parties hereby agree as follows:

1. In accordance with Article III of the Agreement, Consultant shall provide design through permitting for replacing the roofs of the Ellis Building and the Marathon Government Center at an additional cost of $175,645.00. Services and deliverables shall include the following for the two buildings added:

    a. Building Assessment Indicating Current Wind Design Speed and 30% Schematic Design
    b. 60% Design Development
    c. 90% Construction Documents
    d. 100% Construction Documents
    e. Permitting

2. Pursuant to Article VII, Section 7.1.1 thereof, the Agreement is amended to reflect the new Total Not-To-Exceed Amount of **One Million Five Hundred Eighty-Three Thousand Two Hundred Twenty and No Cents ($1,583,220.00)**.

3. Pursuant to Article VII, Section 7.1.1 of the Agreement, Attachment C is revised to read:

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: F14
2023-1559

BULK ITEM: Yes

DEPARTMENT: Facilities Maintenance

TIME APPROXIMATE:
N/A

STAFF CONTACT: Willie DeSantis

AGENDA ITEM WORDING: Approval of a Third Amendment to Agreement with Gary's Plumbing and Fire, Inc. for Full Maintenance Fire Protection Services at County facilities to increase the contract amount by the CPI-U of 6.5%, renew the Agreement for the second of four (4) optional one-year renewals, add and delete locations, and to add and/or update provisions to allow for the option of requesting, from the Contractor only, a proposal/quote for replacement equipment and associated installation in accordance with the current Monroe County Purchasing Policy.

ITEM BACKGROUND:

On October 20, 2021, the BOCC approved a Bid Award Agreement for Gary's Plumbing and Fire, Inc. (Gary's) for Full Maintenance Fire Protection Services with an initial one (1) year term commencing on November 1, 2021, and terminating on October 31, 2022, with an option to renew for four (4) additional one-year periods. A First Amendment, approved on April 20, 2022, increased the annual not to exceed amount from $70,000.00 to $135,000.00 and revised the Notice provision to reflect the new address for Facilities Maintenance at its Rockland Key location. On September 21, 2022, the BOCC approved a Second Amendment to renew the Agreement for the first of four (4) optional one-year renewals with a CPI-U adjustment of 7% for the labor costs and each building being serviced.

This Third Amendment to Agreement seeks approval to increase the contract amount by the CPI-U of 6.5% effective November 1, 2023, and to renew the Agreement for the second of four (4) optional one-year renewals with the new term to commence retroactive to November 1, 2023 and terminate on October 31, 2024, unless the contract is renewed again. The Third Amendment also adds another location for service at the new Plantation Key Courthouse and Detention Center and deletes the old Plantation Key Jail location and increases the not to exceed annual amount to $143,775.00 unless pre-0approved work requiring additional funds is implemented. This Amendment also seeks approval to add and/or update provisions to allow for the option of requesting from the Contractor only for Equipment Replacement and Installation in accordance with the current Monroe County Purchasing Policy.

PREVIOUS RELEVANT BOCC ACTION:

September 21, 2022 BOCC approved a Second Amendment to increase the contract amount by the CPI-U of 7% and renew the Agreement for the first of four (4) optional one year renewals.

April 20, 2022 BOCC approved a First Amendment to increase the annual not to exceed amount from $70,000.00 to $135,000.00 and revised the Notice Provision of the Contract to reflect the new address for the Facilities Maintenance Dept.

October 20, 2021 BOCC approved a Bid Award Agreement for Gary's Plumbing and Fire, Inc. for Fire Protection Services in County facilities.

CONTRACT/AGREEMENT CHANGES:
Approval of a Third Amendment to Agreement with Gary's Plumbing and Fire, Inc., for Full Maintenance Fire Protection Services at County facilities to increase the contract amount by the CPI-U of 6.5%, renew the Agreement for the second of four (4) optional one year renewals, add a location (new PK Courthouse and Detention Center), delete a location (old demolished PK Detention Center on Highpoint Rd.), increase the annual not to exceed total, and to add and/or update provisions to allow for the option of the County to request from the Contractor only, a proposal/quote for equipment or parts and all associated installation thereto pursuant to the current Monroe County Purchasing Policy.

STAFF RECOMMENDATION: Approval

FINANCIAL IMPACT:

Effective Date: 11/01/2023

Expiration Date: 10/31/2024

Total Dollar Value of Contract: $143,775.00/year

Total Cost to County: $143,775.00/year plus CPI-U adjustments

Current Year Portion: $131,793.75 **Budgeted:** Yes

Source of Funds: Ad Valorem

CPI: Yes

Indirect Costs: N/A

Estimated Ongoing Costs Not Included in above dollar amounts:

Revenue Producing: No **If yes, amount:**

Grant: No

County Match: N/A

Insurance Required: Yes (COI attached)

Additional Details: Requesting to increase the contract by the CPI-U of 6.5 % and renew the agreement for the second of four optional one-year renewals, add a location and delete a location, increase the annual not to exceed amount and update provisions to allow for the option of the County to request from the Contractor only, a proposal/quote for equipment or parts and all associated installation thereto.

THIRD AMENDMENT TO AGREEMENT FOR FULL MAINTENANCE FIRE PROTECTION SYSTEMS MONROE COUNTY, FLORIDA

This Third Amendment to Agreement is made and entered into this 8th day of November 2023, between **MONROE COUNTY, FLORIDA** ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040, and **GARY'S PLUMBING AND FIRE**, **INC.**, a *Florida for Profit Corporation*, authorized to do business in the State of Florida, ("CONTRACTOR"), whose address is 6409 2nd Terrace, Suite 1, Key West, Florida 33040.

WHEREAS, the parties hereto did on October 20, 2021, enter into an Agreement for Full Maintenance Fire Protection Systems (hereinafter "Original Agreement"); and

WHEREAS, on April 20, 2022, the Board of County Commissioners ("BOCC") approved a First Amendment to the Original Agreement to increase the annual agreement amount by Sixty-five Thousand and 00/100 ($65,000.00) Dollars, from Seventy Thousand and 00/100 ($70,000.00) Dollars to One Hundred Thirty-five Thousand and 00/100 ($135,000.00) Dollars; and

WHEREAS, on September 21, 2022, the BOCC approved a Second Amendment to the Original Agreement to provide for an annual CPI-U increase of 7% pursuant to the Agreement and to renew the term for an additional one-year period; and

WHEREAS, the parties desire to amend the Original Agreement, as amended, to provide for an annual CPI-U increase of 6.5% pursuant to the Agreement and to renew the term for an additional one-year period; and

WHEREAS, the parties desire to amend the Original Agreement, as amended, to incorporate and include the new Plantation Key Courthouse and Detention Center as an additional Upper Keys' location and delete the Upper Keys' Location at the old Plantation Key Jail; and

WHEREAS, the parties desire to amend the Original Agreement, as amended, to add and/or update provisions to allow for the option to request from the Contractor only, a proposal/quote for replacement equipment or parts and all associated installation thereto in accordance with the current Monroe County Purchasing Policy; and

WHEREAS, the Original Agreement, as amended in the First Amendment, provides in Paragraph 5.E. that the total compensation to the Contractor shall not exceed One Hundred Thirty-five Thousand and 00/100 ($135,000.00) Dollars per year, unless pre-approved work requiring additional funds is implemented; and

WHEREAS, the parties find it would be mutually beneficial to increase the annual agreement amount by Eight Thousand Seven Hundred Seventy-Five and 00/100 ($8,775.00) Dollars due to budgeted CPI-U increases and additional locations being added for service; and

WHEREAS, the parties have found the Original Agreement, as amended, to be mutually beneficial and the Contractor agrees and consents to such revisions in the Original Agreement; and

WHEREAS, the parties find it would be mutually beneficial to enter into this Third Amendment to the Original Agreement;

NOW THEREFORE, IN CONSIDERATION of the mutual promises and covenants set forth below, the parties agree as follows:

1. In accordance with Paragraph 6 of the Original Agreement, the County exercises the option to amend the Agreement and the amount shall be adjusted in accordance annually with the percentage change in the U.S. Department of Commerce Consumer Price Index (CPI-U) for all Urban Consumers as reported by the U.S. Bureau of Labor Statistics at December 31 of the previous year of 6.5% with an effective date of November 1, 2023.
2. In accordance with Paragraph 6 of the Original Agreement, the County exercises the option to renew the agreement for the second of four (4) optional one-year periods. This renewal shall commence retroactive to November 1, 2023, and ends upon October 31, 2024, unless terminated earlier under another paragraph of this Agreement.
3. In accordance with Paragraph 5. D. of the Original Agreement, the cost of labor used by the Contractor to fulfill the obligation of the Contract will be calculated using the amended unit prices set forth below as follows:

Labor – Normal working hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays:

$199.42 per hour, mechanic
$299.14 per hour, mechanic plus helper
$99.72 per hour, mechanic helper working alone or additional helper

Overtime rate for hours other than the normal working hours as stated above, including holidays:

$299.14 per hour, mechanic
$448.70 per hour, mechanic plus helper
$149.57 per hour, mechanic helper working alone or additional helper

Parts Cost Plus:

Fifteen percent (15%) of mark up on manufacturer's invoice cost of parts and materials (excluding freight, equipment rental, tax amounts, and services supplied by others).

Such costs must be documented for each repair and/or maintenance job and included with all Applications for Payment. For invoicing purposes, the hours should be calculated in fifteen (15) minute increments.

The following buildings will require:

One (1), (5) Five (5) Year Inspection Test (to be completed within three (3) months of contract commencement)**, One (1) Annual Inspection and flow test of the Fire Pump, One (1) Semi-Annual Inspection, and Two (2) Quarterly fire sprinkler system inspections and testing per the latest edition of NFPA 25:**

Monroe County Detention Center	5501 College Road Key West, FL 33040	$ 3,646.56 cost/yr. $ 3,000.00 5 yr. inspection
Harvey Government Center	1200 Truman Avenue Key West, FL 33040	$ 2,108.17 cost/yr. $ 1,000.00 5 yr. inspection

WHEN PERFORMING ANNUAL INSPECTIONS FOR SOME MONROE COUNTY FACILITIES, PRIMARILY THE COURTHOUSES, IT MAY BE NECESSARY TO SCHEDULE INSPECTIONS BEFORE OF AFTER NORMAL BUSINESS HOURS.

4. In accordance with Paragraph 5. E of the Original Agreement as amended, total compensation to the Contractor under the Original Agreement, as amended, shall be increased and shall not exceed One Hundred Forty-three Thousand Seven Hundred Seventy-five and 00/100 ($143,775.00) Dollars per year, unless pre-approved work requiring additional funds is implemented.

5. In accordance with Paragraph 5. F. of the Original Agreement, Major Component Failure or System Breakdown, is hereby amended to delete Paragraph 5. F., as set forth in the Original Agreement, and replace it in its entirety with the following paragraph:

F. In the event a Fire Protection Service System or any of its major components or parts need to be replaced or repaired due to a major component failure, system breakdown, or upgrade, the County shall have

the option to request from the Contractor only, a proposal/quote for replacement equipment or parts and all associated installation thereto. Approval of such proposals/quotes shall follow the current Monroe County Purchasing Policy. Only after receiving an amendment, if required by the County's Purchasing Policy, and/or a notice to proceed from the County, shall the Contractor proceed with these additional services as noted herein.

6. Except as set forth in Paragraphs 1 through 5 of this Third Amendment to Agreement, in all other respects, the terms and conditions set forth in the Original Agreement, as amended, remain in full force and effect.

SECOND AMENDMENT TO AGREEMENT FOR FULL MAINTENANCE FIRE PROTECTION SYSTEMS MONROE COUNTY, FLORIDA

This Second Amendment to Agreement is made and entered into this 21st day of September, 2022, between **MONROE COUNTY, FLORIDA** ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040, and **GARY'S PLUMBING AND FIRE, INC.**, a *Florida for Profit Corporation*, authorized to do business in the State of Florida, ("CONTRACTOR"), whose address is 6409 2nd Terrace, Suite 1, Key West, Florida 33040.

WHEREAS, the parties hereto did on October 20, 2021, enter into an Agreement for Full Maintenance Fire Protection Services (hereinafter "Original Agreement"); and

WHEREAS, on April 20, 2022, the BOCC approved a First Amendment to the Original Agreement to increase the annual agreement amount by Sixty-five Thousand and 00/100 ($65,000.00) Dollars, from Seventy Thousand and 00/100 ($70,000.00) Dollars to One Hundred Thirty-five Thousand and 00/100 ($135,000.00) Dollars; and

WHEREAS, the parties desire to amend the Original Agreement to provide for an annual CPI-U increase of 7% pursuant to the Agreement and to renew the term for an additional one-year period; and

WHEREAS, the parties have found the Original Agreement, as amended, to be mutually beneficial; and

WHEREAS, the parties find it would be mutually beneficial to enter into this Second Amendment to the Original Agreement; and

NOW THEREFORE, IN CONSIDERATION of the mutual promises and covenants set forth below, the parties agree as follows:

1. In accordance with Paragraph 6 of the Original Agreement, the County exercises the option to amend the Agreement and the amount shall be adjusted in accordance annually with the percentage change in the U.S. Department of Commerce Consumer Price Index (CPI-U) for all Urban Consumers as reported by the U.S. Bureau of Labor Statistics at December 31 of the previous year of 7% with an effective date of November 1, 2022.
2. In accordance with Paragraph 6 of the Original Agreement, the County exercises the option to renew the agreement for the first of (4) four optional (1) one-year periods. This renewal shall commence on November 1, 2022, and ends upon October 31, 2023, unless terminated earlier under another paragraph of this Agreement.

3. In accordance with Paragraph 5 D of the Original Agreement, the cost of labor used by the Contractor to fulfill the obligation of the Contract will be calculated using the amended unit prices set forth below as follows:

Labor – Normal working hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays:

$187.25 per hour, mechanic
$280.88 per hour, mechanic plus helper
$93.63 per hour, mechanic helper working alone or additional helper

Overtime rate for hours other than the normal working hours as stated above, including holidays:

$280.88 per hour, mechanic
$421.31 per hour, mechanic plus helper
$140.44 per hour, mechanic helper working alone or additional helper

Parts Cost Plus:

Fifteen percent (15%) of mark up on manufacturer's invoice cost of parts and materials (excluding freight, equipment rental, tax amounts, and services supplied by others).

Such costs must be documented for each repair and/or maintenance job and included with all Applications for Payment. For invoicing purposes, the hours should be calculated in fifteen (15) minute increments.

The following buildings will require:

One (1), (5) Five (5) Year Inspection Test (to be completed within three (3) months of contract commencement), **One (1) Annual Inspection and flow test of the Fire Pump, One (1) Semi-Annual Inspection, and Two (2) Quarterly fire sprinkler system inspections and testing per the latest edition of NFPA 25:**

Monroe County Detention Center	5501 College Road Key West, FL 33040	$ 3,424.00 cost/yr. $ 3,000.00 5 yr. inspection
Harvey Government Center	1200 Truman Avenue Key West, FL 33040	$ 1,979.50 cost/yr. $ 1,000.00 5 yr. inspection

Lester Building	530 Whitehead Street Key West, FL 33040	$ 1,096.75 cost/yr. $ 1,000.00 5 yr. inspection
Monroe County Courthouse Annex/Old Jail (TESTING SCHEDULED AROUND COURT HEARINGS)	502 Whitehead Street Key West, FL 33040	$ 1,096.75 cost/yr. $ 1,000.00 5 yr. inspection
Marathon Government Annex	490 63rd Street, Ocean Marathon, FL 33050	$ 909.50 cost/yr. $ 500.00 5 yr. inspection
Marathon Jail	3981 Ocean Terrace Marathon, FL 33050	$ 909.50 cost/yr. $ 500.00 5 yr. inspection

The following buildings will require:

One (1), Five (5) Year Inspection Test (to be completed within three (3) months of contract commencement), **One (1) Annual Inspection, One (1) Semi-Annual Inspection, and Two (2) Quarterly fire sprinkler system inspections and testing per the latest edition of NFPA 25:**

FIRST AMENDMENT TO AGREEMENT FOR
FULL MAINTENANCE FIRE PROTECTION SYSTEMS
MONROE COUNTY, FLORIDA

This First Amendment to Agreement is made and entered into this 20th day of April, 2022, between **MONROE COUNTY, FLORIDA** ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040, and **GARY'S PLUMBING AND FIRE, INC.**, a *Florida for Profit Corporation*, authorized to do business in the State of Florida, ("CONTRACTOR"), whose address is 6409 2nd Terrace, Suite 1, Key West, Florida 33040.

WHEREAS, the parties hereto did on October 20, 2021, enter into an Agreement for Full Maintenance Fire Protection Services (hereinafter "Original Agreement"); and

WHEREAS, the Original Agreement provides in Paragraph 5.E. that the total compensation to the Contractor shall not exceed Seventy Thousand and 00/100 ($70,000.00 Dollars, unless pre-approved work requiring additional funds is implemented; and

WHEREAS, there has been unanticipated repairs and/or emergency work at various locations, exhausting the annual agreement amount for this year with six (6) remaining months; and

WHEREAS, the parties find it would be mutually beneficial to increase the annual agreement amount by Sixty-five Thousand and 00/100 ($65,000.00) Dollars, from Seventy Thousand and 00/100 ($70,000.00) Dollars to One Hundred Thirty-five Thousand and 00/100 ($135,000.00) Dollars; and

WHEREAS, the CONTRACTOR agrees and consents to such revision in the Original Agreement; and

WHEREAS, the parties find it would be mutually beneficial to amend its Original Agreement and enter into this First Amendment to Agreement;

NOW THEREFORE, IN CONSIDERATION of the mutual promises and covenants set forth below, the parties agree as follows:

1. In accordance with Paragraph 5.E. of the Original Agreement, total annual compensation to CONTRACTOR under the Original Agreement shall be increased and shall not exceed ONE HUNDRED THIRTY-FIVE THOUSAND AND 00/100 ($135,000.00) Dollars per year, unless pre-approved work requiring additional funds is implemented.

2. Paragraph 19, NOTICE REQUIREMENT, of the Original Agreement, as amended, is hereby amended to delete the current Paragraph 19, as set forth in the Original Agreement, and replace it in its entirety with the following paragraph:

19. NOTICE REQUIREMENT

All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the CONTRACTOR. Any written notices or correspondence required or permitted under this Agreement shall be sent by United States Mail, certified, return receipt requested, postage pre-paid, or by courier with proof of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice is deemed received by CONTRACTOR when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notice shall be sent to the following persons:

FOR COUNTY:

Monroe County
Facilities Maintenance Department
123 Overseas Highway, Rockland Key
Key West, FL 33040

and

County Attorney
1111 12th Street, Suite 408

AGREEMENT

FOR

FULL MAINTENANCE FIRE PROTECTION SYSTEMS

MONROE COUNTY, FLORIDA

This Agreement is made and entered into this 20th day of October, 2021, between **MONROE COUNTY, FLORIDA** ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040, and **GARY'S PLUMBING AND FIRE, INC.**, a *Florida Profit Corporation*, authorized to do business in the State of Florida, ("CONTRACTOR"), whose address is 6409 2nd Terrace, Suite 1, Key West, Florida 33040.

WHEREAS, COUNTY desires to contract for the performance of the work or services described in Exhibit "A"; and

WHEREAS, CONTRACTOR desires to and is able to perform the work or services described in attached Exhibit "A"; and

WHEREAS, it serves a legitimate public purpose for CONTRACTOR to perform the work or services, as described in attached Exhibit "A," for Monroe County;

NOW, THEREFORE, IN CONSIDERATION of the mutual promises and covenants contained herein, it is agreed as follows:

1. THE AGREEMENT

The Agreement consists of this document, the Request for Proposals ("RFP") documents, exhibits, any addenda, the response to the RFP, and all required insurance documentation, only.

2. SCOPE OF WORK

The Scope of Work shall include, but not be limited to, all work and / or services shown and listed in **Exhibit "A"**, which is attached hereto and made a part hereof. The Contractor is required to provide a complete job as contemplated by this Scope of Work. The Contractor shall furnish all labor, supervision, materials, power, tools, equipment, supplies, permits, if any are necessary, and any other means of construction or work necessary or proper for performing and completing the Scope of Work, unless otherwise specifically stated.

3. PERSONNEL

Communication between the County Representative and the Contractor's personnel is very important. Therefore, the Contractor must assure that at least one (1) of its personnel per building can communicate well in the English language with the County Representative. Any employee hired by the Contractor will be the Contractor's employee

and in no way has any association with the County. The Contractor shall insure that its employees are trained in all appropriate safety regulations, including but not limited to, OSHA regulations, and all other applicable local, State and Federal regulations.

Uniforms are preferred for Contractor's personnel, however; photo identification cards are required, which shall clearly identify personnel as employees of the Contractor. This requirement shall apply upon entering County property and at all times while on duty.

4. BACKGROUND CHECKS / FINGERPRINTING

Contractor employees must consent to Level One background checks and the results are to be provided to the County within thirty (30) days of award of the contract. The County reserves the right to refuse personnel based on results of the background check. The County reserves the right to demand of the Contractor replacement of an employee for the Contractor if a conflict or problem with that employee should arise. The County's Facilities Maintenance Director or his designee shall have the right to require any employee(s) of the Contractor to be permanently removed from any County facility serviced by the Contractor whenever it appears to be in the best interest of the County. It is the responsibility of the Contractor to inform the Facilities Maintenance Director or his designee of all new hires and the results of the background check. The Contractor will be responsible for the supervision, hiring and firing of their own employees, and shall be solely responsible for the pay, worker's compensation insurance, and benefits.

Some work will be conducted at secure facilities, including, but not limited to law enforcement and fire rescue. Background checks, including at a minimum:

A. Warrants check;
B. Fingerprints;
C. Local Records check;
D. Prior employment check; and
E. Criminal History check

are required of Contractor's personnel that will enter Monroe County Sheriff's Office ("MCSO") facilities. Background checks on such personnel will be conducted by the MCSO.

MCSO may prohibit entry to, or remove from, any secure facility any Contractor employee who, in the judgment of MCSO, poses a risk to the security or good order of the facility. Thereafter, MCSO and the Contractor will immediately discuss resolution of the problem. If the problem is not resolved to the satisfaction of the MCSO, the employee shall not be permitted to return to any facility operated by the MCSO. Contractor will promptly replace the employee at no additional cost to County.

Contractor further agrees to notify County immediately upon becoming aware that one of its employees or subcontractor's employees, who previously completed the background check, is subsequently arrested or convicted of any crime. Failure by Contractor to notify County of such arrest or conviction within forty-eight (48) hours of being put on notice by

the employee/subcontractor and/or within five (5) days of its occurrence shall constitute grounds for immediate termination of this contract by County. The parties further agree that failure by Contractor to perform any of the duties described in this paragraph shall constitute a material breach of the contract entitling County to terminate this contract immediately with no further responsibility to make payment or perform any other duties described herein.

5. CONTRACT SUM AND PAYMENTS TO CONTRACTOR

A. Monroe County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Board of County Commissioners ("BOCC"). County shall pay in accordance with the Florida Local Government Prompt Payment Act and Monroe County Code; payment will be made after delivery and inspection by County and upon submission of a proper invoice by Contractor.

B. Contractor shall submit to County invoices no later than twenty-five (25) days after inspections/repairs with supporting documentation acceptable to the Clerk. Five Year, Annual, Semi-Annual, and Quarterly inspections shall be submitted in arrears with supporting reports. If any major deficiencies are found, the County must be notified in writing within forty-eight (48) hours, otherwise reports must be submitted within fifteen (15) days of inspection date. Contractor shall submit to the County repair invoices with supporting documentation acceptable to the Clerk, at completion by the Contractor of the repair and said work approved by an appropriate County representative, to be paid at the earliest date possible following completion of the repair. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the Clerk's disbursal of funds. Monroe County's Fiscal Year is October 1st through September 30th. All outstanding invoices must be submitted for payment within ten (10) days of the end of the Fiscal Year to avoid non-payment for those services.

C. The County shall pay the actual cost of parts and materials, excluding freight, equipment rental, tax amounts, and services supplied by others purchased from the manufacturer, plus fifteen percent (15%), to fulfill the obligations of the Contract. Freight, equipment rental, tax amounts, and services supplied by others shall be reimbursed for amounts charged. A manufacturer's invoice must accompany all requests for payment. Freight invoices must accompany all orders that require shipping or transportation of parts whether the part is under warranty or not.

D. The cost of labor used by the Contractor to fulfill the obligation of the Contract will be calculated using the unit prices set forth in the Contractor's bid as follows:

Labor – Normal working hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, excluding holidays:

$175.00 per hour, mechanic
$262.50 per hour, mechanic plus helper
$87.50 per hour, mechanic helper working alone or additional helper

Overtime rate for hours other than the normal working hours as stated above, including holidays:

$262.50 per hour, mechanic

$393.75 per hour, mechanic plus helper
$131.25 per hour, mechanic helper working alone or additional helper

Parts Cost Plus:

Fifteen percent (15%) of mark up on manufacturer's invoice cost of parts and materials (excluding freight, equipment rental, tax amounts, and services supplied by others).

Such costs must be documented for each repair and/or maintenance job and included with all Applications for Payment.

The following buildings will require:

One (1), (5) Five (5) Year Inspection Test (to be completed within three (3) months of contract commencement), **One (1) Annual Inspection and flow test of the Fire Pump, One (1) Semi-Annual Inspection, and Two (2) Quarterly fire sprinkler system inspections and testing per the latest edition of NFPA 25:**

WHEN PERFORMING ANNUAL INSPECTIONS FOR SOME MONROE COUNTY FACILITIES, PRIMARILY THE COURTHOUSES, IT MAY BE NECESSARY TO SCHEDULE INSPECTIONS BEFORE OF AFTER NORMAL BUSINESS HOURS.

The total quarterly service amount of the contract shall be Five Thousand Three Hundred Sixty-eight and 75/100 ($5,368.75) Dollars, for an annual inspections amount of Twenty-one Thousand Four Hundred Seventy-five and 00/100 ($21,475.00) Dollars.

The total for one (1), Five (5) Year inspection for all buildings listed herein shall be in the amount of Seventeen Thousand and 00/100 ($17,000.00) Dollars.

Contractor shall submit all invoices with the Application for Payment form attached hereto as Exhibit "B" and made a part hereof.

There shall be no additional charges to the Owner for travel, mileage, meals, or lodging.

Contractor shall submit itemized invoices in writing.

E. Total Annual Compensation to CONTRACTOR under this Agreement shall not exceed Seventy Thousand and 00/100 ($70,000.00) Dollars, unless pre-approved work requiring additional funds is implemented.

F. Major Component Failure or System Breakdown

In the event of a major component failure or system breakdown, the County, shall have the option to request from the Contractor only, a proposal/quote for replacement equipment in an amount that could exceed Five Thousand and 00/100 ($5,000.00) Dollars. Any proposal over Five Thousand and 00/100 ($5,000.00) Dollars, up to and including Ten Thousand and 00/100 ($10,000.00) Dollars, must be approved and signed by the Division Director and/or the County Administrator. Any proposal over Ten Thousand and 00/100 ($10,000.00) Dollars, up to and including Forty-nine Thousand Nine Hundred Ninety-nine and 99/100 ($49,999.99) Dollars, must be approved and signed by the Division Director and the County Administrator.

6. TERM OF AGREEMENT

This one (1) year Agreement shall commence on November 1, 2021, and ends upon October 31, 2022, unless terminated earlier under paragraph 21 of this Agreement.

The County shall have the option to renew this Agreement for up to an additional four (4) one-year periods on terms and conditions mutually agreeable to the parties, exercisable upon written notice given at least thirty (30) days prior to the end of the initial term. Unless the context clearly indicates otherwise, references to the "term" of this Agreement shall mean the initial term of one (1) year. The County is not required to state a reason if it elects not to renew.

The Contract amount may be adjusted annually in accordance with the percentage change in the U.S. Department of Commerce Consumer Price Index (CPI-U) for all Urban Consumers as reported by the U.S. Bureau of Labor Statistics and shall be based upon the CPI-U computation at December 31 of the previous year.

7. LICENSES

Contractor has, and shall maintain throughout the term of this Agreement, appropriate licenses. Proof of such licenses shall be submitted to the County upon execution of this Agreement and annually thereafter or upon any renewal.

8. MAINTENANCE OF RECORDS

Contractor shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained for a period of seven (7) years from the termination of this Agreement or five (5) years from the submission of the final expenditure report as per 2 CFR §200.33, if applicable, whichever is greater. Each party to this Agreement or their authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for seven (7) years following the termination of this Agreement.

9. RIGHT TO AUDIT

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); backcharge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by County or the Monroe County Office of the Clerk of Court and Comptroller (hereinafter referred to as "County Clerk") to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in County's or the County Clerk's reasonable judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by County's representative and/or agents or the County Clerk. County or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through interviews and written confirmations with employees, Subcontractors, suppliers, and contractors representatives. All records shall be kept for ten (10) years after Final Completion of the Project. The County Clerk possesses the independent authority to conduct an audit of Records, assets, and activities relating to this Project. If any auditor employed by Monroe County or County Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, the Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, F.S., running from the date the monies were paid to Contractor. The *right to audit* provisions survives the termination of expiration of this Agreement.

10. PUBLIC RECORDS COMPLIANCE

Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of Article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The

County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Fla. Stat., Sec. 119.0701 and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470, BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH STREET, SUITE 408, KEY WEST, FL 33040.

11. **HOLD HARMLESS, INDEMNIFICATION, DEFENSE, AND INSURANCE**

Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, Contractor shall defend, indemnify, and hold the County and the County's elected and appointed officers and employees harmless from and against (i) any claims, actions or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of Contractor or any of its employees, agents, contractors, or other invitees during the term of this Agreement, (B) the negligence, recklessness, intentional wrongful misconduct, errors or other wrongful act or omission of Contractor or any of its employees, agents, sub-contractors, or other invitees, or (C) Contractor's default in respect of any of the obligations that it undertakes under the terms of this Agreement, except to the extent the claims, actions, causes of action, litigation, proceedings, costs or expenses arise from the intentional or sole negligent acts or omissions of the County or any of its employees, agents, contractors, or invitees (other than Contractor). The monetary limitation of liability under this Agreement shall be equal to the dollar value of the contract and not less than $1 million per occurrence pursuant to Section 725.06, Florida Statutes. The limits of liability shall be as set forth in the insurance requirements included in this paragraph. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the Contractor s failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the County by virtue of any deficiency or ambiguity in the plans and specifications provided by the Contractor, the Contractor agrees and warrants that the Contractor shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement. Failure of Contractor to comply with the requirements of this section shall be cause for immediate termination of this Agreement.

Prior to execution of this agreement, CONTRACTOR shall furnish the COUNTY Certificates of Insurance indicating the minimum coverage limitations in the following amounts:

WORKERS COMPENSATION AND EMPLOYER'S LIABILTIY INSURANCE. Where applicable, coverage to apply for all employees at a minimum statutory limits as required by Florida Law, and Employee's Liability coverage in the amount of $100,000.00 bodily injury by accident, $500,000.00 bodily injury by disease, policy limits, and $100,000.00 bodily injury by disease, each employee.

COMPREHENSIVE AUTOMOBILE VEHICLE LIABILITY INSURANCE. Motor vehicle liability insurance, including applicable no-fault coverage, with limits of liability of not less than *$300,000.00* per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability. Coverage shall include all owned vehicles, all non-owned vehicles, and all hired vehicles. If single limits are provided, the minimum acceptable limits are *$200,000.00* per person, *$300,000.00* per occurrence, and *$200,000.00* property damage. Coverage shall include all owned vehicles, all non-owned vehicles, and all hired vehicles.

COMMERCIAL GENERAL LIABILITY. Commercial general liability coverage with limits of liability of not less than *$500,000.00* per occurrence combined single limit for Bodily Injury Liability and Property Damage Liability.

CERTIFICATES OF INSURANCE. Original Certificates of Insurance shall be provided to the County at the time of execution of this Agreement and certified copies provided if requested. Each policy certificate shall be endorsed with a provision that not less than thirty (30) calendar days' written notice shall be provided to the County before any policy or coverage is canceled or restricted. The underwriter of such insurance shall be qualified to do business in the State of Florida. If requested by the County Administrator, the insurance coverage shall be primary insurance with respect to the County, its officials, employees, agents, and volunteers.

MONROE COUNTY BOARD OF COUNTY COMMISSIONERS MUST BE NAMED AS CERTIFICATE HOLDER AND ADDITIONAL INSURED ON ALL POLICIES EXCEPT WORKER'S COMPENSATION.

12. NON-WAIVER OF IMMUNITY

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the County and Contractor in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any Agreement entered into by the County be required to contain any provision for waiver.

13. INDEPENDENT CONTRACTOR

At all times and for all purposes under this Agreement, Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed so as to find Contractor or any of its employees, subcontractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County.

14. **NONDISCRIMINATION / EQUAL EMPLOYMENT OPPORTUNITY**

CONTRACTOR and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. CONTRACTOR and COUNTY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

During the performance of this Agreement, the CONTRACTOR, in accordance with *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II, ¶ C, agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual

orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this

contract may be canceled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

15. ASSIGNMENT/SUBCONTRACT

Contractor shall not assign or subcontract its obligations under this Agreement to others, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County, which approval shall be subject to such conditions and provisions as the Board may deem necessary. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or subcontractor shall comply with all of the provisions of this Agreement. Unless expressly provided for therein, such approval shall in no manner or event be deemed to impose any additional obligation upon the Board.

16. COMPLIANCE WITH LAW AND LICENSE REQUIREMENTS

In providing all services/goods pursuant to this Agreement, Contractor shall abide by all laws of the Federal and State government, ordinances, rules, and regulations pertaining to, or regulating the provisions of, such services, including those now in effect and hereinafter adopted. Compliance with all laws includes, but is not limited to, the immigration laws of the Federal and State government. Any violation of said statutes, ordinances, rules, and regulations shall constitute a material breach of this Agreement and shall entitle the Board to terminate this Agreement. Contractor shall possess proper licenses to perform work in accordance with these specifications throughout the term of this Agreement.

17. DISCLOSURE AND CONFLICT OF INTEREST

Contractor represents that it, its directors, principals and employees, presently have no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required by this contract, as provided in Sec. 112.311, et. seq., Florida Statutes. County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position; conflicting employment or contractual relationship; and disclosure or use of certain information.

No Solicitation/Payment. County and Contractor warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Contractor agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

18. NO PLEDGE OF CREDIT

Contractor shall not pledge the County's credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. Contractor further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this contract.

19. NOTICE REQUIREMENT

All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the CONTRACTOR. Any written notices or correspondence required or permitted under this Agreement shall be sent by United States Mail, certified, return receipt requested, postage pre-paid, or by courier with proof of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice is deemed received by CONTRACTOR when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notice shall be sent to the following persons:

FOR COUNTY:

Monroe County
Facilities Maintenance Department
3583 S. Roosevelt Blvd
Key West, FL 33040

and

FOR CONTRACTOR:

Gary's Plumbing and Fire, Inc.
Attn: Gary Centonze, President
6409 2nd Terrace, Suite 1
Key West, FL 33040

County Attorney
1111 12th Street, Suite 408
Key West, FL 33040

20. TAXES

County is exempt from payment of Florida State Sales and Use taxes. Contractor shall not be exempted by virtue of the County's exemption from paying sales tax to its suppliers for materials used to fulfill its obligations under this contract, nor is Contractor authorized to use the County's Tax Exemption Number in securing such materials. Contractor shall be responsible for any and all taxes, or payments of withholding, related to services rendered under this Agreement.

21. TERMINATION

A. In the event that the CONTRACTOR shall be found to be negligent in any aspect of service, the COUNTY shall have the right to terminate this Agreement after five (5) days' written notification to the CONTRACTOR.

B. Either of the parties hereto may cancel this Agreement without cause by giving the other party sixty (60) days' written notice of its intention to do so.

C. Termination for Cause and Remedies: In the event of breach of any contract terms, the COUNTY retains the right to terminate this Agreement. The COUNTY may also terminate this Agreement for cause with CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination, prior to termination, the COUNTY shall provide CONTRACTOR with five (5) calendar days' notice and provide the CONTRACTOR with an opportunity to cure the breach that has occurred. If the breach is not cured, the Agreement will be terminated for cause. If the COUNTY terminates this Agreement with the CONTRACTOR, COUNTY shall pay CONTRACTOR the sum due the CONTRACTOR under this Agreement prior to termination, unless the cost of completion to the COUNTY exceeds the funds remaining in the contract; however, the COUNTY reserves the right to assert and seek an offset for damages caused by the breach. The maximum amount due to CONTRACTOR shall not in any event exceed the spending cap in this Agreement. In addition, the COUNTY reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the COUNTY's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code.

D. Termination for Convenience: The COUNTY may terminate this Agreement for convenience, at any time, upon sixty (60) days' notice to CONTRACTOR. If the COUNTY terminates this Agreement with the CONTRACTOR, COUNTY shall pay CONTRACTOR the sum due the CONTRACTOR under this Agreement prior to termination, unless the cost of completion to the COUNTY exceeds the funds remaining in the contract. The maximum amount due to CONTRACTOR shall not exceed the spending cap in this Agreement.

E. For Contracts of any amount, if the County determines that the Contractor/Consultant has submitted a false certification under Section 287.135(5), Florida Statutes, or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Consultant written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

F. For Contracts of $1,000,000 or more, if the County determines that the Contractor/Consultant submitted a false certification under Section 287.135(5), Florida Statutes, or if the Contractor/Consultant has been placed on the Scrutinized Companies with Activities in the Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Consultant written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

22. GOVERNING LAW, VENUE, AND INTERPRETATION

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to Agreements made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and Contractor agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. The Parties waive their rights to trial by jury. The County and Contractor agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

23. MEDIATION

The County and Contractor agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

24. SEVERABILITY

If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term,

covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Contractor agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

25. ATTORNEY'S FEES AND COSTS

County and Contractor agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, at all levels of the court system, including in appellate proceedings.

26. ADJUDICATION OF DISPUTES OR DISAGREEMENTS

COUNTY and CONTRACTOR agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. The CONTRACTOR and COUNTY Representative shall try to resolve the claim or dispute with meet and confer sessions. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Paragraph 14 or Paragraph 21 concerning termination or cancellation.

27. COOPERATION

In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, County and Contractor agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. County and Contractor specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

28. BINDING EFFECT

The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Contractor and their respective legal representatives, successors, and assigns.

29. AUTHORITY

Each party represents and warrants to the other that the execution, delivery, and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law. Each party agrees that it has had ample opportunity

to submit this Contract to legal counsel of its choice and enters into this agreement freely, voluntarily, and with advice of counsel.

30. CLAIMS FOR FEDERAL OR STATE AID

Contractor and County agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement. Any conditions imposed as a result of funding that affect the Project will be provided to each party.

31. PRIVILEGES AND IMMUNITIES

All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the County, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

32. LEGAL OBLIGATIONS AND RESPONSIBILITIES

This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the County, except to the extent permitted by the Florida constitution, state statute, and case law.

33. NON-RELIANCE BY NON-PARTIES

Non-Delegation of Constitutional or Statutory Duties. No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Contractor agree that neither the County nor the Contractor or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

34. ATTESTATIONS

Contractor agrees to execute such documents as the County may reasonably require to include, but not limited to, a Public Entity Crime Statement, an Ethics Statement, Non-Collusion Statement, and a Drug-Free Workplace Statement.

35. NO PERSONAL LIABILITY

No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent, or employee of Monroe County in his or her individual capacity, and no member, officer, agent, or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

36. EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

37. SECTION HEADINGS

Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

38. PUBLIC ENTITY CRIME STATEMENT

"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list."

39. MUTUAL REVIEW

This Agreement has been carefully reviewed by Contractor and the County. Therefore, this Agreement is not to be construed against either party on the basis of authorship.

40. INCORPORATION OF RFP DOCUMENTS

The terms and conditions of the RFP documents are incorporated by reference in this contract agreement.

41. ANNUAL APPROPRIATION

The County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Board of County Commissioners. In the event that the

County funds on which this Agreement is dependent are withdrawn, this Agreement is terminated and the County has no further obligation under the terms of this Agreement to the Contractor beyond that already incurred by the termination date.

42. COVENANT OF NO INTEREST

County and Contractor covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

43. AGREEMENTS WITH SUBCONTRACTORS

In the event that the Contractor subcontracts any or all of the work in this project to any third party, the Contractor specifically agrees to identify the County as an additional insured on all insurance policies required by the County. In addition, the Contractor specifically agrees that all agreements or contracts of any nature with his/her subcontractors shall include the County as an additional insured.

44. FEDERAL CONTRACT REQUIREMENTS

The CONTRACTOR and its subcontractors must follow the provisions, as applicable, as set forth in 2 C.F.R. §200.326 Contract provisions and Appendix II to 2 C.F.R. Part 200, as amended, including but not limited to:

44.1 **Davis-Bacon Act**, as amended (40 U.S.C. §§3141-3148). When required by Federal program legislation, which includes Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the COUNTY must place a current prevailing wage determination issued by the Department of Labor in each solicitation, a copy of which is attached hereto as **Exhibit "C"** and made a part hereof. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

When required by Federal program legislation, which includes Emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors, in contracts for construction or repair work above $2,000 in situations where the Davis-Bacon also applies, must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part

3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

(1) Contractor. The contractor shall comply with U.S.C. § 3145, and the requirements of 29 C.F.R. Part 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis-Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

44.2 **Contract Work Hours and Safety Standards Act** (40 U.S.C. §§3701-3708). Where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the COUNTY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard workweek is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions, which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work, which may require or involve the employment of

laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of 29 C.F.R. §5.5, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated Damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of 29 C.F.R. §5.5, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of 29 C.F.R. §5.5.

(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of 29 C.F.R. §5.5.

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in 29 C.F.R. §5.5, paragraphs (b)(1) through (4), and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in 29 C.F.R. §5.5, paragraphs (1) through (4).

44.3 **Rights to Inventions Made Under a Contract or Agreement.** If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

44.4 **Clean Air Act (42 U.S.C. §§7401-7671q.) and the Federal Water Pollution**

Control Act (33 U.S.C. §§1251-1387, as amended). Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act, as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA/Federal Agency and the appropriate Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. §§7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. §§1251-1387), as amended, applies to Contracts and subgrants of amounts in excess of $150,000. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA/Federal agency. The Contractor agrees to report each violation to the COUNTY, understands, and agrees that the COUNTY will, in turn, report each violation as required to assure notification to FEMA/Federal Agency and the appropriate EPA Regional Office.

44.5 **Debarment and Suspension (Executive Orders 12549 and 12689).** A contract award under a "covered transaction" (see 2 C.F.R. §180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. Part 180 that implement Executive Orders 12549 (3 C.F.R. part 1986 Comp., p. 189) and 12689 (3 C.F.R. part 1989 Comp., p. 235), "Debarment and Suspension" and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Nonprocurement Debarment and suspension). SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. Contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. §180.935) or its affiliates (defined at 2 C.F.R. §180.905) are excluded (defined at 2 C.F.R. §180.940) or disqualified (defined at 2 C.F.R. §180.935). The Contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Bidders or Proposers agree to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The Bidder or Proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

44.6 **Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).** Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from

tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency. If award exceeds $100,000, the certification, attached hereto as **Exhibit "D"** and made a part hereof, must be signed and submitted by the CONTRACTOR to the COUNTY.)

44.7 **Compliance with Procurement of Recovered Materials as set forth in 2 C.F.R. § 200.322.** CONTRACTOR must comply with Section 6002 of the Solid Waste Disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired —

1. Competitively within a timeframe providing for compliance with the contract performance schedule;

2. Meeting contract performance requirements; or

3. At a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines website, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program.The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

44.8 **Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment as set forth in 2 C.F.R. § 200.216.** Recipients and subrecipients and their contractors and subcontractors may not obligate or expend any federal funds to **(1)** Procure or obtain; **(2)** Extend or renew a contract to procure or obtain; or **(3)** Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).
(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

44.9 **Domestic Preference for Procurements as set forth in 2 C.F.R. §200.322.** The COUNTY and CONTRACTOR should, to the great extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). These requirements of this section must be included in all subawards including contracts and purchase orders for work or products under federal award. For purposes of this section:

"Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

44.10 **Americans with Disabilities Act of 1990, as amended (ADA).** The CONTRACTOR will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the CONTRACTOR pursuant thereto.

44.11 **Disadvantaged Business Enterprise (DBE) Policy and Obligation.** It is the policy of the COUNTY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with COUNTY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The COUNTY and its CONTRACTOR agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The COUNTY and the CONTRACTOR and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

A. If the CONTRACTOR, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the CONTRACTOR shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

B. Affirmative steps must include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(2) Assuring that small and minority businesses, and women's business enterprises

are solicited whenever they are potential sources;

(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

(6) Requiring the Prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

OTHER FEDERAL AND/OR FEMA REQUIREMENTS (as applicable)

44.12 Access to Records. Contractor/Consultant and their successors, transferees, assignees, and subcontractors acknowledge and agree to comply with applicable provisions governing the Department of Homeland Security (DHS) and the Federal Emergency Management Agency's (FEMA) access to records, accounts, documents, information, facilities, and staff. Contractors/Consultants must: (1) Cooperate with any compliance review or complaint investigation conducted by DHS; (2) Give DHS access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance; (3) Submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.

44.13 DHS Seal, Logo, and Flags. Contractor shall not use the Department of Homeland Security seal(s), logos, crests, or reproduction of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Contractor shall include this provision in any subcontracts.

44.14 Changes to Contract. The Contractor understands and agrees that any cost resulting from a change or modification, change order, or constructive change of the agreement must be within the scope of any Federal grant or cooperative agreement that may fund this Project and be reasonable for the completion of the Project. Any contract change or modification, change order or constructive change must be approved in writing by both the County and Contractor.

44.15 Compliance with Federal Law, Regulations, and Executive Orders. This is an acknowledgement that FEMA financial assistance may be used to fund all or a portion of the contract. The Contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

44.16 No Obligation by Federal Government. The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the COUNTY/non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

44.17 Program Fraud and False or Fraudulent Statements or Related Acts. The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False

Claims and Statements) applies to the contractor's actions pertaining to this contract.

44.18 **E-Verify System** – Beginning January 1, 2021, in accordance with Fla. Stat., Sec. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's **E-Verify system** to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of Fla. Stat., Sec. 448.095.

44.19 If this Agreement is funded by the Florida Department of Emergency Management (FDEM), the Contractor will be bound by the terms and conditions of any applicable Federally-Funded Sub-Award and Grant Agreement between the County and the Florida Division of Emergency Management (Division).

44.20 If applicable, the Contractor shall hold the Division and County harmless against all claims of whatever nature arising out of the Contractor's performance of work under this Agreement, to the extent allowed and required by law.

45. UNCONTROLLABLE CIRCUMSTANCE

Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project;(each, a "Uncontrollable Circumstance"). CONTRACTOR'S financial inability to perform, changes in cost or availability of materials, components, or services, market conditions, or supplier actions or contract disputes will not excuse performance by Contractor under this Section. Contractor shall give County written notice within 7 days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, and the anticipated duration of such Uncontrollable Circumstance. Contractor shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional cost as a result of an Uncontrollable Circumstance. The Contractor may only seek a no cost Amendment for such reasonable time as the Owners Representative may determine.

46. ENTIRE AGREEMENT

This writing embodies the entire agreement and understanding between the parties hereto, and there are no other agreements and understandings, oral or written, with reference to the subject matter hereof that are not merged herein and superseded hereby. Any amendment to this Agreement shall be in writing, approved by the Board of County Commissioners, and signed by both parties before it becomes effective.

47. FINAL UNDERSTANDING

This Agreement is the parties' final mutual understanding. It replaces any earlier agreements or understandings, whether written or oral. This Agreement cannot be modified or replaced except by another written and signed agreement.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]
[SIGNATURE PAGE TO FOLLOW]

IN WITNESS WHEREOF, COUNTY and CONTRACTOR hereto have executed this Agreement on the day and year first written above in one (1) counterpart, each of which shall, without proof or accounting for other counterparts, be deemed an original contract.

EXHIBIT “A”

SCOPE OF WORK

EXHIBIT "A"

SCOPE OF WORK

Specifications and Payments to Contractor:

The Contractor shall hold a current Florida License, in compliance with Fla. Stat. Secs. 633.318, 633.521, and FAC 69A-46: Fire Protection Systems Contractor and Water Based Inspector. The Contractor shall be available twenty-four (24) hours per day, three hundred sixty-five (365) days per year. The Contractor shall be at the site of the Fire Protection System malfunction within five (5) hours of verbal, email, or text notification by the County. The Contractor shall provide an after-hours contact person and phone number. The County, upon award of the contract, shall provide a contact person and phone number for building and equipment access.

Bid prices shall include a complete program including inspection, testing, maintenance, and repairs in accordance with all guidelines issued per the adopted FPC - Florida Fire Prevention Code, 7th Ed. 2020, by reference NFPA 25, 2020 Ed. (FFPC adopted F.S. Sec. 633.202 and FAC 69A-3.012 for the fire suppression sprinkler systems including associated piping and equipment at the facilities listed in the Scope of Work below.

Total Service Coverage. Contractor is to provide all parts, tools, labor, accommodations, and transportation required to provide for the inspection, testing, maintenance, and repairs per NFPA 25, and schedules as well as keeping the equipment in proper operating condition to protect against unpredictable repair expenditures as well as ensure reliability and efficiency. Note: No oral interpretations will be made by the Contractor as to the meaning of referenced NFPA 25 documents. Contractor shall request interpretations through the Monroe County Contract Monitor. Monroe County Fire Marshal or his / her designee shall provide in writing formal code interpretations.

1. **The Contractor shall provide Facilities Maintenance and the Monroe County Fire Marshal with the annual inspection schedule.**
2. **The Contractor shall coordinate all inspections with Facilities Maintenance, Monroe County Fire Marshal, and the County's current Contractor for its Fire and Panic Alarm Annual Certification, Maintenance, and Monitoring of the County's systems. The Contractor and the County's Fire and Panic Alarm Contractor shall coordinate placing the systems in a "Test" mode during any inspections.**
3. **The Contractor shall document each on-site service call or inspection and furnish the Contract Monitor with a copy showing time in and out, date, and a brief description of activity. Work orders for on-site system preventative maintenance will list the inspection date, individual to report to, equipment identification, equipment location, work to be performed, and any special instructions. Additionally, an electronic copy of all annual inspections shall be sent to the Monroe County Fire Marshal.**
4. **The Contractor shall include written findings, corrective actions, and recommendations within the Quarterly Inspection Reports. Whenever**

permitting and/or engineering services are required for repairs/replacements, the Contractor shall submit to the County the Contractor's actual certified documented costs for such services and shall invoice the County for reimbursement of only such cost.

5. **All documentation shall be submitted by the Contractor to the Monroe County Contract Monitor with the Contractor's invoice for payment.**

The County shall pay the actual cost of parts and materials, excluding freight, equipment rental, tax amounts, and services supplied by others purchased from the manufacturer, plus fifteen percent (15%), to fulfill the obligations of the Contract. Freight, equipment rental, tax amounts, and services supplied by others shall be reimbursed for amounts charged. A manufacturer's invoice must accompany all requests for payment. Freight invoices must accompany all orders that require shipping or transportation of parts, whether the part is under warranty or not.

Contractor shall submit to County invoices no later than twenty-five (25) days after inspections/repairs with supporting documentation acceptable to the Clerk. Five Year, Annual, Semi-Annual, and Quarterly inspections shall be submitted in arrears with supporting reports. If any major deficiencies are found, the County must be notified in writing within forty-eight (48) hours, otherwise reports must be submitted within fifteen (15) days of inspection date. Contractor shall submit to the County repair invoices with supporting documentation acceptable to the Clerk, at completion by the Contractor of the repair and said work approved by an appropriate County representative, to be paid at the earliest date possible following completion of the repair. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the Clerk's disbursal of funds. Monroe County's Fiscal Year is October 1st through September 30th. All outstanding invoices must be submitted for payment within ten (10) days of the end of the Fiscal Year to avoid non-payment for those services.

Major Component Failure or System Breakdown

In the event of a major component failure or system breakdown, the County shall have the option to request from the Contractor only, a proposal/quote for replacement equipment in an amount that could exceed Five Thousand and 00/100 Dollars ($5,000.00). Any proposal over Five Thousand and 00/100 ($5,000.00) Dollars, up to and including Ten Thousand and 00/100 ($10,000.00) Dollars, must be approved and signed by the Division Director and/or the County Administrator. Any proposal over Ten Thousand and 00/100 ($10,000.00) Dollars, up to and including Forty-nine Thousand Nine Hundred Ninety-nine and 00/100 ($49,999.99) Dollars, must be approved and signed by the Division Director and the County Administrator.

Scope of Work:

The Contractor will provide all labor, supervision, equipment, parts, tools, transportation, services, and incidentals and supplies for Fire Protection Systems Preventive Maintenance, Repair, and Emergency Service Calls for various buildings located in the Upper, Middle, and Lower Keys.

1. **Requirements of Contractor**

a) Perform one, five (5) year inspection test, one (1) annual inspection and flow test of the Fire Pump, one (1) semi-annual and two (2) quarterly fire sprinkler system inspections and testing per the latest edition of NFPA 25 at the following locations:

   a. Monroe County Detention Center
      5501 College Rd., Key West, FL 33040
   b. Harvey Government Center
      1200 Truman Ave., Key West, FL 33040
   c. Lester Building
      530 Whitehead St., Key West, FL 33040
   d. Monroe County Courthouse Annex/Old Jail
      502 Whitehead St., Key West, FL 33040
   e. Marathon Government Annex
      490 63rd St. Ocean, Marathon, FL 33050

DAVIS-BACON WAGES STATEMENT

EXHIBIT "C"

DAVIS-BACON WAGES STATEMENT

"General Decision Number: FL20210022 09/10/2021

Superseded General Decision Number: FL20200022

State: Florida

Construction Type: Building

County: Monroe County in Florida.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Under Executive Order (EO) 13658, an hourly minimum wage of $10.95 for calendar year 2021 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least $10.95 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2021. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available

at www.dol.gov/whd/govcontracts.

==========

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate

(weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can
be:

* an existing published wage determination
* a survey underlying a wage determination
* a Wage and Hour Division letter setting forth a position on a wage determination matter
* a conformance (additional classification and rate)ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator
(See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION"

EXHIBIT "D"

CERTIFICATION REGARDING LOBBYING

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

(To be submitted with each bid or offer exceeding $100,000)

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Gary's Plumbing and Fire, Inc certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of covered Federal action or a material change to previous filing pursuant to title 31 U.S.C. section 1352. The filing of a form is required for such payment or agreement to make payment to lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress an officer or employee of Congress or an employee of a Member of Congress in connection with a covered Federal action. Attach a continuation sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence, the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last, previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, state and zip code of the reporting entity. Include Congressional District if known. Check the appropriate classification of the reporting entity that designates if it is or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the first tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee" then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organization level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identification in item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the contract grant. or loan award number, the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitments for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.
    (b) Enter the full names of the individual(s) performing services and include full address if different from 10 (a). Enter Last Name, First Name and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (item 4) to the lobbying entity (item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate box. Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate box. Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed or will be expected to perform and the date(s) of any services rendered. Include all preparatory and related activity not just time spent in actual contact with Federal officials. Identify the Federal officer(s) or employee(s) contacted or the officer(s) employee(s) or Member(s) of Congress that were contacted.
15. Check whether or not a continuation sheet(s) is attached.
16. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including time for reviewing instruction, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project

90«ENDIF» 2-6d PART 2/COUNTY

DRUG-FREE WORKPLACE FORM

The undersigned vendor in accordance with Florida Statutes, Sec. 287.087, hereby certifies that:

_____

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under proposal a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under proposal, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

VENDOR CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS

Project Description(s): Full Maintenance Fire Protection Systems

Respondent Vendor Name: Gaey's Plumbing and Fire, Inc.

Vendor FEIN: 65-0335861

Vendor's Authorized Representative Name and Title: Gaey Centonze, President

Address: 6409 2ND Terrace #1;

City: Key West State: FL Zip: 33040

Phone Number: 305-296-6013

Email Address: gaeysplumbing1@aol.com

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of Respondent, I hereby certify that the company identified above in the Section entitled "Respondent Vendor Name" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or been engaged in business operations in Cuba or Syria.

Certified By: Gaey Centonze, who is authorized to sign on behalf of the above referenced company.

PROPOSER'S INSURANCE AND INDEMNIFICATION STATEMENT
INSURANCE REQUIREMENTS

Worker's Compensation Employers Liability	Statutory Limits $100,000 Bodily Injury by Accident $500,000 Bodily Injury by Disease Policy Limits $100,000 Bodily Injury by Disease, each employee
General Liability, including Premises Operations Products and Completed Operations Blanket Contractual Liability Personal Injury Liability	$500,000 Combined Single Limit
Vehicle Liability (Owned, non-owned, and hired vehicles)	$300,000 Combined Single Limit If split limits are preferred: $200,000 per Person $300,000 per Occurrence $200,000 Property Damage
Builder's Risk	Not Required
Performance Bond	Not Required

Hold Harmless, Indemnification, and Defense. Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, Contractor shall defend, indemnify, and hold the COUNTY and the COUNTY's elected and appointed officers and employees harmless from and against (i) any claims, actions, or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of Contractor or any of its employees, agents, contractors, or other invitees during the term of this Agreement, (B) the negligence or recklessness, intentional wrongful misconduct, errors or other wrongful act or omission of Contractor or any of its employees, agents, sub-contractors, or other invitees, or (C) Contractor's default in respect of any of the obligations that it undertakes under the terms of this Agreement, except to the extent the claims, actions, causes of action, litigation, proceedings, costs, or expenses arise from the intentional or sole negligent acts or omissions of the COUNTY or any of its employees, agents, contractors, or invitees (other than Contractor). The monetary limitation of liability under this contract shall be equal to the dollar value of the contract and not less than $1 million per occurrence pursuant to Fla. Stat., Sec, 725.06. The limits of liability shall be as set

forth in the insurance requirements included in this Section 00130. Insofar as the claims, actions, causes of action, litigation, proceedings, costs, or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the Contractor s failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the County by virtue of any deficiency or ambiguity in the plans and specifications provided by the Contractor, the Contractor agrees and warrants that the Contractor shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this AGREEMENT.

PROPOSER'S STATEMENT

I understand the insurance that will be mandatory if awarded the contract and will comply in full with all of the requirements herein. I fully accept the indemnification and hold harmless and duty to defend as set out in this proposal.

Gary's Plumbing and Fire, Inc.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Craig Cates, District 1
Mayor Pro Tem Holly Merrill Raschein, District 5
Michelle Lincoln, District 2
James K. Scholl, District 3
David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: F15
2023-1723

BULK ITEM: Yes

DEPARTMENT: Project Management

TIME APPROXIMATE:
n/a

STAFF CONTACT: Cary Knight

AGENDA ITEM WORDING: Report of monthly change orders for the month of October 2023, reviewed by the County Administrator/Assistant County Administrator.

ITEM BACKGROUND:

There were three (3) change orders considered and approved by the County Administrator/Assistant Administrator for the period beginning 10/01/2023 and ending 10/24/2023 (agenda deadline) for a total of $49,364.09.

There were no change order requests denied.

PREVIOUS RELEVANT BOCC ACTION:
On September 9, 1998, Ordinance No 027-1998 was adopted in order to provide that the County Administrator may approve separate, non-cumulative change orders for construction projects and professional service contracts in amounts not to exceed $50,000 (as amended per Ordinance No. 024-2015), or 5% of the original contract price, whichever is greater. The BOCC requested a monthly report of all change orders considered by the County Administrator.

MONROE COUNTY CONSTRUCTION PROJECT CHANGE ORDERS
CONSIDERED BY THE COUNTY ADMINISTRATOR'S OFFICE
FOR THE PERIOD 10/01/2023 – 10/24/2023 (agenda deadline)

PROJECT	CONTRACTOR	CO#	AMOUNT	DESCRIPTION	DATE CONSIDERED	CAUSE
Bayshore Manor Buildout for Supervisor of Elections	D.L. Porter Constructors, Inc.	4	$17,554.66	Revised flooring selection.	10/03/23*	Revised flooring including addition of moisture barrier, leveling and warranty.
Bayshore Manor Buildout for Supervisor of Elections	D.L. Porter Constructors, Inc.	5	$8,644.16	Additional roof repairs.	10/17/23*	The flat roof over the Supervisor of Elections office had leaks requiring reroofing. Additionally, repairs to exterior walls upon removal of old HVAC ductwork.
Marathon Professional Center Building Roof Replacement	Dan Enterprises Tean, LLC	1	$23,165.27	Additional damage to roof was identified upon demolition.	10/10/23*	Plywood sheathing and framing supports were deterioration and required repair. Also, increase in awning material cost due to color selection by County.
	Subtotal		**$49,364.09**		***** Approved	

TOTAL for October: $49,364.09

MONROE COUNTY/ENGINEERING/ PROJECT MANAGEMENT CONTRACT CHANGE ORDER

PROJECT TITLE:
Bayshore Manor Buildout for Supervisor of Elections

CHANGE ORDER NO: 04
INITIATION DATE: 09/12/2023
CONTRACT DATE: 05/17/2023

TO CONTRACTOR:
D. L. Porter Constructors, Inc.
6574 Palmer Park Circle
Sarasota, FL 34238

The Contract is changed as follows:

The original (Contract Sum) (Guaranteed Maximum Price).....	$ 846,747.00
Net change by previously authorized Change Orders.....	$ (54,051.50)
The (Contract Sum) (Guaranteed Maximum Price) prior to this Change order was.....	$ 792,695.50
The (Contract Sum) (Guaranteed Maximum Price) will be (increased) (decreased) (unchanged) by this Change Order.....	$ 17,554.66
The new (Contract Sum) (Guaranteed Maximum Price) including this Change Order is.	$ 810,250.16
The Contract Time will be (increased) (decreased) (unchanged) by.....	0 days
The date of Substantial Completion as of the date of this Change Order is	11/19/2023

Detailed description of change order and justification:
During construction it was agreed between Contractor, Facilities Department, and Project Management Department that the flooring approved in Change Order #1 would not be adequate as it would have an undesirable look and lead to future moisture issues with no warranty. Revised flooring includes addition of a moisture barrier, leveling, and flooring warranty in addition to floor demo already performed.

Change order is 2.1% of original contract price.

Not valid until signed by Owner, Engineer (if applicable), and Contractor

RESILIENT LVT/LVP - 15 YEAR COMMERCIAL LIMITED WARRANTY

Shaw Industries, Inc. ("the Company") warrants its resilient LVT, LVP, LVT/SPC hybrid, woven, and bio-based products under this Limited Commercial Warranty when used in the proper fit for use indoor commercial applications. The warranty belongs to you, the original end-use purchaser, and begins when you purchase the resilient and extends for the limited warranty period stated above. The basis of any warranty related claim is the original "Company" invoice or authorized "Company" dealer.

The resilient must be installed in accordance with the Company's installation guidelines and specifications. The product must be maintained in accordance with the Company's maintenance (resilient care) recommendations and such maintenance (resilient care) continues throughout the duration of the original installation. Damage resulting from a failure to follow installation and cleaning/maintenance guidelines will not be covered under this warranty. Installation guidelines, specifications, and resilient care recommendations can be obtained from your dealer. For additional information, please see the bottom of this page.

WHAT THE WARRANTY COVERS

Manufacturing Defects – The Company warrants that the resilient product will be free from manufacturing defects during the period of this warranty. Manufacturing defects include delamination, core voids, thickness variation, and dimensional stability defects. Dimensional stability related defects are defined as dimensional changes in the width and/or length of the product greater than the tolerances as defined in ASTM F2199. Thickness variation is defined as thickness exceeding the thickness tolerance as defined in ASTM F386.

Wear – The Company warrants, during the period of the warranty, wear due to normal foot traffic will not wear through to the pattern layer of the product.

WHAT CONDITIONS APPLY

For jobsite and floor preparation conditions, see product specific installation guidelines.

Any moisture related testing (i.e. relative humidity, pH, and calcium chloride) is not the responsibility of the Company and all issues related to moisture, including any resilient related issues, are excluded from this warranty. Chair floor protectors are recommended to inhibit premature wear of the surface of the resilient. Replacement resilient will come from current running-line products comparable to the warranted product.

For reference purposes only if printed or downloaded.

Your warranty does not cover the following: damage caused by improper installation and/or maintenance; differences in color between products and samples or photographs; problems arising from excessive moisture, alkali or water pressure from the sub floor; indentation from improper loading including heavy static loads, high heels, spiked shoes, rolling loads, chairs or other furniture not using floor protectors; telegraphing due to raised access floors or uneven subfloors; discoloration, surface scratches, changes in shading, texture and/or gloss during use; damage caused by chemically reactive material, dye, mold, stains, spillage, burns, gouges, scratches, indentations, floods, accidents, abuse or any harsh scouring pads while buffing; and/or damage due to U.V. light, thermal heat sources, or damage to the floor caused by exposure to temperatures above 100°F (38°C) or is exposed to temperatures below 55°F (13°C).

WARRANTY LIMITATIONS

Shaw products are not warranted against squeaking, popping or crackling. Some squeaking, popping, or crackling is possible when installed using floated methods.

WHAT IF YOU NEED WARRANTY SERVICE

You, the original purchaser, will contact your authorized Company Dealer and/or Sales Representative for warranty or claim service. Please provide a valid proof of purchase and a detailed description of the issue, along with photographs showing the concern. Samples should be submitted for testing when available.

Dealers/Shaw Sales Representatives will file a claim via www.shawnow.com and submit the information you provided. A Shaw claims representative will thoroughly evaluate your claim.

Claims contact information: Shaw Industries Financial Services, PO Box 2128, Dalton, GA 30722 - 1-800-257-7429.

WHAT WE WILL DO

Should a defect covered under this warranty be found, the affected area will be repaired to conform to the warranty. If repair is not commercially practical, the Company may, at its sole option, replace the affected resilient or refund the proportional purchase price for the affected area. The Company will pay the reasonable costs for freight and labor. Any costs incurred for the moving of equipment, furnishings, partitions and the like, that were installed over the commercial product, will be at the consumer's expense.

For reference purposes only if printed or downloaded.

NOTE: The warranty is not transferable. It extends only to the original end use purchaser. Shaw Industries Inc. does not grant to any person or entity the authority to create for it any obligation or liability in connection with this product. Shaw Industries Inc. shall not be liable to the consumer or any other person or entity for any incidental, special or consequential damages, arising out of breach of this limited warranty or any implied limited warranty (excluding merchantability).

All implied warranties, including an implied warranty of merchantability or fitness for a particular purpose, are hereby limited to the duration of this limited warranty. Some states do not allow the exclusion or limitation of implied warranties or the limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to the purchaser. This warranty gives the purchaser specific legal rights, such rights may vary from State to State.

For reference purposes only if printed or downloaded.

MONROE COUNTY/ENGINEERING/ PROJECT MANAGEMENT
CONTRACT CHANGE ORDER

PROJECT TITLE:
Bayshore Manor Buildout for Supervisor of Elections

CHANGE ORDER NO: 05
INITIATION DATE: 10/09/2023
CONTRACT DATE: 05/17/2023

TO CONTRACTOR:
D. L. Porter Constructors, Inc.
6574 Palmer Park Circle
Sarasota, FL 34238

The Contract is changed as follows:

The original (Contract Sum) (Guaranteed Maximum Price).....	$ 846,747.00
Net change by previously authorized Change Orders.....	$ (36,496.84)
The (Contract Sum) (Guaranteed Maximum Price) prior to this Change order was.....	$ 810,250.16
The (Contract Sum) (Guaranteed Maximum Price) will be (increased) (decreased) (unchanged) by this Change Order.....	$ 8,644.16
The new (Contract Sum) (Guaranteed Maximum Price) including this Change Order is.	$ 818,894.32
The Contract Time will be (increased) (decreased) (unchanged) by.....	0 days
The date of Substantial Completion as of the date of this Change Order is	11/19/2023

Detailed description of change order and justification:
During recent heavy rains, the flat roof over the Supervisor of Elections office proved to be inadequate with leaks and ponding water. Additionally, exterior penetrating HVAC ducting was removed leaving patches in the old flat roof. Reroofing with slope is necessary to prevent future leaks.

Change order is 1.02% of original contract price.

Not valid until signed by Owner, Engineer (if applicable), and Contractor

ENGINEER:
Reynolds Engineering Services, Inc. Date 10/12/2023

CONTRACTOR:

The date of Substantial Completion as of the date of this Change Order is.....		10/08/2023

Detailed description of change order and justification:
Following selective demolition of the first and second floor mansard roof (decorative awnings), it was determined that plywood sheathing and framing supports were deteriorated and required replacement and/or repair. Additionally, the color of the decorative awnings was not specified at time of design. Awning color selection resulted in a material price increase.

A Notice to Proceed was issued in July, ahead of a late August mobilization, to allow for material procurement to expedite the construction timeline. As such, Substantial Completion has been extended by 45 days from 8/24/2023, to 10/08/2023 to allow enough time for construction activities to complete.

Change order is 12.3% of original contract price.

Not valid until signed by Owner, Engineer (if applicable), and Contractor

Board of County Commissioners
RFP – Marathon Professional Center Building Roof Replacement
Att. Jordan Salinger

Dear Jordan,

In the hope that you are well, we are writing to you in order to submit Change Order #1 for the following:

Our Company Dan Enterprises Team LLC is requesting an extension of time from the original contract time due to the following reasons:

1) Keep working on the punch list.
2) The temporary impossibility of performing the work due to rainy weather.

The time extension will be at no cost to the County. The contracted time will increase by 45 days after the original contract expiration date.

Our company Dan Enterprises Team LLC is requesting an increase in the original scope of work due to all the unexpected damage to the roof according to the following descriptions:

ITEM	CHANGE ORDER ITEMS	$ PRICE	QUANTITY	MEASUREMENT	$ TOTAL ADDITIONS
1	Upper Mansard Roof (Labor)	120	3	SQ	$360.00
2	Upper Mansard Roof (Material: Plywood)	140	12	SHEET	$1,680.00
3	Botton Mansard Roof (Labor)	120	10	SQ	$1,200.00
4	Botton Mansard Roof (Material: Plywood)	140	40	SHEET	$5,600.00
5	Trust Repair	8.5	250	LF	$2,125.00
6	Metal color upgrade	4,789.03	1	EA	$4,789.03
7	Additional Manlift (Rent)	368	6	DAY	$2,205.00
8	Additional Dumpster (Rent)	1,602.48	1	EA	$1,602.48
9	Sofit Plywood	45.00	80	LF	$3,600.00
					$23,165.27

Total Sub-Contractor Change Order by Dream Team Roofing: $22,062.17 (Invoice attached)
Total General Contractor Change Order by Dan Enterprises Team, LLC: $23,165.27 (5% Markup / $1,103.10)

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: F16
2023-1724

BULK ITEM: Yes

DEPARTMENT: Facilities Maintenance

TIME APPROXIMATE:
N/A

STAFF CONTACT: Willie DeSantis

AGENDA ITEM WORDING: Approval of a Proposed Project with Siemens Industry, Inc., as a Sole Source provider for testing, certification, and maintenance of Fire Alarm, Smoke Control, and Building Automation Systems in Monroe County facilities, to perform under its current contract to provide Fire Alarm Control Unit Upgrades on certain equipment at the Monroe County Detention Center in Key West. American Rescue Plan Act Funding (ARPA) will be utilized for these upgrades in the anticipated amount of $319,627.33.

ITEM BACKGROUND:

Siemens Industry, Inc. (Siemens), as a sole source provider, provides for the testing, certification, and maintenance of the fire alarm system, building automation system, and smoke control system of the Corrections' facilities and other County owned buildings under a contract approved by the Board on April 20, 2022. Siemens provides its services on the new Desigo systems which were installed under a May 2020 Siemens' Agreement. The Sole Source Agreement has an initial term of three (3) years which commenced on October 1, 2021, and terminates on September 30, 2024, with three (3) optional one-year renewals. The contract amount for the first year for the testing, certification, and maintenance services was $239,000.00, plus repairs. The Agreement provides for an annual price adjustment which shall be the annual CPI-U of the previous year as of December 31 or a 5.5% increase, whichever is lower.

On October 19, 2022, the BOCC approved a First Amendment for an increase of 5.5%, which was less than the CPI-U of 7% on December 31, 2022. The contract amount for the second year of services shall be $252,145.00, plus repairs, with this price increase as of October 1, 2022. The First Amendment also updated one Federal contract provision by including an Energy Efficiency clause. On September 20, 2023, the BOCC approved a Second Amendment increasing the contract amount by 5.5%.

Certain Monroe County facilities need the automation system Controls upgraded to eliminate numerous ongoing issues that have been occurring since certain systems are not compatible in their current configuration with the new Siemens system. In this agenda item, Staff is requesting approval of a Proposed Project to allow Siemens, as the Sole Source provider for Building Automation, to make some

additional equipment upgrades. Siemens has provided a Controls Upgrade Proposal for equipment at the Monroe County Detention Center in Key West as shown in the attached Proposal. It is anticipated that the upgrades for the Project Proposal will be an expenditure in the amount of $319,627.33. The current Agreement does not have a provision allowing for such an expenditure without BOCC approval. Funding has become available for these upgrades from the American Rescue Plan Act Funds (ARPA-06068).

PREVIOUS RELEVANT BOCC ACTION:

September 20, 2023 BOCC approved a Third Amendment to Agreement with Siemens increasing contract payment amounts by a CPI-U increase of 5.5%.

March 22, 2023 BOCC approved a Second Amendment, to perform under its current contract to provide Control Upgrades on certain equipment at Jackson Square and Key West Library and to update contract provisions to comply with Federal, State or County contract provisions as well as the ARPA Funding Agreement. American Rescue Plan Act Funding (ARPA) will be utilized for these upgrades.

October 19, 2022 BOCC approved a First Amendment to Agreement for an increase of five and five-tenths percent (5.5%), which is less than the aforementioned CPI-U of 7%. The contract amount for the second year for the testing, certification, and maintenance services shall be $252,145.00, plus repairs, with this price increase retroactive to October 1, 2022.

April 20, 2022 BOCC approved a negotiated Agreement with Siemens Industry, Inc. as a Sole Source provider for testing, certification, and maintenance of Fire Alarm, Smoke Control, and Building Automation Systems on Monroe County facilities.

April 21, 2021 BOCC approved a month-to-month renewal agreement with Siemens Industry, Inc. pending negotiations to take place with Siemens until a satisfactory Sole Source agreement was achieved and then for it to be approved by the BOCC.

March 17, 2021 BOCC approved a request for a waiver of the Monroe County Purchasing Policy provisions to designate Siemens Industry, Inc. as a Sole Source Provider so that the expiring Contract with Siemens Industry, Inc. could be negotiated and renewed as a sole source contract.

May 20, 2020 BOCC approved the replacement of the existing, no longer supported Environmental Building Management Systems (EBMS) with a Desigo Enterprise BMS for the amount of $237,583.06 allowing the County to monitor additional sites remotely and locally in a unified system. This replaces obsolete systems in critical facilities.

CONTRACT/AGREEMENT CHANGES:

Approval of a Project Proposal in the anticipated amount of $319,627.33 with Siemens Industry, Inc. as a Sole Source provider, to provide the fire alarm material and installation, along with the engineering, project management, and technical support for the upgrade of the Fire Alarm Control Unit and Field initiating devices for the Monroe County Detention Center.

STAFF RECOMMENDATION: Approval

DOCUMENTATION:

SIEMENS

Scope of Work

This is a Project Proposal providing the fire alarm material, installation along with the engineering, project management and technical support for the upgrade of the Fire alarm control unit and Field initiating devices. Upon acceptance of this proposal, Siemens will assign a dedicated project manager who will be your main point of contact for the duration on this project.

A project schedule was not available at the time of the bid and so this scope is based on an assumed project duration time of approximately 220 days.

- Siemens will provide shop drawings that indicate the devices listed in plans specified.
- Siemens will provide parts and technical labor as detailed below for the fire alarm system at this facility.
- Siemens will update the Firmware/hardware on the CPU to the latest Desigo Modular
- Siemens will replace the loop controller cards to latest XDLC loop controllers
- Siemens will replace initiating field devices
- Siemens will set the addresses of initiating devices prior to installation.
- Siemens will provide labor to certify the functionality of the devices after job is completed.
- Siemens will provide tech labor for AHJ final acceptance test (Not to exceed 10 days = 80 hours)

SIEMENS

Exceptions and/or Clarifications:

- Siemens is not responsible for the design of this project. Additional devices may be deemed necessary and could result in additional cost.
- Any AHJ required additional equipment or system upgrades are not included in this proposal and will come at an additional charge.
- Existing Notification devices and power boosters will be reused
- All conduit, J boxes, pull boxes, and raceways to be reused
- In applications where the existing system is being modified, new strobes may not sync with the existing strobes. If synchronization with existing strobes this will come with an additional cost.
- Any additional device required, will be quoted at an additional cost.
- Please note the turnaround time for drawing is usually 4 to 8 weeks at a minimum.
- Please note customer to provide us with CAD files and pdf drawing with exact location of devices if none could be sourced internally.
- This proposal assumes a project timeline start date of 01/01/2024 and completion date of 11/15/2024, any delays outside of included project scope will be handled and billed separately or processed via proposed change order
- All contracts with a total value of less than $25,000 will be invoiced per the following schedule.
  o 20% mobilization
  o 55% Upon receipt of material to local Siemens Office
  o 25% final payment upon project completion
  All projects between $25,000 and $250,000 will have a 20% mobilization invoice and then progress invoices.
  All projects over $250,000 will have a mobilization invoice of 10% and then monthly progress invoices.

SIEMENS

THIS PROPOSAL IS BASED UPON ONLY THOSE ITEMS DENOTED BY "[X]":

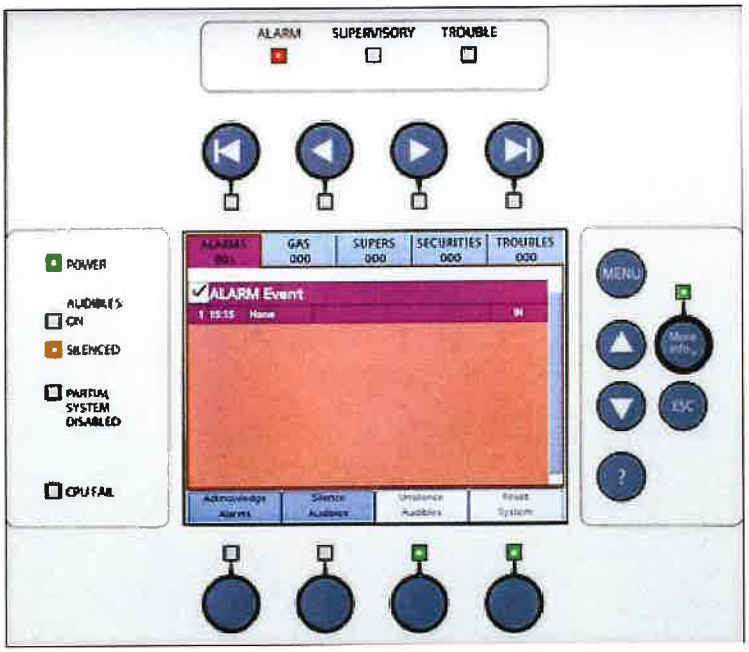
[] Specification section: NONE
[X] Information from plans dated 07/25/2013 and prepared by *Fire Line Engineering Inc*
[X] No typical drawings or references where used on this proposal. Project Referenced 44OP-129619
[] Up to and including addendum: NONE
[] Customer provided bill of material
[] Verbal request
[] Value engineering
[] Design Build
[] Time and Material

THIS QUOTATION INCLUDES ONLY THOSE ITEMS DENOTED BY "[X]":

[X] Equipment as listed
[X] Removal of existing initiating devices being replaced
[] Freight (F.O.B. shipping point)
[X] Shop Drawings
[X] Submittal Data Sheets
[X] Operation & Maintenance Manuals
[x] PE Sealed Drawings
[X] Panel/Device (Initiating) terminations
[X] Permit
[] Inspection Fees
[] Payment/Performance Bonds
[X] 1 functional system certification test
[X] 10 days of AHJ acceptance testing
[] 1 10% Re-Test
[X] 2 Hours of operation and maintenance training
[] Close out documentation
[] Interface to non- Siemens provided equipment i.e.: HVAC and elevator
[X] One year standard warranty new parts only
[] Monitoring
[] AHCA Inspection
[] UL Certification

THIS QUOTATION DOES NOT INCLUDE THE FOLLOWING:

- Phased Checkout
- Raceway or standard electric boxes
- 120vac power
- Fire protection switches or gas solenoids
- Phone lines
- Remote station monitoring contract (available upon request)
- Knox box
- Cutting, drilling, patching, fire caulking or painting
- Interface to non- Siemens provided equipment i.e.: HVAC and elevator
- Fire watch
- Ethernet or IP drops
- Weatherproof and conditioned control equipment housing
- No asbestos abatement is identified, expected or included in this contract. All policies and procedures referenced in the specification will be followed as required.
- No Lead paint abatement is identified, expected or included in this contract. All policies and procedures referenced in the specification will be followed as required.
- Cost for CAD files
- Terminations of 3rd Party equipment
- Overtime
- BDA
- CI Cable
- Cloud App Subscription service fee
- Smoke Control Testing/Recertification



It is Siemens understanding that these drawings and specifications represent the work to be accomplished in its entirety and no additional work or materials is expected or required. This quote covers direct costs only and we reserve the right to claim for impact and consequential costs.

ADDITIONAL NOTES:
If Siemens is awarded this project we will need:

- A complete set of bid documents including specifications and any addendums
- An electronic CAD file in AutoCAD shall be sent to us or mailed to the branch address on this quote.
- For all part please contact [your PM]
- For programming and testing please contact [your PM]
- A complete schedule
- A copy of the "Notice of Commitment"
- Your P.O. or contract will need to reference this proposal # and amount. This proposal and its terms and condition shall take precedence. Your Purchase Order or contact is subject to review and must be mutually agreeable.
- Siemens reserves the right to change any of the equipment as required to meet the intent of the project and the requirements of the owner.
- Should you have any questions with this quotation, or you desire a different scope of work please contact me.
- Quotation is valid for a period of 60 days only unless modified in writing by Siemens
- All work is to be performed during normal Siemens hours of 8am to 5pm Monday through Friday with the exception of company sponsored holidays unless specifically noted otherwise.
- We reserve the right to correct this quote for errors and omissions.
- As stated above, Siemens will perform the work pursuant to the attached Terms and Conditions. Should the parties fail to execute a mutually agreeable definitive agreement, all work performed by Siemens on or related to the above captioned project (with the exception of any monitoring services anticipated, which will only be performed pursuant to the unaltered terms and conditions of Siemens standard Monitoring Agreement) will be performed pursuant to the attached Terms and Conditions.

Advantages of Modernizing with Desigo Fire Safety Modular

The Desigo Fire Safety Modular family gives you everything you need to ensure code compliance, continuity of communications, and a smart investment. With more power, more flexibility, greater capacities, and a high performance full-color user interface—the fastest, most intelligent fire safety system available offers premium features and options that address the needs of today while remaining ready for the future. Facilities of all sizes can take advantage of faster processor speeds and state-of-the-art features which define the Desigo Fire Safety Modular. The Desigo Fire Safety Modular head-end features a large, hi-resolution 6" Color LED screen and intelligence programmed into the system. With larger text, intuitive prompts, and clear graphics, both first responders and maintenance personnel will find it easy to read and operate.

The Desigo Fire Safety Modular interface includes:

- Premier panel for complex applications such as a campus or high-rise
- Fast processing speed enables voice smoke control and fire alarm in a single node
- Compatible with a wide range of detectors and devices including Siemens high performance **ASA***technology™* with or without CO as well as traditional cost-competitive detectors and I/O modules with built-in isolation
- High-level interface fully integrates with intelligent VESDA detectors offering a competitive detection solution for datacenters and clean rooms
- Sophisticated Operator Interface with color-coded events provides at-a-glance insight to the nature of the alarm
- 8-Channel audio system supporting 300 digital messages that exceeds government and Mass Notification System (MNS) specifications
- Practical migration path from MXL creates cost-effective solution for modernizing older nodes
- True ring topology for survivability and reduced wiring cost

SIEMENS

Commodity Price Clause

Availability and Cost of Steel, Plastics and Other Commodities

This contract includes a price for the purchase of steel products or products made from plastics or other commodities. Customer hereby agrees and acknowledges that the price and availability of steel, plastics and other commodities is particularly volatile and unpredictable and that because of factors beyond the control of Siemens, it may be difficult or nearly impossible for to acquire steel products and products made from plastics or other commodities. Therefore, Customer agrees that Siemens shall not be responsible for failure to provide services, deliver products, or otherwise perform on the contract due to the lack of available steel products or products made from plastics or other commodities.

In the event Siemens is unable, after reasonable commercial efforts, to acquire and provide steel or steel products, or products made from plastics or other commodities, if required for this project, the Customer hereby agrees that Siemens may terminate the agreement, or the relevant portion of the Agreement, at no additional cost and without penalty. Customer agrees to pay Siemens in full for all work performed up to the time of any such termination.

If Siemens is able to obtain the steel products or products made from plastics or other commodities, but the price of any of the products has increased by more than 10% from the date of the bid, proposal or the date Siemens signed the contract, whichever occurred first, then Siemens may pass through that increase under the contract through a reasonable price increase to reflect the increased cost of material.

DESIGNATED INSURED FOR COVERED AUTOS LIABILITY COVERAGE

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by this endorsement.

This endorsement identifies person(s) or organization(s) who are "insureds" for Covered Autos Liability Coverage under the Who Is An Insured provision of the Coverage Form. This endorsement does not alter coverage provided in the Coverage Form.

SCHEDULE

Name Of Person(s) Or Organization(s):

ANY PERSON OR ORGANIZATION WHOM YOU HAVE AGREED TO ADD AS ADDITIONAL INSURED, BUT ONLY TO COVERAGE AND MINIMUM LIMITS REQUIRED IN A WRITTEN CONTRACT

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Each person or organization shown in the Schedule is an "insured" for Covered Autos Liability Coverage, but only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Paragraph **A.1.** of Section **II** – Covered Autos Liability Coverage in the Business Auto and Motor Carrier Coverage Forms and Paragraph **D.2.** of Section **I** – Covered Autos Coverages of the Auto Dealers Coverage Form.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET WAIVER OF SUBROGATION

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM
GARAGE COVERAGE FORM
MOTOR CARRIER COVERAGE FORM
TRUCKERS COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

Paragraph **5. Transfer of Rights Of Recovery Against Others To Us** of the CONDITIONS section is replaced by the following:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of the operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

This Endorsement Changes The Policy. Please Read It Carefully.

BLANKET ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

Commercial General Liability Coverage Form

Who is an Insured is amended to include as an additional insured any person whom you are required to add as an additional insured on this policy under a written agreement, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by: 1. Your acts or omissions; or 2. The acts or omissions of those acting on your behalf. The insurance coverage provided to such additional insured applies only to the extent required within the written agreement.

The insurance coverage provided to the additional insured person shall not provide any broader coverage than you are required to provide to the additional insured person in the written agreement and shall not provide limits of insurance that exceed the lower of the Limits of Insurance provided to you in this policy, or the limits of insurance you are required to provide in the written agreement.

The insurance provided to the additional insured by this endorsement is excess over any valid and collectible other insurance, whether primary, excess, contingent, or on any other basis, that is available to the additional insured for a loss we cover under this endorsement. However, if the written agreement specifically requires that this insurance apply on a primary basis, this insurance is primary. If the written agreement specifically requires this insurance apply on a primary and non-contributory basis this insurance is primary to other insurance available to the additional insured and we will not share with that other insurance.

This endorsement shall prevail over additional insured endorsements that may apply under this policy unless required otherwise in the written agreement.

T P. O'Neill

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: F17
2023-1099

BULK ITEM: Yes

DEPARTMENT: Facilities Maintenance

TIME APPROXIMATE:
N/A

STAFF CONTACT: Willie Desantis

AGENDA ITEM WORDING:

Approval of a 20 year Lease Agreement with Key West Art and Historical Society, Inc. (KWAHS) for the East Martello and the required implementing Resolution. The lease updates all terms and conditions and includes renewal provisions under terms and conditions subject to the approval of the Board of County Commissioners.

ITEM BACKGROUND:

The Key West Art and Historical Society, Inc. (KWAHS) leases Fort East Martello from the County under an original Lease dated April 8, 1998. The Lease provides for use of the premises as a historical museum and art gallery. Fundraising activities give KWAHS the ability to raise revenue needed for routine maintenance on the property and potential capital improvements. The original Lease term was for twenty (20) years, and it expired on April 7, 2018. A First Amendment was approved on August 20, 2014, allowing fundraising activities by KWAHS. On March 21, 2018, the BOCC approved a Second Amendment for an extension of the initial term on a month-to-month basis while a new lease was negotiated and increased the insurance requirements.

KWAHS has proven to be a good steward of the Fort East Martello property and desires to extend its Lease. Fla. Stat. Sec. 125.38 would permit the County to enter into a new lease with KWAHS without the need to advertise seeking any other potential tenants if the property is not needed for other County purposes. Pursuant to Fla. Stat. Sec. 125.38, the BOCC must approve a Resolution setting forth findings as to the purpose for the use, the price or rent, and that KWAHS has requested such use. KWAHS has made a request to continue its use of the Fort East Martello property. The parties have now negotiated a new Lease for an initial term of twenty (20) years commencing December 1, 2023, and terminating November 30, 2043, which also provides for four (4) optional five-year renewals under terms and conditions agreed upon at that time. The rental amount will be $1.00 per year with the initial twenty years' rental amount due upon execution and delivery of the Lease. KWAHS will be responsible for routine maintenance, with the County retaining its discretion to also do maintenance, restoration or repairs, and both the County and KWAHS may make capital improvements pursuant to the terms of the

Lease. Any particular fundraising efforts or grants awarded to KWAHS for an identified capital improvement project must be placed into a restricted account for use only at this location and for that specific purpose. KWAHS will be required to update the BOCC in November annually as to the condition of the property, its improvement projects, programming, report on its revenue and expenses, and other such information. The new Lease also updates County terms and laws, insurance requirements, historic property considerations, and other such provisions.

Staff seeks approval of the new multi-year Lease Agreement with KWAHS and approval of the accompanying Resolution pursuant to Fla. Stat. Sec. 125.38.

PREVIOUS RELEVANT BOCC ACTION:

March 21, 2018 BOCC approved the Second Amendment on an extension of the lease on a month-to-month basis pending the negotiations and execution of a of a new multi-year lease and revised insurance requirements.

August 20, 2014 BOCC approved the First Amendment to allow fundraising activities by KWAHS.

August 8, 2000 Quitclaim Deed from the United States of America, acting by the Secretary of the Navy, Southern Division, Naval Facilities Engineering Command as Grantor to the Monroe County Board of County Commissioners as Grantee, which conveyed the East Martello Battery property to the County.

April 8, 1998 BOCC approved the original Lease for a twenty (20) year term commencing April 8, 1998, and terminating on April 7, 2018.

CONTRACT/AGREEMENT CHANGES:
New multi-year Lease for the property. Lessee will be responsible for maintenance and capital improvements with annual reporting requirements. County at its discretion may also provide for maintenance, repairs, and capital improvements.

RESOLUTION NO. _____ -2023

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, APPROVING A TWENTY (20) YEAR LEASE AGREEMENT BETWEEN THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AND THE KEY WEST ART AND HISTORICAL SOCIETY, INC. ("KWAHS"), A NOT FOR PROFIT ORGANIZATION, TO ENTER INTO A NEW LEASE OF COUNTY-OWNED LAND, LOCATED AT 3501 SOUTH ROOSEVELT BLVD., KEY WEST, FLORIDA, TO PROVIDE A MUSEUM AND ART GALLERY AND RELATED ACTIVITIES FOR THE LOCAL COMMUNITY AT THE FORT EAST MARTELLO; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Section 125.38, Florida Statutes, authorizes not for profit organizations organized for the purposes of promoting community interest and welfare who desire the use of real property owned by the County or its board of county commissioners that is not needed for other County purposes, to apply to the board of county commissioners to lease such property; and

WHEREAS, if the Board is satisfied the desired property is required for such use and is not needed for other purposes, the County may, by a duly adopted resolution of the Board, lease the property to the not for profit organization at a fixed price, whether nominal or otherwise, regardless of the value of the property, with no advertisement required; and

WHEREAS, pursuant to the Fla. Stat., Sec. 125.38, the adopted resolution must recite the fact that an application has been made, the purpose for which the leased property is to be used, the rent and terms of the lease; and

WHEREAS, in February 1965, the Key West Art and Historical Society, Inc., was officially incorporated as a Florida not for profit organization with a current mission to preserve the culture of the Florida Keys through exhibiting and displaying regional art, architecture and history for the purpose of educating the community and visiting public; and

WHEREAS, the County owns the premises described as 3501 South Roosevelt Blvd., Key West, Monroe County, Florida 33040, located on the outskirt of the Key West International Airport, with said property known as Fort East Martello, ("Property"), after having acquired said Property from the United States of America on August 8, 2000; and

WHEREAS, the County and KWAHS entered into a Lease Agreement dated April 8, 1998, ("Original Lease") for a twenty (20) year initial lease term commencing on April 8, 1998, and terminating on April 7, 2018, at an annual rental fee of One and 00/100 ($1.00) Dollar, and the KWAHS has been operating under that Original Lease since April 8, 1998; and

WHEREAS, on August 20, 2014, the County approved an Amendment to the Lease Agreement which allowed the KWAHS to conduct fundraising activities on the Property; and

WHEREAS, on March 21, 2018, the County approved a Second Amendment to the Lease Agreement to extend the term of the Lease on a month-to-month basis pending negotiations for a new Lease and to revise the insurance requirements; and

WHEREAS, KWAHS operates Fort East Martello as a historical museum and art gallery and provides events for the community and visitors to Monroe County to educate them on the history of the Fort East Martello and Monroe County and to conduct fundraising activities to preserve the Property; and

WHEREAS, the KWAHS, as a not for profit organization, has access and is able to receive grants from available programs, including the Monroe County Tourist Development Council, to assist the organization in providing funds for its operations, repairs, maintenance, upkeep, capital improvements, and other museum amenities and programs; and

WHEREAS, the KWAHS desires to continue its lease of the Property for its delivery of services and programming at the Fort East Martello facilities so it may continue to provide a safe recreational environment for the residents and visitors of the historical museum and art gallery and to apply for appropriate grant funding to assist in continued maintenance and repairs and in providing its services, programming, and other amenities; and

WHEREAS, the County and KWAHS desire to enter into this new lease term for an initial twenty (20) year term commencing December 1, 2023, and terminating on November 30, 2043, at an annual rental fee of One and 00/100 ($1.00) Dollar; and

WHEREAS, the Lease provides for an option to renew the Lease after the original term for four (4) additional periods of five (5) years each under the terms and conditions to be agreed upon at the time of renewal; and

WHEREAS, the Property located at 3501 South Roosevelt Blvd., Key West, Florida, is owned by the County and is not needed for other County purposes at this time; and

WHEREAS, it is the desire of the Board to enter into another lease of the County-owned Property located at 3501 South Roosevelt Blvd., Key West, Florida, which is not currently needed for other County purposes, to KWAHS to provide its continued operation of the historical museum and art gallery and other related amenities in order to deliver its services and programming and provide a safe recreational environment for the Key West community; and

WHEREAS, the *Lease Agreement*, attached hereto and made a part of this Resolution as *"Exhibit A",* enters into a new lease of the Property located at 3501 South Roosevelt Blvd., Key West, Florida, to KWAHS for an initial period of twenty (20) years at the rental rate of One and 00/100 ($1.00) Dollar annually, commencing December 1, 2023, and terminating on November 30, 2043, unless earlier terminated.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Board hereby adopts the foregoing as findings of fact.

Section 2. The Board approves the *Lease Agreement* between the Board of County Commissioners of Monroe County, Florida, and the Key West Art and Historical Society, Inc., attached hereto and made a part of this Resolution as "*Exhibit A*", to provide an initial twenty (20) year term with the term to commence December 1, 2023, and terminate on November 30, 2043, at an annual rental fee of One and 00/100 ($1.00) Dollar, allowing for four (4) additional renewal periods of five (5) years each, and allowing the not for profit organization to continue to provide services and programming at Fort East Martello and related facilities for the citizens of Monroe County and visitors to the Key West community.

Section 3. The Board hereby directs the Clerk to transmit a certified copy of this Resolution upon its approval to Michael F. Gieda, Executive Director, Key West Art and Historical Society, Inc., 281 Front Street, Key West, Florida 33040.

Section 4. This resolution shall become effective upon adoption.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the 8th day of November, 2023.

SECOND AMENDMENT TO LEASE AGREEMENT
KEY WEST ART AND HISTORICAL SOCIETY
MONROECOUNTY

THIS AMENDMENT (hereafter Amendment) is made and entered into this 21th day of March, 2018, by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL 33040 (hereinafter "COUNTY" or "LESSOR"), and Key West Art and Historical Society, a non-profit corporation organized and existing under the laws of the State of Florida, whose address is 3501 S. Roosevelt Blvd., Key West, FL 33040 (hereinafter "TENANT" or "LESSEE").

WHEREAS, on the 8th day of April 1998, the LESSEE and the COUNTY entered in to a twenty (20) year lease (hereinafter "Original Lease") for the premises known as the East Martello Tower; and

WHEREAS, under the terms of the Original Lease LESSEE is required to maintain insurance on the premises and pay for any and all charges for ordinary maintenance and care of the premises; and

WHEREAS, the term of the Original Lease expires on April 7, 2018, and LESSEE has requested a new Lease with the COUNTY for an additional multi-year term;

WHEREAS, the COUNTY pursuant to Fla. Stat. Sec. 125.38 may enter into a lease of County owned property with a not-for-profit organization, which is organized for the purposes of promoting community interest and welfare, and the property is not needed for County purposes; and

WHEREAS, the COUNTY and LESSEE now desire to amend Exhibit "B" to the Original Lease to provide for the current insurance and hold harmless and indemnification requirements; and

WHEREAS, the COUNTY and LESSEE now desire to enter into a new Lease of the East Martello Tower property and are in negotiations to finalize the terms of a new Lease to include, but not limited to, current laws and regulations, updated insurance requirements, historic property considerations, and other such terms and conditions; and

WHEREAS, the parties now desire to extend the current term of the Original Lease, as amended, on a month-to-month basis, pending the execution of a new multi-year Lease for the property;

NOW, THEREFORE, IN CONSIDERATION of the premises and of the mutual covenants and agreements herein contained, and other valuable considerations, the parties agree as follows:

SECTION 1. The Original Lease is amended to reflect that upon the expiration of the Original Lease on April 7, 2018, that the term of the Lease shall be extended to continue on a month-to-month basis until the execution of a new Lease by all parties.

SECTION 2. Paragraph 2 f. of the Original Lease, as amended, is hereby amended to read as follows:

2. It is further understood and agreed by and between the LESSOR and LESSEE that the LESSEE will:

f. During the extended term of this lease take out the necessary liability automobile, and workers' compensation insurance described in "Revised Exhibit B", which is attached and incorporated into this Lease Agreement to save and keep the LESSOR harmless against any and all liability resulting from injuries to person or property on or about the leased premises by reason of its occupancy or use thereof.

SECTION 3. In all other respects, the Original Lease dated April 8, 1998, and the Amendment to Lease Agreement dated August 20, 2014, not inconsistent herewith, remain in full force and effect.

IN WITNESS WHEREOF, each party has caused this Second Amendment to Lease to be executed by its duly authorized representative.

"REVISED EXHIBIT B"

General Insurance Requirements for Organizations/Individuals Leasing County-Owned Property

Prior to the Organization or Individual taking possession of the property owned by the County, or commencing its concessionaire operations, the Organization/Individual shall obtain, at his/her own expense, insurance as specified in the attached schedules, which are made part of this lease/rental agreement.

The Organization/Individual will not be permitted to occupy or use the property until satisfactory evidence of the required insurance has been furnished to the County as specified below.

The Organization/Individual shall maintain the required insurance throughout the entire term of this lease/rental agreement and any extensions specified in the attached schedules. Failure to comply with this provision may result in the immediate termination of the lease/rental agreement and the return of all property owned by the County.

The Organiation/Individual will be held responsible for all deductibles and self insured retentions that may be contained in the Organization/Individual's Insurance policies.

The Organization/Individual shall provide, to the County, as satisfactory evidence of the required insurance, either:

- Certificate of Insurance
  or
- A Certified copy of the actual insurance policy.

The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this contract.

All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

The acceptance and/or approval of the Organization/Individual's insurance shall not be construed as relieving the Organization/Individual from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, will be included as "Additional Insured" on all policies. They will also be named as "Loss Payee" with respect to Fire Legal Exposure.

Any deviations from these General Insurance Requirements must be requested in writing on the County prepared form entitled "**Request for Waiver of Insurance Requirements**" and approved by Monroe County Risk Management.

ALL RISK PROPERTY INSURANCE REQUIREMENTS
FOR
LEASES/RENTALS OF COUNTY-OWNED PROPERTY
FOR
CONTRACT _____
BETWEEN
MONROE COUNTY, FLORIDA
AND
_____

Prior to the Organization/Individual taking possession of the property governed by this lease/rental agreement, the Organization/Individual shall obtain All Risk Property Insurance (to include the perils of Flood and Wind) with limits no less than the Replacement Cost Value of the property leased or rented. Coverage shall be maintained throughout the life of the Lease/Rental Agreement and include, as a minimum, liability coverage for:

Fire	Lightning	Vandalism
Sprinkler Leakage	Sinkhole Collapse	Falling Objects
Windstorm	Smoke	Explosion
Civil Commotion	Aircraft and Vehicle Damage	Flood

The Monroe County Board of County Commissioners will be named as Additional Insured and Loss Payee on all policies issued to satisfy the above requirements.

GENERAL LIABILITY INSURANCE REQUIREMENTS
FOR
LEASE/RENTAL OF PROPERTY OWNED BY THE COUNTY
FOR
CONTRACT _____
BETWEEN
MONROE COUNTY, FLORIDA
AND
_____

Prior to the Organization/Individual taking possession of the property governed by this lease/rental agreement, the Organization/Individual shall obtain General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations
- Products and Completed Operations
- Blanket Contractual Liability
- Personal Injury Liability
- Fire Legal Liability (with limits equal to the fair market value of the leased property.)

The minimum limits acceptable is:

$1,000,000 Combined Single Limit (CSL)

An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the termination of the Lease/Rental Agreement.

The Monroe County Board of County Commissioners will be named as Additional Insured on all policies issued to satisfy the above requirements.

BUSINESS AUTOMOBILE LIABILITY INSURANCE REQUIREMENTS
FOR
LEASES/RENTALS OF COUNTY-OWNED PROPERTY
FOR
CONTRACT _____
BETWEEN
MONROE COUNTY, FLORIDA
AND
_____

Prior to the Organization/Individual taking possession of the property governed by this lease/rental agreement, the Organization/Individual shall purchase Business Automobile Liability Insurance. Coverage shall be maintained throughout the life of the Lease/Rental Agreement and include, as a minimum, liability coverage for:

- Owned, Non-Owned, and Hired Vehicles
- Physical Damage Protection (if the leased property is a County-owned vehicle)

The minimum limits acceptable is:

$300,000 Combined Single Limit (CSL)
ACV for Physical Damage

The Monroe County Board of County Commissioners will be named as Additional Insured on all policies issued to satisfy the above requirements. In addition, if the lease/rental agreement involves County-owned vehicles, the Monroe County Board of County Commissioners will be named as "Loss Payee" with respect to the physical damage protection.

WORKERS' COMPENSATION INSURANCE REQUIREMENTS
FOR
CONTRACT _____
BETWEEN
MONROE COUNTY, FLORIDA
AND
_____

Prior to the commencement of work governed by this contract, the Contractor will obtain Workers' Compensation Insurance with limits sufficient to respond to applicable Workers' Compensation state statutes and the requirements of Chapter 440, Florida Statutes.

In addition, the Contractor will obtain Employers' Liability Insurance with limits of not less than:

$100,000 Bodily Injury by Accident
$500,000 Bodily Injury by Disease, policy limits
$100,000 Bodily Injury by Disease, each employee

Coverage will be maintained throughout the entire term of the contract.

Coverage will be provided by a company or companies authorized to transact business in the State of Florida.

If the Contractor has been approved by the Florida's Department of Labor, as an authorized self-insurer, the County may recognize and honor the Contractor's status. The Contractor may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on the Contractor's Excess Insurance Program.

If the Contractor participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the Contractor may be required to submit updated financial statements from the fund upon request from the County.

WC1

Indemnification, Hold Harmless and Defense for Organizations/Individuals Leasing County-Owned Property

The Organization/Individual covenants and agrees to defend, indemnify and hold harmless Monroe County Board of County Commissioners, and its elected and appointed officers, officials, agents, servants, and employees from any and all claims, demands, or causes of action for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, costs, penalities, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of the Organization/Individual utilizing the property governed by this lease/rental agreement. The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

AMENDENT TO LEASE AGREEMENT
KEY WEST ART AND HISTORICAL SOCIETY
MONROECOUNTY

THIS AMENDMENT (hereafter Amendment) is made and entered into this 20th day of August, 2014, by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, FL 33040 (hereinafter "COUNTY" or "LESSOR"), and Key West Art and Historical Society, a non-profit corporation organized under and existing under the laws of the State of Florida, whose address is 3501 S. Roosevelt Blvd., Key West, FL 33040 (hereinafter "TENANT" or "LESSEE").

WHEREAS, on the 8th day of April 1998, the LESSEE and the COUNTY entered in to a 20 year lease (hereinafter Original Lease) for the premises known as the East Martello Tower; and

WHEREAS, under the terms of the Original Lease LESSEE is required to maintain insurance on the premises and pay for any and all charges for ordinary maintenance and care of the premise; and

WHEREAS, LESSEE desires to hold fundraising events on the premises to generate the funds required to meet there obligations under the terms of the Original Lease; and

WHEREAS, the Original Lease is silent as to LESSEE's ability to host fundraising events on the premises; and

WHEREAS, the COUNTY has no objection to the LESSEE holding fundraising events on the premises and the parties desire to update the lease to allow LESSEE to host fundraising events, now, therefore,

IN CONSIDERATION of the premises and of the mutual covenants and agreements herein contained, and other valuable considerations, the parties agree as follows:

SECTION 1. The original agreement is amended to add paragraph "11" and shall read as follows:

11. Upon written approval from the Director of Airports or his designee LESSEE may hold fundraising events on the premises. To obtain approval, LESSEE shall submit a proposal no later than 30 days prior to the fundraising event. The proposal shall provide a description of the event and an estimate of the number of attendees expected at the event. The proposal shall also address parking, traffic control and security needs and include LESSEE's plan for providing for these needs. The COUNTY will review the proposal and, at its discretion, may either approve or disapprove the event in writing.

SECTION 2. In all other respects, the original agreement dated April 8, 1998 not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEREOF each party hereto has caused this agreement to be executed in duplicate by its duly authorized representative.

QUITCLAIM DEED

STATE OF FLORIDA)

COUNTY OF MONROE)

I. **THIS QUITCLAIM DEED**, made this the 8th day of AUGUST, 2000, between the UNITED STATES OF AMERICA, also referred to as the Government, acting by and through the Secretary of the Navy, Southern Division, Naval Facilities Engineering Command, under and pursuant to the powers and authority of Article 4, Section 3, Clause 2 of the Constitution of the United States, and pursuant to provisions of the Federal Property and Administrative Services Act of 1949, approved June 30, 1949, (63 Stat.377), as amended, and 49 U.S.C. Sections 47151 - 47153 (formally known as the Surplus Property Act of 1944 (58 Stat. 765), as amended), a delegation from the Administrator of General Services to the Secretary of Defense and subsequent delegation to the Secretary of the Navy, and regulations and orders promulgated thereunder, party of the first part, as **GRANTOR**, and Monroe County Board of County Commissioners, as **GRANTEE**, a public agency created, operated, and existing under and by virtue of the laws of the State of Florida, and designated by the State of Florida as the public agency to operate, maintain and develop public airports.

II. **WITNESSETH**, for and in consideration of the assumption by the **GRANTEE** of all the obligations and the **GRANTEE**'s covenant to abide by and agreement to take the Property subject to all terms, reservations, restrictions, conditions and covenants, all as set out in this Quitclaim Deed (hereinafter referred to as the Deed), the **GRANTOR** has released and quitclaimed to the **GRANTEE**, its successors and assigns, without warranty, express or implied, under and subject to the obligations, terms, reservations, restrictions, conditions, and covenants, all as hereinafter expressed and set out, all right, title, interest, claim, and demand which the **GRANTOR** has in and to that certain Property situated, lying and being in the County of Monroe, in the State of Florida, formerly known as East Martello Battery, Naval Air Station, Key West, Florida, and described in detail in **EXHIBIT "A"** hereof, for the use stated therein (hereinafter referred to as the "Property"), including a non-exclusive use ingress and egress easement to the Property over Government Road.

III. **WHEREAS**, all the Property hereby conveyed has heretofore been declared surplus to the needs of the UNITED STATES OF AMERICA, is presently under the jurisdiction of the Secretary of the Navy, is available for disposal and its disposal has been heretofore authorized by the Secretary of the Navy, acting pursuant to the above referred to laws, regulations and orders.

IV. **TO HAVE AND TO HOLD** the same, together with all and singular the appurtenances thereunto belonging or in anywise appertaining, and all the estate, right, title, interest or claim

whatsoever of the **GRANTOR**, either in law or in equity and subject to the terms, reservations, restrictions, covenants, and conditions set forth in this Deed, to the only proper use, benefit and behalf of the **GRANTEE**, its successors and assigns forever; and subject to all existing easements and rights-of-way for roads, highways, pipeline and public utilities, if any, whether of public record or not.

V. **NOW THEREFORE**, by the acceptance of this Deed or any rights hereunder, the **GRANTEE**, for itself, its successors and assigns, agrees that the transfer of all the Property transferred by this Deed is accepted subject to the following terms, restrictions, reservations, covenants, and conditions set forth in subparagraphs (A) and (B) of this paragraph, which shall run with the land, provided that the Property, both real and personal, transferred hereby may be successively transferred only with the proviso that any such subsequent transferee assumes all of the obligations upon the **GRANTEE** by the provisions of this Deed with respect to the Property being transferred.

A. That, except as provided in subparagraph (A) of numbered paragraph VI, the Property transferred by this Deed shall be used for public airport purposes for the use and benefit of the public, on fair and reasonable terms and without unjust discrimination and without grant or exercise of any exclusive right for use of the Airport within the meaning of the term "exclusive right" as used in subparagraph (C) of the numbered paragraph VI. As used in this Deed, the term "Airport" shall be deemed to include all land easements, buildings, facilities, structures improvements and equipment (both real and personal), including revenues and proceeds derived therefrom, used for public airport purposes.

B. That, except as provided in subparagraph (A) of the numbered paragraph VI, the entire landing area, as defined in 49 U.S.C. Section 40102(a)(28), formally known as Section 101 of the Federal Aviation Act of 1958, as amended, and Federal Aviation Regulations pertaining thereto, and all structures, improvements, buildings, facilities and equipment in which this Deed transfers any interest, shall be maintained for the use and benefit of the public at all times in safe and serviceable condition, to assure its efficient operation and use, provided, however, that such maintenance shall be required as to structures, buildings, improvements, facilities and equipment only during the useful life thereof, as determined by the Secretary of the U.S. Department of Transportation, acting by and through the Administrator of the Federal Aviation Administration, or his/her successor in function, (hereinafter referred to as FAA). In the event materials are required to rehabilitate or repair certain of the aforementioned structures, improvements, facilities, buildings or equipment, they may be procured by demolition of other structures, improvements, buildings, facilities or equipment transferred hereby and located on the above land which have outlived their use as Airport Property in the opinion of the FAA.

VI. FURTHER, by the acceptance of this Deed or any rights hereunder, the **GRANTEE** for itself, its successors and assigns, also assumes the obligation of, covenants to abide by and agree to, and this transfer is made subject to, the following terms, conditions, covenants, reservations and restrictions set forth in subparagraphs (A) to (T), inclusive, of this paragraph, which shall run with the land: Provided, that the Property transferred hereby may be successively transferred

only with the proviso that any such subsequent transferee assumes all the obligations imposed upon the **GRANTEE** by the provisions of this Deed.

A. That no Property transferred by this Deed shall be used, leased, sold, salvaged, or disposed of by the **GRANTEE** for other than Airport purposes without the written consent of the FAA, which consent shall be granted only if the FAA determines that the Property can be used, leased, sold, salvaged, or disposed of for other than Airport purposes without materially and adversely affecting the development, improvement, operation, or maintenance of the Airport at which such Property is located pursuant to 49 U.S.C. 47151-47153, formally known as the Surplus Property Act of 1944, as amended.

B. Property transferred for the development, improvement, operation or maintenance of the Airport shall be used and maintained for the use and benefit of the public on fair and reasonable terms, without unjust discrimination and without grant or exercise of any exclusive right for use of the Airport within the meaning of the term "exclusive right" as used in subparagraph C of this paragraph. In furtherance of this covenant (but without limiting its general applicability and effect) the **GRANTEE** specifically agrees (1) That it will keep the Airport available as an airport for public use on fair and reasonable terms and without unjust discrimination, to all types, kinds, and classes of aeronautical uses. Provided, that the **GRANTEE** may establish such fair, equal, and not unjustly discriminatory conditions to be met by all user of the Airport as may be necessary for the safe and efficient operation of the Airport; and provided, further, that the **GRANTEE** may prohibit or limit any given type, kind, or class of aeronautical use of the Airport if such action is necessary for the safe operation of the Airport to serve the civil aviation needs of the public; (2) That in its operation and the operation of facilities on the Airport, neither it nor any person or organization occupying space or facilities thereupon will discriminate against any person or class of persons by reason of race, color, creed, age, religion, sex, handicap, or national origin in the use of any of the facilities provided for the public on the Airport; (3) That in any agreement, contract, lease, or other arrangement under which a right or privilege at the Airport is granted to any person, firm or corporation to conduct or engage in any aeronautical activity for furnishing services to the public at the Airport, the **GRANTEE** will insert and enforce provisions requiring the contractor: (a) to furnish said service on a fair, equal, and not unjustly discriminatory basis to all users thereof, and (b) to charge fair, reasonable, and not unjustly discriminatory prices for each unit or service, provided, that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers; (4) That the **GRANTEE** will not exercise or grant any right or privilege which would operate to prevent any person, firm, or corporation operating aircraft on the Airport from performing any services on its won aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform; (5) That in the event the **GRANTEE** itself exercises any of the rights and privileges referred to in subsection (3) above, the services involved will be provided on the same conditions as would apply to the furnishing of such services by contractors or concessionaires of the **GRANTEE** under the provisions of such subsection (3) of this paragraph VII.B.

C. The **GRANTEE** will not grant to, or permit any exclusive right, which is forbidden by FAA requirements, and as described in 49 U.S.C. Section 40103(e), formally known as

Section 308 of the Federal Aviation Act of 1958, as amended, and 49 U.S.C. Section 47152(3)(A) & (B), for the use of the Airport, at which the property described herein is located, by any person or persons to the exclusion of others in the same class and will otherwise comply with all applicable laws. In furtherance of this covenant (but without limiting its general applicability and effect), the **GRANTEE** specifically agrees that, unless authorized by the FAA, it will not, either directly or indirectly, grant or permit any person, firm or corporation the exclusive right to conduct any aeronautical activity on the Airport including but not limited to, charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales, and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity. The **GRANTEE** further agrees that it will terminate as soon as possible and no later than the earliest renewal, cancellation, or expiration date applicable thereto, any exclusive right existing at any Airport owned or controlled by the **GRANTEE** or hereafter acquired and that, thereafter, no such right shall be granted. However, nothing contained herein shall be construed to prohibit the granting or exercise of an exclusive right for the furnishing of non-aviation products and supplies or any services of a non-aeronautical nature or to obligate the **GRANTEE** to furnish any particular non-aeronautical service at the Airport.

D. The **GRANTEE** shall, insofar as it is within its powers and to the extent reasonable, adequately clear and protect the Airport by removing, lowering, relocating, marking, lighting, or otherwise mitigating existing Airport hazards and by preventing the establishment or creation of future Airport hazards. The **GRANTEE** will, either by the acquisition and retention of easements or other interests in or rights for the use of land or airspace or by the adoption and enforcement of zoning regulations, or by any other reasonable means, prevent the construction, erection, alteration, or growth of any structure, tree, or other object in areas of the RPZ which would constitute an obstruction to air navigation according to the criteria or standards prescribed in Part 77 of the Federal Aviation Regulations [14 CFR Part 77], and, as applicable, according to the approved Airport Layout Plan. In addition, the **GRANTEE** will not erect or permit the erection of any permanent structure or facility which would interfere materially with the use, operation of the Airport in or on any portion of a runway approach area in which the **GRANTEE** has control over, or has acquired, or hereafter acquires, property interests permitting the **GRANTEE** to so control, the use made of the surface of the land or airspace or by the adoption and enforcement of zoning regulations or by any other reasonable means take action to restrict the use of the land adjacent to or in the immediate vicinity of the Airport to activities and purposes compatible with normal Airport operations including landing and takeoff of aircraft.

E. The **GRANTEE** will operate and maintain in a safe and serviceable condition, as deemed reasonably necessary by the FAA, the Airport and all facilities thereon and connected therewith which are necessary to service the aeronautical users of the Airport other than facilities owned or controlled by the United States and will not permit any activity thereon which would interfere with its use for Airport purposes: Provided, that nothing contained herein shall be construed to require that the Airport be operated for aeronautical uses during temporary periods when hurricanes, flood, or other climatic conditions interfere with such operation and

maintenance, nor shall anything herein be construed to require the repair, restoration or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the **GRANTEE.**

F. That the **GRANTEE** will make available all facilities of the Airport at which the Property described herein is located or developed, and all those usable for the landing and taking off of aircraft, to the United States at all times, without charge, for use by government aircraft in common with other aircraft, except that if the use by government aircraft in common with other aircraft is substantial, a reasonable share, proportional to such use, of the cost of operating and maintaining facilities so used, may be charged. Unless otherwise determined by the FAA, or otherwise agreed to by the GRANTEE and the Government, substantial use of the Airport by Government aircraft will be considered to exist (1) when operations of such aircraft are in excess of those which, in the opinion of the FAA, would unduly interfere with use of the landing area by other authorized aircraft or (2) during any calendar month that either (a) five (5) or more Government aircraft are regularly based at the Airport or on land adjacent thereto, or (b) the total number of movements (counting each landing as a movement and each take-off as a movement) of Government aircraft is 300 or more, or (c) the gross accumulative weight of Government aircraft using the Airport (the total movements of such Government aircraft multiplied by the gross certified weight of such government aircraft) is in excess of five million pounds.

G. That during any national emergency declared by the President of the UNITED STATES OF AMERICA or the Congress thereof, including any existing national emergency, the Government shall have the right to make exclusive or non-exclusive use and have exclusive or non-exclusive control and possession, without charge, of the Airport, or of such portion thereof as it may desire, provided, however, that the government shall be responsible for the entire cost of maintaining such part of the airport as it may use exclusively, or over which it may have exclusive possession and control, and shall be obligated to contribute a reasonable share, commensurate with the use made by it, of the cost of maintenance of such property as it may use non-exclusively or over which it may have non-exclusive control and possession: Provided, further, that the government shall pay a fair rental as just compensation for its use, control, or possession, exclusively or non-exclusively, of any improvement to the Airport made without United States aid and never owned by the United States.

H. The **GRANTEE** does hereby release the government, and will take whatever action may be required by the FAA to assure the complete release of the government from any and all liability the government may be under for restoration or other damages under any lease or other agreement covering the use by the United States of the Airport, or any part thereof, owned, controlled, or operated by the **GRANTEE** upon which, adjacent to which, or in connection with which, the Property was located or used: Provided, that this release shall not be construed as depriving the **GRANTEE** of any right it may otherwise have to receive reimbursement under Section 17 of the Federal Airport Act [49 App. U.S.C.A. Section 1116] for the necessary rehabilitation or repair of the Airport heretofore or hereafter substantially damaged by the Government.

I. The **GRANTEE** does hereby release, save, defend, indemnify and hold harmless the Government, its officers, agents, and employees, for and from any and all liabilities, losses, claims, expenses, suits, fines, penalties, judgments, demands or actions, and costs (including but not limited to consulting, engineering, clean-up, disposal or restoration costs, investigator's fees, attorney fees) and damages (including but not limited to personal injury, death, and Property damage) directly or indirectly arising out of, caused by, related to, resulting from or in any way predicated upon, in whole or in part, the possession, use or occupancy by the **GRANTEE**, (including the **GRANTEE**'s officers, agents, employees, tenants, customers, or tenant customers, third persons, or invitees), of the Property, both real and personal, transferred by this Deed., or attributable or incident to the physical condition or state of repair of the Property transferred by this Deed, or any activities conducted or services furnished in connection with or pursuant to the Property transferred by this Deed.

J. That whenever so requested by the FAA, **GRANTEE** will furnish without cost to the Government, for construction, operation and maintenance of facilities for air traffic control activities, or weather reporting activities, or communication activities related to air traffic control, such areas of land or water, or estate therein, or rights in buildings and/or facilities of the **GRANTEE** located on the airport or at which the Property described herein is located, as the FAA may consider necessary or desirable for use and/or construction at government expense of space or facilities for such purposes. The **GRANTEE** will make available such areas or any portion thereof for the purposes provided herein within four (4) months after receipt of written request from the FAA, if such are or will be available.

K. The **GRANTEE** will: (1) furnish the FAA with annual or special Airport financial and operational reports as may be reasonably requested using either forms furnished by the FAA or in such manner as it elects so long as the essential data are furnished, and (2) upon reasonable request by the FAA, make available for inspection by any duly authorized representative of the FAA the Property described herein, and all Property records and documents affecting the Property, including deeds, leases, operation and use agreements, regulations, and other instruments, and will furnish to the FAA a true copy of any such document which may be reasonably requested.

L. The **GRANTEE** will not enter into any transaction which would operate to deprive it of any of the rights and powers necessary to perform or comply with all the terms, covenants, conditions, restrictions, and reservations set forth in this Deed unless by such transaction the obligation to perform or comply with all such terms, covenants, conditions, restrictions, and reservations is assumed by another public agency found by the FAA to be eligible as a public agency, as the term "public agency" is defined in 49 U.S.C. Section 47102(15), to assume such obligation and have power, authority, and financial resources to carry out all such obligations. If an arrangement is made for management or operation of the Property by any agency or person other than the **GRANTEE**, the **GRANTEE** will reserve sufficient rights and authority to insure that the Property will be operated and maintained in accordance with the terms, covenants, conditions, reservations, and restrictions in this Deed, any applicable Federal statutes, and Federal Regulations.

M. That the **GRANTEE** will keep up to date at all times an Airport Layout Plan of the Airport at which the Property described herein is located showing: (a) the boundaries of the Airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the **GRANTEE** for Airport purposes and proposed additions thereto; (b) the location and nature of all existing and proposed Airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars, and roads), including all proposed extensions and reductions of existing Airport facilities; and (c) the location of all existing and proposed nonaviation areas and of all existing improvements thereon and uses made thereof. Such Airport Layout Plan and each amendment, revision, or modification thereof, shall be subject to the approval of the FAA, which approval shall be evidenced by the signature of a duly authorized representative of the FAA on the face of the Airport Layout Plan. The **GRANTEE** will not make or permit the making of any changes or alterations in the Airport or in any of its facilities which are not in conformity with the Airport Layout Plan as so approved by the FAA, and which might, in the opinion of the FAA, adversely affect the safety, utility, or efficiency of the Airport.

N. That if at any time it is determined by the FAA that there is any outstanding right or claim of right in or to the Airport or Property, described herein, the existence of which creates an undue risk of interference with the operation of the Airport or the performance or compliance with the terms, covenants, conditions, restrictions and reservations set forth herein, the **GRANTEE** will acquire, extinguish, or modify such right or claim of right in a manner acceptable to the FAA.

O. The terms, covenants, conditions, restrictions, and reservations set forth in this Deed are a binding servitude on the Property herein conveyed and shall be deemed to run with the land in perpetuity. The terms, reservations, restrictions, covenants, and conditions contained in this Deed shall be inserted by the **GRANTEE** verbatim or by express reference in any deed or other legal instrument by which it divests itself of either the fee simple title or any other lesser estate in the Property or any portion thereof.

P. The operation of the Airport shall be subject to such regulations as may be prescribed by the FAA from time to time, and the **GRANTEE**, its successors and assigns, shall comply with all pertinent laws, ordinances, rules, orders, guidelines, or other applicable regulations and shall hold the **GRANTOR** harmless from any and all liabilities or penalties which may be imposed by reason of any asserted violation thereof by the **GRANTEE**. All rights and powers reserved to the **GRANTOR** or the FAA, and all references in this Deed to **GRANTOR** or FAA shall include successors in function. The **GRANTOR** may agree in writing, after obtaining the concurrence of the FAA, to waive, eliminate, or reduce the obligations contained in this Deed.

Q. That in the event that any of the aforesaid terms, conditions, covenants, reservations, or restrictions are not met, observed, or complied with by the **GRANTEE** or any subsequent transferee, successor or assign, whether caused by the legal inability of said **GRANTEE** or any subsequent transferee, successor or assign, to perform any of the obligations herein set out, or otherwise, the title, right of possession and all other rights transferred by this Deed to the

GRANTEE, or any portion thereof, shall at the option of the Government, acting by and through the FAA, revert to the Government in its then existing condition sixty (60) days following the date upon which demand to this effect is made in writing by the FAA. If within said sixty (60) days such default or violation shall have been cured and all such terms, conditions, reservations and restrictions shall have been met, observed, and complied with, or, if within said sixty (60) days the **GRANTEE** shall have commenced the actions necessary to bring the **GRANTEE** into compliance with all such terms, conditions, covenants, reservations and restrictions of this Deed in accordance with a compliance schedule approved by the FAA, then said reversion shall not occur and title, right of possession, and all other rights transferred hereby, except such, if any, as shall have previously terminated or reverted, shall remain vested in the **GRANTEE**, its transferees, successors and assigns. This option of reversion shall be a continuing one, and may be exercised by Government any time the FAA determines the aforesaid terms, covenants, conditions, reservations, or restrictions are not met, observed or complied with by the **GRANTEE** or any subsequent transferee, successor or assignee.

R. All local taxes on aviation fuel generated at the Airport (except taxes in effect on December 30, 1987) and all the revenues generated by the Airport shall be used for exclusively for the capital or operating costs of

i. the Airport;
ii. the local airport system; or
iii. any other local facility that is owned or operated by the **GRANTEE** and that is directly and substantially related to the air transportation of passengers or property;

PROVIDED that the aforesaid limitations on the use of airport revenue shall not apply if a provision enacted not later than September 2, 1982, in a law controlling financing by the **GRANTEE**, or a covenant or assurance in a debt obligation issued not later than September 2, 1982, by the **GRANTEE**, provides that the revenues, including local taxes on aviation fuel at the Airport, from any of the facilities of the **GRANTEE**, including the airport, be used to support not only the airport but also the general debt obligations or other facilities of the **GRANTEE**: PROVIDED FURTHER that, the aforesaid limitation shall not be construed to prevent the use of a State tax on aviation fuel to support a State aviation program or the use of airport revenue on or off the airport for a noise mitigation program.

S. That if the construction as covenants of any of the reservations and restrictions recited in this Deed as covenants or the application of the same as covenants in any particular instance is held invalid, or the particular reservations and restrictions recited in this Deed as covenants or the application of the same as covenants in any particular instance is held invalid, then the particular reservations or restrictions in question shall be construed instead merely as conditions upon the breach of which Government, acting by and through the FAA, may exercise its option to cause the title, interest, right of possession, and all other rights transferred to **GRANTEE**, or any portion thereof, to revert to it, and the application of such reservations or restrictions as covenants in any other instance and the construction of the remainder of such reservations and restrictions as covenants shall not be affected thereby.

T. The failure of the Government to insist in any one or more instances upon complete performance of any of the terms, covenants, conditions, reservations, or restrictions in this Deed

shall not be construed as a waiver or a relinquishment of the future performance of any such terms, covenants, conditions, reservations, or restrictions, and the obligations of the **GRANTEE**, its successors and assigns, with respect to such future performance shall continue in full force and effect.

VII. AND IT IS FURTHER AGREED AND UNDERSTOOD by and between the parties hereto and the **GRANTEE**, by its acceptance of this Deed, acknowledges its understanding of the agreement, and agrees that, as part of the consideration for this Deed, the **GRANTEE** covenants and agrees for itself, its successors and assigns, that: (1) The program for or in connection with which this Deed is made will be conducted in compliance with, and the **GRANTEE**, its successors and assigns, will comply with all requirements imposed by or pursuant to the regulations of the U.S. Department of Transportation, the FAA, and 49 CFR Part 21, and any subsequent amendments thereto, issued under the provisions of Title VI of the Civil Rights Act of 1964, as amended; (2) This covenant shall be subject in all respects to the provisions of said regulations; (3) the **GRANTEE**, its successors and assigns, will promptly take and continue to take such action as may be necessary to effectuate this covenant; (4) The Government, acting by and through the FAA, shall have the right to seek judicial enforcement of this covenant; (5) The **GRANTEE** , its successors and assigns, will: (a) obtain from any person (including any legal entity) who, through contractual or other arrangements with the **GRANTEE**, its successors and assigns, is authorized to provide services or benefits under said program, a written agreement pursuant to which such other person shall, with respect to the services or benefits which he is authorized to provide, undertake for himself the same obligations as those imposed upon the **GRANTEE**, its successors and assigns, by this covenant, and (b) furnish the original of such agreement to the FAA, upon FAA request therefore; and, (6) This covenant shall run with the land hereby conveyed, and shall in any event, without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity for the benefit of, and in favor of the Government and enforceable by the Government, acting by and through the FAA, against the **GRANTEE**, its successors, and assigns.

VIII. A Finding of Suitability to Transfer (FOST) is attached as **EXHIBIT "B"** to the Deed; an Environmental Baseline Survey (EBS) report is referenced in the FOST; the FOST and EBS reference environmental conditions on the Property and on other Property not subject to this Deed. Those restrictions and environmental conditions described in the FOST and EBS which are applicable to the Property are contained in this Deed. The FOST sets forth the basis for the **GRANTOR**'s determination that the Property is suitable for transfer. The GRANTEE is hereby made aware of the notifications contained in the EBS and the FOST.

The property contains improvements that, due to their age, are likely to have been painted with lead based paint. A Lead Based Paint Disclosure Statement is provided as **EXHIBIT "C"** to this Deed.

GRANTEE hereby acknowledges that non-friable asbestos containing materials (ACM) has been found on the Property. Non-friable ACM is present in the vinyl floor tile, tile mastic,

and a vent pipe flashing material in the bunker. **GRANTEE** shall manage ACM in accordance with applicable laws and regulations.

NOTICE OF HAZARDOUS SUBSTANCE OR PETROLEUM PRODUCT STORED FOR MORE THAN ONE YEAR OR MORE, KNOWN TO HAVE BEEN RELEASED OR DISPOSED OF.

The information contained in this notice is required under the authority of Section 120(h)(3) of the Comprehensive Environmental Response, Liability, and Compensation Act (CERCLA or "Superfund") 42 U.S.C. Section 9620 (h)(3).

Based on past use of the facility as a Shore Defense Facility and Mobile Home Community, it is expected that small amounts of hazardous substances were stored on the Property for one year or more. A site inspection performed in 1998, which included surface soil and groundwater sampling, did not detect any concentrations of hazardous substances or petroleum products or their derivatives above Florida Department of Environmental Protection (FDEP) action levels requiring any removal or remedial action. FDEP and the U. S. Environmental Protection Agency (EPA) have concurred with this determination.

GRANTOR covenants and warrants that any response action or corrective action found to be necessary after the date of transfer on those areas where no hazardous substance and no petroleum product or their derivatives were stored for one year or more, released or disposed of shall be conducted by the United States.

GRANTEE covenants that the **GRANTOR** its officers, agents, employees, contractors and subcontractors, in accordance with section 120(h) of the Comprehensive Environmental Response, Compensation and Liability Act, shall have access to the property in any case in which remedial action or corrective action is found to be necessary after the date of the conveyance of the Property. **GRANTEE** agrees to comply with activities of the **GRANTOR** in furtherance of these covenants and will take no action to interfere with future necessary remedial and investigative actions of the **GRANTOR**. The **GRANTOR** and the **GRANTEE** agree to cooperate in good faith to minimize any conflict between necessary environmental investigation and remediation activities and operations of **GRANTEE**, its successors and assigns, and of any Lessee or any Sublessee of the Property. Any inspection, survey, investigation, or other response or remedial action will to the extent practicable be coordinated with representatives designated by **GRANTEE** or its successors and assigns.

GRANTEE acknowledges that East Martello Battery Bunker, located on the Property, is eligible for placement on the National Registry of Historic Places and is subject to The Standard Architectual and Archeological Preservation Covenant for Transferred Property as approved by the Florida State Advisory Council on Historic Preservation. The Preservation Covenant is included as **EXHIBIT "D"** to this deed.

GRANTOR recognizes its obligations under section 330 of the National Defense Authorization Act of 1993, as amended (Pub. L. No. 102-484).

LIST OF EXHIBITS: The following exhibits are attached hereto and made a part of this deed:

EXHIBIT A	PROPERTY Description
EXHIBIT B	Finding of Suitability to Transfer
EXHIBIT C	Lead-Based Paint Hazard Disclosure & Acknowledgement Form
EXHIBIT D	Preservation Covenant

IN WITNESS WHEREOF, GRANTOR has caused its name to be signed to these presents by an authorized Real Estate Contracting Officer on the day first above written.

Description: 50' wide ingress & egress easement

A fifty (50) foot wide ingress and egress easement located on the Island of Key West, Monroe County, Florida and being more particularly described as follows: Commence at the Northeast corner of Lot 1, "CORAL ESTATES" according to the plat thereof, as recorded in Plat Book 3, at Page 49 of the Public Records of Monroe County, Florida, said point also lying on the Southeasterly Right-of-Way Line of Flagler Avenue (84' R/W); thence along said Right-of-Way Line of Flagler Avenue a distance of 882.99 feet to the centerline of Government Road and the Point of Beginning of the Centerline of the said 50 foot wide easement (said easement lying 25 feet on each side of the said centerline); thence leaving said Right-of-Way Line and bearing and distance S.23°06'38"E., along the said centerline of Government Road a distance of 417.01 feet to the end of Government Road; thence S.80°00'17"E., a distance of 280.98 feet to the point of curvature of a curve to the left, having a radius of 400.00 feet, a central angle of 20°39'05", a chord bearing of S.70°19'49"E. and a chord length of 143.36 feet; thence along the arc of said curve, an arc length of 144.17 feet to the point of tangency of said curve; thence S.89°33'33"E., a distance of 24.13 feet to the point of curvature of a curve to the left, having a radius of 1000.00 feet, a central angle of 17°26'59", a chord bearing of N.89°22'51"E. and a chord length of 303.36 feet; thence along the arc of said curve, an arc length of 304.55 feet to the point of tangency of said curve; thence N.80°38'21"E., a distance of 238.54 feet; thence N.84° 05'45"E., a distance of 123.68 feet to the point of curvature of a curve to the left, having a radius of 2000.00 feet, a central angle of 10°37'07", a chord bearing of N.78°47'12"E. and a chord length of 37.01 feet; thence along the arc of said curve, an arc length of 37.07 feet to the point of tangency of said curve; thence N.73°28'38"E., a distance of 124.00 feet to the point of curvature of a curve to the right, having a radius of 500.00 feet, a central angle of 17°32'43", a chord bearing of N.82°15'00"E. and a chord length of 152.51 feet; thence along the arc of said curve, an arc length of 153.11 feet to the point of tangency of said curve; thence S.89° 56'38"E., a distance of 203.68 feet; thence N.89°33'33"E., a distance of 223.67 feet; thence N.89°23'23"E., a distance of 1774.37 feet to the point of curvature of a curve to the left, having a radius of 80.00 feet, a central angle of 108°27'30", a chord bearing of N.35°09'38"E. and a chord length of 97.37 feet; thence along the arc of said curve, an arc length of 113.00 feet to the point of tangency of said curve; thence N.19°06'37"W., a distance of 815.94 feet to the point of curvature of a curve to the right, having a radius of 115.00 feet, a central angle of 49°48'33", a chord bearing of N.05° 30'19"E. and a chord length of 96.87 feet; thence along the arc of said curve, an arc length of 99.97 feet to the point of tangency of said curve; thence N.30°05'05"E., a distance of 146.54 feet to the point of curvature of a curve to the right, having a radius of 200.00 feet, a central angle of 38° 12'19", a chord bearing of N.48°11'15"E. and a chord length of 134.28 feet; thence along the arc of said curve, an arc length of 136.38 feet to a chain link fence and the end of the centerline of a 50 foot wide ingress and egress easement unless coordinates are in 83049.47 and E 402784.81; ingress easement unless coordinates are in 83049.47 and E 402784.81; thence along a centerline of a 30 foot wide Easement lying 10 feet Northerly of and 20 feet Southerly of and parallel with the said centerline for the following three (3) courses and bearings, (1) thence N 70°21'29" E, 32.13 feet; (2)thence N 83°49'34" E for 233.19 feet; thence (3) S 81°23'00" E for 71.03 feet to the end of the said 30 foot wide easement and whose coordinates are N 83074.85 and E 403128.93.

Legal Description:

A parcel of land located in Section 4, Township 68 South, Range 25 East, on the Island of Key West, Monroe County, Florida and being more particularly described as follows: Commence at the Northeast corner of the United States Government East Martello Tower, military Reservation as shown on a map recorded in Plat Book 1 at page 31 of the Public Records of Monroe County, Florida and said point also being the Southeast corner of Lot 11, Block 2, "RESUBDIVISION OF BLOCK 2, KEY ESTATES", according to the Plat thereof, as recorded in Plat Book 3, at page 101 of the Public Records of Monroe County, Florida; thence N 77°32'00" E along the Southerly Line of said "RESUBDIVISION OF BLOCK 2, KEY ESTATES", for 882.99 feet to the Point of Beginning; thence S.17°28'00"E., and leaving the said Southerly Line of Key Estates, a distance of 432.00 feet; thence N.77°32'00"E., a distance of 550.00 feet; thence S.17°28'00"E., a distance of 680.00 feet; thence N 79° 51'00"E., a distance of 1352.60 feet; thence N.01°48'29"W., a distance of 831.85 feet to the Southerly Line of a 50 foot wide easement; thence N.89°33'33"W., a distance of 224.03 feet; thence N.88°58'38"W., a distance of 204.30 feet to the point of curvature of a curve to the left, having a radius of 475.00 feet, a central angle of 17°32'43", a chord bearing of S.82°15'00"W. and a chord length of 144.89 feet; thence along the arc of said curve, an arc length of 145.46 feet to the point of tangency of said curve; thence S.73°28'38"W., a distance of 124.00 feet to the point of curvature of a curve to the right, having a radius of 225.00 feet, a central angle of 10°37'07", a chord bearing of S.78°47'12"W. and a chord length of 41.64 feet; thence along the arc of said curve, an arc length of 41.70 feet to the point of tangency of said curve; thence S.84°05'45"W., a distance of 122.92 feet; thence S.81°53'40"W., a distance of 236.06 feet to the point of curvature of a curve to the right, having a radius of 1025.00 feet, a central angle of 17°26'59", a chord bearing of N.89°22'51"W. and a chord length of 310.96 feet; thence along the arc of said curve, an arc length of 312.17 feet to the point of tangency of said curve; thence N.80°38'21"W., a distance of 56.37 feet to the point of curvature of a curve to the right, having a radius of 425.00 feet, a central angle of 20°39'05", a chord bearing of N.70° 19'49"W. and a chord length of 152.36 feet; thence along the arc of said curve, an arc length of 153.18 feet to the point of tangency of said curve; thence N.80°00'17"W., a distance of 208.97 feet; thence N.23°06'38"W., a distance of 13.06 feet; thence S.77°35'02"W., and along a portion of the Southerly Line of said plat of Key Estates a distance of 104.80 feet to the Point of Beginning.

Parcel contains 1153461 square feet or 26.48 acres, more or less.

FINDING OF SUITABILITY TO TRANSFER
EAST MARTELLO BATTERY
KEY WEST, FLORIDA

1.0 Purpose

This Finding of Suitability to Transfer (FOST) documents my determination, as the responsible Department of Defense (DoD) component official, that 13.96 acres of the real property known as East Martello Battery, Naval Air Station Key West (Subject Property), is environmentally suitable for deed transfer to the City of Key West Navy Properties Local Reuse Authority (NPLRA) for the authorized use as wetlands preservation and passive open space recreation under the terms of the conveyance from the Department of Interior (DOI) and in accordance with the NPLRA Redevelopment Plan. The remaining 26.49 acres are suitable for transfer to Monroe County under a Department of Transportation (DOT), Federal Aviation Authority Public Benefit Conveyance for authorized use as a runway protection zone and obstruction-free zone.

This decision is based upon a review of information contained in the attached Environmental Baseline Survey (EBS) and the Reuse Plan developed by the NPLRA. Factors leading to this decision and other pertinent information related to property transfer requirements are stated below.

2.0 Property Description

The Subject Property is located in Monroe County, Key West, Florida within the boundaries of the City of Key West as more particularly described in the attached EBS. Subject Property is fenced and comprises approximately 40.45 acres and is bounded by Key West International Airport on the east, residential neighborhoods to the north and northwest, and wetlands to the west and south.

3.0 Past Use and Proposed Reuse

Subject Property was acquired by the United States Army during the early 1940s. It was used for shore defense during World War II. The land was transferred to the Navy in 1950. The Navy developed the parcel into a mobile home community. The trailer project was deactivated in 1956. All trailers were removed from the site along with any support buildings. Monroe County Civil Defense used the property under license from the Navy for a civil defense administrative command post from 1985 until 1992. The approved reuse for the Subject Property is as stated in Section 1.0 of this FOST.

4.0 Environmental Condition

All available information concerning the past storage, release, or disposal of any hazardous substances and/or petroleum products on the Subject Property as collected through record searches, available aerial photographs, personnel interviews, and on-site visual inspections conducted is contained in the attached EBS. A hurricane swept over Key West on 25 September 1998; however, the overall environmental condition of the property remains unchanged. The

following paragraphs summarize the EBS findings and corresponding DoD condition of property classifications assigned to the Subject Property.

A. Hazardous Substances Contamination

Based on past use of the facility as a shore defense facility and mobile home community, it is expected that small amounts of hazardous substances were stored on the Subject Property for one year or more, although no records were found to indicate the type or amount of substance which may have been present. The Navy conducted a Site Inspection (SI) of the Subject Property in 1998. The surface soil and groundwater were sampled for volatile organic compounds (VOCs), semivolatile organic compounds (SVOCs), inorganics, petroleum, and metals. No VOCs, SVOCs, inorganics, petroleum, or metals were detected in the surface soils above Florida Department of Environmental Protection (FDEP) action levels. Three groundwater monitoring wells were installed during the SI. No VOCs, SVOCs, or inorganics were detected in excess of their screening values in the groundwater. Iron, lead, and zinc were the only chemicals detected in the well samples.

Based upon the information contained in the attached EBS, Subject Property has been classified in accordance with DoD environmental condition of property guidance as Category 3/Light Green (areas where a release of hazardous substances or petroleum products or their derivatives has occurred, but at concentrations that do not require removal or remedial action.)

B. Petroleum Contamination

No underground or aboveground storage tanks are known to have been associated with the Subject Property. No other potential petroleum contaminated areas are suspected

C. Other Environmental Aspects

1. Asbestos-Containing Material (ACM)

Non-friable ACM is present in the vinyl floor tile, tile mastic, and a vent pipe flashing material in the bunker.

2. Lead-Based Paint (LBP)

Due to the age of the structure, painted surfaces in or on the bunker are presumed to be LBP. This structure is not considered target housing as defined by 24 CFR 35 or 40 CFR 745. A Lead-Based Paint Hazard Notice is provided as Attachment 1 to this FOST.

3. Polychlorinated Biphenyls (PCBs)

Electricity is provided by the City of Key West. No electrical transformers located on and around the Subject Property are known to contain PCBs.

4. Radon

Radon sampling was not performed on the Subject Property. Radon is not expected to be a concern based on results of other sampling conducted in Key West.

5.0 Requirements Applicable to Transfer

A. National Environmental Policy Act (NEPA)

An Draft Environmental Assessment (EA) for the Subject Property, has been prepared in accordance with National Environmental Policy Act requirements. The EA addresses environmental impacts associated with the transfer and subsequent reuse of the Subject Property. A Finding of No Significant Impact (FONSI) was signed in February 2000.

B. Hazardous Substance Notice

In accordance with Section 120(h)(3)(A) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the deed transferring the Subject Property will provide notification, based upon a complete search of agency files, if hazardous substances were stored for one year or more, released, or disposed of on the Subject Property. No records were found to indicate what substances may have been stored or used on the Subject Property. No records were found to indicate any release or disposal of hazardous substances on the Subject Property. It should be noted that the Subject Property lies directly at the end of a runway of Key West International Airport and is in the flight path of both aircraft takeoffs and landings. Many of the low levels of substances found during the Site Investigation (SI) are polynuclear aromatic hydrocarbons (PAHs), which are a result of jet and diesel turbo engine emissions. Additionally the sampling results from the SI would indicate none of the hazardous substances were found in excess of the reportable thresholds of 40 CFR 373.

C. CERCLA Covenants

In accordance with CERCLA Section 120(h)(3)(A)(ii)(I), the deed transferring the subject property shall contain a covenant warranting that all remedial action necessary to protect human health and the environment with respect to any hazardous substance remaining on the property has been taken before the date of transfer.

In accordance with CERCLA Section 120(h)(3)(A)(ii)(II), the deed transferring the subject property shall contain a covenant warranting that any additional remedial action found to be necessary after the date of transfer shall be conducted by the United States.

D. CERCLA Access Clause

In accordance with CERCLA 120(h)(3)(A)(iii), the deed transferring the subject property shall contain a clause granting the United States access to the property in any case in which a response action or corrective action is found to be necessary after such date at such property, or access is necessary to carry out a response action or corrective action on adjoining property.

The right to enter to be set forth shall include the right to conducts tests, investigations, five-year reviews, surveys, and, where necessary, drilling, test pitting, boring, and other similar activities. Such right shall also include the right to construct, operate, maintain, or undertake any other response action or corrective action as required or necessary, including but not limited to, monitoring wells, pumping wells, and treatment facilities. These access rights are in addition to those granted to federal, state, and local authorities under applicable environmental regulations.

E. Land and/or Groundwater Restrictions

There are no land or groundwater restrictions associated with the approved reuses of the Subject Property for wetlands conservation, passive recreation, airport security, and runway protection. The NPLRA has proposed zoning the area for public/private services, and two conservation districts and has received conveyance approval from both DOI and DOT based on the proposed reuse of the property.

F. Indemnification

The federal government shall hold harmless, defend, and indemnify the NPLRA and any future successor, assignee, transferee, lender, or lessee of the Subject Property from any suit, demand, cost, or liability arising out of any claim for personal injury or property damage than may result from, or be predicated upon, the release or threatened release of any hazardous substance, petroleum product, petroleum derivative, pollutant, or contaminant result from Department of Defense activities on the property subject to the conditions specified in, and to the extent authorized by, Section 330 of Public Law 102-484 as amended by Section 1002 of Public Law 103-160.

G. Environmental Compliance Agreement/Permits/Orders

There are no environmental compliance agreement/permits/orders associated with the Subject Property.

H. Notification to Regulatory Agencies/Public

In accordance with DoD guidance, the U.S. EPA, and FDEP have been advised of the proposed transfer of the Subject Property and draft copies of the EBS and FOST have been provided to those agencies for review. The EBS and FOST were also made available for public review from 17 April through 1 May 2000. All regulatory agency and public comments received have been considered and incorporated as deemed appropriate. Any unresolved comments and the Navy's responses thereto are included as Attachment 2 to the FOST. Copies of all transfer documentation provided to the NPLRA will be made available to the U.S. EPA and FDEP representatives upon request after execution of the same.

6.0 Suitability Determination

NOW, THEREFORE, based upon review of the information contained in the attached EBS as well as the NPLRA's Reuse Plan, I have determined that the Subject Parcel is presently suitable for transfer to the NPLRA for the intended purpose.

LEAD-BASED PAINT HAZARD
DISCLOSURE AND ACKNOWLEDGEMENT FORM
(NON-RESIDENTIAL STRUCTURES)

LEAD WARNING STATEMENT

YOU ARE ADVISED THAT BUILDINGS CONSTRUCTED PRIOR TO 1978 MAY PRESENT EXPOSURE TO LEAD FROM LEAD-BASED PAINT THAT MAY PLACE YOUNG CHILDREN AT RISK OF DEVELOPING LEAD POISONING. LEAD POISONING IN YOUNG CHILDREN MAY PRODUCE PERMANENT NEUROLOGICAL DAMAGE. YOU ARE FURTHER ADVISED THAT LEAD POISONING ALSO POSES A PARTICULAR RISK TO PREGNANT WOMEN. WORKERS MAY ALSO SUFFER ADVERSE HEALTH EFFECTS FROM LEAD DUST AND FUME EXPOSURE

ACKNOWLEDGEMENT

I acknowledge that:

(1) I have read and understand the above stated Lead Warning Statement;

(2) I have received from the Government the following document(s): The Environmental Baseline Survey for Transfer and the Finding of Suitability for Transfer - East Martello Battery, representing the best information available to the Government as to the presence of Lead-Based Paint and Lead-Based Paint hazards in the buildings covered by this Transfer.

(3) I understand that my failure to inspect, or to become fully informed as to the condition of all or any portion of the property offered will not constitute grounds for any claim or demand for adjustment or withdrawal of any bid or offer made after its opening or tender;

(4) I understand that upon execution of this transfer, I shall assume full responsibility for preventing future lead exposure by properly managing and maintaining or, as required by applicable federal, state, or local laws or regulations, for abating any lead-based paint hazard which may pose a risk to human health.

STANDARD ARCHITECTUAL AND ARCHEOLOGICAL PRESERVATION COVENANT for TRANSFERRED PROPERTY

XXX. Grantee hereby covenants on behalf of itself, its successors and assigns, to the Florida State Historic Preservation Officer (SHPO) to preserve and maintain East Martello Battery Bunker, located in the County of Monroe, State of Florida, in a manner that preserves and maintains the attributes that contribute to the eligibility of the East Martello Battery Bunker, of which said real property is eligible for listing in the National Register of Historic Places. Such attributes include exterior features (including facades and fenestration, scale, color, materials, and mass), interior features determined significant by the Florida SHPO, and views from, to, and across the Property.

Property being more particularly described as a parcel of land located in Monroe County, Key West, Florida, and being more particularly described as follows:

EAST MARTELLO BATTERY SITE

A parcel of land located in Section 4, Township 68 South, Range 25 East, on the Island of Key West, Monroe County, Florida and being more particularly described as follows: **COMMENCE** at the Northwest corner of the United States Government East Martello Tower Military Reservation as shown on a map recorded in Plat Book 1 at Page 31 of the Public Records of Monroe County, Florida and said point also being the Southwest corner of Lot 11, Block 2, "RESUBDIVISION OF BLOCK 2, KEY ESTATES", according to the Plat thereof, as recorded in Plat Book 3, at page 101 of the Public Records of Monroe County, Florida; **THENCE** N 77°35'02" E along the Southerly Line of said "RESUBDIVISION OF BLOCK 2, KEY ESTATES", for 682.99 feet to the **POINT OF BEGINNING;**

THENCE S 12°28'00" E, and leaving the said Southerly Line of Key Estates a distance of 432.00 feet;
THENCE N 77°32'00" E, a distance of 530.00 feet;
THENCE S 12°28'00" E, a distance of 668.00 feet;
THENCE N 79°51'00" E, a distance of 1352.60 feet;
THENCE N 01°45'00" W, a distance of 631.97 feet to the Southerly Line of a 50 foot wide easement;
THENCE meander the said Southerly Line of the easement for the following twelve (12) metes and bounds;
THENCE S 89°30'10" W, a distance of 335.85 feet;
THENCE N 88°58'38" W, a distance of 204.30 feet to the point of curvature of a curve to the left, having: a radius of 475.00 feet, a central angle of 17°32'43", a chord bearing of S 82°15'00" W and a chord length of 144.89 feet;
THENCE along the arc of said curve, an arc length of 145.46 feet to the point of tangency of said curve;
THENCE S 73°28'38" W, a distance of 124.00 feet to the point of curvature of a curve to the right, having: a radius of 225.00 feet, a central angle of 10°37'07", a chord bearing of S 78°47'12" W and a chord length of 41.64 feet;
THENCE along the arc of said curve, an arc length of 41.70 feet to the point of tangency of said curve;
THENCE S 84°05'45" W, a distance of 122.92 feet;
THENCE S 81°53'40" W, a distance of 236.06 feet to a point on a curve to the right, having: a radius of 1025.00 feet, a central angle of 17°26'59", a chord bearing of

EXHIBIT D

N 89°22'51" W and a chord length of 310.96 feet;
THENCE along the arc of said curve, an arc length of 312.17 feet to the point of tangency of said curve;
THENCE N 80°39'21" W, a distance of 56.37 feet to the point of curvature of a curve to the right, having: a radius of 425.00 feet, a central angle of 20°39'05", a chord bearing of N 70°19'49" W and a chord length of 152.36 feet;
THENCE along the arc of said curve, an arc length of 153.18 feet to the point of tangency of said curve;
THENCE N 60°00'17" W, a distance of 288.91 feet;
THENCE N 23°06'58" W, a distance of 13.06 feet;
THENCE S 77°35'02" W, and along a portion of the Southerly Line of said plat of Key Estates a distance of 104.80 feet to the **POINT OF BEGINNING.**

Parcel contains 1,153,719 square feet or 26.49 acres, more or less.

1. The East Martello Battery Bunker will be preserved and maintained in accordance with the Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (National Park Service). No construction, alteration, rehabilitation, remodeling, demolition, disturbance of the ground surface, or other actions shall be undertaken or permitted to be undertaken that would materially affect the integrity or appearance of the attributes described above without the prior written permission of the Florida State Historic Preservation Officer (SHPO), and signed by a fully authorized representative thereof.

2. Upon acquisition of the Property, the Grantee will take prompt action to secure the property from the elements, vandalism, and arson, and will undertake any stabilization that may be required to prevent deterioration. Grantee will make every effort to retain or reuse, to the extent practicable, the historic structure.

3. In the event that archeological materials are encountered during construction or ground disturbing activities, work shall cease in the immediate area until the SHPO is consulted and provides written permission to recommence work. Should the SHPO require, as a condition of the granting of such permission, that the Grantee conduct archeological survey data recovery operations or other activities designed to mitigate the potential adverse effect of the proposed activity on the *archeological resources* the Grantee shall at his/her/its own expense conduct such activities in accordance with the Secretary of the Interior's Standards and Guidelines for Archeological Documentation (48 FR 447344-37) and such standards and guidelines as the SHPO may specify, including, but not limited to, standards and guidelines for research design, field work, analysis, preparation and dissemination of reports, disposition of artifacts and other materials, consultation with Native American or other organization, and re-interment of human remains.

4. The Grantee will allow the Florida SHPO or his/her designee, at all reasonable times and upon reasonable advance notice the Grantee, to inspect East Martello Battery Bunker in order to ascertain whether the Grantee is complying with the conditions of this preservation covenant.

5. The Grantee will provide the Florida SHPO with a written summary of actions to be taken to implement the provisions of this preservation covenant with one (1) year after the effective date of the transfer of East Martello Battery Bunker. Similar reports will be submitted to the Florida SHPO, with a copy to the Navy.

6. Failure of the Florida SHPO to exercise any right or remedy granted under this covenant shall not have the effect of waiving or limiting the exercise by the Florida SHPO or any other right or remedy or the invocation of such right or remedy at any other time.

7. In the event of a violation of this covenant, and in addition to any remedy now or hereafter provided by law, the Florida SHPO may, following reasonable notice to Grantee, institute suit to enjoin said violation or to require the restoration of East Martello Battery Bunker. The successful party shall be entitled to recover all costs or expenses incurred in connection with such a suit, including all court costs and attorney's fees.

This covenant is binding on Grantee, its successors, and assigns, in perpetuity. The restrictions, stipulations and covenants contained herein shall be inserted by Grantee, its successors and assigns, verbatim or by express reference in any deed or other legal instrument by which it divests itself of either the fee simple title or any lesser estate in East Martello Battery Bunker, or any part thereof.

LEASE

THIS INDENTURE, made and entered into, in duplicate, this 8th day of APRIL, A.D. 1998, by and between the COUNTY OF MONROE, STATE OF FLORIDA, a political subdivision of the State of Florida, hereinafter called the Lessor or Airport Owner, which terms shall include its legal representatives, successors and assigns wherever the context so requires or admits, of the first part, and KEY WEST ART AND HISTORICAL SOCIETY, 3501 S. Roosevelt Boulevard, Key West, Florida, a non-profit corporation organized and existing under the laws of the State of Florida, hereinafter called the Lessee or Tenants, which terms shall include its legal representatives, successors and assigns wherever the context so requires or admits, of the second part,

FILED FOR RECORD
98 APR 21 AM 10:16
DANNY L. KOLHAGE
CLK CIR CT
MONROE COUNTY, FLA

WITNESSETH, that the Lessor by these presents leases unto said Lessee the following described premises, situate, lying and being in the City of Key West, County of Monroe, and State of Florida, more particularly described in Exhibits A and A1, which are attached and incorporated into this lease.

TO HAVE AND TO HOLD the premises as aforesaid unto the said Lessee from the 8th day of April, A.D. 1998, for a term of twenty (20) years then next ensuing, said lease being under the following terms and conditions:

1. The Lessee yielding and paying unto the said Lessor the total rental of Twenty Dollars ($20.00) for the term of twenty (20) years, said sum to be payable as follows:

   a. $1.00 payable upon the execution and delivery of this Lease, which sum is to cover the yearly rental for the first year of this Lease, and $1.00 on the 8th day of April, A.D. 1999, and $1.00 on the 8th day of April each and every year during the remainder of the term of this lease.

2. It s further understood and agreed by and between the Lessor and the Lessee that the Lessee will:

   a. Use said premises as an historical museum and art gallery.

   b. Pay the rent herein reserved at the time and in the manner as stated herein.

   c. Make no improper, unlawful or offensive use of said premises.

   d. Will pay any and all charges for ordinary maintenance and care of the premises, but the County shall from time to time pay for and make any major repairs that it may deem advisable to the premises.

   e. Permit the Lessor or its agent to enter upon the leased premises at all reasonable times for the purpose of viewing and inspecting the condition thereof.

f. During the term of this lease take out the necessary liability insurance described in Exhibit B which is attached and incorporated into this lease agreement to save and keep the Lessor harmless against any and all liability resulting from injuries to person or property on or about the leased premises by reason of its occupancy or use thereof.

g. At the expiration of the term of this lease, without demand, quietly and peaceably deliver up full possession of said premises in as good condition as they now are, damage or destruction by fire and the elements only excepted.

3. The Lessor hereby covenants with the Lessee upon the performance by the Lessee of the covenants and agreements hereinbefore set forth that the Lessor will permit the Lessee to quietly hold and enjoy the demised premises without any interruptions by the Lessor or by any person or persons claiming by, through or under it.

4. It is mutually understood, covenanted and agreed by and between the parties hereto as follows:

a. That default on the part of the Lessee for a period of thirty (30) days in making any of the payments of rent herein reserved from the date the same shall severally become due and payable shall immediately and thereupon terminate any and all of he rights of the Lessee under this lease.

5. It is further mutually understood, covenanted and agreed by and between the parties hereto that, in the event the Lessee ceases to operate an historical museum and art gallery, then and in that event this lease shall become null and void and of no force and effect.

6. It is mutually understood and agreed by the Lessor and Lessee that if during the term hereof, the demised premises or any part thereof shall be required by Lessor for any lawful purpose, particularly including he use thereof for County purposes, or airport purposes, then, and in that event, the Lessor may, upon thirty (30) days, written notice to Lessee, terminate this Agreement and said property shall be delivered upon to the Lessor in the same condition as it now is.

8. The Tenant for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, (3) that the Tenant shall use the premises in compliance with all other

requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

That in the event of breach of any of the above nondiscrimination covenants, Airport Owner shall have the right to terminate the lease and to re--enter and as if said lease had never been made or issued. The provision shall not be effective until the procedures of Title 49, Code of Federal Regulations, part 21 are followed and completed including exercise of expiration of appeal rights.

9. It shall be a condition of this lease, that the Lessor reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the real property hereinafter described, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation or of flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the airport.

That the Tenant expressly agrees for itself, it successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the hereinafter described real property to such a height so as to comply with Federal Aviation Regulations, part 77.

That the Lessee expressly agrees for itself, it successors and assigns, to prevent any use of the hereinafter described real property which would interfere with or adversely affect the operation or maintenance of the airport, or otherwise constitute an airport hazard.

10. This lease and all provisions hereof are subject and subordinate to the terms and conditions of the instruments and documents under which the Airport Owner acquired the subject property from the United States of America and shall be given only such effect as will not conflict or be inconsistent with the terms and conditions contained in the lease of said lands from the Airport Owner, and any existing or subsequent amendments thereto, and are subject to any ordinances, rules or regulations which have been, or may hereafter be adopted by the airport Owner pertaining to the Key West International Airport, including any ordinance, rule or regulation concerning mandatory insurance requirements for tenants at the Key West International Airport.

IN WITNESS WHEREOF, the party of the first part has caused these presents to be signed in its name by the Chairman of its Board of County Commissioners and its seal to be affixed, attested by the Clerk of the Circuit Court of the Sixteenth Judicial Circuit of Florida, in and for Monroe County and ex officio Clerk of the Board of County Commissioners of Monroe County, Florida, and the party of the second part has caused these presents to be signed in its name by its President and attested to by its Secretary in duplicate, all as of the 8th day of APRIL, A.D. 1998.

INSURANCE

MONROE COUNTY, FLORIDA
RISK MANAGEMENT
POLICY AND PROCEDURES
CONTRACT ADMINISTRATION
MANUAL

General Insurance Requirements for Organizations/Individuals Leasing County-Owned Property

Prior to the Organization or Individual taking possession of the property owned by the County, or commencing its concessionaire operations, the Organization/Individual shall obtain, at his/her own expense, insurance as specified in the attached schedules, which are made part of this lease/rental agreement.

The Organization/Individual will not be permitted to occupy or use the property until satisfactory evidence of the required insurance has been furnished to the County as specified below.

The Organization/Individual shall maintain the required insurance throughout the entire term of this lease/rental agreement and any extensions specified in the attached schedules. Failure to comply with this provision may result in the immediate termination of the lease/rental agreement and the return of all property owned by the County.

The Organization/Individual shall provide, to the County, as satisfactory evidence of the required insurance, either:

- Certificate of Insurance

  or

- A Certified copy of the actual insurance policy.

The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this contract.

All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

The acceptance and/or approval of the Organization/Individual's insurance shall not be construed as relieving the Organization/Individual from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, will be included as "Additional Insured" on all policies. They will also be named as "Loss Payee" with respect to Fire Legal Exposure.

Any deviations from these General Insurance Requirements must be requested in writing on the County prepared form entitled "**Request for Waiver of Insurance Requirements**" and approved by Monroe County Risk Management.

BETWEEN MONROE COUNTY, FLORIDA AND

_____

Prior to the Organization/Individual taking possession of the property governed by this lease/rental agreement, the Organization/Individual shall obtain General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations
- Products and Completed Operations
- Blanket Contractual Liability
- Personal Injury Liability
- Expanded Definition of Property Damage
- Fire Legal Liability (with limits equal to the fair market value of the leased property.)

The minimum limits acceptable shall be:

$300,000 Combined Single Limit (CSL)

If split limits are provided, the minimum limits acceptable shall be:

$100,000 per Person
$300,000 per Occurrence
$ 50,000 Property Damage

An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the termination of the Lease/Rental Agreement.

The Monroe County Board of County Commissioners shall be named as Additional Insured on all policies issued to satisfy the above requirements.

WORKERS' COMPENSATION INSURANCE REQUIREMENTS FOR CONTRACT _____

BETWEEN MONROE COUNTY, FLORIDA AND

_____

Prior to the commencement of work governed by this contract, the Contractor shall obtain Workers' Compensation Insurance with limits sufficient to respond to Florida Statute 440.

In addition, the Contractor shall obtain Employers' Liability Insurance with limits of not less than:

$100,000 Bodily Injury by Accident
$500,000 Bodily Injury by Disease, policy limits
$100,000 Bodily Injury by Disease, each employee

Coverage shall be maintained throughout the entire term of the contract.

Coverage shall be provided by a company or companies authorized to transact business in the state of Florida.

If the Contractor has been approved by the Florida's Department of Labor, as an authorized self-insurer, the County shall recognize and honor the Contractor's status. The Contractor may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on the Contractor's Excess Insurance Program.

If the Contractor participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the Contractor may be required to submit updated financial statements from the fund upon request from the County.

Indemnification and Hold Harmless for Organizations/Individuals Leasing County-Owned Property

The Organization/Individual covenants and agrees to indemnify and hold harmless Monroe County Board of County Commissioners from any and all claims for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of the Organization/Individual utilizing the property governed by this lease/rental agreement.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

PROP

LEASE AGREEMENT

THIS LEASE AGREEMENT made and entered into on this 8th day of November, 2023, by and between the **MONROE COUNTY, FLORIDA,** a political subdivision of the State of Florida, (hereinafter the "COUNTY", "LESSOR" or "AIRPORT OWNER,") whose address is 1100 Simonton Street, Key West, Florida 33040, and **KEY WEST ART AND HISTORICAL SOCIETY, INC.,** (hereinafter "KWAHS"), a Florida not-for-profit corporation, organized and existing under the laws of the State of Florida, (hereinafter the "LESSEE" or "TENANT,") whose principal address is 281 Front Street, Key West, Florida 33040.

WITNESSETH:

WHEREAS, the COUNTY owns certain real property located at 3501 South Roosevelt Blvd., Key West, Monroe County, Florida 33040, (hereafter "Premises"), which is commonly referred to as the "FORT EAST MARTELLO MUSEUM AND GARDENS," or "EAST MARTELLO TOWER," (hereinafter "Fort East Martello"), which is more particularly described in Exhibits "A" and "A1," which are attached hereto and made a part of this Lease Agreement; and

WHEREAS, LESSEE is a not-for-profit corporation whose activities relate to historic preservation and education and preserving the culture of the Florida Keys through exhibiting and displaying regional art, architecture, and history for the purpose of educating the community and visiting public; and

WHEREAS, the LESSOR finds that the LESSEE is a very unique organization which can provide fundamental and essential services related to preserving the Fort East Martello, educating the public of its history, and continuing its operation of the Premises as a historical museum and art gallery; and

WHEREAS, the LESSOR finds that the maintenance of the Fort East Martello is essential to the future of Monroe County as a historic preservation community; and

WHEREAS, on April 8, 1998, the LESSOR and LESSEE entered into a twenty (20) year Lease (hereinafter "Original Lease") for the use of the Premises by LESSEE as a historical museum and art gallery, with said lease to expire on April 7, 2018; and

WHEREAS, on August 20, 2014, the LESSOR and LESSEE entered into an Amendment to the Lease Agreement to allow LESSEE to conduct fundraising activities on the Premises; and

WHEREAS, on March 21, 2018, the LESSOR and LESSEE entered into a Second Amendment to the Lease Agreement to extend the term of the Lease on a month-to-month basis pending negotiations for a new lease and revised the insurance requirements; and

WHEREAS, LESSOR finds that the LESSEE, in conjunction with the LESSOR, has maintained the Premises and provides services and programs which benefit the citizens of the

County, as well as all persons who understand the importance of maintaining the historic character of the Fort East Martello; and

WHEREAS, LESSOR finds that the activities and services of the LESSEE promotes tourism, maintains the integrity of the historic property, and will enhance the experience of citizens and visitors to the Fort East Martello and the Florida Keys; and

WHEREAS, on June 19, 1972, the Fort East Martello was accepted as a historic structure with the U.S. National Register of Historic Places; and

WHEREAS, as a result of this designation as a historic structure on the U.S. National Register of Historic Places, renovation and restoration of the improvements upon the Premises must meet the standards for historical renovation and the property must be maintained in accordance with good preservation practices and the Secretary of the Interior's Standards for Rehabilitation; and

WHEREAS, Federal, State, and County regulations will require that any historic renovations or repairs be executed pursuant to certain standards and guidelines requiring significant costs, some of which should be shared by the LESSEE; and

WHEREAS, the COUNTY is unable to provide adequate funding on its own for the improvements, renovations, repairs, and continued maintenance and operation of Fort East Martello, including capital improvements, without creating a long term tax burden on the citizens of Monroe County; and

WHEREAS, the minimum upkeep and maintenance required by this Lease Agreement to be borne by LESSEE will result in a substantial savings to the COUNTY over the term of the Lease; and

WHEREAS, the LESSOR finds that the LESSEE has exhibited its capabilities and leadership in maintaining the historical integrity of the property and the historical nature of its programs and services to constitute the greatest benefit to the COUNTY; and

WHEREAS, the LESSOR finds that the services and programs currently offered and proposed by the LESSEE to be the highest and best use of the Premises; and

WHEREAS, the COUNTY finds that entering into another Lease with LESSEE is in the best interest of the COUNTY; and

WHEREAS, the LESSEE will be responsible to fund the maintenance and operations of the Premises, which may include capital improvements, as designated herein; and

WHEREAS, pursuant to Fla. Stat. Sec. 125.38, the COUNTY has determined that the Premises is not needed for County purposes and LESSEE has shown in its use of the Premises that the community interest and welfare is met by promoting the historical nature of the Premises and providing services and programs to further enhance the experience of residents and visitors to the

Premises, and that the lease of the Premises to LESSEE is appropriate and in the public's best interest and provides an overall public benefit; and

WHEREAS, it is the intent of the COUNTY and LESSEE to enter into a new Lease Agreement for the Premises for the purposes as set forth herein and to better regulate the respective rights and responsibilities of each party hereto for the future of Fort East Martello.

NOW, THEREFORE, in consideration of the foregoing and mutual covenants and promises hereinafter contained, it is agreed as follows:

1. **Premises**: The COUNTY as LESSOR does hereby lease unto LESSEE and the LESSEE does hereby accept from the COUNTY, in its "as is" condition, the Premises known as the Fort East Martello Museum and Gardens and/or East Martello Tower ("Fort East Martello"), situated at 3501 South Roosevelt Blvd., Key West, Monroe County, Florida, and all improvements and equipment thereon, with the legal description as set forth on **Exhibits "A" and "A-1,**" attached hereto and made a part hereof. The demised Premises includes a designated ADA parking space and an additional eight (8) spaces which face East towards the Fort East Martello entrance for the sole use of LESSEE and its patrons during its daily operating hours and any other special events sponsored by LESSEE. The designated parking spaces shall be marked with appropriate signage.

2. **Lease Term and Effective Date**: The Original Lease dated April 8, 1998, as amended was for a twenty (20) year term which expired on April 7, 2018. On March 21, 2018, the parties entered into a Second Amendment to the Lease Agreement, which extended the initial term of the Original Lease on a month-to-month basis to continue until the execution of a new Lease by the parties. The initial term of this Lease Agreement, therefore, shall be for a period of twenty (20) years commencing December 1, 2023, and ending on November 30, 2043, unless sooner terminated or extended pursuant to the provisions of this Lease Agreement.

3. **Renewal Terms**: LESSEE shall have the option to renew this Lease Agreement after the expiration of the original term for four (4) additional periods of five (5) years each, under terms and conditions to be agreed upon at that time, and subject to the approval of the Board of County Commissioners.

4. **Option to Renew**: LESSOR hereby grants to LESSEE the option to renew this Lease Agreement for the renewal terms on the condition that at the time LESSEE exercises each option to renew, LESSEE is in satisfactory compliance with the terms of this Lease and is not in default under this Lease Agreement beyond the expiration of any applicable cure period as a prerequisite to exercising any option to renew. LESSEE shall exercise its right to renew and extend the lease term, if at all, by providing written notice of extension to LESSOR at least ninety (90) days prior to the expiration of the lease term.

5. **Rental Fees**: The faithful performance by LESSEE of all of the terms, conditions, and covenants contained herein shall be deemed to be substantial valuable consideration for the grant of this leasehold to LESSEE. Additionally, LESSEE shall pay to LESSOR the sum of One and 00/100 ($1.00) Dollar per year for a total rental of Twenty and 00/100 ($20.00) Dollars for the

initial term of twenty (20) years. Upon the execution and delivery of this Lease, the total rental sum of Twenty and 00/100 ($20.00) Dollars shall be due and payable for the rental amount due hereunder for the initial lease term. If any option to renew is exercised and approved for the optional four (4) additional periods of five (5) years each, an additional rental fee, as agreed upon at that time, will be due and payable. All rental payments shall be made payable to Monroe County and remitted to the Monroe County Clerk of Court for the Monroe County Board of County Commissioners at 500 Whitehead Street, Key West, Florida 33040.

6. **Utilities.** LESSEE shall be responsible for paying any and all costs of utilities, including but not limited to, water, gas, diesel, heat, wastewater, solid waste, electric, telephone, cable, and any other utilities of every kind furnished to the Premises throughout the term hereof, and all other costs and expenses of every kind whatsoever in connection with the use, operation, and maintenance of the Premises and all activities conducted thereon, including any development fees, connection fees and/or lines associated with connection to any of the utility services. If any additional infrastructure is required for any such utilities, LESSEE shall be responsible for payment of all costs or fees associated thereto. LESSEE is responsible for having all utilities disconnected and paid in full when the leased Premises are surrendered. LESSOR shall have no responsibility of any kind for the utilities or associated fees thereof.

7. **Insurance Requirements.** During the term of this Lease Agreement, LESSEE shall obtain, at LESSEE'S own expense, insurance coverage for comprehensive general liability, automobile liability, and worker's compensation, as specified in **Exhibit "B"** attached hereto and made a part hereof. LESSEE shall provide to the LESSOR, as satisfactory evidence of the required insurance, either (1) a Certificate of Insurance or, (2) a certified copy of the actual insurance policy. The LESSOR, at its sole option, has the right to request a certified copy of any or all insurance policies required by this Lease. LESSEE shall submit written proof of such insurance policies required herein upon execution of this Lease and annually thereafter to the Monroe County Clerk of the Court, at 500 Whitehead Street, Key West, Florida 33040.

Such policies of insurance shall name **Monroe County Board of County Commissioners, its employees and officials, 1100 Simonton Street, Key West, Florida 33040,** as LESSOR, as an additional insured on all policies, except for Worker's Compensation. All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the LESSOR by the insurer. The acceptance and/or approval of LESSEE's insurance shall not be construed as relieving LESSEE from any liability or obligation assumed under this Lease or imposed by law.

LESSEE shall purchase all policies of insurance from a financially responsible insurer duly authorized to do business in the State of Florida and that has an agent for service of process within the State of Florida. Said coverage shall be written by an insurer acceptable to the COUNTY and shall be in a form acceptable to the COUNTY. LESSEE shall be financially responsible for any loss due to failure to obtain adequate insurance coverage, and the failure to maintain such policies or certificates in the amounts set forth shall constitute a breach of this Lease.

LESSOR, at the inception of this Lease, has currently agreed to waive the requirement for LESSEE to provide any and all risk insurance related to the property and any buildings thereon, including

fire, windstorm and flood coverage. LESSOR and LESSEE agree, however, to review the requirement of property insurance coverage at the five (5) year anniversary date of this Lease to determine the ability of LESSEE to thereafter provide such coverage at its own expense or financially contribute to the premiums paid for LESSOR's coverage.

8. **Maintenance of Premises and Facilities.** LESSEE has inspected the Premises and agrees to accept possession of the Premises in its "as is" condition. LESSEE shall maintain the Premises in a neat and clean condition at all times during the term of this Lease, at LESSEE'S sole expense.

LESSEE shall maintain, at LESSEE's expense, the facilities, including the buildings, and any appurtenances thereof, and any improvements made, in a state of good repair and in a sanitary condition at all times. Work such as stabilization, repairs, and painting will be deemed maintenance. Buildings shall be maintained as Historical Buildings in conformance with all applicable regulations, including any state or federal requirements, and subject to any review by any applicable Historic Preservation Commissions. LESSEE is advised that all work activities or maintenance repairs must be undertaken with sufficient care to protect this historic resource and when necessary, must be supervised by personnel who are familiar with the Secretary of Interior's Standard for Rehabilitation. LESSEE shall not commit, nor suffer to be committed, waste to the leasehold property, or to any improvements thereon. LESSEE acknowledges that LESSOR shall have no responsibility for the operation and maintenance of the leasehold, except as stated herein and to provide such municipal services as are available to and are provided to all property owners or occupants of property within Monroe County, Florida, at the LESSEE's expense.

If any major repairs, maintenance, upgrades, or replacements become necessary for the HVAC system, the fire protection system, or such other major equipment installed by the County and currently located at the Premises, and in particular any such equipment which is still covered under a warranty issued to the COUNTY, LESSEE shall first contact LESSOR to consult about such repairs and/or determine if LESSOR has any coverage pursuant to a warranty with authorized contractors who may be able to provide the needed repairs, maintenance, upgrades or replacement of such equipment. If such COUNTY contractor is able to timely perform the necessary repairs, maintenance, upgrades, or replacement of the equipment under its current COUNTY warranty, then LESSEE shall bear any costs of repairs not covered by any County warranty in effect at the time. Any costs not covered by the COUNTY warranty shall be borne by LESSEE. LESSEE shall still bear the expenses of all other major repairs, maintenance, upgrades, or equipment replacement as set forth in Paragraph 8 herein not covered by COUNTY warranty work.

LESSOR may, at its own discretion, but is not obligated to, also provide for capital improvement(s), upkeep, maintenance, restoration, and repairs of the Premises, including but not limited to structural and mechanical repairs or other such related repairs, as necessary to retain the historic nature of the Premises or when LESSEE is unable to do so during the period of its Lease term and makes a request in writing to the COUNTY for such assistance. The LESSOR may provide this upkeep, maintenance, restoration, repair assistance, or capital improvement(s) to assure the Premises remain in good working order and available for public use during the lease term. COUNTY shall be, and is, empowered to apply for, seek, and obtain federal, state, and/or

local funding to further the purpose of this Lease. Any conditions imposed as a result of funding that affect the Premises will be provided to the LESSEE. If LESSOR or LESSEE apply for any available grants to conduct such upkeep, maintenance, restoration, repairs, or capital improvement(s) during the lease term and each party agrees to cooperate fully with the other, if necessary, in applying for such grants.

9. **Permitted Uses.** It is hereby agreed that the Premises shall be used for a historical museum and art gallery, for educational purposes, and other purposes and uses as may be determined by LESSEE and approved by LESSOR, relating to, but not limited to the preservation and protection of the history and environment of Fort East Martello, Key West, and the Florida Keys.

(A) Public Access to the Premises: The LESSOR and LESSEE agree that LESSEE must engage in a program of managed public access to Fort East Martello and the buildings and other improvements located thereon. LESSEE shall allow public access to the Fort East Martello from 10:00 a.m. to 5:00 p.m., seven (7) days per week, with the exception of Christmas Day, throughout the year, subject to emergency closures as needed. LESSEE shall also be allowed to host evening and weekend receptions and events. Use of the Premises for historical education by students of the Monroe County School System is encouraged, but shall not by itself count toward the public access requirements of the Lease. Public use as an attraction of historical significance at the Fort East Martello, in conjunction with use by school children at different or overlapping periods of the same day, shall count toward public access requirements. LESSEE can manage access through the use of organized tours of the property lead by employees or volunteers of the LESSEE or its assigns. LESSEE will provide a published listing of the operating days, hours, and tours so that the general public and local business community can plan for visitation to Fort East Martello. LESSEE's obligation hereunder shall be subject to its obtaining all required government approvals to allow for public access and visitation and shall also be subject to any force majeure, safety concern, or other conditions outside of the control of LESSEE that prohibit LESSEE from allowing public access to the Premises. Maximum capacity to the Premises and of each facility open to visitation shall be established by the Monroe County Fire Marshal and such capacity determination provided to LESSEE within thirty (30) days of execution of this Lease. There shall be no overnight stays or lodging on the Premises by LESSEE, its staff, volunteers, or visitors. LESSEE agrees to use all reasonable efforts to apply for and diligently pursue obtaining governmental approvals necessary, if any are required, to permit public access to the Fort East Martello.

If the Fort East Martello is not open for public access at least three hundred sixty-four (364) days in any calendar year for reasons other than the exceptions identified above, LESSEE shall provide the LESSOR a proposed schedule of the days the Fort East Martello will be opened during the next one to two calendar years. The schedule shall contain a sufficient number of days that when added to the actual number of days the Fort East Martello was open during the prior year and divided by two (2) in the case of a one (1) year schedule, or divided by three (3) in the case of a two (2) year schedule, provides for an average of three hundred sixty-four (364) days per year that the Fort East Martello shall have been opened during that two or three-year period. Deviations from the schedule published to correct such deficiencies shall require LESSOR approval.

Compliance with the schedule shall be of the essence of this Lease, and non-compliance shall be deemed a default entitling the LESSOR to terminate as provided in Paragraph 19.

(B) Community and educational benefits: Use shall include activities and events designed to attract visitors and residents of Monroe County to LESSEE sponsored or other authorized community events having a historical and/or educational format, as well as those other purposes and uses as agreed upon by LESSOR and LESSEE.

(C) Research and Programs: Research and programs undertaken by LESSEE or other associated organizations shall include, but not be limited to those which restore and maintain a healthy historical environment in and around Monroe County. Educational programs must be those which deal with but are not limited to the history and environment of Fort East Martello, Key West and Monroe County.

(D) Exhibitions: Maintain current permanent collections in the Fort East Martello Museum and art gallery and provide space for future exhibits of historical significance.

(E) Fundraising: Upon written approval from the Director of Airports or his designee, LESSEE may hold fundraising events on the Premises. To obtain approval, LESSEE shall submit a proposal no later than thirty (30) days prior to the fundraising event. The proposal shall provide a description of the event and an estimate of the number of attendees expected at the event. The proposal shall also address parking, traffic control, and security needs and include LESSEE's plan for providing for these needs. The COUNTY will review the proposal and, at its discretion, may either approve or disapprove the event in writing.

(F) Fundraising Revenue for Specific Projects: Any fundraising efforts and/or grants awarded for specific capital projects at the Premises shall be restricted for use at this location only and for the specific identified purpose of the fundraising efforts or grants sought by LESSEE.

10. **Inspection for Compliance and County's Right of Entry.** LESSOR shall have at any time during the term of this Lease, upon reasonable notice to LESSEE, the right to enter upon the Premises to inspect LESSEE's compliance with the terms and conditions set forth herein and in accordance with good preservation practices and the Secretary of the Interior's Standards for Rehabilitation. The LESSEE hereby agrees to keep the Premises at all times in a clean and sanitary condition, and not to maintain or keep upon said Premises any properties or equipment not used in connection with the operation of said business, unless authorized by the LESSOR to do so.

LESSOR's right of inspection upon reasonable notice includes the right to inspect for condition of the Premises and compliance with all applicable laws, preservation practices, standards, and other applicable rules and regulations. At minimum, the KWAHS will arrange annual life safety and fire safety inspections and provide copies of the reports to the Monroe County Fire Marshal and Monroe County Facilities Maintenance Department. These will include, but not be limited to, the presence and functionality of fire sprinklers, fire / smoke alarms, and portable fire extinguishers as required by F.A.C. 69A-46 and 69A-48, as amended.

11. **Capital Improvement Plan.** LESSEE shall restore the historic buildings located on the Premises in a manner which shall comply with the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitation of Historic Buildings, which standards are imposed on places listed on the National Historic Register. The LESSEE shall fund, pay for, or obtain funding for all construction, engineering, permitting, and maintenance of all improvements unless the BOCC grants an exception. Any capital improvement plans undertaken by LESSEE, must be done by licensed and qualified contractors, engineers, architects, or other such individuals or companies, who are experienced in historical structures, in coordination with the Monroe County Project Management Department, subject to LESSEE obtaining all required permits and any other necessary approvals from any federal, state, or county authorities, including any applicable Historic Preservation Commissions and the Monroe County or City of Key West Fire Marshal, as applicable. There shall be no demolition of any historic structure without the prior approval of the BOCC. LESSOR, at its option, also reserves the right to undertake capital improvement projects and seek any available grant funding or other financial means to fund such projects, in coordination with LESSEE.

12. **Future Improvements.** No structures of any kind shall be constructed on the leasehold property, or within the property adjacent thereto, without the prior consent of the BOCC. All signs must conform to City of Key West and Monroe County Code requirements. Prior to commencing construction of any permanent structure or additional building on the Premises, the LESSEE shall obtain written approval from the BOCC through a process commencing with provisions of a written request for such approval. LESSEE acknowledges that the consent shall be upon such terms and conditions as the BOCC, in its sole discretion, shall deem necessary and that consent may be withheld unless LESSEE agrees to all terms and conditions imposed by LESSOR as a condition precedent to the granting of the consent. However, LESSEE is authorized to make "minor improvements" to the leasehold property without prior approval of the BOCC as long as the minor improvements conform to the purposes of this Lease and do not jeopardize the historical integrity of the Premises. "Minor improvements" shall refer to any work, installation, construction, grading or the like, on the leasehold property, which does not require a permit from any federal, state, or local government agency, including any historic preservation agencies. Minor improvements on any historic structure, however, must still be coordinated and facilitated with the Monroe County Project Management Department. Upon termination of the Lease, all improvements made shall become the property of the LESSOR.

13. **Construction.** LESSEE shall, prior to commencing rehabilitation or the construction on any new improvement not deemed minor, obtain conceptual approval by the BOCC pursuant to procedures specified by the County and/or City of Key West, if applicable. Prior to commencing construction, LESSEE shall obtain all the necessary permits, including the Life Safety Evaluation required by the Florida Fire Prevention Code, when structural components potentially affecting egress methods are proposed, along with a copy of the contractor's insurance and license. The improvements shall be erected in a good and workmanlike manner in substantial compliance with the plans and specifications as approved by the LESSOR, and in accordance with any and all applicable historical standards and practices. Upon completion of construction, LESSEE shall furnish LESSOR with an affidavit from its licensed general contractor, and an affidavit from the LESSEE, certifying that all firms and corporations, which have supplied labor and materials used directly or indirectly in the construction of the improvements to the leasehold

property have been paid in full and that there are no outstanding construction liens pertaining to the leasehold property and improvements thereon.

14. **Permit Fees, Impact Fees, and Licenses.** LESSEE shall be responsible for obtaining, at its sole expense, all permits and licenses required to construct or repair improvements, and otherwise operate the leasehold premises. In addition, LESSEE shall be required to pay all permit fees, utility fees, and impact fees resulting from improvements made or additional services to the leasehold, unless otherwise waived. LESSEE shall be responsible for and provide all licenses required by all local, state, and federal agencies.

15. **Payment of Taxes.** LESSEE shall promptly pay any and all taxes and special improvement assessments as may be levied on the property during the period of this Lease. Should the State of Florida determine that this leasehold is subject to sales tax, LESSEE shall be solely responsible for the payment of said tax.

16. **Right of First Refusal.** If, during the term of this Lease or any extensions thereof, LESSOR elects to enter into a lease of the Premises or receives a bona fide offer, acceptable to the LESSOR, to lease the Premises after the termination of this Lease, the LESSOR shall notify the LESSEE of the terms of such offer (including the consideration) and the name of the offeror, if any, (the "Notice") before accepting the same, and the LESSEE shall have thirty (30) days from receipt of said Notice ("Exercise Period") to lease the Premises on the same terms of such bona fide offer with such lease commencing after the termination of this Lease. If LESSEE fails to exercise its right within said Exercise Period, the County may lease the Premises to such third person in accordance with the terms and conditions of the offer set forth in the Notice. If such lease is not executed within one hundred eighty (180) days from the expiration of the Exercise Period, and this Lease is still in effect, the rights granted to the LESSEE in this paragraph shall continue in full force and effect as to any future proposals or offers for lease that occur during the term of this Lease.

If, during the term of this Lease, LESSOR elects to sell the Premises, or receives a bona fide offer, acceptable to the LESSOR, for the purchase of the Premises, the LESSOR shall notify the LESSEE of the terms of such offer (including the consideration) and the name of the offeror, if any, (the "Notice") before accepting same, and the LESSEE shall have thirty (30) days from receipt of said Notice ("Exercise Period") to purchase the Premises on the same terms of such bona fide offer. If LESSEE fails to exercise its right within said Exercise Period, the LESSOR may sell the Premises to such third person in accordance with the terms and conditions of the offer set forth in the Notice. If such sale is not consummated within one hundred eighty (180) days from the expiration of the Exercise Period, the rights granted to the LESSEE in this paragraph shall continue in full force and effect for the remainder of the term of this Lease. If the LESSOR shall sell the Premises after a failure of the LESSEE to exercise its rights hereunder, such sale shall be subject to the provisions of this Lease.

17. **Pledge or Assignment of Lease.** LESSEE shall not pledge or assign this Lease Agreement, or sublet any part of the leased property, and LESSEE shall have no right to mortgage or encumber any part of the leasehold, or improvements located thereon without the approval of the BOCC. LESSEE shall not allow the use of the leasehold by any other group or organization,

in excess of two (2) weeks per group or organization, without the prior approval of the County Administrator or his designee. In addition to LESSEE keeping the leasehold and improvement thereon free and clear of all liens, claims of lien, and encumbrances, LESSEE does hereby indemnify and hold harmless the LESSOR of and from, all or any lien, claim of lien, or encumbrance, whether the validity of the same shall be in question or not, and said indemnifications shall include LESSEE paying for all reasonable court costs, attorney's fees, and expenses as may be incurred by LESSOR in protecting the leasehold against and from any lien, claim of lien, or encumbrance. The indemnification shall include court costs and attorney's fees at the trial court level, as well as attorney's fees and costs associated with appellate proceedings, if any.

18. **Progress Report.** LESSEE shall be required to prepare annual written and oral reports to the BOCC regarding the progress being made in fulfillment of LESSEE's financial condition, including fundraising efforts/successes, and costs incurred to comply with the goals and objectives specified in this Agreement, as well as any updated future plans. Further, the report shall contain a project schedule tracking any project undertaken by LESSEE and noting the phase of development/improvement for each. Also, specific accomplishments, attendance data, organizations served, programs and services offered, revenue and expenses, and other such data should be included in the annual report. The first report shall be due on November 1st following the execution date of this Agreement and annually thereafter on November 1st of each subsequent year. At the time of the presentation of the first annual report, LESSOR and LESSEE agree to discuss future funding efforts for preservation of the historic structures and the potential establishment of a specific account designated for capital improvements to be funded by LESSEE.

19. **Termination.**

A) The LESSEE acknowledges that the conditions, covenants, and requirements on its part to be kept, as stated herein, are material inducements to the LESSOR entering into this Lease Agreement. Should the LESSEE fail to perform any of the conditions, covenants, and requirements on its part to be kept, then this Lease Agreement may be terminated at the option of the LESSOR. In such event, the LESSOR may take possession of the leasehold property and improvements and shall have the right to remove all persons therefrom. The failure of LESSOR to take any action with respect to any breach of any term, covenant, or condition contained herein, or any instance of default, shall not be deemed to be a waiver of any subsequent breach, of the same or other condition, and the subsequent acceptance of rent or further performance hereunder by LESSEE should not be deemed to be a waiver of any default or breach by LESSEE.

B) If the LESSEE at any time during the term of this Lease should lose its tax-exempt status for Federal Income Tax purposes for more than one (1) taxable year, the LESSOR may, at its option, terminate this Lease by giving LESSEE written notice of such termination and specifying the date of termination. The LESSEE shall, at LESSOR's request, furnish evidence of the continuation of such tax-exempt status and a failure to furnish such evidence in acceptable form to the LESSOR after request shall constitute a default hereunder.

C) In the event that LESSEE ceases its corporate existence, files for bankruptcy, or becomes financially insolvent, then the LESSOR may, at its option, terminate this Lease.

D) In the event that LESSEE fails to make any of the payments of rent herein reserved from the date the same shall severally become due and payable, then the LESSOR may, at its option, terminate this Lease.

E) In the event that LESSEE uses the Premises in any way not contemplated by this Lease, the LESSOR may terminate this Lease Agreement following the procedures in Paragraph 20 below. At the LESSOR's option, all new structures constructed by the LESSEE located on the leasehold shall be removed by LESSEE, at its sole expense, and the leasehold property shall be returned to its state at the beginning of the Lease.

20. **Notice of Default.** In the event of a default through breach of any covenant or through any use of the Premises which the BOCC finds to be a use not contemplated by the Lease, LESSOR shall give LESSEE written notice of the default, specifying those acts or things which must occur in order to cure said default, and LESSEE shall have such period of time as LESSOR shall designate, and not less than thirty (30) days, in its written notice of default, within which to cure the default. Should the default remain, upon expiration of the time granted to cure the same, LESSOR shall provide written notice to LESSEE of the termination of this Lease Agreement and such termination shall be effective immediately.

21. **Normal Expiration of Leasehold Term.** LESSEE shall voluntarily quit its use of the leasehold property and shall return the leasehold property to LESSOR on the date of the normal expiration of this Lease Agreement in a satisfactory condition as determined by the LESSOR. At the LESSOR's option, at the time of expiration of the leasehold term, all new structures constructed by the LESSEE to the leasehold, shall be removed by LESSEE at LESSEE's sole expense. Further, LESSOR shall not be required to provide notice to LESSEE to quit the leasehold property upon the normal expiration of this Lease Agreement. LESSOR may, in its sole discretion, allow LESSEE to hold over upon expiration of this Lease, on such terms and conditions as LESSOR shall deem warranted. In the event that LESSEE shall hold over, LESSOR shall have the exclusive right to determine the terms and conditions of the same and shall notify LESSEE of those conditions in writing.

22. **Quiet Enjoyment and Right of Use.** LESSOR hereby covenants with LESSEE, that upon paying the rent and upon the performance by the LESSEE of the covenants and agreements herein set forth, that LESSEE shall have the right of ingress and egress to, from, and upon the leased Premises for all purposes necessary to the full quiet enjoyment by said LESSEE during the term of this Lease of the rights conveyed herein without any interruption by the LESSOR or by any person or persons claiming by, through or under it, unless such use of the Premises is required by LESSOR as set forth in paragraph 23 herein. LESSOR warrants unto LESSEE that the County owns the Premises in fee simple, free and clear of any and all liens, encumbrances, restrictive covenants, and exceptions and that it has full power, right, and authority to lease the Premises pursuant to this Lease.

23. **Lessor's Right of Use.** It is mutually understood and agreed by the LESSOR and LESSEE that if during the term hereof, the demised Premises or any part thereof shall be required by LESSOR for any lawful purpose, particularly including the use thereof for County purposes, or Airport purposes, then, and in that event, the LESSOR may, upon thirty (30) days, written notice

to LESSEE, terminate this Lease Agreement and said property shall be delivered to the LESSOR in as good a condition as existed at the commencement of this Lease.

23. **Abandonment or Suspension of Use.** Should LESSEE voluntarily abandon or suspend its activities on the leasehold property and should that suspension or abandonment continue for a period of sixty (60) days, LESSOR may, at its option, terminate this Lease Agreement and LESSEE shall be required, hereby, to voluntarily quit the leasehold property. In this event, LESSOR may require that LESSEE, at its sole expense, remove all new structures constructed by LESSEE from the leasehold and return the property to LESSOR in as good a condition as existed at the commencement of this Lease.

24. **Cessation of Key West Art and Historical Society, Inc. Operations.** Upon the natural expiration or early termination of this Lease, the operation of the KWAHS as an historical museum and art gallery at Fort East Martello, shall immediately be ceased and all improvements, equipment, and other personalty of the LESSEE, its officers, staff, employees, agents, volunteers, and invitees shall immediately be removed from the Premises. Any damage to the Premises which has occurred due to the use contemplated under this Lease shall be immediately repaired and the Premises restored to its original condition, unless the parties agree at the cessation of operations that the Premises need not be repaired or restored due to other benefits installed by LESSEE during the term of this Lease. Should the LESSEE determine to cease operation prior to the natural termination of this Lease, the LESSEE shall give LESSOR prior written notice of such intended cessation sixty (60) days before the effective date of the cessation of operation.

25. **Control of Use and Protection of Historic Structures.** The LESSEE agrees that it will, within six (6) months of execution of this Lease Agreement, present to the BOCC an updated and detailed Plan which will demonstrate the continued control of the use of the facilities, the protection of the historic structures, including compliance with all life and fire safety codes, future plans for any expansion of services or programs, and other such concerns, which said Plan must be approved by the BOCC. The LESSOR and LESSEE agree that this Plan shall include details on specific repairs and actions taken to repair any damage caused by Hurricane Ian in 2022 to any of the historic structures at Fort East Martello.

26. **Assignment.** LESSEE may not assign this Lease or assign or subcontract any of its obligations under this Lease without the prior written approval of the Monroe County BOCC. All the obligations of this Lease will extend to and bind the legal representatives, successors, and assigns of the LESSEE and the LESSOR.

27. **Subordination.** This Lease is subordinate to the laws and regulations of the United States, the State of Florida, and Monroe County, whether in effect on commencement of this Lease or adopted after that date.

28. **Premises to be Used for Lawful Purposes.** It is expressly covenanted between the parties hereto that the LESSEE will not use, suffer nor permit any person to use in any manner whatsoever the leasehold property, nor any portion thereof, for purposes calculated to injure the reputation of the leasehold property or of the neighboring property, nor for any purpose or use in violation of the laws of the United States, or of the State of Florida, or of the City of Key West, or

of the Ordinances of Monroe County, Florida. LESSEE will keep and save the LESSOR forever harmless from any penalty or damage or charges imposed for any violation of any of said laws, whether occasioned by neglect of LESSEE, and LESSEE will indemnify and save and keep harmless the LESSOR against and from any loss, cost, damage, and expense arising out of any accident or other occurrence, causing injury to any person or property whomsoever or whatsoever, and due directly or indirectly to the use of the leasehold Premises or any part thereof by LESSEE.

29. **Limitation of Lessor's Liability.** It is further agreed that in no case shall the LESSOR herein be liable, under any express or implied covenants in the Lease, for any damages whatsoever to the LESSEE beyond the rent reserved by the Lease accruing, for the act, or breach of covenant, for which damages may be sought to be recovered against said LESSOR, and that in the event said LESSEE shall be ousted from the possession of said property by reason of any defect in the title of said LESSOR or said LESSOR's authority to make this Lease, said LESSEE shall not be required to pay rent under this Lease while it is so deprived of said property, and that said LESSOR shall not incur any liability as a result of such ouster.

30. **No Waiver of Breach.** It is further mutually covenanted and agreed between the parties hereto that no waiver of a breach of any of the covenants of this Lease shall be construed to be a waiver of any succeeding breach of the same covenant.

31. **Rules and Regulations.**

A) COMPLIANCE. LESSEE shall comply with all reasonable rules and regulations with respect to use of the Premises, as the same may be amended from time to time, all additional laws, statutes, ordinances, regulations, and rules of the federal, state, and county governments, and any and all plans and programs developed in compliance therewith, which may be applicable to its operations, including specifically, without limiting the generality thereof, federal safety laws and regulations, and federal, state, and county environmental, hazardous waste and materials, historical standards and practices, and natural resources laws, regulations, and permits.

B) It shall be a condition of this lease, that the LESSOR reserves unto itself, its successors and assigns, for the use and benefit of the public, a right of flight for the passage of aircraft in the airspace above the surface of the Premises herein described, together with the right to cause in said airspace such noise as may be inherent in the operation of aircraft, now known or hereafter used, for navigation or of flight in the said airspace, and for use of said airspace for landing on, taking off from or operating on the airport.

That the LESSEE, expressly agrees for itself, its successors and assigns, to restrict the height of structures, objects of natural growth and other obstructions on the hereinafter described real property to such a height so as to comply with Federal Aviation Regulations, Part 77.

That the LESSEE expressly agrees for itself, its successors and assigns, to prevent any use of the herein described Premises which would interfere with or adversely affect the operation or maintenance of the airport, or otherwise constitute an airport hazard.

C) This Lease and all provisions hereof are subject and subordinate to the terms and conditions of the instruments and documents under which the Airport Owner acquired the subject

property from the United States of America and shall be given only such effect as will not conflict or be inconsistent with the terms and conditions contained in the lease of said lands from the Airport Owner, and any existing or subsequent amendments thereto, and are subject to any ordinances, rules, or regulations which have been, or may hereafter be adopted by the Airport Owner pertaining to the Key West International Airport, including any ordinance, rule, or regulation concerning mandatory insurance requirements for tenants at the Key West International Airport.

D) VIOLATIONS. LESSEE agrees to pay on behalf of the LESSOR any penalty, assessment, or fine, issued against the LESSOR, or to defend in the name of the LESSOR any claim, assessment, or civil action, which may be presented or initiated by any agency or office of the federal, state, or county governments, based in whole or substantial part upon a claim or allegation that LESSEE, its agents, employees, or invitees have violated any law, ordinance, regulation, rule, or directives described in 31(A), (B), or (C) above.

32. **Force Majeure.** If either party shall be delayed, hindered or prevented from the performance of any act required hereunder by reason of strikes, lockouts, labor trouble, inability to procure material, failure of power, riots, insurrection, war or Acts of God (including but not limited to flooding, tropical storms, and hurricanes) or other reasons of like nature not the fault of the party delayed, in performing work or doing acts required under this Lease, the period for the performance of any such act shall be extended for a reasonable period.

33. **Leasehold Improvements.** The LESSEE agrees not to make any alterations to said Premises, without first obtaining written consent of the LESSOR to do so. Such alterations shall be based on plans approved by the Airport Director and the Monroe County Administrator or his designee, and shall be subject to all Federal, State, and County code provisions governing construction and historical structures. LESSEE shall be responsible for obtaining any permits required by any governmental agency. All site improvements shall be pre-approved by the Monroe County Board of County Commissioners.

34. **Responsibility for Property on Leasehold.** All property of any kind that may be on the Premises during the term of this Lease shall be at the sole risk of the LESSEE. The LESSOR shall not be liable to the LESSEE or any other person for any injury, loss, or damage to property or person on the Premises.

35. **Damage to Leasehold.** In the event that the demised Premises, or a major part thereof, are destroyed by fire, storm, or any other casualty, the LESSOR at its option may forthwith repair the damage to the Premises and any structures located thereon at its own cost and expense. The rental thereon shall cease until the completion of such repairs. If LESSOR exercises its option to repair the Premises, LESSEE agrees to assign its right, if any, to the insurance proceeds to the LESSOR.

36. **Rights Reserved.** Rights not specifically granted to LESSEE by this Lease are reserved to the LESSOR.

37. **Indemnification / Hold Harmless / Defense.** The LESSEE covenants and agrees to defend, indemnify and hold harmless Monroe County Board of County Commissioners, and its elected and appointed officers, officials, agents, servants, and employees from any and all claims, demands, or causes of action for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, costs, penalties, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of the LESSEE utilizing the property governed by this lease/rental agreement. The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

38. **Joint Venture.** LESSEE and LESSOR warrant and represent that by the execution of this Lease Agreement it is not the intent of the parties that the use of the leasehold property by LESSEE or the construction of improvements thereon by LESSEE be construed or deemed to represent a joint venture or undertaking between the LESSOR and LESSEE. LESSEE shall, at all times be responsible for the operation and coordination of maintenance of the leasehold property, the improvements constructed thereon, and the conduct of all activities and services provided by LESSEE as part of its operation.

LESSEE shall be responsible for seeking and applying for funding sources to effect the purposes of this Agreement therefore, nothing contained within the Agreement is to be construed as a limitation on the LESSEE's ability to apply for funding for repairs and maintenance. In addition, LESSOR, as the owner of the improvements, shall also be authorized to apply for grant funding to effect the purposes of this Agreement. LESSOR and its authorized agents, contractors, and employees shall have the right to enter upon the leased premises when LESSOR, at its discretion, undertakes a repair or improvement.

39. **Governing Law, Venue, and Interpretation.** This Lease shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Lease, the LESSOR and LESSEE agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida.

The LESSOR and LESSEE agree that, in the event of conflicting interpretations of the terms or a term of this Lease by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

40. **Severability.** If any term, covenant, condition, or provision of this Lease (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions, and provisions of this Lease, shall not be affected thereby; and each remaining term, covenant, condition, and provision of this Lease shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions, and provisions of this Lease would prevent the accomplishment of the original intent of this Lease.

The LESSOR and LESSEE agree to reform the Lease to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

41. **Attorney's Fees and Costs**. The LESSOR and LESSEE agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, and shall include attorney's fees, courts costs, investigative, and out-of-pocket expenses in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Lease shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

42. **Binding Effect**. The terms, covenants, conditions, and provisions of this Lease shall bind and inure to the benefit of the LESSOR and LESSEE and their respective legal representatives, successors, and assigns.

43. **Authority**. Each party represents and warrants to the other that the execution, delivery, and performance of this Lease have been duly authorized by all necessary County and corporate action, as required by law.

44. **Claims for Federal or State Aid**. LESSOR and LESSEE agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Lease; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

45. **Adjudication of Disputes or Disagreements**. LESSOR and LESSEE agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Lease or by Florida law.

46. **Cooperation**. In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Lease, LESSOR and LESSEE agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Lease or provision of the services under this Lease. LESSOR and LESSEE specifically agree that no party to this Lease shall be required to enter into any arbitration proceedings related to this Lease.

47. **Nondiscrimination.** LESSOR and LESSEE agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Lease automatically terminates without any further action on the part of any party, effective the date of the court order. LESSOR and LESSEE agree to comply with all Federal and Florida statutes, and all local ordinances, as

applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101- 6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s.3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code, Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) All requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended; and 12) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Lease.

In the event of breach of any of the above nondiscrimination covenants, Airport Owner shall have the right to terminate the Lease and to re-enter and as if said lease had never been made or issued. The provision shall not be effective until the procedures of Title 49, Code of Federal Regulations, Part 21 are followed and completed including exercise of expiration of appeal rights.

48. **Covenant of No Interest**. LESSOR and LESSEE covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Lease, and that the only interest of each is to perform and receive benefits as recited in this Lease.

49. **Code of Ethics**. LESSOR agrees that officers and employees of the LESSOR recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

50. **No Solicitation/Payment**. The LESSOR and LESSEE warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Lease and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Lease. For the breach or violation of this provision, the LESSEE agrees that the LESSOR shall have the right to terminate this Lease without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

51. **Public Access**. The LESSOR and LESSEE shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the LESSOR and LESSEE in conjunction with this Lease; and the LESSOR shall have the right to unilaterally cancel this Lease upon violation of this provision by LESSEE.

52. **Non-Waiver of Immunity**. Notwithstanding the provisions of Chapter 768.28, Florida Statutes, the participation of the LESSOR and LESSEE in this Lease and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the LESSOR be required to contain any provision for waiver.

53. **Privileges and Immunities**. All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the LESSOR, when performing their respective functions under this Lease within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

54. **Legal Obligations and Responsibilities**. Non-Delegation of Constitutional or Statutory Duties. This Lease is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Lease is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the LESSOR, except to the extent permitted by the Florida constitution, state statute, and case law.

55. **Non-Reliance by Non-Parties**. No person or entity shall be entitled to rely upon the terms, or any of them, of this Lease to enforce or attempt to enforce any third-party claim or

entitlement to or benefit of any service or program contemplated hereunder, and the LESSOR and LESSEE agree that neither the LESSOR nor the LESSEE or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Lease separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Lease.

56. **Attestations**. LESSEE agrees to execute such documents as the LESSOR may reasonably require, including a Public Entity Crime Statement, an Ethics Statement, and a Vendor Certification Regarding Scrutinized Companies.

57. **No Personal Liability**. No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent, or employee of Monroe County in his or her individual capacity, and no member, officer, agent, or employee of Monroe County shall be liable personally on this Lease or be subject to any personal liability or accountability by reason of the execution of this Lease.

58. **Execution in Counterparts**. This Lease may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Lease by signing any such counterpart.

59. **Section Headings**. Section headings have been inserted in this Lease as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Lease and will not be used in the interpretation of any provision of this Lease.

60. **Cancellation of Agreement.** LESSOR may cancel this Lease Agreement by giving LESSEE sixty (60) days' advanced written notice upon the happening of any of the following events: the appointment of a receiver of LESSEE's assets; the divesting of LESSEE's leasehold estate by other operation of law; or the abandonment by LESSEE of the Premises for a period of sixty (60) days. By the end of the sixty (60) days' notice period, LESSEE shall have vacated the premises and the LESSOR may immediately re-enter and take possession of same. If it is necessary to employ the services of an attorney in order to enforce the LESSOR's rights under this paragraph, the LESSOR shall be entitled to reasonable attorney's fees.

61. **Mutual Review.** This Lease has been carefully reviewed by LESSEE and LESSOR; therefore, this Lease is not to be construed against either party on the basis of authorship.

62. **Remedies Cumulative.** All remedies hereinbefore and hereafter conferred on LESSOR shall be deemed cumulative and no one exclusive of the other, or of any other remedy conferred by law.

63. **Notices.** Any notice or correspondence required or permitted pursuant to this Lease shall be in writing and hand delivered or sent by United States Mail, postage prepaid, to the other party by certified mail, return receipt requested, or by courier with proof of delivery. Notice is deemed received by LESSEE when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice shall be sent to the following addresses:

64. **Board of Directors Residency Requirements.** During the term of this Lease, the LESSEE agrees that a majority of its Board of Directors shall be residents of Monroe County, Florida.

65. **Entire Agreement**. This writing embodies the entire agreement and understanding between the parties hereto, and there are no other agreements and understandings, oral or written, with reference to the subject matter hereof that are not merged herein and superseded hereby. Any previous Lease Agreement, or any amendments thereto, entered into by the parties hereto shall be terminated upon execution of this Lease Agreement. Any amendment to this Lease shall be in writing, approved by the Board of County Commissioners, and signed by both parties before it becomes effective.

Coverage will be maintained throughout the entire term of the contract.

Coverage will be provided by a company or companies authorized to transact business in the state of Florida.

If the Contractor has been approved by the Florida's Department of Labor, as an authorized self-insurer, the County may recognize and honor the Contractor's status. The Contractor may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on the Contractor's Excess Insurance Program.

If the Contractor participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the Contractor may be required to submit updated financial statements from the fund upon request from the County.

Address: _____

City: _____ State: _____ Zip: _____

Phone Number_____ Email Address: _____

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for good or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of Respondent, I hereby certify that the company identified above in the Section entitled "Respondent Vendor Name" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or been engaged in business operations in Cuba or Syria.

Certified By: _____, who is authorized to sign on behalf of the above referenced company.

#6th AMENDMENT TO AGREEMENT FOR DISPOSAL OF REMAINS
DEAN-LOPEZ FUNERAL HOME
MONROE COUNTY

THIS 6th AMENDMENT to Agreement for Disposal of Remains is made and entered into this 8h day of November, 2023, by and between Monroe County, a political subdivision of the State of Florida, whose address is The Historic Gato Building, 1100 Simonton Street, Suite 2-257, Key West, Florida 33040 (hereafter, "County"), and Dean-Lopez Funeral Home, a Florida business whose address is 418 Simonton Street, Key West, Florida 33040 (hereafter "Contractor").

WHEREAS, on the 17th of September 2014 the County and the Contractor entered into an Agreement for disposal of remains (hereafter "Original Agreement"); and

WHEREAS, Dean-Lopez Funeral Home is willing and able to provide for disposal of remains and perform related services; and

WHEREAS, Dean Lopez Funeral Home is now owned by Peter E. Batty; however, Robert Dean is still remaining on staff and operating in a key role as primary mortician; and

WHEREAS, the parties have found the original agreement to be mutually beneficial now therefore,

IN CONSIDERATION of the following mutual promises and benefits, the parties agree as follows:

Section 1. Paragraph 1 of the Original Agreement is amended to read as follows:

1. TERM. The term of this Amendment is two years beginning October 16, 2023 and terminating on October 15, 2025.

Section 2. All other provisions of the September 17, 2014 Original Agreement not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEROF, County and Contractor have executed this Agreement as of the date first written above.

#5th AMENDMENT TO AGREEMENT FOR DISPOSAL OF REMAINS
ALLEN FUNERAL DIRECTORS, LLC., d/b/a ALLEN-BEYER FUNERAL HOME
MONROE COUNTY

THIS 5th AMENDMENT to Agreement for Disposal of Remains is made and entered into this 15th day of September, 2021, by and between Monroe County, a political subdivision of the State of Florida, whose address is The Historic Gato Building, 1100 Simonton Street, Suite 2-257, Key West, Florida 33040 (hereafter, "County"), and Allen Funeral Directors, LLC., d/b/a Allen-Beyer Funeral Home, a Florida business whose address is Post Office Box 373000, Key Largo, Florida 33037 (hereafter "Contractor").

WHEREAS, on the 17th of September 2014 the County and the Contractor entered into an Agreement for disposal of remains (hereafter "Original Agreement"); and

WHEREAS, Allen-Beyer Funeral Home is willing and able to provide for disposal of remains and perform related services; and

WHEREAS, the parties have found the original agreement to be mutually beneficial now therefore,

IN CONSIDERATION of the following mutual promises and benefits, the parties agree as follows:

Section 1. Paragraph 1 of the Original Agreement is amended to read as follows:

1. TERM. The term of this Amendment is two years beginning October 16, 2021 and terminating on October 15, 2023.

Section 2. All other provisions of the September 17, 2014 Original Agreement not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEROF, County and Contractor have executed this Agreement as of the date first written above.

#7th AMENDMENT TO AGREEMENT FOR DISPOSAL OF REMAINS
FLORIDA KEYS FUNERAL SERVICES, LLC., KEY WEST MORTUARY
MONROE COUNTY

THIS 7th AMENDMENT to Agreement for Disposal of Remains is made and entered into this 8th day of November, 2023, by and between Monroe County, a political subdivision of the State of Florida, whose address is The Historic Gato Building, 1100 Simonton Street, Suite 2-257, Key West, Florida 33040 (hereafter, "County"), and Florida Keys Funeral Services, LLC., d/b/a Key West Mortuary, a Florida business whose address is 328 Truman Avenue, Key West, Florida 33040 (hereafter "Contractor").

WHEREAS, on the 17th of September 2014 the County and the Contractor entered into an Agreement for disposal of remains (hereafter "Original Agreement"); and

WHEREAS, Florida Keys Funeral Services, LLC., d/b/a Key West Mortuary is willing and able to provide for disposal of remains and perform related services; and

WHEREAS, Florida Keys Funeral Services, LLC., d/b/a Key West Mortuary is now owned by Peter E. Batty; however, Aaron Castillo is still remaining on staff and operating in a key role as primary mortician; and

WHEREAS, the parties have found the original agreement to be mutually beneficial now therefore,

IN CONSIDERATION of the following mutual promises and benefits, the parties agree as follows:

Section 1. Paragraph 1 of the Original Agreement is amended to read as follows:

1. TERM. The term of this Amendment is two years beginning October 16, 2023, and terminating on October 15, 2025.

Section 2. All other provisions of the September 17, 2014 Original Agreement not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEROF, County and Contractor have executed this Agreement as of the date first written above.

Turnkey Event Agreement

THIS Agreement is made and entered into by and between Monroe County, Florida, a political subdivision of the State of Florida (County), and **Friends of the Pool, Inc.** (Event Contractor) on this ____ day of _____, 2023.

WHEREAS, The District Advisory Committee (DAC) has recommended to the Monroe County Tourist Development Council (TDC), which has endorsed the recommendation, that certain monies be allocated for promotion of an event, which has as one of its main purposes the attraction of tourists, by Event Contractors; and

WHEREAS, the DAC recommends allocation of funds for the Swim for Alligator Lighthouse on September 2023.

NOW THEREFORE, in consideration of the mutual promises contained herein, the parties agree as follows:

1. Payment: A Turnkey event shall be considered an all-inclusive event where the Event Contractor has financial responsibility for every facet of the production, promotion and management of the event. Payment under a contract for a Turnkey event will be made only after completion of the event and proof that the scope of services as described below in paragraph 2 has been completed. If a Turnkey event is delayed or canceled for any reason, **no payment shall be forthcoming**, even if the Event Contractor has out-of-pocket expenses leading up to the actual event. The Tourist Development Council (TDC), therefore, strongly recommends that the Event Contractor purchase insurance that covers the cancellation or delay of an event due to "force majeure" or unforeseen circumstances (see paragraph 9).

The County agrees to pay $**40,00** (Forty Thousand Dollars – TDC District IV Funding Allocation) for: **Swim for Alligator Lighthouse on September 2023,** from tourist development tax funds upon receipt of documentation from Event Contractor, on or before the expiration date of agreement in paragraph 3, that they have met its obligations under this agreement. Said documentation shall also include samples of the Event Contractor's marketing program as outlined in their application. Documentation submitted by Event Contractor will be reviewed and verified by the Tourist Development Council (TDC) Administrative Office, at which time, County shall pay the sum noted above.

Monroe County's performance and obligation to pay under this contract is contingent upon an annual appropriation by the County.

2. Scope of Services: The Event Contractor agrees to provide the County with an event as specified in the Scope of Services below (Event):

a) A four (4) day event to include meet and greet; safety meeting; swim with a Celebrity; open water race to Alligator Reef Light House; Awards banquet; and breakfast event

3. Expiration of Agreement: This agreement expires on **November 29, 2023** unless the date of the event is amended upon approval of the Advisory Committee and TDC Director and the County shall not be obligated to pay for any services provided by Event Contractor under this agreement if documentation as noted above is not received by the TDC administrative on or before this reimbursement deadline date.

4. Modification: The event name, time & date of the event and Schedule of Activities may be amended upon written approval of the Advisory Committee and TDC Director. Any changes to said contract other than stated above require approval by the Advisory Committee, TDC and the County.

5. Non Occurrence of Event: The Event Contractor shall give written notice to the TDC if it is found necessary to cancel an event. The notice shall contain the reason for the cancellation.

6. Indemnification and Hold Harmless: The Event Contractor covenants and agrees to indemnify and hold harmless and defend Monroe County, its officers, employees and agents including the TDC and Visit Florida Keys from any and all claims for bodily injury (including death), personal injury and property damage (including property owned by Monroe County) and any other losses, damages and expenses (including attorney's fees) which arise out of, in connection with, or by reason of the services provided by Event Contractor, or other activities and funding associated with this agreement, except those losses or damages caused by the negligent or wrongful act or omission of County or its agents.

7. Non-Waiver of Immunity: Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the Event Contractor and the County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

8. Claims and Venue: Event Contractor agrees to notify County immediately of any claims, suits or action made against the Event Contractor that is related to the activity under this agreement, and will cooperate with County in the investigation arising as a result of any action, suit or claim related to this agreement. Any legal proceedings arising out of this agreement shall be in accordance with the laws of the State of Florida in the 16th Judicial Circuit for Monroe County; venue shall be in Monroe County, Florida.

9. Insurance Requirements: Event Contractor as a pre-requisite of the Special Event governed by this agreement shall obtain, at its own expense, insurance as specified in this section. If a Turnkey event is delayed or canceled for any reason, **no payment shall be forthcoming**, even if the Event Contractor has out-of-pocket expenses leading up to the actual event. The TDC, therefore, strongly recommends that the Event Contractor purchase insurance that covers the cancellation or delay of an event due to “force majeure” or unforeseen circumstances.

Event Contractor shall furnish the County with a certificate evidencing the insurance required by this paragraph not later than twenty (20) days prior to the event.

Event Contractor must have their insurance agency email the certificates of insurance directly to Brian Bradley in the Monroe County Risk Management Department. Bradley-Brian@MonroeCounty-FL.Gov – **The email must state that this is a certificate for a TDC event (state name of event as written within your contract) and should be forwarded to Ammie Machan at the TDC administrative office**. **Your certificate must state that the Monroe County Board of County Commissioners is a "Certificate Holder" and that Monroe County, its employees and officials will be included as "additional insured". If you or your insurance agency needs to speak with Brian Bradley regarding the insurance requirements, she can be contacted by telephone at (305) 292-3470, or by email at the address stated above.**

It is the Event Contractor's responsibility to confirm that the insurance has been received and approved. You can do this by contacting Ammie Machan at Ammie@fla-keys.com or by calling (305) 296-1552.

Event Contractor will not be permitted to commence work associated with the Event (including pre-staging of personnel and material) until satisfactory evidence of the required insurance has been furnished to the County as specified below. Event Contractor shall maintain the required insurance throughout the entire duration of the Special Event and any extensions specified in any attached schedules. Failure to comply with this provision may result in the immediate suspension of the Event until the required insurance has been reinstated or replaced. Event Contractor shall provide, to the County, as satisfactory evidence of the required insurance, either:

* Original certificate of Insurance
  or
* Certified copy of the actual insurance policy

A certified copy of any or all insurance policies required by this contract shall be filed with the Clerk of the County prior to the Event.

All insurance policies must specify that they are not subject to cancellation, non-renewal, material change or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

Acceptance and/or approval of Event Contractor's insurance shall not be construed as relieving Event Contractor from any liability or obligation assumed under this contract or imposed by law.

Any deviations from these General Insurance Requirements must be requested in writing on the County form titled "Request for Waiver of Insurance Requirements" and must be approved by Monroe County Risk Management.

Prior to commencement of work governed by this contract, Event Contractor shall obtain General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

* Premises Operations
* Products and Completed Operations
* Blanket Contractual Liability
* Personal Injury Liability
* Expanded Definition of Property Damage

The minimum limits acceptable shall be:

* $1,000,000.00 Combined Single Limit (CSL)

If split limits are provided, the minimum limits acceptable shall be:

* $ 500,000.00 per Person
* $1,000,000.00 per Occurrence
* $ 100,000.00 Property Damage

An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County. Recognizing that the work governed by this contract involves the sales and/or distribution of alcoholic beverages, the Contractor's General Liability Insurance policy shall include Liquor Liability with limits equal to those of the basic coverage.

A separate Liquor Liability policy is acceptable if the coverage is not more restrictive than the contractor's General Liability policy.

A Workers' Compensation insurance is required by Florida Statutes.

10. Permits: The Event Contractor will secure all required permits, licenses and shall pay all appropriate business taxes.

11. Laws and Regulations: Any and all services, materials and equipment shall comply fully with all Local, State and Federal laws and regulations.

12. Taxes: The County and TDC are exempt from Federal Excise and State of Florida Sales Tax, but this in no way exempts the Event Contractor from applicable Federal and State taxes.

13. Finance Charges: The County and TDC will not reimburse, pay or be responsible for any finance charges.

14. Relation of County/TDC: It is the intent of the parties hereto that the Event Contractor shall be legally considered as an independent contractor and that neither it nor its

employees shall, under any circumstances, be considered servants or agents of the County and TDC, and the County and TDC shall at no time be legally responsible for any negligence on the part of said Event Contractor, its employees or agents, resulting in either bodily or personal injury or property damage to any individual, firm or corporation.

15. Disclosure: The Event Contractor shall be required to list any or all potential conflicts of interest, as defined by Florida Statutes Chapter 112 and Monroe County Code. The Event Contractor shall disclose to the County and TDC all actual or proposed conflicts of interest, financial or otherwise, direct or indirect, involving any client's interest which may conflict with the interest of the County and TDC.

16. Assignment: The Event Contractor shall not assign, transfer, convey, sublet or otherwise dispose of this agreement, or of any or all of its right, title or interest therein, or his or its power to execute such agreement to any person, company or corporation without prior consent of the TDC and County.

17. Compliance with Laws - Nondiscrimination: Event Coordinator and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. Event Coordinator and COUNTY agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101- 6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s.3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code, Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties hereto, or the subject matter of, this Agreement.

18. Security Protection: The Event Contractor agrees to provide adequate security for the event.

19. Ethics Clause: The Event Contractor warrants that it has not employed, retained or otherwise had act on its behalf, any former County office or employee in violation of Section 2 of Ordinance No. 10-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 10-1990. For breach or violation of the provision the County may, at its discretion, terminate this agreement without liability and may also, at its discretion, deduct from the agreement or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift or consideration paid to the former or present County officer or employee. The Event Contractors warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement. For the breach or violation of the provision, the Event Contractor agrees that the County shall have the right to terminate this agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

20. Media Rights: The TDC shall have the right under this agreement to broadcast or rebroadcast, for any purpose whatsoever, radio, television, sound, video or film production, and still photographs, paid by the TDC and County, and produced by the TDC agencies of record.

21. **Logo**: Marketing promotions that display our logo must use the "The Florida Keys - Islamorada" logo/trademark **(as per attached logo sample – Exhibit A).** Electronic format (eps or jpg file) of the appropriate logo may be obtained by contacting Ashley Miller or John Underwood with Tinsley Advertising at 305-856-6060.

22. Severability: If any provision of this agreement shall be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions shall not be affected thereby; and each provision of this agreement shall be valid and enforceable to the fullest extent permitted by law.

23. Authority: Each of the signatories for the Event Contractor below certifies and warrants that: a) the Event Contractor's name in the agreement is the full name of the person/entity or corporation as designated in its corporate charter, and b) they are empowered to act and execute the agreement for the Event Contractor and c) this agreement has been approved by the Event Contractor's governing board, as applicable to corporations.

24. Public Entities Crimes: A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for category two for a period of 36 months from the date of being placed on the convicted vendor list.

25. Governing Law/Venue: This agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of the agreement, the County and Event Contractor agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. This agreement shall not be subject to arbitration.

26. Accounting and Records: Event Contractor shall maintain records pursuant to generally accepted accounting principles for four (4) years after the event and shall permit County and its agents and employees access to said records at reasonable times.

27. Notice: Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage prepaid, to the other party by certified mail, returned receipt requested to the following:

For Event Contractor: Rob Dixon
Friends of the Pool, Inc.
217 Matecumbe Ave.
Islamorada, FL 33036

For Grantor: Maxine Pacini
Monroe County Tourist Development Council
1201 White Street, Suite 102
Key West, FL 33040

And

Christine Limbert-Barrows, Asst. County Attorney
P.O. Box 1026
Key West, FL 33041-1026

28. Attestations: Event Contractor agrees to execute such documents as the County may reasonably require, to include a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement.

29. Breach and Penalties: The parties agree to full performance of the covenants contained in this agreement, and the County reserves the right at its discretion, provided such breach is material, to terminate this agreement for any misfeasance, malfeasance or nonperformance of the agreement terms or negligent performance of the agreement terms by the Event Contractor.

30. Termination of Agreement: This agreement shall terminate on **November 29, 2023**. Termination prior thereto shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the

continuation of this agreement pursuant to the terms specified herein, this agreement may then be terminated immediately by the TDC administrative office providing written notice of termination delivered in person or by mail to Event Contractor. The Grantor may terminate this agreement without cause upon giving written notice of termination to Event Contractor. The Grantor shall not be obligated to pay for any services or goods provided by Event Contractor after Event Contractor has received written notice of termination.

County may terminate this agreement without cause by providing written notice via the TDC administrative office to Event Contractor, through its officer, agent or representative, no less than sixty (60) days prior to the event and may terminate for breach upon providing to Event Contractor, through its officer, agent or representative, written notice at least seven (7) days prior to the effective date of the termination. Notice is deemed received by Event Contractor when hand delivered, delivered by national courier with proof of delivery, or by U.S. mail upon verified receipt or upon the date of refusal or non-acceptance of delivery.

31. Miscellaneous: As used herein, the terms “contract” and “agreement” shall be read interchangeably.

32. Entire Agreement: The parties agree that the agreement above constitutes the entire agreement between the County and Event Contractor.

IN WITNESS WHEREOF, the parties hereto have executed this agreement the day and year first above written.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: I1
2023-1295

BULK ITEM: Yes

DEPARTMENT: County Land Acquisition And Land Management

TIME APPROXIMATE:

STAFF CONTACT: Christine Hurley

AGENDA ITEM WORDING: Approval of a contract to purchase a less than fee interest in Lots 39 and 40, Doctors Arm Subdivision Third Addition Section A on Big Pine Key near mile marker 31 from Charles Gimbel and Sharon Gimbel for density reduction purposes for the price of $99,999.

ITEM BACKGROUND:
This acquisition is proposed pursuant to BOCC Resolution 128-2022 (the Less Than Fee Acquisition Program) to protect property rights, to reduce density, and to reduce the County's potential liability for takings suits.

The subject property is a 12,000 square foot site located at 2247 San Marco Drive on the bay side of Big Pine Key and is developed with one dwelling unit. Lot 40 is developed with a house. Lot 39 is a vacant, canal front, pea rock lot. The less than fee interest being purchased by the County will combine the site into a single Unified Parcel and will:

- Limit the total density of the Unified Parcel to one residential dwelling unit
- Retire all other density and prohibit the transfer of density off site
- Prohibit new accessory structures providing habitable space
- Not prohibit accessory uses and non-habitable accessory structures
- Not prohibit additions to the lawfully established existing residential unit

The Sellers have executed the attached purchase agreement requiring a restrictive covenant to be recorded in the public records imposing the above restrictions.

The purchase price for the less than fee interest is the program's maximum of $99,999. This purchase price is based on the $130,500 current market land value listed on the Monroe County Property Appraiser's website. The estimated closing costs for this transaction will be approximately $1,500.

PREVIOUS RELEVANT BOCC ACTION:

The Board established and modified the Less Than Fee program though the adoption of Resolutions:

06/20/18 - 175-2018,
12/19/18 - 438-2018,
02/19/20 - 063-2020, and
04/20/22 - 128-2022 which repealed and replaced the previous resolutions.

Lots 39 and 40, Doctors Arm Subdivision Third Addition Section A

Big Pine Key

AGREEMENT FOR THE PURCHASE OF LESS THAN FEE INTEREST IN LANDS

THIS AGREEMENT is made and entered into this _____ day of _____, 2023, by and between

Charles Gimbel and Sharon Gimbel

(hereinafter “Seller(s)”), for themselves, their heirs, executors, administrators, successors and assigns, and MONROE COUNTY, FLORIDA (hereinafter "COUNTY").

WITNESSETH:

1. The Seller(s) represent they are the owners of the following real property (hereinafter “Primary Parcel”) thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, that is currently developed with a residential dwelling unit and is more particularly described as follows; to-wit:

   Lot 40 Doctors Arm Subdivision Third Addition Section A Big Pine Key (PB 6-39)
   RE #00312571-004100

   The Seller(s) represent they are also the owners of the following real property (hereinafter “Secondary Parcel”) thereunto belonging, owned by them, situate and lying in the County of Monroe, State of Florida, that borders the Primary Parcel and is currently not developed with a residential dwelling unit or any other habitable space and is more particularly described as follows; to-wit:

   Lot 39 Doctors Arm Subdivision Third Addition Section A Big Pine Key (PB 6-39)
   RE #00312571-004000

2. In consideration of Ten Dollars ($10.00) in hand, paid by the COUNTY, the receipt of which is hereby acknowledged, the Seller(s) agree to sell to the COUNTY certain property rights owned by Seller, upon the terms and conditions hereinafter set forth, and for the price of **$99,999.00**. The Seller(s) covenant to surrender, release, relinquish and transfer any and all of the Seller(s)’s property rights in accordance with the Covenant of Unity of Title and Restrictions on Future Development and/or Conveyances attached as Exhibit A together with the other documents listed in Section 6 (hereinafter collectively “Less Than Fee Interest”) from the combined Primary Parcel and Secondary Parcel (hereinafter collectively “Unified Parcel”).

3. The Seller(s) agree that they have full right, power and authority to convey, and that they will convey to the COUNTY the Less Than Fee Interest and will simultaneously unify title of the servient estates of the Secondary Parcel with the Primary Parcel, subject to the following conditions and obligations:

   The COUNTY, at the COUNTY’S expense, shall have a title report commissioned to allow the COUNTY or its agent to examine all record detail of the ownership and encumbrances (O & E) affecting title to the Unified Parcel. The COUNTY may, at its option during the time permitted for examination of title, have the Unified Parcel surveyed and certified by a registered Florida surveyor. If the survey or O & E report disclose encroachments on the Unified Parcel or the existence of improvements located thereon, or any other restrictions, contract covenants, liens, transfers of development rights, or applicable governmental regulations, deemed not acceptable to the COUNTY, the same shall constitute a title defect.

   The COUNTY shall have sixty (60) days from the Effective Date in which to examine the O & E of Seller’s title. If title is found defective, as determined in the sole discretion of COUNTY, the

COUNTY shall, within this specified time period, notify Seller(s) in writing specifying defect(s). If the defect(s) render title unacceptable to the COUNTY, the Seller(s) will have one hundred twenty (120) days from receipt of notice within which to remove the defect(s). The Seller(s) will use diligent effort to correct defect(s) in title within the time provided therefore, including the bringing of necessary suits, failing which the COUNTY shall have the option of either accepting the title as it then is or rescinding the Agreement herein.

4. The Seller(s) further agree not to do, or suffer others to do, any act by which the value or property rights associated with the Less Than Fee Interest may be diminished or encumbered while this Agreement is pending. In the event any such diminution, encumbrance or other impairment occurs, the COUNTY may, without liability, refuse to accept conveyance of said Less Than Fee Interest.

5. The Seller(s) further agree that during the period covered by this instrument officers and accredited agents of the COUNTY shall have at all reasonable times the unrestricted right and privilege to enter upon the Unified Parcel for all proper and lawful purposes, including examination of the Unified Parcel and the resources upon it. Nothing herein shall be construed to constitute an acceptance of any existing or future code or building violation on the Unified Parcel. This provision shall survive closing. The Seller(s) hereby waive their rights to any and all claims against the COUNTY or the State of Florida associated with, or arising from ownership of, the Unified Parcel and this waiver shall survive closing.

6. The Seller(s) will execute and deliver upon demand of the proper officials and agents of the COUNTY the following documents conveying to the COUNTY all of Seller's Less Than Fee Interest in a manner satisfactory to the legal counsel of the COUNTY:

    a) Covenant of Unity of Title and Restrictions on Future Development and/or Conveyances (hereinafter "Covenant of Unity of Title document")
    b) Joinder of Mortgagee (if applicable)
    c) Joinder of Non-Mortgagee Encumbrance Holder (if applicable)
    d) Grantor's Affidavit of No Encumbrance (if neither b or c above applies)
    e) Affidavit of Trustee (if land owned by a Trust)
    f) Application to Monroe County Property Appraiser to Consolidate Real Estate Parcels

7. In consideration whereof the COUNTY agrees that it will purchase all of said Less Than Fee Interest at the price of **$99,999.00**. The COUNTY further agrees that after the preparation, execution, and delivery of the documents enumerated above, and after the legal counsel of the COUNTY shall have approved the documentation releasing the Less Than Fee Interest to be surrendered to and vested in the COUNTY, it will cause to be paid to the Seller(s) the purchase price, less any costs of closing payable by Seller, as set forth below.

    The COUNTY shall pay the following expenses associated with the conveyance of the Less Than Fee Interest: recording fees for the documents listed in Section 6, settlement fees, O & E report fees, title examination fees, and the Buyer's attorney's fees. The Seller(s) shall pay the real estate commissions, if any are due. Full transfer, surrender and possession of the development rights described above shall pass to the COUNTY as of the date payment is made to the Seller(s) subject only to the reservations stated in Section 2 above.

8. It shall be the obligation of the Seller(s) to pay any assessments outstanding as liens due to the County at the date the Less Than Fee Interest vests of record in the COUNTY.

9. It is mutually understood and agreed that notice of acceptance of this Agreement shall be given to the Seller(s) by email to the address provided by the Seller(s) or by mail addressed to the Seller(s) at the following address:

   2247 San Marco Drive
   Big Pine Key, FL 33043

   and shall be effective upon date of emailing or mailing and shall be binding upon all of the Seller(s) without sending a separate notice to each, except as such obligation may be affected by the provisions of Section 6 herein.

10. The effective date of this Agreement (hereinafter "Effective Date") shall be that date when the last one of the Seller(s) and the COUNTY has signed this Agreement.

11. If the Seller(s) wish to proceed with this transaction, the Seller(s) have until **July 20, 2023**, to sign and return this Agreement to the COUNTY, failing which the County shall have no obligations pursuant to this Agreement. This Agreement may be executed in counterparts. Notwithstanding any provision of this Agreement to the contrary, the COUNTY'S obligation to close this transaction is contingent upon the availability of funds budgeted for the Less Than Fee Program and approval of this Agreement by the Monroe County Board of County Commissioners, failing which the parties acknowledge that each shall be released of all further obligations under this Agreement. In the event this transaction has not closed within one hundred eighty (180) days from the Effective Date, then either party may terminate this Agreement at any time thereafter by providing written notice, in which case the parties acknowledge that each shall be released of all further obligations under this Agreement.

IN WITNESS WHEREOF, the Seller(s) have hereunto signed their names and affixed their respective seals on the day first above written and therefore the Seller(s) for and in consideration of the Ten Dollars ($10.00) hereinabove acknowledge as received, have and do hereby grant unto the COUNTY or its authorized representative, or any other office or agent of the COUNTY authorized to purchase said Less Than Fee Interest in land, the option and right to enter into this Agreement for Purchase within ninety (90) days from the execution thereof by the Seller(s).

COVENANT OF UNITY OF TITLE AND RESTRICTION ON FUTURE DEVELOPMENT AND/OR CONVEYANCES

THIS UNITY OF TITLE SHALL BE INCORPORATED IN WHOLE AND REFERENCED BY OFFICIAL RECORD BOOK AND PAGE NUMBER AND DOCUMENT NUMBER ON ALL TRANSFERS OF THE BELOW DESCRIBED REAL PROPERTY.

WHEREAS, this Unity of Title is granted this _____day of _____, 20__, by _____ (hereinafter "Grantor(s)"), to Monroe County, a political subdivision of the State of Florida (hereinafter "Grantee"), whose address is 1100 Simonton Street, Key West, Florida 33040; and

WHEREAS, the undersigned Grantor(s), is/are the sole fee simple title owner(s) of the certain below-described real property (hereinafter "Primary Parcel") that is currently developed with a residential dwelling unit and is located in Monroe County, Florida, having a legal description as follows and which is shown on attached Exhibit "___," which is hereby incorporated as if fully stated herein:

Parcel Address: _____Approximate Mile Marker: _____
Parcel(s)/Lot(s): _____Block: _____
Subdivision: _____
Key:_____Plat Book:_____Page: _____
Real Estate Number(s):_____

WHEREAS, the undersigned Grantor(s), is/are the sole fee simple title owner(s) of the certain below-described real property (hereinafter "Secondary Parcel") that is not currently developed with a residential dwelling unit or any other habitable space and is located in Monroe County, Florida, having a legal description as follows and which is shown on attached Exhibit "___," which is hereby incorporated as if fully stated herein:

Parcel Address: _____Approximate Mile Marker: _____
Parcel(s)/Lot(s): _____Block: _____
Subdivision: _____
Key:_____Plat Book:_____Page: _____
Real Estate Number(s):_____

WHEREAS, Grantee is a general purpose political subdivision of the State of Florida and is authorized to regulate and control the use of real property through the Monroe County Comprehensive Plan and the Monroe County Code(s) to protect the public health, safety, and welfare; and

WHEREAS, the Primary Parcel and Secondary Parcel are subject to the jurisdiction and requirements of the Monroe

County Comprehensive Plan and the Monroe County Code(s); and

WHEREAS, this Unity of Title encumbers the Primary Parcel and Secondary Parcel (hereinafter collectively "Unified Parcel"); and

WHEREAS, Grantor(s) hereby attest(s) his/her/its/their recognition that this Unity of Title does not allow the Unified Parcel to be divided into separate parcels; and

WHEREAS, Grantor(s) hereby attest(s) his/her/its/their recognition that the Unified Parcel shall hereafter exclusively be considered as one (1) parcel of land, and that no portion of said parcel of land may hereafter be sold, transferred, devised, or assigned separately, except in its entirety as one (1) parcel of land; and

WHEREAS, Grantor(s) hereby attest(s) his/her/its/their recognition that in granting this Unity of Title, Grantor acknowledges and accepts the condition hereafter limiting development to a single principal use (residential) structure on the Unified Parcel; and

WHEREAS, the consent of all mortgagee(s) and holder(s) of any all other encumbrance(s) of or otherwise upon the Unified Parcel is attached as Exhibit(s) "____" and "____." If no such consent is attached hereto, the undersigned Grantor (s), hereby attest(s) to Grantee that no such mortgage(s) and that no such other encumbrance(s) exist(s); and

WHEREAS, this Unity of Title is granted in consideration of payment in the amount of XX thousand dollars ($XX,XXX.XX) by Grantee to Grantor; and

WHEREAS, the undersigned Grantor(s) and Grantee hereby attest that such County payment in consideration was/were given pursuant to this Unity of Title, and that this Unity of Title, together with its restrictions, conditions, and limitations on future residential structure development are supported by good and valuable consideration; and

WHEREAS, this Unity of Title does not discharge, exempt, waive, or otherwise release the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), or tenant(s) thereto, from their duty to obtain required federal, state, County, and local approval(s) for any future construction of accessory structures or establishment of uses upon the Unified Parcel; and

NOW, THEREFORE, as an inducement to Grantee for and in consideration of Grantee's payment of good and adequate consideration, the adequacy, sufficiency, and receipt of which are hereby expressly acknowledged and attested to, the undersigned Grantor(s) hereby grants, creates, and establishes a Covenant of Unity of Title for and in favor of Grantee upon the above legally described Unified Parcel which shall run with the land and be binding upon the undersigned Grantor(s), and tenant(s) thereto, and shall remain in full force and effect forever, and Grantor(s) declare(s) and grant(s) as follows:

1) **Recitals.** The foregoing recitals are true and correct and are hereby incorporated as if fully stated herein.

2) **Restriction on Development.** Notwithstanding the general permitted density, this Unity of Title:

   A. limits the total density of the Unified Parcel to one residential dwelling unit; and

   B. retires all other density and prohibits the transfer of density; and

   C. prohibits new accessory structures providing habitable space on the Unified Parcel; and

   D. does not prohibit accessory uses and non-habitable accessory structures on the Unified Parcel; and

   E. does not prohibit additions to the lawfully established existing residential unit.

Habitable space means any structure equipped for human habitation such as, but not limited to, office, workshop, kitchen, dining, living, laundry, bathroom, bedroom, den, family or recreational room; professional studio or commercial occupancy including all interior hallways, corridors, stairways and foyers connecting these areas. Garages, exterior stairs and open decks and patios are not considered habitable structures.

3) **Prohibition of Parcel Division.** This Unity of Title prohibits the Unified Parcel from being divided into separate parcels, subdivided, re-subdivided, platted, re-platted, or conveyed as separate parcels or transferred as separate parcels regardless of whether owned by single or multiple owners.

4) **Restriction on Conveyance**. The Unified Parcel shall hereafter exclusively be considered as one (1) parcel of land, and that no portion of said parcel of land may hereafter be sold, transferred, devised, pledged, encumbered or assigned separately, except in its entirety as one (1) parcel of land.

5) **Monroe County Property Appraiser Records**. Simultaneously with execution of this covenant of Unity of Title, Grantor shall make application with the Monroe County Property Appraiser to combine the Primary Parcel and Secondary Parcel under this Unity of Title as a single real estate parcel for tax roll purposes.

6) **No Conflicts.** The undersigned Grantor(s) hereby covenant(s) with Grantee that Grantor(s) is/are lawfully seized of the Unified Parcel in fee simple free and clear of all encumbrances that are inconsistent with the terms of and exhibits attached to this Unity of Title, and fully attest(s), warrant(s), and defend(s) the title to and interest in the Unity of Title hereby conveyed against the lawful claims of all persons whomsoever.

7) **Perpetual Duration.** This Unity of Title is intended to benefit, run with the land in favor of, and shall inure to Grantee, Monroe County, Florida.

8) **Binding Effect.** The undersigned Grantor(s), and the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), shall pay all taxes, assessments, fees, and charges of whatever description levied upon or assessed by competent authority on the Unified Parcel therein before delinquency, shall keep such levies and assessments current, and shall not allow any lien(s) on the Unified Parcel superior to this Unity of Title. In the event of failure to so disallow such lien(s), to extinguish such lien(s), and/or to obtain subordination of such lien(s) to this Unity of Title, in addition to any other remedy, the damage(s) and/or debt(s) owed to Grantee shall constitute a lien against the Unified Parcel which shall automatically relate back to the recording date of this Unity of Title.

9) **Construction and Interpretation**. The construction and interpretation of such, and all other, Monroe County Comprehensive Plan provision(s) and Monroe County Code(s) provision(s) shall be construed in favor of Grantee and such construction and interpretation shall be entitled to great weight on trial and on appeal.

10) **Recordation, Amendment, Modification, or Release**.

A. The undersigned Grantor(s) hereby agree to the recording of the Unity of Title together with all appropriate and required Joinder(s) with the Clerk of the Circuit Court of Monroe County and agree to the re-recording of said documents at any time Grantee may require to preserve its (Grantee's) rights.

B. No amendment or modification to this Unity of Title is effective unless agreed to in writing by both Grantee and the undersigned Grantor(s) and filed, together with all appropriate and required Joinder(s), with the Clerk of Circuit Court of Monroe County for recording in the Official Records of Monroe County, Florida.

C. This Unity of Title may not be rescinded, voided, or released unless and until the Monroe County Board of County Commissioners (hereinafter "BOCC") approves such rescission, voidance, or release by BOCC Resolution.

11) **Subsequent Reference Requirement.**

A. The undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree(s) to and shall submit a copy of this filed and recorded Unity of Title together with (simultaneously in date and time with) all future development applications relating to the Unified Parcel. Such submission by the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, shall be to the agency(ies), department(s), and office(s) in receipt of or otherwise receiving such development application(s). This requirement is non-exclusive to Monroe County agencies, departments, and offices, and is to be construed as inclusive of all reviewing federal, state, Monroe County, and local agencies, departments, and offices in receipt of or otherwise receiving such development application(s), such that the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, must so simultaneously furnish a copy of this filed and recorded Unity of Title to any and all federal and state, Monroe County, and local agencies, departments, and offices in receipt of or otherwise receiving such development application(s).

B. The undersigned Grantor(s), tenant(s), thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) hereto, shall reference this Unity of Title and all previously executed and recorded restrictions in any future instrument conveying title to or an interest in the Unified Parcel, including the recording book and page number(s) and document number(s) of this Unity of Title and all previously executed and recorded restrictions.

12) **Joint-and-Several Liability**. If the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), tenant(s), thereto, or any other non-County natural person(s) or legal person(s) are party(ies) to any suit, action, or proceeding, in law or in equity, initiated, cross-initiated, counter-initiated, or filed by the County to enforce any provision(s), restriction(s), or term(s) contained herein, and consist(s) of more than one person(s) or entity(ies), such person(s) and entity(ies) shall be jointly and severally liable.

13) **Non-Assignability**. This Unity of Title shall not be assignable by the undersigned Grantor(s), tenant(s), thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), tenant(s), thereto, or any other non-County party with title to or an interest in the Unified Parcel, unless such assignment is first approved by Monroe County BOCC Resolution.

14) **Notice and Service of Process**.

A. **Notice – To Grantee**. All notices, consents, approvals, or other communications to Grantee hereunder shall be in writing and shall be deemed properly served if sent by U.S. Postal Service Certified Mail, return receipt requested, in the following for, and address:

Monroe County Planning & Environmental Resources Department
Attn: Senior Director
Subject: Unity of Title
2798 Overseas Highway
Marathon, FL 33050

And with a copy to:

Monroe County Attorney's Office
Subject: Unity of Title
1111 12th Street, Suite 408

Key West, FL 33040

15) **Dispute Resolution – Meet-and-Confer Prerequisite**. The undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in the title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree(s) that as a first condition precedent to his/her/its/their initiation of litigation or adversarial administrative proceedings against the County in the form of a suit or action arising out of, related to, or in connection with this Unity of Title, shall first, prior to the initiation of such suit or action, attempt to resolve their dispute(s) and disagreement(s) by a meet-and-confer session between himself/herself/themselves and Monroe County Planning & Environmental Resources Department staff and counsel of the Monroe County Planning & Environmental Resources Department. If no resolution can be agreed upon within thirty (30) days after occurrence of the aforesaid meet-and-confer session, such issue(s) shall next as a second condition precedent to the initiation of such suit or action, be discussed at a public meeting of the Monroe County BOCC occurring in the same geographic sub-area as the geographic location of such Unity of Title (i.e., Upper Keys – Key Largo, Middle Keys – Marathon, Lower Keys – Key West). The undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree(s) that in the event he/she/it/they so initiate such suit or action without satisfying both of these conditions precedent to their initiation or litigation or adversarial administrative proceedings against the County, that the County shall automatically be entitled to an Order granting Grantee's Motion to Dismiss and Florida Statute Sec. 57.105 (2015) Motion for Sanctions and Attorney's Fee (or, at Grantee's election (if applicable), their Florida statutory equivalent(s), Federal equivalent(s), or non-Florida legal equivalent(s)).

16) **Limitation of Liability**.

A. In the event of any litigation concerning the conditions, provisions, revisions, or terms of the Unity of Title, Grantee, the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in the title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree to expressly waive and shall be treated as having expressly waived their right to a jury trial.

B. The undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree(s) that no charge(s) or claim(s) shall be made by it for any delay(s) or the effective date of this Unity of Title.

C. **No Waiver.** Grantee shall not be deemed to have waived any rights under this Unity of Title unless such waiver has been given, within this instrument, both expressly and specifically.

D. **No Personal Liability**. The County expressly reserves and in no way shall be deemed to have waived for itself or for its officer(s), employee(s), or agent(s), any sovereign, governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability. Further, no covenant, provision, or term of this Unity of Title shall be deemed to be a covenant or agreement of any officer, employee, or agent of the County in his or her individual capacity, and no officer, employee, or agent of the County shall be liable personally in this Unity of Title or be subject to any personal liability or accountability by reason of the execution of this Unity of Title.

E. **Non-Reliance by Third-Parties**. No person(s) or entity(ies) shall be entitled to rely upon the terms, or any of them, of this Unity of Title to enforce or attempt to enforce any third-party claim(s) or entitlement(s) to or benefit(s) of any service(s), term(s), or program(s) contemplated hereunder.

17) **Enforcement.**

A. **Default Notice.** In the event of breach or violation of the restrictions or terms hereof by Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), or tenant(s) thereto, Grantee shall provide written "Notice of Default" or "Notice of Violation" to such

breach(es) or violation(s) within thirty (30) days of receiving notice of such breach(es) or violation(s).

B. **Grantor(s) Breach or Violation**.

1. Uncured breach(es) or violation(s), by the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), or tenant(s) thereto, of the terms of and restrictions imposed by this Unity of Title shall, without any additional notice beyond this Unity of Title's recordation, entitle Grantee to immediately suspend and/or rescind, without liability to Grantee, development applications, pending permits, approvals, and inspections, and issued development order(s) contingent upon the effectiveness of this Unity of Title and Grantor(s) compliance thereto, the compliance of tenant(s) thereto, the compliance of the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s) thereto, and the compliance of tenant(s) thereto, with the terms of this Unity of Title, applied for or those permits, approvals, and/or inspections necessary to cure such breach(es) or violation(s). Such uncured breach(es) or violation(s) shall be presumed to constitute breach(es) or violation(s) that is/are irreparable or irreversible in nature.

2. In the event of any suit, action, or proceeding, in law or in equity, by the County to enforce the restrictions or terms contained herein, if the County prevails in any such suit, action, or proceeding, on trial or appeal, the County shall be entitled to reasonable attorney's fees, including trial, appellate, bankruptcy, and post-judgement costs and collection proceedings for the maintenance or defense of any such suit, action, or proceeding, to be paid by the losing party(ies) as fixed by the court. Any judgement so rendered in favor of the County in connection with any suit, action, or proceeding arising out of, related to, or in connection with this Unity if Title, shall bear interest at the highest rate allowed by law. The County may recover reasonable legal and professional fees attributable to the preparation, administration, and enforcement of such suit, action, or proceeding, from any person(s) and/or entity(ies) from or whom a demand or enforcement request is made, regardless of actual initiation of a suit, action, or proceeding. These remedies are in addition to any other remedy, fine, or penalty which may be applicable under, including, but not limited to, Chapters 162.373, and 403, Florida Statutes, and any other action at law or in equity. Grantee hereby agrees and the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree that suits, actions, and proceedings arising out of, related to, or in connection with this Unity of Title shall be in accordance with the Florida Rules of Civil Procedure.

3. Cumulative Remedies. In the event of any breach or violation of the restrictions or terms contained herein, Grantee shall, without liability to Grantee, have the right to proceed at law or in equity as may be necessary to enforce compliance with the restrictions or terms hereof, to enjoin activities, construction, maintenance, practices, repairs, and uses inconsistent with the restrictions or terms hereof, and to otherwise prevent the breach or violation of any of them, to collect damages, and both authorized and entitled to enforce this Unity of Title by emergency, preliminary, and permanent injunction, including by ex parte motion and action for such injunction(s), it being hereby expressly and specifically agreed that Grantee has no adequate remedy at law, or such other legal method as Grantee deems appropriate. All rights and remedies accruing to the County shall be assignable in whole or in part and be cumulative; that is, the County may pursue such rights and remedies as the law and this Unity of Title afford it in whatever order the County desires and the law permits. The County's resort to any one law(s) and/or remedy(ies) in advance of any other shall not result in waiver or compromise of any other law(s) and/or remedy(ies). The undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, hereby agree(s) to and shall pay for all costs associated with Grantee's enforcement action(s).

4. Failure of the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), or successor(s) in title of the undersigned Grantor(s), or tenant(s) thereto, to comply with or perform any act required by or under this Unity of Title shall not impair the validity of this Unity of Title or the

conditions, provisions, reservations, restrictions, rights, or terms hereof or limit their enforceability in any way.

5. Enforcement of the conditions, provisions, restrictions, and terms of this Unity of Title shall be at the discretion of the Grantee, Grantee's delay or failure to enforce or omission in the exercise of any condition, provision, reservation, restriction, right, or term contained herein, however long continued, shall not be deemed a waiver or estoppel of the right to do so thereafter as to any violation or breach. No Grantee waiver of a breach of any of the condition(s), provision(s), reservation(s), restriction(s), right(s), or term(s) hereof, shall be construed to be a waiver of any succeeding breach of the same condition(s), provision(s), reservation(s), restriction(s), right(s), or term(s) hereof.

18) **Miscellaneous.**

A. **Duty to Cooperate**. Where required under this Unity of Title or related agreement(s), the undersigned Grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, shall, to ensure the implementation of the government purpose furthered by this Unity of Title, cooperate with Grantee's reasonable requests submitted to Grantor(s), tenant(s) thereto, Grantor's personal representative(s), heir(s), assign(s), and successor(s) in title, and tenant(s) thereto, regarding the terms and conditions contained herein.

19) **Inconsistency, Partial Invalidity, Severability, and Survival of Provisions.** If any condition, provision, reservation, restriction, right, or term of this Unity of Title, or any portion(s) thereof, is/are held to be invalid or unenforceable in or by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such condition, provision, reservation, restriction, right, term, or any portion(s) thereof, shall neither limit nor impair the operation, enforceability, or validity of any other condition, provision, reservation, restriction, right, term, or any remaining portion(s) thereof. All such other conditions, provisions, reservation, restrictions, rights, terms, and remaining portion(s) thereof shall continue unimpaired in full force and effect.

20) **Captions and Paragraph Headings**. Captions and paragraph headings, where used herein, are inserted for convenience only and are not intended to descriptively limit the scope and intent of the paragraph or text to which they refer.

21) **No Encumbrances**. The undersigned grantor(s), tenant(s) thereto, the personal representative(s), heir(s), assign(s), and successor(s) in title of the undersigned Grantor(s), and tenant(s) thereto, represent(s) and warrant(s) that, to his/her/its/their knowledge, there are no superior encumbrances or material claims, cause-of-action, or other proceedings pending or threatened in respect to the ownership, operation, or environmental condition(s) of the above legally described property that may, shall, or will diminish, extinguish, interrupt, or subordinate the effectiveness or operation of this Unity of Title's provision(s), restriction(s), right(s), and term(s) running in perpetuity in favor of Grantee, Monroe County, Florida.

22) **Governing Laws/Venue**. This Unity of Title is and the construction and enforcement of the restrictions, terms, and obligations established therefrom are governed by the Monroe County Comprehensive Plan and the Monroe County Code(s), and shall be liberally construed and enforced in favor of the grant to effectuate the public purpose of this Unity of Title and the policy(ies) and purpose(s) of the Monroe County Comprehensive Plan and the Monroe County Code(s). Exclusive venue for any dispute arising from or under, relating to, or in connection with this Unity of Title shall be in the Sixteenth Judicial Circuit in and for Monroe County, Florida.

23) **Authority to Attest**. Each party to this Unity of Title represents and warrants to the other that the execution, delivery, and performance of this Unity of Title has been duly authorized by all necessary corporate and other organizational action, as required.

24) **Integration/Merger**. This Covenant of Unity of Title constitutes the entire Covenant of Unity of Title and any

representation or understanding of any kind preceding the date of this Unity of Title's execution or recordation is not binding on the Grantee or the undersigned Grantor(s) except to the extent it has been incorporated into this Unity of Title.

25) **Effective Date**. This Unity of Title will become effective upon recordation in the Official Records of Monroe County, Florida.

RESOLUTION NO. 128 - 2022

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, COMBINING AND REPLACING *RESOLUTION 175-2018*, *RESOLUTION 438-2018*, AND *RESOLUTION 063-2020* WHICH CREATED AND AMENDED THE LESS THAN FEE ACQUSITION PROGRAM FOR THE PURPOSE OF RETIRING RESIDENTIAL DEVELOPMENT RIGHTS ON PROPERTY LOCATED IN THE IS, IS-M AND URM LAND USE DISTRICTS FROM WILLING SELLERS; TO CLARIFY PROGRAM ADMINISTRATION AND TO INCLUDE ADDITIONAL PRIORITIZATION GUIDANCE; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Board of County Commissioners of Monroe County, Florida hereinafter "BOCC") adopted *Resolution 175-2018* on June 20, 2018, which created the Less Than Fee Program that is designed to purchase residential development rights from willing sellers that own a vacant parcel that is located immediately adjacent to their homes, and which are located in the Improved Subdivision (IS), Improved Subdivision - Masonry (IS- M), Urban Residential - Mobile Home (URM) land use districts; and

WHEREAS, the goal is to reduce ongoing development pressures on hurricane evacuation clearance times and demands on public facilities and infrastructure while protecting property owner rights and avoiding unnecessary costs associated with defending property rights claims; and

WHEREAS, this program is consistent with Policies 102.4.3 and 102.4.6 of the 2030 Monroe County Comprehensive Plan; and

WHEREAS, in adopting *Resolution 175-2018*, the BOCC found that a less than fee acquisition program was an appropriate alternative to costlier fee simple acquisitions; and

WHEREAS, the BOCC and the Monroe County Land Authority (hereinafter "MCLA") entered into an interlocal agreement on July 21, 2021, and amended the ILA on September 15, 2021 which includes the acquisition of infill property for density reduction, among other government purposes; and

WHEREAS, F.S. 125.355 authorizes the BOCC to exempt any purchase of an interest in realty valued at under $100,000 from the requirement of obtaining an appraisal; and

WHEREAS, the BOCC agrees to use dollars raised through the local option infrastructure sales surtax as authorized in F.S. 212.055(2)(d which the County has budgeted in Fund 316 to cover costs associated with this program; and

WHEREAS, the MCLA and County staff have worked together to develop and implement the Less Than Fee Program; and

WHEREAS, due to additional growth limits on Big Pine Key and No Name Key, which are imposed as a result of the Incidental Take Permit, both islands are closer to build out than the rest of the County; and

WHEREAS, the BOCC adopted *Resolution 438-2018* which made adjustments to the program to: prioritize any eligible lots on Big Pine Key and No Name Key regardless of Tier designation; prioritize transactions where the purchase price for the development rights is less than $100,000; clarify that the County does not waive its right to prosecute code violations on parcels participating in the program; and allow the use of market land values on comparable vacant lots as the basis for making a purchase offer from lots that have already been combined with another lot for tax purposes; and

WHEREAS, the BOCC adopted *Resolution 063-2020* to prioritize purchases where the adjacent vacant parcel contains no accessory uses or structures therefore targeting parcels that may be more likely to require the County to defend a property rights claim; and

WHEREAS, County staff have recommended additional minor adjustments to the Less than Fee program to clarify that the Monroe County Land Authority has assumed administration of the Less than Fee Program from the County Attorney, and to refine the prioritization of Less than Fee applications;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLOIRDA:

Section 1. The recitals set forth above are incorporated herein as findings of fact by the Board.

Section 2. This Resolution combines and replaces *Resolution 175-2018*, *Resolution 438-2018*, and *Resolution 063-2020.* Although the adoption of this resolution rescinds those prior resolutions, all actions taken pursuant to those resolutions are ratified and remain valid.

Section 3. The BOCC authorizes the MCLA to represent the BOCC in these matters.

Section 4. MCLA will identify properties that will be eligible for participation in this program under the parameters set forth below.

Section 5. To be eligible to participate in the program, subject parcels must be:

a) Located within an Improved Subdivision (IS), Improved Subdivision – Masonry (IS-M), or Urban Residential – Mobile Home (URM) Land Use District;

b) Consist of a lot with at least one (1) buildable unit or Transfer of Development Right (TDR). Priority shall be given as follows:

Priority One – Otherwise eligible vacant lots with no accessory structures or uses on Big Pine Key and No Name Key, regardless of Tier designation, in the order of lowest MLV to highest MLV with an agreed upon purchase price of less than $100,000.

Priority Two – Otherwise eligible vacant lots with accessory structures or uses on Big Pine Key and No Name Key, regardless of Tier designation, in the order of lowest MLV to the highest MLV with an agreed upon purchase price of less than $100,000.

Priority Three – Otherwise eligible vacant lots with no accessory structures or uses outside of Big Pine Key and No Name Key that are designated Tier III, in the order of lowest MLV to highest MLV, with an agreed upon purchase price of less than $100,000.

All otherwise eligible vacant lots will be processed after those described in the above priorities in the order of highest Tier designation to lowest Tier designation,

with no accessory structures or uses and in the order of lowest MLV to highest MLV, with an agreed upon purchase price of less than $100,000.

c) Be held in common ownership with an immediately adjacent parcel that contains a residential structure as its principal structure;

d) Eligible to receive a building permit for construction of a new residential dwelling unit under the current Monroe County Comprehensive Plan and Land Development Code, and not prohibited by deed restriction or other instrument or legal impairment from receiving such a building permit;

e) Free of all code compliance liens and not the subject of a current code compliance case or other enforcement proceeding by the County or other regulatory agency; however, the property owner should be notified that the County does not waive its right to prosecute existing but undiscovered code violations at the time of the transaction; and

f) Owned by a seller who is willing to convey the building rights to the County under the terms and conditions set forth herein.

Section 6. The MCLA is authorized to make offers to purchase the right to build a separate residential unit on the subject property at the most recent "Market Land Value" indicated on the Monroe County Property Appraiser's website in exchange for the retirement of that development right and execution of a title restriction, unity of title instrument, and other documents prepared by the County Attorney and/or MCLA legal counsel which are necessary to implement this program subject to the limitation that no purchase shall be made for more than $99,999 without an appraisal, in a form that is acceptable to the County, which is paid for by the property owner. In the event an otherwise eligible vacant parcel of property has been combined for tax purposes only by the Property Appraiser into a single parcel with another lot with a residential principal structure on it, MCLA staff is

authorized to use the market land value from a comparable vacant lot in the vicinity as the basis for the offer to purchase the remaining, unused development rights.

Section 7. This resolution shall take effect upon adoption and the additional criteria may be applied to applications already submitted for consideration.

Section 8. Each agreement is subject to final approval by the Board, which retains the discretion to reject each transaction and/or otherwise modify this program.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 20th day of April, 2022.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: I2
2023-1717

BULK ITEM: Yes

DEPARTMENT: County Land Acquisition And Land Management

TIME APPROXIMATE:
9:00am

STAFF CONTACT: Mike Lalbachan

AGENDA ITEM WORDING:

Approval to submit Residential Elevation Applications under the Flood Mitigation Assistance (FMA) program issued by U.S. Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) for fiscal year 2023 (Funding Opportunity Number: DHS-23-MT-029-000-98) with an estimated projects' budget amount of $7,000,000, with property owners paying all match required.

ITEM BACKGROUND:

The Flood Mitigation Assistance (FMA) program makes federal funds available to local communities to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP) on a yearly basis. Local governments are considered sub-applicants and must submit sub-applications to the Florida Division of Emergency Management (FDEM). FDEM has been authorized by FEMA as the only agency that is allowed to submit FMA applications for the State of Florida.

Typically, federal funding from FEMA is available for up to 75% of eligible activity costs. However, Severe Repetitive Loss (SRL) properties may be funded up to 100% and Repetitive Loss (RL) properties up to 90%. Homeowners provide the local match (non-federal match) for elevations, if applicable. All properties are required to be elevated at least 2' above minimum base flood elevation (BFE).

Monroe County began participating in the FMA program in FY21. The BOCC agreed to operate this program in both unincorporated Monroe County and the incorporated Cities.

For Fiscal Year 2023, FEMA allocated at least $220 million through the Flood Mitigation Assistance grant program to Individual Flood Mitigation Projects. Monroe County is eligible to apply for FMA funding for mitigation activities under the Individual Flood Mitigation Projects in support of creating a more resilient community and will be submitting approximately 20 residential elevation applications with a total project cost of approximately $7,000,000.

Furthermore, for FY23, FEMA will prioritize applications that will mitigate flood damage to at least 75 percent of structures included in the project that meet the definition of SRL and RL. Also, FEMA may rank applications lower where the average elevation federal cost share is greater than $250,000 for all single dwelling units. As a result, staff will be combining applications that have at least 75% of Severe Repetitive Loss or Repetitive Loss properties with the lowest cost estimates' applications that are non-SRL or non-RL properties to gain a favorable selection from FEMA.

Staff will accept applications from property owners Countywide including incorporated cities and unincorporate Monroe County. Property Owners are required to submit applications by November 15, 2023.

FDEM has established a deadline for the County to submit all applications by December 1, 2023, by 5:00 PM EST.

If these applications are approved by FEMA and selected for grant award, the State (FDEM) will enter into a grant agreement with the County for administration of the program. Monroe County will then execute agreements with the homeowners to assist them in implementing their projects. The County will request management costs to help implement these projects.

PREVIOUS RELEVANT BOCC ACTION:

On October 20, 2021, Monroe County BOCC granted approval to submit 2021 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

On October 19, 2022, Monroe County BOCC granted approval to submit 2022 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

CONTRACT/AGREEMENT CHANGES:
N/A

STAFF RECOMMENDATION: Approve staff to submit FMA grant applications for residential elevation projects for FY 2023 to FEMA via the Florida Division of Emergency Management (FDEM)

The Department of Homeland Security (DHS)
Notice of Funding Opportunity (NOFO)
Fiscal Year 2023 Flood Mitigation Assistance

SUMMARY OVERVIEW OF KEY INFORMATION FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) FLOOD MITIGATION ASSISTANCE (FMA)	
Program Overview	The Flood Mitigation Assistance (FMA) grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[1] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does so with a recognition of the growing flood hazards associated with climate change,[2] and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future. From Fiscal Year (FY) 1996 to FY 2019, FMA obligated over $1.5 billion in federal cost share mitigating over 8,000 properties insured by the NFIP
Goals and Objective	The purpose of the FMA program is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the NFIP, and to enhance community flood resilience within NFIP-participating communities.
Eligible Projects	The FMA grant program funds three types of activities and projects: Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Projects
Deadlines	Application Start Date: 10/16/2023 Applicants Who Experience System-Related Issues Deadline: 02/27/2024 at 3:00 PM ET Application Submission Deadline: 02/29/2024 at 03:00:00 PM ET
Funding Amount	Available Funding for the NOFO: $800,000,000 • Capability and Capacity Building Activities subtotal: $60,000,000 • Localized Flood Risk Reduction Projects subtotal: $520,000,000 • Individual Flood Mitigation Projects subtotal: $220,000,000
Eligible Applicants	• States • District of Columbia • U.S. territories

[1] The term "federally recognized Tribal government," as used in this funding opportunity, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).
[2] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system" (Fourth National Climate Assessment).

	• Federally recognized Tribal governments
Cost Share	Capability and Capacity Building Activities federal cost share options: • Up to 90% federal cost share funding if the average Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score is not less than 0.5001 for the benefiting area(s) substantiated by a benefiting area map, and the activity must be funded by Bipartisan Infrastructure Law (BIL). FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher federal cost share is not available. Localized Flood Fisk Reduction Projects federal cost share options: • Up to 90% federal cost share funding if the average CDC SVI score is not less than 0.5001 for the project benefiting area containing NFIP-insured properties, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher cost share is not available. Individual Flood Mitigation Projects federal share options: • Up to 100% federal cost share funding for FMA defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3). Or • Up to 90% federal cost share funding for FMA defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7). Or • Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score is not less than 0.5001, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher federal cost share is not available.

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). The UEI number is issued by the SAM system. Requesting a UEI using Sam.gov can be found at: https://sam.gov/content/entity-registration.

Grants.gov registration information can be found at:
https://www.grants.gov/web/grants/register.html.

Planned UEI Updates in Grant Application Forms:

On April 4, 2022, the Data Universal Numbering System (DUNS) Number was replaced by a new, non-proprietary identifier requested in, and assigned by, the System for Award Management (SAM.gov). This new identifier is the Unique Entity Identifier (UEI).

Additional Information can be found on Grants.gov:

https://www.grants.gov/web/grants/forms/planned-uei-updates.html

a. ***Overview***

The Flood Mitigation Assistance (FMA) grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[3] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does

[3] The term "federally recognized Tribal government," as used in this funding opportunity, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).

so with a recognition of the growing flood hazards associated with climate change,[4] and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future. From Fiscal Year (FY) 1996 to FY 2019, FMA obligated over $1.5 billion in federal cost share mitigating over 8,000 properties insured by the NFIP.

The FMA grant program aligns with the 2020-2024 DHS Strategic Plan through pursuing Goal 5: Strengthen Preparedness and Resilience. Specifically, Objective 5.1: Build a National Culture of Preparedness has several sub-objectives that the FMA program supports. FMA serves primarily to bolster Sub-Objective 5.1.1: Incentivize investments that reduce risk and increase pre-disaster mitigation, including expanding the use of insurance to manage risk through funding hazard mitigation activities and projects, particularly ones that reduce risk to NFIP-insured structures. Additionally, FMA's Capability and Capacity Building Activities also contribute to other sub-objectives. For example, planning, partnerships, and project scoping efforts help improve awareness initiatives to encourage public action to increase preparedness (Sub-Objective 5.1.2), use lessons from past disasters and exercises to inform community investment decisions and anticipate challenges that may emerge during future disasters (Sub-Objective 5.1.3), and coordinate and guide continuity of operations activities through partnerships with government and non-government stakeholders (Sub-Objective 5.1.5).

The 2022-2026 FEMA Strategic Plan outlines a bold vision and three ambitious goals designed to address key challenges the agency faces during a pivotal moment in the field of emergency management: Goal 1 - Instill equity as a foundation of emergency management, Goal 2 - Lead the whole of community in climate resilience, and Goal 3 - Promote and sustain a ready FEMA and prepared nation. Most notably, the FMA program supports Objective 1.2: Remove barriers to FEMA programs through a people first approach, Objective 1.3: Achieve equitable outcomes for those we serve, and Objective 2.2: Build a climate resilient nation. FMA also supports the National Mitigation Investment Strategy and the FIMA FY 2021-2023 Mitigation Strategy by advancing mitigation investment to reduce risks posed by natural hazards and increasing the nation's resilience to natural hazards.

Awards made under this Notice of Funding Opportunity (NOFO) will be funded, in whole or in part, with funds appropriated by the Infrastructure Investment and Jobs Act (IIJA) Pub. L. No. 117-58, 135 Stat. 1387–1388 (2021), also known as the Bipartisan Infrastructure Law (BIL). The BIL is a once-in-a-generation investment in infrastructure, which will grow a more sustainable, resilient, and equitable economy by enhancing U.S. competitiveness, driving the creation of good-paying jobs with the free and fair choice to join a union, and ensuring stronger access to economic and environmental benefits for disadvantaged communities. The BIL appropriates billions of dollars to FEMA to promote resilient infrastructure, respond to the impacts of climate change, and equip our nation with the resources to combat its most pressing threats.

[4] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system" (Fourth National Climate Assessment).

BIL authorizes FMA to provide an increased federal cost share for an NFIP property that is located within a census tract with a Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score of not less than 0.5001, and the activity is funded by BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Refer to Section C.4, Cost Share or Match of this funding opportunity.

b. *Objectives*

The purpose of the FMA program is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the NFIP, and to enhance community flood resilience within NFIP-participating communities.

c. *Priorities*

The FMA grant program funds three types of activities and projects: Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Projects. FMA encourages flood mitigation projects that will benefit multiple properties located in an NFIP-participating community.[5]

In addition, FMA aims to incentivize flood mitigation activities and projects that advance equity (see Executive Order 14091: Further Advancing Racial Equity and Support for Underserved Communities Through the Federal Government) and that will benefit disadvantaged communities as referenced in Executive Order (EO) 14008: Tackling the Climate Crisis at Home and Abroad. In implementing the Administration's Justice40 Initiative, established in EO 14008 and discussed in subsequent guidance, the FMA program will be identifying a disadvantaged community, also referred to as a Justice40 Community, using version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 Communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of a federally recognized Tribal government. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 Communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. More information about the CEJST methodology, datasets, and downloadable files can be found on the CEJST website at https://screeningtool.geoplatform.gov.

11. Performance Measures

The following key performance indicators provide strategic and relevant information to decisionmakers and stakeholders about FMA's progress and success toward achieving goals and objectives, and are based on measurable data that are available or could be feasibly collected:

- Total number of NFIP-insured properties selected that are FMA and/or NFIP defined Severe Repetitive Loss (SRL), Repetitive Loss (RL), and Substantially Damaged.

[5] NFIP participating community information can be found via the Community Status Book at https://www.fema.gov/flood-insurance/work-with-nfip/community-status-book.

- Total federal cost share funding invested in or benefitting Justice40 Communities identified using version 1.0 of the Climate and Economic Justice Screening Tool (CEJST).
- Total dollar amount of flood losses avoided in projects or communities funded by FMA subapplications.

FEMA recognizes that many effective resilience solutions, such as nature-based solutions, yield critical benefits that are not monetizable. As such, FEMA notes that these key performance indicators are not determinative of whether an application to the FMA grant program is selected for funding.

FEMA will further assess the recipient's performance against the program objective during the award closeout process as outlined in Section F.3.c of this funding opportunity.

B. Federal Award Information

1. Available Funding for the NOFO: $800,000,000

a) Capability and Capacity Building Activities subtotal: **$60,000,000**
b) Localized Flood Risk Reduction Projects subtotal: **$520,000,000**
c) Individual Flood Mitigation Projects subtotal: **$220,000,000**

2. FEMA will distribute the available FY 2023 FMA funding amount and federal activity cap as follows:

a. Capability and Capacity Building Activities

a. FEMA will select up to $**60,000,000** Capability and Capacity Building Activities to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP.
   i. Capability and Capacity Building Activities will be prioritized and selected according to the following hierarchical order: Mitigation Plans under 42 U.S.C. § 4104c(c)(3)(F); Technical Assistance by States to Communities under 42 U.S.C. § 4104c(c)(3)(J); Project Scoping; and Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities; Enhancing Local Floodplain Management; Severe Repetitive Loss (SRL)/Repetitive Loss (RL) Strategy Development; and other eligible Capability and Capacity Building Activities under 42 U.S.C. § 4104c(c)(3)(G)).
   ii. For more information, refer to the Capability and Capacity Building Activities Fact Sheet at https://www.fema.gov/grants/mitigation/floods/fma-resources.

b. Capability and Capacity Building Activities federal activity cap per subapplication are:
   i. **$100,000** for Mitigation Plans under 42 U.S.C. 4104c(c)(3)(F) per Applicant with maximums of:

1. **$50,000** for state mitigation plan
2. **$25,000** for local mitigation plan

ii. **$50,000** for Technical Assistance by States to Communities (42 U.S.C. 4104c(c)(3)(J))

iii. **$900,000** for Project Scoping

iv. **$300,000** for Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G)).

b. Localized Flood Risk Reduction Projects

a. FEMA will select up to **$520,000,000** of Localized Flood Risk Reduction Projects that address community flood risk for the purpose of reducing NFIP flood claim payments.

i. For more information, refer to the Localized Flood Risk Reduction Projects Fact Sheet at https://www.fema.gov/grants/mitigation/floods/fma-resources and to the 2023 Hazard Mitigation Assistance Program and Policy Guide.

b. Localized Flood Risk Reduction Projects federal activity cap per subapplication is **$50,000,000** per project.

c. Individual Flood Mitigation Projects

a. FEMA will select at least **$220,000,000** of Individual Flood Mitigation Projects that mitigate the risk of flooding to individual NFIP insured structures.

b. Individual Flood Mitigation Projects do not have a federal activity cap.

d. Funding for Applicant Management Costs is included in each of the priority funding caps provided for Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Project caps. Applicants are authorized to receive up to 10% of the awarded activities. For more information, see Section I, Management Costs of this funding opportunity.

e. For more information on FY 2023 FMA funding priorities and eligible activities, see Section E, Application Review Information, Review, and Selection Process of this funding opportunity.

f. For more information about uses of assistance under FMA, including how to submit various project types in FEMA Grants Outcomes (FEMA GO), refer to FMA resources at https://www.fema.gov/grants/mitigation/floods/fma-resources.

2. Projected Number of Awards: 40 awards; 725 subawards

3. Period of Performance: 36 months

The Period of Performance (POP) is 36 months, starting on the date of the recipient's federal award. Given the complexity of the Localized Flood Risk Reduction Projects, the applicant may submit a request for a longer POP in the application for FEMA to review and approve. A longer POP for a Localized Flood Risk Reduction Project must be requested, documented, reasonable, and justified. Any subsequent amendments to the federal award will not extend the POP unless explicitly stated.

Extensions to the period of performance are allowed. For additional information on period of performance extensions, please refer to Section H of this funding opportunity.

FEMA awards under most programs, including this program, only include one budget period, so it will be same as the period of performance. *See* 2 C.F.R. § 200.1 for definitions of "budget period" and "period of performance."

4. Projected Period of Performance Start Date(s): Will vary by award

5. Projected Period of Performance End Date(s): 36 months for all projects from date of award unless otherwise approved by FEMA

6. Funding Instrument Type: Grant

C. Eligibility Information

1. Eligible Applicants

- States
- District of Columbia
- U.S. territories
- Federally recognized Tribal governments

Each state, territory, the District of Columbia, and federally recognized Tribal government shall designate one agency to serve as the applicant for FMA funding. The designee is strongly encouraged to conduct outreach with disadvantaged communities as referenced in Executive Order 14008 prior to and during the application process. Each applicant's designated agency may submit only one FMA grant application to FEMA.

Communities, including local governments, cities, townships, counties, special district governments, and Tribal governments (including federally recognized Tribes who choose to apply as subapplicants), are considered subapplicants and must submit subapplications to their state/territory/Tribal applicant agency. Certain political subdivisions (for example, regional flood control districts or county governments) may apply and act as subapplicants if they are part of a community participating in the NFIP where the political subdivision provides zoning and building code enforcement or planning and community development professional services for that community. Subapplications under which two or more entities would carry out the award are

eligible, such as a multi-state or multi-Tribal initiative; however, only one entity may be the subapplicant with primary responsibility for carrying out the award. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/grants/mitigation/state-contacts.

2. Applicant Eligibility Criteria

- All applicants and subapplicants must be participating in the NFIP, and not be withdrawn, on probation, or suspended. NFIP community status can be verified at https://www.fema.gov/flood-insurance/work-with-nfip/community-status-book.
- Structures eligible for Individual Flood Mitigation Projects must have an NFIP policy (including a Group Flood Insurance Policy [GFIP]) in effect prior to the opening of the application period and the policy must be maintained throughout the life of the structure. The requirement of maintaining flood insurance shall apply during the life of the property, regardless of transfer of ownership of such property. If the subapplicant does not comply with this requirement, FEMA may take one or more actions as remedies for noncompliance, as appropriate. This could include disallowing all or part of the cost of the activity or action not in compliance. For more information, see 44 C.F.R. § 77.6.
- Applicants are required to have a FEMA-approved State or Tribal Hazard Mitigation Plan in accordance with 44 C.F.R. Part 201 by the application deadline and at the time of obligation of the award. More detailed information is provided in Part 4. Eligibility and Requirements, C. Hazard Mitigation Plan Requirements, of the 2023 Hazard Mitigation Assistance Program and Policy Guide at https://www.fema.gov/grants/mitigation/hazard-mitigation-assistance-guidance
- Subapplicants are required to have a FEMA-approved Local or Tribal Hazard Mitigation Plan in accordance with 44 C.F.R. Part 201 by the application deadline and at the time of obligation of grant funds for Capability and Capacity Building Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project subapplications. Capability and Capacity Building Activities' Mitigation Plans subapplications are exempt from the hazard mitigation plan requirement for subapplicants only. Mitigation plan integration, while not required to be eligible for FMA, is encouraged. For additional information, refer to section H.14 of this funding opportunity. Local hazard mitigation plans must conform to the Local Plan Review Guide, or any subsequent local mitigation planning guide that supersedes it.
- To be considered for financial assistance, all applicants must submit their FY 2023 FMA grant applications to FEMA via FEMA GO. Refer to Section D, Application and Submission Information of this funding opportunity.

3. Other Eligibility Criteria

- All activities under FMA must be in conformance with all criteria established by FEMA that is specific to the proposed activity found in the 2023 Hazard Mitigation Assistance Program and Policy Guide. All subapplications submitted under the Capability and Capacity Building Activities priority must demonstrate that the Capability and Capacity Building Activities will reduce flood claims against the NFIP. Capability and Capacity Building Activities should result in a resource,

strategy, or tangible mitigation product that will reduce or eliminate risk and damage from future flooding and increase community resilience.

- All Capability and Capacity Building Activities Localized Flood Risk Reduction Project subapplications, and Individual Flood Mitigation Project subapplications submitted as part of an FMA grant application must be consistent with the goals and objectives identified in the current, FEMA-approved State or Tribal (Standard or Enhanced) Mitigation Plan and the local mitigation plan for the jurisdiction in which the project is located. Hazard Mitigation Plans should reflect state-wide mitigation priorities across all potential federal and non-federal mitigation funding sources. Current mitigation plans are not required for applicants and subapplicants submitting Capability and Capacity Building Activities' Mitigation Plans subapplications to develop a new mitigation plan or to update a mitigation plan.
- On April 19, 2022, FEMA updated the State and Local Mitigation Planning Policy Guides (policies). On April 19, 2023, they went into effect. This means that all state and local mitigation plans must meet the updated requirements. For instance, it is required that state plans weigh equity and the impacts of climate change. FMA funding can be used for mitigation planning grants, with a focus on integrating equity, climate impacts, and floodplain management. For more information on funding and designing the mitigation planning process to integrate floodplain management planning and maximize Community Rating System Activity 510 points, refer to Mitigation Planning and the Community Rating System: Key Topics Bulletin (fema.gov), and the Local Hazard Mitigation Plan and Community Rating System Crosswalk Starter Kit in the Local Mitigation Planning Handbook (fema.gov). For more information on requirements for approved mitigation plans, States should refer to the State Mitigation Planning Policy Guide (FP 302-094-2, April 19, 2022). Local governments should refer to the Local Mitigation Planning Policy Guide (FP-206-21-0002, April 19, 2022). Tribal governments should refer to the Tribal Mitigation Plan Review Guide (December 2017) (https://www.fema.gov/sites/default/files/2020-06/fema-tribal-mitigation-plan-review-guide_12-05-2017.pdf).
- All subapplications submitted under the Capability and Capacity Building Activities - Project Scoping and Additional Capability and Capacity Building Activities priorities, and Localized Flood Risk Reduction Project priority (see Section E, Application Review Information, of this funding opportunity) must demonstrate that the proposed project benefits NFIP insured properties by submitting a map and associated geospatial file(s) (e.g., shapefile, Keyhole Markup Language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating: the proposed project area or footprint boundary, and for Localized Flood Risk Reduction Projects only the benefiting area in alignment with Hydrologic and Hydraulic modelling as available except for Phased Project: Phase I.

    - The map and associated geospatial file(s) will be used to determine if a project benefits or primarily benefits Justice40 communities. Justice40 communities are defined at the census tract level, but many project benefitting areas are located across multiple census tracts, either partially or fully.

- Although these tools should not be used to determine eligibility, subapplicants may use the Resilience Analysis and Planning Tool (RAPT)—which encompasses geospatial layers including National Risk Index (NRI) and Justice40—to understand the population impacted by a proposed project, delineate the area benefitting, and translate between census tract geographies identified by Justice40.
- Subapplicants may include narrative descriptions of population benefitting to supplement the data and shapefile provided, particularly in rural areas with limited population data or for projects benefitting geographically dispersed populations.
- For Capability and Capacity Building Activities, if a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

- All structure elevation, mitigation reconstruction, and dry floodproofing projects; and all projects where HMA funds are used for new construction, substantial improvement, or to address substantial damage to structures[6] must meet the minimum standards of FEMA's partial implementation of the Federal Flood Risk Management Standards (FFRMS).[7]

  - If a state, local, Tribal, or territorial government, or federal agency has adopted a higher standard applicable to the specific project, FEMA will require the higher standard.[8]
  - See EO 14030, Climate-Related Financial Risk and the 2023 Hazard Mitigation Assistance Program and Policy Guide.
  - Subapplicants can direct any questions about the proposed hazard mitigation project's location in the floodplain to their local floodplain manager and/or State Hazard Mitigation Officers. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at http://www.fema.gov/state-hazard-mitigation-officers.

- When eligible subapplications include an information technology or operational technology component as part of a larger project, FEMA will allow activities that enable greater community resilience through cybersecurity as eligible costs when those activities are performed in accordance with the cybersecurity performance goals for critical infrastructure and control systems directed by the National Security Presidential Memorandum on Improving Cybersecurity for Critical Infrastructure Control Systems, found at https://www.cisa.gov/control-systems-goals-and-objectives. Subapplicants should address cybersecurity in their planning, design, and

[6] Refer to 44 CFR § 9.4 for the definitions of "new construction" and "substantial improvement;" Refer to 44 CFR § 59.1 for the definition of "substantial damage."
[7] Refer to the Hazard Mitigation Assistance Program and Policy Guide, Part 4, I. Federal Flood Risk Management Standards – Partial.
[8] Under 44 CFR § 9.11(d)(6), no action may be taken if it is inconsistent with the criteria of the National Flood Insurance Program (44 CFR part 59 et seq.) or any more restrictive Federal, State, or local floodplain management standards.

project oversight for awards that include a technology nexus that may pose a cyber risk that would affect the reliability or operability of project.

- FEMA encourages the use of environmentally friendly construction practices when completing FMA projects.
    - When subapplications include the use of concrete or asphalt products, FEMA encourages for the inclusion of low embodied carbon concrete and environmentally preferable asphalt.
    - Subrecipients should ensure that federally funded infrastructure investments reduce life cycle emissions of construction materials, specifically concrete, asphalt, and steel.
    - Subrecipients should request disclosure of Environmental Product Declarations (EPD) to evaluate and incentivize acquisition of these lower carbon materials.
    - Subrecipients are encouraged to prioritize the use of American-made, lower-carbon construction materials as referenced in the Federal Buy Clean Initiative.

- Subrecipients are encouraged to place publicly visible signage at sites where federal funding is being used for hazard mitigation projects, identifying the funding source of the project (Office of Management and Budget's February 24, 2023 Controller Alert, "CA-23-6, Enhancing Transparency Through Use of the Investing in America Emblem on Signs (UPDATED)"). The cost of such signs is an eligible project cost. Subapplicants may request up to $5,000 per project for such costs. Requests for signage costs must be identified as a line item in the subapplication cost estimate. Project costs for signage are subject to the applicable cost-sharing requirements. The contents and other details of the signage must be in accordance with FEMA's signage guidance at https://www.fema.gov/grants/policy-guidance/bipartisan-infrastructure-law.

- FEMA encourages applicants and subapplicants to leverage the Department of Labor's The Good Jobs Initiative. The Good Jobs Initiative is an initiative that provides critical information to workers, employers, and government agencies as they work to improve job quality and create access to good jobs free from discrimination and harassment for all working people.

5. Cost Share or Match

Cost share is required for most subapplications funded under this program. FEMA may contribute the federal cost share funding if available, as follows:

i. Capability and Capacity Building Activities federal cost share options:

a. Up to 90% federal cost share funding if the average Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score is not less than 0.5001 for the benefiting area(s) substantiated by a benefiting area map, and the activity must be funded by BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

b. Up to 75% federal cost share funding if a higher federal cost share is not available.

ii. Localized Flood Risk Reduction Projects federal cost share options:

a. Up to 90% federal cost share funding if the average CDC SVI score is not less than 0.5001 for the project benefiting area containing NFIP-insured properties, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

b. Up to 75% federal cost share funding if a higher cost share is not available.

iii. Individual Flood Mitigation Projects federal cost share options and definitions:

a. Up to 100% federal cost share funding for FMA-defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3), is a structure that:

i. Is covered under a contract for flood insurance made available under the NFIP; **and**

ii. Has incurred flood-related damage:

1. ((B)(i)) For which four or more separate claims payments (includes building and contents) have been made under flood insurance coverage with the amount of each such claim exceeding $5,000, and with the cumulative amount of such claim payments exceeding $20,000, **or**

2. ((B)(ii)) For which at least two separate claims payments (includes only building) have been made under such coverage, with the cumulative amount of such claims exceeding the market value of the insured structure.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA SRL definition. Applicants and subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet the definition.

b. Up to 90% federal cost share funding for FMA-defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7) is a structure covered by a contract for flood insurance made available under the NFIP that:

i. Has incurred flood-related damage on two occasions, in which the cost of the repair, on the average, equaled or exceeded 25 percent of the market value of the structure at the time of each such flood event; **and**

ii. At the time of the second incidence of flood-related damage, the contract for flood insurance contains Increased Cost of Compliance (ICC) coverage.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA RL definition. Applicants and subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet this definition.

c. Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score is not less than 0.5001, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

d. Up to 75% federal cost share funding if a higher federal cost share is not available.

To note, the Individual Flood Mitigation Project's Repetitive Loss (RL) 90% federal cost share and the Severe Repetitive Loss (SRL) 100% federal cost share options are only eligible for those NFIP properties meeting FMA definitions under 42 U.S.C. § 4104c(h)(3) and 42 U.S.C. § 4121(a)(7). These federal cost shares are not available for NFIP defined SRL and RL properties.

Generally, the cost share for this program is 75% federal cost share and 25% non-federal cost share. This means federal funding is available for up to 75% of eligible costs. The remaining 25% of eligible costs must be derived from non-federal sources. For example, if the total cost of the activity is $400,000 and the non-federal cost share is 25%, then the non-federal contribution is $100,000: 25% of $400,000 is $100,000. The non-federal contribution would be provided by the applicant or subapplicant. Likewise, the federal cost share of that activity would be $300,000: 75% of $400,000 is $300,000. The federal contribution would be provided by FEMA. FEMA may consider the non-federal cost share based on availability of remaining federal funds, as noted in Section E, Application Review Information of this funding opportunity.

As a result of FMA funding made available under the BIL, FEMA may contribute up to 90% federal cost share for qualifying FY 2023 funding priorities and criteria. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Applicants and Subapplicants can determine their activities and projects' CDC SVI score by calculating the three SVI themes' averages using information on CDC/ATSDR Social Vulnerability Index webpage, https://www.atsdr.cdc.gov/placeandhealth/svi/index.html. When BIL funding is exhausted, the enhanced cost share for properties with CDC SVI not less than 0.5001 as determined by FEMA, cannot be extended to the remaining funds made available in the FY 2023 FMA NOFO.

Structures with different federal cost-share requirements can be submitted in a single project subapplication. The overall project federal cost share documented in the Cost Share Section of the project subapplication should reflect the combined federal cost shares of the structures. For example, in an Individual Flood Mitigation Project subapplication, a project with $100,000 costs for one SRL structure funded at 100% federal cost share plus $100,000 costs for one RL structure funded at 90% federal cost share will have an overall project federal cost share of 95%, or $190,000, of the $200,000 total cost for both structures.

For insular areas (American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands), FEMA automatically waives the non-federal cost share for the recipient when the non-federal cost share for the entire award is under $200,000. If the non-federal cost share for the entire award is $200,000 or greater, FEMA may waive all or part of the non-federal cost share at the request of the recipient. The recipient may request 100% cost-share in its application.

The non-federal cost share may consist of cash, donated or third-party in-kind services, materials, or any combination thereof. Cash and third-party in-kind matches must consist of eligible costs (i.e., same eligibility as the federal share). Applicants cannot apply other federal award funds toward the non-federal cost share unless the other federal statutory authority allows the funds to be used to meet cost-share requirements. For example, FEMA's Safeguarding Tomorrow through Ongoing Risk Management Revolving Loan Fund (STORM RLF) Program loans may be eligible for non-federal cost share funding. For more information, visit the STORM RLF webpage at https://www.fema.gov/grants/mitigation/storm-rlf. In addition, in certain situations U.S. Department of Housing and Urban Development Community Development Block Grant Disaster Recovery (CDBG-DR) program funds, U.S. Small Business Administration Disaster Loans, United States Department of Agriculture Rural Development Single Family Direct Home Loans or Single-Family Repair Loans, the Department of Defense's Readiness and Environmental Protection Integration (REPI) program, and others may be used towards the non-federal match. Additionally, certain American Rescue Plan funds may be used as non-federal cost share as determined by the Department of Treasury.[9] Refer to the Hazard Mitigation Assistance Cost Share Guide for more information at https://www.fema.gov/sites/default/files/2020-08/fema_hma_cost-share-guide.pdf. FEMA encourages innovative use of public and private-sector partnerships to meet the non-federal cost share.

FMA funding cannot be used as matching funds for another federal grant. Additionally, third-party in-kind matches used to meet the matching requirement may not be used to meet matching requirements for any other federal grant program.

Ultimately, the recipient is responsible for ensuring that it contributes the proper cost share to its actual project costs. If actual total project costs exceed the projected total project costs stated in the federal award, the recipient will not receive any additional federal funding and will be responsible for contributing additional funds above the required cost match. If actual total project costs are less than the projected total project costs stated in the federal award, the recipient will be responsible for contributing a cost match calculated as a percentage of those actual project costs.

[9] Treasury funds are available through the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program. According to U.S. Department of Treasury, the SLFRF program funds available under the "revenue loss" eligible use category (sections 602(c)(1)(C) and 603(c)(1)(C) of the Social Security Act) generally may be used to meet the non-federal cost-share or matching requirements of other federal programs. See Coronavirus State & Local Fiscal Recovery Funds: Overview of the Final Rule at https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-Overview.pdf.

More detailed information is provided in Part 4. Eligibility and Requirements, Section L: Cost Share of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

D. Application and Submission Information

1. Key Dates and Times

a. ***Application Start Date:*** **10/16/2023**

b. ***Application Submission Deadline:*** **02/29/2024 at 03:00:00 PM ET**

All applications **must** be received by the established deadline. Please note that FEMA deadlines listed in this funding opportunity refer to application deadlines for the applicants. Subapplicants should consult with their applicant agency to confirm subapplication deadlines to the applicant if applicable.

FEMA will not review applications that are received after the deadline or consider these late applications for funding. FEMA may, however, extend the application deadline on request for any applicant who can demonstrate that good cause exists to justify extending the deadline. Good cause for an extension may include technical problems outside of the applicant's control that prevent submission of the application by the deadline, other exigent or emergency circumstances, or statutory requirements for FEMA to make an award.

Applicants experiencing technical problems outside of their control must notify FEMA as soon as possible and before the application deadline. Failure to timely notify FEMA of the issue that prevented the timely filing of the application may preclude consideration of the award. "Timely notification" of FEMA means: prior to the application deadline and within 48 hours after the applicant became aware of the issue.

A list of FEMA contacts can be found in Section G of this NOFO, "DHS Awarding Agency Contact Information." For technical assistance with the FEMA Grants Outcomes System (FEMA GO), please contact the FEMA GO Helpdesk at femago@fema.dhs.gov or (877) 611-4700, Monday through Friday, 8:00 AM – 6:00 PM Eastern Time (ET). For programmatic or grants management questions, please contact your Program Analyst or Grants Management Specialist. If applicants do not know who to contact or if there are programmatic questions or concerns, please contact the FEMA Grants Information Desk by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

FEMA GO automatically records proof of timely submission and the system generates an electronic date/time stamp when FEMA GO successfully receives the application. The individual with the Authorized Organization Representative role that submitted the

application will also receive the official date/time stamp and a FEMA GO tracking number in an email serving as proof of their timely submission. For additional information on how an applicant will be notified of application receipt, see the subsection titled "Timely Receipt Requirements and Proof of Timely Submission" in Section D of this NOFO.

c. ***Other Key Dates***

Event	Suggested Deadline for Completion
Initial registration in SAM.gov includes UEI issuance	Four weeks before actual submission deadline
Obtaining a valid Employer Identification Number (EIN)	Four weeks before actual submission deadline
Creating an account with login.gov	Four weeks before actual submission deadline
Registering in SAM or Updating SAM registration	Four weeks before actual submission deadline
Registering in FEMA GO	Four weeks before actual submission deadline
Submitting the final application in FEMA GO	By the submission deadline

2. Agreeing to Terms and Conditions of the Award

By submitting an application, applicants agree to comply with the requirements of this NOFO and the terms and conditions of the award, should they receive an award.

3. Address to Request Application Package

Applications are processed through the FEMA GO system. To access the system, go to https://go.fema.gov/.

Hard copies of the NOFO can be downloaded at Grants.gov or obtained via email from the Awarding Office points of contact listed in Section G of this NOFO, "DHS Awarding Agency Contact Information" or by TTY (800) 462-7585.

4. Requirements: Obtain a Unique Entity Identifier (UEI) and Register in the System for Award Management (SAM)

Each applicant, unless they have a valid exception under 2 CFR 25.110, must:
1) Be registered in Sam.Gov before application submission.
2) Provide a valid Unique Entity Identifier (UEI) in its application.
3) Continue to always maintain an active System for Award Management (SAM) registration with current information during the Federal Award process.

5. Steps Required to Obtain a Unique Entity Identifier, Register in the System for Award Management (SAM), and Submit an Application

Applying for an award under this program is a multi-step process and requires time to complete. Applicants are encouraged to register early as the registration process can take four weeks or more to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required submission deadlines.

Please review the table above for estimated deadlines to complete each of the steps listed. Failure of an applicant to comply with any of the required steps before the deadline for submitting an application may disqualify that application from funding.

To apply for an award under this program, all applicants must:

a. Apply for, update, or verify their Unique Entity Identifier (UEI) number and Employer Identification Number (EIN) from the Internal Revenue Service;
b. In the application, provide an UEI number;
c. Have an account with login.gov;
d. Register for, update, or verify their SAM account and ensure the account is active before submitting the application;
e. Register in FEMA GO, add the organization to the system, and establish the Authorized Organizational Representative (AOR). The organization's electronic business point of contact (EBiz POC) from the SAM registration may need to be involved in this step. For step-by-step instructions, see https://www.fema.gov/media-library/assets/documents/181607;
f. Submit the complete application in FEMA GO; and
g. Continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. As part of this, applicants must also provide information on an applicant's immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

Applicants are advised that FEMA may not make a federal award until the applicant has complied with all applicable SAM requirements. Therefore, an applicant's SAM registration must be active not only at the time of application, but also during the application review period and when FEMA is ready to make a federal award. Further, as noted above, an applicant's or recipient's SAM registration must remain active for the duration of an active federal award. If an applicant's SAM registration is expired at the time of application, expires during application review, or expires any other time before award, FEMA may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

Per 2 C.F.R. § 25.110(c)(2)(iii), if an applicant is experiencing exigent circumstances that prevents it from obtaining an UEI number and completing SAM registration prior to receiving a federal award, the applicant must notify FEMA as soon as possible by contacting fema-grants-news@fema.dhs.gov and providing the details of the circumstances that prevent completion of these requirements. If FEMA determines that there are exigent circumstances and FEMA has decided to make an award, the applicant will be required to obtain an UEI

number, if applicable, and complete SAM registration within 30 days of the federal award date.

6. Electronic Delivery

DHS is participating in the Grants.gov initiative to provide the grant community with a single site to find and apply for grant funding opportunities. DHS encourages or requires applicants to submit their applications online through Grants.gov, depending on the funding opportunity.

For this funding opportunity, FEMA requires applicants to submit applications through FEMA GO.

7. How to Register to Apply

a. *General Instructions:*

Registering and applying for an award under this program is a multi-step process and requires time to complete. Read the instructions below about registering to apply for FEMA funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. To ensure an application meets the deadline, applicants are advised to start the required steps well in advance of their submission.

Organizations must have an UEI number, an EIN, an active System for Award Management (SAM) registration and Grants.gov account to apply for grants.

b. *Obtain an UEI Number:*

All entities applying for funding, including renewal funding, prior to April 4, 2022, must have a UEI number. Applicants must enter the UEI number in the applicable data entry field on the SF-424 form.

For more detailed instructions for obtaining a UEI number, refer to: SAM.gov.

c. *Obtain Employer Identification Number*

All entities applying for funding must provide an Employer Identification Number (EIN). The EIN can be obtained from the IRS by visiting: https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online.

d. *Create a login.gov account:*

Applicants must have a login.gov account in order to register with SAM or update their SAM registration. Applicants can create a login.gov account here: https://secure.login.gov/sign_up/enter_email?request_id=34f19fa8-14a2-438c-8323-a62b99571fd3.

Applicants only have to create a login.gov account once. For applicants that are existing SAM users, use the same email address for the login.gov account as with SAM.gov so that the two accounts can be linked.

For more information on the login.gov requirements for SAM registration, refer to: https://www.sam.gov/SAM/pages/public/loginFAQ.jsf.

e. ***Register with SAM:***

All organizations applying online through Grants.gov must register with SAM. Failure to register with SAM will prevent your organization from applying through Grants.gov. SAM registration must be renewed annually. Organizations will be issued a UEI number with the completed SAM registration.

For more detailed instructions for registering with SAM, refer to: https://www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html.

Note: As a new requirement per 2 C.F.R. § 25.200, applicants must also provide the applicant's immediate and highest-level owner, subsidiaries, and predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

I. ADDITIONAL SAM REMINDERS

Existing SAM.gov account holders should check their account to make sure it is "ACTIVE." SAM registration should be completed at the very beginning of the application period and should be renewed annually to avoid being "INACTIVE." **Please allow plenty of time before the grant application submission deadline to obtain an UEI number and then to register in SAM. It may be four weeks or more after an applicant submits the SAM registration before the registration is active in SAM, and then it may be an additional 24 hours before FEMA's system recognizes the information.**

It is imperative that the information applicants provide is correct and current. Please ensure that your organization's name, address, and EIN are up to date in SAM and that the UEI number used in SAM is the same one used to apply for all other FEMA awards. Payment under any FEMA award is contingent on the recipient's having a current SAM registration.

II. HELP WITH SAM

The SAM quick start guide for new recipient registration and SAM video tutorial for new applicants are tools created by the General Services Administration (GSA) to assist those

registering with SAM. If applicants have questions or concerns about a SAM registration, please contact the Federal Support Desk at https://www.fsd.gov/gdit_tss/?id=gdit_tss_landing or call toll free (866) 606-8220.

f. ***Register in FEMA GO, Add the Organization to the System, and Establish the AOR:***

Applicants must register in FEMA GO and add their organization to the system. The organization's electronic business point of contact (EBiz POC) from the SAM registration may need to be involved in this step. For step-by-step instructions, see https://www.fema.gov/media-library/assets/documents/181607.

Note: FEMA GO will support only the most recent major release of the following browsers:

- Google Chrome
- Internet Explorer
- Mozilla Firefox
- Apple Safari
- Microsoft Edge

Users who attempt to use tablet type devices or other browsers may encounter issues with using FEMA GO.

8. Submitting the Application

Applicants will be prompted to submit the standard application information and any program-specific information required as described in Section D.10 of this NOFO, "Content and Form of Application Submission." The Standard Forms (SF) may be accessed in the Forms tab under the SF-424 family on Grants.gov. Applicants should review these forms before applying to ensure they have all the information required.

After submitting the final application, FEMA GO will provide either an error message or a successfully received transmission in the form of an email sent to the AOR that submitted the application. Applicants using slow internet connections, such as dial-up connections, should be aware that transmission can take some time before FEMA GO receives your application.

For additional application submission requirements, including program-specific requirements, please refer to the subsection titled "Content and Form of Application Submission" under Section D of this NOFO.

9. Timely Receipt Requirements and Proof of Timely Submission

All applications must be completed in FEMA GO by the application deadline. FEMA GO automatically records proof of timely submission and the system generates an electronic date/time stamp when FEMA GO successfully receives the application. The individual with the Authorized Organization Representative (AOR) role that submitted the application will also receive the official date/time stamp and a FEMA GO tracking number in an email serving as proof of their timely submission on the date and time that FEMA GO received the application.

Applicants who experience system-related issues will be addressed until 3:00 PM ET on Tuesday, February 27, 2024. No new system-related issues will be addressed after this deadline. Applications not received by the application submission deadline will not be accepted.

10. Content and Form of Application Submission

a. *Standard Required Application Forms and Information*

The following forms or information are required to be submitted via FEMA GO. The Standard Forms (SF) are also available at https://www.grants.gov/web/grants/forms/sf-424-family.html.

SF-424, Application for Federal Assistance
Grants.gov Lobbying Form, Certification Regarding Lobbying
SF-424A, Budget Information (Non-Construction)
For construction under an award, submit SF-424C, Budget Information (Construction), in addition to or instead of SF-424A
SF-424B, Standard Assurances (Non-Construction)
For construction under an award, submit SF-424D, Standard Assurances (Construction), in addition to or instead of SF-424B
SF-LLL, Disclosure of Lobbying Activities
Indirect Cost Agreement or Proposal if the budget includes indirect costs and the applicant is required to have an indirect cost rate agreement or proposal. If the applicant does not have or is not required to have an indirect cost rate agreement or proposal, please see Section D.13 of this NOFO, "Funding Restrictions and Allowable Costs," for further information regarding allowability of indirect costs and whether alternatives to an indirect cost rate agreement or proposal might be available or contact the relevant FEMA staff identified in Section G of this NOFO, "DHS Awarding Agency Contact Information" for further instructions.

Generally, applicants have to submit either the non-construction forms (i.e., SF-424A and SF-424B) or construction forms (i.e., SF-424C and SF-424D), meaning that applicants that only have construction work and do not have any non-construction work need only submit the construction forms (i.e., SF-424C and SF-424D) and not the non-construction forms (i.e., SF-424A and SF-424B), and vice versa. However, applicants who have both construction and non-construction work under this program need to submit both the construction and non-construction forms.

b. *Program-Specific Required Forms and Information*

The following program-specific forms or information are required to be submitted in FEMA GO:

Applicants may require their subapplicants to complete and attach the grant application and/or Assurance and Certifications forms to their Capability and Capacity Building

Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project subapplications in FEMA GO.

Subapplicants should contact their applicant agency for information specific to their state/territory/federally recognized Tribal government's application process. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/state-hazard-mitigation-officers.

All applicants must submit an FMA grant application via FEMA GO by the application deadline to be considered for funding. The required format for applications and subapplications is built into FEMA GO:

- FMA applications including Capability and Capacity Building Activities (Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, Additional Capability and Capacity Building Activities (including Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities), Localized Flood Risk Reduction Project, Individual Flood Mitigation Project, and Management Costs subapplications must be submitted in an **FY 2023 FMA application**.
    - Mitigation Plans must be submitted in a "**plan**" subapplication type.
    - Technical Assistance by States to Communities must be submitted in a "**technical assistance**" subapplication type.
    - Project Scoping must be submitted in a "**project scoping"** subapplication type.
    - Additional Capability and Capacity Building Activities must be submitted in a "**project scoping"** subapplication type.
    - Localized Flood Risk Reduction Project and Individual Flood Mitigation Project must be submitted in a "**project**" subapplication type.
    - Applicant Management Costs must be submitted in a "**management costs**" subapplication type.

I. Management Costs

Applicants are eligible to receive management costs consisting of a maximum of 10% of the planning and project activities awarded to the state, each fiscal year under FMA. These costs must be included in the application to FEMA.

A federally recognized Tribal government applying directly to FEMA is eligible for management costs consisting of a maximum of 10% of grants awarded for planning and project activities under the FMA program. Subapplicants may include a maximum of 5% of the total funds requested for their subapplication for management costs to support the implementation of Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, or Individual Flood Mitigation Projects. These costs must be included in the subapplication to the Applicant.

For additional information, please refer to Section D.13.c Management Costs of this funding opportunity.

11. Other Submission Requirements

a. *Benefit-Cost Analysis (BCA) for Hazard Mitigation Projects*

Applicants and subapplicants applying for hazard mitigation projects (Localized Flood Risk Reduction Projects or Individual Flood Mitigation Projects) must provide a BCA or other documentation that validates cost-effectiveness[10]. Capability and Capacity Building Activities (Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, Additional Capability and Capacity Building Activities [Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G)]), and management costs subapplications do not require a BCA. Applicants and subapplicants may use one of three standard approaches. In no case will FEMA award a hazard mitigation project that is not cost-effective.

i. **Streamlined cost-effectiveness determination method:** FEMA has established streamlined cost-effectiveness determination methods for some hazard mitigation projects and project types. Using one of these methods fulfills the cost-effectiveness requirement if the project meets applicable criteria.
   - For projects with a total cost of less than $1,000,000, the subapplicant may provide a narrative that includes qualitative and quantitative data demonstrating the benefits and cost-effectiveness of the project. Total project costs include all project costs, not just the federal share. Instructions for completing a cost-effectiveness narrative may be found in FEMA BCA website. FEMA will validate the cost effectiveness and estimate a benefit cost ratio (BCR) of the proposed project during its review.
   - Pre-calculated benefits are available for some project types, including acquisitions, and elevations. Further details, including application submission requirements, may be found in the HMA Policy and Program Guide and on the FEMA BCA website.

ii. **Benefit-Cost Analysis (BCA) Assistance:** FEMA will review hazard mitigation project subapplications during the pre-award process that are competitive and otherwise eligible for selection where a small and impoverished communities as defined in 44 C.F.R. 201.2., federally recognized Tribal government, or subapplication for a hazard mitigation project within or primarily benefitting a Community Disaster Resilience Zone (defined at 42 U.S.C. § 5136(a)(1)) is unable to calculate a BCR to demonstrate cost-effectiveness. FEMA may assist such communities with developing a BCA. Projects with a total cost of less than $1,000,000 that qualify for BCA Assistance under this provision are not required to submit a cost-effectiveness narrative. FEMA has additional guidance for this approach

[10] https://www.whitehouse.gov/omb/briefing-room/2023/08/01/accounting-for-ecosystem-services-in-benefit-cost-analysis/

for selected subapplications that may qualify for this consideration. For more information visit the FEMA BCA website.

iii. **Benefit-Cost Analysis (BCA):** If a streamlined cost-effectiveness determination method does not apply, a BCA is required to validate cost-effectiveness. FEMA has established a set discount rate of 3% to be used in a BCA for hazard mitigation projects for the FY 2023 BRIC and FMA cycles. FEMA's BCA Toolkit is available on the FEMA website at https://www.fema.gov/grants/tools/benefit-cost-analysis. Version 6.0 or newer are the only versions FEMA will accept as documentation for demonstrating cost-effectiveness. FEMA encourages the use of the BCA Toolkit to calculate the project BCR; however, applicants and subapplicants may also use a non-FEMA BCA methodology if pre-approved by FEMA in writing.

- All projects not using a streamlined cost-effectiveness determination must demonstrate a BCR of 1.0 or greater to be eligible for funding.
- Even if a streamlined cost-effectiveness determination method applies, applicants and subapplicants may use a BCA to show cost-effectiveness of a project.

Structure acquisitions and elevations located in the Special Flood Hazard Area (SFHA) may use pre-calculated benefits to determine cost effectiveness. The updated values for use of pre-calculated benefits to determine cost effectiveness of elevations and acquisitions in the SFHA are: $323,000 per structure for acquisitions and $205,000 per structure for Elevations (and Mitigation Reconstruction). These pre-calculated benefits for acquisition projects are recognized as helping support BCA eligibility for larger community relocation efforts. More detailed information about pre-calculated benefits and how they can be used is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_acquisition-elevation-precalculated-benefits-memo_092021.pdf.

Additionally, FEMA has determined that the acquisition of a structure designated as RL or SRL[11], regardless of location within or outside of the SFHA, with total project costs less than or equal to $323,000 is considered cost-effective. As such, FEMA has expanded the use of pre-calculated benefits to include acquisition projects of RL and SRL properties outside the SFHA with a project cost less than or equal to the existing calculated threshold of $323,000. More detailed information is available on the FEMA website at https://www.fema.gov/grants/guidance-tools/benefit-cost-analysis.

For more information, visit the BCA webpage at https://www.fema.gov/benefit-cost-analysis.

b. ***Acquisition Project Requirements***

The subrecipient must provide FEMA with a signed copy of the Statement of Voluntary Participation for each property post- award. The Statement of Voluntary Participation formally documents the Notice of Voluntary Interest and information related to the purchase offer. The

[11] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

Statement of Voluntary Participation is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_form-ff-206-fy-21-124.pdf.

Subrecipients must apply deed-restriction language to all acquired properties to ensure that the property is maintained in perpetuity as open space consistent with the conservation of natural floodplain functions, as agreed to by accepting FEMA mitigation award funding. Deed-restriction language is applied to acquired properties by recording the open space and deed restrictions. The FEMA Model Deed Restriction is available at https://www.fema.gov/sites/default/files/2020-08/fema_model-deed-restriction.pdf. Subrecipients, as well as recipients and FEMA are responsible for enforcing compliance with open space restrictions pursuant to 44 CFR Part 80 requirements.

c. *Go/No-Go Milestones*

The subapplicant, in coordination with the applicant, must identify at least one or more Go/No-Go milestones in the work schedule for a Localized Flood Risk Reduction Project that is a Phased Project. A Go/No-Go milestone is a major milestone in the project that if not completed on time may result in a cancellation of the subaward. Progress towards meeting the Go/No-Go milestones must be reported in the quarterly progress reports submitted to the recipient and FEMA. At these Go/No-Go milestones, FEMA will evaluate project performance, schedule adherence, and contribution to FEMA's program goals and objectives.

d. *National Environmental Policy Act Requirement for Hazard Mitigation Projects*

Applicants and subapplicants applying for hazard mitigation projects (Localized Flood Risk Reduction Project and/or Individual Flood Mitigation Project) must provide information needed to comply with the National Environmental Policy Act (NEPA) (42 U.S.C. §§ 4321–4370h) and the related DHS and FEMA instructions and directives (i.e., DHS Directive 023-01, [12] DHS Instruction Manual 023-01-001-01,[13] FEMA Directive 108-1,[14] and FEMA Instruction 108-1-1,[15] which can be accessed at https://www.fema.gov/emergency-managers/practitioners/environmental-historic/laws/ehp-directive-instruction). The required information is included in the subapplication in FEMA GO. Environmental Planning and Historic Preservation (EHP) Job Aids and Supplements are available on the FEMA website at https://www.fema.gov/grants/guidance-tools/environmental-historic. The required information is included in the subapplication in FEMA GO.

12. Intergovernmental Review

An intergovernmental review may be required. Applicants must contact their state's Single Point of Contact (SPOC) to comply with the state's process under Executive Order 12372

[12] DHS Directive 023-01is titled Implementation of the National Environmental Policy Act.
[13] DHS Instruction Manual 023-01-001-01is titled Implementation of the National Environmental Policy Act (NEPA).
[14] FEMA Directive 108-1 is titled Environmental Planning and Historic Preservation Responsibilities and Program Requirements.
[15] FEMA Instruction 108-1-1is titled Instruction on Implementation of the Environmental Planning and Historic Preservation Responsibilities and Program Requirements.

(See https://www.archives.gov/federal-register/codification/executive-order/12372.html).

13. Funding Restrictions and Allowable Costs

All costs charged to awards covered by this NOFO must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements at 2 C.F.R. Part 200, unless otherwise indicated in the NOFO, or the terms and conditions of the award. This includes, among other requirements, that costs must be incurred, and products and services must be delivered, within the period of performance of the award. *See* 2 C.F.R. § 200.403(h) (referring to budget periods, which for FEMA awards is the same as the period of performance).

In general, the Cost Principles establish standards for the allowability of costs, provide detailed guidance on the cost accounting treatment of costs as direct or administrative costs, and set forth allowability principles for selected items of cost. More specifically, except as otherwise stated in this NOFO, the terms and condition of an award, or other program materials, costs charged to awards covered by this NOFO must be consistent with the Cost Principles for Federal Awards located at 2 C.F.R. Part 200, Subpart E. In order to be allowable, all costs charged to a FEMA award or applied to the cost share must be reasonable in nature and amount and allocable to the particular FEMA award.

Additionally, all costs charged to awards must comply with the grant program's applicable statutes, policies, requirements in this NOFO as well as with the terms and conditions of the award. If FEMA staff identify costs that are inconsistent with any of these requirements, these costs may be disallowed, and FEMA may recover funds as appropriate, consistent with applicable laws, regulations, and policies.

As part of those requirements, grant recipients and subrecipients may only use federal funds or funds applied to a cost share for the purposes set forth in this NOFO and the terms and conditions of the award, and those costs must be consistent with the statutory authority for the award.

Grant funds may not be used for matching funds for other federal grants/cooperative agreements, lobbying, or intervention in federal regulatory or adjudicatory proceedings. In addition, federal funds may not be used to sue the federal government or any other government entity.

Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high-cost items, and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment and federal procurement requirements, please reference 2 C.F.R. Part 200, available at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

More detailed information is available in Part III, E.1, Eligible Activities, of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

a. ***Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services***

Recipients and subrecipients of FEMA federal financial assistance are subject to the prohibitions described in section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA), Pub. L. No. 115-232 (2018) and 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200. Beginning August 13, 2020, the statute – as it applies to FEMA recipients, subrecipients, and their contractors and subcontractors – prohibits obligating or expending federal award funds on certain telecommunications and video surveillance products and contracting with certain entities for national security reasons.

Guidance is available at FEMA Policy #405-143-1 - Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services

Additional guidance is available at Contract Provisions Guide: Navigating Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards (fema.gov).

Effective August 13, 2020, FEMA recipients and subrecipients **may not** use any FEMA funds under open or new awards to:

1. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
2. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
3. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

I. DEFINITIONS

Per section 889(f)(2)-(3) of the FY 2019 NDAA and 2 C.F.R. § 200.216, covered telecommunications equipment or services means:

i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
ii. For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or
iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of

Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the People's Republic of China.

Examples of the types of products covered by this prohibition include phones, internet, video surveillance, and cloud servers when produced, provided, or used by the entities listed in the definition of "covered telecommunications equipment or services." *See* 2 C.F.R. § 200.471.

b. ***Pre-Award Costs***

Pre-award costs directly related to developing the FMA grant application or subapplication that are incurred prior to the date of the grant award are allowed subject to FEMA approval at time of award. Such costs may have been incurred prior to application submission, for example gathering data to be used for preparing environmental reviews required by NEPA or developing a BCA (see Section D, Application and Submission Information), preparing design specifications, or conducting workshops or meetings related to development and submission of subapplications. To be eligible for FMA funding, pre-award costs must be identified in the individual line item in the cost estimate of the subapplication.

Pre-award costs may be cost shared or applicants and subapplicants may identify them as their non-federal cost share (see Section C, Eligibility Information, Cost Share or Match).

Costs associated with implementation of proposed projects in the submitted grant application or subapplication that are incurred prior to the date of the grant award are not allowed. Activities initiated or completed prior to the date of the grant award are generally not eligible.

- However, per the Hazard Eligibility and Local Projects (HELP) Act, FEMA may provide assistance for certain acquisition and demolition projects when implementation started after January 3, 2023. In order to be eligible, the project must also: (1) qualify for a categorical exclusion under NEPA; (2) be compliant with applicable floodplain management and protection of wet land regulations and criteria; and (3) not require consultation under any other environmental or historic preservation law or regulation or involve any extraordinary circumstances. An entity seeking assistance under the HELP Act must comply with all other applicable HMA and federal requirements (see Pub. L. No. 117-332).

If any pre-award activities related to developing an FMA grant application or subapplication result in ground disturbance, the applicant or subapplicant must comply with all applicable federal, state, and local laws and regulations, and obtain any applicable environmental permits and clearances. The applicant or subapplicant must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, work will immediately cease, and the appropriate state authority will be notified.

Applicants and subapplicants who are not awarded awards or subawards will not receive reimbursement for the corresponding pre-award costs.

c. ***Management Costs***

In addition to funding received as described in Section B.1, Available Funding for the funding opportunity, applicants and subapplicants are eligible to receive management costs (direct and indirect administrative costs pursuant to 2 C.F.R. Part 200, Subpart E).

Subapplicants may submit up to 5% of the total budget of the subapplication for management costs. The total budget refers to the sum of non-federal and federal cost shares of the proposed subapplication. Subapplicants must use subapplicant management costs to manage their subaward activities. Subapplicant management cost activities must be added to the Scope of Work section and identified in the Cost Estimate section of subapplications in FEMA GO[16].

Applicants may submit up to 10% of the application budget (with the total budget including subapplicant management costs) for applicants to administer and manage award and subaward activities. Applicants' management costs will be calculated using the total sum of all non-federal and federal cost shares (the composite of all projects' cost share). FEMA will verify and calculate the management costs based on the applications and subapplications final selections.

Applicant requests for management costs must be submitted in a separate management costs subapplication in FEMA GO[17].

The subapplicant's management costs (up to 5%) must be added to the subapplication total budget prior to the calculation of the applicant's management costs (up to 10%). Applicant management costs will not exceed 10% of the total application budget.

If the applicant is also implementing the award as the subapplicant, the applicant is allowed to claim subapplicant (up to 5%) and applicant management costs (up to 10%). Uses of the applicant management costs must be distinct from subapplicant management costs and must adhere to the stated uses, even if being used by the same entity. The total management costs still will not exceed 15% of the total award. Management costs are governed by 44 C.F.R. Part 77. Management costs are any indirect costs, any direct administrative costs, and other administrative expenses that are reasonably incurred in administering an award or subaward. Eligible applicant or subapplicant management cost activities may include:

- Solicitation, review, and processing of subapplications and subawards
- Subapplication development and technical assistance to subapplicants regarding feasibility and effectiveness and BCA
- Geocoding hazard mitigation projects identified for further review by FEMA
- Delivery of technical assistance (e.g., plan reviews, planning workshops, training) to support the implementation of hazard mitigation activities
- Managing awards (e.g., quarterly reporting including managing Go/No-Go milestones for mitigation projects, closeout)

[16] Refer to Section D, Application and Submission Information, Content and Form of Application Submission of this funding opportunity.
[17] Refer to Section D, Application and Submission Information, Content and Form of Application Submission of this funding opportunity.

- Technical monitoring (e.g., site visits, technical meetings)
- Purchase of equipment, per diem and travel expenses, and professional development that is directly related to the implementation of HMA programs
- Staff salary costs directly related to performing the activities listed above

d. ***Indirect Facilities & Administrative (F&A) Costs***

Indirect costs of administering the FMA program are eligible as part of the 10% management costs for the recipient or the 5% management costs of the subrecipient, but in no case do they make the recipient eligible for additional management costs that exceed the regulatory caps. In addition, all costs must be in accordance with the provisions of 2 C.F.R. parts 200 and 3002.

Indirect costs are allowable under this program as described in 2 C.F.R. Part 200, including 2 C.F.R. § 200.414. Applicants with a current negotiated indirect cost rate agreement that desire to charge indirect costs to an award must provide a copy of their negotiated indirect cost rate agreement at the time of application. Not all applicants are required to have a current negotiated indirect cost rate agreement. Applicants that are not required by 2 C.F.R. Part 200 to have a negotiated indirect cost rate agreement but are required by 2 C.F.R. Part 200 to develop an indirect cost rate proposal must provide a copy of their proposal at the time of application. Applicants who do not have a current negotiated indirect cost rate agreement (including a provisional rate) and wish to charge the de minimis rate must reach out to the Grants Management Specialist for further instructions. Applicants who wish to use a cost allocation plan in lieu of an indirect cost rate must also reach out to the Grants Management for further instructions.

Subapplicants are not required to submit negotiated indirect cost rate agreements or proposals directly to FEMA, but they may need to submit them to the applicable applicants per 2 C.F.R. § 200.332.

E. Application Review Information

1. Application Evaluation Criteria

a. ***Programmatic Criteria***

FEMA will review subapplications submitted by each applicant to ensure:

- Eligibility of the applicant and subapplicant;
- Eligibility of proposed activities and costs;
- Completeness of the subapplication;
- Cost-effectiveness, alternative cost-effectiveness, BCA assistance, and engineering feasibility of hazard mitigation projects; or expected savings to the National Flood Insurance Fund (NFIF) from expected avoided damages through acquisition or relocation activity;
- Eligibility and availability of non-federal cost share;

- Consistency with approved State Mitigation Plan and Local and/or Tribal Hazard Mitigation Plan;
- Conformance with all applicable federal, state, Tribal and local environmental and historic preservation laws and regulations;
- Proposed project will solve a problem independently, or constitute a functional portion of a long-term solution where there is assurance that the project as a whole will be completed; and
- Requested funds do not duplicate benefits available from another source for the same purpose or assistance that another federal agency or program has more primary authority to provide.

Subapplicants are exempt from the hazard mitigation plan requirement for the following Capability and Capacity Building Activities' Mitigation Plans. A hazard mitigation plan is required for all other Capability and Capacity Building Activities subapplications.

For more detailed information, see Part VI, Application Review Information, of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

b. ***Financial Integrity Criteria***

Prior to making a federal award, FEMA is required by 31 U.S.C. § 3354, as enacted by the Payment Integrity Information Act of 2019, Pub. L. No. 116-117 (2020); 41 U.S.C. § 2313; and 2 C.F.R. § 200.206 to review information available through any Office of Management and Budget (OMB)-designated repositories of governmentwide eligibility qualification or financial integrity information, including whether the applicant is suspended or debarred. FEMA may also pose additional questions to the applicant to aid in conducting the pre-award risk review. Therefore, application evaluation criteria may include the following risk-based considerations of the applicant:

i. Financial stability.
ii. Quality of management systems and ability to meet management standards.
iii. History of performance in managing federal award.
iv. Reports and findings from audits.
v. Ability to effectively implement statutory, regulatory, or other requirements.

c. ***Supplemental Financial Integrity Criteria and Review***

Prior to making a federal award where the anticipated total federal share will be greater than the simplified acquisition threshold, currently $250,000:

i. FEMA is required to review and consider any information about the applicant, including information on the applicant's immediate and highest-level owner, subsidiaries, and predecessors[18], if applicable, that is in the designated

[18] As defined in 2 C.F.R. Part 25, specifically § 25.447: Predecessor means a non-federal entity that is replaced by a successor and includes any predecessors of the predecessor.

integrity and performance system accessible through the System for Award Management (SAM), which is currently the Federal Awardee Performance and Integrity Information System (FAPIIS).

ii. An applicant, at its option, may review information in FAPIIS and comment on any information about itself that a federal awarding agency previously entered.

iii. FEMA will consider any comments by the applicant, in addition to the other information in FAPIIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 C.F.R. § 200.206.

2. Review and Selection Process

a. *Selection Order*

FEMA will select subapplications up to the available funding amount of **$800 million** in the following order:

I. CAPABILITY AND CAPACITY BUILDING ACTIVITIES – UP TO $60 MILLION

Mitigation Plans under 42 U.S.C. 4104c(c)(3)(F)

FEMA will select highest ranked eligible subapplication(s) for the development or update of a Mitigation Plan(s) of $100,000 per applicant for mitigation plan with maximums of $50,000 for state mitigation plans, and $25,000 for local mitigation plans federal cost share. Mitigation Plan subapplications will be evaluated to ensure that the end result will provide benefits to the NFIP.

Technical Assistance by States to Communities (42 U.S.C. 4104c(c)(3)(J)

FEMA will select highest ranked eligible subapplication(s) for Technical Assistance by States to Communities of $50,000 per applicant. To be eligible to receive this funding, the applicant must have received an FY 2022 FMA award of at least $1 million federal cost share. Technical Assistance by States to Communities funding is provided to maintain a viable FMA program over time.

Project Scoping

FEMA will select the highest ranked eligible subapplication(s) for Project Scoping not to exceed $900,000 federal cost share per subapplicant. Project Scoping can be used to obtain data and to prioritize, select, and develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects based on current FEMA-approved mitigation plans. Project Scoping subapplications will be evaluated to ensure that the end result will lead to an eligible project subapplication that will provide benefits to the NFIP.

Consideration of Project Scoping early in the decision-making process can help facilitate the development of a viable project, as well as project implementation. FY 2023 Project Scoping projects are not eligible for FY 2023 Localized Flood Risk Reduction Project or Individual Flood Mitigation Project funding. There is no guarantee for future FMA project funding if Project Scoping is awarded.

All Project Scoping subapplications must submit a map and associated geospatial file(s) (e.g., shapefile, keyhole markup language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating the area that will benefit from the project. If a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

Additional Capability and Capacity Building Activities

FEMA will select the highest ranked eligible subapplication(s) for Additional Capability and Capacity Building Activities, not to exceed $300,000 federal cost share per subapplicant. Additional Capability and Capacity Building Activities, which enhance the knowledge, skills, expertise, etc., of the current workforce to expand or improve the administration of flood mitigation assistance. This includes activities in the following sub-categories: Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G).

All Additional Capability and Capacity Building Activities subapplications must submit a map and associated geospatial file(s) (e.g., shapefile, keyhole markup language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating the area that will benefit from the project. If a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

Please note, Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, and Additional Capability and Capacity Building Activities subapplications have different funding caps indicated above.

a) CAPABILITY AND CAPACITY BUILDING ACTIVITIES PRIORITIZATION

All eligible Mitigation Plans and Technical Assistance by States to Communities subapplications will be funded based on eligibility.

FEMA will then select the remaining highest ranked eligible Capability and Capacity Building Activities subapplication(s) from each applicant according to the following hierarchical order: Project Scoping, and then Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities; Enhancing Local Floodplain Management; SRL/RL Strategy Development; and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G).

All Project Scoping and Additional Capability and Capacity Building Activities subapplications will be scored and selected based on the priorities in the following table,

as needed. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Capability and Capacity Building Activities		
Priority	**Description**	**Available Points**
Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42 U.S.C. § 5136(a)(1) and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications will receive 8 points if the C&CB Activities primarily benefits a Community Disaster Resilience Zone. OR Subapplications will receive 6 points if the C&CB Activities primarily benefits a Justice40 community. Full and partial points are assigned to this category.	Up to 8

Community Rating System (CRS) Participation	The CRS recognizes and encourages community floodplain-management activities that exceed the minimum National Flood Insurance Program standards. Depending on the level of participation, flood insurance premium rates for policyholders can be reduced by up to 45%. Subapplications will receive 3 points if they are a participant in CRS. No partial points are assigned to this category.	3
Cooperating Technical Assistance Partners Program (CTP) Participation	The CTP is a qualified partnership program in which communities commit to collaborate in maintaining up-to-date flood hazard maps and other flood hazard information. Subapplications will receive 3 points if they are a CTP participating community. No partial points are assigned to this category.	3
Public and Private-Sector Partnerships	FEMA encourages innovative use of public and private-sector partnerships, including incentivizing private organizations and businesses that partner with public organization to meet the non-federal cost share. Subapplication will receive 2 points if the subapplication incorporates partnerships (e.g., state, Tribal, private, local community, etc.) that will ensure the project meets community needs, including those of overburdened and underserved populations, and show the outcome of those partnerships (e.g., leveraging resources such as financial, material, and educational resources, coordinating multi-jurisdictional projects, heightened focus on equity related issues, etc). No partial points are assigned to this category.	2

In case of a tie, FEMA will use CEJST, Community Disaster Resilience Zone, or the total dollars in NFIP claims paid in the subapplicant's jurisdiction in the past 5 years as a tiebreaker for projects.

After meeting the **$60 million** available for Capability and Capacity Building Activities, or when all eligible Capability and Capacity Building Activities subapplications have been selected, FEMA will select eligible subapplications for the remaining funds in the following order.

II. Localized Flood Risk Reduction Project – up to $520 million

FEMA will then select the highest ranked eligible Localized Flood Risk Reduction Project subapplication(s) based on the FEMA scoring criteria below. In the event of a tie between two or more Localized Flood Risk Reduction Project subapplications, FEMA will use CEJST,

Community Disaster Resilience Zone, or the total dollars in NFIP claims paid in the subapplicant's jurisdiction in the past 5 years for the project benefiting area as a tiebreaker for projects. Each subapplication shall not exceed **$50 million** federal cost share.

FEMA will convene an internal review panel to ensure that projects will provide benefits to the NFIP, in accordance with 44 C.F.R. Part 77 and the 2023 Hazard Mitigation Assistance Program and Policy Guide. The Localized Flood Risk Reduction Project internal review panel will include experts from across FEMA to broaden understanding of project benefits. Panelists will consider Localized Flood Risk Reduction Project subapplications holistically to determine if the projects will provide benefits to the NFIP, including but not limited to, the context of the project scale, community scale, transformative mitigation potential, and alignment with the Administration's Justice40 Initiative.

All Localized Flood Risk Reduction Project subapplications must include the following elements:

- Demonstrate that the proposed project benefits NFIP insured properties by submitting a map and associated geospatial file(s) (e.g., shapefile, Keyhole Markup Language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating:
    - The proposed project location or footprint boundary,
    - Area with reduced flood risk or benefiting area (in alignment with Hydrologic and Hydraulic modeling, as available, except for Phase 1 projects), and
    - Active NFIP policies (if data is available).

Eligible activities must benefit NFIP insured properties. Examples include, but are not limited to:

- Localized flood control
- Floodwater storage and diversion
- Floodplain and stream restoration
- Stormwater management
- Wetland restoration/creation

Subapplications will be scored and selected based on the priorities in the following table, as needed. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Localized Flood Risk Reduction Project		
Priority	**Description**	**Available Points**

Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42U.S.C. § 5136(a)(1) and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications that primarily benefits a Community Disaster Resilience Zone, will receive 300 points. OR Subapplications that primarily benefits a Justice40 community, will receive 200 points. Full and partial points are assigned to this category.	Up to 300

National Flood Insurance Program (NFIP) Policy Holder	NFIP provides insurance to help reduce the socio-economic impact of floods. Flood insurance is a separate policy that can cover buildings, the contents in a building, or both. The NFIP provides flood insurance to property owners, renters, and businesses, and having this coverage helps them recover faster when floodwaters recede. Points will be assessed for every NFIP policy that is active as of the FMA application start date (Section D, Application and Submission Information, Key Dates and Times of this funding opportunity) and is verified within the benefiting area of the project. Full and partial points are assigned to this category.	2 points per NFIP Policy, up to 200 points
FMA and NFIP defined Severe Repetitive Loss (SRL) and Repetitive Loss (RL) Properties[19]	FMA aims to implement projects that reduce flood risks posed to repetitively flooded properties insured under the NFIP, and the disruption to life caused by repeated flooding of the same properties. Points will be assessed for all FMA and NFIP defined SRL and/or RL structures verified within the benefiting area of the project. Full and partial points are assigned to this category.	5 points per RL and 10 points per SRL, up to 175 points

[19] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

Consideration for Climate Change[20] and Other Future Conditions	FEMA works with state, local, Tribal, and territorial governments to build and deliver resources and capabilities that ensure the nation can withstand climate hazards of today and those we anticipate for tomorrow.[21] Applicants and subapplicants should use evidence-based, best-available climate data sets, information resources, and decision-support tools, including Federal resources, to identify current and future climate risks over the project's expected service life. Climate projections, emission scenarios, or other suitable scenario conditions should be specified based on the project's service life and applicant's risk tolerance, as appropriate and available. Applicants should document how their planned project design and operations are resilient to any identified current and future climate risks. Subapplications will receive 100 points if the project describes how it will enhance climate adaptation and resilience using the best available data, detail how the project is being responsive to the effects of climate change (such as sea level rise[22], increased rainfall, increased likelihood of flash flood due to wildfire, etc.) and/or other future conditions (population/demographic/land use, etc.), and cites data sources, assumptions, and models. No partial points are assigned to this category.	100

[20] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system." (Fourth National Climate Assessment)
[21] For more information on FEMA's Role in Addressing Climate Change, please reference FEMA and the Changing Climate.pdf
[22] Applicants and subapplicants may use any valid source that is based on recognized sea level rise estimation methods for sea level rise. Several federal government sources are available for relative sea level rise data along coastal areas. Some of these sources include, but are not limited to National Oceanic and Atmospheric Administration Center for Operational Oceanographic Products and Services' Mean Annual SLR Trend Data (https://tidesandcurrents.noaa.gov/sltrends/sltrends.html) and U.S. Army Corps of Engineers Sea-Level Change Curve Calculator (Version 2022.72) (https://cwbi-app.sec.usace.army.mil/rccslc/slcc_calc.html). Additional information, data, and resources on sea level rise are available at Sea Level Rise Technical Report: Download and FAQs (noaa.gov).

Incorporation of Nature-Based Solutions[23]	Nature-based solutions are actions to protect, sustainably manage, or restore natural or modified ecosystems to address societal challenges, simultaneously providing benefits for people and the environment. Refer to https://www.whitehouse.gov/wp-content/uploads/2022/11/Nature-Based-Solutions-Roadmap.pdf FEMA recognizes that strategies for nature-based solutions are diverse; one size does not fit all. As such, examples of nature-based solutions may include wetland restoration and protection; greenways; stormwater parks; floodplain restoration; rain gardens; green roofs; permeable pavement; coastal wetlands; and living shorelines. Subapplications will receive 100 points if the project incorporates nature-based solutions. No partial points are assigned to this category.	100
FEMA FMA Capability and Capacity Building (C&CB) Activities	FMA C&CB Activities are used to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP. Before FY 2022 FMA NOFO, C&CB Activities were referred to as hazard mitigation plans, technical assistance, and project scoping. Subapplications will receive 50 points if the project was generated from a previous FMA award. No partial points are assigned to this category.	50

[23] For more information on nature-based solutions, please reference Building Community Resilience with Nature-Based Solutions: A Guide for Local Communities and Nature-Based Solutions | FEMA.gov

Public and Private-Sector Partnerships	FEMA encourages innovative use of public and private-sector partnerships, including incentivizing private organizations and businesses that partner with public organization to meet the non-federal cost share. Subapplication will receive 25 points if the subapplication incorporates partnerships (e.g., state, Tribal, private, local community, etc.) that will ensure the project meets community needs, including those of overburdened and underserved populations, and show the outcome of those partnerships (e.g., leveraging resources such as financial, material, and educational resources, coordinating multi-jurisdictional projects, heightened focus on equity related issues, etc.). No partial points are assigned to this category.	25
Community Rating System (CRS) Participation	The CRS recognizes and encourages community floodplain-management activities that exceed the minimum National Flood Insurance Program standards. Depending on the level of participation, flood insurance premium rates for policyholders can be reduced up to 45%. Subapplications will receive 25 points if they are a participate in CRS. No partial points are assigned to this category.	25
Cooperating Technical Assistance Partners Program (CTP) Participation	The CTP is a qualified partnership program in which communities commit to collaborate in maintaining up-to-date flood hazard maps and other flood hazard information. Subapplications will receive 25 points if they are a CTP participating community. No partial points are assigned to this category.	25

After meeting the **$520 million** available for Localized Flood Risk Reduction Projects or when all eligible Localized Flood Risk Reduction Project subapplications have been selected, FEMA will select eligible subapplications for the remaining funds in the following order.

III. Individual Flood Mitigation Project – up to $220 million

FEMA will then select Individual Flood Mitigation Project subapplication(s) based on projects meeting the below FEMA scoring criteria. FEMA will select eligible Individual Flood Mitigation Project subapplications on a competitive basis in the following prioritized order:

Individual Flood Mitigation Projects that will mitigate flood damage to at least 75 percent of structures included in the subapplication that meet **ANY** of the following FMA and/or NFIP SRL and RL definitions in order by program priority:

1. Meet the FMA definition of an SRL property in 42 U.S.C. § 4104c(h)(3)(B)(ii): At least two separate NFIP claim payments have been made with the cumulative amount of such claims exceeding the market value of the insured structure.
2. Meet the FMA definition of an SRL property in 42 U.S.C. § 4104c(h)(3)(B)(i): four or more separate NFIP claims payments have been made with the amount of each claim exceeding $5,000, and with the cumulative amount of claims payments exceeding $20,000.
3. Meet the FMA definition of a RL property definition in 42 U.S.C. § 4121(a)(7): have incurred flood-related damage on two occasions, in which the cost of the repair, on the average, equaled or exceeded 25 percent of the market value of the structure at the time of each such flood event, and at the time of the second incidence of flood-related damage, the contract for flood insurance contains increased cost of compliance coverage.
4. Meet NFIP definition of an SRL property[24]: four or more separate NFIP claim payments of more than $5,000 each (including building and contents payments); or two or more separate claim payments (building payments only) where the total of the payments exceeds the current market value of the property.
5. Meet the NFIP definition of an RL property in Title 44 C.F.R. Part § 209.2: a structure covered by a contract for flood insurance under the National Flood Insurance Program (NFIP) that has incurred flood-related damage on two occasions during a 10-year period, each resulting in at least a $1,000 claim payment.

In the event requested funding exceeds **$220 million** funding for this priority, FEMA will prioritize subapplications based on:

- Count of properties meeting FMA and/or NFIP defined SRL and RL definitions in order by program priority (1-5) above, and
- Total dollars of all NFIP policy claims on record for all NFIP properties proposed for mitigation in the subapplication.

FEMA may rank subapplications lower where the average elevation federal cost share is greater than $250,000 for all single dwelling units or the average acquisition federal cost share is greater than $750,000 for all single dwelling units.

FEMA will further prioritize properties from subapplications if the building value of a single-family dwelling is less than $750,000, according to best available data, to ensure maximization of the number of NFIP-insured properties selected for mitigation projects in

[24] For the NFIP definition of an SRL property, refer to 42 U.S.C. § 4014(h); see FEMA, National Flood Insurance Program, Flood Insurance Manual, Appendix I, pg. 1, and Appendix L, pg. 8 (Apr. 2021); FEMA, National Flood Insurance Program, Community Rating System Coordinator's Manual, pg. 120-8 (2017).

accordance with 44 C.F.R. § 77.4(a). To determine the building value of a single-family dwelling, homeowners can refer to the Replacement Cost Value (RCV)[25] documented in the most recent claim. If no RCV is provided, then homeowners can refer to the Actual Cash Value (ACV)[26] as documented on the most recent claim. If an RCV or ACV for the structure is not available or includes errors, FEMA will evaluate properties on a case-by-case basis for removal from the subapplication.

If the structure does not have an RCV, then FEMA will consider the Actual Cash Value (ACV) of the structure, as listed on the most current claim of the property. If the structure has neither RCV nor ACV, FEMA will consider the assessed market value.

If available funding requires prioritization within one of the above priorities, FEMA will apply the Final Priority Scoring Criteria for Individual Mitigation Project below. FEMA may reconsider Single-family dwellings that are not selected.

IV. FEMA WILL SELECT REMAINING ELIGIBLE SUBAPPLICATIONS ONCE ALL ABOVE PRIORITIES ARE MET BASED ON BENEFITS TO THE NFIP.

FEMA will verify project eligibility. However, applicants should ensure that accurate NFIP policy numbers, and FMA and/or NFIP defined SRL and RL numbers are included in all subapplications. After FEMA selects all subapplications in prioritized order above, FEMA will use the Final Priority Scoring Criteria below to determine the selection order for the remaining subapplications. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Individual Flood Mitigation Project		
Priority	**Description**	**Available Points**
Substantial Damage[27]	Substantial damage applies to a structure in a Special Flood Hazard Area – or floodplain – for which the total cost of repairs is 50 percent or more of the structure's market value before the disaster occurred, regardless of the cause of damage. This percentage rule can vary among jurisdictions. The decision about a structure being substantially damaged is made at the local community generally by a building-department official or floodplain manager. For communities that participate in the National Flood Insurance Program (NFIP), substantial damage determinations generally are required by local floodplain-management ordinances. These rules must be	10 points per Substantial Damage structure, no cap

[25] The cost to replace property with the same kind of material and construction without deduction for depreciation.
[26] The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.
[27] Damage of any origin sustained by a building whereby the cost of restoring the building to its before-damaged condition would equal or exceed 50 percent of the market value of the building before the damage occurred. (Hazard Mitigation Assistance Program and Policy Guide, 2023)

	in place for residents of a community to purchase flood insurance. The subapplication will receive 10 points per structure that is determined Substantially Damaged by the community within five (5) years of the Application Submission Deadline and a verification letter is included in the subapplication. Full points are assigned to this category and there is no point cap/limit.	
Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42 U.S.C. § 5136(a)(1), and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications that primarily benefits a Community Disaster Resilience Zone will receive 50 points. OR Subapplications that primarily benefits a Justice40 community will receive 35 points. Full and partial points are assigned to this category.	Up to 50 points
FMA and NFIP defined Severe Repetitive Loss	FMA aims to implement projects that reduce flood risks posed to repetitively flooded properties insured under the National Flood Insurance Program (NFIP), and the	Up to 30

(SRL) and Repetitive Loss (RL) Properties[28]	disruption to life caused by repeated flooding of the same properties. Points will be assessed for FMA and NFIP defined SRL and/or RL structures verified within the subapplication. Full and partial points are assigned to this category. • If greater than 35% of properties in the subapplication are SRL or RL, the subapplication will receive 30 points, or • If 25% - 35% of properties in the subapplication are SRL and/or RL, the subapplication will receive 15 points.	
FEMA FMA Capability and Capacity Building (C&CB) Activities	FMA C&CB Activities are used to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP. Before FY 2022 FMA NOFO, C&CB Activities were referred to as hazard mitigation plans, technical assistance, and project scoping. Subapplications will receive 20 points if the project was generated from a previous FMA award. No partial points are assigned to this category.	20

FEMA may select any subapplication out of priority order based on one or more of the following factors:

- Availability of funding
- Duplication of subapplications
- Program priorities and policy factors
- Other pertinent information

Subapplications that have made it through the selections process but will not be funded due to the limited availability of FMA funding, may be reviewed by other FEMA grant programs for eligibility and alternative funding. Additional information may be requested to ensure all applicable programmatic eligibility criteria are met.

b. Selection Status

After FEMA has completed its review of all subapplications across Capability and Capacity Building Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project, FEMA will assign each of them one of the following three statuses:

[28] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

- **Identified for Further Review (IFFR)** – This means the subapplication is selected and there is available funding under the applicable subtotals. Additional information may be requested from the applicant at this stage that may impact eligibility. Identified for Further Review (IFFR) status does not automatically imply an award will be made.
- **Not Selected** – This means the subapplication is eligible but was not selected due to a lack of available funding under the applicable subtotals.
- **Does Not Meet HMA Requirements –** This means the subapplication does not satisfy the eligibility or completeness requirements outlined in the statute, policy, or Section C.3.

c. ***Request for Reconsideration***

At its discretion, and at the request of the applicant or subapplicant (through the applicant), FEMA may reconsider a decision regarding any subapplication that is Not Selected or Does Not Meet HMA Requirements only where there is an indication of substantive technical or procedural error that may have influenced FEMA's decision. There will be no reconsideration regarding the amount of planning subapplications, applicant management costs, or Technical Assistance costs. Applicants must send requests for reconsideration based on technical or procedural error to the FEMA Regional Office within 60 days of the posting of subapplication status. Subapplicants should contact their applicant agency regarding reconsideration requests, so that the applicant may submit it to the FEMA Regional Office on their behalf. Contact information for each State Hazard Mitigation Officer is provided at State Hazard Mitigation Officers | FEMA.gov.

The FEMA Regional Office will review reconsideration requests received from applicants and submit the Regional recommendation to FEMA Headquarters. FEMA Headquarters will make a final determination to overturn or uphold the original decision and send the response to the applicant.

Prior to making an award, FEMA will evaluate recipients to determine the level of risk when there is a history of failure to comply with general or specific terms and conditions of a federal award or failure to meet the expected performance goals. If FEMA determines that a federal award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award, as specified in Part 8: Award Administrative Requirements, Section C: Assessment of Risk Posed by Recipient and Subrecipient Prior to Award of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

F. Federal Award Administration Information

1. Notice of Award

Before accepting the award, the AOR and recipient should carefully read the award package. The award package includes instructions on administering the grant award and the terms and conditions associated with responsibilities under federal awards. **Recipients must accept all**

conditions in this NOFO as well as any specific terms and conditions in the Notice of Award to receive an award under this program.

FEMA will provide the federal award package to the applicant electronically via FEMA GO. Award packages include an Award Letter, Summary Award Memo, Agreement Articles, and Obligating Document. An email notification of the award package will be sent through FEMA's grant application system to the Authorized Organization Representative (AOR) that submitted the application.

Recipients must accept their awards no later than 30 days from the award date. The recipient shall notify FEMA of its intent to accept and proceed with work under the award through the FEMA GO system.

Funds will remain on hold until the recipient accepts the award through the FEMA GO system and all other conditions of the award have been satisfied or until the award is otherwise rescinded. Failure to accept a grant award within the specified timeframe may result in a loss of funds.

When FEMA obligates funds for a grant to an applicant, the applicant and subapplicant are denoted as recipient and subrecipient, respectively. The recipient and subrecipient agree to abide by the grant award term and conditions as set forth in the Articles of Agreement provided in the award package. Recipients must accept all conditions in this NOFO as well as any Special Terms and Conditions.

FEMA or DHS may initiate a formal evaluation of programs, projects, or activities supported by this grant. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant (such as property owners), and providing access to program operating personnel and participants, as specified by the evaluator(s), including after the POP.

2. Administrative and National Policy Requirements

In addition to the requirements of in this section and in this NOFO, FEMA may place specific terms and conditions on individual awards in accordance with 2 C.F.R. Part 200.

a. *DHS Standard Terms and Conditions*

All successful applicants for DHS grant and cooperative agreements are required to comply with DHS Standard Terms and Conditions, which are available online at: DHS Standard Terms and Conditions.

The applicable DHS Standard Terms and Conditions will be those in effect at the time the award was made. What terms and conditions will apply for the award will be clearly stated in the award package at the time of award.

b. *Ensuring the Protection of Civil Rights*

As the Nation works towards achieving the National Preparedness Goal, it is important to continue to protect the civil rights of individuals. Recipients and subrecipients must carry out their programs and activities, including those related to the building, sustainment, and delivery of core capabilities, in a manner that respects and ensures the protection of civil rights for protected populations.

Federal civil rights statutes, such as Section 504 of the Rehabilitation Act of 1973 and Title VI of the Civil Rights Act of 1964, along with DHS and FEMA regulations, prohibit discrimination on the basis of race, color, national origin, sex, religion, age, disability, limited English proficiency, or economic status in connection with programs and activities receiving federal financial assistance from FEMA.

The DHS Standard Terms and Conditions include a fuller list of the civil rights provisions that apply to recipients. These terms and conditions can be found in the DHS Standard Terms and Conditions. Additional information on civil rights provisions is available at https://www.fema.gov/about/offices/equal-rights/civil-rights.

Monitoring and oversight requirements in connection with recipient compliance with federal civil rights laws are also authorized pursuant to 44 C.F.R. Part 7.

In accordance with civil rights laws and regulations, recipients and subrecipients must ensure the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment.

c. ***Environmental Planning and Historic Preservation (EHP) Compliance***

As a federal agency, FEMA is required to consider the effects of its actions on the environment and historic properties to ensure that all activities and programs funded by FEMA, including grant-funded projects, comply with federal EHP laws, Executive Orders (EO), regulations, and policies, as applicable.

All FEMA actions, including grant-funded actions, must comply with National Flood Insurance Program criteria or any more restrictive federal, state, or local floodplain management standards or building code (44 CFR § 9.11(d)(6)).

All FEMA-funded non-critical actions in 1% annual chance floodplains (also known as 100-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated or floodproofed, at a minimum, to the lower of:

- Two feet above the 1% annual chance flood elevation (also known as the base flood elevation), in accordance with the Federal Flood Risk Management Standard (FFRMS) “Freeboard Value Approach” (FVA); or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least two feet above the 1% annual chance flood elevation.

All FEMA-funded critical actions in 1% annual chance floodplains or 0.2% annual chance floodplains (also known as 500-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated, at a minimum, to the higher of:

- Three feet above the 1% annual chance flood elevation; or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least three feet above the 1% annual chance flood elevation.

See Executive Order 11988, *Floodplain Management*, as amended by Executive Order 13690, *Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input*, and the 2023 Hazard Mitigation Assistance Program and Policy Guide

Recipients and subrecipients proposing projects that have the potential to impact the environment, including, but not limited to, the construction of communication towers, modification or renovation of existing buildings, structures, and facilities, or new construction including replacement of facilities, must participate in the FEMA EHP review process. The EHP review process involves the submission of a detailed project description along with any supporting documentation requested by FEMA in order to determine whether the proposed project has the potential to impact environmental resources or historic properties.

In some cases, FEMA is also required to consult with other regulatory agencies and the public in order to complete the review process. Federal law requires EHP review to be completed before federal funds are released to carry out proposed projects. FEMA may not be able to fund projects that are not incompliance with applicable EHP laws, regulations, Executive Orders, and policies.

DHS and FEMA EHP policy is found in directives and instructions available on the FEMA.gov EHP page, the FEMA website page that includes documents regarding EHP responsibilities and program requirements, including implementation of the National Environmental Policy Act and other EHP laws, regulations and Executive Orders. Individual FEMA programs have separate procedures to conduct and document EHP review. Guidance for individual grant programs is available from applicable program offices.

Presidential EO 11988 and EO 11990: Protection of Wetlands require that all federal actions in or affecting the floodplain or wetlands be reviewed for opportunities to relocate, and be evaluated for social, economic, historical, environmental, legal and safety considerations. FEMA's regulations at 44 C.F.R. Part 9 implement the EOs and require an 8-step review process if a proposed action is located in a floodplain or wetland consistent with 44 C.FR. § 9.6.

The regulation also requires that the federal agency provide public notice of the proposed action at the earliest possible time to provide the opportunity for public involvement in the decision-making process (44 C.F.R. § 9.8). Where there is no opportunity to relocate the

federal action, FEMA is required to undertake a detailed review to determine what measures can be taken to minimize future damages to the floodplain or wetland.

Through this NOFO, FEMA is giving notice of projects that may be funded under the FMA program, consistent with the requirements of Section 9.8. The public is invited to participate in the process of identifying alternatives to locating a proposed project in the floodplain or wetland and analyzing the impacts of the alternatives on the floodplain or wetland. Comments may be provided by emailing ehphelpline@fema.dhs.gov within 15 days of its issuance. While analyzing alternatives, FEMA may determine there are no practicable alternatives to carrying out the proposed work within the floodplain or wetland. Relocating facilities may not be practicable and would adversely impact affected communities socially and economically.

In addition, no alternative actions may be practicable that serve the same purpose and have less potential to affect or be affected by the floodplain. The no action option would not be appropriate as it would fail to meet the purpose and need of the community. In the course of developing project proposals, subsequent public notices will be published, if necessary, as more specific information becomes available.

d. Construction Project Requirements

Acceptance of federal funding requires FEMA, the recipient, and any subrecipients to comply with all federal, state, and local laws and regulations prior to the start of any construction activity. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding. Also:

- Any change to the approved scope of work will require re-evaluation by FEMA for compliance with the NEPA and other laws and Executive Orders.

- If ground-disturbing activities occur during construction, the recipient and any subrecipients must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, the subrecipient will immediately cease construction in that area and notify the recipient and FEMA.

    - All mitigation projects must be in in conformance with flood insurance requirements. This means that if the project is located in a SFHA: (a) the project must be in a jurisdiction participating in the NFIP; and (b) the property owner(s) must obtain and maintain flood insurance for the life of the structure, regardless of transfer of ownership, in an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the mitigated property, whichever is less.

3. Reporting

Recipients are required to submit various financial and programmatic reports as a condition of award acceptance. Future awards and funds drawdown may be withheld if these reports are delinquent.

a. *Financial Reporting Requirements*

I. FEDERAL FINANCIAL REPORT (FFR)

Recipients must report obligations and expenditures through the FFR form (SF-425) to FEMA.

Recipients may review the Federal Financial Reporting Form (FFR) (SF-425) at https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1.

Recipients must file the FFR electronically using FEMA GO.

II. FFR REPORTING PERIODS AND DUE DATES

An FFR must be submitted quarterly throughout the POP, including partial calendar quarters, as well as in periods where no grant award activity occurs. The final FFR is due within 120 calendar days after the end of the POP. Future awards and fund drawdowns may be withheld if these reports are delinquent, demonstrate lack of progress, or are insufficient in detail.

Except for the final FFR due at 120 days after the end of the POP for purposes of closeout, the following reporting periods and due dates apply for the FFR:

Reporting Period	Report Due Date
October 1 – December 31	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

b. *Programmatic Performance Reporting Requirements*

I. PERFORMANCE PROGRESS REPORT (PPR)

In addition to the FFR reports, recipients must report on the progress of the grant on a quarterly basis to DHS/FEMA using the Quarterly Performance Report in FEMA GO. The Quarterly Performance Reports must be submitted electronically in FEMA GO quarterly throughout the POP, including partial calendar quarters, as well as for periods where no grant award activity occurs. Reports are due within 30 days from the end of the first federal quarter following the initial grant award and thereafter until the grant ends.

c. *Closeout Reporting Requirements*

I. Closeout Reporting

Within 120 calendar days after the end of the period of performance for the prime award or after an amendment has been issued to close out an award before the original POP ends, recipients must liquidate all financial obligations and must submit the following:

i. The final request for payment, if applicable.
ii. The final FFR (SF-425).
iii. The final progress report detailing all accomplishments, including a narrative summary of the impact of those accomplishments throughout the period of performance.
iv. Other documents required by this NOFO, terms and conditions of the award, or other FEMA guidance.
v. An inventory of all construction projects that used funds from this program.

In addition, pass-through entities are responsible for closing out their subawards as described in 2 C.F.R. § 200.344; subrecipients are still required to submit closeout materials within 90 calendar days of the period of performance end date. When a subrecipient completes all closeout requirements, pass-through entities must promptly complete all closeout actions for subawards in time for the recipient to submit all necessary documentation and information to FEMA during the closeout of the prime award.

After the prime award closeout reports have been reviewed and approved by FEMA, a closeout notice will be completed to close out the grant. The notice will indicate the period of performance as closed, list any remaining funds that will be deobligated, and address the requirement of maintaining the grant records for at least three years from the date of the final FFR. The record retention period may be longer, such as due to an audit or litigation, for equipment or real property used beyond the period of performance, or due to other circumstances outlined in 2 C.F.R. § 200.334.

The recipient is responsible for refunding to FEMA any balances of unobligated cash that FEMA paid that are not authorized to be retained per 2 C.F.R. § 200.344(d).

II. Administrative Closeout

Administrative closeout is a mechanism for FEMA to unilaterally move forward with closeout of an award using available award information in lieu of final reports from the recipient per 2 C.F.R. § 200.344(h)-(i). It is a last resort available to FEMA, and if FEMA needs to administratively close an award, this may negatively impact a recipient's ability to obtain future funding. This mechanism can also require FEMA to make cash or cost adjustments and ineligible cost determinations based on the information it has, which may result in identifying a debt owed to FEMA by the recipient.

When a recipient is not responsive to FEMA's reasonable efforts to collect required reports needed to complete the standard closeout process, FEMA is required under 2 C.F.R. § 200.344(h) to start the administrative closeout process within the regulatory timeframe. FEMA will make at least three written attempts to collect required reports before initiating administrative closeout. If the recipient does not submit all required reports in accordance

with 2 C.F.R. § 200.344, this NOFO, and the terms and conditions of the award, FEMA must proceed to administratively close the award with the information available within one year of the period of performance end date. Additionally, if the recipient does not submit all required reports within one year of the period of performance end date, per 2 C.F.R. § 200.344(i), FEMA must report in FAPIIS the recipient's material failure to comply with the terms and conditions of the award.

If FEMA administratively closes an award where no final FFR has been submitted, FEMA uses that administrative closeout date in lieu of the final FFR submission date as the start of the record retention period under 2 C.F.R. § 200.334.

In addition, if an award is administratively closed, FEMA may decide to impose remedies for noncompliance per 2 C.F.R. § 200.339, consider this information in reviewing future award applications, or apply special conditions to existing or future awards.

d. ***Additional Reporting Requirements***

I. DISCLOSING INFORMATION PER 2 C.F.R. § 180.335

This reporting requirement pertains to disclosing information related to government-wide suspension and debarment requirements. Before a recipient enters into a grant award with FEMA, the recipient must notify FEMA if it knows if it or any of the recipient's principals under the award fall under one or more of the four criteria listed at 2 C.F.R. § 180.335:

i. Are presently excluded or disqualified;
ii. Have been convicted within the preceding three years of any of the offenses listed in 2 C.F.R. § 180.800(a) or had a civil judgment rendered against it or any of the recipient's principals for one of those offenses within that time period;
iii. Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses listed in 2 C.F.R. § 180.800(a); or
iv. Have had one or more public transactions (federal, state, or local) terminated within the preceding three years for cause or default.

At any time after accepting the award, if the recipient learns that it or any of its principals falls under one or more of the criteria listed at 2 C.F.R. § 180.335, the recipient must provide immediate written notice to FEMA in accordance with 2 C.F.R. § 180.350.

II. REPORTING OF MATTERS RELATED TO RECIPIENT INTEGRITY AND PERFORMANCE

Per 2 C.F.R. Part 200, Appendix I § F.3, the additional post-award reporting requirements in 2 C.F.R. Part 200, Appendix XII may apply to applicants who, if upon becoming recipients, have a total value of currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies that exceeds $10,000,000 for any period of time during the period of performance of an award under this funding opportunity.

Recipients that meet these criteria must maintain current information reported in FAPIIS about civil, criminal, or administrative proceedings described in paragraph 2 of Appendix XII at the reporting frequency described in paragraph 4 of Appendix XII.

III. SINGLE AUDIT REPORT

For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report, also known as the single audit report.

The audit must be performed in accordance with the requirements of U.S. Government Accountability Office's (GAO) Government Auditing Standards, located at https://www.gao.gov/yellowbook/overview, and the requirements of Subpart F of 2 C.F.R. Part 200, located at http://www.ecfr.gov/cgi-bin/text-idx?node=sp2.1.200.f.

4. Monitoring and Oversight

Per 2 C.F.R. § 200.337, FEMA, through its authorized representatives, has the right, at all reasonable times, to make site visits or conduct desk reviews to review project accomplishments and management control systems to review award progress and to provide any required technical assistance. During site visits or desk reviews, FEMA will review recipients' files related to the award. As part of any monitoring and program evaluation activities, recipients must permit FEMA, upon reasonable notice, to review grant-related records and to interview the organization's staff and contractors regarding the program. Recipients must respond in a timely and accurate manner to FEMA requests for information relating to the award.

Effective monitoring and oversight help FEMA ensure that recipients use grant funds for their intended purpose(s); verify that projects undertaken are consistent with approved plans; and ensure that recipients make adequate progress toward stated goals and objectives.

Additionally, monitoring serves as the primary mechanism to ensure that recipients comply with applicable laws, rules, regulations, program guidance, and requirements. FEMA regularly monitors all grant programs both financially and programmatically in accordance with federal laws, regulations (including 2 C.F.R. Part 200), program guidance, and the terms and conditions of the award. All monitoring efforts ultimately serve to evaluate progress towards grant goals and proactively target and address issues that may threaten grant success during the period of performance.

FEMA staff will periodically monitor recipients to ensure that administrative processes, policies and procedures, budgets, and other related award criteria are meeting Federal Government-wide and FEMA regulations. Aside from reviewing quarterly financial and programmatic reports, FEMA may also conduct enhanced monitoring through either desk-based reviews, onsite monitoring visits, or both. Enhanced monitoring will involve the review and analysis of the financial compliance and administrative processes, policies,

activities, and other attributes of each federal assistance award, and it will identify areas where the recipient may need technical assistance, corrective actions, or other support.

Financial and programmatic monitoring are complementary processes within FEMA's overarching monitoring strategy that function together to ensure effective grants management, accountability, and transparency; validate progress against grant and program goals; and safeguard federal funds against fraud, waste, and abuse. Financial monitoring primarily focuses on statutory and regulatory compliance with administrative grant requirements, while programmatic monitoring seeks to validate and assist in grant progress, targeting issues that may be hindering achievement of project goals and ensuring compliance with the purpose of the grant and grant program. Both monitoring processes are similar in that they feature initial reviews of all open awards, and additional, in-depth monitoring of grants requiring additional attention.

Recipients and subrecipients who are pass-through entities are responsible for monitoring their subrecipients in a manner consistent with the terms of the federal award at 2 C.F.R. Part 200, including 2 C.F.R. § 200.332. This includes the pass-through entity's responsibility to monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

In terms of overall award management, recipient and subrecipient responsibilities include, but are not limited to: accounting of receipts and expenditures, cash management, maintaining adequate financial records, reporting and refunding expenditures disallowed by audits, monitoring if acting as a pass-through entity, or other assessments and reviews, and ensuring overall compliance with the terms and conditions of the award or subaward, as applicable, including the terms of 2 C.F.R. Part 200.

By accepting the award, all recipients agree to participate in monitoring or an evaluation of this grant, which may include analysis of the impact and providing access to program operating personnel and participants, as specified by the evaluator(s). FEMA, through the FMA program, encourages investments to protect communities and infrastructure. As part of performance evaluation and monitoring efforts, FEMA will conduct a series of grant effectiveness and cost-effectiveness case studies jointly with FMA recipients to highlight how recipients and subrecipients have used the FMA funds to increase resilience from natural hazards in their jurisdictions.

FEMA will not provide additional federal funding in the event of a cost overrun.

G. DHS Awarding Agency Contact Information

1. Contact and Resource Information

a. ***Program Office Contact***
General questions about the FMA program can be directed to the appropriate FEMA Regional Office or State Hazard Mitigation Officer. Contact information for FEMA Regional Offices is provided at https://www.fema.gov/about/contact. Contact information for the State

Hazard Mitigation Officers is provided at https://www.fema.gov/state-hazard-mitigation-officers.

The HMA Helpline is available by telephone 1-866-222-3580.

For questions about cost-effectiveness and FEMA's BCA software, contact the BC Helpline by telephone 1-855-540-6744 or email BCHelpline@fema.dhs.gov.

The Building Science Helpline is available for guidance on FEMA Building Science publications by email FEMA-BuildingScienceHelp@fema.dhs.gov.

For questions about NEPA or EHP requirements, the EHP Helpline is available by telephone 1-866-222-3580 or email ehhelpline@fema.dhs.gov.

Resources and job aids intended to help prepare applications and subapplications are available on FEMA's Hazard Mitigation Assistance webpage at https://www.fema.gov/grants/mitigation.

Resources intended to help applicants and subapplicants prepare hazard mitigation plans and planning grants are available on FEMA's Mitigation planning webpage at https://www.fema.gov/emergency-managers/risk-management/hazard-mitigation-planning

FEMA publications that specify the documentation and information necessary for FEMA to review project applications for feasibility and effectiveness, cost-effectiveness, and potential impacts on environmental and cultural resources are available on the FEMA website at https://www.fema.gov/grants/guidance-tools.

b. ***FEMA Grants News***

FEMA Grants News is a non-emergency comprehensive management and information resource developed by FEMA for grants stakeholders. This channel provides general information on all FEMA grant programs and maintains a comprehensive database containing key personnel contact information at the federal, state, and local levels. When necessary, recipients will be directed to a federal point of contact who can answer specific programmatic questions or concerns. FEMA Grants Information Desk can be reached by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

c. ***FEMA Regional Offices***

FEMA Regional Offices manage, administer, and conduct the application budget review, create the award package, approve, amend, and close out awards, as well as conduct cash analysis, financial and programmatic monitoring, and audit resolution for FMA. The Regions also provide technical assistance to FMA recipients.

FEMA Regional Office contact information is available at https://www.fema.gov/fema-regional-contacts.

d. ***Equal Rights***

The FEMA Office of Equal Rights (OER) is responsible for compliance with and enforcement of federal civil rights obligations in connection with programs and services conducted by FEMA and recipients of FEMA financial assistance. All inquiries and communications about federal civil rights compliance for FEMA grants under this NOFO should be sent to FEMA-CivilRightsOffice@fema.dhs.gov.

e. ***Environmental Planning and Historic Preservation***

The FEMA Office of Environmental Planning and Historic Preservation (OEHP) provides guidance and information about the EHP review process to FEMA programs and FEMA's recipients and subrecipients. All inquiries and communications about EHP compliance for FEMA grant projects under this NOFO or the EHP review process should be sent to FEMA-OEHP- NOFOQuestions@fema.dhs.gov.

2. Systems Information

a. ***FEMA GO***

For technical assistance with the FEMA GO system, please contact the FEMA GO Helpdesk at femago@fema.dhs.gov or (877) 611-4700, Monday through Friday, 8:00 AM – 6:00 PM ET.

H. Additional Information

1. Termination Provisions

FEMA may terminate a federal award in whole or in part for one of the following reasons. FEMA and the recipient must still comply with closeout requirements at 2 C.F.R. §§ 200.344-200.345 even if an award is terminated in whole or in part. To the extent that subawards are permitted under this NOFO, pass-through entities should refer to 2 C.F.R. § 200.340 for additional information on termination regarding subawards.

a. ***Noncompliance***

If a recipient fails to comply with the terms and conditions of a federal award, FEMA may terminate the award in whole or in part. If the noncompliance can be corrected, FEMA may first attempt to direct the recipient to correct the noncompliance. This may take the form of a Compliance Notification. If the noncompliance cannot be corrected or the recipient is non-responsive, FEMA may proceed with a Remedy Notification, which could impose a remedy for noncompliance per 2 C.F.R. § 200.339, including termination. Any action to terminate based on noncompliance will follow the requirements of 2 C.F.R. §§ 200.341-200.342 as well as the requirement of 2 C.F.R. § 200.340(c) to report in FAPIIS the recipient's material failure to comply with the award terms and conditions. See also the section on Actions to Address Noncompliance in this NOFO.

b. ***With the Consent of the Recipient***

FEMA may also terminate an award in whole or in part with the consent of the recipient, in which case the parties must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated.

c. *Notification by the Recipient*

The recipient may terminate the award, in whole or in part, by sending written notification to FEMA setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. In the case of partial termination, FEMA may determine that a partially terminated award will not accomplish the purpose of the federal award, so FEMA may terminate the award in its entirety. If that occurs, FEMA will follow the requirements of 2 C.F.R. §§ 200.341-200.342 in deciding to fully terminate the award.

2. Program Evaluation

Recipients and subrecipients are encouraged to incorporate program evaluation activities from the outset of their program design and implementation to meaningfully document and measure their progress towards meeting the project(s) goals. Title I of the Foundations for Evidence-Based Policymaking Act of 2018 (Evidence Act), Pub. L. No. 115-435 (2019) urges federal awarding agencies and federal assistance recipients and subrecipients to use program evaluation as a critical tool to learn, to improve equitable delivery, and to elevate program service and delivery across the program lifecycle. Evaluation means "an assessment using systematic data collection and analysis of one or more programs, policies, and organizations intended to assess their effectiveness and efficiency." Evidence Act § 101 (codified at 5 U.S.C. § 311). Evaluation costs are allowable costs (either as direct or indirect), unless prohibited by statute or regulation.

In addition, recipients are required to participate in a DHS-led evaluation if selected, which may be carried out by a third-party on behalf of the Program Office or DHS. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant, and provide access to program operating personnel and participants, as specified by the evaluator(s) during the award.

3. Period of Performance Extensions

Extensions to the period of performance (POP) for this program are allowed. Extensions to the POP identified in the award will only be considered through formal, written requests to the recipient's FEMA Regional Office and must contain specific and compelling justifications as to why an extension is required. Recipients are advised to coordinate with the FEMA Regional Hazard Mitigation Assistance Specialist as needed when preparing an extension request.

All extension requests must address the following:

a. The grant program, fiscal year, and award number;
b. Reason for the delay –including details of the legal, policy, or operational challenges that prevent the final outlay of awarded funds by the deadline;

c. Current status of the activity(ies);
d. Approved POP termination date and new project completion date;
e. Amount of funds drawn down to date;
f. Remaining available funds, both federal and, if applicable, non-federal;
g. Budget outlining how remaining federal and, if applicable, non-federal funds will be expended;
h. Plan for completion, including milestones and timeframes for achieving each milestone and the position or person responsible for implementing the plan for completion; and
i. Certification that the activity(ies) will be completed within the extended POP without any modification to the original statement of work, as described in the application and as approved by FEMA.

Extension requests will be granted only due to compelling legal, policy, or operational challenges. Extension requests will only be considered for the following reasons:

- Contractual commitments by the recipient or subrecipient with vendors prevent completion of the project, including delivery of equipment or services, within the existing POP;
- The project must undergo a complex environmental review that cannot be completed within the existing POP;
- Projects are long-term by design, and therefore acceleration would compromise core programmatic goals; or
- Where other special or extenuating circumstances exist.

Recipients should submit all proposed extension requests to FEMA for review and approval at least 60 days prior to the end of the POP to allow sufficient processing time.

Based on sufficiency of justification, the FEMA Regional Administrator can issue up to two extensions of the POP for up to 12 months each.

4. Disability Integration

Pursuant to Section 504 of the Rehabilitation Act of 1973, recipients of FEMA financial assistance must ensure that their programs and activities do not discriminate against other qualified individuals with disabilities.

Grant recipients should engage with the whole community to advance individual and community preparedness and to work as a nation to build and sustain resilience. In doing so, recipients are encouraged to consider the needs of individuals with disabilities into the activities and projects funded by the grant.

FEMA expects that the integration of the needs of people with disabilities will occur at all levels, including planning; alerting, notification, and public outreach; training; purchasing of equipment and supplies; protective action implementation; and exercises/drills.

The following are examples that demonstrate the integration of the needs of people with disabilities in carrying out FEMA awards:

- Include representatives of organizations that work with/for people with disabilities on planning committees, work groups and other bodies engaged in development and implementation of the grant programs and activities.
- Hold all activities related to the grant in locations that are accessible to persons with physical disabilities to the extent practicable.
- Acquire language translation services, including American Sign Language, that provide public information across the community and in shelters.
- Ensure shelter-specific grant funds are in alignment with FEMA's Guidance on Planning for Integration of Functional Needs Support Services in General Population Shelters.
- If making alterations to an existing building to a primary function area utilizing federal funds, complying with the most recent codes and standards and making path of travel to the primary function area accessible to the greatest extent possible.
- Implement specific procedures used by public transportation agencies that include evacuation and passenger communication plans and measures for individuals with disabilities.
- Identify, create, and deliver training to address any training gaps specifically aimed toward whole-community preparedness. Include and interact with individuals with disabilities, aligning with the designated program capability.
- Establish best practices in inclusive planning and preparedness that consider physical access, language access, and information access. Examples of effective communication access include providing auxiliary aids and services such as sign language interpreters, Computer Aided Real-time Translation (CART), and materials in Braille or alternate formats.

FEMA grant recipients can fund projects towards the resiliency of the whole community, including people with disabilities, such as training, outreach and safety campaigns, provided that the project aligns with this NOFO and the terms and conditions of the award.

5. Conflicts of Interest in the Administration of Federal Awards or Subawards

For conflicts of interest under grant-funded procurements and contracts, refer to the section on Procurement Integrity in this NOFO and 2 C.F.R. §§ 200.317 – 200.327.

To eliminate and reduce the impact of conflicts of interest in the subaward process, recipients and pass-through entities must follow their own policies and procedures regarding the elimination or reduction of conflicts of interest when making subawards. Recipients and pass-through entities are also required to follow any applicable federal and state, local, tribal, or territorial (SLTT) statutes or regulations governing conflicts of interest in the making of subawards.

The recipient or pass-through entity must disclose to the respective Program Analyst or Program Manager, in writing, any real or potential conflict of interest that may arise during the administration of the federal award, as defined by the federal or SLTT statutes or regulations or their own existing policies, within five days of learning of the conflict of interest. Similarly, subrecipients, whether acting as subrecipients or as pass-through entities, must disclose any real or potential conflict of interest to the recipient or next-level pass-

through entity as required by the recipient or pass-through entity's conflict of interest policies, or any applicable federal or SLTT statutes or regulations.

Conflicts of interest may arise during the process of FEMA making a federal award in situations where an employee, officer, or agent, any members of his or her immediate family, his or her partner has a close personal relationship, a business relationship, or a professional relationship, with an applicant, subapplicant, recipient, subrecipient, or FEMA employees.

6. Procurement Integrity

Through audits conducted by the DHS Office of Inspector General (OIG) and FEMA grant monitoring, findings have shown that some FEMA recipients have not fully adhered to the proper procurement requirements at 2 C.F.R. §§ 200.317 – 200.327 when spending grant funds. Anything less than full compliance with federal procurement requirements jeopardizes the integrity of the grant as well as the grant program. To assist with determining whether an action is a procurement or instead a subaward, please consult 2 C.F.R. § 200.331. For detailed guidance on the federal procurement standards, recipients and subrecipients should refer to various materials issued by FEMA's Procurement Disaster Assistance Team (PDAT), such as the PDAT Field Manual and Contract Provisions Guide. Additional resources, including an upcoming trainings schedule can be found on the PDAT Website: https://www.fema.gov/grants/procurement.

The below highlights the federal procurement requirements for FEMA recipients when procuring goods and services with federal grant funds. FEMA will include a review of recipients' procurement practices as part of the normal monitoring activities. **All procurement activity must be conducted in accordance with federal procurement standards at 2 C.F.R. §§ 200.317 – 200.327.** Select requirements under these standards are listed below. The recipient and any of its subrecipients must comply with all requirements, even if they are not listed below.

Under 2 C.F.R. § 200.317, when procuring property and services under a federal award, states (including territories) must follow the same policies and procedures they use for procurements from their non-federal funds; additionally, states must now follow 2 C.F.R. § 200.321 regarding socioeconomic steps, 200.322 regarding domestic preferences for procurements, 200.323 regarding procurement of recovered materials, and 2 C.F.R. § 200.327 regarding required contract provisions.

All other non-federal entities, such as tribes (collectively, non-state entities), must have and use their own documented procurement procedures that reflect applicable SLTT laws and regulations, provided that the procurements conform to applicable federal law and the standards identified in 2 C.F.R. Part 200. These standards include, but are not limited to, providing for full and open competition consistent with the standards of 2 C.F.R. § 200.319 and the required procurement methods at § 200.320.

a. *Important Changes to Procurement Standards in 2 C.F.R. Part 200*

OMB recently updated various parts of Title 2 of the Code of Federal Regulations, among them, the procurement standards. States are now required to follow the socioeconomic steps in soliciting small and minority businesses, women's business enterprises, and labor surplus area firms per 2 C.F.R. § 200.321. All non-federal entities should also, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States per 2 C.F.R. § 200.322. More information on OMB's revisions to the federal procurement standards can be found in Purchasing Under a FEMA Award: OMB Revisions Fact Sheet.

The recognized procurement methods in 2 C.F.R. § 200.320 have been reorganized into informal procurement methods, which include micro-purchases and small purchases; formal procurement methods, which include sealed bidding and competitive proposals; and noncompetitive procurements. The federal micro-purchase threshold is currently $10,000, and non-state entities may use a lower threshold when using micro-purchase procedures under a FEMA award. If a non-state entity wants to use a micro-purchase threshold higher than the federal threshold, it must follow the requirements of 2 C.F.R. § 200.320(a)(1)(iii)-(v). The federal simplified acquisition threshold is currently $250,000, and a non-state entity may use a lower threshold but may not exceed the federal threshold when using small purchase procedures under a FEMA award. *See* 2 C.F.R. § 200.1 (citing the definition of simplified acquisition threshold from 48 C.F.R. Part 2, Subpart 2.1).

See 2 C.F.R. §§ 200.216, 200.471, and Appendix II as well as section D.13.a of the NOFO regarding prohibitions on covered telecommunications equipment or services.

b. ***Competition and Conflicts of Interest***

Among the requirements of 2 C.F.R. § 200.319(b) applicable to all non-federal entities other than states, in order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. FEMA considers these actions to be an organizational conflict of interest and interprets this restriction as applying to contractors that help a non-federal entity develop its grant application, project plans, or project budget. This prohibition also applies to the use of former employees to manage the grant or carry out a contract when those former employees worked on such activities while they were employees of the non-federal entity.

Under this prohibition, unless the non-federal entity solicits for and awards a contract covering both development and execution of specifications (or similar elements as described above), and this contract was procured in compliance with 2 C.F.R. §§ 200.317 – 200.327, federal funds cannot be used to pay a contractor to carry out the work if that contractor also worked on the development of those specifications. This rule applies to all contracts funded with federal grant funds, including pre-award costs, such as grant writer fees, as well as post-award costs, such as grant management fees.

Additionally, some of the situations considered to be restrictive of competition include, but are not limited to:

- Placing unreasonable requirements on firms for them to qualify to do business;
- Requiring unnecessary experience and excessive bonding;
- Noncompetitive pricing practices between firms or between affiliated companies;
- Noncompetitive contracts to consultants that are on retainer contracts;
- Organizational conflicts of interest;
- Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- Any arbitrary action in the procurement process.

Per 2 C.F.R. § 200.319(c), non-federal entities other than states must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed SLTT geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

Under 2 C.F.R. § 200.318(c)(1), non-federal entities other than states are required to maintain written standards of conduct covering conflicts of interest and governing the actions of their employees engaged in the selection, award, and administration of contracts. **No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest.**

Such conflicts of interest would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-federal entities may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-federal entity.

Under 2 C.F.R. 200.318(c)(2), if the recipient or subrecipient (other than states) has a parent, affiliate, or subsidiary organization that is not a state, local, tribal, or territorial government, the non-federal entity must also maintain written standards of conduct covering organizational conflicts of interest. In this context, organizational conflict of interest means that because of a relationship with a parent company, affiliate, or subsidiary organization, the non-federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization. The non-federal entity must disclose in writing any potential conflicts of interest to FEMA or the pass-through entity in accordance with applicable FEMA policy.

c. *Supply Schedules and Purchasing Programs*

Generally, a non-federal entity may seek to procure goods or services from a federal supply schedule, state supply schedule, or group purchasing agreement.

d. Prohibition on Use of Funds to Support or Oppose Union Organizing

A recipient or subrecipient may not use federal grant funds or funds used to meet a cost share requirement to support or oppose union organizing. Using grant or cost share funds to hire unionized workers does not constitute a violation of this prohibition on use of funds to support or oppose union organizing.

I. GENERAL SERVICES ADMINISTRATION SCHEDULES

States, tribes, and local governments, and any instrumentality thereof (such as local education agencies or institutions of higher education) may procure goods and services from a General Services Administration (GSA) schedule. GSA offers multiple efficient and effective procurement programs for state, tribal, and local governments, and instrumentalities thereof, to purchase products and services directly from pre-vetted contractors. The GSA Schedules (also referred to as the Multiple Award Schedules and the Federal Supply Schedules) are long-term government-wide contracts with commercial firms that provide access to millions of commercial products and services at volume discount pricing.

Information about GSA programs for states, tribes, and local governments, and instrumentalities thereof, can be found at https://www.gsa.gov/resources-for/programs-for-State-and-local-governments and https://www.gsa.gov/buying-selling/purchasing-programs/gsa-schedules/schedule-buyers/state-and-local-governments.

For tribes, local governments, and their instrumentalities that purchase off of a GSA schedule, this will satisfy the federal requirements for full and open competition provided that the recipient follows the GSA ordering procedures; however, tribes, local governments, and their instrumentalities will still need to follow the other rules under 2 C.F.R. §§ 200.317 – 200.327, such as solicitation of minority businesses, women's business enterprises, small businesses, or labor surplus area firms (§ 200.321), domestic preferences (§ 200.322), contract cost and price (§ 200.324), and required contract provisions (§ 200.327 and Appendix II).

II. OTHER SUPPLY SCHEDULES AND PROGRAMS

For non-federal entities other than states, such as tribes, local governments, and nonprofits, that want to procure goods or services from a state supply schedule, cooperative purchasing program, or other similar program, in order for such procurements to be permissible under federal requirements, the following must be true:

- The procurement of the original contract or purchasing schedule and its use by the non-federal entity complies with state and local law, regulations, and written procurement procedures;

- The state or other entity that originally procured the original contract or purchasing schedule entered into the contract or schedule with the express purpose of making it available to the non-federal entity and other similar types of entities;
- The contract or purchasing schedule specifically allows for such use, and the work to be performed for the non-federal entity falls within the scope of work under the contract as to type, amount, and geography;
- The procurement of the original contract or purchasing schedule complied with all the procurement standards applicable to a non-federal entity other than states under at 2 C.F.R. §§ 200.317 – 200.327; and
- With respect to the use of a purchasing schedule, the non-federal entity must follow ordering procedures that adhere to applicable state, tribal, and local laws and regulations and the minimum requirements of full and open competition under 2 C.F.R. Part 200.

If a non-federal entity other than a state seeks to use a state supply schedule, cooperative purchasing program, or other similar type of arrangement, FEMA recommends the recipient discuss the procurement plans with its FEMA Regional Grants Management Specialist.

d. ***Procurement Documentation***

Per 2 C.F.R. § 200.318(i), non-federal entities other than states and territories are required to maintain and retain records sufficient to detail the history of procurement covering at least the rationale for the procurement method, selection of contract type, contractor selection or rejection, and the basis for the contract price. States and territories are encouraged to maintain and retain this information as well and are reminded that in order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g).

Examples of the types of documents that would cover this information include but are not limited to:

- Solicitation documentation, such as requests for quotes, invitations for bids, or requests for proposals;
- Responses to solicitations, such as quotes, bids, or proposals;
- Pre-solicitation independent cost estimates and post-solicitation cost/price analyses on file for review by federal personnel, if applicable;
- Contract documents and amendments, including required contract provisions; and
- Other documents required by federal regulations applicable at the time a grant is awarded to a recipient.

Additional information on required procurement records can be found on pages 24-26 of the PDAT Field Manual.

7. Financial Assistance Programs for Infrastructure

a. ***Build America, Buy America Act***

Recipients and subrecipients must comply with the Build America, Buy America Act (BABAA), which was enacted as part of the Infrastructure Investment and Jobs Act §§ 70901-70927, Pub. L. No. 117-58 (2021); and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers. See also Office of Management and Budget (OMB), Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

None of the funds provided under this program may be used for a project for infrastructure unless the iron and steel, manufactured products, and construction materials used in that infrastructure are produced in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

To see whether a particular FEMA federal financial assistance program is considered an infrastructure program and thus required to include a Buy America preference, please see Programs and Definitions: Build America, Buy America Act | FEMA.gov.

Waivers

When necessary, recipients (and subrecipients through their pass-through entity) may apply for, and FEMA may grant, a waiver from these requirements. A waiver of the domestic content procurement preference may be granted by the agency awarding official if FEMA determines that:

a. Applying the domestic content procurement preference would be inconsistent with the public interest.

b. The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality.

c. The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25%.
For FEMA awards, the process for requesting a waiver from the Buy America preference requirements can be found on FEMA's website at: "Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov.

Definitions

Construction materials: an article, material, or supply—other than an item primarily of iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives—that is or consists primarily of non-ferrous metals, plastic and polymer-based products (including polyvinylchloride,

composite building materials, and polymers used in fiber optic cables), glass (including optic glass), lumber, paint, and drywall.

Domestic content procurement preference: Means all iron and steel used in the project are produced in the United States; the manufactured products used in the project are produced in the United States; or the construction materials used in the project are produced in the United States.

Federal financial assistance: Generally defined in 2 C.F.R. § 200.1 and includes all expenditures by a federal agency to a non-federal entity for an infrastructure project, except that it does not include expenditures for assistance authorities relating to major disasters or emergencies under sections 402, 403, 404, 406, 408, or 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act relating to a major disaster or emergency declared under section 401 or 501, respectively, or pre and post disaster or emergency response expenditures.

Infrastructure: infrastructure projects which serve a public function, including at a minimum, the structures, facilities, and equipment for, in the United States, roads, highways, and bridges; public transportation; dams, ports, harbors, and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property; and structures, facilities, and equipment that generate, transport, and distribute energy.

Produced in the United States means the following for:

- Iron and steel: All manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
- Manufactured products: The product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.
- Construction Materials: All manufacturing processes for the construction material occurred in the United States.

Project: is any activity related to the construction, alteration, maintenance, or repair of infrastructure in the United States.

8. Record Retention

a. *Record Retention Period*

Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a federal award generally must be maintained for at least three years from the date the final FFR is submitted. *See* 2 C.F.R. § 200.334. Further, if the recipient

does not submit a final FFR and the award is administratively closed, FEMA uses the date of administrative closeout as the start of the general record retention period.

The record retention period **may be longer than three years or have a different start date** in certain cases. These include:

- Records for real property and equipment acquired with Federal funds must be retained for **three years after final disposition of the property**. *See* 2 C.F.R. § 200.334(c).
- If any litigation, claim, or audit is started before the expiration of the three-year period, the records **must be retained until** all litigation, claims, or audit findings involving the records **have been resolved and final action taken**. *See* 2 C.F.R. § 200.334(a).
- The **record retention period will be extended if the non-federal entity is notified in writing** of the extension by FEMA, the cognizant or oversight agency for audit, or the cognizant agency for indirect costs, or pass-through entity. *See* 2 C.F.R. § 200.334(b).
- Where FEMA requires recipients to report program income after the period of performance ends, the **program income record retention period begins at the end of the recipient's fiscal year in which program income is earned**. *See* 2 C.F.R. § 200.334(e).
- For indirect cost rate computations and proposals, cost allocation plans, or any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates), the start of the record retention period depends on whether the indirect cost rate documents were submitted for negotiation. If the **indirect cost rate documents were submitted for negotiation, the record retention period begins from the date those documents were submitted** for negotiation. If indirect cost rate documents were **not submitted for negotiation, the record retention period begins at the end of the recipient's fiscal year or other accounting period covered by that indirect cost rate**. *See* 2 C.F.R. § 200.334(f).

b. ***Types of Records to Retain***

FEMA requires that non-federal entities maintain the following documentation for federally funded purchases:

- Specifications
- Solicitations
- Competitive quotes or proposals
- Basis for selection decisions
- Purchase orders
- Contracts
- Invoices
- Cancelled checks

Non-federal entities should keep detailed records of all transactions involving the grant. FEMA may at any time request copies of any relevant documentation and records, including

purchasing documentation along with copies of cancelled checks for verification. *See, e.g.*, 2 C.F.R. §§ 200.318(i), 200.334, 200.337.

In order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g). Non-federal entities who fail to fully document all purchases may find their expenditures questioned and subsequently disallowed.

9. Actions to Address Noncompliance

Non-federal entities receiving financial assistance funding from FEMA are required to comply with requirements in the terms and conditions of their awards or subawards, including the terms set forth in applicable federal statutes, regulations, NOFOs, and policies. Throughout the award lifecycle or even after an award has been closed, FEMA or the pass-through entity may discover potential or actual noncompliance on the part of a recipient or subrecipient. This potential or actual noncompliance may be discovered through routine monitoring, audits, closeout, or reporting from various sources.

In the case of any potential or actual noncompliance, FEMA may place special conditions on an award per 2 C.F.R. §§ 200.208 and 200.339, FEMA may place a hold on funds until the matter is corrected, or additional information is provided per 2 C.F.R. § 200.339, or it may do both. Similar remedies for noncompliance with certain federal civil rights laws are authorized pursuant to 44 C.F.R. Parts 7 and 19.

In the event the noncompliance is not able to be corrected by imposing additional conditions or the recipient or subrecipient refuses to correct the matter, FEMA might take other remedies allowed under 2 C.F.R. § 200.339. These remedies include actions to disallow costs, recover funds, wholly or partly suspend or terminate the award, initiate suspension and debarment proceedings, withhold further federal awards, or take other remedies that may be legally available. For further information on termination due to noncompliance, see the section on Termination Provisions in the NOFO.

FEMA may discover and take action on noncompliance even after an award has been closed. The closeout of an award does not affect FEMA's right to disallow costs and recover funds as long the action to disallow costs takes place during the record retention period. *See* 2 C.F.R. §§ 200.334, 200.345(a). Closeout also does not affect the obligation of the non-federal entity to return any funds due as a result of later refunds, corrections, or other transactions. 2 C.F.R. § 200.345(a)(2).

The types of funds FEMA might attempt to recover include, but are not limited to, improper payments, cost share reimbursements, program income, interest earned on advance payments, or equipment disposition amounts.

FEMA may seek to recover disallowed costs through a Notice of Potential Debt Letter, a Remedy Notification, or other letter. The document will describe the potential amount owed, the reason why FEMA is recovering the funds, the recipient's appeal rights, how the amount can be paid, and the consequences for not appealing or paying the amount by the deadline.

If the recipient neither appeals nor pays the amount by the deadline, the amount owed will become final. Potential consequences if the debt is not paid in full or otherwise resolved by the deadline include the assessment of interest, administrative fees, and penalty charges; administratively offsetting the debt against other payable federal funds; and transferring the debt to the U.S. Department of the Treasury for collection.

FEMA notes the following common areas of noncompliance for FEMA's grant programs:

- Insufficient documentation and lack of record retention.
- Failure to follow the procurement under grants requirements.
- Failure to submit closeout documents in a timely manner.
- Failure to follow EHP requirements.
- Failure to comply with the POP deadline.

An eligible applicant, subapplicant, recipient, or subrecipient may request an appeal of a remedy FEMA has taken for noncompliance with federal statutes, regulations, or the terms and conditions of the award that results in suspension or termination of all or part of the award. The appeal must be submitted according to the following procedures:

- For remedies FEMA has taken for noncompliance, the appeal must contain documented justification supporting the appellant's position, specify the monetary figure in dispute, and identify the provisions in federal law, regulation, or policy with which the appellant believes the initial action was inconsistent.

The applicant, subapplicant, recipient, or subrecipient will be notified in writing of the disposition of the appeal or the need for additional information. All appeal decisions are final.

10. Audits

FEMA grant recipients are subject to audit oversight from multiple entities including the DHS OIG, the GAO, the pass-through entity, or independent auditing firms for single audits, and may cover activities and costs incurred under the award. Auditing agencies such as the DHS OIG, the GAO, and the pass-through entity (if applicable), and FEMA in its oversight capacity, must have access to records pertaining to the FEMA award. Recipients and subrecipients must retain award documents for at least three years from the date the final FFR is submitted, and even longer in many cases subject to the requirements of 2 C.F.R. § 200.334. In the case of administrative closeout, documents must be retained for at least three years from the date of closeout, or longer subject to the requirements of 2 C.F.R. § 200.334. If documents are retained longer than the required retention period, the DHS OIG, the GAO, and the pass-through entity, as well as FEMA in its oversight capacity, have the right to access these records as well. See 2 C.F.R. §§ 200.334, 200.337.

Additionally, non-federal entities must comply with the single audit requirements at 2 C.F.R. Part 200, Subpart F. Specifically, non-federal entities, other than for-profit subrecipients, that expend $750,000 or more in federal awards during their fiscal year must have a single or program-specific audit conducted for that year in accordance with Subpart F. 2 C.F.R. § 200.501. A single audit covers all federal funds expended during a fiscal year, not just FEMA

funds. The cost of audit services may be allowable per 2 C.F.R. § 200.425, but non-federal entities must select auditors in accordance with 2 C.F.R. § 200.509, including following the proper procurement procedures. For additional information on single audit reporting requirements, see section F of this NOFO under the header "Single Audit Report" within the subsection "Additional Reporting Requirements".

The objectives of single audits are to:

- Determine if financial statements conform to generally accepted accounting principles (GAAP);
- Determine whether the schedule of expenditures of federal awards is presented fairly;
- Understand, assess, and test the adequacy of internal controls for compliance with major programs; and
- Determine if the entity complied with applicable laws, regulations, and contracts or grants.

For single audits, the auditee is required to prepare financial statements reflecting its financial position, a schedule of federal award expenditures, and a summary of the status of prior audit findings and questioned costs. The auditee also is required to follow up and take appropriate corrective actions on new and previously issued but not yet addressed audit findings. The auditee must prepare a corrective action plan to address the new audit findings. 2 C.F.R. §§ 200.508, 200.510, 200.511.

Non-federal entities must have an audit conducted, either single or program-specific, of their financial statements and federal expenditures annually or biennially pursuant to 2 C.F.R. § 200.504. Non-federal entities must also follow the information submission requirements of 2 C.F.R. § 200.512, including submitting the audit information to the Federal Audit Clearinghouse within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The audit information to be submitted include the data collection form described at 2 C.F.R. § 200.512(c) and Appendix X to 2 C.F.R. Part 200 as well as the reporting package described at 2 C.F.R. § 200.512(b).

The non-federal entity must retain one copy of the data collection form and one copy of the reporting package for three years from the date of submission to the Federal Audit Clearinghouse. 2 C.F.R. § 200.512; *see also* 2 C.F.R. § 200.517 (setting requirements for retention of documents by the auditor and access to audit records in the auditor's possession).

FEMA, the DHS OIG, the GAO, and the pass-through entity (if applicable), as part of monitoring or as part of an audit, may review a non-federal entity's compliance with the single audit requirements. In cases of continued inability or unwillingness to have an audit conducted in compliance with 2 C.F.R. Part 200, Subpart F, FEMA and the pass-through entity, if applicable, are required to take appropriate remedial action under 2 C.F.R. § 200.339 for noncompliance, pursuant to 2 C.F.R. § 200.505.

11. Payment Information

FEMA uses the Direct Deposit/Electronic Funds Transfer (DD/EFT) method of payment to recipients.

Payment requests are submitted through FEMA GO.

12. Whole Community Preparedness

Preparedness is a shared responsibility that calls for the involvement of everyone—not just the government—in preparedness efforts. By working together, everyone can help keep the nation safe from harm and help keep it resilient when struck by hazards, such as natural disasters, acts of terrorism, and pandemics.

Whole Community includes:

- Individuals and families, including those with access and functional needs
- Businesses
- Faith-based and community organizations
- Nonprofit groups
- Schools and academia
- Media outlets
- All levels of government, including state, local, tribal, territorial, and federal partners

The phrase "Whole Community" often appears in preparedness materials, as it is one of the guiding principles. It means two things:

1. Involving people in the development of national preparedness documents.
2. Ensuring their roles and responsibilities are reflected in the content of the materials.

13. Extraordinary Circumstances

Applicants and Subapplicants must have a FEMA-approved current mitigation plan at the time of application deadline and at the time of the award to receive FMA project subawards; hazard mitigation plans that are approvable pending adoption are not sufficient. The FEMA Regional Administrator may grant an exception to the plan requirements in extraordinary circumstances when the appropriate justification is provided. For FMA, Subapplicants are exempt from the hazard mitigation plan requirement for the mitigation plan development and mitigation plan updates in Capability and Capacity Building Activities types only.

Extraordinary circumstances exist when FEMA or the applicant determine that the proposed project is consistent with the priorities and strategies identified in the state or Tribal (standard or enhanced) mitigation plan and that the jurisdiction meets at least one of the criteria below:

- The jurisdiction meets the small and impoverished communities as defined in 44 C.F.R. 201.2.
- The jurisdiction has been determined to have had insufficient capacity because of lack of available assistance, staffing or other necessary expertise to satisfy the mitigation planning requirement prior to the current disaster or application deadline.
- The jurisdiction experienced significant disruption from a declared disaster or another event that impacts its ability to complete the mitigation planning process prior to award or final approval of a project award.

- The jurisdiction does not have a mitigation plan for reasons beyond the control of the state, federally recognized Tribal government or local community, such as Disaster Relief Fund restrictions, that delay FEMA from granting a subaward prior to the expiration of the local or Tribal mitigation plan.

The applicant must provide written justification that identifies the specific criteria from the above list and explains why the jurisdiction will be able to have a plan both approved by FEMA and adopted by the jurisdiction within 12 months. The justification must identify the specific actions or circumstances that have eliminated or will eliminate the deficiency that prevented the jurisdiction from previously having an approved plan. The justification must clearly demonstrate how the above circumstances impacted the community beyond just stating the above circumstances.

If FEMA grants an extraordinary circumstances exception, a local or Tribal mitigation plan must be approved by FEMA within 12 months of the award of the project subaward to that community. The recipient must acknowledge in writing to the Regional Administrator that the jurisdiction will complete a plan within 12 months of the subaward. The recipient must provide a Compliance Action Plan for completing the local or Tribal mitigation plan, including milestones and a timetable, to ensure the jurisdiction will complete the plan in the required time. This requirement must be incorporated into the award (both the planning and project subaward agreements if a planning subaward is also awarded). If a plan is not provided within this time frame, the project subaward will be terminated, and any costs incurred after notice of subaward termination will not be reimbursed by FEMA. FEMA must notify the recipient of the subaward termination. For more information on award termination, refer to Part 8 of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

If the mitigation plan is not approved by FEMA within 12 months of the award, and if the subaward also involved a mitigation planning award, FEMA should notify the recipient of its failure to meet the additional specific award or subaward conditions and request that the issue be corrected following remedies for non-compliance procedures in Part 8 of the 2023 Hazard Mitigation Assistance Program and Policy Guide. If compliance cannot be achieved, FEMA will apply a remedy action to the planning subaward to address the non-compliance and may, as a result, withhold assistance, recoup assistance, suspend or terminate the planning subaward.

14. Phased Projects

In general, sufficient technical information is provided by the applicant or subapplicant to allow FEMA to make an eligibility determination on a subapplication. The costs to obtain this information are generally eligible as pre-award costs. However, in some cases it is beyond the subapplicant's technical and financial resources to provide the complete technical information required for a full eligibility or EHP review of a complex project. The applicant and FEMA may provide technical assistance to the subapplicant to develop this complete body of technical data by approving a subapplication to finalize Phase I analysis and design, conduct applicable engineering studies, prepare a Benefit-Cost Analysis (BCA), and provide documentation for an EHP review. The Phase I deliverables provide FEMA with a technical body of information mutually concurred on by the subrecipient, the recipient, and FEMA to

determine project eligibility, technical feasibility, and cost effectiveness. If the results of the Phase I review indicate that the project meets FMA requirements, the project would then be eligible for funding for construction under a Phase II approval. Phase I funding is part of the project's total estimated cost and is subject to FMA cost-share requirements.

The use of a phased approach should be limited to complex projects (i.e., Localized Flood Risk Reduction Project) that require technical or EHP data beyond the scope of that generally required for a typical FMA activity or project. The following provides guidelines and outlines the process for selecting projects for Phase I/Phase II project approval.

a. Pre-screening Process

The subapplicant must submit documentation showing the project meets the following criteria for a Phase I approval:

- *State or Tribal (Standard or Enhanced) Mitigation Plan:* The proposed project must be consistent with the State or Tribal (Standard or Enhanced) Mitigation Plan as well as the local or Tribal Mitigation Plan for the jurisdiction in which the activity is located.

- *Justification for Selection of the Proposed Project:* Justification must be provided for the selection of the proposed solution after consideration of at least two alternative options.

- *Potential Cost-Effectiveness:* The project demonstrates potential cost-effectiveness based on a preliminary assessment of anticipated project benefits and cost. The subapplicant must be aware that this preliminary assessment is solely for the purpose of the Phase I pre-screening process and is not the final cost-effectiveness determination. A preliminary BCA is required at the time of application. This requirement does not apply to a small and impoverished communities as defined in 44 C.F.R. 201.2., federally recognized Tribal government, or subapplication that benefits or primarily benefits a Community Disaster Resilience Zone, where the subapplicant is unable to calculate a BCR to demonstrate cost-effectiveness as stated in Section D.11.a

- *EHP Review:* The Phase I review generally is categorically excluded from further review under NEPA with some exceptions. EHP Phase I review should identify any potential EHP compliance issues and information needs required for Phase II review.
- *Relevant Technical Data:* The subapplicant provides available technical data such as existing or preliminary hydrologic and hydraulic data or preliminary geotechnical data, as appropriate.

b. Phase I Award

The applicant and FEMA may approve projects meeting the above requirements for technical assistance under a Phase I award. FEMA and the applicant will coordinate closely to ensure

mutual concurrence on all data and technical information as well as any conditions included in the Phase I Award as the Phase I technical review process proceeds. The following conditions must be met through the Phase 1 deliverables prior to progressing to Phase II:

- *Relevant Technical Data:* The applicant and FEMA will review technical data such as hydrologic and hydraulic, environmental, and geotechnical studies provided by the subapplicant, as appropriate.
- *Preliminary Engineering Design:* Based on the technical data, the subapplicant develops a preliminary engineering design and layout and cost estimates with ad hoc technical assistance from the applicant and FEMA.
- *Milestones:* As available, the subapplicant must provide clear milestones (including those that will have Go/No Go criteria for competition projects) and proposed timelines, and a list of potential final deliverables.
- *EO 11988, as amended by EO 13690:* If applicable, based on the technical data and revised engineering design, the project must demonstrate compliance with floodplain management requirements under this EO. If a Flood Insurance Rate Map (FIRM) amendment or revision will be necessary under the provisions of the National Flood Insurance Program (NFIP), the applicant and FEMA will provide the subapplicant with technical assistance to meet this requirement.
- *Refinement of the Cost-Effectiveness Assessment*: Based on the revised design and cost estimates, the applicant and FEMA will refine the preliminary assessment of cost-effectiveness conducted prior to Phase I approval. This will result in a final BCR to evaluate the project's cost-effectiveness, which will include all the project costs, including those associated with Phase I.
- EHP Review: The applicant and FEMA will conduct a review of the revised project design to ensure EHP compliance. The project will meet EHP requirements before Phase II approval.
- Note that eligible activities under a Phase I award are defined in the award package and are based on the submitted and reviewed Phase I scope of work. A complete and eligible Phase II application, including environmental consultations, demonstration of technical feasibility, and an updated benefit-cost analysis, must be submitted to and approved by FEMA prior to the initiation of any tasks not included in the approved Phase I scope of work.

c. Phase II Award Amendment - Construction Process

If the project is determined to be eligible, technically feasible, cost effective, and compliant with EHP requirements under the technical review of Phase I deliverables, the project may then be approved for construction under Phase II.

Additional federal funds may be approved in Phase II, subject to the availability of funds.

In general, a contractor who develops the HMA grant application project specifications or is contracted to provide direct assistance with the completion and submission of a grant application, is generally prohibited from competing for the related construction work *See* 2 CFR § 200.319(b) and subsection H.7.b: Procurement Integrity: Competition and Conflicts of interest of this NOFO.

15. Integrating Hazard Mitigation and Planning

In addition, SLTTs are encouraged, but not required, to pursue hazard mitigation planning and projects with co-benefits that advance shared outcomes for economic, environmental, and social resilience.

Alignment with SLTT planning mechanisms (economic development, housing, comprehensive plans, transportation plans, building codes, floodplain ordinances, etc.) by and vice versa is vital to build safer, more resilient, equitable communities. This two-way exchange of hazard mitigation principles, risk and vulnerability assessments, and mitigation strategies supports community-wide risk reduction, both before and after disasters occur. Not only will SLTT planning efforts be better integrated, but by going through this process there is a higher level of interagency coordination, which is just as important as the planning mechanisms. Additional information on Plan Integration can be found at Implement, Integrate and Maintain Mitigation Planning Activities | FEMA.gov, Guides to Expanding Mitigation | FEMA.gov, and https://planning.org/nationalcenters/hazards/.

October 13, 2023

FLOOD MITIGATION ASSISTANCE GRANT PROGRAM

2023 NOTICE OF FUNDING OPPORTUNITY

Open Application Period for the Flood Mitigation Assistance Program

*Begins **October 16, 2023***

The Federal Emergency Management Agency (FEMA) has announced the opening of the FY 2023 Application Period for the Flood Mitigation Assistance (FMA) program. FEMA's Notice of Funding Opportunity (NOFO) is attached and can be found at www.grants.gov.

The Florida Division of Emergency Management (FDEM) is accepting eligible subapplications for the FMA program from entities that submitted a Notice of Interest (NOI) form by FDEM's deadline (August 31, 2023, 5:00 p.m. EDT) for an eligible project. All subapplications must be submitted to FDEM via the FEMA GO application system on or before **December 1, 2023 by 5:00 PM EST**. Only **complete** subapplications will be accepted and reviewed.

Detailed information regarding the FMA program and application development can be found at https://www.floridadisaster.org/dem/mitigation/flood-mitigation-assistance-program/ and https://www.fema.gov/grants/mitigation/floods.

For information on training and resources on FEMA's grant application system (FEMA GO), please visit FEMA's website at https://www.fema.gov/grants/guidance-tools/fema-go or contact the FEMA GO Helpdesk at 1-877-611-4700 or via e-mail at FEMAGO@fema.dhs.gov. For access to FEMA GO, please refer to the attached FEMA GO Registration Guidance and FEMA GO User Manual for Subapplication Development.

PLEASE NOTE: ALL PROPERTY OWNERS MUST CONTACT THEIR LOCAL GOVERNMENT TO APPLY AND HAVE AN ACTIVE NFIP FLOOD INSURANCE POLICY IN EFFECT ON OR BEFORE OCTOBER 16, 2023.

Contact: If you have any questions about this program, please contact the Non-Disaster Grant Program at non-disasterprograms@em.myflorida.com.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Craig Cates, District 1
Mayor Pro Tem Holly Merrill Raschein, District 5
Michelle Lincoln, District 2
James K. Scholl, District 3
David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: I3
2023-1718

BULK ITEM: Yes

DEPARTMENT: County Land Acquisition And Land Management

TIME APPROXIMATE:
9:00am

STAFF CONTACT: Mike Lalbachan

AGENDA ITEM WORDING:

Approval to submit Residential Mitigation Reconstruction Applications under the Flood Mitigation Assistance (FMA) program issued by U.S. Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA) for fiscal year 2023 (Funding Opportunity Number: DHS-23-MT-029-000-98) with an estimated projects budget amount of $10,000,000, with private property owners providing all match required.

ITEM BACKGROUND:

The Flood Mitigation Assistance (FMA) program makes federal funds available to local communities to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP) on a yearly basis. Local governments are considered sub-applicants and must submit sub-applications to the Florida Division of Emergency Management (FDEM). FDEM has been authorized by FEMA as the only agency that is allowed to submit FMA applications for the State of Florida.

FEMA provides a $220,000 cap in federal share per structure for construction activities in a mitigation reconstruction project. Construction activities at $220,000 or less, require no match. If the project cost is greater than $220,000, the homeowner is responsible for the difference. All properties are required to be elevated at least 2' above minimum base flood elevation (BFE).

Other activities, such as engineering/design, in the project are typically funded up to a 75% federal share. However, Severe Repetitive Loss (SRL) properties may be funded up to 100% and Repetitive Loss (RL) properties up to 90% of the other activities. Homeowners provide the local match (non-federal match) for mitigation reconstruction other activities (beyond construction activities), if applicable.

Monroe County began participating in the FMA program in FY21. The BOCC agreed to operate this program in both unincorporated Monroe County and the incorporated Cities.

For Fiscal Year 2023, FEMA allocated at least $220 million through the Flood Mitigation Assistance grant program to Individual Flood Mitigation Projects. Monroe County is eligible to apply for FMA funding for mitigation activities under the Individual Flood Mitigation Projects in support of creating a more resilient community and will be submitting approximately 20 residential mitigation reconstruction applications with a total project cost of approximately $10,000,000.

Furthermore, for FY23, FEMA will prioritize applications that will mitigate flood damage to at least 75 percent of structures included in the project that meet the definition of SRL and RL. Also, FEMA may rank applications lower where the average elevation federal cost share is greater than $250,000 for all single dwelling units. As a result, staff will be combining applications that have at least 75% of Severe Repetitive Loss or Repetitive Loss properties with the lowest cost estimates' applications that are non-SRL or non-RL properties to gain a favorable selection from FEMA.

Staff will accept applications from property owners Countywide including incorporated cities and unincorporate Monroe County. Property Owners are required to submit applications by November 15, 2023.

FDEM has established a deadline for the County to submit all applications by December 1, 2023, by 5:00 PM EST.

If these applications are approved by FEMA and selected for grant award, the State (FDEM) will enter into a grant agreement with the County for administration of the program. Monroe County will then execute agreements with the homeowners to assist them in implementing their projects. The County will request management costs to help implement these projects.

PREVIOUS RELEVANT BOCC ACTION:

On October 20, 2021, Monroe County BOCC granted approval to submit 2021 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

On October 19, 2022, Monroe County BOCC granted approval to submit 2022 FMA grant applications for Elevation, Mitigation Reconstruction and Acquisition Projects for privately owned properties.

CONTRACT/AGREEMENT CHANGES:
n/a

STAFF RECOMMENDATION:

Approve staff to submit FMA grant applications for Residential Mitigation Reconstruction projects for FY 2023 to FEMA via the Florida Division of Emergency Management (FDEM)

FLOOD MITIGATION ASSISTANCE GRANT PROGRAM

2023 NOTICE OF FUNDING OPPORTUNITY

Open Application Period for the Flood Mitigation Assistance Program

*Begins **October 16, 2023***

The Federal Emergency Management Agency (FEMA) has announced the opening of the FY 2023 Application Period for the Flood Mitigation Assistance (FMA) program. FEMA's Notice of Funding Opportunity (NOFO) is attached and can be found at www.grants.gov.

The Florida Division of Emergency Management (FDEM) is accepting eligible subapplications for the FMA program from entities that submitted a Notice of Interest (NOI) form by FDEM's deadline (August 31, 2023, 5:00 p.m. EDT) for an eligible project. All subapplications must be submitted to FDEM via the FEMA GO application system on or before **December 1, 2023 by 5:00 PM EST**. Only **complete** subapplications will be accepted and reviewed.

Detailed information regarding the FMA program and application development can be found at https://www.floridadisaster.org/dem/mitigation/flood-mitigation-assistance-program/ and https://www.fema.gov/grants/mitigation/floods.

For information on training and resources on FEMA's grant application system (FEMA GO), please visit FEMA's website at https://www.fema.gov/grants/guidance-tools/fema-go or contact the FEMA GO Helpdesk at 1-877-611-4700 or via e-mail at FEMAGO@fema.dhs.gov. For access to FEMA GO, please refer to the attached FEMA GO Registration Guidance and FEMA GO User Manual for Subapplication Development.

PLEASE NOTE: ALL PROPERTY OWNERS MUST CONTACT THEIR LOCAL GOVERNMENT TO APPLY AND HAVE AN ACTIVE NFIP FLOOD INSURANCE POLICY IN EFFECT ON OR BEFORE OCTOBER 16, 2023.

Contact: If you have any questions about this program, please contact the Non-Disaster Grant Program at non-disasterprograms@em.myflorida.com.

FY 2023 Flood Mitigation Assistance Notice of Funding Opportunity

FEMA GO Registration Guidance

FEMA GO User Manual for Subapplication Development

The Department of Homeland Security (DHS)
Notice of Funding Opportunity (NOFO)
Fiscal Year 2023 Flood Mitigation Assistance

SUMMARY OVERVIEW OF KEY INFORMATION FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) FLOOD MITIGATION ASSISTANCE (FMA)	
Program Overview	The Flood Mitigation Assistance (FMA) grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[1] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does so with a recognition of the growing flood hazards associated with climate change,[2] and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future. From Fiscal Year (FY) 1996 to FY 2019, FMA obligated over $1.5 billion in federal cost share mitigating over 8,000 properties insured by the NFIP
Goals and Objective	The purpose of the FMA program is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the NFIP, and to enhance community flood resilience within NFIP-participating communities.
Eligible Projects	The FMA grant program funds three types of activities and projects: Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Projects
Deadlines	Application Start Date: 10/16/2023 Applicants Who Experience System-Related Issues Deadline: 02/27/2024 at 3:00 PM ET Application Submission Deadline: 02/29/2024 at 03:00:00 PM ET
Funding Amount	Available Funding for the NOFO: $800,000,000 • Capability and Capacity Building Activities subtotal: $60,000,000 • Localized Flood Risk Reduction Projects subtotal: $520,000,000 • Individual Flood Mitigation Projects subtotal: $220,000,000
Eligible Applicants	• States • District of Columbia • U.S. territories

[1] The term "federally recognized Tribal government," as used in this funding opportunity, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).
[2] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system" (Fourth National Climate Assessment).

	• Federally recognized Tribal governments
Cost Share	Capability and Capacity Building Activities federal cost share options: • Up to 90% federal cost share funding if the average Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score is not less than 0.5001 for the benefiting area(s) substantiated by a benefiting area map, and the activity must be funded by Bipartisan Infrastructure Law (BIL). FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher federal cost share is not available. Localized Flood Fisk Reduction Projects federal cost share options: • Up to 90% federal cost share funding if the average CDC SVI score is not less than 0.5001 for the project benefiting area containing NFIP-insured properties, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher cost share is not available. Individual Flood Mitigation Projects federal share options: • Up to 100% federal cost share funding for FMA defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3). Or • Up to 90% federal cost share funding for FMA defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7). Or • Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score is not less than 0.5001, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Or • Up to 75% federal cost share funding if a higher federal cost share is not available.

All entities wishing to do business with the federal government must have a unique entity identifier (UEI). The UEI number is issued by the SAM system. Requesting a UEI using Sam.gov can be found at: https://sam.gov/content/entity-registration.

Grants.gov registration information can be found at:
https://www.grants.gov/web/grants/register.html.

Planned UEI Updates in Grant Application Forms:

On April 4, 2022, the Data Universal Numbering System (DUNS) Number was replaced by a new, non-proprietary identifier requested in, and assigned by, the System for Award Management (SAM.gov). This new identifier is the Unique Entity Identifier (UEI).

Additional Information can be found on Grants.gov:

https://www.grants.gov/web/grants/forms/planned-uei-updates.html

A. Program Description

1. **Issued By**
   U.S. Department of Homeland Security (DHS)/Federal Emergency Management Agency (FEMA)/Resilience/Hazard Mitigation Directorate/Hazard Mitigation Assistance (HMA) Division

2. **Assistance Listings Number**
   97.029

3. **Assistance Listings Title**
   Flood Mitigation Assistance

4. **Funding Opportunity Title**
   Fiscal Year 2023 Flood Mitigation Assistance

5. **Funding Opportunity Number**
   DHS-23-MT-029-000-98

6. **Authorizing Authority for Program**
   Section 1366 of The National Flood Insurance Act of 1968, as amended (Pub. L. No. 90-448) (codified as amended at 42 U.S.C. § 4104c); and Division J, Title V of the Infrastructure Investment and Jobs Act (Pub. L. No. 117-58), 135 Stat. 1387–1388 (2021).

7. **Appropriation Authority for Program**
   Department of Homeland Security Appropriations Act, 2023, Pub. L. No. 117-328; and Division J, Title V of the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58, 135 Stat. 1387–1388 (2021).

8. **Announcement Type**
   Initial

9. **Program Category**
   Mitigation: Natural Hazards

10. **Program Overview, Objectives, and Priorities**

a. ***Overview***

The Flood Mitigation Assistance (FMA) grant program makes federal funds available to states, U.S. territories, federally recognized Tribal governments,[3] and local governments to reduce or eliminate the risk of repetitive flood damage to buildings and structures insured under the National Flood Insurance Program (NFIP), and within NFIP-participating communities. It does

[3] The term "federally recognized Tribal government," as used in this funding opportunity, has the same meaning as "Indian Tribal government," as defined at 44 C.F.R. § 77.2(f).

so with a recognition of the growing flood hazards associated with climate change,[4] and of the need for flood hazard risk mitigation activities that promote climate adaptation, equity, and resilience with respect to flooding. These include both acute extreme weather events and chronic stressors which have been observed and are expected to increase in intensity and frequency in the future. From Fiscal Year (FY) 1996 to FY 2019, FMA obligated over $1.5 billion in federal cost share mitigating over 8,000 properties insured by the NFIP.

The FMA grant program aligns with the 2020-2024 DHS Strategic Plan through pursuing Goal 5: Strengthen Preparedness and Resilience. Specifically, Objective 5.1: Build a National Culture of Preparedness has several sub-objectives that the FMA program supports. FMA serves primarily to bolster Sub-Objective 5.1.1: Incentivize investments that reduce risk and increase pre-disaster mitigation, including expanding the use of insurance to manage risk through funding hazard mitigation activities and projects, particularly ones that reduce risk to NFIP-insured structures. Additionally, FMA's Capability and Capacity Building Activities also contribute to other sub-objectives. For example, planning, partnerships, and project scoping efforts help improve awareness initiatives to encourage public action to increase preparedness (Sub-Objective 5.1.2), use lessons from past disasters and exercises to inform community investment decisions and anticipate challenges that may emerge during future disasters (Sub-Objective 5.1.3), and coordinate and guide continuity of operations activities through partnerships with government and non-government stakeholders (Sub-Objective 5.1.5).

The 2022-2026 FEMA Strategic Plan outlines a bold vision and three ambitious goals designed to address key challenges the agency faces during a pivotal moment in the field of emergency management: Goal 1 - Instill equity as a foundation of emergency management, Goal 2 - Lead the whole of community in climate resilience, and Goal 3 - Promote and sustain a ready FEMA and prepared nation. Most notably, the FMA program supports Objective 1.2: Remove barriers to FEMA programs through a people first approach, Objective 1.3: Achieve equitable outcomes for those we serve, and Objective 2.2: Build a climate resilient nation. FMA also supports the National Mitigation Investment Strategy and the FIMA FY 2021-2023 Mitigation Strategy by advancing mitigation investment to reduce risks posed by natural hazards and increasing the nation's resilience to natural hazards.

Awards made under this Notice of Funding Opportunity (NOFO) will be funded, in whole or in part, with funds appropriated by the Infrastructure Investment and Jobs Act (IIJA) Pub. L. No. 117-58, 135 Stat. 1387–1388 (2021), also known as the Bipartisan Infrastructure Law (BIL). The BIL is a once-in-a-generation investment in infrastructure, which will grow a more sustainable, resilient, and equitable economy by enhancing U.S. competitiveness, driving the creation of good-paying jobs with the free and fair choice to join a union, and ensuring stronger access to economic and environmental benefits for disadvantaged communities. The BIL appropriates billions of dollars to FEMA to promote resilient infrastructure, respond to the impacts of climate change, and equip our nation with the resources to combat its most pressing threats.

---

[4] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system" (Fourth National Climate Assessment).

BIL authorizes FMA to provide an increased federal cost share for an NFIP property that is located within a census tract with a Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score of not less than 0.5001, and the activity is funded by BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Refer to Section C.4, Cost Share or Match of this funding opportunity.

b. *Objectives*

The purpose of the FMA program is to reduce or eliminate the flood risk of repetitive flood damage to structures and buildings insured by the NFIP, and to enhance community flood resilience within NFIP-participating communities.

c. *Priorities*

The FMA grant program funds three types of activities and projects: Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Projects. FMA encourages flood mitigation projects that will benefit multiple properties located in an NFIP-participating community.[5]

In addition, FMA aims to incentivize flood mitigation activities and projects that advance equity (see Executive Order 14091: Further Advancing Racial Equity and Support for Underserved Communities Through the Federal Government) and that will benefit disadvantaged communities as referenced in Executive Order (EO) 14008: Tackling the Climate Crisis at Home and Abroad. In implementing the Administration's Justice40 Initiative, established in EO 14008 and discussed in subsequent guidance, the FMA program will be identifying a disadvantaged community, also referred to as a Justice40 Community, using version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 Communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of a federally recognized Tribal government. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 Communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. More information about the CEJST methodology, datasets, and downloadable files can be found on the CEJST website at https://screeningtool.geoplatform.gov.

11. Performance Measures

The following key performance indicators provide strategic and relevant information to decisionmakers and stakeholders about FMA's progress and success toward achieving goals and objectives, and are based on measurable data that are available or could be feasibly collected:

- Total number of NFIP-insured properties selected that are FMA and/or NFIP defined Severe Repetitive Loss (SRL), Repetitive Loss (RL), and Substantially Damaged.

[5] NFIP participating community information can be found via the Community Status Book at https://www.fema.gov/flood-insurance/work-with-nfip/community-status-book.

- Total federal cost share funding invested in or benefitting Justice40 Communities identified using version 1.0 of the Climate and Economic Justice Screening Tool (CEJST).
- Total dollar amount of flood losses avoided in projects or communities funded by FMA subapplications.

FEMA recognizes that many effective resilience solutions, such as nature-based solutions, yield critical benefits that are not monetizable. As such, FEMA notes that these key performance indicators are not determinative of whether an application to the FMA grant program is selected for funding.

FEMA will further assess the recipient's performance against the program objective during the award closeout process as outlined in Section F.3.c of this funding opportunity.

B. Federal Award Information

1. Available Funding for the NOFO: $800,000,000

a) Capability and Capacity Building Activities subtotal: **$60,000,000**
b) Localized Flood Risk Reduction Projects subtotal: **$520,000,000**
c) Individual Flood Mitigation Projects subtotal: **$220,000,000**

2. FEMA will distribute the available FY 2023 FMA funding amount and federal activity cap as follows:

a. Capability and Capacity Building Activities

a. FEMA will select up to $**60,000,000** Capability and Capacity Building Activities to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP.
   i. Capability and Capacity Building Activities will be prioritized and selected according to the following hierarchical order: Mitigation Plans under 42 U.S.C. § 4104c(c)(3)(F); Technical Assistance by States to Communities under 42 U.S.C. § 4104c(c)(3)(J); Project Scoping; and Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities; Enhancing Local Floodplain Management; Severe Repetitive Loss (SRL)/Repetitive Loss (RL) Strategy Development; and other eligible Capability and Capacity Building Activities under 42 U.S.C. § 4104c(c)(3)(G)).
   ii. For more information, refer to the Capability and Capacity Building Activities Fact Sheet at https://www.fema.gov/grants/mitigation/floods/fma-resources.

b. Capability and Capacity Building Activities federal activity cap per subapplication are:
   i. **$100,000** for Mitigation Plans under 42 U.S.C. 4104c(c)(3)(F) per Applicant with maximums of:

1. **$50,000** for state mitigation plan
2. **$25,000** for local mitigation plan

ii. **$50,000** for Technical Assistance by States to Communities (42 U.S.C. 4104c(c)(3)(J))

iii. **$900,000** for Project Scoping

iv. **$300,000** for Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G)).

b. Localized Flood Risk Reduction Projects

a. FEMA will select up to **$520,000,000** of Localized Flood Risk Reduction Projects that address community flood risk for the purpose of reducing NFIP flood claim payments.

i. For more information, refer to the Localized Flood Risk Reduction Projects Fact Sheet at https://www.fema.gov/grants/mitigation/floods/fma-resources and to the 2023 Hazard Mitigation Assistance Program and Policy Guide.

b. Localized Flood Risk Reduction Projects federal activity cap per subapplication is **$50,000,000** per project.

c. Individual Flood Mitigation Projects

a. FEMA will select at least **$220,000,000** of Individual Flood Mitigation Projects that mitigate the risk of flooding to individual NFIP insured structures.

b. Individual Flood Mitigation Projects do not have a federal activity cap.

d. Funding for Applicant Management Costs is included in each of the priority funding caps provided for Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, and Individual Flood Mitigation Project caps. Applicants are authorized to receive up to 10% of the awarded activities. For more information, see Section I, Management Costs of this funding opportunity.

e. For more information on FY 2023 FMA funding priorities and eligible activities, see Section E, Application Review Information, Review, and Selection Process of this funding opportunity.

f. For more information about uses of assistance under FMA, including how to submit various project types in FEMA Grants Outcomes (FEMA GO), refer to FMA resources at https://www.fema.gov/grants/mitigation/floods/fma-resources.

2. Projected Number of Awards: 40 awards; 725 subawards

3. Period of Performance: 36 months

The Period of Performance (POP) is 36 months, starting on the date of the recipient's federal award. Given the complexity of the Localized Flood Risk Reduction Projects, the applicant may submit a request for a longer POP in the application for FEMA to review and approve. A longer POP for a Localized Flood Risk Reduction Project must be requested, documented, reasonable, and justified. Any subsequent amendments to the federal award will not extend the POP unless explicitly stated.

Extensions to the period of performance are allowed. For additional information on period of performance extensions, please refer to Section H of this funding opportunity.

FEMA awards under most programs, including this program, only include one budget period, so it will be same as the period of performance. *See* 2 C.F.R. § 200.1 for definitions of "budget period" and "period of performance."

4. Projected Period of Performance Start Date(s): Will vary by award

5. Projected Period of Performance End Date(s): 36 months for all projects from date of award unless otherwise approved by FEMA

6. Funding Instrument Type: Grant

C. Eligibility Information

1. Eligible Applicants

- States
- District of Columbia
- U.S. territories
- Federally recognized Tribal governments

Each state, territory, the District of Columbia, and federally recognized Tribal government shall designate one agency to serve as the applicant for FMA funding. The designee is strongly encouraged to conduct outreach with disadvantaged communities as referenced in Executive Order 14008 prior to and during the application process. Each applicant's designated agency may submit only one FMA grant application to FEMA.

Communities, including local governments, cities, townships, counties, special district governments, and Tribal governments (including federally recognized Tribes who choose to apply as subapplicants), are considered subapplicants and must submit subapplications to their state/territory/Tribal applicant agency. Certain political subdivisions (for example, regional flood control districts or county governments) may apply and act as subapplicants if they are part of a community participating in the NFIP where the political subdivision provides zoning and building code enforcement or planning and community development professional services for that community. Subapplications under which two or more entities would carry out the award are

eligible, such as a multi-state or multi-Tribal initiative; however, only one entity may be the subapplicant with primary responsibility for carrying out the award. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/grants/mitigation/state-contacts.

2. Applicant Eligibility Criteria

- All applicants and subapplicants must be participating in the NFIP, and not be withdrawn, on probation, or suspended. NFIP community status can be verified at https://www.fema.gov/flood-insurance/work-with-nfip/community-status-book.
- Structures eligible for Individual Flood Mitigation Projects must have an NFIP policy (including a Group Flood Insurance Policy [GFIP]) in effect prior to the opening of the application period and the policy must be maintained throughout the life of the structure. The requirement of maintaining flood insurance shall apply during the life of the property, regardless of transfer of ownership of such property. If the subapplicant does not comply with this requirement, FEMA may take one or more actions as remedies for noncompliance, as appropriate. This could include disallowing all or part of the cost of the activity or action not in compliance. For more information, see 44 C.F.R. § 77.6.
- Applicants are required to have a FEMA-approved State or Tribal Hazard Mitigation Plan in accordance with 44 C.F.R. Part 201 by the application deadline and at the time of obligation of the award. More detailed information is provided in Part 4. Eligibility and Requirements, C. Hazard Mitigation Plan Requirements, of the 2023 Hazard Mitigation Assistance Program and Policy Guide at https://www.fema.gov/grants/mitigation/hazard-mitigation-assistance-guidance
- Subapplicants are required to have a FEMA-approved Local or Tribal Hazard Mitigation Plan in accordance with 44 C.F.R. Part 201 by the application deadline and at the time of obligation of grant funds for Capability and Capacity Building Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project subapplications. Capability and Capacity Building Activities' Mitigation Plans subapplications are exempt from the hazard mitigation plan requirement for subapplicants only. Mitigation plan integration, while not required to be eligible for FMA, is encouraged. For additional information, refer to section H.14 of this funding opportunity. Local hazard mitigation plans must conform to the Local Plan Review Guide, or any subsequent local mitigation planning guide that supersedes it.
- To be considered for financial assistance, all applicants must submit their FY 2023 FMA grant applications to FEMA via FEMA GO. Refer to Section D, Application and Submission Information of this funding opportunity.

3. Other Eligibility Criteria

- All activities under FMA must be in conformance with all criteria established by FEMA that is specific to the proposed activity found in the 2023 Hazard Mitigation Assistance Program and Policy Guide. All subapplications submitted under the Capability and Capacity Building Activities priority must demonstrate that the Capability and Capacity Building Activities will reduce flood claims against the NFIP. Capability and Capacity Building Activities should result in a resource,

strategy, or tangible mitigation product that will reduce or eliminate risk and damage from future flooding and increase community resilience.

- All Capability and Capacity Building Activities Localized Flood Risk Reduction Project subapplications, and Individual Flood Mitigation Project subapplications submitted as part of an FMA grant application must be consistent with the goals and objectives identified in the current, FEMA-approved State or Tribal (Standard or Enhanced) Mitigation Plan and the local mitigation plan for the jurisdiction in which the project is located. Hazard Mitigation Plans should reflect state-wide mitigation priorities across all potential federal and non-federal mitigation funding sources. Current mitigation plans are not required for applicants and subapplicants submitting Capability and Capacity Building Activities' Mitigation Plans subapplications to develop a new mitigation plan or to update a mitigation plan.
- On April 19, 2022, FEMA updated the State and Local Mitigation Planning Policy Guides (policies). On April 19, 2023, they went into effect. This means that all state and local mitigation plans must meet the updated requirements. For instance, it is required that state plans weigh equity and the impacts of climate change. FMA funding can be used for mitigation planning grants, with a focus on integrating equity, climate impacts, and floodplain management. For more information on funding and designing the mitigation planning process to integrate floodplain management planning and maximize Community Rating System Activity 510 points, refer to Mitigation Planning and the Community Rating System: Key Topics Bulletin (fema.gov), and the Local Hazard Mitigation Plan and Community Rating System Crosswalk Starter Kit in the Local Mitigation Planning Handbook (fema.gov). For more information on requirements for approved mitigation plans, States should refer to the State Mitigation Planning Policy Guide (FP 302-094-2, April 19, 2022). Local governments should refer to the Local Mitigation Planning Policy Guide (FP-206-21-0002, April 19, 2022). Tribal governments should refer to the Tribal Mitigation Plan Review Guide (December 2017) (https://www.fema.gov/sites/default/files/2020-06/fema-tribal-mitigation-plan-review-guide_12-05-2017.pdf).
- All subapplications submitted under the Capability and Capacity Building Activities - Project Scoping and Additional Capability and Capacity Building Activities priorities, and Localized Flood Risk Reduction Project priority (see Section E, Application Review Information, of this funding opportunity) must demonstrate that the proposed project benefits NFIP insured properties by submitting a map and associated geospatial file(s) (e.g., shapefile, Keyhole Markup Language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating: the proposed project area or footprint boundary, and for Localized Flood Risk Reduction Projects only the benefiting area in alignment with Hydrologic and Hydraulic modelling as available except for Phased Project: Phase I.

    - The map and associated geospatial file(s) will be used to determine if a project benefits or primarily benefits Justice40 communities. Justice40 communities are defined at the census tract level, but many project benefitting areas are located across multiple census tracts, either partially or fully.

- Although these tools should not be used to determine eligibility, subapplicants may use the Resilience Analysis and Planning Tool (RAPT)—which encompasses geospatial layers including National Risk Index (NRI) and Justice40—to understand the population impacted by a proposed project, delineate the area benefitting, and translate between census tract geographies identified by Justice40.
- Subapplicants may include narrative descriptions of population benefitting to supplement the data and shapefile provided, particularly in rural areas with limited population data or for projects benefitting geographically dispersed populations.
- For Capability and Capacity Building Activities, if a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

- All structure elevation, mitigation reconstruction, and dry floodproofing projects; and all projects where HMA funds are used for new construction, substantial improvement, or to address substantial damage to structures[6] must meet the minimum standards of FEMA's partial implementation of the Federal Flood Risk Management Standards (FFRMS).[7]

  - If a state, local, Tribal, or territorial government, or federal agency has adopted a higher standard applicable to the specific project, FEMA will require the higher standard.[8]
  - See EO 14030, Climate-Related Financial Risk and the 2023 Hazard Mitigation Assistance Program and Policy Guide.
  - Subapplicants can direct any questions about the proposed hazard mitigation project's location in the floodplain to their local floodplain manager and/or State Hazard Mitigation Officers. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at http://www.fema.gov/state-hazard-mitigation-officers.

- When eligible subapplications include an information technology or operational technology component as part of a larger project, FEMA will allow activities that enable greater community resilience through cybersecurity as eligible costs when those activities are performed in accordance with the cybersecurity performance goals for critical infrastructure and control systems directed by the National Security Presidential Memorandum on Improving Cybersecurity for Critical Infrastructure Control Systems, found at https://www.cisa.gov/control-systems-goals-and-objectives. Subapplicants should address cybersecurity in their planning, design, and

[6] Refer to 44 CFR § 9.4 for the definitions of "new construction" and "substantial improvement;" Refer to 44 CFR § 59.1 for the definition of "substantial damage."
[7] Refer to the Hazard Mitigation Assistance Program and Policy Guide, Part 4, I. Federal Flood Risk Management Standards – Partial.
[8] Under 44 CFR § 9.11(d)(6), no action may be taken if it is inconsistent with the criteria of the National Flood Insurance Program (44 CFR part 59 et seq.) or any more restrictive Federal, State, or local floodplain management standards.

project oversight for awards that include a technology nexus that may pose a cyber risk that would affect the reliability or operability of project.

- FEMA encourages the use of environmentally friendly construction practices when completing FMA projects.
    - When subapplications include the use of concrete or asphalt products, FEMA encourages for the inclusion of low embodied carbon concrete and environmentally preferable asphalt.
    - Subrecipients should ensure that federally funded infrastructure investments reduce life cycle emissions of construction materials, specifically concrete, asphalt, and steel.
    - Subrecipients should request disclosure of Environmental Product Declarations (EPD) to evaluate and incentivize acquisition of these lower carbon materials.
    - Subrecipients are encouraged to prioritize the use of American-made, lower-carbon construction materials as referenced in the Federal Buy Clean Initiative.

- Subrecipients are encouraged to place publicly visible signage at sites where federal funding is being used for hazard mitigation projects, identifying the funding source of the project (Office of Management and Budget's February 24, 2023 Controller Alert, "CA-23-6, Enhancing Transparency Through Use of the Investing in America Emblem on Signs (UPDATED)"). The cost of such signs is an eligible project cost. Subapplicants may request up to $5,000 per project for such costs. Requests for signage costs must be identified as a line item in the subapplication cost estimate. Project costs for signage are subject to the applicable cost-sharing requirements. The contents and other details of the signage must be in accordance with FEMA's signage guidance at https://www.fema.gov/grants/policy-guidance/bipartisan-infrastructure-law.

- FEMA encourages applicants and subapplicants to leverage the Department of Labor's The Good Jobs Initiative. The Good Jobs Initiative is an initiative that provides critical information to workers, employers, and government agencies as they work to improve job quality and create access to good jobs free from discrimination and harassment for all working people.

5. Cost Share or Match

Cost share is required for most subapplications funded under this program. FEMA may contribute the federal cost share funding if available, as follows:

i. Capability and Capacity Building Activities federal cost share options:

a. Up to 90% federal cost share funding if the average Centers for Disease Control and Prevention (CDC) Social Vulnerability Index (SVI) score is not less than 0.5001 for the benefiting area(s) substantiated by a benefiting area map, and the activity must be funded by BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

b. Up to 75% federal cost share funding if a higher federal cost share is not available.

ii. Localized Flood Risk Reduction Projects federal cost share options:

a. Up to 90% federal cost share funding if the average CDC SVI score is not less than 0.5001 for the project benefiting area containing NFIP-insured properties, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

b. Up to 75% federal cost share funding if a higher cost share is not available.

iii. Individual Flood Mitigation Projects federal cost share options and definitions:

a. Up to 100% federal cost share funding for FMA-defined Severe Repetitive Loss (SRL) (B)(i) or (B)(ii) properties in 42 U.S.C. § 4104c(h)(3), is a structure that:

i. Is covered under a contract for flood insurance made available under the NFIP; **and**

ii. Has incurred flood-related damage:

1. ((B)(i)) For which four or more separate claims payments (includes building and contents) have been made under flood insurance coverage with the amount of each such claim exceeding $5,000, and with the cumulative amount of such claim payments exceeding $20,000, **or**

2. ((B)(ii)) For which at least two separate claims payments (includes only building) have been made under such coverage, with the cumulative amount of such claims exceeding the market value of the insured structure.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA SRL definition. Applicants and subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet the definition.

b. Up to 90% federal cost share funding for FMA-defined Repetitive Loss (RL) properties in 42 U.S.C. § 4121(a)(7) is a structure covered by a contract for flood insurance made available under the NFIP that:

i. Has incurred flood-related damage on two occasions, in which the cost of the repair, on the average, equaled or exceeded 25 percent of the market value of the structure at the time of each such flood event; **and**

ii. At the time of the second incidence of flood-related damage, the contract for flood insurance contains Increased Cost of Compliance (ICC) coverage.

iii. To receive an increased federal cost share under these provisions, properties must meet the FMA RL definition. Applicants and subapplicants that are requesting an increased federal cost share must submit documentation with their application or subapplication demonstrating that properties meet this definition.

c. Up to 90% federal cost share funding for each NFIP-insured property located within a census tract with a CDC SVI score is not less than 0.5001, and the activity must be funded by the BIL. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. **or**

d. Up to 75% federal cost share funding if a higher federal cost share is not available.

To note, the Individual Flood Mitigation Project's Repetitive Loss (RL) 90% federal cost share and the Severe Repetitive Loss (SRL) 100% federal cost share options are only eligible for those NFIP properties meeting FMA definitions under 42 U.S.C. § 4104c(h)(3) and 42 U.S.C. § 4121(a)(7). These federal cost shares are not available for NFIP defined SRL and RL properties.

Generally, the cost share for this program is 75% federal cost share and 25% non-federal cost share. This means federal funding is available for up to 75% of eligible costs. The remaining 25% of eligible costs must be derived from non-federal sources. For example, if the total cost of the activity is $400,000 and the non-federal cost share is 25%, then the non-federal contribution is $100,000: 25% of $400,000 is $100,000. The non-federal contribution would be provided by the applicant or subapplicant. Likewise, the federal cost share of that activity would be $300,000: 75% of $400,000 is $300,000. The federal contribution would be provided by FEMA. FEMA may consider the non-federal cost share based on availability of remaining federal funds, as noted in Section E, Application Review Information of this funding opportunity.

As a result of FMA funding made available under the BIL, FEMA may contribute up to 90% federal cost share for qualifying FY 2023 funding priorities and criteria. FEMA will determine the CDC SVI score using the following three SVI themes: Socioeconomic Status, Household Characteristics, and Housing Type and Transportation. Applicants and Subapplicants can determine their activities and projects' CDC SVI score by calculating the three SVI themes' averages using information on CDC/ATSDR Social Vulnerability Index webpage, https://www.atsdr.cdc.gov/placeandhealth/svi/index.html. When BIL funding is exhausted, the enhanced cost share for properties with CDC SVI not less than 0.5001 as determined by FEMA, cannot be extended to the remaining funds made available in the FY 2023 FMA NOFO.

Structures with different federal cost-share requirements can be submitted in a single project subapplication. The overall project federal cost share documented in the Cost Share Section of the project subapplication should reflect the combined federal cost shares of the structures. For example, in an Individual Flood Mitigation Project subapplication, a project with $100,000 costs for one SRL structure funded at 100% federal cost share plus $100,000 costs for one RL structure funded at 90% federal cost share will have an overall project federal cost share of 95%, or $190,000, of the $200,000 total cost for both structures.

For insular areas (American Samoa, Guam, the Northern Mariana Islands, and the U.S. Virgin Islands), FEMA automatically waives the non-federal cost share for the recipient when the non-federal cost share for the entire award is under $200,000. If the non-federal cost share for the entire award is $200,000 or greater, FEMA may waive all or part of the non-federal cost share at the request of the recipient. The recipient may request 100% cost-share in its application.

The non-federal cost share may consist of cash, donated or third-party in-kind services, materials, or any combination thereof. Cash and third-party in-kind matches must consist of eligible costs (i.e., same eligibility as the federal share). Applicants cannot apply other federal award funds toward the non-federal cost share unless the other federal statutory authority allows the funds to be used to meet cost-share requirements. For example, FEMA's Safeguarding Tomorrow through Ongoing Risk Management Revolving Loan Fund (STORM RLF) Program loans may be eligible for non-federal cost share funding. For more information, visit the STORM RLF webpage at https://www.fema.gov/grants/mitigation/storm-rlf. In addition, in certain situations U.S. Department of Housing and Urban Development Community Development Block Grant Disaster Recovery (CDBG-DR) program funds, U.S. Small Business Administration Disaster Loans, United States Department of Agriculture Rural Development Single Family Direct Home Loans or Single-Family Repair Loans, the Department of Defense's Readiness and Environmental Protection Integration (REPI) program, and others may be used towards the non-federal match. Additionally, certain American Rescue Plan funds may be used as non-federal cost share as determined by the Department of Treasury.[9] Refer to the Hazard Mitigation Assistance Cost Share Guide for more information at https://www.fema.gov/sites/default/files/2020-08/fema_hma_cost-share-guide.pdf. FEMA encourages innovative use of public and private-sector partnerships to meet the non-federal cost share.

FMA funding cannot be used as matching funds for another federal grant. Additionally, third-party in-kind matches used to meet the matching requirement may not be used to meet matching requirements for any other federal grant program.

Ultimately, the recipient is responsible for ensuring that it contributes the proper cost share to its actual project costs. If actual total project costs exceed the projected total project costs stated in the federal award, the recipient will not receive any additional federal funding and will be responsible for contributing additional funds above the required cost match. If actual total project costs are less than the projected total project costs stated in the federal award, the recipient will be responsible for contributing a cost match calculated as a percentage of those actual project costs.

[9] Treasury funds are available through the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program. According to U.S. Department of Treasury, the SLFRF program funds available under the "revenue loss" eligible use category (sections 602(c)(1)(C) and 603(c)(1)(C) of the Social Security Act) generally may be used to meet the non-federal cost-share or matching requirements of other federal programs. See Coronavirus State & Local Fiscal Recovery Funds: Overview of the Final Rule at https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-Overview.pdf.

More detailed information is provided in Part 4. Eligibility and Requirements, Section L: Cost Share of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

D. Application and Submission Information

1. Key Dates and Times

a. ***Application Start Date:*** **10/16/2023**

b. ***Application Submission Deadline:*** **02/29/2024 at 03:00:00 PM ET**

All applications **must** be received by the established deadline. Please note that FEMA deadlines listed in this funding opportunity refer to application deadlines for the applicants. Subapplicants should consult with their applicant agency to confirm subapplication deadlines to the applicant if applicable.

FEMA will not review applications that are received after the deadline or consider these late applications for funding. FEMA may, however, extend the application deadline on request for any applicant who can demonstrate that good cause exists to justify extending the deadline. Good cause for an extension may include technical problems outside of the applicant's control that prevent submission of the application by the deadline, other exigent or emergency circumstances, or statutory requirements for FEMA to make an award.

Applicants experiencing technical problems outside of their control must notify FEMA as soon as possible and before the application deadline. Failure to timely notify FEMA of the issue that prevented the timely filing of the application may preclude consideration of the award. "Timely notification" of FEMA means: prior to the application deadline and within 48 hours after the applicant became aware of the issue.

A list of FEMA contacts can be found in Section G of this NOFO, "DHS Awarding Agency Contact Information." For technical assistance with the FEMA Grants Outcomes System (FEMA GO), please contact the FEMA GO Helpdesk at femago@fema.dhs.gov or (877) 611-4700, Monday through Friday, 8:00 AM – 6:00 PM Eastern Time (ET). For programmatic or grants management questions, please contact your Program Analyst or Grants Management Specialist. If applicants do not know who to contact or if there are programmatic questions or concerns, please contact the FEMA Grants Information Desk by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

FEMA GO automatically records proof of timely submission and the system generates an electronic date/time stamp when FEMA GO successfully receives the application. The individual with the Authorized Organization Representative role that submitted the

application will also receive the official date/time stamp and a FEMA GO tracking number in an email serving as proof of their timely submission. For additional information on how an applicant will be notified of application receipt, see the subsection titled "Timely Receipt Requirements and Proof of Timely Submission" in Section D of this NOFO.

c. ***Other Key Dates***

Event	Suggested Deadline for Completion
Initial registration in SAM.gov includes UEI issuance	Four weeks before actual submission deadline
Obtaining a valid Employer Identification Number (EIN)	Four weeks before actual submission deadline
Creating an account with login.gov	Four weeks before actual submission deadline
Registering in SAM or Updating SAM registration	Four weeks before actual submission deadline
Registering in FEMA GO	Four weeks before actual submission deadline
Submitting the final application in FEMA GO	By the submission deadline

2. Agreeing to Terms and Conditions of the Award

By submitting an application, applicants agree to comply with the requirements of this NOFO and the terms and conditions of the award, should they receive an award.

3. Address to Request Application Package

Applications are processed through the FEMA GO system. To access the system, go to https://go.fema.gov/.

Hard copies of the NOFO can be downloaded at Grants.gov or obtained via email from the Awarding Office points of contact listed in Section G of this NOFO, "DHS Awarding Agency Contact Information" or by TTY (800) 462-7585.

4. Requirements: Obtain a Unique Entity Identifier (UEI) and Register in the System for Award Management (SAM)

Each applicant, unless they have a valid exception under 2 CFR 25.110, must:
1) Be registered in Sam.Gov before application submission.
2) Provide a valid Unique Entity Identifier (UEI) in its application.
3) Continue to always maintain an active System for Award Management (SAM) registration with current information during the Federal Award process.

5. Steps Required to Obtain a Unique Entity Identifier, Register in the System for Award Management (SAM), and Submit an Application

Applying for an award under this program is a multi-step process and requires time to complete. Applicants are encouraged to register early as the registration process can take four weeks or more to complete. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required submission deadlines.

Please review the table above for estimated deadlines to complete each of the steps listed. Failure of an applicant to comply with any of the required steps before the deadline for submitting an application may disqualify that application from funding.

To apply for an award under this program, all applicants must:

a. Apply for, update, or verify their Unique Entity Identifier (UEI) number and Employer Identification Number (EIN) from the Internal Revenue Service;
b. In the application, provide an UEI number;
c. Have an account with login.gov;
d. Register for, update, or verify their SAM account and ensure the account is active before submitting the application;
e. Register in FEMA GO, add the organization to the system, and establish the Authorized Organizational Representative (AOR). The organization's electronic business point of contact (EBiz POC) from the SAM registration may need to be involved in this step. For step-by-step instructions, see https://www.fema.gov/media-library/assets/documents/181607;
f. Submit the complete application in FEMA GO; and
g. Continue to maintain an active SAM registration with current information at all times during which it has an active federal award or an application or plan under consideration by a federal awarding agency. As part of this, applicants must also provide information on an applicant's immediate and highest-level owner and subsidiaries, as well as on all predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

Applicants are advised that FEMA may not make a federal award until the applicant has complied with all applicable SAM requirements. Therefore, an applicant's SAM registration must be active not only at the time of application, but also during the application review period and when FEMA is ready to make a federal award. Further, as noted above, an applicant's or recipient's SAM registration must remain active for the duration of an active federal award. If an applicant's SAM registration is expired at the time of application, expires during application review, or expires any other time before award, FEMA may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

Per 2 C.F.R. § 25.110(c)(2)(iii), if an applicant is experiencing exigent circumstances that prevents it from obtaining an UEI number and completing SAM registration prior to receiving a federal award, the applicant must notify FEMA as soon as possible by contacting fema-grants-news@fema.dhs.gov and providing the details of the circumstances that prevent completion of these requirements. If FEMA determines that there are exigent circumstances and FEMA has decided to make an award, the applicant will be required to obtain an UEI

number, if applicable, and complete SAM registration within 30 days of the federal award date.

6. Electronic Delivery

DHS is participating in the Grants.gov initiative to provide the grant community with a single site to find and apply for grant funding opportunities. DHS encourages or requires applicants to submit their applications online through Grants.gov, depending on the funding opportunity.

For this funding opportunity, FEMA requires applicants to submit applications through FEMA GO.

7. How to Register to Apply

a. *General Instructions:*

Registering and applying for an award under this program is a multi-step process and requires time to complete. Read the instructions below about registering to apply for FEMA funds. Applicants should read the registration instructions carefully and prepare the information requested before beginning the registration process. Reviewing and assembling the required information before beginning the registration process will alleviate last-minute searches for required information.

The registration process can take up to four weeks to complete. To ensure an application meets the deadline, applicants are advised to start the required steps well in advance of their submission.

Organizations must have an UEI number, an EIN, an active System for Award Management (SAM) registration and Grants.gov account to apply for grants.

b. *Obtain an UEI Number:*

All entities applying for funding, including renewal funding, prior to April 4, 2022, must have a UEI number. Applicants must enter the UEI number in the applicable data entry field on the SF-424 form.

For more detailed instructions for obtaining a UEI number, refer to: SAM.gov.

c. *Obtain Employer Identification Number*

All entities applying for funding must provide an Employer Identification Number (EIN). The EIN can be obtained from the IRS by visiting: https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online.

d. *Create a login.gov account:*

Applicants must have a login.gov account in order to register with SAM or update their SAM registration. Applicants can create a login.gov account here: https://secure.login.gov/sign_up/enter_email?request_id=34f19fa8-14a2-438c-8323-a62b99571fd3.

Applicants only have to create a login.gov account once. For applicants that are existing SAM users, use the same email address for the login.gov account as with SAM.gov so that the two accounts can be linked.

For more information on the login.gov requirements for SAM registration, refer to: https://www.sam.gov/SAM/pages/public/loginFAQ.jsf.

e. ***Register with SAM:***

All organizations applying online through Grants.gov must register with SAM. Failure to register with SAM will prevent your organization from applying through Grants.gov. SAM registration must be renewed annually. Organizations will be issued a UEI number with the completed SAM registration.

For more detailed instructions for registering with SAM, refer to: https://www.grants.gov/web/grants/applicants/organization-registration/step-2-register-with-sam.html.

Note: As a new requirement per 2 C.F.R. § 25.200, applicants must also provide the applicant's immediate and highest-level owner, subsidiaries, and predecessors that have been awarded federal contracts or federal financial assistance within the last three years, if applicable.

I. ADDITIONAL SAM REMINDERS

Existing SAM.gov account holders should check their account to make sure it is "ACTIVE." SAM registration should be completed at the very beginning of the application period and should be renewed annually to avoid being "INACTIVE." **Please allow plenty of time before the grant application submission deadline to obtain an UEI number and then to register in SAM. It may be four weeks or more after an applicant submits the SAM registration before the registration is active in SAM, and then it may be an additional 24 hours before FEMA's system recognizes the information.**

It is imperative that the information applicants provide is correct and current. Please ensure that your organization's name, address, and EIN are up to date in SAM and that the UEI number used in SAM is the same one used to apply for all other FEMA awards. Payment under any FEMA award is contingent on the recipient's having a current SAM registration.

II. HELP WITH SAM

The SAM quick start guide for new recipient registration and SAM video tutorial for new applicants are tools created by the General Services Administration (GSA) to assist those

registering with SAM. If applicants have questions or concerns about a SAM registration, please contact the Federal Support Desk at https://www.fsd.gov/gdit_tss/?id=gdit_tss_landing or call toll free (866) 606-8220.

f. ***Register in FEMA GO, Add the Organization to the System, and Establish the AOR:***

Applicants must register in FEMA GO and add their organization to the system. The organization's electronic business point of contact (EBiz POC) from the SAM registration may need to be involved in this step. For step-by-step instructions, see https://www.fema.gov/media-library/assets/documents/181607.

Note: FEMA GO will support only the most recent major release of the following browsers:

- Google Chrome
- Internet Explorer
- Mozilla Firefox
- Apple Safari
- Microsoft Edge

Users who attempt to use tablet type devices or other browsers may encounter issues with using FEMA GO.

8. Submitting the Application

Applicants will be prompted to submit the standard application information and any program-specific information required as described in Section D.10 of this NOFO, "Content and Form of Application Submission." The Standard Forms (SF) may be accessed in the Forms tab under the SF-424 family on Grants.gov. Applicants should review these forms before applying to ensure they have all the information required.

After submitting the final application, FEMA GO will provide either an error message or a successfully received transmission in the form of an email sent to the AOR that submitted the application. Applicants using slow internet connections, such as dial-up connections, should be aware that transmission can take some time before FEMA GO receives your application.

For additional application submission requirements, including program-specific requirements, please refer to the subsection titled "Content and Form of Application Submission" under Section D of this NOFO.

9. Timely Receipt Requirements and Proof of Timely Submission

All applications must be completed in FEMA GO by the application deadline. FEMA GO automatically records proof of timely submission and the system generates an electronic date/time stamp when FEMA GO successfully receives the application. The individual with the Authorized Organization Representative (AOR) role that submitted the application will also receive the official date/time stamp and a FEMA GO tracking number in an email serving as proof of their timely submission on the date and time that FEMA GO received the application.

Applicants who experience system-related issues will be addressed until 3:00 PM ET on Tuesday, February 27, 2024. No new system-related issues will be addressed after this deadline. Applications not received by the application submission deadline will not be accepted.

10. Content and Form of Application Submission

a. *Standard Required Application Forms and Information*

The following forms or information are required to be submitted via FEMA GO. The Standard Forms (SF) are also available at https://www.grants.gov/web/grants/forms/sf-424-family.html.

SF-424, Application for Federal Assistance
Grants.gov Lobbying Form, Certification Regarding Lobbying
SF-424A, Budget Information (Non-Construction)
For construction under an award, submit SF-424C, Budget Information (Construction), in addition to or instead of SF-424A
SF-424B, Standard Assurances (Non-Construction)
For construction under an award, submit SF-424D, Standard Assurances (Construction), in addition to or instead of SF-424B
SF-LLL, Disclosure of Lobbying Activities
Indirect Cost Agreement or Proposal if the budget includes indirect costs and the applicant is required to have an indirect cost rate agreement or proposal. If the applicant does not have or is not required to have an indirect cost rate agreement or proposal, please see Section D.13 of this NOFO, "Funding Restrictions and Allowable Costs," for further information regarding allowability of indirect costs and whether alternatives to an indirect cost rate agreement or proposal might be available or contact the relevant FEMA staff identified in Section G of this NOFO, "DHS Awarding Agency Contact Information" for further instructions.

Generally, applicants have to submit either the non-construction forms (i.e., SF-424A and SF-424B) or construction forms (i.e., SF-424C and SF-424D), meaning that applicants that only have construction work and do not have any non-construction work need only submit the construction forms (i.e., SF-424C and SF-424D) and not the non-construction forms (i.e., SF-424A and SF-424B), and vice versa. However, applicants who have both construction and non-construction work under this program need to submit both the construction and non-construction forms.

b. *Program-Specific Required Forms and Information*

The following program-specific forms or information are required to be submitted in FEMA GO:

Applicants may require their subapplicants to complete and attach the grant application and/or Assurance and Certifications forms to their Capability and Capacity Building

Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project subapplications in FEMA GO.

Subapplicants should contact their applicant agency for information specific to their state/territory/federally recognized Tribal government's application process. Contact information for the State Hazard Mitigation Officers is provided on the FEMA website at https://www.fema.gov/state-hazard-mitigation-officers.

All applicants must submit an FMA grant application via FEMA GO by the application deadline to be considered for funding. The required format for applications and subapplications is built into FEMA GO:

- FMA applications including Capability and Capacity Building Activities (Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, Additional Capability and Capacity Building Activities (including Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities), Localized Flood Risk Reduction Project, Individual Flood Mitigation Project, and Management Costs subapplications must be submitted in an **FY 2023 FMA application**.
    - Mitigation Plans must be submitted in a "**plan**" subapplication type.
    - Technical Assistance by States to Communities must be submitted in a "**technical assistance**" subapplication type.
    - Project Scoping must be submitted in a "**project scoping"** subapplication type.
    - Additional Capability and Capacity Building Activities must be submitted in a "**project scoping"** subapplication type.
    - Localized Flood Risk Reduction Project and Individual Flood Mitigation Project must be submitted in a "**project**" subapplication type.
    - Applicant Management Costs must be submitted in a "**management costs**" subapplication type.

I. Management Costs

Applicants are eligible to receive management costs consisting of a maximum of 10% of the planning and project activities awarded to the state, each fiscal year under FMA. These costs must be included in the application to FEMA.

A federally recognized Tribal government applying directly to FEMA is eligible for management costs consisting of a maximum of 10% of grants awarded for planning and project activities under the FMA program. Subapplicants may include a maximum of 5% of the total funds requested for their subapplication for management costs to support the implementation of Capability and Capacity Building Activities, Localized Flood Risk Reduction Projects, or Individual Flood Mitigation Projects. These costs must be included in the subapplication to the Applicant.

For additional information, please refer to Section D.13.c Management Costs of this funding opportunity.

11. Other Submission Requirements

a. *Benefit-Cost Analysis (BCA) for Hazard Mitigation Projects*

Applicants and subapplicants applying for hazard mitigation projects (Localized Flood Risk Reduction Projects or Individual Flood Mitigation Projects) must provide a BCA or other documentation that validates cost-effectiveness[10]. Capability and Capacity Building Activities (Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, Additional Capability and Capacity Building Activities [Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G)]), and management costs subapplications do not require a BCA. Applicants and subapplicants may use one of three standard approaches. In no case will FEMA award a hazard mitigation project that is not cost-effective.

i. **Streamlined cost-effectiveness determination method:** FEMA has established streamlined cost-effectiveness determination methods for some hazard mitigation projects and project types. Using one of these methods fulfills the cost-effectiveness requirement if the project meets applicable criteria.
   - For projects with a total cost of less than $1,000,000, the subapplicant may provide a narrative that includes qualitative and quantitative data demonstrating the benefits and cost-effectiveness of the project. Total project costs include all project costs, not just the federal share. Instructions for completing a cost-effectiveness narrative may be found in FEMA BCA website. FEMA will validate the cost effectiveness and estimate a benefit cost ratio (BCR) of the proposed project during its review.
   - Pre-calculated benefits are available for some project types, including acquisitions, and elevations. Further details, including application submission requirements, may be found in the HMA Policy and Program Guide and on the FEMA BCA website.

ii. **Benefit-Cost Analysis (BCA) Assistance:** FEMA will review hazard mitigation project subapplications during the pre-award process that are competitive and otherwise eligible for selection where a small and impoverished communities as defined in 44 C.F.R. 201.2., federally recognized Tribal government, or subapplication for a hazard mitigation project within or primarily benefitting a Community Disaster Resilience Zone (defined at 42 U.S.C. § 5136(a)(1)) is unable to calculate a BCR to demonstrate cost-effectiveness. FEMA may assist such communities with developing a BCA. Projects with a total cost of less than $1,000,000 that qualify for BCA Assistance under this provision are not required to submit a cost-effectiveness narrative. FEMA has additional guidance for this approach

[10] https://www.whitehouse.gov/omb/briefing-room/2023/08/01/accounting-for-ecosystem-services-in-benefit-cost-analysis/

for selected subapplications that may qualify for this consideration. For more information visit the FEMA BCA website.

iii. **Benefit-Cost Analysis (BCA):** If a streamlined cost-effectiveness determination method does not apply, a BCA is required to validate cost-effectiveness. FEMA has established a set discount rate of 3% to be used in a BCA for hazard mitigation projects for the FY 2023 BRIC and FMA cycles. FEMA's BCA Toolkit is available on the FEMA website at https://www.fema.gov/grants/tools/benefit-cost-analysis. Version 6.0 or newer are the only versions FEMA will accept as documentation for demonstrating cost-effectiveness. FEMA encourages the use of the BCA Toolkit to calculate the project BCR; however, applicants and subapplicants may also use a non-FEMA BCA methodology if pre-approved by FEMA in writing.

- All projects not using a streamlined cost-effectiveness determination must demonstrate a BCR of 1.0 or greater to be eligible for funding.
- Even if a streamlined cost-effectiveness determination method applies, applicants and subapplicants may use a BCA to show cost-effectiveness of a project.

Structure acquisitions and elevations located in the Special Flood Hazard Area (SFHA) may use pre-calculated benefits to determine cost effectiveness. The updated values for use of pre-calculated benefits to determine cost effectiveness of elevations and acquisitions in the SFHA are: $323,000 per structure for acquisitions and $205,000 per structure for Elevations (and Mitigation Reconstruction). These pre-calculated benefits for acquisition projects are recognized as helping support BCA eligibility for larger community relocation efforts. More detailed information about pre-calculated benefits and how they can be used is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_acquisition-elevation-precalculated-benefits-memo_092021.pdf.

Additionally, FEMA has determined that the acquisition of a structure designated as RL or SRL[11], regardless of location within or outside of the SFHA, with total project costs less than or equal to $323,000 is considered cost-effective. As such, FEMA has expanded the use of pre-calculated benefits to include acquisition projects of RL and SRL properties outside the SFHA with a project cost less than or equal to the existing calculated threshold of $323,000. More detailed information is available on the FEMA website at https://www.fema.gov/grants/guidance-tools/benefit-cost-analysis.

For more information, visit the BCA webpage at https://www.fema.gov/benefit-cost-analysis.

b. ***Acquisition Project Requirements***

The subrecipient must provide FEMA with a signed copy of the Statement of Voluntary Participation for each property post- award. The Statement of Voluntary Participation formally documents the Notice of Voluntary Interest and information related to the purchase offer. The

[11] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

Statement of Voluntary Participation is available on the FEMA website at https://www.fema.gov/sites/default/files/documents/fema_form-ff-206-fy-21-124.pdf.

Subrecipients must apply deed-restriction language to all acquired properties to ensure that the property is maintained in perpetuity as open space consistent with the conservation of natural floodplain functions, as agreed to by accepting FEMA mitigation award funding. Deed-restriction language is applied to acquired properties by recording the open space and deed restrictions. The FEMA Model Deed Restriction is available at https://www.fema.gov/sites/default/files/2020-08/fema_model-deed-restriction.pdf. Subrecipients, as well as recipients and FEMA are responsible for enforcing compliance with open space restrictions pursuant to 44 CFR Part 80 requirements.

c. *Go/No-Go Milestones*

The subapplicant, in coordination with the applicant, must identify at least one or more Go/No-Go milestones in the work schedule for a Localized Flood Risk Reduction Project that is a Phased Project. A Go/No-Go milestone is a major milestone in the project that if not completed on time may result in a cancellation of the subaward. Progress towards meeting the Go/No-Go milestones must be reported in the quarterly progress reports submitted to the recipient and FEMA. At these Go/No-Go milestones, FEMA will evaluate project performance, schedule adherence, and contribution to FEMA's program goals and objectives.

d. *National Environmental Policy Act Requirement for Hazard Mitigation Projects*

Applicants and subapplicants applying for hazard mitigation projects (Localized Flood Risk Reduction Project and/or Individual Flood Mitigation Project) must provide information needed to comply with the National Environmental Policy Act (NEPA) (42 U.S.C. §§ 4321–4370h) and the related DHS and FEMA instructions and directives (i.e., DHS Directive 023-01, [12] DHS Instruction Manual 023-01-001-01,[13] FEMA Directive 108-1,[14] and FEMA Instruction 108-1-1,[15] which can be accessed at https://www.fema.gov/emergency-managers/practitioners/environmental-historic/laws/ehp-directive-instruction). The required information is included in the subapplication in FEMA GO. Environmental Planning and Historic Preservation (EHP) Job Aids and Supplements are available on the FEMA website at https://www.fema.gov/grants/guidance-tools/environmental-historic. The required information is included in the subapplication in FEMA GO.

12. Intergovernmental Review

An intergovernmental review may be required. Applicants must contact their state's Single Point of Contact (SPOC) to comply with the state's process under Executive Order 12372

[12] DHS Directive 023-01is titled Implementation of the National Environmental Policy Act.
[13] DHS Instruction Manual 023-01-001-01is titled Implementation of the National Environmental Policy Act (NEPA).
[14] FEMA Directive 108-1 is titled Environmental Planning and Historic Preservation Responsibilities and Program Requirements.
[15] FEMA Instruction 108-1-1is titled Instruction on Implementation of the Environmental Planning and Historic Preservation Responsibilities and Program Requirements.

(See https://www.archives.gov/federal-register/codification/executive-order/12372.html).

13. Funding Restrictions and Allowable Costs

All costs charged to awards covered by this NOFO must comply with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements at 2 C.F.R. Part 200, unless otherwise indicated in the NOFO, or the terms and conditions of the award. This includes, among other requirements, that costs must be incurred, and products and services must be delivered, within the period of performance of the award. *See* 2 C.F.R. § 200.403(h) (referring to budget periods, which for FEMA awards is the same as the period of performance).

In general, the Cost Principles establish standards for the allowability of costs, provide detailed guidance on the cost accounting treatment of costs as direct or administrative costs, and set forth allowability principles for selected items of cost. More specifically, except as otherwise stated in this NOFO, the terms and condition of an award, or other program materials, costs charged to awards covered by this NOFO must be consistent with the Cost Principles for Federal Awards located at 2 C.F.R. Part 200, Subpart E. In order to be allowable, all costs charged to a FEMA award or applied to the cost share must be reasonable in nature and amount and allocable to the particular FEMA award.

Additionally, all costs charged to awards must comply with the grant program's applicable statutes, policies, requirements in this NOFO as well as with the terms and conditions of the award. If FEMA staff identify costs that are inconsistent with any of these requirements, these costs may be disallowed, and FEMA may recover funds as appropriate, consistent with applicable laws, regulations, and policies.

As part of those requirements, grant recipients and subrecipients may only use federal funds or funds applied to a cost share for the purposes set forth in this NOFO and the terms and conditions of the award, and those costs must be consistent with the statutory authority for the award.

Grant funds may not be used for matching funds for other federal grants/cooperative agreements, lobbying, or intervention in federal regulatory or adjudicatory proceedings. In addition, federal funds may not be used to sue the federal government or any other government entity.

Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high-cost items, and those subject to rapid technical advances. Large equipment purchases must be identified and explained. For more information regarding property management standards for equipment and federal procurement requirements, please reference 2 C.F.R. Part 200, available at https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

More detailed information is available in Part III, E.1, Eligible Activities, of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

a. ***Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services***

Recipients and subrecipients of FEMA federal financial assistance are subject to the prohibitions described in section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY 2019 NDAA), Pub. L. No. 115-232 (2018) and 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200. Beginning August 13, 2020, the statute – as it applies to FEMA recipients, subrecipients, and their contractors and subcontractors – prohibits obligating or expending federal award funds on certain telecommunications and video surveillance products and contracting with certain entities for national security reasons.

Guidance is available at FEMA Policy #405-143-1 - Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services

Additional guidance is available at Contract Provisions Guide: Navigating Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards (fema.gov).

Effective August 13, 2020, FEMA recipients and subrecipients **may not** use any FEMA funds under open or new awards to:

1. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
2. Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system; or
3. Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

I. DEFINITIONS

Per section 889(f)(2)-(3) of the FY 2019 NDAA and 2 C.F.R. § 200.216, covered telecommunications equipment or services means:

i. Telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation, (or any subsidiary or affiliate of such entities);
ii. For the purpose of public safety, security of Government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities);
iii. Telecommunications or video surveillance services provided by such entities or using such equipment; or
iv. Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of National Intelligence or the Director of the Federal Bureau of

Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the People's Republic of China.

Examples of the types of products covered by this prohibition include phones, internet, video surveillance, and cloud servers when produced, provided, or used by the entities listed in the definition of "covered telecommunications equipment or services." *See* 2 C.F.R. § 200.471.

b. ***Pre-Award Costs***

Pre-award costs directly related to developing the FMA grant application or subapplication that are incurred prior to the date of the grant award are allowed subject to FEMA approval at time of award. Such costs may have been incurred prior to application submission, for example gathering data to be used for preparing environmental reviews required by NEPA or developing a BCA (see Section D, Application and Submission Information), preparing design specifications, or conducting workshops or meetings related to development and submission of subapplications. To be eligible for FMA funding, pre-award costs must be identified in the individual line item in the cost estimate of the subapplication.

Pre-award costs may be cost shared or applicants and subapplicants may identify them as their non-federal cost share (see Section C, Eligibility Information, Cost Share or Match).

Costs associated with implementation of proposed projects in the submitted grant application or subapplication that are incurred prior to the date of the grant award are not allowed. Activities initiated or completed prior to the date of the grant award are generally not eligible.

- However, per the Hazard Eligibility and Local Projects (HELP) Act, FEMA may provide assistance for certain acquisition and demolition projects when implementation started after January 3, 2023. In order to be eligible, the project must also: (1) qualify for a categorical exclusion under NEPA; (2) be compliant with applicable floodplain management and protection of wet land regulations and criteria; and (3) not require consultation under any other environmental or historic preservation law or regulation or involve any extraordinary circumstances. An entity seeking assistance under the HELP Act must comply with all other applicable HMA and federal requirements (see Pub. L. No. 117-332).

If any pre-award activities related to developing an FMA grant application or subapplication result in ground disturbance, the applicant or subapplicant must comply with all applicable federal, state, and local laws and regulations, and obtain any applicable environmental permits and clearances. The applicant or subapplicant must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, work will immediately cease, and the appropriate state authority will be notified.

Applicants and subapplicants who are not awarded awards or subawards will not receive reimbursement for the corresponding pre-award costs.

c. ***Management Costs***

In addition to funding received as described in Section B.1, Available Funding for the funding opportunity, applicants and subapplicants are eligible to receive management costs (direct and indirect administrative costs pursuant to 2 C.F.R. Part 200, Subpart E).

Subapplicants may submit up to 5% of the total budget of the subapplication for management costs. The total budget refers to the sum of non-federal and federal cost shares of the proposed subapplication. Subapplicants must use subapplicant management costs to manage their subaward activities. Subapplicant management cost activities must be added to the Scope of Work section and identified in the Cost Estimate section of subapplications in FEMA GO[16].

Applicants may submit up to 10% of the application budget (with the total budget including subapplicant management costs) for applicants to administer and manage award and subaward activities. Applicants' management costs will be calculated using the total sum of all non-federal and federal cost shares (the composite of all projects' cost share). FEMA will verify and calculate the management costs based on the applications and subapplications final selections.

Applicant requests for management costs must be submitted in a separate management costs subapplication in FEMA GO[17].

The subapplicant's management costs (up to 5%) must be added to the subapplication total budget prior to the calculation of the applicant's management costs (up to 10%). Applicant management costs will not exceed 10% of the total application budget.

If the applicant is also implementing the award as the subapplicant, the applicant is allowed to claim subapplicant (up to 5%) and applicant management costs (up to 10%). Uses of the applicant management costs must be distinct from subapplicant management costs and must adhere to the stated uses, even if being used by the same entity. The total management costs still will not exceed 15% of the total award. Management costs are governed by 44 C.F.R. Part 77. Management costs are any indirect costs, any direct administrative costs, and other administrative expenses that are reasonably incurred in administering an award or subaward. Eligible applicant or subapplicant management cost activities may include:

- Solicitation, review, and processing of subapplications and subawards
- Subapplication development and technical assistance to subapplicants regarding feasibility and effectiveness and BCA
- Geocoding hazard mitigation projects identified for further review by FEMA
- Delivery of technical assistance (e.g., plan reviews, planning workshops, training) to support the implementation of hazard mitigation activities
- Managing awards (e.g., quarterly reporting including managing Go/No-Go milestones for mitigation projects, closeout)

[16] Refer to Section D, Application and Submission Information, Content and Form of Application Submission of this funding opportunity.
[17] Refer to Section D, Application and Submission Information, Content and Form of Application Submission of this funding opportunity.

- Technical monitoring (e.g., site visits, technical meetings)
- Purchase of equipment, per diem and travel expenses, and professional development that is directly related to the implementation of HMA programs
- Staff salary costs directly related to performing the activities listed above

d. ***Indirect Facilities & Administrative (F&A) Costs***

Indirect costs of administering the FMA program are eligible as part of the 10% management costs for the recipient or the 5% management costs of the subrecipient, but in no case do they make the recipient eligible for additional management costs that exceed the regulatory caps. In addition, all costs must be in accordance with the provisions of 2 C.F.R. parts 200 and 3002.

Indirect costs are allowable under this program as described in 2 C.F.R. Part 200, including 2 C.F.R. § 200.414. Applicants with a current negotiated indirect cost rate agreement that desire to charge indirect costs to an award must provide a copy of their negotiated indirect cost rate agreement at the time of application. Not all applicants are required to have a current negotiated indirect cost rate agreement. Applicants that are not required by 2 C.F.R. Part 200 to have a negotiated indirect cost rate agreement but are required by 2 C.F.R. Part 200 to develop an indirect cost rate proposal must provide a copy of their proposal at the time of application. Applicants who do not have a current negotiated indirect cost rate agreement (including a provisional rate) and wish to charge the de minimis rate must reach out to the Grants Management Specialist for further instructions. Applicants who wish to use a cost allocation plan in lieu of an indirect cost rate must also reach out to the Grants Management for further instructions.

Subapplicants are not required to submit negotiated indirect cost rate agreements or proposals directly to FEMA, but they may need to submit them to the applicable applicants per 2 C.F.R. § 200.332.

E. Application Review Information

1. Application Evaluation Criteria

a. ***Programmatic Criteria***

FEMA will review subapplications submitted by each applicant to ensure:

- Eligibility of the applicant and subapplicant;
- Eligibility of proposed activities and costs;
- Completeness of the subapplication;
- Cost-effectiveness, alternative cost-effectiveness, BCA assistance, and engineering feasibility of hazard mitigation projects; or expected savings to the National Flood Insurance Fund (NFIF) from expected avoided damages through acquisition or relocation activity;
- Eligibility and availability of non-federal cost share;

- Consistency with approved State Mitigation Plan and Local and/or Tribal Hazard Mitigation Plan;
- Conformance with all applicable federal, state, Tribal and local environmental and historic preservation laws and regulations;
- Proposed project will solve a problem independently, or constitute a functional portion of a long-term solution where there is assurance that the project as a whole will be completed; and
- Requested funds do not duplicate benefits available from another source for the same purpose or assistance that another federal agency or program has more primary authority to provide.

Subapplicants are exempt from the hazard mitigation plan requirement for the following Capability and Capacity Building Activities' Mitigation Plans. A hazard mitigation plan is required for all other Capability and Capacity Building Activities subapplications.

For more detailed information, see Part VI, Application Review Information, of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

b. ***Financial Integrity Criteria***

Prior to making a federal award, FEMA is required by 31 U.S.C. § 3354, as enacted by the Payment Integrity Information Act of 2019, Pub. L. No. 116-117 (2020); 41 U.S.C. § 2313; and 2 C.F.R. § 200.206 to review information available through any Office of Management and Budget (OMB)-designated repositories of governmentwide eligibility qualification or financial integrity information, including whether the applicant is suspended or debarred. FEMA may also pose additional questions to the applicant to aid in conducting the pre-award risk review. Therefore, application evaluation criteria may include the following risk-based considerations of the applicant:

i. Financial stability.
ii. Quality of management systems and ability to meet management standards.
iii. History of performance in managing federal award.
iv. Reports and findings from audits.
v. Ability to effectively implement statutory, regulatory, or other requirements.

c. ***Supplemental Financial Integrity Criteria and Review***

Prior to making a federal award where the anticipated total federal share will be greater than the simplified acquisition threshold, currently $250,000:

i. FEMA is required to review and consider any information about the applicant, including information on the applicant's immediate and highest-level owner, subsidiaries, and predecessors[18], if applicable, that is in the designated

[18] As defined in 2 C.F.R. Part 25, specifically § 25.447: Predecessor means a non-federal entity that is replaced by a successor and includes any predecessors of the predecessor.

integrity and performance system accessible through the System for Award Management (SAM), which is currently the Federal Awardee Performance and Integrity Information System (FAPIIS).

ii. An applicant, at its option, may review information in FAPIIS and comment on any information about itself that a federal awarding agency previously entered.

iii. FEMA will consider any comments by the applicant, in addition to the other information in FAPIIS, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing the review of risk posed by applicants as described in 2 C.F.R. § 200.206.

2. Review and Selection Process

a. *Selection Order*

FEMA will select subapplications up to the available funding amount of **$800 million** in the following order:

I. CAPABILITY AND CAPACITY BUILDING ACTIVITIES – UP TO $60 MILLION

Mitigation Plans under 42 U.S.C. 4104c(c)(3)(F)

FEMA will select highest ranked eligible subapplication(s) for the development or update of a Mitigation Plan(s) of $100,000 per applicant for mitigation plan with maximums of $50,000 for state mitigation plans, and $25,000 for local mitigation plans federal cost share. Mitigation Plan subapplications will be evaluated to ensure that the end result will provide benefits to the NFIP.

Technical Assistance by States to Communities (42 U.S.C. 4104c(c)(3)(J)

FEMA will select highest ranked eligible subapplication(s) for Technical Assistance by States to Communities of $50,000 per applicant. To be eligible to receive this funding, the applicant must have received an FY 2022 FMA award of at least $1 million federal cost share. Technical Assistance by States to Communities funding is provided to maintain a viable FMA program over time.

Project Scoping

FEMA will select the highest ranked eligible subapplication(s) for Project Scoping not to exceed $900,000 federal cost share per subapplicant. Project Scoping can be used to obtain data and to prioritize, select, and develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects based on current FEMA-approved mitigation plans. Project Scoping subapplications will be evaluated to ensure that the end result will lead to an eligible project subapplication that will provide benefits to the NFIP.

Consideration of Project Scoping early in the decision-making process can help facilitate the development of a viable project, as well as project implementation. FY 2023 Project Scoping projects are not eligible for FY 2023 Localized Flood Risk Reduction Project or Individual Flood Mitigation Project funding. There is no guarantee for future FMA project funding if Project Scoping is awarded.

All Project Scoping subapplications must submit a map and associated geospatial file(s) (e.g., shapefile, keyhole markup language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating the area that will benefit from the project. If a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

Additional Capability and Capacity Building Activities

FEMA will select the highest ranked eligible subapplication(s) for Additional Capability and Capacity Building Activities, not to exceed $300,000 federal cost share per subapplicant. Additional Capability and Capacity Building Activities, which enhance the knowledge, skills, expertise, etc., of the current workforce to expand or improve the administration of flood mitigation assistance. This includes activities in the following sub-categories: Partnership Development to Conduct Eligible Mitigation Activities, Enhancing Local Floodplain Management, SRL/RL Strategy Development, and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G).

All Additional Capability and Capacity Building Activities subapplications must submit a map and associated geospatial file(s) (e.g., shapefile, keyhole markup language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating the area that will benefit from the project. If a proposed benefiting area map is not provided, FEMA will default to the subapplicant jurisdiction to determine NFIP benefits, and CEJST for prioritization.

Please note, Mitigation Plans, Technical Assistance by States to Communities, Project Scoping, and Additional Capability and Capacity Building Activities subapplications have different funding caps indicated above.

a) CAPABILITY AND CAPACITY BUILDING ACTIVITIES PRIORITIZATION

All eligible Mitigation Plans and Technical Assistance by States to Communities subapplications will be funded based on eligibility.

FEMA will then select the remaining highest ranked eligible Capability and Capacity Building Activities subapplication(s) from each applicant according to the following hierarchical order: Project Scoping, and then Additional Capability and Capacity Building Activities (Partnership Development to Conduct Eligible Mitigation Activities; Enhancing Local Floodplain Management; SRL/RL Strategy Development; and other eligible Capability and Capacity Building Activities under 42 U.S.C. 4104c(c)(3)(G).

All Project Scoping and Additional Capability and Capacity Building Activities subapplications will be scored and selected based on the priorities in the following table,

as needed. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Capability and Capacity Building Activities		
Priority	**Description**	**Available Points**
Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42 U.S.C. § 5136(a)(1) and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications will receive 8 points if the C&CB Activities primarily benefits a Community Disaster Resilience Zone. OR Subapplications will receive 6 points if the C&CB Activities primarily benefits a Justice40 community. Full and partial points are assigned to this category.	Up to 8

Community Rating System (CRS) Participation	The CRS recognizes and encourages community floodplain-management activities that exceed the minimum National Flood Insurance Program standards. Depending on the level of participation, flood insurance premium rates for policyholders can be reduced by up to 45%. Subapplications will receive 3 points if they are a participant in CRS. No partial points are assigned to this category.	3
Cooperating Technical Assistance Partners Program (CTP) Participation	The CTP is a qualified partnership program in which communities commit to collaborate in maintaining up-to-date flood hazard maps and other flood hazard information. Subapplications will receive 3 points if they are a CTP participating community. No partial points are assigned to this category.	3
Public and Private-Sector Partnerships	FEMA encourages innovative use of public and private-sector partnerships, including incentivizing private organizations and businesses that partner with public organization to meet the non-federal cost share. Subapplication will receive 2 points if the subapplication incorporates partnerships (e.g., state, Tribal, private, local community, etc.) that will ensure the project meets community needs, including those of overburdened and underserved populations, and show the outcome of those partnerships (e.g., leveraging resources such as financial, material, and educational resources, coordinating multi-jurisdictional projects, heightened focus on equity related issues, etc). No partial points are assigned to this category.	2

In case of a tie, FEMA will use CEJST, Community Disaster Resilience Zone, or the total dollars in NFIP claims paid in the subapplicant's jurisdiction in the past 5 years as a tiebreaker for projects.

After meeting the **$60 million** available for Capability and Capacity Building Activities, or when all eligible Capability and Capacity Building Activities subapplications have been selected, FEMA will select eligible subapplications for the remaining funds in the following order.

II. LOCALIZED FLOOD RISK REDUCTION PROJECT – UP TO $520 MILLION

FEMA will then select the highest ranked eligible Localized Flood Risk Reduction Project subapplication(s) based on the FEMA scoring criteria below. In the event of a tie between two or more Localized Flood Risk Reduction Project subapplications, FEMA will use CEJST,

Community Disaster Resilience Zone, or the total dollars in NFIP claims paid in the subapplicant's jurisdiction in the past 5 years for the project benefiting area as a tiebreaker for projects. Each subapplication shall not exceed **$50 million** federal cost share.

FEMA will convene an internal review panel to ensure that projects will provide benefits to the NFIP, in accordance with 44 C.F.R. Part 77 and the 2023 Hazard Mitigation Assistance Program and Policy Guide. The Localized Flood Risk Reduction Project internal review panel will include experts from across FEMA to broaden understanding of project benefits. Panelists will consider Localized Flood Risk Reduction Project subapplications holistically to determine if the projects will provide benefits to the NFIP, including but not limited to, the context of the project scale, community scale, transformative mitigation potential, and alignment with the Administration's Justice40 Initiative.

All Localized Flood Risk Reduction Project subapplications must include the following elements:

- Demonstrate that the proposed project benefits NFIP insured properties by submitting a map and associated geospatial file(s) (e.g., shapefile, Keyhole Markup Language (KML/KMZ), geodatabase, list of census tracts, or other geo-enabled documents) delineating:
    - The proposed project location or footprint boundary,
    - Area with reduced flood risk or benefiting area (in alignment with Hydrologic and Hydraulic modeling, as available, except for Phase 1 projects), and
    - Active NFIP policies (if data is available).

Eligible activities must benefit NFIP insured properties. Examples include, but are not limited to:

- Localized flood control
- Floodwater storage and diversion
- Floodplain and stream restoration
- Stormwater management
- Wetland restoration/creation

Subapplications will be scored and selected based on the priorities in the following table, as needed. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Localized Flood Risk Reduction Project		
Priority	**Description**	**Available Points**

Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42U.S.C. § 5136(a)(1) and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications that primarily benefits a Community Disaster Resilience Zone, will receive 300 points. OR Subapplications that primarily benefits a Justice40 community, will receive 200 points. Full and partial points are assigned to this category.	Up to 300

National Flood Insurance Program (NFIP) Policy Holder	NFIP provides insurance to help reduce the socio-economic impact of floods. Flood insurance is a separate policy that can cover buildings, the contents in a building, or both. The NFIP provides flood insurance to property owners, renters, and businesses, and having this coverage helps them recover faster when floodwaters recede. Points will be assessed for every NFIP policy that is active as of the FMA application start date (Section D, Application and Submission Information, Key Dates and Times of this funding opportunity) and is verified within the benefiting area of the project. Full and partial points are assigned to this category.	2 points per NFIP Policy, up to 200 points
FMA and NFIP defined Severe Repetitive Loss (SRL) and Repetitive Loss (RL) Properties[19]	FMA aims to implement projects that reduce flood risks posed to repetitively flooded properties insured under the NFIP, and the disruption to life caused by repeated flooding of the same properties. Points will be assessed for all FMA and NFIP defined SRL and/or RL structures verified within the benefiting area of the project. Full and partial points are assigned to this category.	5 points per RL and 10 points per SRL, up to 175 points

[19] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

Consideration for Climate Change[20] and Other Future Conditions	FEMA works with state, local, Tribal, and territorial governments to build and deliver resources and capabilities that ensure the nation can withstand climate hazards of today and those we anticipate for tomorrow.[21] Applicants and subapplicants should use evidence-based, best-available climate data sets, information resources, and decision-support tools, including Federal resources, to identify current and future climate risks over the project's expected service life. Climate projections, emission scenarios, or other suitable scenario conditions should be specified based on the project's service life and applicant's risk tolerance, as appropriate and available. Applicants should document how their planned project design and operations are resilient to any identified current and future climate risks. Subapplications will receive 100 points if the project describes how it will enhance climate adaptation and resilience using the best available data, detail how the project is being responsive to the effects of climate change (such as sea level rise[22], increased rainfall, increased likelihood of flash flood due to wildfire, etc.) and/or other future conditions (population/demographic/land use, etc.), and cites data sources, assumptions, and models. No partial points are assigned to this category.	100

[20] Climate change is defined as "Changes in average weather conditions that persist over multiple decades or longer. Climate change encompasses both increases and decreases in temperature, as well as shifts in precipitation, changing risk of certain types of severe weather events, and changes to other features of the climate system." (Fourth National Climate Assessment)
[21] For more information on FEMA's Role in Addressing Climate Change, please reference FEMA and the Changing Climate.pdf
[22] Applicants and subapplicants may use any valid source that is based on recognized sea level rise estimation methods for sea level rise. Several federal government sources are available for relative sea level rise data along coastal areas. Some of these sources include, but are not limited to National Oceanic and Atmospheric Administration Center for Operational Oceanographic Products and Services' Mean Annual SLR Trend Data (https://tidesandcurrents.noaa.gov/sltrends/sltrends.html) and U.S. Army Corps of Engineers Sea-Level Change Curve Calculator (Version 2022.72) (https://cwbi-app.sec.usace.army.mil/rccslc/slcc_calc.html). Additional information, data, and resources on sea level rise are available at Sea Level Rise Technical Report: Download and FAQs (noaa.gov).

Incorporation of Nature-Based Solutions[23]	Nature-based solutions are actions to protect, sustainably manage, or restore natural or modified ecosystems to address societal challenges, simultaneously providing benefits for people and the environment. Refer to https://www.whitehouse.gov/wp-content/uploads/2022/11/Nature-Based-Solutions-Roadmap.pdf FEMA recognizes that strategies for nature-based solutions are diverse; one size does not fit all. As such, examples of nature-based solutions may include wetland restoration and protection; greenways; stormwater parks; floodplain restoration; rain gardens; green roofs; permeable pavement; coastal wetlands; and living shorelines. Subapplications will receive 100 points if the project incorporates nature-based solutions. No partial points are assigned to this category.	100
FEMA FMA Capability and Capacity Building (C&CB) Activities	FMA C&CB Activities are used to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP. Before FY 2022 FMA NOFO, C&CB Activities were referred to as hazard mitigation plans, technical assistance, and project scoping. Subapplications will receive 50 points if the project was generated from a previous FMA award. No partial points are assigned to this category.	50

[23] For more information on nature-based solutions, please reference Building Community Resilience with Nature-Based Solutions: A Guide for Local Communities and Nature-Based Solutions | FEMA.gov

Public and Private-Sector Partnerships	FEMA encourages innovative use of public and private-sector partnerships, including incentivizing private organizations and businesses that partner with public organization to meet the non-federal cost share. Subapplication will receive 25 points if the subapplication incorporates partnerships (e.g., state, Tribal, private, local community, etc.) that will ensure the project meets community needs, including those of overburdened and underserved populations, and show the outcome of those partnerships (e.g., leveraging resources such as financial, material, and educational resources, coordinating multi-jurisdictional projects, heightened focus on equity related issues, etc.). No partial points are assigned to this category.	25
Community Rating System (CRS) Participation	The CRS recognizes and encourages community floodplain-management activities that exceed the minimum National Flood Insurance Program standards. Depending on the level of participation, flood insurance premium rates for policyholders can be reduced up to 45%. Subapplications will receive 25 points if they are a participate in CRS. No partial points are assigned to this category.	25
Cooperating Technical Assistance Partners Program (CTP) Participation	The CTP is a qualified partnership program in which communities commit to collaborate in maintaining up-to-date flood hazard maps and other flood hazard information. Subapplications will receive 25 points if they are a CTP participating community. No partial points are assigned to this category.	25

After meeting the **$520 million** available for Localized Flood Risk Reduction Projects or when all eligible Localized Flood Risk Reduction Project subapplications have been selected, FEMA will select eligible subapplications for the remaining funds in the following order.

III. Individual Flood Mitigation Project – up to $220 million

FEMA will then select Individual Flood Mitigation Project subapplication(s) based on projects meeting the below FEMA scoring criteria. FEMA will select eligible Individual Flood Mitigation Project subapplications on a competitive basis in the following prioritized order:

Individual Flood Mitigation Projects that will mitigate flood damage to at least 75 percent of structures included in the subapplication that meet **ANY** of the following FMA and/or NFIP SRL and RL definitions in order by program priority:

1. Meet the FMA definition of an SRL property in 42 U.S.C. § 4104c(h)(3)(B)(ii): At least two separate NFIP claim payments have been made with the cumulative amount of such claims exceeding the market value of the insured structure.
2. Meet the FMA definition of an SRL property in 42 U.S.C. § 4104c(h)(3)(B)(i): four or more separate NFIP claims payments have been made with the amount of each claim exceeding $5,000, and with the cumulative amount of claims payments exceeding $20,000.
3. Meet the FMA definition of a RL property definition in 42 U.S.C. § 4121(a)(7): have incurred flood-related damage on two occasions, in which the cost of the repair, on the average, equaled or exceeded 25 percent of the market value of the structure at the time of each such flood event, and at the time of the second incidence of flood-related damage, the contract for flood insurance contains increased cost of compliance coverage.
4. Meet NFIP definition of an SRL property[24]: four or more separate NFIP claim payments of more than $5,000 each (including building and contents payments); or two or more separate claim payments (building payments only) where the total of the payments exceeds the current market value of the property.
5. Meet the NFIP definition of an RL property in Title 44 C.F.R. Part § 209.2: a structure covered by a contract for flood insurance under the National Flood Insurance Program (NFIP) that has incurred flood-related damage on two occasions during a 10-year period, each resulting in at least a $1,000 claim payment.

In the event requested funding exceeds **$220 million** funding for this priority, FEMA will prioritize subapplications based on:

- Count of properties meeting FMA and/or NFIP defined SRL and RL definitions in order by program priority (1-5) above, and
- Total dollars of all NFIP policy claims on record for all NFIP properties proposed for mitigation in the subapplication.

FEMA may rank subapplications lower where the average elevation federal cost share is greater than $250,000 for all single dwelling units or the average acquisition federal cost share is greater than $750,000 for all single dwelling units.

FEMA will further prioritize properties from subapplications if the building value of a single-family dwelling is less than $750,000, according to best available data, to ensure maximization of the number of NFIP-insured properties selected for mitigation projects in

[24] For the NFIP definition of an SRL property, refer to 42 U.S.C. § 4014(h); see FEMA, National Flood Insurance Program, Flood Insurance Manual, Appendix I, pg. 1, and Appendix L, pg. 8 (Apr. 2021); FEMA, National Flood Insurance Program, Community Rating System Coordinator's Manual, pg. 120-8 (2017).

accordance with 44 C.F.R. § 77.4(a). To determine the building value of a single-family dwelling, homeowners can refer to the Replacement Cost Value (RCV)[25] documented in the most recent claim. If no RCV is provided, then homeowners can refer to the Actual Cash Value (ACV)[26] as documented on the most recent claim. If an RCV or ACV for the structure is not available or includes errors, FEMA will evaluate properties on a case-by-case basis for removal from the subapplication.

If the structure does not have an RCV, then FEMA will consider the Actual Cash Value (ACV) of the structure, as listed on the most current claim of the property. If the structure has neither RCV nor ACV, FEMA will consider the assessed market value.

If available funding requires prioritization within one of the above priorities, FEMA will apply the Final Priority Scoring Criteria for Individual Mitigation Project below. FEMA may reconsider Single-family dwellings that are not selected.

IV. FEMA WILL SELECT REMAINING ELIGIBLE SUBAPPLICATIONS ONCE ALL ABOVE PRIORITIES ARE MET BASED ON BENEFITS TO THE NFIP.

FEMA will verify project eligibility. However, applicants should ensure that accurate NFIP policy numbers, and FMA and/or NFIP defined SRL and RL numbers are included in all subapplications. After FEMA selects all subapplications in prioritized order above, FEMA will use the Final Priority Scoring Criteria below to determine the selection order for the remaining subapplications. The subapplications will be selected based on cumulative score, from highest to lowest.

Final Priority Scoring Criteria for Individual Flood Mitigation Project		
Priority	**Description**	**Available Points**
Substantial Damage[27]	Substantial damage applies to a structure in a Special Flood Hazard Area – or floodplain – for which the total cost of repairs is 50 percent or more of the structure's market value before the disaster occurred, regardless of the cause of damage. This percentage rule can vary among jurisdictions. The decision about a structure being substantially damaged is made at the local community generally by a building-department official or floodplain manager. For communities that participate in the National Flood Insurance Program (NFIP), substantial damage determinations generally are required by local floodplain-management ordinances. These rules must be	10 points per Substantial Damage structure, no cap

[25] The cost to replace property with the same kind of material and construction without deduction for depreciation.
[26] The cost to replace an insured item of property at the time of loss, less the value of its physical depreciation.
[27] Damage of any origin sustained by a building whereby the cost of restoring the building to its before-damaged condition would equal or exceed 50 percent of the market value of the building before the damage occurred. (Hazard Mitigation Assistance Program and Policy Guide, 2023)

	in place for residents of a community to purchase flood insurance. The subapplication will receive 10 points per structure that is determined Substantially Damaged by the community within five (5) years of the Application Submission Deadline and a verification letter is included in the subapplication. Full points are assigned to this category and there is no point cap/limit.	
Justice40 Community or Community Disaster Resilience Zones	A Justice40 community, also referred as a disadvantaged community, is identified using the version 1.0 of the Climate and Economic Justice Screening Tool (CEJST). Justice40 communities are considered disadvantaged if they are in census tracts that meet the thresholds for at least one of the tool's categories of burden, or if they are on lands within the boundaries of federally recognized Tribes. In addition, census tracts that are completely surrounded by disadvantaged communities are also considered disadvantaged if they meet an adjusted low-income threshold (at or above the 50th percentile). Justice40 communities have been marginalized by society, overburdened by pollution, and/or underserved by infrastructure and other basic services. Further, all federally recognized Tribes or Tribal entities are Justice40 communities (whether or not they have land). A Community Disaster Resilience Zone is defined in 42 U.S.C. § 5136(a)(1), and all Community Disaster Resilience Zone are located in Justice40 communities. For a complete listing of FEMA identified Community Disaster Resilience Zones, refer to https://www.fema.gov/flood-maps/products-tools/national-risk-index/community-disaster-resilience-zones Subapplications that primarily benefits a Community Disaster Resilience Zone will receive 50 points. OR Subapplications that primarily benefits a Justice40 community will receive 35 points. Full and partial points are assigned to this category.	Up to 50 points
FMA and NFIP defined Severe Repetitive Loss	FMA aims to implement projects that reduce flood risks posed to repetitively flooded properties insured under the National Flood Insurance Program (NFIP), and the	Up to 30

(SRL) and Repetitive Loss (RL) Properties[28]	disruption to life caused by repeated flooding of the same properties. Points will be assessed for FMA and NFIP defined SRL and/or RL structures verified within the subapplication. Full and partial points are assigned to this category. • If greater than 35% of properties in the subapplication are SRL or RL, the subapplication will receive 30 points, or • If 25% - 35% of properties in the subapplication are SRL and/or RL, the subapplication will receive 15 points.	
FEMA FMA Capability and Capacity Building (C&CB) Activities	FMA C&CB Activities are used to develop future Localized Flood Risk Reduction Projects and/or Individual Flood Mitigation Projects that will subsequently reduce flood claims against the NFIP. Before FY 2022 FMA NOFO, C&CB Activities were referred to as hazard mitigation plans, technical assistance, and project scoping. Subapplications will receive 20 points if the project was generated from a previous FMA award. No partial points are assigned to this category.	20

FEMA may select any subapplication out of priority order based on one or more of the following factors:

- Availability of funding
- Duplication of subapplications
- Program priorities and policy factors
- Other pertinent information

Subapplications that have made it through the selections process but will not be funded due to the limited availability of FMA funding, may be reviewed by other FEMA grant programs for eligibility and alternative funding. Additional information may be requested to ensure all applicable programmatic eligibility criteria are met.

b. Selection Status

After FEMA has completed its review of all subapplications across Capability and Capacity Building Activities, Localized Flood Risk Reduction Project, and Individual Flood Mitigation Project, FEMA will assign each of them one of the following three statuses:

[28] Refer to Section E. Application Review Information, 2. Review and Selection Process, III. Individual Flood Mitigation Projects of this funding opportunity.

- **Identified for Further Review (IFFR)** – This means the subapplication is selected and there is available funding under the applicable subtotals. Additional information may be requested from the applicant at this stage that may impact eligibility. Identified for Further Review (IFFR) status does not automatically imply an award will be made.
- **Not Selected** – This means the subapplication is eligible but was not selected due to a lack of available funding under the applicable subtotals.
- **Does Not Meet HMA Requirements –** This means the subapplication does not satisfy the eligibility or completeness requirements outlined in the statute, policy, or Section C.3.

c. ***Request for Reconsideration***

At its discretion, and at the request of the applicant or subapplicant (through the applicant), FEMA may reconsider a decision regarding any subapplication that is Not Selected or Does Not Meet HMA Requirements only where there is an indication of substantive technical or procedural error that may have influenced FEMA's decision. There will be no reconsideration regarding the amount of planning subapplications, applicant management costs, or Technical Assistance costs. Applicants must send requests for reconsideration based on technical or procedural error to the FEMA Regional Office within 60 days of the posting of subapplication status. Subapplicants should contact their applicant agency regarding reconsideration requests, so that the applicant may submit it to the FEMA Regional Office on their behalf. Contact information for each State Hazard Mitigation Officer is provided at State Hazard Mitigation Officers | FEMA.gov.

The FEMA Regional Office will review reconsideration requests received from applicants and submit the Regional recommendation to FEMA Headquarters. FEMA Headquarters will make a final determination to overturn or uphold the original decision and send the response to the applicant.

Prior to making an award, FEMA will evaluate recipients to determine the level of risk when there is a history of failure to comply with general or specific terms and conditions of a federal award or failure to meet the expected performance goals. If FEMA determines that a federal award will be made, special conditions that correspond to the degree of risk assessed may be applied to the award, as specified in Part 8: Award Administrative Requirements, Section C: Assessment of Risk Posed by Recipient and Subrecipient Prior to Award of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

F. Federal Award Administration Information

1. Notice of Award

Before accepting the award, the AOR and recipient should carefully read the award package. The award package includes instructions on administering the grant award and the terms and conditions associated with responsibilities under federal awards. **Recipients must accept all**

conditions in this NOFO as well as any specific terms and conditions in the Notice of Award to receive an award under this program.

FEMA will provide the federal award package to the applicant electronically via FEMA GO. Award packages include an Award Letter, Summary Award Memo, Agreement Articles, and Obligating Document. An email notification of the award package will be sent through FEMA's grant application system to the Authorized Organization Representative (AOR) that submitted the application.

Recipients must accept their awards no later than 30 days from the award date. The recipient shall notify FEMA of its intent to accept and proceed with work under the award through the FEMA GO system.

Funds will remain on hold until the recipient accepts the award through the FEMA GO system and all other conditions of the award have been satisfied or until the award is otherwise rescinded. Failure to accept a grant award within the specified timeframe may result in a loss of funds.

When FEMA obligates funds for a grant to an applicant, the applicant and subapplicant are denoted as recipient and subrecipient, respectively. The recipient and subrecipient agree to abide by the grant award term and conditions as set forth in the Articles of Agreement provided in the award package. Recipients must accept all conditions in this NOFO as well as any Special Terms and Conditions.

FEMA or DHS may initiate a formal evaluation of programs, projects, or activities supported by this grant. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant (such as property owners), and providing access to program operating personnel and participants, as specified by the evaluator(s), including after the POP.

2. Administrative and National Policy Requirements

In addition to the requirements of in this section and in this NOFO, FEMA may place specific terms and conditions on individual awards in accordance with 2 C.F.R. Part 200.

a. *DHS Standard Terms and Conditions*

All successful applicants for DHS grant and cooperative agreements are required to comply with DHS Standard Terms and Conditions, which are available online at: DHS Standard Terms and Conditions.

The applicable DHS Standard Terms and Conditions will be those in effect at the time the award was made. What terms and conditions will apply for the award will be clearly stated in the award package at the time of award.

b. *Ensuring the Protection of Civil Rights*

As the Nation works towards achieving the National Preparedness Goal, it is important to continue to protect the civil rights of individuals. Recipients and subrecipients must carry out their programs and activities, including those related to the building, sustainment, and delivery of core capabilities, in a manner that respects and ensures the protection of civil rights for protected populations.

Federal civil rights statutes, such as Section 504 of the Rehabilitation Act of 1973 and Title VI of the Civil Rights Act of 1964, along with DHS and FEMA regulations, prohibit discrimination on the basis of race, color, national origin, sex, religion, age, disability, limited English proficiency, or economic status in connection with programs and activities receiving federal financial assistance from FEMA.

The DHS Standard Terms and Conditions include a fuller list of the civil rights provisions that apply to recipients. These terms and conditions can be found in the DHS Standard Terms and Conditions. Additional information on civil rights provisions is available at https://www.fema.gov/about/offices/equal-rights/civil-rights.

Monitoring and oversight requirements in connection with recipient compliance with federal civil rights laws are also authorized pursuant to 44 C.F.R. Part 7.

In accordance with civil rights laws and regulations, recipients and subrecipients must ensure the consistent and systematic fair, just, and impartial treatment of all individuals, including individuals who belong to underserved communities that have been denied such treatment.

c. ***Environmental Planning and Historic Preservation (EHP) Compliance***

As a federal agency, FEMA is required to consider the effects of its actions on the environment and historic properties to ensure that all activities and programs funded by FEMA, including grant-funded projects, comply with federal EHP laws, Executive Orders (EO), regulations, and policies, as applicable.

All FEMA actions, including grant-funded actions, must comply with National Flood Insurance Program criteria or any more restrictive federal, state, or local floodplain management standards or building code (44 CFR § 9.11(d)(6)).

All FEMA-funded non-critical actions in 1% annual chance floodplains (also known as 100-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated or floodproofed, at a minimum, to the lower of:

- Two feet above the 1% annual chance flood elevation (also known as the base flood elevation), in accordance with the Federal Flood Risk Management Standard (FFRMS) “Freeboard Value Approach” (FVA); or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least two feet above the 1% annual chance flood elevation.

All FEMA-funded critical actions in 1% annual chance floodplains or 0.2% annual chance floodplains (also known as 500-year floodplains) that involve structure elevation, mitigation reconstruction, dry floodproofing, new construction, repair of substantial damage or substantial improvement of structures must be elevated, at a minimum, to the higher of:

- Three feet above the 1% annual chance flood elevation; or
- The 0.2% annual chance flood elevation. Where 0.2% annual chance flood elevations are not available, such actions must be elevated to at least three feet above the 1% annual chance flood elevation.

See Executive Order 11988, *Floodplain Management*, as amended by Executive Order 13690, *Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input*, and the 2023 Hazard Mitigation Assistance Program and Policy Guide

Recipients and subrecipients proposing projects that have the potential to impact the environment, including, but not limited to, the construction of communication towers, modification or renovation of existing buildings, structures, and facilities, or new construction including replacement of facilities, must participate in the FEMA EHP review process. The EHP review process involves the submission of a detailed project description along with any supporting documentation requested by FEMA in order to determine whether the proposed project has the potential to impact environmental resources or historic properties.

In some cases, FEMA is also required to consult with other regulatory agencies and the public in order to complete the review process. Federal law requires EHP review to be completed before federal funds are released to carry out proposed projects. FEMA may not be able to fund projects that are not incompliance with applicable EHP laws, regulations, Executive Orders, and policies.

DHS and FEMA EHP policy is found in directives and instructions available on the FEMA.gov EHP page, the FEMA website page that includes documents regarding EHP responsibilities and program requirements, including implementation of the National Environmental Policy Act and other EHP laws, regulations and Executive Orders. Individual FEMA programs have separate procedures to conduct and document EHP review. Guidance for individual grant programs is available from applicable program offices.

Presidential EO 11988 and EO 11990: Protection of Wetlands require that all federal actions in or affecting the floodplain or wetlands be reviewed for opportunities to relocate, and be evaluated for social, economic, historical, environmental, legal and safety considerations. FEMA's regulations at 44 C.F.R. Part 9 implement the EOs and require an 8-step review process if a proposed action is located in a floodplain or wetland consistent with 44 C.FR. § 9.6.

The regulation also requires that the federal agency provide public notice of the proposed action at the earliest possible time to provide the opportunity for public involvement in the decision-making process (44 C.F.R. § 9.8). Where there is no opportunity to relocate the

federal action, FEMA is required to undertake a detailed review to determine what measures can be taken to minimize future damages to the floodplain or wetland.

Through this NOFO, FEMA is giving notice of projects that may be funded under the FMA program, consistent with the requirements of Section 9.8. The public is invited to participate in the process of identifying alternatives to locating a proposed project in the floodplain or wetland and analyzing the impacts of the alternatives on the floodplain or wetland. Comments may be provided by emailing ehphelpline@fema.dhs.gov within 15 days of its issuance. While analyzing alternatives, FEMA may determine there are no practicable alternatives to carrying out the proposed work within the floodplain or wetland. Relocating facilities may not be practicable and would adversely impact affected communities socially and economically.

In addition, no alternative actions may be practicable that serve the same purpose and have less potential to affect or be affected by the floodplain. The no action option would not be appropriate as it would fail to meet the purpose and need of the community. In the course of developing project proposals, subsequent public notices will be published, if necessary, as more specific information becomes available.

d. Construction Project Requirements

Acceptance of federal funding requires FEMA, the recipient, and any subrecipients to comply with all federal, state, and local laws and regulations prior to the start of any construction activity. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding. Also:

- Any change to the approved scope of work will require re-evaluation by FEMA for compliance with the NEPA and other laws and Executive Orders.

- If ground-disturbing activities occur during construction, the recipient and any subrecipients must ensure monitoring of ground disturbance, and if any potential archaeological resources are discovered, the subrecipient will immediately cease construction in that area and notify the recipient and FEMA.

    - All mitigation projects must be in in conformance with flood insurance requirements. This means that if the project is located in a SFHA: (a) the project must be in a jurisdiction participating in the NFIP; and (b) the property owner(s) must obtain and maintain flood insurance for the life of the structure, regardless of transfer of ownership, in an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the mitigated property, whichever is less.

3. Reporting

Recipients are required to submit various financial and programmatic reports as a condition of award acceptance. Future awards and funds drawdown may be withheld if these reports are delinquent.

a. *Financial Reporting Requirements*

I. Federal Financial Report (FFR)

Recipients must report obligations and expenditures through the FFR form (SF-425) to FEMA.

Recipients may review the Federal Financial Reporting Form (FFR) (SF-425) at https://www.grants.gov/web/grants/forms/post-award-reporting-forms.html#sortby=1.

Recipients must file the FFR electronically using FEMA GO.

II. FFR Reporting Periods and Due Dates

An FFR must be submitted quarterly throughout the POP, including partial calendar quarters, as well as in periods where no grant award activity occurs. The final FFR is due within 120 calendar days after the end of the POP. Future awards and fund drawdowns may be withheld if these reports are delinquent, demonstrate lack of progress, or are insufficient in detail.

Except for the final FFR due at 120 days after the end of the POP for purposes of closeout, the following reporting periods and due dates apply for the FFR:

Reporting Period	Report Due Date
October 1 – December 31	January 30
January 1 – March 31	April 30
April 1 – June 30	July 30
July 1 – September 30	October 30

b. *Programmatic Performance Reporting Requirements*

I. Performance Progress Report (PPR)

In addition to the FFR reports, recipients must report on the progress of the grant on a quarterly basis to DHS/FEMA using the Quarterly Performance Report in FEMA GO. The Quarterly Performance Reports must be submitted electronically in FEMA GO quarterly throughout the POP, including partial calendar quarters, as well as for periods where no grant award activity occurs. Reports are due within 30 days from the end of the first federal quarter following the initial grant award and thereafter until the grant ends.

c. *Closeout Reporting Requirements*

I. Closeout Reporting

Within 120 calendar days after the end of the period of performance for the prime award or after an amendment has been issued to close out an award before the original POP ends, recipients must liquidate all financial obligations and must submit the following:

i. The final request for payment, if applicable.
ii. The final FFR (SF-425).
iii. The final progress report detailing all accomplishments, including a narrative summary of the impact of those accomplishments throughout the period of performance.
iv. Other documents required by this NOFO, terms and conditions of the award, or other FEMA guidance.
v. An inventory of all construction projects that used funds from this program.

In addition, pass-through entities are responsible for closing out their subawards as described in 2 C.F.R. § 200.344; subrecipients are still required to submit closeout materials within 90 calendar days of the period of performance end date. When a subrecipient completes all closeout requirements, pass-through entities must promptly complete all closeout actions for subawards in time for the recipient to submit all necessary documentation and information to FEMA during the closeout of the prime award.

After the prime award closeout reports have been reviewed and approved by FEMA, a closeout notice will be completed to close out the grant. The notice will indicate the period of performance as closed, list any remaining funds that will be deobligated, and address the requirement of maintaining the grant records for at least three years from the date of the final FFR. The record retention period may be longer, such as due to an audit or litigation, for equipment or real property used beyond the period of performance, or due to other circumstances outlined in 2 C.F.R. § 200.334.

The recipient is responsible for refunding to FEMA any balances of unobligated cash that FEMA paid that are not authorized to be retained per 2 C.F.R. § 200.344(d).

II. Administrative Closeout

Administrative closeout is a mechanism for FEMA to unilaterally move forward with closeout of an award using available award information in lieu of final reports from the recipient per 2 C.F.R. § 200.344(h)-(i). It is a last resort available to FEMA, and if FEMA needs to administratively close an award, this may negatively impact a recipient's ability to obtain future funding. This mechanism can also require FEMA to make cash or cost adjustments and ineligible cost determinations based on the information it has, which may result in identifying a debt owed to FEMA by the recipient.

When a recipient is not responsive to FEMA's reasonable efforts to collect required reports needed to complete the standard closeout process, FEMA is required under 2 C.F.R. § 200.344(h) to start the administrative closeout process within the regulatory timeframe. FEMA will make at least three written attempts to collect required reports before initiating administrative closeout. If the recipient does not submit all required reports in accordance

with 2 C.F.R. § 200.344, this NOFO, and the terms and conditions of the award, FEMA must proceed to administratively close the award with the information available within one year of the period of performance end date. Additionally, if the recipient does not submit all required reports within one year of the period of performance end date, per 2 C.F.R. § 200.344(i), FEMA must report in FAPIIS the recipient's material failure to comply with the terms and conditions of the award.

If FEMA administratively closes an award where no final FFR has been submitted, FEMA uses that administrative closeout date in lieu of the final FFR submission date as the start of the record retention period under 2 C.F.R. § 200.334.

In addition, if an award is administratively closed, FEMA may decide to impose remedies for noncompliance per 2 C.F.R. § 200.339, consider this information in reviewing future award applications, or apply special conditions to existing or future awards.

d. ***Additional Reporting Requirements***

I. DISCLOSING INFORMATION PER 2 C.F.R. § 180.335

This reporting requirement pertains to disclosing information related to government-wide suspension and debarment requirements. Before a recipient enters into a grant award with FEMA, the recipient must notify FEMA if it knows if it or any of the recipient's principals under the award fall under one or more of the four criteria listed at 2 C.F.R. § 180.335:

i. Are presently excluded or disqualified;
ii. Have been convicted within the preceding three years of any of the offenses listed in 2 C.F.R. § 180.800(a) or had a civil judgment rendered against it or any of the recipient's principals for one of those offenses within that time period;
iii. Are presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses listed in 2 C.F.R. § 180.800(a); or
iv. Have had one or more public transactions (federal, state, or local) terminated within the preceding three years for cause or default.

At any time after accepting the award, if the recipient learns that it or any of its principals falls under one or more of the criteria listed at 2 C.F.R. § 180.335, the recipient must provide immediate written notice to FEMA in accordance with 2 C.F.R. § 180.350.

II. REPORTING OF MATTERS RELATED TO RECIPIENT INTEGRITY AND PERFORMANCE

Per 2 C.F.R. Part 200, Appendix I § F.3, the additional post-award reporting requirements in 2 C.F.R. Part 200, Appendix XII may apply to applicants who, if upon becoming recipients, have a total value of currently active grants, cooperative agreements, and procurement contracts from all federal awarding agencies that exceeds $10,000,000 for any period of time during the period of performance of an award under this funding opportunity.

Recipients that meet these criteria must maintain current information reported in FAPIIS about civil, criminal, or administrative proceedings described in paragraph 2 of Appendix XII at the reporting frequency described in paragraph 4 of Appendix XII.

III. SINGLE AUDIT REPORT

For audits of fiscal years beginning on or after December 26, 2014, recipients that expend $750,000 or more from all federal funding sources during their fiscal year are required to submit an organization-wide financial and compliance audit report, also known as the single audit report.

The audit must be performed in accordance with the requirements of U.S. Government Accountability Office's (GAO) Government Auditing Standards, located at https://www.gao.gov/yellowbook/overview, and the requirements of Subpart F of 2 C.F.R. Part 200, located at http://www.ecfr.gov/cgi-bin/text-idx?node=sp2.1.200.f.

4. Monitoring and Oversight

Per 2 C.F.R. § 200.337, FEMA, through its authorized representatives, has the right, at all reasonable times, to make site visits or conduct desk reviews to review project accomplishments and management control systems to review award progress and to provide any required technical assistance. During site visits or desk reviews, FEMA will review recipients' files related to the award. As part of any monitoring and program evaluation activities, recipients must permit FEMA, upon reasonable notice, to review grant-related records and to interview the organization's staff and contractors regarding the program. Recipients must respond in a timely and accurate manner to FEMA requests for information relating to the award.

Effective monitoring and oversight help FEMA ensure that recipients use grant funds for their intended purpose(s); verify that projects undertaken are consistent with approved plans; and ensure that recipients make adequate progress toward stated goals and objectives.

Additionally, monitoring serves as the primary mechanism to ensure that recipients comply with applicable laws, rules, regulations, program guidance, and requirements. FEMA regularly monitors all grant programs both financially and programmatically in accordance with federal laws, regulations (including 2 C.F.R. Part 200), program guidance, and the terms and conditions of the award. All monitoring efforts ultimately serve to evaluate progress towards grant goals and proactively target and address issues that may threaten grant success during the period of performance.

FEMA staff will periodically monitor recipients to ensure that administrative processes, policies and procedures, budgets, and other related award criteria are meeting Federal Government-wide and FEMA regulations. Aside from reviewing quarterly financial and programmatic reports, FEMA may also conduct enhanced monitoring through either desk-based reviews, onsite monitoring visits, or both. Enhanced monitoring will involve the review and analysis of the financial compliance and administrative processes, policies,

activities, and other attributes of each federal assistance award, and it will identify areas where the recipient may need technical assistance, corrective actions, or other support.

Financial and programmatic monitoring are complementary processes within FEMA's overarching monitoring strategy that function together to ensure effective grants management, accountability, and transparency; validate progress against grant and program goals; and safeguard federal funds against fraud, waste, and abuse. Financial monitoring primarily focuses on statutory and regulatory compliance with administrative grant requirements, while programmatic monitoring seeks to validate and assist in grant progress, targeting issues that may be hindering achievement of project goals and ensuring compliance with the purpose of the grant and grant program. Both monitoring processes are similar in that they feature initial reviews of all open awards, and additional, in-depth monitoring of grants requiring additional attention.

Recipients and subrecipients who are pass-through entities are responsible for monitoring their subrecipients in a manner consistent with the terms of the federal award at 2 C.F.R. Part 200, including 2 C.F.R. § 200.332. This includes the pass-through entity's responsibility to monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with federal statutes, regulations, and the terms and conditions of the subaward; and that subaward performance goals are achieved.

In terms of overall award management, recipient and subrecipient responsibilities include, but are not limited to: accounting of receipts and expenditures, cash management, maintaining adequate financial records, reporting and refunding expenditures disallowed by audits, monitoring if acting as a pass-through entity, or other assessments and reviews, and ensuring overall compliance with the terms and conditions of the award or subaward, as applicable, including the terms of 2 C.F.R. Part 200.

By accepting the award, all recipients agree to participate in monitoring or an evaluation of this grant, which may include analysis of the impact and providing access to program operating personnel and participants, as specified by the evaluator(s). FEMA, through the FMA program, encourages investments to protect communities and infrastructure. As part of performance evaluation and monitoring efforts, FEMA will conduct a series of grant effectiveness and cost-effectiveness case studies jointly with FMA recipients to highlight how recipients and subrecipients have used the FMA funds to increase resilience from natural hazards in their jurisdictions.

FEMA will not provide additional federal funding in the event of a cost overrun.

G. DHS Awarding Agency Contact Information

1. Contact and Resource Information

a. ***Program Office Contact***
General questions about the FMA program can be directed to the appropriate FEMA Regional Office or State Hazard Mitigation Officer. Contact information for FEMA Regional Offices is provided at https://www.fema.gov/about/contact. Contact information for the State

Hazard Mitigation Officers is provided at https://www.fema.gov/state-hazard-mitigation-officers.

The HMA Helpline is available by telephone 1-866-222-3580.

For questions about cost-effectiveness and FEMA's BCA software, contact the BC Helpline by telephone 1-855-540-6744 or email BCHelpline@fema.dhs.gov.

The Building Science Helpline is available for guidance on FEMA Building Science publications by email FEMA-BuildingScienceHelp@fema.dhs.gov.

For questions about NEPA or EHP requirements, the EHP Helpline is available by telephone 1-866-222-3580 or email ehhelpline@fema.dhs.gov.

Resources and job aids intended to help prepare applications and subapplications are available on FEMA's Hazard Mitigation Assistance webpage at https://www.fema.gov/grants/mitigation.

Resources intended to help applicants and subapplicants prepare hazard mitigation plans and planning grants are available on FEMA's Mitigation planning webpage at https://www.fema.gov/emergency-managers/risk-management/hazard-mitigation-planning

FEMA publications that specify the documentation and information necessary for FEMA to review project applications for feasibility and effectiveness, cost-effectiveness, and potential impacts on environmental and cultural resources are available on the FEMA website at https://www.fema.gov/grants/guidance-tools.

b. ***FEMA Grants News***

FEMA Grants News is a non-emergency comprehensive management and information resource developed by FEMA for grants stakeholders. This channel provides general information on all FEMA grant programs and maintains a comprehensive database containing key personnel contact information at the federal, state, and local levels. When necessary, recipients will be directed to a federal point of contact who can answer specific programmatic questions or concerns. FEMA Grants Information Desk can be reached by e-mail at fema-grants-news@fema.dhs.gov OR by phone at (800) 368-6498, Monday through Friday, 9:00 AM – 5:00 PM ET.

c. ***FEMA Regional Offices***

FEMA Regional Offices manage, administer, and conduct the application budget review, create the award package, approve, amend, and close out awards, as well as conduct cash analysis, financial and programmatic monitoring, and audit resolution for FMA. The Regions also provide technical assistance to FMA recipients.

FEMA Regional Office contact information is available at https://www.fema.gov/fema-regional-contacts.

d. ***Equal Rights***

The FEMA Office of Equal Rights (OER) is responsible for compliance with and enforcement of federal civil rights obligations in connection with programs and services conducted by FEMA and recipients of FEMA financial assistance. All inquiries and communications about federal civil rights compliance for FEMA grants under this NOFO should be sent to FEMA-CivilRightsOffice@fema.dhs.gov.

e. ***Environmental Planning and Historic Preservation***

The FEMA Office of Environmental Planning and Historic Preservation (OEHP) provides guidance and information about the EHP review process to FEMA programs and FEMA's recipients and subrecipients. All inquiries and communications about EHP compliance for FEMA grant projects under this NOFO or the EHP review process should be sent to FEMA-OEHP- NOFOQuestions@fema.dhs.gov.

2. Systems Information

a. ***FEMA GO***

For technical assistance with the FEMA GO system, please contact the FEMA GO Helpdesk at femago@fema.dhs.gov or (877) 611-4700, Monday through Friday, 8:00 AM – 6:00 PM ET.

H. Additional Information

1. Termination Provisions

FEMA may terminate a federal award in whole or in part for one of the following reasons. FEMA and the recipient must still comply with closeout requirements at 2 C.F.R. §§ 200.344-200.345 even if an award is terminated in whole or in part. To the extent that subawards are permitted under this NOFO, pass-through entities should refer to 2 C.F.R. § 200.340 for additional information on termination regarding subawards.

a. ***Noncompliance***

If a recipient fails to comply with the terms and conditions of a federal award, FEMA may terminate the award in whole or in part. If the noncompliance can be corrected, FEMA may first attempt to direct the recipient to correct the noncompliance. This may take the form of a Compliance Notification. If the noncompliance cannot be corrected or the recipient is non-responsive, FEMA may proceed with a Remedy Notification, which could impose a remedy for noncompliance per 2 C.F.R. § 200.339, including termination. Any action to terminate based on noncompliance will follow the requirements of 2 C.F.R. §§ 200.341-200.342 as well as the requirement of 2 C.F.R. § 200.340(c) to report in FAPIIS the recipient's material failure to comply with the award terms and conditions. See also the section on Actions to Address Noncompliance in this NOFO.

b. ***With the Consent of the Recipient***

FEMA may also terminate an award in whole or in part with the consent of the recipient, in which case the parties must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated.

c. *Notification by the Recipient*

The recipient may terminate the award, in whole or in part, by sending written notification to FEMA setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. In the case of partial termination, FEMA may determine that a partially terminated award will not accomplish the purpose of the federal award, so FEMA may terminate the award in its entirety. If that occurs, FEMA will follow the requirements of 2 C.F.R. §§ 200.341-200.342 in deciding to fully terminate the award.

2. Program Evaluation

Recipients and subrecipients are encouraged to incorporate program evaluation activities from the outset of their program design and implementation to meaningfully document and measure their progress towards meeting the project(s) goals. Title I of the Foundations for Evidence-Based Policymaking Act of 2018 (Evidence Act), Pub. L. No. 115-435 (2019) urges federal awarding agencies and federal assistance recipients and subrecipients to use program evaluation as a critical tool to learn, to improve equitable delivery, and to elevate program service and delivery across the program lifecycle. Evaluation means "an assessment using systematic data collection and analysis of one or more programs, policies, and organizations intended to assess their effectiveness and efficiency." Evidence Act § 101 (codified at 5 U.S.C. § 311). Evaluation costs are allowable costs (either as direct or indirect), unless prohibited by statute or regulation.

In addition, recipients are required to participate in a DHS-led evaluation if selected, which may be carried out by a third-party on behalf of the Program Office or DHS. By accepting grant funds, recipients agree to participate in the evaluation, which may include analysis of individuals who benefit from the grant, and provide access to program operating personnel and participants, as specified by the evaluator(s) during the award.

3. Period of Performance Extensions

Extensions to the period of performance (POP) for this program are allowed. Extensions to the POP identified in the award will only be considered through formal, written requests to the recipient's FEMA Regional Office and must contain specific and compelling justifications as to why an extension is required. Recipients are advised to coordinate with the FEMA Regional Hazard Mitigation Assistance Specialist as needed when preparing an extension request.

All extension requests must address the following:

a. The grant program, fiscal year, and award number;
b. Reason for the delay –including details of the legal, policy, or operational challenges that prevent the final outlay of awarded funds by the deadline;

c. Current status of the activity(ies);
d. Approved POP termination date and new project completion date;
e. Amount of funds drawn down to date;
f. Remaining available funds, both federal and, if applicable, non-federal;
g. Budget outlining how remaining federal and, if applicable, non-federal funds will be expended;
h. Plan for completion, including milestones and timeframes for achieving each milestone and the position or person responsible for implementing the plan for completion; and
i. Certification that the activity(ies) will be completed within the extended POP without any modification to the original statement of work, as described in the application and as approved by FEMA.

Extension requests will be granted only due to compelling legal, policy, or operational challenges. Extension requests will only be considered for the following reasons:

- Contractual commitments by the recipient or subrecipient with vendors prevent completion of the project, including delivery of equipment or services, within the existing POP;
- The project must undergo a complex environmental review that cannot be completed within the existing POP;
- Projects are long-term by design, and therefore acceleration would compromise core programmatic goals; or
- Where other special or extenuating circumstances exist.

Recipients should submit all proposed extension requests to FEMA for review and approval at least 60 days prior to the end of the POP to allow sufficient processing time.

Based on sufficiency of justification, the FEMA Regional Administrator can issue up to two extensions of the POP for up to 12 months each.

4. Disability Integration

Pursuant to Section 504 of the Rehabilitation Act of 1973, recipients of FEMA financial assistance must ensure that their programs and activities do not discriminate against other qualified individuals with disabilities.

Grant recipients should engage with the whole community to advance individual and community preparedness and to work as a nation to build and sustain resilience. In doing so, recipients are encouraged to consider the needs of individuals with disabilities into the activities and projects funded by the grant.

FEMA expects that the integration of the needs of people with disabilities will occur at all levels, including planning; alerting, notification, and public outreach; training; purchasing of equipment and supplies; protective action implementation; and exercises/drills.

The following are examples that demonstrate the integration of the needs of people with disabilities in carrying out FEMA awards:

- Include representatives of organizations that work with/for people with disabilities on planning committees, work groups and other bodies engaged in development and implementation of the grant programs and activities.
- Hold all activities related to the grant in locations that are accessible to persons with physical disabilities to the extent practicable.
- Acquire language translation services, including American Sign Language, that provide public information across the community and in shelters.
- Ensure shelter-specific grant funds are in alignment with FEMA's Guidance on Planning for Integration of Functional Needs Support Services in General Population Shelters.
- If making alterations to an existing building to a primary function area utilizing federal funds, complying with the most recent codes and standards and making path of travel to the primary function area accessible to the greatest extent possible.
- Implement specific procedures used by public transportation agencies that include evacuation and passenger communication plans and measures for individuals with disabilities.
- Identify, create, and deliver training to address any training gaps specifically aimed toward whole-community preparedness. Include and interact with individuals with disabilities, aligning with the designated program capability.
- Establish best practices in inclusive planning and preparedness that consider physical access, language access, and information access. Examples of effective communication access include providing auxiliary aids and services such as sign language interpreters, Computer Aided Real-time Translation (CART), and materials in Braille or alternate formats.

FEMA grant recipients can fund projects towards the resiliency of the whole community, including people with disabilities, such as training, outreach and safety campaigns, provided that the project aligns with this NOFO and the terms and conditions of the award.

5. Conflicts of Interest in the Administration of Federal Awards or Subawards

For conflicts of interest under grant-funded procurements and contracts, refer to the section on Procurement Integrity in this NOFO and 2 C.F.R. §§ 200.317 – 200.327.

To eliminate and reduce the impact of conflicts of interest in the subaward process, recipients and pass-through entities must follow their own policies and procedures regarding the elimination or reduction of conflicts of interest when making subawards. Recipients and pass-through entities are also required to follow any applicable federal and state, local, tribal, or territorial (SLTT) statutes or regulations governing conflicts of interest in the making of subawards.

The recipient or pass-through entity must disclose to the respective Program Analyst or Program Manager, in writing, any real or potential conflict of interest that may arise during the administration of the federal award, as defined by the federal or SLTT statutes or regulations or their own existing policies, within five days of learning of the conflict of interest. Similarly, subrecipients, whether acting as subrecipients or as pass-through entities, must disclose any real or potential conflict of interest to the recipient or next-level pass-

through entity as required by the recipient or pass-through entity's conflict of interest policies, or any applicable federal or SLTT statutes or regulations.

Conflicts of interest may arise during the process of FEMA making a federal award in situations where an employee, officer, or agent, any members of his or her immediate family, his or her partner has a close personal relationship, a business relationship, or a professional relationship, with an applicant, subapplicant, recipient, subrecipient, or FEMA employees.

6. Procurement Integrity

Through audits conducted by the DHS Office of Inspector General (OIG) and FEMA grant monitoring, findings have shown that some FEMA recipients have not fully adhered to the proper procurement requirements at 2 C.F.R. §§ 200.317 – 200.327 when spending grant funds. Anything less than full compliance with federal procurement requirements jeopardizes the integrity of the grant as well as the grant program. To assist with determining whether an action is a procurement or instead a subaward, please consult 2 C.F.R. § 200.331. For detailed guidance on the federal procurement standards, recipients and subrecipients should refer to various materials issued by FEMA's Procurement Disaster Assistance Team (PDAT), such as the PDAT Field Manual and Contract Provisions Guide. Additional resources, including an upcoming trainings schedule can be found on the PDAT Website: https://www.fema.gov/grants/procurement.

The below highlights the federal procurement requirements for FEMA recipients when procuring goods and services with federal grant funds. FEMA will include a review of recipients' procurement practices as part of the normal monitoring activities. **All procurement activity must be conducted in accordance with federal procurement standards at 2 C.F.R. §§ 200.317 – 200.327.** Select requirements under these standards are listed below. The recipient and any of its subrecipients must comply with all requirements, even if they are not listed below.

Under 2 C.F.R. § 200.317, when procuring property and services under a federal award, states (including territories) must follow the same policies and procedures they use for procurements from their non-federal funds; additionally, states must now follow 2 C.F.R. § 200.321 regarding socioeconomic steps, 200.322 regarding domestic preferences for procurements, 200.323 regarding procurement of recovered materials, and 2 C.F.R. § 200.327 regarding required contract provisions.

All other non-federal entities, such as tribes (collectively, non-state entities), must have and use their own documented procurement procedures that reflect applicable SLTT laws and regulations, provided that the procurements conform to applicable federal law and the standards identified in 2 C.F.R. Part 200. These standards include, but are not limited to, providing for full and open competition consistent with the standards of 2 C.F.R. § 200.319 and the required procurement methods at § 200.320.

a. *Important Changes to Procurement Standards in 2 C.F.R. Part 200*

OMB recently updated various parts of Title 2 of the Code of Federal Regulations, among them, the procurement standards. States are now required to follow the socioeconomic steps in soliciting small and minority businesses, women's business enterprises, and labor surplus area firms per 2 C.F.R. § 200.321. All non-federal entities should also, to the greatest extent practicable under a federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States per 2 C.F.R. § 200.322. More information on OMB's revisions to the federal procurement standards can be found in Purchasing Under a FEMA Award: OMB Revisions Fact Sheet.

The recognized procurement methods in 2 C.F.R. § 200.320 have been reorganized into informal procurement methods, which include micro-purchases and small purchases; formal procurement methods, which include sealed bidding and competitive proposals; and noncompetitive procurements. The federal micro-purchase threshold is currently $10,000, and non-state entities may use a lower threshold when using micro-purchase procedures under a FEMA award. If a non-state entity wants to use a micro-purchase threshold higher than the federal threshold, it must follow the requirements of 2 C.F.R. § 200.320(a)(1)(iii)-(v). The federal simplified acquisition threshold is currently $250,000, and a non-state entity may use a lower threshold but may not exceed the federal threshold when using small purchase procedures under a FEMA award. *See* 2 C.F.R. § 200.1 (citing the definition of simplified acquisition threshold from 48 C.F.R. Part 2, Subpart 2.1).

See 2 C.F.R. §§ 200.216, 200.471, and Appendix II as well as section D.13.a of the NOFO regarding prohibitions on covered telecommunications equipment or services.

b. ***Competition and Conflicts of Interest***

Among the requirements of 2 C.F.R. § 200.319(b) applicable to all non-federal entities other than states, in order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, or invitations for bids or requests for proposals must be excluded from competing for such procurements. FEMA considers these actions to be an organizational conflict of interest and interprets this restriction as applying to contractors that help a non-federal entity develop its grant application, project plans, or project budget. This prohibition also applies to the use of former employees to manage the grant or carry out a contract when those former employees worked on such activities while they were employees of the non-federal entity.

Under this prohibition, unless the non-federal entity solicits for and awards a contract covering both development and execution of specifications (or similar elements as described above), and this contract was procured in compliance with 2 C.F.R. §§ 200.317 – 200.327, federal funds cannot be used to pay a contractor to carry out the work if that contractor also worked on the development of those specifications. This rule applies to all contracts funded with federal grant funds, including pre-award costs, such as grant writer fees, as well as post-award costs, such as grant management fees.

Additionally, some of the situations considered to be restrictive of competition include, but are not limited to:

- Placing unreasonable requirements on firms for them to qualify to do business;
- Requiring unnecessary experience and excessive bonding;
- Noncompetitive pricing practices between firms or between affiliated companies;
- Noncompetitive contracts to consultants that are on retainer contracts;
- Organizational conflicts of interest;
- Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance or other relevant requirements of the procurement; and
- Any arbitrary action in the procurement process.

Per 2 C.F.R. § 200.319(c), non-federal entities other than states must conduct procurements in a manner that prohibits the use of statutorily or administratively imposed SLTT geographical preferences in the evaluation of bids or proposals, except in those cases where applicable federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts state licensing laws. When contracting for architectural and engineering services, geographic location may be a selection criterion provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

Under 2 C.F.R. § 200.318(c)(1), non-federal entities other than states are required to maintain written standards of conduct covering conflicts of interest and governing the actions of their employees engaged in the selection, award, and administration of contracts. **No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest.**

Such conflicts of interest would arise when the employee, officer or agent, any member of his or her immediate family, his or her partner, or an organization that employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of the non-federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-federal entities may set standards for situations in which the financial interest is not substantial, or the gift is an unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-federal entity.

Under 2 C.F.R. 200.318(c)(2), if the recipient or subrecipient (other than states) has a parent, affiliate, or subsidiary organization that is not a state, local, tribal, or territorial government, the non-federal entity must also maintain written standards of conduct covering organizational conflicts of interest. In this context, organizational conflict of interest means that because of a relationship with a parent company, affiliate, or subsidiary organization, the non-federal entity is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization. The non-federal entity must disclose in writing any potential conflicts of interest to FEMA or the pass-through entity in accordance with applicable FEMA policy.

c. *Supply Schedules and Purchasing Programs*

Generally, a non-federal entity may seek to procure goods or services from a federal supply schedule, state supply schedule, or group purchasing agreement.

d. Prohibition on Use of Funds to Support or Oppose Union Organizing

A recipient or subrecipient may not use federal grant funds or funds used to meet a cost share requirement to support or oppose union organizing. Using grant or cost share funds to hire unionized workers does not constitute a violation of this prohibition on use of funds to support or oppose union organizing.

I. GENERAL SERVICES ADMINISTRATION SCHEDULES

States, tribes, and local governments, and any instrumentality thereof (such as local education agencies or institutions of higher education) may procure goods and services from a General Services Administration (GSA) schedule. GSA offers multiple efficient and effective procurement programs for state, tribal, and local governments, and instrumentalities thereof, to purchase products and services directly from pre-vetted contractors. The GSA Schedules (also referred to as the Multiple Award Schedules and the Federal Supply Schedules) are long-term government-wide contracts with commercial firms that provide access to millions of commercial products and services at volume discount pricing.

Information about GSA programs for states, tribes, and local governments, and instrumentalities thereof, can be found at https://www.gsa.gov/resources-for/programs-for-State-and-local-governments and https://www.gsa.gov/buying-selling/purchasing-programs/gsa-schedules/schedule-buyers/state-and-local-governments.

For tribes, local governments, and their instrumentalities that purchase off of a GSA schedule, this will satisfy the federal requirements for full and open competition provided that the recipient follows the GSA ordering procedures; however, tribes, local governments, and their instrumentalities will still need to follow the other rules under 2 C.F.R. §§ 200.317 – 200.327, such as solicitation of minority businesses, women's business enterprises, small businesses, or labor surplus area firms (§ 200.321), domestic preferences (§ 200.322), contract cost and price (§ 200.324), and required contract provisions (§ 200.327 and Appendix II).

II. OTHER SUPPLY SCHEDULES AND PROGRAMS

For non-federal entities other than states, such as tribes, local governments, and nonprofits, that want to procure goods or services from a state supply schedule, cooperative purchasing program, or other similar program, in order for such procurements to be permissible under federal requirements, the following must be true:

- The procurement of the original contract or purchasing schedule and its use by the non-federal entity complies with state and local law, regulations, and written procurement procedures;

- The state or other entity that originally procured the original contract or purchasing schedule entered into the contract or schedule with the express purpose of making it available to the non-federal entity and other similar types of entities;
- The contract or purchasing schedule specifically allows for such use, and the work to be performed for the non-federal entity falls within the scope of work under the contract as to type, amount, and geography;
- The procurement of the original contract or purchasing schedule complied with all the procurement standards applicable to a non-federal entity other than states under at 2 C.F.R. §§ 200.317 – 200.327; and
- With respect to the use of a purchasing schedule, the non-federal entity must follow ordering procedures that adhere to applicable state, tribal, and local laws and regulations and the minimum requirements of full and open competition under 2 C.F.R. Part 200.

If a non-federal entity other than a state seeks to use a state supply schedule, cooperative purchasing program, or other similar type of arrangement, FEMA recommends the recipient discuss the procurement plans with its FEMA Regional Grants Management Specialist.

d. ***Procurement Documentation***

Per 2 C.F.R. § 200.318(i), non-federal entities other than states and territories are required to maintain and retain records sufficient to detail the history of procurement covering at least the rationale for the procurement method, selection of contract type, contractor selection or rejection, and the basis for the contract price. States and territories are encouraged to maintain and retain this information as well and are reminded that in order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g).

Examples of the types of documents that would cover this information include but are not limited to:

- Solicitation documentation, such as requests for quotes, invitations for bids, or requests for proposals;
- Responses to solicitations, such as quotes, bids, or proposals;
- Pre-solicitation independent cost estimates and post-solicitation cost/price analyses on file for review by federal personnel, if applicable;
- Contract documents and amendments, including required contract provisions; and
- Other documents required by federal regulations applicable at the time a grant is awarded to a recipient.

Additional information on required procurement records can be found on pages 24-26 of the PDAT Field Manual.

7. Financial Assistance Programs for Infrastructure

a. ***Build America, Buy America Act***

Recipients and subrecipients must comply with the Build America, Buy America Act (BABAA), which was enacted as part of the Infrastructure Investment and Jobs Act §§ 70901-70927, Pub. L. No. 117-58 (2021); and Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers. See also Office of Management and Budget (OMB), Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure.

None of the funds provided under this program may be used for a project for infrastructure unless the iron and steel, manufactured products, and construction materials used in that infrastructure are produced in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

To see whether a particular FEMA federal financial assistance program is considered an infrastructure program and thus required to include a Buy America preference, please see Programs and Definitions: Build America, Buy America Act | FEMA.gov.

Waivers

When necessary, recipients (and subrecipients through their pass-through entity) may apply for, and FEMA may grant, a waiver from these requirements. A waiver of the domestic content procurement preference may be granted by the agency awarding official if FEMA determines that:

a. Applying the domestic content procurement preference would be inconsistent with the public interest.

b. The types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality.

c. The inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25%.
For FEMA awards, the process for requesting a waiver from the Buy America preference requirements can be found on FEMA's website at: "Buy America" Preference in FEMA Financial Assistance Programs for Infrastructure | FEMA.gov.

Definitions

Construction materials: an article, material, or supply—other than an item primarily of iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives—that is or consists primarily of non-ferrous metals, plastic and polymer-based products (including polyvinylchloride,

composite building materials, and polymers used in fiber optic cables), glass (including optic glass), lumber, paint, and drywall.

Domestic content procurement preference: Means all iron and steel used in the project are produced in the United States; the manufactured products used in the project are produced in the United States; or the construction materials used in the project are produced in the United States.

Federal financial assistance: Generally defined in 2 C.F.R. § 200.1 and includes all expenditures by a federal agency to a non-federal entity for an infrastructure project, except that it does not include expenditures for assistance authorities relating to major disasters or emergencies under sections 402, 403, 404, 406, 408, or 502 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act relating to a major disaster or emergency declared under section 401 or 501, respectively, or pre and post disaster or emergency response expenditures.

Infrastructure: infrastructure projects which serve a public function, including at a minimum, the structures, facilities, and equipment for, in the United States, roads, highways, and bridges; public transportation; dams, ports, harbors, and other maritime facilities; intercity passenger and freight railroads; freight and intermodal facilities; airports; water systems, including drinking water and wastewater systems; electrical transmission facilities and systems; utilities; broadband infrastructure; and buildings and real property; and structures, facilities, and equipment that generate, transport, and distribute energy.

Produced in the United States means the following for:

- Iron and steel: All manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.
- Manufactured products: The product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation.
- Construction Materials: All manufacturing processes for the construction material occurred in the United States.

Project: is any activity related to the construction, alteration, maintenance, or repair of infrastructure in the United States.

8. Record Retention

a. *Record Retention Period*

Financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a federal award generally must be maintained for at least three years from the date the final FFR is submitted. *See* 2 C.F.R. § 200.334. Further, if the recipient

does not submit a final FFR and the award is administratively closed, FEMA uses the date of administrative closeout as the start of the general record retention period.

The record retention period **may be longer than three years or have a different start date** in certain cases. These include:

- Records for real property and equipment acquired with Federal funds must be retained for **three years after final disposition of the property**. *See* 2 C.F.R. § 200.334(c).
- If any litigation, claim, or audit is started before the expiration of the three-year period, the records **must be retained until** all litigation, claims, or audit findings involving the records **have been resolved and final action taken**. *See* 2 C.F.R. § 200.334(a).
- The **record retention period will be extended if the non-federal entity is notified in writing** of the extension by FEMA, the cognizant or oversight agency for audit, or the cognizant agency for indirect costs, or pass-through entity. *See* 2 C.F.R. § 200.334(b).
- Where FEMA requires recipients to report program income after the period of performance ends, the **program income record retention period begins at the end of the recipient's fiscal year in which program income is earned**. *See* 2 C.F.R. § 200.334(e).
- For indirect cost rate computations and proposals, cost allocation plans, or any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates), the start of the record retention period depends on whether the indirect cost rate documents were submitted for negotiation. If the **indirect cost rate documents were submitted for negotiation, the record retention period begins from the date those documents were submitted** for negotiation. If indirect cost rate documents were **not submitted for negotiation, the record retention period begins at the end of the recipient's fiscal year or other accounting period covered by that indirect cost rate**. *See* 2 C.F.R. § 200.334(f).

b. ***Types of Records to Retain***

FEMA requires that non-federal entities maintain the following documentation for federally funded purchases:

- Specifications
- Solicitations
- Competitive quotes or proposals
- Basis for selection decisions
- Purchase orders
- Contracts
- Invoices
- Cancelled checks

Non-federal entities should keep detailed records of all transactions involving the grant. FEMA may at any time request copies of any relevant documentation and records, including

purchasing documentation along with copies of cancelled checks for verification. *See, e.g.*, 2 C.F.R. §§ 200.318(i), 200.334, 200.337.

In order for any cost to be allowable, it must be adequately documented per 2 C.F.R. § 200.403(g). Non-federal entities who fail to fully document all purchases may find their expenditures questioned and subsequently disallowed.

9. Actions to Address Noncompliance

Non-federal entities receiving financial assistance funding from FEMA are required to comply with requirements in the terms and conditions of their awards or subawards, including the terms set forth in applicable federal statutes, regulations, NOFOs, and policies. Throughout the award lifecycle or even after an award has been closed, FEMA or the pass-through entity may discover potential or actual noncompliance on the part of a recipient or subrecipient. This potential or actual noncompliance may be discovered through routine monitoring, audits, closeout, or reporting from various sources.

In the case of any potential or actual noncompliance, FEMA may place special conditions on an award per 2 C.F.R. §§ 200.208 and 200.339, FEMA may place a hold on funds until the matter is corrected, or additional information is provided per 2 C.F.R. § 200.339, or it may do both. Similar remedies for noncompliance with certain federal civil rights laws are authorized pursuant to 44 C.F.R. Parts 7 and 19.

In the event the noncompliance is not able to be corrected by imposing additional conditions or the recipient or subrecipient refuses to correct the matter, FEMA might take other remedies allowed under 2 C.F.R. § 200.339. These remedies include actions to disallow costs, recover funds, wholly or partly suspend or terminate the award, initiate suspension and debarment proceedings, withhold further federal awards, or take other remedies that may be legally available. For further information on termination due to noncompliance, see the section on Termination Provisions in the NOFO.

FEMA may discover and take action on noncompliance even after an award has been closed. The closeout of an award does not affect FEMA's right to disallow costs and recover funds as long the action to disallow costs takes place during the record retention period. *See* 2 C.F.R. §§ 200.334, 200.345(a). Closeout also does not affect the obligation of the non-federal entity to return any funds due as a result of later refunds, corrections, or other transactions. 2 C.F.R. § 200.345(a)(2).

The types of funds FEMA might attempt to recover include, but are not limited to, improper payments, cost share reimbursements, program income, interest earned on advance payments, or equipment disposition amounts.

FEMA may seek to recover disallowed costs through a Notice of Potential Debt Letter, a Remedy Notification, or other letter. The document will describe the potential amount owed, the reason why FEMA is recovering the funds, the recipient's appeal rights, how the amount can be paid, and the consequences for not appealing or paying the amount by the deadline.

If the recipient neither appeals nor pays the amount by the deadline, the amount owed will become final. Potential consequences if the debt is not paid in full or otherwise resolved by the deadline include the assessment of interest, administrative fees, and penalty charges; administratively offsetting the debt against other payable federal funds; and transferring the debt to the U.S. Department of the Treasury for collection.

FEMA notes the following common areas of noncompliance for FEMA's grant programs:

- Insufficient documentation and lack of record retention.
- Failure to follow the procurement under grants requirements.
- Failure to submit closeout documents in a timely manner.
- Failure to follow EHP requirements.
- Failure to comply with the POP deadline.

An eligible applicant, subapplicant, recipient, or subrecipient may request an appeal of a remedy FEMA has taken for noncompliance with federal statutes, regulations, or the terms and conditions of the award that results in suspension or termination of all or part of the award. The appeal must be submitted according to the following procedures:

- For remedies FEMA has taken for noncompliance, the appeal must contain documented justification supporting the appellant's position, specify the monetary figure in dispute, and identify the provisions in federal law, regulation, or policy with which the appellant believes the initial action was inconsistent.

The applicant, subapplicant, recipient, or subrecipient will be notified in writing of the disposition of the appeal or the need for additional information. All appeal decisions are final.

10. Audits

FEMA grant recipients are subject to audit oversight from multiple entities including the DHS OIG, the GAO, the pass-through entity, or independent auditing firms for single audits, and may cover activities and costs incurred under the award. Auditing agencies such as the DHS OIG, the GAO, and the pass-through entity (if applicable), and FEMA in its oversight capacity, must have access to records pertaining to the FEMA award. Recipients and subrecipients must retain award documents for at least three years from the date the final FFR is submitted, and even longer in many cases subject to the requirements of 2 C.F.R. § 200.334. In the case of administrative closeout, documents must be retained for at least three years from the date of closeout, or longer subject to the requirements of 2 C.F.R. § 200.334. If documents are retained longer than the required retention period, the DHS OIG, the GAO, and the pass-through entity, as well as FEMA in its oversight capacity, have the right to access these records as well. See 2 C.F.R. §§ 200.334, 200.337.

Additionally, non-federal entities must comply with the single audit requirements at 2 C.F.R. Part 200, Subpart F. Specifically, non-federal entities, other than for-profit subrecipients, that expend $750,000 or more in federal awards during their fiscal year must have a single or program-specific audit conducted for that year in accordance with Subpart F. 2 C.F.R. § 200.501. A single audit covers all federal funds expended during a fiscal year, not just FEMA

funds. The cost of audit services may be allowable per 2 C.F.R. § 200.425, but non-federal entities must select auditors in accordance with 2 C.F.R. § 200.509, including following the proper procurement procedures. For additional information on single audit reporting requirements, see section F of this NOFO under the header "Single Audit Report" within the subsection "Additional Reporting Requirements".

The objectives of single audits are to:

- Determine if financial statements conform to generally accepted accounting principles (GAAP);
- Determine whether the schedule of expenditures of federal awards is presented fairly;
- Understand, assess, and test the adequacy of internal controls for compliance with major programs; and
- Determine if the entity complied with applicable laws, regulations, and contracts or grants.

For single audits, the auditee is required to prepare financial statements reflecting its financial position, a schedule of federal award expenditures, and a summary of the status of prior audit findings and questioned costs. The auditee also is required to follow up and take appropriate corrective actions on new and previously issued but not yet addressed audit findings. The auditee must prepare a corrective action plan to address the new audit findings. 2 C.F.R. §§ 200.508, 200.510, 200.511.

Non-federal entities must have an audit conducted, either single or program-specific, of their financial statements and federal expenditures annually or biennially pursuant to 2 C.F.R. § 200.504. Non-federal entities must also follow the information submission requirements of 2 C.F.R. § 200.512, including submitting the audit information to the Federal Audit Clearinghouse within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The audit information to be submitted include the data collection form described at 2 C.F.R. § 200.512(c) and Appendix X to 2 C.F.R. Part 200 as well as the reporting package described at 2 C.F.R. § 200.512(b).

The non-federal entity must retain one copy of the data collection form and one copy of the reporting package for three years from the date of submission to the Federal Audit Clearinghouse. 2 C.F.R. § 200.512; *see also* 2 C.F.R. § 200.517 (setting requirements for retention of documents by the auditor and access to audit records in the auditor's possession).

FEMA, the DHS OIG, the GAO, and the pass-through entity (if applicable), as part of monitoring or as part of an audit, may review a non-federal entity's compliance with the single audit requirements. In cases of continued inability or unwillingness to have an audit conducted in compliance with 2 C.F.R. Part 200, Subpart F, FEMA and the pass-through entity, if applicable, are required to take appropriate remedial action under 2 C.F.R. § 200.339 for noncompliance, pursuant to 2 C.F.R. § 200.505.

11. Payment Information

FEMA uses the Direct Deposit/Electronic Funds Transfer (DD/EFT) method of payment to recipients.

Payment requests are submitted through FEMA GO.

12. Whole Community Preparedness

Preparedness is a shared responsibility that calls for the involvement of everyone—not just the government—in preparedness efforts. By working together, everyone can help keep the nation safe from harm and help keep it resilient when struck by hazards, such as natural disasters, acts of terrorism, and pandemics.

Whole Community includes:

- Individuals and families, including those with access and functional needs
- Businesses
- Faith-based and community organizations
- Nonprofit groups
- Schools and academia
- Media outlets
- All levels of government, including state, local, tribal, territorial, and federal partners

The phrase "Whole Community" often appears in preparedness materials, as it is one of the guiding principles. It means two things:

1. Involving people in the development of national preparedness documents.
2. Ensuring their roles and responsibilities are reflected in the content of the materials.

13. Extraordinary Circumstances

Applicants and Subapplicants must have a FEMA-approved current mitigation plan at the time of application deadline and at the time of the award to receive FMA project subawards; hazard mitigation plans that are approvable pending adoption are not sufficient. The FEMA Regional Administrator may grant an exception to the plan requirements in extraordinary circumstances when the appropriate justification is provided. For FMA, Subapplicants are exempt from the hazard mitigation plan requirement for the mitigation plan development and mitigation plan updates in Capability and Capacity Building Activities types only.

Extraordinary circumstances exist when FEMA or the applicant determine that the proposed project is consistent with the priorities and strategies identified in the state or Tribal (standard or enhanced) mitigation plan and that the jurisdiction meets at least one of the criteria below:

- The jurisdiction meets the small and impoverished communities as defined in 44 C.F.R. 201.2.
- The jurisdiction has been determined to have had insufficient capacity because of lack of available assistance, staffing or other necessary expertise to satisfy the mitigation planning requirement prior to the current disaster or application deadline.
- The jurisdiction experienced significant disruption from a declared disaster or another event that impacts its ability to complete the mitigation planning process prior to award or final approval of a project award.

- The jurisdiction does not have a mitigation plan for reasons beyond the control of the state, federally recognized Tribal government or local community, such as Disaster Relief Fund restrictions, that delay FEMA from granting a subaward prior to the expiration of the local or Tribal mitigation plan.

The applicant must provide written justification that identifies the specific criteria from the above list and explains why the jurisdiction will be able to have a plan both approved by FEMA and adopted by the jurisdiction within 12 months. The justification must identify the specific actions or circumstances that have eliminated or will eliminate the deficiency that prevented the jurisdiction from previously having an approved plan. The justification must clearly demonstrate how the above circumstances impacted the community beyond just stating the above circumstances.

If FEMA grants an extraordinary circumstances exception, a local or Tribal mitigation plan must be approved by FEMA within 12 months of the award of the project subaward to that community. The recipient must acknowledge in writing to the Regional Administrator that the jurisdiction will complete a plan within 12 months of the subaward. The recipient must provide a Compliance Action Plan for completing the local or Tribal mitigation plan, including milestones and a timetable, to ensure the jurisdiction will complete the plan in the required time. This requirement must be incorporated into the award (both the planning and project subaward agreements if a planning subaward is also awarded). If a plan is not provided within this time frame, the project subaward will be terminated, and any costs incurred after notice of subaward termination will not be reimbursed by FEMA. FEMA must notify the recipient of the subaward termination. For more information on award termination, refer to Part 8 of the 2023 Hazard Mitigation Assistance Program and Policy Guide.

If the mitigation plan is not approved by FEMA within 12 months of the award, and if the subaward also involved a mitigation planning award, FEMA should notify the recipient of its failure to meet the additional specific award or subaward conditions and request that the issue be corrected following remedies for non-compliance procedures in Part 8 of the 2023 Hazard Mitigation Assistance Program and Policy Guide. If compliance cannot be achieved, FEMA will apply a remedy action to the planning subaward to address the non-compliance and may, as a result, withhold assistance, recoup assistance, suspend or terminate the planning subaward.

14. Phased Projects

In general, sufficient technical information is provided by the applicant or subapplicant to allow FEMA to make an eligibility determination on a subapplication. The costs to obtain this information are generally eligible as pre-award costs. However, in some cases it is beyond the subapplicant's technical and financial resources to provide the complete technical information required for a full eligibility or EHP review of a complex project. The applicant and FEMA may provide technical assistance to the subapplicant to develop this complete body of technical data by approving a subapplication to finalize Phase I analysis and design, conduct applicable engineering studies, prepare a Benefit-Cost Analysis (BCA), and provide documentation for an EHP review. The Phase I deliverables provide FEMA with a technical body of information mutually concurred on by the subrecipient, the recipient, and FEMA to

determine project eligibility, technical feasibility, and cost effectiveness. If the results of the Phase I review indicate that the project meets FMA requirements, the project would then be eligible for funding for construction under a Phase II approval. Phase I funding is part of the project's total estimated cost and is subject to FMA cost-share requirements.

The use of a phased approach should be limited to complex projects (i.e., Localized Flood Risk Reduction Project) that require technical or EHP data beyond the scope of that generally required for a typical FMA activity or project. The following provides guidelines and outlines the process for selecting projects for Phase I/Phase II project approval.

a. Pre-screening Process

The subapplicant must submit documentation showing the project meets the following criteria for a Phase I approval:

- *State or Tribal (Standard or Enhanced) Mitigation Plan:* The proposed project must be consistent with the State or Tribal (Standard or Enhanced) Mitigation Plan as well as the local or Tribal Mitigation Plan for the jurisdiction in which the activity is located.

- *Justification for Selection of the Proposed Project:* Justification must be provided for the selection of the proposed solution after consideration of at least two alternative options.

- *Potential Cost-Effectiveness:* The project demonstrates potential cost-effectiveness based on a preliminary assessment of anticipated project benefits and cost. The subapplicant must be aware that this preliminary assessment is solely for the purpose of the Phase I pre-screening process and is not the final cost-effectiveness determination. A preliminary BCA is required at the time of application. This requirement does not apply to a small and impoverished communities as defined in 44 C.F.R. 201.2., federally recognized Tribal government, or subapplication that benefits or primarily benefits a Community Disaster Resilience Zone, where the subapplicant is unable to calculate a BCR to demonstrate cost-effectiveness as stated in Section D.11.a

- *EHP Review:* The Phase I review generally is categorically excluded from further review under NEPA with some exceptions. EHP Phase I review should identify any potential EHP compliance issues and information needs required for Phase II review.
- *Relevant Technical Data:* The subapplicant provides available technical data such as existing or preliminary hydrologic and hydraulic data or preliminary geotechnical data, as appropriate.

b. Phase I Award

The applicant and FEMA may approve projects meeting the above requirements for technical assistance under a Phase I award. FEMA and the applicant will coordinate closely to ensure

mutual concurrence on all data and technical information as well as any conditions included in the Phase I Award as the Phase I technical review process proceeds. The following conditions must be met through the Phase 1 deliverables prior to progressing to Phase II:

- *Relevant Technical Data:* The applicant and FEMA will review technical data such as hydrologic and hydraulic, environmental, and geotechnical studies provided by the subapplicant, as appropriate.
- *Preliminary Engineering Design:* Based on the technical data, the subapplicant develops a preliminary engineering design and layout and cost estimates with ad hoc technical assistance from the applicant and FEMA.
- *Milestones:* As available, the subapplicant must provide clear milestones (including those that will have Go/No Go criteria for competition projects) and proposed timelines, and a list of potential final deliverables.
- *EO 11988, as amended by EO 13690:* If applicable, based on the technical data and revised engineering design, the project must demonstrate compliance with floodplain management requirements under this EO. If a Flood Insurance Rate Map (FIRM) amendment or revision will be necessary under the provisions of the National Flood Insurance Program (NFIP), the applicant and FEMA will provide the subapplicant with technical assistance to meet this requirement.
- *Refinement of the Cost-Effectiveness Assessment*: Based on the revised design and cost estimates, the applicant and FEMA will refine the preliminary assessment of cost-effectiveness conducted prior to Phase I approval. This will result in a final BCR to evaluate the project's cost-effectiveness, which will include all the project costs, including those associated with Phase I.
- EHP Review: The applicant and FEMA will conduct a review of the revised project design to ensure EHP compliance. The project will meet EHP requirements before Phase II approval.
- Note that eligible activities under a Phase I award are defined in the award package and are based on the submitted and reviewed Phase I scope of work. A complete and eligible Phase II application, including environmental consultations, demonstration of technical feasibility, and an updated benefit-cost analysis, must be submitted to and approved by FEMA prior to the initiation of any tasks not included in the approved Phase I scope of work.

c. Phase II Award Amendment - Construction Process

If the project is determined to be eligible, technically feasible, cost effective, and compliant with EHP requirements under the technical review of Phase I deliverables, the project may then be approved for construction under Phase II.

Additional federal funds may be approved in Phase II, subject to the availability of funds.

In general, a contractor who develops the HMA grant application project specifications or is contracted to provide direct assistance with the completion and submission of a grant application, is generally prohibited from competing for the related construction work *See* 2 CFR § 200.319(b) and subsection H.7.b: Procurement Integrity: Competition and Conflicts of interest of this NOFO.

15. Integrating Hazard Mitigation and Planning

In addition, SLTTs are encouraged, but not required, to pursue hazard mitigation planning and projects with co-benefits that advance shared outcomes for economic, environmental, and social resilience.

Alignment with SLTT planning mechanisms (economic development, housing, comprehensive plans, transportation plans, building codes, floodplain ordinances, etc.) by and vice versa is vital to build safer, more resilient, equitable communities. This two-way exchange of hazard mitigation principles, risk and vulnerability assessments, and mitigation strategies supports community-wide risk reduction, both before and after disasters occur. Not only will SLTT planning efforts be better integrated, but by going through this process there is a higher level of interagency coordination, which is just as important as the planning mechanisms. Additional information on Plan Integration can be found at Implement, Integrate and Maintain Mitigation Planning Activities | FEMA.gov, Guides to Expanding Mitigation | FEMA.gov, and https://planning.org/nationalcenters/hazards/.

MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY
GOVERNING BOARD

October 18, 2023 Meeting Minutes

The Governing Board of the Monroe County Comprehensive Plan Land Authority held a regular meeting on Wednesday, October 18, 2023. The meeting was a hybrid format with the Governing Board members assembled at the Marathon Government Center located at 2798 Overseas Highway Marathon, Florida. Some members of the public participated via Communications Media Technology (CMT) using a Zoom Webinar platform, while other members of the public attended the meeting in person. Chairman David Rice called the meeting to order at 9:41 AM.

G-1 Roll Call. Present and answering roll call, in addition to Chairman David Rice, were Commissioner Craig Cates, Commissioner Michelle Lincoln, Commissioner Holly Raschein, and Commissioner Jim Scholl. Attending the meeting in person was Executive Director Christine Hurley. Attending via CMT were Senior Property Acquisition Specialist Mark Rosch, Property Specialist Dina Gambuzza, Office Manager John Beyers, and Counsel Greg Oropeza.

G-2 Bulk Approvals. A motion was made by Commissioner Lincoln and seconded by Commissioner Raschein to approve items G.3 though G.20 and G.22 in bulk. Item G.21 was held for discussion.

G-3 Approval of the minutes for the September 6, 2023 Budget meeting, September 20, 2023 Budget meeting and September 20, 2023 Regular meeting.

G-4 Monroe County Land Authority Executive Director Monthly Report for October, 2023 (through September 30, 2023).

G-5 Review of MCLA expenses for the time period of 9/1/23 through 9/30/23.

G-6 Commissioner Lincoln – Approval to re-appoint Leslie Valant to the Land Authority Advisory Committee.

G-7 Chairman Rice – Approval to appoint Marv Schindler to the Land Authority Advisory Committee.

G-8 Approval of a contract to purchase Tier 3 property for conservation - Block 8, Lot 23, Cahill Pines and Palms on Big Pine Key near mile marker 30 from Eladio Lima and Blanca T. Lima for the price of $90,000.

G-9 Approval of a contract to purchase Tier 1 property for conservation - Big Pine Key Acreage (Parcel ID #00112310-000100) on Big Pine Key near mile marker 32 from the Estate of Dale L. Yingst and the Estate of Joan M. Yingst for the price of $80,000.

G-10 Approval of a contract to purchase Tier 2 property for conservation – Block 10, Lot 3, Eden Pines Colony First Addition on Big Pine Key near mile marker 30 from Candido Velez for the price of $75,000.

G-11 Approval to add Block 8, Lots 1, 2, 15, 16, 17, and adjacent filled bay bottom, Palm Villa on Big Pine Key to the Acquisition List as a conservation site with a ROGO exemption that will be transferred offsite for affordable housing.

G-12 Approval of a contract to purchase Tier 1 property for conservation and a ROGO exemption for affordable housing – Block 8, Lots 1, 2, 15, 16, 17, and adjacent filled bay bottom, Palm Villa on Big Pine Key near mile marker 31 from Vu Luong and Vien Vo for the price of $750,000.

G-13 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Lot 1, Block 41, Second Addition to Port Pine Heights on Big Pine Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to December 3, 2023.

G-14 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Lot 29, Block 13, North Sugarloaf Acres Section Two on Sugarloaf Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to December 3, 2023.

G-15 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Lot 46, Sugarloaf Townsite on Sugarloaf Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to December 3, 2023.

G-16 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Lots 29 and 30, Block 6, Bay Haven Section 2 on Key Largo to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to December 3, 2023.

G-17 Approval of the First Amendment to Option Agreement for Sale and Purchase to sell pre-acquired Florida Forever land described as Parcel BB, Cudjoe Acres on Cudjoe Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida extending the Option Expiration Date to December 3, 2023.

G-18 Approval of a resolution approving an option agreement to sell pre-acquired Florida Forever land described as Lots 1-2, Block 1; Lots 1-10, Block 3; Lots 1-12, Block 4; Lots 1-6, Block 5; and Lots 1-6, Block 6, Marion Park on Key Largo to the Board of Trustees of the

Internal Improvement Trust Fund of the State of Florida for the price of $300,000; authorizing the Chairman to execute same; and authorizing the Chairman to execute the deed and associated closing documents. [Resolution 40-2023]

G-19 Approval of a resolution of the Monroe County Comprehensive Plan Land Authority authorizing the conveyance of real property located at Block 22, Lot 11, Big Pine Cove Subdivision (PB 3-131), on Big Pine Key; Block 3, Lot 5, Sam-N-Joe Subdivision (PB 3-76), on Big Pine Key; Block 1, Lot 8, Amended Plat of The Ladies Acre (PB 5-96), on Little Torch Key; and Block 1, Lot 9, Amended Plat of The Ladies Acre (PB 5-96), on Little Torch Key to Monroe County for Affordable Housing subject to a Land Use Restriction Agreement (LURA). [Resolution 41-2023]

G-20 Approval of Reservation of ROGO Exemption as evidenced by ROGO Exemption Request File #2017-R179 and authorization for Chairman to sign instrument.

G-22 Approval of Final Adjusted Purchase Price of $92,000 for the sale of pre-acquired Florida Forever land described as Lot 29, Block 13, North Sugarloaf Acres Section Two on Sugarloaf Key to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida.

There being no objections, the motion carried (5/0).

G-21 Discussion and direction regarding a request by Rural Neighborhoods, Inc. (RN) Developer, and The Landings at Sugarloaf Key, LLC (LSK) Property Owner, requesting $2,240,000 as a 50 year, zero interest loan for construction funding from the Monroe County Land Authority (MCLA) or $2,800,000 for property acquisition of the land needed to develop 56 affordable housing units at The Landings at Sugarloaf Key. Ms. Hurley and Steven Kirk, President of Rural Neighbors, Inc. addressed the Board and presented two options for the South Pointe Sugarloaf affordable housing project. The first option would be for MCLA to contribute construction funding towards the project and the second option would be for MCLA to acquire the property, convey to the BOCC, and then lease the land for 99 years to Rural Neighbors, Inc. The Governing Board preferred the second option, as this would provide long-term control of the investment for the affordable housing project in perpetuity. The Board directed staff to work with the Developer and Property owner and bring back an item for their consideration.

There being no further business, the meeting was adjourned at 9:59 AM.

AGENDA ITEM WORDING: A Public Hearing to consider Approval of a Resolution amending the Fiscal Year 2024 budget.

ITEM BACKGROUND:
Under the Third Amended and Restated Interlocal Agreement Regarding the Administration of Land Acquisition Programs between the Monroe County Land Authority and the County, once County employees occupying the positions listed in the agreement, separate from employment of said positions, the new hires are to become Land Authority employees, with salaries and benefits funded by the County on a reimbursement basis.

Two BOCC positions, Land Steward Assistant FMENV-020 and Land Steward Assistant FMENV-021 have or will be separating from County employment, sand therefore, the Land Authority will hire and manage these positions and seek reimbursement of these expenses from the Monroe County Environmental Land Management and Restoration Fund (Fund 160, aka MCELMRF), a non-ad valorem fund established pursuant to BOCC Resolution 149-2022.

This occurrence has necessitated a budget amendment for FY2024.

aid positions are to become Land Authority positions with salaries and benefits funded by the BOCC on a reimbursement basis.

RESOLUTION NO. _____

A RESOLUTION OF THE MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY AMENDING THE FISCAL YEAR 2024 BUDGET.

WHEREAS, the Monroe County Comprehensive Plan Land Authority (hereinafter "Land Authority") was created pursuant to section 380.0661, Florida Statutes and Monroe County Ordinance No. 31-1986; and

WHEREAS, the Land Authority held a public hearing on December 13, 2023 at 9:25 AM at the Harvey Government Center in Key West, Monroe County, Florida to amend the Fiscal Year 2024 Budget; and

WHEREAS, the public hearing participants were also provided the option of participating in said hearing via Communications Media Technology using a Zoom Webinar platform; and

WHEREAS, the Land Authority and the Monroe County Board of County Commissioners (BOCC) have entered into the Third Amended and Restated Interlocal Agreement Regarding the Administration of Land Acquisition Programs; and

WHEREAS, said Agreement specifies that once the employees occupying the BOCC positions Land Steward Assistant FMENV-020 and Land Steward Assistant FMENV-021 separate from employment, said positions are to become Land Authority positions with salaries and benefits funded by the BOCC on a reimbursement basis; and

WHEREAS, the employee occupying the Land Steward Assistant FMENV-021 position has resigned and the employee occupying the Land Steward Assistant FMENV-020 position has indicated he will be retiring in FY 2024; and

WHEREAS, it is necessary to amend the Land Authority budget to account for the salary and benefits expense under the appropriation portion of the budget and revenue that will be received by reimbursement from the BOCC.

NOW, THEREFORE, BE IT RESOLVED BY THE LAND AUTHORITY that the Fiscal Year 2024 Budget of $35,418,143 is hereby amended to be $35,540,000 as shown in Attachment A.

PASSED AND ADOPTED by the Land Authority at a meeting on this 13th day of December, 2023.

THIRD AMENDED AND RESTATED INTERLOCAL AGREEMENT BETWEEN THE MONROE COUNTY LAND AUTHORITY AND THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY REGARDING THE ADMINISTRATION OF LAND ACQUISITION PROGRAMS

THIS THIRD AMENDED AND RESTATED INTERLOCAL AGREEMENT is made and entered into this 21st day of September 2022 by and between the **MONROE COUNTY COMPREHENSIVE PLAN LAND AUTHORITY (hereinafter "MCLA") and the BOARD OF COUNTY COPMMISSIONERS,** a political subdivision of the State of Florida **(hereinafter "BOCC").**

WHEREAS, MCLA and the BOCC entered into that certain Interlocal Agreement Between the Monroe County Land Authority and the Board of County Commissions of Monroe County Regarding the Administration of Land Acquisition Programs ("ILA") on July 21, 2021; and

WHEREAS, MCLA and the BOCC amended Interlocal Agreement between the Monroe County Land Authority and the Board of County Commissioners of Monroe County regarding the Administration of Land Acquisition Programs ("ILA") on September 15, 2021 and June 15, 2022; and

WHEREAS, MCLA and the BOCC wish to enter into this 3rd Amended and Restated Interlocal Agreement.

NOW, THEREFORE, in consideration of the terms, conditions and covenants hereinafter provided, the Parties agree as follows:

SECTION 1 - RECITALS: The above recitals are true and correct and are incorporated herein by reference. The parties intend for this Agreement to address program administration of acquisition programs described below.

SECTION 2 - ADOPTION: The Second Amended and Restated Interlocal Agreement between MCLA and BOCC dated June 15, 2022, is hereby repealed, and replaced by this Third Amended and Restated Interlocal Agreement.

SECTION 3 - PROGRAMMING: MCLA's administration will include grant management of the BOCC programs outlined below (hereinafter the "Programs"), including, but not limited to seller and/or buyer coordination; negotiating purchase and sale agreements; ordering due diligence products on behalf of the BOCC including but not limited to appraisals, boundary surveys, environmental assessments and any other inspections required in order to facilitate the BOCC's acquisition; and ordering closing services, title commitments, and title insurance policies on behalf of the BOCC. The MCLA staff shall be responsible for preparing all agenda items necessary to accomplish the purposes of this agreement, including but not limited to agenda items requiring BOCC approval. MCLA staff shall coordinate with BOCC staff as to placement on the

appropriate segment of the BOCC portion of the agenda. Lands acquired under said Programs shall be purchased with funds from either the BOCC or the referenced grant Programs and shall be titled in the BOCC. MCLA's administration shall include land stewardship activities pursuant to Program IV below when the acquired properties are suited for management as conservation land. Otherwise, the BOCC agrees to maintain the acquired properties and MCLA's administration shall include coordinating with BOCC staff (Facilities Maintenance, Parks and Beaches, or Project Management) regarding maintenance activities such as mowing, trash removal, etc. when needed.

PROGRAMS:

I. Less Than Fee Acquisition Program: This is a less than fee program to retire the rights to build dwelling units where the subject lot is owned by the adjoining homeowner.

II. Density Reduction Acquisition Program: This is a fee simple acquisition program for those lots that are not suited for management as conservation land. The program was established to retire the rights to build dwelling units on said lots pursuant to the 2016 Interlocal Agreement between MCLA and the BOCC.

Density Reduction Resale Program: A program to resell Density Reduction Lots (lots not suited for management as conservation land) subject to deed restrictions prohibiting development with dwelling units.

III. Conservation Land Stewardship Program: This is a program to manage conservation lands using the Monroe County Environmental Land Management and Restoration Fund (Fund 160, aka MCELMRF), a non-ad valorem fund established pursuant to BOCC Resolution 149-2022. Said lands consist of conservation lands owned by the BOCC, conservation lands leased to the BOCC by the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida, and conservation lands owned by MCLA.

IV. Community Development Block Grant – Disaster Recovery (CDBG-DR) Voluntary Home Buyout Program: This is a program to purchase and demolish improved properties that were damaged during Hurricane Irma and to acquire the associated ROGO exemptions pursuant to BOCC Resolution 150-2020, thereby amended on March 17, 2021. Properties acquired under this program must be maintained for open space, recreation, or stormwater management.

V. Hazard Mitigation Grant Program (HMGP) Acquisition and Demolition; Elevation: This is a program to purchase and demolish improved properties that were damaged during Hurricane Irma, to acquire the associated ROGO exemption, and to maintain the acquired properties as open space or to Elevate Existing Structures above minimum flood elevation requirements funded by Federal Emergency Management Agency (FEMA).

Flood Mitigation Assistance (FMA) Acquisition and Demolition; Elevation: This is a program to purchase and demolish improved properties that were damaged during Hurricane Irma or other flood events, to acquire the associated ROGO exemption, and to maintain the acquired properties as open space or to Elevate Existing Structures above minimum flood elevation requirements funded by Federal Emergency Management Agency (FEMA).

VI. Florida Forever Program: MCLA will coordinate with Florida Department of Environmental Protection (DEP) and Department of Economic Opportunity (DEO) regarding the State's acquisition of property within Florida Forever projects. MCLA will serve as the BOCC's agent in implementing the 2017 Memorandum of Agreement, as subsequently amended, between Monroe County and the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida and will assist DEP in identifying willing sellers within Florida Forever projects. Nothing in this agreement shall prevent the MCLA from working cooperatively with the DEP on acquisitions of qualifying properties under the existing statutes, regulations, and ordinances governing land acquisitions by both entities.

VII. Code Compliance Foreclosure Lot Coordination: After the B.O.C.C. has acquired title to a lot either through a deed in lieu of foreclosure or through court action arising from a Code Compliance Lien, the MCLA may assist in management of a lot if it will be classified as conservation lots, preserved as density reduction lots, or resold after removal of development rights in accordance with the programs described above managed by the MCLA.

The following procedures apply for the reimbursement of staff time spent on programs listed in Section 3:

MCLA responsibilities include:

A. In accordance with the ILA and this Amendment, MCLA agrees to assist the County in implementation of the CDBG-DR VHBO and HMGP & FMA by providing associated services needed to fulfill the Subrecipient Agreement responsibilities in implementation of the Programs including but not limited to developing procedures, assisting with procurement, construction, underwriting administration, deed restriction development, real estate instrument development, title reviews, recording, etc.

B. In accordance with the ILA and this Amendment, MCLA agrees to assist the County in implementation of the programs of the Interlocal by providing services needed to fulfil grant administration.

County responsibilities include:

A. The County agrees to reimburse the MCLA at 100% the actual cost of salary, as well as FICA taxes, withholding taxes, state and federal unemployment taxes, and retirement benefits for program management and administration for the CDBG-DR,

HMGP, and FMA programs, in accordance with State and Federal Program regulations.

B. If allowable under a grant agreement, the County shall provide payment under this Agreement on a cost reimbursement basis after the granting agency reimburses the County for the expenses incurred. For grant agreements requiring County disbursement of funds prior to grant reimbursement, the County will provide payment to MCLA and then request reimbursement from the granting agency. If reimbursement under the grant is denied, MCLA will be required to refund the payment to the County.

C. Reimbursement shall be made based on the MCLA's submission and the County's approval of a invoice. Payment shall be made in accordance with the Florida Local Government Prompt Payment Act. The MCLA agrees to provide the County with documentation of all staff hours expended each pay period on a form prescribed by the County. The County may require documentation of expenditures prior to approval of the invoice and may withhold payment if services are not satisfactorily completed or the documentation is not satisfied. Any payment due or any approval necessary under the terms of the Agreement may be withheld until all evaluation and documentation expenditures due from the MCLA and necessary adjustments thereto, have been approved by the County. However, the County agrees to use due diligence in approving and to proceed with a sense of urgency and priority in making reimbursement to the MCLA.

D. The County shall reimburse those reimbursable expenses that are reviewed and approved as complying with any and all grant agreements.

E. After the Clerk of the BOCC examines and approves the request for reimbursement, the BOCC shall reimburse MCLA.

F. Reimbursement by the County shall be made to the MCLA at the following address:

Monroe County Land Authority Office
1200 Truman Avenue, Suite 207
Key West, FL 33040

G. The payments from the County to the MCLA made pursuant to this Agreement are sourced from reimbursement from the granting agencies.

SECTION 4 - FINANCING: The BOCC will continue to handle the financial services and funding (including, but not limited to: budgeting, purchasing/bids/procurement, payment to vendors and applicants, and auditing) for the Programs referenced above. The current funds include: Fund 316 Acquisition Fund; Fund 160 Monroe County Environmental Land Management and Restoration Fund (MCELMRF); CDBG-DR; HMGP; and FMA. The Clerk of the Court will continue to issue vendor payments. and

BOCC FTE payroll. The Clerk will maintain BOCC financial statements including annual single audit report and audit function of BOCC.

SECTION 5 – EMPLOYMENT: The positions referenced below will be BOCC payroll positions and to the extent not funded by the referenced grants, will be funded by the BOCC, as long as the persons currently within the positions remain employed in that position. Such funding shall include all ancillary funding necessary for such employee, including, but not limited to office space, technology, cell phone, insurance benefits, retirement benefits and vehicle(s) necessary to implement each position. Additionally, MCLA Executive Director, to the extent possible, will bill the grant Programs for time expended by the MCLA Executive Director. When grant funds are no longer available to fund personnel services, BOCC will continue to fund the positions, subject to annual appropriation, unless otherwise agreed to.

STAFFING: POSITION NUMBERS:

Land Steward GMGM-005
Land Steward Assistant GMENV-020
Land Steward Assistant GMENV021
Acquisition Manager GMPLN-032
Mitigation Administrator GMBLG-053

The positions listed above will be managed by and report to the MCLA Executive Director, according to the BOCC adopted Personnel Policies and Procedures (PPP), as may be amended from time to time, as well as the Career Service Council Act and corresponding rules and regulations. In the case of any suspension, discharge, reduction in pay, or demotion of such employees, the Executive Director shall be required to obtain County Administrator approval with a review by the Employee Services Director and County Attorney to assure the Executive Director followed the PPP.

SECTION 6: Any new positions that will be added will be MCLA positions. If, at any time, any of the employees currently occupying the positions listed above leaves the position or separates from employment with Monroe County, the position will from that point forward be an MCLA employee, and MCLA will be the employer for all purposes for that position. In this case, the parties will work in good faith to amend this agreement to fund the position appropriate to the program.

For each of the five (5) positions listed above, while the position is held by a BOCC employee but managed by the MCLA Executive Director, MCLA agrees to indemnify and hold harmless the BOCC for any and all employment claims filed by the employee arising out of the employment, including but not limited to: workers' compensation; unemployment; and any claims arising out of federal, state or local laws including but not limited to alleged violations of Americans with Disabilities Act as amended, Title VII, and Section 504 of the Rehabilitation Act of 1973, to the extent the costs of such claims exceed any insurance coverage provided to the MCLA through the County. The

term "claim" shall include liability or potential liability for wages and all other forms of damages, as well as attorneys' fees and costs.

As long as BOCC funded employees are assigned work under the MCLA pursuant to this Section, the parties shall review this section no later than July 1 of each year to determine if any BOCC funded positions should be transitioned to the MCLA. The parties shall work cooperatively to seek any legislative changes to the MCLA enabling statute and/or ordinance that are necessary to formalize the transfer of the BOCC funded positions and programs to the MCLA.

SECTION 7 - GIS SERVICES: The BOCC will provide GIS services related to land acquisition, and access and maintenance of related GIS layers. In addition, the BOCC will continue to support and provide access to systems, files, and data bases to support the Programs, including but not limited to Alchemy, Community PLUS, county data servers and file directories, and permitting software platforms.

SECTION 8 - EXECUTIVE DIRECTOR VEHICLE: The BOCC will transfer vehicle 1001/9384 vehicle to the MCLA. The MCLA will pay the maintenance, repair, and replacement cost of the vehicle by invoice.

SECTION 9 - MISCELLANEOUS:

I. Modifications to this Agreement shall be valid only when reduced to writing and duly signed by all parties. If any term or provision of this Agreement shall be invalid or unenforceable to any extent, the parties agree to comply with the remaining terms and provisions, unless compliance with the remaining terms and provisions would prevent the accomplishment of the original intent of the agreement between the parties. Either party may terminate this Agreement at any time, with or without cause. Termination shall take effect upon receipt of written notification by a party to the other party.

II. Notification under this Agreement shall be made by hand delivery, U.S. certified mail, return receipt requested, or an express mail with proof of delivery. Notification by a party shall be delivered as follows:

Monroe County Administrator
1100 Simonton Street
Key West, FL 33040

Monroe County Attorney
1111 12th Street, Suite 408
Key West, FL 33040

Monroe County Comprehensive Plan Land Authority Executive Director
1200 Truman Avenue, Suite 207
Key West, FL 33040

Gregory S. Oropeza, Esquire, Attorney for Monroe County Land Authority
221 Simonton Street
Key West, FL 33040

SECTION 10 – EFFECTIVE DATE: This amendment shall become effective upon execution by all parties.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their officials thereto duly authorized.

AGENDA ITEM WORDING: Approval of a sponsorship donation in the amount of $2,000.00 from the Key West International Airport to Keys Area Health Education Centers (AHEC) for the purpose of smoking cessation efforts and in accordance with Resolution 123-2021.

ITEM BACKGROUND:
The Airport wishes to promote goodwill toward the County and the Airport and sponsor smoking cessation programs provided by Keys Area Health Education Centers (AHEC). Seeing as how the smoking patio at Key West International Airport will close during the month of November due to the ongoing Concourse A and Terminal Improvements project, it is appropriate that this donation occur during Lung Cancer Awareness Month and the Great American Smokeout.

Per the attached documents, Keys AHEC is now in its 17th year and works with Tobacco Free Florida to offer smoking cessation classes/sessions to serve those who enroll. The sponsorship will reach thousands of residents and visitors by way of social media, websites, and promotional material. In turn, valuable information on smoking cessation will reach the thousands of visitors who use Key West International Airport each month.

RESOLUTION NO. 123 – 2021

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA DELEGATING AUTHORITY TO THE DIRECTOR OF AIRPORTS AND APPROVING THE USE OF KEY WEST INTERNATIONAL AIRPORT ENTERPRISE REVENUE FUNDS TO BE USED FOR PROMOTIONAL SPONSORSHIPS.

WHEREAS, Florida Statute 331.20 grants to the Board of County Commissioners the right, power, and authority to publicize, advertise, and promote the activities of its airport in order to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; and

WHEREAS, the Department of Transportation, Federal Aviation Administration has promulgated the Policies and Procedures Concerning the Use of Airport Revenue in the Federal Register at 64 Fed. Reg. 7696, February 16, 1999, and

WHEREAS, the Policies and Procedures Concerning the Use of Airport Revenues lists the permitted uses of airport revenue and includes, among other things, the full costs of activities directed towards promoting public and industry awareness of airport facilities and services; and

WHEREAS, Key West International Airport has sponsored community organizations and community events from Key West High School to the Naval Air Station Key West Air Show to the Wounded Warrior Ride; and

WHEREAS, community involvement and community outreach through paid sponsorships of community organizations help effectuate the purposes of F.S. 331.20 and promotes and engenders goodwill toward the airport and the county; and

WHEREAS, the board desires to set forth a policy permitting the use of airport enterprise revenue funds to support community promotional sponsorships;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Monroe County BOCC (The Board) desires to establish a positive relationship with the community and Key West International Airport.

Section 2. The Board finds that promotional sponsorships which raise the goodwill toward the county by making known the advantages, facilities, resources, products, attractions,

and attributes of the Key West International Airport and/or the Florida Keys Marathon International Airport serve a public purpose.

Section 3. In furtherance of this resolution, the Board incorporates the rationale set forth in the memo attached as Exhibit A as if fully set forth herein.

Section 2. The Board hereby delegates to the Director of Airports the authority to publicize, advertise, and promote the activities of its airports; to make known the advantages, facilities, resources, products, attractions, and attributes of its airport; to create a favorable climate of opinion concerning its airport and to cooperate with other agencies, public and private, to accomplish these purposes.

Section 4. Expenditure thresholds shall be based on the level of anticipated community outreach (community exposure). "Community exposure" shall be defined as the total number of individuals the outreach activity is estimated to reach. The Board hereby authorizes sponsorship expenditures to publicize, advertise, and promote the activities of its airport in the following amounts:

Rate of Community Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,001 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

PASSED AND ACCEPTED by the Board of County Commissioners of Monroe County, Florida, at a meeting of said Board held on the 17th day of March, 2021.

AIRPORT MEMO

From: Erick D'Leon, Asst. Director of Airports

To: Richard Strickland; Beth Leto

Date: October 30, 2020

Re: Airport Promotion and Community Relations

Introduction

The Key West International Airport is a substantial component of the Key West community and offers the island's most significant economic engine with a combined annual economic output totaling $856 million. As the Airport continues to exhibit rapid growth trends in every aspect of its operation, it is imperative for the Airport to maintain a positive relationship within its small island community. This is accomplished by strategic community outreach efforts to ensure that all citizens are aware of the Airport and express a favorable opinion of the Airport's successful future. Although generally intangible, maintaining a community relationship that promotes a positive airport outlook ensures that the Airport can continue to prosper efficiently and effectively within the physical and sociological limitations of operating on an island.

Background

The Federal Aviation Administration (FAA) deems that public use airport's expenditure of funds for the promotion of an airport and marketing of airport services are legitimate costs of an airport's operation. Additionally, the FAA entrusts airport management to assure that the level of expenditures for such purposes be reasonable in relation to the airport's specific financial situation.

Airport funds may be used to support community activities, or community organizations, if the expenditures are directly and substantially related to the operation of the airport. In addition, the policy provides explicitly that where the amount of the contribution is minimal, the airport operator may consider the "directly and substantially related to air transportation" standard to be met if the contribution has the intangible benefit of enhancing the airport's acceptance in local communities impacted by the airport.

As a point of reference, the Key West International Airport, like many other commercial airports, through a combination of Federal, State, and Airport generated funds, maintains a federally mandated Noise Insulation Program (NIP) for eligible family residences. The NIP has expended substantial funding to lessen the impact, and associated burden, of aircraft noise to single family homes and multi-family condominium facilities in Key West by way of noise insulation efforts. The multi-year program creates a cohesive environment in which the Airport and its numerous operations are an accepted part of the community's daily function.

Community Relations

Recently the Airport announced plans to pursue a major capital improvement plan combining millions of dollars in development to completely overhaul the manner in which the Airport operates. The improvements, developed to meet air service demand, include a new terminal concourse and significant roadway improvements to streamline and improve the passenger experience.

However, as the Airport continues to make significant strides in air service development, which supports the community's tourism based economy, the island of Key West is home to only twenty five thousand permanent residents. In a small town community, such as Key West, the importance of a grass roots effort to establish a positive community relationship cannot be overstated. That relationship is fostered through strategic efforts that focus on hosting community events, public outreach presentations, key marketing efforts, and the encouragement of constant feedback from the community through ad-hoc committees and other public forums.

The Airport has historically selected the neighboring Key West High School Athletics Department as a recipient of an annual sponsorship. The sponsorship offers tangible and intangible benefits to the operation of the Airport. While the relationship benefits are intangible, the tangible benefits of hometown marketing are of incredible value to the Airport and a critical focus to all promotional marketing efforts.

The local community is vital to the future success of the airport. Utilizing simple marketing efforts such as banner advertisements and other key signage, local event programs and print media, and radio advertisements are all part of a larger effort to continually keep the local community involved with the Airport. Therefore, the participation with local groups such as the Key West High School Athletics Dept., a local non-profit youth athletics dance association, or a wounded warriors ride, the effort ensures the Airport maintains a positive position within the growth and daily life of the community that supports the Airport's operation.

State and Federal Guidance

As previously stated, the FAA offers clear guidance on how revenues used for promotional/ marketing efforts, and revenues used for donations to charitable/ community service organizations are classified as permitted uses. The guidance can be found in Federal Register/ Vol. 64, Pgs. 7696-7723, Policy and Procedures Concerning the Use of Airport Revenue.

Additionally, Florida Statute 331.20 empowers the BOCC to expend funds to publicize and promote the airport and its related facilities, and to create a favorable climate of opinion in the interest of promoting and engendering goodwill toward its airport.

Policy Request

We request to clarify that promotional, marketing, and community outreach efforts in addition to charitable donations are, as defined by existing state and federal guidelines, part of the Airport's normal operating expenses. Included in those expenses, the Airport will focus on the following categories to pursue effective community relations:

Membership: Industry, Economic Development, & Other Associations

Partnership: Education, Military, & Other Agencies

Sponsorship: Youth Development, Tourism, Economic Development, Government Relations, Community, Leadership, Diversity & Inclusion

As with all other operational expenses, as these expenses are defined by the FAA, the Airport Director will be provided with the same liberties that are afforded with other aspects of the daily duties associated with the operation of the Airports. However, due to the nature of procurement for event specific memberships, partnerships, or sponsorships, as they may occur, it is not feasible to adhere to standard County procurement policies for multiple price quotes. In these cases, the Airport Director will adhere to the Monroe County Purchasing Policy guidelines for purchasing authority with relation to the purchasing levels for total dollar amount requested.

Additionally, as defined by the FAA, airport management will assure to the BOCC that the total amount of expenditures for such purposes would be reasonable in relation to the airport's specific financial situation. The specific level of director approved expenditures will be based on the level of exposure the expense will provide. For example, if the expenditure will offer a small amount of exposure, up to five thousand people, for the airport, the expense will be limited to five thousand dollars. If the expense will offer a medium amount of exposure, five thousand to ten thousand people, the expense will be limited to ten thousand dollars. If the expense is expected to offer the Airport a significant amount of exposure, greater than ten thousand people, such as with major events, partnerships, or marketing campaigns for air service, the expense will be limited to nineteen thousand nine hundred ninety nine dollars and ninety nine cents; see below chart.

Rate of Exposure	Maximum Director Expense
Up to 5,000 people	$5,000.00
5,000 to 10,000 people	$10,000.00
Greater than 10,000	$19,999.99

Additionally, significant exposure expenses over the Director's procurement authority will abide by the policies and procedures already outlined within the County's purchasing policy, with regard to County Manager approval and/ or BOCC approval.

Keys AHEC
Health Centers

Keys AHEC, now in its 17th year, works with Tobacco Free Florida to offer Tobacco Cessation Classes to any person wishing to become Tobacco Free. Certified Counselors offer two unique styles of classes/sessions to serve those who enroll. Sessions are offered at convenient times and locations throughout the County and even at Work Sites. Truly there has never been a better time to Quit!

Cessation Programs with Ongoing Counseling coupled with Combination NRT Therapies Double Your Chances for Success.

Keys AHEC in its efforts to expand programming would appreciate the opportunity to work with the Key West International Airport through outreach to passengers.

Level of Sponsorship:
Diamond: $5,000
Platinum: $3,500
Gold: $2,000

Gold Sponsorship:

- Digital recognition on website and social media.
- Informational material for Key West International Airport travelers in the form of pamphlets and or other print material to be placed on Airport property and viewed by thousands of travelers who use the facility.

Platinum Sponsorship:

- Digital recognition on website and social media
- Informational material

- Cessation Classes:
  - Quit Smoking Now (QSN)-4 One Hour Sessions over Four Weeks
  - Tools to Quit (TTQ)-1 Two Hour Session
- Sessions: All Sessions are Provided by a Certified Tobacco Cessation Counselor.
  - Live Small Group Sessions
  - One on One Counseling
  - Zoom Based Computer Classes
- Classes/Sessions are offered at AHEC Facilities or can be offered onsite as part of our worksite program.

David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: L2
2023-1773

BULK ITEM: No

DEPARTMENT: Airports

TIME APPROXIMATE:
N/A

STAFF CONTACT: Richard Strickland

AGENDA ITEM WORDING: Approval of the FY2024 Airline Rates and Charges for the Key West International Airport effective October 1, 2023. The rates are adjusted as follows: Terminal Rental Rate $75.90 per square foot ($5.11 increase over FY23 mid-year rate), Landing Fee Rate $3.97 ($0.28 increase over FY23 mid-year landing fee rate) and Checkpoint Security Charge $2.02 per enplaned passenger ($0.24 increase over FY23). The average Airline Cost per Enplaned Passenger (CPEP) will be $10.66 ($0.69 increase over FY23 mid-year CPEP).

ITEM BACKGROUND:

As part of the Airport's annual budget process, Newton & Associates, Inc. has updated the Airport's Rates and Charges. All airlines received the FY2024 Budget Rates and Charges on August 1, 2023, and on September 6, 2023, a meeting was conducted with the Airlines to discuss the FY2024 Budget Rates and Charges. Participating Airline representatives were from Allegiant, American and Delta. A mid-year review and a final year-end reconciliation will be conducted based upon the rate structure in place with the Airlines. Airline underpayments will be billed to the air carriers and overpayments will be refunded by the Airport via credits to air carriers' invoices.

PREVIOUS RELEVANT BOCC ACTION:

Approval of annual Airline Rates and Charges each year if changes are made.

CONTRACT/AGREEMENT CHANGES:
New Airline Rates and Charges.

STAFF RECOMMENDATION:

DOCUMENTATION:

EYW FY2024 Rates & Charges.pdf

FINANCIAL IMPACT:
Revenue producing of approximately $7,772,962 for FY2024.

STAFF CONTACT: Pedro Mercado

AGENDA ITEM WORDING:

Approval of the disposal of the AN-24RV aircraft, serial #27308105, located at Key West International Airport, and delegation of authority to the Executive Director of Airports to negotiate and execute all required salvage agreement documents as approved by the County Attorneys office.

ITEM BACKGROUND:

An Antonov AN-24RV aircraft has been stored in the historic bunker lot located adjacent to Government Road at the western end of the Key West International Airport property, purchased by North American Aviation Inc. on September 17, 2003. Since its purchase by North American Aviation Inc., to the best of staff's knowledge and belief, the aircraft has sat idle, has had no maintenance, has had no repairs made to it, nor is it currently in the process of actively being repaired. The aircraft also does not have a current certificate of air worthiness issued by the Federal Aviation Administration. The aircraft, for all intents and purposes, has been left derelict and/or abandoned at Key West International Airport (KWIA). Staff has conducted a diligent search and located the last known address for North American Aviation Inc., as well as the contact information for the registered agent for North American Aviation Inc. With regards to derelict and/or abandoned aircraft left on a public-use airport, Florida Statute sections 705.183 and 705.182 set forth the procedures for disposal of such aircraft. Staff has followed the procedures set forth in the Florida Statutes in order to perfect its claim of lien and has completed the proper steps in the proper order and has complied with the waiting periods and time constraints set forth in said Florida Statute sections 705.183 and 705.182 in order to proceed with the disposal of the aircraft. Under section 705.182 the aircraft can be disposed of in several ways. The county could choose to retain the aircraft for use by the airport or for use by the state or the unit of local government owning or operating the airport; trade the aircraft to another unit of local government or a state agency; donate the aircraft to a charitable organization; sell the aircraft (at public auction); or dispose of the aircraft through salvage services.

In this case, initially, staff attempted to auction the aircraft. Notice of the auction was posted on the

aircraft, advertised in the Key West Citizen as well as posted on the EYW.COM website.

The auction was held on September 27, 2023 and there were no bids received. Having received no bids, staff is now requesting approval to seek out, contact and contract for salvage services in order to dispose of the aircraft in accordance with Florida Statutes. Staff is also requesting that the Executive Director of Airports be delegated authority to negotiate and execute all required salvage agreement documents as approved by the County Attorney's office.

RE: North American Aviation Services AN-24 Aircraft

Dear Mr. Barnell,

This letter is being sent to inform you, as the Director of North American Aviation Inc., that North American Aviation Inc., to the best of my knowledge and belief, is the owner of an Antonov AN-24RV aircraft that has been left derelict and/or abandoned at Key West International Airport (KWIA). A bill of sale (attached) indicates that the aircraft was purchased by North American Aviation, Inc. on September 17, 2003. The aircraft has sat idle since its purchase and to the best of my knowledge is inoperative, does not have a current certificate of air worthiness issued by the Federal Aviation Administration, and is not in the process of actively being repaired. Since its purchase that aircraft has accrued $72,410 in storage fees.

Pursuant to Florida Statute 705.183, this letter is being provided to inform North American Aviation Inc. and all persons having an equitable or legal interest in the aircraft that:

- the aircraft has been left derelict or abandoned at KWIA,
- storage fees of $72,000 have accrued,
- the Antonov AN-24RV aircraft is subject to a lien under Florida Statute 705.183(5) for the accrued fees, and
- the lien is subject to enforcement pursuant to law.

You are also hereby notified that KWIA may cause the use, trade, sale, or removal of the aircraft in accordance with Florida Statute 705.182(2)(a), (b), (d), or (e) if, within 30 calendar days after the date of receipt of this notice, the aircraft has not been removed from the airport upon payment in full of all accrued fees.

As the Director of North American Aviation, Inc. I am hereby requesting that you contact me immediately in order to make arrangements for payment of the accrued fees and to inform us

of your plans to remove the aircraft from the airport. If you have any questions please contact me at the number provided above.

Very truly yours,

Pedro J. Mercado

Aircraft Storage Fees	
From 9/17/2003 to 7/14/2023	
$10.00 per day x 7,241 days	
TOAL AMOUNT DUE	**$72,410**

Please remit payment within 30 days.

Thank you.

THIS PURCHASE AGREEMENT (hereinafter referred to as the **"Agreement"),** is made this the 17th day of September, 2003, between **MATTHEW OVERTON,** an individual whose residence is the State of Colorado (hereinafter referred to as "Seller"), and **NORTH AMERICAN AVIATION, a Delaware Corporation,** having its principal place of business at 300 Douglas Drive, Northwest Regional Airport, Roanoke, Texas 76262 ("hereinafter referred to as the "Purchaser").

WITNESSETH:

WHEREAS, Seller is the current owner of clear and marketable interest of one (1) Antonov AN-24RV aircraft, Cuban Registration CU T-1294, Serial Number 27308105, including its two(2) installed engines -- Serial No's. RA-H812007 (left engine) and RA-H9312003 (right engine), its instruments, components, accessories and equipment, and all associated aircraft logs still remaining with the aircraft -- all of the afore-stated which are incorporated herein by reference, and are hereinafter collectively referred to as the "Aircraft".

WHEREAS, Seller desires to sell the Aircraft to Purchaser and Purchaser desires to purchase the Aircraft from Seller, and the parties wish to further define the terms and conditions of the sale

NOW THEREFORE, in consideration of the mutual covenants and promises contained herein and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, the Seller and Purchaser hereby agree as follows:

BILL OF SALE

FOR TEN DOLLARS and xx/100(US$10.00) and other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, MATTHEW OVERTON, Individual (the "Seller"), does hereby grant, bargain, sell, transfer and deliver to NORTH AMERICAN AVIATION, INC., (the "Purchaser"), its successors and assigns, all interest in a 1972 Antonov AN-24RV aircraft, Cuban Registration No. CU T-1294 plus its two (2) attached engines S/Ns RA-H812007 and RA-H9312003 (collectively referred to as the "Aircraft")

TO HAVE AND TO HOLD the Aircraft unto the Purchaser, its successors and assigns, forever.

Seller does hereby, for itself and its successors, assigns, represent and warrant to Purchaser, its successors and assigns, that: the Seller is the lawful owner of the Aircraft; the Aircraft is free from all liens and encumbrances; and the Seller has full authority and right to sell the Aircraft.

This Bill of Sale is valid and effective to transfer good and marketable title to the aforesaid Aircraft, its engines, equipment and accessories, manuals and maintenance records to Purchaser free and clear of any and all claims, liens, encumbrances or security interest of any kind.

IN WITNESS WHEREOF, the undersigned has executed this Bill of Sale this the 17th day of September, 2003.

My Commission Expires 07/01/2007

RE: North American Aviation Services

Dear Sir or Madam,

State of Delaware, Department of State, Division of Corporations records show that Harvard Business Services, Inc. is the registered agent for North American Aviation Inc., a Delaware Corporation having a business address of 300 Douglas Dr., Roanoke, Texas 76262. The Director of the corporation is listed as Dwight Barnell.

This letter is being sent in an attempt to contact Mr. Barnell, as the Director of North American Aviation Inc., or any other person having a legal or equitable interest in the aircraft that is the subject of this letter. North American Aviation Inc., to the best of my knowledge and belief, is the owner of an Antonov AN-24RV aircraft that has been left derelict and/or abandoned at Key West International Airport (KWIA). A bill of sale (attached) indicates that the aircraft was purchased by North American Aviation, Inc. on September 17, 2003. The aircraft has sat idle since its purchase and to the best of my knowledge is inoperative, does not have a current certificate of air worthiness issued by the Federal Aviation Administration, and is not in the process of actively being repaired. Since its purchase that aircraft has accrued $72,410 in storage fees.

Pursuant to Florida Statute 705.183, this letter is being provided to inform the owner and all persons having an equitable or legal interest in the aircraft that:

- the aircraft has sat abandoned at KWIA,
- storage fees of $72,000 have accrued,
- the Antonov AN-24RV aircraft is subject to a lien under Florida Statute 705.183(5) for the accrued fees, and
- the lien is subject to enforcement pursuant to law.

You are also hereby notified that KWIA may cause the use, trade, sale, or removal of the aircraft in accordance with Florida Statute 705.182(2)(a), (b), (d), or (e) if, within 30 calendar days after the date of receipt of this notice, the aircraft has not been removed from the airport upon payment in full of all accrued fees.

As the registered agent for North American Aviation, Inc. I am hereby requesting that you contact North American Aviation, Inc. immediately and inform them of this notice. If you have any questions please contact me at the number provided above.

Very truly yours,

Pedro J. Mercado

RE: North American Aviation Services AN-24 Aircraft

Dear Mr. Barnell,

This office previously attempted to contact you by certified mail, return receipt requested dated July 14, 2023, in order to place you on notice of several issues. That letter was returned unclaimed on August 7, 2023. The purpose of that letter was to inform you, as the Director of North American Aviation Inc., that North American Aviation Inc., to the best of my knowledge and belief, is the owner of an Antonov AN-24RV aircraft that has been left derelict and/or abandoned at Key West International Airport (KWIA) and had accrued $72,410 in storage fees. The purpose of said letter was to also inform you that if you did not respond to said letter then the derelict aircraft would be subject to a lien and that the lien is subject to enforcement pursuant to Florida Statute 705.183.

Pursuant to Florida Statute 705.183, enclosed herein is a copy of the Claim of Lien Monroe County will be recording against the Antonov AN-24RV, Cuban Registration CU T-1294, Serial Number 27308105 owned by North American Aviation, Inc., whose address is 300 Douglas Drive, Roanoke, Texas 76262. You are further notified that the Claim of Lien is subject to enforcement pursuant to Florida Statute 705.183. Govern yourself accordingly.

Very truly yours,

Pedro J. Mercado
Senior Assistant County Attorney

CLAIM OF LIEN

State of FLORIDA
County of MONROE

Before me, the undersigned notary public, personally appeared Richard Strickland, who was duly sworn and says that he is the Executive Director of Airports, Key West International Airport, whose address is 3491 S. Roosevelt Blvd., Key West, Florida 33040; and that the following described aircraft:

Antonov AN-24RV, Cuban Registration CU T-1294, Serial Number 27308105

owned by North American Aviation, Inc., whose address is 300 Douglas Drive, Roanoke, Texas 76262, has accrued $72,410.00 in fees and charges for the use by the aircraft of Key West International Airport and for the transportation, storage, and removal of the aircraft from Key West International Airport; that the lienor served its notice to the last registered owner and all persons having a legal or equitable interest in the aircraft on July 14, 2023, by certified mail return receipt requested.

RE: North American Aviation Services

Dear Sir or Madam,

This office previously served you notice by certified mail, return receipt requested dated July 14, 2023 that, as the registered agent for North American Aviation Inc., a Delaware Corporation having a business address of 300 Douglas Dr., Roanoke, Texas 76262, an aircraft owned by North American Aviation Inc. had been left derelict and abandoned at Key West International Airport. The return receipt indicating your receipt of the notice was signed on July 20, 2023.

This follow up letter is to inform you that more than 30 days has expired since the previous letter was sent and, to date, there has been no response from North American Aviation Inc., or any other person having a legal or equitable interest in the aircraft that was the subject of the previous letter.

Enclosed herein is a copy of the Claim of Lien Monroe County will be recording, pursuant to Florida Statute 705.183, against the Antonov AN-24RV, Cuban Registration CU T-1294, Serial Number 27308105 owned by North American Aviation, Inc., whose address is 300 Douglas Drive, Roanoke, Texas 76262. As the registered agent for North American Aviation, Inc. I am hereby requesting that you contact North American Aviation, Inc. immediately and inform them of this notice. If you have any questions, please contact me at the number provided above.

Very truly yours,

Pedro J. Mercado
Senior Assistant County Attorney

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: M1
2023-1730

BULK ITEM: Yes **DEPARTMENT:** Planning & Environmental Resources

TIME APPROXIMATE: **STAFF CONTACT:** Emily Schemper

AGENDA ITEM WORDING:

Approval of a Resolution extending the reservation of two (2) Moderate-Income Affordable Housing ROGO Allocations, previously approved by Resolution No. 263-2021, pursuant to Monroe County Land Development Code Section 138-24(b)(1), for the construction of two affordable housing dwelling units at 110 Poinsettia Dr., Lots 16 & 17, Block 6, Holiday Homesites, Key Largo, currently having Property Identification Numbers 00530750-000000 and 00530750-000100, until August 18, 2024.

ITEM BACKGROUND:

On August 18, 2021, the Board of County Commissioners ("BOCC") adopted Resolution No. 263-2021, approving the reservation of two (2) moderate-income affordable housing ROGO allocations for Habitat for Humanity of the Upper Keys, Inc. ("Habitat") for the construction of two (2) affordable housing dwelling units on Lots 16 & 17, Block 6, Holiday Homesites, Key Largo, currently having Property Identification Number 00530750-000000, pursuant to Monroe County Land Development Code ("LDC") Section 138-24(b)(1).

The parcel has subsequently been split into two parcels: Lot 16 (currently bearing Property Identification Number 00530750-000000) and Lot 17 (currently bearing Property Identification Number 00530750-000100). Habitat has submitted a request to the Planning & Environmental Resources Department for a 1-year extension to this reservation through August 18, 2024.

Habitat for Humanity of the Upper Keys **is proposing to develop two (2) affordable housing units on property Monroe County deeded to Habitat for Humanity of the Upper Keys, Inc.**

Relevant Land Development Code Provision:

Monroe County Code Section 138-24

(b) Reservation of affordable housing allocations. Notwithstanding the provisions of Section 138-26 for awarding of affordable housing allocations, the BOCC may reserve by resolution some or all of the available affordable housing allocations for award to certain sponsoring agencies or specific housing programs consistent with all other requirements of this chapter. Building permits for these reserved allocations shall be picked up within six months of the effective reservation date, unless otherwise authorized by the BOCC in its resolution. The BOCC may, at its discretion, place conditions on any reservation as it deems appropriate. These reservations may be authorized by the BOCC for:

(1) The county housing authority, nonprofit community development organizations, pursuant to Section 139-1(e), and other public entities established to provide affordable housing by entering into a memorandum of understanding with one or more of these agencies;

(2) Specific affordable or employee housing projects participating in a federal/state housing financial assistance or tax credit program or receiving some form of direct financial assistance from the county upon written request from the project sponsor and approved by resolution of the BOCC;

(3) Specific affordable or employee housing projects sponsored by nongovernmental not-for-profit organizations above upon written request from the project sponsor and approved by resolution of the BOCC;

(4) Specific affordable or employee housing programs sponsored by the county pursuant to procedures and guidelines as may be established from time to time by the BOCC;

(5) Specific affordable or employee housing projects by any entity, organization, or person, contingent upon transfer of ownership of the underlying land for the affordable housing project to the county, a not-for-profit community development organization, or any other entity approved by the BOCC, upon written request from the project sponsor and approved by resolution of the BOCC; or

(6) Rental employee housing projects situated on the same parcel of land as the nonresidential workplace for the tenants of these projects, upon written request from the property owner and approved by resolution of the BOCC.

PREVIOUS RELEVANT BOCC ACTION:

On April 12, 2017, the BOCC approved the transfer of three (3) county-owned parcels to Habitat for Humanity of the Upper Keys, Inc.

On August 18, 2021, the BOCC adopted Resolution No. 263-2021, approving the reservation of 2 moderate income affordable housing allocations until August 18, 2023.

Building houses in partnership with God's people in need

August 24, 2023

Monroe County Planning & Environmental Resources
Attn: Emily Schemper
2798 Overseas Hwy., Suite 410
Marathon, FL 33050

Dear Emily,

Habitat for Humanity of the Upper Keys would like to request a building permit extension for Lots 16 & 17, Block 6, Holiday Homesites, Key Largo, real estate parcel number 00530750-000000.

Based on our current construction pipeline, we feel confident that we can start this project within a year, so we kindly ask for the permit to be extended until August 18, 2024.

We look forward to developing this property for affordable housing, as it's needed locally now more than ever and appreciate your efforts to assist our organization.

Sincerely,

Lindsay Fast, Executive Director
Habitat for Humanity of the Upper Keys

RESOLUTION NO. _263_-2021

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING THE RESERVATION OF TWO MODERATE INCOME CATEGORY AFFORDABLE ROGO ALLOCATIONS FOR PROPOSED AFFORDABLE HOUSING DWELLING UNITS ON PROPERTY LOCATED AT 110 POINSETTIA DRIVE, LOTS 16 AND 17, BLOCK 6, HOLIDAY HOMESITES, KEY LARGO APPROXIMATE MILE MARKER 100, HAVING PROPERTY IDENTIFICATION NUMBER 00530750-000000, AS REQUESTED BY THE PROPERTY OWNER HABITAT FOR HUMANITY OF THE UPPER KEYS, INC., UNTIL AUGUST 18, 2023 FOR BUILDING PERMIT ISSUANCE.

WHEREAS, the State of Florida and all local governments in the Florida Keys (each subject to Area of Critical State Concern mandates relating to housing affordability) recognize the need for affordable housing throughout the state and particularly in the Florida Keys where developable land for housing is extremely limited and expensive; and

WHEREAS, the challenge of providing affordable housing opportunities in the Florida Keys is one requiring sensible and responsive use of residential unit allocations, including implementation of long-term preservation mechanisms; and

WHEREAS, due consideration should be given to relevant factors such as the capacity for allocation recipients to promptly transform allocation awards/reservations into finished and occupied affordable/workforce housing units; and

WHEREAS, Monroe County Land Development Code ("LDC") Section 138-24(b)(1) allows the BOCC to authorize reservations for "the county housing authority, nonprofit community development organizations, pursuant to Section 139-1(e), and other public entities established to provide affordable housing by entering in to a memorandum of understanding with one or more of these agencies;" and

WHEREAS, LDC Section 138-24(b)(2) allows the BOCC to authorize reservations for "specific affordable or employee housing projects participating in a federal/state housing financial assistance or tax credit program or receiving some form of direct financial assistance from the county upon written request from the project sponsor and approved by resolution of the Board of County Commissioners," and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., is proposing to develop the property with two (2) affordable housing units; and

WHEREAS, on April 12, 2017, the BOCC approved a request by Habitat for Humanity of the Upper Keys, Inc., for the donation of three county-owned parcels, lots 16 and 17 of the Holiday Homesites Subdivision and lot 3 of Winston Park Subdivision; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., obtained ownership of the subject property through a County Deed Bargain and Sale from Monroe County; and

WHEREAS, the reservation of affordable housing allocation for the anticipated project does not exempt the project from applicable requirements for the Monroe County Land Development Regulations, Building Code and other regulatory requirements; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain all required approvals from the Monroe County Planning & Environmental Resources Department for the project; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain permits for the affordable housing dwelling units by August 18, 2023; if the permit for a reserved ROGO allocation housing unit is not issued by that time, the allocation will revert to the County;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The foregoing recitals are true and correct, and are hereby incorporated as if fully set forth herein.

Section 2. The Monroe County Planning Department shall reserve two (2) moderate income category affordable ROGO allocations, for the project at 110 Poinsettia Dr, Key Largo, having property identification number 00530750-000000 until August 18, 2023.

Section 3. The developer must obtain the building permits for the two affordable housing units on or before August 18, 2023.

Section 4. The developer shall comply with all Monroe County requirements, all applicable Building Code requirements, and any other oversight agencies.

Section 5. The Planning and Building Department Staff is hereby authorized to process expeditiously permit related applications for the above referenced project when received.

Section 6. Construction and Interpretation. This resolution and its interpretation shall be liberally construed and enforced in favor of Monroe County to effectuate its public purpose(s) and policy(ies) of the County. The construction and interpretation of this resolution and all Monroe County Comprehensive Plan provision(s), Florida Building Code, Florida Statutes, and Monroe County Code(s) provision(s) whose interpretation arises out of, relates to, or is interpreted in connection with this resolution shall be liberally construed and enforced in favor of Monroe County to effectuate its public purpose(s) and policy(ies) of the County, and shall be deferred in favor of the BOCC and such construction and interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, bankruptcy, and on appeal.

Section 7. No Liability. Monroe County expressly reserves and in no way shall be deemed to have waived, for itself or for its officer(s), employee(s), or agent(s), any sovereign,

governmental, and any other similar defense, immunity, exemption, or protection against any suit, cause-of-action, demand, or liability.

Section 8. **Severability.** If any provision of this resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the 18th day of August, 2021.

WHEREAS, the reservation of affordable housing allocations for the anticipated project does not exempt the project from applicable requirements for the Monroe County Comprehensive Plan, Land Development Code, Florida, Building Code, and/or other regulatory requirements; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain all required approvals from the Monroe County Planning & Environmental Resources Department for the project; and

WHEREAS, Habitat for Humanity of the Upper Keys, Inc., shall obtain building permits for the affordable housing dwelling units by August 18, 2024; if the permit for a reserved ROGO allocation housing unit is not issued by that time, the allocation shall revert to the County;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. **Recitals and Legislative Intent.** The foregoing findings and determinations are true and correct and are hereby incorporated as if fully set forth herein.

Section 2. **Construction and Interpretation.** This Resolution is necessary for the health, safety, and welfare of the residents of and visitors to the county. This Resolution and its interpretation shall be liberally construed and enforced in favor of Monroe County to effectuate its County public purpose(s). The construction and interpretation of this Resolution and all Monroe County Comprehensive Plan provision(s), Florida Statute(s), and Monroe County Code(s) provision(s) whose interpretation arises out of, relates to, or is interpreted in connection with this Resolution shall be liberally construed and enforced in favor of Monroe County and such construction and interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, bankruptcy, and on appeal.

Section 3. The Monroe County Planning & Environmental Resources Department ("Department") shall reserve two (2) moderate income category affordable ROGO allocations, for the project at lots 16 and 17 of the Holiday Homesites Subdivision, Key Largo, currently having property identification numbers 00530750-000000 and 00530750-000100, until August 18, 2024.

Section 4. The developer must obtain the building permits for the two (2) affordable housing units on or before August 18, 2024.

Section 5. The developer shall comply with the Monroe County Comprehensive Plan, Land Development Code, Florida Building Code, floodplain management regulations, and any and all other requirements of Monroe County and/or State and/or Federal oversight agencies.

Section 6. The Department and Monroe County Building Department and Floodplain Management Office professional staff are hereby authorized to process expeditiously permit related applications for the above referenced project when received.

Section 7. **Inconsistency, Partial Invalidity, Severability, and Survival of Provisions.** If any portion of this Resolution, or any part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Resolution, or any remaining part(s) or portion(s) thereof. All other provisions of this Resolution, and remaining part(s) or portion(s) thereof, shall continue unimpaired in full force and effect.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: M2
2023-1761

BULK ITEM: No **DEPARTMENT:** Planning & Environmental Resources

TIME APPROXIMATE: **STAFF CONTACT:** Emily Schemper

AGENDA ITEM WORDING:

Discussion and direction on the 2023 U.S. 1 Arterial Travel Time and Delay Study and the preparation of the Biennial Assessment of Public Facilities Capacity Report. **TIME APPROXIMATE OF 11:00 A.M.**

ITEM BACKGROUND:

The U.S. 1 Arterial Travel Time and Delay Study ("ATTDS") is performed biennially by the County's traffic consultant (AECOM) to monitor the Level of Service on U.S. Highway 1 ("US 1"). This professional traffic engineering study is conducted for concurrency purposes, pursuant to Monroe County Comprehensive Plan Policy 301.1.2 and Land Development Code Sections 114-2 and 114-200.

The Monroe County Comprehensive Plan and Land Development Code require that all development and redevelopment taking place within the unincorporated County do not result in a reduction of the level of service requirements, including transportation facilities. The Comprehensive Plan and Land Development Code include a Level of Service Standard of "C" (45 mph) for U.S. 1.

This LOS standard is used within the County's Concurrency Management System to review development proposals and ensure that the transportation facilities needed to serve development will be in place when the impacts of the development occur. Concurrency must be satisfied at the time a development permit is issued; at the time a certificate of occupancy; or through a binding contract or agreement for the necessary facility and/or service improvements or proportionate share contribution.

To determine the Level of Service ("LOS") on U.S. 1, the County's professional traffic engineering consultant conducts an established systematic traffic monitoring program, developed by the U.S. 1 LOS Task Force, to monitor traffic volumes and travel speeds of U.S. 1. It is important to note that the U.S. 1 LOS Task Force developed a unique methodology to assess level of service for the Florida Keys to cover both its overall arterial length from Key West to the Florida mainland, and 24 roadway segments delineated, based on an average travel speed formula.

Along with completing the systematic traffic monitoring program, the Comprehensive Plan and Land Development Code ("LDC") Section 114-2(b)(3) directs professional staff to submit a Biennial Assessment of Public Facilities Capacity Report ("PFCR") to the BOCC to identify the capacity of available public facilities. For this report Monroe County utilizes the U.S. 1 Arterial Travel Time and Delay Study to document the road/transportation available capacity and areas of marginal or inadequate facility capacity.

The LDC further directs that the County shall not approve applications for development in areas of Monroe County that are served by inadequate facilities identified in the Biennial Assessment of Public Facilities Capacity Report, except the County may approve development that will have no reduction in the capacity of the facility or where the developer agrees to increase the level of service of the facility to the adopted level of service standard, through:

- A binding executed contract is in place at the time the development permit is issued which provides for the commencement of the actual construction of the required facilities or provision of services; or
- An enforceable development agreement guarantees that the necessary facilities and services will be in place with the issuance of the applicable development permit. An enforceable development agreement may include, but is not limited to, development agreements pursuant to section 163.3220, F.S., or an agreement or development order issued pursuant to Chapter 380, F.S., or
- The proportionate share contribution or construction is sufficient to accomplish one or more mobility improvement(s) that will benefit a regionally significant transportation facility.

The Draft 2023 ATTDS reports that the overall LOS for the entire length of U.S. 1 has fallen from LOS C to LOS D (44.2 mph), and there is no reserve capacity for additional trips. According to the policies and regulations in the Monroe County Year 2030 Comprehensive Plan and Monroe County Land Development Code, this would mean that County may not permit new development, other than single family homes, unless the proposed development's traffic impact is mitigated.

The Draft 2023 ATTDS does indicate that all individual segments within unincorporated Monroe County currently operate at a LOS C or better. Within unincorporated Monroe County, two (2) segments operate at a LOS C: Long Key (Segment 16) and Cross Key (Segment 24).

The 2023 ATTDS further indicates that two (2) segments within unincorporated Monroe County decreased in LOS as compared to the 2021 ATTDS: Stock Island (Segment 1) which fell from an LOS A to a LOS B; and Big Pine Key (Segment 10) which fell from a LOS A to a LOS B as compared to the 2021 ATTDS.

Note regarding Segment 1 (Stock Island): AECOM has included an alternative reserve capacity chart with alternate LOS and reserve capacity analysis for Stock Island (Segment 1) in Appendix G of the draft report. The first reserve capacity chart indicates LOS B for Segment 1, with an overall U.S. 1 median travel speed of 44.2 mph (LOS D). The second, alternative reserve capacity chart, which the BOCC may choose to utilize, indicates LOS A for Segment 1, with an overall U.S. 1 median travel speed of 44.7 mph (LOS D), and includes the following note: *This table is based on all travel time runs except 3 SB runs in segment 1 (Stock Island) from 3-14-23 to 3-16-23. These 3 SB runs were excluded as the average travel speeds were very low (4-7 mph) and were considered as outliers. The overall travel speed is 44.7 mph as compared to the previous page table that has an overall travel speed of 44.2 mph and is based on all travel time runs.* **Both reserve capacity charts are included as attachments to this agenda item for reference and consideration.**

Within unincorporated Monroe County, fourteen (14) segments saw no change in LOS between the 2021 and 2023 ATTDS: Boca Chica, Segment 2; Big Coppitt, Segment 3; Saddlebunch, Segment 4; Sugarloaf, Segment 5; Cudjoe, Segment 6; Summerland, Segment 7; Ramrod, Segment 8; Torch, Segment 9; Bahia Honda, Segment 11; 7-Mile Bridge, Segment 12; Long, Segment 16; Tavernier, Segment 22; Key Largo, Segment 23; and Cross, Segment 24. Additionally, both segments within the City of Marathon (Marathon, Segment 13; and Grassy, Segment 14) and one segment within saw no change in LOS between the 2021 and 2023 ATTDS.

Within unincorporated Monroe County, the LOS increased from a LOS C to a LOS B in Duck Key (Segment 15) as compared to the 2021 ATTDS.

A summary of the LOS Study by segment within Monroe County is attached to this agenda item (Average Travel Speeds and Levels of Service). Those segments at LOS C are highlighted in yellow. Those segments with no reserve capacity (all of which are within the incorporated area of Islamorada) are highlighted in dark orange (LOS D and LOS E).

The Monroe County Land Development Code provides, at Section 114-2, that:

1. *U.S. 1 shall have sufficient available capacity to operate at **LOS C** for the overall arterial length and the 24 roadway segments of U.S. 1, as measured by the U.S. 1 Level of Service Task Force Methodology, at all intersections and roadway segments.*
2. *Development may be approved, provided that the development in combination with all other permitted development will not decrease travel speed by more than five percent (5%) below LOS C.While development may be approved within 5% of LOS C, the proposed development shall be considered to have an impact that needs mitigation. Development mitigation may be in the form of specific improvements or proportioned shared contribution towards improvements and strategies identified by the County, and/or FDOT to address any level of service degradation beyond LOS C and/or deficiencies.*

_____

Within the incorporated city of Marathon, both segments operate at a LOS of C or better: Marathon, Segment 13, operates at a LOS A; and Grassy Key, Segment 14, operates at a LOS C.

Within the incorporated area of Islamorada, Village of Islands, Lower Matecumbe (Segment 17) improved from LOS C to LOS B as compared to the 2021 ATTDS and Upper Matecumbe (Segment 19) saw no change from the 2021 ATTDS, remaining at LOS E.

Within the incorporated area of Islamorada, Village of Islands, three (3) segments decreased in LOS:

Tea Table, Segment 18, dropped from LOS A to LOS B; Windley, Segment 20, dropped from LOS D to LOS E; and Plantation, Segment 21, Dropped from LOS C to LOS D.

In 2009, Islamorada adopted a Comprehensive Plan amendment to address U.S. 1 Level of Service standards for transportation facilities, as follows:

Policy 2-1.2.1: *Adopt Level of Service (LOS) Standards Pursuant to the U.S. 1 Level of Service Task Force. Islamorada, Village of Islands hereby adopts the following level of service (LOS) standards for roadways, pursuant to the methodology developed by the U.S. 1 Level of Service Task Force for*

analyzing LOS in Monroe County:

1. *The level of service on U.S. 1 shall be maintained within 5% of LOS C as measured on an overall countywide basis not dependent on any single road segment, using the measured median travel speed from the annual report of public facilities capacity.*
2. *For all other roadways for which the Village is responsible, the Village hereby adopts a minimum LOS standard of D as measured by peak hour traffic volumes at all intersections, including but not limited to all intersections with U.S. 1.*

[Policy 2-1.2.2 deleted pursuant to Ordinance No. 09-23]

...

Policy 2-1.2.4: *Prevent Development Resulting in Additional Trips on Deficient U.S. 1 Without Mitigation. The Village shall deny development permits for development that would result in additional trips on U.S. 1 upon exhausting the 5% below LOS C allowance authorized by the U.S. 1 Task Force Methodology as measured on an overall countywide basis not dependent on any single U.S. 1 segment, unless the impacts of the proposed development can be mitigated for its proportionate share of required transportation concurrency improvements pursuant to Section 163.3180 F.S.*

Under Monroe County Comprehensive Plan Policy 301.2.3 , **if the overall LOS for US 1 falls below the LOS C Standard, then no additional land development will be allowed unless mitigation measures are implemented.**

Per the County's professional transportation engineering consultant, AECOM, who conducted the study:

Roadway widening is a typical mitigation measure (or capacity improvement) used by most agencies. However, in Monroe County, road widening (specifically along U.S. 1) is restricted by the adopted Comprehensive Plan Policies to preserve and protect the fragile ecological conditions. There are other remedies that could be explored and evaluated to improve the traffic flow and capacity along U.S. 1. Some examples include:

- **Upgrade the traffic signal infrastructure and/or signal timing at signalized intersections along U.S. 1 to enhance traffic flow. FDOT has programmed a signal retiming study along US 1 in Monroe County, which is expected to start in early 2024.**
- Provide or improve transit service or other multi-modal transportation alternatives.

  The Monroe County Transit Department is in the process of initiating studies/ projects to improve transit service

- Implement active traffic management and Transportation System Management & Operation type improvements, which include real-time monitoring of traffic flow and implementing measures to address traffic congestion. Video cameras at some intersections are being installed through the ongoing Keys COAST project by FDOT, which will help monitor traffic flow.

- Add turn lanes at strategic locations to improve roadway capacity.
- Implement access management improvements (consolidate driveways/access points, modify median openings, etc.) to reduce interruptions to U.S. 1 traffic.
- Provide and/or improve frontage roads to reduce the impacts to U.S. 1 traffic flow.
- Improve local roads to minimize U.S. 1 being used as a local street for short trips.
- Do not install new traffic signals along U.S. 1, if a safe and/or less restrictive alternative (such as indirect left-turns, a roundabout, etc.) can be provided to accommodate traffic movements.
- Conduct speed studies on selected segments of U.S. 1 to confirm if the current posted speed limits are appropriate and modify, if necessary.

The U.S. 1 Transportation Master Plan has identified several locations for improvements. It is recommended that follow-up studies be conducted at those locations to evaluate the feasibility of implementing improvements (such as the ones listed above or from the Master Plan) to enhance traffic flow.

This is the first Travel Time and Delay Study conducted after all COVID-19 related restrictions have been lifted and more people appear to be traveling. The traffic data collected as part of this study, indicates higher volumes as compared to 2021 traffic volumes. The increased volumes may have impacted travel speeds.

Table 4 of the Draft 2023 ATTDS (attached to this agenda item) summarizes the "delay events" within the 2023 data and provides a comparison to delay data from the 2021 ATTDS. As explained on Pages 18-20, **Signal Delays and Construction Delays were significantly longer in 2023 than in 2021**:

- *Traffic signals resulted in a total delay of 2 hours, 18 minutes and 12 seconds in 2023, as compared to 1 hour and 8 seconds in 2021… The last signal retiming study that included 16 traffic signals along US 1, was performed by FDOT in 2019. It is possible that a new signal retiming study at the above segments/locations may help reduce the signal delay, which may improve the overall US 1 Level of Service.*

- *Construction delays accounted for 4 hours 29 minutes and 55 seconds during the 2023 study, as compared to 2 hours 14 minutes and 56 seconds construction delay during the 2021 study… There was significant increase in construction delay during the 2023 study as compared to 2021 study. For example, emergency water main 2023 – US 1 Arterial Travel Time and Delay Study Monroe County repairs at MM 84 affected travel time runs on March 8 and March 9; only SB direction of travel was allowed at a time on US 1, while the NB traffic was diverted to Old Hwy (parallel to US 1) and afterwards merged back to US 1; flagger operations were used for traffic management.*

It is important to note that, if adopted, the 2023 ATTDS will not be used for development review until the Biennial Assessment of Public Facilities Capacity Report ("PFCR") is adopted, which will be scheduled for a future BOCC meeting.

PREVIOUS RELEVANT BOCC ACTION:

August 1991 – Adoption of the U.S. 1 Level of Service ("LOS") C as measured by the U.S. 1 Level of Service Methodology established by the U.S. 1 LOS Task Force

December 1997 – Approval of amendment to the U.S. 1 LOS Methodology based on recommendations of the U.S.1 LOS Task Force

October 2011 – Approval of Work Order No. 1 to complete the 2011 ATTDS

August 2011 – BOCC approval of the 2011 U.S. 1 ATTDS

February 2012 – Approval of Work Order No. 3 to complete the 2012 ATTDS

December 2012 – BOCC approval of the 2012 U.S. 1 ATTDS

February 2013 – Approval of Work Order No. 5 to complete the 2013 ATTDS

September 17, 2013 - BOCC approval of the 2013 U.S. 1 ATTDS

January 2015 – Approval of first option to renew Continuing Services Contract through March 15, 2016.

February 18, 2015 – BOCC approval of Work Order No. 12 to complete the 2015 ATTDS

October 21, 2015 – BOCC approval of the 2015 U.S. 1 ATTDS

January 2016 – Approval of second option to renew Continuing Services Contract through March 15, 2017.

November 22, 2016 – BOCC approval of Work Order No. 19 to complete the 2017 ATTDS.

February 21, 2018 – BOCC approval of the 2017 U.S. 1 ATTDS

January 23, 2019 – Approval of Work Order No. 7 to complete the 2019 U.S. 1 ATTDS.

July 15, 2020 – BOCC considered the Draft 2019 Arterial Travel Time & Delay Study and directed staff to re-engage the U.S. 1 LOS Task Force to evaluate the LOS methodology and consider updates to it based on the considerations identified in the Draft 2019 ATTDS; the final 2019 ATTDS was not approved by the BOCC.

October 21, 2020 – BOCC approved Resolution No. 355-2020 reconvening the U.S. 1 LOS Task Force and tasking the U.S. 1 LOS Task Force with evaluating the LOS Methodology and potential updates to it based on the Considerations identified in the draft 2019 ATTDS.

February 17, 2021 – BOCC approved Resolution No. 064-2021 adopting the recommendations of the U.S. 1 LOS Task Force and the 2021 Updated methodology document, A Methodology To Assess Level-Of-Service-On-U.S.-1-In-The-Florida-Keys, for County use

February 17, 2021 – Approval of Work Order No. 13 to complete the 2021 U.S. 1 ATTDS

August 18, 2021 – BOCC approval of the 2021 U.S. 1 ATTDS

February 21, 2023 – Approval of Work Order No. 18 to complete the 2023 U.S. 1 ATTDS

CONTRACT/AGREEMENT CHANGES:

n/a

STAFF RECOMMENDATION:

Staff requests the BOCC provide direction and approval on the following items for the 2023 Arterial Travel Time and Delay Study (ATTDS):

1. Stock Island (Segment 1) LOS:
   A. Use of Stock Island (Segment 1) analysis including 3 SB travel runs identified as outliers by AECOM (Segment 1 LOS B; Overall median travel speed = 44.2 mph); or
   B. Use of Stock Island (Segment 1) analysis excluding 3 SB travel runs identified as outliers by AECOM (Segment 1 LOS A; Overall median travel speed = 44.7 mph).

2. AECOM suggests re-collection of data in 2024 on at least some segments, where construction delays were excessive, and/or the Keys COAST project and signal retiming is already underway and may improve traffic flow. Once data is updated, ATTDS and PFCR could be updated mid-2024.

3. Dependent on decisions above:

A. Approve and Utilize 2023 ATTDS for PFCR (development applicants must identify mitigation); Next study in 2025 (data collection March ’25; results adopted ~October ’25). Development must mitigate until ~October 2025.

B. Continue to Utilize 2021 ATTDS (2023 data affected by excessive construction delays) for PFCR; Next study in 2025.

C. Approve and Utilize 2023 ATTDS for PFCR (development applicants must identify mitigation); Data updates in March 2024; results ~August 2024. Development must mitigate until mid/late 2024.

D. Continue to Utilize 2021 ATTDS (2023 data affected by excessive construction delays) for PFCR; Data updates in March 2024; results ~August 2024.

Overall	108.3					45.0	44.7	**D**	**-0.3**	N/A		

Note: This table is based on all travel time runs except 3 SB runs in segment 1 (Stock Island) from 3-14-23 to 3-16-23. These 3 SB runs were excluded as the average travel speeds were very low (4-7 mph) and were considered as outliers. The overall travel speed is 44.7 mph as compared to the previous page table that has an overall travel speed of 44.2 mph and is based on all travel time runs.

1. EXECUTIVE SUMMARY

This report contains the results and findings of the 2023 Arterial Travel Time and Delay Study (ATTDS). The primary objective of this study is to determine the US 1 Level of Service (LOS) for concurrency management purposes pursuant to Chapter 163, Florida Statutes, Monroe County Land Development Regulations and the Monroe County Comprehensive Plan. The study methodology was developed by the US 1 Level of Service Task Force in 1993. The methodology established a procedure for using travel speed as a means of assessing the LOS and reserve capacity for US 1. The study methodology was modified by the US 1 LOS Task Force in 1997 and 2021 (see Monroe County Resolution 64-2021 in Appendix A) to account for the latest changes in the Highway Capacity Manual (HCM). Monroe County conducted travel time and delay studies along US 1 on an annual basis from 1991 to 2013; and on a biennial basis since 2013. The last ATTDS study was performed in 2021.

Both Monroe County and the Florida Department of Transportation (FDOT) have adopted a LOS C Standard for US 1. Further, 45 miles per hour (mph) has been adopted as the LOS C Standard for the entire length of US 1 regardless of the posted speed limits. Under the adopted growth management process, if the overall LOS for US 1 falls below the LOS C Standard, then no additional land development will be allowed in the Florida Keys, unless mitigation measures are proposed to address the LOS deficiencies.

The 2023 study results are presented in Table 1 on the next page.

TABLE 1
AVERAGE TRAVEL SPEEDS AND LEVELS OF SERVICE

Segment	Name of Segment	Beginning Control Point	Ending Control Point	Beginning Mile Marker	Ending Mile Marker	LOS 2019	LOS 2021	LOS 2023	Median Speed 2019	Median Speed 2021	Median Speed 2023
1	Stock Island	Cow Key Bridge (N)	Key Haven Boulevard	4.0	5.0	B	A	B	33.0	40.0	34.9

Segments with NO Reserve Capacity

(1) - Village of Islamorada

(2) – Segments with Speed Limit Changes

There are speed limit changes that were observed during the 2023 travel runs. The segments with speed limit changes shown with footnote (2) in Table 1, are: Segment #12 (7-Mile Bridge – MM 40.0 – MM 47.0), Segment #17 (Lower Matecumbe – MM 73.0 – MM 77.5) and Segment #21 (Plantation – MM 86.0 to 91.5).

- **In Segment #12, there were 45 and 55 mph speed limits signs in 2021, as compared to 35, 45, 50, and 55 mph speed limit signs in 2023. However, the weighted average posted speed for Segment #12 remained the same (54.4 mph) in 2021 and 2023.**
- **In Segment #17, there were 45, 50 and 55 mph speed limit signs in 2021, as compared to 45 and 50 mph speed limit signs in 2023. The weighted average posted speed for Segment #17 decreased from 52.5 mph in 2021 to 45.9 mph in 2023.**
- **In Segment #21, there were 35 and 45 mph speed limit signs in 2021, as compared to only 45 mph speed limit signs in 2023. The weighted average posted speed for Segment #21 increased from 43.0 mph in 2021 to 45.0 mph in 2023.**

- **As compared to the 2021 study, the median speeds in 5 of the 24 segments increased, ranging from 0.4 mph to 1.6 mph.**
- **As compared to the 2021 study, the median speeds in 19 of the 24 segments decreased, ranging from 0.1 mph to 5.1 mph.**
- **As compared to the 2021 study, the largest decrease in speed (-5.1 mph) was recorded in Segment #1 (Stock Island – MM 4.0 to MM 5.0); the LOS changed from 'A' to 'B'.**
- **As compared to the 2021 study, the largest increase in speed (1.6 mph) was recorded in Segment #19 (Upper Matecumbe – MM 79.5 to MM 84.0); the LOS 'E' remained unchanged.**
- **As compared to the 2021 study, the significant changes in LOS were recorded in Segments #20 and #21 (Windley – MM 84.0 to MM 86.0, Plantation – MM 86.0 to 91.5); the LOS changed from 'D' to 'E' and from 'C' to 'D', respectively.**

Segments with reserve speeds of less than or equal to 3 mph should be given particular attention when approving development applications. The segments within the 'area of concern' are segment #16 (Long – MM 63 to MM 73), segment #24 (Cross – MM 106 to MM 112.5), and the 12-mile segment in the upper keys covering segments #19 (Upper Matecumbe – MM 79.5 to MM 84.0), #20 (Windley – MM 84.0 to MM 86.0) and #21 (Plantation – MM 86.0 to 91.5); the last three segments (#19, #20, #21) have no reserve capacity.

The following is a list of considerations for review:

1) **Under the adopted growth management process, if the overall LOS for US 1 falls below the LOS C Standard, then no additional land development will be allowed unless mitigation measures are implemented. Roadway widening is a typical mitigation measure (or capacity improvement) used by most agencies. However, in Monroe County, road widening (specifically along US 1) is restricted by the adopted comprehensive plan policies to preserve and protect the fragile ecological conditions. There are other remedies that could be explored and evaluated to improve the traffic flow and capacity along US 1. Some examples include:**

    - **Upgrade the traffic signal infrastructure and/or signal timing at signalized intersections along US 1 to enhance traffic flow. FDOT has programmed a signal retiming study along US 1 in Monroe County, which is expected to start in early 2024.**
    - **Provide or improve transit service or other multi-modal transportation alternatives. The Monroe County Transit Department is in the process of initiating studies/ projects to improve transit service.**
    - **Implement active traffic management and Transportation System Management & Operation type improvements, which include real-time monitoring of traffic flow and implementing measures to address traffic congestion. Video cameras at some intersections are being installed through the ongoing Keys COAST project by FDOT, which will help monitor traffic flow.**
    - **Add turn lanes at strategic locations to improve roadway capacity.**
    - **Implement access management improvements (consolidate driveways/access points, modify median openings, etc.) to reduce interruptions to US 1 traffic.**
    - **Provide and/or improve frontage roads to reduce the impacts to US 1 traffic flow. Improve local roads to minimize US 1 being used as a local street for short trips.**
    - **Do not install new traffic signals along US 1, if a safe and/or less restrictive alternative (such as indirect left-turns, a roundabout, etc.) can be provided to accommodate traffic movements.**
    - **Conduct speed studies on selected segments of US 1 to confirm if the current posted speed limits are appropriate and modify, if necessary.**

    The US 1 Master Plan has identified several locations for improvements. It is recommended that follow-up studies be conducted at those locations to evaluate the feasibility of implementing improvements (such as the ones listed above or from the Master Plan) to enhance traffic flow.

2) **This is the first Travel Time and Delay Study conducted after all COVID-19 related restrictions have been lifted and more people appear to be traveling. The traffic data collected as part of this study, indicates higher volumes as compared to 2021 traffic volumes. The increased volumes may have impacted travel speeds.**

2. INTRODUCTION

Monroe County conducted travel time and delay studies along US 1 on an annual basis from 1991 to 2013; and on a biennial basis since 2013. The data collection for years 1991 through 1996 was conducted by the Monroe County Planning Department, with assistance from the Monroe County Engineering Department, and the Florida Department of Transportation (FDOT). URS and later AECOM have collected the data for years 1997 through 2023, on behalf of the Monroe County Planning Department with assistance from the agencies identified above. This report contains the travel time/delay data and findings for the year 2023.

The US 1 ATTDS's primary objective is to monitor the level of service on US 1 for concurrency management purposes pursuant to Chapter 163, Florida Statutes, Section 114 of the Monroe County Land Development Regulations and the Monroe County Comprehensive Plan. Although US 1 is predominantly an uninterrupted two-lane roadway, the US 1 Level of Service Task Force felt that due to US 1's uniqueness, it warrants an alternative LOS evaluation process to that found in the Highway Capacity Manual (HCM).

The US 1 Level of Service Task Force was formulated in 1992 to develop a methodology for US 1 that utilizes an empirical relationship between the volume-based capacities and the speed-based LOS. The US 1 Level of Service Task Force was a multi-agency group with members from Monroe County, the Florida Department of Transportation, and the Department of Economic Opportunity (formerly known as Florida Department of Community Affairs - DCA). The methodology established by the task force is a procedure for using travel speed as a means of assessing the level of service and reserve capacity for US 1. Each member organization of the Task Force has endorsed the methodology.

The US 1 Level of Service Task Force met in 1997 to re-evaluate the LOS procedure. After several meetings, the Task Force concluded that the speed-based LOS methodology should be used to assess the LOS along US 1 in Monroe County, with a minor change. The signal delay for LOS C was increased to 25 seconds from 15 seconds to account for changes in the HCM. The study methodology was modified again by the US 1 LOS Task Force in 2021 and the signal delay for LOS C was increased to 35 seconds from 25 seconds to account for the latest changes in the HCM. A copy of the current methodology titled "A Methodology to Assess Level of Service on US 1 in the Florida Keys"- January 2021, is included in Appendix A. Another change made by the 2021 US 1 Level of Service Task Force includes how the drawbridge delay is considered in the LOS calculations. Please refer to Appendix A for additional details.

Pursuant to Section 114-2(a)(1)(a) of the Land Development Code (LDC), US 1 shall have sufficient available capacity to operate at LOS C for the overall length and the 24 roadway segments of US 1, as measured by the US 1 Level of Service Task Force Methodology. In addition, all segments of US 1, as identified in the US 1 Level of Service Task Force Methodology, which would be impacted by a proposed development's access to US 1, shall have sufficient available capacity to operate at LOS C. Section 114-2(a)(1)(b) of the LDC states, development may be approved, provided that the development in combination with all other permitted developments will not decrease travel speed by more than five percent (5%) below LOS C, as measured by the US 1

Level of Service Task Force Methodology. While development may be approved within 5% of LOS C, the proposed development shall be considered to have an impact that needs mitigation. Development mitigation may be in the form of specific improvements or proportionate shared contribution towards improvements and strategies identified by the County, and/or FDOT to address any level of service degradation beyond LOS C and/or other potential deficiencies. If any mitigation measures are proposed, they should be reviewed and approved by FDOT prior to Monroe County approval. The proposed mitigation measures could be implemented in several ways (as part of the development, as a standalone project by the developer, or as part of a programmed roadway project by City/County/FDOT) depending on the nature of the mitigation measures and the timeframe for implementation. If the mitigation measures are to be implemented through a programed project in the 5-year work program, then the proportionate share of the project costs should be estimated by the developer. This estimate has to be reviewed and approved by FDOT and Monroe County.

Although there has never been a countywide development restriction, Big Pine Key experienced a localized development restriction between 1994 and 2002.

Following the 2012 LOS evaluation, the Monroe County Board of County Commissioners (BOCC) directed the Planning Department to re-write the LDC to remove the segment-based development restriction, but after further consideration between the BOCC and County staff, it was not implemented. In 2016, Monroe County adopted the 2030 Comprehensive Plan and implementing land development code which maintained the overall and segment-based LOS for transportation concurrency.

3. MONROE COUNTY LEVEL OF SERVICE (LOS) AND RESERVE CAPACITY ASSESSMENT OVERVIEW

US 1 (Overseas Highway) is the only principal arterial serving residents and visitors in the Keys. The unique geography, land use patterns and trip making characteristics of the Florida Keys present a challenge in developing and applying a reasonable and acceptable method to assess LOS.

Although US 1 in the Florida Keys is predominantly an uninterrupted, two-lane roadway, its uniqueness warrants an alternative LOS evaluation process to the methodology provided in the Highway Capacity Manual.

A uniform method was developed in 1992 by the US 1 Level of Service Task Force to assess the level of service on US 1, then amended in 1997 and 2021 to be consistent with current HCM. The adopted method considers both the overall level of service from Key West to the mainland, and the level of service for 24 segments (see Table 2). The original methodology was developed from basic criteria and principles contained in Chapter 7 (Rural Multilane Highways), Chapter 8 (Rural Two-Lane Highways) and Chapter 11 (Urban and Suburban Arterials) of the Highway Capacity Manual. The methodology establishes a procedure for using travel speed as a means of assessing the level of service and reserve capacity for US 1 in the Florida Keys.

TABLE 2
US 1 ROADWAY SEGMENTS

SEG NO.	*APPROXIMATE MILE - MARKER*		*CONTROL POINTS*		*KEY(S)*
	Beginning	*Ending*	*Beginning*	*Ending*	
1	4.0	5.0	Cow Key Bridge (N)	Key Haven Boulevard	Stock Island, Key Haven
2	5.0	9.0	Key Haven Boulevard	Rockland Drive	Boca Chica, Rockland
3	9.0	10.5	Rockland Drive	Boca Chica Road	Big Coppitt
4	10.5	16.5	Boca Chica Road	Harris Channel Bridge (N)	Shark, Saddlebunch
5	16.5	20.5	Harris Channel Bridge (N)	Bow Channel Bridge (N)	Lower Sugarloaf, Upper Sugarloaf
6	20.5	23.0	Bow Channel Bridge (N)	Spanish Main Drive	Cudjoe
7	23.0	25.0	Spanish Main Drive	East Shore Drive	Summerland
8	25.0	27.5	East Shore Drive	Torch-Ramrod Bridge (S)	Ramrod
9	27.5	29.5	Torch-Ramrod Bridge (S)	N. Pine Channel Bridge (N)	Torch
10	29.5	33.0	N. Pine Channel Bridge (N)	Long Beach Drive	Big Pine
11	33.0	40.0	Long Beach Drive	7- Mile Bridge (S)	W. Summerland, Bahia Honda, Ohio
12	40.0	47.0	7- Mile Bridge (S)	7- Mile Bridge (N)	7-Mile Bridge
13	47.0	54.0	7- Mile Bridge (N)	Cocoa Plum Drive	Marathon, Key Colony Beach
14	54.0	60.5	Cocoa Plum Drive	Toms Harbor Ch Bridge (S)	Fat Deer Crawl, Grassy
15	60.5	63.0	Toms Harbor Ch Bridge (S)	Long Key Bridge (S)	Duck, Conch
16	63.0	73.0	Long Key Bridge (S)	Channel # 2 Bridge (N)	Long, Fiesta, Craig
17	73.0	77.5	Channel #2 Bridge (N)	Lignum Vitae Bridge (S)	Lower Matecumbe
18	77.5	79.5	Lignum Vitae Bridge (S)	Tea Table Relief Bridge (N)	Fill
19	79.5	84.0	Tea Table Relief Bridge (N)	Whale Harbor Bridge (S)	Upper Matecumbe
20	84.0	86.0	Whale Harbor Bridge (S)	Snake Creek Bridge (N)	Windley
21	86.0	91.5	Snake Creek Bridge (N)	Ocean Boulevard	Plantation
22	91.5	99.5	Ocean Boulevard	Atlantic Boulevard	Key Largo
23	99.5	106.0	Atlantic Boulevard	C-905	Key Largo
24	106.0	112.5	C-905	County Line Sign	Key Largo, Cross Key

NOTE: (N) and (S) refer to the north and south ends of the bridges, respectively

The travel speeds for the entire 108-mile stretch of US 1 and the 24 individual segments are measured by conducting travel time runs during the peak season. The peak season, for the purpose of this study, has been established by the Task Force as the six-week window beginning the second week of February and ending the fourth week of March.

Overall speeds reflect the traffic conditions experienced by motorists making long distance trips or traffic traveling the entire length of the Keys. Given that US 1 is the only principal arterial in unincorporated Monroe County, the movement of long-distance traffic is an important consideration.

Both Monroe County and the FDOT have adopted a LOS C standard for US 1. Regardless of the posted speed limit, 45 mph has been adopted as the LOS C Standard for the entire length of US 1. Under the adopted growth management process, if the overall LOS for US 1 falls below the LOS C Standard, then no additional land development will be allowed in the Florida Keys unless mitigation measures are implemented.

Segment speeds are the speeds recorded within the individual segments of US 1. The segments were defined by the Task Force to reflect roadway cross-sections, speed limits, and geographical boundaries. Segment speeds reflect the conditions experienced during local trips. Given that US 1 serves as the principal arterial in the Keys, the movement of local traffic is also an important consideration.

LOS is determined for individual segments by comparing the weighted average posted speed limits with the median travel speeds. The difference between the segment travel speed and the LOS C Standard is referred to as reserve speed. The reserve speed is converted to an estimated reserve capacity of additional traffic volume. If the travel speed falls below the LOS C Standard, additional trips equivalent to 5% of LOS C capacity can be allowed, to accommodate a limited amount of development to continue until traffic speeds are measured again the following year or until remedial actions are implemented. While development may be approved within 5% of LOS C, the proposed development shall be considered to have an impact that needs mitigation.

4. DATA COLLECTION

The field data collection took place between March 5, 2023 and March 18, 2023. The data was recorded by date, day of the week, time of the day, and direction of travel. Fourteen (14) round trips were made to complete the required 28 travel time runs. These runs represent a sample of two runs for each day. The data collection methodology and the data collected are presented in Appendices A and B, respectively. The seven-day, 24-hour traffic data was collected in Islamorada, Marathon, and Big Pine Key from March 13, 2023 to March 19, 2023. The volume data is provided in Appendix C.

The field studies employed a staggered schedule of departure times previously approved by the Task Force to capture peak hour conditions in as many different locations as possible during the approximately 2.5-hour one-way trip between Key West and the mainland. The staggered schedule of departure also helps to capture the varied trip purposes and time frames within the Keys.

In addition, supplemental travel time runs were conducted (as required by the 2021 US 1 LOS Methodology Update) between March 15, 2023 and March 17, 2023 in the four southernmost segments to better reflect AM and PM peak conditions associated with traffic entering and exiting the City of Key West. It should be noted that the results of the supplemental runs are included in the 2023 ATTDS Report for informational purposes only and are not used in the LOS calculations. This information is to be reviewed to decide if supplemental runs should be incorporated into future ATTDS and LOS calculations, as directed by the Monroe County BOCC.

5. FIELD OBSERVATIONS

Traffic Signals

There are 17 traffic signals, two flashing signals, seven emergency signals, one drawbridge signal, one Pedestrian Hybrid Beacon (PHB) and two pedestrian signals along the study corridor:

LOCATION	APPROX. MILE MARKER	SEGMENT
College Road	4.4	1
Cross Street	4.6	1
McDonald Avenue	4.8	1
3rd Street (Flashing Signal)	4.9	1
Emerald Drive (Emergency Signal)	10.5	3
Sugarloaf Boulevard (Flashing Signal)	10.5	5
Crane Boulevard	19.5	5
Key Deer Boulevard	30.3	10
33rd Street	48.5	13
Sombrero Beach Road	50.0	13
89th Street (Emergency Signal)	51.7	13
107th Street	52.4	13
109th Street	52.5	13
Pedestrian Crossing – 121st Street	53.0	13
Sadowski Causeway	53.5	13
Coco Plum Drive	54.0	13/14
Layton Drive (Emergency Signal)	68.4	16
Snake Creek Bridge (Drawbridge Signal)	85.7	20
Woods Avenue	90.0	21
Bessie Road	90.5	21
Ocean Boulevard	91.5	21/22
Jo-Jean Way (Emergency Signal)	92.0	22
Burton Drive	92.6	22
Fisherman's Trail (Emergency Signal)	99.1	22
East Drive (Emergency Signal)	99.2	22
Ocean Bay Drive/Atlantic Boulevard	99.5	22/23
Pedestrian Crossing (PHB) – Bay Drive	99.8	23
Tarpon Basin Drive	101.0	23
Pedestrian Crossing – Bowen Drive	105.0	23
CR-905 (Emergency Signal)	106.5	23/24

As it was done in the past, only a partial impact of the signal was considered for the pedestrian signals mentioned above. The delays associated with traffic signals located at the beginning or end of segments, such as Coco Plum Drive, Ocean Boulevard and Atlantic Boulevard intersections, are divided between the two adjacent segments.

The three closely-spaced traffic signals in Stock Island (Segment 1) were observed to experience slightly less delay events (11 in 2023 vs. 13 in 2021) but increased total delay (13 minutes and 20 seconds in 2023 vs. 7 minutes and 3 seconds in 2021) as compared to the year 2021.

The six traffic signals in Marathon (Segment 13) were observed to experience more events and significantly more total delay as compared to the year 2021. The number of delay events increased to 45 in 2023 vs. 37 in 2021. The total delay time caused by these signals was 39 minutes and 18 seconds in 2023 as compared to 15 minutes and 21 seconds in 2021.

The last signal retiming study that included 16 traffic signals along US 1, was performed by FDOT in 2019. It is possible that a new Countywide signal retiming study (along US 1) may help reduce the overall signal delay.

Traffic Counts

Mechanical traffic counters and hoses were installed on March 13, 2023 along US 1 at the following locations:

- **Big Pine Key, on the south side of the North Pine Channel Bridge (MM 29);**
- **Marathon, in front of McDonalds (MM 50);**
- **Upper Matecumbe, on the south side of the Whale Harbor Bridge (MM 84).**

As compared to the volumes collected in 2021, the traffic volumes collected in 2023 were found to be higher in Big Pine, Marathon and Upper Matecumbe Keys (see Table 3). Additional traffic data was collected to identify localized differences in traffic volumes in Big Pine Key. Please see Appendix C for a summary of this data.

6. RESULTS AND DISCUSSIONS

Traffic Volumes

US 1 is predominately a four-lane facility in Marathon and a two-lane facility in Upper Matecumbe and Big Pine Key. Seven-day continuous traffic counts recorded between March 13 and March 19, 2023 at the three locations listed below were used to calculate the average daily traffic (ADT) and annual average daily traffic (AADT). The 7-day average volumes were used along with seasonal and axle factors to estimate the 2023 AADTs. Traffic data summaries are included in Appendix C.

Location	5-Day ADT	7-Day ADT	AADT
Big Pine Key (MM 29)	23,427	22,428	19,580
Marathon (MM 50)	38,262	36,739	32,430
Upper Matecumbe (MM 84)	26,152	26,908	23,751

The 2023 ADT increased in Big Pine (2 - 3%), Marathon Key (2 - 3%) and Upper Matecumbe (6 - 9%) Keys as compared to 2021. A detailed historical comparison of the US 1 traffic counts for the period from 1993 to 2023 is presented in Appendix D. A comparison of the most recent data (2010 to 2023) is presented in Table 3 and represented graphically in Figure 1.

US 1 historical traffic growth is depicted in a regression analysis graph in Figure 2. A linear regression analysis of the AADT at each of the three locations over the last 26 years indicates that there is a slight increase in overall traffic growth at the Marathon and Upper Matecumbe count locations, and an overall slightly decreasing trend in traffic volumes for the Big Pine count location (but the last 4-year data shows an increasing trend).

Overall Speeds

The Level of Service (LOS) criteria for overall speeds on US 1 in Monroe County, as adopted by the Task Force, is as follows:

LOS A	**51.0 mph or above**
LOS B	**50.9 mph to 48 mph**
LOS C	**47.9 mph to 45 mph**
LOS D	**44.9 mph to 42 mph**
LOS E	**41.9 mph to 36 mph**
LOS F	**below 36 mph**

Both Monroe County and the FDOT have adopted a LOS C standard for US 1.

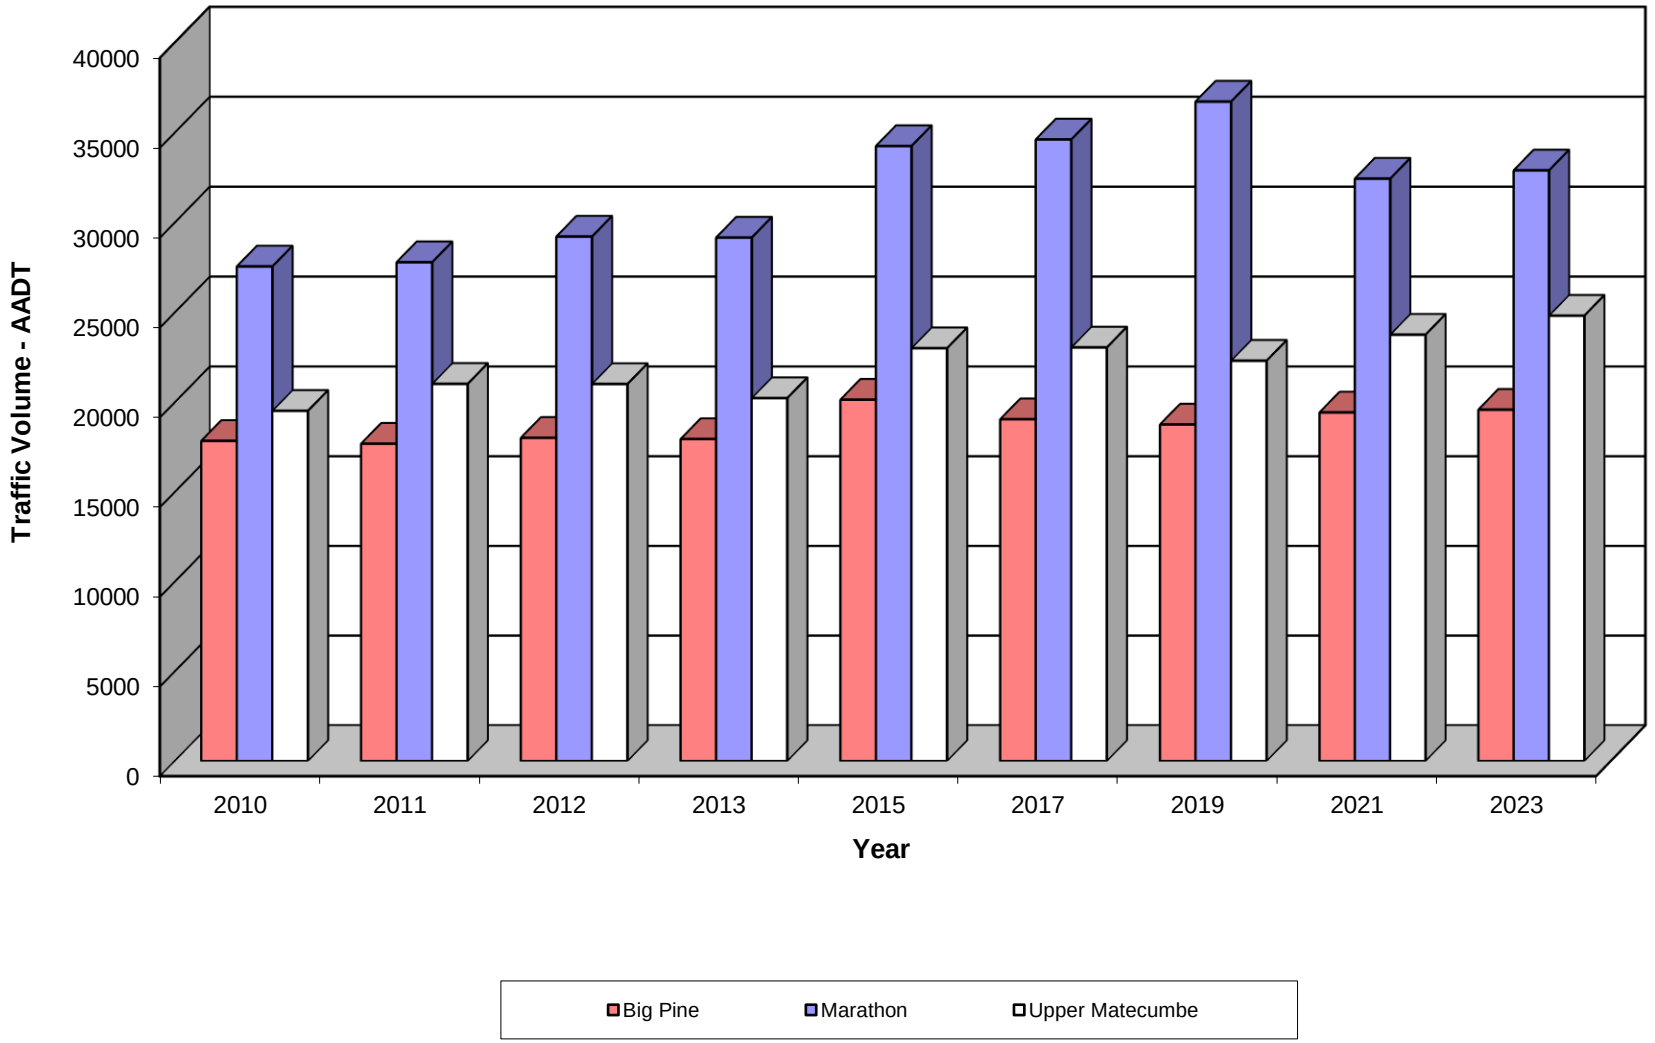
Figure 1: U.S. 1 AADT - HISTORICAL COMPARISON



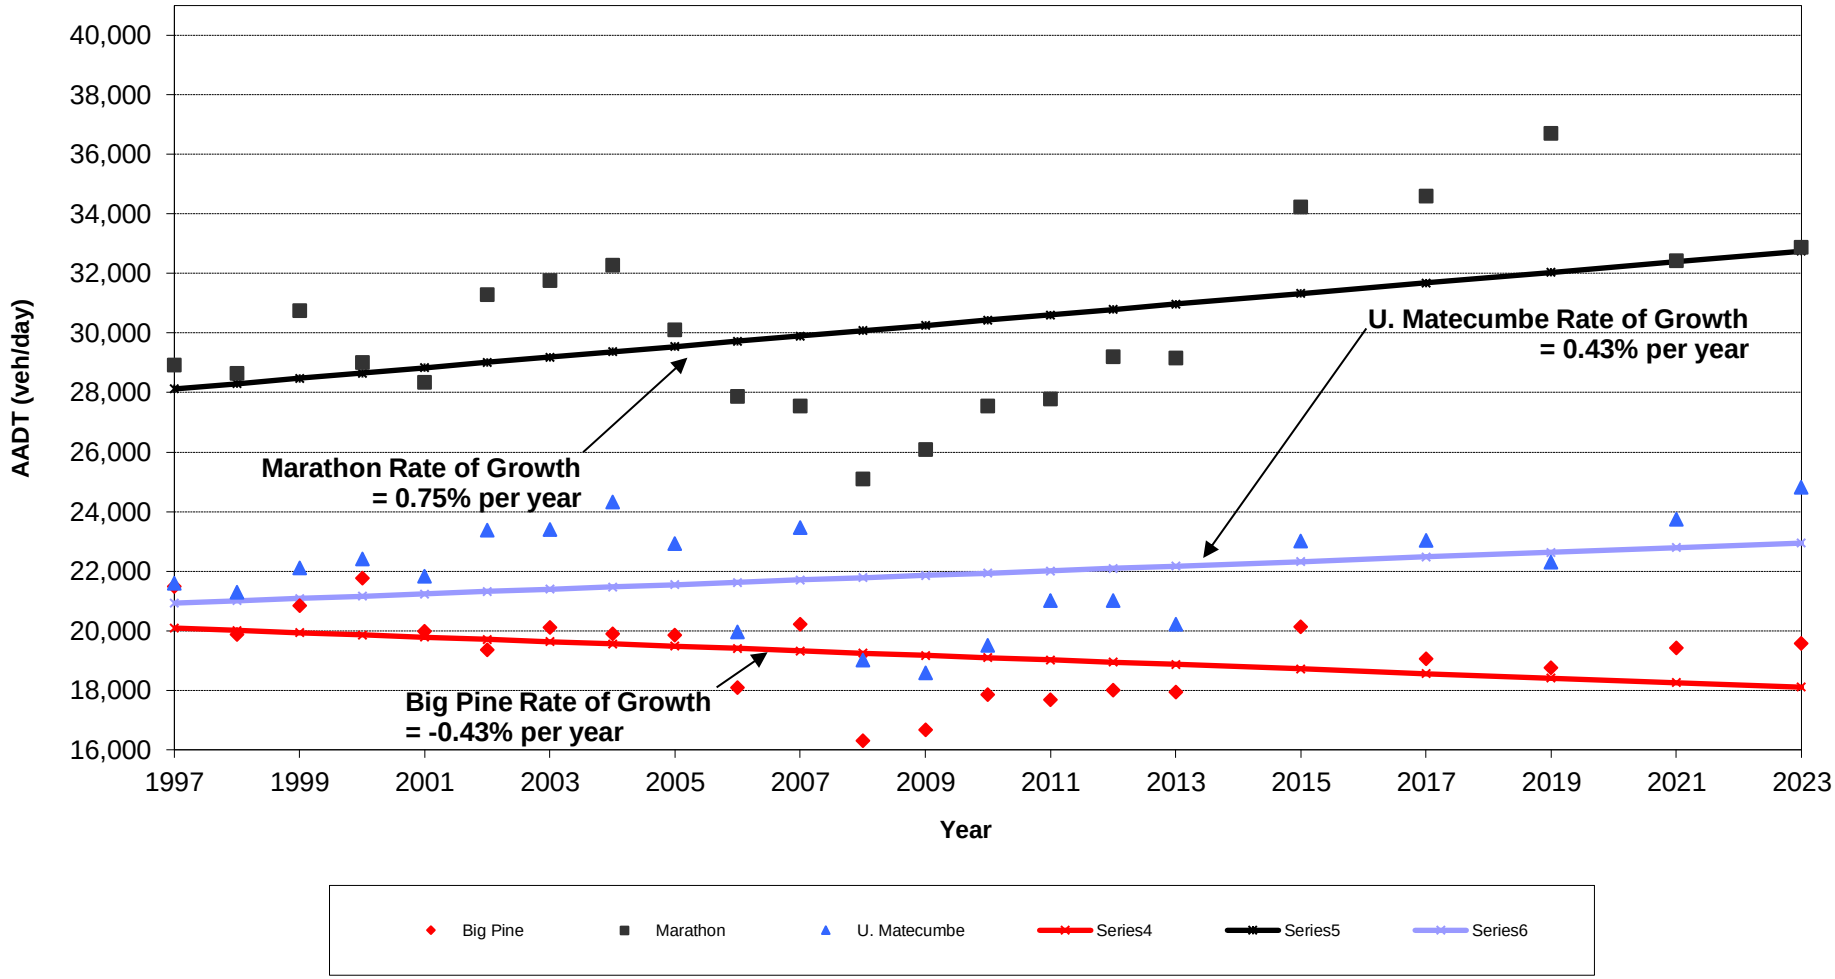


Figure 2: U.S. 1 Historical Traffic Growth
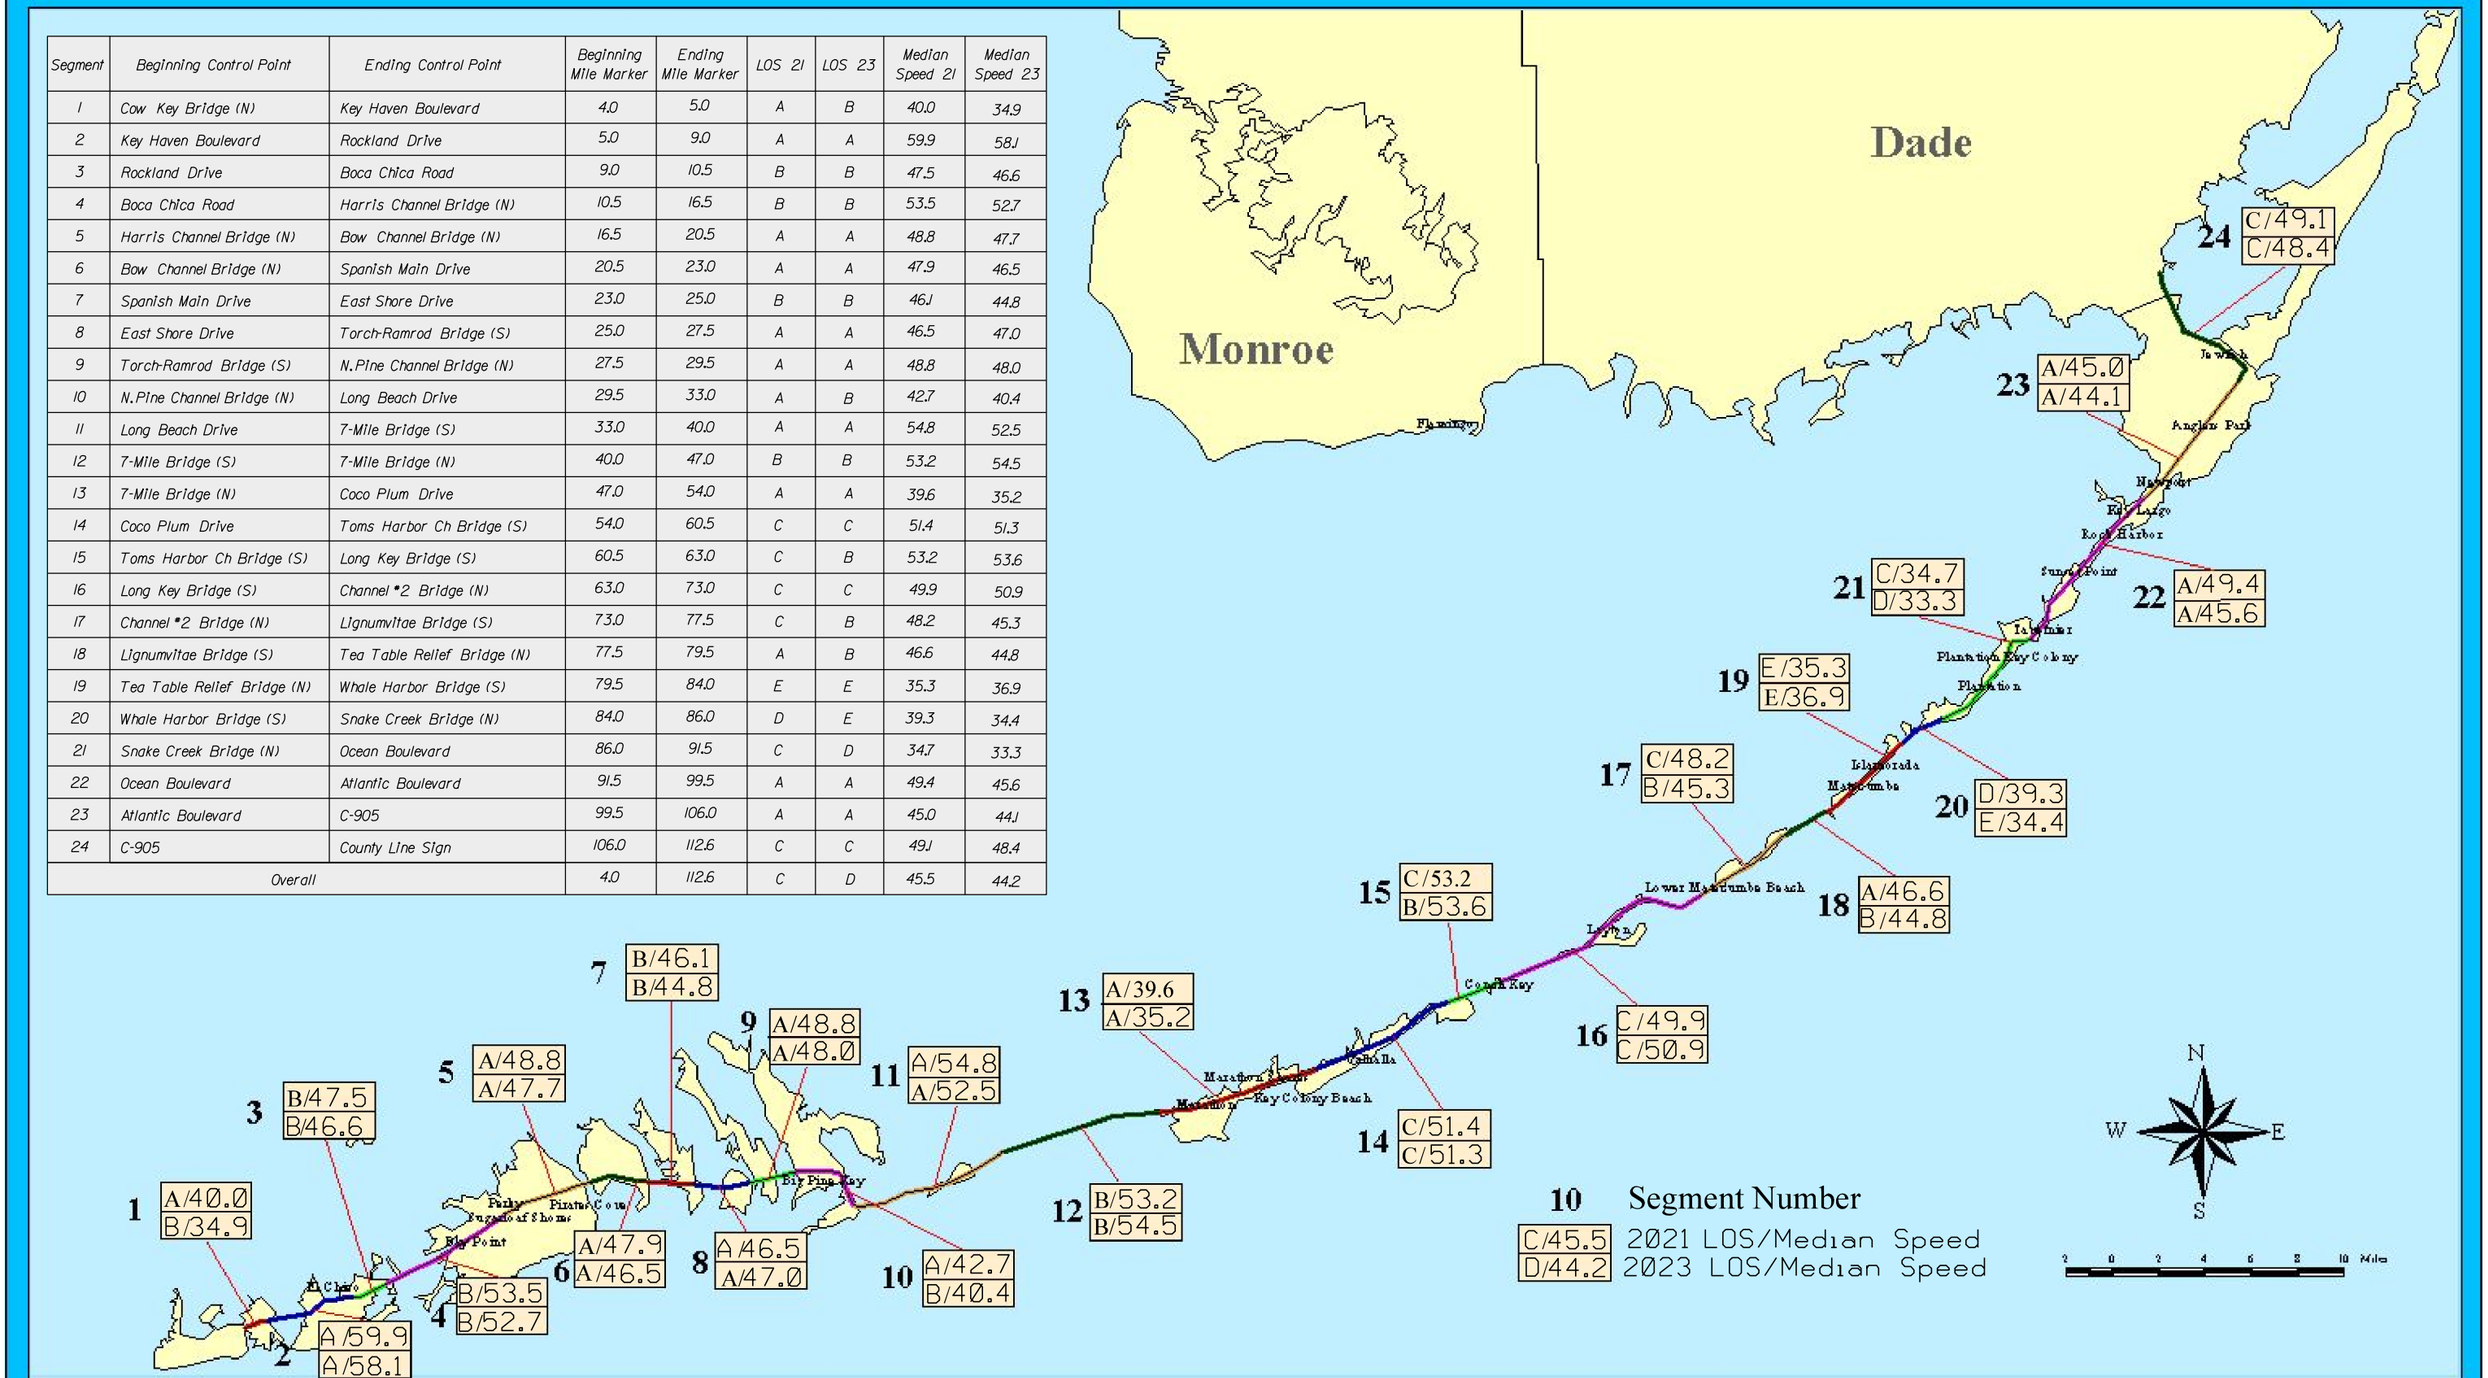
AADT

The overall median speed during the 2023 ATTDS was 44.2 mph, which is 1.3 mph lower than the 2021 median speed of 45.5 mph. The median speed corresponds to LOS D. The highest overall speed recorded during the 14-day ATTDS was 47.6 mph (2.0 mph lower than the 2021 highest overall speed of 49.6 mph), which occurred on Saturday, March 11, 2023 in the northbound direction. The lowest overall speed recorded was 36.6 mph (1.1 mph higher than the 2021 lowest overall speed of 35.5 mph), which occurred on Thursday, March 16, 2023 in the southbound direction. The 2023 travel speed data is summarized in Appendix E. See Appendix F for comparisons of speed data from the 2023 study to previous years data.

Segment Speeds

Segment speeds are the speeds recorded within individual segments of US 1. Segment speeds reflect the conditions experienced during local trips. Given that US 1 serves as the main arterial in the Keys, the movement of local traffic along US 1 is also an important consideration.

The level of service criteria for segment speeds on US 1 in Monroe County depends on the flow characteristics and the posted speed limits within the given segment. The criteria, listed by type of flow characteristic, are explained in the LOS Methodology provided in Appendix A, and summarized below.



Interrupted Flow
LOS A ≥ 35 mph
LOS B ≥ 28 mph
LOS C ≥ 22 mph
LOS D ≥ 17 mph
LOS E ≥ 13 mph
LOS F < 13 mph

Uninterrupted Flow
LOS A ≥ 1.5 mph above the posted speed limit
LOS B ≥ 3.0 mph below LOS A
LOS C ≥ 6.0 mph below LOS A
LOS D ≥ 9.0 mph below LOS A
LOS E ≥ 15.0 mph below LOS A
LOS F < 15.0 mph below LOS A

For all "uninterrupted" segments containing isolated traffic signals, the travel times were reduced by 35 seconds per signalized intersection and 3 seconds per pedestrian signal to account for delay due to signals. The Marathon and the Stock Island segments are considered "interrupted" flow facilities, which are evaluated using the interrupted flow LOS criteria shown above. Therefore, no adjustments (to account for delay at signals) were made to travel times in these segments.

The segment limits, median travel speeds, and Level of Service (for 2021 and 2023) for each segment are presented in Figure 3. The median segment speed ranged from 58.1 mph in the Boca Chica segment to 33.3 mph in the Plantation segment. A summary of LOS changes, as compared to the 2021 ATTDS, are shown in the following pages.

Segment	Beginning Control Point	Ending Control Point	Beginning Mile Marker	Ending Mile Marker	LOS 21	LOS 23	Median Speed 21	Median Speed 23
1	Cow Key Bridge (N)	Key Haven Boulevard	4.0	5.0	A	B	40.0	34.9
2	Key Haven Boulevard	Rockland Drive	5.0	9.0	A	A	59.9	58.1
3	Rockland Drive	Boca Chica Road	9.0	10.5	B	B	47.5	46.6
4	Boca Chica Road	Harris Channel Bridge (N)	10.5	16.5	B	B	53.5	52.7
5	Harris Channel Bridge (N)	Bow Channel Bridge (N)	16.5	20.5	A	A	48.8	47.7

$FILE$
$TIME$
$DATE$

There are LOS changes in 7 segments in 2023 study compared to the 2021 study – the LOS for five segments have degraded, and the LOS for two segments have improved.

- **Stock Island segment (1) changed from LOS 'A' to LOS 'B'**
- **Big Pine segment (10) changed from LOS 'A' to LOS 'B'**
- **Duck segment (15) changed from LOS 'C' to LOS 'B'**
- **Lower Matecumbe segment (17) changed from LOS 'C' to LOS 'B'**
- **Tea Table segment (18) changed from LOS 'A' to LOS 'B'- Village of Islamorada**
- **Windley segment (20) changed from LOS 'D' to LOS 'E' - Village of Islamorada**
- **Plantation segment (21) changed from LOS 'C' to LOS 'D'- Village of Islamorada**

LOS A	LOS B	LOS C	LOS D	LOS E
	(-) Stock Island (1) (-) Big Pine (10) (+) Duck (15) (+) L. Matecumbe (17) (-) Tea Table (18)		(-) Plantation (21)	(-) Windley (20)

As compared to the 2021 study, the median segment speeds decreased in 19 of the 24 segments, ranging between 0.1 mph and 5.1 mph, and increased in 5 segments, ranging from 0.4 mph to 1.6 mph.

The largest increase in speed (+1.6 mph) was recorded in Segment #19 (Upper Matecumbe – MM 79.5 to MM 84.0); The largest reduction in speed (-5.1 mph) was recorded in Segment #1 (Stock Island – MM 4.0 to MM 5.0).

As compared to the 2021 study, the LOS degraded in five of the 24 segments, and improved in two segments. The LOS did not change in the rest of the segments. The significant LOS changes recorded in Segments #20 (Windley – MM 84.0 to MM 86.0; LOS changed from 'D' to LOS 'E'), #21 (Plantation – MM 86.0 to MM 91.5; LOS changed from 'C' to LOS 'D').

Summary tables of the measured travel speeds by day, segment, and fourteen-day average are included in Appendix E.

Supplemental Travel Time Runs

Supplemental travel time runs were conducted (as required by the 2021 US 1 LOS Methodology Update) between March 15, 2023 and March 17, 2023 in the four southernmost segments to better reflect AM and PM peak conditions associated with traffic entering and exiting the City of Key West. The supplemental runs indicate that the travel speeds in Segment 1 and 3 are relatively lower during peak hours, as compared to the travel speeds measured during travel time runs conducted using the staggered schedule. However, the peak hour LOS for all four segments remained unchanged (LOS B for segment 1, LOS A for segment 2, LOS D for segment 3 and LOS B for segment 4). A summary table of measured travel speeds by day, segment and three-day average from the supplemental travel runs is also included in Appendix E. It should also be noted that the results of the supplemental runs are included in the 2023 ATTDS Report for informational purposes only and are not used in the LOS calculations. This information is to be reviewed to decide if supplemental runs should be incorporated into future ATTDS and LOS calculations, as directed by the Monroe County BOCC.

Delay

A delay event starts whenever the speed of the test vehicle falls below 5 mph. The delay event continues until the test vehicle's speed increases to 15 mph. During the study, the observers encountered a total of 332 separate delay events. Thirty-seven (37) of these delay events, resulting in 5 hours 42 minutes and 27 seconds, were excluded from the overall and the segment travel time calculations. The excluded delays were caused by non-recurring events, such as accidents and road construction.

A detailed listing of the specific sources of delay is included in Appendix H of this report. It should be noted that segment # 25 (MM 112.6 – MM 126.5), which belongs to Miami-Dade County was not included in the total delay calculations. However, the delays in that segment were listed in Appendix H. A summary of the delay data (as compared to 2021 data), is provided in Table 4. The mean delay per trip is the total delay recorded for a given delay event divided by the study's 28 one-way trips. The mean delay per trip is found to be 28 minutes and 53 seconds.

TABLE 4
DELAY DATA SUMMARY AND COMPARISON

Delay Source	Number of Events		Total Delay		Excluded Time		Mean Delay Per Event		Mean Delay Per Trip	
	2023	(2021)	2023	(2021)	2023	(2021)	2023	(2021)	2023	(2021)

Signal Delays

The third largest recurring delay was caused by traffic signals. During the 2023 study, 164 observable signal delay events were noted in the vicinity of the signalized intersections as compared to 124 delay events in 2021. Traffic signals resulted in a total delay of 2 hours, 18 minutes and 12 seconds in 2023, as compared to 1 hour and 8 seconds in 2021. Some notable observations based on signal delay are provided below:

- **The mean delay per event for signals in Segments # 1, 10, 13 and 22 was higher than the LOS C threshold value of 35 seconds (deducted as per the methodology).**
- **The average signal delay per trip for Segment # 1 was lower (29 seconds) than the 35 second threshold; the average signal delay per trip for Segment # 23 was higher (41 seconds) than the 35 second threshold.**
- **The signal at Sombrero Beach Road (Segment # 13) caused the most delay, 24 minutes and 12 seconds, which accounted for 18% of the total signal delay. In**

addition, the signal at Sombrero Beach Road had the highest mean delay per event with 14 signal delay events, at 1 minute and 44 seconds.

- The signal at Atlantic Boulevard (Segment # 22/23) caused the second highest delay, 22 minutes and 55 seconds, (from a total of 29 delay events), which accounted for 17% of the total signal delay.
- The signal at Key Deer Boulevard in the Big Pine segment (Segment # 10) caused the third highest delay (from a total of 13 delay events), which accounted for 14% of the total signal delay.
- The Marathon segment (Segment # 13) experienced the highest number of signal delay events (45), as well as signal delay with 39 minutes and 18 seconds delay (28% of the total signal delays).

The last signal retiming study that included 16 traffic signals along US 1, was performed by FDOT in 2019. It is possible that signal retiming at the above segments/locations may help reduce the signal delay, which may improve the overall US 1 Level of Service. FDOT has programmed a signal retiming study along US 1 in Monroe County, which is expected to start in early 2024.

Accident Delay

The accident-related delays, although non-recurring, were observed to be the sixth highest delay event category during the 2023 study. Two accident delay events were recorded during the 2023 study, accounting for 9 minutes and 2 seconds of delay. The accident delays were excluded from the overall and segment travel times.

Turning Vehicles Delay

There were 22 left-turn delay events during the 2023 study. Left-turn delays accounted for 7 minutes and 47 seconds, with a mean delay of 21 seconds.

Drawbridge Delay

The bridge across the Snake Creek was the only drawbridge observed along the entire length of the study segment. There were six drawbridge events during the 2023 study, compared to two events in the 2021 travel time study. Drawbridge delays accounted for 35 minutes and 32 seconds, with an average delay of 5 minutes and 55 seconds per event. The drawbridge delays were excluded from the overall and segment travel times.

Congestion Delay

Congestion related delay represents the largest recurring delay observed during the 2023 study. There were 109 congestion related delay events, resulting in 5 hours 20 minutes and 7 seconds of delay. It is possible that some of this delay was caused by inadequate roadway capacity, stop and go conditions in the vicinity of signalized intersections, drawbridge openings, accidents, vehicles turning from through lane, etc. Specific sources of congestion were not always visible to the observers in the test vehicle, especially if the test vehicle was in a long queue; or the delay event has ended (such as red signal indication may have changed to green or the open drawbridge may have been lowered, or accident scene has been cleared) by the time the test vehicle approached the event location.

Construction Delay

Construction delays accounted for 4 hours 29 minutes and 55 seconds during the 2023 study, as compared to 2 hours 14 minutes and 56 seconds construction delay during the 2021 study. Construction related delay represents the second largest single delay observed during the 2023 study. There was significant increase in construction delay

during the 2023 study as compared to 2021 study. For example, emergency water main repairs at MM 84 affected travel time runs on March 8 and March 9; only SB direction of travel was allowed at a time on US 1, while the NB traffic was diverted to Old Hwy (parallel to US 1) and afterwards merged back to US 1; flagger operations were used for traffic management. In addition, significant construction delays were caused due to regular road work on the right shoulder that affected several travel time runs; cones were placed on the right shoulder over a long distance at the Village of Islamorada, especially in the SB direction. Construction vehicles may have caused actual interference with traffic, but observers could not visually confirm during the travel time runs. The construction delays were excluded from the overall and segment travel times.

Reserve Capacities

The difference between the median speed and the LOS C Standard speed gives the reserve speed, which in turn can be converted to an estimated reserve capacity. The overall median speed of 44.2 mph compared to the LOS C standard of 45 mph results in a negative overall reserve speed of -0.8 mph. This reserve speed is converted into an estimated number of reserve trips using the formula below:

$$\text{Reserve Volume} = \frac{\text{Reserve Speed} \times K \times \text{Overall Length}}{\text{Trip Length}}$$

$$\text{Reserve Volume} = \frac{\text{Reserve speed} \times 1656 \text{ daily trips/mph} \times 112 \text{ miles}}{10 \text{ miles}}$$

Applying the formula for reserve volume to each of the 24 segments of US 1 individually gives maximum reserve volumes for all segments totaling 90,496 trips. These individual reserve volumes may be unobtainable, due to the constraint imposed by the overall reserve volume.

County regulations and FDOT policy allow segments that fail to meet the LOS C standards to receive an allocation not to exceed five percent below the LOS C standard. The so-called five percent allocations were calculated for such segments as follows:

$$\text{5\% Allocation} = \frac{(\text{median speed} - 95\% \text{ of LOS C}) \times 1656 \times \text{Length}}{\text{Trip Length}}$$

The following three segments were identified to be functioning below the LOS C threshold: Segment #19 (Upper Matecumbe), Segment #20 (Windley) and Segment #21 (Plantation). These three segments have depleted their reserve capacities. All three segments are in the Village of Islamorada.

A summary table displaying level of service and reserve capacity values for each segment as well as overall US 1 are contained in Appendix G.

7. SUMMARY

The following is a summary of the 2023 Travel Time and Delay Study results as compared to the 2021 Travel Time and Delay Study:

a) The average daily traffic volumes (ADTs) have increased in Big Pine (2 - 3%), Marathon (2 - 3%) and Upper Matecumbe (6 - 9%) Keys as compared to 2021 volumes.

b) The overall travel speed on US 1 based on the 2023 study is 44.2 mph, which is 1.3 mph lower than the 2021 overall travel speed.

c) As compared to the 2021 data, the median travel speeds in 19 of the 24 segments have decreased. They are:

- Boca Chica (-1.8 mph)	- Grassy (-0.1 mph)
- Sugarloaf (-1.1 mph)	- Big Pine (-2.3 mph)
- Cudjoe (-1.4 mph)	- Torch (-0.8 mph)
- Big Coppitt (-0.9 mph)	- Bahia Honda (-2.3 mph)
- Tavernier (-3.8 mph)	- Windley (-4.9 mph)
- Key Largo (-0.9 mph)	- L Matecumbe (-2.9 mph)
- Stock Island (-5.1 mph)	- Tea Table (-1.8 mph)
- Marathon (-4.4 mph)	- Plantation (-1.4 mph)
- Summerland (-1.3 mph)	- Cross (-0.7 mph)
- Saddlebunch (-0.8 mph)	

Median travel speeds in five segments have increased. They are:

- Duck (+0.4 mph)	- Ramrod (+0.5 mph)
- Long (+1.0 mph)	- U Matecumbe (+1.6 mph)
- 7-Mile Bridge (+1.3 mph)	

d) As compared to the 2021 study, there are LOS changes in seven of the 24 segments – the LOS for five segments have degraded, and the LOS for two segments have improved. Segment # 20 (Windley – MM 84.0 – MM 86.0) LOS changed from LOS 'D' to 'E'. Segment # 21 (Plantation – MM 86.0 – MM 91.5) LOS changed from LOS 'C' to 'D'. The LOS for Segment #19 (Upper Matecumbe – MM 79.5 – MM 84.0) remained at LOS 'E'. These three segments have no reserve capacity and should be given special attention.

e) There were six drawbridge delay events during the 2023 study, as compared to two drawbridge delay events in the 2021 study. Drawbridge delays accounted for 35 minutes and 32 seconds, with an average delay of 5 minutes and 55 seconds.

f) There were 18 construction delay events in 2023 (accounted for 4 hours 29 minutes and 55 seconds), as compared to 10 construction delay events (accounted for 2 hours 14 minutes and 56 seconds) in 2021.

g) There were 164 signal related delay events in 2023, resulting in 2 hours 18 minutes and 12 seconds of delay, as compared to 1 hour and 8 seconds (in 124 signal related events) in 2021. The signal delay events contributed to 4 minutes and 56 seconds of delay per trip on an average, which is higher when compared to the 2021 average signal delay per trip of 2 minutes and 9 seconds.

h) Segments with reserve speeds of less than or equal to 3 mph should be given particular attention when approving development applications. Based on the 2023 study, there are five segments in this category (compared to seven segments in the 2021 study).

- Long (MM 63.0 – MM 73.0)	**- U. Matecumbe (MM 79.5 – MM 84.0)**
- Cross (MM 106.0 – MM 112.5)	**- Windley (84.0 – 86.0)**
- Plantation (86.0 – 91.5)	

The following is a list of considerations for review:

1) **Under the adopted growth management process, if the overall LOS for US 1 falls below the LOS C Standard, then no additional land development will be allowed unless mitigation measures are implemented. Roadway widening is a typical mitigation measure (or capacity improvement) used by most agencies. However, in Monroe County, road widening (specifically along US 1) is restricted by the adopted comprehensive plan policies to preserve and protect the fragile ecological conditions. There are other remedies that could be explored and evaluated to improve traffic flow and capacity along US 1. Some examples include:**

   - **Upgrade the traffic signal infrastructure and/or signal timing at signalized intersections along US 1 to enhance traffic flow. FDOT has programmed a signal retiming study along US 1 in Monroe County, which is expected to start in early 2024.**
   - **Provide or improve transit service or other multi-modal transportation alternatives. The Monroe County Transit Department is in the process of initiating studies/ projects to improve transit service.**
   - **Implement active traffic management and Transportation System Management & Operation type improvements, which include real-time monitoring of traffic flow and implementing measures to address traffic congestion. Video cameras at some intersections are being installed through the ongoing Keys COAST project by FDOT, which will help monitor traffic flow.**
   - **Add turn lanes at strategic locations to improve roadway capacity.**
   - **Implement access management improvements (consolidate driveways/access points, modify median openings, etc.) to reduce interruptions to US 1 traffic.**
   - **Provide and/or improve frontage roads to reduce the impacts to US 1 traffic flow. Improve local roads to minimize US 1 being used as a local street for short trips.**
   - **Do not install new traffic signals along US 1, if a safe and/or less restrictive alternative (such as indirect left-turns, a roundabout, etc.) can be provided to accommodate traffic movements.**
   - **Conduct speed studies on selected segments of US 1 to confirm if the current posted speed limits are appropriate and modify, if necessary.**

   The US 1 Master Plan has identified several locations for improvements. It is recommended that follow-up studies be conducted at those locations to evaluate the feasibility of implementing improvements (such as the ones listed above or from the Master Plan) to enhance traffic flow.

2) **This is the first Travel Time and Delay Study conducted after all COVID-19 related restrictions have been lifted and more people appear to be traveling. The traffic data collected as part of this study, indicates higher volumes as compared to 2021 traffic volumes. The increased volumes may have impacted travel speeds.**

AECOM

MONROE COUNTY, FLORIDA
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
RESOLUTION NO. 064 -2021

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS APPROVING UPDATES TO THE U.S. 1 LEVEL OF SERVICE ("L.O.S.") METHODOLOGY BASED ON RECOMMENDATIONS MADE BY THE U.S. 1 L.O.S. TASK FORCE WHICH EVALUATED CONSIDERATIONS IDENTIFIED IN THE DRAFT 2019 ARTERIAL TRAVEL TIME AND DELAY STUDY ("ATTDS").

WHEREAS, in August, 1991, the BOCC adopted the U.S. 1 Level of Service ("L.O.S.") C as measured by the U.S. 1 L.O.S. Methodology established by the U.S. 1 L.O.S. Task Force; and

WHEREAS, on December 10, 1997, the BOCC approved an amendment to the U.S. 1 L.O.S. Methodology based on recommendations of the U.S. 1 L.O.S. Task Force; and

WHEREAS, on July 15, 2020, the BOCC considered the Draft 2019 Arterial Travel Time & Delay Study ("ATTDS"), prepared by the County's traffic consultant, AECOM Technical Services, Inc. ("AECOM"), which identified several considerations regarding methodology; and

WHEREAS, at the July 15, 2020, meeting, the BOCC directed staff to re-engage the U.S. 1 L.O.S. Task Force to evaluate the L.O.S. methodology and consider updates to it based on the considerations identified in the Draft 2019 ATTDS; and

WHEREAS, on October 21, 2020, the BOCC adopted Resolution No. 355-2020, reconvening the U.S. 1 L.O.S. Task Force and tasking the U.S. 1 L.O.S. Task Force with evaluating the L.O.S. Methodology and potential updates to it based on the considerations identified in the draft 2019 ATTDS; and

WHEREAS, U.S. 1 L.O.S. Task Force met on November 10, 2020, January 6, 2021, and January 21, 2021, to evaluate the L.O.S. methodology and to consider updates to it based on the considerations identified in the Draft 2019 ATTDS; and

WHEREAS, U.S. 1 L.O.S. Task Force agreed to the following recommended items through a roll call for vote for the update to the L.O.S. methodology at the January 21, 2021, meeting:

1. Signal Delay: Increase to 35 seconds (to be consistent with the current Highway Capacity Manual);

2. Signal Delay: Continue to apply to only uninterrupted segments (not overall U.S.-1 L.O.S. calculations);

3. Drawbridge Delay: Deduct delays due to drawbridge openings from the time run calculations for both affected segments and overall U.S.-1, using a delay time of 6 minutes (average gate closure time based on FDOT data for drawbridge delays), and applying to only those travel runs which were impacted by bridge openings;

4. Overall L.O.S. calculation methodology for segments versus overall U.S.-1 will stay the same;

5. Travel Time Schedule: Conduct 2021 travel time runs based on current schedule. Also, conduct supplemental runs in the southbound direction within Segments 1 to 4 during AM peak (7-8 AM) on Wednesday, Thursday and Friday of the second week. Additionally, conduct supplemental runs in the northbound direction within Segments 1 to 4 during the PM Peak (5-6 PM) on Wednesday, Thursday, and Friday of the second week. The results of the supplemental runs will be included in the 2021 ATTDS Report for informational purposes only and will not be used in overall L.O.S. calculations. This information will be reviewed to decide if supplemental runs should be incorporated into future ATTDS and L.O.S. calculations, as directed by the Monroe County BOCC; and

6. Include by reference the Data Collection Methodology into the U.S. 1 L.O.S. Methodology document.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, THAT:

Section 1. The recitals contained herein are true and correct and are hereby incorporated as if fully set forth herein.

Section 2. The Board of County Commissioners does hereby adopt the recommendations of the U.S. 1 L.O.S. Task Force and the 2021 Updated methodology document, *A Methodology To Assess Level-Of-Service On US-1 In The Florida Keys*, attached as Exhibit A, for County use.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of the Board held on the 17th day of February, 2021.

DRAFT UPDATE

January 2021

Updated by AECOM Technical Services, Inc.
Based on input from the 2019/2020 US-1 LOS Task Force

ABSTRACT

This paper presents the methodology developed to assess level-of-service (LOS) on US-1 in the Florida Keys. Although predominantly an uninterrupted flow two-lane roadway in the Keys, US-1's uniqueness warrants all alternative LOS evaluation process to that found in the 1985 Highway Capacity Manual.

U.S.-1 extends from the Key West to the Florida mainland with no major roads intersecting it. Furthermore, no other principal arterial serves the Keys or the Keys' resident and tourist population, over 100,000. Its unique geography, land use patterns, trip making characteristics presented a challenge in developing and applying a reasonable and acceptable method to assess its LOS.

A uniform method was developed to assess LOS on U.S.-1 to cover both its overall arterial length from Key West to the Florida mainland, and 24 roadway segments delineated. The methodology employs average travel speed as the main measure of effectiveness. It was developed from basic criteria and principles contained in Chapters 7 (Rural Multilane Highways), 8 (Rural Two-Lane Highways) and 11 (Urban and Suburban Arterials) of the 1985 Highway Capacity Manual.

The results of the study correlate well with perceived operating conditions on US-1 and over a two- year period the methodology appears to have a good level of reliability. The authors recommend that for uninterrupted flow conditions in developed areas, Chapters 7 and 8 of the Highway Capacity Manual incorporates average travel speed as the main measure of effectiveness to determine LOS.

A METHOD TO ASSESS LEVEL-OF-SERVICE ON US-1 IN THE FLORIDA KEYS

INTRODUCTION

The purpose of this paper is to present the methodology developed by the Monroe County US-1 level- of-service (LOS) Task Force to assess LOS on US-1 (the Overseas Highway) in the Florida Keys (1). The authors are members of the referenced task force.

US-1 which is mostly two-lanes, has unique geographic and trip characteristics. It extends through the Florida Keys covering approximately 180 kilometers (112 miles) from the City of Key West to the Florida mainland (Figure 1). There are 48 bridges crossing water for a total length of 35 km (22 mi), with the longest bridge approximately 11 km (7 mi) long. There is no other road, to provide vehicular access to the Florida Keys from the rest of Florida or anywhere else. Few local roads are 5 km (3 mi) in length. Consequently, US-1 serves not only as a regional principal arterial which serves intra as well as interstate travel, but also serves as the local road for most of the trips within the Keys. US-1 Annual average daily traffic (AADT) volumes range from a low of 4700 to a high of 34200. The road serves a large tourist demand and is one of the most scenic in the United States. The linear geography with the narrow land width of most of the Florida Keys are further characteristics.

Most of the surrounding land use is rural developed and suburban in nature; however, some areas are totally rural and others are urban, such as the Key West and its suburbs. With the exception of the few completely rural segments and the bridges, strip commercial stores, motels and restaurants are very common throughout the Keys along US-1. Numerous driveways and intersecting local roads provide access to the surrounding residential areas.

The US-1 LOS study encompassed approximately 174 km (108 mi) of US-1 from Key West/Stock Island to the Monroe/Dade County Line, broken down as follows:

- **129 km (80 mi) (74%) two-lane uninterrupted flow;**
- **32 km (20 mi) (19 %) four-lane uninterrupted flow; and**
- **13 km (8 mi) (7%) four-lane urban/suburban interrupted flow.**

Part of the growth management process in Florida is to assess roadway LOS to determine if roadway facilities meet standards established by state regulations. The Transportation Research Board Special Report 209 Highway Capacity Manual (HCM) (2) is extensively used throughout Florida as the source document to determine highway capacities and LOS.

HCM Chapter 7 (Rural Multilane Highways), 8 (Rural Two-Lane Highways) and 11 (Urban and Suburban Arterials) were consulted to determine applicability to the unique conditions and vehicular traffic operations and characteristics of the Florida Keys. Only the 13 km (8 mi) of urban/suburban interrupted flow and the small percentage of the two-lane truly rural portions correlate directly to the HCM Chapters 11 and 8.

Thus, the challenge was to develop a methodology to assess arterial LOS along US-1 without deviating from the principles of the HCM. Towards that end a task force was created consisting of representatives from State and local agencies and an engineering consulting firm.

THE NEED TO DEVELOP A LOS MEASUREMENT METHOD

From a state transportation perspective, the overall operating condition of US-1 is important, not the condition of any smaller segment. With Key West as a major tourist destination at the southern end of the Keys and no alternative routes, the logical analysis section of highway extends from Key West to the mainland. From local transportation and development approval perspectives, shorter segments for analysis are desirable.

Chapter 8 of the HCM presents a methodology which applies to typical rural two-lane highways with basically long stretches of roads, and few side intersecting streets and driveways directly connecting to the roads. Chapter 8 methodology relies mainly on "percent time delay" to assess LOS. The HCM further states that "Percent time delay...is defined as the average percent of time that all vehicles are delayed while traveling in platoons due to inability to pass. Percent time delay is difficult to measure directly in the field. The percent of vehicles traveling at headways less than 5 seconds can be used as a surrogate measure in field studies."

Chapter 8 of the HCM also uses average travel speed and capacity utilization as additional measures of effectiveness to assess LOS. However, the HCM states clearly that percent time delay is the primary measure of service quality. Further inspection of the average speeds for level terrain depicted by Table 8-1 of the HCM do not correspond well with the typical operating speeds of US-1 in the Florida Keys. For instance, Table 8-1 shows average speeds ranging from 58 mph (93 kmh) (LOS A) to 45 mph (72 kmh) (LOS D).

The overall weighted posted speed limit for US-1 in the Florida Keys is 79.7 kmh (49.5 mph). The overall median operating speeds along US-1 according to the 1991 and 1992 field studies (3, 4) were 76.8 and 75.5 kmh (47.7 and 46.9 mph), respectively. The field studies showed, for the most part, the survey vehicle(s) was traveling close to the posted speed limit.

It is believed the average motorist in the Florida Keys is mostly concerned with operating at an acceptable average travel speed rather than being concerned about the ability to pass. This is supported by the physical and traffic characteristics of the Keys (e.g., adjacent land development, sight-seeing tourists), local knowledge, and discussions with motorists.

From the above statements, it was clear to the task team that HCM Chapter 8 methodology could not be applied to US-1 for analysis of its two-lane sections.
With regards to the four-lane uninterrupted flow portions of US-1, a similar dilemma occurred. HCM Chapter 7 methodology applies to multi-lane highways with operating characteristics generally unlike those of US-1 through the Florida Keys. For instance, average travel speeds depicted by Table 7-1 of the HCM are also higher than those encountered in the Keys. Further, the methodology inherent in equations (7-1), (7-2) and (7-3)are closely related to those of freeways with their higher service flow rates, which again neither simulate nor resemble those of US-1 in the Keys. The Four-lane portion is found mostly in Key Largo (the northeastern end of the Keys) which has a weighted posted speed limit of 72.5 kmh (45 mph). Key largo is developed with strip commercial and residential development. It has numerous driveway connections and side streets directly accessing US-1.

The remaining 7% of the total US-1 mileage is four-lane interrupted flow. These are the portions encompassing Marathon (in the middle of the Keys) and Stock Island (near Key West). The operating characteristics here are truly urban/suburban and interrupted flow in nature resembling those of HCM Chapter 11. Thus, the methodology of Chapter 11 was employed in assessing LOS on these segments.

From the preceding discussion, it was evident that a distinct method to assess LOS on US-1 had to be developed. The task team's efforts concentrated on keeping consistency with the basic philosophy of the HCM, and yet be sensitive to the Keys uniqueness. Thus, the proposed methodology correlates measured travel speeds along US-1 with LOS speed thresholds developed as part of this study. This is in line with the concept behind the HCM of average travel speed being the main parameter to measure arterial LOS.

METHODOLOGY

Considering the types of trips served by US-1, it was decided to conduct travel time and delay runs to cover both the entire length of US-1 from Key West to the Monroe/Dade County Line (mainland) and for each segment of the highway along the way. Twenty-four segments were selected as depicted by Table 1. Each segment is fairly homogeneous in nature having a uniform roadway cross section and traffic flow.

Travel speeds for the overall length (from Key West to the mainland) provide an indication of the LOS for the regional trips. Travel speeds for each segment also provides an opportunity to assess the impact of local trips. Establishing speed criteria for both the overall length and for each roadway segment satisfies the requirements of the Florida growth management process.

The next step in the process was to determine the number of travel time runs and how, when and to/from where. Runs were started at both ends of US-1. For example, one run started on Stock Island (Key West City limits) and proceeded to the mainland (Dade County). After reaching this point, the vehicle turned back and proceeded to end the run where it started, on Stock Island. On another day the reverse was true (i.e., the run started in Dade County instead of Stock Island). It was decided to perform a total of fourteen two-way runs or twenty-eight in each direction covering the 174 km (108 mi) study portion of US-1. Twenty-eight runs provide enough data for statistical significance. Control points were established at each of the 24 segments to record travel time and speed data specific to each one of those segments. Seven runs were started at Stock Island and seven in Dade County. Each began at staggered hours to cover the varied trip purposes and time frames within the Keys. The surveys were conducted during March, reflecting the area's peak traffic season.

The 2021 travel time runs shall be conducted based on the current schedule. In addition, supplemental runs shall be conducted in the southbound direction within Segments 1 to 4 during AM peak (7-8 am) on Wednesday, Thursday and Friday of the second week. Also, conduct supplemental runs in the northbound direction within Segments 1 to 4 during the PM Peak (5-6pm) on Wednesday, Thursday, and Friday of the second week. The results of the supplemental runs will be included in the 2021 ATTDS Report for informational purposes only and will not be used in overall or segment LOS calculations. This information will be reviewed to decide if supplemental runs should be incorporated into future ATTDS and LOS calculations, as directed by the Monroe County BOCC.

For each run the process provided data (see Exhibit 1, Data Collection Methodology), such as running speed and travel speed, in each direction of US-1. Vehicular traffic counts were also collected at three locations covering seven days.

The travel time runs yielded a total of 28 one-way travel speed values for the overall length of US-1 and for each of the 24 segments. The value selected for analysis was the median speed which would reflect a "typical peak period during the peak season." In other developed parts of Florida the typical peak hour of the peak season approximates the 100th highest hour of the year (5). The median value was also selected, instead of the average, to avoid the influence of extremely high or low speed value at either end of the survey population. The process up to this point provided median travel speeds. The question then became, what LOS do these speeds represent.

The next step was to develop a set of LOS/Speed threshold values for both the overall length of US-1 and the pertinent segments of the highway. Towards this end, the speed ratios between LOS thresholds from Tables 7-1, 8-1 and 11-1 of the HCM were used in the analysis. These ratios were weighted against actual mileage of US-1 in the Florida Keys to represent the prevailing type of flow; two-lane uninterrupted flow, four-lane uninterrupted flow and four-lane interrupted flow. For example, from the level terrain portion of HCM Table 8-1, the ratio between LOS B speed and LOS A speed is 55/58 = 0.948. The ratio between LOS C/LOS A = 52/58 = 0.897; the ratio between LOS D/LOS A = 50/58 = 0.862 and so on. The same process was applied to Tables 7-1 (96.6 kmh) (60 mph) and 11-1. Then each ratio was weighted to take into account the length of the section of US-1 to which that type of traffic flow applied. Once all the ratios were developed, the weight criteria was applied as in the following example:

TYPE OF FLOW	LOS C/LOS A RATIO	WEIGHT
Two-lane uninterrupted	52/58 = 0.897	74
Four-lane uninterrupted	44/50 = 0.880	19
Four-lane interrupted	22/35 = 0.629	07

Therefore, the overall speed ratio between LOS C and LOS A is:

$$[74(0.897)+19(0.880)+7(0.629)]+100=0.875$$

The above process was applied to develop all the required ratios. Further observations with reference to Tables 8-1, 7-1 and 11-1 yielded the following. From Table 8-1 the difference between LOS A and LOS B speeds is 4.8 kmh (3 mph), or 4.8 kmh (3 mph) above an assumed posted speed limit of 88 kmh (55 mph). From Tables 7-1 and 11-1 the differences are 3.2 kmh and 11.3 kmh (2 mph and 7 mph), respectively, with LOS lower than assumed speed limits. Therefore, from these observations plus local knowledge, it was determined that the overall US-1 posted speed limit is 79.7 kmh (49.5 mph) reasonably fell between the LOS A and B thresholds.

This assumption is not far away from the premise that if a vehicle is able to sustain a travel speed equal to the posted speed limit, then it will correspond typically with the upper ranges of LOS (i.e., LOS A or B).

With the above speed differentials and LOS range premise in mind, the US-1 overall speed thresholds for LOS A and B became 82.1 kmh (51 mph) (2.4 kmh (1.5 mph) above 79.7 kmh (49.5) and 77.3 kmh (48 mph), respectively. Applying the developed ratio between LOS C/LOS A to the LOS A speed resulted in 72.5 kmh (45 mph), rounded off (i.e., 0.875 x 82.1 kmh (51 mph) = 71.8 kmh (44.6 mph)), which then became the threshold for LOS C. After applying all the ratios the overall LOS criteria for US-1 became:

LOS	Speed
A	≥ 82 kmh (51 mph)
B	≥ 77 kmh (48 mph)
C	≥ 72 kmh (45 mph)
D	≥ 68 kmh (42 mph)
E	≥ 58 kmh (36 mph)
F	< 58 kmh (36 mph)

Inspection of the criteria above indicates a close relationship with the speed differentials of both Tables 8-1 and 7-1 of the HCM. Comparing the median speed data for US-1 from the 1991 and 1992 field studies to the above criteria resulted in an overall LOS of C for both years, i.e., 76.8 kmh (47.7 mph) for 1991 and 75.5 kmh (46.9 mph) for 1992. These speeds are 2.9 kmh (1.8 mph) and 4.2 kmh (2.6 mph) below the overall weighted 79.7 kmh (49.5 mph) speed limit, which would correspond to the upper range of LOS C. The authors also believe that LOS C is the appropriate LOS designation for the whole of US-1 from Key West to the mainland.

A final step was still needed to complete the task of developing LOS/Speed threshold values for the segments of US-1. No further work was needed to cover the 7% mileage of the interrupted portions of US-1 found on Marathon and Stock Island, adjacent to Key West. As discussed earlier, these segments correlate with Chapter 11 of the HCM. Therefore, direct application of Table 11-1 LOS/speed criteria for a Class I arterial was made.

The remaining segments fell within the two-lane and four lane uninterrupted flow criteria. It was decided to make LOS A speed criterion 2.4 kmh (1.5 mph) above the weighted posted speed limit in order to keep consistency with the overall criteria. LOS C speed was set 9.7 kmh (6 mph) below LOS A speed consistent with Tables 7-1 and 8-1 of the HCM. LOS B and D speed criteria were set to provide equal increments between LOS A and LOS D (i.e., LOS B 4.8 kmh (3 mph) below LOS A speed and LOS D 4.8 kmh (3 mph) below LOS C speed). LOS E was set 9.7 kmh (6 mph) below the LOS D Speed. This makes the segmental speed differential between LOS thresholds consistent with the differentials in the overall criteria, except for one consideration. On any uninterrupted flow segment, signalized intersection delay would be deducted from the segment's travel time to account for the influence of the traffic signals (i.e., signal delay = 1.0 x 35 seconds average stopped delay). This corresponds to an LOS C delay due to isolated signals. LOS C delay was chosen because LOS C is the state LOS standard for US-1 in the Florida Keys. The rationale behind deducting signal delay from the segment analysis was to recognize the impact of signals in reducing travel time. This provides the required sensitivity in the segment which is not only to assess the impact of regional vehicular trips, but also those that are local in nature. The following illustrates the concept plus one example for the US-1 Segmental LOS/speed relationship.

- **The uninterrupted flow segment criteria are:**

LOS	SPEED
A	≥ 2.4 kmh (1.5 mph) above the posted speed limit
B	≥ 4.8 kmh (3.0 mph) below LOS A
C	≥ 9.7 kmh (6.0 mph) below LOS A
D	≥ 14.5 kmh (9.0 mph) below LOS A
E	≥ 24 kmh (15.0 mph) below LOS A
F	< 24 kmh (15.0 mph) below LOS A

- **A segment having a weighted posted speed limit of 72 kmh (45 mph) would then have this criteria:**

LOS	SPEED
A	≥ 74.9 kmh (46.5 mph)
B	≥ 70.0 kmh (43.5 mph)
C	≥ 65.2 kmh (40.5 mph)
D	≥ 60.4 kmh (37.5 mph)
E	≥ 50.7 kmh (31.5 mph)
F	< 50.7 kmh (31.5 mph)

- **The LOS/Speed criteria for interrupted flow segments (marathon and Stock Island) are based directly on a Class I arterial from Table 11-1 of the HCM.**

LOS	SPEED
A	≥ 56.4 kmh (35 mph)
B	≥ 45.1 kmh (28 mph)
C	≥ 35.4 kmh (22 mph)
D	≥ 27.4 kmh (17 mph)
E	≥ 20.9 kmh (13 mph)
F	< 20.9 kmh (13 mph)

Speed data from both the overall length of US-1 and the individual segments were compared against the applicable LOS/speed thresholds. This provided for an assessment of the facility LOS plus an indication of reserve speed, if any.

Under Florida's and Monroe County's growth management process if the overall LOS for US-1 fell below the LOS C standard, then no additional land development would be allowed to proceed in the Florida Keys. Unless the proposed new development traffic impact were mitigated. If the overall LOS for US-1 was C or better, then additional development could take place in those segments where there was reserve speed available (i.e., segment's speed was higher than the standard threshold).

Besides meeting highway LOS standards there are numerous other considerations in Florida's growth management process pertaining to the Florida Keys that are beyond the scope of this paper. As mentioned in the introduction, the purpose of this study was to present the methodology to assess LOS on US-1.

DATA COLLECTION METHODOLOGY
(Previously Approved by Task Force)

Calibration of the DMI

Prior to beginning the study, the DMI was calibrated over a half-mile course. The calibration procedure set-up by the DMI manufacturer established a calibration factor of 0.682 for the test vehicle, which resulted in measurements within 3 feet of the 5,280-foot distance (0.057%). At this level of accuracy, the DMI would measure the 108 mile distance of US 1 between Stock Island and the Dade County line to within 325 feet, or to within 0.03 mile per hour (mph) of the 45 mph standard for LOS C.

Floating Car Method and Passing Score

The study employed the floating car method, whereby under ideal conditions the test vehicle passes and is passed by an equal number of vehicles (i.e. "goes with the flow"). A passing score was recorded for each segment to document the extent to which this objective was accomplished. Positive scores indicate the number of excess vehicles the test car passed; negative scores indicate the number of excess vehicles that passed the test car; and zero indicates an even balance. The overall passing score consists of the sum of the segment scores.

The passing score provided an objective measure of the traffic flow, allowing the driver to adjust the test car speed accordingly. In the event that the traffic flow was higher than the posted speed limit, as was frequently the case in the Dade County and Boca Chica segments, the test car also traveled above the speed limit. Vehicles turning on or off US 1 were omitted from the passing score.

Employing the floating car method in two-lane segments was fairly straightforward, where the observers frequently encountered platoons of sufficient size to discourage or prohibit passing. When positioned at the rear or in the middle of a platoon, the observers simply traveled with the pack. When positioned as the lead car, the observers avoided delaying the platoon yet kept the platoon within sight.

On two-lane segments the observers occasionally encountered stopped vehicles waiting to turn left, raising the question of whether the test vehicle should leave the lane or paved road surface and pass to the right of the stopped vehicle. When the vehicles ahead of the observers passed to the right of the stopped vehicle, then the observers did also. However, when the test car was the lead car in the platoon, the observers only passed on the right if they could do so without leaving the paved roadway.

Within four-lane segments with light congestion, the observers often encountered traffic traveling in the right lane at or below the posted speed limit, while there was little or no traffic in the left lane. Rather than "floating" below the speed limit in the right lane or traveling at the maximum possible speed in the left lane, the observers traveled at the posted speed limit, which resulted in passing score as high as +10. Thus, in these cases, a passing score of zero is undesirable, since the corresponding speed would fail to reflect the availability of the vacant passing lane.

Within four-lane segments with moderate or heavy congestion, the observers often encountered separate platoons in the right and left lanes, with the left lane typically

moving at a faster speed. Rather than continuously changing lanes to achieve a passing score of zero, the test car "floated" in the faster of the two platoons, which also yielded high passing scores.

Platoon Size

To provide a measure of roadway congestion within each segment, the average number of vehicles traveling in the test car's platoon was recorded, including the test car itself. Within four-lane segments, this number represents the average number of vehicles that traveled in the test car's platoon within the test car's lane.

Treatment of Delay

In accordance with the FDOT Manual on Uniform Traffic Studies, the observers began recording delay when the test car's speed fell to 5 mph and terminated the delay event when the test car's speed rose to 15 mph. Each delay entry was identified, in the DMI memory by a sequential code number. The observers recorded the type and location of the delay on a field data sheet.

When computing both segments and overall travel times, delays due to typical events such as turning movements, traffic signals, and certain types of congestion were included. Unusual or non-recurring delays, such as construction, accidents, school bus, and emergency vehicles were excluded. Delays due to drawbridge openings should be deducted from the segment travel times (all affected segments) and the overall travel times, to account for the influence of the drawbridge openings. A delay of 6 minutes should be deducted from those travel time runs that were impacted by bridge openings. However, regardless of how a particular type of delay was treated in the analysis, all delays of all types were identified and recorded on the field data sheets.

Occasionally an external event slowed traffic speeds, but not enough to meet the 5 mph criteria for a formal delay. Highway construction and maintenance activities were the most common example of this borderline situation. The decision of whether to record these events was made on a case-by-case basis in the field. As long as the observers were traveling at speeds within 5 to 10 mph of the posted speed limit and the event occurred over a distance of about a mile or less, the event was not recorded. However, if the activity caused speeds slower than this or when the observers witnessed active interference, such as bulldozers or flagman blocking the traffic, the event was recorded and later excluded from the analysis.

Overall	108.3					45.0	44.7	**D**	**-0.3**	N/A		

Note: This table is based on all travel time runs except 3 SB runs in segment 1 (Stock Island) from 3-14-23 to 3-16-23. These 3 SB runs were excluded as the average travel speeds were very low (4-7 mph) and were considered as outliers. The overall travel speed is 44.7 mph as compared to the previous page table that has an overall travel speed of 44.2 mph and is based on all travel time runs.

2023 LEVEL OF SERVICE AND RESERVE CAPACITY (SUPPLEMENTAL RUNS FOR INFORMATIONAL PURPOSES ONLY)

	SEGMENT	LENGTH (miles)	FACILITY TYPE	POSTED SPEED		ADJ. FOR SIGNAL (mph)	ADJUSTED LOS C CRITERIA (mph)	MEDIAN TRAVEL SPEED (mph)	LOS	RESERVE SPEED (mph)	2023	
				Limits (mph)	Average (mph)						MAXIMUM RESERVE VOLUME (trips)	5% ALLOCATION BELOW LOS C (trips)
1	Stock Island (4.0 - 5.0)	1.10	4-L/D	30/35/45	40.1	N/A	22.0	**32.8**	**B**	**10.8**	**1,967**	**2,169**
2	Boca Chica (5.0- 9.0)	3.9	4-L/D	45/55	56.1	N/A	51.6	**59.2**	**A**	**7.6**	**4,908**	**6,579**
3	Big Coppitt (9.0- 10.5)	1.5	2-L/U	45/55	46.3	N/A	41.8	**40.0**	**D**	**-1.8**	**(447)**	**69**
4	Saddlebunch (10.5- 16.5)	5.8	2-L/U	45/55	53.6	N/A	49.1	**52.4**	**B**	**3.3**	**3,170**	**5,543**

Supplemental travel time runs were conducted (as required by the 2021 US 1 LOS Methodology Update) between March 15, 2023 and March 17, 2023 in the four southernmost segments to better reflect AM and PM peak conditions associated with traffic entering and exiting the City of Key West.
The supplemental runs indicate that the travel speeds in Segment 1 and 3 are relatively lower during peak hours, as compared to the travel speeds measured during travel time runs conducted using the staggered schedule. As such, the peak hour LOS for segment 3 is also lower. Segment 1 had the same LOS (LOS B) during peak and non-peak hours. Segment 3 had LOS D during peak hours as compared to LOS B during non-peak hours. The LOS for Segments 2 and 4 remained unchanged (LOS A for segment 2 and LOS B for segment 4). The results of the supplemental runs are included in the 2023 ATTDS Report for informational purposes only and are not used in the LOS calculations. This information is to be reviewed to decide if supplemental runs should be incorporated into future ATTDS and LOS calculations, as directed by the Monroe County BOCC. Further discussions and changes to the methodology would be required for the supplemental runs to be used into ATTDS. If these runs were to be used, they could be incorporated in the individual segments that supplemental runs were performed but the Monroe's County growth management process should be changed. Supplemental runs have the advantage of capturing the peak hour conditions in the lower keys. However, they cannot capture any other peak hour conditions as the staggered schedule does.

BOARD OF COUNTY COMMISSIONERS
Mayor Craig Cates, District 1
Mayor Pro Tem Holly Merrill Raschein, District 5
Michelle Lincoln, District 2
James K. Scholl, District 3
David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: M3
2023-1735

BULK ITEM: Yes

DEPARTMENT: Building and Permitting

TIME APPROXIMATE:

STAFF CONTACT: Reynaldo Ortiz

AGENDA ITEM WORDING: Permission to advertise an Ordinance Amending Monroe County Code Chapter 6, Article II, Division 3, Subdivision II, Section 6-102, Permit Application Time Limitations, to be consistent with Florida Building Code.

ITEM BACKGROUND:
Florida Building Code Section 105.3.2 authorizes the Building Official to grant one or more extensions of time for additional periods not exceeding 90 days each and provides that a building permit application shall be deemed abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued.

Monroe County Code Section 6-102 does not currently grant leeway for permits pursued in good faith and allows for only one 90-day extension to be authorized by the Building Official.

The ability of the Building Official to approve one or more extensions of time for additional periods not exceeding 90 days each will allow permit applications pursued in good faith a fair opportunity to proceed through the permitting process.

This update to Monroe County Code Section 6-102 would make it consistent with the Florida Building Code.

PREVIOUS RELEVANT BOCC ACTION:
Monroe County Code Section 6-102 was originally adopted by Monroe County BOCC as Section 6-19 on April 17, 2002, Ordinance 010-2002.

CONTRACT/AGREEMENT CHANGES:
N/A

STAFF RECOMMENDATION: Approval to advertise the Ordinance.

DOCUMENTATION:

Ordinance ___-2023 Permit Application Extension Chapter 6 v3.0.pdf

FINANCIAL IMPACT:

MONROE COUNTY, FLORIDA
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
ORDINANCE NO. ____ - 2023

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING MONROE COUNTY CODE SECTION 6-102, PERMIT APPLICATION TIME LIMITATIONS, TO DIFFERENTIATE BUILDING PERMIT APPLICATIONS THAT HAVE BEEN PURSUED IN GOOD FAITH AND TO ALLOW FOR MULTIPLE 90 DAY EXTENSIONS FOR BUILDING PERMIT APPLICATIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE DEPARTMENT OF COMMUNITY AFFAIRS AND THE SECRETARY OF STATE; PROVIDING FOR CODIFICATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Florida Building Code Section 105.3.2 authorizes the Building Official to grant one or more extensions of time for additional periods not exceeding 90 days each; and

WHEREAS, Florida Building Code Section 105.3.2 provides that a building permit application shall be deemed abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued; and

WHEREAS, Monroe County Code Section 6-102 was originally adopted by Monroe County prior to the creation of Florida Building Code Section 105.3.2; and

WHEREAS, Monroe County Code Section 6-102 does not currently grant leeway for permits pursued in good faith and allows for only one 90-day extension to be authorized by the Building Official; and

WHEREAS, the ability of the Building Official to approve one or more extensions of time for additional periods not exceeding 90 days each will allow permit applications pursued in good faith a fair opportunity to proceed through the permitting process; and

WHEREAS, the Board of County Commissioners seeks to update Monroe County Code Section 6-102 to be consistent with the Florida Building Code.

NOW, THEREFORE, BE IT ORDAINED BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS:

Section 1. – Recitals and Legislative Intent. The foregoing recitals, findings of fact, statements of legislative intent, and conclusions of law are true and correct and are hereby incorporated as if fully stated herein.

Section 2. – Amendment. Section 6-102 of Chapter 6, Article II, of the Code of Ordinances of Monroe County is hereby amended as follows (deletions are stricken through; additions are underlined):

Sec. 6-102. - Permit application time limitations.

(a) *Time limitations on permit application*. Unless the permit has been issued or the approved permit application has been entered into the permit allocation system process as provided for under part II of this Code, an application for a permit shall be deemed to have been abandoned and become null and void ~~six months~~ 180 days after the date of filing for the permit, unless such application has been pursued in good faith or a permit has been issued. ~~except as otherwise provided for in this chapter. A one-time extension for a period of not more than 90 days~~ One or more extensions of time for additional periods not exceeding 90 days each may be authorized by the Building Official provided that the extension is requested in writing and justifiable cause is demonstrated, along with a nonrefundable fee.

(b) *Notification of ready permit*. The Building Department shall notify the permit applicant for principal structures that the permit is ready to be issued (the "ready permit"). In the case of applications within the permit allocation system, as governed by part II of this Code, notification shall be by certified mail to the name and address given by the applicant on the application. For all other permit applications, notice may be verbal or written as appropriate.

(c) *Expiration of ready permits*. In the case of permit applications within the permit allocation system, ready permits that are not picked up within 60 days of the notification by certified mail shall automatically expire and become null and void. Except for demolition permits, all other permits that are ready but have not been picked up shall automatically expire in accordance with the provisions of subsection (a) of this section. In either case, to renew the expired permit a new building permit application together with appropriate nonrefundable fees must be submitted to the Building Department for approval.

Section 3. – Construction. The interpretation of this ordinance, and all provisions of the Monroe County Codes, Comprehensive Plan, floodplain management regulations, and Florida Building Code whose interpretation arises out of, relates to, or are interpreted in connection with this ordinance, these being necessary for the health, safety, and welfare of the residents of and visitors to Monroe County, shall be liberally construed to effectuate

the public purpose(s) and policy(ies) hereof, and such interpretations shall be construed in favor of the Monroe County BOCC, and such interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, and on appeal.

Section 4. – Severability, Partial Invalidity, and Survival of Provisions. If any provision of this ordinance, or any section, subsection, or part or portion thereof, is held to be invalid or unenforceable by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any part or portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this ordinance, or any remaining section(s), subsection(s), part(s), or portion(s) thereof. All other provisions thereof shall continue unimpaired in full force and effect.

Section 5. – Repeal of Inconsistent Provisions. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict herein. Such repeal shall not repeal the repealing clause of such ordinance or revive any ordinance which has been repealed hereby.

Section 6. – Captions and Paragraph Headings. Captions and paragraph headings, where used herein, are inserted for convenience only and are not intended to descriptively limit the scope and intent of the particular paragraph or text to which they refer.

Section 7. – Inclusion in the Monroe County Code of Ordinances. The provisions of this ordinance shall be included and incorporated into the Code of Ordinances of Monroe County, Florida, and shall be numbered to conform with the uniform numbering system of the Code.

Section 8. – Effective Date. This ordinance shall be filed in the Office of the Secretary of the State of Florida and shall become effective as provided by law.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida at a regular meeting held on the ____ day of _____, 2023.

ASSISTANT COUNTY ATTORNEY

BUSINESS IMPACT ESTIMATE[1]

Meeting Date: 11.8.2023

Proposed Ordinance Title/Reference: AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING MONROE COUNTY CODE SECTION 6-102, PERMIT APPLICATION TIME LIMITATIONS, TO DIFFERENTIATE BUILDING PERMIT APPLICATIONS THAT HAVE BEEN PURSUED IN GOOD FAITH AND TO ALLOW FOR MULTIPLE 90 DAY EXTENSIONS FOR BUILDING PERMIT APPLICATIONS; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE DEPARTMENT OF COMMUNITY AFFAIRS AND THE SECRETARY OF STATE; PROVIDING FOR CODIFICATION; PROVIDING FOR AN EFFECTIVE DATE.

The Proposed Ordinance ☒ does ☐ does not fall under one of the following enumerated exceptions:[2]

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the county government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☒ The proposed ordinance is enacted to implement the following:
  a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
  b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
  c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
  d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

Summary of Proposed Ordinance and Statement of Public Purpose to be Served:

Florida Building Code Section 105.3.2 provides that a building permit application shall be deemed abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued. This update to Monroe County Code Section 6-102 would be consistent with the Florida Building Code by allowing multiple 90-day extensions.

AGENDA ITEM WORDING: An Attorney-Client Closed Session in the matter of *Monroe County, Florida v. DGW Corporation,* 16th Judicial Circuit Case No. 23-CA-249-M.

ITEM BACKGROUND:
Per F.S. 286.011(8), the subject matter of the meeting shall be confined to settlement negotiations or strategy sessions related to litigation expenditures. Present at the meeting will be the County Commissioners, County Administrator Roman Gastesi, County Attorney Bob Shillinger, Senior Assistant County Attorney Cynthia Hall, Assistant County Attorney Kelly Dugan and a certified court reporter.

PREVIOUS RELEVANT BOCC ACTION:
10/18/23, BOCC approved holding a closed session at the regular BOCC meeting on 11/08/23 in Key West at 9:00 a.m. or as soon thereafter as may be heard.

CONTRACT/AGREEMENT CHANGES:
N/A

STAFF RECOMMENDATION: Hold the closed session.

Source of Funds: 67501-530330

Mayor's Script

For the day of Closed Session

The following should be read at the appropriate point during the day of the closed session.

1. Prior to going into closed session.

A closed attorney-client session pursuant to Section 86.011(8), Florida Statutes, will now be held concerning the case of *Monroe County, Florida v. DGW Corporation,* 16th Judicial Circuit Case No. 23-CA-249-M. It is estimated that this meeting will take approximately thirty (30) minutes. The persons attending the closed meeting will be the County Commissioners, County Administrator Roman Gastesi, County Attorney Bob Shillinger, Senior Assistant County Attorney Cynthia Hall, Assistant County Attorney Kelly Dugan, and a certified court reporter.

Since the law prohibits any other person from being present at the closed session, the commissioners, the County Administrator, the attorneys for the County, other persons named, and the court reporter will now remain in this meeting room, and all other persons are required to leave the room. When the closed session is over, we will re-convene and re-open the public meeting. This public meeting is now closed.

2. At the beginning of the closed session.

I now call this closed session to order. For the record, this meeting is being held upon the request of the County Attorney Bob Shillinger who announced at a prior BOCC Meeting held on 10/18/23 that he needed advice in the matter of *Monroe County, Florida v. DGW Corporation,* 16th Judicial Circuit Case No. 23-CA-249-M. At that meeting, the Board approved holding a closed session and public notice was given through public announcement of the meeting at the 10/18/23 BOCC meeting and through publication of the 11/08/23 BOCC meeting agendas on the County's website

For the record, and the benefit of the court reporter, each of us will state our name and position starting with the commission.

(After all have identified themselves) – Thank you.

Just as a reminder, we will only be discussing settlement negotiations or strategy related to litigation expenditures. We cannot take any decisive action at this meeting. We can only provide information and direction to the attorneys. Any decisions this Board makes concerning this claim must be done in a meeting open to the public.

Let's start our discussion with the County Attorney.

3. At the end of the closed session, prior to going into open session.

This closed session is now terminated and we will now reconvene in the public meeting.

4. After the public session has been re-opened.

The attorney-client closed session has been terminated, and we are now re-opening this public meeting.

Mayor's Script for the Day of the Closed Session

The following should be read at the appropriate point during the day of the closed session.

1. **Prior to going into closed session:**

A closed attorney-client session pursuant to Section 286.011(8), Florida Statutes, will now be held. It is estimated that this meeting will take approximately fifteen (15) minutes. The persons attending the meeting will be the County Commissioners, County Administrator Roman Gastesi, County Attorney Bob Shillinger, Senior Assistant County Attorney Cynthia Hall, Assistant County Attorney Peter Morris, and a certified court reporter.

Since the law prohibits any other person from being present at the closed session, the Commissioners, the County Administrator, the attorneys for the County, and the court reporter will now remain in this meeting room, and all other persons are required to leave the room. When the closed session is over, we will re-convene and re-open the public meeting. This public meeting is now closed.

2. **At the beginning of the closed session:**

I now call this closed session to order. For the record, this meeting is being held upon the request of the County Attorney, Bob Shillinger, who announced at a prior BOCC Regular Meeting held on October 18, 2023, that he needed advice in the matter of *Pirates Cove Property Owners and Boating Association*, *Inc., et al. v. Monroe County*, *Archer Berry*, *and Daniel Berry Jr.*, 16th Judicial Circuit Case No. 23-CA-365-P. At that meeting, the Board approved holding a closed session on 11/8/2023 and public notice was given through public announcement of the meeting at the 10/18/2023 BOCC Meeting and through publication of the 11/8/2023 BOCC regular meeting agenda on the County's website.

For the record, and the benefit of the court reporter, each of us will state our name and position, starting with the Commission.

(After all have identified themselves) – Thank you.

Just as a reminder, we will only be discussing settlement negotiations and strategy related to litigation expenditures. We cannot take any decisive action at this meeting. We can only provide information and direction to the attorneys. Any decisions this Board makes concerning this case must be done in a meeting open to the public.

Let's start our discussion with the County Attorney

3. **At the end of the closed session, prior to going into open session:**

This closed session is now terminated and we will now reconvene in the public meeting.

4. **After the public session has been re-opened:**

The attorney-client session has been terminated, and we are now re-opening this public meeting.

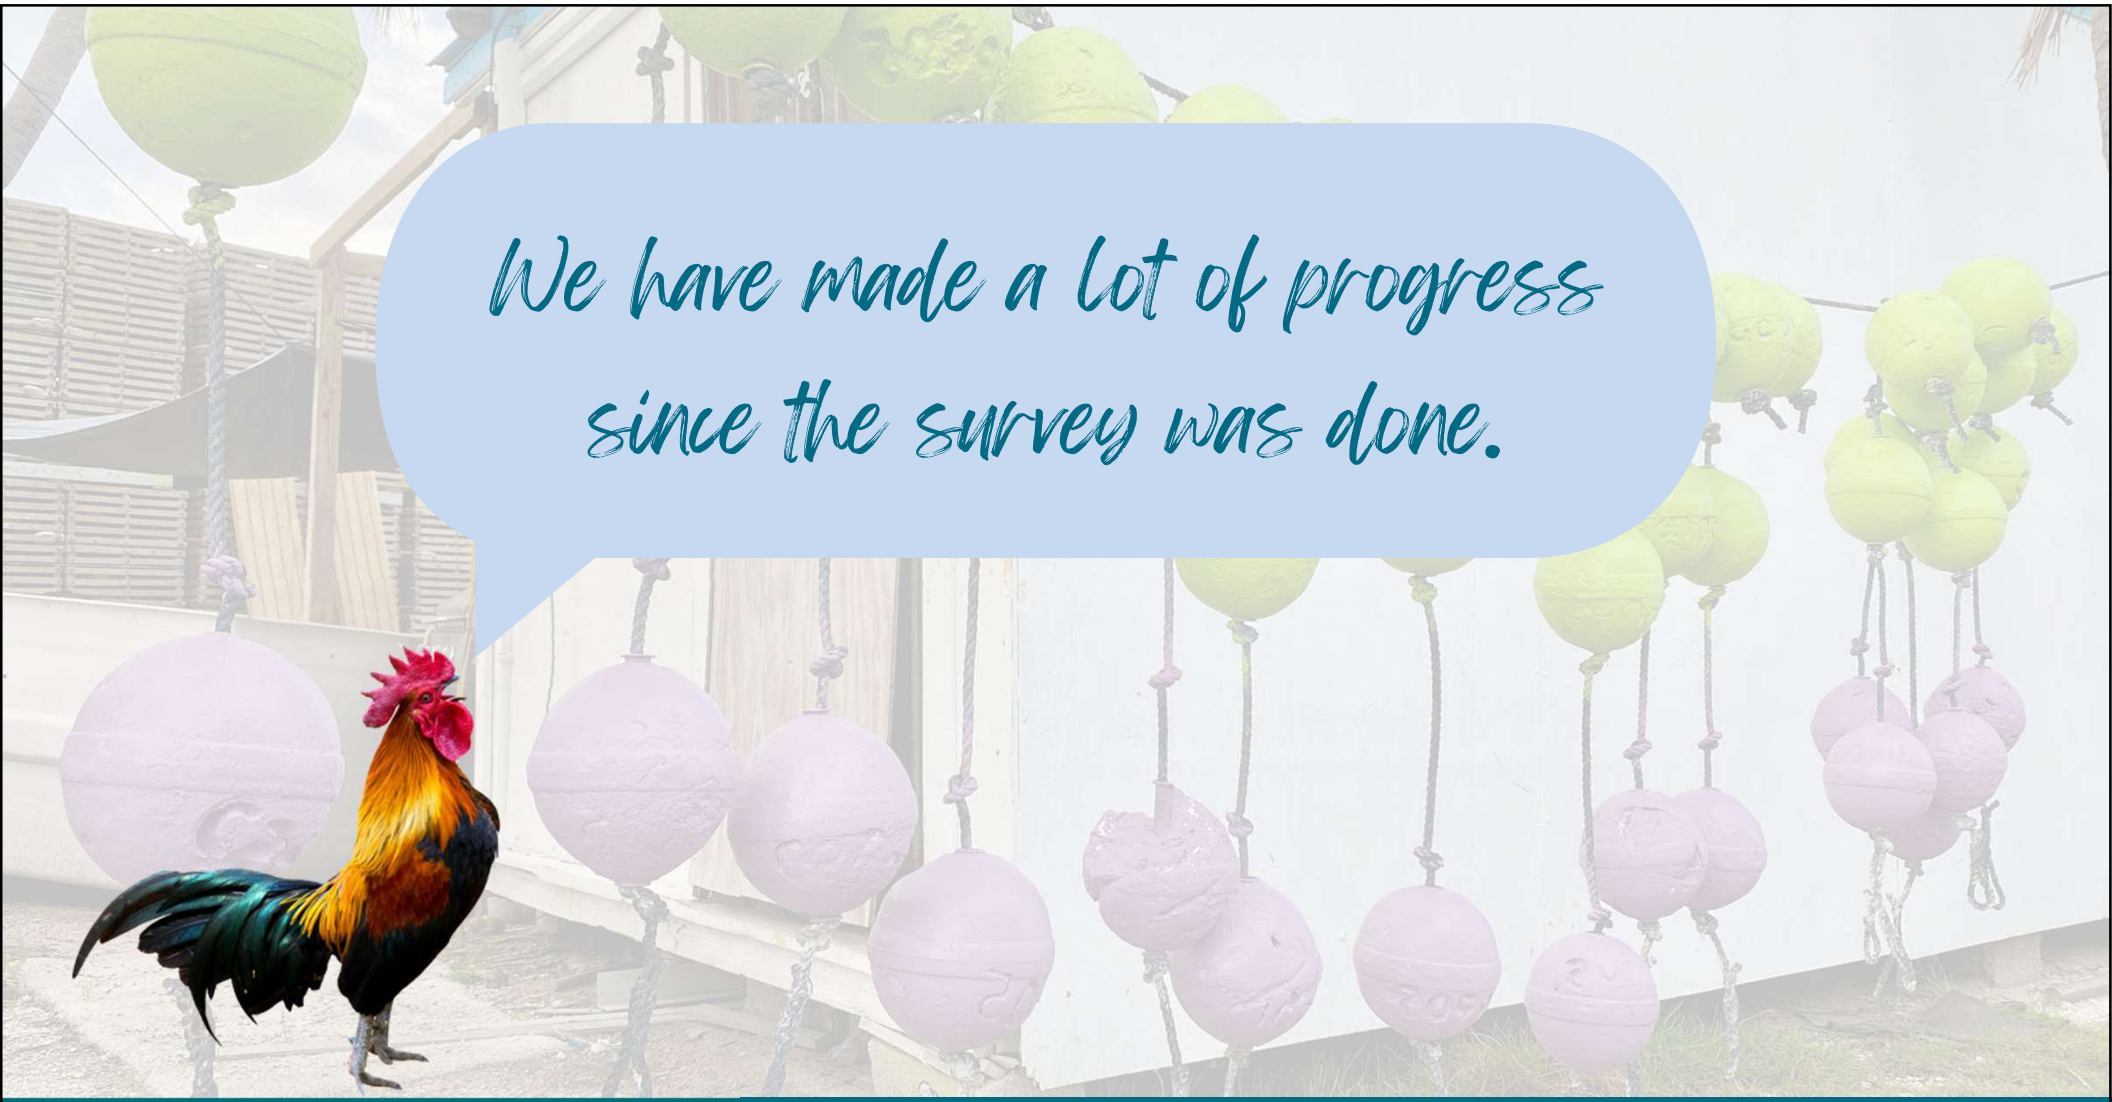
SOCIAL OPPORTUNITIES

SOCIAL OPPORTUNITIES



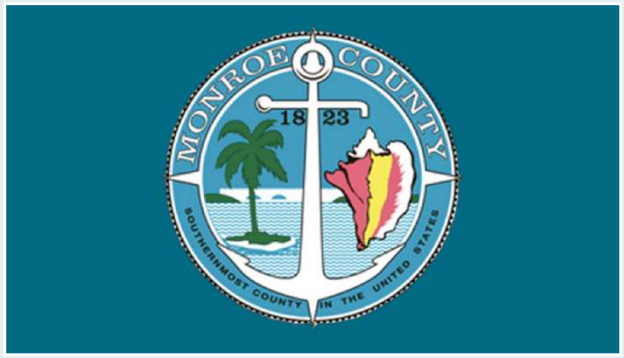
50 ATTENDEES

* See page 33-35 of survey report for more details.

We have made a lot of progress since the survey was done.

SOS Foundation used this data to demonstrate community need for a grant application to the United States Department of Agriculture and was awarded $499,581 in funding for the Local Food Promotion Program.

* See page 32 of survey report for more details.



HOUSING AUTHORITY
OF THE CITY OF KEY WEST, FLORIDA

May, 2023 – Garden View apartment complex opens with 103 units with funding by the Key West Housing Authority.

Key West Department of Transportation

- December, 2022 – Key West Rides (on demand bus service for same fare) launched.
- June , 2023 - Workforce Express route from Stock Island to Bahama Village launched.

- Monroe County Parks and Beaches continues to expand recreational programs to meet the needs of the Stock Island.

- Bernstein Park community center has been utilized more and library kiosk was added.

Ideas For Consideration

1. Provide financial incentives to large grocery store chain (Publix or ALDI) or a local grocery store to build and open a new food store on Stock Island.

- Stock island is currently a “food desert” and a large chain food store would help address this problem.
- Supports the evidence-based “Food as Medicine” approach to health improvement.
- Data from the survey and write-in comments (page 100 of survey report) both support this need.

2. Build splash pad at Bernstein Park.

- 3 splash pads on Key West. 0 splash pads on Stock Island.
- For Stock Island families too far to drive kids over the bridge.
- The CDC says properly operated and managed splash pads create healthy and safe water experiences.
- Child development benefits – more than just fun in the sun.
- Splash pads eliminate the drowning hazards of a swimming pool and less expensive to build and maintain than a pool.

3. Help SOS Foundation secure new location on Stock Island.

- SOS needs a bigger, safer space on Stock Island.
- Parking challenges at current location.
- Access to fresh produce important for Stock Island.
- Discussion on this topic at Stock Island Town Hall (4/11/23).

4. DOH-Monroe and The College of the Florida Keys (CFK) partnering to provide clinical services to Stock Island.

- This is a work in progress and will be collaborative.
- Federal, state & local support will be needed.
- Located on CFK campus.
- At least 1-2 days a week.

Thank You

We will be happy to answer questions now, or you can send an email to Jennifer.Lefelar@flhealth.gov.

MINUTES
OF THE MONROE COUNTY
BOARD OF COUNTY COMMISSIONERS

Regular Meeting
Board of County Commissioners
Wednesday, June 21, 2023
Key Largo, Florida &
Via Communication Media Technology

A regular meeting of the Monroe County Board of County Commissioners convened at 9:00 a.m. at the Murray Nelson Government Center in Key Largo and via Communication Media Technology. Present and answering to roll call were Commissioner Michelle Lincoln, Mayor *Pro Tem* Holly Raschein, and Commissioner Jim Scholl. Commissioner David Rice and Mayor Craig Cates were absent from the meeting. Also present at the meeting were Roman Gastesi, County Administrator; Bob Shillinger, County Attorney; Kevin Madok, County Clerk; Liz Yongue, Deputy Clerk; county staff, members of the press and radio; and the general public.

Jorge Abreu, Florida Department of Agriculture & Consumer Services Regional Director, addressed the Board.

ADDITIONS, CORRECTIONS & DELETIONS

Bob Shillinger, County Attorney addressed the Board. Motion was made by Commissioner Scholl and seconded by Commissioner Lincoln to postpone the following Public Hearings to the September regular meeting:

P7 An Ordinance amending the Monroe County Land Development Code to establish Section 130-143, creating the Tavernier Key Commercial Overlay District, including the purpose and intent, boundary, applicability, and NROGO allocation standards, as proposed by Smith/Hawks, P.L. on behalf of Cemex Construction Materials Florida, LLC.

P8 An Ordinance amending the Monroe County Land Use District (Zoning) Map to apply the Tavernier Key Commercial Overlay District to property located at 92501 Overseas Highway, Key Largo, at approximately mile marker 92.5, having Parcel Identification Numbers 00089490-000000 and 00490250-000000; as proposed by Cemex Construction Materials Florida, LLC f/k/a Singletary Concrete Products, Inc.

Motion carried unanimously.

A1 Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl granting approval of the Additions, Corrections and Deletions to the agenda. Motion carried unanimously.

A2 Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution reclaiming the title of creating the world's largest Key Lime Pie, on July 3rd, 2023, at the Bicentennial Celebration at the Big Pine Key Community Park. Motion carried unanimously.

RESOLUTION NO. 190-2023

Said Resolution is incorporated herein by reference.

PRESENTATION OF AWARDS

B1 Presentation of Years of Service Award in recognition of 25 years of service to Tiffany Stankiewicsz, Development Administrator with the Planning and Environmental Resources Department.

B2 Presentation by Ruth Coleman, Special Olympics of South Florida Sports Training & Competition Manager, to thank the Parks and Beaches Department for their continued support.

B3 Presentation of support for July to be designated as Parks and Recreation month.

BULK APPROVALS

Motion was made by Mayor *Pro Tem* Raschein and seconded by Commissioner Lincoln granting approval of the following items by unanimous consent:

C1 Board adopted the following Resolution authorizing Glennis Walters to act as an authorized agent of Animal Control to enforce Chapter 4, Monroe County Code, and Chapter 828, Florida Statutes, to issue citations for violation of the Monroe County Code, and/or attend Court.

RESOLUTION NO. 191-2023

Said Resolution is incorporated herein by reference.

C2 Board adopted the following Resolution of a Florida Department of Transportation Small County Outreach Program Grant Agreement, in the amount of $2,787,598.00, which is 75% of the construction estimate, to partially fund construction of the Key Largo III Roadway and Drainage Improvement Project.

RESOLUTION NO. 192-2023

Said Resolution is incorporated herein by reference.

C3 Board granted approval of a Request for Expenditure from the Law Enforcement Trust Fund, as follows: $500.00 for Marathon High School Operation Graduation 2023 to help cover expenses for the all-night event which provides a safe, drug and alcohol free celebration to recognize the achievements of our graduating seniors.

C4 Board granted approval and authorized execution of a 10th Amendment to the Amended and Restated Agreement with Florida Keys Society for Prevention of Cruelty to Animals, Inc. for operation of the Key West Animal Shelter, providing for a 6.5% CPI adjustment of $54,204.81, retroactive to May 1, 2023. The annual contract amount, in the amount of $888,124.93, is funded by Ad Valorem revenues.

C5 Board granted approval and authorized execution of Additional Terms and Conditions for Rural and State Grant Agreement No. S22-23-01-40, a State of Florida e911 Board Grant for 911 Call Handling System Replacement for the Monroe County Sheriff's Office, which was approved at the October 19, 2022 regular meeting.

C6 Board granted approval of a waiver of the Monroe County Purchasing Policy to allow Maverick United Elevator, LLC, (Maverick) to perform under its current Agreement to complete deferred maintenance elevator upgrades for two elevators at the Monroe County Detention Center facility, on Stock Island; and granted approval of payment, in the amount of $307,770.00, submitted by Maverick. American Rescue Plan Act funding will be utilized for these upgrades.

C7 Board adopted the following Resolution amending the Personnel Policies and Procedures Manual, revising and updating section 2.16 (B), Years of Service Program, section 4.10 Temporary Higher Classification, and Section 5.02 (A)(4) Calculation of Overtime.

RESOLUTION NO. 193-2023

Said Resolution is incorporated herein by reference.

C8 Board granted approval and authorized execution of a 7th Amendment to the Contract with Florida Keys Society for Prevention of Cruelty to Animals, Inc. for operation of the Marathon Animal Shelter, providing for a 6.5% CPI adjustment of $31,938.18, effective July 1, 2023. The annual contract amount, in the amount of $523,294.86, is funded by Ad Valorem revenues.

C9 Board granted approval to award bid and authorized execution of a Contract with Horsepower Electric Inc., the lowest responsive bidder, in the amount of $97,069.00, for the Card Sound Bridge Navigational Lighting Replacement Project.

C10 Board granted approval and authorized execution of a County-Owned Property Residential Lease Agreement, with a County employee as Lessee, for a unit in a County-owned duplex to commence July 1, 2023, and extend through June 30, 2024. The monthly rental amount is $2,468.51.

C11 Board granted approval and authorized execution of a Contract with Samsara, Inc., in the amount of $241,251.00, and with a term of 40 months, for GPS Services for all County vehicles and equipment, funded by the Fleet Maintenance budget. Annual payments of $81,675.00, $79,788.00, and $79,788.00 are due in October 2023, October 2024, and October 2025, respectively.

C12 Board granted approval and authorized execution of an Agreement with Matern Professional Engineering, Inc. in the amount of $661,400.00 for Engineering Design Services of Generators for Critical Facilities. This project is funded by the Hazard Mitigation Grant Program and Fund 304 Infrastructure Sales Tax.

C13 Board granted approval to negotiate an Agreement with CPH, LLC, the highest ranked respondent to the Request for Qualifications, for Professional Architectural and Engineering Services for the Rockland Key Public Works Master Plan. If negotiations cannot be reached with the highest ranked respondent, granted approval to negotiate with the next highest ranked respondent until successful negotiations are completed.

C14 Board granted approval and authorized execution of a 2nd Modification to the Florida Division of Emergency Management Mitigation Sub-Grant Agreement No. PDMC-PJ-04-FL-2018-014, extending the period of performance to April 1, 2024, to allow for completion of the project.

C15 Board granted approval and authorized execution of an Agreement with Statewide Guardian Ad Litem Office for reimbursement of Child Advocate Manager Services to provide funding for a Child Advocate Manager position, commencing July 1, 2023 and extending through June 30, 2024, State Fiscal Year 2023-2024.

C16 Board granted approval and authorized execution of a 5th Amendment to the Agreement with Master Mechanical Services, Inc., for Middle Keys HVAC Maintenance and Service, to update certain contract provisions, and specifically to include American Rescue Plan Act provisions. Funding is Ad Valorem.

C17 Board granted approval and authorized execution of a 5th Amendment to the Agreement with Master Mechanical Services, Inc., for Upper Keys HVAC Maintenance and Service, to update certain contract provisions and specifically to include American Rescue Plan Act provisions. Funding is Ad Valorem.

C18 Board granted approval and authorized execution of a Contract between Monroe County and the Community Transportation Coordinator, Guidance Care Center Inc., for the contract period of July 1, 2023 through June 3, 2024. This is a non-monetary partnership/collaboration contract required by the State of Florida Commission for the Transportation Disadvantaged.

C19 Board accepted the Report of monthly Change Orders for the month of May 2023, reviewed by the County Administrator/Assistant County Administrator. Said report is incorporated herein by reference.

C20 Board granted approval and authorized execution of a 1st Amendment to Agreement No. CAC2018-0189 with Sarasota County, in the amount of $30,714.89, for continued use of GovMax Budgeting Software.

C21 Board granted approval and authorized execution of a 1st Addendum to the Employment Agreement with Dixie "Sandy" Roussin for Fire Rescue EMS Billing Specialist position with an increase in salary from $48,000.00 to $52,000.00, to commence on July 12, 2023 and terminate on July 11, 2025.

C22 Board granted approval of a Memorandum of Understanding with Monroe County Sheriff's Office to transfer title to security assets purchased with Fiscal Year 2020 Urban Area Security Initiative Grant funds; and authorized the Emergency Management Director or designee to execute all necessary documents to effect the transfer.

C23 Board granted approval and authorized execution of Additional Terms and Conditions for Rural and State Grant Agreement No. S22-23-01-41, with the Florida Department of Management Services. This agreement is a post-approval Grant Agreement required by the Florida e911 Board.

C24 Board granted approval and authorized execution of a 4th Change Order to the Agreement with Gary's Plumbing and Fire, Inc., in the amount of $16,712.65, for the Pigeon Key Fire Suppression System Installation Project, to extend the project's completion date an additional 288 days. This project is funded by a Tourist Development Council Grant.

C25 Board granted approval to purchase Network Infrastructure for Monroe County Emergency Operations Center, in the amount of $267,708.90. This purchase utilizes competitively bid pricing under State of Florida Contract NASPO No. 4322000-19-ACS and General Services Administration Contract No. GS-35F-303DA.

C26 Board granted approval and authorized execution of an Agreement with the State of Florida, Division of Emergency Management, concerning an Emergency Management Preparedness and Assistance Base Grant, in the amount of $105,806.00, which requires no county match.

C27 Board granted approval and authorized execution of a 6th Change Order to the Contract with D. L. Porter Constructors, Inc. for the Public Defender 16th Judicial Circuit– Key West Offices Project, increasing the contract amount, in the amount of $254,710.25, and extending the substantial completion date by 30 days.

C28 Board granted approval and authorized execution of an Agreement extending the Data Center Lease with Quality Technology Services for five years, in the amount of $125,693.30 per year. This Agreement provides continued uninterrupted data center space for Monroe County and several County constitutional offices.

O1 Mr. Shillinger referred the Board to the County Attorney Report for June 2023. Said report is incorporated herein by reference.

Mr. Shillinger requested to hold an Attorney-Client Closed Session in the matter of *Monroe County v. Miguel Angel Reyes and Dulce Milagro Morlas, 16th Judicial Circuit Case No. 22-CA-285-P*, and read the required language into the record. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl granting approval to hold the closed session at the July 19, 2023 regular meeting in Marathon, at 9:00 a.m. or as soon thereafter as may be heard. Motion carried unanimously.

Mr. Shillinger requested to hold an Attorney-Client Closed Session in the matter of *Monroe County v. William Soileau, Case No. 22-CA-399-K*, and read the required language into the record. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl granting approval to hold the closed session at the July 19, 2023 regular meeting in Marathon, at 9:00 a.m. or as soon thereafter as may be heard. Motion carried unanimously.

O3 Mr. Shillinger gave a Charter County update. The following individual addressed the Board: John Millhiser.

PUBLIC HEARINGS

P1 A Public Hearing was held to consider approval of a Final Assessment Resolution for Monroe County to collect Special Assessments within the Monroe County Canals Municipal Services Benefit Unit to pay for ongoing Operation and Maintenance costs for a Canal Water Quality Improvement Project (Air Curtain) serving Canal 105 in Tavernier; stating a need for such levy; and providing for an effective date. Ms. Haag addressed the Board. There was no public input. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 226-2023

Said Resolution is incorporated herein by reference.

P2 A Public Hearing was held to consider approval of a Final Assessment Resolution for Monroe County to collect Special Assessments within the Monroe County Canals Municipal Services Benefit Unit to pay for ongoing Operation and Maintenance costs for an existing Canal Water Quality Restoration Project (Air Curtain) on Canals 82, 83 and 84 in Rock Harbor on Key Largo; stating a need for such levy; and providing for an effective date. Ms. Haag addressed the Board. The following individual addressed the Board: Patricia Saltzman. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 227-2023

Said Resolution is incorporated herein by reference.

P3 A Public Hearing was held to consider approval of an Ordinance amending Section 23-200 Tourist Development Plan of the Monroe County Code to add public facilities as a permissible use of Tourist Development Tax revenues, to make revisions to the code to coincide with the provision as set forth in 125.0104, Florida Statutes and providing for revisions and clarifications to the Monroe County Tourist Development Plan; providing for severability; providing for repeal of all ordinances inconsistent herewith and providing for an effective date. Mr. Shillinger addressed the Board. The following individual addressed the Board: John Millhiser. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 011-2023
Said Ordinance is incorporated herein by reference.

P4 A Public Hearing was held to consider approval of an Annual Rate Resolution for Canal 266 on Big Pine Key as part of the Canal Restoration Program, imposing an Annual Assessment for the cost of Canal 266 Operations and Maintenance for Fiscal Year 2024. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 228-2023
Said Resolution is incorporated herein by reference.

P5 A Public Hearing was held to consider approval of an Ordinance amending Section 6-240 of the Monroe County Code in order to extend to July 1, 2024 the expiration date of certain Specialty Contractor Licenses that were active as of June 30, 2021. Mr. Shillinger addressed the Board. There was no public input. After discussion, motion was made by Commissioner Scholl and seconded by Commissioner Lincoln to approve the proper option and adopt the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 012-2023
Said Ordinance is incorporated herein by reference.

P6 A Public Hearing was held to consider approval of a Resolution waiving the Inclusionary Workforce Housing Requirement for the change of use of a 600 square-feet of floor area from Restaurant/Commercial Retail Use to Office Use, located at 24437 Overseas Highway, mile marker 24.5, Summerland Key, Monroe County, Florida, currently having Property Identification No. 00194390-000000. Emily Schemper, Sr. Director of Planning and Environmental Resources, gave a Power Point Presentation. The following individual addressed the Board: Sandra Tuttle, owner of the property. After discussion, motion was made by Commissioner Lincoln and seconded by Commissioner Scholl to waive the fee and adopt the following Resolution, citing Land Development Code, Section 139-1(f)(4)b, that:

3. The applicant demonstrates an absence of any reasonable relationship between the impact of the proposed nonresidential development and requirements of this subsection (f).

Motion carried unanimously.

RESOLUTION NO. 229-2023
Said Resolution is incorporated herein by reference.

P9 A Public Hearing was held to consider approval of a Resolution transmitting to the Department of Economic Opportunity a proposed Ordinance amending the Introduction and Background, and Glossary of the 2030 Monroe County Comprehensive Plan to clarify the continuing application of the Monroe County 2030 Comprehensive Plan to development, to clarify the General and Defined Terms sections, and to clarify construction of conflicts with the

Monroe County Code(s). There was no public input. Motion was made by Commissioner Scholl and seconded by Commissioner Lincoln adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 230-2023

Said Resolution is incorporated herein by reference.

P10 A Public Hearing was held to consider approval of a Resolution transmitting to the State Land Planning Agency an Ordinance adopting amendments to the Monroe County Year 2030 Comprehensive Plan to create Goal 112, Objectives 112.1 and 112.2, and Policies 112.1.1 and 112.2.1, establishing Site-Specific Development Standards and Deviations as well as Exemptions from Adopted Land Use and Development Standards for Ocean Reef as proposed by Ocean Reef Club, Inc. and Ocean Reef Community Association. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 231-2023

Said Resolution is incorporated herein by reference.

P11 A Public Hearing was held to consider approval of a Resolution for Budget Amendment for Fiscal Year 2023 for the General Fund, Fund 001. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Resolution. Motion carried unanimously.

RESOLUTION NO. 232-2023

Said Resolution is incorporated herein by reference.

P12 A Public Hearing was held to consider approval of an Ordinance amending Section 18-8 of Chapter 18, Parks and Recreation, of the Monroe County Code of Ordinances, to expand the age requirement for the Summer Camp Program. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 013-2023

Said Ordinance is incorporated herein by reference.

P13 A Public Hearing was held to consider approval of an Ordinance revising Section 19-4 of the Monroe County Code to increase the toll rates for Card Sound Road Toll. The Sunpass 2-axle rate will increase from $0.87 to $1.00 per axle and the 3-axle or greater rate will increase from $1.14 to $1.28 per axle. The Toll-by-Plate 2-axle rate will increase from $1.31 to $1.50 per axle and the 3-axle or greater rate will increase from $1.71 to $1.92 per axle. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 014-2023

Said Ordinance is incorporated herein by reference.

P14 A Public Hearing was held to consider approval of an Ordinance adopting Amendments to Monroe County Land Development Code Section 134-2 amending the Home Occupation Special Use Permit requirements to be consistent with Chapter 2021- 202, Laws of Florida, Sections 102-54-56, to clarify the continuing Purpose, Registration, and Requirements of Nonconforming Uses/Structures, Sections 101-1-2, to clarify continuing Definitions, Rules of Construction, Purpose, and Applicability, Section 102-185, to clarify Appeals, Section 114-1, to clarify the continuing Application of Development Standards to Development, Section 118-4, to clarify the continuing Application of Environmental Protection Regulations to Development, Section 130-1, to clarify the continuing Application of Land Use District Requirements to Development; providing for severability; providing for repeal of conflicting provisions; providing for transmittal to the State Land Planning Agency and the Secretary of State; providing for amendment to and incorporation in the Monroe County Land Development Code; providing for an effective date. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 015-2023

Said Ordinance is incorporated herein by reference.

P15 A Public Hearing was held to consider approval of an Ordinance abolishing the Library Advisory Board created under Ordinance 6-1981 and codified under Section 15-67 through 15-72; providing for severability; providing for the repeal of all ordinances inconsistent herewith; and providing an effective date. There was no public input. Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl adopting the following Ordinance. Motion carried unanimously.

ORDINANCE NO. 016-2023

Said Ordinance is incorporated herein by reference.

P16 A Public Hearing was held to consider approval of an Ordinance to amend Section 19-1(b) of the County Code to insert an exception to the prohibition against the abandonment of platted public roads that terminate in water in the limited circumstance where ownership would ultimately reside in a Homeowners Association that would assume access control and maintenance obligations. Mr. Shillinger addressed the Board. The following individuals addressed the Board: Nancy Diersing; NJ Marinaro; Matthew Matteliano; Allison Mahaffy; Barbara Overton; Sue Heim; and Ty Harris, P.A., representing Bay Harbor Homeowners Association and Sunset Point Homeowners Association. After discussion, motion was made by Commissioner Scholl and seconded by Commissioner Lincoln to table the item to the next meeting in Key Largo. Motion carried unanimously.

CLOSED SESSION

K1 Mr. Shillinger addressed the Board regarding an Attorney-Client Closed Session in the matter of *Galleon Bay v. Monroe County, et al., Case No. 02-CA-595-K,* Motion was made by Commissioner Lincoln and seconded by Commissioner Scholl continuing the Closed Session to the July regular meeting. Motion carried unanimously.

COMMISSIONER'S COMMENTS

Commissioner Lincoln acknowledged the upcoming Florida Association of Counties Annual Conference in Orlando, which will be attended by County staff and Commissioners.

Commissioner Scholl acknowledged Memorial Day, Juneteenth and Bicentennial Celebrations that have been held countywide.

Mayor *Pro Tem* Raschein requested an update on the County's float for the Bicentennial Celebration. Kristen Livengood, Public Information Officer, and Mr. Shillinger addressed the Board.

Mayor *Pro Tem* Raschein requested an update on the discussion with FEMA regarding the Compliance Inspection Program. Mr. Shillinger addressed the Board.

Mayor *Pro Tem* Raschein addressed the Board with a request to consider renaming Old Settler's Park in Tavernier after late Mayor Emeritus Sylvia Murphy.

There being no further business, the meeting of the Board of County Commissioners was adjourned.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: P4
2023-1753

BULK ITEM: Yes

DEPARTMENT: Clerk

TIME APPROXIMATE:
N/A

STAFF CONTACT: Aneta Jodkowska

AGENDA ITEM WORDING:

Approval to remove surplus equipment from inventory via disposal or advertise for bid.

ITEM BACKGROUND:

F.S. 274.05-274.07 and Monroe County Purchasing Policy state that the Board of County Commissioners shall approve the disposal of items that have been declared to be surplus by the Property Manager within the office of the Clerk of the Courts. Each of the items on the attached list has been certified by its department to be of no value. Once disposal is approved, the items will be removed from the Fixed Asset Inventory List.

Extension Services:
Number of services provided: 52 phone calls, 325 emails, 28 one on one consults, 9 office visits/visits to clients, 33 learning events with 653 participants, 6 media submissions, and 196 publications distributed. Total Budget for FY 23/24: $286,482; Year to Date Expenditures and Encumbrances: $126,840; Remaining Balance: $159,642; Percentage of budget spent and/or encumbered year-to-date: 44%

The County Extension Director/Family & Community Development Agent accomplished the following activities:

- Alicia has been co-teaching the Sustainable Living Series to 17 participants. This is a 7-week course developed as a discussion-to-action program that helps people discover ways to take action in their homes and community to reduce their footprint.
- Alicia is co-teaching the Climate Smart Floridians program. This state-wide virtual program encourages and engages residents in greenhouse gas emissions reductions in their homes and communities.
- Alicia attended the Florida Association of Community Development Extension Professionals and currently serves as chair of the membership and marketing committee.

- Alicia is the county lead contact on the Climate Pollution Reduction Planning Grant (CPRG). This grant process will allow the 4-county regional Climate Compact to produce a regional GHG inventory and a regional climate action priority list. This process will set the parameters for municipal CPRG implementation grants.
- Alicia spoke on the radio and wrote a blog about the presence of cane or bufo toads. The extensive rain has brought the emergence of these toads which can be hazardous to pets. They can and should be removed humanely if you find them in your landscape. Learn more here https://blogs.ifas.ufl.edu/monroeco/2023/10/19/cane-toads-bufo-marinus-and-your-pets/

The Florida Sea Grant Marine Extension Agent accomplished the following activities:

- Shelly was 1 of 5 featured bloggers for the University of Florida Blogs.IFAS in October (https://blogs.ifas.ufl.edu/monroeco/author/shellykrueger/). Shelly's article on "Releasing the gas: these tools can help bloated reef fish" was in The Keys Weekly, https://keysweekly.com/42/releasing-the-gas-these-tools-can-help-bloated-reef-fish/. Shelly spoke about the new recreational and commercial stone crab requirements to cut a 2 3/16" diameter escape ring on all stone crab traps to US1 Morning Magazine with Joe Moore.
- Shelly was invited to teach the South Atlantic Fishery Management Council Outreach and Communication Advisory Panel and an undergraduate class at Michigan State University about stony coral tissue loss disease, coral bleaching, and the Florida's Coral Reef Resilience Program. Shelly also taught 44 5th graders about our local fisheries at Gerald Adams Elementary.
- Shelly is working with Florida Sea Grant and resource managers in Venezuela about a new marine invasive species, Pulsing Xenia, that is common in the aquarium trade that has spread to northern Cuba. We are developing a series of media products for divers and diver shops to be on the lookout to report to SEAFAN.net.

The Environmental Horticulture Extension Agent accomplished the following activities:

- Maria Quirico did Creative Works in various areas, showcasing her commitment to horticulture and environmental practices. She wrote an informative article titled "Pumpkins: A Fascinating Crop - Can We Grow It in the Florida Keys?" for the Keys Weekly newsletter, contributing valuable insights to the local community.
- Maria also engaged with the public through the US 1 Radio Morning Magazine, where she discussed the Florida Friendly landscaping segment, spreading knowledge and awareness. Her one-on-one outreach efforts led to fruitful interactions with individuals, as seven plant clinics were conducted, accommodating groups of 4 to 15 people at each location. These events facilitated discussions on horticulture and environmentally friendly practices, allowing participants to gain valuable insights.
- In addition to her written and radio contributions, Maria organized events, such as the "Exploring Florida Keys Biodiversity Through Arts" workshop for children. She met with volunteers, attended conferences, and actively participated in various community events and meetings, highlighting her dedication to promoting environmental awareness and horticultural education.

ENGINEERING SERVICES / ROADS

2nd Street (Rockland Key) Sidewalk and Drainage Improvement:

- Mike Haack Excavating Inc. was the lowest responsive bidder for construction services.
- Staff is preparing construction contract for administrator approval.
- Construction scheduled to begin November 2023.

Bridge #904982 Tubby's Creek (Card Sound) and Bridge #904984 Mosquito Creek Bridge (Card Sound) Replacement Grant Award:

- 60% Design plans were submitted on September 18th and are under County and FDOT review.
- Public meeting to be held December 5th, 2023.

Bimini Drive (Duck Key) Bridge Replacement:

- Substantial Completion issued for September 14, 2023
- Contractor is continuing with punch list items.
- The scheduled application of the friction (final) course of asphalt was pushed out due to weather conditions and is now scheduled to begin October 23rd followed by temporary striping.
- Sod installation is complete.
- Class V finish/paint is nearly complete.

Harbour Drive (Duck Key) Bridge Replacement:

- Notice to proceed was issued for September 25, 2023 with a Substantial Completion date of March 28, 2025.
- Project limits, roadway and bridge centerlines have been surveyed.
- Clearing and grubbing is nearly complete on the West side of bridge.
- Phase I calculations and submittal for temporary critical wall for roadway widening has been submitted to the EOR for review.

Seaview Drive (Duck Key) Bridge Replacement:

- Sheet pile installation is complete on East end of the North side of bridge and sheet pile installation has begun on West end of bridge.
- Concrete pile delivery for East end bent is scheduled for October 20th.

Card Sound Bridge Navigational Lighting Replacement Project:

- Notice to proceed was issued for September 20, 2023 with a substantial completion date of January 18, 2024.
- Navigation light installations on bridge deck railing is scheduled to be complete first week in November.
- Bridge fender lights and clearance gauge installations are to begin the second week in November.

1st Street and Bertha Street – Key West Drainage Improvement Project:

- CEI contract closed short for savings of $20,808.97.
- FDOT SCOP final reimbursement in progress.

Sands-Big Pine Key SLR Roadway Pilot Project:

- Unable to proceed with project until sufficient funding is secured.
- Staff submitted a grant application to the FDEP Resilient Florida Grant program on 8-30-2023 for $11,732,000 to partially fund construction of the project.

Twin Lakes-Key Largo SLR Roadway Pilot Project:

- Staff drafted RFQ for Construction Engineering and Inspection Services and Construction bid to be advertised upon approval of solicitation documents and FKAA scope in project by FDEM and grant execution by both parties.

GIS Based Roadway Asset Management and Work Order System:

- No change

Roadway Vulnerability Study and Capital Plan:

- Staff reviewed an amendment to the SLR Vulnerability scope of work to provide needed updates to the Comprehensive plan and to the county's Public Works Manual to incorporate resiliency and adaptation to design standards.
- Staff received confirmation from FDEM that they are recommending our Roads Adaptation Projects to FEMA for Phase I HMGP Funding (engineering design phase). The total federal funds available through the HMGP Hurricane Michael funding is $178 million; the program is a 75% federal/25% non-federal grant program.
- Staff is completed program documents and submitted them to FDEM and FEMA for approval of the Phase I funds.
- Staff is preparing adaptation alternatives information for December 12th workshop with BOCC and residents.

Key Largo III – Burton Drive:

- FDOT final ERC comments responded to by consultant 9.8.23. Consultant to submit 100% revised plans on 10.20.23.
- SFWMD permit received 8.14.23.
- FDOT SCOP FY 2024 – waiting for FDOT execution grant agreement – anticipate early November.

Boca Chica Road Hurricane Irma Repairs Project:

- All sheet piling, deadman anchors, and concrete cap have been installed.
- Project is on hold due to active sea turtle nests on jobsite per Florida Fish and Wildlife Conservation Commission.
- Initial meeting with NASKW to review the effect of their application for abandonment was held on 17 October.
- Discussion item planned for November BOCC meeting

Card Sound Road Mill/resurface/restriping:.

- Milling and paving operations are scheduled be completed October 20th, 2023.
- The installation of permanent signs and shoulder gravel placement scheduled for late October/early November.

Card Sound Bridge Project Development & Environment Project:

- Staff held call with District 6 on May 26th to discuss moving forward. FDOT Planning Dept. was going to prepare the Advance Notification package to begin the ETDM screening for the Project.
- Staff provided information to develop the advance notification package for the ETDM screening to FDOT staff on August 23rd; ETDM screening is used to determine the NEPA class of action that will needed for the PD&E study.
- FDOT consultant staff is preparing the purpose and need statement to begin the screening process.

Duval, Whitehead, and Front Street Roadway Improvement ILA w/ City of Key West:

- Invoice has been submitted to the clerk, in addition to reimbursement request from FKAA for their cost portion according to the ILA.

Toms Harbor Bridge Repairs:

- Engineering design and permitting is ongoing.
- Staff received confirmation from FDOT that SCOP funds have been awarded for the construction phase of the project. Funds will be programmed in the FDOT FY 25 and construction is expected to begin in Fall 2024.

Crane Boulevard, Sugarloaf Shared Use Path:

- RFQ for design – negotiations approved September BOCC meeting, Consultant working on design engineering and permitting proposal.
- FDOT to encumber design funds October 2023.

Stillwright Point Road Elevation and Drainage Engineering Design and Permitting

- Consultant geo technical, ecological and survey in progress. Final version due end of October.
- Amendment 1 to FDEP - Resilient Florida Infrastructure Grant Agreement 22SRP56 for construction and construction engineering services approved at October BOCC.

First Street (Key West) Drainage Study

- Staff utilized information from the modelling and cost estimate to complete an application for grant funds from the Hurricane Ian HMGP program for engineering design and construction of the pump station.
- Consultant submitted draft report on October 10th; staff is reviewing.

Conch Key Roadway and Drainage Adaptation Project

- Staff addressed additional FDEP questions on September 25, 2023 and is anticipating grant agreement shortly.
- Staff reviewed draft scope and schedule that will be included in grant agreement.

ROADS & BRIDGES

Upper Keys Road Department:

- Buzz Bar Operation – 12.15 miles
- Buzz Debris – 3.04 tons
- Mowing Operation – 39.34 miles
- Sweeping Operation – 6.7 miles
- Sign Department - 55 new signs installed, 19 new posts installed and 11 locates performed. Stop Bars painted – 5 stop bars painted or replaced
- Shoulder Work – 3,052 linear feet of shoulder work using 26 tons of aggregate on 3 roads
- Coconut removal – 36,220 lbs./18.11 tons of coconuts removed from 36 county ROW and county properties
- Card Sound Road material pick-up – 2,160 tons of millings from General Asphalt, free for inventory use
- Tree Removal - 1 tree, weighing 60 lbs/.03 ton, removed from 1 county road
- Stumps ground and removed – 2 stumps on 2 roads
- Storm Drains vacuumed- 5 drains at one location Marathon county garage

- Trash removed from bus stops and county rights of ways – 101 bags +1717 lbs
- Illegal Dumping Pick Up – 60 lbs of debris picked up and removed from county right of way near CR 905

Upper Keys Roads Special Projects – Support:

- 9-29-23 All Crew Trash/Debris removal CSR/905/ under all bridges. .64 tons of garbage removed.
- Assist Rowell's park to upright newly added trees that had fallen in strong winds
- Assist Solid Waste with equipment transport
- Assist KL transfer station to smooth road and prepare place to offload millings
- Fallen tree removal Dolphin Rd, Key Largo
- Removal of illegal dump found near CR 905
- Assist Key Largo Park with score board post replacement
- Assist Marathon Facilities and Fleet with vacuuming garage storm drains
- Assist Solid Waste with equipment transfer and trim of vegetation at entrance
- Emergency removal of 2 fallen trees across county road ways
- Collaborate with FKEC for removal of 2 trees in county ROW posing significant safety threat as fire hazards

Lower Keys Road Department: October 2023

- Mowing Operation – 36 Miles
- Weed eating Operation – 8 Miles
- Brush Cut/Chip Operation – 6 Miles
- Recycled Mulch – 6 loads delivered for free
- Sweeping Operation – 5 Miles
- Sign Work - 51 Signs, 9 Posts, 11 Locates
- Cold Patch work – ¼ ton used on Puerta Dr, Big Coppitt Key, Boca Chica Rd, Geiger Key, Key Deer Blvd, Big Pine Key.
- Tree Trimming – hand trimmed ROW, Center Street Summerland Key using bucket truck, trim Coconut trees on Sugarloaf Blvd, Sugarloaf Key

Lower Keys Roads Special Projects – Support:

- Coordinated with The City of Key West Public Works Department to sweep Duval Street Saturday and Sunday for Fantasy Fest.
- Coordinated with Public Works Facilities for annual drain cleaning at Jackson Square..

<u>PROJECT MANAGEMENT</u>

Hurricane Irma Repairs:

Following is a list of the remaining locations damaged by Hurricane Irma.

Big Pine Key Community Park:

Community Center Flood Panels

- The County rejected the submitted panels as they are excessively heavy. The panels are being designed to be lighter and easier to handle.

Key Largo Park Concessions Roof Replacement:

- Determined that FEMA intended repayment for full roof replacement instead of the repair that was previously completed.

- Proposals received. Staff moving forward with contract.

Marathon, Tax Collector Seawall:

- Army Corp of Engineers are expected to release the permit in the month of November.

MCSO Stock Island Jail and Admin Flood Panels:

- SeaTech is revising all top panels to reduce the weight. Aesthetic repairs scheduled for 10/20/23.

Veteran's Memorial Park:

ADA Pavilion & Tiki Huts

- All work associated with the Tiki Huts and Pavilion is complete. Final payments/closeout in process.

Bathroom Repairs

- Pending preliminary sketch of preferred layout from design team.

Hurricane Ian Repairs

Following is a list of the remaining locations damaged by Hurricane Ian.

Higgs Beach & West Martello:

- Reviewed and commented on a proposal for a Task Order from T.Y.Lin to conduct post storm topography surveys and prepare construction documents for sand replenishment project. Revised proposal received, now preparing Task Order for November BOCC agenda.
- Advertised RFS for replacement of Tennis / Pickle-ball Court fencing. Pre-bid job walk held 10/19. Bids will be opened 11/02/23.

Capital/Grant Funded Studies or Construction Projects:

Bay Point Park (Drainage Study) – ARP:

- Draft recommendations under review.
- Coordination with EOR and planning to determine feasibility of proposed recommendations underway.

Big Pine Community Park Sports Field Improvements – ARP:

- Contract with Musco approved.
- Parks has indicated the desire for reduced scope, possible change order being reviewed.

Big Pine Employee Housing:

- Bid opening held on 10/18/23. Staff to begin the contract process.

Bernstein Park Re-Sod/Turf – ARP:

- Proceeding with County program to replace the grass with a better species of natural turf, improve irrigation and add some park hardscape.
- Received a revised proposal from Bill Horn, Architect for park renovations.

Blue Heron Park Pickleball Improvements – ARP:

- 90% Design Plans submitted to County.
- EOR coordinated with Planning Dept, and additional parking required to expand pickleball courts.
- Desired parking layout selected by Parks. Design will be updated to include required parking.

Emergency Operations and Public Safety Center – FDEM, HMGP, FDOT:

- Plumbing rough-ins, including water, wastewater and sprinklers complete.
- Water service and meters are complete, permanent tap pending removal of temporary

trailers.

- Interior drywall and paint is complete. All exterior and most interior door installed and painted.
- Electric and low voltage wiring largely complete.
- FKEC transformer has been energized; meter is installed. Building components being connected to permanent power.
- HVAC condensing units and air handling units installed and being connected to permanent power for full AC testing starting by early November.
- Final grading of the site underway. Additional stormwater retainage ponds complete.
- Misc. Concrete sidewalks and utility platform being finished by early November.

Fire Station Bay Floor Resurfacing - ARP:

- Includes resurfacing of bay floors at fire stations 9, 13, 17, and 22.
- Specifications being finalized and RFP being drafted for advertisement.

Fire Training Academy New Burn Simulator Building:

- Cost benefit analysis submitted and approved by Fire Rescue; proceeding with Pre-Fab Building in lieu of custom concrete building.
- Plans and Specs are being finalized. Fire Rescue is investigating construction funding sources.

Gato Spalling – CAP:

- Design documents were revised to be clearer for bidding and received 19 October 2023. RFP can now be drafted with correct scope.

Gato Building HVAC – ARP:

- Facilities will handle phase repairs though standing contract.

Higgs Beach Restroom Replacement - TDC:

- Slab graded and poured.
- Block walls grouted; tie beam being formed.

HMGP Generators – HMGP:

- Schematic Design Narrative and Flood Plain Memo submitted for County review.
- Coordinating with Facilities Dept to approve proposed generator locations.

HMGP Wind Retrofit – HMGP:

- Design at approximately 60%.
- Amendment to design contract to add roof testing requirements approved at October BOCC meeting.

Jackson Square Jefferson Browne Redevelopment - CAP:

- No change

Jacob's Aquatic Center Pool Liner Replacement - TDC

- Received updated quote. Preparing RFS for 2 additional quotes.
- Work will be scheduled in January to not interfere with scheduled activities.

KW Lighthouse New Oil House Display - TDC

- Punchlist complete, close-out complete, retainage pay app in process.

KW Lighthouse Stables Building Renovations and ADA improvements – TDC

- No change from last month. Waiting for KWAHS and Bender to sign contract for design.

Historic Sheriff Residence and Jail Museum at Jackson Square - TDC:

- Project closed; Final payment being processed.
- KWAHS will work through the fall in preparation for opening in early 2024 opening.

Marathon Professional Building – Roof Replacement:

- Roof replacement complete – punch list items remaining.

Monroe County Historic Courthouse Masonry Repairs – CAP, DHR:

- State DHR confirmed the contract with Monroe County.
- Bender & Associates design work is complete.
- RFP pending DHR approval of procurement.

MCSO Stock Island Jail Stucco and Spalling Repairs – CAP:

- Engineered solutions have been provided and will be put out to bid by late October No Change.

MCSO Stock Island Jail Dormitory Window Replacement – CAP:

- No change.

MCSO Stock Island Detention Center Generator Building – CAP:

- The contractor designer has expanded their scope to include additional serveying and geotechnical work, which will allow for the completion of design. Currently all drawings are 90% complete. Drawings expected to be completed by Mid-November.

MCSO Stock Island Detention Center Kitchen Floors – ARP:

- No change.

MCSO Stock Island Detention Center Elevator 6 & 7 Upgrades – ARP:

- This is being handled by facilities using their standing contract.

MCSO Stock Island Detention Center Air Handlers – ARP:

- This is being handled by facilities using their standing contract.

MCSO Stock Island Detention Center Ground Floor Door Replacement – ARP:

- Pricing has been provided and will be reviewed this month.

Murray Nelson Parking Lot – ARP

- Plans being finalized; RFP being drafted.

Pine Channel Nature Center Trail Enhancements – TDC:

- NTP expected October/November.

Pigeon Key Sprinkler System - TDC:

- Project complete.
- Fire Pump maintenance requirements submitted to legal for incorporation into Pigeon Key Lease Documents.

Plantation Key Courthouse and Detention Center - CAP:

- The County has a 3rd party auditor reviewing all project documents at this time.

Plantation Key Campus Redevelopment of the Ellis and Old Courthouse - CAP:

- Ellis Building: No Change
  - RFP for renovations to be advertised during the month of November.
- Old Courthouse Meal Site in Clerk's old Offices:
  - Spalling repair to be put out to bid during the month of November.

Public Defender Offices at 316 Simonton in Key West - CAP:

- Drywall complete and painted.

- HVAC ductwork 90% complete.
- Ceiling grid 90% complete.
- Electric trim out underway.
- Low voltage run throughout.
- Tile installation 90% complete.
- Interior doorframes installed.

Reynolds Street Pier Pile Repairs – TDC, FDOT-TAP:

- Preparing RFQ, to be advertised in November, for design services to develop plans and environmental permits for pier improvements.

Rockland Key Fleet Facility – CAP:

- Geotechnical and site survey completed, waiting for reports.
- Architect drafting Owner Project Requirements (OPR) and Basis of Design (BOD)
- Monroe County Planning review applied for.
- CMAR RFP to be published in October.

Roth 911 – MCSO:

- The Architect has expanded their scope to include additional MEP design. Tentative project walk is scheduled for November 2, 2023.

Rowell's Waterfront Park Phase I – TDC, FDOT, CAP:

- Contractor proceeding with final inspections and project closeout.

Rowell's Waterfront Park Phase II – CDBG-CV, CAP:

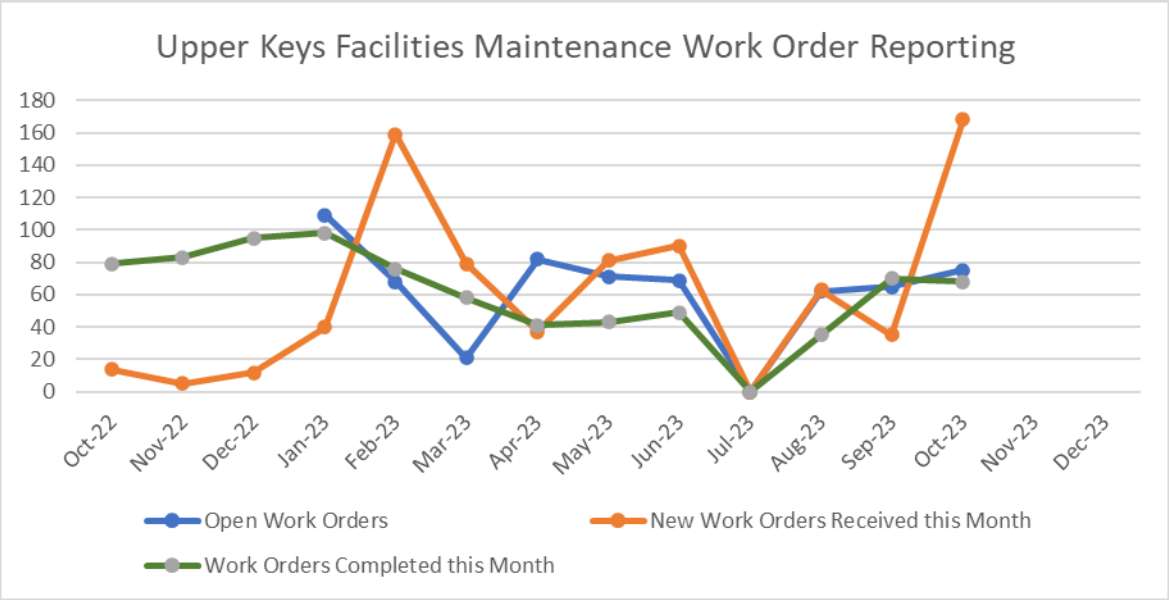
- Grant extension request approved. Funding available thru Sept. 2024.
- RFP being advertised with bid opening date of 11/09/23.
- Design team revising utility plans to allow for lowered FKAA watermain pressure. Any updates to the plans will be added to the RFP as an addendum.

Rowell's Waterfront Park Phase III (Tiki Huts) – TDC:

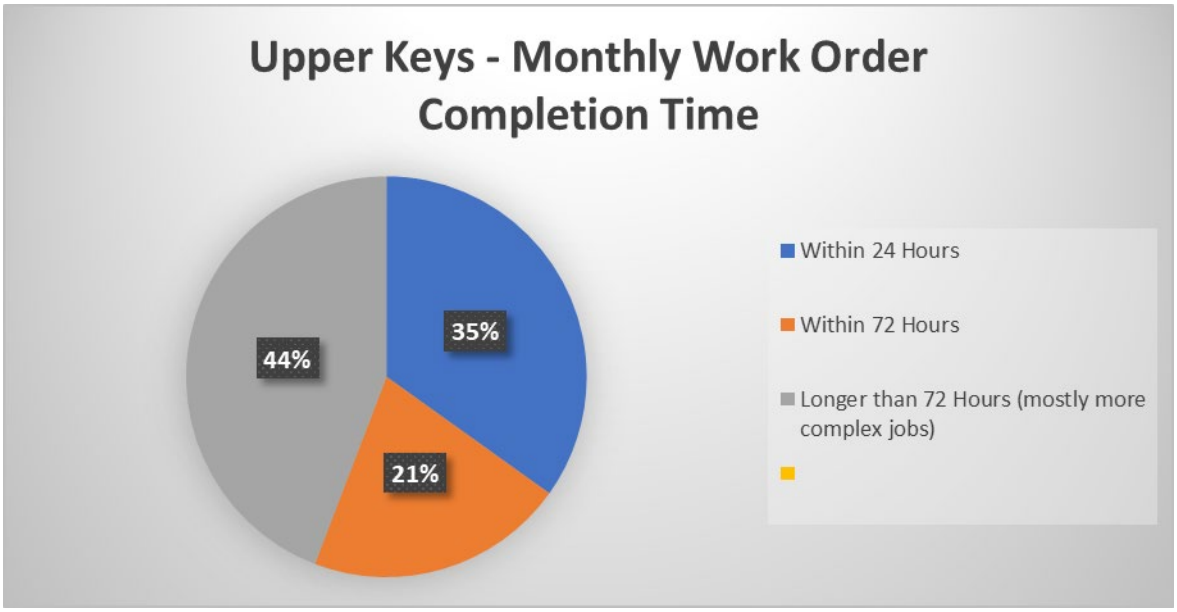
- Staff preparing RFP.

Supervisor of Elections Key West Office Relocation - SOE:

- Electric trim out 99% complete
- Interior frames and doors installed
- Walls and doors painted
- HVAC 85% complete
- Fire alarm rough in complete
- Flooring complete
- Storefront doors installed

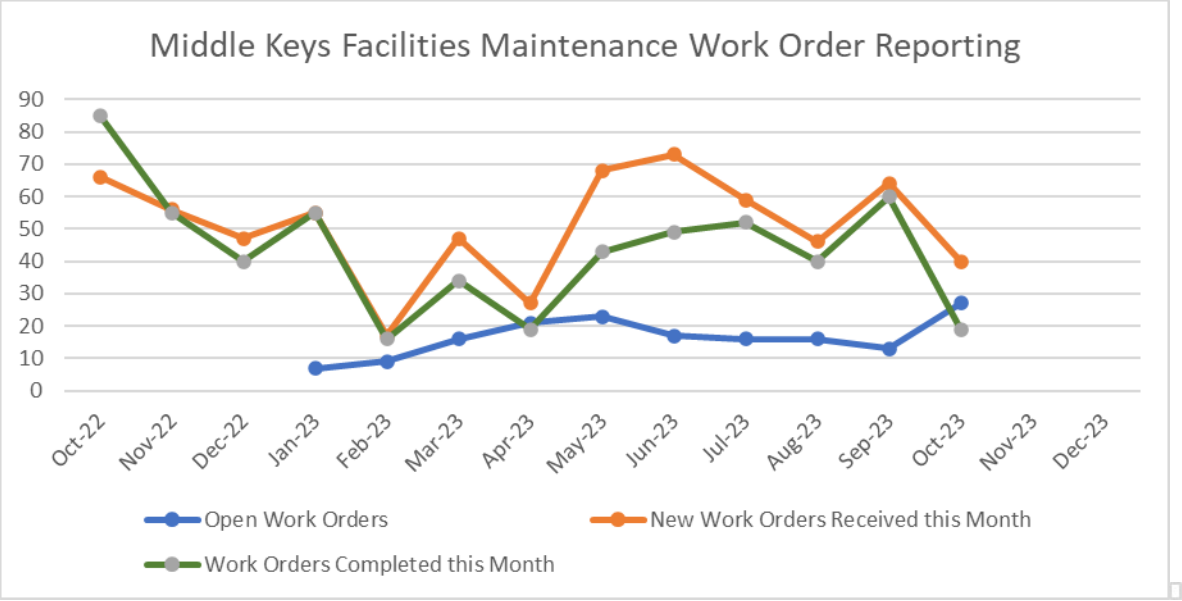


Tavernier Fire Station Hardening – CDBG-MIT:

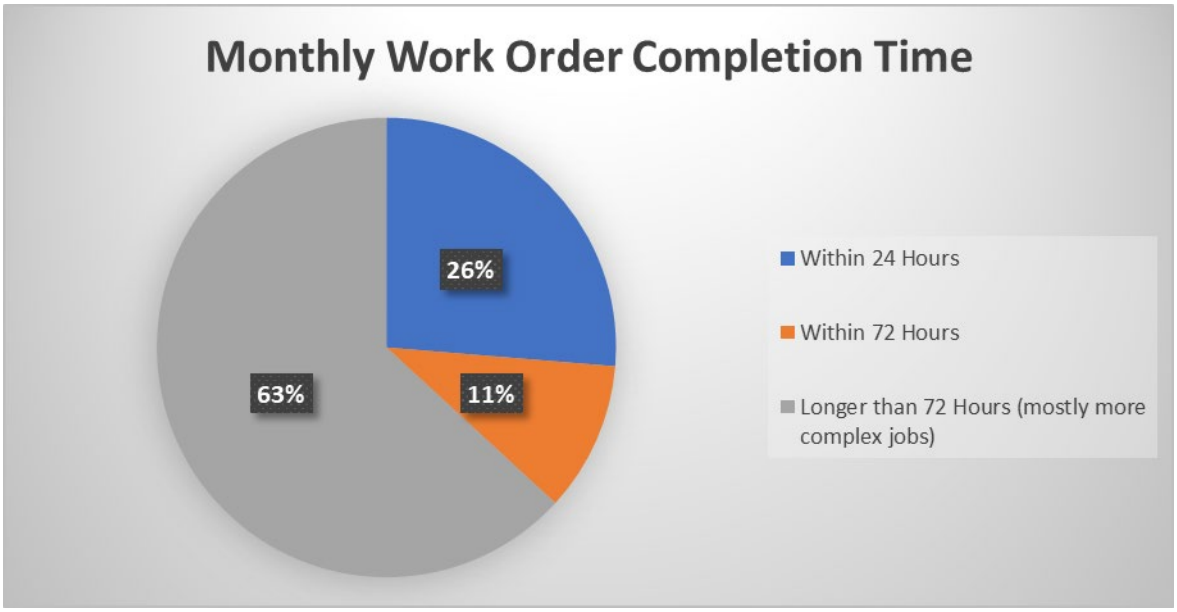


- Environmental review complete. Currently under review by Florida Commerce (DEO).
- Requested a quote from Hale Innovations for grant administration due to extensive grant requirements.

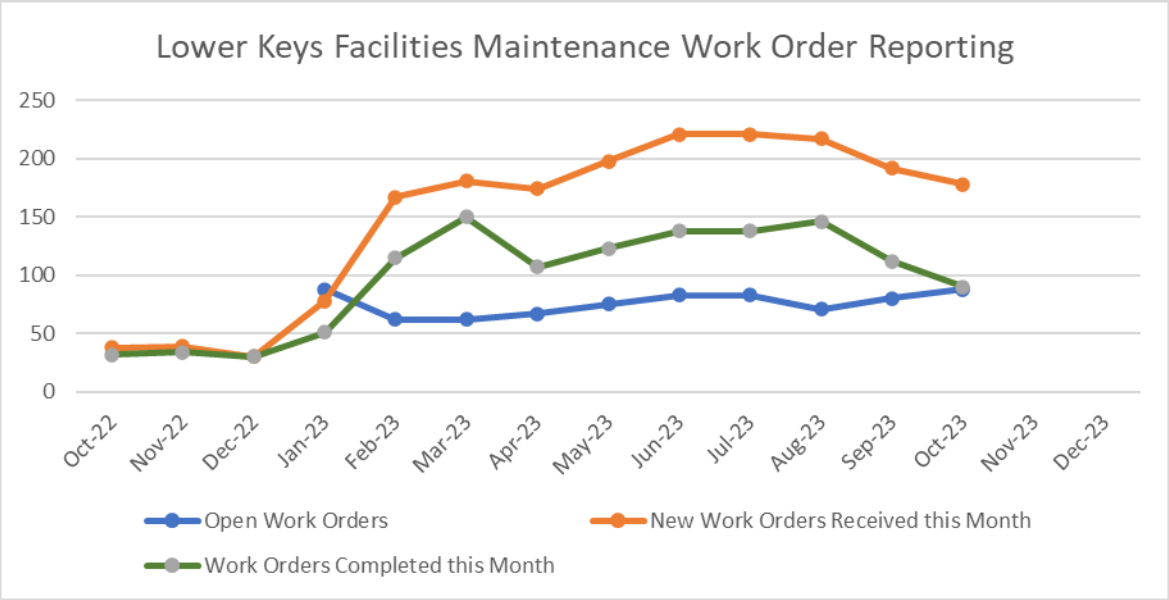
Transfer Stations Equipment Buildings - MCSW:

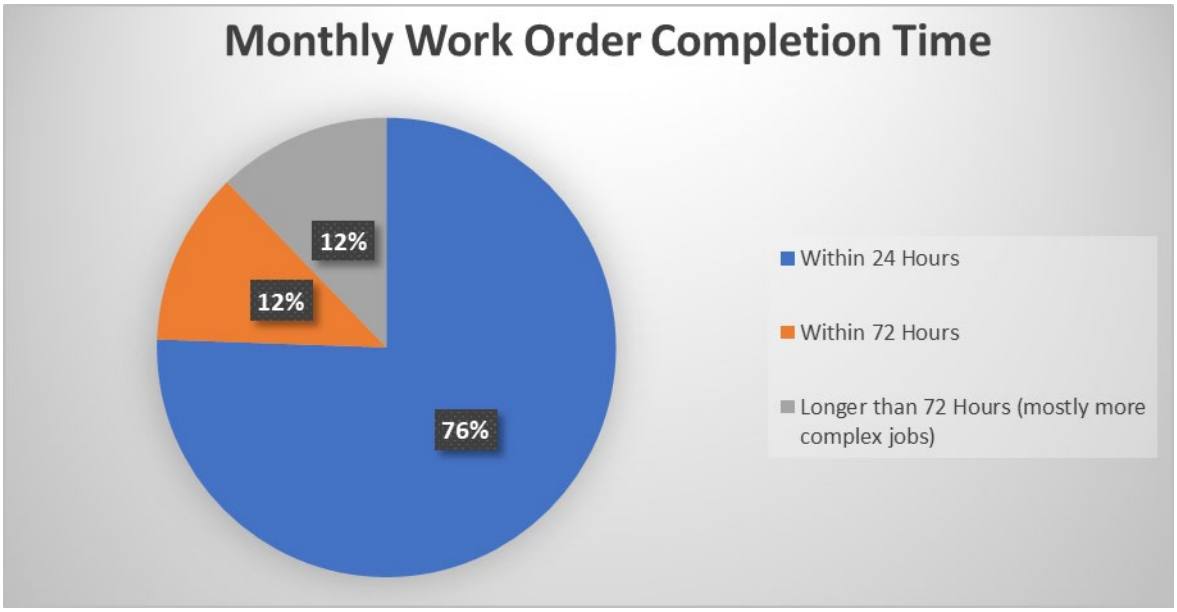


- Waste Management is in preliminary stages of building expansions. Meeting held on site with Solid Waste to discuss updates to the equipment building locations. CPH updating preliminary plans.



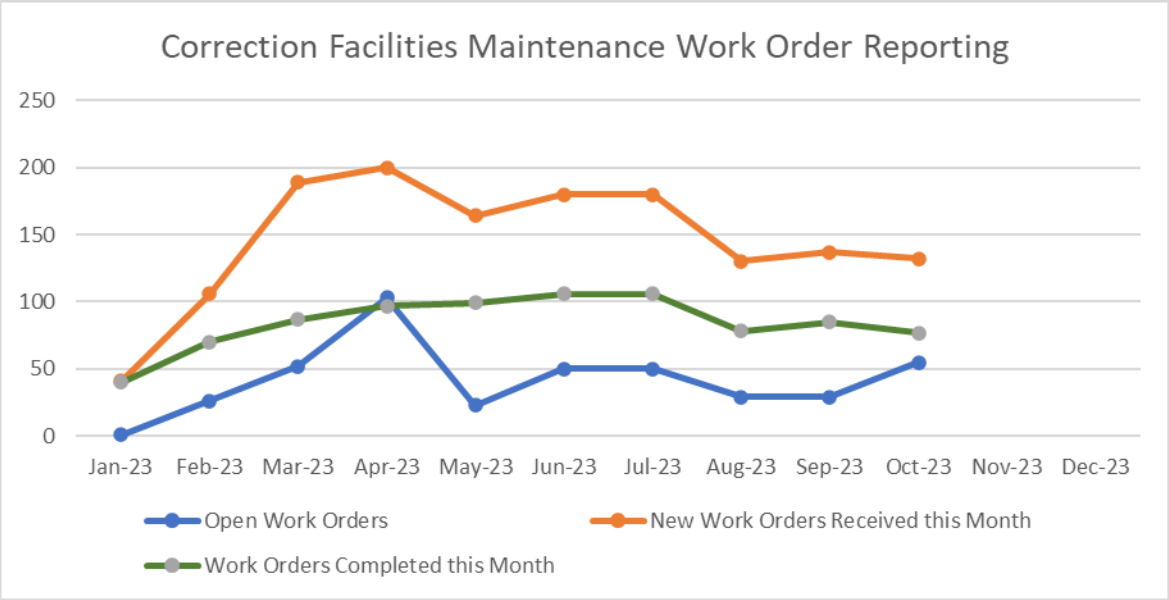
FACILITIES – UPPER KEYS

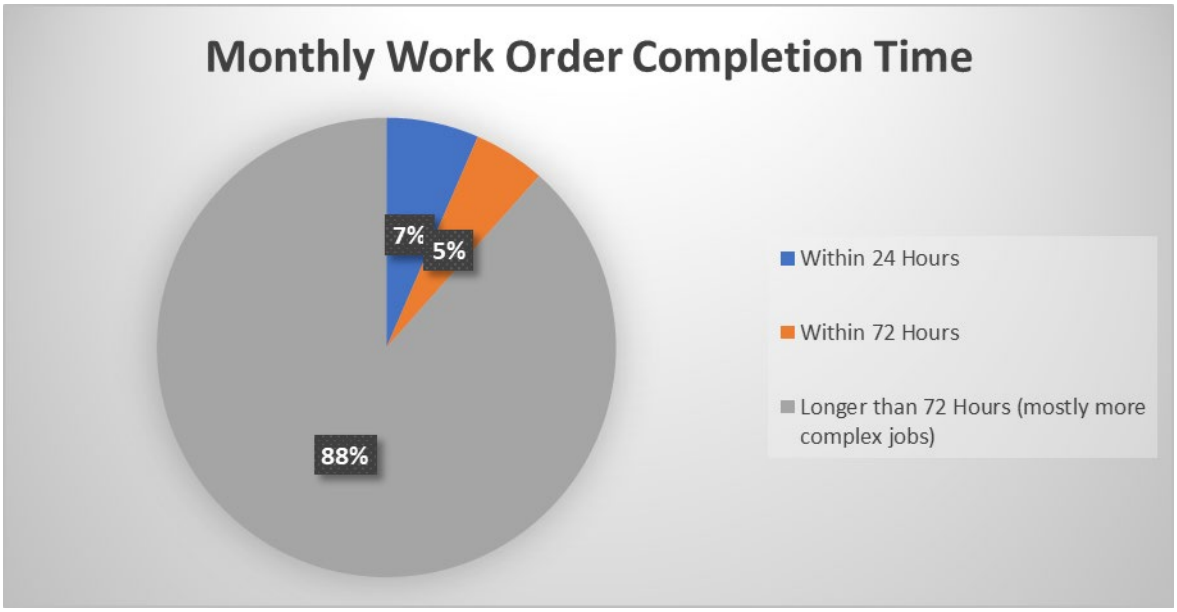




FACILITIES – MIDDLE KEYS

FACILITIES – LOWER KEYS





Lower Keys Major Accomplishments

- Historic Courthouse repairs to drywall after installation of new ac units
- Continuation of Renovation Project for Clerk of Courts
- Plantation Key Landscape Project.

FACILITIES – CORRECTIONS

PARKS AND BEACHES

Department Highlights:

- Pine Channel Nature Park was chosen for the 2023 FRPA Facility Showcase
- Monroe County has been chosen to host the Florida Recreation and Park Summit for 2024

UPPER KEYS

Rowell's Waterfront Park

- Added floating dock

Friendship Park:

- Installing pour in play rubber surface to replace existing playground sand

Key Largo Community Park:

- Added new fitness equipment and added pour in play surface
- Increased warning tracks around baseball field
- Fixed lips on the baseball infields
- Removed and repaired broken scoreboards.
- Added new display board to tennis courts.
- Replaced tennis court signage.

Harry Harris Park:

- New ballfield fence in progress
- Beach sand replenished

Old Settlers Park:

- Removed palm tree from playground and removed diseased tree at entrance.
- Put up signs in English and Spanish.
- Added a new bike rack and new trash cans.

Plantation Key Community Center:

- Host location for Monroe County University of Florida, Biodiversity art workshop for kids
- Host location for American Legion monthly meeting.
- Added new tables, chairs, and more for the public to use

Mike Forster Memorial Park:

- No additional changes

LOWER KEYS

Veterans Memorial Park:

- Added new signage and added to our shelter rental system
- Added new beach wheelchair
- Added buckets to our community cleaning station

Blue Heron:

- Completed additional storage for equipment

Big Pine Community Center:

- Host location for AARP food program
- Host location for Paradise Quilters Club
- Host location for tobacco cessation group

Big Pine Park:

- Hosted the 2023 Lower Keys Rotary Haunted Hospital and onsite support, October 6-8th
- Created a new storage area for the bocce court utilizing the existing shelter to ensure the equipment is securely stored
- Hosted Big Pine Youth Association Soccer Program
- Hung the World Record Pie Crust Pan for all to see
- Improved the Bocce Court with shell playing surface
- Replaced gate on basketball court
- Repaired and painted fitness equipment

Pine Channel Nature Park:

- Added signage

Watson Field:

- Added new pea rock

Sugarloaf School Shark Park:

- Installed a teqball table
- Added trash cans and benches

Bay Point Park:

- Continue to meet with engineer about flooding issues
- Draft recommendations under review per Project management

Boca Chica Beach:

- Beach License Partnering Meeting- NAS Key West and Monroe County on October 19, 2023
- Added buckets to our community cleaning station.

Wilhelmina Park:

- Added sod to damage area around newly applied rubber surface.

Firemen's Park:

- No additional changes

Bernstein Park:

- Hosted 2nd Coast Love Annual Stock Island Cleanup and Community Celebration Day on Saturday October 14th
- Painted restrooms
- Restriped parking lot

Higgs Beach:

- Starting point for the 26th Annual Key West Paddle Classic that took place on September 30, 2023
- Added Temporary Pickleball nets.
- Added portable AC restrooms.

Monthly Activity Report – October 2023

Fire Rescue

- ISO conducted an onsite triennial evaluation of Monroe County Fire Rescue department, including personnel, training, apparatus and equipment maintenance records and water supply records.
- Participated in the Station 11, Sugarloaf Key Fire Station design process consultation.
- Crews from all Stations completed annual fire well testing for all zones.
- Crew from Station 13 participated in Hurst extrication tools maintenance training provided by Municipal Emergency Services / MES.
- Completed inspections for all fire extinguishers on all Fire Apparatus.
- Crews from Stations 13 participated in a Fire Prevention Week presentation to the Big Pine Fire Academy, the Florida Keys Home School Group, and the youth soccer league at Big Pine Community Park.
- Crews from Stations 8 participated in a Fire Prevention Week presentation to the Lighthouse Christian Academy, Horace O'Bryant Middle School, and Temple Christian School on Stock Island.
- Crews from Stations 10 and 11 participated in the Fire Prevention Week presentation at the Sugarloaf Elementary School and the Banana Cabana Daycare on Sugarloaf and Ramrod Keys.
- Crews from Stations 22 and the Fire Marshal's Office participated in the Fire Prevention Week presentation at the Burton Memorial Daycare in Tavernier.
- Crews from Station 8 participated in the 2nd Annual Stock Island Cleanup and Community Day hosted by CoastLove.

Trauma Star / EMS

- Conducted Flight team monthly meeting which included Quality Assurance and documentation guidelines/feedback, upcoming trainings, communications.
- Conducted Quality Assurance meetings with the Lower Keys Medical Center and Jackson South Hospital.
- Implemented the controlled substances module on the PSTrax asset management software beginning October 1, 2023. All controlled substances will be logged, tracked, and audited on a monthly basis through this software.
- Two (2) personnel completed the Flight Provisional Program, including one Flight Nurse and one Flight Medic, who have been officially cleared following their probational period.
- Provided instruction for First Responder CPR/First Aid and Stop the Bleed to the current Hot Shot Academy students.
- 24 Flight personnel completed the Emergency Water Egress Training.

- Three (3) personnel completed the Paramedic licensing requirements and have started the department's Paramedic Provisional Program.
- Attended the Keys Health Ready Coalition meeting. KHRC serves as a multi-agency coordination group that focuses on health-related emergency preparedness that strengthens the health system's ability to respond to emergencies and disasters.
- Attended the formal signing to acquire three (3) new Leonardo AW139 Helicopters which will replace the Trauma Star Program's Sikorski S76 Helicopters over the next two years.

Key West International Airport / Fire Station 7

- Participated in Fire Prevention Week by visiting multiple classrooms at Horace O'Bryant Elementary School in Key West, sharing "Sparky" and fire prevention messages to children.
- Attended each of the EYW Airport Operations Meetings, Construction Meetings, Airlines Meetings, and the Airport Tenant Meeting for the month.
- Completed fire extinguisher training for airport fueling personnel.
- Completed the annual SIDA Badge audit for all MCFR SIDA Badge holders.
- Completed two (2) separate Fire Watch / EMS standbys for the Family Movie Night at East Martello's event lawn.
- Completed Fire Watch / EMS standby for 2023 Zombie Bike Ride Party at East Martello event lawn.
- Attended Advanced WebEOC Training at the Harvey Government Center, hosted by Monroe County Emergency Management.
- Conducted Quarterly / Periodic Airfield inspection, which includes ARFF Response drills, suppression product maintenance, foam testing and Airport fueling inspections.

Fire/EMS Training

- Continued training coursework for the Firefighter Minimum Standards class also known as the Hot Shots class.
- Conducted Live Fire Training, required for firefighters, with Crews from Stations 17 Conch Key participating, and with the Ocean Reef Fire department crew of 10 members also participating.
- Provided national standard curriculum classroom and road training course for Emergency Vehicle Operation Certification (EVOC), conducted testing and final sign-off for two Fire Rescue Driver Operators.
- Completed update of the firefighter Job Performance Requirements (JPRs) to include additional tactical ventilation drills.
- Conducted Multi-Company training and posted to Operations calendar for the County's inhouse firefighter training requirements.
- Provided hose testing and distribution of new fire hose to Station 17.
- Provided Fire Extinguisher Training to approximately 25 members from the Historical Tours of Key West organization.

Fire Marshal's Office

- Provided event coordination and attended Fire Prevention Week events in Stock Island, Sugarloaf, Ramrod, and Big Pine Keys and Tavernier.
- Conducted Plans Reviews and Inspections for New Construction and Renovation Permits for the building departments in Ocean Reef, the Upper Keys, Middle Keys, and the Lower Keys.
- Provided letter notices and annual Fire and Life Safety inspections to commercial properties from Stock Island to Key Largo.
- Inspections conducted in Ocean Reef during month in conjunction with the Ocean Reef Public Safety office.
- Held four (4) meetings with fire protection designers, contractors, and owners to review code requirements for development plans.
- Conducted a Fire Marshal's Office monthly meeting with the Deputy Fire Marshals which included review of inspection types and re-inspection notices.
- Performed reviews for conditional use applications for Conch Services LLC at 98790 Overseas Hwy, Key Largo and Refreshment Services at 5510 MacDonald Ave, Stock Island.
- Staff from the Fire Marshal's Office provided documentation and participated in the ISO triennial evaluation.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: Q2
2023-1751

BULK ITEM: No

DEPARTMENT: Administration

TIME APPROXIMATE:
n/a

STAFF CONTACT: Lindsey Ballard

AGENDA ITEM WORDING: Discussion about changing the BOCC Meeting dates for January, February and September of 2024 due to recent changes in the dates for Florida Keys Day and the FAC Policy Conference.

ITEM BACKGROUND:
The Board initially discussed and voted on the 2024 BOCC Meeting dates at the October 18, 2023 Meeting. After the meeting, scheduling conflicts arose regarding the January and September the meeting dates.

January: The Board voted to hold the January BOCC meeting on Wednesday the 24th. We were informed by Rep. Mooney's office that Florida Keys Day will be held on Thursday, January 25th. **Staff is proposing to hold the BOCC meeting on Wednesday, January 31, 2024** to accommodate FAC Legislative Day (1/17) and Florida Keys Day (1/25).

February: The Board voted to hold the February BOCC meeting on Thursday, February 15th to avoid a conflict with Florida Keys Day which had been tentatively set for February 22nd but is now set for January 25, 2024. **Staff is proposing to hold the BOCC meeting on Wednesday, February, 21, 2024**, the traditional third Wednesday of the month. This move will provide more time between meetings as well as more time to prepare the agenda and allow everyone to prepare for the February meeting.

September: The Board voted to hold the September BOCC meeting on Wednesday, September 18th to avoid a conflict with the Florida Association of Counties Innovation and Policy Conference which had been tentatively scheduled for Wednesday September 11th and Thursday September 12th. FAC recently informed staff that the Innovation and Policy Conference will now be held on September 18th and 19th due to scheduling issues with the hotel. As a result of that change, **staff is proposing to hold the BOCC meeting on Wednesday, September 11th.**

AGENDA ITEM WORDING:

Approval of annual agreement with Anfield Consulting, Inc. (Frank Bernardino) for continuing lobbying services on behalf of Monroe County in the legislative and executive branches of State government effective December 1, 2023.

ITEM BACKGROUND:

Anfield Consulting brings specialized knowledge and expertise to the County's state legislative lobbying team, specifically in the State's water management, land acquisition, and environmental programs, and the funding streams related to those programs. Anfield Consulting leads the team's efforts to secure Stewardship Act funding and the continuing efforts to secure legislative support for inclusion of Stewardship Act into the State's Land Acquisition Trust Fund. There is no change to contract or compensation terms.

PREVIOUS RELEVANT BOCC ACTION:

- November 2022: BOCC approval of Agreement with Anfield Consulting for 2023

AGREEMENT FOR
LOBBYING SERVICES
Between
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
And
ANFIELD CONSULTING, INC.

This Agreement ("Agreement") made and entered into this 8th day of November, 2023, by and between Monroe County, a political subdivision of the State of Florida, and whose address is 1100 Simonton Street, Key West, Florida, 33040, its successors and assigns, hereinafter referred to as "COUNTY," through the Monroe County Board of County Commissioners ("BOCC"), and

Anfield Consulting, Inc., a corporation of the State of Florida, and whose address is 201 West Park Avenue, Tallahassee, Fl. 32301, its successors and assigns, hereinafter referred to as "LOBBYIST", and

WHEREAS, COUNTY desires to employ the professional services of LOBBYIST for state legislative lobbying services to advance the County's legislative priorities and issues including but not limited to land acquisition, water quality, Stewardship Act appropriations, other appropriations, wind and flood insurance, environmental, growth management/planning/building, marine resources, human services, affordable housing, jails, juvenile justice, finance and taxation, emergency management, public safety, tourism, telecommunications, Florida Retirement System, courts/clerks, mental health and substance abuse, sustainability, solid waste, local government preemption, unfunded mandates, revenue sharing, protection of County revenue, and other issue areas and services as assigned by the County Administrator and agreed to by the LOBBYIST; and

WHEREAS, LOBBYIST have agreed to provide the professional services as LOBBYISTS for representation as described in this agreement; and

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and LOBBYIST agree as follows:

1. **TERM OF AGREEMENT.** This agreement shall be effective upon approval and the agreement shall continue for a period of 1 year, beginning December 1, 2023. The County shall have the option to renew the agreement after the original terms, subject to performance by the LOBBYIST and the availability of County funds.

2. **COMPENSATION.** The County, in consideration of the LOBBYIST satisfactorily performing services, shall pay the LOBBYIST a total of $60,000 (Sixty Thousand Dollars), plus any additional costs associated with travel as requested and approved by the County, on invoices submitted by LOBBYIST to the County Administrator's office on a monthly basis. Invoices must provide sufficient detail and documentation to support work accomplished and any additional costs for which LOBBYIST is seeking reimbursement,

including but not limited to the exact dates of travel, mileage, costs, receipts and description of work completed under this Contract. Total Contract shall not exceed $60,000 (Sixty Thousand Dollars) plus the cost of approved travel expenses. Travel expenses may be paid if approved by the County Administrator as long as adequate documentation is provided by LOBBYIST. Travel expenses are regulated by the Monroe County Code Sec. 2-106 *et. seq.*

3. **SCOPE OF SERVICES.**

3.1 Provide a full range of professional lobbying services and advocacy before the Florida Legislature, the Governor, the Cabinet, and executive departments, agencies, offices, commissions, and other governmental units of the state of Florida with respect to all of COUNTY's legislative and regulatory interests; matters contained within COUNTY's state legislative program; assigned executive branch projects; and other issues or projects of the COUNTY as assigned by the Contract Administrator and Director of Legislative Affairs.

3.2 Effectively communicate COUNTY's state legislative program and issues to members of Legislature, Governor and Cabinet, and executive departments, agencies, offices, commissions and other governmental units of the state of Florida.

3.3 Upon request, arrange meetings for County Commissioners, County officials, and staff with members and officials of the Legislative and Executive Branch of state government and other entities as necessary, including members of the Legislature in leadership positions, key legislative committee members and staff, and executive branch leaders and key officials within the Governor's Office, Cabinet, and state agencies.

3.4 Be available on a 24-hour basis during any Regular Session, extended session, or special session, committee week, and at other times as requested, to: assist in writing, interpreting, and monitoring legislation, agency rules and regulations; drafting legislation, amendments, proviso language, position papers, and testimony; obtaining documentation and research materials; and securing sponsors for bills, amendments, resolutions, proviso language and other legislation, as necessary to accomplish COUNTY's legislative and executive branch goals.

3.5 Identify and discuss with COUNTY any areas of potential concern or opportunity for obtaining passage of COUNTY's legislative priorities, other issues in the state legislative program, and executive branch issues or projects assigned to the firm.

3.6 Attend weekly team strategy meetings, legislative committee meetings, briefings, and hearings, during session and interim committee weeks, and report on all matters assigned; and participate in meetings, conference calls, and provide verbal or written reports to COUNTY at other times, as directed by the Director of Legislative Affairs.

3.7 Consult with County Commissioners, County Administrator, Director of Legislative Affairs, County Attorney, and such other persons designated by the Contract Administrator regarding any legislative or executive matter which may impact the COUNTY, and take any necessary action, as determined by the County Administrator and Director of Legislative Affairs.

3.8 Prepare and submit written reports, as may be required by the Director of Legislative Affairs, regarding the status of assigned issues and projects, progress made to achieve such matters, an end-of-session report upon the conclusion of any regular or special

session and a written report on each monthly invoice provided by the LOBBYIST during the period covered by the invoice.

4. **REPRESENTATIONS AND WARRANTIES.** By executing this Agreement, LOBBYIST makes the following express representations and warranties to the COUNTY:
4.1: The LOBBYIST is professionally qualified to act as the LOBBYIST for the Scope of services and is licensed to provide the designated services by all public entities having jurisdiction over the LOBBYIST and the Scope of services;
4.2: The LOBBYIST shall maintain all necessary licenses, permits or other authorizations necessary to act as LOBBYIST until the LOBBYIST'S duties hereunder have been fully satisfied;
4.3: The LOBBYIST has become familiar Monroe County's legislative issues and priorities.
4.4: The LOBBYIST shall prepare all documents, if required, by this Agreement in such a manner that they shall be accurate, coordinated and adequate for use in the subsequent implementation phases and shall be in conformity and comply with all applicable law, codes and regulations. All Documents shall be reviewed by the County Attorney, or his designee, prior to being approved by the BOCC. The LOBBYIST warrants that the documents prepared as a part of this Agreement will be adequate and sufficient to accomplish the scope of services, therefore, eliminating any additional cost due to missing or incorrect information.
4.5: The LOBBYIST assumes full responsibility to the extent allowed by law with regards to his performance and those directly under his employ.
4.6: The LOBBYIST'S services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the scope of services.
4.7**:** LOBBYIST is an independent contractor under this Agreement. Services provided by LOBBYIST, or subcontractor(s), shall be subject to the supervision of Capital City Consulting. In providing the services, LOBBYIST and its agents shall not be acting and shall not be deemed as acting as officers, employees, or agents of the COUNTY, nor shall they accrue any of the rights or benefits of a COUNTY employee.
4.8: The LOBBYIST shall, without additional compensation, promptly correct any errors, omissions, deficiencies, or conflicts in the work product of the LOBBYIST or its subcontractors, or both.

5. **COUNTY'S RESPONSIBILITIES.** COUNTY shall provide information in its possession upon request from LOBBYIST as needed for the Project including objectives, schedule, constraints and criteria. COUNTY shall designate a representative to act on the COUNTY'S behalf with respect to the Project. The COUNTY or its representative shall render decisions in a timely manner pertaining to documents submitted by the LOBBYIST in order to avoid unreasonable delay in the orderly and sequential progress of the LOBBYIST'S services. Prompt written notice shall be given by COUNTY through its representative to LOBBYISTS if COUNTY becomes aware of any fault or defect in the Project or non-conformance with the Agreement Documents. Any information that may be of assistance to the LOBBYIST to which the COUNTY has immediate access will be provided as requested.

6. **WRITTEN NOTICE.** Any notices under this Agreement sent by the parties shall be deemed to have been duly served if delivered in person to the individuals and addresses listed below, or if delivered or sent by first class mail, certified, return receipt, or by courier with proof of delivery.

6.1: All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the LOBBYIST. The correspondence shall be directed to:

Roman Gastesi, County Administrator,
and Lisa Tennyson, Director of Legislative Affairs
1100 Simonton Street
Key West, Florida 33040

With a copy to:

Bob Shillinger, County Attorney
1111 12th Street, Suite 408
Key West, FL 33040

6.2: Notice to the LOBBYIST shall be delivered to:
Frank Bernardino, Capital City Consulting
201 West Park
Tallahassee, Florida, 32301

7. **CONFLICT OF INTEREST.** LOBBYIST agrees it shall not contract for or accept employment for the performance of any work or service with any individual, business corporation, or government unit that would create a conflict of interest in the performance of its obligations under this Agreement. LOBBYIST further agrees it will neither take any action nor engage in any conduct that would cause any County employee or official to violate the provisions of Chapter 112, Florida Statutes, relating to ethics in government.

7.1 No LOBBYIST under contract with the county shall engage in any employment or contractual relationship with any entity, which employment or contractual relationship would or could be adverse to the COUNTY or which would or could interfere with the LOBBYIST's work on behalf of the COUNTY. Such relationship includes, but is not limited to, representing a client whose interest is currently in opposition to the interest of the COUNTY; serving as a consulting or testifying as an expert witness in litigation against the county; representing persons or entities before any board or agency of the county; or any other contractual relationship of whatever kind or nature in which the consultant uses his professional expertise or provides professional services in such a manner that a different person or entity benefits at the expense of the COUNTY in a given transaction between other person or entity in the county.

A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of

the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the LOBBYISTY to remain mindful of the County policy and fiscal interests and positions vis-à-vis other clients.

7.3 If actual or perceived conflict arises, the LOBBYIST must advise the County Administrator immediately in writing, provide sufficient information concerning the conflict, and seek a waiver of the conflict. The County Administrator shall report the conflict to the Board of County Commissioners.

Once a conflict waiver request has been received by the County, the County Administrator, in consultation with the County Attorney may take any action regarding the waiver request, including by not limited to the following: 1) allow a waiver and allow the LOBBYIST to continue to represent both the County and the other party; 2) disallow a waiver and require the LOBBYIST to choose between representing the County or the other party, or to discontinue representing the other party; 3) allow a limited waiver and require the LOBBYIST to continue to represent both the County and the other party under whatever limitations or restrictions the County Administrator, in consultation with the County Attorney, determines to be appropriate. Any such actions by the County Administrator shall only be effective until the Board of County Commissioners has considered the conflict action.

The Board of County Commissioners may take any action necessary, such as termination or waiver or partial waiver, to address the conflict of interest disclosed by the LOBBYIST. **Waiver of any conflict of interest or termination of this Agreement is expressly reserved to the Board.**

8. **INSURANCE**. The LOBBYIST shall provide proof of insurance showing that County is an additional insured on all policies except workers' compensation and shall maintain the required insurance at all times that this Agreement is in effect. In the event the completion of the scope of services (to include the work of others) is delayed or suspended as a result of the LOBBYIST'S failure to purchase or maintain the required insurance, the LOBBYIST shall indemnify the COUNTY from any and all increased expenses resulting from such delay.

8.1: The coverage provided herein shall be provided by an insurer with an A.M. Best Rating of VI or better, that is licensed to business in the State of Florida and that has an agent for service of process within the State of Florida. The coverage shall contain an endorsement providing sixty (60) days' notice to the COUNTY prior to any cancellation of said coverage. Said coverage shall be written by an insurer acceptable to the COUNTY and shall be in a form acceptable to the COUNTY.

8.2: LOBBYIST shall obtain and maintain the following policies:

A. Workers' Compensation insurance as required by the State of Florida.

B. Comprehensive business automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including onsite and offsite operations, and owned, hired or non-owned vehicles, with One Hundred Thousand Dollars ($100,000) combined single limit. If split limits are provided, the minimum limits acceptable shall be: Fifty Thousand Dollars ($50,000) per person, One Hundred Thousand Dollars ($100,000) per occurrence, and Twenty Five Thousand Dollars ($25,000) property damage.

C. Commercial general liability covering claims for injuries to members of the public or damage to property of others arising out of any covered act or omission of the LOBBYIST or any of its employees, or agents , including Premises and/or Operations, Products and Completed operations, personal injury liability, and expanded definition of property damage. The minimum limits acceptable shall be: Three Hundred Thousand Dollars ($300,000) Combined Single Limit (CSL). If split limits are provided, the minimum limits acceptable shall be: One Hundred Thousand Dollars ($100,000) per person, Three Hundred Thousand Dollars ($300,000) per occurrence, and Fifty Thousand Dollars ($50,000) property damage. An occurrence Form Policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this Agreement. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

D. LOBBYIST shall provide to the COUNTY certificates of insurance or a copy of all insurance policies including those naming the COUNTY as an additional insured. The COUNTY reserves the right to require a certified copy of such policies upon request.

9. <u>HOLD HARMLESS.</u> The LOBBYISTS covenants and agrees to indemnify and hold harmless the Monroe County Board of County Commissioners from any and all claims for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of services provided by LOBBYISTS or any of its Subcontractor(s) in any tier, occasioned by the negligence, errors, or other wrongful act of omission of the LOBBYISTS or its Subcontractors in any tier, their employees, or agents.

In the event the completion of the project (to include the work of others) is delayed or suspended as a result of the LOBBYISTS's failure to purchase or maintain the required insurance, the LOBBYISTS shall indemnify the County from any and all increased expenses resulting from such delay.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

10. <u>SECTION HEADINGS</u>. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

11. **OWNERSHIP OF THE PROJECT DOCUMENTS**. The documents, if any, prepared by the LOBBYIST for this Project belong to the COUNTY, and may not be reproduced and copied without acknowledgement and permission of the COUNTY.

12. **SUCCESSORS AND ASSIGNS.** The LOBBYIST shall not assign its right hereunder, except its right to payment, nor shall it delegate any of its duties hereunder without the written consent of the COUNTY. Subject to the provisions of the immediately preceding sentence, each party hereto binds itself, its successors, assigns and legal representatives to the other and to the successors, assigns and legal representatives of such other party.

13. **NO THIRD PARTY BENEFICIARIES**. Nothing contained herein shall create any relationship, contractual or otherwise, with or any rights in favor of, any third party.

14. **CONTRACT DOCUMENTS**. This contract consists of the Agreement and its attachment. In the event of any conflict between any of the contract documents, the one imposing the greater burden on the LOBBYIST will control.

15. **PUBLIC ENTITIES CRIMES.** A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on contracts to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, LOBBYIST under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

    By signing this Agreement, LOBBYIST represents that the execution of this Agreement will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from COUNTY's competitive procurement activities.

    In addition to the foregoing, LOBBYIST further represents that there has been no determination, based on an audit, that it or any subcontractor has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether LOBBYIST has been placed on the convicted vendor list.

    LOBBYIST will promptly notify the COUNTY if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

16. **MAINTENANCE OF RECORDS.** LOBBYIST shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this

Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the COUNTY or County Clerk determines that monies paid to LOBBYIST pursuant to this Agreement were spent for purposes not authorized by this Agreement, the LOBBYIST shall repay the monies together with interest calculated pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the COUNTY.

17. **GOVERNING LAW, VENUE, INTERPRETATION, MEDIATION, WAIVER OF JURY TRIAL.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, COUNTY and LOBBYIST agree that venue shall lie in Monroe County, Florida, in the appropriate court or before the appropriate administrative body. The Parties waive their rights to a trial by jury. The COUNTY and LOBBYIST agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of the parties, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

18. **SEVERABILITY.** If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The COUNTY and LOBBYIST agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

19. **ATTORNEY'S FEES AND COSTS**. The COUNTY and LOBBYIST agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, and court costs, as an award against the non-prevailing party, and shall include attorney's fees, and courts costs, in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement, prior to or following initiation of any cause of action or administrative proceeding, shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

20. **BINDING EFFECT**. The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the COUNTY and LOBBYIST and their respective legal representatives, successors, and assigns.

21. **AUTHORITY**. Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

22. **CLAIMS FOR FEDERAL OR STATE AID**. LOBBYIST and COUNTY agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

23. **ADJUDICATION OF DISPUTES OR DISAGREEMENTS.** COUNTY and LOBBYIST agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. COUNTY and LOBBYIST specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

24. **COOPERATION.** In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, COUNTY and LOBBYIST agree to participate in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement.

25. **NONDISCRIMINATION.** LOBBYIST and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. LOBBYIST and COUNTY agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101- 6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s.3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time,

relating to nondiscrimination on the basis of disability; 10) Monroe County Code, Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties hereto, or the subject matter of, this Agreement.

26. CODE OF ETHICS AND ETHICS CLAUSE. COUNTY agrees that officers and employees of the COUNTY recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

LOBBYIST warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

27. NO SOLICITATION/PAYMENT. The LOBBYIST and COUNTY warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the LOBBYIST agrees that the COUNTY shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

28. PUBLIC ACCESS. The LOBBYIST and COUNTY shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the LOBBYIST and COUNTY in connection with this Agreement; and the COUNTY shall have the right to unilaterally cancel this Agreement upon violation of this provision by LOBBYIST.

Public Records Compliance. LOBBYIST must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and LOBBYIST shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and LOBBYIST in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the LOBBYIST. Failure

of the LOBBYIST to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The LOBBYIST is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the LOBBYIST is required to:

(1) Keep and maintain public records that would be required by the Countyter to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the LOBBYIST does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the LOBBYIST or keep and maintain public records that would be required by the County to perform the service. If the LOBBYIST transfers all public records to the County upon completion of the contract, the LOBBYIST shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the LOBBYIST keeps and maintains public records upon completion of the contract, the LOBBYIST shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the LOBBYIST of the request, and the LOBBYIST must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the LOBBYIST does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the LOBBYIST. A LOBBYIST who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The LOBBYIST shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE LOBBYIST HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE LOBBYIST'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470 BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

29. **NON-WAIVER OF IMMUNITY.** Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the LOBBYIST and the COUNTY in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the COUNTY be required to contain any provision for waiver.

30. PRIVILEGES AND IMMUNITIES. All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the COUNTY, when performing their respective functions under this Agreement within the territorial limits of the COUNTY shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the COUNTY.

31. LEGAL OBLIGATIONS AND RESPONSIBILITIES. Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida constitution, state statute, and case law.

32. NON-RELIANCE BY NON-PARTIES. No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the LOBBYIST and the COUNTY agree that neither the LOBBYIST nor the COUNTY or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior

to, or superior to the community in general or for the purposes contemplated in this Agreement.

33. **COUNTY FORMS.** By signing this Agreement, LOBBYIST has sworn or affirmed to the following requirements as set forth in the Public Entity Crime Statement, Ethics Statement, Drug-Free Workplace Statement and Vendor Certification Regarding Scrutinized Companies List as set forth in more detail in this Agreement.

34. **NO PERSONAL LIABILITY. N**o covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

35. **ASSIGNMENT/SUBCONTRACT.** LOBBYIST shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County, which approval shall be subject to such conditions and provisions as the Board may deem necessary.

36. **INDEPENDENT CONTRACTOR.** At all times and for all purposes under this agreement the LOBBYISTS are independent contractors and not employees of the Board of County Commissioners for Monroe County. No statement contained in this agreement shall be construed so as to find the LOBBYISTS or any of their employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County.

37. **TERMINATION**

A. In the event that the LOBBYIST shall be found to be negligent in any aspect of service, the COUNTY shall have the right to terminate this agreement after five days written notification to the LOBBYIST.

B. Either of the parties hereto may cancel this Agreement without cause by giving the other party thirty (30) days written notice of its intention to do so.

C. Scrutinized Companies: If the County determines that the LOBBYIST has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the LOBBYIST written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

38. **DRUG-FREE WORKPLACE.** LOBBYIST in accordance with Florida Statute 287.087 hereby certifies that LOBBYIST shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign the Agreement certifies that LOBBYIST complies fully with the above requirements.

39. **VENDOR CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS**

LOBBYIST agrees and certifies compliance with the following:
Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of LOBBYIST, I hereby certify that the company identified above as "LOBBYIST" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized

Companies with Activities in the Iran Petroleum Energy Sector List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List or been engaged in business operations in Cuba or Syria.

Note: The List are available at the following Department of Management Services Site: http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

40. **EXECUTION IN COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

IN WITNESS WHEREOF, each party has caused this Agreement to be executed by its duly authorized representative.

AGREEMENT FOR
LOBBYING SERVICES
Between
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
And
BRIGHTWATER STRATEGIES GROUP

This Agreement ("Agreement") made and entered into this 8th day of November, 2023, by and between Monroe County, a political subdivision of the State of Florida, and whose address is 1100 Simonton Street, Key West, Florida, 33040, its successors and assigns, hereinafter referred to as "COUNTY," through the Monroe County Board of County Commissioners ("BOCC"), and

Brightwater Strategies Group, a professional limited liability company of the State of Florida, and whose address is 708 N. Forest Drive, Tallahassee, Florida, 32303, its successors and assigns, hereinafter referred to as "LOBBYIST", and

WHEREAS, COUNTY desires to employ the professional services of LOBBYIST to advance the County's legislative pursuit of appropriation and recurring funding for the implementation of the Florida Keys Stewardship Act, resiliency funding, environmental issues, and other issue areas and services as assigned by the County Administrator and agreed to by the LOBBYIST; and

WHEREAS, LOBBYIST have agreed to provide the professional services as LOBBYISTS for representation as described in this agreement; and

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and LOBBYIST agree as follows:

1. **TERM OF AGREEMENT.** This agreement shall be effective upon approval and the agreement shall continue for a period of 1 year, beginning December 1, 2022. The County shall have the option to renew the agreement after the original terms, subject to performance by the LOBBYIST and the availability of County funds.

2. **COMPENSATION.** The County, in consideration of the LOBBYIST satisfactorily performing services, shall pay the LOBBYIST a total of $48,000 (Forty Eight Thousand Dollars), on invoices submitted by LOBBYIST to the County Administrator's office on a monthly basis. Invoices must provide sufficient detail to describe work completed under this Contract. Total Contract shall not exceed $48,000 (Forty Eight Thousand Dollars) plus the cost of approved travel expenses. Travel expenses may be paid if approved by the County Administrator, as long as adequate documentation is provided by LOBBYIST including but not limited to the exact dates of travel, mileage, costs. Travel expenses are regulated by the Monroe County Code Sec. 2-106 to 2-112.

3. **SCOPE OF SERVICES.**

3.1 Provide a full range of professional lobbying services and advocacy before the Florida Legislature, the Governor, the Cabinet, and executive departments, agencies (excluding Department of Environmental Protection), offices, commissions, and other governmental units of the state of Florida with respect to all of COUNTY's legislative and regulatory interests; matters contained within COUNTY's state legislative program, specifically securing appropriation and recurring funding for Florida Keys Stewardship Act, resilience funding, South Florida Water Management District funding; and other issues or projects of the COUNTY as assigned by the County Administrator and Director of Legislative Affairs.

3.2 Effectively communicate COUNTY's state legislative program and issues to members of Legislature, Governor and Cabinet, and executive departments, agencies, offices, commissions and other governmental units of the state of Florida, excluding Department of Environmental Protection.

3.3 Upon request, arrange meetings for County Commissioners, County officials, and staff with members and officials of the Legislative and Executive Branch of state government and other entities as necessary, including members of the Legislature in leadership positions, key legislative committee members and staff, and executive branch leaders and key officials within the Governor's Office, Cabinet, and state agencies, excluding Department of Environmental Protection.

3.3 Upon request, arrange meetings for County Commissioners, County officials, and staff with key officials and members of the Executive Branch of state government and other entities as Governor's Office, Cabinet, and state agencies re: County's legislative priorities, issues and advocacy needs.

3.4 Be available on a 24-hour basis during any Regular Session, extended session, or special session, committee week, and at other times as requested, as necessary.

3.5 Attend weekly team strategy meetings, legislative committee meetings, briefings, and hearings, during session and interim committee weeks, and report on assignment; and participate in meetings, conference calls, and provide verbal or written reports to COUNTY at other times, as directed by the Director of Legislative Affairs.

3.6 Consult with County Commissioners, County Administrator, Director of Legislative Affairs, County Attorney, and such other persons designated by the Contract Administrator and take any necessary action, as determined by the County Administrator and Director of Legislative Affairs.

3.7 Prepare and submit written reports, as may be required by the Director of Legislative Affairs, regarding the status of assignment, progress made to achieve such matters, an end-of-session report upon the conclusion of any regular or special session and a written report on each monthly invoice provided by the LOBBYIST during the period covered by the invoice.

4. **REPRESENTATIONS AND WARRANTIES.** By executing this Agreement, LOBBYIST makes the following express representations and warranties to the COUNTY:

4.1: The LOBBYIST is professionally qualified to act as the LOBBYIST for the Scope of services and is licensed to provide the designated services by all public entities having jurisdiction over the LOBBYIST and the Scope of services;

4.2: The LOBBYIST shall maintain all necessary licenses, permits or other authorizations necessary to act as LOBBYIST until the LOBBYIST'S duties hereunder have been fully satisfied;
4.3: The LOBBYIST has become familiar Monroe County's legislative issues and priorities.
4.4: The LOBBYIST shall prepare all documents, if required, by this Agreement in such a manner that they shall be accurate, coordinated and adequate for use in the subsequent implementation phases and shall be in conformity and comply with all applicable law, codes and regulations. All Documents shall be reviewed by the County Attorney, or his designee, prior to being approved by the BOCC. The LOBBYIST warrants that the documents prepared as a part of this Agreement will be adequate and sufficient to accomplish the scope of services, therefore, eliminating any additional cost due to missing or incorrect information.
4.5: The LOBBYIST assumes full responsibility to the extent allowed by law with regards to his performance and those directly under his employ.
4.6: The LOBBYIST'S services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the scope of services.
4.7**:** LOBBYIST is an independent contractor under this Agreement. Services provided by LOBBYIST, or subcontractor(s), shall be subject to the supervision of Capital City Consulting. In providing the services, LOBBYIST and its agents shall not be acting and shall not be deemed as acting as officers, employees, or agents of the COUNTY, nor shall they accrue any of the rights or benefits of a COUNTY employee.
4.8: The LOBBYIST shall, without additional compensation, promptly correct any errors, omissions, deficiencies, or conflicts in the work product of the LOBBYIST or its subcontractors, or both.

5. **COUNTY'S RESPONSIBILITIES.** COUNTY shall provide information in its possession upon request from LOBBYIST as needed for the Project including objectives, schedule, constraints and criteria. COUNTY shall designate a representative to act on the COUNTY'S behalf with respect to the Project. The COUNTY or its representative shall render decisions in a timely manner pertaining to documents submitted by the LOBBYIST in order to avoid unreasonable delay in the orderly and sequential progress of the LOBBYIST'S services. Prompt written notice shall be given by COUNTY through its representative to LOBBYISTS if COUNTY becomes aware of any fault or defect in the Project or non-conformance with the Agreement Documents. Any information that may be of assistance to the LOBBYIST to which the COUNTY has immediate access will be provided as requested.

6. **WRITTEN NOTICE.** Any notices under this Agreement sent by the parties shall be deemed to have been duly served if delivered in person to the individuals and addresses listed below, or if delivered or sent by first class mail, certified, return receipt, or by courier with proof of delivery.

   6.1: All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the LOBBYIST. The correspondence shall be directed to:

Roman Gastesi, County Administrator,
and Lisa Tennyson, Director of Legislative Affairs
1100 Simonton Street
Key West, Florida 33040

With a copy to:

Bob Shillinger, County Attorney
1111 12th Street, Suite 408
Key West, FL 33040

6.2: Notice to the LOBBYIST shall be delivered to:
Noah Valenstein, Brightwater Strategies
708 N. Forest Drive
Tallahassee, Florida, 32303

7. **CONFLICT OF INTEREST.** LOBBYIST agrees it shall not contract for or accept employment for the performance of any work or service with any individual, business corporation, or government unit that would create a conflict of interest in the performance of its obligations under this Agreement. LOBBYIST further agrees it will neither take any action nor engage in any conduct that would cause any County employee or official to violate the provisions of Chapter 112, Florida Statutes, relating to ethics in government.

7.1 No LOBBYIST under contract with the county shall engage in any employment or contractual relationship with any entity, which employment or contractual relationship would or could be adverse to the COUNTY or which would or could interfere with the LOBBYIST's work on behalf of the COUNTY. Such relationship includes, but is not limited to, representing a client whose interest is currently in opposition to the interest of the COUNTY; serving as a consulting or testifying as an expert witness in litigation against the county; representing persons or entities before any board or agency of the county; or any other contractual relationship of whatever kind or nature in which the consultant uses his professional expertise or provides professional services in such a manner that a different person or entity benefits at the expense of the COUNTY in a given transaction between other person or entity in the county.

A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the LOBBYIST to remain mindful of the County policy and fiscal interests and positions vis-à-vis other clients.

7.3 If actual or perceived conflict arises, the LOBBYIST must advise the County Administrator immediately in writing, provide sufficient information concerning the

conflict, and seek a waiver of the conflict. The County Administrator shall report the conflict to the Board of County Commissioners.

Once a conflict waiver request has been received by the County, the County Administrator, in consultation with the County Attorney may take any action regarding the waiver request, including by not limited to the following: 1) allow a waiver and allow the LOBBYIST to continue to represent both the County and the other party; 2) disallow a waiver and require the LOBBYIST to choose between representing the County or the other party, or to discontinue representing the other party; 3) allow a limited waiver and require the LOBBYIST to continue to represent both the County and the other party under whatever limitations or restrictions the County Administrator, in consultation with the County Attorney, determines to be appropriate. Any such actions by the County Administrator shall only be effective until the Board of County Commissioners has considered the conflict action.

The Board of County Commissioners may take any action necessary, such as termination or waiver or partial waiver, to address the conflict of interest disclosed by the LOBBYIST. **Waiver of any conflict of interest or termination of this Agreement is expressly reserved to the Board.**

8. **INSURANCE**. The LOBBYIST shall provide proof of insurance showing that County is an additional insured on all policies except workers' compensation and shall maintain the required insurance at all times that this Agreement is in effect. In the event the completion of the scope of services (to include the work of others) is delayed or suspended as a result of the LOBBYIST'S failure to purchase or maintain the required insurance, the LOBBYIST shall indemnify the COUNTY from any and all increased expenses resulting from such delay.

8.1: The coverage provided herein shall be provided by an insurer with an A.M. Best Rating of VI or better, that is licensed to business in the State of Florida and that has an agent for service of process within the State of Florida. The coverage shall contain an endorsement providing sixty (60) days' notice to the COUNTY prior to any cancellation of said coverage. Said coverage shall be written by an insurer acceptable to the COUNTY and shall be in a form acceptable to the COUNTY.

8.2: LOBBYIST shall obtain and maintain the following policies:

A. Workers' Compensation insurance as required by the State of Florida.
B. Comprehensive business automobile and vehicle liability insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including onsite and offsite operations, and owned, hired or non-owned vehicles, with One Hundred Thousand Dollars ($100,000) combined single limit. If split limits are provided, the minimum limits acceptable shall be: Fifty Thousand Dollars ($50,000) per person, One Hundred Thousand Dollars ($100,000) per occurrence, and Twenty Five Thousand Dollars ($25,000) property damage.

C. Commercial general liability covering claims for injuries to members of the public or damage to property of others arising out of any covered act or omission of the LOBBYIST or any of its employees, or agents , including Premises and/or Operations, Products and Completed operations, personal injury liability, and expanded definition of property damage. The minimum limits acceptable shall be: Three Hundred Thousand Dollars ($300,000) Combined Single Limit (CSL). If split limits are provided, the minimum limits acceptable shall be: One Hundred Thousand Dollars ($100,000) per person, Three Hundred Thousand Dollars ($300,000) per occurrence, and Fifty Thousand Dollars ($50,000) property damage. An occurrence Form Policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this Agreement. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

D. LOBBYIST shall provide to the COUNTY certificates of insurance or a copy of all insurance policies including those naming the COUNTY as an additional insured. The COUNTY reserves the right to require a certified copy of such policies upon request.

9. **HOLD HARMLESS.** The LOBBYISTS covenants and agrees to indemnify and hold harmless the Monroe County Board of County Commissioners from any and all claims for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of services provided by LOBBYISTS or any of its Subcontractor(s) in any tier, occasioned by the negligence, errors, or other wrongful act of omission of the LOBBYISTS or its Subcontractors in any tier, their employees, or agents.

In the event the completion of the project (to include the work of others) is delayed or suspended as a result of the LOBBYISTS's failure to purchase or maintain the required insurance, the LOBBYISTS shall indemnify the County from any and all increased expenses resulting from such delay.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

10. **SECTION HEADINGS**. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

11. **OWNERSHIP OF THE PROJECT DOCUMENTS**. The documents, if any, prepared by the LOBBYIST for this Project belong to the COUNTY, and may not be reproduced and copied without acknowledgement and permission of the COUNTY.

12. **SUCCESSORS AND ASSIGNS.** The LOBBYIST shall not assign its right hereunder, except its right to payment, nor shall it delegate any of its duties hereunder without the written consent of the COUNTY. Subject to the provisions of the immediately preceding

sentence, each party hereto binds itself, its successors, assigns and legal representatives to the other and to the successors, assigns and legal representatives of such other party.

13. **NO THIRD PARTY BENEFICIARIES**. Nothing contained herein shall create any relationship, contractual or otherwise, with or any rights in favor of, any third party.

14. **CONTRACT DOCUMENTS**. This contract consists of the Agreement and its attachment. In the event of any conflict between any of the contract documents, the one imposing the greater burden on the LOBBYIST will control.

15. **PUBLIC ENTITIES CRIMES.** A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on contracts to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, LOBBYIST under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

    By signing this Agreement, LOBBYIST represents that the execution of this Agreement will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from COUNTY's competitive procurement activities.

    In addition to the foregoing, LOBBYIST further represents that there has been no determination, based on an audit, that it or any subcontractor has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether LOBBYIST has been placed on the convicted vendor list.

    LOBBYIST will promptly notify the COUNTY if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

16. **MAINTENANCE OF RECORDS.** LOBBYIST shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the COUNTY or County Clerk determines that monies paid to LOBBYIST pursuant to this Agreement were spent for purposes not authorized by this Agreement, the LOBBYIST shall repay the monies together with interest calculated

pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the COUNTY.

17. **GOVERNING LAW, VENUE, INTERPRETATION, MEDIATION, WAIVER OF JURY TRIAL.** This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, COUNTY and LOBBYIST agree that venue shall lie in Monroe County, Florida, in the appropriate court or before the appropriate administrative body. The Parties waive their rights to a trial by jury. The COUNTY and LOBBYIST agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of the parties, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

18. **SEVERABILITY.** If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The COUNTY and LOBBYIST agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

19. **ATTORNEY'S FEES AND COSTS**. The COUNTY and LOBBYIST agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, and court costs, as an award against the non-prevailing party, and shall include attorney's fees, and courts costs, in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement, prior to or following initiation of any cause of action or administrative proceeding, shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

20. **BINDING EFFECT**. The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the COUNTY and LOBBYIST and their respective legal representatives, successors, and assigns.

21. **AUTHORITY**. Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

22. **CLAIMS FOR FEDERAL OR STATE AID**. LOBBYIST and COUNTY agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

23. **ADJUDICATION OF DISPUTES OR DISAGREEMENTS.** COUNTY and LOBBYIST agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. COUNTY and LOBBYIST specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

24. **COOPERATION.** In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, COUNTY and LOBBYIST agree to participate in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement.

25. **NONDISCRIMINATION.** LOBBYIST and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. LOBBYIST and COUNTY agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101- 6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s.3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code, Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, disability, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties hereto, or the subject matter of, this Agreement.

26. **CODE OF ETHICS AND ETHICS CLAUSE.** COUNTY agrees that officers and employees of the COUNTY recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

    LOBBYIST warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

27. **NO SOLICITATION/PAYMENT.** The LOBBYIST and COUNTY warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the LOBBYIST agrees that the COUNTY shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

28. **PUBLIC ACCESS**. The LOBBYIST and COUNTY shall allow and permit reasonable access to, and inspection of, all documents, papers, letters or other materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the LOBBYIST and COUNTY in connection with this Agreement; and the COUNTY shall have the right to unilaterally cancel this Agreement upon violation of this provision by LOBBYIST.
    Public Records Compliance. LOBBYIST must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and LOBBYIST shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and LOBBYIST in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the LOBBYIST. Failure of the LOBBYIST to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The LOBBYIST is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.
Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the LOBBYIST is required to:
(1) Keep and maintain public records that would be required by the Countyter to perform the service.
(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the LOBBYIST does not transfer the records to the County.
(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the LOBBYIST or keep and maintain public records that would be required by the County to perform the service. If the LOBBYIST transfers all public records to the County upon completion of the contract, the LOBBYIST shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the LOBBYIST keeps and maintains public records upon completion of the contract, the LOBBYIST shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.
(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the LOBBYIST of the request, and the LOBBYIST must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the LOBBYIST does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the LOBBYIST. A LOBBYIST who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The LOBBYIST shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE LOBBYIST HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE LOBBYIST'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470 BRADLEY-

BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

29. **NON-WAIVER OF IMMUNITY.** Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the LOBBYIST and the COUNTY in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the COUNTY be required to contain any provision for waiver.

30. **PRIVILEGES AND IMMUNITIES.** All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the COUNTY, when performing their respective functions under this Agreement within the territorial limits of the COUNTY shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the COUNTY.

31. **LEGAL OBLIGATIONS AND RESPONSIBILITIES.** Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida constitution, state statute, and case law.

32. **NON-RELIANCE BY NON-PARTIES**. No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the LOBBYIST and the COUNTY agree that neither the LOBBYIST nor the COUNTY or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

33. **COUNTY FORMS.** By signing this Agreement, LOBBYIST has sworn or affirmed to the following requirements as set forth in the Public Entity Crime Statement, Ethics Statement,

Drug-Free Workplace Statement and Vendor Certification Regarding Scrutinized Companies List as set forth in more detail in this Agreement.

34. NO PERSONAL LIABILITY. **N**o covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

35. ASSIGNMENT/SUBCONTRACT. LOBBYIST shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County, which approval shall be subject to such conditions and provisions as the Board may deem necessary.

36. INDEPENDENT CONTRACTOR. At all times and for all purposes under this agreement the LOBBYISTS are independent contractors and not employees of the Board of County Commissioners for Monroe County. No statement contained in this agreement shall be construed so as to find the LOBBYISTS or any of their employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County.

37. TERMINATION

A. In the event that the LOBBYIST shall be found to be negligent in any aspect of service, the COUNTY shall have the right to terminate this agreement after five days written notification to the LOBBYIST.

B. Either of the parties hereto may cancel this Agreement without cause by giving the other party thirty (30) days written notice of its intention to do so.

C. Scrutinized Companies: If the County determines that the LOBBYIST has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the LOBBYIST written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

38. DRUG-FREE WORKPLACE. LOBBYIST in accordance with Florida Statute 287.087 hereby certifies that LOBBYIST shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign the Agreement certifies that LOBBYIST complies fully with the above requirements.

39. **VENDOR CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS**

LOBBYIST agrees and certifies compliance with the following:

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of LOBBYIST, I hereby certify that the company identified above as "LOBBYIST" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized

Companies with Activities in the Iran Petroleum Energy Sector List or been engaged in business operations in Cuba or Syria.

Note: The List are available at the following Department of Management Services Site: http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

40. **EXECUTION IN COUNTERPARTS.** This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

IN WITNESS WHEREOF, each party has caused this Agreement to be executed by its duly authorized representative.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: Q5
2023-1720

BULK ITEM: No

DEPARTMENT: Planning & Environmental Resources

TIME APPROXIMATE:

STAFF CONTACT: Emily Schemper

AGENDA ITEM WORDING: Discussion and direction regarding a request by the United States Navy for abandonment of a portion of SR 4-A (Boca Chica Road) located on Boca Chica, Monroe County, Florida.**TIME APPROXIMATE OF 10:00 AM.**

ITEM BACKGROUND:
On September 1, 2023, the U.S. Government Naval Facilities Engineering Systems Command Southeast ("U.S. Navy") submitted a Right-of-Way Abandonment Application requesting the abandonment of a portion of Boca Chica Road ("Rd.") at the end of the Naval Air Station Key West ("NASKW") southeast runway. See depiction of proposed abandonment area attached, indicated in red. This request is made due to NASKW security issues and to maintain the right-of-way to U.S. Navy standards for protection to the runway. The following issues require discussion and direction:

- The area requested for abandonment is used by the public for enjoyment and beach access.
- The BOCC has begun repairs to the subject section of roadway of damages received by Hurricane Ian and Hurricane Irma. The repairs are funded through a FEMA Grant Agreement, which will be reimbursed upon completion. If the roadway is abandoned and the scope of work not completed, the BOCC (Monroe County) will not be eligible for reimbursement of the funds already spent.
- NASKW has a continuous security issue with trespassers, obtaining title to the roadway will allow NASKW to adequately protect vulnerable areas.
- The southeast runway is susceptible to storm surge. Acquiring the roadway will allow NASKW to construct shoreline hardening structures to meet standards for protection of the runway.
- NASKW cannot make improvements to the roadway until they obtain ownership.

It should be noted that NASKW intends to continue to allow public use of the roadway and access to the beach.

PREVIOUS RELEVANT BOCC ACTION:

STAFF CONTACT: Lisa Tennyson

AGENDA ITEM WORDING: Approval to seek state funding for two emergency response vessels and to add this to Monroe Countys 2024 legislative agenda.

ITEM BACKGROUND:

These emergency response vessels will provide Monroe County Fire Rescue with specialized medical and firefighting response capabilities on our waterways and enable us to better assist other agencies with marine rescue operations. This capability for emergency marine Fire/EMS rescue resources is not currently present within Monroe County Fire Rescue. The marine emergency response units will allow increased medical, fire services, and assist other agencies with marine rescue operations, and an added level of protection to the community for emergencies related to dockage, marinas, and water-based properties.

AGENDA ITEM WORDING: SUSTAINABILITY: Approval of a resolution to accept the Southeast Florida Regional Climate Change Compact Counties 2024 State and Federal Energy and Climate Legislative Programs.

ITEM BACKGROUND:
The Southeast Florida Regional Climate Change Compact, approved by the Broward, Palm Beach, Miami-Dade, and Monroe County Commissions in late 2009/early 2010, is a voluntary commitment among the four counties to collaborate in addressing shared climate mitigation and adaptation challenges. One of the commitments established by the Compact is the annual development of joint legislative programs on climate and energy issues at both the state and federal level. Consequently, joint state and federal legislative programs and priorities have been developed and approved annually by all four Compact County commissions. Presently, the 2024 Compact programs and priorities, which were approved by the Compact's Staff Steering Committee, are under simultaneous consideration by all four Compact county commissions.

This agenda item brings forward the 2024 Compact programs which build upon prior year's programs. Approval of this item supports encouraging investments in renewable energy, sustainable practices and environmental protection, and the goals of seeking funding for, implement policies and pursue projects promoting, the use of alternative energy, resource conservation, sustainable practices and environmental protection.

The Compact Policy Team and Staff Steering Committee separated the State and Federal legislative programs into four parts:
- A "Principles" document for both State and Federal general legislative principles, reflecting long-standing positions that have remained consistent over time. The Federal Principles will likely require only minimal changes from year to year.
- A "Priorities" document for both State and Federal legislative priorities, identifying a short list of top issues for advocacy during the upcoming session of the Florida Legislature. The Legislative Priorities will be thoroughly reviewed and updated each year in advance of the annual legislative

session.

RESOLUTION NO. ____-2023

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ADOPTING THE 2024 STATE LEGISLATIVE PROGRAM AND PRINCIPLES AND FEDERAL PRINCIPLES OF THE SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Southeast Florida is one of the most vulnerable areas in the country to climate change and sea level rise; and

WHEREAS, Recognizing their shared challenges, Palm Beach, Broward, Miami-Dade and Monroe counties ("Compact counties") adopted the Southeast Florida Regional Climate Change Compact ("Compact") in 2010; and

WHEREAS, The Compact includes a commitment to develop and advocate for joint state and federal legislative policies, and accordingly, the Compact counties have annually adopted a separate *State* and *Federal Energy and Climate Legislative Program* each year since 2011; and

WHEREAS, the Compact Counties have four separate documents: the *Federal Legislative Priorities*, the more general *Federal Legislative Principles*, the *State Legislative Priorities*, and the more general *State Legislative Principles*; and

WHEREAS, the Compact prepared separate "Principles" documents for both State and Federal principles important to the Compact, reflecting long-standing positions that have remained consistent over time, noting that the Federal Principles will likely require only minimal changes from year to year; and

WHEREAS, the Compact also prepared separate "Priorities" documents for both State and Federal legislative priorities, identifying a short list of top issues for advocacy during the upcoming session of the Florida Legislature, the Legislative Priorities will be thoroughly reviewed and updated each year in advance of the annual legislative session; and

WHEREAS, MONROE COUNTY staff recommends adopting the documents.

THEREFORE BE IT RESOLVED by the Board of County Commissioners of Monroe County that:

1. The above recitals are hereby incorporated into this resolution as restated herein constitute the legislative findings and intent of the Board of County Commissioners of Monroe County, Florida.

2. **The Board of County Commissioners hereby approves the *SE FL Regional Climate Change Compact 's* 2024 legislative agenda, as follows:**
    a) ***State Legislative Priorities* - attached as Exhibit A**
    b) ***State Legislative Principles* - attached as Exhibit B**
    c) ***Federal Legislative Priorities* - attached as Exhibit C**
    d) ***Federal Legislative Principles* - attached as Exhibit D**

3. **This resolution shall take effect immediately upon adoption.**

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County Florida, at a regular meeting of said Board held on the 8th day of November, 2023.

SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT COUNTIES
2024 STATE LEGISLATIVE PRIORITIES

Approved by the Compact Leadership Committee – June 14, 2023

Concerning state legislation, regulations, and policies, the Compact Counties and other organizations adopting this document:

SUPPORT policies, programs, and workforce development that expands renewable energy and energy conservation opportunities, including the adoption of meaningful energy efficiency programs and goals, and OPPOSE any changes that would eliminate or weaken existing policies or preempt local government authority.

SUPPORT higher energy, water, and resilience standards for new and existing buildings (including but not limited to energy conservation, renewable energy, drainage, flood elevation, wetproofing, and seawall requirements) to prepare for and lessen the impacts of future climate conditions through legislation, including the adoption of all provisions of the most recent energy and building codes by the Florida Building Commission, and enhanced powers for local governments to enact local building code amendments.

SUPPORT legislation, appropriations, and implementing authority of state agencies to leverage federal funds to the benefit of local government for the purposes of increasing resilience and reducing greenhouse gas emissions.

SUPPORT legislation, policies, funding, financing, rebates and incentives to expand energy efficiency.

SUPPORT the local match and coordination between the South Florida Water Management District and the U.S. Army Corps of Engineers on the restudy of the Central and Southern Florida Flood Control Project.

SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT COUNTIES
2024 STATE CLIMATE, ENERGY, AND RESILIENCE LEGISLATIVE PRINCIPLES

Approved by the Compact Leadership Committee – June 14, 2023

Background

Southeast Florida is one of the most vulnerable areas in the country to climate change and sea level rise. Recognizing their shared challenges, Palm Beach, Broward, Miami-Dade and Monroe Counties ("Compact Counties") adopted the Southeast Florida Regional Climate Change Compact ("Compact") in 2010. The Compact includes a commitment to develop and advocate for joint state and federal legislative policies. Accordingly, the Compact counties annually adopt a State Legislative Program.

The Compact Counties and other organizations adopting this document recognize that the local impacts of global climate change are among the greatest challenges facing southeast Florida in the present and future. Consequently, adapting to climate impacts, mitigating additional damage by reducing greenhouse gas emissions, and building community and economic resilience are among the highest priorities for action at all levels of government.

Since 2017, the Compact Counties issue their legislative program in two documents: *Legislative Principles* (this document) and *Legislative Priorities* (published separately).

Concerning state legislation, regulations, and policies, the Compact Counties and other organizations adopting this document:

General Policies

OPPOSE preemption of local environmental and land use policies and regulations pertaining to energy, climate, resilience issues, or redevelopment standards and any infringement on local home rule authority to plan for and adapt to future climate conditions.

SUPPORT development of a statewide climate action plan which includes greenhouse gas emissions reduction, adaptation, and resilience measures.

SUPPORT greater incorporation of adaptation and resilience strategies throughout state government activities, including:

Requirements for state agencies, water management districts, local governments, and regulated industries (e.g. electric utilities) to account for projected sea-level rise, coastal and inland flooding, potential storm surge, extreme rainfall, and extreme heat in all infrastructure and facility-siting decisions.

Closer coordination among state agencies to share data and implement solutions on climate and extreme weather preparedness, resilience, and adaptation issues.

State funding and assistance for local governments' adaptation activities, sufficient to meet the

Exhibit B

state's significant resilience challenges, including: data development and technical analyses (such as vulnerability and risk assessments); integration of goals, objectives, and policies in Comprehensive Plans and the establishment and use of Adaptation Action Areas; design standards for infrastructure and development in local codes; and project implementation.

Climate, energy, and resilience investments in low-income and front-line communities that strengthen individual and community resilience.

Action to address climate-related public health challenges, including extreme heat.

Action to prepare the state's agricultural community for climate and extreme-weather disruptions.

Action to strengthen the economic resilience of the state to climate change.

Greenhouse Gas Emissions Reductions

SUPPORT measures to aid the state and local governments to determine sources of greenhouse gas emissions, develop reduction plans and strategies, establish targets, and accomplish reductions.

SUPPORT measures to reduce transportation-related greenhouse gas emissions through strategies such as vehicle electrification, development of vehicle emissions standards, policies to reduce vehicle idling, and reduction of vehicles miles traveled.

Energy Efficiency, Renewable Energy, and Electrification

SUPPORT all opportunities for renewable energy deployment and energy conservation in Florida, including policies to create renewable energy purchasing options, such as community solar and energy co-ops, and energy conservation incentives, and ensure the siting of solar arrays follows best practices and minimizes environmental impact.

SUPPORT legislation, policies, funding, financing, rebates and incentives to expand energy efficiency.

OPPOSE any changes that would eliminate or weaken existing policies that support renewable energy deployment and energy conservation in Florida.

SUPPORT solar-plus-storage installations, especially at emergency shelters and other critical facilities.

SUPPORT measures to move the state to 100% carbon-free electricity generation by 2050, and adopt stringent utility energy conservation targets and meaningful renewable energy programs for electric utilities.

SUPPORT requirements that investor-owned utilities offer a competitively-priced official rate for energy-efficient street lighting and encourage coordination between utilities and local governments to convert older, inefficient street lighting systems to more efficient ones.

SUPPORT incentives and pilot programs to assist local governments in diversifying their energy supplies and expanding their use of renewable energy.

SUPPORT policies, programs, and funding that prevent utility disconnections of income-constrained households.

SUPPORT legislation and policy to encourage electric utilities to maintain agricultural uses on solar generation facilities located in agricultural zoning districts.

SUPPORT efforts to advance the electrification of buildings and transportation, and modernize the electricity grid for safety, reliability, and carbon-free electricity generation.

SUPPORT legislation and policies requiring utilities to collect aggregated whole-building data from a jurisdiction's largest buildings, and provide this data to building owners, managers, and local government representatives to aid benchmarking.

SUPPORT the adoption of the most recent building energy codes and transition to net zero energy codes.

Transportation

SUPPORT electric vehicle adoption and the provision of electric vehicle charging infrastructure commensurate with projected electric vehicle growth to serve the public, local governments, and private sector fleets, including grants, rebates, and other financing and funding, and policies aimed at multi-family housing and low-income residents.

SUPPORT strategic planning to ensure sufficient charging infrastructure along evacuation routes.

SUPPORT the adoption of Complete Streets policies at the state and local levels, and the establishment of integrated local and regional networks of non-motorized transportation corridors (such as bike lanes).

SUPPORT additional local transit connectivity to existing and proposed regional transit systems (i.e., a "first and last mile strategy").

SUPPORT the planning and construction of transit-oriented developments.

SUPPORT programs to develop renewable, carbon-neutral sources of transportation fuel.

OPPOSE any limitations on the funding made available for transit.

SUPPORT the integration of resilience and greenhouse gas reduction principles into transportation planning and design.

Oil and Gas Exploration and Production

OPPOSE any oil exploration and drilling in the state or off the coast of Florida, including within Florida's territorial waters and the Everglades, including any form of extreme well stimulation, such as hydraulic and acid fracturing, and seismic surveying.

OPPOSE oil exploration and drilling on federal lands in Florida and federal waters surrounding Florida and in the Eastern Gulf of Mexico.

OPPOSE preemption of local regulation of extreme well stimulation and oil and gas exploration and extraction.

Resilient Infrastructure and Planning

SUPPORT incentives for communities to include strategies to increase resilience, reduce energy use, reduce flood risk, and mitigate climate impacts in comprehensive plan elements, such as housing, infrastructure, conservation, land use, and transportation.

SUPPORT efforts to build and retrofit utility facilities to be more resilient to flooding and storm events.

SUPPORT statutory and regulatory changes that incorporate future flood risk from climate change and sea level rise into infrastructure planning, permitting, and investment.

SUPPORT greater use of natural and nature-based features to protect against storm surge and adapt to sea level rise.

SUPPORT adaptation of state and local roadways for future climate conditions.

SUPPORT the local match and coordination between the South Florida Water Management District and the U.S. Army Corps of Engineers on the restudy of the Central and Southern Florida Flood Control Project.

Resilient Development and Redevelopment

SUPPORT incentives for green and resilient construction standards to reduce greenhouse gas emissions and/or mitigate insurance costs in existing and future building stock.

SUPPORT more specific performance-based green building requirements and higher resilience standards for state, regional, and local agencies in new construction and substantial reconstruction, as well as leased facilities owned by government.

SUPPORT higher energy, water, and resilience standards for new and existing buildings (including but not limited to energy conservation, renewable energy, drainage, flood elevation, wetproofing, and seawall requirements) to prepare for and lessen the impacts of future climate conditions through legislation, Florida Building Code amendments, and enhanced powers for local governments to enact local building code amendments.

Natural Disaster Risk Reduction, Adaptation, and Resilience

SUPPORT and maximize linkages between natural disaster risk reduction and climate change adaptation measures, recognizing that the two areas share a common concern of future risk and vulnerability and a common goal of resilience.

SUPPORT full funding of resilient infrastructure projects identified under the state's Resilient Florida program and significant additional investments in resilience planning and resilient infrastructure, including consideration of formulas to distribute state funding to local governments, water management districts, and regional resilience entities.

SUPPORT integration of climate adaptation measures into pre-disaster mitigation projects and post-disaster rebuilding projects funded through the Pre-Disaster Mitigation Program, Hazard Mitigation Grant Program, Flood Mitigation Program, Stafford Act, and Community Development Block Grant Disaster Recovery Program.

SUPPORT local government participation in the National Flood Insurance Program (NFIP) and in the Community Rating System (CRS), and the provision of technical and financial resources for local governments to implement community-wide flood risk reduction that increases resilience, improves their CRS scores, and reduces premiums for NFIP policyholders.

SUPPORT the affordability, access, coverage, and overall reform of hazard and wind-storm insurance offered within and by the State of Florida.

SUPPORT efforts to increase resilient affordable housing stock.

Resilient Water, Coastal, and Land Resources

SUPPORT complete implementation of the Comprehensive Everglades Restoration Plan, including, but

not limited to projects such as the Central Everglades Planning Project, Everglades Agricultural Area reservoir, storage and treatment in the Northern Everglades, projects that protect east and west coast estuaries, and projects that restore natural flows to Florida Bay.

SUPPORT changes to the Florida Communities Trust program to provide authority and funding for local governments to acquire land to mitigate the effects of sea-level rise, reduce flood risk, and protect potable water supplies.

SUPPORT use of Land Acquisition Trust Fund appropriations under the terms of the Water and Land Conservation Amendment for regional and local priorities such as the Florida Forever land acquisition program, the Florida Communities Trust program, and management of public conservation lands to support nature-based resilience strategies.

SUPPORT protection and restoration of coral reefs, marine ecosystems, and nearshore habitats, such as mangrove forests, wetlands, floodplains, and other nature-based coastal protection.

SUPPORT the independence, authority, and finances of the state's Water Management Districts consistent with Chapter 373, Florida Statutes, to protect water resources in the State.

Funding and Financing for Climate and Resilience

SUPPORT providing budget and implementing authority to relevant agencies to advance transportation electrification, renewable energy deployment, energy efficiency and conservation, and resilience goals.

SUPPORT existing funding programs such as Resilient Florida, Building Resilient Infrastructure and Communities (BRIC), and Hazard Mitigation grants, and increased funding to support local governments' resilience planning and implementation.

SUPPORT additional funding for local governments and the South Florida Water Management District to support resilient infrastructure investments.

SUPPORT creation of a green bank or state investment fund to finance renewable energy and energy efficiency projects.

SUPPORT funding for applied academic research into climate change and associated topics.

SUPPORT finance options for residents, businesses, and local governments, including grants, rebate programs, tax credits and Property Assessed Clean Energy (PACE) programs that ensure consumer protections and transparency.

SUPPORT increased state funding for transit and transportation projects that reduce single-occupancy vehicle trips.

SUPPORT funding for alternative water supply development, adaptation and resilience planning, and no-regrets investments in water management, flood control, water supply, conservation land acquisition, transportation, and other infrastructure that provide hazard mitigation and improve immediate and long-term resilience.

SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT COUNTIES
2024 FEDERAL ENERGY, CLIMATE, AND RESILIENCE LEGISLATIVE PRINCIPLES

Approved by the Compact Leadership Committee – June 14, 2023

Background

Southeast Florida is one of the most vulnerable areas in the country to climate change and sea level rise. Recognizing their shared challenges, Palm Beach, Broward, Miami-Dade and Monroe Counties ("Compact Counties") adopted the Southeast Florida Regional Climate Change Compact ("Compact") in 2010. The Compact includes a commitment to develop and advocate for joint state and federal legislative policies. Accordingly, the Compact counties annually adopt a Federal Legislative Program.

The Compact Counties and other organizations adopting this document recognize that the local impacts of global climate change are among the greatest challenges facing southeast Florida in the present and future. Consequently, adapting to climate impacts, mitigating additional damage by reducing greenhouse gas emissions, and building community and economic resilience are among the highest priorities for action at all levels of government.

Since 2017, the Compact Counties issue their legislative program in two documents: *Legislative Principles* (this document) and *Legislative Priorities* (published separately).

Concerning federal legislation, regulations, and policies, the Compact Counties and other organizations adopting this document:

General Policies

SUPPORT a whole-of-government approach to the climate crisis, commensurate to the urgency of the problem highlighted by the Intergovernmental Panel on Climate Change Sixth Assessment Report, described as a "code red for humanity" by United Nations Secretary-General António Guterres.

SUPPORT rapid reductions in greenhouse gas emissions of at least 50 percent below 2005 levels by 2030 and net zero by 2050, consistent with the Nationally Determined Contribution under the Paris Agreement announced by the federal government in April 2021.

SUPPORT climate, energy, and resilience policies that reduce existing social and economic inequalities and prioritize investments in low-income and historically-disadvantaged communities, specifically the Justice40 Initiative to deliver at least 40 percent of the overall benefits of federal investments in climate and clean energy programs to disadvantaged communities.

Exhibit D

SUPPORT government-wide goals and priorities to plan for extreme weather resilience, preparedness, and risk management, and to ensure that consideration of extreme weather events is incorporated into agencies' everyday activities.

SUPPORT requirements that federal agencies and projects receiving federal funding consider projected sea-level rise, coastal and inland flooding, potential storm surge, extreme rainfall, and extreme heat in all infrastructure and facility-siting decisions.

SUPPORT increased access to agency climate science and data by the public and local governments for use in planning.

SUPPORT language in federal infrastructure bills that defines "resilience" and "vulnerability" to extreme weather events in the context of planning, design, and investment.

SUPPORT the funding, financing, development, and preservation of climate-resilient affordable housing.

SUPPORT the disclosure of greenhouse gas emissions and climate-related vulnerabilities and financial risks among federal agencies and federal contractors.

Greenhouse Gas Emissions Reductions

SUPPORT efforts to strengthen greenhouse gas emission standards for new and existing power plants; require the inclusion of the social cost of carbon in benefit-cost analyses; require consideration of secondary benefits in benefit-cost analyses of environmental regulations; increase energy- and fuel-efficiency standards for vehicles, appliances, equipment, and industry; strengthen energy efficiency and renewable energy goals for the federal government, including the Department of Defense; and tighten regulation of methane emissions.

SUPPORT additional financial measures to reduce greenhouse gas emissions economy-wide, including pricing mechanisms such a price on carbon, and incentives.

SUPPORT aid to state and local governments to determine sources of greenhouse gas emissions, develop reduction plans and strategies, establish targets, and accomplish reductions.

SUPPORT stronger US participation in international climate agreements and programs.

Energy Efficiency, Renewable Energy and Electrification

SUPPORT legislation, policies, funding, tax deductions and incentives to rapidly expand carbon-free electricity generation, short- and long-term energy storage, and long-distance electricity transmission; advance the electrification of buildings and transportation and prioritize planning for related infrastructure; modernize the electricity grid; and prioritize the siting of renewable energy systems and energy infrastructure guided by best practices and in a manner that minimizes environmental impact.

SUPPORT legislation, policies, funding, financing, rebates and incentives to expand energy efficiency, including the increased funding for the Energy Efficiency and Conservation Block Grant and weatherization programs, as well as expansion of the eligible uses for program funds to include flood and wind protection and other resilience measures.

SUPPORT tax credits and deductions for energy efficiency and renewable energy projects, including provisions to allow local governments to benefit from such incentives despite their tax-free status.

SUPPORT Property Assessed Clean Energy programs that advance energy efficiency and renewable energy improvements and ensure consumer protections and transparency.

SUPPORT Department of Energy programs and resources that provide tools for management of energy, such as Energy STAR Portfolio Manager.

Oil and Gas Exploration and Production

OPPOSE oil and gas exploration and production in federal lands in Florida, including the greater Everglades ecosystem, in federal waters on Florida's Outer Continental Shelf, off the eastern seaboard of the United States, and east of the Military Mission Line in the Gulf of Mexico, especially the expansion of lease sales for oil and gas drilling within the boundaries of Florida's territorial seas in the Department of Interior's five year National Outer Continental Shelf Oil and Gas Leasing Program and any efforts to extract payment from states that oppose expansion in their territories for the royalty value of potential leasing areas that remain unopened.

OPPOSE seismic surveying for oil and gas within the Everglades, any other federal lands, and surrounding critical areas.

SUPPORT restrictions on hydraulic fracturing and other harmful oil and gas extraction activities.

SUPPORT allowing local governments to act during oil spill events as first responders and to be reimbursed for their actions to protect their resources and restore damaged areas, and to ensure that the Oil Spill Liability Trust Fund can address Spills of National Significance where there is no financially viable or legally responsible party.

Resilient Infrastructure and Planning

SUPPORT funding for and action by the US Army Corps of Engineers to fully reassess the Central and South Florida Flood Control Project for future flood risk and resilience, leveraging existing flood vulnerability assessments already advanced in the region, inclusive of the incorporation of extreme rainfall intensification in all future conditions assessments.

SUPPORT use of natural and nature-based features, whenever possible, to protect against storm surge and adapt to sea level rise, including legislation requiring their use by the US Army Corps of Engineers.

SUPPORT adaptation of federal, state, and local roadways, railways, and other transportation routes for future climate conditions.

SUPPORT recognition of local government land-use designations for community resilience, such as Adaptation Action Areas, and prioritized infrastructure investment funding for these areas.

Natural Disaster Risk Reduction, Adaptation, and Resilience

SUPPORT and maximize linkages between natural disaster risk reduction and climate change adaptation measures, recognizing that the two areas share a common concern of future risk and vulnerability and a common goal of resilience.

SUPPORT increased funding for federal disaster mitigation and recovery programs, including the Pre-Disaster Mitigation Program, Hazard Mitigation Grant Program, Flood Mitigation Program, Stafford Act, Community Development Block Grant Disaster Recovery Program, and Building Resilient Infrastructure and Communities Program; greater transparency around eligibility and evaluation criteria; and requirements to integrate climate adaptation measures into pre-disaster mitigation projects and post-disaster rebuilding projects funded by these programs.

SUPPORT greater federal investment in planning and projects that reduce state and local governments' future risk and vulnerability to natural disasters and climate change and require that local governments' local mitigation strategies be tied to vulnerability analyses and assessments.

SUPPORT efforts to reauthorize, improve, and strengthen the National Flood Insurance Program to protect affordability and availability, as well as to encourage greater program participation, expand the Increased Cost of Compliance Program, emphasize and increase funding for mitigation, and develop accurate flood maps.

SUPPORT local government participation in the National Flood Insurance Program (NFIP) and in the Community Rating System (CRS), and provision technical and financial resources for local governments to implement community-wide flood risk reduction and floodplain protective measures that increase their resilience and improve their NRS scores to reduce premiums for NFIP policyholders.

SUPPORT a strong Federal Flood Risk Management Standard informed by climate science.

SUPPORT a workplace heat standard advanced by the Occupational Safety and Health Administration (OSHA) to better protect outdoor and indoor workers and reduce the dangers of exposure to ambient heat.

Resilient Water, Coastal and Land Resources

SUPPORT complete implementation of the Comprehensive Everglades Restoration Plan, including but not limited to projects such as the Central Everglades Planning Project, Everglades Agricultural Area reservoir, storage and treatment in the Northern Everglades that protect east and west coast estuaries and projects that restore natural flows to Florida Bay.

SUPPORT programs through the Department of Interior, National Park Service, NOAA, and EPA that evaluate climate impacts and develop agency responses to protect public lands, collect weather-related data, and link climate- and habitat-related data to public health.

SUPPORT nature-based investments in coastal protection, including coral reefs.

Funding and Financing for Climate and Resilience

SUPPORT the explicit inclusion of resilience funding in budgets of all relevant federal agencies.

SUPPORT the flexible implementation of existing federal grant programs and increased federal funding for federal climate, energy, transportation, resilience, planetary observation, earth science, weather, coastal and marine management, public health, industrial policy, and research and development, and any other programs that lower greenhouse gas emissions, build community resilience to extreme weather and other disruptions, support equitable climate change adaptation and mitigation, and protect natural resources.

SUPPORT funding to downscale global and national climate models to regional and local levels and to develop reliable future climate and sea level rise scenarios for regional and local use.

SUPPORT the continued eligibility of funding for activities to adapt to climate change and extreme weather events under the Federal-Aid and Federal Lands Highway programs.

SUPPORT funding for public transit and non-motorized travel.

SUPPORT a national infrastructure bank and prioritization of resilient projects supported by local governments for such funding.

SUPPORT continued funding of Clean Cities Programs and diesel pollution reduction programs.

SUPPORT robust federal tax credits, rebates, and incentives to property owners who make resilience, hardening, risk reduction, energy efficiency, and electrification improvements to their properties.

SUPPORT use of expanded and holistic resilience benefits within criteria and cost-benefit analysis used to evaluate projects eligible for federal funding.

SOUTHEAST FLORIDA REGIONAL CLIMATE CHANGE COMPACT COUNTIES
2024 FEDERAL LEGISLATIVE PRIORITIES

Approved by the Compact Leadership Committee – June 14, 2023

Concerning federal legislation, regulations, and policies, the Compact Counties and other organizations adopting this document:

SUPPORT a whole-of-government approach to the climate crisis, commensurate to the urgency of the problem highlighted by the Working Group I (Physical Science Basis) contribution to the Intergovernmental Panel on Climate Change (IPCC) Sixth Assessment Report, described as a "code red for humanity" by United Nations Secretary-General António Guterres.

SUPPORT infrastructure investments and policies to reduce national greenhouse gas emissions 50 - 52 percent below 2005 levels by 2030 and to net zero by 2050, reach 100 percent carbon pollution-free electricity by 2035, increase renewable energy, promote zero-emissions vehicles and public transportation, and equitably increase community resilience to climate impacts, including sea level rise, storm surge, flooding, and extreme heat and precipitation.

SUPPORT legislation, policies, funding, financing, rebates and incentives to expand energy efficiency, including the increased funding for the Energy Efficiency and Conservation Block Grant program and Weatherization Assistance programs, as well as expansion of the eligible uses for program funds to include flood and wind protection and other resilience measures.

SUPPORT "strong, rapid and sustained reductions" in methane emissions, which the IPCC Sixth Assessment Report Working Group I contribution identifies as essential to achieving Paris Agreement targets and a significant opportunity to improve air quality, including the global Methane Pledge, a partnership to reduce methane emissions 30% from 2020 levels by 2030, and the U.S. Methane Emissions Reduction Action Plan.

SUPPORT significant federal investments in electric vehicle charging infrastructure and incentives for consumers and businesses, including low-income residents.

SUPPORT efforts to reauthorize, improve, and strengthen the National Flood Insurance Program to protect affordability and availability, and encourage greater program participation, expand the Increased Cost of Compliance Program, emphasize and increase funding for flood mitigation, and develop accurate flood maps.

SUPPORT action by the US Army Corps of Engineers to fully reassess the Central and Southern Florida Flood Control Project for future flood risk and resilience, leveraging existing flood vulnerability assessments already advanced in the region, inclusive of the incorporation of extreme rainfall intensification in all future conditions assessments, and the appropriations required for the 216 Flood Risk and the WRDA 2022 Comprehensive Studies.

Exhibit C

SUPPORT increased funding for shore and flood protection projects, including legislation requiring the US Army Corps of Engineers to use natural and nature-based features in shore and flood protection projects whenever possible and a study of the feasibility of using all available domestic and non-domestic sources of sand in beach renourishment projects.

SUPPORT additional financial measures to reduce greenhouse gas emissions economy-wide, including pricing mechanisms such a price on carbon, and incentives.

SUPPORT prohibition of oil and gas leasing off the Atlantic, Pacific, and Gulf Coasts of the United States.

SUPPORT increasingly stringent vehicle emissions standards proposed by the Administration and even stricter standards to require at least 50 percent of new passenger cars and light-duty trucks sold to be zero-emission by 2030 and full electrification of the nation's vehicles as soon as practicable, including significant minimum requirements for all vehicles, not just corporate averages.

SUPPORT a workplace heat standard advanced by the Occupational Safety and Health Administration (OSHA) to better protect outdoor and indoor workers and reduce the dangers of exposure to ambient heat.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: Q8
2023-1729

BULK ITEM: Yes

DEPARTMENT: Sustainability

TIME APPROXIMATE:
N/A

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: SUSTAINABILITY: Approval to enter into Task Order #3 for $12,500 to develop an assessment for the Countys special assessment program to fund the operations and maintenance costs of the Twin Lakes road adaptation project, under the on-call contract with Anser Advisory for professional consulting services to develop non-ad valorem special assessments; retroactive to October 1, 2023.

ITEM BACKGROUND:
This item approves entering into Task Order #3 for the development of a Municipal Services Benefit Unit "MSBU" assessment to fund the operation and maintenance of the Twin Lakes road adaptation project. The Task Order covers work from 10/1/2023 to 9/30/2024. The MSBU is anticipated to become effective in November 2024. Anser Advisory was selected as the vendor for an on-call contract for professional services to develop special assessments for the County's various programs.

PREVIOUS RELEVANT BOCC ACTION:
December 7, 2022: Approval to solicit for professional consulting services to develop non-ad valorem special assessment programs as needed for County projects and programs including but not limited to canals, roads, storm water and other existing or new programs.

May 17, 2023: Approval to enter into a $0 on-call contract with Anser Advisory for professional consulting services to develop non-ad valorem special assessments for County projects including canals, road adaptation, stormwater, flood mitigation, wastewater and other existing or new programs and services.

[SUBMITTED] November 8, 2023: Approval to enter into Task Order #2 for $6500/year ($26,000 through the year 2028) to provide maintenance services for the County's special assessment program for Canals 266, 105, and 82-83-84, under the on-call contract with Anser Advisory for professional consulting services to develop non-ad valorem special assessments; retroactive to October 1, 2023.

TASK ORDER # 3

By and between
ANSER ADVISORY CONSULTING, LLC D/B/A ANSER ADVISORY
and
MONROE COUNTY, FLORIDA

FOR PROFESSIONAL CONSULTING SERVICES FOR THE ANNUAL MAINTENANCE AND CERTIFICATION OF NON-AD VALOREM SPECIAL ASSESSMENT ROLLS FOR MONROE COUNTY

(SEA LEVEL RISE / ROAD ADAPTATION PROJECTS, TWIN LAKES)

This Task Order No 3 is entered into on November 8, 2023, by and between Monroe County, hereinafter referred to as the "County" and Anser Advisory Consulting, LLC d/b/a Anser Advisory hereinafter referred to as "Consultant," for professional consulting services for a sea level rise/road mitigation special assessment program for the Twin Lakes subdivision.

WHEREAS, in January 2023, Monroe County issued a Request for Proposals ("RFP") for Professional Services for Special Assessments, seeking vendors capable of providing professional services for collection of non-ad valorem special assessment programs for canals, sea level rise/road adaptation, wastewater programs, and solid waste; and

WHEREAS, Consultant submitted a proposal in response to the RFP; and

WHEREAS, Consultant was selected as a vendor pursuant to the RFP, and on May 27, 2023, the County entered into an Agreement for Professional Services for Special Assessments ("Agreement") with Consultant to provide professional consulting services for the County's special assessment programs; and

WHEREAS, paragraph 2.1 of the Agreement states that when Consultant's services are required, the County shall issue a Task Order for the required services in accordance with the terms and conditions outlined in this Agreement and the specific Task Order;

WHEREAS, the County now desires to engage the services of Anser Advisory to provide professional consulting services for a sea level rise/road adaptation special assessment project for the Twin Lakes subdivision area.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, County and Consultant agree to the following task:

1. Scope of Services.

The scope of services for this Task Order shall consist of the services described in Appendix A to this Task Order, attached hereto and incorporated by reference.

2. Compensation

Monroe County agrees to pay a lump sum fee of twelve thousand five hundred dollars ($12,500.00) for the services as described in Appendix A. The fee is payable on the schedule as set forth in Appendix A.

The fee for professional services does not include any on-site visits by Consultant. Any requested on-site meetings by Anser staff may be arranged at our standard hourly rates provided below. All expenses related to these requested meetings will be billed in accordance with Section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls may be scheduled to discuss project status.

The standard hourly rates for Anser are as follows:

Anser Advisory	
Senior Advisor	$285
Vice President/Managing Director	$285
Assistant Director/Senior Project Manager	$235
Project Manager/Project Coordinator	$185
Database Analyst/Technical Services	$150
Project Analyst	$ 90
Program and Administrative Support	$ 75

The lump sum fee does not include the cost of producing and mailing first class notices, if required. Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately $1.53 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rates. Should U.S. postage rates increase prior to mailing,

the additional postage per notice will be charged.

All other terms including the Payment Schedule are as set forth in Appendix A.

3. Term of Task Order

This Task Order shall be effective as of October 1, 2023 and shall expire on September 30, 2024.

In all other respects, the terms and conditions of the Agreement remain unchanged and shall apply.

IN WITNESS WHEREOF, each party has caused Task Order #3 to be executed by its duly authorized representative as set forth below.

Appendix A

TWIN LAKES NEIGHBORHOOD
SEA LEVEL RISE ROADWAY MITIGATION MAINTENANCE SERVICES
WORK TO BE CONDUCTED DURING FISCAL YEAR 2023-24

ANSER ADVISORY CONSULTING, LLC (ANSER)
SCOPE OF SERVICES

Task 1: **Evaluate Sea Level Rise Roadway Maintenance Project** Determine and obtain the necessary data to develop apportionment methodology. Locate the proposed maintenance services and determine the benefited properties. Evaluate the proposed project to determine and obtain the data and information necessary to develop an assessment methodology approach. Such data may include the GIS database, tax roll information and existing and future land-use data. Using the data, determine the preliminary location of the proposed services to serve as a basis for identifying geographic areas benefited by the improvements.

Task 2: **Develop a Preliminary Apportionment Methodology** Using the data and criteria established by County staff and officials, Anser will develop a preliminary apportionment methodology based on the proposed services, their location and properties benefited.

Task 3: **Create a Preliminary Database** Using the most current ad valorem tax roll, create a preliminary database. Augment the database with other pertinent data determined to support the apportionment methodology.

Task 4: **Determine the Assessment Revenue Requirements** Review the funding requirements of the proposed services. Advise the County in determining the total sea level rise roadway maintenance services revenue requirements to ensure the County recovers the costs of: (a) net revenue requirements, (b) implementing the program, and (c) collecting the assessments.

Task 5: **Apply Apportionment Methodology to Preliminary Database** Apply the preliminary apportionment methodology to the preliminary database to test the data validity and sufficiency. Modify the database and/or revise the apportionment methodology as necessary.

Task 6: **Calculate a Proforma Schedule of Rates** Calculate a proforma schedule of rates based on the apportionment methodology and revenue requirements for the assessment program. Provide alternative revenue scenarios, if required.

Task 7: **Prepare Assessment Memorandum** Prepare an Assessment Memorandum which documents proposed apportionment methodology and proforma assessment rates.

Task 8: **Assist with Legal Documents** Advise and assist the County's legal counsel in drafting of the implementing legal documents.

Task 9: **Advise and Assist with Implementation Requirements** Advise and assist with the legal requirements for adoption of the maximum annual rates and certification of the assessment roll in accordance with the Uniform Method including: (a) the development of the first-class

notice and its distribution, (b) publication of the public hearing, (c) attendance via Zoom at the public hearing and (d) certification of the assessment roll to the Monroe County Tax Collector.

Task 10: **Delivery of the Assessment Roll to the Tax Collector** Assist the County with the delivery of the assessment roll to the Monroe County Tax Collector for collection using the uniform method.

FEES AND COSTS

For the professional services and specialized assistance described in the provided and proposed Scope of Services, Anser will work under a "lump sum" fee arrangement of $12,500. The lump sum fee for professional services does not include any on-site visits to the County by Anser staff. Any on-site meeting can be arranged at our standard hourly rates. Expenses related to any meetings will be billed in accordance with section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls or Zoom meetings may be scheduled to discuss project status.

The standard hourly rates for Anser are as follows:

ANSER ADVISORY CONSULTING, LLC

Senior Advisor	$285
Vice President/Managing Director	$285
Assistant Director	$235
Project Manager/Project Coordinator	$185
Database Analyst/Technical Services	$150
Lead Project Analyst	$100
Project Analyst	$ 90
Administrative Support	$ 75

The lump sum fee **does not include the costs of producing and mailing first class notices, if required.** Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately $1.53 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rate. Should U.S. postage rates increase prior to mailing, the additional postage per notice will be charged.

The County is responsible for any costs incurred to obtain information from the property appraiser or other public officials that is necessary for the assessment program.

The County is responsible for working with the Property Appraiser to obtain the necessary information for properties with exempt "home addresses" pursuant to Section 119.071, Florida Statutes.

The County is responsible for any and all newspaper publications, including, but not limited to, making arrangements for publications and any costs associated therewith.

Please note that Anser works with the premise of developing and implementing assessment programs with an eye on potential legal challenges in an attempt to maximize both the efficiency and the effectiveness of any defense. Nonetheless, the fees outlined above for professional services do not include any provision for litigation defense. Accordingly, in the event there is a legal challenge, Anser would be available, on an hourly basis, to assist the County in its defense.

DELIVERABLES SCHEDULE

Deliverable	Schedule
Notice to Proceed	October - November 2023
Develop Assessment Methodology	October – December 2023
Proforma Assessment Rates	December 2023 – March 2024
Assessment Memorandum	March – May 2024
Implementation	April – September 2024

PAYMENT SCHEDULE

The lump sum fee for professional services and specialized assistance will be due and payable on the following basis. Payment will be based on the following schedule, assuming that notice to proceed is received in November 2023. If notice to proceed occurs after this date, payment will be adjusted on the basis of a condensing of the anticipated number of months remaining to complete the project.

Schedule	Payment	Amount
December 2023	25% of lump sum fee	$3,125.00
January 2024	25% of lump sum fee	$3,125.00
April 2024	25% of lump sum fee	$3,125.00
August 2024	25% of lump sum fee	$3,125.00
Total		**$12,500.00**

TASK ORDER #2

By and between
ANSER ADVISORY CONSULTING, LLC D/B/A ANSER ADVISORY
and
MONROE COUNTY, FLORIDA

FOR PROFESSIONAL CONSULTING SERVICES FOR THE ANNUAL MAINTENANCE AND CERTIFICATION OF NON-AD VALOREM SPECIAL ASSESSMENT ROLLS FOR MONROE COUNTY (CANALS 266, 105, AND 82-84)

This Task Order No 2 is entered into on November 8, 2023, by and between Monroe County, hereinafter referred to as the "County" and Anser Advisory Consulting, LLC d/b/a Anser Advisory hereinafter referred to as "Consultant," for professional consulting services for the annual maintenance services for non-ad valorem special assessment rolls for the canal restoration program, covering Canals 266, 105, and 82-84.

WHEREAS, in January 2023, Monroe County issued a Request for Proposals ("RFP") for Professional Services for Special Assessments, seeking vendors capable of providing professional services for collection of non-ad valorem special assessment programs for canals, sea level rise/road adaptation, wastewater programs, and solid waste; and

WHEREAS, Consultant submitted a proposal in response to the RFP; and

WHEREAS, Consultant was selected as a vendor pursuant to the RFP, and on May 27, 2023, the County entered into an Agreement for Professional Services for Special Assessments ("Agreement") with Consultant to provide professional consulting services for the County's special assessment programs; and

WHEREAS, paragraph 2.1 of the Agreement states that when Consultant's services are required, the County shall issue a Task Order for the required services in accordance with the terms and conditions outlined in this Agreement and the specific Task Order;

WHEREAS, the County now desires to engage the services of Anser Advisory to provide annual maintenance services for the County's special assessment program as to Canals 266, 105, and 82-84.

NOW, THEREFORE, in consideration of the mutual promises, covenants, and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, County and Consultant agree to the following task:

1. Scope of Services.

The scope of services for this Task Order shall consist of the services described in Appendix A to this Task Order, attached hereto and incorporated by reference.

2. Compensation

Monroe County agrees to pay six thousand five hundred dollars ($6,500) per year for each of the five (5) fiscal years covered by this Task Order, for a total of $32,500. The fee shall be broken down as follows:

Canal	**Price per year**
Canal 266	$1,500 annually
Canal 105	$2,500 annually
Canals 82-84	$2,500 annually
Total	**$6,500 annually**

The fee for professional services does not include any on-site visits by Consultant. Any requested on-site meetings by Anser staff may be arranged at our standard hourly rates provided below. All expenses related to these requested meetings will be billed in accordance with Section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls may be scheduled to discuss project status.

The standard hourly rates for Anser are as follows:

Anser Advisory	
Senior Advisor	$285
Vice President/Managing Director	$285
Assistant Director/Senior Project Manager	$235
Project Manager/Project Coordinator	$185
Database Analyst/Technical Services	$150
Project Analyst	$ 90
Program and Administrative Support	$ 75

The lump sum fee does not include the cost of producing and mailing first class notices, if required. Mailing and production costs depend on the number of assessable parcels of property within the assessment program area, but average approximately $1.53 per parcel. Payment of mailing and production costs is due at the time of adoption of the initial assessment resolution or like document. For non-domestic notices, mailing charges will include the actual amount of postage beyond the domestic rates. Should U.S. postage rates increase prior to mailing, the additional postage per notice will be charged.

All other terms including the Payment Schedule are as set forth in Appendix A.

3. Term of Task Order

This Task Order shall be effective as of October 1, 2023 and shall expire on September 30, 2028.

In all other respects, the terms and conditions of the Agreement remain unchanged and shall apply.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, each party has caused Task Order #2 to be executed by its duly authorized representative as set forth below.

Appendix A

ANSER ADVISORY CONSULTING, LLC (ANSER) SCOPE OF SERVICES

CANALS 266, 105, AND 82-84 ASSESSMENT PROGRAMS
ANNUAL MAINTENANCE SERVICES (5-YEAR CONTRACT)
WORK TO BE CONDUCTED DURING FISCAL YEARS 2023-24 THROUGH 2027-28

Scope of Services

Task 1: **Update the preliminary assessment rolls** Using the tax roll files and the assessment databases, Anser will update the preliminary assessment rolls.

- Determine the total number of billing units based on the apportionment methodology and determine revenue requirements.
- Develop and apply the schedule of rates using the apportionment methodology and revenue requirements for the assessment programs.

Task 2: **Review of legal documents** Review of the annual resolutions and documentation associated with reimposition of Canals 266, 105 and 82-84 assessment programs.

Task 3: **Assist with Rate Adoption** Assist the County with the annual rate adoption process for the assessment programs including (a) the legal requirements for any public hearings and (b) the development of appropriate published notices and/or printing, stuffing and mailing of any notices.

Task 4: **Create Final Assessment Rolls** Anser will update the assessment rolls with any corrections received from the County. Final rates will be verified and extended to the updated data in order to create the final assessment rolls.

Task 5: **Certify, Export and Transmit the Final Assessment Rolls in Conformance with Uniform Method** Using the final assessment rolls, Anser will prepare export files on compatible electronic medium capable of merger with the ad valorem tax roll files and will transmit the files to the Tax Collector in the prescribed format.

FEES AND COSTS

The annual fees for Anser to provide the professional services described in the proposed Scope of Services for Canals 266, 105, and 82-84 Annual Maintenance Assessment Programs are as follows:

- Canal 266 $1,500 annually
- Canal 105 $2,500 annually
- Canals 82-84 $2,500 annually
    - Total $6,500 annually

The fees include reimbursement for all out-of-pocket expenses, except as noted below.

The professional services fee does not include any on-site visits to the County. Any requested on-site meetings by Anser staff may be arranged at our standard hourly rates provided below. All expenses related to these requested meetings will be billed in accordance with section 112.061, Florida Statutes. If necessary, in lieu of on-site visits, periodic telephone conference calls or Zoom meetings may be scheduled to discuss project status.

The standard hourly rates for Anser are as follows:

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: Q10
2023-1774

BULK ITEM: Yes

DEPARTMENT: Sustainability

TIME APPROXIMATE:
N/A

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: SUSTAINABILITY: Approval to enter into Amendment 1 to planning grant 22PLN65-A1 from the Florida Department of Environmental Protection (FDEP) under the Resilient Florida Grant Program to complete a Vulnerability Assessment for the City of Marathon to modify the name of the grant recipient from City of Marathon to Monroe County following assignment of the grant, and also to amend various attachments to the grant agreement requested by FDEP; also, authorization for the County Administrator to execute any necessary documents.

ITEM BACKGROUND:

This item authorizes an amendment to a $240,000 planning grant from Marathon to the County under the *Resilient Florida Grant Program* for Fiscal Year 2023-24 to complete a comprehensive *Vulnerability Assessment* for Marathon, pursuant to Section 380.093, Florida Statutes (F.S.). The consent to assignment was previously approved by the BOCC at the October 18, 2023 commission meeting; however, FDEP has requested execution of this amendment to recognize the name change, and also to amend various attachments to the grant agreement.

PREVIOUS RELEVANT BOCC ACTION:
June 21, 2023: Approval to enter into planning grant 22PLN97 for $137,875 from the Florida Department of Environmental Protection under the Resilient Florida Grant Program to complete a Vulnerability Assessment for Key Colony Beach and Layton,pursuant to Section 380.093, Florida Statutes, with $0 match.

October 18, 2023: Approval to enter into planning grant 22PLN65 and approval of Consent to Assignment 22PLN65-A1 for $240,000 from the Florida Department of Environmental Protection under the Resilient Florida Grant Program to complete a Vulnerability Assessment for the City of Marathon, pursuant to Section 380.093, Florida Statutes, with $0 match; authorization for County Administrator to execute any necessary documents.

CONTRACT/AGREEMENT CHANGES:
Formal amendment for name change of the recipient following October 2023 assignment of the grant from Marathon to the County. Also, amendment of several attachments to the grant agreement.

STAFF RECOMMENDATION: Approval.

AMENDMENT NO. 1
TO AGREEMENT NO. 22PLN65
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS

This Amendment to Agreement No. 22PLN65 (Agreement) is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and Monroe County Board of County Commissioners (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for City of Marathon Vulnerability Assessment and Adaptation Plan (Project), effective April 14, 2023; and,

WHEREAS, the Department has requested an update to the Project Title shall hereinafter change from, "City of Marathon Vulnerability Assessment and Adaptation Plan" to "Monroe County Vulnerability Assessment and Adaptation Action Plan" with regards to any and all past, current, and future Project documents and communications directly concerning Agreement Number 22PLN65; and,

WHEREAS, the Department has requested an update to the Reimbursement Period in Attachment 2 to begin on July 1, 2021 and end at the expiration of the Agreement; and,

WHEREAS, the Department has requested an update to Attachment 1, Attachment 2, Attachment 3, Exhibit A, Exhibit F, Exhibit H, and Exhibit I following updates from the Office of the General Counsel; and

WHEREAS, the Department has requested to add Exhibit J to the Agreement as set forth herein; and,

NOW THEREFORE, the Department and Grantee hereby agree as follows:

1. Section 7. of the Standard Grant Agreement is hereby revised to the following:

☒ Attachment 1: Standard Terms and Conditions Applicable to All Grants Agreements
☒ Attachment 2: Special Terms and Conditions
☒ Attachment 3: Grant Work Plan
☒ Attachment 4: Public Records Requirements
☒ Attachment 5: Special Audit Requirements
☒ Attachment 6: Program-Specific Requirements
☐ Attachment 7: Grant Award Terms (Federal) *Copy available at https://facts.fldfs.com, in accordance with §215.985, F.S.
☐ Attachment 8: Federal Regulations and Terms (Federal)
☐ Additional Attachments (if necessary):
☒ Exhibit A: Progress Report Form
☐ Exhibit B: Property Reporting Form
☒ Exhibit C: Payment Request Summary Form
☐ Exhibit D: Quality Assurance Requirements
☐ Exhibit E: Advance Payment Terms and Interest Earned Memo
☒ Exhibit J: Common Carrier or Contracted Carrier Attestation Form PUR 1808
☒ Additional Exhibits (if necessary): Exhibit F: Final Report Form, Exhibit G: Photographer Release Form, Exhibit H: Contractual Services Certification and Exhibit I: Vulnerability Assessment Compliance Checklist

2. Attachment 1, Standard Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 1-A, Revised Standard Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 1 shall hereinafter refer to Attachment 1-A, Revised Standard Terms and Conditions.

3. Attachment 2, Special Terms and Conditions, is hereby deleted in its entirety and replaced with Attachment 2-A, Revised Special Terms and Conditions, attached hereto and made a part of the Agreement. All references in the Agreement to Attachment 2 shall hereinafter refer to Attachment 2-A, Revised Special Terms and Conditions.

4. Attachment 3, Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-A, Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3 shall hereinafter refer to Attachment 3-A, Revised Grant Work Plan.

5. Exhibit A, Progress Report Form, is hereby deleted in its entirety and replaced with Exhibit A-1, Revised Progress Report Form, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit A shall hereinafter refer to Exhibit A-1, Revised Progress Report Form.

6. Exhibit F, Final Project Report, is hereby deleted in its entirety and replaced with Exhibit F-1, Revised Final Project Report, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit F, shall hereinafter refer to Exhibit F-1, Revised Final Project Report.

7. Exhibit H, Contractual Services Certification, is hereby deleted in its entirety and replaced with Exhibit H-1, Revised Contractual Services Certification, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit H, shall hereinafter refer to Exhibit H-1, Revised Contractual Services Certification.

8. Exhibit I, Vulnerability Assessment Compliance Checklist, is hereby deleted in its entirety and replaced with Exhibit I-1, Revised Vulnerability Assessment Compliance Checklist, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit I, shall hereinafter refer to Exhibit I-1, Revised Vulnerability Assessment Compliance Checklist.

9. All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistency may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1-A

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

f. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

g. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

h. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

i. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

j. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

k. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

    ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the

terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/ Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;

b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;

c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;

d. Failure to honor any term of the Agreement;

e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;

f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;

g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

   i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

   ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

   iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity;

may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan

Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.

i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the

Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Terms and Conditions
AGREEMENT NO. 22PLN65

ATTACHMENT 2-A

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Vulnerability Assessment and Adaptation Action Plan. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement begins on July 1, 2021 and ends at the expiration of the agreement.
b. Extensions. There are extensions available for this Project.
c. Service Periods. Additional service periods may be added in accordance with 2.a above and are contingent upon proper and satisfactory technical and administrative performance by the Grantee and the availability of funding.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
No Equipment purchases shall be funded under this Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements

Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.

b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.

d. Other Insurance. None.

9. Quality Assurance Requirements.

There are no special Quality Assurance requirements under this Agreement.

10. Retainage.

No retainage is required under this Agreement.

11. Subcontracting.

The Grantee may subcontract work under this Agreement without the prior written consent of the Department's Grant Manager except for certain fixed-price subcontracts pursuant to this Agreement, which require prior approval. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.

The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.

There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States

according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Additional Terms.

Documentary Evidence Requirement for Subcontractor(s). If any work associated with this Agreement is completed by a subcontractor(s), the Grantee shall require that such subcontractor(s) submit documentary evidence (e.g., workshop agendas; meeting recordings) to Grantee demonstrating that the subcontractor(s) has fully performed its Project obligation(s). The Grantee shall forward copies of all such documentary evidence to the Department with the Grantee's relevant deliverable(s), using the approved Project Timeline set forth in Attachment 3 to this Agreement (Grant Work Plan).

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED GRANT WORK PLAN
AGREEMENT NO. 22PLN65

ATTACHMENT 3-A

PROJECT TITLE: Monroe County Vulnerability Assessment and Adaptation Action Plan

PROJECT LOCATION: The Project is located in the City of Marathon within Monroe County, Florida.

PROJECT DESCRIPTION:
Monroe County Board of County Commissioners (Grantee) will complete the Monroe County Vulnerability Assessment and Adaptation Action Plan Project (Project) to update the existing Vulnerability Assessment (VA) pursuant to Section 380.093(3)(d), Florida Statutes (F.S.) and develop an Adaptation Plan (AP) for the City of Marathon.

TASKS AND DELIVERABLES:

Task 1: Kick Off Meeting

Description: The Grantee will develop an overall project management plan and address initial actions and then conduct a kick-off meeting for the project. Meeting attendees will discuss the project scope, project goals, schedule, key milestones, and deliverables in order to develop a consistent project approach. The kick-off meeting will be hosted by the Grantee and should identify potential representatives to serve on the project steering committee. Prior to the meeting, the Grantee will prepare the sign-in sheet, draft project schedule, and other meeting materials as necessary. The Grantee will prepare a draft list of representatives to serve on the project steering committee. It is recommended that the committee be limited to no more than 10 representatives to better manage meeting outcomes.

Deliverables: The Grantee will provide the following:
- **1.1:** a draft list of steering committee members;
- **1.2:** kick-off meeting minutes, which documents all decisions and agreed upon outcomes of the meeting; and
- **1.3:** a draft email to potential steering committee members to request their participation on the committee. The email shall include the project purpose, goals, schedule, project meeting dates and locations, and overall desired outcomes.

Task 2: Final Vulnerability Assessment Report, Asset Inventory, Exposure and Sensitivity Analysis, and Adaptation Plan

Description: The Grantee will research and compile the data needed to perform the VA, based on the requirements as defined in Section 380.093, F.S. Three main categories of data are required to perform a VA: 1) critical and regionally significant asset inventory, 2) topographic data, and 3) flood scenario-related data. GIS metadata should incorporate a layer for each of the four asset classes as defined in paragraphs 380.093(2)(a) 1-4, F.S. Sea level rise projection data shall include the 2017 NOAA intermediate-high and intermediate-low projections for 2040 and 2070, at a minimum. Other projections can be used at the Grantees discretion. Storm surge data used must be equal to or exceed the 100-year return period (1% annual chance) flood event. In the process of researching background data, the Grantee shall identify data gaps, where missing data or low-quality information may limit the VA's extent or reduce the accuracy of

the results. The Grantee shall rectify any gaps of necessary data to the extent practicable. The Grantee will perform an exposure analysis to identify the depth of water caused by each sea level rise, storm surge, and/or flood scenario. The water surface depths (i.e. flood scenarios) used to evaluate assets shall include the following data: tidal flooding, current and future storm surge flooding, rainfall-induced flooding, and compound flooding, all as applicable, as well as the scenarios and standards used for the exposure analysis shall be pursuant to s. 380.093, F.S. The Grantee will perform the sensitivity analysis to measure the impact of flooding on assets and to apply the data from the exposure analysis to the inventory of critical assets created through the exposure analysis. The sensitivity analysis should include an evaluation of the impact of flood severity on each asset type and at each flood scenario. The Grantee will finalize the VA report pursuant to the requirements in s. 380.093, F.S. and based upon internal comments and outreach efforts. The final VA must include all results from the exposure and sensitivity analyses, as well as a summary of identified risks. It should contain a list of critical and regionally significant assets that are impacted by flooding and sea-level rise, specifying for each asset the flood scenario(s) impacting the asset. All GIS files and associated metadata must adhere to the Resilient Florida Program's GIS Data Standards (Exhibit I), and raw data sources shall be defined within the associated metadata. The Grantee will also develop an AP that will be incorporated into the VA. The AP will be consistent with the Florida Adaptation Planning Guidebook and includes the following: assessment of adaptive capacities, prioritization of adaptation needs, and identification of adaptation strategies. The Grantee may also include optional subtasks such as identifying adaptation action areas, stakeholder engagement, and integrating the proposed AP into existing APs. The AP will also include a list of prioritized projects for each asset class as defined in subsection 380.093(2), F.S., for consideration and implementation.

Deliverables: The Grantee will provide the following:

- **2.1:** GIS files with appropriate metadata of the data compiled, to include locations of critical assets owned or maintained by the Grantee as well as regionally significant assets that are classified and as defined in paragraphs 380.093(2)(a) 1-4, F.S.;
- **2.2:** GIS files with results of the exposure and sensitivity analysis for each flood scenario as well as the appropriate metadata that identifies the methods used to create the flood layers;
- **2.3:** a final list of critical and regionally significant assets that are impacted by flooding, which must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset
- **2.4:** Final VA Report that provides details on the results and conclusions, including illustrations via maps and tables, based on the statutorily-required scenarios and standards in s. 380.093, F.S. The Final VA Report should also include the following: outline the data compiled and the findings of the gap analysis with recommendations to address the identified data gaps and any actions taken to rectify them, if applicable; provide details on the modeling process, type of models utilized, and resulting tables and maps illustrating flood depths for each flood scenario; and the final AP; and
- **2.5:** a signed VA Compliance Checklist Certification

Task 3: Project Administration

Description: The Grantee will perform project administration, to include project scope of work determination, planning and development of proposed project(s), design consultant direction and oversight, meetings with design professionals and construction contractor(s) and overall project coordination and supervision.

Deliverables: The Grantee will submit project administration and management reports signed by the Grantee's Grant Manager, to include a summary of project administration activities, proposed project scopes of work, and meeting minutes.

PERFORMANCE MEASURES: The Grantee will submit all deliverables for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline. The Department's Grant Manager will review the deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, to include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided by the Deliverable Acceptance Letter.

CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed and/or submitted to the Department in a timely manner.

PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

EXHIBIT F-1

DEP AGREEMENT NO. 22PLN65

MONROE COUNTY VULNERABILITY ASSESSMENT AND ADAPTATION ACTION PLAN

Monroe County Board of County Commissioners

Revised Final Project Report

Insert Month & Year

This report is funded in part through a grant agreement from the Florida Department of Environmental Protection. The views, statements, findings, conclusions, and recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the State of Florida or any of its subagencies.

Part I. Executive Summary

Part II. Methodology

Part III. Outcome

Include the following: 1) evaluation of project's ability to meet goals and expected performance measures and provide explanation for why goals were not met, if applicable; 2) identify successful outcomes, areas for improvement, and quantifiable metrics (including the assigned metric in Exhibit A, if applicable) as a result of the project; and 3) final project photos, if an implementation construction project.

Part IV. Further Recommendations

Instructions for completing Exhibit F Final Project Report Form:

DEP AGREEMENT NO.: This is the number on your grant agreement.

GRANTEE NAME: Enter the name of the grantee's agency.

PROJECT TITLE: Enter the title shown on the first page of the grant agreement.

MONTH & YEAR: Enter month and year of publication

The final Project Report must contain the following sections: Executive Summary, Methodology, Outcome, and Further Recommendations. The Final Project Report must comply with the publication requirements in the grant agreement. Please limit the final project report to no more than five (5) pages. One electronic copy shall be submitted to the Department's Grant Manager for approval. Final payment will be held until receipt and approval of the Final Project Report.

Questions regarding completion of the Final Project Report should be directed to the Department's Grant Manager, identified in paragraph 18 of this agreement.

Exhibit H-1

Required for all grant agreements that include Contractual Services as an expenditure category.

DEP Agreement Number: 22PLN65

Project Title: Monroe County Vulnerability Assessment and Adaptation Action Plan

Grantee: Monroe County Board of County Commissioners

Prior to making a request for payment of contractual services, the Grantee must provide the following to the Department Grant Manager then responsible for the Grantee's Resilient Florida Grant Program grant agreement:

1. Documentation of the Grantee's procurement process, as consistent with Attachment 1, Paragraph 9(c) and Attachment 2, Paragraph 11;
2. A list of all subcontractor quote and/or bid amounts (as applicable), including the company name and address for each subcontractor;
3. An explanation of how and why the Grantee made their determination(s) for the subcontractor(s) selected to perform certain task(s) under the Grantee's relevant grant agreement; and
4. This Exhibit H, signed and dated by the Grantee's own (non-Departmental) grant manager.

By signing below, I certify that, on behalf of the Grantee, I have provided all the information required by items 1. through 3. of this exhibit, as stated above, to the Department Grant Manager currently responsible for the Grantee's Resilient Florida Grant Program grant agreement. I also certify that the procurement process the Grantee utilized follows all of said Grantee's non-Departmental policies and procedures for subcontractors.

Project Title: Monroe County Vulnerability Assessment and Adaptation Action Plan

Grantee: Monroe County Board of County Commissioners

In accordance with subsection 380.093(3), F.S., the following components, scenarios, data, and information are required for a comprehensive Vulnerability Assessment (VA). The checklist must be completed and submitted with the final VA Report deliverable, pursuant to Attachment 3, Grant Work Plan. The Grantee must abide by the Department's GIS Data Standards found on the Resilient Florida Program webpage at the link below:

https://floridadep.gov/rcp/resilient-florida-program/documents/resilient-florida-program-gis-data-standards

Part 1 – Subparagraph 380.093(3)(c)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
a	☐	Final Vulnerability Assessment Report that provides details on the results and conclusions, including illustrations via maps and tables.	
All electronic mapping data used to illustrate flooding and sea level rise impacts that are identified in the VA must be provided in the format consistent with the Department's GIS Data Standards and include the following three (3) items:			
b	■	Geospatial data in an electronic file format.	
c	☐	GIS metadata.	
d	☐	List of critical assets for each jurisdiction, including regionally significant assets, that are impacted by flooding and sea level rise. The list must be prioritized by area or immediate need and must identify which flood scenario(s) impacts each asset	

Part 2 – Subparagraphs 380.093(3)(d)1. and 380.093(3)(d)2., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
e	☐	Peril of Flood Compliance Plan amendments developed that address paragraph 163.3178(2)(f), F.S., if applicable.	

		☐ Not applicable ☐ Already in compliance	
f	☐	Depth of tidal flooding, including future high tide flooding, using thresholds published and provided by the Department.	
g	☐	To the extent practicable, analysis geographically displays the number of tidal flood days expected for each scenario and planning horizon. *(optional)*	
h	☐	Depth of current and future storm surge flooding using publicly available NOAA or FEMA storm surge data. (*check one*) ☐ NOAA data ☐ FEMA data	
i	☐	Initial storm surge event equals or exceeds current 100-year flood event.	
j	☐	Higher frequency storm analyzed for exposure of a critical asset. *(optional, but must provide additional detail if included)*	
k	☐	To the extent practicable, rainfall-induced flooding was considered using spatiotemporal analysis or existing hydrologic and hydraulic modeling results. *(required if item e is not applicable)*	
l	☐	Future boundary conditions have been modified to consider sea level rise and high tide conditions. *(optional)*	
m	☐	Depth of rainfall-induced flooding for 100-year storm and 500-year storm event. *(required if item e is not applicable)*	
n	☐	To the extent practicable, compound flooding or the combination of tidal, storm surge, and rainfall-induced flooding. *(optional)*	

Part 3 – Subparagraph 380.093(3)(d)3., F.S.

Item ID	Check if Included	Item Description	Page Reference in VA Report (if applicable)
o	☐	All analyses performed in North American Vertical Datum of 1988.	
p	☐	Includes at least two local sea level rise scenarios, which must include the 2017 NOAA intermediate-low and intermediate-high sea level rise projections.	
q	☐	Includes at least two planning horizons, which must include years 2040 and 2070.	
r	☐	Utilizes local sea level data that has been interpolated between the two closest NOAA tide gauges.	
s	☐	Local, publicly available, sea level data was taken from one of the two closest NOAA tide gauges, which must be the gauge with the highest mean sea level *(if so, provide Department approval)*.	

Identify all counties and municipalities that are included in this Vulnerability Assessment:

I certify that, to the Grantee's knowledge, all information contained in this completed Vulnerability Assessment Compliance Checklist is true and accurate as of the date of the signature below.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: Q11
2023-1779

BULK ITEM: Yes

DEPARTMENT: Sustainability

TIME APPROXIMATE:
N/A

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: SUSTAINABILITY: Approval to enter into Amendment No. 7 for $16,360.72, under the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads, to evaluation and presentation of additional roadway resiliency design recommendations for Stillwright Point; retroactive to October 1, 2023.

ITEM BACKGROUND:

This item is to authorize the provision of professional services provided by HDR Engineering, Inc. (HDR) for the Monroe County (County) Roadway Vulnerability Analysis and Capital project for the professional technical support for the evaluation and presentation of additional roadway resiliency design recommendations for the Stillwright Point Community to supplement initial recommendations provided under the Roadway Vulnerability Study.

PREVIOUS RELEVANT BOCC ACTION:

06-18-18: Approval to advertise a Request for Qualifications for professional services for a Sea Level Rise Resilience and Vulnerability Analysis for County Maintained Roads and Related Services.

02/12/19: Approval to negotiate in rank order with the firms responding to the Request for Qualifications for professional services for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services.

05/22/19: Approval of a contract with HDR, Inc., the highest ranked respondent for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, in the amount of $1,708.491.66, plus $189,167.18 for optional services, totaling $1,897,658.84 over 3 fiscal years.

12/11/19: Approval to expedite the analysis and modeling of the Stillwright Point neighborhood to determine the recommended adaptations, cost and related policy decisions, and report to the commission when completed.

06/17/20: Presentation and discussion of the road's adaptation analysis of the Stillwright Point neighborhood in Key Largo as part of the countywide study for the sea level rise vulnerability analysis for county-maintained roads.

11/17/20: Approval of Amendment No. 1 to the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, to extend the contract from September 21, 2021 to December 21, 2021 at no cost.

04/21/21: Approval of Amendment No. 2 for $93,261.00 to the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, to add 20 miles of roadway segments to the original 78 miles of County maintained roadways (98 miles total) into the Conceptual Engineering Design assessment.

06/21/2021: Resolution to affirm continuing the work being performed under the contract for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services contract with HDR.

10/21/21: Presentation of updates to the HDR Roads Vulnerability Analysis and Capital Plan for County-maintained roads, including conceptual designs, schedule, funding and outreach.

11/17/2021: Approval of Amendment No. 3 to the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, to extend the contract from December 21, 2021 to June 24, 2022 at no cost to the County.

01/21/22: Approval of a $153,703.31 Task Order 4 to the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, to provide conceptual design for the full number of miles of roads subject to inundation by 2045, retroactive to December 17, 2021; and authorization for the County Administrator to execute the Task Order.

10/19/22: Approval to enter into Amendment No. 5 for $21,488.10 under the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads and related services, for additional services for grant preparation of the Flagler Avenue road adaptation project under the FEMA Building Resilient Infrastructure and Communities (BRIC) program, retroactive to October 3, 2022.

June 21, 2023: Approval to enter into Amendment No. 6 for $48,394.76 under the contract with HDR, Inc. for the Roads Vulnerability Analysis and Capital Plan for County-maintained roads to finalize the policy recommendations and prepare Comprehensive Plan changes; and to extend the contract for 2 years to June 25, 2025.

AMENDMENT NO. 7
TO THE AGREEMENT
FOR
SEA LEVEL RISE VULNERABILITY ANALYSIS AND PLANNING
FOR COUNTY MAINTAINED ROADS INFRASTRUCTURE ADAPTATION
BETWEEN
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
AND
HDR ENGINEERING INC.

This AMENDMENT NO. 7 ("Amendment") is made and entered into this _____ of _____, 2023, to that Agreement dated May 22, 2019 as amended November 17, 2020 under Amendment No. 1, April 21, 2021 under Amendment No. 2, November 17, 2021 under Amendment No. 3, June 15, 2022 under Amendment No. 4, October 19, 2022 under Amendment No. 5, June 21, 2023 under Amendment No. 5A/5B, and June 21, 2023 under Amendment No. 6 (cumulatively, "Agreement"), by and between Monroe County "COUNTY," and HDR Engineering, Inc. "CONSULTANT".

WITNESSETH:

WHEREAS, the COUNTY recognized the need for immediate, coordinated, and visionary action to address the impacts of a changing climate and ensure the COUNTY provides for resilience for its more than 300 miles of roads infrastructure; and

WHEREAS, the recommendation for a Roads Adaptation Plan is *Green Keys* item 2-14, which specifies that the County shall conduct a County-wide roads analysis to identify near-term roads subject to inundation risk, including nuisance flooding, and that include related green infrastructure where appropriate; and

WHEREAS, the CONSULTANT is successfully providing the professional services under the AGREEMENT; and

WHEREAS, the COUNTY is in need of professional technical support for the evaluation and presentation of additional roadway resiliency design recommendations for the Stillwright Point Community to supplement initial recommendations provided under the Roadway Vulnerability Study. Provide presentation to the stakeholders describing implementation challenges and specific criteria and regulatory requirements; and

WHEREAS, the CONSULTANT agrees to provide the necessary support to the County in an accurate and timely manner.

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and CONSULTANT agree as follows:

1. Articles 1.1.1, 2.1, 7.1, and 7.2.1 in the AGREEMENT are amended as follows:

ARTICLE I

1.1 REPRESENTATIONS

By executing this Agreement, CONSULTANT/CONSULTANT makes the following express representations to the COUNTY:

I.I.I The effective date of this AMENDMENT NO. 7 shall be retroactive to October 1, 2023.

ARTICLE II SCOPE OF BASIC SERVICES

2.1 DEFINITION

CONSULTANT'S revised Scope of Basic Services consist of those described in attached **Exhibit A-7**. The CONSULTANT shall commence work on the services provided for in this Agreement promptly upon his receipt of a written notice to proceed from the COUNTY.

The CONSULTANT shall:

1. Establish Coordination with County Resiliency, Engineering, and Planning offices.
2. Develop and assess three roadway resiliency alternatives.
3. Prepare Presentation for BOCC Workshop
4. Conduct presentation for BOCC Workshop

ARTICLE VII COMPENSATION

7.1 PAYMENT SUM

The COUNTY shall pay the CONSULTANT for the CONSULTANT'S performance of this Amendment No. 7 an amount not to exceed Sixteen Thousand Three Hundred Sixty Dollars and Seventy-two Cents ($16,360.72). The total Agreement is not to exceed $2,162,874.97, which includes the lump sum amount and time and materials amount of $1,973,707.79 for Required Services and an amount not to exceed $189,167.18 for Optional Services. The Contract Sum shall not exceed this amount unless amended by formal approval of the Monroe County BOCC. No charges shall be incurred by the County other than products or services that were ordered, provided and agreed upon by the COUNTY.

7.2 PAYMENTS

7.2.1 For its assumption and performances of the duties, obligations and responsibilities set forth herein, the CONSULTANT shall be paid according to the revised **Deliverable Schedule** attached as **Exhibit B-7,** and according to the Florida Local Government Prompt Payment Act, Section 218.70, Florida Statutes. Payments will include time and materials, as indicated in Exhibit B-7. Partial payments of tasks and deliverables shall be allowed for any item over $5,000. The Provider shall submit to the COUNTY an invoice with supporting documentation in a form acceptable to the Clerk. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the Clerk's disbursal of funds. The Sustainability Director will review the request, note her approval on the request and forward it to the Clerk for payment.

7.2.2 Exhibits A-7 and B-7 attached to this Amendment are added to the Agreement.

7.2.3 All other provisions of the AGREEMENT dated the 22nd day of May, 2019 and amended November 17, 2020, April 21, 2021, November 17, 2021, June 15, 2022, October 19, 2022, and June 21, 2023 not inconsistent herewith, shall remain in full force and effect.

IN WITNESS WHEREOF, each party has caused this Agreement to be executed by its duly authorized representative on the day and year first above written.

EXHIBIT A-7

Monroe County Roadway Vulnerability Analysis and Capital Plan

Support Services Extension

Scope of Services

REVISED: October 30, 2023

The following tasks are added through this Amendment. All other tasks from Exhibit A in the original Agreement as well as Exhibits A-1, A-2, A-3, A-4, A-5, A5A/A5B, and A-6 in prior amendments, remain unchanged.

This scope is for the provision of professional services provided by HDR Engineering, Inc. (HDR) for the Monroe County (County) Roadway Vulnerability Analysis and Capital project the implementation framework for the Countywide Roads Vulnerability Analysis and update provision to Board of County Commissioners (BOCC). The roadways maintained by the County were evaluated under this study and a series of Technical Memorandums were produced providing information on the vulnerable and critical roadway areas for County use. An initial implementation framework was provided consistent with Task 4 to be included into the final report.

1. **Task 1: BOCC Workshop Preparation**

    - Establish Coordination with County Resiliency, Engineering, and Planning offices.
    - Develop and assess three roadway resiliency alternatives.
    - Prepare Presentation for BOCC Workshop

    Deliverable: Power Point Presentation for BOCC Workshop.

2. **Task 2: BOCC Workshop Attendance and Documentation**

    Attend the BOCC Workshop. Conduct and lead presentation. Address questions from BOCC and the Public.

    Deliverable: BOCC Workshop Meeting Minutes documenting action items and determinations.

Exhibit B-7

Monroe County Roadway Vulnerability Analysis and Capital Plan

Delivery Schedule

Revised – April 11, 2023

The following tasks with associated delivery schedules are added through this Amendment. All other tasks from Exhibit B in the original Agreement as well as Exhibits B-1, B-2, B-3, B-4, B-5, B-5A/B-5B, and B-6 in prior amendments, remain unchanged.

Required Services

Scope of Work (Deliverables)	**Amount**	**Due Date**
Task 1: BOCC Workshop Preparation. Power Point Presentation for BOCC Workshop.	**NTE: $11,912.20 (Time & Materials)**	**12/12/2023**
Task 2: BOCC Workshop Attendance and Documentation BOCC Workshop Meeting Minutes documenting action items and determinations.	**NTE: $4,448.52 (Time & Materials)**	**12/12/2023**

Re: November 2023 County Attorney Report

Closed Session at the November 8 Meeting

1. Monroe County v. DGW Corp., 23-CA-249-M. Suit for foreclosure, injunctive relief, money judgment, and/or writ of execution to enforce the lien stemming from Code Compliance Case CE20010126.

2. Pirates Cove Property Owners and Boating Ass'n et al. v. Monroe County Planning Comm'n, Daniel Barry Jr. and Archer Barry, 23-CA-365-P. Petition for writ of certiorari, seeking to quash a variance issued by the Planning Commission to the Barrys. Petitioners allege that construction and operation of the Barrys' business (alleged to be a high-intensity, 24-hour gas station/retail store with 11 fueling stations) will cause increased traffic, noise and lights, and petrochemical fumes.

Cases of Interest at Trial Court Level

3. Galleon Bay Corp. v. Monroe County and State of Florida, 02-CA-595-K. Settlement was approved at the October meeting. The agreement will be presented to the Court for approval after signature by the State. Motions for attorneys' fees and costs are still pending but are expected to be denied as moot upon approval of the settlement agreement.

4. Peter & Olivia Poto v. Monroe County/Monroe County v. Jane Gilbert Trust, 22-CA-709-K, quiet title and specific performance action by buyers of a property where seller had sold development rights to one lot and entered into a unity of title as part of the County's Less than Fee program. The County answered and filed a counterclaim against the Potos and a cross-claim against the seller, Jane Gilbert. **Gilbert's motion to dismiss is set for hearing on 11/1/23. Depositions are scheduled for November/December. Plaintiffs' motions to strike the County's demand for a jury trial and affirmative defenses are set for hearing 12/19/23.**

5. Largo 89, LLC & AJC Berna Properties, LLC v. Florida Dep't of Environmental Protection & Monroe County, 23-CA-216-P. Owners of two lots adjacent to the terminus of Kay Drive in Key Largo sued for declaratory relief and nuisance; Plaintiffs seek to compel FDEP to issue a Certificate of Recordable Deed. Plaintiffs' road abandonment petition was denied on 3/16/22 because it would have violated Section 19-1 of the Code by cutting off water access to the public. The County and the State have both filed answers.

6. Roy's Trailer Park v. Noel & Monroe County, 19-CA-175-K. Declaratory Judgment suit filed by Roy's against County as part of its eviction suit against its tenant. County counterclaim against the trailer park and the park residents, seeking an injunction prohibiting occupancy at the park until serious fire and life safety issues have been addressed, appointment of a receiver, and declaratory relief to determine whether the owner or tenants are responsible for the code violations. The park owner submitted an application to the Planning Department to redevelop the park for affordable housing. The Planning Commission hearing was held on 12/14/2022. Next step: public hearing on the owner's application to be presented to the BOCC.

7. Monroe County v. Sugarloaf VFD, Inc. & Sugarloaf Wi-Fi, Inc., 17-CA-631-K. The County sued both SVFD and Wi-Fi to invalidate a lease between SVFD and Wi-Fi on the grounds that SVFD had not approved the lease in an open meeting. The County prevailed and the lease was invalidated. Wi-Fi has a separate suit pending against the SVFD that is holding up the transfer of the property to the County. At Wi-Fi's request, Fortress Secured, LLC submitted a public private partnership (P3) proposal that would serve as the basis for settlement. On 1/18/23, the BOCC approved an interim agreement with Fortress Secured, LLC to design, build and finance a replacement fire station on Sugarloaf Key at the current location of the Sugarloaf Volunteer Fire Department Station #10. A final agreement would resolve all related claims and result in a transfer of the property to the County.

8. Burkhardt v. Monroe County, 22-CA-293-K. Plaintiff filed a Complaint in state court seeking to declare whether Plaintiff has a right to engage in commercial fishing uses on his Big Pine Key property. The complaint also sought to invalidate the Habitat Conservation Plan and Incidental Take Permit issued by USFWS. On 1/17/23, the County filed its answer to the amended complaint.

9. Jay Archbell PA v. Buirley, Monroe County, et al., 23-CA-108-K. The County previously settled its claim against Jay Archbell, PA (the property owner) for a reduced amount of code liens. The property appears to have some owners outside the chain of title. Archbell then filed suit against prior owners Kenneth and Anita Lynn Buirley, the County, and others, to quiet title. The County filed its Answer on 5/30/23. **Plaintiff's motion for summary judgment is scheduled to be heard on 11/15/23.**

10. Maschal et al. v. Monroe County and FKAA, 19-CA-186-K. Suit against Monroe County and FKAA by 12 individuals seeking similar relief to the Delaney lawsuit, which the County won. After several attempts to state a claim, the Circuit court dismissed the case on 4/4/22 when it denied the Plaintiff's motion for reconsideration and granted the County and FKAA's motion for reconsideration, thus denying the Plaintiff's motion to file a supplementary complaint. On 5/3/22, the Plaintiffs appealed to the Third DCA (3d DCA 22-754). On 5/24/23, the Third DCA remanded the case to the Circuit Court with instructions to allow Plaintiffs to file one single amended complaint. Plaintiffs filed their Amended Complaint on 8/17/23. The County and FKAA filed answers on 9/1/23, and also filed a joint Counterclaim for injunctive relief, compelling the property owner plaintiffs to connect to the wastewater system. Plaintiffs answered the Counterclaim on 9/20/23.

Appellate Cases of Interest

11. Shands v. City of Marathon, 3d DCA21-1987. This is a long running takings case involving an off shore island located within the City of Marathon. On 5/3/23, the Third DCA reversed a trial court decision in favor of the City and, in doing so, created a new hybrid species of inverse condemnation claim that, if left unchecked, could have dire consequences for the growth management policies governing the Florida Keys Areas of Critical State Concern. On 6/2/23, the County and the Village of Islamorada filed an amicus brief in support of Marathon's Motion for Rehearing, Rehearing *en banc*, and for Certification to the Florida Supreme Court. The City's motion for rehearing remains pending.

12. Ray Rey & Ramille Rey v. Monroe County, 22-AP-2-P. On 3/1/22, the owners filed a notice of appeal of the Final Order of the Special Magistrate that found them in violation due to improvements to a nonconforming lower enclosure. Briefing is complete. Awaiting a ruling or the scheduling of oral argument.

13. Sunset Garden Estate Land Trust v. Monroe County, 19-CA-460-P, 3D23-1368. Property owner sued claiming that various state laws including the Right to Farm Act, preempt the County's land development regulations. The County filed a counterclaim for declaratory and injunctive relief. On 7/11/23, the Court granted Plaintiffs' motion for summary judgment, denied the County's motion for summary judgment, and entered judgment for the Plaintiffs. The County appealed to the Third DCA. **The County has until 11/6/23 to file its initial brie**f.

Administrative Law Cases

14. 6-7-8 US 1, LLC v. Monroe County Planning Department. On 5/7/21, the property owner filed an appeal to the Planning Commission of the Department's 4/7/21 letter of understanding regarding the attempted use of storage/shipping containers at its Key Largo property. The Department determined that the storage/shipping containers used for commercial storage at the property were not subject to the property owner's conditional use approval or building permit for the parcel; are structures that require a permit and compliance with the Comprehensive Plan, LDC, Chapter 6 of the County Code, the Florida Building Code, local and FEMA flood regulations; and constitute non-residential floor area as defined in the LDC and are subject to NROGO. The owner's appeal of the Department's analysis and conclusions was heard at the Planning Commission's November meeting. The Planning Commission affirmed on a vote of 3-2. **Time for an appeal will start once PC Chair signs resolution memorializing the vote.**

Vacation Rental Cases

15. Coral Hammock Rental, et al. v. Monroe County, 20-AP-11-K; 3D23-0145. 26 property owners appealed from final orders finding properties in violation of vacation rental ordinances and assessing fines of $224,329, plus costs. Sr. Judge James M. Barton II issued an opinion holding the owners are not prohibited from using their attached units in the MU district for vacation rentals, reversing the Final Orders, and instructing that the owners be allowed to apply for a vacation rental permit or exemption. On 1/25/23, the County filed a petition for certiorari review in the Third District. On 9/20/23, the Third DCA issued its opinion denying the County's petition for review of the circuit court's decision.

16. Lachlan, LLC, et. al. v. Monroe County, et. al., 23-CA-104-K. On 2/17/23, the Coral Hammock owners involved in 20-AP-11-K filed a mandamus complaint seeking to compel the Planning Department to process their applications for exemptions to the annual vacation rental permit requirement (the Department informed the owners that the applications would be held in abeyance pending certiorari review in the Third District). On 4/20/23, the County filed its answer to the complaint.

Class Action Lawsuits where Monroe County is a Party

17. Monroe County v. 3M, et al., 22-CA-618-K/2:22-cv-03680-RMG, consolidated into 2:18-mn-02873-RMG: On 9/9/2022, Monroe County filed suit against manufacturers of aqueous film-forming foam (AFFF) containing per- and polyfluoroalkyl substances (PFAS) to recover damages for investigation, remediation, removal, disposal, treatment and monitoring of water and soil created by defendants' products. PFAS had been detected at the Monroe County Fire Training Academy on Grassy Key. On 10/7/22, defendants removed the case to the U.S. District Court for the Southern District of Florida. On 10/26/22, the County's case was transferred and consolidated with other similar cases in the Multi District Litigation (MDL) case pending in the District of South Carolina before Hon. Richard M. Gergel.

Constitutional Officer Cases

18. The Supervisor of Elections, Joyce Griffin, is currently involved in several litigation matters in which she has been previously served and/or has received notice of other cases which have been filed but not yet been served on her. The cases challenge various Florida Statutes regarding election legislation and voter registration. Griffin and other SOEs retained outside counsel, but the County Attorney's office is assisting in the defense of each case. Current pending matters are as follows with the cases being at various stages of litigation:

    A) League of Women Voters of FL v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-00186, USDC/NDFL, 11th Cir. Ct. App. Case No. 22-11143.

    B) Above case consolidated with NAACP of FL v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-00187, USDC/NDFL, 11th Cir. Ct. App. Case No. 22-1114; Florida Rising Together, v. Sec'y of State Lee, Joyce Griffin, et al, 4:21-cv-201, USDC/NDFL, 11th Cir. Ct. App. Case No. 22-11143; and Harriet Tubman Freedom Fighters, et al v. Laurel M. Lee, et al, No. 4:21-cv-00-242-MW-MAF, 11th Cir. Ct. App. 22-11133.

    C) Vote.org v. Byrd, Joyce Griffin, et al, No. 4:23-cv-00111 (N.D. Fla.).

    D) NAACP v. Byrd, Joyce Griffin, et al, No. 23-cv-215 (N. D. Fla.).

    E) Florida Rights Restoration Coalition v. DeSantis, Joyce Griffin, et al., No. 1:23-cv-22688 (S.D. Fla.).

Tort and Employment Law Cases

19. The County Attorney's Office is defending the following other personal injury, property damage and employment law cases not referenced above:

Katzenstein v. Monroe County, 20-CA-177-P	Personal injury

Foreclosure Actions

20. The County Attorney's Office is currently prosecuting a total of 34 cases to foreclose or otherwise enforce on County code compliance liens. The Office is also currently defending 7 mortgage foreclosure cases, where the County holds an interest in the property, usually as a result of an inferior code compliance lien.

Other Matters of Interest

21. **Code Collections**. As the month has not yet finished, code collections for the month of October will be presented in next month's report

22. **Vacation Rental Prosecutions.** Vacation rental prosecutions for the month of October will be presented in next month's report.

Risk Management

23. Risk Management activity and policy renewals for the month of October will be presented in next month's report.

Public Records

24. Public records activity for the month of October will be presented in next month's report.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Craig Cates, District 1
Mayor Pro Tem Holly Merrill Raschein, District 5
Michelle Lincoln, District 2
James K. Scholl, District 3
David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: R2
2023-1703

BULK ITEM: No **DEPARTMENT:** County Attorney

TIME APPROXIMATE: **STAFF CONTACT:** Kelly Dugan

AGENDA ITEM WORDING: Authorization to initiate litigation against MSC INTERNATIONAL REALTY LLC and their property, 62910 Overseas Highway, Conch Key, Florida, to seek compliance with the County Code and enforce the lien(s) arising from code compliance case number CE18020116.

ITEM BACKGROUND:

CE18020116: This property has been the subject of a code compliance case for 1) building permits required for a) mobile office/box trailers/shipping containers (not compliant), b) mobile food truck (compliant), c) wholesale/retail saltwater product sales (not compliant), d) fill/recycled asphalt/boulders (not compliant), e) shade canopy structures (compliant), f) in-filled cement block walls (compliant), g) wood dock (not compliant), h) storage/out buildings (not compliant), i) signage (compliant); 2) prohibited signs (compliant); 3) habitation prohibited (compliant); 4) mandatory sewer connection (not compliant); 5) premises to be cleaned (compliant); 6) commercial solid waste collection (compliant); and 7) failure to obtain inspections – permit #17203622 for fence and wall (compliant). The fines total $113,200.00 as of October 3, 2023 and will continue to accrue at $200.00 per day, until compliance is achieved.

A hearing was scheduled for February 24, 2022 and the property owner signed a Stipulation to code violation and for time to comply for first time offenses on February 14, 2022. On February 24, 2022, the Special Magistrate approved the stipulated agreement with compliance dates of April 5, 2022 and August 30, 2022. The County's lien was recorded on April 13, 2022. A subsequent hearing was held on March 30, 2023 and the property owner was not present. The Special Magistrate found the property remained in violation and granted the County's motion to proceed with collections. The code case remains open for non-compliance and failure to pay outstanding fines and costs.

The Monroe County Property Appraiser lists the Just Market Value as $722,067. The property is not homesteaded and there is no mortgage recorded. There are no pending foreclosure actions at this time.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County's lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and/or writ of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Release the lien.

County staff recommends initiating litigation (option 1) against the property owners for injunction, foreclosure, money judgment and/or writ of execution.

PREVIOUS RELEVANT BOCC ACTION:
Approval of Resolution No. 057-2014 on March 19, 2014 adopting "ATTACHMENT A" as Procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief for non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner

January 18, 2023

Subject: Code Case: CE18020116
Location: 62910 OVERSEAS HWY., CONCH KEY, FL 33050

Dear Property Owners,

This letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on March 30, 2023 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050. **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.** The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location:

Middle Keys: 2798 Overseas Highway, Suite 330
Marathon, FL 33050 (305) 289-2810
Upper Keys: 102050 Overseas Highway
Key Largo, FL 33037 (305) 453-8806

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Monica Rodriguez

NOTICE OF MOTION TO AUTHORIZE FORECLOSURE AND/OR MONEY JUDGMENT PROCEEDINGS & NOTICE OF HEARING

Petitioner, Monroe County, will move the Monroe County Code Compliance Special Magistrate, pursuant to F.S. 162.09(3), to authorize foreclosure and/or money judgment proceedings on the Code Compliance Final Order/Lien in this case, which was recorded in the Official Records of Monroe County on April 13, 2022, Book 3167, Page 820 on the property that was the subject of the code compliance action described as: 62910 OVERSEAS HWY. CONCH KEY, FLORIDA 33050, MONROE COUNTY, RE# 00099000000100, **and** upon any and all other real and/or personal property you own. The current outstanding amount of the County's lien as of January 18, 2023 is $53,101.88 (fines and costs) which continue to accrue and increase until the case is compliant and closed. This motion will be considered on **March 30, 2023** at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050. **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.**

Subject: Code Case: CE18020116
Location: 62910 OVERSEAS HWY., CONCH KEY, FL 33050

Dear Property Owners,

This letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on March 30, 2023 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050. **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.** The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location:

Middle Keys: 2798 Overseas Highway, Suite 330
Marathon, FL 33050 (305) 289-2810
Upper Keys: 102050 Overseas Highway
Key Largo, FL 33037 (305) 453-8806

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

June 28, 2022

Subject: Code Case: CE18020116
Location: 62910 OVERSEAS HWY CONCH KEY, FL 33050

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Our records indicate that the violation(s) remains on your property. Because your property is not in compliance the fines continue to accrue in the amount of $ 100.00 per day until the property comes into compliance. A daily fine of $ 100.00 per day has currently accrued for 82 days for a current total of $ 8200.00. This fine is for charge 21-74.(2)a (commercial solid waste collection required) ONLY.

Additionally, pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). To date, these costs are $ 1101.88 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is $ 9,301.88 and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days may result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Cynthia J McPherson

Subject: Code Case CE18020116
Property Location: 62910 OVERSEAS HWY, CONCH KEY, FL 33050
Real Estate No.: 00099000000100

Dear Property Owner(s),

This letter is to inform you that our records indicate that the violation(s) remain on your property and the fines will continue to run in the amount of $100.00 per day for the charge of 21-74.(2)a until the property comes into compliance. Please note: additional daily fines will begin to accrue in the amount of $300.00 per day on August 30, 2022 if the property remains in violation for the charges of 110-140.(a), 20-51.(a) and 6-103.(d).

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 04/13/22, Book 3167, Page 820. The current amount of the County's lien is $ 1,801.88 (fines and costs) which continue to accrue and increase until the case is compliant and closed.

This lien is a lien on the property that was the subject of the code enforcement action **and** upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to: Monroe County Code Compliance Department; Attention: Nicole Petrick; 2798 Overseas Highway, Suite 330; Marathon, Florida 33050. The County will then provide a Release and Satisfaction of Lien to you.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.

MONROE COUNTY FLORIDA,
Petitioner,

vs.

MSC INTERNATIONAL REALTY LLC
Respondent(s).

Case No.: CE18020116
Subject Property Real Estate Number: 00099000-000100

LIEN / FINAL ORDER

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative **SIGNED A STIPULATION AGREEMENT WITH MONROE COUNTY** were not present via zoom webinar on **February 24, 2022** and **did not** contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth and attached hereto.

(x) The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
(x) The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
( ) ONE-TIME FINE - The violation(s) is found to be irreparable or irreversible and a one-time fine of $ _____ is ORDERED, payable within _____ days of this Order.
(x) COSTS - Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
(x) The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before ***04/05/2022 and 08/30/2022 (see below)** ("**THE COMPLIANCE DATE**").
(x) In the event the violation(s) were or are not corrected on the compliance date previously ordered or on the compliance date set forth herein, fine(s) in the dollar amount:

110-140.(a)	**$ 100.00**	***Compliance Date: 08/30/22**	
142-4	**$ 100.00**	***Compliance Date: 04/05/22**	
17-6.(b)(2)*	**$ 100.00**	***Compliance Date: 04/05/22**	
20-51.(a)	**$ 100.00**	***Compliance Date: 08/30/22**	
21-20.(a)	**$ 100.00**	***Compliance Date: 04/05/22**	
21-74.(2)a	**$ 100.00**	***Compliance Date: 04/05/22**	
6-103.(d)	**$ 100.00**	***Compliance Date: 08/30/22**	**(PER AGREEMENT)**

for each day BEGINNING ON THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

(x) It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

(x) The Respondent(s) **were** in violation of the MONROE COUNTY CODE(S) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before **THE COMPLIANCE DATE** but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines ($_____) to Monroe County Code Compliance within thirty (30) days of this Order.

(x) The Special Magistrate incorporates by reference the allegation(s) in the Notice of Violation/Notice of Hearing (attached hereto) and finds the allegation(s) was/were established by the County's Witness(es), Evidence and/or Exhibits that were introduced and accepted at the hearing.

(x) Other: **STIPULATION AGREEMENT IS ATTACHED HERETO AND INCORPORATED HEREIN.**

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 295-4343 FOR THE LOWER KEYS.

DATED this 28th day of February, 2022.

John G. Van Laningham, Special Magistrate

MONROE COUNTY CODE ENFORCEMENT
SPECIAL MAGISTRATE

Monroe County Code Enforcement
Petitioner

vs. Case Number: CE18020116

MSC International Realty LLC
Respondent(s)

STIPULATION TO CODE VIOLATION AND FOR TIME TO COMPLY FOR FIRST TIME OFFENSES

In the matter of: 62910 Overseas Hwy., Conch Key, FL 33050
RE# 00099000-000100

MSC International Realty LLC (herein after referred to jointly and severally as "Respondent(s)") and Monroe County Code Enforcement ("Petitioner"), by and through the undersigned individuals, hereby agree and stipulate to the following:

1. Respondent(s) agrees that I/we received the Notice of Hearing issued in this case, and that a hearing is scheduled to be heard on February 24, 2022 to determine whether the charges alleged in the Notice of Violation and Notice of Hearing are accurate and supported by substantial evidence ("Hearing").

2. Respondent(s) agrees that the violation(s) exist as alleged in the Notice of Violation which was served in this matter. Respondent(s) understands that he/she could appear at the Hearing and contest any evidence to be submitted by Code

Enforcement. However, by entering into this Stipulation, Respondent(s) understands and agrees that:

(a) He/she need not appear at the Hearing, but instead, stipulates to entry of the finding against Respondent(s); and

(b) Any evidence in the Code Enforcement file will be deemed the record in the case; and

(c) He or she waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.

3. The Respondent(s) understand that the property will be checked for compliance on April 5, 2022 for code sections, 142-4. (Prohibited Signs); 17-6(b)(2) (Recreational Vehicle Habitation Prohibited); 21-20 (a) (Premises to be Cleaned) and 21-74(2) a (Commercial Solid Waste Service Required)

4. The Respondent(s) understand that the property will be checked for compliance on August 30, 2022 for code sections, 110-140 (a) (Permits Required); 20-51 (a) (Mandatory Wastewater Connection Required) and 6-103 (d) (Failure to Obtain Inspections for Permit #17203672).

5. The parties understand that a fine of $700.00 per day that shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3.

6. The Respondent(s) understands that if the Respondent(s) fails to comply within the time given in paragraphs 3 and 4, the fine(s) shall accrue each day the violation(s) remain as follows.

110-140 (a)	$100.00/day
142-4.	$100.00/day
17-6.(b)(2)	$100.00/day
20-51 (a)	$100.00/day
21-20 (a)	$100.00/day
21-74. (2)a	$100.00/day
6-103.(d)	$100.00/day

7. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs shall be imposed as a lien under Section 162.09(2) (d), Florida Statutes, and Monroe County Code section 8-29(b).

8. Respondent(s) specifically agree that this Stipulation Agreement shall be recorded in the public records of the County and shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violation of Monroe County Code 110-140(a); 142-4.;17-6. (b)(2); 20-51 (a); 21-20 (a); 21-74.(2)a; and 6-103 (d) exists. This Stipulation Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

9. Respondent(s) agrees and represents that Respondent(s) entered into this Stipulation of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation, and has done so or has elected to waive this right.

10. The Respondent(s) understand and acknowledge that the sale of the subject property prior to compliance of the property and/or prior to the date specified in paragraphs 3 and 4 will negate the stay of fines and the full amount of accrued fines will be reinstituted.

11. The parties understand and agree that the Respondent(s) may revoke this Stipulation and that such revocation must be done in writing or done in person with Inspector McPherson by the end of business January 28, 2022.

By signing this Stipulation, both parties represent that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

5. SHADE CANOPY STRUCTURES
6. IN-FILLED CEMENT BLOCK WALLS
7. WOOD DOCK
8. STORAGE/OUT BUILDINGS
9. SIGNAGE

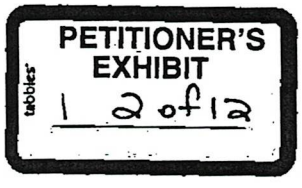
Corrective Action Required:
Contact the Monroe County Building and Planning Department and obtain an after the fact permit or demolition permit.
NOTE: All permit fees and permit requirements are based on the specific scope of work. Additional permits, permit fees, mitigation fees, or restoration of the property to original condition may be required. The minimum fee for an After The Fact permit is $500.00 (five hundred dollars) as per Monroe County Code. All permits will require PASSING FINAL INSPECTIONS.

PETITIONER'S EXHIBIT
1 1 of 12

142-4 - PROHIBITED SIGNS
SIGNANGE OR VEHICULAR PARKING IN A CLEAR SIGHT TRIANGLE AT ANY LOCATION THAT MY INTERFERE WITH OR OBSTRUCT THE VIEW OF AUTHORIZED TAFFIC IS PROHIBITED.

Corrective Action Required:
Contact the Monroe County Planning Department at 305.453.8800 (Key Largo); 305.289.2500 (Marathon or Stock Island) for information and/or permit requirements; or remove.

17-6.(b)(2)* - HABITATION PROHIBITED
ALL VEHICLES/RECREATIONAL VEHICLES PARKED OR STORED ON LOT MAY NOT BE USED FOR HABITATION.



Corrective Action Required:
Cease and desist the habitation of the vehicle(s) described.
Contact the Code Compliance Inspector upon compliance.

20-51.(a) - MANDATORY CONNECTION/SEWER
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER SYSTEM AND/OR DECOMMISSIONING ANY ON-SITE SEWAGE TREATMENT AND DISPOSAL SYSTEM WITHIN 30 DAYS OF NOTICE OF AVAILABILITY OF SERVICES. PERMIT #16206508 FOR SEWER TIE WITH TANK ABANDONMENT REMAINS OPEN WITH NO INSPECTIONS.

Corrective Action Required:
1.CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.

2. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AT 305-289-2501 WITH ANY QUESTIONS REGARDING YOUR PERMIT.

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

Corrective Action Required:
Contact the Monroe County Building Department for permit renewal, inspection, and/or closure requirements.

(✓) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 02/24/2022 at 9:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida. ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.**

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **02/16/2022** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed $1,000 per day per violation for a first violation, $5,000 per day per violation for a repeat violation, and up to $15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, or email directly to Petrick-Nicole@monroecounty-fl.gov, prior to the date of the hearing. You may request a copy of your case file by filing a public records request online: https://monroecountyfl.nextrequest.com. If you are requesting the case file in preparation for your hearing, your request should be submitted no less than ten (10) days prior to your scheduled hearing.

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

Case Number: CE18020116

Re: MSC INTERNATIOANL REALTY LLC
Location: 62910 OVERSEAS HWY., CONCH KEY, FL 33050
Re Number: 00099000000100

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 02/27/2018 and subsequently found the following violation(s) of the Monroe County Code:

110-140.(a) - BUILDING PERMIT REQ/CH 6
PERMITS INCLUDING MINOR/MAJOR USE PERMITS,
APPROVALS AND ALL INSPECTIONS ARE REQUIRED FOR:
1. MOBILE OFFICE/BOX TRAILERS/SHIPPING CONTAINERS
2. MOBILE FOOD TRUCK
3. WHOLESALE/RETAIL SALTWATER PRODUCT SALES
4. FILL/RECYCLED ASPHALT/BOULDERS
5. SHADE CANOPY STRUCTURES
6. IN-FILLED CEMENT BLOCK WALLS
7. WOOD DOCK
8. STORAGE/OUT BUILDINGS
9. SIGNAGE

Corrective Action Required:
Contact the Monroe County Building and Planning Department and obtain an after the fact permit or demolition permit.
NOTE: All permit fees and permit requirements are based on the specific scope of work. Additional permits, permit fees, mitigation fees, or restoration of the property to original condition may be required. The minimum fee for an After The Fact permit is $500.00 (five hundred dollars) as per Monroe County Code. All permits will require PASSING FINAL INSPECTIONS.

REQUEST DETAILS

Description

A concerned citizen reported via telephone that several illegal structures on the property several of which are suspected to be illegal residences. They also reported raw sewage from an RV style camper and the illegal structures being leaked onto the ground and into the water. A reported food truck is also suspected to be unlicensed and selling food on the weekends. I advised the citizen I would forward the complaint to code enforcement.

Please notify the following agencies instead of using this eComplaint Form if reporting:>

- For complaints regarding CONTRACTORS please use the Contractor/Unlicensed Contractor Complaint eForm by clicking HERE instead, or you may contact the investigator directly at 305-289-2516 or by email.

- In-progress Illegal Dumping, Vandalism and/or Trespassing, please call the Sheriff's office: 911

LaChelle, I was sent these pictures by the complainant on Conch Key. I am not even sure if there is a violation. They did request I send these to code enforcement on their behalf. When you get a chance could you please forward them to code compliance Sr. Director Cynthia McPhearson. Thanks in advance.

By extending this certificate or the certificate number to a selling dealer to make eligible purchases of taxable property or services exempt from sales tax and discretionary sales surtax, the person or business named above certifies that the taxable property or services purchased or rented will be resold or re-rented for one or more of the following purposes:

- Resale as tangible personal property
- Re-rental as tangible personal property
- Resale of services
- Re-rental as commercial real property
- Incorporation into tangible personal property being repaired
- Re-rental as transient rental property
- Incorporation as a material, ingredient, or component part of tangible personal property that is being produced for sale by manufacturing, compounding, or processing

Florida law provides for criminal and civil penalties for fraudulent use of a Florida Annual Resale Certificate.

HELP US TO HELP YOU!

Please note: Florida has a very broad public records law. Most written communications to or from the County regarding County business are public record, available to the public and media upon request. Your email communication may be subject to public disclosure.

Description of Alleged Violation: Commercial Activity:

1. **<u>Operating Conch Key Fisheries.</u>**

The parcel, RE# 00099000-000100, 62910 Overseas Hwy., Conch Key, is located in the Commercial Fishing Special District 16.

Pursuant to Land Development Code (LDC) Section 101-1 Definitions:

> *Commercial fishing use* means the catching, landing, processing and/or packaging of seafood for commercial purposes; the storage, mooring and docking of commercial fishing vessels; and/or the manufacture, assembly, repair, maintenance and storage of traps and other commercial fishing equipment; and the term includes charter boat uses and sport diving uses.

Pursuant to LDC Section 130-32

> **Sec. 130-32. Purpose of the Commercial Fishing Special District (CFSD).**
>
> The purpose of the CFSD district is to establish areas where various aspects of commercial fishing have been traditionally carried out while prohibiting the establishment of additional commercial fishing uses that are inconsistent with the natural environment, immediate vicinity or community character of the area. Each individual sub-district has unique characteristics relating to the fishing and maritime industry of that particular location.

Permitted and Conditional Uses can be found in LDC Section 130-77 Commercial Fishing Area district (CFA). In addition, LDC Section 130-77(d) includes special provisions for Commercial Fishing Area District:

> (d) In order to provide for the special needs of the commercial fishing industry, while ensuring general compliance with plan requirements and maintaining good environmental quality and community character, the Commercial Fishing Area district is given the following special considerations:
>
> (1) The Commercial Fishing Area district, under minor conditional use, may vary the requirements of the district;
> (2) Temporary uses specifically involving trap construction, maintenance and repair are hereby exempted from maximum FAR and minimum open space requirements;
> (3) Sanitary toilet facilities may be provided by using approved portable units;
> (4) Non-shoreline and shoreline setbacks may be varied by the Planning Director upon a written recommendation by the County Biologist that stormwater runoff can be appropriately controlled due to the provisions of new gutters, berms or similar devices;
> (5) The vegetated bufferyard requirements may be varied to include fences or natural vegetation except when abutting residential districts;
> (6) Lighting requirements may be reduced or waived where the Planning Director and County Biologist agree that light intrusion, either to adjoining properties or waterfront areas, will have no adverse effect on community character or habitat; and
> (7) Except for commercial retail and wholesale operations, parking requirements may be met by the provision of one parking or loading space for each individual lot of 6,000 square feet or less. Larger lots or parcels shall proportionately meet this same requirement.

PETITIONER'S EXHIBIT
tabbies
6 4 of 6
2037

Permitted and Conditional Uses specific to CFSC 16 can be found in LDC Section 130-79. The permitted as of right uses in CSFD 16 are:

(j) CFSD 16 (located on Conch Key):

(1) The following uses are permitted as of right in Commercial Fishing Special District 16:

a. Commercial fishing;
b. Accessory uses;
c. Mobile homes;
d. Detached dwellings;
e. Vacation rental use if a special vacation rental permit is obtained in accordance with section 134-1.
f. Collocations on existing antenna supporting structures, pursuant to section 146-5(c);
g. Satellite earth stations less than two meters in diameter, as accessory uses, pursuant to section 146-5(f);
h. Home occupations – special use permit required; commercial fishing does not require a special use permit; and

i. Wastewater nutrient reduction cluster systems that serve less than ten residences.

As memorialized in a Letter of Understanding (File 2015-228): "according to the County's Marine Facilities Database, the property is recognized as commercial fishing."

Summary of Item 1. Operating Conch Key Fisheries:

- **Commercial fishing use is consistent with the permitted uses in Commercial Fishing Area Districts (CFA). Specifically, this parcel is located in Commercial Fishing Special District 16 (CFSD 16) in which commercial fishing is a permitted use.**

2. <u>Placement of fill/recycled asphalt and boulders.</u>

Summary of Item 2. Placement of fill/recycled asphalt and boulders.

- **No specific permit history found for placement of fill. The material may be related to work under permit 17203622 for fence. Fence permits are reviewed and inspected by County Biologist. A County Biologist may have comments regarding the alleged activity.**

3. <u>Placement of mobile offices/box trailers.</u>

Pursuant to LDC Section 101-1, Definitions:
Structure means anything constructed, installed or portable, the use of which requires a location on a parcel of land.. The term includes, but is not limited to, buildings, roads, walkways of impervious materials, paths, fences, swimming pools, sport courts, poles, transmission lines, signs, cisterns, sewage treatment plants, sheds, docks, and other accessory construction.

Summary of Item 3. Placement of mobile offices/box trailers.

- **Structures such as pre-fabricated/manufactured offices would require a permit. Other cargo containers and non- road ready vehicles (refer to Florida Statutes 320.01) could be interpreted to be a structure. A structure would require a permit. Structures with habitable floor area would be subject to NROGO pursuant to LDC Chapter 138. See also Monroe County Code Section 17-2 - In–operative vehicles and watercraft.**

4. **Outdoor storage**

Pursuant to Land Development Code (LDC) Section 101-1 Definitions:

> *Commercial fishing use* means the catching, landing, processing and/or packaging of seafood for commercial purposes; the storage, mooring and docking of commercial fishing vessels; and/or the manufacture, assembly, repair, maintenance and storage of traps and other commercial fishing equipment; and the term includes charter boat uses and sport diving uses.

Summary of Item 4. Outdoor Storage

- **Storage of traps and other commercial fishing equipment is included in the definition of commercial fishing use.**

Dear Mr. Ho:

Pursuant to Section 110-3 of the Monroe County Land Development Code (the "Code"), this document shall constitute a Letter of Understanding (LOU) following your request for a Pre-Application Conference with Planning and Environmental Resources staff. The purpose of a Pre-Application Conference is to acquaint the participants with the requirements of the County Code, applicable comprehensive plan policies and the views and concerns of the County. The substance of the Pre-Application Conference held on February 9, 2016 is recorded in this LOU, which sets forth the subjects discussed at the conference and the County's position in regard to the subject matters discussed.

In attendance at the pre-application conference were:
- Jason Ho and Wanto Ho, Applicants
- Dick Hopkins, Contractor
- Kevin Bond, Planning and Development Review Manager
- Mike Roberts, Senior Administrator of Environmental Resources
- Devin Rains, Senior Planner
- Janene Sclafani, Planner

Materials submitted for review included:
- Written project description and questions
- Appraiser's Property Record Card

I. APPLICANT PROPOSAL

The Applicant proposes to develop a two-story, 10,000 square foot building to serve commercial fishing-related uses including fish processing and packaging, retail and wholesale seafood sales, storage, offices and potentially a residential unit for the business owner. A future phase may include new docks, a fuel station and charter boats.

Subject Property with Land Use (Zoning) Districts Overlaid (Aerial dated 2015)

II. SUBJECT PROPERTY DESCRIPTION

1. The subject property is located adjacent to Overseas Highway (U.S. 1) on Conch Key, near U.S. 1 Mile Marker 63 on the ocean side. The property's street address is 62910 Overseas Highway and is located adjacent to Corel Key Village.

2. The subject property consists of a portion of Section 14, Township 65 South, Range 34 East, part of the Conch Key subdivision as recorded in Plat Book 3, Page 120, Part of Tract B, Part of State Route 5 and Bay Bottom Adjacent to Tract B (a/k/a Part of Parcels A & B), with Real Estate Number 00099000-000100 and Alternate Key 8906251.

3. A boundary survey of the property was not submitted. According to the Monroe County Property Appraiser's Record Card, the property consists of 23,087 square feet (0.53 acres) of gross land area and 16,988 square feet (0.39 acres) of submerged land. Staff calculations included in this letter are based on the aforementioned gross land area.

   Please note that a sealed boundary survey, providing the exact amount of upland land situated above mean high water, is required at the time of development application submittal for new development affecting open space or land use intensity. This survey shall show mean high water lines drawn in accordance with Florida Statutes, and a wetland delineation indicating the transition between wetlands and uplands as approved by the County Biologist. If the amount of upland provided on the sealed boundary survey differs, then calculations provided in this letter are subject to change.

PETITIONER'S EXHIBIT
tabbies
7 2 of 20

III. RELEVANT PRIOR COUNTY ACTIONS

1. In 1985, Permit # B11343 was issued to coat a mobile home roof for waterproofing. According to the Property Record Card, a mobile home is still located on the property.
2. In 2002, Permit # 02200231 was issued to install a water line.
3. In 2009, Permit # 09200541 was issued for a 4'x4' real estate sign.
4. In 2014, Permit # 14205736 was issued to replace electric service.

IV. REVIEW

The following land development regulations directly affect the proposal; however, please note that there may be other regulations not referred to nor described in this LOU, which may govern the proposed development.

1. The subject property is located within the Commercial Fishing Special (CFS) Land Use (Zoning) District and within the Mixed Use/Commercial Fishing (MCF) Future Land Use Map (FLUM) Category. The property is part of CFSD 16 located at Conch Key.
2. The subject property is within an area designated Tier III (infill area) on the Tier Overlay District Map.
3. According to the County's Marine Facilities Database, the property is recognized as commercial fishing.
4. The proposed development would need to be consistent with the purpose of the MCF FLUM Category, and all other applicable goals, objectives and policies of the Monroe County Comprehensive Plan. Pursuant to Comprehensive Plan Policy 101.4.6:

   > "The principal purpose of the Mixed Use/Commercial Fishing land use category is to provide for the maintenance and enhancement of commercial fishing and related traditional uses such as retail, storage, and repair and maintenance which support the commercial fishing industry. Residential uses are also permitted. In order to protect environmentally sensitive lands, the following development controls shall apply to all hammocks, pinelands, and disturbed wetlands within this land use category:
   >
   > 1. only low intensity commercial uses shall be allowed
   > 2. a maximum floor area ratio of 0.10 shall apply; and
   > 3. maximum net residential density shall be zero. [9J-5.006(3)(c)1 and 7]"

   The subject property does not contain any hammocks, pineland or disturbed wetlands.

5. The proposed development would need to be consistent with the purpose of the CFS Land Use District. Pursuant to Code Section 130-30, "The purpose of the CFS district is to establish areas where various aspects of commercial fishing have been traditionally carried out while prohibiting the establishment of additional commercial fishing uses that are inconsistent with the natural environment, immediate vicinity or community character of the area."
6. The proposed uses are permitted as follows within the CFSD 16 Land Use District, pursuant to Code Section 130-79(12). CFA District regulations also apply per Code Section 130-77.
   - Commercial fishing uses are permitted as-of-right

PETITIONER'S EXHIBIT
tabbies
7 3 of 20
2042

- Mobile homes are permitted in addition to detached dwellings as a matter of right.
- Attached dwellings are permitted, provided that the total floor area of residential uses in a commercial fishing area district (CFA) does not exceed 25% of the land area in the commercial fishing area district (CFA).
- Commercial retail uses, low- and medium-intensity, are permitted provided that the goods and services are related to or supportive of the commercial fishing industry.
- Light industrial uses, including marine repair services, are permitted provided that such uses are intended to serve the needs of the commercial fishing industry.
- Marinas and boat chartering are permitted as Major Conditional Uses provided that criteria in Code Section 130-77(f)(1) are met.

Furthermore, in order to provide for the special needs of the commercial fishing industry, all commercial fishing areas and villages are given the special considerations listed in Code Section 130-77(c). All commercial fishing districts, with a Minor Conditional Use application, may request to vary the requirements of that district. The purpose of this flexibility is to ensure general compliance with plan requirements while maintaining good environmental quality and community character.

Uses permitted as-of-right may commence after obtaining any and all required building permits, ROGO and NROGO allocation awards and Certificate of Occupancy or Completion. Uses permitted as minor or major conditional uses would also need to apply for and obtain approval of a Minor or Major Conditional Use Permit. The Conditional Use application forms are available on the County website at www.monroecounty-fl.gov/index.aspx?nid=189.

7. The following words, terms and phrases are defined in Code Section 101-1, relevant to the proposed uses:

   Commercial fishing means the catching, landing, processing or packaging of seafood for commercial purposes, including the mooring and docking of boats and/or the storage of traps and other fishing equipment and charter boat uses and spo[r]t diving uses.

   Marina means a facility for the storage (wet and dry), launching and mooring of boats together with accessory retail and service uses, including restaurants and live-aboards, charter boat and sport diving uses, except where prohibited, but not including docks accessory to a land-based dwelling unit limited to the use of owners or occupants of the dwelling unit.

   Light industrial use means an industrial use that is not a heavy industrial use. See "Industrial use."

   Industrial use means a use devoted to the manufacture, warehousing, assembly, packaging, processing, fabrication, storage or distribution of goods and materials whether new or used or the substantial refinishing, repair and/or rebuilding of vehicles or boats.

8. The proposed owner's living quarters would be subject to the County's Residential Rate of Growth Ordinance (ROGO). Pursuant to Code Section 138-21, the Residential ROGO shall apply to all residential dwelling units for which a building permit is required by the Land Development Code and for which building permits have not been issued prior to July 13, 1992, except as otherwise provided in the Code. A Residential ROGO allocation award shall be required prior to the issuance of a building permit for the proposed owner's living quarters. Alternatively, it may be possible to redevelop the existing mobile home into the proposed owner's living quarters if the mobile home can be recognized as a lawfully established residential unit prior to July 13, 1992. If this option is desired, Staff recommends submitting a request for a ROGO Exemption Letter.

PETITIONER'S EXHIBIT 7 4 of 20 tabbies

9. The proposed new commercial fishing building would be subject to the County's Nonresidential ROGO (NROGO). Pursuant to Code Section 138-49, the NROGO shall apply to the development of all new and expanded nonresidential floor area, except as exempted by Code Section 138-50, for which buildings permit or other final development approval is required. A NROGO allocation award shall be required prior to the issuance of a building permit for the proposed retail, office or light industrial buildings. Additionally, permits for any accessory uses or structures cannot be issued prior to issuance of the permit for a principal use.

10. The proposed owner's living quarters would be subject to the maximum residential density within the CFSD 16 Land Use District pursuant to Code Section 130-157. The maximum residential density of the subject property would be in accordance with the following table:

Land Use District	*Allocated Density (DU/Acre)*	*Allocated Density Maximum DUs*	*DUs Proposed*	*% Development Potential Used*
Commercial fishing	3.0	1.59	1	62.9%

Code Section 101-1 defines *density* or *allocated density* as the number of dwelling units or rooms allocated per gross acre of land.

Alternatively, if the residential units are affordable or employee housing, then the Maximum Net Density bonus within the CSFD 16 Land Use District may be utilized. Additionally, the existing or proposed affordable or employee housing units would not affect the maximum amount of nonresidential floor area that may be lawfully developed on the property, as would be required for market-rate housing. The maximum net density for affordable or employee housing on the subject property would be in accordance with the following table:

Land Use District	*Maximum Net Density (DU/Buildable Acre)*	*Max Net Density Maximum DUs*	*DUs Proposed*	*% Development Potential Used*
Commercial fishing	12.0	5.09	1	19.6%

Code Section 101-1 defines *maximum net density* as the maximum density permitted to be developed per unit of land on the net buildable area of a site, as measured in dwelling units or rooms per acre. *Net buildable area* means that portion of a parcel of land that is developable and is not open space required by Code Section 130-157 or required minimum bufferyard under Code Chapter 114, Article V or required setbacks under Code Section 130-186.

Therefore, one (1) market-rate dwelling unit may be developed on the property, but would affect the maximum amount of nonresidential floor area that may be developed. Alternatively, up to five (5) affordable or employee housing units may be developed on the property, and would not affect the maximum amount of nonresidential floor area that may be developed.

11. The proposed 10,000-square-foot nonresidential commercial fishing building would be subject to the maximum nonresidential land use intensities within the CFSD 16 Land Use District pursuant to Code Section 130-164. The maximum nonresidential intensity of the subject property would be in accordance with the following table:

Land Use District	*Maximum Floor Area Ratio*	*Max Floor Area SF*	*SF Proposed*	*% Max FAR Used*
Commercial fishing special districts (all):				
Commercial retail:				
Low intensity	0.35	8,080	10,000	123.8%
Medium intensity	0.25	5,772	10,000	173.3%
Commercial fishing	0.40	9,235	10,000	108.3%
Light industry	0.30	6,926	10,000	144.4%

As the table above shows, it would *not* be possible to develop the entire proposed 10,000 square feet of total nonresidential floor area. At the 0.40 maximum FAR for commercial fishing uses, up to 9,235 square feet of nonresidential floor area could be developed. This number may be further reduced depending on the nature of the proposed development, which is explained further below.

Code Section 101-1 provides the following relevant definitions:

> *Floor area* means the sum of the gross horizontal areas of each story of the principal building, measured from the exterior walls or from the centerline of party walls, including the floor area of accessory uses and of accessory buildings and structures.
>
> *Floor area ratio* means the total floor area of the building on a lot divided by the gross area of the lot or site.

12. The maximum amount of nonresidential floor area may be further reduced depending on the amount of existing or proposed residential dwelling units, and whether the residential dwelling units are proposed as affordable or employee housing or as market-rate housing. This is because, pursuant to Code Section 130-156, the maximum residential density and nonresidential intensity (floor area ratio, or FAR) provisions are intended to be applied cumulatively so that no development shall exceed the total density limits of Code Chapter 130, Article V.

    Residential dwellings can be developed as market-rate housing or as affordable or employee housing. If developed as affordable or employee housing, then the residential dwellings would be eligible for the incentives outlined in Code Section 130-161. One incentive, pursuant to Code Section 130-161(a)(5), is that when calculating density, any proposed affordable or employee housing on a parcel and the floor area thereof shall be excluded from the calculation of the total gross nonresidential floor area development that may be lawfully established on the parcel, provided, however, that the total residential density allowed on the site shall not exceed the maximum net density for affordable and employee housing. *What this means for the proposed development on the subject property is that if the residential dwellings are developed as affordable or employee housing (instead of market-rate housing), then the amount of residential units would not affect or reduce the maximum amount of nonresidential floor area that could be built.*

    The following table attempts to provide a demonstration of the effect the number of residential dwellings developed as market-rate housing would having on the amount of nonresidential floor area allowed on the property, compared to the amount of nonresidential floor area allowed under the affordable housing incentive mentioned above.

PETITIONER'S EXHIBIT 7 6 of 20 tabbies

RESIDENTIAL DENSITY (3 DUs/acre x 0.53 acres = Max 1.59 DUs)				*NONRESIDENTIAL INTENSITY (0.4 FAR [1] x 23,087 SF = 9,234.8 SF)*
SC Land Use District *Uses*	*# DUs Proposed*	*% Dev Potential Used*	*% Dev Potential Remaining*	*SF Remaining after DUs*
If residential dwellings developed as market-rate units:	2	126% (exceeds max)	0%	0
	1	63%	37%	3,426.7
	0	0%	100%	9,234.8
If residential dwellings developed as affordable/employee housing units:	5	0%	100%	9,234.8
	4	0%	100%	9,234.8
	3	0%	100%	9,234.8
	2	0%	100%	9,234.8
	1	0%	100%	9,234.8
	0	0%	100%	9,234.8

[1] *Assumes all nonresidential uses would be commercial fishing. Other FARs apply based on proposed uses.*

13. Pursuant to Code Section 130-157, the minimum open space ratio for the proposed uses within the CFSD 16 Land Use District is 0.2 or 20%. Pursuant to Code Section 101-1, *open space* means that portion of any parcel or area of land or water that is required to be maintained such that the area within its boundaries is open and unobstructed from the ground to the sky. *Open space ratio (OSR)* means the percentage of the total gross area of a parcel that is open space.

Land Use District	*Minimum OSR*	*Size of Site*	*Minimum Open Space Required*
Suburban Commercial (SC)	0.2	23,087 SF	4,617 SF

14. Pursuant to Code Section 130-186, the required non-shoreline setbacks within the CFSD 16 Land Use District are:

Land Use District/ Land Use	*Primary Front Yard (ft.)*	*Secondary Front Yard (ft.)*	*Primary Side Yard (ft.)*	*Secondary Side Yard (ft.)*	*Rear Yard (ft.)*
Commercial Fishing Area (CFA), Commercial Fishing Special District (CFSD), And Commercial Fishing Village (CFV)	25	15	10	5	20

The required non-shoreline setbacks would apply to the subject property as follows:

- 25-foot primary front yard setback along Overseas Highway to the north or west.
- 15-foot secondary front yard setbacks along Overseas Highway to the west or north
- 5-foot secondary side yard setback along the remaining interior property line to the south
- No primary side yard or rear yard setbacks would apply.

Pursuant to Code Section 101-1, *setback* means the area between a building or structure and the property line of the parcel of land on which the building or structure is located, unoccupied and unobstructed from the ground upward, except for fences or other development permitted in the area as provided for in this

Land Development Code. In measuring a setback, the horizontal distance between the property line and the furthermost projection of the building or structure shall be used. Further, the setback shall be measured at a right angle (90 degrees) from the property line.

15. Code Section 130-189 allows certain accessory structures to be located within required setbacks as follows. See Code Sections 130-189(c)(3), 130-189(d)(3) and 130-189(e)(1) for full requirements. The table assumes the primary front yard would be along Overseas Highway to the west, and the secondary front yard would be along Overseas Highway to the north.

Yard	*Length (feet)*	*Minimum Setback*	*Accessory structures allowed*	*Max % of yard*	*Max SF of yard*
Primary Front	192	25	Driveways, walkways	0.6	2,880
Secondary Front	242	15	Driveways, walkways	0.6	2,178
Primary Side	N/A	10	Driveways, walkways, patios, decks (residential only)	0.8	N/A
Secondary Side	70	5	Driveways, walkways, patios, decks (residential only)	0.8	280
Rear	N/A	10	Structures up to 18 inches or 12 feet in height (residential only)	0.6	N/A

16. The shorelines adjacent to the canal are subject to the shoreline setback requirements in Code Section 118-12. The shoreline adjacent to the canal is a lawfully altered shoreline adjacent to a manmade canal and basin. Per Code Section 118-12(b)(1), along lawfully altered shorelines including manmade canals, channels, and basins, principal structures shall be set back at least 20 feet as measured from the mean high water (MHW) line.

    Per Code Section 118-12(c)(1), along altered shorelines, including manmade canals, channels, and basins, accessory structures within the shoreline setback shall be constructed at a foundation height not to exceed 18 inches above existing grade; in no event shall the total, combined area of all structures occupy more than 60% of the upland area of the shoreline setback; and pools, spas, and any screen structures over pools or spas shall be set back a minimum of ten feet, as measured from the mean high water (MHW) line.

    Pursuant to Code Section 130-77(c)(3), required setbacks may be varied by the Planning Director upon a written recommendation by the Environmental Resources Coordinator that stormwater runoff can be appropriately controlled due to the provisions of new gutters, berms or similar devices; shoreline setbacks may also be varied.

    Per Code Section 118-12(f), no enclosed structures, other than a dock box of five feet or less in height, shall be allowed within the shoreline setback. Nonenclosed gazebos must be detached from any principal structure on the parcel. No decks or habitable spaces shall be constructed on the roof of any nonenclosed gazebo. Any gazebo within the shoreline setback shall not exceed 200 square feet in area and the highest portion of the roof shall be no more than 12 feet above grade.

17. The proposed development would be subject to the required number of off-street parking spaces pursuant to Code Section 114-67(c) and 130-77(c)(6). The following is the number of parking spaces to be provided for each proposed use:

Specific Use Category	*Minimum Required Number of Parking Spaces*	*Proposed Uses*	*Required Spaces*
Commercial fishing	1 space per 6,000 SF of land area	23,087 SF	3.85
Retail and wholesale operations	3 spaces per 1,000 sq. ft. of nonresidential floor area within the building	Not stated	Depends on amount proposed
Single-family dwelling units, including mobile homes	2 spaces per dwelling unit or mobile home	1 unit	2
Multifamily residential	2 spaces per each 1 or 2-bedroom unit; 3 spaces per each 3+ bedroom unit	Not stated	Depends on amount proposed
Marinas and commercial fishing facilities	1 space per berth plus 1 space per 4 dry storage racks	Not stated	Depends on amount proposed

The total number of required parking spaces would depend on the proposed mix of uses. The commercial fishing use alone would require at least four (4) parking spaces. Pursuant to Code Section 114-67(a), every use shall be provided with off-street parking in accordance with the standards contained in Code Chapter 114, Article III. Every parking space, both required and unrequired, shall meet the minimum standards of this article.

Design and dimensional requirements of parking spaces and aisles are set forth in Code Section 114-67(b). Standard parking spaces are 8.5 feet in width and 18 feet in length.

18. A Class E major street buffer (minimum of 30 feet in width) is required along the northern property line adjacent to the Overseas Highway right of way, pursuant to Code Section 114-127.

    A landscape plan was not provided; therefore compliance could not be determined. A detailed landscape plan including specific material and location to be planted will need to be submitted at the time of a development application.

19. Maintenance dredging of the canal is subject to the requirements and conditions of Code Section 118-10(4)c. Dredging. The following restrictions shall apply to dredging activities:

    1. No new dredging shall be allowed in the county except as specified for boat ramps in section 118-12(1) (shoreline setback, boat ramps).
    2. No maintenance dredging shall be permitted within areas vegetated with seagrass beds or characterized by hard bottom communities except for maintenance dredging in public navigation channels.
    3. In order to facilitate establishment and prevent degradation of bottom vegetation, maintenance dredging in artificial waterways shall not exceed depths greater than six feet at mean low water (MLW). This restriction does not apply to the entrance channels into Key West Harbor and Safe Harbor.
    4. All dredged spoil materials shall be placed on permitted upland sites designed and located to prevent runoff of spoil material into wetlands or surface waters.
    5. All dredge activities require approvals by the Florida Department of Environmental Protection and the U.S. Army Corps of Engineers prior to issuance of a County Notice to Proceed.

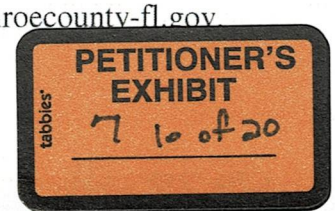
20. Development of the site would be subject to review under the Permit Referral Process, pursuant to Code Section 122-8, for compliance with FEMA and USFWS requi[illegible] Species Act).

PETITIONER'S EXHIBIT 7 9 of 20
tabbies

Specifically, the parcel lies within the Species Focus Area for the Eastern Indigo Snake. Non-residential development of the site is not likely to adversely affect the subject species.

21. All applications for a County building permit will be required to contain a stormwater management plan prepared in accordance with Code Section 114-3(h). It is the responsibility of the applicant to include in the stormwater management plan for the development sufficient information for the Planning Director to evaluate the environmental and stormwater discharge characteristics of the affected areas, the potential and predicted impacts of the proposed activity on community waters, and the effectiveness and acceptability of those measures proposed by the applicant for reducing adverse impacts. The stormwater management plan shall contain maps, charts, graphs, tables, photographs, narrative descriptions, calculations, explanations, and citations to supporting references, and any additional information deemed necessary by the Planning Director. The stormwater management plan must be sealed by an engineer registered in the state with experience in stormwater management and drainage design.

    A stormwater management plan was not provided for review.



22. No structure or building shall be developed that exceeds a maximum height of 35 feet, pursuant to Code Section 130-187. Height is measured from existing pre-development grade. According to County GIS data, the property's elevations vary between sea level and four (4) feet above sea level. A survey with spot elevations or an elevation certificate would be required with submittal of a development application in order to verify existing grade of the subject property, for purposes of measuring building height. Per Code Section 101-1:

    > *Height* means the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna, flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in Code Chapter 146. However, in no event shall any of the exclusions enumerated in this section be construed to permit any habitable or usable space to exceed the applicable height limitations.
    >
    > *Grade* means the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher. To confirm the natural elevation of the ground surface, the county shall utilize the Light Detection and Ranging (LiDAR) dataset for Monroe County prepared in 2007. In the event 2007 LiDAR data is not available for a given parcel, the county shall use the best available data, including, but not limited to, pre-construction boundary surveys with elevations, pre-construction topographic surveys, elevation certificates and/or other optical remote sensing data.

23. No building permit shall be issued by the County for impact-producing development unless the applicant has paid the applicable impact fees in accordance with Code Chapter 126. Therefore, the proposed development would be subject to impact fees accordingly.

V. OTHER ISSUES CONCERNING THE PROPOSAL

1. The property is located within the AE-10, VE-11 and VE-13 flood zones. All new structures must be built to current floodplain management standards. For further information, please contact Mary Wingate, Senior Floodplain Coordinator, at 305-289-2866 or Wingate-Mary@monroecounty-fl.gov

2. The subject property is located adjacent to U.S. 1 (a state highway) along the north and west, and a private roadway to the southwest. The County's access (driveway) standards are set forth in Chapter 114, Article VII of the Land Development Code. There is an existing curb cut along the U.S. 1 side of the property, but both Code Sections 114-195 and 130-93 would require the property to have direct access to U.S. 1 by way of a curb cut that is spaced at least 400 feet from any other curb cut that meets FDOT's access standards or an existing street on the same side of U.S. 1. This 400-foot requirement would have to be met if a substantial improvement or change of use is made to the property, pursuant to Code Section 102-59. Staff recommends coordinating with FDOT to confirm that the existing driveway to U.S. 1 is recognized by FDOT.

3. A traffic study would be required, pursuant to Code Section 114-200, if the proposed development would generate 250 or more trips per day. To determine what level of traffic study would be required, an estimate of the number of trips per day of all the existing and proposed uses on the property should be submitted for review by the County's transportation planner. If required, the traffic study would need to be submitted as part of a development application.

4. Prior to the issuance of any building permit, if such review is required, all proposed development shall be found in compliance by the Monroe County Building Department and the Monroe County Office of the Fire Marshal. Staff recommends that the Applicant coordinate with these offices prior to application submittal. The Planning and Environmental Resources Department does not review for compliance with the Florida Building Code.

* * * * * * *

Pursuant to Code Section 110-3, you are entitled to rely upon the representations set forth in this letter as accurate under the regulations currently in effect. This letter does not provide any vesting to existing requirements and regulations. If the Monroe County Code or Comprehensive Plan is amended, the development would be required to be consistent with all regulations and policies at the time of development approval. The Department acknowledges that all items required as a part of the application for development approval may not have been addressed, and consequently reserves the right for additional comment.

You may appeal any decision, determination or interpretation made in this letter pursuant to Monroe County Code Section 102-185. A notice of appeal must be filed with the County Administrator, 1100 Simonton Street, Gato Building, Key West, Florida 33040, within 30 calendar days from the date of this letter. In addition, please submit a copy of your notice of appeal to the Planning Commission Coordinator, Monroe County Planning and Environmental Resources Department, 2798 Overseas Highway, Suite 410, Marathon, Florida 33050.

We trust that this information is of assistance. If you have any questions regarding the contents of this letter, or if we may further assist you with your project, please feel free to contact our Marathon office at (305) 289-2500.

Sincerely yours,

Mayté Santamaria
Senior Director Planning and Environmental Resources

Cc: Kevin Bond, AICP, Planning and Development Review Manager
Mike Roberts, Senior Administrator of Environmental Resources
Matt Coyle, AICP, Principal Planner

Attachments: Code Section 130-79(12) – CFSD 16 Land Use District
Code Section 130-77 – Commercial Fishing Area (CFS) Land Use District
Historic photos

(12) CFSD 16 (located at Conch Key):

a. CFA regulations apply per section 130-77.

b. Mobile homes permitted in addition to detached dwellings as a matter of right.

c. Vacation rental use if a special vacation rental permit is obtained in accordance with section 134-1.

d. As of right uses:

1. Collocations on existing antenna supporting structures, pursuant to section 146-5(3);

2. Satellite earth stations less than two meters in diameter, as accessory uses, pursuant to section 146-5(6); and

3. Home occupations special use permit required; commercial fishing does not require a special use permit.

e. Minor conditional uses: satellite earth stations greater than or equal to two meters in diameter, as accessory uses, pursuant to section 146-5(6).

Sec. 130-77. - Commercial fishing area district (CFA).

(a) In order to provide for the special needs of the commercial fishing industry, all commercial fishing areas and villages are given the special considerations listed in subsection (c) of this section.

(b) All commercial fishing districts under minor conditional use may vary the requirements of that district.

(c) The purpose of this flexibility is to ensure general compliance with plan requirements while maintaining good environmental quality and community character.

(1) Temporary uses specifically involving trap construction, maintenance and repair are hereby exempted from FAR and OSR requirements.

(2) Sanitary toilet facilities may be provided by using approved, portable units.

(3) Setbacks may be varied by the planning director upon a written recommendation by the environmental resources coordinator that stormwater runoff can be appropriately controlled due to the provisions of new gutters, berms or similar devices; shoreline setbacks may also be varied.

(4) The vegetated bufferyards requirements may be varied to include fences or natural vegetation except when abutting residential districts.

(5) Lighting requirements may be reduced or waived where the planning director and environmental resources coordinator agree that light intrusion, either to adjoining properties or waterfront areas, will have no adverse community character or habitat impacts.

(6) Except for retail and wholesale operations, parking requirements may be met by the provision of one parking or loading space for each individual lot of 6,000 square feet or less. Larger lots or tracts shall proportionately meet this same requirement.

(7) Attached dwellings, provided that the total floor area of residential uses in a commercial fishing area district (CFA) does not exceed 25 percent of the land area in the commercial fishing area district (CFA).

(8) Commercial retail, low- and medium-intensity uses, provided that the goods and services are related to or supportive of the commercial fishing industry.

(9) Light industrial uses, including marine repair services, provided that such uses are intended to serve the needs of the commercial fishing industry.

(d) The following uses are permitted as of right uses in the commercial fishing area district, subject to the standards and procedures set forth in chapter 110, article III:

(1) Replacement of an existing antenna-supporting structure pursuant to section 146-5(2);

(2) Collocations on existing antenna-supporting structures, pursuant to section 146-5(3);

(3) Satellite earth stations less than two meters in diameter, as accessory uses, pursuant to section 146-5 (6); and

(4) Home occupations—Special use permit required; commercial fishing does not require a special use permit.

(e) The following uses are permitted as minor conditional uses in the commercial fishing area district, subject to the standards and procedures set forth in chapter 110, article III:

(1) Attached wireless communications facilities, as accessory uses, pursuant to section 146-5(4);

(2) Stealth wireless communications facilities, as accessory uses, pursuant to section 146-5(5); and

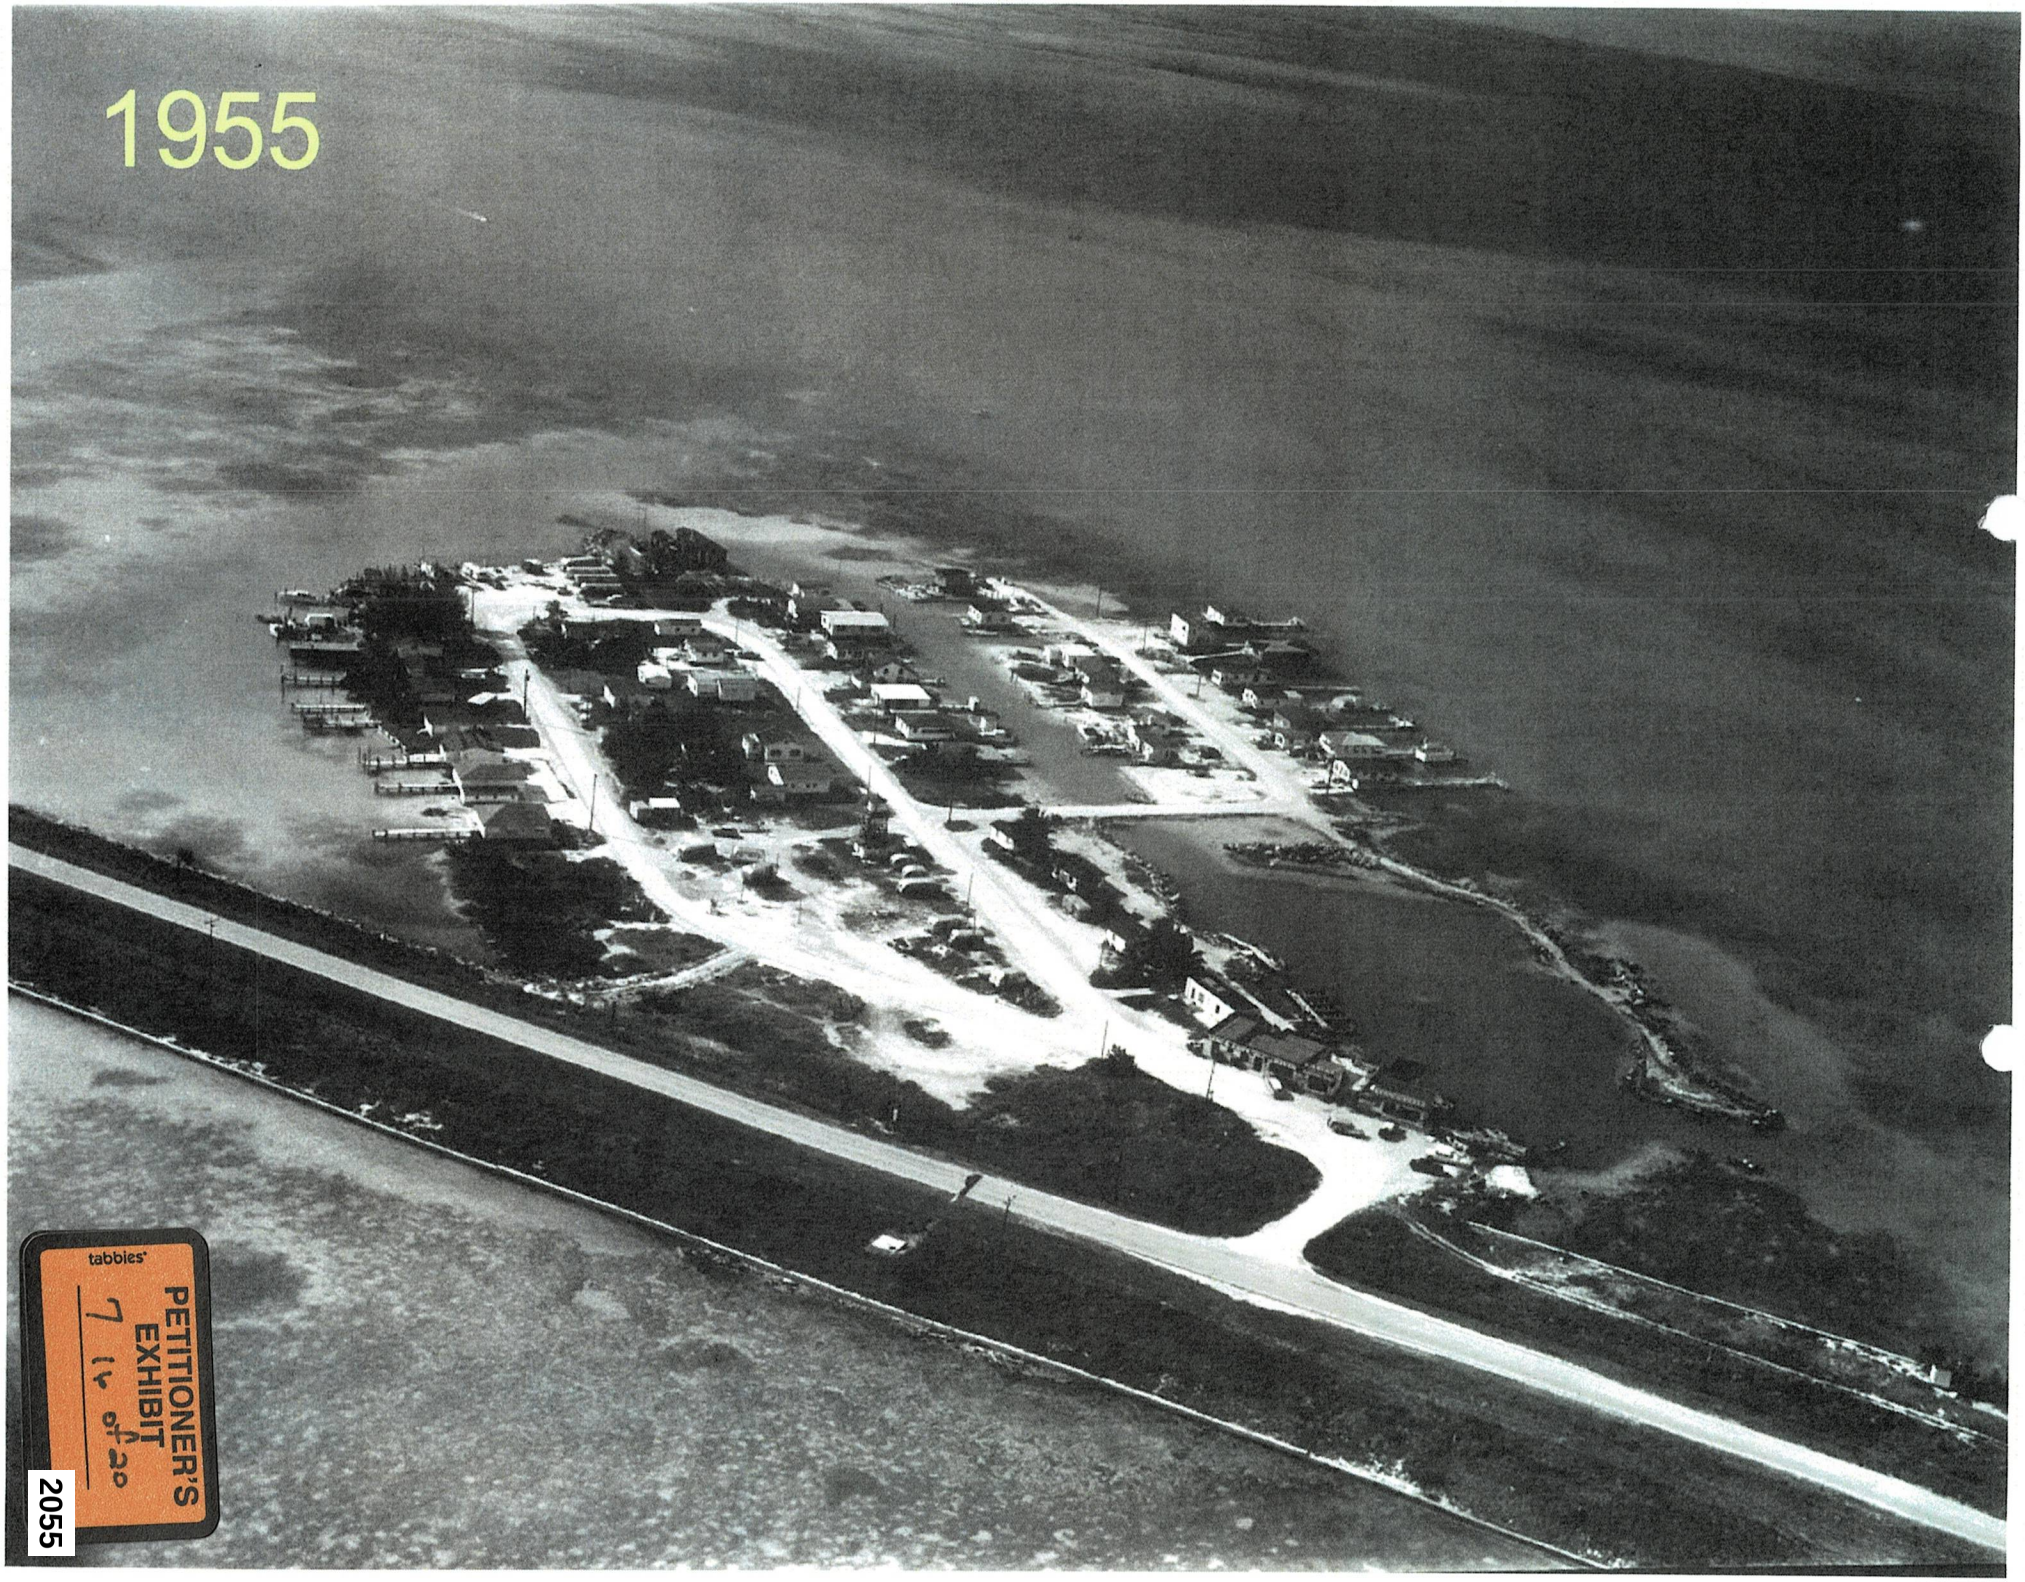
(3) Satellite earth stations greater than or equal to two meters in diameter, as accessory uses, pursuant to section 146-5(6).

(f) The following uses are permitted as major conditional uses in the com[illegible]rict:

(1) Marinas and boat chartering, provided that:

PETITIONER'S EXHIBIT 7 14 of 20

a. The parcel proposed for development has access to water at least four feet below mean sea level at mean low tide;
b. The sale of goods and services is limited to fuel, food, boating, diving and sport fishing products;
c. Vessels docked or stored shall not be used for live-aboard purposes, except when a permitted sewage pumpout facility is available on-site and where the waste is treated in a permitted sewage treatment facility;
d. All outside storage areas are screened from adjacent residential uses by a solid fence, wall or hedge at least six feet in height;
e. Each nonwaterside perimeter setback of the parcel proposed for development must have a class C bufferyard within a side yard setback of ten feet;
f. No displacement of existing commercial fishing dockage or area;
g. No less than 50 percent of the dock area shall be devoted exclusively to commercial fishing; and
h. That no less than 50 percent of the district land area shall be used for other commercial fishing activities, such as trap storage and manufacture of traps;



(2) Restaurants, dive shops, and other commercial uses under 1,600 square feet per shop, provided that:
a. There is no displacement of existing commercial fishing dockage or area;
b. No less than 50 percent of the dock area shall be devoted exclusively to commercial fishing; and
c. No less than 50 percent of the district land area shall be used for other commercial fishing activities, such as the storage and manufacture of traps;

(3) New antenna-supporting structures, pursuant to section 146-5(1); and

(4) Land use overlays A, E, INS, PF, PB, subject to provisions of article IV of this chapter.

MONROE COUNTY, FLORIDA

RESOLUTION NO.057-2014

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ADOPTING THE PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 162.09(1), Florida Statutes and Monroe County Code Section 8-31(a) give the Special Magistrate appointed to hear Code Compliance cases the authority to impose fines and costs including the cost of repairs if the County is forced to make repairs, after a finding that the property owner has violated the Monroe County Code(s); and

WHEREAS, pursuant to Section 162.09(3), Florida Statutes and Monroe County Code 8-31(c), a certified copy of an Order imposing a fine or a fine plus repair costs may be recorded in the public records and thereafter constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator; and

WHEREAS, a certified copy of the Order imposing the fines and costs becomes a lien on all real and personal property owned by the violator once recorded with the County Clerk; and

WHEREAS, the County has the authority to initiate litigation to enforce its codes and recorded liens; and

WHEREAS, the initiation of litigation may be the only incentive for some property owners to gain compliance; and

WHEREAS, the Board of County Commissioners finds it in the public's interest to have a formalized written procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief on non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY:

Section 1: The County's formal procedure is hereby adopted as set forth in **Attachment A: PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER.**

Section 2: This resolution and the incorporated policies shall become effective upon adoption by the County Commission.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting of said board held on the 19th of March, 2014.

MONROE COUNTY, FL

ATTACHMENT A

PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER

1. Special Magistrate (SM) enters a Final Order imposing a compliance date, fines and/or costs after a finding of violation of Monroe County Code(s) by property owner (violator) or approving a Stipulated Agreement with an agreed upon compliance date and fine amounts. The Final Order of SM providing the compliance date, and imposing fines and/or costs is provided to the property owner as soon as practicable. Referrals, if not made previously, are made to other agencies in appropriate circumstances.

2. The Final Order of the SM is recorded by Code Compliance (CC) as a lien by Code Compliance within 14 days after the compliance date for those cases that have not achieved compliance.

3. The Final Order of the SM is recorded as a lien by CC within 45 days after the compliance date for those cases that have achieved compliance by the compliance date but have outstanding costs in excess of $200.

4. If compliance is not achieved within 75 days of the recording of the lien, then a re-inspection of the property is completed by the Code Inspector assigned to the case. If the property is still not in compliance then a demand letter including the current amount of fines and/or costs is sent to the property owner.

5. If compliance is not achieved within 90 days of the recording of the lien and/or the lien is not satisfied, then CC will research the subject property to determine:

   i. if the subject property is homesteaded;
   ii. if the subject property is the only property owned by property owner/violator;
   iii. what efforts, if any, the property owner has made to achieve compliance;
   iv. the amount of the lien accrued to date; and
   v. any other relevant factors, including but not limited to researching the status of the property owner, i.e. any Lis Pendens filed against the property or property owner, any pending or closed foreclosure actions, any open, pending or discharged Bankruptcy petitions.

6. CC staff shall provide a written memo or email to the County Attorney's Office (CAY) with the results of the research outlined and requested further action.

7. The CAY will review the information provided by CC staff.

8. The CAY will move the SM per F.S. 162.09 for an Order authorizing foreclosure or a money judgment action; and,

i. The Code Compliance Liaison (Liaison) will schedule the motion for the next available SM hearing for a Motion for approval to proceed with a foreclosure and/or money judgment action;
ii. The Liaison will mail a Notice of Hearing and Notice of Motion prepared by the Liaison and signed by the CAY to the property owner by certified mail noticing the owner of the date, time, place and the substance (collection action, foreclosure and/or money judgment and/or writ of attachment) of the motion;
iii. The Liaison will email/calendar a re-inspection request to the assigned Inspector to conduct inspection prior to the next available SM hearing;
iv. The Motion hearing is heard by SM on the specified date;
v. If SM finds foreclosure or money judgment is appropriate, the Liaison will notice the property owner of the SM's ruling and email/calendar a re-inspection request to the assigned Inspector to conduct an inspection within 30 days of the SM ruling;
vi. CAY will seek permission from the Board of County Commissioners to file for foreclosure or money judgment in court;
vii. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to notify the owner by a quick email letter, telephone call or demand letter every 90 days to inform them that the property is not in compliance and fines are running. The assigned Code Inspector will provide written updates to the CAY every 90 days.

9. Subsequent to the SM's ruling on the Motion, the CAY will place an item on the Commission's agenda seeking the Board's direction and authorization on further enforcement and collection efforts. Potential options for litigation include seeking injunctive relief, a money judgment for the unpaid fines, foreclosure, or other relief. Potential non-litigation options include referral to another agency, allowing liens to accrue, or other relief.

10. If the recommended legal action is referral to another agency, release of lien, or allowing liens to accrue, CAY will send a written memo or email to the Director of Code Compliance outlining recommendation.

11. Once authority is granted by SM and/ or Board of County Commissioners, CC will order a title search on non-homesteaded properties, and the assigned Code Inspector will conduct a re-inspection after receipt of the title search. Litigation will commence after the title search is completed and a current re-inspection is completed. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to contact the property owner by a quick email letter, telephone call or demand letter every 90 days that the property is not in compliance and fines are running. The assigned Inspector will provide written updates to the CAY every 90 days.

12. If the Board decides not to authorize injunction or enforcement litigation, a decision from the Board could include direction to:

    i. Allow lien to remain filed and accrue interest until sale or refinancing; or
    ii. Release the lien; or
    iii. Request CC staff to provide a progress report on compliance efforts annually at the March BOCC meeting.

Exception –If a violation poses a serious threat to the public health, safety & welfare then immediate permission to file an action for an inspection warrant, injunction and/or demolition may be sought with BOCC direction.

COUNTY of MONROE
The Florida Keys

BOARD OF COUNTY COMMISSIONERS
Mayor Craig Cates, District 1
Mayor Pro Tem Holly Merrill Raschein, District 5
Michelle Lincoln, District 2
James K. Scholl, District 3
David Rice, District 4

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: R3
2023-1704

BULK ITEM: No **DEPARTMENT:** County Attorney

TIME APPROXIMATE: **STAFF CONTACT:** Kelly Dugan

AGENDA ITEM WORDING: Authorization to initiate litigation against MARGARITA ELIAS and her property, 35 Dolphin Road, Key Largo, Florida, to enforce the lien(s) arising from code compliance case number CE16060082.

ITEM BACKGROUND:

CE16060082: This property has been the subject of a code compliance case for vacation rental permit required (compliant). The fines total $30,034.00 as of October 4, 2023 and will not continue to accrue, as compliance has been achieved.

A hearing was scheduled for January 26, 2017 and the property owner was not present. The Special Magistrate found the property in violation and ordered a compliance date of February 16, 2017. A one-time fine in the amount of $6,034.00 was also imposed, payable within 30 days. The County's lien was recorded on March 1, 2017. Compliance was achieved May 24, 2017. A subsequent hearing was held on February 22, 2018 and the property owner was not present. The Special Magistrate found the lien remained unpaid and granted the County's motion to proceed with collections. The code case remains open for failure to pay outstanding fines and costs.

The Monroe County Property Appraiser lists the Just Market Value of the property as $337,078. The property is not homesteaded and there are no pending foreclosures actions at this time. There is a mortgage on the property in the amount of $116,000, which predates the County's lien.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County's lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and writ

of execution;
2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or
3. Reduce the amount of the fines.

County staff recommends initiating litigation (option 1) against the property owner for injunction, foreclosure, money judgment and writ of execution.

PREVIOUS RELEVANT BOCC ACTION:

Approval of Resolution No. 057-2014 on March 19, 2014 adopting "ATTACHMENT A" as Procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief for non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner.

COPY

Subject: Code Case: CE16060082
Location: 35 Dolphin Rd., Key Largo, FL

Dear Property Owner,

As you know, Monroe County, Florida has imposed a lien against your property as a result of the above-referenced code compliance action. This lien is a lien on the property that was the subject of the code compliance action and upon any and all other real and/or personal property you own.

This case was deemed compliant and fines accrued as follows:

- **MCC Sec. 134-1.(k)(1)** was deemed compliant on May 24, 2017. Therefore, the daily fine of $250.00 per day accrued 96 days (February 17, 2017-May 24, 2017) for a fine total of $24,000.00.
- One time fine, imposed pursuant to Lien/Final Order issued on January 26, 2017, was $6,034.00.

Additionally, per F.S. §162.07(2), if the local governing body prevails in prosecuting a case before the enforcement board, it shall be entitled to recover all costs incurred in prosecuting the case before the board and such costs may be included in the lien authorized under F.S. §162.09(3). To date, these costs are $410.70 and costs will continue to accrue until the lien is satisfied and the case is closed.

Our records indicate that this lien remains unsatisfied. The current amount of the Monroe County lien is $30,444.70 ($30,034.00 fines and $410.70 costs). You can resolve this matter by remitting a check within thirty (30) days made payable to Monroe County Code Compliance to:

Monroe County Code Compliance Department
Attention: Nicole Petrick
2798 Overseas Highway, Suite 330
Marathon, Florida 33050

The County will record a full Satisfaction and Release of Lien once payment in full has been received.

Respectfully yours,

Monica Rodriguez

Date: 05/07/2020

Subject: Code Case: **CE16060082**
Location: **35 DOLPHIN RD, KEY LARGO, FL**

Dear Property Owner,

Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. This lien on the property resulted from the code compliance action and may be imposed upon all other real and/or personal property you own.

Additionally, our records indicate the one-time fine of $6034.00, plus costs, which will continue to accrue until the fines are paid and the case is closed. The total balance owed is currently $30,437.30.

Additionally pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs will be included in the lien as authorized under F. S.162.09(3). These costs will continue to accrue until the case is closed.

The Code Compliance department will continue to monitor this property. This will result in the County seeking litigation to foreclose the existing lien.

Respectfully yours,

Francie Boellard

KEY LARGO FL 33037-2949

June 21, 2017

Subject: Code Case: CE16060082
Location: 35 DOLPHIN RD, KEY LARGO

Dear Property Owner,

The purpose of this letter is to inform you that a lien against your property was recorded in the Official Records of Monroe County on March 1, 2017 as a result of the above referenced code compliance action. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

A hearing was held on January 26, 2017, and the Special Magistrate imposed a one-time-fine in the amount of $6,034.00 payable in 30 days. Our records indicate that this fine has not been paid.

Additionally, the Special Magistrate imposed February 16, 2017 as a compliance date with a daily fine of $250.00 to accrue if compliance was not achieved by that date. This case was deemed compliant on May 24, 2017. Therefore, the daily fine of $250.00 accrued for 96 days (February 17, 2017 – May 24, 2017) for a fine total of $24,000.00.

Per F.S. §162.07(2), if the local governing body prevails in prosecuting a case before the enforcement board, it shall be entitled to recover all costs incurred in prosecuting the case before the board and such costs may be included in the lien authorized under s. 162.09(3). To date, these costs are $318.02 and costs will continue to accrue until the lien is satisfied and the case is closed.

Therefore, the current amount of the Monroe County lien is $30,352.02 ($30,034.00 fines and $318.02 costs).

You can resolve this matter by remitting a check within thirty (30) days made payable to Monroe County Code Compliance to: Monroe County Code Compliance Department; Attention: Nicole Petrick; 2798 Overseas Highway, Suite 330; Marathon, Florida 33050.

Please note the case number on the check and indicate to whom we should mail the original release. It shall be the recipient's responsibility to record the release in the Official Records at the Clerk of Courts.

Respectfully yours,

Kathleen Windsor

Case No.: CE16060082
Subject Property Real Estate Number: 00512040-000000

FINAL ORDER

Having fully considered the evidence presented at hearing, including testimony of the Code Compliance Inspector(s) and/or witnesses under oath, the following Findings of Fact and Conclusions of Law are ORDERED:

The Respondent(s) and/or Authorized Representative _____ **were / were not** present and **did / did not** contest the violation(s) set forth in the Notice of Violation/Notice of Hearing which is incorporated herein as if fully set forth.

(✓) The Respondent(s) is/are the owner(s) of property located within Monroe County and was/were duly noticed of the hearing.
(✓) The Respondent(s) is/are in violation of the Monroe County Code(s) as fully set forth in the Notice of Violation/Notice of Hearing served upon the Respondent(s).
(✓) ONE-TIME FINE - The violation(s) is found to be irreparable or irreversible and a one-time fine of $ 6034.00 is ORDERED, payable within 30 days of this Order.
(✓) COSTS - Pursuant to Section 162.07(2) of Florida Statutes all costs incurred by the County in prosecuting the case is ordered to be paid within thirty (30) days of compliance. Costs will continue to accrue until compliance is achieved and the case is closed.
(✓) The Respondent(s) shall comply with the Code(s) referred to in the Notice of Violation/Notice of Hearing on or before 2/16/17 ("**THE COMPLIANCE DATE**").
(✓) In the event the violation(s) were or are not corrected on the compliance date previously ordered or on the compliance date set forth herein, fine(s) in the dollar amount:

134-1.(k)(1) $ 250.00

for each day BEGINNING ON THE DAY AFTER THE COMPLIANCE DATE that the Respondent(s) is/are in violation is/are hereby ORDERED.

(✓) It is further ordered, that the County is hereby authorized to make all reasonable repairs including demolition which are required to bring the property into compliance and charge the Respondent(s) with the cost of repairs incurred by the County, the costs of prosecution incurred by the County and any fines Ordered in this matter.

( ) The Respondent(s) **were** in violation of the MONROE COUNTY CODE(S) as fully set forth in the Notice of Violation/Notice of Hearing filed in this case and did not come into compliance on or before **THE COMPLIANCE DATE** but are now in compliance. The Respondent(s) shall pay the total amount of cost and/or fines ($_____) to Monroe County Code Compliance within thirty (30) days of this Order.

(✓) Other: **Immediate Cease and Desist the rental of the subject property for less than 28 days.**

In the event of nonpayment of fines and/or costs imposed on Respondent(s), a certified copy of this Order may be recorded in the public records and shall thereafter constitute a lien against the land on which the violation or violations exist and upon any other real or personal property owned by the violator. The County may institute foreclosure proceedings if the lien remains unpaid for three months and/or may sue to recover money judgment for the amount of the lien plus accrued interest. Please make checks payable to Monroe County Code Compliance and mail to: Monroe County Code Compliance, Attn: Office of the Liaison, 2798 Overseas Hwy., Suite 330, Marathon, FL 33050.

IT IS THE RESPONDENT(S) RESPONSIBILITY TO REQUEST A REINSPECTION TO DETERMINE WHETHER THE PROPERTY IS COMPLIANT BY CALLING CODE COMPLIANCE AT (305) 453-8806 FOR THE UPPER KEYS; (305) 289-2810 FOR THE MIDDLE KEYS; (305) 292-4495 FOR THE LOWER KEYS.

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 07/29/2016 and subsequently found the following violation(s) of the Monroe County Code:

134-1.(k)(1) - VACATION RENTAL & ADVERTISING

It shall be unlawful for any landlord, tenant, agent or other representative of a landowner to rent lease, or advertise or hold out for rent any dwelling unit for vacation rental use in any district where a vacation rental use (less than 28 days) is prohibited.

(Count 1) - VRBO.com - VACATION RENTAL & ADVERTISING

Per Monroe County Code Sec. 134-1.(k)(1), advertisements for the short term rental use (less than 28 days) of this property is prohibited.

Corrective Action Required:
CEASE AND DESIST SHORT TERM RENTAL ACTIVITIES. REMOVE ALL ADVERTISING AND RENTAL RATES FOR LESS THAN 28 DAYS, AND CANCEL ALL CONTRACTS FOR LESS THAN 28 DAYS, AND PROVIDE PROOF OF CORRECTIONS/CANCELLATIONS. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE.

(Count 2) - HOMEAWAY.com - VACATION RENTAL & ADVERTISING

Per Monroe County Code Sec. 134-1.(k)(1), advertisements for the short term rental use (less than 28 days) of this property is prohibited.

Corrective Action Required:
CEASE AND DESIST SHORT TERM RENTAL ACTIVITIES. REMOVE ALL ADVERTISING AND RENTAL RATES FOR LESS THAN 28 DAYS, AND CANCEL ALL CONTRACTS FOR LESS THAN 28 DAYS, AND PROVIDE PROOF OF CORRECTIONS/CANCELLATIONS. NO EXTRA TIME TO COMPLY WILL BE GIVEN

PETITIONER'S EXHIBIT #1 1 of 5
tabbies
2078

AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE.

(Count 3) - AIRBNB.com - VACATION RENTAL & ADVERTISING
Per Monroe County Code Sec. 134-1.(k)(1), advertisements for the short term rental use (less than 28 days) of this property is prohibited.

Corrective Action Required:
CEASE AND DESIST SHORT TERM RENTAL ACTIVITIES. REMOVE ALL ADVERTISING AND RENTAL RATES FOR LESS THAN 28 DAYS, AND CANCEL ALL CONTRACTS FOR LESS THAN 28 DAYS, AND PROVIDE PROOF OF CORRECTIONS/CANCELLATIONS. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE.

(Count 4) – TRIPADVISOR.com - VACATION RENTAL & ADVERTISING
Per Monroe County Code Sec. 134-1.(k)(1), advertisements for the short term rental use (less than 28 days) of this property is prohibited.

Corrective Action Required:
CEASE AND DESIST SHORT TERM RENTAL ACTIVITIES. REMOVE ALL ADVERTISING AND RENTAL RATES FOR LESS THAN 28 DAYS, AND CANCEL ALL CONTRACTS FOR LESS THAN 28 DAYS, AND PROVIDE PROOF OF CORRECTIONS/CANCELLATIONS. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION IS CONSIDERED TO BE IRREPARABLE/IRREVERSIBLE IN NATURE.

(✓) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 01/26/2017 at 9:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida**.

( ) You can avoid attending the hearing if all violation(s) noted above are corrected by and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

(✓) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed $1,000 per day per violation for a first violation, $5,000 per day per violation for a repeat violation, and up to $15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, prior to the date of the hearing:

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

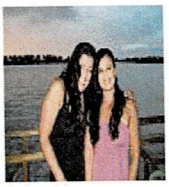
About the Property

This 2/1 accommodates 6 people and has room in front to park your boat (extra $)



Maggie's houseboat features 1 bedroom, a converted loft upstairs and 1 bath. The master bedroom is downstairs along with a single bathroom. Upstairs you will find a relaxing loft (no door). This open space features a comfortable daybed that sleeps 2 when opened. You will find plenty of books to read, VHS and DVD to watch on a 40" flat panel TV, and a wide

PETITIONER'S EXHIBIT #4 1 of 3 tabbies

selection of CD to listen to if all you want to is relax. And for some further relaxation, enjoy your own nook. You can also take a nap outside in the sundeck, since we have beautiful weather all year round.

Back downstairs, enjoy watching a 40" flat panel TV on a comfortable sofa, which opens up to a queen size bed. For your enjoyment, you have the option of watching cable, VHS, DVDs or playing games on our Wii console. For those of you who enjoy cooking, you have a full equipped kitchen or simply use the outside BBQ grill. You can either eat outside in your private gazebo or stay inside and enjoy our dining area. You will find that our houseboat has everything you could possibly need inside and outside the house. All you need to do is bring your toothbrush and your clothes. We will handle the rest.

A guest from

cute and private. Loved la[illegible] out on upper deck. Everything u need is there. Location is great, even the little neighborhood beach is a great spot for sunsets or lying in sun! The owners are awesome and answered "all my texts" with questions immediately! I hope to get back there next year...thanks, ladies, for a great place to stay. Wished we could have stayed longer...

December 2016

People come to Key Largo for the water sports. We came to chill out and get out from under our work and electronics. The boathouse was the perfect place to do that. We loved being able to eat out at nearby restaurants or walk to the grocery store to pick up fresh food to cook. The kitchen was very well equipped and clean, something you don't always find when you are away from home. The days felt long and lazy but when we felt we had been sitting on the screened porch for too long, we could go to the nearby gym for a workout or head to a park for a walk under the cool and unique hammock. After that we could feel more righteous as we settled back in for a video binge, more reading or conversation. Maggie was a great host, quickly responsive to questions and so very friendly. We highly recommend her place to anyone looking something a little different and fun.

"Great Honeymoon"

Reviewed October 26, 2016 for a stay in October 2016

Had a wonderful honeymoon. The place was excellent, location was perfect! The houseboat was very unique, added a special touch to our getaway. Can't wait to return for future vacations.

MONROE COUNTY, FLORIDA

RESOLUTION NO.057-2014

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ADOPTING THE PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 162.09(1), Florida Statutes and Monroe County Code Section 8-31(a) give the Special Magistrate appointed to hear Code Compliance cases the authority to impose fines and costs including the cost of repairs if the County is forced to make repairs, after a finding that the property owner has violated the Monroe County Code(s); and

WHEREAS, pursuant to Section 162.09(3), Florida Statutes and Monroe County Code 8-31(c), a certified copy of an Order imposing a fine or a fine plus repair costs may be recorded in the public records and thereafter constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator; and

WHEREAS, a certified copy of the Order imposing the fines and costs becomes a lien on all real and personal property owned by the violator once recorded with the County Clerk; and

WHEREAS, the County has the authority to initiate litigation to enforce its codes and recorded liens; and

WHEREAS, the initiation of litigation may be the only incentive for some property owners to gain compliance; and

WHEREAS, the Board of County Commissioners finds it in the public's interest to have a formalized written procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief on non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY:

Section 1: The County's formal procedure is hereby adopted as set forth in **Attachment A: PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER.**

Section 2: This resolution and the incorporated policies shall become effective upon adoption by the County Commission.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting of said board held on the 19th of March, 2014.

PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER

1. Special Magistrate (SM) enters a Final Order imposing a compliance date, fines and/or costs after a finding of violation of Monroe County Code(s) by property owner (violator) or approving a Stipulated Agreement with an agreed upon compliance date and fine amounts. The Final Order of SM providing the compliance date, and imposing fines and/or costs is provided to the property owner as soon as practicable. Referrals, if not made previously, are made to other agencies in appropriate circumstances.

2. The Final Order of the SM is recorded by Code Compliance (CC) as a lien by Code Compliance within 14 days after the compliance date for those cases that have not achieved compliance.

3. The Final Order of the SM is recorded as a lien by CC within 45 days after the compliance date for those cases that have achieved compliance by the compliance date but have outstanding costs in excess of $200.

4. If compliance is not achieved within 75 days of the recording of the lien, then a re-inspection of the property is completed by the Code Inspector assigned to the case. If the property is still not in compliance then a demand letter including the current amount of fines and/or costs is sent to the property owner.

5. If compliance is not achieved within 90 days of the recording of the lien and/or the lien is not satisfied, then CC will research the subject property to determine:

   i. if the subject property is homesteaded;
   ii. if the subject property is the only property owned by property owner/violator;
   iii. what efforts, if any, the property owner has made to achieve compliance;
   iv. the amount of the lien accrued to date; and
   v. any other relevant factors, including but not limited to researching the status of the property owner, i.e. any Lis Pendens filed against the property or property owner, any pending or closed foreclosure actions, any open, pending or discharged Bankruptcy petitions.

6. CC staff shall provide a written memo or email to the County Attorney's Office (CAY) with the results of the research outlined and requested further action.

7. The CAY will review the information provided by CC staff.

8. The CAY will move the SM per F.S. 162.09 for an Order authorizing foreclosure or a money judgment action; and,

i. The Code Compliance Liaison (Liaison) will schedule the motion for the next available SM hearing for a Motion for approval to proceed with a foreclosure and/or money judgment action;
ii. The Liaison will mail a Notice of Hearing and Notice of Motion prepared by the Liaison and signed by the CAY to the property owner by certified mail noticing the owner of the date, time, place and the substance (collection action, foreclosure and/or money judgment and/or writ of attachment) of the motion;
iii. The Liaison will email/calendar a re-inspection request to the assigned Inspector to conduct inspection prior to the next available SM hearing;
iv. The Motion hearing is heard by SM on the specified date;
v. If SM finds foreclosure or money judgment is appropriate, the Liaison will notice the property owner of the SM's ruling and email/calendar a re-inspection request to the assigned Inspector to conduct an inspection within 30 days of the SM ruling;
vi. CAY will seek permission from the Board of County Commissioners to file for foreclosure or money judgment in court;
vii. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to notify the owner by a quick email letter, telephone call or demand letter every 90 days to inform them that the property is not in compliance and fines are running. The assigned Code Inspector will provide written updates to the CAY every 90 days.

9. Subsequent to the SM's ruling on the Motion, the CAY will place an item on the Commission's agenda seeking the Board's direction and authorization on further enforcement and collection efforts. Potential options for litigation include seeking injunctive relief, a money judgment for the unpaid fines, foreclosure, or other relief. Potential non-litigation options include referral to another agency, allowing liens to accrue, or other relief.

10. If the recommended legal action is referral to another agency, release of lien, or allowing liens to accrue, CAY will send a written memo or email to the Director of Code Compliance outlining recommendation.

11. Once authority is granted by SM and/ or Board of County Commissioners, CC will order a title search on non-homesteaded properties, and the assigned Code Inspector will conduct a re-inspection after receipt of the title search. Litigation will commence after the title search is completed and a current re-inspection is completed. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to contact the property owner by a quick email letter, telephone call or demand letter every 90 days that the property is not in compliance and fines are running. The assigned Inspector will provide written updates to the CAY every 90 days.

12. If the Board decides not to authorize injunction or enforcement litigation, a decision from the Board could include direction to:

    i. Allow lien to remain filed and accrue interest until sale or refinancing; or
    ii. Release the lien; or
    iii. Request CC staff to provide a progress report on compliance efforts annually at the March BOCC meeting.

Exception –If a violation poses a serious threat to the public health, safety & welfare then immediate permission to file an action for an inspection warrant, injunction and/or demolition may be sought with BOCC direction.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: R4
2023-1745

BULK ITEM: No

DEPARTMENT: County Attorney

TIME APPROXIMATE:
n/a

STAFF CONTACT: Bob Shillinger

AGENDA ITEM WORDING: Charter County discussion update.

ITEM BACKGROUND:
The BOCC authorized the County Attorney to begin drafting proposed charter. This item is intended to provide the Board with a monthly update on relevant issues and progress.

Attached is:

1) Draft Charter 10.9.23 version
2) Background Memo by County Attorney
3) A "one pager" that outlines some basic information on charter counties and the charter county transportation sales surtax & the statute.
4) Additional background information from Kurt Spitzer
5) County Attorney's PowerPoint presentation from the September 20, 2023 BOCC meeting.

PREVIOUS RELEVANT BOCC ACTION:
5/17/23, BOCC discussed pursuing a charter and directed the County Attorney to start drafting a proposal that:

1. Authorized a charter county transportation surtax;
2. Respected municipal independence both in the short term and the long term; and
3. Maintained the current structure of County government.

ORDINANCE NO. ____-2024

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA PROVIDING FOR ADOPTION OF A HOME RULE CHARTER; PROVIDING FOR A PREAMBLE; PROVIDING FOR CREATION AND GENERAL POWERS, AND HOME RULE CHARTER GOVERNMENT; PROVIDING FOR BODY CORPORATE, NAME, AND BOUNDARIES, AND PROVIDING FOR CONSTRUCTION; PROVIDING FOR SPECIAL POWERS AND DUTIES OF COUNTY; PROVIDING FOR A MUNICIPAL PURPOSES PROVISION; PROVIDING FOR TRANSFER OF POWERS; PROVIDING FOR SEPARATION OF POWERS AS RELATES TO STATE LAW; PROVIDING FOR CONFLICT OF COUNTY ORDINANCES WITH MUNICIPAL ORDINANCES; PROVIDING FOR A LEGISLATIVE BRANCH BOARD OF COUNTY COMMISSIONERS; PROVIDING FOR COMPOSITION AND REDISTRICTING; PROVIDING FOR QUALIFICATIONS, ELECTIONS, AND TERMS OF OFFICE; PROVIDING FOR SALARY AND OTHER COMPENSATION; PROVIDING FOR VACANCIES AND SUSPENSIONS; PROVIDING FOR POWERS; PROVIDING FOR A CODE OF ORDINANCES AND AN ADMINISTRATIVE CODE; PROVIDING FOR THE POWER RESERVED TO THE PEOPLE TO RECALL COUNTY COMMISSIONERS; PROVIDING FOR APPOINTMENT OF A COUNTY ADMINISTRATOR; PROVIDING FOR THE ADMINISTRATOR'S COMPENSATION AND TERMS OF EMPLOYMENT, POWERS AND DUTIES; PROVIDING FOR NONINTERFERENCE BY BOARD OF COUNTY COMMISSIONERS AND FOR TEMPORARY ABSENCE OR INCAPACITY OF THE COUNTY ADMINISTRATOR; PROVIDING FOR APPOINTMENT OF A COUNTY ATTORNEY; PROVIDING FOR A PROVISION REGARDING COUNTY CONSTITUTIONAL OFFICERS; PROVIDING FOR EFFECTIVE DATE OF THE CHARTER AS LAW; PROVIDING FOR TRANSITION; PROVIDING FOR CONTINUATION OF LAWS, ORDINANCES, AND CONTRACTS; PROVIDING FOR INITIAL COUNTY COMMISSIONERS, INITIAL COUNTY ADMINISTRATOR, AND INITIAL COUNTY ATTORNEY; PROVIDING FOR EMPLOYEE CONTINUATION, AND CONTINUATION OF AGENCIES AND ADVISORY BODIES; PROVIDING FOR OUTSTANDING BONDS, REVENUE CERTIFICATES, AND OTHER FINANCIAL OBLIGATIONS; PROVIDING FOR CHARTER AMENDMENTS PROPOSED BY COUNTY COMMISSIONERS; PROVIDING FOR CHARTER AMENDMENTS BY PETITION AND PROCEDURES FOR AMENDMENTS PROPOSED BY PETITION; PROCEDURES FOR AMENDMENT BALLOT PLACEMENT; PROVIDING SEVERABILITY AND VALIDITY; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Monroe County, Florida is presently a non-charter government as established under Article VIII, Section 1(f), Florida Constitution; and

WHEREAS, Article VIII, Sections l(c) and l(g), Florida Constitution, provide that a county government may be established by charter, which shall be adopted upon a majority vote of electors of the county; and

WHEREAS, Section 125.80, et seq., Florida Statutes, provides a method whereby a non-charter county may locally initiate a county home rule charter;

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

SECTION 1. HOME RULE CHARTER.

The Board of County Commissioners of Monroe County, Florida hereby proposes, by ordinance, the following Charter for the governance of Monroe County.

The proposed Charter of Monroe County, Florida, as stated and incorporated herein, reads as follows:

MONROE COUNTY HOME RULE CHARTER

PREAMBLE

WE, THE CITIZENS OF MONROE COUNTY, FLORIDA, united in the belief that governmental decisions affecting local interests should be made locally, rather than by the State, and that County government should be reflective of the people of the County and should serve them in achieving a more responsive and efficient form of government and in order to empower the people of this County to make changes in their own government, do ordain and establish this Home Rule Charter for Monroe County, Florida.

ARTICLE 1
CREATION, POWERS, AND ORDINANCES OF HOME RULE CHARTER GOVERNMENT

1.1 Creation and general powers of home rule charter government

Monroe County shall be that of a chartered county under Section 1, Article VIII of the Florida Constitution of 1968 pursuant to which this Charter is adopted, and shall not be a charter for consolidation of county and municipal governments in Monroe County pursuant to Section 6(e), Article VIII of the Florida Constitution of 1968. Except as may be limited by this Home Rule Charter ("Charter"), Monroe County shall have all powers of self-government granted now or hereafter by the Constitution and laws of the State of Florida.

1.2 Body corporate, name and boundaries

Monroe County shall be a body corporate and politic. The corporate name shall be Monroe County. The county seat and boundaries shall be those designated by law on the effective date of this Charter.

1.3 Construction

The powers granted by this Charter shall be construed broadly in favor of the charter government. The specified powers in this Charter shall not be construed as limiting, in any way, the general or specific power of the government, as stated in this article. It is the intent of this article to grant to the charter government full power and authority to exercise all governmental powers necessary for the effective operation and conduct of the affairs of the charter government.

1.4 Special powers and duties of county

1.4.1 County purposes. The county, operating under this Charter, shall have all special powers and duties which are not inconsistent with this Charter, heretofore granted by law to the Board of County Commissioners, and shall have such additional county and municipal powers as may be required to fulfill the intent of this Charter.

1.4.2 Municipal purposes. The county shall have all necessary powers to accomplish municipal purposes within special districts. Property situated within municipalities shall not be subject to taxation for services rendered by the county exclusively for the benefit of the property or residents not within municipal boundaries, nor shall property situated in the county be subject to taxation for services provided by the county exclusively for the benefit of the property or residents within municipal boundaries.

1.5 Transfer of powers

Whenever a municipality, special district or agency shall request the performance or transfer of a function to the county, the county shall have the power and authority to assume and perform such functions and obligations. This section does not authorize a transfer in violation of Article VIII, Section 4 of the Constitution of Florida.

1.6 Separation of powers

Monroe County shall operate under an elected county commission and appointed county manager form of government with separation between the legislative and executive functions of the government in accordance with the provisions of this Charter. The establishment and adoption of policy shall be the responsibility of the Board of County Commissioners, and the execution of that policy shall be the responsibility of the county manager, hereinafter referred to as the County Administrator.

1.7 Relation to state law

The provisions of this Charter are not intended, and shall not be construed, to conflict with the Constitution of the State of Florida, general law, or special law approved by vote of the electorate.

1.8 Conflict of County Ordinances with Municipal Ordinances

Except as otherwise provided by law, or in this Charter, municipal ordinances shall prevail over county ordinances to the extent of any conflict within the boundaries of the municipality. To the extent that a county ordinance and a municipal ordinance shall cover the same subject without conflict, then both the municipal ordinance and the county ordinance shall be effective, each being deemed supplemental to the other. Notwithstanding the provisions of Section 6.3 herein, this Section 1.8 may only be amended by a unanimous vote of the Board of County Commissioners to place the amendment question on the ballot for referendum, and after the referendum is then approved by the voters at two consecutive general elections.

ARTICLE 2
LEGISLATIVE BRANCH:
BOARD OF COUNTY COMMISSIONERS

2.1 Composition

There shall be five county commissioners' districts in Monroe County, which shall be numbered one to five, inclusive, with the districts being as nearly equal in population as practicable. There shall be one Commissioner for each of the five districts. County commissioners shall be elected on a countywide basis by all of the electors of the county. The adoption of this Charter shall not change the district boundaries and district numbers in effect on the effective date of this Charter.

2.2 Redistricting

Redistricting of County Commission district boundaries shall be in accordance with general law, changed only after notice and a public hearing as provided by general law.

2.3 Qualifications and election

County commissioners shall be qualified electors of the county. Commissioners shall reside one in each of the commission districts. During the term of office, each commissioner shall reside in the district for which he or she ran for office. Any commissioner who shall remove his or her residency from the district for which he or she is elected shall thereupon become disqualified to represent said district and the office of any such commissioner shall be deemed vacant, except that any commissioner who is removed from a district by redistricting may continue to serve during the balance of the term of office.

2.4 Terms of office

Each commissioner shall be elected for a term of four (4) years, beginning on the second Tuesday after election, and continuing after such term until his or her successor is elected and qualified. Terms shall be staggered as provided in general law for the governing board of a non-charter county.

2.5 Salaries and other compensation

Salary and other compensation of the county commissioners shall be set by ordinance and shall be the same as those set by general law for the county commissioners of non-charter counties, and shall not be lowered during a county commissioner's term of office.

2.6 Vacancies and suspensions

Vacancies in any county commissioner's office, or other elected county office, shall be filled in accordance with the Constitution and general laws of Florida. Commissioners may be suspended or removed from office in accordance with the Constitution and general laws of Florida, and in addition may be recalled from office as provided in this Charter.

2.7 Powers

The Board of County Commissioners shall have all legislative authority, jurisdiction, and powers which are now and which hereafter may be granted to it by the Constitution, laws of the State of Florida, and this Charter.

2.8 Code of ordinances

The Board of County Commissioners shall maintain a current codification of all ordinances. Such codification shall be published and made available for distribution on a continuing basis.

2.9 Administrative code

The Board of County Commissioners shall adopt, and amend as necessary, an administrative code to govern the operation of the county.

2.10 Recall

Members of the Board of County Commissioners shall be subject to recall as provided by general law.

ARTICLE 3
ADMINISTRATIVE BRANCH: COUNTY ADMINISTRATOR

3.1 County Administrator

There shall be a County Administrator who shall be appointed by a vote of a majority of the entire Board of County Commissioners and terminated during a contract term by a majority vote of the entire Board of County Commissioners at each of two successive meetings, and who shall serve at the pleasure of the Board of County Commissioners. The County Administrator shall be chosen on the basis of his or her professional training, executive and administrative experience, and qualifications. The County Administrator need not be a resident of the County at the time of appointment but shall maintain residency within

the county during the tenure of office and shall not engage in any other business or occupation without the express approval of the Board of County Commissioners.

3.2 Compensation and terms of employment

The Board of County Commissioners shall establish the salary for the County Administrator at a level that is commensurate with the requirements of the position and shall at least annually review employment performance and salary. Terms and conditions of compensation and employment shall be set forth in a contract.

3.3 Powers and duties

The County Administrator shall be head of the executive branch of county government; shall have the executive powers and duties that are now and hereafter may be granted to the County Administrator by the laws of the State of Florida and this Charter; and, shall be responsible to the Board of County Commissioners for the proper administration of all affairs of the county. The County Administrator shall attend all regular and special meetings of the Board and shall have the right to participate in its discussions. The County Administrator shall prepare and submit the annual operating and capital program budgets to the Board of County Commissioners, and execute the budget and capital programs in accordance with appropriations and ordinances enacted by the Board of County Commissioners. In addition to the power and duties set forth in state law, the County Administrator shall also have the powers and duties expressly assigned by the County Commission.

3.4 Non-interference by Board of County Commissioners

Members of the Board of County Commissioners are expressly prohibited from interfering with the performance of the duties of any employee of the county government who is under the direct or indirect supervision of the County Administrator by giving said employees instructions or directives. Any such interference shall be malfeasance within the meaning of Article IV, Section 7(a) of the Florida Constitution. Further provisions relevant to non-interference, and not inconsistent with this provision, may be enacted by the Board of County Commissioners by ordinance. Nothing in this section 3.4, nor any other non-interference provision enacted by the Board of County Commissioners, shall prohibit a Member of the Board of County Commissioners from obtaining information from an employee of the county government under the direct or indirect supervision of the County Administrator in connection with the Member's conduct of official business.

3.5 Temporary absence or incapacity

The office of County Administrator shall be deemed vacant if the incumbent moves his or her residence from the county or is, by death, illness, or other casualty, unable to continue in office. A vacancy in the office shall be filled in the same manner as the original appointment. The Board of County Commissioners may appoint an acting administrator in the case of vacancy, temporary absence, or disability of the County Administrator, until a successor has been appointed and qualified, or until the County Administrator returns.

3.6 Department Directors and Executive Service Personnel

The director of each department shall be the principal officer of the department. Directors and executive service employees of departments shall be appointed by the County Administrator, subject to confirmation by a majority vote of the Board of County Commissioners. The County Administrator shall have the right to discharge any department head or executive service employee with cause, pursuant to provisions of the Monroe County Career Services Act, Ch. 69-1321, Laws of Florida.

ARTICLE 4
COUNTY ATTORNEY

4.1 County Attorney

There shall be a County Attorney who shall be appointed by a vote of a majority of the entire Board of County Commissioners and terminated during a contract term by a majority vote of the entire Board of County Commissioners with or without cause, and who shall serve at the pleasure of the Board. The County Attorney shall be the head of the County Attorney's Office. The County Attorney shall be responsible directly to the Board of County Commissioners and shall be independent of and not subject to the supervision or authority of the County Administrator. The County Attorney shall provide legal services to the Board of County Commissioners, county departments, County Constitutional Officers when there is no conflict between the Board and Constitutional Officer, and county boards and agencies. All prior actions of the Board of County Commissioners relating to the Office of the County Attorney are hereby ratified and reaffirmed. The terms and conditions of compensation and employment of the County Attorney shall be set forth in a contract. The County Attorney's qualifications and employment status shall be established by County Ordinance. The County Attorney shall be a direct full time employee of the Board of County Commissioners, and responsible only to the Board. Other than as set forth in this section, the County Attorney shall not represent any other public clients nor shall the County Attorney represent any private clients.

4.2 Non-interference by Board of County Commissioners

Members of the Board of County Commissioners are expressly prohibited from interfering with the performance of the duties of any employee of the county government who is under the direct or indirect supervision of the County Attorney by giving said employees instructions or directives. Any such interference shall be malfeasance within the meaning of Article IV, Section 7(a) of the Florida Constitution. Further provisions relevant to non-interference, and not inconsistent with this provision, may be enacted by the Board of County Commissioners by ordinance. Nothing in this section 4.2, nor any other non-interference provision enacted by the Board of County Commissioners, shall prohibit a Member of the Board of County Commissioners from obtaining information from an employee of the county government under the direct or indirect supervision of the County Attorney in connection with the Member's conduct of official business.

ARTICLE 5
COUNTY OFFICERS

5.1 County constitutional officers

The county constitutional offices of Sheriff, Property Appraiser, Tax Collector, Clerk of the Circuit Court, and Supervisor of Elections shall remain as elected constitutional officers pursuant to the requirements of the Florida Constitution and general law, and their powers, duties, and functions will not be altered by this Home Rule Charter. The constitutional officers shall perform their executive and administrative functions as specified by law. The Clerk of the Circuit Court shall be ex officio clerk of the Board of County Commissioners, auditor, recorder and custodian of all county funds.

ARTICLE 6
MISCELLANEOUS PROVISIONS

6.1 Effective Date

This Charter shall become law when approved by a majority of those electors voting on the matter in a referendum to be held in the county in conjunction with the general election occurring on November 5, 2024, under the provisions of the Constitution and laws of Florida. The charter government shall assume all powers and duties provided by this Charter on the first day of January, 2025, the effective date of this Charter.

6.2 Transition

6.2.1 Continuation of laws, ordinances and contracts. Unless expressly provided otherwise in this Charter, the adoption of this Charter shall not affect any existing contracts or obligations of Monroe County; the validity of any of its laws, ordinances, regulations, and resolutions; or the term of office of any elected county officer, whose term shall continue as if this Charter had not been adopted.

6.2.2 Initial county commissioners. The persons comprising the Monroe County Board of County Commissioners on the effective date of this Charter shall become the initial members of the Board of County Commissioners of the charter government and shall perform the functions thereof until the expiration of their terms or until qualification of their successors as provided by law.

6.2.3 Initial County Administrator and Initial County Attorney. The County Administrator and County Attorney serving on the effective date of this Charter shall serve as the initial County Administrator and initial County Attorney respectively.

6.2.4 Employee continuation. All employees of the former county government shall on the effective date of this Charter become employees of the county government created by this Charter. All existing wages, benefits, collective bargaining certifications and agreements, contracts and conditions of employment shall continue, until modified by lawful action of the Board of County Commissioners.

6.2.5 Continuation of agencies and advisory bodies. All existing appointments or designations of non-governmental agencies or corporations to act as official agencies of the County shall remain in full force and effect in accordance with their original terms, until amended or terminated by the Board of County Commissioners in accordance with the terms of such appointment and the provisions of this Charter. All members of advisory boards,

resource groups or committees appointed for terms expiring after the effective date of this Charter shall continue to serve their terms without necessity of reappointment under this Charter.

6.2.6 Outstanding bonds. All bonds, revenue certificates, and other financial obligations of the county outstanding on the effective date of this Charter shall be obligations of the charter government. All actions taken by the former government relating to the issuance of such obligations are hereby ratified and confirmed. Payment of such obligations and the interest thereon shall be made solely from and charged solely against funds derived from the same sources from which such payment would have been made had this Charter not taken effect.

6.3 Charter amendment

6.3.1 Amendment by Board of County Commissioners. The Board of County Commissioners, upon the concurrence of not less than a majority plus one of its entire membership, shall have the authority to propose by ordinance, amendments, or revisions to this Charter not inconsistent with the State Constitution or with general law, and may also propose by ordinance the repeal of the Charter.

6.3.2 Amendment by petition. Amendments to this Charter, not inconsistent with the State Constitution or with general law, may be proposed by a petition signed by a number of electors at least equal to ten (10) percent of the number of electors qualified to vote in the last preceding general election; provided that the number shall contain at least ten (10) percent of the number of such qualified electors in each of the commission election districts; and further provided that any such amendment shall embrace but one subject and matter directly connected therewith. The sponsor of an amendment shall, prior to obtaining any signatures, submit the text of the proposed amendment to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed. The procedures for initiative petitions set forth in Section 6.3.3 of this Charter shall thereafter be followed. The power to amend this Charter by initiative shall not extend to administrative or judicial functions; the county budget, debt obligations or capital improvement programs; the zoning of land; salaries of county officers and employees; the assessment or collection of taxes; or, matters inconsistent with the Constitution or general laws of Florida.

6.3.3 Procedure for petition. The sponsor of an initiative petition shall, prior to obtaining any signatures, submit the text of a proposed charter amendment to the Supervisor of Elections, with the proposed ballot summary and the form on which signatures will be affixed and obtain a dated receipt therefore. Any such charter amendment shall embrace but one subject and matter directly connected therewith. The sponsor shall cause a notice of such submission to be published within fourteen days after the date of submission, in a newspaper of general circulation in the County. The allowable period for obtaining signatures on the petition shall be completed not later than six months after initial receipt of the petition by the Supervisor of Elections. The sponsor shall comply with all requirements of general law for political committees, and shall file quarterly reports with the Supervisor of Elections stating, to the best of the sponsor's information and belief, the number of signatures procured. The time and form of such reports may be prescribed by ordinance. When a sufficient number of

signatures are obtained, the sponsor shall thereupon submit signed and dated forms to the Supervisor of Elections and upon submission shall pay all fees required by general law. The Supervisor of Elections shall, within sixty (60) days after submission, verify the signatures thereon, or specify a reason for the invalidity of each rejected signature if the petition is rejected for insufficiency of the number of valid signatures. If the petition is rejected for insufficiency of the number of signatures, the sponsor shall have an additional thirty (30) days within which to submit additional signatures for verification. The Supervisor of Elections shall, within thirty (30) days verify the additional signatures. In the event sufficient signatures are still not acquired, the petition initiative shall be rendered null and void and none of the signatures may be carried over onto another identical or similar petition.

6.3.4 Amendment referendum. The Board of County Commissioners shall cause any Charter amendment proposed under section 6.3.1 or 6.3.2 to be submitted to the electors for their approval during the next general election scheduled more than ninety (90) days after the proposed amendment is validated. Notice of said referendum, together with the language of the proposed amendment, shall be published as provided by general law. Passage of proposed amendments, revisions, or repeal shall require approval of a majority of electors voting in said election.

6.4 Severability and Validity

It is hereby declared to be the intention of the Board of County Commissioners that the sections, paragraphs, sentences, clauses and phrases of this Charter are severable, and if any phrase, clause, sentence, paragraph, or section of this Code shall be declared invalid, unconstitutional, or unenforceable by the valid judgment or decree of a court of competent jurisdiction, such invalidity, unconstitutionality or unenforceability shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Charter.

SECTION 2. BALLOT QUESTION TO BE PRESENTED TO THE ELECTORATE.

The proposed Charter of Monroe County, Florida, shall be presented to the qualified Monroe County electorate by placing the question of whether to adopt the same on the ballot at the General Election to be held on November 5, 2024.

SECTION 3. BALLOT QUESTION FORM.

The question on the ballot shall be substantially in the following form as proposed by Monroe County Ordinance No. ___-2024.

Ballot Title:
"Proposed Home Rule Charter for Monroe County"

Question

[*PLACEHOLDER LANGUAGE*: "Shall there be a Home Rule Charter for Monroe County, establishing the form and powers of local self-government; maintaining the legislative powers of a board of five commissioners elected countywide; maintaining an appointed professional manager; providing that municipal ordinances prevail over conflicting county ordinances;

allowing for recall elections; and providing for methods of amendment?"]

Yes ___ For Approval No ___ Against Approval

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, by a vote of __ to __, this ___ day of _____, 2024.

MONROE COUNTY BOARD OF COUNTY COMMISSIONERS

By: _____
NAME, MAYOR

Ex Officio Clerk to the Board

_____
APPROVED FOR FORM AND LEGAL SUFFICIENCY:
ROBERT B. SHILLINGER, County Attorney

Memo

To: Mayor and Commissioners
From: Bob Shillinger, County Attorney
Date: July 28, 2023
re: Charter Government 101

INTRODUCTION

This memo is intended to provide an introduction to charter government by outlining the charter process, the differences between charter and non-charter counties, and the options to be considered should the charter process go forward. The FAC website also includes a link[1] to all 20 county charters should you desire to read further.

Florida's 67 counties fall into one of two general categories: charter and non-charter.[2] The non-charter form of county government is the default version of local government established by the State Constitution. The essential difference between a charter and non-charter county is that a charter county enjoys all the powers of local government not pre-empted by state law whereas a non-charter county must look for the authority to act in state law. In other words, charter counties already possess all powers of local governance not pre-empted by the state whereas non-charter counties can only act if the Legislature has authorized them to act. Some key examples of this distinction will be discussed below.

In the words of the Fifth District Court of Appeal, under Article VIII, § 1(a) of Florida's Constitution, "the state is divided into political subdivisions called counties, . . . so that much of the state's `police power' can be controlled and exercised at the

[1] http://www.fl-counties.com/Pages/About_Floridas_Counties/Charter_County_Information.aspx

2 Article VIII, § 1 of the State Constitution authorizes both charter and non-charter counties, so any use of the term "constitutional" to distinguish a non-charter form of county government from a charter county is misleading.

community level. Generally, the constitution provides for non-charter counties, which are permitted to exercise only those powers expressly authorized by the Legislature through general or special laws, Article VIII, § 1(f), Florida Constitution, and charter counties, which are broadly granted `all powers of local self-government' not inconsistent with general or special law." Article VIII, § 1(g)[3].

To date, twenty of Florida's 67 counties have adopted charters. Of those twenty, eighteen have populations larger than Monroe. Columbia (70,617) and Wakulla (33,981) are the two charter counties that have populations which are smaller than Monroe (82,874). Of the fourteen most populous counties in Florida, thirteen are charter counties. Nearly 74% of Floridians (16,101,242 out of 21,781,128) live in a charter county.

THE CHARTER PROCESS

There are generally three methods by which a county can propose a charter for consideration by the voters. First, the County Commission can adopt a proposed charter by ordinance and submit it to the voters for approval. Second, a charter commission can be created either by resolution of the County Commission or upon receipt of a petition of at least fifteen percent of the registered voters in the County. Finally, the Legislature can create a charter commission to pursue consolidation of county government with at least one municipality. Regardless of the option chosen, final approval of a charter rests with the voters through a binding referendum.

3 *Demings v. Orange County Citizens Review Board*, 15 So.3d 604, 606 (Fla. 5th DCA 2009).

Option 1. Charter by Ordinance.

Florida law also authorizes county commissions to propose their own charters, which must be proposed by ordinance and approved by the voters through a referendum. See, F.S. 125.82. This option is by far the simplest and least expensive when compared to the charter commission options. Under this option, there would be no charter commission to formally vet the proposed charter. Instead, the BOCC would function as the charter commission through its normal legislative process. Public input would be made during public meetings and hearings on the adoption of the ordinance calling for a referendum vote on the proposed charter. Under this option, the BOCC would be able to exercise greater control over the expenses associated with the process as well as complete control over the text of the document submitted to the voters for consideration.

This option has the added benefit of having no statutorily required time limits for submitting the proposed charter to the electorate for approval by referendum. Unlike the charter commission option, under the "charter by ordinance" option, it is possible to schedule the referendum on the proposed charter at the next regularly scheduled election instead of having to call a special election. See, F.S. 125.82(1). The ability to avoid holding a county-wide special election represents a savings of at least $250,000 to the general fund, according to estimates provided by the Supervisor of Elections office.

Option 2 – Charter Commission

Under F.S. 125.60 through 125.64, counties are authorized to create charter commissions to draft proposed charters. The charter commission may be created in

one of two ways: by resolution of the BOCC or by citizens' initiative via petition. F.S. 125.61(1).

To become effective, a citizens' petition to the county commission must be signed by at least fifteen percent of the qualified electors in the county. F.S. 125.61(1). The charter commission must be appointed within 30 days upon adoption of such a resolution or presentation of a citizens' petition. *Id.*

Charter commission members shall be appointed by the BOCC unless the citizen's petition directs that the County's Legislative delegation[4] make the appointments. F.S. 125.61(2). The charter commission must contain 11, 13, or 15 members. *Id.* County commissioners and members of the Florida Legislature are not eligible to serve on a charter commission. *Id.*

While F.S. 125.61(1) is silent on the issue of the date when the number of registered voters are measured so as to establish the threshold number of signatures required in order for the petition drive to be successful, general election law principles would measure the number of voters eligible to vote in the last general election. The Supervisor of Elections Office reports that the number of eligible voters for the November 2022 election was 55,183. Accordingly, a charter commission would have to be created if 8,278 registered voters sign petitions calling for its creation, assuming the last general election date is the operative date for establishing the threshold.

The statute sets forth the organizational requirements of the charter commission. F.S. 125.62(1). The statute also authorizes the expenditure of public funds and the employment of staff, consultants and experts to assist the commission in its duties. F.S.

4 The statute does not address how the delegation shall resolve conflicts among itself if it cannot agree on committee members.

125.62(2). The Attorney General has opined in AGO 96-76 that the BOCC "may regulate the expenditures of the charter commission." Donations from public and private entities to help offset those expenses are authorized. F.S. 125.62(2).

Adopting a charter via a charter commission is not a quick process. The statute imposes a requirement upon that panel to "conduct a comprehensive study of the operation of county government and of the ways in which the conduct of county government might be improved or reorganized." F.S. 125.63. The statute contemplates that the charter commission will present a proposed charter in draft form to the county commission within 18 months from the date of its first meeting unless that time period has been extended by resolution of the BOCC. *Id.* After the draft is presented to the BOCC, the charter commission must hold three public hearings spaced between 10 and 20 days from each other to accept public comment on the proposed charter. *Id.* At the final public hearing, the charter commission shall vote on a final version of the proposed charter and forward that document to the BOCC so the BOCC may call a referendum of the voters for consideration. *Id.*

Upon receipt of the proposed charter from the charter commission, the BOCC is ***obligated*** to schedule a special election that must be held between 45 and 90 days after the date when the BOCC receives the proposed charter. F.S. 125.64(1). If no regularly scheduled election falls within that 45 to 90 day window, county taxpayers would be obligated to fund a special election for that sole issue. As mentioned above, the Supervisor of Elections estimates that such an election would cost in excess of $250,000. She also reports that single issue, special elections historically have the lightest voter turnout.

Neither the BOCC nor the leaders of the citizens' petition drive will control what elements are included in a charter proposed under this option as that decision rests with the appointed members of the charter commission. In other words, once the "charter commission fuse is lit" by either the BOCC or fifteen percent of county electors, those appointed to serve on the charter commission will decide what to include in the charter. To be sure, the BOCC and the petition drive leaders may have input, but the final decision on what to include in the final draft will rest with members of the charter commission.

Ultimate approval of the charter commission's work product rests with the voters. If approved by a simple majority vote of the electors, the charter shall take effect on the following January 1st or upon such time as the charter provides. F.S. 125.64(2). After adoption, the charter may only be amended or repealed by referendum. *Id.* If rejected by the voters, no new charter referendum may be held during the next two years. F.S. 125.64(3). Upon acceptance or rejection of the charter by the voters, the charter commission will be dissolved and all property of the charter commission will become property of the county by operation of law. F.S. 125.64(4).

Option 3 – Municipal Consolidation

The third method for adopting a charter is through the process of consolidation with at least one municipality. *See,* Article VIII, § 3 of Florida Constitution (1968). In 1936, the Florida Constitution of 1885 was amended to create a provision establishing a process whereby Monroe County and the City of Key West could be consolidated. That provision is currently found at Article VIII, section 10 of the 1968 Constitution.

Consolidation could be pursued with one or more of the other municipalities under Article VIII, § 3, not just Key West.

Consolidation with a municipality requires the Legislature to create a charter commission. Given the geography and history of Monroe County, this option seems the least likely to be invoked. Accordingly, no further analysis will be done on this option unless directed to do so by the BOCC.

CHARTER POWERS CREATED BY STATE LAW

State law vests charter counties with certain powers simply because of their status as charter counties. The two most noteworthy are the power to recall officials elected under the charter and the power to levy certain taxes.

Under F.S. 101.361, a county commissioner elected by a charter county can be recalled regardless of whether the charter authorizes a recall or not. The Legislature has spelled out the process for recall elections and the charter cannot deviate from that process. According to FAC, recalls have only occurred in one of the twenty charter counties. However, recalls have occurred multiple times in Miami-Dade County. Additionally, recalls have happened in various cities, which by law must operate under a charter.

In addition to recall elections, charter counties have the power to levy a municipal utility taxes under F.S. 166.231 and the charter county transportation surtax under F.S. 212.055. In short, "charter counties are deemed to be equivalent to municipalities" under the Florida Constitution, at least as to the ability to levy taxes. *See Stork v. Bellsouth Corp.,* 847 So.2d 1098, 1099 (Fla. 4th DCA 2003).

Under F.S. 166.231, a charter county "may levy a tax on the purchase of electricity, metered natural gas, liquefied gas either metered or bottled, manufactured gas either metered or bottled, and water service."

Under F.S. 212.055(1), a charter county may levy a discretionary sales surtax of up to 1 penny if approved by a majority of the voters at referendum held at a November general election. The funds may only be used for transportation and transit related expenses authorized in the statute. F.S. 212.055(1).

OPTIONAL CHARTER PROVISIONS

As the Florida Association of Counties' chart comparing the provisions of the 20 different charter counties indicates, the scope and treatment of subjects covered in charters differ from county to county. Generally, however, the main issues to be decided when proposing a charter include whether:

a) county ordinances preempt municipal ordinances, or whether the cities maintain the ability to "opt out" of some or all county ordinances;

b) county commissioners are elected in single member or at-large districts or some combination thereof;

c) there are specific requirements, limitations, or conditions placed upon those running for and/or holding charter offices such as term limits, campaign finance limits, and partisan or non-partisan elections;

d) citizens can initiate changes to the charter and county code via the initiative process and if so, whether that power is limited with respect to any particular subject matter;

e) there will be a residency requirement for some or all appointed officers; and

f) there will be different requirements for municipal annexation than provided for under state law.

The courts have weighed in on some of these issues. *See, e.g., Browning v. Sarasota Alliance for Fair Elections,* 968 So.2d 637 (Fla. 2007); *Cook v. Jacksonville,* 823 So.2d 86 (Fla. 2002); *Broward County v. Ft. Lauderdale,* 480 So.2d 631 (Fla. 1985); *Demings v. Orange County Citizens Review Board,* 15 So.3d 604 (Fla. 4th DCA 2009); *Elected County Mayor Political Committee, Inc. v. Shirk,* 939 So.2d 1267 (Fla. 2d DCA 2008); *Pinellas County v. City of Largo,* 964 So.2d 847 (Fla. 2d DCA 2007); and *Seminole County v. City of Winter Springs,* 935 So.2d 521 (Fla. 5th DCA 2006). The most controversial of these issues will be addressed below.

Municipal Pre-emption

The most controversial optional provision is whether County ordinances will pre-empt those adopted by municipalities located within the county. While the BOCC has directed me to only draft a charter that preserves the authority of the five municipalities to retain their current authority to opt out of County ordinances, in the interests of fully explaining this issue, I provide the analysis below. This Board has made it clear that it has no interests in preempting the legislative authority of the governing bodies of our five municipalities.

In a non-charter county, a county may enact ordinances having county-wide application provided that the ordinance is not in conflict with general or special law[5], but that ordinance is not effective within a municipality if the municipality adopts an ordinance in conflict with the county ordinance. *See,* Art. VIII, § 1(f). However, in a charter county, the "charter shall provide which shall prevail in the event of conflict between county and municipal ordinances." Art. VIII, § 1(g). It is not necessarily an "all or nothing" proposition because some county charters limit the subject matter in which the County code prevails over municipal ordinances, while others permit the County to set the minimum standards for a particular subject matter but allow the cities to have stricter rules.

Not surprisingly, this issue has led to litigation between cities and counties over the interpretation of the relevant charter's pre-emption provision. *See, e.g., Seminole County v. City of Winter Springs,* 935 So.2d 521; and *Broward County v. Ft. Lauderdale,* 480 So.2d 631.

Early on in the process, I mentioned the possibility of protecting the independence of the five municipalities by drafting a charter provision that would require a supermajority of the electorate to change this provision of the charter. Unfortunately, I subsequently learned that a similar attempt was found to be unconstitutional in 2008. *See, Citizens for Term Limits & Accountability, Inc., v. Lyons,* 995 So.2d 1051, 1057 (1st DCA 2008) (Proposed amendment to county's home rule charter, requiring sixty percent majority for approval of future amendments to charter, violated state constitutional requirement of simple majority vote). I am currently researching other language

[5] An example of a state general law that prohibits a county from adopting an ordinance that is effective county-wide would be F.S. 163.3171(1)&(2), which limits a county's ability to regulate zoning within the territorial limits of a municipality.

intended to provide city residents protection against a future amendment that would alter the protections against County preemption.

Qualifications and Term Limits for County Commissioners

A charter can impose additional qualifications or limits on candidates for county commission. For example, county charters can impose term limits on county commissioners. *See, Snipes v. Telli,* 57 So.3d 415 (Fla. 2011). Similarly, a charter can contain a provision requiring that charter officers, i.e., county commissioners run in non-partisan elections. *See, Volusia County v. Quinn,* 700 So.2d 474 (Fla. 5th DCA 1997).

Citizen's Initiative and Binding Referendums

Citizens in non-charter counties do not have the ability to bypass their elected county commissions and place items on the ballot for consideration of the voters in a binding referendum. In short, the State Constitution vests the legislative power in a non-charter county with the County Commission and state law does not contain a provision which authorizes a County to adopt an ordinance or otherwise delegate that legislative power to the electorate. In fact, in the absence of specific statutory authority, the Commission can only seek input from county voters through a non-binding referendum as provided for at F.S. 125.01(1)(y).

County charters may include a citizens' initiative provision, but one is not required. As the FAC materials make clear, this issue has been addressed in a variety of methods by the 20 charter counties. If such a provision is to be included, issues to be addressed include the threshold number of petitioners necessary to trigger the provision; whether any time limits have been imposed on gathering signatures on petitions; and whether the BOCC must act on the petition or hold a referendum within a

certain period of time or, alternatively, whether the referendum can wait until the next county-wide general election. Given the expense associated with holding a county-wide special election, this latter issue could have significant financial repercussions.

MANDATORY CHARTER PROVISIONS

State law requires that charters contain certain provisions regarding a) the process of amending and revising the charter; b) requirements for holding elective charter office; c) determining vacancies in charter office positions; d) salaries for charter officers; e) the transfer of functions from non-charter government to charter government; and f) the form of government that the county will adopt under the charter, including the executive and legislative functions. These issues can be explored in greater depth if the Commission desires further information.

INDEPENDENCE OF COUNTY CONSTITUTIONAL OFFICERS

In charter counties, the electorate used to have the option of either maintaining these independent constitutional offices or abolishing them and transferring their responsibilities to the board of the charter county or to local offices created by the charter. However, Article VIII, Section 1(d) of the Florida Constitution was amended in 2018 to prohibit charters from "abolish[ing] the office of a sheriff, a tax collector, a property appraiser, a supervisor of elections, or a clerk of the circuit court; transfer[ring] the duties of those officers to another officer or office; . . . [changing] the length of the four-year term of office; or establish[ing] any manner of selection other than by election

by the electors of the county." The 2018 amendment eliminated what was once a contentious issue with County charters.

CONCLUSION

Becoming a charter county represents a fundamental paradigm shift in local governance. The process can be expensive and time consuming, especially if the decision is made to appoint a charter commission. Adopting a charter provides voters with greater accountability over their commissioners and opens up the potential for two additional revenue sources. The Commission and ultimately the voters will have to decide whether the perceived benefits of a charter outweigh the costs associated with seeking one.

Top Ten Highlights on Charter Counties & the Charter County Transportation Surtax

1. Charter counties[1] and those counties participating in a regional transit authority can levy a surtax [F.S. 212.055(1)] of up to 1 penny for up to 30 years to be used for:

    a. Development, construction, equipment, maintenance, operation, supportive services, including *a countywide bus system*, *on-demand transportation services*, & *related costs of a fixed guideway rapid transit system;*

    b. Planning, development, construction, operation, and maintenance of
        i. roads and bridges in the county;
        ii. bus and fixed guideway systems;
        iii. on-demand transportation services;

    c. Bonds for the payment of principal and interest on qualified projects.

2. 5 counties that have levied a Charter County Transportation Surtax[2]

a.	Broward	1%	Charter	1/1/19 to 12/31/48
b.	Duval	.5%	Charter	1/1/89 until repealed (adopted b4 30y rule)
c.	Hillsborough	1%	Charter	1/1/19 to 3/15/21 (terminated by Courts)
d.	Miami-Dade	1%	Charter	1/1/03 until repealed (adopted b4 30y rule)
e.	Walton	.5%	RTA	1/1/13 to 12/31/15 (terminated; RTA axed)

3. At least 8 counties that tried but failed to levy a Charter County Transportation Surtax: Alachua (2x), Citrus, Columbia, Hillsborough (2014), Orange (2022), Osceola (2x), Pinellas & Polk (2x)

4. Charter County Transportation Surtax does not count towards tax rate cap.

5. Surtax proceeds may be but are not required to be shared with cities via ILA. That ILA must be revisited no less than every 5 years to include new cities.

6. Surtax Referendum must be held during a November general election.

7. The charter can't direct how the surtax proceeds are spent. BOCC decides.[3]

8. Charter must be approved separately by the voters.

9. Preemption – BOCC directed staff to draft charter so cities are ***not*** preempted.

10. BOCC opting to propose charter itself, without a charter commission.

Prepared by Monroe County Attorney Bob Shillinger, revised 6.6.23

Select Year: 2022 Go

The 2022 Florida Statutes (including 2022 Special Session A and 2023 Special Session B)

Title XIV TAXATION AND FINANCE | Chapter 212 TAX ON SALES, USE, AND OTHER TRANSACTIONS | View Entire Chapter

212.055 Discretionary sales surtaxes; legislative intent; authorization and use of proceeds.—It is the legislative intent that any authorization for imposition of a discretionary sales surtax shall be published in the Florida Statutes as a subsection of this section, irrespective of the duration of the levy. Each enactment shall specify the types of counties authorized to levy; the rate or rates which may be imposed; the maximum length of time the surtax may be imposed, if any; the procedure which must be followed to secure voter approval, if required; the purpose for which the proceeds may be expended; and such other requirements as the Legislature may provide. Taxable transactions and administrative procedures shall be as provided in s. 212.054.

(1) CHARTER COUNTY AND REGIONAL TRANSPORTATION SYSTEM SURTAX.—

(a) Each charter county that has adopted a charter, each county the government of which is consolidated with that of one or more municipalities, and each county that is within or under an interlocal agreement with a regional transportation or transit authority created under chapter 343 or chapter 349 may levy a discretionary sales surtax, subject to approval by a majority vote of the electorate of the county or by a charter amendment approved by a majority vote of the electorate of the county.

(b) The rate shall be up to 1 percent.

(c)1. The proposal to adopt a discretionary sales surtax as provided in this subsection and to create a trust fund within the county accounts shall be placed on the ballot in accordance with law and must be approved in a referendum held at a general election in accordance with subsection (10).

2. If the proposal to adopt a surtax is by initiative, the petition sponsor must, at least 180 days before the proposed referendum, comply with all of the following:

a. Provide a copy of the final resolution or ordinance to the Office of Program Policy Analysis and Government Accountability. The Office of Program Policy Analysis and Government Accountability shall procure a certified public accountant in accordance with subsection (11) for the performance audit.

b. File the initiative petition and its required valid signatures with the supervisor of elections. The supervisor of elections shall verify signatures and retain signature forms in the same manner as required for initiatives under s. 100.371(11).

3. The failure of an initiative sponsor to comply with the requirements of subparagraph 2. renders any referendum held void.

(d)1. Except as set forth in subparagraph 2., proceeds from the surtax shall be applied to as many or as few of the uses enumerated below in whatever combination the county commission deems appropriate:

a. Deposited by the county in the trust fund and shall be used for the purposes of development, construction, equipment, maintenance, operation, supportive services, including a countywide bus system, on-demand transportation services, and related costs of a fixed guideway rapid transit system;

b. Remitted by the governing body of the county to an expressway, transit, or transportation authority created by law to be used, at the discretion of such authority, for the development, construction, operation, or maintenance of roads or bridges in the county, for the operation and maintenance of a bus system, for the operation and maintenance of on-demand transportation services, for the payment of principal and interest on existing bonds issued for the construction of such roads or bridges, and, upon approval by the county commission, such proceeds may be pledged for bonds issued to refinance existing bonds or new bonds issued for the construction of such roads or bridges; and

c. Used by the county for the planning, development, construction, operation, and maintenance of roads and bridges in the county; for the planning, development, expansion, operation, and maintenance of bus and fixed guideway systems; for the planning, development, construction, expansion, operation, and maintenance of on-demand transportation services; and

for the payment of principal and interest on bonds issued for the construction of fixed guideway rapid transit systems, bus systems, roads, or bridges; and such proceeds may be pledged by the governing body of the county for bonds issued to refinance existing bonds or new bonds issued for the construction of such fixed guideway rapid transit systems, bus systems, roads, or bridges. Pursuant to an interlocal agreement entered into pursuant to chapter 163, the governing body of the county may distribute proceeds from the tax to a municipality, or an expressway or transportation authority created by law to be expended for the purpose authorized by this paragraph. Any county that has entered into interlocal agreements for distribution of proceeds to one or more municipalities in the county shall revise such interlocal agreements no less than every 5 years in order to include any municipalities that have been created since the prior interlocal agreements were executed.

2.a. To the extent not prohibited by contracts or bond covenants in effect on that date, a county as defined in s. 125.011(1) shall use proceeds from the surtax only for the following purposes: F.S. 125.011(1) is code for Miami-Dade County

(I) The planning, design, engineering, or construction of fixed guideway rapid transit systems, rail systems, and bus systems, including bus rapid transit systems, and for the development of dedicated facilities for autonomous vehicles as defined in s. 316.003.

(II) The acquisition of rights-of-way for fixed guideway rapid transit systems, rail systems, and bus systems, including bus rapid transit systems, and for the development of dedicated facilities for autonomous vehicles as defined in s. 316.003.

(III) The purchase of buses or other capital costs for bus systems, including bus rapid transit systems.

(IV) The payment of principal and interest on bonds previously issued related to fixed guideway rapid transit systems, rail systems, or bus systems.

(V) As security by the governing body of the county to refinance existing bonds or to issue new bonds for the planning, design, engineering, or construction of fixed guideway rapid transit systems, rail systems, bus rapid transit systems, or bus systems.

(VI) For the operation and maintenance of fixed guideway rapid transit systems and bus routes or extensions thereof, including bus rapid transit systems, which were implemented or constructed subsequent to the passage of the surtax, and for operation and maintenance of services authorized by electors in passing the surtax or included in the ordinance authorizing the levy of the surtax subject to the electorate's approval.

b. To the extent not prohibited by contracts or bond covenants in effect on October 1, 2022, no more than 25 percent of the surtax proceeds may be distributed to municipalities in total in a county as defined in s. 125.011(1). Such municipalities may use the surtax proceeds to plan, develop, construct, operate, and maintain roads and bridges in the municipality and to pay the principal and interest on bonds issued to construct roads or bridges. The governing body of the municipality may pledge the proceeds for bonds issued to refinance existing bonds or new bonds issued to construct such roads or bridges. Additionally, each such municipality may use surtax proceeds for transit systems within the municipality.

(e) As used in this subsection, the term "on-demand transportation services" means transportation provided between flexible points of origin and destination selected by individual users with such service being provided at a time that is agreed upon by the user and the provider of the service and that is not fixed-schedule or fixed-route in nature.

(f) Any discretionary sales surtax levied under this subsection pursuant to a referendum held on or after July 1, 2020, may not be levied for more than 30 years.

(2) LOCAL GOVERNMENT INFRASTRUCTURE SURTAX.—

(a)1. The governing authority in each county may levy a discretionary sales surtax of 0.5 percent or 1 percent. The levy of the surtax shall be pursuant to ordinance enacted by a majority of the members of the county governing authority and approved by a majority of the electors of the county voting in a referendum on the surtax. If the governing bodies of the municipalities representing a majority of the county's population adopt uniform resolutions establishing the rate of the surtax and calling for a referendum on the surtax, the levy of the surtax shall be placed on the ballot and shall take effect if approved by a majority of the electors of the county voting in the referendum on the surtax.

2. If the surtax was levied pursuant to a referendum held before July 1, 1993, the surtax may not be levied beyond the time established in the ordinance, or, if the ordinance did not limit the period of the levy, the surtax may not be levied for more than 15 years. The levy of such surtax may be extended only by approval of a majority of the electors of the county voting in a referendum on the surtax.

(b) A statement which includes a brief general description of the projects to be funded by the surtax and which conforms to the requirements of s. 101.161 shall be placed on the ballot by the governing authority of any county which enacts an ordinance calling for a referendum on the levy of the surtax or in which the governing bodies of the municipalities

4. The county currently levies a local government infrastructure surtax pursuant to subsection (2) which is scheduled to terminate and is not subject to renewal.

5. The pension liability surtax does not take effect until the local government infrastructure surtax described in subparagraph 4. is terminated.

(b) A referendum to adopt a pension liability surtax must meet the requirements of s. 101.161 and must include a brief and general description of the purposes for which the surtax proceeds will be used.

(c) Pursuant to s. 212.054(4), the proceeds of the surtax collected under this subsection, less an administrative fee that may be retained by the department, shall be distributed by the department to the local government.

(d) The local government may use the pension liability surtax proceeds in the following manner:

1. If the proceeds of the pension liability surtax have been actuarially recognized as provided in s. 112.64(6), the local government must distribute the proceeds to an eligible defined benefit retirement plan or system, not including the Florida Retirement System.

2. If the proceeds of the pension liability surtax have not been actuarially recognized, the local government is authorized to distribute the proceeds to an eligible defined benefit retirement plan or system, not including the Florida Retirement System, to pledge the proceeds of the surtax to repay debts incurred for the purpose of making advanced payments toward the unfunded liability of an underfunded defined benefit retirement plan or system, and to reimburse itself from the proceeds of the surtax for any borrowing costs associated with such debts.

(e) The ordinance providing for the imposition of the pension liability surtax must specify how the proceeds will be used:

1. The ordinance must specify the method of determining the percentage of the proceeds, and the frequency of such payments, distributed to each eligible defined benefit retirement plan or system if the proceeds of the pension liability surtax are actuarially recognized as provided in s. 112.64(6).

2. The ordinance must specify the local government's intention to incur debt for the purpose of making advanced payments toward the unfunded liability of an underfunded defined benefit retirement plan or system if the proceeds of the pension liability surtax are not actuarially recognized as provided in s. 112.64(6).

(f) A pension liability surtax imposed pursuant to this subsection shall terminate on December 31 of the year in which the actuarial funding level is expected to reach or exceed 100 percent for the defined benefit retirement plan or system for which the surtax was levied or December 31, 2060, whichever occurs first. The most recent actuarial report submitted to the Department of Management Services pursuant to s. 112.63 must be used to establish the level of actuarial funding.

(g) Notwithstanding any other provision of this section, a county may not levy local option sales surtaxes authorized in this subsection and subsections (2), (3), (4), and (5) in excess of a combined rate of 1 percent.

(10) DATES FOR REFERENDA.—A referendum to adopt or amend a local government discretionary sales surtax under this section must be held at a general election as defined in s. 97.021.

(11) PERFORMANCE AUDIT.—

(a) To adopt a discretionary sales surtax under this section, an independent certified public accountant licensed pursuant to chapter 473 shall conduct a performance audit of the program associated with the proposed surtax.

(b)1. At least 180 days before the referendum is held, the county or school district shall provide a copy of the final resolution or ordinance to the Office of Program Policy Analysis and Government Accountability.

2. Within 60 days after receiving the final resolution or ordinance, the Office of Program Policy Analysis and Government Accountability shall procure the certified public accountant and may use carryforward funds to pay for the services of the certified public accountant.

3. At least 60 days before the referendum is held, the performance audit must be completed and the audit report, including any findings, recommendations, or other accompanying documents, must be made available on the official website of the county or school district.

4. The county or school district shall keep the information on its website for 2 years from the date it was posted.

5. The failure to comply with the requirements under subparagraph 1. or subparagraph 3. renders any referendum held to adopt a discretionary sales surtax void.

(c) For purposes of this subsection, the term "performance audit" means an examination of the program conducted according to applicable government auditing standards or auditing and evaluation standards of other appropriate authoritative bodies. At a minimum, a performance audit must include an examination of issues related to the following:

1. The economy, efficiency, or effectiveness of the program.

2. The structure or design of the program to accomplish its goals and objectives.

3. Alternative methods of providing program services or products.

4. Goals, objectives, and performance measures used by the program to monitor and report program accomplishments.

5. The accuracy or adequacy of public documents, reports, and requests prepared by the county or school district which relate to the program.

6. Compliance of the program with appropriate policies, rules, and laws.

(d) This subsection does not apply to a referendum held to adopt the same discretionary surtax that was in place during the month of December immediately before the date of the referendum.

[1]**Note.**—Section 26, ch. 2021-2, provides that:

"(1) The Department of Revenue is authorized, and all conditions are deemed met, to adopt emergency rules pursuant to s. 120.54(4), Florida Statutes, for the purpose of administering this act.

"(2) Notwithstanding any other law, emergency rules adopted pursuant to subsection (1) are effective for 6 months after adoption and may be renewed during the pendency of procedures to adopt permanent rules addressing the subject of the emergency rules.

"(3) This section shall take effect upon this act becoming a law and expires July 1, 2023."

[2]**Note.**—Section 22, ch. 2022-97, provides that "[t]he additional uses of surtax proceeds authorized by the amendments made by this act to s. 212.055(6)(c), Florida Statutes, may apply to a surtax in effect on the date this act becomes a law only to the extent such use was authorized in the original referendum adopting the surtax or is authorized pursuant to a subsequent resolution conditioned to take effect only upon approval of a majority vote of the electors of the county voting in a referendum."

General Discussion of County Home Rule

Kurt Spitzer
(850) 228-6212

Article VIII, section 1(a) of the Florida Constitution provides that the State shall be divided by law into political subdivisions called "counties" and further authorizes the creation, abolition or change of counties by law.

However, Article VIII, sections 1(c)-(g) *invite consideration of alternatives* to the structure, powers and duties established by law for non-charter counties through the creation of charter counties. The below is a short summary comparing the powers of non-charter versus charter counties. It is not intended to be comprehensive.

1. Creation and Powers of Non-charter Counties

Article VIII, 1(f) – Non-charter counties have "such powers of self-government as is provided by general or special law." The Constitution further limits the extent of any such powers, to exclude the power to enforce county ordinances within municipal boundaries where there is a conflicting, authorized municipal ordinance.

a. Unless the Legislature adopts a law giving authority to a county, the county has no authority. Although the Constitution provides for a Board of County Commissioners and five constitutional officers in each county, neither the Board nor the constitutional officers have any duties or powers unless the Legislature adopts a law conferring powers and creating duties. (Exception: the clerk of circuit court has certain responsibilities to the court system, created under Article V.)

   - Without such authority from the Legislature, non-charter counties are powerless.

© Kurt Spitzer and Associates - August 2019

- Nothing in the Constitution requires the Legislature to adopt the current statute conferring power on noncharter counties, and nothing prevents the Legislature from limiting or repealing it at any time.

2. Creation of charter counties

Article VIII, 1(c) - Charter counties established pursuant to "general or special law" and the Charter shall be adopted, amended or repealed ***only*** upon vote of the county electors.

a. General law.

   - Chapter 125.64, FS, authorizing the appointment of a charter (study) commission to propose a charter for consideration of electorate.

   - Chapter 125.70, FS, authorizing proposal by the BCC of an optional form of county charter for consideration of electorate.

b. Special law. Charters may be proposed for the consideration of the electorate by local law or "special act" of the Legislature. Pinellas and Volusia County's charters originated via special acts of the Legislature.

3. Powers of charter counties

Article VIII, 1(g) - Counties operating under a charter have "all powers of local self-government not inconsistent with general law, or with special law approved by the voters." Home rule power of a charter county is not dependent on legislative authorization and flows directly from the Constitution, with four limitations:

a. Conflict with the Constitution. Charters may not supersede provisions of the Florida Constitution.

b. Conflict with general law. The Legislature addresses subjects important to the State

© Kurt Spitzer and Associates - August 2019

through general laws. County ordinances are superseded by general laws to the extent of a conflict. There is no specific statutory definition of what a "conflict" is. General examples:

- Subjects expressly prohibited or pre-empted by the Constitution or general law, or
- Subjects pre-empted to a charter county.

c. Conflict with special laws. Most special laws or acts that apply only to a single county are only effective in a charter county if approved/confirmed by the electors of the charter county.

d. Charter provisions for conflict with municipal ordinances. The charter must provide which ordinances prevail in the event of a conflict between a county ordinance and a city ordinance on most standards or policies. Also, a “dual referenda” may be required if a power or function relating to a program or the delivery of a particular service (e.g. fire, police, etc.) is transferred, although two governments may contract with each other for temporary transfers of services without invoking dual vote requirement.

4. Structure of noncharter county government.

a. Legislative body. A noncharter government is governed by a board of county commissioners of five or seven members, serving staggered terms of four years, with one commissioner residing in each district as provided by law.

b. County officers. Constitution specifies the election in each county, for a four-year term, five enumerated county officers, although county commissioners and school board members are also included within the definition of “county offices" for some purposes. The Constitution does not specify any duties for the county officers but the Legislature has provided by general law for their powers and duties. Partial exception in Constitution: The clerk of the circuit court is the ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds.

c. Executive. The Constitution does not specify the head of the executive branch of a

© Kurt Spitzer and Associates - August 2019

noncharter county government. General law distributes executive/administrative authority among the BCC and the county "constitutional" officers. However, 125.70, FS, authorize noncharter counties to adopt an ordinance providing for the employment of a professional county administrator to administer those departments of the county government over which the BCC has control.

5. Structure of charter county government.

The Constitution allows (but does not require) a charter county to provide for a different governmental structure so long as the duties otherwise devolving upon county governments under the general laws of the state are all assigned to a responsible office in the charter county. Thus the structure of the charter county government may be different from what is contemplated by the Legislature in general law but the powers of the resulting government may not conflict with general law(s), whatever those laws may be from time to time.

a. Legislative body. Charter counties may provide for a form of the legislative body different from the traditional BCC. Some examples:

   - Term lengths
   - Term limits
   - Number of Commissioners
   - At-large, single-member or mixed districting schemes
   - Non-partisan elections
   - Sharing legislative power directly with the electorate through a process for ordinance proposal/adoption process by petition.

b. County officers. Five county officers may be chosen in another manner (e.g. non-partisan election, subject recall, etc.) as specified in a charter. County constitutional

© Kurt Spitzer and Associates - August 2019

Paragraph (b) is outdated. See endnote below.

office may not be abolished by a charter unless the charter specifies another office to which the duties of the abolished office are to be transferred. [*See* endnote below.]

c. Executive. Charters may reallocate some or all of the executive powers of the BCC to an executive, whether an employed professional executive/manager or an elected "strong mayor" executive.

d. Intergovernmental issues. Ordinances of a noncharter county can be effective within a municipality only if there is no conflict. However, the ordinances of a charter county may set uniform standards countywide, if the charter so provides. Most charters which specify pre-emptive legislative authority to the BCC have limited those powers to specific subject matter.

6. Additional powers. Statutes and case law have provided for a limited number of other special powers for charter counties. Examples:

a. The BCC is subject to recall as provided in state law

b. BCC and local Legislative Delegation may place charter amendments on ballot

c. County enjoys increased insulation from unwanted special acts

d. BCC has power to levy utility tax in unincorporated area, unless prohibited by the charter

e. New municipal CRAs must receive BCC approval

ENDNOTE: Florida's voters approved Amendment 10 to the Florida Constitution on November 6, 2018. Among other things, Amendment 10 eliminated the ability of county electors to approve changes to the duties of the County Officers or alter the way in which they are elected via a county charter. As of August 1, 2019, a challenge to Amendment 10 remained in court. The challenge concerns whether the Amendment is effective prospectively or also operates retroactively, thus negating all provisions of those county charters that concern county officers.

CHARTER GOVERNMENT 101

Monroe County Commission

September 20, 2023

What is a County Charter?

- A County “Constitution” approved by the voters.
- The document which sets forth the structure of county government and whatever limitations on county government which the voters have elected to impose.
- Vests County Commission with authority to act directly from the Florida Constitution as opposed to via legislative authorization through F.S. 125.01.

Constitutional Difference vs. Practical Difference

- Art. VIII, §1(f) Non-charter government. Counties not operating under county charters ***shall have such power of self-government as is provided by general or special law***. The board . . . may enact . . . ordinances not inconsistent with general *or special law.*

- Art. VIII, §1(g) Charter government. Counties operating under county charters ***shall have all powers of local self-government not inconsistent with general law***, or with special law approved by vote of the electors. The [BOCC] . . . may enact . . . ordinances not inconsistent with general law.

- Current version of F.S. 125.01 is construed so broadly that there is little practical difference between activities charter and non-charter counties can engage in, ***aside from taxation and government structure***. Although, the Legislature can amend statute.

.

Compare Constitutional Language

"Thus, charter counties and non-charter counties apparently start from different poles in their relationships with legislative enactments. Both could, conceivably, be the same depending on the legislation adopted."

~Talbot "Sandy" D'Alemberte, Official Commentary to the 1968 Constitutional Revisions (see Fla. Stat. Annot.)

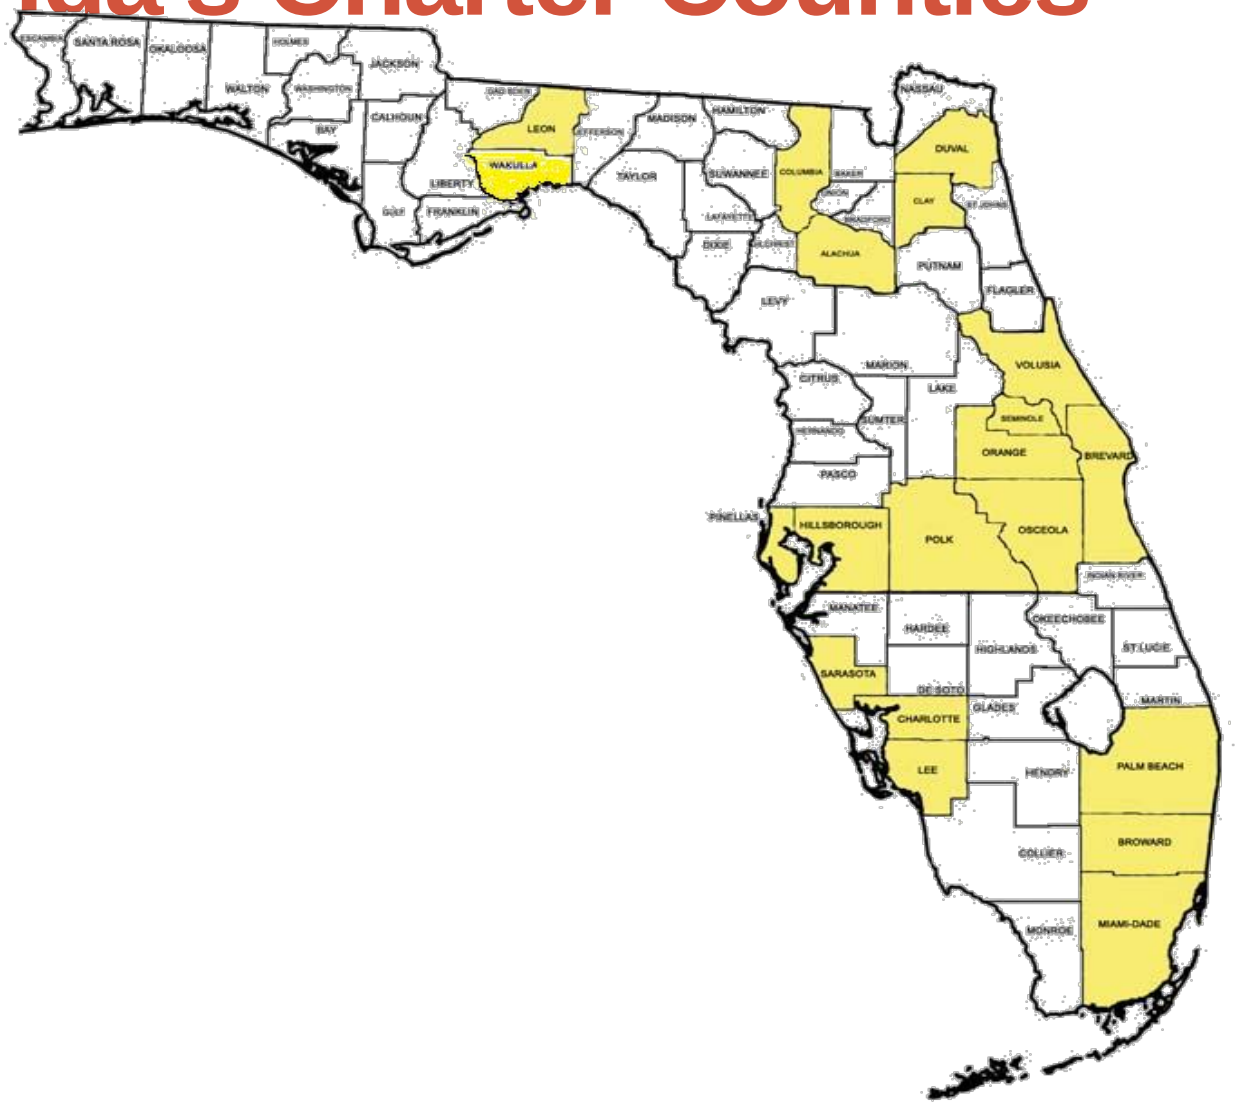
Take-Away from These Slides

- Home rule power of a charter county is implemented directly from the Florida Constitution…the People of Florida.

- Home rule power of a non-charter county is authorized by the Florida Constitution but is implemented by the Florida Legislature.

What can Charter Counties do differently?

- Restructure the form of county government away from default version to one determined locally.
- Eligible to levy additional types of taxes
  - Charter County Transportation Surtax – referendum required
  - Municipal Utilities Tax (aka Public Services Tax) – F.S. 166.231
- Recall of County Commissioners
- County ordinances could preempt municipal ordinances
- Requires referendum to approve Special Acts passed by the Legislature



Which Counties have Charters?

- Alachua
- Brevard
- Broward
- Charlotte
- Clay
- Columbia
- Duval
- Hillsborough
- Lee
- Leon
- Miami-Dade
- Orange
- Osceola
- Palm Beach
- Pinellas
- Polk
- Sarasota
- Seminole
- Volusia
- Wakulla

Dates of Formation

Year	County	Year	County
1957	Miami-Dade	1987	Orange
1968	Duval	1989	Seminole
1971	Sarasota	1991	Clay
1971	Volusia	1992	Osceola
1975	Broward	1994	Brevard
1980	Pinellas	1996	Lee
1983	Hillsborough	1998	Polk
1985	Palm Beach	2002	Columbia
1986	Charlotte	2002	Leon
1987	Alachua	2008	Wakulla

Florida's Charter Counties

Options for Proposing County Charter

- County Commission proposes via ordinance
- Charter Commission proposes charter to BOCC
  - Appointed by BOCC
  - Appointed by Legislative Delegation
  - Citizen Petition
- Special Legislative Act proposes charter commission:
  - Consolidation of the County & Key West, possibly all 5 cities
  - Monroe eligible under 1885 Constitution for consolidation with KW
- **All forms require voter approval via referendum**

Charter Formation

Special Act	Ordinance	Charter Commission
Duval	Alachua	Brevard
Pinellas	Hillsborough	Broward
Volusia	Lee	Charlotte
	Leon	Clay
	Orange	Columbia
	Osceola	Miami-Dade
	Palm Beach	Polk
	Seminole	Sarasota
	Wakulla	

Comparing the 2 realistic options

County Commission

- Simpler, less formal
- No operational review
- BOCC drafts charter
- BOCC has discretion when to schedule referendum
  - Could be held at regularly scheduled election

Charter Commission

- Formal process & rules
- Operational review required
- Panel drafts charter
- Special election required within 45-90 days after Charter Commission submits to BOCC
  - Could require special election which costs @ $165,000 & low turnout

Drafting the Charter

County Commission
F.S. 125.80 – 125.88

- BOCC drafts via ordinance
- Citizen input through normal public hearing process
- Option to appoint an advisory panel to help
- No time limits
- No review process required
- BOCC has discretion when to schedule referendum

Charter Commission
F.S. 125.60 – 125.64

- Charter Commission drafts
- Panel of 11, 13, or 15
  - No Commissioners or Legislators
  - Volunteers but expenses paid
  - Appointed by BOCC or by Legislative Delegation
- May employ staff & experts
- May lease or buy equipment
- **MUST** conduct *thorough* study of county government
- 18 months to complete task
- **MUST** hold public hearings
- BOCC **MUST** schedule referendum within 45-90 days of presentation

Monroe County's Process

- BOCC initiated effort
- BOCC will consider an ordinance proposing charter
- Public will have input through:
  - **Public hearing process required for all ordinances**
  - Citizens Advisory Board? TBD
  - BOCC Workshop Session? TBD
- **Target date for referendum on charter is 11/5/2024**
  - General Election – all voters eligible to vote, regardless of party
  - Historically, largest turnout on presidential elections

Restructure County Government

- Determine form of government including legislative and executive functions
- Defines method of electing County Commissioners
- Impose conditions and terms limits on Commissioners
- Could authorize citizen initiatives to amend charter & code

Method of Electing County Commissioners

- District types
  - At-large districts voted by entire county
  - Single member districts voted only by district residents
  - Mixture of districts and at large

- Number of Districts
  - Charter can set number of Commissioners
  - Charter Counties have 5, 7, 9, 13, and 19 member Commissions

- **BOCC has directed me to make as few changes to County operations as possible so draft charter will propose retaining current structure.**

Conditions & Limitations on Office Holders

- A charter can impose conditions and limitations on officer holders in addition to those imposed by Constitution
  - Term limits
  - Salaries other than those set forth in statutory formulas
  - Maybe more
    - Campaign finance limits??
    - Professional qualifications??

Form of Government: 3 Choices

- **County Executive Form**
  - Elected BOCC serves as Legislature
  - Elected County Executive has veto power & executive duties

- **County Manager Form – Closest to Monroe's current form so draft charter will include this as suggested form.**
  - Elected BOCC serves as Legislature
  - Appointed County Manager shall exercise executive duties assigned in charter vs. by the BOCC

- **County Chair-Administrator Plan**
  - Elected BOCC
  - County Mayor elected directly and only votes to break ties
  - County Mayor appoints County Manager
  - County Mayor exercises executive power along with Manager
  - County Mayor could have veto power

Additional Taxing Options

- **Charter County Transportation System Surtax per F.S. 212.055**
  - Up to 1% sales tax
  - Countywide bus system and/or rail systems
  - Road and bridge construction, operation, and maintenance

- **Municipal Utility Tax per F.S. 166.231**
  - A charter county "may levy a tax on the purchase of electricity, metered natural gas, liquefied gas either metered or bottled, manufactured gas either metered or bottled, and water service."

- **Charter counties** are treated like **municipalities** with respect to the **ability to levy taxes**.

Constitutionals Remain Independent

- Currently 5 County Constitutional Officers who draw their authority directly from Constitution, not from BOCC
  - Clerk, Property Appraiser, Sheriff, Supervisor of Elections, Tax Collector

- In 2018, voters approved Amendment X which amended Art. VIII, Section 1(d) of the Florida Constitution to say:

"a county charter ***may not*** ***abolish*** the office of a sheriff, a tax collector, a property appraiser, a supervisor of elections, or a clerk of the circuit court; ***transfer the duties*** of those officers to another officer or office; ***change the length*** of the four-year term of office; or ***establish any manner of selection*** other than by election by the electors of the county."

Recall of County Commissioners

- **F.S. 100.361 establishes mandatory recall process for Commissioners:**
  - Petitions must be signed by 5% of electorate as of last election
  - 30 days to garner signatures on petitions and submit
  - Officer holder can submit a defensive statement
  - Document entitled “Recall Petition and Defense” printed (2nd petition)
  - Recall organizers have 60 days to get 15% of electorate to sign 2nd petition
  - Supervisor of Elections verifies signatures for both petitions
  - Chief Judge sets election date between 35 to 65 days after SOE gives notice to official that 15% of electorate’s signatures on 2nd petition verified.

Exclusive Grounds for Recall

- Malfeasance
- Misfeasance
- Neglect of duty
- Drunkenness
- Incompetence (unclear if statute means mental or performance)
- Permanent inability to perform duties
- Felony conviction involving moral turpitude (broadly defined in other contexts to mean crimes constituting one’s duties in dealings with members of society)

More about Recalls

- Historically, Charter Counties have seen few recalls.
  - Threat of a recall often viewed as sufficient enough to motivate a more responsive commission.

- Miami-Dade County can have different rules
  - Miami-Dade's Charter precedes 1968 Constitution so Courts have held that Miami-Dade's recall process can differ from the statute.

- Want to know more about how a recall effort works? Watch the process currently playing out in Islamorada.

Citizen Initiative and Binding Referenda

- In non-charter county, all legislative power vested in County Commission except where a statute mandates a vote of the electorate through a binding referendum.

- County Charter can:
  - Provide for process where citizens can initiate changes to charter and/or county code through petition process
    - Bypassing County Commission
  - Require voter approval on certain topics via binding referendum
  - Subject matter of initiative may be limited by the Charter
  - County Charter must establish the process

- **BOCC has given no direction on this yet**.

Pre-emption of Municipal Ordinances

- Non-charter counties can pass an ordinance on most subjects with county-wide application but municipalities can opt out.

- County Charter can opt to make County ordinances:
  - Superior to all municipal ordinances
  - Inferior to all municipal ordinances (default)
  - Superior on only certain subject matters

- **BOCC directed staff to draft charter that retains municipal authority to opt out of County Ordinances – retain *status quo*.**

So why is the BOCC proposing a charter?

- To be able to raise fund for road improvements & transportation programs via Charter County Transportation Surtax @ 2/3 paid for by tourists.
  - Aging Bridges
  - Sunny day tidal flooding
  - Reduce traffic on U.S. 1
- Tried & failed to convince Legislature to:
  - amend transportation tax to open it non-charter counties.
  - create a new type of tax related to sustainability efforts
- Explored partnering with the South Florida Regional Transit Authority (TriRail) but
  - annual contribution of at least $4.5 million
  - Place transit decisions in hands of board of mainlanders.

So why is the BOCC proposing a charter?

- To be able to raise & leverage funds for road improvements & transportation programs via Charter County Transportation Tax
  - Repair & maintain 40+ County bridges
  - Road elevation projects to address flooding
  - Transit program to reduce traffic on U.S. 1
- 1 cent Infrastructure sales tax, @ 2/3 paid for by tourists
- State estimate for FY 23-24, $60 million Countywide

F.S. 212.055(1)(a) & (b) – Tax & Rate

(a) **Each charter county that has adopted a charter**, each county the government of which is consolidated with that of one or more municipalities, and each county that is within or under an interlocal agreement with a regional transportation or transit authority created under chapter 343 or chapter 349 may levy a discretionary sales surtax, **subject to approval by a majority vote of the electorate** of the county **or by a charter amendment approved by a majority vote of the electorate of the county**.

(b) The rate shall be up to 1 percent.

F.S. 212.055(1)(c) – how adopted

- (c) 1. The proposal to adopt a discretionary sales surtax as provided in this subsection and to create a trust fund within the county accounts shall be placed on the ballot in accordance with law and **must be approved in a referendum held at a general election** in accordance with subsection (10).

- 2. If the proposal to adopt a surtax is by ***initiative*** . . . not applicable because **BOCC plans to propose at general election in November 2026 if charter passes.**

F.S. 212.055(1)(d)1.a. - Uses

- (d) 1. Except as set forth in subparagraph 2., proceeds from the surtax shall be applied to as many or as few of the uses enumerated below in whatever combination the county commission deems appropriate:

- a. Deposited by the county in the trust fund and shall be used for the purposes of development, construction, equipment, maintenance, operation, supportive services, including a countywide bus system, on-demand transportation services, and related costs of a fixed guideway rapid transit system;

F.S. 212.055(1)(d)1.b. – RTA uses

- b. Remitted by the governing body of the county **to an expressway, transit, or transportation authority created by law to be used, at the discretion of such authority**, for the development, construction, operation, or maintenance of roads or bridges in the county, for the operation and maintenance of a bus system, for the operation and maintenance of on-demand transportation services, for the payment of principal and interest on existing bonds issued for the construction of such roads or bridges, and, upon approval by the county commission, such proceeds may be pledged for bonds issued to refinance existing bonds or new bonds issued for the construction of such roads or bridges; and

- not applicable

F.S. 212.055(1)(d)1.c. 1st sentence Approved Uses by County

- ***Used by the county for***

  - the planning, development, construction, operation, and maintenance of ***roads and bridges*** in the county;

  - for the planning, development, expansion, operation, and maintenance of ***bus and fixed guideway systems***;

  - for the planning, development, construction, expansion, operation, and maintenance of ***on-demand transportation services***; and

  - for the **payment of principal and interest on bonds issued** for the construction of fixed guideway rapid transit systems, bus systems, roads, or bridges; and such proceeds may be pledged by the governing body of the county for bonds issued to refinance existing bonds or new bonds issued for the construction of such fixed guideway rapid transit systems, bus systems, roads, or bridges.

F.S. 212.055(1)(d)1.c. 2nd & 3rd sentences – Share with Municipalities

- Pursuant to an interlocal agreement entered into pursuant to chapter 163, the governing body of the county ***may*** **distribute proceeds from the tax to a municipality**, or an expressway or transportation authority created by law to be expended for the purpose authorized by this paragraph.
- Any county that has entered into interlocal agreements for distribution of proceeds to one or more municipalities in the county **shall revise such interlocal agreements no less than every 5 years** in order to include any municipalities that have been created since the prior interlocal agreements were executed.

F.S. 212.055(1)(d)2.
Applies to Miami-Dade County Only

- 2. a. To the extent not prohibited by contracts or bond covenants in effect on that date, **a county as defined in s. 125.011(1)** shall use proceeds from the surtax only for the following purposes:
- (I) The planning, design, engineering, or construction of fixed guideway rapid transit systems, rail systems, and bus systems, including bus rapid transit systems, and for the development of dedicated facilities for autonomous vehicles as defined in s. 316.003.
- (II) The acquisition of rights-of-way for fixed guideway rapid transit systems, rail systems, and bus systems, including bus rapid transit systems, and for the development of dedicated facilities for autonomous vehicles as defined in s. 316.003.
- (III) The purchase of buses or other capital costs for bus systems, including bus rapid transit systems.
- (IV) The payment of principal and interest on bonds previously issued related to fixed guideway rapid transit systems, rail systems, or bus systems.
- (V) As security by the governing body of the county to refinance existing bonds or to issue new bonds for the planning, design, engineering, or construction of fixed guideway rapid transit systems, rail systems, bus rapid transit systems, or bus systems.
- (VI) For the operation and maintenance of fixed guideway rapid transit systems and bus routes or extensions thereof, including bus rapid transit systems, which were implemented or constructed subsequent to the passage of the surtax, and for operation and maintenance of services authorized by electors in passing the surtax or included in the ordinance authorizing the levy of the surtax subject to the electorate's approval.
- b. To the extent not prohibited by contracts or bond covenants in effect on October 1, 2022, no more than 25 percent of the surtax proceeds may be distributed to municipalities in total in a county as defined in s. 125.011(1). Such municipalities may use the surtax proceeds to plan, develop, construct, operate, and maintain roads and bridges in the municipality and to pay the principal and interest on bonds issued to construct roads or bridges. The governing body of the municipality may pledge the proceeds for bonds issued to refinance existing bonds or new bonds issued to construct such roads or bridges. Additionally, each such municipality may use surtax proceeds for transit systems within the municipality.

"County" as defined in F.S. 125.011(1) = Miami Dade *ONLY*

F.S. 125.011. As used in ss. 125.011-125.019:

(1) **"County"** means any county **operating under a home rule charter adopted pursuant to ss. 10, 11, and 24, Art. VIII of the State Constitution of 1885, as preserved by Art. VIII, s. 6(e) of the State Constitution**, which county, by resolution of its board of county commissioners, elects to exercise the powers herein conferred.

10 – Monroe County (non-charter County)

11 – Miami Dade County – charter predates 1968 Const. so adopted under 1885 Const.

24 – Hillsborough County (Charter adopted under 1968 Const.)

"Dade, Hillsborough, and Monroe Counties potentially meet this definition, but only Dade County has adopted a home-rule charter [under the 1885 Constitution]." *Golden Nugget Group v. Metropolitan Dade County*, 464 So.2d 535 (Fla. 1985).

F.S. 212.055(1)(e) & (f)

- (e) As used in this subsection, the term "**on-demand transportation services" means** transportation provided between flexible points of origin and destination selected by individual users with such service being provided at a time that is agreed upon by the user and the provider of the service and that is not fixed-schedule or fixed-route in nature.

- (f) Any discretionary sales surtax levied under this subsection pursuant to a referendum held on or after July 1, 2020, **may not be levied for more than 30 years**.

F.S. 212.055(11) – Performance Audit

(a) To adopt a discretionary sales surtax under this section, an independent certified public accountant licensed pursuant to chapter 473 shall conduct a performance audit of the program associated with the proposed surtax.

(b) 1. **At least 180 days before the referendum is held**, the county or school district shall provide a copy of the **final resolution or ordinance to the Office of Program Policy Analysis and Government Accountability**.

2. Within 60 days after receiving the final resolution or ordinance, the Office of Program Policy Analysis and Government Accountability shall procure the certified public accountant and may use carryforward funds to pay for the services of the certified public accountant.

3. At least 60 days before the referendum is held, the performance audit must be completed and the audit report, including any findings, recommendations, or other accompanying documents, must be made available on the official website of the county or school district.

4. The county or school district shall keep the information on its website for 2 years from the date it was posted.

5. The failure to comply with the requirements under subparagraph 1. or subparagraph 3. renders any referendum held to adopt a discretionary sales surtax void.

(c) For purposes of this subsection, the term “performance audit” means an examination of the program conducted according to applicable government auditing standards or auditing and evaluation standards of other appropriate authoritative bodies. At a minimum, a performance audit must include an examination of issues related to the following:

- 1. The economy, efficiency, or effectiveness of the program.
- 2. The structure or design of the program to accomplish its goals and objectives.
- 3. Alternative methods of providing program services or products.
- 4. Goals, objectives, and performance measures used by the program to monitor and report program accomplishments.
- 5. The accuracy or adequacy of public documents, reports, and requests prepared by the county or school district which relate to the program.
- 6. Compliance of the program with appropriate policies, rules, and laws.

(d) This subsection does not apply to a referendum held to adopt the same discretionary surtax that was in place during the month of December immediately before the date of the referendum.

Transportation Surtax Timeline

- Presumes 50% +1 of the voters approve charter 11/5/24.
- Referendum on transportation surtax 11/3/26 at earliest.
- No later than 180 days prior to election (5/6/26), BOCC submits ordinance proposing tax to Office of Program Policy Analysis and Government Accountability (OPPAGA)
- OPPAGA audit must be completed 60 days prior to 11/3/26 general election (9/4/26) and posted on County's website.

Alternatives to Transportation Surtax

- Find the money elsewhere
  - Grants – usually require a local match
  - Property Taxes
  - MSBU - Non ad valorem assessments – fix amount like solid waste
  - MSTU - additional tax paid by benefited neighborhood

- Scale back or don’t do projects
  - Traffic congestion continues
  - Some roads continue to get flooded
  - County bridges get repaired & upgrade through other funding sources, leaving less funds for other road projects.

Citizen Questions

- Q. **Can a charter county change how taxes are currently earmarked? Decide how any new or existing taxes are used?**

- A. It depends on the tax at issue since the rules may differ based upon that specific tax.

  - For example, the Florida Supreme Court struck down Hillsborough County's Charter County Transportation Surtax because the charter provision limited how that tax money could be spent in a way that was narrower than the uses specified in the statute.
    - That statute specifically vests discretion in the BOCC to decide how those tax proceeds are spent on a yearly basis, provided that the expenditures fall within the categories authorized by statute.

Citizen Questions

- Q. Single district voting is allowed in a charter government. If such a provision is not included in the original charter, what would have to happen to allow it later?

- A. That can happen two different ways.
  - A charter amendment would be one way.
  - Statutory process in F.S. 124.011
    - Citizen petition with 10% of registered voters
    - Earliest primary, general or otherwise called special election

Citizen Questions

- Q. Can the county seat be changed under a charter?
  - If so, how?

- A. No & Yes. No, it can't be changed via the charter but it could still be changed under the statutory process set forth in chapter 138 of Florida Statutes. That chapter does not distinguish between charter and non-charter counties.
  - Petition to BOCC submitted by 1/3 of qualified electors
  - Archaic deadlines in statute don't account for vote by mail deadlines
  - If 3+ cities as choices, possibility of run off if no city gets 50%

- A charter provision that spells out a different process would be an example of one that is "inconsistent with general law."

Citizen Questions

- Q. Can a county charter require partisan elections for County officers, because some current charters do but others do not?

- A. No for County Constitutional Officers.
  - *Clerk, Property Appraiser, Sheriff, Supervisor of Elections & Tax Collector*
  - Amendment X & *Orange County v. Singh,* 268 So.3d 668 (Fla. 2019).

- Need to research this further for County Commissioners. Answer may be different since they would be “charter officers” under the charter, not constitutional officers. Old AGO agrees but it was issued pre-Singh decision.

Citizen Questions

- Q. May a county charter require a candidate for office reside in the County or BOCC district for at least 6 months prior to the qualifying date?

- A. No.
  - The Florida Supreme Court struck such a provision in Broward County's Charter for BOCC candidates. *Brinkmann v. Francois,* 184 So.2d 504 (Fla. 2016).
    - State law says must be resident at the time person takes office.
  - For the 5 Constitutional Officers can't be due to Amendment X.

Board of County Commissioners Meeting
November 8, 2023
Agenda Item Number: S1
2023-1701

BULK ITEM: No

DEPARTMENT: Parks and Beaches

TIME APPROXIMATE:

STAFF CONTACT: Suzi Rubio

AGENDA ITEM WORDING: A Public Hearing to consider an Ordinance amending Monroe County Parks and Beaches Summer Camp Ordinance No. 007-2023, changing all summer camp references to School Break Camp Program. Also, expanding days of camp offerings to include all designated Monroe County School District breaks and allowing daily fees to be charged as well as weekly fees.

ITEM BACKGROUND:
A main goal of the Parks & Beaches department is to provide high quality recreation programs at low cost throughout the Keys community. Staff created a summer camp program in early 2023. Staff has identified a need to expand programs for children and youth in the community beyond summer breaks and to include other Monroe County School District breaks.

The ordinance currently limits the department offering camps during the summer school break. Staff proposes an ordinance change reflecting the expansion to Monroe County School District designated breaks other than summer vacation time. Staff is also proposing allowing daily fees to be charged along with the weekly fees.

PREVIOUS RELEVANT BOCC ACTION:
6/21/23: MC BOCC held a public hearing and approved the ordinance amending Chapter 18, Parks and Recreation, of the Monroe County Code, to allow a broader age group to attend the summer camp program.
5/17/23: MC BOCC held a public hearing and approved the ordinance amending Chapter 18, Parks and Recreation, of the Monroe County Code, to create a Monroe County Summer Camp program; and allow fees to be charged for summer camp recreational services.
4/19/23: MC BOCC granted approval to advertise a Public Hearing to consider adoption of an Ordinance regarding Monroe County Parks and Beaches Summer Camp Program.

BUSINESS IMPACT ESTIMATE[1]

Meeting Date: 11/08/2023

Proposed Ordinance Title/Reference: Monroe County School Break Program

The Proposed Ordinance ☐ does ☒ does not fall under one of the following enumerated exceptions:[2]

- ☐ The proposed ordinance is required for compliance with Federal or State law or regulation;
- ☐ The proposed ordinance relates to the issuance or refinancing of debt;
- ☐ The proposed ordinance relates to the adoption of budgets or budget amendments, including revenue sources necessary to fund the budget;
- ☐ The proposed ordinance is required to implement a contract or an agreement, including, but not limited to, any Federal, State, local, or private grant or other financial assistance accepted by the county government;
- ☐ The proposed ordinance is an emergency ordinance;
- ☐ The ordinance relates to procurement; or
- ☐ The proposed ordinance is enacted to implement the following:
  a. Part II of Chapter 163, Florida Statutes, relating to growth policy, county and municipal planning, and land development regulation, including zoning, development orders, development agreements and development permits;
  b. Sections 190.005 and 190.046, Florida Statutes, regarding community development districts;
  c. Section 553.73, Florida Statutes, relating to the Florida Building Code; or
  d. Section 633.202, Florida Statutes, relating to the Florida Fire Prevention Code.

Summary of Proposed Ordinance and Statement of Public Purpose to be Served:

The proposed ordinance amends MCC Sec. 18-7 in order to expand Monroe County's current summer program to include all Monroe County School District breaks. The School Break programs would be available to youth residing within Monroe County. Currently, the ordinance allows for A Summer Camp which operates during the months of June, July, and August. The cost is $100.00 per child per week with the cost of each additional sibling being $50.00 per child.

The proposed ordinance amendment would allow for Monroe County Parks and Beaches to expand from only offering summer camps to allow school break programming during school breaks as designated by Monroe County School District. This will allow Monroe County Parks and Beaches to provide more recreational opportunities to youth within the county.

Additionally, based on the needs of the community the proposed ordinance amendment would allow for the County to collect a single day drop-in fee for all eligible participants who do not wish to attend for the entire week. The day drop-in fee would be $20.00 per child and each additional sibling shall be $10.00 per day.

[1] Business impact statement must be posted on the county's website no later than the date the notice of proposed enactment is published.

[2] F.S. 125.66(3)(c)(2023)

Estimate of Direct Economic Impact on Private/For Profit Businesses:

a. Estimate of Direct Business Compliance Costs: The collection of a per day drop-in fee and additional school break camps is not intended to impact any businesses in Monroe County.

b. New Charges/Fees on Businesses Impacted: The charges/fees are not intended to impact any businesses in Monroe County.

c. Estimate of Regulatory Costs: It is estimated this increase in the number of camps offered each year will add an additional $9,600.00 in annual recreation revenue.

Good Faith Estimate of Number of Businesses Likely Impacted: Monroe County staff estimates that the number of businesses likely impacted by this ordinance is none.

Any Additional Information:

ORDINANCE_____- 2023

AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AMENDING SECTION 18-7 OF THE MONROE COUNTY CODE TO CREATE A MONROE COUNTY PARKS AND BEACHES SCHOOL BREAK CAMP PROGRAM; AND ALLOW FEES TO BE CHARGED FOR SCHOOL BREAK CAMP RECREATIONAL SERVICES; AND PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF ALL ORDINANCES INCONSISTENT HEREWITH; PROVIDING FOR INCORPORATION INTO THE MONROE COUNTY CODE OF ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, under F.S. 125.01(1)(f), the Board of County Commissioners (BOCC) for Monroe County is granted the authority, among others, to provide parks, playgrounds and recreation areas; and

WHEREAS, the BOCC finds that public parks and recreation areas provide sites where the families and citizens of Monroe County can benefit from and engage in healthy recreational activities; and

WHEREAS, BOCC finds that the creation of programming at the County's parks and recreation are in the best interests of the citizens of Monroe County; and

WHEREAS, under F.S. 125.74(1)(g), the County Administrator has the authority to supervise the care and custody of all County property; and

WHEREAS, the County recognizes the importance of providing safe and fun school break activities for children and youth; and

WHEREAS, the County has identified a need for school break camp programing that offers a variety of educational and recreational activities for children and youth in the community; and

WHEREAS, the County desires to expand its camp programming from only summer camp to allow school break programming during school breaks as designated by the Monroe County School District; and

WHEREAS, based on the needs of the community, the County desires to clarify that a single day drop-in fee is allowed for those eligible participants who do not wish to attend the school break programming for an entire week; and

WHEREAS, the County is committed to promoting healthy lifestyles and fostering positive relationships among children and youth in the community.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, THAT THE MONROE COUNTY CODE OF ORDINANCES IS HEREBY AMENDED AS FOLLOWS:

[Proposed text changes are presented with underline to indicate additions and ~~strikethrough~~ to indicate deletions]

SECTION 1: The above recitals are true and correct and are incorporated herein by this reference.

SECTION 2: ARTICLE I. IN GENERAL shall be amended as follows by creating an additional separate section titled "Monroe County ~~Summer~~ School Break Camp Program" to include the following language as Sec. 18-7:

Sec. 18-7. – Monroe County ~~Summer~~ School Break Camp Program

(a) *Definitions*. The following words, terms, and phrases, when used in this Section, shall have the meanings ascribed to them in this subsection, except where the context clearly indicates a different meaning:

"~~Summer Camp~~ School Break Camp" ~~referred~~ refers to the Monroe County ~~Summer~~ School Break Camp Program hosted by the County that offers a variety of education and recreational activities for children and youth during designated Monroe County School District breaks. ~~summer months.~~

"Participant" refers to any eligible child or youth enrolled in ~~Summer~~ School Break Camp and, where applicable, parent or guardian of the child or youth.

"Staff" refers to the individuals who are employed by the county to operate and supervise the ~~Summer~~ School Break Camp program.

(b) *Establishment of* ~~Summer~~ School Break *Camp.* The County Administrator or his Designee shall establish and operate a ~~Summer~~ School Break Camp program for children and youth in the community.

(1) The ~~Summer~~ School Break Camp shall be open to children and youth between the ages of six (6) and seventeen (17) who reside within the unincorporated areas of Monroe County.

(2) The ~~Summer~~ School Break Camp ~~shall~~ may operate during school breaks ~~as~~ designated by the Monroe County School District. ~~the months of June, July and August.~~

(3) The ~~Summer~~ School Break Camp may be operated at more than one location. The location of the ~~Summer~~ School Break camp location(s) shall be at the discretion of the County Administrator or his Designee.

(4) The ~~Summer~~ School Break Camp Program shall be designed to provide participants with a variety of educational and recreational activities, including but not limited to sports, arts and crafts, nature exploration, team building exercises, and cultural experiences.

(c) *Enrollment.*

(1) Enrollment in the ~~Summer~~ School Break Camp program shall be open to all eligible participants on a first-come, first-served basis.

(2) The County shall reserve the right to limit the number of participants in the ~~Summer~~ School Break camp program.

(3) Enrollment shall be conducted through ~~an online~~ a registration system, and participants shall be required to submit a completed registration form and waiver to participate in the ~~Summer~~ School Break Camp.

(4) The County may provide scholarship opportunities for eligible low-income families who may not otherwise be able to afford the cost of ~~Summer~~ School Break Camp at the discretion of County Administrator or his Designee.

(d) *Fees and Expenses.*

(1) The County shall establish fees for participation in the ~~Summer~~ School Break Camp program, which shall be reasonable and shall cover the cost of materials, supplies, and staffing.

(2) Weekly camp fee will be $100.00 per child.

i. Each additional sibling shall be $50.00 per child per week.
ii. Daily Camp fees will be $20.00 per child.
iii. Each additional sibling shall be $10.00 per day.

(3) ~~Summer~~ School Break Camp weekly fees are offered at a fifty percent reduced rate for children who qualify for reduced school meals within the Monroe County School District.

(4) ~~Summer~~ School Break Camp weekly fees are offered at a fifty percent reduced rate for children of Monroe County BOCC employees.

(5) The County shall establish a budget for the ~~Summer~~ School Break Camp program, which shall include the cost of materials, supplies, staffing and any other expenses necessary for the operation of the program.

(e) *Staffing.*

(1) The County shall hire and train qualified staff to operate the ~~Summer~~ School Break Camp program.

(2) Staff shall be responsible for planning and implementing the educational and recreational activities, ensuring the safety and well-being of participants, and communicating with parents and guardians.

(3) All Staff shall undergo a Level 2 background check as defined in 435.04, Florida Statutes, prior to the start of employment with the ~~Summer~~ School Break Camp program.

(f) *Health and Safety.*

(1) The County shall establish policies and procedures to ensure the health and safety of participants in the ~~Summer~~ School Break Camp program.

(2) Participants shall be required to submit a completed medical form prior to the start of the ~~Summer~~ School Break Camp program.

(3) The County shall establish protocols for emergency situations, including but not limited to first aid, severe weather, and evacuation.

(g) *Liability and Insurance.*

(1) Participants and their parents or guardians shall be required to sign a waiver of liability prior to the start of the ~~Summer~~ School Break Camp program.

(2) Additional permissions from parents or guardians shall be required to transport participants from primary site to secondary sites.

SECTION 3: SEVERABILITY. If any portion of this ordinance is for any reason held invalid or declared to be unconstitutional, inoperative or void, such holding shall not affect the remaining portions of this ordinance. If this ordinance or any provision thereof shall be held to be inapplicable to any person, property or circumstances, such holding shall not affect its applicability to any other person, property or circumstances.

SECTION 4: CONFLICT WITH OTHER ORDINANCES. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

SECTION 5: INCLUSION IN CODE OF ORDINANCES. The provisions of this ordinance shall be included and incorporated in the Code of Ordinances of the County of Monroe, Florida, as an addition or amendment thereto, and shall be appropriately renumbered to conform to the uniform numbering system of the Code.

SECTION 6: TRANSMITTAL AND EFFECTIVE DATE. This Ordinance shall be filed with the Department of State and shall be effective as provided in F.S. 125.66(2).

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of said Board held on the _____ day of _____, 2023.

STAFF CONTACT: Judy Clarke

AGENDA ITEM WORDING: A Public Hearing to consider renaming Pimilico Lane in the Cross Key Waterway Estates Section 3 Subdivision in Key Largo to Pimlico Lane.

ITEM BACKGROUND:
Florida Statute 336.05 authorizes the Monroe County Board of County Commissioners to name streets and roads and Florida Statute 336.08 authorizes the Monroe County Board of County Commissioners to establish, locate, change or discontinue public county roads by resolution.

The residents of Pimilico Lane in the Cross Key Waterway Estates Section 3 Subdivision in Key Largo would like to change the name of the road to the more commonly accepted spelling of Pimlico Lane.

PREVIOUS RELEVANT BOCC ACTION:

RESOLUTION NO. -2023

A RESOLUTION BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AUTHORIZING THE RENAMING OF PIMILICO LANE TO PIMLICO LANE IN THE SUBDIVISION OF CROSS KEY WATERWAY ESTATES SECTION 3 PLAT BOOK 6 PAGE 61 IN KEY LARGO AND DIRECTING STAFF TO ERECT SIGNAGE AND PROVIDE THIS RESOLUTION TO THE COUNTY'S GIS DATABASE TO REFLECT THE RENAMING OF THE ROAD TO PIMLICO LANE

WHEREAS, Florida Statute 336.05 authorizes the Monroe County Board of County Commissioners to name streets and roads; and

WHEREAS, Florida Statute 336.08 authorizes the Monroe County Board of County Commissioners to establish, locate, change or discontinue public county roads by resolution; and

WHEREAS, Pimilico Lane, located in the Cross Key Waterway Estates Section 3 Subdivision Plat Book 6 page 61 in Key Largo, is more commonly spelled Pimlico; and

WHEREAS, the residents of Pimilico Lane would like to change the name to reflect the commonly accepted spelling; and

WHEREAS, in order to effectuate the renaming, staff is requesting passage of this resolution to approve the renaming of the road, and to authorize for signage to be erected in the name of Pimlico Lane and to direct staff to provide this Resolution to the County's GIS database so the name of Pimlico Lane will be reflected in the GIS database, which is the resource used by the post office and emergency services;

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA that the Monroe County Board of County Commissioners shall hereby:

1. Rename and recognize Pimlico Lane as the street name for which was previously platted as Pimilico Lane; and
2. Erect street signage in the name of Pimlico Lane; and
3. Direct Staff to provide this Resolution to the County's GIS database to allow for the name of Pimlico Lane to be reflected in the GIS database.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 8th day of November, 2023.
