Upon expiration of the policy period, we may transfer the policy to another insurer under the same ownership or management as Allstate. We will mail you notice at least 45 days before the end of the policy period of our intent to transfer the policy and of the premium, and the specific reasons for any increase in the premium.

If we do not intend to continue the policy beyond the current policy period, we will give you notice at least 45 days before the end of the policy period.

We will not refuse to renew or continue this policy solely because:

- You were convicted of one or more traffic violations which did not involve an accident or cause revocation or suspension of your driving privilege unless you have been convicted of, or plead guilty to: two such traffic violations within an 18-month period; three or more such traffic violations within a 36-month period; or exceeding the lawful speed limit by more than 15 miles per hour.
- You have had only one accident if we have insured the auto for a period of at least five years immediately preceding the renewal date.

We will mail any cancellation or non-renewal notice to you at your address shown on the Policy Declarations. Our mailing the notice of cancellation or non-renewal to you will be deemed proof of notice. A refund, if due, will be proportional to the time your policy has been in effect, but cancellation will be effective even though the refund is not made immediately.

- If you cancel, we will mail the unearned portion of any premium paid within 30 days after the effective date of cancellation or receipt of notice or request for cancellation, whichever is later.
- If we cancel, we will mail the unearned portion of any premium paid within 15 days after the effective date of cancellation.

If we mail a cancellation notice, after your policy has been in effect for 60 days, because you did not pay the required premium when due and you then tender payment by check, draft, electronic transaction, credit card or other remittance which is not honored upon presentation, your policy will terminate on the date and time shown on the cancellation notice and any notice we issue which waives the cancellation or reinstates coverage is void. This means that Allstate will not be liable under this policy for claims or damages after the date and time indicated on the cancellation notice.

Any unearned premium under $5.00 will be refunded only upon your request.

In the event we determine that you have been charged an incorrect premium for coverage requested in your application for insurance, we shall immediately mail you notice of any additional premium due us. If within 15 days of the notice of additional premium due (or a longer time period as specified in the notice), you fail to either:

- pay the additional premium and maintain this policy in full force under its original terms; or
- cancel this policy and demand a refund of any unearned premium;

then this policy shall be cancelled effective 15 days from the date of the notice (or a longer time period as specified in the notice).

How Auto Policies Are Surcharged

Listed below are the different surcharges we use to calculate your auto insurance premium in certain special cases:

- **Certified Risk Surcharge**—We will apply a surcharge to Bodily Injury Liability, Property Damage Liability, and Personal Injury Protection coverages because of certain risks, for which an insured person is required to complete and file either an "Owner's Certificate to Cover the Described Automobile Only" or an "Operator's Certificate to Cover the Operation of Any Automobile."

  These certificates are usually required for risks such as past convictions of driving under the influence of drugs or alcohol, leaving the scene of an accident, homicide or assault with an auto, speeding, or reckless driving.

If you have any question about whether your policy has been surcharged, or about any surcharges made to your policy, please contact your Allstate Agent.

Discounts Available With Auto Policies

The following are brief descriptions of the discounts we offer if you qualify and they are available for your Allstate policy. The enclosed Policy Declarations provides a listing of all the discounts which have been applied to your policy.

When you originally applied for your policy, your Allstate Agent took the necessary information from you to give you both the correct rate and all of the discounts you qualified for. However, your situation may have changed since then, so you may want to contact your Allstate Agent to confirm that he or she has all the correct, updated information concerning you and your family. This way you can be sure that you are receiving all of the discounts for which you are eligible.

- **Passive Restraint Discount**—You may be eligible for this discount if you insure an auto with airbags or factory installed automatic motorized seatbelts.

- **Defensive Driver Discount**—You may be eligible for this discount for any auto insured under your policy, as long as the principal operator of that auto:
  - is at least 55 years of age; and
  - has voluntarily attended and successfully completed a motor vehicle accident prevention course which is approved by the Florida Department of Highway Safety and Motor Vehicles; and
  - has not had a chargeable accident in the preceding three years. (not applicable for Allstate Property and Casualty policies)
- **Anti-Lock Brake Discount**—You may be eligible for this discount if you own and insure an auto which is equipped with a factory installed anti-lock braking system for Allstate Fire and Casualty and Allstate Property and Casualty policies.
  For Allstate Indemnity policies—You may be eligible for this discount if you own and insure an auto which is equipped with either:
  - a factory installed anti-lock brake system on all four wheels, or
  - a non-factory installed anti-lock brake system on two or four wheels.
- **Anti-Theft Discount**—If you own and insure an auto which is equipped with a qualifying anti-theft device that is properly installed and maintained in working condition, you may be eligible for this discount.
- **55 and Retired Discount**—This discount is offered to drivers who are at least 55 years of age, are not presently gainfully employed full time or seeking full time employment, and who meet other specifications.
- **Farm Discount**—You may be eligible for this discount if you are a farmer.
- **New Car Discount**—You may qualify for this discount if your vehicle is a current, first prior, or next subsequent model year and has not been previously titled.
- **FullPay**[SM] **Discount**—This discount is offered if you pay your entire policy premium by your renewal effective date.*
- **Allstate® Easy Pay Plan Discount**—This discount applies when the policy premium is paid through the Allstate® Easy Pay Plan.*
- **Multiple Policy Discount**—You may qualify for this discount if you currently have a Homeowners, Condominium Owners, Renters or Personal Umbrella (PUP) policy with Castle Key or another Allstate affiliate for Allstate Fire and Casualty policies.

  For Allstate Property and Casualty and Allstate Indemnity policies—You may qualify for this discount if you currently have a Renters policy with Castle Key or another Allstate affiliate.
- **Preferred Package Discount**—You may qualify for this discount if you own a residential property and insure more than one auto on this policy.
- **Allstate Auto/Life Discount**[SM] —You may qualify for this discount if you are the owner, insured or payor of a qualifying individual life insurance policy written prior to October 11, 2021, or mortgage term life insurance certificate written by an Allstate Agent prior to October 11, 2021.
- **Electronic Stability Control Discount**—This discount applies to vehicles equipped with electronic stability control.
- **Safe Driving Club Discount**—This discount is available to customers who have not been in an at-fault accident for a specific period of time.
- **Homeowner Discount**—This discount is available to our customers who currently own a home, townhouse, condominium, mobile home or manufactured home for Allstate Fire and Casualty policies.
- **Homeownership Discount**—You may be eligible for this discount if you own a home, townhome, condominium or mobile home in which you reside for Allstate Property and Casualty policies.

  For Allstate Indemnity policies—We offer a discount to policies in which the insured and/or spouse is able to provide sufficient proof that he/she owns a home, townhome, condominium, or mobile home.
- **Smart Student Discount**—This discount applies to young drivers who are unmarried, under the age of 25 and meet certain academic and other conditions.
- **Responsible Payer Discount**—You may be eligible to receive this discount simply by paying your premium on time.*
- **Early Signing Discount**—You may be eligible for this discount if the application for your policy is completed seven or more days before the policy effective date, and if your policy has prior insurance with no lapse in coverage at New Business for Allstate Fire and Casualty and Allstate Property and Casualty policies.

  For Allstate Indemnity policies—You may be eligible for this discount if the application for your policy is completed three or more days before the policy effective date at New Business, and if you have maintained at least six continuous months of liability insurance with no lapse in coverage at New Business.

- **Alert Driving Discount**—This discount is available to customers who have not been in a non-at-fault accident for a required period of time.
- **Risk Avoidance Discount**—Customers who have not had a claim under Comprehensive Coverage for a required period of time are eligible to receive this discount.
- **Drivewise®** —This discount is available to customers who participate in the Allstate Drivewise® Program. For more information regarding the program, please contact your Allstate Agent.*
- **eSmart Discount**—This discount is available to customers who participate in the ePolicy program.*
- **Resident Student Discount**—You may be eligible to receive a discount on certain coverages if a student insured by your policy lives away at school while the car he or she drives remains at home. The Resident Student Discount will be applied to the car insured under your policy that is driven by a student under the age of 25 who lives at a school, college, or other educational institution located more than 100 miles from where the car is garaged.
- **teenSMART™ Discount**—You may qualify for this discount if an operator insured on your policy is under the age of 21 and has successfully completed the teenSMART™ program.
- **Good Student Discount**—You may be eligible for this discount if the rated vehicle operator is unmarried, less than age 25, and meets certain academic requirements and other qualifications.
- **Premier Discount**—This discount applies to drivers who have been accident and violation free for 3 years and meet other qualifications.
- **Premier Plus Discount**—This discount applies to drivers who have been accident and violation free for 5 years and meet other qualifications.
- **Utility Discount**—This discount is available for most pick-up trucks.
- **Performance Discount**—You may be eligible to receive a discount on certain coverages such as Bodily Injury, Personal Property Damage Liability Insurance, Automobile Medical Payments, Auto Collision Insurance, Auto Comprehensive Insurance, and Personal Injury Protection if you meet the eligibility requirements. Please contact your agent for more details on how you may qualify.
- **Loyalty Discount**—You will be eligible for this discount if your policy remains active with Allstate Indemnity Company with no lapse in coverage during the preceding policy term.
- **The Good Hands People® Discount**—This discount applies when the named insured or spouse provides requisite proof that they are a qualified member of an approved group.

*This discount does NOT apply to the Allstate Fire and Casualty Insurance Company pay as you go telematics Policy.

Please remember that this outline contains just a brief summary of many of the provisions of your auto policy and that all coverages are subject to policy terms, conditions, limitations and availability. Please consult your policy for complete descriptions and details. If you have any questions regarding this outline of coverage, your auto policy or your other insurance needs, please contact your Allstate Agent.

Are You Eligible for New Discounts?

Did you know that you may now qualify for discounts that you previously were not eligible to receive? For instance, in many states, Allstate offers discounts for:

- Drivers who are age 55 and older who are no longer working;
- Young drivers, including students under the age of 25;
- Drivers who have completed approved driver training courses; and
- Drivers who also insure their homes with Allstate.

Please contact your Allstate representative for additional information about discount qualifications, as well as other discounts that may be available.

Other Allstate Companies also offer automobile insurance—giving you additional protection options

We want to make sure you know that automobile insurance is available from different Allstate-branded companies—each with its own mix of price and coverage options. Although your current policy is with Allstate Property and Casualty Insurance Company, automobile coverage from another Allstate-branded company can differ from your current policy in a number of ways, including:

- Price
- Coverage
- Features
- Discounts

Things To Consider When Comparing Insurance Policies

When comparing different policies, you may want to consider the following:

- **Price** – While another company may offer a lower premium today, the premium could change in the future. Be sure to consider this.
- **Policy Features and Benefits** – Some of the policy features and benefits that your current policy has may not be available or carry over to the new company. Also, the new policy might not provide the same level of benefits as your current policy. And if you leave Allstate Property and Casualty Insurance Company, you will not be able to return to that company or get the same rate.

Important Information About Uninsured Motorists Insurance

Please refer to the Uninsured Motorists Insurance limits on the attached Policy Declarations. And please read the information below regarding Uninsured Motorists Insurance to determine if you have the type of coverage you want.

What Does Uninsured Motorists Insurance Offer?

Uninsured Motorists Insurance provides protection, subject to the terms and conditions of your policy, for bodily injury sustained in an accident caused by the driver of an uninsured motor vehicle which includes:

- Motor Vehicles with no liability insurance in effect at the time of the accident,
- Hit-and-run motor vehicles,
- Motor vehicles insured by insurance companies that deny coverage,
- Motor vehicles insured by insurance companies that become insolvent within 4 years from the date of the accident (this coverage is excess over any obligations assumed by the Florida Insurance Guaranty Association to pay claims),
- An insured motor vehicle when the liability insurer thereof excludes liability coverage to a person who is not a member of your family whose operation of an insured vehicle results in injuries to you or a resident relative, and
- An underinsured motor vehicle which includes a motor vehicle whose liability limits are less than the amount of the damages the insured person is legally entitled to recover.

What Are Your Available Uninsured Motorists Insurance Options?

1. You may select Uninsured Motorists Insurance in an amount equal to your limits for bodily injury liability.
2. You may select Uninsured Motorists limits which are lower than your bodily injury liability limits.
3. Or, you may reject Uninsured Motorists Insurance.

Non-Stacked and Stacked Coverage Options

Your Policy Declarations show whether you have non-stacked or stacked Uninsured Motorists Insurance.

With non-stacked coverage, your Uninsured Motorists Insurance limits (if any) will not be added together to pay for damages you sustain in an accident. Therefore, if you are injured in a vehicle insured under your policy, Uninsured Motorists Insurance provides you with protection only to the extent of your coverage limits shown on your Policy Declarations for that vehicle. If you are injured in someone else's vehicle, or you are struck as a pedestrian, you may select the highest limits for Uninsured Motorists Insurance available on any one vehicle insured under your policy. You pay a reduced rate for non-stacked coverage compared to stacked coverage.

With stacked coverage, your Uninsured Motorists Insurance limits for each vehicle insured under your policy are added together (stacked) to pay for damages you sustain in an accident. Thus, the Uninsured Motorists Insurance limits available to you would automatically change during the policy period if you increase or decrease the number of vehicles insured under your policy.

Please contact your Allstate agent or contact us at 1-800 Allstate® (1-800-255-7828) if you would like to change any of your coverage options or if you have any questions about Uninsured Motorists Insurance. We can help you determine what coverages are available so you can select the coverage of your choice.

State-Required Information Regarding Mandatory Insurance Coverage

This notice is being provided for your information only. It's important that you understand what will happen if your auto policy is cancelled or non-renewed, or if you let your coverage lapse. If you have any questions after reading this notice, please do not hesitate to contact your agent.

We are obligated by law to report the cancellation or non-renewal of any auto policy which provides personal injury protection benefits to the Florida Department of Highway Safety and Motor Vehicles. If you fail to maintain personal injury protection and property damage liability insurance on a motor vehicle when required by law, you may lose your registration and driving privileges in the state.

If your registration and driving privileges are suspended, you may reinstate them by obtaining an auto insurance policy which includes personal injury protection coverage and property damage liability insurance, as required by law, and paying a nonrefundable reinstatement fee of $150.00. This fee will increase to $250.00 for a second reinstatement, and to $500.00 for each reinstatement after the second during the three years following the first reinstatement.

The coverages and the coverage limits currently provided by your policy are listed on the enclosed Policy Declarations. Please review your coverage information, and if you have any questions about your policy or your insurance coverage in general, please contact your agent.

You May Request That We Reorder Your Credit Report

Like many insurance companies, when we consider your eligibility for coverage, we review your credit report and base your premium partly on this information.

We reorder your credit report(s) every two years, but if you would like us to use updated credit information to determine your premium, you can request that we order it sooner.

The rate for your premium will only decrease or remain the same if we reorder your credit report. If your credit history has improved, we will adjust your premium. Please be aware that, depending on when you request a credit reorder, we may not be able to apply any premium change to this policy renewal; if so, it will take effect at your *next* policy renewal. Several factors, including any policy changes you might make, can also affect the amount of your premium.

You can learn more by visiting allstate.com. If you'd like us to use updated credit information to determine your premium, please call your agent.

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
Any person or organization that the Named Insured agreed to add as an additional insured in a written contract or written agreement that was fully executed by the Named Insured prior to the performance of the Named Insured's work that is the subject of such written contract or written agreement.
Location And Description Of Completed Operations:
Any location, and completed operations at such location, where required by the written contract or written agreement in which the Named Insured agreed to add the person or organization qualifying as an additional insured under this endorsement.

A. SECTION II – WHO IS AN INSURED is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for **bodily injury**, **property damage** or **environmental damage** caused, in whole or in part, by **your work** at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the **products-completed operations hazard**.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to **1. Limits of Insurance** in **SECTION III – LIMITS OF INSURANCE AND DEDUCTIBLE:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable Limits of Insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

All other terms and conditions remain the same.

This endorsement modifies coverage provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
CONTRACTORS ENVIRONMENTAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
Any person or organization that the Named Insured agreed to add as an additional insured in a written contract or written agreement that was fully executed by the Named Insured prior to the performance of the Named Insured's work that is the subject of such written contract or written agreement.	Any location where required by the written contract or written agreement in which the Named Insured agreed to add the person or organization qualifying as an additional insured under this endorsement.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. **SECTION II – WHO IS AN INSURED** is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for **bodily injury**, **property damage**, **environmental damage** or **personal and advertising injury** caused, in whole or in part, by:

1. Your acts or omissions; or

2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to **bodily injury**, **property damage** or **environmental damage** occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

WAIVER OF TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

This endorsement modifies coverage provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
CONTRACTORS ENVIRONMENTAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Person Or Organization:
Any person or organization that the "Named Insured" agreed to waive its rights of recovery against in a fully executed written contract.

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** condition of **SECTION IV – CONDITIONS**:

We waive any right of recovery we may have against the person or organization shown in the SCHEDULE above because of payments we make for injury or damage arising out of your negligence during:

1. Your ongoing operations; or

2. **Your work**;

performed under a written contract with such person or organization and included in the **products-completed operations hazard**. Such waiver by us applies only to the extent that the insured has waived its right of recovery against such person(s) or organization(s) in the written contract prior to loss. This waiver applies only to the person or organization shown in the SCHEDULE above.

All other terms and conditions remain the same.

AMENDMENT ONE TO CONTRACT FOR UPDATES OF 2009 GEOSPATIAL LAND COVER DATASET AND TIER OVERLAY DISTRICT MAPS FOR THE FLORIDA KEYS BETWEEN MONROE COUNTY AND TERRAMAR ENVIRONMENTAL SERVICES INC.

This Amendment One to Contract for Updates of 2009 Geospatial Land Cover Dataset and Tier Overlay District Maps for the Florida Keys ("Amendment One") is made and entered into this 25th day of March, 2025 by and between MONROE COUNTY ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida, 33040, through the Monroe County Board of County Commissioners ("BOCC"),

AND

Terramar Environmental Services, Inc. ("CONSULTANT"), whose address is 1241 Crane Boulevard, Sugarloaf Key, FL 33042.

WITNESSETH:

WHEREAS, the COUNTY and Terramar Environmental Services, Inc. ("CONSULTANT") entered into a Contract for Updates of 2009 Geospatial Land Cover Dataset and Tier Overlay District Maps for the Florida Keys ("AGREEMENT") on November 15, 2022, with a termination date of April 30, 2024; and

WHEREAS, Monroe County 2030 Comprehensive Plan Policy 106.1.2 requires Monroe County to establish a Tier Designation Review Committee (TDRC) Work Group to consist of representatives selected by the Florida Department of Commerce (formerly Florida Department of Economic Opportunity (DEO)) from Monroe County, Florida Fish & Wildlife Conservation Commission, United States Fish & Wildlife Service, Department of Environmental Protection and environmental and other relevant interests. The TDRC shall be tasked with the responsibility of tier designation review utilizing the criteria for tier placement and best available data to recommend amendments to ensure implementation of and adherence to the Florida Keys Carrying Capacity Study; and,

WHEREAS, the Florida Department of Commerce has not selected representatives for the TDRC; and,

WHEREAS, the AGREEMENT included a Scope of Services (Exhibit A), with required deliverables; and,

WHEREAS, CONSULTANT has met all deliverables except E4 ("Technical Support for up to six (6) TDRC meetings over a six month period") (Subtask 1.3.7) and E2 ("A Final Report detailing changes in Land Cover by habitat type and reason for the change…") (Subtask 1.3.8). CONSULTANT has been unable to complete these deliverables due to the delay in selecting representatives for the TDRC, outside of the control of the CONSULTANT and the COUNTY; and,

WHEREAS, the AGREEMENT needs to be amended to eliminate Scope of Service Paragraph D and deliverable E4 (Subtask 1.3.7). Since this deliverable is dependent on Florida Department of Commerce selecting representatives for the TDRC, the parties cannot know when these meetings will be held; and,

WHEREAS, the AGREEMENT needs to be retroactively extended from April 30, 2024, to April 30, 2025, to give CONSULTANT time to complete deliverable E2 (Subtask 1.3.8).

NOW THEREFORE, in consideration of the mutual promises contained herein, the AGREEMENT is amended as follows:

Section 1. Recitals and Legislative Intent. The Foregoing recitals, findings of fact, and statements of legislative intent are true and correct and are hereby incorporated as if fully stated herein.

Section 2. The AGREEMENT is amended as follows:

Section 3. TERM OF AGREEMENT

3.1 Except as noted below, this Agreement shall begin on the 23rd day of November, 2022 and will conclude with delivery of the deliverables outlined in Section 1 and the Amended Exhibit A of this Agreement. The end date of the Agreement is extended from April 30, 2024, to April 30, 2025.

Section 7. NOTICES
Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage pre-paid to the other party by certified mail, return receipt requested, to the following:

For the COUNTY:
Christine Hurley, County Administrator
1100 Simonton St.
Key West, FL 33040

For the CONSULTANT:
Terramar Environmental Services, Inc.
1241 Crane Blvd.
Sugarloaf Key, FL 33042

Section 22. FLORIDA PUBLIC RECORDS LAW
Public Records Compliance. Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24, Article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents,

records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Section 119.0701, Florida Statutes and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT PHONE# 305-292-3470 OR PUBLICRECORDS@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

Section 36. E-VERIFY SYSTEM

Beginning January 1, 2021, in accordance with F.S. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095.

Exhibit A, "Scope of Services," including the Cost Proposal chart, is amended as attached herein.

The remainder of the terms and conditions of the AGREEMENT remain unchanged by this Amendment, and continue in full force and effect.

IN WITNESS WHEREOF, each party caused this Amendment One to the Agreement to be executed by its duly authorized representative.

AMENDED EXHIBIT A
SCOPE OF SERVICES

SCOPE OF WORK

The project consists of:

A. Updates to the existing land cover classification described above to meet the needs of the Planning & Environmental Resources Department utilizing the 2022 digital orthophotography described in 1.04.

B. Perform quality control and quality assurance (including grouncltruthing of digital orthophotograph land cover signatures) to determine the accuracy of the final land cover dataset. The quality control and quality assurance and cover and classification delineation techniques will be summarized in a written report.

C. Tier Mapping. Consultant shall review existing Tier Overlay District maps and make recommendations for revisions or amendments in accordance with Comprehensive Plan Policy 106.1.1 and Monroe County Land Development Code Chapter 130-130 (c). Prior to Monroe County processing updates to the Land Development Code Tier (Zoning) Overlay District Map, the Consultant shall evaluate the listed threatened and endangered species (as of 2022) and the criteria included in Policy 205.1.1 (Tier Overlay District designation criteria) to determine if amendments are required to further protect and enhance native upland vegetation.

D. Deliverables at a minimum shall include:

1. Habitat mapping: a GIS File Geodatabase containing the land cover dataset compatible with ArcGIS 10.8.1 and ArcGIS Pro 2.7.2 or most recent version and associated metadata file. The data will be in the NAD 1983 (2011) State Plane Florida East coordinate system, in units of US Survey Feet.
2. A Final Report detailing changes in Land Cover by habitat type and reason for the change (eg: development, mapping error, environmental conditions, etc). The Final Report shall include a review of the QA/QC procedures and will address issues encountered with polygon classification such as photo quality, signature variance or misinterpretations of mapping units, etc.
3. Preliminary Tier Overlay District map amendment recommendations

The County shall own the deliverables, and shall have sole rights to reproduce and sell any data or derivative information, and Respondent shall have no copy right or right to sell the data set or derivative of the data set resulting from this RFP.

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: J9
2023-3893

BULK ITEM: No

DEPARTMENT: County Attorney

TIME APPROXIMATE: No.

STAFF CONTACT: Kelly Dugan

AGENDA ITEM WORDING: Approval of a Resolution eliminating the Implementation Plan for the Monroe County Flood Inspection and Compliance Program, commonly referred to as the "remedial plan," rescinding Exhibit 1 of Resolution No. 193-2014, directing County staff to prepare amendments to the Monroe County Code of Ordinances and Land Development Code to eliminate the size restriction of 299 square feet for enclosed areas below elevated buildings to be used for limited storage, parking or building access only, the required inspections of enclosed areas below elevated residential structures prior to the transfer of ownership, the Floodplain Certificate of Compliance Program, and any other code provisions related to the "remedial plan," and approval to advertise those amendments.

ITEM BACKGROUND:

The Board of County Commissioners (BOCC) adopted Resolution No. 080-2002 on February 13, 2002, committing to implement an “Inspection Procedure” to identify and reduce potential damage to noncompliant buildings and financial exposure to the National Flood Insurance Program (NFIP), and to ensure Monroe County remained eligible for the Federal Emergency Management Floodplain Management Program. The BOCC adopted Resolution No. 115-2002 on March 20, 2002, adopting the first iteration of the “Implementation Plan for Monroe County Flood Insurance Inspection and Compliance Program” (Implementation Plan), commonly referred to as the "remedial plan" (Exhibit 1 to Resolution No. 115-2002). The Implementation Plan was amended by Resolution No. 187-2002 on April 17, 2002, by Resolution No. 152-2003 on April 16, 2003, and by Resolution 440-2011 on December 14, 2011.

The BOCC adopted the most recent amendment of the Implementation Plan via Resolution No. 193-2014 on August 20, 2014, which included five (5) “actions to ensure no new additional illegal structures:" Inspection on Transfer of Ownership Program; Limited Square Footage below Base Flood Elevation (Maximum of 299 square feet); Chapter 122 Land Development Code Floodplain Regulations, as may be amended from time to time to maintain consistency with FEMA Federal Regulations and State of Florida Building Regulations; Certificate of Compliance Program; Inadvertent

observation of illegal structures below base flood elevation.

Monroe County successfully closed a series of Community Assistance Visits (CAVs) in November 2015 and was invited to join the NFIP Community Rating System (CRS). Since entering the CRS program at a Class 6 in 2016, Monroe County has worked to improve its rating, achieving a Class 3 rating in 2022, which the County has maintained since. Monroe County received favorable outcomes from CAVs in 2016 and 2022.

The BOCC, pursuant to its legislative authority under Article VIII, Section 1 of the Florida Constitution and Chapter 125, Florida Statutes, enacted Ordinance 026-2022 on November 15, 2022, updating Monroe County's floodplain management chapter to be consistent with the State Floodplain Management Office's Model Floodplain Management Ordinance. As enacted via Ordinance 026-2022, Monroe County now requires nonconversion agreements for enclosed areas below elevated buildings (See Monroe County Land Development Code (MCLDC) Sections 122-11(d)(8), (i), and 122-25(b)(4)). The required nonconversion agreements have proven to be more effective than the actions required under the 2014 Implementation Plan.

On March 26, 2025, at the direction of the BOCC, County staff met with representatives for FEMA in Atlanta, GA, and discussed and agreed that the nonconversion agreement requirement meets the intent of the previous requirements of the 2014 Implementation Plan. On March 28, 2025, FEMA issued a letter to the County stating its approval for the elimination of the 2014 Implementation Plan. FEMA acknowledged Monroe County's dedication to not only meeting minimum NFIP standards but those higher standards by which the County achieved a Class 3 CRS rating.

Since Monroe County will no longer be under the Implementation Plan, FEMA and the Florida Division of Emergency Management (FDEM) will add a compliance component to review a random sample of structures within Monroe County during the CAVs that are conducted for the Endangered Species Act, which take place at six-month intervals.

The elimination of the Implementation Plan will allow the County to update its floodplain regulations to eliminate the 299 square foot restriction for enclosed areas below elevated buildings. This includes, but may not be limited to, language within MCLDC Section 122-25(b) and Monroe County Code (MCC) Sections 6-147(b) and 6-148. The elimination of the Implementation Plan will also allow the County to eliminate the required inspections of enclosed areas below elevated residential structures, which includes but may not be limited to, MCLDC Section 122-15. The County will also eliminate other programs required by the Implementation plan, including the Certificate of Compliance program, which includes but may not be limited to MCLDS 122-16, along with any other programs in the code related to the 2014 Implementation Plan. This resolution directs County staff to prepare amendments to eliminate these requirements and grants permission to advertise those amendments.

PREVIOUS RELEVANT BOCC ACTION:
Resolution No. 080-2002, February 13, 2002, committed to implement an "Inspection Procedure" to identify and reduce potential damage to noncompliant buildings and financial exposure to the National Flood Insurance Program (NFIP), and to ensure Monroe County remained eligible for the Federal Emergency Management Floodplain Management Program.

Resolution No. 115-2002, March 20, 2002, adopted the first iteration of the “Implementation Plan for Monroe County Flood Insurance Inspection and Compliance Program” (Implementation Plan) (Exhibit 1 to Resolution No. 115-2002).

Resolution No. 187-2002, April 17, 2002, amended the Implementation Plan at request of FEMA.

Resolution No. 397-2002, September 18, 2002, extended compliance deadlines under the Implementation Plan for affordable housing.

Resolution No. 152-2003, April 16, 2003, major revision to the Implementation Plan, adopted the "299 rule" and "inspection upon transfer of ownership program."

Ordinance 037-2003, adoption of new floodplain rules consistent with 2003 Implementation Plan.

Resolution 440-2011 on December 14, 2011, amended Implementation Plan to reflect change in state law related to inspections.

Ordinance 010-2012, update to floodplain rules, removed flood inspection requirement to issue building permits (per state law), added Certificate of Compliance program.

Resolution 193-2014, August 20, 2014, amended Implementation Plan - current version.

Ordinance 026-2022, November 15, 2022, updated floodplain management chapter to be consistent with the State Floodplain Management Office's Model Floodplain Management Ordinance.

January 15, 2025, BOCC meeting, direction from BOCC for County staff to meet with FEMA in order to seek elimination of the Implementation Plan.

Re: Elimination of 2014 Implementation Plan for Monroe County Flood Inspection and Compliance program

Dear Ms. Hurley:

Thank you for taking the time to meet with me and my team at FEMA's regional office in Atlanta on March 26. We appreciate your partnership and share your commitment of keeping people safe during flooding events.

During the meeting, we discussed your request to eliminate the 2014 Implementation Plan, and we concur that the time has come for Monroe County to move forward.

Monroe County has demonstrated compliance with the minimum standards of the National Flood Insurance Program (NFIP), while also meeting the higher standards necessary for a Class 3 rating in the NFIP Community Rating System. I commend you and your team for the hard work and dedication to these efforts over the last decade.

Adopting stronger building codes and enforcing those requirements through code enforcement is the responsibility of the community.

As discussed, FEMA agrees that the non-conversion agreement adopted into the county's regulations meets the intent of the remedial plan to prevent habitable enclosures below elevated buildings. We also concur with your request to eliminate the requirement that limits the size of these lower enclosures to 299 square feet as long as the county continues to ensure the use of the space will be limited to storage, parking, and building access.

FEMA's floodplain management staff, in partnership with the Florida Division of Emergency Management, will add a compliance component to review a random sample of structures within the county during the Community Assistance Visits (CAVs) that are conducted for Endangered Species Act (ESA). These visits will take place in six-month intervals and serve a dual purpose of providing technical assistance to the community and assuring that the community is adequately enforcing its floodplain management regulations within the Special Flood Hazard Area.

Again, I want to thank you for your partnership, and I am so very pleased we have been able to work together to balance NFIP compliance requirements and the needs of Monroe County residents without compromising public safety.

If you have any questions please contact FEMA Region 4 Office, Jason Hunter, Floodplain Management and Insurance Branch Chief, at jason.hunter@fema.dhs.gov or call 404-909-6125.

Sincerely,

Robert D. Samaan

Resolution No. ___ - 2025

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, RESCINDING EXHIBIT 1 OF RESOLUTION NO. 193-2014, ELIMINATING THE IMPLEMENTATION PLAN FOR THE MONROE COUNTY FLOOD INSPECTION AND COMPLIANCE PROGRAM, DIRECTING STAFF TO PREPARE AMENDMENTS TO THE MONROE COUNTY CODE OF ORDINANCES AND LAND DEVELOPMENT CODE TO ELIMINATE THE SIZE RESTRICTION OF 299 SQUARE FEET FOR ENCLOSED AREAS BELOW ELEVATED BUILDINGS, TO ELIMINATE THE REQUIRED INSPECTIONS OF ENCLOSED AREAS BELOW ELEVATED RESIDENTIAL STRUCTURES PRIOR TO THE TRANSFER OF OWNERSHIP, TO ELIMINATE THE FLOODPLAIN CERTIFICATE OF COMPLIANCE PROGRAM AND TO ELIMINATE ANY OTHER CODE PROVISIONS RELATED TO EXHIBIT 1 OF RESOLUTION NO. 193-2014, AND APPROVAL TO ADVERTISE THOSE AMENDMENTS.

WHEREAS, the Board of County Commissioners (BOCC) adopted Resolution No. 080-2002 on February 13, 2002, committing to implement an “Inspection Procedure” to identify and reduce potential damage to noncompliant buildings and financial exposure to the National Flood Insurance Program (NFIP), and to ensure Monroe County remained eligible for the Federal Emergency Management Floodplain Management Program; and

WHEREAS, the BOCC adopted Resolution No. 115-2002 on March 20, 2002, adopting the first iteration of the “Implementation Plan for Monroe County Flood Insurance Inspection and Compliance Program” (Implementation Plan), commonly referred to as the “remedial plan” (Exhibit 1 to Resolution No. 115-2002); and

WHEREAS, the Implementation Plan was amended by Resolution No. 187-2002 on April 17, 2002, by Resolution No. 152-2003 on April 16, 2003, and by Resolution 440-2011 on December 14, 2011; and

WHEREAS, the BOCC adopted the most recent amendment of the Implementation Plan via Resolution No. 193-2014 on August 20, 2014, which included five (5) “actions to ensure no new additional illegal structures:” Inspection on Transfer of Ownership Program; Limited Square Footage below Base Flood Elevation (Maximum of 299 square feet); Chapter 122 Land Development Code Floodplain Regulations, as may be amended from time to time to maintain consistency with FEMA Federal Regulations and State of Florida Building Regulations; Certificate of Compliance Program; Inadvertent observation of illegal structures below base flood elevation; and

WHEREAS, Monroe County successfully closed a series of Community Assistance Visits (CAVs) in November 2015 and was invited to join the NFIP Community Rating System (CRS). Since entering the CRS program at a Class 6 rating in 2016, Monroe County has worked to improve its rating, achieving a Class 3 rating in 2022, which the County has maintained since; and

WHEREAS, Monroe County received favorable outcomes from CAVs in 2016 and 2022; and

WHEREAS, the BOCC, pursuant to its legislative authority under Article VIII, Section 1 of the Florida Constitution and Chapter 125, Florida Statutes, enacted Ordinance 026-2022 on November 15, 2022, updating Monroe County's floodplain management chapter to be consistent with the State Floodplain Management Office's Model Floodplain Management Ordinance; and

WHEREAS, as enacted via Ordinance 026-2022, Monroe County now requires nonconversion agreements for enclosed areas below elevated buildings (See Monroe County Land Development Code (MCLDC) Sections 122-11(d)(8), (i), and 122-25(b)(4)); and

WHEREAS, the required nonconversion agreements have proven to be more effective than the actions required under the 2014 Implementation Plan; and

WHEREAS, on March 26, 2025, County staff met with representatives for FEMA in Atlanta, GA, and discussed and agreed that the nonconversion agreement requirement meets the intent of the previous requirements of the 2014 Implementation Plan; and

WHEREAS, the BOCC seeks to eliminate the size restriction for enclosed areas and to allow enclosed areas below elevated buildings of any size for use as limited storage, parking or building access; and

WHEREAS, the BOCC seeks to eliminate the requirement for inspections of enclosed areas below elevated residential structures prior to the transfer of ownership; and

WHEREAS, the BOCC seeks to eliminate the Implementation Plan in its entirety, bringing unincorporated Monroe County in line with the municipalities within the County. This will also include the elimination of the Floodplain Certificate of Compliance Program and any other code provisions related to the 2014 Implementation Plan; and

WHEREAS, the BOCC maintains its commitment to enforce the County floodplain regulations; and

WHEREAS, the BOCC understands that FEMA and the Florida Division of Emergency Management (FDEM) will add a compliance component to review a random sample of structures within Monroe County during the CAVs that are conducted for the Endangered Species Act, which take place at six-month intervals; and

WHEREAS, on March 28, 2025, FEMA issued a letter to Monroe County stating its approval for the elimination of the 2014 Implementation Plan; and

WHEREAS, the BOCC directs County staff to begin the process to amend the County's Code of Ordinances and Land Development Code to eliminate the size restriction of enclosed areas below elevated buildings to 299 square feet, the required inspections of enclosed areas below elevated residential structures prior to the transfer of ownership, the Floodplain Certificate of Compliance program, and any other code provisions related to the 2014 Implementation Plan, and grants permission to advertise those amendments.

Now therefore, be it resolved by the Board of County Commissioners of Monroe County, Florida that:

Section 1. The BOCC hereby rescinds Exhibit 1 of Resolution No. 193-2014 "2014 Implementation Plan for the Monroe County Flood Inspection and Compliance Program."

Section 2. The BOCC hereby eliminates the "Implementation Plan for Monroe County Flood Insurance Inspection and Compliance Program," commonly referred to as the "remedial plan."

Section 3. Monroe County staff is directed to prepare amendments to the Monroe County Code of Ordinances and Land Development Code to:

1) Eliminate the size restriction of 299 square feet for enclosed areas below elevated buildings; and
2) Eliminate the required inspections of enclosed areas below elevated residential structures prior to the transfer of ownership.
3) Eliminate the Floodplain Certificate of Compliance Program.
4) Eliminate any other code provisions related to the 2014 Implementation Plan.

Section 4. Approval to advertise the amendments described in Section 3 is hereby granted.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 16th day of April, 2025, held in Marathon, Florida.

AGENDA ITEM WORDING: Approval of a one-year extension of the licensing agreement with DLT Solutions, LLC for Oracle Fusion Public Sector Community Development Cloud Service in the amount of $98,089.34.

ITEM BACKGROUND:
At its April 21, 2021, meeting, the BOCC approved an Agreement for Implementation of the Oracle Public Sector Compliance and Regulation Product. Per the Term of Agreement the County may renew after the initial three year term for incremental one-year extensions up to a maximum of five years. This Agreement represents the second (of a maximum of five) one-year extension. These licenses are necessary for access to the Cloud Service and provide assistance through both Oracle's Digital Assistant Platform and their Intelligent Advisor Cloud Service.

PREVIOUS RELEVANT BOCC ACTION:
At its April 21, 2021 meeting, the BOCC approved an Agreement for implementation of the Oracle Public Sector Compliance and Regulation Product (Item # C5). This approval included the subject licensing for the initial 36-month term.

At its April 17, 2024 meeting, the BOCC approved an Agreement for a one year extension.

MEMORANDUM
MONROE COUNTY INFORMATION TECHNOLOGY

To: OMB

From: Alan MacEachern A M
Director of Information Technology

Date: Thursday, April 3rd, 2025

RE: Oracle Permitting and Licensing Renewal–FY25

Information Technology is assisting Building & Permitting, Code Compliance and Planning and Environmental Resources in extending the licensing of the Oracle Permitting and Licensing application (OPAL) purchased from DLT Solutions, Inc (a value added reseller for OPAL).

DLT Solutions Inc. is our assigned value added reseller and has no ability to adjust our pricing – that is controlled from Oracle and is the same pricing regardless whether we were to select DTS, Oracle itself directly or another third party reseller. OPAL is critical software that has automated our permitting and code compliance processes. According to the Monroe County Purchasing Policy, Section 7.A.2.b:

“Where the procurement itself, due to the nature of the goods or services (i.e. in order to obtain conformity to existing contracted goods or services, in order to avoid the loss of warranty coverage, proprietary licensing, equipment capability, etc.), dictates sole source acquisition, the Requesting Department shall provide written justification as to the sole source nature of the procurement.”

The ability to use a sole source to avoid loss of maintenance and support is an approved usage. It is for this reason that we would like to request the ability to move forward with a sole source purchase utilizing this DTS quote for $98,089.34.

If you have any questions, please feel free to reach out to me,

AGREEMENT FOR IMPLEMENTATION OF THE ORACLE PUBLIC SECTOR COMPLIANCE AND REGULATION PRODUCT

This Agreement ("Agreement") made and entered into this 21st day of April, 2021 by and between Monroe County, a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida, 33040, its successors and assigns, hereinafter referred to as "COUNTY," through the Monroe County Board of County Commissioners ("BOCC"),

AND

DLT Solutions, LLC, a Foreign Limited Liability Company of the State of Florida, whose principal address is 2411 Dulles Corner Park, Suite 800, Herndon, VA 20171 its successors and assigns, hereinafter referred to as "DLT" or "CONTRACTOR",

WITNESSETH:

WHEREAS, the COUNTY is in need of a software product to be utilized by the building and code departments for processing and issuing of building permits, contractor licenses, code case, and other related functions, as the vendor for the current system in use has published an end of life support for the product; and

WHEREAS, County staff has research various products offered for this purpose and has determined the best option to meet the County's Building Department's needs is an Oracle software product;

WHEREAS, COUNTY desires to implement the Oracle Public Sector Compliance and Regulation (PSCR) product for building permitting and contractor licensing to be utilized by the COUNTY'S Building Department; and

WHEREAS, CONTRACTOR has agreed to implement the Oracle PSCR product through a True Cloud Method (TCM) implementation methodology which will be deployed for the functional areas of Building Permitting and Contractor Licensing and which shall collectively be referred to as the "Project"; and

WHEREAS, this Agreement will be utilizing cooperative purchasing and pricing through OMNIA Partners, a cooperative purchasing organization for public sector procurement, using a competitively bid solicitation issued by Maricopa County, AZ on behalf of itself and all states, local governments, and other government agencies, for Oracle Products and Services (DLT Solutions, LLC contract #180233-001; effective 12/12/18 to 11/30/23; Additional term up to a maximum of five years up to 11/30/2028); and

WHEREAS, DLT Quote 4916437 is incorporated into and made part of this Agreement (See Attachment A);

NOW, THEREFORE, in consideration of the mutual promises, covenants and agreements stated herein, and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, COUNTY and CONTRACTOR agree as follows:

FORM OF AGREEMENT

ARTICLE 1

1.1 REPRESENTATIONS AND WARRANTIES

By executing this Agreement, CONTRACTOR makes the following express representations and warranties to the COUNTY:

1.1.1 The CONTRACTOR shall maintain all necessary licenses, permits or other authorizations necessary to act as CONTRACTOR for the Project until the CONTRACTOR'S duties hereunder have been fully satisfied;

1.1.2 The CONTRACTOR shall prepare all documentation required by this Agreement in such a manner that they shall be accurate, coordinated and adequate for use in verifying work completed and shall be in conformity and comply with all applicable law, codes and regulations. The CONTRACTOR warrants that the documents prepared as a part of this Agreement will be adequate and sufficient to document costs in a manner that is acceptable for reimbursement by government agencies, therefore eliminating any additional cost due to missing or incorrect information;

1.1.3 Subject to the indemnification outlined in Article V, the CONTRACTOR assumes full responsibility to the extent allowed by law with regards to his performance and those directly under his employ.

1.1.4 The CONTRACTOR'S services shall be performed as expeditiously as is consistent with professional skill and care and the orderly progress of the Project. In providing all services pursuant to this agreement, the CONTRACTOR shall abide by all statutes, ordinances, rules and regulations pertaining to, or regulating the provisions of such services, including those now in effect and hereinafter adopted. Any violation of said statutes, ordinances, rules and regulations shall constitute a material breach of this agreement and shall entitle the Board to terminate this contract immediately upon delivery of written notice of termination to the CONTRACTOR.

1.1.5 At all times and for all purposes under this agreement the CONTRACTOR is an independent contractor and not an employee of the Board of County Commissioners for Monroe County. No statement contained in this agreement shall be construed so as to find the CONTRACTOR or any of his/her employees, contractors, servants, or agents to be employees of the Board of County Commissioners for Monroe County.

1.1.6 The CONTRACTOR shall not discriminate against any person on the basis of race, creed, color, national origin, sex, age, or any other characteristic or aspect which is not job related, in its recruiting, hiring, promoting, terminating, or any other area affecting employment under this agreement or with the provision of services or goods under this agreement.

ARTICLE II
SCOPE OF BASIC SERVICES

2.1 DEFINITION

CONTRACTOR'S Scope of Basic Services consist of those described in Attachment A. The CONTRACTOR shall commence work on the services provided for in this Agreement promptly upon his receipt of a written notice to proceed from the COUNTY.

2.2 NOTICE REQUIREMENT

All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the CONTRACTOR. Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage pre-paid, to the COUNTY by certified mail, return receipt requested, to the following:

Alan MacEachern

Key West, Florida 33040

For the CONTRACTOR:

Sheree Diller
Sales Account Executive
DLT Solutions, LLC
2411 Dulles Corner Park, Suite 800
Herndon, VA 20171

ARTICLE III
ADDITIONAL PRODUCTS AND SERVICES

3.1 Additional products and services are those products and services not included in the Scope of Basic Services. Should the COUNTY require additional products or services they shall be paid for by the COUNTY at pricing, rates or fees negotiated at the time when services are required, but only if approved by the COUNTY before commencement.

3.2 If Additional Services are required the COUNTY shall issue a letter requesting and describing the requested products and services to the CONTRACTOR. The CONTRACTOR shall respond with a fee proposal, in accordance with the competitive pricing under the DLT Solutions, LLC contract for Oracle Products and Services (contract #180233-001; effective 12/12/18 to 11/30/23; Additional term up to a maximum of five years up to 11/30/2028), to provide the requested products and/or to perform the requested services. Only after receiving an amendment to the Agreement and a notice to proceed from the COUNTY, shall the CONTRACTOR proceed with the Additional Services. Any additional services must be funded and approved by the Board of County Commissioners.

ARTICLE IV
COUNTY'S RESPONSIBILITIES

4.1 The COUNTY shall provide complete and accurate information and cooperation regarding requirements for the Project including access to office accommodations, facilities, equipment, county staff assistance and cooperation, and complete and accurate data.

4.2 The COUNTY shall designate a representative to act on the COUNTY's behalf with respect to the Project. The COUNTY or its representative shall render decisions in a timely manner pertaining to request for information submitted by the CONTRACTOR in order to avoid unreasonable delay in the orderly and sequential progress of the CONTRACTOR'S services.

4.3 Prompt written notice shall be given by the COUNTY and the CONTRACTOR's representative if either become aware of any fault or defect in the Project or non-conformance with the Agreement Documents. Written notice shall be deemed to have been duly served if sent pursuant to paragraph 2.2.

4.4 The COUNTY shall furnish the required information and services and shall render approvals and decisions as expeditiously as necessary for the orderly progress of the CONTRACTOR'S services.

4.5 The COUNTY's review of any information or documents prepared by the CONTRACTOR or its subcontractors shall be solely for the purpose of determining whether such information or documents are generally consistent with the COUNTY's criteria, as, and if, modified. No review of such information or documents shall relieve the CONTRACTOR of responsibility for the accuracy, adequacy, fitness, suitability or coordination of its work product.

ARTICLE V
INDEMNIFICATION AND HOLD HARMLESS

5.1 To the fullest extent permitted by law, and to the extent that claims, damages, losses or expenses are not covered and paid by insurance purchased by the Contractor, the Contractor shall defend indemnify and hold harmless the County (as Owner), its agents, representatives, agents, officers, directors, officials, and employees from and against all claims, damages, losses, and expenses (including, but not limited to attorneys' fees, court costs, expert witness fees, and the costs and attorneys' fees for appellate proceedings) arising out of, or alleged to have resulted from the negligent acts and, errors, or willful omissions, relating to the performance of this Contract.

5.2 Contractor's duty to defend, indemnify, and hold harmless the County, its agents, representatives, agents, officers, directors, officials, and employees shall arise in connection with any claim, damage, loss, or expense that is attributable to bodily injury, sickness, disease, death or injury to, impairment of, or destruction of tangible property, including loss of use resulting there from, caused by negligent acts and errors, or willful omissions in the performance of this Contract, but only to the extent caused by the negligent acts or omissions of the Contractor, a subcontractor, any one directly or indirectly employed by them, or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss, or expense is caused in part by a party indemnified hereunder.

5.3 Notwithstanding anything to the contrary, no provision of this Agreement shall prohibit or affect Contractor's right to seek contribution from any party responsible for the underlying claim.

5.4 The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this paragraph. The scope of this indemnification does not extend to the sole negligence of County.
NOTWITHSTANDING ANYTHING TO THE CONTRARY, DLT SOLUTIONS TOTAL LIABILITY UNDER THIS AGREEMENT, FOR ANY CAUSE OF ACTION WHATSOEVER, SHALL BE LIMITED TO THE AMOUNT OF FEES PAID BY COUNTY UNDER THE APPLICABLE STATEMENT OF WORK FROM WHICH SUCH LIABILITY ARISES.

5.5 SECTION 6.2 INFRINGEMENT DEFENSE INDEMNIFICATION SHALL APPLY AS SET FORTH BELOW (SEE ORACLE PRODUCTS AND SERVICES AGREEMENT DATED 12/12/18- Attached hereto as Attachment B):
(SEE EXHIBIT C, D AND E Attachment B)

Exhibit F - ORACLE LINUX AND ORACLE VM SERVICES SUPPLMENTAL PUBLIC SECTOR TERMS AND CONDITIONS v190712

ARTICLE VI
PERSONNEL

6.1 PERSONNEL

The CONTRACTOR shall assign only qualified personnel to perform any service concerning the project.

ARTICLE VII
COMPENSATION, PAYMENTS, BUDGET and TERM

7.1 COMPENSATION BASED ON SPECIFIED RATES

7.1.1 The COUNTY shall pay the CONTRACTOR monthly in current funds for the CONTRACTOR'S performance of this Agreement based on the competitively bid pricing outlined in Attachment A. The Total Estimated Not to Exceed Amount of Seven Hundred and Eight Thousand, Six Hundred and Twelve Dollars and Twenty Nine Cents. ($708,612.29) will apply to this Agreement. This amount is composed of Four Hundred and Fifty Six Thousand, Nine Hundred and Eighty Nine Dollars and Twenty Four cents. ($456,989.24) in implementation costs and Two Hundred and Fifty-One Thousand, Six Hundred and Twenty-Three Dollars and Five Cents ($251,623.05) in initial Licensing costs.

7.2 PAYMENTS

7.2.1 The contractor will be paid in increments based on delivered work products according to the Proposed Payment Schedule included in Attachment A, page 16, Section 5. Payment will be made pursuant to the Local Government Prompt Payment Act 218.70, Florida Statutes.

(A) If the CONTRACTOR'S duties, obligations and responsibilities are materially changed by amendment to this Agreement after execution of this Agreement, compensation due to the CONTRACTOR shall be equitably adjusted, either upward or downward;

(B) As a condition precedent for any payment due under this Agreement, the CONTRACTOR shall submit monthly, unless otherwise agreed in writing by the COUNTY, a proper invoice to COUNTY requesting payment for services properly rendered and reimbursable expenses due hereunder. The CONTRACTOR'S invoice shall describe with reasonable particularity the service rendered. The CONTRACTOR'S invoice shall be accompanied by such supporting documentation or data in support of expenses for which payment is sought that is acceptable to the Clerk based on generally accepted account principles and such laws, rules and regulations as may govern the Clerk's disbursal of funds.

7.3 BUDGET AND REIMBURSEABLE EXPENSES

7.3.1 The CONTRACTOR may not be entitled to receive, and the COUNTY is not obligated to pay, any fees or expenses in excess of the amount budgeted for this contract in each fiscal year (October 1 - September 30) by COUNTY's Board of County Commissioners. The budgeted amount may only be modified by an affirmative act of the COUNTY's Board of County Commissioners.

7.3.2 The COUNTY's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Board of County Commissioners and the approval of the Board members at the time of contract initiation and its duration.

7.3.3 It is anticipated that no reimbursable expenses will be incurred by the CONTRACTOR. Additionally, it is anticipated that this work will be performed remotely, but in the event that travel becomes necessary, expenses incurred in connection with travel authorized by the County, in writing, will only be reimbursement to the extent and in the amount authorized by Section 112.061, Florida Statutes.

7.4 TERM OF AGREEMENT

7.4.1 The initial term of this Agreement is for a Thirty-six (36) month period. This Agreement may be extended upon mutual agreement of the parties. The Agreement may be renewed after the initial three year term for incremental one-year extensions in accordance with the term of the contract for Oracle Products and Services (DLT Solutions, LLC contract #180233-001; effective 12/12/18 to 11/30/23; Additional term up to a maximum of five years up to 11/30/2028). Any renewal of this Agreement must be in writing and signed by both the COUNTY and CONTRACTOR.

ARTICLE VIII
INSURANCE

8.1 The CONTRACTOR shall obtain insurance as specified and maintain the required insurance at all times that this Agreement is in effect. In the event the completion of the project (to include the work of others) is delayed or suspended as a result of the CONTRACTOR'S failure to purchase or maintain the required insurance, the CONTRACTOR shall indemnify the COUNTY from any and all increased expenses resulting from such delay.

8.2 The coverage provided herein shall be provided by an insurer with an A.M. Best rating of VI or better, that is licensed to business in the State of Florida and that has an agent for service of process within the State of Florida. The coverage shall contain an endorsement providing sixty (60) days notice to the COUNTY prior to any cancellation of said coverage. Said coverage shall be written by an insurer acceptable to the COUNTY and shall be in a form acceptable to the COUNTY.

8.3 CONTRACTOR shall obtain and maintain the following policies:

A. Workers' Compensation insurance as required by the State of Florida, sufficient to respond to Florida Statute 440.

B. Employers Liability Insurance with limits of $100,000 per Accident, $500,000 Disease, policy limits, $100,000 Disease each employee.

C. Comprehensive Business Automobile and Vehicle Liability Insurance covering claims for injuries to members of the public and/or damages to property of others arising from use of motor vehicles, including onsite and offsite operations, and owned, hired or non-owned vehicles, with $200,000 per person, $300,000 per Occurrence, $200,000 Property Damage or $300,000 combined single limit.

D. Commercial General Liability Insurance, including Personal Injury Liability, covering claims for injuries to members of the public or damage to property of others arising out of any covered act or omission of the CONTRACTOR or any of its employees, agents or subcontractors or subCONTRACTORs, including Premises and/or Operations, Products and Completed Operations, Independent Contractors; Broad Form Property Damage and a Blanket Contractual Liability Endorsement with $300,000 per Person, $500,000 per Occurrence, $200,000 Property Damage or $500,000 Combined Single Limit.

An Occurrence Form policy is preferred. If coverage is changed to or provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported must extend for a minimum of 48 months following the termination or expiration of this contract.

E. Professional Liability Insurance or Engineer's Errors and Omissions insurance of $300,000 per occurrence and $500,000 annual aggregate. If the policy is a "claims made" policy, CONTRACTOR shall maintain coverage or purchase a "tail" to cover claims made after completion of the project to cover the statutory time limits in Chapter 95 of the Florida Statutes.

F. Cyber Liability Insurance to include the following coverages: [redacted]. The minimum limits acceptable is: [redacted]

G. COUNTY shall be named as an additional insured with respect to CONTRACTOR'S liabilities hereunder in insurance coverages identified in Paragraphs C and D.

H. CONTRACTOR shall require its subcontractors to be adequately insured at least to the limits prescribed above, and to any increased limits of CONTRACTOR if so required by COUNTY during the term of this Agreement. COUNTY will not pay for increased limits of insurance for subcontractors.

I. CONTRACTOR shall provide to the COUNTY certificates of insurance or a copy of all insurance policies including those naming the COUNTY as an additional insured. The COUNTY reserves the right to require a certified copy of such policies upon request.

J. If the CONTRACTOR participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the CONTRACTOR may be required to submit updated financial statements from the fund upon request from the COUNTY.

ARTICLE IX
MISCELLANEOUS

9.1 SECTION HEADINGS

Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

9.2 SUCCESSORS AND ASSIGNS

The CONTRACTOR shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners for Monroe County and the CONTRACTOR, which approval shall be subject to such conditions and provisions as the Board may deem necessary. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or subcontractor shall comply with all of the provisions of this agreement. Subject to the provisions of the immediately preceding sentence, each party hereto binds itself, its successors, assigns and legal representatives to the other and to the successors, assigns and legal representatives of such other party.

9.3 NO THIRD PARTY BENEFICIARIES

Nothing contained herein shall create any relationship, contractual or otherwise, with or any rights in favor of, any third party.

9.4 TERMINATION

A. In the event that the CONTRACTOR shall be found to be negligent in any aspect of service, the COUNTY shall have the right to terminate this agreement after fifteen (15) days written notification to the CONTRACTOR.

B. Either of the parties hereto may cancel this Agreement without cause by giving the other party sixty (60) days written notice of its intention to do so.

C. Termination for Cause and Remedies: In the event of breach of any contract terms, the COUNTY retains the right to terminate this Agreement. The COUNTY may also terminate this agreement for cause with CONTRACTOR should CONTRACTOR fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination, prior to termination, the COUNTY shall provide CONTRACTOR with fifteen (15) calendar days' notice and provide the CONTRACTOR with an opportunity to cure the breach that has occurred. If the breach is not cured, the Agreement will be terminated for cause. If the COUNTY terminates this agreement with the CONTRACTOR, COUNTY shall pay CONTRACTOR the sum due the CONTRACTOR under this agreement prior to termination, unless the cost of completion to the COUNTY exceeds the funds remaining in the contract; however, the COUNTY reserves the right to assert and seek an offset for damages caused by the breach. The maximum amount due to CONTRACTOR shall not in any event exceed the spending cap in this Agreement. In addition, the COUNTY reserves all rights available to recoup monies paid under this Agreement, including the right to sue for

breach of contract and including the right to pursue a claim for violation of the COUNTY's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code.

D. Termination for Convenience: The COUNTY may terminate this Agreement for convenience, at any time, upon sixty (60) days' notice to CONTRACTOR. If the COUNTY terminates this agreement with the CONTRACTOR, COUNTY shall pay CONTRACTOR the sum due the CONTRACTOR under this agreement prior to termination, unless the cost of completion to the COUNTY exceeds the funds remaining in the contract. The maximum amount due to CONTRACTOR shall not exceed the spending cap in this Agreement. In addition, the COUNTY reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the COUNTY's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code.

E. For Contracts of any amount, if the County determines that the Contractor/Consultant has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Consultant written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

F. For Contracts of $1,000,000 or more, if the County determines that the Contractor/Consultant submitted a false certification under Section 287.135(5), Florida Statutes, or if the Contractor/Consultant has been placed on the Scrutinized Companies with Activities in the Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Consultant written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

9.5 CONTRACT DOCUMENTS

This contract consists of the Request for Proposals (issued under the lead agency under OMNIA Partners), any addenda, the Form of Agreement (Articles I-IX)/This Agreement, the CONTRACTOR'S response to the RFP, the documents referred to in the Form of Agreement as a part of this Agreement, and Attachment A, and modifications made after execution by written amendment. In the event of any conflict between any of the Contract documents, the Form of the Agreement/this Agreement will control or alternatively the one imposing the greater burden on the CONTRACTOR will control.

9.6 PUBLIC ENTITIES CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on contracts to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the

construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or CONTRACTOR under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

By signing this Agreement, CONTRACTOR represents that the execution of this Agreement will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from COUNTY's competitive procurement activities.

In addition to the foregoing, CONTRACTOR further represents that there has been no determination, based on an audit, that it or any subCONTRACTOR has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether CONTRACTOR has been placed on the convicted vendor list.

CONTRACTOR will promptly notify the COUNTY if it or any subcontractor or subCONTRACTOR is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

9.7 MAINTENANCE OF RECORDS

CONTRACTOR shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained for a period of five years from the final payment or termination of this agreement. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for five years following the final payment or termination of this Agreement. If an auditor employed by the COUNTY or Clerk determines that monies paid to CONTRACTOR pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the CONTRACTOR, the CONTRACTOR shall repay the monies together with interest calculated pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the COUNTY.

9.8 GOVERNING LAW, VENUE, INTERPRETATION, COSTS, AND FEES

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, COUNTY and CONTRACTOR agree that venue shall lie in the 16th Judicial Circuit, Monroe County, Florida, in the appropriate court or before the appropriate administrative body. This agreement shall not be subject to arbitration. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

9.3 SEVERABILITY

If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The COUNTY and CONTRACTOR agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

9.10 ATTORNEY'S FEES AND COSTS

The COUNTY and CONTRACTOR agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, and shall include attorney's fees, courts costs, investigative, and out-of-pocket expenses in appellate proceedings.

9.11 BINDING EFFECT

The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the COUNTY and CONTRACTOR and their respective legal representatives, successors, and assigns.

9.12 AUTHORITY

Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

9.13 CLAIMS FOR FEDERAL OR STATE AID

CONTRACTOR and COUNTY agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement. Any conditions imposed as a result of funding that effect the Project will be provided to each party.

9.14 ADJUDICATION OF DISPUTES OR DISAGREEMENTS

COUNTY and CONTRACTOR agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of paragraph 9.5 concerning termination or cancellation.

9.15 COOPERATION

In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, COUNTY and CONTRACTOR agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. COUNTY and CONTRACTOR specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

9.16 NONDISCRIMINATION

CONTRACTOR and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. CONTRACTOR or COUNTY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

9.17 COVENANT OF NO INTEREST

CONTRACTOR and COUNTY covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

9.18 CODE OF ETHICS

COUNTY agrees that officers and employees of the COUNTY recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

In accordance with Section 5 (b) Monroe County Ordinance No. 010-1990, CONTRACTOR warrants that he/it had not employed, retained or otherwise had act on his/its behalf any former County officer or employee subject to the prohibition of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of *Ordinance No. 020-1990*. For breach or violation of this provision the County may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee."

9.19 NO SOLICITATION/PAYMENT

The CONTRACTOR and COUNTY warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the CONTRACTOR agrees that the COUNTY shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

9.20 PUBLIC ACCESS.

Public Records Compliance. CONTRACTOR must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and CONTRACTOR shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and CONTRACTOR in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the CONTRACTOR . Failure of the CONTRACTOR to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.
The CONTRACTOR is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision. Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the CONTRACTOR is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the CONTRACTOR or keep and maintain public records that would be required by the County to perform the service. If the CONTRACTOR transfers all public records to the County upon completion of the contract, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the contract, the CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the CONTRACTOR of the request, and the CONTRACTOR must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the CONTRACTOR does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the CONTRACTOR . A CONTRACTOR who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The CONTRACTOR shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR 'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470 BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

9.21 NON-WAIVER OF IMMUNITY

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the CONTRACTOR and the COUNTY in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the COUNTY be required to contain any provision for waiver.

9.22 PRIVILEGES AND IMMUNITIES

All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the COUNTY, when performing their respective functions under this Agreement within the territorial limits of the COUNTY shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the COUNTY.

9.23 LEGAL OBLIGATIONS AND RESPONSIBILITIES

Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida constitution, state statute, and case law.

9.24 NON-RELIANCE BY NON-PARTIES

No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the CONTRACTOR and the COUNTY agree that neither the CONTRACTOR nor the COUNTY or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

9.25 ATTESTATIONS AND TRUTH IN NEGOTIATION

CONTRACTOR agrees to execute such documents as COUNTY may reasonably require, including a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement. Signature of this Agreement by CONTRACTOR shall act as the execution of a truth in negotiation certificate stating that wage rates and other factual unit costs supporting the compensation pursuant to the Agreement are accurate, complete, and current at the time of contracting. The original contract fee and any additions thereto shall be adjusted to exclude any significant sums by which the agency determines the contract price was increased due to inaccurate, incomplete, or concurrent wage rates and

other factual unit costs. All such adjustments must be made within one year following the end of the Agreement.

9.26 NO PERSONAL LIABILITY

No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

9.27 EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

9.28 E-VERIFY SYSTEM

Beginning January 1, 2021, in accordance with F.S. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095

9.29 UNCONTROLLABLE CIRCUMSTANCE

Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project;(each, a "Uncontrollable Circumstance"). CONTRACTOR'S financial inability to perform, changes in cost or availability of materials, components, or services, market conditions, or supplier actions or contract disputes will not excuse performance by Contractor under this Section. Contractor shall give County written notice within 7 days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, and the anticipated duration of such Uncontrollable Circumstance. Contractor shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full

performance under this Agreement. The County will not pay additional cost as a result of an Uncontrollable Circumstance. The Contractor may only seek a no cost extension for such reasonable time as the Owners Representative may determine.

IN WITNESS WHEREOF, each party has caused this Agreement to be executed by its duly authorized representative on the day and year first above written.

	NOTE					
	Please include the following in your purchase order: "This is a 36-month ("initial term") purchase order for Oracle Cloud Services ("Order") pursuant to DLT quote number 4916437. By Monroe County's issuance of this 36-month Order, Monroe County is confirming to DLT that all funds for the first 12-month period, within the initial 36-month term, have been fully appropriated, are available and no longer subject to any appropriations contingencies. In the event that funds are not appropriated for a new fiscal year within the initial 36-month term, despite Monroe County's good faith efforts to seek the appropriate funds, Monroe County may terminate this Order at the end of the final funded year upon no less than thirty (30) days' notice to DLT. Notwithstanding the foregoing, Monroe County agrees to pay for all services already performed by Oracle prior to DLT's receipt of Monroe County's notice of non-appropriations."

2. Services

Oracle Consulting, utilizing our True Cloud Method (TCM) implementation methodology, will provide functional, technical, and project management resources to configure and test the following tasks and activities to implement the Oracle Public Sector Compliance and Regulation (PSCR) product. This is a budgetary estimate and final scope and associated fees will be agreed to between DLT and Monroe County, FL during contract negotiations and documented in DLT Quote 4926354.

1. The Scope contained within this document is intended for the Monroe County, FL ("Customer")
2. The PSCR Cloud will be deployed for the following functional areas:
   a) Building Permitting
   b) Contractor Registration
   c) Code Enforcement
3. Project Management

Oracle will perform the following Project Management Services over an estimated **nine (9) month** implementation:

a) Conduct a Project Kickoff Meeting
b) Create and maintain a Work Plan in Microsoft Project. The Work Plan details the activities to be performed, resources, milestones and the critical path for the project.
c) Create and maintain the Project Charter, Governance Model, Deliverable Acceptance Framework and Status Plan.
d) Additional Project Management Services include:
   1) Review Project Charter, Governance Model and Deliverable Acceptance Framework with the Customer's Project Manager.
   2) Conduct a monthly status meeting and provide a status report that include the following information:
      (a) Project status;
      (b) Current tasks and progress;
      (c) Open issues;
      (d) Upcoming tasks and activities;

3. Project Approach TCM

1. **Focus Phase** - the initial cloud deployment phase focused on rapidly mobilizing the team, planning the effort, confirming governance for the program, and confirming project scope and documenting key decisions in the Foundation Design. Activities include:
   a) Finalize the Implementation plan
   b) Review Scope
   c) Conduct Product Familiarization Training
      1) Oracle will conduct **one (1)**, up to eight (8) hour product training course(s) that occurs at the beginning of the implementation of PSCR to establish a baseline understanding of core design concepts, usability and terminology. There will be up to fifteen (15) participants per course.
2. **Refine Phase** - a highly collaborative phase focusing on how to best adapt Industry Preferred Practices to the Customer's environment. Oracle seeks to understand customer current business processes and advises the Customer on how to assemble the Cloud Solution including configuring key data inputs, and integrating to other systems. Activities include:
   a. As-Is Analysis – Over a one (1) month timeframe, Customer to review and demonstrate existing processes and requirements to Oracle Consulting team including delivery of all application forms, reports and relevant artifacts to assist Oracle Consulting in understanding of Customer business processes.

b. Configuration – Over a three (3) month timeframe, Oracle Consulting will configure the PSCR Product to meet the needs of the Customer based on best practices. This includes a proof of concept check-in with the Customer where agreed to processes are configured first, and demonstrated to the Customer for feedback. It is expected that the current application/permit/record types will be consolidated for simplicity where applicable. Functional areas of focus include:
   - Configuration of up to twenty five (25) permit types;
   - Configuration of up to four (4) contractor registration types;
   - Configuration of up to two (2) complaint types and three (3) cases for code enforcement;
   - Online application submittal;
   - Back office application submittal;
   - Contractor Registration Renewals
   - Fee assessment, invoicing and payment processing both online and in back office;
   - Inspection scheduling, assignment, and completion including mobile inspection functionality; and
   - Workflow and review processing.

a) Reports - Business Intelligence Publisher (BI Publisher) and Oracle Transactional Business Intelligence (OTBI).
   - Deploy all standard reports to DEV environment, and all environmentsstandard reports that the County would like to use to the TEST and PROD environment.
   - Report Development Training - Oracle will conduct one (1), up to three (3) day Report Development and data model training course, using real examples and out of the box reports, to prepare the Customer's for development and deployment of report outputs required for system use. There will be up to seven (7) participants per course.

b) Integrations - The in-scope integrations listed in Table 1 below:

Table 1 – In Scope Integrations

Integration Name	Type (Inbound/Outbound)	Method (Web Services, API, etc.)	Frequency (RealTime/Batch)
Cybersource Payment Processing	Inbound/Outbound	API	Realtime
Property Appraiser - Address/Parcel/Owner	Inbound	API	Batch
ESRI GIS	Inbound	API	Realtime
Selectron IVR	Inbound/Outbound	API	Realtime

Additional activities include:

1) Deliver Integration Specification Document for the Address/Parcel/Owner Integration
2) Develop and test in-scope integrations
3) Deploy tested and approved integrations to Production.

c) Data Conversions - Oracle will provide data conversion services for the data identified in Table 2 and conduct the activities listed below:
   1) Analysis of Legacy data to provide mapping direction to the customer;
   2) Review the data conversion process, tasks, and data load cycles;
   3) Review and provide the data load templates that will be utilized for data mapping;
   4) Provide a brief introduction to the Cloud import tools to include File-Based Data Import (FBDI);
   5) Develop a Data Conversion Specification Document;
   6) Assist in Data Mapping;

7) Load Data into the Test environment for testing;
8) Load approved conversion(s) into the Production environment.

Table 2 – In Scope Data Conversions

Source	Description
Community Plus – CentralSquare	All existing active contractors will be migrated to Oracle.

9) Oracle will provide **4 data loads** for each data source as defined in Table 3 below.

Table 3 –Data Conversion Load Cycles

Cycle	Target POD	Data Loaded	Owner
Cycle 1	DEV	Includes loading the Customer's data as defined in the Data Conversion Specification Document.	This cycle will be led by Oracle with the client's team validating the loaded data.
Cycle 2 (End-To-End Review)	DEV	Includes loading the Customer's data as defined in the Data Conversion Specification Document.	This cycle will be led by Oracle with the client's team validating the loaded data.
Cycle 3 (User Acceptance Test Cycle)	TEST	Includes loading the Customer's data as defined in the Data Conversion Specification Document.	This cycle will be led by Oracle with the client's team validating the loaded data.
Cycle 4 (Production Load)	PROD	Includes loading the Customer's data as defined in the Data Conversion Specification Document.	This cycle will be led by Oracle with the client's team validating the loaded data.

d) **Testing** - As work is completed as defined in Task B – Configuration, in the Refine phase, Oracle Consulting will present the configured components to the Customer for immediate testing. Additionally, the completed solution will be presented to the customer for comprehensive testing that will occur. With up to four (4) weeks of support from Oracle, the customer will test the configuration and document issues for remediation.

3. **Enable phase** - Includes migrating the configuration, historical data, and integrations into production – the product "goes live". In addition, end user support additional training is included.
   a) Training
      1) Oracle will provide one (1) Train the Trainer course for up to three (3) days Train the Trainer course to review daily end user functionality including: creating permits, assessing fees, creating and completing inspections, managing workflow, and issuing permits. Up to twelve (12) participants.
      2) Oracle will provide one(1) end user training courses for up to two (2) days each to review daily end user functionality including: creating permits, assessing fees, creating and

completing inspections, managing workflow, and issuing permits. fifteen (15) participant's maximum per course.

3) Oracle will provide one (1) Product Administration course for up to three (3) days to review of administration toolsets including: setting up permit types, modifying and creating workflow, fee setup, user defined fields. Up to seven (7) participants.

b) Go-Live Preparation
   1) Develop, review, and approve the Cut Over plan;
   2) Migrate configurations and integrations to the production environment;
   3) Provide a Production Ready Checklist Report that summarizes the completion of all production environment migration activities and tasks assigned to Oracle.

4. **Operate Phase –** In this Operate Phase, Oracle will support the solution and business as defined in the project schedule. Activities will be identified, documented, and executed post- go-live based on an assigned cadence.
   a) Post Go-Live Support
      1) Oracle will provide up to one hundred and sixty (160) hours of Post Go-Live Support over the six (6) weeks following Go-Live.

4. Deliverables

Expenses related to travel are not included in the pricing and as such, the work is assumed to be 100% remote at this time due to current travel restrictions. However, should the situation change and Customer desires onsite work, Team DLT is open to this can be discussed during shortlist and/or contracting or this request can be managed through the Change Order process after the project begins.

6. Obligations and Project Assumptions.

Customer's timely performance of Customer's obligations and Customer's timely provision of and access to office accommodations, facilities, equipment, assistance, cooperation, complete and accurate information and data from Customer's officers, agents, and employees (collectively, "cooperation") are essential to the performance of any Services as set forth in this scope document; and that Oracle's ability to perform the Services depends upon Customer's fulfillment of Customer's obligations and upon the assumptions being true. Oracle will not be responsible for any deficiency in performing Services if such deficiency results from Customer's failure to provide full cooperation or a failure of any assumption to be true.

If DLT's cost of providing Services is increased because of Customer's failure to meet the obligations listed in this exhibit, failure to provide cooperation, a failure of any assumption to be true, or because of any other circumstance outside of TeamDLT's control, then Customer agrees to pay DLT for such increased costs, pursuant to a change order duly executed by Customer and Team DLT. Such increased costs may include time during which Oracle resources are under-utilized because of delays caused by Customer's failure to meet Customer's obligations listed in this scope document; provided that in the event of such a delay Oracle will make commercially reasonable efforts to increase the utilization of resources by assigning them other tasks within the scope of the Project where appropriate to help mitigate increases in cost. If Customer does not accept such

change order, then Team DLT will have the right to terminate this exhibit, upon thirty (30) days prior written notice to Customer.

Customer's obligations and project assumptions are further described below:

A. General Obligations

1) Provide for all Oracle resources performing services at Customer's site, a safe and healthful workspace (e.g., a workspace that is free from recognized hazards that are causing, or likely to cause, death or serious physical harm, a workspace that has proper ventilation, sound levels acceptable for resources performing services in the workspace, and ergonomically correct work stations, etc.).
2) Provide Oracle with full access to relevant functional, technical and business resources with adequate skills and knowledge to support the performance of services.
3) Provide any notices, and obtain any consents, required for Oracle to perform services.
4) As required by U.S. Department of Labor regulations (20 CFR 655.734), allow Oracle to post a Notice regarding Oracle H-1B employee(s) at the work site prior to the employee's arrival on site.
5) Obtain all contracts and authorization from third party providers, such as payment processors, finance systems, electronic document review and markup, etc. who act as your functional, technical, and business resources to support this engagement.
6) If while performing services, Oracle requires access to other vendor's products, systems, and/or information that are part of Customer's system, Customer will be responsible for acquiring all such products, systems, and/or information, and the appropriate license rights and authorizations necessary for Oracle to access such products on Customer's behalf, at no cost to Team DLT.
7) The Oracle cloud applications come with standard functional processes that Customer must adopt. Standard functional processes are defined as functionality that is described in applicable standard Oracle software capabilities.
8) Perform all required activities to enable connectivity to Oracle Cloud, including opening firewall ports, configuring proxies, and any other network-related or data center-related issues.
9) Manage all communications to Customer's employees, contractors and agents that are not on the project team.
10) Be responsible for all Organizational Change activities using Customer's in-house methodology. Oracle will provide coaching based on its cloud adoption framework.
11) Schedule the necessary capabilities gathering, analysis, design, and implementation workshops with Customer's business user representatives and project team members according to the project schedule.
12) Designate an Executive Sponsor who shall (i) oversee Customer's performance of the obligations they are tasked with during the performance of services, and (ii) establish a direct line of communication with Oracle's project management team in order to discuss the services (both on an informal basis and in a formal steering committee capacity), and (iii) make timely decisions on Customer's behalf.
13) Designate a Project Manager who shall (i) oversee Customer's performance of the obligations Customer is tasked with during the performance of services, and (ii) work directly with Oracle's Project Manager on a daily basis, and (iii) will be responsible for ensuring all project work plan tasks assigned to Customer's team are accomplished by the target date included in the work plan.
14) Inform Oracle of any of Customer's personnel including third-party personnel assigned to the project that are authorized to make decisions on Customer's behalf.
15) In order to expedite the project, unless otherwise specified in this response, responses to request(s) for assistance or information will be provided within response times listed in Table

4 below. A verbal response or a simple email from Customer's Project Manager or Technical Lead is acceptable if the information is not already documented.

Table 4 – Response Times

Request Type	Maximum Response Time (Business Days)
Review of a non-deliverable document	Five (5)
Request for unit testing feedback	Five (5)
Requests for non-deliverable documentation on systems and processes	Three (3)
Requests for information on systems and processes	Three (3)
Requests for meetings	Three (3)

16) Maintain the appropriate security controls to prevent access to any personally identifiable information and/or any other information not required for Oracle's performance of the services.
17) Define logic to support required calculations.
18) Perform all workstation desktop installation procedures.

B. General Assumptions

1) Services will be performed primarily in Customer's office and remotely, as determined by Oracle.
2) If services are provided remotely, Oracle resources may provide services via phone, a customer-specific web portal (if ordered), and/or electronic communication.
3) Oracle will have access to Customer's end users, project team members and, where applicable, third party providers of services.
4) All documentation will be produced in electronic Word, Excel, or PowerPoint format. The Project Work Plan will be in Microsoft Project.
5) Completing the project within the allotted timeframe requires Customer's relevant functional, technical, and business resources to attend and participate in the discovery workshops, as scheduled, and Customer to provide relevant documentation in advance of these workshops.
6) A person day is defined as one (1) resource working up to eight (8) hours and all work assumes an eight (8) hour business day during the work week.
7) The estimated timeline, work effort, and fees assume use of the standard functionality, templates, features, tools, and reports that are delivered with the in-scope Oracle modules. Standard functionality is defined as functionality that is described in applicable standard Oracle software documentation.
8) The project timeline is estimated to be one phase with an estimated duration of 12 months. Any delays caused by the client that may impact the project schedule or performance of services will be handled through the Change Control process.
9) Any changes to the scope of services including, but not limited to, changes in specifications, schedule, designs, capabilities, service deliverables, or any other aspect of the services will be subject to the Oracle Change Control Process.
10) Design and implementation decisions made following the completion of the functional and technical workshops will be the basis for subsequent design and implementation tasks. Any changes to those decisions are subject to the standard change control procedure.
11) Oracle will, at its sole discretion, determine the number and manner in which resources are assigned to perform the services described in this proposal. Oracle may assign or release a specific project resource, or may assign different resources, at different times, to a project task.
12) Services will be performed on consecutive business days, Monday through Friday.

13) Oracle resources will observe all Oracle designated holidays. If the Customer's holiday is not observed by Oracle, Oracle resources will continue to work on that day.
14) Oracle's standard documentation format will be used for any documentation prepared and/or delivered during the performance of services.
15) Workshops are a functional/technical exchange with Customer's designated project stakeholders for the purpose of familiarizing Customer with the applications or providing guidance and assistance, which may include a demonstration of the work accomplished or to be accomplished by a related activity.
16) With Software as a Service (SaaS), software versions to be implemented are the latest versions available and supported by Oracle at the time the project starts. Additional patches will be applied throughout the implementation.
17) Customer's network infrastructure stability and performance may extend the time needed to perform the services for data migration and conversion. Such extension will be subject to Oracle's standard change control procedure.
18) Except as expressly agreed, the performance of Services does not require or involve the processing of personal data, and Customer will not disclose or provide Oracle with access to any: (a) protected health information ("PHI") as the term is defined by the Health Insurance Portability and Accountability Act ("HIPPA") of 1996, as amended, or (b) health or similarly sensitive data that imposes specific data security or data protection obligations on the processing of such data different from those specified in the Service Specifications for the relevant cloud services.
19) Customer and Oracle will work together to review and mutually agree upon the baseline project work plan, including: schedule timeframes, tasks and resource assignments.
20) For Address/Parcel/Owner Integration, you will be required to either provide the data in a pre-defined format and/or provide a local database that will be used to manipulate the data into a prescribed format.

C. Testing Assumptions

1) Customer and Oracle will agree on test cases, test scenarios and test strategy during the Playback phase, to include the pass/fail criteria, which will be utilized for testing.

2) Customer will conduct all acceptance testing of system setup and configuration. Should any item that is approved through testing by You be requested to be changed, modified, or updated in any way, it will be accommodated through the Change Control Process

D. Technical Assumptions

1) For all inbound interfaces to Cloud applications, data will be provided in the required Cloud accepted format.
2) Inbound files will not be encrypted.
3) Outbound files will not be encrypted.

7. Exclusions

A. General Exclusions

Anything not expressly listed in the scope of services is out of scope and not included or priced into the services to be performed. Specific items identified as out of scope include, without limitation, the following:

a) Services required to address any gaps identified, other than those identified in this response.
b) Development of bolt-on functionality or any other extensions via Platform as a Service

(PaaS) or any other toolset is not included.

B. Testing Exclusions

a) Creation of test data.
b) Development of test scripts and test scenarios.
c) Structured load testing, performance testing and tuning, failover testing, and disaster recovery testing.
d) Configurations, maintenance and support of any non-Oracle Cloud environments
e) Consolidating Customer's existing databases.
f) Reviewing any third-party software or hardware interacting with a Destination Oracle Database.

C. Technical Exclusions

a) Encryption of inbound and outbound files.
b) Installation and configuration of any third-party software or hardware.
c) Interface specification documentation for GIS, IVR and Cybersource Payment Processing. GIS and Cybersource is a built in integration with product documentation. IVR integration will be performed by Selectron, leveraging Oracle Rest Services.

ORACLE PRODUCTS AND SERVICES

This Contract is entered into this 12th day of December 2018 by and between Maricopa County ("County"), a political subdivision of the State of Arizona, and DLT Solutions LLC, a Virginia corporation ("Contractor") for the purchase of Oracle Products and Services.

1.0 CONTRACT TERM:

1.1 This Contract is for a term of Five (5) years, beginning on the 12th day of December, 2018 and ending the 30th day of November, 2023.

1.2 The products and services which are the subject of this Master Agreement ("County Contract") may be covered by a software programs license agreement service or maintenance agreement. The term of the service or maintenance agreement shall be governed by that document and may survive the expiration of this Master Agreement.

1.3 The County may, at its option and with the written agreement of the Contractor, renew the term of this Contract for additional terms up to a maximum of Five (5) additional years, (or at the County's sole discretion, extend the contract on a month-to-month basis for a maximum of six (6) months after expiration). The County shall notify the Contractor in writing of its intent to extend the Contract term at least sixty (60) calendar days prior to the expiration of the original contract term, or any additional term thereafter.

1.4 CONTRACT COMPLETION:

The Contractor shall make all reasonable efforts for an orderly transition of its duties and responsibilities to another provider and/or to the County. This may include, but is not limited to the preparation of a transition plan and cooperation with the County or other providers in the transition. The transition includes the transfer of all records, and other data in the possession, custody or control of Contractor required to be provided to the County either by the terms of this agreement or as a matter of law. The provisions of this clause shall survive the expiration or termination of this agreement.

2.0 PRICE ADJUSTMENTS (applies to percentages in contract):

Any requests for reasonable price adjustments must be submitted one hundred and twenty (120) calendar days prior to the Contract expiration. Requests for adjustment in cost of labor and/or materials must be supported by appropriate documentation. The reasonableness of the request will be determined by comparing the request with the Consumer Price Index or by performing a market survey. If County agrees to the adjusted price terms, County shall issue written approval of the change and provide an updated version of the Contract. The new change shall not be in effect until the date stipulated on the Contract.

3.0 PAYMENTS:

3.1 As consideration for performance of the duties described herein, County shall pay Contractor the sum(s) stated in Exhibit "A."

3.2 Payment shall be made upon the County's receipt of a properly completed invoice.

3.3 INVOICES:

3.3.1 The Contractor shall submit one (1) legible copy of their detailed invoice before payment(s) will be made. Incomplete invoices will not be processed. At a minimum, the invoice must provide the following information:

- Company name, address and contact
- County bill-to name and contact information
- Contract Serial Number
- County purchase order number
- Project name and/or number
- Invoice number and date
- Payment terms
- Date of service or delivery
- Quantity (number of days or weeks)
- Contract Item number(s)
- Description of Purchase (product or services)
- Pricing per unit of purchase
- Freight (if applicable)
- Extended price
- Mileage w/rate (if applicable)
- Arrival and completion time (if applicable)
- Total Amount Due

3.3.2 Problems regarding billing or invoicing shall be directed to the Department as listed on the Purchase Order.

3.3.3 Payment shall only be made to the Contractor by Accounts Payable through the Maricopa County Vendor Express Payment Program. This is an Electronic Funds Transfer (EFT) process. After Contract Award the Contractor shall complete the Vendor Registration Form located on the County Department of Finance Vendor Registration Web Site (http://www.maricopa.gov/922/Vendors).

3.3.4 Discounts offered in the contract shall be calculated based on the date a properly completed invoice is received by the County.

3.3.5 EFT payments to the routing and account numbers designated by the Contractor will include the details on the specific invoices that the payment covers. The Contractor is required to discuss remittance delivery capabilities with their designated financial institution for access to those details.

3.4 PAYMENT RETENTION (For task order projects as negotiated by user):

3.4.1 Ten percent (10%) of monies paid for Project Management and Project Labor earned by Contractor related to work under this Contract shall be retained by County until Final Completion of the services herein described in any project Exhibit B Scope of Work. County may elect to release specific retention payments based on mutually agreed milestones, but in no case shall retention be released prior to Final Completion. All other payment terms and conditions shall not be affected by the retention. In the event of termination or cancellation of this Contract by County through no fault of Contractor, Contractor shall be entitled to the refund of any funds in the retention account.

3.4.2 After fifty percent (50%) of the work has been completed, the Maricopa County Executive Steering Committee may reduce the retainage to five percent (5%) of all monies previously earned and all monies earned thereafter. Any reduction in retainage shall be in the discretion of the Maricopa County Executive Steering Committee. Any interest earned on retainage shall accrue solely to the benefit of County.

3.4.3 The Contractor shall have the right, pursuant to Arizona Revised Statues, to submit securities in lieu of retention for all work completed. The Contractor is required to request this option at least ten (10) business days prior to submission of first Application for Payment to allow time for preparation of forms. The Contractor shall request and obtain securities forms through County. The County must identify either securities option or retention option prior to first Application for Payment.

3.5 APPLICABLE TAXES:

3.5.1 Payment of Taxes: The Contractor shall pay all applicable taxes. With respect to any installation labor on items that are not attached to real property performed by Contractor under the terms of this Contract, the installation labor cost and the gross receipts for materials provided shall be listed separately on the Contractor's invoices.

3.5.2 State and Local Transaction Privilege Taxes: To the extent any State and local transaction privilege taxes apply to sales made under the terms of this Contract it is the responsibility of the seller to collect and remit all applicable taxes to the proper taxing jurisdiction of authority.

3.5.3 Tax Indemnification: Contractor and all subcontractors shall pay all Federal, State, and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold Maricopa County harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or State and local laws and regulations, and any other costs including; transaction privilege taxes, unemployment compensation insurance, Social Security, and Worker's Compensation.

3.6 TAX (SERVICES):

No tax shall be invoiced or paid against Contractor's labor. It is the responsibility of the Contractor to determine any and all applicable taxes.

3.7 TAX (COMMODITIES):

Tax shall not be invoiced against Contractor's labor. It is the responsibility of the Contractor to determine any and all applicable taxes.

3.8 STRATEGIC ALLIANCE for VOLUME EXPENDITURES ($AVE):

The County is a member of the $AVE cooperative purchasing group. $AVE includes the State of Arizona, many Phoenix metropolitan area municipalities, and many K-12 unified school districts. Under the $AVE Cooperative Purchasing Agreement, and with the concurrence of the successful Respondent under this solicitation, a member of $AVE may access a contract resulting from a solicitation issued by the County.

3.9 INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENTS (ICPA's):

County currently holds ICPA's with numerous governmental entities. These agreements allow those entities, with the approval of the Contractor, to purchase their requirements under the terms and conditions of the County Contract. It is the responsibility of the non-County government entity to perform its own due diligence on the acceptability of the Contract under its procurement rules, processes and procedures.

4.0 AVAILABILITY OF FUNDS:

4.1 The provisions of this Contract relating to payment for services shall become effective when funds assigned for the purpose of compensating the Contractor as herein provided are actually available to County for disbursement. The County shall be the sole judge and authority in determining the availability of funds under this Contract. County shall keep the Contractor fully informed as to the availability of funds.

4.2 If any action is taken by, any State agency, Federal department, or any other agency or instrumentality to suspend, decrease, or terminate its fiscal obligations under, or in connection with, this Contract, County may amend, suspend, decrease, or terminate its obligations under, or in connection with, this Contract. In the event of termination, County shall be liable for payment only for services rendered prior to the effective date of the termination, provided that such services are performed in accordance with the provisions of this Contract. County shall give written notice of the effective date of any suspension, amendment, or termination under this Section, at least ten (10) days in advance.

5.0 DUTIES:

5.1 The Contractor shall perform all duties stated in Exhibit "B", or as otherwise directed in writing by the issuance of a project scope of work or Purchase Order by the Procurement Officer.

5.2 During the Contract term, County may provide Contractor's personnel with adequate workspace for consultants and such other related facilities as may be required by Contractor to carry out its contractual obligations.

6.0 TERMS AND CONDITIONS:

6.1 INDEMNIFICATION:

To the fullest extent permitted by law, and to the extent that claims, damages, losses or expenses are not covered and paid by insurance purchased by the Contractor, the Contractor shall defend indemnify and hold harmless the County (as Owner), its agents, representatives, agents, officers, directors, officials, and employees from and against all claims, damages, losses, and expenses (including, but not limited to attorneys' fees, court costs, expert witness fees, and the costs and attorneys' fees for appellate proceedings) arising out of, or alleged to have resulted from the negligent acts and, errors, or willful omissions, relating to the performance of this Contract.

Contractor's duty to defend, indemnify, and hold harmless the County, its agents, representatives, agents, officers, directors, officials, and employees shall arise in connection with any claim, damage, loss, or expense that is attributable to bodily injury, sickness, disease, death or injury to, impairment of, or destruction of tangible property, including loss of use resulting there from, caused by negligent acts and errors, or willful omissions in the performance of this Contract, but only to the extent caused by the negligent acts or omissions of the Contractor, a subcontractor, any one directly or indirectly employed by them, or anyone for whose acts they may be liable, regardless of whether or not such claim, damage, loss, or expense is caused in part by a party indemnified hereunder. Notwithstanding anything to the contrary, no provision of this Agreement shall prohibit or affect Contractor's right to seek contribution from any party responsible for the underlying claim.

The amount and type of insurance coverage requirements set forth herein will in no way be construed as limiting the scope of the indemnity in this paragraph.

The scope of this indemnification does not extend to the sole negligence of County.

NOTWITHSTANDING ANYTHING TO THE CONTRARY, DLT SOLUTIONS TOTAL LIABILITY UNDER THIS AGREEMENT, FOR ANY CAUSE OF ACTION WHATSOEVER, SHALL BE LIMITED TO THE AMOUNT OF FEES PAID BY COUNTY UNDER THE APPLICABLE STATEMENT OF WORK FROM WHICH SUCH LIABILITY ARISES.

6.2 INFRINGEMENT DEFENSE INDEMNIFICATION:

ORACLE STANDARD TERMS AND CONDITIONS SHALL APPLY (SEE EXHIBIT C, **D AND E**)

Exhibit C - ORACLE SOFTWARE PROGRAMS AND/OR SERVICES US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS ~~v041818~~ v032819.

Exhibit D - ORACLE CLOUD SERVICES US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v041818.

Exhibit E - ORACLE HARDWARE US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS ~~v041818~~ v032819.

Exhibit F - ORACLE LINUX AND ORACLE VM SERVICES SUPPLMENTAL PUBLIC SECTOR TERMS AND CONDITIONS v190712

6.3 SOURCE CODE ESCROW REQUIREMENT (IF APPLICABLE):

Source Code Escrow. Oracle confirms that a copy of the source code necessary to support the Programs is maintained or will be placed into escrow. The source code escrow agreement was entered into by Oracle America, Inc. on behalf of all members of the Oracle group of companies ("Oracle Group") and provides that only if the Oracle Group ceases to be in the business of supporting the Programs, the escrow agent will furnish You with a copy of the escrowed materials that have become unsupported. Any escrowed materials furnished under this provision shall be considered licensed subject to the terms of this Contract and shall be used solely to maintain the Programs. Oracle's source code escrow agreement is private and confidential and is not available for release to You. Oracle does not deposit source code for any third party programs. Upon request from You, Oracle will register You with

Oracle's escrow agent as a beneficiary under Oracle's source code escrow agreement. To request registration, You must email Oracle at source-code-escrow_ww@oracle.com. Thereafter, and provided that You are current on technical support for the Programs for which technical support is offered, You will be contacted on an annual basis to confirm whether You require Your registration to continue.

6.4 INSURANCE:

6.4.1 Contractor, at Contractor's own expense, shall purchase and maintain the herein stipulated minimum insurance from a company or companies duly licensed by the State of Arizona and possessing a current A.M. Best, Inc. rating of B++. In lieu of State of Arizona licensing, the stipulated insurance may be purchased from a company or companies, which are authorized to do business in the State of Arizona, provided that said insurance companies meet the approval of County. The form of any insurance policies and forms must be acceptable to County.

6.4.2 All insurance required herein shall be maintained in full force and effect until all work or service required to be performed under the terms of the Contract is satisfactorily completed and formally accepted. Failure to do so may, at the sole discretion of County, constitute a material breach of this Contract.

6.4.3 Contractor's insurance shall be primary insurance as respects County, and any insurance or self-insurance maintained by County shall not contribute to it.

6.4.4 Any failure to comply with the claim reporting provisions of the insurance policies or any breach of an insurance policy warranty shall not affect the County's right to coverage afforded under the insurance policies.

6.4.5 The insurance policies may provide coverage that contains deductibles or self-insured retentions. Such deductible and/or self-insured retentions shall not be applicable with respect to the coverage provided to County under such policies. Contractor shall be solely responsible for the deductible and/or self-insured retention and County, at its option, may require Contractor to secure payment of such deductibles or self-insured retentions by a surety bond or an irrevocable and unconditional letter of credit.

6.4.6 The insurance policies required by this Contract, except Workers' Compensation and Errors and Omissions, shall name County, its agents, representatives, officers, directors, officials and employees as Additional Insureds.

6.4.7 The policies required hereunder, except Workers' Compensation and Errors and Omissions, shall contain a waiver of transfer of rights of recovery (subrogation) against County, its agents, representatives, officers, directors, officials and employees for any claims arising out of Contractor's work or service.

6.4.8 Commercial General Liability:

Commercial General Liability insurance and, if necessary, Commercial Umbrella insurance with a limit of not less than $2,000,000 for each occurrence, $4,000,000 Products/Completed Operations Aggregate, and $4,000,000 General Aggregate Limit. The policy shall include coverage for premises liability, bodily injury, broad form property damage, personal injury, products and completed operations and blanket contractual coverage, and shall not contain any provisions which would serve to limit third party action over claims. There shall be no endorsement or modifications of the CGL limiting the scope of coverage for liability arising from explosion, collapse, or underground property damage.

6.4.9 Automobile Liability:

Commercial/Business Automobile Liability insurance and, if necessary, Commercial Umbrella insurance with a combined single limit for bodily injury and property damage of not less than $2,000,000 each occurrence with respect to any of the Contractor's owned, hired, and non-owned vehicles assigned to or used in performance of the Contractor's work or services or use or maintenance of the premises under this Contract.

6.4.10 Workers' Compensation:

Workers' Compensation insurance to cover obligations imposed by Federal and State statutes having jurisdiction of Contractor's employees engaged in the performance of the work or services under this Contract; and Employer's Liability insurance of not less than $1,000,000 for each accident, $1,000,000 disease for each employee, and $1,000,000 disease policy limit.

Contractor, its contractors and its subcontractors waive all rights against Contract and its agents, officers, directors and employees for recovery of damages to the extent these damages are covered by the Workers' Compensation and Employer's Liability or commercial umbrella liability insurance obtained by Contractor, its contractors and its subcontractors pursuant to this Contract.

6.4.11 Errors and Omissions (Professional Liability) Insurance:

Errors and Omissions (Professional Liability) insurance and, if necessary, Commercial Umbrella insurance, which will insure and provide coverage for errors or omissions or professional liability of the Contractor, with limits of no less than $2,000,000 for each claim.

6.4.12 Crime:

Contractor shall maintain Commercial Crime Liability Insurance with a limit of not less than $500,000 for each occurrence. The policy shall include, but not be limited to, coverage for employee dishonesty, fraud, theft, or embezzlement.

6.4.13 Cyber:

Policy Limit:

6.4.13.1 The policy shall be issued with minimum limits of $100,000.
6.4.13.2 The policy shall include coverage for all directors, officers, agents and employees of the Contractor.
6.4.13.3 The policy shall include coverage for third party fidelity.
6.4.13.4 The policy shall include coverage for theft.
6.4.13.5 The policy shall contain no requirement for arrest and conviction.
6.4.13.6 The policy shall cover loss outside the premises of the Named Insured.
6.4.13.7 The policy shall endorse (Blanket Endorsements are not acceptable) the Department as Loss Payee as our interest may appear.

6.4.14 Technology Errors & Omission Insurance:

- Each claim $2,000,000
- Annual Aggregate $2,000,000

Such insurance shall cover any, and all errors, omissions, or negligent acts in the delivery of products, services, and/or licensed programs under this Contract.

In the event that the Tech E&O insurance required by this Contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this Contract and, either continuous coverage will be maintained or an extended discovery period will be exercised for a period of two (2) years, beginning at the time work under this Contract is completed.

6.4.15 Network Security (Cyber) and Privacy Liability (IF APPLICABLE TO PROJECT):

- Each Claim $2,000,000
- Annual Aggregate $2,000,000

Such insurance shall include, but not be limited to, coverage for third party claims and losses with respect to network risks (such as data breaches, unauthorized access or use, ID theft of data) and invasion of privacy regardless of the type of media involved in the loss of private information, crisis management and identity theft response costs. This should also include breach notification costs, credit remediation, and

credit monitoring, defense and claims expenses, regulatory defense costs plus fines and penalties, cyber extortion, computer program and electronic data restoration expenses coverage (data asset protection), network business interruption, computer fraud coverage, and funds transfer loss.

In the event that the Network Security and Privacy Liability insurance required by this Contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this Contract and, either continuous coverage will be maintained, or an extended discovery period will be exercised for a period of two (2) years beginning at the time work under this Contract is completed.

6.4.16 County shall be a Certificate Holder:

Before providing the services as defined above, Developer shall furnish County with Certificates of Insurance evidencing coverage required by this Article. The certificates shall identify County as additional insured and shall be signed by a person authorized by that insurer to bind coverage on its behalf.

All obligations for occurrence coverage shall survive termination of this Agreement. Other insurance policies required hereby shall expressly provide that such policies shall not be canceled, terminated or materially altered without thirty (30) days prior written notice to County.

All insurance obligations of this Article shall survive termination of this Agreement.

It is understood that the County is "Self-Insured" and a Certificate of Insurance shall be provided by County upon approval of this Agreement by the Parties.

6.4.17 Certificates of Insurance:

6.4.17.1 Prior to Contract award, Contractor shall furnish the County with valid and complete certificates of insurance, or formal endorsements as required by the Contract in the form provided by the County, issued by Contractor's insurer(s), as evidence that policies providing the required coverage, conditions and limits required by this Contract are in full force and effect. Such certificates shall identify this contract number and title.

6.4.17.2 In the event any insurance policy(ies) required by this Contract is(are) written on a claims made basis, coverage shall extend for two years past completion and acceptance of Contractor's work or services and as evidenced by annual Certificates of Insurance.

6.4.17.3 If a policy does expire during the life of the Contract, a renewal certificate must be sent to County fifteen (15) calendar days prior to the expiration date.

6.4.18 Cancellation and Expiration Notice:

Applicable to all insurance policies required within the Insurance Requirements of this Contract, Contractor's insurance shall not be permitted to expire, be suspended, be canceled, or be materially changed for any reason without thirty (30) days prior written notice to Maricopa County. Contractor must provide to Maricopa County, within two (2) business days of receipt, if they receive notice of a policy that has been or will be suspended, canceled, materially changed for any reason, has expired, or will be expiring. Such notice shall be sent directly to Maricopa County Office of Procurement Services and shall be mailed or hand delivered to 320 West Lincoln Street, Phoenix, AZ 85003, or emailed to the Procurement Officer noted in the solicitation.

6.5 BOND REQUIREMENT (IF REQUIRED FOR ANY PROJECT):

6.5.1 Concurrently with the submittal of the Contract, the Contractor shall furnish the Contracting Agency the following bonds, which shall become binding upon the award of the contract to the Contractor.

6.5.1.1 Performance Bond equal to the full Contract amount ($_____or as specified) conditioned upon the faithful performance of the Contract in accordance with plans, specifications and conditions thereof. Such bond shall be solely for the protection of the Contracting Agency awarding the Contract.

6.5.1.2 A Payment Bond equal to the full Contract amount ($_____or as specified) solely for the protection of claimants supplying labor and materials to the Contractor or his Subcontractors in the prosecution of the work provided for in such Contract.

6.5.2 Each such bond shall include a provision allowing the prevailing party in a suit on such bond to recover as a part of his judgment such reasonable attorney's fees as may be fixed by a judge of the court.

6.5.3 Each bond shall be executed by a surety company or companies holding a certificate of authority to transact surety business in the State of Arizona issued by the Director of the Department of Insurance. The bonds shall not be executed by an individual surety or sureties. The bonds shall be made payable and acceptable to the Contracting Agency. The bonds shall be written or countersigned by an authorized representative of the surety who is either a resident of the State of Arizona or whose principal office is maintained in this State, as by law required, and the bonds shall have attached thereto a certified copy of the Power of Attorney of the signing official. In addition, said company or companies shall be rated "Best-A" or better as required by the Contracting Agency, as currently listed in the most recent Best Key Rating Guide, published by the A.M. Best Company.

6.8 DELIVERY:

6.8.1 Delivery shall specified on each order.
6.8.2 Exceptions to delivery schedule will be special order items that shall be identified.
6.8.3 Delivery shall be F.O.B. Destination, Freight Prepaid.

6.9 EXPEDITED DELIVERY:

6.9.1 If the Using Agency determines that rush shipping or other alternate shipping is required, it shall notify the Contractor. The Contractor shall determine any additional costs associated with such delivery terms and communicate that cost to the County.

6.9.2 The County shall not advise the Contractor to proceed with an expedited shipment until acceptable terms are agreed upon and a purchase order is issued. Upon agreeing to the additional costs, the Using Agency shall advise the Contractor to proceed.

6.9.3 Upon receipt of material(s) and invoicing, the County shall ensure that any additional charges are in compliance with and do not exceed agreed to costs. The County shall retain all documents related to these costs within the agency purchase file.

6.10 SHIPPING DOCUMENTS:

A packing list or other suitable shipping document shall accompany each shipment and shall include the following:

6.10.1 Contract Serial number.

6.10.2 Contractor's name and address.

6.10.3 Using Agency name and address.

6.10.4 Using Agency purchase order number.

6.10.5 A description of product(s) shipped, including item number(s), quantity (ies), number of containers and package number(s), as applicable.

6.11 PERFORMANCE:

It shall be the Contractor's responsibility to meet the proposed performance requirements. Maricopa County reserves the right to obtain services on the open market in the event the Contractor fails to correct the deficient service within 30 days after written notice.

6.12 SHIPPING CHARGES:

6.12.1 Unless expressly included in an Oracle product or service Stocking Keep Unit (SKU) all shipping charges are separately orderable SKUs. FOB: Destination.

6.12.2 Exceptions to normal shipping charges:

Expedited freight will be pre-paid by the Contractor and added to invoice if the normal shipping schedule does not meet County requirements. These requirements will be made in writing to the contractor.

6.13 PACKAGING/PACKING:

Unless otherwise stated, commercial packages and packing, suitable for the type, size, and kind of product, commonly used in the industry for the purpose, so constructed as to ensure acceptance and safe delivery, at the lowest rate, to the point of delivery specified in the bid document is acceptable.

6.14 OPERATING MANUALS:

Upon delivery, Contractor shall provide comprehensive operational manuals, service manuals and schematic diagrams, if required by the Department. These may be provided in hard copy or electronically.

6.15 INSTALLATION:

The Contractor's price shall include delivery and, if requested at the time of quote/bid, installation of all equipment in a complete operating condition.

6.16 ACCEPTANCE (IF APPLICABLE):

6.16.1 **Perpetual Licenses** – Software is made available via a web link provided by the Licensor; there is no acceptance period for perpetual licenses.

6.16.2 **Engineered Systems and Hardware** – Acceptance is upon delivery.

6.16.3 **Cloud Services – Cloud services are provisions via a web link provided by the cloud service** provider; there is no acceptance period for cloud services.

6.17 RETURN POLICY:

All orders are non-cancellable and non-refundable.

6.18 INSPECTION OF SERVICES (IF APPLICABLE):

6.18.1 The Contractor shall provide and maintain an inspection system acceptable to County covering the services under this Contract. Complete records of all inspection work performed by the Contractor shall be maintained and made available to County during Contract performance and for as long afterwards as the Contract requires.

6.18.2 County has the right to inspect and test all services called for by the Contract, to the extent practicable at all times and places during the term of the Contract. County shall perform inspections and tests in a manner that will not unduly delay the work.

6.18.3 If any of the services do not conform to Contract requirements, County is entitled to the remedies provided **here** under **the Oracle Standard Terms and Conditions** ~~y~~:

6.18.3.1 **With regard to services performed by Oracle**:

If any of the Oracle Cloud Services do not conform to Contract requirements, County is entitled to the remedies provided under Exhibit D ORACLE CLOUD SERVICES US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v041818.

If any of the Oracle ACS Services do not conform to Contract requirements, County is entitled to the remedies provided under Exhibit E ORACLE HARDWARE US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v041818.

The parties agree that Oracle Technical Support Services and/or Maintenance Support Services will be provided in accordance with Oracle's Technical Support Policies in effect at the time the services are provided. You may access the current version of the technical support policies at http://www.oracle.com/us/support/policies/index.html

6.18.3.2 **With regard to professional services performed by DLT Solutions**:

DLT Solutions professional services will be performed in accordance with a quoted Statement of Work that will be incorporated in the Contractor ordering documents. County remedies shall be as stated within these Contractor ordering documents.

6.19 ORDERING AUTHORITY:

Any request for purchase shall be accompanied by a valid purchase order, issued by Office of Procurement Services, a Purchase Order issued by the using Department or direction by a Certified Agency Procurement Aid (CAPA) with a Purchase Card for payment.

6.20 NO MINIMUM OR MAXIMUM PURCHASE OBLIGATION:

This Contract does not guarantee any minimum or maximum purchases will be made. Orders will only be placed under this Contract when the County identifies a need and proper authorization and documentation have been approved.

6.21 BACKGROUND CHECK (IF REQUIRED BY PROJECT):

Contractors need to be aware that there may be multiple background checks (Sheriff's Office, County Attorney's Office, Courts as well as Maricopa County general government) to determine if the respondent is acceptable to do business with the County. This applies to (but is not limited to) the Contractor, subcontractors and employees.

6.22 SUSPENSION OF WORK: (THIS PROVISION SHALL NOT APPLY TO ORACLE CLOUD SERVICES)

The Procurement Officer may order the Contractor, in writing, to suspend, delay, or interrupt all or any part of the work of this contract for the period of time that the Procurement Officer determines appropriate for the convenience of the County. No adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor. No request for adjustment under this clause shall be granted unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

6.23 STOP WORK ORDER:

The Procurement Officer may, at any time, by written order to the Contractor, require the Contractor to stop all, or any part, of the work called for by this contract for a period of ninety (90) calendar days after the order is delivered to the Contractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 calendar days after a stop-work is delivered to the Contractor, or within any extension of that period to which the parties shall have agreed, the Procurement Officer shall either:

6.23.1 Cancel the stop work order; or

6.23.2 Terminate the work covered by the order as provided in the Default, or the Termination for Convenience clause of this Contract.

6.23.3 The Procurement Officer may make an equitable adjustment in the delivery schedule and/or Contract price, or otherwise, and the Contract shall be modified, in writing, accordingly, if the Contractor demonstrates that the stop work order resulted in an increase in costs to the Contractor.

6.24 TERMINATION FOR CONVENIENCE:

Maricopa County may terminate the Contract for convenience by providing sixty (60) calendar days advance notice to the Contractor.

6.25 TERMINATION FOR DEFAULT:

The County may, by written notice of default to the Contractor, terminate this Contract in whole or in part if the Contractor fails to:

6.25.1 Deliver the supplies or to perform the services within the time specified in this Contract or any extension;

6.25.2 Make progress, so as to endanger performance of this Contract; or

6.25.3 Perform any of the other provisions of this Contract.

The County's right to terminate this contract under these subparagraphs may be exercised if the Contractor does not cure such failure within ten (10) business days (or more if authorized in writing by the County) after receipt of the notice from the Procurement Officer specifying the failure.

6.26 STATUTORY RIGHT OF CANCELLATION FOR CONFLICT OF INTEREST:

Notice is given that pursuant to A.R.S. § 38-511 the County may cancel any Contract without penalty or further obligation within three years after execution of the Contract, if any person significantly involved in initiating,

negotiating, securing, drafting or creating the Contract on behalf of the County is at any time while the Contract or any extension of the Contract is in effect, an employee or agent of any other party to the Contract in any capacity or consultant to any other party of the Contract with respect to the subject matter of the Contract. Additionally, pursuant to A.R.S § 38-511 the County may recoup any fee or commission paid or due to any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the County from any other party to the Contract arising as the result of the Contract.

6.27 CONTRACTOR LICENSE REQUIREMENT:

6.27.1 The Contractor shall procure all permits, insurance, licenses and pay the charges and fees necessary and incidental to the lawful conduct of his/her business, and as necessary complete any required certification requirements, required by any and all governmental or non-governmental entities as mandated to maintain compliance with and in good standing for all permits and/or licenses. The Contractor shall keep fully informed of existing and future trade or industry requirements, Federal, State and Local laws, ordinances, and regulations which in any manner affect the fulfillment of a Contract and shall comply with the same. Contractor shall immediately notify both Office of Procurement Services and the Department of any and all changes concerning permits, insurance or licenses.

6.27.2 Contractor furnishing finished products, materials or articles of merchandise that will require installation or attachment as part of the Contract, shall possess any licenses required. Contractor is not relieved of its obligation to obtain and possess the required licenses by subcontracting of the labor portion of the Contract. Contractors are advised to contact the Arizona Registrar of Contractors, Chief of Licensing, to ascertain licensing requirements for a particular contract. Contractor shall identify which license(s), if any, the Registrar of Contractors requires for performance of the Contract.

6.28 SUBCONTRACTING:

6.28.1 The Contractor may not assign to another contractor or subcontract to another party for performance of the terms and conditions hereof without the written consent of the County. All correspondence authorizing subcontracting must reference the Contract Number and identify the job project.

6.28.2 The subcontractor's rate for the job shall not exceed that of the Prime Contractor's rate, as bid in the pricing section, unless the Prime Contractor is willing to absorb any higher rates or the County has approved the increase. ~~The subcontractor's invoice shall be invoiced directly to the Prime Contractor, who in turn shall pass through the costs to the County, without mark-up. A copy of the subcontractor's invoice must accompany the Prime Contractor's invoice.~~

6.29 AMENDMENTS:

All amendments to this Contract shall be in writing and approved/signed by both parties. Maricopa County Office of Procurement Services shall be responsible for approving all amendments for Maricopa County.

6.30 ADDITIONS/DELETIONS OF REQUIREMENTS:

The County reserves the right to add and/or delete materials and services to a Contract. If a service requirement is deleted, payment to the Contractor will be reduced proportionately, to the amount of service reduced in accordance with the bid price. If additional materials or services are required from a Contract, prices for such additions will be negotiated between the Contractor and the County.

6.31 STRICT COMPLIANCE:

Acceptance by County of a performance that is not in strict compliance with the terms of the Contract shall not be deemed to be a waiver of strict compliance with respect to all other terms of the Contract.

6.32 VALIDITY:

The invalidity, in whole or in part, of any provision of this Contract shall not void or affect the validity of any other provision of the Contract.

6.33 SEVERABILITY:

The removal, in whole or in part, of any provision of this Contract shall not void or affect the validity of any other provision of this Contract.

6.34 RIGHTS IN DATA:

The County shall have the use of data and reports resulting from a Contract without additional cost or other restriction except as may be established by law or applicable regulation. Each Party shall supply to the other Party, upon request, any available information that is relevant to a Contract and to the performance thereunder.

6.35 NON-DISCRIMINATION:

Contractor agrees to comply with all provisions and requirements of Arizona Executive Order 2009-09 including flow down of all provisions and requirements to any subcontractors. Executive Order 2009-09 supersedes Executive order 99-4 and amends Executive order 75-5 and may be viewed and downloaded at the Governor of the State of Arizona website (http://azmemory.azlibrary.gov/cdm/singleitem/collection/execorders/id/680/rec/1) which is hereby incorporated into this contract as if set forth in full herein. During the performance of this Contract, Contractor shall not discriminate against any employee, client or any other individual in any way because of that person's age, race, creed, color, religion, sex, disability or national origin.

6.36 CERTIFICATION REGARDING DEBARMENT AND SUSPENSION:

6.36.1 The undersigned (authorized official signing on behalf of the Contractor) certifies to the best of his or her knowledge and belief that the Contractor, it's current officers and directors;

6.36.1.1 are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from being awarded any contract or grant by any United States Department or Agency or any state, or local jurisdiction;

6.36.1.2 have not within three (3) year period preceding this Contract;

6.36.1.2.1 been convicted of fraud or any criminal offense in connection with obtaining, attempting to obtain, or as the result of performing a government entity (Federal, State or local) transaction or contract; and

6.36.1.2.2 been convicted of violation of any Federal or State antitrust statues or conviction for embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property regarding a government entity transaction or contract;

6.36.1.2.3 are not presently indicted or criminally charged by a government entity (Federal, State or local) with commission of any criminal offenses in connection with obtaining, attempting to obtain, or as the result of performing a government entity public (Federal, State or local) transaction or contract; and are not presently facing any civil charges from any governmental entity regarding obtaining, attempting to obtain, or from performing any governmental entity contract or other transaction; and have not within a three (3) year period preceding this Contract had any public transaction (Federal, State or local) terminated for cause or default.

6.36.1.3 If any of the above circumstances described in the paragraph are applicable to the entity submitting a bid for this requirement, include with your bid an explanation of the matter including any final resolution.

6.36.2 The Contractor shall include, without modification, this clause in all lower tier covered transactions (i.e. transactions with subcontractors) and in all solicitations for lower tier covered transactions related to this Contract.

6.37 VERIFICATION REGARDING COMPLIANCE WITH A.R.S. §41-4401 AND FEDERAL IMMIGRATION LAWS AND REGULATIONS:

6.37.1 By entering into the Contract, the Contractor warrants compliance with the Immigration and Nationality Act (INA using e-verify) and all other Federal immigration laws and regulations related to the immigration status of its employees and A.R.S. §23-214(A). The Contractor shall obtain statements from its subcontractors certifying compliance and shall furnish the statements to the Procurement Officer upon request. These warranties shall remain in effect through the term of the Contract. The Contractor and its subcontractors shall also maintain Employment Eligibility Verification forms (I-9) as required by the Immigration Reform and Control Act of 1986, as amended from time to time, for all employees performing work under the Contract and verify employee compliance using the E-verify system and shall keep a record of the verification for the duration of the employee's employment or at least three (3) years, whichever is longer. I-9 forms are available for download at USCIS.GOV.

6.37.2 The County retains the legal right to inspect Contractor and subcontractor employee documents performing work under this Contract to verify compliance with paragraph 6.38.1 of this Section. Contractor and subcontractor shall be given reasonable notice of the County's intent to inspect and shall make the documents available at the time and date specified. Should the County suspect or find that the Contractor or any of its subcontractors are not in compliance, the County will consider this a material breach of the Contract and may pursue any and all remedies allowed by law, including, but not limited to; suspension of work, termination of the Contract for default, and suspension and/or debarment of the Contractor. All costs necessary to verify compliance are the responsibility of the Contractor.

6.38 INFLUENCE:

As prescribed in MC1-1203 of the Maricopa County Procurement Code, any effort to influence an employee or agent to breach the Maricopa County Ethical Code of Conduct or any ethical conduct may be grounds for Disbarment or Suspension under MC1-902.

An attempt to influence includes, but is not limited to:

6.38.1 A Person offering or providing a gratuity, gift, tip, present, donation, money, entertainment or educational passes or tickets, or any type of valuable contribution or subsidy,

6.38.2 That is offered or given with the intent to influence a decision, obtain a contract, garner favorable treatment, or gain favorable consideration of any kind.

If a Person attempts to influence any employee or agent of Maricopa County, the Chief Procurement Officer, or his designee, reserves the right to seek any remedy provided by the Maricopa County Procurement Code, any remedy in equity or in the law, or any remedy provided by this contract.

ABSOLUTELY NO CONTACT BETWEEN THE RESPONDENT AND ANY COUNTY PERSONNEL, OTHER THAN THE OFFICE OF PROCUREMENT SERVICES, IS ALLOWED DURING THE SOLICITATION PROCESS UNLESS THE COMMUNICATION IS IN REGARDS TO PRE-EXISTING BUSINESS WITH THE COUNTY. ANY COMMUNICATIONS REGARDING THE SOLICITATION, ITS PARTICIPANTS OR ANY DOCUMENTATION PRIOR TO THE CONTRACT AWARD MAY BE GROUNDS FOR DISMISSAL OF THE RESPONDENT FROM THE EVALUATION PROCESS.

6.39 Contractor EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLERBLOWER RIGHTS:

6.39.1 The Parties agree that this Contract and employees working on this Contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. § 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112–239) and section 3.908 of the Federal Acquisition Regulation;

6.39.2 Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. § 4712, as described in section 3.908 of the Federal Acquisition Regulation. Documentation of such employee notification must be kept on file by Contractor and copies provided to County upon request.

6.39.3 Contractor shall insert the substance of this clause, including this paragraph, in all subcontracts over the simplified acquisition threshold ($150,000 as of September 2013).

6.40 UNIFORM ADMINISTRATIVE REQUIREMENTS:

By entering into this Contract the Contractor agrees to comply with all applicable provisions of Title 2, Subtitle A, Chapter II, PART 200—UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS contained in Title 2 C.F.R. § 200 et seq.

6.41 ACCESS TO AND RETENTION OF RECORDS FOR THE PURPOSE OF AUDIT AND/OR OTHER REVIEW:

6.41.1 In accordance with section MCI 371 of the Maricopa County Procurement Code the Contractor agrees to retain (physical or digital copies of) all books, records, accounts, statements, reports, files, and other records and back-up documentation relevant to this Contract for six (6) years after final payment or until after the resolution of any audit questions which could be more than six (6) years, whichever is latest. The County, Federal or State auditors and any other persons duly authorized by the Department shall have full access to, and the right to examine, copy and make use of, any and all said materials.

6.41.2 If the Contractor's books, records , accounts, statements, reports, files, and other records and back-up documentation relevant to this Contract are not sufficient to support and document that requested services were provided, the Contractor shall reimburse Maricopa County for the services not so adequately supported and documented.

6.42 AUDIT DISALLOWANCES:

If at any time it is determined by the County that a cost for which payment has been made is a disallowed cost, the County shall notify the Contractor in writing of the disallowance. The course of action to address the disallowance shall be at sole discretion of the County, and may include either an adjustment to future invoices, request for credit, request for a check or a deduction from current invoices submitted by the Contractor equal to the amount of the disallowance, or to require reimbursement forthwith of the disallowed amount by the Contractor by issuing a check payable to Maricopa County.

6.43 OFFSET FOR DAMAGES:

In addition to all other remedies at Law or Equity, the County may offset from any money due to the Contractor any amounts Contractor owes to the County for damages resulting from breach or deficiencies in performance of the Contract.

6.44 CONFIDENTIAL INFORMATION:

Any information obtained in the course of performing this contract may include information that is proprietary or confidential to the County. This provision establishes the Contractor's obligation regarding such information.

The Contractor shall establish and maintain procedures and controls that are adequate to assure that no information contained in its records and/or obtained from the County or from others in carrying out its functions (services) under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under the Contract. The Contractor's procedures and controls at a minimum must be the same procedures and controls it uses to protect its own proprietary or confidential information. If, at any time during the duration of the Contract, the County determines that the procedures and controls in place are not adequate, the Contractor shall institute any new and/or additional measures requested by the County within fifteen (15) business days of the written request to do so.

Any requests to the Contractor for County proprietary or confidential information shall be referred to the County for review and approval, prior to any dissemination.

6.45 PUBLIC RECORDS:

Under Arizona law, all Contracts are public records and must be retained by the Records Manager at the Office of Procurement Services. Contracts shall be open to public inspection and copying after Contract award and execution, except for such Contracts or sections thereof determined to contain proprietary or confidential information by the Office of Procurement Services.

6.46 PRICES:

Contractor will make reasonable efforts to seek approval from Oracle to extend to County under this Contract prices that are no higher than those paid by any other customer for these or similar services.

6.47 INTEGRATION:

This Contract represents the entire and integrated agreement between the parties and supersedes all prior negotiations, proposals, communications, understandings, representations, or agreements, whether oral or written, express or implied.

6.48 RELATIONSHIPS:

6.48.1 In the performance of the services described herein, the Contractor shall act solely as an independent contractor, and nothing herein or implied herein shall at any time be construed as to create the relationship of employer and employee, co-employee, partnership, principal and agent, or joint venture between the County and the Contractor.

6.48.2 The County reserves the right of final approval on proposed staff for all Task Orders. Also, upon request by the County, the Contractor will be required to remove any employees working on County projects and substitute personnel based on the discretion of the County within two business days, unless previously approved by the County.

6.49 CHANGES:

In the event of a change to the distribution or reseller agreement between Contractor and Oracle, changes to the license definitions and rules and/or changes to Global Price Lists, Contractor may submit such changes as Oracle requires under Contractor' distribution in writing to the County for review. The County shall have thirty (30) days to accept or reject those changes. In the event the County accepts the new terms and conditions, the County shall notify Contractor in writing of such acceptance and the parties will negotiate and execute an Amendment to this Contract to incorporate such changes. If Contractor and the County cannot reach agreement to the proposed changes or the County fails to respond to Contractor request within thirty (30) days of receiving notice from Contractor, Contractor may terminate this Contract.

6.50 GOVERNING LAW:

This Contract shall be governed by the laws of the State of Arizona. Venue for any actions or lawsuits involving this Contract will be in Maricopa County Superior Court, Phoenix, Arizona.

6.51 ORDER OF PRECEDENCE:

In the event of a conflict in the provisions of this Contract and the Oracle Standard Terms (**See Exhibits C, D, ~~and~~ E and F**) and Conditions the terms of this Contract shall prevail, except the Oracle Standard Terms and Conditions shall prevail where it pertains to the use of the Oracle products and services.

6.52 INCORPORATION OF DOCUMENTS:

EXHIBIT B
SCOPE OF WORK

ORACLE PRODUCTS AND SERVICES

1.0 INTRODUCTION AND BACKGROUND

1.1 MASTER AGREEMENT

Maricopa County (herein "Lead Public Agency") on behalf of itself and all states, local governments, school districts, **public** higher education institutions, and other government agencies in the United States of America (herein "Participating Public Agencies") is awarding this contract to one or more qualified suppliers to enter into a Master Agreement for a complete line of Oracle Products, Services and Solutions (herein "Products and Services").

ALL PRODUCTS OFFERED MUST BE NEW OR LIKE NEW, UNUSED, LATEST DESIGN AND TECHNOLOGY.

1.2 OBJECTIVES

1.2.1 Provide a comprehensive competitively solicited Master Agreement offering Products and Services to Participating Public Agencies;

1.2.2 Establish the Master Agreement as a Supplier's primary offering to Participating Public Agencies;

1.2.3 Achieve cost savings for Suppliers and Participating Public Agencies through a single competitive solicitation process that eliminates the need for multiple bids or proposals;

1.2.4 Combine the volumes of Participating Public Agencies to achieve cost effective pricing;

1.2.5 Reduce the administrative and overhead costs of Suppliers and Participating Public Agencies through state of the art ordering and delivery systems;

1.2.6 Provide Participating Public Agencies with environmentally responsible products and services.

1.3 GENERAL DEFINITION OF PRODUCTS AND/OR SERVICES

Oracle Products, Services and Solutions: Contractors are to provide the broadest possible selection of Oracle Products, Services and Solutions they offer. The intent of this contract is to provide Participating Public Agencies with products, services and solutions to meet their various needs. Therefore, the contractors should have demonstrated experience in providing the Products, Services and Solutions as defined in this Exhibit including but not limited to:

1.3.1 **Perpetual Licenses** – applications, database and options, business intelligent, middleware and any other perpetual license offered by Oracle.

1.3.2 **Engineered Systems** – integrated software and hardware systems offered by Oracle.

1.3.3 **Hardware, Servers, Storage and Networking** - any servers, storage and networking products offered by Oracle.

1.3.4 **Cloud Services** – Software as a Service (SaaS), Platform as a Service (PaaS), and Infrastructure as a Service (IaaS) offered by Oracle.

1.3.5 **Consulting/Professional Services** – Consulting and integration services relating to Oracle products and services.

1.3.6 **Technical Support Services and/or Maintenance Support Services** – telephone technical support, premier support for systems and any other support services available from Oracle for license and hardware.

1.3.7 **Oracle Training and University Products** - Any related Oracle training including instructor lead classes and self-guided learning paths.

1.3.8 **Financing Services**– Financing services for orders and solutions.

1.4 INTENT**:**

The intent of this contract is to establish a nationwide purchasing agreement for the acquisition of Oracle products, services and solutions. The categories of descriptive examples in Section 2.12 are to provide a general, non-inclusive, description of the categories.

Other governmental entities under agreement with the County may have access to products or services provided hereunder (see Sections 3.15, 3.16 and Exhibit 6, MICPA.)

The County reserves the right to add additional contractors, at the County's sole discretion, in cases where the currently listed contractors are of an insufficient number or skill-set to satisfy the County's needs or to ensure adequate competition on any project or task order work

It is expected that contractors will provide binding written Task Orders to be approved by the using agency for all products or services to be purchased under this contract. If more than one contractor is awarded a contract the members at their discretion may request Task Orders from one or more contractors and select the Task Order that's best meets their internal interests. .

2.0 SCOPE OF WORK:

2.1 Represent, sell, and service all the Oracle Products listed below (Section 2.12);

2.2 Be able to service local governments, states, school districts, and **public** higher education institutions in the United States of America, and other governmental agencies ~~and nonprofit organizations~~;

2.3 Have the resources to work with multiple entities at the same time;

2.4 Throughout the life of this contract, the successful Contractor shall maintain expertise, resources and capabilities to maintain an Oracle Platinum Partnership level.

2.5 Provide commercial hardware, software, services and solutions as ordered under the task order as a member of the Oracle Platinum Partner Network in good standing with all required distribution agreements;

2.6 Perform or have service delivery partners that can provide consulting, assessment, design, integration, installation and management of Services/Solutions at the task order level;

2.7 Perform a wide range of professional, technical support and engineering Services/Solutions to support the mission and objectives of Maricopa County and Participating Public Agencies as authorized buyers off this contract;

2.8 Provide maintenance support Services/Solutions

2.9 Provide project management support for each deliverable under the contract;

2.10 Provide project specific and overall contract performance reporting, as required.

2.11 Provide on-going marketing of the contract by aligning and traveling with the U.S Communities Program Managers, administrative and marketing personnel engaged in directly promoting the contract to Participating Public Agencies through agency meetings, direct mail, national publications, annual meetings and other such activities.

2.12 PRODUCTS AND SERVICES REQUIRED:

2.12.1 **Perpetual Licenses** – applications, database and options, business intelligent, middleware and any other perpetual license offered by Oracle.

2.12.2 **Engineered Systems** – integrated software and hardware systems offered by Oracle.

2.12.3 **Hardware, Servers, Storage, and Networking** - any servers, storage, and networking products offered by Oracle.

2.12.4 **Cloud Services** – Software as a Service (SaaS), Platform as a Service (PaaS), and Infrastructure as a Service (IaaS) offered by Oracle.

2.12.5 **Consulting/Professional Services** – Consulting and integration services relating to Oracle products and services.

2.12.6 **Technical Support Services and/or Maintenance Support Services** – telephone technical support, premier support for systems and any other support services available from Oracle for license and hardware.

2.12.7 **Oracle Training and University Products** - Any related Oracle training including instructor lead classes and self-guided learning paths.

2.12.8 **Financing Services**– Financing services for orders and solutions.

2.13 STAFF EXPERIENCE:

2.13.1 For Maricopa County, full-time and part-time staff, proposed consultants and subcontractors who may be assigned direct work for this contract should be identified in any project Task Orders.

2.14 FACILITIES:

During the course of this Contract, the County may provide the Contractor's personnel with adequate workspace for consultants and such other related facilities as may be required by Contractor to carry out its obligation enumerated herein.

2.15 TRAINING:

The Contractor shall provide a minimum of (To be determined for each Task Order) to completely train County personnel in the use and care of the equipment.

2.16 WARRANTY:

APPLICABLE ORACLE STANDARD TERMS AND CONDITIONS SHALL CONTROL.

2.17 ACCEPTANCE:

2.17.1 **Perpetual Licenses** – Software is made available via a web link provided by the Licensor; there is no acceptance period for perpetual licenses.

2.17.2 **Engineered Systems and Hardware** – Acceptance is upon delivery.

2.17.3 **Cloud Services – Cloud services are provisions via a web link provided by the cloud service** provider; there is no acceptance period for cloud services.

3.0 PROCUREMENT REQUIREMENTS:

3.1 DELIVERY:

3.1.1 Delivery shall be made within 48 hours after receipt of order (ARO) or as agreed with using agency.

3.1.2 Exceptions to delivery schedule will be special order items that must be identified.

3.1.3 Maricopa County reserves the right to obtain material on the open market in the event Contractors fail to make delivery and charge any price differential to the Contractor.

3.1.4 Delivery shall be F.O.B. Destination, Freight Prepaid.

3.2 EXPEDITED DELIVERY:

3.2.1 If the Using Agency determines that rush shipping or other alternate shipping is required, it shall notify the Contractor. The Contractor shall determine any additional costs associated with such delivery terms and communicate that cost to the County.

3.2.2 The County shall not advise the Contractor to proceed with an expedited shipment until acceptable terms are agreed upon and a purchase order is issued. Upon agreeing to the additional costs, the Using Agency shall advise the Contractor to proceed.

3.2.3 Upon receipt of material(s) and invoicing, the County shall ensure that any additional charges are in compliance with and do not exceed agreed to costs. The County shall retain all documents related to these costs within the agency purchase file.

3.3 SHIPPING DOCUMENTS:

A packing list or other suitable shipping document shall accompany each shipment and shall include the following:

3.3.1 Contract Serial number.

3.3.2 Contractor's name and address.

3.3.3 Using Agency name and address.

3.3.4 Using Agency purchase order number.

3.3.5 A description of product(s) shipped, including item number(s), quantity (ies), number of containers and package number(s), as applicable.

3.4 PERFORMANCE:

It shall be the Contractor's responsibility to meet the proposed performance requirements. Maricopa County reserves the right to obtain services on the open market in the event the Contractor fails to perform and any price differential will be charged against the Contractor.

3.5 SHIPPING CHARGES:

3.5.1 Shipping costs will be borne by the Contractor. FOB: Destination.

3.5.2 Exceptions to normal shipping charges:

Expedited freight will be pre-paid by the Contractor and added to invoice if the normal shipping schedule does not meet County requirements. These requirements will be made in writing to the contractor.

3.6 PACKAGING/PACKING:

Unless otherwise stated, commercial packages and packing, suitable for the type, size, and kind of product, commonly used in the industry for the purpose, so constructed as to ensure acceptance and safe delivery, at the lowest rate, to the point of delivery specified in the bid document is acceptable.

3.7 OPERATING MANUALS:

Upon delivery, Contractor shall provide comprehensive operational manuals, service manuals and schematic diagrams, if required by the Department. These may be provided in hard copy or electronically.

3.8 INSTALLATION (If required):

The Contractor's price shall include delivery and installation of all equipment in a complete operating condition.

3.9 CONTRACTOR EMPLOYEE MANAGEMENT:

3.9.1 Contractor shall endeavor to maintain the personnel proposed in their proposal throughout the performance of this Contract. In the event that Contractor personnel's employment status changes, Contractor shall provide County a list of proposed candidates with equivalent experience. Under no circumstances is it acceptable for the implementation schedule to be impacted by a personnel change on the part of the Contractor.

3.9.2 Contractor shall not reassign any key personnel without the express consent of the County.

3.9.3 County reserves the right to immediately remove from its premises any Contractor personnel it determines is a risk to County operations.

3.9.4 County reserves the right to request the replacement of Contractor personnel at any time, for any reason. Said requested removal shall not be subject to part ~~3.9.1~~ **3.11.1** of this section.

3.10 TRAINING:

The Contractor shall provide training services as needed, depending on the product or service purchased, to completely train County personnel in the use and care of the equipment. All training shall take place on-site at Maricopa County.

3.11 MAINTENANCE (If Required):

The Contractor shall provide for maintenance under this Contract upon acceptance of materials by the Department.

3.12 USAGE REPORT:

The Contractor shall furnish the County a usage report, upon request, delineating the acquisition activity governed by the Contract. The format of the report shall be approved by the County and shall disclose the quantity and dollar value of each contract item by individual unit.

3.13 BACKGROUND CHECK:

Bidders/proposers need to be aware that there may be multiple background checks (Sheriff's Office, County Attorney's Office, Courts as well as Maricopa County general government) to determine if the respondent is acceptable to do business with the County. This applies to (but is not limited to) the company, subcontractors and employees and the failure to pass these checks shall deem the respondent non-responsible.

3.14 STRATEGIC ALLIANCE for VOLUME EXPENDITURES ($AVE):

The County is a member of the $AVE cooperative purchasing group. $AVE includes the State of Arizona, many Phoenix metropolitan area municipalities, and many K-12 unified school districts. Under the $AVE Cooperative Purchasing Agreement, and with the concurrence of the successful Respondent under this solicitation, a member of $AVE may access a contract resulting from a solicitation issued by the County. If you do not want to grant such access to a member of $AVE, please so state in your proposal. In the absence of a statement to the contrary, the County will assume that you do wish to grant access to any contract that may result from this Request for Proposal.

3.15 INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENTS (ICPA's):

County currently holds ICPA's with numerous governmental entities. These agreements allow those entities, with the approval of the Contractor, to purchase their requirements under the terms and conditions of the County Contract. It is the responsibility of the non-County government entity to perform its own due diligence on the acceptability of the Contract under its procurement rules, processes and procedures.

~~ORACLE SOFTWARE STANDARD TERMS AND CONDITIONS FOR PRODUCTS AND SERVICES~~

EXHIBIT C

ORACLE

ORACLE SOFTWARE PROGRAMS AND/OR SERVICES
US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v041818

THESE ORACLE SOFTWARE PROGRAM AND/OR SERVICES US COMMUNITIES ("USC") SUPPLEMENTAL TERMS AND CONDITIONS ("SOFTWARE STCs") SHALL APPLY TO THE ORACLE SOFTWARE PROGRAMS AND/OR SERVICES THAT YOU ORDER FROM THE CONTRACT HOLDER (THE "CONTRACTOR"). THESE SOFTWARE STCs SHALL TAKE PRECEDENCE OVER ANY CONFLICTING TERMS IN ANY NON-ORACLE ORDER OR ORDERING DOCUMENTATION. THESE SOFTWARE STCs ARE CONSIDERED PART OF THE SCHEDULE OF SUPPLIES/SERVICES IN YOUR ORDER TO THE CONTRACTOR.

A. Definitions

"You" and "Your" refers to the ordering activity that has ordered programs, and/or services from an authorized distributor ("Contractor") under the contract.

The term "ancillary programs" refers to third party materials specified in the program documentation which may only be used for the purposes of installing or operating the programs with which the ancillary programs are delivered.

The term "contract" refers to the Contractor's US Communities contract.

The term "program documentation" refers to the program user manual and program installation manuals.

The term "programs" refers to the software products owned or distributed by Oracle which you have ordered, program documentation, and any program updates acquired through technical support.

The term "services" refers to annual technical support services which you have ordered.

B. Rights Granted

Upon Contractor's acceptance of your order, you have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in your order with Contractor), limited right to use the programs and receive any services you ordered solely for your internal ordering activity operations and subject to the terms of these, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You may allow your agents and contractors (including, without limitation, outsourcers) to use the programs for this purpose and you are responsible for their compliance with these Software STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation in such use. For programs that are specifically designed to allow your customers and suppliers to interact with you in the furtherance of your internal business operations, such use is allowed.

EXHIBIT C

C. Ownership and Restrictions

Oracle or its licensors retain all ownership and intellectual property rights to the programs. Oracle retains all ownership and intellectual property rights to anything developed by Oracle and delivered under your order resulting from services. You may make a sufficient number of copies of each program for your licensed use and one copy of each program media.

Third party technology that may be appropriate or necessary for use with some Oracle programs is specified in the program documentation. Such third party technology is licensed to you under the terms of the third party technology license agreement specified in the program documentation and not under the terms of the contract or these Software STCs.

You may not:

- use the programs in a rental, timesharing, subscription service, hosting or outsourcing capacity;
- remove or modify any program markings or any notice of Oracle's or its licensors' proprietary rights;
- make the programs or materials resulting from the services available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license or materials from the services you have acquired);
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs), operating system or integrated software; or
- disclose results of any program benchmark tests.

D. Warranties, Disclaimers and Exclusive Remedies

For the sake of clarity, this is the Oracle manufacturer's warranty; nevertheless, it shall be accessed by you through the Contractor.

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year from delivery (i.e. via physical shipment or electronic download). You must notify Oracle of any program warranty deficiency within one year from delivery. **ORACLE DOES NOT GUARANTEE THAT THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED, OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS.**

Oracle also warrants that services will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the deficient services.

FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE: (A) THE CORRECTION OF PROGRAM ERRORS THAT CAUSE BREACH OF THE WARRANTY; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT SUCH BREACH IN A COMMERCIALLY REASONABLE MANNER YOU MAY END YOUR PROGRAM LICENSE AND RECOVER THE FEES PAID TO ORACLE FOR THE PROGRAM LICENSE DISTRIBUTED TO YOU; OR (B) THE REPERFORMANCE OF THE DEFICIENT SERVICES PROVIDED BY ORACLE; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT A BREACH IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THOSE SERVICES AND RECOVER THE FEES PAID TO ORACLE FOR THE DEFICIENT SERVICES PROVIDED BY ORACLE TO YOU.

EXHIBIT C

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS WITH RESPECT TO THE ABOVE ITEMS, INCLUDING ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

E. Technical Support

Technical support consists of annual technical support services you may have ordered or will order for the programs, including support renewals. Support must be ordered pursuant to a valid End User License Agreement such as these Software STCs. Bug fixes, security fixes and any updates received shall be provided under the terms of the license agreement that You accepted upon ordering the programs.

If ordered, annual technical support (including first year and all subsequent years) for programs is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported programs during the period for which technical support has been ordered. You should review the policies prior to entering into an order for the applicable services. You may access the current version of the technical support policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request. Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your SULS fee for the first renewal year should you renew SULS for the same number of licenses for the same programs as contained in the original order; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the program is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you decide to purchase technical support at a later date. Technical support for programs is effective upon shipment of tangible media or upon the effective date of the order if shipment of tangible media is not required.

Invoices for technical support services shall be submitted by Contractor on a quarterly basis (unless otherwise specified in the order) after the completion of such period.

Notwithstanding anything in Oracle's technical support policies to the contrary, you may discontinue technical support at the end of any current technical support term and, at any time thereafter, reinstate technical support by executing an order for such services with Contractor. If you decide to reinstate technical support, you must pay a reinstatement fee. The reinstatement fee shall be the amount that would have been paid by the ordering activity for the past support period had technical support not lapsed. In addition to the reinstatement fee described in the preceding sentence, you must pay the technical support fee for the new support period. This technical support fee for the new support period is computed as follows: (i) if technical support lapsed, then the technical support fee for a twelve month support period shall be the last annual technical support fee you paid for the relevant program; (ii) if you never acquired technical support for the relevant program, then the annual technical support fee shall be the fee that would have been charged if support had been ordered originally for the relevant program per Oracle's Support pricing policies in effect at the time of reinstatement. Renewal adjustments may be applied to the annual support fee described in (i) and (ii) above.

EXHIBIT C

F. Intellectual Property Indemnification

If someone makes a claim against you or Oracle ("Recipient" which may refer to you or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, data, or material ("Material") furnished by either you or Oracle ("Provider", which may refer to you or Oracle depending on which party provided the Material), and used by the Recipient infringes its intellectual property rights (including U.S. or foreign patent, trademark and copyright), the Provider will indemnify the Recipient against the claim to the extent permitted by law if the Recipient does the following:

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim;
- gives the Provider control of the defense, with input from Recipient, and any settlement negotiations; and
- gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated someone else's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any fees the Recipient may have paid for it. If you are the Provider and such return materially affects Oracle's ability to meet its obligations under the relevant order (e.g., impairs Oracle's ability to perform due to a work statement, schedule or cost impact), then Oracle may, at its option and upon 30 days prior written notice, request termination of the order. The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient, or if the Recipient continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the Oracle program(s) as delivered to you and used in accordance with the terms of the order and the Software STCs would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of your order with Contractor (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of your order with Contractor.

This section provides Your and Oracle's exclusive remedy for any infringement claims or damages.

G. **NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. CONTRACTOR'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO AN ORDER ISSUED PURSUANT TO THESE SOFTWARE STCs, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID CONTRACTOR UNDER THE RELEVANT ORDER, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PROGRAMS, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID CONTRACTOR FOR**

EXHIBIT C

THE DEFICIENT PROGRAM, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES GIVING RISE TO THE LIABILITY.

H. Other

1. You may not assign orders or give or transfer the programs and/or any services or an interest in them to another individual or entity. If you grant a security interest in the programs and/or any services deliverables, the secured party has no right to use or transfer the programs and/or any services deliverables, and if you decide to finance your acquisition of programs and/or any services, you will follow Oracle's policies regarding financing which are at http://oracle.com/contracts. The foregoing shall not be construed to limit the rights you may otherwise have with respect to the Linux operating system, third party technology or separate works licensed under open source or similar license terms.

2. In entering into an order under the contract, you agree and acknowledge that you have not relied on the future availability of any program or updates. However, (a) if you order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the relevant order, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to you for any program licensed under the order, per the terms of these Software STCs.

3. Accessibility

The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508') effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, respectively, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/us/corporate/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_ww@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle customers may call Oracle Support at 1.800.223.1711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html, and a list of telephone numbers is available at https://www.fcc.gov/general/telecommunications-relay-services-directory. International hearing-impaired customers should use the TRS at +1.605.224.1637. An Oracle Support engineer will respond to technical issues according to the standard service request process. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the availability of VPATs. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Software STCs.

4. Internet Protocol version 6 (IPv6).

Prior to any customizations, the Oracle product(s) and service(s) to be delivered pursuant to the contract are capable of accommodating Internet Protocol version 6 (IPv6) solely to the extent defined and noted in the relevant product/service documentation available at oracle.com. Please note that such capabilities are subject to the dependencies, comments and exceptions (some of which may be significant, if any) noted in such documentation, and require that Oracle product(s) and service(s) are used in accordance

EXHIBIT C

with Oracle's associated documents and other written information and that any other products properly interoperate with them. If no relevant product/service documentation is found addressing IPv6, then Oracle makes no representations as to the capabilities of the product/service in question to accommodate IPv6. Oracle cannot make any commitments about future product directions, including plans to address IPv6. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Software STCs.

5. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs. You agree that such export laws govern your use of the programs (including technical data), and any services deliverables provided under your order, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program, and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

6. Oracle, as the owner of the intellectual property of the program licensed and the technical support services, is a third party beneficiary of the contract and the orders for Oracle products issued pursuant to the contract, but does not assume any of the Oracle authorized reseller's obligations thereunder.

7. The Uniform Computer Information Transactions Act does not apply to these Software STCs nor any order placed pursuant to them.

8. You understand that the Contractor and Oracle's business partners, including any third party firms retained by you to provide computer consulting services, are independent of Oracle and are not Oracle's agents. Oracle is not bound by any acts of any such entity, unless the entity is providing services as an Oracle subcontractor under an engagement ordered directly with Oracle.

9. You may order trial programs, or Oracle may include additional programs with your order with Contractor which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30-day trial period, you must obtain a license for such programs from Oracle or an authorized distributor. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and delete any such programs from your computer systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these programs.

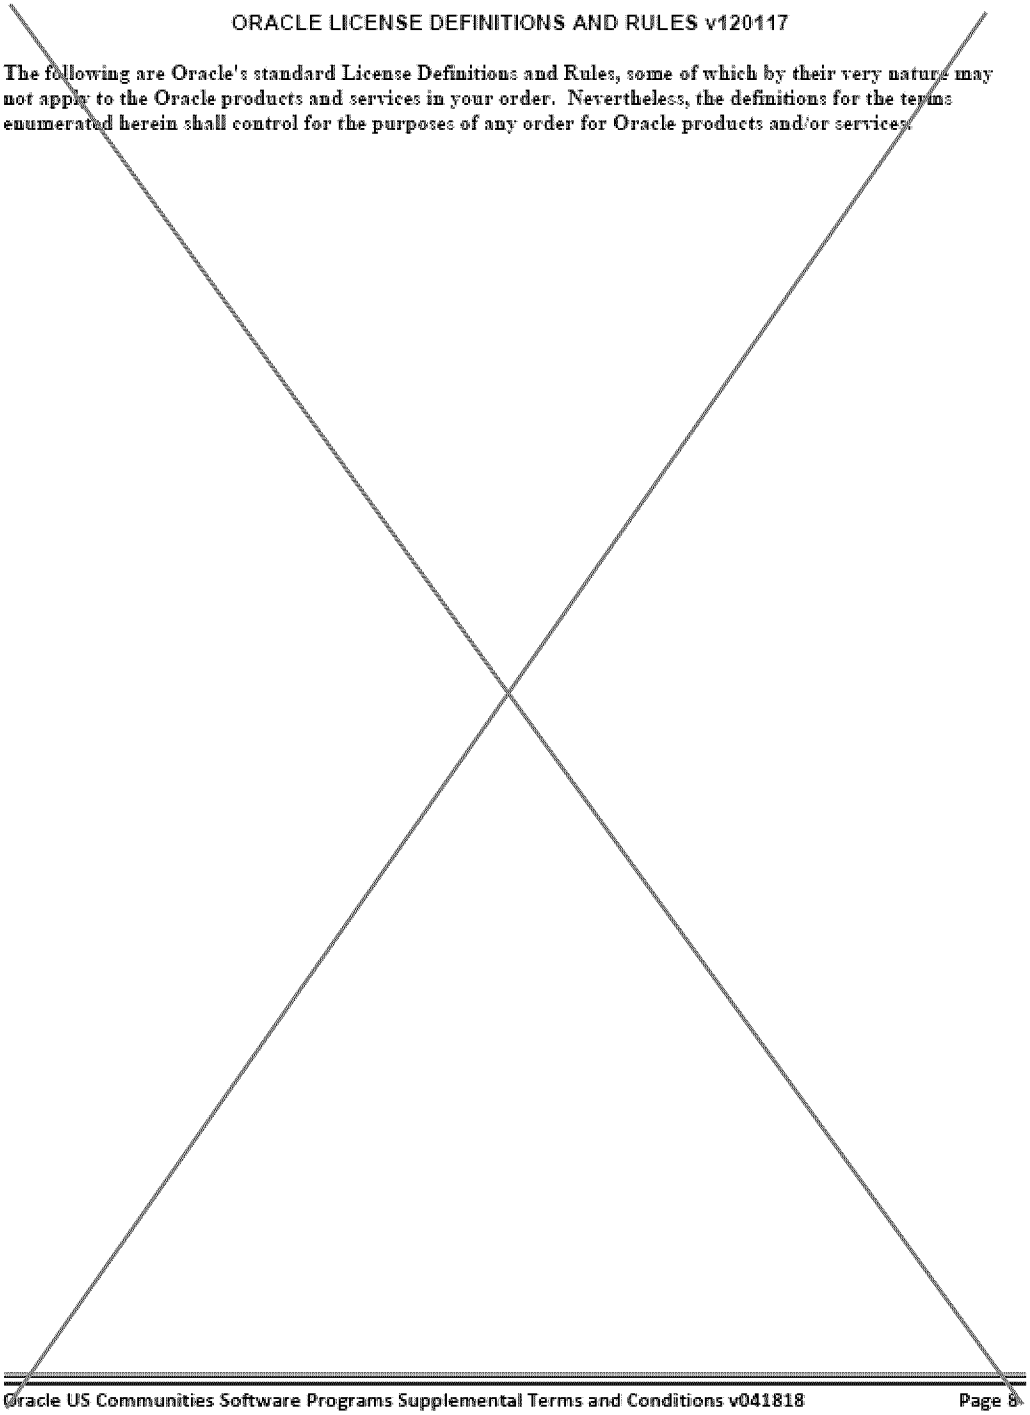
10. Unless otherwise agreed in an order, upon 45 days written notice, and no more than once annually, Contractor may audit your use of the programs. You agree to cooperate with Contractor's audit, provide reasonable assistance and access to information and permit Contractor to report the audit results to Oracle. Any such audit shall not unreasonably interfere with your normal business operations. Contractor shall comply with reasonable security and safety rules, policies, and procedures ("security rules") while performing any such audit, provided that such security rules are applicable to the performance of the audit; you make such security rules available to Contractor prior to the commencement of the audit; and such security rules do not modify or amend the terms and conditions of the contract or the applicable order. You shall be responsible for paying any underpaid fees related to use of the programs. Contractor may assign its right to audit your use of the programs to Oracle. Contractor may assign its right to audit your use of the programs to Oracle. If the Contractor assigns its right to audit your use of the programs to Oracle, then Oracle shall not be responsible for any costs incurred by either you or Contractor in cooperating with the audit.

EXHIBIT C

11. Upon termination of a program license, you are required to discontinue use and destroy or return to the Contractor all copies of the programs and program documentation associated with the terminated license.

12. Source code maybe delivered as part of the standard delivery for particular programs; all such source code is subject to the terms of these Software STCs, including the Oracle License Definitions and Rules, the applicable order, the contract and the applicable program documentation.

13. Programs and service deliverables are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Products and Service Offerings deliverables in such applications.



14. For software (i) that is part of Programs, Operating Systems, Integrated Software or Integrated Software Options (or all four) and (ii) that You receive from Oracle in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from https://oss.oracle.com/sources/ or http://www.oracle.com/goto/opensourcecode. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

15. Oracle's Applications Licensing Table in effect as of the effective date of your order and is incorporated herein as Exhibit B. You may access the current version of the Applications Licensing Table at http://oracle.com/contracts.

16. Oracle's License Definitions and Rules are incorporated herein and attached hereto as Exhibit A.

17. If any document incorporated by reference into these Software STCs, including the License Definitions and Rules and terms included and/or referenced therein, contains a provision (a) allowing for the automatic termination of your license rights or technical support services; or (b) allowing for the automatic renewal of services and/or fees, then, such terms shall not apply.

EXHIBIT C

ORACLE LICENSE DEFINITIONS AND RULES v120117

The following are Oracle's standard License Definitions and Rules, some of which by their very nature may not apply to the Oracle products and services in your order. Nevertheless, the definitions for the terms enumerated herein shall control for the purposes of any order for Oracle products and/or services.

ORACLE

ORACLE SOFTWARE PROGRAMS AND/OR SERVICES
US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v032819

THESE ORACLE SOFTWARE PROGRAM AND/OR SERVICES US COMMUNITIES ("USC") SUPPLEMENTAL TERMS AND CONDITIONS ("SOFTWARE STCs") SHALL APPLY TO THE ORACLE SOFTWARE PROGRAMS AND/OR SERVICES THAT YOU ORDER FROM THE CONTRACT HOLDER (THE "CONTRACTOR"). THESE SOFTWARE STCs SHALL TAKE PRECEDENCE OVER ANY CONFLICTING TERMS IN ANY NON-ORACLE ORDER OR ORDERING DOCUMENTATION. THESE SOFTWARE STCs ARE CONSIDERED PART OF THE SCHEDULE OF SUPPLIES/SERVICES IN YOUR ORDER TO THE CONTRACTOR.

A. Definitions

"You" and "Your" refers to the ordering activity that has ordered programs, and/or services from an authorized distributor ("Contractor") under the contract.

The term "ancillary programs" refers to third party materials specified in the program documentation which may only be used for the purposes of installing or operating the programs with which the ancillary programs are delivered.

The term "contract" refers to the Contractor's US Communities contract.

The term "program documentation" refers to the program user manual and program installation manuals.

The term "programs" refers to the software products owned or distributed by Oracle which you have ordered, program documentation, and any program updates acquired through technical support.

The term "services" refers to annual technical support services which you have ordered.

.

B. Rights Granted

Upon Contractor's acceptance of your order, you have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in your order with Contractor), limited right to use the programs and receive any services you ordered solely for your internal ordering activity operations and subject to the terms of these, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You may allow your agents and contractors (including, without limitation, outsourcers) to use the programs for this purpose and you are responsible for their compliance with these Software STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation in such use. For programs that are specifically designed to allow your customers and suppliers to interact with you in the furtherance of your internal business operations, such use is allowed.

EXHIBIT C

C. Ownership and Restrictions

Oracle or its licensors retain all ownership and intellectual property rights to the programs. Oracle retains all ownership and intellectual property rights to anything developed by Oracle and delivered under your order resulting from services. You may make a sufficient number of copies of each program for your licensed use and one copy of each program media.

Third party technology that may be appropriate or necessary for use with some Oracle programs is specified in the program documentation. Such third party technology is licensed to you under the terms of the third party technology license agreement specified in the program documentation and not under the terms of the contract or these Software STCs.

You may not:

- use the programs in a rental, timesharing, subscription service, hosting or outsourcing capacity;
- remove or modify any program markings or any notice of Oracle's or its licensors' proprietary rights;
- make the programs or materials resulting from the services available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license or materials from the services you have acquired);
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs), operating system or integrated software; or
- disclose results of any program benchmark tests.

D. Warranties, Disclaimers and Exclusive Remedies

For the sake of clarity, this is the Oracle manufacturer's warranty; nevertheless, it shall be accessed by you through the Contractor.

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year from delivery (i.e. via physical shipment or electronic download). You must notify Oracle of any program warranty deficiency within one year from delivery. **ORACLE DOES NOT GUARANTEE THAT THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED, OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS.**

Oracle also warrants that services will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the deficient services.

FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE: (A) THE CORRECTION OF PROGRAM ERRORS THAT CAUSE BREACH OF THE WARRANTY; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT SUCH BREACH IN A COMMERCIALLY REASONABLE MANNER YOU MAY END YOUR PROGRAM LICENSE AND RECOVER THE FEES PAID TO ORACLE FOR THE PROGRAM LICENSE DISTRIBUTED TO YOU; OR (B) THE REPERFORMANCE OF THE DEFICIENT SERVICES PROVIDED BY ORACLE; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT A BREACH IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THOSE SERVICES AND RECOVER THE FEES PAID TO ORACLE FOR THE DEFICIENT SERVICES PROVIDED BY ORACLE TO YOU.

EXHIBIT C

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS WITH RESPECT TO THE ABOVE ITEMS, INCLUDING ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

E. Technical Support

Technical support consists of annual technical support services you may have ordered or will order for the programs, including support renewals. Support must be ordered pursuant to a valid End User License Agreement such as these Software STCs. Bug fixes, security fixes and any updates received shall be provided under the terms of the license agreement that You accepted upon ordering the programs.

If ordered, annual technical support (including first year and all subsequent years) for programs is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported programs during the period for which technical support has been ordered. You should review the policies prior to entering into an order for the applicable services. You may access the current version of the technical support policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request. Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your SULS fee for the first renewal year should you renew SULS for the same number of licenses for the same programs as contained in the original order; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the program is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you decide to purchase technical support at a later date. Technical support for programs is effective upon shipment of tangible media or upon the effective date of the order if shipment of tangible media is not required.

Invoices for technical support services shall be submitted by Contractor on a quarterly basis (unless otherwise specified in the order) after the completion of such period.

Notwithstanding anything in Oracle's technical support policies to the contrary, you may discontinue technical support at the end of any current technical support term and, at any time thereafter, reinstate technical support by executing an order for such services with Contractor. If you decide to reinstate technical support, you must pay a reinstatement fee. The reinstatement fee shall be the amount that would have been paid by the ordering activity for the past support period had technical support not lapsed. In addition to the reinstatement fee described in the preceding sentence, you must pay the technical support fee for the new support period. This technical support fee for the new support period is computed as follows: (i) if technical support lapsed, then the technical support fee for a twelve month support period shall be the last annual technical support fee you paid for the relevant program; (ii) if you never acquired technical support for the relevant program, then the annual technical support fee shall be the fee that would have been charged if support had been ordered originally for the relevant program per Oracle's Support pricing policies in effect at the time of reinstatement. Renewal adjustments may be applied to the annual support fee described in (i) and (ii) above.

EXHIBIT C

F. Intellectual Property Indemnification

If someone makes a claim against you or Oracle ("Recipient" which may refer to you or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, data, or material ("Material") furnished by either you or Oracle ("Provider", which may refer to you or Oracle depending on which party provided the Material), and used by the Recipient infringes its intellectual property rights (including U.S. or foreign patent, trademark and copyright), the Provider will indemnify the Recipient against the claim to the extent permitted by law if the Recipient does the following:

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim;
- gives the Provider control of the defense, with input from Recipient, and any settlement negotiations; and
- gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated someone else's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund any fees the Recipient may have paid for it. If you are the Provider and such return materially affects Oracle's ability to meet its obligations under the relevant order (e.g., impairs Oracle's ability to perform due to a work statement, schedule or cost impact), then Oracle may, at its option and upon 30 days prior written notice, request termination of the order. The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient, or if the Recipient continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the Oracle program(s) as delivered to you and used in accordance with the terms of the order and the Software STCs would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of your order with Contractor (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of your order with Contractor.

This section provides Your and Oracle's exclusive remedy for any infringement claims or damages.

G. NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. CONTRACTOR'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO AN ORDER ISSUED PURSUANT TO THESE SOFTWARE STCs, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID CONTRACTOR UNDER THE RELEVANT ORDER, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PROGRAMS, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID CONTRACTOR FOR

EXHIBIT C

THE DEFICIENT PROGRAM, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES GIVING RISE TO THE LIABILITY.

H. Other

1. You may not assign orders or give or transfer the programs and/or any services or an interest in them to another individual or entity. If you grant a security interest in the programs and/or any services deliverables, the secured party has no right to use or transfer the programs and/or any services deliverables, and if you decide to finance your acquisition of programs and/or any services, you will follow Oracle's policies regarding financing which are at http://oracle.com/contracts. The foregoing shall not be construed to limit the rights you may otherwise have with respect to the Linux operating system, third party technology or separate works licensed under open source or similar license terms.

2. In entering into an order under the contract, you agree and acknowledge that you have not relied on the future availability of any program or updates. However, (a) if you order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the relevant order, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to you for any program licensed under the order, per the terms of these Software STCs.

0. Accessibility

The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508') effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, respectively, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/us/corporate/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_ww@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle customers may call Oracle Support at 1.800.223.1711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html, and a list of telephone numbers is available at https://www.fcc.gov/general/telecommunications-relay-services-directory. International hearing-impaired customers should use the TRS at +1.605.224.1837. An Oracle Support engineer will respond to technical issues according to the standard service request process. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the availability of VPATs. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Software STCs.

1. Internet Protocol version 6 (IPv6).

Prior to any customizations, the Oracle product(s) and service(s) to be delivered pursuant to the contract are capable of accommodating Internet Protocol version 6 (IPv6) solely to the extent defined and noted in the relevant product/service documentation available at oracle.com. Please note that such capabilities are subject to the dependencies, comments and exceptions (some of which may be significant, if any) noted in such documentation, and require that Oracle product(s) and service(s) are used in accordance

EXHIBIT C

accommodate IPv6. Oracle cannot make any commitments about future product directions, including plans to address IPv6. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Software STCs.

5. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs. You agree that such export laws govern your use of the programs (including technical data), and any services deliverables provided under your order, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program, and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

6. Oracle, as the owner of the intellectual property of the program licensed and the technical support services, is a third party beneficiary of the contract and the orders for Oracle products issued pursuant to the contract, but does not assume any of the Oracle authorized reseller's obligations thereunder.

7. The Uniform Computer Information Transactions Act does not apply to these Software STCs nor any order placed pursuant to them.

8. You understand that the Contractor and Oracle's business partners, including any third party firms retained by you to provide computer consulting services, are independent of Oracle and are not Oracle's agents. Oracle is not bound by any acts of any such entity, unless the entity is providing services as an Oracle subcontractor under an engagement ordered directly with Oracle.

9. You may order trial programs, or Oracle may include additional programs with your order with Contractor which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30-day trial period, you must obtain a license for such programs from Oracle or an authorized distributor. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and delete any such programs from your computer systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these programs.

10. Unless otherwise agreed in an order, upon 45 days written notice, and no more than once annually, Contractor may audit your use of the programs. You agree to cooperate with Contractor's audit, provide reasonable assistance and access to information and permit Contractor to report the audit results to Oracle. Any such audit shall not unreasonably interfere with your normal business operations. Contractor shall comply with reasonable security and safety rules, policies, and procedures ("security rules") while performing any such audit, provided that such security rules are applicable to the performance of the audit; you make such security rules available to Contractor prior to the commencement of the audit; and such security rules do not modify or amend the terms and conditions of the contract or the applicable order. You shall be responsible for paying any underpaid fees related to use of the programs. Contractor may assign its right to audit your use of the programs to Oracle. Contractor may assign its right to audit your use of the programs to Oracle. If the Contractor assigns its right to audit your use of the programs to Oracle, then Oracle shall not be responsible for any costs incurred by either you or Contractor in cooperating with the audit.

EXHIBIT C

11. Upon termination of a program license, you are required to discontinue use and destroy or return to the Contractor all copies of the programs and program documentation associated with the terminated license.

12. Source code maybe delivered as part of the standard delivery for particular programs; all such source code is subject to the terms of these Software STCs, including the Oracle License Definitions and Rules, the applicable order, the contract and the applicable program documentation.

13. Programs and service deliverables are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Products and Service Offerings deliverables in such applications.

14. For software (i) that is part of Programs, Operating Systems, Integrated Software or Integrated Software Options (or all four) and (ii) that You receive from Oracle in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from https://oss.oracle.com/sources/ or http://www.oracle.com/goto/opensourcecode. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

15. Oracle's Applications Licensing Table in effect as of the effective date of your order and is incorporated herein as Exhibit A. You may access the current version of the Applications Licensing Table at http://oracle.com/contracts.

16. Oracle's License Definitions and Rules are incorporated herein. You may access the current version of the License Definitions and Rules at http://oracle.com/contracts.

17. If any document incorporated by reference into these Software STCs, including the License Definitions and Rules and terms included and/or referenced therein, contains a provision (a) allowing for the automatic termination of your license rights or technical support services; or (b) allowing for the automatic renewal of services and/or fees, then, such terms shall not apply.

Definitions and License Metrics

$M Annual Transaction Volume: is defined as one million U.S. Dollars in all purchase orders transacted and all auctions conducted through the Oracle Exchange Marketplace by You and others during the applicable year of the Oracle Exchange Marketplace license, regardless of whether any such auction results in a purchase order, provided that an auction resulting in a purchase order shall only be counted against the Annual Transaction Volume once.

Application Module: is defined as a Program used by You on a single or multiple computers.

$M in Application Annual Revenue: is defined as one million U.S. Dollars excluding taxes processed through the licensed Program. For Oracle Self-Service E-Billing products, the Annual Revenue is equivalent to the total invoiced amount for all company accounts that have at least one enrolled user per billing period.

Application Developed: is defined as a software Program developed by You that operates on smart-phones and/or other end user devices and that (i) provides end users with access to content or (ii) provides end users with end user transaction enablement or (iii) otherwise enables use by end users of functions available through the Oracle run-time Program.

Application User: is defined as an individual authorized by You to use the applicable licensed application Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time. If You license the Oracle Self Service Work Request option in conjunction with Oracle Enterprise Asset Management, You are required to maintain licenses for the equivalent number of Application Users licensed and You are granted unlimited access to initiate work requests, view work request status and view scheduled completion dates for Your entire employee population. Application Users licensed for Oracle Order Management are allowed to manually enter orders directly into the Programs but any orders entered electronically from other sources must be licensed separately. For Oracle Sourcing, Oracle Fusion Sourcing, Oracle iSupplier Portal, Oracle Fusion Supplier Portal, Oracle Services Procurement, PeopleSoft eSupplier Connection, PeopleSoft Strategic Sourcing, PeopleSoft Supplier Contract Management and JD Edwards Supplier Self Service Programs, use by Your external suppliers is included with Your application user licenses. For the purposes of the Oracle Financial Services Operational Risk Solution Program, employees who are just contributing information to the Program via the applicable user interface shall not be counted as application users.

Application Read-Only User: is defined as an individual authorized by You to run only queries or reports against the application Program for which You have also acquired non read-only licenses, regardless of whether the individual is actively using the Programs at any given time.

Case Report Form (CRF) Page: is defined as the "electronic equivalent" of what would be the total number of physical paper pages initiated remotely by the Program (measured explicitly in the Program as Received Data Collection Instruments) during a 12 month period. You may not exceed the licensed number of CRF Pages during any 12 month period unless You acquire additional CRF Page licenses from Oracle.

Chassis: is defined as a physical enclosure containing hardware. For the purposes of the following Programs: Oracle Fabric Manager and Oracle Fabric Monitor, only the chassis (a) that contain networking hardware and (b) that are managed by the Program must be counted for the purpose of determining the number of licenses required.

Client Application Loader Client: is defined as a device that receives its configuration from a client application server.

Collaboration Program User: is defined as an individual authorized by You to use the Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time. For the purposes of counting and licensing the number of Beehive Synchronous Collaboration users, a Collaboration Program User within Your company is defined as a user able to initiate, or host, a web conference and also participate in a web conference; all participants in the web conference external to Your company and attending a web conference are not required to be licensed.

Compensated Individual: is defined as an individual whose compensation or compensation calculations are generated by the Programs. The term Compensated Individual includes, but is not limited to, Your employees, contractors, retirees, and any other Person.

Computer: is defined as the computer on which the Programs are installed. A Computer license allows You to use the licensed Program on a single specified computer. For the purposes of Computer licenses for the Oracle Health Science Integration Engine Program, a communication point is an interface to an input system (e.g., a clinical laboratory system in a hospital or healthcare setting) or to an output system (e.g., a healthcare data repository).

5 Concurrent Users: is defined as five concurrent users where each Concurrent User is an individual who is authorized by You to access the Program concurrently with other individuals at any given time.

Concurrent Connection: is defined as each connection to a Serduct/Datalink. A Serduct/Datalink is defined as an interface that renders the Infor software operable for use with Micros Applications.

Concurrent User: is defined as each individual that may concurrently use or access the Programs. Concurrent Users shall be only customers or prospective customers of Yours, and shall not be business partners, or employees of Yours.

Connected Device: is defined as each unique device (a) that transmits data to or receives data from Oracle application Programs or Oracle cloud services and (b) that does not require any human interaction or human input to execute Oracle application business logic or to update Oracle application tables. Devices include, but are not limited to, sensors, meters, RFID readers, and barcode scanners. Devices may be connected directly to Oracle application Programs or Oracle cloud services, or may be connected indirectly to Oracle application Programs or Oracle cloud services through a gateway device or a third-party communications service. A device may be uniquely identified as being the endpoint of communication of data to or from an Oracle application Program or an Oracle cloud service, or may be uniquely identified by its explicit registry with an Oracle application Program or an Oracle cloud service.

Connected Instance: is defined as the configuration between Oracle Policy Automation Connector for Oracle CRM On Demand and the Oracle CRM On Demand instance's web service endpoint. For each Oracle CRM On Demand instance so configured, an additional Connected Instance is required.

Connector: is defined as each connector connecting the software product with a third party product. A unique connector is required for each distinct third party product that the software product is required to interface.

Connector Pack: is defined as a collection of connectors as specified in the Program Documentation for the applicable Connector Pack. There is no limitation on the number of physical servers on which any of the connectors in the pack may be copied, installed and used.

SM Cost of Goods Sold: is defined as one million U.S. Dollars in the total cost of inventory that a company has sold during their fiscal year. If Cost of Goods Sold is unknown to You then Cost of Goods Sold shall be equal to 75% of total company revenue.

CPU: is defined as a chip that contains a collection of one or more cores on which the Program is running. Regardless of the number of cores, each chip counts as 1 CPU.

Custom Suite User: is defined as an individual authorized by You to use the application Programs included in the applicable Custom Applications Suite which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time.

Customer: is defined as the customer entity specified on Your order. The Programs may not be used or accessed for the business operations of any third party, including but not limited to Your customers, partners, or Your affiliates. There is no limitation on the number of computers on which such Programs may be copied, installed and used.

Customer Account: is defined as each unique Customer Account, designated by a unique account number, for which the billing information is managed or displayed using the Program, regardless of the number of individual account holders associated with such accounts.

Oracle Customer Data & Device Retention Service: is defined as a service for which the description may be found in the Technical Support Policies section (Oracle Hardware and Systems Support Policies) at www.oracle.com/contracts and which is incorporated by reference.

Customer Record: is defined as each unique Customer Record (including contact records, prospect records and records in external data sources) that You may access using the Program.

10,000 Daily Average Transactions: is defined as ten thousand unique transactions (including but not limited to sales transactions, return transactions, exchange transactions, loyalty transactions, deal transactions, gift card transactions, inventory transactions, petty cash transactions, and administrative transactions) that are processed by the Program in a single 24 hour period. The daily transaction volume is calculated as the daily average over the prior 12 month period.

Developer User / Developer / Developer Seat: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. With respect to Developer Users only, such users may create, modify, view and interact with the Programs and documentation.

Disk Drive: is defined as a spinning media device that stores data accessed by the Program.

Electronic Order Line: is defined as the total number of distinct order lines entered electronically into the Oracle Program from any source (not manually entered by licensed users) during a 12 month period. This includes order lines originating as external EDI/XML transactions and/or sourced from other Oracle and non-Oracle applications. You may not exceed the licensed number of order lines during any 12 month period.

Employee: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Employees and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Employees: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs.

Employee for HCM: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Employees for HCM and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Employees for HCM: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs. Employees for HCM may only use the licensed Programs with Oracle application Programs that contain "Oracle Fusion Human Capital Management" as a prefix in the Program name.

Employee User: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether or not the individual is actively using the Programs at any given time.

Enterprise Employee: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Enterprise Employees and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Enterprise Employees: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs. The value of these Program licenses is determined by the number of Enterprise Employees. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the number of Enterprise Employees as of the effective date of Your order. If at any time the number of Enterprise Employees exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise Employees is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise Employees. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise Employees as of such date.

Enterprise Full Time Equivalent (FTE) Student: is defined as any full-time student enrolled in Your institution and any part-time student enrolled in Your institution counts as 25% of an FTE Student. The definition of "full-time" and "part-time" is based on Your policies for student classification. If the number of FTE Students is a fraction, that number will be rounded to the nearest whole number for purposes of license quantity requirements. The value of these Program licenses is determined by the number of Enterprise FTE Students. For these Program licenses, the licensed quantity purchased must, at a minimum, be equal to the number of Enterprise FTE Students as of the effective date of Your order. If at any time the number of Enterprise FTE Students exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise FTE Students is equal to or less than the licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise FTE Students. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise FTE Students as of such date.

Enterprise Trainee: is defined as an employee, contractor, student or other person who is being recorded by the Program. The value of these Program licenses is determined by the number of Enterprise Trainees. For these Program licenses, the licensed quantity purchased must, at a minimum, be equal to the number of Enterprise Trainees as of the effective date of Your order. If at any time the number of Enterprise Trainees exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise Trainees is equal to or less than the licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise Trainees. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise Trainees as of such date.

Enterprise $M in Cost of Goods Sold: Enterprise $M Cost of Goods Sold is defined as one million U.S. Dollars in the total cost of inventory that a company has sold during their fiscal year. If Cost of Goods Sold is unknown to You then Cost of Goods Sold shall be equal to 75% of total company revenue. The value of these Program licenses is determined by the amount of Enterprise $M Cost of Goods Sold. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M Cost of Goods Sold as of the effective date of Your order. If at any time the amount of Enterprise $M Cost of Goods Sold exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M Cost of Goods Sold is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M Cost of Goods Sold. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M Cost of Goods Sold as of such date.

Enterprise $M in Freight Under Management: $M Freight Under Management is defined as one million U.S. Dollars of the total transportation value of tendered orders for all shipments for a given calendar year during the term of the license. FUM shall include the combined total of actual freight purchased by You, plus the cost of freight for shipments managed by You (e.g., You are not purchasing transportation services on behalf of Your clients but are providing transportation management services for Your clients). Freight that is paid by a third party shall also be included in the FUM total (e.g., inbound shipments from suppliers to You with freight terms of prepaid). The value of these Program licenses is determined by the amount of Enterprise $M Freight Under Management. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M Freight Under Management as of the effective date of Your order. If at any time the amount of Enterprise $M Freight Under Management exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M Freight Under Management is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M Freight Under Management. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M Freight Under Management as of such date.

Enterprise $M in Operating Budget: is defined as one million U.S. Dollars of Your gross budget reflected in an audited statement from Your external accounting firm. The value of these Program licenses is determined by the amount of Enterprise $M in Operating Budget. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M in Operating Budget as of the effective date of Your order. If at any time the amount of Enterprise $M in Operating Budget exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M in Operating Budget is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M in Operating Budget. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M in Operating Budget as of such date.

Enterprise $M in Revenue: Enterprise $M in Revenue is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year. The value of these Program

licenses is determined by the amount of Enterprise $M in Revenue. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M in Revenue as of the effective date of Your order. If at any time the amount of Enterprise $M in Revenue exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M in Revenue is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M in Revenue. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M in Revenue as of such date.

Expense Report: is defined as the total number of expense reports processed by Internet Expenses during a 12 month period. You may not exceed the licensed number of expense reports during any 12 month period.

Faculty User: is defined as an active teaching member of the faculty for an accredited academic institution; such user may only use the Programs for academic and non-commercial use.

Field Technician: is defined as an engineer, technician, representative, or other person who is dispatched by You, including the dispatchers, to the field using the Programs.

Flash Drive: is defined as a solid state media device that stores data accessed by the Program.

$M Freight Under Management: is defined as one million U.S. Dollars of the total transportation value of tendered orders for all shipments for a given calendar year during the term of the license. FUM shall include the combined total of actual freight purchased by You, plus the cost of freight for shipments managed by You (e.g., You are not purchasing transportation services on behalf of Your clients but are providing transportation management services for Your clients). Freight that is paid by a third party shall also be included in the FUM total (e.g., inbound shipments from suppliers to You with freight terms of prepaid).

Full Time Equivalent (FTE) Student: is defined as any full-time student enrolled in Your institution and any part-time student enrolled in Your institution counts as 25% of an FTE Student. The definition of "full-time" and "part-time" is based on Your policies for student classification. If the number of FTE Students is a fraction, that number will be rounded to the nearest whole number for purposes of license quantity requirements.

25,000 Gift Cards: is defined as twenty-five thousand value cards (gift or stored) that are generated by the Program during a 12 month period.

Guest Cabin: is defined as a guest cabin onboard a cruise ship managed by the Program. You must license the total number of Guest Cabins onboard each cruise ship managed by the Program and the licensed quantity of Guest Cabin licenses may not be shared across multiple cruise ships.

For the purposes of the Cruise Fleet Management, Cruise Crew Management, Cruise Materials Management HQ and Sub-HQ Programs, You must license the total number of Guest Cabins onboard all ships or vessels in the fleet that are managed by the Program.

Guest Room: is defined as the number of guest rooms managed by the Program.

For the purposes of the Oracle Hospitality Suite8 Interface Programs, a unique Guest Room license is required for each distinct product with which an Oracle Hospitality Suite8 Program is required to interface. For example, a customer requiring interfaces of an Oracle Hospitality Suite8 Program with three distinct products must have three separate Guest Room licenses.

Hosted Named User: is defined as an individual authorized by You to access the hosted service, regardless of whether the individual is actively accessing the hosted service at any given time.

Oracle Hospitality Consulting Services: are defined as services for which the description may be found in the Oracle Hospitality Global Business Unit ("Micros") Consulting Service Descriptions section at www.oracle.com/contracts and which is incorporated by reference.

Hospitality Suite: is defined as an entertainment space that typically includes, but is not limited to, a kitchenette, restroom, table and seats within an arena, stadium, concert venue or other venue that is managed by the Program.

Installation Services, Start-Up Packs and Configuration/Upgrade Services: is defined as a service(s) for which the description may be found in the Advanced Customer Support Services section at www.oracle.com/contracts and which is incorporated by reference.

Instance: is defined as a single database environment. Test, production, and development environments are considered three separate instances that must each be licensed.

For the purposes of the Oracle Banking API Infrastructure Program, Instance is defined as the environments (production and non-production) used to run the Oracle Banking API Program.

Interface: is defined as each interface connecting the Oracle Program with a third party product. A unique Interface license is required for each distinct third party product with which the Oracle Program is required to interface.

Inventory Location: is defined as a dedicated physical inventory space used by vendors to store their inventory within an arena, stadium, concert venue or other venue that is managed by the Program. Each dedicated physical inventory space must be counted as one Inventory Location.

1K Invoice Line: is defined as one thousand invoice line items processed by the Program during a 12 month period. You may not exceed the licensed number of 1K Invoice Lines during any 12 month period unless You acquire additional 1K Invoice Line licenses from Oracle.

IVR Port: is defined as a single caller that can be processed via the Interactive Voice Response (IVR) system. You must purchase licenses for the number of IVR Ports that represent the maximum number of concurrent callers that can be processed by the IVR system.

Oracle Java SE Subscription and Oracle Java SE Desktop Subscription: are defined as the right to use the specified Oracle Java SE Subscription Program(s) in accordance with the applicable metric and to receive Oracle Software Update License & Support (limited to the specified Oracle Java SE Subscription Program(s)), for the term specified on the ordering document. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Software Update License & Support is provided under the Oracle Software technical support policies in effect at the time the services are provided. At the end of the specified subscription term, You may renew Your subscription, if available, at the then current fees for the applicable subscription. If You choose not to renew Your subscription, Your right to use the specified Oracle Java SE Subscription Program(s) will terminate and You must de-install the specified Oracle Java SE Subscription Program(s).

Kitchen Display Client: is defined as a device that is used to display and monitor the status of ordered items. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

Learning Credits: may be used to acquire education products and services offered in the Oracle University online catalogue posted at http://www.oracle.com/education under the terms specified therein. Learning credits may only be used to acquire products and services at the list price in effect at the time You order the relevant product or service, and may not be used for any product or service that is subject to a discount or a promotion when You order the relevant product or service. The list price will be reduced by applying the discount specified to You by Oracle. Notwithstanding anything to the contrary in the previous three sentences, learning credits may also be used to pay taxes, materials and/or expenses related to Your order; however, the discount specified above will not be applied to such taxes, materials and/or expenses. Learning credits are valid for a period of 12 months from the date Your order is accepted by Oracle, and You must acquire products and must use any acquired services prior to the end of such period. You may only use learning credits in the country in which You acquired them, may not use them as a payment method for additional learning credits, and may not use different learning credits accounts to acquire a single product or service or to pay related taxes, materials and/or expenses. Learning credits are non-transferable and non-assignable. You may be required to execute standard Oracle ordering materials when using learning credits to order products or services.

$M in Managed Assets: is defined as one million U.S. Dollars of the following total: (1) Book value of investment in capital leases, direct financing leases and other finance leases, including residuals, whether owned or managed for others, active on the Program, plus (2) Book value of assets on operating leases, whether owned or managed for others, active on the Program, plus (3) Book value of loans, notes, conditional sales contracts and other receivables, owned or managed for others, active on the Program, plus (4) Book value of non earning assets, owned or managed for others, which were previously leased and active on the Program,

including assets from term terminated leases and repossessed assets, plus (5) Original cost of assets underlying leases and loans, originated and active on the Program, then sold within the previous 12 months.

Managed Resource: is defined as an individual authorized by You to use the Programs which are installed on a single server or on multiple servers, regardless of whether the individual is actively using the Programs at any given time. In addition, Your employees, contractors, partners and any other individual or entity managed by the Programs shall be counted for the purposes of determining the number of Managed Resource licenses required.

Member Record: is defined as each unique customer loyalty Program Member Record managed by the Program. 100K Member Records shall mean one hundred thousand Member Records.

Merchandise: is defined as a unique item or SKU of a consumer good.

Module: is defined as each production database running the Programs.

Monitored User: is defined as an individual who is monitored by an Analytics Program which is installed on a single server or multiple servers, regardless of whether the individual is actively being monitored at any given time. Individual users who are licensed for an Analytics Program by either Named User Plus or Application User may not be licensed by Monitored User. For the purposes of the Usage Accelerator Analytics Program, every user of Your licensed CRM Sales application Program must be licensed. For the purposes of the Human Resources Compensation Analytics Program, all of Your employees must be licensed.

For the purpose of the following Oracle Governance, Risk, and Compliance applications: Application Access Controls Governor, Application Access Controls for E-Business Suite, Configuration Controls Governor, Configuration Controls for E-Business Suite, Transaction Controls Governor, Preventive Controls Governor, and Governance, Risk, and Compliance Controls Suite, the number of Monitored Users is equal to the total number of unique E-Business Suite users (individuals) being monitored by the Program(s), as created/defined in the User Administration function of E-Business Suite. Users of iProcurement and/or Self-Service Human Resources are excluded.

For the purpose of the following PeopleSoft Enterprise Governance, Risk, and Compliance applications: Application Access Controls Governor, Application Access Controls for PeopleSoft Enterprise, Configuration Controls Governor, and Configuration Controls for PeopleSoft Enterprise, the number of Monitored Users is equal to the total number of unique PeopleSoft Enterprise (or any other custom applications / Programs) users (individuals) that the Program monitors.

MySQL Cluster Carrier Grade Edition Annual Subscription, MySQL Enterprise Edition Annual Subscription and MySQL Standard Edition Annual Subscription: are defined as the right to use the specified Program(s) in accordance with the applicable license metric and to receive Oracle Software Update License & Support for the specified Program(s) and for MySQL Community Edition for the term specified on the order. MySQL Community Edition refers to MySQL that is licensed under the GPL license. Software Update License & Support for MySQL Community Edition does not include updates of any kind. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Software Update License & Support services are provided under the applicable technical support policies in effect at the time the services are provided. You must obtain a subscription license for all servers where MySQL Cluster Carrier Grade Edition, MySQL Enterprise Edition and/or MySQL Standard Edition are deployed. If You obtain Oracle Software Update License & Support services for any servers where MySQL Community Edition is deployed, then You must also purchase a subscription license for all of such servers for which You have obtained Oracle Software Update License & Support services. You may obtain Oracle Software Update License & Support services for the MySQL Community Edition subscription licenses at any level (e.g., at the MySQL Cluster Carrier Grade Edition level, at the MySQL Enterprise Edition level and/or at the MySQL Standard Edition level). At the end of the specified term, You may renew Your subscription, if available, at the then current fees for the applicable subscription. If You choose not to renew Your subscription, Your right to use the Program(s) will terminate and You must de-install all applications, tools, and binaries provided to You under the applicable non-Community Edition license (e.g., the license for MySQL Cluster Carrier Grade Edition, MySQL Enterprise Edition and/or MySQL Standard Edition). If You do not renew a subscription, You will not receive any updates (including patches or subsequent versions) and You may also be subject to reinstatement fees if You later choose to reactivate Your subscription.

Named User Plus: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. A non human operated device will be counted as a named user plus in addition to all individuals authorized to use the Programs, if such devices can access the

Programs. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end. Automated batching of data from computer to computer is permitted. You are responsible for ensuring that the named user plus per processor minimums are maintained for the Programs contained in the user minimum table in the licensing rules section; the minimums table provides for the minimum number of named users plus required and all actual users must be licensed.

For the purposes of the following Programs: Configuration Management Pack for Applications, System Monitoring Plug-in for Non Oracle Databases, System Monitoring Plug-in for Non Oracle Middleware, Management Pack for Non-Oracle Middleware and Management Pack for WebCenter Suite, only the users of the Program that is being managed/monitored are counted for the purpose of determining the number of Named User Plus licenses required.

With respect to the following Programs: Load Testing, Load Testing Developer Edition, Load Testing Accelerator for Web Services, Load Testing Accelerator for Oracle Database, Load Testing Suite for Oracle Applications and Oracle Test Starter Kit for Utilities (Load Testing), each emulated human user and non human operated device shall be considered as a virtual user and shall be counted for the purpose of determining the number of Named User Plus licenses required.

For the purposes of the following Programs: Data Masking and Subsetting Pack, only the users of the database servers where masked data or data subsets originate must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Management Suite for Oracle E-Business Suite, Application Management Suite for PeopleSoft, Application Management Suite for Siebel, Application Management Suite for JD Edwards EnterpriseOne, Real User Experience Insight and Application Replay Pack, all users of the respective managed application Program must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate and Oracle GoldenGate for Oracle Applications, only (a) the users of the Oracle database from which You capture data and (b) the users of the Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Big Data, only the users of the source Oracle or non Oracle database(s) or NoSQLrepositories from which You capture data must be counted for the purpose of determining the number of licenses required. For any messaging systems from which you capture data, every queue/topic is counted as a user. For multiple source databases, NoSQL repositories, or messaging systems, all users for all sources must be counted.

For the purposes of the following Programs: Oracle GoldenGate for Mainframe and Oracle GoldenGate for Teradata Replication Services, only (a) the users of the database from which You capture data and (b) the users of the database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Non Oracle Database only (a) the users of the Non Oracle database from which You capture data and (b) the users of the Non Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Integrator Enterprise Edition and Data Integrator Enterprise Edition for Oracle Applications, only the users that are running or accessing the data transformation processes must be counted for determining the number of licenses required.

For the purposes of the following Programs: Oracle Mobile Suite Client Runtime and Mobile Application Framework, only the end users of each Application Developed must be counted for the purposes of determining the number of licenses required, regardless of the choice of the mobile application development tool or the framework used to build the Application Developed.

For the purposes of the following Program: Audit Vault and Database Firewall, only users of the sources which are protected, monitored or audited must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Java SE Desktop Subscription, the term "server" refers to a desktop computer.

Network Device: is defined as the hardware and/or software whose primary purpose is to route and control communications between computers or computer networks. Examples of network devices include but are not limited to, routers, firewalls and network load balancers.

Non Employee User - External: is defined as an individual, who is not Your employee, contractor or outsourcer, authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether or not the individual is actively using the Programs at any given time.

Oracle Financing Contract: is a contract between You and Oracle (or one of Oracle's affiliates) that provides for payments over time of some or all of the sums due under Your order.

Order Line: is defined as the total number of order entry line items processed by the Program during a 12 month period. Multiple order entry line items may be entered as part of an individual customer order or quote and may also be automatically generated by the Oracle Configurator. You may not exceed the licensed number of Order Lines during any 12 month period unless You acquire additional Order Line licenses from Oracle.

1,000 Page Views: is defined as 1,000 Page Views per Month, where one Page View means one visit by a unique internet user to a particular page on a website.

Partner Organization: is defined as an external third party business entity that provides value-added services in developing, marketing and selling Your products. Depending upon the type of industry, partner organizations play different roles and are recognized by different names such as reseller, distributor, agent, dealer or broker.

Person: is defined as Your employee or contractor who is actively working on behalf of Your organization or a former employee who has one or more benefit plans managed by the system or continues to be paid through the system. For Project Resource Management, a person is defined as an individual who is scheduled on a project. The total number of licenses needed is to be based on the peak number of part-time and full-time people whose records are recorded in the system.

Physical Server: is defined as each physical server on which the Programs are installed.

PIN Entry Device (PED): is defined as an electronic hardware device that is used in a debit, credit or smart card-based transaction to accept and encrypt the cardholder's personal identification number (PIN).

Ported Number: is defined as the telephone number that end users retain as they change from one service provider to another. This telephone number originally resides on a telephone switch and is moved into the responsibility of another telephone switch.

POS Client: is defined as a device that is used to record any part of a sales transaction or related end-user functionality such as workstation reporting, cash management, engagement, table management, or manager operations. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

For the purposes of the Oracle Hospitality Guest Access POS and Device Client Program, a POS Client is a guest access control method that includes, but is not limited to, turnstiles, gates and swing doors that are managed by the Program. For each guest access control method, both entrance and exit points must be counted for the purposes of determining the number of licenses required. For example, each turnstile must be counted as two POS Clients (one for entrance and one for exit).

Processor: shall be defined as all processors where the Oracle Programs are installed and/or running. Programs licensed on a processor basis may be accessed by Your internal users (including agents and contractors) and by Your third party users. The number of required licenses shall be determined by multiplying the total number of cores of the processor by a core processor licensing factor specified on the Oracle Processor Core Factor Table which can be accessed at http://oracle.com/contracts. All cores on all multicore chips for each licensed Program are to be aggregated before multiplying by the appropriate core processor licensing factor and all fractions of a number are to be rounded up to the next whole number. When licensing Oracle Programs with Standard Edition 2, Standard Edition One or Standard Edition in the product name (with the exception of WebCenter Enterprise Capture Standard Edition, Java SE Subscription, Java SE Support, Java SE Advanced, and Java SE Suite), a processor is counted equivalent to an occupied socket; however, in the case of multi-chip modules, each chip in the multi-chip module is counted as one occupied socket.

For example, a multicore chip based server with an Oracle Processor Core Factor of 0.25 installed and/or running the Program (other than Standard Edition One Programs or Standard Edition Programs) on 6 cores would require 2 processor licenses (6 multiplied by a core processor licensing factor of .25 equals 1.50, which is then rounded up to the next whole number, which is 2). As another example, a multicore server for a hardware platform not specified in the Oracle Processor Core Factor Table installed and/or running

the Program on 10 cores would require 10 processor licenses (10 multiplied by a core processor licensing factor of 1.0 for 'All other multicore chips' equals 10).

For the purposes of the following Program: Oracle Healthcare Data Repository, only the processors on which Internet Application Server Enterprise Edition and Healthcare Transaction Base Programs are installed and/or running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: iSupport, iStore and Configurator, only the processors on which Internet Application Server (Standard Edition and/or Enterprise Edition) and the licensed Program (e.g., iSupport, iStore and/or Configurator) are running must be counted for the purpose of determining the number of licenses required for the licensed Program; under these licenses You may also install and/or run the licensed Program on the processors where a licensed Oracle Database (Standard Edition and/or Enterprise Edition) is installed and/or running.

For the purposes of the following Programs: Configuration Management Pack for Applications, System Monitoring Plug-in for Non Oracle Databases, System Monitoring Plug-in for Non Oracle Middleware, Management Pack for Non-Oracle Middleware and Management Pack for WebCenter Suite, only the processors on which the Program that is being managed/monitored are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Masking and Subsetting Pack, only the processors running the database servers where masked data or data subsets originate must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Management Suite for Oracle E-Business Suite, Application Management Suite for PeopleSoft, Application Management Suite for Siebel, Application Management Suite for JD Edwards EnterpriseOne, Application Management Pack for Utilities and Application Management Pack for Taxation and Policy Management, all processors on which the middleware and/or database software that support the respective managed application Program are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Replay Pack and Real User Experience Insight, all processors on which the middleware software that supports the respective managed application Program are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Informatica PowerCenter and PowerConnect Adapters, and Application Adapter for Warehouse Builder for PeopleSoft, Oracle E-Business Suite, Siebel, and SAP, only the processor(s) on which the target database is running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Integrator Enterprise Edition, Data Integrator Enterprise Edition for Oracle Applications, Data Integrator and Application Adapter for Data Integration and Application Adapters for Data Integration, only the processor(s) where the data transformation processes are executed must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: In-Memory Database Cache, only the processors on which the Times Ten In-Memory Database component of the In-Memory Database Cache Program is installed and/or running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate and Oracle GoldnGate for Oracle Applications, only (a) the processors running the Oracle database from which You capture data and (b) the processors running the Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Oracle GoldenGate for Mainframe and Oracle GoldenGate for Teradata Replication Services, only (a) the processors running the database from which You capture data and (b) the processors running the database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Non Oracle Database, only (a) the processors running the non Oracle database from which You capture data and (b) the processors running the non Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Oracle GoldenGate Application Adapters, only the processors running the source Oracle or non Oracle database(s) from which You capture data must be counted for the purpose of determining the number of licenses required. For multiple source databases, all processors for all sources must be counted.

For the purpose of the following programs: Oracle GoldenGate for Big Data, only the processors running the source Oracle or non Oracle database(s) or NoSQL repositories from which you capture data must be counted for the purpose of determining the number of licenses required. For any messaging systems from which you capture data, every 25 queues/topics are counted as a Processor. In the instance of multiple source databases, NoSQL repositories, or messaging systems, all processors for all sources must be counted.

For the purposes of the following Program: Audit Vault and Database Firewall, only the processors of the sources which are protected, monitored or audited must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle ATG Web Commerce Search, only the processors on which queries are processed must be counted. You do not need to count processors on which the Program is running for indexing content in configured content sources as long as the foregoing is the only use of the Program on all the processors installed in a given server.

Project: is defined as a scheduled stage gate process plan in operation.

Property: is defined as a location with a single physical address.

500,000 Queries Per Day: is defined as five hundred thousand queries from midnight to the next midnight (e.g., a day) to the production MDEX engine, including but not limited to: text searches; changes to facet (refinement); and page up/down through results (any text box query, change in facet selection, change in results viewed). Queries that can be reasonably shown to be generated via malicious intent, such as Denial of Service attacks, are not counted against the number of licensed queries. You may also use the programs for non-production uses, including but not limited to development, quality assurance, and performance testing.

$M in Revenue: is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year.

$M Revenue Under Management: is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year for the product lines for which the Programs are used.

Record: The Customer Hub B2B is a bundle that includes two components, Siebel Universal Customer Master B2B and Oracle Customer Data Hub. For the purposes of the Customer Hub B2B application, record is defined as the total number of unique customer database records stored in the Customer Hub B2B application (i.e., stored in a component of Customer Hub B2B). A customer database record is a unique business entity or company record, which is stored as an account for the Siebel Universal Customer Master B2B product or as an organization for the Oracle Customer Data Hub product.

The Customer Hub B2C is a bundle that includes two components, Siebel Universal Customer Master B2C and Oracle Customer Data Hub. For the purposes of the Customer Hub B2C application, record is defined as the total number of unique customer database records stored in the Customer Hub B2C application (i.e., stored in a component of Customer Hub B2C). A customer database record is a unique consumer (i.e., physical person) record, which is stored as a contact for the Siebel Universal Customer Master product or as a person for the Oracle Customer Data Hub product.

The Product Hub is a bundle that includes two components, Siebel Universal Product Master and Oracle Product Information Management Data Hub. For the purposes of the Product Hub application, record is defined as the total number of unique product database records stored in the Product Hub application (i.e., stored in a component of Product Hub). A product database record is a unique product component or SKU stored in the MTL_SYSTEM_ITEMS table with an active or inactive status and does not include any instance items (i.e. *-star items) or organization assignments of the same item.

For the purposes of the Case Hub Program a record is defined as the total number of unique case database records stored in the Case Hub Program. A case database record is a unique request or issue requiring investigation or service stored in S_CASE table with an active or inactive status.

For the purposes of the Site Hub Program a record is defined as the total number of unique site database records stored in the RRS_SITES_B table of the Site Hub Program. A site database record is a unique site (e.g., an asset, a building, part of a building (such as a store or a franchise within a store, an ATM, etc.)) stored in the Site Hub Program.

For the Programs listed above, please see the application licensing prerequisites as specified in the Applications Licensing Table which may be accessed at http://oracle.com/contracts for the grant and restrictions of the underlying Oracle technology.

For the purposes of the Oracle Data Relationship Management Program, a record is defined as the unique occurrence of any business object or master data construct that You choose to manage within the Program. Records may describe any number of enterprise information assets, commonly referred to as base members, including but not limited to cost centers, ledger accounts, legal entities, organizations, products, vendors, assets, locations, regions or employees. Additionally, a record may also be a summary object, commonly referred to as a rollup member, that either summarizes base members or describes hierarchical information associated with underlying base members. Records represent unique occurrences and they do not include any duplicates or shared references that may be essential for master data management purposes.

For the purposes of the Supplier Lifecycle Management and Supplier Hub Programs, a record is defined as a unique business entity or company record stored as Supplier in the AP_SUPPLIERS table of the Supplier Lifecycle Management and Supplier Hub Programs.

For the purposes of the Life Sciences Customer Hub Program, a record is defined as the number of unique customer database records stored in such Program. A customer database record is a unique physician (i.e., physical person) record which is stored as a contact for the Oracle Life Sciences Customer Hub Program.

1000 Records: is defined as 1000 cleansed records (i.e., rows) that are output from a production data flow of the Data Quality for Data Integrator Program.

Registered User: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. Registered Users shall be business partners and/or customers and shall not be Your employees.

250,000 Requests Per Day: is defined as two hundred fifty thousand requests from midnight to the next midnight (e.g., a day) in the production systems. Requests that can be reasonably shown to be generated via malicious intent, such as Denial of Service attacks, are not counted against the number of licensed requests. You may also use the Program for non-production uses, including but not limited to development, quality assurance, and performance testing.

For the purposes of the following Program: ATG Web Commerce, requests for the full ATG pipeline at the ATG DynamoHandler in the Servlet Pipeline made by web browsers or via web service calls in the production systems, including, but not limited to: JSP page requests; Ajax requests; REST service requests; SOAP service requests; web service calls by native mobile applications, rich front end applications or other integrated external systems must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: WebCenter Sites for Oracle ATG Web Commerce, requests to the production WebCenter Sites or production WebCenter Sites Satellite Server Programs for page or page fragments, JSP page requests, REST service requests, SOAP service requests or web service calls by browsers or external application must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Endeca Experience Manager, requests at the production Assembler and Presentation API, including but not limited to: any page request for Experience Manager; any single submitted query for the Search Engine (text box queries, selection or changes in facet selection); page requests by an application (e.g. ATG Web Commerce); direct requests from web browsers; web service calls by native mobile applications, rich front end applications or other integrated external systems must be counted for the purpose of determining the number of licenses required.

Retail Register: is defined as any device designed to record any part of a sales transaction.

For purposes of the Oracle Retail Xstore Office Program, the licensed quantity purchased must at a minimum be equal to or greater than the number of Retail Registers on which the Oracle Retail Xstore Point of Service Program is installed and/or running.

Retail Store: is defined as any location where two or more people are employed to generate revenue by selling goods and services to customers.

Retail Wireless Device: is defined as a detached device that accesses the Program. Examples of wireless devices include but are not limited to, scanners, RF devices, PDAs.

Revenue Center: is defined as a logical reporting as configured within a Location. For example, a restaurant that keeps its reports and configuration separate from its bar and its room service would require 3 Revenue Center licenses (one for the restaurant, one for the bar and one for room service).

RosettaNet Partner Interface Processes® (PIPs®): are defined as business processes between trading partners. Preconfigured system-to-system XML-based dialogs for the relevant E-Business Suite Application(s) are provided. Each preconfigured PIP includes a business document with the vocabulary and a business process with the choreography of the message dialog.

Rule Set: is defined as a data rules file containing content for a given country in order to perform data quality functions optimized for that country.

Server: is defined as the computer on which the Programs are installed. A Server license allows You to use the licensed Program on a single specified computer.

For the purposes of Acme Packet Programs, a Server in a virtual environment is defined as a virtual machine image.

Service Order Line: is defined as the total number of service order entry line items processed by the Program during a 12 month period. Multiple service order entry line items may be entered as part of an individual customer service order or quote. You may not exceed the licensed number of Service Order Lines during any 12 month period unless You acquire additional Service Order Line licenses from Oracle.

1,000 Sites: is defined as one thousand unique sites added to Multi-Site Quotes created during a 12 month period. Sites added to Multi-Site Quotes are listed as records in the Site Characteristics View and the Billing Group View of a Multi-Site Quote. A Site record is uniquely defined by its Service Account and Service Point fields. A single Site (as defined by its Service Account and Service Point fields Site) that is added to multiple Multi-Site Quotes created during a 12-month period shall be only counted once.

Socket: is defined as a slot that houses a chip (or a multi-chip module) that contains a collection of one or more cores. Regardless of the number of cores, each chip (or multi-chip module) shall count as a single socket. All occupied sockets on which the Program is installed and/or running must be licensed.

Oracle Solaris Premier Subscription for Non-Oracle Hardware per socket: is defined as the right to use the Oracle Solaris Programs (as defined below) on hardware not manufactured by or for Sun/Oracle, and to receive Oracle Premier Support for Operating Systems services (limited to the Oracle Solaris Programs), for the term specified in the ordering document. "Oracle Solaris Programs" refers to the Oracle Solaris operating system and the separately licensed third party technology (as defined below). The Oracle Solaris Programs may contain third party technology. Oracle may provide certain notices to You in Program Documentation, "readme" files or the installation details in connection with such third party technology. Third party technology will be licensed to You either under the terms of the agreement, or if specified in the Program Documentation, "readme" files, or the installation details, under separate license terms ("separate terms") and not under the terms of the agreement ("separately licensed third party technology"). Your rights to use such separately licensed third party technology under the separate terms are not restricted in any way by the agreement. The Oracle Solaris Programs may include or be distributed with certain separately licensed components that are part of Java SE ("Java SE"). Java SE and all components associated with it are licensed to You under the terms of the Oracle Binary Code License Agreement for the Java SE Platform Products, and not under the agreement. A copy of the Oracle Binary Code License Agreement for the Java SE Platform Products can be found at www.oracle.com/contracts.

This subscription is available only for a server that is certified by Oracle and listed on the Hardware Compatibility List (HCL) at http://www.oracle.com/webfolder/technetwork/hcl/index.html. You must obtain a subscription license for each socket in the server. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Premier Support for Operating System services are provided under the applicable technical support policies in effect at the time the services are provided. At the end of the specified term, You may renew Your subscription, if available, at the then current fees for this subscription.

If Your order specifies "1 – 4 socket server" then You may only use the subscription on a server with not more than 4 sockets. If Your order specifies "5+ socket server" then You may use the subscription for servers with any number of sockets.

Store: is defined as a physical store location which sells goods or services that utilize one Point-of-Sale (POS) system. If a physical store location has multiple POS systems, then each POS system must be counted as a Store.

Stream: is defined as a concurrent backup or restore job to a tape, disk or cloud target. For tape targets (which would be a physical tape drive (e.g., T10000D or LTO6) or a virtual tape drive), each configured tape drive within the Oracle Secure Backup domain must be counted for determining the number of licenses required. For disk targets, each concurrent job defined per Oracle Secure Backup disk pool must be counted for determining the number of licenses required. For Cloud based targets utilizing the Oracle Secure Backup Cloud Module, each parallel Recovery Manager (RMAN) channel must be counted for determining the number of licenses required.

Subscriber: is defined as (a) a working telephone number for all wireline devices; (b) a portable handset or paging device that has been activated by You for wireless communications and paging; (c) a residential drop or a nonresidential device serviced by a cable provider; or (d) a live connected utility meter. The total number of Subscribers is equal to the aggregate of all types of Subscribers. If Your business is not defined in the primary definition of Subscriber above, Subscriber is defined as each U.S. $1,000 increment of Your gross annual revenue as reported to the SEC in Your annual report or the equivalent accounting or reporting document.

Suite: is defined as all the functional software components described in the product documentation.

Sun Ray Device: is defined as the Sun Ray computer on which the Program is running.

System: is defined as a single configuration environment. Test, production, and development configurations are considered three separate systems that must each be licensed.

Tape Drive: is defined as mechanical devices used to sequentially write, read and restore data from magnetic tape media. Typically used, but not limited to, data protection and archival purposes, tape drives are deployed either as a standalone unit(s) or housed within a robotic tape library. Examples of tape drive include but are not limited to, Linear Tape Open (LTO), Digital Linear Tape (DLT), Advanced Intelligent Type (AIT), Quarter-Inch Cartridge (QIC), Digital Audio Tape (DAT), and 8mm Helical Scan. For cloud based backups, Oracle counts each parallel stream or Recovery Manager (RMAN) channel as equivalent to a tape drive.

Tape Library Slot: is defined as a physical slot location within a tape library where each slot accepts a single tape cartridge.

Technical Support

For purposes of the ordering document, technical support consists of annual technical support services You may have ordered for the Programs. If ordered, annual technical support (including first year and all subsequent years) is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated in this agreement, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported Programs during the period for which fees for technical support have been paid. You should review the policies prior to entering into the ordering document for the applicable services. You may access the current version of the technical support policies at http://oracle.com/contracts.

Technical support is effective upon the effective date of the ordering document unless otherwise stated in Your order. If Your order was placed through the Oracle Store, the effective date is the date Your order was accepted by Oracle.

Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with Your order may be renewed annually and, if You renew SULS for the same number of licenses for the same Programs, for the first and second renewal years the fee for SULS will not increase by more than 4% over the prior year's fees. If Your order is fulfilled by a member of Oracle's partner Program, the fee for SULS for the first renewal year will be the price quoted to You by Your partner; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees.

If You decide to purchase technical support for any license within a license set, You are required to purchase technical support at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if You agree to terminate that subset of licenses. The technical support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. Oracle's license set definition is available in the current technical support

policies. If You decide not to purchase technical support, You may not update any unsupported Program licenses with new versions of the Program.

Telephone Number: is defined as each unique telephone number for which the billing information is managed or displayed using the Program, regardless of the number of individual account holders associated with such telephone numbers.

Terabyte: is defined as a terabyte of computer storage space used by a storage filer equal to one trillion bytes.

$B in Total Assets: is defined as one billion U.S. dollars of Your latest published or internally available "Total Asset Value" as disclosed in Your annual report and/or regulatory filings.

Trainee: is defined as an employee, contractor, student or other person who is being recorded by the Program.

Transaction: is defined as each set of interactions that is initiated by an application user recorded by Oracle Enterprise Manager to capture availability and performance metrics used in calculating service levels. For example, the following set of interactions would represent one transaction: login, search customer, log out.

Transaction Services Client: is defined as a device that is used to receive data from an external source to record a sales transaction (e.g., a device in a coffee shop that is used by customers to enter their sandwich orders). If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

For the purposes of the Oracle Hospitality Simphony Transaction Services Program, devices that are used to send property or revenue center configuration to an external source must be counted as Transaction Services Clients. For example, if a digital signage provider wants to display menu item information (e.g., price, name, etc.) on a menu board behind the counter and the menu board system requests that a device provides a list of the menu items and prices that are available for purchase, then that device must be licensed as Transaction Services Client.

UPK Developer: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. UPK Developers may create, modify, view and interact with simulations and documentation.

UPK Module: is defined as the functional software component described in the product documentation.

Video Wrapper: is defined as a standardized container that acts as a file system for video assets installed per site. Examples of video wrapper formats include GXF, MXF, OP1A, AVI, Quicktime and LXF.

Wireless handset: is defined as a mobile communications device such as a mobile telephone, PDA, or paging device, that has as primary functions wireless voice communications and data services provided through a service provider.

Workstation: is defined as the client computer from which the Programs are being accessed, regardless of where the Program is installed.

Term Designation

1, 2, 3, 4, 5 Year Terms: A Program license specifying a 1, 2, 3, 4 or 5 Year Term shall commence on the effective date of the order and shall continue for the specified period. At the end of the specified period the Program license shall terminate.

Licensing Rules for Oracle Technology Programs and Oracle Business Intelligence Applications

Failover: Subject to the conditions that follow below, Your license for the Programs listed on the US Oracle Technology Price List, which may be accessed at http://www.oracle.com/us/corporate/pricing/price-lists/index.html, includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are arranged in a cluster and share one disk array. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. In addition, only one failover node per clustered environment is at no charge for up to ten separate days even if multiple nodes are configured as failover. Downtime for maintenance purposes counts towards the ten separate days limitation. When licensing options on a failover environment, the options must match the number of licenses of the associated database. Additionally, when licensing by Named User Plus, the user minimums are waived on one failover node only. Any use beyond the right granted in this section must be licensed separately. In a failover environment, the same license metric must be used for the production and failover nodes when licensing a given clustered configuration.

Testing: For the purpose of testing physical copies of backups, Your license for the Oracle Database (Enterprise Edition, Standard Edition or Standard Edition One) includes the right to run the database on an unlicensed computer for up to four times, not exceeding 2 days per testing, in any given calendar year. The aforementioned right does not cover any other data recovery method - such as remote mirroring - where the Oracle Program binary files are copied or synchronized.

You are responsible for ensuring that the following restrictions are not violated:

- Oracle Database Standard Edition 2 may only be licensed on servers that have a maximum capacity of 2 sockets. When used with Oracle Real Application Clusters, Oracle Database Standard Edition 2 may only be licensed on a maximum of 2 one-socket servers. In addition, notwithstanding any provision in Your Oracle license agreement to the contrary, each Oracle Database Standard Edition 2 database may use a maximum of 16 CPU threads at any time. When used with Oracle Real Application Clusters, each Oracle Database Standard Edition 2 database may use a maximum of 8 CPU threads per instance at any time. If You purchase Named User Plus (NUP) licenses, You must maintain a minimum of 10 NUP per server.
- If you are licensing the Oracle database Program, you may not cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of data formats included in or produced by that Program; the foregoing includes a prohibition on reverse engineering of code, data structures, file formats or memory formats included in or produced by that Program or use of any tools or products that have been derived from the reverse engineering of that Program or those data formats.
- Exadata Database In-Memory may only be used on Exadata Database Machines and Oracle Superclusters.
- Exadata Multitenant may only be used on Exadata Database Machines and Oracle Superclusters.
- WebLogic Server Standard Edition does not include WebLogic Server Clustering.
- Business Intelligence Standard Edition One can only be licensed on servers that have the ability to run a maximum of 2 sockets. The data sources for BI Server and BI Publisher are limited to the included Oracle Standard Edition One, one other database, and any number of flat file sources such as CSV, and XLS. You may use Oracle Warehouse Builder Core ETL to pull data from any number of data sources but You must use only the included Oracle Standard Edition One as the target database.
- Informatica PowerCenter and PowerConnect Adapters may not be used on a standalone basis or as a standalone ETL tool. The Informatica PowerCenter and PowerConnect Adapters may be used with any data source provided the target(s) are: (i) the Oracle Business Intelligence applications Programs (excluding Hyperion Enterprise Performance Management Applications), (ii) the underlying platforms on which the Oracle Business Intelligence Extended Edition Program, Oracle Business Intelligence Standard Edition One or associated components of those Business Intelligence applications Programs run, or (iii) a staging database for any of the foregoing. Informatica PowerCenter and PowerConnect Adapters may also be used where the Oracle Business Intelligence applications Programs (excluding Hyperion Enterprise Performance Management Applications) are the source and non-Oracle Business Intelligence application Programs are the target, provided, that users do not use Informatica PowerCenter and PowerConnect Adapters to transform the data.
- With respect to the Java SE Advanced and Java SE Suite Programs, You may not create, modify, or change the behavior of, or authorize Your users to create, modify, or change the behavior of, classes, interfaces, or subpackages that are in any way identified as "java", "javax" "sun" or "oracle" or any variation of the aforementioned naming conventions. The installation and auto-update processes for these Programs transmit a limited amount of data to Oracle (or its service provider) about those specific processes to help Oracle understand and optimize them. Oracle does not associate the data with personally identifiable information. You can find more information about the data Oracle collects at http://oracle.com/contracts. Additional copyright notices and license terms applicable to portions of the Programs are set forth at http://oracle.com/contracts.

- Programs that contain "for Oracle Applications" in the Program name are limited use Programs. These limited use Programs may only be used with "eligible" Oracle application Programs that contain the following prefixes in the Program name: Oracle Fusion, Oracle Communications*, Oracle Documaker, Oracle Endeca*, Oracle Knowledge, Oracle Media, Oracle Retail*, Oracle Enterprise Taxation*, Oracle Tax, Oracle Utilities*, Oracle Financial Services*, Oracle FLEXCUBE, Oracle Reveleus, Oracle Mantas, Oracle Healthcare*, Oracle Health Sciences, Oracle Argus, Oracle Legal, Oracle Insurance, Oracle Primavera, Oracle Hospitality, Oracle XBRi, and Oracle Relate. For those prefixes designated above with a "*" not all Programs with that prefix are eligible for use with the "for Oracle Applications" limited use Programs. For a list of excluded Programs please review the Applications Licensing Table, which may be accessed at http://oracle.com/contracts. Notwithstanding anything above, Oracle Business Intelligence Suite Extended Edition for Oracle Applications may only be used with "eligible" Oracle application Programs that contain "Oracle Fusion Human Capital Management" as a prefix in the Program name provided that the Oracle Fusion Human Capital Management Programs are the only Programs configured to run against the database instance Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may also be used with the Oracle Product Information Management Analytics, Fusion Edition, Oracle Customer Data Management Analytics, Fusion Edition and Oracle Product Lifecycle Analytics Programs. Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may also be used with the following Programs provided that the Oracle Fusion Applications are the only data source: Oracle Sales Analytics, Fusion Edition; Oracle Partner Analytics, Fusion Edition; Oracle Supply Chain and Order Management Analytics; Oracle Financial Analytics, Fusion Edition; Oracle Procurement and Spend Analytics, Fusion Edition; Oracle Human Resources Analytics, Fusion Edition and Oracle Project Analytics. Any use of limited use Programs containing "for Oracle Applications" by other Oracle applications or third party applications is not permitted.
- Oracle BPEL Process Manager Option for Oracle Applications may be used only to enable business processes, workflow interactions and approvals within eligible Oracle Applications. Workflow interactions between eligible Oracle Applications and, other Oracle Applications or third party applications are allowed as long as they are enabled/initiated within the eligible Oracle Applications. Business Processes defined in BPEL are allowed as long as at least one of the services invoked from within the Business Process access an eligible Oracle Application either natively (via Web Services) or via an adapter.
- Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may be used only to perform query, reporting and analysis against a transaction database, data warehouse or an Essbase OLAP cube if: (i) the transaction database is an eligible Oracle Applications transaction database itself or an extraction, in whole or in part, of an eligible Oracle Applications transaction database, without transformation (query, reporting and analysis against a transaction database that is not an eligible Oracle Applications transaction database requires a full use license of Oracle Business Intelligence Suite Foundation Edition); or (ii) the data warehouse is a pre-packaged eligible Oracle Applications data warehouse, with any customizations necessary to reflect customizations made in the eligible Oracle Applications, and restricted only to the eligible Oracle Applications sources (query, reporting and analysis against extensions to the data warehouse drawn from source systems not supported by the pre-packaged data warehouses require a full use license of Oracle Business Intelligence Suite Foundation Edition); or (iii) the dimensions of each Essbase OLAP Cube are sourced from eligible Oracle Applications.
- Oracle WebLogic Suite for Oracle Applications may be used only as an embedded runtime for eligible Oracle Applications or to deploy customizations to an eligible Oracle Application. The WebLogic global datasource or one of the WebLogic application datasources must be configured to access the schema of an eligible Oracle Application.
- Data Integrator Enterprise Edition for Oracle Applications may only be used with the Oracle supplied data integration jobs and customization of the supplied jobs is allowed. For the avoidance of doubt, examples of uses that are not permitted include, but are not limited to, the following: adding new jobs that support different applications, new schemas, or previously unsupported application modules.
- Oracle SOA Suite for Oracle Applications may be used only to enable integration, business processes, workflow interactions and approvals within eligible Oracle Applications. Workflow interactions between eligible Oracle Applications and other non-eligible Oracle Applications or third party applications are allowed as long as they are either initiated or terminated within eligible Oracle Applications. Usage of SOA composites (including but not limited to Rules, Mediator, XSLT transforms, BPEL processes, Spring components, Workflow services and OWSM security policies) is allowed as long as at least one of the services invoked from within each composite accesses an eligible Oracle Application either natively (via Web services) or via an adapter and the invocation is part of a flow that is either initiated or terminated within eligible Oracle Applications. Oracle Service Bus (OSB) usage is allowed as long as each service deployed accesses an eligible Oracle Application either natively (via Web services) or via an adapter.
- Oracle WebCenter Portal for Oracle Applications may be used only to surface eligible Oracle Application(s) and custom applications (collectively, "eligible applications"). Surfacing any third-party applications, including other applications from Oracle, requires a license for Oracle WebCenter Portal. Multiple eligible applications may be surfaced in a single portal instance provided that a WebCenter Portal for Oracle Applications license exists for each eligible application surfaced in the portal. WebCenter Portal for Oracle Applications may be used to integrate the various WebCenter services (e.g., wikis, blogs, and discussions) into an application context, as well as to build out custom workflows and notifications between the eligible application and WebCenter Portal components. The content management features of the Oracle WebCenter Portal for Oracle

Applications Program may be used to store and manage documents created outside of the eligible application provided that such documents are related to the eligible application or to the application context.

- Oracle WebCenter Imaging for Oracle Applications may be used to create and modify imaging searches, to modify pre-packaged imaging application document types, and to create and modify input mappings to imaging applications. Oracle WebCenter Imaging for Oracle Applications may also be used to invoke web service application programming interfaces (API's) from Oracle Application workflows. A license for WebCenter Imaging for Oracle Applications is required to define new document types for the management of images unrelated to a pre-packaged Oracle Applications integration, to develop custom workflows, and to invoke APIs from custom workflows or custom application integrations.
- Oracle Identity and Access Management Suite Plus for Oracle Applications may be used only to perform associated actions for users of and within the eligible Oracle Applications. The Programs may be used to do the following: (1) add, delete, modify, and manage user identities and roles in the eligible Oracle Applications; (2) provide web access management and single sign-on into eligible Oracle Applications; (3) provide data storage or virtualization to data storage of user identities and user identity related information or authentication and authorization policies for eligible Oracle Applications; (4) provide federated single sign-on to eligible Oracle Applications.
- Oracle Coherence Enterprise Edition for Oracle Applications may only be used within the same Java Virtual Machine as the eligible Oracle Application components.
- Oracle GoldenGate for Oracle Applications may only be used with the Oracle supplied integration jobs. Customization of the Oracle supplied integration jobs is allowed if necessitated by (i) customizations of the source application or of the target application or (ii) for performance tuning of the GoldenGate configuration. Oracle GoldenGate for Oracle Applications may not be used (i) for data replication to non-Oracle databases or (ii) by other Oracle applications or (iii) by third party applications for any type of data integration or replication purposes. For the avoidance of doubt, examples of other uses that are not permitted include, but are not limited to, the following: replicating data to non-Oracle databases (including MySQL), adding new source or target schemas, adding unsupported application modules to source or target schemas, supporting other replication topologies (e.g., active-active or multi-master) or adding anything not supplied by Oracle.
- The license for the Hyperion Planning Plus Program includes a limited use license for the Oracle Essbase Plus, Hyperion Financial Reporting and Hyperion Web Analysis Programs. Such limited use license means that the Oracle Essbase Plus, Hyperion Financial Reporting and Hyperion Web Analysis Programs may only be used to access data from the Hyperion Planning Plus Program. The Oracle Data Integrator for Oracle Business Intelligence Program may be used to load data from any data source provided that the target database is the Hyperion Planning Plus Program. Specifically, the Oracle Essbase Plus Program cannot be used to create Essbase cubes that do not contain data used by the Hyperion Planning Plus Program and the Aggregate Storage option component of the Oracle Essbase Plus Program may not be used.
- The license for the Hyperion Profitability and Cost Management Program includes a limited use license for the Oracle Essbase Plus, Hyperion Financial Reporting, Hyperion Web Analysis and Oracle Data Integrator for Business Intelligence Programs. Such limited use license means that the Oracle Essbase Plus, Hyperion Financial Reporting, Hyperion Web Analysis and Oracle Data Integrator for Business Intelligence Programs may only be used to access data from the Hyperion Profitability and Cost Management Program. Specifically, the Oracle Essbase Plus Program cannot be used to create Essbase cubes that do not contain data used by the Hyperion Profitability and Cost Management Program and the Aggregate Storage option component of the Oracle Essbase Plus Program may not be used.

If You purchase Named User Plus licenses for the Programs listed below, You must maintain 25 Named Users Plus per Processor:

- Entitlements Server Security Module
- Beehive Enterprise Collaboration Server

*The Named User Plus Minimum does not apply if the Program is installed on a one-processor machine that allows for a maximum of one user per Program.

- If You purchase Named User Plus licenses for the Oracle Database Personal Edition Program, You may only have a maximum of one Named User Plus per database.

- If You purchase Named User Plus licenses for the Business Intelligence Standard Edition One Program, You may only have a maximum number of fifty Named User Plus licenses.

- You are responsible for ensuring compliance with the Technology Associated Program Matching Table which may be accessed at http://oracle.com/contracts.

Licensing Rules for Applications

- You are responsible for ensuring compliance with the application licensing prerequisites as specified in the Applications Licensing Table, which may be accessed at http://oracle.com/contracts.

Licensing Rules for ATG Applications

- The Oracle ATG Web Commerce Business Intelligence Program and the Oracle ATG Web Commerce Business Intelligence Administrator Program may only be used in conjunction with either the Oracle ATG Web Commerce Program and/or the Oracle ATG Web Knowledge Manager Program. You may, however, expand Your data model to include other information provided the additional information supplements information is already included in the Oracle ATG Web Commerce Program or in the Oracle ATG Knowledge Manager Program.
- The Cognos BI Consumer Bundle is included in the Oracle ATG Web Commerce Business Intelligence Program and is comprised of (a) one (1) reporting engine for anonymous viewers consisting of no more than two (2) processors and four (4) total cores, (b) unlimited anonymous report viewer seat licenses, (c) one (1) Named BI Web Administrator seat license and one (1) Named BI Professional Report Author seat license. Any additional seat licenses must be licensed separately by purchase of Oracle ATG Web Commerce BI Administrator seat licenses at an additional cost and are not included in any enterprise-wide or similar license.

Licensing Rules for DIVA Programs

Failover: Subject to the conditions that follow below, Your license for the following Programs: Oracle DIVA Programs (Oracle DIVArchive Manager, Oracle DIVArchive Avid Connectivity, Oracle DIVArchive Application Filtering, Oracle DIVArchive Storage Plan Manager , Oracle DIVArchive Export / Import, and Oracle DIVArchive Automatic Data Migration) includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are connected to the disk cache or tape library, i.e., the machines are not in a clustered environment and the machines share a disk array or tape library. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. Downtime for maintenance purposes counts towards the ten separate days limitation. Any use beyond the right granted in this section must be licensed separately.

Licensing Rules for JD Edwards Applications

- The Foundation Program contains the development foundation environment/toolkit. You understand and acknowledge that any software Program developed with the functionality of the development foundation environment/toolkit is subject to the terms and conditions of this agreement. You will defend and indemnify Oracle against any claims by third parties for damages (including, without limitation, reasonable legal fees) arising out of any computer Programs generated by You utilizing the development tools included in the Programs. ORACLE DISCLAIMS ANY WARRANTY THAT THE DEVELOPMENT TOOLS INCLUDED IN THE PROGRAMS WILL GENERATE COMPUTER PROGRAMS WITH THE CHARACTERISTICS OR SPECIFICATIONS DESIRED BY YOU OR THAT SUCH GENERATED COMPUTER PROGRAMS WILL BE ERROR FREE.

Licensing Rules for Oracle Hospitality Cruise Applications

- The Oracle Hospitality Data Foundation for Cruise Program may only be used with Oracle Hospitality Cruise Programs. New reports or customizations of the included reports are allowed. Integration to third party systems is only allowed via the Oracle Hospitality Interface Programs, data integration extracts and/or APIs. You may not add unsupported applications to the environments created with this Program. You are allowed to host data elements originating only from the Oracle Hospitality Programs in the schemas created with the use of this Program. You may not host any third party data elements.

Licensing Rules for Oracle Hospitality Food and Beverage Applications

- The Oracle Hospitality Technology Foundation for Food and Beverage Program may only be used with Oracle Hospitality Food and Beverage Programs. New reports or customizations of the included reports are allowed. Integration to third party systems is only allowed via the Oracle Hospitality Interface Programs, data integration extracts and/or APIs. You may not add unsupported applications to the environments created with this Program. You are allowed to host data elements originating only from the Oracle Hospitality Programs in the schemas created with the use of this Program. You may not host any third party data elements.

Licensing Rules for Oracle Hospitality Hotels Applications

- The Oracle Hospitality Technology Foundation Programs may only be used with Oracle Hospitality Hotel Programs. New reports or customizations of the included reports are allowed. Integration to third party systems is only allowed via the Oracle Hospitality Interface Programs, data integration extracts and/or APIs. You may not add unsupported applications to the environments created with this Program. You are allowed to host data elements originating only from the Oracle Hospitality Programs in the schemas created with the use of this Program. You may not host any third party data elements.
- The Oracle Hospitality OPERA 5 Property Standard Program is limited to 55 functions as defined in the Program Documentation.
- The Oracle Hospitality OPERA 5 Property Lite Program is limited to 30 functions as defined in the Program Documentation.
- The Oracle Hospitality Suite8 Property Resort Edition Program is limited to 30 functions as defined in the Program Documentation.

- The Oracle Hospitality Suite8 Property Small Business Edition Program is limited to 18 functions as defined in the Program Documentation.
- The following Programs may only be used with the Oracle Hospitality OPERA Programs: Oracle Hospitality Technology Foundation for Hotel Property Systems – OPERA 5 Premium, Oracle Hospitality Technology Foundation for Hotel Property Systems – OPERA 5 Standard, Oracle Hospitality Technology Foundation for Hotel Property Systems – OPERA 5 Lite and Oracle Hospitality Technology Foundation for Hotel Central Office Systems. New reports or customizations of the included reports are allowed. Integration to third party systems is allowed via the Oracle Hospitality Interface Programs only. You may not add new schemas or unsupported applications.
- You are responsible for ensuring compliance with the Hospitality Associated Program Matching Table which may be accessed at http://oracle.com/contracts.

Licensing Rules for PeopleSoft Applications

- Your use of the Campus Self Service and Student Administration components within the Campus Solutions Program is subject to the additional terms and conditions set forth in the INAS Software Supplement located at http://oracle.com/contracts.

Licensing Rules for Primavera Applications

- For the purposes of the following Primavera Programs: Earned Value Management, Evolve, SureTrak, Contractor and P3 Project Planner, You acknowledge that You have both read and understand the limited Software Update License & Support services that are available for these Programs, as described in Oracle's Technical Support Policies.
- For purposes of the Primavera SureTrak and Primavera P3 Project Planner Programs, You acknowledge that the agreement delivered to You with these Programs, and not the end user license agreement contained in the product installation, governs the end user's use of these Programs.
- For the purposes of the following Programs: Primavera P6 Enterprise Project Portfolio Management and Primavera P6 Enterprise Project Portfolio Management Web Services, developers and/or users (i) who are not already licensed for the Primavera P6 Enterprise Project Portfolio Management Program and (ii) who access (including through Access Points) applications, must be licensed for the Primavera P6 Enterprise Project Portfolio Management Web Services Program. "Access Points" includes, but is not limited to, third party, Oracle or custom versions of the following: interfaces, API's, web services and database links.
- For the purposes of the following Programs: Primavera Contract Management Web Services and Primavera Contract Management, developers and/or users (i) who are not already licensed for the Primavera Contract Management Program and (ii) who access (including through Access Points) applications, must be licensed for the Primavera Contract Management Web Services Program. "Access Points" includes, but is not limited to, third party, Oracle or custom versions of the following: interfaces, API's, web services and database links.

Licensing Rules for Oracle Retail Programs

- The Oracle Retail Technology Foundation for Store Applications Program may only be used with the Oracle Retail Point of Service Program, the Oracle Retail Back Office Program, the Oracle Retail XStore Point of Service Program and the Oracle Retail XStore Office Program. Any use of the Oracle Retail Technology Foundation for Store Applications Program by other Oracle Programs or third party programs is not permitted.

Licensing Rules for Siebel Applications

- For the Siebel Branch Teller Services Program, Siebel Internet Banking Services Program, Siebel Retail Finance Foundation Services Program and the Siebel Financial Transactions Workbench Program, You may use third party tools to (a) create materials or (b) modify the materials identified as Sample Screen Code and Process Templates in the Program Documentation, all in accordance with the Program Documentation, and provided that such materials or modified materials shall be used solely with Your licensed use of such Programs. You shall not limit in any way Oracle's right to develop, use, license, create derivative works of, or otherwise freely exploit the Programs, ancillary Programs, Program Documentation, or any other materials provided by Oracle, or to permit third parties to do so.
- The Siebel Details Program includes a license for 20 Concurrent Users that authorizes You to use the Program on only one Computer for a maximum of 20 Concurrent Users at any given time. A "Concurrent User" is defined as each individual that may concurrently use or access the Programs. Concurrent Users may only be Your existing customers or Your prospective customers, and may not be Your business partners or Your employees.
- The Siebel Marketing Server Program is licensed on a Computer basis together with the number of unique Customer Records that You may access using the Program. A "Customer Record" is defined as each unique Record (including contact records, prospect records and records in external data sources) that You may access using the Program.

- The Siebel Pharma Marketing Server is licensed on the basis of the number of unique Customer Records that You may access using the Program together with the number of Brands that You may manage using the Program. A "Brand" is defined as a named product offering that corresponds to a specific molecular entity, including multiple dosage forms and multiple strengths for the same molecular entity.
- The Siebel Pricing Claims Server-Up to 20 Application Users is licensed on a Computer basis with a limitation on the number of Application Users. An "Application User" is defined as an individual authorized by You to use the applicable licensed application Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time.
- The users or processors of the Siebel Web Channel Program may access a maximum of 15 Objects. An "Object" is defined as each data entity within the Business Object Layer of the Programs that is defined in the Siebel Tools Program.
- The Siebel Data Quality License may only be used with Oracle Master Data Management or Oracle CRM deployments.

Licensing Rules for Systems Software Programs

Failover: Subject to the conditions that follow below, Your license for the following Programs: StorageTek QFS, StorageTek QFS Client, Oracle Hierarchical Storage Manager, StorageTek Automated Cartridge System Library Software (ACSLS), includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are connected to the disk cache or tape library, i.e., the machines are not in a clustered environment and the machines share a disk array or tape library. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. Downtime for maintenance purposes counts towards the ten separate days limitation. Any use beyond the right granted in this section must be licensed separately.

Licensing Rules for Programs Licensed per UPK Module

- Oracle grants to You a non-exclusive, nontransferable license for Your UPK Developer(s) to: (i) use those User Productivity Kit ("UPK") Programs licensed as UPK modules (collectively referred to as "UPK content") only as necessary to create and provide training solely for Employee and/or Application Users to use the underlying Programs for Your benefit; (ii) make an unlimited number of copies of the UPK content only as necessary to create and provide training solely to Employees and/or Application Users to use the underlying Programs for Your benefit; and (iii) develop modifications and customizations to the UPK content, if applicable, all subject to the terms and conditions set forth in this agreement, provided all copyright notices are reproduced as provided on the original. You represent and warrant that You have a valid license for the underlying Program(s). You are prohibited from reselling or distributing the UPK content to any other party or using the UPK content other than as explicitly permitted in this agreement. Oracle represents that the UPK content and any content created by You using the UPK content contains valuable proprietary information. Oracle retains title to all portions of the UPK content and any copies thereof. You shall use UPK content modifications created by You solely for Your internal use in accordance with the terms of this agreement. You may provide access to and use of the UPK content only to those third parties that are licensed as Application Users and that: (a) provide services to You concerning Your use of the UPK content; (b) have a need to use and access the UPK content; and (c) have agreed to substantially similar non-disclosure obligations imposed by You as those contained in this agreement. Application and Employee User(s) of UPK Programs may view and interact with simulations and documentation but may not create or modify simulations or documentation.

Licensing Rules for MySQL Programs

- The MySQL Programs may contain third party technology. Oracle may provide certain notices to You in Program Documentation, "readme" files or the installation details in connection with such third party technology. Third party technology will be licensed to You either under the terms of the agreement, or if specified in the Program Documentation, "readme" files, or the installation details, under separate license terms ("separate terms") and not under the terms of the agreement ("separately licensed third party technology"). Your rights to use such separately licensed third party technology under the separate terms are not restricted in any way by the agreement.

Oracle reserves the right to periodically change the information presented on the website provided above. All information on this website is provided "as-is" without warranty of any kind, either express or implied.

EXHIBIT D
ORACLE CLOUD SERVICES TERMS AND CONDITIONS

EXHIBIT D

ORACLE CLOUD SERVICES US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS
v041818

THESE ORACLE CLOUD SERVICES US COMMUNITIES ("USC") SUPPLEMENTAL TERMS AND CONDITIONS ("CLOUD STCS") SHALL APPLY TO THE ORACLE CLOUD SERVICES THAT YOU ORDER FROM THE CONTRACT HOLDER (THE "CONTRACTOR"). THESE CLOUD STCS SHALL TAKE PRECEDENCE OVER ANY CONFLICTING TERMS IN ANY NON-ORACLE ORDER OR ORDERING DOCUMENTION. THESE CLOUD STCS ARE CONSIDERED PART OF THE SCHEUDLE OF SUPPLIES/SERVICES IN YOUR ORDER TO THE CONTRACT.

A. Definitions

"You" and "Your" refers to the ordering activity that has ordered Oracle Services from an authorized distributor ("Contractor") under the Contract.

The term "Contract" refers to the Contractor's US Communities contract.

The term "Oracle Software" means any software agent, application or tool that Oracle makes available to You for download specifically for the purpose of facilitating Your access to, operation of, and/or use with, the Services.

The term "Program Documentation" refers to the user manuals, help windows, readme files for the Services and any Oracle Software. You may access the documentation online at http://oracle.com/contracts or such other address specified by Oracle.

The term "Service Specifications" means the following documents, as applicable to the Services under Your order: (a) the Cloud Hosting and Delivery Policies, the Program Documentation, the Oracle service descriptions, and the Data Processing Agreement described in these Cloud STCs; (b) Oracle's privacy policies; and (c) any other Oracle documents that are referenced in or incorporated into Your order as required by the Contractor. The following do not apply to any non-Cloud Oracle service offerings acquired in Your order, such as professional services: the Cloud Hosting and Delivery Policies, Program Documentation, and the Data Processing Agreement. The following do not apply to any Oracle Software: the Cloud Hosting and Delivery Policies, Oracle service descriptions, and the Data Processing Agreement.

The term "Third Party Content" means all software, data, text, images, audio, video, photographs and other content and material, in any format, that are obtained or derived from third party sources outside of Oracle that You may access through, within, or in conjunction with Your use of, the Services. Examples of Third Party Content include data feeds from social network services, rss feeds from blog posts, Oracle data marketplaces and libraries, dictionaries, and marketing data. Third party content includes third-party sourced materials accessed or obtained by Your use of the Services or any Oracle-provided tools.

The term "Users" means for Services, those employees, contractors, and end users, as applicable, authorized by You or on Your behalf to use the Services in accordance with these Cloud STCs and Your order. For Services that are specifically designed to allow Your clients, agents, customers, suppliers, or other third parties to access the Services to interact with You, such third parties will be considered "Users" subject to the terms of these Cloud STCs and Your order.

The term "Your Content" means all software, data (including Personal Data as that term is defined in the Data Processing Agreement), text, images, audio, video, photographs, non-Oracle or third party applications, and other content and material, in any format, provided by You or any of Your Users that is stored in, or run on or through, the Services. Services under these Cloud STCs, Oracle Software,

EXHIBIT D

other Oracle products and services, and Oracle intellectual property, and all derivative works thereof, do not fall within the meaning of the term "Your Content". Your content includes any Third Party Content that is brought by You into the Services, by Your use of the Services or any Oracle provided tools.

B. Use of Services

Upon Contractor's acceptance of Your order, Oracle will make the Oracle services listed in Your order (the "Services") available to You pursuant to these Cloud STCs and Your order. Except as otherwise stated in these Cloud STCs or Your order, You have the non-exclusive, worldwide, limited right to use the Services during the period defined in Your order (the "Service Period"), solely for Your internal business operations. You may allow Your Users to use the Services for this purpose and You are responsible for Your Users' compliance with these Cloud STCs and the order.

The Service Specifications describe and govern the Services. During the Services Period, Oracle may update the Services and Service Specifications (with the exception of the Data Processing Agreement as described below) to reflect changes in, among other things, laws, regulations, rules, technology, industry practices, patterns of system use, and availability of Third Party Content. Oracle updates to the Services or Service Specifications will not materially reduce the level of performance, functionality, security or availability of the Services during the Services Period of Your order.

You may not, and may not cause or permit others to: (a) use the Services to harass any person; cause damage or injury to any person or property; publish any material that is false, defamatory, harassing or obscene; violate privacy rights; promote bigotry, racism, hatred or harm; send unsolicited bulk e-mail, junk mail, spam or chain letters; infringe property rights; or otherwise violate applicable laws, ordinances or regulations; (b) perform or disclose any benchmarking or availability testing of the Services; (c) perform or disclose any performance or vulnerability testing of the Services without Oracle's prior written approval, or perform or disclose network discovery, port and service identification, vulnerability scanning, password cracking or remote access testing of the Services; or (d) use the Services to perform cyber currency or crypto currency mining ((a) through (d) collectively, the "Acceptable Use Policy"). In addition to other rights that Oracle has in these Cloud STCs and Your order, Oracle has the right to take remedial action if the Acceptable Use Policy is violated, and such remedial action may include removing or disabling access to material that violates the policy.

C. Ownership Rights and Restrictions

You and Your licensors retain all ownership and intellectual property rights in and to Your Content. Oracle or its licensors retain all ownership and intellectual property rights to the Services, derivative works thereof, and to anything developed or delivered by or on behalf of Oracle under Your order.

You may have access to Third Party Content through use of the Services. Unless otherwise stated in Your order, all ownership and intellectual property rights in and to Third Party Content and the use of such content is governed by separate third party terms between You and the third party.

You grant Oracle the right to host, use, process, display and transmit Your Content to provide the Services pursuant to and in accordance with these Cloud STCs and Your order. You have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of Your Content, and for obtaining all rights related to Your Content required by Oracle to perform the Services.

You may not, and may not cause or permit others to: (a) modify, make derivative works of, disassemble, decompile, reverse engineer, reproduce, republish, download or copy any part of the Services (including data structures or similar materials produced by programs); (b) access or use the Services to build or support, directly or indirectly, products or services competitive to Oracle; or (c) license, sell, transfer, assign, distribute, outsource, permit timesharing or service bureau use of, commercially exploit, or make available the Services to any third party except as permitted by these Cloud STCs or Your order.

EXHIBIT D

D. Term and Termination

Services shall be provided for the Services Period defined in Your order, unless earlier suspended or terminated in accordance with these Cloud STCs. These Cloud STCs will continue to govern any order for the duration of the Services Period of such order.

If You order Services that are designated in the Service Specifications or Your order as Services that will be automatically extended, such Services will NOT automatically be extended for an additional Services Period of the same duration. To extend the Services, You must provide Contractor with written notice no later than thirty (30) days prior to the end of the applicable Services Period of Your intention to renew such Services and You execute an order modification or enter into a new order to renew such Services. The preceding sentence shall not apply if Contractor provides You with written notice no later than ninety (90) days prior to the end of the applicable Services Period of its intention not to renew such Services.

Oracle may suspend Your or Your Users' access to, or use of, the Services if Oracle believes that (a) there is a significant threat to the functionality, security, integrity, or availability of the Services or any content, data, or applications in the Services; (b) You or Your Users are accessing or using the Services to commit an illegal act; or (c) there is a violation of the Acceptable Use Policy. When reasonably practicable and lawfully permitted, Oracle will provide You with advance notice of any such suspension. Oracle will use reasonable efforts to re-establish the Services promptly after Oracle determines that the issue causing the suspension has been resolved. During any suspension period, Oracle will make Your Content (as it existed on the suspension date) available to You. Any suspension under this paragraph shall not excuse You from Your obligation to make payments under these Cloud STCs or Your order.

If Oracle, the Contractor, or You breach a material term of Your order, including these Cloud STCs, and fails to correct the breach within 30 days of written specification of the breach, then a nonbreaching party may terminate the order under which the breach occurred. If Contractor terminates the order as specified in the preceding sentence, You must pay within thirty (30) days all amounts that have accrued prior to such termination, as well as all sums remaining unpaid for the Services under such order plus related taxes and expenses. Except for nonpayment of fees, the nonbreaching parties may agree in their sole discretion to extend the thirty (30) day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if You are in default under Your order or Your contract (including these Cloud STCs) with Contractor, You may not use those Services ordered

You may terminate the Contract or Your order at any time without cause by giving Contractor 30 days' prior written notice of such termination. Termination of the Contract will not affect orders that are outstanding at the time of termination. Those orders will be performed according to their terms as if the Contract and these Cloud STCs were still in full force and effect. However, those orders may not be renewed or extended subsequent to termination of the Contract.

For a period of no less than 60 days after the end of the Services Period of an order, Oracle will make Your Content (as it existed at the end of the Services Period) available for retrieval by You. At the end of such 60-day retrieval period, and except as may be required by law, Oracle will delete or otherwise render unrecoverable any of Your Content that remains in the Services. Oracle's data deletion practices are described in more detail in the Service Specifications.

Provisions in these Cloud STCs that survive termination or expiration of the Contract are those relating to limitation of liability, indemnification, payment and others which by their nature are intended to survive.

E. Fees and Taxes

Fees paid for Services performed are non-refundable, except as provided in these Cloud STCs or Your order. Fees for Services offerings are invoiced in arrears of the service performance. Fees for Services listed in an order are exclusive of taxes and expenses.

EXHIBIT D

You agree and acknowledge that You have not relied on the future availability of any services, programs or updates in executing Your order; however, the preceding does not relieve Oracle of its obligation during the Services Period to deliver services that You have ordered per the terms of these Cloud STCs.

F. Nondisclosure

By virtue of Your order and these Cloud STCs, Oracle, the Contractor and You may disclose to each other information that is confidential ("Confidential Information"). Confidential information shall be limited to the terms and pricing under these Cloud STCs and Your order, Your Content residing in the Services, and all information clearly identified as confidential at the time of disclosure.

A party's Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

Subject to applicable law, Oracle, the Contractor and You each agree not to disclose each other's Confidential Information to any third party other than as set forth in the following sentence for a period of five years from the date of the disclosing party's disclosure of the Confidential Information to the receiving party; however, Oracle will protect the confidentiality of Your Content residing in the Services for as long as such information resides in the Services. Each party may disclose Confidential Information only to those employees, agents or subcontractors who are required to protect it against unauthorized disclosure in a manner no less protective than required under these Cloud STCs, and each party may disclose the other party's Confidential Information in any legal proceeding or to a governmental entity as required by law. Oracle will protect the confidentiality of Your Content resident in the Services in accordance with the Oracle security practices defined as part of the Service Specifications applicable to Your order.

The parties acknowledge and agree that You and these Cloud STCs are subject to applicable freedom of information or open records law. Should You receive a request under such law for Oracle's Confidential Information, You agree to give Oracle adequate prior notice of the request and before releasing Oracle's Confidential Information to a third party, in order to allow Oracle sufficient time to seek injunctive relief or other relief against such disclosure.

G. Protection of Your Content

In order to protect Your Content provided to Oracle as part of the provision of the Services, Oracle will comply with the following:

a. the relevant Oracle privacy policies applicable to the Services ordered, available at http://www.oracle.com/us/legal/privacy/overview/index.html; and

b. the applicable administrative, physical, technical and other safeguards, and other applicable aspects of system and content management, available at http://www.oracle.com/us/corporate/contracts/cloud-services/index.html.

To the extent Your Content includes Personal Data (as that term is defined in the Data Processing Agreement), Oracle will furthermore comply with the applicable version of the *Oracle Data Processing Agreement for Oracle Cloud Services* (the "Data Processing Agreement"), unless stated otherwise in Your order. The version of the Data Processing Agreement applicable to Your order (a) is available at http://www.oracle.com/dataprocessingagreement and is incorporated herein by reference, and (b) will remain in force during the Services Period of Your order. In the event of any conflict between the terms of the Data Processing Agreement and the terms of the Service Specifications (including any applicable Oracle privacy policies), the terms of the Data Processing Agreement shall take precedence.

You are responsible for (a) any required notices, consents and/or authorizations related to Your provision of, and Oracle's processing of, Your Content (including any Personal Data) as part of the Services, (b) any

EXHIBIT D

security vulnerabilities, and the consequences of such vulnerabilities, arising from Your Content, including any viruses, Trojan horses, worms or other harmful programming routines contained in Your Content, and (c) any use by You or Your Users of the Services in a manner that is inconsistent with the terms of these Cloud STCs. You may disclose or transfer, or instruct Oracle to disclose or transfer in writing, Your Content to a third party, and upon such disclosure or transfer, Oracleis no longer responsible for the security, integrity or confidentiality of such content outside of Oracle.

Unless otherwise specified in Your order (including in the Service Specifications), Your Content may not include any sensitive or special data that imposes specific data security or data protection obligations on Oracle in addition to or different from those specified in the Service Specifications. If available for the Services, You may purchase additional services from us (e.g., Oracle Payment Card Industry Compliance Services) designed to address specific data security or data protection requirements applicable to such sensitive or special data You seek to include in Your Content.

H. Warranties, Disclaimers and Exclusive Remedies

For the sake of clarity, this is Oracle's warranty; nevertheless, it shall be accessed by You through the Contractor.

Oracle warrants that during the Services Period, Oracle will perform Services using commercially reasonable care and skill in all material respects as described in the Service Specifications. If the Services provided to You were not performed as warranted, You must promptly provide written notice to Oracle that describes the deficiency in the Services (including, as applicable, the service request number notifying Oracle of the deficiency in the Services).

ORACLE DOES NOT WARRANT THAT THE SERVICES WILL BE PERFORMED ERROR-FREE OR UNINTERRUPTED, THAT ORACLE WILL CORRECT ALL SERVICE ERRORS, OR THAT THE SERVICES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS. ORACLE IS NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORAMCNE, OPERATION OR SECURITY OF THE SERVICES THAT ARISE FROM YOUR CONTENT OR THIRD PARTY CONTENT OR SERVICES PROVIDED BY THIRD PARTIES.

FOR ANY BREACH OF THE SERVICES WARRANTY, YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY SHALL BE THE CORRECTION OF THE DEFICIENT SERIVCES THAT CAUSED THE BREACH OF THE WARRANTY, OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THE DEFICIENT SERVICES AND ORACLE WILL REFUND TO CONTRACTOR THE FEES FOR THE DEFICIENT SERVICES THAT CONTRACTOR PAID TO ORACLE FOR THE PERIOD OF TIME DURING WHICH THE SERVICES WERE DEFICIENT, AND CONTRACTOR WILL IN TURN REFUND TO YOU THE FEES FOR THE DEFICIENT SERVICES THAT YOU PAID TO CONTRACTOR FOR THE PERIOD OF TIME DURING WHICH THE SERVICES WERE DEFICIENT.

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.

I. Limitation of Liability

IN NO EVENT SHALL YOU, THE CONTRACTOR, ORACLE OR ANY PARTY'S AFFILIAITES BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXAMPLARY OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF REVENUE, PROFITS (EXCLUDING FEES UNDER YOUR ORDER), SALES, DATA, DATA USE, GOODWILL, OR REPUTATION. CONTRACTOR'S MAXIMUM LIABILITY FOR ALL DAMAGES ARISING OUT OF OR RELATED TO YOUR ORDER, WHETHER IN CONTRACT, TORT OR OTHERWISE, SHALL IN NO EVENT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNTS ACTUALLY PAID TO CONTRACTOR FOR THE SERVICES UNDER YOUR ORDER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE

EXHIBIT D

EVENT GIVING RISE TO SUCH LIABILITY LESS ANY REFUNDS OR CREDITS RECEIVED BY YOUR FROM CONTRACTOR UNDER SUCH ORDER.

IN NO EVENT SHALL THE AGGREGATE LIABLITY OF ORACLE AND ORACLE'S AFFILIATES ARISING OUT OF OR RELATED TO THESE CLOUD STCS OR YOUR ORDER, WHETHER IN CONTRACT, TORT OR OTHERWISE EXCEED THE TOTAL AMOUNTS ACTUALLY PAID TO ORACLE FOR THE SERVICES UNDER YOUR ORDER IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH LIABILITY LESS ANY REFUNDS OR CREDITS RECEIVED BY CONTRACTOR FROM ORACLE UNDER SUCH ORDER.

J. Intellectual Property Indemnification

If a third party makes a claim against You or Oracle ("Recipient" which may refer to You or Oracle depending upon which party received the Material), that any information, design, specification, instruction, software, service, data, hardware, or material (collectively "Material") furnished by either You or Oracle ("Provider" which may refer to You or Oracle depending on which party provided the Material) and used by the Recipient infringes the third party's intellectual property rights, the Provider, at the Provider's sole cost and expense will, to the extent not prohibited by law, defend the Recipient against the claim and indemnify Recipient from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by the Provider if Recipient does the following:

a. notifies the Provider promptly in writing, not later than 30 days after Recipient receives notice of the claim (or sooner if required by applicable law);
b. gives the Provider sole control of the defense and any settlement negotiations; and
c. gives the Provider the information, authority, and assistance Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated a third party's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material and refund the fees the Recipient may have paid for such Material. If such return materially affects Oracle's ability to meet its obligations under the relevant order, then Oracle may upon 30 days prior written notice, terminate the order. If such Material is third party technology and the terms of the third party license do not allow Oracle to terminate the license, then Oracle may, upon 30 days' prior written notice, end the Services associated with such Material and refund any unused, prepaid fees for such Services.

The Provider will not indemnify the Recipient if the Recipient (a) alter the Material or use it outside the scope of use identified in the Provider's user documentation or Service Specifications, or (b) uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon Material not furnished by the Provider. Oracle will not indemnify You to the extent that an infringement claim is based on third Party Content or any Material from a third party portal or other source that is accessible or make available to Your within or by the Services (e.g. a social media post from a third party blog or forum, a third party Web page accessed via a hyperlink, marketing data from a third party data providers, etc.

This Section J provides the parties' exclusive remedy for any infringement claims or damages.

K. Third Party Content, Services and Websites

The Services may enable You to link to, transmit Your Content or Third Party Content to, or otherwise access, third parties' web sites, platforms, content, products, services, and information ("Third Parties Services"). Oracle does not control and is not responsible for Third Party Services. You are solely responsible for complying with the terms of access and use of Third Party Services, and if Oracle accesses

or uses any Third Party Services on Your behalf to facilitate performance of the Services, You are solely responsible for ensuring that such access and use, including through passwords, credentials or tokens issued or otherwise made available to You, is authorized by the terms of access and use for such services. If You transfer or cause the transfer of Your Content or Third Party Content from the Services to a Third Party Service or other location, that transfer constitutes a distribution by You and not by Oracle.

Any Third Party Content Oracle makes accessible is provided on an "as-is" and "as available" basis without any warranty of any kind. You acknowledge and agree that Oracle is not responsible for, and has no obligation to control, monitor, or correct, Third Party Content. Oracle disclaims all liabilities arising from or related to Third Party Content.

You acknowledge that: (i) the nature, type, quality and availability of Third Party Content may change at any time during the Services Period, and (ii) features of the Services that interoperate with third parties such as Facebook™, YouTube™ and Twitter™, etc., depend on the continuing availability of such third parties' respective application programming interfaces (APIs). Oracle may update, change or modify the Services under the Contract, as a result of a change in, or unavailability of, such Third Party Content, Third Party Services or APIs. If any third party ceases to make its Third Party Content or APIs available on reasonable terms for the Services, as determined by Oracle in its sole discretion, Oracle may cease providing access to the affected Third Party Content or third party services without any liability to You or the Contractor. Any changes to Third Party Content, Third Party Services or APIs, including their unavailability, during the Services Period does not affect Your obligations under the Contract, these Cloud STCs or the applicable order, and You will not be entitled to any refund, credit or other compensation due to any such changes.

L. Service Monitoring, Analyses and Oracle Software

Oracle continuously monitors the Services to facilitate Oracle's operation of the Services; to help resolve Your service requests; to detect and address threats to the functionality, security, integrity, and availability of the Services as well as any content, data, or applications in the Services; and to detect and address illegal acts or violations of the Acceptable Use Policy. Oracle monitoring tools do not collect or store any of Your Content residing in the Services, except as needed for such purposes. Oracle does not monitor, and does not address issues with, non-Oracle software provided by You or any of Your Users that is stored in, or run on or through, the Services. Information collected by Oracle monitoring tools (excluding Your Content) may also be used to assist in managing Oracle's product and service portfolio, to help Oracle address deficiencies in its product and service offerings, and for license management purposes.

Oracle may (i) compile statistical and other information related to the performance, operation and use of the Services, and (ii) use data from the Services in aggregated form for security and operations management, to create statistical analyses, and for research and development purposes (clauses (i) and (ii) are collectively referred to as "Service Analyses"). Oracle may make Service Analyses publicly available; however, Service Analyses will not incorporate Your Content, Personal Data or Confidential Information in a form that could serve to identify You or any individual. Oracle retains all intellectual property rights in Service Analyses.

Oracle may provide You with the ability to obtain certain Oracle Software for use with the Services. If Oracle provides Oracle Software to You and does not specify separate terms for such software, then such Oracle Software is provided as part of the Services and You have the non-exclusive, worldwide, limited right to use such Oracle Software, subject to the terms of these Cloud STCs and Your order (except for separately licensed elements of the Oracle Software, which separately licensed elements are governed by the applicable separate terms), solely to facilitate Your use of the Services. You may allow Your Users to use the Oracle Software for this purpose, and You are responsible for their compliance with the license terms. Your right to use Oracle Software will terminate upon the earlier of Oracle's notice (by web posting or otherwise) or the end of these Services associated with the Oracle Software. Notwithstanding the foregoing, if Oracle Software is licensed to You under separate terms, then Your use of such software is governed by the separate terms. Your right to use any part of the Oracle Software that is licensed under

EXHIBIT D

the separate terms is not restricted in any way by these Cloud STCs.

M. Export

Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Services. Such export laws govern Your use of the Services (including technical data) and any services deliverables provided under Your order, and You and Oracle each agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, software programs and/or materials resulting from Services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

You acknowledge that the Services are designed with capabilities for You and Your Users to access the Services without regard to geographic location and to transfer or otherwise move Your Content between the Services and other locations such as User workstations. You are solely responsible for the authorization and management of User accounts across geographic locations, as well as export control and geographic transfer of Your Content.

N. Force Majeure

Neither You, Contractor, nor Oracle shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic; electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancelation of any export, import or other license); or other event outside the reasonable control of the obligated party. All parties will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 30 days, either You, Contractor, or Oracle may cancel unperformed Services and affected orders upon written notice. This Section does not excuse any party's obligation to take reasonable steps to follow its normal disaster recovery procedures or Your obligation to pay for the Services.

O. Assignment

You may not assign Your order or give or transfer the Services, or an interest in the Services, to another individual or entity.

P. Other

1. Oracle is an independent contractor, and each party agrees that no partnership, joint venture, or agency relationship exists between You and Oracle or between Contractor and Oracle.

2. Oracle's business partners and other third parties, including any third parties with which the Services have integrations or that are retained by You to provide consulting services, implementation services or applications that interact with the Services, are independent of Oracle and are not Oracle's agents. Oracle is not liable for, bound by, or responsible for any problems with the Services or Your Content arising due to any acts of any such business partner or third party, unless the business partner or third party is providing Services as Oracle's subcontractor on an engagement ordered under these Cloud STCs and, if so, then only to the same extent as Oracle would be responsible for Oracle's resources under these Cloud STCs. The Contract (including these Cloud STCs) and Your order is entered exclusively between You and the Contractor. While Oracle has no contractual relationship with You, Oracle is a third-party beneficiary of the Contract (including these Cloud STCs) and Your order.

3. Any notice required under your order shall be provided to the other party, and Oracle, in writing. Oracle may give notices applicable to Oracle's Services customers by means of a general notice on the Oracle portal for the Services, and notices specific to You by electronic mail to Your e-mail address on record in Oracle's account information or by written communication sent by first class mail or pre-paid post to Your address on record in Oracle's account information.

EXHIBIT D

4. If any term of these Cloud STCs is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with another term consistent with the purpose and intent of these Cloud STCs.

5. Except for actions for nonpayment or breach of Oracle's proprietary rights, no action, regardless of form, arising out of or relating to these Cloud STCs may be brought by any party more than two years after the cause of action has accrued.

6. Prior to entering into an order governed by these Cloud STCs, You are solely responsible for determining whether the Services meet Your technical, business or regulatory requirements. Oracle will cooperate with Your efforts to determine whether use of the standard Services are consistent with those requirements. Additional fees may apply to any additional work performed by Oracle or changes to the Services. You remain solely responsible for Your regulatory compliance in connection with Your use of the Services.

7. Upon forty-five (45) days written notice and no more than once every twelve (12) months, Oracle may audit Your compliance with the terms of these Cloud STCs and Your order. You agree to cooperate with Oracle's audit and to provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with Your normal business operations. Oracle shall comply with reasonable security and safety rules, policies, and procedures ("security rules") while performing any such audit, provided that (i) such security rules are applicable to the performance of the audit; (ii) You make such security rules available to Oracle prior to the commencement of the audit; and (iii) such security rules do not modify or amend the terms and conditions of these Cloud STCs or the applicable order(s). You shall be responsible for paying the additional fees related to use of the Services in excess of Your rights.

8. The Uniform Computer Transactions Act does not apply to these Cloud STCs nor any order placed pursuant to them.

9. The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508') effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, respectively, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/us/corporate/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_ww@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle customers may call Oracle Support at 1.800.223.1711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html, and a list of telephone numbers is available at https://www.fcc.gov/general/telecommunications-relay-services-directory. International hearing-impaired customers should use the TRS at +1.605.224.1837. An Oracle Support engineer will respond to technical issues according to the standard service request process. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the availability of VPATs. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Services provided under these Cloud STCs.

EXHIBIT D

10. Internet Protocol version 6 (IPv6). Prior to any customizations, the Oracle product(s) and service(s) to be delivered pursuant to the Contract are capable of accommodating Internet Protocol version 6 (IPv6) solely to the extent defined and noted in the relevant product/service documentation available at oracle.com. Please note that such capabilities are subject to the dependencies, comments and exceptions (some of which may be significant, if any) noted in such documentation, and require that Oracle product(s) and service(s) are used in accordance with Oracle's associated documents and other written information and that any other products properly interoperate with them. If no relevant product/service documentation is found addressing IPv6, then Oracle makes no representations as to the capabilities of the product/service in question to accommodate IPv6. Oracle cannot make any commitments about future product directions, including plans to address IPv6. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements, requirements or any other such representations regarding or related to IPv6 shall apply to the Oracle products and services to be delivered pursuant to these Cloud STCs.

11. If any document incorporated by reference into these Cloud STCs contains a provision (a) allowing for the automatic termination of Your Services; or (b) allowing for the automatic renewal of Services and/or fees, then such terms shall not apply.

~~EXHIBIT E~~

~~ORACLE HARDWARE TERMS AND CONDITIONS~~

EXHIBIT E

ORACLE HARDWARE US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v041818

THESE ORACLE HARDWARE, PROGRAMS AND SERVICES US COMMUNITIES ("USC") SUPPLEMENTAL TERMS AND CONDITIONS ("HARDWARE STCs") SHALL APPLY TO THE ORACLE HARDWARE, PROGRAMS AND/OR SERVICES THAT YOU ORDER FROM THE CONTRACT HOLDER (THE "CONTRACTOR"). THESE HARDWARE STCSSHALL TAKE PRECEDENCE OVER ANY CONFLICTING TERMS IN ANY NON-ORACLE ORDER OR ORDERING DOCUMENTION. THESE HARDWARE STCS ARE CONSIDERED PART OF THE SCHEDULE OF SUPPLIES/SERVICES IN YOUR ORDER TO THE CONTRACTOR.

A. Definitions

"You" and "Your" refers to the ordering activity that has ordered programs, hardware and/or services from an authorized distributor ("Contractor") under the contract.

The term "ancillary programs" refers to third party materials specified in the program documentation which may only be used for the purposes of installing or operating the programs with which the ancillary programs are delivered.

The term "contract" refers to the Contractor's US Communities contract.

The term "integrated software" is defined as software embedded in the hardware which is essential to hardware functionality (e.g., firmware).

The term "integrated software options" refers to software or programmable code embedded in, installed on, or activated on the hardware that requires one or more unit licenses that You must separately order. Such separate order will set forth the fees for the integrated software options You are ordering. Not all hardware contains integrated software options; please refer to the Oracle Integrated Software Options License Definitions, Rules and Metrics, accessible at http://oracle.com/contracts (the "Integrated Software Options License Rules") for the specific integrated software options that may apply to specific hardware. Oracle reserves the right to designate new software features as integrated software options in subsequent releases and that designation will be specified in the applicable documentation and in the Integrated Software Options License Rules.

The term "operating system" refers to the software that manages hardware for programs and other software.

The term "products" refers to programs, hardware, integrated software and operating system.

The term "program documentation" refers to the program user manual and program installation manuals.

The term "programs" refers to the software products, owned or distributed by Oracle, which you have ordered, including program documentation, and any program updates acquired through technical support.

The term "services" refers to technical support services which you have ordered.

The term "hardware" refers to the hardware equipment, including components, options and spare parts.

The term "hardware documentation" refers to the hardware specifications, user manuals, and installation manuals. Hardware documentation is delivered with the hardware and/or provided online.

EXHIBIT E

B. Hardware Composition

Your hardware order consists of the following items: operating system (as defined in your configuration), integrated software and all hardware equipment (including components, options and spare parts) specified on the applicable order. The hardware equipment or parts of it may be new or like new.

C. Rights Granted

Upon Contractor's acceptance of your order, you have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in your order with Contractor), limited right to use the programs and receive any services you ordered solely for your internal ordering activity operations and subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You may allow your agents and contractors (including, without limitation, outsourcers) to use the programs for this purpose and you are responsible for their compliance with these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation in such use. For programs that are specifically designed to allow your customers and suppliers to interact with you in the furtherance of your internal business operations, such use is allowed.

You have the right to use the operating system delivered with the hardware subject to the terms of the license agreement(s) delivered with the hardware. Current versions of the license agreement(s) are located at http://oracle.com/contracts. You are licensed to use the operating system and any operating system updates acquired through technical support only as incorporated in, and as part of the hardware.

You have the limited, non-exclusive, royalty free, non-transferable, non-assignable right to use integrated software options that You separately order subject to the terms of these Hardware STCs, the applicable documentation and the Integrated Software Options License Rules; the Integrated Software Options License Rules are incorporated in and made a part of these Hardware STCs. You are licensed to use those integrated software options and any integrated software options updates acquired through technical support only as incorporated in, and as part of, the hardware. To fully understand Your license right to any integrated software options that You separately order, You need to review the Integrated Software Options License Rules. In the event of any conflict between the Hardware STCs and the Integrated Software Options License Rules, the Integrated Software Options License Rules shall take precedence.

You have the limited, non-exclusive, royalty free, non-assignable right to use integrated software delivered with the hardware subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You are licensed to use such integrated software and any integrated software updates acquired through technical support only as incorporated in, and as part of the hardware.

The operating system and/or integrated software may include separate works, identified in a readme file, notice file, or the applicable documentation, which are licensed under open source or similar license terms; your rights to use the operating system and integrated software under such terms are not restricted in any way by these Hardware STCs. The appropriate terms associated with such separate works can be found in the readme files, notice files or in the documentation accompanying the operating system and integrated software.

For GPLv2, LGPLv2.1, GPLv3 and LGPLv3 licensed code received by you as binaries on physical media, if you would like to receive a copy of the source code ("source code") on media via postal service, submit your written request at <http://oss.oracle.com/systems-opensourcecode >. Alternatively, you can mail your written request to Oracle Corporation, Attn: VP of Legal, Development and Engineering, 500 Oracle Parkway, MS-5OP10, Redwood Shores, CA 94065. Your request should include the name and version number of the product, your name, your company name (if applicable), your return mailing address, and your email address. Certain source distributions require a fee for physical media. Should this be the case, you will be sent details on the cost and payment procedure via email. Your request must be sent within three (3) years of the date of Oracle's last delivery of the

EXHIBIT E

applicable product. This offer only applies if you received your operating system and/or integrated software on physical media.

The hardware shall be installed in the country that you specify as the delivery location on your purchasing document or when your purchasing document does not indicate a ship to address, the location specified in the order.

D. **Ownership and Restrictions**

Oracle or its licensors retain all ownership and intellectual property rights to the programs, the operating system, and integrated software. Oracle or its licensors retain all intellectual property rights to the hardware. Oracle retains all ownership and intellectual property rights to anything developed by Oracle and delivered under your order resulting from services. Unless otherwise stated in your order with Contractor, title to hardware, excluding the operating system, integrated software and any other programs, and risk of loss or damages to the hardware will pass from Oracle upon delivery in accordance with the relevant Incoterms 2010. Title to and ownership of the programs, the operating system and integrated software shall not pass to you or to a third party; title to and ownership of the programs, the operating system and integrated software shall remain with Oracle. You may make a sufficient number of copies of each program for your licensed use and one copy of each program media.

Third party technology that may be appropriate or necessary for use with some Oracle programs is specified in the program documentation or readme files or notice files. The parties acknowledge that the terms of the contract or these Hardware STCs do not apply to such third party technology.

The hardware is not specifically designed, manufactured, or intended for use as parts, components, or assemblies for the planning, construction, maintenance, or operation of a nuclear facility. Use of the hardware for these purposes is prohibited.

You acknowledge that to operate certain hardware your facility must meet a minimum set of requirements as described in the hardware documentation. Such requirements may change from time to time, as communicated by Oracle to you in the applicable hardware documentation.

You may not:

- use the programs in a rental, timesharing, subscription service, hosting or outsourcing capacity;
- remove or modify any program or hardware markings or any notice of Oracle's or its licensors' proprietary rights;
- remove any copyright notices or labels on the operating system or integrated software;
- make the programs, operating system, integrated software or materials resulting from the services available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license, operating system, integrated software or materials from the services you have acquired);
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the operating system, integrated software, or programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs), operating system or integrated software;
- make copies of the operating system or integrated software except for archival purposes, to replace a defective copy, or for program verification; or
- disclose results of any program and/or hardware benchmark tests.

E. **Warranties, Disclaimers and Exclusive Remedies**

For the sake of clarity, this is the Oracle manufacturer's warranty; nevertheless, it shall be accessed by you through the Contractor.

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year from delivery (i.e. via physical shipment or electronic

EXHIBIT E

download). You must notify Oracle of any program warranty deficiency within one year from delivery. **ORACLE DOES NOT GUARANTEE THAT (i) THE HARDWARE PRODUCTS, (ii) OPERATING SYSTEM AND INTEGRATED SOFTWARE, AND (iii) THE PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED, OR THAT ORACLE WILL CORRECT ALL HARDWARE PRODUCTS, OPERATING SYSTEM AND INTEGRATED SOFTWARE, AND PROGRAM ERRORS.**

Oracle provides a limited warranty ("Oracle Hardware Warranty") for (i) the hardware, (ii) the operating system and the integrated software and the integrated software options, and (iii) the operating system media, the integrated software media and the integrated software options media ("media", and (i), (ii) and (iii) collectively, "Hardware Items"). Oracle warrants that the hardware will be free from, and using the operating system and integrated software and integrated software options will not cause in the hardware, material defects in materials and workmanship for one year from the date the hardware is delivered to You. Oracle warrants that the media will be free from material defects in materials and workmanship for a period of 90 days from the date the media is delivered to You. You may access a more detailed description of the Oracle Hardware Warranty at http://www.oracle.com/us/support/policies/index.html ("Warranty Web Page"). Any changes to the Oracle Hardware Warranty specified on the Warranty Web Page will not apply to hardware or media ordered prior to such change. The Oracle Hardware Warranty applies only to hardware and media that have been (1) manufactured by or for Oracle, and (2) sold by Oracle (either directly or by an Oracle-authorized distributor). The hardware may be new or like new. The Oracle Hardware Warranty applies to hardware that is new and hardware that is like-new which has been remanufactured and certified for warranty by Oracle.

Oracle hardware products may be new or like new. The Oracle Hardware Warranty applies to hardware products that are new and hardware products that are like-new which have been remanufactured and certified for warranty by Oracle.

You may access a more detailed description of the limited hardware warranty at http://www.oracle.com/us/support/policies/index.html ("the warranty web page"). Any changes to the hardware warranty details specified on the warranty web page will not apply to hardware ordered prior to such change.

Parts or components which are replaced under the applicable warranty may not be new. Title in all defective parts which are removed from the hardware under applicable warranty shall transfer back to Oracle.

No warranty will apply to the hardware products, operating system, integrated software or media which has been:

i. modified, altered or adapted without Oracle's written consent (including modification or removal of the Oracle/Sun serial number tag on the hardware);
ii. maltreated or used in a manner other than in accordance with the relevant documentation;
iii. repaired by any third party in a manner which fails to meet Oracle's quality standards;
iv. improperly installed by any party other than Oracle or an authorized Oracle certified installation partner;
v. used with equipment or software not covered by the warranty, to the extent that the problems are attributable to such use;
vi. relocated, to the extent that problems are attributable to such relocation;
vii. used directly or indirectly in supporting activities prohibited by U.S. or other national export regulations;
viii. used by parties appearing on the most current U.S. export exclusion list;
ix. relocated to countries subject to U.S. trade embargo or restrictions;
x. used remotely to facilitate any activities in the countries referenced in (viii) and (ix) above; or
xi. purchased from any entity other than Oracle or an Oracle authorized reseller.

EXHIBIT E

This Oracle Hardware Warranty does not apply to normal wear of the hardware products or media. The Oracle Hardware Warranty is extended only to the original purchaser or original lessee of the hardware product and may be void in the event that title to the hardware product is transferred.

Oracle also warrants that services will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the deficient services.

To the extent not addressed in your order for the Hardware Products and media to which this Oracle Hardware Warranty applies, the following Limitations apply:

NEITHER ORACLE NOR YOU WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE ARISING OUT OF OR RELATED TO THIS WARRANTY HOWEVER THEY ARISE, WHETHER IN CONTRACT OR TORT, OR OTHERWISE.

YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY FOR BREACH OF WARRANTY SHALL BE: (A) THE REPAIR OR, AT ORACLE'S OPTION AND EXPENSE, REPLACEMENT OF THE DEFECTIVE PRODUCT, OR IF SUCH REPAIR OR REPLACEMENT IS NOT REASONABLY ACHIEVABLE, THE REFUND OF THE FEES PAID TO ORACLE FOR THE DEFFECTIVE PRODUCT; OR (B) THE REPERFORMANCE OF THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS; OR, (C) IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS. TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

F. Technical Support

Technical support consists of annual technical support services you may have ordered or will order for the programs and/or hardware, including support renewals. Support must be ordered pursuant to a valid End User License Agreement such as these Hardware STCs. With respect to technical support for software products, bug fixes, security fixes and any updates received shall be provided under the terms of the license agreement that You accepted upon ordering the programs.

If ordered, annual technical support (including first year and all subsequent years) for programs is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported programs during the period for which technical support has been ordered. You should review the policies prior to entering into an order for the applicable services. You may access the current version of the technical support policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request. Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your SULS fee for the first renewal year should you renew SULS for the same number of licenses for the same programs as contained in the original order; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the program is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you

EXHIBIT E

decide to purchase technical support at a later date. Technical support for programs is effective upon shipment of tangible media or upon the effective date of the order if shipment of tangible media is not required.

If ordered, Oracle Hardware and Systems Support (including first year and all subsequent years) is provided under Oracle's Hardware and Systems Support Policies in effect at the time the services are provided. You agree to cooperate with Oracle and provide the access, resources, materials, personnel, information, and consents that Oracle may require in order to perform the services. The Oracle Hardware and Systems Support Policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of services provided during the period for which Oracle Hardware and Systems Support has been ordered. You should review the policies prior to entering into an order. You may access the current version of the Oracle Hardware and Systems Support Policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request.

Oracle Hardware and Systems Support acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your Oracle Hardware and Systems Support fee for the first renewal year should you renew Oracle Hardware and Systems Support for the same systems and same configurations as contained in the original order; your Oracle Hardware and Systems Support fee for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the hardware is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you decide to purchase technical support at a later date. Technical support for hardware is effective upon delivery of hardware or upon the effective date of the order if shipment of hardware is not required.

Invoices for technical support services shall be submitted by Contractor on a quarterly basis (unless otherwise specified in the order) after the completion of such period.

Notwithstanding anything in Oracle's technical support policies or Oracle's Hardware and Systems Support Policies to the contrary, you may discontinue support at the end of any current support term and, at any time thereafter, reinstate support by executing an order for such services with Contractor. If you decide to reinstate such support, you must pay a reinstatement fee. The reinstatement fee shall be the amount that would have been paid by the ordering activity for the past support period had such support not lapsed. In addition to the reinstatement fee described in the preceding sentence, you must pay the support fee for the new support period quarterly in arrears in accordance with the order. This technical support fee for the new support period is computed as follows: (i) if support lapsed, then the support fee for a twelve month support period shall be the last annual support fee you paid for the relevant program and/or hardware system; (ii) if you never acquired technical support for the relevant program and/or hardware system, then the annual support fee shall be the fee that would have been charged if support had been ordered originally for the relevant program and/or hardware system per Oracle's Support pricing policies in effect at the time of reinstatement. Renewal adjustments may be applied to the annual support fee described in (i) and (ii) above.

G. Intellectual Property Indemnification

If someone makes a claim against you or Oracle ("Recipient" which may refer to you or Oracle depending upon which party received the Material) that any information, design, specification, instruction, software, data, hardware or material ("Material") furnished by either you or Oracle ("Provider" which may refer to you or Oracle depending on which party provided the Material) and used by the Recipient infringes its intellectual property rights (including U.S. or foreign patent, trademark and copyright), the Provider will indemnify the Recipient against the claim to the extent permitted by law if the Recipient does the following:

EXHIBIT E

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim;
- Gives the Providercontrol of the defense, with input from Recipient, and any settlement negotiations; and
- Gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated someone else's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material. If you are the Provider and such return materially affects Contractor's ability to meet its obligations under the relevant order (e.g., impairs Contractor's ability to perform due to a work statement, schedule or cost impact), then Contractor may, at its option and upon 30 days prior written notice, request termination of the order. . The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient, , or if the Recipient continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the Oracle program(s) as delivered to you and used in accordance with the terms of the order and these Hardware STCs would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of your order with Contractor (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of your order with Contractor.

Notwithstanding the provisions of the paragraph above and with respect to hardware only, if Oracle believes or it is determined that the hardware (or portion thereof) may have violated a third party's intellectual property rights, Oracle may choose to either replace or modify the hardware (or portion thereof) to be non-infringing (while substantially preserving its utility or functionality) or obtain a right to allow for continued use, or if these alternatives are not commercially reasonable, Oracle may remove the applicable hardware (or portion thereof) and refund the net book value.

In the event that the Material is Separately Licensed Third Party Technology and the associated Separate Terms do not allow termination of the license, in lieu of ending the license for the Material, Oracle may end the license for, and require return of, the program associated with that Separately Licensed Third Party Technology and shall refund any program license fees You may have paid to Oracle for the program

For claims related to hardware, if you are a current subscriber to Oracle technical support services for the operating system (e.g., Oracle Premier Support for Systems, Oracle Premier Support for Operating Systems or Oracle Linux Premier Support), then for the period of time for which you are/were a subscriber to the applicable Oracle technical support services (i) the phrase "Material" under this section shall include the operating system and the integrated software and (ii) the phrase "program(s)" in this section is replaced by the phrase "program(s) or the operating system or integrated software (as applicable)" (i.e., Oracle will not indemnify you for your use of the operating system and/or integrated software when you are/were not a subscriber to the applicable Oracle technical support services). Notwithstanding the foregoing, with respect solely to the Oracle Linux operating system, Oracle will not indemnify you for Materials that are not part of the Oracle Linux covered files as defined at http://www.oracle.com/us/support/library/enterprise-linux-indemnification-069347.pdf.

EXHIBIT E

This section provides your and Oracle's exclusive remedy for any infringement claims or damages.

H. NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. CONTRACTOR'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO AN ORDER ISSUED PURSUANT TO THESE HARDWARE STCs, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID CONTRACTOR UNDER THE RELEVANT ORDER, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PROGRAMS, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID CONTRACTOR FOR THE DEFICIENT PROGRAM, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES GIVING RISE TO THE LIABILITY.

I. Other

1. You may not assign orders or give or transfer the programs, the operating system, the integrated software and/or any services or an interest in them to another individual or entity. If you grant a security interest in the programs, the operating system, the integrated software and/or any services deliverables, the secured party has no right to use or transfer the programs, the operating system, the integrated software and/or any services deliverables, and if you decide to finance your acquisition of hardware, programs and/or any services , you will follow Oracle's policies regarding financing which are at http://oracle.com/contracts. The foregoing shall not be construed to limit the rights you may otherwise have with respect to the Linux operating system, third party technology or separate works licensed under open source or similar license terms.

2. In entering into an order under the contract, you agree and acknowledge that you have not relied on the future availability of any hardware, program or updates. However, (a) if you order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the relevant order, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to you for any program licensed under the order, per the terms of these Hardware STCs.

3. Accessibility
The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508') effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, respectively, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/us/corporate/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_ww@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle customers may call Oracle Support at 1.800.223.1711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html, and a list of telephone numbers is available at https://www.fcc.gov/general/telecommunications-relay-services-directory. International hearing-impaired customers should use the TRS at +1.605.224.1837. An Oracle Support engineer will respond to technical issues according to the standard service request process. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the

EXHIBIT E

availability of VPATs. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Hardware STCs.

4. Internet Protocol version 6 (IPv6)
Prior to any customizations, the Oracle product(s) and service(s) to be delivered pursuant to the contract are capable of accommodating Internet Protocol version 6 (IPv6) solely to the extent defined and noted in the relevant product/service documentation available at oracle.com. Please note that such capabilities are subject to the dependencies, comments and exceptions (some of which may be significant, if any) noted in such documentation, and require that Oracle product(s) and service(s) are used in accordance with Oracle's associated documents and other written information and that any other products properly interoperate with them. If no relevant product/service documentation is found addressing IPv6, then Oracle makes no representations as to the capabilities of the product/service in question to accommodate IPv6. Oracle cannot make any commitments about future product directions, including plans to address IPv6. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements, requirements or any other such representations regarding or related to IPv6 shall apply to the Oracle products and services to be delivered pursuant to these Hardware STCs.

5. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs and hardware (including any integrated software and operating system(s)). You agree that such export laws govern your use of the programs (including technical data), hardware (including any integrated software and operating system(s)) and any services deliverables provided under your order, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program, hardware (including any integrated software and operating system(s)) and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology. You shall include the following notice on packing lists, commercial invoices, shipping documents and other documents involved in the transfer, export or re-export of the programs and hardware (including any integrated software and operating system(s)): 'These commodities, technology, software, or hardware (including any integrated software and operating system(s)) were exported in accordance with U.S. Export Administration Regulations and applicable export laws. Diversion contrary to applicable export laws is prohibited.

6. Oracle, as the owner of the intellectual property of the program licenses and the technical support services, is a third party beneficiary of the contract and the orders for Oracle products issued pursuant to the contract, but does not assume any of the Oracle authorized reseller's obligations thereunder.

7. The Uniform Computer Information Transactions Act does not apply to these Hardware STCs nor any order placed pursuant to them.

8. You understand that the Contractor and Oracle's business partners, including any third party firms retained by you to provide computer consulting services, are independent of Oracle and are not Oracle's agents. Oracle is not bound by any acts of any such entity, unless the entity is providing services as an Oracle subcontractor under an engagement ordered directly with Oracle.

9. You may order trial programs, or Oracle may include additional programs with your order with Contractor which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30-day trial period, you must obtain a license for such programs from Oracle or an authorized distributor. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and delete any such programs from your computer

EXHIBIT E

systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these programs.

10. Oracle may include additional programs on the hardware (e.g., Exadata Storage Server software). You are not authorized to use those programs unless you have a license specifically granting you the right to do so; however, you may use programs for trial, non-production purposes for up to 30 days from the date of delivery provided that such use is subject to the terms for trial programs in the contract, including these Hardware STCs.

11. Unless otherwise agreed in an order, upon 45 days written notice and no more than once annually, Oracle may audit your use of the programs. You agree to cooperate with Oracle's audit, provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with your normal business operations. Oracle shall comply with reasonable security and safety rules, policies, and procedures ("security rules") while performing any such audit, provided that such security rules are applicable to the performance of the audit; you make such security rules available to Oracle prior to the commencement of the audit; and such security rules do not modify or amend the terms and conditions of the contract or the applicable order. You shall be responsible for paying any underpaid fees related to use of the programs. Contractor may assign its right to audit your use of the programs to Oracle. If the Contractor assigns its right to audit your use of the programs to Oracle, then Oracle shall not be responsible for any costs incurred by either you or Contractor in cooperating with the audit.

12. Upon termination of a program license, you are required to discontinue use and destroy or return to the Contractor all copies of the programs and program documentation associated with the terminated license.

13. Source code may be delivered as part of the standard delivery for particular programs, operating system or integrated software; all such source code is subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the applicable order, the contract and the applicable program documentation.

14. Oracle's Applications Licensing Table in effect as of the effective date of your order and is incorporated herein as Exhibit B. You may access the current version of the Applications Licensing Table at http://oracle.com/contracts.

15. Oracle's License Definitions and Rules are incorporated herein and attached hereto as Exhibit A. Oracle's Integrated Software Options License Definitions, Rules and Metrics are incorporated herein as Exhibit C. Terms for Oracle Solaris are incorporated herein as Exhibit D.

16. If any provision herein or document incorporated by reference into these Hardware STCs, including the License Definitions and Rules and terms included and/or referenced therein, contains a provision (a) allowing for the automatic termination of your technical support services; or (b) allowing for the automatic renewal of services and/or fees, then, such terms shall not apply.

17. Products and Service Offerings deliverables are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Products and Service Offerings deliverables in such applications.

18. For software (i) that is part of programs, operating systems, integrated software or integrated software options (or all four) and (ii) that You receive from Oracle in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from https://oss.oracle.com/sources/ or http://www.oracle.com/goto/opensourcecode. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

EXHIBIT E

ORACLE HARDWARE US COMMUNITIES SUPPLEMENTAL TERMS AND CONDITIONS v032819

THESE ORACLE HARDWARE, PROGRAMS AND SERVICES US COMMUNITIES ("USC") SUPPLEMENTAL TERMS AND CONDITIONS ("HARDWARE STCs") SHALL APPLY TO THE ORACLE HARDWARE, PROGRAMS AND/OR SERVICES THAT YOU ORDER FROM THE CONTRACT HOLDER (THE "CONTRACTOR"). THESE HARDWARE STCSSHALL TAKE PRECEDENCE OVER ANY CONFLICTING TERMS IN ANY NON-ORACLE ORDER OR ORDERING DOCUMENTION. THESE HARDWARE STCS ARE CONSIDERED PART OF THE SCHEDULE OF SUPPLIES/SERVICES IN YOUR ORDER TO THE CONTRACTOR.

A. Definitions

"You" and "Your" refers to the ordering activity that has ordered programs, hardware and/or services from an authorized distributor ("Contractor") under the contract.

The term "ancillary programs" refers to third party materials specified in the program documentation which may only be used for the purposes of installing or operating the programs with which the ancillary programs are delivered.

The term "contract" refers to the Contractor's US Communities contract.

The term "integrated software" is defined as software embedded in the hardware which is essential to hardware functionality (e.g., firmware).

The term "integrated software options" refers to software or programmable code embedded in, installed on, or activated on the hardware that requires one or more unit licenses that You must separately order. Such separate order will set forth the fees for the integrated software options You are ordering. Not all hardware contains integrated software options; please refer to the Oracle Integrated Software Options License Definitions, Rules and Metrics accessible at http://oracle.com/contracts (the "Integrated Software Options License Rules") for the specific integrated software options that may apply to specific hardware. Oracle reserves the right to designate new software features as integrated software options in subsequent releases and that designation will be specified in the applicable documentation and in the Integrated Software Options License Rules.

The term "operating system" refers to the software that manages hardware for programs and other software.

The term "products" refers to programs, hardware, integrated software and operating system.

The term "program documentation" refers to the program user manual and program installation manuals.

The term "programs" refers to the software products, owned or distributed by Oracle, which you have ordered, including program documentation, and any program updates acquired through technical support.

The term "services" refers to technical support services which you have ordered.

The term "hardware" refers to the hardware equipment, including components, options and spare parts.

The term "hardware documentation" refers to the hardware specifications, user manuals, and installation manuals. Hardware documentation is delivered with the hardware and/or provided online.

EXHIBIT E

B. Hardware Composition

Your hardware order consists of the following items: operating system (as defined in your configuration), integrated software and all hardware equipment (including components, options and spare parts) specified on the applicable order. The hardware equipment or parts of it may be new or like new.

C. Rights Granted

Upon Contractor's acceptance of your order, you have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in your order with Contractor), limited right to use the programs and receive any services you ordered solely for your internal ordering activity operations and subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You may allow your agents and contractors (including, without limitation, outsourcers) to use the programs for this purpose and you are responsible for their compliance with these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation in such use. For programs that are specifically designed to allow your customers and suppliers to interact with you in the furtherance of your internal business operations, such use is allowed.

You have the right to use the operating system delivered with the hardware subject to the terms of the license agreement(s) delivered with the hardware. Current versions of the license agreement(s) are located at http://oracle.com/contracts. You are licensed to use the operating system and any operating system updates acquired through technical support only as incorporated in, and as part of the hardware.

You have the limited, non-exclusive, royalty free, non-transferable, non-assignable right to use integrated software options that You separately order subject to the terms of these Hardware STCs, the applicable documentation and the Integrated Software Options License Rules; the Integrated Software Options License Rules are incorporated in and made a part of these Hardware STCs. You are licensed to use those integrated software options and any integrated software options updates acquired through technical support only as incorporated in, and as part of, the hardware. To fully understand Your license right to any integrated software options that You separately order, You need to review the Integrated Software Options License Rules. In the event of any conflict between the Hardware STCs and the Integrated Software Options License Rules, the Integrated Software Options License Rules shall take precedence.

You have the limited, non-exclusive, royalty free, non-assignable right to use integrated software delivered with the hardware subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the order, the contract and the program documentation. You are licensed to use such integrated software and any integrated software updates acquired through technical support only as incorporated in, and as part of the hardware.

The operating system and/or integrated software may include separate works, identified in a readme file, notice file, or the applicable documentation, which are licensed under open source or similar license terms; your rights to use the operating system and integrated software under such terms are not restricted in any way by these Hardware STCs. The appropriate terms associated with such separate works can be found in the readme files, notice files or in the documentation accompanying the operating system and integrated software.

For GPLv2, LGPLv2.1, GPLv3 and LGPLv3 licensed code received by you as binaries on physical media, if you would like to receive a copy of the source code ("source code") on media via postal service, submit your written request at <http://oss.oracle.com/systems-opensourcecode >. Alternatively, you can mail your written request to Oracle Corporation, Attn: VP of Legal, Development and Engineering, 500 Oracle Parkway, MS-5OP10, Redwood Shores, CA 94065. Your request should include the name and version number of the product, your name, your company name (if applicable), your return mailing address, and your email address. Certain source distributions require a fee for physical media. Should this be the case, you will be sent details on the cost and payment procedure via email. Your request must be sent within three (3) years of the date of Oracle's last delivery of the

EXHIBIT E

applicable product. This offer only applies if you received your operating system and/or integrated software on physical media.

The hardware shall be installed in the country that you specify as the delivery location on your purchasing document or when your purchasing document does not indicate a ship to address, the location specified in the order.

D. Ownership and Restrictions

Oracle or its licensors retain all ownership and intellectual property rights to the programs, the operating system, and integrated software. Oracle or its licensors retain all intellectual property rights to the hardware. Oracle retains all ownership and intellectual property rights to anything developed by Oracle and delivered under your order resulting from services. Unless otherwise stated in your order with Contractor, title to hardware, excluding the operating system, integrated software and any other programs, and risk of loss or damages to the hardware will pass from Oracle upon delivery in accordance with the relevant Incoterms 2010. Title to and ownership of the programs, the operating system and integrated software shall not pass to you or to a third party; title to and ownership of the programs, the operating system and integrated software shall remain with Oracle. You may make a sufficient number of copies of each program for your licensed use and one copy of each program media.

Third party technology that may be appropriate or necessary for use with some Oracle programs is specified in the program documentation or readme files or notice files. The parties acknowledge that the terms of the contract or these Hardware STCs do not apply to such third party technology.

The hardware is not specifically designed, manufactured, or intended for use as parts, components, or assemblies for the planning, construction, maintenance, or operation of a nuclear facility. Use of the hardware for these purposes is prohibited.

You acknowledge that to operate certain hardware your facility must meet a minimum set of requirements as described in the hardware documentation. Such requirements may change from time to time, as communicated by Oracle to you in the applicable hardware documentation.

You may not:

- use the programs in a rental, timesharing, subscription service, hosting or outsourcing capacity;
- remove or modify any program or hardware markings or any notice of Oracle's or its licensors' proprietary rights;
- remove any copyright notices or labels on the operating system or integrated software;
- make the programs, operating system, integrated software or materials resulting from the services available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific program license, operating system, integrated software or materials from the services you have acquired);
- cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of the operating system, integrated software, or programs (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by programs), operating system or integrated software;
- make copies of the operating system or integrated software except for archival purposes, to replace a defective copy, or for program verification; or
- disclose results of any program and/or hardware benchmark tests.

E. Warranties, Disclaimers and Exclusive Remedies

For the sake of clarity, this is the Oracle manufacturer's warranty; nevertheless, it shall be accessed by you through the Contractor.

Oracle warrants that a program licensed to you will operate in all material respects as described in the applicable program documentation for one year from delivery (i.e. via physical shipment or electronic

EXHIBIT E

PRODUCTS, OPERATING SYSTEM AND INTEGRATED SOFTWARE, AND PROGRAM ERRORS.

Oracle provides a limited warranty ("Oracle Hardware Warranty") for (i) the hardware, (ii) the operating system and the integrated software and the integrated software options, and (iii) the operating system media, the integrated software media and the integrated software options media ("media", and (i), (ii) and (iii) collectively, "Hardware Items"). Oracle warrants that the hardware will be free from, and using the operating system and integrated software and integrated software options will not cause in the hardware, material defects in materials and workmanship for one year from the date the hardware is delivered to You. Oracle warrants that the media will be free from material defects in materials and workmanship for a period of 90 days from the date the media is delivered to You. You may access a more detailed description of the Oracle Hardware Warranty at http://www.oracle.com/us/support/policies/index.html ("Warranty Web Page"). Any changes to the Oracle Hardware Warranty specified on the Warranty Web Page will not apply to hardware or media ordered prior to such change. The Oracle Hardware Warranty applies only to hardware and media that have been (1) manufactured by or for Oracle, and (2) sold by Oracle (either directly or by an Oracle-authorized distributor). The hardware may be new or like new. The Oracle Hardware Warranty applies to hardware that is new and hardware that is like-new which has been remanufactured and certified for warranty by Oracle.

Oracle hardware products may be new or like new. The Oracle Hardware Warranty applies to hardware products that are new and hardware products that are like-new which have been remanufactured and certified for warranty by Oracle.

You may access a more detailed description of the limited hardware warranty at http://www.oracle.com/us/support/policies/index.html ("the warranty web page"). Any changes to the hardware warranty details specified on the warranty web page will not apply to hardware ordered prior to such change.

Parts or components which are replaced under the applicable warranty may not be new. Title in all defective parts which are removed from the hardware under applicable warranty shall transfer back to Oracle.

No warranty will apply to the hardware products, operating system, integrated software or media which has been:

i. modified, altered or adapted without Oracle's written consent (including modification or removal of the Oracle/Sun serial number tag on the hardware);
ii. maltreated or used in a manner other than in accordance with the relevant documentation;
iii. repaired by any third party in a manner which fails to meet Oracle's quality standards;
iv. improperly installed by any party other than Oracle or an authorized Oracle certified installation partner;
v. used with equipment or software not covered by the warranty, to the extent that the problems are attributable to such use;
vi. relocated, to the extent that problems are attributable to such relocation;
vii. used directly or indirectly in supporting activities prohibited by U.S. or other national export regulations;
viii. used by parties appearing on the most current U.S. export exclusion list;
ix. relocated to countries subject to U.S. trade embargo or restrictions;
x. used remotely to facilitate any activities in the countries referenced in (viii) and (ix) above; or
xi. purchased from any entity other than Oracle or an Oracle authorized reseller.

EXHIBIT E

This Oracle Hardware Warranty does not apply to normal wear of the hardware products or media. The Oracle Hardware Warranty is extended only to the original purchaser or original lessee of the hardware product and may be void in the event that title to the hardware product is transferred.

Oracle also warrants that services will be provided in a professional manner consistent with industry standards. You must notify Oracle of any services warranty deficiencies within 90 days from performance of the deficient services.

To the extent not addressed in your order for the Hardware Products and media to which this Oracle Hardware Warranty applies, the following Limitations apply:

NEITHER ORACLE NOR YOU WILL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE ARISING OUT OF OR RELATED TO THIS WARRANTY HOWEVER THEY ARISE, WHETHER IN CONTRACT OR TORT, OR OTHERWISE.

YOUR EXCLUSIVE REMEDY AND ORACLE'S ENTIRE LIABILITY FOR BREACH OF WARRANTY SHALL BE: (A) THE REPAIR OR, AT ORACLE'S OPTION AND EXPENSE, REPLACEMENT OF THE DEFECTIVE PRODUCT, OR IF SUCH REPAIR OR REPLACEMENT IS NOT REASONABLY ACHIEVABLE, THE REFUND OF THE FEES PAID TO ORACLE FOR THE DEFFECTIVE PRODUCT; OR (B) THE REPERFORMANCE OF THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS; OR, (C) IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE DEFICIENT HARDWARE-RELATED SERVICE OFFERINGS. TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING ANY WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

F. Technical Support

Technical support consists of annual technical support services you may have ordered or will order for the programs and/or hardware, including support renewals. Support must be ordered pursuant to a valid End User License Agreement such as these Hardware STCs. With respect to technical support for software products, bug fixes, security fixes and any updates received shall be provided under the terms of the license agreement that You accepted upon ordering the programs.

If ordered, annual technical support (including first year and all subsequent years) for programs is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported programs during the period for which technical support has been ordered. You should review the policies prior to entering into an order for the applicable services. You may access the current version of the technical support policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request. Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your SULS fee for the first renewal year should you renew SULS for the same number of licenses for the same programs as contained in the original order; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the program is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you

EXHIBIT E

decide to purchase technical support at a later date. Technical support for programs is effective upon shipment of tangible media or upon the effective date of the order if shipment of tangible media is not required.

If ordered, Oracle Hardware and Systems Support (including first year and all subsequent years) is provided under Oracle's Hardware and Systems Support Policies in effect at the time the services are provided. You agree to cooperate with Oracle and provide the access, resources, materials, personnel, information, and consents that Oracle may require in order to perform the services. The Oracle Hardware and Systems Support Policies, incorporated herein, are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of services provided during the period for which Oracle Hardware and Systems Support has been ordered. You should review the policies prior to entering into an order. You may access the current version of the Oracle Hardware and Systems Support Policies at http://www.oracle.com/us/support/policies/index.html. The technical support policies state that, "global customer support services and systems are not designed to accommodate special security controls that may be required to store or process certain types of sensitive data." Accordingly, as stated in the technical support policies, You agree not to submit any health, payment card, or other controlled or sensitive data that require protections greater than those specified in the Oracle Global Customer Support Security Practices to Oracle as part of any service request.

Oracle Hardware and Systems Support acquired with your order may be renewed annually through a reseller that is expressly authorized to distribute support renewals. The order with Contractor will specify your Oracle Hardware and Systems Support fee for the first renewal year should you renew Oracle Hardware and Systems Support for the same systems and same configurations as contained in the original order; your Oracle Hardware and Systems Support fee for the second renewal year will not increase by more than 4% over the prior year's fees. If you elect not to purchase technical support at the time that the hardware is ordered, then you may be required to pay reinstatement fees in accordance with Oracle's technical support policies in effect at the time of reinstatement if you decide to purchase technical support at a later date. Technical support for hardware is effective upon delivery of hardware or upon the effective date of the order if shipment of hardware is not required.

Invoices for technical support services shall be submitted by Contractor on a quarterly basis (unless otherwise specified in the order) after the completion of such period.

Notwithstanding anything in Oracle's technical support policies or Oracle's Hardware and Systems Support Policies to the contrary, you may discontinue support at the end of any current support term and, at any time thereafter, reinstate support by executing an order for such services with Contractor. If you decide to reinstate such support, you must pay a reinstatement fee. The reinstatement fee shall be the amount that would have been paid by the ordering activity for the past support period had such support not lapsed. In addition to the reinstatement fee described in the preceding sentence, you must pay the support fee for the new support period quarterly in arrears in accordance with the order. This technical support fee for the new support period is computed as follows: (i) if support lapsed, then the support fee for a twelve month support period shall be the last annual support fee you paid for the relevant program and/or hardware system; (ii) if you never acquired technical support for the relevant program and/or hardware system, then the annual support fee shall be the fee that would have been charged if support had been ordered originally for the relevant program and/or hardware system per Oracle's Support pricing policies in effect at the time of reinstatement. Renewal adjustments may be applied to the annual support fee described in (i) and (ii) above.

G. Intellectual Property Indemnification

If someone makes a claim against you or Oracle ("Recipient" which may refer to you or Oracle depending upon which party received the Material) that any information, design, specification, instruction, software, data, hardware or material ("Material") furnished by either you or Oracle ("Provider" which may refer to you or Oracle depending on which party provided the Material) and used by the Recipient infringes its intellectual property rights (including U.S. or foreign patent, trademark and copyright), the Provider will indemnify the Recipient against the claim to the extent permitted by law if the Recipient does the following:

EXHIBIT E

- notifies the Provider promptly in writing, not later than 30 days after the Recipient receives notice of the claim;
- Gives the Providercontrol of the defense, with input from Recipient, and any settlement negotiations; and
- Gives the Provider the information, authority, and assistance the Provider needs to defend against or settle the claim.

If the Provider believes or it is determined that any of the Material may have violated someone else's intellectual property rights, the Provider may choose to either modify the Material to be non-infringing (while substantially preserving its utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, the Provider may end the license for, and require return of, the applicable Material. If you are the Provider and such return materially affects Contractor's ability to meet its obligations under the relevant order (e.g., impairs Contractor's ability to perform due to a work statement, schedule or cost impact), then Contractor may, at its option and upon 30 days prior written notice, request termination of the order. . The Provider will not indemnify the Recipient if the Recipient alters the Material or uses it outside the scope of use identified in the Provider's user documentation or if the Recipient uses a version of the Materials which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Material which was provided to the Recipient, , or if the Recipient continues to use the applicable Material after the end of the license to use that Material. The Provider will not indemnify the Recipient to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by the Provider. Oracle will not indemnify you to the extent that an infringement claim is based upon the combination of any Material with any products or services not provided by Oracle. Oracle will not indemnify you for infringement caused by your actions against any third party if the Oracle program(s) as delivered to you and used in accordance with the terms of the order and these Hardware STCs would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify you for any infringement claim that is based on: (1) a patent that you were made aware of prior to the effective date of your order with Contractor (pursuant to a claim, demand, or notice); or (2) your actions prior to the effective date of your order with Contractor.

Notwithstanding the provisions of the paragraph above and with respect to hardware only, if Oracle believes or it is determined that the hardware (or portion thereof) may have violated a third party's intellectual property rights, Oracle may choose to either replace or modify the hardware (or portion thereof) to be non-infringing (while substantially preserving its utility or functionality) or obtain a right to allow for continued use, or if these alternatives are not commercially reasonable, Oracle may remove the applicable hardware (or portion thereof) and refund the net book value.

In the event that the Material is Separately Licensed Third Party Technology and the associated Separate Terms do not allow termination of the license, in lieu of ending the license for the Material, Oracle may end the license for, and require return of, the program associated with that Separately Licensed Third Party Technology and shall refund any program license fees You may have paid to Oracle for the program

For claims related to hardware, if you are a current subscriber to Oracle technical support services for the operating system (e.g., Oracle Premier Support for Systems, Oracle Premier Support for Operating Systems or Oracle Linux Premier Support), then for the period of time for which you are/were a subscriber to the applicable Oracle technical support services (i) the phrase "Material" under this section shall include the operating system and the integrated software and (ii) the phrase "program(s)" in this section is replaced by the phrase "program(s) or the operating system or integrated software (as applicable)" (i.e., Oracle will not indemnify you for your use of the operating system and/or integrated software when you are/were not a subscriber to the applicable Oracle technical support services). Notwithstanding the foregoing, with respect solely to the Oracle Linux operating system, Oracle will not indemnify you for Materials that are not part of the Oracle Linux covered files as defined at http://www.oracle.com/us/support/library/enterprise-linux-indemnification-069347.pdf.

EXHIBIT E

This section provides your and Oracle's exclusive remedy for any infringement claims or damages.

H. **NEITHER PARTY SHALL BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. CONTRACTOR'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO AN ORDER ISSUED PURSUANT TO THESE HARDWARE STCs, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE AMOUNT OF THE FEES YOU PAID CONTRACTOR UNDER THE RELEVANT ORDER, AND IF SUCH DAMAGES RESULT FROM YOUR USE OF PROGRAMS, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES, SUCH LIABILITY SHALL BE LIMITED TO THE FEES YOU PAID CONTRACTOR FOR THE DEFICIENT PROGRAM, HARDWARE, OPERATING SYSTEM, INTEGRATED SOFTWARE OR SERVICES GIVING RISE TO THE LIABILITY.**

I. Other

1. You may not assign orders or give or transfer the programs, the operating system, the integrated software and/or any services or an interest in them to another individual or entity. If you grant a security interest in the programs, the operating system, the integrated software and/or any services deliverables, the secured party has no right to use or transfer the programs, the operating system, the integrated software and/or any services deliverables, and if you decide to finance your acquisition of hardware, programs and/or any services , you will follow Oracle's policies regarding financing which are at http://oracle.com/contracts. The foregoing shall not be construed to limit the rights you may otherwise have with respect to the Linux operating system, third party technology or separate works licensed under open source or similar license terms.

2. In entering into an order under the contract, you agree and acknowledge that you have not relied on the future availability of any hardware, program or updates. However, (a) if you order technical support, the preceding sentence does not relieve Oracle of its obligation to provide such technical support under the relevant order, if and when available, in accordance with Oracle's then current technical support policies, and (b) the preceding sentence does not change the rights granted to you for any program licensed under the order, per the terms of these Hardware STCs.

3. **Accessibility**
The extent to which an Oracle product is, prior to any customizations, capable of providing comparable access to individuals with disabilities consistent with the applicable provisions of the Architectural and Transportation Barriers Compliance Board standards set out in 36 CFR Part 1194 (known as 'Section 508') effective as of June, 2001, or the Revised version in Appendix A (known as 'Revised Section 508') effective as of January, 2018 and the Web Content Accessibility Guidelines (WCAG) version 2.0 level AA, respectively, is indicated by the dependencies, comments and exceptions (some of which may be significant, if any) noted on the applicable Voluntary Product Accessibility Templates (VPAT) available at www.oracle.com/us/corporate/accessibility for each product, when they are used in accordance with Oracle's associated documents and other written information, and provided that any assistive technologies and any other products used with them properly interoperate with them. In the event that no VPAT is available for a particular Oracle product, please contact the Oracle Accessibility Program Office at accessible_ww@oracle.com. In some cases, the outcome may be that a product is still being evaluated for accessibility, may be scheduled to meet accessibility standards in a future release, or may not be scheduled to meet accessibility standards at all. Oracle customers may call Oracle Support at 1.800.223.1711. Hearing-impaired customers in the U.S. who wish to speak to an Oracle Support representative may use a telecommunications relay service (TRS). Information about the TRS is available at http://www.fcc.gov/cgb/consumerfacts/trs.html, and a list of telephone numbers is available at https://www.fcc.gov/general/telecommunications-relay-services-directory. International hearing-impaired customers should use the TRS at +1.605.224.1837. An Oracle Support engineer will respond to technical issues according to the standard service request process. Oracle cannot make any commitments about future product directions, including plans to address accessibility or the

EXHIBIT E

availability of VPATs. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements or any other such representations regarding or related to accessibility shall apply to the Oracle products provided under these Hardware STCs.

4. **Internet Protocol version 6 (IPv6)**
Prior to any customizations, the Oracle product(s) and service(s) to be delivered pursuant to the contract are capable of accommodating Internet Protocol version 6 (IPv6) solely to the extent defined and noted in the relevant product/service documentation available at oracle.com. Please note that such capabilities are subject to the dependencies, comments and exceptions (some of which may be significant, if any) noted in such documentation, and require that Oracle product(s) and service(s) are used in accordance with Oracle's associated documents and other written information and that any other products properly interoperate with them. If no relevant product/service documentation is found addressing IPv6, then Oracle makes no representations as to the capabilities of the product/service in question to accommodate IPv6. Oracle cannot make any commitments about future product directions, including plans to address IPv6. Product direction remains at the sole discretion of Oracle. No other terms, conditions, statements, requirements or any other such representations regarding or related to IPv6 shall apply to the Oracle products and services to be delivered pursuant to these Hardware STCs.

5. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the programs and hardware (including any integrated software and operating system(s)). You agree that such export laws govern your use of the programs (including technical data), hardware (including any integrated software and operating system(s)) and any services deliverables provided under your order, and you agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program, hardware (including any integrated software and operating system(s)) and/or materials resulting from services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology. You shall include the following notice on packing lists, commercial invoices, shipping documents and other documents involved in the transfer, export or re-export of the programs and hardware (including any integrated software and operating system(s)): 'These commodities, technology, software, or hardware (including any integrated software and operating system(s)) were exported in accordance with U.S. Export Administration Regulations and applicable export laws. Diversion contrary to applicable export laws is prohibited.

6. Oracle, as the owner of the intellectual property of the program licenses and the technical support services, is a third party beneficiary of the contract and the orders for Oracle products issued pursuant to the contract, but does not assume any of the Oracle authorized reseller's obligations thereunder.

7. The Uniform Computer Information Transactions Act does not apply to these Hardware STCs nor any order placed pursuant to them.

8. You understand that the Contractor and Oracle's business partners, including any third party firms retained by you to provide computer consulting services, are independent of Oracle and are not Oracle's agents. Oracle is not bound by any acts of any such entity, unless the entity is providing services as an Oracle subcontractor under an engagement ordered directly with Oracle.

9. You may order trial programs, or Oracle may include additional programs with your order with Contractor which you may use for trial, non-production purposes only. You may not use the trial programs to provide or attend third party training on the content and/or functionality of the programs. You have 30 days from the delivery date to evaluate these programs. If you decide to use any of these programs after the 30-day trial period, you must obtain a license for such programs from Oracle or an authorized distributor. If you decide not to obtain a license for any program after the 30 day trial period, you will cease using and delete any such programs from your computer

EXHIBIT E

systems. Programs licensed for trial purposes are provided "as is" and Oracle does not provide technical support or offer any warranties for these programs.

10. Oracle may include additional programs on the hardware (e.g., Exadata Storage Server software). You are not authorized to use those programs unless you have a license specifically granting you the right to do so; however, you may use programs for trial, non-production purposes for up to 30 days from the date of delivery provided that such use is subject to the terms for trial programs in the contract, including these Hardware STCs.

11. Unless otherwise agreed in an order, upon 45 days written notice and no more than once annually, Oracle may audit your use of the programs. You agree to cooperate with Oracle's audit, provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with your normal business operations. Oracle shall comply with reasonable security and safety rules, policies, and procedures ("security rules") while performing any such audit, provided that such security rules are applicable to the performance of the audit; you make such security rules available to Oracle prior to the commencement of the audit; and such security rules do not modify or amend the terms and conditions of the contract or the applicable order. You shall be responsible for paying any underpaid fees related to use of the programs. Contractor may assign its right to audit your use of the programs to Oracle. If the Contractor assigns its right to audit your use of the programs to Oracle, then Oracle shall not be responsible for any costs incurred by either you or Contractor in cooperating with the audit.

12. Upon termination of a program license, you are required to discontinue use and destroy or return to the Contractor all copies of the programs and program documentation associated with the terminated license.

13. Source code may be delivered as part of the standard delivery for particular programs, operating system or integrated software; all such source code is subject to the terms of these Hardware STCs, including the Oracle License Definitions and Rules, the applicable order, the contract and the applicable program documentation.

14. Oracle's Applications Licensing Table in effect as of the effective date of your order and is incorporated herein as Exhibit A. You may access the current version of the Applications Licensing Table at http://oracle.com/contracts.

15. Oracle's License Definitions and Rules; Oracle's Integrated Software Options License Definitions, Rules, and Metrics; and Terms for Oracle Solaris are incorporated herein. You may access the current versions of these documents at http://oracle.com/contracts.

16. If any provision herein or document incorporated by reference into these Hardware STCs, including the License Definitions and Rules and terms included and/or referenced therein, contains a provision (a) allowing for the automatic termination of your technical support services; or (b) allowing for the automatic renewal of services and/or fees, then, such terms shall not apply.

17. Products and Service Offerings deliverables are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Products and Service Offerings deliverables in such applications.

18. For software (i) that is part of programs, operating systems, integrated software or integrated software options (or all four) and (ii) that You receive from Oracle in binary form and (iii) that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from https://oss.oracle.com/sources/ or http://www.oracle.com/goto/opensourcecode. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

ORACLE LICENSE DEFINITIONS AND RULES v120117

The following are Oracle's standard License Definitions and Rules, some of which by their very nature may not apply to the Oracle products and services in your order. Nevertheless, the definitions for the terms enumerated herein shall control for the purposes of any order for Oracle products and/or services.

ORACLE

License Definitions and Rules

Definitions and License Metrics

$M Annual Transaction Volume: is defined as one million U.S. Dollars in all purchase orders transacted and all auctions conducted through the Oracle Exchange Marketplace by You and others during the applicable year of the Oracle Exchange Marketplace license, regardless of whether any such auction results in a purchase order, provided that an auction resulting in a purchase order shall only be counted against the Annual Transaction Volume once.

Application Module: is defined as a Program used by You on a single or multiple computers.

$M in Application Annual Revenue: is defined as one million U.S. Dollars excluding taxes processed through the licensed Program. For Oracle Self-Service E-Billing products, the Annual Revenue is equivalent to the total invoiced amount for all company accounts that have at least one enrolled user per billing period.

Application Developed: is defined as a software Program developed by You that operates on smart-phones and/or other end user devices and that (i) provides end users with access to content or (ii) provides end users with end user transaction enablement or (iii) otherwise enables use by end users of functions available through the Oracle run-time Program.

Application User: is defined as an individual authorized by You to use the applicable licensed application Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time. If You license the Oracle Self Service Work Request option in conjunction with Oracle Enterprise Asset Management, You are required to maintain licenses for the equivalent number of Application Users licensed and You are granted unlimited access to initiate work requests, view work request status and view scheduled completion dates for Your entire employee population. Application Users licensed for Oracle Order Management are allowed to manually enter orders directly into the Programs but any orders entered electronically from other sources must be licensed separately. For Oracle Sourcing, Oracle Fusion Sourcing, Oracle iSupplier Portal, Oracle Fusion Supplier Portal, Oracle Services Procurement, PeopleSoft eSupplier Connection, PeopleSoft Strategic Sourcing, PeopleSoft Supplier Contract Management and JD Edwards Supplier Self Service Programs, use by Your external suppliers is included with Your application user licenses. For the purposes of the Oracle Financial Services Operational Risk Solution Program, employees who are just contributing information to the Program via the applicable user interface shall not be counted as application users.

Application Read-Only User: is defined as an individual authorized by You to run only queries or reports against the application Program for which You have also acquired non read-only licenses, regardless of whether the individual is actively using the Programs at any given time.

Case Report Form (CRF) Page: is defined as the "electronic equivalent" of what would be the total number of physical paper pages initiated remotely by the Program (measured explicitly in the Program as Received Data Collection Instruments) during a 12 month period. You may not exceed the licensed number of CRF Pages during any 12 month period unless You acquire additional CRF Page licenses from Oracle.

Chassis: is defined as a physical enclosure containing hardware. For the purposes of the following Programs: Oracle Fabric Manager and Oracle Fabric Monitor, only the chassis (a) that contain networking hardware and (b) that are managed by the Program must be counted for the purpose of determining the number of licenses required.

Client Application Loader Client: is defined as a device that receives its configuration from a client application server.

Collaboration Program User: is defined as an individual authorized by You to use the Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time. For the purposes of counting and licensing the number of Beehive Synchronous Collaboration users, a Collaboration Program User within Your company is defined as a user able to initiate, or host, a web conference and also participate in a web conference; all participants in the web conference external to Your company and attending a web conference are not required to be licensed.

Compensated Individual: is defined as an individual whose compensation or compensation calculations are generated by the Programs. The term Compensated Individual includes, but is not limited to, Your employees, contractors, retirees, and any other Person.

Computer: is defined as the computer on which the Programs are installed. A Computer license allows You to use the licensed Program on a single specified computer. For the purposes of Computer licenses for the Oracle Health Science Integration Engine Program, a communication point is an interface to an input system (e.g., a clinical laboratory system in a hospital or healthcare setting) or to an output system (e.g., a healthcare data repository).

5 Concurrent Users: is defined as five concurrent users where each Concurrent User is an individual who is authorized by You to access the Program concurrently with other individuals at any given time.

Concurrent Connection: is defined as each connection to a Serduct/Datalink. A Serduct/Datalink is defined as an interface that renders the Infor software operable for use with Micros Applications.

Concurrent User: is defined as each individual that may concurrently use or access the Programs. Concurrent Users shall be only customers or prospective customers of Yours, and shall not be business partners, or employees of Yours.

Connected Device: is defined as each unique device (a) that transmits data to or receives data from Oracle application Programs or Oracle cloud services and (b) that does not require any human interaction or human input to execute Oracle application business logic or to update Oracle application tables. Devices include, but are not limited to, sensors, meters, RFID readers, and barcode scanners. Devices may be connected directly to Oracle application Programs or Oracle cloud services, or may be connected indirectly to Oracle application Programs or Oracle cloud services through a gateway device or a third-party communications service. A device may be uniquely identified as being the endpoint of communication of data to or from an Oracle application Program or an Oracle cloud service, or may be uniquely identified by its explicit registry with an Oracle application Program or an Oracle cloud service.

Connected Instance: is defined as the configuration between Oracle Policy Automation Connector for Oracle CRM On Demand and the Oracle CRM On Demand instance's web service endpoint. For each Oracle CRM On Demand instance so configured, an additional Connected Instance is required.

Connector: is defined as each connector connecting the software product with a third party product. A unique connector is required for each distinct third party product that the software product is required to interface.

Connector Pack: is defined as a collection of connectors as specified in the Program Documentation for the applicable Connector Pack. There is no limitation on the number of physical servers on which any of the connectors in the pack may be copied, installed and used.

SM Cost of Goods Sold: is defined as one million U.S. Dollars in the total cost of inventory that a company has sold during their fiscal year. If Cost of Goods Sold is unknown to You then Cost of Goods Sold shall be equal to 75% of total company revenue.

CPU: is defined as a chip that contains a collection of one or more cores on which the Program is running. Regardless of the number of cores, each chip counts as 1 CPU.

Custom Suite User: is defined as an individual authorized by You to use the application Programs included in the applicable Custom Applications Suite which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time.

Customer: is defined as the customer entity specified on Your order. The Programs may not be used or accessed for the business operations of any third party, including but not limited to Your customers, partners, or Your affiliates. There is no limitation on the number of computers on which such Programs may be copied, installed and used.

Customer Account: is defined as each unique Customer Account, designated by a unique account number, for which the billing information is managed or displayed using the Program, regardless of the number of individual account holders associated with such accounts.

Oracle Customer Data & Device Retention Service: is defined as a service for which the description may be found in the Technical Support Policies section (Oracle Hardware and Systems Support Policies) at www.oracle.com/contracts and which is incorporated by reference.

Customer Record: is defined as each unique Customer Record (including contact records, prospect records and records in external data sources) that You may access using the Program.

10,000 Daily Average Transactions: is defined as ten thousand unique transactions (including but not limited to sales transactions, return transactions, exchange transactions, loyalty transactions, deal transactions, gift card transactions, inventory transactions, petty cash transactions, and administrative transactions) that are processed by the Program in a single 24 hour period. The daily transaction volume is calculated as the daily average over the prior 12 month period.

Developer User / Developer / Developer Seat: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. With respect to Developer Users only, such users may create, modify, view and interact with the Programs and documentation.

Disk Drive: is defined as a spinning media device that stores data accessed by the Program.

Electronic Order Line: is defined as the total number of distinct order lines entered electronically into the Oracle Program from any source (not manually entered by licensed users) during a 12 month period. This includes order lines originating as external EDI/XML transactions and/or sourced from other Oracle and non-Oracle applications. You may not exceed the licensed number of order lines during any 12 month period.

Employee: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Employees and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Employees: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs.

Employee for HCM: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Employees for HCM and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Employees for HCM: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs. Employees for HCM may only use the licensed Programs with Oracle application Programs that contain "Oracle Fusion Human Capital Management" as a prefix in the Program name.

Employee User: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether or not the individual is actively using the Programs at any given time.

Enterprise Employee: is defined as (i) all of Your full-time, part-time, temporary employees, and (ii) all of Your agents, contractors and consultants who have access to, use, or are tracked by the Programs. The quantity of the licenses required is determined by the number of Enterprise Employees and not the actual number of users. In addition, if You elect to outsource any business function(s) to another company, the following must be counted for purposes of determining the number of Enterprise Employees: all of the company's full-time employees, part-time employees, temporary employees, agents, contractors and consultants that (i) are providing the outsourcing services and (ii) have access to, use, or are tracked by the Programs. The value of these Program licenses is determined by the number of Enterprise Employees. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the number of Enterprise Employees as of the effective date of Your order. If at any time the number of Enterprise Employees exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise Employees is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise Employees. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise Employees as of such date.

Enterprise Full Time Equivalent (FTE) Student: is defined as any full-time student enrolled in Your institution and any part-time student enrolled in Your institution counts as 25% of an FTE Student. The definition of "full-time" and "part-time" is based on Your policies for student classification. If the number of FTE Students is a fraction, that number will be rounded to the nearest whole number for purposes of license quantity requirements. The value of these Program licenses is determined by the number of Enterprise FTE Students. For these Program licenses, the licensed quantity purchased must, at a minimum, be equal to the number of Enterprise FTE Students as of the effective date of Your order. If at any time the number of Enterprise FTE Students exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise FTE Students is equal to or less than the licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise FTE Students. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise FTE Students as of such date.

Enterprise Trainee: is defined as an employee, contractor, student or other person who is being recorded by the Program. The value of these Program licenses is determined by the number of Enterprise Trainees. For these Program licenses, the licensed quantity purchased must, at a minimum, be equal to the number of Enterprise Trainees as of the effective date of Your order. If at any time the number of Enterprise Trainees exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the number of Enterprise Trainees is equal to or less than the licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the number of Enterprise Trainees. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise Trainees as of such date.

Enterprise $M in Cost of Goods Sold: Enterprise $M Cost of Goods Sold is defined as one million U.S. Dollars in the total cost of inventory that a company has sold during their fiscal year. If Cost of Goods Sold is unknown to You then Cost of Goods Sold shall be equal to 75% of total company revenue. The value of these Program licenses is determined by the amount of Enterprise $M Cost of Goods Sold. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M Cost of Goods Sold as of the effective date of Your order. If at any time the amount of Enterprise $M Cost of Goods Sold exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M Cost of Goods Sold is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M Cost of Goods Sold. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M Cost of Goods Sold as of such date.

Enterprise $M in Freight Under Management: $M Freight Under Management is defined as one million U.S. Dollars of the total transportation value of tendered orders for all shipments for a given calendar year during the term of the license. FUM shall include the combined total of actual freight purchased by You, plus the cost of freight for shipments managed by You (e.g., You are not purchasing transportation services on behalf of Your clients but are providing transportation management services for Your clients). Freight that is paid by a third party shall also be included in the FUM total (e.g., inbound shipments from suppliers to You with freight terms of prepaid). The value of these Program licenses is determined by the amount of Enterprise $M Freight Under Management. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M Freight Under Management as of the effective date of Your order. If at any time the amount of Enterprise $M Freight Under Management exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M Freight Under Management is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M Freight Under Management. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M Freight Under Management as of such date.

Enterprise $M in Operating Budget: is defined as one million U.S. Dollars of Your gross budget reflected in an audited statement from Your external accounting firm. The value of these Program licenses is determined by the amount of Enterprise $M in Operating Budget. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M in Operating Budget as of the effective date of Your order. If at any time the amount of Enterprise $M in Operating Budget exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M in Operating Budget is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M in Operating Budget. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M in Operating Budget as of such date.

Enterprise $M in Revenue: Enterprise $M in Revenue is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year. The value of these Program

licenses is determined by the amount of Enterprise $M in Revenue. For these Program licenses, the licensed quantity purchased must, at a minimum be equal to the amount of Enterprise $M in Revenue as of the effective date of Your order. If at any time the amount of Enterprise $M in Revenue exceeds the licensed quantity, You are required to order additional licenses (and technical support for such additional licenses) such that the amount of Enterprise $M in Revenue is equal to or less than the number of licensed quantity. You are not entitled to any refund, credit or other consideration of any kind if there is a reduction in the amount of Enterprise $M in Revenue. In addition, each year 90 days before the anniversary date of Your order, You are required to report to Oracle the number of Enterprise $M in Revenue as of such date.

Expense Report: is defined as the total number of expense reports processed by Internet Expenses during a 12 month period. You may not exceed the licensed number of expense reports during any 12 month period.

Faculty User: is defined as an active teaching member of the faculty for an accredited academic institution; such user may only use the Programs for academic and non-commercial use.

Field Technician: is defined as an engineer, technician, representative, or other person who is dispatched by You, including the dispatchers, to the field using the Programs.

Flash Drive: is defined as a solid state media device that stores data accessed by the Program.

$M Freight Under Management: is defined as one million U.S. Dollars of the total transportation value of tendered orders for all shipments for a given calendar year during the term of the license. FUM shall include the combined total of actual freight purchased by You, plus the cost of freight for shipments managed by You (e.g., You are not purchasing transportation services on behalf of Your clients but are providing transportation management services for Your clients). Freight that is paid by a third party shall also be included in the FUM total (e.g., inbound shipments from suppliers to You with freight terms of prepaid).

Full Time Equivalent (FTE) Student: is defined as any full-time student enrolled in Your institution and any part-time student enrolled in Your institution counts as 25% of an FTE Student. The definition of "full-time" and "part-time" is based on Your policies for student classification. If the number of FTE Students is a fraction, that number will be rounded to the nearest whole number for purposes of license quantity requirements.

25,000 Gift Cards: is defined as twenty-five thousand value cards (gift or stored) that are generated by the Program during a 12 month period.

Guest Cabin: is defined as a guest cabin onboard a cruise ship managed by the Program. You must license the total number of Guest Cabins onboard each cruise ship managed by the Program and the licensed quantity of Guest Cabin licenses may not be shared across multiple cruise ships.

For the purposes of the Cruise Fleet Management, Cruise Crew Management, Cruise Materials Management HQ and Sub-HQ Programs, You must license the total number of Guest Cabins onboard all ships or vessels in the fleet that are managed by the Program.

Guest Room: is defined as the number of guest rooms managed by the Program.

For the purposes of the Oracle Hospitality Suite8 Interface Programs, a unique Guest Room license is required for each distinct product with which an Oracle Hospitality Suite8 Program is required to interface. For example, a customer requiring interfaces of an Oracle Hospitality Suite8 Program with three distinct products must have three separate Guest Room licenses.

Hosted Named User: is defined as an individual authorized by You to access the hosted service, regardless of whether the individual is actively accessing the hosted service at any given time.

Oracle Hospitality Consulting Services: are defined as services for which the description may be found in the Oracle Hospitality Global Business Unit ("Micros") Consulting Service Descriptions section at www.oracle.com/contracts and which is incorporated by reference.

Hospitality Suite: is defined as an entertainment space that typically includes, but is not limited to, a kitchenette, restroom, table and seats within an arena, stadium, concert venue or other venue that is managed by the Program.

Installation Services, Start-Up Packs and Configuration/Upgrade Services: is defined as a service(s) for which the description may be found in the Advanced Customer Support Services section at www.oracle.com/contracts and which is incorporated by reference.

Instance: is defined as a single database environment. Test, production, and development environments are considered three separate instances that must each be licensed.

For the purposes of the Oracle Banking API Infrastructure Program, Instance is defined as the environments (production and non-production) used to run the Oracle Banking API Program.

Interface: is defined as each interface connecting the Oracle Program with a third party product. A unique Interface license is required for each distinct third party product with which the Oracle Program is required to interface.

Inventory Location: is defined as a dedicated physical inventory space used by vendors to store their inventory within an arena, stadium, concert venue or other venue that is managed by the Program. Each dedicated physical inventory space must be counted as one Inventory Location.

1K Invoice Line: is defined as one thousand invoice line items processed by the Program during a 12 month period. You may not exceed the licensed number of 1K Invoice Lines during any 12 month period unless You acquire additional 1K Invoice Line licenses from Oracle.

IVR Port: is defined as a single caller that can be processed via the Interactive Voice Response (IVR) system. You must purchase licenses for the number of IVR Ports that represent the maximum number of concurrent callers that can be processed by the IVR system.

Oracle Java SE Subscription and Oracle Java SE Desktop Subscription: are defined as the right to use the specified Oracle Java SE Subscription Program(s) in accordance with the applicable metric and to receive Oracle Software Update License & Support (limited to the specified Oracle Java SE Subscription Program(s)), for the term specified on the ordering document. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Software Update License & Support is provided under the Oracle Software technical support policies in effect at the time the services are provided. At the end of the specified subscription term, You may renew Your subscription, if available, at the then current fees for the applicable subscription. If You choose not to renew Your subscription, Your right to use the specified Oracle Java SE Subscription Program(s) will terminate and You must de-install the specified Oracle Java SE Subscription Program(s).

Kitchen Display Client: is defined as a device that is used to display and monitor the status of ordered items. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

Learning Credits: may be used to acquire education products and services offered in the Oracle University online catalogue posted at http://www.oracle.com/education under the terms specified therein. Learning credits may only be used to acquire products and services at the list price in effect at the time You order the relevant product or service, and may not be used for any product or service that is subject to a discount or a promotion when You order the relevant product or service. The list price will be reduced by applying the discount specified to You by Oracle. Notwithstanding anything to the contrary in the previous three sentences, learning credits may also be used to pay taxes, materials and/or expenses related to Your order; however, the discount specified above will not be applied to such taxes, materials and/or expenses. Learning credits are valid for a period of 12 months from the date Your order is accepted by Oracle, and You must acquire products and must use any acquired services prior to the end of such period. You may only use learning credits in the country in which You acquired them, may not use them as a payment method for additional learning credits, and may not use different learning credits accounts to acquire a single product or service or to pay related taxes, materials and/or expenses. Learning credits are non-transferable and non-assignable. You may be required to execute standard Oracle ordering materials when using learning credits to order products or services.

$M in Managed Assets: is defined as one million U.S. Dollars of the following total: (1) Book value of investment in capital leases, direct financing leases and other finance leases, including residuals, whether owned or managed for others, active on the Program, plus (2) Book value of assets on operating leases, whether owned or managed for others, active on the Program, plus (3) Book value of loans, notes, conditional sales contracts and other receivables, owned or managed for others, active on the Program, plus (4) Book value of non earning assets, owned or managed for others, which were previously leased and active on the Program,

including assets from term terminated leases and repossessed assets, plus (5) Original cost of assets underlying leases and loans, originated and active on the Program, then sold within the previous 12 months.

Managed Resource: is defined as an individual authorized by You to use the Programs which are installed on a single server or on multiple servers, regardless of whether the individual is actively using the Programs at any given time. In addition, Your employees, contractors, partners and any other individual or entity managed by the Programs shall be counted for the purposes of determining the number of Managed Resource licenses required.

Member Record: is defined as each unique customer loyalty Program Member Record managed by the Program. 100K Member Records shall mean one hundred thousand Member Records.

Merchandise: is defined as a unique item or SKU of a consumer good.

Module: is defined as each production database running the Programs.

Monitored User: is defined as an individual who is monitored by an Analytics Program which is installed on a single server or multiple servers, regardless of whether the individual is actively being monitored at any given time. Individual users who are licensed for an Analytics Program by either Named User Plus or Application User may not be licensed by Monitored User. For the purposes of the Usage Accelerator Analytics Program, every user of Your licensed CRM Sales application Program must be licensed. For the purposes of the Human Resources Compensation Analytics Program, all of Your employees must be licensed.

For the purpose of the following Oracle Governance, Risk, and Compliance applications: Application Access Controls Governor, Application Access Controls for E-Business Suite, Configuration Controls Governor, Configuration Controls for E-Business Suite, Transaction Controls Governor, Preventive Controls Governor, and Governance, Risk, and Compliance Controls Suite, the number of Monitored Users is equal to the total number of unique E-Business Suite users (individuals) being monitored by the Program(s), as created/defined in the User Administration function of E-Business Suite. Users of iProcurement and/or Self-Service Human Resources are excluded.

For the purpose of the following PeopleSoft Enterprise Governance, Risk, and Compliance applications: Application Access Controls Governor, Application Access Controls for PeopleSoft Enterprise, Configuration Controls Governor, and Configuration Controls for PeopleSoft Enterprise, the number of Monitored Users is equal to the total number of unique PeopleSoft Enterprise (or any other custom applications / Programs) users (individuals) that the Program monitors.

MySQL Cluster Carrier Grade Edition Annual Subscription, MySQL Enterprise Edition Annual Subscription and MySQL Standard Edition Annual Subscription: are defined as the right to use the specified Program(s) in accordance with the applicable license metric and to receive Oracle Software Update License & Support for the specified Program(s) and for MySQL Community Edition for the term specified on the order. MySQL Community Edition refers to MySQL that is licensed under the GPL license. Software Update License & Support for MySQL Community Edition does not include updates of any kind. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Software Update License & Support services are provided under the applicable technical support policies in effect at the time the services are provided. You must obtain a subscription license for all servers where MySQL Cluster Carrier Grade Edition, MySQL Enterprise Edition and/or MySQL Standard Edition are deployed. If You obtain Oracle Software Update License & Support services for any servers where MySQL Community Edition is deployed, then You must also purchase a subscription license for all of such servers for which You have obtained Oracle Software Update License & Support services. You may obtain Oracle Software Update License & Support services for the MySQL Community Edition subscription licenses at any level (e.g., at the MySQL Cluster Carrier Grade Edition level, at the MySQL Enterprise Edition level and/or at the MySQL Standard Edition level). At the end of the specified term, You may renew Your subscription, if available, at the then current fees for the applicable subscription. If You choose not to renew Your subscription, Your right to use the Program(s) will terminate and You must de-install all applications, tools, and binaries provided to You under the applicable non-Community Edition license (e.g., the license for MySQL Cluster Carrier Grade Edition, MySQL Enterprise Edition and/or MySQL Standard Edition). If You do not renew a subscription, You will not receive any updates (including patches or subsequent versions) and You may also be subject to reinstatement fees if You later choose to reactivate Your subscription.

Named User Plus: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. A non human operated device will be counted as a named user plus in addition to all individuals authorized to use the Programs, if such devices can access the

Programs. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end. Automated batching of data from computer to computer is permitted. You are responsible for ensuring that the named user plus per processor minimums are maintained for the Programs contained in the user minimum table in the licensing rules section; the minimums table provides for the minimum number of named users plus required and all actual users must be licensed.

For the purposes of the following Programs: Configuration Management Pack for Applications, System Monitoring Plug-in for Non Oracle Databases, System Monitoring Plug-in for Non Oracle Middleware, Management Pack for Non-Oracle Middleware and Management Pack for WebCenter Suite, only the users of the Program that is being managed/monitored are counted for the purpose of determining the number of Named User Plus licenses required.

With respect to the following Programs: Load Testing, Load Testing Developer Edition, Load Testing Accelerator for Web Services, Load Testing Accelerator for Oracle Database, Load Testing Suite for Oracle Applications and Oracle Test Starter Kit for Utilities (Load Testing), each emulated human user and non human operated device shall be considered as a virtual user and shall be counted for the purpose of determining the number of Named User Plus licenses required.

For the purposes of the following Programs: Data Masking and Subsetting Pack, only the users of the database servers where masked data or data subsets originate must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Management Suite for Oracle E-Business Suite, Application Management Suite for PeopleSoft, Application Management Suite for Siebel, Application Management Suite for JD Edwards EnterpriseOne, Real User Experience Insight and Application Replay Pack, all users of the respective managed application Program must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate and Oracle GoldenGate for Oracle Applications, only (a) the users of the Oracle database from which You capture data and (b) the users of the Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Big Data, only the users of the source Oracle or non Oracle database(s) or NoSQLrepositories from which You capture data must be counted for the purpose of determining the number of licenses required. For any messaging systems from which you capture data, every queue/topic is counted as a user. For multiple source databases, NoSQL repositories, or messaging systems, all users for all sources must be counted.

For the purposes of the following Programs: Oracle GoldenGate for Mainframe and Oracle GoldenGate for Teradata Replication Services, only (a) the users of the database from which You capture data and (b) the users of the database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Non Oracle Database only (a) the users of the Non Oracle database from which You capture data and (b) the users of the Non Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Integrator Enterprise Edition and Data Integrator Enterprise Edition for Oracle Applications, only the users that are running or accessing the data transformation processes must be counted for determining the number of licenses required.

For the purposes of the following Programs: Oracle Mobile Suite Client Runtime and Mobile Application Framework, only the end users of each Application Developed must be counted for the purposes of determining the number of licenses required, regardless of the choice of the mobile application development tool or the framework used to build the Application Developed.

For the purposes of the following Program: Audit Vault and Database Firewall, only users of the sources which are protected, monitored or audited must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Java SE Desktop Subscription, the term "server" refers to a desktop computer.

Network Device: is defined as the hardware and/or software whose primary purpose is to route and control communications between computers or computer networks. Examples of network devices include but are not limited to, routers, firewalls and network load balancers.

Non Employee User - External: is defined as an individual, who is not Your employee, contractor or outsourcer, authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether or not the individual is actively using the Programs at any given time.

Oracle Financing Contract: is a contract between You and Oracle (or one of Oracle's affiliates) that provides for payments over time of some or all of the sums due under Your order.

Order Line: is defined as the total number of order entry line items processed by the Program during a 12 month period. Multiple order entry line items may be entered as part of an individual customer order or quote and may also be automatically generated by the Oracle Configurator. You may not exceed the licensed number of Order Lines during any 12 month period unless You acquire additional Order Line licenses from Oracle.

1,000 Page Views: is defined as 1,000 Page Views per Month, where one Page View means one visit by a unique internet user to a particular page on a website.

Partner Organization: is defined as an external third party business entity that provides value-added services in developing, marketing and selling Your products. Depending upon the type of industry, partner organizations play different roles and are recognized by different names such as reseller, distributor, agent, dealer or broker.

Person: is defined as Your employee or contractor who is actively working on behalf of Your organization or a former employee who has one or more benefit plans managed by the system or continues to be paid through the system. For Project Resource Management, a person is defined as an individual who is scheduled on a project. The total number of licenses needed is to be based on the peak number of part-time and full-time people whose records are recorded in the system.

Physical Server: is defined as each physical server on which the Programs are installed.

PIN Entry Device (PED): is defined as an electronic hardware device that is used in a debit, credit or smart card-based transaction to accept and encrypt the cardholder's personal identification number (PIN).

Ported Number: is defined as the telephone number that end users retain as they change from one service provider to another. This telephone number originally resides on a telephone switch and is moved into the responsibility of another telephone switch.

POS Client: is defined as a device that is used to record any part of a sales transaction or related end-user functionality such as workstation reporting, cash management, engagement/table management, or manager operations. If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

For the purposes of the Oracle Hospitality Guest Access POS and Device Client Program, a POS Client is a guest access control method that includes, but is not limited to, turnstiles, gates and swing doors that are managed by the Program. For each guest access control method, both entrance and exit points must be counted for the purposes of determining the number of licenses required. For example, each turnstile must be counted as two POS Clients (one for entrance and one for exit).

Processor: shall be defined as all processors where the Oracle Programs are installed and/or running. Programs licensed on a processor basis may be accessed by Your internal users (including agents and contractors) and by Your third party users. The number of required licenses shall be determined by multiplying the total number of cores of the processor by a core processor licensing factor specified on the Oracle Processor Core Factor Table which can be accessed at http://oracle.com/contracts. All cores on all multicore chips for each licensed Program are to be aggregated before multiplying by the appropriate core processor licensing factor and all fractions of a number are to be rounded up to the next whole number. When licensing Oracle Programs with Standard Edition 2, Standard Edition One or Standard Edition in the product name (with the exception of WebCenter Enterprise Capture Standard Edition, Java SE Subscription, Java SE Support, Java SE Advanced, and Java SE Suite), a processor is counted equivalent to an occupied socket; however, in the case of multi-chip modules, each chip in the multi-chip module is counted as one occupied socket.

For example, a multicore chip based server with an Oracle Processor Core Factor of 0.25 installed and/or running the Program (other than Standard Edition One Programs or Standard Edition Programs) on 6 cores would require 2 processor licenses (6 multiplied by a core processor licensing factor of .25 equals 1.50, which is then rounded up to the next whole number, which is 2). As another example, a multicore server for a hardware platform not specified in the Oracle Processor Core Factor Table installed and/or running

the Program on 10 cores would require 10 processor licenses (10 multiplied by a core processor licensing factor of 1.0 for 'All other multicore chips' equals 10).

For the purposes of the following Program: Oracle Healthcare Data Repository, only the processors on which Internet Application Server Enterprise Edition and Healthcare Transaction Base Programs are installed and/or running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: iSupport, iStore and Configurator, only the processors on which Internet Application Server (Standard Edition and/or Enterprise Edition) and the licensed Program (e.g., iSupport, iStore and/or Configurator) are running must be counted for the purpose of determining the number of licenses required for the licensed Program; under these licenses You may also install and/or run the licensed Program on the processors where a licensed Oracle Database (Standard Edition and/or Enterprise Edition) is installed and/or running.

For the purposes of the following Programs: Configuration Management Pack for Applications, System Monitoring Plug-in for Non Oracle Databases, System Monitoring Plug-in for Non Oracle Middleware, Management Pack for Non-Oracle Middleware and Management Pack for WebCenter Suite, only the processors on which the Program that is being managed/monitored are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Masking and Subsetting Pack, only the processors running the database servers where masked data or data subsets originate must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Management Suite for Oracle E-Business Suite, Application Management Suite for PeopleSoft, Application Management Suite for Siebel, Application Management Suite for JD Edwards EnterpriseOne, Application Management Pack for Utilities and Application Management Pack for Taxation and Policy Management, all processors on which the middleware and/or database software that support the respective managed application Program are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Application Replay Pack and Real User Experience Insight, all processors on which the middleware software that supports the respective managed application Program are running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Informatica PowerCenter and PowerConnect Adapters, and Application Adapter for Warehouse Builder for PeopleSoft, Oracle E-Business Suite, Siebel, and SAP, only the processor(s) on which the target database is running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Data Integrator Enterprise Edition, Data Integrator Enterprise Edition for Oracle Applications, Data Integrator and Application Adapter for Data Integration and Application Adapters for Data Integration, only the processor(s) where the data transformation processes are executed must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: In-Memory Database Cache, only the processors on which the Times Ten In-Memory Database component of the In-Memory Database Cache Program is installed and/or running must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate and Oracle GoldnGate for Oracle Applications, only (a) the processors running the Oracle database from which You capture data and (b) the processors running the Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Oracle GoldenGate for Mainframe and Oracle GoldenGate for Teradata Replication Services, only (a) the processors running the database from which You capture data and (b) the processors running the database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle GoldenGate for Non Oracle Database, only (a) the processors running the non Oracle database from which You capture data and (b) the processors running the non Oracle database where You will apply the data must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Programs: Oracle GoldenGate Application Adapters, only the processors running the source Oracle or non Oracle database(s) from which You capture data must be counted for the purpose of determining the number of licenses required. For multiple source databases, all processors for all sources must be counted.

For the purpose of the following programs: Oracle GoldenGate for Big Data, only the processors running the source Oracle or non Oracle database(s) or NoSQL repositories from which you capture data must be counted for the purpose of determining the number of licenses required. For any messaging systems from which you capture data, every 25 queues/topics are counted as a Processor. In the instance of multiple source databases, NoSQL repositories, or messaging systems, all processors for all sources must be counted.

For the purposes of the following Program: Audit Vault and Database Firewall, only the processors of the sources which are protected, monitored or audited must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Oracle ATG Web Commerce Search, only the processors on which queries are processed must be counted. You do not need to count processors on which the Program is running for indexing content in configured content sources as long as the foregoing is the only use of the Program on all the processors installed in a given server.

Project: is defined as a scheduled stage gate process plan in operation.

Property: is defined as a location with a single physical address.

500,000 Queries Per Day: is defined as five hundred thousand queries from midnight to the next midnight (e.g., a day) to the production MDEX engine, including but not limited to: text searches; changes to facet (refinement); and page up/down through results (any text box query, change in facet selection, change in results viewed). Queries that can be reasonably shown to be generated via malicious intent, such as Denial of Service attacks, are not counted against the number of licensed queries. You may also use the programs for non-production uses, including but not limited to development, quality assurance, and performance testing.

$M in Revenue: is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year.

$M Revenue Under Management: is defined as one million U.S. Dollars in all income (interest income and non interest income) before adjustments for expenses and taxes generated by You during a fiscal year for the product lines for which the Programs are used.

Record: The Customer Hub B2B is a bundle that includes two components, Siebel Universal Customer Master B2B and Oracle Customer Data Hub. For the purposes of the Customer Hub B2B application, record is defined as the total number of unique customer database records stored in the Customer Hub B2B application (i.e., stored in a component of Customer Hub B2B). A customer database record is a unique business entity or company record, which is stored as an account for the Siebel Universal Customer Master B2B product or as an organization for the Oracle Customer Data Hub product.

The Customer Hub B2C is a bundle that includes two components, Siebel Universal Customer Master B2C and Oracle Customer Data Hub. For the purposes of the Customer Hub B2C application, record is defined as the total number of unique customer database records stored in the Customer Hub B2C application (i.e., stored in a component of Customer Hub B2C). A customer database record is a unique consumer (i.e., physical person) record, which is stored as a contact for the Siebel Universal Customer Master product or as a person for the Oracle Customer Data Hub product.

The Product Hub is a bundle that includes two components, Siebel Universal Product Master and Oracle Product Information Management Data Hub. For the purposes of the Product Hub application, record is defined as the total number of unique product database records stored in the Product Hub application (i.e., stored in a component of Product Hub). A product database record is a unique product component or SKU stored in the MTL_SYSTEM_ITEMS table with an active or inactive status and does not include any instance items (i.e. *-star items) or organization assignments of the same item.

For the purposes of the Case Hub Program a record is defined as the total number of unique case database records stored in the Case Hub Program. A case database record is a unique request or issue requiring investigation or service stored in S_CASE table with an active or inactive status.

For the purposes of the Site Hub Program a record is defined as the total number of unique site database records stored in the RRS_SITES_B table of the Site Hub Program. A site database record is a unique site (e.g., an asset, a building, part of a building (such as a store or a franchise within a store, an ATM, etc.)) stored in the Site Hub Program.

For the Programs listed above, please see the application licensing prerequisites as specified in the Applications Licensing Table which may be accessed at http://oracle.com/contracts for the grant and restrictions of the underlying Oracle technology.

For the purposes of the Oracle Data Relationship Management Program, a record is defined as the unique occurrence of any business object or master data construct that You choose to manage within the Program. Records may describe any number of enterprise information assets, commonly referred to as base members, including but not limited to cost centers, ledger accounts, legal entities, organizations, products, vendors, assets, locations, regions or employees. Additionally, a record may also be a summary object, commonly referred to as a rollup member, that either summarizes base members or describes hierarchical information associated with underlying base members. Records represent unique occurrences and they do not include any duplicates or shared references that may be essential for master data management purposes.

For the purposes of the Supplier Lifecycle Management and Supplier Hub Programs, a record is defined as a unique business entity or company record stored as Supplier in the AP_SUPPLIERS table of the Supplier Lifecycle Management and Supplier Hub Programs.

For the purposes of the Life Sciences Customer Hub Program, a record is defined as the number of unique customer database records stored in such Program. A customer database record is a unique physician (i.e., physical person) record which is stored as a contact for the Oracle Life Sciences Customer Hub Program.

1000 Records: is defined as 1000 cleansed records (i.e., rows) that are output from a production data flow of the Data Quality for Data Integrator Program.

Registered User: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. Registered Users shall be business partners and/or customers and shall not be Your employees.

250,000 Requests Per Day: is defined as two hundred fifty thousand requests from midnight to the next midnight (e.g., a day) in the production systems. Requests that can be reasonably shown to be generated via malicious intent, such as Denial of Service attacks, are not counted against the number of licensed requests. You may also use the Program for non-production uses, including but not limited to development, quality assurance, and performance testing.

For the purposes of the following Program: ATG Web Commerce, requests for the full ATG pipeline at the ATG DynamoHandler in the Servlet Pipeline made by web browsers or via web service calls in the production systems, including, but not limited to: JSP page requests; Ajax requests; REST service requests; SOAP service requests; web service calls by native mobile applications, rich front end applications or other integrated external systems must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: WebCenter Sites for Oracle ATG Web Commerce, requests to the production WebCenter Sites or production WebCenter Sites Satellite Server Programs for page or page fragments, JSP page requests, REST service requests, SOAP service requests or web service calls by browsers or external application must be counted for the purpose of determining the number of licenses required.

For the purposes of the following Program: Endeca Experience Manager, requests at the production Assembler and Presentation API, including but not limited to: any page request for Experience Manager; any single submitted query for the Search Engine (text box queries, selection or changes in facet selection); page requests by an application (e.g. ATG Web Commerce); direct requests from web browsers; web service calls by native mobile applications, rich front end applications or other integrated external systems must be counted for the purpose of determining the number of licenses required.

Retail Register: is defined as any device designed to record any part of a sales transaction.

For purposes of the Oracle Retail Xstore Office Program, the licensed quantity purchased must at a minimum be equal to or greater than the number of Retail Registers on which the Oracle Retail Xstore Point of Service Program is installed and/or running.

Retail Store: is defined as any location where two or more people are employed to generate revenue by selling goods and services to customers.

Retail Wireless Device: is defined as a detached device that accesses the Program. Examples of wireless devices include but are not limited to, scanners, RF devices, PDAs.

Revenue Center: is defined as a logical reporting as configured within a Location. For example, a restaurant that keeps its reports and configuration separate from its bar and its room service would require 3 Revenue Center licenses (one for the restaurant, one for the bar and one for room service).

RosettaNet Partner Interface Processes® (PIPs®): are defined as business processes between trading partners. Preconfigured system-to-system XML-based dialogs for the relevant E-Business Suite Application(s) are provided. Each preconfigured PIP includes a business document with the vocabulary and a business process with the choreography of the message dialog.

Rule Set: is defined as a data rules file containing content for a given country in order to perform data quality functions optimized for that country.

Server: is defined as the computer on which the Programs are installed. A Server license allows You to use the licensed Program on a single specified computer.

For the purposes of Acme Packet Programs, a Server in a virtual environment is defined as a virtual machine image.

Service Order Line: is defined as the total number of service order entry line items processed by the Program during a 12 month period. Multiple service order entry line items may be entered as part of an individual customer service order or quote. You may not exceed the licensed number of Service Order Lines during any 12 month period unless You acquire additional Service Order Line licenses from Oracle.

1,000 Sites: is defined as one thousand unique sites added to Multi-Site Quotes created during a 12 month period. Sites added to Multi-Site Quotes are listed as records in the Site Characteristics View and the Billing Group View of a Multi-Site Quote. A Site record is uniquely defined by its Service Account and Service Point fields. A single Site (as defined by its Service Account and Service Point fields Site) that is added to multiple Multi-Site Quotes created during a 12-month period shall be only counted once.

Socket: is defined as a slot that houses a chip (or a multi-chip module) that contains a collection of one or more cores. Regardless of the number of cores, each chip (or multi-chip module) shall count as a single socket. All occupied sockets on which the Program is installed and/or running must be licensed.

Oracle Solaris Premier Subscription for Non-Oracle Hardware per socket: is defined as the right to use the Oracle Solaris Programs (as defined below) on hardware not manufactured by or for Sun/Oracle, and to receive Oracle Premier Support for Operating Systems services (limited to the Oracle Solaris Programs), for the term specified in the ordering document. "Oracle Solaris Programs" refers to the Oracle Solaris operating system and the separately licensed third party technology (as defined below). The Oracle Solaris Programs may contain third party technology. Oracle may provide certain notices to You in Program Documentation, "readme" files or the installation details in connection with such third party technology. Third party technology will be licensed to You either under the terms of the agreement, or if specified in the Program Documentation, "readme" files, or the installation details, under separate license terms ("separate terms") and not under the terms of the agreement ("separately licensed third party technology"). Your rights to use such separately licensed third party technology under the separate terms are not restricted in any way by the agreement. The Oracle Solaris Programs may include or be distributed with certain separately licensed components that are part of Java SE ("Java SE"). Java SE and all components associated with it are licensed to You under the terms of the Oracle Binary Code License Agreement for the Java SE Platform Products, and not under the agreement. A copy of the Oracle Binary Code License Agreement for the Java SE Platform Products can be found at www.oracle.com/contracts.

This subscription is available only for a server that is certified by Oracle and listed on the Hardware Compatibility List (HCL) at http://www.oracle.com/webfolder/technetwork/hcl/index.html. You must obtain a subscription license for each socket in the server. The subscription term is effective upon the effective date of the subscription ordering document, unless otherwise stated in Your ordering document. If Your order was placed through the Oracle Store, then the effective date is the date Your order was accepted by Oracle. Oracle Premier Support for Operating System services are provided under the applicable technical support policies in effect at the time the services are provided. At the end of the specified term, You may renew Your subscription, if available, at the then current fees for this subscription.

If Your order specifies "1 – 4 socket server" then You may only use the subscription on a server with not more than 4 sockets. If Your order specifies "5+ socket server" then You may use the subscription for servers with any number of sockets.

Store: is defined as a physical store location which sells goods or services that utilize one Point-of-Sale (POS) system. If a physical store location has multiple POS systems, then each POS system must be counted as a Store.

Stream: is defined as a concurrent backup or restore job to a tape, disk or cloud target. For tape targets (which would be a physical tape drive (e.g., T10000D or LTO6) or a virtual tape drive), each configured tape drive within the Oracle Secure Backup domain must be counted for determining the number of licenses required. For disk targets, each concurrent job defined per Oracle Secure Backup disk pool must be counted for determining the number of licenses required. For Cloud based targets utilizing the Oracle Secure Backup Cloud Module, each parallel Recovery Manager (RMAN) channel must be counted for determining the number of licenses required.

Subscriber: is defined as (a) a working telephone number for all wireline devices; (b) a portable handset or paging device that has been activated by You for wireless communications and paging; (c) a residential drop or a nonresidential device serviced by a cable provider; or (d) a live connected utility meter. The total number of Subscribers is equal to the aggregate of all types of Subscribers. If Your business is not defined in the primary definition of Subscriber above, Subscriber is defined as each U.S. $1,000 increment of Your gross annual revenue as reported to the SEC in Your annual report or the equivalent accounting or reporting document.

Suite: is defined as all the functional software components described in the product documentation.

Sun Ray Device: is defined as the Sun Ray computer on which the Program is running.

System: is defined as a single configuration environment. Test, production, and development configurations are considered three separate systems that must each be licensed.

Tape Drive: is defined as mechanical devices used to sequentially write, read and restore data from magnetic tape media. Typically used, but not limited to, data protection and archival purposes, tape drives are deployed either as a standalone unit(s) or housed within a robotic tape library. Examples of tape drive include but are not limited to, Linear Tape Open (LTO), Digital Linear Tape (DLT), Advanced Intelligent Type (AIT), Quarter-Inch Cartridge (QIC), Digital Audio Tape (DAT), and 8mm Helical Scan. For cloud based backups, Oracle counts each parallel stream or Recovery Manager (RMAN) channel as equivalent to a tape drive.

Tape Library Slot: is defined as a physical slot location within a tape library where each slot accepts a single tape cartridge.

Technical Support

For purposes of the ordering document, technical support consists of annual technical support services You may have ordered for the Programs. If ordered, annual technical support (including first year and all subsequent years) is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies, incorporated in this agreement, are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of services provided for supported Programs during the period for which fees for technical support have been paid. You should review the policies prior to entering into the ordering document for the applicable services. You may access the current version of the technical support policies at http://oracle.com/contracts.

Technical support is effective upon the effective date of the ordering document unless otherwise stated in Your order. If Your order was placed through the Oracle Store, the effective date is the date Your order was accepted by Oracle.

Software Update License & Support (or any successor technical support offering to Software Update License & Support, "SULS") acquired with Your order may be renewed annually and, if You renew SULS for the same number of licenses for the same Programs, for the first and second renewal years the fee for SULS, will not increase by more than 4% over the prior year's fees. If Your order is fulfilled by a member of Oracle's partner Program, the fee for SULS for the first renewal year will be the price quoted to You by Your partner; the fee for SULS for the second renewal year will not increase by more than 4% over the prior year's fees.

If You decide to purchase technical support for any license within a license set, You are required to purchase technical support at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if You agree to terminate that subset of licenses. The technical support fees for the remaining licenses will be priced in accordance with the technical support policies in effect at the time of termination. Oracle's license set definition is available in the current technical support

policies. If You decide not to purchase technical support, You may not update any unsupported Program licenses with new versions of the Program.

Telephone Number: is defined as each unique telephone number for which the billing information is managed or displayed using the Program, regardless of the number of individual account holders associated with such telephone numbers.

Terabyte: is defined as a terabyte of computer storage space used by a storage filer equal to one trillion bytes.

$B in Total Assets: is defined as one billion U.S. dollars of Your latest published or internally available "Total Asset Value" as disclosed in Your annual report and/or regulatory filings.

Trainee: is defined as an employee, contractor, student or other person who is being recorded by the Program.

Transaction: is defined as each set of interactions that is initiated by an application user recorded by Oracle Enterprise Manager to capture availability and performance metrics used in calculating service levels. For example, the following set of interactions would represent one transaction: login, search customer, log out.

Transaction Services Client: is defined as a device that is used to receive data from an external source to record a sales transaction (e.g., a device in a coffee shop that is used by customers to enter their sandwich orders). If multiplexing hardware or software (e.g., a TP monitor or a web server product) is used, this number must be measured at the multiplexing front end.

For the purposes of the Oracle Hospitality Simphony Transaction Services Program, devices that are used to send property or revenue center configuration to an external source must be counted as Transaction Services Clients. For example, if a digital signage provider wants to display menu item information (e.g., price, name, etc.) on a menu board behind the counter and the menu board system requests that a device provides a list of the menu items and prices that are available for purchase, then that device must be licensed as Transaction Services Client.

UPK Developer: is defined as an individual authorized by You to use the Programs which are installed on a single server or multiple servers, regardless of whether the individual is actively using the Programs at any given time. UPK Developers may create, modify, view and interact with simulations and documentation.

UPK Module: is defined as the functional software component described in the product documentation.

Video Wrapper: is defined as a standardized container that acts as a file system for video assets installed per site. Examples of video wrapper formats include GXF, MXF, OP1A, AVI, Quicktime and LXF.

Wireless handset: is defined as a mobile communications device such as a mobile telephone, PDA, or paging device, that has as primary functions wireless voice communications and data services provided through a service provider.

Workstation: is defined as the client computer from which the Programs are being accessed, regardless of where the Program is installed.

Term Designation

1, 2, 3, 4, 5 Year Terms: A Program license specifying a 1, 2, 3, 4 or 5 Year Term shall commence on the effective date of the order and shall continue for the specified period. At the end of the specified period the Program license shall terminate.

Licensing Rules for Oracle Technology Programs and Oracle Business Intelligence Applications

Failover: Subject to the conditions that follow below, Your license for the Programs listed on the US Oracle Technology Price List, which may be accessed at http://www.oracle.com/us/corporate/pricing/price-lists/index.html, includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are arranged in a cluster and share one disk array. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. In addition, only one failover node per clustered environment is at no charge for up to ten separate days even if multiple nodes are configured as failover. Downtime for maintenance purposes counts towards the ten separate days limitation. When licensing options on a failover environment, the options must match the number of licenses of the associated database. Additionally, when licensing by Named User Plus, the user minimums are waived on one failover node only. Any use beyond the right granted in this section must be licensed separately. In a failover environment, the same license metric must be used for the production and failover nodes when licensing a given clustered configuration.

Testing: For the purpose of testing physical copies of backups, Your license for the Oracle Database (Enterprise Edition, Standard Edition or Standard Edition One) includes the right to run the database on an unlicensed computer for up to four times, not exceeding 2 days per testing, in any given calendar year. The aforementioned right does not cover any other data recovery method - such as remote mirroring - where the Oracle Program binary files are copied or synchronized.

You are responsible for ensuring that the following restrictions are not violated:

- Oracle Database Standard Edition 2 may only be licensed on servers that have a maximum capacity of 2 sockets. When used with Oracle Real Application Clusters, Oracle Database Standard Edition 2 may only be licensed on a maximum of 2 one-socket servers. In addition, notwithstanding any provision in Your Oracle license agreement to the contrary, each Oracle Database Standard Edition 2 database may use a maximum of 16 CPU threads at any time. When used with Oracle Real Application Clusters, each Oracle Database Standard Edition 2 database may use a maximum of 8 CPU threads per instance at any time. If You purchase Named User Plus (NUP) licenses, You must maintain a minimum of 10 NUP per server.
- If you are licensing the Oracle database Program, you may not cause or permit reverse engineering (unless required by law for interoperability), disassembly or decompilation of data formats included in or produced by that Program; the foregoing includes a prohibition on reverse engineering of code, data structures, file formats or memory formats included in or produced by that Program or use of any tools or products that have been derived from the reverse engineering of that Program or those data formats.
- Exadata Database In-Memory may only be used on Exadata Database Machines and Oracle Superclusters.
- Exadata Multitenant may only be used on Exadata Database Machines and Oracle Superclusters.
- WebLogic Server Standard Edition does not include WebLogic Server Clustering.
- Business Intelligence Standard Edition One can only be licensed on servers that have the ability to run a maximum of 2 sockets. The data sources for BI Server and BI Publisher are limited to the included Oracle Standard Edition One, one other database, and any number of flat file sources such as CSV, and XLS. You may use Oracle Warehouse Builder Core ETL to pull data from any number of data sources but You must use only the included Oracle Standard Edition One as the target database.
- Informatica PowerCenter and PowerConnect Adapters may not be used on a standalone basis or as a standalone ETL tool. The Informatica PowerCenter and PowerConnect Adapters may be used with any data source provided the target(s) are: (i) the Oracle Business Intelligence applications Programs (excluding Hyperion Enterprise Performance Management Applications), (ii) the underlying platforms on which the Oracle Business Intelligence Extended Edition Program, Oracle Business Intelligence Standard Edition One or associated components of those Business Intelligence applications Programs run, or (iii) a staging database for any of the foregoing. Informatica PowerCenter and PowerConnect Adapters may also be used where the Oracle Business Intelligence applications Programs (excluding Hyperion Enterprise Performance Management Applications) are the source and non-Oracle Business Intelligence application Programs are the target, provided, that users do not use Informatica PowerCenter and PowerConnect Adapters to transform the data.
- With respect to the Java SE Advanced and Java SE Suite Programs, You may not create, modify, or change the behavior of, or authorize Your users to create, modify, or change the behavior of, classes, interfaces, or subpackages that are in any way identified as "java", "javax" "sun" or "oracle" or any variation of the aforementioned naming conventions. The installation and auto-update processes for these Programs transmit a limited amount of data to Oracle (or its service provider) about those specific processes to help Oracle understand and optimize them. Oracle does not associate the data with personally identifiable information. You can find more information about the data Oracle collects at http://oracle.com/contracts. Additional copyright notices and license terms applicable to portions of the Programs are set forth at http://oracle.com/contracts.

- Programs that contain "for Oracle Applications" in the Program name are limited use Programs. These limited use Programs may only be used with "eligible" Oracle application Programs that contain the following prefixes in the Program name: Oracle Fusion, Oracle Communications*, Oracle Documaker, Oracle Endeca*, Oracle Knowledge, Oracle Media, Oracle Retail*, Oracle Enterprise Taxation*, Oracle Tax, Oracle Utilities*, Oracle Financial Services*, Oracle FLEXCUBE, Oracle Reveleus, Oracle Mantas, Oracle Healthcare*, Oracle Health Sciences, Oracle Argus, Oracle Legal, Oracle Insurance, Oracle Primavera, Oracle Hospitality, Oracle XBRi, and Oracle Relate. For those prefixes designated above with a "*" not all Programs with that prefix are eligible for use with the "for Oracle Applications" limited use Programs. For a list of excluded Programs please review the Applications Licensing Table, which may be accessed at http://oracle.com/contracts. Notwithstanding anything above, Oracle Business Intelligence Suite Extended Edition for Oracle Applications may only be used with "eligible" Oracle application Programs that contain "Oracle Fusion Human Capital Management" as a prefix in the Program name provided that the Oracle Fusion Human Capital Management Programs are the only Programs configured to run against the database instance Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may also be used with the Oracle Product Information Management Analytics, Fusion Edition, Oracle Customer Data Management Analytics, Fusion Edition and Oracle Product Lifecycle Analytics Programs. Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may also be used with the following Programs provided that the Oracle Fusion Applications are the only data source: Oracle Sales Analytics, Fusion Edition; Oracle Partner Analytics, Fusion Edition; Oracle Supply Chain and Order Management Analytics; Oracle Financial Analytics, Fusion Edition; Oracle Procurement and Spend Analytics, Fusion Edition; Oracle Human Resources Analytics, Fusion Edition and Oracle Project Analytics. Any use of limited use Programs containing "for Oracle Applications" by other Oracle applications or third party applications is not permitted.
- Oracle BPEL Process Manager Option for Oracle Applications may be used only to enable business processes, workflow interactions and approvals within eligible Oracle Applications. Workflow interactions between eligible Oracle Applications and, other Oracle Applications or third party applications are allowed as long as they are enabled/initiated within the eligible Oracle Applications. Business Processes defined in BPEL are allowed as long as at least one of the services invoked from within the Business Process access an eligible Oracle Application either natively (via Web Services) or via an adapter.
- Oracle Business Intelligence Suite Foundation Edition for Oracle Applications may be used only to perform query, reporting and analysis against a transaction database, data warehouse or an Essbase OLAP cube if: (i) the transaction database is an eligible Oracle Applications transaction database itself or an extraction, in whole or in part, of an eligible Oracle Applications transaction database, without transformation (query, reporting and analysis against a transaction database that is not an eligible Oracle Applications transaction database requires a full use license of Oracle Business Intelligence Suite Foundation Edition); or (ii) the data warehouse is a pre-packaged eligible Oracle Applications data warehouse, with any customizations necessary to reflect customizations made in the eligible Oracle Applications, and restricted only to the eligible Oracle Applications sources (query, reporting and analysis against extensions to the data warehouse drawn from source systems not supported by the pre-packaged data warehouses require a full use license of Oracle Business Intelligence Suite Foundation Edition); or (iii) the dimensions of each Essbase OLAP Cube are sourced from eligible Oracle Applications.
- Oracle WebLogic Suite for Oracle Applications may be used only as an embedded runtime for eligible Oracle Applications or to deploy customizations to an eligible Oracle Application. The WebLogic global datasource or one of the WebLogic application datasources must be configured to access the schema of an eligible Oracle Application.
- Data Integrator Enterprise Edition for Oracle Applications may only be used with the Oracle supplied data integration jobs and customization of the supplied jobs is allowed. For the avoidance of doubt, examples of uses that are not permitted include, but are not limited to, the following: adding new jobs that support different applications, new schemas, or previously unsupported application modules.
- Oracle SOA Suite for Oracle Applications may be used only to enable integration, business processes, workflow interactions and approvals within eligible Oracle Applications. Workflow interactions between eligible Oracle Applications and other non-eligible Oracle Applications or third party applications are allowed as long as they are either initiated or terminated within eligible Oracle Applications. Usage of SOA composites (including but not limited to Rules, Mediator, XSLT transforms, BPEL processes, Spring components, Workflow services and OWSM security policies) is allowed as long as at least one of the services invoked from within each composite accesses an eligible Oracle Application either natively (via Web services) or via an adapter and the invocation is part of a flow that is either initiated or terminated within eligible Oracle Applications. Oracle Service Bus (OSB) usage is allowed as long as each service deployed accesses an eligible Oracle Application either natively (via Web services) or via an adapter.
- Oracle WebCenter Portal for Oracle Applications may be used only to surface eligible Oracle Application(s) and custom application(s) (collectively, "eligible applications"). Surfacing any third-party applications, including other applications from Oracle, requires a license for Oracle WebCenter Portal. Multiple eligible applications may be surfaced in a single portal instance provided that a WebCenter Portal for Oracle Applications license exists for each eligible application surfaced in the portal. WebCenter Portal for Oracle Applications may be used to integrate the various WebCenter services (e.g., wikis, blogs, and discussions) into an application context, as well as to build out custom workflows and notifications between the eligible application and WebCenter Portal components. The content management features of the Oracle WebCenter Portal for Oracle

Applications Program may be used to store and manage documents created outside of the eligible application provided that such documents are related to the eligible application or to the application context.

- Oracle WebCenter Imaging for Oracle Applications may be used to create and modify imaging searches, to modify pre-packaged imaging application document types, and to create and modify input mappings to imaging applications. Oracle WebCenter Imaging for Oracle Applications may also be used to invoke web service application programming interfaces (API's) from Oracle Application workflows. A license for WebCenter Imaging for Oracle Applications is required to define new document types for the management of images unrelated to a pre-packaged Oracle Applications integration, to develop custom workflows, and to invoke APIs from custom workflows or custom application integrations.
- Oracle Identity and Access Management Suite Plus for Oracle Applications may be used only to perform associated actions for users of and within the eligible Oracle Applications. The Programs may be used to do the following: (1) add, delete, modify, and manage user identities and roles in the eligible Oracle Applications; (2) provide web access management and single sign-on into eligible Oracle Applications; (3) provide data storage or virtualization to data storage of user identities and user identity related information or authentication and authorization policies for eligible Oracle Applications; (4) provide federated single sign-on to eligible Oracle Applications.
- Oracle Coherence Enterprise Edition for Oracle Applications may only be used within the same Java Virtual Machine as the eligible Oracle Application components.
- Oracle GoldenGate for Oracle Applications may only be used with the Oracle supplied integration jobs. Customization of the Oracle supplied integration jobs is allowed if necessitated by (i) customizations of the source application or of the target application or (ii) for performance tuning of the GoldenGate configuration. Oracle GoldenGate for Oracle Applications may not be used (i) for data replication to non-Oracle databases or (ii) by other Oracle applications or (iii) by third party applications for any type of data integration or replication purposes. For the avoidance of doubt, examples of other uses that are not permitted include, but are not limited to, the following: replicating data to non-Oracle databases (including MySQL), adding new source or target schemas, adding unsupported application modules to source or target schemas, supporting other replication topologies (e.g., active-active or multi-master) or adding anything not supplied by Oracle.
- The license for the Hyperion Planning Plus Program includes a limited use license for the Oracle Essbase Plus, Hyperion Financial Reporting and Hyperion Web Analysis Programs. Such limited use license means that the Oracle Essbase Plus, Hyperion Financial Reporting and Hyperion Web Analysis Programs may only be used to access data from the Hyperion Planning Plus Program. The Oracle Data Integrator for Oracle Business Intelligence Program may be used to load data from any data source provided that the target database is the Hyperion Planning Plus Program. Specifically, the Oracle Essbase Plus Program cannot be used to create Essbase cubes that do not contain data used by the Hyperion Planning Plus Program and the Aggregate Storage option component of the Oracle Essbase Plus Program may not be used.
- The license for the Hyperion Profitability and Cost Management Program includes a limited use license for the Oracle Essbase Plus, Hyperion Financial Reporting, Hyperion Web Analysis and Oracle Data Integrator for Business Intelligence Programs. Such limited use license means that the Oracle Essbase Plus, Hyperion Financial Reporting, Hyperion Web Analysis and Oracle Data Integrator for Business Intelligence Programs may only be used to access data from the Hyperion Profitability and Cost Management Program. Specifically, the Oracle Essbase Plus Program cannot be used to create Essbase cubes that do not contain data used by the Hyperion Profitability and Cost Management Program and the Aggregate Storage option component of the Oracle Essbase Plus Program may not be used.

*The Named User Plus Minimum does not apply if the Program is installed on a one-processor machine that allows for a maximum of one user per Program.

- If You purchase Named User Plus licenses for the Oracle Database Personal Edition Program, You may only have a maximum of one Named User Plus per database.

- If You purchase Named User Plus licenses for the Business Intelligence Standard Edition One Program, You may only have a maximum number of fifty Named User Plus licenses.

- You are responsible for ensuring compliance with the Technology Associated Program Matching Table which may be accessed at http://oracle.com/contracts.

Licensing Rules for Applications

- You are responsible for ensuring compliance with the application licensing prerequisites as specified in the Applications Licensing Table, which may be accessed at http://oracle.com/contracts.

Licensing Rules for ATG Applications

- The Oracle ATG Web Commerce Business Intelligence Program and the Oracle ATG Web Commerce Business Intelligence Administrator Program may only be used in conjunction with either the Oracle ATG Web Commerce Program and/or the Oracle ATG Web Knowledge Manager Program. You may, however, expand Your data model to include other information provided the additional information supplements information is already included in the Oracle ATG Web Commerce Program or in the Oracle ATG Knowledge Manager Program.
- The Cognos BI Consumer Bundle is included in the Oracle ATG Web Commerce Business Intelligence Program and is comprised of (a) one (1) reporting engine for anonymous viewers consisting of no more than two (2) processors and four (4) total cores, (b) unlimited anonymous report viewer seat licenses, (c) one (1) Named BI Web Administrator seat license and one (1) Named BI Professional Report Author seat license. Any additional seat licenses must be licensed separately by purchase of Oracle ATG Web Commerce BI Administrator seat licenses at an additional cost and are not included in any enterprise-wide or similar license.

Licensing Rules for DIVA Programs

Failover: Subject to the conditions that follow below, Your license for the following Programs: Oracle DIVA Programs (Oracle DIVArchive Manager, Oracle DIVArchive Avid Connectivity, Oracle DIVArchive Application Filtering, Oracle DIVArchive Storage Plan Manager , Oracle DIVArchive Export / Import, and Oracle DIVArchive Automatic Data Migration) includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are connected to the disk cache or tape library, i.e., the machines are not in a clustered environment and the machines share a disk array or tape library. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. Downtime for maintenance purposes counts towards the ten separate days limitation. Any use beyond the right granted in this section must be licensed separately.

Licensing Rules for JD Edwards Applications

- The Foundation Program contains the development foundation environment/toolkit. You understand and acknowledge that any software Program developed with the functionality of the development foundation environment/toolkit is subject to the terms and conditions of this agreement. You will defend and indemnify Oracle against any claims by third parties for damages (including, without limitation, reasonable legal fees) arising out of any computer Programs generated by You utilizing the development tools included in the Programs. ORACLE DISCLAIMS ANY WARRANTY THAT THE DEVELOPMENT TOOLS INCLUDED IN THE PROGRAMS WILL GENERATE COMPUTER PROGRAMS WITH THE CHARACTERISTICS OR SPECIFICATIONS DESIRED BY YOU OR THAT SUCH GENERATED COMPUTER PROGRAMS WILL BE ERROR FREE.

Licensing Rules for PeopleSoft Applications

- Your use of the Campus Self Service and Student Administration components within the Campus Solutions Program is subject to the additional terms and conditions set forth in the INAS Software Supplement located at http://oracle.com/contracts.

Licensing Rules for Primavera Applications

- For the purposes of the following Primavera Programs: Earned Value Management, Evolve, SureTrak, Contractor and P3 Project Planner, You acknowledge that You have both read and understand the limited Software Update License & Support services that are available for these Programs, as described in Oracle's Technical Support Policies.
- For purposes of the Primavera SureTrak and Primavera P3 Project Planner Programs, You acknowledge that the agreement delivered to You with these Programs, and not the end user license agreement contained in the product installation, governs the end user's use of these Programs.
- For the purposes of the following Programs: Primavera P6 Enterprise Project Portfolio Management and Primavera P6 Enterprise Project Portfolio Management Web Services, developers and/or users (i) who are not already licensed for the Primavera P6 Enterprise Project Portfolio Management Program and (ii) who access (including through Access Points) applications, must be licensed for the Primavera P6 Enterprise Project Portfolio Management Web Services Program. "Access Points" includes, but is not limited to, third party, Oracle or custom versions of the following: interfaces, API's, web services and database links.
- For the purposes of the following Programs: Primavera Contract Management Web Services and Primavera Contract Management, developers and/or users (i) who are not already licensed for the Primavera Contract Management Program and (ii) who access (including through Access Points) applications, must be licensed for the Primavera Contract Management Web Services Program. "Access Points" includes, but is not limited to, third party, Oracle or custom versions of the following: interfaces, API's, web services and database links.

Licensing Rules for Oracle Retail Programs

- The Oracle Retail Technology Foundation for Store Applications Program may only be used with the Oracle Retail Point of Service Program, the Oracle Retail Back Office Program, the Oracle Retail XStore Point of Service Program and the Oracle Retail XStore Office Program. Any use of the Oracle Retail Technology Foundation for Store Applications Program by other Oracle Programs or third party programs is not permitted.

Licensing Rules for Siebel Applications

- For the Siebel Branch Teller Services Program, Siebel Internet Banking Services Program, Siebel Retail Finance Foundation Services Program and the Siebel Financial Transactions Workbench Program, You may use third party tools to (a) create materials or (b) modify the materials identified as Sample Screen Code and Process Templates in the Program Documentation, all in accordance with the Program Documentation, and provided that such materials or modified materials shall be used solely with Your licensed use of such Programs. You shall not limit in any way Oracle's right to develop, use, license, create derivative works of, or otherwise freely exploit the Programs, ancillary Programs, Program Documentation, or any other materials provided by Oracle, or to permit third parties to do so.
- The Siebel Details Program includes a license for 20 Concurrent Users that authorizes You to use the Program on only one Computer for a maximum of 20 Concurrent Users at any given time. A "Concurrent User" is defined as each individual that may concurrently use or access the Programs. Concurrent Users may only be Your existing customers or Your prospective customers, and may not be Your business partners or Your employees.
- The Siebel Marketing Server Program is licensed on a Computer basis together with the number of unique Customer Records that You may access using the Program. A "Customer Record" is defined as each unique Record (including contact records, prospect records and records in external data sources) that You may access using the Program.

- The Siebel Pharma Marketing Server is licensed on the basis of the number of unique Customer Records that You may access using the Program together with the number of Brands that You may manage using the Program. A "Brand" is defined as a named product offering that corresponds to a specific molecular entity, including multiple dosage forms and multiple strengths for the same molecular entity.
- The Siebel Pricing Claims Server-Up to 20 Application Users is licensed on a Computer basis with a limitation on the number of Application Users. An "Application User" is defined as an individual authorized by You to use the applicable licensed application Programs which are installed on a single server or on multiple servers regardless of whether the individual is actively using the Programs at any given time.
- The users or processors of the Siebel Web Channel Program may access a maximum of 15 Objects. An "Object" is defined as each data entity within the Business Object Layer of the Programs that is defined in the Siebel Tools Program.
- The Siebel Data Quality License may only be used with Oracle Master Data Management or Oracle CRM deployments.

Licensing Rules for Systems Software Programs

Failover: Subject to the conditions that follow below, Your license for the following Programs: StorageTek QFS, StorageTek QFS Client, Oracle Hierarchical Storage Manager, StorageTek Automated Cartridge System Library Software (ACSLS), includes the right to run the licensed Program(s) on an unlicensed spare computer in a failover environment for up to a total of ten separate days in any given calendar year (for example, if a failover node is down for two hours on Tuesday and three hours on Friday, it counts as two days). The above right only applies when a number of machines are connected to the disk cache or tape library, i.e., the machines are not in a clustered environment and the machines share a disk array or tape library. When the primary node fails, the failover node acts as the primary node. Once the primary node is repaired, You must switch back to the primary node. Once the failover period has exceeded ten days, the failover node must be licensed. Downtime for maintenance purposes counts towards the ten separate days limitation. Any use beyond the right granted in this section must be licensed separately.

Licensing Rules for Programs Licensed per UPK Module

- Oracle grants to You a non-exclusive, nontransferable license for Your UPK Developer(s) to: (i) use those User Productivity Kit ("UPK") Programs licensed as UPK modules (collectively referred to as "UPK content") only as necessary to create and provide training solely for Employee and/or Application Users to use the underlying Programs for Your benefit; (ii) make an unlimited number of copies of the UPK content only as necessary to create and provide training solely to Employees and/or Application Users to use the underlying Programs for Your benefit; and (iii) develop modifications and customizations to the UPK content, if applicable, all subject to the terms and conditions set forth in this agreement, provided all copyright notices are reproduced as provided on the original. You represent and warrant that You have a valid license for the underlying Program(s). You are prohibited from reselling or distributing the UPK content to any other party or using the UPK content other than as explicitly permitted in this agreement. Oracle represents that the UPK content and any content created by You using the UPK content contains valuable proprietary information. Oracle retains title to all portions of the UPK content and any copies thereof. You shall use UPK content modifications created by You solely for Your internal use in accordance with the terms of this agreement. You may provide access to and use of the UPK content only to those third parties that are licensed as Application Users and that: (a) provide services to You concerning Your use of the UPK content; (b) have a need to use and access the UPK content; and (c) have agreed to substantially similar non-disclosure obligations imposed by You as those contained in this agreement. Application and Employee User(s) of UPK Programs may view and interact with simulations and documentation but may not create or modify simulations or documentation.

Licensing Rules for MySQL Programs

- The MySQL Programs may contain third party technology. Oracle may provide certain notices to You in Program Documentation, "readme" files or the installation details in connection with such third party technology. Third party technology will be licensed to You either under the terms of the agreement, or if specified in the Program Documentation, "readme" files, or the installation details, under separate license terms ("separate terms") and not under the terms of the agreement ("separately licensed third party technology"). Your rights to use such separately licensed third party technology under the separate terms are not restricted in any way by the agreement.

EXHIBIT F
ORACLE LINUX AND ORACLE VM SERVICES SUPPLMENTAL PUBLIC SECTOR TERMS AND CONDITIONS v190712.

EXHIBIT F

SUPPLEMENTAL PUBLIC SECTOR TERMS AND CONDITIONS
FOR
ORACLE LINUX AND ORACLE VM SERVICES

These Supplemental Public Sector Terms and Conditions ("Terms and Conditions") apply to the Oracle Linux and Oracle VM Services that you order from the Contractor through orders issued pursuant to the OMNIA contract to which these Terms and Conditions are attached and incorporated (the "Contract"). These Terms and Conditions shall take precedence over any conflicting terms in the Contract or any order issued pursuant to the Contract and shall govern Your use of the Oracle Linux/Oracle VM Service Offering(s) ordered from the authorized Oracle reseller or distributor ("Contractor").

1. **DEFINITIONS**

1.1 "**Covered Programs**" is defined as the specific set of software products listed on the document titled Oracle Linux and Oracle VM Included Files (available at http://www.oracle.com/us/support/library/enterprise-linux-indemnification-069347.pdf) for which You have ordered Oracle Linux/Oracle VM Service Offering(s), including any related program documentation and patches and bug fixes acquired through such Oracle Linux/ Oracle VM Service Offering(s).

1.2 "**Oracle Linux Service Offering(s)**" **and** "**Oracle VM Service Offering(s)**" (collectively, "Oracle Linux/Oracle VM Service Offering(s)") refer to Oracle Linux and Oracle VM support services respectively and Oracle Linux/Oracle VM-related Service Offerings(s) as defined under the Oracle Linux and Oracle VM support policies.

1.3 "**Oracle Linux/Oracle VM Term(s)**" is defined as the duration for which You have acquired the applicable Oracle Linux/Oracle VM Service Offering(s).

1.4 "**Physical CPU(s)**" is defined as each monolithic integrated circuit responsible for executing a System's Covered Programs. A monolithic integrated circuit with multiple cores or hyperthreading is counted as a single Physical CPU when determining the total number of Physical CPUs in a System.

1.5 "**Program Documentation**" refers to the program user manual and program installation manuals. Program Documentation may be delivered with the programs. You may access the documentation online at http://oracle.com/documentation.

1.6 "**Supported System(s)**" is defined as a System to which You apply or intend to apply Oracle Linux/Oracle VM Service Offering(s) received from Oracle at the specified service level in Your order, including but not limited to updates, patches, fixes, security alerts, work arounds, configuration, installation assistance (for Oracle VM, Support System(s) includes Oracle VM Manager).

1.7 "**System(s)**" is defined as the computer on which the Oracle Linux programs and/or Oracle VM Server programs are installed. Where computers/blades are clustered, each computer/blade within the cluster shall be defined as a System. (For purposes of calculating the price of the Oracle VM Service Offering(s), the computers where the Oracle VM Manager programs are installed are not counted).

1.8 "**You**" and "**Yours**" refers to the individual or entity that has ordered Oracle Linux/Oracle VM Services from Contractor under Your Contract and the order accompanying these Terms and Conditions.

2. **ORACLE LINUX/ORACLE VM SERVICE OFFERING(S)**

2.1 The Oracle Linux/Oracle VM Service Offering(s) are provided at the support level and for the Oracle Linux/Oracle VM Term defined in Your order.

2.2 When ordering Oracle Linux/Oracle VM Service Offering(s) You must comply with the following availability rules:

- Oracle Linux Premier Limited, Oracle Linux Basic Limited, and Oracle VM Premier Limited are available only for Systems with no more than two (2) Physical CPUs per System.
- Oracle Linux Premier, Oracle Linux Basic, Oracle Linux Network, and Oracle VM Premier are available for Systems with any number of Physical CPUs per System.

EXHIBIT F

2.3 Upon acceptance of Your order, You have the limited right to receive the applicable Oracle Linux/Oracle VM Service Offering(s) solely for Your business operations and subject to the terms of these Terms and Conditions.

2.4 For purposes of Your order, (a) Oracle Linux Service Offering(s) consist of the Oracle Linux support services level You may have ordered for the Oracle Linux programs; and (b) Oracle VM Service Offering(s) consist of the Oracle VM support services level You may have ordered for the Oracle VM programs. If ordered, the Oracle Linux/Oracle VM Service Offering(s) (including initial year and all subsequent years) are provided under the Oracle Linux and Oracle VM support policies in effect at the time the Oracle Linux/Oracle VM Service Offering(s) are provided. The Oracle Linux and Oracle VM support policies, which are incorporated in these Terms and Conditions, are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of Oracle Linux/Oracle VM Service Offering(s) provided during the period for which fees for the Oracle Linux/Oracle VM Service Offering(s) have been paid. Oracle Linux/Oracle VM Service Offering(s) are available for certain Systems, and may be subject to additional restrictions as set forth in the Oracle Linux and Oracle VM support policies. You should review the Oracle Linux and Oracle VM support policies prior to entering into the order for the applicable Oracle Linux/Oracle VM Service Offering(s). You may access the current version of the Oracle Linux and Oracle VM support policies at http://www.oracle.com/us/support/library/enterprise-linux-support-policies-069172.pdf.

2.5 The Oracle Linux/Oracle VM Service Offering(s) are effective upon the effective date of Your order unless otherwise stated in Your order.

2.6 The Oracle Linux/Oracle VM Service Offering(s) provided under these Terms and Conditions are in support of licenses You acquired separately. All patches, bug fixes and other code received as part of the Oracle Linux/Oracle VM Service Offering(s) under these Terms and Conditions shall be provided under the terms of the appropriate license agreement that You accepted upon downloading and/or installing the Oracle Linux and/or Oracle VM program(s). The Oracle Linux/Oracle VM Service Offering(s) may also include the right to use certain additional software or tools during the Oracle Linux/Oracle VM Term for which fees for Oracle Linux/Oracle VM Service Offering(s) have been paid. The license terms for any such software or tools, as well as any limitations associated with them, will be referenced in the Program Documentation.

3. INDEMNIFICATION

3.1 Provided You are a current subscriber to the Oracle Linux/Oracle VM Service Offering(s), if a third party makes a claim against You that any Covered Programs furnished by Oracle, and used by You for Your business operations infringes its intellectual property rights, Oracle, at its sole cost and expense, will defend You against the claim and indemnify You from the damages, liabilities, costs and expenses awarded by the court to the third party claiming infringement or the settlement agreed to by Oracle, if You do the following:

a. Notify Oracle promptly in writing, not later than 30 days after You receive notice of the claim (or sooner if required by applicable law);
b. Give Oracle sole control of the defense and any settlement negotiations; and
c. Give Oracle the information, authority, and assistance it needs to defend against or settle the claim.

3.2 If Oracle believes or it is determined that any Covered Programs may have violated a third party's intellectual property rights, Oracle may choose to either modify the Covered Programs to be non-infringing (while substantially preserving their utility or functionality) or obtain a license to allow for continued use, or if these alternatives are not commercially reasonable, then Oracle may, upon 30 days notice to You, terminate Your right to receive indemnification for Your further use of the Covered Programs and refund any unused, prepaid service fees You have paid for the Covered Programs.

3.3 Notwithstanding the above, Oracle will not defend or indemnify You in connection with claims, damages, liabilities, costs or expenses arising out of, or caused by, or related to: (a) Your distribution of the Covered Programs; (b) Your alteration of the Covered Programs; (c) Your use of a version of the Covered Programs which has been superseded, if the infringement claim could have been avoided by using the current version of the Covered Programs; (d) Your use of the Covered Programs outside the scope of use identified in the user documentation or the Oracle Linux and Oracle VM support policies; (e) Your use of the Covered Programs when You were not a subscriber to the Oracle Linux/Oracle VM Service Offering(s); (f) any information, design, specification, instruction, software, data, or material not furnished by Oracle; (g) the combination of any Covered Programs with any products or services not provided by Oracle; (h) Your claim, lawsuit, or action against a third party. **This section provides Your exclusive remedy from Oracle for any infringement claims or damages, liabilities, costs or expenses.**

4. FEES AND TAXES; ORACLE LINUX/ORACLE VM-RELATED SERVICE OFFERING(S)

4.1 For the initial Oracle Linux/Oracle VM Term for which fees are to be paid for the applicable Oracle Linux/Oracle VM Service Offering(s), the fees due will be calculated based upon the number of Systems to be supported that are in existence as of the date of Your order. For the second and all subsequent Oracle Linux/Oracle VM Terms, the fees due will be calculated based on the total number of Systems supported that are in existence as of the first day of the applicable Oracle Linux/Oracle VM Term(s) (e.g., fees calculated for the second term will be based upon the total number of Systems supported that are in existence on the first day of the second term).

EXHIBIT F

4.2 In addition to the fees for the Oracle Linux/Oracle VM Service Offering(s) specified above, You agree to pay additional fees for the level of Oracle Linux/ Oracle VM Service Offering(s) ordered based on the maximum number of Supported Systems that exist simultaneously at any time during the applicable Oracle Linux/Oracle VM Term and in accordance with the Oracle Linux and Oracle VM support policies for the level of support You are ordering. In the event that You decide to increase the number of Supported Systems, You agree that You will promptly place an order for Oracle Linux/ Oracle VM Service Offering(s) for the increased number of these Supported System(s) and pay the additional required fees.

4.3 You may order a limited number of Oracle Linux/Oracle VM-related Services Offering(s) under these Terms and Conditions, as listed in the Oracle Linux and Oracle VM support policies. For these Oracle Linux/ Oracle VM-related Service Offering(s), the fees due for the initial Oracle Linux/Oracle VM Term and all subsequent Oracle Linux/Oracle VM Terms will be based on Oracle's then current Oracle Linux and Oracle VM Service Offering(s) pricing policies.

4.4 Once placed, Your order shall be non-cancelable and the sums paid nonrefundable, except as provided in these Terms and Conditions.

4.5 Oracle Linux/Oracle VM Service Offering(s) are invoiced in arrears of the Oracle Linux/Oracle VM Service Offering performance; specifically, Oracle Linux/Oracle VM Service Offering(s) fees are invoiced quarterly in arrears. The period of performance for all Oracle Linux/Oracle VM Services Offering(s) is effective upon the effective date of Your order.

5. WARRANTIES, DISCLAIMERS AND EXCLUSIVE REMEDIES

5.1 Oracle warrants that the Oracle Linux/Oracle VM Service Offering(s) will be provided in a professional manner consistent with industry standards. You must notify Oracle of any Oracle Linux/Oracle VM Service Offering(s) warranty deficiencies within 90 days from performance of the defective Oracle Linux/Oracle VM Service Offering(s).

5.2 TO THE EXTENT PERMITTED BY LAW, THIS WARRANTY IS EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5.3 ORACLE DOES NOT GUARANTEE THAT THE COVERED PROGRAMS WILL PERFORM ERROR-FREE OR UNINTERRUPTED OR THAT ORACLE WILL CORRECT ALL PROGRAM ERRORS. FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY, AND ORACLE'S ENTIRE LIABILITY, SHALL BE THE REPERFORMANCE OF THE DEFICIENT ORACLE LINUX/ORACLE VM SERVICE OFFERING, OR IF ORACLE CANNOT SUBSTANTIALLY CORRECT A BREACH IN A COMMERCIALLY REASONABLE MANNER, YOU MAY END THE RELEVANT ORACLE LINUX/ORACLE VM SERVICE OFFERING AND ORACLE WILL REFUND TO CONTRACTOR THE FEES CONTRACTOR PAID TO ORACLE FOR THE DEFICIENT LINUX/ORACLE VM SERVICE OFFERING AND CONTRACTOR WILL, IN TURN, REFUND TO YOU THE FEES YOU PAID THE CONTRACTOR FOR THE DEFICIENT ORACLE LINUX/ORACLE VM SERVICE OFFERING.

6. TERMINATION

6.1 If the Contractor or You breaches a material term of Your order or Your Contract (including these Terms and Conditions) and fails to correct the breach within thirty (30) days of written specification of the breach, then the breaching party is in default and the non-breaching party may terminate the order. If Contractor terminates the order as specified in the preceding sentence, You must pay within thirty (30) days all amounts which have accrued prior to such termination, as well as all sums remaining unpaid for the Oracle Linux/Oracle VM Service Offering(s) received under such order, plus applicable taxes (if any) and expenses. Except for nonpayment of fees, the non-breaching party may agree in its sole discretion to extend the thirty (30) day period for so long as the breaching party continues reasonable efforts to cure the breach. You agree that if You are in default under Your Contract (including these Terms and Conditions), You may not use the Oracle Linux/Oracle Service Offering(s) that are subject to the Contract.

6.2 Provisions that survive termination or expiration include those relating to limitation of liability, infringement indemnity, payment, and others which by their nature are intended to survive.

7 NONDISCLOSURE

7.1 By virtue of Your order and these Terms and Conditions, the Contractor and You may have access to information that is confidential to one another or Oracle ("**Confidential Information**"). You agree to disclose only information that is required for the performance of obligations under Your order. Confidential Information shall be limited to Your Contract (including these Terms and Condition) with the Contractor and all information clearly identified as confidential at the time of disclosure.

7.2 Confidential Information shall not include information that: (a) is or becomes a part of the public domain through no act or omission of the other party; (b) was in the other party's lawful possession prior to the disclosure and had not been obtained by the other party either directly or indirectly from the disclosing party; (c) is lawfully disclosed to the other party by a third party without restriction on the disclosure; or (d) is independently developed by the other party.

EXHIBIT F

7.3 Subject to applicable law, You, the Contractor, and Oracle agree not to disclose the other's Confidential Information to any third party other than those set forth in the following sentence for a period of three years from the date of the disclosing party's disclosure of the Confidential Information to the receiving party. You, the Contractor, and Oracle may disclose Confidential Information only to those employees or agents or subcontractors who are required to protect it against unauthorized disclosure in a manner no less protective than under these Terms and Conditions. Nothing shall prevent either party from disclosing the terms or pricing under the Contract or orders submitted under the Contract in any legal proceeding arising from or in connection with the Contract or disclosing the Confidential Information to a governmental entity as required by law. In the event You receive a valid request for Oracle's Confidential Information pursuant to applicable law, You will provide Oracle with reasonable notice of such request and give Oracle an opportunity to object to or limit any such disclosure.

8 **ENTIRE AGREEMENT**

8.1 You agree that the Contract (including these Terms and Conditions) and the information which is incorporated by written reference (including reference to information contained in a URL or referenced policy), together with the applicable order, are the complete agreement for Oracle Linux/Oracle VM Service Offering(s) ordered by You and supersedes all prior or contemporaneous agreements or representations, written or oral, regarding such Oracle Linux/Oracle VM Service Offering(s).

8.2 It is expressly agreed that these Terms and Conditions and Your order shall supersede the terms in any purchase order, procurement internet portal or any other similar non-Oracle document and no terms included in any such purchase order, portal or other non-Oracle document shall apply to the Oracle Linux/Oracle VM Service Offering(s) ordered. In the event of any inconsistencies between the rest of the Contract and these Terms and Condition, these Terms and Conditions shall take precedence.

9 **LIMITATION OF LIABILITY**

ORACLE SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR DATA USE. ORACLE'S MAXIMUM LIABILITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO YOUR ORACLE LINUX/ORACLE VM SERVICE OFFERING(S) ORDER, WHETHER IN CONTRACT OR TORT, OR OTHERWISE, SHALL BE LIMITED TO THE TOTAL AMOUNT OF FEES ACTUALLY PAID TO ORACLE, AND IF SUCH DAMAGES RESULT FROM DEFICIENT ORACLE LINUX/ORACLE VM SERVICE OFFERING(S), SUCH LIABILITY SHALL BE LIMITED TO THE FEES PAID TO ORACLE FOR THE DEFICIENT ORACLE LINUX/ORACLE VM SERVICE OFFERING(S) GIVING RISE TO THE LIABILITY.

10 **EXPORT**

Export laws and regulations of the United States and any other relevant local export laws and regulations may apply to the Oracle Linux/Oracle VM Service Offering(s). You agree that such export control laws govern Your use of any Oracle Linux/Oracle VM Service Offering(s) deliverables provided under these Terms and Conditions, and You agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, program and/or materials resulting from Oracle Linux/Oracle VM Service Offering(s) (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.

11 **FORCE MAJEURE**

With respect to Your order for Oracle Linux/Oracle VM Service Offering(s), neither You, Contractor or Oracle shall be responsible for failure or delay of performance if caused by: an act of war, hostility, or sabotage; act of God; pandemic, electrical, internet, or telecommunication outage that is not caused by the obligated party; government restrictions (including the denial or cancellation of any export, import or other license); other event outside the reasonable control of the obligated party. You, Contractor or Oracle will use reasonable efforts to mitigate the effect of a force majeure event. If such event continues for more than 30 days, You, Contractor or Oracle may cancel unperformed Oracle Linux/Oracle VM Service Offering(s) and affected orders upon written notice. This section does not excuse the obligation to take reasonable steps to follow its normal disaster recovery procedures or Your obligation to pay for Oracle Linux/Oracle VM Service Offering(s) ordered or delivered.

12 **GOVERNING LAW**

These Terms and Conditions and Your Oracle Linux/Oracle VM Service Offering(s) order are governed by the laws of Arizona.

13 **ASSIGNMENT**

You may not assign Your order or give or transfer the Oracle Linux/Oracle VM Service Offering(s) or an interest in them to another individual or entity. If You grant a security interest in the Oracle Linux/Oracle VM Service Offering(s), the secured party has no right to use or transfer those Oracle Linux/Oracle VM Service Offering(s).

EXHIBIT F

14 AUDIT

Upon 45 days written notice, Oracle may audit Your use of the Oracle Linux/Oracle VM Service Offering(s). You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information. Any such audit shall not unreasonably interfere with Your normal business operations. You shall be responsible for paying any underpaid fees related to use of the Oracle Linux/Oracle VM Service Offering(s). Contractor may assign its right to audit your use of the Oracle Linux/Oracle VM Service Offering(s) to Oracle. If the Contractor assigns its right to audit your use of the Oracle Linux/Oracle VM Service Offering(s) to Oracle, then Oracle shall not be responsible for any costs incurred by either you or Contractor in cooperating with the audit.

15 SEGMENTATION

The purchase of Oracle Linux/Oracle VM Service Offering(s) or other service offerings, programs or products through the Contractor are all separate offers and separate from any other order. You understand that You may purchase Oracle Linux/Oracle VM Service Offering(s) or other service offerings, programs or products independently of any other order. Your obligation to pay under any order is not contingent on performance of any other service offerings or delivery of programs or products. You acknowledge that You have entered into the purchase through the Contractor without reliance on any financing or leasing arrangement with Oracle or its affiliate.

16 OTHER

16.1 You understand that no partnership, joint venture, or agency relationship exists between You and Oracle or between Contractor and Oracle. You, Contractor and Oracle are responsible for paying their own employees, including employment related taxes and insurance.

16.2 If any term of these Terms and Conditions is found to be invalid or unenforceable, the remaining provisions will remain effective and such term shall be replaced with a term consistent with the purpose and intent of these Terms and Conditions.

16.3 Oracle Linux/Oracle VM Service Offering(s) are not designed for or specifically intended for use in nuclear facilities or other hazardous applications. You agree that it is Your responsibility to ensure safe use of Oracle Linux/Oracle VM Service Offering(s) in such applications.

16.4 Oracle is a third party beneficiary of any order placed under these Terms and Conditions, but does not assume any of Contractor's obligations thereunder..

16.5 You understand that Oracle's business partners, including any third party firms retained by You to provide consulting services, are independent of Oracle and are not Oracle's agents.

OFFICE OF PROCUREMENT SERVICES CONTRACTOR TRAVEL AND PER DIEM POLICY

1.0 All contract-related travel plans and arrangements shall be prior-approved by the County Contract Administrator.

2.0 Lodging, per diem and incidental expenses incurred in performance of Maricopa County/Special District (County) contracts shall be reimbursed based on current U.S. General Services Administration (GSA) domestic per diem rates for Phoenix, Arizona. Contractors must access the following internet site to determine rates (no exceptions): (www.gsa.gov).

2.1 Additional incidental expenses (i.e., telephone, fax, internet and copying charges) shall not be reimbursed. They should be included in the contractor's hourly rate as an overhead charge.

2.2 The County will not (under no circumstances) reimburse for Contractor guest lodging, per diem or incidentals.

3.0 Commercial air travel shall be reimbursed as follows:

3.1 Coach airfare will be reimbursed by the County. Business class airfare may be allowed only when preapproved in writing by the County Contract Administrator as a result of the business need of the County when there is no lower fare available.

3.2 The lowest direct flight airfare rate from the Contractors assigned duty post (pre-defined at the time of contract signing) will be reimbursed. Under no circumstances will the County reimburse for airfares related to transportation to or from an alternate site.

3.3 The County will not (under no circumstances) reimburse for Contractor guest commercial air travel.

4.0 Rental vehicles may only be used if such use would result in an overall reduction in the total cost of the trip, not for the personal convenience of the traveler. Multiple vehicles for the same set of travelers for the same travel period will not be permitted without prior written approval by the County Contract Administrator.

4.1 Purchase of comprehensive and collision liability insurance shall be at the expense of the contractor. The County will not reimburse contractor if the contractor chooses to purchase this coverage.

4.2 Rental vehicles are restricted to sub-compact, compact or mid-size sedans unless a larger vehicle is necessary for cost efficiency due to the number of travelers. (NOTE: contractors shall obtain pre-approval in writing from the County Contract Administrator prior to rental of a larger vehicle.)

4.3 County will reimburse for parking expenses if free, public parking is not available within a reasonable distance of the place of County business. All opportunities must be exhausted prior to securing parking that incurs costs for the County. Opportunities to be reviewed are the DASH; shuttles, etc. that can transport the contractor to and from County buildings with minimal costs.

4.4 County will reimburse for the lowest rate, long-term uncovered (e.g. covered or enclosed parking will not be reimbursed) airport parking only if it is less expensive than shuttle service to and from the airport.

4.5 The County will not (under no circumstances) reimburse the Contractor for guest vehicle rental(s) or other any transportation costs.

5.0 Contractor is responsible for all costs not directly related to the travel except those that have been pre-approved by the County Contract Administrator. These costs include (but not limited to) the following: in-

room movies, valet service, valet parking, laundry service, costs associated with storing luggage at a hotel, fuel costs associated with non-County activities, tips that exceed the per diem allowance, health club fees, and entertainment costs. Claims for unauthorized travel expenses will not be honored and are not reimbursable.

6.0 Travel and per diem expenses shall be capped at 15% of project price unless otherwise specified in individual contracts.

7.0 Contractor shall provide, (upon request) with their invoice(s), copies of receipts supporting travel and per diem expenses, and if applicable with a copy of the written consent issued by the Contract Administrator. No travel and per diem expenses shall be paid by County without copies of the written consent as described in this policy and copies of all receipts.

Re: *Monroe County v. Mark Schofield* - Case No. 18-CA-217-P

Dear Bob;

The purpose of this letter is to explore a possible settlement of the above referenced case. Let me start by saying Cynthia Hall represented the County's interest well and should be commended. Also, I am not seeking to retry the legal issues. We lost at the trial level and on appeal, and there is no point in rehashing the rulings. With that said, I offer the following.

The Unsafe Referral. (Ex. 1) On August 2, 2010, the Building Official issued an *Unsafe/Unsanitary Referral* with the following Comments: "Broken out windows; Facia and roof trusses rotted; Fence falling down, post rotten, abandoned." (Ex. 1).

The Notice of Violation (Ex. 2). Because the NOV does not describe the extent of the violations Mr. Schofield arranged a meeting with Inspector Diane Link, who informed him what he needed to do. Inspector Link did not provide Mr. Schofield with a copy of the Unsafe Referral.

Mr. Schofield then signed a Stipulation that imposed a $500 per day fine if he failed to comply and waived his right to challenge any future orders. Mr. Schofield signed a second stipulation to extend the compliance date. It is undisputed that Mr. Schofield repaired the window, mowed the grass, removed some of the rotted facia and arranged for his neighbor to remove the rotted fence. He did not get a final inspection and there was a debate at the 2023 trial, as to what work was required and performed in 2010.

2015 Collection Letter. (Ex. 3) Mr. Schofield believed he complied with Ms. Link's directives, and was shocked when he received the County's standard "collection letter" informing him "the County's records indicate the violations remain on your property . . . and the fines will continue to run until the property comes into compliance" and to disregard the letter if he had hooked up to the sewer. By that time the $500 per day fine was over **$800,000**.

The 2015 Foreclosure. The bank filed a mortgage foreclosure action against Mr. Schofield and the County filed a cross-claim to foreclose the code enforcement lien/fines. After discussions with Steve Williams, Mr. Schofield believed he could resolve the violations and he arranged to pay off the mortgage in full. The bank and the County dismissed the pending foreclosure actions. Mr. Schofield had several meetings with the Building Official and had a registered engineer prepare a report that showed the structure could be repaired.

The 2018 Foreclosure. In a nutshell, the Court rejected our constitutional “due process” challenge to the foreclosure action because the Unsafe Referral, the Notice of Violation and the Final Order are ambiguous and lack specificity.

The Prior/Current Unsafe Ordinances. To support our legal challenge we provided the Court with the current code that requires the Building Official to actually visit the property and to **specify** "the unsafe physical criteria and the suggested methods for abatement or remediation." (Ex. 3 §6-7 "Unsafe Building"). The code in effect in 2010 did not require the Building Official to specify what was unsafe or the necessary remediation.

In a perfect world a) Mr. Schofield would not have relied on the Inspector and would have been more vigilant; b) the Inspector would not have met with Mr. Schofield and would have arranged a meeting with a building official, who would have provided specific criteria about the violations and the required remediation; and c) In the event Schofield failed to remediate as required, the County would have given Mr. Schofield fair notice that the failure to correct the specific unsafe issues by a date certain would result in a demolition order and a lien on the property for about $15,000 (instead of $2.2 million) which the County could have foreclosed at any time.

Conclusion. The Courts are tasked with resolving the legal and constitutional issues. However, the BOCC has the inherent authority to determine whether it is fair and whether justice is served by foreclosing on the $2.2 million lien. I would like to believe there is a fair and just alternative and offer the following.

Mr. Schofield agrees and will stipulate to the entry of an enforceable amended final judgment prepared by the County Attorneys Office that requires the following: 1) Mr. Schofield will apply for and obtain a demolition permit and demolish the structure within 45 days after the demolition permit is issued; and 2) Mr. Schofield will pay a $75,000 fine and pay $50, 000 for the County's attorneys fees (total $125,000) no later than 12 months after the amended final judgment is entered or earlier if the property sells. The County Attorney can maintain its $2.2 lien and foreclose the lien if Mr. Schofield fails to comply.

Please present the offer to the Board of County Commissioners at your earliest opportunity. Thank you again for your professional courtesies in speaking with me about the case.

Sincerely yours,

Andrew M. Tobin

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property on 05 08/2010 found the following violation(s):

21-20.(b) - PREMISES TO MOWED
Property needs to be mowed.

Corrective Action Required:
Mow the premises upon reciept of this notice of violation. The property must be mowed to a height not to exceed eight (8) inches. Mowing does not include or authorize the removal of native vegetation or vegetation that would require a permit for it's removal.

6-27.(b)(2)b - UNSAFE/STRUCTURAL DETERIORATIO
The Residence and all structures including the wooden fence have been deemed unsafe by the Building official due to the structural intergrity and delapidation of the construction.

Corrective Action Required:
CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A PERMIT TO DEMOLISH THE OFFENDING STRUCTURE/STRUCTURAL PARTS OR OBTAIN A PERMIT TO BRING THE STRUCTURE/ STRUCTURAL PARTS UP TO CODE. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION POSES A SERIOUS THREAT TO PUBLIC HEALTH SAFETY AND WELFARE.

6-27.(b)(2)i - UNSAFE ABANDONED COVERINGS
The building is vacant and abandoned and has been deemed unsafe by the Building Official.

Corrective Action Required:
CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A PERMIT TO BRING UP TO CODE OR DEMOLISH AS REQUIRED.
REMOVE ALL UNAPPROVED COVERINGS AS DIRECTED. NO EXTRA TIME TO COMPLY WILL BE GIVEN AS THIS VIOLATION POSES A SERIOUS THREAT TO PUBLIC HEALTH SAFETY AND WELFARE.

PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 08/26/2010 at 9:00 AM in the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida**.

TO AVOID ATTENDING THE HEARING, all violation(s) noted above must be corrected by **08/11/2010** . If a violation is corrected and then recurs, or if the violation is not corrected by the time specified, or if the violation is a repeat violation, the case may be presented to the Code Enforcement Special Magistrate even if the violation has been corrected prior to the hearing.

Failure to correct the violation(s) may result in the imposition of costs of prosecution and fines, not to exceed $1,000 per day per violation for a first violation, $5,000 per day per violation for a repeat violation, and up to $15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. If the County is forced to correct your violation(s), the Special Magistrate will order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear in person and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with this office prior to the hearing.

You may request a continuance of the hearing for good cause shown unless an unsafe violation is alleged. Unsafe violations pose a serious threat to the Public Health, Safety and Welfare . If you choose to request a continuance, a written request on the County's form must be made five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing. Contact the office of the Liaison for the Special Magistrate to submit your request: 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509; Fax: (305) 289-2858.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE ENFORCEMENT INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

Sec. 6-27. Unsafe buildings.

(a) *Definitions:* All buildings, structures, electrical, gas, mechanical or plumbing systems which are unsafe, unsanitary, or do not provide adequate egress, or which constitute a fire or windstorm hazard, or are otherwise harmful or dangerous to human life, or which in relation to existing use, constitute a hazard to safety or health shall be deemed to be unsafe structures by the Building Official or his/her authorized designee and a permit shall be obtained to demolish the structure or where specifically allowed by this section, to bring the building into compliance with the applicable codes as provided herein.

(b) *Physical criteria.*

(1) A building shall be deemed a fire or windstorm hazard and/or unsafe when:

a. There is an accumulation of debris or other material therein representing a hazard of combustion.

b. The building condition creates hazards with respect to means of egress and fire protection.

(2) A building, or a part or portion thereof, shall be deemed unsafe by the Building Official or his/her authorized designee if:

a. There is a falling away, hanging loose or loosening of any siding, block, brick, or other building material; or

b. There is a deterioration of the structure or structural parts; or

c. The building is partially destroyed; or

d. There is an unusual sagging, rippling, torsion, or leaning out of plumb of the building or any parts of the building and such effect is caused by deterioration or over-stressing; or

e. The electrical, plumbing or mechanical installations or systems create a hazardous condition contrary to the standards of the Florida Building Code and the National Electric Code; or

f. There is electrical service at or in the building or structure, without a permit having been obtained as required by the Florida Building Code; or

g. An unsanitary condition exists by reason of inadequate, insufficient, or malfunctioning sanitary facilities or waste disposal systems; or

h. There is no potable water service or electrical service; or

i. The construction, enlargement, alteration, repair or demolition of the building or part thereof or the impact resistant coverings of the building or construction or the installation of systems or components within the building or structure has been commenced or completed without a permit having been obtained as required by the Florida Building Code or where the permit has expired prior to appropriate inspections and completion or when a building or structure is occupied prior to the issuance of a certificate of occupancy or certificate of completion; or

j. The building or structure is vacant and abandoned, and covered at doors or windows with materials not previously approved by the Building Official; or

k. The building or structure has been substantially damaged by the elements, acts of God, fire, explosion or otherwise;

l. The building is being used illegally or improperly pursuant to the Florida Building Code; or

i. A change in the existing use originally approved or a previously-approved existing use has occurred without required permits, inspections, and/or approvals; or

ii. A change in occupancy classification of a building or structure or portion thereof has occurred that does not comply with the Florida Building Code; or

iii. Maintenance of conditions of occupancy or requirements of the existing occupancy classification of a building or structure or a portion thereof does not comply with the Florida Building Code from the time period when the building was originally constructed or with the code in effect at the time of construction; and

m. The building or part thereof meets the physical criteria of an unsafe structure set forth above in Section (b)(1)(a) and/or (b) and/or Section (b)(2)(a)-(l), as determined by the Building Official or Fire Marshall, with proper notice as defined in Chapter 6-27, Section (d). This provision does not supersede the authority of the Building Official under the Florida Statutes or the Florida Building Code.

(c) *Abatement:*

(1) All unsafe buildings, structures or systems are hereby declared illegal and shall be abated by repair and rehabilitation or demolition.

(2) All swimming pools or spas that contain stagnant water or do not conform with Section 424.2.17 of the Florida Building Code are deemed unsanitary and/or dangerous to human life and public welfare. If the stagnant water is not removed and/or all repairs made and brought into full compliance with the building code within a reasonable period of time, then these swimming pools or spas will be demolished.

(d) ***Notice*****.** When the **Building Official** or his/her authorized designee has after inspection declared or deemed a building, structure, electrical, gas, mechanical or plumbing system to be unsafe, then the **Building Official** or his/her authorized designee **shall issue a written unsafe declaration and/or notice of violation/notice of hearing specifying the unsafe physical criteria, the suggested methods for abatement or remediation, the time period allowed for the required abatement or remediation, and that the matter will be referred to code compliance and be prosecuted by the code compliance department if left uncured following expiration of the time period prescribed by the Building Official for that particular declaration.**

The unsafe declaration and/or notice of violation/notice of hearing shall state that the specific details concerning the violations can be obtained in writing from the Building Official or his or her designee upon request. **In addition, the notice will explain the right of appeal of the decision of the Building Official or his or her designee to applicable appellate tribunal, and advise that the jurisdictional time period to file an appeal is 30 days.**

The written unsafe declaration and/or notice of violation/notice of hearing shall be mailed to the owner of the property in question at either the address listed in the property appraiser's database as shown on the property record card for the parcel, or at the address

listed in the tax collector's office for tax notices via first class mail. The unsafe declaration and/or notice of violation/notice of hearing shall also be affixed to the building concerned.

The Building Official or his or her designee, in his or her discretion, also or alternatively **may elect to publish a notice in a newspaper of general circulation once a week for two consecutive weeks;** the published notice shall contain the address of the subject property and the names of the owner and any interested party, and state that the subject property has been found unsafe and in violation of the Florida Building Code or this chapter and may be subject to demolition.

If the unsafe physical criteria are not abated or remedied within the designated reasonable period of time prescribed by the Building Official or his/her designee, then the matter shall be referred to the code compliance department for prosecution before the code compliance special magistrate. Upon expiration of the period of appeal provided in the unsafe declaration and/or notice of violation/notice of hearing, the Building Official may record an appropriate instrument in the Official Records of the Clerk of Court, indicating that the property is in violation of the Florida Building Code or this chapter. The recording of the unsafe declaration and/or notice of violation/notice of hearing shall constitute constructive notice of the violation to all concerned, subsequent purchasers, transferees, mortgagees, lessees, grantees, and all persons claiming or acquiring interest in the property. In the event that the violation(s) is corrected, the Building Official shall file proof of the same upon payment for all fees incurred by the Building Department. This provision does not supersede the authority of the Building Official under the Florida Statutes or the Florida Building Code.

(e) *General.*

(1) All buildings now existing or hereafter constructed or developed, and all parts and portions thereof, shall be continuously and uninterruptedly maintained in a safe condition, and all devices or safeguards that are required by the Florida Building Code or this chapter shall be continuously and uninterruptedly maintained in good working order in compliance with all applicable codes.

(2) The Building Official or his or her designee, on his or her own initiative or as a result of reports from others, shall examine or cause to be examined every building appearing or reported to be unsafe, and if such is found to be an unsafe building as provided for in this section, the Building Official or his or her designee shall proceed as set forth in this section.

(3) A building meeting the criteria of an unsafe building set forth above in Section (b)(l)(a) or (b) and/or a criterion under Section (b)(2)(a)—(l), shall be presumed and deemed or declared unsafe and a permit shall be immediately obtained to demolish the building and remove it from the premises or where specifically allowed under the Monroe County Codes, the Florida Building Code, and the Monroe County Comprehensive Plan, to immediately bring the building into compliance with such Codes and Comprehensive Plan.

(4) Incomplete buildings commenced without a permit or for which the permit has expired, or completed buildings commenced without a permit or for which the permit has expired, prior to completion and no certificate of occupancy has been issued, shall be presumed and deemed or declared unsafe and a permit shall be immediately obtained to demolish the building and remove it from the premises or where specifically allowed under the Monroe County Codes, the Florida Building Code, and the Monroe County Comprehensive Plan, to immediately bring the building into compliance with such Codes and Comprehensive Plan.

(5) Buildings that are, or hereafter shall become, unsafe, unsanitary, or deficient, facilities with inadequate means of egress, or which constitute a fire or windstorm hazard, or are dangerous to human life or public welfare by reason of illegal or improper occupancy, use, or maintenance, or which have been substantially damaged by the elements, acts of God, fire, explosion or otherwise, shall be declared or deemed or declared unsafe buildings or structures and a permit shall be immediately obtained to demolish the building and remove it from the premises or where specifically allowed under the Monroe County Codes, the Florida Building Code, and the Monroe County Comprehensive Plan, to immediately bring the building into compliance with such Codes and Comprehensive Plan.

(6) All costs incurred pursuant to any of the provisions of this chapter or under the Florida Building Code shall be paid by the owner(s) or occupant(s) of the premises on which the violation occurred.

(7) The enforcing county department, including but not limited to the code compliance department and the Building Department, may institute a suit to recover such expenses against any liable person or may cause such expenses to be charged against the property on which the violation occurred as an enforceable lien.

(8) The action of the Building Official and/or Fire Marshal deeming or declaring a building to be unsafe shall not be construed as authorizing unpermitted or unapproved construction, development, additions, replacements, repairs, renovations, or demolition. All required permits and approvals must be obtained prior to the commencement of any such work.

(Code 1979, § 6-4; Ord. No. 010-2002, § 2; Ord. No. 015-2008, §§ 1, 2; Ord. No. 022-2011, § 1 ; Ord. No. 027-2022 , § 2)

Mayor's Script

For the day of Closed Session

The following should be read at the appropriate point during the day of the closed session.

1. Prior to going into closed session.

A closed attorney-client session pursuant to Section 286.011(8), Florida Statutes, will now be held concerning the matter of *Monroe County, Florida v. Mark Schofield*, 16th Judicial Circuit Case No. 18-CA-217-P. It is estimated that this meeting will take approximately thirty (30) minutes. The persons attending the closed meeting will be the County Commissioners, County Administrator Christine Hurley, County Attorney Bob Shillinger, Assistant County Attorney Kelly Dugan, and a certified court reporter.

Since the law prohibits any other person from being present at the closed session, the commissioners, the county administrator, the attorneys for the county, and the court reporter will now remain in this meeting room, and all other persons are required to leave the room. When the closed session is over, we will re-convene and re-open the public meeting. This public meeting is now closed.

2. At the beginning of the closed session.

I now call this closed session to order. For the record, this meeting is being held upon the request of the County Attorney Bob Shillinger who announced at a prior BOCC Meeting held on 02/19/25 that he needed advice in the matter of *Monroe County, Florida v. Mark Schofield*, 16th Judicial Circuit Case No. 18-CA-217-P. At that meeting, the Board approved holding a closed session and public notice was given through public announcement of the meeting at the 02/19/25 BOCC meeting and through publication of the 03/25/25 BOCC meeting agendas on the County's website. At the 03/25/25 BOCC meeting the Board approved moving the closed session to the BOCC meeting on 04/16/25 in Marathon at 10:00 a.m. or as soon thereafter as may be heard.

For the record, and the benefit of the court reporter, each of us will state our name and position starting with the commission.

(After all have identified themselves) – Thank you.

Just as a reminder, we will only be discussing settlement negotiations or strategy related to litigation expenditures. We cannot take any decisive action at this meeting. We can only provide information and direction to the attorneys. Any decisions this Board makes concerning this claim must be done in a meeting open to the public.

Let's start our discussion with the County Attorney.

3. At the end of the closed session, prior to going into open session.

This closed session is now terminated and we will now reconvene in the public meeting.

4. After the public session has been re-opened.

The attorney-client closed session has been terminated, and we are now re-opening this public meeting.

Incorporated Municipalities' Height Regulations

Key West

Charter

1.05 - Height restriction.

(a) Building height restrictions in the city's land development regulations and building code in effect as of the adoption of this charter section are subject to change only upon approval of a majority of the qualified electors casting ballots at a general municipal election.
(b) If the board of adjustment approves a height variance for habitable building space, this approval shall be submitted to the voters for ratification in the next regularly scheduled election. Board of adjustment approval shall not become effective until voter ratification. Board of adjustment height variances for nonhabitable purposes, including, but not limited to, radio towers, antennae and spires, shall be final and not be subject to referendum. Board of adjustment height variances for a build back of involuntarily destroyed structures which are nonconforming in their height shall also be final and not be subject to referendum.
(c) The maximum allowable height for habitable space on approximately 2.62 acres of City owned property on College Road in the HDR-1 zoning district shall be 40 feet for those projects that are devoted entirely to affordable workforce housing.

Comprehensive Plan

Policy 1-1.1.3: - Intensity Defined.

Floor Area Ratio (FAR) refers to the total floor area of a building(s) on any lot, parcel, or site. Floor areas do not apply to residential developments. For purposes of calculating floor area, parking area located beneath the building shall not be counted. FAR computations shall include all uses on the lot, parcel or site, including both institutional and non-residential floor area. The term "building height" as used in the Land Development Regulations shall mean the vertical distance from the crown of the nearest adjacent street to the highest point of the proposed building. The maximum FARs are further restricted by quantitative and qualitative criteria included in the Land Development Regulations, including but not limited to, such factors as minimum open space; concurrency management and level of service standards for traffic circulation; storm water management and other public facilities and services; off-street parking and internal circulation; height restrictions; landscaping; other required on-site improvements and design amenities required to achieve land use compatibility.

OBJECTIVE 1-1.12: - CONSIDER APPLICATION OF INNOVATIVE LAND AND WATER RESOURCE MANAGEMENT, CLIMATE ADAPTATION, AND ENERGY CONSERVATION CONCEPTS.

Policy 1-1.12.5: - Increased Height.

The City shall consider allowing increased heights for new construction or redevelopment if such additional height is justified based on adopted Coastal High Hazard Maps and Storm Surge Flood Maps in order to promote safe new development and redevelopment based on sea level rise predictions. Such additional height must be compatible with surrounding development.

Land Development Regulations

Sec. 107-203. - Height.

The height of structures in the planned redevelopment and development (PRD) shall not exceed 30 feet.

Key West (continued)

Sec. 122-1149. - Height.

(a) The term "building height" as used in the land development regulations shall mean the vertical distance from the crown of the nearest adjacent street to the highest point of the proposed building.
(b) Height limitations contained in the schedule of district regulations located in divisions 2 through 14 of article IV of this chapter, in division 2 of this article and in this division shall apply to all construction unless otherwise stated herein below and/or in section 122-1151.
(c) These height regulations may be waived subject to the variance criteria found in section 90-391 in order to accommodate nonhabitable hardware and utility structures typically associated with the principal structure, including spires, belfries, cupolas, antennas, water tanks, ventilators, chimneys, or other appurtenances usually required to be placed above the roof level and not intended for human occupancy or use.
(d) Flood Protection Building Height Exception: An exception to the building height regulations as referenced in subsection (b) above, may be permitted in cases where a building is raised above ground to meet or exceed FEMA established base flood elevation levels under the following conditions:
    1. Only the equivalent measure of distance from the existing ground level, prior to infill, to the required base flood elevation of the building, and up to a maximum of four (4) feet above the base flood elevation, may exceed the building height regulations.
    2. No exception shall result in a building height that would exceed 40 feet

Sec. 90-391. - Variances.

An owner or his authorized agent may request a variance from the land development regulations as provided for in this division. The planning board shall have the quasi-judicial power necessary to grant such variances that will not be contrary to the public interest where, owing to special conditions, a literal enforcement of the land development regulations would result in unnecessary hardship. A variance from the terms of the land development regulations shall not be granted by the planning board unless and until the requirements of this division are met.

Marathon

Comprehensive Plan

Policy 1-3.2.5 Maximum Height Limitation

The maximum height of any structure permitted for maintenance, repair, expansion or new construction within the City of Marathon shall be forty-two (42) feet (in Datum NAVD88) with the exception of permitted projections, unless further restricted by the Land Development Regulations. The purpose of this provision is to allow some flexibility in meeting the City's Floodplain regulations and revised FEMA Floodplain Maps. Nonconforming structures may be repaired, maintained or expanded as long as any alterations to the structure does not increase the nonconformity.

Land Development Regulations

Sec 107.40 Maximum Height

A. Unless provided for elsewhere in the LDRs, the maximum height of any structure permitted for maintenance, repair, expansion or new construction within the City of Marathon shall be 42 feet (in Datum NAVD88) feet as measured from the unimproved grade directly adjacent to the structure or from the crown of the roadway, whichever is greater. No structure, except for deed restricted affordable housing, shall exceed three (3) stories whether a story is utilized for building entry, parking, storage, habitation or a valid commercial or industrial use. The purpose of this provision is to allow some flexibility in meeting the City's Floodplain regulations and revised FEMA Floodplain Maps. Nonconforming structures may be repaired, maintained or expanded as long as any alterations to the structure does not increase the nonconformity.
B. Building height shall be measured to the highest point of the roof. The height measurement shall be to the roof peak for structures with pitched roofs and the roof slab for structures with flat roofs.

Sec 107.41 Height--Exceptions to Limits

The following structures may be erected above the height limits of this Code: minor decorative architectural features as determined by the Director, mechanical equipment, skylights, flagpoles, air conditioner units, plumbing stacks, church steeples, ham radio antennas, and antenna supporting structures. Except for architectural features, all such structures shall be screened from view; screening is allowed only to the minimum height necessary.

Charter

Sec 11 General Provisions

(1) Charter amendments. This charter may be amended in accordance with the provisions for charter amendments as specified in the Municipal Home Rule Powers Act, F.S. ch. 166, as the same be amended from time to time, or its successor, or as may otherwise be provided by general law. The form, content, and certification of any petition to amend shall be established by ordinance.
(2) Standards of conduct. All elected officials and employees of the village shall be subject to the standards of conduct for public officers and employees set by general law. In addition, the village council shall, no later than six months from the effective date of incorporation, establish by ordinance a code of ethics for officials and employees of the village which may be supplemental to general law, but in no case may such an ordinance diminish the provisions of general law. The intent of this provision of the charter is to require more stringent standards than those provided under general law.
(3) Height restrictions. **The maximum height of a structure in the village, as defined in the code, shall be 35 feet,** excluding chimneys, spires and steeples on structures utilized for institutional and public uses only, radio or television antennas, flagpoles, solar apparatus and utility poles, excluding the replacement of a structure to existing height if destroyed by a natural disaster and providing for a variance procedure.

Comprehensive Plan

Policy 1-2.1.7: Establish Height Limitation

The maximum height of any habitable portion of a structure shall be **thirty-five (35) feet**, unless further restricted by the Land Development Regulations.

Land Development Regulations

Sec 30-32 Specific Definitions

Building height means the measurement of the vertical distance between one of the following:

(a) The vertical distance above the crown of road of the adjacent fronting road to the highest point of a structure;
(b) The vertical distance between the existing average grade and the highest point of a structure, provided however, if the existing average grade is below the crown of road it may be increased no more than three feet from the existing average grade.
(c) The design flood elevation (DFE) or up to three feet above the DFE and the highest point of a structure located within the special flood hazard area (SFHA); whichever is higher. This measurement includes mechanical equipment, but excludes chimneys, spires and steeples on structures utilized for institutional and public uses only, radio or television antennas, flagpoles, solar apparatus, and utility poles. However, in no event shall any of the exclusions enumerated above be constructed to permit any habitable or usable space to exceed the applicable height limitation of **35 feet within all zoning districts.** In the case of airport districts, the height limitations therein shall be absolute and the exclusions enumerated above shall not apply.

Land Development Regulations

Sec. 101-4. - Rules of construction; definitions.

Building height means the vertical distance between the crown of the nearest paved road and the highest part of any structure, including mechanical equipment, but excluding chimneys, spires and steeples on structures utilized for institutional and public uses only, radio or television antenna, flagpoles, solar apparatus, and utility poles. However, in no event shall any of the exclusions enumerated in this definition be construed to permit any habitable or usable space to exceed the applicable height limitations.

"SF" Single-Family; "MF" Multifamily; "C" Commercial;"CD" Conservation; "PD" Public Use---**Maximum Heigh 30'**

Sec. 101-33. - Height.

The following regulations apply in all districts:

(1) Exemptions. The height limitations of this chapter shall not apply to chimneys and standpipes.
(2) Roof top equipment. Water tanks, and necessary air conditioning and other mechanical appurtenances, when appropriately screened, may be erected on a building to a height greater than the limit established for the district in which the building is located, provided that no such exception shall cover more than eight (8) per cent of the area of the roof on which it is located nor shall it be used for dwelling purposes. The screening shall be erected only to a height and size necessary to screen the equipment and must be shown on the plans and approved by the building official.
(3) Under no circumstances shall the exemptions or roof top equipment cause there to be any structure or appurtenances of a height greater than five (5) feet above the height of the main structure.

Sec. 101-10. - R-1A One dwelling unit residence district.
Sec. 101-11. - R-1B One dwelling unit residence district.
Sec. 101-12. - R-2A Two dwelling unit residence district.
Sec. 101-14. - R-2C Two dwelling unit residence district.
Height. Maximum of 30 feet or 2 stories, whichever is less, for structures with habitable dwelling space below the applicable base flood elevation. Maximum of 40 feet and 2 stories and a minimum of 2' additional freeboard over that mandated by Florida Building Code for structures where all habitable space exceeds applicable base flood elevation. No mechanical equipment shall be allowed on roof.

Sec. 101-13. - R-2B Two dwelling unit residence district.
(8) Height. Maximum of 20 feet or 1 story, whichever is less, for structures with habitable dwelling space below the applicable base flood elevation. Maximum of 40 feet and 2 stories and a minimum of 2' additional freeboard over that mandated by Florida Building Code for structures where all habitable space exceeds applicable base flood elevation. In the event that application is made to elevate only one-half of an existing duplex, the architectural review procedures of section 101-167(2)(i) shall be applicable, with a particular emphasis on the resulting harmoniousness with the adjoining half-duplex. Notification of the architectural review hearing shall be made in writing to all property owners withing three hundred (300) feet of the proposed construction and notice of the hearing shall be published in a newspaper of general circulation in Key Colony Beach no less than seven (7) days prior to the date of the hearing. No mechanical equipment shall be allowed on roof.

Sec. 101-15. - R-3 Multiunit residence district.
(10) Height. Maximum of 3 stories, but in no case more than 35 feet, whichever is less, for structures with habitable dwelling space below the applicable base flood elevation. Maximum of 48 feet and three stories and a minimum of 2' additional freeboard over that mandated by Florida Building Code for structures where all habitable space exceeds applicable base flood elevation. No mechanical equipment shall be allowed on roof.

Sec. 101-16. - RH Resort hotel district.
(11)Height. Maximum of 3 stories, but in no case more than 48 feet in height. No mechanical equipment shall be allowed on roof.

Sec. 101-17. - B-1 Neighborhood business district.
(10) Height. Maximum of 2 stories, but in no case more than 48 feet in height and a minimum of 2' additional freeboard over that mandated by Florida Building Code. No mechanical equipment shall be allowed on roof.

Sec. 101-18. - PB Public buildings and grounds districts.
Height maximum of 2 stories but in no case more than 48 feet in height and a minimum of 2' additional freeboard over that mandated by Florida Building Code. No mechanical equipment shall be allowed on roof.

Sec. 101-19. - PR Public recreation district.
Height maximum of 40 feet.

MONROE COUNTY - Height Regulations (April 2025)

Comprehensive Plan –

Objective 101.5

Monroe County shall regulate future development and redevelopment to maintain and enhance the character of the community and protect natural resources by providing for the compatible distribution of land uses consistent with the designations shown on the Future Land Use Map. [F.S. § 163.3177(6)(a)]

…

Policy 101.5.30

In order to preserve the existing community character and natural environment, Monroe County shall limit the height of structures including landfills to 35 feet. Height is defined as the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding spires and/or steeples on structures used for institutional and/or public uses only; chimneys; radio and/or television antennas; flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antennas and/or collocations. However, in no event shall any of the exclusions enumerated above be construed to permit any habitable or usable space to exceed the applicable height limitations, except as specifically permitted in Policies 101.5.31, 101.5.32 and 101.5.33. In the case of airport districts, there shall be no exceptions to the 35-foot height limitation.

(Ord. No. 016-2017, § 1, 9-27-2017)

Policy 101.5.31

For Ocean Reef, a gated master planned community which is inaccessible to the surrounding community, and has a distinct community character, buildings may include non-habitable architectural decorative features (such as finials, railings, widow's walk, parapets) that exceed the 35-foot height limit in Policy 101.5.30, but such features shall not exceed 5 feet above the building's roof-line. This exception shall not result in a building together with any architectural decorative feature with a height that would exceed 40 feet.

In addition, within the Ocean Reef gated master planned community, upon evidence submitted that the proposed building height has been approved by the master association, Ocean Reef Community Association Inc., pursuant to its Building Regulations and Restrictions, buildings containing multifamily residential, transient, and/or nonresidential uses may be developed or redeveloped to a total maximum building height of 60 feet, provided the buildings are limited to four (4) habitable floors. Such development on property owned by Ocean Reef Club, Inc. shall not be required to provide evidence it has been approved by the master association, based on its exemption from master association review under the Ocean Reef gated master planned community's governing documents.

As used in this policy, a master planned community means a planned community of 100 or more acres in area subject to a master plan or other development order approved by the county where public access is restricted and the community is operated and maintained by the community including the provision of comprehensive, private utilities and transportation facilities and services within its boundaries and a homeowners association or similar entity which regulates development standards and monitors development requests by its members.

(Ord. No. 016-2017, § 1, 9-27-2017; Ord. No. 046-2019, § 1, 12-11-2019)

Policy 101.5.32

Monroe County shall maintain Land Development Regulations which provide a Flood Protection Height Exception to Policy 101.5.30 to promote public health, safety and general welfare; allow adaptation to coastal flooding, storm surge and other hazards; protect property from flooding and minimize damages; minimize public and private losses due to flooding; minimize future expenditures of public funds for flood control projects and for recovery from flood events; and mitigate rising flood insurance premiums.

A Flood Protection Height Exception of up to a maximum of five (5) feet above the 35-foot height limit shall be provided to-allow lawfully existing buildings to be voluntarily elevated up to three (3) feet above FEMA base flood elevation; and a flood protection height exception of a maximum of three (3) feet above the 35-foot height limit shall be provided to allow new (new construction or substantially improved) buildings to voluntarily elevate up to three (3) feet above FEMA base flood elevation. These exceptions are in order to promote flood protection, minimize flood damage, reduce flood insurance premiums and minimize future expenditures of public funds for recovery from flood events. In no case shall a Flood Protection Height Exception result in a new building exceeding a maximum height of 38 feet or a lawfully existing building exceeding a maximum height of 40 feet.

After the adoption and on the effective date of *updated* FEMA Flood Insurance Rate Maps (FIRMs), lawfully established existing residential buildings and new residential buildings (includes substantial improvements) located within the Special Flood Hazard Area shall have a maximum height limit of 40 feet in order to elevate to or maintain the required elevation based on the *Florida Building Code*, as specified in R322.2.1 and R322.3.2 (elevation requirements).

Additions to lawfully established existing residential buildings within the Special Flood Hazard Area that are substantial improvements shall have a maximum height limit of 40 feet in order to elevate the addition to the *Florida Building Code* required flood elevation.

Additions to lawfully established existing residential buildings within the Special Flood Hazard Area that are not substantial improvements shall have a maximum height limit of 40 feet, if the addition meets the *Florida Building Code* flood elevation requirements in R322.2.1 and R322.3.2; the remaining lawfully established existing building shall not receive the flood height exception of 40 feet.

Any portion of the building within the Special Flood Hazard Area that meets the required flood elevation of the updated FEMA FIRMs shall be given a height limit of 40 feet. In no case shall this height limit for flood protection result in a new residential building or a lawfully existing residential building exceeding a maximum height of 40 feet.

Updated FEMA FIRMs are the maps adopted subsequent to FEMA Flood Insurance study and the accompanying Flood Insurance Rate Maps, dated February 18, 2005.

(Ord. No. 016-2017, § 1, 9-27-2017; Ord. No. 013-2022, § 2(Exh. 1), 8-17-2022; Ord. No. 028-2022, § 2, 11-15-2022)

Policy 101.5.33

Monroe County shall maintain Land Development Regulations which provide a Flood Protection Height Exception for lawfully established existing buildings which exceed the 35-foot height limit, to promote public health, safety and general welfare; allow adaptation to coastal flooding, storm surge and other hazards; protect property from flooding and minimize damages; minimize public and private losses due to flooding; minimize future expenditures of public funds for flood control projects and for recovery from flood events; and mitigate rising flood insurance

premiums. A lawfully established existing building may be repaired, improved, redeveloped and/or elevated to meet required FEMA base flood elevation (BFE) provided the building does not exceed a total maximum building height of 40 feet, and the building is limited to the existing lawfully established intensity, floor area, building envelope (floor to floor height), density and type of use. For lawfully established existing buildings that are proposed to exceed a total height of 40 feet, a public hearing before the Planning Commission and the Board of County Commissioners shall be required to review and specify the maximum approved height prior to issuance of any county permit or development approval. The Planning Commission shall provide a recommendation to the BOCC on the maximum height of a building. The BOCC shall adopt a resolution specifying the maximum approved height.

(Ord. No. 016-2017, § 1, 9-27-2017; Ord. No. 013-2022, § 2(Exh. 1), 8-17-2022)

Glossary

Grade means the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher.

Height means the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding the following: spires and/or steeples on structures used for institutional and/or public uses only; chimneys; radio and/or television antenna; flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in the Land Development Code. However, in no event shall any of the exclusions enumerated in this definition be construed to permit any habitable or usable space to exceed the maximum height limitation. In the case of airport districts, the height limitations therein shall be absolute and the exclusions enumerated in this definition shall not apply.

Land Development Code

Sec. 101-1. Definitions.

The following words, terms and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

…

Grade means the highest natural elevation of the ground surface, prior to construction, next to the proposed walls of a structure, or the crown or curb of the nearest road directly adjacent to the structure, whichever is higher. To confirm the natural elevation of the ground surface, prior to construction, the county shall utilize the Light Detection and Ranging (LiDAR) dataset for Monroe County prepared in 2007 and other best available data, including, but not limited to, pre-construction boundary surveys with elevations, pre-construction topographic surveys, elevation certificates and/or other optical remote sensing data.

…

Height means "the vertical distance between grade and the highest part of any structure, including mechanical equipment, but excluding the following: chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna, flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in Chapter 146. However, in no event shall any of the exclusions enumerated in this definition be construed to permit any habitable or usable space to exceed the applicable height limitations. In the case of airport districts, the height limitations therein shall be absolute and the exclusions enumerated in this definition shall not apply.

Sec. 131-2. Maximum Height.

No structure or building shall be developed that exceeds a maximum height of 35 feet. Exceptions will be allowed for chimneys; spires and/or steeples on structures used for institutional and/or public uses only; radio and/or television antenna; flagpoles; solar apparatus; utility poles and/or transmission towers; and certain antenna supporting structures with attached antenna and/or collocations as permitted in chapter 146. Exceptions will be allowed for flood protection as specifically permitted in Policies 101.5.32 and 101.5.33, and within Ocean Reef as provided in Comprehensive Plan Policy 101.5.31 and restated in subsection (a) below. However, in no event shall any of the exclusions enumerated in this section be construed to permit any habitable or usable space to exceed the maximum height limitation, except as specifically permitted in Policies 101.5.31, 101.5.32 and 101.5.33. In the case of airport districts, the height limitations there in shall be absolute and the exclusions enumerated in this section shall not apply.

(a) Within the Ocean Reef master planned community which is gated, isolated and inaccessible to the surrounding community, and has a distinct community character, buildings may include non-habitable architectural decorative features (such as finials, railings, widow's walk, parapets) that exceed the 35-foot height limit in Policy 101.5.30, but such features shall not exceed 5 feet above the building's roof-line. This exception shall not result in a building together with any architectural decorative feature with a height that would exceed 40 feet.

In addition, within the Ocean Reef gated master planned community, upon evidence submitted that the proposed building height has been approved by the master association, Ocean Reef Community

Association Inc., pursuant to its building regulations and restrictions, buildings containing multifamily residential, transient, and/or nonresidential uses may be developed or redeveloped to a total maximum building height of 60 feet, provided the buildings are limited to four habitable floors. Such development on property owned by Ocean Reef Club, Inc. shall not be required to provide evidence it has been approved by the master association, based on its exemption from master association review under the Ocean Reef gated master planned community's governing documents.

(b) As provided in Policy 101.5.32, buildings voluntarily elevated to meet or exceed the FEMA Base Flood Elevation (BFE) may exceed the 35-foot height limit as follows:

(1) For NEW single family (detached dwelling unit) and multi-family (attached dwelling unit) buildings which are voluntarily elevated to exceed the building's minimum required BFE, an exception of a maximum of three (3) feet above the 35-foot height limit may be permitted. The amount of the height exception shall be no greater than the amount of voluntary elevation above BFE. In no event shall a new building exceed 38 feet in height or two (2) habitable floors. The space below the lowest habitable floor of an elevated structure shall be limited to a maximum of 299 square feet of enclosed floor area and shall be used exclusively for parking of vehicles, elevators, limited storage and/or building access purposes. This exception shall apply to the substantial improvement of buildings, whether voluntary or not.

(2) For lawfully established EXISTING (detached and attached dwelling unit) buildings which do not exceed the 35-foot height limit and are voluntarily retrofitted to meet and/or exceed the building's minimum required BFE, an exception of a maximum of five (5) feet above the 35-foot height limit may be permitted. The amount of the height exception shall be no greater than the distance necessary to elevate the building to meet BFE plus up to three (3) feet of voluntary elevation above BFE. In no event shall an existing building be elevated to exceed a total building height of 40 feet.

(3) No exception shall result in a total building height that exceeds 40 feet.

(4) Buildings not being elevated to at least meet the required FEMA BFE are not eligible for this exception.

(c) As provided in Policy 101.5.32, after the adoption and on the effective date of updated FEMA flood insurance rate maps (FIRMs), residential buildings elevated to meet or exceed the FEMA base flood elevation (BFE) may exceed the 35-foot height limit as follows:

(1) Lawfully established existing residential buildings and new residential buildings (includes substantial improvements) located within the special flood hazard area, shall have a maximum height limit of 40 feet in order to elevate to or maintain the required elevation based on the Florida Building Code, as specified in R322.2.1 and R322.3.2 (elevation requirements).

a. In no event shall a new residential building exceed 40 feet in height.

b. Additions to lawfully established existing residential buildings that are substantial improvements shall have a maximum height limit of 40 feet in order to elevate the addition to the Florida Building Code required flood elevation.

c. Additions to lawfully established existing residential buildings that are not substantial improvements shall have a maximum height limit of 40 feet, if the addition meets the Florida Building Code flood elevation requirements in R322.2.1 and R322.3.2; the remaining lawfully established existing building shall not receive the flood height exception of 40 feet.

d. Any portion of the building that meets the required flood elevation of the updated FEMA FIRMs shall be given a height limit of 40 feet.

(2) The updated FEMA flood insurance rate maps are the maps adopted subsequent to FEMA flood insurance study and the accompanying flood insurance rate maps, dated February 18, 2005.

(3) The total building height shall not exceed 40 feet. Buildings not elevated to or maintaining the required elevation based on the Florida Building Code, are not eligible to use the height limit within this subsection.

(d) As provided in Policy 101.5.33, lawfully established EXISTING multi-family (attached dwelling unit) buildings which exceed the 35-foot height limit may be repaired, improved, redeveloped and/or elevated to meet the required FEMA BFE provided the building does not exceed a total maximum building height of 40 feet, and the building is limited to the existing lawfully established intensity, floor area, building envelope (floor to floor height), density and type of use. A Flood Protection Height Exception of a maximum of five (5) feet may be permitted to meet the building's minimum required FEMA BFE. The amount of the exception shall be no greater than the amount of elevation necessary to meet BFE. Buildings not being elevated to at least meet the required FEMA BFE are not eligible for this exception.

(e) As provided in Policy 101.5.33, for lawfully established EXISTING multi-family (attached dwelling unit) buildings which exceed the 35-foot height limit that are proposed to exceed a total height of 40 feet, a public hearing before the Planning Commission and Board of County Commissioners to review and specify the maximum approved height shall be required prior to issuance of any county permit or development approval. The Planning Commission shall provide a recommendation to the BOCC on the maximum height of a building. The BOCC shall adopt a resolution specifying the maximum approved height.

(1) For lawfully established EXISTING multi-family (attached dwelling unit) buildings that are voluntarily repaired, improved, redeveloped and/or elevated to meet the building's minimum required FEMA BFE, but will require a height exception of more than five (5) feet, a Flood Protection Height Exception exceeding the 35-foot height limit may be provided by the BOCC based on the following criteria:

a. The flood zone of the parcel;

b. The number of dwelling units lawfully established and an analysis of the number of dwelling units which may not be able to redevelop on the subject parcel without a height exception;

c. The physical characteristics of the existing building and parcel;

d. The susceptibility of the existing building and its contents to flood damage and the effects of such damage on the property owner;

e. The possibility that materials from the existing building may be swept onto other lands to the injury of others;

f. The availability of alternate solutions;

g. If the new proposed building height will result in increased flood risk; result in additional threats to public safety; result in extraordinary public expense; create nuisance; or cause fraud on or victimization of the public; and

h. Community character.

i. Buildings not being elevated to at least meet the required FEMA BFE are not eligible for this exception.

(2) A BOCC resolution shall specify the findings of criteria of (d)(1) a. through i. (above) and specify the approved maximum total height for the proposed building.

Alliance for Aging - I found no statute or regulation requiring membership of or participation by a county commissioner.

Arts Council - F.S. 265.32(2)(b)3 requires that a county commissioner serve on the arts council if one is created by the county. State and federal statutes contemplate "local arts agencies" as a conduit for funding and promoting arts. FS 265.283, FS 265.286 20 USCA 954, 20 USCA 7292, 20 USCA 952.

Audit Selection Committee - Required by F.S. 218.391(2) which requires each constitutional officers and one member of the BOCC.

Circuit 16 Juvenile Justice Board – Required by statute F.S. 985.664 but county commission may designate someone other than a commissioner to sit on the board. F.S. 985.664(4)(g).

Early Learning Coalition – Created by F.S. 1002.83 though the statute and the bylaws do not specifically require that a county commissioner be appointed. F.S. 1002.83(4)(h) reads: "one member appointed by a board of county commissioners or the governing board of a municipality." Section 5.1(j) of the Bylaws reads: "An appointee selected by a local county Board of County Commissioners. This position shall be a rotating position between Miami-Dade and Monroe County."

Fire & Ambulance Taxing District 1 BOG – Ordinance 045-1988 requires 3 members of the BOCC serve on the governing body of the district.

Florida Association of Counties – There is no known requirement for the Board to participate in FAC or to serve on the Board of Directors.

Florida Keys Council for People with Disabilities – This committee is a creation of the BOCC. There is no known requirement to have a liaison or to continue this board.

Florida Keys Transportation Coordination Committee – This committee is a creation of the BOCC, see Resolution 201-2019. One elected from each Keys city & the county.

Key West Airport Ad Hoc Committee - This board is a creation of the BOCC by board action. There is no known statute, resolution or ordinance mandating the continuation of this board.

Marine and Port Advisory Committee – Authorized by chapter 315 but not required. Created by resolutions. No requirement for liaison or commissioner to sit on this committee.

Marine Sanctuary Water Quality Steering Committee – Section 2209 of Public law 102-587 requires the participation of 3 "individuals in local government in the Florida Keys. This statute does not specifically require participation by a County Commissioner. https://www.gpo.gov/fdsys/pkg/STATUTE-106/pdf/STATUTE-106-Pg5039.pdf. This requirement is repeated in the FKNMS WQPP Steering Committee Bylaws. http://www.dep.state.fl.us/legal/Operating_Agreement/Agreements/FKNMS/Water_Quality_Protection_Program_Steering_Committee_Bylaws.pdf.

Marine Sanctuary Advisory Council – The Florida Keys National Marine Sanctuary Advisory Council Charter requires that one of its members be an elected county official but I did not find any statute or regulation that mandated this membership. http://sanctuaries.noaa.gov/management/pdfs/fknms_council.pdf.

Monroe County Community Alliance – This board is required by F.S. 20.19 but statute does not require a county commissioner to sit on the board. Instead, F.S. 20.19(5)(d) requires that the initial board include "a representative of county government."

Monroe County Local Coordinating Board for the Transportation Disadvantaged – F.A.C. 42-2.012(1) requires that the chairperson of the coordinating board "be an elected official from the county that the coordinating board serves." This language does not necessarily REQUIRE that the chair be a county commissioner; instead, another local elected official from an entity within the county can serve as chair.

Small County Coalition – Optional. No requirement of BOCC participation.

South Florida Regional Council – F.S. 186.504 requires participation by a commissioner on the South Florida Regional Council as a member.

Substance Abuse Policy Board – BOCC chair or member designated by the chair required to serve on board under F.S. 394.657. Resolution 279-1990 requires that a county commissioner serve on the board.

Tourist Development Council – Both F.S. 125.0104(4)(e) and MCC sec. 23-199(b)(1) require that the BOCC chair or another commissioner designated by the chair must sit on the TDC.

Value Adjustment Board – F.S. 194.015 requires that the BOCC elect 2 of its members to serve on the VAB, plus a third member to serve as an alternate. One of the county commissioners must chair the VAB.

Voter Canvassing Board - F.S. 102.141(1) requires that the BOCC chair must serve on the canvassing board except when on the ballot or an active participant in a campaign of election being canvassed.

Approval of Contract for Audit Services with Purvis, Gray and Company, LLP.

ITEM BACKGROUND:

Monroe County is required by F.S. 218.39 to have an external auditor. In December 2024, the Audit Selection Committee issued a Request for Proposals (RFP) for selection of the external audit. The RFP contemplated an initial term of 3 years with options to extend for an additional 2 years. The Audit Selection Committee is composed of a member of the Board of County Commissioners and representatives from each of the five constitutional officers in the County.

On March 25, 2025, the Board of County Commissioners (BOCC) approved the recommendation of the Audit Selection Committee to award a contract to the highest-ranked company, Purvis, Gray and Company, LLP. The contract will cover audit services for three fiscal years (ending 9/30/2025, 9/30/2026, and 9/30/2027), with the County's option to extend for two additional 1-year terms.

The services to be provided by the auditor will include audits of the financial reports for the Board of County Commissioners, each of the constitutional officers (Sheriff, Tax Collector, Supervisor of Elections, Clerk of Courts, and Property Appraiser), and the Monroe County Comprehensive Plan Land Authority. The BOCC audit will also include a separate, more-detailed stand-alone audit of the financial report for the Key West International Airport (KWIA) that is in compliance with generally accepted accounting principles, to provide more information for bondholders and prospective bondholders in anticipation of the issuance of bonds to pay for the cost of airport improvements. The BOCC audit will also include the auditors performing agreed-upon procedures for the Tourist Development Council Annual Report based upon agreed-upon procedures between the County and Auditor.

Purvis, Gray and Company LLP has agreed to accept a fixed fee for Year 1 of the contract ($360,000, including $340,000 for audits of standard annual reports plus $20,000 for the KWIA audit). The fee for performing the Agreed-Upon procedures for the Tourist Development Council Annual Report is estimated between $5,000 to $10,000. The amount will be finalized after the Auditor performs initial fieldwork but will not exceed the stated range. In Years 2 and 3, the fee will be adjusted by the percentage change in the US Department of Commerce Consumer Price Index (CPI) for all Urban Consumers for financial services as reported by the US Bureau of Labor Statistics as of December 31st of the previous year.

PREVIOUS RELEVANT BOCC ACTION:

3/25/2025: Item M4, BOCC approves request from Audit Selection Committee to authorize a negotiating team to negotiate a fixed fee contract with top ranked firm Purvis, Gray and Company LLP in accordance with F.S. 218.391(4)(a).

AGREEMENT FOR AUDIT SERVICES

This Agreement for Audit Services is made and entered into this 16th day of April, 2025, by and between the Board of County Commissioners of Monroe County, Florida (hereinafter "County"), , and Purvis, Gray and Company, LLP, a limited liability partnership having an office located at 5001 Lakewood Ranch Blvd., Suite 101 Sarasota, FL 34240 and duly organized and authorized to do business in the State of Florida (hereinafter "Auditor"). (County and Auditor are hereinafter collectively referenced as the "Parties.").

WHEREAS, the Monroe County, Florida Auditor Selection Committee, in accordance with Section 218.391, Florida Statutes, has followed the statutory procedures, including establishing factors to use for the evaluation or audit services to be provided, publicly announcing the Request for Proposals ("RFP"), providing interest firms with a request for proposal, evaluating the proposals, ranking and recommending in order no fewer than three firms in order to secure auditor services; and

WHEREAS, the Auditor submitted a proposal in response to the RFP, which was reviewed and evaluated by the Audit Selection Committee, which ranked the Auditor as the top firm and deemed it most qualified to provide professional auditing services; and

WHEREAS, the Audit Selection Committee presented its recommendation to the Board of County Commissioners ("BOCC") and obtained approval of the BOCC to negotiate a contract with the Auditor; and

WHEREAS, terms satisfactory to both Parties have been negotiated pursuant to said statute;

NOW THEREFORE, in consideration of the mutual promises and covenants below, the parties agree as follows:

1. CONTRACT DOCUMENTS.

This Contract for Audit Services ("Agreement") shall consist of this Agreement including Attachment A- Letter of Engagement, any exhibits, attachments, and addenda to this Agreement, the RFP issued by the Audit Selection Committee and addendum to the RFP, and the proposal submitted by the Auditor in response to the RFP. In the event of any inconsistency between this Agreement and the contents of any addenda or exhibits to this Agreement (including the RFP), the terms of this Agreement shall prevail.

2. SCOPE OF SERVICES.

Auditor shall conduct and provide an Annual Comprehensive Financial Report (ACFR) as required by Florida Statutes section 218.39. Such audit shall be subject to the limitations and responsibilities identified in Engagement letter, Attachment A to this Agreement. In addition, such audit shall be conducted in accordance with U.S. generally accepted auditing standards as promulgated by the American Institute of Certified Public Accountants (AICPA) Industry Audit Guide, Audits for State and Local Government Units, AICPA standards and procedures, the Florida Single Audit Act, Title 2 U.S. Code of Federal

Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), and, excluding review of economy and efficiency of operations and program results, standards and procedures set forth in Government Auditing Standards issued by the Comptroller General of the United States.

The Auditor will also conduct the audit in accordance with any other applicable federal, state and local regulations or professional guidance not specifically listed previously as well as any additional requirements that may be adopted by these organizations in the future. This audit includes the financial records concerning the operations of the County as a whole, each Constitutional Officer, and any dependent district reported as part of the primary government (blended component unit). Audits of financial statements of discrete component units, either currently in existence or established subsequently to the beginning date of this Agreement, are excluded from this Agreement. It is possible that additional "funds" or blended component units will be established by the County during the term of this Agreement. The compensation stated in this Agreement will include the audit procedures related to such additional funds or component units unless it is agreed by the County and Auditor that they significantly and materially impact the audit.

2.1. Auditor shall provide the work plan and services as described in detail in Attachment A, hereby incorporated by reference. The Auditor, prior to commencing any fiscal year audit, will provide a detailed audit plan and proposed timeline for each of the County entities to be audited. The time-related obligations shall be conditioned upon Auditor's receipt of necessary County and Constitutional Officer data (including confirmation requests and consultant's reports) in useable form, access to knowledgeable County and Constitutional Officer personnel, and other timely cooperation by County and the Constitutional Officers. Auditor shall conduct an exit interview with each of the Constitutional Officers and dependent district executive officers prior to the issuance of final reports.

2.2. The audit fieldwork, including any analytical review, shall be completed on-site for at least one week in the offices of the County, each Constitutional Officer and the dependent district. The County’s preference is for Auditors to be on-site in early December and/or during the summer months (May-August). The Airport does not prefer onsite time with the Auditors.

2.3. The financial audit reports applicable to the County and Constitutional Officers, as required by F.S. 218.39-Annual financial audit reports and Chapter 10.550- Rules of the Auditor General, shall include the following:

2.3.1. Auditor's Report on Examination of Financial Statements. This report shall include but not be limited to:

2.3.2. A statement of the scope of the audit; and

2.3.3. Explanatory comments (if any) concerning exceptions by Auditor as to application of either U.S. generally accepted auditing standards, U.S. generally accepted accounting principles or the consistency of application of such principles.

2.3.4. Financial Statements. Financial statements will be prepared independently by the Constitutional Officers and by the County for all entities except for the Land Authority's financial statements, which will be prepared by the Auditors.

2.3.5. Auditor's Letter of Comments and Recommendations. A letter shall be provided to County containing various comments and recommendations by the Auditor based upon review of the County's system of operations, internal controls and other findings and requirements by the Florida Auditor General. Similar letters shall be submitted to each of the County Constitutional Officers and dependent district.

2.3.6. Other Reports. Reports shall include reports required by Government Auditing Standards; and Federal and State Agencies. If applicable, reports issued pursuant to the Federal and State of Florida Single Audit Acts shall be included.

2.4. The Auditor will provide guidance to the County and each Constitutional Officer on application of new accounting standards and other best practices as applicable.

2.5. It is recognized that one of the primary purposes of the audit is to be able to provide assurances to state and federal funding agencies. If any of those agencies require an opinion in a style or format different than the Auditor's standard style or format, the Auditor shall reissue the opinion in a style or format acceptable to the funding agency.

2.6. Auditor shall prepare and submit to the Board of County Commissioners a letter regarding the County's compliance with the terms of its various bond issues. The Auditor will also prepare a separate Auditor's report on the examination of the basic financial statements suitable for inclusion in an official statement. The County may prepare official statements in connection with the issuance of debt securities that will contain the basic financial statements and the Auditor's report thereon. The Auditor shall be notified by the County in advance of any such securities offering and will, if requested by the fiscal advisor and/or the underwriter, issue a "consent and citation of expertise" as the Auditor and any necessary "comfort letters." The provision of such services will not generate additional compensation.

2.7. The Auditor agrees to provide tuition free access to seminars provided for either staff or staff and client use in an effort to assist the County in maintaining staff professionalism and meeting the County staffs continuing professional education requirements.

2.8. Should irregularities or other unforeseeable conditions be encountered which might necessitate the extension of the auditing work beyond the scope of normal auditing procedures, the Auditor agrees to advise the County in writing of the circumstances and to request an increase in the total fees be made before significant additional costs are incurred.

Any request for additional time or additional fees shall be in writing and shall contain a detailed explanation of the unforeseen conditions or irregularities, and why the additional fees are necessary. Either a time extension or additional fees granted to Auditor is at the sole discretion of County.

2.9. Auditor shall take reasonable steps to bring errors to the attention of an appropriate level of County management so that management can take corrective action. Any adjustments to the books and records will be made only after review and only on direction of responsible authority.

2.10. The County will send its Annual Comprehensive Financial Report (ACFR) to the Government Finance Officers Association of the United States and Canada for review in its Certificate of Achievement for Excellence in Financial Reporting Program. Therefore, the County shall also provide additional financial and non-financial information not subject to examination by the Auditor, but necessary for the reporting standards of such Certificate of Achievement. It is expected that the Auditor will provide any special assistance reasonably necessary to assist the County in continuing to meet the requirements of that program as part of the fixed fee compensation of this Agreement.

2.11. The Scope of Services outlined in Attachment A shall apply to all audits performed by the Auditor and covered by this Agreement.

2.12. Auditor shall provide twenty (20) paper copies of final audited reports for the Board of County Commissioners including Key West International Airport and the Land Authority and ten (10) paper copies of each final audited report for all other entities including the constitutional officers. Auditor shall also provide twenty (20) paper copies for the BOCC of the agreed-upon procedures report of the Tourist Development Council ("TDC") Annual Report.

2.13. The audit report on the ACFR and the draft management letter shall be completed by Auditor and delivered to Monroe County by no later than March 5th of each year covered by this Agreement.

3. ASSISTANCE TO BE FURNISHED BY THE COUNTY.

It is understood and agreed that County and Constitutional Officers' staff participation in the audit will be limited to activities within the normal course of business, and any assistance with the audit by County personnel shall be limited to matters within the normal scope of the employees' work responsibility.

The County will prepare and furnish to the Auditor certain work papers required to support the financial information under audit, but they will be in the format designed by the County.

The County will:

a. Download the trial balance, including actual balances and original and final budgets, from the County's accounting software to Excel spreadsheets.

b. Prepare the financial statements and footnotes for each constitutional office, the Monroe County Land Authority, the BOCC and the ACFR.
c. Prepare the Statements of Cash Flows.
d. Prepare the fund-level and entity wide elimination entries.
e. Produce the introductory and statistical sections and the Management's Discussion and Analysis sections of the ACFR.
f. Produce stand-alone financial statements including introductory and Management's Discussion and Analysis sections for the Key West International Airport.
g. Prepare the annual report for Passenger Facility Charges.
h. Prepare the annual report court report as required by s. 29.0085, F.S.
i. Produce the Schedules of Federal Awards and State Financial Assistance.
j. Review the final ACFR and BOCC Financial Statements and maintain responsibility for the contents.
k. Produce stand-alone financial statements including introductory and Management's Discussion and Analysis sections for the Key West International Airport.
l. Provide the TDC Annual Report.

4. **TERM OF ENGAGEMENT**.

This Agreement provides for professional auditing services for the fiscal years ending September 30, 2025, September 30, 2026 ("Year 2"), and September 30, 2027 ("Year 3"). Thereafter, the County shall have the option to extend for two (2) additional terms of one (1) year each ("Subsequent Years"), at the election of the County and conditional upon successful negotiation of financial terms for the Subsequent Years with the Auditor. The option to extend shall require approval of the Monroe County Board of County Commissioners and annual availability of an appropriation.

This agreement shall come into effect on the date first written above ("Effective Date") and shall remain in effect until the completion of the financial audits listed above unless earlier terminated in accordance with paragraphs 13 and 14, below.

5. **COMPENSATION AND TERMS OF PAYMENT.**

The County shall pay to the Auditor a fixed fee for the annual audit of the County's financial statements according to the following fee schedule. This fee is all-inclusive, and no charge for travel, telephone bills, copying or any other related fees or expenses shall be billed.

An invoice for the portion of the total amount of the Agreement in proportion to the work completed to date shall be submitted to the County on a monthly basis. The invoice will include a description of work completed for each of the County entities to be audited, the total amount of the agreement, billings to date and payments to date. The invoices shall be in a form approved by the Clerk of the Circuit Court. The maximum amount to be paid prior to fulfillment of the terms of the Agreement shall be ninety (90) percent of the total annual compensation. The retainage will be payable upon completion of each year's audits.

Payments will be made in accordance with the Local Government Prompt Payment Act, 218.70, Florida Statutes. Auditor shall submit to the County invoices with supporting

documentation that are acceptable to the Clerk of Court and Comptroller (Clerk). Acceptability to the Clerk is based upon generally accepted accounting principles and such laws, rules and regulation that may govern the Clerk's disposal of funds.

AUDIT FOR FISCAL YEAR ENDED 9/30/2025 CONTRACT AMOUNT

For Fiscal Year 1 ending September 30, 2025, the fixed cost for auditing services will be $340,000 for standard annual reports + $20,000 for Key West International Airport stand-alone statements. The Auditor will perform agreed-upon procedures for the Tourist Development Council Annual Report based upon Agreed-Upon Procedures between the County and Auditor. The estimated range for review of the TDC Annual Report is $5,000 to 10,000) This amount will be finalized after Auditor performs initial fieldwork but will not exceed the range as specified herein.

In each of Years 2 and 3 of this Agreement, the annual amount to be paid to the Auditor shall be adjusted annually in accordance with the percentage change in the U.S. Department of Commerce Consumer Price Index (CPI-U) for all Urban Consumers for Financial services expenditure category as reported by the U.S. Bureau of Labor Statistics at December 31 of the previous year.

The following hourly fees shall apply to extra work done for the term of this Agreement by Auditor, whether under this Agreement or for extra work requested by the Board of County Commissioners:

Positions	Hourly Rate (inclusive of all costs)
Partner	275
Technical Consultant and Independent Review Partner	275
IT Audit Director	250
Audit Manger/Single Audit Specialist	225
Audit Supervisor	175
Audit Senior/Staff	150
Administrative	100

If the County desires that additional work be performed by the Auditor above and beyond the annual audits described above, the County shall request a proposal from the Auditor for the additional work. Any additional work performed by the Auditor shall be performed at the hourly rates listed above. If the Parties reach agreement for the additional work to be performed, the additional work shall be authorized in the form of a Task Order issued by the County for the additional work. Task Orders require the prior approval of the Board of County Commissioners. No work shall proceed until the Task Order is issued following BOCC approval.

Payment under this agreement is contingent upon annual appropriation by the Monroe County Board of County Commissioners. Termination prior to the end of the Agreement shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the continuation of this agreement pursuant to the terms specified herein, this agreement may then be terminated immediately by written notice of termination delivered in person or by mail to Auditor.

6. **RECORDS**

All working papers and reports will be retained by the Auditor, at the Auditor's expense, for a minimum of five years from the date the reports are issued, or such longer period as may be required to satisfy legal and administrative requirements. The Auditor will be required to make the working papers available, upon request, to the following parties or their designees:

A. A representative of a regulator of the County
B. Auditor General of the State of Florida
C. U.S. General Accounting Office
D. Parties designated by the federal government, the State of Florida, or by the County as part of an audit quality review program
E. Auditors of entities of which the County is a sub- recipient of grant funds
F. Subject to the applicable terms contained within Attachment A, successor auditors
G. Other parties as deemed necessary by the County, subject to Auditor agreement
H. Other parties entitled by law to access such papers

7. **MODIFICATIONS, AMENDMENTS, ASSIGNMENT AND SUBCONTRACTING**

Any and all modifications of the terms of this agreement shall be only amended in writing and approved by the Board of County Commissioners for Monroe County. The Auditor shall not assign or subcontract or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without first obtaining written and executed consent from County.

8. **INDEPENDENT CONTRACTOR.**

At all times and for all purposes hereunder, the Auditor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed as to find the Auditor or any of its employees, contractors, servants or agents to be the employees of the Board of County Commissioners of Monroe County, and they shall not be entitled to any of the rights, privileges or benefits of employees of Monroe County.

9. **COMPLIANCE WITH LAW.**

In carrying out its obligations under this agreement, the Auditor shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this agreement,

including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules or regulations may constitute a material breach of this agreement, which would entitle the County to terminate this agreement immediately upon delivery of written notice of termination to the Auditor.

10. **HOLD HARMLESS/INDEMNIFICATION**.

Each party ("Indemnifying Party") shall indemnify and hold harmless the other ("Indemnified Party") from any and all claims, suits, actions, liabilities and reasonable defense costs, in each case solely for bodily injury to individuals and physical damage to tangible property to the extent directly and proximately caused by the acts or omissions of the Indemnifying Party while Auditor is engaged in the performance of services under this Agreement; provided, however, that if there is also fault on the part of the Indemnified Party, the foregoing indemnity shall be on a comparative fault basis, and provided that County's liability is limited to the statutory limitation in Florida Statute 768.28.

11. **ANTI-KICKBACK**.

The Auditor warrants that no person has been employed or retained to solicit or secure this agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County has any interest, financially or otherwise, in the said funded project. For breach or violation of this warranty, the County shall have the right to annul this agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

12. **TERMINATION FOR CONVENIENCE (WITHOUT CAUSE**).

This Agreement may be terminated, without cause, by either of the parties. For each fiscal year to be audited, written notice to the other party not later than May I of the fiscal year to be audited will constitute appropriate cancellation of the Agreement. In the event the County terminates this Agreement without cause, County will pay Auditor for all services rendered (including deliverables and products delivered), expenses incurred, and noncancelable commitments made by Auditor on County's behalf through the effective date of termination.

13. **TERMINATION FOR CAUSE (BREACH).**

If the Auditor breaches any provision of this Agreement, the County shall notify the Auditor in writing within fourteen (14) days, or some other time period deemed acceptable to the County to cure this breach. The County by failure to provide notice to the Auditor or accepting work under this Agreement does not waive or limit its authority to find the Auditor in breach of this agreement for subsequent breaches. After notification of breach and the Agreement has been terminated, the County shall pay the Auditor fair and equitable compensation for work completed prior to termination of the agreement, less any amount of damages caused by the Auditor's breach. If the damages are more than compensation due to the Auditor, the Auditor will remain liable after termination and the County can affirmatively collect damages.

The Auditor may terminate the Agreement for failure of the County to fulfill its duties and obligations upon giving the County sixty (60) days prior written notice.

For Contracts of any amount, if the County determines that the Auditor has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Auditor written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

For Contracts of $1,000,000 or more, if the County determines that the Auditor submitted a false certification under Section 287.135(5), Florida Statutes, or if the Auditor has been placed on the Scrutinized Companies with Activities in the Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, the County shall have the option of (1) terminating the Agreement after it has given the Auditor written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

14. **ENTIRE AGREEMENT**

This Agreement constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the Auditor and County. It is understood and agreed that in the event of a conflict between the terms of this Agreement and the terms of the above stated documents, the terms of the Agreement shall control.

15. **CONSENT TO JURISDICTION.**

This agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in the Sixteenth Judicial Circuit in and for Monroe County or federal courts located within Monroe County, FL.

16. **ETHICS CLAUSE.**

Auditor warrants that Auditor has not employed, retained or otherwise had act on Auditor's behalf any former County officer or employee in violation of Section 2 or Ordinance No. 10-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 10- 1990. For breach or violation of the provision the County may, at its discretion terminate this agreement without liability and may also, at its discretion, deduct from the agreement or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee.

17. **AUTHORITY.**

Auditor warrants that it is authorized by law to engage in the performance of the activities encompassed by the project herein described.

Each of the signatories for the Auditor below certifies and warrants that the Auditor's name in this agreement is the full name as designated in its organizing documents; that they are empowered to act and contract for the Auditor, and this agreement has been approved by the legal governing body of the Auditor.

18. **LICENSES**

The Auditor warrants that it shall have, prior to commencement of work under this agreement and at all times during said work, all required licenses whether federal, state, County or City.

19. **INSURANCE.**

The Auditor agrees that it maintains in force at its own expense a liability insurance policy which will insure the Auditor and the County (as an additional insured and certificate holder on applicable policies). At all times during the term of this agreement and for one year after acceptance of the project, the Auditor shall maintain on file with the County a certificate of the insurance of the carriers showing that the aforesaid insurance policy is in effect. The following coverage shall be provided:

1. Workers Compensation insurance as required by Florida Statutes.
2. Commercial General Liability Insurance with minimum limits of $500,000 per occurrence for bodily injury, personal injury and property damage.
3. Comprehensive Auto Liability Insurance with minimum limits of $300,000 combined single limit per occurrence.
4. Professional Liability Insurance which will respond to damages resulting from claims arising out of the performance of professional services of the Auditor arising out of work governed by this agreement. Such insurance shall have the following minimum amounts of liability: $250,000 per Claim/$500,000 Aggregate.

The policies shall provide no less than 30 days' notice of cancellation or non-renewal, where such cancellation or non-renewal does not result in a reduction of coverage. The County shall be named as an additional insured and certificate holder on the general liability and auto liability policies.

20. **FORCE MAJEURE/UNCONTROLLABLE CIRCUMSTANCE.**

The Auditor shall not be liable for any failure or delays resulting from circumstances or causes beyond its reasonable control, including, without limitation, acts or omissions due to fire or other casualty, natural disasters, war or other violence, or any law, order or requirement of any governmental agency or authority.

Uncontrollable Circumstance

Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic

area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project;(each, a "Uncontrollable Circumstance"). Auditor's financial inability to perform, changes in cost or availability of materials, components, or services, market conditions, or supplier actions or contract disputes will not excuse performance by Auditor under this Section. Auditor shall give County written notice within 7 days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, and the anticipated duration of such Uncontrollable Circumstance. Auditor shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional cost as a result of an Uncontrollable Circumstance. The Auditor may only seek a no cost extension for such reasonable time as the County may determine.

22. **NONDISCRIMINATION**

The parties agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The parties agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352), which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC § 794), which prohibits discrimination on the basis of disabilities; 4) The Age Discrimination Act of 1975, as amended (42 USC §§ 6101-6107), which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, §§ 523 and 527 (42 USC §§ 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC §§ 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC §§ 12101), as amended from time to time, relating to nondiscrimination in employment on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) any other nondiscrimination provisions in any federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

23. **COVENANT OF NO INTEREST**

Auditor and County covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

24. **CODE OF ETHICS**

The parties recognize and agree that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

25. **NO SOLICITATION/PAYMENT**

The Auditor and County warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company,

corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Auditor agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

26. **PUBLIC RECORDS**

Public Records Compliance.

Pursuant to F.S. 119.0701 and the terms and conditions of this Agreement, if the Auditor is an individual, partnership, corporation or business entity that enters into a contract for services with a public agency and is acting on behalf of the public agency as provided under F.S. 119.011(2), the Auditor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Auditor does not transfer the records to the County.

(4) Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of the Auditor or keep and maintain public records that would be required by the County to perform the service. If the Auditor transfers all public records to the County upon completion of the Agreement, the Auditor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Auditor keeps and maintains public records upon completion of the Agreement, the Auditor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Auditor of the request, and the Auditor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Auditor does not comply with the County's request for records, the County shall enforce the public records Agreement provisions in accordance with the Agreement, notwithstanding the County's option and right to unilaterally cancel this Agreement upon violation of this provision by the Auditor. An Auditor who fails to provide the public records to the County or pursuant toa valid public records request within a reasonable time may be subject to penalties under section I19.10, Florida Statutes.

The Auditor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE AUDITOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE AUDITOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH STREET, SUITE 408 KEY WEST, FL 33040 EMAIL: PUBLICRECORDS@MONROECOUNTY-FL.GOV O R PHONE#305-292-3470

27. MAINTENANCE OF RECORDS.

Auditor shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives, shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for five years following the termination of this Agreement. If an auditor employed by the County or the determines that monies paid to Auditor pursuant to this Agreement were spent for purposes not authorized by this Agreement, Auditor shall repay the monies together with interest calculated pursuant to Sec. 55.03; FS, running from the date the monies were paid to Auditor.

28. GOVERNING LAW, VENUE, INTERPRETATION, COSTS, AND FEES.

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and Auditor agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. This Agreement shall not be subject to arbitration.

29. ATTORNEY'S FEES AND COSTS.

The Parties agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs, as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

30. NON-WAIVER OF IMMUNITY.

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the County and Auditor in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

31. NON-RELIANCE BY NON-PARTIES.

No person or entity shall be entitled to rely upon the terms, or any of terms of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Auditor agree that neither the County nor the Auditor or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

32. NO PERSONAL LIABILITY.

No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

33. E-VERIFY SYSTEM.

In accordance with F.S. 448.095, Any Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Auditor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Agreement term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subconstruct with an unauthorized alien. Auditor shall comply with and be subject to the provisions of F.S. 448.095

34. COUNTY FORMS.

By signing this Agreement, AUDITOR has sworn or affirmed to the following requirements as set forth in the Public Entity Crime Statement, Ethics Statement, Drug-Free Workplace Statement, Vendor Certification Regarding Scrutinized Companies List,

Affidavit Attesting to Noncoercive Conduct for Labor or Services and the Foreign Entities Affidavit as set forth in more detail in this Agreement.

Public Entity Crime Statement

The AUDITOR certifies and agrees that AUDITOR nor any Affiliate has been placed on the convicted vendor list within the last 36 months.

In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid, proposal or reply on a contract to provide goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on contracts to provide any goods or services to a public entity, may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, AUDITOR or subcontractor under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

By signing this Agreement, AUDITOR represents that the execution of this Agreement will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from COUNTY's competitive procurement activities.

In addition to the foregoing, AUDITOR further represents that there has been no determination, based on an audit, that it or any subcontractor has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether AUDITOR has been placed on the convicted vendor list.

AUDITOR will promptly notify the COUNTY if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

ETHICS CLAUSE

By signing this Agreement, the AUDITOR warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its

discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

DRUG-FREE WORKPLACE. AUDITOR in accordance with Florida Statute 287.087 hereby certifies that AUDITOR shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign the Agreement certifies that AUDITOR complies fully with the above requirements.

VENDOR CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS

AUDITOR agrees and certifies compliance with the following:
Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of Company, I hereby certify that the company identified above is not listed on the Scrutinized Companies that Boycott Israel List or engaged in

a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism List or been engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism List or been engaged in business operations in Cuba or Syria.

NON-COLLUSION AFFIDAVIT

AUDITOR by signing this Agreement, according to law on my oath, and under penalty of perjury, depose and say that the person signing on behalf of the firm of AUDITOR, the bidder making the Bid/Proposal for the project described in the Scope of Work and that I executed the said bid/proposal with full authority to do so; the prices in this bid/proposal have been arrived at independently without collusion, consultation, communication or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor; unless otherwise required by law, the prices which have been quoted in this bid/proposal have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to bid opening, directly or indirectly, to any other bidder or to any competitor; and no attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit, or not to submit, a bid/proposal for the purpose of restricting competition; the statements contained in this affidavit are true and correct, and made with full knowledge that Monroe County relies upon the truth of the statements contained in this affidavit in awarding contracts for said project.

AFFIDAVIT ATTESTING TO NONCOERCIVE CONDUCT FOR LABOR OR SERVICES

Auditor, as a nongovernmental entity, under penalty of perjury attest that Auditor does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes.

As defined in Section 787.06(2)(a), coercion means:

1. Using or threating to use physical force against any person;
2. Restraining, isolating, or confining or threating to restrain, isolate, or confine any person without lawful authority and against her or his will;
3. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt, the length and nature of the labor or service are not respectively limited and defined;
4. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
5. Causing or threating to cause financial harm to any person;
6. Enticing or luring any person by fraud or deceit; or
7. Providing a controlled substance as outlined in Schedule I or Schedule II of Section 893.03 to any person for the purpose of exploitation of that person.

Tiffany Mangold, as a person authorized to sign on behalf of Auditor, certify under penalties of perjury that Auditor does not use coercion for labor or services in accordance with Section 787.06. Additionally, Auditor has reviewed Section 787.06, Florida Statutes, and agrees to abide by same.

FOREIGN ENTITIES AFFIDAVIT F.S. 287.138

Auditor according to law on my oath, and under penalty of perjury, depose and say that:

a. I am Tiffany Mangold, CPA of the firm of Purvis, Gray and Company LLP ("Entity"), the bidder making the Proposal for the project described in the Request for Proposals for Audit Services and that I executed the said proposal with full authority to do so;
b. In accordance with section 287.138, Florida Statutes, the Entity is not owned by the government of a Foreign Country of Concern, is not organized under the laws of nor has its Principal Place of Business in a Foreign Country of Concern, and the government of a Foreign Country of Concern does not have a Controlling Interest in the entity.
c. The statements contained in this affidavit are true and correct, and made with full knowledge that Monroe County relies upon the truth of the statements contained in this affidavit in awarding contracts for said project.

31. **ADDITIONAL PROVISIONS REQUIRED UNDER 2 CFR PART 200.**
The following additional clauses are included in recognition of the fact that a portion of the funds used to pay for the services described herein may come from federal awards, as that term is defined in 2 CFR § 200.367. In the event of a conflict between these provisions and any other term in this Agreement, the following provisions shall control when any portion of the work is federally funded. The Auditor and its subcontractors must follow the provisions, as applicable, as set forth in 2 CFR §200-326 Contract Provisions and Appendix II to 2 CFR Part 200, as amended, including but not limited to:

A. CLEAN AIR ACT AND FEDERAL WASTER POLLUTION CONTROL ACT

Clean Air Act: The AUDITOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

The AUDITOR agrees to report each violation to the County and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

The AUDITOR agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.

Federal Water Pollution Control Act: The AUDITOR agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.

The AUDITOR agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to the pass-through entity, if applicable, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

The AUDITOR agrees to include these requirements in each subcontract exceeding $150,000
financed in whole or in part with federal assistance provided by FEMA.

B. SUSPENSION AND DEBARMENT

This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the AUDITOR is required to verify that none of the AUDITOR's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

The AUDITOR must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters.

This certification is a material representation of fact relied upon by COUNTY. If it is later determined that the AUDITOR did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

C. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED, 31 U.S.C. § 1352.
AUDITORs who apply or bid for an award of more than $100,000 shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal agency.

D. PROHIBITION ON CONTRACTING FOR COVERED TELECOMMUNICATIONS EQUIPMENT OR SERVICES.

(a) Definitions. As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services, as used in this clause—

(b) Prohibitions.

1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.

2) Unless an exception in paragraph (c) of this clause applies, the AUDITOR and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:

i. Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

ii. Enter, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;

iii. Enter, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or

iv. Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

(c) Exceptions.

1) This clause does not prohibit AUDITORs from providing—

i. A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or

ii. Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

2) By necessary implication and regulation, the prohibitions also do not apply to:

i. Covered telecommunications equipment or services that:

a. Are not used as a substantial or essential component of any system; and

b. Are not used as critical technology of any system.

ii. Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

3) Reporting requirement.

1) In the event the AUDITOR identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the AUDITOR is notified of such by a subcontractor at any tier or by any other source, the AUDITOR shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

2) The AUDITOR shall report the following information pursuant to paragraph (d)(1) of this clause:

i. Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.

ii. Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the AUDITOR shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) Subcontracts. The AUDITOR shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

E. **DOMESTIC PREFERENCE FOR PROCUREMENTS**.

The AUDITOR should, to the greatest extent practicable and consistent with law, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to, iron, aluminum, steel, cement, and other manufactured products.

For purposes of this clause:

Produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

F. E-VERIFY SYSTEM

The Auditor shall utilize the U.S. Department of Homeland Security's **E-Verify system** to verify the employment eligibility of all new employees hired by the Auditor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

G. ACCESS TO RECORDS

The Auditor agrees to provide County, Division of Emergency Management, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the AUDITOR which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Auditor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Auditor agrees to provide the FEMA Administrator or his authorized representatives access to sites pertaining to the work being completed under the contract.

In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the COUNTY and the AUDITOR acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

The Auditor shall grant to the County, DEM, FEMA, the Federal Government, and any other duly authorized agencies of the Federal Government or the County where appropriate the right to inspect and review all books and records directly pertaining to the Auditor's time, billing, and expense reimbursement under the Agreement resulting from this RFP for a period of five (5) years after final grant close-out by

FEMA or DEM, or as required by applicable County, State and Federal law. Records shall be made available during normal working hours for this purpose.

In the event that FEMA, DEM, or any other Federal or State agency, or the County, issues findings or rulings that the amounts charged by the Auditor, or any portions thereof, were ineligible or were non-allowable under federal or state Law or regulation, The Auditor may appeal any such finding or ruling. If such appeal is unsuccessful, the Auditor shall agree that the amounts paid to the Auditor shall be adjusted accordingly, and that the Auditor shall, within 30 days thereafter, issue a remittance to the County of any payments declared to be ineligible or non-allowable.

The Auditor shall comply with federal and/or state laws authorizing an audit of Auditor's operation as a whole, or of specific Project activities.

Under no circumstances shall advertising or other communications with the media be presented in such a manner as to County or imply that the Auditor or the Auditor's services are endorsed by the County

H. CONTRACT CHANGES OR MODIFICATIONS

To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable.

I. DHS SEAL, LOGO, AND FLAGS

The COUNTY must obtain written permission from DHS prior to using the DHS seals, logos, crests, or reproductions of flags, or likenesses of DHS agency officials. This includes use of DHS component (e.g., FEMA, CISA, etc.) seals, logos, crests, or reproductions of flags, or likenesses of component officials.

J. COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS AND ACKNOWLEDGEMENT OF FEDERAL FUNDING

This is an acknowledgement that if FEMA financial assistance will be used to fund all or a portion of the contract. The AUDITOR will comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

K. NO OBLIGATION BY FEDERAL GOVERNMENT

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the recipient or subrecipient, AUDITOR, or any other party pertaining to any matter resulting from the contract.

L. PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

The AUDITOR acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the AUDITOR's actions pertaining to this contract.

M. SOCIOECONOMIC CONTRACTING

The AUDITOR is encouraged to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) to ensure small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms are considered when possible.

N. PROVIDING GOOD, SAFE JOBS TO WORKERS

Pursuant to FEMA Information Bulletin No. 520, the AUDITOR will comply with all applicable federal labor and employment laws. To maximize cost efficiency and quality of work, the AUDITOR commits to strong labor standards and protections for the project workforce by creating an effective plan for ensuring high-quality jobs and complying with federal labor and employment laws. The AUDITOR acknowledges applicable minimum wage, overtime, prevailing wage, and health and safety requirements, and will incorporate Good Jobs Principles wherever appropriate and to the greatest extent practicable.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed the day and year first above written.

PURVIS GRAY

March 27, 2025

Board of County Commissioners and
Christine Hurley, County Administrator
Monroe County, Florida
500 Whitehead Street
Key West, Florida 33040

We are pleased to confirm our understanding of the services we are to provide for Monroe County, Florida (the County) for the years ending September 30, 2025, 2026, and 2027, with optional years ending 2028 and 2029.

Audit Scope and Objectives

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, the aggregate remaining fund information, and budgetary comparisons for the General Fund and all major special revenue funds, including the disclosures, which collectively comprise the basic financial statements, of the County as of and for the years ending September 30, 2025, 2026, and 2027, with optional years ending 2028 and 2029. In addition, we will audit the fund-level financial statements of the Monroe County Board of County Commissioners, Clerk of Courts, Tax Collector, Sheriff, Property Appraiser, Supervisor of Elections, and the separately issued financial statements of the Key West International Airport and the Comprehensive Plan Land Authority, including the disclosures, as of and for the same years then ending. We will also perform Agreed Upon Procedures for the Tourist Development Council.

Accounting principles generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis, to supplement the County's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the County's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtain during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient appropriate evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis
- Schedule of County Proportionate Share of Net Pension Liability – Florida Retirement System Pension Plan
- Schedule of County Contributions – Florida Retirement System Pension Plan

- Schedule of County Proportionate Share of Net Pension Liability – Health Insurance Subsidy Pension Plan
- Schedule of County Contributions – Health Insurance Subsidy Pension Plan
- Schedule of Changes in the County's Net Pension Liability and Related Ratios – Pension Plan for Volunteer Firefighters and Emergency Medical Services
- Schedule of Employer Contributions – Pension Plan for Volunteer Firefighters and Emergency Medical Services
- Schedule of Changes in the County's Total OPEB Liability and Related Ratios

We have also been engaged to report on supplementary information other than RSI that accompanies the County's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditor's report on the financial statements.

- Schedule of Expenditures of Federal Awards and State Financial Assistance
- Combining and Individual Fund Statements and Schedules
- Schedule of Receipts and Expenditures of Funds Related to the Deepwater Horizon Oil Spill

In connection with our audit of the basic financial statements, we will read the following other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

- Introductory Section
- Statistical Section

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinions about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP, and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements. The objectives also include reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, non-compliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.

- Internal control over compliance related to each major program or project and an opinion (or disclaimer of opinion) on compliance with federal and state statutes, regulations, and the terms and conditions of federal awards and state financial assistance that could have a direct and material effect on each major program or project in accordance with the *Single Audit Act Amendments of 1996*, Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the *Florida Single Audit Act*.

Examination Scope and Objectives
An examination report will be issued by us regarding compliance with the following:

- Independent Accountant's Report on Compliance with Section 218.415, Florida Statutes, for the County, the Comprehensive Plan Land Authority, and each Constitutional Officer.
- Independent Accountant's Report on Compliance with Sections 365.172(10) and 365.173(2)(d), Florida Statutes, for the County.
- Independent Accountant's Report on Compliance with Sections 28.35, 28.36, and 61.181, Florida Statutes, for the Clerk of the Circuit Court and Comptroller.

The objectives of our examination are to: (1) obtain reasonable assurance about whether the County complied, in all material respects, with the requirements referenced above; and (2) to express an opinion as to whether the County complied, in all material respects, with the specified requirements.

Auditor's Responsibilities for the Audit of the Financial Statements and Single Audit
We will conduct our audit in accordance with GAAS; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the *Single Audit Act Amendments of 1996*; and the provisions of the Uniform Guidance and the *Florida Single Audit Act*, and will include tests of accounting records, a determination of major program(s) in accordance with Uniform Guidance and the *Florida Single Audit Act*, and other procedures we consider necessary to enable us to express such opinions. As part of an audit in accordance with GAAS and *Government Auditing Standards*, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from: (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements or non-compliance may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or

governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request written representations from your attorneys as part of the engagement.

We have not concluded our audit planning procedures as of the date of this letter; however, we believe the following significant risks are relevant to the County. We may make modifications to these significant risks. If modifications are made, we will communicate them to you in a timely manner.

- Management Override of Controls
- Improper Revenue Recognition

We may, from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

Our audit of financial statements does not relieve you of your responsibilities.

Independent Accountant's Responsibilities for the Examination Reports

Our examination will be conducted in accordance with the attestation standards established by the American Institute of Certified Public Accountants (AICPA). Accordingly, it will include examining, on a test basis, your records, and other procedures to obtain evidence necessary to enable us to express our opinion. We will issue a written report upon completion of our examination. Our report will be addressed to the Board of County Commissioners. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the examination or are unable to form or have not formed an opinion, we may decline to express an opinion or may withdraw from this engagement.

Because of the inherent limitation of an examination engagement, together with the inherent limitations of internal control, an unavoidable risk exists that some material misstatements may not be detected, even though the examination is properly planned and performed in accordance with the attestation standards. Our examination does not provide a legal determination on the County's compliance with specified requirements.

The examination reports are solely to comply with the specified requirements and are not suitable for any other purpose.

We will plan and perform the examination to obtain reasonable assurance about whether the government complied, with the specified requirements. Our engagement will not include a detailed inspection of every transaction and cannot be relied on to disclose all material errors or known and suspected fraud or non-compliance with laws or regulations, or internal control deficiencies, that may exist. However, we will inform you of any known and suspected fraud and non-compliance with laws or regulations, internal control deficiencies identified during the engagement, and uncorrected misstatements that come to our attention, unless clearly trivial.

We understand that you will provide us with the information required for our examination and that you are responsible for the accuracy and completeness of that information. We may advise you about appropriate criteria, but the responsibility for the subject matter remains with you.

You are responsible for the presentation of the subject matter being examined in accordance with, and for compliance with, the specified requirements; and for selecting the criteria and determining that such criteria are appropriate for your purposes. You are responsible for, and agree to provide us with, a written assertion about whether the subject matter is presented in accordance with and/or you are in compliance with the specified requirements. Failure to provide such an assertion will result in our withdrawal from the engagement. You are also responsible for providing us with: (1) access to all information of which you are aware that is relevant to the measurement, evaluation, or disclosure of the subject matter; (2) additional information that we may request for the purpose of the examination; and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain evidence.

At the conclusion of the examination engagement, you agree to provide us with certain written representations in the form of a representation letter.

Agreed-Upon Procedures – Tourist Development Council's Annual Report
We will apply certain agreed-upon procedures to the Tourist Development Council's Annual Report. By signing this engagement letter, you agree to allow Management to determine those procedures and acknowledge that the procedures to be performed are appropriate for the intended purpose of the engagement. We understand this engagement is not required pursuant to law, regulation, or contract. Our engagement to apply agreed-upon procedures will be conducted in accordance with attestation standards established by the AICPA. Those standards require that we obtain your written agreement to the procedures to be applied and your acknowledgment that those procedures are appropriate for the intended purpose of the engagement, as described in this letter. A refusal to provide such agreement and acknowledgement will result in our withdrawal from the engagement. No other parties will be requested to agree to the procedures and acknowledge that the procedures performed are appropriate for their purposes. We make no representation that the procedures we will perform are appropriate for the intended purpose of the engagement or for any other purpose.

Because the agreed-upon procedures do not constitute an examination or review, we will not express an opinion or conclusion on the procedures. In addition, we have no obligation to perform any procedures beyond those to which you agree.

We plan to begin our procedures in January 2026 and, unless unforeseeable problems are encountered, the engagement should be completed by March 31, 2026.

We will issue a written report upon completion of our engagement that lists the procedures performed and our findings. Our report will be addressed to the Board of County Commissioners. If we encounter restrictions in performing our procedures, we will discuss the matter with you. If we determine the restrictions are appropriate, we will disclose the restrictions in our report. Our report will contain a paragraph indicating that had we performed additional procedures, other matters might have come to our attention that would have been reported to you. Our report is not expected to be restricted to the use of specified parties.

An agreed-upon procedures engagement is not designed to detect instances of fraud or non-compliance with laws or regulations; however, should any such matters come to our attention, we will communicate them in accordance with professional standards and applicable law. In addition, in connection with this engagement, matters come to our attention that contradict the Tourist Development Council's Annual Report, we will communicate such matters to you.

You are responsible for the Tourist Development Council's Annual Report. In addition, you are responsible for providing us with: (1) access to all information of which you or the appropriate party are aware that is relevant to the performance of the agreed-upon procedures on the subject matter, (2) additional information that we may request from the appropriate party for the purpose of performing the agreed-upon procedures, and (3) unrestricted access to persons within the entity from whom we determine it necessary to obtain evidence relating to performing those procedures.

At the conclusion of our engagement, you agree to provide us with certain written representations in the form of a representation letter.

Audit Procedures—Internal Control

We will obtain an understanding of the government and its environment, including the system of internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other non-compliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance and the *Florida Single Audit Act,* we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material non-compliance with compliance requirements applicable to each major federal program and state project. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance and the *Florida Single Audit Act*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control-related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance and the *Florida Single Audit Act.*

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the County's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance and the *Florida Single Audit Act* require that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal and state statutes, regulations, and the terms and conditions of federal awards and state financial assistance applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB *Compliance Supplement* and the *Florida Department of Financial Services State Projects Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the County's major federal programs and state projects. For federal programs and state projects that are included in the *Compliance Supplements*, our compliance and internal control procedures will relate to the compliance requirements that the *Compliance Supplements* identify as being subject to audit. The purpose of these procedures will be to express an opinion on the County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and the *Florida Single Audit Act.*

Other Services
We will also assist in preparing the financial statements and related notes of the Comprehensive Plan Land Authority (the Land Authority) in conformity with GAAP, based on information provided by you. These non-audit services do not constitute an audit under *Government Auditing Standards,* and such services will not be conducted in accordance with *Government Auditing Standards.* We will perform the services in accordance with applicable professional standards. The other services are limited to preparation of the financial statements and related notes of the Land Authority. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statements and related notes of the Land Authority, and any other non-audit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes, and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Responsibilities of Management for the Financial Statements and Single Audit
Our audit will be conducted on the basis that you acknowledge and understand your responsibility for: (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards and state financial assistance, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards and state financial assistance, and all accompanying information in conformity with GAAP; and for compliance with applicable laws and regulations (including federal and state statutes), rules, and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

You are also responsible for making drafts of financial statements, schedule of expenditures of federal awards and state financial assistance, all financial records, and related information available to us; for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers); and for the evaluation of whether there are any conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for the 12 months after the financial statements date or shortly thereafter (for example, within an additional three months if currently known). You are also responsible for providing us with: (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) access to personnel, accounts, books, records,

supporting documentation, and other information as needed to perform an audit under the Uniform Guidance and the *Florida Single Audit Act*; (3) additional information that we may request for the purpose of the audit; and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; schedule of expenditures of federal awards and state financial assistance; federal award programs and state financial assistance; compliance with laws, regulations, contracts and grant agreements; and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving: (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. You are also responsible for taking timely and appropriate steps to remedy fraud and non-compliance with provisions of laws, regulations, contracts and grant agreements that we report. Additionally, as required by the Uniform Guidance and the *Florida Single Audit Act,* it is management's responsibility to evaluate and monitor non-compliance with federal and state statutes, regulations, and the terms and conditions of federal awards and state financial assistance; take prompt action when instances of non-compliance are identified including non-compliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review during preliminary fieldwork.

You are responsible for identifying all federal awards and state financial assistance received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards and state financial assistance (including notes and non-cash assistance received, and COVID-19-related concepts, such as lost revenues, if applicable) in conformity with the Uniform Guidance and the *Florida Single Audit Act*. You agree to include our report on the schedule of expenditures of federal awards and state financial assistance in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards and state financial assistance. You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards and state financial assistance that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that: (1) you are responsible for presentation of the schedule of expenditures of federal awards and state financial assistance in accordance with the Uniform Guidance and the *Florida Single Audit Act*; (2) you believe the schedule of expenditures of federal awards and state financial assistance, including its form and content, is stated fairly in accordance with the Uniform Guidance and the *Florida Single Audit Act*; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have

changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards and state financial assistance.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with GAAP. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that: (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Scope and Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

Engagement Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing that are not easily located using the Workday software.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards and state financial assistance, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the Federal Audit Clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to the County; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Purvis, Gray and Company, LLP and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner

to your oversight grantor or its designee, a federal or state agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Purvis, Gray and Company, LLP personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by your oversight agency. If we are aware that a federal and/or state awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Tiffany K. Mangold, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them. We expect to begin our audit in July 2025 with the following provisional timeline:

July – September	Entrance conferences, planning, interim audit work.
October 31	Constitutional Officer books closed.
November – December	Constitutional Officer audits, reports, and exit conferences.
January	Completion of County Funded Court-Related Functions Report. BOCC combining fund statements and schedules provided by the County and ready for review by auditors. BOCC audit and fieldwork exit conference. Completion of Land Authority audit and Airport audit.
February	BOCC basic financial statements provided to auditors. Final auditor review of statements. Remaining sections of Annual Comprehensive Financial Report (ACFR) prepared by the County. Draft audit reports prepared.
March	Completion of ACFR by the County. Completion of Passenger Facility Charge Report. Final ACFR audit reports completed. Presentation to Board of County Commissioners. County's Submittal of ACFR to Government Finance Officers Association Certificate of Achievement Program.

For Fiscal Year 1 ending September 30, 2025, the fixed cost for auditing services will be $340,000 for standard annual reports, +$20,000 for Key West International Airport stand-alone statements, +$5,000 to $10,000 for the Agreed Upon Procedures of the Tourist Development Council Annual Report.

In each of Years 2 and 3 of this Agreement, the fee shall be adjusted annually in accordance with the percentage change in the U.S. Department of Commerce Consumer Price Index for all Urban Consumers as reported by the U.S. Bureau of Labor Statistics at December 31 of the previous year.

We will schedule the engagement based in part on deadlines, working conditions, and the availability of your key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. Items that will likely increase the agreed-upon fee include:

- Assistance with matters designated as management's responsibility, including preparation of schedules and closing entries.

- Submission of audit data within 60 days of a client requested completion date or filing deadline, requiring overtime hours to meet the deadline.

- Changes in accounting pronouncements, professional standards, laws, and regulations not known to us as of the date of this letter, that have a significant impact on time requirements.

- Changes in the operations and significant matters that materially change the audit scope such as evaluation of the impact of joint ventures, debt issuance, refunding, or advance extinguishment, notice of material events, enforcement actions, required corrective actions, self-insurance, environmental liabilities, or going concern.

- Increases in federal or state funding, requiring Federal or State Single Audits and/or increases to the number of grants classified as major programs or projects, that significantly increase the extent of testing.

- Follow up on allegations or discovery of: (1) non-compliance with laws, regulations, and policies; (2) fraud, waste, and abuse; or (3) significant deficiencies in internal control.

Our invoices will be rendered each month as work progresses and are payable on presentation. If we elect to terminate our services for non-payment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

Reporting

We will issue written reports upon completion of our Single Audit. Our reports will be addressed to management and the Board of County Commissioners of Monroe County. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit.

Depending on the nature of these circumstances, it may be necessary for us to modify our opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will state that: (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the government's internal control or on compliance; and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the government's internal control and compliance. The Uniform Guidance and the *Florida Single Audit Act*, report on internal control over compliance will state that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the *Florida Single Audit Act*. Both reports will state that the report is not suitable for any other purpose.

We appreciate the opportunity to be of service to Monroe County and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign and return it to us.

Respectfully Submitted,

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: N1
2023-3857

BULK ITEM: No

DEPARTMENT: Sustainability

TIME APPROXIMATE:
TBD

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: Discussion and direction on an *Initial Assessment Resolution* for the use of the uniform method of collecting non-ad valorem special assessment(s) within the County, for $2,131 per dwelling unit or unimproved parcel, levied toward the cost of providing operations and maintenance for the Twin Lakes Road adaptation project in Key Largo. **10:30 A.M. TIME APPROXIMATE**

ITEM BACKGROUND:
The purpose of this item is to review and discuss information and a draft *Initial Assessment Resolution* "IAR" for special assessments to cover operations & maintenance of the Twin Lakes Road Adaptation project in Key Largo, to be effective November 2025.

Collection of the assessment(s) requires further approval of an *Initial* and *Final* assessment resolutions, draft IAR attached. The assessment resolution contains (a) a specific list of properties to be assessed, and (b) the amount of the assessment for each property.

The Monroe County Board of County Commissioners has previously approved the design and construction of a sea level rise pilot project in Twin Lakes to lessen the frequency and severity of flooding and decrease predicted flood damage. In December 2024 a resolution of the Monroe County BOCC passed on the potential use of the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and/or operations and maintenance costs for roadway improvements, flood mitigation projects and addressing sea level rise projects for the Twin Lakes subdivision in Key Largo.

The Countywide *Roads Vulnerability Sea Level Rise Adaptation Study* identifies 97 various roadway areas for adaptation improvements by the year 2045 to mitigate flooding at a cost of $1.6 Billion, of which 49 were recommended by the year 2025 at an estimated cost of $888 Million (in 2020 $'s).

The property owners on the public roads where work is being performed will realize specific benefits as a result of the road adaptation work including, but not limited to, decreases in road flooding and maintaining access to their homes. Property owners on the Shaw Drive private road will also see a benefit from maintaining access to their homes and properties, as the only access to these properties is through the public roads being adapted.

The County is authorized under Section 125.01(1)(q) to establish municipal service benefit units within all or any part of the County, within which may be provided essential facilities from funds derived from special assessments on the properties located within the municipal service benefit unit (MSBU). Road adaptation work falls within the definition of "other essential facilities and municipal services."

PREVIOUS RELEVANT BOCC ACTION:
November 17, 2020: Presentation, discussion and direction regarding a potential special assessment program for the Key Largo Twin Lakes Subdivision and Big Pine Key Sands Subdivision Sea level rise roads adaptation pilot projects. [Commissioners directed staff to proceed with an MSBU to fund capital costs and operations and maintenance for county-maintained roads in Monroe County.]

December 9, 2020: A public hearing to consider approval of a resolution of Monroe County Board of County Commissioners electing to use the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and operations and maintenance costs for roadway improvements related to sea level rise located within Monroe County.

February 17, 2021: Board of County Commissioners adopted Ordinance No. 002-2021, the Sea Level Rise and Flood Mitigation Program, Assessment Ordinance.

December 8, 2021: A public hearing to consider approval of a resolution of Monroe County Board of County Commissioners electing to use the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and operations and maintenance costs for roadway improvements and sea level rise and flood mitigation projects located within Monroe County.

December 7, 2022: A public hearing to consider approval of a resolution of Monroe County Board of County Commissioners electing to use the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and operations and maintenance costs for roadway improvements and sea level rise and flood mitigation projects located within Monroe County.

December 13, 2023: A public hearing to consider approval of a resolution of Monroe County Board of County Commissioners electing to use the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and/or operations and maintenance costs for roadway improvements, flood mitigation projects and addressing sea level rise projects for the Twin Lakes subdivision in Key Largo, located within unincorporated Monroe County.

December 11, 2024: A public hearing to consider approval of a resolution of the Monroe County BOCC on the potential use of the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and/or operations and maintenance costs

for roadway improvements, flood mitigation projects and addressing sea level rise projects for the Twin Lakes subdivision in Key Largo, located within unincorporated Monroe County.

March 15, 2025: Discussion and direction on the potential use of the uniform method of collecting non-ad valorem special assessment(s) levied within the County toward the cost of providing operations and maintenance and capital funds for the Twin Lakes Road Adaptation project in Key Largo.

RESOLUTION NO. _____- 2025

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, RELATING TO THE ROADWAY IMPROVEMENT AND SEA LEVEL RISE AND FLOOD MITIGATION PROGRAM; IMPOSING ANNUAL MAINTENANCE ASSESSMENTS FOR PROPERTIES LOCATED WITHIN THE AREA OF THE TWIN LAKES ROAD ADAPTATION PROJECT AREA IN KEY LARGO WITHIN THE MONROE COUNTY TWIN LAKES ROADWAY IMPROVEMENT MUNICIPAL SERVICE BENEFIT UNIT; ESTABLISHING LEGISLATIVE FINDINGS DETERMINING THAT SUCH REAL PROPERTY WILL DERIVE A SPECIAL BENEFIT FROM THE ROADWAY IMPROVEMENT ACTIVITIES AND THE ONGOING OPERATIONS AND MAINTENANCE THEREOF AND THE REASONABLE APPORTIONMENT OF THE ASSESSMENT; ESTABLISHING THE TERMS AND CONDITIONS OF THE PROPOSED SPECIAL ASSESSMENT, INCLUDING ADMINISTRATIVE AND COLLECTION COSTS; ESTABLISHING THE AMOUNT AND TERM OF THE ANNUAL ROADWAY IMPROVEMENT OPERATIONS AND MAINTENANCE ASSESSMENT FOR EACH PARCEL OF PROPERTY TO BE ASSESSED BASED ON THE METHODOLOGY SET FORTH HEREIN; DIRECTING PREPARATION OF THE ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, AS FOLLOWS:

ARTICLE I
AUTHORITY, DEFINITIONS, LEGISLATIVE FINDINGS

SECTION 1.01. AUTHORITY. This Resolution is adopted pursuant to the provisions of Article VIII, Section 1 of the Florida Constitution; Sections 125.01 and 125.66 of Florida Statutes, which grant to a Board of County Commissioners all powers of local self-government to perform county functions and to render services for county purposes in a manner not inconsistent with general law; Monroe County Ordinance No. 002-2021 ("Ordinance"), codified as Chapter 22, Article VII, Monroe

County Code of Ordinances creating and establishing the Monroe County Sea Level Rise and Flood Mitigation Municipal Service Benefit Unit ("MSBU"); and other applicable provisions of law.

"Uniform Assessment Collection Act" means Sections 197.3632 and 197.3635, Florida Statutes, or any successor statutes authorizing the collection of non-ad valorem Assessments on the same bill as ad valorem taxes, and any applicable regulations promulgated thereunder.

SECTION 1.02. INTERPRETATION. Unless the context indicates otherwise, words importing the singular number include the plural number, and vice versa. The terms "hereof," "hereby," "herein," "hereto," "hereunder" and similar terms refer to this Resolution; the term "hereafter" means after; and the term "heretofore" means before, the effective date of this Resolution. Words of any gender include the correlative words of the other gender, unless the sense indicates otherwise.

SECTION 1.03. FINDINGS. It is hereby ascertained, determined and declared that:

(A) The Board of County Commissioners of Monroe County, Florida, has enacted the Ordinance in order to provide for the creation of a municipal service benefit unit and to authorize the imposition of Assessments to fund the Maintenance of Local Improvements that serve and specially benefit the property located therein.

(B) The Roadway Improvements constitute a Local Improvement, as

defined in the Ordinance, and Maintenance constitutes a related service.

(C) All properties within the Assessment Area that have received Roadway Improvements will require continued operations and maintenance in order to maintain the benefits achieved by the Roadway Improvements. All Tax Parcels within the MSBU that have received the Local Improvements will benefit from Maintenance of the Local Improvements. Without Maintenance of the Local Improvements, the gains achieved through avoidance of flooding through sea level rise within the benefitted Tax Parcels by the Roadway Improvements will be lost.

(D) The Board desires to create the Assessment Area and to collect Maintenance Assessments in order to fund Maintenance Costs.

(E) The Roadway Improvements, and the related Maintenance Activities, provide a special benefit to the properties located within the Assessment Area, by protecting and enhancing their value, use and enjoyment; promoting health, welfare, convenience and safety for all assessed property owners in the Assessment Area; stabilizing or increasing property values; and establishing and preserving access to all properties within the Assessment Area.

(F) The Board hereby finds and determines that the Assessments to be imposed in accordance with this Resolution provide an equitable method of funding the Maintenance of the Local Improvements by fairly and reasonably allocating the cost to specially benefitted property.

(G) The Board hereby finds that each property within the proposed MSBU will be benefited by the Maintenance of the Local Improvements in an amount not less than the Assessment imposed against such property, computed in the

DRAFT

manner set forth in this Resolution.

(H) The Maintenance Assessment will be implemented to provide for mandatory payment of the annual Maintenance Costs by all Tax Parcels within the MSBU.

ARTICLE II
NOTICE AND PUBLIC HEARING

SECTION 2.01. PUBLIC HEARING. A public hearing will be conducted by the Board beginning at 9:00 a.m., or as soon thereafter as the matter can be heard, on June 18, 2025, at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo Florida, 33037 to consider adoption of a Final Assessment Resolution that will (A) create Assessment Areas, (B) impose Assessments, and (C) authorize collection of the Assessments pursuant to the Florida Uniform Assessment Collection Act.

SECTION 2.02. NOTICE BY PUBLICATION. Upon completion of the initial Assessment Roll, the Assessment Coordinator shall publish a notice of the public hearing on adoption of a Final Assessment Resolution as authorized by Section 2.01 hereof in the manner and the time provided in Section 3.04 of the Ordinance and Section 197.3632, Florida Statutes. Such notice shall be in substantially the form attached hereto as Appendix A.

SECTION 2.03. NOTICE BY MAIL. Upon completion of the initial Assessment Roll, the Assessment Coordinator shall, at the time and in the manner specified in Section 3.05 of the Ordinance, provide first class mailed notice of the public hearing

authorized by Section 2.01 hereof to each real property owner proposed to be assessed at the address indicated on the Tax Roll. Such notice shall be mailed at least twenty (20) days prior to the public hearing, in accordance with Section 197.3632, Florida Statutes, and shall be in substantially the form attached hereto as Appendix B.

ARTICLE III
PROPOSED ASSESSMENT AREA

SECTION 3.01. DESCRIPTION OF PROPOSED ASSESSMENT AREA.

(A) The Board proposes to create an assessment area for the Tax Parcels more particularly described in Appendix C attached hereto. The assessment area (the "Twin Lakes Assessment Area") shall consist of parcels shown in Appendix C, , and as listed in Appendix D, Description of Parcels by Assessment Area.

(B) The Assessment Area is proposed for the purpose of funding Maintenance Activities within the MSBU and for the purpose of improving the use and enjoyment of property by funding the ongoing operations and maintenance of the Local Improvements.

ARTICLE IV
MAINTENANCE ASSESSMENTS

SECTION 4.01. ESTIMATED MAINTENANCE COST. The estimated annual Maintenance Cost for the parcels within the Twin Lakes Roadway Improvement Assessment Area is $$221,531.00 per Fiscal Year. This Maintenance Cost will be funded through the imposition of Maintenance Assessments against real property located in the Twin Lakes Roadway Improvement Assessment Area in the manner set forth in this article.

SECTION 4.02. IMPOSITION OF MAINTENANCE ASSESSMENTS.

The Maintenance Assessments shall be imposed against all real property located within the Assessment Area for each Fiscal Year and shall be computed in accordance with this Article. The estimated annual Maintenance Assessment rate to generate the revenue to satisfy the estimated Maintenance Costs for the Fiscal Year beginning October 1, 2025, is $2,131.00 per dwelling unit or unimproved parcel. When imposed, the Maintenance Assessment for each Fiscal Year shall constitute a lien upon the parcels located in the MSBU, pursuant to Section 22-156, Monroe County Code of Ordinances.

SECTION 4.03. COMPUTATION OF MAINTENANCE ASSESSMENTS.

(A) The annual Maintenance Assessments shall be computed for each dwelling unit or undeveloped parcel located in the MSBU by adding the annual Maintenance Cost together with the Collection Cost, plus a five per cent (5%) reserve for the under-collection of assessments due to the discount on annual property tax bills allowed for property owners who pay prior to March 1 ("Maintenance Assessment Statutory Discount Amount"). This sum is then divided by the sum by the total number of dwelling units and undeveloped parcels within the Assessment Area. The result is the portion of the Maintenance Costs attributable to each Tax Parcel.

(B) The above calculations shall be completed on an annual basis for the purposes of the Maintenance Assessments.

(C) The Maintenance Assessment amount shall be adjusted by a CPI-U adjustment each year, if necessary.

SECTION 4.04. MAINTENANCE ASSESSMENT ROLL.

The Assessment Coordinator is hereby directed to prepare a final estimate of the Maintenance Assessments and to prepare the initial Maintenance Assessment Roll in the manner provided in the Ordinance. The Assessment Coordinator shall apportion the Maintenance Cost among the parcels of real property within the MSBU and within each Assessment Area as reflected on the Tax Roll in conformity with this Article. The estimate of Maintenance Cost and the Maintenance Assessment Roll shall be maintained on file at the office of the Assessment Coordinator and open to public inspection. The foregoing shall not be construed to require that the Maintenance Assessment Roll be in printed form if the amount of the Maintenance Assessment for each parcel can be determined by use of a computer terminal available to the public.

ARTICLE V
GENERAL PROVISIONS

SECTION 5.01. METHOD OF COLLECTION. The Assessments shall be levied and collected pursuant to the Florida Uniform Assessment Collection Act, Sections 197.3632 and 197.3635, Florida Statutes.

SECTION 5.02. SEVERABILITY. If any clause, section or provision of this Resolution shall be declared unconstitutional or invalid for any reason or cause, the remaining portion of said Resolution shall be in full force and effect and be valid as if such invalid portion thereof had not been incorporated herein.

DRAFT

SECTION 5.03. CONFLICTS. All resolutions or parts thereof in conflict herewith are hereby repealed to the extent of such conflict.

SECTION 5.04. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

PASSED AND DULY ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of said Board held on May 21, 2025.

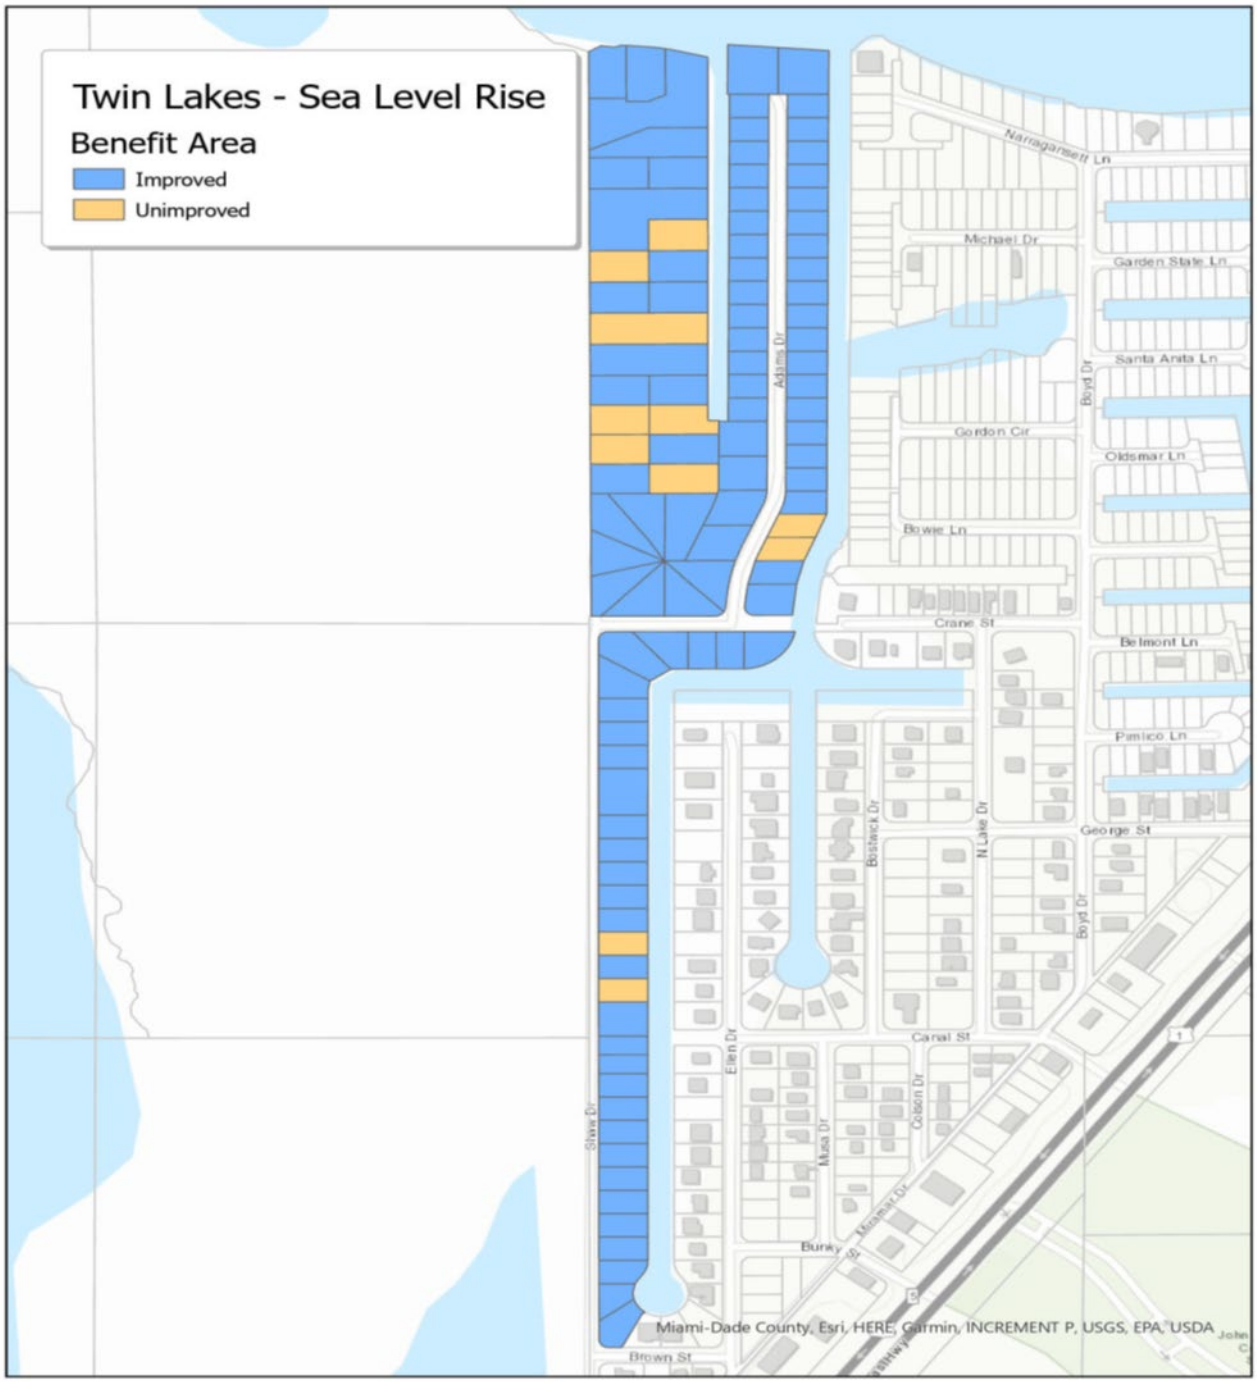
APPENDIX A

FORM OF NOTICE TO BE PUBLISHED

To Be Published on or before May 28, 2025

NOTICE OF PUBLIC HEARING TO CONSIDER ADOPTION OF COUNTY FINAL ASSESSMENT RESOLUTION

NOTICE IS HEREBY GIVEN TO WHOM IT MAY CONCERN that on **June 18, 2025**, at **9:00 A.M., or as soon thereafter as the matter may be heard, at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo Florida 33037,** the Board of County Commissioners of Monroe County, Florida, intends to consider approval of the following Monroe County resolution:



Monroe County, Florida
Twin Lakes Roadway Improvement, Sea Level Rise and Flood Mitigation Program
Final Assessment Resolution
Twin Lakes Neighborhood, Key Largo

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, RELATING TO THE ROADWAY IMPROVEMENT AND SEA LEVEL RISE AND FLOOD MITIGATION PROGRAM; IMPOSING ANNUAL MAINTENANCE ASSESSMENTS FOR PROPERTIES LOCATED WITHIN TWIN LAKES AREA IN KEY LARGO WITHIN THE TWIN LAKES ROADWAY IMPROVEMENT AREA MUNICIPAL SERVICE BENEFIT UNIT; ESTABLISHING LEGISLATIVE FINDINGS DETERMINING THAT SUCH REAL PROPERTY WILL DERIVE A SPECIAL BENEFIT FROM THE ROADWAY IMPROVEMENT ACTIVITIES AND THE ONGOING OPERATIONS AND MAINTENANCE THEREOF AND THE REASONABLE APPORTIONMENT OF THE ASSESSMENT; ESTABLISHING THE TERMS AND CONDITIONS OF THE PROPOSED SPECIAL ASSESSMENT, INCLUDING ADMINISTRATIVE AND COLLECTION COSTS; ESTABLISHING THE AMOUNT AND TERM OF THE ANNUAL ROADWAY IMPROVEMENT OPERATIONS AND OPERATION ASSESSMENT FOR EACH PARCEL OF PROPERTY TO BE ASSESSED BASED ON THE METHODOLOGY SET FORTH HEREIN; DIRECTING PREPARATION OF THE ASSESSMENT ROLL; AUTHORIZING A PUBLIC HEARING AND DIRECTING THE PROVISION OF NOTICE THEREOF; AND PROVIDING AN EFFECTIVE DATE.

A geographic depiction of the properties subject to the assessment is below:

Twin Lakes Benefit Area Key Largo, FL

The public hearing is being held for the purpose of receiving public comment on the proposed

assessments and collection of the assessment on the ad valorem tax bills. All affected property owners have the right to appear and provide input at the hearing and may file written objections with the County Attorney's Office at any time within twenty (20) days following publication of this notice.

The Assessments have been proposed to fund ongoing annual maintenance costs for the roadway improvement project, including, but not limited to, the cost of maintenance for pump station equipment and related services. The assessment for each parcel of property will be based upon the number of dwelling units and undeveloped parcels in the Assessment Area. The estimated assessment rate for the Fiscal Year beginning October 1, 2025, is $2,131.00 per dwelling unit or undeveloped parcel. A more specific description is set forth in the Initial Assessment Resolution adopted by the Board of County Commissioners on May 21, 2025.

The assessments will be collected by the Tax Collector on the ad valorem tax bill, commencing with the tax bill to be mailed in November 2025, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in a loss of title.

Re: Notice of Proposed Maintenance Special Assessment for Twin Lakes

Dear Property Owner:

A municipal service benefit unit is being created to fund assessments for operation and maintenance costs related to certain roadway improvement and sea level rise and flood mitigation program activities in your area. The operation and maintenance work is necessary in order to maintain the roadway improvements that will be achieved. The assessment for each parcel is based on the cost of the operations and maintenance and the number of dwelling units and undeveloped parcels in the roadway improvement area. A more specific description of the assessment program is set forth in the Initial Assessment Resolution adopted by the County Commission on May 21, 2025. Information regarding the assessment for your specific property is shown below.

Monroe County created the Monroe County Roadway Improvement and Sea Level Rise and Flood Mitigation Program Municipal Service Benefit Unit to impose special assessments to fund ongoing operations and maintenance costs for roadway improvements in the program. The maintenance assessments will be collected on the ad valorem tax bill commencing with the tax bill to be mailed in November 2025, as authorized by Section 197.3632, Florida Statutes. Failure to pay the assessments will cause a tax certificate to be issued against the real property, which may result in a loss of title.

A more specific description of the improvements and the method of computing the assessment for each parcel of real property are set forth in the Initial Assessment Resolution adopted by the Board of County Commissioners on May 21, 2025. Copies of the ROADWAY IMPROVEMENT AND SEA LEVEL RISE AND FLOOD MITIGATION PROGRAM Assessment Ordinance, the Initial Assessment Resolution (including an explanation of the assessment methodology) and the initial Assessment Roll are available for

inspection at the Monroe County Attorney's Office, 1100 12th St., Suite 408, Key West Florida 33040 between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday. Information regarding the assessment for your specific real property is attached to this letter.

The proposed assessments are based on the total overall future maintenance cost, divided by the number of dwelling units and undeveloped parcels in the Benefit Area. The annual assessment for each parcel will include its share of annual collection costs. An amount is also added to cover the statutory discount applicable to early payment of ad valorem taxes and special assessments.

The total number of dwelling units or undeveloped parcels attributable to the above tax parcel is:
The estimated Annual Maintenance Assessment for the above parcel is $$2,131.00, which translates to $177.58 per dwelling unit or undeveloped parcel per month.

The estimated total revenue to be collected for the Assessment Area is $221,531.00 for Fiscal Year beginning October 1, 2025.

You are invited to attend a public hearing to adopt the Final Assessment Resolution scheduled for June 18, 2025, beginning at 9:00 a.m. at the Murray Nelson Government Center, 102050 Overseas Highway, Key Largo, FL 33037. The Final Assessment Resolution will be available in the agenda packet for the hearing, to be published at http://monroecountyfl.iqm2.com/citizens/default.aspx beginning at 6:00 p.m. on June 10, 2025. All affected property owners have a right to appear at the hearing and to file written objections with the County Attorney's Office within 20 days following publication of this notice. If you decide to appeal any decision made by the County Commission with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made.

In accordance with the Americans with Disabilities Act, if you are a person with a disability who needs special accommodations to participate in this proceeding, please contact the County Administrator at (305) 292-4441, between the hours of 8:30 a.m. – 5:00 p.m., no later than five (5) calendar days prior to the date of the hearing. If you are hearing or voice impaired, call "711".

Questions regarding your assessment and the process for collection may be directed to the Monroe County Sustainability Department at (305) 453-8774, Monday through Friday between 8:00 a.m. and 4:30 p.m.

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: N2
2023-3858

BULK ITEM: No

DEPARTMENT: Sustainability

TIME APPROXIMATE:
TBD

STAFF CONTACT: Rhonda Haag

AGENDA ITEM WORDING: Discussion and direction on a draft *Initial Assessment Resolution* for the use of the uniform method of collecting non-ad valorem special assessment(s) levied within the County that directs $25,000 per billing unit be collected towards the Capital costs for the Twin Lakes road adaptation project in Key Largo. **10:30 A.M. TIME APPROXIMATE**

ITEM BACKGROUND:
The purpose of this item is to review and discuss an Initial Assessment Resolution "IAR" and information for special assessments to cover a portion of the capital costs for the Twin Lakes Road Adaptation project in Key Largo, beginning in November 2025.

Collection of the assessment(s) requires further approval of an *Initial* and *Final* assessment resolutions, draft IAR attached. Those assessment resolutions contain (a) a specific list of properties to be assessed, and (b) the amount of the assessment for each property.

The Monroe County Board of County Commissioners has previously approved the design and construction of a sea level rise pilot project in Twin Lakes to lessen the frequency and severity of flooding and decrease predicted flood damage. In December 2024 a resolution of the Monroe County BOCC passed on the potential use of the uniform method of collecting non-ad valorem special assessments levied within the County toward the cost of providing capital costs and/or operations and maintenance costs for roadway improvements, flood mitigation projects and addressing sea level rise projects for the Twin Lakes subdivision in Key Largo.

The Countywide *Roads Vulnerability Sea Level Rise Adaptation Study* identifies 97 various roadway areas for adaptation improvements by the year 2045 to mitigate flooding at a cost of $1.6 Billion, of which 49 were recommended by the year 2025 at an estimated cost of $888 Million (in 2020 $'s).

The property owners in the benefit areas where work may be performed will realize specific benefits as

a result of road adaptation work, including but not limited to decreases in road flooding and maintaining access to their homes.

The County is authorized under Section 125.01(1)(q) to establish municipal service benefit units within all or any part of the County, within which may be provided essential facilities from funds derived from special assessments on the properties located within the municipal service benefit unit (MSBU). Road adaptation work falls within the definition of "other essential facilities and municipal services."

RESOLUTION NO. _____ - 2025

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA SPECIFYING THAT FOR ALL NEIGHBORHOODS INCLUDED IN THE COUNTY'S ROADWAY ADAPTATION AND IMPROVEMENT PROGRAM FOR SEA LEVEL RISE AND FLOODING THAT A CAPITAL ASSESSMENT AMOUNT OF $25,000 SHALL BE ASSESSED PER BILLING UNIT TOWARDS CAPITAL COSTS, AND EACH NEIGHBORHOOD INCLUDED IN A PROJECT SHALL CONTRIBUTE 100% OF THE OPERATIONS AND MAINTENANCE OF THE ROADWAY ADAPTATION PROJECT THROUGH THE CREATION OF MUNICIPAL SERVICE BENEFIT UNITS TO COLLECT FUNDS TO PAY FOR CAPITAL COSTS AND ONGOING OPERATION AND MAINTENANCE COSTS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on February 17, 2021, Monroe County Board of County Commissioners ("BOCC") adopted Ordinance No. 002-2021 ("Ordinance"), creating an ordinance of the Board of County Commissioners of Monroe County, Florida, relating to the imposition of Municipal Service Benefit Units ("MSBU") for a sea level rise and flood mitigation programs; allowing for the future financing of improvements through the collection of non-ad valorem special assessments; and

WHEREAS, under Section 197.3632(3)(a), Florida Statutes, and Section 4.01 of the Ordinance, if Monroe County ("County") intends to collect a special assessment for the first time in a geographic area, the County is required to adopt a resolution stating its intent prior to January 1 prior to the tax year in which the assessment will be collected, stating the need for the levy and the legal description of the boundaries of the real property subject to the levy; and

WHEREAS, Monroe County (the "County") is contemplating the imposition of special assessments in order to pay for capital improvements and operations and maintenance costs for sea level rise and flood mitigation projects; and

WHEREAS, without contributions towards capital costs by the property owners in the benefit areas of the roadway improvement projects the County will need to raise overall taxes on all residents to help fund the program; and

WHEREAS, without future operations and maintenance work to maintain the work constructed by the roadway adaptation projects, the full value of the work will not be realized, and it will not be possible to realize the full potential of the constructed project; and

WHEREAS, the property owners in the benefit areas where work will be performed ("Subject Properties") will realize benefits as a result of the roadway adaptation work, including but not limited to maintenance of access to their property, maintaining or increase in property values, and continued future provision of general services such as postal delivery, solid waste services, and security patrols; and

WHEREAS, it is appropriate for the County to collect funds towards the cost of capital and to fully cover the cost of operations and maintenance from the property owners who realize the special benefits of the roadway adaptation work in the form of special assessments, provided the costs are distributed so that they are fairly and reasonably apportioned to the subject properties; and

WHEREAS, the County is authorized under Section 125.01(1)(q) to establish municipal service benefit units within all or any part of the unincorporated county, within which may be provided essential facilities from funds derived from special assessments on the properties located within the municipal service benefit unit (MSBU); and

WHEREAS, roadway adaptation work falls within the definition of "other essential facilities and municipal services."

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA THAT:

1. The Board of County Commissioners hereby authorizes staff to move forward to develop a program for the collection of special assessments from the Subject Properties in the Benefit Area of each Roadway Adaptation Project to pay for 100% of the Operation and Maintenance costs of the Project.

2. The Board of County Commissioners hereby authorizes staff to move forward to develop a program for the collection of special assessments from the Subject Properties in the Benefit Area of each Roadway Adaptation Project to contribute $25,000 per billing unit towards the Capital Costs of the Project.

3. The Board of County Commissioners of Monroe County, Florida hereby directs staff to take the steps necessary to create one or more MSBU's consisting of the Subject Properties included in the Benefit Areas of the roadway adaptation program.

4. This resolution shall take effect upon adoption.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting of said Board held on the _____ day of _____, 2025.

Fire/EMS Training

- Conducted facility and live fire training for thirty-two (32) firefighters from Stations 22, 18, 17, 13, 11, 10, 9, 8 and 7. This is an ISO requirement for firefighters and the training provided maintains the state fire certifications for personnel.
- Conducted multi-company training for Stations 10 and 11 for "Aerial Operations" providing in-house training for fire operations with engines, tankers and ladders. This will qualify firefighters to be aerial operators enabling personnel to operate the department's aerial apparatus.

Fire Marshal's Office

- Conducted Annual Fire and Life Safety inspections for commercial properties from Key Largo to Stock Island.
- Conducted Vacation Rental Fire and Life Safety inspections for residential properties.
- Conducted Plans Reviews and Inspections for New Construction and Renovation Permits for the building departments in Ocean Reef, the Upper Keys, Middle Keys, and the Lower Keys.
- Held a monthly staff meeting with members of the Fire Marshal's Office.
- Fulfilled five (5) public records requests for documents related to fires and incidents, code and fire and life safety inspections, and property fire investigations.
- Issued two (2) Public Service Announcements to the public regarding creating a "Fire Escape Plan" and a "Wildfire Preparedness Check List."

Grant Administration

- HSAB

  A total of 15 HSAB applications for FY26 have been successfully submitted to Bonfire as of 3/24/25, the deadline for submission is 3/31/25 at 5pm. 33 Florida based organizations have requested a copy of the application from the Bonfire portal. 6 requests for assistance and been submitted in Bonfire and 10 via email since the application period opened on 2/1/25.

- FEMA PA

  The Abatement Plan Activities for the Florida Division of Emergency Management (FDEM)'s F-ROC program were submitted. FDEM's F-ROC team will now review the activities and re-score the Disaster Readiness Assessment (DRA). This final score for the 2025 Hurricane season will determine the percent of the eligible obligated amount that will be dispersed to the County upon obligation of a Public Assistance project.

  Background: FDEM's F-ROC program assists Applicants in identifying risks and developing a plan to abate those risks. Each year the applicant completes the Disaster Readiness Assessment (DRA). From it a score is obtained and recommendations for an abatement plan are provided. Currently the two areas that are assessed are Debris Removal and Emergency Protective Measures.
  Applicants have the potential to receive a score of up to 80%. The Applicant's score directly corresponds to the percent of the eligible obligated amount that will be dispersed to the Applicant upon obligation of the Public Assistance project. Up to 60% of the score comes from the DRA process. Should an applicant be impacted by a storm and be approved for FEMA Public Assistance, an additional 20% may be added to the score for completing the Post Disaster Questionnaire. That 20% is only applied to that storm.
  For the 2025 Hurricane Season, the County received an initial score of 50 for Debris Removal and 53 for Emergency Protective Measures. However, through the abatement process, this score can be increased. From the recommendations provided by the DRA, the County created an abatement plan to mitigate those risks. This plan was submitted in January. The activities from the Abatement Plan were due to be submitted by March 31.

Purchasing

- Purchasing has been working with our dedicated account executive from Amazon Business Prime to maximize our spending power:

- ✓ A County-wide training for those who are purchasing for their departments was held in March. Through this training, attendees learned how to improve efficiency and reduce costs by taking advantage of discount pricing options, utilizing Amazon Business for larger purchases, and using the many ordering tools Amazon has on their Business Platform. Six sessions were held on March 12th, with 31 attending
- ✓ New discounts have been set up in several categories on the Amazon website. Staff will see these discounts automatically.

- The contract for the Conga contract management system is on the agenda for approval at the BOCC March 25th meeting. In addition, the approval of the FTE for a Contract Compliance Administrator is also up for approval at this meeting.

- March 2025 Bid Openings:
  - ✓ Constructing & Maintaining Bus Shelters for the Purpose of Selling and Placing Advertising on Shelters. 2 Bids
  - ✓ Mobile Beachfront Concessions at Higgs Beach. 1 Bid

- Federal Grants Update and Refresher training has been scheduled for May 17th at the Harvey Government Center. This course is designed to help Grant Managers stay up to date on the changing regulatory and legislative requirements, including everything they need to know about the 2024 Uniform Guidance updates, while reinforcing their knowledge of the grant's lifecycle.

- Coral Resilience Grant

  The third quarter report for the Coral Resilience grant was submitted to FDEP on 2/13/24. The report as well as the second reimbursement request for $83,445.80 were approved by FDEP on 3/11/25.

- Cost Allocation Plan

  The consultants met with the last department (Fleet) on 3/18/25. Several reports from Fleet were requested to fine tune the plan. Once these reports are received, a second meeting will be held with Fleet to ensure they agree with the allocations.

- The purchasing policy was recently revised to include the following updates:
  - ✓ Page 64: Section 2.7.--Revised to allow the charges of the school break camp fees
  - ✓ Allow the purchase of SunPass transponders and toll replenishments

- ✓ The following forms were added:
  - Page 77: Permanent Credit Limit Increase
  - Page 78: Temporary Credit Limit Increase

Office of Management & Budget

- An analysis was performed on the Fleet Management Department relating to the internal/external vehicle maintenance billing rates. An updated FY2025 rate was presented. The rate will require a recalculation for next fiscal year once Fleet submits their FY2026 proposed budget on April 16th.

- The GovMax budgeting software was updated to reflect the most up-to-date Position data, including employee salaries, Group Insurance, & Workers Compensation. OMB is waiting on the State to release the new FRS employer contribution rates.

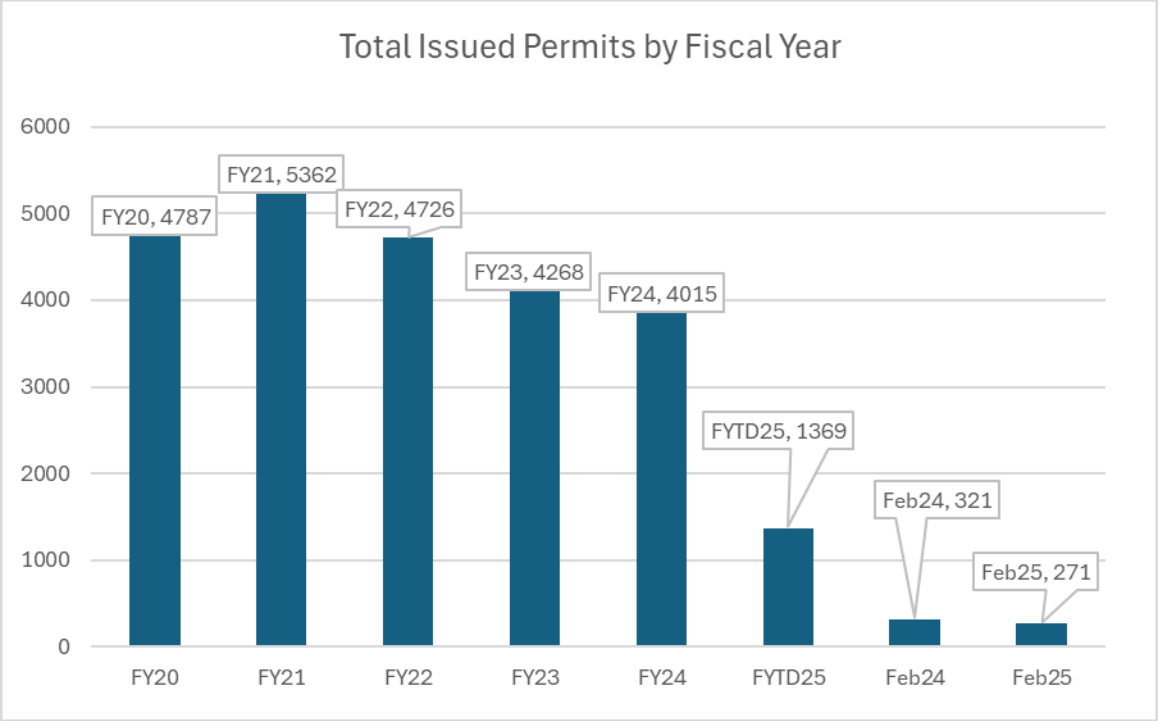
- Our office is continuing to monitor proposed State legislative action which may have budgetary/financial implications for the County.

- OMB held a public hearing during the March BOCC meeting to formally amend the budget of Fund 404 (Key West International Airport). The purpose of the amendment was to bring forward accrued fund balance to be made available for use in the current fiscal year. The hearing received no input from the public and budgets were subsequently updated.

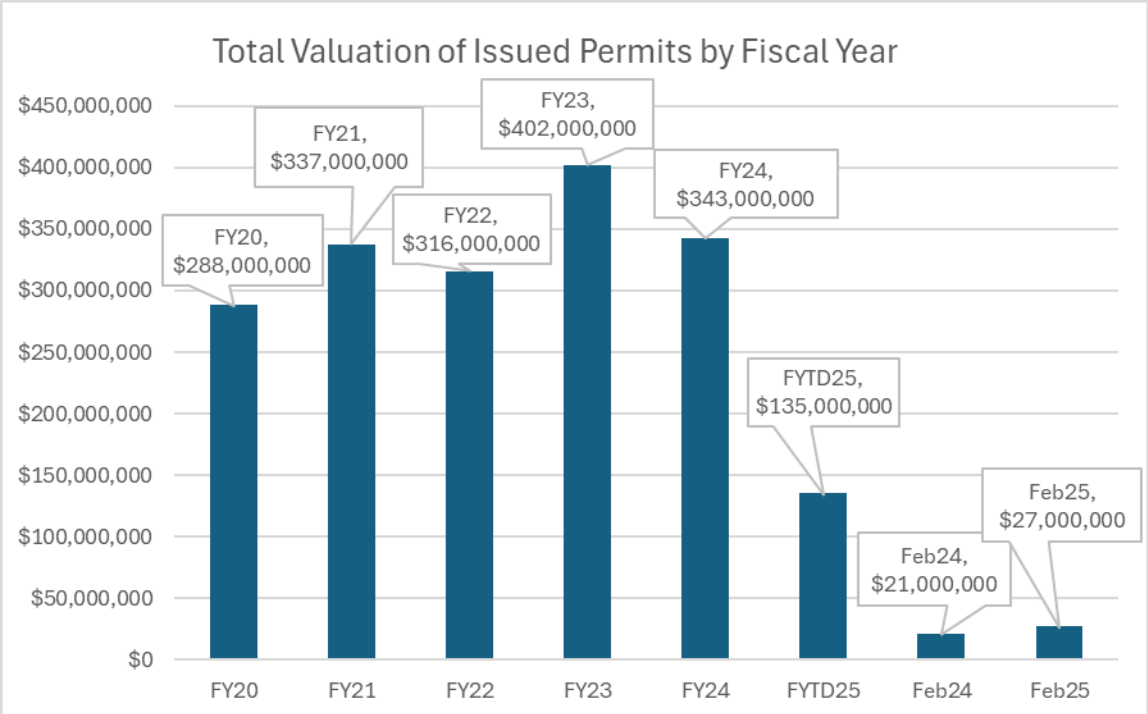
- The Department continues to monitor FY2025 year-to-date revenue and expenditure data. We are currently working on FY2025 estimates which will help determine availability of funds and impact the preparation of the FY2026 proposed budget.

Progress Report for Monroe County BOCC: Artificial Reefs Department

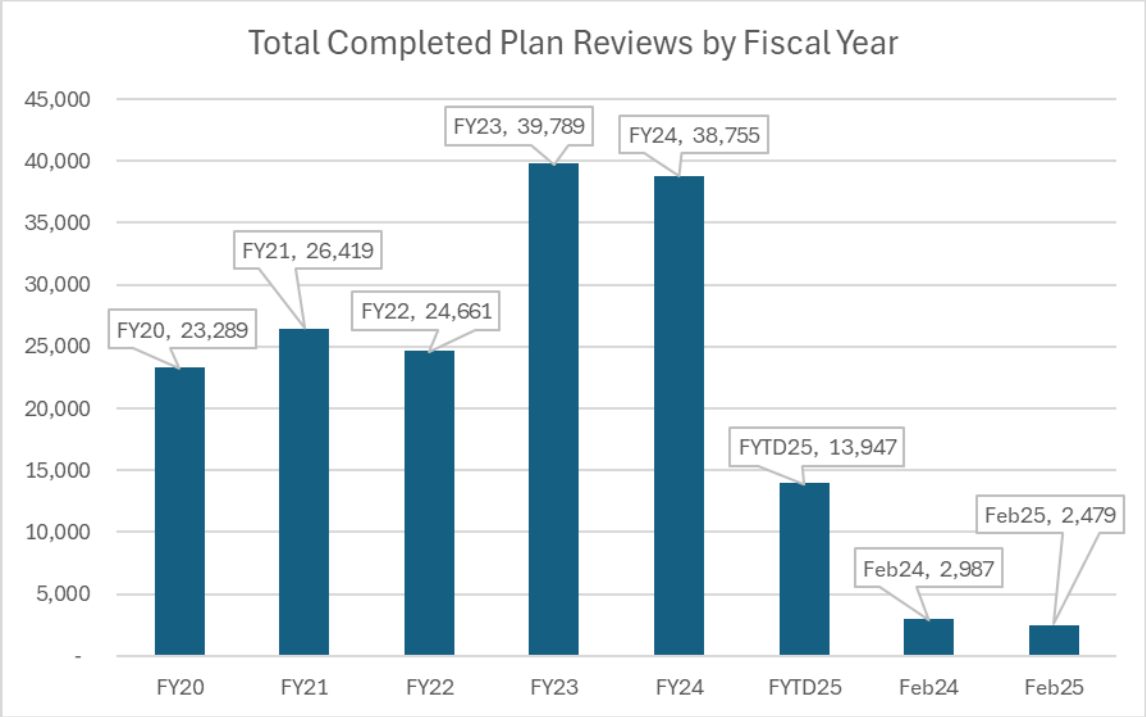
Prepared By: Dr. Hanna Koch



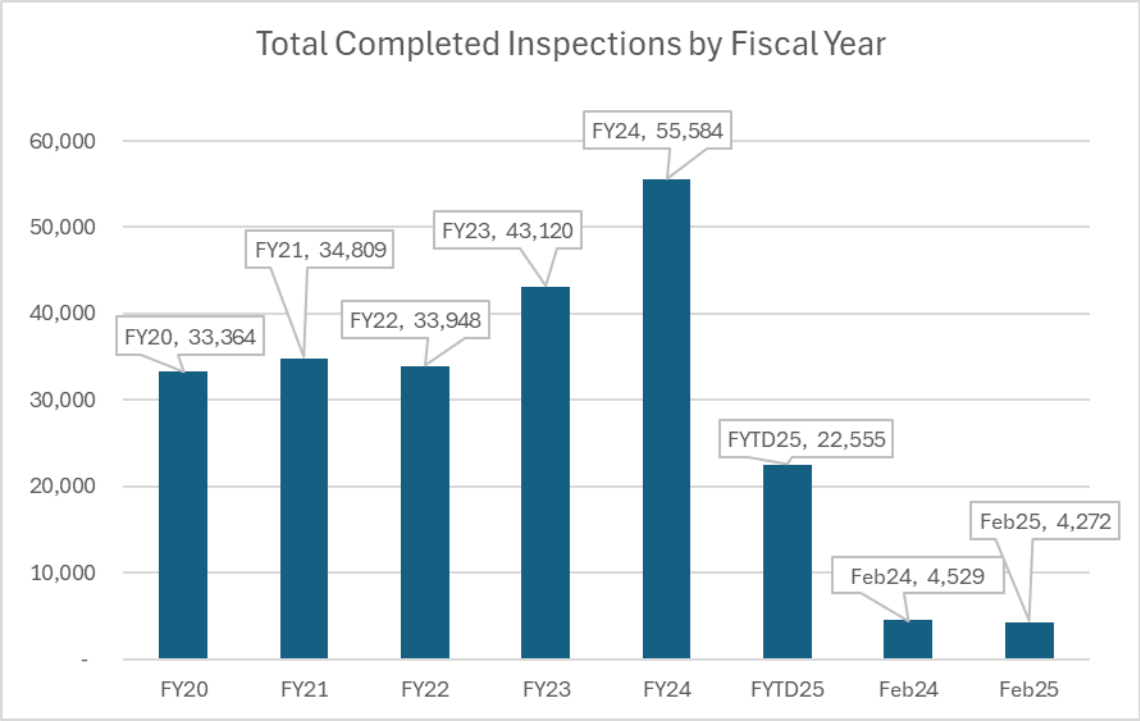
Submitted: 3/26/25



Main Programmatic Points:



1. Began training and working with Athena Downes, a new hire (FWC Biological Scientist) whose job description includes assisting Dr. Koch with Monroe County artificial reef activities (training with field surveys, permit application preparation and literature review)
2. Received notice from the Army Corps archaeologist that underwater archaeology research and surveys are no longer required for SAJ-2024-04159 (Gulfside 5 Mile AR). This is a major step forward and shows the necessary groundwork being laid to create a roadmap for artificial reef permitting in Monroe County
3. Dr. Koch continues to work on USACE & DEP permit applications for the Gulfside Network project; SAJ-2024-04827 (Gulfside 9 Mile AR) to be submitted next
    a. Site surveys in progress for 5 additional permit applications
4. Habitat Support Structures Working Group (Monroe County, FWC, FKNMS) continues to refine first research permit for artificial reef deployment within the Florida Keys Marine Sanctuary (shallow nearshore hardbottom, bayside off Middle Keys)
    a. Dr. Koch has begun archaeology background research for addressing Section 106 of the National Historic Preservation Act of 1966 (NHPA) and Florida Statute Chapter 267 Historical Resources
    b. Site surveys to document substrate/bottom condition, biological resources, and archaeological resources underway; Site J01 (Long Key) completed 3/26/25
5. Curtis Kruer, biological consultant, completed his delivery of materials and finalized his historical analysis of artificial reef projects in the Keys, which will be used to fulfill -in part- deliverable #1 of the FWC Grant #23132, a 5-yr Artificial Reef programmatic plan
6. Dr. Koch submitted an application to become a member of the Florida Keys National Marine Sanctuary Adaptive Management Working Group, which would develop and submit recommendations to the Florida Keys National Marine Sanctuary Advisory Council and Office of National Marine Sanctuaries on a variety of management measures to address resource threats



Recent Outreach Activities:

- Dr. Koch attended FL Keys Day in Tallahassee and met with Senator Albritton (Florida Senate President) as well as Jessica Crawford (FWC Chief of Staff) and Roger Young (FWC Executive Director)

PLANNING AND ENVIRONMENTAL RESOURCES DEPARTMENT

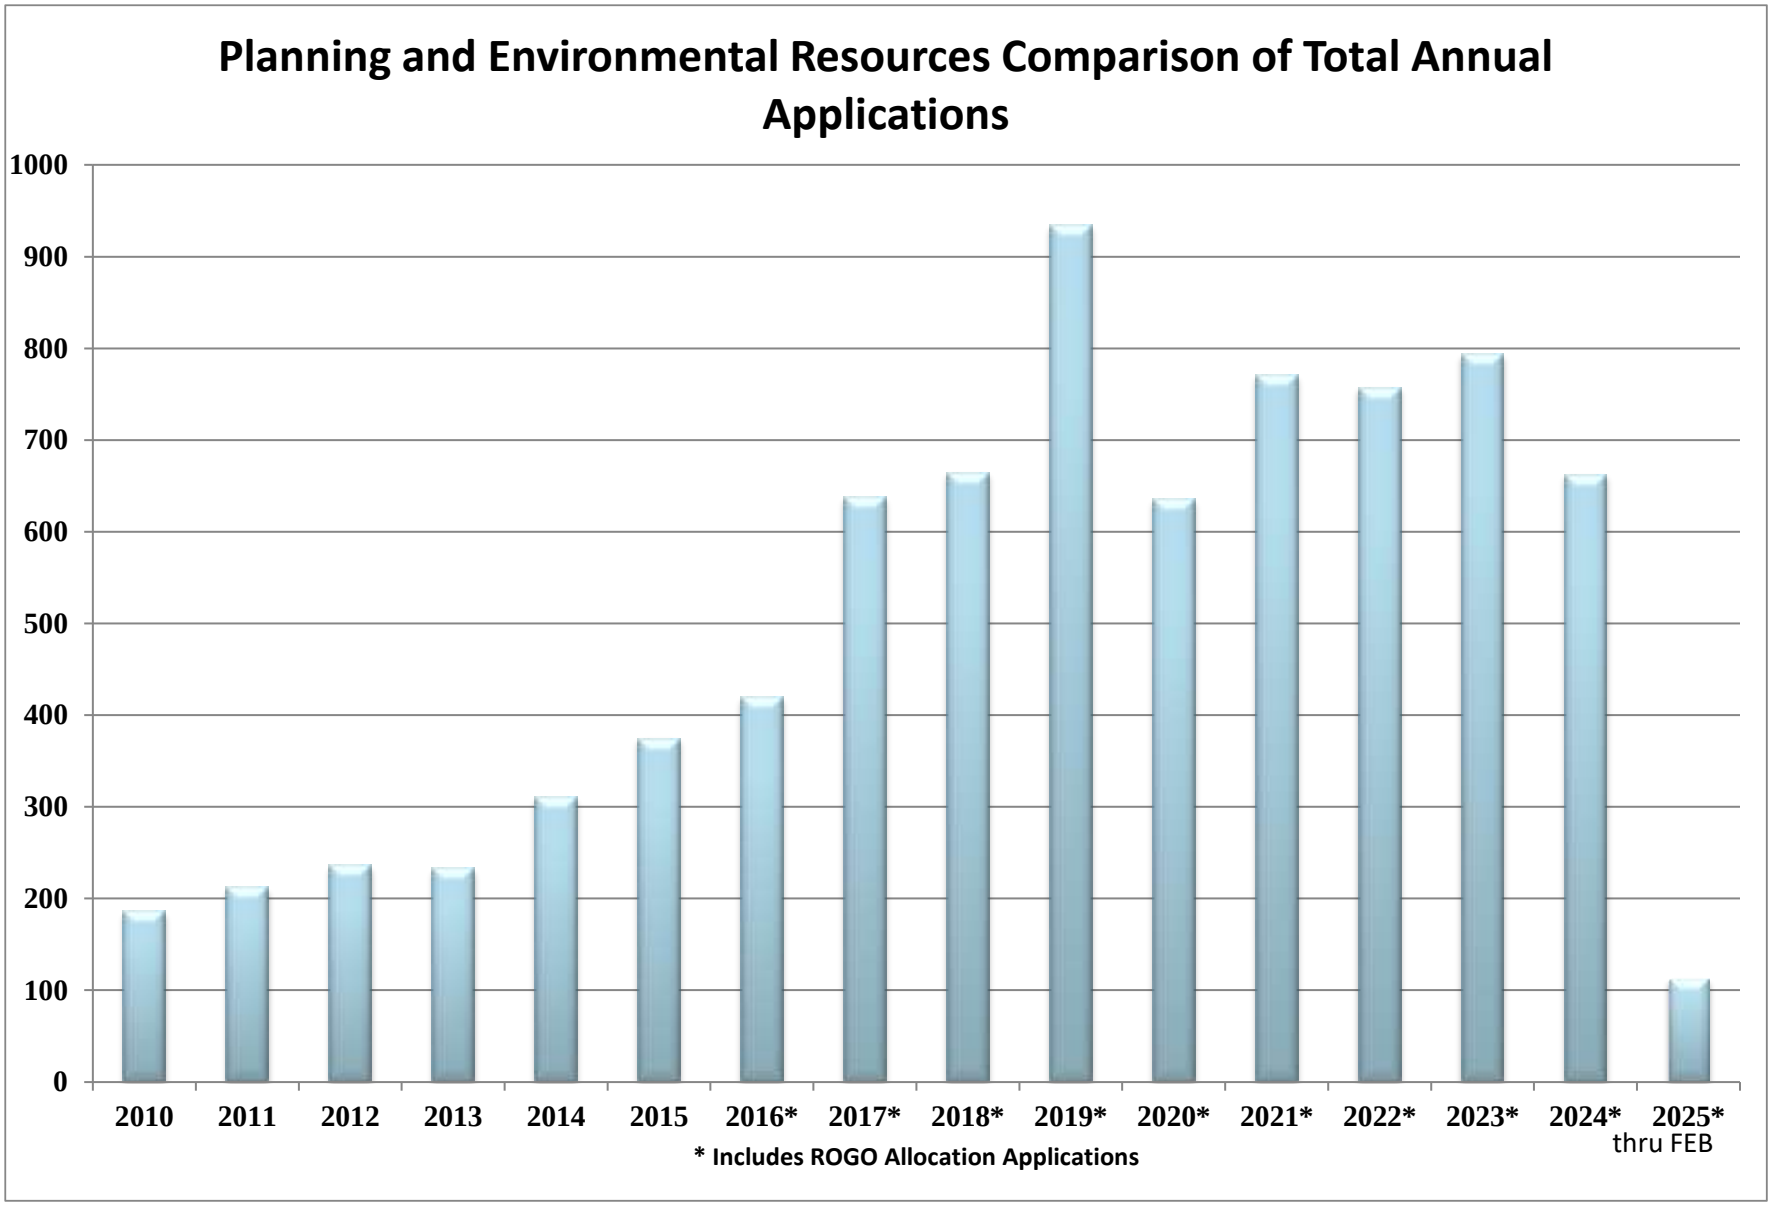
The goal of the Monroe County Planning and Environmental Resources Department is to foster sustainable, quality development in the county while conserving and promoting stewardship of the county's fragile environment and the unique character of its diverse island communities.

The functions of this department are implemented by the following offices:

The **Planning Office** is responsible for the administration of the adopted Monroe County Comprehensive Plan and Land Development Regulations. The Department processes amendments to the Comprehensive Plan and Land Development Regulations. Additionally, the department reviews development proposals for compliance with the Comprehensive Plan and Land Development Regulations, including community character, growth management provisions and environmental compliance.

The **Environmental Resources Office** services include the review of applications for compliance with environmental regulations such as: clearing limits, wetland delineation, landscaping, storm water, land clearing, and FEMA required review of potential endangered species impacts under the Permit Referral Process (PRP).

The **Environmental Restoration Office** manages the County's habitat restoration and improvement projects to enhance and preserve county-owned lands and partners with State and Federal agencies on maintaining conservation lands, specifically covering the removal of invasive exotic species and planting of native species.



The **Geographical Information Systems (GIS) Office** develops, maintains, and disseminates geographic data and GIS resources to enhance county functions and provides resources making geographic data available to the public and preparing maps depicting various data.

The **Marine Resources Office** provides a variety of services focusing on protection of the marine environment, the provision of maritime infrastructure, and the preservation of public water access, including: (1) vessel pump-out services are provided throughout unincorporated Monroe County; (2) the removal and disposal of derelict and abandoned vessels that have become an environmental or navigational hazard; and (3) working with FWC funded projects to replace regulatory buoys, channel markers, and other waterway management needs to improve recreational boating access and safety.

Special Note for March, April, May, & June 2020: The Monroe County Planning & Environmental Resources offices closed effective March 23, 2020, in response to the COVID-19 pandemic. Limited applications were accepted after that date. Effective April 27, 2020, the only applications not accepted: initial vacation rentals & vacation rental exemptions, public assembly permits, alcoholic beverage permits, and dog in restaurant permits. **All applications accepted as of June 1, 2020. Offices fully reopened on April 12, 2021.**

***Special Note for September 2022*:** The Monroe County Planning & Environmental Resources offices were closed for 3 days (September 27, 28 & 29) due to Hurricane Ian.

***Special Note for September 2024*:** The Monroe County Planning & Environmental Resources offices were closed for one (1) day on September 26th due to Tropical Storm/Hurricane Helene.

Channel Marker Program

Month	Channel Marker/Buoy Replacement Costs
March 2024	$9,470.00
April	$3,482.00
May	$0.00
June	$0.00
July	$0.00
August	$28,650.00
September	$29,400.00
October	$0.00
November	$0.00
December	$0.00
January 2025	$0.00
February	$0.00
Total	**$71,002.00**

Total annual cost for marker/buoy replacements for the past twelve-month period was lower than the cost during the same timeframe in 2023 ($126, 146). The increase in costs during the same timeframe in 2023 were a result of routine maintenance needs that required the replacement of 26 regulatory buoys in May of 2023. These buoys were funded in part by a $22,087.50 grant from the Florida Fish and Wildlife Conservation Commission Boating Improvement Grants Program. Additionally, 20 regulatory signs were damaged during Hurricane Ian and replaced with FEMA emergency disaster relief funds ($11,892.00) in March 2023.

Derelict Vessel Program

Month	Derelict Vessel Removal Costs
March	$75,886.00
April	$55,928.00
May	$110,309.00
June	$216,131.00
July	$113,065.00
August	$99,200.00
September	$111,434.00
October	$519,270.00
November	$136,875.00
December	$76,751.00
January 2025	$131,082.00
February	$18,279.00
Total	**$1,664,210.00**

Monroe County removed 1 vessel during the month of February. A total of 202 vessels were removed in the past twelve-month period. One hundred and six (93) of the 202 vessels removed were grant-funded through the FWC Derelict Vessel Removal Grant Program, and an additional 80 vessels were funded through an FWC government contract utilizing American Rescue Plan Act of 2021 funding which represents a total cost savings of $1,582,865.00 to the County (or 95% of total expenditures) in the past twelve-month period. These costs are included in the table above. The high removal costs during the months of June 2024 and October 2024 were due to the following costly removals:

- June 2024 - the technical removal of two steel hull sailboats ($159,997.00 & $155,000.00)
- October 2024 - the removal of a 74’ homemade vessel constructed out of steel shipping containers ($144,789.00) and a 66’ steel trawler ($254,000.00)

The total number of vessels removed during the past 12 months (202 vessels) was a 63% increase from the number removed during the same time frame in 2023 (124 vessels). Despite the expensive removals listed above, the total removal cost during the past 12 months ($1,664,210.00) was substantially lower than the cost when compared to the same time frame in 2023 ($2,061,696.00). In fact, the average removal cost per vessel has decreased by 53%, from $16,626.58 per vessel in 2023 to $7,669.17 per vessel in 2024.

The ILA with SFRTA continues to be edited.

The Transportation Coordination Committee held an in person on March 21st at the Marathon Government Center. Each Municipality and the County walked through their individual priorities. The lists were then disseminated to all to help build the master list that will be formally submitted to FDOT in June.

The Director spoke at the Green Drinks meeting in Key West to discuss the County's ongoing efforts with transit. Specifically, the use of electric vehicles for local service and growth to the system in order to remove cars from the roads.

The Director began the process with Benesch (FDOT subcontractor) to schedule the first Triennial Review for Monroe County Transit.

Progress Report for Monroe County BOCC: Artificial Reefs Department

Prepared By: Dr. Hanna Koch

Submitted: 3/26/25

Main Programmatic Points:

1. Began training and working with Athena Downes, a new hire (FWC Biological Scientist) whose job description includes assisting Dr. Koch with Monroe County artificial reef activities (training with field surveys, permit application preparation and literature review)
2. Received notice from the Army Corps archaeologist that underwater archaeology research and surveys are no longer required for SAJ-2024-04159 (Gulfside 5 Mile AR). This is a major step forward and shows the necessary groundwork being laid to create a roadmap for artificial reef permitting in Monroe County
3. Dr. Koch continues to work on USACE & DEP permit applications for the Gulfside Network project; SAJ-2024-04827 (Gulfside 9 Mile AR) to be submitted next
    a. Site surveys in progress for 5 additional permit applications
4. Habitat Support Structures Working Group (Monroe County, FWC, FKNMS) continues to refine first research permit for artificial reef deployment within the Florida Keys Marine Sanctuary (shallow nearshore hardbottom, bayside off Middle Keys)
    a. Dr. Koch has begun archaeology background research for addressing Section 106 of the National Historic Preservation Act of 1966 (NHPA) and Florida Statute Chapter 267 Historical Resources
    b. Site surveys to document substrate/bottom condition, biological resources, and archaeological resources underway; Site J01 (Long Key) completed 3/26/25
5. Curtis Kruer, biological consultant, completed his delivery of materials and finalized his historical analysis of artificial reef projects in the Keys, which will be used to fulfill -in part- deliverable #1 of the FWC Grant #23132, a 5-yr Artificial Reef programmatic plan
6. Dr. Koch submitted an application to become a member of the Florida Keys National Marine Sanctuary Adaptive Management Working Group, which would develop and submit recommendations to the Florida Keys National Marine Sanctuary Advisory Council and Office of National Marine Sanctuaries on a variety of management measures to address resource threats

Recent Outreach Activities:

- Dr. Koch attended FL Keys Day in Tallahassee and met with Senator Albritton (Florida Senate President) as well as Jessica Crawford (FWC Chief of Staff) and Roger Young (FWC Executive Director)

Monroe County Extension Services
Monthly Report – March 2025

Total Budget for FY 23/24: $316,330; Year to Date Expenditures and Encumbrances: $214,405; Remaining Balance: $101,925; Percentage of budget spent and/or encumbered year-to-date: 67.8%

Extension staff spoke on US1 104.1 Morning Magazine 3 times in the month of March topics included CPR and First aid Courses offered to the community, plant clinics, and termite awareness week. Termites damage homes, trees, and other wooden structures. In Florida, termite infestations are a year-round risk for properties and trees. While they are not swarming year-round, they consistently forage and develop new colonies, leaving signs of their presence. The University of Florida Institute of Food and Agricultural Sciences (UF/IFAS) has developed ways to know your risk with an online interactive termite distribution map. This tool helps residents, property owners, and pest control operators know the risks of infestations and how to limit that risk through proactive science-based approaches.

Extension staff produced 2 articles for Keys Weekly magazines on the Seahorses and volunteering in the Florida Keys.

Monroe County Extension blogs had 49,839 visitors this year to date. Find all of our Monroe County blogs at https://blogs.ifas.ufl.edu/monroeco/

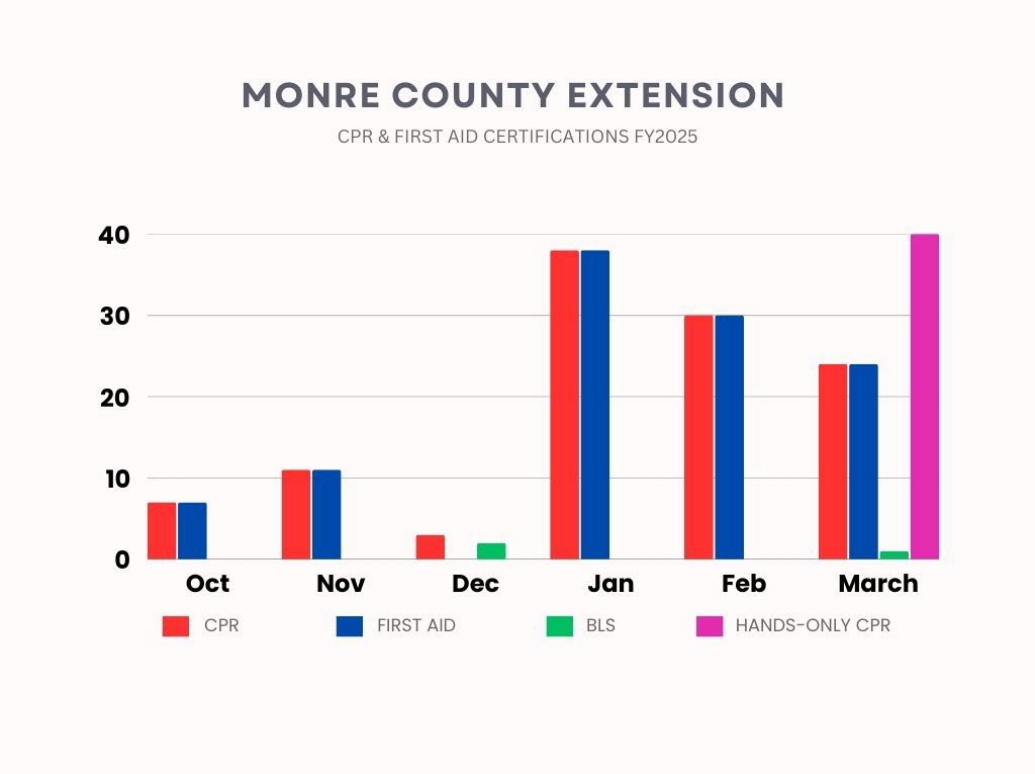
Monroe County Extension was invited to present the grant-funded Climate Navigator program in Vienna, Austria. Extension shared the program highlights from year one and the development of year two priorities.

Extension held two workshops focused on consumer financial issues, including tax refund scams and what to watch for to keep your personal information safe. It is important to recognize demands or threats - Impersonators want you to pay “now or else.” They may threaten arrest or deportation. They won't let you question or appeal the amount of tax you owe. Be careful with website links that can take you to harmful sites instead of IRS.gov.

Extension conducted one-on-one consultations via plant clinics, individual client communications, and an informational booth at the Key West Orchid Festival. These consultations provided residents with information on ecologically friendly horticultural practices and a better understanding of their county extension services. Through these consultations, Master Gardener Volunteers (MGVs) assisted their community, shared expertise, and learned from each other as they worked to find solutions.

Extension provided the Lunch and Learn and the DIY Microgreens Workshop; both were valuable group activities developed by MGVs Barbara Martinkosky and Nia Huber, respectively. The Lunch and Learn provided an excellent CEU opportunity for MGVs and focused on teaching how to educate Monroe County residents on FFL principles (13 participants). The Microgreens Workshop taught participants about microgreens and how to grow them (6 participants).

MGVs completed 212.31 hours of service in the form of CEUs, citizen science projects, community events, garden maintenance, written material production, presentations, and Virtual Help Desk support.



To improve program planning and policy literacy, extension met with Wendy Wilber, shadowed Emily Marois, and completed the following online trainings: UF_GET811_OLT: Supporting Students in Distress, UF_ITT102v_OLT: Protecting UF: Information Security Training, and UF_OOC101v_OLT: Compliance & Ethics: Doing Your Part for the Gator Good.

Extension provided media outreach by speaking on US-1 Radio about how extension services function, what public services are offered through the environmental horticulture agent, and what events would occur in March. Extension also marketed events on social media and authored weekly Master Gardener newsletters providing updates, upcoming CEUs, upcoming volunteer opportunities, feedback polls, a fun bonus, and helpful links to MGVs.

Extension staff administered 2 pesticide exams through the Florida Department of Agriculture. Test-taking participants came from Mosquito Control, where exams are required for employment.

Extension staff was invited to attend the AARP meeting at the Marathon Library and the AARP dinner at the Big Pine Community Center. During these two events, over 40 people were taught hands-only CPR and basic First Aid Skills.

Extension continues to offer American Heart Association CPR and First Aid Courses to the community. This month 24 participants from MERC (Monroe Emergency Reserve Corps) were certified in the courses. Over 40 participants from the local AARP chapter were also taught hands-only CPR and basic First Aid skills. Fiscal Year data for this program is located below. A total of 116 participants have been certified for the Fiscal Year.

Social Services Department
Monthly Report

February 2025

Services and Programs delivered from **2/1/2025 through 2/28/2025** included:

- **Assistive Device Loaner Program:** Loan equipment to community members such as wheelchairs, walkers, hospital beds, electric scooters, shower chairs, and bedside commodes. This program is need-based, not eligibility-based. Six (6) community members donated equipment to our Department and three (3) citizens received wheelchairs and bedside commodes they did not have to purchase.

- **Consumable Supplies:** Provides adult diapers/briefs, bed pads, cleansing wipes and medically prescribed nutritional drinks to eligible seniors who cannot otherwise afford them. Throughout the month, twenty-five (25) eligible families countywide received these supplies from our Department.

- **Energy Assistance:** The Low-Income Home Energy Assistance Program is a federally funded grant program that assists income qualified households with the funding necessary to pay their cooling and heating costs. Each household was considered low-income and include at least one or more of the following: an elderly individual; a child 5 years of age or younger; a disabled individual. During the month, twenty-three (23) households were provided LIHEAP funding.

- **Feeding South Florida (FSF) Partnership:** Social Services partners with FSF to conduct intake, determine eligibility, and arrange for clients to pick up food from our office(s) weekly. Food bags/boxes contain fresh fruits and vegetables, meat, canned foods, beans, pasta, and more, as commodities are available from FSF. During the month, 20,000 pounds of food were received from FSF in the Upper Keys Social Services office and distributed by our staff to citizens in need throughout Monroe County.

- **In-Home Services:** Homemaking, personal care, chores, companionship for the elderly, shopping assistance, in-home or facility-based respite, and group and individual caregiver training are provided to eligible elderly and disabled individuals via Department of Elder Affairs grant funding. During the month, Social Services staff provided over 1,200 hours of direct service to citizens Countywide.

- **Indigent/Pauper Cremations and Burials:** Covers final expenses for those deemed eligible as indigent. During the month, Social Services received ten (10) referrals of deceased individuals from the three (3) funeral homes throughout Monroe County.

- **Monroe County Special Transportation**: Provides door-to-door para-transportation for the elderly, disabled, and/or transportation-disadvantaged citizens for any medical appointments, grocery shopping, and other life sustaining or necessary activities of daily living. During the month, over 970 completed trips were provided Countywide.

- **Nutrition Services:** Hot, fresh meals are provided in a welcoming, enjoyable, congregate setting in Key West, Big Pine Key, and Key Largo to all seniors 60 and over. Frozen, microwavable, home-delivered meals are also provided throughout the Florida Keys for those who are 60 and over and unable to come to a congregate meal site. Throughout the month, 1,300 Congregate Meals were provided Countywide, and over 3,700 Home-Delivered Meals were also provided Countywide.

- **State Housing Initiatives Partnership (SHIP) program**: Administers State funding countywide to assist homeowners with SHIP homebuyer assistance, SHIP homeowner rehabilitation, SHIP sewer lateral connections, and SHIP disaster relief (when applicable). During the month, staff processed and closed six (6) SHIP homebuyer assistance loans, enabling four Monroe County families to become homeowners.

FEEDBACK

"I just returned from a fantastic week in Key West and absolutely LOVED playing pickleball at the Higgs Beach courts! The free, open play and organized rotation were great, and everyone was so welcoming, making it easy to join in. Plus, playing right by the ocean was incredible! It was the highlight of my trip—thank you!" *Lauren*

SOLID WASTE MANAGEMENT

MEMORANDUM

Monthly Departmental Report for March 2025

March:

- Since the approval in February, by the BOCC, to enter into an agreement with a tire recycler, there have been 41 tons of tires, removed from the county transfer stations. By utilizing the tire recycler, Monroe County kept approximately 3025 tires out of the landfill during the month of March.

- Focus and coordination for the planning and requirements to complete the permitting process of the equipment sheds for all three transfer stations. The sheds will be utilized to secure equipment, vehicles and machinery from weather, vermin, and other elements that can prematurely destroy assets.

- Monroe County Recycling and Outreach Coordinator in conjunction with Waste Management, Inc. has scheduled a tour of the recycling facility in Pembrooke Pines for Thursday, March 27, 2025. Those benefiting from the educational awareness include, county staff, City of Key West staff, and local non-profit organizations.

Books & Bites

Join us at **Num Thai, 103200 Overseas Highway, #3**, on **Tuesday, February 25, from 6-7:45 pm** to discuss ***Bad Monkey*** by Carl Haasen:

Andrew Yancy - late of the Miami Police and soon-to-be-late of the Monroe County Sheriff's Office - has a human arm in his freezer. There's a logical (Haasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it's not called the roach patrol for nothing).

Borrow the book from the Key Largo Library or the eBook through Libby. Food & drinks are available for purchase.

For Kids, Teens & Families

- **Story Time - Tuesdays & Thursdays, 10:30-11:30 am** Join us for stories & songs to enrich children's pre-literacy skills. Ages 0-5.

Holiday Closing

Presidents Day

Monday, February 17

All branches of the Monroe County Public Library will be closed in observance of Presidents Day.

New Website On The Way

We've been working hard on a new look for our website, **keyslibraries.org.** We expect it to go live in the next week or two... it will feature:

- A new, easier-to-use **calendar** to keep track of what's happening at your local library branch
- A new and improved site for the **Florida Keys History Center**
- A **Conch Shell button** that will always bring you back to our main menu
- Translations into **Spanish** and **Haitian Creole**

Diaper Drive

All **Monroe County Public Library branches** are drop-off locations through the month of February for the Florida Keys Healthy Start Coalition's **Diaper Drive.**

Their goal is to bring in 15k diapers and 15k in donations.

But Wait, There's More!

Stream movies & TV

Choose from more than 30,000 film and TV titles - including the Great Courses and the Criterion Collection - with the **Kanopy** app.

And with **Kanopy Kids**, a curated collection for younger viewers, you get unlimited plays!

MORE INFO

Get newspapers & magazines

You can read the **New York Times** online when you're on one of our computers or using our wifi. You can also sign up for **digital access to the New York Times at home for 24 hours.**

And you can read a broad range of newspaper and magazine articles via the **Florida Electronic Library.**

DICATION TO MALS & CHILDREN

Beginnings founder and new social media manager for Shelter, with Ben Kemmer, CEO for the children's shelter.

friends! Reef the fox here with your Reef's

to function at my best. If this job cuts into my daily affirmations, we're gonna have words. Social media priorities: As a fox-fluencer, I expect my brand to be maintained at its usual five-star standard. Will my perfectly crafted Instagram posts suffer? Will the world still get their daily dose of my ridiculous antics and devastating good looks? I demand reassurance.

The obvious upside: If there's anyone who understands what it's like to feel lost and in need of love, it's me. I was tossed aside by humans who saw me as nothing more than a product, and my mom fought like crazy to give me a new life. The kids at the Florida Keys Children's Shelter? They're also searching for safety, love and a place where they can finally feel at home. And if my mom can give them even a fraction of the dedication she gives to us foxes, then I know they're in good hands. She's going to be out there telling their stories, shining a light on their resilience, and making sure the world knows how incredible they are, just like she does for us at Pawsitive Beginnings.

Final verdict: Even though I may have to share my mom with even more humans now, I get it. She's meant to do this work. She was born to be a voice for the voiceless, whether they have fur, feathers, or just big hearts in need of healing.

Now, if you'll excuse me, I need to dramatically flop onto my bed and sigh for dramatic effect.

Until next time, Reef, over and

Local panel ponders pandemic 5 years later

In recognition of the fifth anniversary of the Florida Keys COVID-19 lockdown, a group of photographers, journalists and filmmakers will discuss and reflect on the spring of 2020 and its effect on Key West and the Florida Keys. The event will take place Thursday, March 27 at 6 p.m. at the Tropic Cinema, 416 Eaton St.

Sponsored by the Monroe County Public Library, and titled "Five Years Later: Looking Back at Key West's COVID Lockdown," the event was conceived by Michael Nelson, assistant director of libraries. It will focus on the period from March 1, 2020, when Florida's first COVID-19 cases were announced, to June 1, 2020, the day after the Upper Keys quarantine checkpoint was dismantled.

Key West Weekly editor Mandy Miles will moderate the panel that includes Chris Sloan, producer of the short-film documentary, "Key West: 66 Days of Paradise Interrupted"; and Roberta DePiero, Corey Malcom, Rob O'Neal, Andy Newman and Carol Tedesco, all of whom were involved in creating the photo book "Isolated Island – The Key West COVID-19 Spring of 2020." The collaboration of more than two dozen photographers not only documented an unprecedented moment in time, but also raised $60,000 for Sister Season Fund, a nonprofit organization that provides an emergency safety net for Key West hospitality and tourism workers.

Admission is free; seating is limited and on a first come, first serve basis. More information is available from Nelson at nelson-michael@monroecounty-fl.gov.

REEL RECS

Staff from your Monroe County Public Library recommend some of their favorites from the collection.

What: "A Night at the Opera" (1935)

Why: This film is everything you need to know about the Marx Brothers distilled into their purest and sharpest form. Some diehards might balk at that, stating that the team's Universal films better showcased their sense of anarchy (this film was made for MGM where it was requested their trolling antics be only aimed at antagonists rather than innocent bystanders). Having their trademark lunacy lobbied toward people who deserve it, though, is honestly more satisfying on a storytelling level. With Groucho's wit, Chico's brashness, and Harpo's innocence, you've got a perfect combination of humor styles, and when you see the famous ship cabin sequence, you'll see why their creative insanity still holds up today.

Where: This film is available on Kanopy, the library's streaming app.

How: You can browse and request DVDs online by logging in to your account at keyslibraries.org. To view our collection of streaming movies and TV, go to kanopy.com/keyslibraries and set up an account with your library card. If you don't have a card, you can visit your local branch or register online to get one. Questions? info@keyslibraries.org.

Revised BOCC 4/19/2023

Standard Form of Agreement Between Owner and Contractor

Where the basis of payment is a STIPULATED SUM

AGREEMENT

Made as of the _____ day of _____ in the year of Two Thousand and Twenty-Five.

BETWEEN the Owner: Monroe County Board of County Commissioners ("BOCC")
1100 Simonton Street
Key West, Florida 33040 ("Owner")

And the Contractor:

BLUE HOUSE REPAIR INC
13769 SW 139 Ct
Miami, Fl 33186

For the following Project

Card Sound Road Guardrail Repairs 2025
Monroe County, Florida

The Owner and Contractor agree as set forth below.

ARTICLE 1

The Contract Documents

The Contract Documents consist of this Agreement, County Forms (Ethics Clause; Non-Collusion Affidavit; Drug-Free Workplace; Public Entity Crime Statement, Vendor Certification Regarding Scrutinized Companies Lists, Affidavit Attesting To Noncoercive Conduct for Labor or Services, Minority Owned Business Declaration), Insurance Requirements and Documents, and other documents listed in this Agreement and Modifications issued after execution of this Agreement. These form the Contract and are as fully a part of the Contract as if attached to this Agreement or repeated herein. The Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral.

Contract represents the entire and integrated agreement between the parties hereto and supersedes prior negotiations, representations, or agreements, either written or oral.

Notice Requirement

All written correspondence to the COUNTY shall be dated and signed by an authorized representative of the CONTRACTOR. Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage pre-paid, to the COUNTY by certified mail, return receipt requested, to the following:

Ms. Judith Clarke, P.E.
Director of Engineering Services
Monroe County
1100 Simonton Street, Room 2-216
Key West, Florida 33040

For the Contractor:

Dania Yarruhs 786-357-6231

Blue House Repair, Inc
13769 SW 139 Ct
Miami, FL 33186

ARTICLE 2

The Work of this Contract

The Contractor shall execute the Scope of Work as specified and described in Attachment A. The contract constitutes the entire and exclusive agreement between the Owner and the Contractor with reference to The Card Sound Road Guardrail Repairs Project.

ARTICLE 3

Date of Commencement and Substantial Completion

3.1 The date of commencement is the date from which the Contract Time of Paragraph 3.2 is measured and shall be the date specified in the Notice to Proceed issued to the Contractor by the Owner.

3.2 The Contractor shall achieve Substantial Completion of the entire Work not later than **90 Days** after the Date of Commencement, subject to adjustments of the Contract Time as provided by the Contract Document.

Uncontrollable Circumstance

3.3 Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by

such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project;(each, a "Uncontrollable Circumstance"). CONTRACTOR'S financial inability to perform, changes in cost or availability of materials, components, or services, market conditions, or supplier actions or contract disputes will not excuse performance by Contractor under this Section. Contractor shall give County written notice within 7 days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, and the anticipated duration of such Uncontrollable Circumstance. Contractor shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional cost as a result of an Uncontrollable Circumstance. The Contractor may only seek a no cost Change Order for such reasonable time as the Owners Representative may determine.

ARTICLE 4

Contract Sum

The owner shall pay the Contractor in current funds for the Contractor's performance of the Contract, for the_ Card Sound Road Guardrail Repairs Project for a total not to exceed amount of **Forty seven thousand, four hundred fifty dollars ($47,450.00)** ("Contract Sum") subject to additions and deductions as provided in the Contract Documents.

ARTICLE 5

Progress Payments

5.1 Based upon Invoices submitted by the Contractor to the Owner, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents. Contractor shall submit to the County invoices with supporting documentation that are acceptable to the Clerk. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the Clerk's disbursal of funds.

5.2 The period covered by each Invoice for payment shall be one calendar month ending on the last day of the month.

5.3 County shall pay pursuant to the Local Government Prompt Payment Act 218.70 Florida Statutes.

5.4 Each Invoice for Payment shall be based upon the cost proposal and in accordance with the Contract Documents. The Invoice shall conform to the Rates and Contract Sum and be prepared in such form and supported by such data to substantiate its accuracy as the Owner may require.

5.5 Invoices for Payment shall indicate the amount of the Work completed as of the end of the period covered by the Invoice for Payment.

5.6 Subject to the provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

5.6.1 Take that portion of the Contract Sum properly allocable to completed Work as determined by multiplying the contract rate by the square yards of asphalt treated, less retainage of Five percent (5%). Pending final determination of cost to the Owner of changes in the Work, amounts not in dispute may be included in Invoices for Payment. The amount of credit to be allowed by the Contractor to the Owner for a deletion or change which results in a net decrease in the Contract Sum shall be actual net cost as confirmed by the Owner. When both additions and credits covering related Work or substitutions are involved in a change the allowance for overhead and profit shall be figured on the basis of net increase, if any, with respect to that change.

5.6.2 Subtract the aggregate of previous payments made by the Owner; and

5.6.3 Subtract amounts, if any, for which the Owner has withheld or nullified a Certificate for Payment.

5.7 The progress payment amount determined in accordance with Paragraph 5.6 shall be further modified under the following circumstances:

5.7.1 Add, upon Substantial Completion of the Work, a sum sufficient to increase the total payments to Ninety-five percent (95%) of the Contract Sum, less such an amount equal to 150 percent (150%) of the estimated cost to complete the items on the punchlist identified as not complete or needing to be corrected based on inspection at substantial completion as the Owner recommends and determines for incomplete work and unsettled claims, including the assessment of liquidated damages: and

5.7.2 Within 20 business days after the list of incomplete work is created, the Owner must pay the Contractor the remaining Contract Sum that includes all retainage previously withheld by the Owner less an amount equal to 150 percent (150%) of the estimated cost to complete the incomplete Work (i.e., "punch" list items); and

5.7.3 If final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Subparagraph 9.10.3 of the General Conditions.

5.8 Reduction or limitation of retainage, if any, shall be as follows: None

ARTICLE 6

Final Payment

Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when (1) the Contract has been fully performed by the Contractor except for the Contractor's responsibility to correct nonconforming Work and to satisfy other requirements, if any, which necessarily survive final payment: and (2) a Final Project Certificate for Payment has been issued

by the Project Manager: such final payment shall be made by the Owner not more than 20 days after the issuance of the Final Project Certificate for Payment.

ARTICLE 7

Insurance

7.1 Prior to commencement of work the Contractor will provide satisfactory evidence of insurance in the form of Certificates of Insurance as required in the Insurance Statement.

7.2 The Contractor shall name the Monroe County Board of County Commissioners, its employees and officials as "Additional Insured" on all policies except for Worker's Compensation.

Insurance Statement

The Insurance requirements are as follows:

Insurance Requirement		**Limits**
Worker's Compensation		Statutory Limits

ARTICLE 8

Miscellaneous Provisions

8.1 Where reference is made in this Agreement to a provision or another Contract Document, the reference refers to that provision as amended or supplemented by other provisions of the Contract Documents.

8.2 Payments due and unpaid under the Contract shall bear interest pursuant to the Local Government Prompt Payment Act 218.735

8.3 Monroe County's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Board of County Commissioners.

8.4 **Public Entities Crimes** By signing this Agreement, Contractor represents that the execution of this Agreement will not violate the Public Entities Crime Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto and may result in debarment from County's competitive procurement activities.

In addition to the foregoing, Contractor further represents that there has been no determination, based on an audit, that it or any subcontractor has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether Contractor has been placed on the convicted vendor list.

Contractor will promptly notify the County if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list. A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

8.5 The following items are part of this contract:

a) **Maintenance of Records:** Contractor shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives, shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the County or Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, the Contractor shall repay the monies together with interest calculated pursuant to Sec. 55.03; FS, running from the date the monies were paid to Contractor.

b) **Right to Audit:** *Availability of Records*. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); backcharge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by Owner to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in Owner's reasonable judgment have any bearing on or pertain to any matters, rights,

duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by Owner's representative and/or agents of Owner. Owner may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through interviews and written confirmations with employees, Subcontractors, suppliers, and contractors' representatives. All records shall be kept for seven (7) years after Final Completion.

c) **Governing Law, Venue, Interpretation, Costs, and Fees**: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State.

In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and Contractor agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. This Agreement shall not be subject to arbitration.

d) **Severability:** If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Contractor agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

e) **Attorney's Fees and Costs:** The County and Contractor agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs, as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

f) **Binding Effect**: The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Contractor and their respective legal representatives, successors, and assigns.

g) **Authority:** Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

h) **Claims for Federal or State Aid:** Contractor and County agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement. Any conditions imposed as a result of funding that effect the Project will be provided to each party.

i) **Nondiscrimination:** County and Contractor agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. County or Contractor agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1910 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

j) **Covenant of No Interest**: County and Contractor covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

k) **Code of Ethics**: County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

l) **No Solicitation/Payment:** The County and Contractor warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Contractor agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

m) **Public Records Compliance.** Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately

notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

n) **Non-Waiver of Immunity:** Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the County and the Contractor in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

o) **Privileges and Immunities:** All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules, pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the County, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

p) **Legal Obligations and Responsibilities:** Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the County, except to the extent permitted by the Florida constitution, state statute, and case law.

q) **Non-Reliance by Non-Parties:** No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Contractor agree that neither the County nor the Contractor or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group

of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

r) **Attestations:** Contractor agrees to execute such documents as the County may reasonably require, including a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement.

s) **No Personal Liability:** No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

t) **Execution in Counterparts:** This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

u) **Section Headings:** Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

v) **Special Conditions**: Any special conditions are detailed in Article 10.

w) **Hold Harmless and Indemnification:** Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, the Contractor covenants and agrees that he shall defend, indemnify and hold the COUNTY and the COUNTY's elected and appointed officers and employees, and harmless from and against (i) claims, actions or causes of action, (ii) litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) costs or expenses that may be asserted against, initiated with respect to, or sustained by the County and the COUNTY's elected and appointed officers and employees from liabilities damages, losses and costs, including but not limited to, reasonable attorney's fees, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor and persons employed or utilized by the indemnifying party in the performance of the construction contract. The monetary limitation of liability under this contract shall be not less than $1 million per occurrence pursuant to F. S. 725.06. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event the completion of the project (including the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained herein. In the event any claims are brought, or actions are filed against the County with respect to the indemnity contained herein, the Contractor agrees to defend against any such claims or

actions regardless of whether such claims or actions are rightfully or wrongfully brought or filed. The Contractor agrees that the County may select the attorneys to appear and defend such claims or actions on behalf of the County. The Contractor further agrees to pay at the Contractor's expense the attorneys' fees and costs incurred by those attorneys selected by the County to appear and defend such actions or claims on behalf of the County at both the trial and appellate levels. The County at its sole option, shall have the sole authority for the direction of the defense, and shall be the sole judge of the acceptability of any compromise or settlement of any claims or actions against the County.

x) **Adjudication of Disputes or Disagreements:** COUNTY and CONTRACTOR agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. The CONTRACTOR and COUNTY Representative shall try to resolve the claim or dispute with meet and confer sessions. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of paragraph y or Article 9 concerning termination or cancellation.

y) **Cancellation:** In the event that the Contractor shall be found to be negligent in any aspect of installation, stocking, maintenance, repair, or service, the County shall have the right to terminate this agreement after five days written notification to the Contractor.

z) **Cooperation:** In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, County and Contractor agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. County and Contractor specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

8.6 **Successors and Assigns:** The Contractor shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners for Monroe County, which approval shall be subject to such conditions and provisions as the Board may deem necessary. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or subcontractor shall comply with all of the provisions of this Agreement. Subject to the provisions of the immediately preceding sentence, each party hereto binds itself, its successors, assigns and legal representatives to the other and to the successors, assigns and legal representatives of such other party.

8.7 **No third-Party Beneficiaries**: Nothing contained herein shall create any relationship, contractual or otherwise, with or any rights in favor of, any third party. It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary under this Agreement, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. The Recipient guaranties the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Recipient or any subcontractor, in connection with this Agreement. Additionally, the Recipient agrees to include the following indemnification in all contracts with contractors/subcontractors, or consultants/sub consultants who perform work in connection with this Agreement.

8.8 The Recipient will not discriminate against any employee employed in the performance of this Agreement, or against any applicant for employment because of age, ethnicity, race, religious belief, disability, national origin, or sex. The Recipient shall provide a harassment-free workplace, with any allegation of harassment given priority attention and action by management. The Recipient shall insert similar provisions in all contracts and subcontracts for services by this Agreement. The Recipient affirms that it is aware of the provisions of Section 287.134(2)(a), Florida Statutes. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public Recipient. The Recipient further agrees that it shall not violate Section 287.134(2)(a), Florida Statutes, and acknowledges and agrees that placement on the list during the term of this Agreement may result in the termination of this Agreement.

8.9 **E-Verify System** - In accordance with F.S. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095

ARTICLE 9

9.1 **Termination for Cause**

Contractor or Owner, may terminate this agreement, for cause, after providing Written Notice of the default and if said default is not cured within 15 days, the agreement may be terminated upon five (5) additional days' Written Notice.

9.2 **Termination for Convenience and suspension by Owner**

9.2.1 Contractor or Owner may terminate this agreement, without cause, upon providing 30 days Written Notice.

9.2.2 The Owner may, without cause, order the Contractor in writing to suspend, delay or interrupt the Work in whole or in part for such period of time as the Owner may determine.

9.3 **Scrutinized Companies**

If the County determines that the Contractor has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

ARTICLE 10

Special Conditions

10.1 **Cleaning Up**
The Contractor shall keep the premises and surrounding area free from accumulation of waste materials or rubbish caused by operations under the Contract. 1. employees on the Work and other persons who may be affected thereby;
2. the Work and materials and equipment to be incorporated therein, whether in storage on or off the site, under care, custody or control of the Contractor or the Contractor's Subcontractors or Sub-subcontractors;
3. other property at the site or adjacent thereto, such as trees, shrubs, lawns, walks, pavements, roadways, structures and utilities not designated for removal, relocation or replacement in the course of Work; and
4. Work or operations by the Owner or other Contractors.

11.2.2 The Contractor shall promptly remedy damage and loss to property caused in whole or in part by the Contractor, a Subcontractor, a Sub-subcontractor,

11.3 Emergencies

In an emergency affecting safety of persons or property, the Contractor shall act, at the Contractor's discretion, to prevent threatened damage, injury or loss. Additional compensation or extension of time claimed by the Contractor on account of an emergency shall be determined by the Owner.

Article 12
Change Orders

12.1 Description: A Change Order is a written instrument prepared by the Owner and signed by the

Owner and Contractor stating their agreement upon all of the following: 1. A change in the work 2. The amount of the adjustment in the contract Sum, if any; and 3. The extent of the adjustment in the Contract Time, if any.

12.1.1 Changes in the Work may be accomplished after execution of the contract, and without invalidating the Contract, by Change Order. The Contractor may only seek a no cost Change Order for such reasonable time as the Owner may determine.

12.2 Procedure: Should the Owner contemplate making a change in the Work or a change in the Contract Time of Completion, the Director of Engineering Services will provide the Contractor a description of the contemplated change. The Contractor will either: 1. Make the described change in the Work at no change in the Contract Sum and no change in the Contract Time of Completion;

2. After analyzing the described change, promptly advise the County Director of Engineering Services as to credit or cost proposed for the described change and time adjustment, if any; or

3. Meet with the County Director of Engineering Services as required to explain costs and time adjustments when appropriate and determine other acceptable ways to achieve the desired objective.

IN WITNESS WHEREOF the parties hereto have executed this Agreement on the day and date first written above in counterparts, each of which shall, without proof or accounting for the other counterparts, be deemed an original contract.

DRUG-FREE WORKPLACE FORM

The undersigned vendor in accordance with Florida Statute 287.087 hereby certifies that BLUE HOUSE REPAIR, INC

(Name of Business)

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Minority Owned Business Declaration

Blue House Repair, Inc, a sub-contractor engaged by Monroe County during the completion of work associated with the below indicated project

(Check one)

__X__ is a minority business enterprise, as defined in Section 288.703, Florida Statutes

or

_____ is not a minority business enterprise, as defined in Section 288.703, Florida Statutes.

F.S. 288.703(3) "Minority business enterprise" means any small business concern as defined in subsection (6)(see below) which is organized to engage in commercial transactions, which is domiciled in Florida, and which is at least 51-percent-owned by minority persons who are members of an insular group that is of a particular racial, ethnic, or gender makeup or national origin, which has been subjected historically to disparate treatment due to identification in and with that group resulting in an underrepresentation of commercial enterprises under the group's control, and whose management and daily operations are controlled by such persons. A minority business enterprise may primarily involve the practice of a profession. Ownership by a minority person does not include ownership which is the result of a transfer from a nonminority person to a minority person within a related immediate family group if the combined total net asset value of all members of such family group exceeds $1 million. For purposes of this subsection, the term "related immediate family group" means one or more children under 16 years of age and a parent of such children or the spouse of such parent residing in the same house or living unit.

F.S 288.703(6) "Small business" means an independently owned and operated business concern that employs 200 or fewer permanent full-time employees and that, together with its affiliates, has a net worth of not more than $5 million or any firm based in this state which has a Small Business Administration 8(a) certification. As applicable to sole proprietorships, the $5 million net worth requirement shall include both personal and business investments.

Contractor may refer to F.S. 288.703 for more information.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

TG

The **Monroe County Board of County Commissioners, its employees and officials, 1100 Simonton Street, Key West, Florida 33040**, shall be named as Certificate Holder and Additional Insured on General Liability and Vehicle policies. A "Sample" Certificate of Insurance is attached, which may not be reflective of the insurance amounts required for this project but is provided for "informational purposes" only.

R) The Contractor is required to have all current licenses necessary to perform the work and shall submit the Contractor's License and Monroe County Business Tax Receipt along with its Proposal. If the Contractor is not a current registered Monroe County Vendor, then it shall also submit a properly completed and executed W-9 Form.

S) INDEMNIFICATION, HOLD HARMLESS, AND DEFENSE. Notwithstanding any minimum insurance requirements prescribed elsewhere in this Agreement, the Contractor shall defend, indemnify and hold the County and the County's elected and appointed officers and employees harmless from and against (i) any claims, actions or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of the Contractor or any of its employees, agents, subcontractors or other invitees during the term of this Agreement, (B) the negligence or recklessness, intentional wrongful misconduct, errors or other wrongful act or omission of the Contractor or any of its employees, agents, subcontractors or other invitees, or (C) the Contractor's default in respect of any of the obligations that it undertakes under the terms of this Agreement, except to the extent the claims, actions, causes of action, litigation, proceedings, costs or expenses arise from the intentional or sole negligent acts or omissions of the County or any of its employees, agents, contractors or invitees (other than the Contractor). The monetary limitation of liability under this contract shall be equal to the dollar value of the contract and not less than $1 million per occurrence pursuant to Section 725.06, Florida Statutes. The limits of liability shall be as set forth in the insurance requirements included in Paragraph 3 Q. herein. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the County by virtue of any deficiency or ambiguity in the plans and specifications provided by the Contractor, the Contractor agrees and warrants that the Contractor shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this Agreement.

Nothing contained in this paragraph is intended to nor shall it constitute a waiver of the County's sovereign immunity.

T) **NON-COLLUSION.** By signing this proposal, the undersigned swears, according to law on his/her oath, and under penalty of perjury, that their firm executes this proposal with prices arrived at independently without collusion, consultation, communication, or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor. Unless otherwise required by law, the prices which have been quoted in this proposal have not been knowingly disclosed by the proposer and will not knowingly be disclosed by the proposer prior to proposal opening, directly or indirectly, to any other proposer or to any competitor. No attempt has been made or will be made by the proposer to induce any other person, partnership or corporation to submit, or not to submit a proposal for the purpose of restricting competition. The statements contained in this paragraph are true and correct, and made with the full knowledge that Monroe County relies upon the truth of the statements contained in this paragraph in awarding contracts for this project.

U) **EMPLOYMENT OR RETENTION OF FORMER COUNTY OFFICERS OR EMPLOYEES.** By signing this proposal, the undersigned warrants that he/she/it has not employed, retained or otherwise had act on his/hers/its behalf any former County officer or employee in violation of Section 2-149, Monroe County Code of Ordinances or any County officer or employee in violation of Section 2-150, Monroe County Code of Ordinances. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee pursuant to Subsection 2-152(b), Monroe County Code of Ordinances.

V) **CODE OF ETHICS.** County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

W) **DRUG-FREE WORKPLACE.** By signing this proposal, the undersigned certifies that the contractor complies fully with, and in accordance with the requirements of Section 287.087, Florida Statutes, as follows:

1) They will publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specify the actions that will be taken against employees for violations of such prohibition.
2) Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug

counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3) Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in Subsection 1.

4) In the statement specified in subsection 1, notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893, Florida Statutes or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5) Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, for any employee who is so convicted.

6) Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

ADDITIONAL CONTRACT PROVISIONS

I) **Nondiscrimination/Equal Employment Opportunity.**

The Contractor and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. Contractor agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) Any other

nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

During the performance of this Agreement, the Contractor, in accordance with *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339) as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity,* and implementing regulations at 41 C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor), see 2 C.F.R. Part 200, Appendix II, ¶ C, agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated equally during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee, who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions, discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7) In the event of the Contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provision of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

T.G. 2336

II) **Termination Provisions.**

A. In the event that the Contractor shall be found to be negligent in any aspect of service, the County shall have the right to terminate this agreement after five (5) days' written notification to the Contractor.

B. Either of the parties hereto may cancel this Agreement without cause by giving the other party sixty (60) days' written notice of its intention to do so.

C. Termination for Cause and Remedies: In the event of breach of any contract terms, the County retains the right to terminate this Agreement. The County may also terminate this agreement for cause with Contractor should the Contractor fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination, prior to termination, the County shall provide Contractor with five (5) calendar days' notice and provide the Contractor with an opportunity to cure the breach that has occurred. If the breach is not cured, the Agreement will be terminated for cause. If the County terminates this agreement with the Contractor, County shall pay Contractor the sum due the Contractor under this agreement prior to termination, unless the cost of completion to the County exceeds the funds remaining in the contract; however, the County reserves the right to assert and seek an offset for damages caused by the breach. The maximum amount due to Contractor shall not in any event exceed the spending cap in this Agreement. In addition, the County reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the County's False Claims Ordinance, located at Article IX, Section 2-721 et al. of the Monroe County Code.

D. Termination for Convenience: The County may terminate this Agreement for convenience, at any time, upon seven (7) days' notice to Contractor. If the County terminates this agreement with the Contractor, County shall pay Contractor the sum due the Contractor under this agreement prior to termination, unless the cost of completion to the County exceeds the funds remaining in the contract. The maximum amount due to Contractor shall not exceed the spending cap in this Agreement. In addition, the County reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the County's False Claims Ordinance, located at Article IX, Section 2-721 et al. of the Monroe County Code.

E. Scrutinized Companies:
For Contracts of any amount, if the County determines that the Contractor/Consultant has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Consultant written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

III) **Maintenance of Records.**

The Contractor shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained as applicable for 1) a period of five (5) years after all funds have been expended or returned to the Department of the Treasury, whichever is later; or 2) for a period of seven (7) years from the termination of this Agreement or for a period of five (5) years from the submission of the final expenditure report as per 2 CFR §200.33, whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for seven (7) years following the termination of this Agreement. If any auditor employed by Monroe County or the Monroe County Office of the Clerk of Court and Comptroller (hereinafter referred to as "County Clerk") determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the Contractor, the Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, Florida Statutes, running from the date the monies were paid by the County.

IV) **Right to Audit.**

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); back charge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by Owner or by the County Clerk to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in Owner's or the County Clerk's reasonable judgment have any bearing on or pertain to any matters, rights, duties, or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by Owner's representative and/or agents of Owner or the County Clerk. Owner or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through interviews and written confirmations with employees, subcontractors, suppliers, and contractors' representatives. All records shall be kept for ten (10) years after Final Completion. The County Clerk possesses the independent authority to conduct an audit of records, assets, and activities relating to this Project. If any auditor employed by Monroe County or County Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the Contractor, the Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, Florida

Statutes, running from the date the monies were paid to Contractor. The *right to audit* provisions survive the termination or expiration of this Agreement.

V) **Payment of Fees / Invoices.**

County shall pay pursuant to Section 218.70, Florida Statutes (Florida Local Government Prompt Payment Act), upon receipt of a Proper Invoice from the Contractor. Payments due and unpaid under the Contract shall bear interest pursuant to the Florida Local Government Prompt Payment Act.

The Contractor is to submit to the County invoices with supporting documentation that are acceptable to the County Clerk. Acceptability to the County Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the County Clerk's disbursal of funds. **Invoices shall be submitted to Monroe County Facilities Maintenance Department, Attention: Jessica Morris via email at morris-jessica@monroecounty-fl.gov.**

The County is exempt from sales and use taxes. A copy of the tax exemption certificate will be provided upon request.

Final payment shall be made by the County, as the Owner, to the Contractor when the Contract has been fully performed by the Contractor and the work has been accepted by the County.

VI) **Public Records Compliance.**

The Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Article I, Section 24, of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Section 119.0701, Fla. Statutes, and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon request from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.
(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.
(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

VII) E-Verify System.

Beginning January 1, 2021, in accordance with Section 448.095, Florida Statutes, as may be amended from time to time, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of Section 448.095, Florida Statutes. Pursuant to Section 448.095:

1. "A public agency, Bidder, or subcontractor who has a good faith belief that a person or an entity with which it is contracting has knowingly violated Subsection 448.09(1) shall terminate the contract with the person or entity.
2. A public agency that has a good faith belief that a subcontractor knowingly violated this subsection, but the Bidder otherwise complied with this subsection, shall promptly notify the Bidder and order the Bidder to immediately terminate the contract with the subcontractor.
3. A contract terminated under this paragraph is not a breach of contract and may not be considered as such. If a public agency terminates a contract with a Bidder under this paragraph, the Bidder may not be awarded a public contract for at least 1 year after the date on which the contract was terminated. A Bidder is liable for any additional costs incurred by a public agency as a result of the termination of a contract."

VIII) Notice Requirement.

Any written notices or correspondence given pursuant to this contract shall be sent by United States Mail, certified, return receipt requested, postage prepared, or by courier with proof of delivery. Notice is deemed received by Contractor when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice shall be sent to the following persons:

For Contractor:
Florida Fence Corp
PO Box 227
Tavernier, FL. 33070

For Owner:
Facilities Maintenance Department
Attention: John T. Null
10600 Aviation Blvd.
Marathon, Florida 33050

And

JT 2341

IX) Uncontrollable Circumstance.

Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project;(each, a "Uncontrollable Circumstance"). Contractor's financial inability to perform, changes in cost or availability of materials, components, or services, market conditions, or supplier actions or contract disputes will not excuse performance by Contractor under this Section. Contractor shall give County written notice within seven (7) days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, or as soon as possible after such Uncontrollable Circumstance has occurred if reasonably anticipated, and the anticipated duration of such Uncontrollable Circumstance. Contractor shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional cost as a result of an Uncontrollable Circumstance. The Contractor may only seek a no cost Change Order or Amendment for such reasonable time as the Owner's Representative may determine.

X) Adjudication of Disputes or Disagreements.

County and Contractor agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Section I, Nondiscrimination, or Section II, concerning Termination or cancellation.

INSURANCE REQUIREMENTS AND FORMS

MONROE COUNTY, FLORIDA RISK MANAGEMENT POLICY AND PROCEDURES

General Insurance Requirements For Other Contractors, Subcontractors and Professional Services

As a pre-requisite of the work and services governed, or the goods supplied under this contract (including the pre-staging of personnel and material), the Contractor shall obtain, at his/her own expense, insurance as specified in any attached schedules, which are made part of this contract. The Contractor will ensure that the insurance obtained will extend protection to all Subcontractors engaged by the Contractor. Alternatively, the Contractor may require all Subcontractors to obtain insurance consistent with the attached schedules.

The Contractor will not be permitted to commence work governed by this contract (including pre-staging of personnel and material) until satisfactory evidence of the required insurance has been furnished to the County as specified below. Delays in the commencement of work, resulting from the failure of the Contractor to provide satisfactory evidence of the required insurance, shall not extend deadlines specified in this contract and any penalties and failure to perform assessments shall be imposed as if the work commenced on the specified date and time, except for the Contractor's failure to provide satisfactory evidence.

The Contractor shall maintain the required insurance throughout the entire term of this contract and any extensions specified in the attached schedules. Failure to comply with this provision may result in the immediate suspension of all work until the required insurance has been reinstated or replaced. Delays in the completion of work resulting from the failure of the Contractor to maintain the required insurance shall not extend deadlines specified in this contract and any penalties and failure to perform assessments shall be imposed as if the work had not been suspended, except for the Contractor's failure to maintain the required insurance.
The Contractor will be held responsible for all deductibles and self-insured retentions that may be contained in the Contractor's Insurance policies.
The Contractor shall provide, to the County, as satisfactory evidence of the required insurance, either:

- Certificate of Insurance or
- A Certified copy of the actual insurance policy.

The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this contract.

All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

The acceptance and/or approval of the Contractor's insurance shall not be construed as relieving the Contractor from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, its employees and officials, at 1100 Simonton Street, Key West, Florida 33040, will be included as "Additional Insured" on all policies, except for Workers' Compensation.

Any deviations from these General Insurance Requirements must be requested in writing on the County prepared form entitled "**Request for Waiver of Insurance Requirements**" and approved by Monroe County Risk Management Department.

PROPOSER'S INSURANCE AND INDEMNIFICATION STATEMENT

The Monroe County Board of County Commissioners, its employees and officials, 1100 Simonton Street, Key West, Florida 33040, shall be named as Certificate Holder and Additional Insured on General Liability and Vehicle policies.

INDEMNIFICATION, HOLD HARMLESS, AND DEFENSE. Notwithstanding any minimum insurance requirements prescribed elsewhere in this agreement, Contractor shall defend, indemnify and hold the County and the County's elected and appointed officers and employees harmless from and against (i) any claims, actions or causes of action, (ii) any litigation, administrative proceedings, appellate proceedings, or other proceedings relating to any type of injury (including death), loss, damage, fine, penalty or business interruption, and (iii) any costs or expenses that may be asserted against, initiated with respect to, or sustained by, any indemnified party by reason of, or in connection with, (A) any activity of Contractor or any of its employees, agents, contractors or other invitees during the term of this Agreement, (B) the negligence or recklessness, intentional wrongful misconduct, errors or other wrongful act or omission of Contractor or any of its employees, agents, sub-contractors or other invitees, or (C) Contractor's default in respect of any of the obligations that it undertakes under the terms of this Agreement, except to the extent the claims, actions, causes of action, litigation, proceedings, costs or expenses arise from the intentional or sole negligent acts or omissions of the County or any of its employees, agents, contractors or invitees (other than Contractor). The monetary limitation of liability under this

TC

contract shall be equal to the dollar value of the contract and not less than $1 million per occurrence pursuant to Section 725.06, Florida Statutes. The limits of liability shall be as set forth in the insurance requirements included in Paragraph 3.Q. herein. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the Contractor's failure to purchase or maintain the required insurance, the Contractor shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the County by virtue of any deficiency or ambiguity in the plans and specifications provided by the Contractor, the Contractor agrees and warrants that the Contractor shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this Agreement.

PROPOSER'S STATEMENT

I understand the insurance that will be mandatory if awarded the contract and will comply in full with all of the requirements herein. I fully accept the indemnification and hold harmless and duty to defend as set out in this proposal.

BLANKET ADDITIONAL INSURED

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE FORM
LIQUOR LIABILITY COVERAGE FORM
OWNERS AND CONTRACTORS PROTECTIVE LIABILITY COVERAGE FORM
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE FORM

SCHEDULE

Additional Premium: $Included (Check box if fully earned ☐)

Please refer to each Coverage Form to determine which terms are defined. Words shown in quotations on this endorsement may or may not be defined in all Coverage Forms.

A. Who Is An Insured is amended to include as an additional insured any person or entity to whom you are required by valid written contract or agreement to provide such coverage, but only with respect to "bodily injury", "property damage" (including "bodily injury" and "property damage" included in the "products-completed operations hazard"), and "personal and advertising injury" caused, in whole or in part, by the negligent acts or omissions of the Named Insured and only with respect to any coverage not otherwise excluded in the policy.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. The insurance afforded to such additional insured will not be broader than that which you are required by the valid written contract or agreement to provide for such additional insured.

Our agreement to accept an additional insured provision in a valid written contract or agreement is not an acceptance of any other provisions of such contract or agreement or the contract or agreement in total.

When coverage does not apply for the Named Insured, no coverage or defense will apply for the additional insured.

No coverage applies to such additional insured for injury or damage of any type to any "employee" of the Named Insured or to any obligation of the additional insured to indemnify another because of damages arising out of such injury or damage.

B. With respect to the insurance afforded to these additional insured, the following is added to limits of insurance:

The most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the valid written contract or agreement; or

2. Available under the applicable limits of insurance shown in the Declarations;

whichever is less.

This endorsement shall not increase the applicable limits of insurance shown in the Declarations.

All other terms and conditions remain unchanged.

PRIMARY AND NONCONTRIBUTORY – OTHER INSURANCE CONDITION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART

The following is added to the **Other Insurance** Condition and supersedes any provision to the contrary:

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

TO: Lisa Abreu, Purchasing Coordinator

FROM: Willie DeSantis, Director, Facilities Maintenance

DATE: 03-20-2025

RE: Chain Link Fencing at Marathon Detention Center

Dear Lisa,

I am writing to explain the difficulties we had in securing bids for the Chain Link Fencing at Marathon Detention Center.

Guardian Fence was supplied the RFS and met on-site and they declined to supply an estimate as per correspondence attached.

Know A Fence was supplied the RFS and a follow up was made and they did not reply or supply an estimate as per correspondence attached.

The deadline for the estimates was 3/18/2025.

I am attaching all the supporting documentation. I do believe that the staff in Marathon did the due diligence required to obtain the required price quotes as per the Monroe County Purchasing Policy.

Kindest regards,

William DeSantis

Good Morning Jessica,

I did look at this job and determined that the posts only needed to be welded and I do not employ a welder so the job is outside of my scope.

Revised BOCC 4/19/2023

Agreement between MCT Express, Inc. and Monroe County, Florida, for the Transport of Medically Managed Special Needs Patients During An Emergency

THIS AGREEMENT is made and entered into this 27th day of January, 2025, by and between **MONROE COUNTY**, a political subdivision of the State of Florida ("**County**"), with its principal offices located at 1100 Simonton Street, Key West, Florida 33040, and **MCT EXPRESS, INC. ("MCT" or "Contractor"),** a Florida for-profit corporation, whose principal address is 2766 NW 62nd Street, Miami, Florida 33147.

WITNESSETH:

WHEREAS, the County has numerous persons currently enrolled on the County's Special Needs Registry, who will need assistance with transport in the event of an evacuation during an emergency; and

WHEREAS, some portion of those individuals will constitute persons who, in the opinion of the local Department of Health, will have medical needs that cannot be met at a special needs shelter because they are disabled, medically dependent on electricity, require a nurse's care, or must be in a hospital setting for 24-hour care, and who therefore must be transported to a nursing home, skilled nursing facility, or other facility outside the area of the event ("Medically Managed Special Needs Patients"); and

WHEREAS, the County's Comprehensive Emergency Management Plan (CEMP), which has been approved by both the Board of County Commissioners and the State of Florida Division of Emergency Management, provides that special needs clients may be sheltered in a designated in-county location in the event of a Tropical Storm or low Category 1 storm, but will generally otherwise be evacuated to an out-of-county location, and that Medically Managed Special Needs Patients will be advised of their need to evacuate in the event of an out-of-county evacuation order; and

WHEREAS, the CEMP provides that it is the intention of the County, to the best of its ability, to provide for the safety of the elderly and handicapped special needs population whose safety is not provided for through affiliation with another organization, and that transport for the evacuation of the special needs population is the responsibility of Monroe County Social Services and care of the clients is the responsibility of the Monroe County Department of Health; and

WHEREAS, in April 2018, the responsibility for maintaining a Special Needs Registry and supervision of transport of Medically Managed Special Needs Patients was transferred from the Social Services Department to the Emergency Management Department; and

WHEREAS, the County wishes to prepare for the evacuation and transport of Medically Managed Special Needs Patients from various locations within Monroe County, Florida, to nursing homes, skilled nursing facilities, and hospitals located inside or outside the County, in the event of an emergency; and

WHEREAS, MCT desires to offer transportation services for Medically Managed Special Needs Patients, up to one (1) caretaker per patient, and the patient's caged or crated service animals during the evacuation and re-entry phases of an emergency as determined by Monroe County Emergency Management.

NOW THEREFORE, County and MCT, through their respective governing bodies, and in consideration of the mutual promises and covenants herein contained, hereby agree as follows:

Section 1. Definitions

1.1 "Advanced Life Support" or "ALS" shall mean advanced life support, as that term is defined in Chapter 401, Florida Statutes.

1.2 "Basic Life Support" or "BLS" shall mean basic life support, as that term is defined in Chapter 401, Florida Statutes.

1.3 "Ambulance" shall mean an emergency medical services vehicle used in the transport of patients, as defined in Section 401.23, Florida Statutes.

1.4 Other capitalized terms in this Agreement shall have the meanings set forth in Section 401.23, Florida Statutes.

Section 2. Services.

2.1 In the event of a local declaration of emergency and notification by the County that the services under this Agreement are required, MCT shall provide transportation for designated Medically Managed Special Needs Patients, up to one (1) caretaker per patient, and up to one (1) properly caged or crated service animal belonging to the patient, in accordance with the attached Scope of Services rate sheet (Attachment A). The point of origin for the trip shall be the residence of the patient. The patient will be transported to a nursing home, skilled nursing facility, or other similar location designated by the County. The return trip shall be from the nursing home, skilled nursing facility, or other similar location to point of origin.

2.2 The services will commence when a local state of emergency is declared by Monroe County Emergency Management and MCT is contacted by County to begin the service.

2.3 MCT has, and shall maintain throughout the term of this Agreement, appropriate licenses to perform the services under this Agreement; proof of such licenses shall be submitted to the County upon request.

Section 3. Payment and Spending Cap.

3.1 Subject to the language in Section 2.2, the County shall be responsible for payment of invoices following presentation of a proper invoice for services in accordance with the Florida Local Government Prompt Payment Act. MCT shall submit to County invoices with supporting documentation acceptable to the Monroe County Clerk of Court ("Clerk"). Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the Clerk's disbursal of funds.

3.2 Monroe County's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Board of County Commissioners.

3.3 The maximum amount that may be incurred or paid under this Agreement is Ninety-Nine Thousand, Nine Hundred Ninety-nine and 99/100 ($99,999.99) Dollars.

Section 4. Term.

This Agreement shall run for three years commencing September 1, 2025 and terminating on August 31, 2028 unless earlier terminated pursuant to Section 5 of this Agreement. Monroe County's performance and obligations to pay under this contract is contingent upon an annual appropriation by the BOCC.

Section 5. Termination.

This Agreement may be terminated at the discretion of either party upon not less than sixty (60) days' written notice to the other party; however, this Agreement may not be terminated by MCT during hurricane season (June 1 – November 1), unless by prior written mutual agreement of the parties.

Section 6. Requirements for Evacuation and Transportation of Service Animals.

Service animals to be transported must be properly caged or crated, must have been pre-registered, and must have the appropriate documentation and current vaccinations as set forth in the Monroe County Pet Friendly Hurricane Evacuation Center Registration Guidelines.

Section 7. Notices.

All notices and other communications required under this Agreement must be in writing and addressed as follows:

FOR COUNTY:
Shannon Weiner, Director
Emergency Management
7280 Overseas HWY
Marathon, Florida 33050

FOR MCT:
Jorge Curbelo
General Manager – Dade County
MCT Express, Inc.
2766 NW 62nd Street
Miami, Florida 33147

Any Notice required by this Agreement shall be deemed to have been duly given if sent by certified mail, return receipt requested, postage and fees prepaid; hand delivered; facsimile; or by overnight delivery service with proof of delivery.

Section 8. Governing Law, Venue, Interpretation.

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to agreements made and to be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and MCT agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. Mediation conducted regarding this Agreement shall be performed according to the rules of the 16th Judicial Circuit for Monroe County, Florida. This Agreement is not subject to arbitration.

Section 9. Entire Agreement/Modification/Amendment.

This writing sets forth the entire agreement of the parties with respect to the subject matter of this Agreement. No representations were made or relied upon by either party, other than those expressly set forth herein. No agent, employee, or other representative of either party is empowered to modify or amend the terms of this Agreement, unless in writing signed by both parties.

Section 10. Maintenance of Records.

MCT shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained for a period of seven (7) years from the termination of this agreement or for a period of five (5) years from the submission of the final expenditure report as per 2 CFR §200.333, whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for four years following the termination of this Agreement. If an auditor employed by the County or Clerk determines that monies paid to MCT pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the MCT, the MCT shall repay the monies together with interest calculated pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the County.

Section 11. Non-Reliance By Non-Parties.

11.1 No person or entity shall be entitled to rely upon the terms of this Agreement in order to enforce or attempt to enforce any third-party claim or entitlement to or benefit from any service or program contemplated hereunder, and County and MCT agree that neither party, nor any agent, officer, or employee of either, shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to, the community in general, or for the purposes contemplated in this Agreement.

11.2 Both parties understand that the employees provided by MCT for the purpose of this Agreement remain the employees of MCT. Execution of this Agreement does not create any employment relationship, contractual or implied, between said employees and the County.

Section 12. Taxes.

The County is exempt from payment of Florida State Sales and Use taxes. MCT shall be responsible for any and all taxes, or payments of withholding, related to services rendered under this Agreement.

Section 13. Insurance.

Prior to or at the time of execution of this Agreement, MCT shall furnish the County Certificates of Insurance indicating current coverages in at least the minimum amounts shown in Attachment C. The County shall be named as an additional insured on all general liability and vehicle liability policies.

Each policy certificate shall be endorsed with a provision that not less than thirty (30) calendar days' written notice shall be provided to the County before any policy or coverage is canceled or restricted. The underwriter of such insurance shall be qualified to do business in the State of Florida.

MCT will update the County and provide the County with updated proof of insurance and/or certificates of insurance as the term of insurance expires and coverage for a new term is bound.

Section 14. Severability.

If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remainder of this Agreement shall not be affected thereby, and each remaining term and provision shall be valid and enforceable to the fullest extent permitted by law.

Section 15. Waiver.

The failure of either party to this Agreement to object to or take affirmative action with respect to any conduct of the other in violation of any term or condition of this Agreement shall not be construed as a waiver of the violation or breach, or a waiver of any future violation, breach, or wrongful conduct.

Section 16. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed an original and such counterparts shall constitute one and the same instrument.

Section 17. Authority.

Each party to this Agreement represents and warrants to the other that the execution, delivery, and performance of this Agreement have been duly authorized by all necessary County, corporate or individual action, as required by law.

Section 18. Covenant of No Interest.

The parties covenant that they do not presently have any interest, and shall not acquire any interest, which would conflict in any manner or degree with performance under this Agreement, and that the only interest of each is to perform and receive benefits as recited in this Agreement.

Section 19. Code of Ethics.

The County and MCT agree that officers and employees of the County are required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, and the County's policies, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

Section 20. No Solicitation/Payment.

Each party warrants that, with respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, MCT agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

Section 21. Non-Waiver of Immunity.

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

Section 22. Cessation of Services.

MCT reserves the right to suspend services under this Agreement, if, in MCT's sole judgment, services under this Agreement cannot be operated safely or without unacceptable risk to person or property.

Section 23. Federal and State Required Contract Clauses.

The clauses included in Attachment B are required by federal or state statute and are incorporated in this Agreement by reference.

Section 24. Compliance with Federal, State and Local Laws.

Both parties agree to comply with all federal, state, and local laws in performance of this Agreement.

Section 25. Hold Harmless and Indemnification.

To the extent allowed by Florida law, MCT agrees to defend and indemnify the County and its elected and appointed officials and employees from any and all claims and suits brought by a third party, arising out of MCT's performance of services under this Agreement.

Section 26. Assignment.

Neither party may assign (voluntarily, by operation of law, or otherwise) this Agreement

(or any rights or obligations contained herein) without the prior written consent of the other party, whose consent shall not be unreasonably withheld. Any permitted assignee shall assume all obligations of its assignor under this Agreement. Any purported assignment or transfer in violation of this section shall be void.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement on the day and date first written above.

ATTACHMENT B
FEDERAL AND STATE CONTRACT CLAUSES

1.0 Provisions Required by 2 CFR part 200.

The Contractor and its subcontractors must follow the provisions, as applicable, as set forth in 2 CFR Part 200, as amended, including but not limited to:

1.1 **Termination:**

1.1.1 Termination for Convenience: The County may terminate this Agreement for convenience, at any time, upon sixty (60) days written notice to Contractor. If the County terminates this agreement with the Contractor, County shall pay Contractor the sum due the Contractor under this agreement prior to termination, unless the cost of completion to the County exceeds the funds remaining in the contract. The maximum amount due to Contractor shall not exceed the spending cap in this Agreement. In addition, the County reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the County's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code. Either party may cancel this Agreement without cause upon sixty (60) days' written notice of its intention to do so to the other party; however, this provision may not be exercised during hurricane season (June 1 to November 30) unless both parties mutually agree to terminate. In the event of termination, the County shall owe for all goods and services delivered prior to the date of termination.

1.1.2 Termination for Cause and Remedies: In the event of breach of any contract terms, the County retains the right to terminate this Agreement. The County may also terminate this agreement for cause with Contractor should Contractor fail to perform the covenants herein contained at the time and in the manner herein provided. In the event of such termination, prior to termination, the County shall provide Contractor with five (5) calendar days' notice and provide the Contractor with an opportunity to cure the breach that has occurred. If the breach is not cured, the Agreement will be terminated for cause. If the County terminates this agreement with the Contractor, County shall pay Contractor the sum due to the Contractor under this agreement prior to termination, unless the cost of completion to the County exceeds the funds remaining in the contract; however, the County reserves the right to assert and seek an offset for damages caused by the breach. The maximum amount due to Contractor shall not in any event exceed the spending cap in this Agreement. In addition, the County reserves all rights available to recoup monies paid under this Agreement, including the right to sue for breach of contract and including the right to pursue a claim for violation of the County's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code. In the event

that the Contractor shall be found to be negligent in any aspect of service, the County shall have the right to terminate this agreement after five (5) days written notification to the Contractor.

1.2 Equal Employment Opportunity, No Discrimination Provisions.

Contractor and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The parties agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

During the performance of this Agreement, the Contractor, in accordance with *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II, ¶ C, agrees as follows:

a) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment

advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

b) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

c) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

d) The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

e) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

f) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

g) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order

11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

h) The Contractor will include the portion of the sentence immediately preceding paragraph (a) and the provisions of (a) through (g) in every subcontract or purchase order unless exempted by rules regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

1.3 OTHER FEDERAL CONTRACT REQUIREMENTS.

The contractor and its subcontractors must follow the provisions as set forth in Appendix II to Part 200, as amended, including but not limited to:

A. Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the County in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Compliance with the Contract Work Hours and Safety Standards Act.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph 29 C.F.R. § 5.5(b)(1) the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 29 C.F.R. § 5.5 (b)(1), in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph 29 C.F.R. § 5.5 (b)(1).

(3) Withholding for unpaid wages and liquidated damages. The Federal agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph 29 C.F.R. § 5.5 (b)(2).

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 29 C.F.R. § 5.5 (b)(1) through (4) and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs 29 C.F.R. § 5.5 (1) through (4).

B. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

C. Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act, as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA/Federal Agency and the appropriate Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000. The contractor agrees to include these requirements in each subcontract

exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA/Federal agency. The contractor agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to FEMA/Federal Agency and the appropriate EPA Regional Office.

D. Debarment and Suspension (Executive Orders 12549 and 12689)— A contract award under a "covered transaction" (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR Part 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension" and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Nonprocurement Debarment and suspension) SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. Contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. §180.935) or its affiliates (defined at 2 C.F.R. §180.905) are excluded (defined at 2 C.F.R. §180.940) or disqualified (defined at 2 C.F.R. §180.935). the contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Bidders or Proposers agree to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The Bidder or Proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

E. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency. If award exceeds $100,000, the attached certification must be signed and submitted by the contractor to the COUNTY.

F. Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.322. CONTRACTOR must comply with section 6002 of the Solid Waste disposal Act, as

amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—

1. Competitively within a timeframe providing for compliance with the contract performance schedule;
2. Meeting contract performance requirements; or
3. At a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensiveprocurement-guideline-cpg-program.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

G. Prohibition on certain telecommunications and video surveillance services or equipment as set forth in 2 CFR § 200.216. Recipients and subrecipients and their contractors and subcontractors may not obligate or expend any federal funds to (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

H. Domestic preference for procurements as set forth in 2 CFR §200.322 The COUNTY and CONTRACTOR should, to the great extent practicable, provide a preference for

the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). These requirements of this section must be included in all subawards including contracts and purchase orders for work or products under federal award. For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

(2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

I. Americans with Disabilities Act of 1990, as amended (ADA) – The Contractor will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the Contractor pursuant thereto.

J. Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the County that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with County funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The County and its Contractor agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The County and the Contractor and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Contractor, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the Contractor shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

b. Affirmative steps must include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business

enterprises;

(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

(6) Requiring the Prime contractor, if subcontractor is to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

K. E-Verify - The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

L. Energy Efficiency- CONTRACTOR will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422) and with all mandatory standards and policies relating to energy efficiency and the provisions of the state Energy Conservation Plan adopted pursuant thereto.

M. Access to Records - Contractor and their successors, transferees, assignees, and subcontractors acknowledge and agree to comply with applicable provisions governing the Department of Homeland Security (DHS) and the Federal Emergency Management Agency's (FEMA) access to records, accounts, documents, information, facilities, and staff. Contractors must; (1) cooperate with any compliance review or complaint investigation conducted by DHS, (2) Give DHS access to and the right to examine and copy records, accounts, and other documents and sources of information related to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance, (3) Submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports.

N. DHS Seal, Logo and Flags - Contractor shall not use the Department of Homeland Security seal(s), logos, crests, or reproduction of flags or likeness of DHS agency officials without specific FEMA approval.

O. Changes to Contract - The Contractor understands and agrees that any cost resulting from a change or modification, change order, or constructive change of the agreement must be within the scope of any Federal grant or cooperative agreement that may fund this Project and be reasonable for the completion of the Project. Any contract change or modification, change order or constructive change must be approved in writing by both the County and Contractor.

P. Compliance with Federal Law, Regulations, and Executive Orders. This is an acknowledgement that FEMA financial assistance may be used to fund the contract. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

Q. No Obligation by Federal Government. The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the COUNTY/non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.

R. Program Fraud and False or Fraudulent Statements or Related Acts. If applicable, the contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and

1.4 Florida Division of Emergency Management Requirements:

A. The Contractor is bound by any terms and conditions of the Federally-Funded Subaward and Grant Agreement between County and the Florida Division of Emergency Management.

B. The Contractor shall hold the Division and County harmless against all claims of whatever nature arising out of the Contractor's performance of work under this Agreement, to the extent allowed and required by law.

1.5 Florida Public Records Requirements:

Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.
The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Contractor does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12th STREET, SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

1.6 **Required County Forms:**

A. Public Entity Crime Statement. In accordance with Fla. Stat., Sec. 287.133, a person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

B. Ethics Clause. In accordance with Section 5 (b) Monroe County Ordinance No. 010-1990, Contractor warrants that it had not employed, retained or otherwise had act on its behalf any former County officer or employee subject to the prohibition of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of *Ordinance No. 020-1990*. For breach or violation of this provision the County may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

C. Vendor Certification Regarding Scrutinized Companies: Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria. The contractor shall provide the non-collusion certification.

If split limits are provided, the minimum limits acceptable are:

$ 500,000 per Person
$1,000,000 per Occurrence
$ 100,000 Property Damage

The Monroe County Board of County Commissioners will be named as Additional Insured on all policies issued to satisfy the above requirements.

WORKERS' COMPENSATION INSURANCE REQUIREMENTS:

Prior to the commencement of work governed by this contract, the Contractor will obtain Workers' Compensation Insurance with limits sufficient to respond to applicable Workers' Compensation state statutes and the requirements of Chapter 440, Florida Statutes.

In addition, the Contractor will obtain Employers' Liability Insurance with limits of not less than:

$100,000 Bodily Injury by Accident
$500,000 Bodily Injury by Disease, policy limits
$100,000 Bodily Injury by Disease, each employee

Coverage will be maintained throughout the entire term of the contract.

Coverage will be provided by a company or companies authorized to transact business in the State of Florida.

If the Contractor has been approved by the Florida's Department of Labor, as an authorized self-insurer, the County may recognize and honor the Contractor's status. The Contractor may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on the Contractor's Excess Insurance Program.

If the Contractor participates in a self-insurance fund, a Certificate of Insurance will be required. In addition, the Contractor may be required to submit updated financial statements from the fund upon request from the County.

MEMORANDUM
MONROE COUNTY INFORMATION TECHNOLOGY

To: OMB

From: Alan MacEachern A M
Director of Information Technology

Date: Friday, March 14th, 2025

RE: MorseCom Maintenance - 2025

Our telephone system has 2 sets of Annual Maintenance. The first, hardware maintenance, protects the physical Mitel equipment that comprises the telephone system. This maintenance ($22,661.25) is pre-negotiated under Sourcewell contract #022719-MBS.

The second, software maintenance, protects the Morse software and configuration that controls the telephone system equipment. This maintenance ($29,412) needs approval to be purchased following the sole source provision of our purchasing policy.

Page 24, Chapter 7 Exclusions 2.b:
Where the procurement itself, due to the nature of the goods or services (i.e. in order to obtain conformity to existing contracted goods or services, in order to avoid the loss of warranty coverage, proprietary licensing, equipment capability, etc.), dictates sole source acquisition, the Requesting Department shall provide written justification as to the sole source nature of the procurement.

Justification:
Morse Communications, Inc. is the owner and entity that created of the software configuration that controls our Mitel equipment.

I.T. would like to request approval for this purchase. Thank you for your time and consideration.

Terms and Conditions

1. Service Obligations

(a) MORSE shall address any technical or operational defects or malfunctions in the System either by remote diagnostics or by the onsite presence of MORSE's service representative, who shall respond to the defect or malfunction after being notified of the same by Customer or its authorized employee, and restore the System to a normal state of operational efficiency. In carrying out its service and maintenance obligations hereunder, MORSE may install or replace any components or parts that MORSE deems either necessary or desirable for the effective operation of the System, at no additional charge to the Customer while the "System" is under warranty or subsequent maintenance agreements. Any part or component installed by MORSE shall be new or like new and shall be covered by this Agreement in the same manner, and subject to the same limitations herein, as apply to theSystem.

In the event that the subject equipment is deemed "Manufacturer Discontinued", "Manufacturer End of Life" or "Manufacturer non-supported", Morse will be provide a best effort service level with no guarantee of parts or software availability. In the event that the failure is due to a non-supported, discontinued or end of life component, the customer will be responsible to purchase the replacement component.

In the event that the defect or malfunction is deemed by Morse to be caused by neglect, abuse, Acts of God including lightning and/or power surge, the Customer will be responsible for the cost of parts and Morse's then current labor rates to repair the condition.

(i) Emergency Remote service shall be available twenty-four (24) hours a day, seven (7) days a week if this option is chosen.

(ii) Non-emergency maintenance service shall be provided during MORSE's normal working hours, which shall be that period of each day from 8:00 a.m. to 5:00 p.m. local time Monday through Friday, exclusive of holidays. It is agreed that MORSE shall respond to Customer's request for non-emergency service by dispatching MORSE's service representative not later than the end of MORSE's next business day. Should Customer request non-emergency service be performed outside of MORSE's normal working hours, Customer shall pay MORSE on a per-call basis, at MORSE's then effective overtime rates.

(iii) Emergency maintenance service shall be provided twenty-four (24) hours a day, seven (7) days a week if this option has been chosen. IN THE EVENT THAT A MAJOR FAILURE IN THE SYSTEM OCCURS, necessitating emergency maintenance assistance from MORSE either during or outside MORSE's normal working hours, it is agreed that MORSE shall respond to the emergency remotely within four (4) hour or if necessary by dispatching MORSE's service representative not later than four (4) hours from the time it is notified of the same and MORSE shall thereafter exercise its best efforts to cure the same. IN NOTIFYING MORSE, CUSTOMER MUST CLEARLY COMMUNICATE TO MORSE THE EMERGENCY NATURE OF THE PROBLEM AS A CONDITION PRECEDENT TO MORSE'S OBJECTIVE TO RESPOND WITHIN THE TIME FRAMES INDICATED ABOVE. As used herein, a "Major Failure" is defined as a System failure resulting in the Customer's inability to receive twenty percent (20%) of all incoming calls or affecting 20% of the "System'" functionality, to make twenty percent (20%) of all outgoing calls, to make twenty percent (20%) of every station-to-station call, or to use the attendant consoles.

(b) MORSE may from time to time, upon Customer request, furnish moves, additions, changes, software upgrades and/or System modifications separately contracted for at MORSE's then generally effective

Terms and Conditions-cont.

rate. IT SHALL BE THE RESPONSIBILTY OF CUSTOMER TO VERIFY THE ACCURACY AND THE OPERATION OF ANY SOFTWARE UPGRADE, SYSTEM MODIFICATION, ENHANCEMENT OR CHANGE WITHIN FIVE (5) DAYS OF ANY SUCH UPDATE, UPGRADE, ENHANCEMENT OR CHANGE, AND TO NOTIFY MORSE WITHIN A REASONABLE TIME OF ANY ERROR, OMISSION, INACCURACY OR INCONSISTENCY THEREIN. MORSE shall, within twenty-four (24) hours of such notification, commence corrective action to remedy any such error, omission, inaccuracy or inconsistency.

2. Payment Terms

MORSE hereby sells to Customer and Customer hereby purchases from MORSE the services identified in this quote. Any terms and conditions of the quote will supersede any conflicting terms of these terms and conditions. Customer shall pay the Purchase Price of the services in advance, together with all property (personal or intangible) taxes or special assessments and all sales or use taxes which may be imposed upon Customer or MORSE (except taxes based on MORSE's net income) as a result of the performance by the parties of this Agreement. The Payment shall be due no later than the date of order. Payment of invoices shall be due within thirty (30) days from the invoice date. Delinquent payments on any undisputed balance are subject to a late payment charge of the lower of one and a half percent (1.5%) per month, or portion thereof, or the maximum allowed, if lower than (1.5%), by the laws of the state where service is performed.

TERMS

Party Identification. Customer is Monroe County, Florida, a political subdivision of the State of Florida, acting through its Board of County Commissioners. Additionally, Customer is the Fire and Ambulance District 1 of Monroe County, Florida, a municipal services taxing unit established under Florida law and

codified in Section 22-129, Monroe County Code of Ordinances, acting through its Board of Governors. Collectively the Customers referenced above will be referenced as "the County" throughout, and mean "Customer." References to "Contractor" mean ZOLL.

HOSTED MONTHLY MINIMUM FEE. $1600 HOSTED MONTHLY MINIMUM FEE APPLIES TO CONTINUING ANY OR ALL OF THE "HOSTED" SAAS (HOSTED BILLING SERVICE PLUS, HOSTED RESCUENET EPCR PLUS, AND/OR HOSTED RESCUENET FIRERMS PREMIUM).

ORDER STATUS. FOR THE AVOIDANCE OF DOUBT, EFFECTIVE ON OCTOBER 1, 2024, RETROACTIVELY, THIS ORDER Q-84851 SUPERSEDES AND REPLACES ORDER Q-56168 (THE "PRIOR ORDER"), AND THE PRIOR ORDER SHALL BE OF NO FURTHER FORCE OR EFFECT, *PROVIDED, THAT* CUSTOMER PROMPTLY PAYS ZOLL THE AMOUNT OF $15,127.92 FOR THE PAST DUE AMOUNT. IF CUSTOMER DOES NOT EXECUTE THIS ORDER BY MARCH 31, 2025, AND PAY THE PAST DUE AMOUNT WITHIN A REASONABLE TIMEFRAME (NOT TO EXCEED 30 DAYS FROM COUNTY'S RECEIPT OF A FULLY EXECUTED AGREEMENT), THEN THE PRIOR ORDER REMAINS IN EFFECT UNTIL TERMINATED IN ACCORDANCE THEREWITH AND THIS OFFER IS WITHDRAWN.

TERMINATION FOR CONVENIENCE. RESCUENET BILLING PRO SAAS AND HOSTED RESCUENET FIRERMS PREMIUM ARE TERMINATED BY AGREEMENT OF THE PARTIES AS OF MARCH 31, 2025CUSTOMER IS TERMINATING THIS ORDER FOR ITS CONVENIENCE EFFECTIVE AS OF DECEMBER 31, 2025 (COB), AND ZOLL ACCEPTS SUCH TERMINATION. THEREFORE, THIS ORDER WILL NOT AUTOMATICALLY RENEW AFTER ITS INITIAL TERM ENDING DECEMBER 31, 2025.

Monthly Fees Commencement Date. For the avoidance of doubt, Monthly Fees as detailed above will commence on October 1, 2024 (retroactively) pursuant to this Order (the "**Monthly Fees Commencement Date**").

The Initial Term will begin on October 1, 2024 (the "**Effective Date**") and will end the number of months indicated above following the Monthly Fees Commencement Date. Discounted Fees are rounded to two decimal places for display purposes. As many as eight decimal places may be present in the actual price. The total Fees in this Order were calculated using the actual price, which are the true and binding totals for this Order.

Order of Precedence: In the event of any inconsistency between this Order Q-84851 and any other portion of the Agreement (defined below), the terms and conditions of this Order will control.

Additional Terms for this Order. To the extent applicable to Customer as a governmental entity for the State of Florida and required by such state's applicable laws ("**State Law**"), the following terms and conditions apply and, in the event of a conflict with any terms or conditions of the Agreement, the following terms and conditions will govern and control to the extent of the conflict:

- **Governing Law**. The Agreement will be governed by and interpreted in accordance with the laws of the United States of American and State Law without reference to choice of law principles. Any action between the parties arising from or relating to the Agreement will be brought in a court located in the State with jurisdiction over Customer. Each party consents to the exclusive venue and personal jurisdiction of the following state and federal courts located in the State: Sixteenth Judicial Circuit in and for Monroe County, Florida, and United States District Court in and for the Southern District of Florida, or United States Bankruptcy Court for the Southern District of Florida, whenever applicable.

- **Non-Appropriations**. If Customer's payments are based upon the availability of public funding under its authority and, after making due efforts, if Customer fails to appropriate funds or make monies available for the subsequent fiscal year covered by the term of the Agreement, then Customer shall notify ZOLL prior to the start of such fiscal year and this Agreement shall be terminated on the last day of the fiscal year for which funds were appropriated or monies made available for such purposes without Customer's further liability for subsequent fiscal year payment. If Customer fails to so notify ZOLL prior to the start of such fiscal year, then this Agreement shall be terminated on the date Customer provides such notice to ZOLL unless applicable law expressly requires an earlier date.

- **Indemnity and Defense**. Customer's indemnification and defense obligations do not apply to the extent expressly prohibited by State Law. ZOLL further acknowledges the limitations provided below in the paragraph entitled "**Customer's Liability and Sovereign Immunity**."

- **Additional Indemnification.** In addition to ZOLL's indemnification obligations set forth in the Agreement, ZOLL will defend any action against Customer Parties (as defined in the Agreement) brought by a third party that is caused by ZOLL's material breach of the Business Associate Agreement and will indemnify and hold the Customer Parties harmless from those costs and damages finally awarded against the Customer Parties in any such action that are specifically attributable to such claim or those costs and damages agreed to by ZOLL in a monetary settlement of such action. The foregoing obligations are conditioned on Customer: (I) promptly notifying ZOLL in writing of such claim or action; (II) giving ZOLL sole control of the defense thereof and any related settlement negotiations); and (III) cooperating with ZOLL and, at ZOLL's request and expense, assisting in such defense. ZOLL will not enter into any settlement that imposes any legal liability or financial obligation on Customer without Customer's prior written consent. Customer will have the right, at its option, to participate in the settlement or defense of the claim, with its own counsel and at its own expense. The parties acknowledges that the Agreement includes Subsection a (ZOLL to Section 8 (Indemnification), which states in part, "ZOLL will defend any action against Customer or its agents, officers, directors, or employees (the "**Customer Parties**") brought by a third party alleging that Software, SaaS or Services

infringe any U.S. patents or copyrights or misappropriate any trade secrets of a third party and will indemnify and hold the Customer Parties harmless from those costs and damages finally awarded against the Customer Parties in any such action that are specifically attributable to such claim or those costs and damages agreed to by ZOLL in a monetary settlement of such action. ..."

- **Customer's Liability and Sovereign Immunity**. Customer's liability is subject to any monetary limitations and defenses imposed by State Law. Nothing herein serves as a waiver of a party's sovereign immunity. ZOLL ACKNOWLEDGES THAT SIGNING THIS ORDER IS NOT A WAIVER OF CUSTOMER'S SOVEREIGN IMMUNITY AND THAT CUSTOMER'S LIABILITY IS SUBJECT TO THE MONETARY LIMITATIONS AND DEFENSES IMPOSED BY SECTION 768.28, FLORIDA STATUTES.

- **Exclusions**. To ZOLL's knowledge, ZOLL and its officers, directors, and employees assigned to Customer's account are not excluded or debarred from participation in any federal health care programs as defined in 42 USC § 1320a-7b(f) (the "**Federal Healthcare Programs**"). Listing on the Office of Inspector General's exclusion list (OIG website), the General Services Administration's Lists of Parties Excluded from Federal Procurement and Nonprocurement Programs (GSA website) for excluded individuals or entities, any state Medicaid exclusion list, or the Office of Foreign Assets Control's (OFAC's) blocked list will constitute "exclusion" for purposes of this paragraph. Any breach of this section will give Customer the right to terminate this Agreement without early termination fees or penalty.

- **Verification of Employment Eligibility.** ZOLL and each applicable subcontractor has registered with and uses the E-Verify system maintained by the United States Department of Homeland Security to verify the work authorization status of all newly hired employees in compliance with the requirements of Section 448.095, Florida Statutes, and that entry into this Agreement will not violate that statute. The rights and remedies provided by Section 448.095, Florida Statutes will apply to ZOLL's violation thereof.

- **Public Entity Crimes Act.** ZOLL represents that it is familiar with the requirements and prohibitions under Section 287.133, Florida Statutes, and represents that its entry into this Agreement will not violate that Act. ZOLL further represents that there has been no determination that it committed a "public entity crime" as defined by Section 287.133, Florida Statutes, and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether ZOLL has been placed on the convicted vendor list.

- **Discriminatory Vendor and Scrutinized Companies Lists; Foreign Countries of Concern.** ZOLL represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Sections 215.473 or 215.4725, Florida Statutes. ZOLL represents and certifies that it is not, and for the duration of the term will not be, ineligible to contract with Customer on any of the grounds stated in Section 287.135, Florida Statutes. ZOLL represents that it is, and for the duration of the term will remain, in compliance with Section 286.101, Florida Statutes. Pursuant to Section 287.134(2)(a), Florida Statutes: "*An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.*"

- **Insurance**: ZOLL shall obtain and maintain throughout the term of this Agreement, at its own expense, cyber liability insurance with a minimum limit of liability of not less than one million dollars ($1,000,000). ZOLL will provide a certificate of insurance evidencing such coverage upon Customer's request.

- **Public Records.** Customer is a public agency subject to Chapter 119, Florida Statutes. To the extent ZOLL is acting on behalf of Customer pursuant to Section 119.0701, Florida Statutes, ZOLL shall comply with all applicable public records laws as "contractor," specifically to:
  - Keep and maintain public records required by the public agency to perform the service.
  - Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
  - Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the public agency.
  - Upon completion of the contract, transfer, at no cost, to the public agency all public records in possession of the contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS at (305) 292-3470, publicrecords@monroecounty-fl.gov, c/o Monroe County Attorney's Office, 1111 12th St., Suite 408, Key West FL 33040.

- **Limitation of Liability**. NEITHER ZOLL, NOR ITS AFFILIATES AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SERVICE PROVIDERS, SUPPLIERS OR LICENSORS, WILL BE LIABLE FOR LOSS OF PROFIT, DATA, BUSINESS OR GOODWILL, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES OR ANY OTHER INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, OR CONSEQUENTIAL DAMAGES, HOWEVER ARISING OR ALLEGED. ZOLL'S TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH ITS

MATERIAL BREACH OF THE BUSINESS ASSOCIATE AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED $1,000,000.00 USD, AND ZOLL'S TOTAL CUMULATIVE LIABILITY FOR ALL OTHER CLAIMS, DAMAGES OR LIABILITIES IN CONNECTION WITH THIS AGREEMENT OR AN ORDER, WHETHER IN CONTRACT, TORT OR OTHERWISE, WILL NOT EXCEED THE AMOUNT PAID TO ZOLL BY CUSTOMER FOR SOFTWARE, SAAS AND SERVICES PROVIDED UNDER THE APPLICABLE ORDER DURING THE TWELVE (12)-MONTH PERIOD PRECEDING THE EVENTS GIVING RISE TO SUCH LIABILITY. CUSTOMER ACKNOWLEDGES THAT THESE LIMITATIONS REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT AND THAT ZOLL WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS ON ITS LIABILITY. CUSTOMER AGREES THAT THESE LIMITATIONS WILL APPLY NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR IF SUCH DAMAGES WERE FORESEEABLE.

- **Independent Contractor.** For avoidance of doubt, the Agreement does not create an employee/employer relationship between the parties. It is the intent of the parties that the Contractor is an independent contractor under this Agreement and not the County's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law.

- **Payments and False Claims Ordinance.** Contractor acknowledges that invoices will be paid in accordance with Section 218.70 et. seq., Fla. Stat. ("Local Government Prompt Payment Act"). With respect to false claims, Contractor acknowledges the rights and remedies available to the County pursuant to Section 2-721 et al. of the Monroe County Code.

- **Conflicts of Interest**. To each party's knowledge, there is no conflict of interest between the County and Contractor.

- **Gratuities.** Contractor hereby certifies that it has not offered, given, or agreed to give any County employee a gratuity, favor, or anything of monetary value in connection with any decision, approval, disapproval, recommendation, preparation of any part of the Agreement.

- **Kickbacks.** Contractor certifies that it has not given payment, gratuity, or offer of employment to be made by or on behalf of a sub-contractor under a contract to Contractor or higher tier sub-contractor or any person associated therewith, as an inducement of the award of a subcontract or order.

- **Non-Collusion Statement.** Contractor certifies that the price proposed by Contractor was arrived at independently without collusion, consultation, or communication for the purpose of restricting competition; and no attempt has been made to induce another person or entity to submit a proposal, or not submit, for the purpose of restricting competition in the award of this Agreement.

- **Ethics Clause pursuant to Monroe County Ordinance No. 010-1990.** Contractor warrants that it has not employed, retained or otherwise had act on his/its behalf any former county officer or employee subject to the prohibition of section 2-149, Monroe County Code of Ordinances, or any county officer or employee in violation of section 2-150, Monroe County Code of Ordinances. For breach or violation of this provision the county may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former county officer or employee or county officer or employee.

- **Foreign Gifts and Contracts.** Contractor acknowledges that it must comply with any applicable disclosure requirements in Section 286.101, Florida Statutes. Pursuant to Section 286.101(7)(b), Florida Statutes: "*In addition to any fine assessed under [§ 286.101(7)(a), Florida Statutes], a final order determining a third or subsequent violation by an entity other than a state agency or political subdivision must automatically disqualify the entity from eligibility for any grant or contract funded by a state agency or any political subdivision until such ineligibility is lifted by the Administration Commission [Governor and Cabinet per §14.202, Florida Statutes] for good cause.*"

- **Scrutinized Companies and Countries of Concern per Sections 287.135 and 215.473, and Section 287.138, Florida Statutes.** If this Agreement is for goods or services of $1 million or more, then Contractor hereby certifies that it: a) has not been placed on the Scrutinized Companies that Boycott Israel List, nor is engaged in a boycott of Israel; b) has not been placed on the Scrutinized Companies with Activities in Sudan List nor the Scrutinized Companies with Activities in the Iran Terrorism Sectors List (formerly the Iran Petroleum Energy Sector List); and c) has not been engaged in business operations in Cuba or Syria. If County determines that Contractor has falsely certified facts under this paragraph, or if Contractor is found to have been placed on a list created pursuant to Section 215.473, Florida Statutes, as amended, or is engaged in a boycott of Israel after the execution of this Agreement, County will have all rights and remedies to terminate this Agreement consistent with Section 287.135, Florida Statutes, as amended. The County reserves all rights to waive certain requirements of this paragraph on a case-by-case exception basis pursuant to Section 287.135, Florida Statutes, as amended.

  Beginning January 1, 2024, the County must not enter into a contract that grants access to an individual's personal identifying information to any Foreign Country of Concern such as: People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, unless the Contractor provides the County with an affidavit signed by an authorized representative of the Contractor, under penalty of perjury, attesting that the Contractor does not meet any of the criteria in subparagraphs (2)(a)-(c) of Section 287.138, Florida Statutes, as may be amended. Beginning January 1, 2025, the County must not extend or renew any contract that grants access to an individual's personal identifying information unless the Contractor provides the County with an affidavit signed by an authorized representative of the Contractor, under penalty of perjury, attesting that the Contractor does not meet any of the criteria in subparagraphs (2)(a)-(c) of Section 287.138, Florida Statutes, as may be amended. Violations of this Section will result in termination of this Agreement and may result in administrative sanctions and penalties by the Office of the Attorney General of the State of Florida.

- **Noncoercive Conduct for Labor or Services.** As a nongovernmental entity submitting a proposal, executing, renewing, or extending a contract with a government entity, Contractor is required to provide an affidavit under penalty of perjury attesting that Contractor does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes.

- **Nondiscrimination.** As applicable to its provision of services to the County, Contractor agrees to comply with all applicable Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination.

- **Prohibited Telecommunications Equipment.** Contractor represents and certifies that it and its applicable subcontractors do not and will not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. By executing this

Agreement, Contractor represents and certifies that Contractor and its applicable subcontractors must not provide or use such covered telecommunications equipment, system, or services for any scope of work performed for the County for the entire duration of this Agreement. If Contractor is notified of any use or provisions of such covered telecommunications equipment, system, or services by a subcontractor at any tier or by any other source, Contractor must promptly report the information in 40 CFR § 52.204-25(d)(2) to County.

- **Antitrust Violations under Section 287.137, Florida Statutes.** Pursuant to Section 287.137, Florida Statutes, as may be amended, a person or an affiliate who has been placed on the antitrust violator vendor list (electronically published and updated quarterly by the State of Florida) following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity.

- **Foreign Country of Concern Attestation (PUR 1355).** In accordance with section 287.138, Florida Statutes, Contractor will provide the attestation required by Form PUR 1355. a contract between a Governmental Entity and an entity which would give access to an individual's Personal Identifying Information which is executed, extended, or renewed on or after the dates provided in section 287.138(4), F.S., must include an attestation by the entity on Form PUR 1355.

- **Audits.** ZOLL shall maintain adequate records to justify all charges, expenses, and costs paid by County under this Agreement for at least three (3) years after completion of services. The County shall have access (which may be provided by electronic means, in ZOLL's discretion, unless prohibited by the auditor) to such ZOLL books, records, and documents as required in this section for the purpose of inspection or audit during normal business hours, at the County's cost, upon ten (10) days written notice.

This Order is governed by and subject to the attached Master Software, SaaS and Services Agreement, including applicable addenda, incorporated herein by reference(the "**Agreement**"). By signing below, (1) Customer represents and warrants it has read this Order and the applicable Agreement and agrees to such terms and conditions and (2) each person below represents and warrants that she or he has the authority to bind the party for which she or he is signing.

SUBJECT: Zoll Data Systems, Inc. - Hosted RescueNet Billing Software

---

Monroe County Fire Rescue (MCFR) has negotiated an Agreement with Zoll Data Systems, Inc. for continued use of its Hosted Billing Service Plus and Hosted RescueNet Billing software. The Hosted Billing Service Plus and Hosted RescueNet Billing Software provides a sole source solution for an integrated method of downloading patient care records and information for billing purposes and ensures compliance with National and State reporting requirements. MCFR has used this legacy software since 2013 and its continued use is essential for EMS Billing and Collections.

STAFF CONTACT: Lindsey Ballard

AGENDA ITEM WORDING: Approval of a Resolution authorizing temporary closing of the Northbound Lanes of US1 from mile marker 98.2 to mile marker 100 from 9:45 A.M. to 11:45 A.M. for the annual 4th of July Parade sponsored by the Key Largo Chamber of Commerce.

ITEM BACKGROUND:
Florida Law (F.S. 337.406(1) and F.A.C. 14-65.0035) requires that the County Commission approve requests to temporarily close U.S. 1 in the unincorporated for special events such as the 4th of July Parade in Key Largo. The Board must determine that the proposed use is a) necessary for the event; b) will not interfere with the safe and efficient movement of traffic; and c) will cause no danger to the public.

The parade has been held for years. It traditionally draws between 65-70 floats, bands, etc. and attracts thousands of residents and visitors.

Dear Ms. Hurley,

The Key Largo Chamber is applying for the FDOT application for a temporary road closure/traffic rerouting for Overseas HWY (SR5) on July 4, 2025. The planned road closure is for the 48th Annual Key Largo 4th of July Parade.

The Parade will begin at 10:00 AM, and we are asking for permits from 9:45 to 11:45 AM. The Parade should last approximately one and one–half hours. The event route is US1, Northbound lanes from MM 98.2, Anthony's Clothing Store, to MM 100 at the Holiday Inn. The detour will utilize southbound lanes.

Monroe County Sheriff's Dept. units and officers throughout the Parade route will help regulate traffic flow.

Due to FDOT's extended permit processing time, we request that this package be presented to the Board of County Commission meeting on April 16, 2024. The Florida Department of Transportation will need a copy of the minutes showing the approval of the event, along with an approval letter from your office.

I have attached the approval letters from the Monroe County Sheriff's Department and the Key Largo Fire Department, which will also be included in the permit application, along with our liability insurance certificates and the parade route.

Thank you in advance for your assistance with this matter. If you have any questions, please do not hesitate to call me at (305) 451-1414.

Respectfully,

Suzi Youngberg

Dear Mrs. Youngberg,

Thank you for contacting me and informing the Key Largo Fire Department of your upcoming event.

We understand this event is scheduled to be held on July 4th. The parade is from 09:45 A.M – 11:45 A.M. and the firework show commences at 09:15 PM.

The Key Largo Fire Department is aware and will respond to all emergencies via the 911 system.

If you have any questions, please, don't hesitate to contact me.

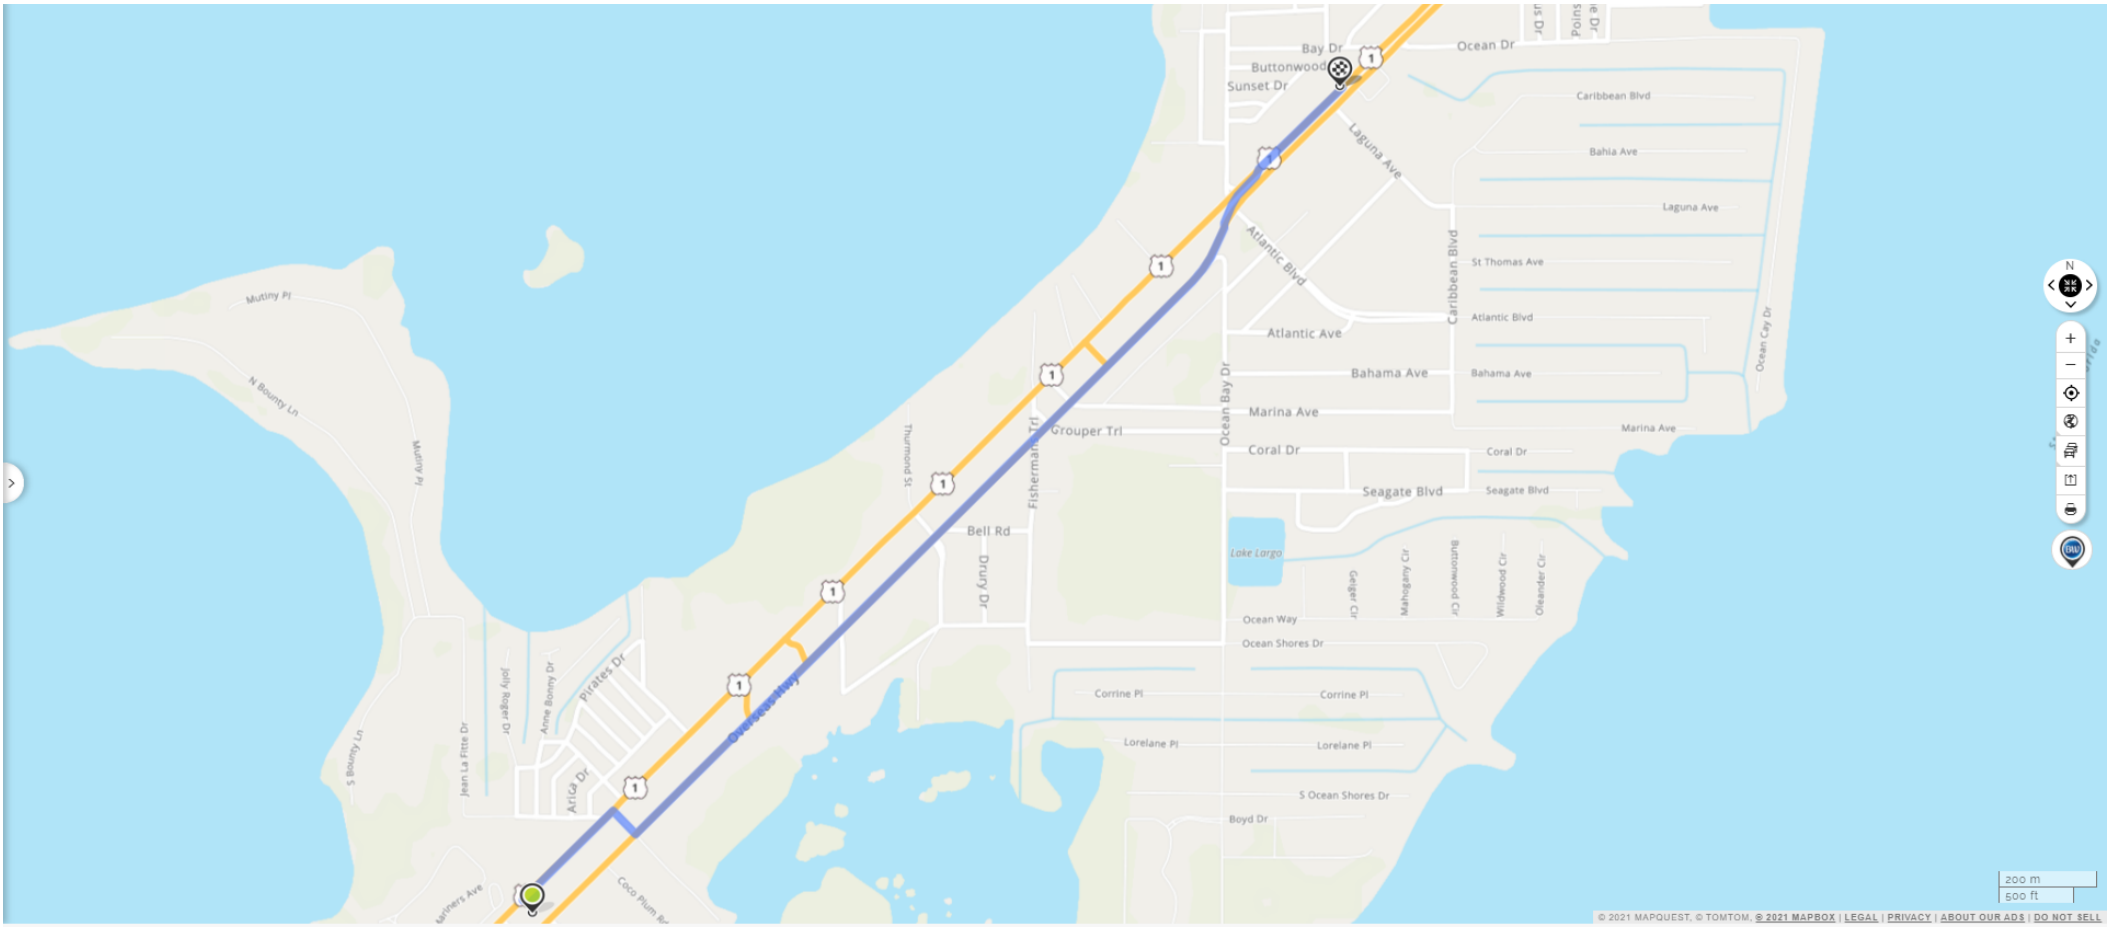
President Youngberg:

This letter is written as part of the application process for permitting of the annual Key Largo Chamber of Commerce 4th of July Parade and the temporary closing of State Road 5 (US-1). The date of this year's event is July 4th, 2025 from 9:45 AM to 11:45 AM. The northbound roadway will be closed to vehicular traffic from the 98.2 Mile Marker to the 100 Mile Marker. Northbound traffic will be diverted to a contra flow in the southbound lane. Additionally there will be off duty Deputies assigned along the parade route to direct traffic and ensure a safe parade route. Deputies will also be present to address any safety issues or concerns.

Please feel free to contact me with any questions or concerns you may have.



Sincerely,

Captain Spenser Bryan

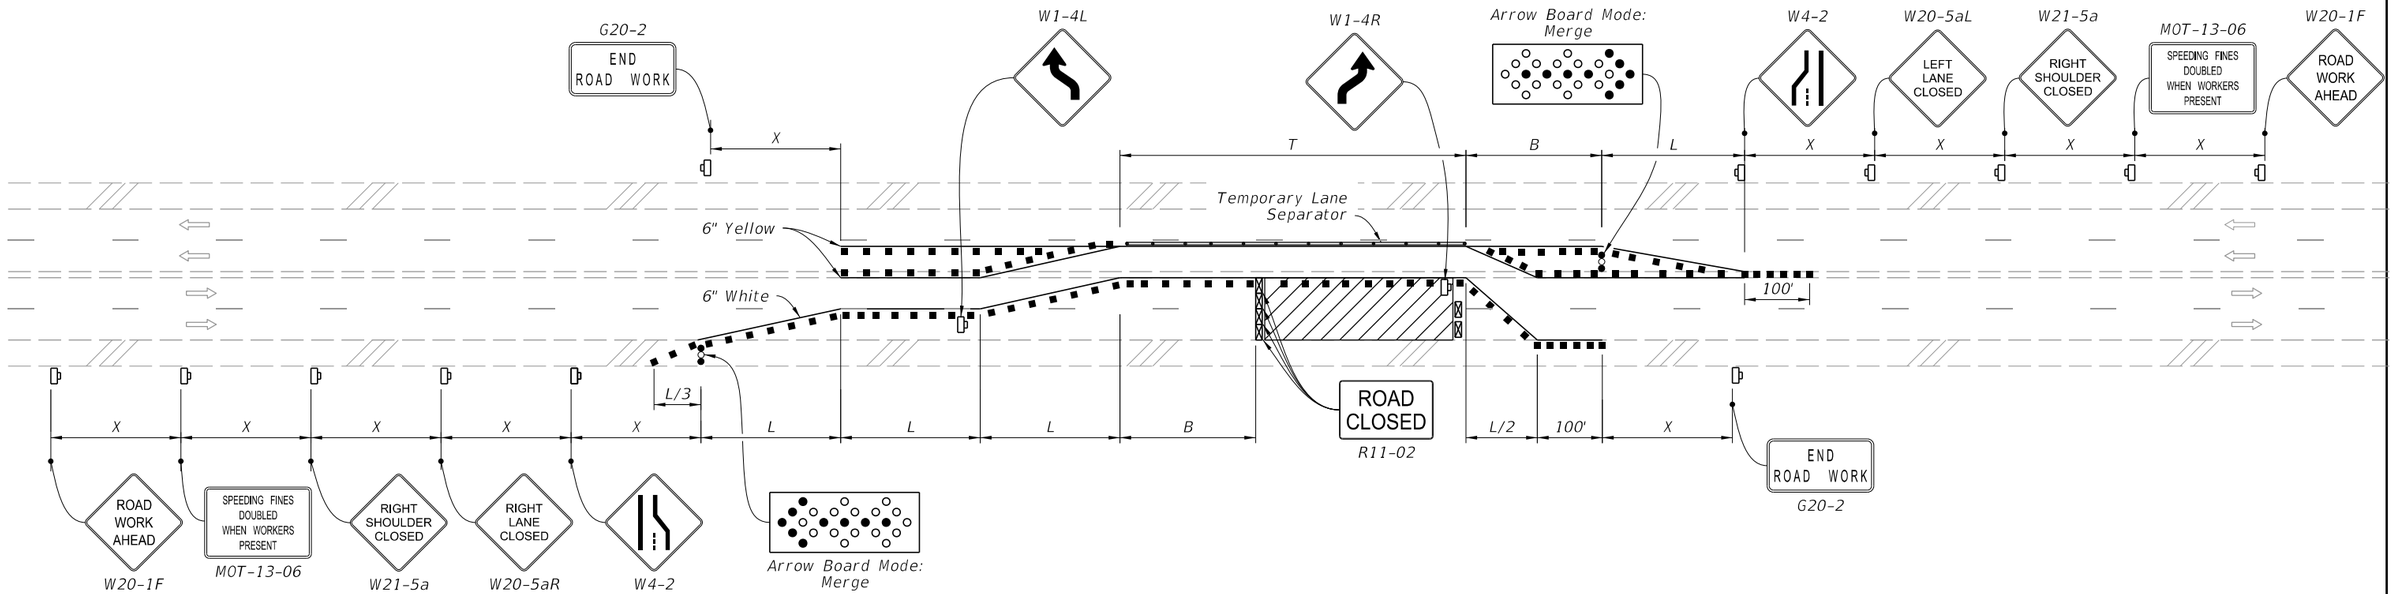
TEMPORARY DIVERSION FOR DIVIDED ROADWAYS

SYMBOLS:

- Work Area
- Channelizing Device (See Index 102-600)
- Work Zone Sign
- Type III Barricade
- Crash Cushion
- Lane Identification and Direction of Traffic

NOTES:

1. This Index applies to multilane roadways, except with undivided roadways with 6 or more lanes, where the work requires the closure of the lanes in one direction and diversion is provided to convert the opposing traffic lanes to temporary two-way travel.



2. L = Taper Length
   B = Buffer Length
   X = Work Zone Sign Distance
   R = Radius of Curve
   See Index 102-600 for "L", "B", "X", channelizing device spacing values. See Plans for "R" values.

3. For undivided roadways with a tangent distance "T" less than 600', use "Double Reverse Curve" signs (W24-1A) instead of the first pair of "Reverse Curve" signs (W1-4B) and omit the second pair of "Reverse Curve" signs.

4. If the paved shoulder is less than 4' in width, omit the taper and channelizing devices shown on the paved shoulder.

5. Temporary Lane Separator may be used in lieu of Temporary Barrier for speed limits of 45 mph or less.

Re: April 2025 County Attorney Report

Closed Sessions at the March:

1. Monroe County, Florida v. Leonardo Rodriguez and Pilar Franco Case No. 22-CA-349-P. Foreclosure action stemming from Code Compliance Case CE19030156. The property is compliant. **Defendants have responded to the County's prior counter-offer with a new offer which will be discussed in closed session.**

2. Monroe County, Florida v. Marck Schofield Case No. 18-CA-217-P. Foreclosure action stemming from Code Compliance Case CE10040067. Monroe County has a Judgment of Foreclosure. The property remains non-compliant. **Schofield has made a new settlement offer which will be discussed in closed session.**

3. Roy's Trailer Park, Inc. et al. v. Monroe County, 19-CA-175-K. Declaratory Judgment suit filed by Roy's against County as part of its eviction suit against its tenants. County counterclaim against the trailer park and the park residents, seeking an injunction prohibiting occupancy at the park until serious fire and life safety issues have been addressed, appointment of a receiver, and declaratory relief to determine whether the owner or tenants are responsible for the code violations. **The Court granted Plaintiff/Counter-Defendant Roy's and defendant Tenants' Motion to Dismiss for lack of subject matter jurisdiction. The County filed a Motion for Rehearing on February 26, 2025.**

4. 2014 Janet Vincent Family Trust, et al., v. Monroe County Case No. 24-CA-000332-K. Plaintiffs are seeking declaratory judgment regarding a parcel of land abutting their properties. The County's motion to dismiss that was granted in part. Plaintiff filed an amended complaint, the County filed a second motion to dismiss. The Court denied the County's motion to dismiss on 1/16/25. **Discovery is ongoing.**

Trial Court Cases of Interest

5. In re: Michael Joseph McMahon and Sergei Nikoshchenkov, U.S. Bankruptcy Ct. S.D.Fla.. Case No. 23-1154-RAM. Monroe County is a secured creditor in this Chapter 13 bankruptcy case, with a claim for over $260,000 in unpaid tourist development and tourist impact taxes. The settlement agreement was executed in February. **Currently awaiting disbursement of funds**.

6. F.E.B. Corp. v. Monroe County & FDEP, DEP OGC Case No.: 24-1615 (DEP Permit No. 44-0137939-029-EG). Petitioner F.E.B. Corp., challenges FDEP's permit to the County that establishes a public mooring field at Man of War Harbor in Key West. FDEP has yet to refer the matter to the Division of Administrative Hearings (DOAH).

7. Massacci, et al. v. Monroe County, et al., Case No. 24-CA-566-K. Personal injury lawsuit by the personal representative of the estate of Kirk Weidericht against the County, FDOT, Big Pine Academy and Rubi Metass for the injuries and subsequent death of Mr. Weidericht who was riding his motorcycle on or near Dear Run Trail when he was struck by the driver (Metass). The Plaintiff has added Webber Infrastructure Management, Inc as an additional defendant in the case. The County has answered. Plaintiff filed an amended Reply and General Denial of Affirmative Defenses in light of the Amended Complaint. Discovery is ongoing.

8. Cayo Hueso Investments, Inc. v. Monroe County, DOAH Case 24-2250-GM. Cayo Hueso, an adjacent property owner, filed a petition challenging the County's amendments of the Land Development Code (zoning) and Comprehensive Plan (Future Land Use Map/FLUM) in order to allow a shoreside facility for the proposed mooring field in Boca Chica Harbor. On 12/13/24, the ALJ entered a Recommended Order affirming the correctness of the County's actions. **On 3/17/25, FloridaCommerce issued a final order findings the amendments consistent with statutes and the comprehensive plan.**

9. John Kuluz, Fred Laemmerhirt, and Alberto Lazaro v. Monroe County and 17RM Investments, LLC, 21-CA-357-P/3D25-500. Plaintiffs Kuluz and Laemmerhirt and Intervenor Lazaro (Neighbors) are the owners of property near 17RM's Key Largo property. The Neighbors are seeking a declaratory judgment against the County's determination that a 20-foot front-yard setback does not apply, under the Land Development Code, to 17RM's property on the basis that it is fronted by a private access easement. The Court granted the County's and 17RM's motion for summary judgment and denied the Neighbors' motion for summary judgment then entered final judgment in favor of the County and 17RM on 11/27/24. On 2/14/25, the Court denied the neighbors Motion for Rehearing. **On 3/14/25, the neighbors filed a notice of appeal to the Third DCA.**

10. Mitchell Kukulski v. Biltmore Construction and Monroe County, 24-CA-302-P. Plaintiffs alleges that he was injured when he tripped and fell in one of the medians in the parking lot outside the Plantation Key courthouse. The courthouse was under construction at the time. The County filed an answer and a cross-complaint for indemnification against the contractor Biltmore Construction. Discovery is ongoing. **A pretrial conference was held on 4/1/25. Mediation is being rescheduled. Biltmore has agreed to provide coverage without reservation of rights.**

11. John Behmke et al. v. Monroe County, 24-CA-94-K. Plaintiffs are/were property owners in the Coral Hammock and allege inverse condemnation based on their inability to conduct vacation rentals beginning in in 2016, when code compliance cited them for renting in a land use district that prohibited vacation rentals (the Third DCA affirmed a decision of the Circuit Court finding the Mixed-Use District does not prohibit vacation rentals of attached units and reversing orders of the code compliance special magistrate finding the properties in violation). Plaintiffs seek takings compensation as well as lost rental income and other financial damages. The County's motion to dismiss needs to be set for hearing.

12. Stacey Mitchell v. Monroe County, 24-CA-890-K. Plaintiff sued the County alleging Whistleblower violations. Plaintiff also sued the Board of County Commissioners, 3406 NORTH ROOSEVELT BOULEVARD CORPORATION, and the Tourist Development Council. The County has filed a partial motion to dismiss and an Answer to the complaint. Counsel for 3406 North Roosevelt filed a motion to dismiss. **On 3/21/25, Judge Morgan was assigned to handle the case after Judge Koenig disqualified himself. Motion to Dismiss hearings need to be set.**

13. Peter & Olivia Poto v. Monroe County/Monroe County v. Jane Gilbert Trust, 22-CA-709-K, quiet title and specific performance action by buyers of a property where seller had sold development rights to one lot and entered into a unity of title as part of the County's Less than Fee program. Settlement Agreement was approved at the December BOCC Meeting. **Awaiting finalization of sale of replacement lot.**

14. Jay Archbell PA v. Buirley, Monroe County, et al., 23-CA-108-K. The County previously settled its claim against Jay Archbell, PA (the property owner) for a reduced amount of code liens. The property (3 El Monte Lane, Big Coppitt) appears to have some owners outside the chain of title. Archbell then sued prior owners Kenneth and Anita Lynn Buirley, the County, and others, to quiet title.

15. Maschal et al. v. Monroe County and FKAA, 19-CA-186-K. Suit by 12 individuals seeking similar relief to the Delaney lawsuit, which the County and FKAA won. The County and FKAA filed answers and a joint Counterclaim for injunctive relief, compelling the property owner plaintiffs to connect to the wastewater system. On 1/28/25, the Court granted the County & FKAA's motion for summary judgment and denied the properties motion for summary judgment. **On 3/28/25, the plaintiffs appealed to the Third DCA despite no final judgment being entered.**

16. Kearns Construction Company v. Monroe County, 24-CA-001134-M. This action is a Petition for Writ of Certiorari seeking to quash the BOCC's award of the contract for RFP-568 Artificial Reef Materials Deployment to Gulfside 10-Mile Reef. On 1/31/25, the Court denied the County's Motion to Dismiss. The County filed a 45-page Response to the Petition, County Appendix, and Motion to Strike the Petitioner's Appendix on 2/20/25. **The County requested oral argument on 3/28/25**.

17. Dalk Land, L.P. v. Monroe County Building Department, 24-CA-989-K. Dalk Land obtained a writ of Mandamus relating to an appeal from a building permit decision. **A hearing on Dalk Land's motion for costs is scheduled for 4/14/25.**

18. Monroe County BOCC v. SGC Land Trust 2/12/2000, Sunset Gardens Farm, LLC, Jonathan Simpson, et al, 25-CA-151-P. On 2/7/25, the County filed a declaratory judgment actions and injunctive relief against the defendants which operate an alleged farm on cleared property. The County is seeking a declaration that the farm is in violation of over a dozen ordinances, comp plan policies, and statutes and seeks to enjoin those violations and demand corrective action. **The complaint was amended on 3/5/25.**

Appellate Cases of Interest

19. Dalk Land, L.P. v. Monroe County Building Department, DOAH 25-1345. Dalk Land has appealed a building permit issued to its neighbor on basis of alleged floodplain regulation violations to the Division of Administrative Hearings. **A Final hearing needs to be scheduled.**

20. Seven Eight Investments, LLC v. Monroe County, 24-AP-009-K, 24-AP-010-K. Property owners appealed from the Code Compliance Special Magistrate's final orders finding them in violation of the Code for failure to obtain a conditional use permit and for illegal accessory use of the property (storage and pool) without a principal use following demolition of the residence. Briefing is complete. The Court denied the County's a motion for appointment of a three-judge panel. Oral argument was held 02/20/25, awaiting a ruling.

21. 601 Cuda Properties, LLC v. Monroe County & SFWMD, Case No. 3D24-118 (L.T. Case No. 2023-066-DAO-ERP) and 3D24-2101 (L.T. Case No.2024-086-DAO-ERP). 601 Cuda Properties, LLC, has filed a second appeal from a SFWMD Order dismissing 601 Cuda's petition for a formal administrative proceeding on the grounds that the petition was untimely. 601 Cuda's petition opposed the Environmental Resource Permit that was issued to the County on 11/17/23, authorizing the use of sovereign submerged lands to repair the Rock Harbor Breakwater and install an air bubble curtain and seaweed gate. On 10/16/24, the property owner filed an amended petition, which was denied by the District on 10/29/24. On 11/21/24, the property owner instituted an appeal of the District determination to the 3rd District Court of Appeal. The property owner's Initial Brief was due on 01/30/25. On 01/22/25, the property owner filed a Notice of Agreed Extension of Time to File Initial Brief. **The time for the service of the Appellant's Initial Brief has been extended to 04/28/25.**

22. Pirates Saving Paradise, Inc. v. Little Palm Dolphin Resort Development, LLC, Case No. 24-CA-1074-K. Neighbors filed a petition for a writ of certiorari challenging Planning Commission Resolution No. P01-24, which approved Little Palm Dolphin Resort Development, LLC's (Little Palm's) parking variance. **On 2/3/25, the Court granted the petition and quashed the parking variance**.

23. Tavernier Community Association, Inc., James Bell, and Chris Hoguet v. Monroe County, Florida (State of Florida Department of Commerce). DOAH 25-1381GM. On 12/16/24 neighboring property owners filed a petition with the Florida Department of Commerce challenging Ordinance No. 004-2024 as inconsistent with the Comprehensive Plan. An amended petition was filed on 3/10/25. **A final hearing has been scheduled for 5/7/25.**

24. Shands v. City of Marathon, 3D21-1987. This is a long running takings case involving an offshore island located within the City of Marathon. On 2/5/25, the Third DCA issued an en banc decision that created a new species of taking and vitiated the use of TDRs to forestall a taking. On 3/3/25, the City filed a motion for certification. The County is currently assisting the City in securing amicus support for when the City seeks review in the Florida Supreme Court.

25. Sunset Gardens Estate Land Trust v. Monroe County, 19-CA-460-P, 3D23-1368. Property owner sued claiming that various state laws including the Right to Farm Act, preempt the County's land development regulations. **On 3/12/25, the Third DCA affirmed the disposal of the code fines but reversed the trial court's determination that the County's regulations are preempted by state law. The Court issued a mandate on 4/1/25. This closes *this* case.**

26. Denise Joy Snyder Living Trust v. Monroe County, 24-AP-003-K**.** Owner filed an appeal of the Code Compliance Special Magistrate's final order finding them in violation of the code for unpermitted land clearing and imposing fines and restoration requirements. Briefing is complete. The Court denied the County's motion for assignment of a three judge panel.

27. Swanson v. Rick Griffin and Monroe County**,** 24-CA-503-K, 3D24-1727. Property owners sued seeking to extend their building permits deadline or to provide an administrative appeal pursuant to Fla. Stat. 252.363 or LDC 6-56. On 8/29/24, the court entered its order granting complaint for writ of mandamus and ordering the building official to deem owners' notice of appeal complete and schedule a hearing before the CBA. The County appealed on 09/27/24. **The matter was settled for non-monetary terms so the County dismissed its appeal on 3/31/25.** .

Class Action Lawsuits where Monroe County is a Party

28. Monroe County v. 3M, et al., 22-CA-618-K/2:22-cv-03680-RMG, consolidated into 2:18-mn-02873-RMG: On 9/9/2022, Monroe County filed suit against manufacturers of aqueous film-forming foam (AFFF) containing per- and polyfluoroalkyl substances (PFAS) to recover damages for investigation, remediation, removal, disposal, treatment and monitoring of water and soil created by defendants' products. PFAS had been detected at the Monroe County Fire Training Academy on Grassy Key. On 10/7/22, defendants removed the case to the U.S. District Court for the Southern District of Florida. On 10/26/22, the County's case was transferred and consolidated with other similar cases in the Multi District Litigation (MDL) case pending in the District of South Carolina before Hon. Richard M. Gergel.

Constitutional Officer Cases

29. The Supervisor of Elections is currently involved in several litigation matters. The cases challenge various Florida Statutes regarding election legislation and voter registration. Supervisor Hodies and other SOEs retained outside counsel, but the County Attorney's office is assisting in the defense of each case.

Foreclosure Actions

30. The County Attorney's Office is currently prosecuting 26 cases to foreclose or otherwise enforce on County code compliance liens. The Office is also currently defending 6 mortgage foreclosure cases, where the County holds an interest in the property, usually as a result of an inferior code compliance lien.

Other Matters of Interest

31. **Code Collections**. In March, Code Compliance and the County Attorney's office collected $110,231.90 in fines and costs. For the first six months of the 2025 fiscal year, $584,317.36 has been collected in fines and costs. See attached report.

32. **Vacation Rental Prosecutions.** Vacation Rental Prosecutions. Seven vacation rental cases were heard at the 3/27/25 Code Compliance hearing. Five cases were compliant prior to the hearing. The Special Magistrate ordered one-time fines as follows: VR-JAN25-0006, $6,300; VR-JAN25-0007, $12,500 per stipulated agreement; VR-JAN25-0008, $12,000; VR-JAN25-0010, $3,000 per stipulated agreement; VR-JAN25-0009, $7,500. In VR-FEB25-0012, the Special Magistrate reserved ruling pending his review of a legal issue. In VR-FEB25-0011 the owners were ordered to cease and desist vacation rental activity with a $100 per day fine and $4200 one-time fine.

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: P2
2023-3822

BULK ITEM: No

DEPARTMENT: Risk Management

TIME APPROXIMATE:
N/A

STAFF CONTACT: Gaelan Jones

AGENDA ITEM WORDING: Approval to purchase Professional Liability coverage for Air Flight Nurses and the Medical Examiner for a cost of $31,000.

ITEM BACKGROUND:
The County's Professional Liability policy for its Flight Nurses and Medical Examiner expires on May 1, 2025. The County is required to have this policy because its primary liability specifically excludes healthcare services rendered by nurses. The current policy is provided by Markel Insurance Company and has a per incident limit of $1,000,000, an annual aggregate of $3,000,000, and no deductible. Coverage is provided on a "Claims Made" basis with a retroactive date of 4/26/2007. The annual premium for the expiring policy is $29,272.

Markel has agreed to renew the coverage with terms and conditions with the expiring policy for an annual premium of $31,000. This represents an increase of 5.9%. This is considered a reasonable increase under current market conditions. This renewal would extend coverage by an additional one-year term, beginning May 1, 2025 and expiring May 1, 2026.

PREVIOUS RELEVANT BOCC ACTION:
On April 17, 2024 BOCC approved to accept proposal for Professional Liability for Air Flight Nurses and Medical Examiner from Markel Insurance through agent Marsh.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:

PRIVACY NOTICE

U. S. Consumer Privacy Notice Rev. 1/1/2020

FACTS	WHAT DOES MARKEL GROUP OF COMPANIES REFERENCED BELOW (INDIVIDUALLY OR COLLECTIVELY REFERRED TO AS "WE", "US", OR "OUR") DO WITH YOUR PERSONAL INFORMATION?
Why?	In the course of Our business relationship with you, We collect information about you that is necessary to provide you with Our products and services. We treat this information as confidential and recognize the importance of protecting it. Federal and state law gives you the right to limit some but not all sharing of your personal information. Federal and state law also requires Us to tell you how We collect, share, and protect your personal information. Please read this notice carefully to understand what We do.
What?	The types of personal information We collect and share depend on the product or service you have with Us. This information can include: • your name, mailing and email address(es), telephone number, date of birth, gender, marital or family status, identification numbers issued by government bodies or agencies (i.e.: Social Security number or FEIN, driver's license or other license number), employment, education, occupation, or assets and income from applications and other forms from you, your employer and others; • your policy coverage, claims, premiums, and payment history from your dealings with Us, Our Affiliates, or others; • your financial history from other insurance companies, financial organizations, or consumer reporting agencies, including but not limited to payment card numbers, bank account or other financial account numbers and account details, credit history and credit scores, assets and income and other financial information, or your medical history and records. Personal information does not include: • publicly-available information from government records; • de-identified or aggregated consumer information. When you are no longer Our customer, We continue to share your information as described in this Notice as required by law.
How?	All insurance companies need to share customers' personal information to run their everyday business. In the section below, We list the reasons financial companies can share their customers' personal information; the reasons We choose to share; and whether you can limit this sharing. We restrict access to your personal information to those individuals, such as Our employees and agents, who provide you with insurance products and services. We may disclose your personal information to Our Affiliates and Nonaffiliates (1) to process your transaction with Us, for instance, to determine eligibility for coverage, to process claims, or to prevent fraud, or (2) with your written authorization, or (3) otherwise as permitted by law. We do not disclose any of your personal information, as Our customer or former customer, except as described in this Notice.

SPECIMEN

No coverage is provided by this Policyholder Notice nor can it be construed to replace any provisions of your policy. You should read your policy and review your Declarations page for complete information on the coverages you are provided.

This Notice provides information concerning possible impact on your insurance coverage due to directives issued by OFAC. **Please read this Notice carefully.**

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous:

- Foreign agents;
- Front organizations;
- Terrorists;
- Terrorist organizations; and
- Narcotics traffickers;

as "Specially Designated Nationals and Blocked Persons". This list can be located on the United States Treasury's web site – https://www.treasury.gov/ofac.

In accordance with OFAC regulations, if it is determined that you or any other insured, or any person or entity claiming the benefits of this insurance has violated U.S. sanctions law or is a Specially Designated National and Blocked Person, as identified by OFAC, this insurance will be considered a blocked or frozen contract and all provisions of this insurance are immediately subject to OFAC. When an insurance policy is considered to be such a blocked or frozen contract, no payments nor premium refunds may be made without authorization from OFAC. Other limitations on the premiums and payments also apply.

Any past or current principal, partner, officer, director, Employee or Volunteer Worker of the Named Insured solely while acting on behalf of the Named Insured and within the scope of their duties as such; provided, however, this insurance shall not apply to any Claim made against any Insured who is a physician, surgeon, dentist or podiatrist arising out of the rendering of or failure to render Professional Services in his/her capacity as a physician, surgeon, dentist or podiatrist;

C. If the Named Insured is a limited liability company, any past or current manager thereof, solely while acting on behalf of the Named Insured and within the scope of their duties as manager of such limited liability company and any past or current member thereof, solely while acting on behalf of the Named Insured and within the scope of their duties as a member of such limited liability company;

D. Any medical director solely while acting on behalf of the Named Insured and solely within the scope of his/her Administrative Duties as such; provided, however, this insurance shall not apply to any Claim made against any medical director who is a physician, surgeon, dentist or podiatrist arising out of the rendering of or failure to render Professional Services in his/her capacity as a physician, surgeon, dentist or podiatrist;

E. Any student enrolled in a training program in connection with the Named Insured’s Professional Services solely while acting within the scope of his/her duties as such and at the Named Insured’s direction;

F. The heirs, executors, administrators, assigns and legal representatives of each Insured above in the event of death, incapacity or bankruptcy of such Insured, but only for each such Insured’s liability as is otherwise covered herein.

INSURING AGREEMENT

A. **Professional Liability and Claims Made Clause:** The Company shall pay on behalf of the Insured all sums in excess of the Deductible amount stated in the Declarations, which the Insured shall become legally obligated to pay as Damages as a result of a Claim first made against the Insured during the Policy Period or during the Extended Reporting Period, if exercised, and reported to the Company pursuant to Section CLAIMS A., Claim Reporting Provision, for Professional Personal Injury:

1. By reason of any act, error or omission in Professional Services arising out of the conduct of the Insured's Professional Services rendered or that should have been rendered by an Insured; or

2. By reason of any act, error or omission in Professional Services arising out of the conduct of the Insured's Professional Services rendered or that should have been rendered by a natural person, who is not and shall not be an Insured hereunder, and through whose acts the Insured controls the provider-patient relationship as of the time of such act, error or omission;

provided:

a. The act, error or omission happens during the Policy Period or on or after the Retroactive Date stated in the Declarations and before the end of the Policy Period; and

b. Prior to the effective date of this policy the Insured had no knowledge of such act, error or omission or any fact, circumstance, situation or incident which may lead a reasonable person in the Insured’s position to conclude that a Claim was likely.

DEFINITIONS

SPECIMEN

A. **Administrative Duties** means establishing medical protocol, serving on a standards review, peer review, or credentialing committee or similar professional board or committee of the Named Insured; provided, however, Administrative Duties shall not include:

1. Rendering or failure to render Professional Services by a medical director which results in Professional Personal Injury; or

2. Rendering or failure to render specific medical direction for a natural person receiving Professional Services via telecommunications to other healthcare professionals.

B. **Claim** means the Insured's receipt of:

1. A written demand for Damages or Professional Services; or

2. The service of suit or institution of arbitration proceedings against the Insured seeking Damages.

C. **Claim Expenses** means reasonable and necessary amounts incurred by the Company or by the Insured with the prior written consent of the Company in the defense of that portion of any Claim for which coverage is afforded under this Coverage Part, including costs of investigation, court costs, costs of bonds to release attachments and similar bonds, but without any obligation of the Company to apply for or furnish any such bonds, and costs of appeals; provided, however, Claim Expenses shall not include:

1. Salary, wages, overhead, or benefit expenses of or associated with Employees or officials of the Named Insured or employees or officials of the Company; or

2. Salary, wages, administration, overhead, benefit expenses, or charges of any kind attributable to any in-house counsel or captive out-of-house counsel for the Named Insured or the Company.

D. **Damages** means the monetary portion of any judgment, award or settlement; provided, however, Damages shall not include:

1. Punitive or exemplary damages or multiplied portions of damages in excess of actual damages, including trebling of damages;

2. Taxes, criminal or civil fines, or attorneys' fees of a party other than an Insured or other penalties imposed by law;

3. Sanctions;

4. Matters which are uninsurable under the law pursuant to which this Coverage Part shall be construed;

5. The return, withdrawal, reduction or restitution or payment of fees, profits or charges for services or consideration and/or any expenses paid to the Insured; or

6. The cost of complying with an award or order for declaratory, equitable or injunctive relief or remedy.

E. **Employee** means any natural person while in the regular service of the Named Insured in the ordinary course of the Named Insured's business and whom the Named Insured compensates by salary, wages or commissions and has the right to govern and direct the performance of such service. Employee includes a Leased Worker but does not include any Temporary Worker or independent contractor.

F. **Leased Worker** means any natural person leased to the Named Insured by a labor leasing organization, under an agreement between the Named Insured and the labor leasing organization, to perform duties related to the conduct of the Named Insured's business and which are at the Insured's direction. Leased Worker does not include a Temporary Worker.

G. **Policy Period** means the period form the inception date of this policy to the policy expiration date stated in Item 3. of the Declarations, or the effective date of any earlier cancellation or termination.

H. **Professional Personal Injury** means:

1. Any bodily injury, mental injury, sickness, disease, emotional distress or mental anguish, including death resulting therefrom of any natural person receiving Professional Services arising out of an act, error or omission in Professional Services rendered or that should have been rendered;

2. False arrest, detention or imprisonment, or malicious prosecution of any natural person receiving Professional Services, except when inflicted by, at the direction of, or with the consent or acquiescence of the Insured who has predetermined to commit such act, or allowed such act to have been committed; or

SPECIMEN

3. The publication or utterance of a libel or slander concerning a natural person receiving Professional Services or a publication or an utterance in violation of such person's right to professional confidence, except when published or uttered by, at the direction of, or with the consent or acquiescence of the Insured who has predetermined to commit such act, or allowed such act to have been committed.

I. **Professional Services** means those services stated in Item 4. of the Declarations.

J. **Temporary Worker** means any natural person who is furnished to the Named Insured to substitute for a permanent Employee on leave or to meet seasonal or short-term work load requirements.

K. **Volunteer Worker** means any natural person who is not an Employee of the Named Insured and who donates his/her work at the direction of and within the scope of duties determined by the Named Insured and is not paid a fee, salary or other compensation by the Named Insured or by anyone else for such work performed for the Named Insured.

THE EXCLUSIONS

This Coverage Part does not apply to:

A. Any act, error or omission in Professional Services rendered or that should have been rendered or Professional Personal Injury committed in violation of any law or ordinance;

B. Any Claim based upon or arising out of any dishonest, fraudulent, criminal, malicious, knowingly wrongful, deliberate, or intentional acts, errors or omissions committed by or at the direction of the Insured;

C. Any administrative or judicial hearings pertaining to Medicare/Medicaid fraud or any other hearing initiated against an Insured by the United States Department of Health & Human Services (HHS) or by an utilization or quality review organization under contract with HHS; provided, however, this exclusion shall not apply to HHS proceedings that allege the violation of the Emergency Medical Treatment and Labor Act;

D. Any Claim based upon or arising out of the invasion, infringement or interference of the right of privacy arising from the use, visitation of, posting or browsing of any blog, bulletin board services, chat room, web site or other internet form or URL;

E. Any Claim based upon or arising out of the gathering, use or dissemination of personal information in any form including but not limited to any violation of the Health Insurance Portability and Accountability Act of 1996 (HIPAA);

F. Any Claim based upon or arising out of any unlawful discrimination by any Insured;

G. Any Claim based upon or arising out of any act, error or omission committed or alleged to have been committed by the Insured that in any manner relates to or arises out of the actual, alleged or threatened discharge, dispersal, release, escape or existence of pollutants, hazardous substances, toxic substances or substances which in any manner impair or allegedly impair the environment or which result in bodily injury or property damage;

H. Any liability arising out of the Insured's activities in his/her capacity as proprietor, superintendent, executive officer, director, partner, trustee or employee of any hospital, sanitarium, clinic with bed-and-board facilities, laboratory or business enterprise, or any governmental body, sub-division or agency not named as an Insured under this policy unless such activities are disclosed in the application and covered by endorsement to this policy;

I. Any Claim based upon or arising out of any liability of others assumed by the Insured under any contract or agreement; unless such liability would have attached to the Insured even in the absence of the contract or agreement;

J. Any Claim arising out of general liability, or goods or products manufactured, sold, handled or distributed by the Insured or by others trading under an Insured's name;

K. Any liability arising out of the ownership, maintenance, operation, use, loading or unloading of any vehicle, watercraft or aircraft;

L. Any Claim based upon or arising out of any sexual act, including without limitation sexual intimacy (even if consensual), sexual contact, sexual advances, requests for sexual favors, sexual molestation, sexual assault, sexual abuse, sexual harassment, sexual exploitation or other verbal or physical conduct of a sexual nature; provided, however, the Company agrees to defend the Named Insured for such a Claim for the strictly vicarious liability of the Named Insured, unless a manager, supervisor, officer, director, trustee or partner of the Named Insured:

SPECIMEN

1. Knew or should have known about the sexual act allegedly committed by the Insured but failed to prevent or stop it; or

2. Knew or should have known that the Insured who allegedly committed the sexual act had a prior history of such sexual misconduct act;

The Company shall not pay Damages on behalf of the Named Insured for such a Claim.

M. Injury arising out of the performance of a criminal act or caused by an Insured while under the influence of intoxicants or narcotics;

N. Any Claim based upon, arising out of, or in any way involving:

1. The employment relationship or the nature, terms or conditions of employment or any workplace tort brought by or on behalf of any Employee, former Employee, prospective employee, independent contractor or consultant of the Insured or to Professional Personal Injury to, or sickness, disease or death of any Employee of the Insured arising out of, and in the course of his/her employment by the Insured;

2. Any obligation of the Insured under any workers' compensation, unemployment compensation or disability benefits law or under any similar law; or

3. Any actual or alleged violation of the Employee Retirement Income Security Act of 1974, or any other similar federal, state or common law or any amendments thereto;

O. Any Claim based upon or arising out of:

1. The dispensing of or the use of any drug or device whose approval for use was withdrawn by the U.S. Food and Drug Administration (FDA) at the time such drug or device was used or dispensed;

2. Use, administration or prescription of any drug, pharmaceutical, medical device or procedure which has not received final approval by the FDA for treatment of humans or which is not used, administered or prescribed as part of an FDA approved study;

P. Any Claim based upon or arising out of a warranty or guarantee of cure or success of treatment which is alleged to have arisen out of an advertisement;

Q. Any Claim based upon or arising out of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C., Section 1961, et seq.;

R. Any Claim based upon or arising out of the disarming or disabling of any alarms or monitoring devices of medical equipment;

S. Any Claim based upon or arising out of:

1. The failure to maintain medical records in their original condition;

2. Creating, altering, amending or modifying medical records;

3. Improperly disposing of medical records;

4. The failure to maintain the privacy and security of medical records or private personal information;

T. Any Claim made against the Insured:

1. By any person or organization or its subrogee, assignee, contractor, subcontractor, or parent company, subsidiary, division or affiliated company which was or is operated, managed, owned or otherwise controlled, whether directly or indirectly, or in whole or in part, by an Insured or parent company or any subsidiary, division or affiliated organization; or

2. By or on behalf of any Insured under this policy; provided, however, this exclusion shall not apply to any Claim made against any Insured arising out of the rendering of or failure to render Professional Services by the Insured or by any person for whose acts, errors or omissions the Insured is legally responsible, if such Insured is a natural person receiving Professional Services;

U. Any Claim based upon or arising out of:

1. Any allegations of price fixing, unfair competition or trade practices;

2. A dispute over fees, income or revenue;

SPECIMEN

3. The inducement to enter into, the interference with or the dissolution or termination of any business or economic relationship; or

4. Violations of any federal, state or local law (including but not limited to Title 15 of the United States Code or any similar state statute) that prohibits the unlawful restraint of trade, business or profession;

V. Any Claim based upon or arising out of any violation of:

1. The Telephone Consumer Protection Act of 1991 (TCPA) and amendments thereto or any similar or related federal, state or local statute, law, rule, ordinance or regulation;

2. The CAN-SPAM Act of 2003 and amendments thereto or any similar or related federal or state statute, law, rule, ordinance or regulation;

3. The Fair Credit Reporting Act (FCRA) and amendments thereto or any similar or related federal, state or local statute, law, rule, ordinance or regulation, including the Fair and Accurate Credit Transactions Act of 2003 (FACTA); or

4. Any other statute, law, rule, ordinance or regulation that addresses, prohibits or limits the dissemination, sending, transmitting, communication, printing, disposal, collection, recording or distribution of information or other material;

W. Any Claim based upon or arising out:

1. Any disciplinary proceeding against the Insured conducted by any regulatory body, disciplinary board or governmental agency; or

2. Any federal or state inquiry or review involving an Insured's professional licensure; or

X. Any Claim brought under any other Coverage Part of this policy.

TERRITORY

The insurance afforded applies worldwide, provided the Claim is made in the United States of America, its territories or possessions or Puerto Rico.

LIMITS OF LIABILITY

A. **Limit of Liability-Each Claim:** For Professional Liability, the total liability of the Company for the combined total of Damages and Claim Expenses for each Claim first made against the Insured during the Policy Period or the Extended Reporting Period, if exercised, shall not exceed the Limit of Liability stated in the Declarations as applicable to Each Claim.

B. **Limit of Liability-Coverage Part Aggregate:** Subject to the above Section LIMITS OF LIABILITY A., for Professional Liability, the total liability of the Company shall not exceed the Coverage Part Aggregate Limit of Liability as stated in the Declarations for all Damages and Claim Expenses arising out of all Claims first made against the Insured during the Policy Period and the Extended Reporting Period, if exercised.

C. **Limit of Liability-Reduction for Refusal to Settle:** The Company shall not settle any Claim without the consent of the Insured. If, however, the Insured is a partnership, professional association, professional corporation or limited liability company, the written consent of an Insured who was formerly but is no longer a member of the partnership, professional association or limited liability company or director, officer, stockholder or employee of a professional corporation will not be required, provided the written consent of the corporate directors, officers, stockholders or employees of a professional corporation, or their duly appointed representatives, has been obtained. If, however, the Insured shall refuse to consent to any settlement recommended by the Company and shall elect to contest the Claim or continue any legal proceedings in connection with such Claim, then the Company's liability for the Claim shall not exceed the amount for which the Claim could have been so settled including Claim Expenses incurred up to the date of such refusal. Such amounts are subject to the provisions of the above Limits of Liability A. and B.

D. **Deductible:** For Professional Liability, the Deductible amount stated in the Declarations shall be paid by the Named Insured and shall be applicable to each Claim and shall include Damages and Claim Expenses, whether or not Damages payments are made.

Such amounts shall, upon written demand by the Company, be paid by the Named Insured within ten (10) days. The total payments requested from the Named Insured in respect of each Claim shall not exceed the Deductible amount stated in the Declarations.

SPECIMEN

The determination of the Company as to the reasonableness of the Claim Expenses shall be conclusive on the Named Insured.

E. **Multiple Insureds, Claims and Claimants:** The inclusion herein of more than one Insured in any Claim or the making of Claims by more than one person or organization shall not operate to increase the Limits of Liability stated in the Declarations. More than one Claim arising out of a single act, error or omission or a series of related acts, errors or omissions shall be considered a single Claim. All such Claims, whenever made, shall be deemed to be first made on the date on which the earliest Claim arising out of such act, error or omission is made, or with regard to written notice given to and accepted by the Company pursuant to Section CLAIMS B., Discovery Clause, on the date within the Policy Period on which such written notice of potential Claim is first received by the Company.

DEFENSE AND CLAIM EXPENSES

A. **Defense and Investigation of Claims:** The Company shall have the right and duty to defend and investigate any Claim to which coverage under this Coverage Part applies pursuant to the following provisions:

1. Claim Expenses incurred in defending and investigating such Claim shall be a part of and shall not be in addition to the Professional Liability Limits of Liability stated in the Declarations. Such Claim Expenses shall reduce the Limits of Liability and shall be applied against the Deductible. The Company shall have no obligation to pay any Damages or to defend or continue to defend any Claim or to pay Claim Expenses after the Professional Liability Limits of Liability stated in the Declarations have been exhausted by payment(s) of Damages and/or Claim Expenses.

2. The Company shall select defense counsel; provided, however, that if the law of the state of the Named Insured's domicile, stated in Item 2. of the Declarations, allows the Insured to control the selection of defense counsel where a conflict of interest has arisen between the Insured and the Company, the Company will provide a list of attorneys or law firms from which the Insured may designate defense counsel who shall act solely in the interest of the Insured, and the Insured shall direct such defense counsel to cooperate with the Company. Such cooperation shall include:

a. Providing on a regular basis, but not less frequently than every three (3) months, written reports on claimed Damages**,** potential liability, progress of any litigation, any settlement demands, or any investigation developments that materially affect the Claim;

b. Providing any other reasonable information requested;

c. Providing fully itemized billing on a periodic basis; and

d. Cooperating with the Company and the Insured in resolving any discrepancies;

and the fees and costs incurred by such defense counsel, including those fees and costs generated by defense counsel's cooperation with the Company, as stated above, shall be included in Claim Expenses. Such Claim Expenses shall be a part of and shall not be in addition to the Professional Liability Limits of Liability stated in the Declarations. Such Claim Expenses shall reduce the Limits of Liability and shall be applied against the Deductible.

CLAIMS

A. **Claim Reporting Provision:** It is a condition precedent to coverage afforded by this Coverage Part that the Insured shall give to the Company written notice as stated in the Notices item of the Declarations as soon as practicable of any Claim first made against the Insured during the Policy Period or the Extended Reporting Period, if exercised.

In the event suit is brought against the Insured, the Insured shall immediately forward to Markel Corporation, P.O. Box 2009, Glen Allen, VA 23058-2009, on behalf of the Company, every demand, notice, summons or other process received by him/her or by his/her representatives.

B. **Discovery Clause:** If during the Policy Period, the Insured first becomes aware of a specific act, error or omission in Professional Services which is reasonably expected to result in a Claim within the scope of coverage of this Coverage Part, then the Insured may provide written notice as stated in the Declarations to the Company containing the information listed below. If such written notice is received by the Company during the Policy Period, then any Claim subsequently made against the Insured arising out of such act, error or omission in Professional Services shall be deemed for the purpose of this insurance to have been first made on the date on which such written notice is received by the Company.

SPECIMEN

It is a condition precedent to the coverage afforded by this Discovery Clause that written notice be given to the Company containing the following information:

1. The description of the specific act, error or omission in Professional Services;

2. The date on which such act, error or omission in Professional Services took place;

3. The injury or damage which has or may result from such act, error or omission in Professional Services;

4. The identity of any injured persons; and

5. The circumstances by which the Insured first became aware of such act, error or omission in Professional Services.

Subject to the paragraph hereinabove, if during the Policy Period the Insured provides such written notice of a specific act, error or omission in Professional Services which is reasonably expected to result in a Claim within the scope of coverage of this Coverage Part, the Company at its sole option, may investigate such specific act, error or omission in Professional Services. Such matter shall be subject to all terms, conditions and provisions in this Coverage Part as applicable to a Claim.

EXTENDED REPORTING PERIOD

A. The Named Insured's right to exercise the Extended Reporting Period under this Coverage Part shall exist solely if the Named Insured also exercises its right to purchase the Extended Reporting Period under all Insuring Agreements in the policy for which an Extended Reporting Period is available.

B. If the Named Insured nonrenews this policy in its entirety or cancels this policy in its entirety pursuant to Common Policy Conditions Section A., Cancellation, or if the Company nonrenews this policy in its entirety or cancels this policy in its entirety pursuant to Common Policy Conditions A., Cancellation, for reasons other than nonpayment of premium, Deductible or non-compliance with the terms and conditions of this policy, then the Named Insured shall have the right upon payment of an additional premium calculated at the percentage stated in the Declarations of the adjusted annual premium for the Policy Period, subject to adjustment as per Common Policy Conditions K., Premium and Audit, but in no event less than the percentage stated in the Declarations of the annual minimum premium for the policy, to extend the coverage granted under this Coverage Part, for the period of months stated in the Declarations, as elected by the Named Insured to apply to Claims first made against the Insured during the period of months as elected and reported to the Company pursuant to, Section CLAIMS A., Claim Reporting Provision, following immediately upon the effective date of such cancellation or nonrenewal, for any act, error or omission in Professional Services which happened on or after the applicable Retroactive Date stated in the Declarations and prior to the effective date of such cancellation or nonrenewal and which is otherwise covered by this Coverage Part.

This extended period of coverage months as elected by the Named Insured and described in this paragraph shall be referred to in this policy as the Extended Reporting Period.

If, however, this Coverage Part is immediately succeeded by claims made insurance coverage on which the Professional Liability Retroactive Date is the same as or earlier than that stated in the Declarations of this policy, the succeeding insurance shall be deemed to be a renewal hereof and, in consequence, the Named Insured shall have no right to purchase an Extended Reporting Period.

The quotation of a different premium and/or deductible and/or limit of liability for renewal does not constitute a cancellation or refusal to renew for the purpose of this provision.

This Extended Reporting Period shall not be available when any Insured's license or right to practice his/her profession is revoked, suspended or surrendered.

C. As a condition precedent to the right to purchase the Extended Reporting Period, the Named Insured must have paid:

1. All Deductibles when due;

2. All premiums due for the Policy Period; and

3. All premium and deductible(s), if any, due on any other policy(ies) issued by the Company or any of its affiliated companies in an uninterrupted series of policies of which this policy is a renewal or replacement.

The right to purchase the Extended Reporting Period shall terminate unless a written request for the Extended Reporting Period is received by the Company within thirty (30) days after the effective date of cancellation or

SPECIMEN

nonrenewal together with payment of the additional deposit premium for the Extended Reporting Period. If such written request and payment of additional premium for the Extended Reporting Period are not so received by the Company, there shall be no right to purchase the Extended Reporting Period at a later date.

D. The Named Insured shall pay any additional premium that may be due as a result of audit, promptly when due.

E. In the event of the purchase of the Extended Reporting Period the entire premium therefor shall be fully earned at its commencement.

F. The Extended Reporting Period shall not in any way increase the Limits of Liability stated in the Declarations.

MARKEL

SPECIMEN

COMMON POLICY CONDITIONS

All Coverage Parts included in this policy are subject to the following conditions.

Throughout this policy, the term Company refers to the insurance company providing this insurance.

A. CANCELLATION

This policy may be cancelled by the Named Insured on behalf of all Insureds by mailing to the Company written notice as stated in the Notices item of the Declarations stating when thereafter such cancellation shall be effective. If cancelled by the Named Insured, the Company shall retain the customary short rate proportion of the premium. Payment or tender of unearned premium shall not be a condition precedent to the effectiveness of cancellation, but such payment shall be made as soon as practicable.

This policy may be cancelled by the Company by mailing to the Named Insured, at the address stated in the Declarations written notice stating when, not less than thirty (30) days thereafter, such cancellation shall be effective. However, if the Company cancels the policy because the Named Insured has failed to pay a premium or Deductible when due, including premium and deductible(s) due on any other policy(ies) issued by the Company or any of its affiliated companies in an uninterrupted series of policies for which this policy is a renewal or replacement, this policy may be cancelled by the Company by mailing a written notice of cancellation to the Named Insured stating when, not less than ten (10) days thereafter, such cancellation shall be effective. The mailing of notice as aforementioned shall be sufficient notice and the effective date of cancellation stated in the notice shall become the end of the Policy Period. Such notice shall be conclusive on all Insureds. Delivery of such written notice by the Named Insured or the Company shall be equivalent to mailing. If cancelled by the Company, earned premium shall be computed pro rata. Premium adjustment may be made at the time cancellation is effected or as soon as practicable thereafter.

B. CHANGE IN CONTROL OF NAMED INSURED

If after the inception date of the policy:

1. The Named Insured is merged into or consolidated with another organization such that it is not the surviving organization, or sells all or substantially all of its assets to another organization or person or group of organizations and/or persons acting in concert;

2. Another organization or person or group of organizations and/or persons acting in concert shall acquire an amount of the voting interest representing more than fifty percent (50%) of the voting rights for the election or appointment of directors or trustees of the Named Insured, or acquires the voting rights of such an amount of such interest; or

3. A receiver, liquidator, conservator, trustee or similar official is appointed with respect to the Named Insured;

no coverage shall be afforded under this policy unless:

a. Written notice of such transaction or event is given to the Company by the Named Insured as soon as practicable, but in no event later than thirty (30) days after such transaction or event, including complete details of the nature of such transaction or event and the other organization, person, group of organizations, persons acting in concert, receiver, liquidator, conservator, trustee and/or similar official appointed with respect to the Named Insured;

b. The Named Insured submits such additional information in connection therewith as the Company may deem necessary;

c. The Company, at its sole discretion, agrees to continue coverage by written endorsement to the policy; and

d. The Named Insured agrees to accept any special terms, conditions, exclusions or additional premium charge as may be required by the Company.

C. REPRESENTATIONS

By acceptance of this policy, the Insureds agree as follows:

1. That the information and statements contained in the application(s) are the basis of this policy and are to be considered as incorporated into and constituting a part of this policy; and

2. That the information and statements contained in the application(s) are their representations, that they shall be deemed material to the acceptance of the risk or hazard assumed by the Company under this policy, and that this policy is issued in reliance upon the truth of such representations.

D. ENTIRE AGREEMENT

The Declarations, Common Policy Conditions, Coverage Part(s), the application(s) and any written endorsements attached hereto shall be deemed to be a single unitary contract.

E. OTHER INSURANCE

This insurance shall be in excess of the applicable Deductible stated in the Declarations and any other insurance available to the Insured whether such other insurance is stated to be primary, contributory, excess, contingent or otherwise, unless such other insurance is written only as a specific excess insurance over the Limits of Liability provided in this policy.

If any Claim under this policy is also covered by one or more policies issued by the Company or any of its affiliated companies affording coverage to the Named Insured or to any organization or person who controls, is controlled by, or is affiliated by common control with the Named Insured unless such other insurance is written only as specific excess insurance or umbrella insurance over the Limits of Liability provided in this policy, then with respect to such Claim:

1. The Limit of Liability available under this policy will be equal to the percentage that this policy's available Limit of Liability bears to the total combined Limits of Liability available under all applicable policies; and

2. The total Limit of Liability available for such Claim shall not exceed the greater/est available Limit of Liability remaining on all such policies and its payment shall extinguish the Company's and its affiliated companies' liability on all such policies for such Claim.

F. CHANGES

Notice to any agent or knowledge possessed by any agent or other person acting on behalf of the Company shall not effect a waiver or a change in any part of this policy and shall not estop the Company from asserting any right under the terms of the policy. The terms of this policy shall not be waived or changed, except by written endorsement issued to form a part of this policy, and this policy embodies all agreements existing between the Insureds and the Company or any of its agents relating to this insurance.

G. ASSIGNMENT OF INTEREST

Assignment of interest under this policy shall not bind the Company unless its consent is endorsed hereon.

H. SUBROGATION

In the event of any payment under this policy, the Company shall be subrogated to the right of recovery of all Insureds to the extent of such payment. The Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Insured shall do nothing after the Claim to prejudice such rights.

The Company shall not exercise any such rights against any person or organization included in the definition of Insured. Notwithstanding the foregoing, however, the Company reserves the right to exercise any rights of subrogation against an Insured in respect of any Claim brought about or contributed to by an intentional, willful, dishonest, fraudulent act or omission of such Insured or by an act or omission of such Insured that constitutes a willful violation of any statute or regulation.

Any amount so recovered, whether effected by the Company or by the Insured, shall first be used for the repayment of expenses incurred toward subrogation; second, for any Damages and Claim Expenses payment by the Insured which is in excess of the amount of the Limit of Liability under this policy and which is excess of any amount paid by

SPECIMEN

any insurer under any other policy; third, for any damages and claims expenses payment by any excess insurer on behalf of the Insured; fourth, for any damages and claim expenses payment by any primary insurer on behalf of the Insured; and, last, for repayment of the Insured's Deductible.

I. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall cooperate with the Company and upon the Company's request, the Insured shall:

1. Submit to examination and interview by a representative of the Company, under oath if required;

2. Attend hearings, depositions and trials;

3. Assist in effecting settlement, securing and giving evidence, obtaining the attendance of witnesses in the conduct of suits;

4. Give a written statement or statements to the Company's representatives and meet with such representatives for the purpose of determining coverage and investigating and/or defending any Claim; and

5. Provide any information required to comply with federal or state reporting regulations;

All without cost to the Company. The Insured shall further cooperate with the Company and do whatever is necessary to secure and effect any right of indemnity, contribution or apportionment which the Insured may have. The Insured shall not, except at his/her own cost, make any payment, admit any liability, settle any Claims, assume any obligation or incur any expense without the prior written consent of the Company.

J. FALSE OR FRAUDULENT CLAIMS

If any Insured shall commit fraud in proffering any Claim, this insurance shall become void as to such Insured from the date such fraudulent Claim is proffered.

K. PREMIUM AND AUDIT

Upon expiration of this policy, the Named Insured shall furnish to the Company a statement of the Named Insured's actual total premium base as stated in the Declarations for the Policy Period. The actual earned premium shall be computed thereon at the premium rate stated in the Declarations. If the actual earned premium is more than the deposit premium stated in the Declarations, the Named Insured shall pay the difference to the Company; if less, the Company shall refund the difference to the Named Insured except that the Company shall be entitled to the minimum premium as stated in the Declarations. The Company shall have the right to require of the Named Insured, at any time within the said Policy Period or one year thereafter, a sworn statement of the entire amount (or number) of such premium base during the whole or any specified part of the said period, and the Named Insured shall furnish said statement within ten (10) days after request. The statement referred to shall be subject to verification and audit by a duly authorized representative of the Company, who shall have the right and opportunity to examine the books and records of the Named Insured as respects such premium base, and such examination may be made at any time during the said period and within three (3) years thereafter. The rendering of any estimate or statement or the making of any previous settlement shall not bar the examination herein provided for, nor the Company's right to additional premium.

L. INSPECTION

The Company shall be permitted but not obligated to inspect the Insured's operations at any time. Neither the Company's right to make inspections, nor the making thereof, nor any report thereon shall constitute an undertaking on behalf of or for the benefit of the Insured or others, to determine or warrant that such operations are safe or healthful, or are in compliance with any law, rule or regulation.

M. ACTION AGAINST THE COMPANY

No action shall lie against the Company unless, as a condition precedent thereto, the Insured shall have fully complied with all of the terms and conditions of this policy, nor until the amount of the Insured's obligation to pay shall have been fully and finally determined either by judgment against the Insured after actual trial or by written agreement of the Insured, the claimant and the Company.

Nothing contained in this policy shall give any person or organization any right to join the Company as a co-defendant in any action against the Insured to determine the Insured's liability. Bankruptcy or insolvency of the Insured or of the Insured's estate shall not relieve the Company of any of its obligations hereunder.

SPECIMEN

N. AUTHORIZATION

By acceptance of this policy, the first person or organization stated in Item 1. of the Declarations shall act on behalf of all Insureds with respect to the giving and receiving of all notices to and from the Company as provided herein: the exercising of the Extended Reporting Period, if available; the cancellation of this policy in whole or part; the payment of premiums and Deductibles when due; the receiving of any return premiums that may become due under this policy; and the Insureds agree that such person or organization shall act on their behalf.

O. POLICY EXTENDED REPORTING PERIOD – ALL CLAIMS MADE COVERAGES

The Named Insured's right to exercise the Extended Reporting Period under any Coverage Part shall exist solely if the Named Insured also exercises its right to purchase the Extended Reporting Period under all Coverage Parts that provide coverage on a claims made basis.

P. TERMS AND CONDITIONS

This policy is comprised of these Common Policy Conditions, the Declarations, various Coverage Parts and endorsements, if applicable, and the application. Although various Coverage Parts may be referenced in this policy, a Coverage Part is included within this policy only if that Coverage Part is stated as being purchased in the Coverage Schedule in Item 5. of the Declarations.

Except for these Common Policy Conditions or unless stated to the contrary in any Coverage Part or endorsement, the terms and conditions of each Coverage Part of this policy apply only to that Coverage Part and shall not apply to any other Coverage Part of this policy. Any defined term referenced in the Common Policy Conditions but defined in a Coverage Part shall, for purposes of coverage under that Coverage Part, have the meaning set forth in that Coverage Part. If any provision in the Common Policy Conditions is inconsistent or in conflict with the terms and conditions of any Coverage Part, the terms and conditions of such Coverage Part shall control for purposes of that Coverage Part.

Q. SERVICE OF SUIT

Except with respect to any policy issued in any state in which the Company is licensed as an admitted insurer to transact business, it is agreed that in the event of the failure of the Company to pay any amount claimed to be due hereunder, the Company, at the request of the Named Insured, will submit to the jurisdiction of a court of competent jurisdiction within the United States and will comply with all requirements necessary to give such court jurisdiction and all matters arising hereunder shall be determined in accordance with the law and practice of such court. Nothing in this clause constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service of process in such suit may be made upon Secretary, Legal Department, Markel Corporation, 10275 West Higgins Road, Suite 750, Rosemont, Illinois 60018 and that in any suit instituted against the Company upon this policy, the Company will abide by the final decision of such court or of any appellate court in the event of an appeal.

Further, pursuant to any statute of any state, territory or district of the United States which makes provision therefor, the Company hereby designates the Superintendent, Commissioner, or Director of Insurance or other official specified for that purpose in the statute, or his/her successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Named Insured or any beneficiary hereunder arising out of this policy, and hereby designates the above-named as the person to whom the said officer is authorized to mail such process or a true copy thereof.

R. NUCLEAR ENERGY LIABILITY EXCLUSION (Broad Form)

The insurance does not apply:

1. Under any Liability Coverage, to Bodily Injury or Property Damage:

a. With respect to which an Insured under the policy is also an insured under a nuclear energy liability policy issued by Nuclear Energy Liability Insurance Association, Mutual Atomic Energy Liability Underwriters, Nuclear Insurance Association of Canada or any of their successors, or would be an insured under any such policy but for its termination upon exhaustion of its limit of liability; or

b. Resulting from the Hazardous Properties of Nuclear Material and with respect to which **(1)** any person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954, or any law amendatory thereof, or **(2)** the Insured is, or had this policy not been issued would be, entitled to indemnity

from the United States of America, or any agency thereof, under any agreement entered into by the United States of America, or any agency thereof, with any person or organization.

2. Under any Medical Payments coverage, or any Supplementary Payments provision relating to first aid, to expenses incurred with respect to Bodily Injury resulting from the Hazardous Properties of Nuclear Material and arising out of the operation of a Nuclear Facility by any person or organization.

3. Under any Liability Coverage, to Bodily Injury or Property Damage resulting from Hazardous Properties of Nuclear Material, if:

a. The Nuclear Material **(1)** is at any Nuclear Facility owned by, or operated by or on behalf of, an Insured or **(2)** has been discharged or dispersed therefrom;

b. The Nuclear Material is contained in Spent Fuel or Waste at any time possessed, handled, used, processed, stored, transported or disposed of, by or on behalf of an Insured; or

c. The Bodily Injury or Property Damage arises out of the furnishing by an Insured of services, materials, parts or equipment in connection with the planning, construction, maintenance, operation or use of any Nuclear Facility, but if such facility is located within the United States of America, its territories or possessions or Canada, this exclusion c. applies only to Property Damage to such Nuclear Facility and any property thereat.

4. As used in this exclusion:

Hazardous Properties includes radioactive, toxic or explosive properties.

Nuclear Material means Source Material, Special Nuclear Material or By-Product Material.

Source Material, Special Nuclear Material, and By-Product Material have the meanings given them in the Atomic Energy Act of 1954 or in any law amendatory thereof.

Spent Fuel means any fuel element or fuel component, solid or liquid, which has been used or exposed to radiation in a Nuclear Reactor.

Waste means any waste material **(1)** containing By-Product Material other than the tailings or wastes produced by the extraction or concentration of uranium or thorium from any ore processed primarily for its Source Material content, and **(2)** resulting from the operation by any person or organization of any Nuclear Facility included under the first two paragraphs of the definition of Nuclear Facility.

Nuclear Facility means:

a. Any Nuclear Reactor;

b. Any equipment or device designed or used for **(1)** separating the isotopes of uranium or plutonium, **(2)** processing or utilizing Spent Fuel, or **(3)** handling, processing or packaging Waste;

c. Any equipment or device used for the processing, fabricating or alloying of Special Nuclear Material if at any time the total amount of such material in the custody of the Insured at the premises where such equipment or device is located consists of or contains more than 25 grams of plutonium or uranium 233 or any combination thereof, or more than 250 grams of uranium 235;

d. Any structure, basin, excavation, premises or place prepared or used for the storage or disposal of Waste;

And includes the site on which any of the foregoing is located, all operations conducted on such site and all premises used for such operations.

Nuclear Reactor means any apparatus designed or used to sustain nuclear fission in a self-supporting chain reaction or to contain a critical mass of fissionable material.

Property Damage includes all forms of radioactive contamination of property.

BULK ITEM: No **DEPARTMENT:** County Attorney

TIME APPROXIMATE: **STAFF CONTACT:** Kelly Dugan

AGENDA ITEM WORDING: Authorization to initiate litigation against PETER MOHN & ARACELI MOHN and their property, 28180 County Rd. Little Torch Key, Florida, to seek compliance with the County Code and enforce the lien(s) arising from code compliance case number CE23050012.

ITEM BACKGROUND:

CE23050012: This property has been the subject of a code compliance case for mandatory sewer connection (not compliant). The fines total $40,900.00 as of March 14, 2025, and will continue to accrue at $100.00 per day, until compliance is achieved.

A hearing was scheduled for July 27, 2023, and the property owner was not present. The Special Magistrate found the property in violation and ordered a compliance date of January 29, 2024. The County's lien was recorded on February 9, 2024. A subsequent hearing was held on January 30, 2025, and the property owner was not present. The Special Magistrate found the property remained in violation and granted the County's motion to proceed with collections. The code case remains open for non-compliance and failure to pay outstanding fines and costs.

The Monroe County Property Appraiser lists the Just Market Value of the property as $905,731. The property is not homesteaded and there are no pending foreclosure actions at this time. There is no mortgage currently recorded on the property.

Under the policy adopted in Resolution 057-2014 the available legal options in regard to the County's lien on this property are:

1. Initiate litigation against the property owner for injunction, foreclosure, money judgment and/or writ of execution;

2. Allow the liens to remain against the property owner, the subject property and any other property owned by the property owner; and/or,
3. Release the lien.

County staff recommends (option 1) initiating litigation against the property owner for injunction, foreclosure, money judgment and/or writ of execution.

PREVIOUS RELEVANT BOCC ACTION:

Approval of Resolution No. 057-2014 on March 19, 2014 adopting "ATTACHMENT A" as Procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief for non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner.

Dear Property Owners,

This letter is to inform you that Monroe County, Florida has imposed a lien(s) against your property as a result of the above referenced code compliance actions. This lien is a lien on the property that was the subject of the code compliance action **and** upon any and all other real and/or personal property you own.

Please take notice that a Public Hearing will be conducted by the Code Compliance Special Magistrate on January 30, 2025 at the Marathon Government Center, 2798 Overseas Highway, EOC Meeting Room at 9:00 a.m., Marathon, FL 33050. **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.** The purpose of this hearing is to consider approval to initiate collection proceedings, (complaint for foreclosure and/or money judgment).

Our records indicate that the violations remain on your property and the fines will continue to run until the property comes into compliance. If you have achieved compliance, please contact your Code Inspector at the appropriate location:

Middle Keys: 2798 Overseas Highway, Suite 330
Marathon, FL 33050 (305) 289-2810
Upper Keys: 102050 Overseas Highway
Key Largo, FL 33037 (305) 453-8806

Additionally, pursuant to F.S. §162.07(2), the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). These costs will continue to accrue until the violations are corrected and the case is closed.

Respectfully yours,

Dear Property Owners,

The purpose of this letter is to inform you that Monroe County, Florida has imposed a lien against your property as a result of the above referenced code compliance action. This lien is a lien on the property that was the subject of the code compliance action and upon any **and** all other real and/or personal property you own.

Our records indicate that the violation(s) remains on your property. Because your property is not in compliance the fines continue to accrue in the amount of $ 100.00 per day until the property comes into compliance. A daily fine of $ 100.00 per day has currently accrued for 85 days for a current total of $ 8500.00.

Additionally, pursuant to F.S. §162.07(2), since the County prevailed in prosecuting the case before the Special Magistrate for Code Compliance, the County is entitled to recover all costs incurred in prosecuting the case and those costs are included in the lien authorized under F.S. §162.09(3). To date, these costs are $ 535.93 and costs will continue to accrue until the violations are corrected and the case is closed.

Therefore, the current amount of the Monroe County lien is **$ 9,035.93** and fines and costs will continue to accrue until compliance is achieved and payment is received.

Failure to bring your property into compliance within 15 days may result in a referral to the Monroe County Attorney's Office for further action.

Respectfully yours,

Shawn Hicks

Subject: Code Case CE23050012
Property Location: 28180 COUNTY RD, LITTLE TORCH KEY, FL 33042
Real Estate No.: 00220360000000

Dear Property Owner(s),

This letter is to inform you that our records indicate that the violation(s) remain on your property and the fines will continue to run in the amount of $ 100.00 per day until the property comes into compliance.

Additionally, a lien against your property was recorded in the Official Records of Monroe County on 02/09/24, Book 3261, Page 2437. The current amount of the County's lien is $ 1,535.93 (fines and costs) which continue to accrue and increase until the case is compliant and closed.

This lien is a lien on the property that was the subject of the code enforcement action **and** upon any and all other real and/or personal property you own.

You can resolve this matter by bringing the property into compliance and remitting payment in full to: Monroe County Code Compliance Department; Attention: Nicole Petrick; 2798 Overseas Highway, Suite 330; Marathon, Florida 33050. The County will then provide a Release and Satisfaction of Lien to you.

If you have achieved compliance, please contact your Code Inspector at the appropriate location.

DEAR PROPERTY OWNER,

You are hereby notified that an investigation of the above property was initiated on 05/09/2023 and subsequently found the following violation(s) of the Monroe County Code:

20-51.(a) - MANDATORY CONNECTION/SEWER
FAILURE TO COMPLETE THE MANDATORY CONNECTION OF THE ABOVE STATED PROPERTY TO THE CENTRAL SEWER SYSTEM AND/OR DECOMMISSIONING ANY ON-SITE SEWAGE TREATMENT AND DISPOSAL SYSTEM WITHIN 30 DAYS OF NOTICE OF AVAILABILITY OF SERVICES.

Corrective Action Required:
1.CONTACT THE FLORIDA DEPARTMENT OF HEALTH AND OBTAIN A SEPTIC ABANDONMENT PERMIT.

2. CONTACT THE MONROE COUNTY BUILDING DEPARTMENT AND OBTAIN A MONROE COUNTY SEWER LATERAL CONNECTION PERMIT.

CONTACT INFORMATION IS ATTACHED

NOTE: ALL PERMITS AND CONNECTIONS WILL REQUIRE A PASSING FINAL INSPECTION FROM ALL APPROPRIATE AGENCIES. COMPLIANCE WILL BE ACHIEVED WHEN THE MONROE COUNTY PERMIT HAS BEEN CLOSED.

(✓) PLEASE TAKE NOTICE that a **Public Hearing will be conducted by the Special Magistrate in the above case on 07/27/2023 at 9:00 AM at the Monroe County Government Regional Center, 2798 Overseas Hwy., Marathon, Florida.** **ALL PROPERTY OWNERS, WHO WISH TO PARTICIPATE IN THE HEARING, SHOULD ATTEND VIA ZOOM WEBINAR. INSTRUCTIONS ATTACHED HERETO.**

(✓) You can avoid attending the hearing if all violation(s) noted above are corrected by **07/19/2023** and you have contacted your inspector. If a violation is corrected and then recurs, or if a violation is not corrected by the time specified, the case may be presented to the Special Magistrate even if the violation has been corrected prior to the hearing.

( ) The Code Inspector has reason to believe violation(s) or the condition causing the violation(s) presents a serious threat to the public health, safety, and welfare or is irreparable or irreversible in nature, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the violation(s) have been corrected prior to the hearing.

( ) The Code Inspector has reason to believe repeat violation(s) have been found, therefore no compliance date has been provided. This case may be presented to the Special Magistrate even if the repeat violation(s) have been corrected prior to the hearing.

If the Special Magistrate finds that violation(s) have occurred, then the Special Magistrate may impose fines, not to exceed $1,000 per day per violation for a first violation, $5,000 per day per violation for a repeat violation, and up to $15,000 per violation if the Special Magistrate finds the violation to be irreparable or irreversible in nature. In addition to such fines, the Special Magistrate may impose additional fines to cover all costs incurred by the County in enforcing its codes. If the County is forced to correct your violation(s), the Special Magistrate may order all costs incurred to be reimbursed to the County. THE IMPOSITION OF FINES AND/OR COSTS MAY RESULT IN A LIEN AGAINST YOU AND YOUR PROPERTY.

You may appear and/or be represented by an attorney or authorized agent. If you are represented by an attorney, your attorney is required to file a written notice of appearance with the Liaison for the Special Magistrate, 2798 Overseas Highway, Suite 330, Marathon, FL 33050; Phone: (305) 289-2509, Fax: (305) 289-2858, or email directly to Petrick-Nicole@monroecounty-fl.gov, prior to the date of the hearing. You may request a copy of your case file by filing a public records request online: https://monroecounty.fl.nextrequest.com. If you are requesting the case file in preparation for your hearing, your request should be submitted no less than ten (10) days prior to your scheduled hearing.

You may request a continuance of the hearing for good cause shown. If you choose to request a continuance, a written request on the County's form must be made at least five (5) business days before the date of the hearing. If you choose to request a continuance, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for continuance DOES NOT GUARANTEE a postponement of your hearing.

If you agree that the violation(s) exist as alleged in this Notice, you may request a Stipulation Agreement in lieu of attending the hearing. If you choose to request a Stipulation Agreement, contact the Code Inspector listed below at least five (5) business days before the date of the hearing. A request for a Stipulation Agreement does not guarantee a postponement of your hearing. It is important that you contact your inspector listed below.

NOTE: IF YOU DECIDE TO APPEAL any decision by the Special Magistrate, you will need to ensure that a verbatim record of the proceedings is made, which shall include the testimony and evidence upon which the appeal is to be based. The appeal must be filed within 30 days of the Special Magistrate's Final Order.

IT IS YOUR RESPONSIBILITY TO CONTACT THE CODE INSPECTOR to confirm that you do not need to attend the hearing(s). Please contact your inspector at the appropriate location:

MONROE COUNTY, FLORIDA

RESOLUTION NO.057-2014

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ADOPTING THE PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 162.09(1), Florida Statutes and Monroe County Code Section 8-31(a) give the Special Magistrate appointed to hear Code Compliance cases the authority to impose fines and costs including the cost of repairs if the County is forced to make repairs, after a finding that the property owner has violated the Monroe County Code(s); and

WHEREAS, pursuant to Section 162.09(3), Florida Statutes and Monroe County Code 8-31(c), a certified copy of an Order imposing a fine or a fine plus repair costs may be recorded in the public records and thereafter constitute a lien against the land on which the violation exists and upon any other real or personal property owned by the violator; and

WHEREAS, a certified copy of the Order imposing the fines and costs becomes a lien on all real and personal property owned by the violator once recorded with the County Clerk; and

WHEREAS, the County has the authority to initiate litigation to enforce its codes and recorded liens; and

WHEREAS, the initiation of litigation may be the only incentive for some property owners to gain compliance; and

WHEREAS, the Board of County Commissioners finds it in the public's interest to have a formalized written procedure to be used after a Final Order has been rendered by the Code Compliance Special Magistrate to initiate injunctive relief on non-compliant properties, foreclosure and/or money judgment actions for collection of unpaid fines and/or costs from a property owner;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY:

Section 1: The County's formal procedure is hereby adopted as set forth in **Attachment A: PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER.**

Section 2: This resolution and the incorporated policies shall become effective upon adoption by the County Commission.

PASSED AND ADOPTED BY THE BOARD OF COUNTY COMMISSIONERS of Monroe County, Florida, at a regular meeting of said board held on the 19th of March, 2014.

PROCEDURES TO BE USED AFTER A FINAL ORDER HAS BEEN RENDERED BY THE CODE COMPLIANCE SPECIAL MAGISTRATE TO INITIATE INJUNCTIVE RELIEF FOR NON-COMPLIANT PROPERTIES, FORECLOSURE AND/OR MONEY JUDGMENT ACTIONS FOR COLLECTION OF UNPAID FINES AND/OR COSTS FROM A PROPERTY OWNER

1. Special Magistrate (SM) enters a Final Order imposing a compliance date, fines and/or costs after a finding of violation of Monroe County Code(s) by property owner (violator) or approving a Stipulated Agreement with an agreed upon compliance date and fine amounts. The Final Order of SM providing the compliance date, and imposing fines and/or costs is provided to the property owner as soon as practicable. Referrals, if not made previously, are made to other agencies in appropriate circumstances.

2. The Final Order of the SM is recorded by Code Compliance (CC) as a lien by Code Compliance within 14 days after the compliance date for those cases that have not achieved compliance.

3. The Final Order of the SM is recorded as a lien by CC within 45 days after the compliance date for those cases that have achieved compliance by the compliance date but have outstanding costs in excess of $200.

4. If compliance is not achieved within 75 days of the recording of the lien, then a re-inspection of the property is completed by the Code Inspector assigned to the case. If the property is still not in compliance then a demand letter including the current amount of fines and/or costs is sent to the property owner.

5. If compliance is not achieved within 90 days of the recording of the lien and/or the lien is not satisfied, then CC will research the subject property to determine:

   i. if the subject property is homesteaded;
   ii. if the subject property is the only property owned by property owner/violator;
   iii. what efforts, if any, the property owner has made to achieve compliance;
   iv. the amount of the lien accrued to date; and
   v. any other relevant factors, including but not limited to researching the status of the property owner, i.e. any Lis Pendens filed against the property or property owner, any pending or closed foreclosure actions, any open, pending or discharged Bankruptcy petitions.

6. CC staff shall provide a written memo or email to the County Attorney's Office (CAY) with the results of the research outlined and requested further action.

7. The CAY will review the information provided by CC staff.

8. The CAY will move the SM per F.S. 162.09 for an Order authorizing foreclosure or a money judgment action; and,

i. The Code Compliance Liaison (Liaison) will schedule the motion for the next available SM hearing for a Motion for approval to proceed with a foreclosure and/or money judgment action;
ii. The Liaison will mail a Notice of Hearing and Notice of Motion prepared by the Liaison and signed by the CAY to the property owner by certified mail noticing the owner of the date, time, place and the substance (collection action, foreclosure and/or money judgment and/or writ of attachment) of the motion;
iii. The Liaison will email/calendar a re-inspection request to the assigned Inspector to conduct inspection prior to the next available SM hearing;
iv. The Motion hearing is heard by SM on the specified date;
v. If SM finds foreclosure or money judgment is appropriate, the Liaison will notice the property owner of the SM's ruling and email/calendar a re-inspection request to the assigned Inspector to conduct an inspection within 30 days of the SM ruling;
vi. CAY will seek permission from the Board of County Commissioners to file for foreclosure or money judgment in court;
vii. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to notify the owner by a quick email letter, telephone call or demand letter every 90 days to inform them that the property is not in compliance and fines are running. The assigned Code Inspector will provide written updates to the CAY every 90 days.

9. Subsequent to the SM's ruling on the Motion, the CAY will place an item on the Commission's agenda seeking the Board's direction and authorization on further enforcement and collection efforts. Potential options for litigation include seeking injunctive relief, a money judgment for the unpaid fines, foreclosure, or other relief. Potential non-litigation options include referral to another agency, allowing liens to accrue, or other relief.

10. If the recommended legal action is referral to another agency, release of lien, or allowing liens to accrue, CAY will send a written memo or email to the Director of Code Compliance outlining recommendation.

11. Once authority is granted by SM and/ or Board of County Commissioners, CC will order a title search on non-homesteaded properties, and the assigned Code Inspector will conduct a re-inspection after receipt of the title search. Litigation will commence after the title search is completed and a current re-inspection is completed. The assigned Code Inspector will continue to monitor the property for compliance through re-inspections every 90 days and attempts to contact the property owner by a quick email letter, telephone call or demand letter every 90 days that the property is not in compliance and fines are running. The assigned Inspector will provide written updates to the CAY every 90 days.

12. If the Board decides not to authorize injunction or enforcement litigation, a decision from the Board could include direction to:

    i. Allow lien to remain filed and accrue interest until sale or refinancing; or
    ii. Release the lien; or
    iii. Request CC staff to provide a progress report on compliance efforts annually at the March BOCC meeting.

Exception –If a violation poses a serious threat to the public health, safety & welfare then immediate permission to file an action for an inspection warrant, injunction and/or demolition may be sought with BOCC direction.

AGENDA ITEM WORDING: Approval to renew contract with Goodman-Gable Gould Company d/b/a Adjusters International to provide Insurance Adjusting Claim Services.

ITEM BACKGROUND:

This item asks for approval for a Second Amendment to the Agreement with The Goodman-Gable-Gould Company d/b/a Adjusters International, to provide insurance adjusting claims services following a catastrophic event such as a hurricane. The Agreement serves as a retainer agreement. The County would use the services of the contractor to submit claims to the County's insurers following catastrophic events resulting in significant damage, such as hurricanes. Minor/incidental events are handled internally by staff when assistance of adjusting firm is not required.

Other key points: the firm's fee is based on a percentage of actual recovery. If there are no claims (i.e., no hurricanes/major disasters assigned by Monroe County to the Contractor), there is no fee paid to the Contractor

- If the firm's services are used, compensation will be as follows:
  - Claims from $0 to $1 million: firm's fee will be 7% of recovery
  - Claims > $1 million: firm's fee will be 10% of actual recovery

---

PREVIOUS RELEVANT BOCC ACTION:
The most recent agreement with G-G-G was issued in 2023 following an RFP, and had an initial term of 1 year, with options to extend for three (3) terms of one (1) year each at the County's option. The first Amendment to extend (1) additional year was approved at the May 20, 2024 Board meeting. This Amendment exercises the second of the three options, and extends the Agreement by one (1) additional year

AGREEMENT BETWEEN MONROE COUNTY
AND
GOODMAN-GABLE-GOULD COMPANY /
ADJUSTERS INTERNATIONAL
FOR
PUBLIC ADJUSTING CLAIM SERVICES

THIS AGREEMENT is made and entered into this 19th day of April 2023, by MONROE COUNTY BOARD OF COUNTY COMMISSIONERS ("COUNTY"), a political subdivision of the State of Florida, whose address is 1100 Simonton Street, Key West, Florida 33040 and Goodman-Gable-Gould/Adjusters International (GGG/AI) ("CONTRACTOR" or "CONSULTANT"), whose address is 6767 N. Wickham Road, Suite 501, Melbourne, FL 32940.

This Agreement shall consist of the terms, conditions and covenants contained in this Agreement, including all exhibits, and shall also include any and all representations contained in the Proposal submitted by the Contractor in response to the Request for Proposals (RFP) for Public Adjusting Claims Services, a copy of which is incorporated by reference.

Section 1. SCOPE OF SERVICES

CONTRACTOR shall do, perform and carry out in a professional and proper manner certain duties as described in the Scope of Services – Exhibit A – which is attached hereto and made a part of this agreement.

CONTRACTOR shall provide the scope of services in Exhibit A for COUNTY. CONTRACTOR warrants that it is authorized by law to engage in the performance of the activities herein described, subject to the terms and conditions set forth in these Agreement documents. The CONTRACTOR shall at all times exercise independent, professional judgment and shall assume professional responsibility for the services to be provided. Contractor shall provide services using the following standards, as a minimum requirement:

A. The CONTRACTOR shall maintain adequate staffing levels to provide the services required under the Agreement resulting from this RFP process.
B. The personnel shall not be employees of or have any contractual relationship with the County. To the extent that Contractor uses subcontractors or independent contractors, this Agreement specifically requires that subcontractors and independent contractors shall not be an employee of the County.
C. All personnel engaged in performing services under this Agreement shall be fully qualified, and, if required, to be authorized or permitted under State and local law to perform such services.

Section 2. COUNTY'S RESPONSIBILITIES

2.1 Upon occurrence of an event that requires the Contractor's assistance, the County shall issue a notice to proceed to the Contractor. The County shall also provide a schedule of the structures that need to be evaluated.

Section 3. TERM OF AGREEMENT

3.1 The initial Agreement term will be for one (1) year beginning the 1st day of June 2023 ("Effective Date"). The Agreement shall be renewable at the County's sole option for three (3) additional consecutive one year terms.

3.2 Modification: If either party desires to modify this Agreement, it shall notify the other in writing at least thirty (30) days prior to the effective date of such modification. In the case of proposed modification, the party receiving the notification of the proposed modification shall itself notify the other party within ten (10) days after receipt of notice of its agreement to the proposed modification. Failure to do so shall terminate this Agreement.

Section 4. PAYMENT TO CONTRACTOR

4.1 Compensation to the CONTRACTOR:

- Claims that result in recovering ranging from $0 to $1,000,000 from COUNTY's insurers will be billed at 7.0% of actual recovery.
- Claims in excess of $1,000,000 from COUNTY's insurers will be billed at 10% of actual recovery.

4.2 Payment will be made according to the Florida Local Government Prompt Payment Act, Section 218.70, Florida Statutes. The Provider shall submit the invoice and supporting documentation acceptable to the Clerk to the County's Risk Manager. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the clerk's disbursal of funds. The Risk Manager shall review the request, note his/her approval on the request and forward it to the Clerk for payment.

4.3 Continuation of this Agreement beyond the initial fiscal year is contingent upon annual appropriation by Monroe County.

Section 5. CONTRACT TERMINATION

5.1 Termination for Cause: Either party may terminate this Agreement because of the failure of the other party to perform its obligations under the Agreement. In the event of such breach, the party shall provide notice to the other party, and shall give the other party at least business days within which to cure the breach. If the breach is not cured within that time period, the Agreement may be terminated for cause.

5.2 Termination for Convenience: The COUNTY may also terminate this Agreement without cause upon thirty (30) days' notice to the CONTRACTOR. The COUNTY shall pay CONTRACTOR for work performed through the date of termination.

Section 6. CONTRACTOR'S ACCEPTANCE OF CONDITIONS

A. CONTRACTOR hereby agrees that he has carefully examined the RFP, his/her response, and this Agreement and has made a determination that he/she has the personnel, equipment, and other requirements suitable to perform this work and assumes full responsibility therefore. The provisions of the Agreement shall control any inconsistent

provisions contained in the specifications. All specifications have been read and carefully considered by CONTRACTOR, who understands the same and agrees to their sufficiency for the work to be done. Under no circumstances, conditions, or situations shall this Agreement be more strongly construed against COUNTY than against CONTRACTOR.

B. Any ambiguity or uncertainty in the specifications shall be interpreted and construed by COUNTY, and its decision shall be final and binding upon all parties.
C. The passing, approval, and/or acceptance by COUNTY of any of the services furnished by CONTRACTOR shall not operate as a waiver by COUNTY of strict compliance with the terms of this Agreement, and specifications covering the services.
D. CONTRACTOR agrees that County Administrator or his designated representatives may visit CONTRACTOR'S facility (ies) periodically to conduct random evaluations of services during CONTRACTOR'S normal business hours.
E. CONTRACTOR has, and shall maintain throughout the term of this Agreement, appropriate licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to COUNTY upon request.

Section 7. NOTICES

Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage prepaid, to the other party by certified mail, returned receipt requested, to the following:

To the COUNTY: Risk Manager
1111 12th Street, Suite 408
Key West, Florida 33040

To the CONTRACTOR: Pat Cuccaro
6767 N. Wickham Rd., Suite 501
Melbourne, FL 32940

Section 8. RECORDS

CONTRACTOR shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the agreement and for five (5) years following the termination of this Agreement. If an auditor employed by the COUNTY or Clerk determines that monies paid to CONTRACTOR pursuant to this Agreement were spent for purposes not authorized by this Agreement, the CONTRACTOR shall repay the monies together with interest calculated pursuant to Section 55.03 of the Florida Statutes, running from the date the monies were paid to CONTRACTOR.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the CONTRACTOR is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the CONTRACTOR or keep and maintain public records that would be required by the County to perform the service. If the CONTRACTOR transfers all public records to the County upon completion of the contract, the CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the CONTRACTOR keeps and maintains public records upon completion of the contract, the CONTRACTOR shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the CONTRACTOR of the request, and the CONTRACTOR must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the CONTRACTOR does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the CONTRACTOR. A CONTRACTOR who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The CONTRACTOR shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT,

CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470 BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

Section 9. EMPLOYEES SUBJECT TO COUNTY ORDINANCE NOS. 010 AND 020-1990

The CONTRACTOR warrants that it has not employed, retained or otherwise had act on its behalf any former County officer or employee subject to the prohibition of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 020-1990. For breach or violation of this provision the COUNTY may, in its discretion, terminate this agreement without liability and may also, in its discretion, deduct from the agreement or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

Section 10. CONVICTED VENDOR

By signing this agreement, CONTRACTOR represents that the execution of this Agreement will not violate the Public Entities Crime Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from County's competitive procurement activities.

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on an Agreement with a public entity for the construction or repair of a public building or public work, may not perform work as a CONTRACTOR, supplier, subcontractor, or CONTRACTOR under Agreement with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for the Category Two for a period of 36 months from the date of being placed on the convicted vendor list.

Section 11. GOVERNING LAW, VENUE, INTERPRETATION, COSTS AND FEES

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to Agreements made and to be performed entirely in the State.

In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the COUNTY and CONTRACTOR agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida.

Section 12. SEVERABILITY

If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of

competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The COUNTY and CONTRACTOR agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

Section 13. ATTORNEY'S FEES AND COSTS

The COUNTY and CONTRACTOR agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, and court costs, as an award against the non-prevailing party. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the Circuit Court of Monroe County.

Section 14. BINDING EFFECT

The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the COUNTY and CONTRACTOR and their respective legal representatives, successors, and assigns.

Section 15. AUTHORITY

Each party represents and warrants to the other that the execution, delivery and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

Section 16. ADJUDICATION OF DISPUTES OR DISAGREEMENTS

COUNTY and CONTRACTOR agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If no resolution can be agreed upon within 30 days after the first meet and confer session, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement shall not be subject to arbitration.

Section 17. COOPERATION

In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, COUNTY and CONTRACTOR agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. COUNTY and CONTRACTOR specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

Section 18. NONDISCRIMINATION

During the performance of this Agreement, the CONTRACTOR agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the

Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

Section 19. COVENANT OF NO INTEREST

COUNTY and CONTRACTOR covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

Section 20. CODE OF ETHICS

The parties understand and agree that officers and employees of the COUNTY are required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

Section 21. NO SOLICITATION/PAYMENT

The COUNTY and CONTRACTOR warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the CONTRACTOR agrees that the COUNTY shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

Section 22. FEDERAL CLAUSES

The County anticipates that some or all of the funds to pay for the services covered by this Agreement may come from federal grant awards, as that term is defined in 2 CFR part 200. Therefore, the following clauses are included in this Agreement:

22.1. Contractor agrees to comply with all applicable standards, orders or regulations issued

pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387) and will reports violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

22.2. Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

22.3. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required Certification Regarding Lobbying (and, if applicable, the Disclosure of Lobbying Activities). Both forms are attached to this Agreement in Section Three. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

22.4. Americans with Disabilities Act of 1990 (ADA) – The CONTRACTOR will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the CONTRACTOR pursuant thereto.

22.5. The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

22.6 SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS. The County strongly encourages the use of women-, minority- and veteran-owned business enterprises (SBEs) and wishes to see a of 5% of the contract or subcontracts awarded pursuant to this RFP go to SBEs. Contractor shall provide good faith effort and associated documentation. Contractors may search for Florida registered SBEs at: http://www.dms.myflorida.com/agency_administration/office_of_supplier_diversity_osd

Any proposal submitted in which the vendor is certified as an SBE, or in which the vendor proposes to use subcontractors that are certified as SBEs, must submit proof of the registration or certification from a federal, state or local authority in order to receive credit for the use of the SBE.

22.7 AUDIT OF RECORDS: Contractor shall grant to the County, Florida Division of Emergency Management (FDEM), Federal Emergency Management Agency (FEMA), Florida Department of Transportation, the Federal Government, and any other duly authorized agencies

of the State or Federal Government or the County where appropriate the right to inspect and review all books and records directly pertaining to the Contract resulting from this RFP for a period of five (5) years after final grant close-out by FEMA or DEM, or as required by applicable County, State and Federal law. Records shall be made available during normal working hours for this purpose.

In the event that FEMA, DEM, or any other Federal or State agency, or the County, issues findings or rulings that the amounts charged by the Contractor, or any portions thereof, were ineligible or were non-allowable under federal or state Law or regulation, Contractor may appeal any such finding or ruling. If such appeal is unsuccessful, the Contractor shall agree that the amounts paid to the Contractor shall be adjusted accordingly, and that the Contractor shall, within 30 days thereafter, issue a remittance to the County of any payments declared to be ineligible or non- allowable.

Contractor shall comply with federal and/or state laws authorizing an audit of Contractor's operation as a whole, or of specific Project activities.

22.8 Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

22.9 Beginning January 1, 2021, the Contractor shall utilize the U.S. Department of Homeland Security's E- Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractors during the Contract term. By entering into this agreement, the contractor or consultant verifies that it registers with and uses the E-Verify system. If the contractor enters into a contract with a subcontractor, the subcontractor must provide the contractor with an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The contractor must maintain the affidavit for the duration of this contract.

22.10 No Obligation by Federal Government. The federal government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, Contractor, or any other party pertaining to any matter resulting from the contract.

22.11 Prohibition on certain telecommunications and video surveillance services or equipment (2 C.F.R. § 200.216: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to (a) procure or obtain, (b) extend or renew a contract to procure or obtain, or (c) enter into a contract to procure or obtain equipment, services or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system or critical technology as part of any system. As used herein, the term "covered telecommunications equipment" means telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate). By entering into this

agreement, both the County and the Contractor agree that it has complied with the provisions in 2 C.F.R. § 200.216.

22.12 Domestic preference for procurements (2 C.F.R. § 200.322): As appropriate and to the extent consistent with law, the County should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

22.13 (If applicable): Procurement of recovered materials will apply as set forth in 2 CFR part 200.322.

Section 23. NON-WAIVER OF IMMUNITY

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the COUNTY and the CONTRACTOR in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any Agreement entered into by the COUNTY be required to contain any provision for waiver.

Section 24. PRIVILEGES AND IMMUNITIES

All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the COUNTY, when performing their respective functions under this Agreement within the territorial limits of the COUNTY shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the COUNTY.

Section 25. LEGAL OBLIGATIONS AND RESPONSIBILITIES

Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida constitution, state statute, and case law.

Section 26. NON-RELIANCE BY NON-PARTIES

No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the COUNTY and the CONTRACTOR agree that neither the COUNTY nor the CONTRACTOR or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or

group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

Section 27. ATTESTATIONS

CONTRACTOR agrees to execute such documents as the COUNTY may reasonably require, including, but not being limited to, a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement, Lobbying and Conflict of Interest Clause, and Non-Collusion Agreement.

Section 28. NO PERSONAL LIABILITY

No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

Section 29. EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by signing any such counterpart.

Section 30. SECTION HEADINGS

Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

Section 31. INSURANCE POLICIES

31.1 General Insurance Requirements for Other Contractors and Subcontractors.

As a pre-requisite of the work governed, the CONTRACTOR shall obtain, at his/her own expense, insurance as specified in any attached schedules, which are made part of this contract. The CONTRACTOR will ensure that the insurance obtained will extend protection to all Subcontractors engaged by the CONTRACTOR. As an alternative, the CONTRACTOR may require all Subcontractors to obtain insurance consistent with the attached schedules; however, CONTRACTOR is solely responsible to ensure that said insurance is obtained and shall submit proof of insurance to COUNTY. Failure to provide proof of insurance shall be grounds for termination of this Agreement.

The CONTRACTOR will not be permitted to commence work governed by this contract until satisfactory evidence of the required insurance has been furnished to the COUNTY as specified below. Delays in the commencement of work, resulting from the failure of the CONTRACTOR to provide satisfactory evidence of the required insurance, shall not extend deadlines specified

in this contract and any penalties and failure to perform assessments shall be imposed as if the work commenced on the specified date and time, except for the CONTRACTOR's failure to provide satisfactory evidence.

The CONTRACTOR shall maintain the required insurance throughout the entire term of this contract and any extensions specified in the attached schedules. Failure to comply with this provision may result in the immediate suspension of all work until the required insurance has been reinstated or replaced and/or termination of this Agreement and for damages to the COUNTY. Delays in the completion of work resulting from the failure of the CONTRACTOR to maintain the required insurance shall not extend deadlines specified in this contract and any penalties and failure to perform assessments shall be imposed as if the work had not been suspended, except for the CONTRACTOR's failure to maintain the required insurance.

The CONTRACTOR shall provide, to the COUNTY, as satisfactory evidence of the required insurance, either:

- Certificate of Insurance
  or
- A Certified copy of the actual insurance policy.

The County, at its sole option, has the right to request a certified copy of any or all insurance policies required by this contract.

All insurance policies must specify that they are not subject to cancellation, non-renewal, material change, or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

The acceptance and/or approval of the Contractor's insurance shall not be construed as relieving the Contractor from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, its employees and officials will be included as "Additional Insured" on all policies, except for Workers' Compensation.

31.2 Insurance Requirements For Contract Between County And Contractor
(Note: amounts of coverage are subject to change in final contract)

Prior to the commencement of work governed by this contract, the CONTRACTOR shall obtain General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations
- Bodily Injury Liability
- Expanded Definition of Property Damage

The minimum limits acceptable shall be:

$500,000 Combined Single Limit (CSL)

If split limits are provided, the minimum limits acceptable shall be:

$200,000 per Person
$500,000 per Occurrence

$200,000 Property Damage

An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

The Monroe County Board of County Commissioners shall be named as Additional Insured on all general liability policies issued to satisfy the above requirements.

31.3 Vehicle Liability Insurance requirements

Recognizing that the work governed by this contract requires the use of vehicles, the CONTRACTOR, prior to the commencement of work, shall obtain Vehicle Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum, liability coverage for:

- Owned, Non-Owned, and Hired Vehicles

The minimum limits acceptable shall be:

$300,000 Combined Single Limit (CSL)

If split limits are provided, the minimum limits acceptable shall be:

$200,000 per Person
$300,000 per Occurrence
$200,000 Property Damage

The Monroe County Board of County Commissioners shall be named as Additional Insured on all vehicle liability policies issued to satisfy the above requirements.

31.4 Workers' Compensation Insurance Requirements

Prior to commencement of work governed by this contract, the CONTRACTOR shall obtain Workers' Compensation Insurance with limits sufficient to respond to the applicable state statutes.

In addition, the CONTRACTOR shall obtain Employers' Liability Insurance with limits of not less than:

$500,000 Bodily Injury by Accident
$500,000 Bodily Injury by Disease, policy limits
$500,000 Bodily Injury by Disease, each employee

Coverage shall be maintained throughout the entire term of the contract.

Coverage shall be provided by a company or companies authorized to transact business in the state of Florida.

31.5 Professional Liability Requirements

Recognizing that the work governed by this contract involves the furnishing of advice or services of a professional nature, the Contractor shall purchase and maintain, throughout the life of the contract, Professional Liability Insurance which will respond to damages resulting from any claim arising out of the performance of professional services or any error or omission of the Contractor arising out of work governed by this contract.

The minimum limits of liability shall be:

$1,000,000 per occurrence/$2,000,000 Aggregate

Section 32. INDEMNIFICATION, HOLD HARMLESS AND DEFENSE

CONTRACTOR assumes and agrees to hold harmless, indemnify, protect, and defend the COUNTY and the COUNTY's elected and appointed officers and employees, Boards and Commissions, and any other agents, individually and collectively (collectively, "indemnified parties"), against any and all fines, penalties, lawsuits, claims, actions, causes of action, litigation, demands, obligations, administrative proceedings, appellate proceedings, or other proceedings relating to any and all types of injury (including death), loss, damage, fine, penalty, liability, judgment, or business interruption, and any and all costs, fees, attorney fees, or expenses that may be asserted against, initiated with respect to, or sustained by, any of the indemnified parties by reason of, arising out of, incident to, resulting from, or in connection with, (A) any and all activities, operations, or work of CONTRACTOR or any of its employees, agents, consultants, sub-contractors or other persons employed or utilized under any and all of the obligations and terms of this Agreement, (B) the negligence, errors, omissions, recklessness, or intentional or willful misconduct of CONTRACTOR or any of its employees, agents, consultants, sub-contractors or other persons employed or utilized, or (C) CONTRACTOR's non-conformance, breach, or default with respect to any of the obligations and terms under this Agreement. Insofar as the claims, actions, causes of action, litigation, proceedings, costs, fees, or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement. CONTRACTOR agrees that the indemnified parties may select the attorneys to appear and defend such claims, actions, causes of action, or litigation on behalf of the indemnified parties. CONTRACTOR further agrees to pay at the CONTRACTOR's expense the attorneys' fees and costs incurred by those attorneys selected by the indemnified parties to appear and defend such claims, actions, causes of action, or litigation on behalf of the indemnified parties at the trial and appellate levels. CONTRACTOR agrees that the first ten dollars ($10.00) of remuneration paid to CONTRACTOR represents specific consideration for the indemnification obligation provided above. The extent of liability is in no way limited to, reduced or lessened by the insurance requirements contained elsewhere with in this Agreement.

The duty to defend under this Section is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the CONTRACTOR, the COUNTY and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to the CONTRACTOR.

The CONTRACTOR's obligation to indemnify and defend under this Section will survive the expiration or earlier termination of this AGREEMENT until it is determined by final judgment that an action against the COUNTY or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

At all times and for all purposes hereunder, the CONTRACTOR is an independent contractor and not an employee of the Board of County Commissioners. No statement contained in this agreement shall be construed so as to find the CONTRACTOR or any of his/her employees, contractors, servants or agents to be employees of the Board of County Commissioners for Monroe County. As an independent contractor the CONTRACTOR shall provide independent, professional judgment and comply with all federal, state, and local statutes, ordinances, rules and regulations applicable to the services to be provided.

The CONTRACTOR shall be responsible for the completeness and accuracy of its work, plan, supporting data, and other documents prepared or compiled under its obligation for this project, and shall correct at its expense all significant errors or omissions therein which may be disclosed. The cost of the work necessary to correct those errors attributable to the CONTRACTOR and any damage incurred by the COUNTY as a result of additional costs caused by such errors shall be chargeable to the CONTRACTOR. This provision shall not apply to any maps, official records, contracts, or other data that may be provided by the COUNTY or other public or semi-public agencies.

The CONTRACTOR agrees that no charges or claims for damages shall be made by it for any delays or hindrances attributable to the COUNTY during the progress of any portion of the services specified in this contract. Such delays or hindrances, if any, shall be compensated for by the COUNTY by an extension of time for a reasonable period for the CONTRACTOR to complete the work schedule. Such an agreement shall be made between the parties.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be executed on the 19th day of April 2023.

EXHIBIT A
SCOPE OF SERVICES

SPECIFICATIONS

The firm shall provide adjusting services on an as needed basis. The firm will evaluate damage to County property and negotiate maximum settlements with its insurers following catastrophic events resulting in significant damage. In addition, the firm will assist the County in coordinating requests for Public Assistance from the Federal Emergency Management Agency (FEMA).

The following services will be expected of the successful proposer:

- Investigate and analyze all property damage associated with claims assigned to the adjuster.
- Review all insurance policies and determine the recoveries available to the County from each policy.
- Review pre-loss estimates that could affect recovery and recommend modifications if necessary.
- Prepare a concise, well documented replacement cost estimate of buildings and personal property damaged and determine the Actual Cash Value (ACV) if applicable.
- Evaluate "code upgrade" coverages and costs, if applicable.
- Negotiate interim and final settlements with the County insurers.
- Advise County management regarding the capture and development of loss information (including direct damage, extra expenses, and loss of income).
- Coordinate and integrate all areas of the claim effort on behalf of the County.
- Assist in the coordination of advance payments with the County insurers.
- Coordinate all inspections and meetings with the County's insurers.
- Provide regular status reports.
- Review all claim data with County representatives prior to being submitted to the insurers.
- Conduct and/or participate in all settlement discussions with the County's insurers.
- Maintain all information obtained during the services provided to the County as confidential.
- Expedite and maximize all recoveries available to the County.
- Coordinate with the Federal Emergency Management Agency (FEMA) if required.
- Any and all services required to resolve County claims with its insurers.

INDEMNIFICATION AND HOLD HARMLESS FOR CONSULTANTS AND SUBCONSULTANTS

The CONSULTANT covenants and agrees to indemnify and hold harmless COUNTY/Monroe County and Monroe County Board of County Commissioners, its officers and employees from liabilities, damages, losses and costs, including but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness, or intentional wrongful conduct of the CONSULTANT, subcontractor(s) and other persons employed or utilized by the CONSULTANT in the performance of the contract.

In the event that the completion of the project (to include the work of others) is delayed or suspended as a result of the CONSULTANT's failure to purchase or maintain the required insurance, the CONSULTANT shall indemnify the County from any and all increased expenses resulting from such delay. Should any claims be asserted against the COUNTY by virtue of any deficiency or ambiguity in the plans and specifications provided by the CONSULTANT, the CONSULTANT agrees and warrants that CONSULTANT shall hold the County harmless and shall indemnify it from all losses occurring thereby and shall further defend any claim or action on the County's behalf.

The first ten dollars ($10.00) of remuneration paid to the CONSULTANT is consideration for the indemnification provided for above.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement.

This indemnification shall survive the expiration or earlier termination of the Agreement.

FIRST AMENDMENT TO AGREEMENT BETWEEN MONROE COUNTY AND THE GOODMAN- GABLE- GOULD COMPANY D/B/A ADJUSTERS INTERNATIONAL

THIS FIRST AMENDMENT to the Agreement by and between Monroe County ("County") and The Goodman-Gable-Gould Company, a Maryland Corporation doing business in the State of Florida as Adjusters International (hereinafter "AI") (collectively, the "Parties"), is entered into as of the 15th day of May, 2024.

WHEREAS, on April 19, 2023, the Parties entered into an Agreement for assessment and handling of claims due to a hurricane or other natural disaster ("Agreement"); and

WHEREAS, Section 3 of the Agreement (Term of Agreement) provided that the initial term would be for one (1) year, and then was renewable at the County's sole option for three (3) additional terms of one (1) year each; and

WHEREAS, the current term of the Agreement expires on May 31, 2024; and

WHEREAS, the County wishes to exercise the option to extend the Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained herein the Parties agree to the First Amendment to the Agreement as follows:

1. The contract period as outlined in Section 3 of the Agreement is extended to May 31, 2025.

2. The remaining provisions of the Agreement dated April 19, 2023, remain in full force and effect.

THE BALANCE OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

IN WITNESS WHEREOF, the Parties hereto have caused this First Amendment to be executed on the 15th day of May 2024

STAFF CONTACT: Gaelan Jones

AGENDA ITEM WORDING: Approval to enter into a 1-year Agreement and addendum with CivicPlus for NextRequest, a public record request tracking software solution for a cost of $17,850.00.

ITEM BACKGROUND:
NextRequest is a records request tracking solution that helps manage all aspects of a public records request—from billing to tracking of request correspondence. The solution helps mitigate the risk of potential non-compliance lawsuits via automated request tracking. The County has been utilizing NextRequest for several years.

Monroe County has utilized NextRequest as its electronic public records solution since 2019. When the County first procured its public records solution, NextRequest was evaluated by County staff alongside 2 other proposals and determined to be the best option at the price (See attached Memo). County staff is very satisfied with the software and therefore seeks a waiver of the requirement to seek additional price quotes in accordance with the Monroe County Purchasing Policy. For the same reasons detailed in the original 2019 procurement rationale, the NextRequest platform remains the most effective public records solution for Monroe County today. Given the County's continued and current use of the NextRequest platform, implementation of another software product would be logistically difficult and ineffective towards reduction of program costs.

PREVIOUS RELEVANT BOCC ACTION:
The Board has previously approved purchase of annual license agreements for NextRequest since 2019.

MEMORANDUM

TO: OMB

FROM: Brian Bradley, Senior Coordinator
Monroe County Attorney's Office

DATE: May 22, 2019

SUBJECT: Public Records Management Software

****

Brian Bradley, Allison Williams and Maureen Proffitt reviewed the three software packages (see attached proposals) and found NextRequest to be the best fit for the County. Its ease of use is its strong point—making for an easier learning curve with staff. In addition, it had tools to upload and edit PST files. PST files are the format we use to supply email requests—no other solution had this type of option.

This is not the cheapest solution reviewed; however, it is best fit for our needs and worth paying the additional cost. See the attached scoring sheet for price breakdown of the three reviewed programs.

If you have any questions, or need further information, please feel free to contact me at 292-3470.

Thank you

Scoring Sheet

Records Management Software

Brian Bradley, Allison Williams and Maureen Proffitt reviewed the three software packages below and reached the following decision.

1.

NEXTREQUEST

$16,040.00 Set-cost each year for the next three years.

Of the three, this one received the best review overall. Ease of use and power are the strong points.

2.

GOVQA

$22,400 first year, $20,300 after

The most powerful; however, the most complex. It would have a higher learning curve that would be a hindrance to staff.

3.

JustFOIA

$9000 first year, $6,500 after.

It is a bit of a mix between the two above. It would be able to do the job; however, it is not as elegant as NextRequest. Its strongest point is its price.

NextRequest
Master Service Agreement

This Master Service Agreement ("MSA"), together with the order form ("Order Form") executed between NextRequest and Customer, which is incorporated herein by reference, constitute a legally binding contract between NextRequest and Customer. The Order Form, together with this MSA is referred to as the "Agreement" or "Service Agreement".

"NextRequest" means NextRequest, LLC., a Delaware Corporation with principal offices at 212 W. Main St., Suite #500, Durham, NC 27701 and "Customer" means the entity or person identified as such in the Order Form. Each of NextRequest and Customer may each be referred to as a "Party" and together as the "Parties".

1. **Defined Terms**
   1.1. "Business Day" or "Business Hours" means 9:00 a.m. – 6:00 p.m. Monday through Friday, U.S. Pacific time, excluding public holidays in the United States.
   1.2. "Confidential Information" means all information disclosed by one Party (the "Disclosing Party") to the other Party (the "Receiving Party"), whether before or after the effective date of the Agreement, that the recipient should reasonably understand to be confidential, including information that is marked or otherwise conspicuously designated as confidential, and for NextRequest only, scripts and other tools used in the Service. Information that is (i) independently developed by either Party, without reference to the other's Confidential Information, (ii) is or becomes publicly available (through no improper action or inaction by the Receiving Party or any affiliate, agent, consultant or employee of the Receiving Party), (iii) was in its possession or known by it without restriction prior to receipt from the Disclosing Party, or (iv) becomes available to either Party without restriction other than through breach of the Agreement or applicable law, will not be "Confidential Information" of the other Party. The Receiving Party may make disclosures required by law or court order provided the Receiving Party uses diligent reasonable efforts to limit disclosure and to obtain confidential treatment or a protective order and allows the Disclosing Party to participate in the proceeding to the extent permitted by law.
   1.3. "Customer Content" means any content (including without limitation data, text, audio, video, or images) that Customer provides or transfers to NextRequest for processing, storage or transmission in connection with Customer's use of the Service, including without limitation, public records requests Customer receives directly from Requesters and submits to the Service, as well as any public records results (including redacted versions of documents) that Customer provides, uploads, publishes, displays, transfers or otherwise makes available to NextRequest through its use of the Services. Customer Content does not include Usage Data collected from Customer or Requesters.
   1.4. "Customer User" means a person authorized by Customer, such as a Customer employee, to use the Service on Customer's behalf. Customer User does not include Requesters.
   1.5. "Hourly Services" means hourly support or training services to be provided by NextRequest under an applicable Order Form.
   1.6. "Intellectual Property" or "IP" means all rights in, to, or arising out of: (i) any U.S., international or foreign patent or any application therefor and any and all reissues, divisions, continuations, renewals, extensions, continuations-in-part, utility models and supplementary protection certificates thereof; (ii) inventions (whether patentable or not in any country), invention disclosures, improvements, trade secrets, proprietary information or materials, know-how, technology and technical data; (iii) copyrights, copyright registrations, mask works, mask work registrations, and applications therefor in the U.S. or any foreign country, and all other rights corresponding thereto throughout the world; (iv) trademarks, service marks, trade names, domain names, logos, trade dress, and all goodwill associated therewith; and (v) any other proprietary rights or a similar nature anywhere in the world.
   1.7. "Prohibited Content" means content (i) that violates any third party's rights, including privacy or Intellectual Property rights; (ii) that is libelous, harassing, abusive, fraudulent, defamatory, excessively profane, obscene, abusive, hate related, violent, harmful to minors; (iii) that advocates racial or ethnic intolerance; (iv) intended to advocate or advance computer hacking or cracking;

(v) gambling; (vi) other illegal activity; (vii) drug paraphernalia; (viii) phishing; (ix) malicious content; and (x) other material, products or services that violate or encourage conduct that would violate any laws or third-party rights.

1.8. "Requester" means a person that uses the Service to make a public records request or to access or download publicly-available records.

1.9. "Requester Content" means information provided directly to NextRequest by a Requester. Requester Content does not include Usage Data collected from Requesters.

1.10. "Sensitive Information" means Confidential Information such as financial data, personal data, individually identifiable information about children, individually identifiable health information, geolocation information about specific people, Social Security numbers, driver's license numbers, other confidential ID numbers, financial account numbers, credit or debit card numbers, personal identification numbers (PINs) or passwords, street addresses, phone numbers or other personal information.

1.11. "Service" means NextRequest's integrated web-based service, which assists customers in responding to public records requests. The Service consists of a core web-based application and any optional modules which may be purchased by Customer. The details of the Service subject to this Agreement are set forth in the Order Form.

1.12. "Service Level Agreement" or "SLA" means the NextRequest Service Level Agreement attached as Exhibit A to this Agreement and incorporated by reference.

1.13. "Service Providers" means third-party providers of services that are part of the Service.

1.14. "Usage Data" means information other than Customer Content or Requester Content that is collected, directly or indirectly, from Customer or Requesters by or through the Service that specifically tracks the usage or performance of the Service, including information that incorporates or is derived from the processing, storage or transmission of information, data or content by or through the Service as well as any information, data or other content derived from NextRequest's or its Service Providers' monitoring of Customer's access to or use of the Service such as information reflecting the access or use of the Service by or on behalf of Customer or any Requester. All right, title, and interest in and to the Usage Data shall remain exclusively with NextRequest. Usage Data shall be considered the Confidential Information of NextRequest. NextRequest will employ commercially reasonable measures to ensure that access to Usage Data is not provided to any third party unless such entity has a need to know in order for NextRequest to perform its obligations under this Agreement. Notwithstanding anything else, Customer acknowledges and agrees that NextRequest may: (a) use Usage Data as necessary to provide Services under this Agreement, including for purposes of billing and providing reports to Customer; and (b) use and disclose Usage Data provided that it is aggregated in a manner that does not identify Customer, Customer's Users, or Requesters, and cannot be used to determine which portion of the aggregated data is related or attributable to Customer.

2. **Services**

2.1. **NextRequest Service**. During the term of this agreement, NextRequest will use commercially reasonable efforts to deploy, host, and maintain for Customer the Service further described in the Order Form.

2.2. **Service Level Agreement**. NextRequest will provide support for the Service according to the terms of the Service Level Agreement attached hereto as Exhibit A and incorporated by reference.

2.3. **Other Services**. If provided in the Order Form, NextRequest will provide Additional Services consistent with industry standards and according to the terms in the Order Form. Services such as setup or customer support will be provided during Business Hours, online, or by telephone, unless otherwise agreed to by the Parties.

2.4. **Excluded Services**. Unless expressly provided in the Order Form, NextRequest is not responsible for registering or maintaining domain names or DNS; hardware or software not provided as part of the Service; integration between the Service and any other software or system (except for issues originating with the Service or its interfaces); or providing direct support to Requesters.

2.5. **Security**. The Service is hosted by third-party Service Providers pursuant to agreements between NextRequest and such Service Providers. NextRequest maintains the level of security outlined in NextRequest's Security Policy ("Security Policy"), which is available at https://www.nextrequest.com/compliance/security-policy.

3. **Intellectual Property and Licenses**.

3.1. **Service**. The Service is protected by copyright, trademark, trade secret, and other intellectual property laws of both the United States and foreign countries. Except for the express licenses granted in this Section 3.1, NextRequest reserves all rights in the Service. As between Customer and NextRequest, NextRequest retains all and exclusive rights, title, and interest in and to the Service, including all Intellectual Property rights or moral rights in the Service related thereto or created, used, or provided by NextRequest for the purposes of this Agreement, and any products, works, software used to provide the Service to Customer. During the Term and conditioned upon Customer's compliance with all provisions of this Agreement, NextRequest hereby authorizes Customer to access and use the Service for purpose of accepting, responding to and managing public records requests and publishing responsive documents ("**Purpose**"), and grants to Customer a personal, limited, royalty-free, non-exclusive, non-assignable, non-sublicensable and non-transferable right and license to use the Service only for the Purpose. Customer shall not (and shall not permit any third party to) directly or indirectly (a) copy, modify, translate or create derivative works or improvements of the Service; (b) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer or otherwise make available any Service or any part or derivative thereof to any person; (c) reverse engineer, disassemble, decompile, decode, adapt or otherwise attempt to derive or gain access to the source code, underlying ideas, algorithms, structure or organization of the Service, in whole or in part; or (d) defeat, bypass, breach, deactivate, or otherwise circumvent any security device or protection used by the Service or access or use the Service other than through the use of its own then valid access credentials.

3.2. **Customer Content**. As between Customer and NextRequest, Customer retains ownership of all Intellectual Property in Customer Content. Customer grants to NextRequest, its Service Providers and each of NextRequest's respective subsidiaries, affiliates, and successors a worldwide, non-exclusive, royalty-free, fully-paid-up, transferable, irrevocable, perpetual, unlimited, and sub-licensable right and license to use, host, store, cache, reproduce, publish, publicly display, perform, distribute, transmit, translate, publicly perform, adapt, modify, and otherwise fully use and exploit Customer Content, in all media now known or later developed, for the purpose of providing the Services.

3.3. **Requester Content**. Requester Content submitted directly by a Requester to NextRequest is governed by the NextRequest Terms of Service. As set forth in the Terms of Service, Requester grants to Customer a worldwide, non-exclusive, royalty-free, fully-paid-up, non-assignable, non-transferrable, irrevocable, perpetual, and non-sublicensable right to use Requester Content solely for the Purpose.

3.4. **Feedback and improvements**. Any suggestions provided by Customer in any form or medium to NextRequest with respect to NextRequest's products or services shall be collectively deemed "Feedback." NextRequest will be free to use Feedback without any obligation to Customer and Customer hereby assigns to NextRequest all rights, title, and interest in and to any Feedback. NextRequest will be considered the sole author of all modifications or improvements to the Service. NextRequest may use Customer Content to improve the Service and shall be the sole owner of any such improvements, so long as such use protects the confidentiality of Customer Content.

4. Customer Obligations and Restrictions

4.1. **Security**. Customer will protect the accounts, passwords, and other authentication information Customer uses to access the Service and any NextRequest system, and is responsible for the use of the Service by any Customer User, employee of Customer, any person Customer authorizes to use the Service, any person to whom Customer has given access to the Service, and any person who gains access to Customer Content or the Service as a result of Customer's failure to use reasonable security precautions, even if such use was not authorized by Customer. Customer's user names, passwords, other login information or personal information may be stored by NextRequest or its Service Providers in the course of providing Service and may be available to the Service and Service Providers.

4.2. **Compliance with Laws**. Customer is solely responsible for Customer Content and will comply with all laws applicable to Customer's use of the Service, including without limitation, all local, state, and federal public records law and privacy and security laws. NextRequest shall not be liable for any damages that arise due to Customer's use of the Services or publication, processing, storage or transmission of any information in violation of any law. Customer represents and warrants that it has reviewed the Security Policy carefully and has made its own, independent determination whether the levels of privacy and security set forth in the Security Policy are sufficient for Customer's use of the Service. Customer acknowledges and agrees that the Service,

including without limitation the degree of privacy and security provided by the Service, may not comply with special privacy and security requirements relating to the processing, storage or transmission of Sensitive Information. Customer will not use the Service to process any information subject to the Health Insurance Portability and Accountability Act ("HIPAA") without signing a Business Associations Agreement with NextRequest. Customer agrees that if Customer uses the Service to process Sensitive Information, any such use is at Customer's own risk and NextRequest will have no liability to Customer or any third party arising out of or relating to such use. Customer recognized that NextRequest can be assessed fees, fines, and penalties ("Penalties") by the overseeing agency due to Customer's breach of this section 4.2. In the event Customer breaches its covenants in this section 4.2 and NextRequest is assessed Penalties, Customer shall bear all responsibility for payment of such Penalties in an amount up to $100,000 per violation, per year. Customer will not disclose to NextRequest or the Service any information that Customer is prohibited by any law or regulation from disclosing.

4.3. **Acceptable Use Policy**. Customer shall not use the Service (i) to send or facilitate the sending of unsolicited bulk commercial email (spam) or inundating a target with communications requests so the target cannot effectively respond to legitimate traffic; (ii) to send, upload, distribute, or transmit or store Prohibited Content (iii) to distribute malware, including viruses, worms, Trojan horses, corrupted files, hoaxes, or other items of a destructive or deceptive nature; (iv) to alter, disable, interfere with, disrupt, circumvent or exploit vulnerabilities in any aspect of the Service or NextRequest's or third parties' other services or systems; (vi) monitor data or traffic on the Service without permission; (vii) forge TCP-IP packet headers, e-mail headers, or any part of a message describing its origin or route; (viii) to infringe or misappropriate the Intellectual Property or privacy rights of any person; (vii) to otherwise violate, or promote the violation of, any law or the legal rights of any person; (viii) to impersonate another person; (ix) for any high risk use where failure of the Service could lead to death or serious bodily injury or any person or to physical or environmental damages, such as applications controlling transportation, medical systems or weaponry systems; or (x) to otherwise access or use the Service beyond the scope of the authorization granted under Section 2.1. If Customer becomes aware of any actual or threatened activity prohibited under this section, Customer shall immediately take all reasonable measures to stop the activity, to mitigate its effects, and to notify NextRequest. Customer is responsible for any act or omission of any Customer User. NextRequest and its Service Providers may report any activity, including disclosing appropriate information, if they suspect such activity violates any law or regulation.

4.4. **Service Policies and Privacy.** Customer acknowledges that NextRequest is required by law to provide a Privacy Policy for all users of the Service and visitors to NextRequest.com. Customer acknowledges that all users of the Service are subject to the NextRequest Privacy Policy available at https://www.nextrequest.com/privacypolicy, which applies to information and data collected with respect to Requesters and Customers, including Requester Content, Usage Data and email correspondence handled by the Service. The NextRequest privacy policy applies to Usage Data relating to Customer Content, but does not apply to Customer Content itself. Customer acknowledges that, in order to use the Service, all users of the Service are subject to the NextRequest Terms of Service available at https://www.nextrequest.com/termsofservice which may be updated from time to time.

4.5. **Deletion of Customer Content.** The Service enables Customer to delete Customer Content for purposes of adhering to Customer's document retention or other policies, or any applicable law. When Customer deletes Customer Content ("**Deleted Content**"), such Customer Content is removed from databases accessible to Customer, Requester and/or the general public so that Customer no longer has access to Deleted Content. However, copies and backups of Deleted Content may continue to be stored on NextRequest's or its Service Providers' servers. Customer acknowledges and agrees that after deletion, under no circumstances will NextRequest provide Customer with copies of Deleted Content. NextRequest may provide Deleted Content to third parties as required by law or a court order, and will notify Customer to the extent allowed by applicable law.

4.6. **Removal of Customer Content, Suspension of Service**

4.6.1. NextRequest reserves the right to remove or prohibit any Customer Content or Requester Content that NextRequest determines in its sole discretion violates applicable law or the Acceptable Use Policy.

4.6.2. NextRequest may suspend or terminate Customer's use of the Services if NextRequest reasonably believes in its sole discretion that: (a) it is required to do so by law or a regulatory or government body, or doing so is necessary to protect the rights of NextRequest,

its Service Providers, a Requester, or its other Customers; (b) Customer has failed to comply with any material term of this Agreement, including the Acceptable Use Policy; (c) Customer's use violates applicable law or third-party rights; or (d) this Agreement expires or is terminated. In the event of that Customer's use of the Services is suspended or terminated pursuant to this Section 4.6.2, Customer shall be entitled as its sole remedy (and NextRequest's sole obligation) to a proportionate refund of any prepaid unused Fees from the date of suspension or termination.

4.6.3. Notwithstanding the foregoing and for the avoidance of doubt, NextRequest shall have no obligation to monitor, filter, or disable access to any Customer Content or Requester Content.

4.6.4. If NextRequest or a Service Provider elects to remove Customer Content or suspend the Services, to the extent possible and permitted by applicable law, NextRequest will give Customer advance notice of at least one (1) Business Day and will use commercially reasonable efforts to provide removed Customer Content to Customer to maintain Customer's business process continuity.

4.6.5. If Customer Content is removed as part of the notice-and-takedown procedure provided by the Digital Millennium Copyright Act ("DMCA"), and Customer believes such Customer Content was wrongly removed as a result of a copyright infringement notice, Customer may notify NextRequest as provided in section 6.3 of the Terms of Service.

5. **Customer Representations and Warranties.** Customer represents, warrants, and covenants that:
   5.1. It is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation;
   5.2. It has the legal right and authority to enter into and perform its obligations under this Agreement;
   5.3. The execution and performance of this Agreement will not conflict with or violate any provision of any applicable federal, state, or municipal law, regulation, or ordinance;
   5.4. This Agreement, when executed and delivered, will constitute a valid and binding obligation will be enforceable against Customer in accordance with its terms;
   5.5. It has all necessary rights in the Customer Content to permit Customer's use of the Service and to grant the licenses contained in this Agreement without infringing the Intellectual Property or other rights of any third parties, violating any applicable laws, or violating the terms of any license or agreement to which it is bound;
   5.6. Customer has the legal right and authority to provide Customer Content to NextRequest, and to make such Customer Content and Requester Content publicly available through the Service.
   5.7. Customer's disclosure to the Services of any Customer Content or Requester Content will not violate any third-party Intellectual Property Rights or privacy rights.
6. **Fees and Invoicing.**
   6.1. **Fees, Invoicing**. Customer will pay all fees stated in the Order Form within 30 days of receiving an invoice from NextRequest.
   6.2. **Payments Processing**. This section applies to Customers who use NextRequest's online payment tools and integrations (the "Payments Module"). The Payments Module and related integrations is made available through agreement(s) with Stripe, Inc., the terms of which are available at https://stripe.com/us/legal. By electing to use the Payments Module, Customer agrees to abide by the relevant terms of NextRequest's agreements with Stripe, Inc., including without limitation terms relating to compliance with applicable laws, data privacy, and permitted and prohibited uses. Transactions processed using the Payments Module are handled directly between Requesters, Customer and Customer's Payment processor (for example, Stripe). NextRequest does not receive sensitive financial information (such as credit card or bank numbers) relating to the transactions. The only data made available to NextRequest is a record of the transaction including invoice information and the amount of the transaction.
   6.3. **Expenses**. If Customer purchases Hourly Services, Customer will reimburse NextRequest for all ordinary and necessary expenses incurred in connection with the performance of the Hourly Services, including travel-related expenses. All travel will be pre-approved by Customer.
   6.4. **Taxes**. Customer is responsible for any taxes that may be due as a result of this Agreement, except for taxes on NextRequest's net income. Taxes payable by Customer will be billed as separate items on NextRequest's invoices and will not be included in NextRequest's fees. If Customer claims a tax exemption, Customer must provide documentation of the exemption to NextRequest at the time of Customer order.
7. **Confidential Information**
   7.1. **Duty to Protect Confidential Information**. Each Party will exercise the same degree of care and protection with respect to the Confidential Information of the other Party that it exercises with respect to its own Confidential Information, at least a reasonable degree of care. A Party will not

use the Confidential Information of the other Party except as permitted by this Agreement. Notwithstanding the foregoing either Party may disclose the other's Confidential Information to its employees and agents who have a need to know for the Purpose, provided that any agent to which Confidential Information is disclosed is bound by non-disclosure terms at least as protective as those in this Agreement.

7.2. **Return of Confidential Information**. Unless otherwise authorized, upon the earlier of termination of this Agreement or request by the other Party, each Party will promptly return or, subject to Section 4.5 and any applicable law, destroy all Confidential Information disclosed to it by the other Party and provide certification that all such Confidential Information has been returned or destroyed.

7.3. **Notification Obligation**. If a Party becomes aware of any unauthorized use or disclosure of the Confidential Information of the other Party, it will make commercially reasonable efforts to notify the other Party of the unauthorized use or disclosure and assist in seeking a protective order or other appropriate remedy.

8. **Publicity.** Customer hereby authorizes NextRequest to include NextRequest's name and logo inconspicuously within the Client's instance of the Services. Customer may publicly refer to itself as a customer of the NextRequest Services, including on Customer's website and in sales presentations. Notwithstanding the foregoing, each Party hereby grants the other a limited, worldwide, license to use the other's logo in conformance with such Party's trademark usage guidelines and solely for the purposes of providing the Services. In no event will either Party issue a press release publicly announcing this relationship without the approval of the other Party, such approval not to be unreasonably withheld.

9. **Term and Termination**

9.1. **Term**. The term of this agreement begins on the earlier of (1) acceptance of this Agreement by Customer or (2) the first date on which NextRequest begins providing Services to Customer and ends on the later of (a) the last day of the Initial Term as set forth in the Order Form, (b) the last date of any renewal term, or (c) the last date on which NextRequest provides Services to Customer. Unless NextRequest receives notice of termination from Customer 60 days or more before the expiration of the initial term (or any renewal term), the Agreement will renew automatically on the terms set forth herein for an additional term of one year at NextRequest's then-current rates.

9.2. **Termination for Convenience**. Customer may terminate for convenience at any time upon 30 days' written notice to NextRequest but will not be entitled to any refund of fees for any unused portion of the Service or unused Hourly Services.

9.3. **Termination for Breach.** Either Party may terminate the Agreement for breach if the other Party materially fails to meet any obligation stated in the Agreement and does not remedy that failure within thirty (30) days of written notice from the nonbreaching Party describing the failure.

9.4. **Effect of Termination**. Upon expiration or termination of this Agreement for any reason, all licenses and rights to use the Service granted to Customer shall terminate immediately, and Customer shall immediately cease all use of the Service. If Customer has paid in advance for Service, and this Agreement terminates due to material breach of this Agreement by NextRequest, NextRequest shall refund Customer a prorated amount of any amount already paid. Upon termination by Customer for convenience or due to material breach by Customer, in addition to any remedy provided in this Agreement or provided in law or equity, NextRequest shall be entitled to retain any amounts already paid. The following terms will survive expiration or termination of the Agreement: Sections 3, 4, 6, 7, 8, 11, 12, and 13 as well as all other provisions of the Agreement that by their nature are intended to survive expiration or termination of the Agreement.

10. **Changes to Services**. In order to improve the Service, NextRequest may change, upgrade, patch, enhance, or fix any or all of the Service ("Updates") from time to time in order to provide the Service, and such Updates will become part of the Service and subject to this Agreement; provided that Next Request shall have no obligation under this Agreement or otherwise to provide any such Updates. Customer understands that NextRequest may cease supporting old versions or releases of the Service

at any time; provided that NextRequest will make commercially reasonable efforts to give Customer prior notice of any major changes to the Service.

11. **Intellectual Property Infringement and Indemnification**
    11.1. **NextRequest's Obligations for IP Infringement**. If any action is instituted by a third party against Customer based upon a claim that any part of the Service (an "Infringing Item"), infringes any Intellectual Property right, NextRequest's sole obligation will be at its option and expense to (a) procure for Customer the right to continue using the Infringing Item, (b) replace or modify the Infringing Item so that it is no longer infringing but continues to provide comparable functionality, or (c) terminate this Agreement and Customer's access to the Service, in which case NextRequest shall refund a prorated amount of any amounts paid for which Service have not yet been received. NextRequest shall have no liability to Customer for any infringement action to the extent such action arises out of a breach of the terms and conditions of this Agreement by Customer or of the use of the Service (or any component part thereof) after it has been modified by Customer without NextRequest's prior written consent. This Section 11.1states NextRequest's sole liability to Customer, and Customer's exclusive remedy against NextRequest for infringement claims.
    11.2. **Customer's Indemnification of NextRequest**. Unless prohibited under applicable law given Customer's status as a public entity, Customer agrees to defend, indemnify and hold harmless NextRequest and its affiliates and their respective directors, officers, employees, and agents from and any and all damages, liabilities, costs, and expenses (including reasonable attorneys' fees) incurred as a result of any claim, judgment, or proceeding relating to or arising out of: (a) Customer's breach of this Agreement, including without limitation of any of Customer's warranties or representations or NextRequest's Acceptable Use Policy or (b) any claim alleging that NextRequest has infringed or secondarily infringed on the intellectual property or proprietary right of a third party as a result of Customer Content or Customer's use of the Service, whether or not Customer was aware of the allegedly infringing conduct and whether or not the conduct is actually infringing.

12. **Disclaimers and Limitations on NextRequest's Liability**
    12.1. NextRequest is not responsible to Customer or any third party for unauthorized access to Customer Content or the unauthorized use of the Service unless the unauthorized access or use results from NextRequest's failure to meet its security obligations under this Agreement.
    12.2. **Disclaimer of Warranty**. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICE IS PROVIDED "AS IS" AND "AS AVAILABLE" AND NEXTREQUEST MAKES NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE AND NONINFRINGEMENT, AND ALL WARRANTIES ARISING FROM COURSE OF DEALING, USAGE OR TRADE PRACTICE. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, NEXTREQUEST MAKES NO REPRESENTATION OR WARRANTY (A) USE OF THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS, (B) THAT THE SERVICE WILL BE UNINTERRUPTED OR ERROR-FREE, OR (C) REGARDING THE ACCURACY OR RELIABILITY OF ANY CONTENT.
    12.3. **Limitation of Liability**. EXCEPT AS OTHERWISE PROVIDED IN SECTION 12.4, IN NO EVENT WILL NEXTREQUEST OR ANY OF ITS SUCCESSORS, LICENSORS, OR SERVICE PROVIDERS BE LIABLE UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ITS SUBJECT MATTER UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE FOR (a**)** LOSS OF GOODWILL OR REPUTATION; (b) EXCEPT AS EXPRESSLY PROVIDED IN THE SERVICE LEVEL AGREEMENT, USE, INABILITY TO USE, LOSS, INTERRUPTION, DELAY OR RECOVERY OF THE SERVICE; (c) COST OF REPLACEMENT GOODS OR SERVICES; OR (d) LOST REVENUES OR PROFITS OR INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, ENHANCED OR PUNITIVE DAMAGES, IN EACH CASE REGARDLESS OF WHETHER SUCH PERSONS WERE ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. IN NO EVENT WILL THE COLLECTIVE AGGREGATE LIABILITY OF NEXTREQUEST AND ITS SUCCESSORS, LICENSORS, OR SERVICE PROVIDERS ARISING OUT OF OR RELATED TO THIS AGREEMENT OR ITS SUBJECT MATTER, WHETHER ARISING UNDER OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR ANY OTHER LEGAL OR EQUITABLE THEORY EXCEED THE TOTAL

AMOUNT ACTUALLY PAID BY CUSTOMER TO NEXTREQUEST UNDER THIS AGREEMENT. THE FOREGOING LIMITATIONS APPLY EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE. TO THE EXTENT APPLICABLE LAW PROHIBITS THE FOREGOING LIMITATION OF LIABILITY, NEXTREQUEST'S LIABILITY IS LIMITED TO THE GREATEST EXTENT ALLOWED BY APPLICABLE LAW.

12.4. Nothing in this Agreement limits or excludes either Party's liability for its gross negligence or willful misconduct.

13. **General**

13.1. **State Agency Piggybacking**. NextRequest agrees to allow Customer and other public agencies in the State of [CUSTOMER'S STATE] to purchase additional items, at the same terms and conditions as this Agreement, excluding pricing and term length, and services to be provided, which will be separately agreed upon by NextRequest in a mutually executed Order Form.

13.2. **Governing Law**. Unless otherwise mutually agreed by the Parties in an Order Form, this Agreement will in all respects be governed by and construed and enforced in accordance with the laws of the State of California, without respect to conflict-of-laws principles.

13.3. **Arbitration**. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, will be settled by binding arbitration by a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association in San Francisco, California. Upon receipt of notice of any dispute to be settled by binding arbitration, the American Arbitration Association will use its best efforts to appoint a single arbitrator within 30 days after receipt of such notice.

13.4. **Arbitration Award**. The arbitrator will not have the authority to award exemplary or punitive damages to any injured party. A decision by the arbitrator will be final and binding. Judgment may be entered on the arbitrator's award in any court having jurisdiction, and such award will not be appealable.

13.5. **Notice**. Written notice by either Party to the other may be given: (i) in person, and such notice will be deemed valid on the date of delivery in person; or (ii) by email to the Party contact identified in the Order Form, and such notice will be deemed valid as of the proof of mailing date.

13.6. **Assignment.** Neither Party may assign any of its rights or obligations hereunder, whether by operation of law or otherwise, without the prior written consent of the other Party (not to be unreasonably withheld). Notwithstanding the foregoing, either Party may assign this Agreement in its entirety, without consent of the other Party, to its affiliate or in connection with a merger, acquisition, corporate reorganization, or sale of all or substantially all of its assets. Subject to the foregoing, this Agreement shall bind and inure to the benefit of the Parties, their respective successors and permitted assigns. NextRequest may use Service Providers to perform all or any part of the Service, but NextRequest remains responsible to Customer under this Agreement for Service performed by its Service Providers to the same extent as if NextRequest performed the Service itself.

13.7. **Force Majeure**. Neither Party will be in breach of the Agreement if the failure to perform the obligation is due to an event beyond either Party's control, such as significant failure of a part of the power grid, significant failure of the Internet, natural disaster, war, riot, insurrection, epidemic, strikes or other organized labor action, terrorism, or other events of a magnitude or type for which precautions are not generally taken in the industry.

13.8. **Modifications**. Unless otherwise expressly permitted in this Agreement, the Agreement may be amended only by a formal written agreement signed by both Parties. An Order Form may be amended to modify, add, or remove services by mutual written agreement of the Parties, agreement by email being sufficient. Any terms on Customer's purchase order or other business forms by which Customer orders or pays for Service will not become part of this Agreement.

13.9. **Entire Agreement**. The Agreement, together with the Order Form, Terms of Use and Privacy Policy, constitutes the complete and exclusive agreement between the Parties regarding the Service and supersedes and replaces any prior understanding or communication, written or oral. Customer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of NextRequest which is not set out in the Agreement.

13.10. **Precedence**. If there is a conflict between the Order Form and this Agreement, then this Agreement will control.

13.11. **Unenforceable Provisions**. If any part of the Agreement is found unenforceable by a court, the rest of the Agreement will nonetheless continue in effect, and the unenforceable part will

be reformed to the extent possible to make it enforceable but still consistent with the business and financial objectives of the Parties underlying the Agreement.

13.12. **No Waiver**. Each Party may enforce its respective rights under the Agreement even if it has waived the right or failed to enforce the same or other rights in the past.

13.13. **No Partnership**. The relationship between the Parties is that of independent contractors and not business partners. Neither Party is the agent for the other, and neither Party has the right to bind the other to any agreement with a third party.

13.14. **No Third-party Beneficiaries**. There are no third-party beneficiaries to this Agreement.

13.15. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which will be considered a legal original for all purposes.

NextRequest
Service Level Agreement

This Service Level Agreement ("SLA") defines the support obligations of NextRequest, LLC, a Delaware corporation ("NextRequest") to Customer, a purchaser of NextRequest's service. The terms of this SLA are incorporated into and subject to the terms of the NextRequest Master Service Agreement. Capitalized terms not defined in this SLA shall have the meanings given to them in the NextRequest Master Service Agreement.

1. Service Guarantees

1.1 Availability. NextRequest provides hosting for the NextRequest service through a Service Provider ("Hosting Provider"), which does not make guarantees about uptime. Based on past performance, NextRequest anticipates 99.9% uptime of the application, with the exception of planned outages for maintenance and upgrades for which NextRequest notifies the Customer 24 hours in advance ("Uptime"). If NextRequest fails to meet the Uptime, the Customer will be eligible for credits as described in section 3.2.

1.2 Security. NextRequest takes the security of the Customer's data seriously and protects it according to the rigorous security practices described in our System Security Plan. The Hosting Provider utilizes certified data centers managed by Amazon, which implements industry-leading physical, technical, and operational security measures and has received ISO 27001 certification and Federal Information Security Management Act (FISMA) Moderate Authorization and Accreditation from the U.S. General Services Administration. If NextRequest becomes aware of any unauthorized access to its systems that poses any threat to the Service or the Customer's data, NextRequest will notify the Customer in writing of the issue no later than the close of the next Business Day after NextRequest learns of it.

1.3 Data Integrity. The Hosting Provider makes daily backups of Customers' systems and data. Seven (7) daily backups and five (5) weekly backups are retained.

1.4 Location of Service. Service and Customer's data is hosted in the United States.

2. Service Request Process

2.1 Service Request Definition. A Service Request is any email, phone call, or in-app chat ticket sent to NextRequest by the Customer indicating support action is necessary or desired. This includes Bug reporting and Customer Support.

2.2 Severity Levels and Response Times. Each Service Request will be assigned a Severity Level by the party initiating the request. If NextRequest reasonably determines that the Customer has assigned an incorrect Severity Level to a ticket, NextRequest may assign a different Severity Level. The Severity Levels are defined below, along with the corresponding Initial Response Time within which NextRequest (or, in the case of Critical requests, our Hosting Partner) will respond to the Customer's request and begin work on the issue:

Severity Level (Priority)	**Definition**	**Initial Response Time and Channel**
Critical Service is inoperative	Service is inoperative, Customer's business operations or productivity are severely impacted with no available workaround, or a critical security issue exists.	2 hours during Business Days *(phone or email)*
Standard (High)	Service is operating but issue is causing significant disruption of Customer's business operations; workaround is unavailable or inadequate.	1 Business Day *(phone or email)*

Standard (Medium)	Service is operating and issue's impact on the Customer's business operations is moderate to low; a workaround or alternative is available.	1 Business Day *(email)*
Standard (Low)	Issue is a minor inconvenience and does not impact business operations in any significant way; little or no time sensitivity.	1 Business Day *(email)*

2.3 Standard Service Requests

2.3.1 Initiating Standard Service Requests. The Customer may initiate a Standard Service Request by opening a ticket via the NextRequest in-app chat system. NextRequest support team members or systems may also create tickets on the Customer's behalf in response to issues identified by monitoring systems.

2.3.2 Response and Resolution. Once NextRequest has responded to a Service Request, NextRequest will work during Business Hours with the Customer's representatives and, as needed, our Hosting Partner to resolve the problem or provide a workaround. NextRequest makes no guarantee regarding the time to resolve a Service Request, only that NextRequest will use the reasonable efforts described above.

2.4 Critical Service Requests

2.4.1 Initiating Critical Service Requests. The Customer may initiate a Critical Service Request by calling NextRequest directly at 833-698-7778 or emailing support@nextrequest.com. The Customer will be directed to leave contact information and a detailed description of the issue.

2.4.2 NextRequest's Response. NextRequest's support staff will contact the Customer within 2 hours during a Business Day of receiving the Customer's report of a Critical Service Request and will work continuously until the issue is resolved or a workaround is available. NextRequest will provide the Customer with regular updates until the issue is resolved and will coordinate with the Customer during Business Hours.

2.5 Customer Responsibilities. The Customer agrees to assist NextRequest as necessary to resolve Service Requests and to provide any information NextRequest reasonably requests, including information necessary to duplicate the issue. The Customer agrees to make available personnel capable of understanding and accurately communicating technical details necessary to enable NextRequest to review issues, and to assist NextRequest in diagnosing issues.

2.6 Bugs and Bug Reporting

2.6.1 Bug Definition. A Bug is defined as any issue where the NextRequest application does not function as intended. It is at the sole discretion of NextRequest staff to determine if an issue is classified as a Bug. None of the Customer's Customer Support hours will be deducted for reporting Bugs. The Customer may submit a Service Request in order to report a Bug.

2.7 Customer Support

2.7.1 Customer Support Definition. Staff time spent by NextRequest assisting the Customer or Customer's representatives after the Service Agreement has been signed is defined as Customer Support. This may include helping users with account creation, account log in, configuration, or understanding features. Customer Support hours exclude: bug reporting and related discussions and fixes; regularly scheduled check-ins with NextRequest staff as specified in the Order Form; and training sessions specified in the Order Form. The Customer may submit a Service Request in order to receive Customer Support.

3. Service Credits

3.1 Issuance. If NextRequest fails to meet the response time stated above, the Customer will be entitled to a credit of 2 Service hours for each hour during which the response time guarantee is not met, up to a total

of 8 hours per incident. The Customer must request a credit in writing via a support ticket no later than 14 days following the occurrence of the event giving rise to the credit. Credits will be applied to invoices issued in the future.

3.2 Sole Remedy. The credits stated in this Agreement are the Customer's sole remedy in the event NextRequest fails to meet a guarantee for which credits are provided. If NextRequest fails to perform any obligation for which a credit is not provided, the Customer's sole remedy is to have NextRequest perform or re-perform the obligation, as applicable. The maximum total credit for failure to meet any guarantee during any calendar month shall not exceed one twelfth of the annual recurring fee for the Service.

3.3 Credits for Downtime. During the term of the contract, the Service will be operational and available at least 99.9% of the time in any calendar month, with the exception of planned outages for maintenance and upgrades for which NextRequest notifies the Customer 24 hours in advance. If NextRequest does not satisfy 99.9% uptime, the Customer will be eligible to receive the service credits described below. In order to receive service credits, the Customer must request the credit in writing via a support ticket within 30 days from the time the Customer becomes eligible to receive a service credit.

Monthly Uptime Percentage	**Days of Service added to the end of the service term at no charge to Customer**
99.9% to 99.0%	3
98.9% to 95.0%	7
< 94.9%	15

3.4 Extraordinary Events. The Customer is not entitled to a credit for downtime or outages resulting from denial-of-service attacks, hacking attempts, or any other circumstances that are not within our control.

3.5 No Credit in Breach. The Customer is not entitled to a credit if: (i) the Customer is in breach of the Agreement (including the Customer's payment obligations to NextRequest) at the time of the occurrence of the event giving rise to the credit, (ii) the event giving rise to the credit results from the Customer's prior breach of the Agreement, or (iii) to the extent our failure to meet an Initial Response Time guarantee results from the Customer's delay or failure to meet the requirements of Section 2.5 (“Customer Responsibilities”) of this SLA.

Addendum
Monroe County
Terms and Conditions

The Monroe County Board of County Commissioners (herein after "County") and Next Request, LLC, a foreign limited liability company (herein after "NextRequest") agree as set forth below.

The County and NEXTREQUEST hereby enter into this Addendum to NEXTREQUEST's Master Service Agreement as a separate agreement ("Addendum" or "Agreement") which will govern all Order Forms. If there is any conflict between this Addendum or the NEXTREQUEST's Mater Service Agreement or Order Form(s), this Addendum will control and govern.

The County and NEXTREQUEST agree to following:

Payment will be made in accordance with the Local Government Prompt Payment Act, 218.70, Florida Statutes. Payments due and unpaid under the Contract shall bear interest pursuant to the Local Government Prompt Payment Act. NEXTREQUEST shall submit to the County invoices with supporting documentation that are acceptable to the Monroe County Clerk of Court and Comptroller (Clerk). Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the Clerk's disbursal of funds. Payment will be made by check, unless otherwise agreed to the Clerk.

The County is a political subdivision of the State of Florida and is exempt from taxation. The County can provide its Certification of Exemption upon request.

The County's performance and obligation to pay under any multi-year invoice or quote is contingent upon an annual appropriation by the Monroe County Board of County Commissioners.

County's indemnification is limited and subject to the sovereign immunity provisions of Sec. 768.28, Florida Statutes. Nothing contained in any agreement, quote or invoice shall be deemed a waiver of immunity, nor shall any agreement entered into by the County be required to contain any provision for waiver.

Maintenance of Records: NEXTREQUEST shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Each party to this Agreement or their authorized representatives, shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for five years following the termination of this Agreement. If an auditor employed by the County or the determines that monies paid to NEXTREQUEST pursuant to this Agreement were spent for purposes not authorized by this Agreement, NEXTREQUEST shall repay the monies together with interest calculated pursuant to Sec. 55.03; FS, running from the date the monies were paid to Contractor.

Governing Law, Venue, Interpretation, Costs, and Fees: This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to

be performed entirely in the State. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the County and Contractor agree that venue shall lie in the appropriate court or before the appropriate administrative body in Monroe County, Florida. This Agreement shall not be subject to arbitration.

Attorney's Fees and Costs: The Parties agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs, as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the circuit court of Monroe County.

Nondiscrimination: The Parties agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The Parties agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss.1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disabilities; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as maybe amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

Public Records Compliance. NEXTREQUEST must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by NEXTREQUEST. Failure of NEXTREQUEST to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall

survive any termination or expiration of the contract. NEXTREQUEST is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Non-Waiver of Immunity: Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the County and the NEXTREQUEST in this Addendum or any agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

Non-Reliance by Non-Parties: No person or entity shall be entitled to rely upon the terms, or any of them, of this Addendum/Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the NEXTREQUEST agree that neither the County nor NEXTREQUEST or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Addendum/Agreement.

No Personal Liability: No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

E-Verify System - In accordance with F.S. 448.095, Any Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subconstruct with an unauthorized alien. NEXTREQUEST shall comply with and be subject to the provisions of F.S. 448.095

COUNTY FORMS. By signing this Agreement, **NEXTREQUEST** has sworn or affirmed to the following requirements as set forth in the Public Entity Crime Statement, Ethics Statement, Drug-Free Workplace Statement and Vendor Certification Regarding Scrutinized Companies List as set forth in more detail in this Agreement.

Public Entity Crime Statement

The NEXTREQUEST certifies and agrees that NEXTREQUEST nor any Affiliate has been placed on the convicted vendor list within the last 36 months.

In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid, proposal or reply on a contract to provide goods or services to a public entity; may not submit a bid, proposal or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposal, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on contracts to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, NEXTREQUEST or subcontractor under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

By signing this Agreement, NEXTREQUEST represents that the execution of this Agreement will not violate the Public Entity Crimes Act (Section 287.133, Florida Statutes). Violation of this section shall result in termination of this Agreement and recovery of all monies paid hereto, and may result in debarment from COUNTY's competitive procurement activities.

In addition to the foregoing, NEXTREQUEST further represents that there has been no determination, based on an audit, that it or any subcontractor has committed an act defined by Section 287.133, Florida Statutes, as a "public entity crime" and that it has not been formally charged with committing an act defined as a "public entity crime" regardless of the amount of money involved or whether NEXTREQUEST has been placed on the convicted vendor list.

NEXTREQUEST will promptly notify the COUNTY if it or any subcontractor is formally charged with an act defined as a "public entity crime" or has been placed on the convicted vendor list.

Ethics Clause

By signing this Agreement, NEXTREQUEST warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

VENDOR CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS

NEXTREQUEST agrees and certifies compliance with the following:

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized

Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors Lists which were created pursuant to s. 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of NEXTREQUEST, I hereby certify that the company identified above as "NEXTREQUEST" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism List, or engaged in business operations in Cuba or Syria.
I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List or been engaged in business operations in Cuba or Syria.

Note: The List are available at the following Department of Management Services Site:

AGENDA ITEM WORDING: Approval of a Resolution rescinding and replacing Resolution 144-2025 waiving the fine and costs and authorizing the County Attorney to execute a release of a lien arising from PROP-MAY24-0040 against JOAN SCHAWAROCH-THOMAN REVOCABLE TRUST 2/18/2023 and the property, 31316 Avenue J, Big Pine Key, Florida 33043.

ITEM BACKGROUND:

The subject property (31329 Avenue I, Big Pine Key, Parcel ID# 00307080-000000) was the subject of code compliance case PROP-MAY24-0040, where a lien (totaling $5850.50) has been recorded against the property and its owner. The lien is recorded at Document 2482653, Book 3302, Page 1697. The lien is against the property owner, Joan Schwaroch-Thoman Revocable Trust 2/14/2023, and the land on which the violation exists (the subject property) and upon any other real or personal property owned by the violator; and

In PROP-MAY24-0040 the property owner signed a Stipulation and a violation of Monroe County Code (MCC) 17-2.(c) was found with a daily fine of $50. Fines accrued to $4850 and costs of $1000.50.

Upon reviewing the case for compliance, Code Compliance staff determined that, notwithstanding the property owner entering a Stipulation and agreeing to the violation, there existed an exemption to the violation of MCC 17-2.(c). Had the exemption been timely raised, no fine or costs would have accrued in the case. As such, staff recommends waiving the fine and costs and granting the County Attorney authority to release the lien.

Monroe County Code does not provide the County Attorney with the authority to fully waive a lien, waive costs, or issue a release without approval by the BOCC.

The proposed resolution corrects property identification errors in Resolution 144-2025, which had been adopted on March 25, 2025.

PREVIOUS RELEVANT BOCC ACTION:

03-25-25 BOCC - Agenda Item 3783 - Approval of a resolution to waive fines and costs. Due to errors in the resolution, a new resolution is proposed to replace the previously approved Resolution 144-2025 and for Resolution 144-2025 to be rescinded.

STIPULATION TO CODE VIOLATION AND FOR TIME TO COMPLY FOR FIRST TIME OFFENSES

In the matter of: 31329 Avenue I, Big Pine Key, FL 33043
RE# 00307080-000000

Joan Schawaroch-Thoman Trust (herein after referred to jointly and severally as "Respondent(s)") and Monroe County Code Compliance ("Petitioner"), by and through the undersigned individuals, hereby agree and stipulate to the following:

1. Respondent(s) agrees that I/we received the Notice of Hearing issued in this case, and that a hearing is scheduled to be heard on September 26, 2024 to determine whether the charges alleged in the Notice of Violation and Notice of Hearing are accurate and supported by substantial evidence ("Hearing").

2. Respondent(s) agrees that the violation(s) exist as alleged in the Notice of Violation which was served in this matter. Respondent(s) understands that he/she could appear at the Hearing and contest any evidence to be submitted by Code

Compliance. However, by entering into this Stipulation, Respondent(s) understands and agrees that:

(a) He/she need not appear at the Hearing, but instead, stipulates to entry of the finding against Respondent(s); and

(b) Any evidence in the Code Compliance file will be deemed the record in the case; and

(c) He or she waives the right to appeal any finding of violation or order that he or she would otherwise have under Section 162.11, Florida Statutes.

3. The Respondent(s) understand that the property will be checked for compliance on November 26, 2024.

4. The parties understand that a fine of $50.00 per day that shall accrue daily if the property is not brought into compliance within the time specified in paragraph 3.

5. The Respondent(s) understands that if the Respondent(s) fails to comply within the time given in paragraph 3, the fine(s) shall accrue each day the violation(s) remain as follows.

17-2.(c)	$50.00 per day

6. The Respondent(s) agree to pay all costs incurred in prosecuting the case within 30 days of compliance and that such costs shall be imposed as a lien under Section 162.09(2) (d), Florida Statutes, and Monroe County Code section 8-29(b); 8-31 (c).

7. Respondent(s) specifically agree that this Stipulation Agreement shall be recorded in the public records of the County and shall constitute notice to subsequent purchasers, successors in interests, or assigns that the violation of Monroe County Code 17-2. (c) exists. This Stipulation Agreement shall be recorded as a lien against the property and upon any other real or personal property owned by the Respondent(s) if the property is not brought into compliance by the date specified in paragraph 3.

8. Respondent(s) agrees and represents that Respondent(s) entered into this Stipulation of the Respondent(s)'s own free will. Respondent(s) further understands and agrees that he/she has the right to consult with counsel prior to signing this Stipulation and has done so or has elected to waive this right.

9. The Respondent(s) understand and acknowledge that the sale of the subject property prior to compliance of the property and/or prior to the date specified in paragraph 3 will negate the stay of fines and the full amount of accrued fines will be reinstituted.

10. This Stipulation constitutes the entire agreement and any representation or understanding of any kind preceding the date of the parties' written final approval of this Stipulation not specifically and expressly memorialized herein is not binding on either party except to the extent that it has been specifically and expressly memorialized in this Stipulation.

11. The parties understand and agree that the Respondent(s) may revoke this Stipulation and that such revocation must be done in writing or done in person with Inspector McPherson by the end of business September 18, 2024.

By signing this Stipulation, both parties represent that they have READ, UNDERSTOOD, AND CONSENT to its terms and conditions.

MONROE COUNTY, FLORIDA
BOARD OF COUNTY COMMISSIONERS
RESOLUTION NO. ____-2025

A RESOLUTION OF THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS WAIVING FINES AND COSTS AND AUTHORIZING THE COUNTY ATTORNEY TO RELEASE A CODE COMPLIANCE LIEN AGAINST JOAN SCHAWAROCH-THOMAN REVOCABLE TRUST 2/18/2023 AND THE PROPERTY AT 31329 AVENUE I, BIG PINE KEY, STEMMING FROM CODE COMPLIANCE CASE PROP-MAY24-0040, RESCINDING AND REPLACING RESOLUTION 144-2025.

WHEREAS, the subject property (31329 Avenue I, Big Pine Key, Parcel ID# 00307080-000000) was the subject of Code Compliance Case PROP-MAY24-0040, where a lien (totaling $5850.50) has been recorded against the property and its owner. The lien is recorded at Document 2482653, Book 3302, Page 1697. The lien is against the property owner, Joan Schwaroch-Thoman Revocable Trust 2/14/2023, and the land on which the violation exists (the subject property) and upon any other real or personal property owned by the violator; and

WHEREAS, in PROP-MAY24-0040 the property owner signed a Stipulation and a violation of Monroe County Code (MCC) 17-2.(c) was found with a daily fine of $50. Fines accrued to $4850 and costs of $1000.50; and

WHEREAS, upon reviewing the case for compliance, Code Compliance staff determined that, notwithstanding the property owner entering a Stipulation, there existed an exemption to the violation of MCC 17-2.(c). Had the exemption been timely raised, no fine or costs would have accrued in the case; and

WHEREAS, the BOCC finds that a waiver of the fine and costs that accrued is warranted due to the existence of an exception to the violation; and

WHEREAS, the BOCC finds that a release of the lien is warranted; and

WHEREAS, the County Code does not provide the County Attorney with the authority to fully waive fines, waive costs, or issue a release without approval by the BOCC.

WHEREAS, the BOCC previously approved Resolution 144-2025, however that Resolution contained an error in identifying the subject property. This Resolution therefore rescinds and replaces Resolution 144-2025 and corrects the identifying information of the subject property.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1: The "Whereas" clauses set forth above are incorporated as findings by the Board.

Section 2: The fine and costs that accrued in PROP-MAY24-0040, totaling $5850.50, are hereby waived.

Section 3: The County Attorney is authorized to issue a release of the lien recorded at Document 2482653, Book 3302, Page 1697.

Section 4: Resolution 144-2025 is hereby rescinded and replaced.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the 16th day of April, 2025.

AGENDA ITEM WORDING: Approval of a resolution authorizing the waiver of the attorney client and work product privileges and the duty of confidentiality with respect to qualifying confidential communications with retired Senior Assistant County Attorney to allow her to testify in the matter of State of Florida v. Roman Gastesi, 24-CF-917-K.

ITEM BACKGROUND:
Ramon de la Cabada, the attorney defending former County Administrator Roman Gastesi, subpoenaed retired Senior Assistant County Attorney Cynthia Hall to testify at a deposition regarding her knowledge regarding the underlying facts of the employment investigation arising from the diversion of drugs from the Trauma Star program. Mr. Gastesi's handling of that investigation led the Grand Jury to indict him on one count of official misconduct. Mr. Gastesi has pled not guilty to the charge. His counsel is conducting discovery to prepare his defense.

Ms. Hall testified regarding unprivileged matters during her deposition but asserted the attorney-client privilege as to certain qualifying communications. Mr. de la Cabada has requested that the attorney client and work product privileges be waived so he can finish Ms. Hall's deposition.

Under the attorney-client privilege, conversations between a client or clients and their attorney are privileged in certain circumstances. The privilege belongs to the client, not the attorney so the attorney must assert it unless and until the client(s) waive the privilege. The work product privilege is related but distinct from the attorney client privilege. The work product privilege protects from disclosure information that is gathered in anticipation of litigation, as well as mental impressions, conclusions, opinions, and theories of counsel. The resolution also authorizes a waiver of Ms. Hall's duty of confidentiality under Rule 4-1.6 of the Florida Rules of Professional Conduct, which requires attorneys to keep the confidences of their clients.

Ms. Hall participated in a conversation with Mr. Gastesi and county staff as part of the investigation into the theft of drugs from Trauma Star. She also participated in a separate conversation on the same

topic with Commissioner Lincoln and Mr. Gastesi. As an organizational entity, the privilege is held by the organization as well as the individual participants. As the governing body for the organization, the BOCC is the entity which must waive the privilege to the extent it extends to the County as an entity. Each individual participating in the conversations will need to or has already waived the privilege with respect to himself or herself.

The proposed resolution would, if passed, waive the attorney client privilege, the work product privilege, and release Ms. Hall from her duty of confidentiality with respect to matters related to Mr. Gastesi's criminal case. The waiver would permit Ms. Hall to testify at her continued deposition and at trial if called by either the prosecution or the defense. Counsel for prosecution and the defense have reviewed the draft resolution and been provided with an opportunity for input on its content.

BOARD OF COUNTY COMMISSIONERS
RESOLUTION NO._____-2025

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA AUTHORIZING THE WAIVER OF THE ATTORNEY CLIENT AND WORK PRODUCT PRIVILEGES AND DUTY OF CONFIDENTIALITY ON BEHALF OF THE COUNTY AS AN ENTITY, WITH RESPECT TO CONFIDENTIAL COMMUNICATIONS WITH RETIRED SENIOR ASSISTANT COUNTY ATTORNEY CYNTHIA HALL TO ALLOW HER TO TESTIFY IN THE MATTER OF *STATE OF FLORIDA V. ROMAN GASTESI*, 24-CF-917-K.

WHEREAS, the County Commission, the County Administrator, and county staff are represented on county business by the Monroe County Attorney and the Assistant County Attorneys employed by the County Attorney's Office pursuant to Section 2-179(a) of the Monroe County Code; and

WHEREAS, former County Administrator Roman Gastesi is the defendant in the matter of *State of Florida v. Roman Gastesi,* 24-CF-917-K which is pending in the 16th Judicial Circuit of Florida; and

WHEREAS, Mr. Gastesi, through counsel, is seeking to depose retired Senior Assistant County Attorney Cynthia Hall regarding conversations she participated in with Commissioner Michelle Lincoln, Mr. Gastesi, and county staff which are relevant to Mr. Gastesi's case, but which also qualify for protections under the attorney client privilege, work product doctrine, and confidentiality rules in the Florida Rules of Professional Conduct applicable to attorneys; and

WHEREAS, during her initial deposition, Ms. Hall asserted the attorney-client privilege, work product doctrine, and confidentiality rules with respect to those conversations and declined to answer questions related to those conversations; and

WHEREAS, Ms. Hall's deposition was continued so that the question of privilege could be resolved; and

WHEREAS, under F.S. 90.502, the attorney-client privilege belongs to the client, not the attorney; and

WHEREAS, the "privilege extends not only to communications from a client, but also to statements made by an attorney to a client, because disclosure of an attorney's communications or advice to a client will effectively reveal the substance of the client's confidential communication." *Cunningham v. Appel,* 831 So.2d 214, 216 (Fla. 5th DCA 2002); and

WHEREAS, it is well settled that the attorney-client privilege exists for organizational clients such as the County Commission; *see, Rogan v. Oliver,* 110 So.3d 980, 983 (Fla. 2013), *citing Upjohn Co. v. United States,* 449 U.S. 383, 101 S.Ct. 677, 66 L.Ed.2d 584 (1981); and

WHEREAS, the waiver of the attorney-client privilege for organizational clients requires the consent of that entity's governing body, i.e., the Board of County Commissioners; *see Rogan,* 110 So.3d at 983; and

WHEREAS, because multiple people participated in the subject conversations, each party to those conversations must waive the attorney-client privilege; *see, Cone v. Culverhouse,* 687 So.2d 888, 889 (Fla. 2d DCA 1997) and *Cunningham,* 831 So.2d at 216; and

WHEREAS, Rule 4-1.6 of the Florida Rules of Professional Conduct, "a lawyer must not reveal information relating to a client's representation . . . unless the client gives informed consent"; *see*, *Coffey-Garcia v. WHEREAS, the work product doctrine protects information that is gathered in anticipation of litigation, as well as mental impressions, conclusions, opinions, and theories of counsel; and

WHEREAS, under the work product doctrine, materials prepared in anticipation of litigation by or for a party or its attorney are protected from disclosure unless a party seeking disclosure demonstrates a need for the material and an inability to object to the substantial equivalent without undue hardship; and

WHEREAS, Mr. Gastesi's counsel has presented to the County Attorney that Ms. Hall's work product is necessary for him to prepare a proper defense of his client; and

WHEREAS, the Board finds that waiving the attorney client privilege, the work product privilege, and releasing Ms. Hall from her duty of confidentiality serves the paramount public importance of transparency in County government; and

WHEREAS, by adopting this resolution, the Board waives the attorney-client privilege, authorizes Ms. Hall to discuss matters covered by the work product doctrine, and also consents to releasing Ms. Hall from her duty of confidentiality with respect to her representation of the County as an entity to the extent necessary to answer counsels' questions at her deposition, at trial, and any related proceedings in 24-CF-917-K; and

WHEREAS, the waivers of the attorney client privilege, work product privilege, and duty of confidentiality effectuated by this resolution shall be limited to Monroe County as an entity, and that individual participants in the subject conversations either have or will have to waive the privilege individually in addition to the Board's waivers.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA THAT:

1. The above-stated recitations are incorporated as factual findings of the Board.

2. The Board expressly waives the attorney client privilege and work product privilege on behalf of Monroe County to the extent that those privileges extend to the County government as an entity.

3. The Board expressly releases retired Senior Assistant County Attorney Cynthia Hall from her duty of confidentiality under Rule 4-1.6 of the Florida Rules of Professional Conduct with respect to her representation of the County as an entity to the extent necessary to answer counsels' questions at her deposition, at trial, and any related proceedings in 24-CF-917-K.

4. The Clerk is directed to email a copy of this resolution to:

    - Assistant State Attorney Colleen Dunne via cdunne@keyssao.org.

    - Ramon de la Cabada, Counsel for Defendant Roman Gastesi, via ray@ramondelacabada.com.

AGENDA ITEM WORDING: Approval to Renew Property and Boiler & Machinery Insurance policies for 2025-26 at a Total Cost of $2,954,648.

ITEM BACKGROUND:

Monroe County's property insurance coverage expires on May 1, 2025. This item seeks to renew coverage for 2025-26 at a total cost of $2,954,648. This represents a reduction of program cost in the amount of $449,390 (13.2%) from the 2024 fiscal year.

The current property insurance program is comprised of a Primary Policy ($50M limit segregated into 3 layers of coverage) and a Parametric Windstorm Policy ($5M limit with coverage varying by geographic area and strength of named windstorm event). The renewal provides replacement cost property insurance coverage for County buildings, contents, communication towers and contractors equipment with a current reported value of $319,865,653. A separate layer of supplemental coverage is also provided for certain locations through Citizens, the cost of which is not included in this agenda item.

This renewal also includes boiler and machinery coverage through a separate policy issued by the Hartford Steam Boiler Inspection and Insurance Company with limits of $100 million and a per incident deductible of $5,000 except for damage to Air Conditioning and Refrigerating Equipment which has a $25.00 per HP deductible (Minimum $5,000). This coverage is being primarily purchased to obtain State required inspections of 4 pressure vessels located at the Detention Center on Stock Island. The annual premium for this coverage is $16,947.80, which represents a decrease of $480.86 (-2.76) from the 2024 premiums.

AGENDA ITEM WORDING: Approval of a legal services agreement with Mechanik Nuccio Hearne & Webster P.A.

ITEM BACKGROUND:

In 2019, FDEP identified the Joe London Training Center as a possible site of PFAS/PFOS contamination and required that the county sample more extensively to identify (and eventually delineate the extent of the contamination. Over the next 4 years the county spent approximately $300k to fully delineate the extent of the contamination. Eventually FDEP agreed that the contamination plume was stable and that "Administrative Controls" would be adequate rather than remediation. Mechanik Nuccio Hearne & Webster P.A. is a law firm which will be preparing and implementing institutional and /or engineering controls for the Joe London Fire Training Academy pursuant to rules and general guidance promulgated by the Florida Department of Environmental Protection.

The agreement attached as back up is a draft. Once a completed contract is executed, the back up will be revised.

AGREEMENT BETWEEN MONROE COUNTY AND MECHANIK NUCCIO HEARNE & WEBSTER, P.A.

THIS AGREEMENT, made and entered into this ____ day of April, 2024, by and between the BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA, ("COUNTY"), a political subdivision of the State of Florida whose address is 1100 Simonton Street, Key West, Florida 33040, and **MECHANIK NUCCIO HEARNE & WEBSTER, P.A.** ("ATTORNEY") regarding the retention of ATTORNEY by COUNTY to provide legal advice and services.

WHEREAS, it is in the public interest of COUNTY to have legal representation as set out below, and

WHEREAS, the ATTORNEY has agreed to provide legal representation to the COUNTY as set forth herein and in Attachment A.

NOW THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties agree as follows:

1. THE CLIENT

The Client is the COUNTY, acting by and through its duly elected and appointed officers and its employees.

2. THE ATTORNEY

ATTORNEY is a Professional Association that is registered as a Florida Profit Corporation named above and whose legally authorized signature appears at the bottom of this Agreement. ATTORNEY is licensed to practice law in Florida. ATTORNEY has been retained for the task of preparing and implementing institutional and /or engineering controls for the Joe London Fire Training Academy pursuant to rules and general guidance promulgated by the Florida Department of Environmental Protection as set forth in Attachment A ("the Matter").

3. TERM OF AGREEMENT

This Agreement and representation by ATTORNEY is effective upon execution by ATTORNEY and acceptance and approval by COUNTY in accordance with COUNTY'S policies, ordinances, or governing statutes. The representation shall continue until terminated by either the COUNTY, or by the ATTORNEY in accordance with ethical requirements and/or the terms of this Agreement.

4. SCOPE OF THE WORK

The COUNTY is engaging ATTORNEY to advise on the Matter and any other matters as approved by the County Attorney which are jointly agreed to in writing.

4.1 Professional ability to perform work, appointment of contract manager

ATTORNEY warrants that he or she is authorized by law to engage in the performance of the activities herein described, subject to the terms and conditions set forth in these contract documents. ATTORNEY shall designate Travis Moore Hearne, as the contract manager and shall at all times exercise independent, professional judgment and shall assume professional responsibility for the services to be provided. ATTORNEY warrants that the authorized time keepers are authorized by law to engage in the performance of the activities encompassed by this Agreement.

4.2 Management of time keepers

ATTORNEY is responsible for managing the matter cost-effectively and competently, e.g., by insuring that additional time keepers are competent, properly supervised, efficient, and in compliance with the terms of this Agreement as well as with all ethical obligations.

5. REVIEW OF ETHICAL OBLIGATIONS AND POTENTIAL CONFLICTS OF INTEREST BEFORE INITIATING REPRESENTATION

ATTORNEY has conducted a thorough investigation and determined that neither ATTORNEY nor his or her firm has any ethical impediment, real or potential, including but not limited to conflicts of interest, to representing COUNTY. To the extent that any ethical impediment, real or potential, is discovered or ever arises, ATTORNEY shall immediately inform COUNTY in writing of the impediment (regardless of whether ATTORNEY believes he or she has taken all steps necessary to avoid the impediment and regardless of whether ATTORNEY believes that the impediment is insubstantial or questionable), make full disclosure of the situation to COUNTY, obtain COUNTY'S express, written consent to continue the representation of the other client, and take all other reasonable steps to avoid or mitigate the impediment. Notwithstanding the foregoing, COUNTY understands and agrees that ATTORNEY may in the future – after this agreement has terminated - represent clients before COUNTY in unrelated matters.

6. PAYMENTS TO ATTORNEY

ATTORNEY shall submit to COUNTY invoices with supporting documentation acceptable to the Clerk on a schedule as set forth in the contract. The total dollar amount of this contract shall not exceed $22,100. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the Clerk's disbursal of funds. All services provided with respect to this agreement will be billed on a current basis with monthly invoices sent to COUNTY that will contain full detail as to the specific effort, hourly rates, and reimbursable expenses incurred by ATTORNEY on COUNTY'S behalf.

6.1 Attorney Fee (Hourly)

ATTORNEY will be paid for his or her services based on the number of hours expended on behalf of COUNTY (rounded to the nearest tenth hour for each time entry), not to include time billable to or compensated by other clients, multiplied by the ATTORNEY'S hourly rate. The following minimum billing documentation and time keeper requirements are a condition precedent to payment by the COUNTY.

6.2. Non-billable time

ATTORNEY will bill COUNTY only for time reasonably and necessarily incurred to render professional services on COUNTY'S behalf in accordance with this Agreement. Time attributable to billing questions is not billable. Time expended by time keepers who have not been approved by COUNTY is also not billable.

6.3. Hourly Rates, and Changes to hourly rates

The ATTORNEY has agreed to rates as more fully set forth below:

Approved Time Keepers:

Name:	**Hourly Rate:**
Travis Moore Hearne	$325.00
Cannon L/ Hearne - Associate	$250.00
Susan M. Merritt - Paralegal	$125.00

With the written approval of the County Attorney, additional time keepers may be utilized by the ATTORNEY.

ATTORNEY will charge no more than the hourly rate quoted above throughout the duration of the matter, unless otherwise agreed in writing and approved by COUNTY in the same manner as Agreement. The hourly rate to be charged by the lawyers and paralegals are reviewed annually and should ATTORNEY determine that a rate adjustment is warranted for this engagement the COUNTY will be notified in advance of any change.

6.4. Time keepers

As used in this Agreement, the term "time keeper" shall include ATTORNEY and other ATTORNEYS and individuals identified in paragraph 6.3 of this Agreement who will be providing services under this Agreement and who will bill the COUNTY for their services in accordance with this Agreement.

6.4.1. Duplication of effort

So long as ATTORNEY determines, in its reasonable discretion, that there is no duplication of effort among multiple time keepers, or otherwise with advance COUNTY approval, ATTORNEY may have more than one time keeper bill for attendance at meetings, including the meetings with COUNTY representatives and internal conferences, and each time keeper shall be paid at their rate established in paragraph number 6.3. In all other circumstances, ATTORNEY will not have more than one time keeper bill for attendance at meetings, including the meetings with COUNTY representatives and internal conferences, and in the event that more than one person attends, only the time of the person with the highest rate will be billable.

Approval for action on the part of the ATTORNEY may be accomplished by letter, email, or verbally by the County Attorney or his/her designee, if verbal approval is given the attorney may verify that approval by email to ATTORNEY or CLERK (as necessary for billing purposes).

6.4.2. Time keeper changes

Time keepers approved by the COUNTY are listed in paragraph 6.3 of this Agreement, and may be amended from time to time, upon mutual agreement of the COUNTY and the ATTORNEY, to evidence the then-current circumstances. Additional time keepers may be added by amendment to this agreement and approval by the Board of County Commissioners. In the event that additional time keepers providing services, which are to be billed to COUNTY, are to be added, then their hourly rates shall be provided to COUNTY in advance, and, upon written approval by the COUNTY, their rates and billing practices shall comply with the requirements of this Agreement. COUNTY expects to receive discounts or other concessions so that any increases or changes in time keepers will not result in unnecessary or unreasonable charges to COUNTY, e.g., for training, internal conferences, and management.

6.5. Existing work product

To the extent the ATTORNEY makes use of existing work product, e.g., in the form of research previously performed for another client, then ATTORNEY shall bill only that time expended in using that work product for COUNTY. In other words, no premium, markup, or other adjustment shall be made to COUNTY bill for time spent on work already performed.

7. BILLING OF FEES AND EXPENSES

ATTORNEY shall comply with the following requirements as to billing fees and expenses as a condition precedent to COUNTY'S obligation to pay each bill:

7.1. Monthly bills

Unless otherwise agreed in a writing signed by the COUNTY, bills shall be issued monthly by ATTORNEY within fifteen (15) days after the close of each month. ATTORNEY understands that COUNTY requires prompt bills in part to facilitate effective management of the representation and fees.

7.2. Bill format

ATTORNEY shall provide detailed, itemized bills which shall, at a minimum:

7.2.1 Description

Provide a general description of the matter, to include the name of the COUNTY department or constitutional officer, if not indicated in the title of the matter, for which legal services are being performed (e.g. Richard Roe v. Monroe County–EEO Claim); a description of the work performed in enough detail so that each item is distinguishable from other listed items and sufficient to allow COUNTY to determine the necessity for and reasonableness of the time expended, the services performed, the project or task each service relates to, the subject and purpose of each service, and the names of others who were present or communicated with in the

course of performing the service. For example, simply the word "research" is not acceptable, more detail about the type of research and what was determined by the research is necessary.

7.2.2 Personnel

Clearly identify each time keeper performing services in conjunction with each entry. Clearly identify all persons who are not full-time lawyers employed by the ATTORNEY'S firm (including paralegals, employees of ATTORNEY with their titles, subcontractors, independent contractors, temporary employees, and outsourcing providers). Personnel who are not listed as additional time keepers will not be paid unless approved in writing under the requirements of this Agreement.

7.2.3 Time Records

Record the time expended by each time keeper separately. In those situations where the minimum billing increment exceeds the actual time spent on a task and several of these "minor" tasks are performed, it is expected that the services will be aggregated until the total actual time spent meets the minimum billing increment.

7.2.4 Totals and By Task

State the amount of time expended by each time keeper broken down for each task.

7.2.5 Summary of Rates

It is understood that the billing rate is a per hour as set forth in paragraph number 6.3. In a summary at the beginning or end of the bill, provide the current hourly rate for each time keeper, the total time billed by each time keeper in that bill, the product of the total time and hourly rate for each time keeper, the total fees charged, and are reconciliation between the amount charged and any applicable estimated or budgeted amount, by task. In addition, each monthly statement should show the aggregate billing for that matter from the commencement of the matter through the currently-billed month.

7.3. Expenses

COUNTY will pay the actual, reasonable cost of the following expense items if incurred in accordance with the guidelines below (a copy of the form used by the County may be provided for your convenience) and promptly itemized in ATTORNEY'S monthly bill:

7.3.1 Reimbursable expenses

Actual cost for necessary long distance telephone calls, tele copying at $.25 per outgoing page, overnight or expedited delivery, couriers, photocopying at $.15 per page, postage, court fees, and other expenses approved in advance by COUNTY. In order to receive reimbursement Attorney must attach copy of invoice from overnight or expedited delivery, couriers, long distance carriers and indicating which calls are related to this agreement. All charges shall be reasonably documented on invoices to demonstrate that the charge is related to this agreement.

7.3.1.1. Expedited or emergency services

ATTORNEY is expected to avoid using expedited or emergency services, such as express delivery services, couriers, tele copying, overtime, and so on, unless necessary because of unexpected developments or extremely short deadlines. COUNTY may refuse to pay for any such expenses when incurred routinely or because of ATTORNEY'S failure to manage the matter efficiently.

7.3.1.2. Computerized research

ATTORNEY is expected to use computerized research services cost-effectively to reduce time spent on research, for example, while closely-monitoring computerized research to insure that the charges are reasonable and necessary. ATTORNEY is expected to pass through to COUNTY any discounts or other arrangements that reduce the cost of computerized services. All charges shall be reasonably documented on invoices to demonstrate that the charge is related to this agreement.

7.3.1.3. Photocopying

ATTORNEY is encouraged to use outside copying services if this will reduce the cost of large-volume copying, provided that these expenses are efficient, cost-effective, and incurred and billed in accordance with this Agreement. ATTORNEY is responsible for insuring that all copying complies with copyright obligations. All charges shall be documented on invoices to demonstrate that the charge is related to this agreement.

7.3.1.4. Transcripts

Transcripts should not be ordered without prior approval from COUNTY. Transcripts should not be ordered on an expedited basis unless necessary and approved in advance by COUNTY. ATTORNEY should obtain digital electronic/computerized copies of transcripts when available at a reasonable cost to avoid charging for time spent digesting or indexing transcripts, and to allow COUNTY to maintain a digital electronic/computerized database of all transcripts.

7.3.1.5 Travel Expenses

Travel expenses within the ATTORNEY'S local area, defined as a radius of 50 miles from the time keeper's office, will not be reimbursed and time in transit is not billable.

Travel expenses outside the local area may only be reimbursed if the travel was approved in advance by COUNTY. Reimbursable travel expenses are the cost of transportation by the least expensive practicable means (e.g., coach class air travel), the cost of reasonable hotel accommodations, and the cost of transportation while out of town (e.g., by cab or rental car, whichever is reasonable, at the lowest available rate). Cab fare to and from the originating airport is reimbursable. Expenses will be reimbursed in accordance with the applicable provisions of Florida Statute 112.061 for "approved travelers" and of the Monroe County Code Article XXVI and shall be summarized on the Monroe County Travel Form by ATTORNEY with all applicable receipts attached thereto.

7.3.1.6 Travel Time

Time spent in transit outside Attorney's local area may be billed only if ATTORNEY or time keeper is unable to avoid traveling by using other forms of communication or it is determined by the County Attorney that travel is in the County's best interest. Travel by more than one time keeper at the same time to the same destination is allowed with approval from COUNTY ATTORNEY. In order to be reimbursed for airline tickets, the boarding pass shall be attached to the invoice.

Approved travel time during normal business hours, defined weekdays from 8:30 a.m. to 6:00 p.m., will be billed at the hourly rate listed for the time keeper in paragraph 6.3 of this Agreement. Approved travel time outside of normal business hours will be billed at one-half the hourly rate listed for the time keeper in paragraph 6.3 of this Agreement.

7.3.2. Non-reimbursable expenses

The following expenses will in no event be reimbursable without written approval by County Attorney and approval by the Board of County Commissioners:

7.3.2.1. Personal and Office Costs

Meals for time keepers not related to travel, overtime, word processing or computer charges, personal expenses, expenses that benefited other clients, expenses for books, costs of temporary employees, periodicals or other library materials, internal filing or other document handling charges, clerical expenses, stationery and other supply expenses, utilities, and any other expense that is either unreasonable or unnecessary. (The fact that ATTORNEY charges other clients or that other firms charge their clients for an expense does not make it reasonable or necessary under this Agreement.)

7.3.2.2. Experts, consultants, support services, outsourced services, etc.

ATTORNEY is not authorized to retain experts, additional counsel, consultants, support services, or the like, outside ATTORNEY'S law firm, without approval by County Attorney. If agreed to ATTORNEY will be responsible for selecting and managing the services of others so that their services and expenses will be rendered in accordance with the terms of this Agreement, including terms applicable to ATTORNEY. ATTORNEY will manage others to obtain cost-effective services for COUNTY. **Unless otherwise agreed in writing, ATTORNEY shall obtain a written retainer agreement, in a form which may be specified by COUNTY, from each service provider, with bills from each provider being sent to both ATTORNEY and COUNTY.**

7.3.2.3 Temporary Staffing

ATTORNEY will not bill COUNTY for the time and expenses of temporary employees, including so-called "Temps" or contract ATTORNEYS or other staff from outside companies, nor "outsource" or delegate work, nor charge for summer associates, law clerks, or student clerks, (collectively "temporary staff" even if not temporarily employed) without full advance disclosure of the employee's temporary or short-term status to COUNTY, including disclosure of the actual amount paid or to be paid to the individual. Unless COUNTY expressly agrees in writing to paying

additional amounts after full disclosure by ATTORNEY, ATTORNEY may not charge COUNTY more than the actual cost paid by ATTORNEY.

7.3.2.4. Expenses not passed through at actual cost

COUNTY will not pay any markup for expenses. COUNTY will only reimburse the ATTORNEY for their actual approved out-of-pocket costs and expenses, whether incurred personally by an approved time keeper or incurred by other approved personnel (such as experts, consultants, support services personnel, or outsourced services personnel).

7.3.2.5. Overhead not charged to County

COUNTY will not pay for any "expense" items that are in fact part of ATTORNEY'S overhead, which should be included within ATTORNEY'S fee, the determination of which expenses fall into this category are strictly within the discretion of the COUNTY.

7.3.3. Advance approval of expenses

ATTORNEY shall obtain approval from COUNTY ATTORNEY before incurring any expense in excess of $1,000.00 if ATTORNEY expects to be reimbursed for that expense. COUNTY, in its discretion, may refuse to pay any expense for which approval was not obtained by ATTORNEY.

7.3.4. Copies of receipts for expenses

ATTORNEY shall include copies of receipts for all expenses with the itemized monthly bill. COUNTY may refuse to pay any expense item for which documentation is not provided by ATTORNEY.

7.3.5. Expenses (and fees) after termination

Upon termination of the representation, ATTORNEY shall promptly bill COUNTY for any remaining reimbursable expenses and fees. COUNTY may refuse to pay any fees or expenses not billed within 45 days of termination of the representation. ATTORNEY is also expected to cooperate promptly with all aspects of termination and, if applicable, transition to other counsel. Payment for fees and expenses is contingent upon prompt, full cooperation.

7.4. Bill and expense documentation

ATTORNEY must maintain supporting documentation for invoices until at least one year after the termination of the representation. This documentation shall be made available by ATTORNEY to COUNTY (or COUNTY'S designated representative, including an accountant, the County Clerk or County Clerk's representative, or legal bill auditor) upon COUNTY'S written request. ATTORNEY agrees to cooperate with any examination of this documentation and ATTORNEY'S fees and expenses, e.g., by responding promptly and completely to any questions COUNTY or its designated representative may have. ATTORNEY shall notify COUNTY in writing at least 60 days in advance of destroying any such records and, in the event that COUNTY requests that they be preserved, shall preserve them at least one additional year or, at the option of the COUNTY, delivered to the COUNTY for storage by the COUNTY, with COUNTY responsible for paying the actual cost of storage. This documentation shall include, for example,

original time records, expense receipts, and documentation supporting the amount charged by ATTORNEY for expense items generated by ATTORNEY or his or her firm. COUNTY reserves the right not to pay any fee or expense item for which sufficient documentation or expense item for which sufficient documentation is not available to determine whether the item was necessary and reasonable.

7.5 Entertainment

ATTORNEY shall not be reimbursed for costs of entertainment, such as in room movies and alcoholic beverages. Furthermore, only meals for ATTORNEY and/or approved time keeper shall be reimbursed in accordance with the provisions in this Agreement.

8. PAYMENT TERMS

ATTORNEY'S request for payments and reimbursements may be made in either the ATTORNEY'S name or the name of the ATTORNEY'S law firm, as appropriate. ATTORNEY bills complying with this Agreement are due and payable according to the Local Government Prompt Payment Act. If the bill materially fails to comply with the requirements of this Agreement, then it is not due and payable until ATTORNEY remedies its deficiencies.

9. MATTER MANAGEMENT

COUNTY will expect that all communications between ATTORNEY, and additional time keepers, and COUNTY will be reviewed by ATTORNEY and that ATTORNEY will serve as the point of contact for this matter, including billing questions. The COUNTY contact for this Agreement shall be:

Pedro J. Mercado, Esq.
Monroe County Attorney's Office
1111 12th Street, Suite 408
Key West, Florida 33040
(305) 292-3470 (office)
(305) 292-3516 (facsimile)
Mercado-Pedro@monroecounty-fl.gov

9.1. Case monitoring

COUNTY will be advised promptly by ATTORNEY of all significant facts and developments in the matter so that COUNTY may manage the matter effectively and make informed decisions about strategy, tactics, settlement, scheduling, costs, and other related matters. COUNTY will promptly receive from ATTORNEY copies of all orders, opinions, pleadings, briefs, memoranda (internal and external), correspondence, and any other document material to the subject matter of this Agreement, such that the COUNTY will have a current, up-to-date, "mirror" copy of the COUNTY'S file maintained by ATTORNEY. For discovery materials or exhibits that are lengthy, ATTORNEY should discuss them with COUNTY before providing a copy. Documents available in digital electronic/computerized form should be provided in that form in lieu of paper copies, if requested by County. Additionally, ATTORNEY may be required to submit, on a monthly basis, a case status and progress report to be submitted to the Board of

COUNTY Commissioners. The format of the report shall be in the form required by the COUNTY ATTORNEY.

9.2. Case control

ATTORNEY shall discuss all significant issues of strategy and tactics, including motions, discovery, pleadings, briefs, trial preparation, experts, and settlement, with COUNTY before implementation. ATTORNEY is expected to exercise independent professional judgment.

9.3. ATTORNEY cooperation

ATTORNEY will cooperate with COUNTY or COUNTY'S representatives to promptly provide all information COUNTY requests or needs about the subject matter of this Agreement and ATTORNEY'S bills and handling of the matter.

9.4. COUNTY cooperation

ATTORNEY shall be lead counsel on the matter; however, ATTORNEY agrees that the lawyers employed by the Monroe County Attorney's Office may enter an appearance as co-counsel in the matter. ATTORNEY should consult with COUNTY about all opportunities for COUNTY to save money or make use of COUNTY'S expertise to assist in, e.g., responding to discovery, preparing for trial, locating experts, and the like. COUNTY may also have personnel and facilities available to reduce the expenses related to the subject matter of this Agreement.

10. CONFIDENTIALITY AND PUBLIC RELATIONS

ATTORNEY is not authorized to waive or release any privilege or other protection of information – confidential, secret, or otherwise – obtained from or on behalf of COUNTY. ATTORNEY is to keep all confidential, privileged, or secret information confidential. This requirement is perpetual, i.e., it will continue even after the termination of the relationship and this Agreement.

10.1 Prohibition against use of information

This requirement is also intended to prohibit ATTORNEY from using information obtained from or on behalf of COUNTY, including work product prepared at COUNTY'S expense, for other clients of ATTORNEY or his or her firm, without COUNTY'S advance written approval.

10.2 No use of County for marketing purposes

ATTORNEY is not authorized to identify COUNTY as a COUNTY, e.g., for purposes of marketing or advertising, without COUNTY'S approval.

11. OWNERSHIP OF ATTORNEY FILES AND WORK PRODUCT

ATTORNEY understands that all files and work product prepared by ATTORNEY or his or her firm at the expense of COUNTY (or for which COUNTY is otherwise billed) is the property of COUNTY. Without COUNTY'S written approval, this work product may not be used by ATTORNEY or his or her firm nor disclosed by ATTORNEY or his or her firm to others, except in the normal course of ATTORNEY'S representation of COUNTY in this matter. ATTORNEY

agrees that COUNTY owns all rights, including copyrights, to materials prepared by COUNTY or by ATTORNEY on behalf of COUNTY. ATTORNEY shall notify COUNTY in writing at least 60 days in advance of destroying any such records and, in the event that COUNTY requests that they be preserved, shall preserve them at least one additional year (with COUNTY responsible for paying the actual cost of storage). ATTORNEY shall provide COUNTY with prompt access to (including the ability to make copies of) all ATTORNEY files and work product, regardless of whether the representation or matter is ongoing and whether ATTORNEY fees and expenses have been paid in full.

12. DISPUTE RESOLUTION

ATTORNEY and COUNTY agree that if a dispute arises between them that neither shall be required to enter into any arbitration proceedings related to this Agreement.

12.1. Disputes regarding Attorney fees or expenses and interpretation

COUNTY and ATTORNEY agree that all disputes and disagreements between them regarding interpretation of the Agreement shall be attempted to be resolved by a meet and confer session between representatives of COUNTY and ATTORNEY. If the issue or issues are still not resolved to the satisfaction of both within thirty (30) days after the meet and confer session, then either shall have the right to terminate the Agreement upon ten (10) business days' notice in writing to the other party.

12.2 Disputes regarding interpretation

COUNTY and ATTORNEY agree that all disputes and disagreements between them regarding interpretation of the Agreement shall be attempted to be resolved by a meet and confer session between representatives of COUNTY and ATTORNEY. If the issue or issues are still not resolved to the satisfaction of both within thirty (30) days after the meet and confer session, then either shall have the right to terminate the Agreement upon ten (10) business days' notice in writing to the other party.

12.3 Legal or Administrative procedures

In the event any administrative or legal proceeding is instituted against either the COUNTY or ATTORNEY relating to the formation, execution, performance, or breach of this Agreement, the COUNTY and ATTORNEY each agree to participate, to the extent required by the other, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement; institution of any administrative or legal proceeding shall constitute immediate termination of this Agreement. ATTORNEY agrees to forward copies of all documents in his or her possession related to the matter, which is the subject of this Agreement to COUNTY at the time of filing any administrative or legal proceeding.

12.4 ATTORNEY'S Fees and Costs

In the event any administrative proceeding or cause of action is initiated or defended by the COUNTY or ATTORNEY relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to an award of reasonable attorney's fees, and court costs, as an

award against the non-prevailing party, and shall include reasonable attorney's fees, and court costs in appellate proceedings.

Mediation proceedings initiated and conducted pursuant to this Agreement or as may be required by a court of competent jurisdiction shall be conducted in accordance the usual and customary procedures required by the circuit court.

13. NOTICE REQUIREMENT

Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage prepaid, to the other party by certified mail, returned receipt requested, to the following:

14. GOVERNING LAW AND VENUE

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida applicable to contracts made and to be performed entirely in the State. Venue for any legal action which may arise out of or under this agreement shall be in Monroe County, Florida.

15. ENTIRE AGREEMENT

The entire agreement between the COUNTY and ATTORNEY with respect to the subject matter hereof is contained in this Agreement. This Agreement supersedes all oral and written proposals and communications between the COUNTY and ATTORNEY related to this Agreement. No provision of this Agreement shall be deemed waived, amended or modified by either party unless such waiver, amendment or modification is in writing and signed by the party against whom the waiver, amendment or modification is claimed. This Agreement shall be binding upon and inure to the benefit of the parties hereto, their permitted successors and assigns.

16. FLORIDA GOVERNMENT-IN-THE-SUNSHINE LAW

ATTORNEY agrees that, unless specifically exempted or excepted by Florida law, the provisions of Section 286.011, Florida Statutes, generally require full and public discussion of matters to be voted upon by the Board of County Commissioners. ATTORNEY agrees to consult with the COUNTY ATTORNEY'S office concerning the application of the Sunshine Law from time to time concerning specific circumstances that may arise during the term of this Agreement.

17. FLORIDA PUBLIC RECORDS LAW

ATTORNEY agrees that, unless specifically exempted or excepted by Florida, the provisions of Chapter 119, Florida Statutes, generally require public access to all records and documents which may be made or received under this Agreement. ATTORNEY agrees to consult with the County Attorney's office concerning the application of the Public Records Law from time to time concerning specific circumstances that may arise during the term of this Agreement.

Public Records Compliance. ATTORNEY must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The COUNTY and ATTORNEY shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the COUNTY and ATTORNEY in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the ATTORNEY. Failure of the ATTORNEY to abide by the terms of this provision shall be deemed a material breach of this contract and the COUNTY may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The ATTORNEY is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the ATTORNEY is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the ATTORNEY does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the ATTORNEY or keep and maintain public records that would be required by the County to perform the service. If the ATTORNEY transfers all public records to the County upon completion of the contract, the ATTORNEY shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the ATTORNEY keeps and maintains public records upon completion of the contract, the

ATTORNEY shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the ATTORNEY of the request, and the ATTORNEY must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the ATTORNEY does not comply with the COUNTY's request for records, the COUNTY shall enforce the public records contract provisions in accordance with the contract, notwithstanding the COUNTY's option and right to unilaterally cancel this contract upon violation of this provision by the ATTORNEY. An ATTORNEY who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The ATTORNEY shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

18. NO ASSIGNMENTS

ATTORNEY shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County, which approval shall be subject to such conditions and provisions as the Board may deem necessary. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or subcontractor shall comply with all of the provisions of this Agreement. Unless expressly provided for therein, such approval shall in no manner or event be deemed to impose any additional obligation upon the Board.

19. TERMINATION

Either of the parties hereto may terminate this contract without cause by giving the other party fifteen (15) business days written notice of its intention to do so.

19.1 Documents forwarded to COUNTY

ATTORNEY agrees to forward to COUNTY along with Notice of Termination or upon receipt of Notice of Termination, depending upon which party terminates the Agreement, copies of all documents in his or her possession of any nature whatsoever related to the ATTORNEY'S representation of COUNTY or obtained due to ATTORNEY'S representation of COUNTY.

19.2 Restriction on Communications

ATTORNEY agrees not to communicate with the public, including the press, about COUNTY or about this matter.

20. SEVERABILITY

If a term, covenant, condition or provision of this Agreement shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provision of this Agreement would prevent the accomplishment of the original intent of this Agreement. The COUNTY and ATTORNEY agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

21. CAPTIONS

The captions set forth herein are for convenience of reference only and shall not define, modify, or limit any of the terms hereof.

22. LEGAL OBLIGATIONS AND RESPONSIBILITIES; NON-DELEGATION OF CONSTITUTIONAL OR STATUTORY DUTIES

This Agreement is not intended to relieve, nor shall it be construed as relieving, either the COUNTY or ATTORNEY from any obligation or responsibility imposed upon each by law except to the extent of actual and timely performance thereof by the other, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further this Agreement is not intended to authorize, nor shall it be construed as authorizing, the delegation of the constitutional or statutory duties of the COUNTY, except to the extent permitted by the Florida Constitution, state statutes, case law, and, specifically, the provisions of Chapter 125, Florida Statutes.

23. RECORDS

ATTORNEY shall keep such records as are necessary to document the performance of its services as set forth in the agreement and expenses as incurred, and give access to these records at the request of the COUNTY, the State of Florida or authorized agents and representatives of said government bodies. It is the responsibility of ATTORNEY to maintain appropriate records to insure a proper accounting of all collections and remittances in this matter. ATTORNEY shall be responsible for repayment of any and all reasonable audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives.

24. MONROE COUNTY CODE ETHICS PROVISION

ATTORNEY warrants that he or she has not employed, retained or otherwise had act on his behalf any former COUNTY officer or employee in violation of Section 2 of Ordinance No. 10-1990 or any COUNTY officer or employee in violation of Section 3 of Ordinance No. 10 1990.

For breach or violation of this provision the COUNTY may, at its discretion, terminate this Agreement without liability and may also, at its discretion, deduct from the sums owed under the Agreement, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present COUNTY officer or employee. COUNTY employees and officers are required to comply with the standards of conduct delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts, doing business with one's agency, unauthorized compensation, and misuse of public position, conflicting employment or contractual relationship, and disclosure of certain information.

25. PUBLIC ENTITY CRIME STATEMENT

Florida law provides that person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on an agreement to provide any goods or services to a public entity, may not submit a bid on an agreement with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, sub contractor, or consultant under an agreement with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. ATTORNEY warrants the neither ATTORNEY nor any authorized time keeper has been named to the convicted vendor list.

27. ANTI-KICKBACK

ATTORNEY warrants that no person has been employed or retained to solicit or secure this Agreement upon any contract or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the COUNTY has any interest, financially or otherwise, in this Agreement, except as expressly stated herein. For breach or violation of this warranty, the COUNTY shall have the right to annul this agreement without liability or, in its discretion, to deduct any sums to be paid by COUNTY under this Agreement, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

28. MODIFICATIONS AND AMENDMENTS

Any and all modifications and Amendments of the terms of this Agreement shall be in writing and executed by the Board of County Commissioners for Monroe County and by ATTORNEY in the same manner as this Agreement.

29. INDEPENDENT CONTRACTOR

At all times and for all purposes hereunder, ATTORNEY is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed so as to find ATTORNEY or any of the authorized time keepers, to be the employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

30. COMPLIANCE WITH LAW

In carrying out ATTORNEY'S obligations under this agreement, ATTORNEY shall abide by all statutes, ordinances, rules and regulations pertaining to or regulating the provisions of this Agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules or regulations shall constitute a material breach of this Agreement and shall entitle COUNTY to terminate this Agreement immediately upon delivery of written notice of termination to ATTORNEY.

31. LICENSING

ATTORNEY warrants that ATTORNEY and additional time keepers do presently have, shall have prior to commencement of work under this Agreement, and at all times during said work, all required licenses and permits whether federal, state, County or City.

32. NON-DISCRIMINATION

ATTORNEY agrees that he or she will not discriminate against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. ATTORNEY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patent records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC ss. 12101), as maybe amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) All requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-assisted programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended; and 12) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

33. NON-RELIANCE BY NON-PARTIES

No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the COUNTY and ATTORNEY agree that neither the COUNTY nor ATTORNEY or any officer, agent, or employee of each shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated under this Agreement.

34. ATTESTATIONS

ATTORNEY agrees to execute such documents as the County may reasonably require, to include a Vendor Certification Regarding Scrutinized Businesses, an Affidavit Attesting to Noncoercive Conduct for Labor and Services, and a Foreign Entities Affidavit.

35. COUNTY AUTHORITY

This Agreement has been duly noticed at a legally held public meeting conducted in Monroe County, Florida. COUNTY'S performance and obligation to pay under this contract, is contingent upon annual appropriation by the Board of County Commissioners.

36. HOLD HARMLESS AND INSURANCE

ATTORNEY certifies that it maintains a minimum professional liability coverage for ATTORNEY and additional time keepers in the amount of $5 Million. ATTORNEY agrees to keep the same amount of coverage or more at all times and to provide proof of said coverage to COUNTY at COUNTY'S request at any time during the term of the Agreement.

37. NO PERSONAL LIABILITY

No covenant or obligation contained in this Agreement shall be deemed to be a covenant or obligation of any member, officer, agent or employee of the Board of County Commissioners of Monroe County in his or her individual capacity and no member, officer, agent or employee of the Board of County Commissioners of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

38. EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and the COUNTY and ATTORNEY may execute this Agreement by signing any such counterpart.

THE REMAINDER OF THIS PAGE HAS BEEN INTENTIONALLY LEFT BLANK.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the day and date first written above.

Re: Monroe County, Florida / Legal Representation & Institutional Controls Regarding ERIC_7416 / Joe London Fire Training Academy

Dear Kevin,

We are pleased that you have agreed to retain Mechanik Nuccio Hearne & Wester, P.A. ***("Mechanik Nuccio")*** as counsel to represent Monroe County, Florida ("you" or the "Client") in the matters described under Nature of Engagement below.

Pursuant to this agreement, you are retaining Mechanik Nuccio for the limited task of preparing and implementing for the site named above institutional and/or engineering controls pursuant to rules and guidance promulgated by the Florida Department of Environmental Protection ("FDEP"). Pursuant to our discussions with Joe Marsh of Stantec ("**Stantec**"), our invoices for this matter will be sent to and may be paid directly by Stantec. We wish to emphasize that for purposes of this Agreement, Stantec is considered a non-client third party payor on behalf of the Client and that our execution of this Agreement establishes an attorney-client relationship between our law firm and the Client. This Agreement does not establish and attorney-client relationship between our law firm and Stantec. Your execution of this Agreement constitutes your informed consent pursuant to Rule 4.18(f) of the rules regulating the Florida Bar to Stantec's payment of our law firm's legal invoices. Notwithstanding anything to the contrary in this Agreement, our firm's total invoices shall not exceed $22,100.00 (the "**Approved Budget**"), which amount was set forth in the January 6, 2025 Cost Proposal, without prior written approval by the Client, which approval may be given by Stantec on the Client's behalf. The Approved Budget reflects a best estimate of the costs of the services required; however, given the unpredictability and influence of the positions and actions of third parties, including FDEP, we cannot guarantee that the institutional controls can be implemented and site closure achieved within the Approved Budget.

The Florida Bar encourages the use of written agreements to avoid possible misunderstandings concerning the nature of the engagement and the basis of payment for the legal services to be rendered. Accordingly, the proposed terms of our representation are outlined below for your review and approval.

This letter and the enclosed Mechanik Nuccio Standard Terms and Conditions Addendum ***(****the* ***"Addendum")*** describe the basis on which our law firm will provide legal services to the Client and bill for those services.

This letter and the Addendum will govern the work to be performed by us with respect to the above matter, as well as all other legal work *(and related costs)* accomplished by Mechanik Nuccio for the Client, unless a different fee and cost arrangement for such work is agreed upon in writing by the parties.

1. Nature of Engagement: You have engaged Mechanik Nuccio to assist the Client in connection with land use issues regarding redevelopment and permitting at the property located at 6204 Interbay Boulevard in Tampa. This letter is intended to apply to both the above initial tasks as well as **(a)** any resulting additional tasks we perform *(such as negotiation of various agreements and other transaction assistance)*, and **(b)** any other matters for which you request our assistance and we agree to undertake. In each assignment, we will strive to perform our services for you effectively and efficiently. Any advice that we may provide to you will be based upon our professional judgment.

2. Fees and Attorneys Providing Services: In charging for our services in the above- referenced matters, we will consider all of the factors outlined in the Rules of Professional Conduct which govern Florida lawyers, and we will identify and analyze all factors that we consider relevant and necessary to measure the fair and reasonable value of our services. These include the time and labor required, the novelty and difficulty of the legal issues, the skill required to properly perform the services, any time limitations imposed under the circumstances, the amount involved, and the results obtained. We record all time required to perform our services, and hourly rates are applied to the recorded time in our billing process.

Unless we agree otherwise, the Mechanik Nuccio fees will be calculated by multiplying the time spent in performing the work during the period covered by the invoice, by the established hourly rates of Mechanik Nuccio personnel who performed that work. Our current hourly rates for this matter for the attorneys who are expected to be doing most of the work on the initial assignment are as follows:

Travis Moore Hearne (Shareholder) - $325.00
Cannon L. Hearne (Associate) - $250.00
Susan M. Merritt (Paralegal) - $125.00

Our rates are subject to change annually.

We are happy to discuss with you any questions you may have concerning our fees or the basis of our charges. We expect our clients to be satisfied with both the services we perform and the reasonableness of our billings. Please let us know if for any reason you do not find our performance or our charges to be satisfactory.

3. Costs and Expenses: Any out-of-pocket expenses *(such as special telephone charges, extensive photocopying, special mailing or air courier charges, filing fees, etc.)* will be separately itemized on our statements. We also may forward certain cost bills to you for payment directly to the vendor.

4. Submission and Payment of Statements: Mechanik Nuccio generally submits statements for services rendered plus costs advanced on a monthly basis, with the statements to be paid in full within

thirty (30) days after receipt. We will e-mail our invoices to you unless you tell us that you prefer that we send them by U.S. mail service. Any statement not paid when due will bear interest at the rate of 1% percent per month for each month the statement remains unpaid. In the event that any statement is not paid in full within thirty (30) days after receipt, Mechanik Nuccio will have the option to withdraw from this representation.

5. **Retainer**: Given the nature of this engagement, we are waiving the requirement of any new or additional retainer in this matter. We reserve the right to request additional retainers from time to time in the future.

6. **Conflicts**: At this time, we are not aware of any conflict of interest involving our representation of each of you in the matters described above under Nature of Engagement. In the event that we discover a conflict of interest in the future, we intend to notify you immediately in order to determine whether we can proceed with our representation or whether it would have to be terminated.

This letter constitutes the ***"Accompanying Letter"*** described in the Addendum, and, together with the Addendum, constitutes the arrangement upon which we have agreed to undertake representation of the legal matters described in this letter. Please review all such terms and conditions. If the arrangement described in this letter and the Addendum meets with your approval, please sign below and also at the bottom of page 3 of the Addendum, and then return to me a fully signed copy of the complete letter *(including the Addendum)*. After you sign and return this letter *(including the signed Addendum)*, if you need our Form W-9, please send an email request for it to: mnhw@floridalandlaw.com.

Very truly yours,
Mechanik Nuccio Hearne & Wester, P.A.

Title:_____

Mechanik Nuccio Standard Terms and Conditions Addendum

This Addendum sets forth the standard terms and conditions upon which Mechanik Nuccio Hearne & Wester, P.A. ***("Mechanik Nuccio")*** provides legal services to its clients and bills for those services. This Addendum accompanies a letter *(the* ***"Accompanying Letter")*** addressed to a party or parties *(collectively, with those identified therein as being represented by Mechanik Nuccio, referred to as the* ***"Client")*** who has or have agreed to become obligated to Mechanik Nuccio for the payment of all fees charged and costs incurred by Mechanik Nuccio *(collectively, the* ***"Financial Obligations")****.* This Addendum and the Accompanying Letter comprise the entire agreement between the Client and Mechanik Nuccio with regard to the Financial Obligations and may not be modified or amended by past or future oral statements or by course of conduct, but only pursuant to a writing signed by the Client and Mechanik Nuccio.

1. **Professional Undertaking:** An attorney of Mechanik Nuccio who has signed the Accompanying Letter *(the* ***"Attorney in Charge")*** will have primary responsibility for the representation of the Client, and may, in his or her discretion, utilize the services of other attorneys and legal assistants in Mechanik Nuccio to assist in performing the work. If at any time the Client has any questions concerning the utilization of other attorneys or legal assistants, or any other matters, the Client should contact the Attorney in Charge.

If the Client includes a legal entity, Mechanik Nuccio's representation of that entity does not by itself make any of that entity's constituent members *(e.g., partners, members, shareholders or beneficiaries)* clients of Mechanik Nuccio, nor does it signify that Mechanik Nuccio, either directly or indirectly, owes any professional duty to any of those constituent members, notwithstanding that any such constituent member may be referred to herein by the defined term "Client" for the specific purposes such term is used herein, including *(without limitation)* the individual responsibility for payment of the Client's Financial Obligations to Mechanik Nuccio as an Additional Responsible Party as described in Paragraph 6 below. Consequently, Mechanik Nuccio shall not be required to withdraw from representing a legal entity included as part of the Client in the event that such representation is, or might become, adverse to the individual interests of any of that entity's constituent members.

2. **Employment of Outside Professionals:** In the event Mechanik Nuccio deems it necessary to employ additional professionals with specialized skills *(e.g., investigators, surveyors, appraisers, environmental consultants, expert witnesses)*, then, after consultation with and consent from the Client, additional professionals may be employed by Mechanik Nuccio either in the name of the Client or, in the discretion of Mechanik Nuccio, in the name of Mechanik Nuccio. In either event, the Client will be responsible to pay the fees of such professionals upon being invoiced by Mechanik Nuccio or by such professionals for those fees. Reimbursement of Mechanik Nuccio by the Client for such invoices paid by Mechanik Nuccio will be subject to the provisions of Paragraph 5 of this Addendum.

3. **Billings:** The Firm's invoices are generally prepared and mailed during the month following the month in which services that it covers are rendered and the expenses and costs that it covers are reported in Mechanik Nuccio's books. Each invoice is payable in full upon receipt. Failure to question any invoice in writing within thirty (30) days after receiving it will be considered an approval and acceptance of that invoice. In the event Mechanik Nuccio receives a payment from the Client at a time when more than one invoice is outstanding on any one or more matters, Mechanik Nuccio will apply that payment to any such open invoice, unless the payment is accompanied by the remittance copy of the invoice being paid or some other written indication from the Client directing how the payment is to be applied. When in the course of or at the conclusion of the representation Mechanik Nuccio receives money on the Client's behalf, such as a money judgment or settlement or the closing of a transaction, Mechanik Nuccio will be entitled, at its option, to pay Mechanik Nuccio's outstanding invoices from such monies. Similarly, if attorneys' fees are awarded to the Client and are paid by the other party involved, the Client hereby assigns its right to receive those fees to Mechanik Nuccio as payment towards the Financial Obligations owed to Mechanik Nuccio.

4. **Late Payments, Costs of Collection, and Partial Invalidity:** Because Mechanik Nuccio has ongoing overhead expenses and cost of funds, a monthly late charge is added for late payments of fees and costs. On the first day of each month the balance of any invoice then unpaid for more than one (1) month will be subject to a late charge of one percent (1%) per month, whether or not that charge appears on Mechanik Nuccio's invoices to the Client. That rate may be adjusted from time to time. In the event that it is necessary to institute legal proceedings to collect Mechanik Nuccio's fees and costs, Mechanik Nuccio will also be entitled to recover reasonable attorneys' fees, paralegal fees, and charges and other costs of collection, even if such services and costs are provided by Mechanik Nuccio. Any provision of this Addendum which is unenforceable or invalid or the inclusion of which would adversely affect the validity, legality, or enforcement of this Addendum shall be of no effect, but all the remaining provisions of this Addendum shall remain in full force and effect.

5. **Security for Financial Obligations:** Florida law provides Mechanik Nuccio with the right to impose a lien upon and retain, as security for payment of the Financial Obligations, all documents, money and other intangibles and materials coming into Mechanik Nuccio's possession *(except to the extent that such a lien on funds deposited with Mechanik Nuccio in trust for a specific purpose is prohibited)*. Additionally, Mechanik Nuccio can acquire a lien, to the extent permitted by law, on all judgments, awards, damages or other assets or the proceeds thereof and all other monies, property (real, personal, tangible or intangible) or recoveries which are acquired, retained, recoverable or distributable to the Client as a result of any settlement, compromise, or court award then or thereafter obtained or achieved on its behalf in the matter, whether by the Client, by us, or by any other attorneys who may succeed us in the matter. These retaining and charging liens may be asserted by Mechanik Nuccio in such circumstances as Mechanik Nuccio believes to be necessary or appropriate.

6. **Responsibility for Payment:** The Client will be responsible to Mechanik Nuccio for all Financial Obligations arising out of the services rendered by Mechanik Nuccio to the Client. However, when Mechanik Nuccio is engaged to represent entities *(whether currently existing or newly created)* that are closely held, whose principal assets are leveraged, to be leveraged, are not readily marketable, or the continued existence or value of which depends on the services that Mechanik Nuccio is being engaged to provide, Mechanik Nuccio may seek to avoid any potential credit or payment difficulties by requiring individuals that are involved in the ownership of such entities to assume responsibility, on a joint and several basis, for the Financial Obligations owed by the Client to Mechanik Nuccio ***(****the* ***"Additional Responsible Parties")***. The Client *(and the Additional Responsible Parties, if any)* shall be jointly and severally liable for the Financial Obligations of the Client and for all services rendered to any entity affiliated with the Client for which Mechanik Nuccio is asked to provide services. If Mechanik Nuccio is required to testify, produce documents or respond to other requests in connection with proceedings commenced by third parties that relate to Mechanik Nuccio's representation of the Client, the Client *(and the Additional Responsible Parties, if any)* shall be liable for the reasonable fees and costs incurred by Mechanik Nuccio.

7. **Credit Checks:** The Firm may, at its sole option, conduct a credit investigation, including but not limited to requesting a consumer report or an investigative consumer report *(a* ***"Credit Check"****)*, on the Client and any of the Additional Responsible Parties. By execution and delivery of the Accompanying Letter, the Client and the Additional Responsible Parties, if any, hereby individually and collectively authorize Mechanik Nuccio to undertake such Credit Checks.

8. **Client Expectations:** Unless Mechanik Nuccio has agreed otherwise in a writing signed by the Attorney in Charge, the Client's responsibility for payment of its Financial Obligations will not be contingent or in any way dependent upon the outcome of the representation or the results obtained. Since the fees and costs relating to this matter are not predictable, any estimate of fees and costs that may have been discussed represents only an estimate. Unless otherwise agreed by Mechanik Nuccio in writing, Mechanik Nuccio makes no commitment to the Client concerning the maximum fees and costs that will be necessary to resolve or complete this matter. Although the merits of the Client's position may be emphasized and optimism concerning the likelihood of success may be expressed, the Client understands that legal matters frequently take courses that cannot be anticipated and can have outcomes that cannot be predicted. Accordingly, the Client acknowledges that no guarantees have been given by Mechanik Nuccio and that no statements made by any person on behalf of Mechanik Nuccio may be relied upon by the Client concerning the outcome of any matter.

9. **Title Insurance:** If the transaction for which the Client has retained Mechanik Nuccio requires the issuance of a title insurance policy, Mechanik Nuccio may issue the policy and commitment therefor as agent of the title insurance company. If the cost thereof is to be paid by the Client, the title insurance premiums charged by Mechanik Nuccio for the issuance of any such commitment or policy will be based upon the minimum premium rate promulgated by the State of Florida Insurance Commissioner. The Firm is an agent for many title insurance companies and may act as agent for the title company issuing title insurance in the Client's transaction. As is standard with all title insurers in Florida, Mechanik Nuccio will receive a percentage of the premium, as agent for the title insurance company. Sums received by Mechanik Nuccio for acting as agent for a title insurer are in addition to, and not in lieu of, Mechanik Nuccio's standard fees as described in this Addendum.

10. **Choice of Law, Venue and Forum Selection:** This Addendum and the Accompanying Letter will be governed and construed under Florida law. The Firm, the Client, and the Additional Responsible Parties, if any, do hereby agree and consent that the state and federal courts situated in Hillsborough County, Florida, will have exclusive jurisdiction to adjudicate any claim, dispute or controversy of any nature arising out of or relating to this Addendum, the Accompanying Letter or the legal services provided pursuant thereto.

11. **Termination:** Every Client has the right to terminate Mechanik Nuccio's representation at any time and for any reason. Mechanik Nuccio has the same right, and under certain circumstances it may be required to terminate its representation of the Client, upon reasonable notice to the Client. Among the reasons for which Mechanik Nuccio may terminate are: **(i)** nonpayment or repeated late payment of the Client's Financial Obligations to Mechanik Nuccio after the

Client has been notified that Mechanik Nuccio intends to withdraw unless such Financial Obligations are paid timely, **(ii)** the Client's breach or failure to comply with the terms of Mechanik Nuccio's engagement, including the provisions of the Accompanying Letter or this Addendum, **(iii)** the Client's failure or refusal to be forthright, cooperative and supportive of Mechanik Nuccio's efforts, **(iv)** the Client's misrepresentation of, or failure or refusal to disclose facts to Mechanik Nuccio which Mechanik Nuccio deems necessary for, or relevant to, the engagement, **(v)** the Client's refusal to accept or implement Mechanik Nuccio's advice, **(vi)** the Client's persistence in pursuing, or having Mechanik Nuccio pursue, an objective which Mechanik Nuccio considers to be criminal, fraudulent, actionable, repugnant or imprudent, **(vii)** discovery of a conflict with another client of Mechanik Nuccio, and **(viii)** any other reason permitted or required under the Rules of Professional Conduct that govern the legal profession in Florida. Upon termination of the engagement, either by Mechanik Nuccio or by the Client, the Client must sign all papers and documents which Mechanik Nuccio believes necessary to accomplish its withdrawal from the representation. Regardless of when or by whom the representation is terminated, and until such time as all outstanding Financial Obligations which are owed to the firm *(whether billed or unbilled)* have been paid in full:

(a) Mechanik Nuccio reserves the right, to the extent permitted by law, to retain all of our files concerning the Client and to hold all documents, monies, or other property of the Client then in our possession; and

(b) Mechanik Nuccio will have a lien, to the extent permitted by law, on all judgments, awards, damages or other assets or the proceeds thereof and all other monies which are recoverable or distributable to the Client as a result of any settlement, compromise, or court award then or thereafter obtained or achieved on its behalf in the matter whether by Client, by Mechanik Nuccio, or by any other attorneys who may succeed us in the matter.

12. **Federal Tax Advice:** The United States Treasury Department has issued certain Regulations *(the **"Treasury Regulations"**)* governing our ability to render written advice on federal tax issues, which includes the federal tax treatment of an item of income, gain, loss, deduction or credit, the existence or absence of a taxable transfer of property, or the value of property for federal tax purposes. During the course of our representation of you, Mechanik Nuccio may provide you, from time to time, with written advice regarding federal tax issues. This written advice may include letters, e-mails, or memoranda. Please note that as a result of the Treasury Regulations, any written advice provided to you may not be used or relied upon by you for the purpose of **(i)** avoiding tax-related penalties that may be imposed by the Internal Revenue Service, or **(ii)** promoting, marketing, or recommending to another party any tax-related matters addressed herein, unless the author of such advice should specifically provide in writing that it is intended to be a "reliance opinion" or a "covered opinion" as such terms are defined under applicable Treasury Regulations.

13. **Document and Record Status and Retention:** Some documents and records relating to our representation of you belong to us *(such as our administrative records, time and expense reports, billing and accounting records, personnel materials, document drafts, notes, internal memoranda, and our other internal records)*. Materials that belong to you ***("Client Materials")*** include only **(a)** materials that you supply to us, and **(b)** the final version of documents you retain us to create *(including executed and intended final forms of contracts, pleadings, trusts, offering documents, applications, questionnaires, analyses, and documents of that nature)*. You are entitled to receive any Client Materials in our possession upon your written request to us, subject only to your prior satisfaction in full of your Financial Obligations to us. However, you agree by your execution of this Addendum and the Accompanying Letter that Mechanik Nuccio may elect to destroy the Client Materials after six (6) years from the date on which time was last billed to the applicable matter. If we subsequently agree to transfer, destroy, or return any materials or records in a manner that is not in accordance with this Addendum and the Accompanying Letter ***(an "Exceptional Request")***, you further agree to pay **(i)** our time charges involved at a rate of $200 per hour for the time each person involved in satisfying such Exceptional Request spends in doing so, plus **(ii)** any verified other related expense we incur in doing so.

The Honorable Jim Scholl
Mayor, Monroe County
1100 Simonton Street,
Key West, Florida 33040

Dear Mayor Scholl,

FloridaCommerce has completed its review of the proposed comprehensive plan amendment for Monroe County (Amendment No. 25-01ACSC), which was received on January 23, 2025. FloridaCommerce has reviewed the proposed amendment in accordance with the state coordinated review process set forth in sections 163.3184(2) and (4), Florida Statutes (F.S.), for compliance with Chapter 163, Part II, F.S.

The attached Objections, Recommendations, and Comments Report outlines FloridaCommerce's findings concerning the amendment. FloridaCommerce does not identify any objections to the proposed amendment. However, FloridaCommerce is providing a comment. The comment is offered to assist the local government but will not form the basis for a determination of whether the amendment, if adopted, is "In Compliance" as defined in section 163.3184(1)(b), F.S. Copies of comments received by FloridaCommerce from reviewing agencies, if any, are also enclosed.

The County should act by choosing to adopt, adopt with changes, or not adopt the proposed amendment. For your assistance, the procedures for adoption and transmittal of the comprehensive plan amendment are enclosed.

The second public hearing, which shall be a hearing on whether to adopt one or more comprehensive plan amendments, **must be held within 180 days** of your receipt of FloridaCommerce's attached report, or the amendment will be deemed withdrawn unless extended by agreement with notice to FloridaCommerce and any affected party that provided comment on the amendment pursuant to section 163.3184(4)(e)1., F.S. **The adopted amendment must be transmitted to FloridaCommerce within ten working days after the final adoption hearing or the amendment shall be deemed withdrawn pursuant to section 163.3184(4)(e)2., F.S.**

Subject: Comments for the Monroe County Comprehensive Plan Amendment FDEO #25-01ACSC

Dear Ms. Cioffari:

Pursuant to Section 163.3184(3), Florida Statutes (F.S.), in its role as a reviewing agency as identified in Section 163.3184(1)(c), F.S., the Florida Department of Transportation, District Six, reviewed the proposed amendment to the Monroe County Comprehensive Plan. The proposed amendments modify the Future Land Use Map (FLUM).

The District reviewed the amendment package per Chapter 163 Florida Statutes and found the proposed text amendment would not adversely impact transportation resources and facilities of state importance.

Thank you for coordinating on the review of these proposed amendments with FDOT. If you have any questions, please do not hesitate to contact me by email at shereen.yeefong@dot.state.fl.us or at 305-470-5393.

Subject: [EXTERNAL] - Monroe County, DOC #25-1ACSC Comments on Proposed Comprehensive Plan Amendment Package

CAUTION - "This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe."

Dear Ms. Cioffari:

The South Florida Water Management District (District) has completed its review of the proposed amendment package submitted by Monroe County (County). The package includes a Future Land Use Map amendment to amend the subject property located at 24150 Overseas Highway from Residential Medium (RM) to Commercial (COMM). The proposed amendment has been reviewed pursuant to Section 163.3184, Florida Statutes, (F.S.). The proposed changes do not appear to adversely impact the water resources within the District; therefore, the District has no comments on the proposed amendment package. However, the District offers the following guidance regarding regional water supply planning:

Regional Water Supply Planning

The County is required to revise its Water Supply Facilities Work Plan (Work Plan) within 18 months after approval of the Lower East Coast (LEC) Water Supply Plan Update by the District's Governing Board. The District's Governing Board approved the 2023-2024 LEC Water Supply Plan Update on September 24, 2024. Therefore, the County's Work Plan needs to be updated and adopted by March 24, 2026. The Work Plan must cover at least a 10-year planning period, include updated water demand projections, identify alternative and traditional water supply projects, and describe conservation and activities needed to meet the projected future demands. Planning tools are available on the District's website for your use and District Staff are available to provide technical assistance to update the Work Plan, including reviewing draft Work Plans prior to formal plan amendment submittal. The planning tools are located at this link: https://www.sfwmd.gov/doing-business-with-us/work-plans.

District staff are available to meet by teleconference or in person to go over the comments above. Please contact me if you have any questions, need additional information, or would like to arrange a meeting. The District requests that the County forward a copy of the adopted amendments to the District at the following email mailbox address: SFLOCALGOVPLAN@sfwmd.gov.

MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

We strive to be caring, professional and fair

To: Monroe County Board of County Commissioners

Through: Emily Schemper, AICP, CFM, Growth Management Director

From: Barbara Powell, Planning Policy Advisor

Date: March 24, 2025

Subject: An Ordinance by the Monroe County Board of County Commissioners amending the Monroe County Future Land Use Map (FLUM) from Residential Medium (RM) to Commercial (COMM) for property located at 24150 Overseas Highway, Summerland Key, as requested by Maciej Jarzebowski (File 2024-030).

Meeting: April 16, 2025

I. REQUEST

On May 29, 2024, the Planning and Environmental Resources Department received an amended application from Spottswood, Spottswood, Spottswood, and Sterling PLCC, on behalf of Maciej Jarzebowski (the "Applicant") to amend the Monroe County Future Land Use Map (FLUM) from Residential Medium (RM) to Commercial (COMM) for property located at 24150 Overseas Highway, Summerland Key, (the "Property") currently having Parcel Identification Number 00190940-000200.

The Applicant has also requested a corresponding Land Use District (Zoning) Map amendment from Improved Subdivision (IS) to Commercial 1 (C1).

II. BACKGROUND INFORMATION

Site Information:

Location: MM 24, Summerland Key

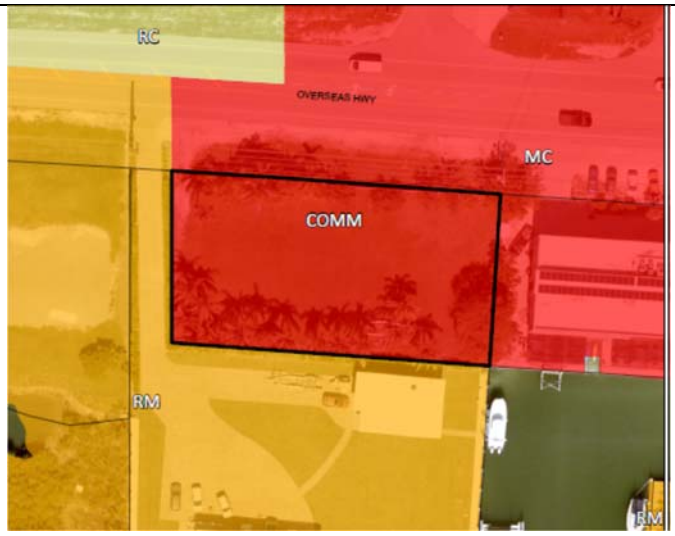
Addresses: 24150 Overseas Highway

Description: A portion of Lot 1, Dobie's Subdivision, according to the Plat thereof, as recorded in Plat Book 2, Page 95, and a portion of Lot 21, Block 2, Summerland Key Cove Addition No. 2, according to the plat thereof as recorded in Plat Book 4, Page 100, Public Records of Monroe County, Florida

Parcel Identification Numbers: 00190940-000200

Boundary: Affected parcel is outlined in **black** in the images below.

Applicant: Maciej Jarzebowski



Agent: Spottswood, Spottswood, Spottswood, and Sterling PLCC

Size of Properties (cumulative): 18,844.46 SF of upland area per survey by Florida Keys Land Surveying, signed and sealed by Eric A. Saacs, surveyed on February 23, 2022.

FLUM Designation: Residential Medium (RM); pending application to amend to Commercial (COMM)
Land Use District: Improved Subdivision (IS); pending application to amend to Suburban Commercial (SC)
Tier Designation: III
Flood Zone: AE10 and AE11
CBRS: No
Existing Permitted Use: Vacant Land
Existing Vegetation/Habitat: Undeveloped Land
Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, commercial, and public uses

Existing FLUM Designation

Proposed FLUM Designation

The Applicant states that the reason for the proposed FLUM amendment is:
"The property is directly on US Highway 1 and immediately adjacent to developed commercial uses. With this location characteristic. It is not suitable for residential purposes. . . The availability of residential ROGO allocation is uncertain in the future."

Concurrent Applications
File 2024-031: A corresponding Land Use District (LUD) map amendment for the Property, requesting to amend the LUD from Improved Subdivision (IS) to Commercial 1(C1).

Community Meeting and Public Participation
In accordance with LDC Section 102-159(a), a community meeting is required to be held. The virtual meeting was held on August 26, 2024, to discuss the proposed Future Land Use Map (FLUM) and corresponding Land Use District (Zoning) Map amendments and provide for public participation. There were two speakers and one attorney representing a speaker. The adjacent property owner expressed concern about a Commercial development close to his guesthouse and spoke about an ongoing trespassing issue with a different adjacent property. Another speaker expressed concern about commercial uses near residential.

Development Review Committee Meeting and Public Input
On September 24, 2024, the Development Review Committee Meeting considered the proposed amendment and provided for public input. Issues similar to those raised at the community meeting were again raised.

Planning Commission Meeting and Public Input
On October 23, 2024, the Planning Commission met and considered the proposed amendment, provided for public input and recommended approval through Resolution P21-24.

Van Fischer, representing the property adjacent to the subject property, stated that the property owners are concerned about negative effects to property value and potential disturbance from whatever activities may take place. County staff noted that Monroe County Land Development Code provides that properties zoned Commercial 1 adjoining properties zoned Improved Subdivision are required to install a Class D buffer (Sec. 114-126. - District Boundary Buffers). A Class D landscape buffer can be 20 feet or as little as 16 feet with a solid fence. The new use would be responsible for the buffer.

Board of County Commissioners Transmittal to State Land Planning Agency
On January 15, 2025, at a regularly scheduled meeting, the BOCC held a public hearing to consider the transmittal of the proposed Future Land Use Map amendment, considered the staff report, and provided for public comment and public participation in accordance with the requirements of state law and the procedures adoption for public participation in the planning process. The BOCC adopted Resolution 054-2025 transmitting the proposed amendment to the State Land Planning Agency (FloridaCommerce) for review and comment.

Following their review of the proposed amendment, the FloridaCommerce issued an Objections, Recommendations and Comments (ORC) report on March 24, 2025 (attached). The comment is offered to assist the local government but will not form the basis for a determination of whether the amendment, if adopted, is "In Compliance" as defined in section 163.3184(1)(b), F.S. FloridaCommerce provided the following comment:

> **Comment 1:** FloridaCommerce recommends that Monroe County coordinate with the South Florida Water Management District to address the comments from their February 17, 2025, correspondence regarding the Regional Water Supply Plan.

The South Florida Water Management District issued a comment letter and offered the following guidance regarding regional water supply planning:

> **Regional Water Supply Planning**
> The County is required to revise its Water Supply Facilities Work Plan (Work Plan) within 18 months after approval of the Lower East Coast (LEC) Water Supply Plan Update by the District's Governing Board. The District's Governing Board approved the 2023-2024 LEC Water Supply Plan Update on September 24, 2024. Therefore, the County's Work Plan needs to be updated and adopted by March 24, 2026. The Work Plan must cover at least a 10-year planning period, include updated water demand projections, identify alternative and traditional

water supply projects, and describe conservation and activities needed to meet the projected future demands. Planning tools are available on the District's website for your use and District Staff are available to provide technical assistance to update the Work Plan, including reviewing draft Work Plans prior to formal plan amendment submittal. The planning tools are located at this link: https://www.sfwmd.gov/doing-business-with-us/work-plans.

Staff has begun the process of adoption of a new Water Supply Plan (File# 2025-041).

Prior Relevant BOCC Action

On July 22, 2019, the Planning & Environmental Resources Department a Plat Lot Line Adjustment of the common lot lines shared between Lots 21 , Block 2, Summerland Key Cove Addition No. 2 (PB4-IOO) and Lot I, Amended Plat of Dobie's Subdivision (PB2- 135), having Real Estate number 00190940-000000; Lot 2, Amended Plat of Dobie's Subdivision (PB2-135), having Real Estate number 00188710-000000; and Lot 3, Amended Plat of Dobie's Subdivision (PB2-135), having Real Estate number 00188720-000000.

On May 17, 2023, the Monroe County Board of County Commissioners approved Ordinance No. 010-2023 which amended the Tier Map Overlay designation for the subject property identified as currently bearing Property Identification Number 00190940-000200 to be amended from Tier III-A (SPA) to Tier III.

III. AMENDMENT REVIEW

FLUM Category Comparisons

Existing

Policy 101.5.3:

The principal purpose of the Residential Medium (RM) future land use category is to recognize those portions of subdivisions that were lawfully established and improved prior to the adoption of this plan and to define improved subdivisions as those lots served by a dedicated and accepted existing roadway, have an approved potable water supply, and have sufficient uplands to accommodate the residential uses. Development on vacant land within this land use category shall be limited to one residential dwelling unit for each such platted lot or parcel which existed on or before January 4, 1996.

Proposed

Policy 101.5.8:

The principal purpose of the Commercial (COMM) future land use category is to provide for the establishment of commercial zoning districts where various types of commercial retail; highway-oriented sales and services; commercial recreation; light industrial; public, institutional and office uses may be permitted at intensities which are consistent with the community character and the natural environment. The commercial zoning districts established within this category are intended to serve the immediate vicinity or serve the Upper or Lower subarea. This category is not intended to accommodate transient or permanent residential development.

In order to protect environmentally sensitive lands, the following development controls shall apply to all Tier I lands within this land use category:

1. only low intensity commercial uses shall be allowed; and
2. a maximum floor area ratio of 0.15 shall apply. (Ord. No. 010-2013)

Maximum Development Potential by FLUM Designation and Land Use District (Zoning)			
Existing Zoning/FLUM	**Type**	**Adopted Standards**	**Development Potential**

Maximum Density and Intensity by Land Use District

The table above provides a comparison of the development potential for residential, transient and commercial development of the Properties under the existing Land Use (zoning) District and FLUM category as compared to the proposed, amended, zoning district and FLUM. Section 130-156(b) of the Land Development Code states: "The density and intensity provisions set out in this section are intended to be applied cumulatively so that no development shall exceed the total density limits of this article. For example, if a development includes both residential and commercial development, the total gross amount of development shall not exceed the cumulated permitted intensity of the parcel proposed for development."

As shown in the orange portion of the table, the proposed FLUM amendment (from RM to COMM) with the C1 LUD would result in **a decrease of allocated market rate density and an increase in nonresidential intensity**. The TDR/market rate residential maximum net density, affordable residential maximum net density, and transient density would remain at 0.

Any new or expanded nonresidential floor area would require an NROGO allocation in accordance with LDC Section 138-49.

The total amount of new nonresidential floor area that could be constructed on either of the Properties would be dependent on the size of the property to be developed and the actual use proposed. Below is a table detailing the maximum floor area ratios permitted based on proposed use within the Commercial 1 LUD in accordance with LDC Section 130-164.

Use within Commercial 1 (C1)	**Maximum Floor Area Ratio**
Low Intensity Commercial Retail or Restaurant	0.35
Medium Intensity Commercial Retail or Restaurant	0.25
High Intensity Commercial Retail or Restaurant	0.15
Office	0.40
Light Industrial	0.30
Institutional	0.30
Public Buildings/Uses	0.30
Commercial Recreation	0.25

Compliance with Comprehensive Plan Policy 101.5.26

The proposed FLUM amendment from RM to COMM results in a decrease of residential allocated density on the Properties and therefore eliminates the need to mitigate under Policy 101.5.26.

Compatibility with the Surrounding Area

a. Existing Vegetation/Habitat: Undeveloped Land, Impervious Surface
b. Existing Tier Designation: III, Tier I properties across US 1
c. Number of Listed Endangered or Threatened Species: 0

d. Existing Use: Vacant
e. Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, restaurant, commercial, and public uses

Concurrency Analysis (Comprehensive Plan Policy 101.1.1)
Monroe County shall ensure that all development and redevelopment taking place within its boundaries does not result in a reduction of the level-of-service requirements established and adopted by this comprehensive plan. Further, Monroe County shall ensure that comprehensive plan amendments include an analysis of the availability of facilities and services or demonstrate that the adopted levels of service can be reasonably met.

Traffic Circulation (Comprehensive Plan Policy 301.1.2)
The Properties are located on Overseas Highway/ U.S. 1 on Summerland Key at approximate mile marker 24. Pursuant to the Comprehensive Plan, the level of service standard for US 1 is LOS of "C." According to the 2021 US 1 Arterial Travel Time and Delay Study, US 1 overall is operating at a LOS of "C" and Segment 7 on Summerland Key (MM 23.0 to MM 25.0) is operating at a LOS of "B."

At the time of development approval, a trip generation analysis will be required to be submitted in order to verify sufficient roadway capacity. According to the 2021 US 1 Arterial Travel Time and Delay Study, the maximum reserve volume for Segment 7 is 2,040 trips.

Potable Water (Comprehensive Plan Policy 701.1.1)
Florida Keys Aqueduct Authority's water treatment facility in Florida City has a maximum water treatment design capacity of 29.8 million gallons per day (MGD) and is capable of treating up to 23.8 MGD. The annual average daily demand in Monroe County is 17.79 MGD.

The proposed FLUM amendment would decrease permanent allocated residential density beyond what is already permitted. The proposed FLUM amendment is not anticipated to adversely impact the LOS for potable water.

Solid Waste (Comprehensive Plan Policy 801.1.1)
Monroe County has a contract with Waste Management authorizing the use of in-state facilities through September 30, 2024. Currently, there is adequate capacity for solid waste generation. All commercial solid waste is handled by private contract.

Sanitary Sewer (Comprehensive Plan Policy 901.1.1
The County has adopted water quality treatment standards for wastewater facilities and within the Sanitary Wastewater Treatment Master Plan, Exhibit 3-8, has stated the LOS standard for residential and nonresidential flow is 167 gallons per day per equivalent dwelling unit (EDU). The proposed FLUM amendment would decrease the permanent allocated residential density. The combined average flows of the Cudjoe Regional Wastewater Treatment System are 620,000 gpd, whereas the plant capacity is 940,000 gpd.[1] Any proposed development on the site will either need to connect to the Cudjoe Regional Wastewater Treatment District central sewer system or provide on-site sewage treatment and disposal that meets the LOS standards in Policy 901.1.1.

[1] FINAL – 2023–2024 Lower East Coast Water Supply Plan Update | Appendix E-46

The proposed FLUM amendment is not anticipated to adversely impact the LOS for traffic, potable water, solid waste nor sanitary sewer.

IV. CONSISTENCY WITH THE MONROE COUNTY YEAR 2030 COMPREHENSIVE PLAN, THE LOWER KEYS LIVABLE COMMUNIKEYS PLAN, THE MONROE COUNTY LAND DEVELOPMENT CODE, AND THE PRINCIPLES FOR GUIDING DEVELOPMENT

A. The proposed amendment <u>is consistent</u> with the Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan. Specifically, it furthers:

Goal 101
Monroe County shall manage future growth to enhance the quality of life, ensure the safety of County residents and visitors, and protect valuable natural resources.

Objective 101.4
Monroe County shall regulate nonresidential development to maintain a balance of land uses to serve the needs of the future population of Monroe County.

Policy 101.4.1
Monroe County shall maintain a Permit Allocation System for new nonresidential floor area, known as the Nonresidential Rate of Growth Ordinance (NROGO) System. Monroe County shall maintain a balance between residential and nonresidential growth by limiting the floor area of new nonresidential development available within the County to maintain a maximum of 47,083 square feet of floor area per NROGO year. The nonresidential allocation allowed by this policy shall be distributed on an annual basis, pursuant to Policy 101.4.3. The NROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs**).**

Objective 101.5
Monroe County shall regulate future development and redevelopment to maintain and enhance the character of the community and protect natural resources by providing for the compatible distribution of land uses consistent with the designations shown on the Future Land Use Map.

Policy 101.5.8
The principal purpose of the Commercial (COMM) future land use category is to provide for the establishment of commercial zoning districts where various types of commercial retail; highway-oriented sales and services; commercial recreation; light industrial; public, institutional and office uses may be permitted at intensities which are consistent with the community character and the natural environment. The commercial zoning districts established within this category are intended to serve the immediate vicinity or serve the Upper or Lower subarea. This category is not intended to accommodate transient or permanent residential development.

In order to protect environmentally sensitive lands, the following development controls shall apply to all Tier I lands within this land use category:

1. only low intensity commercial uses shall be allowed; and
2. a maximum floor area ratio of 0.15 shall apply. (Ord. No. 010-2013)

Policy 101.5.25

Monroe County hereby adopts the following density and intensity standards for the future land use categories, which are shown on the FLUM and described in Policies 101.5.1 - 101.5.20.

Future Land Use Densities and Intensities				
Future Land Use Category and Corresponding Zoning	Residential [l]		Nonresidential	Minimum Open Space Ratio [c]
	Allocated Density [a] (per upland acre)	Maximum Net Density [a] [b] (per buildable acre)	Maximum Intensity (floor area ratio)	
Commercial (COMM) (C1 and C2 zoning)	0 du 0 rooms/spaces	N/A N/A	0.15—0.50	0.20

Policy 101.5.26

In order to continue to implement the Florida Keys Carrying Capacity Study, Monroe County shall promote the reduction in overall County residential density and the preservation of Monroe County's native habitat by enacting legislation which implements the following policy statements for private applications for future land use map amendments which increase allowable residential allocated density. Private application(s) means those applications from private entities with ownership of the upland development and parcel(s) of land or includes private upland development on County-owned land.

Per the Applicant: *The current density for the parcel is 1 unit per lot. With the change to COMM there is no allowed residential density of any type. Therefore, this change of land use district will not change the overall density in the County and therefore Policy 101.5.26 requirements for offsetting density decreases elsewhere is not triggered.*

Objective 101.19

Monroe County shall address local community needs while balancing the needs of all Monroe County communities. These efforts shall focus on the human crafted environment and shall be undertaken through the Livable CommuniKeys Planning Program.

Policy 101.19.2

The Community Master Plans shall be incorporated into the 2030 Comprehensive Plan as a part of the plan and be implemented as part of the Comprehensive Plan. The following Community Master Plans have been completed in accordance with the principles outlined in this section and adopted by the Board of County Commissioners:

6. The Lower Keys Livable CommuniKeys Plan is incorporated by reference into the Monroe County Comprehensive Plan. Adopted By Ordinance 031-2012.

Goal 102
Monroe County shall direct future growth to lands which are most suitable for development and shall encourage conservation and protection of environmentally sensitive lands (wetlands, beach berm and tropical hardwood hammock).

Objective 102.3
Monroe County shall maintain land development regulations which will direct new development to areas having appropriate topography and soil conditions and to where site disturbance and man's activities will have fewer adverse effects on natural vegetation, terrestrial wildlife, natural landforms and marine resources.

Objective 105.1
Monroe County shall continue to implement smart growth initiatives in conjunction with its Livable CommuniKeys and Land Acquisition Programs which promote innovative and flexible development processes to preserve the natural environment, maintain and enhance the community character and quality of life, redevelop blighted commercial and residential areas, remove barriers to design concepts, reduce sprawl, and direct future growth to appropriate infill areas.

Policy 105.1.3
Monroe County shall, through its development standards and Land Development Code, continue to foster the retention and redevelopment of small businesses on the U.S.1.

B. The proposed amendment <u>is consistent</u> with the Lower Keys Livable CommuniKeys Plan Specifically it furthers:

Goal 1:
Monroe County shall manage future growth to preserve the rural or low density community character, protect the natural environment of the Lower Keys, and maintain and encourage commercial revitalization along the U.S. 1 corridor. Community character includes the cultural/traditional heritage, physical character, and scale of the businesses that serve the local community in the Lower Keys area.

Objective 1.1
Monroe County shall continue to manage the rate of residential and non-residential growth in the Lower Keys to maintain adequate levels of service and ensure a balance of land use to serve the existing and future population. Use of the Tier System as the primary means to conserve natural areas, focus state and county acquisition programs, manage growth in transition areas, and guide development to areas most appropriate for new infill development and redevelopment.

Policy Item 1.1.1:
Monroe County is recommended to conduct an analysis, as part of the Comprehensive Plan Update, to determine the Lower Keys "fair share" of projected residential and non-residential growth based on assessments of the availability of appropriate sites for development (vacant, unconstrained lots in improved subdivisions, vacant sites along U.S. 1, and developed properties deemed appropriate or

prone to redevelopment), the existing and projected demand for commercial services, and the community's desire to support and improve existing businesses that serve the local community.

Objective 1.4
Monroe County shall encourage programs and initiatives to promote the retention of existing and the creation of new businesses along the U.S. 1 Corridor that serve the local community.

Policy Item 1.4.4:
To protect the viability of existing businesses and prevent additional strip commercial development along U.S. 1, Monroe County is encouraged to not support the designation of new commercial land use districts outside areas currently designated Mixed Use/Commercial on the Future Land Use Map. Changes in the existing boundaries of the Mixed Use/Commercial land use category may only occur as part of the Community Center designation process.

Objective 1.5
Monroe County shall conduct an evaluation to determine the extent of areas along the U.S. 1 corridor for compact mixed use development and prepare changes in policy and land development regulations to encourage appropriate investment, conserve natural areas, support businesses that serve the local community, and ensure compatibility with adjacent residential areas.

Policy Item 1.5.1:
The following areas designated as Mixed Use Commercial on the FLUM may be evaluated to determine their potential for designation as Community Centers.

- Lower Sugarloaf Key (MM 16-17)
- Cudjoe Key (MM 22-23)
- Summerland Key (MM 24-25)
- Ramrod Key (MM 26.5-27.5)

D. For text amendments to the Comprehensive Plan and FLUM amendments, the BOCC must also consider the analyses identified in Chapter 163, Florida Statutes and must find that the amendment is consistent with the principles for guiding development as defined in Section 380.0552, Florida Statutes.

Per the Applicant,

For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with the principles for guiding development and any amendments to the principles, the principles shall be construed as a whole and no specific provision shall be construed or applied in isolation from the other provisions.

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
(b) Protecting shoreline and benthic resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.

(c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.
(e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
(f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.
(g) Protecting the historical heritage of the Florida Keys.
(h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed major public investments, including:
    1. The Florida Keys Aqueduct and water supply facilities;
    2. Sewage collection, treatment, and disposal facilities;
    3. Solid waste treatment, collection, and disposal facilities;
    4. Key West Naval Air Station and other military facilities;
    5. Transportation facilities;
    6. Federal parks, wildlife refuges, and marine sanctuaries;
    7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
    8. City electric service and the Florida Keys Electric Co-op; and
    9. Other utilities, as appropriate.
(i) Protecting and improving water quality by providing for the construction, operation, maintenance, and replacement of stormwater management facilities; central sewage collection; treatment and disposal facilities; and the installation and proper operation and maintenance of onsite sewage treatment and disposal systems.
(j) Ensuring the improvement of nearshore water quality by requiring the construction and operation of wastewater management facilities that meet the requirements of ss. 381.0065(4)(l) and 403.086(10), as applicable, and by directing growth to areas served by central wastewater treatment facilities through permit allocation systems.
(k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.
(l) Making available adequate affordable housing for all sectors of the population of the Florida Keys.
(m) Providing adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a postdisaster reconstruction plan.
(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is not inconsistent with the Principles for Guiding Development as a whole and is not inconsistent with any Principle.

E. In no event shall an amendment be approved which will result in an adverse change in community character to the sub-area which a proposed amendment affects or to any area in accordance with a Livable CommuniKeys master plan pursuant to findings of the BOCC.

Per the Applicant, "The Livable CommuniKeys Plan recognizes the commercial areas immediately next door that contain the offices and labs of the Mote Marina Institute which may be a potential user of any facility that could be developed with a change to SC [C1][2] zoning. This change of destination supports the CommuniKeys goal of further limiting the residential density of the Lower Keys."

Staff does not anticipate that approval of the proposed amendment of the FLUM to result in an adverse change in community character to the sub-area which the proposed amendment affects.

V. PROCESS

Any landowner or other person having a contractual interest in property desiring to petition the BOCC for an amendment to the land use (zoning) district map, overlay district map or FLUM shall be required to file an application with the Planning Director accompanied by a nonrefundable application fee as established from time to time by the BOCC to defray the actual cost of processing the application. After receipt, the Planning Director and his or her staff shall review the proposed amendment and present it with a recommendation of approval or denial to the Development Review Committee for review and comment. Staff shall make a recommendation to the Planning Commission.

The Planning Commission shall review the application, the reports and recommendations of the Planning and Environmental Resources Department, the comments of the Development Review Committee, and the testimony given at the public hearing, and shall submit its recommendations and findings to the BOCC.

The BOCC shall consider the reports and recommendation of the Planning Commission, Planning and Environmental Resources Department staff, and the testimony given at the public hearings.

VII. STAFF RECOMMENDATION

Staff recommends approval of the proposed FLUM amendment from Residential Medium (RM) to Commercial (COMM) for properties located at 24150 Overseas Highway Summerland Key.

MONROE COUNTY, FLORIDA
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS
ORDINANCE NO. ____ - 2025

AN ORDINANCE BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS AMENDING THE MONROE COUNTY FUTURE LAND USE MAP FROM RESIDENTIAL MEDIUM (RM) TO COMMERCIAL (COMM), FOR PROPERTY LOCATED AT 24150 OVERSEAS HIGHWAY, SUMMERLAND KEY, LEGALLY DESCRIBED AS A PORTION OF LOT 1, DOBIE'S SUBDIVISION, ACCORDING TO THE PLAT THEREOF, DULY RECORDED IN PLAT BOOK 2, PAGE 95, AND A PORTION OF LOT 21, BLOCK 2, SUMMERLAND COVE, ADDITION 2, ACCORDING TO THE PLAT THEREOF, DULY RECORDED IN PLAT BOOK 4, PAGE 100, OF THE PUBLIC RECORDS OF MONROE COUNTY, CURRENTLY HAVING PARCEL IDENTIFICATION NUMBER 00190940-000200; AS PROPOSED BY MACIEJ JARZEBOWSKI; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY AND THE SECRETARY OF STATE; PROVIDING FOR INCLUSION IN THE MONROE COUNTY COMPREHENSIVE PLAN AND FOR AMENDMENT TO THE FUTURE LAND USE MAP; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, on May 29, 2024, the Planning and Environmental Resources Department received an amended application from Spottswood, Spottswood, Spottswood, and Sterling PLCC, on behalf of Maciej Jarzebowski "Applicant" to amend the Monroe County Future Land Use Map (FLUM) from Residential Medium (RM) to Commercial (COMM) for property located at 24150 Overseas Highway, Summerland Key; and

WHEREAS, the Applicant has also requested a corresponding Land Use (Zoning) District map amendment for the subject property from Improved Subdivision (IS) to Commercial 1 (C1); and

WHEREAS, the Monroe County Development Review Committee (DRC) considered the proposed amendment at a regularly scheduled meeting held on July 22, 2024; and

WHEREAS, the Monroe County Planning Commission held a public hearing on the September 25, 2024, for review and recommendation on the proposed Future Land Use Map amendment; and

WHEREAS, the Monroe County Planning Commission made the following findings of fact and conclusions of law:

1. The proposed FLUM is not anticipated to adversely impact the community character of the surrounding area;
2. The proposed FLUM is not anticipated to adversely impact the Comprehensive Plan adopted Level of Service (LOS);
3. The proposed amendment is consistent with the Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan; and
4. The proposed amendment is consistent with the Principles for Guiding Development for the Florida Keys Area of Critical State Concern, Sec. 380.0552(7), F.S.;
5. The proposed amendment is consistent with Part II of Chapter 163, Florida Statute; and
6. The proposed amendment will not result in an adverse change in community character to the sub-area which a proposed amendment affects or to any area in accordance with the Lower Keys Livable Communikeys Master Plan pursuant to findings of the BOCC.

WHEREAS, the Monroe County Planning Commission adopted Resolution No. P21-24 recommending to the Monroe County Board of County Commissioners approval of the proposed amendment; and

WHEREAS, at a regular meeting held on the 15th day of January, 2025, the Monroe County Board of County Commissioners held a public hearing to consider the transmittal of the proposed amendment, considered the staff report and provided for public comment and public participation in accordance with the requirements of state law and the procedures adopted for public participation in the planning process; and

WHEREAS, the State Land Planning Agency reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) report on March 24, 2025, received by the County on March 24, 2025 and

WHEREAS, the ORC report did not identify any objections, but did identify a comment to the proposed amendment; and

WHEREAS, the County has 180 days from the date of receipt of the ORC to adopt the proposed amendment, adopt the amendment with changes or not adopt the amendment; and

WHEREAS, at a regularly scheduled meeting on the 16th day of April, 2025, the BOCC held a public hearing to consider adoption of the proposed Comprehensive Plan text amendment;

NOW, THEREFORE, BE IT ORDAINED BY THE MONROE COUNTY BOARD OF COUNTY COMMISSIONERS:

Section 1. The foregoing recitals, findings, and conclusions, are hereby adopted and incorporated as if fully set forth herein.

Section 2. The Future Land Use Map of the Monroe County 2030 Comprehensive Plan is amended as follows:

> The property located at 24150 Overseas Highway, Summerland Key, having Parcel ID Number 00190940-000200, is changed from Residential Medium (RM) to Commercial (COMM) as shown on Exhibit 1, attached hereto and incorporated herein.

Section 3. Severability. If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

Section 4. Repeal of Inconsistent Provisions. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

Section 5. Transmittal. This ordinance shall be transmitted by the Director of Planning to the State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.

Section 6. Filing and Effective Date. This ordinance shall be filed in the Office of the secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance, and if challenged, until such challenge is resolved pursuant to Chapter 120, Florida Statutes.

Section 7. Inclusion in the Comprehensive Plan. The foregoing amendment shall be incorporated in the Monroe County Comprehensive Plan and included on the Future Land Use Map.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular meeting held on the ____day of_____,_____.

A Public Hearing to Consider Adoption of an Ordinance, as Proposed by Maciej Jarzebowski, Amending the Land Use District (LUD) Map from Improved Subdivision (IS) to Commercial 1 (C1) for Property Located at 24150 Overseas Highway, Summerland Key, More Particularly Described as a Portion of Lot 1, Dobies Subdivision, According to the Plat Thereof, Recorded at Plat Book 2, Page 95, Official Records of Monroe County, and a Portion Of Lot 21, Block 2, Summerland Cove, Addition 2, According to the Plat Thereof, Recorded at Plat Book 4, Page 100, Official Records of Monroe County, Currently Having Property Identification Number 00190940-000200.

ITEM BACKGROUND:

On May 29, 2024, the Planning and Environmental Resources Department received an amended application from Spottswood, Spottswood, Spottswood, and Sterling PLCC, on behalf of Maciej Jarzebowski (the "Applicant") to amend the Land Use District (LUD) Map amendment from Improved Subdivision (IS) to Commercial 1 (C1) for property located at 24150 Overseas Highway, Summerland Key, (the "Property") currently having Parcel Identification Number 00190940-000200.

See professional staff report for full analysis.

PREVIOUS RELEVANT BOCC ACTION:

On May 17, 2023, the Monroe County Board of County Commissioners ("BOCC") approved Ordinance No. 010-2023 which amended the Tier Map Overlay designation for the subject property identified as currently bearing Parcel ID No. 00190940-000200 to be amended from Tier III-A ("SPA") to Tier III.

On January 15, 2025, the BOCC adopted Resolution 054-2025 transmitting the corresponding proposed

Future Land Use Map (FLUM) amendment to the State Land Planning Agency (Florida Commerce) for review and comment.

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

We strive to be caring, professional and fair

To: Monroe County Board of County Commissioners

Through: Emily Schemper, AICP, CFM, Growth Management Director

From: Barbara Powell, Planning Policy Advisor

Date: March 24, 2025

Subject: An Ordinance by the Monroe County Board of County Commissioners amending the the Land Use District (Zoning) Map from Improved Subdivision (IS) to Commercial 1 (C1) for Property Located at 24150 Overseas Highway, Summerland Key, More Particularly Described as a Portion of Lot 1, Dobies Subdivision, According to the Plat Thereof, Recorded at Plat Book 2, Page 95, Official Records of Monroe County, and a Portion Of Lot 21, Block 2, Summerland Cove, Addition 2, According to the Plat Thereof, Recorded at Plat Book 4, Page 100, Official Records of Monroe County, Currently Having Property Identification Number 00190940-000200, as Requested by Maciej Jarzebowski. (File 2024-030).

Meeting: April 16, 2025

I. REQUEST

On May 29, 2024, the Planning and Environmental Resources Department received an amended application from Spottswood, Spottswood, Spottswood, and Sterling PLCC, on behalf of Maciej Jarzebowski (the "Applicant") to amend the Land Use District (Zoning) Map amendment from Improved Subdivision (IS) to Commercial 1 (C1) for property located at 24150 Overseas Highway, Summerland Key, (the "Property") currently having Parcel Identification Number 00190940-000200.

The Applicant has also requested a corresponding Future Land Use Map (FLUM) from Residential Medium (RM) to Commercial (COMM).

Existing LUD (Zoning) Designation

Proposed LUD (Zoning) Designation

II. BACKGROUND INFORMATION

Site Information:

Location: MM 24, Summerland Key

Addresses: 24150 Overseas Highway

Description: A portion of Lot 1, Dobie's Subdivision, according to the Plat thereof, as recorded in Plat Book 2, Page 95, and a portion of Lot 21, Block 2, Summerland Key Cove Addition No. 2, according to the plat thereof as recorded in Plat Book 4, Page 100, Public Records of Monroe County, Florida

Parcel Identification Numbers: 00190940-000200

Boundary: Affected parcel is outlined in **black** in the images above.

Applicant: Maciej Jarzebowski

Agent: Spottswood, Spottswood, Spottswood, and Sterling PLCC

Size of Properties (cumulative): 18,844.46 SF of upland area per survey by Florida Keys Land Surveying, signed and sealed by Eric A. Saacs, surveyed on February 23, 2022.

FLUM Designation: Residential Medium (RM); pending application to amend to Commercial (COMM)

Land Use District: Improved Subdivision (IS); pending application to amend to Suburban Commercial (SC)

Tier Designation: III

Flood Zone: AE10 and AE11

CBRS: No

Existing Permitted Use: Vacant Land

Existing Vegetation/Habitat: Undeveloped Land

Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, commercial, and public uses

The Applicant states that the reason for the proposed LUD (Zoning) amendment is:
"The property is directly on US Highway 1 and immediately adjacent to developed commercial uses. With this location characteristic. It is not suitable for residential purposes. . . The availability of residential ROGO allocation is uncertain in the future."

Concurrent Applications

File 2024-030: The Applicant has also requested a corresponding Future Land Use Map (FLUM) from Residential Medium (RM) to Commercial (COMM).

Community Meeting and Public Participation

In accordance with LDC Section 102-159(a), a community meeting is required to be held. The virtual meeting was held on August 26, 2024, to discuss the proposed Future Land Use Map (FLUM) and corresponding Land Use District (Zoning) Map amendments and provide for public participation. There were two speakers and one attorney representing a speaker. The adjacent property owner expressed concern about a Commercial development close to his guesthouse and spoke about an ongoing trespassing issue with a different adjacent property. Another speaker expressed concern about commercial uses near residential.

Development Review Committee Meeting and Public Input

On September 24, 2024, the Development Review Committee Meeting considered the proposed amendment and provided for public input. Issues similar to those raised at the community meeting were again raised.

Planning Commission Meeting and Public Input

On October 23, 2024, the Planning Commission met and considered the proposed amendment, ~~and~~ provided for public input and recommended approval through Resolution P22-24.

Van Fischer, representing the property adjacent to the subject property, stated that the property owners are concerned about negative effects to property value and potential disturbance from whatever activities may take place. County staff noted that Monroe County Land Development Code provides that properties zoned Commercial 1 adjoining properties zoned Improved Subdivision are required to install a Class D buffer (Sec. 114-126. - District Boundary Buffers). A Class D landscape buffer can be 20 feet or as little as 16 feet with a solid fence. The new use would be responsible for the buffer.

Prior Relevant BOCC Action

On July 22, 2019, the Planning & Environmental Resources Department a Plat Lot Line Adjustment of the common lot lines shared between Lots 21 , Block 2, Summerland Key Cove Addition No. 2 (PB4-IOO) and Lot I, Amended Plat of Dobie's Subdivision (PB2- 135), having Real Estate number 00190940-000000; Lot 2, Amended Plat of Dobie's Subdivision (PB2-135), having Real Estate number 00188710-000000; and Lot 3, Amended Plat of Dobie's Subdivision (PB2-135), having Real Estate number 00188720-000000.

On May 17, 2023 the Monroe County Board of County Commissioners approved Ordinance No. 010-2023 which amended the Tier Map Overlay designation for the subject property identified as currently bearing Property Identification Number 00190940-000200 to be amended from Tier III-A (SPA) to Tier III.

III. AMENDMENT REVIEW

Land Use Designation (Zoning) Comparisons

Existing

Sec. 130-36. Purpose of the Improved Subdivision District (IS).

The purpose of the IS district is to accommodate the legally vested residential development rights of the owners of lots in subdivisions that were lawfully established and improved prior to the adoption of this LDC. For the purpose of this section, improved lots are those that are served by a dedicated and accepted existing road of porous or nonporous material, that have an approved potable water supply, and that have sufficient uplands to accommodate the proposed use in accordance with the required setbacks. This district is not intended to be used for new land use districts of this classification within the county.

Proposed

Sec. 130-28. Purpose of the Commercial 1 District (C1).

The purpose of the C1 district is to establish areas for commercial retail, public, institutional and office uses designed and intended primarily to serve the needs of immediately surrounding residential areas. This district should be established at locations convenient and accessible to residential uses to reduce trips on U.S. 1.

Maximum Development Potential by FLUM Designation and Land Use District (Zoning)

Maximum Density and Intensity by Land Use District

The table above provides a comparison of the development potential for residential, transient and commercial development of the Properties under the existing Land Use (zoning) District and FLUM category as compared to the proposed, amended, zoning district and FLUM. Section 130-156(b) of the Land Development Code states: "The density and intensity provisions set out in this section are intended to be applied cumulatively so that no development shall exceed the total density limits of this article. For example, if a development includes both residential and commercial development, the total gross amount of development shall not exceed the cumulated permitted intensity of the parcel proposed for development."

As shown in the orange portion of the table, the proposed LUD amendment would result in **a decrease of allocated market rate density and an increase in nonresidential intensity**. The TDR/market rate residential maximum net density, affordable residential maximum net density, and transient density would remain at 0.

Any new or expanded nonresidential floor area would require an NROGO allocation in accordance with LDC Section 138-49.

The total amount of new nonresidential floor area that could be constructed on the Property would be dependent on the size of the property to be developed and the actual use proposed. Below is a table detailing the maximum floor area ratios permitted based on proposed use within the Commercial 1 LUD in accordance with LDC Section 130-164.

Use within Commercial 1 (C1)	**Maximum Floor Area Ratio**
Low Intensity Commercial Retail or Restaurant	0.35
Medium Intensity Commercial Retail or Restaurant	0.25
High Intensity Commercial Retail or Restaurant	0.15
Office	0.40

Light Industrial	0.30
Institutional	0.30
Public Buildings/Uses	0.30
Commercial Recreation	0.25

Compliance with Comprehensive Plan Policy 101.5.26

The proposed Zoning amendment from Improved Subdivision to Commercial 1 and corresponding Future Land Use Map (FLUM) amendment from Residential Medium to Commercial eliminates all residential allocated density on the Properties and therefore eliminates the need to mitigate under Policy 101.5.26.

Compatibility with the Surrounding Area

a. Existing Vegetation/Habitat: Undeveloped Land, Impervious Surface
b. Existing Tier Designation: III, Tier I properties across US 1
c. Number of Listed Endangered or Threatened Species: 0
d. Existing Use: Vacant
e. Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, restaurant, commercial, and public uses

Concurrency Analysis (Comprehensive Plan Policy 101.1.1)

Monroe County shall ensure that all development and redevelopment taking place within its boundaries does not result in a reduction of the level-of-service requirements established and adopted by this comprehensive plan. Further, Monroe County shall ensure that comprehensive plan amendments include an analysis of the availability of facilities and services or demonstrate that the adopted levels of service can be reasonably met.

Traffic Circulation (Comprehensive Plan Policy 301.1.2)

The Properties are located on Overseas Highway/ U.S. 1 on Summerland Key at approximate mile marker 24. Pursuant to the Comprehensive Plan, the level of service standard for US 1 is LOS of "C." According to the 2021 US 1 Arterial Travel Time and Delay Study, US 1 overall is operating at a LOS of "C" and Segment 7 on Summerland Key (MM 23.0 to MM 25.0) is operating at a LOS of "B."

At the time of development approval, a trip generation analysis will be required to be submitted in order to verify sufficient roadway capacity. According to the 2021 US 1 Arterial Travel Time and Delay Study, the maximum reserve volume for Segment 7 is 2,040 trips.

Potable Water (Comprehensive Plan Policy 701.1.1)

Florida Keys Aqueduct Authority's water treatment facility in Florida City has a maximum water treatment design capacity of 29.8 million gallons per day (MGD) and is capable of treating up to 23.8 MGD. The annual average daily demand in Monroe County is 17.79 MGD.

The proposed FLUM amendment would decrease permanent allocated residential density beyond what is already permitted. The proposed FLUM amendment is not anticipated to adversely impact the LOS for potable water.

Solid Waste (Comprehensive Plan Policy 801.1.1)

Monroe County has a contract with Waste Management authorizing the use of in-state facilities through September 30, 2024. Currently, there is adequate capacity for solid waste generation. All commercial solid waste is handled by private contract.

Sanitary Sewer (Comprehensive Plan Policy 901.1.1

The County has adopted water quality treatment standards for wastewater facilities and within the Sanitary Wastewater Treatment Master Plan, Exhibit 3-8, has stated the LOS standard for residential and nonresidential flow is 167 gallons per day per equivalent dwelling unit (EDU). The proposed FLUM amendment would decrease the permanent allocated residential density. The combined average flows of the Cudjoe Regional Wastewater Treatment System are 620,000 gpd, whereas the plant capacity is 940,000 gpd.[1] Any proposed development on the site will either need to connect to the Cudjoe Regional Wastewater Treatment District central sewer system or provide on-site sewage treatment and disposal that meets the LOS standards in Policy 901.1.1.

The proposed FLUM amendment is not anticipated to adversely impact the LOS for traffic, potable water, solid waste nor sanitary sewer.

IV. CONSISTENCY WITH THE MONROE COUNTY YEAR 2030 COMPREHENSIVE PLAN, THE LOWER KEYS LIVABLE COMMUNIKEYS PLAN, THE MONROE COUNTY LAND DEVELOPMENT CODE, AND THE PRINCIPLES FOR GUIDING DEVELOPMENT

A. The proposed amendment is consistent with the Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan. Specifically, it furthers:

Goal 101

Monroe County shall manage future growth to enhance the quality of life, ensure the safety of County residents and visitors, and protect valuable natural resources.

Objective 101.4

Monroe County shall regulate nonresidential development to maintain a balance of land uses to serve the needs of the future population of Monroe County.

Policy 101.4.1

Monroe County shall maintain a Permit Allocation System for new nonresidential floor area, known as the Nonresidential Rate of Growth Ordinance (NROGO) System. Monroe County shall maintain a balance between residential and nonresidential growth by limiting the floor area of new nonresidential development available within the County to maintain a maximum of 47,083 square feet of floor area per NROGO year. The nonresidential allocation allowed by this policy shall be distributed on an annual basis, pursuant to Policy 101.4.3. The NROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs**).**

Objective 101.5

[1] FINAL – 2023–2024 Lower East Coast Water Supply Plan Update | Appendix E-46

Monroe County shall regulate future development and redevelopment to maintain and enhance the character of the community and protect natural resources by providing for the compatible distribution of land uses consistent with the designations shown on the Future Land Use Map.

Policy 101.5.8

The principal purpose of the Commercial (COMM) future land use category is to provide for the establishment of commercial zoning districts where various types of commercial retail; highway-oriented sales and services; commercial recreation; light industrial; public, institutional and office uses may be permitted at intensities which are consistent with the community character and the natural environment. The commercial zoning districts established within this category are intended to serve the immediate vicinity or serve the Upper or Lower subarea. This category is not intended to accommodate transient or permanent residential development.

In order to protect environmentally sensitive lands, the following development controls shall apply to all Tier I lands within this land use category:

1. only low intensity commercial uses shall be allowed; and
2. a maximum floor area ratio of 0.15 shall apply. (Ord. No. 010-2013)

Policy 101.5.25

Monroe County hereby adopts the following density and intensity standards for the future land use categories, which are shown on the FLUM and described in Policies 101.5.1 - 101.5.20.

Future Land Use Densities and Intensities				
Future Land Use Category and Corresponding Zoning	Residential [l]		Nonresidential	Minimum Open Space Ratio [c]
	Allocated Density [a] (per upland acre)	Maximum Net Density [a] [b] (per buildable acre)	Maximum Intensity (floor area ratio)	
Commercial (COMM) (C1 and C2 zoning)	0 du 0 rooms/spaces	N/A N/A	0.15—0.50	0.20

Policy 101.5.26

In order to continue to implement the Florida Keys Carrying Capacity Study, Monroe County shall promote the reduction in overall County residential density and the preservation of Monroe County's native habitat by enacting legislation which implements the following policy statements for private applications for future land use map amendments which increase allowable residential allocated density. Private application(s) means those applications from private entities with ownership of the upland development and parcel(s) of land or includes private upland development on County-owned land.

Per the Applicant: *The current density for the parcel is 1 unit per lot. With the change to COMM there is no allowed residential density of any type. Therefore, this change of land use district will not*

change the overall density in the County and therefore Policy 101.5.26 requirements for offsetting density decreases elsewhere is not triggered.

Objective 101.19
Monroe County shall address local community needs while balancing the needs of all Monroe County communities. These efforts shall focus on the human crafted environment and shall be undertaken through the Livable CommuniKeys Planning Program.

Policy 101.19.2
The Community Master Plans shall be incorporated into the 2030 Comprehensive Plan as a part of the plan and be implemented as part of the Comprehensive Plan. The following Community Master Plans have been completed in accordance with the principles outlined in this section and adopted by the Board of County Commissioners:

6. The Lower Keys Livable CommuniKeys Plan is incorporated by reference into the Monroe County Comprehensive Plan. Adopted By Ordinance 031-2012.

Goal 102
Monroe County shall direct future growth to lands which are most suitable for development and shall encourage conservation and protection of environmentally sensitive lands (wetlands, beach berm and tropical hardwood hammock).

Objective 102.3
Monroe County shall maintain land development regulations which will direct new development to areas having appropriate topography and soil conditions and to where site disturbance and man's activities will have fewer adverse effects on natural vegetation, terrestrial wildlife, natural landforms and marine resources.

Objective 105.1
Monroe County shall continue to implement smart growth initiatives in conjunction with its Livable CommuniKeys and Land Acquisition Programs which promote innovative and flexible development processes to preserve the natural environment, maintain and enhance the community character and quality of life, redevelop blighted commercial and residential areas, remove barriers to design concepts, reduce sprawl, and direct future growth to appropriate infill areas.

Policy 105.1.3
Monroe County shall, through its development standards and Land Development Code, continue to foster the retention and redevelopment of small businesses on the U.S.1.

B. The proposed amendment <u>is consistent</u> with the Lower Keys Livable CommuniKeys Plan Specifically it furthers:

Goal 1:
Monroe County shall manage future growth to preserve the rural or low density community character, protect the natural environment of the Lower Keys, and maintain and encourage commercial

revitalization along the U.S. 1 corridor. Community character includes the cultural/traditional heritage, physical character, and scale of the businesses that serve the local community in the Lower Keys area.

Objective 1.1
Monroe County shall continue to manage the rate of residential and non-residential growth in the Lower Keys to maintain adequate levels of service and ensure a balance of land use to serve the existing and future population. Use of the Tier System as the primary means to conserve natural areas, focus state and county acquisition programs, manage growth in transition areas, and guide development to areas most appropriate for new infill development and redevelopment.

Policy Item 1.1.1:
Monroe County is recommended to conduct an analysis, as part of the Comprehensive Plan Update, to determine the Lower Keys "fair share" of projected residential and non-residential growth based on assessments of the availability of appropriate sites for development (vacant, unconstrained lots in improved subdivisions, vacant sites along U.S. 1, and developed properties deemed appropriate or prone to redevelopment), the existing and projected demand for commercial services, and the community's desire to support and improve existing businesses that serve the local community.

Objective 1.4
Monroe County shall encourage programs and initiatives to promote the retention of existing and the creation of new businesses along the U.S. 1 Corridor that serve the local community.

Policy Item 1.4.4:
To protect the viability of existing businesses and prevent additional strip commercial development along U.S. 1, Monroe County is encouraged to not support the designation of new commercial land use districts outside areas currently designated Mixed Use/Commercial on the Future Land Use Map. Changes in the existing boundaries of the Mixed Use/Commercial land use category may only occur as part of the Community Center designation process.

Objective 1.5
Monroe County shall conduct an evaluation to determine the extent of areas along the U.S. 1 corridor for compact mixed use development and prepare changes in policy and land development regulations to encourage appropriate investment, conserve natural areas, support businesses that serve the local community, and ensure compatibility with adjacent residential areas.

Policy Item 1.5.1:
The following areas designated as Mixed Use Commercial on the FLUM may be evaluated to determine their potential for designation as Community Centers.

- Lower Sugarloaf Key (MM 16-17)
- Cudjoe Key (MM 22-23)
- Summerland Key (MM 24-25)
- Ramrod Key (MM 26.5-27.5)

D. For text amendments to the Comprehensive Plan and FLUM amendments, the BOCC must also consider the analyses identified in Chapter 163, Florida Statutes and must find that the amendment is consistent with the principles for guiding development as defined in Section 380.0552, Florida Statutes.

Per the Applicant,

For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with the principles for guiding development and any amendments to the principles, the principles shall be construed as a whole and no specific provision shall be construed or applied in isolation from the other provisions.

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
(b) Protecting shoreline and benthic resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.
(c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.
(e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
(f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.
(g) Protecting the historical heritage of the Florida Keys.
(h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed major public investments, including:
    1. The Florida Keys Aqueduct and water supply facilities;
    2. Sewage collection, treatment, and disposal facilities;
    3. Solid waste treatment, collection, and disposal facilities;
    4. Key West Naval Air Station and other military facilities;
    5. Transportation facilities;
    6. Federal parks, wildlife refuges, and marine sanctuaries;
    7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
    8. City electric service and the Florida Keys Electric Co-op; and
    9. Other utilities, as appropriate.
(i) Protecting and improving water quality by providing for the construction, operation, maintenance, and replacement of stormwater management facilities; central sewage collection; treatment and disposal facilities; and the installation and proper operation and maintenance of onsite sewage treatment and disposal systems.
(j) Ensuring the improvement of nearshore water quality by requiring the construction and operation of wastewater management facilities that meet the requirements of ss. 381.0065(4)(l) and 403.086(10), as applicable, and by directing growth to areas served by central wastewater treatment facilities through permit allocation systems.
(k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.

(l) Making available adequate affordable housing for all sectors of the population of the Florida Keys.
(m) Providing adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a postdisaster reconstruction plan.
(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is not inconsistent with the Principles for Guiding Development as a whole and is not inconsistent with any Principle.

E. In no event shall an amendment be approved which will result in an adverse change in community character to the sub-area which a proposed amendment affects or to any area in accordance with a Livable CommuniKeys master plan pursuant to findings of the BOCC.

Per the Applicant, "The Livable CommuniKeys Plan recognizes the commercial areas immediately next door that contain the offices and labs of the Mote Marina Institute which may be a potential user of any facility that could be developed with a change to SC [C1][2] zoning. This change of destination supports the CommuniKeys goal of further limiting the residential density of the Lower Keys."

Staff does not anticipate that approval of the proposed amendment of the land use designation (zoning) to result in an adverse change in community character to the sub-area which the proposed amendment affects.

V. PROCESS

Any landowner or other person having a contractual interest in property desiring to petition the BOCC for an amendment to the land use (zoning) district map, overlay district map or FLUM shall be required to file an application with the Planning Director accompanied by a nonrefundable application fee as established from time to time by the BOCC to defray the actual cost of processing the application. After receipt, the Planning Director and his or her staff shall review the proposed amendment and present it with a recommendation of approval or denial to the Development Review Committee for review and comment. Staff shall make a recommendation to the Planning Commission.

The Planning Commission shall review the application, the reports and recommendations of the Planning and Environmental Resources Department, the comments of the Development Review Committee, and the testimony given at the public hearing, and shall submit its recommendations and findings to the BOCC.

The BOCC shall consider the reports and recommendation of the Planning Commission, Planning and Environmental Resources Department staff, and the testimony given at the public hearings.

VII. STAFF RECOMMENDATION

Staff recommends approval of the proposed LUD (Zoning) amendment from Improved Subdivision (IS) to Commercial 1 (C1) for properties located at 24150 Overseas Highway Summerland Key.

[2] The original application proposed amending the FLUM designation from Residential Medium to Mixed-Use Commercial and zoning map amendment from Improved Subdivision to Suburban Commercial. The Applicant modified the application on May 29, 2024 to Commercial FLUM designation and Commercial 1 zoning designation.

MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

We strive to be caring, professional and fair

To: Monroe County Board of County Commissioners

Through: Emily Schemper, AICP, CFM, Growth Management Director

From: Barbara Powell, Planning Policy Advisor

Date: March 21, 2025

Subject: An Ordinance by the Monroe County Board of County Commissioners amending the Monroe County Future Land Use Map (FLUM) from Residential Medium (RM) to Mixed-Use Commercial (MC) for property located at 104001 Overseas Highway, Key Largo, as proposed by Gustavo Solis (File 2024-099).

Meeting: **Board of County Commissioners – April 16, 2025**

I. REQUEST

On May 24, 2024, the Planning and Environmental Resources Department received an application from Ty Harris, on behalf of Gustavo Solis (the Applicant) to amend the Monroe County Future Land Use Map (FLUM) from Residential Medium (RM) to Mixed-Use Commercial (MC) for property located at 104001 Overseas Highway, Key Largo, (Property) currently having Parcel Identification Numbers 00475160-000000, 00475170-000000, 00475180-000000, 00475190-000000, 00475200-000000 00475220-000000, and 00475230-000000.

The Applicant has also requested a corresponding Land Use District (Zoning) Map amendment from Improved Subdivision (IS) to Suburban Commercial (SC).

II. BACKGROUND INFORMATION

Site Information:
Location: MM 104, Key Largo
Addresses: 104001 Overseas Highway
Description: Lots 1-8, Block 7, LARGO SOUND VILLAGE, according to the Plat thereof, as recorded in Plat Book 4, at Page 92, of the Public Records of Monroe County, Florida
Parcel Identification Numbers: 00475160-000000, 00475170-000000, 00475180-000000, 00475190-000000, 00475200-000000, 00475220-000000, and 00475230-000000.
Boundary: Affected parcel is outlined in **black** in the images below.
Applicant: Gustavo Solis
Agent: Ty Harris
Size of Properties (cumulative): 51,771 Square Feet

FLUM Designation: Residential Medium (RM); pending application to amend to Mixed-Use Commercial (MC)
Land Use District: Improved Subdivision (IS); pending application to amend to Suburban Commercial (SC)
Tier Designation: III
Flood Zone: X
CBRS: No
Existing Permitted Use: Boat Sales
Existing Vegetation/Habitat: Developed Land
Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, commercial, and public uses

Existing FLUM Designation

Proposed FLUM Designation

The Applicant states that the reason for the proposed FLUM amendment is:
"Due to the existing zoning and FLUM the owner is unable to re-build the commercial sign that was destroyed in Hurricane Irma. A Building permit to replace the sign is contingent on an amendment to the FLUM and zoning to commercial."

Concurrent Applications
The Applicant has also requested a corresponding Land Use District (Zoning) Map amendment from Improved Subdivision (IS) to Suburban Commercial (SC).

Community Meeting and Public Participation
In accordance with LDC Section 102-159(a), a community meeting is required to be held. The virtual meeting was held on December 3, 2024, to discuss the proposed Future Land Use Map (FLUM) and corresponding Land Use District (Zoning) Map amendments and provide for public participation. There were no public comments offered.

Development Review Committee Meeting and Public Input
On January 21, 2025, the Development Review Committee Meeting considered the proposed amendment and provided for public input.

Planning Commission Meeting and Public Input
On February 25, 2025, the Planning Commission met and considered the proposed amendment and provided for public input.

Prior Relevant BOCC Action
There has been no previous Board Action pertaining to the Property.

III. AMENDMENT REVIEW

FLUM Category Comparisons

Existing
Policy 101.5.3:
The principal purpose of the Residential Medium (RM) future land use category is to recognize those portions of subdivisions that were lawfully established and improved prior to the adoption of this plan and to define improved subdivisions as those lots served by a dedicated and accepted existing roadway, have an approved potable water supply, and have sufficient uplands to accommodate the residential uses. Development on vacant land within this land use category shall be limited to one residential dwelling unit for each such platted lot or parcel which existed on or before January 4, 1996.

Proposed
Policy 101.5.6
The principal purpose of the Mixed Use/Commercial (MC) future land use category is to provide for the establishment of mixed use commercial land use (zoning) districts where various types of commercial retail and office may be permitted at intensities which are consistent with the community character and the natural environment. Employee housing and commercial apartments are also permitted. In addition, Mixed Use/Commercial land use districts are to establish and conserve areas of mixed uses, which may include maritime industry, light industrial uses, commercial fishing, transient and permanent residential, institutional, public, and commercial retail uses.

This future land use category is also intended to allow for the establishment of mixed use development patterns, where appropriate. Various types of residential and nonresidential uses may be permitted; however, heavy industrial uses and similarly incompatible uses shall be prohibited. The County shall continue to take a proactive role in encouraging the preservation and enhancement of community character and recreational and commercial working waterfronts.

In order to protect environmentally sensitive lands, the following development controls shall apply to all hammocks, pinelands, and disturbed wetlands within this land use category:

1. only low intensity commercial uses shall be allowed;
2. a maximum floor area ratio of 0.10 shall apply to nonresidential development; and
3. maximum net residential density shall be zero.

In order to preserve and promote recreational and commercial working waterfront uses, as defined by [Section] 342.07, F.S., the following criteria shall apply to all lands designated with the Maritime Industries (MI) land use (zoning) district within this land use category:

1. When a mixture of uses is proposed for parcels designated as MI land use (zoning) district, working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.

   To incentivize additional preservation of recreational and commercial working waterfront uses, the following shall be available:

   i. For the preservation of 36—50% of the upland area of property for working waterfront and water dependent uses, up to 20,000 square feet of nonresidential floor area from the NROGO bank shall be provided to the property; and

   ii. For the preservation of 50% or more of the upland area of property for working waterfront and water dependent uses, the residential density on the property may be developed pursuant to the maximum net density standard without the use of TDRs.

2. Parcels within the MI zoning district that have existing wet slips shall preserve at least 20% of the wet slips for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
3. Parcels within the MI zoning district creating new wet slips shall preserve at least 10% of the wet slips for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
4. The preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
5. For permanent residential development, parcels within the MI zoning district shall be limited to commercial apartments or employee housing. Commercial apartment means an attached or detached residential dwelling unit located on the same parcel of land as a nonresidential use that is intended to serve as permanent housing for the owner or employees of that nonresidential use. The term does not include a tourist housing use or vacation rental use.
6. The preservation of a public access walkway, and a public access boat launch if one already exists, shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
7. Parcels within the MI zoning district shall be limited to commercial retail uses of less than 5,000 square feet of floor area. (Ord. No. 032-2012)

Maximum Density and Intensity by Land Use District

The table below provides a comparison of the development potential for residential, transient and commercial development of the Properties under the existing Land Use (zoning) District and FLUM category as compared to the proposed, amended, zoning district and FLUM. Section 130-156(b) of the Land Development Code states: "The density and intensity provisions set out in this section are intended to be applied cumulatively so that no development shall exceed the total density limits of this article. For

example, if a development includes both residential and commercial development, the total gross amount of development shall not exceed the cumulated permitted intensity of the parcel proposed for development."

Maximum Development Potential by FLUM Designation			
Existing FLUM	**Type**	**Adopted Standards**	**Development Potential**
Residential Medium (RM) **Gross Upland Area: 51,771 sf / 1.19 acres**	Market Rate Allocated Density	1.0 du/lot	7 du
	TDR/Market Rate Residential Max. Net Density	0	0 du
	Affordable Residential Max. Net Density	0	0 du
	Transient Allocated Density	0	0 du
	Transient Max. Net Density	0	0 du
	Nonresidential Uses	0	0 sf
Proposed FLUM	**Type**	**Adopted Standards**	**Development Potential**
Mixed-Use/ Commercial (MC) **Gross Upland Area: 51,771 sf / 1.19 acres**	Market Rate Allocated Density	6	7 du
	TDR/Market Rate Residential Max. Net Density	18	17 du
	Affordable Residential Max. Net Density	18	17 du
	Transient Allocated Density	5-15	5-17
	Transient Max. Net Density	10-25 rooms/spaces	9-23 rooms/spaces
	Nonresidential Uses	0.10-0.60 FAR	4,141.68 sf – 24,840.08 sf
Net Change in Development Potential of Cumulative Properties Based on FLUM/LUD Amendments	**Type**		**Net Change**
	Market Rate Allocated Density		+0 du
	TDR/Market Rate Residential Max. Net Density		+17 n/a
	Affordable Residential Max. Net Density		+17 du
	Transient Allocated Density		+ 17 rooms spaces
	Transient Max. Net Density		+ 23 rooms/spaces
	Nonresidential Uses		+ 4,141.68 sf – 24,840.08 sf

As shown in the orange portion of the table, the proposed FLUM amendment (from Residential Medium to Mixed-Use Commercial) with the Suburban Commercial LUD would not result in **an increase of allocated market rate density, an increase in transient allocated and max net density, and an increase in nonresidential intensity**. The TDR/market rate residential maximum net density, affordable residential maximum net density, and transient density would remain at 0.

Any new or expanded nonresidential floor area would require an NROGO allocation in accordance with LDC Section 138-49.

The total amount of new nonresidential floor area that could be constructed on either of the Properties would be dependent on the size of the property to be developed and the actual use proposed. Below is a table detailing the maximum floor area ratios permitted based on proposed use within the Suburban Commercial LUD in accordance with LDC Section 130-164.

Use within Suburban Commercial	Maximum Floor Area Ratio
Low Intensity Commercial Retail or Restaurant	0.35
Medium Intensity Commercial Retail or Restaurant	0.25
High Intensity Commercial Retail or Restaurant	0.15
Office	0.40
Light Industrial	0.30
Institutional	0.30
Public Buildings/Uses	0.30
Commercial Recreation	0.25

Compliance with Comprehensive Plan Policy 101.5.26

The proposed FLUM amendment from Residential Medium to Mixed-Use Commercial with the concurrent zoning amendment from Improved Subdivision to Suburban Commercial does not result in an increase of residential allocated density on the Properties and therefore eliminates the need to mitigate under Policy 101.5.26.

Compatibility with the Surrounding Area

a. Existing Vegetation/Habitat: Developed Land, Impervious Surface
b. Existing Tier Designation: III, Tier I and Tier II-A properties adjacent on side and rear lot lines, respectively
c. Number of Listed Endangered or Threatened Species: 0
d. Existing Use: Boat Sales
e. Community Character of Immediate Vicinity: Adjacent land uses include residential, transient residential, restaurant, commercial, and public uses

Concurrency Analysis (Comprehensive Plan Policy 101.1.1)

Monroe County shall ensure that all development and redevelopment taking place within its boundaries does not result in a reduction of the level-of-service requirements established and adopted by this comprehensive plan. Further, Monroe County shall ensure that comprehensive plan amendments include an analysis of the availability of facilities and services or demonstrate that the adopted levels of service can be reasonably met.

Traffic Circulation (Comprehensive Plan Policy 301.1.2)
The Properties are located on Overseas Highway/ U.S. 1 in Key Largo at approximate mile marker 104. Pursuant to the Comprehensive Plan, the level of service standard for US 1 is LOS of "C." According to the 2021 US 1 Arterial Travel Time and Delay Study, US 1 overall is operating at a LOS of "C" and Segment 23 on Key Largo (MM 99.5 to MM 106.0) is operating at a LOS of "A."

At the time of development approval, a trip generation analysis will be required to be submitted in order to verify sufficient roadway capacity. According to the 2021 US 1 Arterial Travel Time and Delay Study, the maximum reserve volume for Segment 23 is 11,148 trips.

Potable Water (Comprehensive Plan Policy 701.1.1)
Florida Keys Aqueduct Authority's water treatment facility in Florida City has a maximum water treatment design capacity of 29.8 million gallons per day (MGD) and is capable of treating up to 23.8 MGD. The annual average daily demand in Monroe County is 17.79 MGD.

The proposed FLUM amendment would not increase permanent allocated residential density beyond what is already permitted. The proposed FLUM amendment is not anticipated to adversely impact the LOS for potable water.

Solid Waste (Comprehensive Plan Policy 801.1.1)
Monroe County has a contract with Waste Management authorizing the use of in-state facilities through September 30, 2029. Currently, there is adequate capacity for solid waste generation. All commercial solid waste is handled by private contract.

Sanitary Sewer (Comprehensive Plan Policy 901.1.1
The County has adopted water quality treatment standards for wastewater facilities and within the Sanitary Wastewater Treatment Master Plan, Exhibit 3-8, has stated the LOS standard for residential and nonresidential flow is 167 gallons per day per equivalent dwelling unit (EDU). The proposed FLUM amendment would not increase the permanent allocated residential density. The combined average flows of the Cudjoe Regional Wastewater Treatment System are 620,000 gpd, whereas the plant capacity is 940,000 gpd.[1] Any proposed development on the site will either need to connect to the Cudjoe Regional Wastewater Treatment District central sewer system or provide on-site sewage treatment and disposal that meets the LOS standards in Policy 901.1.1.

The proposed FLUM amendment is not anticipated to adversely impact the LOS for traffic, potable water, solid waste nor sanitary sewer.

IV. CONSISTENCY WITH THE MONROE COUNTY YEAR 2030 COMPREHENSIVE PLAN, THE KEY LARGO LIVABLE COMMUNIKEYS PLAN, THE MONROE COUNTY LAND DEVELOPMENT CODE, AND THE PRINCIPLES FOR GUIDING DEVELOPMENT

A. The proposed amendment is consistent with the Goals, Objectives and Policies of the Monroe County Year 2030 Comprehensive Plan. Specifically, it furthers:

Goal 101
Monroe County shall manage future growth to enhance the quality of life, ensure the safety of County

[1] DRAFT – 2023–2024 Lower East Coast Water Supply Plan Update | E-9

residents and visitors, and protect valuable natural resources.

Objective 101.4
Monroe County shall regulate nonresidential development to maintain a balance of land uses to serve the needs of the future population of Monroe County.

Policy 101.4.1
Monroe County shall maintain a Permit Allocation System for new nonresidential floor area, known as the Nonresidential Rate of Growth Ordinance (NROGO) System. Monroe County shall maintain a balance between residential and nonresidential growth by limiting the floor area of new nonresidential development available within the County to maintain a maximum of 47,083 square feet of floor area per NROGO year. The nonresidential allocation allowed by this policy shall be distributed on an annual basis, pursuant to Policy 101.4.3. The NROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs**).**

Objective 101.5
Monroe County shall regulate future development and redevelopment to maintain and enhance the character of the community and protect natural resources by providing for the compatible distribution of land uses consistent with the designations shown on the Future Land Use Map.

Policy 101.5.6
The principal purpose of the Mixed Use/Commercial (MC) future land use category is to provide for the establishment of mixed use commercial land use (zoning) districts where various types of commercial retail and office may be permitted at intensities which are consistent with the community character and the natural environment. Employee housing and commercial apartments are also permitted. In addition, Mixed Use/Commercial land use districts are to establish and conserve areas of mixed uses, which may include maritime industry, light industrial uses, commercial fishing, transient and permanent residential, institutional, public, and commercial retail uses.

This future land use category is also intended to allow for the establishment of mixed use development patterns, where appropriate. Various types of residential and nonresidential uses may be permitted; however, heavy industrial uses and similarly incompatible uses shall be prohibited. The County shall continue to take a proactive role in encouraging the preservation and enhancement of community character and recreational and commercial working waterfronts.

In order to protect environmentally sensitive lands, the following development controls shall apply to all hammocks, pinelands, and disturbed wetlands within this land use category:

1. only low intensity commercial uses shall be allowed;
2. a maximum floor area ratio of 0.10 shall apply to nonresidential development; and
3. maximum net residential density shall be zero.

In order to preserve and promote recreational and commercial working waterfront uses, as defined by [Section] 342.07, F.S., the following criteria shall apply to all lands designated with the Maritime Industries (MI) land use (zoning) district within this land use category:

4. When a mixture of uses is proposed for parcels designated as MI land use (zoning) district, working waterfront and water dependent uses, such as marina, fish house/market, boat repair, boat building, boat storage, or other similar uses but excluding transient uses, shall be preserved by maintaining a minimum of 35% of the upland area of the property for those uses.

   To incentivize additional preservation of recreational and commercial working waterfront uses, the following shall be available:

   i. For the preservation of 36—50% of the upland area of property for working waterfront and water dependent uses, up to 20,000 square feet of nonresidential floor area from the NROGO bank shall be provided to the property; and

   ii. For the preservation of 50% or more of the upland area of property for working waterfront and water dependent uses, the residential density on the property may be developed pursuant to the maximum net density standard without the use of TDRs.

5. Parcels within the MI zoning district that have existing wet slips shall preserve at least 20% of the wet slips for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
6. Parcels within the MI zoning district creating new wet slips shall preserve at least 10% of the wet slips for vessels involved with recreational and commercial working waterfront uses, excluding live-aboard vessels solely used as a residence and not for navigation.
7. The preservation of dockage for recreational and commercial working waterfront uses shall be documented on the final development plan and shall be a written condition of any permit approval.
8. For permanent residential development, parcels within the MI zoning district shall be limited to commercial apartments or employee housing. Commercial apartment means an attached or detached residential dwelling unit located on the same parcel of land as a nonresidential use that is intended to serve as permanent housing for the owner or employees of that nonresidential use. The term does not include a tourist housing use or vacation rental use.
9. The preservation of a public access walkway, and a public access boat launch if one already exists, shall be required for all parcels with direct access to the water. Consideration shall be given to security and the physical constraints of the parcel. The public access walkway shall be documented on the final development plan to link a continuous walkway and shall be a written condition of any permit approval.
10. Parcels within the MI zoning district shall be limited to commercial retail uses of less than 5,000 square feet of floor area. (Ord. No. 032-2012)

Policy 101.5.25

Monroe County hereby adopts the following density and intensity standards for the future land use categories, which are shown on the FLUM and described in Policies 101.5.1 - 101.5.20.

Future Land Use Densities and Intensities				
Future Land Use Category and Corresponding Zoning	Residential		Nonresidential	Minimum Open Space Ratio [c]
	Allocated Density [a] (per upland acre)	Maximum Net Density [a] [b] (per buildable acre)	Maximum Intensity (floor area ratio)	
Mixed Use Commercial	1 du (DR, MU, MI) 3 du (SC) 6 du (UC) Commercial Apartments (RV) [h] 5—15 rooms/spaces	2 du (MI) 6-18 du (SC) [k] 12 du (UC) 12—18 du (MU) [k] 18 du (DR) 10—25 rooms/spaces	0.10—0.45 (SC, UC, DR, MU) <2,500 SF (RV) 0.30—0.60 (MI)	0.20

Policy 101.5.26
In order to continue to implement the Florida Keys Carrying Capacity Study, Monroe County shall promote the reduction in overall County residential density and the preservation of Monroe County's native habitat by enacting legislation which implements the following policy statements for private applications for future land use map amendments which increase allowable residential allocated density. Private application(s) means those applications from private entities with ownership of the upland development and parcel(s) of land or includes private upland development on County-owned land.

Per the Applicant: *No change in density.*

Staff Analysis: *The proposed FLUM amendment from Residential Medium to Mixed-Use Commercial with the concurrent zoning amendment from Improved Subdivision to Suburban Commercial results in a decrease of residential allocated density on the Properties. Without regard to the concurrent zoning, there is no increase in allocated density and therefore eliminates the need to mitigate under Policy 101.5.26.*

Objective 101.19
Monroe County shall address local community needs while balancing the needs of all Monroe County communities. These efforts shall focus on the human crafted environment and shall be undertaken through the Livable CommuniKeys Planning Program.

Policy 101.19.2
The Community Master Plans shall be incorporated into the 2030 Comprehensive Plan as a part of the plan and be implemented as part of the Comprehensive Plan. The following Community Master Plans have been completed in accordance with the principles outlined in this section and adopted by the Board of County Commissioners:

5. The Key Largo Livable CommuniKeys Master Plan is incorporated by reference into the 2010 Comprehensive Plan. Only the Strategies denoted with a green checkmark in this Master Plan have been adopted and approved as equivalent to the term Objectives in the Comprehensive Plan. Only the Action Items denoted with a green checkmark in this Master Plan have been adopted equivalent to the term Policy in the Comprehensive Plan. Strategies and Action Items without a green checkmark next to them are not considered to be consistent with the definitions of "Objective" and "Policy" and therefore do not serve as equivalents. Adopted by Ordinance 012-2007.

Goal 102
Monroe County shall direct future growth to lands which are most suitable for development and shall encourage conservation and protection of environmentally sensitive lands (wetlands, beach berm and tropical hardwood hammock).

Objective 102.3
Monroe County shall maintain land development regulations which will direct new development to areas having appropriate topography and soil conditions and to where site disturbance and man's activities will have fewer adverse effects on natural vegetation, terrestrial wildlife, natural landforms and marine resources.

Objective 105.1
Monroe County shall continue to implement smart growth initiatives in conjunction with its Livable CommuniKeys and Land Acquisition Programs which promote innovative and flexible development processes to preserve the natural environment, maintain and enhance the community character and quality of life, redevelop blighted commercial and residential areas, remove barriers to design concepts, reduce sprawl, and direct future growth to appropriate infill areas.

Policy 105.1.3
Monroe County shall, through its development standards and Land Development Code, continue to foster the retention and redevelopment of small businesses on the U.S.1.

B. The proposed amendment <u>is consistent</u> with the Key Largo Livable CommuniKeys Plan Specifically it furthers:

Goal 1:
Direct future growth to lands that are most suitable for development and encourage preservation of environmentally sensitive lands.

Strategy 1.3 Continue to utilize the Land Use District Map and supporting FLUM to regulate land use type, density and intensity on individual parcels within the planning area.

Action Item 1.3.2: Revise the FLUM and Land Use District Maps to resolve nonconformities in the planning area where appropriate.

Action Item 1.3.7: Evaluate future FLUM change and Land Use District Map change requests for nonconforming uses, proposed changes in use, vacant parcels and other requests, based mainly on comprehensive planning principles and the following community-goal related criteria:

a. Promote infill, design flexibility and transfer of density to Community Centers.
b. Preserve commercial conformance status within sections along US-1 predominated by existing commercial businesses and disturbed lands.
c. Encourage sun-setting of intensive commercial uses within sections along US-1 predominated by natural habitat or native-dominated landscape, relatively sparse development and relatively few businesses.
d. Preserve commercial use status for existing waterfront uses that support the tourist-based and working waterfront-based economy.
e. Give consideration to whether the property provides a unique or outstanding opportunity for enhancement of design, connectivity and other community goals, especially along the US-1 corridor.

C. For text amendments to the Comprehensive Plan and FLUM amendments, the BOCC must also consider the analyses identified in Chapter 163, Florida Statutes and must find that the amendment is consistent with the principles for guiding development as defined in Section 380.0552, Florida Statutes.

For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with the principles for guiding development and any amendments to the principles, the principles shall be construed as a whole and no specific provision shall be construed or applied in isolation from the other provisions.

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
(b) Protecting shoreline and benthic resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.
(c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.
(e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
(f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.
(g) Protecting the historical heritage of the Florida Keys.
(h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed major public investments, including:
    1. The Florida Keys Aqueduct and water supply facilities;
    2. Sewage collection, treatment, and disposal facilities;
    3. Solid waste treatment, collection, and disposal facilities;

4. Key West Naval Air Station and other military facilities;
5. Transportation facilities;
6. Federal parks, wildlife refuges, and marine sanctuaries;
7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
8. City electric service and the Florida Keys Electric Co-op; and
9. Other utilities, as appropriate.

(i) Protecting and improving water quality by providing for the construction, operation, maintenance, and replacement of stormwater management facilities; central sewage collection; treatment and disposal facilities; and the installation and proper operation and maintenance of onsite sewage treatment and disposal systems.

(j) Ensuring the improvement of nearshore water quality by requiring the construction and operation of wastewater management facilities that meet the requirements of ss. 381.0065(4)(l) and 403.086(10), as applicable, and by directing growth to areas served by central wastewater treatment facilities through permit allocation systems.

(k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.

(l) Making available adequate affordable housing for all sectors of the population of the Florida Keys.

(m) Providing adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a postdisaster reconstruction plan.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is not inconsistent with the Principles for Guiding Development as a whole and is not inconsistent with any Principle.

D. In no event shall an amendment be approved which will result in an adverse change in community character to the sub-area which a proposed amendment affects or to any area in accordance with a Livable CommuniKeys master plan pursuant to findings of the BOCC.

Staff does not anticipate that approval of the proposed amendment of the FLUM to result in an adverse change in community character to the sub-area which the proposed amendment affects. The Property is adjacent to existing commercial uses and located on US 1.

V. PROCESS

Any landowner or other person having a contractual interest in property desiring to petition the BOCC for an amendment to the land use (zoning) district map, overlay district map or FLUM shall be required to file an application with the Planning Director accompanied by a nonrefundable application fee as established from time to time by the BOCC to defray the actual cost of processing the application. After receipt, the Planning Director and his or her staff shall review the proposed amendment and present it with a recommendation of approval or denial to the Development Review Committee for review and comment. Staff shall make a recommendation to the Planning Commission.

The Planning Commission shall review the application, the reports and recommendations of the Planning and Environmental Resources Department, the comments of the Development Review Committee, and the testimony given at the public hearing, and shall submit its recommendations and findings to the BOCC. The BOCC shall consider the reports and recommendation of the Planning Commission, Planning and Environmental Resources Department staff, and the testimony given at the public hearings.

VII. STAFF RECOMMENDATION

Staff recommends approval of the proposed FLUM amendment from Residential Medium (RM) to Mixed-Use Commercial (MC) for properties located at 104001 Overseas Highway Key Largo.

AGENDA ITEM WORDING: A Public Hearing to Consider Approval of a Resolution Transmitting to the State Land Planning Agency an Ordinance by the Monroe County Board of County Commissioners Amending the Future Land Use Element and the Housing Element of the 2030 Monroe County Comprehensive Plan to Eliminate the 1-for-1 Takings and Bert Harris Act Liability Mitigation Exchange Requirement for the Remaining 214 Workforce Affordable Housing Early Evacuation Unit Building Permit Allocations.

ITEM BACKGROUND:
On April 21, 2021, the Monroe County Board of County Commissioners ("BOCC" or "Board") adopted BOCC Ordinance No. 005-2021 (the "2021 ordinance") amending the Future Land Use Element and the Housing Element of the Monroe County Comprehensive Plan to limit use of the 300 early evacuation unit allocations to inverse condemnation and Bert Harris Act liability reduction exchange program disposition whereby an early evacuation unit allocation's allowed use is expressly limited as follows:

"Requests for workforce housing early evacuation unit allocations shall be available only for a 1-for-1 exchange for affordable allocations/exemptions . . . The affordable allocations returned to the County in exchange for workforce housing early evacuation unit allocations shall be banked and used for future administrative relief, beneficial use determinations and to resolve inverse condemnation cases and Bert J. Harris Jr. Private Property Rights Protection Act cases."

See Ordinance No. 005-2021, at Comprehensive Plan Policies 101.3.12(a)-(a)(1).

The Board (on or about September 11, 2024) has since directed professional staff to prepare an item to amend the Comprehensive Plan to eliminate the above restriction, which it enacted under the original 2021 ordinance, for the remaining 214 workforce affordable housing early evacuation unit building permit allocations.

The Board, by and through the Planning & Environmental Resources Department ("Department"), is now proposing amendments to the Future Land Use Element ("FLUE") and the Housing Element of the Comprehensive Plan to eliminate the above restriction on the 214 workforce affordable housing early

evacuation unit building permit allocations.

This proposed amendment will result in promoting potential development of new workforce affordable housing early evacuation units (with various income limits) and reducing the availability of allocations that would otherwise be potentially available through administrative relief to resolve inverse condemnations (takings) and Bert Harris Act lawsuits.

PREVIOUS RELEVANT BOCC ACTION:

On April 13, 2016, the BOCC adopted the 2030 Comprehensive Plan and Land Development Code, which included a ROGO allocation distribution through the year 2023, based on Rule 28-20.140, F.A.C., and the Department of Economic Opportunity's completion of the hurricane evacuation clearance time modeling task that found with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance time (Phase 2 of the 48-hr phased/staged evacuation).

On May 2, 2018, Governor Rick Scott issued a press release outlining an initiative to the Florida Department of Economic Opportunity ("DEO") for a Keys Workforce Housing Initiative (Exhibit 1). The proposed initiative would allow 1,300 additional Rate of Growth Ordinance (ROGO) allocations throughout the Florida Keys (ROGOs or Building Permit Allocation Systems) for rental workforce housing, with a condition that the rental occupants evacuate in the early phase (48-hour window) of a hurricane evacuation. Any development receiving the units would be required to sign a rental management agreement indicating they would be required to assure the evacuation of all occupants of the development. Under the initiative, each jurisdiction would be eligible to receive up to 300 of these units. The press release specifically stated, "To meet the increased demand for workforce housing, the innovative Keys Workforce Housing Initiative will require new construction that participates to commit to evacuating renters in the 48-hour window of evacuation."

On June 13, 2018, the Florida Administration Commission approved the Workforce Housing Initiative. Florida Keys' local governments that choose to participate in the initiative are to work with DEO to amend their respective comprehensive plans to allow for additional building permits for rental workforce housing with the condition of early evacuation.

On May 2, 2018, Governor Rick Scott issued a press release outlining an initiative to the Florida Department of Economic Opportunity ("DEO") for a Keys Workforce Housing Initiative. The proposed initiative would allow 1,300 additional Rate of Growth Ordinance (ROGO) allocations throughout the Florida Keys (ROGOs or Building Permit Allocation Systems).

Commissioner Rice called a special meeting for May 10, 2018 at 11 a.m. in Marathon to provide the

Commission and the public an opportunity to discuss the proposal prior to the Cabinet meeting (May 15, 2018). At the May 10, 2018 Special BOCC Meeting, the BOCC directed County staff to discuss concerns identified with DEO and provide an update to the BOCC at the next meeting.

On May 16, 2018, the County Attorney provided the BOCC a report on the Governor's proposal for 1,300 additional ROGO allocations following her meeting with DEO and state level staff. He advised the Board that they have a cabinet meeting scheduled for June 13, 2018 to discuss the allocations further.

On May 16, 2018, the BOCC directed County staff to present the Board's questions and concerns regarding the Workforce Initiative at the meeting with the Cabinet on June 13, 2018.

On June 13, 2018, the Florida Administration Commission approved the Workforce Housing Initiative. Florida Keys' local governments that choose to participate in the initiative will work with DEO to amend their respective comprehensive plans to allow for additional building permits for rental workforce housing with the condition of early evacuation.

On August 15, 2018, the BOCC directed County staff to prepare a discussion and direction item regarding the Keys Workforce Housing Initiative for the September 19, 2018 regular BOCC meeting.

On September 19, 2018, the BOCC directed County staff to draft proposed policy alternatives to the state's initiative that address several concerns raised related to the enforceability of the evacuation provisions. Additionally, the BOCC asked the County Attorney to research whether the state's Florida Keys Workforce Housing Initiative, which, if implemented, would create a precedent that would require the state to award as many as 10,000 additional units in the future.

On January 30, 2019, the BOCC considered options to accept the 300 units. Staff drafted three (3) options for consideration by the BOCC:

1. Do not accept the 300 early evacuation affordable ROGOs and extend ROGO allocations through 2026;
2. Accept the 300 early evacuation affordable ROGOs and extend ROGO allocations until 2026; and
3. Accept the 300 early evacuation affordable ROGOs and do not extend ROGO beyond 2023.

The BOCC directed staff to extend ROGO allocations through 2026, but took no action regarding the 300 early evacuation affordable ROGOs.

On January 22, 2020, the BOCC adopted Ord. 005-2020 to extend the remaining market rate ROGOs out for an additional three (3) years from 2023 to 2026.

On January 22, 2020, the BOCC directed staff to prepare an agenda item to discuss and provide direction on whether to direct staff to process Comprehensive Plan and Land Development Code amendments to: 1) move a portion of market-rate Rate Of Growth Ordinance (ROGO) units to the affordable housing allocation pool and/or 2) accept the 300 Workforce Housing units offered by the Department of Economic Opportunity (DEO) required to evacuate in Phase 1 of the Hurricane Evacuation model.

On February 19, 2020, the BOCC discussed whether to direct staff to process a comprehensive plan and land development code amendment to: 1) move a portion of the 378 remaining Market Rate - Rate of Growth Ordinance (ROGO) units through 2026 to the Affordable Housing allocation pool and/or 2) accept the 300 Workforce Housing units offered by the Department of Economic Opportunity (DEO) required to evacuate in phase 1 of the hurricane evacuation model. The BOCC did not decide on the potential shifting of market rate allocations to the affordable housing pool but did direct staff to start the process to accept the 300 workforce housing units.

On July 15, 2020, during a discussion item on potentially shifting market rate allocations to the affordable housing pool (agenda item I5), the BOCC provided further direction to staff on accepting the 300 workforce housing early evacuation unit building permit allocations. The BOCC directed: *accept the 300 workforce housing early evacuation unit building permit allocations to be used in exchange for existing affordable allocations at multifamily developments (for developers that agree to the early evacuation restriction) and the affordable housing allocations returned to the County (returned in the exchange) be set aside and banked for takings cases (bank them within an administrative relief pool).*

On January 20, 2021, the BOCC adopted Resolution 041-2021 to transmit the proposed amendments to DEO to review the 300 workforce housing early evacuation unit proposal, with a modification to Policy 101.3.12 to eliminate the requirement for a development agreement. With the 300 unit amendment being structured as an exchange program, the projects exchanging units have previously completed their development review and multiple hearings for a development agreement seems unnecessary, time consuming and costly. The BOCC and staff can review approve the exchange through a resolution approving a contract. DEO reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) report, received by the County on March 30, 2021. The ORC report stated, “the Department does not identify any objections or comments to the proposed amendment.”

On April 21, 2021, the BOCC adopted Ordinances 2021-005 and 2021-006 authorizing the acceptance of the 300 early evacuation allocations from the State and to allow said allocations be used in exchange of existing affordable units/ approved affordable allocations. Additionally, the Ordinance includes provisions that allow the returned affordable units / allocations to be banked to resolve potential takings cases.

At the September 11, 2024 Board of County Commissioners (BOCC) Meeting, the BOCC approved transmittal to the State Land Planning Agency (Florida Department of Commerce) an ordinance that allows Cemex Construction Materials Florida LLC (f/k/a Singletary Concrete Products Inc.) to use 86 early evacuation unit building permit allocations on one site in Tavernier without meeting the requirement of the 1-for-1 takings and Bert Harris Act liability reduction exchange required by the current Comprehensive Plan and Land Development Code.

At the September 11, 2024 BOCC meeting, the BOCC additionally directed Planning & Environmental Resources Department professional staff to begin processing Comprehensive Plan and Land Development Code text amendments to eliminate the 1-for-1 takings and Bert Harris Act liability reduction exchange requirement for the remaining 214 early evacuation unit building permit allocations.

At the December 11, 2024 BOCC Meeting, the BOCC adopted Ordinance 030-2024 which created a site-specific subarea within Tavernier that permits Cemex Construction Materials Florida LLC (f/k/a Singletary Concrete Products Inc.) to use 86 early evacuation unit building permit allocations on one site in Tavernier without meeting the requirement of the 1-for-1 takings and Bert Harris Act liability reduction exchange required by the current Comprehensive Plan and Land Development Code.

3. The proposed amendment is consistent with Part II of Chapter 163, Florida Statute

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. The Monroe County Comprehensive Plan is hereby amended as follows:

Proposed Amendment: deletions are ~~stricken through~~; additions are shown in underlined.

Objective 101.2
As mandated by the State of Florida, pursuant to Section 380.0552, F.S. and Rule 28-20.140, F.A.C., and to maintain the public health, safety, and welfare, Monroe County shall maintain a maximum hurricane evacuation clearance time of 24 hours and will coordinate with the State Land Planning Agency relative to the 2012 Memorandum of Understanding that has been adopted between the County and all the municipalities and the State agencies.

Policy 101.2.1
Monroe County shall maintain a memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach, and Layton to stipulate, based on professionally acceptable data and analysis, the input variables and assumptions, including regional considerations, for utilizing the Florida Division of Emergency Management's (DEM) Transportation Interface for Modeling Evacuations ("TIME") Model to accurately depict evacuation clearance times for the population of the Florida Keys.

Policy 101.2.2

Monroe County shall coordinate with all the municipalities, the State Land Planning Agency and Division of Emergency Management to update the variables and assumptions for the evacuation clearance time modeling and analyses of the build-out capacity of the Florida Keys Area of Critical State Concern based upon the release of the decennial Census data. Pursuant to the 2012 completed hurricane evacuation clearance time modeling by the State Land Planning Agency, which incorporates the 2010 Census data, the County may allocate 10 years' worth of growth (197 x 10 = 1,970 allocations, 197 annual ROGO rate based on Rule 28-20.140, F.A.C.) through the year 2023, while maintaining an evacuation clearance time of 24 hours. The County adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 2026 without exceeding the total of 1,970 allocations (see Policy 101.3.2). The County shall reevaluate the annual ROGO allocation rate based on: 1) statutory changes for hurricane evacuation clearance time requirement standards; 2) new hurricane evacuation modeling by the State Land Planning Agency and Division of Emergency Management; and 3) a new or revised memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach and Layton (see Policy 101.2.1).

Notwithstanding the foregoing and pursuant to Policies 101.3.2, 101.3.3 and 101.3.12, Monroe County shall establish a new allocation category to accept and award 300 affordable workforce housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative). These allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.2.3

The County will consider capital improvements based upon the need for improved hurricane evacuation clearance times, including potential impacts from sea level rise to the County's evacuation route. The County will coordinate with the FDOT, the state agency which maintains U.S.1, to ensure transportation projects that maintain and improve clearance times are prioritized.

Policy 101.2.4

In the event of a pending major hurricane (Category 3—5) Monroe County shall implement the following staged/phased evacuation procedures to achieve and maintain an overall 24-hour hurricane evacuation clearance time for the resident population.

1. Approximately 48 hours in advance of tropical storm winds, a mandatory evacuation of non-residents, visitors, recreational vehicles (RVs), travel trailers, live-aboard vessels (transient and non-transient), military personnel, units approved~~,~~ and deed restricted as affordable workforce housing early evacuation units from the Florida Keys shall be initiated. State parks and campgrounds should be closed at this time or sooner and entry into the Florida Keys by non-residents should be strictly limited.
2. Approximately 36 hours in advance of tropical storm winds, a mandatory evacuation of mobile home residents, special needs residents, and hospital and nursing home patients from the Keys shall be initiated.

3. Approximately 30 hours in advance of tropical storm winds, a mandatory phased evacuation of permanent residents by evacuation zone (described below) shall be initiated. Existing evacuation zones are as follows:
   a) Zone 1 - Key West, Stock Island and Key Haven to Boca Chica Bridge (MM 1-6)
   b) Zone 2 - Boca Chica Bridge to West end of 7-mile Bridge (MM 6-40)
   c) Zone 3 - West end of 7-Mile Bridge to West end of Long Key Bridge (MM 40-63)
   d) Zone 4 - West end of Long Key Bridge to CR 905 and CR 905A intersection (MM 63-106.5 and MM 1-9.5 of CR 905)
   e) Zone 5 - 905A to, and including Ocean Reef (MM 106.5-126.5)

The actual sequence of the evacuation by zones will vary depending on the individual storm. The concepts embodied in this staged evacuation procedures should be embodied in the appropriate County operational Emergency Management Plans.
The evacuation plan shall be monitored and updated on an annual basis to reflect increases, decreases and or shifts in population; particularly the resident and non-resident populations.

For the purpose of implementing Policy 101.2.4, this Policy shall not increase the number of allocations to more than 197 residential units a year, except for affordable housing. Any increase in the number of allocations shall be for affordable housing. Monroe County hereby accepts 300 affordable workforce ~~(affordable)~~ housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These early evacuation allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The early evacuation allocations shall be required to evacuate in Phase 1 of the 48-hr evacuation as provided in Policy 101.2.4 ~~of a pending major hurricane~~. No new additional residential dwelling unit allocations shall be authorized within the Phase 1 of the 48-hr evacuation unless approved and provided by the Florida Administration Commission and the State Land Planning Agency ~~Florida Department Economic Opportunity~~ after review of hurricane evacuation modeling results by the State Land Planning Agency and the Division of Emergency Management of available evacuation capacity and a review of the level of service and available capacity for all public facilities.

Objective 101.3
Monroe County shall regulate new residential development based upon the finite carrying capacity of the natural and man-made systems and the growth capacity while maintaining a maximum hurricane evacuation clearance time of 24 hours.

Policy 101.3.1
Monroe County shall maintain a Permit Allocation System for new residential development known as the Residential Rate of Growth Ordinance (ROGO) System. The

Permit Allocation System shall limit the number of permits issued for new residential dwelling units. The ROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs). New residential dwelling units included in the ROGO allocation system include the following: affordable housing units; market rate dwelling units; mobile homes; institutional residential units (except hospital rooms) and affordable workforce housing early evacuation units.

Vessels are expressly excluded from the allocation system, as the vessels do not occupy a distinct location, and therefore cannot be accounted for in the County's hurricane evacuation model. Under no circumstances shall a vessel, including live-aboard vessels, or associated wet slips be transferred upland or converted to a dwelling unit of any other type. Vessels or associated wet slips are not considered ROGO allocation awards, and may not be used as the basis for any type of ROGO exemption or TRE (Transfer of ROGO Exemption).

ROGO Allocations for rooms, hotel or motel; campground spaces; transient residential units; and seasonal residential units are subject to Policy 101.3.5.

For purposes of this Policy, the redevelopment or replacement of any lawfully established unit within the Venture out community, which is located in the Lower Keys at MM23 on Cudjoe Key, that does not increase the number of units, above that which existed on or before January 4, 1996, shall be exempt from the permit allocation (ROGO) system. Policies 101.3.5 and 101.6.8 shall not apply to Venture Out, and the units within Venture Out may be developed as either detached dwelling, mobile home or recreational vehicle use through the approval of a building permit, provided the following are met:

1. To not increase the hurricane evacuation clearance time of permanent residents, in the event of a pending major hurricane (Category 3—5), a mandatory evacuation of all occupants of units within Venture Out, regardless of unit type, is required at least 48 hours in advance of tropical storm winds. Approximately 48 hours in advance of tropical storm winds, a mandatory evacuation of occupants residing in a permanent unit shall be initiated and a mandatory evacuation of both the occupants of recreational vehicles (RVs) and the RVs shall be initiated;
2. Notwithstanding the provisions of Policy 101.5.5, the interchangeability of detached dwelling (permanent), mobile home (permanent) and recreational vehicles (transient) uses may occur only within the gated Venture Out community with a managing entity responsible for evacuation;
3. Recreational Vehicle occupancies or tenancies of six (6) months or more is prohibited;
4. Recreational Vehicles must meet all land development regulations, floodplain management regulations and any building code requirements for recreational vehicles;

DRAFT

5. A recreational vehicle must have current licenses required for highway travel, be attached to the site only by the quick disconnect-type utilities, and no permanent additions such as sun rooms or state rooms shall be permitted;
6. Notwithstanding the transfer provisions within Policy 101.6.8, no unit, regardless of use type, within the Venture Out community may be transferred to another site outside of the Venture Out community; and
7. In no case shall recreational vehicles (transient units) be developed as a hotel/motel.

Policy 101.3.2

The number of permits issued for residential dwelling units under the Rate of Growth Ordinance shall not exceed a total of 1,970 new allocations for the time period of July 13, 2013 through July 12, 2026, plus any available unused ROGO allocations from a previous ROGO year and 300 affordable workforce housing early evacuation unit building permit allocations authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. A ROGO year means the twelve-month period beginning on July 13. Market rate allocations shall not to exceed 126 residential units per year. Unused allocations for market rate shall be available for Administrative Relief.

In 2012, pursuant to Rule 28-20.140, F.A.C., the State Land Planning Agency ~~Department of Economic Opportunity~~ completed the hurricane evacuation clearance time modeling task and found that with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance time. This creates challenges for State of Florida and Monroe County as there are 8,168 privately owned vacant parcels [3,979 Tier I; 393 Tier II, 260 Tier III-A (SPA); 3,301 Tier III, and 235 No tier (ORCA, etc.)] and with 1,970 new allocations this may result in a balance of 6,198 privately held vacant parcels at risk of not obtaining permits in the future. In recognition of the possibility that the inventory of vacant parcels exceeds the total number of allocations which the State will allow the County to award, the County adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 2026 and is accepting 300 affordable workforce ~~(affordable)~~ housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These affordable workforce housing early evacuation allocations that are in addition to the maximum building permit allocations identified in Rules 28-20, F.A.C. The County will consider adopting an extended timeframe for distribution of the ROGO allocations through 2033 with committed financial support from its State and Federal partners. This timeframe can provide a safety net to the County and provide additional time to implement land acquisition and other strategies to reduce the demand for ROGO allocations and help transition land into public ownership.

The County is actively engaged in acquisitions and is requesting its State and Federal partners for assistance with implementing land acquisitions in Monroe County. The County will allocate the 1,970 new dwelling unit allocations through July 12, 2026. If substantial financial support is provided by July 12, 2023, the County will reevaluate the

ROGO distribution allocation schedule and consider an extended timeframe for the distribution of market rate allocations (through a comprehensive plan amendment). Further, the State and County shall develop a mutually agreeable position defending inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases, with the State having an active role both directly and financially in the defense of such cases.

The County shall distribute ROGO allocations by ROGO year, as provided in the table below.

*Includes two annual affordable ROGO allocations for the Big Pine Key/No Name Key subarea) through the Incidental Take Permit (ITP) ending in 2023.
** Affordable ~~W~~workforce housing early evacuation unit building permit allocations shall be available countywide (unincorporated county) in the Upper and Lower Keys subareas and distributed on a first-come first-serve basis. Requests for dwelling units developed and/or deed-restricted utilizing the affordable workforce housing early evacuation unit building permit allocations are subject to the provisions of Policy 101.3.12.

The State of Florida, pursuant to Administration Commission Rules, may modify the annual allocation rate. Monroe County will request a Rule change from the Administration Commission to authorize the above allocation timeframe and rate.

Policy 101.3.3

Monroe County shall allocate at least 20% of the annual allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units as part of ROGO. Any portion of the allocations not used for affordable housing shall be retained and be made available for affordable housing from ROGO year to ROGO year. Affordable housing eligible for this separate allocation and affordable workforce housing early evacuation units shall meet the criteria specified in Policy 601.1.4 and the Land Development Code, but shall not be subject to the competitive Residential Permit Allocation and Point System in Policy 101.6.4. Any parcel proposed for affordable housing or affordable workforce housing early evacuation units shall not be located within an area designated as Tier I as set forth under Goal 105 or within a Tier III-A Special Protection Area as set forth in Policy 205.1.1.

Notwithstanding the foregoing, and notwithstanding Policy 101.6.2. affordable housing ROGO allocations may be awarded to Tier I or Tier III-A properties which meet all of the following criteria:

1. The property contains an existing market rate dwelling unit that meets the criteria in LDC Section 138-22(a) and is determined to be exempt from ROGO;
2. The proposed replacement affordable dwelling unit meets current Florida Building Code and is not a mobile home;
3. The proposed replacement dwelling unit shall be deed restricted for a period of at least 99 years as affordable housing pursuant to the standards of the Land Development Code; and
4. The proposed site plan for the replacement affordable dwelling unit does not propose any additional clearing of habitat.

Policy 101.3.4

The Permit Allocation System (or Rate of Growth Ordinance) for new residential development shall specify procedures for:

1. establishing the annual number of ~~permits~~ allocations for new residential units to be issued during the next ROGO year based upon, but not limited to the following:
   a. expired allocations and building permits in previous year;
   b. allocations available, but not allocated in previous year;
   c. number of allocations borrowed from future quarters;
   d. vested allocations;
   e. modifications required or provided by Administration Commission Rules;
   f. modifications required or provided by this plan or agreement pursuant to Chapter 380, Florida Statutes; and
   g. receipt or transfer of affordable housing allocations by intergovernmental agreement; and
   h. receipt or transfer of allocations pursuant to the 2012 Hurricane Evacuation Clearance Time Memorandum of Understanding.
2. allocation of affordable housing, affordable workforce housing early evacuation unit~~s~~ building permit allocations and market rate housing units in accordance with Policies 101.3.2 and 101.3.3; and
3. timing of the acceptance of applications, evaluation and scoring of applications, and issuance of permits for new residential development during the calendar year.

DRAFT

Policy 101.3.5
Due to the limited number of allocations and the State's requirement that the County maintain a maximum hurricane evacuation clearance time of 24 hours, Monroe County shall prohibit new transient residential allocations for hotel or motel rooms, campground spaces, or spaces for parking a recreational vehicle or travel trailer July 2026. Lawfully established transient units shall be entitled to one unit for each type of unit in existence before January 4, 1996, for use as a ROGO exemption.

Policy 101.3.6
All public and institutional uses (except hospital rooms) that predominately serve the County's non-transient population and which house temporary residents shall be subject to the Permit Allocation System for residential development, except upon factual demonstration that such transient occupancy is of such a nature so as not to adversely impact the hurricane evacuation clearance time of Monroe County.

* * * * * *

Policy 101.3.9
For those ROGO applications and properties which have not received a ROGO award for four consecutive years and have applied for administrative relief, which are designated Tier I, II, or IIIA, the County or the State shall offer to purchase the property if funding for such is available. Refusal of the purchase offer shall not be grounds for granting a ROGO award.

Policy 101.3.10
Notwithstanding any other provision of the Plan, except the last sentence of this Policy 101.3.10, building allocations utilized for affordable housing projects may be pooled and transferred between ROGO sub-areas, excluding the Big Pine/No Name Keys ROGO subarea, and between local government jurisdictions within the Florida Keys Area of Critical State Concern (ACSC). Any such transfer of affordable housing allocations between local government jurisdictions must be accomplished through an interlocal agreement between the sending and receiving local governments. Interlocal agreements that involve assigning the County's affordable housing (not including affordable housing allocations banked for takings cases) allocations *to existing dwelling units within a municipality* with a requirement that the associated market rate ROGO/BPAS exemptions be transferred into the unincorporated County as an exchange for the affordable housing allocations transferred to the municipality, shall be accomplished through a minor conditional use permit approval and shall be subject to the receiver site criteria in Policy 101.6.8 and may be transferred to any subarea within the unincorporated County. In no event shall the County (1) pool and transfer affordable workforce housing early evacuation unit building permit allocations between ROGO sub-areas, (2) transfer affordable workforce housing early evacuation unit building permit allocations to another government jurisdiction, (3) receive affordable workforce housing early evacuation unit building permit allocations from another government jurisdiction, or (4) transfer affordable housing ROGO allocations received by the County in exchange for workforce housing early evacuation unit allocations to another government jurisdiction.

DRAFT

Policy 101.3.11

Monroe County may receive additional building permit allocations pursuant to the 2012 completed hurricane evacuation clearance time modeling and allocation recommendations by the State Land Planning Agency and the Administration Commission's direction that the City of Key West \ transfer annually (by July 15th) any remaining unused allocations for that year to the other Florida Keys' local governments based upon the local governments' ratio of vacant land. Any transferred allocations from the City of Key West to Monroe County shall be made available for Administrative Relief. Monroe County may receive, and award 300 building permit allocations designated as affordable workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These early evacuation allocations that are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.3.12

Affordable Workforce Housing Early Evacuation Initiative. To support Monroe County's workforce by alleviating constraints on affordable housing, to protect private property rights and address potential liability, the County is participating in the Workforce-Affordable Housing Initiative (Workforce Initiative), as approved during the June 13, 2018 meeting of the Florida Administration Commission. Monroe County accepts the 300 affordable workforce housing early evacuation building permit allocations pursuant to the Workforce-Affordable Housing Initiative authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. The Workforce-Affordable Housing Initiative will require dwelling units constructed and/or deed restricted with workforce housing early evacuation building permit allocations to evacuate occupants in Phase 1 of the 48-hr evacuation of a pending major hurricane, pursuant to the criteria below.

To participate in the Workforce Initiative, Monroe County shall be responsible for the management, distribution, and enforcement of requirements associated with the affordable workforce housing early evacuation building permit allocations. Monroe County shall ensure adherence to these requirements through implementation of this policy and shall annually provide to the State Land Planning Agency ~~Florida Department Economic Opportunity~~ a report indicating the number of affordable workforce housing early evacuation units built and/or deed restricted, occupancy rates, and compliance with the requirement to evacuate the units in Phase I of an evacuation. The annual report shall be provided to the State in a timely manner such that the State may include the information in the required Annual Report to the ~~Governor and Cabinet~~ Florida Administration Commission on the County's progress toward completion of its Work Program pursuant to Rule 28-20, F.A.C.

Dwelling units developed and/or deed restricted utilizing the affordable workforce housing early evacuation unit building permit allocations are subject to the following:

(a) Requests for affordable workforce housing early evacuation unit building permit allocations ~~shall be available only for a 1 for 1 exchange for affordable allocations/exemptions and~~ require a reservation via BOCC resolution. The BOCC may, at its discretion, place conditions on any reservation as it deems appropriate such as establishing the income categories for allocations granted. ~~The BOCC may, at its discretion, exchange existing reserved affordable allocations for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations. Further, the BOCC may, at its discretion, approve the exchange of existing deed-restricted affordable housing units (lawful affordable exemptions) at existing multifamily residential developments for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations.~~

~~(1) The affordable allocations returned to the County in exchange for workforce housing early evacuation unit allocations shall be banked and used for future administrative relief, beneficial use determinations and to resolve inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases.~~

~~(2) To maintain consistency with Rule 28-20.140(2)(b), F.A.C., the affordable allocations returned to the County shall be maintained as affordable allocations and shall also be returned to the original affordable housing category (very low/low/median income vs. moderate income pool).~~

~~(3) The workforce housing early evacuation unit allocations must be utilized based on the original approved affordable housing income category or a lesser income category.~~

~~(4) Administrative relief means actions taken by the County granting the owner of real property relief from the continued application of the Rate of Growth Ordinance (ROGO) restrictions provided they meet the criteria established in the Comprehensive Plan and Land Development Code.~~

~~(5) Beneficial use means the use of property that allows an owner to derive a benefit or profit in the exercise of a basic property right. For the purpose of this policy, beneficial use shall mean the minimum use of the property necessary to avoid the finding of a regulatory taking under current land use case law.~~

~~(b) The construction of dwelling units, the redevelopment or the deed restriction of existing dwelling units utilizing workforce housing early evacuation unit allocations shall require approval of a resolution approving a contract between the BOCC and the applicant to officially exchange the allocations and confirm compliance with the requirements Workforce Initiative within this Policy.~~

(~~c~~b) All affordable workforce housing early evacuation units require a deed-restriction ensuring:

(1) Before any building permit may be issued for any structure, portion or phase of a project subject to the Workforce Initiative, a restrictive covenant shall be approved by the Planning Director and County Attorney and recorded in the Office of the Clerk of the County to ensure compliance with the provision of this section running in favor of the County and enforceable by the County and, if applicable, a participating municipality. The following requirements shall apply to these restrictive covenants:

DRAFT

a. The covenants for any workforce housing early evacuation units shall be effective for 99 years.

b. The covenants shall not commence running until a certificate of occupancy has been issued by the Building Official for the dwelling unit or dwelling units to which the covenant or covenants apply.

c. For existing dwelling units that are deed-restricted as workforce housing early evacuation units, the covenants shall commence running upon recordation in the Official Records of Monroe County.

(2) The covenants shall require that the workforce housing early evacuation units to be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The occupants are required to annually verify their employment and income eligibility.

(3) The covenants shall require occupants to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane. Persons living in the workforce housing early evacuation units who may be exempted from evacuation requirements are limited to law enforcement, correctional and fire personnel, health care personnel, and public employees with emergency management responsibilities. If there is an occupant that indicates their employment is considered a 'first-responder position' and not included in the list of exemptions above, then the Planning Director shall determine, in writing, whether the person may be exempted because of a requirement to remain during an emergency. Any person claiming exemption under this provision shall submit of an affidavit of qualification and faithfully certify their status with the onsite property management.

(4) The covenants shall require rental agreements which contain a separate disclosure requiring rental occupants to acknowledge the existing restrictive covenant on the unit requiring evacuation in Phase 1 of the 48-hr evacuation and that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including eviction, to the occupant.

(5) The covenants shall require onsite property managers and a separate employment disclosure requiring the maintenance of training in evacuation procedures and an acknowledgement that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including termination.

(~~d~~c) Affordable ~~W~~workforce housing early evacuation units shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. Workforce means individuals or families who are gainfully employed supplying goods and/or services to Monroe County residents or visitors.

(~~e~~d)Affordable ~~W~~workforce housing early evacuation units shall require onsite property management with property managers trained in evacuation procedures and required to manage the evacuation of tenants in Phase I of an evacuation. During traditional working hours, the property manager must be at an office within the affordable workforce housing early evacuation unit development subject property.

Outside the traditional working hours, the property manager must be available at all times to respond to evacuation orders.

(~~f~~e) The property management entity for the affordable workforce housing early evacuation units shall be required to annually verify the employment and income eligibility of tenants; report the total units on the site, the occupancy rates of units, and tenant compliance with the requirement to evacuate the units in Phase I of an evacuation, including the number of occupants that are exempt from the evacuation requirements. The property management entity must submit a report to the Planning and Environmental Resources Department by May 1 of each year. Further, each lease and this annual report shall be kept by the property manager and be available for inspection by the County during traditional working hours.

(~~g~~f) Affordable ~~W~~workforce housing early evacuation units shall be located within an area designated as Tier III.

(~~h~~g) Affordable ~~W~~workforce housing early evacuation units shall not be located in the V-Zone or within a Coastal Barrier Resource System (CBRS).

(~~i~~h) Affordable ~~W~~workforce housing early evacuation units shall be located on a property which has all infrastructure available (potable water, adequate wastewater treatment and disposal wastewater meeting adopted LOS, paved roads, etc.).

(~~j~~i) All affordable workforce housing early evacuation units must demonstrate compliance with all applicable federal standards for accessibility for persons with disabilities (ADA Compliance).

(~~k~~j) To the greatest extent practicable, a development utilizing affordable workforce housing early evacuation unit building permit allocations shall incorporate sustainable and resilient design principles into the overall site design ~~and be accessible to employment centers in Key West, Stock Island and Marathon~~.

(k) To the greatest extent practicable, a development utilizing affordable workforce housing early evacuation unit building permit allocations shall be accessible to employment centers in Key West, Stock Island and Marathon.

GOAL 601

Monroe County shall adopt programs and policies to facilitate access by residents to adequate and affordable housing that is safe, decent, and structurally sound, and that meets the needs of the population based on type, tenure characteristics, unit size and individual preferences.

Objective 601.1

To ensure that affordable housing opportunities are available throughout the entire community and to maintain a balanced and sustainable local economy and the provision of essential services, Monroe County shall implement the following defined policies to reduce estimated affordable housing need for its workforce and households in the very low, low, median and moderate income classifications. [F.S. § 163.3177(6)(f)1.]

Policy 601.1.1

Monroe County shall maintain land development regulations, in conjunction with the Permit Allocation System, for apportioning future affordable housing development.

Policy 601.1.2

Monroe County shall continue its participation in Federal and State housing assistance programs to rehabilitate owner and rental housing for very low, low, median, and moderate income residents by seeking grants, loans, and technical assistance in conjunction with the Monroe County Housing Authority. Monroe County shall also participate, as appropriate, in FEMA Hazard Mitigation Grant Program (HMGP), Flood Mitigation Assistance (FMA) Program and Community Development Block Grant - Disaster Recovery (CDBG-DR) grant programs to support the completion of flood mitigation projects, such as the elevation of homes above base flood level to reduce the risk of future flood damage. [F.S. § 163.3177(6)(f)3.]

Policy 601.1.3

The Monroe County Land Authority shall maintain a list of buildable properties owned or targeted for acquisition by the Land Authority which potentially could be donated or made available for affordable housing. This list will be updated annually and made available to the public. The guidelines established in Policies 601.1.10 and 601.1.11 shall be considered in the formulation of this list.

Policy 601.1.4

All affordable housing projects which receive development benefits from Monroe County, including but not limited to ROGO allocation award(s) reserved for affordable housing, maximum net density, or donations of land, shall be required to maintain the project as affordable for a period of 99 years pursuant to deed restrictions or other mechanisms specified in the Land Development Code, and administered by Monroe County or the Monroe County Housing Authority.

Policy 601.1.5

If Monroe County funding or County-donated land is to be used for any affordable housing project, alternative sites shall be assessed according to the following guidelines:

1. The location of endangered species habitat. Sites within known, probable, or potentially suitable threatened or endangered species habitat shall be avoided.
2. The environmental sensitivity of the vegetative habitat. The habitat sensitivity shall be determined according to the ranking specified in the Environmental Design Criteria section of the Land Development Code. Disturbed sites shall be selected, unless no feasible alternative is available.
3. Sites located within V-Zones, on offshore islands, or within CBRS units shall be avoided.
4. The level of service provided in the vicinity for all public facilities. Areas which are at or near capacity for one or more public facility should be avoided.
5. Proximity to employment and retail centers. Sites within five miles of employment and retail centers shall be preferred.

Policy 601.1.6

Monroe County shall identify funding sources that could be made available to support community-based non-profit organizations such as Habitat for Humanity in their efforts to provide adequate affordable housing.

Policy 601.1.7

DRAFT

Monroe County shall continue to participate in the State Housing Incentives Partnership program as specified in the 1992 William Sadowski Affordable Housing Act. Monroe County shall also continue to maintain a Local Housing Assistance Plan and Affordable Housing Incentive Strategies as specified in the Act and recommended by the Monroe County Affordable Housing Advisory Committee.

Policy 601.1.8

Monroe County shall allocate at least 20% of the annual ROGO allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units, as specified in Policy 101.3.3. Affordable housing eligible for this separate allocation must meet the criteria established in the Land Development Code. Monroe County may award 300 additional building permit allocations designated as affordable workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These building permit allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., are restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code, and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Section 2. **Severability.** If any section, subsection, sentence, clause, item, change, or provision of this ordinance is held invalid, the remainder of this ordinance shall not be affected by such validity.

Section 3. **Repeal of Inconsistent Provisions.** All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed to the extent of said conflict.

Section 4. **Transmittal.** This ordinance shall be transmitted by the Director of Planning to the State Land Planning Agency pursuant to Chapter 163 and 380, Florida Statutes.

Section 5. **Filing and Effective Date.** This ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance with Chapter 163, Florida Statutes and after any applicable challenges have been resolved.

Section 6. **Inclusion in the Comprehensive Plan.** The text amendment shall be incorporated in the Monroe County Comprehensive Plan. The numbering of the foregoing amendment may be renumbered to conform to the numbering in the Monroe County Comprehensive Plan.

MEMORANDUM

MONROE COUNTY PLANNING & ENVIRONMENTAL RESOURCES DEPARTMENT

To: Monroe County Board of County Commissioners

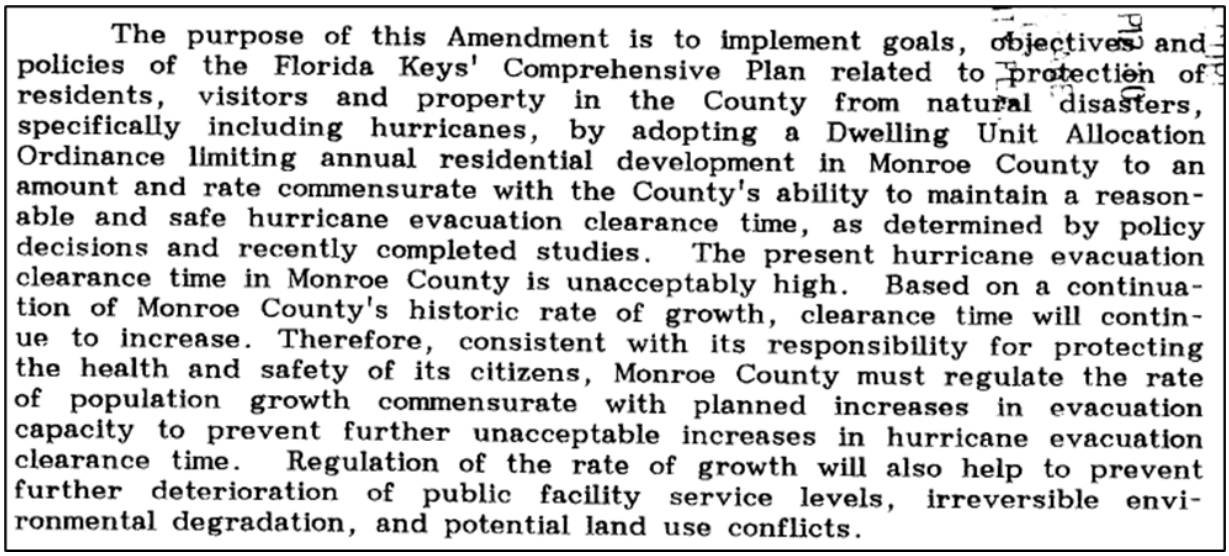
Through: Emily Schemper, AICP, CFM, Growth Management Director

From: Cheryl Cioffari, AICP, Assistant Director of Planning

Date: March 26, 2025

Subject: An ordinance by the Monroe County Board of County Commissioners amending the Future Land Use Element and the Housing Element of the 2030 Monroe County Comprehensive Plan to eliminate the 1-for-1 exchange for the remaining 300 workforce affordable housing early evacuation unit building permit allocations (File 2024-213)

Meeting: April 16, 2025



I. REQUEST

The Monroe County Planning & Environmental Resources Department is proposing amendments to the Future Land Use Element and the Housing Element of the 2030 Comprehensive Plan, as directed by the BOCC on September 11, 2024, to eliminate the 1-for-1 exchange for the remaining 300 workforce affordable housing early evacuation unit building permit allocations.

II. BACKGROUND INFORMATION

Section 380.0552, F.S., the Florida Keys Area protection and designation as area of critical state concern, establishes the intent to "ensure that the population of the Florida Keys can be safely evacuated," [380.0552(2)(j), F.S.] and requires that amendments to each local government's comprehensive plan to include "goals, objectives, and policies to protect public safety and welfare in the event of a natural disaster by maintaining a hurricane evacuation clearance time for permanent residents of no more than 24 hours. The hurricane evacuation clearance time shall be determined by a hurricane evacuation study conducted in accordance with a professionally accepted methodology and approved by the state land planning agency" [380.0552(9)(a)2, F.S.].

In order to accomplish the hurricane evacuation requirements by the State, the County adopted a Permit Allocation System known as the Rate of Growth Ordinance (ROGO).

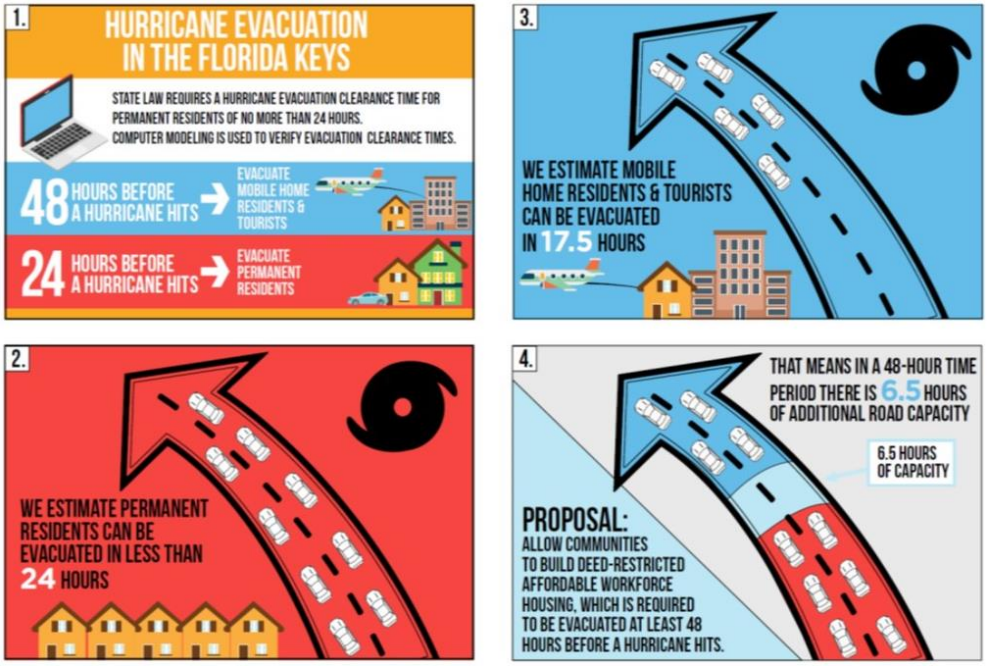
The purpose of this Amendment is to implement goals, objectives and policies of the Florida Keys' Comprehensive Plan related to protection of residents, visitors and property in the County from natural disasters, specifically including hurricanes, by adopting a Dwelling Unit Allocation Ordinance limiting annual residential development in Monroe County to an amount and rate commensurate with the County's ability to maintain a reasonable and safe hurricane evacuation clearance time, as determined by policy decisions and recently completed studies. The present hurricane evacuation clearance time in Monroe County is unacceptably high. Based on a continuation of Monroe County's historic rate of growth, clearance time will continue to increase. Therefore, consistent with its responsibility for protecting the health and safety of its citizens, Monroe County must regulate the rate of population growth commensurate with planned increases in evacuation capacity to prevent further unacceptable increases in hurricane evacuation clearance time. Regulation of the rate of growth will also help to prevent further deterioration of public facility service levels, irreversible environmental degradation, and potential land use conflicts.

ROGO adopted pursuant to Ordinance 016-1992, adopted 6/23/1992

The Rate of Growth Ordinance (ROGO) was implemented to provide for the safety of residents in the event of a hurricane evacuation and to protect the significant natural resources of Monroe County, as required by the State of Florida. The County originally reduced the annual permitting rate from approximately 500+ units per year to 255 units per year. Later the State adjusted the annual allocation (see Rule 28-20, F.A.C.) to 197 units per year. Each year's ROGO allocation of 197 new units is split with a minimum of 71 units allocated for affordable housing and market rate allocations cannot to exceed 126 new residential units per year.

In 2012, pursuant to Rule 28-20.140, F.A.C., the Department of Economic Opportunity (DEO) completed the hurricane evacuation clearance time modeling task and found that with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance. Based upon the resulting 24 hour evacuation clearance, DEO determined the remaining allocations for the Florida Keys (3,550 additional permits countywide, 1,970 of these permits would go to Monroe County). In March 2013, the Governor and Cabinet, sitting as the State Administration Commission, approved the recommendation to allocate 10 years' worth of growth to the Florida Keys.

Previous Relevant BOCC Action



On April 13, 2016, the BOCC adopted the 2030 Comprehensive Plan and Land Development Code, which included a ROGO allocation distribution through the year 2023, based on Rule 28-20.140, F.A.C., and the Department of Economic Opportunity's completion of the hurricane evacuation clearance time modeling task that found with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance time (Phase 2 of the 48-hr phased/staged evacuation).

On May 2, 2018, Governor Rick Scott issued a press release outlining an initiative to the Florida Department of Economic Opportunity ("DEO") for a Keys Workforce Housing Initiative (Exhibit 1). The proposed initiative would allow 1,300 additional Rate of Growth Ordinance (ROGO) allocations throughout the Florida Keys (ROGOs or Building Permit Allocation Systems) for rental workforce housing, with a condition that the rental occupants evacuate in the early phase (48-hour window) of a hurricane evacuation. Any development receiving the units would be required to sign a rental management agreement indicating they would be required to assure the evacuation of all occupants of the development. Under the initiative, each jurisdiction would be eligible to receive up to 300 of these

units. The press release specifically stated, "To meet the increased demand for workforce housing, the innovative Keys Workforce Housing Initiative will require new construction that participates to commit to evacuating renters in the 48-hour window of evacuation."

On June 13, 2018, the Florida Administration Commission approved the Workforce Housing Initiative. Florida Keys' local governments that choose to participate in the initiative are to work with DEO to amend their respective comprehensive plans to allow for additional building permits for rental workforce housing with the condition of early evacuation.

DEO provided County staff with preliminary draft language based on the minimum requirements established in the initiative to use as a starting point when drafting proposed language (Exhibit 2). Additionally, DEO issued the graphic below demonstrating the 2012 Hurricane Evacuation model results that indicated there were still 6.5 hours of additional road capacity in Phase 1 of the hurricane evacuation model.

In support of the Housing Initiative at the June 13, 2018 Cabinet meeting, DEO staff made a presentation stating that the Phase I evacuation (under the existing staged evacuation plan) can be accomplished in 17.5 hours, leaving additional capacity of 6.5 hours in Phase I. DEO concluded that the Housing Initiative "will not interfere with the 24-hour evacuation model and satisfies the statutory mandate to provide affordable housing."

On May 2, 2018, Governor Rick Scott issued a press release outlining an initiative to the Florida Department of Economic Opportunity ("DEO") for a Keys Workforce Housing Initiative. The proposed initiative would allow 1,300 additional Rate of Growth Ordinance (ROGO) allocations throughout the Florida Keys (ROGOs or Building Permit Allocation Systems).

Commissioner Rice called a special meeting for May 10, 2018 at 11 a.m. in Marathon to provide the Commission and the public an opportunity to discuss the proposal prior to the Cabinet meeting (May 15, 2018). At the May 10, 2018 Special BOCC Meeting, the BOCC directed County staff to discuss concerns identified with DEO and provide an update to the BOCC at the next meeting.

On May 16, 2018, the County Attorney provided the BOCC a report on the Governor's proposal for 1,300 additional ROGO allocations following her meeting with DEO and state level staff. He advised the Board that they have a cabinet meeting scheduled for June 13, 2018 to discuss the allocations further.

On May 16, 2018, the BOCC directed County staff to present the Board's questions and concerns regarding the Workforce Initiative at the meeting with the Cabinet on June 13, 2018.

On June 13, 2018, the Florida Administration Commission approved the Workforce Housing Initiative. Florida Keys' local governments that choose to participate in the initiative will work with DEO to amend their respective comprehensive plans to allow for additional building permits for rental workforce housing with the condition of early evacuation.

On August 15, 2018, the BOCC directed County staff to prepare a discussion and direction item regarding the Keys Workforce Housing Initiative for the September 19, 2018 regular BOCC meeting.

On September 19, 2018, the BOCC directed County staff to draft proposed policy alternatives to the state's initiative that address several concerns raised related to the enforceability of the evacuation provisions. Additionally, the BOCC asked the County Attorney to research whether the state's Florida Keys Workforce Housing Initiative, which, if implemented, would create a precedent that would require the state to award as many as 10,000 additional units in the future.

On January 30, 2019, the BOCC considered options to accept the 300 units. Staff drafted three (3) options for consideration by the BOCC:

1. Do not accept the 300 early evacuation affordable ROGOs and extend ROGO allocations through 2026;
2. Accept the 300 early evacuation affordable ROGOs and extend ROGO allocations until 2026; and
3. Accept the 300 early evacuation affordable ROGOs and do not extend ROGO beyond 2023.

The BOCC took no action.

On January 22, 2020, the BOCC adopted Ord. 005-2020 to extend the remaining market rate ROGOs out for an additional three (3) years from 2023 to 2026.

On January 22, 2020, the BOCC directed staff to prepare an agenda item to discuss and provide direction on whether to direct staff to process Comprehensive Plan and Land Development Code amendments to: 1) move a portion of market-rate Rate Of Growth Ordinance (ROGO) units to the affordable housing allocation pool and/or 2) accept the 300 Workforce Housing units offered by the Department of Economic Opportunity (DEO) required to evacuate in Phase 1 of the Hurricane Evacuation model.

On February 19, 2020, the BOCC discussed whether to direct staff to process a comprehensive plan and land development code amendment to: 1) move a portion of the 378 remaining Market Rate - Rate of Growth Ordinance (ROGO) units through 2026 to the Affordable Housing allocation pool and/or 2) accept the 300 Workforce Housing units offered by the Department of Economic Opportunity (DEO) required to evacuate in phase 1 of the hurricane evacuation model. The BOCC did not decide on the potential shifting of market rate allocations to the affordable housing pool but did direct staff to start the process to accept the 300 workforce housing units.

On July 15, 2020, during a discussion item on potentially shifting market rate allocations to the affordable housing pool (agenda item I5), the BOCC provided further direction to staff on accepting the 300 workforce housing early evacuation unit building permit allocations. The BOCC directed: *accept*

the 300 workforce housing early evacuation unit building permit allocations to be used in exchange for existing affordable allocations at multifamily developments (for developers that agree to the early evacuation restriction) and the affordable housing allocations returned to the County (returned in the exchange) be set aside and banked for takings cases (bank them within an administrative relief pool).

On January 20, 2021, the BOCC adopted Resolution 041-2021 to transmit the proposed amendments to DEO to review the 300 workforce housing early evacuation unit proposal, with a modification to Policy 101.3.12 to eliminate the requirement for a development agreement. With the 300 unit amendment being structured as an exchange program, the projects exchanging units have previously completed their development review and multiple hearings for a development agreement seems unnecessary, time consuming and costly. The BOCC and staff can review approve the exchange through a resolution approving a contract. DEO reviewed the amendment and issued an Objections, Recommendations and Comments (ORC) report, received by the County on March 30, 2021. The ORC report stated, "the Department does not identify any objections or comments to the proposed amendment."

On April 21, 2021, the BOCC adopted Ordinances 2021-005 and 2021-006 authorizing the acceptance of the 300 early evacuation allocations from the State and to allow said allocations be used in exchange of existing affordable units/ approved affordable allocations. Additionally, the Ordinance includes provisions that allow the returned affordable units / allocations to be banked to resolve potential takings cases.

At the September 11, 2024 Board of County Commissioners (BOCC) Meeting, the BOCC approved transmittal to the State Land Planning Agency (Florida Department of Commerce) an ordinance that allows Cemex Construction Materials Florida LLC (f/k/a Singletary Concrete Products Inc.) to use 86 early evacuation unit building permit allocations on one site in Tavernier without meeting the requirement of the 1-for-1 takings and Bert Harris Act liability reduction exchange required by the current Comprehensive Plan and Land Development Code.

At the September 11, 2024 BOCC meeting, the BOCC additionally directed Planning & Environmental Resources Department professional staff to begin processing Comprehensive Plan and Land Development Code text amendments to eliminate the 1-for-1 takings and Bert Harris Act liability reduction exchange requirement for the remaining 214 early evacuation unit building permit allocations.

At the December 11, 2024 BOCC Meeting, the BOCC adopted Ordinance 030-2024 which created a site-specific subarea within Tavernier that permits Cemex Construction Materials Florida LLC (f/k/a Singletary Concrete Products Inc.) to use 86 early evacuation unit building permit allocations on one site in Tavernier without meeting the requirement of the 1-for-1 takings and Bert Harris Act liability reduction exchange required by the current Comprehensive Plan and Land Development Code.

Community Meeting and Public Participation

In accordance with LDC Section 102-159(b)(3), a Community Meeting for the Comprehensive Plan and Land Development Code text amendments was held on December 12, 2024 via Zoom Webinar and provided for public input. There were two (2) members of the public in attendance. The concerns identified included enforcement of the on-site management requirement; question if there would be a prohibition for affordable units within the Coastal A zone similar to that of the prohibitions for affordable units within the V-zone areas; and if the limitation of transfers between the County and municipalities (and vice versa) would remain.

Development Review Committee Meeting and Public Input
On February 18, 2025, the DRC considered the proposed amendment and provided for public input.

Planning Commission Meeting and Public Input
On March 26, 2025, the Planning Commission considered the proposed amendment, provided for public input and recommended approval of the proposed text amendment through Resolution P11-25.

III. PROPOSED COMPREHENSIVE PLAN TEXT AMENDMENTS

Proposed Amendment (deletions are ~~stricken through~~; additions are shown in underlined).

*****

Proposed Amendment: deletions are shown in ~~red~~ ~~strike through~~; additions are shown in red underline.

Objective 101.2
As mandated by the State of Florida, pursuant to Section 380.0552, F.S. and Rule 28-20.140, F.A.C., and to maintain the public health, safety, and welfare, Monroe County shall maintain a maximum hurricane evacuation clearance time of 24 hours and will coordinate with the State Land Planning Agency relative to the 2012 Memorandum of Understanding that has been adopted between the County and all the municipalities and the State agencies.

Policy 101.2.1
Monroe County shall maintain a memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach, and Layton to stipulate, based on professionally acceptable data and analysis, the input variables and assumptions, including regional considerations, for utilizing the Florida Division of Emergency Management's (DEM) Transportation Interface for Modeling Evacuations ("TIME") Model to accurately depict evacuation clearance times for the population of the Florida Keys.

Policy 101.2.2
Monroe County shall coordinate with all the municipalities, the State Land Planning Agency and Division of Emergency Management to update the variables and assumptions for the evacuation clearance time modeling and analyses of the build-out capacity of the Florida Keys Area of Critical State Concern based upon the release of the decennial Census data. Pursuant to the 2012 completed hurricane evacuation clearance time modeling by the State Land Planning Agency, which incorporates the 2010 Census data, the County may allocate 10 years' worth of growth (197 x 10 = 1,970 allocations, 197 annual ROGO rate based on Rule 28-20.140, F.A.C.) through the year 2023, while maintaining an evacuation clearance time of 24 hours. The County adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 2026 without exceeding the total of 1,970 allocations (see Policy 101.3.2). The County shall reevaluate the annual ROGO allocation rate based on: 1) statutory changes for hurricane evacuation clearance time requirement standards; 2) new hurricane evacuation modeling by the State Land Planning Agency and Division of Emergency Management; and 3) a new or revised memorandum of understanding with the State Land

Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach and Layton (see Policy 101.2.1).

Notwithstanding the foregoing and pursuant to Policies 101.3.2, 101.3.3 and 101.3.12, Monroe County shall establish a new allocation category to accept and award 300 affordable workforce housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative). These allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.2.3

The County will consider capital improvements based upon the need for improved hurricane evacuation clearance times, including potential impacts from sea level rise to the County's evacuation route. The County will coordinate with the FDOT, the state agency which maintains U.S.1, to ensure transportation projects that maintain and improve clearance times are prioritized.

Policy 101.2.4

In the event of a pending major hurricane (Category 3—5) Monroe County shall implement the following staged/phased evacuation procedures to achieve and maintain an overall 24-hour hurricane evacuation clearance time for the resident population.

1. Approximately 48 hours in advance of tropical storm winds, a mandatory evacuation of non-residents, visitors, recreational vehicles (RVs), travel trailers, live-aboard vessels (transient and non-transient), military personnel, units approved~~,~~ and deed restricted as affordable workforce housing early evacuation units from the Florida Keys shall be initiated. State parks and campgrounds should be closed at this time or sooner and entry into the Florida Keys by non-residents should be strictly limited.
2. Approximately 36 hours in advance of tropical storm winds, a mandatory evacuation of mobile home residents, special needs residents, and hospital and nursing home patients from the Keys shall be initiated.
3. Approximately 30 hours in advance of tropical storm winds, a mandatory phased evacuation of permanent residents by evacuation zone (described below) shall be initiated. Existing evacuation zones are as follows:
    a) Zone 1 - Key West, Stock Island and Key Haven to Boca Chica Bridge (MM 1-6)
    b) Zone 2 - Boca Chica Bridge to West end of 7-mile Bridge (MM 6-40)
    c) Zone 3 - West end of 7-Mile Bridge to West end of Long Key Bridge (MM 40-63)
    d) Zone 4 - West end of Long Key Bridge to CR 905 and CR 905A intersection (MM 63-106.5 and MM 1-9.5 of CR 905)
    e) Zone 5 - 905A to, and including Ocean Reef (MM 106.5-126.5)

The actual sequence of the evacuation by zones will vary depending on the individual storm. The concepts embodied in this staged evacuation procedures should be embodied in the appropriate County operational Emergency Management Plans.

The evacuation plan shall be monitored and updated on an annual basis to reflect increases, decreases and or shifts in population; particularly the resident and non-resident populations.

For the purpose of implementing Policy 101.2.4, this Policy shall not increase the number of allocations to more than 197 residential units a year, except for affordable housing. Any

increase in the number of allocations shall be for affordable housing. Monroe County hereby accepts 300 affordable workforce ~~(affordable)~~ housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These early evacuation allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The early evacuation allocations shall be required to evacuate in Phase 1 of the 48-hr evacuation as provided in Policy 101.2.4 ~~of a pending major hurricane~~. No new additional residential dwelling unit allocations shall be authorized within the Phase 1 of the 48-hr evacuation unless approved and provided by the Florida Administration Commission and the State Land Planning Agency ~~Florida Department Economic Opportunity~~ after review of hurricane evacuation modeling results by the State Land Planning Agency and the Division of Emergency Management of available evacuation capacity and a review of the level of service and available capacity for all public facilities.

Objective 101.3

Monroe County shall regulate new residential development based upon the finite carrying capacity of the natural and man-made systems and the growth capacity while maintaining a maximum hurricane evacuation clearance time of 24 hours.

Policy 101.3.1

Monroe County shall maintain a Permit Allocation System for new residential development known as the Residential Rate of Growth Ordinance (ROGO) System. The Permit Allocation System shall limit the number of permits issued for new residential dwelling units. The ROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs). New residential dwelling units included in the ROGO allocation system include the following: affordable housing units; market rate dwelling units; mobile homes; institutional residential units (except hospital rooms) and affordable workforce housing early evacuation units.

Vessels are expressly excluded from the allocation system, as the vessels do not occupy a distinct location, and therefore cannot be accounted for in the County's hurricane evacuation model. Under no circumstances shall a vessel, including live-aboard vessels, or associated wet slips be transferred upland or converted to a dwelling unit of any other type. Vessels or associated wet slips are not considered ROGO allocation awards, and may not be used as the basis for any type of ROGO exemption or TRE (Transfer of ROGO Exemption).

ROGO Allocations for rooms, hotel or motel; campground spaces; transient residential units; and seasonal residential units are subject to Policy 101.3.5.

For purposes of this Policy, the redevelopment or replacement of any lawfully established unit within the Venture out community, which is located in the Lower Keys at MM23 on Cudjoe Key, that does not increase the number of units, above that which existed on or before January

4, 1996, shall be exempt from the permit allocation (ROGO) system. Policies 101.3.5 and 101.6.8 shall not apply to Venture Out, and the units within Venture Out may be developed as either detached dwelling, mobile home or recreational vehicle use through the approval of a building permit, provided the following are met:

1. To not increase the hurricane evacuation clearance time of permanent residents, in the event of a pending major hurricane (Category 3—5), a mandatory evacuation of all occupants of units within Venture Out, regardless of unit type, is required at least 48 hours in advance of tropical storm winds. Approximately 48 hours in advance of tropical storm winds, a mandatory evacuation of occupants residing in a permanent unit shall be initiated and a mandatory evacuation of both the occupants of recreational vehicles (RVs) and the RVs shall be initiated;
2. Notwithstanding the provisions of Policy 101.5.5, the interchangeability of detached dwelling (permanent), mobile home (permanent) and recreational vehicles (transient) uses may occur only within the gated Venture Out community with a managing entity responsible for evacuation;
3. Recreational Vehicle occupancies or tenancies of six (6) months or more is prohibited;
4. Recreational Vehicles must meet all land development regulations, floodplain management regulations and any building code requirements for recreational vehicles;
5. A recreational vehicle must have current licenses required for highway travel, be attached to the site only by the quick disconnect-type utilities, and no permanent additions such as sun rooms or state rooms shall be permitted;
6. Notwithstanding the transfer provisions within Policy 101.6.8, no unit, regardless of use type, within the Venture Out community may be transferred to another site outside of the Venture Out community; and
7. In no case shall recreational vehicles (transient units) be developed as a hotel/motel.

Policy 101.3.2

The number of permits issued for residential dwelling units under the Rate of Growth Ordinance shall not exceed a total of 1,970 new allocations for the time period of July 13, 2013 through July 12, 2026, plus any available unused ROGO allocations from a previous ROGO year and 300 affordable workforce housing early evacuation unit building permit allocations authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. A ROGO year means the twelve-month period beginning on July 13. Market rate allocations shall not to exceed 126 residential units per year. Unused allocations for market rate shall be available for Administrative Relief.

In 2012, pursuant to Rule 28-20.140, F.A.C., the State Land Planning Agency ~~Department of Economic Opportunity~~ completed the hurricane evacuation clearance time modeling task and found that with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance time. This creates challenges for State of Florida and Monroe County as there are 8,168 privately owned vacant parcels [3,979 Tier I; 393 Tier II, 260 Tier III-A (SPA); 3,301 Tier III, and 235 No tier (ORCA, etc.)] and with 1,970 new allocations this may result in a balance of 6,198 privately held vacant parcels at risk of not obtaining permits in the future. In recognition of the possibility that the inventory of vacant parcels exceeds the total number of allocations which the State will allow the County to award, the County adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 2026

and is accepting 300 affordable workforce ~~(affordable)~~ housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These affordable workforce housing early evacuation allocations that are in addition to the maximum building permit allocations identified in Rules 28-20, F.A.C. The County will consider adopting an extended timeframe for distribution of the ROGO allocations through 2033 with committed financial support from its State and Federal partners. This timeframe can provide a safety net to the County and provide additional time to implement land acquisition and other strategies to reduce the demand for ROGO allocations and help transition land into public ownership.

The County is actively engaged in acquisitions and is requesting its State and Federal partners for assistance with implementing land acquisitions in Monroe County. The County will allocate the 1,970 new dwelling unit allocations through July 12, 2026. If substantial financial support is provided by July 12, 2023, the County will reevaluate the ROGO distribution allocation schedule and consider an extended timeframe for the distribution of market rate allocations (through a comprehensive plan amendment). Further, the State and County shall develop a mutually agreeable position defending inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases, with the State having an active role both directly and financially in the defense of such cases.

The County shall distribute ROGO allocations by ROGO year, as provided in the table below.

*Includes two annual affordable ROGO allocations for the Big Pine Key/No Name Key subarea) through the Incidental Take Permit (ITP) ending in 2023.
** Affordable ~~W~~workforce housing early evacuation unit building permit allocations shall be available countywide (unincorporated county) in the Upper and Lower Keys subareas and distributed on a first-come first-serve basis. Requests for dwelling units developed and/or deed-restricted utilizing the affordable workforce housing early evacuation unit building permit allocations are subject to the provisions of Policy 101.3.12.

The State of Florida, pursuant to Administration Commission Rules, may modify the annual allocation rate. Monroe County will request a Rule change from the Administration Commission to authorize the above allocation timeframe and rate.

Policy 101.3.3

Monroe County shall allocate at least 20% of the annual allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units as part of ROGO. Any portion of the allocations not used for affordable housing shall be retained and be made available for affordable housing from ROGO year to ROGO year. Affordable housing eligible for this separate allocation and affordable workforce housing early evacuation units shall meet the criteria specified in Policy 601.1.4 and the Land Development Code, but shall not be subject to the competitive Residential Permit Allocation and Point System in Policy 101.6.4. Any parcel proposed for affordable housing or affordable workforce housing early evacuation units shall not be located within an area designated as Tier I as set forth under Goal 105 or within a Tier III-A Special Protection Area as set forth in Policy 205.1.1.

Notwithstanding the foregoing, and notwithstanding Policy 101.6.2. affordable housing ROGO allocations may be awarded to Tier I or Tier III-A properties which meet all of the following criteria:

1. The property contains an existing market rate dwelling unit that meets the criteria in LDC Section 138-22(a) and is determined to be exempt from ROGO;
2. The proposed replacement affordable dwelling unit meets current Florida Building Code and is not a mobile home;
3. The proposed replacement dwelling unit shall be deed restricted for a period of at least 99 years as affordable housing pursuant to the standards of the Land Development Code; and
4. The proposed site plan for the replacement affordable dwelling unit does not propose any additional clearing of habitat.

Policy 101.3.4

The Permit Allocation System (or Rate of Growth Ordinance) for new residential development shall specify procedures for:

1. establishing the annual number of ~~permits~~ allocations for new residential units to be issued during the next ROGO year based upon, but not limited to the following:
   a. expired allocations and building permits in previous year;
   b. allocations available, but not allocated in previous year;
   c. number of allocations borrowed from future quarters;
   d. vested allocations;
   e. modifications required or provided by Administration Commission Rules;
   f. modifications required or provided by this plan or agreement pursuant to Chapter 380, Florida Statutes; and

g. receipt or transfer of affordable housing allocations by intergovernmental agreement; and

h. receipt or transfer of allocations pursuant to the 2012 Hurricane Evacuation Clearance Time Memorandum of Understanding.

2. allocation of affordable housing, affordable workforce housing early evacuation unit~~s~~ building permit allocations and market rate housing units in accordance with Policies 101.3.2 and 101.3.3; and

3. timing of the acceptance of applications, evaluation and scoring of applications, and issuance of permits for new residential development during the calendar year.

Policy 101.3.5

Due to the limited number of allocations and the State's requirement that the County maintain a maximum hurricane evacuation clearance time of 24 hours, Monroe County shall prohibit new transient residential allocations for hotel or motel rooms, campground spaces, or spaces for parking a recreational vehicle or travel trailer July 2026. Lawfully established transient units shall be entitled to one unit for each type of unit in existence before January 4, 1996, for use as a ROGO exemption.

Policy 101.3.6

All public and institutional uses (except hospital rooms) that predominately serve the County's non-transient population and which house temporary residents shall be subject to the Permit Allocation System for residential development, except upon factual demonstration that such transient occupancy is of such a nature so as not to adversely impact the hurricane evacuation clearance time of Monroe County.

* * * * * *

Policy 101.3.9

For those ROGO applications and properties which have not received a ROGO award for four consecutive years and have applied for administrative relief, which are designated Tier I, II, or IIIA, the County or the State shall offer to purchase the property if funding for such is available. Refusal of the purchase offer shall not be grounds for granting a ROGO award.

Policy 101.3.10

Notwithstanding any other provision of the Plan, except the last sentence of this Policy 101.3.10, building allocations utilized for affordable housing projects may be pooled and transferred between ROGO sub-areas, excluding the Big Pine/No Name Keys ROGO subarea, and between local government jurisdictions within the Florida Keys Area of Critical State Concern (ACSC). Any such transfer of affordable housing allocations between local government jurisdictions must be accomplished through an interlocal agreement between the sending and receiving local governments. Interlocal agreements that involve assigning the County's affordable housing (not including affordable housing allocations banked for takings cases) allocations *to existing dwelling units within a municipality* with a requirement that the associated market rate ROGO/BPAS exemptions be transferred into the unincorporated County as an exchange for the affordable housing allocations transferred to the municipality, shall be accomplished through a minor conditional use permit approval and shall be subject to the receiver site criteria in Policy 101.6.8 and may be transferred to any subarea within the unincorporated County. In no event shall the County (1) pool and transfer affordable workforce housing early evacuation unit building permit allocations between ROGO sub-areas, (2)

transfer affordable workforce housing early evacuation unit building permit allocations to another government jurisdiction, (3) receive affordable workforce housing early evacuation unit building permit allocations from another government jurisdiction, or (4) transfer affordable housing ROGO allocations received by the County in exchange for workforce housing early evacuation unit allocations to another government jurisdiction.

Policy 101.3.11

Monroe County may receive additional building permit allocations pursuant to the 2012 completed hurricane evacuation clearance time modeling and allocation recommendations by the State Land Planning Agency and the Administration Commission's direction that the City of Key West \ transfer annually (by July 15th) any remaining unused allocations for that year to the other Florida Keys' local governments based upon the local governments' ratio of vacant land. Any transferred allocations from the City of Key West to Monroe County shall be made available for Administrative Relief. Monroe County may receive, and award 300 building permit allocations designated as affordable workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These early evacuation allocations that are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.3.12

Affordable Workforce Housing Early Evacuation Initiative. To support Monroe County's workforce by alleviating constraints on affordable housing, to protect private property rights and address potential liability, the County is participating in the Workforce-Affordable Housing Initiative (Workforce Initiative), as approved during the June 13, 2018 meeting of the Florida Administration Commission. Monroe County accepts the 300 affordable workforce housing early evacuation building permit allocations pursuant to the Workforce-Affordable Housing Initiative authorized by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. The Workforce-Affordable Housing Initiative will require dwelling units constructed and/or deed restricted with workforce housing early evacuation building permit allocations to evacuate occupants in Phase 1 of the 48-hr evacuation of a pending major hurricane, pursuant to the criteria below.

To participate in the Workforce Initiative, Monroe County shall be responsible for the management, distribution, and enforcement of requirements associated with the affordable workforce housing early evacuation building permit allocations. Monroe County shall ensure adherence to these requirements through implementation of this policy and shall annually provide to the State Land Planning Agency ~~Florida Department Economic Opportunity~~ a report indicating the number of affordable workforce housing early evacuation units built and/or deed restricted, occupancy rates, and compliance with the requirement to evacuate the units in Phase I of an evacuation. The annual report shall be provided to the State in a timely manner such that the State may include the information in the required Annual Report to the ~~Governor and Cabinet~~ Florida Administration Commission on the County's progress toward completion of its Work Program pursuant to Rule 28-20, F.A.C.

Dwelling units developed and/or deed restricted utilizing the affordable workforce housing early evacuation unit building permit allocations are subject to the following:

(a) Requests for affordable workforce housing early evacuation unit building permit allocations ~~shall be available only for a 1 for 1 exchange for affordable allocations/exemptions and~~ require a reservation via BOCC resolution. The BOCC may, at its discretion, place conditions on any reservation as it deems appropriate such as establishing the income categories for allocations granted. ~~The BOCC may, at its discretion, exchange existing reserved affordable allocations for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations. Further, the BOCC may, at its discretion, approve the exchange of existing deed-restricted affordable housing units (lawful affordable exemptions) at existing multifamily residential developments for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations.~~

~~(1) The affordable allocations returned to the County in exchange for workforce housing early evacuation unit allocations shall be banked and used for future administrative relief, beneficial use determinations and to resolve inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases.~~

~~(2) To maintain consistency with Rule 28-20.140(2)(b), F.A.C., the affordable allocations returned to the County shall be maintained as affordable allocations and shall also be returned to the original affordable housing category (very low/low/median income vs. moderate income pool).~~

~~(3) The workforce housing early evacuation unit allocations must be utilized based on the original approved affordable housing income category or a lesser income category.~~

~~(4) Administrative relief means actions taken by the County granting the owner of real property relief from the continued application of the Rate of Growth Ordinance (ROGO) restrictions provided they meet the criteria established in the Comprehensive Plan and Land Development Code.~~

~~(5) Beneficial use means the use of property that allows an owner to derive a benefit or profit in the exercise of a basic property right. For the purpose of this policy, beneficial use shall mean the minimum use of the property necessary to avoid the finding of a regulatory taking under current land use case law.~~

~~(b) The construction of dwelling units, the redevelopment or the deed restriction of existing dwelling units utilizing workforce housing early evacuation unit allocations shall require approval of a resolution approving a contract between the BOCC and the applicant to officially exchange the allocations and confirm compliance with the requirements Workforce Initiative within this Policy.~~

(~~c~~b) All affordable workforce housing early evacuation units require a deed-restriction ensuring:

(1) Before any building permit may be issued for any structure, portion or phase of a project subject to the Workforce Initiative, a restrictive covenant shall be approved by the Planning Director and County Attorney and recorded in the Office of the Clerk of the County to ensure compliance with the provision of this section running in favor of the County and enforceable by the County and, if applicable, a participating municipality. The following requirements shall apply to these restrictive covenants:

a. The covenants for any workforce housing early evacuation units shall be effective for 99 years.

b. The covenants shall not commence running until a certificate of occupancy has been issued by the Building Official for the dwelling unit or dwelling units to

which the covenant or covenants apply.

c. For existing dwelling units that are deed-restricted as workforce housing early evacuation units, the covenants shall commence running upon recordation in the Official Records of Monroe County.

(2) The covenants shall require that the workforce housing early evacuation units to be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The occupants are required to annually verify their employment and income eligibility.

(3) The covenants shall require occupants to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane. Persons living in the workforce housing early evacuation units who may be exempted from evacuation requirements are limited to law enforcement, correctional and fire personnel, health care personnel, and public employees with emergency management responsibilities. If there is an occupant that indicates their employment is considered a 'first-responder position' and not included in the list of exemptions above, then the Planning Director shall determine, in writing, whether the person may be exempted because of a requirement to remain during an emergency. Any person claiming exemption under this provision shall submit of an affidavit of qualification and faithfully certify their status with the onsite property management.

(4) The covenants shall require rental agreements which contain a separate disclosure requiring rental occupants to acknowledge the existing restrictive covenant on the unit requiring evacuation in Phase 1 of the 48-hr evacuation and that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including eviction, to the occupant.

(5) The covenants shall require onsite property managers and a separate employment disclosure requiring the maintenance of training in evacuation procedures and an acknowledgement that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including termination.

(~~d~~c) Affordable ~~W~~workforce housing early evacuation units shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. Workforce means individuals or families who are gainfully employed supplying goods and/or services to Monroe County residents or visitors.

(~~e~~d)Affordable ~~W~~workforce housing early evacuation units shall require onsite property management with property managers trained in evacuation procedures and required to manage the evacuation of tenants in Phase I of an evacuation. During traditional working hours, the property manager must be at an office within the affordable workforce housing early evacuation unit development subject property. Outside the traditional working hours, the property manager must be available at all times to respond to evacuation orders.

(~~f~~e) The property management entity for the affordable workforce housing early evacuation units shall be required to annually verify the employment and income eligibility of tenants; report the total units on the site, the occupancy rates of units, and tenant compliance with the requirement to evacuate the units in Phase I of an evacuation, including the number of occupants that are exempt from the evacuation requirements. The property management entity must submit a report to the Planning and Environmental Resources Department by May 1 of each year. Further, each lease and this annual report shall be kept by the property manager and be available for inspection by the County during traditional working hours.

(~~g~~f) Affordable ~~W~~workforce housing early evacuation units shall be located within an area designated as Tier III.

(~~h~~g) Affordable ~~W~~workforce housing early evacuation units shall not be located in the V-Zone or within a Coastal Barrier Resource System (CBRS).

(~~i~~h) Affordable ~~W~~workforce housing early evacuation units shall be located on a property which has all infrastructure available (potable water, adequate wastewater treatment and disposal wastewater meeting adopted LOS, paved roads, etc.).

(~~j~~i) All affordable workforce housing early evacuation units must demonstrate compliance with all applicable federal standards for accessibility for persons with disabilities (ADA Compliance).

(~~k~~j) To the greatest extent practicable, a development utilizing affordable workforce housing early evacuation unit building permit allocations shall incorporate sustainable and resilient design principles into the overall site design ~~and be accessible to employment centers in Key West, Stock Island and Marathon~~.

(k) To the greatest extent practicable, a development utilizing affordable workforce housing early evacuation unit building permit allocations shall be accessible to employment centers in Key West, Stock Island and Marathon.

GOAL 601

Monroe County shall adopt programs and policies to facilitate access by residents to adequate and affordable housing that is safe, decent, and structurally sound, and that meets the needs of the population based on type, tenure characteristics, unit size and individual preferences.

Objective 601.1

To ensure that affordable housing opportunities are available throughout the entire community and to maintain a balanced and sustainable local economy and the provision of essential services, Monroe County shall implement the following defined policies to reduce estimated affordable housing need for its workforce and households in the very low, low, median and moderate income classifications. [F.S. § 163.3177(6)(f)1.]

Policy 601.1.1

Monroe County shall maintain land development regulations, in conjunction with the Permit Allocation System, for apportioning future affordable housing development.

Policy 601.1.2

Monroe County shall continue its participation in Federal and State housing assistance programs to rehabilitate owner and rental housing for very low, low, median, and moderate income residents by seeking grants, loans, and technical assistance in conjunction with the Monroe County Housing Authority. Monroe County shall also participate, as appropriate, in FEMA Hazard Mitigation Grant Program (HMGP), Flood Mitigation Assistance (FMA) Program and Community Development Block Grant - Disaster Recovery (CDBG-DR) grant programs to support the completion of flood mitigation projects, such as the elevation of homes above base flood level to reduce the risk of future flood damage. [F.S. § 163.3177(6)(f)3.]

Policy 601.1.3

The Monroe County Land Authority shall maintain a list of buildable properties owned or targeted for acquisition by the Land Authority which potentially could be donated or made available for affordable housing. This list will be updated annually and made available to the

public. The guidelines established in Policies 601.1.10 and 601.1.11 shall be considered in the formulation of this list.

Policy 601.1.4

All affordable housing projects which receive development benefits from Monroe County, including but not limited to ROGO allocation award(s) reserved for affordable housing, maximum net density, or donations of land, shall be required to maintain the project as affordable for a period of 99 years pursuant to deed restrictions or other mechanisms specified in the Land Development Code, and administered by Monroe County or the Monroe County Housing Authority.

Policy 601.1.5

If Monroe County funding or County-donated land is to be used for any affordable housing project, alternative sites shall be assessed according to the following guidelines:

1. The location of endangered species habitat. Sites within known, probable, or potentially suitable threatened or endangered species habitat shall be avoided.
2. The environmental sensitivity of the vegetative habitat. The habitat sensitivity shall be determined according to the ranking specified in the Environmental Design Criteria section of the Land Development Code. Disturbed sites shall be selected, unless no feasible alternative is available.
3. Sites located within V-Zones, on offshore islands, or within CBRS units shall be avoided.
4. The level of service provided in the vicinity for all public facilities. Areas which are at or near capacity for one or more public facility should be avoided.
5. Proximity to employment and retail centers. Sites within five miles of employment and retail centers shall be preferred.

Policy 601.1.6

Monroe County shall identify funding sources that could be made available to support community-based non-profit organizations such as Habitat for Humanity in their efforts to provide adequate affordable housing.

Policy 601.1.7

Monroe County shall continue to participate in the State Housing Incentives Partnership program as specified in the 1992 William Sadowski Affordable Housing Act. Monroe County shall also continue to maintain a Local Housing Assistance Plan and Affordable Housing Incentive Strategies as specified in the Act and recommended by the Monroe County Affordable Housing Advisory Committee.

Policy 601.1.8

Monroe County shall allocate at least 20% of the annual ROGO allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units, as specified in Policy 101.3.3. Affordable housing eligible for this separate allocation must meet the criteria established in the Land Development Code. Monroe County may award 300 additional building permit allocations designated as affordable workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission, Chapter 2023-17, Laws of Florida, and the State Land Planning Agency ~~Florida Department Economic Opportunity~~. These building permit allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., are restricted to rental occupancy for those who derive at

least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code, and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

IV. ANALYSIS OF PROPOSED AMENDMENT

The proposed amendment would provide new opportunities for the utilization of the County's remaining early evacuation unit building permit allocations by removing the requirement to exchange existing affordable allocations / units. This modification will result in the potential development of new workforce affordable units with various income limits which continue to be an identified need for the community. While this will result in the reduction of additional allocations potentially banked to resolve, it will allow for the potential development of new code compliant housing.

V. CONSISTENCY WITH THE MONROE COUNTY COMPREHENSIVE PLAN, THE PRINCIPLES FOR GUIDING DEVELOPMENT, AND FLORIDA STATUTES.

A. The proposed amendment is consistent with the Goals, Objectives and Policies of the Monroe County 2030 Comprehensive Plan. Specifically, it furthers:

GOAL 101
Monroe County shall manage future growth to enhance the quality of life, ensure the safety of County residents and visitors, and protect valuable natural resources.

Objective 101.2
As mandated by the State of Florida, pursuant to Section 380.0552, F.S. and Rule 28-20.140, F.A.C., and to maintain the public health, safety, and welfare, Monroe County shall maintain a maximum hurricane evacuation clearance time of 24 hours and will coordinate with the State Land Planning Agency relative to the 2012 Memorandum of Understanding that has been adopted between the County and all the municipalities and the State agencies.

Policy 101.2.1
Monroe County shall maintain a memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach, and Layton to stipulate, based on professionally acceptable data and analysis, the input variables and assumptions, including regional considerations, for utilizing the Florida Division of Emergency Management's (DEM) Transportation Interface for Modeling Evacuations ("TIME") Model to accurately depict evacuation clearance times for the population of the Florida Keys.

Objective 101.3
Monroe County shall regulate new residential development based upon the finite carrying capacity of the natural and man-made systems and the growth capacity while maintaining a maximum hurricane evacuation clearance time of 24 hours.

Policy 101.3.5
Due to the limited number of allocations and the State's requirement that the County maintain a maximum hurricane evacuation clearance time of 24 hours, Monroe County shall prohibit new transient residential allocations for hotel or motel rooms, and any lock-out units, campground spaces,

or spaces for parking a recreational vehicle or travel trailer July 2026. Lawfully established transient units shall be entitled to one unit for each type of unit in existence before January 4, 1996, for use as a ROGO exemption. (Ord. No. 010-2021)

Policy 101.3.6

All public and institutional uses (except hospital rooms) that predominately serve the County's non-transient population and which house temporary residents shall be subject to the Permit Allocation System for residential development, except upon factual demonstration that such transient occupancy is of such a nature so as not to adversely impact the hurricane evacuation clearance time of Monroe County.

Objective 101.17

Monroe County shall protect established rights of landowners affected by the provisions of this Plan or the land development regulations; and, therefore adopts the following policies for the determination of vested rights and beneficial use.

Policy 101.17.4

BENEFICIAL USE

1. It is the policy of Monroe County to ensure that neither the provisions of this Plan nor the LDC shall result in an unconstitutional taking of private property. Accordingly, Monroe County shall adopt a beneficial use procedure to provide a means to resolve a landowner's claim that a land development regulation or comprehensive plan policy has had an unconstitutional effect on property in a nonjudicial forum. For the purpose of this policy, beneficial use shall mean the minimum use of the property necessary to avoid the finding of a regulatory taking under current land use case law.
2. The relief to which an owner shall be entitled may be provided through the use of one or a combination of the following:
   a) granting of a permit for development which shall be deducted from the Permit Allocation System;
   b) granting of use of transferable development rights (TDRs);
   c) Government purchase offer of all or a portion of the lots or parcels upon which there is no beneficial use. This alternative shall be the preferred alternative when beneficial use has been deprived by application of Chapter 138 of the Land Development Code. This alternative shall be the preferred alternative for Tier I, II, or III-A(SPA) lands;
   d) such other relief as the County may deem appropriate and adequate.

   The relief granted shall be the minimum necessary to avoid the finding of a regulatory taking of the property under state and federal law. With respect to the relief granted pursuant to this policy or Policy 101.7.1 (Administrative Relief), a purchase offer shall be the preferred form of relief for any land within Tier I and Tier II, or Tier III-A (SPA).
3. Development approved pursuant to a beneficial use determination shall be consistent with all other objectives and policies of the Plan and LDC unless specifically exempted from such requirements in the final beneficial use determination.
4. This policy is not intended to provide relief related to regulations promulgated by agencies other than the county or to provide relief for claims that are not cognizable in court at the time of application of this policy. Further, the procedures established for this policy are not intended, nor do they create, a judicial cause of action.
5. The land development regulations shall establish standards, procedures, and remedies for an administrative determination of beneficial use.

GOAL 601

Monroe County shall adopt programs and policies to facilitate access by residents to adequate and affordable housing that is safe, decent, and structurally sound, and that meets the needs of the population based on type, tenure characteristics, unit size and individual preferences. [F.S. § 163.3177(6)(f)1., 3.]

Policy 601.1.1

Monroe County shall maintain land development regulations, in conjunction with the Permit Allocation System, for apportioning future affordable housing development.

Policy 601.1.4

All affordable housing projects which receive development benefits from Monroe County, including but not limited to, ROGO allocation award(s) reserved for affordable housing, maximum net density, or donations of land, shall be required to maintain the project as affordable for a period of 99 years pursuant to deed restrictions or other mechanisms specified in the Land Development Code, and administered by Monroe County or the Monroe County Housing Authority.

Policy 601.1.9

Monroe County shall maintain land development regulations which may include density bonuses, impact fee waiver programs, and other possible regulations to encourage affordable housing.

Objective 601.3

Monroe County shall continue implementation efforts to eliminate substandard housing and to preserve, conserve and enhance the existing housing stock, including historic structures and sites. [F.S. § 163.3177(6)(f)1., 3.]

B. The amendment is consistent with the Principles for Guiding Development for the Florida Keys Area, Section 380.0552(7), Florida Statutes.

For the purposes of reviewing consistency of the adopted plan or any amendments to that plan with the principles for guiding development and any amendments to the principles, the principles shall be construed as a whole and no specific provision shall be construed or applied in isolation from the other provisions.

(a) Strengthening local government capabilities for managing land use and development so that local government is able to achieve these objectives without continuing the area of critical state concern designation.
(b) Protecting shoreline and benthic resources, including mangroves, coral reef formations, seagrass beds, wetlands, fish and wildlife, and their habitat.
(c) Protecting upland resources, tropical biological communities, freshwater wetlands, native tropical vegetation (for example, hardwood hammocks and pinelands), dune ridges and beaches, wildlife, and their habitat.
(d) Ensuring the maximum well-being of the Florida Keys and its citizens through sound economic development.
(e) Limiting the adverse impacts of development on the quality of water throughout the Florida Keys.
(f) Enhancing natural scenic resources, promoting the aesthetic benefits of the natural environment, and ensuring that development is compatible with the unique historic character of the Florida Keys.
(g) Protecting the historical heritage of the Florida Keys.
(h) Protecting the value, efficiency, cost-effectiveness, and amortized life of existing and proposed major public investments, including:
    1. The Florida Keys Aqueduct and water supply facilities;
    2. Sewage collection, treatment, and disposal facilities;

3. Solid waste treatment, collection, and disposal facilities;
4. Key West Naval Air Station and other military facilities;
5. Transportation facilities;
6. Federal parks, wildlife refuges, and marine sanctuaries;
7. State parks, recreation facilities, aquatic preserves, and other publicly owned properties;
8. City electric service and the Florida Keys Electric Co-op; and
9. Other utilities, as appropriate.

(i) Protecting and improving water quality by providing for the construction, operation, maintenance, and replacement of stormwater management facilities; central sewage collection; treatment and disposal facilities; and the installation and proper operation and maintenance of onsite sewage treatment and disposal systems.

(j) Ensuring the improvement of nearshore water quality by requiring the construction and operation of wastewater management facilities that meet the requirements of ss. 381.0065(4)(l) and 403.086(10), as applicable, and by directing growth to areas served by central wastewater treatment facilities through permit allocation systems.

(k) Limiting the adverse impacts of public investments on the environmental resources of the Florida Keys.

(l) Making available adequate affordable housing for all sectors of the population of the Florida Keys.

(m) Providing adequate alternatives for the protection of public safety and welfare in the event of a natural or manmade disaster and for a postdisaster reconstruction plan.

(n) Protecting the public health, safety, and welfare of the citizens of the Florida Keys and maintaining the Florida Keys as a unique Florida resource.

(o) Pursuant to Section 380.0552(7) Florida Statutes, the proposed amendment is not inconsistent with the Principles for Guiding Development as a whole and is not inconsistent with any Principle.

C. The proposed amendment is consistent with the Part II of Chapter 163, Florida Statute (F.S.). Specifically, the amendment furthers:

163.3161(4), F.S. – It is the intent of this act that local governments have the ability to preserve and enhance present advantages; encourage the most appropriate use of land, water, and resources, consistent with the public interest; overcome present handicaps; and deal effectively with future problems that may result from the use and development of land within their jurisdictions. Through the process of comprehensive planning, it is intended that units of local government can preserve, promote, protect, and improve the public health, safety, comfort, good order, appearance, convenience, law enforcement and fire prevention, and general welfare; facilitate the adequate and efficient provision of transportation, water, sewerage, schools, parks, recreational facilities, housing, and other requirements and services; and conserve, develop, utilize, and protect natural resources within their jurisdictions.

163.3161(6), F.S. – It is the intent of this act that adopted comprehensive plans shall have the legal status set out in this act and that no public or private development shall be permitted except in conformity with comprehensive plans, or elements or portions thereof, prepared and adopted in conformity with this act.

163.3177(1), F.S. – The comprehensive plan shall provide the principles, guidelines, standards, and strategies for the orderly and balanced future economic, social, physical, environmental, and fiscal development of the area that reflects community commitments to implement the plan and its elements. These principles and strategies shall guide future decisions in a consistent manner and shall contain programs and activities to ensure comprehensive plans are implemented. The sections of the comprehensive plan containing the principles and strategies, generally provided as goals, objectives, and policies, shall describe how the local government's programs, activities, and land development regulations will be initiated, modified, or continued to implement the comprehensive plan in a consistent manner. It is not the intent of this part to require the inclusion of implementing regulations in the comprehensive plan but rather to require identification of those programs, activities, and land development regulations that will be part of the strategy for implementing the

comprehensive plan and the principles that describe how the programs, activities, and land development regulations will be carried out. The plan shall establish meaningful and predictable standards for the use and development of land and provide meaningful guidelines for the content of more detailed land development and use regulations.

.

163.3177(6)(f), F.S. – 1. A housing element consisting of principles, guidelines, standards, and strategies to be followed in:

a. The provision of housing for all current and anticipated future residents of the jurisdiction.

b. The elimination of substandard dwelling conditions.

c. The structural and aesthetic improvement of existing housing.

d. The provision of adequate sites for future housing, including *affordable workforce housing* as defined in s. 380.0651(1)(h), housing for low-income, very low-income, and moderate-income families, mobile homes, and group home facilities and foster care facilities, with supporting infrastructure and public facilities. The element may include provisions that specifically address affordable housing for persons 60 years of age or older. Real property that is conveyed to a local government for affordable housing under this sub-subparagraph shall be disposed of by the local government pursuant to s. 125.379 or s. 166.0451.

e. Provision for relocation housing and identification of historically significant and other housing for purposes of conservation, rehabilitation, or replacement.

f. The formulation of housing implementation programs.

g. The creation or preservation of affordable housing to minimize the need for additional local services and avoid the concentration of affordable housing units only in specific areas of the jurisdiction.

163.3201, F.S. – Relationship of comprehensive plan to exercise of land development regulatory authority.—It is the intent of this act that adopted comprehensive plans or elements thereof shall be implemented, in part, by the adoption and enforcement of appropriate local regulations on the development of lands and waters within an area. It is the intent of this act that the adoption and enforcement by a governing body of regulations for the development of land or the adoption and enforcement by a governing body of a land development code for an area shall be based on, be related to, and be a means of implementation for an adopted comprehensive plan as required by this act.

420.0004, F.S. – Definitions. As used in this part, unless the context otherwise indicates:

(1) "Adjusted for family size" means adjusted in a manner which results in an income eligibility level which is lower for households with fewer than four people, or higher for households with more than four people, than the base income eligibility determined as provided in subsection (9), subsection (11), subsection (12), or subsection (17), based upon a formula as established by the United States Department of Housing and Urban Development.

(2) "Adjusted gross income" means all wages, assets, regular cash or noncash contributions or gifts from persons outside the household, and such other resources and benefits as may be determined to be income by the United States Department of Housing and Urban Development, adjusted for family size, less deductions allowable under s. 62 of the Internal Revenue Code.

(3) "Affordable" means that monthly rents or monthly mortgage payments including taxes, insurance, and utilities do not exceed 30 percent of that amount which represents the percentage of the median adjusted gross annual income for the households as indicated in subsection (9), subsection (11), subsection (12), or subsection (17).

(4) "Corporation" means the Florida Housing Finance Corporation.

(5) "Community-based organization" or "nonprofit organization" means a private corporation organized under chapter 617 to assist in the provision of housing and related services on a not-for-profit basis and which is acceptable to federal and state agencies and financial institutions as a sponsor of low-income housing.

(6) "Department" means the Department of Commerce.

(7) "Disabling condition" means a diagnosable substance abuse disorder, serious mental illness, developmental disability, or chronic physical illness or disability, or the co-occurrence of two or more of these conditions, and a determination that the condition is:

(a) Expected to be of long-continued and indefinite duration; and

(b) Not expected to impair the ability of the person with special needs to live independently with appropriate supports.

(8) "Elderly" describes persons 62 years of age or older.

(9) "Extremely-low-income persons" means one or more natural persons or a family whose total annual household income does not exceed 30 percent of the median annual adjusted gross income for households within the state. The Florida Housing Finance Corporation may adjust this amount annually by rule to provide that in lower income counties, extremely low income may exceed 30 percent of area median income and that in higher income counties, extremely low income may be less than 30 percent of area median income.

(10) "Local public body" means any county, municipality, or other political subdivision, or any housing authority as provided by chapter 421, which is eligible to sponsor or develop housing for farmworkers and very-low-income and low-income persons within its jurisdiction.

(11) "Low-income persons" means one or more natural persons or a family, the total annual adjusted gross household income of which does not exceed 80 percent of the median annual adjusted gross income for households within the state, or 80 percent of the median annual adjusted gross income for households within the metropolitan statistical area (MSA) or, if not within an MSA, within the county in which the person or family resides, whichever is greater.

(12) "Moderate-income persons" means one or more natural persons or a family, the total annual adjusted gross household income of which is less than 120 percent of the median annual adjusted gross income for households within the state, or 120 percent of the median annual adjusted gross income for households within the metropolitan statistical area (MSA) or, if not within an MSA, within the county in which the person or family resides, whichever is greater.

(13) "Person with special needs" means an adult person requiring independent living services in order to maintain housing or develop independent living skills and who has a disabling condition; a young adult formerly in foster care who is eligible for services under s. 409.1451(5); a survivor of domestic violence as defined in s. 741.28; or a person receiving benefits under the Social Security Disability Insurance (SSDI) program or the Supplemental Security Income (SSI) program or from veterans' disability benefits.

(14) "Student" means any person not living with his or her parent or guardian who is eligible to be claimed by his or her parent or guardian as a dependent under the federal income tax code and who is enrolled on at least a half-time basis in a secondary school, career center, community college, college, or university.

(15) "Substandard" means:

(a) Any unit lacking complete plumbing or sanitary facilities for the exclusive use of the occupants;

(b) A unit which is in violation of one or more major sections of an applicable housing code and where such violation poses a serious threat to the health of the occupant; or

(c) A unit that has been declared unfit for human habitation but that could be rehabilitated for less than 50 percent of the property value.

(16) "Substantial rehabilitation" means repair or restoration of a dwelling unit where the value of such repair or restoration exceeds 40 percent of the value of the dwelling.

(17) "Very-low-income persons" means one or more natural persons or a family, not including students, the total annual adjusted gross household income of which does not exceed 50 percent of the median annual adjusted gross income for households within the state, or 50 percent of the median annual adjusted gross income for households within the metropolitan statistical area (MSA) or, if not within an MSA, within the county in which the person or family resides, whichever is greater.

420.502, F.S. – Legislative findings.—

(8)(b) It is necessary to create a state housing finance strategy to provide affordable workforce housing opportunities to essential services personnel in areas of critical state concern designated under s. 380.05, for which the Legislature has declared its intent to provide affordable housing, and areas that were designated

as areas of critical state concern for at least 20 consecutive years before removal of the designation. The lack of affordable workforce housing has been exacerbated by the dwindling availability of developable land, environmental constraints, rising construction and insurance costs, and the shortage of lower-cost housing units. As this state's population continues to grow, essential services personnel vital to the economies of areas of critical state concern are unable to live in the communities where they work, creating transportation congestion and hindering their quality of life and community engagement.

420.503, F.S. – Definitions.—
(19) "Essential services personnel" means natural persons or families whose total annual household income is at or below 120 percent of the area median income, adjusted for household size, and at least one of whom is employed as police or fire personnel, a child care worker, a teacher or other education personnel, health care personnel, a public employee, or a service worker.

420.5095, F.S. Community Workforce Housing Loan Program.—
(1) The Legislature finds and declares that recent rapid increases in the median purchase price of a home and the cost of rental housing have far outstripped the increases in median income in the state, creating the need for innovative solutions for the provision of housing opportunities.
(2) The Community Workforce Housing Loan Program is created to provide workforce housing for persons affected by the high cost of housing.
(3) For purposes of this section, the term "workforce housing" means housing affordable to natural persons or families whose total annual household income does not exceed 80 percent of the area median income, adjusted for household size, or 120 percent of area median income, adjusted for household size, in areas of critical state concern designated under s. 380.05, for which the Legislature has declared its intent to provide affordable housing, and areas that were designated as areas of critical state concern for at least 20 consecutive years before removal of the designation.
(4) The Florida Housing Finance Corporation is authorized to provide loans under the program to applicants for construction of workforce housing.
(5) The corporation shall establish a loan application process under s. 420.5087.
(6) Projects must be given priority consideration for funding if the local jurisdiction has adopted, or is committed to adopting, appropriate regulatory incentives, local contributions or financial strategies, or other funding sources to promote the development and ongoing financial viability of such projects. Local incentives include such actions as expediting review of development orders and permits, supporting development near transportation hubs and major employment centers, and adopting land development regulations designed to allow flexibility in densities, use of accessory units, mixed-use developments, and flexible lot configurations. Financial strategies include such actions as promoting employer-assisted housing programs, providing tax increment financing, and providing land.
(7) The corporation shall award loans with a 1 percent interest rate for a term that does not exceed 15 years.
(8) The corporation may adopt rules pursuant to ss. 120.536(1) and 120.54 to implement this section.

125.01055, F.S. - Affordable housing.—
(1) Notwithstanding any other provision of law, a county may adopt and maintain in effect any law, ordinance, rule, or other measure that is adopted for the purpose of increasing the supply of affordable housing using land use mechanisms such as inclusionary housing or linkage fee ordinances.

VI. PROCESS

Comprehensive Plan Amendments may be proposed by the Board of County Commissioners, the Planning Commission, the Director of Planning, or the owner or other person having a contractual interest in property to be affected by a proposed amendment. The Director of Planning shall review and

process applications as they are received and pass them onto the Development Review Committee and the Planning Commission.

The Planning Commission shall hold at least one public hearing. The Planning Commission shall review the application, the reports and recommendations of the Department of Planning & Environmental Resources and the Development Review Committee and the testimony given at the public hearing. The Planning Commission shall submit its recommendations and findings to the Board of County Commissioners (BOCC). The BOCC holds a public hearing to consider the transmittal of the proposed comprehensive plan amendment, and considers the staff report, staff recommendation, and the testimony given at the public hearing. The BOCC may or may not recommend transmittal to the State Land Planning Agency. The amendment is transmitted to State Land Planning Agency, which then reviews the proposal and issues an Objections, Recommendations and Comments (ORC) Report. Upon receipt of the ORC report, the County has 180 days to adopt the amendments, adopt the amendments with changes or not adopt the amendment.

VII. STAFF RECOMMENDATION

Staff recommends approval of the proposed amendment.

Gov. Scott Directs DEO to Enhance Workforce Housing in the Florida Keys

TALLAHASSEE, Fla. – Governor Scott today directed the Department of Economic Opportunity (DEO) to propose enhanced workforce housing in the Florida Keys as part of the continued efforts to recover from the tremendous impact Hurricane Irma had on the Keys. Hurricane Irma destroyed much of the housing that served the workforce population and the proposed Keys Workforce Housing Initiative will allow local governments to grant additional building permits for rental properties. This initiative will be presented to the Florida Cabinet at the next meeting.

Governor Scott said, "Hurricane Irma left a devastating impact on our state, especially in the Florida Keys and since the storm we have been working hard to rebuild even stronger than before. For business owners across the Keys, the availability of affordable workforce housing has been a challenge that was compounded by Hurricane Irma. The Keys Workforce Housing Initiative will provide much-needed access to workforce housing, allowing businesses the opportunity to grow while providing a plan to ensure Keys residents can evacuate safely before a storm."

DEO is charged with reviewing local development decisions in the Florida Keys due to its legislative designation as an Area of Critical State Concern. State law requires that growth be limited in the Keys to ensure that residents can evacuate safely within 24 hours in advance of a hurricane. To meet the increased demand for workforce housing, the innovative Keys Workforce Housing Initiative will require new construction that participates to commit to evacuating renters in the 48-hour window of evacuation.

The initiative will allow up to 1,300 new building permits for workforce housing throughout the Florida Keys. Local governments that choose to participate in the initiative will work with DEO to amend their comprehensive plans to allow for additional building permits that meet these safety requirements.

Cissy Proctor, Executive Director of DEO, said, "As I have toured the damage from Hurricane Irma, the number one priority of business and community leaders is the need for more workforce housing. We are proud to provide an option to local governments that will help businesses have the talent they

need to remain in the Keys and grow their companies. This solution will not only provide workforce housing for private-sector businesses but public servants, like law enforcement and teachers, as well. Our agency is committed to working with our partners in the Keys to provide ample workforce housing without compromising the safety of Floridians. We appreciate our partners at the Florida Division of Emergency Management for working with us to make sure Keys residents are still able to safely evacuate."

Representative Holly Raschein said, "Hurricane Irma pushed the affordable housing problem in the Florida Keys to a critical state, decimating an already strained stock of housing for our workforce. I have discussed this concern with Governor Scott and the Department of Economic Opportunity (DEO) both in Tallahassee and during the Governor's many visits to the Keys as he's lead us through our recovery efforts. The plan Governor Scott has directed DEO to bring before Cabinet is a creative solution to the most pressing recovery challenge still facing the Florida Keys and I encourage all Cabinet members to support this proposal."

Wes Maul, Director of the Florida Division of Emergency Management, said, "Our agency's primary goal is the safety of Florida residents during disasters. The Keys Workforce Housing Initiative ensures the safety of tourists and residents of the Keys during major storms, while allowing critical economic development activities to continue. We appreciate DEO's partnership in this endeavor."

##

Exhibit 2

Goal X – Workforce-Affordable Housing Initiative.

To support Monroe County's workforce by alleviating constraints on affordable housing the County shall participate in the Workforce-Affordable Housing Initiative, as approved during the June 13, 2018 meeting of the Administration Commission. The Workforce-Affordable Housing Initiative will require new construction that participates to commit to evacuating renters in the 48-hour window of evacuation.

Objective XX – Provide Workforce-Affordable Housing Building Permit Allocations.

The County shall establish a new limited category (needs a name-Phase One Affordable (POA)????) for 300 workforce-affordable building permit allocations to participate in the Workforce-Affordable Housing Initiative. These allocations are in addition to the maximum allocations identified in Rules 28-18, Florida Administrative Code. The County shall be responsible for the management, distribution, and enforcement of requirements associated with the POA allocations. Monroe County shall ensure adherence to these requirements through implementing the policies of this objective.

Policy X.1.1 – Distribution of Workforce-Affordable Housing Allocations. Workforce-affordable housing allocations shall be distributed in accordance with (**insert policy describing BPAS ranking procedures or ranking procedures specific to POA**).

Policy X.1.2 - Specific Standards and Requirements for Workforce-Affordable Housing. Workforce-affordable housing units built under this program shall:

a. be multifamily structures;
b. be rental units;
c. require, at a minimum, adherence to the latest edition of the Florida Building Code as published by the Florida Building Commission;
d. not be placed in the V-Zone or within the Coastal Barrier Resource Systems;
e. require on-site property management;
f. comply with applicable locational criteria and densities for multifamily affordable housing units;
g. incorporate sustainable and resilient design principles into the overall site design;
h. ensure accessibility to employment centers and amenities;
i. require deed-restrictions ensuring:
    i. the property remains workforce-affordable housing in perpetuity;
    ii. tenants evacuate during the period in which transient units are required to evacuate;
    iii. rental agreements contain a separate disclosure requiring renters to acknowledge that failure to adhere to the evacuation requirement could result in severe penalties, including eviction, to the resident;
    iv. onsite property managers are formally trained in evacuation procedures.

Policy X.1.3 – Evacuation exemptions. Persons living in workforce-affordable housing who are exempt from evacuation requirements of **Policy X.1.2.i.1** include all first responders, correction officers, health care professionals, or other first-response workers required to remain during an emergency, provided the person claiming exemption under this policy has faithfully certified their status with property management.

Policy X.1.4 – ADA Compliance. All workforce-affordable housing developments must demonstrate compliance with all applicable federal standards for accessibility for persons with disabilities.

Policy X.1.4 -Evaluation and Report. Monroe County shall Local governments participating in the program shall provide to the state land planning agency an Annual Report by July 1 (or January 1???) of each year indicating the number of workforce-affordable units built, occupancy rates, and compliance with the requirement to evacuate the units in the Phase I evacuation.

MONROE COUNTY, FLORIDA
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS

ORDINANCE NO.005-2021

AN ORDINANCE BY MONROE COUNTY BOARD OF COUNTY COMMISSIONERS ADOPTING AMENDMENTS TO THE MONROE COUNTY 2030 COMPREHENSIVE PLAN AMENDING THE FUTURE LAND USE ELEMENT AND THE HOUSING ELEMENT TO ESTABLISH A NEW BUILDING PERMIT ALLOCATION CATEGORY TO ACCEPT AND AWARD 300 WORKFORCE HOUSING EARLY EVACUATION UNIT BUILDING PERMIT ALLOCATIONS PURSUANT TO THE WORKFORCE-AFFORDABLE HOUSING INITIATIVE (WORKFORCE INITIATIVE) AUTHORIZED BY THE FLORIDA ADMINISTRATION COMMISSION AND THE FLORIDA DEPARTMENT ECONOMIC OPPORTUNITY BY AMENDING AS WELL AS CLARIFYING POLICIES 101.2.2, 101.2.4, 101.3.1, 101.3.2, 101.3.3, 101.3.4, 101.3.10, 101.3.11, 601.1, 601.1.1, 601.1.2, 601.1.8, 601.1.11, 601.5.1 AND CREATING NEW POLICY 101.3.12 TO ESTABLISH THE SPECIFIC WORKFORCE INITIATIVE REQUIREMENTS; PROVIDING FOR SEVERABILITY; PROVIDING FOR REPEAL OF CONFLICTING PROVISIONS; PROVIDING FOR TRANSMITTAL TO THE STATE LAND PLANNING AGENCY AND THE SECRETARY OF STATE; PROVIDING FOR AMENDMENT TO AND INCORPORATION IN THE MONROE COUNTY COMPREHENSIVE PLAN; PROVIDING FOR AN EFFECTIVE DATE. (FILE NO. 2020-067)

WHEREAS, pursuant to Article 8 of the Florida Constitution and Section 125.66, Florida Statutes, Monroe County possesses the police powers to enact ordinances in order to protect the health, safety, and welfare of the County's citizens; and

WHEREAS, Florida Statute § 380.0552., the Florida Keys Area protection and designation as area of critical state concern, establishes the intent to "ensure that the population of the Florida Keys can be safely evacuated", Florida Statute § 380.0552(2)(j), and requires that amendments to each local government's comprehensive plan to include "goals, objectives, and policies" to protect public safety and welfare in the event of a natural disaster by maintaining a hurricane evacuation clearance time for permanent residents of no more than 24 hours; and

WHEREAS, the County adopted a Permit Allocation System known as the Rate of Growth Ordinance ("ROGO") in order to provide for the safety of residents in the event of a hurricane evacuation and to protect the significant natural resources of Monroe County, as required by the State of Florida; and

WHEREAS, on May 2, 2018, Governor Rick Scott issued a press release outlining an initiative to the Florida Department of Economic Opportunity ("DEO") for a Keys Workforce Housing Initiative to allow 1,300 additional Rate of Growth Ordinance allocations ("ROGO allocations") throughout the Florida Keys for rental workforce housing, with a condition that the rental occupants evacuate in the early phase (48-hour window) of a hurricane evacuation; and

WHEREAS, on June 13, 2018, the Florida Administration Commission approved the Workforce Housing Initiative, after presentation by DEO that the Phase I evacuation (under the existing staged evacuation plan) can be accomplished in 17.5 hours, leaving additional capacity of 6.5 hours in Phase I; and

WHEREAS, the Florida Keys face the quadruple impact of high land values, land limited by geographic and environmental features, housing supply limited by controlled growth (including but not limited to the Rate of Growth Ordinance) and a tourism economy with a prevalence of lower paying service-sector employment; and

WHEREAS, the need to protect and preserve an adequate inventory of affordable/workforce accessible housing is a continual as well as a growing challenge in the Florida Keys, particularly after the impacts of Hurricane Irma which caused significant damage to housing units throughout the Florida Keys; and

WHEREAS, on September 19, 2018, the Monroe County Board of County Commissioners ("BOCC", "Monroe County", or the "County") directed County staff to draft proposed policy alternatives to the State's Keys Workforce Housing Initiative that address several concerns raised related to the enforceability of the evacuation provisions; and

WHEREAS, on January 30, 2019, the BOCC considered options to accept the 300 units but took no official action; and

WHEREAS, on January 22, 2020, the BOCC directed staff to prepare an agenda item to discuss and provide direction on whether to direct staff to process Comprehensive Plan and Land Development Code amendments to: 1) Move a portion of market-rate ROGO units to the affordable housing allocation pool and/or 2) Accept the 300 Workforce Housing units offered by the Department of Economic Opportunity required to evacuate in Phase 1 of the Hurricane Evacuation model; and

WHEREAS, on February 19, 2020, the BOCC discussed whether to direct staff to process a comprehensive plan and land development code amendment to: 1) Move a portion of the 378 remaining Market Rate - Rate of Growth Ordinance (ROGO) units through 2026 to the Affordable Housing allocation pool and/or 2) Accept the 300 Workforce Housing units offered by the DEO required to evacuate in Phase 1 of the hurricane evacuation model. The BOCC did not decide on the potential shifting of market rate allocations to the affordable housing pool but did direct staff to start the process to accept the 300 workforce housing units; and

WHEREAS, on July 15, 2020, during a discussion item on potentially shifting market rate allocations to the affordable housing pool, the BOCC provided further direction to staff on

accepting the 300 workforce housing early evacuation unit building permit allocations. The BOCC directed: Accept the 300 workforce housing early evacuation unit building permit allocations to be used in exchange for existing affordable allocations at multifamily developments (for developers that agree to the early evacuation restriction) and the affordable housing allocations returned to the County (returned in the exchange) be set aside and banked for takings cases (bank them within an administrative relief pool); and

3. The proposed amendment is consistent with Part II of Chapter 163, Florida Statutes.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF MONROE COUNTY, FLORIDA:

Section 1. Recitals and Legislative Intent. The foregoing recitals and statements of legislative intent are true and correct and are hereby incorporated as if fully stated herein.

Section 2. The Monroe County Comprehensive Plan is hereby amended as follows:

Proposed Amendment: deletions are ~~stricken through~~; additions are shown in underlined.

Objective 101.2
As mandated by the State of Florida, pursuant to Section 380.0552, F.S. and Rule 28-20.140, F.A.C., and to maintain the public health, safety, and welfare, Monroe County shall maintain a maximum hurricane evacuation clearance time of 24 hours and will coordinate with the State Land Planning Agency relative to the 2012 Memorandum of Understanding that has been adopted between the County and all the municipalities and the State agencies.

Policy 101.2.1
Monroe County shall maintain a memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach, and Layton to stipulate, based on professionally acceptable

data and analysis, the input variables and assumptions, including regional considerations, for utilizing the Florida Division of Emergency Management's (DEM) Transportation Interface for Modeling Evacuations ("TIME") Model to accurately depict evacuation clearance times for the population of the Florida Keys.

Policy 101.2.2

Monroe County shall coordinate with all the municipalities, the State Land Planning Agency and Division of Emergency Management to update the variables and assumptions for the evacuation clearance time modeling and analyses of the build-out capacity of the Florida Keys Area of Critical State Concern based upon the release of the decennial Census data. Pursuant to the 2012 completed hurricane evacuation clearance time modeling by the State Land Planning Agency, which incorporates the 2010 Census data, the County may allocate 10 years' worth of growth (197 x 10 = 1,970 allocations, 197 annual ROGO rate based on Rule 28-20.140, F.A.C.) through the year 2023, while maintaining an evacuation clearance time of 24 hours. The County ~~will~~ adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 20262033 without exceeding the total of 1,970 allocations (see Policy 101.3.2). The County shall reevaluate the annual ROGO allocation rate based on: 1) statutory changes for hurricane evacuation clearance time requirement standards; 2) new hurricane evacuation modeling by the State Land Planning Agency and Division of Emergency Management; and 3) a new or revised memorandum of understanding with the State Land Planning Agency, Division of Emergency Management, Marathon, Islamorada, Key West, Key Colony Beach and Layton (see Policy 101.2.1).

Notwithstanding the foregoing and pursuant to Policies 101.3.2, 101.3.3 and 101.3.12, Monroe County shall establish a new allocation category to accept and award 300 workforce housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative). These allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.2.3

The County will consider capital improvements based upon the need for improved hurricane evacuation clearance times. The County will coordinate with the FDOT, the state agency which maintains U.S.1, to ensure transportation projects that improve clearance times are prioritized.

Policy 101.2.4

In the event of a pending major hurricane (Category 3—5) Monroe County shall implement the following staged/phased evacuation procedures to achieve and maintain an overall 24-hour hurricane evacuation clearance time for the resident population.

1. Approximately 48 hours in advance of tropical storm winds, a mandatory evacuation of non-residents, visitors, recreational vehicles (RVs), travel trailers, live-aboard vessels (transient and non-transient), ~~and~~ military personnel and units approved, and deed restricted as workforce housing early evacuation units from the Florida Keys

shall be initiated. State parks and campgrounds should be closed at this time or sooner and entry into the Florida Keys by non-residents should be strictly limited.

2. Approximately 36 hours in advance of tropical storm winds, a mandatory evacuation of mobile home residents, special needs residents, and hospital and nursing home patients from the Keys shall be initiated.
3. Approximately 30 hours in advance of tropical storm winds, a mandatory phased evacuation of permanent residents by evacuation zone (described below) shall be initiated. Existing evacuation zones are as follows:
   a) Zone 1 - Key West, Stock Island and Key Haven to Boca Chica Bridge (MM 1-6)
   b) Zone 2 - Boca Chica Bridge to West end of 7-mile Bridge (MM 6-40)
   c) Zone 3 - West end of 7-Mile Bridge to West end of Long Key Bridge (MM 40-63)
   d) Zone 4 - West end of Long Key Bridge to CR 905 and CR 905A intersection (MM 63-106.5 and MM 1-9.5 of CR 905)
   e) Zone 5 - 905A to, and including Ocean Reef (MM 106.5-126.5)

The actual sequence of the evacuation by zones will vary depending on the individual storm. The concepts embodied in this staged evacuation procedures should be embodied in the appropriate County operational Emergency Management Plans.

The evacuation plan shall be monitored and updated on an annual basis to reflect increases, decreases and or shifts in population; particularly the resident and non-resident populations.

For the purpose of implementing Policy 101.2.4, this Policy shall not increase the number of allocations to more than 197 residential units a year, except for affordable housing. Any increase in the number of allocations shall be for affordable housing. Monroe County hereby accepts 300 workforce (affordable) housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission and the Florida Department Economic Opportunity. These allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The allocations shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane. No new additional residential dwelling unit allocations shall be authorized within the Phase 1 of the 48-hr evacuation unless approved and provided by the Florida Administration Commission and the Florida Department Economic Opportunity after review of hurricane evacuation modeling results by the State Land Planning Agency and the Division of Emergency Management of available evacuation capacity and a review of the level of service and available capacity for all public facilities.

Objective 101.3

Monroe County shall regulate new residential development based upon the finite carrying capacity of the natural and man-made systems and the growth capacity while maintaining a maximum hurricane evacuation clearance time of 24 hours.

Policy 101.3.1

Monroe County shall maintain a Permit Allocation System for new residential development known as the Residential Rate of Growth Ordinance (ROGO) System. The Permit Allocation System shall limit the number of permits issued for new residential dwelling units. The ROGO allocation system shall apply within the unincorporated area of the county, excluding areas within the county mainland and within the Ocean Reef planned development (Future development in the Ocean Reef planned development is based upon the December 2010 Ocean Reef Club Vested Development Rights Letter recognized and issued by the Department of Community Affairs). New residential dwelling units included in the ROGO allocation system include the following: affordable housing units; market rate dwelling units; mobile homes; ~~and~~ institutional residential units (except hospital rooms)~~.~~ and workforce housing early evacuation units.

Vessels are expressly excluded from the allocation system, as the vessels do not occupy a distinct location, and therefore cannot be accounted for in the County's hurricane evacuation model. Under no circumstances shall a vessel, including live-aboard vessels, or associated wet slips be transferred upland or converted to a dwelling unit of any other type. Vessels or associated wet slips are not considered ROGO allocation awards, and may not be used as the basis for any type of ROGO exemption or TRE (Transfer of ROGO Exemption).

ROGO Allocations for rooms, hotel or motel; campground spaces; transient residential units; and seasonal residential units are subject to Policy 101.3.5.

Policy 101.3.2

The number of permits issued for residential dwelling units under the Rate of Growth Ordinance shall not exceed a total of 1,970 new allocations for the time period of July 13, 2013 through July 12, 2026, plus any available unused ROGO allocations from a previous ROGO year and 300 workforce housing early evacuation unit building permit allocations authorized by the Florida Administration Commission and the Florida Department Economic Opportunity. A ROGO year means the twelve-month period beginning on July 13. Market rate allocations shall not to exceed 126 residential units per year. Unused allocations for market rate shall be available for Administrative Relief.

In 2012, pursuant to Rule 28-20.140, F.A.C., the Department of Economic Opportunity completed the hurricane evacuation clearance time modeling task and found that with 10 years' worth of building permits, the Florida Keys would be at a 24 hour evacuation clearance time. This creates challenges for State of Florida and Monroe County as there are 8,168 privately owned vacant parcels [3,979 Tier I; 393 Tier II, 260 Tier III-A (SPA); 3,301 Tier III, and 235 No tier (ORCA, etc.)] and with 1,970 new allocations this may result in a balance of 6,198 privately held vacant parcels at risk of not obtaining permits in the future. In recognition of the possibility that the inventory of vacant parcels exceeds the total number of allocations which the State will allow the County to award, the County adopted a slower rate of annual allocations for market rate development to extend the allocation timeframe to 2026 and is accepting 300 workforce (affordable) housing early evacuation unit building permit allocations pursuant to the Workforce-Affordable

Housing Initiative (Policy 101.3.12 Workforce Initiative) authorized by the Florida Administration Commission and the Florida Department Economic Opportunity. These workforce housing early evacuation allocations that are in addition to the maximum building permit allocations identified in Rules 28-20, F.A.C. The County will consider adopting an extended timeframe for distribution of the ROGO allocations through 2033 with committed financial support from its State and Federal partners. This timeframe can provide a safety net to the County and provide additional time to implement land acquisition and other strategies to reduce the demand for ROGO allocations and help transition land into public ownership.

The County is actively engaged in acquisitions and is requesting its State and Federal partners for assistance with implementing land acquisitions in Monroe County. The County will allocate the 1,970 new dwelling unit allocations through July 12, 2026 ~~over a 10 year timeframe~~. If substantial financial support is provided by July 12, ~~2018~~2023, the County will reevaluate the ROGO distribution allocation schedule and consider an extended timeframe for the distribution of market rate allocations (through a comprehensive plan amendment). Further, the State and County shall develop a mutually agreeable position defending inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases, with the State having an active role both directly and financially in the defense of such cases.

The County shall distribute ROGO allocations by ROGO year, as provided in the table below.

*Includes two annual affordable ROGO allocations for the Big Pine Key/No Name Key subarea) through the Incidental Take Permit (ITP) ending in 2023.

** Workforce housing early evacuation unit allocations shall be available countywide (unincorporated county) and distributed on a first-come first-serve basis. Requests for dwelling units developed and/or deed-restricted utilizing the workforce housing early evacuation unit allocations are subject to the provisions of Policy 101.3.12.

The State of Florida, pursuant to Administration Commission Rules, may modify the annual allocation rate. Monroe County will request a Rule change from the Administration Commission to authorize the above allocation timeframe and rate.

Policy 101.3.3

Monroe County shall allocate at least 20% of the annual allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units as part of ROGO. Any portion of the allocations not used for affordable housing shall be retained and be made available for affordable housing from ROGO year to ROGO year. Affordable housing eligible for this separate allocation and workforce housing early evacuation units shall meet the criteria specified in Policy 601.1.4 and the Land Development Code, but shall not be subject to the competitive Residential Permit Allocation and Point System in Policy 101.6.4. Any parcel proposed for affordable housing or workforce housing early evacuation units shall not be located within an area designated as Tier I as set forth under Goal 105 or within a Tier III-A Special Protection Area as set forth in Policy 205.1.1.

Notwithstanding the foregoing, and notwithstanding Policy 101.6.2. affordable housing ROGO allocations may be awarded to Tier I or Tier III-A properties which meet all of the following criteria:

1. The property contains an existing market rate dwelling unit that meets the criteria in LDC Section 138-22(a) and is determined to be exempt from ROGO;
2. The proposed replacement affordable dwelling unit meets current Florida Building Code and is not a mobile home;
3. The proposed replacement dwelling unit shall be deed restricted for a period of at least 99 years as affordable housing pursuant to the standards of the Land Development Code; and
4. The proposed site plan for the replacement affordable dwelling unit does not propose any additional clearing of habitat.

Policy 101.3.4

The Permit Allocation System (or Rate of Growth Ordinance) for new residential development shall specify procedures for:

1. establishing the annual number of permits for new residential units to be issued during the next ROGO year based upon, but not limited to the following:
   a. expired allocations and building permits in previous year;
   b. allocations available, but not allocated in previous year;
   c. number of allocations borrowed from future quarters;
   d. vested allocations;
   e. modifications required or provided by Administration Commission Rules;

f. modifications required or provided by this plan or agreement pursuant to Chapter 380, Florida Statutes; and

g. receipt or transfer of affordable housing allocations by intergovernmental agreement; and

h. receipt or transfer of allocations pursuant to the 2012 Hurricane Evacuation Clearance Time Memorandum of Understanding.

2. allocation of affordable housing, workforce housing early evacuation units and market rate housing units in accordance with Policies~~y~~ 101.3.2 and 101.3.3; and

3. timing of the acceptance of applications, evaluation and scoring of applications, and issuance of permits for new residential development during the calendar year.

Policy 101.3.5

Due to the limited number of allocations and the State's requirement that the County maintain a maximum hurricane evacuation clearance time of 24 hours, Monroe County shall prohibit new transient residential allocations for hotel or motel rooms, campground spaces, or spaces for parking a recreational vehicle or travel trailer until May 2022. Lawfully established transient units shall be entitled to one unit for each type of unit in existence before January 4, 1996 for use as a ROGO exemption. (Ord. No. 024-2011)

Policy 101.3.6

All public and institutional uses (except hospital rooms) that predominately serve the County's non-transient population and which house temporary residents shall be subject to the Permit Allocation System for residential development, except upon factual demonstration that such transient occupancy is of such a nature so as not to adversely impact the hurricane evacuation clearance time of Monroe County.

* * * * * *

Policy 101.3.9

For those ROGO applications and properties which have not received a ROGO award for four consecutive years and have applied for administrative relief, which are designated Tier I, II, or IIIA, the County or the State shall offer to purchase the property if funding for such is available. Refusal of the purchase offer shall not be grounds for granting a ROGO award.

Policy 101.3.10

Notwithstanding any other provision of the Plan, except the last sentence of this Policy 101.3.10, building ~~ROGO~~ allocations utilized for affordable housing projects may be pooled and transferred between ROGO sub-areas, excluding the Big Pine/No Name Keys ROGO subarea, and between local government jurisdictions within the Florida Keys Area of Critical State Concern (ACSC). Any such transfer of affordable housing allocations between local government jurisdictions must be accomplished through an interlocal agreement between the sending and receiving local governments. Interlocal agreements that involve assigning the County's affordable housing (not including affordable housing allocations banked for takings cases) allocations *to existing dwelling units within a municipality* with a requirement that the associated market rate ROGO/BPAS exemptions be transferred into the unincorporated County as an exchange for the affordable housing

allocations transferred to the municipality, shall be accomplished through a minor conditional use permit approval and shall be subject to the receiver site criteria in Policy 101.6.8 and may be transferred to any subarea within the unincorporated County. In no event shall the County (1) pool and transfer workforce housing early evacuation unit allocations between ROGO sub-areas, (2) transfer workforce housing early evacuation unit allocations to another government jurisdiction, (3) receive workforce housing early evacuation unit building allocations from another government jurisdiction, or (4) transfer affordable housing ROGO allocations received by the County in exchange for workforce housing early evacuation unit allocations to another government jurisdiction.

Policy 101.3.11

Monroe County may receive additional building permit allocations pursuant to the 2012 completed hurricane evacuation clearance time modeling and allocation recommendations by the State Land Planning Agency and the Administration Commission's direction that the City of Key West ~~would~~ transfer annually (by July 15th) any remaining unused allocations for that year to the other Florida Keys' local governments based upon the local governments' ratio of vacant land. Any transferred allocations from the City of Key West to Monroe County shall be made available for Administrative Relief. Monroe County may receive, and award 300 building permit allocations designated as workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission and the Florida Department Economic Opportunity. These allocations that are in addition to the maximum allocations identified in Rules 28-20, F.A.C., and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 101.3.12

Workforce Initiative. To support Monroe County's workforce by alleviating constraints on affordable housing, to protect private property rights and address potential liability, the County is participating in the Workforce-Affordable Housing Initiative (Workforce Initiative), as approved during the June 13, 2018 meeting of the Florida Administration Commission. Monroe County accepts the 300 workforce housing early evacuation building permit allocations pursuant to the Workforce-Affordable Housing Initiative authorized by the Florida Administration Commission and the Florida Department Economic Opportunity. The Workforce-Affordable Housing Initiative will require dwelling units constructed and/or deed restricted with workforce housing early evacuation building permit allocations to evacuate occupants in Phase 1 of the 48-hr evacuation of a pending major hurricane, pursuant to the criteria below.

To participate in the Workforce Initiative, Monroe County shall be responsible for the management, distribution, and enforcement of requirements associated with the workforce housing early evacuation building permit allocations. Monroe County shall ensure adherence to these requirements through implementation of this policy and shall annually provide to the Florida Department Economic Opportunity a report indicating the number of workforce housing early evacuation units built and/or deed restricted, occupancy rates, and compliance with the requirement to evacuate the units in Phase 1 of

an evacuation. The annual report shall be provided to the State in a timely manner such that the State may include the information in the required Annual Report to the Governor and Cabinet on the County's progress toward completion of its Work Program pursuant to Rule 28-20, F.A.C.

Dwelling units developed and/or deed restricted utilizing the workforce housing early evacuation unit allocations are subject to the following:

(a) Requests for workforce housing early evacuation unit allocations shall be available only for a 1 for 1 exchange for affordable allocations/exemptions and require a reservation via BOCC resolution. The BOCC may, at its discretion, place conditions on any reservation as it deems appropriate. The BOCC may, at its discretion, exchange existing reserved affordable allocations for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations. Further, the BOCC may, at its discretion, approve the exchange of existing deed-restricted affordable housing units (lawful affordable exemptions) at existing multifamily residential developments for allocations under the Workforce Initiative to private development and nonprofit sector partners willing to meet the requirements of the workforce housing early evacuation unit allocations.
   (1) The affordable allocations returned to the County in exchange for workforce housing early evacuation unit allocations shall be banked and used for future administrative relief, beneficial use determinations and to resolve inverse condemnation cases and Bert J. Harris, Jr. Private Property Rights Protection Act cases.
   (2) To maintain consistency with Rule 28-20.140(2)(b), F.A.C., the affordable allocations returned to the County shall be maintained as affordable allocations and shall also be returned to the original affordable housing category (very low/low/median income vs. moderate income pool).
   (3) The workforce housing early evacuation unit allocations must be utilized based on the original approved affordable housing income category or a lesser income category.
   (4) Administrative relief means actions taken by the County granting the owner of real property relief from the continued application of the Rate of Growth Ordinance (ROGO) restrictions provided they meet the criteria established in the Comprehensive Plan and Land Development Code.
   (5) Beneficial use means the use of property that allows an owner to derive a benefit or profit in the exercise of a basic property right. For the purpose of this policy, beneficial use shall mean the minimum use of the property necessary to avoid the finding of a regulatory taking under current land use case law.

(b) The construction of dwelling units, the redevelopment or the deed restriction of existing dwelling units utilizing workforce housing early evacuation unit allocations shall require approval of a resolution approving a contract between the BOCC and the applicant to officially exchange the allocations and confirm compliance with the requirements Workforce Initiative within this Policy.

(c) All workforce housing early evacuation units require a deed-restriction ensuring:
   (1) Before any building permit may be issued for any structure, portion or phase of

a project subject to the Workforce Initiative, a restrictive covenant shall be approved by the Planning Director and County Attorney and recorded in the Office of the Clerk of the County to ensure compliance with the provision of this section running in favor of the County and enforceable by the County and, if applicable, a participating municipality. The following requirements shall apply to these restrictive covenants:

a. The covenants for any workforce housing early evacuation units shall be effective for 99 years.

b. The covenants shall not commence running until a certificate of occupancy has been issued by the Building Official for the dwelling unit or dwelling units to which the covenant or covenants apply.

c. For existing dwelling units that are deed-restricted as workforce housing early evacuation units, the covenants shall commence running upon recordation in the Official Records of Monroe County.

(2) The covenants shall require that the workforce housing early evacuation units to be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. The occupants are required to annually verify their employment and income eligibility.

(3) The covenants shall require occupants to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane. Persons living in the workforce housing early evacuation units who may be exempted from evacuation requirements are limited to law enforcement, correctional and fire personnel, health care personnel, and public employees with emergency management responsibilities. If there is an occupant that indicates their employment is considered a "first-responder position" and not included in the list of exemptions above, then the Planning Director shall determine, in writing, whether the person may be exempted because of a requirement to remain during an emergency. Any person claiming exemption under this provision shall submit of an affidavit of qualification and faithfully certify their status with the onsite property management.

(4) The covenants shall require rental agreements which contain a separate disclosure requiring rental occupants to acknowledge the existing restrictive covenant on the unit requiring evacuation in Phase 1 of the 48-hr evacuation and that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including eviction, to the occupant.

(5) The covenants shall require onsite property managers and a separate employment disclosure requiring the maintenance of training in evacuation procedures and an acknowledgement that failure to adhere to the Phase 1 evacuation requirement could result in severe penalties, including termination.

(d) Workforce housing early evacuation units shall be restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code. Workforce means individuals or families who are gainfully employed supplying goods and/or services to Monroe County residents or visitors.

(e) Workforce housing early evacuation units shall require onsite property management with property managers trained in evacuation procedures and required to manage the evacuation of tenants in Phase I of an evacuation. During traditional working hours, the property manager must be at an office within the workforce housing early evacuation unit development subject property. Outside the traditional working hours, the property manager must be available at all times to respond to evacuation orders.

(f) The property management entity for the workforce housing early evacuation units shall be required to annually verify the employment and income eligibility of tenants; report the total units on the site, the occupancy rates of units, and tenant compliance with the requirement to evacuate the units in Phase I of an evacuation, including the number of occupants that are exempt from the evacuation requirements. The property management entity must submit a report to the Planning and Environmental Resources Department by May 1 of each year. Further, each lease and this annual report shall be kept by the property manager and be available for inspection by the County during traditional working hours.

(g) Workforce housing early evacuation units shall be located within an area designated as Tier III.

(h) Workforce housing early evacuation units shall not be located in the V-Zone or within a Coastal Barrier Resource System (CBRS).

(i) Workforce housing early evacuation units shall be located on a property which has all infrastructure available (potable water, adequate wastewater treatment and disposal wastewater meeting adopted LOS, paved roads, etc.).

(j) All workforce housing early evacuation units must demonstrate compliance with all applicable federal standards for accessibility for persons with disabilities (ADA Compliance).

(k) To the greatest extent practicable, a development utilizing workforce housing early evacuation unit allocations shall incorporate sustainable and resilient design principles into the overall site design and be accessible to employment centers in Key West, Stock Island and Marathon.

GOAL 601

Monroe County shall adopt programs and policies to facilitate access by residents to adequate and affordable housing that is safe, decent, and structurally sound, and that meets the needs of the population based on type, tenure characteristics, unit size and individual preferences.

Objective 601.1

To ensure that affordable housing opportunities are available throughout the entire community and to maintain a balanced and sustainable local economy and the provision of essential services, **Monroe County shall implement the following defined policies to reduce estimated affordable housing need for** its workforce and **households in the very low, low, median and moderate income classifications.**

Policy 601.1.1

Monroe County shall maintain land development regulations, in conjunction with the Permit Allocation System, for apportioning future affordable housing development ~~on an annual basis~~.

Policy 601.1.2
Monroe County shall continue ~~expand~~ its participation in Federal and State housing assistance programs to rehabilitate owner and rental housing for very low, low, median, and moderate income residents by seeking grants, loans, and technical assistance in conjunction with the Monroe County Housing Authority ~~by May 1, 2021~~.

Policy 601.1.3
The Monroe County Land Authority shall maintain a list of buildable properties owned or targeted for acquisition by the Land Authority which potentially could be donated or made available for affordable housing. This list will be updated annually and made available to the public. The guidelines established in Policies 601.1.10 and 601.1.11 shall be considered in the formulation of this list.

Policy 601.1.4
All affordable housing projects which receive development benefits from Monroe County, including but not limited to ROGO allocation award(s) reserved for affordable housing, maximum net density, or donations of land, shall be required to maintain the project as affordable for a period of 99 years pursuant to deed restrictions or other mechanisms specified in the Land Development Code, and administered by Monroe County or the Monroe County Housing Authority.

Policy 601.1.5
If Monroe County funding or County-donated land is to be used for any affordable housing project, alternative sites shall be assessed according to the following guidelines:

1. The location of endangered species habitat. Sites within known, probable, or potentially suitable threatened or endangered species habitat shall be avoided.
2. The environmental sensitivity of the vegetative habitat. The habitat sensitivity shall be determined according to the ranking specified in the Environmental Design Criteria section of the Land Development Code. Disturbed sites shall be selected, unless no feasible alternative is available.
3. Sites located within V-Zones, on offshore islands, or within CBRS units shall be avoided.
4. The level of service provided in the vicinity for all public facilities. Areas which are at or near capacity for one or more public facility should be avoided.
5. Proximity to employment and retail centers. Sites within five miles of employment and retail centers shall be preferred.

Policy 601.1.6
Monroe County shall identify funding sources that could be made available to support community-based non-profit organizations such as Habitat for Humanity in their efforts to provide adequate affordable housing.

Policy 601.1.7
Monroe County shall continue to participate in the State Housing Incentives Partnership program as specified in the 1992 William Sadowski Affordable Housing Act. Monroe County shall also continue to maintain a Local Housing Assistance Plan and Affordable

Housing Incentive Strategies as specified in the Act and recommended by the Monroe County Affordable Housing Advisory Committee.

Policy 601.1.8

Monroe County shall allocate at least 20% of the annual ROGO allocation, or as may be established by the State of Florida, pursuant to Administration Commission Rules, to affordable housing units, as specified in Policy 101.3.3. Affordable housing eligible for this separate allocation must meet the criteria established in the Land Development Code. Monroe County may award 300 additional building permit allocations designated as workforce housing early evacuation units pursuant to the Workforce-Affordable Housing Initiative (Policy 101.3.12 Workforce Initiative) as provided by the Florida Administration Commission and the Florida Department Economic Opportunity. These allocations are in addition to the maximum allocations identified in Rules 28-20, F.A.C., are restricted to rental occupancy for those who derive at least 70% of their income as members of the workforce in Monroe County and who meet the affordable housing income categories of the Monroe County Land Development Code, and shall be required to evacuate in Phase 1 of the 48-hr evacuation of a pending major hurricane.

Policy 601.1.9

Monroe County shall maintain land development regulations which may include density bonuses, impact fee waiver programs, and other possible regulations to encourage affordable housing.

Policy 601.1.10

The Land Authority may acquire land for affordable housing projects if they are deemed appropriate and acceptable by the Land Authority as meeting the intent of:

1. the affordable housing provisions in the Land Authority's enabling legislation;
2. the goals, objectives and policies of this Plan; and
3. the land use designations specified on the Future Land Use Map and in the Monroe County Land Development Regulations.

Policy 601.1.11

The Land Authority shall not list or acquire vacant lands as potential affordable housing sites if the lands exhibit any of the following characteristics:

1. Any portion of the land lies within a known, probable, or potentially suitable threatened or endangered species habitat.
2. The land has a Tier designation other than Tier III.
3. The land is located in a V-Zone, on an offshore island or within a CBRS unit.

Policy 601.1.12

Monroe County shall annually monitor the eligibility of the occupants of housing units which have received special benefits, including but not limited to those issued under the affordable housing provisions specified in the Land Development Code or those issued through the Permit Allocation System. If occupants no longer meet the eligibility criteria specified in the Plan and in the Land Development Code, and their eligibility period has not expired, then Monroe County may take any one or a combination of the following actions:

1. require the payment of impact fees, if they were waived;
2. proceed with remedial actions through the Department of Code Compliance, as a violation of the Monroe County Code;
3. take civil court action as authorized by statute, common law, or via agreement between an applicant and the County; and/or
4. require the sale or rental of the unit(s) to eligible occupants.

Policy 601.1.13

Monroe County shall maintain land development regulations on inclusionary housing and shall evaluate expanding the inclusionary housing requirements to include or address nonresidential and transient development and redevelopment based on specific data and analysis.

Objective 601.2

Monroe County shall adopt programs and policies to encourage housing of various types, sizes and price ranges to meet the demands of current and future residents

Policy 601.2.1

Public-private partnerships shall be encouraged to improve coordination among participants involved in housing production. In these efforts, the County will establish a comprehensive central depository for housing information located at the Monroe County Housing Authority and Growth Management Division for the coordination and cooperation among public and private agencies which collect and use housing data.

Objective 601.3

Monroe County shall continue implementation efforts to eliminate substandard housing and to preserve, conserve and enhance the existing housing stock, including historic structures and sites.

Policy 601.3.1

Monroe County shall coordinate with other County agencies to monitor housing conditions. Standards for evaluation of the structural condition of the housing stock are summarized below:

Sound: Most housing units in this category are in good condition and have no visible defects. However, some structures with slight defects are also included.

Deteriorating: A housing unit in this category needs more repair than would be provided in the course of regular maintenance, such as repainting. A housing unit is classified as deteriorating when its deficiencies indicate a lack of proper upkeep.

Dilapidated (Substandard): A housing unit in this category indicates that the unit can no longer provide safe and adequate shelter or is of inadequate original construction including being constructed below the minimum required elevation by FEMA or the County's Floodplain Regulations.

Policy 601.3.2

The County Code Compliance Office and Building Department will enforce building code regulations and County ordinances governing the structural condition of the housing stock, to ensure the provision of safe, decent and sanitary housing and stabilization of residential neighborhoods.

Policy 601.3.3
Monroe County shall encourage expanded use of U.S. Department of Housing and Urban Development (HUD) rental rehabilitation programs by the Monroe County Housing Authority and State and Federal Floodplain or Hazard Mitigation programs to facilitate increased private reinvestment in housing by providing information, technical assistance in applications for federal and State funding, or provide local public funds for rehabilitation purposes.

Policy 601.3.4
Monroe County shall encourage identification and improvement of historically significant housing through the coordination of public information programs defining benefits and improvement funding sources.

Objective 601.4
Monroe County shall maintain land development regulations which allow group homes and foster care facilities licensed or funded by the Florida Department of Health (DOH), as well as subsidized housing for elderly residents of the County, to be located in residential areas as appropriate.

Policy 601.4.1
Monroe County shall maintain land development regulations which permit group homes and foster care facilities (homes of six or fewer residences which otherwise meet the definition of Community Residential Home pursuant to F.S. § 419.001(1)(a)) licensed or funded by the DOH in all land use categories which permit residential development where consistent with other goals, objectives, and policies of this Comprehensive Plan.

Policy 601.4.2
The County shall identify and evaluate alternative strategies to expand subsidized housing programs for elderly residents of Monroe County through coordination with the Monroe County Housing Authority, and encourage their development by private, community-based non-profit, or public entities, as well as public/private partnerships.

Objective 601.5
The County shall provide uniform and equitable treatment for persons and businesses displaced by state and local government programs, consistent with F.S. § 421.55.

Policy 601.5.1
By May 1, ~~2017~~2024, Monroe County shall adopt uniform relocation standards for displaced households.

Section 3. Construction and Interpretation. This Ordinance is necessary for the health, safety, and welfare of the residents of and visitors to the County. This Ordinance shall be liberally construed to effect the public purpose(s) hereof. Interpretation of this Ordinance shall be construed in favor of the Monroe County Board of County Commissioners ("Monroe County" or the "County"), and such construction or interpretation shall be entitled to great weight in adversarial administrative proceedings, at trial, in bankruptcy, and on appeal.

Section 4. Inconsistency, Partial Invalidity, Severability, and Survival of Provisions. If any provision of this Ordinance, or any portion thereof, is held to be invalid or unenforceable in or by any administrative hearing officer or court of competent jurisdiction, the invalidity or unenforceability of such provision, or any portion thereof, shall neither limit nor impair the operation, enforceability, or validity of any other provision of this Ordinance, or any remaining portion(s) thereof. All other provisions of this Ordinance, and remaining portion(s) thereof, shall continue unimpaired in full force and effect.

Section 5. Repeal of Inconsistent Provisions. All ordinances or parts of ordinance in conflict with this ordinance are hereby repealed to the extent of said conflict. The repeal of an ordinance herein shall not repeal the repealing clause of such ordinance or revive any ordinance which has been repealed thereby.

Section 6. Transmittal. This Ordinance shall be transmitted to the Florida State Land Planning Agency as required by Florida Statute § 380.05(11) and Florida Statute § 380.0552(9).

Section 7. Filing. This Ordinance shall be filed in the Office of the Secretary of the State of Florida but shall not become effective until a notice is issued by the State Land Planning Agency or Administration Commission finding the amendment in compliance with Chapter 163, Florida Statutes, and after any applicable challenges have been resolved.

Section 8. Inclusion in the Monroe County Comprehensive Plan. The text amendment shall be incorporated in the Monroe County Comprehensive Plan. The numbering of the foregoing amendment may be renumbered to conform to the numbering in the Monroe County Comprehensive Plan.

Section 9. Effective Date. This Ordinance shall become as provided by law and stated above.

PASSED AND ADOPTED by the Board of County Commissioners of Monroe County, Florida, at a regular public meeting held on the 21st day of April 2021.

AGENDA ITEM WORDING: A public hearing to consider approval of a resolution amending the fiscal year 2025 budget for Fund 403, Marathon Airport.

ITEM BACKGROUND:

The purpose of the budget amendment is to utilize cash in Marathon Airport Fund 403 that was borrowed for the EOC project as a loan to the Marathon Airport Services Department to bring $2,811,027.18 of accrued balance forward so that it may be made available for use in the current fiscal year to fund the local match of the Marathon Airport Runway 7/25 Relocation construction project.

The Runway 7/25 Relocation Construction Project including construction administration services is estimated at $30,850,376.18.

The FAA is funding $25,290,388.00 and FDOT is funding $2,748,961.00, leaving a local match shortfall of $2,811,027.18.

PREVIOUS RELEVANT BOCC ACTION:

On March 25, 2025, the BOCC gave approval to advertise a public hearing for a budget amendment to Fund 403 for FY2025.

On September 11, 2024, the BOCC approved the operating & capital budget for fiscal year 2025.

AGENDA ITEM WORDING: A public hearing to consider approval of a resolution amending the fiscal year 2025 budget for Fund 404, Key West International Airport.

ITEM BACKGROUND:

The purpose of the budget amendment is to bring forward accrued fund balance resulting from the receipt of insurance proceeds relating to the EYW EMAS bed that was damaged during Hurricane Irma. It is the intention of the Key West Airport Services Department to bring $500,000.00 of accrued balance forward so that it may be made available for use in the current fiscal year to complete a shortfall in funding to complete the EYW Apron Overflow project.

PREVIOUS RELEVANT BOCC ACTION:
On March 25, 2025, the BOCC gave approval to advertise a public hearing for a budget amendment to Fund 404 for FY2025.

On February 19, 2025, the BOCC gave approval to advertise a public hearing for a budget amendment to Fund 404 for FY2025.

On September 11, 2024, the Board of County Commissioners approved the FY2025 operating and capital budget.

MEMORANDUM

DATE: 31 March 2025

TO: BOCC

FROM: Kevin G. Wilson

SUBJECT: Middle Keys (MM17-MM70) Animal Control Contract Extension

Action Recommended: Waive purchasing policy and extend the Marathon FKSPCA contract for another five (5) years and three months while eliminating the annual CPI adjustment in favor of a fixed 3% annual adjustment.

Basis for Recommendation:

1. FKSPCA has the organizational and financial strength to deliver services in the middle keys.
2. Past solicitations have resulted in two bailouts of failed providers by FKSPCA.
3. Adjusting the end date will correspond with the County's Fiscal year
4. Using a 3% annual escalator is predictable for budgeting and approximates the long-term average CPI.
5. KDPA suggested changes to the terms appear to add significant cost while not significantly improving service.

Discussion:

FKSPCA's contract for the middle keys expires in June 2025. FKSPCA is willing to continue providing services to the service area from MM16 – MM70. Past public solicitations have resulted in contracts that ended in financial difficulties for the providers. In both cases, FKSPCA stepped in, at the County's request, to replace the failed service providers.

In 2017 a contract was done on an emergency basis to enable FKSPCA to take over the failed operation. The agreement was written to finish the term of the previous contractor and provided for one (1) five (5) year extension. That extension expires in June 2025.

The contract expires in the middle of the County's fiscal year and before the CPI for the coming year is available making budget forecasting for the following year difficult. Using a fixed annual adjustment of 3% and moving the anniversary date to 1 October, makes sense so that mid-year adjustments in the contract are not necessary and eliminates the need for annual contract amendments saving staff time.

The County has received one recommendation from the Key Deer Protection Alliance (KDPA) for suggested changes to the FKSPCA terms. Those requests included expanded hours at the shelter, aa addition ACO to patrol Big Pine Key and some requests for public records. FKSPCA estimates the increased costs for those changes is $130,000/year. The County evaluated the service increases requested and determined that they would not significantly improve service. Attached is FKSPCA's response to those requests and the County's response to KDPA.

Alicia,
Sorry for forgetting to follow up. I have attached Tammy Fox's response to your letter . She prepared it in January but, I failed to notice she didn't include you. Her responses are included within your letter and includes sections from their SOP that you requested as attachments. Also attached is a summary from Tara McFarland, the Director of the FKSPCA Marathon campus, of our meeting earlier this week to explore the suggestions about changing the terms of the contract which will be on the April BOCC meeting for approval.

The costs of the changes you suggest do not appear to be justified given the statistics cited by Tammy & Tara and the fact that shelter hours will have no effect on ACO operations.

CAUTION

Hello everyone,

Thank you for your time today. I sincerely appreciate everyone's consideration and willingness to listen, and provide input. The following are the notes requested from the meeting:

Currently the "open hours" of the FKSPCA Marathon Campus reflect hours that the facility in Marathon is open to the public to walk in and conduct business such as viewing adoptable animals, dropping off donations, learning about our programs and services, or similar types of interactions. Therefore; our on site open hours at our Campus do not directly impact the issue of free-roaming dogs in any way. Conversely, our Animal Control Officers are available six days a week from 8am - 5pm to conduct normal business, and respond to after-hour emergencies 24/7.

The Marathon Campus currently has 7 staff members. The Director of Operations, Shelter Manager, Event/Volunteer Coordinator, Lead Animal Control Officer and 3 Animal Care Technicians. To adequately keep the facility clean, care for the 50 animals currently housed at our shelter, assist the public via walk in or telephone and respond to calls it takes a *minimum* of 3 FT employees per day, five days a week for 8 hour shifts (outside the Director, Management and Event/Volunteer Coordinator positions). To accommodate the KDPA request of extending hours until 6:30pm it would mean changing our five day a week, 8 hour shift work week to four 10 hour days. Doing so would require hiring two more FT Animal Care staff.

The average annual salary of an Animal Care staff member is $38,000. Hiring the necessary two additional FT Animal Care staff members would increase our budget by an estimated $76,000.

There are two staff members trained to perform Animal Control duties that live on Big Pine Key. A third staff member is completing her training in April, and she too lives in Big Pine Key, creating a total of 3 Animal Control Officers that live in the area of concern. Those officers not only live on Big Pine, but do travel through the island to commute to work, conduct business on the island, come home on lunch breaks, and frequent stores and restaurants. This is all done on personal time outside of working hours. Between responding to citizen complaints, and conducting personal life, errands, etc… our Officers do have a finger on the pulse of what is happening on the island they live on in regards to Animal Control.

To accommodate the KDPA recommendation of more patrols, while still providing the same quality of service to the remaining 50 miles of our justiction, the FKSPCA would need to hire an additional Animal Control Officer.

The average Animal Control Officer base salary is $42,000. The average on-call shifts (3 shifts per week x $50) is $7,800. The average training is $1,500. Not factoring in overtime pay for after-hours calls, the County contract would need to see an estimated $51,300 to absorb the costs suggested by the KDPA.

The total increase in the current contract amount would need to be $127,300.

Furthermore; the FKSPCA does own two of our own Animal Control vehicles. There are no leased vehicles through the County. Having two vehicles ensures that if one Officer is responding to a call, or patrolling a certain area, and another call comes in simultaneously, another Officer is available to take the second vehicle and respond immediately.

From January 1st 2025 - March 27th 2025 the Marathon Campus responded to a total of **90 calls**. Service calls include the following (but are not limited to); trapped or injured wildlife, noise complaints (barking dogs/crowing chickens), acts of cruelty or neglect, animals in distress, animal bites, loose/stray dogs, seizures, welfare checks and transportation. Of those **90 calls, 17** were on Big Pine Key or **18%** of our total call volume. With our current staffing and current patrol schedule, I am confident that we are already giving the Big Pine Key area **more than 18%** of our time and resources.

For your knowledge the breakdown of those 17 calls are as follows:
Dog Bite - 4
Loose/Stray Dog: 6
Transport: 2
Dead Animal: 1
Dog lost on an uninhabited offshore island: 1
Noise Complaint: 2
Wildlife: 1

6 stray dog reports on Big Pine, of our 90 total calls is less than 7% of all total calls.

It is the responsibility of the FKSPCA and Animal Control to provide the same quality service to all of our community members across our entire jurisdiction. I am comfortable and confident that my team not only meets, but exceeds the expectations of our contract and provides exceptional service through prompt response times, effective and courteous communication, education and resources.

Please let me know if there's anything further I can do, information I can provide, or questions I may answer to assist you.

Christine Hurley
Monroe County Administrator

Dear Christine,

The Key deer Protection Alliance (KDPA) has monitored Animal Control on Big Pine Key and No Name Key since our involvement with the process of adopting the Monroe County Comprehensive Plans.

Up until the Big Pine Key Animal Shelter was closed in 2010, there was a noticeable presence of Animal Control and enforcement on Big Pine and No Name Keys. The public knew what to do when encountering a free roaming dog and Animal Control followed through. The system operated smoothly.

Since then, we have become increasingly aware that free-roaming dogs are a serious problem in our community. We receive calls asking KDPA “who do I call?” and “what do I do?” when encountering a free-roaming dog. KDPA has been monitoring the frequency of local social media discussions regarding free-roaming dogs[1] and was involved in the case of the Key deer being attacked and killed on July 1, 2023. This is an unproven statement. The fact from recorded and documented calls in to the Marathon Campus regarding at large dogs is as follows: Claim stated above: "From our analysis there can be as many as eight loose dog sightings a month on Big Pine Key...."

1 From our analysis there can be as many as eight loose dog sightings in a month on Big Pine Key, No Name Key and the Lower Keys. We estimate that is a fraction of how many loose dogs are seen each month.

Fact - During all twelve months of 2024 there were ten in total *reported* stray dogs on Big Pine Key. Of those 10 reports, there was not one report of an injured person or a Key Deer. The monthly breakdown is as follows:

Animals at Large:
1-14-2024 - Impound
1-28-2024 - Impound
3-13-2024 - Warning Issued
4-7-2024 - Impound
7-19-2024 - Unable to Locate
7-25-2024 - Impound
9-18-2024 - In field RTO at Vets office
10-15-2024 - Impound (Ducks, not dogs)
11-27-2024 - Impound
12-19-2024 - Unable to Locate

In addition, although not mentioned, total bite reports for 2024 is as follows:
1-19-2024 - Shelter QT (QT indicates quarantine)
3-31-2024 - Unable to Locate/No Response from Victim
4-16-2024 - Home QT
4-18-2024 - Citation Issued
10-16-2024 - Home QT
11-13-2024 - Two dogs in the same household. Impounded both. Humane euthanasia of the aggressor.
12-22-2024 - Home QT

In addition there have been two recent dog attacks on members of the public[2]. This is a false statement. Claim detailed (#2) "From December 1st through January 2nd there have been at least two reported attacks on a person by a loose dog" Fact - There was one documented dog bite on Big Pine Key in that period, case #8863261. On December 22, 2024 Officer Fricke was bitten by a dog on its own property when reporting to a 911 call. This dog was not at large.

Beth Fennel (a SOKD activist) reported being bitten by an off leash dog but retracted her statement to Officer Walters claiming "it might have been a scratch on her finger by a nail", and the owners claim their dog never made any contact with Ms. Fennel at all.

Due to all these factors, KDPA has amassed a wealth of information on the effects of free roaming dogs on endangered species, walkers, bikers, runners and the general public. We

2 From December 1st through January 2nd there have been at least two reported attacks on a person by a loose dog.

have concluded the current Animal Control system is not working as it should, and there is definite room for improvement.

Thanks to you we were able to study the current contract entitled "Operation of Marathon Animal Control Shelter and Middle Keys Animal Control" (from Mile Marker 16.7 to Mile Marker 70).

This contract became effective on November 15, 2017, and ended at 12:00 midnight on June 30, 2020. Per the section on "Renewal" Monroe County had the option to renew the agreement for one (1) additional five-year period. Hence, the contract is due for renewal on June 30, 2025.

KDPA would like to provide input during the process of re-negotiating an Animal Control contract for the Lower Keys, including, but not limited to, Big Pine Key, No Name Key, Summerland Key, Cudjoe Key and Sugarloaf Key. How can this be accomplished?

At the same time, KDPA would also like to know how to access the current Animal Control records, such as the protocol for responding to animal control calls, This can be found within the Standard Operating Procedures Manual which was provided to the county with our contract bid and we have on hand. In order to provide you with what you need I have extracted the pages pertaining to the animal control protocols and attached to this email.

the Pet Point System Only employees are given access to the internal software known as PetPoint as it contains sensitive information. However, a public records request can be submitted for a specific document within the PetPoint system that pertains to the animal control contract,

the protocol for investigating bites by free-roaming and other forms of attacks on people and animals This can be found within the Standard Operating Procedures Manual. In order to provide you with what you need I have extracted the pages pertaining to the animal control protocols and attached to this email.

as well as the log of miles driven annually on the patrol vehicle. The public records request procedure specifically states documents should not be created to satisfy a request. Only existing documents are relevant. We do not maintain a mileage log therefore this document cannot be provided.

How would we gain access to these records? If any member of the public would like to see public records pertaining to the animal control contract they can request the specific public record along with the period for which they would like to request. They can make this request to the county or to the FKSPCA. Having a copy of the "Policies and Procedures

Manual" may answer most of our questions and deal with many of our concerns. I have included the pages from the manual to this email.

We hope our comments and suggestions for the next Animal Control contract will be viewed as we intend them to be: constructive, with the goals of creating an Animal Control system which is more likely to make sense to the public, removing the public's fears of free-roaming dogs and protecting the endangered species in the Lower Keys, including the Key deer.

Thank you for your time and interest in this matter. The KDPA Board will appreciate any assistance you may provide in helping to improve Animal Control services on Big Pine and No Name Keys and other islands in the Lower Keys.

Sincerely,

Alicia Putney, President
