2798 Overseas Hwy, Marathon
The meeting is open to the public.
Members of the public can also attend via Communications Media Technology at:
Zoom webinar: https://mcbocc.zoom.us/j/89204098700
To report problems with the broadcast or Zoom webinar, please call (305) 872-8831.

ADA ASSISTANCE: If you are a person with a disability who needs special accommodations in order to participate in this proceeding, please contact the County Administrator's Office, by phoning (305) 292-4441, between the hours of 8:30 a.m. - 5:00 p.m., prior to the scheduled meeting; if you are hearing or voice impaired, call "711". Live Closed Captioning is available via the MCTV portal @ https://cloud.castus.tv/vod/monroe/video/60832c9dcf67bb7ac0c21791?page=HOME&type=live for meetings of the Monroe County Board of County Commissioners.

A person may submit written comments or other physical evidence on a particular agenda item for consideration at the BOCC meeting via email to Lindsey Ballard @ ballard-lindsey@monroecounty-fl.gov County Administrator's Office, no later than 3:00 P.M. on the Monday prior to the meeting. The email must include the submitter's name, address, phone number and email address and the agenda item number the documents/comments are regarding. Any intellectual property submitted must include the appropriate authorization for use. Any person who wishes to be heard shall, prior to an item being called, provide the Clerk with his/her name and residence, and the agenda item on which he or she wishes to be heard. An individual has three minutes to address the Commission. However, the first person representing an organization has five minutes to address the Commission. Subsequent speakers for the same organization have three minutes to address the Commission. For land use items, the petitioner and, if the owner is different than the petitioner, then the owner of the property that is the subject of the land use item, will be allowed 20 minutes to address the Commission. Other people are allowed five minutes to address the Commission. Speakers appearing remotely via communications media technology may speak under the same time constraints as those speakers appearing live before the Commission. Remote speakers need not fill in a speaker card before speaking but must identify themselves and their addresses at the beginning of their remarks. Failure to do so may result in early termination of their speaking privileges for that item. For additional assistance, please call (305) 292-4441 or email your inquiry to: ballard-lindsey@monroecounty-fl.gov.

If a person decides to appeal any decision made by the board with respect to any matter considered at such meeting or hearing, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.

Please note that all time approximate items are listed in bold.

Mayor's Proclamation

FAIR HOUSING MONTH

WHEREAS, although Equal Housing Opportunity is a right guaranteed to all Americans under Title VIII of the 1968 Civil Rights Law, the struggle against discrimination in housing continues; and

WHEREAS, each year since the enactment of the National Fair Housing Act, the federal government designates April, the anniversary month of that law, as Fair Housing Month; and

WHEREAS, on this, the 57th anniversary, Monroe County, Florida, is pleased to join in that designation, since it provides an opportunity for all Americans to rededicate themselves to the principles of freedom of housing choice and to reacquaint themselves with the rights and responsibilities that are theirs under the law; and

WHEREAS, since fair housing is consistent with the principle of equality and justice for all – principles upon which our nation was founded – we all need to share in the fight to ensure fair housing is a reality for all residents; and

WHEREAS, the Housing Authority of Monroe County provides fair housing education and outreach services for Monroe County,

NOW THEREFORE, I, Jim Scholl, Mayor of Monroe County, on behalf of the County Board of Commissioners, do proclaim the month of April 2025 as FAIR HOUSING MONTH In Monroe County, and urge all citizens to join the efforts to reaffirm fair housing opportunities for all people. Dated this 16th Day of April 2025.

MAYOR'S PROCLAMATION

SEXUAL ASSAULT AWARENESS MONTH

WHEREAS, Sexual Assault Awareness Month is observed nationally each April to promote education and raise awareness of the fact that sexual violence is widespread and affects individuals of every age, race, gender and socioeconomic background; and

WHEREAS, Monroe County recognizes the profound impact that sexual violence has on survivors, their families, and our community as a whole, including physical, emotional and psychological effects that can last a lifetime; and

WHEREAS, Christina's Courage, the only Rape Crisis Center in Monroe County, provides survivors with a safe and confidential environment for services including forensic examinations, victim advocacy, law enforcement interviews and counseling; and

WHEREAS, the Center operates on donations and the support of volunteers at a confidential location donated by the City of Key West, and has a mental health counselor and sexual assault nurse examiners, one of whom single-handedly conducts 95% of all forensic exams in Monroe County each year; and

WHEREAS, every member of our community plays a role in the prevention of sexual violence which is only possible through education, intervention, and community efforts that empower individuals to speak out against harmful behaviors and support survivors in their journey toward healing and justice; and

NOW, THEREFORE, I Jim Scholl, Mayor of Monroe County, do hereby proclaim April 2025, as Sexual Assault Awareness Month, reaffirming Monroe County's commitment preventing sexual violence and urging all residents, businesses, and organizations to join in this observance by working together toward a safer, healthier community for all.

WITNESS, my hand and seal of Monroe County, Florida this 16th day of April 2025.

Monroe County would like to congratulate Ryan Devitt on his recent promotion to Battalion Chief of Training.

A Florida Keys native, Ryan Devitt was born in Miami and raised in Big Pine Key. He graduated from Marathon High School and immediately started working construction with his father. He began his fire service career by volunteering at the Big Pine Volunteer Fire Department. Seeking higher education, he graduated from the Coral Springs Fire Academy and completed the coursework to obtain the EMT and Paramedic certifications from American Medical Academy. On February 24, 2011, he was hired as a career firefighter with Monroe County Fire Rescue.

During his career, he worked at every Fire Station in Monroe County and assisted with cleanup efforts after Hurricane Irma. He has been working as a training officer at the Joe London Fire Academy since February 2022 and has since obtained several certifications including Fire Officer III and Instructor II.

Chief Devitt said, “I am honored. A promotion is not a reward, it is a call to serve at a higher level. As Battalion Chief, I carry not just a title, but the trust of those I lead — and with that, the responsibility to lead with integrity, courage, and heart. I remain committed to prioritizing safety and ensuring our training evolves to meet the demands of the ever-changing fire service."

AGENDA ITEM WORDING: Ratification of an Amendment to the Special Category Grant Agreement 23.h.sc.100.04423 with the State of Florida, Department of State, Division of Historical Resources (DHR) for the Monroe County Courthouse Exterior Masonry Restoration project. This Amendment modified the original Scope of Work for the project and was originally approved by the BOCC at the November 19, 2024 meeting. After being approved by the BOCC an additional sentence was added to the modified Scope of Work before DHR executed the Amendment.

ITEM BACKGROUND:
The Historic Monroe County Courthouse exterior masonry has degraded, and has sustained damage over the years. To help fund the repairs to the masonry, the County was awarded a Special Category Grant from the Division of Historical Resources (DHR) for $482,825.00. This grant requires a 50% County match of $482,825.00.

The original Scope of Work proposed by the County and approved by DHR included repair and replacement of damaged bricks and repointing of historic mortar joints. It was determined that the amount of work needed to make the building watertight once again would require more funding that was available with the grant and county match.

The County proposed a change in the scope of work from brick repointing/replacing to application of a waterproofing sealant to DHR and they agreed to the change. The DHR issued a Grant Amendment to the County which modified the Scope of Work and also extended the grant expiration date from December 31, 2024 to June 30, 2025.

The Amendment modified the original Scope of Work for the project and was originally approved by the BOCC at the November 19, 2024 meeting. After being approved by the BOCC, the Amendment was sent back to DHR for execution. DHR stated that they had recently made some changes to their legal language regarding sealants for all their newer projects and asked if the County would allow the following statement be added to our Amendment prior to execution:

- *Water repellent coating specifications will be submitted to the Division of Historical Resources*

for review and approval prior to application on the building.

As the County is required to provide these specifications to the local Historic Architecture Review Commission (HARC) board also, Project Management did not see an issue with the requirement and stated that the sentence could be added to the Amendment.

This Ratification is for the modified Amendment which added the above sentence to the modified Scope of Work after the BOCC approved the Amendment but before DHR executed the Amendment.

PREVIOUS RELEVANT BOCC ACTION:

5/19/2021 – BOCC approved of a resolution providing support for the grant and affirming the County's ability to provide the match.
5/19/2021 – BOCC approved for the Mayor to sign and staff to submit a letter of support for the grant application.
1/18/2023 - BOCC approved Special Category Grant Agreement 23.h.sc.100.04423 with the DHR in the amount of $482,825.00 with a county match of $482,825.00
3/22/2023 - BOCC approved a Task Order with Bender & Associates Architects for design and engineering services for the restoration of the brick exterior of the Historic Monroe County Courthouse in Key West.
7/17/24 - BOCC approved a grant amendment which extended the grant expiration date until 12/31/24.
11/19/24 - BOCC approved a grant amendment which modified the scope of work and extended the grant expiration date until 6/30/25

AGREEMENT BETWEEN
THE STATE OF FLORIDA, DEPARTMENT OF STATE
AND
Monroe County Board of County Commissioners
23.h.sc.100.044

This Agreement is by and between the State of Florida, Department of State, Division of Historical Resources hereinafter referred to as the "Division," and the Monroe County Board of County Commissioners hereinafter referred to as the "Grantee."

The Grantee has been awarded a Special Category Grant by the Division, grant number 23.h.sc.100.044 for the Project "Historic Monroe County Courthouse Exterior Masonry Restoration," in the amount of $482,825 ("Grant Award Amount"). The Division enters into this Agreement pursuant to Line Item 3165A, contained in the 2023 General Appropriations Act, HB5001, Laws of Florida. The Division has the authority to administer this grant in accordance with Section 267.0617, *Florida Statutes.*

In consideration of the mutual covenants and promises contained herein, the parties agree as follows:

1. **Grant Purpose.** This grant shall be used exclusively for the "Historic Monroe County Courthouse Exterior Masonry Restoration," the public purpose for which these funds were appropriated.

   a) The Grantee shall perform the following **Scope of Work**:

   Grant funds will be used to facilitate repairs to the historic Monroe County Courthouse in Key West, Florida. Work items will include repair/replacement of bricks and repointing of historic mortar joints. Grant funds will also be used to hire professional contractor services; architectural/engineering services; and architectural conservator services.

   All tasks associated with the Project shall meet the requirements set forth in this agreement.

   b) The Grantee agrees to provide the following **Deliverables** and **Performance Measures** related to the Scope of Work for payments to be awarded.

Totals				**$482,825**

c) The Grantee has provided an Estimated Project Budget based upon reasonable expenditures projected to accomplish the Grantee's Scope of Work and Deliverables outlined in the Agreement. The Budget provides details of how grant and match funds will be spent. All expenditures shall be in accordance with this budget (which is incorporated as part of this Agreement and entitled Attachment A) and must be incurred during the term of this Agreement, as stated in Section 2 of this Agreement.

2. Length of Agreement. This Agreement shall begin on 07/01/22 and shall end 06/30/24, unless terminated in accordance with the provisions of Section 33 of this Agreement. Contract extensions will not be granted unless

Grantee is able to provide substantial written justification and the Division approves such extension. The Grantee's written request for such extension must be submitted to the Division no later than thirty (30) days prior to the termination date of this Agreement and no amendment will be valid until a written amendment is signed by both parties as required in Section 7 and Section 15 of this Agreement.

3. **Contract Administration.** The parties are legally bound by the requirements of this Agreement. Each party's contract manager, named below, will be responsible for monitoring its performance under this Agreement, and will be the official contact for each party. Any notice(s) or other communications in regard to this agreement shall be directed to or delivered to the other party's contract manager by utilizing the information below. Any change in the contact information below shall be submitted in writing to the contract manager within 10 days of the change.

4. **Grant Payments.** All grant payments are requested online via www.dosgrants.com by submitting a payment request with documentation that the deliverable has been completed. The total grant award shall not exceed the Grant Award Amount, which shall be paid by the Division in consideration for the Grantee's minimum performance as set forth by the terms and conditions of this Agreement. Grant payment requests are not considered complete for purposes of payment until review of the deliverables for compliance with the terms and conditions of this Agreement by the appropriate Division staff is complete and approval of the deliverable given. The grant payment schedule is outlined below:

   a) All payments will be made in the amounts identified with the Deliverables in Section 1 of this agreement

   b) All payments will be made in accordance with the completion of those Deliverables.

5. **Electronic Payments.** The Grantee can choose to use electronic funds transfer (EFT) to receive grant payments. All grantees wishing to receive their award through electronic funds transfer must submit a Direct Deposit Authorization form to the Florida Department of Financial Services. If EFT has already been set up for the organization, the Grantee does not need to submit another authorization form unless the organization has changed bank accounts. The authorization form is accessible at http://www.myfloridacfo.com/Division/AA/Forms/DFS-A1-26E.pdf where information pertaining to payment status is also available.

6. **Florida Substitute Form W-9.** A completed Substitute Form W-9 is required from any entity that receives a payment from the State of Florida that may be subject to 1099 reporting. The Department of Financial Services

(DFS) must have the correct Taxpayer Identification Number (TIN) and other related information in order to report accurate tax information to the Internal Revenue Service (IRS). To register or access a Florida Substitute Form W-9 visit https://flvendor.myfloridacfo.com/. **A copy of the Grantee's Florida Substitute Form W-9 must be submitted to the Division, as required, in advance of or with the executed Agreement.**

7. **Amendment to Agreement.** Either party may request modification of the provisions of this Agreement by contacting the Division to request an Amendment to the Contract. **Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.** If changes are implemented without the Division's written approval, the organization is subject to noncompliance, and the grant award is subject to reduction, partial, or complete refund to the State of Florida and termination of this agreement.

8. **Financial Consequences.** The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*.

   a) Any advanced funds will be returned to the State of Florida if unexpended within the first 3 months of disbursement.

   b) Payments will be withheld for failure to complete services as identified in the Scope of Work and Deliverables, provide documentation that the deliverable has been completed, or demonstrate the appropriate use of state funds.

   c) If the grantee has spent less than the Grant Award Amount in state funds to complete the Scope of Work, the final payment will be reduced by an amount equal to the difference between spent state dollars and the Grant Award Amount.

   d) The Division may reduce individual payments by 10% if the completed Deliverable does not meet the Secretary of the Interior's Standards and Guidelines or other industry standards applicable to the project.

   The Division shall reduce total grant funding for the Project in direct proportion to match contributions not met by the end of the grant period. This reduction shall be calculated by dividing the actual match amount by the required match amount indicated in the Agreement and multiplying the product by the Grant Award Amount indicated in the Agreement. Pursuant to Section 17, Grantee shall refund to the Division any excess funds paid out prior to a reduction of total grant funding.

9. **Additional Special Conditions.**

   Development Projects

   a) All project work must be in compliance with the ***Secretary of the Interior's Standards and Guidelines*** available online at www.nps.gov/tps/standards.htm.

   b) The Grantee shall provide photographic documentation of the restoration activity. Guidelines regarding the photographic documentation are available online at https://dos.myflorida.com/historical/grants/special-category-grants/.

   c) The Grantee and the Property Owner(s), if not the same, shall execute and file Restrictive Covenants with

the Clerk of the Circuit Court in the county where the property is located, prior to final release of grant funds and close-out of the project. This Restrictive Covenants form is available on the Division's website http://www.dos.myflorida.com/historical/grants/special-category-grants/.

d) Architectural Services

1. All projects shall require contracting for architectural/engineering services.

2. The Grantee may request a waiver of this requirement from the Division if they believe that the architectural/engineering services are not needed for the Project. The Division shall make a recommendation to the Grantee after review of the proposed work.

e) Architectural Documents and Construction Contracts

The Grantee shall submit the architectural services contract to the Department for review and approval prior to final execution. In addition, pursuant to *Section 267.031(5)(i), Florida Statutes*, the Grantee shall submit architectural planning documents to the Department for review and approval at the following stages of development:

1. Upon completion of **schematic design**;

2. Upon completion of **design development and outline specifications**; and

3. Upon completion of **100% construction documents and project manual**, prior to execution of the construction contract.

f) For the construction phase of the Project, in addition to the review submissions indicated above, a copy of the construction contract must be submitted to the Department for review and approval prior to final execution. Department review and approval of said contracts shall not be construed as acceptance by or imposition upon the Department of any financial liability in connection with said contracts.

g) For projects involving ground disturbance (examples include: historic building or structure relocation, grading and site work, installation of sewer and water lines, subgrade foundation repairs or damp proofing, construction of new foundations and installation of landscape materials), the Grantee shall ensure that the following requirements are included in all contracts for architectural and engineering services:

1. Ground disturbance around historic buildings or elsewhere on the site shall be minimized, thus reducing the possibility of damage to or destruction of significant archaeological resources.

2. If an archaeological investigation of the Project site has not been completed, the architect or engineer shall contact the Department for assistance in determining the actions necessary to evaluate the potential for adverse effects of the ground disturbing activities on significant archaeological resources.

3. Significant archaeological resources shall be protected and preserved in place whenever possible. Heavy machinery shall not be allowed in areas where significant archaeological resources may be disturbed or damaged.

4. When preservation of significant archaeological resources in place is not feasible, a mitigation plan shall be developed in consultation with and approved by the Department's Compliance Review Section (contact information available online at www.flheritage.com). The mitigation plan shall be

implemented under the direction of an archaeologist meeting the *Secretary of the Interiors' Professional Qualification Standards for Archaeology.*

5. Documentation of archaeological investigation and required mitigation actions shall be submitted to the Compliance Review Section for review and approval. This documentation shall conform to the *Secretary of the Interior's Standards for Archaeological Documentation*, and the reporting standards of the Compliance Review Section set forth in Chapter 1A-46, *Florida Administrative Code.*

h) Copyright and Royalties: When publications, brochures, films, or similar materials are developed, directly or indirectly, from a program, project or activity supported by grant funds, any copyright resulting therefrom shall be held by the Florida Department of State, Division of Historical Resources. The author may arrange for copyright of such materials only after approval from the Department. Any copyright arranged for by the author shall include acknowledgment of grant assistance. As a condition of grant assistance, the grantee agrees to, and awards to the Department and, if applicable, to the Federal Government, and to its officers, agents, and employees acting within their official duties, a royalty-free, nonexclusive, and irrevocable license throughout the world for official purposes, to publish, translate, reproduce, and use all subject data or copyrightable material based on such data covered by the copyright.

10. Credit Line(s) to Acknowledge Grant Funding. Pursuant to Section 286.25, *Florida Statutes*, in publicizing, advertising, or describing the sponsorship of the program the Grantee shall include the following statement:

a) "This project is sponsored in part by the Department of State, Division of Historical Resources and the State of Florida." Any variation in this language must receive prior approval in writing by the Division.

b) All site-specific projects must include a Project identification sign, with the aforementioned language, that must be placed on site. The cost of preparation and erection of the Project identification sign are allowable project costs. Routine maintenance costs of Project signs are not allowable project costs. A photograph of the aforementioned sign must be submitted to the Division as soon as it is erected.

11. Encumbrance of Funds. The Grantee shall execute a binding contract for at least a part of the Scope of Work by September 30, except as allowed below.

a) Extension of Encumbrance Deadline: The encumbrance deadline indicated above may be extended by written approval of the Division. To be eligible for this extension, the Grantee must demonstrate to the Division that encumbrance of grant funding and the required match by binding contract(s) is achievable by the end of the requested extended encumbrance period. The Grantee's written request for extension of the encumbrance deadline must be submitted to the Department no later than fifteen (15) days prior to the encumbrance deadline indicated above.

b) Encumbrance Deadline Exception: For projects not involving contract services the Grantee and the Department shall consult on a case-by-case basis to develop an acceptable encumbrance schedule.

12. Grant Reporting Requirements. The Grantee must submit the following reports to the Division. All reports shall document the completion of any deliverables/tasks, expenses and activities that occurred during that reporting period. All reports on grant progress will be submitted online via www.dosgrants.com.

a) **First Project Progress Report** is due by October 31, for the period ending September 30 (first year of the Grant Period).

b) **Second Project Progress Report** is due by January 31, for the period ending December 31 (first year of the Grant Period).

c) **Third Project Progress Report** is due by April 30, for the period ending March 31 (first year of the Grant Period).

d) **Fourth Project Progress Report** is due by July 31, for the period ending June 30 (first year of the Grant Period).

e) **Fifth Project Progress Report** is due by October 31, for the period ending September 30 (second year of the Grant Period).

f) **Sixth Project Progress Report** is due by January 31, for the period ending December 31 (second year of the Grant Period).

g) **Seventh Project Progress Report** is due by April 30, for the period ending March 31 (second year of the Grant Period).

h) **Final Report**. The Grantee must submit a Final Report to the Division within one month of the Grant Period End Date set forth in Section 2 above.

13. **Matching Funds.** The Grantee is required to provide a 100% match of the Grant Award Amount. Of the required match, a minimum of 25% must be cash on hand. The remaining match may include in-kind services, volunteer labor, donated materials, and additional cash. For projects located in Rural Economic Development Initiative (REDI) counties or communities that have been designated in accordance with Sections 288.0656 and 288.06561, *Florida Statutes*, Grantees may request a reduction of the match amount. The Grantee must submit documentation that the minimum match requirements have been met and provide to the Division documentation evidencing expenses incurred to comply with this requirement.

14. **Grant Completion Deadline.** The grant completion deadline is the end date of this Agreement set forth in Section 2 above. The Grant Completion Deadline is the date when all grant and matching funds have been paid out or incurred in accordance with the work described in the Scope of Work, detailed in the Estimated Project Budget. If the Grantee finds it necessary to request an extension of the Grant Completion Deadline, an Amendment to the Agreement must be executed as per Section 7, and the stipulations in Section 15 must be met.

15. **Extension of the Grant Completion Deadline.** An extension of the completion date must be requested at least thirty (30) days prior to the end of the Grant Period and may not exceed 180 days, unless the Grantee can clearly demonstrate extenuating circumstances. An extenuating circumstance is one that is beyond the control of the Grantee, and one that prevents timely completion of the Project such as a natural disaster, death or serious illness of the individual responsible for the completion of the Project, litigation related to the Project, or failure of the contractor or architect to provide the services for which they were contracted to provide. An extenuating circumstance does not include failure to read or understand the administrative requirements of a grant or failure to raise sufficient matching funds. Changes to the original completion deadline shall be valid only when requested in writing, approved by the Division, and an Amendment to the Agreement has been executed by both parties and attached to the original of this Agreement. The Grantee must provide documentation that a portion of the grant funds and match contributions are encumbered and demonstrate to the satisfaction of the Division that project work is progressing at a rate such that completion is achievable within the extended Grant Period.

16. **Non-allowable Grant Expenditures.** The Grantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state guidelines for allowable Project costs as outlined in the Department of Financial Services' Reference Guide for State Expenditures (revised 11/1/2019), which are incorporated by reference and are available online at https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf. The following categories of expenditures are non-allowable for expenditure of grant funds and as contributions to required match:

a) Expenditures for work not included in the Scope of Work of the executed Grant Award Agreement;

b) Costs of goods and services not procured in accordance with procurement procedures set forth in the Grant Award Agreement and Chapter 287 of the *Florida Statutes*;

c) Expenses incurred or obligated prior to or after the Grant Period, as indicated in the Grant Award Agreement;

d) Expenses associated with lobbying or attempting to influence Federal, State, or local legislation, the judicial branch, or any state agency;

e) Expenditures for work not consistent with the applicable historic preservation standards as outlined in the Secretary of the Interior's Guidelines available at www.nps.gov/tps/standards/treatment-guidelines-2017.pdf, standards available at http://www.nps.gov/tps/standards.htm and nps.gov/history/local-law/arch_stnds_0.htm or applicable industry standards;

f) Costs for projects having as their primary purpose the fulfillment of Federal or State historic preservation regulatory requirements, specifically, costs of consultation and mitigation measures required under Section 106 of the *National Historic Preservation Act of 1966*, as amended, or under Section 267.031, F.S.;

g) Projects directed at activities or Historic Properties that are restricted to private or exclusive participation or access, which shall include restricting access on the basis of sex, race, color, religion, national origin, disability, age, pregnancy, handicap, or marital status;

h) Entertainment, food, beverages, plaques, awards, or gifts;

i) Costs or value of donations or In-kind Contributions not documented in accordance with the provisions of the Grant Award Agreement;

j) Indirect costs including Grantee overhead, management expenses, general operating costs and other costs that are not readily identifiable as expenditures for the materials and services required to complete the work identified in the Scope of Work in the Grant Award Agreement. Examples of indirect costs include: rent/mortgage, utilities, janitorial services, insurance, accounting, internet service, monthly expenses associated to security systems, non-grant related administrative and clerical staffing, marketing, and fundraising activities;

k) Administrative and project management expenditures such as expenditures that are directly attributable to management of the grant-assisted Project and meeting the reporting and associated requirements of the Grant Award Agreement, whether grant expenditures or match contributions, which in aggregate exceed 5% of the grant award amount;

l) Grantee operational support (i.e., organization salaries not directly related to grant activities; travel expenditures; per diem; or supplies);

m) Insurance costs (Exception: costs for builder's risk, workers' compensation and contractor's liability insurance);

n) Capital improvements to non-historic properties or non-historic additions to a Historic Property (Exception: pre-approved items of work for Museum Exhibit projects);

o) Capital improvements to the interior of Religious Properties (Exception: repairs to elements of the structural system. Examples include: foundation repairs, repairs to columns, load bearing wall framing, roof framing, masonry repairs, window and exterior door repairs and restoration practices associated with the building envelope);

p) Accessibility improvements for Religious Properties;

q) Vehicular circulation (drives/driveways) within the property or from the property to surrounding streets and parking (Exception: provision of code-required handicapped parking pad(s));

r) Sidewalks, paths, walkways, landscape features and accessories, planting, irrigation systems and site lighting (Exceptions: historic walkways; sidewalk required to link the code-required handicapped parking pad(s) to the accessible entry; historic retaining walls/planting/sodding required to halt documented erosion; pruning, removal or relocation of trees posing an immediate threat to the historic or archaeological resource; and limited site lighting required for security, all if approved by the Division);

s) Fences and gates (Exception: restoration or in-kind replacement of damaged or missing historic fences, gates or sections of these);

t) Furniture, including but not limited to: desks, tables, seating, rugs and mats, artwork and decorations, window treatments, case goods (including cabinets, countertops, or bookshelves) with no historic precedent, systems' furniture, movable partitions and acoustical treatments and components, unless specific prior approval has been granted by the Division (Exception: museum display units necessary for approved Museum Exhibit projects)

u) Equipment (a) including but not limited to portable sound systems, specialty fixtures and equipment, visual display units, appliances, computers, cameras, printers, scanners, projection systems, portable light fixtures, and total stations unless specific prior approval has been granted by the Division (b) If special equipment is required for completion of the Project, it shall be rented for the grant term unless it can be shown that acquiring the equipment is cheaper than renting the equipment and approval has been provided by the Division as part of the documentation presented at the time of application. If the value of special equipment is to be used as a match contribution, the value of the match contribution shall be limited to the cost of rental for the Grant Period at the market rate for such rental in the region;

v) Supplies that will not be consumed in use during the duration of this project;

w) Costs associated with attending or hosting conferences, summits, workshops or presentations (Exception: municipal or county required public meetings necessary for completion of the grant-assisted project);

x) Travel expenditures, including those of personnel responsible for items of work approved by the Division, administrative personnel, contracted or subcontracted employees, either for purposes of work on-site or

research off-site; and

y) Tuition waivers, fees, and other non-grant related costs associated with employing students for grant projects.

17. **Unobligated and Unearned Funds and Allowable Costs.** In accordance with Section 215.971, *Florida Statutes*, the Grantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Grantee. In addition, funds paid in excess of the amount to which the recipient is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state financial assistance must be in compliance with the laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the *Reference Guide for State Expenditures.*

18. **Repayment.** All refunds or repayments to be made to the Department under this Agreement are to be made payable to the order of the "Department of State" and mailed directly to the following address: Florida Department of State, Attention: Grants Program Supervisor, Division of Historical Resources, 500 South Bronough Street Tallahassee, FL 32399. In accordance with Section 215.34(2), *Florida Statutes*, if a check or other draft is returned to the Department for collection, Grantee shall pay to the Department a service fee of $15.00 or five percent (5%) of the face amount of the returned check or draft, whichever is greater.

19. **Single Audit Act.** Each Grantee, other than a Grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, *Florida Statutes*. See Attachment B for additional information regarding this requirement.

20. **Retention of Accounting Records.** Financial records, supporting documents, statistical records, and all other records including electronic storage media pertinent to the Project shall be retained for a period of five (5) years after the close out of the grant. If any litigation or audit is initiated, or claim made, before the expiration of the five-year period, the records shall be retained until the litigation, audit, or claim has been resolved.

21. **Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts, and transcripts.

22. **Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.

23. **Investment of Funds Received But Not Paid Out.** The Grantee may temporarily invest any or all grant funds received but not expended, in an interest bearing account pursuant to Section 216.181(16)(b), *Florida Statutes*. Interest earned on such investments should be returned to the Division quarterly, except that interest accrued less than $100 within any quarter may be held until the next quarter when the accrued interest totals more than $100. All interest accrued and not paid to the Division, regardless of amount, must be submitted with the Grantee's final Progress Report at the end of the Grant Period.

24. **Noncompliance with Grant Requirements.** Any Grantee that has not submitted required reports or satisfied other administrative requirements for this grant or other Division of Historical Resources grants or grants from any other Florida Department of State (DOS) Division will be in noncompliance status and subject to the DOS Grants Compliance Procedure. Grant compliance issues must be resolved before a grant award agreement may be executed, and before grant payments for any DOS grant may be released.

25. **Accounting Requirements.** The Grantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:

a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance, and expenditure of state funds;

b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division.

c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.

d) The name of the account(s) must include the grant award number;

e) The Grantee's accounting records must have effective control over and accountability for all funds, property, and other assets; and

f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills, and canceled checks).

26. **Availability of State Funds.** The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature, or the United States Congress in the case of a federally funded grant. In the event that the state or federal funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Grantee, beyond those amounts already released prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

27. **Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents, or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.

28. **Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the

necessary steps to ensure that each of its subcontractors will be deemed to be "independent contractors" and will not be considered or permitted to be agents, servants, joint ventures, or partners of the Division.

29. **Liability.** The Division will not assume any liability for the acts, omissions to act, or negligence of, the Grantee, its agents, servants, or employees; nor may the Grantee exclude liability for its own acts, omissions to act, or negligence, to the Division.

a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death, and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees, and subcontractors. The Grantee, other than a Grantee which is the State or the State's agencies or subdivisions, as defined in Section 768.28, *Florida Statutes*, shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with that Section.

b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity, or increases the limits of its liability, by entering into this Agreement.

c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.

d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the Project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities; and provided that it is understood by the Grantee that the Division shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.

30. **Strict Compliance with Laws.** The Grantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law.

31. **No Discrimination.** The Grantee may not discriminate against any employee employed under this Agreement, or against any applicant for employment because of race, color, religion, gender, national origin, age, pregnancy, handicap or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.

32. **Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments, and/or will terminate this agreement if the Grantee improperly expends and manages grant funds, fails to prepare, preserve or surrender records required by this Agreement, or otherwise violates this Agreement.

33. **Termination of Agreement.**

a) Termination by the Division. The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter, and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of

violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee will be compensated for any work completed in accordance with this Agreement, prior to the notification of termination, if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages, if grant funds are returned under this Section.

b) Termination for convenience. The Division or the Grantee may terminate the grant in whole or in part when both parties agree that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds. The two parties will agree upon the termination conditions, including the effective date, and in the case of partial terminations, the portion to be terminated.

c) Termination by Grantee. The Grantee may unilaterally cancel the grant at any time prior to the first payment on the grant although the Department must be notified in writing prior to cancellation. After the initial payment, the Project may be terminated, modified, or amended by the Grantee only by mutual agreement of the Grantee and the Division. Request for termination prior to completion must fully detail the reasons for the action and the proposed disposition of the uncompleted work.

34. Preservation of Remedies. No delay or omission to exercise any right, power, or remedy accruing to either party upon breach or violation by either party under this Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default, or any similar breach or default.

35. Non-Assignment of Agreement. The Grantee may not assign, sublicense nor otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which consent shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the Project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties, and obligations of the Division to another governmental entity pursuant to Section 20.06, *Florida Statutes*, or otherwise, the rights, duties, and obligations under this Agreement shall be transferred to the successor governmental agency as if it was the original party to this Agreement.

36. Required Procurement Procedures for Obtaining Goods and Services. The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project. Procurement documentation supporting maximum open competition must be submitted to the Division for review and approval prior to execution of project contracts.

a) **Procurement of Goods and Services Not Exceeding $35,000.** The Grantee must use the applicable procurement method described below:
   1. Purchases Up to $2,500: Procurement of goods and services where individual purchases do not exceed $2,500 may be conducted at the Grantee's discretion using good purchasing practices in accordance with Rule 60A-1.002, *Florida Administrative Code*.
   2. Purchases or Contract Amounts Between $2,500 and $35,000: Goods and services costing between $2,500 and $35,000 require informal competition such as written quotations and informal bids and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement

document in accordance with Rule 60A-1.002, *Florida Administrative Code.*

b) **Procurement of Goods and Services Exceeding $35,000.** Goods and services costing over $35,000 may be procured by either Formal Invitation to Bid, Request for Proposals or Invitation to Negotiate and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document in accordance with Chapter 287, *Florida Statutes.*

37. **Conflicts of Interest.** The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes*, and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.

38. **Binding of Successors.** This Agreement shall bind the successors, assigns and legal representatives of the Grantee and of any legal entity that succeeds to the obligations of the Division of Historical Resources.

39. **No Employment of Unauthorized Aliens.** The employment of unauthorized aliens by the Grantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Grantee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.

40. **Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.

41. **Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the standards of Sections 553.501-553.513, *Florida Statutes*, and the Americans with Disabilities Act of 1990 as amended (42 U.S.C. 12101, *et seq.*), which is incorporated herein by reference.

42. **Governing Law.** This Agreement shall be construed, performed, and enforced in all respects in accordance with the laws and rules of Florida. Venue or location for any legal action arising under this Agreement will be in Leon County, Florida.

43. **Restrictive Covenants.** For Acquisition and Development projects directed at Real Property, if funded, the Grantee (and the Property Owner, if not the Grantee) must file a Restrictive Covenant on the property with the Clerk of Court for ten (10) years for Development and twenty (20) for Acquisition prior to final release of grant funds and close-out of the project.

44. **Entire Agreement.** The entire Agreement of the parties consists of the following documents:

    a) This Agreement

    b) Estimated Project Budget (Attachment A)

    c) Single Audit Act Requirements and Exhibit I (Attachment B)

In acknowledgment of this grant, provided from funds appropriated in the 2023 General Appropriation Act, I hereby certify that I have read this entire Agreement, and will comply with all of its requirements.

ATTACHMENT B
FLORIDA SINGLE AUDIT ACT REQUIREMENTS

AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A recipient that expends $750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

The Internet web addresses listed below will assist recipients in locating documents referenced in the text of this agreement and the interpretation of compliance issues.

U.S. Government Printing Office www.ecfr.gov

Part II: State Funded

This part is applicable if the recipient is a nonstate entity as defined by section 215.97(2), F.S.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this agreement lists the state financial assistance awarded through the Department of State by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the recipient expends less than $750,000 in state financial assistance in its fiscal and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than state entities).

3. Recipients, when submitting financial reporting packages to the Department of State for audits done in accordance with 2 CFR 200, Subpart F - Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

4. Recipients, when submitting financial reporting packages to the Department of State for audits done in accordance with 2 CFR 200, Subpart F - Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

Part IV: Record Retention

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award(s) and this agreement for a period of five years from the date the audit report is issued, and shall allow the Department of State, or its designee, the CFO, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of State, or its designee, the CFO, or Auditor General upon request for a period of at least three years from the date the audit report is issued, unless extended in writing by the Department of State.

Monroe County Board of County Commissioners

23.h.sc.100.044

This Amendment is between the State of Florida, Department of State, Division of Historical Resources hereinafter referred to as the "Division" and Monroe County Board of County Commissioners, hereinafter referred to as the "Grantee".

The parties entered into a grant agreement for the implementation of a Special Category grant, for Historic Monroe County Courthouse Exterior Masonry Restoration. The parties now mutually desire to amend certain terms and conditions of the grant agreement.

In consideration of the covenants contained herein, it is agreed:

All section of the original grant agreement not specifically amended by this or a prior written amendment and all prior written amendments are hereby reaffirmed.

The following sections are hereby revised as follows:

Original Length of Agreement

7/1/2022 - 06/30/2024

Amended Length of Agreement

7/1/2022 -12/31/2024

Additional Conditions

This Agreement is reinstated as if it had not expired and amended to reflect the extension dates set forth herein, effective as of the date both parties have executed this Amendment.

12. Grant Reporting Requirements:

h) Eighth Report is due by July 31, for the period ending June 30 (third year of the grant period).

i) Ninth Report is due by October 31, for the period ending September 30 (third year of the grant period).

j) Final Report. The Grantee must submit a Final Report to the Division within one month of the Grant Period End Date set forth in Section 2 above. All final reports must document the completion of all deliverables/tasks, expenses and activities that occurred by the Grant Period End Date. The Grantee may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state or federal financial assistance must be in compliance with the laws, rules, and regulations applicable to expenditures of state and federal funds, including, but not limited to, this Agreement, the *Reference Guide for State Expenditures*, 2 CFR Part 200.

SECTION 1--MONROE COUNTY LIBRARY SERVICE POLICY

The Monroe County Public Library system strives to offer excellent library service to all. While quality of library collections and facilities is important, a consistently high degree of service to the public is the core of the Library's mission.

Library users are entitled to courteous, knowledgeable, and helpful service from well-trained staff. This Public Library Service Policy affirms our guarantee to library users. All other library policies should be interpreted considering the following principles.

1. Library users are provided the same quality of service without discrimination, regardless of any criteria. Users' needs and requests are considered with equal importance and respect.
2. Library users are the most important aspect of our work. This means serving a library user takes precedence over any managerial or clerical function.
3. Judgment calls are always made in the library user's favor. Library staff will never be disciplined for errors made in good faith pursuant to this policy.
4. Library users requesting assistance via telephone, email, and chat receive the same level of service as walk-in users.
5. When a staff member is unable to fulfill a library user's request, every attempt is made to offer an alternative.
6. Library policies exist to ensure equitable service and access to library resources. Therefore, all staff members are familiar with library policies and can articulate the rationale behind them.
7. Library branches offer feedback forms at every service desk to address user concerns. Whether a facilities issue (e.g., parking, temperature) or of an operational nature, such as programs, hours open, or materials selection, library staff will respond in a respectful and prompt manner.
8. Library staff adhere to the strong ethical standards of the profession. These standards include patron confidentiality, the freedom to read, and intellectual property rights.

PUBLIC ACCESS TO POLICY

A complete and up-to-date copy of these policies, along with the Monroe County Personnel Policies and Procedures Manual and the Monroe County Safety Policies and Procedures Manual, will be kept available for convenient public access at each branch of the Monroe County Public Library and via the library website. The Monroe County Public Library System is a Department of the Monroe County Government, under the jurisdiction of the Board of County Commissioners and the County Administrator.

SECTION 2 – GUIDELINES FOR PATRONS

LIBRARY HOURS OF OPERATION

The Monroe County Public Library maintains regular hours of operation as posted on the library website and physical doors. In accordance with national and state requirements, the libraries are open a minimum of 40 hours per week. Operating hours may change in response to customer needs, emergency actions, and other extenuating circumstances.

Libraries are closed on Sundays and BOCC approved holidays in accordance with Monroe County Personnel Policy. In addition to designated holidays the BOCC may grant other special holidays during the year to County employees.

POWER FAILURES AND WATER DISRUPTIONS

All library occupants, except for staff, will vacate library premises in the event of a power failure or water disruption. Users may return when utilities are restored.

TEST PROCTORING & NOTARY SERVICES

Test proctoring and notary services are not provided by library staff while on duty.

RULES GOVERNING LIBRARY USE

The Library has the responsibility to maintain each of its facilities in a clean, pleasant, and safe manner. Every individual has the right to use the Library undisturbed and every library employee has the right to work without undue interference. To guarantee these rights, rules of conduct have been outlined in Monroe County Code which apply to behavior on the premises of all Library property. These rules will be posted in English and in Spanish in all County Libraries.

This code states:

Each branch of the county public library is designated a limited public forum that must be managed to foster an atmosphere conducive to every library patron's constitutionally protected interest in receiving and reading written communications.

To best protect the constitutional rights of library users, the following rules of conduct for library patrons are adopted for all county public libraries:

(1) Library patrons must be engaged in activities associated with the use of a public library while in the building. Library patrons not engaged in reading, studying, using library materials/equipment, accessing WIFI, or attending scheduled on-site programs, must leave the building.

(2) Library patrons shall not be intoxicated while in the building.

(3) While in the Library, patrons shall not solicit money, panhandle, fundraise or request donations from other persons.

(4) The library restrooms are for the temporary convenience of library patrons. Library patrons shall not use the restrooms for shaving, washing clothes or bathing.

(5) Adults are permitted in children's areas of library branches only when accompanied by a child or when the unaccompanied adult needs to retrieve materials from the youth services area collections, is touring the facility, or is consulting with a youth services staff member. When not accompanied by a child, adults will review youth materials in adult areas of the libraries.

(6) Library patrons must not harass or annoy others through noisy or boisterous activities, by staring at another person with the intent to annoy that person, by following another person about the building with the intent to annoy that person, by playing audio equipment so that others can hear it, by singing or talking to others or talking in monologues, or by behaving in a manner that reasonably can be expected to disturb other library patrons.

(7) Library patrons must not interfere with the use of the library by other patrons or interfere with library staff in the performance of their duties.

(8) Library patrons may not enter the building without a shirt or other covering of their upper bodies or without footwear. Library patrons whose bodily hygiene is offensive to constitute a nuisance to other persons must leave the building.

A library patron who violates the library rules of conduct will be cautioned of the violation and asked to correct their behavior. If the behavior continues, the violator will be asked to leave the building by the library supervisor on duty. A violator who refuses to leave the building after being so requested commits the offense of trespass in a structure (Florida Statutes § 810.08), and the library supervisor will then contact local law enforcement for assistance.

In addition to the rules of conduct listed above, patrons are reminded of the following:

- Smoking, including vapes, is not permitted in the Library. Eating is not permitted, except in designated areas or for Library programs. Drinks must have a lid or cap.
- Alcohol is not permitted on the premises.
- Sleeping and loitering are not permitted on the premises.
- Children under ten and vulnerable adults are not to be left unattended.
- Feet are to be kept off tables and chairs.
- Bed rolls and large parcels exceeding the size of typical airline carry-on luggage are not permitted in the library. Personal belongings may not be left unattended.

UNATTENDED CHILDREN AND VULNERABLE ADULTS

STATEMENT: To maintain normal library operations and ensure safety of children and vulnerable adults, the Monroe County Public Library system has established the following rules.

CHILDREN YOUNGER THAN 10 YEARS: Children younger than ten (10) years shall always be attended and adequately supervised by a responsible caregiver. If a child is left unattended, the staff on duty shall attempt to locate the parent or caregiver.

CHILDREN TEN AND OLDER: Children aged ten (10) and older may use the library unattended provided their behavior meets the Library's rules of conduct and supervision or caregiver support is not needed. If children aged 10 or older fail or refuse to follow these rules, the Library may require a responsible adult accompany and supervise them during future visits.

VULNERABLE ADULTS: Vulnerable adults who require physical or behavioral support or are unable to understand and follow the Library's rules of conduct shall always be attended and adequately supervised by a responsible caregiver.

RESPONSIBILITY: The Monroe County Public Library system assumes no custodial responsibility for children and vulnerable adults left unattended on library premises. Library staff will attempt to contact a parent or caregiver when:

- the health or safety of an unattended child or vulnerable adult is of concern;
- the behavior of an unattended child or vulnerable adult is a disturbance to staff or other Library patrons;
- the Library is closing and the unattended child or vulnerable adult requires assistance with transportation.

If a parent or caregiver cannot be reached, Library staff will contact law enforcement officials to assume control of the situation involving the unattended child or vulnerable adult.

FILMING AND AUDIORECORDING

As a limited public forum, filming, photography, and audio-recording are allowed within the libraries when they do not interfere with our services to the public and adhere to the County Code of Conduct.

Library staff may end a recording session that seems to compromise public safety or security, including hampering ADA access and blocking fire exits with equipment or personnel. Library staff

may film or photograph events for promotional, grant compliance, and financial/auditing purposes and will endeavor to conceal participants' identities or obtain permissions.

Videos and photos recorded by the library's security system are intended to further the physical security of the facility and to mitigate weaknesses. Videos from the security system are exempt from disclosure under Florida Statutes 281.301, allowing release by the County in the following circumstances:
1. By request of the property owner
2. In furtherance of the County's official duties
3. To another local, state or federal agency in furtherance of their official duties
4. Upon a showing of good cause before a court.

We do not provide video requests directly to citizens. All other video requests must be approved by legal counsel.

OBTAINING A LIBRARY CARD

FULL ACCESS CARDS. Library cards are free of charge to residents of the Monroe County and to persons who pay property taxes or license a business in Monroe County but reside elsewhere. Military personnel and family on active duty or retired in Monroe County are also eligible for a free resident card. Full access cards are renewable every 2 years.

To receive a free library card, applicants typically provide a valid Florida Driver's License or Florida ID card displaying their current Monroe County address. If these forms of identification are not available, or if the address is not current or local, an applicant may provide a valid, government-issued photo ID card with one of the following:

- Monroe County Property Tax Receipt or Business License
- Pay stub, IRS return or printed bank checks showing applicant's name and local address
- A current residential lease of at least 6 months
- Monroe County College, School, or Employer ID
- Current Monroe County Utility Bills
- Monroe County Voter's Registration Card
- Current Monroe County Vehicle or Vessel Registration

Library card holders agree to be responsible for materials borrowed and for all fees incurred for lost or damaged materials. Library registration and circulation records identifying individual readers are considered confidential, as described in Florida Statute 257.

CHILDREN'S CARDS: Children who reside in Monroe County may be issued a library card upon request of parent/caregiver. If the child is twelve (12) or under years of age, a library card application form must be signed by a parent/caregiver, who will be held responsible for library materials borrowed, as well as for fees accrued on that card. The adult also accepts all responsibility for the selection of materials made by the child. Unaccompanied juveniles thirteen (13) or older may present a school ID or signed application form for issuance of a library card.

The Monroe County Public Library System does not act *in loco parentis*, i.e., in the place of a parent. Any restrictions placed on a child's use of the Library are the responsibility of the child's parent/caregiver, and the Library is not responsible for enforcing such restrictions. All circulating materials, regardless of format, may be checked out to children upon compliance with required registration procedures.

FULL ACCESS MEMBERSHIP CARD: Individuals who are not Monroe County residents may pay a $30.00 annual non-refundable fee for a library card which entitles them to borrowing privileges equal to a full access card at all Monroe County Library branches.

LIMITED ACCESS CARD: A temporary 90-day limited access Library card is available to Monroe residents and long-term visitors who have picture ID but cannot provide local address verification. Patrons with this type of card may check out physical items to a maximum of three on their account.

LIMITED ACESS DIGITAL CARD: A temporary Library card is available to Monroe residents to begin the resident library card application online. Patrons with this type of card may access online library services for 90 days until a full access card is obtained.

INSTITUTIONAL CARDS: Institutions located in Monroe County which offer services to persons who cannot take advantage of library service through the regular channels are eligible to register as Institutional Patrons. To do so, proof of the legal name and address of the institution is required. The institution will be responsible for all activities associated with card use (damages, losses, etc.)

LOST LIBRARY CARDS: Lost or stolen library cards should be reported immediately. Timely reporting of the loss prevents the library patron from being held responsible for materials checked out on the lost or stolen card. Some proof of identity must be presented when applying for a library card replacement. If there are any charges against the patron's record, they must be cleared before a replacement card can be issued.

LOSS OF PRIVILEGES: All rightful fees must be paid to maintain borrowing privileges. Failure to pay for lost/damaged materials, or a failure to return library materials may result in the loss of the

patron's library borrowing privileges. It is the Library's practice to provide notification and to bill for overdue materials, but failure to receive notification of overdue items or of fees accrued does not negate the patron's obligation to return such materials or to pay such rightful fees.

BORROWING MATERIALS

CARD USAGE: All valid Monroe County Public Library cardholders are eligible to check out circulating items from any Monroe County Library location. If a customer's library card is not readily available, a valid I.D. may be presented for checkout of library materials. Library cards are only transferable when the cardholder has provided permission directly to the library. (Exception: a parent/caregiver who has signed as being responsible for a juvenile's card may use that card for borrowing library materials.) If a cardholder chooses to allow other persons to use their card, the cardholder remains responsible for all items checked out on that card, as well as for any fees or fines that may accrue because of that use.

READERS' RIGHT TO PRIVACY: Florida Statute 257.261 upholds patron registration and their circulation records as confidential and exempt from open records laws. Reaffirming the Library's concern for readers' rights of privacy, the Library will not disclose to anyone the names of or other information regarding readers and will not identify materials called for or examined by them.

RESERVING MATERIALS: If a patron wishes to obtain a book or item(s) not currently on the library's shelves but listed in the library catalog, a reserve request may be placed for the item(s). As the requested material becomes available, the patron will be notified. Materials not picked up by the given date will be made available to the next person on the reserve list or returned to the library shelves. Unless excluded due to susceptibility to damage in transit, all normally circulating materials at all branches are loanable throughout the system, regardless of the length of time the item has been in the lending library's possession. The requesting branch is responsible for determining if demand necessitates purchasing an additional copy of the requested title.

INTERLIBRARY LOANS: Every effort is made, through an interlibrary loan network, to request materials not available in the Monroe County Public Library System. Replacement fees are set by the loaning library and are the responsibility of the reader.

MATERIALS AVAILABLE FOR LOAN: A valid library card entitles the patron to the full range of circulating library materials throughout the system's collection. These include, but are not limited to books, video, and audio materials. Use of available materials within the library building does not require a library card.

BORROWING LIMITS: Generally, there are no limits on the number of library materials checked out at any one time, except for Easy Access cards as defined above. There are, however, some

materials that are limited to use in the library exclusively, such as reference materials. Additional limits may be set by a particular branch depending on availability of materials. Temporary limits may be placed on materials in high demand at a particular time, e.g., holiday materials or materials needed for school reports by several patrons at one time.

STANDARD LOAN PERIOD: The Library reserves the right to manage loan periods to meet urgent demands on the collection. It is the Library's right to recall materials after the first basic loan period. The standard loan periods are as follows:

- BOOKS, MAGAZINES, AUDIO: Two (2) weeks with five renewals if no other patron has requested these materials. A block will be placed on requested materials and their loan period cannot be renewed. Available materials may be renewed by telephone and/or by the on-line public access catalog.
- REFERENCE MATERIALS: In-library use only. Exceptions may be taken under consideration by the Branch Manager, Lead Historian, or designees.

EXTENDED LOAN PERIOD: Patrons may be granted extended loan periods for special needs, or to cover times when they will be out of town. The individual library, at the discretion of the Branch Manager, will determine which books or materials it will lend for extended loans. (For example, books in heavy demand may be excluded.)

AUDIOVISUAL MATERIALS BORROWING POLICY

FREEDOM TO VIEW: The Monroe County Public Library system supports the American Library Association's interpretation of the Bill of Rights, which affirms that librarians have a responsibility to ensure access for all, including children and young people, to audiovisual materials and other nonprint formats, and to all materials and services that reflect diversity sufficient to meet their needs. As with books and other materials, the Library cannot act *in loco parentis*, but does acknowledge, support and encourage the exercise by parents of their responsibility to guide their own children's reading and viewing.

ELIGIBILITY: It is understood that those rules which govern the borrowing of all other library materials, also apply to audiovisual materials.

CIRCULATION OF AUDIOVISUAL MATERIALS: Audiovisual materials shall circulate for one (1) week, with renewals allowed. Renewal may be made by telephone or by the online public access catalog.

AUDIOVISUAL MATERIALS BORROWER RESPONSIBILITY: Borrowers are held responsible for the safe return of video materials and for the cost of repair or replacement, should the materials be lost or damaged.

COPYRIGHT LAW: All audiovisual materials in the library's circulating collection are protected by the copyright laws of the United States, which must be strictly observed. The materials are available for private home use only, unless otherwise indicated.

RETURNING MATERIALS: Regular circulating materials may be returned to any branch in the system. Book drops may be used for book materials, but due to the likelihood of damage to the material, not for any audiovisual items. Such materials must be returned inside the library during the open hours.

AUDIOVISUAL EQUIPMENT: In addition to the materials described above, the Library has procured and installed various audiovisual equipment. These items do not circulate but are available for use within the library for library-sponsored programs or for programs presented by groups who are registered to use the meeting/conference room and have a signed designee to accept responsibility for their use. In-library use of these items is also available to individuals, at the discretion of the Branch Manager.

FINES AND FEES

FINES: Overdue materials are not charged a daily fine. Following a 10-day grace period past due date, the patron's account is blocked from further renewals, checkouts, and access to online resources. After 28 days past the due date, overdue items are considered lost and the patron is billed for replacement value. When overdue items are returned, replaced, or paid, all blocks are resolved and lost item fees removed from the patron's account.

REPLACEMENT FEES: A replacement fee is charged when library materials are lost or damaged to the extent that they can no longer be used. This fee covers the current purchase price of the same or a similar item. Replacement of lost or damaged material is acceptable, at the discretion of the Branch Manager. Replacement cost is to be taken from a current ordering source, catalog, listing, etc. If the material is no longer available for purchase, replacement charges will be based on comparable materials.

SECTION 3 – USE OF LIBRARY FACILITIES

MULTI-PURPOSE ROOMS

WHO MAY USE: Library facilities are open to programs sponsored or co-sponsored by the Library, to federal, state, and Monroe county governmental agencies, and to public meetings held by groups headquartered in Monroe County which are civic, cultural, educational, or charitable in nature. Such use does not imply Library endorsement of the aims, policies, or activities of any group. Application for the use of any meeting room will be made with the respective Branch concerned. However, final authority for use of space will rest with the Director of Libraries.

HOW FACILITIES MAY BE USED: The following regulations apply to all programs scheduled in Library facilities:

- All programs must be free of charge and open to the public as space permits. No collections may be taken or sales made, except as approved by the Director of Libraries. Library facilities shall not be used for personal or private profit, promotion, or advertising.

- Maximum occupancy limits will be monitored and enforced by library staff. Meetings exceeding maximum occupancy must reduce attendees in the room, move to a larger room (if available), or conclude the meeting.

- Press and media notices of the meeting may not include the library's phone number or email address as contact information. These notices may not imply library sponsorship of the meeting.

- Sponsors may be required to execute a "hold-harmless" agreement and/or furnish appropriate insurance naming Monroe County as additional insured for certain types of programs, in compliance with the "Use of County Property" policy and procedures.

- Monroe County government agencies take preference over outside groups when scheduling the use of meeting rooms. Once an outside group has booked the room, however, every effort shall be made to avoid a forced cancellation in favor of the County agency.

- Refreshments may be served only by permission and special arrangement. Smoking and alcoholic beverages are prohibited. Organizations may not store materials or refreshments in the libraries for future meetings or events.

- Meeting and conference rooms are available during the library's scheduled hours of operation and must conclude by closing time. Rare exceptions may be granted by the Director of Libraries or designee.

- The Library reserves the right to cancel or reschedule any program or exhibit when necessary. This may happen due to a weather event, unscheduled maintenance, lack of interest, absence of talent, or power/water failure.

WHAT IS OR NOT PROVIDED: Maintenance and security staff are not available for meetings. Organizations using the meeting room are responsible for arrangement of furniture before their meeting as well as rearranging and cleaning of the meeting room at the conclusion of the meeting. Monroe County governmental agencies are responsible for making their own arrangement with the Public Works Department to restore the meeting room to its original condition within a reasonable amount of time following the meeting. The audiovisual equipment owned by the Monroe County Public Library may be used within the library facilities, with a signed designee of the group to accept responsibility but may not be loaned to leave the facilities.

PROCESS TO RESERVE: Rooms may be booked up to three (3) months in advance, on a first come/first served basis. Phone, visit, or email the Library Branch Manager for availability and reservation form. If available, community and civic organizations may reserve library meeting rooms for a maximum of two successive days.

DISPLAY FACILITIES

STATEMENT: The Monroe County Public Library provides display facilities where available and whenever possible. These facilities may include locked glass display cases, limited bulletin board space, and limited wall space. The Library provides display space as a means of attracting community attention and promoting the Library, its materials, collections, and services. Groups, organizations, assemblies, collectors, specialists, institutions, industries, and individuals may use these facilities for displays of educational, cultural, or recreational interest. However, use of these facilities does not imply library endorsement of the display or of the aims, policies, or activities of the sponsoring agent. All exhibitors must complete an Application for the Use of Library Display Facilities for approval by the Branch Manager.

PRIORITY: Displays sponsored or co-sponsored by the library have first priority for use of display facilities.

POLICY: Before a display is accepted, it must be previewed by the Branch Manager or a designated representative for originality, professional quality (where appropriate), and condition. Items suitable for hanging must be properly outfitted with the necessary hardware. Temporary art displays and/or collections will be subject to the same criteria as permanent collections.

PRICES: No sale prices may be visible on the displayed objects. A list of persons participating in the display, and their local phone numbers, may be made available to inquiring patrons. Prices are not to be quoted verbally, and under no circumstances may staff accept money for the sale of any display item.

INSURANCE: If insurance is desired, it must be obtained by the individual or group responsible for a given display. The Library has no responsibility to provide liability coverage of any kind – including fire, theft, or vandalism. In those rare instances where the Library may itself solicit or sponsor a display, it may also provide insurance, but is not under obligation to do so.

TRANSPORTATION: Individuals or the official representative of the displaying groups are responsible for transporting the display, arranging it, and removing it at the end of its allotted schedule. Individual items within a display may not be withdrawn prior to the conclusion of the display time and removal of the entire display may not be done without permission of the Branch Manager.

RESPONSIBILITY: The Library shall not be held responsible for loss or damage to exhibits, special equipment, or any other materials owned by an individual or group and displayed or used in such a display in the Library.

DISPLAY CASES: The time limits for displaying in display cases are determined by mutual agreement between the Branch Manager and the displaying individual or group. A 30-day time limit is recommended. The glass cases may be reserved: when this is done, the dates agreed on should be adhered to strictly.

AGREEMENT: Individuals or the official representative of the displaying group will sign a statement indicating their understanding of the above and concurrence with it. The Branch Manager will sign the agreement to indicate approval of the display on behalf of the library.

AUTHORITY: The Branch Manager or a designated representative has the authority to accept or reject a display based on the stated policy. Appeals to the decision must be made in writing to the Director of Libraries.

APPLICATION FOR DISPLAY: The Branch Manager or designee provides the Application for the Use of the Display Facilities. Applications should be filled as early in advance of installation as scheduling requires, up to one year in advance. The Branch Manager shall maintain a calendar of these bookings and a two-year file of the applications.

POSTERS AND FLIERS: Libraries having space available are encouraged to have a library bulletin board and a community bulletin board for displaying items of community interest. Where only one bulletin board is feasible, library material will have priority. Commercial advertisements are not accepted for the bulletin boards. The Library does understand for some community activities, such as recreational programs or adult educational programs, a fee is required. The Library will post fliers for such events if they meet the other requirements.

All items for the bulletin board must be approved by the Branch Manager; no formal application is required. Fliers and/or posters from recognized educational facilities will be accepted and displayed as space is available.

Display of fliers or posters for events, other than Library-sponsored ones, on the bulletin board does not imply Library endorsement of the aims, policies, or activities of the event or the sponsoring agent.

SECTION 4 – NETWORK AND COMPUTER EQUIPMENT USE

STATEMENT: To meet the needs of the residents of Monroe County and in response to advances in communications technology, the Monroe County Public Library endeavors to develop collections, resources, and services that meet the cultural, informational, lifestyle, and educational needs of Monroe County's diverse, multicultural community.

The Monroe County Public Library does not monitor and has no control over the information infrastructure accessed through the internet and cannot be held responsible for its content. As with other library materials, restriction of a child's access to the internet is the responsibility of the parent or caregiver. All users of the internet, as well as other library resources, should use judgment in evaluating the value and accuracy of information found.

SECTION 5 – LIBRARY MATERIALS

MATERIALS SELECTION

STATEMENT: This policy for the selection of books and all other library materials (including internet access and other electronic media) for the use of the public has been developed as a flexible guide for all those concerned with the selection process for the Monroe County Library System. It is intended as a broad guide and not as a procedure manual.

POLICY ON LIBRARY MATERIALS SELECTION: The Monroe County Public Library system honors our citizens with widely diverse interests, backgrounds, and needs. They further recognize the library was created to serve all the people within the Monroe County Library's service area, regardless of race, age, lifestyle, creed, or political persuasion, and therefore declare as a matter of library materials selection policy that:

- Library material selection is and shall be vested in the Director of Libraries of the Monroe County Public Library, and, under the Director of Libraries' direction, qualified members of the professional staff. Any such material or internet access selection shall be held to be selected by the Library.

- Selection of library material is based on its value to members of the community. No library material access shall be excluded because of race, nationality, or the political or social views of the author or others contributing to their creation. The Library must be responsible to public suggestion of items and subjects to be included in the library collection.

- The Monroe County Public Library believes that censorship is a purely individual matter and declares that while an individual is free to reject books and other information sources of which he or she does not approve, the individual cannot exercise this right of censorship to restrict the freedom of others to read, view, or hear. Parents have the responsibility to guide and direct the reading, viewing, and listening of their own minor children. The Library does not stand *in loco parentis*.

- Library staff defends the principles of the freedom to read, view, or hear and declares all materials selected under this policy are considered constitutionally protected until they are determined unprotected by jurisdictional action.

SELECTION STANDARDS: While all staff members, as well as the general public, may recommend materials to be considered for purchase, all recommendations are channeled through regular processes and considered in the light of regular selection standards. To build collections of merit

and significance, materials will be considered according to objective guidelines. All acquisitions, whether purchased or donated, are considered in terms of the following standards:

- Suitability of physical form for library use.
- Suitability of subject and style for intended audience.
- Present and potential relevance to community needs.
- Appropriateness and effectiveness of medium to content.
- Insight into human and social conditions.
- Importance as a document of the times.
- Relation to existing collection and other material on subject.
- Reputation to existing collection and other material on subject.
- Skill, competence, and purpose of the author.
- Attention of critics, reviewers, and public.

Library materials will not be marked or identified to show approval or disapproval of the contents, and no material will be sequestered except for the purpose of protecting it from injury or theft.

LIMITATION IN SELECTION: As the Library is limited in its selection of materials by its financial resources and available space, certain limitations are necessary; e.g., in the fields of law and medicine, only the more general works of community interest and use are selected; in the field of religion, a representative collection of beliefs and practices of the world's principal faiths and religions is maintained—purely devotional materials are not generally selected for inclusion. In all areas, selection is based on the merits of the work as well as serving the needs and interests of the community.

The Library acknowledges a particular interest in local and state history. It therefore takes a broad view of works by and about Florida and Florida Keys authors, as well as general works related to the State of Florida and the Florida Keys but is not obligated to add these materials to the collection.

CHILDREN'S MATERIALS: The Library is deeply committed to the conviction that a public library should provide all children with the freedom to select books and materials without being limited to an artificial grouping by age or grade level. The Library will not restrict children's access to available materials, and bears no responsibility for a child's selection of such. Supervision of children's selection and use of materials rests with their parents or caregivers. Library selection of adult materials for its collection will not be inhibited by the possibility that such materials may come into the possession of children.

GIFT MATERIALS

The library system welcomes the donation of books and other library materials from individuals, corporations, and other sources. Such gifts are accepted only with the understanding that they may be retained, relocated, or discarded at the discretion of the library staff. Such gifts as are retained cannot normally be given special housing but will be integrated into the general library collection. If the donor insists that it be retained in a special outlet or that its use be restricted in any way, these materials may not be accepted until clearance is received from the Director of Libraries.

The same standards of selection are applied to gift materials as to materials purchased from library funds. Replacement and duplicate copies are added to the collection if needed. The costs of processing and the availability of shelving space are also factors in determining the acceptance of gifts. Gifts which do not meet the Library's standards for the collection may be placed in the Friends of the Library book sale.

Unneeded duplicate copies may be placed in the book sale or given to another branch where they are not yet in the collection. The Library does not provide valuations of gifts for tax deductions or other purposes.

Choice of memorial books or other materials may be left to the library staff, or the donor may indicate a particular book or subject desired. Often the library selection will reflect the special interests of the person being commemorated.

Memorial materials are shelved with the regular collection, according to subject classification, so that they will be available and useful to persons seeking materials on a particular subject. Book plates will be placed in each item if requested by the donor.

WITHDRAWN MATERIALS

Outdated, seldom used, or shabby items can weaken a collection as surely as insufficient acquisitions. Weeding the collection and selection of items for discard are the ultimate responsibilities of the Director of Libraries or designee, but each manager is regularly responsible for the upkeep of his/her branch collection. Continuous appraisal of the collection is as essential as their initial selection for the library. In general, the same criteria apply to weeding as are used in the selection of new materials and are largely based on the following consideration:

- Materials which contain outdated or inaccurate information
- Superseded editions
- Worn or damaged items

- Seldom used titles
- Availability of the material elsewhere in the system collection and/or convenient access to the material through the interlibrary loan system.

REPLACEMENT OF MATERIALS: The Library will not automatically replace materials withdrawn because of loss, damage, or wear. The same criteria that apply in original selection will apply to replacement with particular attention given to the following:

- Continued value of the title
- Demand for the title
- Extent of adequate coverage of the field in the existing collection
- Availability of newer or better material in the field
- Number of copies in the unit and/or system
- Availability of the item in another format and/or through the interlibrary loan system

DEACCESSIONING MATERIALS: Materials which are replaced, outdated, obsolete, beyond their useful service life or which are no longer needed as determined by library professionals may be offered for sale or donation to other governmental units or, if no other governmental unit desires the materials, to a non-profit agency as defined in Florida Statute 273.01(3). The cost of transferring the property shall be paid by the governmental unit or the private nonprofit agency purchasing or receiving the donation of surplus property. If the materials are offered for sale or donation and no other governmental unit or non-profit agency expresses an interest in the materials, the value of which the Director of Libraries determines to be $5,001 or higher, shall be sold by public auction to the highest responsible bidder, after publication of notice not less than 1 week nor more than 2 weeks prior to sale in a newspaper having general circulation in Monroe County. Materials, the value of which is known to be or the director determines to be under $5,000, or materials which have been offered for sale at public auction and which have received no bids may be disposed of in the most efficient and cost effective means available.

FREE PUBLICATIONS

Materials produced by the Library or other local, state, or federal governmental agencies will be distributed in the library as space allows. The Library will make every effort to make available current County-generated publications but it cannot be considered a depository for such materials. Materials promoting general awareness of local non-profit organizations, educational institutions, and recognized community groups will be displayed as space allows, with the approval of the Branch Manager or designee.

SECTION 6—FLORIDA KEYS HISTORY CENTER ARCHIVES

Monroe County Public Library provides its customers with access to most of the original items in its Florida History archival collections. Library staff, however, reserves the right to restrict handling or copying of materials which may jeopardize the records' continued preservation.

Customers may duplicate archival materials using their own digital capture or photographic equipment onsite, subject to handling restrictions above. Some archival material may also be available in digital format. Downloads of low-resolution, archival images, or audio files from the library's websites are available free of charge.

Monroe County does not hold copyright over the original images in the archival collections. Responsibility for identifying and satisfying any copyright claims to the original images must be assumed by those wishing to reproduce the images.

For researchers unable to visit the archives, basic look-up and copying services (such as obituaries and city directory listings) are provided when time and resources permit. Shipping costs are the responsibility of the customer. Materials from the Library archives will not be loaned to customers for the purpose of outside copying.

SECTION 7 – PROGRAMMING

Programs at the Monroe County Library support our strategic plan, bolster our collection of materials, and provide access to public services, resources, and facilities, while supporting eligibility for state and federal funding, and expanding the community visibility of the library system. A wide-ranging offering of programs for all demographics fosters the Library System's presence as a cultural and educational center and provides a "third space" for the Florida Keys community. Programs may serve the educational, informational, recreational, and social needs of citizens while reflecting engagement with a diverse population and promoting both a sense of community and usage of the Library.

Final authority for programming at all library branches rests with the Director of Libraries or designated staff. The Library's professional and paraprofessional staff use the following criteria in making decisions about program topics, speakers, and accompanying resources:

- Availability of space
- Budgetary concerns
- Relevance to community needs and interests, including historical or educational significance
- Presenter's background and expertise in a content area and the treatment of content for intended audience
- Presentation quality
- Performers for children and teens must have previous experience performing for young audiences, be age appropriate, and register as a vendor with the County of Monroe.

In addition, the Library draws upon other community resources in developing programs and actively partners with non-profit organizations, government agencies and other educational and cultural institutions to develop and present co-sponsored public programs. Professional performers and presenters that reflect specialized or unique expertise may be hired for Library programs as a vendor with the County of Monroe or through agreement with a library branch's individual Friends of the Library organization.

Library sponsorship of a program does not constitute an endorsement of the content or views expressed by presenters or participants in the audience. Library programs are free and open to the public. The library reserves the right to cancel a scheduled program or to not schedule a program. Programs may be cancelled for a variety of reasons including a weather event, unscheduled maintenance, lack of interest, absence of talent, or power/water failure. Cancelled programs are not necessarily rescheduled. The library does not offer programs that are purely commercial or self-promotional.

SECTION 8 – GIFTS AND DONATIONS POLICY

POLICY: Donations to the Monroe County Public Library System will generally be accepted only when there are no conditions imposed by the donor with regards to use, location, rebinding, or disposal.

RESTRICTIONS: Should a donor wish to place restrictions on a gift, all details about that specific gift and the restrictions shall be referred to the Director of Libraries for a determination as to its acceptability.

PLAQUES: In accordance with the Board of County Commissioners' direction on 22 April 1992, permitting the presentation of plaques, the Library has limited the size of interior plaques in the Monroe County Public Library facilities to 8 ½" x 18". All such presentations must be referred to the Director of Libraries for written approval prior to formal acceptance by the Library.

GIFTS AND CASH DONATIONS: Any donated gifts purchased for the Monroe County Public Library System, or cash donations given to the library for any purpose other than the purchase of library materials, with a value equal to, or more than $500.00, must be presented to and approved by the Director of Libraries prior to formal acceptance of the specified purchased gift or cash donation by the Monroe County Public Library System. The donor should first approach the Manager of the Library concerned, who will discuss the offer with the Director of Libraries to determine need and feasibility, as well as any maintenance or other possible long-term obligations that may be incurred by acceptance of the offer. The Director then approaches the County Administrator for approval and reports back to the Manager and the gift giver for implementation. Such approval is also required for any gift project affecting the library structure or grounds. Cash donations of this nature, that have no undue restrictions placed on them, may be accepted conditionally prior to this formal acceptance procedure.

This procedure is in keeping with the Monroe County protocol for handling unanticipated funds, including grant moneys, which can be formally accepted only upon approval by the County Attorney and the Board of County Commissioners.

ARTWORK: Any offering to the library of non-library material, such as framed art, sculpture, etc., for permanent display as library property, will be approved by the Director of Libraries prior to its acceptance. Both original works of art and reproductions may be chosen. Care will be used to select items of special interest to the community. The following general criteria will be considered in the selection of all items of this type:

- Artistic merit of the original work of art.
- Artistic reputation of the artist.
- Importance of the artist historically, or in the contemporary or local scene.
- The contribution the item will make to the institution.
- The suitability of the item for general viewing.

SECTION 9 – VOLUNTEERS AND FRIENDS GROUPS

FRIENDS ORGANIZATIONS AND ACTIVITIES

Members of the Friends of the Library provide invaluable assistance with fundraising and advocacy. Their interest, volunteer time, and support contribute significantly to responsive public service and library development for the people of Monroe County.

Friends of the Library are non-profit groups organized on the local level and governed according to specific organizational by-laws. Local Friends groups represent their communities and the entire Monroe County Library system by serving as support groups to the Library branches, Director of Libraries, and Library Managers.

As representatives of the Monroe County System, all Friends activities should be in accordance with the policies and procedures of the library system, follow the terms of their MOU with the BOCC, and follow local, state, and national public library laws. Activities should also conform to any state regulations administered through the Division of Library and Information Services, Florida Department of State.

LIBRARY VOLUNTEERS AND ACTIVITIES

Library volunteers generously contribute to our vitality while fostering investment in our communities. To uphold accountability and public safety, library volunteers are required to satisfy conditions of Monroe County Administrative Instruction no. 4715.4 and its revisions.

Exemptions to the Administrative Instruction include, but are not limited to:

- Back-office duties, such as book-mending, document scanning, and furniture refinishing.
- Grounds-keeping, such as watering, raking, graffiti removal, and litter collection.
- Middle School and High School students fulfilling class/school community involvement requirements may volunteer by approval of the Assistant Director— Public Services.
- Friends of the Library volunteers participating in Friends events, such as author lectures, book sales, and book donation sorting.

Under no conditions are volunteers allowed to access federally protected patron information, act in the capacity of a librarian, nor be within a library public area without a badge identifying them as a volunteer.

Monroe County Public Library Policy Revision Report

This report details significant changes in the proposed Library Policy. While the red-lined comparison document specifies all changes (such as formatting, placement, updated terminology) this report details the key revisions for the convenience of reviewers.

1. Removal of Advisory Board:

- **Previous Version:** Included Section 1 explicitly detailing the existence and responsibilities of the Monroe County Public Library Advisory Board.
- **Revised Version:** Removes section and subsequent references to the Advisory Board, reflecting dissolution as per revised county ordinance.

2. Changes to Age Guidelines for Unattended Children:

- **Previous Version:** Required supervision for children aged 7 and younger.
- **Revised Version:** Increased supervision requirement to children younger than 10 years.

3. Removal of Reconsideration of Library Materials Section:

- **Previous Version:** Included a process for patrons to request reconsideration of library materials culminating with (now dissolved) Advisory Board review.
- **Revised Version:** Removes this reconsideration section. Patron concerns about materials selection are now via a Patron Feedback form referenced in revised Customer Service Policy.

4. Introduction of New Programming Section:

- **Previous Version:** Did not have a standalone programming policy.
- **Revised Version:** Adds detailed Section 7 outlining criteria for developing, scheduling, and managing library programming, clearly specifying the authority of the Director of Libraries or designated staff.

Additional Content Changes:

- **Addition of Vulnerable Adults:** Explicitly includes guidelines and responsibilities related to unattended vulnerable adults.
- **Test Proctoring and Notary Services:** Clearly specifies the library does not provide these services.
- **Filming and Audiorecording Policy:** New detailed guidelines emphasizing compliance with safety and privacy regulations.
- **Library Cards and Borrowing:** Clarifies types of library cards (Full Access, Limited Access, and Digital Cards), along with associated eligibility and privileges.
- **Fines and Fees:** Simplifies the description of overdue and replacement fees.
- **Appendices removed:** Appendices are removed due to their frequent updates and revisions. Current forms will be available online and at all Library service desks.

SECTION 1--MONROE COUNTY LIBRARY SERVICE POLICY

The Monroe County Public Library system strives to offer excellent library service to all. While quality of library collections and facilities is important, a consistently high degree of service to the public is the core of the Library's mission.

Library users are entitled to courteous, knowledgeable, and helpful service from well-trained staff. This Public Library Service Policy affirms our guarantee to library users. All other library policies should be interpreted ~~in light of~~considering the following principles.

1. Library users are provided the same quality of service without discrimination, regardless of any criteria. Users' needs and requests are considered with equal importance and respect.
2. Library users are the most important aspect of our work. This means serving a library user takes precedence over any managerial or clerical function.
3. Judgment calls are always made in the library user's favor. Library staff will never be disciplined for errors made in good faith pursuant to this policy.
4. Library users requesting assistance via telephone, ~~fax~~email, and ~~internet~~chat receive the same level of service as walk-in users.
5. When a staff member is unable to ~~comply with~~fulfill a library user's request, every attempt is made to offer an alternative.
6. Library policies exist to ensure equitable service and access to library resources. Therefore, all staff members are familiar with library policies and ~~are able to~~can articulate the rationale behind them.

~~(09/20/2000)~~

7. Library branches offer feedback forms at every service desk to address user concerns. Whether a facilities issue (e.g., parking, temperature) or of an operational nature, such as programs, hours open, or materials selection, library staff will respond in a respectful and prompt manner.
8. Library staff adhere to the strong ethical standards of the profession. These standards include patron confidentiality, the freedom to read, and intellectual property rights.

PUBLIC ACCESS TO POLICY ~~MATERIALS~~

A complete and up-to-date copy of these policies, along with the Monroe County Personnel Policies and Procedures Manual and the Monroe County Safety Policies and Procedures Manual, will be kept available for convenient public access at each branch of the Monroe County Public Library~~.~~ and via the library website. The Monroe County Public Library System is a Department of the Monroe County

Government, under the jurisdiction of the Board of County Commissioners and the County Administrator.

~~PREAMBLE~~

~~CODE OF ETHICS; the Library provides the highest level of service through appropriate and usefully organized resources; equitable service policies; equitable access; and accurate, unbiased, and courteous responses to all requests.~~

~~We uphold the principles of intellectual freedom and resist all efforts to censor library resources.~~

~~We protect each library user's right to privacy and confidentiality with respect to information sought or received and resources consulted, borrowed, acquired or transmitted.~~

~~We recognize and respect intellectual property rights.~~

~~We treat co-workers and other colleagues with respect, fairness and good faith, and advocate conditions of employment that safeguard the rights and welfare of all employees of our institutions.~~

~~We do not advance private interests at the expense of library users, colleagues, or our employing institutions.~~

~~We distinguish between our personal convictions and professional duties and do not allow our personal beliefs to interfere with fair representation of the aims of our institutions or the provision of access to their information resources.~~

~~We strive for excellence in the profession by maintaining and enhancing our own knowledge and skills, by encouraging the professional of co-workers, and by fostering the aspirations of potential members of the profession.~~

~~*From the American Library Association Code of Ethics, Adopted by the ALA Council June 28, 1995.*~~

~~SECTION 1 – LIBRARY BOARD~~

~~1.01 LEGAL ESTABLISHMENT OF LIBRARY BOARD~~

~~The Monroe County Public Library Advisory Board is established, governed, and maintained in accordance with Monroe County Ordinance 6-1981 and its revisions.~~

SECTION 2 – GUIDELINES FOR PATRONS

LIBRARY HOURS OF OPERATION

The Monroe County Public Library maintains regular hours of operation as posted on the library website and physical doors. In accordance with national and state requirements, the libraries are open a minimum of 40 hours per week. Operating hours may change in response to customer needs, emergency actions, and other extenuating circumstances.

Libraries are closed on Sundays and ~~on the~~ BOCC approved holidays in accordance with Monroe County Personnel Policy. In addition to ~~the above~~ designated holidays the ~~board of commissioners, in its sole discretion,~~ BOCC may grant other special holidays during the ~~course of a~~ year to ~~some, or all,~~ County employees.

POWER FAILURES AND WATER DISRUPTIONS

All library occupants, except for staff, will vacate library premises in the event of a power failure or water disruption. Users may return when utilities are restored.

TEST PROCTORING & NOTARY SERVICES

Test proctoring and notary services are not provided by library staff while on duty.

RULES GOVERNING ~~THE USE OF THE~~ LIBRARY USE

The Library has the responsibility to maintain each of its facilities in a clean, pleasant, and safe manner. Every individual has the right to use the Library undisturbed and every library employee has the right to work without undue interference. To guarantee these rights, rules of conduct have been outlined in Monroe County Code~~, Article IV, Sec. 10-51 and 10-52 (See **APPENDIX H** and **APPENDIX I**),~~ which apply to behavior on the premises of all Library property. These rules will be posted in English and in Spanish~~,~~ in all County Libraries. ~~In addition to the rules of conduct listed therein, patrons are to be reminded of the following:~~

~~Smoking, eating,~~This code states:

Each branch of the county public library is designated a limited public forum that must be managed to foster an atmosphere conducive to every library patron's constitutionally protected interest in receiving and ~~drinking~~reading written communications.

To best protect the constitutional rights of library users, the following rules of conduct for library patrons are adopted for all county public libraries:

(1) Library patrons must be engaged in activities associated with the use of a public library while in the building. Library patrons not engaged in reading, studying, using library materials/equipment, accessing WIFI, or attending scheduled on-site programs, must leave the building.

(2) Library patrons shall not be intoxicated while in the building.

(3) While in the Library, patrons shall not solicit money, panhandle, fundraise or request donations from other persons.

(4) The library restrooms are for the temporary convenience of library patrons. Library patrons shall not use the restrooms for shaving, washing clothes or bathing.

(5) Adults are permitted in ~~the Library.~~ children's areas of library branches only when accompanied by a child or when the unaccompanied adult needs to retrieve materials from the youth services area collections, is touring the facility, or is consulting with a youth services staff member. When not accompanied by a child, adults will review youth materials in adult areas of the libraries.

(6) Library patrons must not harass or annoy others through noisy or boisterous activities, by staring at another person with the intent to annoy that person, by following another person about the building with the intent to annoy that person, by playing audio equipment so that others can hear it, by singing or talking to others or talking in monologues, or by behaving in a manner that reasonably can be expected to disturb other library patrons.

(7) Library patrons must not interfere with the use of the library by other patrons or interfere with library staff in the performance of their duties.

(8) Library patrons may not enter the building without a shirt or other covering of their upper bodies or without footwear. Library patrons whose bodily hygiene is offensive to constitute a nuisance to other persons must leave the building.

A library patron who violates the library rules of conduct will be cautioned of the violation and asked to correct their behavior. If the behavior continues, the violator will be asked to leave the building by the library supervisor on duty. A violator who refuses to leave the building after being so requested commits the offense of trespass in a structure (Florida Statutes § 810.08), and the library supervisor will then contact local law enforcement for assistance.

In addition to the rules of conduct listed above, patrons are reminded of the following:

- Smoking, including vapes, is not permitted in the Library. Eating is not permitted, except in designated areas or for Library programs. Drinks must have a lid or cap.
- Alcohol is not permitted on the premises.

- Sleeping and~~/or~~ loitering are not permitted on the premises. ~~Pre-school aged children~~
- Children under ten and vulnerable adults are not to be left unattended.
- Feet are to be kept off tables and chairs.

Bed rolls~~, back packs,~~ and large parcels exceeding the size of typical airline carry-on luggage are not permitted in the ~~materials collection areas.~~

~~2.01 OBTAINING A LIBRARY CARD AND BORROWING MATERIALS~~

~~A. LIBRARY CARDS.~~

- ~~Library cards~~library. Personal belongings may not be ~~used at all County libraries and are available at no cost to residents of Monroe County~~left unattended.

UNATTENDED CHILDREN AND VULNERABLE ADULTS

STATEMENT: To maintain normal library operations and ensure safety of children and vulnerable adults, the Monroe County Public Library system has established the following rules.

CHILDREN YOUNGER THAN 10 YEARS: Children younger than ten (10) years shall always be attended and adequately supervised by a responsible caregiver. If a child is left unattended, the staff on duty shall attempt to locate the parent or caregiver.

CHILDREN

~~ADULT~~TEN AND OLDER: Children aged ten (10) and older may use the library unattended provided their behavior meets the Library's rules of conduct and supervision or caregiver support is not needed. If children aged 10 or older fail or refuse to follow these rules, the Library may require a responsible adult accompany and supervise them during future visits.

VULNERABLE ADULTS: Vulnerable adults who require physical or behavioral support or are unable to understand and follow the Library's rules of conduct shall always be attended and adequately supervised by a responsible caregiver.

RESPONSIBILITY: The Monroe County Public Library system assumes no custodial responsibility for children and vulnerable adults left unattended on library premises. Library staff will attempt to contact a parent or caregiver when:

- the health or safety of an unattended child or vulnerable adult is of concern;
- the behavior of an unattended child or vulnerable adult is a disturbance to staff or other Library patrons;
- the Library is closing and the unattended child or vulnerable adult requires assistance with transportation.

If a parent or caregiver cannot be reached, Library staff will contact law enforcement officials to assume control of the situation involving the unattended child or vulnerable adult.

FILMING AND AUDIORECORDING

As a limited public forum, filming, photography, and audio-recording are allowed within the libraries when they do not interfere with our services to the public and adhere to the County Code of Conduct.

Library staff may end a recording session that seems to compromise public safety or security, including hampering ADA access and blocking fire exits with equipment or personnel. Library staff may film or photograph events for promotional, grant compliance, and financial/auditing purposes and will endeavor to conceal participants' identities or obtain permissions.

Videos and photos recorded by the library's security system are intended to further the physical security of the facility and to mitigate weaknesses. Videos from the security system are exempt from disclosure under Florida Statutes 281.301, allowing release by the County in the following circumstances:

1. By request of the property owner
2. In furtherance of the County's official duties
3. To another local, state or federal agency in furtherance of their official duties
4. Upon a showing of good cause before a court.

We do not provide video requests directly to citizens. All other video requests must be approved by legal counsel.

OBTAINING A LIBRARY CARD

FULL ACCESS CARDS. Library cards are free of charge to residents of the Monroe County and to persons who pay property taxes or license a business in Monroe County but reside elsewhere. Military personnel and family on active duty or retired in Monroe County are also eligible for a free resident card. Full access cards are renewable every 2 years.

To receive a free library card, applicants typically provide a valid Florida Driver's License or Florida ID card displaying their current Monroe County address. If these forms of identification are not available, or if the address is not current or local, an applicant may provide a valid, government-issued photo ID card with one of the following:

- Monroe County Property Tax Receipt or Business License
- Pay stub, IRS return or printed bank checks showing applicant's name and local address
- A current residential lease of at least 6 months
- Monroe County College, School, or Employer ID
- Current Monroe County Utility Bills
- Monroe County Voter's Registration Card
- Current Monroe County Vehicle or Vessel Registration

Library card holders agree to be responsible for materials borrowed and for all fees incurred for lost or damaged materials. Library registration and circulation records identifying individual readers are considered confidential, as described in Florida Statute 257.~~261 (See Statement of Confidentiality, Appendix F.)~~

~~1. RECIPROCITY AGREEMENT: The Monroe County Public Library System has an agreement with the Southeast Florida Library Information Network for reciprocal use of library cards and the ensuing borrowing privileges.~~

CHILDREN'S CARDS: Children who reside in Monroe County may be issued a library card upon request of parent/caregiver. If the child is twelve (12) or under years of age, a library card application form must be signed by a parent/caregiver, who will be held responsible for library materials borrowed, as well as for fees accrued on that card. The adult also accepts all responsibility for the selection of materials made by the child. Unaccompanied juveniles thirteen (13) or older may present a school ID or signed application form for issuance of a library card.

The Monroe County Public Library System does not act *in loco parentis*, i.e., in the place of a parent. Any restrictions placed on a child's use of the Library are the responsibility of the child's

parent/caregiver, and the Library is not responsible for enforcing such restrictions. All circulating materials, regardless of format, may be checked out to children upon compliance with required registration procedures.

~~EASY~~FULL ACCESS MEMBERSHIP CARD: ~~An Easy~~Individuals who are not Monroe County residents may pay a $30.00 annual non-refundable fee for a library card which entitles them to borrowing privileges equal to a full access card at all Monroe County Library branches.

LIMITED ACCESS CARD: A temporary 90-day limited access Library card is available to Monroe residents and long-term visitors who have picture ID but cannot provide local address verification. Patrons with this type of card may ~~use library Internet computers and have full access to all online databases and services. Easy Access cards also allow for the checkout of up to three~~ check out physical items~~. Up~~ to ~~three holds may be placed with Easy Access cards. Easy Access cards may be renewed in accordance with~~a maximum of three on their account.

LIMITED ACESS DIGITAL CARD: A temporary Library card is available to Monroe residents to begin the resident library ~~circulation procedures~~card application online. Patrons with this type of card may access online library services for 90 days until a full access card is obtained.

INSTITUTIONAL CARDS: Institutions located in Monroe County which offer services to persons who cannot take advantage of library service through the regular channels are eligible to register as Institutional Patrons. To do so, proof of the legal name and address of the institution is required. ~~Such proof consists of a letter placed on file with the Branch Manager, on the institution's letterhead, signed by the director or other authorized person, requesting institutional patron status, and stating that~~ The institution will be responsible for all activities associated with card use (damages, losses~~, penalties, fines~~, etc.)

~~2. NON-RESIDENTS: Individuals who are not Monroe County residents may pay a $30.00 annual non-refundable fee for a library card which entitles them to borrowing privileges at all Monroe County Library branches.~~

~~3. EXPIRATION OF LIBRARY CARDS: All library cards must be renewed every two years, including Institutional Patron cards, which require a new letter of request to be placed on file. There is no charge for card renewal upon its expiration.~~

LOST LIBRARY CARDS: Lost or stolen library cards should be reported immediately. Timely reporting of the loss prevents the library patron from being held responsible for materials checked out on ~~his/her~~the lost or stolen card. Some proof of identity must be presented when applying for a library card replacement. If there are any charges against the patron's record, they must be cleared before a replacement card can be issued.

LOSS OF PRIVILEGES: All rightful fees must be paid to maintain borrowing privileges. Failure to pay for lost/damaged materials, or a failure to return library materials may result in the loss of the patron's library borrowing privileges. It is the ~~Library's~~Library's practice to provide notification ~~of~~ and to bill for overdue materials, but failure to receive notification of overdue items or of fees accrued does not ~~abrogate~~negate the ~~patron's~~patron's obligation to return such materials or to pay such rightful fees.

BORROWING ~~LIBRARY~~ MATERIALS

CARD USAGE: All valid Monroe County Public Library cardholders are eligible to check ~~our~~out circulating items from any Monroe County Library location. If a customer's library card is not readily available, a valid I.D. may be presented for checkout of library materials. Library cards are only transferable when the cardholder has provided permission directly to the library. (Exception: a parent/caregiver who has signed as being responsible for a juvenile's card may use that card for borrowing library materials.) If a cardholder chooses to allow other persons to use their card, the cardholder remains responsible for all items checked out on that card, as well as for any fees or fines that may accrue ~~as a result~~because of that use.

READERS' RIGHT TO PRIVACY: Florida Statute 257.261 upholds patron registration and their circulation records as confidential and exempt from open records laws. Reaffirming the Library's concern for readers' rights of privacy, the Library will not disclose to anyone the names of~~,~~ or other information regarding~~,~~ readers and will not identify materials called for or examined by them. ~~(See **APPENDIX F: STATEMENT OF CONFIDENTIALITY.**)~~

RESERVING MATERIALS: If a patron wishes to obtain a book or item(s) not currently on the library's shelves but listed in the library catalog, a reserve request may be placed for the item(s). As the requested material becomes available, the patron will be notified. Materials not picked up by the given date will be made available to the next person on the reserve list~~,~~ or returned to the library shelves. Unless excluded due to susceptibility to damage in transit ~~susceptibility~~, all normally circulating materials at all branches are loanable throughout the system, regardless of the length of time the item has been in the lending library's possession. The requesting ~~agency~~branch is responsible for determining if demand necessitates purchasing an additional copy of the requested title.

~~INTER-LIBRARY~~INTERLIBRARY LOANS: Every effort is made, through an ~~inter-library~~ interlibrary loan network, to ~~obtain~~request materials ~~which are needed, but~~ not available in the Monroe County Public Library System. Replacement fees are set by the loaning library and are the responsibility of the reader.

MATERIALS AVAILABLE FOR LOAN: A valid library card entitles the patron to the full range of circulating library materials throughout the system's collection. These include, but are not limited to~~:~~

books, ~~periodicals,~~ video, and audio materials. Use of ~~any~~ available materials within the library building does not require a library card.

BORROWING LIMITS: Generally, there are no limits on the number of library materials checked out at any one time, except for Easy Access cards as defined above. There are, however, some materials that are limited to use in the library exclusively, such as reference materials. Additional limits may be set by a particular branch depending on availability of materials. Temporary limits may be placed on materials in high demand at a particular time, e.g., holiday materials or materials needed for school reports by ~~a number of~~several patrons at one time.

STANDARD LOAN PERIOD: The Library reserves the right to manage loan periods to meet urgent demands on the collection. It is the Library's right to recall materials after the first basic loan period. The standard loan periods are as follows:

- BOOKS, MAGAZINES, AUDIO: Two (2) weeks with five renewals if no other patron has requested these materials. A block will be placed on requested materials and their loan period cannot be renewed. Available materials may be renewed by telephone and/or by the on-line public access catalog.
- REFERENCE MATERIALS: In-library use only. Exceptions may be taken under consideration by the ~~Reference Librarian or the~~ Branch Manager, Lead Historian, or designees.

EXTENDED LOAN PERIOD: Patrons may be granted extended loan periods for special ~~need~~needs, or to cover times when they will be out of town. The individual library, at the discretion of the Branch Manager, will determine which books or materials it will lend for extended loans. (For example, books in heavy demand may be excluded.)

~~VIDEO~~AUDIOVISUAL MATERIALS BORROWING POLICY~~:~~

FREEDOM TO VIEW: The Monroe County Public Library system supports the American Library ~~Association~~Association's interpretation of the Bill of Rights, which affirms that librarians have a responsibility to ensure access for all, including children and young people, to ~~videotapes~~audiovisual materials and other nonprint formats, and to all materials and services that reflect diversity sufficient to meet their needs. As with books and other materials, the Library cannot act *in loco parentis*, but does acknowledge, support and encourage the exercise by parents of their responsibility to guide their own children's reading and viewing. ~~(See **APPENDIX C: FREE ACCESS TO LIBRAIES FOR MINOR,** and **APPENDIX D; ACCESS FOR CHILDREN AND YOUNG PEOPLE TO VIDEOTAPES AND OTHER NONPRINT FORMATS.**)~~

ELIGIBILITY: It is understood that those rules which govern the borrowing of all other library materials, also apply to ~~video~~audiovisual materials.

CIRCULATION OF ~~VIDEO~~AUDIOVISUAL MATERIALS: ~~Video~~Audiovisual materials shall circulate for one (1) week, with renewals allowed. Renewal may be made by telephone ~~and/~~or by the online public access catalog. ~~(See Sec. 2.03.B.3).~~

~~a. RETURNING VIDEO MATERIALS: Video materials may be returned to the library via the video return drop box. At locations where a Media Box is used, borrowers are encouraged to return their video items directly to the Box. The borrower is responsible for damages incurred as a~~

~~result of using the book drop for video return. In addition, a patron who uses the book drop for video return may forfeit video material borrowing privileges.~~

~~b. VIDEO~~AUDIOVISUAL MATERIALS BORROWER RESPONSIBILITY:

~~DAMAGES:~~ Borrowers are held responsible for the safe return of video materials and for the cost of repair or replacement, should the materials be lost or damaged. ~~Evidence of tampering with video material will result in the forfeiture of video borrowing privileges.~~

COPYRIGHT LAW: All ~~of the video~~audiovisual materials in the library's circulating collection are protected by the copyright laws of the United States, which must be strictly observed. The materials are available for private home use only, unless otherwise indicated.

~~I. RESTRICTIONS ON VIDEO USAGE: Admission fees are not permitted at any film, filmstrip, video, or DVD showing, nor may these materials be used for fundraising purposes.~~

RETURNING MATERIALS: Regular circulating materials may be returned to any branch in the system. Book drops may be used for book materials, but due to the likelihood of damage to the material, not for any ~~audio-visual items, including, but not limited to, audio cassettes, video materials, and CD's.~~audiovisual items. Such materials must be returned inside the library during the open hours.

~~AUDIOVISUAL~~AUDIOVISUAL EQUIPMENT: In addition to the materials described above, the Library has procured and installed various audiovisual equipment~~, such as film projectors, VCR's, TV's, overhead projectors and other types of equipment.~~. These items do not circulate~~,~~ but are available for use within the library for library-sponsored programs or for programs presented by groups who are registered to use the meeting/conference room and have a signed designee to accept responsibility for their use. In-library use of these items is also available to individuals, at the discretion of the Branch Manager.

~~SCHEDULE OF~~ FINES~~/~~ AND FEES

FINES: Overdue materials are not charged a daily fine. Following a 10-day grace period past due date, the patron's account is blocked from further renewals, checkouts, and access to ~~certain~~ online resources. After 28 days past the due date, overdue items are considered lost and the patron is billed for replacement value. When overdue items are returned, replaced, or paid, all blocks are resolved and lost item fees ~~waived~~removed from the patron's account.

~~B.~~ REPLACEMENT FEES: A replacement fee is charged when library materials are lost or damaged to the extent that they can no longer be used. This fee covers the current purchase price of the same or a similar item. ~~Alternative~~ Replacement of lost or damaged material is acceptable, at the discretion of the Branch Manager.

~~The fees to be charged for lost or damaged materials are determined as follows:~~

~~BOOKS: the cost of replacement of a work of fiction or non-fiction, whether adult or juvenile, is to be taken from a current ordering source, catalog, listing, etc. If the exact edition is no longer available in print, the cost of a comparable edition is charged, i.e., a hardcover book is to be replaced only by a hardcover, and a paperback only by a paperback. If the book is no longer available in any comparable edition, a flat fee system will be used, based on the most recent pricing information available.~~

~~NON-BOOK MATERIALS:~~ Replacement cost is to be taken from a current ordering source, catalog, listing, etc. If the material is no longer available for purchase, replacement charges will be based on comparable materials. ~~The total replacement cost for multiple sets is not to exceed the actual value of the set.~~

2.02 UNATTENDED CHILDREN:

A. STATEMENT: In order to prevent undue disruption of normal library activities, to provide for the general welfare of all persons using the library, and to provide for the general safety of children using the Monroe County Public Library system, the following rules and regulations shall be and are made a matter of policy at the Monroe County Public Library system.

B. RESPONIBILITY: The Monroe County Public Library system assumes no custodial responsibility for children left unattended on library premises.

C. CHILDREN FIVE YEARS OR YOUNGER: All children aged seven years or younger shall, at all times, be attended and adequately supervised by a responsible person,
e.g., an adult or a mature adolescent. If a child is left unattended, the staff on-duty shall attempt to identify and locate the parents or responsible adult.

1. IMPLEMENTATION OF POLICY:

a. When the parent is located, the Library policy on unattended children will be thoroughly explained.

b. If the parent is not found in the building, a staff member should stay with the child until the parent can be found.

c. If the parent has not been located within 20 minutes, or if the library is closing, a staff member shall call the police non-emergency number.

Under no circumstances shall a staff member take a child out of the building.

D. CHILDREN EIGHT AND OLDER: Children age eight (8) and older may use the library unattended, subject to rules and regulations promulgated by the Monroe County Public Library system concerning behavior and conduct.

E. DISRUPTIVE BEHAVIOR:

1. Children who are being disruptive will be asked by staff to correct their behavior.
2. If the parents refuse or are unable to control the child, the family will be asked to leave.
3. If the child over seven years of age is unattended and parents cannot be located within the building, a staff member will attempt to contact a parent.
4. Older, unattended children will be cautioned about their disturbance and advised the next time they will be asked to leave.
5. If the disruptive behavior continues, the child will be asked to leave. Staff will ensure the child leaves the building.

2.03 USE OF PERSONAL ELECTRICAL/ELECTRONIC EQUIPMENT

A. RESTRICTIONS: Personal electrical/electronic equipment may be used only in designated library areas, as determined by the Branch Manager.

SECTION 3 – USE OF LIBRARY FACILITIES

USE OF CONFERENCE AND MULTI-PURPOSE ROOM AND AUDIO-VISUAL EQUIPMENTROOMS

LIMITATIONS: Use ofWHO MAY USE: Library facilities isare open to programs sponsored or cosponsoredco-sponsored by the Library, to Monroe county, federal, and state, and Monroe county

governmental agencies, and to public meetings held by groups headquartered in Monroe County which are civic, cultural, educational, ~~intellectual,~~ or charitable in nature. Such use does not imply Library endorsement of the aims, policies, or activities of any group. Application for the use of any meeting room will be made with the respective Branch concerned. However, final authority for use of space will rest with the ~~Library~~ Director of Libraries.

~~REGULATIONS~~

HOW FACILITIES MAY BE USED: The following regulations apply to all programs scheduled in Library facilities:

- All programs must be free of charge and open to the public as space permits. No collections may be taken or sales made~~. Written exceptions may be submitted to~~, except as approved by the Director of Libraries~~ in advance for sales during author book signings, public performance or exhibits, or for non-profit agencies or groups to cover costs incurred for class supplies or speaker fees.~~. Library facilities shall not be used for personal or private profit, ~~aggrandizement~~promotion, or advertising.~~ (11/20/2012)~~

~~1. In case of exhibits, the Library shall not be held responsible for loss or damage, and any insurance arrangements will be THE RESPONSIBILITY OF THE EXHIBITOR. Exhibitors will be required to sign waiver forms and follow Display Policy.~~

- Maximum occupancy limits will be monitored and enforced by library staff. Meetings exceeding maximum occupancy must reduce attendees in the room, move to a larger room (if available), or conclude the meeting.

- Press and media notices of the meeting may not include the library's phone number or email address as contact information. These notices may not imply library sponsorship of the meeting.

- Sponsors may be required to execute a "hold-harmless" agreement and/or furnish appropriate insurance naming Monroe County as additional insured for certain types of programs, in compliance with the "Use of County Property" policy and procedures.

- Monroe County government agencies take preference over outside groups when scheduling the use of meeting rooms. Once an outside group has booked the room, however, every effort shall be made to avoid a forced cancellation in favor of the County agency.

- Refreshments may be served only by permission and special arrangement. Smoking and alcoholic beverages are prohibited. Organizations may not store materials or refreshments in the libraries for future meetings or events.

- Meeting and conference rooms are available during the library's scheduled hours of operation and must conclude by closing time. Rare exceptions may be granted by the Director of Libraries or designee.

~~2.~~ The Library reserves the right to cancel or reschedule any program or exhibit when necessary.

- ~~Meetings held in library facilities outside of library hours are subject~~ This may happen due to ~~the terms and fees of Monroe County's Policy~~a weather event, unscheduled maintenance, lack of ~~the Use~~interest, absence of ~~County Property~~talent, or power/water failure.

~~3.~~ WHAT IS OR NOT PROVIDED: Maintenance ~~employees~~and security staff are not available ~~to organizations at any time.~~ for meetings. Organizations using the meeting room are responsible for ~~any needed~~ arrangement of furniture before their meeting as well as rearranging and cleaning of the meeting room at the conclusion of the meeting. Monroe County governmental agencies are responsible for making their own arrangement with the Public Works Department ~~for such duties and are required~~ to restore the meeting room to its original condition within a reasonable amount of time following the meeting.

4. ~~Rooms may be booked up to six (6) months in advance, on a first come/first served basis. If available, community and civic organizations may reserve library meeting rooms for a maximum of two successive days. Organizations may not store materials in the libraries for future meetings or events.~~

The ~~audio visual~~audiovisual equipment owned by the Monroe County Public Library may be used within the library facilities, with a signed designee of the group to accept responsibility~~,~~ but may not be loaned to leave the facilities.

PROCESS TO RESERVE: Rooms may be booked up to three (3) months in advance, on a first come/first served basis. Phone, visit, or email the Library Branch Manager for availability and reservation form. If available, community and civic organizations may reserve library meeting rooms for a maximum of two successive days.

~~3.02 APPLICATION/REQUEST FOR USE OF MULTI-PURPOSE OR CONFERENCE ROOM OF THE MONROE COUNTY PUBLIC LIBRARY SYSTEM (See APPENDIX J)~~

DISPLAY FACILITIES

STATEMENT: The Monroe County Public Library provides display facilities where available and whenever possible. These facilities may include locked glass display cases, limited bulletin board space, and limited wall space. The Library provides display space as a means of attracting community attention and promoting the Library, its materials, collections, and services. Groups, organizations, assemblies, collectors, specialists, institutions, industries, and individuals may use these facilities for displays of educational, cultural, or recreational interest. However, use of these facilities does not imply library endorsement of the display or of the aims, policies, or activities of the sponsoring agent. All exhibitors must complete an Application for the Use of Library Display Facilities for approval by the Branch Manager.

A. ~~PRIORITY: FIRST PRIORITY FOR USE OF MONROE COUNTY LIBRARY DISPLAY FACILITIES IS RESERVED FOR THOSE DISPLAYS SPONSORED OR CO-SPONSORED BY THE LIBRARY.~~

PRIORITY: Displays sponsored or co-sponsored by the library have first priority for use of display facilities.

POLICY: Before a display is accepted, it must be previewed by the Branch Manager or a designated representative for originality, professional quality (where appropriate), and condition. Items suitable for hanging must be properly outfitted with the necessary hardware. Temporary art displays and/or collections will be subject to the same criteria as permanent collections. ~~(See SEC. 6.02.E.1.)~~

PRICES: No sale prices may be visible ~~WITH THE OBJECTS DISPLAYED~~on the displayed objects. A list of persons participating in the display, and their local phone numbers, may be made available to inquiring patrons. Prices are not to be quoted verbally, and under no circumstances may staff accept money for the sale of any display item.

INSURANCE: If insurance is desired, it must be obtained by the individual or group responsible for a given display. The Library has no responsibility to provide liability coverage of any kind – including fire, theft, or vandalism. In those rare instances where the Library may itself solicit or sponsor a display, it may also provide insurance, but is not under obligation to do so.

~~TRANSPORTTION~~TRANSPORTATION: Individuals or the official representative of the displaying groups are responsible for transporting the display, arranging it, and removing it at the end of its allotted schedule. Individual items within a display may not be withdrawn prior to the conclusion of the display time and removal of the entire display may not be done without permission of the Branch Manager.

RESPONSIBILITY: The Library shall not be held responsible for loss or damage to exhibits, special equipment, or any other materials owned by an individual or group and displayed or used in such a display in the Library.

~~GLASS~~DISPLAY CASES: The time limits for displaying in ~~the glass~~display cases are determined by mutual agreement between the Branch Manager and the displaying individual or group. A 30-day time limit is recommended. The glass cases may be reserved ~~in advance~~: when this is done, the dates agreed on should be adhered to strictly.

AGREEMENT: Individuals or the official representative of the displaying group will sign a statement indicating their understanding of the above and concurrence with it. The Branch Manager will sign the agreement to indicate approval of the display on behalf of the library.

~~B. TIME LIMIT: Time limits for displays are to be determined by mutual agreement between the Branch Manager and the displaying individual or group.~~

AUTHORITY: The Branch Manager or a designated representative has the authority to accept or reject a display based on the stated policy. Appeals to the decision must be made in writing to the ~~Library~~ Director of Libraries.

APPLICATION FOR DISPLAY: The Branch Manager or designee provides the Application for the Use of the Display Facilities. Applications should be filled as early in advance of installation as scheduling requires, up to one year in advance. The Branch Manager shall maintain a calendar of these bookings and a two-year file of the applications.

POSTERS AND FLIERS: Libraries having space available are encouraged to have a library bulletin board and a community bulletin board for displaying items of community interest. Where only one bulletin board is feasible, library material will have ~~first~~ priority. Commercial advertisements are not accepted for the bulletin boards. The Library does understand ~~that~~ for some community activities, such as recreational programs or adult educational programs, a fee is required. The Library will post fliers for such events if they meet the other requirements.

All items for the bulletin board must be approved by the Branch Manager; no formal application is required. Fliers and/or posters from recognized educational facilities will be accepted and displayed as space is available.

Display of fliers or posters for events, other than Library-sponsored ones, on the bulletin board does not imply Library endorsement of the aims, policies, or activities of the event or the sponsoring agent.

~~3.03 APPLICATION FOR THE USE OF DISPLAY FACILITIES (See APPENDIX K)~~

~~3.04 COLLECTING/SELLING ACTIVITIES~~

~~A. RESTRICTIONS: No employee of the Monroe County Public Library, while on official duty or on library premises, shall engage in collecting or selling activities for personal profit.~~

~~3.05 POWER FAILURE~~

~~A. POLICY: All library users, with the exception of staff, will vacate library premises in the event of a power failure. Users may return when power is restored.~~

SECTION 4 – ~~USE OF~~NETWORK AND COMPUTER EQUIPMENT USE

~~4.01 COMPUTER TECHNOLOGY~~

~~A.~~ STATEMENT: ~~In order~~ To meet the ~~changing~~ needs of the residents of Monroe County and in response to advances in communications technology, the Monroe County Public Library endeavors to develop collections, resources, and services that meet the cultural, informational, lifestyle, and educational needs of Monroe County's diverse, multicultural community.

The Monroe County Public Library does not monitor and has no control over the information infrastructure accessed through the internet and cannot be held responsible for its content. As with other library materials, restriction of a child's access to the internet is the responsibility of the parent~~/legal~~ or caregiver. All users of the internet, as well as other library resources, should use judgment in evaluating the value and accuracy of information found.

~~The Monroe County Public Library supports the American Library Association's Library Bill of Rights (for which see **APPENDIX A**) as well as the specific interpretations of that document concerning "Access to Electronic Information, Services, and Networks" (**APPENDIX E**) and "Access for Children and Young People to Videotapes and other Nonprint Formats" (**APPENDIX D**).~~

SECTION 5 – LIBRARY MATERIALS

MATERIALS SELECTION

STATEMENT: This policy for the selection of books and all other library materials (including internet access and other electronic media) for the use of the public has been developed as a flexible guide for all those concerned with the selection process for the Monroe County Library System. It is intended as a broad guide and not as a procedure manual.

POLICY ON LIBRARY MATERIALS SELECTION: The Monroe County Public Library system honors our citizens with widely ~~separate and~~ diverse interests, backgrounds, and needs. They further recognize the library was created to serve all ~~of~~ the people within the Monroe County Library's service area, regardless of race, age, lifestyle, creed, or political persuasion, and therefore declare as a matter of library materials selection policy that:

- Library material selection is and shall be vested in the ~~Library~~ Director of Libraries of the Monroe County Public Library, and, under the ~~Library Director's~~Director of Libraries' direction, qualified members of the professional staff. Any such material or internet access selection shall be held to be selected by the Library.

- Selection of library material ~~shall be made~~is based on ~~the basis of~~ its value to ~~all of the people~~members of the community. No library material access shall be excluded because of race, nationality, or the political or social views of the author or others contributing to their creation. The Library must be responsible to public suggestion of items and subjects to be included in the library collection.

- The Monroe County Public Library believes that censorship is a purely individual matter and declares that while an individual is free to reject books and other information sources of which he or she does not approve, the individual cannot exercise this right of censorship to restrict the freedom of others to read, view, or hear. Parents have the responsibility to guide and direct the reading~~/~~, viewing~~/~~, and listening of their own minor children. The Library does not stand *in loco parentis*.

- Library staff defends the principles of the freedom to read, view, or hear and declares all materials selected under this policy are considered constitutionally protected until ~~such time as~~ they are determined unprotected by jurisdictional action ~~and after appeals, if any, have been heard~~.

SELECTION STANDARDS: While all staff members, as well as the general public, may recommend materials to be considered for purchase, all recommendations are channeled through regular processes and considered in the light of regular selection standards. To build collections of merit and significance, materials will be considered according to objective guidelines. All acquisitions, whether purchased or donated, are considered in terms of the following standards:

- Suitability of physical form for library use.
- Suitability of subject and style for intended audience.
- Present and potential relevance to community needs.
- Appropriateness and effectiveness of medium to content.
- Insight into human and social conditions.
- Importance as a document of the times.
- Relation to existing collection and other material on subject.
- Reputation to existing collection and other material on subject.
- Skill, competence, and purpose of the author.
- Attention of critics, reviewers, and public.

Library materials will not be marked or identified to show approval or disapproval of the contents, and no material will be sequestered except for the purpose of protecting it from injury or theft.

LIMITATION IN SELECTION: As the Library is limited in its selection of materials by its financial resources and available space, certain limitations are necessary; e.g., in the fields of law and medicine, only the more general works of community interest and use are selected; in the field of religion, a representative collection of beliefs and practices of the world's principal faiths and religions is maintained—purely devotional materials are not generally selected for inclusion. In all areas, selection is based on the merits of the work as well as serving the needs and interests of the community.

The Library acknowledges a particular interest in local and state history. It therefore takes a broad view of works by and about Florida and ~~/or~~ Florida Keys authors, as well as general works related to the State of Florida and ~~/or~~ the Florida Keys~~,~~ but is ~~under no obligation~~not obligated to add ~~to its collection any such~~these materials ~~if it does not seem in~~ to the ~~public interest to do so~~collection.

CHILDREN'S MATERIALS: The Library is deeply committed to the conviction that a public library should provide all children with the freedom to select books and materials without being limited to an artificial grouping by age or grade level. The Library will not restrict children's access to available materials, and bears no responsibility for a child's selection of such. Supervision of children's selection and use of materials rests with their parents or caregivers. Library selection of adult materials for its collection will not be inhibited by the possibility that such materials may come into the possession of children.

~~A. SERVICE TO STUDENTS: The Library selects materials to serve students but does not duplicate material which should be provided by school libraries. Textbooks are purchased only when they provide the best coverage of a subject and are useful to the general public. They will not be duplicated to satisfy the demands of a specific school course. The Library assumes its responsibility to be that of providing books which will broaden the student's interest in a particular subject that may stem from the use of a textbook, rather than in providing the textbook itself.~~

GIFT MATERIALS

~~:~~The library system welcomes the donation of books and other library materials from individuals, corporations, and other sources. Such gifts are accepted only with the understanding that they may be retained, relocated, or discarded at the discretion of the library staff. Such gifts as are retained cannot normally be given special housing but will be integrated into the general library collection. If the donor insists that it be retained in a special outlet or that its use be restricted in any way, these materials may not be accepted until clearance is received from the ~~Library~~ Director of Libraries.

The same standards of selection are applied to gift materials as to materials purchased from library funds. Replacement and duplicate copies are added to the collection if needed. The costs of processing and the availability of shelving space are also factors in determining the acceptance of gifts. Gifts which do not meet the Library's standards for the collection may be placed in the Friends of the Library book sale.

Unneeded duplicate copies may be placed in the book sale or given to another branch where they are not yet in the collection. The Library does not provide valuations of gifts for tax deductions or other purposes.

Choice of memorial books or other materials may be left to the library staff, or the donor may indicate a particular book or subject desired. Often the library selection will reflect the special interests of the person being commemorated.

Memorial materials are shelved with the regular collection, according to subject classification, so that they will be available and useful to persons seeking materials on a particular subject. Book plates will be placed in each item if requested by the donor.

~~WITHDRAWAL OF~~

WITHDRAWN MATERIALS

~~ FROM LIBRARY COLLECTION:~~ Outdated, seldom used, or shabby items can weaken a collection as surely as insufficient acquisitions. Weeding the collection and selection of items for discard are the ultimate responsibilities of the ~~Library~~ Director ~~and/~~of Libraries or ~~his/her~~ designee, but each manager is regularly responsible for the upkeep of his/her branch collection. Continuous appraisal of the ~~book~~ collection~~, the pamphlet files, the periodical files, and the audio-visual materials~~ is as essential as their initial selection for the library. In general, the same criteria apply to weeding as are used in the selection of new materials and are largely based on the following consideration:

- Materials which contain outdated or inaccurate information
- Superseded editions
- Worn or ~~badly marked~~damaged items
- Seldom used titles
- Availability of the material elsewhere in the system collection and/or convenient access to the material through the ~~inter-library~~interlibrary loan system.

REPLACEMENT OF MATERIALS: The Library will not automatically replace ~~all~~ materials withdrawn because of loss, damage, or wear. The same criteria that apply in original selection will apply to replacement with particular attention given to the following:

- Continued value of the ~~particular~~ title
- Demand for the ~~specific~~ title
- Extent of adequate coverage of the field in the existing collection
- Availability of newer or better material in the field
- Number of copies in the unit and/or system
- Availability of the item in another format and/or through the ~~inter-library~~interlibrary loan system

DEACCESSIONING MATERIALS: Materials which are replaced, outdated, obsolete, beyond their useful service life or which are no longer needed as determined by library professionals may be offered for sale or donation to other governmental units or, if no other governmental unit desires the materials, to a non-profit agency as defined in Florida Statute 273.01(3). The cost of transferring the property shall be paid by the governmental unit or the private nonprofit agency purchasing or receiving the donation of surplus property. If the materials are offered for sale or donation and no other governmental unit or non-profit agency expresses an interest in the materials, the value of which the ~~Library~~ Director of Libraries determines to be $5,001 or higher, shall be sold by public auction to the highest responsible bidder, after publication of notice not less than 1 week nor more than 2 weeks prior to sale in a newspaper having general circulation in Monroe County. Materials,

the value of which is known to be or the director determines to be under $5,000, or materials which have been offered for sale at public auction and which have received no bids may be disposed of in the most efficient and cost effective means available.

~~5.02~~ REQUESTS FOR RECONSIDERATION OF LIBRARY MATERIALS

~~A. PROCEDURE: All members of the public may voice their opinions verbally, but before any action concerning the material in question is taken, a written, specific Request for Reconsideration form must be completed and filed with the Library by the complainant. This request will be placed before a library staff committee which will include Librarians holding a Master's Degree in Library Science and have experience selecting in adult, young adult and children's collections. The committee will review the material and all appropriate supporting documentation including professional reviews, data and trend in the collection usage and American Library Association recommendations. The Committee will make a recommendation of action and so notify the complainant.~~

~~If the complainant wishes to pursue the matter further, the complaint will be forwarded to the Library Director for a further recommendation. If the complainant is not satisfied with the decision of the Director, the challenge will be presented for final disposition to a Collection Assessment Team, consisting of the Library Director, the Assistant Director – Public Services, and a member of the Library Advisory Board.~~

~~The complainant will be notified when the Team will meet to act on the request, but attendance is not required.~~

~~Material will retain its status in the collection until a decision to retain, remove or reclassify is made.~~

~~5.03~~ REQUEST FOR RECONSIDERATION OF LIBRARY MATERIALS (See ~~APPENDIX L~~)

FREE PUBLICATIONS

~~A. STATEMENT:~~ Materials produced by the Library or other local, state, or federal governmental agencies will be distributed in the library as space allows. The Library will make every effort to make available current County-generated ~~information such as Board of County Commission meeting agendas,~~

~~Land Use material, and other similar information relevant to County activities and interests,~~publications but it cannot be considered a depository for such materials. Materials promoting general awareness of local non-profit organizations, educational institutions, and recognized community groups will be displayed as space allows, with the approval of the Branch Manager or designee.

~~Materials promoting general awareness of, or the philosophy of, local non-profit organizations as well as those described above, in addition to educational institutions and recognized community groups, will be displayed as space allows, with the approval of the Branch Manager or a designee.~~

SECTION 6—FLORIDA KEYS HISTORY ~~DEPARTMENT PHOTOGRAPHS~~CENTER ARCHIVES

Monroe County Public Library provides its customers with access to most of the original items in its Florida History archival collections. Library staff, however, reserves the right to restrict handling or copying of materials which may jeopardize the records' continued preservation.

Customers may duplicate archival materials using their own digital capture or photographic equipment~~.~~ onsite, subject to handling restrictions above. Some archival material may also be available in digital format. Downloads of low-resolution, archival images, or audio files from the library's websites are available free of charge. ~~High-resolution reproductions (generally, uncompressed, full-size master files) can be provided on removable storage media (such as compact disc) at a cost of $10.00 per image. Non-profit and research organizations may be granted a waiver of this fee, at the discretion of Library staff.~~

Monroe County does not hold copyright over the original images in the archival collections. Responsibility for identifying and satisfying any copyright claims to the original images must be assumed by those wishing to reproduce the images.

For ~~non-county residents~~researchers unable to visit the archives, basic look-up and copying services (such as obituaries and city directory listings) are provided ~~at a cost of $5.00 for each search.~~when time and resources permit. Shipping costs are the responsibility of the customer. Materials from the Library archives will not be loaned to customers for the purpose of outside copying.

SECTION ~~6~~7 – PROGRAMMING

Programs at the Monroe County Library support our strategic plan, bolster our collection of materials, and provide access to public services, resources, and facilities, while supporting eligibility for state and federal funding, and expanding the community visibility of the library system. A wide-ranging offering of programs for all demographics fosters the Library System's presence as a cultural and educational center and provides a "third space" for the Florida Keys community. Programs may serve the educational, informational, recreational, and social needs of citizens while reflecting engagement with a diverse population and promoting both a sense of community and usage of the Library.

Final authority for programming at all library branches rests with the Director of Libraries or designated staff. The Library's professional and paraprofessional staff use the following criteria in making decisions about program topics, speakers, and accompanying resources:

- Availability of space
- Budgetary concerns
- Relevance to community needs and interests, including historical or educational significance
- Presenter's background and expertise in a content area and the treatment of content for intended audience
- Presentation quality
- Performers for children and teens must have previous experience performing for young audiences, be age appropriate, and register as a vendor with the County of Monroe.

In addition, the Library draws upon other community resources in developing programs and actively partners with non-profit organizations, government agencies and other educational and cultural institutions to develop and present co-sponsored public programs. Professional performers and presenters that reflect specialized or unique expertise may be hired for Library programs as a vendor with the County of Monroe or through agreement with a library branch's individual Friends of the Library organization.

Library sponsorship of a program does not constitute an endorsement of the content or views expressed by presenters or participants in the audience. Library programs are free and open to the public. The library reserves the right to cancel a scheduled program or to not schedule a program. Programs may be cancelled for a variety of reasons including a weather event, unscheduled maintenance, lack of interest, absence of talent, or power/water failure. Cancelled programs are not necessarily rescheduled. The library does not offer programs that are purely commercial or self-promotional.

SECTION 8 – GIFTS AND DONATIONS POLICY

~~6.01 ACCEPTANCE OF GIFTS, PLAQUES, AND DONATIONS~~

POLICY: Donations to the Monroe County Public Library System will generally be accepted only when there are no conditions imposed by the donor with regards to use, location, rebinding, or disposal.

RESTRICTIONS: Should a donor wish to place ~~any~~ restrictions~~(s)~~ on a gift, all details ~~with regard to~~about that specific gift and the ~~restriction(s)~~restrictions shall be referred to the ~~Library~~ Director of Libraries for a determination as to its acceptability.

PLAQUES~~.~~: In accordance with the Board of County Commissioners' direction on 22 April 1992, permitting the presentation of plaques, the Library has limited the size of interior plaques in the Monroe County Public Library facilities to 8 ½" x 18". ~~Any and~~ All such presentations must be referred to the ~~Library~~ Director of Libraries for written approval prior to formal acceptance by the Library. ~~Specific approval by the Library Director must also be received in advance of acceptance.~~

~~A.~~ GIFTS AND CASH DONATIONS: Any donated gifts purchased for the Monroe County Public Library System, or cash donations given to the library for any purpose other than the purchase of library materials, with a value equal to, or ~~in excess of,~~ more than $500.00, must be presented to and approved by the ~~Library~~ Director of Libraries prior to formal acceptance of the specified purchased gift or cash donation by the Monroe County Public Library System. The donor should first approach the Manager of the Library concerned, who will discuss the offer with the ~~Library~~ Director of Libraries to determine need and feasibility, as well as any maintenance or other possible long-term obligations that may be incurred by acceptance of the offer. The Director then approaches the County Administrator for approval and reports back to the Manager and the gift giver for implementation. Such approval is also required for any gift project affecting the library structure ~~proper~~or grounds. Cash donations of this nature, that have no undue restrictions placed on them, may be accepted conditionally prior to this formal acceptance procedure.

This procedure is in keeping with the ~~standard~~ Monroe County protocol for handling ~~any~~ unanticipated funds, including grant moneys, which can be formally accepted only upon approval by the County Attorney and the Board of County Commissioners.

~~POLICY~~ARTWORK: Any offering to the library of non-library material, such as framed art, sculpture, etc., for permanent display as library property, will be approved by the ~~Library~~ Director of Libraries prior to its acceptance. Both original works of art and reproductions may be chosen. Care will be used to select items of special interest to the community. The following general criteria will be ~~taken into account~~considered in the selection of all items of this type:

- Artistic merit of the original work of art.

- Artistic reputation of the artist.
- Importance of the artist historically, or in the contemporary or local scene.
- The contribution the item will make to the institution.
- The suitability of the item for general viewing.

SECTION ~~7~~ 9 – VOLUNTEERS AND FRIENDS GROUPS

FRIENDS ORGANIZATIONS AND ACTIVITIES

~~STATEMENT:~~ Members of the Friends of the Library provide invaluable assistance with fundraising and advocacy. Their interest, volunteer time, and support contribute significantly to responsive public service and library development for the people of Monroe County.

Friends of the Library are non-profit groups organized on the local level and governed according to specific organizational by-laws. Local Friends groups represent their communities and the entire Monroe County Library system by serving as support groups to the Library ~~Advisory Board, Library~~branches, Director of Libraries, and Library Managers.

As representatives of the Monroe County System, all Friends activities should be in accordance with the policies and procedures of the library system, follow the terms of their MOU with the BOCC, and follow local, state, and national public library laws. Activities should also conform to any state regulations administered through the Division of Library and Information Services, Florida Department of State.

LIBRARY VOLUNTEERS AND ACTIVITIES

Library volunteers generously contribute to our vitality while fostering investment in our communities. To uphold accountability and public safety, library volunteers are required to satisfy conditions of Monroe County Administrative Instruction no. 4715.4 and its revisions.

Exemptions to the Administrative Instruction include, but are not limited to:

- Back-office duties, such as book-mending, document scanning, and furniture refinishing.
- Grounds-keeping, such as watering, raking, graffiti removal, and litter collection.
- Middle School and High School students fulfilling class/school community involvement requirements may volunteer by approval of the Assistant Director— Public Services.
- Friends of the Library volunteers participating in Friends events, such as author lectures, book sales, and book donation sorting.

> Under no conditions are volunteers allowed to access federally -protected patron information, act in the capacity of a librarian, nor be within a library public area without a badge identifying them as a volunteer.

The ALA Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

The American Library Association's

The Freedom to Read Statement

The freedom to read is essential to our democracy. It is continuously under attack. Private groups and public authorities in various parts of the country are working to remove or limit access to reading materials, to censor content in schools, to label "controversial" views, to distribute lists of "objectionable" books or authors, and to purge libraries. These actions apparently rise from a view that our national tradition of free expression is no longer valid; that censorship and suppression are needed to counter threats to safety or national security, as well as to avoid the subversion of politics and the corruption of morals. We, as individuals devoted to reading and as librarians and publishers responsible for disseminating ideas, wish to assert the public interest in the preservation of the freedom to read.

Most attempts at suppression rest on a denial of the fundamental premise of democracy: that the ordinary individual, by exercising critical judgment, will select the good and reject the bad. We trust Americans to recognize propaganda and misinformation, and to make their own decisions about what they read and believe. We do not believe they are prepared to sacrifice their heritage of a free press in order to be "protected" against what others think may be bad for them. We believe they still favor free enterprise in ideas and expression.

These efforts at suppression are related to a larger pattern of pressures being brought against education, the press, art and images, films, broadcast media, and the Internet. The problem is not only one of actual censorship. The shadow of fear cast by these pressures leads, we suspect, to an even larger voluntary curtailment of expression by those who seek to avoid controversy or unwelcome scrutiny by government officials.

Such pressure toward conformity is perhaps natural to a time of accelerated change. And yet suppression is never more dangerous than in such a time of social tension. Freedom has given the United States the elasticity to endure strain. Freedom keeps open the path of novel and creative solutions, and enables change to come by choice. Every silencing of a heresy, every enforcement of an orthodoxy, diminishes the toughness and resilience of our society and leaves it the less able to deal with controversy and difference.

Now as always in our history, reading is among our greatest freedoms. The freedom to read and write is almost the only means for making generally available ideas or manners of expression that can initially command only a small audience. The written word is the natural medium for the new idea and the untried voice from which come the original contributions to social growth. It is essential to the extended discussion that serious thought requires, and to the accumulation of knowledge and ideas into organized collections.

~~We believe that free communication is essential to the preservation of a free society and a creative culture. We believe that these pressures toward conformity present the danger of limiting the range and variety of inquiry and expression on which our democracy and our culture depend. We believe that every American community must jealously guard the freedom to publish~~

and to circulate, in order to preserve its own freedom to read. We believe that publishers and librarians have a profound responsibility to give validity to that freedom to read by making it possible for the readers to choose freely from a variety of offerings.

The freedom to read is guaranteed by the Constitution. Those with faith in free people will stand firm on these constitutional guarantees of essential rights and will exercise the responsibilities that accompany these rights.

We therefore affirm these propositions:

1. *It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.*

   Creative thought is by definition new, and what is new is different. The bearer of every new thought is a rebel until that idea is refined and tested. Totalitarian systems attempt to maintain themselves in power by the ruthless suppression of any concept that challenges the established orthodoxy. The power of a democratic system to adapt to change is vastly strengthened by the freedom of its citizens to choose widely from among conflicting opinions offered freely to them. To stifle every nonconformist idea at birth would mark the end of the democratic process. Furthermore, only through the constant activity of weighing and selecting can the democratic mind attain the strength demanded by times like these. We need to know not only what we believe but why we believe it.

2. *Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.*

   Publishers and librarians serve the educational process by helping to make available knowledge and ideas required for the growth of the mind and the increase of learning. They do not foster education by imposing as mentors the patterns of their own thought. The people should have the freedom to read and consider a broader range of ideas than those that may be held by any single librarian or publisher or government or church. It is wrong that what one can read should be confined to what another thinks proper.

3. *It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history or political affiliations of the author.*

~~No art or literature can flourish if it is to be measured by the political views or private lives of its creators. No society of free people can flourish that draws up lists of writers to whom it will not listen, whatever they may have to say.~~

4. ~~*There is no place in our society for efforts to coerce the taste of others, to confine adults to the reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.*~~

To some, much of modern expression is shocking. But is not much of life itself shocking? We cut off literature at the source if we prevent writers from dealing with the stuff of life. Parents and teachers have a responsibility to prepare the young to meet the diversity of experiences in life to which they will be exposed, as they have a responsibility to help them learn to think critically for themselves. These are affirmative responsibilities, not to be discharged simply by preventing them from reading works for which they are not yet prepared. In these matters values differ, and values cannot be legislated; nor can machinery be devised that will suit the demands of one group without limiting the freedom of others.

5. It is not in the public interest to force a reader to accept the prejudgment of a label characterizing any expression or its author as subversive or dangerous.

The ideal of labeling presupposes the existence of individuals or groups with wisdom to determine by authority what is good or bad for others. It presupposes that individuals must be directed in making up their minds about the ideas they examine. But Americans do not need others to do their thinking for them.

6. It is the responsibility of publishers and librarians, as caregivers of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.

It is inevitable in the give and take of the democratic process that the political, the moral, or the aesthetic concepts of an individual or group will occasionally collide with those of another individual or group. In a free society individuals are free to determine for themselves what they wish to read, and each group is free to determine what it will recommend to its freely associated members. But no group has the right to take the law into its own hands, and to impose its own concept of politics or morality upon other members of a democratic society. Freedom is no freedom if it is accorded only to the accepted and the inoffensive. Further, democratic societies are more safe, free, and creative when the free flow of public information is not restricted by governmental prerogative or self-censorship.

7. It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.

~~The freedom to read is of little consequence when the reader cannot obtain matter fit for that reader's purpose. What is needed is not only the absence of restraint, but the positive provision of opportunity for the people to read the best that has been thought and said.~~

~~Books are the major channel by which the intellectual inheritance is handed down, and the principal means of its testing and growth. The defense of the freedom to read requires~~

of all publishers and librarians the utmost of their faculties, and deserves of all Americans the fullest of their support.

We state these propositions neither lightly nor as easy generalizations. We here stake out a lofty claim for the value of the written word. We do so because we believe that it is possessed of enormous variety and usefulness, worthy of cherishing and keeping free. We realize that the application of these propositions may mean the dissemination of ideas and manners of expression that are repugnant to many persons. We do not state these propositions in the comfortable belief that what people read is unimportant. We believe rather that what people read is deeply important; that ideas can be dangerous; but that the suppression of ideas is fatal to a democratic society. Freedom itself is a dangerous way of life, but it is ours.

ALLIANCE FOR AGING, INC.
STANDARD CONTRACT

OLDER AMERICANS ACT

THIS CONTRACT is entered into between the Alliance for Aging, Inc., hereinafter referred to as the "Alliance," and **Monroe County Board of County Commissioners, Social Services/In-Home Services**, hereinafter referred to as the "Provider", and collectively referred to as the "Parties." The term contractor for this purpose may designate a vendor, sub-grantee or sub-recipient, the status to be further identified in ATTACHMENT II, Exhibit-2 as necessary.

WITNESSETH THAT:
WHEREAS, the Alliance has established through the Area Plan on Aging that it is in need of certain services as described herein; and
WHEREAS, the Provider has demonstrated that it has the requisite expertise and ability to faithfully perform such services as an independent contractor of the Alliance.
NOW THEREFORE, in consideration of the services to be performed and payments to be made, together with the mutual covenants and conditions hereinafter set forth, the Parties agree as follows:

1. **Purpose of Contract**
The purpose of this contract is to provide services in accordance with the terms and conditions specified in this contract including all attachments and exhibits which constitute the contract document.

2. **Incorporation of Documents within the Contract**
This contract incorporates by reference attachments, proposal(s), Provider's Service Provider Application, and the current DOEA Programs and Services Handbook (the "Handbook"). Any and all contracts or agreements executed between the Provider and the Alliance during the effective period of this contract shall be governed in accordance with the applicable laws and statutes.

3. **Term of Contract**
This contract shall begin on **January 1, 2025,** or on the date on which the contract has been signed by the last party required to sign it, whichever is later. It shall end at midnight, local time in Miami, Florida, on **December 31, 2025**, unless renewed or extended as provided herein.

4. **Contract Amount**
The Alliance agrees to pay for contracted services according to the terms and conditions of this contract in an amount not to exceed **$719,281.00** subject to the availability of funds. Any costs or services paid for under any other contract or from any other source are not eligible for payment under this contract.

5. **Renewals**
By mutual agreement of the parties, the Alliance may renew the contract for five additional one-year periods. Contingent upon satisfactory performance evaluations by the Alliance and the availability of funds. Any renewal is subject to the same terms as the original contract, and any amendments, with the exception of establishing unit rates which is described further in this section. The original contractual unit rates are set forth in the bid proposal and reply.

Requests to change the original contractual established rates are provided for in Attachment I. Section IV.G of this contract.

This contract may be extended upon mutual agreement for one extension period not to exceed six months to ensure continuity of service. Services provided under this extension will be paid for out of the succeeding agreement amount.

6. **Compliance with Federal Law**

6.1 This contract contains federal funds. The following shall apply:

6.1.1 The Provider shall comply with the provisions of 45 CFR 74 and/or 45 CFR 92, and other applicable regulations.

6.1.2 If this contract contains federal funds and is over $100,000.00, the Provider shall comply with all applicable standards, orders, or regulations issued under s. 306 of the Clean Air Act as amended (42 U.S.C. 7401, et seq.), s. 508 of the Federal Water Pollution Control Act as amended (33 U.S.C. 1251, et seq.), Executive Order 11738, as amended, and where applicable Environmental Protection Agency regulations 40 CFR 30. The Provider shall report any violations of the above to the Alliance.

6.1.3 The Provider, or agent acting for the Provider, may not use any federal funds received in connection with this contract to influence legislation or appropriations pending before the Congress or any State legislature. The Provider must complete all disclosure forms as required, specifically the Certification of Assurances Attachment, which must be completed and returned with this signed contract.

6.1.4 In accordance with Appendix A to 2 CFR 215, the Provider shall comply with Executive Order 11246, Equal Employment Opportunity, as amended by Executive Order 11375 and others, and as supplemented in Department of Labor regulation 41 CFR 60 and 45 CFR 92, if applicable.

6.1.5 A contract award with an amount expected to equal or exceed $25,000.00 and certain other contract awards shall not be made to parties listed on the government-wide Excluded Parties List System, in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 and 12689, "Debarment and Suspension." The Excluded Parties List System contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The Provider shall comply with these provisions before doing business or entering into subcontracts receiving federal funds pursuant to this contract. The Provider shall complete and sign the Certification and Assurances Attachment prior to execution of this contract.

6.2 The Provider shall not employ an unauthorized alien. The Alliance shall consider the employment of unauthorized aliens a violation of the Immigration and Nationality Act (8 U.S.C. 1324 a) and the Immigration Reform and Control Act of 1986 (8 U.S.C. 1101). Such a violation shall be cause for unilateral cancellation of this contract by the Alliance.

6.3 If the Provider is a non-profit provider and is subject to Internal Revenue Service (IRS) tax exempt organization reporting requirements (filing a Form 990 or Form 990-N) and has its tax exempt status revoked for failing to comply with the filing requirements of the 2006 Pension Protection Act or for any other reason, the Provider must notify the Alliance in writing within thirty (30) days of receiving the IRS notice of revocation.

6.4 The Provider shall comply with Title 2 CFR Part 175 regarding Trafficking in Persons.

6.5 Unless exempt under 2 CFR Part 170.110(b), the Provider shall comply with the reporting requirements of the Transparency Act as expressed in 2 CFR 170.

6.6 To comply with Presidential Executive Order 12989 and State of Florida Executive Order Number 11-116, Provider agrees to utilize the U.S. Department of Homeland Security's E-verify system to verify the employment of all new employees hired by Provider during the contract term. Provider shall include in related subcontracts a requirement that subcontractors and/or vendors performing work or providing services pursuant to the state contract utilize the E-verify system to verify employment of all new employees hired by the subcontractor and/or vendor during the contract term. Providers meeting the terms and conditions of the E-Verify System are deemed to be in compliance with this provision.

7. Compliance with State Law

7.1. This contract is executed and entered into in the State of Florida, and shall be construed, performed and enforced in all respects in accordance with Florida law, including Florida provisions for conflict of laws.

7.2. The Provider shall comply with the requirements of s. 287.058, Florida Statutes ("F.S.") as amended.

7.2.1. The Provider shall provide units of deliverables, including reporting, findings, and drafts, as specified in this contract, which the Contract Manager must receive and accept in writing prior to payment.

7.2.2. The Provider shall comply with the criteria and final date by which such criteria must be met for completion of this contract as specified in ATTACHMENT I, Section III. Method of Payment.

7.2.3. The Provider shall submit bills for fees or other compensation for services or expenses in sufficient detail for a proper pre-audit and post-audit.

7.2.4. If itemized payment for travel expenses is permitted in this contract, the Provider will submit bills for any travel expenses in accordance with s. 112.061, F.S., or at such lower rates as may be provided in this contract.

7.2.5. The Provider shall allow public access to all documents, papers, letters, or other public records as defined in subsection 119.011(12), F.S., made or received by the Provider in conjunction with this contract except for those records which are made confidential or exempt by law. The Provider's refusal to comply with this provision shall constitute an immediate breach of contract for which the Alliance may unilaterally terminate the contract.

7.3. If clients are to be transported under this contract, the Provider shall comply with the provisions of Chapter 427, F.S., and Rule 41-2, Florida Administrative Code ("F. A. C.").

7.4. Subcontractors and/or vendors who are on the discriminatory vendor list may not transact business with any public entity, in accordance with the provisions of s. 287.134, F.S.

7.5. The Provider will comply with the provisions of s. 11.062, F.S., and s. 216.347, F.S., which prohibit the expenditure of contract funds for the purpose of lobbying the legislature, judicial branch or a state agency.

7.6. In accordance with Section 287.135 F.S., any Contractor on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List (Lists), created pursuant to Section 215.473 F.S. and 215.4725, F.S., or is engaged in a boycott of Israel, or is engaged in business operations in Cuba or Syria, is ineligible to enter into or renew a contract with the Department for goods or services of $1,000,000 or more. Pursuant to Section 287.135 F.S., the Alliance may terminate this contract if the Provider is found to have submitted a false certification of its status on the Lists or has been placed on the Lists or is engaged in a boycott of Israel or has been engaged in business operations in Cuba or Syria. Further, the Provider is subject to civil penalties, attorney's fees and costs and any costs for investigations that led to the finding of false certification. The Provider shall complete and sign the Certifications and Assurances Attachment, prior to the execution of this contract.

8. Background Screening

The Provider shall comply with and ensure subcontractors are in compliance with the requirements of s. 430.0402 and Chapter 435, F.S., as amended, regarding background screening for all persons who meet the definition of a direct service provider and who are not exempt from the Department's level 2 background screening pursuant to s. 430.0402(2)-(3), F.S. The Provider must also comply with any applicable rules promulgated by the Department and the Agency for Health Care Administration regarding implementation of s. 430.0402 and Chapter 435, F.S. To demonstrate compliance with this provision, Provider shall submit to the Alliance, the Background Screening Affidavit of Compliance (Screening Form) upon thirty (30) days of execution of this contract. Should the Alliance have a completed Screening Form on file for the Provider, a new Screening Form will be required every twelve (12) months.

8.1 Further information concerning the procedures for background screening is found at http://elderaffairs.state.fl.us/doea/backgroundscreening.php

8.2 Background Screening Affidavit of Compliance - To demonstrate compliance with this contract, the Provider shall submit ATTACHMENT D, Background Screening Affidavit of Compliance annually as part of his contract.

9. Grievance and Complaint Procedures

9.2 Grievance Procedures

The Provider shall comply with and ensure subcontractor and/or vendors compliance with the Minimum Guidelines for Recipient Grievance Procedures, Appendix D, of the Handbook, to address complaints regarding the termination, suspension or reduction of services, as required for receipt of funds.

9.1. Complaint Procedures

The Provider shall develop and implement complaint procedures and ensure that subcontractors and/or vendors develop and implement complaint procedures to process and resolve client dissatisfaction with services. Complaint procedures shall address the quality and timeliness of services, provider and direct service worker complaints, or any other advice related to complaints other than termination, suspension or reduction in services that require the grievance

process as described in Appendix D, of the Handbook. The complaint procedures shall include notification to all clients of the complaint procedure and include tracking the date, nature of complaint, the determination of each complaint, and the follow-up with the client to ensure satisfaction with the resolution

10. Public Records and Retention

10.1. By execution of this contract, Provider agrees to all provisions of Chapter 119, F.S., and any other applicable law, and shall:

10.1.1. Keep and maintain public records required by the Department to perform the contracted services.

10.1.2. Upon request from the Alliance or the Department's custodian of public records, provide the Alliance or the Department a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

10.1.3. Ensure that public records that are exempt, or confidential and exempt, from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Provider does not transfer the records to the Alliance or the Department.

10.1.4. Upon completion of the contract, the Provider will either transfer, at no cost to the Alliance, all public records in possession of the Provider, or will keep and maintain public records required by the Department. If the Provider transfers all public records to the Department upon completion of the contract, the Provider shall destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If the Provider keeps and maintains public records upon completion of the contract, the Provider shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Department in a format that is compatible with the information technology systems of the Department.

10.2 The Alliance may unilaterally cancel this contract, notwithstanding any other provisions of this contract, for refusal by the Provider to comply with ATTACHMENT 1 of this contract by not allowing public access to all documents, papers, letters, or other material made or received by the Provider in conjunction with this contract, unless the records are exempt, or confidential and exempt, from s. 24(a) of Article I of the State Constitution and s. 119.07(1), F.S.

IF THE PROVIDER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE PROVIDER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

Public Records Coordinator
Florida Department of Elder Affairs 4040 Esplanade Way
Tallahassee, Florida 32399
850-414-2342
doeapublicrecords@elderaffairs.org

10.3 Upon termination of this contract, whether for convenience or for cause as detailed in this contract, the Provider and subcontractors shall, at no cost to the Alliance, transfer all public records in their possession to the Alliancet and destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. All records stored electronically shall be provided to the Alliance in a format that is compatible with the information technology systems of the Alliance.

11. Audits, Inspections, Investigations, Public Records and Retention

11.1. The Provider shall establish and maintain books, records and documents (including electronic storage media) sufficient to reflect all assets, obligations, unobligated balances, income, interest and expenditures of funds provided by the Alliance under this contract. The provider shall adequately safeguard all such assets and assure they are used solely for the purposes authorized under this contract. Whenever appropriate, financial information should be related to performance and unit cost data.

11.2. The Provider shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for a period of six (6) years after completion

of the contract or longer when required by law. In the event an audit is required by this contract, records shall be retained for a minimum period of six (6) years after the audit report is issued or until resolution of any audit findings or litigation based on the terms of this contract, at no additional cost to the Alliance.

11.3. Upon demand, at no additional cost to the Alliance, the Provider will facilitate the duplication and transfer of any records or documents during the required retention period in Paragraph 12.2.

11.4. The Provider shall assure that the records described in this section shall be subject at all reasonable times to inspection, review, copying, or audit by Federal, State, or other personnel duly authorized by the Alliance.

11.5. At all reasonable times for as long as records are maintained, persons duly authorized by the Alliance, DOEA and Federal auditors, pursuant to 45 CFR Part 75, shall be allowed full access to and the right to examine any of the Provider's contracts and related records and documents pertinent to this specific contract, regardless of the form in which kept.

11.6. The Provider shall provide a financial and compliance audit to the Alliance as specified in this contract and ensure that all related third-party transactions are disclosed to the auditor.

11.7. The Provider shall comply and cooperate immediately with any inspections, reviews, investigations, or audits deemed necessary by the office of the DOEA's Inspector General pursuant to s. 20.055, F.S. Provider further agrees that it shall include in related subcontracts a requirement that subcontractors and/or vendors performing work or providing services pursuant to this contract agree to cooperate with the Alliance or Inspector General in any investigation, audit, inspection, review, or hearing pursuant to s. 20.055(5), F.S.

12. Nondiscrimination-Civil Rights Compliance

12.1 The Provider shall execute assurances in ATTACHMENT VI that it will not discriminate against any person in the provision of services or benefits under this contract or in employment because of age, race, religion, color, disability, national origin, marital status or sex in compliance with state and federal law and regulations. The Provider further assures that all contractors, subcontractors, vendors, sub-grantees, or others with whom it arranges to provide services or benefits in connection with any of its programs and activities are not discriminating against clients or employees because of age, race, religion, color, disability, national origin, marital status or sex.

12.2 During the term of this contract, the Provider shall complete and retain on file a timely, complete and accurate Civil Rights Compliance Checklist attached to this contract.

12.3 The Provider shall establish procedures pursuant to federal law to handle complaints of discrimination involving services or benefits through this contract. These procedures will include notifying clients, employees, and participants of the right to file a complaint with the appropriate federal or state entity.

12.4 If this contract contains federal funds, these assurances are a condition of continued receipt of or benefit from federal financial assistance, and are binding upon the Provider, its successors, transferees, and assignees for the period during which such assistance is provided. The Provider further assures that all subcontractors, vendors, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of the above statutes, regulations, guidelines, and standards. In the event of failure to comply, the Provider understands that the Alliance may, at its discretion, seek a court order requiring compliance with the terms of this assurance or seek other appropriate judicial or administrative relief, including but not limited to, termination of and denial of further assistance.

13. Monitoring by the Alliance for Aging

13.1 The Provider shall permit persons duly authorized by the Alliance to inspect and copy any records, papers, documents, facilities, goods and services of the Provider which are relevant to this contract, and to interview any clients, employees and subcontractor employees of the Provider to assure the Alliance of the satisfactory performance of the terms and conditions of this contract. Following such review, the Alliance will provide a written report of its findings to the Provider, and where appropriate, the Provider shall develop a Corrective Action Plan (CAP). The Provider hereby

agrees to correct all deficiencies identified in the CAP in a timely manner as determined by the Contract Manager. Failure to comply with the CAP shall subject the Provider to enforcement actions as described in this Contract.

13.2 The Alliance will perform administrative, fiscal, and programmatic monitoring of the provider to ensure contractual compliance, fiscal accountability, programmatic performance, and compliance with applicable state and federal laws and regulations. The Provider will supply progress reports, including data reporting requirements as specified by the Alliance or the Department to be used for monitoring progress or performance of the contractual services. Examples of review criteria are surplus/deficit reports, independent audits, internal controls, reimbursement requests, subcontractor monitoring, targeting, program eligibility, outcome measures, service provision to clients, data integrity, client satisfaction, and client file reviews.

13.3 Service Cost Reports (SCR) – The Provider shall submit a SCR to the Alliance annually, but no later than ninety (90) calendar days after the Provider Fiscal Year ends. The SCR shall reflect the actual costs of providing each service by program for the preceding contract year. Costs associated with services provided under this contract shall only include allowable direct and indirect costs as defined by applicable state law. Failure to submit an accurate SCR no later than ninety (90) calendar days after the Provider Fiscal Year End may result in withholding invoice payment. If the Provider desires to renegotiate its reimbursement rates, the Provider shall make a request in writing to the Alliance, with the inclusion of a Unit Cost Methodology, in accordance with the Alliance's approved Reimbursement Rate Review Policy, which is incorporated by reference.

14. Provision of Services

The Provider shall provide the services referred to in ATTACHMENT VII in the manner described in the Handbook and the procurement documents leading to this contract. In the event of a conflict between the Service Provider Application and this contract, the contract language prevails.

15. Coordinated Monitoring with Other Agencies

If the Provider receives direct, or pass through funding from one or more other State of Florida human service agencies, in addition to the Department of Elder Affairs funding passed through the Alliance, it is expected that the provider cooperates with all monitors, inspectors, and/or investigators should a state agency joint inquiry or investigation begin.

16. Indemnification

The Provider shall indemnify, save, defend, and hold harmless the Department and the Alliance and its agents and employees from any and all claims, demands, actions, causes of action of whatever nature or character, arising out of or by reason of the execution of this agreement or performance of the services provided for herein. It is understood and agreed that the Provider is not required to indemnify the Alliance for claims, demands, actions or causes of action arising solely out of the Alliance's negligence.

17. Insurance and Bonding

17.1 Provider must provide continuous adequate liability insurance and worker's compensation insurance coverage, during the existence of this contract, and during any renewal(s) or extension(s) of it. The Alliance shall be included as an additional insured on the provider's liability insurance policy or policies and a copy of the Certificate of Insurance shall be provided annually or when any changes occur. The Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this contract. Upon execution of this Contract, the Provider shall furnish the Alliance written verification supporting both the determination and existence of such insurance coverage. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this contract. The Provider shall ensure that the Alliance has the most current written verification of insurance coverage throughout the term of this contract. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The Department and the Alliance reserve the right to require additional insurance as specified by this contract.

17.2 Throughout the term of this agreement, the Provider shall maintain an insurance bond from a responsible commercial insurance company covering all officers, directors, employees and agents of the Provider authorized to handle funds received or disbursed under all agreements and/or contracts incorporating this contract by reference in an amount

commensurate with the funds handled, the degree of risk as determined by the insurance company and consistent with good business practices.

18. Confidentiality of Information

The Provider shall not use or disclose any information concerning a recipient of services under this contract for any purpose prohibited by state or federal law or regulations except with the written consent of a person legally authorized to give that consent or when authorized by law.

19. Health Insurance Portability and Accountability Act

Where applicable, the Provider shall comply with the Health Insurance Portability and Accountability Act (42 USC 1320d.), as well as all regulations promulgated thereunder (45 CFR 160, 162, and 164).

20. Incident Reporting

22.1 The Provider shall notify the Alliance immediately but no later than forty-eight (48) hours from the Provider's awareness or discovery of conditions that may materially affect the Provider's, subcontractor's or vendor's ability to perform the services required to be performed under any contract. Such notice shall be made orally to the Contract Manager (by telephone) with an email to immediately follow.

22.2 The Provider shall immediately report knowledge or reasonable suspicion of abuse, neglect, or exploitation of a child, aged person, or disabled adult to the Florida Abuse Hotline on the statewide toll-free telephone number (1-800-.96ABUSE). As required by Chapters 39 and 415, F.S., this provision is binding upon the Provider, subcontractors, vendors, and their employees.

21. Bankruptcy Notification

If, at any time during the term of this contract, the Provider, its assignees, subcontractors, vendors or affiliates files a claim for bankruptcy, the Provider must immediately notify the Alliance. Within ten (10) days after notification, the Provider must also provide the following information to the Alliance: (1) the date of filing of the bankruptcy petition; (2) the case number; (3) the court name and the division in which the petition was filed (e. g., Northern District of Florida, Tallahassee Division); and, (4) the name, address, and telephone number of the bankruptcy attorney.

22. Sponsorship and Publicity

22.1 As required by s. 286.25, F.S., if the Provider is a non-governmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this contract, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (**Monroe County Board of County Commissioners, Social Services/In-Home Services,**), the State of Florida Department of Elder Affairs and the Alliance for Aging, Inc." If the sponsorship reference is in written material, the words "State of Florida, Department of Elder Affairs" and "Alliance for Aging, Inc." shall appear in at least the same size letters or type as the name of the organization.

22.2 The Provider shall not use the words "The State of Florida Department of Elder Affairs" or "Alliance for Aging, Inc." to indicate sponsorship of a program otherwise financed, unless specific authorization has been obtained by the Alliance prior to use.

23. Assignments

23.1 The Provider shall not assign the rights and responsibilities under this contract without the prior written approval of the Alliance, which shall not be unreasonably withheld. Any sublicense, assignment, or transfer otherwise occurring without prior written approval of the Alliance will constitute a material breach of the contract.

23.2 This contract shall remain binding upon the successors in interest of either the Provider or the Alliance.

24. Subcontracts

24.1 The Provider is responsible for all work performed and for all commodities produced pursuant to this contract, whether actually furnished by the Provider or its subcontractors. Any subcontracts shall be evidenced by a written document and subject to any conditions of approval the Alliance deems necessary. The Provider further agrees that the Alliance will not be liable to the subcontractor in any way or for any reason. The Provider, at its expense, shall defend the Alliance against any such claims.

24.2 The Provider shall promptly pay any subcontractors upon receipt of payment from the Alliance or other state agency. Failure to make payments to any subcontractor in accordance with s. 287.0585, Fla. Stat., unless otherwise stated in this contract between the Provider and subcontractor, will result in a penalty as provided by statute.

24.3 The Provider shall programmatically monitor, at least once per year, each of its Subrecipients. The Provider shall perform programmatic monitoring to ensure contractual compliance, and programmatic performance and compliance with applicable state and federal laws and regulations. The Provider shall monitor to ensure that time schedules are met; the budget and scope of work are accomplished within the specified time periods, and other performance goals. The Provider shall also perform fiscal and administrative monitoring for all subrecipients to ensure fiscal accountability.

24.4 The Provider shall award subcontracts in a manner that offers maximum free and open competition. Such subcontract awards must conform with the Alliance's procurement policy and be performed at a minimum of every six years.

24.5 The Provider shall dedicate the staff necessary to meet the obligations of this contract and ensure that subcontractors dedicate adequate staff, accordingly. The provider shall ensure that the staff responsible for performing any duties or functions within this contract has the qualifications as specified in the Department's Programs and Services Handbook.

25. Service Cost Reports (SCR)

The Provider shall submit a SCR to the Alliance annually, but no later than ninety (90) calendar days after the Provider Fiscal Year ends. The SCR shall reflect the actual costs of providing each service by program for the preceding contract year. Costs associated with services provided under this contract shall only include allowable direct and indirect costs as defined by applicable state law. If the Provider desires to renegotiate its reimbursement rates, the Provider shall make a request in writing to the Alliance, in accordance with the Section II.4.G.

26. Funding Obligations:

26.1 The Alliance for Aging, Inc. acknowledges its obligation to pay the Provider for the performance of the Provider's duties and responsibilities set forth in this Contract.

26.2 The Alliance shall not be liable to the Provider for costs incurred or performance rendered unless such costs and performances are strictly in accordance with the terms of this contract, including but not limited to terms governing the Provider's promised performance and unit rates and/or reimbursement capitations specified.

26.3 The Alliance shall not be liable to the Provider for any expenditures which are not allowable costs as defined in 2 CFR Part 200 and 45 CFR Part 92, as amended, or which expenditures have not been made in accordance with all applicable state and federal rules.

26.4 The Alliance shall not be liable to the Provider for expenditures made in violation of regulations promulgated under the Older Americans

27. Independent Capacity of Provider

It is the intent and understanding of the Parties that the Provider, or any of its subcontractors and/or vendors, are independent contractors and are not employees of the Alliance and shall not hold themselves out as employees or agents of the Alliance without specific authorization from the Alliance. It is the further intent and understanding of the Parties that the Alliance does not control the employment practices of the Provider and shall not be liable for any wage and hour, employment discrimination, or other labor and employment claims against the Provider or its subcontractors and/or vendors. All deductions for social security, withholding taxes, income taxes, contributions to unemployment compensation funds and all necessary insurance for the Provider shall be the sole responsibility of the Provider.

28. Payment

28.1. Payments shall be made to the Provider as services are rendered and invoiced by the Provider. The Alliance will have final approval of the invoice for payment and will approve the invoice for payment only if the Provider has met all terms and conditions of the contract, unless the bid specifications, purchase order, or this contract specify otherwise. The approved invoice will be submitted to the Alliance's fiscal department for budgetary approval and processing per ATTACHMENT VIII.

28.2 The Provider shall maintain documentation to support payment requests which shall be available to the Department of Financial Services, the Department, or the Alliance upon request. Invoices must be submitted in sufficient detail for a proper pre audit and post audit thereof. The Provider shall comply with all state and federal laws governing payments to be made under this contract including, but not limited to the following: ss. 216.181(16)(a) & (b), 215.422, Fla. Stat., and the Invoice Requirements of the Reference Guide for State Expenditures from the Department of Financial Services at https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/manuals/agencies/reference-guide-for-state-expenditures.pdf?sfvrsn=b4cc3337_6

28.3 The Provider shall maintain detailed documentation to support each item on the itemized invoice or payment request for cost reimbursed expenses, fixed rate or deliverables, for this contract, including paid subcontractor invoices, and will be produced upon request by the Alliance. The Provider shall only request reimbursement for allowable expenses as defined in the laws and guiding circulars cited in this Contract section 6, in the Reference Guide for State Expenditures, and any other laws or regulations, as applicable.

28.4 The Provider and subcontractors shall provide units of deliverables, including reports, findings, and drafts as specified in this contract to be received and accepted by the Alliance prior to payment.

29. Return of Funds

The Provider will return to the Alliance any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms and conditions of this contract that were disbursed to the Provider by the Alliance. In the event that the Provider or its independent auditor discovers that an overpayment has been made, the Provider shall repay said overpayment immediately without prior notification from the Alliance. In the event that the Alliance first discovers an overpayment has been made, the Contract Manager, on behalf of the Alliance, will notify the Provider of such findings. The Alliance may deduct the overpayment from the invoice most recently submitted but net yet paid, even if from a different program or contract year. Should repayment not be made forthwith, the Provider will be charged at the lawful rate of interest on the outstanding balance pursuant to s. 55.03, F.S., after Alliance notification or Provider discovery.

30. Data Integrity and Safeguarding Information

The Provider and its subcontractors and/or vendors shall ensure an appropriate level of data security for the information the Provider is collecting or using in the performance of this contract. An appropriate level of security includes approving and tracking all Provider employees that request system or information access and ensuring that user access has been removed from all terminated employees. The Provider, among other requirements, must anticipate and prepare for the loss of information processing capabilities. All data and software shall be routinely backed up to ensure recovery from losses or outages of the computer system. The security over the backed-up data is to be as stringent as the protection required of the primary systems. The Provider shall ensure all subcontractors and/or vendors maintain written procedures for computer system back-up and recovery. The Provider shall, prior to execution of this agreement, complete the Certification Regarding Data Integrity Compliance for Agreements, Grants, Loans, and Cooperative Agreements prior to the execution of this contract. as part of ATTACHMENT IV.

31. Social media and Personal Cell Phone use:

31.2 Social Media Defined. The term Social Media and /or personal cellular communication includes, but is not limited to, social networking websites, blogs, podcasts, discussion forums, RSS feeds, video sharing, SMS (including Direct Messages (DMs), iMessages, text messages, etc.); social networks like Instagram, TikTok, Snapchat, Google Hangouts, WhatsApp, Signal, Facebook, Pinterest, and Twitter; and content sharing networks such as Flickr and

YouTube. This includes the transmission of social media through any cellular or online transmission via any electronic, internet, intranet, or other wireless communication.

31.3 **Application to any direct or incidental DOEA or other state business.** This contract applies to any DOEA or other state business conducted on any of the Provider's, Subcontractor's, or their employees' social media accounts or through personal cellular communication.

31.4 **Application to DOEA and Providers Equipment.** This contract applies regardless of whether the social media is accessed using DOEA's IT facilities and equipment or equipment belonging to Provider, Subcontractor, or their respective employees. Equipment includes, but is not limited to, personal computers, cellular phones, personal digital assistants, smart watches, or smart tablets.

31.5 **Florida Government in the Sunshine, Florida Public Records Law, and HIPAA.** Provider acknowledges that any DOEA or other state business conducted by social media or through personal cellular communication is subject to Florida's Government in the Sunshine Law, Florida's Public Records Law (Chapter 119, Florida Statutes), and the Health Insurance Portability and Accountability Act (HIPAA). Compliance with these laws and other applicable laws are further detailed in the contract.

31.6 **Prohibited or Restricted Postings.**
Any social media posts which include photos, videos, or names of clients, volunteers, staff, or other affiliates of DOEA may only be posted when authorized by law and when any required HIPAA authorizations and any other consents or authorizations required pursuant to federal, or state law are on file with the Provider's records.

31.7 **Assist DOEA with Communications.** Contractors may be asked periodically to assist in distributing certain DOEA communications through their social media outlets. Any such requests should be posted in adherence to the social media requirements herein and the other provisions of this contract.

32. **Conflict of Interest**
The Provider shall establish safeguards to prohibit employees, board members, management and subcontractors from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest or personal gain.

No employee, officer, or agent of the Provider or subcontractor shall participate in selection, or in the award of an agreement supported by state or federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when: (a) the employee, officer, or agent; (b) any member of his/her immediate family; (c) his or her partner; or (d) an organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The Provider or subcontractor's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from Providers, potential Providers, or parties to subcontracts.

Pursuant to Chapter 4, Section 2 of the Handbook, no Provider may employ, in any capacity, any member of its governing board or any family member of a person on the board or family member of its Executive Director.

The Providers' board members and management must disclose to the Alliance any relationship which may be, or may be perceived to be, a conflict of interest within thirty (30) calendar days of an individual's original appointment or placement in that position, or if the individual is serving as an incumbent, within thirty (30) calendar days of the commencement of this contract. The Providers' employees and subcontractors must make the same disclosures described above to the Providers' Board of Directors. Compliance with this provision will be monitored.

33. **Public Entity Crime**
Pursuant to s. 287.133, F.S., a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Provider, supplier, sub-Provider, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017, F.S., for Category Two for a period of 36 months following the date of being placed on the convicted vendor list. If the Provider or any of its

officers or directors is convicted of a public entity crime during the period of this agreement, the Provider shall notify the Alliance immediately. Non-compliance with this statute shall constitute a breach of this agreement.

34. Purchasing:

34.1 The Provider shall procure products and/or services required to perform this contract in accordance with section 413.036, F.S.

34.1.1 IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT ANY ARTICLES THAT ARE THE SUBJECT OF, OR REQUIRED TO CARRY OUT, THIS CONTRACT SHALL BE PURCHASED FROM A NONPROFIT AGENCY FOR THE BLIND OR FOR THE SEVERELY HANDICAPPED THAT IS QUALIFIED PURSUANT TO CHAPTER 413, FLORIDA STATUTES, IN THE SAME MANNER AND UNDER THE SAME PROCEDURES SET FORTH IN SECTION 413.036(1) AND (2), FLORIDA STATUTES; AND FOR PURPOSES OF THIS CONTRACT THE PERSON, FIRM, OR OTHER BUSINESS ENTITY CARRYING OUT THE PROVISIONS OF THIS CONTRACT SHALL BE DEEMED TO BE SUBSTITUTED FOR THE STATE AGENCY INSOFAR AS DEALINGS WITH SUCH QUALIFIED NONPROFIT AGENCY ARE CONCERNED.

34.1.2 Pursuant to sections 413.036(1) and (4), F.S., the Provider shall not be required to procure a product or service from RESPECT if: (a) the product or service is not available within a reasonable delivery time, (b) the Provider is required by law to procure the product or service from any agency of the state, or (c) the Provider determines that the performance specifications, price, or quality of the product or service is not comparable to the Provide's requirements.

34.1.3 This act shall have precedence over any law requiring state agency procurement of products or services from any other nonprofit corporation unless such precedence is waived by the alliance or the Department in accordance with its rules.

34.1.4 Additional information about the designated nonprofit agency and the products it offers is available at http://www.respectofflorida.org.

34.2 The Provider shall procure any recycled products or materials which are the subject of, or are required to carry out, this contract when the Department of Management Services determines that those products are available, in accordance with the provisions of section 403.7065, F.S.

34.3 The Provider shall procure products and/or services required to perform this contract in accordance with section 946.515, F.S.

34.3.1 IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT ANY ARTICLES WHICH ARE THE SUBJECT OF, OR REQUIRED TO CARRY OUT, THIS CONTRACT SHALL BE PURCHASED FROM THE CORPORATION IDENTIFIED UNDER CHAPTER 946, F.S., IN THE SAME MANNER AND UNDER THE SAME PROCEDURES SET FORTH IN SECTION 946.515(2) AND (4), F.S.; AND FOR PURPOSES OF THIS CONTRACT THE PERSON, FIRM, OR OTHER BUSINESS ENTITY CARRYING OUT THE PROVISIONS OF THIS CONTRACT SHALL BE DEEMED TO BE SUBSTITUTED FOR THIS AGENCY INSOFAR AS DEALINGS WITH SUCH CORPORATION ARE CONCERNED.

34.3.2 The corporation identified is Prison Rehabilitative Industries and Diversified Enterprises, Inc. (PRIDE). Additional information about PRIDE and the commodities or contractual services it offers is available at https://pride-enterprises.org.

34.4 The Provider shall provide a Certified Minority Business Subcontractor Expenditure (CMBE) Report summarizing the participation of certified suppliers for the current reporting period and project to date. The CMBE Report shall include the names, addresses, and dollar amount of each certified participant, and a copy must be forwarded to the Department, Division of Financial Administration, and must accompany each invoice submitted to the Department. The Office of Supplier Diversity (850-487-0915) will assist in furnishing names of qualified minorities. The Department's Minority Coordinator (850-414-2153) will assist with questions and answers. The CMBE Report is

attached to this contract (ATTACHMENT (H).

35. Patents, Copyrights, Royalties

35.1 If this contract is awarded state funding and if any discovery, invention or copyrightable material is developed, produced or for which ownership was purchased in the course of or as a result of work or services performed under this contract the Provider shall refer the discovery, invention or material to the Alliance to be referred to the Department. Any and all patent rights or copyrights accruing under this contract are hereby reserved to the State of Florida in accordance with Chapter 286, F.S. Pursuant to s. 287.0571 (5)(k), as amended, the only exceptions to this provision shall be those that are clearly expressed and reasonably valued in this contract.

35.2 If the primary purpose of this contract is the creation of intellectual property, the State of Florida shall retain an unencumbered right to use such property, notwithstanding any agreement made pursuant to this section.

35.3 If this contract is awarded solely federal funding, the terms and conditions are governed by 2 CFR Part 200.315.

36. Emergency Preparedness and Continuity of Operations

36.1 The Provider shall, within thirty (30) calendar days of the execution of this contract, submit to the Contract Manager verification of an emergency preparedness plan, Continuity of Operations Plan. ("COOP"). In the event of an emergency, the Provider shall notify the Alliance of emergency provisions. The COOP must address continuity of services in weather and non-weather-related emergencies.

36.2 In the event a situation results in a cessation of services by a subcontractor and/or vendor, the Provider shall retain responsibility for performance under this contract and must follow procedures to ensure continuity of operations without interruptions.

36.3 Providers offering nutrition services must have an Alliance approved shelf stable menu with at least 3 days' worth of shelf stable meals with reserved funds set aside to purchase the food items in order to ensure continuity of services without interruptions in weather and no-weather related emergencies.

37. The PUR 1000 Form is hereby incorporated by reference and available at:
http://www.myflorida.com/apps/vbs/adoc/F7740_PUR1000.pdf

In the event of any conflict between the PUR 1000 Form and any terms or conditions of any contract or agreement terms or conditions the contract shall take precedence over the PUR 1000 Form. However, if the conflicting terms or conditions in the PUR 1000 Form are required by any section of the Florida Statutes, the terms or conditions contained in the PUR 1000 Form shall take precedence.

38. Use of State Funds to Purchase or Improve Real Property
No funds under this contract will be used by the Provider to purchase or improve Real Property.
Any state funds provided for the purchase of or improvements to real property are contingent upon the Provider or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

39. Dispute Resolution
Any dispute concerning the performance of this contract shall be decided by the Contract Manager, who shall reduce the decision to writing and serve a copy on the Provider.

40. Financial Consequences
If the Provider fails to meet the minimum level of service or performance identified in this contract, the Alliance shall impose financial consequences as stated in Attachment I.

41. No Waiver of Sovereign Immunity
Nothing contained in this agreement is intended to serve as a waiver of sovereign immunity by any entity to which sovereign immunity may be applicable.

42. **Venue**
If any dispute arises out of this contract, the venue of such legal recourse will be Miami-Dade County, Florida.

43. **Entire Contract**
This contract contains all the terms and conditions agreed upon by the parties. No oral agreements or representations shall be valid or binding upon the Alliance or the Provider unless expressly contained herein or by a written amendment to this contract signed by both Parties.

44. **Force Majeure**
The Parties will not be liable for any delays or failures in performance due to circumstances beyond their control, provided the party experiencing the force majeure condition provides immediate written notification to the other party and takes all reasonable efforts to cure the condition.

45. **Severability Clause**
The Parties agree that if a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision and shall remain in full force and effect.

46. **Condition Precedent to Contract: Appropriations**
The Parties agree that the Alliance's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.

47. **Addition/Deletion**
The Parties agree that notwithstanding the terms of the procurement documents and actions leading to this contract, the Alliance reserves the right to add or to delete any of the services required under this contract when deemed to be in the best interest of the elder population targeted by the Area Plan and reduced to a written amendment signed by both Parties. The Parties shall negotiate compensation for any additional services added.

48. **Waiver**
The delay or failure by the Alliance to exercise or enforce any of its rights under this contract shall not constitute or be deemed a waiver of the Alliance's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

49. **Compliance**
The Provider shall abide by all applicable current federal statutes, laws, rules and regulations as well as applicable current state statutes, laws, rules and regulations, policies of the Alliance and the Department, and the terms of this contract. The Parties agree that failure of the Provider to abide by these laws, rules, regulations, policies, and terms of this contract shall be deemed an event of default of the Provider and subject the Provider to disciplinary action including corrective action, unannounced special monitoring, temporary assumption of the operation of one or more contractual services, placement of the Provider on probationary status, imposing a moratorium on Provider action, imposing financial penalties for nonperformance or noncompliance, or other administrative action to immediate, unilateral contract cancellation at the discretion of the Alliance.

If the Alliance finds that the Provider fails to abide by all applicable current federal and state statutes, laws, rules and regulations, as well as conditions of this contract, the Alliance shall provide the Provider a Notice of Violation which shall include a concise statement of the specific violations of the Provider and the facts relied upon to establish the violation.

Upon receipt of the Notice of Violation, the Provider shall have twenty-one (21) days to respond to the Notice of Violation. The Provider's response must include a statement of any disputed issues of material fact and a concise statement of the specific facts the Provider contends warrant reversal or deviation from the Alliance's proposed action, including an explanation of how the alleged facts relate to the specific rules, statutes, or contractual term.

Failure of the Provider to respond to the Notice of Violation within twenty-one (21) days shall be deemed a waiver of the rights outlined above and the Alliance will proceed against the Provider by default.

The Alliance, upon receiving a timely filed response to a Notice of Violation, will forward the response and all accompanying documentation to the Contract Manager to review and consider. The Contract Manager shall, within 30 days after the receipt of the Provider's response, file an order which lays out the final determination of disciplinary action by the Alliance.

50. Final Invoice

The Provider shall submit the final invoice for payment to the Alliance as specified in section 3.4.7 (date for final request for payment) of ATTACHMENT I. If the Provider fails to submit final request for payment by the deadline, then all rights to payment may be forfeited and the Alliance may not honor any requests submitted after the aforesaid time period. Any payment due under the terms of this contract may be withheld until all reports due from the Provider and necessary adjustments thereto have been approved by the Alliance.

51. Modifications

Modifications of the provisions of this contract shall be valid only when they have been reduced to writing and duly signed by both parties.

52. Suspension of Work:

The Alliance may in its sole discretion suspend any or all activities under this contract and any contract or agreement incorporating in this contract, at any time, when in the best interests of the State to do so. The Alliance shall provide the Provider written notice outlining the particulars of suspension. Examples of the reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Provider shall comply with the notice and shall not accept any purchase orders. Within ninety days, or any longer period agreed to by the Provider, the Alliance shall either (1) issue a notice authorizing resumption of work, at which time activity shall resume, or (2) terminate the contract or purchase order. Suspension of work shall not entitle the Provider to any additional compensation.

53. Termination

53.1 Termination for Convenience. This contract may be terminated by either party without cause upon no less than thirty (30) calendar days' notice in writing to the other party unless a sooner time is mutually agreed upon in writing. Said notice shall be delivered by U.S. Postal Service with verification of delivery or any expedited delivery service that provides verification of delivery or by hand delivery to the Alliance Contract Manager or the representative of the Provider responsible for administration of the contract. The Provider shall not furnish any product after it receives notice of termination, except as necessary to complete the continued portion of the contract, if any. The Provider shall not be entitled to recover any cancellation charges or lost profits. See notes on email regarding this paragraph.

53.2 Termination for Cause. The Alliance may terminate this contract if the Provider fails to (1) deliver the product within the time specified in the contract or any extension, (2) maintain adequate progress, thus endangering performance of the contract, (3) honor any term of the contract, (4) abide by any statutory requirement, regulatory requirement, licensing requirement, or Department policy or (5) in the event funds for payment become unavailable for this contract. The Alliance will be the final authority as to the availability and adequacy of funds. In the event of termination of this contract, the Provider will be compensated for any work satisfactorily completed prior to the date of termination. Rule 60A- 1.006(3), F.A.C., governs the procedure and consequences of default. The Provider shall continue work on any work not terminated. Except for defaults of subcontractors at any tier, the Provider shall not be liable for any excess costs if the failure to perform the contract arises from events completely beyond the control, and without the fault or negligence, of the Provider. If the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both the Provider and the subcontractor, and without the fault or negligence of either, the Provider shall not be liable for any excess costs for failure to perform, unless the subcontracted products or services were obtainable from other sources in sufficient time for the Provider to meet the required delivery schedule. If, after termination, it is determined that the Provider was not in default, or that the default was excusable, the rights and obligations of the Parties shall be the same as if the termination had been issued for the convenience of the Alliance. The rights and remedies of the Alliance in this clause are in addition to any other rights and remedies provided by law or under the contract.

53.3 Upon expiration or termination of this contract, the Provider and subcontractors shall transfer all public records in its possession to the Alliance and destroy any duplicate public records that are exempt or confidential and exempt from public records, disclosure requirements at no cost to the Alliance. All electronically stored records shall be

provided to the Alliance in a format that is compatible with the Alliance's information technology system(s).

54. Successors

This contract shall remain binding upon the successors in the interest of either the Alliance or the Provider, subject to the assignment provisions in Section 22 above.

55. Electronic Records and Signature

55.1 The Alliance authorizes, but does not require, the Provider to create and retain electronic records and to use electronic signatures to conduct transactions necessary to carry out the terms of this contract. A Provider that creates and retains electronic records and uses electronic signatures to conduct transactions shall comply with the requirements contained in the Uniform Electronic Transaction Act, s. 668.50, F.S.. All electronic records must be fully auditable; are subject to Florida's Public Records Law, Ch. 119, F.S.; must comply with Section 29, Data Integrity and Safeguarding Information; must maintain all confidentiality, as applicable; and must be retained and maintained by the Provider to the same extent as non-electronic records are retained and maintained as required by this contract.

55.2 The Alliance's authorization pursuant to this section does not authorize electronic transactions between the Provider and the Alliance. The Provider is authorized to conduct electronic transactions with the Alliance only upon further written consent by the Alliance.

55.3 Upon request by the Alliance, the Provider shall provide the Alliance or Department with non-electronic (paper) copies of records. Non-electronic (paper) copies provided to the Alliance of any document that was originally in electronic form with an electronic signature must indicate the person and the person's capacity who electronically signed the document on any non-electronic copy of the document.

56. Special Provisions:

The Provider agrees to the following provisions:

56.1 **Investigation of Criminal Allegations**:

Any report that implies criminal intent on the part of the Provider or any subcontractors and/or vendors and was referred to a governmental or investigatory agency must be sent to the Alliance. If the Provider has reason to believe that the allegations will be referred to the State Attorney, a law enforcement agency, the United States Attorney's office, or other governmental agency, the Provider shall notify the Alliance immediately. A copy of all documents, reports, notes or other written material concerning the investigation, whether in the possession of the Provider, its subcontractors, or vendors, must be sent to the Alliance's contract manager with a summary of the investigation and allegations.

56.2 **Volunteers:**

The Provider shall ensure the use of trained volunteers in providing direct services delivered to older individuals and individuals with disabilities needing such services. If possible, the Provider shall work in coordination with organizations that have experience in providing training, placement, and stipends for volunteers or participants (such as organizations carrying out federal service programs administered by the Corporation for National and Community Service), in community service settings.

56.3 **Enforcement**:

56.3.1 In accordance with s. 430.04, F.S., the Alliance may, without taking any intermediate measures available to it against this contract rescind this contract if the Alliance finds that:

56.3.2 An intentional or negligent act of the Provider has materially affected the health, welfare, or safety of clients served pursuant to any contract or agreement, or substantially and negatively affected the operation of services covered under any contract or agreement;

56.3.3 The Provider lacks financial stability sufficient to meet contractual obligations or that contractual funds have been misappropriated;

56.3.4 The Provider has committed multiple or repeated violations of legal and regulatory standards, regardless of whether such laws or regulations are enforced by the Alliance, or the Provider has committed or repeated violations of Alliance standards;

56.3.5 The Provider has failed to continue the provision or expansion of services after the declaration of a state of emergency; and/or

56.3.6 The Provider has failed to adhere to the terms of any contract or agreement incorporating in this Contract.

56.3.7 In the alternative, the Alliance may, at its sole discretion, in accordance with section 430.04, F.S., take immediate measures against the Provider, including: corrective action, unannounced special monitoring, temporary assumption of the operation of one or more contractual services, placement of the Provider on probationary status, imposing a moratorium on Provider action, imposing financial penalties for nonperformance, or other administrative action pursuant to Chapter 120, F.S.

56.4 In making any determination under this provision the Alliance may rely upon the findings of another state or federal agency, or other regulatory body. Any claims for damages for breach of any contract or agreement are exempt from administrative proceedings and shall be brought before the appropriate entity in the venue of Miami-Dade County.

56.5 **Use of Service Dollars**:
The Provider will optimize the use of contract funds by serving the maximum possible number of individuals with the services allowed by this contract. The Provider will spend all funds provided by this contract to provide such services.

56.6 **Surplus/Deficit Report**
The Provider will submit a consolidated surplus/deficit report in a format provided by the Alliance to the Alliance's Contract Manager in conjunction with the required monthly billing submission. This report is for this contract between the Provider and the Alliance. The report will include the following:

56.6.1 The Provider's detailed plan on how the surplus or deficit spending exceeding the 1% threshold will be resolved;

56.6.2 Number of clients currently on the APCL, that receive a priority ranking score of four (4) or five (5);

56.6.3 Number of clients currently on the APCL designated as Imminent Risk.

56.6.4 Number of clients served and Aging and Disability Resource Center ("ADRC") client contacts,

In accordance with its surplus/deficit management policies, in order to maximize available funding and minimize the time that potential clients must wait for services, the Alliance in its sole discretion can reduce funding awards if the Provider is not spending according to monthly plans and is projected to incur a surplus at the end of the year

56.7 **Training**:
The Provider will attend all required trainings and meetings schedule by the Alliance.

57. Contract Manager
The Alliance may substitute any Alliance employee to serve as the Contract Manager.

ALLIANCE FOR AGING, INC.
STATEMENT OF WORK
OLDER AMERICANS ACT

SECTION I: SERVICES TO BE PROVIDED

A. ALLIANCE FOR AGING, INC. MISSION STATEMENT

The Alliance mission is to promote and advocate for the optimal quality of life for older adults and their families.

B. DEFINITION OF TERMS

Area Plan: A plan developed by the Area Agency on Aging outlining a comprehensive and coordinated service delivery system in its planning and service area in accordance with the Section 306 (42 U.S.C. 3026) of the Older Americans Act and DOEA instructions.

Area Plan Update: A revision to the area plan wherein the Alliance enters OAA specific data in the CIRTS. An update may also include other revisions to the area plan as instructed by the DOEA.

Child: An individual who is not more than 18 years of age or an individual with disability.

Criteria: A standard which the Administration on Aging/Administration for Community Living set for the Title IIID Program. AoA/ACL's standard criterion consists of three tiers: Minimal Criteria, Intermediate Criteria, and Highest-Level Criteria.

Family Caregiver: An adult family member, or another individual, who is an informal provider of in-home and community care to an older individual.

Frail: When an older individual is unable to perform at least two activities of daily living ("ADL") without substantial human assistance, including verbal reminding, physical cueing or supervision; or due to cognitive or other mental impairment, requires substantial supervision because the individual behaves in a manner that poses a serious health or safety hazard to the individual or to another individual.

Grandparent: A grandparent or step-grandparent of a child, or a relative of a child by blood, marriage or adoption and who lives with the child; is the primary caregiver of the child because the biological or adoptive parents are unable or unwilling to serve as the primary caregiver of the child; and has a legal relationship to the child, such as legal custody or guardianship, or is raising the child informally.

Living Healthy: Also known as CDSMP for the State of Florida.

C. GENERAL DESCRIPTION

1. **General Statement**
   The primary purpose of the OAA Program is to foster the development and implementation of comprehensive and coordinated systems to serve older individuals. These systems assist older individuals to attain and maintain maximum independence with supportive services.

   The NSIP provides incentives for the effective delivery of nutritious meals to older individuals. NSIP allows programs to increase the number and/or the quality of meals served. NSIP is a cash allotment or commodity program that supplements funding or food used in meals served under the OAA. Florida has opted for cash payments in lieu of donated foods.

2. **Authority**
   All applicable federal laws, regulations, action transmittals, program instructions, review guides and similar documentation related to the following:

   a. Catalog of Federal Domestic Assistance No. 93.043, 93.044, 93.045, 93.052, and 93.053;

b. Older Americans Act of 1965, as amended 2016;
c. 42 U.S.C. §303, 42 U.S.C. §604;
d. Rule 58A-1, Florida Administrative Code (FAC);
e. Section 430.101, Florida Statutes (F.S.); and
f. DOEA Programs and Services Handbook,
http://www.allianceforaging.org/providers/program-documents

3. **Scope of Service**
The Provider is responsible for coordinating and assessing the needs of older persons and assuring the availability of quality services. The services shall be provided in a manner consistent with and described in the Providers Service Provider Application (SPA) as submitted with the 2024 OAA RFP, and any revisions thereto approved by the AAA, and the current DOEA Programs and Services Handbook and all subsequent amendments and revisions to the Handbook, which are hereby incorporated by reference. In the event of conflict between the SPA and the Handbook, the Handbook prevails.

The Provider is responsible for adherence to the Area Plan and any amendments to the Area Plan.

4. **Major Program Goals**
The major goals of the OAA program are to improve older individual's quality of life, preserve their independence, and prevent or delay their need for costlier institutional care. These goals are achieved through the implementation of a comprehensive and coordinated service system that provides a continuum of service alternatives and effective delivery of nutritious meals that meet the diverse needs of elders and their caregivers.

5. **Leadership and Advocacy**
As a designated Focal Point, a provider is encouraged to provide coordination of services for older individuals. The Provider must also provide community leadership on aging issues and serve as the advocate and focal point for the elderly within the community in cooperation with agencies, organizations and individuals participating in activities funded by the Alliance. Advocacy should include initiating positive changes in public or private policies and attitudes towards older persons, taking action to improve, modify, or eliminate situations which adversely impact on lives of older persons, or expressing support for older persons and their interests. Advocacy activities may be broadly supportive of the general interests of older persons or may involve specific activities on behalf of individuals.

D. CLIENTS TO BE SERVED

1. General Description
Preference shall be given to those with the greatest economic and social needs, with particular attention to low-income older individuals, including those that are low-income minorities, have limited English proficiency, and older individuals residing in rural areas.

2. OAA Title III, General Client Eligibility
Consumers shall not be dually enrolled in an OAA program, and a Medicaid capitated long-term care program, with the exception of consumers in need of OAA Legal Assistance services and OAA Congregate Nutrition Services, including transportation services to and from congregate meal sites.

2.1 OAA Title IIIB, Supportive Services, Client Eligibility

a. Individuals age 60 or older

2.2 OAA Title IIIC1, Congregate Nutrition Services
In addition to meeting the general nutrition services eligibility requirements listed in ATTACHMENT I, Paragraph 1.4.1.3 individuals must be mobile, not homebound and physically, mentally and medically able to attend a congregate nutrition program. Individuals eligible to receive congregate meals include:

a. Individuals age 60 or older; and
b. Any spouse (regardless of age) who attends the dining center with his/her eligible spouse;

c. Persons with a disability, regardless of age, who reside in a housing facility occupied primarily by older individuals where congregate nutrition services are provided;
d. Disabled persons who reside at home with and accompany an eligible person to the dining center; and
e. Volunteers, regardless of age, who provide essential services on a regular basis during meal hours.

2.3 OAA Title IIIC2, Home Delivered Nutrition Services

In addition to meeting the general nutrition services eligibility requirements listed in ATTACHMENT I, Paragraph 1.4.1.3, individuals must be homebound and physically, mentally or medically unable to attend a congregate nutrition program. Individuals eligible to receive home delivered meals include the following:

a. Individuals aged 60 or older who are incapacitated or unable to attend a congregate nutrition site due to illness, disability, isolation, or caring for a loved one who is ill at home;
b. Individuals aged 60 or older who are unable to attend a congregate nutrition site due to teeth and mouth issues which makes it difficult to eat in public;
c. A home delivered meals recipient's spouse, regardless of age, if the provision of the collateral meal supports maintaining the person at home;
d. Individuals with disabilities, regardless of age, who reside at home with home delivered meals recipients and are dependent on them for care;
e. Persons at nutritional risk who have physical, emotional, or behavioral conditions, which would make their presence at the congregate site inappropriate;
f. Persons at nutritional risk who are socially or otherwise isolated, including those who are self-isolating at home due to potential health risks, and unable to attend a congregate nutrition site; or
g. Individuals age 60 or older who are unable to prepare meals due to a lack of or inadequacy of facilities, an inability to shop, cook, or prepare meals safely, or a lack of appropriate knowledge or skill.

2.4 OAA Titles IIIC1 and IIIC2, Nutrition Services, Client Edibility

General factors that should be considered in establishing priority for nutrition services include those older persons who meet the following:

a. Cannot afford to eat adequately;
b. Lack the skills or knowledge to select and prepare nourishing and well-balanced meals;
c. Have limited mobility which may impair their capacity to shop and cook for themselves; or
d. Have a disabling illness or physical condition requiring nutritional support or have been screened at a high nutritional risk.

2.5 OAA Title IIID, Disease Prevention and Health Promotion Services

a. Target individuals aged sixty (60) or older; and
b. Priority will be given to individuals residing in medically underserved areas.

2.6 OAA Title IIIE, Caregiver Support Services, Client Eligibility

a. Family caregivers of individuals aged 60 or older;
b. Grandparents (age 55 or older) or older individuals (age 55 or older) who are relative caregivers;
c. Priority will be given to family caregivers who provide care for individuals with Alzheimer's disease and related disorders with neurological and organic brain dysfunction and for grandparents or older individuals who are relative caregivers who provide care for children with severe disabilities; and
d. For respite and supplemental services, a family caregiver must be providing care for an older individual who meets the definition of the term "frail" in OAA, as per ATTACHMENT I, Section 1.2.

2.7 NSIP

Meals served to an elderly individual, funded in whole or in part under Statewide Medicaid Managed Care Long-Term Care, Home Care for the Elderly, Community Care for the Elderly Programs, or other means tested programs may **not** be included in the NSIP count. OAA-funded congregate meals provided to SMMC LTC clients may be included in the NSIP count.

SECTION II – MANNER OF SERVICE PROVISION

A. Service Tasks

To achieve the goals of the OAA program, the Provider shall ensure the following tasks:

1. **Client Eligibility Determination**
   The Provider shall ensure that applicant data is evaluated annually to determine eligibility prior to rendering services. Eligibility to become a client is based on meeting the requirements described in this contract.

2. **Targeting and Screening of Service Delivery for New Clients:**
   The Provider shall develop and implement policies and procedures consistent with OAA targeting and screening criteria.

3. **Program Services:**
   The Provider shall ensure the provision of a continuum of services that meets the diverse needs of elders and their caregivers. The Provider shall ensure the performance and report performance of the following services are in accordance with the current Handbook.

4. **Program Eligibility Requirements**

   4.1 Eligibility Criteria
   Entities must meet the following criteria to be eligible for program participation:

   4.1.1 An agency that has received a grant under OAA Title III [OAA section 311(42 U.S.C. § 3030a)]: and
   4.1.2 A nutrition service provider that serves meals and is under the jurisdiction, control, management and audit authority of the Area Agency on Aging and the Department.

   4.2 Provider's Nutrition Service Operations
   The Provider shall ensure the nutrition service operations of the Provider meet the requirements of this contract, as well as any other applicable regulations and policies prescribed by the current Handbook, the Department of Health and Human Services, USDA, DOH and local health departments, DBPR, or any other agency designated to inspect meal quality for the State. The Provider must run the DBPR report monthly and agree to notify the Alliance of any sanitation inspections, especially those that include high priority violations and provide a copy of the report to the Alliance within 24 hours. Closures must be reported immediately. All subcontracted food service vendors must provide a written corrective action plan to the Nutrition Provider for any high priority or significant findings on sanitation inspections. The CAPs must be approved by the Provider's registered dietician and submitted to the Alliance to ensure that deficiencies are remedied.

   4.3 Prescribed Nutritional Requirements
   The Provider shall ensure that each meal provided under this contract meets the following criteria:

   4.3.1 Complies with the current Dietary Guidelines for Americans, published by the Secretaries of the Department of Health and Human Services and the Department of Agriculture;
   4.3.2 Provides a minimum of 33 1/3 percent of the dietary reference intakes/adequate intakes for an age 70+ female as established by the Food and Nutrition Board of the National Academy of Sciences; and
   4.3.3 Is served from and approved Alliance menu.
   4.3.4 Food Origin and Commodities Requirements
   4.3.5 Consistent with existing requirements of the NSIP, the Provider and its service providers may use NSIP cash to purchase foods of U.S. origin for their nutrition projects under Title III of the OAA. NSIP funds must be used to expand meal services to older adults.

5. **Monitoring** the performance of its subcontractors and/or vendors

6. **Comply** with the Alliance's Nutrition policies and procedures

B. Staffing Requirements

1. **Staffing Levels**
The Provider shall assign its own administrative and support staff as needed to perform the tasks, responsibilities and duties under this contract and ensure that subcontractors and/or vendors dedicate adequate staff accordingly.

2. **Professional Qualifications**
The Provider shall ensure that the staff responsible for performing any duties or functions within this contract have the qualifications as specified in the Handbook.

3. **Service Times**
The Provider shall ensure the provision of services listed in this contract during normal business hours unless other times are more appropriate that meet the performance requirements of this contract, and it shall monitor its subcontractors and/or vendors to ensure they are available to provide services during hours responsive to client needs and during those times which best meet the needs of the relevant service community.

4. **Use of Volunteers to Expand the Provision of Available Services**
The Provider shall make use of trained volunteers in providing direct services delivered to older individuals and individuals with disabilities needing such services. If possible, the Provider shall work in coordination with organizations that have experience in providing training, placement, and stipends for volunteers or participants (such as organizations carrying out Federal service programs administered by the Corporation for National and Community Service), in community service settings.

5. **Use of Subcontractors and/or Vendors**
If this contract involves the use of a Subcontractor or third party, then the Provider shall not delay the implementation of its agreement with the Subcontractor. If any circumstance occurs that may result in a delay of a period of 60 days or more the initiation of the subcontract or the performance of the Subcontractor, the Provider shall notify the Alliance's Contract Manager in writing of such delay. The Provider shall not permit a Subcontractor to perform services related to this agreement without having a binding Subcontractor agreement executed. In accordance with Section 23 of this Contract, the Alliance will not be responsible or liable for any obligations or claims resulting from such action.

5.1. **Copies of Subcontracts**:
The Provider shall submit a copy of all subcontracts to the Alliance Contract Manager within thirty (30) days of the subcontract being executed.

5.2. **Monitoring the Performance of Subcontractors**:
The Provider shall programmatically monitor, at least once per year, each of its Subrecipients. The Provider shall perform programmatic monitoring to ensure contractual compliance, and programmatic performance and compliance with applicable state and federal laws and regulations. The Provider shall monitor to ensure that time schedules are met; the budget and scope of work are accomplished within the specified time periods, and other performance goals. The Provider shall also perform fiscal and administrative monitoring for all subcontractors to ensure fiscal accountability.

5.3. **Copies of Subcontractor Monitoring Reports**
The Provider shall forward a copy of all subcontractor monitoring reports to the Alliances' Contract Manager within thirty (30) days of the report being issued to the Subcontractors, Subrecipients, Vendors, and/or Consultants.

C. Deliverables
The following section provides the specific quantifiable units of deliverables and source documentation required to evidence the completion of the tasks specified in this contract. The Provider must submit all required documentation in the time and manner specified for the minimum performance levels to be met. Each deliverable must be accepted in writing by the Alliance Contract Manager based on the requirements for each deliverable before the Provider submits an invoice requesting payment.

1. The Provider shall ensure the provision of a continuum of services that meets the diverse needs of elders and their caregivers. The Provider shall ensure the performance and reporting of the following services in accordance with the current DOEA Handbook, and this contract. Documentation of service delivery must include a report consisting of the following: unduplicated number of clients served, number of service units provided by service, and rate per service unit with calculations that equal the total invoice amount.

   The services include the following categories:

   a. **Supportive Services (IIIB Program)**
   Supportive services include a variety of community-based and home-delivered services that support the quality of life for older individuals by helping them remain independent and productive. Services include the following:
   (1) Adult Day Care
   (2) Chore Services
   (3) Companionship
   (4) Counseling (Gerontological)
   (5) Counseling (Mental Health)
   (6) Emergency Alert Response
   (7) Education / Training
   (8) Escort

Services for grandparents or older individuals who are relative caregivers designed to help meet their caregiving obligations include the following:
(1) Sitter
(2) Home Delivered Meals
(3) Homemaker

2. **Service Units**
The Provider shall ensure that the provision of services described in this contract is in accordance with the current DOEA Handbook and the service tasks described in Section II.A. Attachment VII lists the services that can be performed, budget allocation for each service, the number of units of service, and the reimbursement unit rate. Units of service will be paid pursuant to the rate established in Attachment VII.

3. **Administrative Responsibilities**
The Provider shall provide management and oversight of OAA Program operations in accordance with the current DOEA Handbook which include the following:

a. Establish contractual agreements or vendor agreements with appropriate and capable subcontractors, when applicable.
b. Provide technical assistance to subcontractors and vendors to ensure provision of quality services.
c. Monitor and evaluate subcontractors and vendors for appropriate programmatic and fiscal compliance.
d. Appropriately submit payments to subcontractors.
e. Establish procedures for handling recipient complaints and ensure that subcontractors develop and implement complaint procedures to process and resolve client dissatisfaction with services. Complaint procedures shall address the quality and timeliness of services, provider and direct service worker complaints, or any other advice related to complaints other than termination, suspension or reduction in services that require the grievance process as described in Appendix D, Department of Elder Affairs Programs and Services Handbook. The complaint procedures shall include notification to all clients of the complaint procedure and include tracking the date, nature of complaint, and the determination of each complaint.
f. Ensure compliance with Client Information and Registration Tracking System (eCIRTS) regulations.
g. Monitor outcome measures in accordance with targets set by the Department.
h. Conduct client satisfaction surveys to evaluate and improve service delivery.

D. **Reports**
The Provider is responsible for responding in a timely fashion to additional routine and/or special requests for information and reports required by the Alliance. The Provider must establish due dates for any subcontractors and/or vendors that permit the Provider to meet the Alliance's reporting requirements.

1. **Service Cost Report (SCR):**
The Provider shall submit a SCR to the Alliance annually and no later than ninety (90) calendar days after the Provider Fiscal Year end. The SCR shall reflect the actual costs of providing each service by program for the preceding contract year. Failure to submit an accurate SCR no later than ninety (90) calendar days after the Provider Fiscal Year end may result in a withholding of invoice payment.

2. **Surplus/Deficit Report**
The Provider will submit a consolidated surplus/deficit report in a format provided by the Alliance to the Alliance's Contract Manager in conjunction with the required monthly billing submission. This report is for this contract between the Provider and the Alliance. The report will include the following:

   a. The Provider's detailed plan, by program and service, on how the surplus or deficit spending exceeding the 1% threshold will be resolved;
   b. A detailed plan on how the surplus or deficit spending exceeding the 1% monthly threshold will be resolved. The plan must include specific budget numbers to reflect how the Provider plans to address the variance.
   c. Number of clients currently on the waitlist (APCL).
   d. Number of Unduplicated Client served.

   In accordance with its surplus/deficit management policies, in order to maximize available funding and minimize the time that potential clients must wait for services, the Alliance in its sole discretion can reduce funding awards if the Provider is not spending according to monthly plans and is projected to incur a surplus at the end of the year.

3. **Volunteer Activity Report**
The Provider shall submit an annual unduplicated report of volunteer hours on the format provided by the Alliance. The data collection period is from January 1 – December 31 for each calendar year. The data submission date is five (5) working days following the close of the contract period.

4. **eCIRTS Reports:**
The Provider shall input OAA-specific data into eCIRTS, depending on the instructions provided by the Alliance, to ensure eCIRTS data accuracy. The Provider shall use CIRTS-generated (or eCIRTS generated) reports which include the following:

   a. Client Reports;
   b. Monitoring Reports;
   c. Services Reports; and
   d. Outcome Measures Reports.
   e. Fiscal Reports
   f. Miscellaneous Reports

5. **Program Highlights**
The Provider shall submit Program Highlights referencing specific events that occurred in the previous contract year by September 10th of the current contract year. The Provider shall provide a new success story, quote, testimonial, or human-interest vignette. The highlights shall be written for a general audience, with no acronyms or technical terms. For all agencies or organizations that are referenced in the highlight, the Provider shall provide a brief description of their mission or role. The active tense shall be consistently used in the highlight narrative, in order to identify the specific individual or entity that performed the activity described in the highlight. The Provider shall review and edit Program Highlights for clarity, readability, relevance, specificity, human interest, and grammar, prior to submitting them to the Alliance.

6. **Outreach Activity**
The Provider shall report on outreach activities at least semi-annually using a uniform reporting format established by the Alliance. The format must include the following information: number and type of provider events or activities; date and location; total number of participants at each event or activity; individual service needs identified; and referral sources or information provided. Reports must be submitted by June 30 and December 31 of each contract year. At a minimum, the number of outreach activities required to be completed annually for the Provider must be consistent with the number of outreach activities referenced in the procurement documents leading to this contract.

7. **Health and Wellness Reports**
The Provider shall submit Monthly Programmatic Reports for EBDPHP services. The Provider shall submit the monthly reports with the monthly billing in accordance with Section 3.4 of this contract. Invoices submitted in accordance with Section 3.4 of this contract will not be paid unless the programmatic reports are submitted with the billing. The Alliance Contract Manager will provide an Excel spreadsheet with the following tabs: Health and Wellness (one for each month); Success Story (reported only in May); Partnership (one tab updated as needed); and a Statistical Breakdown Page.

   a. Information provided in the Monthly Programmatic Report must match CIRTS data and the Request for Payment.
   b. The Provider shall review program documentation to ensure documentation is complete and adequately supports the information reported on the Monthly Programmatic Report prior to submitting a Request for Payment. The Provider will attest to the review in the "comments" section of the Monthly Programmatic Report and provide relevant information regarding the documentation as needed.
   c. Program documentation shall include all the following elements: Sign-In Sheet or Attendance Log; flyers or documentation demonstrating efforts to recruit participants and promote EBDPHP services provided; current facilitator certificates; copy of program license (if applicable); and any forms required by the specific program.
   d. The provider shall ensure that program documentation includes a Sign-In Sheet or Attendance Log with date, time, name of program, participant names, and name of program facilitator(s). If the Attendance Log does not include a space for participant signatures, additional program documentation must be included with participant signatures that match the participant names and dates in the Attendance Log. Exceptions may be approved by Alliance Contract Manager. Requests must be made in writing and kept with program documentation.
   e. Participants must write and sign their name on a program sign-in sheet or Attendance Log. Attendance Logs with participant names typed or written in by the same person will not be accepted as program documentation. If a participant refuses or is unable to write their own name and sign, the instructor may sign by proxy for the participant with a note on the sign-in sheet stating why it is necessary to do so (the note needs to be initialed and dated).
   f. The Provider shall abide by all program fidelity requirements and annually observe delivery of EBDPHP services. A note will be included in the Monthly Programmatic Report, in the comments section, when a program has been observed. Documentation pertaining to the observation will be kept and provided to the Alliance upon request.
   g. The Provider shall contact the Alliance Contract Manager in the event of an emergency or an exigent circumstance where the provider is unable to maintain an aspect of fidelity of the EBDPHP services (e.g., minimum or maximum number of participants) before the end of the workshop. At the discretion of the Alliance Contract Manager, the service may be reimbursed under this contract; however, if the fidelity infraction is discovered after the program has finished, during the Request for Payment Process or a desk review, the Provider may not be reimbursed for the workshop or shall be requested to reimburse the Alliance the cost of the workshop.
   h. The Provider shall collaborate and partner with organizations to extend the reach of EBDPHP services. Partnerships shall be designed to stimulate innovation of new approaches and activities in EBDPHP services, development of greater capacity, and leverage other funding sources. Partnerships shall also address building and sustaining an infrastructure for the dissemination of EBDPHP services. This includes, but is not limited to, recruitment of trainers and participants, covering costs for licenses, and replicating program fidelity.
   i. The Provider shall document, and provide to the Alliance upon request, evidence of partnerships created formally through Memoranda of Agreement/Understanding. The provider will be required to keep track of partnerships in the Monthly Programmatic Report. Each month the Provider shall review and provide updates as necessary.

8. **Florida Elder Law Program (FELP) Report**
The purpose of the FELP reports is to collect consistent and standard data to illustrate the range and type of legal assistance provided by the Provider to older persons in social or economic need.

   Providers funded for Legal Assistance shall submit the Florida Elder Law Program (FELP) report annually to the Alliance in the format provided by the Department to ensure that legal services reached the targeted groups and served the priority issue areas described in Attachment I, Section 1.4.1 of this contract. The Provider shall compile and report

data using the definitions and specific instructions provided by the Department and the Alliance in the FFY 2022-2023 Florida Elder Law Program Data Collection Handbook. The reporting cycle for the FELP report is from October 1 to September 30th. The FELP Report includes the following areas:

a. Cases and Client Information
b. OAAP Complaint Case Report A
c. Case Examples
d. Education Log
e. Referred From Data
f. Publications (optional)
g. Unmet Needs (optional)

**Individual clients are to be counted only once per calendar year.
Reports must be submitted annually to the Alliance by October 15th

E. Records and Documentation

1. **Requests for Payment**
The Provider shall maintain documentation to support Requests for Payment that shall be available to the Alliance, the Department, or other authorized agencies and individuals such as the Florida Department of Financial Services (DFS), upon request.

2. **eCIRTS Data and Maintenance**:
The Provider shall ensure, on a monthly basis, collection and maintenance of client and service information in eCIRTS or any such system designated by the Alliance. Maintenance includes accurate and current data, and valid exports and backups of all data and systems according to the Alliance and Department standards.

3. **Data Integrity and Back up Procedures**:
The Provider shall anticipate and prepare for the loss of information processing capabilities. The routine backing up of all data and software is required to recover from losses or outages of the computer system. Data and software essential to the continued operation of Provider functions must be backed up. The security controls over the backup resources shall be as stringent as the protection required of the primary resources. It is recommended that a copy of the backed up data be stored in a secure, offsite location.

4. **Policies and Procedures for Records and Documentation**:
The Provider shall maintain written policies and procedures for computer system backup and recovery and shall have the same requirement of its Subcontractors. These policies and procedures shall be made available to the Alliance upon request.

F. Performance Specifications

1. **Outcomes**
At a minimum, the Provider must:

a. Ensure the provision of the services described in this contract are in accordance with the current DOEA Handbook and Section II.A. and Section II.C. of this contract;
b. The Provider shall timely submit to the Alliance all reports described in Section. II.D of this contract;
b. The Provider shall maintain all information described in Section II.E. of this contract;
d. The Provider shall ensure the prioritization and service provision of clients in accordance with Section II.A.2 of this contract;
e. The Provider shall timely and accurately submit to the Alliance Attachments IX, X and supporting documentation in accordance with Attachment VIII of this contract.
f. The Provider shall timely and accurately submit to the Alliance a Service Cost Report in accordance with Section 13.3 of this contract.

2. **Criteria**

   a. 66% of new service recipients with high-risk nutrition scores will improve their nutritional status.
   b. 65% of new service recipients will maintain or improve their ADL's assessment score.
   c. 62.3% of new service recipients will maintain or improve their IADL's assessment score.
   d. 89% of family and family-assisted caregivers will self-report they are very likely to provide care.

3. **Monitoring and Evaluation Methodology**
   The Alliance will review and evaluate the performance of the Provider under the terms of this contract. Monitoring shall be conducted through direct contact with the Provider through telephone, in writing, and/or an on-site visit. The Alliance's determination of acceptable performance shall be conclusive. The Provider agrees to cooperate with the Alliance in monitoring the progress of completion of the service tasks and deliverables. The Alliance may use, but is not limited to, one or more of the following methods for monitoring:

   a. Desk reviews and analytical reviews;
   b. Scheduled, unscheduled, and follow-up on-site visits;
   c. Client visits;
   d. Review of independent auditor's Compliance Reports, if applicable.
   e. Review of Independent Auditors Financial Report or third party compilation
   f. Review of third-party documents and/or evaluation;
   g. Review of progress reports;
   h. Review of customer satisfaction surveys;
   i. Agreed-upon procedures review by an external auditor or consultant;
   j. Limited-scope reviews; and
   k. Other procedures as deemed necessary.

G. Provider Responsibilities

1. Provider Accountability:
   All service tasks and deliverables pursuant to this contract are solely and exclusively the responsibility of the Provider, and for which, by execution of the contract, the Provider agrees to be held accountable.

2. Coordination with Other Providers and/or Entities:
   Notwithstanding those services for which the Provider is held accountable involve coordination with other entities in performing the requirements of the contract, the failure of other entities does not alleviate the Provider from any accountability for tasks or services that the Provider is obligated to perform pursuant to this contract.

H. Alliance Responsibilities

1. Alliance Obligations:
   The Alliance may provide technical support and assistance to the Provider within the resources of the Alliance to assist the provider in meeting the required tasks in the above Section II.

2. Alliance Determinations:
   The Alliance reserves the exclusive right to make certain determinations in the tasks and approaches. The absence of the Alliance setting forth a specific reservation of rights does not mean that all other areas of the contract are subject to mutual agreement.

SECTION III: METHOD OF PAYMENT

A. Payment Methods Used
The Method of Payment for this contract is a combination of fixed fee/unit rate, cost reimbursement, and advance payments, subject to the availability of funds and Provider performance. The Alliance will pay the Provider upon satisfactory completion of the Tasks/Deliverables, as specified in Section II and in accordance with other terms and conditions of the contract.

1. Fixed Fee/Unit Rate
   Payment for Fixed Fee/Unit Rates shall not exceed amounts established in Attachment VII, per unit of service.

2. Cost Reimbursement
   Payment may be authorized only for allowable expenditures, which are in accordance with the services specified in Attachment VII. All Cost Reimbursement Requests for Payment must include the Receipt and Expenditure Report beginning with the first month of the contract.

3. Advance Payments
   Non-profit Providers may request a monthly advance for service costs for each of the first two months (or $1/6^{th}$) of the contract period and total contract amount, based on anticipated cash needs. For the first month's advance request, the Provider shall provide to the Alliance documentation justifying the need for an advance and describing how the funds will be distributed. If the Provider is requesting two (2) months of advances, documentation must be provided reflecting the cash needs of the Provider within the initial two (2) months and should be supported through a cash-flow analysis or other information appropriate to demonstrate the Provider's financial need for the second month of advances. The Provider must also describe how the funds will be distributed for the first and second month. If sufficient budget is available, and the Department's Contract Manager, in his or her sole discretion, has determined that there is justified need for an advance, the Department will issue approved advance payments after July 1st of the contract year.

   All advance payments made to the Provider shall be reimbursed to the Alliance as follows: At least one–tenth of the advance payment received shall be reported as an advance recoupment on each Request for Payment (Attachment XI) for each Region being billed, starting with the invoice submission of the third month activities and billing, in accordance with the Invoice Report Schedule (Attachment IX).

B. Method of Invoice Payment

Payment shall be made upon the Provider's presentation of an invoice subsequent to the acceptance and approval by the Alliance of the deliverables shown on the invoice and payment has been received from DOEA. The form and substance of each invoice submitted by the Provider shall be as follows:

1. A separate set of billing reports must be submitted for each County and further for each Region within the County. For billing purposes, County Wide Services are considered to be a Region and should be invoiced on a separate set of billing reports.

2. Request payment on a monthly basis for the units of services established in this contract, provided in conformance with the requirements as described in the DOEA Programs and Services Handbook, and at the rates established in Attachment VII of the contract. Documentation of service delivery must include a report consisting of the following: number of clients served, number of service units provided by service, and rate per service unit with calculations that equal the total invoice amount. Any change to the total contract amount requires a formal amendment.

3. For each Region, the Provider shall consolidate all subcontractors' Requests for Payment and Expenditure Reports that support Requests for Payment and shall submit to the Alliance using forms Request for Payment (Attachment IX), Receipt and Expenditure Reports (Attachment X) for all services.

4. All Requests for Payment shall be based on the submission of monthly Expenditure Reports beginning with the first month of the contract. The schedule for submission of advance requests and invoices is Invoice Schedule, Attachment VIII;

5. In the event that services were not billed during the regular billing cycle, the Provider may request payment for services no later than 90 days after the month in which the expense was incurred, except that requests cannot be made after the contract closeout date. Request for payment of services rendered 90 days after the month in which the expense was incurred will require approval of the contract manager prior to the billing of such incurred expenses. Late service billing requests will not be paid unless justification is submitted and approved by the contract manager;

6. The Provider shall maintain documentation to support payment requests which shall be available to the Alliance, the Department, and the Department of Financial Services, or other authorized state and federal personnel upon request; and

7. All payments under the terms of this contract are contingent upon an annual appropriation by the Legislature, and subject to the availability of funds.

C. Payment Withholding and / or Financial Penalty

Any payment due by the Alliance under the terms of this contract may be withheld pending the receipt and approval by the Alliance of all financial and programmatic reports due from the Provider and any adjustments thereto, including any disallowance not resolved as outlined in this Contract.

D. Final Invoice Instructions

The Provider shall submit the final Request for Payment to the Alliance no later than 30 days after the contract period ends and as referenced in Attachment VIII. If the contract is terminated prior to the end date of the contract, then the Provider must submit the final request for payment to the Alliance no more than 30 days after the contract is terminated. If the provider fails to do so, all right to payment is forfeited, and the Alliance will not honor any requests submitted after the aforesaid time period.

E. eCIRTS Data Entries for Subcontractors

The Provider must require Subcontractors to enter all required data for clients and services in the eCIRTS database per the DOEA Programs and Services Handbook and the eCIRTS User Manual - Aging Provider Network users (located in Documents on the eCIRTS Enterprise Application Services). Subcontractors must enter this data into the eCIRTS prior to submitting their requests for payment and expenditure reports to the Provider. The Provider shall establish deadlines for completing eCIRTS data entry and to assure compliance with due dates for the requests for payment and expenditure reports that Provider must submit to the Alliance.

F. Providers' Monthly eCIRTS Reports

The Provider must run monthly eCIRTS reports and verify client and service data in the eCIRTS is accurate. This report must be submitted to the Alliance with the monthly request for payment and expenditure report and must be reviewed by the Alliance before the Provider's request for payment and expenditure reports can be approved by the Alliance.

G. Consequences of Non-Compliance:

Should it be determined that the Provider is found to not be incompliance with any deliverables, aspects or requirements of this contract, the Alliance may:

1. Require a Corrective Action Plan (CAP)
   a. If at any time the Provider is notified by the Alliance's Contract Manager that it has failed to correctly, completely, and/or adequately perform contract deliverables identified in Section II.C and III.D, or any other contractual requirements of this contract, the Provider will have ten (10) business days to submit a CAP to the Alliance's Contract Manager that addresses the deficiencies and states how the deficiencies will be remedied within the time approved by the Alliance's Contract Manager. The Alliance may assess a Financial Consequence for Non-Compliance on the Contractor as referenced in Section III.G.2. of this contract for each deficiency identified in the CAP which is not corrected pursuant to the CAP. The Alliance may also assess a financial consequence for failure to timely submit a CAP.
   b. If the Provider fails to correct an identified deficiency within the approved time specified in the CAP, the Alliance may deduct financial consequence established in Section III.G.2. of this contract from the payment for the invoice of the following month.
   c. If the Provider fails to timely submit a CAP, the Alliance shall deduct the amount established in Section III.G.2 of this contract. The deduction will be made from the payment for the invoice of the following month(s).
   d. Failure to submit a CAP may result in contract termination.

2. Financial Consequences
   a. Failure to submit a CAP timely may result in a financial penalty up to the lower of $25,000 or 5% of the Provider Contract amount and may be calculated on the totality of all Alliance funded contracts, depending on the area of non-compliance.
   b. Failure to correct an identified deficiency may result in a financial penalty up to the lower of $25,000 or 5% of the Provider Contract amount and may be calculated on the totality of all Alliance funded contracts related to the deficiency, depending on the area of non-compliance.

c. Failure to comply with established assessment and prioritization criteria as per Section II.A and as evidenced by eCIRTS reports may result in a financial penalty of the lower of $25,000 or 5% and may be calculated on the totality of all related Alliance funded contracts, depending on the area of compliance. A second offense may result in a financial consequence of the lower of $50,000 or 10% and may be calculated on the totality of alliance funded contracts.
d. Failure to provide services in accordance with the current DOEA Handbook, the service tasks described in Section II.A., and the Budget summary (Attachment XII), and/or failure to submit required documentation may result in a result in a financial penalty of the lower of $25,000 or 5% and may be calculated on the totality of all related Alliance funded contracts, depending on the area of compliance. A second offense may result in a financial consequence of the lower of $50,000 or 10% and may be calculated on the totality of related Alliance funded contracts.
e. Failure to perform management and oversight of the OAA Programs operations may result in a financial consequence of the lower of $50,000 or 10% and may be calculated on the totality of alliance funded

IV. SPECIAL PROVISIONS

A. Provider's Financial Obligations

1. **Matching, Level of Effort, and Earmarking Requirement:**
The Provider must provide a match of at least 10 percent of the cost for services funded through this contract, except for Title IIID. The match will be made in the form of cash and/or in-kind resources. At the end of the contract period, all funds through this contract, except for Title IIID must be properly matched.

2. **Management and Use of Service Dollars and Continuity of Service:**

a. The Provider is expected to spend all funds provided by the Alliance for the purpose specified in this contract. The Provider must manage the service dollars in such a manner so as to avoid having a surplus of funds at the end of the contract period. If the Alliance determines that the Provider is not maximizing available funding, the Alliance, in accordance with its Surplus/Deficit Fiscal policies, may transfer funds to other Providers and/or adjust subsequent funding allocations accordingly.

b. The Provider shall ensure that contract services will be provided until the end of the contract period. In order to enable the Provider to better manage the services under this contract and to maximize the use of available resources, the Alliance has established a spending authority as identified in Budget Summary, Attachment VII. The Provider is responsible for managing the spending authority so that a continuity of service can be maintained for the maximum number of consumers. The Provider agrees to assume responsibility for any contractual deficit that may be incurred.

3. **Consumer Contributions**
Consumer contributions are to be used under the following terms:

a. The Provider assures compliance with Section 315 of the OAA as amended in 2006, in regard to consumer contributions;
b. Voluntary contributions are not to be used for cost sharing or matching;
c. Accumulated voluntary contributions are to be used prior to requesting federal reimbursement; and
d. Voluntary contributions are to be used only to expand services.

4. **Budget Summary:**
The Alliance has established a spending authority based on services and rate detailed in the SPA and the Budget Summary, Attachment VII and any revisions thereto approved by the Alliance. Any changes in the total amounts of the funds identified on the Budget Summary require a contract amendment.

B. Remedies for Nonconforming Services

1. The Provider shall ensure that all goods and/or services provided under this contract are delivered timely, completely and commensurate with required standards of quality. Such goods and/or services will only be delivered to eligible program participants.

2. If the Provider fails to meet the prescribed quality standards for services, such services will not be reimbursed under this contract. In addition, any nonconforming goods (including home delivered meals) and/or services not meeting such standards will not be reimbursed under this contract. The Provider's signature on the request for payment form certifies maintenance of supporting documentation and acknowledgement that the Provider shall solely bear the costs associated with preparing or providing nonconforming goods and/or services. The Alliance requires immediate notice of any significant and/or systemic infractions that compromise the quality, security or continuity of services to clients.

3. The Alliance will pass through to the provider any financial consequences imposed by the Department on the Alliance should the provider be at fault and/or cause for the imposed financial consequence. Any passthrough financial consequences will be withheld by reduction of payment and will levy against the provider for the following:

   a. Delivery of services to eligible clients as referenced in Attachment I, Section II of this contract – Failure to comply with established assessment and prioritization criteria as evidenced by eCRITS reports.
   b. Services and units of services as referenced in Attachment I, Section II of this contract – Failure to provider services in accordance with the current DEOA Handbook
   c. Administrative duties as referenced in Attachment I, Section II of this contract – Failure to perform management and oversight of the program operations.

C. Investigation of Criminal Allegations

Any report that implies criminal intent on the part of the Provider or any Subcontractors and referred to a governmental or investigatory agency must be sent to the Alliance which will in turn forward the information to the Department. If the Alliance has reason to believe that the allegations will be referred to the State Attorney, a law enforcement agency, the United States Attorney's office, or other governmental agency, the Alliance shall notify the Inspector General at the Department immediately. A copy of all documents, reports, notes or other written material concerning the investigation, whether in the possession of the Provider or Subcontractors, must be sent to the Alliance which will in turn send the material to the Department's Inspector General with a summary of the investigation and allegations.

D. Volunteers

The Provider shall ensure the use of trained volunteers in providing direct services delivered to older individuals and individuals with disabilities needing such services. If possible, the Provider shall work in coordination with organizations that have experience in providing training, placement, and stipends for volunteers or participants (such as organizations carrying out federal service programs administered by the Corporation for National and Community Service), in community service settings.

E. Use of Service Dollars and Management of Assessed Priority Consumer List

The Provider is expected to spend all federal, state, and other funds provided by the Alliance for the purpose specified in the contract. The Provider must manage the service dollars in such a manner so as to avoid having a surplus of funds at the end of the contract period, for each program managed by the Provider. The Provider understands and agrees to the reallocation of funding as described in Attachment I, Section II.E.3. of this contract.

F. Investigation of Criminal Allegations

Any report that implies criminal intent on the part of the Provider or any subcontractors and referred to a governmental or investigatory agency must be sent to the Department and the Alliance. If the Provider has reason to believe that the allegations will be referred to the State Attorney, a law enforcement agency, the United States Attorney's office, or governmental agency, the Provider shall notify the Inspector General at the Department immediately. A copy of all documents, reports, notes, or other written material concerning the investigation, whether in the possession of the Provider or subcontractors, must be sent to the Department's Inspector General with a summary of the investigation and allegations.

G. Rate Increase Thresholds

Rates may only increase from one contract year to the next at a rate consistent with the annual rate of inflation in the

Consumer Price Index (CPI) percentage change for all items as determined by the Bureau of Labor Statistics for the 12-months prior to the Department's required Area Plan submission date and as per the Alliance policy incorporated her in by reference. See https://www.bls.gov/charts/consumer-price-index/consumer-price-index-by-category.htm#

In order to receive the rate increase:

1. The Provider must submit a written request to receive a rate increase as described in the previous paragraph. The written request must be received no later than September 15 for the new rate beginning in the following contract year.
2. Should the requested rate increase exceed 5% of the current year's rate, the Provider must provide:
   a. A detailed written justification describing the reason(s) for the interim rate adjustment. This explanation shall include a detailed assessment of potential organizational and client impact. The written justification shall provide sufficient detail for the Alliance to review, identifying the service or commodity component(s) that are increasing Provider costs;
   b. Supporting documentation for the written justification;
   c. A current rate and a requested rate unit cost methodology;
   d. A simplified Unit Cost Methodology

ATTACHMENT II
FINANCIAL AND COMPLIANCE AUDIT

The administration of resources awarded by the Alliance to the provider may be subject to audits and/or monitoring by the Alliance and/or the Department as described in this section.

I. MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200 (formerly OMB Circular A-133, as revised), and s. 215.97, F.S., (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by the Alliance and/or the Department staff, limited scope audits as defined by OMB Circular A-133, as revised, and/or other procedures. By entering into this agreement, the Provider agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Alliance. In the event the Alliance and/or the Department determines that a limited scope audit of the Provider is appropriate, the Provider agrees to comply with any additional instructions provided by the Alliance and/or the Department to the Provider regarding such audit. The Provider further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Alliance and/or the Department.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the provider is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

In the event that the Provider expends $1,000,000.00 or more in federal awards during its fiscal year, the Provider must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200. EXHIBIT 2 to this agreement indicates federal resources awarded through the Alliance by this agreement. In determining the federal awards expended in its fiscal year, the Provider shall consider all sources of Federal awards, including federal resources received from the Alliance. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200. An audit of the Provider conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200, will meet the requirements of this part.

In connection with the audit requirements addressed in Part I, paragraph I, the Provider shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR Part 200.508.

If the Provider expends less than $1,000,000.00 in federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR Part 200, is not required. In the event that the Provider expends less than $1,000,000.00 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, the cost of the audit must be paid from non-federal resources (i.e., the cost of such audit must be paid from Provider resources obtained from other than federal entities.)

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Alliance shall be based on the agreement's requirements, including any rules, regulations, or statutes referenced in the agreement. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Alliance and/or the Department shall be fully disclosed in the audit report with reference to the Alliance agreement involved. If not otherwise disclosed as required by 2 CFR Part 200.510, the schedule of expenditures of federal awards shall identify expenditures by agreement number for each agreement with the Alliance in effect during the audit period. Financial reporting packages required under this part must be submitted within the earlier of 30 days after receipt of the audit report or 9 months after the end of the Provider's fiscal year end.

PART II: STATE FUNDED

This part is applicable if the Provider is a non-state entity as defined by s. 215.97(2), F.S.

In the event that the Provider expends a total amount of state financial assistance equal to or in excess of $750,000.00 in any fiscal year of such Provider (for fiscal years ending September 30, 2004 or thereafter), the Provider must have a State single or project-specific audit for such fiscal year in accordance with s. 215.97, F.S.; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 2 to this agreement indicates state financial assistance awarded through the Alliance by this agreement. In determining the state financial assistance expended in its fiscal year, the Provider shall consider all sources of state financial assistance, including state financial assistance received from the Alliance, other state agencies, and other non-state entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a non-state entity for Federal program matching requirements.

In connection with the audit requirements addressed in Part II, paragraph I, the Provider shall ensure that the audit complies with the requirements of s. 215.97(8), F.S. This includes submission of a financial reporting package as defined by s. 215.97(2), F.S., and Chapter 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

If the Provider expends less than $750,000.00 in state financial assistance in its fiscal year (for fiscal years ending September 30, 2004 or thereafter), an audit conducted in accordance with the provisions of s. 215.97, F.S., is not required. In the event that the Provider expends less than $750,000.00 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of s. 215.97, F.S., the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the Provider resources obtained from other than State entities).

An audit conducted in accordance with this part shall cover the entire organization for the organization's fiscal year. Compliance findings related to agreements with the Alliance shall be based on the agreement's requirements, including any applicable rules, regulations, or statutes. The financial statements shall disclose whether or not the matching requirement was met for each applicable agreement. All questioned costs and liabilities due to the Alliance shall be fully disclosed in the audit report with reference to the Alliance agreement involved. If not otherwise disclosed as required by Rule 691-5.003, F.A.C., the schedule of expenditures of state financial assistance shall identify expenditures by agreement number for each agreement with the Alliance in effect during the audit period. Financial reporting packages required under this part must be submitted within 45 days after delivery of the audit report, but-no later than 12 months after the Provider's fiscal year end for local governmental entities. Non-profit or for-profit organizations are required to be submitted within 45 days after delivery of the audit report, but no later than 9 months after the Provider's fiscal year end. Notwithstanding the applicability of this portion, the Alliance retains all right and obligation to monitor and oversee the performance of this agreement as outlined throughout this document and pursuant to law.

II. PART III: REPORT SUBMISSION

Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, and required by PART I of this agreement shall be submitted, when required by 2 CFR Part 200.512, by or on behalf of the Provider directly to each of the following:

This certification is a material representation of fact upon which reliance was placed when this Contract was made or entered into. Submission of this certification is a prerequisite for making or entering into this Contract imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

C. NON-DISCRIMINATION & EQUAL OPPORTUNITY ASSURANCE (29 CFR PART 37 AND 45 CFR PART 80). -As a condition of the Contract, Provider assures that it will comply fully with the nondiscrimination and equal opportunity provisions of the following laws:

1. Section 188 of the Workforce Investment Act of 1998 (WIA), (Pub. L. 105-220), which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex national origin, age, disability, political affiliation, or belief, and against beneficiaries on the basis of either citizenship/status as a lawfully admitted immigrant authorized to work in the United States or participation in any WIA Title I-financially assisted program or activity.

2. Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 80), to the end that, in accordance with Title VI of that Act and the Regulation, no person in the United States shall, on the ground of race, color, or national origin , be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.

3. Section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112) as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 84), to the end that, in accordance with Section 504 of that Act, and the Regulation, no otherwise qualified handicapped individual in the United States shall, solely by reason of his handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.

4. The Age Discrimination Act of 1975 (Pub. L. 94-135), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 91), to the end that,

in accordance with the Act and the Regulation, no person in the United States shall, on the basis of age, be denied the benefits of, be excluded from participation in, or be subjected to discrimination under any program or activity for which the Applicant receives Federal financial assistance from the Department.

5. Title IX of the Education Amendments of 1972 (Pub. L. 92-318), as amended, and all requirements imposed by or pursuant to the Regulation of the Department of Health and Human Services (45 CFR Part 86), to the end that, in accordance with Title IX and the Regulation, no person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any education program or activity for which the Applicant receives Federal financial assistance from the Department.

6. The American with Disabilities Act of 1990 (Pub. L. 101-336), which prohibits discrimination in all employment practices, including job application procedures, hiring, firing, advancement, compensation, training, and other terms, conditions, and privileges of employment. It applies to recruitment, advertising, tenure, layoff, leave, fringe benefits, and all other employment-related activities.

Providers also assures that it will comply with 29 CFR Part 37 and all other regulations implementing the laws listed above. This assurance applies to Provider's operation of the WIA Title I - financially assisted program or activity, and to all contracts, Provider makes to carry out the WIA Title I - financially assisted program or activity. Provider understands that DOEA and the United States have the right to seek judicial enforcement of the assurance.

The undersigned shall require that language of this assurance be included in the documents for all subcontracts at all tiers (including subcontracts, vendors, sub-grants and contracts under grants, loans and cooperative agreements) and that all sub recipients and contractors shall provide this assurance accordingly.

D. CERTIFICATION REGARDING PUBLIC ENTITY CRIMES, SECTION 287.133, F.S.

Provider hereby certifies that neither it, nor any person or affiliate of Provider, has been convicted of a Public Entity Crime as defined in section 287.133, F.S., nor placed on the convicted vendor list.
Provider understands and agrees that it is required to inform DOEA immediately upon any change of circumstances regarding this status.

E. ASSOCIATION OF COMMUNITY ORGANIZATIONS FOR REFORM NOW (ACORN) FUNDING RESTRICTIONS ASSURANCE (PUB. L. 111-117).

As a condition of the Contract, Provider assures that it will comply fully with the federal funding restrictions pertaining to ACORN and its subsidiaries per the Consolidated Appropriations Act, 2010, Division E, Section 511 (Pub. L. 111-117). The Continuing Appropriations Act, 2011, Sections 101 and 103 (Pub. L. 111-24 2), provides that appropriations made under Pub. L. 111-117 are available under the conditions provided by Pub. L. 111-117.

The undersigned shall require that language of this assurance be included in the documents for all subcontracts at all tiers (including subcontracts, vendors, sub-grants and contracts under grants, loans and cooperative agreements) and that all sub recipients and contractors shall provide this assurance accordingly.

F. CERTIFICATION REGARDING SCRUTINIZED COMPANIES LISTS, SECTION 287.135, F.S.

If this Contract is in the amount of $1 million or more, in accordance with the requirements of Section 287.135, F.S., Provider hereby certifies that it is not participating in a boycott of Israel, is not listed on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, and that it does not have business operations in Cuba or Syria. Both lists are created pursuant to Section 215.473, F.S.

Provider understands that pursuant to Section 287.135, F.S., the submission of a false certification may subject Provider to civil penalties, attorney's fees, and/or costs.

If Provider is unable to certify any of the statements in this certification, Provider shall attach an explanation to this Contract.

G. CERTIFICATION REGARDING DATA INTEGRITY COMPLIANCE FOR CONTRACTS, AGREEMENTS, GRANTS, LOANS AND COOPERATIVE AGREEMENTS

1. The Provider and any subcontractors of services under this contract have financial management systems capable of providing certain information, including: (1) accurate, current, and complete disclosure of the financial results of each grant-funded project or program in accordance with the prescribed reporting requirements; (2) the source and application of funds for all contract supported activities; and (3) the comparison of outlays with budgeted amounts for each award. The inability to process information in accordance with these requirements could result in a return of grant funds that have not been accounted for properly.

2. Management Information Systems used by the Provider, subcontractors, vendors, or any outside entity on which the Provider is dependent for data that is to be reported, transmitted, or calculated, have been assessed and verified to be capable of processing data accurately, including year-date dependent data. For those systems identified to be non-compliant, Provider will take immediate action to assure data integrity.

3. If this contract includes the provision of hardware, software, firmware, microcode or imbedded chip technology, the undersigned warrants that these products are capable of processing year-date dependent data accurately. All versions of these products offered by the Provider (represented by the undersigned) and purchased by the state will be verified for accuracy and integrity of data prior to transfer.

4. In the event of any decrease in functionality related to time and date related codes and internal subroutines that impede the hardware or software programs from operating properly, the Provider agrees to immediately make required corrections to restore hardware and software programs to the same level of functionality as warranted herein, at no charge to the state, and without interruption to the ongoing business of the state, time being of the essence.

5. The Provider and any subcontractors and/or vendors of services under this contract warrant their policies and procedures include a disaster plan to provide for service delivery to continue in case of an emergency including emergencies arising from data integrity compliance issues.

H. VERIFICATION OF EMPLOYMENT STATUS CERTIFICATION

As a condition of contracting with the Florida Department of Elder Affairs, Provider certifies the use of the U.S. Department of Homeland Security's E-verify system to verify the employment eligibility of all new employees hired by the Provider during the contract term to perform employment duties pursuant to this contract and that any subcontracts include an express requirement that subcontractors and/or vendors performing work or providing services pursuant to this Contract utilize the E-verify system to verify the employment eligibility of all new employees hired by the subcontractor and/or vendor during the entire contract term.

The Provider shall require that the language of this certification be included in all sub-agreements, sub-grants, and other agreements/contracts and that all subcontractors and/or vendors shall certify compliance accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Circulars A-102 and 2 CFR Part 200, and 215 (formerly 0MB Circular A-110).

I. RECORDS AND DOCUMENTATION

The Provider agrees to make available to Department staff and/or any party designated by the Department any

and all contract related records and documentation. The Provider shall ensure the collection and maintenance of all program related information and documentation on any such system designated by the Department. Maintenance includes valid exports and backups of all data and systems according to Department standards.

J. CERTIFICATION REGARDING INSPECTION OF PUBLIC RECORDS

1. In addition to the requirements of sections, 10.1, 10.2 of the Standard Contract, and 119.0701(3) and (4) F.S., and any other applicable law, if a civil action is commenced as contemplated by Section 119.0701(4), F.S., and the Department is named in the civil action, Provider agrees to indemnify and hold harmless the Department for any costs incurred by the Department, and any attorneys' fees assessed or awarded against the Department from a Public Records Request made pursuant to Chapter 119, F.S., concerning this contract or services performed thereunder.

   a. Notwithstanding Section 119.0701, F.S., or other Florida law, this section is not applicable to contracts executed between the Department and state agencies or subdivisions defined in Section 768.28(2), F.S.

2. Section 119.01(3), F.S., states if public funds are expended by an agency in payment of dues or membership contributions for any person, corporation, foundation, trust, association, group, or other organization, all the financial, business, and membership records of such an entity **which pertain to the public agency (Florida Department of Elder Affairs)** are public records. Section 119.07, F.S, states that every person who has custody of such a public record shall permit the record to be inspected and copied by any person desiring to do so, under reasonable circumstances.

   Additionally, I certify this organization does __ does not ✓ provide for institutional memberships.

Provider's signature below attests that records pertaining to the dues or membership application by the Alliance and the Department are available for inspection as stated above.

By execution of this contract, Provider must include these provisions in all related subcontract agreements (if applicable).

By execution of this contract, Provider must include these provisions (A-J) in all related subcontract agreements (if applicable).

By signing below, Provider certifies the representations outlined in parts A through J above, are true and correct.

Public reporting burden for this collection of information is estimated to average 45 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget. Paperwork Reduction Project (0348-0043), Washington, DC 20503.
PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET, SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

Note: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States, and if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. 4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with the provisions of the Hatch Act (5 U.S.C. 501-1508 and 7324-7328), which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. 276a to 276a-7), the Copeland Act (40 U.S.C. 276c and 18 U.S.C. 874) and the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), regarding labor standards for federally assisted construction sub agreements.

10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is $10,000.00 or more.
11. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514; (b) notification of violating facilities pursuant to EO 11738; (c) protection of wetlands pursuant to EO 11990; (d) evaluation of flood hazards in floodplains in accordance with EO 11988; (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. 1451 et seq.); (f) conformity of Federal actions to State (Clear Air) Implementation Plans under Section 176(c) of the Clear Air Act of 1955, as amended (42 U.S.C. 7401 et seq.); (g) protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended, (P.L. 93-523); and (h) protection of endangered species under the Endangered Species Act of 1973, as amended, (P.L. 93-205).
12 Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. 1721 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
13. Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. 469a-1 et seq.).

INSTRUCTIONS FOR THE CIVIL RIGHTS COMPLIANCE CHECKLIST

1. Describe the geographic service area such as a district, county, city or other locality. If the program/facility serves a specific target population such as adolescents, describe the target population. Also, define the type of service provided.

2. Enter the percent of the population served by race and sex. The population served includes persons in the geographical area for which services are provided such as a city, county or other regional area. Population statistics can be obtained from local chambers of commerce, libraries, or any publication from the 1980 Census containing Florida population statistics. Include the source of your population statistics. ("Other" races include Asian/Pacific Islanders and American Indian/Alaskan Natives.)

3. Enter the total number of full-time staff and their percent by race, sex and disability. Include the effective date of your summary.

4. Enter the total number of clients who are enrolled, registered or currently served by the program or facility, and list their percent by race, sex and disability. Include the date that enrollment was counted.

5. Enter the total number of advisory board members and their percent by race, sex, and disability. If there is no advisory or governing board, leave this section blank.

6. Each recipient of federal financial assistance must have on file an assurance that the program will be conducted in compliance with all nondiscriminatory provisions as required in 45 CFR 80. This is usually a standard part of the contract language for DOEA recipients and their sub-grantees, 45 CFR 80.4 (a).

7. Is the race, sex, and national origin of the staff reflective of the general population? For example, if 10% of the population is Hispanic, is there a comparable percentage of Hispanic staff?

8. Where there is a significant variation between the race, sex or ethnic composition of the clients and their availability in the population, the program/facility has the responsibility to determine the reasons for such variation and take whatever action may be necessary to correct any discrimination. Some legitimate disparities may exist when programs are sanctioned to serve target populations such as elderly or disabled persons, 45 CFR
80.3 (b) (6).

9. Do eligibility requirements unlawfully exclude persons in protected groups from the provision of services or employment? Evidence of such may be indicated in staff and client representation (Questions 3 and 4) and also through on-site record analysis of persons who applied but were denied services or employment, 45 CFR 80.3 (a) and 45 CFR 80.1 (b) (2).

10. Participants or clients must be provided services such as medical, nursing and dental care, laboratory services, physical and recreational therapies, counseling and social services without regard to race, sex, color, national origin, religion, age or disability. Courtesy titles, appointment scheduling and accuracy of record keeping must be applied uniformly and without regard to race, sex, color, national origin, religion, age or disability. Entrances, waiting rooms, reception areas, restrooms and other facilities must also be equally available to all clients, 45 CFR
80.3 (b).

11. For in-patient services, residents must be assigned to rooms, wards, etc., without regard to race, color, national origin or disability. Also, residents must not be asked whether they are willing to share accommodations with persons of a different race, color, national origin, or disability, 45 CFR 80.3 (a).

12. The program/facility and all services must be accessible to participants and applicants, including those persons who may not speak English. In geographic areas where a significant population of non-English speaking people live, program accessibility may include the employment of bilingual staff. In other areas, it is sufficient to have a policy or plan for service, such as a current list of names and telephone numbers of bilingual individuals who will assist in the provision of services, 45 CFR 80.3 (a).

13. Programs/facilities must make information regarding the nondiscriminatory provisions of Title VI available to their participants, beneficiaries or any other interested parties. This should include information on their right to file a complaint of discrimination with either the Florida Department of Elder Affairs or the U.S. Department of HHS. The information may be supplied verbally or in writing to every individual, or may be supplied through the use of an equal opportunity policy poster displayed in a public area of the facility, 45 CFR 80.6 (d).

14. Report number of discrimination complaints filed against the program/facility. Indicate the basis, e.g., race, color, creed, sex, age, national origin, disability, retaliation; the issues involved, e.g., services or employment, placement, termination, etc. Indicate the civil rights law or policy alleged to have been violated along with the name and address of the local, state or federal agency with whom the complaint has been filed. Indicate the current status, e.g., settled, no reasonable cause found, failure to conciliate, failure to cooperate, under review, etc.

15. The program/facility must be physically accessible to disabled individuals. Physical accessibility includes designated parking areas, curb cuts or level approaches, ramps and adequate widths to entrances. The lobby, public telephone, restroom facilities, water fountains, information and admissions offices should be accessible. Door widths and traffic areas of administrative offices, cafeterias, restrooms, recreation areas, counters and serving lines should be observed for accessibility. Elevators should be observed for door width, and Braille or raised numbers. Switches and controls for light, heat, ventilation, fire alarms, and other essentials should be installed at an appropriate height for mobility impaired individuals.

16. Section 504 of the Rehabilitation Act of 1973 requires that a recipient of federal financial assistance conduct a self-evaluation to identify any accessibility barriers. Self-evaluation is a four step process:
    - ☐ With the assistance of a disabled individual/organization, evaluate current practices and policies which do not comply with Section 504.
    - ☐ Modify policies and practices that do not meet Section 504 requirements.
    - ☐ Take remedial steps to eliminate any discrimination that has been identified.
    - ☐ Maintain self-evaluation on file. (This checklist may be used to satisfy this requirement if these four steps have been followed.), 45 CFR 84.6.

17. Programs or facilities that employ 15 or more persons must adopt grievance procedures that incorporate appropriate due process standards and provide for the prompt and equitable resolution of complaints alleging any action prohibited by Section 504.45 CFR 84.7 (b).

18. Programs or facilities that employ 15 or more persons must designate at least one person to coordinate efforts to comply with Section 504.45 CFR 84.7 (a).

19. Continuing steps must be taken to notify employees and the public of the program/facility's policy of nondiscrimination on the basis of disability. This includes recruitment material, notices for hearings, newspaper ads, and other appropriate written communication, 45 CFR 84.8 (a).

20. Programs/facilities that employ 15 or more persons must provide appropriate auxiliary aids to persons with impaired sensory, manual or speaking skills where necessary. Auxiliary aids may include, but are not limited to, interpreters for hearing impaired individuals, taped or Braille materials, or any alternative resources that can be used to provide equally effective services, (45 CFR 84.52 (d).

21. Programs/facilities with 50 or more employees and $50,000 in federal contracts must develop, implement and maintain a written affirmative action compliance program in accordance with Executive Order 11246. 41 CFR 60 and Title VI of the Civil Rights Act of 1964, as amended.

Alliance for Aging, Inc.
Business Associate Agreement

This Business Associate Agreement is dated 1/2/25, by the **Alliance for Aging, Inc. ("Covered Entity")** and **Monroe County Board of County Commissioners, Social Services/In-Home Services, ("Business Associate")**, a not-for-profit Florida corporation.

1.0 **Background.**

1.1 Covered Entity has entered into one or more contracts or agreements with Business Associate that involves the use of Protected Health Information (PHI).

1.2 Covered Entity recognizes the requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and has indicated its intent to comply in the County's Policies and Procedures.

1.3 HIPAA regulations establish specific conditions on when and how covered entities may share information with Providers who perform functions for the Covered Entity.

1.4 HIPAA requires the Covered Entity and the Business Associate to enter into a contract or agreement containing specific requirements to protect the confidentiality and security of patients' PHI, as set forth in, but not limited to the Code of Federal Regulations (C.F.R.), specifically 45 C.F.R. §§ 164.502(e), 164.504(e), 164.308(b), and 164.314(a-b)(2010) (as may apply) and contained in this agreement.

1.5 The Health Information Technology for Economic and Clinical Health Act (2009), the American Recovery and Reinvestment Act (2009) and Part I – Improved Privacy Provisions and Security provisions located at 42 United States Code (U.S.C.) §§ 17931 and 17934 (2010) require business associates of covered entities to comply with the HIPAA Security Rule, as set forth in, but not limited to 45 C.F.R. §§ 164.308, 164.310, 164.312, and 164.316 (2009) and such sections shall apply to a business associate of a covered entity in the same manner that such sections apply to the covered entity.

The parties therefore agree as follows:

2.0 **Definitions.** For purposes of this agreement, the following definitions apply:

2.1 **Access**. The ability or the means necessary to read, write, modify, or communicate data/information or otherwise use any system resource.

2.2 **Administrative Safeguards**. The administrative actions, and policies and procedures, to manage the selection, development, implementation, and maintenance of security measures to protect electronic Protected Health Information (ePHI) and to manage the conduct of the covered entity's workforce in relation to the protection of that information.

2.3 **ARRA**. The American Recovery and Reinvestment Act (2009)

2.4 **Authentication**. The corroboration that a person is the one claimed.

2.5 **Availability**. The property that data or information is accessible and useable upon demand by an authorized person.

2.6 **Breach**. The unauthorized acquisition, access, use, or disclosure of PHI which compromises the security or privacy of such information.

2.7 **Compromises the Security**. Posing a significant risk of financial, reputational, or other harm to individuals.

2.8 **Confidentiality**. The property that data or information is not made available or disclosed to unauthorized persons or processes.

2.9 **Electronic Protected Health Information (ePHI).** Health information as specified in 45 CFR §160.103(1)(i) or (1)(ii), limited to the information created or received by Business Associate from or on behalf of Covered Entity.

2.10 **HITECH**. The Health Information Technology for Economic and Clinical Health Act (2009)

2.11 **Information System**. An interconnected set of information resources under the same direct management control that shares common functionality. A system normally includes hardware, software, information, data, applications, communications, and people.

2.12 **Integrity**. The property that data or information have not been altered or destroyed in an unauthorized manner.

2.13 **Malicious software**. Software, for example, a virus, designed to damage or disrupts a system.

2.14 **Part I**. Part I – Improved Privacy Provisions and Security provisions located at 42 United States Code (U.S.C.) §§ 17931 and 17934 (2010).

2.15 **Password**. Confidential authentication information composed of a string of characters.

2.16 **Physical Safeguards. The physical measures, policies, and procedures to protect a covered entity's electronic** information systems and related buildings and equipment, from natural and environmental hazards, and unauthorized intrusion.

2.17 **Privacy Rule**. The Standards for Privacy of Individually Identifiable Health Information at 45 CFR Part 160 and Part 164, subparts A and E.

2.18 **Protected Health Information (PHI).** Health information as defined in 45 CFR §160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

2.19 **Required By Law**. Has the same meaning as the term "required by law" in 45 CFR § 164.103.

2.20 **Secretary**. The Secretary of the Department of Health and Human Services or his or her designee.

2.21 **Security incident**. The attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system.

2.22 **Security or Security measures.** All of the administrative, physical, and technical safeguards in an information system.

2.23 **Security Rule**. The Security Standards for the protection of Electronic Protected Health Information at 45 CFR part 164, subpart C, and amendments thereto.

2.24 **Technical Safeguards**. The technology and the policy and procedures for its use that protect electronic protected health information and control access to it.

2.25 **Unsecured PHI**. Protected health information that is not secured through the use of technology or methodology specified by the Secretary in guidance issued under 42 U.S.C. section 17932(h)(2).

2.26 All other terms used, but not otherwise defined, in this Agreement shall have the same meaning as those terms in the Privacy Rule.

3.0. **Obligations and Activities of Business Associate.**

3.1 Business Associate agrees to not use or disclose PHI other than as permitted or required by this agreement or as Required by Law.

3.2 Business Associate agrees to:

(a) Implement policies and procedures to prevent, detect, contain and correct Security violations in accordance with 45 CFR § 164.306;
(b) Prevent use or disclosure of the PHI other than as provided for by this Agreement or as required by law;
(c) Reasonably and appropriately protect the confidentiality, integrity, and availability of the ePHI that the Business Associate creates, receives, maintains, or transmits on behalf of the Covered Entity; and
(d) Comply with the Security Rule requirements including the Administrative Safeguards, Physical Safeguards, Technical Safeguards, and policies and procedures and documentation requirements set forth in 45 CFR §§ 164.308, 164.310, 164.312, and 164.316.

3.3 Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of PHI by Business Associate in violation of the requirements of this Agreement.

3.4 Business Associate agrees to promptly report to Covered Entity any use or disclosure of the PHI not provided for by this Agreement of which it becomes aware. This includes any requests for inspection, copying or amendment of such information and including any security incident involving PHI.

3.5 Business Associate agrees to notify Covered Entity without unreasonable delay of any security breach pertaining to:

(a) Identification of any individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, or disclosed during such security breach; and
(b) All information required for the *Notice to the Secretary of HHS of Breach of Unsecured Protected Health Information*

3.6 Business Associate agrees to ensure that any agent, including a subcontractor, to whom it provides PHI received from, or created or received by Business Associate on behalf of Covered Entity, agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such information.

3.7 If Business Associate has PHI in a Designated Record Set:

(a) Business Associate agrees to provide access, at the request of Covered Entity during regular business hours, to PHI in a Designated Record Set, to Covered Entity or, as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR §164.524; and
(b) Business Associate agrees to make any amendment(s) to PHI in a Designated Record Set that the Covered Entity directs or agrees to pursuant to 45 CFR § 164.526 at the request of Covered Entity or an Individual within 10 business days of receiving the request.

3.8 Business Associate agrees to make internal practices, books, and records, including policies and procedures and PHI, relating to the use and disclosure of PHI received from, or created or received by Business Associate on behalf of Covered Entity, available to the Covered Entity or to the Secretary upon request of either party for purposes of determining Covered Entity's compliance with the Privacy Rule.

3.9 Business Associate agrees to document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528.

3.10 Business Associate agrees to provide to Covered Entity or an individual, upon request, information collected to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR § 164.528 and ARRA § 13404.

3.11 Business Associate specifically agrees to use security measures that reasonably and appropriately protect the confidentiality, integrity, and availability of PHI in electronic or any other form, that it creates, receives, maintains, or transmits on behalf of the Covered Entity.

3.12 Business Associate agrees to implement security measures to secure passwords used to access ePHI that it accesses, maintains, or transmits as part of this Agreement from malicious software and other man-made and natural vulnerabilities to assure the availability, integrity, and confidentiality of such information.

3.13 Business Associate agrees to implement security measures to safeguard ePHI that it accesses, maintains, or transmits as part of this agreement from malicious software and other man-made and natural vulnerabilities to assure the availability, integrity, and confidentiality of such information.

3.14 Business Associate agrees to comply with:

(a) ARRA § 13404 (Application of Knowledge Elements Associated with Contracts);
(b) ARRA § 13405 (Restrictions on Certain Disclosures and Sales of Health Information); and
(c) ARRA § 13406 (Conditions on Certain Contacts as Part of Health Care Operations).

4.0 **Permitted Uses and Disclosures by Business Associate.** Except as otherwise limited in this Agreement or any related agreement, Business Associate may use or disclose PHI to perform functions, activities, or services for, or on behalf of, Covered Entity as specified in any and all contracts with Covered Entity provided that such use or disclosure would not violate the Privacy Rule if done by Covered Entity or the minimum necessary policies and procedures of the Covered Entity.

5.0 **Specific Use and Disclosure Provisions.**

5.1 Except as otherwise limited in this agreement or any related agreement, Business Associate may use PHI for the proper management and administration of the Business Associate or to carry out the legal responsibilities of the Business Associate.

5.2 Except as otherwise limited in this agreement or any related agreement, Business Associate may disclose PHI for the proper management and administration of the Business Associate, provided that disclosures are Required By Law, or Business Associate obtains reasonable assurances from the person to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required By Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached.

5.3 Business Associate may use PHI to provide data aggregation services to Covered Entity as permitted by 45 CFR §164.504(e)(2)(i)(B), only when specifically authorized by Covered Entity.

5.4 Business Associate may use PHI to report violations of law to appropriate Federal and State authorities, consistent with 45 CFR §164.502(j)(1).

6.0 Obligations of Covered Entity.

6.1 Covered Entity shall notify Business Associate of any limitation(s) in its notice of privacy practices of Covered Entity in accordance with 45 CFR § 164.520, to the extent that such limitation may affect Business Associate's use or disclosure of PHI, by providing a copy of the most current Notice of Privacy Practices (NPP) to Business Associate. Future Notices and/or modifications to the NPP shall be posted on Covered Entity's website at www.allianceforaging.org.

6.2 Covered Entity shall notify Business Associate of any restriction to the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR § 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

7.0 **Permissible Requests by Covered Entity.** Except for data aggregation or management and administrative activities of Business Associate, Covered Entity shall not request Business Associate to use or disclose PHI in any manner that would not be permissible under the Privacy Rule if done by Covered Entity.

8.0 **Effective Date and Termination.**

8.1 The Parties hereby agree that this agreement amends, restates and replaces any other Business Associate Agreement currently in effect between Covered Entity and Business Associate and that the provisions of this agreement shall be effective as follows:

(a) These Business Associate Agreement provisions, with the exception of the electronic security provisions and the provisions mandated by ARRA, HITECH and Part I shall be effective upon the later of April 14, 2003, or the effective date of the earliest contract entered into between Business Associate and Covered Entity that involves the use of PHI;
(b) The electronic security provisions hereof shall be effective the later of April 21, 2005 or the effective date of the earliest contract entered into between Business Associate and Covered Entity that involves the use of PHI; and
(c) Provisions hereof mandated by ARRA, HITECH and/or Part I shall be effective the later of February 17, 2010 or the effective date of the earliest contract entered into between covered entity and business associate that involves the use of PHI or ePHI.

8.2 **Termination for Cause.** Upon Covered Entity's knowledge of a material breach by Business Associate, Covered Entity shall either:

(a) Provide an opportunity for Business Associate to cure the breach or end the violation and terminate this agreement if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity;
(b) Immediately terminate this agreement if Business Associate has breached a material term of this Agreement and cure is not possible; or
(c) If neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

8.3 **Effect of Termination**. Except as provided in subparagraph (b) of this section, upon termination of this agreement, for any reason, Business Associate shall return all PHI and ePHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity.

(a) This provision shall apply to PHI and ePHI that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the PHI and ePHI.
(b) In the event that Business Associate or Covered Entity determines that returning the PHI or ePHI is infeasible, notification of the conditions that make return of PHI or ePHI infeasible shall be provided to the other party. Business Associate shall extend the protections of this Agreement to such retained PHI and ePHI and limit further uses and disclosures of such retained PHI and ePHI, for a minimum of six years and so long as Business Associate maintains such PHI and ePHI, but no less than six (6) years after the termination of this agreement.

9.0 **Regulatory References**. A reference in this agreement to a section in the Privacy Rule or Security Rule means the section then in effect or as may be amended in the future.

10.0 **Amendment.** The Parties agree to take such action as is necessary to amend this agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Rule, the Security Rule and the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191.

11.0 **Survival.** Any term, condition, covenant or obligation which requires performance by either party hereto subsequent to the termination of this agreement shall remain enforceable against such party subsequent to such termination.

12.0 **Interpretation**. Any ambiguity in this agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule and Security Rule.

13.0 **Incorporation by reference**. Any future new requirement(s), changes or deletion(s) enacted in federal law which create new or different obligations with respect to HIPAA privacy and/or security, shall be automatically incorporated by reference to this Business Associate Agreement on the respective effective date(s).

14.0 **Notices**. All notices and communications required, necessary or desired to be given pursuant to this agreement, including a change of address for purposes of such notices and communications, shall be in writing and delivered personally to the other party or sent by express 24-hour guaranteed courier or delivery service, or by certified mail of the United States Postal Service, postage prepaid and return receipt requested, addressed to the other party as follows (or to such other place as any party may by notice to the others specify):

Key West, FL 33040

Any such notice shall be deemed delivered upon actual receipt. If any notice cannot be delivered or delivery thereof is refused, delivery will be deemed to have occurred on the date such delivery was attempted.

15.0 **Governing Law**. The laws of the State of Florida, without giving effect to principles of conflict of laws, govern all matters arising under this agreement.

16.0 **Severability**. If any provision in this agreement is unenforceable to any extent, the remainder of this agreement, or application of that provision to any persons or circumstances other than those as to which it is held unenforceable, will not be affected by that unenforceability and will be enforceable to the fullest extent permitted by law.

17.0 **Successors**. Any successor to Business Associate (whether by direct or indirect or by purchase, merger, consolidation, or otherwise) is required to assume Business Associate's obligations under this agreement and agree to perform them in the same manner and to the same extent that Business Associate would have been required to if that succession had not taken place. This assumption by the successor of the Business Associate's obligations shall be by written agreement satisfactory to Covered Entity.

18.0 **Entire Agreement**. This agreement constitutes the entire agreement of the parties relating to the subject matter of this agreement and supersedes all other oral or written agreements or policies relating thereto, except that this agreement does not limit the amendment of this agreement in accordance with section 10.0 of this agreement.

AGING AND DISABILITY RESOURCE CENTER (ADRC) – OUTSOURCED FUNCTIONS

I. If applicable, the provider agrees to the following:

A. Perform ADRC outsourced functions in accordance with the Alliance's policies and procedures.

i. Policies and Procedures for Outsourced Function-Screening
ii. Policies and Procedures for Outsourced Function-Triage
iii. Policies and Procedures for Activation from Waitlist- Client Services
iv. Policies and Procedures for Termination from Waitlist- Client Services

B. Maintain wait lists in eCIRTS in accordance with DOEA requirements.

C. Adhere to prioritization and targeting policy as set forth in the Handbook, as applicable.

D. Ensure the Provider's Disaster Plan reflects ADRC Outsourced Functions, annually or as needed to incorporate ADRC outsourced functions.

E. Ensure against conflicts of interest and inappropriate self-referrals by referring consumers in need of options counseling or long-term care services beyond the provider's scope of services to the Aging and Disability Resource Center.

F. Ensure that services provided are in the clients' best interest, are the most cost effective, of high quality, and are responsive and appropriate to the assessed needs.

The Assessed Priority Consumer List (APCL) is maintained when services funded by the department are not available. Contracted Providers of registered services for Local Services Program (LSP) and Older Americans Act (OAA) must maintain waiting lists in the eCIRTS database for registered services when funding is not available.

Alliance for Aging, Inc.
Aging and Disability Resource Center/Elder Helpline
Policy and Procedure for Outsourced function – Screening

Creation Date: March 5, 2008
Revision Date: October 2019
Review Date: November 2023

Objective: To ensure that a comprehensive list of clients in need of services is maintained in eCIRTS by appropriate funding source and that the ADRC is thereby able to effectively gauge the level of elder service need in Miami-Dade and Monroe Counties.

Policy: To obtain necessary information from clients in order to assist in determining level of need and eligibility for registered services funded through OAA and LSP programs.

Procedure:

1. Providers will collect information from callers and conduct a 701S assessment. Alternatively, if a 701A(B) assessment already exists or is provided from another Provider the information from the 701B can be utilized.

2. The Provider will determine the services needed and the appropriate funding source(s) that provides the needed services.

   If the caller is in need of a service(s) that is not provided by the Provider, the Provider will refer caller to the ADRC Elder Helpline, as well as, to other contracted Providers and community organizations.

3. The caller will be provided with general information regarding the ADRC as well as the ADRC Elder Helpline contact number.

4. The caller will be informed of the services and funding sources that they are being placed on the wait list for in eCIRTS.

5. For non-case managed programs, the Provider will create a client record in eCIRTS (if there is no existing record) and enter the services needed for the caller by funding source and service. [If there is an existing record in eCIRTS, the appropriate fields will be updated].

6. If the Provider determines that the caller may qualify for more than one program for which the Provider is funded, the Provider is encouraged to enter the appropriate information under multiple funding sources. [If there is an existing client record in eCIRTS, the client record in eCIRTS will be updated with appropriate information].

7. The Provider will inform caller that they will receive an annual re-assessment based on DOEA Wait List Reassessment Standards and encourage caller to contact the ADRC Elder Helpline with any questions.

Policy and Procedure for
Outsourced function - Triage

Creation Date: March 5, 2008
Revision Date: October 2019
Review Date: November 2023

Objective: To ensure that clients in need of DOEA funded services receive services based on the highest level of need, first, as funding becomes available.

Policy: To assist clients in obtaining DOEA funded services as funding becomes available, based on level of need as determined by an eCIRTS priority score.

Procedure:

1. The Provider will conduct annual reassessments based on DOEA Wait List Reassessment Standards.

2. If there is no current 701A or B in eCIRTS, the Provider will conduct the annual reassessment (701s) as appropriate. Based on the information provided via the 701S/A(B) assessment, the Provider will update the client information in eCIRTS specifically as it pertains to level of need for services by funding source.

3. The Provider will ensure that the eCIRTS prioritization score is accurately maintained, according to DOEA Standards. If a significant change has occurred prior to the annual re-screening, the Provider must re-screen. Definitions and examples of significant change are documented in the DOEA Programs & Services Manual Chapter 2.

4. If the caller is in need of a service(s) that is not provided by the Provider, the Provider will refer caller to the ADRC Elder Helpline, as well as, to other contracted Providers and community organizations. The caller will be informed of the services and funding sources that the wait list for and/or have been removed from the wait list for.

5. The Provider will remind client of the ADRC Elder Help Line contact number and to contact the ADRC Elder Help Line with any questions or concerns.

6. As funding becomes available, the Provider will run the eCIRTS Prioritization Report and activate clients according to DOEA Standards (refer to ADRC Client Activation Policies and Procedures). The Contracted Provider will apply targeting criteria, as appropriate, to prioritized clients to ensure activations meet programmatic requirements.

Policy and Procedure for
Activation from Wait List – Clients/Services

Creation Date: March 5, 2008
Revision Date: October 2019
Review Date: November 2023

Objective: To ensure that elders in need of DOEA funded services in Miami-Dade and Monroe Counties and on the eCIRTS wait list begin to receive services as funding becomes available.

Policy: ADRC will work with Providers to ensure that clients waiting for DOEA funded services begin to receive those services as funding becomes available.

Procedure:

1. The Provider will activate clients on the eCIRTS wait list based on DOEA prioritization polices and funding availability.

2. The Provider will update eCIRTS status by funding source and service for any services being activated for the client using appropriate eCIRTS codes.

3. Client may be left on wait list of a different funding source than the one being activated if the Provider determines that it is appropriate.

4. Client may also be left on the wait list in eCIRTS if they are being activated by the Provider under a temporary non-DOEA funding source and the Provider determines that the client's need will persist after the temporary funding source is exhausted.

5. The Provider will inform the client of any services/funding source that they are being activated for as well as those services and funding sources that they will continue to be wait listed for.

6. The Provider will inform client to contact the ADRC Elder Helpline if they have any questions or concerns regarding the status of any of their services.

Revision Date: October 2019
Review Date: November 2023

Objective: To ensure that the comprehensive list of clients in need of services in eCIRTS is appropriately maintained by funding source and that the ADRC is thereby able to effectively gauge the current level of elder service need in Miami-Dade and Monroe Counties.

Policy: ADRC will maintain an accurate and current list of clients in need of elder services in Miami-Dade and Monroe Counties with the assistance of the ADRC Contracted Providers.

Procedure:

1. The Provider will re-screen clients which the Provider initially placed on the eCIRTS wait list for services based on DOEA Reassessment Standards.

2. The re-screening may be in the form of a phone screening or a home visit depending on the client's status (i.e. active/pending)

3. The Provider will determine if the client is no longer in need (or eligible) for any of the services they were wait-listed for.

4. The Provider will terminate the client from the wait list (entirely or by specific service) using the appropriate eCIRTS termination code for any services or funding source for which the client is determined to no longer be eligible for or no longer in need of.

5. The Provider will inform the client of any services/funding source that they are being removed from the wait list for.

6. The Provider will inform client of their ability to be re-added to the wait list if their level of need should change.

7. The Provider will inform client to contact the ADRC Elder Helpline if they have any questions or concerns regarding their wait list status.

8. Reference the Handbook as applicable.

AGENDA ITEM WORDING: Approval of First Amendment to contract with Ralons Security, LLC to provide an increase of 2.9% (CPI) for patrol services provided to the Duck Key Security District.

ITEM BACKGROUND:
The current Ralons Security contract was approved by the BOCC on April 17, 2024 with a three-year term ending in 2027. The contract provides for an optional annual CPI adjustment to the contractor's compensation, which was 2.9% for calendar year 2024 as set by the Federal Government.. An amendment implementing this adjustment effective is attached for review and approval. The Duck Key Advisory Board met on March 4, 2025 and approved a recommendation of this contract amendment, conditioned upon the 2.9% increase in compensation also being applied towards the wages of contractor employees assigned to Duck Key security details. The contractor has agreed to accept the adjustment to contract compensation with this condition. Minutes from the March 4 advisory board meeting are attached to this item.

PREVIOUS RELEVANT BOCC ACTION:
Approval of Ralons Security LLC contract on April 17, 2024.

INSURANCE REQUIRED:
Yes

CONTRACT/AGREEMENT CHANGES:
Insurance coverages are already covered under the original contract. Evidence of current coverage is attached. This amendment does not require any additional insurance. Current COI is attached to this agenda item.

This is an optional CPI adjustment to the contract value. This will be Ralon's second year under this current contract as of April 17, 2025.

The base contract value would increase to $87,887, with a new hourly rate of $30.10, not to exceed $94,668 annually.

STAFF RECOMMENDATION: Approval.

CONTRACT FOR SECURITY PATROLS AND SERVICES IN THE DUCK KEY SECURITY DISTRICT

THIS AGREEMENT, made and entered into this 17th day of April, 2024, A.D., by and between MONROE COUNTY, FLORIDA, (hereinafter sometimes called the "County" or "Owner"), and Ralons Security, LLC., (hereinafter called the "Contractor").

WHEREAS, The Duck Key Security Advisory Board is desirous of having a contractor for security patrols and services in the security district; and

WHEREAS, The Monroe County Board of County Commissioners as the governing body of County is authorized to enter into contracts for activities that support the Duck Key Security District, as recommended by the Duck Key Security District Advisory Board; and

NOW THEREFORE, in consideration of the mutual covenants and provisions contained herein, the parties agree as follows: That the parties hereto, for the consideration hereinafter set forth, mutually agree as follow:

1. THE CONTRACT

The contract between the County and the Contractor, of which this agreement is a part, consists of the contract documents, which are as follows: This agreement and any amendments executed by the parties hereafter, together with all required insurance documentation, the response to Request for Proposal (RFP), and the RFP, including but not limited to, the general terms, and conditions in Section 2. In the event of a discrepancy between the documents, those most favorable to the County shall prevail.

2. SCOPE OF THE WORK

The Contractor shall provide Security and Patrols service as described in Attachment A in the Duck Key Security District for the County. Additional security services shall be provided by the contractor which may from time to time be requested by the Duck Key Security District Advisory Board. Any such additional security services shall be billed at the normal hourly rate specified in paragraph 3.A. The District Board will document the authorization for additional hours in writing and said documentation shall be submitted by Contractor with the relevant invoices. The contractor warrants that it is authorized by law to engage in the performance of the activities described herein, subject to the terms and conditions set forth in these contract documents. The provider shall at all times exercise independent, professional judgment and shall assume professional responsibility for the services to be provided. Contractor shall provide services using the following standards, as a minimum requirement:

A. Staffing

The Contractor shall maintain adequate staffing levels to provide the services required. The contractor shall provide at its own expense all necessary personnel to provide the services under this contract. The personnel shall not be employees of, or have any contractual relationship, with the County or the Duck Key Security District. All personnel

engaged in performing services under this contract shall be fully qualified, and authorized or permitted under State and local law to perform such services.

B. Contractor's Records

1) The Contractor shall maintain financial records in accordance with generally accepted accounting principles. An annual financial report audited and certified by a licensed Certified Public Accountant shall be provided to the County Clerk within one hundred twenty (120) days following the close of the Contractor's fiscal year. The certified financial report shall be in such detail as to disclose the revenues, expenses, and disbursements relating to the services provided under this contract. Notes to the Financial statements shall disclose noncompliance with requirements of this contract concerning conflict of interests.
2) The Contractor shall also record and maintain statistical data concerning the security patrols and services, and such additional information as may be required by the County. A quarterly report shall be submitted to the County Administrator.
3) The Contractor shall retain all records pertaining to this contract for a period of five (5) years after the termination of this contract.
4) The County, the Clerk, the State Auditor General, and agents thereof shall have access to Contractor's books, records, and documents required by this contract for the purposes of inspection or audit during normal business hours, at the Contractor's place(s) of business.

3. PAYMENTS TO THE CONTRACTOR

A. The contract is for $85,410.00 (eighty-five thousand four-hundred ten dollars and zero cents) annually based on the number of hours worked at the rate of $ 29.25 (twenty-nine dollars and twenty-five cents) per hour. Contractor shall be compensated for those additional hours required by the District's Board and which are within the annual budget of this contract; the total of all payments, including the routine security and the additional hours shall not exceed $92,000.00 (ninety-two thousand dollars and zero cents). Monroe County's performance and obligation to pay under the contract is contingent upon an annual appropriation by the BOCC.

1) The contractor shall submit to the County a monthly invoice for services provided during the preceding month with supporting documentation acceptable to the Clerk. Acceptability to the Clerk is based on generally accepted accounting principles and such laws, rules and regulations as may govern the Clerk's disbursal of funds.

2) The invoice will include a record of employee time worked and will differentiate time worked at the normal rate, time worked at the additional services rate at the request of the advisory board.

3) Upon receipt of the contractor's invoice in the proper form as stipulated above and upon acceptance by the Clerk, Monroe County will make payment in accordance with the Local Government Prompt Payment Act, 218.70, Florida Statutes.

4. TERM OF CONTRACT

The term of this contract is for three (3) years, commencing on April 19, 2024, at 12:01 A.M. for a term of three years. County has the option of renewing this contract for two (2) additional one-year terms. County shall provide Contractor at least thirty (30) days' notice of its intent to renew. The Contract amount agreed to herein may be adjusted annually in accordance with the percentage change in the Consumer Price Index for all urban consumers (CPI-U) for the most recent twelve months available.

5. CONTRACTOR'S ACCEPTANCE OF CONDITIONS

A. The Contractor hereby agrees that he has carefully examined the security district for which he shall provide services and has made investigations to fully satisfy himself that such site(s) is (are) correct and suitable for this work and he assumes full responsibility therefor. The provisions of the Contract shall control any inconsistent provisions contained in the specifications. All specifications have been read and carefully considered by the Contractor, who understands the same and agrees to their sufficiency for the work to be done. Under no circumstances, conditions, or situations shall this Contract be more strongly construed against the Owner than against the Contractor.

B. Any ambiguity or uncertainty in the specifications shall be interpreted and construed by the Owner, and his decision shall be final and binding upon all parties.

C. The passing, approval, and/or acceptance by the Owner of any of the services furnished by the Contractor shall not operate as a waiver by the Owner of strict compliance with the terms of this Contract, and specifications covering the services. Failure on the part of the Contractor, immediately after Notice to Correct shall entitle the Owner, if it sees fit, to correct the same and recover the reasonable cost of such replacement and/or repair from the Contractor, who in any event shall be jointly and severally liable to the Owner for all damage, loss, and expense caused to the Owner by reason of the Contractor's breach of this Contract and/or his failure to comply strictly and in all things with this Contract and with the specifications.

D. The Contractor agrees that the County Administrator may designate representatives to visit the Contractor's facility(ies) periodically to conduct random open file evaluations during the Contractor's normal business hours.

E. The Contractor has, and shall maintain throughout the term of this contract, appropriate licenses and approvals required to conduct its business, and that it will at all times conduct its business activities in a reputable manner. Proof of such licenses and approvals shall be submitted to the County upon request.

6. HOLD HARMLESS AND INSURANCE

The Contractor covenants and agrees to indemnify and hold harmless Monroe County Board of County Commissioners from any and all claims for bodily injury (including death), personal injury, and property damage (including property owned by Monroe County) and any other losses, damages, and expenses (including attorney's fees) which arise out of, in connection with, or by reason of services provided by the Contractor or any of its Subcontractor(s) in any tier, occasioned by the negligence, errors, or other wrongful act of omission of the Contractor or its Subcontractors in any tier, their employees, or

agents. The first ten dollars ($10.00) of remuneration is consideration for the indemnification provided above.

The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this agreement. This provision shall survive the cancellation or termination of this Agreement.

Prior to execution of this agreement, the contractor shall furnish the Owner Certificates of Insurance as required in the Request for Proposal. All insurance shall be from companies licensed to do business in the State of Florida and having an A.M. rating of VI or better. The insurance shall be maintained during the term of the contract. Monroe County shall be listed as an additional insured on the General Liability and Vehicle policies.

7. INDEPENDENT CONTRACTOR

At all times and for all purposes under this agreement the Contractor is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this agreement shall be construed so as to find the Contractor or any of his employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County.

8. ASSURANCE AGAINST DISCRIMINATION

NON-DISCRIMINATION. The parties agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The parties agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352), which prohibits discrimination in employment on the basis of race, color, religion, sex, and national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC §§ 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC § 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC §§ 6101-6107), which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, §§ 523 and 527 (42 USC §§ 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC §§ 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC §§ 12101), as amended from time to time, relating to nondiscrimination in employment on the basis of disability; 10) Monroe County Code Chapter 14, Article II,

which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) any other nondiscrimination provisions in any federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

9. ASSIGNMENT

The Contractor shall not assign or subcontract its obligations under this agreement, except in writing and with the prior written approval of the Board of County Commissioners of Monroe County and Contractor. This paragraph shall be incorporated by reference into any assignment or subcontract and any assignee or subcontractor shall comply with all of the provisions of this agreement. Unless expressly provided for therein, such approval shall in no manner or event be deemed to impose any additional obligation upon the County.

10. COMPLIANCE WITH LAW

In providing all services/goods pursuant to this agreement, the Contractor shall abide by all statutes, ordinances, rules and regulations pertaining to, or regulating the provisions of, such services, including those now in effect and hereinafter adopted. Any violation of said statutes, ordinances, rules and regulations shall constitute a material breach of this agreement and shall entitle the Board to terminate this contract immediately upon delivery of written notice of termination to the contractor. The contractor shall possess proper licenses to perform work in accordance with these specifications throughout the term of this contract.

11. DISCLOSURE AND CONFLICT OF INTEREST

A. Covenant Of No Interest. The Contractor represents that it, its directors, principles and employees, presently have no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required by this contract, as provided in Sect. 112.311, et. seq., Florida Statutes.

B. Code of Ethics. County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment or contractual relationship; and disclosure or use of certain information.

C. No Solicitation/Payment. The County and Contractor warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Contractor agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

12. NO CREDIT

The Contractor shall not pledge the County's credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien, or any form of indebtedness. The Contractor further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this contract.

13. NOTICE REQUIREMENT

Any notice required or permitted under this agreement shall be in writing and hand delivered or mailed, postage prepaid, to the other party by certified mail, returned receipt requested, to the following:

FOR COUNTY

Monroe County Administrator	and	County Attorney
1100 Simonton Street		1111 12th Street, Suite 408
Key West, FL 33040		Key West, Fl. 33040

FOR CONTRACTOR:
Ralons Security, LLC.
12595 SW 137th Avenue
Suite 303
Miami, FL 33186

14. TAXES

The County is exempt from payment of Florida State Sales and Use taxes. The Contractor shall **not** be exempted by virtue of the County's exemption from paying sales tax to its suppliers for materials used to fulfill its obligations under this contract, nor is the Contractor authorized to use the County's Tax Exemption Number in securing such materials. The Contractor shall be responsible for any and all taxes, or payments of withholding, related to services rendered under this agreement.

15. NON-WAIVER OF IMMUNITY

Notwithstanding the provisions of Sec. 768.28, Florida Statutes, the participation of the County and the Contractor in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

16. PRIVILEGES AND IMMUNITIES

All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which

apply to the activity of officers, agents, or employees of any public agents or employees of the County, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

17. LEGAL OBLIGATIONS AND RESPONSIBILITIES

Non-Delegation of Constitutional or Statutory Duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by any participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the County, except to the extent permitted by the Florida constitution, state statute, and case law.

18. TERMINATION

A. The County may terminate this contract for cause with seven (7) days' notice to the Contractor. Cause shall constitute a breach of the obligations of the Contractor to perform the services enumerated as the Contractor's obligations under this contract.
B. Either of the parties hereto may terminate this contract without cause by giving the other party sixty (60) days written notice of its intention to do so.
C. For Contracts of any amount, if the County determines that the Contractor has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

19. GOVERNING LAWS, VENUE

This Agreement is governed by the laws of the State of Florida. Venue for any litigation arising under this Agreement must be in the 16th Judicial Circuit in and for Monroe County, Florida. In the event of any litigation, the prevailing party is entitled to attorney's fees and costs. This Agreement is not subject to arbitration. Mediation shall be held according to the rules prescribed by the 16th Judicial Circuit, Monroe County, Florida.

20. NON-RELIANCE BY NON-PARTIES

No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and the Contractor agree that neither the County nor the Contractor or any agent, officer, or

employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

21. ATTESTATIONS

Contractor agrees to execute such documents as the County may reasonably require, to include a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement.

22. NO PERSONAL LIABILITY

No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

23. EXECUTION IN COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument and any of the parties hereto may execute this Agreement by singing any such counterpart.

24. PUBLIC RECORD COMPLIANCE

Contractor must comply with Florida public records laws, including but not limited to chapter 119, Florida Statutes and section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to F.S. 119.0701 and the terms and conditions of this contract, the Contractor is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE 305-292-3470 BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE 1111 12TH Street, SUITE 408, KEY WEST, FL 33040.

25. ADJUDICATION OF DISPUTES OR DISAGREEMENTS

COUNTY and CONTRACTOR agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. The CONTRACTOR and COUNTY Representative shall try to resolve the claim or dispute with meet and confer sessions. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law

26. PUBLIC ENTITY CRIME STATEMENT

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list

27. ETHICS CLAUSE

Contractor warrants that he/it had not employed, retained or otherwise had act on hi/its behalf any former County officer or employee subject to the prohibition of Section 2 of Ordinance no 020-1990. For breach or violation of this provision the County may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover the full amount of any fee, commissions, percentage, gift, or consideration paid to the former county officer or employee.

28. E-VERIFY SYSTEM

Beginning January 1, 2021, in accordance with F.S. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095.

29. SECTION HEADINGS

Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

30. RIGHT TO AUDIT

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); back charge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by County or the Monroe County Office of the Clerk of Court and Comptroller (hereinafter referred to as "County Clerk") to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in County's or the County Clerk's reasonable judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by County's representative and/or agents or the County Clerk. County or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through interviews and written confirmations with employees, Subcontractors, suppliers, and contractors representatives. All records shall be kept for ten (10) years after Final Completion of the Project. The County Clerk possesses the independent authority to conduct an audit of Records, assets, and activities relating to this Project. If any auditor employed by the Monroe County or County Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement or were wrongfully retained by the Contractor, the Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, F.S., running form the date the monies were paid to Contractor. The *right to audit* provisions survives the termination of expiration of this Agreement.

[remainder of page intentionally left blank, signatures to follow]

IN WITNESS WHEREOF the parties hereto have executed this Agreement on the day and date first written above in four (4) counterparts, each of which shall, without proof or accounting for the other counterparts, be deemed an original contract.

RE: Request for Proposals for Duck Key Security Patrols and Services 01-18-24

Greetings Commissioners,

Ralons Security has enjoyed providing security services to the residents of Duck Key. We believe that the guards, Frank and Marqus, have been doing excellent work during the overnight shift. We also believe that they deserve a raise. We are requesting a seventy-five cent ($0.75) increase that will be directly applied to providing a one dollar ($1.00) raise to Frank and Marqus. If we are awarded this contract, the raise will be effective once the new contract begins.

Thank you for your consideration.

Sincerely,

Tibizay Morales

44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

(To be submitted with each bid or offer exceeding $100,000)
Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Ralons Security, LLC, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Item III: Comments from the Public.
Tim Abner advised questions can be asked by the Public at any time during the meeting.

IV. STANDING REPORTS

MCSO – Captain Derek Paul reported MCSO is getting great data from the Duck Key Speed Radar signs, and they will continue to monitor the results and have patrols in Duck Key at appropriate times. The on-loan MCSO electronic sign has been placed at Truman Bridge for over a month now and is advising people of the rules for Golf cart driving ages. Golf carts may be driven by those of 15 years of age with a learners permit and accompanied by an adult, 16-year-olds with a current valid drivers license and others 18 years of age or older. The law was recently changed to these age limits by Governor DeSantis. MCSO is gearing up for Spring Break 2025 and there will be extra patrols on duty during this time period.

Ralons Security – Luis Requejo reported that Duck Key has been quiet, with not many incidents. There has been a request submitted to the company budget for a new pickup truck for patrol guards to drive in versus the current car in 2025, as a truck will be better suited for travel in Duck Key when flooding occurs. Luis reported he does have an open position currently as Frank Jackson has resigned as a Ralons Security guard. He is interviewing for this position.

Hawks Cay Resort – Gabriel Kelly, Director of Security for Hawks Cay, informed us that the resort has changed ownership as of February 7, 2025, and is currently owned by EOS Hospitality that has now 6 resorts in the FL Keys, including Isla Bella. They have started a $3 M renovation of the Hawks Cay Marina area, and pilons are being placed throughout the dock areas. Questions were asked of Gabriel concerning Duck Key residents' access to Hawks Cay, its amenities, restaurants, shops, etc. Clarification will be sent to DKSAB to

inform the Duck Key residents as soon as possible, and it is requested residents give the Company Management team time for decisions to be made.

FWC – Lt. Brian Sapp was absent.

VI. OLD BUSINESS/Technology Report

Technology Update – Frank Jackson reported minor problems with the camera equipment on Bimini, all are operational, but he has requested help from Barnes Alarm to remedy the problem. All Speed Radar signs are operational and working.

VII. NEW BUSINESS

A. **Bridge Update - Judith Clarke, Chief Engineer, Monroe County** Duck Key Bridge Update (She was absent, but submitted this current report.)

Duck Key Bridge Update 03-07-2025

Harbour Drive Bridge:
The contractor formed the steel for the deck of the Harbour Drive Bridge and poured the concrete deck slab on February 28th. AEB has installed bridge railing decorative balusters and is forming the railing base, columns and top railing in preparation for the concrete pour that is scheduled for March 14th. The contractor has proceeded with the construction of the MSE wall and placement of roadway select fill on both ends of the bridge. AEB is coordinating with ATT and Comcast for installation of their conduits within the approach roadway as construction proceeds.
The contract date of substantial completion is April 22, 2025. The contractor's most recent schedule indicates that they anticipate project completion in August 2025.

Seaview Drive Bridge:
The county received a proposal to complete the Seaview Drive Bridge from Southern Road and Bridge on January 14, 2025, a second cost proposal from General Asphalt on February 14th, and the final proposal from GLF Construction Corporation on February 28th. Staff has reviewed the proposals and is preparing a contract with General Asphalt, who provided the lowest bid and is a responsible/responsive bidder. General Asphalt's tentative schedule for the work anticipates a 39-week construction duration, which would result in completion of the project in December 2025. In accordance with the law, the County has a duty to mitigate damages, which is a legal doctrine that refers to a party's obligation to make reasonable efforts to limit the harm they suffer. It prevents the injured party (county) from recovering damages from the surety that could have been avoided through reasonable efforts such as seeking lower bids. The contract will be signed by the County Administrator and will be ratified by the BOCC at the March 25th BOCC meeting. Staff inspects the plywood deck on the bridge periodically and performs repairs as needed. County Road

Department staff was onsite on several occasions in the past weeks to perform repairs to the temporary deck. The posted speed limit over the bridge is 10 MPH; adherence to the speed limit, especially by larger vehicles, will reduce damage to the deck. Staff will continue to inspect the deck regularly and perform repairs.

B. Discussion of an optional 2.9% CPI increase for 1 contracted service, Ralons Security.

Motion to approved CPI increase for Ralons Security, with increase to go to hourly security guard employees made by Laurie Oestreicher; second Jon Porter, none opposed.

MOTION CARRIED

C. Discussion on option for Duck Key Security cameras to link into MCSO – Sheriff's database to scan license plates for immediate response data. After a lengthy discussion and faulty ZOOM presentation on how the system would work, it was decided the Board needed more information before deciding to purchase this system. The discussion was tabled, to be continued at the next board meeting, May 7, 2025.

D. DKSAB Fiscal Year Budget Review – John Quinn, OMB advised that he would add in the approved CPI $ increase to the 2025 budget. The Duck Key District 152 budget has funds of $400,000 in reserve, the funds to be spent for 2025 is $115,000 and the incoming revenue is consistent and adequate. If the district spends the same as TY, the revenue will cover the funds needed, and there are reserves if additional funds are needed.

VIII. Public Comments None

Motion to adjourn made by Ken Floyd: second by Laurie Oestreicher, meeting was adjourned at 5:10 p.m.

General information: Next DKSAB meeting will be May 7, 2025, at 4 p.m. at the Hawks Cay Resort Meeting room and via Zoom. Notification will be sent prior to the meeting. Minutes submitted by: Laurie Oestreicher laurie.oestreicher@gmail.com

FIRST AMENDMENT TO AGREEMENT
BETWEEN MONROE COUNTY AND RALON'S SECURITY, LLC
(Duck Key Security Services)

THIS FIRST AMENDMENT to the Agreement dated April 17, 2024, between Monroe County Board of County Commissioner ('County' or 'Owner') and Ralon's Security, LLC ('Contractor') is made and entered into this 16th day of April 2025,

WHEREAS, the parties entered into the Agreement for the Contractor to provide security patrols and services for the Duck Key Security District (DKSD); and

WHEREAS, Section 4 of the Agreement permits the amount of compensation payable to Contractor to be adjusted annually in accordance with the percentage change in the Consumer Price Index for all urban consumers (CPI-U) for the most recent twelve (12) months available; and

WHEREAS, at a public meeting held on March 4, 2025, the DKSD Advisory Board voted to approve an adjustment to compensation payable to Contractor under the Agreement in an amount equal CPI-U for calendar year 2024, conditioned upon such increase being applied towards an increase in the rate of pay for employees assigned to DKSD security patrols; and

WHEREAS, Contractor agrees to the adjustment of compensation payable under the Agreement under the conditions established by the DKSD Advisory Board;

NOW THEREFORE, **IN CONSIDERATION** of the mutual promises contained herein, the parties hereby agree as follows:

1. In accordance with Paragraph 4, **TERM OF CONTRACT,** the compensation payable to Contractor shall be adjusted by 2.9%, the CPI-U for the most recent twelve (12) months ending on December 31, 2024.

2. Effective April 17, 2025, Section 3 of the Agreement, **PAYMENTS TO THE CONTRACTOR,** shall be amended as follows:

> The contract is for ~~**$85,410.00 (eighty-five thousand four hundred ten dollars and zero cents)**~~ **$87,887.00 (eighty-seven thousand eight hundred eighty-seven dollars and zero cents)** annually based on the number of hours worked at the rate of ~~**$29.25 (twenty-nine dollars and twenty-five cents)**~~ **$30.10 (thirty dollars and ten cents)**. Contractor shall be compensated for those additional hours required by the District's Board and which are within the annual budget of this contract; the total of all payments, including the routine security and the additional hours shall not exceed ~~**$92,000.00 (ninety-two thousand dollars and zero cents)**~~ **$94,668.00 (ninety-four thousand six hundred sixty-eight dollars and zero cents)**. Monroe County's performance and obligation to pay under contract is contingent upon an annual appropriation by the BOCC.

3. Contractor agrees that the increase in compensation contemplated under this First Amendment shall be applied to the rate of pay for employees it assigns to DKSD security patrols, to the greatest extent feasible.

4. In all other respects, the remaining terms of the Agreement entered into on April 17, 2024 shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused these presents to be executed in the respective names.

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: C5
2023-3252

BULK ITEM: Yes

DEPARTMENT: Animal Control

TIME APPROXIMATE:
N/A

STAFF CONTACT: Suzi Rubio

AGENDA ITEM WORDING: Approval to waive the Purchasing Policy and extend the contract with Florida Keys Society for Prevention of Cruelty to Animals, Inc., for an additional five (5) years and three (3) months to end September 30, 2030 and to change the annual adjustment to 3% annually rather than the current annual CPI based adjustments. The total contract amount from July 1, 2025 through September 30, 2025 will be $139,194.60 and the annual contract amount for FY26 is $557,319.50. Funding is from ad valorem.

ITEM BACKGROUND:

This contract expires in June 2025. This provider took over the operation after the failure of two previous providers. Staff recommends waiving the purchasing policy and extending the contract since this operator has proven it has the financial and professional experience since taking over the contract. Extending the contract to 30 SEP 2030 also bring its expiration into line with the County's fiscal year.

Changing the contract from Annual CPI adjustments is recommended because: a) 3% is approximately the recent years' experience average of CPI. The 2025 CPI adjustment will be 2.9%), b) it is more predictable for both parties' budgeting, and c) It avoids the requirement for annual contract amendments for the adjustment.

This change in the annual adjustment will result in the following:

The total contract amount from July 1, 2025 through September 30, 2025 will be $139,194.60.

The total contract amount for FY26 - October 1, 2025 through September 30, 2026 will be $557,319.50

The total contract amount for FY27 - October 1, 2026 through September 30, 2027 will be $574,039.08

The total contract amount for FY26 - October 1, 2027 through September 30, 2028 will be $591,260.25

The total contract amount for FY26 - October 1, 2028 through September 30, 2029 will be $608,998.06

The total contract amount for FY26 - October 1, 2029 through September 30, 2030 will be $627,268.00

NINTH AMENDMENT TO CONTRACT
(Operation of the Marathon Animal Shelter)

THIS NINTH AMENDMENT TO CONTRACT is entered into this 25th day of March, between Monroe County Board of County Commissioners (County) and Florida Keys Society for Prevention of Cruelty to Animals, Inc., a Florida not-for-profit corporation (FKSPCA/Contractor), in order to amend the agreement entered into on November 14, 2017, and as amended on May 16, 2018, May 22, 2019, June 17, 2020, July 15, 2020, July 21, 2021, June 15, 2022, June 21, 2023 and April 17, 2024 as follows;

WHEREAS, as a result of the competitive solicitation issued by the County, the FKSPCA and County entered into an agreement dated November 14, 2017, whereby the FKSPCA will operate the Marathon Animal Shelter and provide animal control services from Mile Marker 16.7 to Mile Marker 70 (Agreement). The term of the Agreement, as amended and renewed on June 17, 2020, by a Third Amendment is November 15, 2017 to June 30, 2025, and;

WHEREAS, the terms of the Agreement, as amended on June 17, 2020, by a Third Amendment, provides that the contract anniversary date will be July 1st; and

WHEREAS, the terms of the Agreement provide that the contract amount may be adjusted annually by the percentage change in the Consumer Price Index (CPI) for all urban consumers (CPI-U) for the most recent 12 months available ending in December of each year; and

WHEREAS, the Agreement was amended by an Eighth Amendment dated April 17, 2024 which adjusted the contract amount by 3.4%, increasing the contract to $541,086.89per annum; and

WHEREAS, the FKSPCA has requested hours of operation for the Marathon campus branch to at a minimum, the shelter shall be open to the public from 9:30 a.m. to 4:00 p.m., Eastern Time, Monday through Friday, and from 10:30 a.m. to 2:00 p.m. Eastern Time on Saturdays with time adjustment allowed upon mutual written consent of the County and Contractor; and

WHEREAS, the County desires to extend the current contract for an additional five (5) years and three (3) month to expire on September 30, 2030; and

WHEREAS, the County desires to change the annual adjustment to 3% annually rather than the current annual CPI based adjustments with the first adjustment effective July 1, 2025 through September 30, 2026 and annually beginning October 1, 2026 for the remaining contract term; and

IN CONSIDERATION of the mutual promises contained herein, the parties hereby agree as follows:

1. The term of this agreement will be extended for an additional five (5) years and three (3) months, beginning on July 1, 2025 and ending on September 30, 2030 unless terminated earlier as stated in Sections XXIV and XXV of the November 14, 2017 original contract.

2. Paragraph V, **RENEWAL** will be amended as the contract amount is hereby adjusted by

3% effective July 1, 2025 through September 30, 2026 and annually beginning October 1, 2026 for the remaining contract term. Annual contract amounts will be as follows:

- The total contract amount from July 1, 2025 through September 30, 2025 (remainder of FY25) will be **$139,329.87**.
- The total contract amount for FY26 - October 1, 2025 through September 30, 2026 will be **$557,319.50**
- The total contract amount for FY27 - October 1, 2026 through September 30, 2027 will be **$574,039.08**
- The total contract amount for FY26 - October 1, 2027 through September 30, 2028 will be **$591,260.26**
- The total contract amount for FY26 - October 1, 2028 through September 30, 2029 will be **$608,998.06**
- The total contract amount for FY26 - October 1, 2029 through September 30, 2030 will be **$627,268.00**

3. Paragraph A.8 is replaced in it's entirety with the following: **8. HOURS OF OPERATIONS**: At a minimum: the Marathon Animal Shelter shall be open to the public from 9:30 a.m. to 4:00 p.m., Eastern Time, ~~Tuesday~~ Monday through Friday, and 10:30 a.m. to 2:00 p.m., Eastern time, on Saturday ~~and Sunday~~.

   Hours of operation may be adjusted only upon mutual written consent of the County and the Contractor in the form of a contract amendment approved by both parties."

4. In all other respects, the remaining terms of the Agreement entered into on November 14, 2017, as amended, not inconsistent herewith, shall remain in full force and effect.

MEMORANDUM

DATE: 31 March 2025

TO: BOCC

FROM: Kevin G. Wilson

SUBJECT: Middle Keys (MM17-MM70) Animal Control Contract Extension

Action Recommended: Waive purchasing policy and extend the Marathon FKSPCA contract for another five (5) years and three months while eliminating the annual CPI adjustment in favor of a fixed 3% annual adjustment.

Basis for Recommendation:

1. FKSPCA has the organizational and financial strength to deliver services in the middle keys.
2. Past solicitations have resulted in two bailouts of failed providers by FKSPCA.
3. Adjusting the end date will correspond with the County's Fiscal year
4. Using a 3% annual escalator is predictable for budgeting and approximates the long-term average CPI.
5. KDPA suggested changes to the terms appear to add significant cost while not significantly improving service.

Discussion:

FKSPCA's contract for the middle keys expires in June 2025. FKSPCA is willing to continue providing services to the service area from MM16 – MM70. Past public solicitations have resulted in contracts that ended in financial difficulties for the providers. In both cases, FKSPCA stepped in, at the County's request, to replace the failed service providers.

In 2017 a contract was done on an emergency basis to enable FKSPCA to take over the failed operation. The agreement was written to finish the term of the previous contractor and provided for one (1) five (5) year extension. That extension expires in June 2025.

The contract expires in the middle of the County's fiscal year and before the CPI for the coming year is available making budget forecasting for the following year difficult. Using a fixed annual adjustment of 3% and moving the anniversary date to 1 October, makes sense so that mid-year adjustments in the contract are not necessary and eliminates the need for annual contract amendments saving staff time.

The County has received one recommendation from the Key Deer Protection Alliance (KDPA) for suggested changes to the FKSPCA terms. Those requests included expanded hours at the shelter, aa addition ACO to patrol Big Pine Key and some requests for public records. FKSPCA estimates the increased costs for those changes is $130,000/year. The County evaluated the service increases requested and determined that they would not significantly improve service. Attached is FKSPCA's response to those requests and the County's response to KDPA.

Alicia,
Sorry for forgetting to follow up. I have attached Tammy Fox's response to your letter . She prepared it in January but, I failed to notice she didn't include you. Her responses are included within your letter and includes sections from their SOP that you requested as attachments. Also attached is a summary from Tara McFarland, the Director of the FKSPCA Marathon campus, of our meeting earlier this week to explore the suggestions about changing the terms of the contract which will be on the April BOCC meeting for approval.

The costs of the changes you suggest do not appear to be justified given the statistics cited by Tammy & Tara and the fact that shelter hours will have no effect on ACO operations.

CAUTION

Hello everyone,

Thank you for your time today. I sincerely appreciate everyone's consideration and willingness to listen, and provide input. The following are the notes requested from the meeting:

Currently the "open hours" of the FKSPCA Marathon Campus reflect hours that the facility in Marathon is open to the public to walk in and conduct business such as viewing adoptable animals, dropping off donations, learning about our programs and services, or similar types of interactions. Therefore; our on site open hours at our Campus do not directly impact the issue of free-roaming dogs in any way. Conversely, our Animal Control Officers are available six days a week from 8am - 5pm to conduct normal business, and respond to after-hour emergencies 24/7.

The Marathon Campus currently has 7 staff members. The Director of Operations, Shelter Manager, Event/Volunteer Coordinator, Lead Animal Control Officer and 3 Animal Care Technicians. To adequately keep the facility clean, care for the 50 animals currently housed at our shelter, assist the public via walk in or telephone and respond to calls it takes a *minimum* of 3 FT employees per day, five days a week for 8 hour shifts (outside the Director, Management and Event/Volunteer Coordinator positions). To accommodate the KDPA request of extending hours until 6:30pm it would mean changing our five day a week, 8 hour shift work week to four 10 hour days. Doing so would require hiring two more FT Animal Care staff.

The average annual salary of an Animal Care staff member is $38,000. Hiring the necessary two additional FT Animal Care staff members would increase our budget by an estimated $76,000.

There are two staff members trained to perform Animal Control duties that live on Big Pine Key. A third staff member is completing her training in April, and she too lives in Big Pine Key, creating a total of 3 Animal Control Officers that live in the area of concern. Those officers not only live on Big Pine, but do travel through the island to commute to work, conduct business on the island, come home on lunch breaks, and frequent stores and restaurants. This is all done on personal time outside of working hours. Between responding to citizen complaints, and conducting personal life, errands, etc… our Officers do have a finger on the pulse of what is happening on the island they live on in regards to Animal Control.

To accommodate the KDPA recommendation of more patrols, while still providing the same quality of service to the remaining 50 miles of our justiction, the FKSPCA would need to hire an additional Animal Control Officer.

The average Animal Control Officer base salary is $42,000. The average on-call shifts (3 shifts per week x $50) is $7,800. The average training is $1,500. Not factoring in overtime pay for after-hours calls, the County contract would need to see an estimated $51,300 to absorb the costs suggested by the KDPA.

The total increase in the current contract amount would need to be $127,300.

Furthermore; the FKSPCA does own two of our own Animal Control vehicles. There are no leased vehicles through the County. Having two vehicles ensures that if one Officer is responding to a call, or patrolling a certain area, and another call comes in simultaneously, another Officer is available to take the second vehicle and respond immediately.

From January 1st 2025 - March 27th 2025 the Marathon Campus responded to a total of **90 calls**. Service calls include the following (but are not limited to); trapped or injured wildlife, noise complaints (barking dogs/crowing chickens), acts of cruelty or neglect, animals in distress, animal bites, loose/stray dogs, seizures, welfare checks and transportation. Of those **90 calls, 17** were on Big Pine Key or **18%** of our total call volume. With our current staffing and current patrol schedule, I am confident that we are already giving the Big Pine Key area **more than 18%** of our time and resources.

For your knowledge the breakdown of those 17 calls are as follows:
Dog Bite - 4
Loose/Stray Dog: 6
Transport: 2
Dead Animal: 1
Dog lost on an uninhabited offshore island: 1
Noise Complaint: 2
Wildlife: 1

6 stray dog reports on Big Pine, of our 90 total calls is less than 7% of all total calls.

It is the responsibility of the FKSPCA and Animal Control to provide the same quality service to all of our community members across our entire jurisdiction. I am comfortable and confident that my team not only meets, but exceeds the expectations of our contract and provides exceptional service through prompt response times, effective and courteous communication, education and resources.

Please let me know if there's anything further I can do, information I can provide, or questions I may answer to assist you.

Best,

Dear Christine,

The Key deer Protection Alliance (KDPA) has monitored Animal Control on Big Pine Key and No Name Key since our involvement with the process of adopting the Monroe County Comprehensive Plans.

Up until the Big Pine Key Animal Shelter was closed in 2010, there was a noticeable presence of Animal Control and enforcement on Big Pine and No Name Keys. The public knew what to do when encountering a free roaming dog and Animal Control followed through. The system operated smoothly.

Since then, we have become increasingly aware that free-roaming dogs are a serious problem in our community. We receive calls asking KDPA “who do I call?” and “what do I do?” when encountering a free-roaming dog. KDPA has been monitoring the frequency of local social media discussions regarding free-roaming dogs[1] and was involved in the case of the Key deer being attacked and killed on July 1, 2023. This is an unproven statement. The fact from recorded and documented calls in to the Marathon Campus regarding at large dogs is as follows: Claim stated above: "From our analysis there can be as many as eight loose dog sightings a month on Big Pine Key...."

1 From our analysis there can be as many as eight loose dog sightings in a month on Big Pine Key, No Name Key and the Lower Keys. We estimate that is a fraction of how many loose dogs are seen each month.

Fact - During all twelve months of 2024 there were ten in total *reported* stray dogs on Big Pine Key. Of those 10 reports, there was not one report of an injured person or a Key Deer. The monthly breakdown is as follows:

Animals at Large:
1-14-2024 - Impound
1-28-2024 - Impound
3-13-2024 - Warning Issued
4-7-2024 - Impound
7-19-2024 - Unable to Locate
7-25-2024 - Impound
9-18-2024 - In field RTO at Vets office
10-15-2024 - Impound (Ducks, not dogs)
11-27-2024 - Impound
12-19-2024 - Unable to Locate

In addition, although not mentioned, total bite reports for 2024 is as follows:
1-19-2024 - Shelter QT (QT indicates quarantine)
3-31-2024 - Unable to Locate/No Response from Victim
4-16-2024 - Home QT
4-18-2024 - Citation Issued
10-16-2024 - Home QT
11-13-2024 - Two dogs in the same household. Impounded both. Humane euthanasia of the aggressor.
12-22-2024 - Home QT

In addition there have been two recent dog attacks on members of the public[2]. This is a false statement. Claim detailed (#2) "From December 1st through January 2nd there have been at least two reported attacks on a person by a loose dog" Fact - There was one documented dog bite on Big Pine Key in that period, case #8863261. On December 22, 2024 Officer Fricke was bitten by a dog on its own property when reporting to a 911 call. This dog was not at large.

Beth Fennel (a SOKD activist) reported being bitten by an off leash dog but retracted her statement to Officer Walters claiming "it might have been a scratch on her finger by a nail", and the owners claim their dog never made any contact with Ms. Fennel at all.

Due to all these factors, KDPA has amassed a wealth of information on the effects of free roaming dogs on endangered species, walkers, bikers, runners and the general public. We

2 From December 1st through January 2nd there have been at least two reported attacks on a person by a loose dog.

have concluded the current Animal Control system is not working as it should, and there is definite room for improvement.

Thanks to you we were able to study the current contract entitled "Operation of Marathon Animal Control Shelter and Middle Keys Animal Control" (from Mile Marker 16.7 to Mile Marker 70).

This contract became effective on November 15, 2017, and ended at 12:00 midnight on June 30, 2020. Per the section on "Renewal" Monroe County had the option to renew the agreement for one (1) additional five-year period. Hence, the contract is due for renewal on June 30, 2025.

KDPA would like to provide input during the process of re-negotiating an Animal Control contract for the Lower Keys, including, but not limited to, Big Pine Key, No Name Key, Summerland Key, Cudjoe Key and Sugarloaf Key. How can this be accomplished?

At the same time, KDPA would also like to know how to access the current Animal Control records, such as the protocol for responding to animal control calls, This can be found within the Standard Operating Procedures Manual which was provided to the county with our contract bid and we have on hand. In order to provide you with what you need I have extracted the pages pertaining to the animal control protocols and attached to this email.

the Pet Point System Only employees are given access to the internal software known as PetPoint as it contains sensitive information. However, a public records request can be submitted for a specific document within the PetPoint system that pertains to the animal control contract,

the protocol for investigating bites by free-roaming and other forms of attacks on people and animals This can be found within the Standard Operating Procedures Manual. In order to provide you with what you need I have extracted the pages pertaining to the animal control protocols and attached to this email.

as well as the log of miles driven annually on the patrol vehicle. The public records request procedure specifically states documents should not be created to satisfy a request. Only existing documents are relevant. We do not maintain a mileage log therefore this document cannot be provided.

How would we gain access to these records? If any member of the public would like to see public records pertaining to the animal control contract they can request the specific public record along with the period for which they would like to request. They can make this request to the county or to the FKSPCA. Having a copy of the "Policies and Procedures

Manual" may answer most of our questions and deal with many of our concerns. I have included the pages from the manual to this email.

We hope our comments and suggestions for the next Animal Control contract will be viewed as we intend them to be: constructive, with the goals of creating an Animal Control system which is more likely to make sense to the public, removing the public's fears of free-roaming dogs and protecting the endangered species in the Lower Keys, including the Key deer.

Thank you for your time and interest in this matter. The KDPA Board will appreciate any assistance you may provide in helping to improve Animal Control services on Big Pine and No Name Keys and other islands in the Lower Keys.

Sincerely,

Alicia Putney, President

AGENDA ITEM WORDING: Approval of a Second Amendment to the Administrative Agreement with the Florida Keys Council of the Arts (FKCA) to utilize 10% of the 1% Art in Public Places allocation for capital projects, to pay for administrative expenses. This Second Amendment updates personnel and hourly rates.

ITEM BACKGROUND:
Monroe County Ordinance 022-2001 provides an appropriation of 1% of construction costs for new construction exceeding $500,000.00, and renovations exceeding $100,000.00, to be used for the acquisition, commission, installation, and maintenance of art works through the Art in Public Places Committee (AIPP).

The current Administrative Agreement with Florida Keys Art Council (FKCA) was approved by the BOCC on 1/18/2023 and was first amended on 3/20/24. The Administrative Agreement authorizes FKCA to utilize 10% of the art funding, which is appropriated under Ordinance 022-2001, to cover administrative expenses for each AIPP project.

This Second Amendment updates personnel due to a recent staff change and the hourly rates of personnel.

PREVIOUS RELEVANT BOCC ACTION:

SECOND AMENDMENT TO ADMINISTRATIVE AGREEMENT
MONROE COUNTY ARTS IN PUBLIC PLACES

This **SECOND AMENDMENT** dated the **16th day of April 2025**, is entered into by and between the **BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY**, ("County"), and the **FLORIDA KEYS COUNCIL OF THE ARTS** ("FKCA").

WHEREAS, the Art in Public Places Ordinance #022-2001, codified at MCC §2-233, provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 for the acquisition, commission, installation, and maintenance of works of art in said buildings; and

WHEREAS, on January 18, 2023, the parties entered into an Administrative Agreement where the AIPP committee can utilize ten percent (10%) of the art funding for each project for certain reimbursement of administrative expenses incurred by the FKCA ("Agreement"); and

WHEREAS, on March 20, 2024, the parties entered into a First Amendment to the Agreement which updated the listed personnel, hourly rates, Public Entity Crime Statement paragraph and Nondiscrimination paragraph; and.

WHEREAS, the FKCA has requested an update to the Administrative Agreement to reflect the current hourly pay rate and listed personnel.

NOW THEREFORE, in consideration of the mutual covenants and payment contained herein, the parties have entered into this Agreement on the terms and conditions as set forth below:

1. Paragraph 1.a. of the Agreement is amended as follows:

    a. The FKCA may be reimbursed for personnel (as listed below) for the time of each spent associated with a project at their hourly rate including, but not limited to, the issuance of RFQs and RFPs, collating and distributing responses, providing administrative support during evaluation meetings, and preparation and processing of contracts:

NAME	FUNCTION	HOURLY RATE
Elizabeth Young	Administration	$42.76
Abigail Lockwood	Administration	$33.65
Mary Martin	Administration	$28.00

    The services performed by the above personnel shall be reimbursed at their hourly rate. A schedule of services must be approved by the Director of Project Management.

2. In all other respects, the original Agreement dated January 18, 2023, as amended on March 20, 2024, remains unchanged.

IN WITNESS WHEREOF, each party causes this Second Amendment to the Agreement to be executed by its duly authorized representative on the day and year first written above.

FIRST AMENDMENT TO ADMINISTRATIVE AGREEMENT
MONROE COUNTY ARTS IN PUBLIC PLACES

This FIRST AMENDMENT dated the 20th day of March 2024, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, ("County"), and the FLORIDA KEYS COUNCIL OF THE ARTS ("FKCA").

WHEREAS, the Art in Public Places Ordinance No. 022-2001, codified at MCC §2-233, provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 for the acquisition, commission, installation, and maintenance of works of art in said buildings; and

WHEREAS, on January 18, 2023, the parties entered into an Administrative Agreement where the Art in Public Places ("AIPP") committee can utilize ten percent (10%) of the art funding for each project for certain reimbursement of administrative expenses incurred by the FKCA ("Agreement"); and

WHEREAS, the FKCA has requested an update to the Administrative Agreement to reflect current hourly pay rate and listed personnel and to update certain provisions to bring them current with County policies.

NOW, THEREFORE, in consideration of the mutual covenants and payment contained herein, the parties have entered into this First Amendment to Agreement on the terms and conditions as set forth below:

1. Paragraph 1.a. of the Agreement is amended by deleting the current paragraph and replacing it in its entirety with the following paragraph:

    a. The FKCA may be reimbursed for personnel (as listed below) for their time spent associated with a project, at their hourly rate, including but not limited to the issuance of RFQs and RFPs, collating and distributing responses, providing administrative support during evaluation meetings, and preparation and processing of contracts:

NAME	FUNCTION	HOURLY RATE
Elizabeth Young	Administration	$42.76
Martha Resk	Administration	$35.33
Mary Martin	Administration	$28.00

    The services performed by the above personnel shall be reimbursed at their hourly rate. A schedule of services must be approved by the Director of Project Management.

2. Paragraph 8, PUBLIC ENTITY CRIME STATEMENT, of the Agreement, is hereby amended to delete the current Paragraph 8 and replace it in its entirety with the following paragraph:

> 9. PUBLIC ENTITY CRIME STATEMENT: "A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list."

3. Paragraph 18, Nondiscrimination, of the Agreement, is hereby amended to delete the current Paragraph 18 and replace it in its entirety with the following Paragraph:

> 18. NONDISCRIMINATION. Contractor and FKCA agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. Contractor and FKCA agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from

time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

4. In all other respects, the original Agreement dated January 18, 2023, remains unchanged.

IN WITNESS WHEREOF, each party causes this First Amendment to the Agreement to be executed by its duly authorized representative on the day and year first written above.

MONROE COUNTY ARTS IN PUBLIC PLACES
ADMINISTRATIVE AGREEMENT

This AGREEMENT dated the 18th day of January, 2023, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, ("County"), and the FLORIDA KEYS COUNCIL OF THE ARTS ("FKCA").

WHEREAS, the Art in Public Places Ordinance #022-2001, codified at MCC §2-233, provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 for the acquisition, commission, installation, and maintenance of works of art in said buildings; and

WHEREAS, the ordinance establishes an Arts in Public Places Committee (AIPP Committee) to advise the County Commission regarding art to be acquired and installed in each public construction project subject to the AIPP allocation; and

WHEREAS, the AIPP Committee has elected to utilize ten percent (10%) of the art funding for each project for certain reimbursements of administrative expenses incurred by the FKCA; and

WHEREAS, an Administrative Agreement for the FKCA to utilize ten percent (10%) of the art funding for administrative expenses has been continuously in effect since the first BOCC action on October 15, 2008;

WHEREAS, the current Administrative Agreement expired on September 30, 2022, with no additional options available to renew the Agreement; and

WHEREAS, the FKCA has authorized its Executive Director to request to enter into a new Administrative Agreement to utilize ten percent (10%) of the art funding for administrative expenses effective retroactive to October 1, 2022, and expiring on September 30, 2025; and

NOW THEREFORE, in consideration of the mutual covenants and payment contained herein, the parties have entered into this Agreement on the terms and conditions as set forth below:

1. REIMBURSABLE ADMINISTRATIVE EXPENSES: The County shall reimburse up to ten percent (10%) of the funds allocated for each project to the FKCA for expenditures directly related to each project. Expenses shall be reimbursed only after properly invoiced by the FKCA with supporting receipts and documents.
   Reimbursable expenses shall include:

   a. The FKCA may be reimbursed for personnel (as listed below) for their time spent associated with a project, at their hourly rate, including but not limited to issuance of

RFQ's and RFP's, collating and distributing responses, providing administrative support during evaluation meetings, and preparation and processing of contracts:

NAME	FUNCTION	HOURLY RATE
Elizabeth Young	Administration	$42.76
Martha Resk	Administration	$33.65
Cynthia Page	Administration	$31.00

The services performed by the above personnel shall be reimbursed at their hourly rate. A schedule of services must be approved by the Director of Project Management.

b. Expense of transportation and living expenses, but only to the extent and in the amounts authorized by Section 112.061, Florida Statutes.
c. Postage and handling of documents associated with the project.
d. Costs for printing, binding, copying costs associated with the project.

2. MODIFICATIONS AND AMENDMENTS: Any and all modifications of the terms of this Agreement shall be amended in writing and approved by the Board of County Commissioners of Monroe County.

3. AGREEMENT PERIOD: This Agreement is for the period of three (3) years beginning retroactive to October 1, 2022, and ending September 30, 2025. There will be one (1) option to renew this Agreement for one (1) additional three-year term. Renewal must be requested in writing by the FKCA and approved by the Board of County Commissioners of Monroe County.

4. SEPARATE ENTITY: At all times and for all purposes hereunder, the FKCA is a separate entity and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed as to find the FKCA or any of its employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges or benefits of employees of Monroe County.

5. HOLD HARMLESS/INDEMNIFICATION: The FKCA hereby agrees to indemnify and hold harmless the BOCC, and any of its officers and employees from and against any and all claims, liabilities, litigation, causes of action, damages, costs, expenses (including but not limited to fees and expenses arising from any factual investigation, discovery or preparation for litigation), and the payment of any and all of the foregoing or any demands, settlements or judgments arising directly or indirectly under this Agreement. The FKCA shall immediately give notice to the County of any suit, claim, or action made against the County that is related to the activity under this Agreement, and will cooperate with the

County in the investigation arising as a result of any suit, action, or claim related to this Agreement.

6. CONSENT TO JURISDICTION: This Agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County.

7. ETHICS CLAUSE: The FKCA warrants that it has not employed, retained, or otherwise had act on its behalf any former County officer or employee in violation of Section 2 of Ordinance No. 10-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 10-1990. For breach or violation of the provision the County may, at its discretion, terminate this Agreement without liability and may also, at its discretion, terminate this Agreement without liability and may also, at its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee.

8. PUBLIC ENTITY CRIME STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on an agreement to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

9. NOTICE: Any written notice to be given to either party under this Agreement or related hereto shall be addressed and delivered as follows:

10. **Public Records Compliance.** Contractor must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes and Section 24 of article I of the Constitution of Florida. The County and Contractor shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Contractor in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Contractor. Failure of the Contractor to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

    The Contractor is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.
    Pursuant to Fla. Stat., Sec. 119.0701 and the terms and conditions of this contract, the Contractor is required to:
    (1) Keep and maintain public records that would be required by the County to perform the service.
    (2) Upon receipt from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
    (3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the records to the County.
    (4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records that would be required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.
    (5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Contractor of the request, and the Contractor

must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Contractor does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Contractor. A Contractor who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under section119.10, Florida Statutes.

The Contractor shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRIAN BRADLEY AT PHONE# 305-292-3470, BRADLEY-BRIAN@MONROECOUNTY-FL.GOV, MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH STREET, SUITE 408, KEY WEST, FL 33040.

11. Interpretation, Costs, and Fees. The County and FKCA agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between any of them the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding. The County and FKCA agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, and shall include attorney's fees, court costs, investigative, and out-of-pocket expenses in appellate proceedings. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the Circuit Court of Monroe County.

12. Severability. If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the Agreement would prevent the accomplishment of the original intent of this Agreement. The County and

FKCA agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

13. Binding Effect. The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and FKCA and their respective legal representatives, successors, and assigns.

14. Authority. Each party represents and warrants to the other that the execution, delivery, and performance of this Agreement have been duly authorized by all necessary County and corporate action, as required by law.

15. Claims for Federal or State Aid. FKCA and County agree that each shall be, and is, empowered to apply for, seek, and obtain federal and state funds to further the purpose of this Agreement; provided that all applications, requests, grant proposals, and funding solicitations shall be approved by each party prior to submission.

16. Adjudication of Disputes or Disagreements. County and FKCA agree that all disputes and disagreements shall be attempted to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Paragraph 18 concerning termination or cancellation.

17. Cooperation. In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, County and FKCA agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. County and FKCA specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

18. Nondiscrimination. County and FKCA agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. County or FKCA agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC

s. 794), which prohibits discrimination on the basis of handicaps; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; and 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

19. Covenant of No Interest. County and FKCA covenant that neither presently has any interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance under this Agreement, and that only interest of each is to perform and receive benefits as recited in this Agreement.

20. Code of Ethics. County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position, conflicting employment, or contractual relationship; and disclosure or use of certain information.

21. No Solicitation/Payment. The County and FKCA warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, FKCA agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

22. Non-Waiver of Immunity. Notwithstanding the provisions of Sec. 768.28, Florida Statues, the participation of the County and FKCA in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

23. Privileges and Immunities. All of the privileges and immunities from liability, exemptions from laws, ordinances, and rules and pensions and relief, disability, workers' compensation, and other benefits which apply to the activity of officers, agents, or employees of any public agents or employees of the County, when performing their respective functions under this Agreement within the territorial limits of the County shall apply to the same degree and extent to the performance of such functions and duties of such officers, agents, volunteers, or employees outside the territorial limits of the County.

24. Legal Obligations and Responsibilities. Non-Delegation of Constitutional or Statutory duties. This Agreement is not intended to, nor shall it be construed as, relieving any participating entity from any obligation or responsibility imposed upon the entity by law except to the extent of actual and timely performance thereof by a participating entity, in which case the performance may be offered in satisfaction of the obligation or responsibility. Further, this Agreement is not intended to, nor shall it be construed as, authorizing the delegation of the constitutional or statutory duties of the County, except to the extent permitted by the Florida constitution, state statute, and case law.

25. Non-Reliance by Non-Parties. No person or entity shall be entitled to rely upon the terms, or any of them, of this Agreement to enforce or attempt to enforce any third-party claim or entitlement to or benefit of any service or program contemplated hereunder, and the County and FKCA agree that neither the County nor FKCA or any agent, officer, or employee of either shall have the authority to inform, counsel, or otherwise indicate that any particular individual or group of individuals, entity or entities, have entitlements or benefits under this Agreement separate and apart, inferior to, or superior to the community in general or for the purposes contemplated in this Agreement.

26. Attestations. FKCA agrees to execute such documents as the County may reasonably require, to include a Public Entity Crime Statement, an Ethics Statement, Non-Collusion Statement, and a Drug-Free Workplace Statement.

27. No Personal Liability. No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent, or employee of Monroe County in his or her individual capacity, and no member, officer, agent, or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

28. Annual Appropriation. The County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Board of County Commissioners. In the event that the County funds on which this Agreement is dependent are withdrawn, this Agreement is terminated, and the County has no further obligation under the terms of this Agreement to the Contractor beyond that already incurred by the termination date.

29. Florida E-Verify System. Beginning January 1, 2021, in accordance with Fla. Stat., Sec. 448.095, the Contractor and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's **E-Verify system** to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of Fla. Stat., Sec. 448.095.

30. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original, all of which taken together shall constitute one and the same instrument any of the parties hereto may execute this Agreement by signing any such counterpart.

31. Section Headings. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

32. Final Understanding. This Agreement is the parties' final mutual understanding. It replaces any earlier agreements or understandings, whether written or oral. This Agreement cannot be modified or replaced except by another written and signed agreement.

IN WITNESS WHEREOF, the parties have caused these presents to be executed in their respective names.

Additionally, Amendment No. 1 replaces "Exhibit D" of the Agreement with "Exhibit D-1" and clarifies the products and pricing across all renewal terms, for a potential of six (6) years.

ITEM BACKGROUND:
This Amendment No. 1 replaces "Exhibit D" of the Agreement with "Exhibit D-1" attached and incorporated within Amendment No. 1. The Amendment No. 1 clarifies the products and pricing across all renewal terms, for a potential of six (6) years. It reduces the current subscription software services cost by $1,156.85 for this year and incorporates the inclusion of the "Insurance Discovery" product for $795.00 and the "ESO Electronic Health Record (EHR) Suite iOS module" at no cost this year by adjusting and locking in the annual increase rate of 3% for all extensions (renewals) under the Agreement, as well as removing the "ESO Activities Module" from the software listing. The "Insurance Discovery" product will provide the department's medical billing team with a more efficient way to identify and verify patient data information through the software's secured system and the EHR Suite iOS module will enable the department to use iPad products instead of the Toughbook laptops which will save approximately $45,000 in the long term (the estimated expense for replacing the Toughbook laptops at end of life).

In 2020, Monroe County Fire Rescue purchased an ongoing subscription based software as a service to provide National Fire Incident Reporting System (NFIRS) compliant records management and reporting for fire incidents, hydrants, property inspections from ESO Solutions, Inc. The software includes an automated transfer of data from the Monroe County Sheriff's Office Computer Aided Dispatch (CAD) system with patient care reporting, and automatic transfers of report data to the state Department of Health. The electronic record management and reporting functions are critical to the department’s fire and emergency services operations.

ESO Solutions Inc. has executed the Amendment No. 1 to the Agreement and the department requests

that the BOCC approve this Amendment No. 1 to update its subscription software services to the reduced amount of $61,902.53.

PREVIOUS RELEVANT BOCC ACTION:
On December 11, 2024, the BOCC approved a new/restated agreement superseding and replacing prior agreements/amendments for an initial term of two (2) years retroactive to October 1, 2024 until September 30, 2029, in the amount of $63,059.38 for the first year. (AIN 2023-3183; C17)

AMENDMENT NO. 1
to
the AGREEMENT *between* MONROE COUNTY, FL *and* ESO SOLUTIONS, INC.
***for* EMS Enterprise Software Solutions and Support**

This Amendment No. 1 to the agreement between Monroe County, Florida, and ESO Solutions, Inc. for EMS Enterprise Software Solutions and Support dated December 11, 2024, and retroactively effective to October 1, 2024 ("Original Agreement"), is made this ____ day of _____, 2025 by and between the Monroe County, Florida, through the Monroe County Board of County Commissioners (the "County"), and ESO Solutions, Inc. (the "Contractor") both of whom agree as follows:

W I T N E S S E T H:

WHEREAS, on December 11, 2024, the parties entered into the Original Agreement to provide for EMS Enterprise Software and Support, as further defined therein, for an initial term of two (2) years commencing on October 1, 2024, with the option to renew for two (2) mutually agreed upon two (2)-year renewal terms (the contract has the potential to cover six (6) years in total); and

WHEREAS, the parties now desire to modify "Exhibit D" - ESO Contracted Services and Licensed Software/Subscription Schedule, attached to the Original Agreement, to add and subtract certain line-items, as well as clarify the services and pricing across years, as further set forth therein; and

WHEREAS, as such, the parties desire to rescind and supersede "Exhibit D" in its entirety, and replace it with "Exhibit D-1" - ESO Contracted Services and Licensed Software/Subscription Schedule, attached to this Amendment No. 1; and

WHEREAS, through this Amendment No. 1, the parties agree that the annual uplift of three percent (3%) will not commence until the first renewal term commences (meaning the prices provided in Exhibit D-1 are locked-in for the first two (2) years, to wit: Oct. 1, 2024 - Sept. 30, 2026, and upon renewal, the annual uplift of 3% will start on Oct. 1, 2026, and occur yearly thereafter); and

WHEREAS, all other terms and conditions of the Original Agreement, not inconsistent herewith, shall remain in full force and effect.

NOW, THEREFORE, based on the promises and covenants herein contained, the parties agree as follows:

1. The recitations referred to above are true and correct, and are hereby adopted and incorporated as if set forth in full.

2. The parties desire to rescind and supersede "Exhibit D" of the Original Agreement,

in its entirety, and replace it with **"Exhibit D-1" - ESO Contracted Services and Licensed Software/Subscription Schedule**, attached to and incorporated herein, and made a material part of this Amendment No. 1.

3. This agreement constitutes the entire understanding between the Contractor and the County regarding this Amendment No. 1, and all other terms and conditions of the Original Agreement, not inconsistent herewith, shall remain in full force and effect, and are incorporated herein.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment No. 1 the day and year first above written.

AGREEMENT
between
MONROE COUNTY, FL
and
ESO SOLUTIONS, INC.
for
EMS Enterprise Software Solutions and Support

THIS AGREEMENT is made and entered into this 11th day of December, 2024, by and by and between Monroe County, a political subdivision of the State of Florida, through its Board of County Commissioners, with principal offices located at 1100 Simonton Street, Key West, FL 33040 (the "County"), the Board of Governors of the Fire and Ambulance District 1 of Monroe County, Florida, a municipal services taxing unit established under Florida law and codified in Section 22-129, Monroe County Code of Ordinances, with a principal address being the same as the County ("BOG"), and ESO Solutions, Inc., a Texas corporation with principal offices located at 11500 Alterra Pkwy, Ste. 100, Austin, TX 78758 (the "Contractor") to provide EMS enterprise software solutions and support as more specifically described in the "Contracted Services and Licensed Software/Subscription Schedule" attached as "Exhibit D."

Now therefore, in exchange for good and sufficient consideration, the parties hereby agree to the following terms and conditions:

1) **The Contract Documents.** This Agreement supersedes and replaces, in all respects, all prior agreements including, but not limited to, the electronically signed agreement in April 2020 and the First Amendment thereto signed in November 2023. This Agreement is the current and effectual understanding of the parties, and the contract documents consist of: this Agreement, the "ESO Subscription Agreement" attached as "Exhibit A," the "Support Services" attached as "Exhibit B," the "HIPAA Business Associate Agreement" attached as "Exhibit C," and "Contracted Services and Licensed Software Schedule" attached as "Exhibit D." All exhibits referenced herein are incorporated by reference. In the event of a conflict between the aforementioned documents, this Agreement will control, then "Exhibit D," then "Exhibit C," and then "Exhibit B," and then "Exhibit A," in that order.

2) **The Work/Services.** The Contractor must perform all work and provide all services to the County required by this Agreement, and as set forth below:
   a) County agrees to purchase and Contractor agrees to furnish all software and services as indicated in "Exhibit D."
   b) Contractor must comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement, which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein. Contractor shall maintain throughout the term of this Agreement, appropriate licenses.

3) **Contract Amount.** Contractor will perform contract requirements with pricing as listed in "Exhibit D" and invoicing via Contractor order(s) are allowable hereunder so long as they are acceptable to the Monroe County Office of Clerk and Comptroller (County Clerk). Acceptability to the County Clerk is based upon generally accepted accounting principles and such laws, rules and regulations as may govern the disbursal of funds by the County Clerk. To the extent that any renewal hereof exceeds the total value of $100,000, prior written approval of the Board of County Commissioners shall be obtained. As used herein, the total value of renewal(s) is calculated by adding the value of each renewal or amendment

after the Board of County Commissioners' most recent approval. County is exempt from payment of Florida State Sales and Use taxes.

4) **Agreement Subject to Funding.** The County's performance and obligation to pay under this contract is contingent upon an annual appropriation by the Board of County Commissioners. In the event that the County funds on which this Agreement is dependent are withdrawn, this Agreement is terminated, and the County has no further obligation under the terms of this Agreement to the Contractor beyond that already incurred by the termination date.

5) **Contract Term.** The initial contract period is for two (2) years commencing on October 1, 2024 (retroactively effective), with the option to renew for two (2), mutually agreed upon, two (2)-year extensions (renewals). An extension or renewal may be accomplished by written consent of all parties subject to Section 3, "Contract Amount," herein. Annual invoices must be consistent with the pricing provided herein, and in accordance with any annual increase expressly authorized in the exhibits. All renewals are subject to the same terms and conditions as provided herein. Additional services and products above and beyond what is authorized in the exhibits may only be purchased through a duly executed amendment to this Agreement.

6) **Contract Extension Beyond the Term.** In the event services are scheduled to end because of the expiration of this contract, and the Contractor must continue the service upon the request of the County's Contract Administrator on an emergency or continuity of services basis, an administrative extension period may be exercised and will not extend for more than ninety (90) days beyond the expiration date of the existing contract. The Contractor will be compensated for the service at the prorated rate(s) in effect when the County invokes this extension clause.

7) **Independent Contractor.** This Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Contractor is an independent contractor under this Agreement and not the County's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Contractor will retain sole and absolute discretion in the judgment of the manner and means of carrying out Contractor's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement will be those of Contractor, which policies of Contractor will not conflict with County, State, or United States policies, rules or regulations relating to the use of Contractor's funds provided for herein. The Contractor agrees that it is a separate and independent enterprise from the County, that it had full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement must not be construed as creating any joint employment relationship between the Contractor and the County and the County will not be liable for any obligation incurred by Contractor, including but not limited to unpaid minimum wages and/or overtime premiums.

8) **Assignment and Subcontracting.** Contractor and County must not transfer or assign the performance required by this Agreement without the prior written consent of the other party.

9) **Termination**

a) Termination for Cause and Remedies: In the event that Contractor is found to be negligent in any aspect of service or Contractor is in breach of any contract terms, the County retains the right to terminate this Agreement. The County reserves all rights available to it for monies paid under this Agreement, without limitation thereby, and reserves the right to sue for breach of contract and including the right to pursue a claim for violation of the County's False Claims Ordinance, located at Section 2-721 et al. of the Monroe County Code.

b) Termination for Convenience: The County may terminate this Agreement for convenience, at any time, upon ninety (90) days' written notice to Contractor provided that in no event shall Contractor provide County a refund for pre-paid Fees in the event of a Termination under this section.

10) **Insurance Requirements.** Contractor shall obtain and maintain at its own expense the insurance coverages listed within this paragraph prior to commencing service under this Agreement, and maintain such coverage throughout the term of the Agreement. All insurance requirements provided for in this Agreement shall be subject to annual review. Depending on the extent of contractual obligations incurred by the Contractor, the below insurances will be required. Insurances can be altered via written waiver by County's Risk Manager, if required. If the insurance policies originally purchased that meet the requirements are canceled, terminated, or reduced in coverage, then the Contractor must immediately substitute complying policies so that no gap in coverage occurs. Copies of current policy certificates shall be filed with the Monroe County Risk Department whenever acquired, amended, and annually during the term of this Agreement. Prior to execution of this Agreement, Contractor shall furnish the County Certificates of Insurance indicating the minimum coverage limitations in the following amounts:

a) **WORKERS COMPENSATION AND EMPLOYER'S LIABILTIY INSURANCE.** Where applicable, coverage to apply for all employees at the minimum statutory limits as required by Florida Law, and Employee's Liability coverage in the amount of $1,000,000.00 bodily injury by accident, $1,000,000.00 bodily injury by disease, policy limits, and $1,000,000.00 bodily injury by disease, each employee.

b) **COMPREHENSIVE AUTOMOBILE VEHICLE LIABILITY INSURANCE.** Motor vehicle liability insurance, including applicable no-fault coverage, with limits of liability of not less than *$1,000,000.00* per occurrence, combined single limit for Bodily Injury Liability and Property Damage Liability. If single limits are provided, the minimum acceptable limits are *$500,000.00* per person, *$1,000,000.00* per occurrence, and *$100,000.00* property damage. Coverage shall include all owned vehicles, all non-owned vehicles, and all hired vehicles.

c) **COMMERCIAL GENERAL LIABILITY.** Commercial general liability coverage with limits of liability of not less than *$1,000,000.00* per occurrence combined single limit, and not less than *$2,000,000.00* in the aggregate, for Bodily Injury Liability and Property Damage Liability. Such coverage must include, as a minimum: Premises Operations, Products and Completed Operations, Blanket Contractual Liability, and Personal Injury Liability. An Occurrence Form policy is preferred. If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the termination of this agreement.

d) [redacted]

e) **CERTIFICATES OF INSURANCE**. Original Certificates of Insurance shall be provided to the County at the time of execution of this Agreement and certified copies provided if requested. Each policy certificate shall be endorsed with a provision that not less than thirty (30) calendar days' written notice shall be provided to the County before any policy or coverage is canceled or restricted. The underwriter of such insurance shall be qualified to do business in the State of Florida. If requested by the County Administrator, the insurance coverage shall be primary insurance with respect to the County, its officials, employees, agents, and volunteers. Failure of Contractor to comply with the insurance requirements of this section shall be cause for immediate termination of this Agreement.

MONROE COUNTY BOARD OF COUNTY COMMISSIONERS, 1100 SIMONTON STREET, KEY WEST, FLORIDA 33040, MUST BE NAMED AS ADDITIONAL INSURED AND CERTIFICATE HOLDER ON ALL POLICIES EXCEPT WORKER'S COMPENSATION. In the event that the Contractor is authorized by County to assign work hereunder to subcontractors, the Contractor specifically agrees to identify the County as an additional insured on all insurance policies pursuant to said subcontract(s) as same are required by the County here.

11) Indemnification & Hold Harmless

a) This section shall be governed by Section 11 of "Exhibit A."

b) Nothing contained herein is intended, nor may it be construed, to waive County's rights and immunities under the common law or Section 768.28, Florida Statutes, as amended from time to time; nor will anything included herein be construed as consent to be sued by any third parties in any matter arising out of this Agreement. To the extent considered necessary by the County, any sums due Contractor under this Agreement may be retained by the County until all of the County's claims subject to this indemnification obligation have been settled or otherwise resolved, and any amount withheld is not subject to payment of interest by the County. Insofar as the claims, actions, causes of action, litigation, proceedings, costs or expenses relate to events or circumstances that occur during the term of this Agreement, this section will survive the expiration of the term of this Agreement or any earlier termination of this Agreement.

12) Data Management; Data Security Standards. Contractor must agree to comply with the County's written demands regarding reasonable cooperation (and any applicable financial responsibilities) for timely data breach incident reporting, response activities/fact-gathering, public and other governmental agency notification requirements, severity level assessment, and after-action reporting, consistent with Sections 282.3185(5) & (6), and 501.171, Fla. Stats., as amended from time to time. And specifically in the context of data

breaches that involve Protected Health Information pursuant to Health Insurance Portability and Accountability Act (HIPAA), Contractor must comply with all requirements of the Health Information Technology for Economic and Clinical Health Act (HITECH); Section 105 of Title I of the Genetic Information Nondiscrimination Act of 2008 (GINA); and 45 C.F.R. Parts 160, 162 and 164 and Final Omnibus Rule eff. March 26, 2013).

13) **Trade Secrets.** Documents submitted by Contractor which constitute trade secrets as defined in Sections 812.081 and 688.002, Florida Statutes, as amended from time to time, and which are clearly marked or stamped as confidential by the Contractor at the time of submission to the County, will not be subject to public access. However, should a requestor of public records challenge Contractor's interpretation of the term "trade secrets" within five (5) calendar days of notice of such challenge, Contractor must provide a separate written affidavit that includes an indemnification and release guarantee, as approved by the County Attorney or designee, to the County to support its claim that the alleged trade secret(s) actually constitutes same as defined by law. Contractor must demonstrate the need for confidentiality of the documentation by showing a business advantage or an opportunity to obtain an advantage if the documentation was released. Otherwise, Contractor is required to timely seek a protective order in the Circuit Court of the Sixteenth Judicial Circuit in and for Monroe County to prevent the County's release of the requested records.

14) **Discriminatory Vendor List.** Contractor hereby acknowledges its continuous duty to disclose to the County if the Contractor or any of its affiliates, as defined by Section 287.134(1)(a), Florida Statutes, are placed on the Discriminatory Vendor List. Pursuant to Section 287.134(2)(a),Florida Statutes: "An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity."

15) **Prohibition on Conflict of Interest, Gratuities, Kickbacks, and Collusion**. The statements contained in this paragraph are true and correct, and made with the full knowledge that Monroe County relies upon the truth of the statements contained herein in awarding the contract for this Project.

a) **Conflict of Interest.** Contractor covenants that it presently has no interest and will not acquire any interest that would conflict in any manner or degree with the performance of services required. Each party hereto covenants that there is no conflict of interest or any other prohibited relationship between the County and itself.

b) **Gratuities.** Contractor hereby certifies that it has not offered, given, or agreed to give any Monroe County employee a gratuity, favor, or anything of monetary value in connection with any decision, approval, disapproval, recommendation, preparation of any part of the Project or award of this contract.

c) **Kickbacks.** Contractor certifies that it has not given payment, gratuity, or offer of employment to be made by or on behalf of a Sub-contractor under a contract to Contractor or higher tier sub-contractor or any person associated therewith, as an inducement of the award of a subcontract or order.

d) **Non-Collusion Statement.** By signing this Agreement, Contractor certifies under penalty of perjury that the price proposed by Contractor was arrived at independently

without collusion, consultation, or communication for the purpose of restricting competition; and no attempt has been made to induce another person or entity to submit a proposal, or not submit, for the purpose of restricting competition in the award of this Project.

e) **Contract Clause.** The prohibitions on conflict of interest, gratuities, kickbacks, and collusion prescribed in this paragraph must be conspicuously set forth in every contract and subcontract and solicitation initiated by Contractor in its performance of this Agreement.

16) **Ethics Clause pursuant to Monroe County Ordinance No. 010-1990.** By signing this Agreement, the Contractor warrants that he/she/it has not employed, retained or otherwise had act on his/her/its behalf any former County officer or employee in violation of Section 2-149, Monroe County Code of Ordinances, or any County officer or employee in violation of Section 2-150, Monroe County Code of Ordinances. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee pursuant to Subsection 2-152(b), Monroe County Code of Ordinances.

17) **Prompt Disclosure of Litigation, Investigations, Arbitration, or Administrative Proceedings.** Throughout the term of this Agreement, the Contractor has a continuing duty to promptly disclose to the County, in writing, upon occurrence, all civil or criminal litigation, investigations, arbitration, or administrative proceedings relating to or affecting Contractor's ability to perform under this Agreement. If the existence of such causes the County concern that the Contractor's ability or willingness to perform the Agreement is jeopardized, the Contractor may be required to provide the County with reasonable assurances to demonstrate its ability to perform as required hereunder, and that its employees/agents have not or will not engage in conduct similar in nature to the conduct alleged in such proceeding.

18) **Notice.** All written correspondence to the County shall be dated and signed by an authorized representative of the Contractor. Any written notices or correspondence required or contemplated under this Agreement shall be sent by U.S. Mail, certified, return receipt requested, postage pre-paid, or by courier with proof of delivery. Notice is deemed received by Contractor when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notice shall be sent to the following persons:

19) **Choice of Law and Venue.** The parties hereby agree that the only laws that apply to this Agreement are those of the State of Florida and United States of America. The parties

waive the privilege of venue and agree that all litigation between them in the state courts will take place exclusively in the Sixteenth Judicial Circuit in and for Monroe County, Florida, and that all litigation between them in the federal courts will take place exclusively in the United States District Court in and for the Southern District of Florida, or United States Bankruptcy Court for the Southern District of Florida, whenever applicable.

20) **WAIVER OF JURY TRIAL & MANDATORY PRE-SUIT MEDIATION**
BY ENTERING INTO THIS CONTRACT, EACH OF CONTRACTOR AND THE COUNTY HEREBY EXPRESSLY WAIVE ANY RIGHTS EACH MAY HAVE TO A TRIAL BY JURY RELATED TO THIS CONTRACT. IF A PARTY FAILS TO WITHDRAW A REQUEST FOR A JURY TRIAL IN A LAWSUIT ARISING OUT OF THIS CONTRACT AFTER WRITTEN NOTICE BY THE OTHER PARTY OF VIOLATION OF THIS SECTION, THE PARTY MAKING THE REQUEST FOR JURY TRIAL WILL BE LIABLE FOR THE REASONABLE ATTORNEY'S FEES AND COSTS OF THE OTHER PARTY CONTESTING THE REQUEST FOR JURY TRIAL, AND SUCH AMOUNTS MUST BE AWARDED BY THE COURT IN ADJUDICATING THE MOTION. THE COUNTY AND CONTRACTOR AGREE THAT, IN THE EVENT OF CONFLICTING INTERPRETATIONS OF THE TERMS OR A TERM OF THIS AGREEMENT BY OR BETWEEN ANY OF THEM THE ISSUE SHALL BE SUBMITTED TO MEDIATION PRIOR TO THE INSTITUTION OF ANY OTHER ADMINISTRATIVE OR LEGAL PROCEEDING. MEDIATION PROCEEDINGS INITIATED AND CONDUCTED PURSUANT TO THIS AGREEMENT SHALL BE IN ACCORDANCE WITH THE FLORIDA RULES OF CIVIL PROCEDURE AND USUAL AND CUSTOMARY PROCEDURES REQUIRED BY THE CIRCUIT COURT OF MONROE COUNTY.

21) **Attorney's Fees and Costs.** County and Contractor agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party, at all levels of the court system, including in appellate proceedings.

22) **Public Records.** County is a public agency subject to Chapter 119, Florida Statutes, as amended from time to time. To the extent Contractor is a Contractor acting on behalf of the County pursuant to Section 119.0701, Florida Statutes, as amended from time to time, Contractor must comply with all public records laws in accordance with Chapter 119, Florida Statutes. In accordance with state law, Contractor agrees to:

a) Keep and maintain all records that ordinarily and necessarily would be required by the County in order to perform the services.

b) Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copies within a reasonable time at a cost that does not exceed the costs provided in Chapter 119, Florida Statutes, or as otherwise provided by law.

c) Ensure that public records that are exempt, or confidential and exempt, from public records disclosure are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the County.

d) Upon completion of the services within this Agreement, at no cost, either transfer to the County all public records in possession of the Contractor or keep and

maintain public records required by the County to perform the services. If the Contractor transfers all public records to the County upon completion of the services, the Contractor must destroy any duplicate public records that are exempt, or confidential and exempt, from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the services, the Contractor must meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE COUNTY'S CUSTODIAN OF PUBLIC RECORDS AT PHONE NO. 305-292-3470, PUBLICRECORDS@MONROECOUNTY-FL.GOV, C/O MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH STREET, SUITE 408, KEY WEST, FL 33040.

If Contractor does not comply with this section, the County will enforce the Agreement provisions in accordance herewith and may unilaterally cancel this Agreement in accordance with state law.

23) **Uncontrollable Circumstances ("Force Majeure")**
As used herein, "Force Majeure" means the occurrence of any event that prevents or delays the performance by either party of its obligations hereunder which are beyond the reasonable control of the non-performing party. Examples of "Force Majeure" include, but are not limited to, acts of God, natural disasters, or emergency governmental action. To invoke this paragraph, immediate written notice, consistent with the "Notice" provisions of this Agreement, must be sent by the non-performing party describing the circumstances constituting force majeure and proof that the non-performance or delay of performance is a direct and reasonable result of such event(s). Any claim for extension of time by Contractor pursuant to this paragraph will be made not more than Seventy-two (72) hours after the commencement of the delay. Otherwise, it shall be waived. The Contractor shall immediately report the termination of the cause for the delay within seventy-two (72) hours after such termination. The County reserves its right to challenge the invocation by the Contractor within five (5) calendar days of receipt of said notice, in such case uninterrupted performance in required. However, in the event the invocation is accepted by the County, the Contractor must take all reasonable measures to mitigate any and all resulting damages, costs, delays, or disruptions to the Contractor's performance requirements under this Agreement. All obligations must resume when the circumstances of such event(s) have subsided, or other arrangements are made pursuant to a written amendment to this Agreement.

24) **Public Entity Crimes Statement.** Pursuant to Section 287.133(2)(a), Florida Statutes, as amended from time to time, Contractor hereby certifies that neither it nor its affiliate(s) have been placed on the convicted vendor list following a conviction for a public entity crime. If placed on that list, Contractor agrees: to immediately notify the County and is prohibited from providing any goods or services to a public entity; it may not submit a bid on a contract with a public entity for the construction or repair of a public building or public

work; it may not submit bids on leases of real property to a public entity; it may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and, it may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for Category TWO ($35,000), as may be amended, for a period of thirty-six (36) months from the date of being placed on the convicted vendor list.

25) **Foreign Gifts and Contracts.** The Contractor must comply with any applicable disclosure requirements in Section 286.101, Florida Statutes. Pursuant to Section 286.101(7)(b), Florida Statutes: "In addition to any fine assessed under [§ 286.101(7)(a), Florida Statutes], a final order determining a third or subsequent violation by an entity other than a state agency or political subdivision must automatically disqualify the entity from eligibility for any grant or contract funded by a state agency or any political subdivision until such ineligibility is lifted by the Administration Commission [Governor and Cabinet per §14.202, Florida Statutes] for good cause."

26) **Scrutinized Companies and Countries of Concern per Sections 287.135, 215.473, & 287.138, Florida Statutes.** Contractor hereby certifies that it: a) has not been placed on the Scrutinized Companies that Boycott Israel List, nor is engaged in a boycott of Israel; b) has not been placed on the Scrutinized Companies with Activities in Sudan List nor the Scrutinized Companies with Activities in the Iran Terrorism Sectors List (formerly the Iran Petroleum Energy Sector List); and c) has not been engaged in business operations in Cuba or Syria. If County determines that Contractor has falsely certified facts under this paragraph, or if Contractor is found to have been placed on a list created pursuant to Section 215.473, Florida Statutes, as amended, or is engaged in a boycott of Israel after the execution of this Agreement, County will have all rights and remedies to terminate this Agreement consistent with Section 287.135, Florida Statutes, as amended. The County reserves all rights to waive certain requirements of this paragraph on a case-by-case exception basis pursuant to Section 287.135, Florida Statutes, as amended. Beginning January 1, 2024, the County must not enter into a contract that grants access to an individual's personal identifying information to any Foreign Country of Concern such as: People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, unless the Contractor provides the County with an affidavit signed by an authorized representative of the Contractor, under penalty of perjury, attesting that the Contractor does not meet any of the criteria in subparagraphs (2)(a)-(c) of Section 287.138, Florida Statutes, as may be amended. Beginning January 1, 2025, the County must not extend or renew any contract that grants access to an individual's personal identifying information unless the Contractor provides the County with an affidavit signed by an authorized representative of the Contractor, under penalty of perjury, attesting that the Contractor does not meet any of the criteria in subparagraphs (2)(a)-(c) of Section 287.138, Florida Statutes, as may be amended. Violations of this Section will result in termination of this Agreement and may result in administrative sanctions and penalties by the Office of the Attorney General of the State of Florida.

ESO Solutions, Inc. is not owned by the government of a Foreign Country of Concern, is not organized under the laws of nor has its Principal Place of Business in a Foreign Country of Concern, and the government of a Foreign Country of Concern does not have a Controlling Interest in the entity.

Under penalties of perjury, I declare that I have read the foregoing statement and that the

facts stated in it are true.

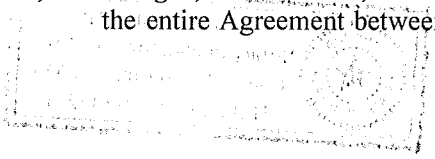
27) **Noncoercive Conduct for Labor or Services.** As a nongovernmental entity submitting a proposal, executing, renewing, or extending a contract with a government entity, Contractor is required to provide an affidavit under penalty of perjury attesting that Contractor does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes. As an authorized representative of Contractor, I certify under penalties of perjury that Contractor does not use coercion for labor or services as prohibited by Section 787.06. Additionally, Contractor has reviewed Section 787.06, Florida Statutes, and agrees to abide by same.

28) **Nondiscrimination.** The Contractor and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. Contractor agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) The Pregnant Workers Fairness Act (PWFA) pursuant to 42 U.S.C. 2000gg et seq.; and 12) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

29) **E-Verify Requirements.** Effective January 1, 2021, public and private employers, contractors and subcontractors must require registration with, and use of the E-verify system in order to verify the work authorization status of all newly hired employees. Contractor acknowledges and agrees to utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

a) All persons employed by Contractor to perform employment duties within Florida during the term of the contract; and



b) All persons (including subvendors/subconsultants/subcontractors) assigned by Contractor to perform work pursuant to the contract with the County. The Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the County.

By entering into this Agreement, the Contractor becomes obligated to comply with the provisions of Section 448.095, Florida Statutes, "Employment Eligibility," as amended from time to time. This includes, but is not limited to, utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit to Contractor attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Contractor agrees to maintain a copy of such affidavit for the duration of this Agreement. Failure to comply with this paragraph will result in the termination of this Agreement as provided in Section 448.095, Florida Statutes, as amended, and Contractor may not be awarded a public contract for at least one (1) year after the date on which the Agreement was terminated. Contractor will also be liable for any additional costs to County incurred as a result of the termination of this Agreement in accordance with this Section. Upon executing this Agreement, Contractor will provide proof of enrollment in E-verify to the County.

30) **Prohibited Telecommunications Equipment.** Contractor represents and certifies that it and its applicable subcontractors do not and will not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. By executing this Agreement, Contractor represents and certifies that Contractor and its applicable subcontractors must not provide or use such covered telecommunications equipment, system, or services for any scope of work performed for the County for the entire duration of this Agreement. If Contractor is notified of any use or provisions of such covered telecommunications equipment, system, or services by a subcontractor at any tier or by any other source, Contractor must promptly report the information in 40 CFR § 52.204-25(d)(2) to County.

31) **Antitrust Violations; Denial or Revocation under Section 287.137, Florida Statutes.** Pursuant to Section 287.137, Florida Statutes, as may be amended, a person or an affiliate who has been placed on the antitrust violator vendor list (electronically published and updated quarterly by the State of Florida) following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply for any new contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply for a new contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on new leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a new contract with a public entity; and may not transact new business with a public entity. By entering this Agreement, Contractor certifies neither it nor its affiliate(s) are on the antitrust violator vendor list at the time of entering this Agreement. False certification under this paragraph or being subsequently added to that list will result in termination of this Agreement, at the option of the County consistent with Section 287.137, Florida Statutes, as amended.

32) **Merger; Amendment; Interpretation; Joint Preparation.** This Agreement constitutes the entire Agreement between the Contractor and the County, and negotiations and oral

understandings between the parties are merged herein. This Agreement can be supplemented and/or amended only by a written document executed by both the Contractor and authorized designees of the County. The titles and headings contained in this Agreement are for reference purposes only and will not in any way affect the meaning or interpretation of this Agreement. It is acknowledged that each party to this Agreement had the opportunity to be represented by counsel in the preparation of this Agreement and accordingly the rule that a contract will be interpreted strictly against the party preparing same does not apply herein due to the joint contributions of both parties.

33) **Severability; Waiver of Provisions.** Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party will not constitute a waiver of that provision nor will it affect the enforceability of that provision or of the remainder of this Agreement.

34) **Signatory Authority; Counterparts and Multiple Originals.** Upon request, the Contractor must provide the County with copies of requisite documentation evidencing that the signatory for Contractor has the authority to enter into this Agreement. This Agreement may be executed in multiple originals, and may be executed in counterparts, each of which is hereby deemed to be an original, but all of which, taken together, constitutes one and the same agreement.

IN WITNESS WHEREOF, County and BOG, signing through their respective authorized representatives, and Contractor, through its authorized representative, have made formed this Agreement that is retroactive to October 1, 2024.

"EXHIBIT A"

ESO SUBSCRIPTION AGREEMENT

This ESO Subscription Agreement is entered into as of the date indicated on the duly executed Master Agreement (***"Effective Date"***), by and between ESO Solutions, Inc., a Texas corporation having its principal place of business at 11500 Alterra Parkway, Suite 100 Austin, TX 78758, including its controlled subsidiaries, (collectively, ***"ESO"***) and ***Customer*** (or the governing or controlling authority thereof), as indicated on the Quote or other ordering document. . The Master Agreement consists of this "Exhibit A" (the "***General Terms & Conditions***") below, "Exhibit B" ("Support Services"), "Exhibit C" (the "Business Associate Agreement"), and "Exhibit D" (the "Contracted Services and Licensed Software/Subscription Schedule" that summarizes existing Orders (as defined below)) executed by the parties.

The parties have agreed that ESO will provide Customer certain technology products and/or services and that Customer will pay ESO certain fees. Therefore, in consideration of the covenants, agreements and promises set forth below, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows.

GENERAL TERMS AND CONDITIONS

1. **DEFINITIONS.** Capitalized terms not otherwise defined in this Agreement have the meanings below:

"Add-On Software" means any complementary software components or reporting service(s) that ESO makes available to customer through its Software.

"Customer Data" means information, data and other content in electronic form that is submitted, posted, or otherwise transmitted by or on behalf of Customer through the Software.

"De-identified Data" means Customer Data which (i) if PHI, has been deidentified in accordance with HIPAA, or (ii) if not PHI, which has had all personally identifiable information removed, as well as the names and addresses of Customer and any of its Users and/or Customer's clients, and in each case as a consequence is neither PHI nor identifiable to or by Customer.

"Deliverable" means software, report, or other work product created pursuant to a Statement of Work.

"Documentation" means the Software's user guides and operating manuals.

"Feedback" refers to any suggestion or idea for improving or otherwise modifying ESO's products or services.

"Integrated Service" means a third-party hardware, software, service, website, or data that is integrated with (or interoperates) with a Service. Nonexclusive examples of Integrated Services include computer-aided dispatch (CAD), cardiac monitors and billing software.

"Intellectual Property" means trade secrets, copyrightable subject matter, patents and patent applications, and other proprietary information, activities, and any ideas, concepts, innovations, inventions and designs.

"Licensed Software" means the executable, object code version of software that ESO provides to Customer for its use and installation on Customer's own equipment. For the avoidance of doubt, Licensed Software does not include Add-on Software or SaaS.

"New Version" means any new version of Licensed Software (excluding SaaS Software) that ESO may from time to time introduce and market generally as a distinct licensed product, as may be indicated by ESO's designation of a new version number, brand or product.

"Order" means a document addressing the order of a specific set of products or services which is executed by authorized representatives of each party. An Order may be (a) an ESO sales form or "Quote", (b) a Statement of Work, or (c) an addendum or other writing which is attached or which the parties intend to be incorporated by reference into this Agreement. For the avoidance of doubt, unilateral purchase orders and other similar documents do not constitute an Ordering Document.

"Outage" means Customer is unable to access SaaS, or such access is materially delayed, impaired or disrupted, in each case as caused or controlled by ESO.

"Professional Services" means professional services provided by ESO under a Statement of Work.

"Protected Health Information" or ***"PHI"*** has the meaning set forth in HIPAA. All references herein to PHI shall be construed to include electronic PHI, or ePHI, as that term is defined by HIPAA.

"Reporting Services" means, collectively, the different tools or features in the Software allowing Customer to generate compilations of data, including but not limited to ad-hoc reports, analytics, benchmarking or any other reporting tool provided through the Software.

"SaaS" means software-as-a-service that ESO hosts (directly or indirectly) for Customer's use on a periodic subscription basis. For the avoidance of doubt, SaaS does not include Licensed Software.

"Scheduled Downtime" means periods when ESO intentionally interrupts SaaS to perform system maintenance or otherwise correct service errors during non-peak hours (except for critical circumstances), typically between midnight and 6 a.m. Central Time on a fortnightly basis.

"Software" means any ESO computer program, programming or modules specified in the Agreement or any Order. For the avoidance of doubt, Add-on Software, SaaS, and Licensed Software are collectively referred to as Software.

"Support Services" means those services described in Exhibit B.

"Third-Party Data" means data not owned by ESO but which is (or access to which is) provided by ESO under an Order (such as fire codes or AAAM AIS codes).

"Third-Party Service" means a service not provided by ESO but which is made available by ESO in connection with its Software under an Order.

"Third-Party Software" means software not owned by ESO but which is (or access to which is) provided by ESO under an or Order.

"Use Restrictions" means the restrictions imposed on Customer's use of Software as described in Section 3.3.

"User" means any individual who uses the Software on Customer's behalf through Customer's account or passwords.

2. **SOFTWARE ORDERS.** During the Term, Customer may order Software from ESO by signing an appropriate Order. Customer's license to Licensed Software and its subscription to SaaS are set forth below. Each such Order is incorporated herein by reference.

3. **LICENSE/SUBSCRIPTION TO SOFTWARE**

3.1. Grant of Subscription: SaaS. For SaaS, during the Term Customer may access and use the SaaS and Reporting Services, with the access and volume limitations set forth on the applicable Order, subject to Customer's compliance with the Use Restrictions and other limitations contained in this Agreement.

3.2. Grant of License: Licensed Software. For Licensed Software, during the Term ESO hereby grants Customer a limited, non-exclusive, non-transferable, non-assignable, non-sublicensable, revocable license to copy and use the Licensed Software, in such quantities as are set forth on the applicable Order and as necessary for Customer's internal business purposes, in each case subject to Customer's compliance with the Use Restrictions and other limitations and obligations contained in this Agreement.

3.3. Use Restrictions. Except as provided in this Agreement or as otherwise authorized by ESO, Customer has no right to, and shall not: (a) decompile, reverse engineer, disassemble, print, copy or display the Software or otherwise reduce the Software to a human-perceivable form in whole or in part; (b) publish, release, rent, lease, loan, sell, distribute or transfer the Software to another person or entity; (c) reproduce the Software for the use or benefit of anyone other than Customer; (d) alter, modify or create derivative works based upon the Software either in whole or in part; or (e) use or permit the use of the Software for commercial time-sharing arrangements or providing service bureau, data processing, rental, or other services to any third party (including any affiliate not specifically listed in the applicable Order).

3.4. Ownership. The rights granted under the provisions of this Agreement do not constitute a sale of the Software. ESO retains all right, title, and interest in and to the Software, including without limitation all software used to provide the Software and all graphics, user interfaces, logos and trademarks reproduced through the Software, and Feedback, except to the limited extent set forth in this Agreement. This Agreement does not grant Customer any intellectual property rights in the Software or any of its components, except to the limited extent that this Agreement specifically sets forth Customer's rights to access, use, or copy the Software during the Term. Customer acknowledges that the Software and its components are protected by copyright and other laws.

3.5. Third-Party Software and Services. This Section 3.5 applies to Third-Party Software and Services offered by ESO. Refer to the product table following the Agreement for applicability.

3.5.1. ESO neither accepts liability for, nor warrants the functionality, utility, availability, reliability or accuracy of, Third-Party Software or Third-Party Services. The Third-Party Software "EMS1 Academy" and/or "FireRescue1 Academy" and/or "EMS1 & FireRescue1 Academy – Implementation and Configuration" and/or "Learning Management System" and/or "EVALS Implementation" (collectively, "**Education**") is offered by ESO in collaboration with Lexipol, f/k/a The Praetorian Group. If Customer subscribes to Education, Customer acknowledges and agrees to the terms and conditions of the Praetorian license agreement, located at https://www.lexipol.com/terms-and-conditions/, which shall supersede this Agreement as it applies to Customer's use of Education and any Customer Data stored therein.

3.5.2. Third-Party Data. If Customer (as indicated on an Order) elects to license Third-Party Data (*e.g.*, fire codes), then subject to the terms hereof, ESO hereby grants Customer a non-exclusive, non-sublicensable, and non-transferable license during the Term to use such Third-Party Data via the Software solely for Customer's internal purposes. Customer will not (i) allow greater access than that set forth in the applicable Order, (ii) disclose, release, distribute, or deliver Third-Party Data, or any

portion thereof, to any third party (iii) copy, modify, or create derivative works of Third-Party Data, (iv) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available Third-Party Data, (v) attempt to output in any form more than 10% of the Third-Party Data or otherwise circumvent the usage limitations included in the Software, (vi) remove any proprietary notices included within Third-Party Data or Software, or (vii) use Third-Party Data in any manner or for any purpose that infringes or otherwise violates any proprietary right of a person, or that violates applicable law. ESO does not warrant the functionality, reliability, accuracy, completeness or utility of, Third-Party Data, or accept any liability therefor. Additional terms and limitations applicable to Third-Party Data may be provided on the applicable Order.

3.6. Integrated Services. Customer is responsible for securing the right for ESO to receive, transmit, process, display, and store all data ("Integrated Data") from and to any Integrated Service to the extent required for ESO to perform its obligations and exercise its rights under this Agreement. ESO's obligation to support Integrated Services is contingent upon Customer securing such rights. Customer's failure to secure such rights does not terminate or suspend Customer's obligation to pay Fees. Customer bears (and shall hold ESO harmless from) all risks associated with access to and use of Integrated Services and Integrated Data. Any Integrated Data made accessible by ESO in or through the Integrated Service is provided on an "as-is" and "as available" basis without any warranty of any kind. Customer acknowledges that ESO is not responsible for and under no obligation to control, monitor or correct Integrated Data; provided, however, ESO reserves the right to take remedial action if any such data violates applicable law or this Agreement, including without limitation and after prompt notice to Customer, the removal of, or disablement of access to, such data and the Integrated Service. Customer acknowledges that ESO's ability to deliver each Service is contingent upon Customer or User's compliance with this Agreement and any applicable third party's terms of use. Accordingly, if ESO's performance under this Agreement is prevented or delayed by any act or omission of Customer or its agents, subcontractors, or third party vendors (other than ESO) ("Customer Delay"), ESO shall not be deemed in breach of its obligations under this Agreement or otherwise be liable for any costs or losses of Customer (in each case, to the extent arising directly or indirectly from Customer Delay).

3.7. Third Party APIs. Customer acknowledges that: (i) the nature, type, quality and availability of Integrated Data and Integrated Services may change at any time during the Term, and (ii) features of the Integrated Service that integrate or interoperate with third parties and Integrated Data depend on the continuing availability of such third parties' respective application programming interfaces ("APIs") for use with the Integrated Service. ESO may update, change or modify the Integrated Services under this Agreement because of a change in, or unavailability of, such Integrated Data or APIs. If any third-party ceases to make its Integrated Data or APIs available on reasonable terms for the Integrated Services, as determined by ESO in its sole discretion, ESO may cease providing access to or support for the affected Integrated Data or Integrated Service without any liability to Customer, provided that prompt notice to Customer is given and existing public records are preserved by ESO. Any changes to Integrated Data or APIs, including their availability or unavailability, during the Term does not affect Customer's obligations under this Agreement or the applicable Order, and Customer will not be entitled to any reduction in fees, refund, credit or other compensation due to any such changes.

4. HOSTING, SLA & SUPPORT SERVICES

4.1. Hosting & Management. Customer shall be responsible for hosting and managing any Licensed Software on systems meeting the requirements specified by ESO. ESO shall be responsible for hosting and managing any SaaS.

4.2. Service Level Agreement. If an Outage, excluding Scheduled Downtime (as defined below), results in the service level uptime falling below 99% for any three-month period (the ***"Uptime Commitment"***), then Customer may immediately terminate this Agreement, in which case ESO will refund any prepaid, unearned Fees to Customer. This is Customer's sole remedy for ESO's breach of the Uptime Commitment.

4.3. Scheduled Downtime. ESO will endeavor to provide reasonable (72 hour) notice of Scheduled Downtime to Customer's Users. Notice of Scheduled Downtime may be provided from within the Software or via email. Scheduled Downtime shall never constitute a failure of performance or Outage by ESO. Notification timelines and the frequency of Scheduled Downtime are subject to the emergence of security concerns outside of ESO's control.

4.4. Support and Updates. During the Term, ESO shall provide to Customer the Support Services, in accordance with Exhibit B, which is incorporated herein by reference. ESO may update and revise its Software, providing reasonable notice in the case of any material diminishment.

5. FEES

5.1. Fees. In consideration of the rights granted hereunder, Customer agrees to pay ESO the fees for the Software and Professional Services as set forth in the Order(s)) (collectively, ***"Fees"***). The Fees are non-cancelable and non-refundable, except as expressly provided herein. Customer (or Third-Party Payer, if applicable) shall pay all undisputed invoices within 30 days of receipt.

5.2. Third-Party Payer. If Customer desires to use a third-party to pay some or all of the Fees on behalf of Customer (a ***"Third-Party Payer"***), then (i) each applicable Order will identify such arrangement, (ii) the Third-Party Payer will enter into a written

agreement with ESO regarding such arrangement, (iii) Customer may replace the Third-Party Payer by written notice to ESO (provided that no such change shall be made until the then-current Term's renewal), (iv) references within this Section 5 to Customer's responsibility for Fees shall be understood to refer to the Third-Party Payer when applicable, and (v) Customer shall remain responsible for payment if the Third-Party Payer does not pay the Fees.

5.3. Uplift on Renewal. Fees for Software, which recur annually, shall increase by the percentage assigned to each product provided in "Exhibit D" each year this Agreement is in effect.

5.4. Taxes and Fees. The Fees are exclusive of all taxes and credit card processing fees, if applicable. Unless and until Customer provides ESO a tax exemption certificate, Customer will be responsible for and will remit (or will promptly reimburse ESO for) all taxes of any kind, including sales, use, duty, customs, withholding, property, value-added, and other similar federal, state or local taxes (other than taxes based on ESO's income) related to this Agreement.

5.5. Appropriation of Funds. If Customer is a city, county or other government entity, Customer may terminate the Agreement at the end of the Customer's fiscal term if Customer provides evidence that its governing body did not appropriate sufficient funds for the next fiscal year. Notwithstanding the foregoing, this provision shall not excuse Customer from past payment obligations or other Fees earned and unpaid.

5.6. Usage Monitoring. Customer is solely responsible for its own adherence to volume and use limitations indicated on the applicable Order. ESO may monitor Customer's use of the Software, and if Customer's usage exceeds the level indicated in the applicable Order (an ***"Overage"***), Customer shall owe ESO the Fee corresponding to such usage level at a rate no higher than ESO's then-standard pricing for new customers at an equivalent usage level. ESO may invoice for Overages immediately, but only after prompt written notice to Customer and opportunity to cure.

6. TERM AND TERMINATION

6.1. Term. The term of this Agreement (the ***"Term"***) commences on the Effective Date and continues for a period of one year (or any longer period provided in an Order).

6.2. Termination for Cause. Either party may terminate this Agreement or any individual Order for the other party's uncured material breach by providing written notice. The breaching party shall have 30 days from receipt to cure such breach to the reasonable satisfaction of the non-breaching party.

6.3. Effect of Termination. If Customer terminates this Agreement or any Order as a result of ESO's material breach, then to the extent Customer prepaid any Fees, ESO shall refund to Customer those prepaid Fees on a pro-rata basis from the date Customer actually ceases use of the Software. Upon termination of this Agreement or any Order, Customer shall cease all use of the Software and delete, destroy or return all copies of the Documentation and Licensed Software in its possession or control, except as required by law. Customer shall remain obligated to pay appropriate Fees at ESO's then-current rates if Customer continues to use or access Software after the termination or expiration of this Agreement. Termination of this Agreement is without prejudice to any other right or remedy and shall not release a party from any liability.

6.4. Delivery of Data. ESO will provide Customer its Customer Data in a searchable .pdf format upon request made within 60 days of the expiration or termination of this Agreement. Customer acknowledges that ESO has no obligation to retain Customer Data more than 60 days after expiration or termination of this Agreement.

7. REPRESENTATIONS AND WARRANTIES

7.1. Material Performance of Software. After it is fully implemented (and subject to Customer's adherence to Sections 3.3, 4.1 and 13.4), ESO warrants that the Software will reliably collect, transmit, store and/or permit access to data in compliance with applicable law and industry standards.

7.2. Due Authority. Each party's execution, delivery and performance of this Agreement and each agreement or instrument contemplated by this Agreement is duly authorized by all necessary corporate or government action.

7.3. Customer Cooperation. Customer agrees to use current operating systems and reasonably and timely cooperate with ESO, including providing ESO reasonable access to its equipment, software and data as necessary for the implementation and operation of the Software.

8. **DISCLAIMER OF WARRANTIES**. EXCEPT AS OTHERWISE PROVIDED IN SECTION 7, ESO DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, PERFORMANCE, SUITABILITY, TITLE, OR ANY IMPLIED WARRANTY ARISING FROM STATUTE, COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE. EXCEPT AS EXPRESSLY PROVIDED IN SECTION 7, CUSTOMER ACCEPTS THE SOFTWARE "AS-IS" AND "AS AVAILABLE."

9. CONFIDENTIALITY

9.1. ***"Confidential Information"*** refers to the following items: (a) any document marked "Confidential"; (b) any information orally

designated as "Confidential" at the time of disclosure, provided the disclosing party confirms such designation in writing within five business days; (c) the Software and Documentation, whether or not designated confidential; (d) ESO's security controls, policies, procedures, audits, or other information concerning ESO's internal security posture; (e) any other nonpublic, sensitive information reasonably treated as trade secret or otherwise confidential; and (f) Customer Data which does comprise PHI . Notwithstanding the foregoing, Confidential Information does not include information that: (i) is in the other party's possession at the time of disclosure free of duty of non-disclosure; (ii) is independently developed without use of or reference to Confidential Information; (iii) becomes known publicly, before or after disclosure, other than as a result of the receiving party's improper action or inaction; (iv) is approved for release in writing by the disclosing party; (v) as to ESO, Customer's Feedback; or (vi) is PHI (*which shall be governed by the Business Associate Agreement rather than this Section*). Notwithstanding the above, confidential information may only be classified as such if it is determined "confidential and exempt" in accordance with relevant Florida Laws (including but not limited to Chapter 119, Fla. Stat.) and existing case law.

9.2. Nondisclosure. Each party shall use Confidential Information of the other party solely to fulfill the terms of this Agreement (the "***Purpose***"). Each party shall (a) ensure that its employees or contractors are bound by confidentiality obligations no less restrictive than those contained herein, and (b) not disclose Confidential Information to any other third party without prior written consent from the disclosing party. Without limiting the generality of the foregoing, the receiving party shall protect Confidential Information with the same degree of care it uses to protect its own confidential information of similar nature and importance, but with no less than reasonable care. A receiving party shall promptly notify the disclosing party of any misuse or misappropriation of Confidential Information of which it is aware.

9.3. Termination & Return. With respect to each item of Confidential Information, the obligations of nondisclosure will terminate three years after the date of disclosure; provided that, such obligations related to Confidential Information constituting ESO's trade secrets shall continue so long as such information remains subject to trade secret protection pursuant to applicable law. Upon termination of this Agreement, a party shall return all copies of Confidential Information to the other or certify the destruction thereof.

9.4. Retention of Rights. This Agreement does not transfer ownership of Confidential Information or grant a license thereto.

9.5. Open Records and Other Laws. Notwithstanding anything in this Section to the contrary, the parties expressly acknowledge that Confidential Information may be disclosed if such Confidential Information is required to be disclosed by law, a lawful public records request, or judicial order, provided that prior to such disclosure, written notice of such required disclosure shall be given promptly and without unreasonable delay by the receiving party in order to give the disclosing party the opportunity to object to the disclosure and/or to seek a protective order. The receiving party shall reasonably cooperate in this effort. In addition, Customer may disclose the contents of this Agreement solely for the purpose of completing its review and approval processes under its local rules, if applicable.

10. **INSURANCE.** Throughout the Term (and for a period of at least three years thereafter for any insurance written on a claims-made form) ESO shall maintain in effect the insurance coverage described below:

10.1. Commercial general liability insurance with a minimum of $1 million per occurrence and $1 million aggregate;

10.2. Commercial automobile liability insurance covering use of all non-owned and hired automobiles with a minimum limit of $1 million for bodily injury and property damage liability;

10.3. Worker's compensation insurance and employer's liability insurance or any alternative plan or coverage as permitted or required by applicable law, with a minimum employer's liability limit of $1 million each accident or disease; and

10.4. Computer processor/computer professional liability insurance (a/k/a technology errors and omissions) covering the liability for financial loss due to error, omission or negligence of ESO, and privacy and network security insurance ("cyber coverage") covering losses arising from a disclosure of confidential information (including PHI) with a combined aggregate amount of $1 million.

11. **INDEMNIFICATION**

11.1. IP Infringement. Subject to the limitations in Section 12, ESO shall defend and indemnify Customer from any damages, costs, liabilities, expenses (including reasonable attorney's fees) (***"Damages"***) actually incurred or finally adjudicated as to any third-party claim or action alleging that the Software delivered pursuant to this Agreement infringe or misappropriate any third party's patent, copyright, trade secret, or other intellectual property rights enforceable in the applicable jurisdiction (each, an ***"Indemnified Claim"***). If Customer makes an Indemnified Claim under this Section or if ESO determines that an Indemnified Claim may occur, ESO may at its option: (a) obtain a right for Customer to continue using such Software; (b) modify such Software to make it a non-infringing equivalent or (c) replace such Software with a non-infringing equivalent. If (a), (b), or (c) above are not reasonably practicable, either party may, at its option, terminate the relevant Order, in which case ESO will refund any pre-paid Fees on a pro-rata basis for such Order. Notwithstanding the foregoing, ESO shall have no obligation hereunder for any claim resulting or arising from (x) Customer's breach of this Agreement; (y) modifications made to the Software not performed or provided by or on behalf of ESO or (z) the combination, operation or use by Customer (and/or

anyone acting on Customer's behalf) of the Software in connection with any other product or service (the combination or joint use of which causes the alleged infringement). This Section 11 states ESO's sole obligation and liability, and Customer's sole remedy, for potential or actual intellectual property infringement by the Software.

11.2. Indemnification Procedures. Upon becoming aware of any matter which is subject to the provisions of Sections 11.1 (a "Claim"), Customer must give prompt written notice of such Claim to ESO, accompanied by copies of any written documentation regarding the Claim received by the Customer. ESO shall compromise or defend, at its own expense and with its own counsel, any such Claim. Customer will have the right, at its option, to participate in the settlement or defense of any such Claim, with its own counsel and at its own expense; provided, however, that ESO will have the right to control such settlement or defense. ESO will not enter into any settlement that imposes any liability or obligation on Customer without the Customer's prior written consent. The parties will cooperate in any such settlement or defense and give each other full access to all relevant information, at ESO's expense.

12. LIMITATION OF LIABILITY

12.1. **LIMITATION OF DAMAGES**. NEITHER ESO NOR CUSTOMER SHALL BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR INCIDENTAL DAMAGES, INCLUDING CLAIMS FOR DAMAGES FOR LOST PROFITS, GOODWILL, USE OF MONEY, STOPPAGE OF WORK OR IMPAIRMENT OF OTHER ASSETS RELATING TO THIS AGREEMENT.

12.2. **SPECIFIC LIABILITY**. LIABILITY SHALL BE LIMITED AS FOLLOWS:

(a) ESO'S OBLIGATIONS UNDER SECTION 11 SHALL BE LIMITED TO $1,000,000.

(b) DAMAGES ARISING FROM A PARTY'S BREACH OF CONFIDENTIALITY OBLIGATIONS (INCLUDING A BREACH OF OBLIGATIONS REGARDING PROTECTED HEALTH INFORMATION), SHALL BE LIMITED TO $1,000,000.

(c) DAMAGES ARISING FROM A PARTY'S WILLFUL MISCONDUCT OR CRIMINAL CONDUCT SHALL NOT BE LIMITED.

12.3. **GENERAL LIABILITY**. EXCEPT AS EXPRESSLY PROVIDED "SPECIFIC LIABILITY," ESO'S MAXIMUM AGGREGATE LIABILITY FOR ALL CLAIMS OF LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT SHALL NOT EXCEED THE FEES PAID BY (OR ON BEHALF OF) CUSTOMER WITHIN THE PRECEDING 12-MONTH PERIOD UNDER THE APPLICABLE ORDER OR EXHIBIT GIVING RISE TO THE CLAIM.

12.4. THE FOREGOING LIMITATIONS, EXCLUSIONS, DISCLAIMERS SHALL APPLY REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, WARRANTY, STRICT LIABILITY, NEGLIGENCE, TORT OR OTHERWISE. INSOFAR AS APPLICABLE LAW PROHIBITS ANY LIMITATION HEREIN, THE PARTIES AGREE THAT SUCH LIMITATION SHALL BE AUTOMATICALLY MODIFIED, BUT ONLY TO THE EXTENT SO AS TO MAKE THE LIMITATION PERMITTED TO THE FULLEST EXTENT POSSIBLE UNDER SUCH LAW. THE PARTIES AGREE THAT THE LIMITATIONS SET FORTH HEREIN ARE AGREED ALLOCATIONS OF RISK CONSTITUTING IN PART THE CONSIDERATION FOR ESO'S SOFTWARE AND SERVICES TO CUSTOMER, AND SUCH LIMITATIONS WILL APPLY NOTWITHSTANDING THE FAILURE OF THE ESSENTIAL PURPOSES OF ANY LIMITED REMEDY AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LIABILITIES.

12.5. THIS SECTION 12 SHALL SURVIVE EXPIRATION OR TERMINATION OF THE AGREEMENT.

13. CUSTOMER DATA & PRIVACY

13.1. Ownership of Data. As between ESO and Customer, all Customer Data shall be owned by Customer.

13.2. Use of Customer Data. Unless it receives Customer's prior written consent, ESO shall not grant any third-party access to Customer Data, except (a) subcontractors that are subject to a reasonable nondisclosure agreement or (b) authorized participants in the case of Software designed to permit Customer to transmit Customer Data. ESO may only use and disclose Customer Data to fulfill its obligations under this Agreement or as required by applicable law or legal or governmental authority. ESO shall give Customer prompt notice of any such legal or governmental demand and reasonably cooperate with Customer in any effort to seek a protective order or otherwise contest such required disclosure, at Customer's expense.

13.3. De-identified Data. CUSTOMER ACKNOWLEDGES AND AGREES THAT, NOTWITHSTANDING ANY OTHER PROVISION HEREIN, ESO MAY USE DE-IDENTIFIED DATA FOR INTERNAL AND EXTERNAL PURPOSES (INCLUDING BENCHMARKING AND RESEARCH), PROVIDED THAT ESO WILL NOT SELL DE-IDENTIFIED DATA TO THIRD PARTIES FOR COMMERCIAL USE. Without limiting the foregoing, ESO will own all right, title and interest in all Intellectual Property of any aggregated and de-identified reports, summaries, compilations, analysis, statistics or other information derived therefrom.

13.4. Internet Access. Customer is solely responsible for obtaining, maintaining, and securing its network connections, and acknowledges such connections are essential to the effective operation of the Software. ESO makes no representations to Customer regarding the reliability, performance or security of any network or service provider not provided or managed by ESO.

14. **WORK PRODUCT**

14.1. Work Product Ownership. In the event Customer hires ESO to perform Professional Services, ESO alone shall hold all right, title, and interest to all proprietary and intellectual property rights of the Deliverables (including, without limitation, patents, trade secrets, copyrights, and trademarks), as well as title to any copy of software made by or for Customer (if applicable). Customer hereby explicitly acknowledges and agrees that nothing in this Agreement or a separate Order gives the Customer any right, title, or interest to the intellectual property or proprietary know-how of the Deliverables.

15. **GOVERNMENT PROVISIONS**

15.1. Compliance with Laws. Both parties shall comply with and give all notices required by all applicable federal, state and local laws, ordinances, rules, regulations and lawful orders of any public authority bearing on use of the Software and the performance of this Agreement (provided that Customer shall be solely responsible for any such notice required to be given to its employees, agents or patients). Customer acknowledges and agrees that it must fully and accurately report discounts or other incentives under this Agreement on any cost reports or other applicable claims for payment submitted under any federal health care program, including but not limited to Medicare and Medicaid, as required by federal law.

15.2. Business Associate Agreement. The parties agree to the terms of the Business Associate Agreement attached as Exhibit C and incorporated herein by reference.

15.3. Equal Opportunity. The parties shall abide by the requirements of 41 CFR 60-1.4(a), 60-300.5(a) and 60-741.5(a), and the posting requirements of 29 CFR Part 471, appendix A to subpart A, if applicable (prohibiting discrimination on the basis of protected veteran status, disability, race, color, religion, sex, sexual orientation, gender identity or national origin).

15.4. Excluded Parties List. ESO agrees to report to Customer if an employee or contractor is listed by a federal agency as debarred, excluded or otherwise ineligible for participation in federally funded health care programs.

16. **PHI ACCURACY & COMPLETENESS**

16.1. Customer Responsibilities. The Software allows Customer and its Users to enter, document, and disclose Customer Data, and as such, ESO gives no representations or guarantees about the accuracy or completeness of Customer Data (including PHI) entered, uploaded or disclosed through the Software. Customer is solely responsible for any decisions or actions taken involving patient care or patient care management, whether those decisions or actions were made or taken using information received through the Software.

16.2. HDE Customer Certifications. In the interest of furthering community health through the power of data, ESO encourages Customers subscribing to ESO's Health Data Exchange ("HDE") Software to empower joint healthcare providers by incorporating relevant, HIPAA-compliant data elements in Customer's outgoing patient care records delivered through HDE. ESO shall annually accredit qualifying customers with Gold, Silver, or Bronze level certifications in accordance with Exhibit C, and Customer may reference such certification in marketing materials.

17. **MISCELLANEOUS**

17.1. Independent Contractors. The parties are independent contractors. Neither party is the agent of the other, and neither may make commitments on the other's behalf. The parties agree that no ESO employee or contractor is or will be considered an employee of Customer.

17.2. Notices. Notices provided under this Agreement must be in writing and delivered by (a) certified mail, return receipt requested to a party's principal place of business as forth in the recitals on page 1 of this Agreement, (b) hand delivered, (c) facsimile with receipt of a "Transmission Confirmed" acknowledgment, (d) e-mail to a person designated in writing by the receiving party, or (e) delivery by a reputable overnight carrier service. In the case of delivery by facsimile or e-mail, the notice must be followed by a copy of the notice being delivered by a means provided in (a), (b) or (e). The notice will be deemed given on the day the notice is received.

17.3. Merger Clause. In entering into this Agreement, neither party is relying upon any representations or statements of the other that are not fully expressed in this Agreement; rather, each party is relying on its own judgment and due diligence and expressly disclaims reliance upon any representations or statement not expressly set forth in this Agreement. In the event the Customer issues a purchase order, letter or any other document addressing the Software or Services to be provided and performed pursuant to this Agreement, it is hereby specifically agreed and understood that any such writing is for the Customer's internal purposes only, and that any terms, provisions, and conditions contained therein shall in no way modify this Agreement.

17.4. Severability. To the extent permitted by applicable law, the parties hereby waive any provision of law that would render any clause of this Agreement invalid or otherwise unenforceable in any respect. If a provision of this Agreement is held to be invalid or otherwise unenforceable, such provision will be interpreted to fulfill its intended purpose to the maximum extent permitted by applicable law, and the remaining provisions of this Agreement will continue in full force and effect.

17.5. Subcontracting. Except for Support Services, and training and implementation services related to the Software, neither party may

subcontract or delegate its obligations to each other hereunder, nor may it contract with third parties to perform any of its obligations hereunder except as contemplated in this Agreement, without the other party's prior written consent.

17.6. Modifications and Amendments. This Agreement may not be amended except through a written agreement signed by authorized representatives of each party, provided that the Customer agrees that ESO may rely on informal writings (including emails) of Customer's authorized representatives to terminate Software products and services.

17.7. Force Majeure. No delay, failure, or default will constitute a breach of this Agreement to the extent caused by acts of war, terrorism, hurricanes, earthquakes, other acts of God or of nature, strikes or other labor disputes, riots or other acts of civil disorder, embargoes, or other causes beyond the performing party's reasonable control (collectively, "Force Majeure"). In such event, however, the delayed party must promptly provide the other party notice of the Force Majeure. The delayed party's time for performance will be excused for the duration of the Force Majeure, but if the event last longer than 30 days, the other party may immediately terminate the applicable Order.

17.8. Marketing. If requested by ESO, Customer agrees to reasonably cooperate with ESO's preparation and issuance of a public announcement regarding the relationship of the parties.

17.9. Waiver & Breach. Neither party will be deemed to waive any rights under this Agreement except through an explicit written waiver made by an authorized representative. No waiver of a breach of this Agreement will constitute a waiver of any other breach hereof.

17.10. Survival of Terms. Unless otherwise stated, all of ESO's and Customer's respective obligations, representations and warranties under this Agreement which are not, by the expressed terms of this Agreement, fully to be performed while this Agreement is in effect shall survive the termination of this Agreement.

17.11. Ambiguous Terms. This Agreement will not be construed against any party by reason of its preparation.

17.12. Governing Law. This Agreement, any claim dispute or controversy hereunder (a ***"Dispute"***) will be governed by (i) the laws of the State of Florida and the United Stated of America, or (ii) if Customer is a city, county, municipality or other governmental entity, the law of state where Customer is located, in each case foregoing without regard to its conflicts of law. The UN Convention for the International Sale of Goods and the Uniform Computer Information Transactions Act will not apply. In any Dispute, each party will bear its own attorneys' fees and costs and expressly waives any statutory right to attorneys' fees. Venue for state matters is exclusively in the Sixteenth Judicial Circuit in and for Monroe County, FL; and venue for federal matters is exclusively in the U.S. District Court in and for the Southern District of Florida.

17.13. New Versions & Sunset. If ESO releases a New Version of Licensed Software (*i.e.*, not SaaS), Customer may elect to receive such New Version, subject to a relicense fee of 75% of the standard price for such new version; and same must be memorialized via a formal amendment to the agreement, and specifically the products and services listings of the Customer outlined in "Exhibit D." All New Versions provided under this Agreement will constitute Licensed Software and be subject to the terms and conditions of this Agreement. ESO may discontinue Support Services for Licensed Software upon 12 months' notice to Customer.

17.14. No Class Actions. NEITHER PARTY SHALL BE ENTITLED TO JOIN OR CONSOLIDATE CLAIMS BY OR AGAINST OTHER ESO CUSTOMERS, OR PURSUE ANY CLAIM AS A REPRESENTATIVE OR CLASS ACTION OR IN A PRIVATE ATTORNEY GENERAL CAPACITY.

17.15. Dispute Resolution. Customer and ESO will attempt to resolve any Dispute through negotiation or by utilizing a mediator agreed to by the parties, rather than through litigation. Negotiations and mediations will be treated as confidential. If the parties are unable to reach a resolution within 30 days of notice of the Dispute to the other party, the parties may pursue all other courses of action available at law or in equity.

17.16. Technology Export. Customer shall not: (a) permit any third party to access or use the Software in violation of any U.S. law or regulation; or (b) export any software provided by ESO or otherwise remove it from the United States except in compliance with all applicable U.S. laws and regulations. Without limiting the generality of the foregoing, Customer shall not permit any third party to access or use the Software in, or export such software to, a country subject to a United States embargo (as of the Effective Date - Cuba, Iran, North Korea, Sudan, and Syria).

17.17. Reserved.

17.18. Counterparts. This Agreement may be executed in one or more counterparts. Each counterpart will be an original, and all such counterparts will constitute a single instrument.

17.19. Reserved.

EXHIBIT B
SUPPORT SERVICES

1. **DEFINITIONS**. Capitalized terms not defined below shall have the same meaning as in the General Terms & Conditions.

   1.1. "Enhancement" means a modification, addition or new release of the Software that when added to the Software, materially changes its utility, efficiency, functional capability or application.

   1.2. "E-mail Support" means ability to make requests for technical support assistance by e-mail at any time concerning the use of the then-current release of Software.

   1.3. "Error" means an error in the Software, which significantly degrades performance of such Software as compared to ESO's then-published Documentation.

   1.4. "Error Correction" means the use of reasonable commercial efforts to correct Errors.

   1.5. "Fix" means the repair or replacement of object code for the Software or Documentation to remedy an Error.

   1.6. "Initial Response" means the first contact by a Support Representative after the incident has been logged and a ticket generated. This may include an automated email response depending on when the incident is first communicated.

   1.7. "Management Escalation" means, if the initial Workaround or Fix does not resolve the Error, notification of management that such Error(s) have been reported and of steps being taken to correct such Error(s).

   1.8. "Severity 1 Error" means an Error which renders the Software completely inoperative (*e.g.*, a User cannot access the Software due to unscheduled downtime or an Outage).

   1.9. "Severity 2 Error" means an Error in which Software is still operable; however, one or more significant features or functionality are unavailable (*e.g.*, a User cannot access a core component of the Software).

   1.10. "Severity 3 Error" means any other error that does not prevent a User from accessing a significant feature of the Software (*e.g.*, User is experiencing latency in reports).

   1.11. "Severity 4 Error" means any error related to Documentation or a Customer Enhancement request.

   1.12. "Status Update" means if the initial Workaround or Fix cannot resolve the Error, notification of the Customer regarding the progress of the Workaround or Fix.

   1.13. "Online Support" means information available through ESO's website (www.eso.com), including frequently asked questions and bug reporting via Live Chat.

   1.14. "Support Representative" shall be ESO employee(s) or agent(s) designated to receive Error notifications from Customer, which Customer's Administrator has been unable to resolve.

   1.15. "Update" means an update or revision to Software, typically for Error Correction.

   1.16. "Upgrade" means a new version or release of Software or a particular component of Software, which improves the functionality or which adds functional capabilities to the Software and is not included in an Update. Upgrades may include Enhancements.

   1.17. "Workaround" means a change in the procedures followed or data supplied by Customer to avoid an Error without substantially impairing Customer's use of the Software.

2. **SUPPORT SERVICES.**

   2.1. Customer will provide at least one administrative employee (the "Administrator" or "Administrators") who will handle all requests for first-level support from Customer's employees with respect to the Software. Such support is intended to be the "front line" for support and information about the Software to Customer's Users. ESO will provide training, documentation, and materials to the Administrator to enable the Administrator to provide technical support to Customer's Users. The Administrator will notify a Support Representative of any Errors that the Administrator cannot resolve and assist ESO in information gathering.

   2.2. ESO will provide Support Services consisting of (a) Error Correction(s); (b) Enhancements, Updates and Upgrades that ESO, in its discretion, makes generally available to its customers without additional charge; and (c) E-mail Support, telephone support, and Online Support. ESO may use multiple forms of communication for purposes of submitting periodic status reports

to Customer, including but not limited to, messages in the Software, messages appearing upon login to the Software or other means of broadcasting Status Update(s) to multiple customers affected by the same Error, such as a customer portal.

2.3. ESO's support desk will be staffed with competent technical consultants who are trained in and thoroughly familiar with the Software and with Customer's applicable configuration. Telephone support and all communications will be delivered in intelligible English.

2.4. Normal business hours for ESO's support desk are Monday through Friday 7:00 am to 7:00 pm CT. Customer will receive a call back from a Support Representative after-hours for a Severity 1 Error.

2.5. ESO will provide responses to a technology and/or security assessment of reasonable detail (a "Tech Assessment") upon request prior to (or in connection with) implementation. ESO will provide responses to any subsequent Tech Assessments provided that Customer compensates ESO at its then-current and standard consulting rates for all work performed in connection with such Tech Assessments.

ERROR PRIORITY LEVELS. Customer will report all Errors to ESO via ESO's Support Request Form link (New Case Form - ESO) or by telephone (866-766-9471, option #3). ESO shall exercise commercially reasonable efforts to correct any Error reported by Customer in accordance with the priority level reasonably assigned to such Error by ESO.

2.6. Severity 1 Error. ESO shall (i) commence Error Correction promptly; (ii) provide an Initial Response within four hours; (iii) initiate Management Escalation promptly; and (iv) provide Customer with a Status Update within four hours if ESO cannot resolve the Error within four hours.

2.7. Severity 2 Error. ESO shall (i) commence Error Correction promptly; (ii) provide an Initial Response within eight hours; (iii) initiate Management Escalation within 48 hours if unresolved; and (iv) provide Customer with a Status Update within forty-eight hours if ESO cannot resolve the Error within forty-eight hours.

2.8. Severity 3 Error. ESO shall (i) commence Error Correction promptly; (ii) provide an Initial Response within three business days; and (iii) provide Customer with a Status Update within seven calendar days if ESO cannot resolve the Error within seven calendar days.

2.9. Severity 4 Error. ESO shall provide an Initial Response within seven calendar days.

3. **CONSULTING SERVICES**. If ESO reasonably believes that a problem reported by Customer is not due to an Error in the Software, ESO will so notify Customer. At that time, Customer may request ESO to proceed with a root cause analysis at Customer's expense as set forth herein or in a separate SOW. If ESO agrees to perform the investigation on behalf of Customer, then ESO's then-current and standard consulting rates will apply for all work performed in connection with such analysis, plus reasonable related expenses incurred, For the avoidance of doubt, Consulting Services will include customized report writing by ESO on behalf of Customer.

4. **EXCLUSIONS.**

4.1. ESO shall have no obligation to perform Error Corrections or otherwise provide support for: (i) Customer's repairs, maintenance or modifications to the Software (if permitted); (ii) Customer's misapplication or unauthorized use of the Software; (iii) altered or damaged Software not caused by ESO; (iv) any third-party software; (v) hardware issues; (vi) Customer's breach of the Agreement; and (vii) any other causes beyond the ESO's reasonable control.

4.2. ESO shall have no liability for any changes in Customer's hardware or software systems that may be necessary to use the Software due to a Workaround or Fix.

4.3. ESO is not required to perform any Error Correction unless ESO can replicate such Error on its own software and hardware or through remote access to Customer's software and hardware.

4.4. Customer is solely responsible for its selection of hardware, and ESO shall not be responsible the performance of such hardware even if ESO makes recommendations regarding the same.

5. **MISCELLANEOUS**. The parties acknowledge that from time-to-time ESO may update its support processes specifically addressed in this Exhibit and may do so by posting such updates to ESO's website or otherwise notifying Customer of such updates. Customer will accept updates to ESO's support procedures and any other terms in this Exhibit; provided however, that they do not materially decrease the level of Support Services that Customer will receive from ESO.. THESE TERMS AND CONDITIONS DO NOT CONSTITUTE A PRODUCT WARRANTY. THIS EXHIBIT IS AN ADDITIONAL PART OF THE AGREEMENT AND DOES NOT CHANGE OR SUPERSEDE ANY TERM OF THE AGREEMENT EXCEPT TO THE EXTENT UNAMBIGUOUSLY CONTRARY THERETO.

EXHIBIT C
HIPAA BUSINESS ASSOCIATE AGREEMENT

Customer and ESO Solutions, Inc. ("Business Associate") agree that this HIPAA Business Associate Agreement is entered into for the benefit of Customer, which is a covered entity under the Privacy Standards ("Covered Entity"). Pursuant to the ESO Subscription Agreement (the "Agreement") into which this HIPAA Business Associate Agreement (this "BAA") has been incorporated, Business Associate may perform functions or activities involving the use and/or disclosure of PHI on behalf of the Covered Entity, and therefore, Business Associate may function as a business associate. Business Associate, therefore, agrees to the following terms and conditions.

1. Scope. This BAA applies to and is hereby automatically incorporated into all present and future agreements and relationships, whether written, oral or implied, between Covered Entity and Business Associate, pursuant to which PHI is created, maintained, received or transmitted by Business Associate from or on behalf of Covered Entity in any form or medium whatsoever.

2. Definitions. For purposes of this BAA, the terms used herein, unless otherwise defined, shall have the same meanings as used in the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), or the Health Information Technology for Economic and Clinical Health Act ("HITECH"), and any amendments or implementing regulations, (collectively "HIPAA Rules").

3. Compliance with Applicable Law. The parties acknowledge and agree that, beginning with the relevant effective date, Business Associate shall comply with its obligations under this BAA and with all obligations of a business associate under HIPAA, HITECH, the HIPAA Rules, and other applicable laws and regulations, as they exist at the time this BAA is executed and as they are amended, for so long as this BAA is in place.

4. Permissible Use and Disclosure of PHI. Business Associate may use and disclose PHI as necessary to carry out its duties to a Covered Entity pursuant to the terms of the Agreement, as required by law, or as permitted by the Agreement. Business Associate may also use and disclose PHI (i) for its own proper management and administration, and (ii) to carry out its legal responsibilities. If Business Associate discloses Protected Health Information to a third party for either above reason, prior to making any such disclosure, Business Associate must obtain: (i) reasonable assurances from the receiving party that such PHI will be held confidential and be disclosed only as required by law or for the purposes for which it was disclosed to such receiving party; and (ii) an agreement from such receiving party to immediately notify Business Associate of any known breaches of the confidentiality of the PHI.

5. Limitations on Use and Disclosure of PHI. Business Associate shall not, and shall ensure that its directors, officers, employees, subcontractors, and agents do not, use or disclose PHI in any manner that is not permitted by the Agreement or that would violate Subpart E of 45 C.F.R. 164 ("Privacy Rule") if done by a Covered Entity. All uses and disclosures of, and requests by, Business Associate for PHI are subject to the minimum necessary rule of the Privacy Rule.

6. Required Safeguards to Protect PHI. Business Associate shall use appropriate safeguards, and comply with Subpart C of 45 C.F.R. Part 164 ("Security Rule") with respect to electronic PHI, to prevent the use or disclosure of PHI other than pursuant to the terms and conditions of this BAA.

7. Reporting to Covered Entity. Business Associate shall report to the affected Covered Entity without unreasonable delay: (a) any use or disclosure of PHI not provided for by the Agreement of which it becomes aware; (b) any breach of unsecured PHI in accordance with 45 C.F.R. Subpart D of 45 C.F.R. 164 ("Breach Notification Rule"); and (c) any security incident of which it becomes aware. With regard to Security Incidents caused by or occurring to Business Associate, Business Associate shall cooperate with the Covered Entity's investigation, analysis, notification and mitigation activities, and except for Security Incidents caused by Covered Entity, shall be responsible for reasonable costs incurred by the Covered Entity for those activities. Notwithstanding the foregoing, Covered Entity acknowledges and shall be deemed to have received advanced notice from Business Associate that there are routine occurrences of: (i) unsuccessful attempts to penetrate computer networks or services maintained by Business Associate; and (ii) immaterial incidents such as "pinging" or "denial of services" attacks.

8. Mitigation of Harmful Effects. Business Associate agrees to mitigate, to the extent practicable, any harmful effect of a use or disclosure of PHI by Business Associate in violation of the requirements of the Agreement, including, but not limited to, compliance with any state law or contractual data breach requirements.

9. Agreements by Third Parties. Business Associate shall enter into an agreement with any subcontractor of Business Associate that creates, receives, maintains or transmits PHI on behalf of Business Associate. Pursuant to such agreement, the subcontractor shall agree to be bound by the same or greater restrictions, conditions, and requirements that apply to Business Associate under this BAA with respect to such PHI.

10. Access to PHI. Within five business days of a request by a Covered Entity for access to PHI about an individual contained in a Designated Record Set, Business Associate shall make available to the Covered Entity such PHI for so long as such information is maintained by Business Associate in the Designated Record Set, as required by 45 C.F.R. 164.524. In the event any individual delivers directly to Business Associate a request for access to PHI, Business Associate shall within five (5) business days forward such request to the Covered Entity.

11. Amendment of PHI. Within five business days of receipt of a request from a Covered Entity for the amendment of an individual's PHI or a record regarding an individual contained in a Designated Record Set (for so long as the PHI is maintained in the Designated Record Set), Business Associate shall provide such information to the Covered Entity for amendment and incorporate any such amendments in the PHI as required by 45 C.F.R. 164.526. In the event any individual delivers directly to Business Associate a request for amendment to PHI, Business Associate shall within five business days forward such request to the Covered Entity.

12. Documentation of Disclosures. Business Associate agrees to document disclosures of PHI and information related to such disclosures as would be required for a Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 C.F.R. 164.528 and HITECH.

13. Accounting of Disclosures. Within five business days of notice by a Covered Entity to Business Associate that it has received a request for an accounting of disclosures of PHI, Business Associate shall make available to a Covered Entity information to permit the Covered Entity to respond to the request for an accounting of disclosures of PHI, as required by 45 C.F.R. 164.528 and HITECH.

14. Other Obligations. To the extent that Business Associate is to carry out one or more of a Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with such requirements that apply to the Covered Entity in the performance of such obligations.

15. Judicial and Administrative Proceedings. In the event Business Associate receives a subpoena, court or administrative order or other discovery request or mandate for release of PHI, the affected Covered Entity shall have the right to control Business Associate's response to such request, provided that, such control does not have an adverse impact on Business Associate's compliance with existing laws. Business Associate shall notify the Covered Entity of the request as soon as reasonably practicable, but in any event within seven business days of receipt of such request.

16. Availability of Books and Records. Business Associate hereby agrees to make its internal practices, books, and records available to the Secretary of the Department of Health and Human Services for purposes of determining compliance with the HIPAA Rules.

17. Breach of Contract by Business Associate. In addition to any other rights a party may have in the Agreement, this BAA or by operation of law or in equity, either party may: i) immediately terminate the Agreement if the other party has violated a material term of this BAA; or ii) at the non-breaching party's option, permit the breaching party to cure or end any such violation within the time specified by the non-breaching party. The non-breaching party's option to have cured a breach of this BAA shall not be construed as a waiver of any other rights the non-breaching party has in the Agreement, this BAA or by operation of law or in equity.

18. Effect of Termination of Agreement. Upon the termination of the Agreement or this BAA for any reason, Business Associate shall return to a Covered Entity or, at the Covered Entity's direction, destroy all PHI received from the Covered Entity that Business Associate maintains in any form, recorded on any medium, or stored in any storage system. This provision shall apply to PHI that is in the possession of Business Associate, subcontractors, and agents of Business Associate. Business Associate shall retain no copies of the PHI. Business Associate shall remain bound by the provisions of this BAA, even after termination of the Agreement or BAA, until such time as all PHI has been returned or otherwise destroyed as provided in this Section. For the avoidance of doubt, de-identified Customer Data shall not be subject to this provision.

19. Injunctive Relief. Business Associate stipulates that its unauthorized use or disclosure of PHI while performing services pursuant to this BAA would cause irreparable harm to a Covered Entity, and in such event, the Covered Entity shall be entitled to institute proceedings in any court of competent jurisdiction to obtain damages and injunctive relief.

20. Owner of PHI. Under no circumstances shall Business Associate be deemed in any respect to be the owner of any PHI created or received by Business Associate on behalf of a Covered Entity.

21. Safeguards and Appropriate Use of Protected Health Information. Covered Entity is responsible for implementing appropriate privacy and security safeguards to protect its PHI in compliance with HIPAA. Without limitation, it is Covered Entity's obligation to:

    21.1. Not include PHI in information Covered Entity submits to technical support personnel through a technical support request or to community support forums. In addition, Business Associate does not act as, or have the obligations of a Business Associate under the HIPAA Rules with respect to Customer Data once it is sent to or from Covered Entity outside ESO's Software over the internet; and

    21.2. Implement privacy and security safeguards in the systems, applications, and software Covered Entity controls, configures and connects to ESO's Software.

22. Third Party Rights. The terms of this BAA do not grant any rights to any parties other than Business Associate and the Covered Entity.

23. Signatures. The signatures to the Agreement (or the document evidencing the parties' adoption thereof) indicate agreement hereto and shall be deemed signatures hereof, whether manual, electronic or facsimile.

Approval of an Agreement with Erika Heffernan in the amount of $3,235.00 for public art for the Supervisor of Elections - Key West Office Project recommended by the Art in Public Places (AIPP) Selection Committee and the Florida Keys Council of the Arts (FKCA).

ITEM BACKGROUND:
Section 2-233, Monroe County Code (Ordinance No. 022-2001) provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000 and renovations exceeding $100,000 to be set aside to promote understanding and enrich the public environment for residents and visitors.

The new location of the Supervisor of Elections Office is located at the old Bayshore Manor on Stock Island which was recently renovated and work has been completed. A Request for Proposals for Art in Public Places (AIPP) was advertised on October 19, 2024, and eight (8) applicants submitted proposals. The AIPP Committee met on November 19, 2024, and three (3) artists are recommended for approval.

Based on responses submitted to the RFP on November 12, 2024, the AIPP Committee selected Erika Heffernan to provide public artwork for the renovated Supervisor of Elections Office - Key West.
The original artwork will be composed of the following:
1) A Large (27” x 36”) Limited Edition (Edition 1 of 5) framed photograph entitled “Day 38”.
2) A Medium (15” x 20”) Limited Edition (Edition 1 of 10) framed photograph entitled “Day 165”.
3) A Medium (15” x 20”) Limited Edition (Edition 2 of 10) framed photograph entitled “Day 290”.
The contract amount is $3,235.00.

Monroe County Art in Public Places Award Agreement
Supervisor of Elections Office

This AGREEMENT dated the 16th day of April, 2025, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" or "BOCC", whose address is 1100 Simonton Street, Key West, Florida 33040, and Erika Heffernan, hereinafter "Artist" or "Contractor", whose address is P.O. Box 24; Key West, Florida 33041.

WHEREAS, the Monroe County BOCC recognizes the extent of cultural resources available in the county for development, promotion, and enjoyment of the arts. It is the intent of the BOCC to enrich culturally and benefit the citizens of this county through the establishment of Art in Public Places; and

WHEREAS, the Art in Public Places Ordinance No. 022-2001 (AIPP Ordinance), codified at Monroe County Code §2-233, authorizes the allocation of one percent (1%) of the County's construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 to be set aside in a fund and used for acquisition, commission, installation, and maintenance of works of art to be used in, upon, or around the new or renovated County buildings; and

WHEREAS, the AIPP Ordinance established an Arts in Public Places Committee (AIPP) to review responses to Requests for Proposals for art to be acquired, commissioned, installed, and maintained in public construction projects and to advise the BOCC regarding the art subject to the AIPP allocation; and

WHEREAS, the BOCC desires to acquire public artwork to be installed, placed, and/or located at the Supervisor of Elections – Key West Office Project (Key West, Monroe County, Florida), to promote understanding and awareness of the visual arts and to enrich the public environment for residents and visitors; and

WHEREAS, in conformity with the AIPP Ordinance, MCC §2-233, and a Request for Proposals, the Artist was selected by the AIPP Committee to provide public artwork for this location; and

WHEREAS, the Artist wishes to create a unique piece(s) of artwork to be installed in a public space inside the Supervisor of Elections Office in Monroe County, Florida ("Project"); and

WHEREAS, the Artist and County wish to undertake the obligations expressed herein.

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the parties have entered into this Agreement on the terms and conditions as set forth below:

1. AGREEMENT PERIOD: This Agreement shall be effective on the date that this contract has been approved by the BOCC and is signed by both parties. The term of the Agreement is for a period of sixty (60) days after issuance of a Notice to Proceed to execute and complete the work. This Agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with Paragraphs 13 and 14 below. All work for which AIPP funds are to be expended must be completed by the stated termination date.

2. SCOPE OF SERVICES: The Artist shall perform all services, and provide and furnish all supplies, materials, and equipment as necessary for transportation, creation, and installation of artwork as follows:

1) A Large (27" x 36") Limited Edition (Edition 1 of 5) framed photograph entitled "Day 38" [Exhibit D].
2) A Medium (15" x 20") Limited Edition (Edition 1 of 10) framed photograph entitled "Day 165" [Exhibit E].
3) A Medium (15" x 20") Limited Edition (Edition 2 of 10) framed photograph entitled "Day 290" [Exhibit F].

Services shall be performed in a professional manner and in strict compliance with all terms and conditions in this Agreement. The Artist shall confer with and coordinate activities with Elizabeth Young, Executive Director of the Florida Keys Council of the Arts, in order to ensure that there is as much cooperation and cohesiveness in the incorporation of the art in or around the building and so that there shall be the least amount of interference between the Artist and the Supervisor of Elections, Key West Office personnel or any other County staff.

3. AMOUNT OF AGREEMENT AND PAYMENT: The County shall pay a total contract amount not to exceed **Three Thousand, Two Hundred, Thirty-Five ($3,235.00) Dollars**, which shall constitute full and complete compensation for all services performed and materials furnished by the Artist under this Agreement. The above-referenced amount comprises payment for the following discreet works of art: 1) "Day 38": $1,685.00; 2) "Day 165": $775.00; 3) "Day 290": $775.00. The Board of County Commissioners assumes no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the BOCC. Pursuant to Florida's Prompt Payment Act, upon receipt by County of an Invoice for the production and installation of the completed artwork **and documentation as noted herein** to satisfy the Monroe County Office of the Clerk of Court and Comptroller ((hereinafter referred to as "County Clerk") that the artwork has been completed, installed and accepted, Payment shall be made in the amount set forth above.

Payment shall be made upon presentation of an original invoice and documentation necessary to support the completion of the work. The Artist shall submit to the County invoices with supporting documentation that are acceptable to the County Clerk. Acceptability to the County Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the County Clerk's disbursal of funds. Any invoices and/or other documentation shall be submitted to the Executive Director, Florida Keys Council of the Arts, c/o Art in Public Places, at 1100 Simonton Street, Suite 2-263, Key West, Florida 33040, or via email to director@keysarts.com. The Artist shall also provide release of liens, if applicable.

Final payment request must be submitted no later than sixty (60) days after the completion of the project.

4. TAXES: Should any state or federal sales, use, or excise taxes, or similar charges relating to the services and materials under this Agreement become due, such taxes shall be paid by the Artist in a timely fashion.

5. OWNERSHIP and RIGHTS: Upon the installation of the artwork and acceptance by the County, the County shall own the artwork and title to the artwork shall pass to the County. This Article 5 and the Artist's signature on this Agreement shall constitute and be construed as the Artist's express waiver of rights as provided in 17 U.S.C. §106A, et al. , to the extent that the artwork may be removed, adjusted, replaced, and/or relocated, as deemed necessary by the County without obtaining a waiver or permission from the Artist, and that modification to the artwork resulting from conservation or public presentation involving lighting and placement is not prohibited modification or considered alteration, distortion, or mutilation of the artwork. The Artist agrees that the County as owner of the building and/or property that includes the artwork may, without the consent or permission of the Artist, make or authorize the making of alterations and/or destruction of such building and/or property. The Artist agrees that, where the artwork may be created or conceived in any fashion by more than one author/artist, the Artist's signature and waiver binds the entire group of authors/artists.

6. MAINTENANCE OF RECORDS: The Artist shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be maintained for a period of seven (7) years from the termination of this Agreement or in accordance with the State of Florida retention schedules (https://dos.fl.gov/library-archives/records-management/general-records-schedules/), whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and the applicable retention period following the termination of this Agreement. For Public Records requirements, see Paragraph 24 below.

Right to Audit

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); backcharge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by the County or the County Clerk to substantiate charges related to this Agreement, and all other agreements, sources of information and matters that may, in the County's or the County Clerk's reasonable judgment, have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by the County's representative and/or agents or the County Clerk. The County or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through

interviews and written confirmations with employees, subcontractors, suppliers, and contractors' representatives. All records shall be kept for seven (7) years after Final Completion of the Project. The County Clerk possesses the independent authority to conduct an audit of records, assets, and activities relating to this Project. If any auditor employed by Monroe County or the County Clerk determines that monies paid to the Artist/Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the Artist/Contractor, the Artist/Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, Florida Statutes, running form the date the monies were paid to the Contractor. The *right to audit* provisions survives the termination or expiration of this Agreement.

7. MODIFICATIONS AND AMENDMENTS: Any and all modifications of the terms of this Agreement or any changes in the design of the artwork shall be only amended in writing and approved by the BOCC. Extensions of time, as requested by either party, to complete any terms or conditions of this Agreement must be made in writing and must be approved by the BOCC, which said consent shall not be unreasonably withheld.

8. INDEPENDENT CONTRACTOR: At all times and for all purposes hereunder, the Artist is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed as to find the Artist or any of its employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges, or benefits of employees of Monroe County.

9. COMPLIANCE WITH LAW: In carrying out its obligations under this Agreement, the Artist shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provisions of this Agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations shall constitute a material breach of this Agreement and shall entitle the County to terminate this Agreement immediately upon delivery of written notice of termination to the Artist.

10. HOLD HARMLESS/INDEMNIFICATION: The Artist hereby agrees to defend, indemnify, and hold harmless the BOCC, Florida Keys Council of the Arts, AIPP Committee and Monroe County and any of their elected and appointed officers, officials, agents, servants, and employees from and against any and all claims, demands, liabilities, litigation, causes of action, damages, costs, expenses (including but not limited to fees and expenses arising from any factual investigation, discovery or preparation for litigation), and the payment of any and all of the foregoing or any demands, settlements, or judgments arising directly or indirectly under this Agreement. The Artist shall immediately give notice to the County of any suit, claim, or action made against the County that is related to the activity under this Agreement and will cooperate with the County in the investigation arising as a result of any suit, action, or claim related to this Agreement. The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this Agreement. This indemnification shall survive the termination or expiration of this Agreement.

11. NONDISCRIMINATION. The Artist and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The Artist and County agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include, but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

.

12. ANTI-KICKBACK: The Artist warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County has any interest, financially or otherwise, in the said funded project, except for general membership. For breach or violation of this warranty, the County shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

13. TERMINATION: This Agreement shall terminate pursuant to Paragraph 1. Termination prior thereto shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this Agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the continuation of this Agreement pursuant to the terms specified herein, this Agreement may then be terminated immediately by written notice of termination delivered in person or by mail to the Artist. The County may terminate this Agreement without cause upon giving sixty (60) days' written notice of termination to the Artist. The County shall not be obligated to pay for any services or goods provided by the Artist after the Artist has received written notice of termination.

For Contracts of any amount, if the County determines that the Contractor/Artist has submitted a false certification under Subsection 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Artist written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Subsection 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Subsection 287.135(4), Florida Statutes, are met.

14. TERMINATION FOR BREACH: The County may immediately terminate this Agreement for any breach of the terms contained herein. Such termination shall take place immediately upon receipt of written notice of said termination. Any waiver of any breach of covenants herein contained to be kept and performed by the Artist shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same conditions or of any other conditions.

15. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement and understanding of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the County and the Artist. Any amendment to this Agreement shall be in writing, approved by the Board of County Commissioners, and signed by both parties before it becomes effective.

16. GOVERNING LAW, INTERPRETATION, AND CONSENT TO JURISDICTION: This Agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County. The County and the Artist agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between them, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

17. EMPLOYMENT OR RETENTION OF FORMER COUNTY OFFICERS OR EMPLOYEES: The Artist warrants that he/she has not employed, retained or otherwise had act on his/her behalf any former County officer or employee subject to the prohibition of Section 2-149, Monroe County Code of Ordinances or any County officer or employee in violation of Section 2-150, Monroe County Code of Ordinances. For breach or violation of the provision, the County may, at its discretion, terminate this Agreement without liability and may also, at its discretion, deduct from the agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee pursuant to Subsection 2-152(b), Monroe County Code of Ordinances.

18. PUBLIC ENTITY CRIME STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on an agreement to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on an agreement with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under an agreement with any public

entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The Artist represents that the Artist is not on the Convicted Vendor list.

19. AUTHORITY: The Artist warrants that he or she is authorized by law to engage in the performance of the activities encompassed by the project herein described. Each of the signatories for the Artist below is authorized to contract the Artist's services. The County warrants that it has all required authority to enter into this Agreement and to be bound by the terms hereof. Each party agrees that it has had ample opportunity to submit this Agreement to legal counsel of its choice and enters into this Agreement freely, voluntarily, and with advice of counsel.

20. LICENSING AND PERMITS: The Artist warrants that he or she shall have, prior to commencement of work under this Agreement and at all times during said work, all required licenses and permits whether Federal, State, County, or City.

21. INSURANCE: The Artist agrees that he or she maintains in force at its own expense a liability insurance policy which will insure and indemnify the Artist and the County from any suits, claims or actions brought by any person or persons and from all costs and expenses occurring during the Agreement or thereafter that results from performance by the Artist of the obligations set forth in this Agreement. At all times during the term of the Agreement and for one (1) year after acceptance of the project, **unless the requirement is waived by the Monroe County Risk Manager,** the Artist shall maintain on file with the County a certificate of the insurance of the carriers showing that the aforesaid insurance policy is in effect. All insurance policies must specify that they are not subject to cancellation, non-renewal, material change or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

Acceptance and/or approval of the Artist's insurance shall not be construed as relieving the Artist from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, 1100 Simonton Street, its employees and officials will be included as "Certificate Holder" and "Additional Insured" on all policies except worker's compensation.

Any deviations from these General Insurance Requirements must be requested in writing on the County form titled "Request for Waiver of Insurance Requirements" attached hereto as **Exhibit "B"** and must be approved by the Office of Monroe County Risk Management. The following coverages shall be provided prior to commencement of work governed by this contract:

1. Workers' Compensation if, and as required by Florida Statutes. If the Artist has no employees as defined by Florida Statutes and Regulations, the Artist shall submit a letter stating that he or she is exempt from this requirement.

2. General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations
- Products and Completed Operations
- Blanket Contractual Liability
- Personal Injury Liability
- Expanded Definition of Property Damage

The minimum limits acceptable shall be:

$300,000 Combined Single Limit (CSL)

If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

22. UNCONTROLLABLE CIRCUMSTANCE/FORCE MAJEURE: Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project; (each, an "Uncontrollable Circumstance"). The Artist's financial inability to perform, changes in cost or availability of materials, components, services, market conditions, or supplier actions or contract disputes will not excuse performance by the Artist under this Section. The Artist shall give the County written notice within seven (7) days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, or as soon as possible after such Uncontrollable Circumstance has occurred if reasonably anticipated, and the anticipated duration of such Uncontrollable Circumstance. The Artist shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional costs as a result of an Uncontrollable Circumstance. The Artist may only seek a no cost Change Order for such reasonable time as the County's Representative may determine.

23. DEATH OR INCAPACITY: If the Artist becomes unable to complete this Agreement due to death or incapacity, such death or incapacity will not be deemed a breach of this Agreement or a default on the part of the Artist for the purpose of Paragraphs 13 or 14, Termination. However, nothing in this paragraph shall obligate the County to accept the artwork for this Project.

In the event of incapacity, the Artist shall assign the Artist's obligations and services under this Agreement to another artist provided that the County, in its sole discretion, approves of the new artist. Alternatively, the County may elect to terminate this Agreement. Should the County terminate this Agreement, the Artist shall retain all rights he or she is entitled to under this Agreement. The artwork and any reproductions thereof shall contain credit to the Artist and any copyright notice, if applicable.

In the event of death, this Agreement shall terminate effective the date of death. Should the Agreement terminate due to the Artist's death, the Artist's heirs shall retain all rights under this Agreement to which the Artist would have been entitled.

24. PUBLIC RECORDS COMPLIANCE: The Artist must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes, and Section 24 of Article I of the Constitution of Florida. The County and Artist shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Artist in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Artist. Failure of the Artist to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Artist is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Section 119.0701, Florida Statutes and the terms and conditions of this contract, the Artist is required to:
(1) Keep and maintain public records that would be required by the County to perform the service.
(2) Upon request from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Artist does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Artist or keep and maintain public records that would be required by the County to perform the service. If the Artist transfers all public records to the County upon completion of the contract, the Artist shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Artist keeps and maintains public records upon completion of the contract, the Artist shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Artist of the request, and the Artist must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Artist does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Artist. An Artist who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Artist shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

25. RISK OF LOSS: Risk of loss or damage to the artwork shall be borne by the Artist until acceptance of the artwork by the County as indicated after the final payment has been made. The Artist shall carry insurance sufficient to cover the purchase price of the artwork to cover the risk of loss or damage to the artwork until final acceptance by the County. The Artist shall take such measures as are reasonably necessary to protect the artwork from loss or damage.

26. NOTICE: Any notice or correspondence required or permitted under this Agreement shall be in writing and hand delivered or sent by United States Mail, postage prepaid, to the other party by certified mail, return receipt requested, or by courier with proof of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in

the manner provided in this paragraph. Notice is deemed received by Artist when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notices shall be sent to the following addresses:

For Artist:

Erika Heffernan
127 Faulkner Street
Winter Garden, Florida 34787

For County:

Florida Keys Council of the Arts
1100 Simonton Street, Suite 2-263
Key West, Florida 33040

and

Monroe County Attorney
P. O. Box 1026
Key West, Florida 33041

27. WARRANTIES OF QUALITY AND CONDITION: The Artist represents and warrants that all work will be performed in accordance with professional standards and the artwork, as fabricated and installed, will be free from defects in material and workmanship which may cause or accelerate deterioration of the artwork and that reasonable maintenance of the artwork will not require procedures substantially in excess of those described in the Artist's maintenance recommendations manual or proposal. The Artist represents and warrants that the artwork and the materials used are not currently known to be harmful to public health and safety. The warranties described in this Article shall survive for a period of five (5) years after final acceptance of the artwork, with periodically required maintenance by the County, according to instructions provided by the Artist. The County shall give written notice to the Artist of any breach of this warranty during the five (5) year period. The Artist shall, at no cost to the County, cure reasonably and promptly the breach of warranty by means of repair, restoration, refurbishing, re-creation, or replacing the artwork.

28. REPAIRS AND RESTORATION: The County reserves the right to determine when and if repairs and restorations to the artwork will be made after final acceptance. Repairs and restorations to the artwork occurring five (5) years after the County's final acceptance of the artwork will be the responsibility and at the expense of the County.

29. SEVERABILITY: If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Artist agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

30. ATTORNEY FEES AND COSTS: The County and Artist agree that, in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings.

31. BINDING EFFECT: The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Artist and their respective legal representatives, successors, and assigns.

32. ADJUDICATION OF DISPUTES OR DISAGREEMENTS: The County and Artist agree that all disputes and disagreements shall attempt to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Paragraphs 13 and 14 of this Agreement concerning termination.

33. COOPERATION: In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, the County and Artist agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. The County and Artist specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

34. CODE OF ETHICS: The County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position; conflicting employment or contractual relationship; and disclosure or use of certain information.

35. NO SOLICITATION/PAYMENT: The County and Artist warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Artist agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

36. NON-WAIVER OF IMMUNITY: Notwithstanding the provisions of Section 768.28, Florida Statutes, the participation of the Artist and the County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

37. ATTESTATIONS: The Artist agrees to execute such documents as the County may reasonably require, to include but not be limited to, a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement, attached hereto as **Exhibit "C"** and made a part hereof.

38. NO PERSONAL LIABILITY: No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

39. SECTION HEADINGS: Section headings have been inserted in this Agreement as a matter of convenience for reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

40. AGREEMENTS WITH SUBCONTRACTORS: In the event that the Artist subcontracts any or all of the work in this Project to any third party, the Artist specifically agrees to identify the County as an additional insured on all insurance policies required by the County. In addition, the Artist specifically agrees that all agreements or contracts of any nature with his subcontractors shall include the County as an additional insured.

41. E-VERIFY SYSTEM: Beginning January 1, 2021, in accordance with Section 448.095, Florida Statutes, as may be amended from time to time, if applicable, the Artist and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Artist during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Artist shall comply with and be subject to the provisions of Section 448.095, Florida Statutes. Pursuant to Section 448.095, Florida Statutes:

> 1. A public agency, Bidder, or subcontractor who has a good faith belief that a person or an entity with which it is contracting has knowingly violated Subsection 448.09(1), Florida Statutes shall terminate the contract with the person or entity.
> 2. A public agency that has a good faith belief that a subcontractor knowingly violated this subsection, but the Bidder otherwise complied with this subsection, shall promptly notify the Bidder and order the Bidder to immediately terminate the contract with the subcontractor.

3. A contract terminated under this paragraph is not a breach of contract and may not be considered as such. If a public agency terminates a contract with a Bidder under this paragraph, the Bidder may not be awarded a public contract for at least 1 year after the date on which the contract was terminated. A Bidder is liable for any additional costs incurred by a public agency as a result of the termination of a contract.

42. CONSTRUCTION OF AGREEMENT: This Agreement shall not be construed more strictly against one party than against another merely by virtual of the fact that it may have been prepared by one of the parties, it being acknowledged that both the Artist and the County have substantially and materially contributed to the preparation thereof.

43. AFFIDAVIT OF NO LIENS: The Artist and the County certify that there are no liens against the artworks entitled "Day 38", "Day 165" and "Day 290"," designed by Artist, nor will there be at the completion of this Project.

44. COUNTY FORMS AFFIDAVIT

I, Erika Heffernan of the City of Winter Garden according to law on my oath, and under penalty of perjury, depose and say that:

I am Erika Heffernan of the firm of sole proprieter ("CONTRACTOR/CONSULTANT"), the bidder making the Proposal for the project described in the Request for Proposals for Art in Public Places - Supervisor of Elections and that I executed the said proposal with full authority to do so.

By signing this Affidavit, CONTRACTOR/CONSULTANT has sworn or affirmed to the following requirements as set forth in the **Public Entity Crime Statement**, **Lobbying and Conflict of Interest Statement**, **Drug-Free Workplace Statement**, **Vendor Certification Regarding Scrutinized Companies List, Non-Collusion Statement, Foreign Countries of Concern, and Common Carrier** as set forth below.

Public Entity Crime Statement

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on contracts to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

The CONTRACTOR/CONSULTANT certifies and agrees that CONTRACTOR/CONSULTANT nor any Affiliate has been placed on the convicted vendor list within the last 36 months.

Ethics Clause

By signing this Affidavit, the CONTRACTOR/CONSULTANT warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

Drug-Free Workplace

In accordance with the Florida Statutes, Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids or replies that are equal with respect to price, quality and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing the bids will be followed if none of the tied vendors have a drug-free workplace program.

CONTRACTOR/CONSULTANT in accordance with Florida Statute 287.087 hereby certifies that CONTRACTOR/CONSULTANT shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign this Affidavit certifies that CONTRACTOR/CONSULTANT complies fully with the above requirements.

Vendor Certification Regarding Scrutinized Companies Lists

CONTRACTOR/CONSULTANT agrees and certifies compliance with the following:

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List which were created pursuant to Section 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of CONTRACTOR/CONSULTANT, I hereby certify that the company identified above as "CONTRACTOR/CONSULTANT" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated immediately, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List or been engaged in business operations in Cuba or Syria.

Vendor has reviewed Section 287.135, Florida Statutes, and in accordance with such provision of Florida law, is eligible to bid on, submit a proposal for, or enter into or renew a contract with Monroe County for goods or services.

Note: The Lists are available at the following Department of Management Services Site: http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

Non-Collusion Affidavit

CONTRACTOR/CONSULTANT, by signing this Affidavit, according to law on my oath, and under penalty of perjury, depose and say that the person signing on behalf of the firm of CONTRACTOR/CONSULTANT, the bidder making the Proposal for the project described in the Scope of Work, and that I executed the said proposal with full authority to do so; the prices in this bid have been arrived at independently without collusion, consultation, communication or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor; unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to bid opening, directly or indirectly, to any other bidder or to any competitor; and no attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit, or not to submit, a bid for the purpose of restricting competition.

Foreign Countries of Concern

The Contracting with Entities of Foreign Countries of Concern Prohibited Affidavit Form ("Form") is required by Section 287.138, Florida Statutes, which is deemed as being expressly incorporated into this Form. The Affidavit must be completed by a person authorized to make this attestation on behalf of the Bidder/Proposer for the purpose of submitting a bid, proposal, quote, or other response, or otherwise entering into a contract with the County. If being awarded the Contract, or otherwise entering into the Contract, would grant Contractor access to an individual's personal identifying information, pursuant to Section 287.138, Florida Statutes, the undersigned, on behalf of Contractor, hereby certifies, represents, and warrants that the Contractor is not affiliated with a foreign country of concern, as such countries are identified in Subsection 287.138(1), Florida Statutes. The undersigned additionally certifies, represents, and warrants that: (A) Contractor is not owned by a foreign country of concern; (B) the government of a foreign country of concern does not have a controlling interest in Contractor; and (C) Contractor is not organized under the laws of nor has its principal place of business in a foreign country of concern.

Common Carrier

If Contractor is a common carrier, as defined by Section 908.111, Florida Statutes, then Contractor hereby certifies that it is not willfully providing and will not willfully provide any service during the Contract term in furtherance of transporting a person into this state knowing that the person is an Unauthorized Alien, except to facilitate the detention, removal, or departure of the person from this state or the United States.

THE STATEMENTS CONTAINED IN THIS AFFIDAVIT ARE TRUE AND CORRECT, AND MADE WITH FULL KNOWLEDGE THAT MONROE COUNTY RELIES UPON THE TRUTH OF THE STATEMENTS CONTAINED IN THIS AFFIDAVIT IN AWARDING CONTRACTS FOR SAID PROJECT.

UNDER PENALTIES OF PERJURY, I HEREBY CERTIFY AND DECLARE THAT I HAVE READ AND UNDERSTAND THE FOREGOING AFFIDAVIT. PURSUANT TO THE AUTHORITY GRANTED TO THE UNDERSIGNED BY CONTRACTOR, THE UNDERSIGNED HEREBY ACKNOWLEDGES, AFFIRMS, AND MAKES THE ABOVE SWORN CERTIFICATIONS ON BEHALF OF CONTRACTOR.

Approval of an Agreement with Jeffrey Cardenas in the amount of $1,250.00 for public art for the Supervisor of Elections - Key West Office Project recommended by the Art in Public Places (AIPP) Selection Committee and the Florida Keys Council of the Arts (FKCA).

ITEM BACKGROUND:
Section 2-233, Monroe County Code (Ordinance No. 022-2001) provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000 and renovations exceeding $100,000 to be set aside to promote understanding and enrich the public environment for residents and visitors.

The new location of the Supervisor of Elections Office is located at the old Bayshore Manor on Stock Island which was recently renovated and work has been completed. A Request for Proposals for Art in Public Places (AIPP) was advertised on October 19, 2024, and eight (8) applicants submitted proposals. The AIPP Committee met on November 19, 2024, and three (3) artists are recommended for approval.

Based on responses submitted to the RFP on November 12, 2024, the AIPP Committee selected Jeffrey Cardenas to provide public artwork for the renovated Supervisor of Elections Office - Key West.

The original artwork will be composed of the following:

1) A Large (51.7” x 26.7”) Limited Edition (Edition 1 of 10) framed, archival fine art image of Mule Key in the Key West National Wildlife Refuge entitled “Mule Key”. Medium: Fuji Crystal Archive photographic print mounted on Alu-Dibond.
2) A Medium (23.1” x 17.7”) Limited Edition (Edition 1 of 10) framed, fine art photograph featuring the surface and subsurface structure of the iconic aquatic mangrove landmass of Monroe County entitled “Mangrove Environment”. The image was created at Mud Key in the Great White Heron National Wildlife Refuge. It is an original, framed fine art photograph that has yet to be exhibited.
The contract amount is $1,250.00.

Monroe County Art in Public Places Award Agreement
Supervisor of Elections Office

This AGREEMENT dated the 16th day of April, 2025, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" or "BOCC", whose address is 1100 Simonton Street, Key West, Florida 33040, and Jeffrey Cardenas, hereinafter "Artist" or "Contractor", whose address is 1403 Washington Street; Key West, Florida 33040.

WHEREAS, the Monroe County BOCC recognizes the extent of cultural resources available in the county for development, promotion, and enjoyment of the arts. It is the intent of the BOCC to enrich culturally and benefit the citizens of this county through the establishment of Art in Public Places; and

WHEREAS, the Art in Public Places Ordinance No. 022-2001 (AIPP Ordinance), codified at Monroe County Code §2-233, authorizes the allocation of one percent (1%) of the County's construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 to be set aside in a fund and used for acquisition, commission, installation, and maintenance of works of art to be used in, upon, or around the new or renovated County buildings; and

WHEREAS, the AIPP Ordinance established an Arts in Public Places Committee (AIPP) to review responses to Requests for Proposals for art to be acquired, commissioned, installed, and maintained in public construction projects and to advise the BOCC regarding the art subject to the AIPP allocation; and

WHEREAS, the BOCC desires to acquire public artwork to be installed, placed, and/or located at the Supervisor of Elections – Key West Office Project (Key West, Monroe County, Florida), to promote understanding and awareness of the visual arts and to enrich the public environment for residents and visitors; and

WHEREAS, in conformity with the AIPP Ordinance, MCC §2-233, and a Request for Proposals, the Artist was selected by the AIPP Committee to provide public artwork for this location; and

WHEREAS, the Artist wishes to create a unique piece(s) of artwork to be installed in a public space inside the Supervisor of Elections Office in Monroe County, Florida ("Project"); and

WHEREAS, the Artist and County wish to undertake the obligations expressed herein.

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the parties have entered into this Agreement on the terms and conditions as set forth below:

1. AGREEMENT PERIOD: This Agreement shall be effective on the date that this contract has been approved by the BOCC and is signed by both parties. The term of the Agreement is for a period of sixty (60) days after issuance of a Notice to Proceed to execute and complete the work. This Agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with Paragraphs 13 and 14 below. All work for which AIPP funds are to be expended must be completed by the stated termination date.

2. SCOPE OF SERVICES: The Artist shall perform all services, and provide and furnish all supplies, materials, and equipment as necessary for transportation, creation, and installation of artwork as follows:

1) A Large (51.7" x 26.7") Limited Edition (Edition 1 of 10) framed, archival fine art image of Mule Key in the Key West National Wildlife Refuge entitled "Mule Key". Medium: Fuji Crystal Archive photographic print mounted on Alu-Dibond [Exhibit D].
2) A Medium (23.1" x 17.7") Limited Edition (Edition 1 of 10) framed, fine art photograph featuring the surface and subsurface structure of the iconic aquatic mangrove landmass of Monroe County entitled "Mangrove Environment". The image was created at Mud Key in the Great White Heron National Wildlife Refuge. It is an original, framed fine art photograph that has yet to be exhibited. [Exhibit E]

Services shall be performed in a professional manner and in strict compliance with all terms and conditions in this Agreement. The Artist shall confer with and coordinate activities with Elizabeth Young, Executive Director of the Florida Keys Council of the Arts, in order to ensure that there is as much cooperation and cohesiveness in the incorporation of the art in or around the building and so that there shall be the least amount of interference between the Artist and the Supervisor of Elections, Key West Office personnel or any other County staff.

3. AMOUNT OF AGREEMENT AND PAYMENT: The County shall pay a total contract amount not to exceed **Twelve Hundred, Fifty ($1,250.00) Dollars**, which shall constitute full and complete compensation for all services performed and materials furnished by the Artist under this Agreement. The above-referenced amount comprises payment for the following discreet works of art: 1) "Mule Key": $750.00; 2) "Mangrove Environment": $500.00. The Board of County Commissioners assumes no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the BOCC. Pursuant to Florida's Prompt Payment Act, upon receipt by County of an Invoice for the production and installation of the completed artwork **and documentation as noted herein** to satisfy the Monroe County Office of the Clerk of Court and Comptroller ((hereinafter referred to as "County Clerk") that the artwork has been completed, installed and accepted, Payment shall be made in the amount set forth above.

Payment shall be made upon presentation of an original invoice and documentation necessary to support the completion of the work. The Artist shall submit to the County invoices with supporting documentation that are acceptable to the County Clerk. Acceptability to the County Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the County Clerk's disbursal of funds. Any invoices and/or other documentation shall be submitted to the Executive Director, Florida Keys Council of the Arts, c/o Art in Public Places, at 1100 Simonton Street, Suite 2-263, Key West, Florida 33040, or via email to director@keysarts.com. The Artist shall also provide release of liens, if applicable.

Final payment request must be submitted no later than sixty (60) days after the completion of the project.

4. TAXES: Should any state or federal sales, use, or excise taxes, or similar charges relating to the services and materials under this Agreement become due, such taxes shall be paid by the Artist in a timely fashion.

5. OWNERSHIP and RIGHTS: Upon the installation of the artwork and acceptance by the County, the County shall own the artwork and title to the artwork shall pass to the County. This Article 5 and the Artist's signature on this Agreement shall constitute and be construed as the Artist's express waiver of rights as provided in 17 U.S.C. §106A, et al. , to the extent that the artwork may be removed, adjusted, replaced, and/or relocated, as deemed necessary by the County without obtaining a waiver or permission from the Artist, and that modification to the artwork resulting from conservation or public presentation involving lighting and placement is not prohibited modification or considered alteration, distortion, or mutilation of the artwork. The Artist agrees that the County as owner of the building and/or property that includes the artwork may, without the consent or permission of the Artist, make or authorize the making of alterations and/or destruction of such building and/or property. The Artist agrees that, where the artwork may be created or conceived in any fashion by more than one author/artist, the Artist's signature and waiver binds the entire group of authors/artists.

6. MAINTENANCE OF RECORDS: The Artist shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be maintained for a period of seven (7) years from the termination of this Agreement or in accordance with the State of Florida retention schedules (https://dos.fl.gov/library-archives/records-management/general-records-schedules/), whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and the applicable retention period following the termination of this Agreement. For Public Records requirements, see Paragraph 24 below.

Right to Audit

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); backcharge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by the County or the County Clerk to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in the County's or the County Clerk's reasonable judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by the County's representative and/or agents or the County Clerk. The County or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through interviews and written confirmations with employees, subcontractors, suppliers, and contractors' representatives. All records shall be kept for seven (7) years after Final Completion of the Project. The County Clerk possesses the independent authority to conduct an audit of records, assets, and activities relating to this Project. If any auditor employed by Monroe County or the County Clerk determines that monies paid to the Artist/Contractor. pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the Artist/Contractor, the Artist/Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, Florida Statutes, running form the date the monies were paid to the Contractor. The *right to audit* provisions survives the termination of expiration of this Agreement.

7. MODIFICATIONS AND AMENDMENTS: Any and all modifications of the terms of this Agreement or any changes in the design of the artwork shall be only amended in writing and approved by the BOCC. Extensions of time, as requested by either party, to complete any terms or conditions of this Agreement must be made in writing and must be approved by the BOCC, which said consent shall not be unreasonably withheld.

8. INDEPENDENT CONTRACTOR: At all times and for all purposes hereunder, the Artist is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed as to find the Artist or any of its employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges, or benefits of employees of Monroe County.

9. COMPLIANCE WITH LAW: In carrying out its obligations under this Agreement, the Artist shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provisions of this Agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations shall constitute a material breach of this Agreement and shall entitle the County to terminate this Agreement immediately upon delivery of written notice of termination to the Artist.

10. HOLD HARMLESS/INDEMNIFICATION: The Artist hereby agrees to defend, indemnify, and hold harmless the BOCC, Florida Keys Council of the Arts, AIPP Committee and Monroe County and any of their elected and appointed officers, officials, agents, servants, and employees from and against any and all claims, demands, liabilities, litigation, causes of action, damages, costs, expenses (including but not limited to fees and expenses arising from any factual investigation, discovery or preparation for litigation), and the payment of any and all of the foregoing or any demands, settlements, or judgments arising directly or indirectly under this Agreement. The Artist shall immediately give notice to the County of any suit, claim, or action made against the County that is related to the activity under this Agreement and will cooperate with the County in the investigation arising as a result of any suit, action, or claim related to this Agreement. The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this Agreement. This indemnification shall survive the termination or expiration of this Agreement.

11. NONDISCRIMINATION. The Artist and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The Artist and County agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

.

12. ANTI-KICKBACK: The Artist warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County has any interest, financially or otherwise, in the said funded project, except for general membership. For breach or violation of this warranty, the County shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

13. TERMINATION: This Agreement shall terminate pursuant to Paragraph 1. Termination prior thereto shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this Agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the continuation of this Agreement pursuant to the terms specified herein, this Agreement may then be terminated immediately by written notice of termination delivered in person or by mail to the Artist. The County may terminate this Agreement without cause upon giving sixty (60) days' written notice of termination to the Artist. The County shall not be obligated to pay for any services or goods provided by the Artist after the Artist has received written notice of termination.

    For Contracts of any amount, if the County determines that the Contractor/Artist has submitted a false certification under Subsection 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Artist written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Subsection 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Subsection 287.135(4), Florida Statutes, are met.

14. TERMINATION FOR BREACH: The County may immediately terminate this Agreement for any breach of the terms contained herein. Such termination shall take place immediately upon receipt of written notice of said termination. Any waiver of any breach of covenants herein contained to be kept and performed by the Artist shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same conditions or of any other conditions.

15. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement and understanding of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the County and the Artist. Any amendment to this Agreement shall be in writing, approved by the Board of County Commissioners, and signed by both parties before it becomes effective.

16. GOVERNING LAW, INTERPRETATION, AND CONSENT TO JURISDICTION: This Agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County. The County and the Artist agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between them, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

17. EMPLOYMENT OR RETENTION OF FORMER COUNTY OFFICERS OR EMPLOYEES: The Artist warrants that he/she has not employed, retained or otherwise had act on his/her behalf any former County officer or employee subject to the prohibition of Section 2-149, Monroe County Code of Ordinances or any County officer or employee in violation of Section 2-150, Monroe County Code of Ordinances. For breach or violation of the provision the County may, at its discretion, terminate this Agreement without liability and may also, at its discretion, deduct from the agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee pursuant to Subsection 2-152(b), Monroe County Code of Ordinances.

18. PUBLIC ENTITY CRIME STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on an agreement to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on an agreement with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under an agreement with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The Artist represents that the Artist is not on the Convicted Vendor list.

19. AUTHORITY: The Artist warrants that he or she is authorized by law to engage in the performance of the activities encompassed by the project herein described. Each of the signatories for the Artist below is authorized to contract the Artist's services. The County warrants that it has all required authority to enter into this Agreement and to be bound by the terms hereof. Each party agrees that it has had ample opportunity to submit this Agreement to legal counsel of its choice and enters into this Agreement freely, voluntarily, and with advice of counsel.

20. LICENSING AND PERMITS: The Artist warrants that he or she shall have, prior to commencement of work under this Agreement and at all times during said work, all required licenses and permits whether Federal, State, County, or City.

21. INSURANCE: The Artist agrees that he or she maintains in force at its own expense a liability insurance policy which will insure and indemnify the Artist and the County from any suits, claims or actions brought by any person or persons and from all costs and expenses occurring during the Agreement or thereafter that results from performance by the Artist of the obligations set forth in this Agreement. At all times during the term of the Agreement and for one (1) year after acceptance of the project, **unless the requirement is waived by the Monroe County Risk Manager,** the Artist shall maintain on file with the County a certificate of the insurance of the carriers showing that the aforesaid insurance policy is in effect. All insurance policies must specify that they are not subject to cancellation, non-renewal, material change or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

Acceptance and/or approval of the Artist's insurance shall not be construed as relieving the Artist from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, 1100 Simonton Street, its employees and officials will be included as "Certificate Holder" and "Additional Insured" on all policies except worker's compensation.

Any deviations from these General Insurance Requirements must be requested in writing on the County form titled "Request for Waiver of Insurance Requirements" attached hereto as **Exhibit "B"** and must be approved by the Office of Monroe County Risk Management. The following coverages shall be provided prior to commencement of work governed by this contract:

1. Workers' Compensation if, and as required by Florida Statutes. If the Artist has no employees as defined by Florida Statutes and Regulations, the Artist shall submit a letter stating that he or she is exempt from this requirement.

2. General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations
- Products and Completed Operations
- Blanket Contractual Liability
- Personal Injury Liability
- Expanded Definition of Property Damage

The minimum limits acceptable shall be:

$300,000 Combined Single Limit (CSL)

If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

22. UNCONTROLLABLE CIRCUMSTANCE/FORCE MAJEURE: Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project; (each, an "Uncontrollable Circumstance"). The Artist's financial inability to perform, changes in cost or availability of materials, components, services, market conditions, or supplier actions or contract

disputes will not excuse performance by the Artist under this Section. The Artist shall give the County written notice within seven (7) days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, or as soon as possible after such Uncontrollable Circumstance has occurred if reasonably anticipated, and the anticipated duration of such Uncontrollable Circumstance. The Artist shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional costs as a result of an Uncontrollable Circumstance. The Artist may only seek a no cost Change Order for such reasonable time as the County's Representative may determine.

23. DEATH OR INCAPACITY: If the Artist becomes unable to complete this Agreement due to death or incapacity, such death or incapacity will not be deemed a breach of this Agreement or a default on the part of the Artist for the purpose of Paragraphs 13 or 14, Termination. However, nothing in this paragraph shall obligate the County to accept the artwork for this Project.

In the event of incapacity, the Artist shall assign the Artist's obligations and services under this Agreement to another artist provided that the County, in its sole discretion, approves of the new artist. Alternatively, the County may elect to terminate this Agreement. Should the County terminate this Agreement, the Artist shall retain all rights he or she is entitled to under this Agreement. The artwork and any reproductions thereof shall contain credit to the Artist and any copyright notice, if applicable.

In the event of death, this Agreement shall terminate effective the date of death. Should the Agreement terminate due to the Artist's death, the Artist's heirs shall retain all rights under this Agreement to which the Artist would have been entitled.

24. PUBLIC RECORDS COMPLIANCE: The Artist must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes, and Section 24 of Article I of the Constitution of Florida. The County and Artist shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Artist in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Artist. Failure of the Artist to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Artist is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Section 119.0701, Florida Statutes and the terms and conditions of this contract, the Artist is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.
(2) Upon request from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.
(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Artist does not transfer the records to the County.
(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Artist or keep and maintain public records that would be required by the County to perform the service. If the Artist transfers all public records to the County upon completion of the contract, the Artist shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Artist keeps and maintains public records upon completion of the contract, the Artist shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.
(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Artist of the request, and the Artist must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Artist does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Artist. An Artist who fails to provide the public records to the County or pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Artist shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

25. RISK OF LOSS: Risk of loss or damage to the artwork shall be borne by the Artist until acceptance of the artwork by the County as indicated after the final payment has been made. The Artist shall carry insurance sufficient to cover the purchase price of the artwork to cover the risk of loss or damage to the artwork until final acceptance by the County. The Artist shall take such measures as are reasonably necessary to protect the artwork from loss or damage.

26. NOTICE: Any notice or correspondence required or permitted under this Agreement shall be in writing and hand delivered or sent by United States Mail, postage prepaid, to the other party by certified mail, return receipt requested, or by courier with proof of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice is deemed received by the Artist when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notices shall be sent to the following addresses:

For Artist:

Jeffrey Cardenas
1403 Washington Street
Key West, Florida 33040

For County:

Florida Keys Council of the Arts
1100 Simonton Street, Suite 2-263
Key West, Florida 33040

and

Monroe County Attorney
P. O. Box 1026
Key West, Florida 33041

27. WARRANTIES OF QUALITY AND CONDITION: The Artist represents and warrants that all work will be performed in accordance with professional standards and the artwork, as fabricated and installed, will be free from defects in material and workmanship which may cause or accelerate deterioration of the artwork and that reasonable maintenance of the artwork will not require procedures substantially in excess of those described in the Artist's maintenance recommendations manual or proposal. The Artist represents and warrants that the artwork and the materials used are not currently known to be harmful to public health and safety. The warranties described in this Article shall survive for a period of five (5) years after final acceptance of the artwork, with periodically required

maintenance by the County, according to instructions provided by the Artist. The County shall give written notice to the Artist of any breach of this warranty during the five (5) year period. The Artist shall, at no cost to the County, cure reasonably and promptly the breach of warranty by means of repair, restoration, refurbishing, re-creation, or replacing the artwork.

28. REPAIRS AND RESTORATION: The County reserves the right to determine when and if repairs and restorations to the artwork will be made after final acceptance. Repairs and restorations to the artwork occurring five (5) years after the County's final acceptance of the artwork will be the responsibility and at the expense of the County.

29. SEVERABILITY: If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Artist agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

30. ATTORNEY FEES AND COSTS: The County and Artist agree that, in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings.

31. BINDING EFFECT: The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Artist and their respective legal representatives, successors, and assigns.

32. ADJUDICATION OF DISPUTES OR DISAGREEMENTS: The County and Artist agree that all disputes and disagreements shall attempt to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Paragraphs 13 and 14 of this Agreement concerning termination.

33. COOPERATION: In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, the County and Artist agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. The County and Artist specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

34. CODE OF ETHICS: The County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position; conflicting employment or contractual relationship; and disclosure or use of certain information.

35. NO SOLICITATION/PAYMENT: The County and Artist warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Artist agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

36. NON-WAIVER OF IMMUNITY: Notwithstanding the provisions of Section 768.28, Florida Statutes, the participation of the Artist and the County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

37. ATTESTATIONS: The Artist agrees to execute such documents as the County may reasonably require, to include but not be limited to, a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement, attached hereto as **Exhibit "C"** and made a part hereof.

38. NO PERSONAL LIABILITY: No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

39. SECTION HEADINGS: Section headings have been inserted in this Agreement as a matter of convenience for reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

40. AGREEMENTS WITH SUBCONTRACTORS: In the event that the Artist subcontracts any or all of the work in this Project to any third party, the Artist specifically agrees to identify the County as an additional insured on all insurance policies required by the County. In addition, the Artist specifically agrees that all agreements or contracts of any nature with his subcontractors shall include the County as an additional insured.

41. E-VERIFY SYSTEM: Beginning January 1, 2021, in accordance with Section 448.095, Florida Statutes, as may be amended from time to time, if applicable, the Artist and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Artist during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Artist shall comply with and be subject to the provisions of Section 448.095, Florida Statutes. Pursuant to Section 448.095, Florida Statutes:

> 1. A public agency, Bidder, or subcontractor who has a good faith belief that a person or an entity with which it is contracting has knowingly violated Subsection 448.09(1), Florida Statutes shall terminate the contract with the person or entity.
> 2. A public agency that has a good faith belief that a subcontractor knowingly violated this subsection, but the Bidder otherwise complied with this subsection, shall promptly notify the Bidder and order the Bidder to immediately terminate the contract with the subcontractor.
> 3. A contract terminated under this paragraph is not a breach of contract and may not be considered as such. If a public agency terminates a contract with a Bidder under this paragraph, the Bidder may not be awarded a public contract for at least 1 year after the date on which the contract was terminated. A Bidder is liable for any additional costs incurred by a public agency as a result of the termination of a contract.

42. CONSTRUCTION OF AGREEMENT: This Agreement shall not be construed more strictly against one party than against another merely by virtual of the fact that it may have been prepared by one of the parties, it being acknowledged that both the Artist and the County have substantially and materially contributed to the preparation thereof.

43. AFFIDAVIT OF NO LIENS: The Artist and the County certify that there are no liens against the artworks entitled "Mule Key," and "Mangrove Environment" designed by Artist, nor will there be at the completion of this Project.

44. ENUMERATION OF CONTRACT DOCUMENTS: The Contract Documents, except for Modifications or Amendments issued after execution of this Agreement, are enumerated as the Request for Proposals, the Addenda, if any, the Artist Application, the Artist design, models, and specifications of the artwork and budget, the Artist's insurance, and this Agreement executed between the Artist and County, along with all executed Monroe County applicable forms.

45. FURTHER ASSURANCES: The parties shall promptly execute all documents reasonably required and take such other steps in addition to the execution of this Agreement to effectuate the intent and purpose of this Agreement.

46. EXECUTION IN COUNTERPARTS: This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which when taken together will constitute the Agreement. If any signature is delivered by email delivery of a ".pdf" format data file, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if the ".pdf" signature was an original signature. The Contractor transmitting an electronic signature will provide the inked original to the County, at the County's request.

COUNTY FORMS AFFIDAVIT

I, Jeffrey Cardenas of the City of Key West according to law on my oath, and under penalty of perjury, depose and say that:

I am Sole Proprietor of the firm of Jeffry Cardenas ("CONTRACTOR/CONSULTANT"), the bidder making the Proposal for the project described in the Request for Proposals for Art in Public Places - Supervisor of Elections and that I executed the said proposal with full authority to do so.

By signing this Affidavit, CONTRACTOR/CONSULTANT has sworn or affirmed to the following requirements as set forth in the **Public Entity Crime Statement**, **Lobbying and Conflict of Interest Statement**, **Drug-Free Workplace Statement**, **Vendor Certification Regarding Scrutinized Companies List, Non-Collusion Statement, Foreign Countries of Concern, and Common Carrier** as set forth below.

Public Entity Crime Statement

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on contracts to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

The CONTRACTOR/CONSULTANT certifies and agrees that CONTRACTOR/CONSULTANT nor any Affiliate has been placed on the convicted vendor list within the last 36 months.

Ethics Clause

By signing this Affidavit, the CONTRACTOR/CONSULTANT warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

Drug-Free Workplace

In accordance with the Florida Statutes, Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids or replies that are equal with respect to price, quality and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing the bids will be followed if none of the tied vendors have a drug-free workplace program.

CONTRACTOR/CONSULTANT in accordance with Florida Statute 287.087 hereby certifies that CONTRACTOR/CONSULTANT shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign this Affidavit certifies that CONTRACTOR/CONSULTANT complies fully with the above requirements.

Vendor Certification Regarding Scrutinized Companies Lists

CONTRACTOR/CONSULTANT agrees and certifies compliance with the following:

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List which were created pursuant to Section 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of CONTRACTOR/CONSULTANT, I hereby certify that the company identified above as "CONTRACTOR/CONSULTANT" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated immediately, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List or been engaged in business operations in Cuba or Syria.

Vendor has reviewed Section 287.135, Florida Statutes, and in accordance with such provision of Florida law, is eligible to bid on, submit a proposal for, or enter into or renew a contract with Monroe County for goods or services.

Approval of an Agreement with Fran Decker in the amount of $2,200.00 for public art for the Supervisor of Elections - Key West Office Project recommended by the Art in Public Places (AIPP) Selection Committee and the Florida Keys Council of the Arts (FKCA).

ITEM BACKGROUND:
Section 2-233, Monroe County Code (Ordinance No. 022-2001) provides for an appropriation of 1% of the construction costs for new construction exceeding $500,000 and renovations exceeding $100,000 to be set aside to promote understanding and enrich the public environment for residents and visitors.

The new location of the Supervisor of Elections Office is located at the old Bayshore Manor on Stock Island which was recently renovated and work has been completed. A Request for Proposals for Art in Public Places (AIPP) was advertised on October 19, 2024, and eight (8) applicants submitted proposals. The AIPP Committee met on November 19, 2024, and three (3) artists are recommended for approval.

Based on responses submitted to the RFP on November 12, 2024, the AIPP Committee selected Fran Decker to provide public artwork for the renovated Supervisor of Elections Office - Key West.

The original artwork will be composed of the following:

Production of two (2) newly created original 24” x 24” unframed acrylic paintings on canvas depicting botanical, tropical and/or garden themes.

Upon completion of the paintings and acceptance by the County, the Artist shall provide images of the finished works with their respective titles to be incorporated into the attached Agreement by an Amendment thereto executed by the Artist and the County and designated in the Amendment as Exhibit D and Exhibit E to the Agreement, respectively.

The contract amount is $2,200.00.

Monroe County Art in Public Places Award Agreement
Supervisor of Elections Office

This AGREEMENT dated the 16th day of April, 2025, is entered into by and between the BOARD OF COUNTY COMMISSIONERS FOR MONROE COUNTY, hereinafter "County" or "BOCC", whose address is 1100 Simonton Street, Key West, Florida 33040, and Fran Decker, hereinafter "Artist" or "Contractor", whose address is 600 Elizabeth Street; Key West, Florida 33040.

WHEREAS, the Monroe County BOCC recognizes the extent of cultural resources available in the county for development, promotion, and enjoyment of the arts. It is the intent of the BOCC to enrich culturally and benefit the citizens of this county through the establishment of Art in Public Places; and

WHEREAS, the Art in Public Places Ordinance No. 022-2001 (AIPP Ordinance), codified at Monroe County Code §2-233, authorizes the allocation of one percent (1%) of the County's construction costs for new construction exceeding $500,000.00 and renovations exceeding $100,000.00 to be set aside in a fund and used for acquisition, commission, installation, and maintenance of works of art to be used in, upon, or around the new or renovated County buildings; and

WHEREAS, the AIPP Ordinance established an Arts in Public Places Committee (AIPP) to review responses to Requests for Proposals for art to be acquired, commissioned, installed, and maintained in public construction projects and to advise the BOCC regarding the art subject to the AIPP allocation; and

WHEREAS, the BOCC desires to acquire public artwork to be installed, placed, and/or located at the Supervisor of Elections – Key West Office Project (Key West, Monroe County, Florida), to promote understanding and awareness of the visual arts and to enrich the public environment for residents and visitors; and

WHEREAS, in conformity with the AIPP Ordinance, MCC §2-233, and a Request for Proposals, the Artist was selected by the AIPP Committee to provide public artwork for this location; and

WHEREAS, the Artist wishes to create a unique piece(s) of artwork to be installed in a public space inside the Supervisor of Elections Office in Monroe County, Florida ("Project"); and

WHEREAS, the Artist and County wish to undertake the obligations expressed herein.

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the parties have entered into this Agreement on the terms and conditions as set forth below:

1. AGREEMENT PERIOD: This Agreement shall be effective on the date that this contract has been approved by the BOCC and is signed by both parties. The term of the Agreement is for a period of sixty (60) days after issuance of a Notice to Proceed to execute and complete the work. This Agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance

with Paragraphs 13 and 14 below. All work for which AIPP funds are to be expended must be completed by the stated termination date.

2. SCOPE OF SERVICES: The Artist shall perform all services, and provide and furnish all supplies, materials, and equipment as necessary for transportation, creation, and installation of artwork as follows:

Production of two (2) newly created original 24" x 24" unframed acrylic paintings on canvas depicting botanical, tropical and/or garden themes. Upon completion of the paintings and acceptance by the County, the Artist shall provide images of the finished works with their respective titles to be incorporated into this Agreement by an Amendment hereto executed by the Artist and the County and designated in the Amendment as Exhibit D and Exhibit E to this Agreement, respectively.

Services shall be performed in a professional manner and in strict compliance with all terms and conditions in this Agreement. The Artist shall confer with and coordinate activities with Elizabeth Young, Executive Director of the Florida Keys Council of the Arts, in order to ensure that there is as much cooperation and cohesiveness in the incorporation of the art in or around the building and so that there shall be the least amount of interference between the Artist and the Supervisor of Elections, Key West Office, personnel or any other County staff.

3. AMOUNT OF AGREEMENT AND PAYMENT: The County shall pay a total contract amount not to exceed **Two Thousand, Two Hundred ($2,200.00) Dollars**, which shall constitute full and complete compensation for all services performed and materials furnished by the Artist under this Agreement. The Board of County Commissioners assumes no liability to fund this agreement for an amount in excess of this award. Monroe County's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the BOCC. Pursuant to Florida's Prompt Payment Act, upon receipt by County of an **Invoice for the production and installation of the completed artwork and documentation as noted herein** to satisfy the Monroe County Office of the Clerk of Court and Comptroller ((hereinafter referred to as "County Clerk") that the artwork has been completed, installed and accepted, payment shall be made in the amount set forth above.

Payment shall be made upon presentation of an original invoice and documentation necessary to support the completion of the work. The Artist shall submit to the County invoices with supporting documentation that are acceptable to the County Clerk. Acceptability to the County Clerk is based on generally accepted accounting principles and such laws, rules, and regulations as may govern the County Clerk's disbursal of funds. Any invoices and/or other documentation shall be submitted to the Executive Director, Florida Keys Council of the Arts, c/o Art in Public Places, at 1100 Simonton Street, Suite 2-263, Key West, FL 33040, or via email to director@keysarts.com. The Artist shall also provide release of liens, if applicable.

Final payment request must be submitted no later than sixty (60) days after the completion of the project.

4. TAXES: Should any state or federal sales, use, or excise taxes, or similar charges relating to the services and materials under this Agreement become due, such taxes shall be paid by the Artist in a timely fashion.

5. OWNERSHIP and RIGHTS: Upon the installation of the artwork and acceptance by the County, the County shall own the artwork and title to the artwork shall pass to the County. This Article 5 and the Artist's signature on this Agreement shall constitute and be construed as the Artist's express waiver of rights as provided in 17 U.S.C. §106A, et al. , to the extent that the artwork may be removed, adjusted, replaced, and/or relocated, as deemed necessary by the County without obtaining a waiver or permission from the Artist, and that modification to the artwork resulting from conservation or public presentation involving lighting and placement is not prohibited modification or considered alteration, distortion, or mutilation of the artwork. The Artist agrees that the County as owner of the building and/or property that includes the artwork may, without the consent or permission of the Artist, make or authorize the making of alterations and/or destruction of such building and/or property. The Artist agrees that, where the artwork may be created or conceived in any fashion by more than one author/artist, the Artist's signature and waiver binds the entire group of authors/artists.

6. MAINTENANCE OF RECORDS: The Artist shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be maintained for a period of seven (7) years from the termination of this Agreement or in accordance with the State of Florida retention schedules (https://dos.fl.gov/library-archives/records-management/general-records-schedules/), whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and the applicable retention period following the termination of this Agreement. For Public Records requirements, see Paragraph 24 below.

Right to Audit

Availability of Records. The records of the parties to this Agreement relating to the Project, which shall include but not be limited to accounting records (hard copy, as well as computer readable data if it can be made available; subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, bidding instructions, bidders list, etc.); original estimates; estimating work sheets; correspondence; change order files (including documentation covering negotiated settlements); backcharge logs and supporting documentation; general ledger entries detailing cash and trade discounts earned, insurance rebates and dividends; any other supporting evidence deemed necessary by the County or the County Clerk to substantiate charges related to this agreement, and all other agreements, sources of information and matters that may in the County's or the County Clerk's reasonable judgment have any bearing on or pertain to any matters, rights, duties or obligations under or covered by any contract document (all foregoing hereinafter referred to as "Records") shall be open to inspection and subject to audit and/or reproduction by the County's representative and/or agents or the County Clerk. The County or County Clerk may also conduct verifications such as, but not limited to, counting employees at the job site, witnessing the distribution of payroll, verifying payroll computations, overhead computations, observing vendor and supplier payments, miscellaneous allocations, special charges, verifying information and amounts through

interviews and written confirmations with employees, subcontractors, suppliers, and contractors' representatives. All records shall be kept for seven (7) years after Final Completion of the Project. The County Clerk possesses the independent authority to conduct an audit of records, assets, and activities relating to this Project. If any auditor employed by Monroe County or the County Clerk determines that monies paid to Contractor pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the Artist/Contractor, the Artist/Contractor shall repay the monies together with interest calculated pursuant to Section 55.03, Florida Statutes, running form the date the monies were paid to the Contractor. The *right to audit* provisions survives the termination or expiration of this Agreement.

7. MODIFICATIONS AND AMENDMENTS: Any and all modifications of the terms of this Agreement or any changes in the design of the artwork shall be only amended in writing and approved by the BOCC. Extensions of time, as requested by either party, to complete any terms or conditions of this Agreement must be made in writing and must be approved by the BOCC, which said consent shall not be unreasonably withheld.

8. INDEPENDENT CONTRACTOR: At all times and for all purposes hereunder, the Artist is an independent contractor and not an employee of the Board of County Commissioners of Monroe County. No statement contained in this Agreement shall be construed as to find the Artist or any of its employees, contractors, servants, or agents to be employees of the Board of County Commissioners of Monroe County, and they shall be entitled to none of the rights, privileges, or benefits of employees of Monroe County.

9. COMPLIANCE WITH LAW: In carrying out its obligations under this Agreement, the Artist shall abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provisions of this Agreement, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations shall constitute a material breach of this Agreement and shall entitle the County to terminate this Agreement immediately upon delivery of written notice of termination to the Artist.

10. HOLD HARMLESS/INDEMNIFICATION: The Artist hereby agrees to defend, indemnify, and hold harmless the BOCC, Florida Keys Council of the Arts, AIPP Committee and Monroe County and any of their elected and appointed officers, officials, agents, servants, and employees from and against any and all claims, demands, liabilities, litigation, causes of action, damages, costs, expenses (including but not limited to fees and expenses arising from any factual investigation, discovery or preparation for litigation), and the payment of any and all of the foregoing or any demands, settlements, or judgments arising directly or indirectly under this Agreement. The Artist shall immediately give notice to the County of any suit, claim, or action made against the County that is related to the activity under this Agreement and will cooperate with the County in the investigation arising as a result of any suit, action, or claim related to this Agreement. The extent of liability is in no way limited to, reduced, or lessened by the insurance requirements contained elsewhere within this Agreement. This indemnification shall survive the termination or expiration of this Agreement.

11. NONDISCRIMINATION. The Artist and County agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. The Artist and County agree to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include, but are not limited to: 1) Title VII of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination in employment on the basis of race, color, religion, sex, or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disability; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

.

12. ANTI-KICKBACK: The Artist warrants that no person has been employed or retained to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, and that no employee or officer of the County has any interest, financially or otherwise, in the said funded project, except for general membership. For breach or violation of this warranty, the County shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the agreement price or consideration, the full amount of such commission, percentage, brokerage or contingent fee.

13. TERMINATION: This Agreement shall terminate pursuant to Paragraph 1. Termination prior thereto shall occur whenever funds cannot be obtained or cannot be continued at a level sufficient to allow for the continuation of this Agreement pursuant to the terms herein. In the event that funds cannot be continued at a level sufficient to allow the continuation of this Agreement pursuant to the terms specified herein, this Agreement may then be terminated immediately by written notice of termination delivered in person or by mail to the Artist. The County may terminate this Agreement without cause upon giving sixty (60) days' written notice of termination to the Artist. The County shall not be obligated to pay for any services or goods provided by the Artist after the Artist has received written notice of termination.

For Contracts of any amount, if the County determines that the Contractor/Artist has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Contractor/Artist written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

14. TERMINATION FOR BREACH: The County may immediately terminate this Agreement for any breach of the terms contained herein. Such termination shall take place immediately upon receipt of written notice of said termination. Any waiver of any breach of covenants herein contained to be kept and performed by the Artist shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent the County from declaring a forfeiture for any succeeding breach either of the same conditions or of any other conditions.

15. ENTIRE AGREEMENT: This Agreement constitutes the entire agreement and understanding of the parties hereto with respect to the subject matter hereof and supersedes any and all prior agreements with respect to such subject matter between the County and the Artist. Any amendment to this Agreement shall be in writing, approved by the Board of County Commissioners, and signed by both parties before it becomes effective.

16. GOVERNING LAW, INTERPRETATION, AND CONSENT TO JURISDICTION: This Agreement, its performance, and all disputes arising hereunder, shall be governed by the laws of the State of Florida, and both parties agree that the proper venue for any actions shall be in Monroe County. The County and the Artist agree that, in the event of conflicting interpretations of the terms or a term of this Agreement by or between them, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding.

17. EMPLOYMENT OR RETENTION OF FORMER COUNTY OFFICERS OR EMPLOYEES: The Artist warrants that he/she has not employed, retained or otherwise had act on his/her behalf any former County officer or employee subject to the prohibition of Section 2-149, Monroe County Code of Ordinances or any County officer or employee in violation of Section 2-150, Monroe County Code of Ordinances. For breach or violation of the provision the County may, at its discretion, terminate this Agreement without liability and may also, at its discretion, deduct from the agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former or present County officer or employee pursuant to Subsection 2-152(b), Monroe County Code of Ordinances.

18. PUBLIC ENTITY CRIME STATEMENT: A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on an agreement to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on an agreement with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, sub-contractor, or consultant under an agreement with any public entity, and may not transact business with any public entity in excess of the threshold

amount provided in Section 287.017, Florida Statutes for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The Artist represents that the Artist is not on the Convicted Vendor list.

19. AUTHORITY: The Artist warrants that he or she is authorized by law to engage in the performance of the activities encompassed by the project herein described. Each of the signatories for the Artist below is authorized to contract the Artist's services. The County warrants that it has all required authority to enter into this Agreement and to be bound by the terms hereof. Each party agrees that it has had ample opportunity to submit this Agreement to legal counsel of its choice and enters into this Agreement freely, voluntarily, and with advice of counsel.

20. LICENSING AND PERMITS: The Artist warrants that he or she shall have, prior to commencement of work under this Agreement and at all times during said work, all required licenses and permits whether Federal, State, County, or City.

21. INSURANCE: The Artist agrees that he or she maintains in force at its own expense a liability insurance policy which will insure and indemnify the Artist and the County from any suits, claims or actions brought by any person or persons and from all costs and expenses occurring during the Agreement or thereafter that results from performance by the Artist of the obligations set forth in this Agreement. At all times during the term of the Agreement and for one (1) year after acceptance of the project, **unless the requirement is waived by the Monroe County Risk Manager, the** Artist shall maintain on file with the County a certificate of the insurance of the carriers showing that the aforesaid insurance policy is in effect. All insurance policies must specify that they are not subject to cancellation, non-renewal, material change or reduction in coverage unless a minimum of thirty (30) days prior notification is given to the County by the insurer.

Acceptance and/or approval of the Artist's insurance shall not be construed as relieving the Artist from any liability or obligation assumed under this contract or imposed by law.

The Monroe County Board of County Commissioners, 1100 Simonton Street, its employees and officials will be included as "Certificate Holder" and "Additional Insured" on all policies except worker's compensation.

Any deviations from these General Insurance Requirements must be requested in writing on the County form titled "Request for Waiver of Insurance Requirements" attached hereto as **Exhibit "B"** and must be approved by the Office of Monroe County Risk Management. The following coverages shall be provided prior to commencement of work governed by this contract:

1. Workers' Compensation if, and as required by Florida Statutes. If the Artist has no employees as defined by Florida Statutes and Regulations, the Artist shall submit a letter stating that he or she is exempt from this requirement.

2. General Liability Insurance. Coverage shall be maintained throughout the life of the contract and include, as a minimum:

- Premises Operations

- Products and Completed Operations
- Blanket Contractual Liability
- Personal Injury Liability
- Expanded Definition of Property Damage

The minimum limits acceptable shall be:

$300,000 Combined Single Limit (CSL)

If coverage is provided on a Claims Made policy, its provisions should include coverage for claims filed on or after the effective date of this contract. In addition, the period for which claims may be reported should extend for a minimum of twelve (12) months following the acceptance of work by the County.

22. UNCONTROLLABLE CIRCUMSTANCE/FORCE MAJEURE: Any delay or failure of either Party to perform its obligations under this Agreement will be excused to the extent that the delay or failure was caused directly by an event beyond such Party's control, without such Party's fault or negligence and that by its nature could not have been foreseen by such Party or, if it could have been foreseen, was unavoidable: (a) acts of God; (b) flood, fire, earthquake, explosion, tropical storm, hurricane or other declared emergency in the geographic area of the Project; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot, or other civil unrest in the geographic area of the Project; (d) government order or law in the geographic area of the Project; (e) actions, embargoes, or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority prohibiting work in the geographic area of the Project; (each, an "Uncontrollable Circumstance"). The Artist's financial inability to perform, changes in cost or availability of materials, components, services, market conditions, or supplier actions or contract disputes will not excuse performance by the Artist under this Section. The Artist shall give the County written notice within seven (7) days of any event or circumstance that is reasonably likely to result in an Uncontrollable Circumstance, or as soon as possible after such Uncontrollable Circumstance has occurred if reasonably anticipated, and the anticipated duration of such Uncontrollable Circumstance. The Artist shall use all diligent efforts to end the Uncontrollable Circumstance, ensure that the effects of any Uncontrollable Circumstance are minimized and resume full performance under this Agreement. The County will not pay additional costs as a result of an Uncontrollable Circumstance. The Artist may only seek a no cost Change Order for such reasonable time as the County's Representative may determine.

23. DEATH OR INCAPACITY: If the Artist becomes unable to complete this Agreement due to death or incapacity, such death or incapacity will not be deemed a breach of this Agreement or a default on the part of the Artist for the purpose of Paragraphs 13 or 14, Termination. However, nothing in this paragraph shall obligate the County to accept the artwork for this Project.

In the event of incapacity, the Artist shall assign the Artist's obligations and services under this Agreement to another artist provided that the County, in its sole discretion, approves of the new artist. Alternatively, the County may elect to terminate this Agreement. Should the County terminate this Agreement, the Artist shall retain all rights he or she is entitled to under this Agreement. The artwork and any reproductions thereof shall contain credit to the Artist and any copyright notice, if applicable.

In the event of death, this Agreement shall terminate. effective the date of death. Should the Agreement terminate due to the Artist's death, the Artist's heirs shall retain all rights under this Agreement to which the Artist would have been entitled thereto.

24. PUBLIC RECORDS COMPLIANCE: The Artist must comply with Florida public records laws, including but not limited to Chapter 119, Florida Statutes, and Section 24 of Article I of the Constitution of Florida. The County and Artist shall allow and permit reasonable access to, and inspection of, all documents, records, papers, letters or other "public record" materials in its possession or under its control subject to the provisions of Chapter 119, Florida Statutes, and made or received by the County and Artist in conjunction with this contract and related to contract performance. The County shall have the right to unilaterally cancel this contract upon violation of this provision by the Artist. Failure of the Artist to abide by the terms of this provision shall be deemed a material breach of this contract and the County may enforce the terms of this provision in the form of a court proceeding and shall, as a prevailing party, be entitled to reimbursement of all attorney's fees and costs associated with that proceeding. This provision shall survive any termination or expiration of the contract.

The Artist is encouraged to consult with its advisors about Florida Public Records Law in order to comply with this provision.

Pursuant to Section 119.0701, Florida Statutes and the terms and conditions of this contract, the Artist is required to:

(1) Keep and maintain public records that would be required by the County to perform the service.

(2) Upon request from the County's custodian of records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

(3) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Artist does not transfer the records to the County.

(4) Upon completion of the contract, transfer, at no cost, to the County all public records in possession of the Artist or keep and maintain public records that would be required by the County to perform the service. If the Artist transfers all public records to the County upon completion of the contract, the Artist shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Artist keeps and maintains public records upon completion of the contract, the Artist shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of records, in a format that is compatible with the information technology systems of the County.

(5) A request to inspect or copy public records relating to a County contract must be made directly to the County, but if the County does not possess the requested records, the County shall immediately notify the Artist of the request, and the Artist must provide the records to the County or allow the records to be inspected or copied within a reasonable time.

If the Artist does not comply with the County's request for records, the County shall enforce the public records contract provisions in accordance with the contract, notwithstanding the County's option and right to unilaterally cancel this contract upon violation of this provision by the Artist. An Artist who fails to provide the public records to the County pursuant to a valid public records request within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.

The Artist shall not transfer custody, release, alter, destroy or otherwise dispose of any public records unless or otherwise provided in this provision or as otherwise provided by law.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: MONROE COUNTY ATTORNEY'S OFFICE, 1111 12TH ST., SUITE 408, KEY WEST, FL 33040, publicrecords@monroecounty-fl.gov, (305) 292-3470.

25. RISK OF LOSS: Risk of loss or damage to the artwork shall be borne by the Artist until acceptance of the artwork by the County as indicated after the final payment has been made. The Artist shall carry insurance sufficient to cover the purchase price of the artwork to cover the risk of loss or damage to the artwork until final acceptance by the County. The Artist shall take such measures as are reasonably necessary to protect the artwork from loss or damage.

26. NOTICE: Any notice or correspondence required or permitted under this Agreement shall be in writing and hand delivered or sent by United States Mail, postage prepaid, to the other party by certified mail, return receipt requested, or by courier with proof of delivery. The place of giving Notice shall remain the same as set forth herein until changed in writing in the manner provided in this paragraph. Notice is deemed received by the Artist when hand delivered by national courier with proof of delivery or by U.S. Mail upon verified receipt or upon the date of refusal or non-acceptance of delivery. Notices shall be sent to the following addresses:

For Artist:

Fran Decker
600 Elizabeth Street
Key West, Florida 33040

For County:

Florida Keys Council of the Arts
1100 Simonton Street, Suite 2-263
Key West, FL 33040

and

Monroe County Attorney
P. O. Box 1026

27. WARRANTIES OF QUALITY AND CONDITION: The Artist represents and warrants that all work will be performed in accordance with professional standards and the artwork, as fabricated and installed, will be free from defects in material and workmanship which may cause or accelerate deterioration of the artwork and that reasonable maintenance of the artwork will not require procedures substantially in excess of those described in the Artist's maintenance recommendations manual or proposal. The Artist represents and warrants that the artwork and the materials used are not currently known to be harmful to public health and safety. The warranties described in this Article shall survive for a period of five (5) years after final acceptance of the artwork, with periodically required maintenance by the County, according to instructions provided by the Artist. The County shall give written notice to the Artist of any breach of this warranty during the five (5) year period. The Artist shall, at no cost to the County, cure reasonably and promptly the breach of warranty by means of repair, restoration, refurbishing, re-creation, or replacing the artwork.

28. REPAIRS AND RESTORATION: The County reserves the right to determine when and if repairs and restorations to the artwork will be made after final acceptance. Repairs and restorations to the artwork occurring five (5) years after the County's final acceptance of the artwork will be the responsibility and at the expense of the County.

29. SEVERABILITY: If any term, covenant, condition or provision of this Agreement (or the application thereof to any circumstance or person) shall be declared invalid or unenforceable to any extent by a court of competent jurisdiction, the remaining terms, covenants, conditions and provisions of this Agreement, shall not be affected thereby; and each remaining term, covenant, condition and provision of this Agreement shall be valid and shall be enforceable to the fullest extent permitted by law unless the enforcement of the remaining terms, covenants, conditions and provisions of this Agreement would prevent the accomplishment of the original intent of this Agreement. The County and Contractor agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision.

30. ATTORNEY FEES AND COSTS: The County and Artist agree that, in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees and court costs as an award against the non-prevailing party, and shall include attorney's fees and courts costs in appellate proceedings.

31. BINDING EFFECT: The terms, covenants, conditions, and provisions of this Agreement shall bind and inure to the benefit of the County and Artist and their respective legal representatives, successors, and assigns.

32. ADJUDICATION OF DISPUTES OR DISAGREEMENTS: The County and Artist agree that all disputes and disagreements shall attempt to be resolved by meet and confer sessions between representatives of each of the parties. If the issue or issues are still not resolved to the satisfaction of the parties, then any party shall have the right to seek such relief or remedy as may be provided by this Agreement or by Florida law. This Agreement is not subject to arbitration. This provision does not negate or waive the provisions of Paragraphs 13 and 14 of this Agreement concerning termination.

33. COOPERATION: In the event any administrative or legal proceeding is instituted against either party relating to the formation, execution, performance, or breach of this Agreement, the County and Artist agree to participate, to the extent required by the other party, in all proceedings, hearings, processes, meetings, and other activities related to the substance of this Agreement or provision of the services under this Agreement. The County and Artist specifically agree that no party to this Agreement shall be required to enter into any arbitration proceedings related to this Agreement.

34. CODE OF ETHICS: The County agrees that officers and employees of the County recognize and will be required to comply with the standards of conduct for public officers and employees as delineated in Section 112.313, Florida Statutes, regarding, but not limited to, solicitation or acceptance of gifts; doing business with one's agency; unauthorized compensation; misuse of public position; conflicting employment or contractual relationship; and disclosure or use of certain information.

35. NO SOLICITATION/PAYMENT: The County and Artist warrant that, in respect to itself, it has neither employed nor retained any company or person, other than a bona fide employee working solely for it, to solicit or secure this Agreement and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for it, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of the provision, the Artist agrees that the County shall have the right to terminate this Agreement without liability and, at its discretion, to offset from monies owed, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

36. NON-WAIVER OF IMMUNITY: Notwithstanding the provisions of Section 768.28, Florida Statutes, the participation of the Artist and the County in this Agreement and the acquisition of any commercial liability insurance coverage, self-insurance coverage, or local government liability insurance pool coverage shall not be deemed a waiver of immunity to the extent of liability coverage, nor shall any contract entered into by the County be required to contain any provision for waiver.

37. ATTESTATIONS: The Artist agrees to execute such documents as the County may reasonably require, to include but not limited to, a Public Entity Crime Statement, an Ethics Statement, and a Drug-Free Workplace Statement, attached hereto as **Exhibit "C"** and made a part hereof.

38. NO PERSONAL LIABILITY: No covenant or agreement contained herein shall be deemed to be a covenant or agreement of any member, officer, agent or employee of Monroe County in his or her individual capacity, and no member, officer, agent or employee of Monroe County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

39. SECTION HEADINGS: Section headings have been inserted in this Agreement as a matter of convenience for reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provision of this Agreement.

40. AGREEMENTS WITH SUBCONTRACTORS: In the event that the Artist subcontracts any or all of the work in this Project to any third party, the Artist specifically agrees to identify the County as an additional insured on all insurance policies required by the County. In addition, the Artist specifically agrees that all agreements or contracts of any nature with his subcontractors shall include the County as an additional insured.

41. E-VERIFY SYSTEM: Beginning January 1, 2021, in accordance with Section 448.095, Florida Statutes, as may be amended from time to time, if applicable, the Artist and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Artist during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Artist shall comply with and be subject to the provisions of Section 448.095, Florida Statutes. Pursuant to Section 448.095, Florida Statutes:

> 1. A public agency, Bidder, or subcontractor who has a good faith belief that a person or an entity with which it is contracting has knowingly violated Subsection 448.09(1), Florida Statutes shall terminate the contract with the person or entity.
> 2. A public agency that has a good faith belief that a subcontractor knowingly violated this subsection, but the Bidder otherwise complied with this subsection, shall promptly notify the Bidder and order the Bidder to immediately terminate the contract with the subcontractor.
> 3. A contract terminated under this paragraph is not a breach of contract and may not be considered as such. If a public agency terminates a contract with a Bidder under this paragraph, the Bidder may not be awarded a public contract for at least 1 year after the date on which the contract was terminated. A Bidder is liable for any additional costs incurred by a public agency as a result of the termination of a contract."

42. CONSTRUCTION OF AGREEMENT: This Agreement shall not be construed more strictly against one party than against another merely by virtual of the fact that it may have been prepared by one of the parties, it being acknowledged that both the Artist and the County have substantially and materially contributed to the preparation thereof.

43. AFFIDAVIT OF NO LIENS: The Artist and the County certify that there are no liens against the artwork to be created pursuant to this Agreement and designed by the Artist, nor will there be at the completion of this Project. The titles assigned to the works at the time of acceptance thereof by the County shall be specifically identified and incorporated into this Agreement by an Amendment to this Paragraph and executed by the Artist and the County.

44. ENUMERATION OF CONTRACT DOCUMENTS: The Contract Documents, except for Modifications or Amendments issued after execution of this Agreement, are enumerated as the Request for Proposals, the Addenda, if any, the Artist Application, the Artist design, models, and specifications of the artwork and budget, the Artist's insurance, and this Agreement executed between the Artist and Owner, along with all executed Monroe County applicable forms.

45. FURTHER ASSURANCES: The parties shall promptly execute all documents reasonably required and take such other steps in addition to the execution of this Agreement to effectuate the intent and purpose of this Agreement.

46. EXECUTION IN COUNTERPARTS: This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original, but all of which when taken together will constitute the Agreement. If any signature is delivered by email delivery of a ".pdf" format data file, such signature will create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if the ".pdf" signature was an original signature. The Contractor transmitting an electronic signature will provide the inked original to the County, at the County's request.

COUNTY FORMS AFFIDAVIT

I, Fran Decker of the City of Key West according to law on my oath, and under penalty of perjury, depose and say that:

I am Fran Decker of the firm of sole proprietor ("CONTRACTOR/CONSULTANT"), the bidder making the Proposal for the project described in the Request for Proposals for Art in Public Places - Supervisor of Elections and that I executed the said proposal with full authority to do so.

By signing this Affidavit, CONTRACTOR/CONSULTANT has sworn or affirmed to the following requirements as set forth in the **Public Entity Crime Statement**, **Lobbying and Conflict of Interest Statement**, **Drug-Free Workplace Statement**, **Vendor Certification Regarding Scrutinized Companies List, Non-Collusion Statement, Foreign Countries of Concern, and Common Carrier** as set forth below.

Public Entity Crime Statement

A person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid, proposal, or reply on contracts to provide any goods or services to a public entity, may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids, proposals, or replies on leases of real property to public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

The CONTRACTOR/CONSULTANT certifies and agrees that CONTRACTOR/CONSULTANT nor any Affiliate has been placed on the convicted vendor list within the last 36 months.

Ethics Clause

By signing this Affidavit, the CONTRACTOR/CONSULTANT warrants that he/it has not employed, retained or otherwise had act on his/her behalf any former County officer or employee in violation of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of Ordinance No. 010-1990. For breach or violation of this provision the County may, in its discretion, terminate this Agreement without liability and may also, in its discretion, deduct from the Agreement or purchase price, or otherwise recover, the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

Drug-Free Workplace

In accordance with the Florida Statutes, Section 287.087, preference shall be given to businesses with drug-free workplace programs. Whenever two or more bids or replies that are equal with respect to price, quality and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Established procedures for processing the bids will be followed if none of the tied vendors have a drug-free workplace program.

CONTRACTOR/CONSULTANT in accordance with Florida Statute 287.087 hereby certifies that CONTRACTOR/CONSULTANT shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business' policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 (Florida Statutes) or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, or any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

The person authorized to sign this Affidavit certifies that CONTRACTOR/CONSULTANT complies fully with the above requirements.

Vendor Certification Regarding Scrutinized Companies Lists

CONTRACTOR/CONSULTANT agrees and certifies compliance with the following:

Section 287.135, Florida Statutes prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of any amount if, at the time of contracting or renewal, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes, or is engaged in a Boycott of Israel. Section 287.135, Florida Statutes, also prohibits a company from bidding on, submitting a proposal for, or entering into or renewing a contract for goods or services of $1,000,000 or more, that are on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List which were created pursuant to Section 215.473, Florida Statutes, or is engaged in business operations in Cuba or Syria.

As the person authorized to sign on behalf of CONTRACTOR/CONSULTANT, I hereby certify that the company identified above as "CONTRACTOR/CONSULTANT" is not listed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel and for Projects of $1,000,000 or more is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, or engaged in business operations in Cuba or Syria.

I understand that pursuant to Section 287.135, Florida Statutes, the submission of a false certification may subject the company to civil penalties, attorney's fees, and/or costs. I further understand that any contract with the County may be terminated immediately, at the option of the County, if the company is found to have submitted a false certification or has been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel or placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List or been engaged in business operations in Cuba or Syria.

Vendor has reviewed Section 287.135, Florida Statutes, and in accordance with such provision of Florida law, is eligible to bid on, submit a proposal for, or enter into or renew a contract with Monroe County for goods or services.

Note: The Lists are available at the following Department of Management Services Site: http://www.dms.myflorida.com/business_operations/state_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists

Non-Collusion Affidavit

CONTRACTOR/CONSULTANT, by signing this Affidavit, according to law on my oath, and under penalty of perjury, depose and say that the person signing on behalf of the firm of CONTRACTOR/CONSULTANT, the bidder making the Proposal for the project described in the Scope of Work, and that I executed the said proposal with full authority to do so; the prices in this bid have been arrived at independently without collusion, consultation, communication or agreement for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor; unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder and will not knowingly be disclosed by the bidder prior to bid opening, directly or indirectly, to any other bidder or to any competitor; and no attempt has been made or will be made by the bidder to induce any other person, partnership or corporation to submit, or not to submit, a bid for the purpose of restricting competition.

Foreign Countries of Concern

The Contracting with Entities of Foreign Countries of Concern Prohibited Affidavit Form ("Form") is required by Section 287.138, Florida Statutes, which is deemed as being expressly incorporated into this Form. The Affidavit must be completed by a person authorized to make this attestation on behalf of the Bidder/Proposer for the purpose of submitting a bid, proposal, quote, or other response, or otherwise entering into a contract with the County. If being awarded the Contract, or otherwise entering into the Contract, would grant Contractor access to an individual's personal identifying information, pursuant to Section 287.138, Florida Statutes, the undersigned, on behalf of Contractor, hereby certifies, represents, and warrants that the Contractor is not affiliated with a foreign country of concern, as such countries are identified in Subsection 287.138(1), Florida Statutes. The undersigned additionally certifies, represents, and warrants that: (A) Contractor is not owned by a foreign country of concern; (B) the government of a foreign country of concern does not have a controlling interest in Contractor; and (C) Contractor is not organized under the laws of nor has its principal place of business in a foreign country of concern.

Common Carrier

If Contractor is a common carrier, as defined by Section 908.111, Florida Statutes, then Contractor hereby certifies that it is not willfully providing and will not willfully provide any service during the Contract term in furtherance of transporting a person into this state knowing that the person is an Unauthorized Alien, except to facilitate the detention, removal, or departure of the person from this state or the United States.

THE STATEMENTS CONTAINED IN THIS AFFIDAVIT ARE TRUE AND CORRECT, AND MADE WITH FULL KNOWLEDGE THAT MONROE COUNTY RELIES UPON THE TRUTH OF THE STATEMENTS CONTAINED IN THIS AFFIDAVIT IN AWARDING CONTRACTS FOR SAID PROJECT.

UNDER PENALTIES OF PERJURY, I HEREBY CERTIFY AND DECLARE THAT I HAVE READ AND UNDERSTAND THE FOREGOING AFFIDAVIT. PURSUANT TO THE AUTHORITY GRANTED TO THE UNDERSIGNED BY CONTRACTOR, THE UNDERSIGNED HEREBY ACKNOWLEDGES, AFFIRMS, AND MAKES THE ABOVE SWORN CERTIFICATIONS ON BEHALF OF CONTRACTOR.

As a non-governmental entity executing, renewing, or extending a contract with a government entity, Vendor is required to provide an affidavit under penalty of perjury attesting that Vendor does not use coercion for labor or services in accordance with Section 787.06, Florida Statutes.

As defined in Subsection 787.06(2)(a), coercion means:

1. Using or threatening to use physical force against any person;
2. Restraining, isolating, or confining or threating to restrain, isolate, or confine any person without lawful authority and against her or his will;
3. Using lending or other credit methods to establish a debt by any person when labor or services are pledged as a security for the debt, if the value of the labor or services as reasonably assessed is not applied toward the liquidation of the debt, the length and nature of the labor or service are not respectively limited and defined;
4. Destroying, concealing, removing, confiscating, withholding, or possessing any actual or purported passport, visa, or other immigration document, or any other actual or purported government identification document, of any person;
5. Causing or threatening to cause financial harm to any person;
6. Enticing or luring any person by fraud or deceit; or
7. Providing a controlled substance as outlined in Schedule I or Schedule II of Section 893.03 to any person for the purpose of exploitation of that person.

As a person authorized to sign on behalf of Vendor, I certify under penalties of perjury that Vendor does not use coercion for labor or services in accordance with Section 787.06. Additionally, Vendor has reviewed Section 787.06, Florida Statutes, and agrees to abide by same.

Terms and Conditions

1. PTE hereby awards a cost reimbursable subaward, (as determined by 2 CFR 200.331), to Subrecipient. The Statement of Work and budget for this Subaward are as shown in Attachment 5. In its performance of Subaward work, Subrecipient shall be an independent entity and not an employee or agent of PTE.

2. Subrecipient shall submit invoices not more often than monthly and not less frequently than quarterly for allowable costs incurred. Upon the receipt of proper invoices, the PTE agrees to process payments in accordance with this Subaward and 2 CFR 200.305. All invoices shall be submitted using Subrecipient's standard invoice, but at a minimum shall include current and cumulative costs (including cost sharing), breakdown by major cost category, Subaward number, and certification, as required in 2 CFR 200.415(a). Invoices that do not reference PTE Subaward number shall be returned to Subrecipient. Invoices and questions concerning invoice receipt or payments shall be directed to the party's Administrative Contact, shown in Attachment 3A.

3. A final statement of cumulative costs incurred, including cost sharing, marked "FINAL" must be submitted to PTE's Administrative Contact, as shown in Attachment 3A, not later than 60 days after the final Budget Period end date. The final statement of costs shall constitute Subrecipient's final financial report.

4. All payments shall be considered provisional and are subject to adjustment within the total estimated cost in the event such adjustment is necessary as a result of an adverse audit finding against the Subrecipient.

5. Matters concerning the technical performance of this Subaward shall be directed to the appropriate party's Principal Investigator as shown in Attachments 3A and 3B. Technical reports are required as shown in Attachment 4.

6. Matters concerning the request or negotiation of any changes in the terms, conditions, or amounts cited in this Subaward, and any changes requiring prior approval, shall be directed to the PTE's Authorized Official Contact and the Subrecipient's Authorized Official Contact shown in Attachments 3A and 3B. Any such change made to this Subaward requires the written approval of each party's Authorized Official as shown in Attachments 3A and 3B.

7. The PTE may issue non-substantive changes to the Budget Period(s) and Budget Unilaterally. Unilateral modification shall be considered valid 14 days after receipt unless otherwise indicated by Subrecipient when sent to Subrecipient's Authorized Official Contact, as shown in Attachment 3B.

8. Each party shall be responsible for its negligent acts or omissions and the negligent acts or omissions of its employees, officers, or directors, to the extent allowed by law.

9. Either party may terminate this Subaward with 30 days written notice. Notwithstanding, if the Awarding Agency terminates the Federal Award, PTE will terminate in accordance with Awarding Agency requirements. PTE notice shall be directed to the Authorized Official Contact, and Subrecipient notice shall be directed to the Authorized Official Contact as shown in Attachments 3A and 3B. PTE shall pay Subrecipient for termination costs as allowable under Uniform Guidance, 2 CFR 200, or 45 CFR Part 75 Appendix IX, as applicable

10. By signing this Subaward, including the attachments hereto which are hereby incorporated by reference, Subrecipient certifies that it will perform the Statement of Work in accordance with the terms and conditions of this Subaward and the applicable terms of the Federal Award, including the appropriate Research Terms and Conditions ("RTCs") of the Federal Awarding Agency, as referenced in Attachment 2. The parties further agree that they intend this subaward to comply with all applicable laws, regulations, and requirements.

Certifications and Assurances

Subaward Number: 4

Certification Regarding Lobbying (2 CFR 200.450)
By signing this Subaward, the Subrecipient Authorized Official certifies, to the best of his/her knowledge and belief, that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement in accordance with 2 CFR 200.450.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or intending to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit Standard Form -LLL, "Disclosure Form to Report Lobbying," to the PTE.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Debarment, Suspension, and Other Responsibility Matters (2 CFR 200.214 and 2 CFR 180)
By signing this Subaward, the Subrecipient Authorized Official certifies, to the best of his/her knowledge and belief that neither the Subrecipient nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency, in accordance with 2 CFR 200.213 and 2 CFR 180.

Audit and Access to Records
Subrecipient certifies that it will provide PTE with notice of any adverse findings which impact this Subaward. Subrecipient certifies compliance with applicable provisions of 2 CFR 200.501-200.521. If Subrecipient is not required to have a Single Audit as defined by 200.501, Awarding Agency requirements, or the Single Audit Act, then Subrecipient will provide notice of the completion of any required audits and will provide access to such audits upon request. Subrecipient will provide access to records as required by parts 2 CFR 200.337 and 200.338 as applicable.

Program for Enhancement of Contractor Employee Protections (41 U.S.C 4712)
Subrecipient is hereby notified that they are required to: inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the program; inform their employees in writing of employee whistleblower protections under 41 U.S.C §4712 in the predominant native language of the workforce; and include such requirements in any agreement made with a subcontractor or subgrantee.

The Subrecipient shall require that the language of the certifications above in this Attachment 1 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Use of Name
Neither party shall use the other party's name, trademarks, or other logos in any publicity, advertising, or news release without the prior written approval of an authorized representative of that party. The parties agree that each party may use factual information regarding the existence and purpose of the relationship that is the subject of this Subaward for legitimate business purposes, to satisfy any reporting and funding obligations, or as required by applicable law or regulation without written permission from the other party. In any such statement, the relationship of the parties shall be accurately and appropriately described.

Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment
Pursuant to 2 CFR 200.216, Subrecipient will not obligate or expend funds received under this Subaward to: (1) procure or obtain; (2) extend or renew a contract to procure or obtain; or (3) enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services (as described in Public Law 115-232, section 889) as a substantial or essential component of any system, or as a critical technology as part of any system.

Indemnification.
To the extent provided by law, the [Subrecipient Entity/UM] shall indemnify, defend, and hold harmless the Monroe County and the State of Florida, Department of Environmental Protection, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of [ENTITY/UM], or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by [Subrecipient ENTITY/UM] hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes.
The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by [Subrecipient ENTITY/UM] to indemnify Monroe County for the negligent acts or omissions of Monroe County, its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by [Subrecipient ENTITY/UM] to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement. The Subrecipient shall comply with the indemnification provisions under the DEP Grant Agreement, as set forth in Paragraph 18, Indemnification.

Insurance Requirements.
The Subrecipient Entity/UM shall comply with the insurance requirements as set forth in Attachment 2 (Paragraph 8. Insurance.) to the Grant Agreement. The Department and Monroe County shall be named as additional insured on the Certificate of Insurance.

MAINTENANCE OF RECORDS
Subrecipient Entity/UM shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained for a period of seven years from the termination of this agreement or for a period of three years from the submission of the final expenditure report as per 2 CFR §200.334, whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for seven years following the termination of this Agreement. If an auditor employed by the COUNTY or Clerk determines that monies paid to subrecipient Entity/UM pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the subrecipient Entity/UM, the subrecipient Entity/UM shall repay the monies together with interest calculated pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the COUNTY.

The Subrecipient Entity/UM shall comply with provisions and may be required to submit forms and documentation as required and as outlined in the Grant Agreement and Attachments including but not limited to the provisions as set forth in Attachment 4- Public Records Requirements, Paragraph 22. Statutory Notices Relating to Unauthorized Employment and subcontract, and as set forth below:

1. Public Entity Crime Provisions
2. Discriminatory Vendors Provisions
3. Antitrust Violator Vendors Provisions
4. Scrutinized Companies Provisions
   A. For Contracts of any amount, if the County determines that the Subrecipient Entity/UM has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Subrecipient Entity/UM written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.
   B. For Contracts of $1,000,000 or more, if the County determines that the Subrecipient Entity/UM submitted a false certification under Section 287.135(5), Florida Statutes, or if the Subrecipient Entity/UM has been placed on the Scrutinized Companies with Activities in the Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sector List, or been engaged in business operations in Cuba or Syria, the County shall have the option of (1) terminating the Agreement after it has given the Subrecipient Entity/UM written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

E-Verify System - Beginning January 1, 2021, in accordance with F.S. 448.095, the Subrecipient Entity and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095

Ethics Clause. In accordance with Section 5 (b) Monroe County Ordinance No. 010-1990 the following ethics clause; Subrecipient Entity warrants that he/it had not employed, retained or otherwise had act on his/its behalf any former County officer or employee subject to the

prohibition of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of *Ordinance No. 020-1990*. For breach or violation of this provision the County may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

Subrecipient shall report any financial conflict of interest to PTE's Administrative Representative or COI contact, as designated on Attachment 3A. Any financial conflicts of interest identified shall, when applicable, subsequently be reported to Federal Awarding Agency. Such report shall be made before expenditure of funds authorized in this Subaward and within 45 days of any subsequently identified COI.

The SUBRECIPIENT ENTITY/UM and its subcontractors must follow the provisions, as applicable, as set forth in 2 C.F.R. §200.326 Contract provisions and Appendix II to 2 C.F.R. Part 200, as amended, including but not limited to:

Davis-Bacon Act, as amended (40 U.S.C. §§3141-3148). When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the COUNTY must place a current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors, in contracts for construction or repair work above $2,000 in situations where the Davis-Bacon also applies, must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the federal agency may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the COUNTY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph 29 C.F.R. § 5.5(b)(1) the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 29 C.F.R. § 5.5 (b)(1), in the sum of

$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph29 C.F.R. § 5.5 (b)(1).

(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph29 C.F.R. § 5.5 (b)(2).

(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 29 C.F.R. § 5.5 (b)(1) through (4) and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs 29 C.F.R. § 5.5 (1) through (4).

Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Subrecipient Entity/UM agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act, as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA/Federal Agency and the appropriate Regional Office of the Environmental Protection Agency (EPA). The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000. The Subrecipient Entity/UM agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA/Federal agency. The Subrecipient Entity/UM agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to FEMA/Federal Agency and the appropriate EPA Regional Office.

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award under a "covered transaction" (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR Part 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension" and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Nonprocurement Debarment and suspension) SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. Subrecipient Entity/UM is required to verify that none of the contractor's principals (defined at 2 C.F.R. §180.935) or its affiliates (defined at 2 C.F.R. §180.905) are excluded (defined at 2 C.F.R. §180.940) or disqualified (defined at 2 C.F.R. §180.935). the contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Bidders or Proposers agree to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The Bidder or Proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency. If award exceeds $100,00, the attached certification must be signed and submitted by the contractor to the COUNTY.)

Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.323. SUBRECIPIENT ENTITY/UM must comply with section 6002 of the Solid Waste Disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition,

where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
1. Competitively within a timeframe providing for compliance with the contract performance schedule;
2. Meeting contract performance requirements; or
3. At a reasonable price.
Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program.
The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Prohibition on certain telecommunications and video surveillance services or equipment as set forth in 2 CFR § 200.216. Recipients and subrecipients and their contractors and subcontractors may not obligate or expend any federal funds to **(1)** Procure or obtain; **(2)** Extend or renew a contract to procure or obtain; or **(3)** Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Domestic preference for procurements as set forth in 2 CFR §200.322 The COUNTY and SUBRECIPIENT ENTITY/UM should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). These requirements of this section must be included in all subawards including contracts and purchase orders for work or products under federal award. For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Other Federal Requirements:

Americans with Disabilities Act of 1990, as amended (ADA) – The SUBRECIPIENT ENTITY/UM will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the SUBRECIPIENT ENTITY/UM pursuant thereto.

Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the COUNTY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with COUNTY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The COUNTY and its SUBRECIPIENT ENTITY/UM agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The COUNTY and the SUBRECIPIENT ENTITY/UM and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.
2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the SUBRECIPIENT ENTITY/UM, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the SUBRECIPIENT ENTITY/UM shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.

b. Affirmative steps must include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the

Minority Business Development Agency of the Department of Commerce.

(6) Requiring the Prime contractor, if subcontractor are to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

The Subrecipient Entity/UM shall utilize the U.S. Department of Homeland Security's **E-Verify system** to verify the employment eligibility of all new employees hired by the Subrecipient Entity/UM during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

Energy Efficiency- SUBRECIPIENT ENTITY/UM will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422) and with all mandatory standards and policies relating to energy efficiency and the provisions of the state Energy Conservation Plan adopted pursuant thereto.

NONDISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY

Subrecipient ENTITY/UM and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. SUBRECIPIENT ENTITY/UM and COUNTY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disabilities; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

During the performance of this Agreement, the SUBRECIPIENT ENTITY/UM, in accordance with *Equal Employment Opportunity* (30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II, ¶ C, agrees as follows:

1) The Subrecipient Entity/UM will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Subrecipient Entity/UM will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Subrecipient Entity/UM agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Subrecipient Entity/UM will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient Entity/UM, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Subrecipient Entity/UM will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Subrecipient Entity/UM's legal duty to furnish information.

4) The Subrecipient Entity/UM will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the Subrecipient Entity/UM's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Subrecipient Entity/UM will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Subrecipient Entity/UM will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Subrecipient Entity/UM's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the Subrecipient Entity/UM may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Subrecipient Entity/UM will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Subrecipient Entity/UM will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance; provided, however, that in the event a Subrecipient Entity/UM becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Subrecipient Entity/UM may request the United States to enter into such litigation to protect the interests of the United States.

UNIVERSITY OF MIAMI

ATTACHMENT 5
SUBCONTRACTOR STATEMENT OF WORK AND REPORTING REQUIREMENTS

I. **PROJECT TITLE: Infrastructure expansion at the University of Miami:** Monroe County Coral Resilience Project

II. **PROJECT LOCATION(S):** University of Miami Facilities at Virginia Key - Lat/Long (25.733870, -80.159474)

III. **SCOPE OF WORK**

The goal of this project is to expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total).

Task 3: Infrastructure expansion at the University of Miami

Task 3 will expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. When not in use for rescue corals, UM will utilize these tanks for routine (non-emergency) propagation pipelines with the understanding that they must be available for rescue corals at short notice, as needed. In these situations, the use of these tanks will be approved/authorized in writing by DEP throughout the duration of the Project.
UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house

will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total). Initially, fifteen (15) propagation tanks will be built out in an existing expansion area and fifteen (15) propagation tanks in the new shade house. However, as the facility continues to expand, we will eventually consolidate all thirty disturbance response tanks into the new shade house that will be dedicated for this use.

Each 115-gal tank is approx. 8'x3'x1' in dimensions, with a growable area of ~25 sq. ft. (750 sq. ft. in total). Each 5-tank array is connected to a 185-gallon sump connected to a 3 hp heater/chiller unit, and each sump incorporates an internal protein skimmer. Pumps continually circulate water through each 5-tank array and temperatures are maintained to within 1oF. Volume of each 5-tank system totals ~760 gallons, including plumbing, tanks, and sump. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami.

Seawater will be replaced in each system on a weekly basis (~200 gal/week per 5-tank array, approx. 20%). Seawater is sourced locally from Bear Cut, passes through settlement tanks, sand filters, and a UV sterilizer and will be ozonated and degassed prior to being used as replacement water in coral tanks. The recirculation loop on each 5-tank system will also include an in-line UV unit to ensure continued sterilization on an ongoing basis.

Task 3.1: Purchase and Install First 15 Tanks and Associated Life Support

Description: Three arrays of 5 tanks each (15 tanks total) will be installed in an expansion area in our existing shade house. Installation and buildout will be completed by UM staff, assisted by the same sub-contractor (Full Spectrum Aquaculture) who installed the existing tank arrays in the shade house. Once construction is completed, tanks are allowed to condition for two weeks to allow residues/PVC glues to dissipate, and to test temperature control and water quality. After this period, corals are introduced to the tanks, where they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems for non-emergency use must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in the buildout (provided quarterly).

b) Quarterly Project Management Report documenting the progress of installation and milestones completed to date. Report shall include 1-3 photos documenting the progress of installation. Report may be provided as part of the Exhibit A Progress Report.

c) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems and signage/logos detailed above.

d) Social Media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.2: Site Preparation, Construction of Shade house, and Installation of Second 15 Tanks and Associated Life Support

Description: UM will undertake site preparations and installation of a new shade house at an expansion site adjacent to UM/Experimental Hatchery. This shade house will accommodate the second set of three

5-tank arrays. Site preparation, electrical/plumbing hookups, and shade house installation will all be undertaken by contractors/suppliers/vendors. Installation and buildout of tanks and life support will be completed by UM staff assisted by the same contractor (Full Spectrum Aquaculture) who installed all existing tank arrays. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami. Once raceways become operational, they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) Map of site and planned construction area/designs.
b) Copies of any permits for construction and buildout, if any required
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly)
d) Quarterly Project Management Report documenting the progress of construction and milestones completed to date including site prep, plumbing, system buildout, shade house construction, and electrical. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
e) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems including signage/logos detailed above.
f) Social media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.3: System Operations and Maintenance

Description: UM will incorporate the newly constructed DEP Coral Response Seawater Systems into the operations and maintenance of its existing coral facility to ensure life support for corals and associated organisms. Current protocols at the University of Miami's facility include the following:

Husbandry Protocols

- Husbandry lists are completed daily with such activities as feeding, health examinations, water parameter monitoring, equipment checks, maintenance, isolation and treatment of new arrivals as well as various other essential tasks logged in a database. Open-up, daily and close-up activities are conducted, logged, and initialed to establish a record and degree of accountability.
- All equipment is inspected upon arrival, and when leaving the facility at the end of the day. All aquarium systems are monitored 24/7/365 via temperature sensors. Should the temperature rise or fall outside of the designated range for that system, alerts are sent out via email and text message to a list of accountable staff members responsible for responding to, assessing, and addressing the alerts accordingly.
- Aquariums and raceways are cleaned on a weekly basis. Native invertebrates such as snails, hermit crabs, and sea urchins are also used to aid in the reduction of nuisance algae growth. The platforms and plugs/tiles that coral fragments and colonies are held on are cleaned twice weekly to remove algae, filter feeding pests, and other items that accrue over time.

Routine Health Assessment

- A census of the different coral size classes is conducted daily, with any additional asexual fragmentation conducted and added to a running inventory list. A full inventory log is conducted quarterly to confirm these quantities.

- Coral condition is monitored routinely, with practitioners performing health checks as part of the daily husbandry list. Observations include coral coloration, polyp extension (or lack of), new growth, signs of stress, and other factors. This assessment typically occurs multiple times per day by multiple staff members to ensure that all corals are inspected by multiple observers.
- In cases of mortality, a loss of life analysis is conducted. This analysis consists of a full examination of the conditions surrounding the mortality. Factors of note include: observing corals sharing the same aquarium/water system, checking husbandry logs for irregularities, testing of water parameters for anything outside of acceptable range, etc. Any mortality is logged to identify any patterns of loss and update inventory, recording the species, genotype, and tank in which it was being held, as well as any supplemental information available for that individual.

Water Quality Analyses

- Daily:
  - Alkalinity, salinity, and temperature are monitored daily for each aquarium system. Salinity and temperature are measured using electronic HANNA probes that are calibrated monthly. Alkalinity is recorded via Red Sea alkalinity test kits. Target ranges for these parameters are as follows: Alkalinity 7-9 dKH, Temperature 74-85^{o}F (adjusted seasonally), Salinity 1.024-1.027 relative specific gravity (32-36 ppt).
  - Oxidation-reduction potential (ORP) of ozonated supply water is observed at the start and end of day. The ozonation filtration system is equipped with automatic shutoff measures to safeguard against the dangers of straying above or below the required levels. After ozonation, incoming seawater passes through a carbon filter, and UV sterilizer to further ensure removal of any potentially hazardous ozone remaining in the water. Target range for ORP is 350-375 mV.

- Weekly:
  - Ammonia, nitrite, nitrate, pH, phosphate, magnesium, calcium, and alkalinity are measured and recorded weekly for each system. Aquarium-grade kits are currently used for the testing of these parameters (API Saltwater Master Test Kit, Red Sea Foundation Pro Test Kit, HANNA Digital Phosphate Colorimeter). The equipment for this water quality monitoring is scheduled to be upgraded to spectrophotometric water sampling device to be kept on-site.
  - Target ranges for these parameters are as follows: Ammonia < 0.1 ppm, Nitrite < 0.1 ppm, Nitrate 0-5 ppm, pH 8.0-8.4, Phosphate <0.1 ppm (ideal range 0-0.03 ppm), Calcium 400-450 ppm, Magnesium 1200-1400 ppm, Alkalinity 7-9 dKH.

- Monthly:
  - Water samples taken from each aquarium system are mailed out to an independent, off-site water quality laboratory (ICP Analysis). Reports consisting of the quantitative analysis of 56 different elements are received and compiled for detailed analysis of all aspects of mineral water quality. Incoming seawater and aquarium water are also routinely transported to an adjacent laboratory at the University of Miami's marine campus for analysis of bacterial content. We primarily monitor these minor parameters to assess changes in our incoming seawater supply that might affect or explain variation in the weekly parameters listed above. For this reason, we do not generally have a target range for these additional monthly parameters.

Propagation and Transfer

- Microfragmentation occurs when parent colonies and existing fragments have overgrown their substrate. Parental/genotype information is recorded on the plug of each fragment. Approximately 50-100 new fragments are produced weekly for research or outplanting purposes.
- All transfer events are communicated between participating organizations with advanced planning and coordination with a licensed veterinary technician. Any corals arriving/departing from/to other coral facilities must have an inspection prior to transport. Proper documentation consisting of species, genotype, quantity, original collection point, and destination information is provided by/to the transferring and receiving facilities.
- Any corals leaving the facility to be outplanted on nurseries or reefs require an additional veterinary inspection if they have been held on site for more than 30 days before they are permitted to leave the facility.

Deliverables: The Grantee will submit:

a) Spreadsheet containing daily, weekly, and monthly water quality data, as described above under "*Water Quality Analyses*" (provided quarterly).

b) Spreadsheet documenting "*routine health assessments*", as described above (provided quarterly)

c) Representative images (5-10) of the raceways/tanks in use. Images should clearly show the tanks are labelled/marked with the DEP logo (provided quarterly).

d) Current inventory cataloguing corals/fragments currently in holding and which tank/system they are being held in (excel spreadsheet) (provided quarterly).

e) Coordinate final site visit with the Department.

f) A final report summarizing the Project completion and operation status will include water quality results (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection). Final report will also include a summary from Task 3.1 and 3.2.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments (i.e., cost reimbursement) under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

   i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

   ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

   iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for cost reimbursement and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

   iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

   This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

   i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

   ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price

negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form.

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form, to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole

discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:
    i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may

not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.
This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during

the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the

original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22CPR01

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Coral Resilience Project. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are no extensions available for this Project.
c. Service Periods. Additional service periods are not authorized under this Agreement.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
For purposes of this Agreement, the Grantee will be considered the owner of any nonexpendable and/or nonconsumable personal property or equipment costing $5,000 or more purchased for the completion of the Project under a subcontract. Upon satisfactory completion of this Agreement, the Grantee will require its subcontractor to account for and report on all nonexpendable and/or nonconsumable personal property or equipment purchased under its subcontract in accordance with the Grantee's financial reporting and inventory control requirements. Based on the subcontractor report, the Grantee will submit Exhibit B, Property Reporting Form, to the Department with any applicable requests for reimbursement. Nonexpendable and/or nonconsumable personal property or equipment purchased for the Project by a subcontractor is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72 and/or Chapter 69I-73, F.A.C., as applicable, and should be capitalized, when appropriate, in accordance with GAAP and the Grantee's financial reporting requirements. The following terms shall apply:
a. The Grantee and/or its subcontractor(s) shall have use of the nonexpendable and/or nonconsumable personal property or equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.

b. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the nonexpendable and/or nonconsumable personal property or equipment in good operating condition.
c. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, nonexpendable and/or nonconsumable personal property or equipment purchased with state funds and held in Grantee's possession for use in a contractual arrangement with the Department.
d. The Grantee is responsible for keeping a current and accurate inventory of any nonexpendable and/or nonconsumable personal property or equipment in accordance with its financial reporting and inventory control requirements. The Department may request an annual copy of these inventory records for the life of the Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements
Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.
b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.
d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement with the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Insurance Waiver for Sub-Grantees.
Grantee may waive the insurance limits as designated in Section 8, Attachment 2 for Sub-Grantees that are State of Florida governmental entities. If the Grantee chooses to grant a waiver to a sub-grantee, the Grantee must provide such waiver to the Department. The Department shall not be liable for any injury, loss, or damage sustained or suffered by persons as a result of the waiver. This does not waive insurance requirements for Grantees.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 22CPR01

ATTACHMENT 3

I. PROJECT TITLE: Monroe County Coral Resilience Project

II. PROJECT LOCATION(S): The Project will be located in the following locations:

a. City of Layton within Monroe County – Lat/Long (24.825901, -80.814207)
b. City of Summerland Key within Monroe County – Lat/Long (24.661389, -81.454444)
c. Virginia Key within Miami-Dade County – Lat/Long (25.733870, -80.159474)

III. PROJECT BACKGROUND: Florida's Coral Reef spans over 350 miles of continuous, diverse, coral reef ecosystems and is a beautiful, national treasure that supports an incredible amount of life in addition to providing jobs, protection, and enjoyment for millions of residents and visitors.

In the summer of 2023, Florida's Coral Reef (FCR) experienced an extreme coral bleaching event, that resulted in significant mortality of several different coral species across FCR. In response, evacuation efforts and land-based holding of Endangered Species Act-listed species and stony coral tissue loss disease susceptible species proved to be necessary to preserve genetic diversity for future propagation efforts. This mass movement and temporary holding of corals from *in-situ* nurseries to *ex-situ* holding facilities identified a gap in existing infrastructure for emergency response, which slowed our ability to move and hold corals efficiently.

Coral bleaching has been occurring more frequently over the past few decades, and some level of bleaching has occurred every year since 2011. In July 2023, NOAA recorded the highest South Florida sea temperatures (35°C/95°F) since in-water measurements started in 1981. In addition, FCR has seen outbreaks of disease, most notably the outbreak of stony coral tissue loss disease in 2014 which is now endemic to the entirety of the reef and affects over 23 different stony coral species. Understanding that major disturbance events such as bleaching or disease outbreaks will continue to happen, it is important to have precautions in place to facilitate a rapid response when necessary, including the development of and maintenance of holding facilities specifically designated for emergency response.

IV. PROJECT DESCRIPTION: The Monroe County Board of County Commissioners (Grantee) will conduct the Monroe County Coral Resilience Project (Project). The overall goal of this Project is to provide infrastructure support for corals in the event that evacuation and holding is necessary. The Grantee will sub-contract Keys Marine Laboratory, Mote Marine Laboratory, and University of Miami to complete the work.

This Project fulfills the emergency assistance request of the Florida's Coral Reef Resilience Program (FCRRP) and is consistent with State of Florida Restoration Priorities for Florida's Coral Reef: 2021-2026 and Florida's Bleaching Response Plan. The outcomes of this Project will be incorporated into the disturbance response efforts which seeks to improve understanding about the scale and severity of the disturbance on Florida's Coral Reef, identify management actions to remediate impacts, restore affected resources, and ultimately propagate thermally and disease tolerant species. As such, collaboration amongst partners is encouraged when appropriate to avoid duplication of efforts and ensure alignment of needs. Coordination with other partners is recommended, as appropriate.

V. TASKS AND DELIVERABLES:

Task 1: Infrastructure Expansion and Coral Holding at Keys Marine Laboratory

Task 1 will add land-based capacity for coral (and other associated reef organisms) by providing life support for holding, propagation, and to facilitate a rapid emergency response. This work will be completed by the Keys Marine Laboratory (KML) under this Project and will include Project Management to design, plan, acquire permits as necessary, coordinate construction, and complete startup of the land-based DEP Coral Response Seawater System (Figure 1).

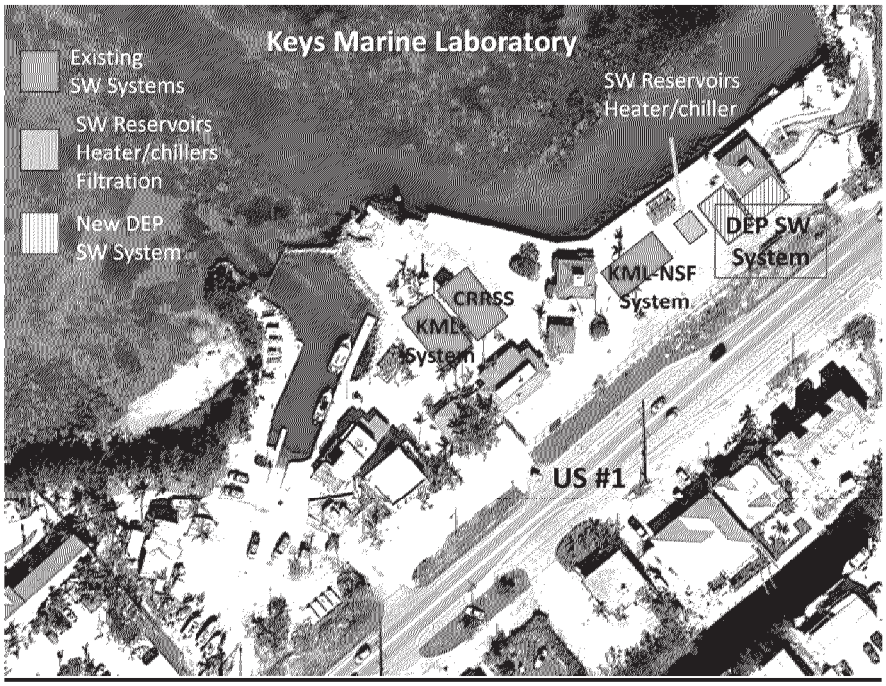

Figure 1. *Site map of Keys Marine Laboratory and location of proposed DEP seawater system.*

All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of South Florida (USF) as host institution for Florida Institute of Oceanography (FIO) (also known as Keys Marine Laboratory) (Tasks 1.1). The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Task 1 will also provide support for the operation and maintenance of sixteen (16) 240-gal seawater tables within existing KML System for coral emergency response efforts and coral restoration activities for two years (Task 1.2). Tables within KML SW systems will be maintained and operated by KML and prioritized for use by the coral restoration community with advanced notice, approval, and scheduling.

Coral restoration practitioners will follow the approval process to be determined by DEP. DEP will provide approval to KML for use of the sixteen (16) DEP-supported tables for coral response and restoration within 48-hours.

Task 1.1: Infrastructure Construction, Equipment Installation, and Build-Out of New DEP Seawater System (Keys Marine Laboratory)

Description The Grantee's subcontractor (KML) will act as Project Manager to oversee the planning, coordination, and construction of the expanded seawater system. Supplies, equipment, and other miscellaneous materials will be purchased in order to complete the expansion. All equipment, assets, supplies and other miscellaneous materials purchased for and used in the construction, installation or build-out of this system will be become the property of the University of South Florida (USF) as host institution for FIO. Contractors, suppliers, and vendors will be utilized for site preparation, electrical planning and installation, retaining wall installation to stabilize tank farm and drain fields, any necessary concrete construction, gravel for final grading and finishing, and shade structure installation. All necessary construction permits will be acquired by KML. KML staff will install life support equipment, tanks, plumbing, and miscellaneous equipment.

Seawater table capacity: Up to 5,700-gal temperature-controlled (up to 20 fiberglass tables, 240-gal or equivalent), 10gpm flow rates for system turnover every 4 hours or 6 times per day.

Coral tank farm footprint: Figure 2. Two greenhouse shade structures with 80% shade cloth (total 2,800 sq ft,, 30' x 40' and 40' x 30'), raised perimeter retaining wall to stabilize gravel over drain fields, concrete pad to support two seawater reservoirs (1700-gal each), one heater/chiller unit (5-ton to maintain temperature-controlled seawater).

Water source: Seawater will be supplied from an existing seawater well and treatment plant which has been in operation for more than ten years. Water quality has been monitored and tested regularly in accordance with Best Available Practices and Association of Zoos and Aquarium (AZA) recommendations.

Upon completion of construction, water flow will be established and KML staff will work through the required testing and monitoring to ensure the system is fully functional, water flow can be maintained, and water conditions are suitable to support corals. The process of Commissioning the System will last a minimum of eight (8) weeks and is outlined below. Proper commissioning of the system is an absolute requirement to ensure functionality and suitable conditions can be maintained.

Commissioning of the system (steps and data collection):

1. Daily water quality parameters will be monitored and collected with a YSI handheld sonde (minimum 3 weeks). This will include pH, salinity, O2, and temperature.
2. Weekly water quality parameters will be tested with aquaculture grade water quality testing kits (minimum 3 weeks). This will include ammonia, nitrite, nitrate, phosphates, copper.
3. Three (3) weeks after the system is operational, water samples will be collected at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab to test for VOCs, phosphates, sulfates, and total nitrogen.
4. Test live corals: Pending results of off-site water quality tests, live test corals will be held in the system for a minimum of two (2) weeks to ensure suitable water conditions have been met.

Upon completion of construction, the system will have a unique designation agreed upon by all parties. The new system will include signage with logos including but not limited to DEP, FCR, Monroe County and KML logos. Design of signage will be completed by KML and submitted to all partners for review and approval prior to installation.

Although not funded under this agreement, the new system will be prioritized for emergency coral rescue efforts and coral restoration activities. If future support for operations and maintenance is provided by DEP, this system will be reserved for use by DEP. If funded by DEP, use of this system will be approved/authorized in writing by DEP to KML for coral response and restoration within 48-hours of use.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Milestone Timeline with estimated period of work for KML seawater system Project construction and completion.
b) Seawater System schematic and map of design plan.
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly).
d) Copies of all acquired permits for construction and buildout.
e) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
f) Representative (5-10) photos of DEP SW system once construction is complete that shows the signage and logos detailed above.
g) Social media post with 1-2 photos and 1-3 sentences highlighting the buildout/construction of the new system. Post should acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection and partnership with Monroe County.
h) Water quality data during the commissioning of the SW system:
    i. Daily collection of pH, salinity, O2, and temperature (minimum of 3 weeks);
    ii. Weekly collection of ammonia, nitrite, nitrate, phosphates, and copper (min of 3 weeks);
    iii. One-time collection of water samples at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab for VOCs, phosphates, sulfates, and total nitrogen; and
    iv. Summary of observations and applicable in-tank water test results from the final two week 'water quality specimen holding test' which ensures water quality parameters remain consistent to reef quality and KML existing system parameters after the introduction of specimens.
i) Coordinate final site visit with the DEP.
j) Draft report language summarizing the Project completion and operation status and will include water quality results and outcomes of test corals. Note: draft report will be integrated into Final report as part of Task 1.2.

Task 1.2: Operation and Maintenance of existing KML Seawater Systems for coral emergency response and coral restoration efforts for two years (total 16 tables)

Description: The Grantee will provide funding to KML for the operation and maintenance of sixteen (16) 240-gal tables within existing temperature-controlled KML seawater systems to ensure land-based capacity and availability to support coral emergency responses and coral restoration activities e.g. coral holding, propagation, and grow-out (two 1-year periods). DEP will provide approval to KML for use of the 16 prioritized tables for coral response and restoration within 48-hours of need.

Tables funded under this Project (16) will be reserved for DEP approved usage and costs for such operation will be billed regardless of the total number of tables used in any given month over the course of the Project period. Over-flow capacity for coral emergency response and restoration using other existing KML seawater systems will be billed at posted KML rates.

An onsite emergency backup generator, serviced and maintained by KML, will ensure life support is maintained to the KML seawater systems. The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Operations and maintenance of the systems will include KML staff support for daily and routine maintenance and administration, coral husbandry position for two years (50% effort), water quality monitoring and routine sampling, utilities costs to operate the system, purchasing any necessary equipment for replacements or repairs to ensure uninterrupted operations, purchase of supplies and consumables for cleaning and biosecurity, periodic veterinary inspections and services for coral health certifications, etc.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Daily work logs that document activities performed by support staff including routine maintenance (provided quarterly).

b) Repair logs that document all repairs performed on the associated seawater systems and coral husbandry support (provided quarterly).

c) Quarterly tracking and usage spreadsheet that documents the current operations of all DEP-supported seawater tables within KML seawater systems for the reporting period. Spreadsheet will include:
   i. Approved coral restoration entity and/or Principal Investigator
   ii. Number of tables and number of days used

d) Quarterly water quality monitoring and sampling data (Excel spreadsheets):
   i. HOBO data logger – continuous water temperatures in representative seawater tables (note: HOBOs data downloaded at least monthly)
   ii. Daily Hand-held YSI data: water temp, % DO, salinity ppt, pH
   iii. Water quality test results: VOCs, phosphates, sulfates, and total nitrogen (sampled quarterly or once within each reporting period)

e) A final report summarizing the operation and maintenance of systems (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection). Final report will include the "Draft report" content from Task 1.1.

Task 2: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote)

The Grantee's subcontractor, Mote Marine Laboratory (Mote) will perform infrastructure expansion at the Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address: 24244 Overseas Highway, Summerland Key, FL 33042), a fully equipped marine science facility dedicated to marine research and education in the Lower Florida Keys (about 24 miles from Key West). Currently, this facility includes:

- Category 5 hurricane resistant concrete building with 19,000 square feet of research labs, education classrooms, offices, and dormitories, vehicles and vessels, WiFi, and convenient access to Lower Florida Keys coral reef sites.
- Approximately 40 Scientific, Education, Administrative, Facilities, and Life Support staff supporting IC2R3 - as well as coral restoration nurseries in Islamorada and Key Largo – and education/outreach locations at the History and Discovery Center in Islamorada and NOAA EcoDiscovery Center in Key West.

- Field support for visiting scientists (details on visitor support).
- Indoor and outdoor seawater systems, environmental control rooms, raceways and experimental tanks for mesocosm-level studies, including research on ocean acidification and climate change impacts to reef organisms (details on wetlab research system).
- Molecular equipment to process and prepare samples for generation sequencing, genomics, metagenomics and transcriptomics (details on microbiology and molecular biology dry labs).
- Microbial supplies for molecular and culturable applications within the marine environment.
- Carbonate chemistry laboratory for ocean acidification studies (details on chemistry dry lab and Climate and Acidification Ocean Simulator).
- Eco-friendly design with solar panels, rainwater capture system, and high-efficiency heating and cooling (LEED Gold certified).

The wide variety of research and education programs conducted at Mote's IC2R3 reflect the diversity of Mote's staff and experience. Current Mote programs with ongoing research at IC2R3 include:

- Coral Reef Restoration
- Coral Reef Monitoring & Assessment
- Coral Health & Disease Research
- Ecotoxicology
- Marine & Freshwater Aquaculture Research
- Ocean Acidification Research

Scientists at IC2R3 study coral reef communities' response to climate change impacts such as rising ocean temperatures and ocean acidification; investigate major coral disease outbreaks and the overall microbiome of microscopic life forms that can help or harm coral reefs; optimize coral reef restoration efforts with grazers studies and research on threatened and vulnerable species; assess the genetic diversity of native coral species, including the potential for genotypes (genetic varieties) with natural resilience to stressors, and more.

Task 2.1: Supply Acquisition and Build-Out for New Land-Based Raceways

Description: The supplies and miscellaneous/other items requested for this emergency coral infrastructure expansion will complement all the above-mentioned coral research and restoration resources and scientific expertise at Mote by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. This Project will increase coral disturbance holding capacity to maintain basic life support needs, including separate/independent pumps, plumbing, electrical, and alarms required for appropriate coral health to maintain water treatment, flow, filtration, chemistry, temperature, and structure/shade-cloth for managing varying light needs for corals requiring temporary storage during emergency scenarios, such as in-situ water temperature and chemistry stress events, bleaching, disease, and storms. Funding will be used to support the purchase of all supplies and miscellaneous/other needed for buildout. The installation and buildout will be completed by Mote staff (not funded under this agreement). Once raceways become operational, they will continue to be maintained by existing trained/experienced Mote staff. Raceways will be marked with DEP, FCR, and Mote logos and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of this agreement and in coordination with the DEP after agreement termination.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in construction.
b) Photos of area at IC2R3 before buildout of the 20-raceway matrix and associated life support systems.
c) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
d) Photos of area at IC2R3 after buildout that show all 20-raceways and associated life support systems. Photos should show the DEP, FCR, and Mote logos being displayed on the new systems.
e) Coordinate final site visit with DEP.
f) Press Releases and/or Social Media posts after construction completion the 20-raceway matrix that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 2.2: Mobile "Live Hauler" Equipment Purchase and Build-Out

Description: An approximately 1,200-gallon, 30 ft "live hauler" trailer will be purchased with independent mobile ability, towed via an existing Mote pickup truck 5th-wheel, with full coral life support systems (condensed mobile version to raceway matrix above – i.e. generator power, mobile filtration and heat pump, and divided spaces for biosecurity). This "live hauler" trailer will be used to transport corals from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Additional supplies/equipment needed for the build-out and outfitting of the "live hauler" trailer will not be funded under this agreement. The initial fabrication of the trailer will be done by Oceans Design and any final installation and buildout will be completed by Mote staff (not funded under this agreement). Additionally, the "live hauler" will also be marked with DEP, FCR and Mote logos on the exterior (unless otherwise noted by DEP) and will be prioritized for emergency coral rescue.

Deliverables: The Grantee will submit:
a) Purchase of the equipment ("live hauler" trailer) as evidenced by: Purchase order(s), vendor invoice(s), and pictures of equipment purchased. Completed Property Reporting Form, DEP 55-211 (Exhibit B) with invoice copy.
b) Photos of "live hauler".
c) Press Releases and/or Social Media posts after construction completion the "live-hauler" that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3: Infrastructure expansion at the University of Miami

Task 3 will expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. When not in use for rescue corals, UM will utilize these tanks for routine (non-emergency) propagation pipelines with the understanding that they must be available for rescue corals at short notice, as needed. In these situations, the use of these tanks will be approved/authorized in writing by DEP throughout the duration of the Project.

UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house

will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total). Initially, fifteen (15) propagation tanks will be built out in an existing expansion area and fifteen (15) propagation tanks in the new shade house. However, as the facility continues to expand, we will eventually consolidate all thirty disturbance response tanks into the new shade house that will be dedicated for this use.

Each 115-gal tank is approx. 8'x3'x1' in dimensions, with a growable area of ~25 sq. ft. (750 sq. ft. in total). Each 5-tank array is connected to a 185-gallon sump connected to a 3 hp heater/chiller unit, and each sump incorporates an internal protein skimmer. Pumps continually circulate water through each 5-tank array and temperatures are maintained to within 1oF. Volume of each 5-tank system totals ~760 gallons, including plumbing, tanks, and sump. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami.

Seawater will be replaced in each system on a weekly basis (~200 gal/week per 5-tank array, approx. 20%). Seawater is sourced locally from Bear Cut, passes through settlement tanks, sand filters, and a UV sterilizer and will be ozonated and degassed prior to being used as replacement water in coral tanks. The recirculation loop on each 5-tank system will also include an in-line UV unit to ensure continued sterilization on an ongoing basis.

Task 3.1: Purchase and Install First 15 Tanks and Associated Life Support

Description: Three arrays of 5 tanks each (15 tanks total) will be installed in an expansion area in our existing shade house. Installation and buildout will be completed by UM staff, assisted by the same sub-contractor (Full Spectrum Aquaculture) who installed the existing tank arrays in the shade house. Once construction is completed, tanks are allowed to condition for two weeks to allow residues/PVC glues to dissipate, and to test temperature control and water quality. After this period, corals are introduced to the tanks, where they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems for non-emergency use must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in the buildout (provided quarterly).

b) Quarterly Project Management Report documenting the progress of installation and milestones completed to date. Report shall include 1-3 photos documenting the progress of installation. Report may be provided as part of the Exhibit A Progress Report.

c) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems and signage/logos detailed above.

d) Social Media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.2: Site Preparation, Construction of Shade house, and Installation of Second 15 Tanks and Associated Life Support

Description: UM will undertake site preparations and installation of a new shade house at an expansion site adjacent to UM/Experimental Hatchery. This shade house will accommodate the second set of three

5-tank arrays. Site preparation, electrical/plumbing hookups, and shade house installation will all be undertaken by contractors/suppliers/vendors. Installation and buildout of tanks and life support will be completed by UM staff assisted by the same contractor (Full Spectrum Aquaculture) who installed all existing tank arrays. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami. Once raceways become operational, they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) Map of site and planned construction area/designs.
b) Copies of any permits for construction and buildout, if any required
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly)
d) Quarterly Project Management Report documenting the progress of construction and milestones completed to date including site prep, plumbing, system buildout, shade house construction, and electrical. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
e) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems including signage/logos detailed above.
f) Social media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.3: System Operations and Maintenance

Description: UM will incorporate the newly constructed DEP Coral Response Seawater Systems into the operations and maintenance of its existing coral facility to ensure life support for corals and associated organisms. Current protocols at the University of Miami's facility include the following:

Husbandry Protocols

- Husbandry lists are completed daily with such activities as feeding, health examinations, water parameter monitoring, equipment checks, maintenance, isolation and treatment of new arrivals as well as various other essential tasks logged in a database. Open-up, daily and close-up activities are conducted, logged, and initialed to establish a record and degree of accountability.
- All equipment is inspected upon arrival, and when leaving the facility at the end of the day. All aquarium systems are monitored 24/7/365 via temperature sensors. Should the temperature rise or fall outside of the designated range for that system, alerts are sent out via email and text message to a list of accountable staff members responsible for responding to, assessing, and addressing the alerts accordingly.
- Aquariums and raceways are cleaned on a weekly basis. Native invertebrates such as snails, hermit crabs, and sea urchins are also used to aid in the reduction of nuisance algae growth. The platforms and plugs/tiles that coral fragments and colonies are held on are cleaned twice weekly to remove algae, filter feeding pests, and other items that accrue over time.

Routine Health Assessment

- A census of the different coral size classes is conducted daily, with any additional asexual fragmentation conducted and added to a running inventory list. A full inventory log is conducted quarterly to confirm these quantities.

- Coral condition is monitored routinely, with practitioners performing health checks as part of the daily husbandry list. Observations include coral coloration, polyp extension (or lack of), new growth, signs of stress, and other factors. This assessment typically occurs multiple times per day by multiple staff members to ensure that all corals are inspected by multiple observers.
- In cases of mortality, a loss of life analysis is conducted. This analysis consists of a full examination of the conditions surrounding the mortality. Factors of note include: observing corals sharing the same aquarium/water system, checking husbandry logs for irregularities, testing of water parameters for anything outside of acceptable range, etc. Any mortality is logged to identify any patterns of loss and update inventory, recording the species, genotype, and tank in which it was being held, as well as any supplemental information available for that individual.

Water Quality Analyses

- Daily:
  - Alkalinity, salinity, and temperature are monitored daily for each aquarium system. Salinity and temperature are measured using electronic HANNA probes that are calibrated monthly. Alkalinity is recorded via Red Sea alkalinity test kits. Target ranges for these parameters are as follows: Alkalinity 7-9 dKH, Temperature 74-85°F (adjusted seasonally), Salinity 1.024-1.027 relative specific gravity (32-36 ppt).
  - Oxidation-reduction potential (ORP) of ozonated supply water is observed at the start and end of day. The ozonation filtration system is equipped with automatic shutoff measures to safeguard against the dangers of straying above or below the required levels. After ozonation, incoming seawater passes through a carbon filter, and UV sterilizer to further ensure removal of any potentially hazardous ozone remaining in the water. Target range for ORP is 350-375 mV.

- Weekly:
  - Ammonia, nitrite, nitrate, pH, phosphate, magnesium, calcium, and alkalinity are measured and recorded weekly for each system. Aquarium-grade kits are currently used for the testing of these parameters (API Saltwater Master Test Kit, Red Sea Foundation Pro Test Kit, HANNA Digital Phosphate Colorimeter). The equipment for this water quality monitoring is scheduled to be upgraded to spectrophotometric water sampling device to be kept on-site.
  - Target ranges for these parameters are as follows: Ammonia < 0.1 ppm, Nitrite < 0.1 ppm, Nitrate 0-5 ppm, pH 8.0-8.4, Phosphate <0.1 ppm (ideal range 0-0.03 ppm), Calcium 400-450 ppm, Magnesium 1200-1400 ppm, Alkalinity 7-9 dKH.

- Monthly:
  - Water samples taken from each aquarium system are mailed out to an independent, off-site water quality laboratory (ICP Analysis). Reports consisting of the quantitative analysis of 56 different elements are received and compiled for detailed analysis of all aspects of mineral water quality. Incoming seawater and aquarium water are also routinely transported to an adjacent laboratory at the University of Miami's marine campus for analysis of bacterial content. We primarily monitor these minor parameters to assess changes in our incoming seawater supply that might affect or explain variation in the weekly parameters listed above. For this reason, we do not generally have a target range for these additional monthly parameters.

Propagation and Transfer

- Microfragmentation occurs when parent colonies and existing fragments have overgrown their substrate. Parental/genotype information is recorded on the plug of each fragment. Approximately 50-100 new fragments are produced weekly for research or outplanting purposes.
- All transfer events are communicated between participating organizations with advanced planning and coordination with a licensed veterinary technician. Any corals arriving/departing from/to other coral facilities must have an inspection prior to transport. Proper documentation consisting of species, genotype, quantity, original collection point, and destination information is provided by/to the transferring and receiving facilities.
- Any corals leaving the facility to be outplanted on nurseries or reefs require an additional veterinary inspection if they have been held on site for more than 30 days before they are permitted to leave the facility.

Deliverables: The Grantee will submit:

a) Spreadsheet containing daily, weekly, and monthly water quality data, as described above under "*Water Quality Analyses*" (provided quarterly).
b) Spreadsheet documenting "*routine health assessments*", as described above (provided quarterly)
c) Representative images (5-10) of the raceways/tanks in use. Images should clearly show the tanks are labelled/marked with the DEP logo (provided quarterly).
d) Current inventory cataloguing corals/fragments currently in holding and which tank/system they are being held in (excel spreadsheet) (provided quarterly).
e) Coordinate final site visit with the Department.
f) A final report summarizing the Project completion and operation status will include water quality results (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection). Final report will also include a summary from Task 3.1 and 3.2.

VI. PERFORMANCE MEAUSURES: The Grantee will submit all deliverables electronically for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline below. The Department's Grant Manager will review the task deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single sub-task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single sub-task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single sub-task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided in writing. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

VII. CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding

Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. If the Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

VIII. PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the approved Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Begin Date. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

IX. STATUS REPORTS: Quarterly status reports are due no later than forty-five (45) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30, and December 31. The final quarterly status report is due no later than August 15, 2026.

X. PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement)* to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard

ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
   i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

All funds from SLFRF must be obligated by December 31, 2024 and expended by December 31, 2026.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project

workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;

ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;

iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;

iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and

v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

Standard Form LLL (Rev. 7-97)

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a followup report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitation for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

    (b) Enter the full names of the individual(s) performing services, and include full address if different from 10 (a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB Control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503.

Federal Awarding Agency: Other [Type in Agency]

Pass-Through Entity (PTE):	**Subrecipient:**
Monroe County Board of County Commissioners	Mote Marine Laboratory, Inc.
PTE PI: Andrew Roltsch	Sub PI: Kevin Claridge
PTE Federal Award No: SLFRP0125	Subaward No: 1

Project Title: Infrastructure Expansion and Emergency Coral Transport Capability

Subaward Budget Period: Start: 05/01/2024 End: 12/31/2025	Amount Funded This Action (USD): $ 522,000.00
Estimated Period of Performance: Start: 05/01/2024 End: 12/31/2025	Incrementally Estimated Total (USD): $ 522,000.00

Terms and Conditions

1. PTE hereby awards a cost reimbursable subaward, (as determined by 2 CFR 200.331), to Subrecipient. The Statement of Work and budget for this Subaward are as shown in Attachment 5. In its performance of Subaward work, Subrecipient shall be an independent entity and not an employee or agent of PTE.

2. Subrecipient shall submit invoices not more often than monthly and not less frequently than quarterly for allowable costs incurred. Upon the receipt of proper invoices, the PTE agrees to process payments in accordance with this Subaward and 2 CFR 200.305. All invoices shall be submitted using Subrecipient's standard invoice, but at a minimum shall include current and cumulative costs (including cost sharing), breakdown by major cost category, Subaward number, and certification, as required in 2 CFR 200.415(a). Invoices that do not reference PTE Subaward number shall be returned to Subrecipient. Invoices and questions concerning invoice receipt or payments shall be directed to the party's Administrative Contact, shown in Attachment 3A.

3. A final statement of cumulative costs incurred, including cost sharing, marked "FINAL" must be submitted to PTE's Administrative Contact, as shown in Attachment 3A, not later than 60 days after the final Budget Period end date. The final statement of costs shall constitute Subrecipient's final financial report.

4. All payments shall be considered provisional and are subject to adjustment within the total estimated cost in the event such adjustment is necessary as a result of an adverse audit finding against the Subrecipient.

5. Matters concerning the technical performance of this Subaward shall be directed to the appropriate party's Principal Investigator as shown in Attachments 3A and 3B. Technical reports are required as shown in Attachment 4.

6. Matters concerning the request or negotiation of any changes in the terms, conditions, or amounts cited in this Subaward, and any changes requiring prior approval, shall be directed to the PTE's Authorized Official Contact and the Subrecipient's Authorized Official Contact shown in Attachments 3A and 3B. Any such change made to this Subaward requires the written approval of each party's Authorized Official as shown in Attachments 3A and 3B.

7. The PTE may issue non-substantive changes to the Budget Period(s) and Budget Unilaterally. Unilateral modification shall be considered valid 14 days after receipt unless otherwise indicated by Subrecipient when sent to Subrecipient's Authorized Official Contact, as shown in Attachment 3B.

8. Each party shall be responsible for its negligent acts or omissions and the negligent acts or omissions of its employees, officers, or directors, to the extent allowed by law.

9. Either party may terminate this Subaward with 30 days written notice. Notwithstanding, if the Awarding Agency terminates the Federal Award, PTE will terminate in accordance with Awarding Agency requirements. PTE notice shall be directed to the Authorized Official Contact, and Subrecipient notice shall be directed to the Authorized Official Contact as shown in Attachments 3A and 3B. PTE shall pay Subrecipient for termination costs as allowable under Uniform Guidance, 2 CFR 200, or 45 CFR Part 75 Appendix IX, as applicable

10. By signing this Subaward, including the attachments hereto which are hereby incorporated by reference, Subrecipient certifies that it will perform the Statement of Work in accordance with the terms and conditions of this Subaward and the applicable terms of the Federal Award, including the appropriate Research Terms and Conditions ("RTCs") of the Federal Awarding Agency, as referenced in Attachment 2. The parties further agree that they intend this subaward to comply with all applicable laws, regulations, and requirements.

Attachment 1
Certifications and Assurances

Subaward Number: 1

Certification Regarding Lobbying (2 CFR 200.450)
By signing this Subaward, the Subrecipient Authorized Official certifies, to the best of his/her knowledge and belief, that no Federal appropriated funds have been paid or will be paid, by or on behalf of the Subrecipient, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement in accordance with 2 CFR 200.450.

If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or intending to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the Subrecipient shall complete and submit Standard Form -LLL, "Disclosure Form to Report Lobbying," to the PTE.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Debarment, Suspension, and Other Responsibility Matters (2 CFR 200.214 and 2 CFR 180)
By signing this Subaward, the Subrecipient Authorized Official certifies, to the best of his/her knowledge and belief that neither the Subrecipient nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by any federal department or agency, in accordance with 2 CFR 200.213 and 2 CFR 180.

Audit and Access to Records
Subrecipient certifies that it will provide PTE with notice of any adverse findings which impact this Subaward. Subrecipient certifies compliance with applicable provisions of 2 CFR 200.501-200.521. If Subrecipient is not required to have a Single Audit as defined by 200.501, Awarding Agency requirements, or the Single Audit Act, then Subrecipient will provide notice of the completion of any required audits and will provide access to such audits upon request. Subrecipient will provide access to records as required by parts 2 CFR 200.337 and 200.338 as applicable.

Program for Enhancement of Contractor Employee Protections (41 U.S.C 4712)
Subrecipient is hereby notified that they are required to: inform their employees working on any federal award that they are subject to the whistleblower rights and remedies of the program; inform their employees in writing of employee whistleblower protections under 41 U.S.C §4712 in the predominant native language of the workforce; and include such requirements in any agreement made with a subcontractor or subgrantee.

The Subrecipient shall require that the language of the certifications above in this Attachment 1 be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Use of Name
Neither party shall use the other party's name, trademarks, or other logos in any publicity, advertising, or news release without the prior written approval of an authorized representative of that party. The parties agree that each party may use factual information regarding the existence and purpose of the relationship that is the subject of this Subaward for legitimate business purposes, to satisfy any reporting and funding obligations, or as required by applicable law or regulation without written permission from the other party. In any such statement, the relationship of the parties shall be accurately and appropriately described.

Prohibition on Certain Telecommunication and Video Surveillance Services or Equipment
Pursuant to 2 CFR 200.216, Subrecipient will not obligate or expend funds received under this Subaward to: (1) procure or obtain; (2) extend or renew a contract to procure or obtain; or (3) enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services (as described in Public Law 115-232, section 889) as a substantial or essential component of any system, or as a critical technology as part of any system.

Indemnification.
To the extent provided by law, the [Subrecipient Entity/Mote Marine] shall indemnify, defend, and hold harmless the Monroe County and the State of Florida, Department of Environmental Protection, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of [ENTITY/Mote Marine], or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by [Subrecipient ENTITY/Mote Marine] hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by [Subrecipient ENTITY/Mote Marine] to indemnify Monroe County for the negligent acts or omissions of Monroe County, its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by [Subrecipient ENTITY/Mote Marine] to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement. The Subrecipient shall comply with the indemnification provisions under the DEP Grant Agreement, as set forth in Paragraph 18, Indemnification.

Insurance Requirements.
The Subrecipient Entity/Mote Marine shall comply with the insurance requirements as set forth in Attachment 2 (Paragraph 8. Insurance.) to the Grant Agreement. The Department and Monroe County shall be named as additional insured on the Certificate of Insurance.

MAINTENANCE OF RECORDS
Subrecipient Entity/Mote Marine shall maintain all books, records, and documents directly pertinent to performance under this Agreement in accordance with generally accepted accounting principles consistently applied. Records shall be retained for a period of seven years from the termination of this agreement or for a period of three years from the submission of the final expenditure report as per 2 CFR §200.333, whichever is greater. Each party to this Agreement or its authorized representatives shall have reasonable and timely access to such records of each other party to this Agreement for public records purposes during the term of the Agreement and for seven years following the termination of this Agreement. If an auditor employed by the COUNTY or Clerk determines that monies paid to subrecipient Entity/Mote Marine pursuant to this Agreement were spent for purposes not authorized by this Agreement, or were wrongfully retained by the subrecipient Entity/Mote Marine, the subrecipient Entity/Mote Marine shall repay the monies together with interest calculated pursuant to Sec. 55.03, of the Florida Statutes, running from the date the monies were paid by the COUNTY.

The Subrecipient Entity/Mote Marine shall comply with provisions and may be required to submit forms and documentation as required and as outlined in the Grant Agreement and Attachments including but not limited to the provisions as set forth in Attachment 4- Public Records Requirements, Paragraph 22. Statutory Notices Relating to Unauthorized Employment and subcontract, and as set forth below:

1. Public Entity Crime Provisions
2. Discriminatory Vendors Provisions
3. Antitrust Violator Vendors Provisions
4. Scrutinized Companies Provisions
   A. For Contracts of any amount, if the County determines that the Subrecipient Entity/Mote Marine has submitted a false certification under Section 287.135(5), Florida Statutes or has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel, the County shall have the option of (1) terminating the Agreement after it has given the Subrecipient Entity/Mote Marine written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.
   B. For Contracts of $1,000,000 or more, if the County determines that the Subrecipient Entity/Mote Marine submitted a false certification under Section 287.135(5), Florida Statutes, or if the Subrecipient Entity/Mote Marine has been placed on the Scrutinized Companies with Activities in the Sudan List, the Scrutinized Companies with Activities in the Iran Terrorism Sector List, or been engaged in business operations in Cuba or Syria, the County shall have the option of (1) terminating the Agreement after it has given the Subrecipient Entity/Mote Marine written notice and an opportunity to demonstrate the agency's determination of false certification was in error pursuant to Section 287.135(5)(a), Florida Statutes, or (2) maintaining the Agreement if the conditions of Section 287.135(4), Florida Statutes, are met.

E-Verify System - Beginning January 1, 2021, in accordance with F.S. 448.095, the Subrecipient Entity and any subcontractor shall register with and shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the Contractor during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees hired by the subcontractor during the Contract term. Any subcontractor shall provide an affidavit stating that the subcontractor does not employ, contract with, or subcontract with an unauthorized alien. The Contractor shall comply with and be subject to the provisions of F.S. 448.095

Ethics Clause. In accordance with Section 5 (b) Monroe County Ordinance No. 010-1990 the following ethics clause; Subrecipient Entity warrants that he/it had not employed, retained or otherwise had act on his/its behalf any former County officer or employee subject to the

prohibition of Section 2 of Ordinance No. 010-1990 or any County officer or employee in violation of Section 3 of *Ordinance No. 020-1990*. For breach or violation of this provision the County may, in its discretion, terminate this contract without liability and may also, in its discretion, deduct from the contract or purchase price, or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid to the former County officer or employee.

The SUBRECIPIENT ENTITY/Mote Marine and its subcontractors must follow the provisions, as applicable, as set forth in 2 C.F.R. §200.326 Contract provisions and Appendix II to 2 C.F.R. Part 200, as amended, including but not limited to:

Davis-Bacon Act, as amended (40 U.S.C. §§3141-3148). When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must comply with the Davis-Bacon Act (40 U.S.C. §§3141-3144, and §§3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. If applicable, the COUNTY must place a current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

When required by Federal program legislation, which includes emergency Management Preparedness Grant Program, Homeland Security Grant Program, Nonprofit Security Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program and Transit Security Grant Program (it does not apply to other FEMA grant and cooperative agreement programs, including the Public Assistance Program), the contractors, in contracts for construction or repair work above $2,000 in situations where the Davis-Bacon also applies, must also comply with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). As required by the Act, each contractor or subrecipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The COUNTY must report all suspected or reported violations to the Federal awarding agency.

(1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the federal agency may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

Additionally, in accordance with the regulation, each contractor and subcontractor must furnish each week a statement with respect to the wages paid each of its employees engaged in work covered by the Copeland Anti-Kickback Act and the Davis Bacon Act during the preceding weekly payroll period. The report shall be delivered by the contractor or subcontractor, within seven days after the regular payment date of the payroll period, to a representative of a Federal or State agency in charge at the site of the building or work.

Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, which includes all FEMA grant and cooperative agreement programs, all contracts awarded by the COUNTY in excess of $100,000 that involve the employment of mechanics or laborers must comply with 40 U.S.C.§§ 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. §3702 of the Act, each contractor must compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Compliance with the Contract Work Hours and Safety Standards Act.

(1) *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph 29 C.F.R. § 5.5(b)(1) the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph 29 C.F.R. § 5.5 (b)(1), in the sum of

$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph29 C.F.R. § 5.5 (b)(1).
(3) *Withholding for unpaid wages and liquidated damages.* The Federal agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph29 C.F.R. § 5.5 (b)(2).
(4) *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph 29 C.F.R. § 5.5 (b)(1) through (4) and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs 29 C.F.R. § 5.5 (1) through (4).

Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387). Subrecipient Entity/Mote Marine agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended (42 U.S.C. §§7401-7671q) and the Federal Water Pollution Control Act, as amended (33 U.S.C. §§1251-1387) and will report violations to FEMA/Federal Agency and the appropriate Regional Office of the Environmental Protection Agency (EPA).
The Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—applies to Contracts and subgrants of amounts in excess of $150,000. The Subrecipient Entity/Mote Marine agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA/Federal agency. The Subrecipient Entity/Mote Marine agrees to report each violation to the COUNTY and understands and agrees that the COUNTY will, in turn, report each violation as required to assure notification to FEMA/Federal Agency and the appropriate EPA Regional Office.

Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award under a "covered transaction" (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR Part 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension" and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (Nonprocurement Debarment and suspension) SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. SAM exclusions can be accessed at www.sam.gov. Subrecipient Entity/Mote Marine is required to verify that none of the contractor's principals (defined at 2 C.F.R. §180.935) or its affiliates (defined at 2 C.F.R. §180.905) are excluded (defined at 2 C.F.R. §180.940) or disqualified (defined at 2 C.F.R. §180.935). the contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by the COUNTY. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the COUNTY, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. Bidders or Proposers agree to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The Bidder or Proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352)—Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency. If award exceeds $100,00, the attached certification must be signed and submitted by the contractor to the COUNTY.)

Compliance with Procurement of recovered materials as set forth in 2 CFR § 200.323. SUBRECIPIENT ENTITY/Mote Marine must comply with section 6002 of the Solid Waste Disposal Act, as amended, by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition,

where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired—
1. Competitively within a timeframe providing for compliance with the contract performance schedule;
2. Meeting contract performance requirements; or
3. At a reasonable price.
Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program.
The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

Prohibition on certain telecommunications and video surveillance services or equipment as set forth in 2 CFR § 200.216. Recipients and subrecipients and their contractors and subcontractors may not obligate or expend any federal funds to **(1)** Procure or obtain; **(2)** Extend or renew a contract to procure or obtain; or **(3)** Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities).

(i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities).

(ii) Telecommunications or video surveillance services provided by such entities or using such equipment.

(iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country.

Domestic preference for procurements as set forth in 2 CFR §200.322 The COUNTY and SUBRECIPIENT ENTITY/Mote Marine greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). These requirements of this section must be included in all subawards including contracts and purchase orders for work or products under federal award. For purposes of this section:

(1) "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. (2) "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

Other Federal Requirements:

Americans with Disabilities Act of 1990, as amended (ADA) – The SUBRECIPIENT ENTITY/Mote Marine will comply with all the requirements as imposed by the ADA, the regulations of the Federal government issued thereunder, and the assurance by the SUBRECIPIENT ENTITY/Mote Marine pursuant thereto.

Disadvantaged Business Enterprise (DBE) Policy and Obligation - It is the policy of the COUNTY that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with COUNTY funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement. The COUNTY and its SUBRECIPIENT ENTITY/Mote Marine agree to ensure that DBE's have the opportunity
to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with 2 C.F.R. § 200.321(as set forth in detail below), applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The COUNTY and the SUBRECIPIENT ENTITY/Mote Marine and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.
2 C.F.R. § 200.321 CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the SUBRECIPIENT ENTITY/Mote Marine, with the funds authorized by this Agreement, seeks to subcontract goods or services, then, in accordance with 2 C.F.R. §200.321, the SUBRECIPIENT ENTITY/Mote Marine shall take the following affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible.
b. Affirmative steps must include:

(1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
(2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
(3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
(4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;
(5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the

Minority Business Development Agency of the Department of Commerce.

(6) Requiring the Prime contractor, if subcontractor are to be let, to take the affirmative steps listed in paragraph (1) through (5) of this section.

The Subrecipient Entity/Mote Marine shall utilize the U.S. Department of Homeland Security's **E-Verify system** to verify the employment eligibility of all new employees hired by the Subrecipient Entity/Mote Marine during the term of the Contract and shall expressly require any subcontractors performing work or providing services pursuant to the Contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term.

Energy Efficiency- SUBRECIPIENT ENTITY/Mote Marine will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422) and with all mandatory standards and policies relating to energy efficiency and the provisions of the state Energy Conservation Plan adopted pursuant thereto.

NONDISCRIMINATION/EQUAL EMPLOYMENT OPPORTUNITY

Subrecipient ENTITY/Mote Marine and COUNTY agree that there will be no discrimination against any person, and it is expressly understood that upon a determination by a court of competent jurisdiction that discrimination has occurred, this Agreement automatically terminates without any further action on the part of any party, effective the date of the court order. SUBRECIPIENT ENTITY/Mote Marine and COUNTY agrees to comply with all Federal and Florida statutes, and all local ordinances, as applicable, relating to nondiscrimination. These include but are not limited to: 1) Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination on the basis of race, color or national origin; 2) Title IX of the Education Amendment of 1972, as amended (20 USC ss. 1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; 3) Section 504 of the Rehabilitation Act of 1973, as amended (20 USC s. 794), which prohibits discrimination on the basis of disabilities; 4) The Age Discrimination Act of 1975, as amended (42 USC ss. 6101-6107) which prohibits discrimination on the basis of age; 5) The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; 6) The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; 7) The Public Health Service Act of 1912, ss. 523 and 527 (42 USC ss. 690dd-3 and 290ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; 8) Title VIII of the Civil Rights Act of 1968 (42 USC s. 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; 9) The Americans with Disabilities Act of 1990 (42 USC s. 12101 Note), as may be amended from time to time, relating to nondiscrimination on the basis of disability; 10) Monroe County Code Chapter 14, Article II, which prohibits discrimination on the basis of race, color, sex, religion, national origin, ancestry, sexual orientation, gender identity or expression, familial status or age; 11) Any other nondiscrimination provisions in any Federal or state statutes which may apply to the parties to, or the subject matter of, this Agreement.

During the performance of this Agreement, the SUBRECIPIENT ENTITY/Mote Marine, in accordance with *Equal Employment Opportunity*
(30 Fed. Reg. 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, *Amending Executive Order 11246 Relating to Equal Employment Opportunity*, and implementing regulations at 41C.F.R. Part 60 (Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor). See 2 C.F.R. Part 200, Appendix II, ¶ C, agrees as follows:

1) The Subrecipient Entity/Mote Marine will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Subrecipient Entity/Mote Marine will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Subrecipient Entity/Mote Marine agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Subrecipient Entity/Mote Marine will, in all solicitations or advertisements for employees placed by or on behalf of the Subrecipient Entity/Mote Marine, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Subrecipient Entity/Mote Marine will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Subrecipient Entity/Mote Marine's legal duty to furnish information.

4) The Subrecipient Entity/Mote Marine will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representative of the Subrecipient Entity/Mote Marine's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Subrecipient Entity/Mote Marine will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Subrecipient Entity/Mote Marine will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Subrecipient Entity/Mote Marine's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the Subrecipient Entity/Mote Marine may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Subrecipient Entity/Mote Marine will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Subrecipient Entity/Mote Marine will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for non-compliance; provided, however, that in the event a Subrecipient Entity/Mote Marine becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Subrecipient Entity/Mote Marine may request the United States to enter into such litigation to protect the interests of the United States.

Subrecipient agrees to submit the following reports (PTE contacts are identified in Attachment 3A):

Technical Reports:

☐ Monthly technical/progress reports will be submitted to the PTE's Administrative Contact within 15 days of of the end of the month.

☒ Quarterly technical/progress reports will be submitted within 30 days after the end of each project quarter to the PTE's Administrative Contact.

☐ Annual technical / progress reports will be submitted within 30 days prior to the end of each budget period to the PTE's Administrative Contact. Such report shall also include a detailed budget for the next Budget Period, updated other support for key personnel, certification of appropriate education in the conduct of human subject research of any new key personnel, and annual IRB or IACUC approval, if applicable.

☒ A Final technical/progress report will be submitted to the PTE's Administrative Contact within 45 days of the end of the Project Period or after termination of this award, whichever comes first.

☐ Technical/progress reports on the project as may be required by PTE's Administrative Contact in order for the PTE to satisfy its reporting obligations to the Federal Awarding Agency.

Prior Approvals:

Carryover:
Carryover is automatic

Other Reports:

☐ In accordance with 37 CFR 401.14, Subrecipient agrees to notify both the Federal Awarding Agency via iEdison and PTE's Administrative Contact within 60 days after Subrecipient's inventor discloses invention(s) in writing to Subrecipient's personnel responsible for patent matters. The Subrecipient will submit a final invention report using Federal Awarding Agency specific forms to the PTE's Administrative Contact within 60 days of the end of the Project Period to be included as part of the PTE's final invention report to the Federal Awarding Agency.

A negative report is required:

MONROE COUNTY
GRANT SUBCONTRACT
MOTE MARINE
LABORATORY
ATTACHMENT 5
SUBCONTRACTOR STATEMENT OF WORK AND
REPORTING REQUIREMENTS

I. **PROJECT TITLE: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote):** Monroe County Coral Resilience Project

II. **PROJECT LOCATION(S):** Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address:24244 Overseas Highway, Summerland Key, FL 33042)

III. **SCOPE OF WORK**

The goal of this project is to increase coral disturbance holding capacity to maintain basic life support needs by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. A 1,200-gallon, 30 ft "live hauler" trailer will also be purchased to transport corals from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Task 2: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote)

The Grantee's subcontractor, Mote Marine Laboratory (Mote) will perform infrastructure expansion at the Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address: 24244 Overseas Highway, Summerland Key, FL 33042), a fully equipped marine science facility dedicated to marine research and education in the Lower Florida Keys (about 24 miles from Key West). Currently, this facility includes:

- Category 5 hurricane resistant concrete building with 19,000 square feet of research labs, education classrooms, offices, and dormitories, vehicles and vessels, WiFi, and convenient access to Lower Florida Keys coral reef sites.
- Approximately 40 Scientific, Education, Administrative, Facilities, and Life Support staff supporting IC2R3 - as well as coral restoration nurseries in Islamorada and Key Largo – and education/outreach locations at the History and Discovery Center in Islamorada and NOAA EcoDiscovery Center in Key West.

- Field support for visiting scientists (details on visitor support).
- Indoor and outdoor seawater systems, environmental control rooms, raceways and experimental tanks for mesocosm-level studies, including research on ocean acidification and climate change impacts to reef organisms (details on wetlab research system).
- Molecular equipment to process and prepare samples for generation sequencing, genomics, metagenomics and transcriptomics (details on microbiology and molecular biology dry labs).
- Microbial supplies for molecular and culturable applications within the marine environment.
- Carbonate chemistry laboratory for ocean acidification studies (details on chemistry dry lab and Climate and Acidification Ocean Simulator).
- Eco-friendly design with solar panels, rainwater capture system, and high-efficiency heating and cooling (LEED Gold certified).

The wide variety of research and education programs conducted at Mote's IC2R3 reflect the diversity of Mote's staff and experience. Current Mote programs with ongoing research at IC2R3 include:

- Coral Reef Restoration
- Coral Reef Monitoring & Assessment
- Coral Health & Disease Research
- Ecotoxicology
- Marine & Freshwater Aquaculture Research
- Ocean Acidification Research

Scientists at IC2R3 study coral reef communities' response to climate change impacts such as rising ocean temperatures and ocean acidification; investigate major coral disease outbreaks and the overall microbiome of microscopic life forms that can help or harm coral reefs; optimize coral reef restoration efforts with grazers studies and research on threatened and vulnerable species; assess the genetic diversity of native coral species, including the potential for genotypes (genetic varieties) with natural resilience to stressors, and more.

Task 2.1: Supply Acquisition and Build-Out for New Land-Based Raceways

Description: The supplies and miscellaneous/other items requested for this emergency coral infrastructure expansion will complement all the above-mentioned coral research and restoration resources and scientific expertise at Mote by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. This Project will increase coral disturbance holding capacity to maintain basic life support needs, including separate/independent pumps, plumbing, electrical, and alarms required for appropriate coral health to maintain water treatment, flow, filtration, chemistry, temperature, and structure/shade-cloth for managing varying light needs for corals requiring temporary storage during emergency scenarios, such as in-situ water temperature and chemistry stress events, bleaching, disease, and storms. Funding will be used to support the purchase of all supplies and miscellaneous/other needed for buildout. The installation and buildout will be completed by Mote staff (not funded under this agreement). Once raceways become operational, they will continue to be maintained by existing trained/experienced Mote staff. Raceways will be marked with DEP, FCR, and Mote logos and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of this agreement and in coordination with the DEP after agreement termination.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in construction.
b) Photos of area at IC2R3 before buildout of the 20-raceway matrix and associated life support systems.
c) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
d) Photos of area at IC2R3 after buildout that show all 20-raceways and associated life support systems. Photos should show the DEP, FCR, and Mote logos being displayed on the new systems.
e) Coordinate final site visit with DEP.
f) Press Releases and/or Social Media posts after construction completion the 20-raceway matrix that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 2.2: Mobile "Live Hauler" Equipment Purchase and Build-Out

Description: An approximately 1,200-gallon, 30 ft "live hauler" trailer will be purchased with independent mobile ability, towed via an existing Mote pickup truck 5th-wheel, with full coral life support systems (condensed mobile version to raceway matrix above – i.e. generator power, mobile filtration and heat pump, and divided spaces for biosecurity). This "live hauler" trailer will be used to transport corals from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Additional supplies/equipment needed for the build-out and outfitting of the "live hauler" trailer will not be funded under this agreement. The initial fabrication of the trailer will be done by Oceans Design and any final installation and buildout will be completed by Mote staff (not funded under this agreement). Additionally, the "live hauler" will also be marked with DEP, FCR and Mote logos on the exterior (unless otherwise noted by DEP) and will be prioritized for emergency coral rescue.

Deliverables: The Grantee will submit:
a) Purchase of the equipment ("live hauler" trailer) as evidenced by: Purchase order(s), vendor invoice(s), and pictures of equipment purchased. Completed Property Reporting Form, DEP 55-211 (Exhibit B) with invoice copy.
b) Photos of "live hauler".
c) Press Releases and/or Social Media posts after construction completion the "live-hauler" that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments (i.e., cost reimbursement) under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for cost reimbursement and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price

negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.
b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.
c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.
d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.
e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.
b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole

discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:
    i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may

not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.

This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during

the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the

original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22CPR01

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Coral Resilience Project. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are no extensions available for this Project.
c. Service Periods. Additional service periods are not authorized under this Agreement.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
For purposes of this Agreement, the Grantee will be considered the owner of any nonexpendable and/or nonconsumable personal property or equipment costing $5,000 or more purchased for the completion of the Project under a subcontract. Upon satisfactory completion of this Agreement, the Grantee will require its subcontractor to account for and report on all nonexpendable and/or nonconsumable personal property or equipment purchased under its subcontract in accordance with the Grantee's financial reporting and inventory control requirements. Based on the subcontractor report, the Grantee will submit Exhibit B, Property Reporting Form, to the Department with any applicable requests for reimbursement. Nonexpendable and/or nonconsumable personal property or equipment purchased for the Project by a subcontractor is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72 and/or Chapter 69I-73, F.A.C., as applicable, and should be capitalized, when appropriate, in accordance with GAAP and the Grantee's financial reporting requirements. The following terms shall apply:
a. The Grantee and/or its subcontractor(s) shall have use of the nonexpendable and/or nonconsumable personal property or equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.

b. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the nonexpendable and/or nonconsumable personal property or equipment in good operating condition.
c. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, nonexpendable and/or nonconsumable personal property or equipment purchased with state funds and held in Grantee's possession for use in a contractual arrangement with the Department.
d. The Grantee is responsible for keeping a current and accurate inventory of any nonexpendable and/or nonconsumable personal property or equipment in accordance with its financial reporting and inventory control requirements. The Department may request an annual copy of these inventory records for the life of the Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements
Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.
b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.
d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement with the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

AGREEMENT NO. 22CPR01

ATTACHMENT 3

I. PROJECT TITLE: Monroe County Coral Resilience Project

II. PROJECT LOCATION(S): The Project will be located in the following locations:

a. City of Layton within Monroe County – Lat/Long (24.825901, -80.814207)
b. City of Summerland Key within Monroe County – Lat/Long (24.661389, -81.454444)
c. Virginia Key within Miami-Dade County – Lat/Long (25.733870, -80.159474)

III. PROJECT BACKGROUND: Florida's Coral Reef spans over 350 miles of continuous, diverse, coral reef ecosystems and is a beautiful, national treasure that supports an incredible amount of life in addition to providing jobs, protection, and enjoyment for millions of residents and visitors.

In the summer of 2023, Florida's Coral Reef (FCR) experienced an extreme coral bleaching event, that resulted in significant mortality of several different coral species across FCR. In response, evacuation efforts and land-based holding of Endangered Species Act-listed species and stony coral tissue loss disease susceptible species proved to be necessary to preserve genetic diversity for future propagation efforts. This mass movement and temporary holding of corals from *in-situ* nurseries to *ex-situ* holding facilities identified a gap in existing infrastructure for emergency response, which slowed our ability to move and hold corals efficiently.

Coral bleaching has been occurring more frequently over the past few decades, and some level of bleaching has occurred every year since 2011. In July 2023, NOAA recorded the highest South Florida sea temperatures (35°C/95°F) since in-water measurements started in 1981. In addition, FCR has seen outbreaks of disease, most notably the outbreak of stony coral tissue loss disease in 2014 which is now endemic to the entirety of the reef and affects over 23 different stony coral species. Understanding that major disturbance events such as bleaching or disease outbreaks will continue to happen, it is important to have precautions in place to facilitate a rapid response when necessary, including the development of and maintenance of holding facilities specifically designated for emergency response.

IV. PROJECT DESCRIPTION: The Monroe County Board of County Commissioners (Grantee) will conduct the Monroe County Coral Resilience Project (Project). The overall goal of this Project is to provide infrastructure support for corals in the event that evacuation and holding is necessary. The Grantee will sub-contract Keys Marine Laboratory, Mote Marine Laboratory, and University of Miami to complete the work.

This Project fulfills the emergency assistance request of the Florida's Coral Reef Resilience Program (FCRRP) and is consistent with State of Florida Restoration Priorities for Florida's Coral Reef: 2021-2026 and Florida's Bleaching Response Plan. The outcomes of this Project will be incorporated into the disturbance response efforts which seeks to improve understanding about the scale and severity of the disturbance on Florida's Coral Reef, identify management actions to remediate impacts, restore affected resources, and ultimately propagate thermally and disease tolerant species. As such, collaboration amongst partners is encouraged when appropriate to avoid duplication of efforts and ensure alignment of needs. Coordination with other partners is recommended, as appropriate.

V. TASKS AND DELIVERABLES:

Task 1: Infrastructure Expansion and Coral Holding at Keys Marine Laboratory

Task 1 will add land-based capacity for coral (and other associated reef organisms) by providing life support for holding, propagation, and to facilitate a rapid emergency response. This work will be completed by the Keys Marine Laboratory (KML) under this Project and will include Project Management to design, plan, acquire permits as necessary, coordinate construction, and complete startup of the land-based DEP Coral Response Seawater System (Figure 1).

Figure 1. *Site map of Keys Marine Laboratory and location of proposed DEP seawater system.*

All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of South Florida (USF) as host institution for Florida Institute of Oceanography (FIO) (also known as Keys Marine Laboratory) (Tasks 1.1). The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Task 1 will also provide support for the operation and maintenance of sixteen (16) 240-gal seawater tables within existing KML System for coral emergency response efforts and coral restoration activities for two years (Task 1.2). Tables within KML SW systems will be maintained and operated by KML and prioritized for use by the coral restoration community with advanced notice, approval, and scheduling.

Coral restoration practitioners will follow the approval process to be determined by DEP. DEP will provide approval to KML for use of the sixteen (16) DEP-supported tables for coral response and restoration within 48-hours.

Task 1.1: Infrastructure Construction, Equipment Installation, and Build-Out of New DEP Seawater System (Keys Marine Laboratory)

Description The Grantee's subcontractor (KML) will act as Project Manager to oversee the planning, coordination, and construction of the expanded seawater system. Supplies, equipment, and other miscellaneous materials will be purchased in order to complete the expansion. All equipment, assets, supplies and other miscellaneous materials purchased for and used in the construction, installation or build-out of this system will be become the property of the University of South Florida (USF) as host institution for FIO. Contractors, suppliers, and vendors will be utilized for site preparation, electrical planning and installation, retaining wall installation to stabilize tank farm and drain fields, any necessary concrete construction, gravel for final grading and finishing, and shade structure installation. All necessary construction permits will be acquired by KML. KML staff will install life support equipment, tanks, plumbing, and miscellaneous equipment.

Seawater table capacity: Up to 5,700-gal temperature-controlled (up to 20 fiberglass tables, 240-gal or equivalent), 10gpm flow rates for system turnover every 4 hours or 6 times per day.

Coral tank farm footprint: Figure 2. Two greenhouse shade structures with 80% shade cloth (total 2,800 sq ft,, 30' x 40' and 40' x 30'), raised perimeter retaining wall to stabilize gravel over drain fields, concrete pad to support two seawater reservoirs (1700-gal each), one heater/chiller unit (5-ton to maintain temperature-controlled seawater).

Water source: Seawater will be supplied from an existing seawater well and treatment plant which has been in operation for more than ten years. Water quality has been monitored and tested regularly in accordance with Best Available Practices and Association of Zoos and Aquarium (AZA) recommendations.

Upon completion of construction, water flow will be established and KML staff will work through the required testing and monitoring to ensure the system is fully functional, water flow can be maintained, and water conditions are suitable to support corals. The process of Commissioning the System will last a minimum of eight (8) weeks and is outlined below. Proper commissioning of the system is an absolute requirement to ensure functionality and suitable conditions can be maintained.

Commissioning of the system (steps and data collection):

1. Daily water quality parameters will be monitored and collected with a YSI handheld sonde (minimum 3 weeks). This will include pH, salinity, O2, and temperature.
2. Weekly water quality parameters will be tested with aquaculture grade water quality testing kits (minimum 3 weeks). This will include ammonia, nitrite, nitrate, phosphates, copper.
3. Three (3) weeks after the system is operational, water samples will be collected at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab to test for VOCs, phosphates, sulfates, and total nitrogen.
4. Test live corals: Pending results of off-site water quality tests, live test corals will be held in the system for a minimum of two (2) weeks to ensure suitable water conditions have been met.

Upon completion of construction, the system will have a unique designation agreed upon by all parties. The new system will include signage with logos including but not limited to DEP, FCR, Monroe County and KML logos. Design of signage will be completed by KML and submitted to all partners for review and approval prior to installation.

Although not funded under this agreement, the new system will be prioritized for emergency coral rescue efforts and coral restoration activities. If future support for operations and maintenance is provided by DEP, this system will be reserved for use by DEP. If funded by DEP, use of this system will be approved/authorized in writing by DEP to KML for coral response and restoration within 48-hours of use.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Milestone Timeline with estimated period of work for KML seawater system Project construction and completion.
b) Seawater System schematic and map of design plan.
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly).
d) Copies of all acquired permits for construction and buildout.
e) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
f) Representative (5-10) photos of DEP SW system once construction is complete that shows the signage and logos detailed above.
g) Social media post with 1-2 photos and 1-3 sentences highlighting the buildout/construction of the new system. Post should acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection and partnership with Monroe County.
h) Water quality data during the commissioning of the SW system:
    i. Daily collection of pH, salinity, O2, and temperature (minimum of 3 weeks);
    ii. Weekly collection of ammonia, nitrite, nitrate, phosphates, and copper (min of 3 weeks);
    iii. One-time collection of water samples at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab for VOCs, phosphates, sulfates, and total nitrogen; and
    iv. Summary of observations and applicable in-tank water test results from the final two week 'water quality specimen holding test' which ensures water quality parameters remain consistent to reef quality and KML existing system parameters after the introduction of specimens.
i) Coordinate final site visit with the DEP.
j) Draft report language summarizing the Project completion and operation status and will include water quality results and outcomes of test corals. Note: draft report will be integrated into Final report as part of Task 1.2.

Task 1.2: Operation and Maintenance of existing KML Seawater Systems for coral emergency response and coral restoration efforts for two years (total 16 tables)

Description: The Grantee will provide funding to KML for the operation and maintenance of sixteen (16) 240-gal tables within existing temperature-controlled KML seawater systems to ensure land-based capacity and availability to support coral emergency responses and coral restoration activities e.g. coral holding, propagation, and grow-out (two 1-year periods). DEP will provide approval to KML for use of the 16 prioritized tables for coral response and restoration within 48-hours of need.

Tables funded under this Project (16) will be reserved for DEP approved usage and costs for such operation will be billed regardless of the total number of tables used in any given month over the course of the Project period. Over-flow capacity for coral emergency response and restoration using other existing KML seawater systems will be billed at posted KML rates.

An onsite emergency backup generator, serviced and maintained by KML, will ensure life support is maintained to the KML seawater systems. The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Operations and maintenance of the systems will include KML staff support for daily and routine maintenance and administration, coral husbandry position for two years (50% effort), water quality monitoring and routine sampling, utilities costs to operate the system, purchasing any necessary equipment for replacements or repairs to ensure uninterrupted operations, purchase of supplies and consumables for cleaning and biosecurity, periodic veterinary inspections and services for coral health certifications, etc.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Daily work logs that document activities performed by support staff including routine maintenance (provided quarterly).

b) Repair logs that document all repairs performed on the associated seawater systems and coral husbandry support (provided quarterly).

c) Quarterly tracking and usage spreadsheet that documents the current operations of all DEP-supported seawater tables within KML seawater systems for the reporting period. Spreadsheet will include:
   i. Approved coral restoration entity and/or Principal Investigator
   ii. Number of tables and number of days used

d) Quarterly water quality monitoring and sampling data (Excel spreadsheets):
   i. HOBO data logger – continuous water temperatures in representative seawater tables (note: HOBOs data downloaded at least monthly)
   ii. Daily Hand-held YSI data: water temp, % DO, salinity ppt, pH
   iii. Water quality test results: VOCs, phosphates, sulfates, and total nitrogen (sampled quarterly or once within each reporting period)

e) A final report summarizing the operation and maintenance of systems (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection). Final report will include the "Draft report" content from Task 1.1.

Task 2: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote)

The Grantee's subcontractor, Mote Marine Laboratory (Mote) will perform infrastructure expansion at the Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address: 24244 Overseas Highway, Summerland Key, FL 33042), a fully equipped marine science facility dedicated to marine research and education in the Lower Florida Keys (about 24 miles from Key West). Currently, this facility includes:

- Category 5 hurricane resistant concrete building with 19,000 square feet of research labs, education classrooms, offices, and dormitories, vehicles and vessels, WiFi, and convenient access to Lower Florida Keys coral reef sites.
- Approximately 40 Scientific, Education, Administrative, Facilities, and Life Support staff supporting IC2R3 - as well as coral restoration nurseries in Islamorada and Key Largo – and education/outreach locations at the History and Discovery Center in Islamorada and NOAA EcoDiscovery Center in Key West.

- Field support for visiting scientists (details on visitor support).
- Indoor and outdoor seawater systems, environmental control rooms, raceways and experimental tanks for mesocosm-level studies, including research on ocean acidification and climate change impacts to reef organisms (details on wetlab research system).
- Molecular equipment to process and prepare samples for generation sequencing, genomics, metagenomics and transcriptomics (details on microbiology and molecular biology dry labs).
- Microbial supplies for molecular and culturable applications within the marine environment.
- Carbonate chemistry laboratory for ocean acidification studies (details on chemistry dry lab and Climate and Acidification Ocean Simulator).
- Eco-friendly design with solar panels, rainwater capture system, and high-efficiency heating and cooling (LEED Gold certified).

The wide variety of research and education programs conducted at Mote's IC2R3 reflect the diversity of Mote's staff and experience. Current Mote programs with ongoing research at IC2R3 include:

- Coral Reef Restoration
- Coral Reef Monitoring & Assessment
- Coral Health & Disease Research
- Ecotoxicology
- Marine & Freshwater Aquaculture Research
- Ocean Acidification Research

Scientists at IC2R3 study coral reef communities' response to climate change impacts such as rising ocean temperatures and ocean acidification; investigate major coral disease outbreaks and the overall microbiome of microscopic life forms that can help or harm coral reefs; optimize coral reef restoration efforts with grazers studies and research on threatened and vulnerable species; assess the genetic diversity of native coral species, including the potential for genotypes (genetic varieties) with natural resilience to stressors, and more.

Task 2.1: Supply Acquisition and Build-Out for New Land-Based Raceways

Description: The supplies and miscellaneous/other items requested for this emergency coral infrastructure expansion will complement all the above-mentioned coral research and restoration resources and scientific expertise at Mote by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. This Project will increase coral disturbance holding capacity to maintain basic life support needs, including separate/independent pumps, plumbing, electrical, and alarms required for appropriate coral health to maintain water treatment, flow, filtration, chemistry, temperature, and structure/shade-cloth for managing varying light needs for corals requiring temporary storage during emergency scenarios, such as in-situ water temperature and chemistry stress events, bleaching, disease, and storms. Funding will be used to support the purchase of all supplies and miscellaneous/other needed for buildout. The installation and buildout will be completed by Mote staff (not funded under this agreement). Once raceways become operational, they will continue to be maintained by existing trained/experienced Mote staff. Raceways will be marked with DEP, FCR, and Mote logos and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of this agreement and in coordination with the DEP after agreement termination.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in construction.
b) Photos of area at IC2R3 before buildout of the 20-raceway matrix and associated life support systems.
c) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
d) Photos of area at IC2R3 after buildout that show all 20-raceways and associated life support systems. Photos should show the DEP, FCR, and Mote logos being displayed on the new systems.
e) Coordinate final site visit with DEP.
f) Press Releases and/or Social Media posts after construction completion the 20-raceway matrix that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 2.2: Mobile "Live Hauler" Equipment Purchase and Build-Out

Description: An approximately 1,200-gallon, 30 ft "live hauler" trailer will be purchased with independent mobile ability, towed via an existing Mote pickup truck 5th-wheel, with full coral life support systems (condensed mobile version to raceway matrix above – i.e. generator power, mobile filtration and heat pump, and divided spaces for biosecurity). This "live hauler" trailer will be used to transport corals from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Additional supplies/equipment needed for the build-out and outfitting of the "live hauler" trailer will not be funded under this agreement. The initial fabrication of the trailer will be done by Oceans Design and any final installation and buildout will be completed by Mote staff (not funded under this agreement). Additionally, the "live hauler" will also be marked with DEP, FCR and Mote logos on the exterior (unless otherwise noted by DEP) and will be prioritized for emergency coral rescue.

Deliverables: The Grantee will submit:
a) Purchase of the equipment ("live hauler" trailer) as evidenced by: Purchase order(s), vendor invoice(s), and pictures of equipment purchased. Completed Property Reporting Form, DEP 55-211 (Exhibit B) with invoice copy.
b) Photos of "live hauler".
c) Press Releases and/or Social Media posts after construction completion the "live-hauler" that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3: Infrastructure expansion at the University of Miami

Task 3 will expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. When not in use for rescue corals, UM will utilize these tanks for routine (non-emergency) propagation pipelines with the understanding that they must be available for rescue corals at short notice, as needed. In these situations, the use of these tanks will be approved/authorized in writing by DEP throughout the duration of the Project.

UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house

will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total). Initially, fifteen (15) propagation tanks will be built out in an existing expansion area and fifteen (15) propagation tanks in the new shade house. However, as the facility continues to expand, we will eventually consolidate all thirty disturbance response tanks into the new shade house that will be dedicated for this use.

Each 115-gal tank is approx. 8'x3'x1' in dimensions, with a growable area of ~25 sq. ft. (750 sq. ft. in total). Each 5-tank array is connected to a 185-gallon sump connected to a 3 hp heater/chiller unit, and each sump incorporates an internal protein skimmer. Pumps continually circulate water through each 5-tank array and temperatures are maintained to within 1oF. Volume of each 5-tank system totals ~760 gallons, including plumbing, tanks, and sump. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami.

Seawater will be replaced in each system on a weekly basis (~200 gal/week per 5-tank array, approx. 20%). Seawater is sourced locally from Bear Cut, passes through settlement tanks, sand filters, and a UV sterilizer and will be ozonated and degassed prior to being used as replacement water in coral tanks. The recirculation loop on each 5-tank system will also include an in-line UV unit to ensure continued sterilization on an ongoing basis.

Task 3.1: Purchase and Install First 15 Tanks and Associated Life Support

Description: Three arrays of 5 tanks each (15 tanks total) will be installed in an expansion area in our existing shade house. Installation and buildout will be completed by UM staff, assisted by the same sub-contractor (Full Spectrum Aquaculture) who installed the existing tank arrays in the shade house. Once construction is completed, tanks are allowed to condition for two weeks to allow residues/PVC glues to dissipate, and to test temperature control and water quality. After this period, corals are introduced to the tanks, where they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems for non-emergency use must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in the buildout (provided quarterly).

b) Quarterly Project Management Report documenting the progress of installation and milestones completed to date. Report shall include 1-3 photos documenting the progress of installation. Report may be provided as part of the Exhibit A Progress Report.

c) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems and signage/logos detailed above.

d) Social Media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.2: Site Preparation, Construction of Shade house, and Installation of Second 15 Tanks and Associated Life Support

Description: UM will undertake site preparations and installation of a new shade house at an expansion site adjacent to UM/Experimental Hatchery. This shade house will accommodate the second set of three

5-tank arrays. Site preparation, electrical/plumbing hookups, and shade house installation will all be undertaken by contractors/suppliers/vendors. Installation and buildout of tanks and life support will be completed by UM staff assisted by the same contractor (Full Spectrum Aquaculture) who installed all existing tank arrays. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami. Once raceways become operational, they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) Map of site and planned construction area/designs.
b) Copies of any permits for construction and buildout, if any required
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly)
d) Quarterly Project Management Report documenting the progress of construction and milestones completed to date including site prep, plumbing, system buildout, shade house construction, and electrical. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
e) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems including signage/logos detailed above.
f) Social media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.3: System Operations and Maintenance

Description: UM will incorporate the newly constructed DEP Coral Response Seawater Systems into the operations and maintenance of its existing coral facility to ensure life support for corals and associated organisms. Current protocols at the University of Miami's facility include the following:

Husbandry Protocols

- Husbandry lists are completed daily with such activities as feeding, health examinations, water parameter monitoring, equipment checks, maintenance, isolation and treatment of new arrivals as well as various other essential tasks logged in a database. Open-up, daily and close-up activities are conducted, logged, and initialed to establish a record and degree of accountability.
- All equipment is inspected upon arrival, and when leaving the facility at the end of the day. All aquarium systems are monitored 24/7/365 via temperature sensors. Should the temperature rise or fall outside of the designated range for that system, alerts are sent out via email and text message to a list of accountable staff members responsible for responding to, assessing, and addressing the alerts accordingly.
- Aquariums and raceways are cleaned on a weekly basis. Native invertebrates such as snails, hermit crabs, and sea urchins are also used to aid in the reduction of nuisance algae growth. The platforms and plugs/tiles that coral fragments and colonies are held on are cleaned twice weekly to remove algae, filter feeding pests, and other items that accrue over time.

Routine Health Assessment

- A census of the different coral size classes is conducted daily, with any additional asexual fragmentation conducted and added to a running inventory list. A full inventory log is conducted quarterly to confirm these quantities.

- Coral condition is monitored routinely, with practitioners performing health checks as part of the daily husbandry list. Observations include coral coloration, polyp extension (or lack of), new growth, signs of stress, and other factors. This assessment typically occurs multiple times per day by multiple staff members to ensure that all corals are inspected by multiple observers.
- In cases of mortality, a loss of life analysis is conducted. This analysis consists of a full examination of the conditions surrounding the mortality. Factors of note include: observing corals sharing the same aquarium/water system, checking husbandry logs for irregularities, testing of water parameters for anything outside of acceptable range, etc. Any mortality is logged to identify any patterns of loss and update inventory, recording the species, genotype, and tank in which it was being held, as well as any supplemental information available for that individual.

Water Quality Analyses

- Daily:
  - Alkalinity, salinity, and temperature are monitored daily for each aquarium system. Salinity and temperature are measured using electronic HANNA probes that are calibrated monthly. Alkalinity is recorded via Red Sea alkalinity test kits. Target ranges for these parameters are as follows: Alkalinity 7-9 dKH, Temperature 74-85^{o}F (adjusted seasonally), Salinity 1.024-1.027 relative specific gravity (32-36 ppt).
  - Oxidation-reduction potential (ORP) of ozonated supply water is observed at the start and end of day. The ozonation filtration system is equipped with automatic shutoff measures to safeguard against the dangers of straying above or below the required levels. After ozonation, incoming seawater passes through a carbon filter, and UV sterilizer to further ensure removal of any potentially hazardous ozone remaining in the water. Target range for ORP is 350-375 mV.

- Weekly:
  - Ammonia, nitrite, nitrate, pH, phosphate, magnesium, calcium, and alkalinity are measured and recorded weekly for each system. Aquarium-grade kits are currently used for the testing of these parameters (API Saltwater Master Test Kit, Red Sea Foundation Pro Test Kit, HANNA Digital Phosphate Colorimeter). The equipment for this water quality monitoring is scheduled to be upgraded to spectrophotometric water sampling device to be kept on-site.
  - Target ranges for these parameters are as follows: Ammonia < 0.1 ppm, Nitrite < 0.1 ppm, Nitrate 0-5 ppm, pH 8.0-8.4, Phosphate <0.1 ppm (ideal range 0-0.03 ppm), Calcium 400-450 ppm, Magnesium 1200-1400 ppm, Alkalinity 7-9 dKH.

- Monthly:
  - Water samples taken from each aquarium system are mailed out to an independent, off-site water quality laboratory (ICP Analysis). Reports consisting of the quantitative analysis of 56 different elements are received and compiled for detailed analysis of all aspects of mineral water quality. Incoming seawater and aquarium water are also routinely transported to an adjacent laboratory at the University of Miami's marine campus for analysis of bacterial content. We primarily monitor these minor parameters to assess changes in our incoming seawater supply that might affect or explain variation in the weekly parameters listed above. For this reason, we do not generally have a target range for these additional monthly parameters.

Propagation and Transfer

- Microfragmentation occurs when parent colonies and existing fragments have overgrown their substrate. Parental/genotype information is recorded on the plug of each fragment. Approximately 50-100 new fragments are produced weekly for research or outplanting purposes.
- All transfer events are communicated between participating organizations with advanced planning and coordination with a licensed veterinary technician. Any corals arriving/departing from/to other coral facilities must have an inspection prior to transport. Proper documentation consisting of species, genotype, quantity, original collection point, and destination information is provided by/to the transferring and receiving facilities.
- Any corals leaving the facility to be outplanted on nurseries or reefs require an additional veterinary inspection if they have been held on site for more than 30 days before they are permitted to leave the facility.

Deliverables: The Grantee will submit:

a) Spreadsheet containing daily, weekly, and monthly water quality data, as described above under "*Water Quality Analyses*" (provided quarterly).

b) Spreadsheet documenting "*routine health assessments*", as described above (provided quarterly)

c) Representative images (5-10) of the raceways/tanks in use. Images should clearly show the tanks are labelled/marked with the DEP logo (provided quarterly).

d) Current inventory cataloguing corals/fragments currently in holding and which tank/system they are being held in (excel spreadsheet) (provided quarterly).

e) Coordinate final site visit with the Department.

f) A final report summarizing the Project completion and operation status will include water quality results (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection). Final report will also include a summary from Task 3.1 and 3.2.

VI. PERFORMANCE MEAUSURES: The Grantee will submit all deliverables electronically for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline below. The Department's Grant Manager will review the task deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single sub-task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single sub-task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single sub-task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided in writing. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

VII. CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding

Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. If the Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

VIII. PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the approved Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Begin Date. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

IX. STATUS REPORTS: Quarterly status reports are due no later than forty-five (45) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30, and December 31. The final quarterly status report is due no later than August 15, 2026.

X. PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
   i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

All funds from SLFRF must be obligated by December 31, 2024 and expended by December 31, 2026.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project

workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;

ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;

iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;

iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and

v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

AMENDMENT NO. 1
TO AGREEMENT NO. 22CPR01
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
MONROE COUNTY BOARD OF COUNTY COMMISSIONERS

This Amendment to Agreement No. 22CPR01 (Agreement) is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and Monroe County Board of County Commissioners, 500 Whitehead Street, Key West, Florida 33040 (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for Monroe County Coral Resilience Project effective April 19, 2024;

WHEREAS, the parties wish to amend the Agreement as set forth herein;

NOW THEREFORE, the parties agree as follows:

1) Attachment 1, Standard Terms and Conditions (Rev. 09/15/2023), is hereby deleted in its entirety and replaced with Attachment 1, Standard Terms and Conditions (Rev. 11/13/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 1 shall hereinafter refer to Attachment 1, Standard Terms and Conditions (Rev. 11/13/2024).

2) Attachment 2, Special Terms and Conditions (Rev. 08/08/2023), is hereby deleted in its entirety and replaced with Attachment 2, Special Terms and Conditions (Rev. 07/08/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 2 shall hereinafter refer to Attachment 2, Special Terms and Conditions (Rev. 07/08/2024).

3) Attachment 3, Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-A, Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3 shall hereinafter refer to Attachment 3-A, Revised Grant Work Plan.

4) Attachment 4, Public Records Requirements (Rev. 04/27/2018), is hereby deleted in its entirety and replaced with Attachment 4, Public Records Requirements (Rev. 04/08/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 4 shall hereinafter refer to Attachment 4, Public Records Requirements (Rev. 04/08/2024).

5) Attachment 5, Special Audit Requirements (Rev. 11/08/2022), is hereby deleted in its entirety and replaced with Attachment 5, Special Audit Requirements (Rev. 10/01/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 5 shall hereinafter refer to Attachment 5, Special Audit Requirements (Rev. 10/01/2024).

6) Attachment 8, Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements (Rev. 11/15/2022), is hereby deleted in its entirety and replaced with Attachment 8, Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements (Rev. 06/27/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 8 shall hereinafter refer to Attachment 8, Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements (Rev. 06/27/2024).

7) Exhibit B, Property Reporting Form (Rev. 09/11/2020), is hereby deleted in its entirety and replaced with Exhibit B, Property Reporting Form (Rev. 10/01/2024), as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Exhibit B shall hereinafter refer to Exhibit B, Property Reporting Form (Rev. 10/01/2024).

8) All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistencies may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

The parties agree to the terms and conditions of this Amendment and have duly authorized their respective representatives to sign it on the dates indicated below.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department

does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for invoice payments and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's the contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. For grants funded with federal funds, nonconsumable and/or nonexpendable personal property or equipment costing $10,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in 2 CFR 200. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-

price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For grants funded fully or in part with state funds, equipment is defined as capital outlay costing $5,000 or more. For grants funded fully with federal funds, equipment is defined as capital outlay costing $10,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form**.**

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form**,** to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform

that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.

b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.

d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.

e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.

b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.

e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant

Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first

arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:

i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Development, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.
This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where

there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized

Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:

   i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;

   ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,

   iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect,

general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.
    ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.
    iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.
b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.
c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.
d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.
e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.
f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Development at (850) 487-0915.
g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee

is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Disclosure of Gifts from Foreign Sources.

If the value of the grant under this Agreement is $100,000 or more, Grantee shall disclose to Department any current or prior interest of, any contract with, or any grant or gift received from a foreign country of concern, as defined in section 286.101, F.S., if such interest, contract, or grant or gift has a value of $50,000 or more and such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous 5 years. Such disclosure shall include the name and mailing address of the disclosing entity, the amount of the contract or grant or gift or the value of the interest disclosed, the applicable foreign country of concern and, if applicable, the date of termination of the contract or interest, the date of receipt of the grant or gift, and the name of the agent or controlled entity that is the source or interest holder. If the disclosure requirement is applicable as described above, then within 1 year before applying for any grant, Grantee must also provide a copy of such disclosure to the Department of Financial Services.

41. Food Commodities.

To the extent authorized by federal law, the Department, its grantees, contractors and subcontractors shall give preference to food commodities grown or produced in this state when purchasing food commodities, including farm products as defined in section 823.14, F.S., of any class, variety, or use thereof in their natural state or as processed by a farm operation or processor for the purpose of marketing such product.

42. Anti-human Trafficking.

If the Grantee is a nongovernmental entity, the Grantee must provide the Department with an affidavit signed by an officer or a representative of the Grantee under penalty of perjury attesting that the Grantee does not use coercion for labor or services as defined in section 787.06, F.S.

43. Iron and Steel for Public Works Projects.

If this Agreement funds a "public works project" as defined in section 255.0993, F.S., or the purchase of materials to be used in a public works project, any iron or steel permanently incorporated in the Project must be "produced in the United States," as defined in section 255.0993, F.S. This requirement does not apply if the Department determines that any of the following circumstances apply to the Project:

(1) iron or steel products produced in the United States are not produced in sufficient quantities, reasonably available, or of satisfactory quality;
(2) the use of iron or steel products produced in the United States will increase the total cost of the project by more than twenty percent (20%); or
(3) complying with this requirement is inconsistent with the public interest.

Further, this requirement does not prevent the Contractor's minimal use of foreign steel and iron materials if:

(1) such materials are incidental or ancillary to the primary product and are not separately identified in the project specifications; and
(2) the "cost" of such materials, as defined in section 255.0993, F.S., does not exceed one-tenth of one percent (1%) of the total Project Cost under this Agreement or $2,500, whichever is greater.

Electrical components, equipment, systems, and appurtenances, including supports, covers, shielding, and other appurtenances related to an electrical system that are necessary for operation or concealment (excepting transmission and distribution poles) are not considered to be iron or steel products and are, therefore, exempt from the requirements of this paragraph.

This provision shall be applied in a manner consistent with and may not be construed to impair the state's obligations under any international agreement.

44. Complete and Accurate information.

Grantee represents and warrants that all statements and information provided to DEP are current, complete, and accurate. This includes all statements and information in this Grant, as well as its Attachments and Exhibits.

45. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22CPR01

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Coral Resilience Project. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are no extensions available for this Project.
c. Service Periods. Additional service periods are not authorized under this Agreement.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
For purposes of this Agreement, the Grantee will be considered the owner of any nonexpendable and/or nonconsumable personal property or equipment costing $5,000 or more purchased for the completion of the Project under a subcontract. Upon satisfactory completion of this Agreement, the Grantee will require its subcontractor to account for and report on all nonexpendable and/or nonconsumable personal property or equipment purchased under its subcontract in accordance with the Grantee's financial reporting and inventory control requirements. Based on the subcontractor report, the Grantee will submit Exhibit B, Property Reporting Form, to the Department with any applicable requests for reimbursement. Nonexpendable and/or nonconsumable personal property or equipment purchased for the Project by a subcontractor is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72 and/or Chapter 69I-73, F.A.C., as applicable, and should be capitalized, when appropriate, in accordance with GAAP and the Grantee's financial reporting requirements. The following terms shall apply:

a. The Grantee and/or its subcontractor(s) shall have use of the nonexpendable and/or nonconsumable personal property or equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.
b. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the nonexpendable and/or nonconsumable personal property or equipment in good operating condition.
c. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, nonexpendable and/or nonconsumable personal property or equipment purchased with state funds and held in Grantee's possession for use in a contractual arrangement with the Department.
d. The Grantee is responsible for keeping a current and accurate inventory of any nonexpendable and/or nonconsumable personal property or equipment in accordance with its financial reporting and inventory control requirements. The Department may request an annual copy of these inventory records for the life of the Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements
Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.
b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.
d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement with the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any

invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Financial Assistance and Payment of Invoices to Rural Communities or Rural Areas of Opportunity
This agreement does not provide federal or state financial assistance to a county or municipality that is a rural community or rural area of opportunity as those terms are defined in s. 288.0656(2).

16. Insurance Waiver for Sub-Grantees.

Grantee may waive the insurance limits as designated in Section 8, Attachment 2 for Sub-Grantees that are State of Florida governmental entities. If the Grantee chooses to grant a waiver to a sub-grantee, the Grantee must provide such waiver to the Department. The Department shall not be liable for any injury, loss, or damage sustained or suffered by persons as a result of the waiver. This does not waive insurance requirements for Grantees.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
REVISED GRANT WORK PLAN
AGREEMENT NO. 22CPR01

ATTACHMENT 3-A

I. PROJECT TITLE: Monroe County Coral Resilience Project

II. PROJECT LOCATION(S): The Project will be located in the following locations:

a. City of Layton within Monroe County – Lat/Long (24.825901, -80.814207)
b. City of Summerland Key within Monroe County – Lat/Long (24.661389, -81.454444)
c. Virginia Key within Miami-Dade County – Lat/Long (25.733870, -80.159474)

III. PROJECT BACKGROUND: Florida's Coral Reef spans over 350 miles of continuous, diverse, coral reef ecosystems and is a beautiful, national treasure that supports an incredible amount of life in addition to providing jobs, protection, and enjoyment for millions of residents and visitors.

In the summer of 2023, Florida's Coral Reef (FCR) experienced an extreme coral bleaching event, that resulted in significant mortality of several different coral species across FCR. In response, evacuation efforts and land-based holding of Endangered Species Act-listed species and stony coral tissue loss disease susceptible species proved to be necessary to preserve genetic diversity for future propagation efforts. This mass movement and temporary holding of corals from *in-situ* nurseries to *ex-situ* holding facilities identified a gap in existing infrastructure for emergency response, which slowed our ability to move and hold corals efficiently.

Coral bleaching has been occurring more frequently over the past few decades, and some level of bleaching has occurred every year since 2011. In July 2023, NOAA recorded the highest South Florida sea temperatures (35°C/95°F) since in-water measurements started in 1981. In addition, FCR has seen outbreaks of disease, most notably the outbreak of stony coral tissue loss disease in 2014 which is now endemic to the entirety of the reef and affects over 23 different stony coral species. Understanding that major disturbance events such as bleaching or disease outbreaks will continue to happen, it is important to have precautions in place to facilitate a rapid response when necessary, including the development of and maintenance of holding facilities specifically designated for emergency response.

IV. PROJECT DESCRIPTION: The Monroe County Board of County Commissioners (Grantee) will conduct the Monroe County Coral Resilience Project (Project). The overall goal of this Project is to provide infrastructure support for corals in the event that evacuation and holding is necessary. The Grantee will sub-contract Keys Marine Laboratory, Mote Marine Laboratory, and University of Miami to complete the work.

This Project fulfills the emergency assistance request of the Florida's Coral Reef Resilience Program (FCRRP) and is consistent with State of Florida Restoration Priorities for Florida's Coral Reef: 2021-2026 and Florida's Bleaching Response Plan. The outcomes of this Project will be incorporated into the disturbance response efforts which seeks to improve understanding about the scale and severity of the disturbance on Florida's Coral Reef, identify management actions to remediate impacts, restore affected resources, and ultimately propagate thermally and disease tolerant species. As such, collaboration amongst partners is encouraged when appropriate to avoid duplication of efforts and ensure alignment of needs. Coordination with other partners is recommended, as appropriate.

Upon the Department's request, an interim and/or final site visit(s) may be coordinated.

V. TASKS AND DELIVERABLES:

Task 1: Infrastructure Expansion and Coral Holding at Keys Marine Laboratory

Task 1 will add land-based capacity for coral (and other associated reef organisms) by providing life support for holding, propagation, and to facilitate a rapid emergency response. This work will be completed by the Keys Marine Laboratory (KML) under this Project and will include Project Management to design, plan, acquire permits as necessary, coordinate construction, and complete startup of the land-based DEP Coral Response Seawater System (Figure 1).

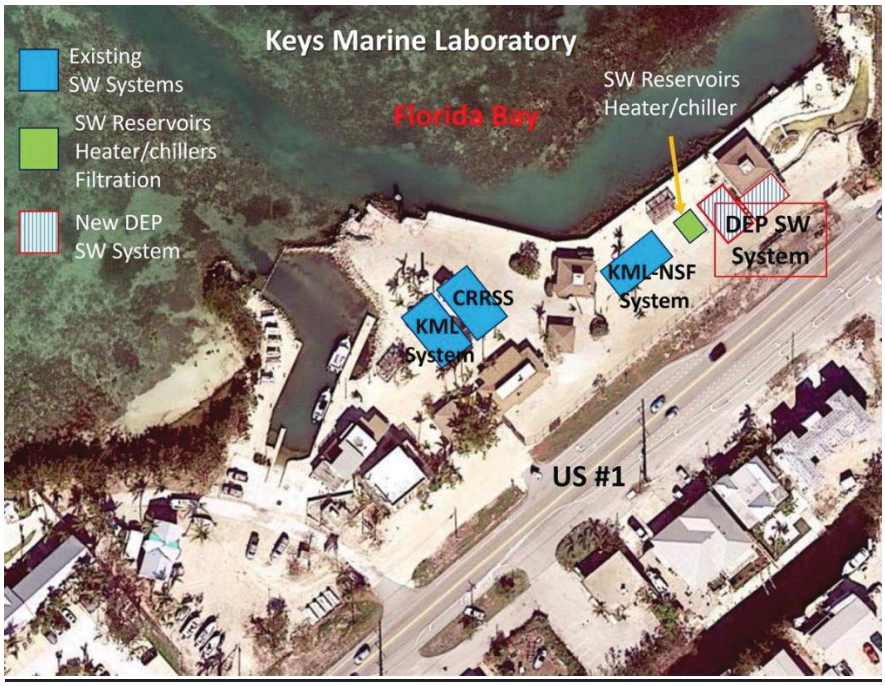

Figure 1. *Site map of Keys Marine Laboratory and location of proposed DEP seawater system.*

All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of South Florida (USF) as host institution for Florida Institute of Oceanography (FIO) (also known as Keys Marine Laboratory) (Tasks 1.1). The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Task 1 will also provide support for the operation and maintenance of sixteen (16) 240-gal seawater tables within existing KML System for coral emergency response efforts and coral restoration activities for two years (Task 1.2). Tables within KML SW systems will be maintained and operated by KML and prioritized for use by the coral restoration community with advanced notice, approval, and scheduling.

Coral restoration practitioners will follow the approval process to be determined by DEP. DEP will provide approval to KML for use of the sixteen (16) DEP-supported tables for coral response and restoration within 48-hours.

Task 1a: Infrastructure Construction, Equipment Installation, and Build-Out of New DEP Seawater System (Keys Marine Laboratory)

Description The Grantee's subcontractor (KML) will act as Project Manager to oversee the planning, coordination, and construction of the expanded seawater system. Supplies, equipment, and other miscellaneous materials will be purchased in order to complete the expansion. All equipment, assets, supplies and other miscellaneous materials purchased for and used in the construction, installation or build-out of this system will be become the property of the University of South Florida (USF) as host institution for FIO. Contractors, suppliers, and vendors will be utilized for site preparation, electrical planning and installation, retaining wall installation to stabilize tank farm and drain fields, any necessary concrete construction, gravel for final grading and finishing, and shade structure installation. All necessary construction permits will be acquired by KML. KML staff will install life support equipment, tanks, plumbing, and miscellaneous equipment.

Seawater table capacity: Up to 5,700-gal temperature-controlled (up to 20 fiberglass tables, 240-gal or equivalent), 10gpm flow rates for system turnover every 4 hours or 6 times per day.

Coral tank farm footprint: Figure 2. Two greenhouse shade structures with 80% shade cloth (total 2,800 sq ft,, 30' x 40' and 40' x 30'), raised perimeter retaining wall to stabilize gravel over drain fields, concrete pad to support two seawater reservoirs (1700-gal each), one heater/chiller unit (5-ton to maintain temperature-controlled seawater).

Water source: Seawater will be supplied from an existing seawater well and treatment plant which has been in operation for more than ten years. Water quality has been monitored and tested regularly in accordance with Best Available Practices and Association of Zoos and Aquarium (AZA) recommendations.

Upon completion of construction, water flow will be established and KML staff will work through the required testing and monitoring to ensure the system is fully functional, water flow can be maintained, and water conditions are suitable to support corals. The process of Commissioning the System will last a minimum of eight (8) weeks and is outlined below. Proper commissioning of the system is an absolute requirement to ensure functionality and suitable conditions can be maintained.

<u>Commissioning of the system (steps and data collection):</u>

1. Daily water quality parameters will be monitored and collected with a YSI handheld sonde (minimum 3 weeks). This will include pH, salinity, O2, and temperature.
2. Weekly water quality parameters will be tested with aquaculture grade water quality testing kits (minimum 3 weeks). This will include ammonia, nitrite, nitrate, phosphates, copper.
3. Three (3) weeks after the system is operational, water samples will be collected at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab to test for VOCs, phosphates, sulfates, and total nitrogen.
4. Test live corals: Pending results of off-site water quality tests, live test corals will be held in the system for a minimum of two (2) weeks to ensure suitable water conditions have been met.

Upon completion of construction, the system will have a unique designation agreed upon by all parties. The new system will include signage with logos including but not limited to DEP, FCR, Monroe County and KML logos. Design of signage will be completed by KML and submitted to all partners for review and approval prior to installation.

Although not funded under this agreement, the new system will be prioritized for emergency coral rescue efforts and coral restoration activities. If future support for operations and maintenance is provided by DEP, this system will be reserved for use by DEP. If funded by DEP, use of this system will be approved/authorized in writing by DEP to KML for coral response and restoration within 48-hours of use.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Milestone Timeline with estimated period of work for KML seawater system Project construction and completion.
b) Seawater System schematic and map of design plan.
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly).
d) Copies of all acquired permits for construction and buildout.
e) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
f) Representative (5-10) photos of DEP SW system once construction is complete that shows the signage and logos detailed above.
g) Social media post with 1-2 photos and 1-3 sentences highlighting the buildout/construction of the new system. Post should acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection and partnership with Monroe County.
h) Water quality data during the commissioning of the SW system:
    i. Daily collection of pH, salinity, O2, and temperature (minimum of 3 weeks);
    ii. Weekly collection of ammonia, nitrite, nitrate, phosphates, and copper (min of 3 weeks);
    iii. One-time collection of water samples at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab for VOCs, phosphates, sulfates, and total nitrogen; and
    iv. Summary of observations and applicable in-tank water test results from the final two week 'water quality specimen holding test' which ensures water quality parameters remain consistent to reef quality and KML existing system parameters after the introduction of specimens.
i) Draft report language summarizing the Project completion and operation status and will include water quality results and outcomes of test corals. Note: draft report will be integrated into Final report as part of Task 1.2.

Task 1b: Operation and Maintenance of existing KML Seawater Systems for coral emergency response and coral restoration efforts for two years (total 16 tables)

Description: The Grantee will provide funding to KML for the operation and maintenance of sixteen (16) 240-gal tables within existing temperature-controlled KML seawater systems to ensure land-based capacity and availability to support coral emergency responses and coral restoration activities e.g. coral holding, propagation, and grow-out (two 1-year periods). DEP will provide approval to KML for use of the 16 prioritized tables for coral response and restoration within 48-hours of need.

Tables funded under this Project (16) will be reserved for DEP approved usage and costs for such operation will be billed regardless of the total number of tables used in any given month over the course of the Project period. Over-flow capacity for coral emergency response and restoration using other existing KML seawater systems will be billed at posted KML rates.

An onsite emergency backup generator, serviced and maintained by KML, will ensure life support is maintained to the KML seawater systems. The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Operations and maintenance of the systems will include KML staff support for daily and routine maintenance and administration, coral husbandry position for two years (50% effort), water quality monitoring and routine sampling, utilities costs to operate the system, purchasing any necessary equipment for replacements or repairs to ensure uninterrupted operations, purchase of supplies and consumables for cleaning and biosecurity, periodic veterinary inspections and services for coral health certifications, etc.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Daily work logs that document activities performed by support staff including routine maintenance (provided quarterly).

b) Repair logs that document all repairs performed on the associated seawater systems and coral husbandry support (provided quarterly).

c) Quarterly tracking and usage spreadsheet that documents the current operations of all DEP-supported seawater tables within KML seawater systems for the reporting period. Spreadsheet will include:
   i. Approved coral restoration entity and/or Principal Investigator
   ii. Number of tables and number of days used

d) Quarterly water quality monitoring and sampling data (Excel spreadsheets):
   i. HOBO data logger – continuous water temperatures in representative seawater tables (note: HOBOs data downloaded at least monthly)
   ii. Daily Hand-held YSI data: water temp, % DO, salinity ppt, pH
   iii. Water quality test results: VOCs, phosphates, sulfates, and total nitrogen (sampled quarterly or once within each reporting period)

e) A final report summarizing the operation and maintenance of systems (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection). Final report will include the "Draft report" content from Task 1.1.

Task 2: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote)

The Grantee's subcontractor, Mote Marine Laboratory (Mote) will perform infrastructure expansion at the Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address: 24244 Overseas Highway, Summerland Key, FL 33042), a fully equipped marine science facility dedicated to marine research and education in the Lower Florida Keys (about 24 miles from Key West). Currently, this facility includes:

- Category 5 hurricane resistant concrete building with 19,000 square feet of research labs, education classrooms, offices, and dormitories, vehicles and vessels, WiFi, and convenient access to Lower Florida Keys coral reef sites.
- Approximately 40 Scientific, Education, Administrative, Facilities, and Life Support staff supporting IC2R3 - as well as coral restoration nurseries in Islamorada and Key Largo – and education/outreach locations at the History and Discovery Center in Islamorada and NOAA EcoDiscovery Center in Key West.

- Field support for visiting scientists (details on visitor support).
- Indoor and outdoor seawater systems, environmental control rooms, raceways and experimental tanks for mesocosm-level studies, including research on ocean acidification and climate change impacts to reef organisms (details on wetlab research system).
- Molecular equipment to process and prepare samples for generation sequencing, genomics, metagenomics and transcriptomics (details on microbiology and molecular biology dry labs).
- Microbial supplies for molecular and culturable applications within the marine environment.
- Carbonate chemistry laboratory for ocean acidification studies (details on chemistry dry lab and Climate and Acidification Ocean Simulator).
- Eco-friendly design with solar panels, rainwater capture system, and high-efficiency heating and cooling (LEED Gold certified).

The wide variety of research and education programs conducted at Mote's IC2R3 reflect the diversity of Mote's staff and experience. Current Mote programs with ongoing research at IC2R3 include:

- Coral Reef Restoration
- Coral Reef Monitoring & Assessment
- Coral Health & Disease Research
- Ecotoxicology
- Marine & Freshwater Aquaculture Research
- Ocean Acidification Research

Scientists at IC2R3 study coral reef communities' response to climate change impacts such as rising ocean temperatures and ocean acidification; investigate major coral disease outbreaks and the overall microbiome of microscopic life forms that can help or harm coral reefs; optimize coral reef restoration efforts with grazers studies and research on threatened and vulnerable species; assess the genetic diversity of native coral species, including the potential for genotypes (genetic varieties) with natural resilience to stressors, and more.

Description: The supplies and miscellaneous/other items requested for this emergency coral infrastructure expansion will complement all the above-mentioned coral research and restoration resources and scientific expertise at Mote by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. This Project will increase coral disturbance holding capacity to maintain basic life support needs, including separate/independent pumps, plumbing, electrical, and alarms required for appropriate coral health to maintain water treatment, flow, filtration, chemistry, temperature, and structure/shade-cloth for managing varying light needs for corals requiring temporary storage during emergency scenarios, such as in-situ water temperature and chemistry stress events, bleaching, disease, and storms. Funding will be used to support the purchase of all supplies and miscellaneous/other needed for buildout. The installation and buildout will be completed by Mote staff (not funded under this agreement). Once raceways become operational, they will continue to be maintained by existing trained/experienced Mote staff. Raceways will be marked with DEP, FCR, and Mote logos and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of this agreement and in coordination with the DEP after agreement termination.

An approximately 1,200-gallon, 30 ft "live hauler" trailer will be purchased with independent mobile ability, towed via an existing Mote pickup truck 5th-wheel, with full coral life support systems (condensed mobile version to raceway matrix above – i.e. generator power, mobile filtration and heat pump, and divided spaces for biosecurity). This "live hauler" trailer will be used to transport corals

from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Additional supplies/equipment needed for the build-out and outfitting of the "live hauler" trailer will not be funded under this agreement. The initial fabrication of the trailer will be done by Oceans Design and any final installation and buildout will be completed by Mote staff (not funded under this agreement). Additionally, the "live hauler" will also be marked with DEP, FCR and Mote logos on the exterior (unless otherwise noted by DEP) and will be prioritized for emergency coral rescue.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in construction.

b) Photos of area at IC2R3 before buildout of the 20-raceway matrix and associated life support systems.

c) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.

d) Photos of area at IC2R3 after buildout that show all 20-raceways and associated life support systems. Photos should show the DEP, FCR, and Mote logos being displayed on the new systems.

e) Purchase of the equipment ("live hauler" trailer) as evidenced by: Purchase order(s), vendor invoice(s), and pictures of equipment purchased. Completed Property Reporting Form, DEP 55-211 (Exhibit B) with invoice copy.

f) Photos of "live hauler" after purchase.

g) Two Press Releases and/or Social Media posts: (1) after construction completion the 20-raceway matrix; and (2) after purchase of the "live-hauler" that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3: Infrastructure Expansion at the University of Miami

Task 3 will expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. When not in use for rescue corals, UM will utilize these tanks for routine (non-emergency) propagation pipelines with the understanding that they must be available for rescue corals at short notice, as needed. In these situations, the use of these tanks will be approved/authorized in writing by DEP throughout the duration of the Project.

UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total). Initially, fifteen (15) propagation tanks will be built out in an existing expansion area and fifteen (15) propagation tanks in the new shade house. However, as the facility continues to expand, we will eventually consolidate all thirty disturbance response tanks into the new shade house that will be dedicated for this use.

Each 115-gal tank is approx. 8'x3'x1' in dimensions, with a growable area of ~25 sq. ft. (750 sq. ft. in total). Each 5-tank array is connected to a 185-gallon sump connected to a 3 hp heater/chiller unit,

and each sump incorporates an internal protein skimmer. Pumps continually circulate water through each 5-tank array and temperatures are maintained to within 1oF. Volume of each 5-tank system totals ~760 gallons, including plumbing, tanks, and sump. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami.

Seawater will be replaced in each system on a weekly basis (~200 gal/week per 5-tank array, approx. 20%). Seawater is sourced locally from Bear Cut, passes through settlement tanks, sand filters, and a UV sterilizer and will be ozonated and degassed prior to being used as replacement water in coral tanks. The recirculation loop on each 5-tank system will also include an in-line UV unit to ensure continued sterilization on an ongoing basis.

Purchase and Install First 15 Tanks and Associated Life Support: Three arrays of 5 tanks each (15 tanks total) will be installed in an expansion area in our existing shade house. Installation and buildout will be completed by UM staff, assisted by the same sub-contractor (Full Spectrum Aquaculture) who installed the existing tank arrays in the shade house. Once construction is completed, tanks are allowed to condition for two weeks to allow residues/PVC glues to dissipate, and to test temperature control and water quality. After this period, corals are introduced to the tanks, where they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems for non-emergency use must be approved/authorized in writing by DEP throughout the duration of the Project.

Site Preparation, Construction of Shade house, and Installation of Second 15 Tanks and Associated Life Support: UM will undertake site preparations and installation of a new shade house at an expansion site adjacent to UM/Experimental Hatchery. This shade house will accommodate the second set of three 5-tank arrays. Site preparation, electrical/plumbing hookups, and shade house installation will all be undertaken by contractors/suppliers/vendors. Installation and buildout of tanks and life support will be completed by UM staff assisted by the same contractor (Full Spectrum Aquaculture) who installed all existing tank arrays. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami. Once raceways become operational, they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of the Project.

System Operations and Maintenance: UM will incorporate the newly constructed DEP Coral Response Seawater Systems into the operations and maintenance of its existing coral facility to ensure life support for corals and associated organisms. Current protocols at the University of Miami's facility include the following:

Husbandry Protocols

- Husbandry lists are completed daily with such activities as feeding, health examinations, water parameter monitoring, equipment checks, maintenance, isolation and treatment of new arrivals as well as various other essential tasks logged in a database. Open-up, daily and close-up activities are conducted, logged, and initialed to establish a record and degree of accountability.
- All equipment is inspected upon arrival, and when leaving the facility at the end of the day. All aquarium systems are monitored 24/7/365 via temperature sensors. Should the temperature rise or fall outside of the designated range for that system, alerts are sent out via email and text message to a list of accountable staff members responsible for responding to, assessing, and addressing the alerts accordingly.

- Aquariums and raceways are cleaned on a weekly basis. Native invertebrates such as snails, hermit crabs, and sea urchins are also used to aid in the reduction of nuisance algae growth. The platforms and plugs/tiles that coral fragments and colonies are held on are cleaned twice weekly to remove algae, filter feeding pests, and other items that accrue over time.

Routine Health Assessment

- A census of the different coral size classes is conducted daily, with any additional asexual fragmentation conducted and added to a running inventory list. A full inventory log is conducted quarterly to confirm these quantities.
- Coral condition is monitored routinely, with practitioners performing health checks as part of the daily husbandry list. Observations include coral coloration, polyp extension (or lack of), new growth, signs of stress, and other factors. This assessment typically occurs multiple times per day by multiple staff members to ensure that all corals are inspected by multiple observers.
- In cases of mortality, a loss of life analysis is conducted. This analysis consists of a full examination of the conditions surrounding the mortality. Factors of note include: observing corals sharing the same aquarium/water system, checking husbandry logs for irregularities, testing of water parameters for anything outside of acceptable range, etc. Any mortality is logged to identify any patterns of loss and update inventory, recording the species, genotype, and tank in which it was being held, as well as any supplemental information available for that individual.

Water Quality Analyses

- Daily:
  - Alkalinity, salinity, and temperature are monitored daily for each aquarium system. Salinity and temperature are measured using electronic HANNA probes that are calibrated monthly. Alkalinity is recorded via Red Sea alkalinity test kits. Target ranges for these parameters are as follows: Alkalinity 7-9 dKH, Temperature 74-85^{o}F (adjusted seasonally), Salinity 1.024-1.027 relative specific gravity (32-36 ppt).
  - Oxidation-reduction potential (ORP) of ozonated supply water is observed at the start and end of day. The ozonation filtration system is equipped with automatic shutoff measures to safeguard against the dangers of straying above or below the required levels. After ozonation, incoming seawater passes through a carbon filter, and UV sterilizer to further ensure removal of any potentially hazardous ozone remaining in the water. Target range for ORP is 350-375 mV.

- Weekly:
  - Ammonia, nitrite, nitrate, pH, phosphate, magnesium, calcium, and alkalinity are measured and recorded weekly for each system. Aquarium-grade kits are currently used for the testing of these parameters (API Saltwater Master Test Kit, Red Sea Foundation Pro Test Kit, HANNA Digital Phosphate Colorimeter). The equipment for this water quality monitoring is scheduled to be upgraded to spectrophotometric water sampling device to be kept on-site.
  - Target ranges for these parameters are as follows: Ammonia < 0.1 ppm, Nitrite < 0.1 ppm, Nitrate 0-5 ppm, pH 8.0-8.4, Phosphate <0.1 ppm (ideal range 0-0.03 ppm), Calcium 400-450 ppm, Magnesium 1200-1400 ppm, Alkalinity 7-9 dKH.

- Monthly:
  - Water samples taken from each aquarium system are mailed out to an independent, off-site water quality laboratory (ICP Analysis). Reports consisting of the quantitative analysis of 56 different elements are received and compiled for detailed analysis of all aspects of mineral

water quality. Incoming seawater and aquarium water are also routinely transported to an adjacent laboratory at the University of Miami's marine campus for analysis of bacterial content. We primarily monitor these minor parameters to assess changes in our incoming seawater supply that might affect or explain variation in the weekly parameters listed above. For this reason, we do not generally have a target range for these additional monthly parameters.

Propagation and Transfer

- Microfragmentation occurs when parent colonies and existing fragments have overgrown their substrate. Parental/genotype information is recorded on the plug of each fragment. Approximately 50-100 new fragments are produced weekly for research or outplanting purposes.
- All transfer events are communicated between participating organizations with advanced planning and coordination with a licensed veterinary technician. Any corals arriving/departing from/to other coral facilities must have an inspection prior to transport. Proper documentation consisting of species, genotype, quantity, original collection point, and destination information is provided by/to the transferring and receiving facilities.
- Any corals leaving the facility to be outplanted on nurseries or reefs require an additional veterinary inspection if they have been held on site for more than 30 days before they are permitted to leave the facility.

Deliverables: The Grantee will submit:

a) Quarterly Project Management Report documenting the progress of construction/installation and milestones completed to date. Report shall include 1-3 photos documenting the progress of installation. Report may be provided as part of the Exhibit A Progress Report.
b) Map of site and planned construction area/designs.
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used in the buildout (provided quarterly).
d) Copies of any permits for construction and buildout, if any required.
e) Representative photos (5-10) of area after buildout showing the fully constructed arrays and associated life support systems and signage/logos detailed above.
f) Two social media posts: (1) after completion of the first 15 tanks; and (2) after completion of the second 15 tanks that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.
g) Spreadsheet containing daily, weekly, and monthly water quality data, as described above under "*Water Quality Analyses*" (provided quarterly once operational).
h) Spreadsheet documenting "*routine health assessments*", as described above (provided quarterly once operational)
i) Representative images (5-10) of the raceways/tanks in use. Images should clearly show the tanks are labelled/marked with the DEP logo (provided quarterly once operational).
j) Current inventory cataloguing corals/fragments currently in holding and which tank/system they are being held in (excel spreadsheet) (provided quarterly once operational).
k) A final report summarizing the Project completion and operation status will include water quality results (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection). Final report will also include a summary from Task 3.1 and 3.2.

VI. PERFORMANCE MEAUSURES: The Grantee will submit all deliverables electronically for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline below. The Department's Grant Manager will review the task deliverable(s) to verify that they meet

the specifications in the Grant Work Plan and the task description, include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single sub-task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single sub-task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single sub-task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided in writing. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

VII. CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. If the Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

VIII. PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the approved Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Begin Date. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

IX. STATUS REPORTS: Quarterly status reports are due no later than forty-five (45) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30, and December 31. The final quarterly status report is due no later than August 15, 2026.

X. PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution and section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street

ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
   i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

The Department must obligate all funds from SLFRF by December 31, 2024, and all such obligated funds must be expended by December 31, 2026. As such, the Contractor must submit all invoices by September 30, 2026, unless approved in writing by the Department.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire

collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;
ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;
iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;
iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and
v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
STANDARD TERMS AND CONDITIONS
APPLICABLE TO GRANT AGREEMENTS

ATTACHMENT 1

1. Entire Agreement.

This Grant Agreement, including any Attachments and Exhibits referred to herein and/or attached hereto (Agreement), constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter. Any terms and conditions included on Grantee's forms or invoices shall be null and void.

2. Grant Administration.

a. Order of Precedence. If there are conflicting provisions among the documents that make up the Agreement, the order of precedence for interpretation of the Agreement is as follows:
   i. Standard Grant Agreement
   ii. Attachments other than Attachment 1, in numerical order as designated in the Standard Grant Agreement
   iii. Attachment 1, Standard Terms and Conditions
   iv. The Exhibits in the order designated in the Standard Grant Agreement

b. All approvals, written or verbal, and other written communication among the parties, including all notices, shall be obtained by or sent to the parties' Grant Managers. All written communication shall be by electronic mail, U.S. Mail, a courier delivery service, or delivered in person. Notices shall be considered delivered when reflected by an electronic mail read receipt, a courier service delivery receipt, other mail service delivery receipt, or when receipt is acknowledged by recipient. If the notice is delivered in multiple ways, the notice will be considered delivered at the earliest delivery time.

c. If a different Grant Manager is designated by either party after execution of this Agreement, notice of the name and contact information of the new Grant Manager will be submitted in writing to the other party and maintained in the respective parties' records. A change of Grant Manager does not require a formal amendment or change order to the Agreement.

d. This Agreement may be amended, through a formal amendment or a change order, only by a written agreement between both parties. A formal amendment to this Agreement is required for changes which cause any of the following:
   (1) an increase or decrease in the Agreement funding amount;
   (2) a change in Grantee's match requirements;
   (3) a change in the expiration date of the Agreement; and/or
   (4) changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment 3, Grant Work Plan, that exceeds or is expected to exceed twenty percent (20%) of the total budget as last approved by Department.
   A change order to this Agreement may be used when:
   (1) task timelines within the current authorized Agreement period change;
   (2) the cumulative transfer of funds between approved budget categories, as defined in Attachment 3, Grant Work Plan, are less than twenty percent (20%) of the total budget as last approved by Department;
   (3) changing the current funding source as stated in the Standard Grant Agreement; and/or
   (4) fund transfers between budget categories for the purposes of meeting match requirements.
   This Agreement may be amended to provide for additional services if additional funding is made available by the Legislature.

e. All days in this Agreement are calendar days unless otherwise specified.

3. Agreement Duration.

The term of the Agreement shall begin and end on the dates indicated in the Standard Grant Agreement, unless extended or terminated earlier in accordance with the applicable terms and conditions. The Grantee shall be eligible for reimbursement for work performed on or after the date of execution through the expiration date of this Agreement, unless otherwise specified in Attachment 2, Special Terms and Conditions. However, work performed prior to the execution of this Agreement may be reimbursable or used for match purposes if permitted by the Special Terms and Conditions.

4. Deliverables.

The Grantee agrees to render the services or other units of deliverables as set forth in Attachment 3, Grant Work Plan. The services or other units of deliverables shall be delivered in accordance with the schedule and at the pricing outlined in the Grant Work Plan. Deliverables may be comprised of activities that must be completed prior to Department making payment on that deliverable. The Grantee agrees to perform in accordance with the terms and conditions set forth in this Agreement and all attachments and exhibits incorporated by the Standard Grant Agreement.

5. Performance Measures.

The Grantee warrants that: (1) the services will be performed by qualified personnel; (2) the services will be of the kind and quality described in the Grant Work Plan; (3) the services will be performed in a professional and workmanlike manner in accordance with industry standards and practices; (4) the services shall not and do not knowingly infringe upon the intellectual property rights, or any other proprietary rights, of any third party; and (5) its employees, subcontractors, and/or subgrantees shall comply with any security and safety requirements and processes, if provided by Department, for work done at the Project Location(s). The Department reserves the right to investigate or inspect at any time to determine whether the services or qualifications offered by Grantee meet the Agreement requirements. Notwithstanding any provisions herein to the contrary, written acceptance of a particular deliverable does not foreclose Department's remedies in the event deficiencies in the deliverable cannot be readily measured at the time of delivery.

6. Acceptance of Deliverables.

a. Acceptance Process. All deliverables must be received and accepted in writing by Department's Grant Manager before payment. The Grantee shall work diligently to correct all deficiencies in the deliverable that remain outstanding, within a reasonable time at Grantee's expense. If Department's Grant Manager does not accept the deliverables within 30 days of receipt, they will be deemed rejected.

b. Rejection of Deliverables. The Department reserves the right to reject deliverables, as outlined in the Grant Work Plan, as incomplete, inadequate, or unacceptable due, in whole or in part, to Grantee's lack of satisfactory performance under the terms of this Agreement. The Grantee's efforts to correct the rejected deliverables will be at Grantee's sole expense. Failure to fulfill the applicable technical requirements or complete all tasks or activities in accordance with the Grant Work Plan will result in rejection of the deliverable and the associated invoice. Payment for the rejected deliverable will not be issued unless the rejected deliverable is made acceptable to Department in accordance with the Agreement requirements. The Department, at its option, may allow additional time within which Grantee may remedy the objections noted by Department. The Grantee's failure to make adequate or acceptable deliverables after a reasonable opportunity to do so shall constitute an event of default.

7. Financial Consequences for Nonperformance.

a. Withholding Payment. In addition to the specific consequences explained in the Grant Work Plan and/or Special Terms and Conditions, the State of Florida (State) reserves the right to withhold payment when the Grantee has failed to perform/comply with provisions of this Agreement. None of the financial consequences for nonperformance in this Agreement as more fully described in the Grant Work Plan shall be considered penalties.

b. Invoice reduction

If Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

c. Corrective Action Plan. If Grantee fails to correct all the deficiencies in a rejected deliverable within the specified timeframe, Department may, in its sole discretion, request that a proposed Corrective Action Plan (CAP) be submitted by Grantee to Department. The Department requests that Grantee specify the outstanding deficiencies in the CAP. All CAPs must be able to be implemented and performed in no more than sixty (60) calendar days.

   i. The Grantee shall submit a CAP within ten (10) days of the date of the written request from Department. The CAP shall be sent to the Department's Grant Manager for review and approval. Within ten (10) days of receipt of a CAP, Department shall notify Grantee in writing whether the CAP proposed has been accepted. If the CAP is not accepted, Grantee shall have ten (10) days from receipt of Department letter rejecting the proposal to submit a revised proposed CAP. Failure to obtain Department approval of a CAP as specified above may result in Department's termination of this Agreement for cause as authorized in this Agreement.

   ii. Upon Department's notice of acceptance of a proposed CAP, Grantee shall have ten (10) days to commence implementation of the accepted plan. Acceptance of the proposed CAP by Department does not relieve Grantee of any of its obligations under the Agreement. In the event the CAP fails to correct or eliminate performance deficiencies by Grantee, Department shall retain the right to

require additional or further remedial steps, or to terminate this Agreement for failure to perform. No actions approved by Department or steps taken by Grantee shall preclude Department from subsequently asserting any deficiencies in performance. The Grantee shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to Department as requested by Department's Grant Manager.

iii. Failure to respond to a Department request for a CAP or failure to correct a deficiency in the performance of the Agreement as specified by Department may result in termination of the Agreement.

8. Payment.

a. Payment Process. Subject to the terms and conditions established by the Agreement, the pricing per deliverable established by the Grant Work Plan, and the billing procedures established by Department, Department agrees to pay Grantee for services rendered in accordance with section 215.422, Florida Statutes (F.S.).

b. Taxes. The Department is exempted from payment of State sales, use taxes and Federal excise taxes. The Grantee, however, shall not be exempted from paying any taxes that it is subject to, including State sales and use taxes, or for payment by Grantee to suppliers for taxes on materials used to fulfill its contractual obligations with Department. The Grantee shall not use Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement.

c. Maximum Amount of Agreement. The maximum amount of compensation under this Agreement, without an amendment, is described in the Standard Grant Agreement. Any additional funds necessary for the completion of this Project are the responsibility of Grantee.

d. Reimbursement for Costs. The Grantee shall be paid on a cost reimbursement basis for all eligible Project costs upon the completion, submittal, and approval of each deliverable identified in the Grant Work Plan. Reimbursement shall be requested on Exhibit C, Payment Request Summary Form. To be eligible for reimbursement, costs must be in compliance with laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the following web address: https://www.myfloridacfo.com/docs-sf/accounting-and-auditing-libraries/state-agencies/reference-guide-for-state-expenditures.pdf.

e. Rural Communities and Rural Areas of Opportunity. If Grantee is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" (RAO) as defined in subsection 288.0656(2), F.S., such Grantee may request from the Department that all invoice payments (i.e., cost reimbursement) under this Agreement be directed to the relevant county or municipality or to the RAO itself. The Department will agree to Grantee's request if:

   i. Grantee demonstrates that it is a county or municipality that qualifies as a "rural community" or "rural area of opportunity" under subsection 288.0656(2), F.S.;

   ii. Grantee demonstrates current financial hardship using one (1) or more of the "economic distress" factors defined in subsection 288.0656(2)(c), F.S.;

   iii. Grantee's performance has been verified by the Department, which has determined that Grantee is eligible for cost reimbursement and that Grantee's performance has been completed in accordance with this Agreement's terms and conditions; and

   iv. Applicable federal and state law(s), rule(s) and regulation(s) allow for such payments.

   This subsection may not be construed to alter or limit any other applicable provisions of federal or state law, rule, or regulation. A current list of Florida's designated RAOs can be accessed at the following web address: https://floridajobs.org/community-planning-and-development/rural-community-programs/rural-areas-of-opportunity.

f. Invoice Detail. All charges for services rendered or for reimbursement of expenses authorized by Department pursuant to the Grant Work Plan shall be submitted to Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee shall only invoice Department for deliverables that are completed in accordance with the Grant Work Plan.

g. State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

   i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.

   ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

h. Interim Payments. Interim payments may be made by Department, at its discretion, if the completion of deliverables to date have first been accepted in writing by Department's Grant Manager.

i. Final Payment Request. A final payment request should be submitted to Department no later than sixty (60) days following the expiration date of the Agreement to ensure the availability of funds for payment. However, all work performed pursuant to the Grant Work Plan must be performed on or before the expiration date of the Agreement.

j. Annual Appropriation Contingency. The State's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. This Agreement is not a commitment of future appropriations. Authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of Department if the Legislature reduces or eliminates appropriations.

k. Interest Rates. All interest rates charged under the Agreement shall be calculated on the prevailing rate used by the State Board of Administration. To obtain the applicable interest rate, please refer to: https://www.myfloridacfo.com/division/aa/local-governments/judgement-interest-rates.

l. Refund of Payments to the Department. Any balance of unobligated funds that have been advanced or paid must be refunded to Department. Any funds paid in excess of the amount to which Grantee or subgrantee is entitled under the terms of the Agreement must be refunded to Department. If this Agreement is funded with federal funds and the Department is required to refund the federal government, the Grantee shall refund the Department its share of those funds.

9. Documentation Required for Cost Reimbursement Grant Agreements and Match.

If Cost Reimbursement or Match is authorized in Attachment 2, Special Terms and Conditions, the following conditions apply. Supporting documentation must be provided to substantiate cost reimbursement or match requirements for the following budget categories:

a. Salary/Wages. Grantee shall list personnel involved, position classification, direct salary rates, and hours spent on the Project in accordance with Attachment 3, Grant Work Plan in their documentation for reimbursement or match requirements.

b. Overhead/Indirect/General and Administrative Costs. If Grantee is being reimbursed for or claiming match for multipliers, all multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by Grantee exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate.

c. Contractual Costs (Subcontractors). Match or reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the Project. All eligible multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, Grantee shall be required to reimburse such funds to Department within thirty (30) days of written notification. Interest shall be charged on the excessive rate. Nonconsumable and/or nonexpendable personal property or equipment costing $5,000 or more purchased for the Project under a subcontract is subject to the requirements set forth in chapters 273 and/or 274, F.S., and Chapter 69I-72, Florida Administrative Code (F.A.C.) and/or Chapter 69I-73, F.A.C., as applicable. The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

    i. For fixed-price (vendor) subcontracts, the following provisions shall apply: The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in Attachment 3, Grant Work Plan. Invoices submitted to Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (e.g., Invitation to Bid, Request for Proposals, or other similar competitive procurement document) resulting in the fixed-price subcontract. The Grantee may request approval from Department to award a fixed-price subcontract resulting from procurement methods other than those identified above. In this instance, Grantee shall request the advance written approval from Department's Grant Manager of the fixed price

negotiated by Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of Department Grant Manager's approval of the fixed-price amount, Grantee may proceed in finalizing the fixed-price subcontract.

ii. If the procurement is subject to the Consultant's Competitive Negotiation Act under section 287.055, F.S. or the Brooks Act, Grantee must provide documentation clearly evidencing it has complied with the statutory or federal requirements.

d. Travel. All requests for match or reimbursement of travel expenses shall be in accordance with section 112.061, F.S.

e. Direct Purchase Equipment. For the purposes of this Agreement, Equipment is defined as capital outlay costing $5,000 or more. Match or reimbursement for Grantee's direct purchase of equipment is subject to specific approval of Department, and does not include any equipment purchased under the delivery of services to be completed by a subcontractor. Include copies of invoices or receipts to document purchases, and a properly completed Exhibit B, Property Reporting Form.

f. Rental/Lease of Equipment. Match or reimbursement requests for rental/lease of equipment must include copies of invoices or receipts to document charges.

g. Miscellaneous/Other Expenses. If miscellaneous or other expenses, such as materials, supplies, non-excluded phone expenses, reproduction, or mailing, are reimbursable or available for match or reimbursement under the terms of this Agreement, the documentation supporting these expenses must be itemized and include copies of receipts or invoices. Additionally, independent of Grantee's contract obligations to its subcontractor, Department shall not reimburse any of the following types of charges: cell phone usage; attorney's fees or court costs; civil or administrative penalties; or handling fees, such as set percent overages associated with purchasing supplies or equipment.

h. Land Acquisition. Reimbursement for the costs associated with acquiring interest and/or rights to real property (including access rights through ingress/egress easements, leases, license agreements, or other site access agreements; and/or obtaining record title ownership of real property through purchase) must be supported by the following, as applicable: Copies of Property Appraisals, Environmental Site Assessments, Surveys and Legal Descriptions, Boundary Maps, Acreage Certification, Title Search Reports, Title Insurance, Closing Statements/Documents, Deeds, Leases, Easements, License Agreements, or other legal instrument documenting acquired property interest and/or rights. If land acquisition costs are used to meet match requirements, Grantee agrees that those funds shall not be used as match for any other Agreement supported by State or Federal funds.

10. Status Reports.

The Grantee shall submit status reports quarterly, unless otherwise specified in the Attachments, on Exhibit A, Progress Report Form, to Department's Grant Manager describing the work performed during the reporting period, problems encountered, problem resolutions, scheduled updates, and proposed work for the next reporting period. Quarterly status reports are due no later than twenty (20) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30 and December 31. The Department will review the required reports submitted by Grantee within thirty (30) days.

11. Retainage.

The following provisions apply if Department withholds retainage under this Agreement:

a. The Department reserves the right to establish the amount and application of retainage on the work performed under this Agreement up to the maximum percentage described in Attachment 2, Special Terms and Conditions. Retainage may be withheld from each payment to Grantee pending satisfactory completion of work and approval of all deliverables.

b. If Grantee fails to perform the requested work or fails to perform the work in a satisfactory manner, Grantee shall forfeit its right to payment of the retainage associated with the work. Failure to perform includes, but is not limited to, failure to submit the required deliverables or failure to provide adequate documentation that the work was actually performed. The Department shall provide written notification to Grantee of the failure to perform that shall result in retainage forfeiture. If the Grantee does not correct the failure to perform within the timeframe stated in Department's notice, the retainage will be forfeited to Department.

c. No retainage shall be released or paid for incomplete work while this Agreement is suspended.

d. Except as otherwise provided above, Grantee shall be paid the retainage associated with the work, provided Grantee has completed the work and submits an invoice for retainage held in accordance with the invoicing procedures under this Agreement.

12. Insurance.

a. Insurance Requirements for Sub-Grantees and/or Subcontractors. The Grantee shall require its sub-grantees and/or subcontractors, if any, to maintain insurance coverage of such types and with such terms and limits as described in this Agreement. The Grantee shall require all its sub-grantees and/or subcontractors, if any, to make compliance with the insurance requirements of this Agreement a condition of all contracts that are related to this Agreement. Sub-grantees and/or subcontractors must provide proof of insurance upon request.
b. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.
c. Proof of Insurance. Upon execution of this Agreement, Grantee shall provide Department documentation demonstrating the existence and amount for each type of applicable insurance coverage ***prior to*** performance of any work under this Agreement. Upon receipt of written request from Department, Grantee shall furnish Department with proof of applicable insurance coverage by standard form certificates of insurance, a self-insured authorization, or other certification of self-insurance.
d. Duty to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, or if Grantee cannot get adequate coverage, Grantee shall immediately notify Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) days after the cancellation of coverage.
e. Insurance Trust. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured.

13. Termination.

a. Termination for Convenience. When it is in the State's best interest, Department may, at its sole discretion, terminate the Agreement in whole or in part by giving 30 days' written notice to Grantee. The Department shall notify Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee must submit all invoices for work to be paid under this Agreement within thirty (30) days of the effective date of termination. The Department shall not pay any invoices received after thirty (30) days of the effective date of termination.
b. Termination for Cause. The Department may terminate this Agreement if any of the events of default described in the Events of Default provisions below occur or in the event that Grantee fails to fulfill any of its other obligations under this Agreement. If, after termination, it is determined that Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of Department. The rights and remedies of Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.
c. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination unless as otherwise directed by Department, Grantee shall not furnish any service or deliverable on the date, and to the extent specified, in the notice. However, Grantee shall continue work on any portion of the Agreement not terminated. If the Agreement is terminated before performance is completed, Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated. The Grantee shall not be entitled to recover any cancellation charges or lost profits.
d. Continuation of Prepaid Services. If Department has paid for any services prior to the expiration, cancellation, or termination of the Agreement, Grantee shall continue to provide Department with those services for which it has already been paid or, at Department's discretion, Grantee shall provide a refund for services that have been paid for but not rendered.
e. Transition of Services Upon Termination, Expiration, or Cancellation of the Agreement. If services provided under the Agreement are being transitioned to another provider(s), Grantee shall assist in the smooth transition of Agreement services to the subsequent provider(s). This requirement is at a minimum an affirmative obligation to cooperate with the new provider(s), however additional requirements may be outlined in the Grant Work Plan. The Grantee shall not perform any services after Agreement expiration or termination, except as necessary to complete the transition or continued portion of the Agreement, if any.

14. Notice of Default.

If Grantee defaults in the performance of any covenant or obligation contained in the Agreement, including, any of the events of default, Department shall provide notice to Grantee and an opportunity to cure that is reasonable under the circumstances. This notice shall state the nature of the failure to perform and provide a time certain for correcting the failure. The notice will also provide that, should the Grantee fail to perform within the time provided, Grantee will be found in default, and Department may terminate the Agreement effective as of the date of receipt of the default notice.

15. Events of Default.

Provided such failure is not the fault of Department or outside the reasonable control of Grantee, the following non-exclusive list of events, acts, or omissions, shall constitute events of default:

a. The commitment of any material breach of this Agreement by Grantee, including failure to timely deliver a material deliverable, failure to perform the minimal level of services required for a deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the Agreement;
b. The commitment of any material misrepresentation or omission in any materials, or discovery by the Department of such, made by the Grantee in this Agreement or in its application for funding;
c. Failure to submit any of the reports required by this Agreement or having submitted any report with incorrect, incomplete, or insufficient information;
d. Failure to honor any term of the Agreement;
e. Failure to abide by any statutory, regulatory, or licensing requirement, including an entry of an order revoking the certificate of authority granted to the Grantee by a state or other licensing authority;
f. Failure to pay any and all entities, individuals, and furnishing labor or materials, or failure to make payment to any other entities as required by this Agreement;
g. Employment of an unauthorized alien in the performance of the work, in violation of Section 274 (A) of the Immigration and Nationality Act;
h. Failure to maintain the insurance required by this Agreement;
i. One or more of the following circumstances, uncorrected for more than thirty (30) days unless, within the specified 30-day period, Grantee (including its receiver or trustee in bankruptcy) provides to Department adequate assurances, reasonably acceptable to Department, of its continuing ability and willingness to fulfill its obligations under the Agreement:
    i. Entry of an order for relief under Title 11 of the United States Code;
    ii. The making by Grantee of a general assignment for the benefit of creditors;
    iii. The appointment of a general receiver or trustee in bankruptcy of Grantee's business or property; and/or
    iv. An action by Grantee under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation.

16. Suspension of Work.

The Department may, in its sole discretion, suspend any or all activities under the Agreement, at any time, when it is in the best interest of the State to do so. The Department shall provide Grantee written notice outlining the particulars of suspension. Examples of reasons for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, Grantee shall comply with the notice. Within 90 days, or any longer period agreed to by the parties, Department shall either: (1) issue a notice authorizing resumption of work, at which time activity shall resume; or (2) terminate the Agreement. If the Agreement is terminated after 30 days of suspension, the notice of suspension shall be deemed to satisfy the thirty (30) days' notice required for a notice of termination for convenience. Suspension of work shall not entitle Grantee to any additional compensation.

17. Force Majeure.

The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to Grantee. In case of any delay Grantee believes is excusable, Grantee shall notify Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY**. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist Grantee shall perform at no increased cost, unless Department determines, in its sole

discretion, that the delay will significantly impair the value of the Agreement to Department, in which case Department may: (1) accept allocated performance or deliveries from Grantee, provided that Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate Agreement in whole or in part.

18. Indemnification.

a. The Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless Department and its officers, agents, and employees, from suits, actions, damages, and costs of every name and description arising from or relating to:
    i. personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of Department;
    ii. the Grantee's breach of this Agreement or the negligent acts or omissions of Grantee.

b. The Grantee's obligations under the preceding paragraph with respect to any legal action are contingent upon Department giving Grantee: (1) written notice of any action or threatened action; (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense; and (3) assistance in defending the action at Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by Department in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

c. Notwithstanding sections a. and b. above, the following is the sole indemnification provision that applies to Grantees that are governmental entities: Each party hereto agrees that it shall be solely responsible for the negligent or wrongful acts of its employees and agents. However, nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, F.S. Further, nothing herein shall be construed as consent by a state agency or subdivision of the State to be sued by third parties in any matter arising out of any contract or this Agreement.

d. No provision in this Agreement shall require Department to hold harmless or indemnify Grantee, insure or assume liability for Grantee's negligence, waive Department's sovereign immunity under the laws of Florida, or otherwise impose liability on Department for which it would not otherwise be responsible. Any provision, implication or suggestion to the contrary is null and void.

19. Limitation of Liability.

The Department's liability for any claim arising from this Agreement is limited to compensatory damages in an amount no greater than the sum of the unpaid balance of compensation due for goods or services rendered pursuant to and in compliance with the terms of the Agreement. Such liability is further limited to a cap of $100,000.

20. Remedies.

Nothing in this Agreement shall be construed to make Grantee liable for force majeure events. Nothing in this Agreement, including financial consequences for nonperformance, shall limit Department's right to pursue its remedies for other types of damages under the Agreement, at law or in equity. The Department may, in addition to other remedies available to it, at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against it.

21. Waiver.

The delay or failure by Department to exercise or enforce any of its rights under this Agreement shall not constitute or be deemed a waiver of Department's right thereafter to enforce those rights, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right.

22. Statutory Notices Relating to Unauthorized Employment and Subcontracts.

a. The Department shall consider the employment by any Grantee of unauthorized aliens a violation of Section 274A(e) of the Immigration and Nationality Act. If Grantee/subcontractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement. The Grantee shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Agreement.

b. Pursuant to sections 287.133, 287.134, and 287.137 F.S., the following restrictions apply to persons placed on the convicted vendor list, discriminatory vendor list, or the antitrust violator vendor list:
    i. Public Entity Crime. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may

not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, F.S., for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list.

ii. Discriminatory Vendors. An entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity.

iii. Antitrust Violator Vendors. A person or an affiliate who has been placed on the antitrust violator vendor list following a conviction or being held civilly liable for an antitrust violation may not submit a bid, proposal, or reply on any contract to provide any good or services to a public entity; may not submit a bid, proposal, or reply on any contract with a public entity for the construction or repair of a public building or public work; may not submit a bid, proposal, or reply on leases of real property to a public entity; may not be awarded or perform work as a Grantee, supplier, subcontractor, or consultant under a contract with a public entity; and may not transact new business with a public entity.

iv. Notification. The Grantee shall notify Department if it or any of its suppliers, subcontractors, or consultants have been placed on the convicted vendor list, the discriminatory vendor list, or antitrust violator vendor list during the life of the Agreement. The Florida Department of Management Services is responsible for maintaining the discriminatory vendor list and the antitrust violator vendor list and posts the list on its website. Questions regarding the discriminatory vendor list or antitrust violator vendor list may be directed to the Florida Department of Management Services, Office of Supplier Diversity, at (850) 487-0915.

23. Compliance with Federal, State and Local Laws.

a. The Grantee and all its agents shall comply with all federal, state and local regulations, including, but not limited to, nondiscrimination, wages, social security, workers' compensation, licenses, and registration requirements. The Grantee shall include this provision in all subcontracts issued as a result of this Agreement.

b. No person, on the grounds of race, creed, color, religion, national origin, age, gender, or disability, shall be excluded from participation in; be denied the proceeds or benefits of; or be otherwise subjected to discrimination in performance of this Agreement.

c. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida.

d. Any dispute concerning performance of the Agreement shall be processed as described herein. Jurisdiction for any damages arising under the terms of the Agreement will be in the courts of the State, and venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the parties agree to be responsible for their own attorney fees incurred in connection with disputes arising under the terms of this Agreement.

24. Build America, Buy America Act (BABA) - Infrastructure Projects with Federal Funding.
This provision does not apply to Agreements that are wholly funded by Coronavirus State and Local Fiscal Recovery Funds under the American Rescue Plan Act. Also, this provision does not apply where there is a valid waiver in place. However, the provision may apply to funds expended before the waiver or after expiration of the waiver.

If applicable, Recipients or Subrecipients of an award of Federal financial assistance from a program for infrastructure are required to comply with the Build America, Buy America Act (BABA), including the following provisions:

a. All iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

b. All manufactured products used in the project are produced in the United States-this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

c. All construction materials are manufactured in the United States-this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

25. Investing in America

Grantees of an award for construction projects in whole or in part by the Bipartisan Infrastructure Law or the Inflation Reduction Act, including the following provision:

a. Signage Requirements

a. Investing in America Emblem: The recipient will ensure that a sign is placed at construction sites supported in whole or in part by this award displaying the official Investing in America emblem and must identify the project as a "project funded by President Biden's Bipartisan Infrastructure Law" or "project funded by President Biden's Inflation Reduction Act" as applicable. The sign must be placed at construction sites in an easily visible location that can be directly linked to the work taking place and must be maintained in good condition throughout the construction period.

The recipient will ensure compliance with the guidelines and design specifications provided by EPA for using the official Investing in America emblem available at: https://www.epa.gov/invest/investing-america-signage.

b. Procuring Signs: Consistent with section 6002 of RCRA, 42 U.S.C. 6962, and 2 CFR 200.323, recipients are encouraged to use recycled or recovered materials when procuring signs. Signage costs are considered an allowable cost under this assistance agreement provided that the costs associated with signage are reasonable. Additionally, to increase public awareness of projects serving communities where English is not the predominant language, recipients are encouraged to translate the language on signs (excluding the official Investing in America emblem or EPA logo or seal) into the appropriate non-English language(s). The costs of such translation are allowable, provided the costs are reasonable.

26. Scrutinized Companies.

a. Grantee certifies that it is not on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies that Boycott Israel List or is engaged in the boycott of Israel during the term of the Agreement.

b. If this Agreement is for more than one million dollars, the Grantee certifies that it is also not on the Scrutinized Companies with Activities in Sudan, Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria as identified in section 287.135, F.S. Pursuant to section 287.135, F.S., the Department may immediately terminate this Agreement at its sole option if the Grantee is found to have submitted a false certification; or if the Grantee is placed on the Scrutinized Companies with Activities in Sudan List, or Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or engaged with business operations in Cuba or Syria during the term of the Agreement.

c. As provided in subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions, then they shall become inoperative.

27. Lobbying and Integrity.

The Grantee agrees that no funds received by it under this Agreement will be expended for the purpose of lobbying the Legislature or a State agency pursuant to section 216.347, F.S., except that pursuant to the requirements of section 287.058(6), F.S., during the term of any executed agreement between Grantee and the State, Grantee may lobby the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding that agreement. The Grantee shall comply with sections 11.062 and 216.347, F.S.

28. Record Keeping.

The Grantee shall maintain books, records and documents directly pertinent to performance under this Agreement in accordance with United States generally accepted accounting principles (US GAAP) consistently applied. The Department, the State, or their authorized representatives shall have access to such records for audit purposes during

the term of this Agreement and for five (5) years following the completion date or termination of the Agreement. In the event that any work is subcontracted, Grantee shall similarly require each subcontractor to maintain and allow access to such records for audit purposes. Upon request of Department's Inspector General, or other authorized State official, Grantee shall provide any type of information the Inspector General deems relevant to Grantee's integrity or responsibility. Such information may include, but shall not be limited to, Grantee's business or financial records, documents, or files of any type or form that refer to or relate to Agreement. The Grantee shall retain such records for the longer of: (1) three years after the expiration of the Agreement; or (2) the period required by the General Records Schedules maintained by the Florida Department of State (available at: http://dos.myflorida.com/library-archives/records-management/general-records-schedules/).

29. Audits.

a. Inspector General. The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing. The Grantee will comply with this duty and ensure that its sub-grantees and/or subcontractors issued under this Agreement, if any, impose this requirement, in writing, on its sub-grantees and/or subcontractors, respectively.

b. Physical Access and Inspection. Department personnel shall be given access to and may observe and inspect work being performed under this Agreement, with reasonable notice and during normal business hours, including by any of the following methods:
    i. Grantee shall provide access to any location or facility on which Grantee is performing work, or storing or staging equipment, materials or documents;
    ii. Grantee shall permit inspection of any facility, equipment, practices, or operations required in performance of any work pursuant to this Agreement; and,
    iii. Grantee shall allow and facilitate sampling and monitoring of any substances, soils, materials or parameters at any location reasonable or necessary to assure compliance with any work or legal requirements pursuant to this Agreement.

c. Special Audit Requirements. The Grantee shall comply with the applicable provisions contained in Attachment 5, Special Audit Requirements. Each amendment that authorizes a funding increase or decrease shall include an updated copy of Exhibit 1, to Attachment 5. If Department fails to provide an updated copy of Exhibit 1 to include in each amendment that authorizes a funding increase or decrease, Grantee shall request one from the Department's Grants Manager. The Grantee shall consider the type of financial assistance (federal and/or state) identified in Attachment 5, Exhibit 1 and determine whether the terms of Federal and/or Florida Single Audit Act Requirements may further apply to lower tier transactions that may be a result of this Agreement. For federal financial assistance, Grantee shall utilize the guidance provided under 2 CFR §200.331 for determining whether the relationship represents that of a subrecipient or vendor. For State financial assistance, Grantee shall utilize the form entitled "Checklist for Nonstate Organizations Recipient/Subrecipient vs Vendor Determination" (form number DFS-A2-NS) that can be found under the "Links/Forms" section appearing at the following website: https:\\apps.fldfs.com\fsaa.

d. Proof of Transactions. In addition to documentation provided to support cost reimbursement as described herein, Department may periodically request additional proof of a transaction to evaluate the appropriateness of costs to the Agreement pursuant to State guidelines (including cost allocation guidelines) and federal, if applicable. Allowable costs and uniform administrative requirements for federal programs can be found under 2 CFR 200. The Department may also request a cost allocation plan in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). The Grantee must provide the additional proof within thirty (30) days of such request.

e. No Commingling of Funds. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
    i. If Department finds that these funds have been commingled, Department shall have the right to demand a refund, either in whole or in part, of the funds provided to Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from Department shall refund, and shall forthwith pay to Department, the amount of money demanded by Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the

original payment(s) are received from Department by Grantee to the date repayment is made by Grantee to Department.

ii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by Department, from another source(s), Grantee shall reimburse Department for all recovered funds originally provided under this Agreement and interest shall be charged for those recovered costs as calculated on from the date(s) the payment(s) are recovered by Grantee to the date repayment is made to Department.

iii. Notwithstanding the requirements of this section, the above restrictions on commingling funds do not apply to agreements where payments are made purely on a cost reimbursement basis.

30. Conflict of Interest.

The Grantee covenants that it presently has no interest and shall not acquire any interest which would conflict in any manner or degree with the performance of services required.

31. Independent Contractor.

The Grantee is an independent contractor and is not an employee or agent of Department.

32. Subcontracting.

a. Unless otherwise specified in the Special Terms and Conditions, all services contracted for are to be performed solely by Grantee.

b. The Department may, for cause, require the replacement of any Grantee employee, subcontractor, or agent. For cause, includes, but is not limited to, technical or training qualifications, quality of work, change in security status, or non-compliance with an applicable Department policy or other requirement.

c. The Department may, for cause, deny access to Department's secure information or any facility by any Grantee employee, subcontractor, or agent.

d. The Department's actions under paragraphs b. or c. shall not relieve Grantee of its obligation to perform all work in compliance with the Agreement. The Grantee shall be responsible for the payment of all monies due under any subcontract. The Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract and Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under any subcontract.

e. The Department will not deny Grantee's employees, subcontractors, or agents access to meetings within the Department's facilities, unless the basis of Department's denial is safety or security considerations.

f. The Department supports diversity in its procurement program and requests that all subcontracting opportunities afforded by this Agreement embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State. A list of minority-owned firms that could be offered subcontracting opportunities may be obtained by contacting the Office of Supplier Diversity at (850) 487-0915.

g. The Grantee shall not be liable for any excess costs for a failure to perform, if the failure to perform is caused by the default of a subcontractor at any tier, and if the cause of the default is completely beyond the control of both Grantee and the subcontractor(s), and without the fault or negligence of either, unless the subcontracted products or services were obtainable from other sources in sufficient time for Grantee to meet the required delivery schedule.

33. Guarantee of Parent Company.

If Grantee is a subsidiary of another corporation or other business entity, Grantee asserts that its parent company will guarantee all of the obligations of Grantee for purposes of fulfilling the obligations of Agreement. In the event Grantee is sold during the period the Agreement is in effect, Grantee agrees that it will be a requirement of sale that the new parent company guarantee all of the obligations of Grantee.

34. Survival.

The respective obligations of the parties, which by their nature would continue beyond the termination or expiration of this Agreement, including without limitation, the obligations regarding confidentiality, proprietary interests, and public records, shall survive termination, cancellation, or expiration of this Agreement.

35. Third Parties.

The Department shall not be deemed to assume any liability for the acts, failures to act or negligence of Grantee, its agents, servants, and employees, nor shall Grantee disclaim its own negligence to Department or any third party. This Agreement does not and is not intended to confer any rights or remedies upon any person other than the parties. If Department consents to a subcontract, Grantee will specifically disclose that this Agreement does not create any third-party rights. Further, no third parties shall rely upon any of the rights and obligations created under this Agreement.

36. Severability.

If a court of competent jurisdiction deems any term or condition herein void or unenforceable, the other provisions are severable to that void provision, and shall remain in full force and effect.

37. Grantee's Employees, Subcontractors and Agents.

All Grantee employees, subcontractors, or agents performing work under the Agreement shall be properly trained technicians who meet or exceed any specified training qualifications. Upon request, Grantee shall furnish a copy of technical certification or other proof of qualification. All employees, subcontractors, or agents performing work under Agreement must comply with all security and administrative requirements of Department and shall comply with all controlling laws and regulations relevant to the services they are providing under the Agreement.

38. Assignment.

The Grantee shall not sell, assign, or transfer any of its rights, duties, or obligations under the Agreement, or under any purchase order issued pursuant to the Agreement, without the prior written consent of Department. In the event of any assignment, Grantee remains secondarily liable for performance of the Agreement, unless Department expressly waives such secondary liability. The Department may assign the Agreement with prior written notice to Grantee of its intent to do so.

39. Compensation Report.

If this Agreement is a sole-source, public-private agreement or if the Grantee, through this agreement with the State, annually receive 50% or more of their budget from the State or from a combination of State and Federal funds, the Grantee shall provide an annual report, including the most recent IRS Form 990, detailing the total compensation for the entities' executive leadership teams. Total compensation shall include salary, bonuses, cashed-in leave, cash equivalents, severance pay, retirement benefits, deferred compensation, real-property gifts, and any other payout. The Grantee must also inform the Department of any changes in total executive compensation between the annual reports. All compensation reports must indicate what percent of compensation comes directly from the State or Federal allocations to the Grantee.

40. Execution in Counterparts and Authority to Sign.

This Agreement, any amendments, and/or change orders related to the Agreement, may be executed in counterparts, each of which shall be an original and all of which shall constitute the same instrument. In accordance with the Electronic Signature Act of 1996, electronic signatures, including facsimile transmissions, may be used and shall have the same force and effect as a written signature. Each person signing this Agreement warrants that he or she is duly authorized to do so and to bind the respective party to the Agreement.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Terms and Conditions
AGREEMENT NO. 22CPR01

ATTACHMENT 2

These Special Terms and Conditions shall be read together with general terms outlined in the Standard Terms and Conditions, Attachment 1. Where in conflict, these more specific terms shall apply.

1. Scope of Work.
The Project funded under this Agreement is Monroe County Coral Resilience Project. The Project is defined in more detail in Attachment 3, Grant Work Plan.

2. Duration.
a. Reimbursement Period. The reimbursement period for this Agreement is the same as the term of the Agreement.
b. Extensions. There are no extensions available for this Project.
c. Service Periods. Additional service periods are not authorized under this Agreement.

3. Payment Provisions.
a. Compensation. This is a cost reimbursement Agreement. The Grantee shall be compensated under this Agreement as described in Attachment 3.
b. Invoicing. Invoicing will occur as indicated in Attachment 3.
c. Advance Pay. Advance Pay is not authorized under this Agreement.

4. Cost Eligible for Reimbursement or Matching Requirements.
Reimbursement for costs or availability for costs to meet matching requirements shall be limited to the following budget categories, as defined in the Reference Guide for State Expenditures, as indicated:

Reimbursement	Match	Category
☐	☐	Salaries/Wages
		Overhead/Indirect/General and Administrative Costs:
☐	☐	a. Fringe Benefits, N/A.
☐	☐	b. Indirect Costs, N/A.
☒	☐	Contractual (Subcontractors)
☐	☐	Travel, in accordance with Section 112, F.S.
☐	☐	Equipment
☐	☐	Rental/Lease of Equipment
☐	☐	Miscellaneous/Other Expenses
☐	☐	Land Acquisition

5. Equipment Purchase.
For purposes of this Agreement, the Grantee will be considered the owner of any nonexpendable and/or nonconsumable personal property or equipment costing $5,000 or more purchased for the completion of the Project under a subcontract. Upon satisfactory completion of this Agreement, the Grantee will require its subcontractor to account for and report on all nonexpendable and/or nonconsumable personal property or equipment purchased under its subcontract in accordance with the Grantee's financial reporting and inventory control requirements. Based on the subcontractor report, the Grantee will submit Exhibit B, Property Reporting Form, to the Department with any applicable requests for reimbursement. Nonexpendable and/or nonconsumable personal property or equipment purchased for the Project by a subcontractor is subject to the requirements set forth in Chapters 273 and/or 274, F.S., and Chapter 69I-72 and/or Chapter 69I-73, F.A.C., as applicable, and should be capitalized, when appropriate, in accordance with GAAP and the Grantee's financial reporting requirements. The following terms shall apply:
a. The Grantee and/or its subcontractor(s) shall have use of the nonexpendable and/or nonconsumable personal property or equipment for the authorized purposes of the contractual arrangement as long as the required work is being performed.

b. The Grantee is responsible for the implementation of adequate maintenance procedures to keep the nonexpendable and/or nonconsumable personal property or equipment in good operating condition.
c. The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, nonexpendable and/or nonconsumable personal property or equipment purchased with state funds and held in Grantee's possession for use in a contractual arrangement with the Department.
d. The Grantee is responsible for keeping a current and accurate inventory of any nonexpendable and/or nonconsumable personal property or equipment in accordance with its financial reporting and inventory control requirements. The Department may request an annual copy of these inventory records for the life of the Agreement.

6. Land Acquisition.
There will be no Land Acquisitions funded under this Agreement.

7. Match Requirements
There is no match required on the part of the Grantee under this Agreement.

8. Insurance Requirements
Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

a. Commercial General Liability Insurance.
The Grantee shall provide adequate commercial general liability insurance coverage and hold such liability insurance at all times during the Agreement. The Department, its employees, and officers shall be named as an additional insured on any general liability policies. The minimum limits shall be $250,000 for each occurrence and $500,000 policy aggregate.
b. Commercial Automobile Insurance.
If the Grantee's duties include the use of a commercial vehicle, the Grantee shall maintain automobile liability, bodily injury, and property damage coverage. Insuring clauses for both bodily injury and property damage shall provide coverage on an occurrence basis. The Department, its employees, and officers shall be named as an additional insured on any automobile insurance policy. The minimum limits shall be as follows:

$200,000/300,000	Automobile Liability for Company-Owned Vehicles, if applicable
$200,000/300,000	Hired and Non-owned Automobile Liability Coverage

c. Workers' Compensation and Employer's Liability Coverage.
The Grantee shall provide workers' compensation, in accordance with Chapter 440, F.S. and employer liability coverage with minimum limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policies shall cover all employees engaged in any work under the Grant.
d. Other Insurance. None.

9. Quality Assurance Requirements.
There are no special Quality Assurance requirements under this Agreement.

10. Retainage.
No retainage is required under this Agreement.

11. Subcontracting.
The Grantee may subcontract work under this Agreement with the prior written consent of the Department's Grant Manager. The Grantee shall submit a copy of the executed subcontract to the Department prior to submitting any invoices for subcontracted work. Regardless of any subcontract, the Grantee is ultimately responsible for all work to be performed under this Agreement.

12. State-owned Land.
The work will not be performed on State-owned land.

13. Office of Policy and Budget Reporting.
There are no special Office of Policy and Budget reporting requirements for this Agreement.

14. Common Carrier.

a. Applicable to contracts with a common carrier – firm/person/corporation that as a regular business transports people or commodities from place to place. If applicable, Contractor must also fill out and return PUR 1808 before contract execution. If Contractor is a common carrier pursuant to section 908.111(1)(a), Florida Statutes, the Department will terminate this contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

b. Applicable to solicitations for a common carrier – Before contract execution, the winning Contractor(s) must fill out and return PUR 1808, and attest that it is not willfully providing any service in furtherance of transporting a person into this state knowing that the person unlawfully present in the United States according to the terms of the federal Immigration and Nationality Act, 8 U.S.C. ss. 1101 et seq. The Department will terminate a contract immediately if Contractor is found to be in violation of the law or the attestation in PUR 1808.

15. Insurance Waiver for Sub-Grantees.
Grantee may waive the insurance limits as designated in Section 8, Attachment 2 for Sub-Grantees that are State of Florida governmental entities. If the Grantee chooses to grant a waiver to a sub-grantee, the Grantee must provide such waiver to the Department. The Department shall not be liable for any injury, loss, or damage sustained or suffered by persons as a result of the waiver. This does not waive insurance requirements for Grantees.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
GRANT WORK PLAN
AGREEMENT NO. 22CPR01

ATTACHMENT 3

I. PROJECT TITLE: Monroe County Coral Resilience Project

II. PROJECT LOCATION(S): The Project will be located in the following locations:

a. City of Layton within Monroe County – Lat/Long (24.825901, -80.814207)
b. City of Summerland Key within Monroe County – Lat/Long (24.661389, -81.454444)
c. Virginia Key within Miami-Dade County – Lat/Long (25.733870, -80.159474)

III. PROJECT BACKGROUND: Florida's Coral Reef spans over 350 miles of continuous, diverse, coral reef ecosystems and is a beautiful, national treasure that supports an incredible amount of life in addition to providing jobs, protection, and enjoyment for millions of residents and visitors.

In the summer of 2023, Florida's Coral Reef (FCR) experienced an extreme coral bleaching event, that resulted in significant mortality of several different coral species across FCR. In response, evacuation efforts and land-based holding of Endangered Species Act-listed species and stony coral tissue loss disease susceptible species proved to be necessary to preserve genetic diversity for future propagation efforts. This mass movement and temporary holding of corals from *in-situ* nurseries to *ex-situ* holding facilities identified a gap in existing infrastructure for emergency response, which slowed our ability to move and hold corals efficiently.

Coral bleaching has been occurring more frequently over the past few decades, and some level of bleaching has occurred every year since 2011. In July 2023, NOAA recorded the highest South Florida sea temperatures (35°C/95°F) since in-water measurements started in 1981. In addition, FCR has seen outbreaks of disease, most notably the outbreak of stony coral tissue loss disease in 2014 which is now endemic to the entirety of the reef and affects over 23 different stony coral species. Understanding that major disturbance events such as bleaching or disease outbreaks will continue to happen, it is important to have precautions in place to facilitate a rapid response when necessary, including the development of and maintenance of holding facilities specifically designated for emergency response.

IV. PROJECT DESCRIPTION: The Monroe County Board of County Commissioners (Grantee) will conduct the Monroe County Coral Resilience Project (Project). The overall goal of this Project is to provide infrastructure support for corals in the event that evacuation and holding is necessary. The Grantee will sub-contract Keys Marine Laboratory, Mote Marine Laboratory, and University of Miami to complete the work.

This Project fulfills the emergency assistance request of the Florida's Coral Reef Resilience Program (FCRRP) and is consistent with State of Florida Restoration Priorities for Florida's Coral Reef: 2021-2026 and Florida's Bleaching Response Plan. The outcomes of this Project will be incorporated into the disturbance response efforts which seeks to improve understanding about the scale and severity of the disturbance on Florida's Coral Reef, identify management actions to remediate impacts, restore affected resources, and ultimately propagate thermally and disease tolerant species. As such, collaboration amongst partners is encouraged when appropriate to avoid duplication of efforts and ensure alignment of needs. Coordination with other partners is recommended, as appropriate.

V. TASKS AND DELIVERABLES:

Task 1: Infrastructure Expansion and Coral Holding at Keys Marine Laboratory

Task 1 will add land-based capacity for coral (and other associated reef organisms) by providing life support for holding, propagation, and to facilitate a rapid emergency response. This work will be completed by the Keys Marine Laboratory (KML) under this Project and will include Project Management to design, plan, acquire permits as necessary, coordinate construction, and complete startup of the land-based DEP Coral Response Seawater System (Figure 1).

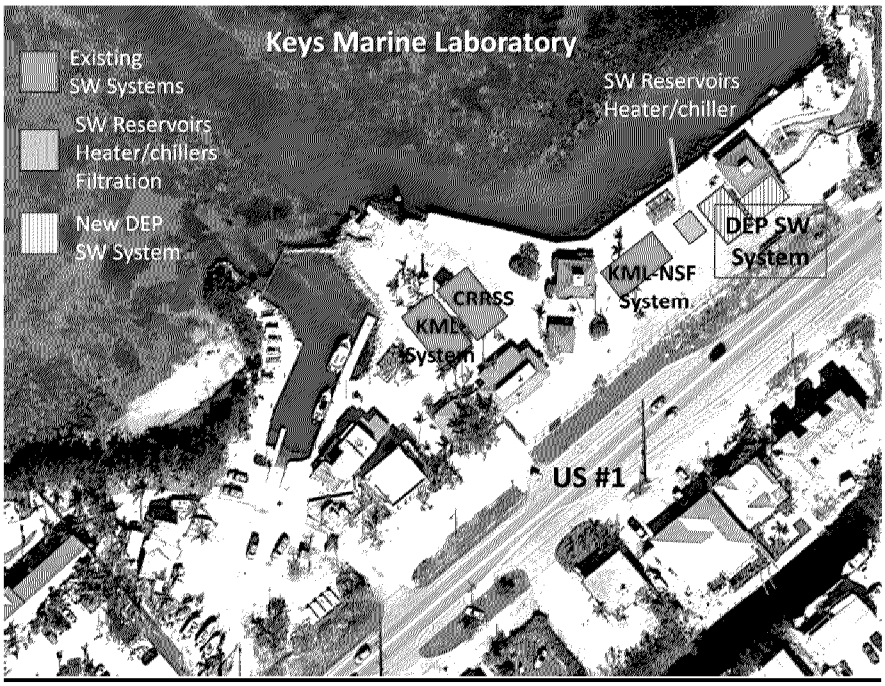

Figure 1. *Site map of Keys Marine Laboratory and location of proposed DEP seawater system.*

All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of South Florida (USF) as host institution for Florida Institute of Oceanography (FIO) (also known as Keys Marine Laboratory) (Tasks 1.1). The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Task 1 will also provide support for the operation and maintenance of sixteen (16) 240-gal seawater tables within existing KML System for coral emergency response efforts and coral restoration activities for two years (Task 1.2). Tables within KML SW systems will be maintained and operated by KML and prioritized for use by the coral restoration community with advanced notice, approval, and scheduling.

Coral restoration practitioners will follow the approval process to be determined by DEP. DEP will provide approval to KML for use of the sixteen (16) DEP-supported tables for coral response and restoration within 48-hours.

Task 1.1: Infrastructure Construction, Equipment Installation, and Build-Out of New DEP Seawater System (Keys Marine Laboratory)

Description The Grantee's subcontractor (KML) will act as Project Manager to oversee the planning, coordination, and construction of the expanded seawater system. Supplies, equipment, and other miscellaneous materials will be purchased in order to complete the expansion. All equipment, assets, supplies and other miscellaneous materials purchased for and used in the construction, installation or build-out of this system will be become the property of the University of South Florida (USF) as host institution for FIO. Contractors, suppliers, and vendors will be utilized for site preparation, electrical planning and installation, retaining wall installation to stabilize tank farm and drain fields, any necessary concrete construction, gravel for final grading and finishing, and shade structure installation. All necessary construction permits will be acquired by KML. KML staff will install life support equipment, tanks, plumbing, and miscellaneous equipment.

Seawater table capacity: Up to 5,700-gal temperature-controlled (up to 20 fiberglass tables, 240-gal or equivalent), 10gpm flow rates for system turnover every 4 hours or 6 times per day.

Coral tank farm footprint: Figure 2. Two greenhouse shade structures with 80% shade cloth (total 2,800 sq ft,, 30' x 40' and 40' x 30'), raised perimeter retaining wall to stabilize gravel over drain fields, concrete pad to support two seawater reservoirs (1700-gal each), one heater/chiller unit (5-ton to maintain temperature-controlled seawater).

Water source: Seawater will be supplied from an existing seawater well and treatment plant which has been in operation for more than ten years. Water quality has been monitored and tested regularly in accordance with Best Available Practices and Association of Zoos and Aquarium (AZA) recommendations.

Upon completion of construction, water flow will be established and KML staff will work through the required testing and monitoring to ensure the system is fully functional, water flow can be maintained, and water conditions are suitable to support corals. The process of Commissioning the System will last a minimum of eight (8) weeks and is outlined below. Proper commissioning of the system is an absolute requirement to ensure functionality and suitable conditions can be maintained.

Commissioning of the system (steps and data collection):

1. Daily water quality parameters will be monitored and collected with a YSI handheld sonde (minimum 3 weeks). This will include pH, salinity, O2, and temperature.
2. Weekly water quality parameters will be tested with aquaculture grade water quality testing kits (minimum 3 weeks). This will include ammonia, nitrite, nitrate, phosphates, copper.
3. Three (3) weeks after the system is operational, water samples will be collected at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab to test for VOCs, phosphates, sulfates, and total nitrogen.
4. Test live corals: Pending results of off-site water quality tests, live test corals will be held in the system for a minimum of two (2) weeks to ensure suitable water conditions have been met.

Upon completion of construction, the system will have a unique designation agreed upon by all parties. The new system will include signage with logos including but not limited to DEP, FCR, Monroe County and KML logos. Design of signage will be completed by KML and submitted to all partners for review and approval prior to installation.

Although not funded under this agreement, the new system will be prioritized for emergency coral rescue efforts and coral restoration activities. If future support for operations and maintenance is provided by DEP, this system will be reserved for use by DEP. If funded by DEP, use of this system will be approved/authorized in writing by DEP to KML for coral response and restoration within 48-hours of use.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Milestone Timeline with estimated period of work for KML seawater system Project construction and completion.
b) Seawater System schematic and map of design plan.
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly).
d) Copies of all acquired permits for construction and buildout.
e) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
f) Representative (5-10) photos of DEP SW system once construction is complete that shows the signage and logos detailed above.
g) Social media post with 1-2 photos and 1-3 sentences highlighting the buildout/construction of the new system. Post should acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection and partnership with Monroe County.
h) Water quality data during the commissioning of the SW system:
  i. Daily collection of pH, salinity, O2, and temperature (minimum of 3 weeks);
  ii. Weekly collection of ammonia, nitrite, nitrate, phosphates, and copper (min of 3 weeks);
  iii. One-time collection of water samples at strategic locations within the system (minimum 2 locations) and sent to an independent off-site lab for VOCs, phosphates, sulfates, and total nitrogen; and
  iv. Summary of observations and applicable in-tank water test results from the final two week 'water quality specimen holding test' which ensures water quality parameters remain consistent to reef quality and KML existing system parameters after the introduction of specimens.
i) Coordinate final site visit with the DEP.
j) Draft report language summarizing the Project completion and operation status and will include water quality results and outcomes of test corals. Note: draft report will be integrated into Final report as part of Task 1.2.

Task 1.2: Operation and Maintenance of existing KML Seawater Systems for coral emergency response and coral restoration efforts for two years (total 16 tables)

Description: The Grantee will provide funding to KML for the operation and maintenance of sixteen (16) 240-gal tables within existing temperature-controlled KML seawater systems to ensure land-based capacity and availability to support coral emergency responses and coral restoration activities e.g. coral holding, propagation, and grow-out (two 1-year periods). DEP will provide approval to KML for use of the 16 prioritized tables for coral response and restoration within 48-hours of need.

Tables funded under this Project (16) will be reserved for DEP approved usage and costs for such operation will be billed regardless of the total number of tables used in any given month over the course of the Project period. Over-flow capacity for coral emergency response and restoration using other existing KML seawater systems will be billed at posted KML rates.

An onsite emergency backup generator, serviced and maintained by KML, will ensure life support is maintained to the KML seawater systems. The Florida Keys are in an area of high hurricane activity. Equipment shall be designed to resist high-velocity winds and wave action in accordance with local, state, and federal requirements.

Operations and maintenance of the systems will include KML staff support for daily and routine maintenance and administration, coral husbandry position for two years (50% effort), water quality monitoring and routine sampling, utilities costs to operate the system, purchasing any necessary equipment for replacements or repairs to ensure uninterrupted operations, purchase of supplies and consumables for cleaning and biosecurity, periodic veterinary inspections and services for coral health certifications, etc.

Deliverables: The Grantee's subcontractor (KML) will submit:

a) Daily work logs that document activities performed by support staff including routine maintenance (provided quarterly).

b) Repair logs that document all repairs performed on the associated seawater systems and coral husbandry support (provided quarterly).

c) Quarterly tracking and usage spreadsheet that documents the current operations of all DEP-supported seawater tables within KML seawater systems for the reporting period. Spreadsheet will include:
   i. Approved coral restoration entity and/or Principal Investigator
   ii. Number of tables and number of days used

d) Quarterly water quality monitoring and sampling data (Excel spreadsheets):
   i. HOBO data logger – continuous water temperatures in representative seawater tables (note: HOBOs data downloaded at least monthly)
   ii. Daily Hand-held YSI data: water temp, % DO, salinity ppt, pH
   iii. Water quality test results: VOCs, phosphates, sulfates, and total nitrogen (sampled quarterly or once within each reporting period)

e) A final report summarizing the operation and maintenance of systems (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by the DEP's Office of Resilience and Coastal Protection). Final report will include the "Draft report" content from Task 1.1.

Task 2: Infrastructure Expansion and Emergency Coral Transport Capability at/via Mote Marine Laboratory (Mote)

The Grantee's subcontractor, Mote Marine Laboratory (Mote) will perform infrastructure expansion at the Elizabeth Moore International Center for Coral Reef Research and Restoration (IC2R3) (address: 24244 Overseas Highway, Summerland Key, FL 33042), a fully equipped marine science facility dedicated to marine research and education in the Lower Florida Keys (about 24 miles from Key West). Currently, this facility includes:

- Category 5 hurricane resistant concrete building with 19,000 square feet of research labs, education classrooms, offices, and dormitories, vehicles and vessels, WiFi, and convenient access to Lower Florida Keys coral reef sites.
- Approximately 40 Scientific, Education, Administrative, Facilities, and Life Support staff supporting IC2R3 - as well as coral restoration nurseries in Islamorada and Key Largo – and education/outreach locations at the History and Discovery Center in Islamorada and NOAA EcoDiscovery Center in Key West.

- Field support for visiting scientists (details on visitor support).
- Indoor and outdoor seawater systems, environmental control rooms, raceways and experimental tanks for mesocosm-level studies, including research on ocean acidification and climate change impacts to reef organisms (details on wetlab research system).
- Molecular equipment to process and prepare samples for generation sequencing, genomics, metagenomics and transcriptomics (details on microbiology and molecular biology dry labs).
- Microbial supplies for molecular and culturable applications within the marine environment.
- Carbonate chemistry laboratory for ocean acidification studies (details on chemistry dry lab and Climate and Acidification Ocean Simulator).
- Eco-friendly design with solar panels, rainwater capture system, and high-efficiency heating and cooling (LEED Gold certified).

The wide variety of research and education programs conducted at Mote's IC2R3 reflect the diversity of Mote's staff and experience. Current Mote programs with ongoing research at IC2R3 include:

- Coral Reef Restoration
- Coral Reef Monitoring & Assessment
- Coral Health & Disease Research
- Ecotoxicology
- Marine & Freshwater Aquaculture Research
- Ocean Acidification Research

Scientists at IC2R3 study coral reef communities' response to climate change impacts such as rising ocean temperatures and ocean acidification; investigate major coral disease outbreaks and the overall microbiome of microscopic life forms that can help or harm coral reefs; optimize coral reef restoration efforts with grazers studies and research on threatened and vulnerable species; assess the genetic diversity of native coral species, including the potential for genotypes (genetic varieties) with natural resilience to stressors, and more.

Task 2.1: Supply Acquisition and Build-Out for New Land-Based Raceways

Description: The supplies and miscellaneous/other items requested for this emergency coral infrastructure expansion will complement all the above-mentioned coral research and restoration resources and scientific expertise at Mote by adding a 20-raceway coral matrix (approximately 3ft x 3ft x 8ft and 350 gallons each) on the Mote owned IC2R3 property on Summerland Key. This Project will increase coral disturbance holding capacity to maintain basic life support needs, including separate/independent pumps, plumbing, electrical, and alarms required for appropriate coral health to maintain water treatment, flow, filtration, chemistry, temperature, and structure/shade-cloth for managing varying light needs for corals requiring temporary storage during emergency scenarios, such as in-situ water temperature and chemistry stress events, bleaching, disease, and storms. Funding will be used to support the purchase of all supplies and miscellaneous/other needed for buildout. The installation and buildout will be completed by Mote staff (not funded under this agreement). Once raceways become operational, they will continue to be maintained by existing trained/experienced Mote staff. Raceways will be marked with DEP, FCR, and Mote logos and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of this agreement and in coordination with the DEP after agreement termination.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in construction.
b) Photos of area at IC2R3 before buildout of the 20-raceway matrix and associated life support systems.
c) Quarterly Project Management Report documenting the progress of construction and milestones completed to date. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
d) Photos of area at IC2R3 after buildout that show all 20-raceways and associated life support systems. Photos should show the DEP, FCR, and Mote logos being displayed on the new systems.
e) Coordinate final site visit with DEP.
f) Press Releases and/or Social Media posts after construction completion the 20-raceway matrix that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 2.2: Mobile "Live Hauler" Equipment Purchase and Build-Out

Description: An approximately 1,200-gallon, 30 ft "live hauler" trailer will be purchased with independent mobile ability, towed via an existing Mote pickup truck 5th-wheel, with full coral life support systems (condensed mobile version to raceway matrix above – i.e. generator power, mobile filtration and heat pump, and divided spaces for biosecurity). This "live hauler" trailer will be used to transport corals from all restoration partners across the Florida Keys or to the mainland as needed for emergency safe storage or restoration purposes. This equipment purchase will become the property of the Grantee's subcontractor, Mote Marine Laboratory.

Additional supplies/equipment needed for the build-out and outfitting of the "live hauler" trailer will not be funded under this agreement. The initial fabrication of the trailer will be done by Oceans Design and any final installation and buildout will be completed by Mote staff (not funded under this agreement). Additionally, the "live hauler" will also be marked with DEP, FCR and Mote logos on the exterior (unless otherwise noted by DEP) and will be prioritized for emergency coral rescue.

Deliverables: The Grantee will submit:
a) Purchase of the equipment ("live hauler" trailer) as evidenced by: Purchase order(s), vendor invoice(s), and pictures of equipment purchased. Completed Property Reporting Form, DEP 55-211 (Exhibit B) with invoice copy.
b) Photos of "live hauler".
c) Press Releases and/or Social Media posts after construction completion the "live-hauler" that acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3: Infrastructure expansion at the University of Miami

Task 3 will expand land-based infrastructure at the University of Miami's (UM) facilities on Virginia Key for the purpose of holding/propagating future rescue corals in anticipation of the need for rapid disturbance response. UM will design, build, and commission the systems, and then use them to maintain and propagate rescued corals as needed. When not in use for rescue corals, UM will utilize these tanks for routine (non-emergency) propagation pipelines with the understanding that they must be available for rescue corals at short notice, as needed. In these situations, the use of these tanks will be approved/authorized in writing by DEP throughout the duration of the Project.

UM will construct a new ~2,500 sq. ft. shade house to accommodate this expansion. The shade house

will be installed on an elevated gravel bed with retaining walls and buried plumbing and electrical supply. The shade house is a curved-roof construction (bow house) consisting of 50% shade-cloth and a poly liner to shield from rain. The facility will comprise thirty (30) recirculating aquaculture systems (RAS) in six (6) independent arrays of five tanks (30 tanks total). Initially, fifteen (15) propagation tanks will be built out in an existing expansion area and fifteen (15) propagation tanks in the new shade house. However, as the facility continues to expand, we will eventually consolidate all thirty disturbance response tanks into the new shade house that will be dedicated for this use.

Each 115-gal tank is approx. 8'x3'x1' in dimensions, with a growable area of ~25 sq. ft. (750 sq. ft. in total). Each 5-tank array is connected to a 185-gallon sump connected to a 3 hp heater/chiller unit, and each sump incorporates an internal protein skimmer. Pumps continually circulate water through each 5-tank array and temperatures are maintained to within 1oF. Volume of each 5-tank system totals ~760 gallons, including plumbing, tanks, and sump. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami.

Seawater will be replaced in each system on a weekly basis (~200 gal/week per 5-tank array, approx. 20%). Seawater is sourced locally from Bear Cut, passes through settlement tanks, sand filters, and a UV sterilizer and will be ozonated and degassed prior to being used as replacement water in coral tanks. The recirculation loop on each 5-tank system will also include an in-line UV unit to ensure continued sterilization on an ongoing basis.

Task 3.1: Purchase and Install First 15 Tanks and Associated Life Support

Description: Three arrays of 5 tanks each (15 tanks total) will be installed in an expansion area in our existing shade house. Installation and buildout will be completed by UM staff, assisted by the same sub-contractor (Full Spectrum Aquaculture) who installed the existing tank arrays in the shade house. Once construction is completed, tanks are allowed to condition for two weeks to allow residues/PVC glues to dissipate, and to test temperature control and water quality. After this period, corals are introduced to the tanks, where they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems for non-emergency use must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) List of all supplies and equipment purchased and a brief description of how those supplies will be used in the buildout (provided quarterly).

b) Quarterly Project Management Report documenting the progress of installation and milestones completed to date. Report shall include 1-3 photos documenting the progress of installation. Report may be provided as part of the Exhibit A Progress Report.

c) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems and signage/logos detailed above.

d) Social Media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.2: Site Preparation, Construction of Shade house, and Installation of Second 15 Tanks and Associated Life Support

Description: UM will undertake site preparations and installation of a new shade house at an expansion site adjacent to UM/Experimental Hatchery. This shade house will accommodate the second set of three

5-tank arrays. Site preparation, electrical/plumbing hookups, and shade house installation will all be undertaken by contractors/suppliers/vendors. Installation and buildout of tanks and life support will be completed by UM staff assisted by the same contractor (Full Spectrum Aquaculture) who installed all existing tank arrays. All equipment and assets purchased for and used in the construction and buildout of this new system will become the property of the University of Miami. Once raceways become operational, they will be maintained by UM staff. Raceways will be marked with DEP, FCR, and UM logos (at minimum) and will be prioritized for emergency coral rescue efforts. The use of these systems must be approved/authorized in writing by DEP throughout the duration of the Project.

Deliverables: The Grantee will submit:

a) Map of site and planned construction area/designs.
b) Copies of any permits for construction and buildout, if any required
c) List of all supplies and equipment purchased and a brief description of how those supplies will be used (provided quarterly)
d) Quarterly Project Management Report documenting the progress of construction and milestones completed to date including site prep, plumbing, system buildout, shade house construction, and electrical. Report shall include 1-3 photos documenting the progress of construction. Report may be provided as part of the Exhibit A Progress Report.
e) Representative photos (5-10) of area after buildout showing the three 5-tank arrays and associated life support systems including signage/logos detailed above.
f) Social media post after completion of the three 5-tank arrays that acknowledges the funding assistance provided by DEP's Office of Resilience and Coastal Protection and partnership with the Grantee.

Task 3.3: System Operations and Maintenance

Description: UM will incorporate the newly constructed DEP Coral Response Seawater Systems into the operations and maintenance of its existing coral facility to ensure life support for corals and associated organisms. Current protocols at the University of Miami's facility include the following:

Husbandry Protocols

- Husbandry lists are completed daily with such activities as feeding, health examinations, water parameter monitoring, equipment checks, maintenance, isolation and treatment of new arrivals as well as various other essential tasks logged in a database. Open-up, daily and close-up activities are conducted, logged, and initialed to establish a record and degree of accountability.
- All equipment is inspected upon arrival, and when leaving the facility at the end of the day. All aquarium systems are monitored 24/7/365 via temperature sensors. Should the temperature rise or fall outside of the designated range for that system, alerts are sent out via email and text message to a list of accountable staff members responsible for responding to, assessing, and addressing the alerts accordingly.
- Aquariums and raceways are cleaned on a weekly basis. Native invertebrates such as snails, hermit crabs, and sea urchins are also used to aid in the reduction of nuisance algae growth. The platforms and plugs/tiles that coral fragments and colonies are held on are cleaned twice weekly to remove algae, filter feeding pests, and other items that accrue over time.

Routine Health Assessment

- A census of the different coral size classes is conducted daily, with any additional asexual fragmentation conducted and added to a running inventory list. A full inventory log is conducted quarterly to confirm these quantities.

- Coral condition is monitored routinely, with practitioners performing health checks as part of the daily husbandry list. Observations include coral coloration, polyp extension (or lack of), new growth, signs of stress, and other factors. This assessment typically occurs multiple times per day by multiple staff members to ensure that all corals are inspected by multiple observers.
- In cases of mortality, a loss of life analysis is conducted. This analysis consists of a full examination of the conditions surrounding the mortality. Factors of note include: observing corals sharing the same aquarium/water system, checking husbandry logs for irregularities, testing of water parameters for anything outside of acceptable range, etc. Any mortality is logged to identify any patterns of loss and update inventory, recording the species, genotype, and tank in which it was being held, as well as any supplemental information available for that individual.

Water Quality Analyses

- Daily:
  - Alkalinity, salinity, and temperature are monitored daily for each aquarium system. Salinity and temperature are measured using electronic HANNA probes that are calibrated monthly. Alkalinity is recorded via Red Sea alkalinity test kits. Target ranges for these parameters are as follows: Alkalinity 7-9 dKH, Temperature 74-85°F (adjusted seasonally), Salinity 1.024-1.027 relative specific gravity (32-36 ppt).
  - Oxidation-reduction potential (ORP) of ozonated supply water is observed at the start and end of day. The ozonation filtration system is equipped with automatic shutoff measures to safeguard against the dangers of straying above or below the required levels. After ozonation, incoming seawater passes through a carbon filter, and UV sterilizer to further ensure removal of any potentially hazardous ozone remaining in the water. Target range for ORP is 350-375 mV.

- Weekly:
  - Ammonia, nitrite, nitrate, pH, phosphate, magnesium, calcium, and alkalinity are measured and recorded weekly for each system. Aquarium-grade kits are currently used for the testing of these parameters (API Saltwater Master Test Kit, Red Sea Foundation Pro Test Kit, HANNA Digital Phosphate Colorimeter). The equipment for this water quality monitoring is scheduled to be upgraded to spectrophotometric water sampling device to be kept on-site.
  - Target ranges for these parameters are as follows: Ammonia < 0.1 ppm, Nitrite < 0.1 ppm, Nitrate 0-5 ppm, pH 8.0-8.4, Phosphate <0.1 ppm (ideal range 0-0.03 ppm), Calcium 400-450 ppm, Magnesium 1200-1400 ppm, Alkalinity 7-9 dKH.

- Monthly:
  - Water samples taken from each aquarium system are mailed out to an independent, off-site water quality laboratory (ICP Analysis). Reports consisting of the quantitative analysis of 56 different elements are received and compiled for detailed analysis of all aspects of mineral water quality. Incoming seawater and aquarium water are also routinely transported to an adjacent laboratory at the University of Miami's marine campus for analysis of bacterial content. We primarily monitor these minor parameters to assess changes in our incoming seawater supply that might affect or explain variation in the weekly parameters listed above. For this reason, we do not generally have a target range for these additional monthly parameters.

Propagation and Transfer

- Microfragmentation occurs when parent colonies and existing fragments have overgrown their substrate. Parental/genotype information is recorded on the plug of each fragment. Approximately 50-100 new fragments are produced weekly for research or outplanting purposes.
- All transfer events are communicated between participating organizations with advanced planning and coordination with a licensed veterinary technician. Any corals arriving/departing from/to other coral facilities must have an inspection prior to transport. Proper documentation consisting of species, genotype, quantity, original collection point, and destination information is provided by/to the transferring and receiving facilities.
- Any corals leaving the facility to be outplanted on nurseries or reefs require an additional veterinary inspection if they have been held on site for more than 30 days before they are permitted to leave the facility.

Deliverables: The Grantee will submit:

a) Spreadsheet containing daily, weekly, and monthly water quality data, as described above under "*Water Quality Analyses*" (provided quarterly).
b) Spreadsheet documenting "*routine health assessments*", as described above (provided quarterly)
c) Representative images (5-10) of the raceways/tanks in use. Images should clearly show the tanks are labelled/marked with the DEP logo (provided quarterly).
d) Current inventory cataloguing corals/fragments currently in holding and which tank/system they are being held in (excel spreadsheet) (provided quarterly).
e) Coordinate final site visit with the Department.
f) A final report summarizing the Project completion and operation status will include water quality results (Note: final report must comply with Section 508 of the U.S. Rehabilitation Act (as amended), Florida Statute Chapter 282, and Rule: 60-8.002, F.A.C. Final report will also acknowledge the funding assistance provided by DEP's Office of Resilience and Coastal Protection). Final report will also include a summary from Task 3.1 and 3.2.

VI. PERFORMANCE MEAUSURES: The Grantee will submit all deliverables electronically for each task to the Department's Grant Manager on or before the Task Due Date listed in the Project Timeline below. The Department's Grant Manager will review the task deliverable(s) to verify that they meet the specifications in the Grant Work Plan and the task description, include any work being performed by any subcontractor(s), and will provide written acceptance or denial of the deliverable(s) to the Grantee within thirty (30) calendar days. Tasks may include multiple deliverables to be completed. The Department will accept partial and full deliverables. Incomplete deliverables will not be accepted. A "partial deliverable" is defined as a deliverable consisting of one (1) or more (but not all) subcomponents listed in the deliverable list for a single sub-task, where such subcomponent(s) are delivered to the Department at one hundred percent (100%) completion. A "full deliverable" is defined as a deliverable comprising all subcomponents listed in the deliverable list for a single sub-task, all delivered to the Department at one hundred percent (100%) completion. An "incomplete deliverable" is defined as a deliverable for which one hundred percent (100%) completion has not been achieved for any of the subcomponents listed in the deliverable list for a single sub-task. A task is considered one hundred percent (100%) complete upon the Department's receipt and approval of all deliverable(s) listed within the task and the Department's approval provided in writing. Upon review and written acceptance by the Department's Grant Manager, the Grantee may proceed with payment request submittal.

VII. CONSEQUENCES FOR NON-PERFORMANCE: For each task deliverable not received by the Department at one hundred percent (100%) completion and by the specified due date listed in the Agreement's most recent Project Timeline, the Department will reduce the relevant Task Funding

Amount(s) paid to Grantee in proportion to the percentage of the deliverable(s) not fully completed. If the Grantee does not meet a deadline for any deliverable, the Department will reduce the invoice by 1% for each day the deadline is missed, unless an extension is approved in writing by the Department.

VIII. PAYMENT REQUEST SCHEDULE: Following the Grantee's full or partial completion of a task's deliverable(s) and acceptance by the Department's Grant Manager, the Grantee may submit a payment request for cost reimbursement using the Exhibit C, Payment Request Summary Form. All payment requests must be accompanied by the Deliverable Acceptance Letter; the approved Exhibit A, Progress Report Form, detailing all progress made in the invoice period; and supporting fiscal documentation including match, if applicable. Interim payments will not be accepted. Payment requests will not be accepted until all required Exhibit A, Progress Report Forms, have been submitted to the Department's Grant Manager for all reporting periods dating back to the Agreement Begin Date. Upon the Department's receipt of the aforementioned documents and supporting fiscal documentation, the Department's Grant Manager will have ten (10) working days to review and approve or deny the payment request.

IX. STATUS REPORTS: Quarterly status reports are due no later than forty-five (45) days following the completion of the quarterly reporting period. For the purposes of this reporting requirement, the quarterly reporting periods end on March 31, June 30, September 30, and December 31. The final quarterly status report is due no later than August 15, 2026.

X. PROJECT TIMELINE AND BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task due date listed in the table below. Cost-reimbursable grant funding must not exceed the budget amounts indicated below. Requests for any change(s) must be submitted prior to the current task due date listed in the Project Timeline. Requests are to be sent via email to the Department's Grant Manager, with the details of the request and the reason for the request made clear.

Task No.	Task Title	Budget Category	DEP Amount	Task Start Date	Task Due Date
1.1	Infrastructure Construction, Equipment Installation, and Build-Out of New DEP Seawater System	Contractual Services	$559,283	Upon Execution	12/31/2025
1.2	Operation and Maintenance of existing KML-NSF System for coral emergency response efforts for two years	Contractual Services	$430,717	Upon Execution	6/30/2026

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Public Records Requirements

Attachment 4

1. **Public Records.**

a. If the Agreement exceeds $35,000.00, and if Grantee is acting on behalf of Department in its performance of services under the Agreement, Grantee must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by Grantee in conjunction with the Agreement (Public Records), unless the Public Records are exempt from section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.

b. The Department may unilaterally terminate the Agreement if Grantee refuses to allow public access to Public Records as required by law.

2. **Additional Public Records Duties of Section 119.0701, F.S., If Applicable.**
For the purposes of this paragraph, the term "contract" means the "Agreement." If Grantee is a "contractor" as defined in section 119.0701(1)(a), F.S., the following provisions apply and the contractor shall:

a. Keep and maintain Public Records required by Department to perform the service.

b. Upon request, provide Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

c. A contractor who fails to provide the Public Records to Department within a reasonable time may be subject to penalties under section 119.10, F.S.

d. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the contractor does not transfer the Public Records to Department.

e. Upon completion of the contract, transfer, at no cost, to Department all Public Records in possession of the contractor or keep and maintain Public Records required by Department to perform the service. If the contractor transfers all Public Records to Department upon completion of the contract, the contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the contractor keeps and maintains Public Records upon completion of the contract, the contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to Department, upon request from Department's custodian of Public Records, in a format specified by Department as compatible with the information technology systems of Department. These formatting requirements are satisfied by using the data formats as authorized in the contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the contractor is authorized to access.

f. **IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, F.S., TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THE CONTRACT, CONTACT THE DEPARTMENT'S CUSTODIAN OF PUBLIC RECORDS AT:**

DEPARTMENT OF ENVIRONMENTAL PROTECTION
Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement)* to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $750,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other federal entities.

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at http://www.fldfs.com/and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (non and for-profit organizations), Rules of the Auditor General, should indicate the date and the reporting package was delivered to the recipient correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.

EXHIBIT – 1

FUNDS AWARDED TO THE RECIPIENT PURSUANT TO THIS AGREEMENT CONSIST OF THE FOLLOWING:

Note: If the resources awarded to the recipient represent more than one federal program, provide the same information shown below for each federal program and show total federal resources awarded

ATTACHMENT 8
Contract Provisions for Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Agreements

The Department, as a Non-Federal Entity as defined by 2 CFR §200.69, shall comply with the following provisions, where applicable. For purposes of this Grant Agreement between the Department and the Grantee, the term "Recipient" shall mean "Grantee."

Further, the Department, as a pass-through entity, also requires the Grantee to pass on these requirements to all lower tier subrecipients/contractors, and to comply with the provisions of the award, the SLFRF implementing regulation, including applicable provisions of the OMB Uniform Guidance (2 CFR Part 200), and all associated terms and conditions. Therefore, Grantees must include these requirements in all related subcontracts and/or sub-awards. Grantees can include these requirements by incorporating this Attachment in the related subcontract and/or sub-awards, however for all such subcontracts and sub-awards, the Grantee shall assume the role of the Non-Federal Entity and the subrecipients shall assume the role of the Recipient.

2 CFR PART 200 APPENDIX 2 REQUIREMENTS

1. Administrative, Contractual, and Legal Remedies

The following provision is required if the Agreement is for more than $150,000. In addition to any of the remedies described elsewhere in the Agreement, if the Recipient materially fails to comply with the terms and conditions of this Contract, including any Federal or State statutes, rules, or regulations, applicable to this Contract, the Non-Federal Entity may take one or more of the following actions.

A. Temporarily withhold payments pending correction of the deficiency by the Recipient.
B. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
C. Wholly or partly suspend or terminate this Contract.
D. Take other remedies that may be legally available.

The remedies identified above, do not preclude the Recipient from being subject to debarment and suspension under Presidential Executive Orders 12549 and 12689. The Non-Federal entity shall have the right to demand a refund, either in whole or part, of the funds provided to the Recipient for noncompliance with the terms of this Agreement.

2. Termination for Cause and Convenience

Termination for Cause and Convenience are addressed elsewhere in the Agreement.

3. Equal Opportunity Clause

The following provision applies if the agreement meets the definition of "federally assisted construction contract" as defined by 41 CFR Part 60-1.3:

During the performance of this Agreement, the Recipient agrees as follows:

A. The Recipient will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Recipient will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
    i. Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Recipient agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
B. The Recipient will, in all solicitations or advertisements for employees placed by or on behalf of the Recipient, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
C. The Recipient will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's

essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Recipient's legal duty to furnish information.

D. The Recipient will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Agreement or understanding, a notice to be provided advising the said labor union or workers' representatives of the Recipient's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

E. The Recipient will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

F. The Recipient will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

G. In the event of the Recipient's noncompliance with the nondiscrimination clauses of this Agreement or with any of the said rules, regulations, or orders, this Agreement may be canceled, terminated, or suspended in whole or in part and the Recipient may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. The Recipient will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Recipient will take such action with respect to any subcontractor purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance.

4. Contract Work Hours and Safety Standards Act

Where applicable, if the Agreement is in excess of $100,000 and involves the employment of mechanics or laborers, the Recipient must comply with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each Recipient must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. Rights to Inventions Made Under Agreement

If the Federal award meets the definition of "funding agreement" under 37 CFR §401.2 (a) and the Non- Federal Entity or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the Non-Federal Entity or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. Clean air Act (42 U.S. C. 7401-7671q.), the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), and EPA Regulations

If the Agreement is in excess of $100,000, the Recipient shall comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control

Act as amended (33 U.S.C. 1251-1387), and by the EPA (40 CFR Part 15). Violations must be reported to the Federal Awarding Agency and the Regional Office of the Environmental Protection Agency (EPA).

i. The Grantee shall include these requirements for the Clean Air Act and the Federal Water Pollution Act in each subcontract exceeding $100,000 financed in whole or in part with SLFRF funds.

7. Debarment and Suspension (Executive Orders 12549 and 12689)

The Recipient certifies that it is not listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 and 2 CF 1200 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension."

8. Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

The Recipient certifies that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. If applicable, the Recipient shall disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award, using form SF-LLL, available at:
https://apply07.grants.gov/apply/forms/sample/SFLLL_1_2_P-V1.2.pdf.

i. Grantees who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient.

9. Procurement of Recovered Materials

The Recipient must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act as described in 2 CFR part 200.322.

10. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment

The Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as partof any system. See Section 889 of Public Law 115-232 (National Defense Authorization Act 2019). Also, see 2 CFR 200.216 and 200.471.

11. Domestic Preferences for Procurement

The Recipients and subrecipients must, to the greatest extent practical, give preference to the purchase, acquisition, or use of goods, products, or materials produced in the United States in accordance with 2 CFR 200.322.

ADMINISTRATIVE

1. General Federal Regulations

Recipients shall comply with the regulations listed in 2 CFR 200, 48 CFR 31, and 40 U.S.C. 1101 *et seq.*

2. Rights to Patents and Inventions Made Under a Contract or Agreement

Rights to inventions made under this assistance agreement are subject to federal patent and licensing regulations, which are codified at Title 37 CFR Part 401 and Title 35 U.S.C. 200 through 212.

3. Compliance with the Trafficking Victims Protection Act of 2000 (2 CFR Part 175)

Recipients, their employees, subrecipients under this award, and subrecipients' employees may not:

A. Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
B. Procure a commercial sex act during the period of time that the award is in effect; or
C. Use forced labor in the performance of the award or subawards under the award.

4. Whistleblower Protection

Recipients shall comply with U.S.C. §4712, Enhancement of Recipient and Subrecipient Employee Whistleblower Protection. This requirement applies to all awards issued after July 1, 2013 and effective December 14, 2016 has been permanently extended (Public Law (P.L.) 114-261).

A. This award, related subawards, and related contracts over the simplified acquisition threshold and all employees working on this award, related subawards, and related contracts over the simplified acquisition threshold are subject to the whistleblower rights and remedies in the pilot program on award recipient employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (P.L. 112-239).

B. Recipients, their subrecipients, and their contractors awarded contracts over the simplified acquisition threshold related to this award, shall inform their employees in writing, in the predominant language of the workforce, of the employee whistleblower rights and protections under 41 U.S.C. 4712.

C. The Recipient shall insert this clause, including this paragraph C, in all subawards and in contracts over the simplified acquisition threshold related to this award; best efforts should be made to include this clause, including this paragraph C in any subawards and contracts awarded prior to the effective date of this provision.

5. Notification of Termination (2 CFR § 200.340)

In accordance with 2 CFR § 200.340, in the event that the Agreement is terminated prior to the end of the period of performance due to the Recipient's or subcontractor's material failure to comply with Federal statutes, regulations or the terms and conditions of this Agreement or the Federal award, the termination shall be reported to the Office of Management and Budget (OMB)-designated integrity and performance system, accessible through System for Award Management (SAM) currently the Federal Awardee Performance and Integrity Information System (FAPIIS). The Non-Federal Entity will notify the Recipient of the termination and the Federal requirement to report the termination in FAPIIS. See 2 CFR § 200.340 for the requirements of the notice and the Recipient's rights upon termination and following termination.

6. Additional Lobbying Requirements

A. The Recipient certifies that no funds provided under this Agreement have been used or will be used to engage in the lobbying of the Federal Government or in litigation against the United States unless authorized under existing law.

B. The Lobbying Disclosure Act of 1995, as amended (2 U.S.C. §1601 et seq.), prohibits any organization described in Section 501(c)(4) of the Internal Revenue Code, from receiving federal funds through an award, grant (and/or subgrant) or loan unless such organization warrants that it does not, and will not engage in lobbying activities prohibited by the Act as a special condition of such an award, grant (and/or subgrant), or loan. This restriction does not apply to loans made pursuant to approved revolving loan programs or to contracts awarded using proper procurement procedures.

C. Pursuant to 2 CFR §200.450 and 2 CFR §200.454(e), the Recipient is hereby prohibited from using funds provided by this Agreement for membership dues to any entity or organization engaged in lobbying activities.

7. Increasing Seat Belt Use in the United States

Pursuant to Executive Order 13043, 62 FR 19217 (Apr. 18, 1997), Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles.

8. Reducing Text Messaging While Driving

Pursuant to Executive Order 13513, 74 FR 51225 (Oct. 6, 2009), Grantee is encouraged to adopt and enforce policies that ban text messaging while driving and establish workplace safety policies to decrease accidents caused by distracted drivers.

9. Uniform Relocation Assistance and Real Property Acquisitions Act of 1970

Where applicable, 42 U.S.C. §§ 4601-4655 and implementing regulations apply to this Agreement.

COMPLIANCE WITH ASSURANCES

1. Assurances

Recipients shall comply with all applicable assurances made by the Department or the Recipient to the Federal Government during the Grant application process.

FEDERAL REPORTING REQUIREMENTS

1. FFATA

Grant Recipients awarded a new Federal grant greater than or equal to $30,000 awarded on or after October1, 2015, are subject to the FFATA the Federal Funding Accountability and Transparency Act ("FFATA") of 2006. The FFATA legislation requires that information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The Grantee agrees to provide the information necessary, within one (1) month of execution, for the Department to comply with this requirement.

DEPARTMENT OF TREASURY-SPECIFIC

1. Civil Rights Compliance

Recipients of Federal financial assistance from the Treasury are required to meet legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from the Treasury do not deny benefits or services or otherwise discriminate on the basis of race, color, national origin, (including limited English proficiency), disability, age, or sex (including sexual orientation and gender identity), in accordance with the following: Title VI of Civil Rights Acts of 1973 (Section 504), Public Law 93-112, as amended by Public Law 93-516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 et seq., and the Department's implementing regulations, 31 CFR 28; Age Discrimination Act of 1975, Public Law 94-135, 42 U.S.C. 6101 et seq., and the Department of Treasury implementing regulations at 31 CFR part 23.

The Department of Treasury will request information on recipients' compliance with Title VI of the Civil Rights Act of 1964, as applicable, on an annual basis. This information may include a narrative descripting the recipient's compliance with Title VI, along with other questions and assurances.

SLFRF-SPECIFIC

1. Period of Performance

All funds from SLFRF must be obligated by December 31, 2024 and expended by December 31, 2026.

2. Equipment and Real Property Management

Any purchase of equipment or real property with SLFRF funds must be consistent with the Uniform Guidance at 2 CFR Part 200, Subpart D. Equipment and real property acquired under this program must be used for the originally authorized purpose. Consistent with 2 CFR 200.311 and 2 CFR 200.313, any equipment or real property acquired using SLFRF funds shall vest in the non-Federal entity. Any acquisition and maintenance of equipment or real property must also be in compliance with relevant laws and regulations.

SLFRF INFRASTRUCTURE PROJECTS

For all infrastructure projects, the Grantee shall provide the following project information on a quarterly basis to the Department:

i. Projected/actual construction start date (month/year)
ii. Projected/actual initiation of operation date (month/year)
iii. Location details

SLFRF INFRASTRUCTURE PROJECTS OVER $10 MILLION

For infrastructure projects over $10 million, the following provisions apply:

1. Wage Certification

Grantees may provide a certification that all laborers and mechanics employed by Grantee in the performance of such project are paid wages at the rates not less than those prevailing, as determined by the U.S. Secretary of Labor in accordance with the Davis-Bacon Act, for the corresponding classes of laborers and mechanics employed projected of a character similar to the contract work in the civil subdivision of Florida in which the work is to be performed. If the Grantee does not provide such certification, the Grantee must provide a project employment and local impact report detailing:

i. The number of employees of contractors and sub-contractors working on the project;
ii. The number of employees on the project hired directly and hired through a third party;
iii. The wages and benefits of workers on the project by classification; and
iv. Whether those wages are at rates less than those prevailing.

Grantee must maintain sufficient records to substantiate this information upon request.

2. Project Labor Agreements

Grantees may provide a certification that the project includes a project labor agreement, meaning a pre-hire collective bargaining agreement consistent with the section 8(f) of the National Labor Relations Act (29 U.S.C. 158(f)). If the Grantee does not provide such certification, the Grantee must provide a project

workforce continuity plan, detailing:

i. How the Grantee will ensure the project has ready access to a sufficient supply of appropriately skilled and unskilled labor to ensure high-quality construction throughout the life of the project;

ii. How the Grantee will minimize risks of labor disputes and disruptions that would jeopardize timeliness and cost-effectiveness of the project;

iii. How the Grantee will provide a safe and healthy workplace that avoids delays and costs associatedwith workplace illnesses, injuries, and fatalities;

iv. Whether workers on the project will receive wages and benefits that will secure and appropriately skilled workforce in the context of the local or regional labor market; and

v. Whether the project has completed a labor agreement.

3. Other Reporting Requirements

Grantees must report whether the project prioritizes local hires and whether the project has Community Benefit Agreement, with a description of any such agreement, if applicable.

SLFRF WATER & SEWER PROJECTS

For water and sewer projects, Grantees shall provide the following information to the Department once the project starts, as appliable:

i. National Pollutant Discharge Elimination System (NPDES) Permit Number, for projects aligned with the Clean Water State Revolving Fund

ii. Public Water System (PWS) ID number, for projects aligned with the Drinking Water State Revolving Fund.

License and Indemnification

I certify that I am the owner of the photograph(s), video(s), audio recording(s) and/or artwork(s) being submitted and am eighteen (18) years of age or older.

I hereby grant to the Florida Department of Environmental Protection the royalty-free and non-exclusive right to distribute, publish and use the photograph(s), video(s), audio recording(s) and art work(s) submitted herewith (the "Work") to promote the Florida Department of Environmental Protection. Uses may include, but are not limited to:

1. Promotion of FDEP (including, but limited to publications, websites, social media venues, advertisements, etc.); and
2. Distribution to the media; and
3. Use in commercial products.

The Florida Department of Environmental Protection reserves the right to use/not use any Work as deemed appropriate by the Florida Department of Environmental Protection. No Work will be returned once submitted.

I hereby acknowledge that the Florida Department of Environmental Protection shall bear no responsibility whatsoever for protecting the Work against third-party infringement of my copyright interest or other intellectual property rights or other rights I may hold in such Work, and in no way shall be responsible for any losses I may suffer as a result of any such infringement; and I hereby represent and warrant that the Work does not infringe the rights of any other individual or entity.

I hereby unconditionally release, hold harmless and indemnify the Florida Department of Environmental Protection, its employees, volunteers, and representatives of and from all claims, liabilities and losses arising out of or in connection with the Florida Department of Environmental Protection's use of the Work. This release and indemnification shall be binding upon me, and my heirs, executors, administrators and assigns.

I have read and understand the terms of this release.

Board of County Commissioners Meeting
April 16, 2025
Agenda Item Number: C13
2023-3883

BULK ITEM: Yes **DEPARTMENT:** Sustainability

TIME APPROXIMATE: **STAFF CONTACT:** Mike Lalbachan

AGENDA ITEM WORDING: Approval of a Hazard Mitigation Grant Program (HMGP) Agreement with the Florida Division of Emergency Management (FDEM) under Presidential Disaster Declaration for Hurricane Ian (FEMA 4673-DR-FL) to elevate two (2) residential structures in the amount of $515,844.00 and further directing and authorizing the County Administrator or her designee to act in connection with the application and to provide such additional information as may be required by the Florida Division of Emergency Management.

ITEM BACKGROUND:
The Florida Division of Emergency Management (FDEM) announced the availability of Hazard Mitigation Grant Program (HMGP) funds as a result of the Presidential Disaster Declaration for Hurricane Ian (FEMA 4673-DR-FL). One of the applications submitted by the Monroe County BOCC was approved for the elevation of two (2) single-family residences in Key West, Monroe County, Florida.

The proposed project shall elevate the existing residential structures to a minimum of 2 feet above the Base Flood Elevation (BFE). These residential properties are prone to flooding during high tides or hurricanes and have experienced frequent flooding. The susceptibility is attributed to the location of the structures in a Coastal AE Zone within the Special Flood Hazard (SFHA) in the Florida Keys.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations

ID#	Location	Coordinates
1	1551 5th Street, Key West, FL 33040	24.55578, -81.775547
2	1518 5th Street, Key West, FL 33040	24.55663, -81.776189

The total project cost is $515,844.00 with a federal share of $386,883.00 and the homeowners' share of

$128,961.00. FDEM also allocated $25,000.00 for the management costs associated with the implementation of the project. The County has until November 30, 2027, to complete the project.

PREVIOUS RELEVANT BOCC ACTION:
On April 19, 2023, the County accepted a grant agreement (H0938) for the elevation of 4 residential structures under hurricane Irma (4337).

On July 19, 2023, the County approved staff to submit grant applications under Hurricane Ian (4673) for residential elevations.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:
GPJ 4/1/25 - per Page 35-36 grant conditions, owners of the properties receiving assistance under this grant must provide proof of flood insurance with limits equal to at least project costs, to the extent residences remain in SFHA after project completion.

STAFF RECOMMENDATION: Approval of Project Number 4673-021-R (Agreement Number H1160)-Monroe County, Residential Properties #1 for the Elevation of Two (2) Residential Structures.

THIS AGREEMENT is entered into by the State of Florida, Division of Emergency Management, with headquarters in Tallahassee, Florida (hereinafter referred to as the "Division"), and Monroe County, (hereinafter referred to as the "Sub-Recipient").

For the purposes of this Agreement, the Division serves as the pass-through entity for a Federal award, and the Sub-Recipient serves as the recipient of a subaward.

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

A. The Sub-Recipient represents that it is fully qualified and eligible to receive these grant funds to provide the services identified herein;

B. The State of Florida received these grant funds from the Federal government, and the Division has the authority to subgrant these funds to the Sub-Recipient upon the terms and conditions outlined below; and,

C. The Division has statutory authority to disburse the funds under this Agreement.

THEREFORE, the Division and the Sub-Recipient agree to the following:

(1) APPLICATION OF STATE LAW TO THIS AGREEMENT

2 C.F.R. §200.302(a) provides: “Each state must expend and account for the Federal award in accordance with state laws and procedures for expending and accounting for the state's own funds.” Therefore, section 215.971, Florida Statutes, entitled “Agreements funded with federal or state assistance”, applies to this Agreement.

(2) LAWS, RULES, REGULATIONS AND POLICIES

a. The Sub-Recipient's performance under this Agreement is subject to 2 C.F.R. Part 200, entitled “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.”

b. As required by section 215.971(1), Florida Statutes, this Agreement includes:

i. A provision specifying a scope of work that clearly establishes the tasks that the Sub-Recipient is required to perform.

ii. A provision dividing the agreement into quantifiable units of deliverables that must be received and accepted in writing by the Division before payment. Each deliverable must be directly related to the scope of work and specify the required minimum level of service to be performed and the criteria for evaluating the successful completion of each deliverable.

iii. A provision specifying the financial consequences that apply if the Sub-Recipient fails to perform the minimum level of service required by the agreement.

iv. A provision specifying that the Sub-Recipient may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period.

v. A provision specifying that any balance of unobligated funds which has been advanced or paid must be refunded to the Division.

vi. A provision specifying that any funds paid in excess of the amount to which the Sub-Recipient is entitled under the terms and conditions of the agreement must be refunded to the Division.

c. In addition to the foregoing, the Sub-Recipient and the Division shall be governed by all applicable State and Federal laws, rules and regulations, including those identified in Attachment B. Any express reference in this Agreement to a particular statute, rule, or regulation in no way implies that no other statute, rule, or regulation applies.

(3) CONTACT

a. In accordance with section 215.971(2), Florida Statutes, the Division's Grant Manager shall be responsible for enforcing performance of this Agreement's terms and conditions and shall serve as the Division's liaison with the Sub-Recipient. As part of his/her duties, the Grant Manager for the Division shall:

i. Monitor and document Sub-Recipient performance; and,

ii. Review and document all deliverables for which the Sub-Recipient requests payment.

b. The Division's Grant Manager for this Agreement is:

Ms. Nicole Rowe
Project Manager

Tallahassee, FL 32399
Telephone: 850-815-4503
Email: Kathleen.Marshall@em.myflorida.com

1. The name and address of the Representative of the Sub-Recipient responsible for the administration of this Agreement is:

   Mr. Mike Lalbachan
   Monroe County
   102050 Overseas Highway
   Key Largo, Florida 33037
   Telephone: 305-453-8796
   Email: lalbachan-mike@monroecounty-fl.gov

2. In the event that different representatives or addresses are designated by either party after execution of this Agreement, notice of the name, title and address of the new representative will be provided to the other party.

(4) TERMS AND CONDITIONS

This Agreement contains all the terms and conditions agreed upon by the parties.

(5) EXECUTION

This Agreement may be executed in any number of counterparts, any one of which may be taken as an original.

(6) MODIFICATION

Either party may request modification of the provisions of this Agreement. Changes which are agreed upon shall be valid only when in writing, signed by each of the parties, and attached to the original of this Agreement.

(7) SCOPE OF WORK

The Sub-Recipient shall perform the work in accordance with the Budget and Scope of Work, Attachment A of this Agreement.

(8) PERIOD OF AGREEMENT

This Agreement shall begin on December 11, 2024, and shall end on November 30, 2027, unless terminated earlier in accordance with the provisions of Paragraph (17) of this Agreement. Consistent with the definition of “period of performance” contained in 2 C.F.R. §200.1, the term “period of agreement” refers to the time during which the Sub-Recipient “may incur new obligations to carry out the work authorized under” this Agreement. In accordance with section 215.971(1)(d), Florida Statutes, the Sub-Recipient may expend funds authorized by this Agreement “only for allowable costs resulting from obligations incurred during” the period of agreement.

The terms of this Agreement are intended to encompass the Pre-Award period. If applicable, the Pre-Award period and FEMA approved Pre-Award costs shall be outlined in Attachment A of this Agreement (“Budget and Scope of Work”).

(9) FUNDING

a. This is a cost-reimbursement Agreement, subject to the availability of funds.

b. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature, and subject to any modification in accordance with either chapter 216, Florida Statutes, or the Florida Constitution.

c. The Division will reimburse the Sub-Recipient only for allowable costs incurred by the Sub-Recipient in the successful completion of each deliverable. The maximum reimbursement amount for each deliverable is outlined in Attachment A of this Agreement ("Budget and Scope of Work"). The maximum reimbursement amount for the entirety of this Agreement is **$393,460.00**.

d. As required by 2 C.F.R. §200.415(a), any request for payment under this Agreement must include a certification, signed by an official who is authorized to legally bind the Sub-Recipient, which reads as follows: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Federal award. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

e. The Division will review any request for reimbursement by comparing the documentation provided by the Sub-Recipient against a performance measure, outlined in Attachment A, that clearly delineates:

i. The required minimum acceptable level of service to be performed; and,

ii. The criteria for evaluating the successful completion of each deliverable.

f. The performance measure required by section 215.971(1)(b), Florida Statutes, remains consistent with the requirement for a "performance goal", which is defined in 2 C.F.R. §200.1 as "a target level of performance expressed as a tangible, measurable objective, against which actual achievement can be compared." It also remains consistent with the requirement, contained in 2 C.F.R. §200.329, that the Division and the Sub-Recipient "relate financial data to performance goals and objectives of the Federal award."

g. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for overtime expenses in accordance with 2 C.F.R. §200.430 ("Compensation—personal services") and 2 C.F.R. §200.431 ("Compensation—fringe benefits"). If the Sub-Recipient seeks reimbursement for overtime expenses for periods when no work is performed due to vacation, holiday, illness, failure of the employer to provide sufficient work, or other similar cause (*See* 29 U.S.C. §207(e)(2)), then the Division will treat the expense as a fringe benefit. 2 C.F.R. §200.431(a) defines fringe benefits as "allowances and services provided by employers to their employees as compensation in addition to regular salaries and wages." Fringe benefits are allowable under this Agreement as long as

the benefits are reasonable and are required by law, Sub-Recipient-employee agreement, or an established policy of the Sub-Recipient. 2 C.F.R. §200.431(b) provides that the cost of fringe benefits in the form of regular compensation paid to employees during periods of authorized absences from the job, such as for annual leave, family-related leave, sick leave, holidays, court leave, military leave, administrative leave, and other similar benefits, are allowable if all of the following criteria are met:

i. They are provided under established written leave policies;

ii. The costs are equitably allocated to all related activities, including Federal awards; and,

iii. The accounting basis (cash or accrual) selected for costing each type of leave is consistently followed by the non-Federal entity or specified grouping of employees.

h. If authorized by the Federal Awarding Agency, then the Division will reimburse the Sub-Recipient for travel expenses in accordance with 2 C.F.R. §200.474. As required by the Reference Guide for State Expenditures, reimbursement for travel must be in accordance with section 112.061, Florida Statutes, which includes submission of the claim on the approved state travel voucher. If the Sub-Recipient seeks reimbursement for travel costs that exceed the amounts stated in section 112.061(6)(b), Florida Statutes ($6 for breakfast, $11 for lunch, and $19 for dinner), then the Sub-Recipient must provide documentation that:

i. The costs are reasonable and do not exceed charges normally allowed by the Sub-Recipient in its regular operations as a result of the Sub-Recipient's written travel policy; and,

ii. Participation of the individual in the travel is necessary to the Federal award.

i. The Division's grant manager, as required by section 215.971(2)(c), Florida Statutes, shall reconcile and verify all funds received against all funds expended during the grant agreement period and produce a final reconciliation report. The final report must identify any funds paid in excess of the expenditures incurred by the Sub-Recipient.

j. As defined by 2 C.F.R. §200.1, the term "improper payment" means or includes:

i. Any payment that should not have been made or that was made in an incorrect amount (including overpayments and underpayments) under statutory, contractual, administrative, or other legally applicable requirements; and,

ii. Any payment to an ineligible party, any payment for an ineligible good or service, any duplicate payment, any payment for a good or service not received (except for such payments where authorized by law), any payment that does not account for credit for applicable discounts, and any payment where insufficient or lack of documentation prevents a reviewer from discerning whether a payment was proper.

k. No reimbursements shall be made for costs outside the period of agreement, as defined in paragraph (8) of this Agreement.

(10) <u>RECORDS</u>

a. As required by 2 C.F.R. §200.336, the Federal awarding agency, Inspectors General, the Comptroller General of the United States, and the Division, or any of their authorized representatives, shall enjoy the right of access to any documents, papers, or other records of the Sub-Recipient which are pertinent to the Federal award, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents. Finally, the right of access is not limited to the required retention period but lasts as long as the records are retained.

b. As required by 2 C.F.R. §200.332(a)(5), the Division, the Chief Inspector General of the State of Florida, the Florida Auditor General, or any of their authorized representatives, shall enjoy the right of access to any documents, financial statements, papers, or other records of the Sub-Recipient which are pertinent to this Agreement, in order to make audits, examinations, excerpts, and transcripts. The right of access also includes timely and reasonable access to the Sub-Recipient's personnel for the purpose of interview and discussion related to such documents.

c. As required by Florida Department of State's record retention requirements (Chapter 119, Florida Statutes) and by 2 C.F.R. §200.334, the Sub-Recipient shall retain sufficient records to show its compliance with the terms of this Agreement, as well as the compliance of all subcontractors or consultants paid from funds under this Agreement, for a period of five (5) years from the date of submission of the final expenditure report. The following are the only exceptions to the five (5) year requirement:

i. If any litigation, claim, or audit is started before the expiration of the 5-year period, then the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

ii. When the Division or the Sub-Recipient is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period.

iii. Records for real property and equipment acquired with Federal funds must be retained for 5 years after final disposition.

iv. When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 5-year retention requirement is not applicable to the Sub-Recipient.

v. Records for program income transactions after the period of performance. In some cases, recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned.

vi. Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a

particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

d. In accordance with 2 C.F.R. §200.335, the Federal awarding agency must request transfer of certain records to its custody from the Division or the Sub-Recipient when it determines that the records possess long-term retention value.

e. In accordance with 2 C.F.R. §200.336, the Division must always provide or accept paper versions of Agreement information to and from the Sub-Recipient upon request. If paper copies are submitted, then the Division must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.

f. As required by 2 C.F.R. §200.303, the Sub-Recipient shall take reasonable measures to safeguard protected personally identifiable information and other information the Federal awarding agency or the Division designates as sensitive or the Sub-Recipient considers sensitive consistent with applicable Federal, state, local, and tribal laws regarding privacy and obligations of confidentiality.

g. Florida's Government in the Sunshine Law (Section 286.011, Florida Statutes) provides the citizens of Florida with a right of access to governmental proceedings and mandates three, basic requirements: (1) meetings of public boards or commissions must be open to the public; (2) reasonable notice of such meetings must be given; and, (3) minutes of the meetings must be taken and promptly recorded. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the open government requirements. However, the Government in the Sunshine Law applies to private entities that provide services to governmental agencies and that act on behalf of those agencies in the agencies' performance of their public duties. If a public agency delegates the performance of its public purpose to a private entity, then, to the extent that private entity is performing that public purpose, the Government in the Sunshine Law applies. For example, if a volunteer fire department provides firefighting services to a governmental entity and uses facilities and equipment purchased with public funds, then the Government in the Sunshine Law applies to board of directors for that volunteer fire department. Thus, to the extent that the Government in the Sunshine Law applies to the Sub-Recipient based upon the funds provided under this Agreement, the meetings of the Sub-Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board may be subject to open government requirements. These meetings shall be publicly noticed, open to the public, and the minutes of all the meetings shall be public records, available to the public in accordance with chapter 119, Florida Statutes.

h. Florida's Public Records Law provides a right of access to the records of the state and local governments as well as to private entities acting on their behalf. Unless specifically exempted

from disclosure by the Legislature, all materials made or received by a governmental agency (or a private entity acting on behalf of such an agency) in conjunction with official business which are used to perpetuate, communicate, or formalize knowledge qualify as public records subject to public inspection. The mere receipt of public funds by a private entity, standing alone, is insufficient to bring that entity within the ambit of the public record requirements. However, when a public entity delegates a public function to a private entity, the records generated by the private entity's performance of that duty become public records. Thus, the nature and scope of the services provided by a private entity determine whether that entity is acting on behalf of a public agency and is therefore subject to the requirements of Florida's Public Records Law.

i. The Sub-Recipient shall maintain all records for the Sub-Recipient and for all subcontractors or consultants to be paid from funds provided under this Agreement, including documentation of all program costs, in a form sufficient to determine compliance with the requirements and objectives of the Budget and Scope of Work - Attachment A - and all other applicable laws and regulations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT: (850) 815-7671 Records@em.myflorida.com, or 2555 Shumard Oak Boulevard, Tallahassee, FL 32399.

(11) AUDITS

a. The Sub-Recipient shall comply with the audit requirements contained in 2 C.F.R. Part 200, Subpart F.

b. In accounting for the receipt and expenditure of funds under this Agreement, the Sub-Recipient shall follow Generally Accepted Accounting Principles ("GAAP"). As defined by 2 C.F.R. §200.1, GAAP "has the meaning specified in accounting standards issued by the Government Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB)."

c. When conducting an audit of the Sub-Recipient's performance under this Agreement, the Division shall use Generally Accepted Government Auditing Standards ("GAGAS"). As defined by 2 C.F.R. §200.1, GAGAS, "also known as the Yellow Book, means generally accepted government auditing standards issued by the Comptroller General of the United States, which are applicable to financial audits."

d. If an audit shows that all or any portion of the funds disbursed were not spent in accordance with the conditions of this Agreement, the Sub-Recipient shall be held liable for reimbursement to the Division of all funds not spent in accordance with these applicable regulations and

Agreement provisions within thirty (30) days after the Division has notified the Sub-Recipient of such non-compliance.

e. The Sub-Recipient shall have all audits completed by an independent auditor, which is defined in section 215.97(2)(i), Florida Statutes, as "an independent certified public accountant licensed under chapter 473." The independent auditor shall state that the audit complied with the applicable provisions noted above. The audit must be received by the Division no later than nine months from the end of the Sub-Recipient's fiscal year.

f. The Sub-Recipient shall send copies of reporting packages for audits conducted in accordance with 2 C.F.R. Part 200, by or on behalf of the Sub-Recipient, to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

g. The Sub-Recipient shall send the Single Audit reporting package and Form SF-SAC to the Federal Audit Clearinghouse by submission online at:

http://harvester.census.gov/fac/collect/ddeindex.html

h. The Sub-Recipient shall send any management letter issued by the auditor to the Division at the following address:

DEMSingle_Audit@em.myflorida.com

OR

Office of the Inspector General

2555 Shumard Oak Boulevard

Tallahassee, Florida 32399-2100

(12) REPORTS

a. Consistent with 2 C.F.R. §200.328, the Sub-Recipient shall provide the Division with quarterly reports and a close-out report. These reports shall include the current status and progress by the Sub-Recipient and all subcontractors in completing the work described in the Scope of Work and the expenditure of funds under this Agreement, in addition to any other information requested by the Division.

b. Quarterly reports are due to the Division no later than fifteen (15) days after the end of each quarter of the program year and shall be sent each quarter until submission of the administrative close-out report. The ending dates for each quarter of the program year are March 31, June 30, September 30, and December 31.

c. The close-out report is due sixty (60) days after termination of this Agreement or sixty (60) days after completion of the activities contained in this Agreement, whichever first occurs.

d. If all required reports and copies are not sent to the Division or are not completed in a manner acceptable to the Division, then the Division may withhold further payments until they are completed or may take other action as stated in Paragraph (16) REMEDIES. "Acceptable to the Division" means that the work product was completed in accordance with the Budget and Scope of Work.

e. The Sub-Recipient shall provide additional program updates or information that may be required by the Division.

f. The Sub-Recipient shall provide additional reports and information identified in Attachment F.

(13) MONITORING

a. The Sub-Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, the Schedule of Deliverables and Scope of Work are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement and reported in the quarterly report.

b. In addition to reviews of audits, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Sub-Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited scope audit of the Sub-Recipient is appropriate, the Sub-Recipient agrees to comply with any additional instructions provided by the Division to the Sub-Recipient regarding such audit. The Sub-Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Sub-Recipient throughout the contract term to ensure timely completion of all tasks.

(14) LIABILITY

a. Unless Sub-Recipient is a State agency or subdivision, as defined in section 768.28(2), Florida Statutes, the Sub-Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement and, as authorized by section 768.28(19), Florida Statutes, Sub-Recipient shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Sub-Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

b. As required by section 768.28(19), Florida Statutes, any Sub-Recipient which is a state agency or subdivision, as defined in section 768.28(2), Florida Statutes, agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the

Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in section 768.28, Florida Statutes. Nothing herein is intended to serve as a waiver of sovereign immunity by any Sub-Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(15) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (16); however, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment if:

a. Any warranty or representation made by the Sub-Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Sub-Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

b. Material adverse changes occur in the financial condition of the Sub-Recipient at any time during the term of this Agreement, and the Sub-Recipient fails to cure this adverse change within thirty (30) days from the date written notice is sent by the Division;

c. Any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information; or,

d. The Sub-Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(16) REMEDIES

If an Event of Default occurs, then the Division shall, after thirty (30) calendar days written notice to the Sub-Recipient and upon the Sub-Recipient's failure to cure within those thirty (30) days, exercise any one or more of the following remedies, either concurrently or consecutively:

a. Terminate this Agreement, provided that the Sub-Recipient is given at least thirty (30) days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (3) herein;

b. Begin an appropriate legal or equitable action to enforce performance of this Agreement;

c. Withhold or suspend payment of all or any part of a request for payment;

d. Require that the Sub-Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

e. Exercise any corrective or remedial actions, to include but not be limited to:

i. Request additional information from the Sub-Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

ii. Issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

iii. Advise the Sub-Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

iv. Require the Sub-Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

f. Exercise any other rights or remedies which may be available under law.

Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Sub-Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Sub-Recipient.

(17) TERMINATION

a. The Division may terminate this Agreement for cause after thirty (30) days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Sub-Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under chapter 119, Florida Statutes, as amended.

b. The Division may terminate this Agreement for convenience or when it determines, in its sole discretion that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Sub-Recipient with thirty (30) calendar day's prior written notice.

c. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

d. In the event that this Agreement is terminated, the Sub-Recipient will not incur new obligations for the terminated portion of the Agreement after the Sub-Recipient has received the notification of termination. The Sub-Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Sub-Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Sub-Recipient. The

Division may, to the extent authorized by law, withhold payments to the Sub-Recipient for the purpose of set-off until the exact amount of damages due the Division from the Sub-Recipient is determined.

(18) PROCUREMENT

a. The Sub-Recipient shall ensure that any procurement involving funds authorized by the Agreement complies with all applicable federal and state laws and regulations, to include 2 C.F.R. §§200.318 through 200.327 as well as Appendix II to 2 C.F.R. Part 200 (entitled "Contract Provisions for Non-Federal Entity Contracts Under Federal Awards").

b. As required by 2 C.F.R. §200.318(i), the Sub-Recipient shall "maintain records sufficient to detail the history of procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price."

c. As required by 2 C.F.R. §200.318(b), the Sub-Recipient shall "maintain oversight to ensure that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders." In order to demonstrate compliance with this requirement, the Sub-Recipient shall document, in its quarterly report to the Division, the progress of any and all subcontractors performing work under this Agreement.

d. The Sub-Recipient agrees to include in the subcontract that (i) the subcontractor is bound by the terms of this Agreement, (ii) the subcontractor is bound by all applicable state and federal laws and regulations, and (iii) the subcontractor shall hold the Division and Sub-Recipient harmless against all claims of whatever nature arising out of the subcontractor's performance of work under this Agreement, to the extent allowed and required by law.

e. As required by 2 C.F.R. §200.318(c)(1), the Sub-Recipient shall "maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contracts."

f. As required by 2 C.F.R. §200.319(a), the Sub-Recipient shall conduct any procurement under this agreement "in a manner providing full and open competition." Accordingly, the Sub-Recipient shall not:

i. Place unreasonable requirements on firms in order for them to qualify to do business;

ii. Require unnecessary experience or excessive bonding;

iii. Use noncompetitive pricing practices between firms or between affiliated companies;

iv. Execute noncompetitive contracts to consultants that are on retainer contracts;

v. Authorize, condone, or ignore organizational conflicts of interest;

vi. Specify only a brand name product without allowing vendors to offer an equivalent;

vii. Specify a brand name product instead of describing the performance, specifications, or other relevant requirements that pertain to the commodity or service solicited by the procurement;

viii. Engage in any arbitrary action during the procurement process; or,

ix. Allow a vendor to bid on a contract if that bidder was involved with developing or drafting the specifications, requirements, statement of work, invitation to bid, or request for proposals.

g. “Except in those cases where applicable Federal statutes expressly mandate or encourage” otherwise, the Sub-Recipient, as required by 2 C.F.R. §200.319(c), shall not use a geographic preference when procuring commodities or services under this Agreement.

h. The Sub-Recipient shall conduct any procurement involving invitations to bid (i.e. sealed bids) in accordance with 2 C.F.R. §200.320(d) as well as section 287.057(1)(a), Florida Statutes.

i. The Sub-Recipient shall conduct any procurement involving requests for proposals (i.e. competitive proposals) in accordance with 2 C.F.R. §200.320(2) as well as section 287.057(1)(b), Florida Statutes.

j. For each subcontract, the Sub-Recipient shall provide a written statement to the Division as to whether that subcontractor is a minority business enterprise, as defined in section 288.703, Florida Statutes. Additionally, the Sub-Recipient shall comply with the requirements of 2 C.F.R. §200.321 (“Contracting with small and minority businesses, women's business enterprises, and labor surplus area firms”).

k. If the Sub-Recipient chooses to subcontract any of the work required under this Agreement, then the Sub-Recipient shall review its competitive solicitation and subsequent contract to be awarded for compliance with the procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract provisions in Appendix II to 2 C.F.R. Part 200. If the Sub-Recipient publishes a competitive solicitation or executes a contract that is not in compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 or the requirements of Appendix II to 2 C.F.R. Part 200, then the Sub-Recipient is on notice that the Division may:

i. Terminate this Agreement in accordance with the provisions outlined in paragraph (17) above; or,

ii. Refuse to reimburse the Sub-Recipient for any costs associated with that solicitation.

l. FEMA has developed helpful resources for subgrant recipients related to compliance with the Federal procurement standards in 2 C.F.R. §§200.318 through 200.327 and required contract

provisions in Appendix II to 2 C.F.R. Part 200. These resources are generally available at https://www.fema.gov/procurement-disaster-assistance-team.

(19) ATTACHMENTS

a. All attachments to this Agreement are incorporated as if set out fully.

b. In the event of any inconsistencies or conflict between the language of this Agreement and the attachments, the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

c. This Agreement has the following attachments:

i. Exhibit 1 - Funding Sources
ii. Attachment A – Budget and Scope of Work
iii. Attachment B – Program Statutes and Regulations
iv. Attachment C – Statement of Assurances
v. Attachment D – Request for Advance or Reimbursement
vi. Attachment E – Justification of Advance Payment
vii. Attachment F – Quarterly Report Form
viii. Attachment G – Warranties and Representations
ix. Attachment H – Certification Regarding Debarment
x. Attachment I – Federal Funding Accountability and Transparency Act
xi. Attachment J – Mandatory Contract Provisions
xii. Attachment K – Certification Regarding Lobbying
xiii. Attachment L – Florida Accountability Contract Tracking System
xiv. Attachment M – Foreign Country of Concern Affidavit

(20) PAYMENTS

a. Any advance payment under this Agreement is subject to 2 C.F.R. §200.305 and, as applicable, section 216.181(16), Florida Statutes. All advances are required to be held in an interest-bearing account. If an advance payment is requested, the budget data on which the request is based and a justification statement shall be included in this Agreement as Attachment E. Attachment E will specify the amount of advance payment needed and provide an explanation of the necessity for and proposed use of these funds. No advance shall be accepted for processing if a reimbursement has been paid prior to the submittal of a request for advanced payment. After the initial advance, if any, payment shall be made on a reimbursement basis as needed.

b. Invoices shall be submitted at least quarterly and shall include the supporting documentation for all costs of the project or services. The final invoice shall be submitted within sixty (60) days after the expiration date of the agreement. An explanation of any circumstances prohibiting the submittal of quarterly invoices shall be submitted to the Division grant manager as part of the Sub-Recipient's quarterly reporting as referenced in Paragraph (12) of this Agreement.

c. If the necessary funds are not available to fund this Agreement as a result of action by the United States Congress, the federal Office of Management and Budgeting, the State Chief Financial Officer or under subparagraph (9)b. of this Agreement, all obligations on the part of the Division to make any further payment of funds shall terminate, and the Sub-Recipient shall submit its closeout report within thirty (30) days of receiving notice from the Division.

(21) REPAYMENTS

a. All refunds or repayments due to the Division under this Agreement are to be made payable to the order of "Division of Emergency Management", and mailed directly to the following address:

Division of Emergency Management
Cashier
2555 Shumard Oak Boulevard
Tallahassee FL 32399-2100

b. In accordance with section 215.34(2), Florida Statutes, if a check or other draft is returned to the Division for collection, Sub-Recipient shall pay the Division a service fee of $15.00 or 5% of the face amount of the returned check or draft, whichever is greater.

(22) MANDATED CONDITIONS

a. The validity of this Agreement is subject to the truth and accuracy of all the information, representations, and materials submitted or provided by the Sub-Recipient in this Agreement, in any later submission or response to a Division request, or in any submission or response to fulfill the requirements of this Agreement. All of said information, representations, and materials are incorporated by reference. The inaccuracy of the submissions or any material changes shall, at the option of the Division and with thirty (30) days written notice to the Sub-Recipient, cause the termination of this Agreement and the release of the Division from all its obligations to the Sub-Recipient.

b. This Agreement shall be construed under the laws of the State of Florida, and venue for any actions arising out of this Agreement shall be in the Circuit Court of Leon County. If any provision of this Agreement is in conflict with any applicable statute or rule, or is unenforceable, then the provision shall be null and void to the extent of the conflict, and shall be severable, but shall not invalidate any other provision of this Agreement.

c. Any power of approval or disapproval granted to the Division under the terms of this Agreement shall survive the term of this Agreement.

d. The Sub-Recipient agrees to comply with the Americans With Disabilities Act (Public Law 101-336, 42 U.S.C. Section 12101 et seq.), which prohibits discrimination by public and private entities on the basis of disability in employment, public accommodations, transportation, State and local government services, and telecommunications.

e. Those who have been placed on the convicted vendor list following a conviction for a public entity crime or on the discriminatory vendor list may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with a public entity, and may not transact business with any public entity in excess of $25,000.00 for a period of 36 months from the date of being placed on the convicted vendor list or on the discriminatory vendor list.

f. Any Sub-Recipient which is not a local government or state agency, and which receives funds under this Agreement from the federal government, certifies, to the best of its knowledge and belief, that it and its principals or affiliates:

i. Are not presently debarred, suspended, proposed for debarment, declared ineligible, voluntarily excluded or disqualified from covered transactions by a federal department or agency;

ii. Have not, within a five-year period preceding this proposal been convicted of or had a civil judgment rendered against them for fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

iii. Are not presently indicted or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any offenses enumerated in paragraph (22) f. ii. of this certification; and,

iv. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default.

g. **In addition, the Sub-Recipient shall send to the Division (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment H) for each intended subcontractor which Sub-Recipient plans to fund under this Agreement. The form must be received by the Division before the Sub-Recipient enters into a contract with any subcontractor.**

h. The Division reserves the right to unilaterally cancel this Agreement if the Sub-Recipient refuses to allow public access to all documents, papers, letters or other material subject to the provisions of chapter 119, Florida Statutes, which the Sub-Recipient created or received under this Agreement.

i. If the Sub-Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

j. The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Sub-Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

k. Section 287.05805, Florida Statutes, requires that any state funds provided for the purchase of or improvements to real property are contingent upon the contractor or political subdivision granting to the state a security interest in the property at least to the amount of state funds provided for at least 5 years from the date of purchase or the completion of the improvements or as further required by law.

l. The Division may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), Florida Statutes, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

m. If applicable, pursuant to Section 255.0993, Florida Statutes, the Sub-Recipient shall ensure that any iron or steel product, as defined in Section 255.0993(1)(b), Florida Statutes, that is permanently incorporated in the deliverable(s) resulting from this project, must be produced in the United States.

(23) LOBBYING PROHIBITION

a. 2 C.F.R. §200.450 prohibits reimbursement for costs associated with certain lobbying activities.

b. Section 216.347, Florida Statutes, prohibits "any disbursement of grants and aids appropriations pursuant to a contract or grant to any person or organization unless the terms of the grant or contract prohibit the expenditure of funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency."

c. No funds or other resources received from the Division under this Agreement may be used directly or indirectly to influence legislation or any other official action by the Florida Legislature or any state agency.

d. The Sub-Recipient certifies, by its signature to this Agreement, that to the best of his or her knowledge and belief:

i. No Federal appropriated funds have been paid or will be paid, by or on behalf of the Sub-Recipient, to any person for influencing or attempting to influence an officer or

employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement.

ii. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the Sub-Recipient shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities."

iii. The Sub-Recipient shall require that this certification be included in the award documents for all subawards (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Sub-Recipients shall certify and disclose.

iv. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

(24) COPYRIGHT, PATENT AND TRADEMARK

EXCEPT AS PROVIDED BELOW, ANY AND ALL PATENT RIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY RESERVED TO THE STATE OF FLORIDA; AND, ANY AND ALL COPYRIGHTS ACCRUING UNDER OR IN CONNECTION WITH THE PERFORMANCE OF THIS AGREEMENT ARE HEREBY TRANSFERRED BY THE SUB-RECIPIENT TO THE STATE OF FLORIDA.

a. If the Sub-Recipient has a pre-existing patent or copyright, the Sub-Recipient shall retain all rights and entitlements to that pre-existing patent or copyright unless the Agreement provides otherwise.

b. If any discovery or invention is developed in the course of or as a result of work or services performed under this Agreement, or in any way connected with it, the Sub-Recipient shall refer the discovery or invention to the Division for a determination whether the State of Florida will seek patent protection in its name. Any patent rights accruing under or in connection with the performance of this Agreement are reserved to the State of Florida. If any books, manuals, films, or other copyrightable material are produced, the Sub-Recipient shall notify the Division. Any copyrights accruing under or in connection with the performance under this Agreement are transferred by the Sub-Recipient to the State of Florida.

c. Within thirty (30) days of execution of this Agreement, the Sub-Recipient shall disclose all intellectual properties relating to the performance of this Agreement which he or she knows or should know could give rise to a patent or copyright. The Sub-Recipient shall retain all rights and entitlements to any pre-existing intellectual property which is disclosed. Failure to disclose will indicate that no such property exists. The Division shall then, under Paragraph (24) b., have the right to all patents and copyrights which accrue during performance of the Agreement.

d. If the Sub-Recipient qualifies as a state university under Florida law, then, pursuant to section 1004.23, Florida Statutes, any invention conceived exclusively by the employees of the Sub-Recipient shall become the sole property of the Sub-Recipient. In the case of joint inventions, that is inventions made jointly by one or more employees of both parties hereto, each party shall have an equal, undivided interest in and to such joint inventions. The Division shall retain a perpetual, irrevocable, fully-paid, nonexclusive license, for its use and the use of its contractors of any resulting patented, copyrighted or trademarked work products, developed solely by the Sub-Recipient, under this Agreement, for Florida government purposes.

(25) LEGAL AUTHORIZATION

The Sub-Recipient certifies that it has the legal authority to receive the funds under this Agreement and that its governing body has authorized the execution and acceptance of this Agreement. The Sub-Recipient also certifies that the undersigned person has the authority to legally execute and bind Sub-Recipient to the terms of this Agreement.

(26) EQUAL OPPORTUNITY EMPLOYMENT

a. In accordance with 41 C.F.R. §60-1.4(b), the Sub-Recipient hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 C.F.R. Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

> During the performance of this contract, the contractor agrees as follows:
>
> i. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

ii. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

iii. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

iv. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

v. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

vi. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

vii. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order

11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

viii. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The Sub-Recipient further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The Sub-Recipient agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The Sub-Recipient further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive order. In addition, the Sub-Recipient agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Sub-Recipient under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Sub-Recipient; and refer the case to the Department of Justice for appropriate legal proceedings.

(27) COPELAND ANTI-KICKBACK ACT

The Sub-Recipient hereby agrees that, unless exempt under Federal law, it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, the following clause:

> i. Contractor. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
>
> ii. Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.
>
> iii. Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

(28) CONTRACT WORK HOURS AND SAFETY STANDARDS

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $100,000 and involves the employment of mechanics or laborers, then any such contract must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

(29) CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract that exceeds $150,000, then any such contract must include the following provision:

> Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

(30) SUSPENSION AND DEBARMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following provisions:

i. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

ii. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

iii. This certification is a material representation of fact relied upon by the Division. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Division, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

iv. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

(31) BYRD ANTI-LOBBYING AMENDMENT

If the Sub-Recipient, with the funds authorized by this Agreement, enters into a contract, then any such contract must include the following clause:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended). Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

If this subgrant agreement amount is $100,000 or more, the Sub-Recipient, and subcontractors as applicable, shall sign Attachment K – Certification Regarding Lobbying.

(32) CONTRACTING WITH SMALL AND MINORITY BUSINESSES, WOMEN'S BUSINESS ENTERPRISES, AND LABOR SURPLUS AREA FIRMS

a. If the Sub-Recipient, with the funds authorized by this Agreement, seeks to procure goods or services, then, in accordance with 2 C.F.R. §200.321, the Sub-Recipient shall take the following

affirmative steps to assure that minority businesses, women's business enterprises, and labor surplus area firms are used whenever possible:

i. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

ii. Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

iii. Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;

iv. Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises;

v. Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and

vi. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs i. through v. of this subparagraph.

b. The requirement outlined in subparagraph a. above, sometimes referred to as "socioeconomic contracting," does not impose an obligation to set aside either the solicitation or award of a contract to these types of firms. Rather, the requirement only imposes an obligation to carry out and document the six affirmative steps identified above.

c. The "socioeconomic contracting" requirement outlines the affirmative steps that the Sub-Recipient must take; the requirements do not preclude the Sub-Recipient from undertaking additional steps to involve small and minority businesses and women's business enterprises.

d. The requirement to divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises, does not authorize the Sub-Recipient to break a single project down into smaller components in order to circumvent the micro-purchase or small purchase thresholds so as to utilize streamlined acquisition procedures (e.g. "project splitting").

(33) ASSURANCES

The Sub-Recipient shall comply with any Statement of Assurances incorporated as Attachment C.

Federal Program:

1. Sub-Recipient is to use funding to perform the following eligible activities:
   - Elevation of flood prone structures
2. Sub-Recipient is subject to all administrative and financial requirements as set forth in this Agreement, or will be in violation of the terms of the Agreement.

Attachment A

Budget and Scope of Work

STATEMENT OF PURPOSE:

The purpose of this Scope of Work is to elevate two (2) single-family residences in Key West, Monroe County, Florida, funded through the Hazard Mitigation Grant Program (HMGP) **DR-4673-021-R**, as approved by the Florida Division of Emergency Management (Division) and the Federal Emergency Management Agency (FEMA).

The Sub-Recipient, Monroe County, agrees to administer and complete the project per the application submitted by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall complete the work in accordance with all applicable Federal, State and Local Laws, Regulations and Codes.

PROJECT OVERVIEW:

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to two (2) single-family residences in Key West, Florida 33040.

The proposed project shall elevate the existing residential structures to a minimum of 2 feet above the Base Flood Elevation (BFE). These residential properties are prone to flooding during high tides or hurricanes and have experienced frequent flooding. This susceptibility is attributed to its location in a Coastal AE Zone within the Special Flood Hazard Area (SFHA) in the Florida Keys.

The scope of work for these elevation projects shall involve building and site preparation, along with the disconnection of utilities. The existing structures shall be raised on a new open foundation on piers, pilings, or columns per engineering designs to the proposed minimum design elevation. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed mitigation project aims to significantly reduce or eliminate potential future flood damages to these low-lying properties, thereby enhancing their resilience and ensuring the safety of their occupants.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structures were elevated to the required height.

Elevation projects must complete an inspection prior starting any construction, conducted by a qualified professional to demonstrate the proposed structures are structurally sound and capable of being elevated safely. A copy of the inspection report shall be provided to the Florida Division of Emergency Management within 12-months of the FEMA award date.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Project Locations:

ID#	Location	Coordinates
1)	1551 5th Street, Key West, Florida 33040	(24.55578, -81.775547)
2)	1518 5th Street, Key West, Florida 33040	(24.55663, -81.776189)

TASKS & DELIVERABLES:

A) Tasks:

1) The Sub-Recipient shall procure the services of a qualified and licensed Florida contractor and execute a contract with the selected bidder to complete the scope of work as approved by the Division and FEMA. The Sub-Recipient shall select the qualified, licensed Florida contractor in accordance with the Sub-Recipient's procurement policy as well as all federal and state laws and regulations. All procurement activities shall contain sufficient source documentation and be in accordance with all applicable regulations.

   The Sub-Recipient shall be responsible for furnishing or contracting all labor, materials, equipment, tools, transportation and supervision and for performing all work per conceptual designs and construction plans presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA.

   The Sub-Recipient and contractor shall be responsible for maintaining a safe and secure worksite for the duration of the work. The contractor shall maintain all work staging areas in a neat and presentable condition.

   The Sub-Recipient shall ensure that no contractors or subcontractors are debarred or suspended from participating in federally funded projects.

   The selected contractor shall have a current and valid occupational license/business tax receipt issued for the type of services being performed.

   The Sub-Recipient shall provide documentation demonstrating the results of the procurement process. This shall include a rationale for the method of procurement and selection of contract type, contractor selection and/or rejection and bid tabulation and listing, and the basis of contract price.

   The Sub-Recipient shall provide an executed "Debarment, Suspension, Ineligibility, Voluntary Exclusion Form" for each contractor and/or subcontractor performing services under this agreement.

   Executed contracts with contractors and/or subcontractors shall be provided to the Division by the Sub-Recipient.

   The Sub-Recipient shall provide copies of professional licenses for contractors selected to perform services. The Sub-Recipient shall provide a copy of a current and valid occupational license or business tax receipt issued for the type of services to be performed by the selected contractor.

2) The Sub-Recipient shall monitor and manage the installation to provide flood protection.

   The project shall be implemented in accordance with conceptual designs and construction plans previously presented to the Division by the Sub-Recipient and subsequently approved by the Division and FEMA. The Sub-Recipient shall ensure that all applicable state, local and federal laws and regulations are followed and documented, as appropriate.

   The project consists of the general construction and furnishing of all materials, equipment, labor and fees to minimize recurring flooding and reduce repetitive flood loss to structures and roadways.

   The Sub-Recipient shall fully perform the approved project, as described in the submitted documents, in accordance with the approved scope of work, budget line item, allocation of funds and applicable terms and conditions indicated herein. The Sub-Recipient shall not deviate from the approved project terms and conditions.

   Construction activities shall be completed by a qualified and licensed Florida contractor. All construction activities shall be monitored by the professional of record. The Sub-Recipient shall complete the project in accordance with all required permits. All work shall be completed in accordance with applicable codes and standards.

   Upon completion of the work, the Sub-Recipient shall schedule and participate in a final inspection of the completed project by the local municipal or county official, or other approving official, as applicable. The official shall inspect and certify that all installation was in accordance with the manufacturer's

specifications. Any deficiencies found during this final inspection shall be corrected by the Sub-Recipient prior to Sub-Recipient's submittal of the final inspection request to the Division.

Upon completion of Task 2, the Sub-Recipient shall submit the following documents with sufficient supporting documentation, and provide a summary of all contract scope of work and scope of work changes, if any. Additional documentation for closeout shall include:

a) Local Building Official Building Permit.

b) A Copy of the Certificate of Occupancy or copy of the Local Building Official Inspection Report and Final Approval, as applicable.

   1. Certifying that the structure is code-compliant.

c) A Copy of the Elevation Certificate before mitigation, if available.

d) A Copy of the Final Elevation Certificate (FEMA Form ff-206-fy-22-152), after mitigation – ensuring the structure has been elevated to the proper elevation.

e) All Product Specification / Data Sheets (technical standards) satisfying protective requirements on all products utilized.

f) Signed notices from the affected property owner in the Special Flood Hazard Area (SFHA) that the Sub-Recipient shall record a Deed Notice applicable to their property, as described in section (h), below, and that they shall maintain flood insurance.

g) Verification that the property located within a SFHA is covered by an NFIP flood insurance policy to the amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular property, whichever is less.

h) Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner (including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

   "This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

i) Letter verifying if intact archaeological features or deposits or human remains were discovered during project activities and, if so, how they were handled in accordance with Florida Statutes, Section 872.05.

j) Verification letter or documentation showing the structure is protected to the lower of the Base Flood Elevation (BFE) plus two feet of freeboard or the 0.2 percent annual-chance flood elevation, whichever Is lower and a final elevation or flood proofing certificate after construction is completed.

k) Verification letter or documentation showing the construction vehicles were stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way.

l) Copy of floodplain permit and verification of compliance; if no permit was needed, a letter stating "No Permit Required" from the local floodplain administrator obtained prior to project commencement.

m) Proof of compliance with Project Conditions and Requirements contained herein.

3) During the course of this agreement, the Sub-Recipient shall submit requests for reimbursement. Adequate and complete source documentation shall be submitted to support all costs (federal share and local share) related to the project. In some cases, not all project activities may be fully complete prior to requesting reimbursement of costs incurred in completion of this scope of work; however, a partial reimbursement may be requested.

The Sub-Recipient shall submit an Affidavit signed by the Sub-Recipient's project personnel with each reimbursement request attesting to the completion of the work, that disbursements or payments were made in accordance with all agreement and regulatory conditions, and that reimbursement is due and has not been previously requested.

The Sub-Recipient shall maintain accurate time records. The Sub-Recipient shall ensure invoices are accurate and any contracted services were rendered within the terms and timelines of this agreement. All supporting documentation shall agree with the requested billing period. All costs submitted for reimbursement shall contain adequate source documentation which may include but not be limited to: cancelled checks, bank statements, Electronic Funds Transfer, paid bills and invoices, payrolls, time and attendance records, contract and subcontract award documents.

Construction Expense: The Sub-Recipient shall pre-audit bills, invoices, and/or charges submitted by the contractors and subcontractors and pay the contractors and subcontractors for approved bills, invoices, and/or charges. Sub-Recipient shall ensure that all contractor/subcontractor bills, invoices, and/or charges are legitimate and clearly identify the activities being performed and associated costs.

Sub-Recipient Management Costs (SRMC) expenditure must adhere to FEMA Policy #104-11-1 HMGP Management Costs (Interim) signed November 14, 2018. FEMA defines management costs as any: Indirect costs, Direct administrative costs, and other administrative expenses associated with a specific project. Administrative costs are expenses incurred by a Sub-Recipient in managing and administering the federal award to ensure that federal, state requirements are met including: solicitation, development, review, and processing of sub-applications; delivery of technical assistance; quarterly progress and fiscal reporting; project monitoring; technical monitoring; compliance activities associated with federal procurement requirements; documentation of quality of work verification for quarterly reports and closeout; payment of claims; closeout review and liquidation; and records retention.

Any activities that are directly related to a project are not eligible under management costs. For example, architectural, engineering, and design services are project costs and cannot be included under management costs. Similarly, construction management activities that manage, coordinate, and supervise the construction process from project scoping to project completion are project costs. These activities cannot be included under management costs.

Due to Strategic Funds Management (SFM), SRMC Interim Policy requires management costs to be obligated in increments sufficient to cover Sub-Recipient needs, for no more than one year, unless contractual agreements require additional funding. FEMA has established a threshold where annual increments will be applied to larger awards allowing smaller awards to be fully obligated. Obligations will be handled by the size of the total subaward.

The Sub-Recipient shall pre-audit all SRMC source documentation – personnel, fringe benefits, travel, equipment, supplies, contractual, and indirect costs. A brief narrative is required to identify what the funds will be used for. Documentation shall be detailed and clearly describe each approved task performed, hours devoted to each task, and the hourly rate charged including enough information to calculate the hourly rates based on payroll records. Employee benefits and tasks shall be clearly shown on the Personnel Activity Form, and all Personnel or Contractual SRMC shall be invoiced separate from all other project costs.

Project Management Expenses (only applies to disasters prior to August 1, 2017, all others adhere to FEMA Policy #104-11-1 for SRMC): The Sub-Recipient shall pre-audit source documentation such as

payroll records, project time sheets, attendance logs, etc. Documentation shall be detailed information describing tasks performed, hours devoted to each task, and the hourly rate charged for each hour including enough information to calculate the hourly rates based on payroll records. Employee benefits shall be clearly shown.

The Division shall review all submitted requests for reimbursement for basic accuracy of information. Further, the Division shall ensure that no unauthorized work was completed prior to the approved project start date by verifying vendor and contractor invoices. The Division shall verify that reported costs were incurred in the performance of eligible work, that the approved work was completed, and that the mitigation measures are in compliance with the approved scope of work prior to processing any requests for reimbursement.

Review and approval of any third-party in-kind services, if applicable, shall be conducted by the Division in coordination with the Sub-Recipient.

Quarterly reports shall be submitted by the Sub-Recipient and received by the Division at the times provided in this agreement prior to the processing of any reimbursement.

The Sub-Recipient shall submit to the Division requests for reimbursement of actual construction and managerial costs related to the project as identified in the project application, conceptual designs, and construction plans. The requests for reimbursement shall include:

a) Contractor, subcontractor, and/or vendor invoices which clearly display dates of services performed, description of services performed, location of services performed, cost of services performed, name of service provider and any other pertinent information;

b) Proof of payment from the Sub-Recipient to the contractor, subcontractor, and/or vendor for invoiced services;

c) Clear identification of amount of costs being requested for reimbursement as well as costs being applied against the local match amount.

The Sub-Recipient's final request for reimbursement shall include the final construction project cost. Supporting documentation shall show that all contractors and subcontractors have been paid.

B) <u>Deliverables:</u>

Mitigation Activities consist of elevation of two (2) single-family residences located in Key West, Florida, to include building and site preparation, along with the disconnection of utilities. The existing structures shall be raised on a new open foundation on piers, pilings, or columns, and all utilities shall be reconnected and elevated to the required height to reduce or eliminate future flood damages to these low-lying properties, thereby enhancing their resilience and ensuring the safety of their occupants.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable Federal Flood Risk Management Standards (FFRMS), NFIP standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structures were elevated to the required height.

Elevation projects must complete an inspection prior starting any construction, conducted by a qualified professional to demonstrate the proposed structures are structurally sound and capable of being elevated safely. A copy of the inspection report shall be provided to the Florida Division of Emergency Management within 12-months of the FEMA award date.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Provided the Sub-Recipient performs in accordance with the Scope of Work outlined in this Agreement, the Division shall reimburse the Sub-Recipient based on the percentage of overall project completion.

PROJECT CONDITIONS AND REQUIREMENTS:

C) Engineering:

1) The Sub-Recipient shall submit to the Division an official letter stating that the project is 100% complete and ready for the Division's Final Inspection of the project.

2) The Sub-Recipient shall provide a copy of the Notice of Commencement, and a copy of the Certificate of Occupancy or any local official Inspection Report and/or Final Approval, as applicable.

3) The Sub-Recipient shall provide a copy of the Elevation Certificate prepared before mitigation, if available.

4) The Sub-Recipient shall submit a copy of the Elevation Certificate prepared after mitigation, showing the Base Flood Elevation and the elevation of all components.

5) The Sub-Recipient shall submit all Product Specifications / Data Sheet(s) (technical standards) satisfying protect requirements on all products utilized.

6) All installations shall be done in strict compliance with the Florida Building Code or any local codes and ordinances. All materials shall be certified to exceed the wind and impact standards of the current local codes.

7) The Sub-Recipient shall follow all applicable State, Local and Federal Laws, Regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate Federal, State, and Local permits and clearances may jeopardize federal funding.

D) Environmental:

1) Sub-Recipient shall follow all applicable state, local and federal laws, regulations and requirements, and obtain (before starting project work) and comply with all required permits and approvals. Failure to obtain all appropriate federal, state, and local environmental permits and clearances may jeopardize federal funding.

2) Any change, addition or supplement to the approved Scope of Work that alters the project (including other work not funded by FEMA, but done substantially at the same time), regardless of the budget implications, shall require re-submission of the application to FEMA through the Division for National Environmental Policy Act (NEPA) and National Historic Preservation Act (NHPA) re-evaluation before starting project work.

3) The Sub-Recipient shall monitor ground-disturbing activities during construction, and if any potential archeological resources are discovered, shall immediately cease construction in that area and notify the Division and FEMA.

   If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery shall stop immediately and all reasonable measures to avoid or minimize harm to the finds shall be taken. The Sub-Recipient shall ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries.

   The Sub-Recipient's contractor shall provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall notify the Florida Division of Historic Resources, the Division, and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA and the Division have completed consultation with SHPO, Tribes, and other consulting parties as necessary.

In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately, and the proper authorities notified in accordance with ***Florida Statutes, Section 872.05***.

4) This project is subject to the HMA FFRMS Partial Implementation Policy requirements. At a minimum, the structure must be protected to the lower of the Base Flood Elevation (BFE) plus two feet of freeboard or the 0.2 percent annual-chance flood elevation, whichever is lower. Sub-Recipient must coordinate with the local floodplain administrator and obtain any required permits prior to initiating work as well as provide a final elevation or flood-proofing certificate after construction is completed.

5) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

6) Construction vehicles and equipment will be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way.

7) Construction vehicles and equipment used for this project shall be maintained in good working order to minimize pollutant emissions.

E) <u>Programmatic:</u>

1) A change in the scope of work *must* be approved by the Division and FEMA in advance regardless of the budget implications.

2) The Sub-Recipient must notify the Division as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower costs or earlier completion.

3) The Sub-Recipient must "obtain prior written approval for any budget revision which would result in a need for additional funds" [44 CFR 13(c)], from the Division and FEMA.

4) Project is approved with the condition that the enclosed list of deliverables shall be submitted, 30 days prior to the Period of Performance date, for review and approval by the Division, for submittal to FEMA for closeout.

5) Any extension of the Period of Performance shall be submitted to FEMA 60 days prior to the expiration date. Therefore, any request for a Period of Performance Extension shall be in writing and submitted, along with substantiation of new expiration date and a new schedule of work, to the Division a minimum of seventy (70) days prior to the expiration date, for Division processing to FEMA.

6) The Sub-Recipient must avoid duplication of benefits between the HMGP and any other form of assistance, as required by Section 312 of the Stafford Act, and further clarification in 44 CFR 206.191.

7) A copy of the executed subcontract agreement must be forwarded to the Division within 10 days of execution.

8) A copy of the recorded deed amendment for each property as required by HMA Guidance.

9) For structures located in the Special Flood Hazard Area (SFHA), the Sub-Recipient shall verify if the proposed project triggers a substantial improvement and confirm that the project will be in compliance with the current local floodplain management ordinance.

10) For structures that remain in the SFHA after implementation, flood insurance must be maintained for the life of the structure to an amount at least equal to the project cost or to the maximum limit of coverage made available with respect to the particular properties.

Confirmation that the Sub-Recipient (or property owner) has legally recorded with the county or appropriate jurisdiction's land records a notice that includes the name of the current property owner

(including book/page reference to record of current title, if readily available), a legal description of the property, and the following notice of flood insurance requirements:

"This property has received Federal hazard mitigation assistance. Federal law requires that flood insurance coverage on this property must be maintained during the life of the property regardless of transfer of ownership of such property. Pursuant to 42 U.S.C. 5154a, notwithstanding any other provision of law, no Federal disaster relief assistance made available in a flood disaster area may be used to make a payment (including any loan assistance payment) to a person for repair, replacement, or restoration for damage to any personal, residential, or commercial property if that person at any time has received flood disaster assistance that was conditional on the person first having obtained flood insurance under applicable Federal law and subsequently having failed to obtain and maintain flood insurance as required under applicable Federal law on such property. The property owner is also required to maintain this property in accordance with the floodplain management criteria of 44 CFR Section 60.3 and any city/county ordinance."

11) Prior to project commencement, the Sub-Recipient must identify the source and location of fill material and provide this information to the Division and FEMA. If the borrow pit is privately owned, or is located on previously undisturbed land, or if the fill is obtained by the horizontal expansion of a pre-existing borrow pit, FEMA consultation with the State Historic Preservation Officer shall be required. Failure to comply with this condition may jeopardize FEMA funding; verification of compliance shall be required prior to project commencement AND for project closeout.

12) The Sub-Recipient must obtain a floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout.

13) A certificate of occupancy and the final Elevation Certificate (FEMA Form - Elevation Certificate -ff-206-fy-22-152) for each structure on the project to certify the structure is code compliant and was elevated to the required elevation.

14) A copy of the recorded deed for each property, including structure elevation project deed requirements for property maintenance and flood insurance requirements.

15) A signed Acknowledgement of Conditions for Properties Using FEMA Hazard Mitigation Assistance form for each structure.

16) A certification from a building official or licensed design professional verifying that the structure was designed and constructed to the minimum standard of the two most recently published editions of the International Codes, even in locations where no code has been adopted.

17) Front, rear and side photographs of the final structure(s), including the date of the photograph, property address, latitude/longitude to the nearest sixth decimal place and the source of the photograph.

18) Verification of flood insurance policy for each structure.

19) Closeout of structural elevation project, the Sub-Recipient shall provide:

    a) Updated property information for each location.

    b) A Certificate of Occupancy, certifying that each structure is code-compliant.

    c) A Final Elevation Certificate (FEMA Form FF-206-FY-22-152) for each structure to ensure the structure has been elevated to the proper elevation.

20) Special Conditions required on implementation of project:

    a) **EO 11988 CONDITION:** The Sub-Recipient must obtain floodplain permit from the local floodplain administrator before work begins. Failure to comply with these conditions may jeopardize FEMA funding; verification of compliance shall be required at project closeout. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

b) **EO 11988 CONDITION:** This project is subject to the HMA FFRMS Partial Implementation Interim Policy FP-206-21-0003 requirements. At a minimum, the structure must be protected to the lower of the Base Flood Elevation (BFE) plus two feet of freeboard or the 0.2 percent annual-chance flood elevation, whichever is lower. Sub-Recipient must coordinate with the local floodplain administrator and obtain any required permits prior to initiating work as well as provide a final elevation or flood proofing certificate after construction is completed. **Source of condition:** Executive Order 11988 – Floodplains **Monitoring Required: No**

c) **NHPA CONDITION:** If human remains or intact archaeological features or deposits (e.g., arrowheads, pottery, glass, metal, etc.) are uncovered, work in the vicinity of the discovery will stop immediately and all reasonable measures to avoid or minimize harm to the finds will be taken. The Sub-Recipient will ensure that archaeological discoveries are secured in place, that access to the sensitive area is restricted, and that all reasonable measures are taken to avoid further disturbance of the discoveries. The Sub-Recipient's contractor will provide immediate notice of such discoveries to the Sub-Recipient. The Sub-Recipient shall contact the Florida Division of Historic Resources and FEMA within 24 hours of the discovery. Work in the vicinity of the discovery may not resume until FEMA has completed consultation with SHPO, Tribes, and other consulting parties as necessary. In the event that unmarked human remains are encountered during permitted activities; all work shall stop immediately, and the proper authorities notified in accordance with Florida Statutes, Section 872.05

d) **NHPA CONDITION:** Construction vehicles and equipment will be stored onsite during the project or at existing access points within the Sub-Recipient's right-of-way. **Source of condition:** National Historic Preservation Act (NHPA) **Monitoring Required:** No

21) Per FEMA Hazard Mitigation Assistance Guidance Part VI, D.3.4 – Contingency funds are not automatically available for use. Prior to their release, contingency funds must be re-budgeted to another direct cost category and identified. Post-award changes to the budget require prior written approval from the Division (FDEM). The written request should demonstrate what unforeseen condition related to the project arose that required the use of contingency funds.

22) Sub-Recipient Management Costs (SRMC), implemented under the Disaster Relief and Recovery Act of 2018 (DRRA), amended Section 324 of the Stafford Act, and the Hazard Mitigation Grant Program Management Costs (Interim) FEMA Policy 104-11-1, provides 100% federal funding under HMGP to Sub-Recipients to efficiently manage the grant and complete activities in a timely manner.

a) SRMC must conform to 2 CFR Part 200, Subpart E, applicable program regulations, and Hazard Mitigation Assistance (HMA) Guidance (2015), ensuring costs are reasonable, allowable, allocable and necessary to the overall project.

b) Funding is for approved indirect costs, direct administrative costs, and administrative expenses associated with this specific project and shall have adequate documentation.

c) SRMC cannot exceed 5% of the total project costs awarded.

d) SRMC is 100% federally funded and will be reimbursed based on actual costs incurred for each individual Request for Reimbursement (RFR) submitted with the required documentation.

e) SRMC shall be reconciled against actual costs on a quarterly basis and annual basis.

f) If the Final Project Reconciliation results in a reduction of total project costs, any resulting SRMC overpayment shall be reimbursed back to the State for return to FEMA prior to FEMA Closeout.

This is FEMA project number **4673-021-R.** It is funded under HMGP, FEMA-4673-DR-FL and must adhere to all program guidelines established for the HMGP in accordance with the PAS Operational Agreement for Disaster 4673.

FEMA awarded this project on December 11, 2024; and the Period of Performance for this project shall end on **November 30, 2027**.

F) FINANCIAL CONSEQUENCES:

If the Sub-Recipient fails to comply with any term of the award, the Division shall take one or more of the following actions, as appropriate in the circumstances:

1) Temporarily withhold cash payments pending correction of the deficiency by the Sub-Recipient;
2) Disallow all or part of the cost of the activity or action not in compliance;
3) Wholly or partly suspend or terminate the current award for the Sub-Recipient's program;
4) Withhold further awards for the program; or
5) Take other remedies that may be legally available.

Attachment B

Program Statutes and Regulations

The parties to this Agreement and the Hazard Mitigation Grant Program (HMGP) are generally governed by the following statutes and regulations:

(1) The Robert T. Stafford Disaster Relief and Emergency Assistance Act;

(2) 44 C.F.R. 7, 9, 18, 25, and 206. Reference (Title 44, up to date as of August 18, 2023, and last amended January 9, 2023.), and any other applicable FEMA policy memoranda and guidance documents;

(3) State of Florida Administrative Plan for the Hazard Mitigation Grant Program;

(4) Hazard Mitigation Assistance Program and Policy Guide, 2023;

(5) All applicable laws and regulations delineated in Attachment C of this Agreement.

In addition to the above statutes and regulations, the Sub-recipient must comply with the following:

The Sub-recipient shall fully perform the approved hazard mitigation project, as described in the Application and Attachment A (Budget and Scope of Work) attached to this Agreement, in accordance with approved scope of work indicated therein, the estimate of costs indicated therein, the allocation of funds indicated therein, and the terms and conditions of this Agreement. The Sub-recipient shall not deviate from the approved project and the terms and conditions of this Agreement. The Sub-recipient shall comply with any and all applicable codes and standards in performing work funded under this Agreement, and shall provide any appropriate maintenance and security for the project.

Any development permit issued by, or development activity undertaken by, the Sub-recipient and any land use permitted by or engaged in by the Sub-recipient, shall be consistent with the local comprehensive plan and land development regulations prepared and adopted pursuant to chapter 163, Part II, Florida Statutes. Funds shall be expended for, and development activities and land uses authorized for, only those uses which are permitted under the comprehensive plan and land development regulations. The Sub-recipient shall be responsible for ensuring that any development permit issued and any development activity or land use undertaken is, where applicable, also authorized by the Water Management District, the Florida Department of Environmental Protection, the Florida Department of Health, the Florida Game and Fish Commission, and any Federal, State, or local environmental or land use permitting authority, where required. The Sub-recipient agrees that any repair or construction shall be in accordance with applicable standards of safety, decency, and sanitation, and in conformity with applicable codes, specifications and standards.

The Sub-recipient will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the completed work conforms with the approved plans and specifications and will furnish progress reports and such other information to HMGP as may be required.

If the hazard mitigation project described in Attachment A includes an acquisition or relocation project, then the Sub-recipient shall ensure that, as a condition of funding under this Agreement, the owner of the affected real property shall record in the public records of the county where it is located the following covenants and restrictions, which shall run with and apply to any property acquired, accepted, or from which a structure will be removed pursuant to the project.

(1) The property will be dedicated and maintained in perpetuity for a use that is compatible with open space, recreational, or wetlands management practices;

(2) No new structure will be erected on property other than:
   a. a public facility that is open on all sides and functionally related to a designed open space;
   b. a restroom; or

(3) A structure that the Director of the Federal Emergency Management Agency approves in writing before the commencement of the construction of the structure;

(4) After the date of the acquisition or relocation no application for disaster assistance for any purpose will be made to any Federal entity and no disaster assistance will be provided for the property by any Federal source; and

(5) If any of these covenants and restrictions is violated by the owner or by some third party with the knowledge of the owner, fee simple title to the Property described herein shall be conveyed to the Board of Trustees of the Internal Improvement Trust Fund of the State of Florida without further notice to the owner, its successors and assigns, and the owner, its successors and assigns shall forfeit all right, title and interest in and to the property.

HMGP Contract Manager will evaluate requests for cost overruns and submit to the regional Director written determination of cost overrun eligibility. Cost overruns shall meet Federal regulations set forth in 44 C.F.R. §206.438(b).

The National Environmental Policy Act (NEPA) stipulates that additions or amendments to a HMGP Sub-Recipient Scope of Work (SOW) shall be reviewed by all State and Federal agencies participating in the NEPA process.

As a reminder, the Sub-recipient must obtain prior approval from the State, before implementing changes to the approved project Scope of Work (SOW). Per the Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments:

(1) For Construction projects, the grantee must “obtain prior written approval for any budget revision which result in a need for additional funds” (2 C.F.R. § 200.308);

(2) A change in the Scope of Work must be approved by FEMA in advance regardless of the budget implications; and

(3) The Sub-recipient must notify the State as soon as significant developments become known, such as delays or adverse conditions that might raise costs or delay completion, or favorable conditions allowing lower cost or earlier completion. Any extensions of the period of performance must be submitted to FEMA ninety (90) calendar days prior to the project expiration date. Reference, HMA Program and Policy Guide, 2023, G.3. Award Extensions, paragraph 3.

The Sub-recipient assures that it will comply with the following statutes and regulations to the extent applicable:

(1) 53 Federal Register 8034
(2) Federal Acquisition Regulations 31.2
(3) Section 1352, Title 31, US Code
(4) Chapter 473, Florida Statutes
(5) Chapter 215, Florida Statutes
(6) Section 768.28, Florida Statutes
(7) Chapter 119, Florida Statutes

(8) Section 216.181(6), Florida Statutes
(9) Cash Management Improvement Act of 1990
(10) American with Disabilities Act
(11) Section 112.061, Florida Statutes
(12) Immigration and Nationality Act
(13) Section 286.011, Florida Statutes
(14) 2 C.F.R. Part 200 – Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards
(15) Uniform Relocation Assistance and Real Property Acquisitions Act of 1970
(16) Title I of the Omnibus Crime Control and Safe Streets Act of 1968
(17) Juvenile Justice and Delinquency Prevention Act, or the Victims of Crime Act
(18) Omnibus Crime Control and Safe Streets Act of 1968, as amended
(19) Victims of Crime Act (as appropriate)
(20) Section 504 of the Rehabilitation Act of 1973, as amended
(21) Subtitle A, Title II of the Americans with Disabilities Act (ADA) (1990)

Attachment C

Statement of Assurances

To the extent the following provisions apply to this Agreement, the Sub-recipient certifies that:

(a) It possesses legal authority to enter into this Agreement and to carry out the proposed program;

(b) Its governing body has duly adopted or passed as an official act of resolution, motion or similar action authorizing the execution of the hazard mitigation agreement with the Division of Emergency Management (DEM), including all understandings and assurances contained in it, and directing and authorizing the Sub-recipient's chief administrative officer or designee to act in connection with the application and to provide such additional information as may be required;

(c) No member of or delegate to the Congress of the United States, and no Resident Commissioner, shall receive any share or part of this Agreement or any benefit. No member, officer, or employee of the Sub-recipient or its designees or agents, no member of the governing body of the locality in which this program is situated, and no other public official of the locality or localities who exercises any functions or responsibilities with respect to the program during his tenure or for one year after, shall have any interest, direct or indirect, in any contract or subcontract, or the proceeds, for work be performed in connection with the program assisted under this Agreement. The Sub-recipient shall incorporate, in all contracts or subcontracts a provision prohibiting any interest pursuant to the purpose stated above;

(d) All Sub-recipient contracts for which the State Legislature is in any part a funding source, shall contain language to provide for termination with reasonable costs to be paid by the Sub-recipient for eligible contract work completed prior to the date the notice of suspension of funding was received by the Sub-recipient. Any cost incurred after a notice of suspension or termination is received by the Sub-recipient may not be funded with funds provided under this Agreement unless previously approved in writing by the Division. All Sub-recipient contracts shall contain provisions for termination for cause or convenience and shall provide for the method of payment in such event;

(e) It will comply with:

(1) Contract Work Hours and Safety Standards Act of 1962, 40 U.S.C. 327 et seq., requiring that mechanics and laborers (including watchmen and guards) employed on federally assisted contracts be paid wages of not less than one and one-half times their basic wage rates for all hours worked in excess of forty hours in a work week; and

(2) Federal Fair Labor Standards Act, 29 U.S.C. Section 201 et seq., requiring that covered employees be paid at least minimum prescribed wage, and also that they be paid one and one-half times their basic wage rates for all hours worked in excess of the prescribed work-week.

(f) It will comply with

(1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), and the regulations issued pursuant thereto, which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Sub-recipient received Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the Sub-

recipient, this assurance shall obligate the Sub-recipient, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits;

(2) Any prohibition against discrimination on the basis of age under the Age Discrimination Act of 1975, as amended (42 U.S.C. 6101-6107) which prohibits discrimination on the basis of age or with respect to otherwise qualifies handicapped individuals as provided in Section 504 of the Rehabilitation Act of 1973;

(3) Executive Order 11246, as amended by Executive Orders 11375 and 12086, and the regulations issued pursuant thereto, which provide that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of federal or federally assisted construction contracts; affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff/termination, rates of pay or other forms of compensation; and election for training and apprenticeship;

(g) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties pursuant to section 112.313 and section 112.3135, Florida Statutes;

(h) It will comply with the Anti-Kickback Act of 1986, 41 U.S.C. Chapter 87 which outlaws and prescribes penalties for “kickbacks” of wages in federally financed or assisted construction activities;

(i) It will comply with the provisions of 5 U.S.C. 7323 (further known as the Hatch Act) which limits the political activities of employees;

(j) It will comply with the flood insurance purchase and other requirements of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 50, including requirements regarding the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area having special flood hazards. The phrase “Federal financial assistance” includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance;

For sites located within Special Flood Hazard Areas (SFHA), the Sub-recipient must include a FEMA Model Acknowledgement of Conditions of Mitigation of Property in a Special Flood Hazard Area with FEMA Grant Funds executed by the title holder with the closeout request verifying that certain SFHA requirements were satisfied on each of the properties. The Model Acknowledgement can be found at www.fema.gov/governmenta/grant/sfha_conditions.shtm

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under this Agreement to comply with the “Uniform Federal Accessibility Standards,” (AS) which is Appendix A to 41 C.F.R. Section 101-19.6 for general type buildings and Appendix A to 24 C.F.R., Part 40 for residential structures. The Sub-recipient will be responsible for conducting inspections to ensure compliance with these specifications by the contractor;

(l) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (54 U.S.C.), Executive Order 11593, 36 C.F.R., Part 800, and the Preservation of Archaeological and Historical Data Act of 1966 (54 U.S.C. 3125) by:

(1) Consulting with the State Historic Preservation Office to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 C.F.R., Section 800.8) by the proposed activity; and

(2) Complying with all requirements established by the State to avoid or mitigate adverse effects upon such properties.

(3) Abiding by the terms and conditions of the **"Programmatic Agreement Among the Federal Emergency Management Agency, the Florida State Historic Preservation Office, the Florida Division of Emergency Management and the Advisory Council on Historic Preservation, (PA)"** which addresses roles and responsibilities of Federal and State entities in implementing Section 106 of the National Historic Preservation Act (NHPA), 54 U.S.C., and implementing regulations in 36 C.F.R., Part 800.

(4) When any of the Sub-recipient's projects funded under this Agreement may affect a historic property, as defined in 36 C.F.R., Part 800.16 (l)(1), the Federal Emergency Management Agency (FEMA) may require the Sub-recipient to review the eligible scope of work in consultation with the State Historic Preservation Office (SHPO) and suggest methods of repair or construction that will conform with the recommended approaches set out in the **Secretary of Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings 1992 (Standards),** the **Secretary of the Interior's Guidelines for Archeological Documentation (Guidelines)** (48 Federal Register 44734-37), or any other applicable Secretary of Interior standards. If FEMA determines that the eligible scope of work will not conform with the **Standards**, the Sub-recipient agrees to participate in consultations to develop, and after execution by all parties, to abide by, a written agreement that establishes mitigation and recondition measures, including but not limited to, impacts to archeological sites, and the salvage, storage, and reuse of any significant architectural features that may otherwise be demolished.

(5) The Sub-recipient agrees to notify FEMA and the Division if any project funded under this Agreement will involve ground disturbing activities, including, but not limited to: subsurface disturbance; removal of trees; excavation of footings and foundations, and installation of utilities (such as water, sewer, storm drains, electrical, gas, leach lines and septic tanks) except where these activities are restricted solely to areas previously disturbed by the installation, replacement or maintenance of such utilities. FEMA will request the SHPO's opinion on the potential that archeological properties may be present and be affected by such activities. The SHPO will advise the Sub-recipient on any feasible steps to be accomplished to avoid any National Register eligible archeological property or will make recommendations for the development of a treatment plan for the recovery or archeological data from the property.

If the Sub-recipient is unable to avoid the archeological property, develop, in consultation with SHPO, a treatment plan consistent with the **Guidelines** and take into account the Advisory Council on Historic Preservation (Council) publication "Treatment of Archeological Properties". The Sub-recipient shall forward information regarding the treatment plan to FEMA, the SHPO and the Council for review. If the SHPO and the Council do not object within fifteen (15) calendar days of receipt of the treatment plan, FEMA may direct the Sub-recipient to implement the treatment plan. If either the Council or the SHPO object, Sub-recipient shall not proceed with the project until the objection is resolved.

(6) The Sub-recipient shall notify the Division and FEMA as soon as practicable: (a) of any changes in the approved scope of work for a National Register eligible or listed property; (b) of all changes to a project that may result in a supplemental DSR or modify a HMGP project for a National Register eligible or listed property; (c) if it appears that a project funded under this Agreement will affect a previously unidentified property that may be

eligible for inclusion in the National Register or affect a known historic property in an unanticipated manner. The Sub-recipient acknowledges that FEMA may require the Sub-recipient to stop construction in the vicinity of the discovery of a previously unidentified property that may eligible for inclusion in the National Register or upon learning that construction may affect a known historic property in an unanticipated manner. The Sub-recipient further acknowledges that FEMA may require the Sub-recipient to take all reasonable measures to avoid or minimize harm to such property until FEMA concludes consultation with the SHPO. The Sub-recipient also acknowledges that FEMA will require, and the Sub-recipient shall comply with, modifications to the project scope of work necessary to implement recommendations to address the project and the property.

(7) The Sub-recipient acknowledges that, unless FEMA specifically stipulates otherwise, it shall not receive funding for projects when, with intent to avoid the requirements of the PA or the NHPA, the Sub-recipient intentionally and significantly adversely affects a historic property, or having the legal power to prevent it, allowed such significant adverse effect to occur.

(m) It will comply with applicable provisions of the following laws and policies prohibiting discrimination:

(1) Title VI of the Civil Rights Act of 1964, as amended, which prohibits discrimination based on race, color, or national origin (including limited English proficiency).

(2) Section 504 of the Rehabilitation Act of 1973, as amended, which prohibits discrimination based on disability.

(3) Title IX of the Education Amendments Act of 1972, as amended, which prohibits discrimination based on sex in education programs or activities.

(4) Age Discrimination Act of 1975, which prohibits discrimination based on age.

(5) U.S. Department of Homeland Security regulation 6 C.F.R. Part 19, which prohibits discrimination based on religion in social service programs.

(n) It will comply with Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681-1683 and 1685-1686) which prohibits discrimination on the basis of sex;

(o) It will comply with the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970, (42 U.S.C. 4541-45-94) relating to nondiscrimination on the basis of alcohol abuse or alcoholism;

(p) It will comply with 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;

(q) It will comply with Lead-Based Paint Poison Prevention Act (42 U.S.C. 4821 et seq.) which prohibits the use of lead based paint in construction of rehabilitation or residential structures;

(r) It will comply with the Energy Policy and Conservation Act (P.L. 94-163; 42 U.S.C. 6201-6422), and the provisions of the State Energy Conservation Plan adopted pursuant thereto;

(s) It will comply with the Laboratory Animal Welfare Act of 1966, (7 U.S.C. 2131-2159), pertaining to the care, handling, and treatment of warm blooded animals held for research, teaching, or other activities supported by an award of assistance under this Agreement;

(t) It will comply with Title VIII of the Civil Rights Act of 1968, (42 U.S.C 2000c and 42 U.S.C. 3601-3619), as amended, relating to non-discrimination in the sale, rental, or financing of housing, and

Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color or national origin;

(u) It will comply with the Clean Air Act of 1955, as amended, 42 U.S.C. 7401-7675;

(v) It will comply with the Clean Water Act of 1977, as amended, 33 U.S.C. 1251-1388

(w) It will comply with the endangered Species Act of 1973, 16 U.S.C. 1531-1544;

(x) It will comply with the Intergovernmental Personnel Act of 1970, 42 U.S.C. 4701-4772;

(y) It will assist the awarding agency in assuring compliance with the National Historic Preservation Act of 1966, as amended, 54 U.S.C.;

(z) It will comply with environmental standards which may be prescribed pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4321-4347;

(aa) It will assist the awarding agency in assuring compliance with the Preservation of Archeological and Historical Preservation Act of 1966, 16 U.S.C. 54 U.S.C. 3125

(bb) It will comply with the Rehabilitation Act of 1973, Section 504, 29 U.S.C. 794, regarding non-discrimination;

(cc) It will comply with the environmental standards which may be prescribed pursuant to the Safe Drinking Water Act of 1974, 42 U.S.C. 300f-300j-27, regarding the protection of underground water sources;

(dd) It will comply with the requirements of Titles II and III of the Uniform Relocation Assistance and Property Acquisition Policies Act of 1970, 42 U.S.C. 4621-4638, which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or Federally assisted programs;

(ee) It will comply with the Wild and Scenic Rivers Act of 1968, 16 U.S.C. 1271-1287, related to protecting components or potential components of the national wild and scenic rivers system;

(ff) It will comply with the following Executive Orders: EO 11514 (NEPA); EO 11738 (violating facilities); EO 11988 (Floodplain Management); EO 11990 (Wetlands); and EO 12898 (Environmental Justice);

(gg) It will comply with the Coastal Barrier Resources Act of 1977, 16 U.S.C. 3501-3510;

(hh) It will assure project consistency with the approved State program developed under the Coastal Zone Management Act of 1972, 16 U.S.C. 1451-14674; and

(ii) It will comply with the Fish and Wildlife Coordination Act of 1958, 16 U.S.C. 661-668.

(jj) With respect to demolition activities, it will:

(1) Create and make available documentation sufficient to demonstrate that the Sub-recipient and its demolition contractor have sufficient manpower and equipment to comply with the obligations as outlined in this Agreement.

(2) Return the property to its natural state as though no improvements had ever been contained thereon.

(3) Furnish documentation of all qualified personnel, licenses and all equipment necessary to inspect buildings located in the Sub-recipient's jurisdiction to detect the presence of asbestos and lead in accordance with requirements of the U.S. Environmental Protection Agency, the Florida Department of Environmental Protection and the County Health Department.

(4) Provide documentation of the inspection results for each structure to indicate:
   a. Safety Hazard Present
   b. Health Hazards Present
   c. Hazardous Materials Present

(5) Provide supervision over contractors or employees employed by the Sub-recipient to remove asbestos and lead from demolished or otherwise applicable structures.

(6) Leave the demolished site clean, level and free of debris.

(7) Notify the Division promptly of any unusual existing condition which hampers the contractor's work.

(8) Obtain all required permits.

(9) Provide addresses and marked maps for each site where water wells and septic tanks are to be closed along with the number of wells and septic tanks located on each site. Provide documentation of closures.

(10) Comply with mandatory standards and policies relating to energy efficiency which are contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act (Public Law 94-163).

(11) Comply with all applicable standards, orders, or requirements issued under Section 112 and 306 of the Clean Air Act (42 U.S.C. 1857), Section 508 of the Clean Water Act (33 U.S.C. 1251-1388), Executive Order 11738, and the U.S. Environmental Protection Agency regulations (40 C.F.R., Part 15 and 61). This clause shall be added to any subcontracts.

(12) Provide documentation of public notices for demolition activities.

Federal Funding Accountability and Transparency Act

Instructions and Worksheet

PURPOSE: The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The intent of this legislation is to empower every American with the ability to hold the government accountable for each spending decision. The FFATA legislation requires information on federal awards (federal assistance and expenditures) be made available to the public via a single, searchable website, which is http://www.usaspending.gov/.

The FFATA Sub-award Reporting System (FSRS) is the reporting tool the Florida Division of Emergency Management ("FDEM" or "Division") must use to capture and report sub-award and executive compensation data regarding first-tier sub-awards that obligate $25,000 or more in Federal funds (excluding Recovery funds as defined in section 1512(a)(2) of the American Recovery and Reinvestment Act of 2009, Pub. L. 111-5).

Note: This "Instructions and Worksheet" is meant to explain the requirements of the FFATA and give clarity to the FFATA Form distributed to sub-awardees for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

ORGANIZATION AND PROJECT INFORMATION

The following information must be provided to the FDEM prior to the FDEM's issuance of a sub-award (Agreement) that obligates $25,000 or more in federal funds as described above. Please provide the following information and return the signed form to the Division as requested.

DESCRIPTION OF PROJECT (Up to 4000 Characters)

As a Hazard Mitigation Grant Program project, the Sub-Recipient proposes to provide flood protection to two (2) single-family residences in Key West, Florida 33040.

The proposed project shall elevate the existing residential structures to a minimum of 2 feet above the Base Flood Elevation (BFE). These residential properties are prone to flooding during high tides or hurricanes and have experienced frequent flooding. This susceptibility is attributed to its location in a Coastal AE Zone within the Special Flood Hazard Area (SFHA) in the Florida Keys.

The scope of work for these elevation projects shall involve building and site preparation, along with the disconnection of utilities. The existing structures shall be raised on a new open foundation on piers, pilings, or columns per engineering designs to the proposed minimum design elevation. Appropriate means of ingress and egress shall be constructed to access the elevated living spaces. All utilities shall be reconnected, and service equipment shall be elevated to the required height. The proposed mitigation project aims to significantly reduce or eliminate potential future flood damages to these low-lying properties, thereby enhancing their resilience and ensuring the safety of their occupants.

The habitable living areas of the original structure shall be elevated, and the non-habitable areas (if any) shall be converted to storage or parking. The project shall be designed and constructed in compliance with the Florida Building Code, ASCE 24-14 effective at the time of permitting, the applicable Federal Flood Risk Management Standards (FFRMS), National Flood Insurance Program (NFIP) standards in 44 CFR, Part 60 and/or local floodplain ordinances or any other applicable local regulations. A final Elevation Certificate shall be completed for closeout to certify the structures were elevated to the required height.

Elevation projects must complete an inspection prior starting any construction, conducted by a qualified professional to demonstrate the proposed structures are structurally sound and capable of being elevated safely. A copy of the inspection report shall be provided to the Florida Division of Emergency Management within 12-months of the FEMA award date.

The project shall provide protection against a 100-year storm event. Activities shall be completed in strict compliance with Federal, State and Local applicable Rules and Regulations.

Requests for Internal Revenue Service (IRS) information should be directed to the local IRS for further assistance.]

If the answer to Question 2 is "No" FFATA reporting is required. Provide the information required in the "TOTAL COMPENSATION CHART FOR MOST RECENTLY COMPLETED FISCAL YEAR" appearing below to report the "Total Compensation" for the five (5) most highly compensated "Executives", in rank order, in your organization. For purposes of this request, the following terms apply as defined in 2 C.F.R. Ch. 1 Part 170 Appendix A:

"Executive" is defined as "officers, managing partners, or other employees in management positions".

"Total Compensation" is defined as the cash and noncash dollar value earned by the executive during the most recently completed fiscal year and includes the following:

i. Salary and bonus.

ii. Awards of stock, stock options, and stock appreciation rights. Use the dollar amount recognized for financial statement reporting purposes with respect to the fiscal year in accordance with the Statement of Financial Accounting Standards No. 123 (Revised 2004) (FAS 123R), Shared Based Payments.

iii. Earnings for services under non-equity incentive plans. This does not include group life, health, hospitalization or medical reimbursement plans that do not discriminate in favor of executives, and are available generally to all salaried employees.

iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.

v. Above-market earnings on deferred compensation which is not tax-qualified.

vi. Other compensation, if the aggregate value of all such other compensation (e.g. severance, termination payments, value of life insurance paid on behalf of the employee, perquisites or property) for the executive exceeds $10,000.

Mandatory Contract Provisions

Provisions:

Any contract or subcontract funded by this Agreement must contain the applicable provisions outlined in Appendix II to 2 C.F.R. Part 200. It is the responsibility of the sub-recipient to include the required provisions. The following is a list of sample provisions from Appendix II to 2 C.F.R. Part 200 that may be required:[1]

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 C.F.R. Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. Part 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 C.F.R. Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or Sub-recipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or

[1] For example, the Davis-Bacon Act is not applicable to other FEMA grant and cooperative agreement programs, including the Public Assistance Program or Hazard Mitigation Grant Program; however, sub-recipient may include the provision in its subcontracts.

repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 C.F.R. § 401.2 (a) and the recipient or Sub-recipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or Sub-recipient must comply with the requirements of 37 C.F.R. Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 C.F.R. 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. 180 that implement Executive Orders 12549 (3 C.F.R. Part 1986 Comp., p. 189) and 12689 (3 C.F.R. Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of $100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

(J) See 2 C.F.R, § 200.323 Procurement of recovered materials.

(K) See 2 C.F.R, §200.216 Prohibition on certain telecommunication and video surveillance services or equipment.

(L) See 2 C.F.R, §200.322 Domestic preferences for procurements

(Appendix II to Part 200, Revised Eff. 11/12/2020).

Certification Regarding Lobbying

Check the appropriate box:

☐ This Certification Regarding Lobbying is required because the Contract, Grant, Loan, or Cooperative Agreement will exceed $100,000 pursuant to 2 C.F.R. Part 200, Appendix II(I); 31 U.S.C. § 1352; and 44 C.F.R. Part 18.

☐ This Certification is not required because the Contract, Grant, Loan, or Cooperative Agreement will be less than $100,000.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Sub-Recipient or subcontractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONTRACT DOCUMENTATION REQUIREMENTS

Section 216.1366, F.S., amended in 2023, establishes new documentation requirements for any contract for services executed, amended, or extended on or after July 1, 2023, with non-profit organizations as defined in s. 215.97 (2)(m). F.S. The contract must require the contractor to provide documentation that indicates the amount of state funds:

- Allocated to be used during the full term of the contract for remuneration to any member of the board of directors or an officer of the contractor.
- Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the contractor. The documentation must indicate the amounts and recipients of the remuneration.

Such information must be included in the contract tracking system maintained pursuant to s. 215.985 F.S. and must be posted on the contractor's website if the contractor maintains a website.

- As used in this subsection, the term:

o "Officer" means a Chief Executive Officer (CEO), Chief Financial Officer (CFO), Chief Operating Officer (COO), or any other position performing an equivalent function.

o "Remuneration" means all compensation earned by or awarded to personnel, whether paid or accrued, regardless of contingency, including bonuses, accrued paid time off, severance payments, incentive payments, contributions to a retirement plan, or in-kind payments, reimbursements, or allowances for moving expenses, vehicles and other transportation, telephone services, medical services, housing, and meals.

o "State funds" means funds paid from the General Revenue Fund or any state trust fund, funds allocated by the Federal Government and distributed by the state, or funds appropriated by the state for distribution through any grant program. The term does not include funds used for the state Medicaid program.

Note: This "Instructions and Worksheet" is meant to explain the requirements of the Section 216.1366, F.S., amended in 2023, and give clarity to the attached form distributed to recipients and sub-recipients for completion. All pertinent information below should be filled out, signed, and returned to the project manager.

AGENDA ITEM WORDING: Discussion and direction on acquiring 10 ft. wide easements from property owners in the Stillwright Point project area for the purpose of constructing and maintaining the Stillwright Point Road Elevation and Stormwater Management Project. **11:30 A.M. TIME APPROXIMATE**

ITEM BACKGROUND:
The Stillwright Point Road Elevation and Stormwater Management Project is under design with the completion date scheduled for late summer 2025.

The rights-of-way in the project area are 30 ft. wide as opposed to the usual 50 ft. width and the low elevation of the roads necessitates elevating them by at least 2 ft. Due to these existing conditions it has been determined through design that adjacent property owners will need to grant the county a 10 ft. wide easement in order to have sufficient space to construct the project. The easements are needed to harmonize the elevated road with the adjacent parcels, install drainage infrastructure and/or relocate other utility infrastructure as required to construct the elevated roadway and stormwater system.

Staff will need to contract with a surveyor to obtain survey and legal description information for the approximately 184 parcels in order to prepare the easement documents.

PREVIOUS RELEVANT BOCC ACTION:
The Board of County Commissioners approved a contract with WSP USA Inc. for engineering design and permitting services for the Stillwright Point Road Elevation and Stormwater Managment Project at the May 17, 2023 BOCC meeting.

INSURANCE REQUIRED:
No

CONTRACT/AGREEMENT CHANGES:

Not applicable

STAFF RECOMMENDATION: Discussion

DOCUMENTATION:

FINANCIAL IMPACT:
There will be a cost associated with obtaining surveys and legal descriptions for the easements and with recording the easement documents once they are executed. This cost has not been determined at this time.
