Regarding: Banner Program – Selection of Banner Concepts

Date: July 23, 2021

Village Board,

This memo is to provide you with an update and a request to move forward to the next steps of the banner program.

Background:

As you are aware there have been a number of studies with regard to the downtown area of the community. These documents and policies include the 2009 Comprehensive Plan and the 2016 update to the Comprehensive Plan, The June 2018 Downtown Strategic Plan, and the 2020 Streetscape Design. One recommendation of these plans was to develop a Banner Program. Funding was providing in the current budget to begin the implementation of this program.

Village Banner Program:

This spring the Village issued an RFP for graphic design services to create banners for the banner program. This RFP include essentially two steps. Step one is the selection of a design style or design concept. The consultant was to provide as least three options. Our consultant has provided more than three and the DDC has selected three options that they believe will provide a good foundation to move forward with a design. In addition, they selected one preferred option that can be used to develop a special event template for community organizations to use to sponsor various community events.

As a reminder there will be multiple banners created and there will not be just one banner, in addition at least one of the banners will have a winter theme to coordinate with the snowflake seasonal lights.

Concepts:

Attached are two packets that have been submitted by the consultant. The DDC choice and rank are as follows:

1st Choice = #7A.

- This option was preferred with the torn paper concept.
- The DDC prefers to use the Make Downtown your slogan.
- The DDC prefers to use the read house logo for the downtown.
- The DDC like the idea of using the word welcome.
- The DDC also like the idea that this design concept allowed for a large area for a message (int this case the words make downtown yours)
- There was discussion of a possible color change to the background as pure white might look tired sooner rather than later.

2nd Choice = #1A.

- The DDC also liked this concept which is very similar however it uses the village logo.

3rd Choice = #1B

- The DDC also liked this concept as the background color could change and the background was not white.
- The DDC also noted that the design had more options for seasonal color changes.

Special Event Option #3SE:

- The DDC also selected #3SE as the preferred template for special event banners.

Next Steps:

After a concept is selected by the Village Board staff will direct the contractor to begin to design the banners. These will be reviewed by the DDC and then be returned for final approval by the Village Board.

Request:

Staff and the DDC request that the Village Board choose a design to move forward with and provide any other feedback, so that the final designs will meet the Village Boards expectations.

Agenda Item Cover Report

Date: July 27, 2021	Committee/Board: Finance Committee
Submitted by: Diana Dykstra	Department: Clerk/Treasurer
Date of Committee Action: 8/4/2021	Date of Village Board Action: 8/18/2021

Subject:

DS200 Voting Machine

Executive Summary:

In 2021 the Clerk's office budgeted for a new DS200 E&S Voting Machine. This machine would assist during the heavy election turnout to prevent voters from waiting to enter their ballots into a tabulator before they leave. We would then be able to dedicate one tabulator to Absentee Voters and one Tabulator to In-Person voters.

As we grow, this is the next step that is necessary for us to manage the traffic patterns. This should allow us to prevent adding an additional polling place for a few more years.

We are committed to providing accurate and dedicated customer service for Elections and adding a tabulator will enhance our ability to manage the activity throughout the day. It also will serve as a backup machine in an emergency situation.

Fiscal Impact:

The Village has budgeted \$8,000 in 2021 in the Capital Improvement Plan for this machine.

Executive Recommendation/Action:

Approve the purchase of a DS200 ES&S Voting Tabulator in the amount of \$6,455.

☒ **Attachments Included**

Maintaining voter confidence. Enhancing the voter experience.

RE: Indianhead Park Outdoor Performance Stage Project

Dear Ms. Dykstra:

Bids for the above project were opened on July 22, 2021 at 10:00 a.m. at the Village Hall and were as follows:

	BIDDER	BASE BID
1.	J.H. Hassinger, Inc.	\$310,832.20
2.	Beson & Houle, LLC.	\$367,823.00

We reviewed the documentation submitted by the apparent low bidder and found that:

1. The Bid Form has been appropriately completed.
2. We have no objections to the low bidder, nor to the proposed major subcontractors and suppliers.
3. Low bidder has successfully completed similar projects.

On these bases, we recommend that J.H. Hassinger, Inc. be awarded the Indianhead Park Outdoor Performance Stage Project contract in the amount of \$310,832.20. This amount is based on the bid unit prices and estimated quantities. Actual quantities, and therefore the final contract price, may vary. On all construction projects, and especially complex ones like this, unpredictable factors may increase the final contract amount. For this reason, we recommend that the Village include a 10 percent contingency when preparing the financial plan for this work.

Our review did not include an evaluation of bidder's current financial condition nor of their permanent safety program.

Should you decide to accept our recommendation, we have prepared the enclosed Notice of Award for your use. After Board approval has been received, please have the appropriate official sign where indicated and forward a signed copy of the Notice of Award to our office. We will then fill in the date at the top of page one and forward it, with contracts for execution, to the Contractor. One fully completed Notice of Award will be returned to you for your records.

Bids remain subject to acceptance until September 20, 2021, unless Bidder agrees to an extension. Please advise us of your award decision, or call if there are any questions.

Committee/Board:	Public Works / Village Board
Topic:	WWTF Aeration Basin Components for Purchase
From:	David Arnott
Department:	Public Works
Presenter:	David Arnott
Date of Committee Action (if required):	August 4, 2021
Date of Village Board Action (if required):	August 18, 2021

Information

Subject: The aeration basins at the wastewater treatment facility (WWTF) are being upgraded as part of previously approved Task Order 2021-05. Most of the work involves upgrading the Integrated Fixed Film Activated Sludge (IFAS) system with new textile cloths, new diffuser pipes, and a new condensate drainage system. The Village and RM have worked with the appropriate equipment supplier, Energenecs, to receive a quote for the replacement of these components.

Background Information/Rationale: The diffuser piping and textile cloth materials are required to perform a routine upgrade for the aeration basins. The new cloth and diffuser piping is the same kind as the existing cloth and diffuser piping, as it has served the Village well for 15 years.

Key Issues for Consideration: The purchase of the IFAS system cloths and diffusers will allow the Village to perform the work described in Task Order 2021-05.

Fiscal Impact (If any): \$284,750

The cost includes materials, shipping to site, shop drawing submittals, inspection services, and startup training performed by Environmental Dynamics International (EDI). A warrantee is included with terms of 1-year from startup or 1.5-year from shipment, whichever comes first.

Requested Action by Committee/Board: Approve the purchase of the materials listed in the attached quote, to allow work to be performed for the Aeration Basin Upgrades project (Task Order 2021-05).

Memorandum of Understanding for School Resources Officer Program

The purpose of this document is to establish a School Resource Officer Program and to set forth guidelines to ensure that law enforcement, school officials, and the communities they serve, have a shared understanding of the goals of the School Resource Officer Program;

The parties agree that an effective School Resource Officer Program defines the role of the School Resource Officer (SRO): within the context of the educational mission of the school; distinctions between disciplinary misconduct to be handled by school officials, and criminal offenses to be handled by law enforcement; information sharing; School Resource Officer training requirements; program assessment; and program structure;

The School Resource Officers receive the necessary support and training to ensure a safe school environment while respecting the rights of students and improving the overall school climate;

The signatories agree to the following:

Role of the School Resource Officer within the Context of the Educational Mission of the School

1. The mission of the School Resource Officer program is to improve school safety and the educational climate at the school.
2. School Resource Officers are responsible for dealing with criminal law issues, not to enforce school discipline or punish students.
3. The SRO shall meet with building-level school administrators, teachers, parents, and student representatives at least annually to discuss issues of school safety.
4. The SRO shall be integrated into the school community through participation in faculty and student meetings and assemblies as appropriate.
5. The SRO shall maintain activity reports and submit summaries of these reports to building-level school administrators, district-level school administrators, and the relevant law enforcement agency. The summaries shall include, for each SRO, the numbers and descriptions of all incidents or calls for service; names of school officials involved (referring teachers, principals, etc.); student searches; student questioning; tickets, citations, or summonses; filing of delinquency petitions; referrals to a probation officer; actual arrests, and other referrals to the juvenile justice system. The information provided will be limited as per Wis. Stat. 938.396.
6. Absent a real and immediate threat to student, teacher, or school safety, and absent the situations described herein where formal law enforcement intervention is deemed appropriate, building-level school administrators shall have final authority in the building.
7. Absent a real and immediate threat to student, teacher, or public safety, incidents involving public order offenses including: disturbance /disruption of schools or public assembly; loitering; profanity; and fighting that does not involve physical injury or weapon, shall be considered school discipline issues to be handled by school officials, rather than criminal law issues warranting formal law enforcement intervention (e.g., issuance of criminal citation, ticket, summon, or filing of delinquency petition).

8. The school administrator shall conduct his/her own investigation into whether the student violated school rules. This investigation may be conducted in conjunction with or separate from an SRO's investigation, but the school may not use the law enforcement records as the sole basis for disciplinary action.
9. If SROs or either Police Department receives information of an ordinance violation or crime on campus, SROs shall notify the administration of the violation, as soon as possible either directly, through email or telephone to the extent practical and as reasonably practical based on the nature and status of the law enforcement investigation.
10. It is the intent of this agreement that SROs will report and process all crimes originating on campus to the Police Department, as may be appropriate. Information on cases worked off-campus by either Police Department or other agencies involving students of the District will be provided to the SROs, but SROs will not normally be actively involved in off-campus investigations(s).
11. SROs will coordinate his/her actions within MASD school buildings with District administration for law enforcement cases that occur outside the school environment.
12. SROs may assist school administration in conducting searches at the request of school administration, subject to the limitations of applicable statutes and constitutional limitations, as long as SROs are assisting school officials in furtherance of the school's objectives in maintaining a safe and proper education environment as opposed to gathering evidence of a crime.
13. Students shall not be taken into custody at school, except where a child poses a real and immediate threat to student, teacher, or public safety or pursuant to a warrant.
 - a. School principals shall be consulted prior to a student being taken into custody where practicable.
 - b. The student's parent or guardian shall be notified of a child being taken into custody as soon as practicable.
14. Students may be interviewed during school hours by the SRO, consistent with School Board Policy 5540.
15. If the SRO uses seclusion or physical restraint on a student at school, as defined by Wis. Stat. 118.305(1), the District will follow the notification and reporting requirements in Wis. Stat. 118.305(4) and School Board Policy 5630.01.

Information Sharing

16. The school district designates the SRO a "school official" as provided in the Federal Educational Rights and Privacy Act (FERPA) 20 U.S.C. 1232g, and I 18.125(2)(d) of the Wisconsin Statutes. An SRO may be provided access to student records information maintained by the school district only as needed by the SRO to perform his or her duties as SRO. An SRO may also be granted access to student records information in the

event of an emergency situation threatening the health or safety of a student or other individual. The SRO may only re-disclose student records information consistent with FERPA and Wisconsin pupil records law.

17. Records created and maintained by an SRO for the purpose of ensuring the safety and security of persons or property in the school, district, or for the enforcement of local, state, or federal laws or ordinances shall not be considered student records - even when such records may serve the dual purpose of enforcing school rules - and are not subject to the same prohibitions of access or disclosure by the SRO. (This provision does not prohibit school personnel from complying with the notice and reporting requirements of seclusion or restraint of a student by the SRO as specified in 118.305(4) of the Wisconsin Statutes.) However, such records may be limited to their disclosure per Wis. Stat. 938.396.

School Resource Officer Training Requirements

18. The SRO shall receive such training as is necessary to permit the SRO to effectively advance the school's educational mission in the context of his or her duties as SRO. Training topics, goals, and objectives shall be determined jointly by representatives of the school and the law enforcement agency. Training shall be provided in the following areas:
 - a. Provisions of Wisconsin law pertaining to the use of seclusion and restraint by school personnel
 - b. Federal and state anti-discrimination and special education laws
 - c. Crisis intervention training
 - d. De-escalation techniques
 - e. Threat assessment
 - f. Current active shooter training, such as ALICE

Program Assessment

19. The School Resource Officer Program will be assessed annually, and the evaluation will be conducted jointly between the Village of Mukwonago Police Department and the Mukwonago Area School District. The following areas will be used to evaluate the program:
 - a. Success of established goals and objectives.
 - b. Police-citizen contacts (citations, arrests, community and school outreach activities, etc.).
 - c. Community feedback.
 - d. Accomplishment of tasks agreed upon as part of any work plan written in conjunction with the principal.

Structure and Funding for School Resource Officer Program

Any overtime hours which are the results of school activities outside of the regular instructional day will be billed separately to MASD from regular SRO services by the Village of Mukwonago. Overtime

hours directly related to SRO services will be billed proportionately to MASD under the agreement reached by the Chief of Police and the SRO's Labor Association.

The Village of Mukwonago shall bill MASD quarterly for the SRO services. Any changes in billing arrangements will be agreed upon by the Village of Mukwonago Administrator and the MASD's Director of Business Services. The Village shall bill MASD only for days the SRO's actively work at or on behalf of Mukwonago Public Schools.

Employment of SRO

21. SROs shall be employees of the Mukwonago Police Department and shall be subject to the administration, supervision, and control of the Mukwonago Police Department.

SROs shall be subject to all personnel policies and practices of the Mukwonago Police Department except as such policies or practices may be modified by the terms and conditions of this agreement.

The Mukwonago Police Department, in its sole discretion, shall have the power and authority to hire, discharge, and discipline the SROs.

A joint committee composed of representatives of the Mukwonago Police Department and MASD shall make recommendations for the SRO positions to the Chief of Police who shall assign such officers.

The MASD Superintendent may request the immediate removal and/or reassignment of an officer from the program. However, the discipline of the SRO shall be subject to the provisions of Wis. Stat. 62.13.

Suggested assignment term to the SRO program shall be for a period of four (4) years. Ultimately, the length of term for the assignment will be at the Chief of Police's discretion.

SRO staff transitions will occur in different years in order to create consistency in training and to enhance community relationships.

22. Funding for equipment requested by MASD will be provided by MASD. Funding for training requested by MASD will be provided by MASD.

Chain of Command

23. As employees of the Mukwonago Police Department, SROs will be subject to the chain of command within the Mukwonago Police Department.

In the performance of their duties, SROs shall coordinate and communicate with the Superintendent or their designee.

Work Hours

24. An SRO will be provided at both Park View Middle School and Mukwonago High School. The SRO at Mukwonago High School will have a physical presence at the building from 6:45 am to 2:00 pm on Wednesdays, and 6:45 am until 3:00 pm on all other school days. The SRO at Park View Middle School will have a physical presence at the building from 7:00 am to 2:00 pm on Wednesdays, and 7:00 am to 3:00 pm on all other school days.

It is understood and agreed that time spent by SRO's attending municipal court, juvenile court, and/or criminal cases arising from and/or out of their employment as an SRO shall be considered as hours worked under this Agreement.

In the event an SRO is absent from work, the SRO shall notify the Police Department and an administrator of the school district to include building principals and Superintendent.

25. The Mukwonago Police Department reserves the right to assign the SRO's to assist with emergent law enforcement needs in the community as circumstances may dictate.

27. SROs will wear Mukwonago Police Department-issued weapons in accordance with Department policy.

The use of any body or weapon cameras by SROs will conform with Village of Mukwonago Police Departmental policy, and the District will have access to review such policy. Body camera footage recorded on District property is considered a "law enforcement unit record" and will not be considered a pupil record maintained by the District unless such records are obtained by the District pursuant to this Interagency Agreement or as otherwise authorized by Wisconsin law.

Duration

28. This memorandum of understanding shall become effective immediately upon execution by signature and remain effective until August 31, 2024, whereupon it must be reviewed annually by all signatories or their successors before being renewed.
29. A signatory may terminate this memorandum of understanding by serving written notice to all other signatories at least sixty (60) days in advance of such termination. A termination by a signatory shall eliminate the presence of School Resource Officers at Mukwonago Public Schools.

The Mukwonago Lions have held the Mukwonago Lions Summerfeste since 1962. Prior to that it was a Community Picnic started by the Village of Mukwonago. The Village of Mukwonago does not donate directly to support the Mukwonago Lion's Summerfeste or the Father's Day Parade, but does pay its employees who provide many essential services during the event.

On behalf of the Mukwonago Lions Foundation, Inc., I wish to thank the Village Board of Trustees and all Village employees for their help and assistance during this event. We especially want to recognize the support from the Police Department, the Fire Department and the Parks Department. The continuing support from the Village of Mukwonago helps the Mukwonago Lions provide this community wide Lion's Summerfeste with fireworks and Father's Day Parade. There might not be a Summerfeste without the continuing Village of Mukwonago support.

The Mukwonago Lions pay for the fireworks, the parade acts, the parade bands, the parade prizes, softball and horseshoe tournaments, many youth activities, animal petting zoo, portable toilets, the dumpsters, the Father of the Year, the car show, all the entertainment bands during the event, and numerous other activities that cost money to host. Our main sources of income are beer sales and a percentage from carnival income, which are fairly stable or have declined.

As those sources of income declined, we looked to community donations. For many years, the Mukwonago Lion's Summerfeste has benefited from community donations. Without the donations from the individuals, clubs, organizations, and community businesses, the Lions would have difficulty hosting the Lion's Summerfeste or the Father's Day Parade.

The Mukwonago Lions are dedicated to helping improve our community. The Lions charter specifies that the net income of activities of this club by which funds are raised from the public must be used for public purposes. Therefore, we have a continuing history of donating to about 50 organizations, community improvement projects, youth groups, school groups, sight and

hearing-impaired programs, senior citizen programs, Wisconsin Lions sight and hearing programs, Wisconsin Lions Camp and Lions Club International programs.

In 2020 we provided a Special Community Donation during the coronavirus pandemic. The Mukwonago Lions Foundation donated over \$10,000.00 to the following organizations; Mukwonago Education Foundation, Family Promise of Waukesha County, and Willow Creek Ranch. Most importantly, these groups have the network to reach out to people that were experiencing a great need.

During 2019-20, we donated \$32,964.00 in community service donation including the special covid-19 donations. The Mukwonago Lions Club and Mukwonago Lions Foundation have donated \$594,814.00 since 1992 to help improve the community. We have donated cash and food to the two food pantries. We donated new bleachers, a scoreboard, a snack shack, and a park shelter at Field Park. We also donated four other community park shelters. We continue to recycle eye glasses and hearing aids, provide high school scholarships, provide Christmas for Families including gifts and food, and support many school and youth groups in the community.

Mukwonago Lions Club Foundation, Inc. is a non-profit, tax-exempt corporation as described in Section 501 (c) (3) of the U.S. Internal Revenue Code. IRS has classified the organization as a public charity with federal tax identification # 47-2295909.

Thank you again for your generosity and your continued support.
