

Village of Mukwonago
Notice of Meeting and Agenda

REGULAR VILLAGE BOARD MEETING
Wednesday, December 21, 2022

Time: **6:30 pm**

Place: **Mukwonago Municipal Building/ Board Room, 440 River Crest Court,
Mukwonago, WI 53149**

1. Call to Order

2. Roll Call

3. Pledge of Allegiance

4. Comments from the Public

The Public Comment Session shall last no longer than fifteen (15) minutes and individual presentations are limited to three (3) minutes per speaker. These time limits may be extended at the discretion of the Chief Presiding Officer. The Village Board may have limited discussion on the information received, however, no action will be taken on issues raised during the Public Comment Session unless they are otherwise on the Agenda for that meeting. Public comments should be addressed to the Village Board as a body. Presentations shall not deal in personalities personal attacks on members of the Village Board, the applicant for any project or Village employees. Comments, questions and concerns should be presented in a respectful professional manner. Any questions to an individual member of the Commission or Staff will be deemed out of order by the Presiding Officer.

5. Proclamations

5.1 Proclamation honoring Jennilee Schlinsky as a winner in her category for the "I Voted" Sticker Design Contest

- 12.3 Discussion and possible action to the Village and Town Board on Pro Health Care Interfacility Fees, as discussed at the Joint Protective Services Committee.

13. Adjournment

It is possible that a quorum of, members of other governmental bodies of the municipality may be in attendance at the above stated meeting to gather information. No action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice. Please note, upon reasonable notice, efforts will be made to accommodate the needs of individuals with disabilities through appropriate aids and services. For additional information or to request this service, contact the Municipal Clerk's Office, (262) 363-6420.

Proclamation

Honoring

Jennilee Schlinsky

Official Election Day Sticker Design

WHEREAS, the Village of Mukwonago recognizes the importance the voting sticker has in our election activities each year, and established an "I Voted" Sticker design contest to engage residents in the voting processes and showcase our local talent;

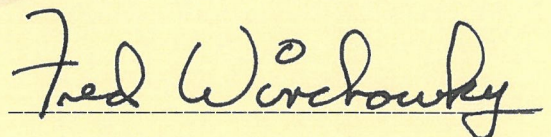

WHEREAS, the Village of Mukwonago displayed all the entries during early voting and up to the end of Election Day for all residents to cast their vote, and

WHEREAS, Jennilee Schlinsky received the highest number of votes for her for her unique entry into the contest from among the entire village; and

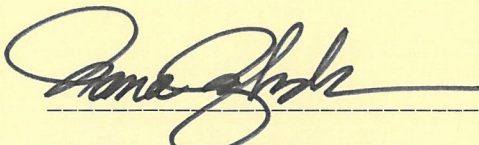

WHEREAS, her hard work and dedication to our village heritage and voting process will now be recognized for years to come as her design will be printed and displayed at future elections.

NOW THEREFORE BE IT RESOLVED, that the Village of Mukwonago does officially and formally recognize the outstanding design from Jennilee Schlinsky as one of our official "I Voted" Stickers used in all future elections in the Village of Mukwonago.

Dated this 21st Day of December 2022.

FRED WINCHOWY, Village President

DIANA A DYKSTRA, MMC
Village Clerk-Treasurer

Proclamation

Honoring

Annabelle Kane-Terhorst

Dated this 21st Day of December 2022.

FRED WINCHOWY, Village President

DIANA A DYKSTRA, MMC
Village Clerk-Treasurer

**NOTICE OF PUBLIC HEARING BEFORE THE VILLAGE OF MUKWONAGO
VILLAGE BOARD TO CONSIDER PROPOSED AMENDMENTS TO THE
ZONING CODE (CHAPTER 100) WITH REGARD TO LAND USES IN THE P-1
DISTRICT AND TO REZONE PROPERTY LOCATED AT 560 BAY VIEW ROAD**

The Village of Mukwonago Village Board will conduct a public hearing in the Board Room of the Village Hall, 440 River Crest Court, Mukwonago, Waukesha and Walworth counties, on December 21, 2022, commencing at 6:30 P.M. or soon thereafter to consider a recommendation from the Village's Plan Commission to amend the Village's zoning code with regard to permissible land uses in the P-1 zoning district and to change the zoning classification of the property located at 560 Bay View Road from B-2 to P-1. The proposed ordinance may affect land uses in the Village.

The proposal may be viewed at Village Hall, 440 River Crest Court, Mukwonago, WI during business hours.

All interested parties will be heard. Written comments will be accepted up to the time of the hearing. For more information, please contact the village planner at (262) 363-6420 x. 2111, or at planner@villageofmukwonago.com.

Diana Dykstra, Village Clerk

To be published: December 7 and 14, 2022

**NOTICE OF PUBLIC HEARING BEFORE THE VILLAGE OF MUKWONAGO VILLAGE
BOARD TO CONSIDER PROPOSED AMENDMENTS TO THE ZONING CODE
(CHAPTER 100) WITH REGARD TO POPUP VENDOR VENUES**

MINUTES OF THE VILLAGE BOARD OF TRUSTEES MEETING

Wednesday, November 16, 2022

Time: **6:30 pm**

Place: **Mukwonago Municipal Building/ Board Room, 440 River Crest Court,
Mukwonago, WI 53149**

Call to Order Call to Order

President Winchowky called the meeting to order at 6:30pm.

Roll Call

Board Members Present

Eric Brill
James Decker
Darlene Johnson
Ken Johnson
John Meiners
Scott Reeves
Fred Winchowky

Also Present

Fred Schnook, Village Administrator
Diana Dykstra, Village Clerk-Treasurer
Diana Doherty, Finance Director
Chris DeMotto, Asst. Police Chief
Peter Gesch, Village Engineer
Nathan Bayer, Village Attorney
Ron Bittner, Public Works Director
Wayne Castle, Utilities Director
Jeff Stien, Fire Chief

Pledge of Allegiance

Comments from the Public

None.

Public Hearings

All persons interested in making comments about any of the public hearing items will be heard. Formal petitions and written comments regarding any of the public hearing items may be submitted tonight. During the public hearing(s), if you wish to be heard, the Village Board asks that you begin by stating your name and address, speak for no more than three minutes and attempt to avoid duplication. Each person speaking at the public hearing must sign the Public Hearing Appearance sign-in sheet before speaking. The sign-in sheet is available on the table located in the back of the room.

Public Hearing before the Village Board to consider a proposed Amendment of the Village's Comprehensive Plan with regard to 560 Bay View Rd.

Shawn McNulty, Superintendent for the Mukwonago Area School District was present. He noted they are looking to acquire a piece of property and have it rezoned to move the alternative high school program to that site. "Soar" is the name of the program and it has been intact for 5 years. They are currently located at Lilian Rose Building but the facility has been sold. This year they moved to St. James Elementary on a temporary basis.

They also have a need for their 18-21 program which are taught life skills and it is in their best interest to not be in the main stream high school so they are looking at the facility on Bay View Road. These two programs would fit their needs in this space.
Hearing No further comments, Public Hearing was closed at 6:36pm.

Public Hearing on the proposed 2023 Budget for the Village of Mukwonago.

Administrator Schnook reviewed the budget slides for those present.
Hearing no public comment the public hearing was closed at 7:09pm

Consent Agenda

All items listed are considered routine and/or have been unanimously recommended by the Committee of the Whole and will be enacted by one motion. There will be no separate discussion of these items unless a Board member so requests, in which event the item will be removed from the Consent agenda and be considered on the regular agenda.

- 6.1 Approve Minutes of the Village Board meeting of October 19, 2022 and Special meeting of October 24, 2022.
- 6.2 Approve Accounts Payable Vouchers in the amount of \$394,952.13.
- 6.3 Approve **Ordinance 1013** an Ordinance to amend **Section 2-26** Village Board and **Ordinance 1014** an Ordinance to amend **Section 2-34** Committee of the Whole to reflect the correct day of the week for monthly meetings to be held.
- 6.4 Approve Pre-bid design **Task Order 2022-11** for Well 3 and 4 HMO Treatment Predesign Study with Ruekert-Mielke, Inc.
- 6.5 Approve the Atkinson Lift Station Pump Improvements Bid to August Winter & Sons Inc in the amount of \$1,184,000.
- 6.6 Approve **Resolution 2022-65** to approve a Letter of Credit reduction for Minors Estates Phase 2.
- 6.7 Approve authorizing the Public Works Director to issue a Right of Way permit to IDC subject to DNR approval and property owner agreeing to indemnify and hold the Village harmless.

Decker/D Johnson motion to approve Consent Agenda Items 6.1-6.7. Unanimously carried.

Planning Commission Recommendations

Discussion and possible action on Ordinance 1015 An Ordinance to approve an Amendment to the Village Comprehensive Plan with regard to the classification of the property located at 560 Bay View Rd; Parcel MUKV 2010-978-017.

Decker/K Johnson motion to approve **Ordinance 1015** An Ordinance to approve an Amendment to the Village Comprehensive Plan with regard to the classification of the property located at 560 Bay View Rd; Parcel MUKV 2010-978-017
Unanimously carried.

Finance Committee, Trustee Darlene Johnson

Discussion and possible action to approve Accounts Payable Vouchers in the amount of \$154,996.70.

D Johnson/Decker motion to approve Accounts Payable Vouchers in the amount of \$154,996.70. Unanimously carried.

Discussion and possible action to approve Resolution 2022-66 a Resolution adopting the 2023 Annual Budget and establishing the Property Tax Levy.

Decker/K Johnson motion to approve Resolution 2022-66 a Resolution adopting the 2023 Annual Budget and establishing the Property Tax Levy.
Unanimously carried.

Discussion and possible action on Resolution 2022-67 a Resolution adopting the 2023 Storm Water Utility District #1 Budget.

Decker/Brill motion to approve Resolution 2022-67 a Resolution adopting the 2023 Storm Water Utility District #1 Budget. Unanimously carried.

Protective Services, Trustee Decker
Monthly Police Report for October 2022.

(For Information Only)

Fire Department Reports

(For Information Only)

Downtown Development Committee Recommendations, Trustee Reeves

Discussion and possible action to authorize staff to bid way-finding signs for the Village as adopted by the Village Board, to include all four years of planned work with a clause the Village may cancel future work if necessary.

Trustee Decker questioned why all four years and what value for return. Administrator Schnook noted it is a savings.

DPW Bittner noted that some of current signs are on private property and may need to be relocated to public right of way.

Trustee Brill asked if there was a cost savings? Administrator Schnook noted the saving is less staff effort. They have put together an RFP based on what they had at another community. He contacted KMA to try to get documents together.

Decker/ Reeves motion to approve 2023 signage only. Unanimously carried.

Village Administrator

Discussion and possible action on FIRM (Flood Insurance Rate Map) map updates.

Administrator Schnook noted this has been reviewed by R&M. FEMA came up with new flood plain maps and he had R&M review the impact on the community. They think it is slight enough not to ask for a letter of revision. Engineer Peter Gesch noted that every now and then FEMA conducts an update. In short there is three properties in the village that are affected. One is a path against the fox river and two others that were not in the flood plain but are now, and that affects them.

Decker/Meiners motion to recommend not request a map revision. Unanimously carried.

Village Clerk-Treasurer

Review of November 8, 2022 Election Day activities and statistics report.

Clerk Dykstra reviewed the Election Statistics Report from November 8, 2022. She noted roughly 77% of the registered voters turned out. Traffic was manageable and appreciated all the support. In addition, she announced the winners of the "I Voted" Sticker design contest and noted they will be present at the December 21, 2022 Village Board meeting.

Closed Session

Decker/Meiners motion to go into closed session pursuant to **Wis. Stats § 19.85 (1) (g)**

(Conferring with legal counsel who either orally or in writing will advise governmental body on strategy to be adopted with respect to current or likely litigation) concerning GFLP v Village of Mukwonago.

Roll Call: "Yes" Trustee Decker, Brill, D Johnson, K Johnson, Meiners, Reeves, Winchowky.
Unanimously carried.

Reconvene into Open Session

Decker/Meiners motion to reconvene into open session pursuant to Wis. Stats. §19.85(2) for possible discussion and/or action concerning any matter discussed in closed session at 8:17pm.

Roll Call: "Yes" Trustee Decker, Brill, D Johnson, K Johnson, Meiners, Reeves, Winchowky.
Unanimously carried.

Adjournment

Meeting adjourned at 8:18pm.

Respectfully Submitted,

Diana Dykstra, MMC
Village Clerk-Treasurer

**VILLAGE OF MUKWONAGO
WAUKESHA AND WALWORTH COUNTIES**

RESOLUTION 2022-70

**A RESOLUTION ADOPTING THE 2023 ANNUAL TAX INCREMENT DISTRICT BUDGETS
AND ESTABLISHING THE 2022 TAX INCREMENT FOR THE
VILLAGE OF MUKWONAGO**

WHEREAS, the Village of Mukwonago prepared an annual budget for the 2023 fiscal year in accordance with Section 2-172 of the Village of Mukwonago Municipal Code; and

WHEREAS, the Village Board has reviewed the proposed revenues from all sources and the proposed expenditures for all purposes and has found the proposed budget will responsibly and efficiently fund debt service and capital projects; and

WHEREAS, a public hearing on the 2023 Annual Budget was held on November 16, 2022 after due and proper notice of said hearing having been given in accordance with Wis. Stat. Section 65.90; and

WHEREAS, the Village Board has adopted certain resolutions relating to borrowing and levying irrepealably taxes sufficient to pay such borrowing; and

WHEREAS, tax increment calculations totaled \$1,272,623.16 for Waukesha County and \$906,641.21 for Walworth County to pay for TIF district project and debt service costs;

NOW THEREFORE, BE IT RESOLVED by the Village Board of Mukwonago, Wisconsin hereby approves the 2023 Tax Increment District Annual Budgets, as attached as Exhibit A, utilizing the tax increment levied against affected properties.

Passed and adopted this 21st day of December, 2022.

Fred H. Winchowky, Village President

Attest: _____
Diana Dykstra, Clerk-Treasurer

Agenda Item Cover Report

Date: 11-29-22	Committee/Board: Finance
Submitted by: Wayne Castle	Department: Utilities- Wastewater
Date of Committee Action: 12-7-22	Date of Village Board Action: 12-21-22

Subject:
Bassett Mechanical Maintenance Contract Renewal

Executive Summary:

Bassett Mechanical services some of the Wastewater Plant's crucial equipment. Some of the equipment includes the digester boiler, roof top HVAC equipment, make up air unit, and energy recover units. This maintenance contract provides timely maintenance to equipment that we do not have either the time or proper level of expertise to work on. The contract was reviewed by the attorney in a previous contract.

Fiscal Impact:

Monthly payment of \$1,073.00 a month for a total of \$12,87.00 for the year.

Executive Recommendation/Action:

For the Committee of the Whole to recommend to the Village Board to approve the Maintenance Contract renewal.

Bassett Mechanical will provide the services described in the maintenance program indicated below.

MAINTENANCE PROGRAM: Planned Maintenance (CPMII) **SCHEDULES:** *Equipment Schedule

Agreement coverage will commence on 1/1/2023.

The Agreement price is \$12,876.00 per year, payable in advanced installments of \$1,073.00 per Month beginning on the effective date of 1/1/2023 through 12/31/2023.

BASSETT MECHANICAL WILL SCHEDULE A CARE MEETING BEFORE THE AGREEMENT RENEWS 11/01/2022.
THIS IS A QUARTERLY PREVENTATIVE MAINTENANCE AGREEMENT.

This proposal is the property of Contractor and is provided for Customer's use only. Contractor guarantees the price stated in this Agreement for thirty (30) days from proposal date above. This proposal will become a binding Agreement only after acceptance by Customer and approved by an officer of Contractor as evidenced by their signatures below. This Agreement sets forth all of the terms and conditions binding upon the parties hereto; and no person has authority to make any claim, representation, promise or condition on behalf of Contractor which is not expressed herein.

Planned Maintenance (CPMII) Program

This agreement is designed to provide the Customer with an ongoing maintenance agreement. This agreement will be initiated, scheduled, administered, monitored and updated by the Service Provider. The service activities will be directed and scheduled, on a regular basis, by our comprehensive equipment maintenance scheduling system based on manufacturers' recommendations, equipment location, application, type, run time, and Service Provider's own experience.

COMPLETE PROFESSIONAL MAINTENANCE: Comprehensive maintenance program with computerized tasking to ensure the highest standards are followed, reducing breakdowns, providing equipment reliability, and helping to extend the life of your equipment.

TEST AND INSPECT: On-Site labor, travel labor and travel and living expenses required to visually INSPECT and TEST equipment to determine its operating condition and efficiency. Typical activities could include:

*TESTING for excessive vibration; motor winding resistance; refrigerant charge; fan RPM; refrigerant oil (acid); flue gas analysis; safety controls, combustion and draft; crankcase heaters, control system(s), etc.

*INSPECTING for worn, failed or doubtful parts; mountings, drive couplings; oil level; rotation; soot; flame composition and shape; pilot and igniter; steam, water, oil and/or refrigerant leaks, etc.

PREVENTIVE MAINTENANCE: On-Site labor, travel labor and travel and living expenses required to clean, align, calibrate, tighten, adjust and lubricate equipment. These activities are intended to extend equipment life and assure proper operating condition and efficiency. Typical activities could include:

*CLEANING coil surfaces; electrical contacts; burner orifices; passages and nozzles; pilot and igniter; cooling tower baffles, basin, sump and float; chiller, condenser and boiler tubes, etc.

*ALIGNING belt drives; drive couplings; coil fins, etc.

*CALIBRATING safety controls; temperature and pressure controls, etc.

*TIGHTENING electrical connections; mounting bolts; refrigerant piping fittings; damper sections, etc.

*ADJUSTING belt tension; refrigerant charge; super heat; fan RPM; burner fuel/air ratios; gas pressure; set point of controls and limits; compressor cylinder unloaders; damper close-off; sump floats, etc.

*LUBRICATING motors; fan and damper bearings; valve stems; damper linkages; fan vane linkages, etc.

PRIMARY TECHNICIAN: An assigned primary and secondary technician for your facility.

ASSIGNED PROJECT MANAGER: An Assigned HVAC Specialist to assist you with future planning, budgeting, system upgrades and current project needs.

DOCUMENTATION: On-going communication regarding the history of your equipment as well as current performance of the system thru service reports and Bassett's web based reporting platform.

CUSTOMIZED PROFESSIONAL MAINTENANCE PROGRAM II TERMS AND CONDITIONS

1. Customer shall permit Contractor free and timely access to areas and equipment, and allow Contractor to start and stop the equipment as necessary to perform required services. All planned work under this Agreement will be performed during the Contractor's normal working hours.
2. In case of any failure to perform its obligations under this Agreement, Contractor's liability is limited to repair or replacement at its option and such repair or replacement shall be Customer's sole remedy. This warranty is conditioned upon proper operation and maintenance by Customer and shall not apply if the failure is caused or contributed to by accident, alteration, abuse or misuse, and shall not extend beyond the term of this Agreement.
3. This annual agreement shall continue in effect from year to year unless either party gives written notice to the other of intention not to renew thirty (30) days prior to any anniversary date.
4. The annual Agreement price is subject to adjustment on each commencement anniversary to reflect increases in labor, material and other costs.
5. Customer shall be responsible for all taxes applicable to the services and/or materials hereunder.
6. Customer will promptly pay invoices within thirty (30) days of receipt. Should a payment become thirty one (31) days or more delinquent, Contractor may stop all work under this Agreement without notice and/or cancel this Agreement, and the entire Agreement amount shall become due and payable immediately upon demand.
7. This Agreement does not include repairs to the system(s), the provisions or installation of components or parts, or service calls requested by the Customer. These services will be charged for at Contractor's rates then in effect.
8. Any alteration to, or deviation from, this Agreement involving extra work, cost of materials or labor will become an extra charge (fixed price amount to be negotiated or on a time-and-material basis at Contractor's rates then in effect) over the sum stated in this Agreement.
9. Contractor will not be required to move, replace or alter any part of the building structure in the performance of this Agreement.
10. Customer shall permit only Contractor's personnel or agent to perform the work included in the scope of this Agreement. Should anyone other than Contractor's personnel perform such work, Contractor may, at its option, cancel this Agreement or eliminate the involved item of equipment from inclusion in this Agreement.
11. In the event Contractor must commence legal action in order to recover any amount payable under this Agreement, Customer shall pay Contractor all court costs and attorneys' fees incurred by Contractor.
12. Any legal action against the Contractor relating to this Agreement, or the breach thereof, shall be commenced within one (1) year from the date of the work.
13. Contractor shall not be liable for any delay, loss, damage or detention caused by unavailability of machinery, equipment or materials, delay of carriers, strikes, including those by Contractor's employees, lockouts, civil or military authority, priority regulations, insurrection or riot, action of the elements, forces of nature, or by any cause beyond its control.
14. The Customer has the right to cancel this program at any time for any reason with a 30 day written notice of intent to cancel. If this action is taken, Bassett Mechanical may invoice at the preferred prevailing time and materials rates for any work that has been done which exceeds the amount(s) previously billed not to exceed the annual agreement price.
15. To the fullest extent permitted by law both customer and the contractor shall hold harmless the other party, its agent and employees from and against claims, damages, losses and expenses (including but not limited to attorney's fees) to the extent that such claim, damage, loss or expense is caused in whole or in part by an active or passive act or omission of the other party anyone directly or indirectly employed by that party, or anyone for whose acts that may be liable.
16. Customer shall make available to Contractor's personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard Communication Standard Regulations.
17. Contractor expressly disclaims any and all responsibility and liability for the indoor air quality of the customer's facility, including without limitation injury or illness to occupants of the facility or third parties, arising out of or in connection with the Contractor's work under this agreement.
18. Contractor's obligation under this proposal and any subsequent contract does not include the identification, abatement or removal of asbestos or any other toxic or hazardous substances, hazardous wastes or hazardous materials. In the event such substances, wastes and materials are encountered, Contractor's sole obligation will be to notify the Owner of their existence. Contractor shall have the right thereafter to suspend its work until such substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted.
19. UNDER NO CIRCUMSTANCES, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), EQUITY OR OTHERWISE, WILL CONTRACTOR BE RESPONSIBLE FOR LOSS OF USE, LOSS OF PROFIT, INCREASED OPERATING OR MAINTENANCE EXPENSES, CLAIMS OF CUSTOMER'S TENANTS OR CLIENTS, OR ANY SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES.

Equipment Tasking

Scheduled maintenance inspections are performed at various times throughout the year. Tasking Sheets provide an overview of the maintenance to be performed.

ENERGY RECOVERY UNIT

- Examine disconnect for proper operation
- Inspect electrical connections
- Record motor operating amps(3 HP and above) #1
- Inspect motor mounts
- Visual inspect for oil or refrigerant leaks if applicable
- Inspect coils
- Inspect/test the operation of all pressure and temperature controls
- Check for unusual noise - vibration or excessive temperatures
- Inspect blower wheels housings and brackets for cracks or damage
- **Inspect belts/pulleys and check alignment if applicable**
- Lubricate bearings as needed
- Inspect wiring of electric heat if applicable
- Record operating amps of electric heat if applicable
- Inspect filter
- Clean condensate pan and drains if applicable
- Verify proper operation

FAN EXHAUST/SUPPLY W/ BELT

- Check disconnect
- Tighten electrical connections
- Check all belts for proper wear and tension
- Inspect fan security to shaft
- **Check damper operation clean and lubricate as needed if applicable**
- Check pulleys for wear
- Check bearings for wear
- **Lubricate bearings if applicable**
- Check motor operation
- Verify proper operation

BOILER HOT WATER

- Inspect all terminals & connectors for tightness and inspect wiring
- Inspect contactors for worn contacts
- Check all transformers for proper input/output voltage
- Check all fuses for proper size rating and fit
- Sequence test all components and burners
- Inspect draft fan for proper operation and lubricate as needed – if applicable

Equipment Tasking

- Clean burners and burner compartment
- Inspect and clean pilot assemblies, ignitors and sensors
- Verify proper operation of all safety controls
- Record high/low gas pressure settings
- Check and set manifold pressure
- Visually check entire gas train
- Check and record flame signal
- Inspect all gauges
- Inspect for gas/water leaks
- Clean and check operation of low water cutoff
- Verify proper operation of the feed water system and clean strainer
- Inspect boiler venting connection
- Perform recommended manufacturer tasks
- Inspect refractory and firebrick for defect
- Inspect and clean fire tubes and heat exchangers
- Test operation of relief valves
- Clean trim lines – crosses and associated piping
- Flush and clean mud legs
- Perform combustion analysis

BOILER TEARDOWN

- Inspect all terminals & connectors for tightness and inspect wiring
- Inspect contactors for worn contacts
- Check all transformers for proper input/output voltage
- Check all fuses for proper size rating and fit
- Sequence test all components and burners
- Inspect draft fan for proper operation and lubricate as needed - if applicable
- Clean burners and burner compartment
- Inspect and clean pilot assemblies, ignitors and sensors
- Verify proper operation of all safety controls
- Record high/low gas pressure settings
- Check and set manifold pressure
- Visually check entire gas train
- Check and record flame signal
- Inspect all gauges
- Inspect for gas/water leaks
- Clean and check operation of low water cutoff
- Verify proper operation of the feed water system and clean strainer
- Inspect stacks chimneys hoods and flues for cracks and weak spots.
- Perform recommended manufacturer tasks
- Inspect refractory and firebrick for defect
- Inspect and clean fire tubes and heat exchangers
- Test operation of relief valves
- Clean trim lines- crosses and associated piping
- Flush and clean mud legs
- Blow down all float chambers

Equipment Tasking

PUMP

- Electrical Disconnect - Verify Proper Operation
- Inspect motor starter & disconnect if applicable
- Check & tighten electrical connections if applicable
- Verify proper overload protection if applicable
- Check packing & seals for leaks
- Inspect coupling for wear & integrity if applicable
- Check pressure gauges & record operating pressure
- Lubricate motor if applicable
- Lubricate bearing assembly if applicable
- Verify proper operations and flow
- Check drive coupling & coupling alignment (If Applicable)

FAN EXHAUST/SUPPLY W/O BELT

- Check disconnect
- Tighten electrical connections
- Inspect fan security to shaft
- Check damper operation clean and lubricate as needed if applicable
- Check bearings for wear
- Check motor operation
- Verify proper operation

MAKE UP AIR DIRECT FIRED W/O COOLING

- Inspect all terminals and connectors for tightness
- Inspect contactors
- Check all transformers for proper input/output voltage
- Record amp draw (3 hp and higher)
- Check for unusual fan noise vibration or excessive temperatures
- Inspect belts, pulleys drive couplings and bearings for wear if applicable
- Lubricate bearings as required
- Clean burners and burner orifices
- Check flame condition
- Inspect and clean pilot assemblies igniters and sensors
- Inspect for gas leaks
- Verify proper operation of all safety controls
- Sequence test burners and all related controls
- Check for proper flame signal
- Check for proper gas pressures
- Visually inspect each gas train component
- Check that all valves - modulators - and regulators are functioning properly
- Verify proper operation of all dampers - lubricate as needed
- Inspect filters and/or intake screens - brush as needed

Equipment Tasking

- Verify proper operation
- Record discharge air temp and ambient temp

PACKAGED RTU GAS HEAT W/ ECON

Spring Major

- Inspect all wiring terminals and connectors for tightness
- Inspect contactors
- Check all transformers for proper input/output voltage
- Sequence test all components
- Record blower amp draw (3 hp and higher)
- Check all fans for unusual noise or vibration
- Lubricate bearings as needed
- Check belts and bearings and pulleys for wear if applicable
- Inspect blower wheel housings and brackets - clean as needed
- Check belts for proper tension and alignment
- Sequence test economizer operating controls
- Check and set economizer minimum air
- Check economizer damper operation
- Check crankcase heaters if applicable
- Visually inspect for oil or refrigerant leaks
- Record ambient temp
- Record compressor suction pressure- discharge pressure- superheat- sub cooling- operating amps #1 & #2
- Check the operation of capacity controls if applicable
- Inspect all coil surfaces - brush as needed
- Inspect condensate pan and drain - clean as needed
- Check all unit compartments - clean as needed
- Inspect air filters and economizer filter
- Verify proper operation

Fall Major

- Inspect all wiring terminals and connectors for tightness
- Inspect contactors
- Check all transformers for proper input/output voltage
- Sequence test all components
- Record blower amp draw (3 hp and higher)
- Check all fans for unusual noise or vibration
- Lubricate bearings as needed
- Check belts and bearings and pulleys for wear if applicable
- Inspect blower wheel housings and brackets - clean as needed
- Check belts for proper tension and alignment
- Sequence test economizer operating controls
- Check and set economizer minimum air
- Check economizer damper operation
- Check crankcase heaters if applicable

Equipment Tasking

- Inspect draft fan for proper operation
- Clean burners and pilot assemblies igniters and sensors
- Check for gas leaks
- Verify proper operation of all safety controls
- Sequence test ignition and all related controls
- Check gas pressures
- Inspect condensate pan - clean as needed
- Inspect air filters and economizer filter
- Inspect heat exchanger
- Verify proper operation

UNIT HEATER ELECTRIC

- Inspect all terminals and connectors
- Inspect contactors
- Check all transformers for proper input/output voltage.
- Sequence test all components
- Check fan for unusual noise - vibration or excessive temperatures
- Lubricate bearings if applicable
- Clean entire cabinet
- Record element amps
- Blow out coil as needed
- Verify operation

Scope of Work Additions and Special Provisions

Additions to Scope of Work - CPMII:

- In addition to the scope of work disclosed within this agreement, Bassett Mechanical shall also provide annual belt replacement as well as annual coil cleaning on the equipment listed in the inventory section of this agreement.
 - All parts, materials and service calls not specifically stated as covered under this service agreement shall be excluded and will be invoiced separately to customer upon receiving proper approval for the work to be performed.
 - Excluded from this agreement shall be all system ductwork, system piping, variable frequency drives, water treatment and anything not specifically stated as covered within this agreement.
 - Lift rentals are not included in this agreement, unless stated otherwise.
-
- **Teardown and inspection scheduling:**
 - **January 2023 teardown will take place December 2022**
 - **4 hour tuning inspection will take place April/May 2023**
 - **Second teardown in September 2023**
 - **Normal schedule 2024 and on:**
 - **January/September teardowns**
 - **April/May tuning inspection**

Special Provision - Addendum to Agreement Terms and Conditions:

- THIS ADDENDUM (this "Addendum") is hereby made a part of the Agreement to which this Addendum is attached. In the event of any conflicts of inconsistencies between the Agreement and this Addendum, the terms of this Addendum shall control. Terms not otherwise defined in this Addendum shall have the meanings given to them in the Agreement.
- Enter special T&Cs here

Special Provision - Belt Replacement:

- Bassett Mechanical is responsible for providing belts. Bassett Mechanical will provide labor to change.

Special Provision - Filter Replacement:

- Bassett Mechanical is responsible for providing filter media. Bassett Mechanical will provide labor to change.

**VILLAGE OF MUKWONAGO
WAUKESHA AND WALWORTH COUNTIES**

RESOLUTION 2022-74

**A RESOLUTION TO SET THE 2023 SCHEDULE OF IMPACT FEES AND
SEWER CONNECTION FEES
FOR THE VILLAGE OF MUKWONAGO**

WHEREAS, section 44.5(e) of the Village code allows for the annual increase of Impact Fees, based on a percentage equal to the percentage increase in the 20 –City Construction Cost Index (CCI) published by the Engineering News Record over the recent 12-month period, and;

WHEREAS, the Village code allows the Village Board to limit the increase to a lesser percentage rate than the CCI, and;

WHEREAS, the CCI percentage increase is determined to be 5.68%, and;

WHEREAS, section 86.240(c) of the Village code allows for an increase to the Sewer Connection Fees, and;

WHEREAS, the Village Board wishes to increase the Sewer Connection Fees by 5.68%, and;

WHEREAS, the Village Finance Committee has reviewed the 2023 schedule of Impact Fees and Sewer Connection fees and has recommended adoption;

NOW THEREFORE, the Village Board of the Village of Mukwonago does hereby establish the following **2023** schedule of Impact Fees and Sewer Connection fees be approved as defined in the attached schedule and be effective on January 1, 2023 and remain in effect until changed by resolution of the Village Board.

Adopted this 21st day of December 2022.

Fred H. Winchowky, Village President

Attest: _____
Diana Dykstra, Clerk-Treasurer

Schedule of 2023 Impact Fees and Sewer Connection Fees

Residential Development

3+ Bedroom (per unit) Apartment or Condo OR Single Family or Town Home (per unit) regardless of number of bedrooms	
Police	\$337
Fire	\$330
Library	\$1,587
Parks	\$1,301
Water (per REC)	\$2,693
Sewer (per REC)	\$996
Sewer Connection Fee	\$1,975

2 Bedroom (per unit) Apartment or Condo	
Police	\$253
Fire	\$247
Library	\$1,190
Parks	\$975
Water (per REC) .75	\$2,021
Sewer (per REC) .75	\$747
Sewer Connection Fee (per REC) .75	\$1,482

1 Bedroom (per unit) Apartment or Condo	
Police	\$169
Fire	\$165
Library	\$792
Parks	\$651
Water (per REC) .50	\$1,346
Sewer (per REC) .50	\$498
Sewer Connection Fee (per REC) .50	\$988

Commercial, Institutional & Industrial Development

Industrial Development	
Fee per Square Foot	
Police	\$0.069
Fire	\$0.069
Library	N/A
Parks	N/A
Water (per REC)	\$2,693
Sewer (per REC)	\$996
Sewer Connection Fee (per REC)	\$1,975

Commercial and Institutional Development	
Fee per Square Foot	
Police	\$0.124
Fire	\$0.124
Library	N/A
Parks	N/A
Water (per REC)	\$2,693
Sewer (per REC)	\$996
Sewer Connection Fee (per REC)	\$1,975

RESOLUTION 2022-73

**A RESOLUTION ADOPTING THE 2023 WATER UTILITY
AND SANITARY SEWER UTILITY BUDGETS INCLUDING 2023 SEWER RATES**

WHEREAS, the Village Board of Trustees recommends the 2023 Water Utility Budget as follows: and;

Operation & Maintenance	\$ 1,643,365
Capital Expense	\$ 290,000
Depreciation	\$ 548,453
Total	\$ 2,481,818

WHEREAS, the Water Utility does not currently qualify for a simplified rate increase but plans to check its eligibility again once the 2022 annual report is filed with the PSC, and;

WHEREAS, if eligible, and based on current information, would implement a 2.25% increase for the last 2 quarters of 2023 pending PSC approval, and

WHEREAS, that the Village Board of Trustees recommends the 2023 Sanitary Sewer Utility Budget as follows: and;

Operation & Maintenance	\$ 1,432,287
Capital Expense	\$ 1,500,000
Depreciation	\$ 729,984
Total	\$ 3,662,271

WHEREAS, effective with the 1st quarterly billing in fiscal year 2023, the sewer rate per thousand gallons of water used will be \$6.87, and the quarterly flat charge shall be as follows: and;

Connection Size	Charge
5/8" or 3/4"	\$38.15
1"	\$59.83
1 1/4"	\$77.23
1 1/2"	\$96.08
2"	\$139.46
3"	\$240.77
4"	\$384.99
6"	\$747.33
8"	\$1,181.44
10"	\$1760.35
12"	\$2339.15

NOW THEREFORE BE IT RESOLVED, the Village Board of Trustees does hereby approve the 2023 Water Utility Budget, the 2023 Sanitary Sewer Utility Budget, the 2023 sewer rates per thousand, and quarterly flat charges.

Adopted this 21st day of December, 2022

Fred H. Winchowky, Village President

RESOLUTION NO. 2022-78

A RESOLUTION TO SUPPORT APPLYING FOR THE VIBRANT SPACES GRANT WITH WISCONSIN ECONOMIC DEVELOPMENT CORPORATION FROM THE VILLAGE OF MUKWONAGO

WHEREAS, the Village of Mukwonago is interested in acquiring a Grant from the Wisconsin Economic Development Corporation designed to assist with creating vibrant and engaging communities that make it easier to recruit and retain residents, sustain a robust labor force and enhance local quality of life; and

WHEREAS, this is a cost-sharing grant which requires a 1:1 match of the grant amount to carry out the project.

THEREFORE, BE IT RESOLVED, that the Village of Mukwonago Board of Trustees hereby authorizes the Village Administrator of the Village of Mukwonago to act on behalf of the Municipality to sign and submit an application to WEDC, use resources for any financial aid that may be available; sign a grant agreement between the Village of Mukwonago and the WEDC; sign and submit reimbursement claims along with necessary supporting documentation; Sign and submit interim and final reports and other documentation as required by the grant agreement; and take necessary action to undertake, direct and complete the approved project.

BE IT FURTHER RESOLVED that the Village of Mukwonago shall comply with all state and federal laws, regulations and permit requirements pertaining to implementation of this project and to fulfillment of the grant document provisions.

Adopted this 4th day of April, 2018.

Fred Winchowky, Village President

Vibrant Spaces Grant Overview

There is a new grant program targeted at placemaking initiatives around the state. This program, a pilot fund within the existing Community Development Investment (CDI) program, will help create vibrant and engaging community spaces with a 1:1 match of \$25,000 to \$50,000.

The new Vibrant Spaces Grant, is designed to assist with creating vibrant and engaging communities that make it easier to recruit and retain residents, sustain a robust labor force and enhance local quality of life. With the help of this grant, public gathering places will foster community connections and provide accessible locations for the programming and amenities local residents desire—with the additional benefit of boosting foot traffic for area businesses.

How it works

Grants in amounts from \$25,000 to \$50,000 are available to help local communities develop and enhance public spaces. The application must come from the municipality, and only one application per municipality will be considered. No more than 30 grants will be awarded.

How to qualify

Competitive projects will:

- Incorporate multiple improvements within or associated with one public space
- Demonstrate community engagement and support via a community document/plan and/or via letters of support from public, private and civic partners
- Be ready to begin construction during 2023
- Increase the number and type of audiences using the space
- Create visible and lasting transformations that foster public activity

Review criteria

Applications will be evaluated based on criteria including:

- Creation of visible and pedestrian-oriented public space
- Potential of the space to attract multiple user groups and activities
- Impact of the project on the community, the district and nearby businesses
- Demonstrated community support for the project (e.g., multiple funding partners, civic organization participation)
- Ability of the project to be started in 2023

New Program Alert!

Vibrant Spaces Grant

PILOT GRANT TO ASSIST WITH PLACEMAKING EFFORTS

Creating vibrant and engaging communities helps communities recruit and retain residents, sustaining a robust labor force and enhancing the quality of life. Creating public gathering places in the heart of our communities fosters community connections and creates accessible locations for programming and amenities desired by local residents, with the additional benefit of boosting foot traffic for nearby businesses.

If your community has a vacant or underutilized space within a key commercial corridor, this grant could be your opportunity to create a community gathering space.

Competitive projects will:

- » Incorporate multiple improvements within or associated with one public space
- » Demonstrate community engagement and support via a community document/plan and/or letters of support from public, private and civic partners
- » Be ready to begin construction during 2023
- » Increase the number and types of audiences using the space
- » Create visible and lasting transformation that fosters public activity

Review criteria:

- » Creation of visible and pedestrian-oriented public space
- » Potential of the space to attract multiple user groups and activities
- » Impact of the project on the community, district and nearby businesses
- » Demonstrated community support for the project (multiple funding partners, civic organization participation)
- » Ability of the project to be started in 2023

GRANTS OF
\$25,000-\$50,000
to help local communities develop
and enhance public spaces

KEY PROGRAM FACTS

- » 1:1 local match required
- » Application deadline:
Jan. 31, 2023
- » Local government applicants only
- » One application per community
- » Competitive application cycle
with up to 30 grants awarded

PROGRAM TIMELINE

New Program Alert!

VIBRANT SPACES GRANT

APPLICATION PROCESS

Those interested in applying for the Vibrant Spaces Grant should:

- 1) Talk to your local municipality, since they will need to serve as the lead applicant.
- 2) Attend the informational webinar on Sept. 23 at noon:
<https://forms.office.com/r/r5mcMhfjj8>
- 3) Reach out to your WEDC regional economic development director for a program application. Map and contact info:
wedc.org/inside-wedc/contact-us/#regional
- 4) Collect relevant documents:
 - a. Municipal resolution to apply
 - b. Community plan, community document and/or letters of support that identify the project as a positive community investment
 - c. Completed budget and cost estimates
 - d. Photos and plans for the space (pictures of the amenities to be installed or project renderings)
- 5) Write a narrative about the space. Who uses it now? What is the vision for the space? How will the district and community benefit from the public space transformation?
- 6) Upload application to Network Wisconsin by Jan. 31, 2023.

The fine print:

- » Eligible activities include:
 - Public space improvements (projects activating alleys, programmable park spaces, vacant parcels and underutilized parking lots)
 - Public space enhancements (e.g., public art, landscaping, benches, bike racks)
 - Public signage (wayfinding, interpretive signage, kiosks associated with the space)
 - Public infrastructure (restrooms, water features, electrical, lighting)
 - Seasonal equipment with the intent to use annually (tables, chairs, umbrellas, heaters)
- » Ineligible activities and costs include:
 - Building improvements, other than restrooms for public space use
 - District- or community-wide improvement projects
 - Events, staffing, programming, ongoing maintenance
 - Private spaces not accessible to the public
 - Activities eligible to be funded through other WEDC programs
 - Ineligible for grant or match: Past costs, in-kind contributions, indirect expenses/soft costs

APPLICATION CHECKLIST AND INSTRUCTIONS

Program Timeline

Application Released	Applications Due	Finalists Selected	Award Announcement
November 15, 2022	January 31, 2023	March 9, 2023	May 1, 2023

Convenience Copy of Grant Application

A link to the convenience copy of the grant application is found [here](#). **NEED TO DISCUSS WITH BITS**

Network Wisconsin

Applicants will be required to submit applications through Network Wisconsin. Contact your Regional Economic Development Director to receive a grant application and instructions on how to use Network Wisconsin. WEDC Regional Director map and contact info.: wedc.org/inside-wedc/contact-us/#regional

Project Deliverables

All project contracts will require:

- Completion of the project in 2023
- Photos of the completed project
- WEDC logo on project signage
- Narrative identifying project impact. Including: the increase in the number and type of audiences using the space, impact on nearby businesses, # of events held

Application Checklist

FAQ's

- 1) Is a project to build new pickle ball courts eligible? **Answer:** No, because projects must incorporate multiple improvements within or associated with one public space or another way to say this is projects must attract multiple user groups and activities.
- 2) Match sources need to be ID'd at the time of application, but they don't need to be secured until time of draw. WEDC will fund the grant up to the match secured (Pro-rata). **NEED TO DISCUSS WITH OSIP**
- 3) Ongoing maintenance isn't eligible, but we encourage applicants to have a plan to maintain their project/installation to address in their application.
- 4) Project can be located on privately-owned property but does need to be publicly accessible
- 5) What are eligible grant and match activities? Eligible activities include the following:
 - a. Public Space Improvements (projects activating alleys, programmable park spaces, vacant parcels and underutilized parking lots)
 - b. Public Space Enhancements (public art, landscaping, benches, bike racks)
 - c. Public Signage (wayfinding, interpretive signage, kiosks – associated with the space)
 - d. Public Infrastructure (restrooms, water features, electrical, lighting)
 - e. Seasonal Equipment with the intent to use annually (tables, chairs, umbrellas, heaters)
- 6) What are ineligible grant and match activities? Ineligible activities include the following:
 - a. Building improvements (other than restrooms for public space use)
 - b. District- or community-wide improvement projects
 - c. Events, staffing, programming, ongoing maintenance
 - d. Private spaces not open and accessible to the public
 - e. Activities otherwise eligible to be funded through other WEDC programs

DRAFT PROJECT:

Indian Head Park is a popular eight-acre village park containing a swimming area, family restrooms, extra event restrooms, play structure and an outdoor performance stage with a paved path. There is ample parking available with over 750 parking spaces available within 2,000 feet of the park. The Park is adjacent to Phantom Lake, the Mukwonago River and the village's main street with an average daily traffic count of 5,700 cars (2018) it is located adjacent to TID #4.

The predominate use has been recreation/physical activity in the form of fishing, swimming, walking, and biking. The park has traditionally been used by individuals and single families. In late autumn of 2021, the Village completed an outdoor performance stage for the park and hosted one event in the summer of 2022, which brought hundreds of people from a cross section of the community to the park. A village committee has been established to continue to provide summer entertainment at the outdoor performance stage in 2023 thereby increasing this use of the park.

No lighting within the park creates a safety hazard for pedestrians in the evening events, If the park is to host regularly occurring events, the turf needs to be strengthened, there is a lack of electrical power to the site, more or extended pathways are needed and there is a lack of signage to identify or attract the public to the park and there is no message board to inform the public of upcoming events.

The purpose of the project is to increase community engagement through adding critical infrastructure. The addition of path lighting with auxiliary power, path extensions, landscaping, planting of armored grass, an electronic sign with accompanying message board, benches and picnic tables will offer the community a permanent new venue to gather and enjoy entertainment in the park in a safe, well-lit, and sustainable outdoor environment. The project will transform the current use from a venue that attracts individuals, couples or single-family use to a community gathering space.

Planned Improvements:

\$90,000 for lighting with auxiliary power along the park pathways to provide public safety for evening events

\$18,100 for park benches and picnic tables

\$70,890 for path extensions, landscaping and planting of armored grass

\$75,000 for electronic message center

Total project budget: \$253,990, Committed: \$ 203,990

Agenda Cover Report

Date: 11/29/22	Committee/Board: Health and Recreation Committee
Submitted by: Ron Bittner	Department: Public Works
Date of Committee Action: 12/7/22	Date of Village Board Action: 12/21/22

Subject:

Field Park WE Energies service installation agreement

Executive Summary:

The LED message sign requires an electric service.

Fiscal Impact:

The \$1,081.60 winter installation fee may be reduced by \$177.00 if the installation occurs after March 31.

Executive Recommendation/Action:

We are requesting a recommendation to approve the WE Energies service installation agreement for the Field Park LED message center.

☐ **Attachments Included**

November 16, 2022

VILLAGE OF MUKWONAGO
440 River Crest Ct
Mukwonago, WI 53149

THIS LETTER IS YOUR INVOICE FOR ELECTRIC SERVICE

931 N Rochester St , Mukwonago, WI 53149

Dear VILLAGE OF MUKWONAGO,

With your returned service application, you are on your way to having electric service installed at your location.

Please confirm that the following electric service details are correct. If not, please call me right away.

Type:	New Service	Subdivision:	n/a
Class:	Underground	Lot #:	0
Size:	100 amps	Work Request #:	4821370 (for internal use only)
Voltage:	120/240V-3W		

Your next steps are to:

1. Send in payment for electric service installation.

- **The cost for electric service installation is: \$1,081.60**
- This includes \$177.00 for installation from December 1 through March 31.
- We must receive your payment and electrical inspection before we can schedule your installation. Please include the service address with your payment, and send it to us in the enclosed envelope.
- In the event we encounter unusual conditions during the installation of your service, there may be additional charges.
- This amount is valid for 90 days from the date of this letter.
- If an additional cost estimate is needed within 12 months, there will be a charge for preparing the new estimate.

2. Sign and return one of the enclosed sketches:

- Review, sign and return an enclosed sketch in the envelope provided.
- Draw and label any private underground facilities on the sketch.
- We must receive your approved and signed sketch before step #3 below.

3. Send or fax the Ready for Service card when the site is ready for electric service installation:

- Your construction site is ready for service when requirements 1-4 on the *Ready for Service* card are met.
- When we receive your card, we will call you to discuss the installation.

4. Mark private underground facilities.

- Locate and mark (with stakes, spray paint or flags) or expose any customer-owned underground obstructions or facilities.
- If you are not sure what this includes, please call for more information.
- We Energies and/or its agents will not be held responsible for damage to unmarked, private facilities.

Contact me for all of your electric installation needs.

I'm here to make sure your questions are answered and any concerns you have are addressed. On behalf of We Energies, I appreciate the opportunity to serve you and look forward to providing you with safe, reliable and reasonably-priced electricity.

Sincerely,

Lisa Smith
Energy Services Consultant

WE ENERGIES WORK REQUEST ENVIRONMENTAL NOTES (Notes 1 through 7 apply to ALL work requests)

General

- If WDNR and/or USACE permits were obtained for the project, all permit conditions shall be met during construction of the project.

Erosion Control

- If soil disturbance occurs on slopes or channels/ditches leading to wetlands or waterways, or within wetlands, the disturbed areas shall be stabilized and appropriate erosion control Best Management Practices (BMP's) shall be implemented.
- Erosion Control BMR's shall meet or exceed the approved WDNR Storm Watter Management Technical Standards (http://dnr.wi.gov/topic/stormwater/standards/const_standards.html). Refer to We Energies Construction Site Sediment and Erosion Control Standards.
- Inspect installed erosion control BMP's at least one time per week and after ½" rain events: repair as necessary.
- When temporary stabilization is required (e.g. for winter or short-term construction) prior to final restoration, soil stabilizer shall be installed wherever possible. Erosion mat shall be used temporarily only where appropriate, in accordance with state standards, and when approved by the Operations Supervisor.

Contaminated Soils

- Whenever soil exhibiting obvious signs of contamination (e.g., discoloration, petroleum or solvent odor, free liquids other than water, buried containers or tanks, or other obvious signs of environmental impacts) is encountered during excavation or installation, cease work immediately, take appropriate immediate precautions to ensure worker health and safety, and contact the Operations Supervisor or Inspector.

Spills

- If an oil spill occurs during construction, call the Environmental Incident Response Team (EIRT) at 414-430-3478:
 - Any quantity of oil is spilled into surface water;
 - Any oil spill greater than 50 ppm PCB into a sewer, vegetable garden, or grazing land;
 - Any oil spill containing greater than 500 ppm PCB;
 - Five gallons or more of oil spilled to the ground;
 - Any oil spill involving a police department, fire department, DNR, or concerned property owner.

Notes 8 through 27 apply as noted at specfic points withln each work request:

Dewatering

- Dewatering of pits or trenches shall be done in accordance with state standards. Use an approved sediment bag, a straw bale dewatering basin, a combination of both, or equivalent.

Wetlands

- As much as practicable, the majorityof the work shall be staged from the public roadways and road shoulders, keeping equipment out of adjacent wetlands.
- All work shall be conducted to minimize soil disturance. No rutting will be allowed within the wetlands.
- If soils are not frozen or stable to a point that avoids rutting, timber mats, mud tracks, or equivalent shall be utilized to access pole locations.
- Excavated soils cannot be stockpiled in wetlands.

- All excess spoils shall be removed from wetlands and placed in a suitable upland location.
- Trenching and pit excavations within wetlands shall include soil segregation to facilitate restoration of pre-construction soil stratification, and restoration to pre-construction elevations.
- Poles scheduled to be removed, and that occur within wetland, shall be cut at the ground surface.

Waterways

- No work can be performed within the banks or below the ordinary high watermark of any navigable waterways/streams.
- No crossing of navigable waterways with equipment can occur. Foot traffic is allowed.
- Any disturbed soil within 75-feet of the ordinary high water mark of any navigable waterways/streams shall be stabilized within 24 hours of construction completion.

Threatened and Endangered Species

- Threatened or endangered species are known to occur in the work area. It is illegal to harass, harm, or kill a protected species under state and federal regulations. Proper precautions shall be taken to ensure harm to individuals is avoided.
- In order to protect the threatened or endangered species, work must be conducted between November 5 and March 15.
- Exclusion fencing must be installed at the work area prior to March 15.
- A qualified biologist must be present when conducting work at this location.

Invasive Species

- State regulated invasive species are known to occur in the work area. Reasonable precautions are legally required to prevent the spread of these species. The Wisconsin Council on Forestry Transportation and Utility Rights-of Way Best Management Practices should be followed: (<http://council.wisconsinforestry.org/invasives/transportation/>).

Cultural and Historical Resources, cont.

- The project is within or adjacent to an area that is identified by the State of Wisconsin as potentially having Native American artifacts, burial mounds or burial sites, which could be encountered during construction.
- If human bone or any artifacts are discovered during construction, work must cease immediately. Contact the Environmental Department who will contact the State Burial Sites Preservation Office and determine the next steps that must be taken in order to comply with state law. Work at that site MAY NOT PROCEED until the Environmental Department authorizes it.
- A "qualified archaeologist," as specified under Wis. Stats 157.70 (1) (i) and Wis. Admin. Code HS 2.04 (6), must be present to monitor all ground disturbing activities.

Frac-out Contingency Plan

- A frac-out contingency plan shall be on-site and implemented accordingly. The contingency plan shall incorporate the following components.
 - Continuously inspect the bore paths for frac-outs in order to respond quickly and appropriately.
 - Containment materials (e.g. silt fence, straw bales, sand bags, etc.) shall be on site and available should a frac-out occur.
 - A vac truck shall be accessible on short notice in order to respond quickly to a frac-out.

First year Sergeants are considered to be on probation and may be returned to Patrolman status without retribution.

Employees who use their personal car for Department business shall be reimbursed at the current IRS rate. If a department vehicle is available and the employee chooses to use their personal vehicle, they will not be reimbursed for travel.

ARTICLE 5

VACATIONS

All regular, full-time members of the bargaining unit shall be granted vacations with pay as follows:

After one (1) year of service	5 working days
After two (2) years of service	10 working days
After five (5) years of service	15 working days
After ten (10) years of service	20 working days
After fifteen (15) years of service	25 working days

To qualify for vacation, the member of the bargaining unit must be full-time and services must be continuous through the prior year except for absences for vacation, holiday, illness, injury or bereavement leave. An employee may elect to relinquish up to three (3) days of vacation enumerated, and may receive in lieu thereof, a full day's pay at the officer's straight time regular pay rate. In order to be eligible for this option, the officer must notify the Chief by the end of November of their election. Payment for relinquished vacation days under this provision shall be made in the next payroll after the first December Village Board meeting.

A new officer hired who has at least ten (10) years' experience as a full-time certified law enforcement officer may be given up to two (2) weeks of vacation at hiring with the approval of the Police Chief and the Personnel Committee.

Vacation selection shall be taken in order of job classification and seniority in the classification. Sergeants will select first, followed by Police Officers. An employee may select up to three (3) weeks of vacation days as follows: two (2) weeks in one (1) week blocks and one (1) week in single days. Employees shall make their selections for the following year by the following dates:

Senior Sergeant can select vacation days for the following year by December 3 as follows: up to three (3) weeks of vacation days with up to two (2) weeks in one (1) week blocks and one (1) week in single days;

The next senior employee can select vacation days for the following year by December 6 as follows: up to three (3) weeks of vacation days with up to two (2) weeks in one (1) week blocks and one (1) week in single days;

The next senior employee can select vacation days for the following year by December 9 as follows: up to three (3) weeks with up to two (2) weeks in one (1) week blocks and one (1) week in single days. The order of vacation selection will continue by seniority and each person will have a time limit of three days to make his/her selection.

After all officers have made their selections, any vacation day(s) remaining will be on a first come, first serve basis and once approved by a supervisor, the days cannot be challenged.

Payment may not be taken in lieu of vacation, except as previously described in this Article.

RESOLUTION 2022-72

**A RESOLUTION AUTHORIZING ANNUAL STIPENDS FOR
THE ASSISTANT FIRE CHIEF AND DEPUTY FIRE CHIEF**

WHEREAS, the Village Board adopted the 2022 Village Budget on November 16, 2022; and,

WHEREAS, the Protective Services Committee had previously recommended Annual Stipends for the Assistant Fire Chief and Deputy Fire Chief due to mandated increased responsibilities and duties,

WHEREAS, the Fire Chief has requested the continuation of these stipends and included them in the 2023 Fire Department budget.

NOW, THEREFORE, BE IT RESOLVED by the Village of Mukwonago Village Board, that:

1. For the year 2023, the Assistant Fire Chief and One Deputy Fire Chief shall receive a \$3,000 Annual Stipend, to be allocated among 26 pay periods, conditional upon the Town of Mukwonago's adoption of the same.
2. This Resolution shall be in full force and affect only upon adoption of these Stipends by the Town of Mukwonago.

ADOPTED this 21st day of December 2022.

Re: Minor's 4 – Phase 2
Recommendation of Sewer & Water Acceptance

Dear President Winchowky:

We have received a request from the Developer of this project to have the public sanitary sewer and water accepted for Phase 2 of this Development. In November 2021, the Phase 1 sanitary sewer and water was accepted but the Phase 2 sewer and water was not since the roadway was not yet paved. The Developer completed the binder asphalt paving of Phase 2 this year and completed all necessary adjustments to utilities. There is a small punch list that is currently being worked on and is anticipated to be completed prior to December 7, 2022. We, therefore, recommend the following to you and the Village Board contingent on the completion of the punch list that is attached to this letter:

- Acceptance of the Phase 2 Public Water Main Infrastructure.
- Acceptance of the Phase 2 Public Sanitary Sewer Infrastructure.

Since the Phase 2 utilities were installed at the same time as Phase 1, the attached lien waiver that was used for Phase 1 Acceptance was resubmitted for Phase 2 Acceptance. Based on the scope of work and payment applications with the Contractor, we feel that this is acceptable. Also attached to this letter is the valuation of the developer's contributions to the Village for the public infrastructure – the sewer and water items are highlighted.

If you or any staff or board member should have any questions regarding this, please feel free to contact me at (262) 542-5733.

Respectfully,

Re: Minor's Estates 4 – Phase 2
Punch List #1

Dear Mr. Bukovich:

In accordance with your request to accept the public water infrastructure and public sanitary infrastructure in Phase 2 of the Minor's Estates 4 Development, we conducted a punch list inspection with the Village Utilities Department on Wednesday, November 9, 2022. Below is a list of the items that need to be addressed:

1. Lot #7 Curb Stop Box – clean out and straighten the entire curb stop box.
2. Lot #18 Curb Stop Box – clean out curb stop box. The box has sand and grit stuck to the side and on the bottom that could potentially cause a problem in the future.

If you should have any questions regarding this, please feel free to contact me at (262) 542-5733.

Respectfully,

RUEKERT & MIELKE, INC.

RE: Minors Estates Phase 2 Sanitary Sewer and Watermain Acceptance Request

Dear Ms. Dykstra:

On behalf of Minors Estates Investments LLC, please accept this request for the Village Engineer to inspect the completed improvements in Minor's Estates Phase 2 and provide a recommendation to the Village Board to accept the sanitary sewer and watermain.

Upon completion of any punch list items from the Village Engineer, please include the sanitary sewer and watermain acceptance on the December Committee of the Whole and Village Board agendas for review and action. If you have any questions or concerns regarding this request, please call me at (262) 424-5997. Thank you for your assistance with this request.

Respectfully Submitted,

RESOLUTION NO. 2022-68

**RESOLUTION OF THE VILLAGE BOARD OF THE VILLAGE OF
MUKWONAGO TO ACCEPT DEDICATION OF THE PUBLIC WATER
MAIN AND SANITARY SEWER FOR MINOR'S ESTATES 4 PHASE 2**

WHEREAS, the Village has entered into a Developer Agreement with Minor's Estates related to the construction of public water main and public sanitary sewer to serve the Minor's Estates development in the Village; and

WHEREAS, on November 4, 2022, the Village received a request from Joe Bukovich requesting that the Village accept dedication of all infrastructure for their project; and

WHEREAS, the Village Engineer has reviewed the construction of the public water main and public sanitary sewer with regard to whether it meets the requirements set forth in the Developers Agreement; and

WHEREAS, Peter W. Gesch, a Project Engineer with Ruekert & Mielke, sent a letter dated November 29, 2022 to Village President Fred Winchowky indicating that a site visit was conducted to verify all punch list items were completed and they recommend accepting all infrastructure. They do recommend the Village Board accept the Public Water Main Infrastructure and Public Sanitary Sewer Infrastructure for Phase 2; and

WHEREAS, Mr. Gesch further recommends the acceptance of the public water and sewer main be made and included with this request which were from the developer include valid Lien Waivers for all contractors involved in the construction of the public water and sewer main.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Mukwonago, that the Village does hereby accept the water and sanitary sewer main, for Minor's 4 having determined that the water and sewer main as constructed meets the requirements set forth in the Developers Agreement, as well as the requirements of the Village of Mukwonago and the State Code.

BE IT FURTHER RESOLVED that Village Staff is hereby directed to take such steps are necessary to effectuate the intention of this Resolution.

Adopted this 21st day of December, 2022.

APPROVED:

Fred H Winchowky, Village President

Re: Minor's Estates 4 – Phase 1
Letter of Credit Reduction #6

Dear President Winchowky:

We have received a request from Minors Estates Investments LLC to reduce the value of the contingencies currently held in the Phase 1 Letter of Credit. The public sanitary sewer and water main were accepted in November of 2021 and the guarantee period expired on November 17, 2022. Additionally, the site has been graded and restored and it is requested that the contingency value for the grading and erosion control also be reduced.

We have reviewed the request, which is attached to this letter, and recommend that the Village Board reduce the current Letter of Credit of \$428,118.82 by \$228,179.84 to a new letter of credit value of **\$199,939.38** upon final staff approval after a warranty inspection is performed in the next week. We believe that the remaining balance adequately covers all remaining work for Phase 1 of this development.

If you or any staff or board member should have any questions regarding this, please feel free to contact me at (262) 542-5733.

Respectfully,

RUEKERT & MIELKE, INC.

RE: Minor's Estates Phase 1 Letter of Credit Contingency Reduction Request #6

Dear Ms. Dykstra:

On behalf of Minors Estates Investments LLC, please accept this request for the Village Engineer to inspect the Minors Estates Phase 1 sanitary sewer and watermain and provide a recommendation to the Village Board to reduce the letter of credit contingency per the costs outlined below:

Letter of Credit Balance	\$428,118.82
-Less Requested Reductions-	
Grading and Erosion Control Contingency	\$105,718.44
Sanitary Sewer Construction Contingency	\$51,300.60
<u>Watermain Construction Contingency</u>	<u>\$71,160.40</u>
Total Reduction	\$228,179.84
Letter of Credit Balance Remaining	\$199,939.38

The Phase 1 sanitary sewer and watermain were accepted by the Village Board on 11/17/21. The one year guarantee will expire in a couple weeks, therefore the contingency is being requested to be released for these items. The grading has also been completed and the site has been restored, so the grading and erosion control contingency is also being requested to be reduced. Enclosed is a letter of credit worksheet which tracks the letter of credit draws and balances for your information.

Please review this request, and if it is acceptable, please include the letter of credit contingency reduction on the December Committee of the Whole and Village Board agendas for review and action. If you have any questions or concerns regarding this request, please call me at (262) 424-5997. Thank you for your assistance with this request.

Respectfully Submitted,

RESOLUTION NO. 2022-69

**A RESOLUTION TO APPROVE A REDUCTION IN THE LETTER OF CREDIT
FOR MINORS ESTATES 4 PHASE 1 DEVELOPMENT
IN THE VILLAGE OF MUKWONAGO**

WHEREAS, the Village Board of the Village of Mukwonago is required to approve a Reduction in a Letter of Credit based on the satisfactory completion and/or acceptance of public infrastructure as required under the terms of the developer's agreement, and

WHEREAS, Minors Estates Investments LLC, Inc has requested a Letter of Credit Reduction #1 for the development known as Minor's Estates 4 Phase 1, and

WHEREAS, the request includes lien waivers from Contractors performing parts of the work associated with the requested reduction, and a detailed breakdown request by category of work, and

WHEREAS, the Village Engineer has reviewed the request and the work completed for which the request is associated with and recommend that the current Letter of Credit be reduced as stated and as described in Exhibit A.

NOW, THEREFORE, BE IT RESOLVED the Village Board of the Village of Mukwonago, Wisconsin, hereby approves a reduction in the Letter of Credit for Minor's Estates 4 Phase 1 to a new Letter of Credit balance of \$199,939.38.

RE: Holz Parkway and Miniwaukan Park Pond Dredging

Dear Ms. Dykstra:

Enclosed with this letter please find Change Order No. 3-Final. This Change Order serves to adjust the final Contract Price to reflect the actual completed Work. Please have Change Order No. 3-Final signed and dated by the appropriate individual, and return an executed copy to our office for further distribution.

In accordance with the Contract Documents, the Contractor for this Project, C.W. Purpero, Inc., has submitted a final Application for Payment and has furnished the enclosed Contract-required items:

1. 3-Year Native Seed Maintenance Instructions.
2. Consent of Surety to Final Payment.
3. List of Subcontractors, Suppliers, and service providers performing, furnishing, or procuring labor, services and materials on the Project.
4. Releases or waivers of lien from the General Contractor and first tier Subcontractors and Suppliers.
5. Certificate or other evidence of completed operations insurance.

You may want to have your legal counsel and insurance advisor review the respective lien waivers, bonding, and insurance documents to verify legal effectiveness. If all are satisfactory, we recommend final payment, and give notice (enclosed), that the completed Work is acceptable subject to the provisions of General Conditions paragraph 15.07.

In accordance with paragraph 15.08 of the General Conditions, the Contractor is required to promptly repair or correct defective Work for a period of one year from the date of Substantial Completion which was September 9, 2022. You may wish to review the Project a month or so before the anniversary date to check for any warranty items. If we can be of assistance to you in this regard, please contact us.

Respectfully,

RUEKERT & MIELKE, INC.

From: Ruekert & Mielke, Inc.
Engineer

The Engineer hereby gives notice to the above Owner and Contractor that the completed Work furnished and performed by Contractor under the above Contract is acceptable expressly subject to the provisions of the related Contract Documents, the Agreement between Owner and Engineer for Professional Services and the terms and conditions set forth as follows:

CONDITIONS OF NOTICE OF ACCEPTABILITY OF WORK

The Notice of Acceptability of Work ("Notice") is expressly made subject to the following terms and conditions to which all those who receive said Notice and rely thereon agree:

1. This Notice is given with the skill and care ordinarily used by members of the engineering profession practicing under similar conditions at the same time and in the same locality.
2. This Notice reflects and is an expression of the professional judgment of Engineer.
3. This Notice is given as to the best of Engineer's knowledge, information, and belief as of the Notice Date.
4. This Notice is based entirely on and expressly limited by the scope of services Engineer has been employed by Owner to perform or furnish during construction of the Project (including observation of the Contractor's work) under Engineer's Agreement with Owner and under the Construction Contract referred to in this Notice, and applies only to facts that are within Engineer's knowledge or could reasonably have been ascertained by Engineer as a result of carrying out the responsibilities specifically assigned to Engineer under such Agreement and Construction Contract.
5. This Notice is not a guarantee or warranty of Contractor's performance under the Construction Contract referred to in this Notice, nor an assumption of responsibility for any failure of Contractor to furnish and perform the Work thereunder in accordance with the Contract Documents.

Vegetation Management Submittal

Vegetation Management and Monitoring Submittal

Services as specified below are designed to promote healthy native plant cover, control noxious weeds, and aesthetically enhance the overall appearance of all naturalized growing spaces. Vegetation management should focus on the enhancement of native vegetation by minimizing soil disturbance. This includes minimal herbicide applications, timely mowings, and selective cuttings during each contracted growing season to encourage the continued establishment of long-lived native perennial plant species.

Monitoring: All naturalized growing spaces throughout project footprints will need to be monitored during each contracted growing season. Monitoring should begin in April and end in December. Vegetation monitoring should consist of a minimum of one site visit per month to inspect, identify, and prescribe invasive plant management techniques and services needed. Invasive plants would be those plants that are not native to Wisconsin and are known to aggressively establish and compete with desirable native plant species. An end of year management and monitoring report is recommended following the completion of each contracted growing season. Report should include site photographs, documentation of management services performed, and summarizations of overall site conditions. Consultation services should also be provided to include any necessary site meetings as well as communication between all involved and / or concerned parties.

Management: All naturalized growing spaces throughout project footprint will need to be managed during future growing season, beginning in April and ending in December. All noxious plants should be managed by means of spot herbicide application, selective cutting, and / or mowing. Noxious plants targeted for management may include, but are not limited to, burdock, thistle, reed canary grass, giant reed grass, sweet clover, Queen Anne's lace, teasel, purple loosestrife, and crown vetch. Management of weedy species will greatly enhance overall site appearance, reduce/eliminate weed seed production, and promote the establishment of native wildflowers and grasses. All naturalized growing spaces should be mowed at the completion of each contracted growing season no later than December 31st. Annual mowings are performed to mimic natural fire by thatching dormant plant matter (duff) as well as suppress the maturation of invasive woody trees and shrubs such as box elder, honeysuckle, cottonwood, willow, and buckthorn.

Hope this helps. Please let me know if you need any additional information.

Thanks!

Note: This form is intended to be used as a companion document to the Contractor's Affidavit of Payment of Debts and Claims, Current Edition

Western Surety Company

POWER OF ATTORNEY APPOINTING INDIVIDUAL ATTORNEY-IN-FACT

Know All Men By These Presents, That WESTERN SURETY COMPANY, a South Dakota corporation, is a duly organized and existing corporation having its principal office in the City of Sioux Falls, and State of South Dakota, and that it does by virtue of the signature and seal herein affixed hereby make, constitute and appoint

Cynthia J Brehmer, Randy L Brehmer, Terence R Geszvain, Jason A Braatz, Chris Brehmer, Melissa Babiak, Linda Mengel, Individually

of Butler, WI, its true and lawful Attorney(s)-in-Fact with full power and authority hereby conferred to sign, seal and execute for and on its behalf bonds, undertakings and other obligatory instruments of similar nature

- In Unlimited Amounts -

and to bind it thereby as fully and to the same extent as if such instruments were signed by a duly authorized officer of the corporation and all the acts of said Attorney, pursuant to the authority hereby given, are hereby ratified and confirmed.

This Power of Attorney is made and executed pursuant to and by authority of the By-Law printed on the reverse hereof, duly adopted, as indicated, by the shareholders of the corporation.

In Witness Whereof, WESTERN SURETY COMPANY has caused these presents to be signed by its Vice President and its corporate seal to be hereto affixed on this 10th day of June, 2022.

WESTERN SURETY COMPANY

Paul T. Bruflat, Vice President

State of South Dakota
County of Minnehaha

} ss

On this 10th day of June, 2022, before me personally came Paul T. Bruflat, to me known, who, being by me duly sworn, did depose and say: that he resides in the City of Sioux Falls, State of South Dakota; that he is the Vice President of WESTERN SURETY COMPANY described in and which executed the above instrument; that he knows the seal of said corporation; that the seal affixed to the said instrument is such corporate seal; that it was so affixed pursuant to authority given by the Board of Directors of said corporation and that he signed his name thereto pursuant to like authority, and acknowledges same to be the act and deed of said corporation.

My commission expires

March 2, 2026

M. Bent, Notary Public

CERTIFICATE

I, L. Nelson, Assistant Secretary of WESTERN SURETY COMPANY do hereby certify that the Power of Attorney hereinabove set forth is still in force, and further certify that the By-Law of the corporation printed on the reverse hereof is still in force. In testimony whereof I have hereunto subscribed my name and affixed the seal of the said corporation this 1st day of November, 2022

WESTERN SURETY COMPANY

L. Nelson, Assistant Secretary

Authorizing By-Law

ADOPTED BY THE SHAREHOLDERS OF WESTERN SURETY COMPANY

This Power of Attorney is made and executed pursuant to and by authority of the following By-Law duly adopted by the shareholders of the Company.

Section 7. All bonds, policies, undertakings, Powers of Attorney, or other obligations of the corporation shall be executed in the corporate name of the Company by the President, Secretary, and Assistant Secretary, Treasurer, or any Vice President, or by such other officers as the Board of Directors may authorize. The President, any Vice President, Secretary, any Assistant Secretary, or the Treasurer may appoint Attorneys in Fact or agents who shall have authority to issue bonds, policies, or undertakings in the name of the Company. The corporate seal is not necessary for the validity of any bonds, policies, undertakings, Powers of Attorney or other obligations of the corporation. The signature of any such officer and the corporate seal may be printed by facsimile.

RELEASE FORM 3

CONDITIONAL WAIVER AND RELEASE
UPON FINAL PAYMENT

Upon receipt by the undersigned of a check from Village of Mukwonago
(Owner or Contractor)

in the sum of \$ 13,890.75 payable to CW Purpero

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location(s) Of Covered Operations
Anyone required to provide additional insured status in a written contract or written agreement executed prior to loss and where that contract specifically requires the ISO CG2010 07/2004 edition form or the equivalent of same.	Any Location or project, other than a wrap-up or other consolidated insurance program location or project for which insurance is otherwise separately provided to you by a wrap-up or other consolidated insurance program.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

The insurance afforded to such additional insured only applies to the extent permitted by law.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):	Location And Description Of Completed Operations
<p>Anyone required to provide additional insured status in a written contract or written agreement executed prior to loss and where that contract specifically requires the ISO CG2037 07/2004 edition form or the equivalent of same</p>	<p>Any Location or project, other than a wrap-up or other consolidated insurance program location or project for which insurance is otherwise separately provided to you by a wrap-up or other consolidated insurance program.</p>
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the schedule of this endorsement performed for that

additional insured and included in the "products-completed operations hazard".

The insurance afforded to such additional insured only applies to the extent permitted by law.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

DESIGNATED INSURED FOR COVERED AUTOS LIABILITY COVERAGE

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by this endorsement.

This endorsement identifies person(s) or organization(s) who are "insureds" for Covered Autos Liability Coverage under the Who Is An Insured provision of the Coverage Form. This endorsement does not alter coverage provided in the Coverage Form.

This endorsement changes the policy effective on the inception date of the policy unless another date is indicated below.

Named Insured:

Endorsement Effective Date:

SCHEDULE

Name Of Person(s) Or Organization(s):

ANY PERSON OR ORGANIZATION TO WHOM OR WHICH YOU ARE REQUIRED TO PROVIDE ADDITIONAL INSURED STATUS OR ADDITIONAL INSURED STATUS ON A PRIMARY, NON-CONTRIBUTORY BASIS, IN A WRITTEN CONTRACT OR WRITTEN AGREEMENT EXECUTED PRIOR TO LOSS, EXCEPT WHERE SUCH CONTRACT OR AGREEMENT IS PROHIBITED BY LAW.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Each person or organization shown in the Schedule is an "insured" for Covered Autos Liability Coverage, but only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Paragraph A.1. of Section II – Covered Autos Liability Coverage in the Business Auto and Motor Carrier Coverage Forms and Paragraph D.2. of Section I – Covered Autos Coverages of the Auto Dealers Coverage Form.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the:

Business Auto Coverage Form
Motor Carrier Coverage Form

A. Amended Who Is An Insured

1. The following is added to the **Who Is An Insured** Provision in **Section II – Liability Coverage**:

The following are also "insureds":

- a. Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow for acts performed within the scope of employment by you.
- b. Anyone volunteering services to you is an "insured" while using a covered "auto" you don't own, hire or borrow to transport your clients or other persons in activities necessary to your business.
- c. Anyone else who furnishes an "auto" referenced in Paragraphs **a.** and **b.** above.
- d. Any person(s) or organization(s) where required by written contract or written agreement executed prior to any "accident" provided the "accident" arises out of operations contemplated by such contract or agreement.

2. The following is added to the **Other Insurance** Provision in the **Conditions** Section:

Coverage for any person(s) or organization(s) where required by written contract or written agreement executed prior to any "accident" will apply on a primary basis and any insurance maintained by the additional "insured" will apply on an excess basis. However, in no event will this coverage extend beyond the terms and conditions of the coverage form.

B. Amendment – Supplementary Payments

Paragraphs **a.(2)** and **a.(4)** of the **Coverage Extensions** Provision in **Section II – Liability Coverage** are replaced by the following:

- (2) Up to \$5,000 for the cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
- (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.

C. Fellow Employee Coverage

The **Fellow Employee** Exclusion contained in **Section II – Liability Coverage** does not apply.

D. Driver Safety Program Liability and Physical Damage Coverage

1. The following is added to the **Racing** Exclusion in **Section II – Liability Coverage**:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

2. The following is added to Paragraph 2. in the **Exclusions of Section III – Physical Damage Coverage** of the Business Auto Coverage Form and Paragraph 2.b. in the **Exclusions of Section IV – Physical Damage Coverage** of the Motor Carrier Coverage Form:

This exclusion does not apply to covered "autos" participating in a driver safety program event, such as, but not limited to, auto or truck rodeos and other auto or truck agility demonstrations.

E. Lease or Loan Gap Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Lease Or Loan Gap Coverage

In the event of a total "loss" to a covered "auto", we will pay any unpaid amount due on the lease or loan for a covered "auto", less:

- a. Any amount paid under the **Physical Damage Coverage** Section of the coverage form; and
- b. Any:
 - (1) Overdue lease or loan payments at the time of the "loss";
 - (2) Financial penalties imposed under a lease for excessive use, abnormal wear and tear or high mileage;
 - (3) Security deposits not returned by the lessor;
 - (4) Costs for extended warranties, credit life insurance, health, accident or disability insurance purchased with the loan or lease; and
 - (5) Carry-over balances from previous leases or loans.

F. Towing and Labor

The following is added to Paragraph **A.2.** of the **Physical Damage Coverage** Section:

We will pay up to \$75 for towing and labor costs incurred each time a covered "auto" of the private passenger type is disabled. However, the labor must be performed at the place of disablement.

G. Extended Glass Coverage

The following is added to Paragraph **A.3.a.** of the **Physical Damage Coverage** Section:

If glass must be replaced, the deductible will be \$100 or the deductible shown in the Declarations, whichever is less. If glass can be repaired and is actually repaired rather than replaced, the deductible will be waived. You have the option of having the glass repaired rather than replaced.

H. Hired Auto Physical Damage – Increased Loss of Use Expenses

The **Loss Of Use Expenses** Provision of the **Physical Damage Coverage** Section is replaced by the following:

Loss Of Use Expenses

For Hired Auto Physical Damage, we will pay expenses for which an "insured" becomes legally responsible to pay for loss of use of a vehicle rented or hired without a driver under a written rental contract or written rental agreement. We will pay for loss of use expenses if caused by:

- (1) Other than collision only if the Declarations indicate that Comprehensive Coverage is provided for any covered "auto";
- (2) Specified Causes Of Loss only if the Declarations indicate that Specified Causes Of Loss Coverage is provided for any covered "auto"; or
- (3) Collision only if the Declarations indicate that Collision Coverage is provided for any covered "auto".

However, the most we will pay for any expenses for loss of use is \$100 per day, to a maximum of \$3000.

I. Personal Effects Coverage

The following is added to the **Coverage** Provision of the **Physical Damage Coverage** Section:

Personal Effects Coverage

- a. We will pay up to \$750 for "loss" to personal effects which are:
 - (1) Personal property owned by an "insured"; and

- (2) In or on a covered "auto".
- b. Subject to Paragraph a. above, the amount to be paid for "loss" to personal effects will be based on the lesser of:
 - (1) The reasonable cost to replace; or
 - (2) The actual cash value.
- c. The coverage provided in Paragraphs a. and b. above, only applies in the event of a total theft of a covered "auto". No deductible applies to this coverage. However, we will not pay for "loss" to personal effects of any of the following:
 - (1) Accounts, bills, currency, deeds, evidence of debt, money, notes, securities, or commercial paper or other documents of value.
 - (2) Bullion, gold, silver, platinum, or other precious alloys or metals; furs or fur garments; jewelry, watches, precious or semi-precious stones.
 - (3) Paintings, statuary and other works of art.
 - (4) Contraband or property in the course of illegal transportation or trade.
 - (5) Tapes, records, discs or other similar devices used with audio, visual or data electronic equipment.

Any coverage provided by this Provision is excess over any other insurance coverage available for the same "loss".

J. Tapes, Records and Discs Coverage

1. The Exclusion in Paragraph B.4.a. of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph B.2.c. of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form do not apply.
2. The following is added to Paragraph 1.a. **Comprehensive Coverage** under the **Coverage** Provision of the **Physical Damage Coverage** Section:

We will pay for "loss" to tapes, records, discs or other similar devices used with audio, visual or data electronic equipment. We will pay only if the tapes, records, discs or other similar audio, visual or data electronic devices:

- (a) Are the property of an "insured"; and
- (b) Are in a covered "auto" at the time of "loss".

The most we will pay for such "loss" to tapes, records, discs or other similar devices is \$500. The **Physical Damage Coverage Deductible** Provision does not apply to such "loss".

K. Airbag Coverage

The Exclusion in Paragraph B.3.a. of **Section III – Physical Damage Coverage** in the Business Auto Coverage Form and the Exclusion in Paragraph B.4.a. of **Section IV – Physical Damage Coverage** in the Motor Carrier Coverage Form do not apply to the accidental discharge of an airbag.

L. Two or More Deductibles

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

If an accident is covered both by this policy or coverage form and by another policy or coverage form issued to you by us, the following applies for each covered "auto" on a per vehicle basis:

1. If the deductible on this policy or coverage form is the smaller (or smallest) deductible, it will be waived; or
2. If the deductible on this policy or coverage form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

M. Physical Damage – Comprehensive Coverage – Deductible

The following is added to the **Deductible** Provision of the **Physical Damage Coverage** Section:

Regardless of the number of covered "autos" damaged or stolen, the maximum deductible that will be applied to Comprehensive Coverage for all "loss" from any one cause is \$5,000.

N. Temporary Substitute Autos – Physical Damage

1. The following is added to **Section I – Covered Autos**:

Temporary Substitute Autos – Physical Damage

If Physical Damage Coverage is provided by this coverage form on your owned covered "autos", the following types of vehicles are also covered "autos" for Physical Damage Coverage:

Any "auto" you do not own when used with the permission of its owner as a temporary substitute for a covered "auto" you do own but is out of service because of its:

1. Breakdown;
 2. Repair;
 3. Servicing;
 4. "Loss"; or
 5. Destruction.
2. The following is added to the **Coverage Provision of the Physical Damage Coverage Section**:

Temporary Substitute Autos – Physical Damage

We will pay the owner for "loss" to the temporary substitute "auto" unless the "loss" results from fraudulent acts or omissions on your part. If we make any payment to the owner, we will obtain the owner's rights against any other party.

The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

O. Amended Duties In The Event Of Accident, Claim, Suit Or Loss

Paragraph **a.** of the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is replaced by the following:

- a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". However, these duties only apply when the "accident", claim, "suit" or "loss" is known to you (if you are an individual), a partner (if you are a partnership), a member (if you are a limited liability company) or an executive officer or insurance manager (if you are a corporation). The failure of any agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

- (1) How, when and where the "accident" or "loss" occurred and if a claim is made or "suit" is brought, written notice of the claim or "suit" including, but not limited to, the date and details of such claim or "suit";
- (2) The "insured's" name and address; and
- (3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

P. Waiver of Transfer Of Rights Of Recovery Against Others To Us

The following is added to the **Transfer Of Rights Of Recovery Against Others To Us** Condition:

This Condition does not apply to the extent required of you by a written contract, executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by such contract. This waiver only applies to the person or organization designated in the contract.

Q. Employee Hired Autos – Physical Damage

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:

- (1) Any covered "auto" you lease, hire, rent or borrow; and
- (2) Any covered "auto" hired or rented under a written contract or written agreement entered into by an "employee" or elected or appointed official with your permission while being operated within the course and scope of that "employee's" employment by you or that elected or appointed official's duties as respect their obligations to you.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

R. Unintentional Failure to Disclose Hazards

The following is added to the **Concealment, Misrepresentation Or Fraud** Condition:

However, we will not deny coverage under this coverage form if you unintentionally:

- (1) Fail to disclose any hazards existing at the inception date of this coverage form; or
- (2) Make an error, omission, improper description of "autos" or other misstatement of information.

You must notify us as soon as possible after the discovery of any hazards or any other information that was not provided to us prior to the acceptance of this policy.

S. Hired Auto – World Wide Coverage

Paragraph (5)(a) of the **Policy Period, Coverage Territory** Condition is replaced by the following:

- (a) A covered "auto" is leased, hired, rented or borrowed for a period of 60 days or less; and

T. Bodily Injury Redefined

The definition of "bodily injury" in the **Definitions** Section is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease, sustained by a person including death or mental anguish, resulting from any of these at any time. Mental anguish means any type of mental or emotional illness or disease.

All other terms and conditions of this policy remain unchanged.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

This agreement shall not operate directly or indirectly to benefit anyone not named in the Schedule.

Schedule

ALL PERSONS AND/OR ORGANIZATIONS THAT ARE REQUIRED BY WRITTEN CONTRACT OR AGREEMENT WITH THE INSURED, EXECUTED PRIOR TO THE ACCIDENT OR LOSS, THAT WAIVER OF SUBROGATION BE PROVIDED UNDER THIS POLICY FOR WORK PERFORMED BY YOU AND FOR THAT PERSON AND/OR ORGANIZATION

This endorsement changes the policy to which it is attached and is effective on the date issued unless otherwise stated.

(The information below is required only when this endorsement is issued subsequent to preparation of the policy.)

RESOLUTION NO. 2022- 77

**A RESOLUTION TO APPROVING THE ADOPTION OF THE VILLAGE
STANDARD SPECIFICATIONS FOR CONSTRUCTING VILLAGE
INFRASTRUCTURE IN THE VILLAGE OF MUKWONAGO**

WHEREAS, the Village of Mukwonago wishes to ensure quality and consistency when village infrastructure is installed; and

WHEREAS, the standard specifications calls out construction methods that are required by the State of Wisconsin and Federal government along with Village preferred parts; and

WHEREAS, this document is a collaboration of Public Works, Utilities and Village Engineering and may at times be modified based on state or federal regulations or availability of parts; and

WHEREAS, the Village of Mukwonago Board of Trustees is required to adopt this document and place on file.

NOW THEREFORE IT IS HEREBY RESOLVED that the Village of Mukwonago hereby adopts the Village Standards and Specification Manual.

Passed this 21st day of December 2022

Fred Winchowky, Village President

ATTEST:

Diana Dykstra, MMC
Village Clerk-Treasurer

Agenda Cover Report

Date: 10/12/22	Committee/Board: Public Works Committee
Submitted by: Ron Bittner/Wayne Castle	Department: Public Works/Utilities
Date of Committee Action: 12/7/22	Date of Village Board Action: 12/21/22

Subject: Resolution adopting Village Standard Specifications for constructing village infrastructure.
Executive Summary: Village Standards and Specifications ensure quality and consistency when village infrastructure is installed. The document calls out detailed construction methods required by state/federal or and village preferred parts. The document was a collaboration of Public Works, Utilities and the Village Engineer and may be modified at times in the best interest of the village or when required by state and /or federal law.
Fiscal Impact: NA
Executive Recommendation/Action: We are requesting a recommendation to approve the adoption of the Village of Mukwonago Stand Specifications and that the Public Works and Utilities Directors reserve the right to modify the document in the best interest of the village.

☐ **Attachments Included**

VILLAGE OF MUKWONAGO STANDARD SPECIFICATIONS AND DETAIL DRAWINGS (Mukwonago Standards)

The Village shall be responsible for hiring an engineering inspector for all projects within the Village. An inspector shall be onsite to verify all activities. On developer projects the full cost of inspection services, whether with Village forces or contracted out, shall be 100% reimbursed by the developer.

A construction schedule shall be approved by the Village prior to any work commencing. Any changes to the approved schedule shall be made in writing and approved by the Engineer, prior to any inspection services commencing, otherwise any costs incurred by the Village or it's representative, will still be borne by the developer.

These Standard Specifications shall be adopted by the Village Board. The Public Works Director or Utilities Director reserve the right to make necessary changes to these documents after they have been formally adopted.

Current Edition: NOVEMBER 2022

SECTION 32 90 00

PLANTING

PART 1 - GENERAL

1.01 SECTION INCLUDES

- A. Topsoil.
- B. Permanent seeding. Includes nurse crops.
- C. Sodding.
- D. Fertilizing.
- E. Maintenance.
- F. Mulching.
- G. Restoring utility company trenches.

1.02 REFERENCES

- A. ASNS: American Standard for Nursery Stock, ANSI; Z60.1 by the American Association of Nurserymen.
- B. Technical Standard: Wisconsin Department of Natural Resources (DNR) Storm Water Construction Technical Standards:
http://dnr.wi.gov/topic/stormwater/standards/const_standards.html.
- C. DNR Specification: Wisconsin Department of Natural Resources Specifications S100-Compost: http://dnr.wi.gov/topic/stormwater/documents/specifications_S100Compost.pdf.

1.03 DEFINITIONS

- A. Weeds: Bent grass, bermuda grass, bindweed, bird's-foot trefoil, blackberry, brome grass, canada thistle, chickweed, crabgrass, cress, crown vetch, dandelion, foxtail, garlic mustard, horsetail, jimsonweed, johnson grass, lambs quarter, leafy spurge, morning glory, mustard, narrow-leaved cattail, nimble will, nutgrass, nut sedge, perennial sorrel, poison ivy, poison oak, purple loosestrife, quack grass, ragwort, reed canary grass, rush grass, spotted knapweed, sweet clover, tansy, teasel, wild parsnip, or any others listed in Section 23.235 or 66.0407 of Wis. Stats.
- B. Plants: Living trees, shrubs, and herbaceous plants specified in this Section.
- C. Project completed and ready for final payment: General Conditions 15.06.A.1.
- D. Defective: See General Conditions 1.02. Includes plants that are dead, show disease, weakness, or probability of death.
- E. Full growing season: Period from April 15 to November 15.

1.04 SUBMITTALS

- A. Action:
 - 1. Submit the following to the Engineering Department prior to beginning work:
 - a. Seed data including source, species, mix composition, documentation of PLS (pure live seed) testing, percentage by weight, and percentages of purity, germination and weed.
 - b. Starter mix backfill material and fertilizers. Show certified analysis and component product data.
 - c. Product data for PAL-listed soil stabilizer product.
 - d. Anti-desiccant product data.
 - e. Herbicide product data.

- B. Informational:
 - 1. Submit the following to the Engineering Department:
 - a. Name and address of nursery supplying plantings or plugs.
 - b. Description of at least 5 successfully completed projects by proposed installer of similar size and scope as Work in this Project.
 - c. Statement of qualifications for proposed installer's on-site supervisor including similar project summaries with contact names and project descriptions.
 - d. Seed bag certification tags stating seed species, mix composition, documentation of PLS (pure live seed) testing, percentage by weight, and percentages of purity, germination and weed seed for each seed species.
 - e. Plantings and native plant plugs tags or shipping documents identifying source, species, size, and quantities of stock.
 - 2. Submit the following to the Engineering Department:
 - a. Maintenance instructions listing procedures and timing to be followed by Contractor and Owner for:
 - 1) Native seed and plug Work, submit 3-year plan.
 - 2) Trees, include trunk wrap and stake removal items.

1.05 QUALITY ASSURANCE

- A. Native seed:
 - 1. Mix: True to species. Cultivars and hybrids will not be permitted.
 - 2. Genotype grown or collected from within a 100-mile radius of Site. If stock is not available from within a 100-mile radius, obtain from source(s) within same EPA Level III Ecoregion as Site.
 - 3. Installer:
 - a. Specialized in installing native seed work with minimum 5 years experience.
 - b. On-site supervisor: Minimum 5 years experience with native seed work projects.
- B. Commercial herbicide applicator certified and licensed by State of Wisconsin for pesticide application.

1.07 DELIVERY STORAGE AND HANDLING

- A. Ship, store, and handle seed to ensure protection from moisture, heat, rodents, and other conditions that jeopardize viability and cause germination before installation. Discard damaged seeds.
- B. Deliver and store plant plugs to protect from drying winds and direct sunlight. Store plugs in shaded locations and maintain moist packing soil until planting.

- C. Dig and handle plant stock to prevent injuries to trunk, branches, and roots. Prevent tops from drying during transport. Handle plants by earth balls or containers.

1.08 SCHEDULING

- A. Perform permanent turf grass seeding between March 15 and October 1. Outside these dates temporarily stabilize Site following 01 57 13. Dormant seed between November 15 and December 15.
- B. Perform no-mow lawn seeding between March 30 and June 1, or between August 21 and September 21. Outside these dates temporarily stabilize Site following 01 57 13. Dormant seed between November 15 and December 15.
- C. Perform native plant seeding in spring before June 15 or after September 15 and before ground is snow-covered. Between June 15 and September 15 temporarily stabilize Site following 01 57 13.
- D. Plant native plant plugs between March 30 and August 31.
- E. Apply herbicide between April 1 and October 1.

1.09 WARRANTIES

- A. Correction Period: One year that begins on date Project is completed and ready for final payment. Period shall be extended for defective Work that is corrected, or removed and replaced. Follow General Conditions 15.08.
- B. Defects and damage due to animal depredation and weather extremes are excluded from warranty.

1.10 MAINTENANCE

- A. Perform all maintenance for landscaping until Project is completed and ready for final payment. For native plant seeding and plug work, perform initial part of approved 3-year Maintenance Instructions.
- B. After Project is completed and ready for final payment, Owner will perform maintenance procedures presented in approved Maintenance Instructions submitted by Contractor.

1.11 METHODS

- A. Primary Method: Topsoil, seed, fertilizer, and mulch shall be used on all projects within the Village unless otherwise approved by the Public Works and Utilities Departments.
- B. Hydroseed and Mulch: The use of Hydroseed or Mulch is at the Contractor's discretion. Contractor must adhere to specifications for each detailed hereafter. If Hydroseed is used, Contractor shall clean sidewalks and roadways of any excess material immediately after application.
- C. Sodding: Sod is project specific and must be approved by the Public Works and Utilities Department prior to use.
- D. Erosion Mat: Erosion mat is project specific and must be approved by the Public Works, Utilities Department, or Engineer prior to use. Contractor shall follow WDNR Technical Standard 1052.

PART 2 - PRODUCTS

2.01 WATER

- A. Free from impurities harmful to plants.

2.02 TOPSOIL

- A. Site-salvaged humus-bearing soil screened before final placement.
- B. Imported: Humus-bearing loam-type soil with a pH level between 6.0 and 7.0, screened before final placement.
- C. Screened: Mechanically screened free of roots, sticks, branches and stones greater than ½ - inch diameter.

2.03 SEEDING MATERIALS

- A. Follow State Specification 630.
- B. Permanent turf grass seed: Deluxe 50 seed mix by Reinders, Inc., Waukesha, WI, Phone: 262-524-0200, or equivalent as approved by Engineer.
- C. No-mow lawn seed: "No Mow" lawn mix from Prairie Nursery, P.O. Box 306, Westfield, WI 53964, Phone: 1-800-476-9453, or equivalent as approved by Engineer.
- D. Temporary cover crop seed: Follow WDNR Technical Standard 1059.
- E. Native plant seed:
 - 1. ● _____ ● Seed Mix from Prairie Nursery, P.O. Box 306, Westfield, WI 53964, Phone: 1-800-476-9453.
 - 2. ● _____ ● Seed Mix from JFNew, 1402 Pankratz St., Suite 302, Madison, WI 53704, Phone: 608-240-1453.
 - 3. ● _____ ● Seed Mix from Agrecol, 2918 Agriculture Drive, Madison, WI 53718, Phone: 608-226-2544.
 - 4. Or equivalent as approved by Engineer.
- F. Nurse crop seed: Annual oats or annual ryegrass.
- G. Turf grass seed fertilizer:
 - 1. Granular or liquid marked with content analysis.
 - 2. 1-2-1 nitrogen-phosphorous-potassium ratio.
 - 3. At least 50 percent of nitrogen content in organic, slow-release form.
- H. No-mow lawn seed and native plant seed fertilizer: None.
- I. Soil stabilizer: Land application. Follow Technical Standard 1050. Use PAL-listed product(s).
- J. Hydromulch: Hydraulically applied wood fiber or wood fiber blend mulch.
- K. Erosion control mats. Follow WDNR Technical Standard 1052.

2.04 SODDING MATERIALS – ONLY ALLOWED IF APPROVED BY PUBLIC WORKS AND UTILITIES DEPARTMENT

- A. Sod:
 - 1. Dense, well-rooted permanent and desirable grasses, weed free with lush appearance cut in uniform commercial strips. Thickness should be full and uniform, approximately 3/4-inch or more.
 - 2. If sod is in dry condition before cutting, ensure that sufficient water is applied to sod 12 hours before cutting to provide a sod strip well moistened throughout cutting depth.
- B. Sod fertilizer:
 - 1. Granular or liquid, marked with content analysis.
 - 2. 3-1-2 nitrogen-phosphorous-potassium ratio.
 - 3. At least 50 percent of nitrogen content in organic, slow-release form.

2.05 NATIVE PLANT PLUG MATERIALS

- A. Plant plugs: See Drawings for planting schedule and locations.
 - 1. Size: Minimum 2-1/4 inches in diameter and 4-3/4 inches deep.
 - 2. Root systems shall be well developed throughout the soil volume, but not overly root bound.
 - 3. Plant tops should be adequately developed, viable, healthy, and sufficiently hardened for outdoor planting.
- B. Starter mix backfill material: Compost, peat moss and topsoil at a ratio of two parts topsoil to one part compost/peat moss blend by volume.
 - 1. Compost: Follow DNR Specification S100.
 - 2. Peat moss: Brown to black color with at least 75-percent partially decomposed stems and leaves.
- C. Fertilizer: None.
- D. Mulch: Shredded hardwood bark from disease-free trees.
- E. Staples: 6-inch U-shaped wire erosion control mat staples.

PART 3 - EXECUTION

3.01 TOPSOIL

- A. Preparation:
 - 1. Eliminate uneven areas and low spots. Remove debris, roots, branches, stones in excess of 1/2 inch in size.
 - 2. Scarify subgrade to 6 inches depth by ripping, tilling, disking, or other method where topsoil is scheduled and where equipment used for hauling and spreading topsoil has compacted subsoil.
 - 3. Minimize compaction during grading operations by utilizing equipment having low unit pressure ground contact and by limiting repeat passes over the same areas in areas to receive topsoil.
- B. Placement depths.
 - 1. Turf grass seed and sod subgrade: 4 inches.
 - 2. No-mow lawn seed: 4 inches.
 - 3. Native seed and native plant plugs: 6 inches.
- C. Installation:

1. Use topsoil in relatively dry state. Place during dry weather.
 2. Fine grade topsoil eliminating rough or low areas. Break down clods and lumps with appropriate equipment that creates uniformly textured soil. Maintain levels, profiles, and contours of subgrade.
 3. Remove stone, roots, and branches exceeding 1/2-inch sieve, and foreign material, and clods that cannot be broken down while spreading.
 4. Manually spread topsoil uniformly around trees, plants and building to prevent damage.
 5. Lightly compact placed topsoil by hand rolling, so as to negate any detrimental differential settling.
 6. Remove surplus subsoil and topsoil from Site. Leave stockpile areas ready to receive landscaping.
- D. For no-mow and native seeding, and native plug planting:
1. Apply soil stabilizer over newly spread topsoil.
 2. Allow weed seeds to germinate and grow to one-foot height after topsoil placement.
 3. Mow weeds to 4 inches high or less 10 days before applying herbicide.
 4. Coat all green growth on germinated weeds with herbicide to kill.
 5. Repeat herbicide application after 14 days if vegetation persists, and a minimum of 7 days before seeding or planting.
- E. Finish grade tolerance: Plus-or-minus 1/2 inch.
- 3.02 TURF GRASS SEEDING
- A. Preparation:
1. Before seeding, disk, harrow, drag, and rake to form a level and loose seed bed. Lightly hand roll topsoil before final raking to eliminate soft spots and mounds.
 2. Notify Engineer to allow inspection after fine grading and before seeding.
- B. Permanent installation:
1. Hydroseed over prepared bed using a sprayed water. Keep contents stirred to allow for uniform distribution. Seeds remaining in water for longer than one hour will be rejected. Add hydromulch and a tackifier to hydroseed tank and apply with seed and fertilizer following manufacturer's instructions to produce mulch coverage rate of uniform maximum 1/4-inch depth.
 2. Sowing rate:
 - a. Turf grass: 4.5 pounds per 1000 square feet. Double rate for dormant seeding.
 - b. Temporary cover crop: Follow WDNR Technical Standard 1059.
 3. Uniformly apply fertilizer and lightly disc or harrow into soil in conjunction with final topsoil preparation, before seeding.
 4. Fertilizer rate: 7 pounds per 1000 square feet.
 5. Place mulch within 2 days after completing seeding. Uniformly spread weed-free straw or hay mulch over designated area to loose depth of 1/2 to 1-1/2 inches. Immediately after spreading, anchor mulch with mulch crimper, spacing 20-inch diameter discs at 8-inch centers. Impress mulch into soil 1/2 to 2-1/2 inches deep in one pass of crimper. Do not use on slopes steeper than 3H:1V.
 6. Protect seeded areas to prevent damage to completed installation.
 7. Place erosion control mats on slopes greater than 3H:1V and other areas shown on Drawings. Follow WDNR Technical Standard 1052.
- C. Maintenance:
1. Water seeded areas as follows:
 - a. First day (after seeding and fertilizing): 1-1/2 inches water.

- b. Days 2-14 (or until complete germination, whichever comes last): 1/2 inches water every other day.
- c. As needed after complete germination to maintain a uniform stand of healthy grass.
- d. Natural rain events may substitute for watering, but perform additional watering on rain-event days to achieve stipulated water amounts.
- 2. Lawn areas shall receive at least two 2-inch mowings before acceptance. Do not allow grass height to exceed 4 inches.
- 3. Reseed areas that show inadequate catch and bare spots exceeding 2 square feet. Bare spots shall not exceed 3 percent of total seeded areas.
- 4. Correct damage from erosion, gullies, washouts, traffic, or other causes by filling with topsoil, tamping, refertilizing, and reseeding.
- 5. Protect grass areas during maintenance period.

3.03 NATIVE PLANT SEEDING AND NO-MOW LAWN SEEDING

A. Preparation:

- 1. Do not seed until topsoil has been chemically treated to eliminate weeds. Follow Article 3.01.
- 2. Before seeding, till under any existing temporary cover crop to a minimum depth of 6 inches.
- 3. Disk, harrow, drag, and rake to form a level and loose seed bed. Lightly roll before final raking of topsoil to eliminate soft spots and mounds.
- 4. Notify Engineer to allow inspection after fine grading and before seeding.

B. Permanent installation:

- 1. Hydroseed over prepared bed using a sprayed water. Keep contents stirred to allow for uniform distribution. Seeds remaining in water for longer than one hour will be rejected.
- 2. Seed sowing rates:
 - a. Native plant seed: Follow manufacturer's recommendations.
 - b. No-mow lawn seed: Follow manufacturer's recommendations. Double rate for dormant seeding.
 - c. Nurse crop:
 - 1) Annual oats: 1.5 pounds per 1000 square feet if seeded before June 15. 3 pounds per 1000 square feet if seeded after September 15.
 - 2) Annual ryegrass: 0.2 pounds per 1000 square feet if seeded before June 15. 0.6 pounds per 1000 square feet if seeded after September 15.
 - d. Temporary cover crop: Follow WDNR Technical Standard 1059.
 - e. Calibrate equipment used to deliver seed to specified seeding rates.
- 3. Fertilizer: None.
- 4. Place mulch within 2 days after seeding. Maximum mulch depth shall be 1/4 inch. Uniformly spread weed-free straw or hay mulch the designated area to a loose depth of 1/2 to 1-1/2 inches. Immediately after spreading, anchor mulch with mulch crimper, spacing 20-inch diameter discs at 8-inch centers. Impress mulch into soil 1-1/2 to 2-1/2 inches deep in one pass of crimper. Do not to use on slopes steeper than 3H:1V.
- 5. Protect seeded areas to prevent damage to completed installation.
- 6. Place erosion control mats on slopes greater than 3H:1V and where shown on Drawings. Follow WDNR Technical Standard 1052.

C. Maintenance:

1. For no-mow lawn seed, and native plant seed placed before June 15, water as follows; natural rain events may substitute for watering, but perform additional watering on rain event days to achieve stipulated water amounts:
 - a. First day (after seeding and mulching): 1-1/2 inches water.
 - b. Days 2 - 45: 1/2-inch water every other day.
 - c. As needed after germination to maintain uniform stand of healthy vegetation.
2. Do not water native plant seed placed after September 15.
3. Achieve 90-percent vegetation with native species or nurse crop species, as verified by Engineer. At no time during maintenance period shall more than 10 percent of seeded area be dominated by weed species.
4. Reseed areas that show inadequate germination and bare spots exceeding 25 square feet. Bare spots shall not exceed 3 percent of total seeded areas.
5. Correct damage resulting from erosion, gullies, washouts, traffic, or other causes by filling with topsoil, tamping, refertilizing, and reseeding.
6. Chemically treat areas dominated by weed species at least two times before reseeding. Follow Article 3.01.
7. Protect seeded areas during maintenance period.

3.04 SODDING

- A. Preparation:
 1. Ensure area is free from stones, roots, and undesirable materials. Loosen soil to at least one inch deep.
 2. Apply fertilizer uniformly over soil before sodding then work fertilizer into soil while preparing.
- B. Installation:
 1. Moisten earth bed to loosened depth if not already sufficiently moist. Place sod within 24 hours of being cut in strips of commercial size where possible (no pieces smaller than 18 by 24 inches). Stagger joints and place tightly against previously laid strip. Roll sod or lightly tamp with wooden or metal tampers.
 2. Stake every 18 to 36 inches along length of strips on slopes steeper than 4H:1V and in drainage components. Stakes should hold sod firmly in place. Lay sod perpendicular to direction of slope so end joints alternate.
 3. Clear excess soil from sod surface.
 4. Repair and re-sod damage resulting from erosion, gullies, washouts or other causes.
 5. Protect sodded areas during maintenance period. Maintain sodded areas by watering for at least 30 days to prevent drying and shrinking. Re-sod and maintain areas that dry out or fail to establish.

3.05 NATIVE PLANT PLUG INSTALLATION

- A. Preparation:
 1. Before planting, till under any existing temporary cover crop to at least 6 inches deep.
 2. Disk, harrow, drag, and rake to form a level and loose seed bed. Lightly roll topsoil before final raking to eliminate soft spots and mounds.
 3. Notify Engineer to allow inspection after fine grading and before planting.
- B. Installation:
 1. Install plugs in auger-drilled holes that are within plus 0.75 and minus 0.25 inches of plug diameter and depth.
 2. Space plant plugs one-foot apart.

3. In wetland or shoreline areas with potential for high wave action, secure plugs in place with 8-inch U-shaped wire erosion control blanket staples.
- C. Maintenance:
1. Care for plants after planting. This includes watering, weeding, and other Work necessary to keep plants neat and healthy.
 2. Perform watering at 10 to 14-day intervals between May 15 and October 15. Intervals may lengthen or shorten depending upon weather conditions.
 3. At the end of the first full growing season after planting, at least 75 percent of individual plugs installed shall be present as live individuals and 75 percent of species installed shall be present and alive.
 4. Survival percentages shall be established by sampling of one square meter quadrants located at regular intervals along transects. The quantity of quadrants shall be as needed to represent 0.2 percent of the total planting area in each planting zone, and there shall be at least one randomly located transect in each planting zone.

END OF SECTION

SECTION 33 05 00
COMMON WORK RESULTS FOR UTILITIES

PART 1 - GENERAL

1.01 SECTION INCLUDES

- A. Bedding, cover and backfill.
- B. Location aids.
- C. Insulation.
- D. Polyethylene film wrap.
- E. Connections between dissimilar pipes.
- F. Excavation in pavement.
- G. Excess excavated material.
- H. Trench surface restoration.

1.02 RELATED SECTIONS

- A. 32 90 00 - Planting.
- B. 33 11 00 - Water Utility Distribution Piping.
- C. 33 30 00 - Sanitary Sewerage.
- D. 33 40 00 - Storm Drainage.
- E. 34 71 00 - Roadway Construction.

1.03 SUBMITTALS

- A. Action:
 - 1. Submit to Public Works and Utilities Department:
 - a. Product data.
 - b. Mechanical trench compaction reports.
- B. Informational:
 - 1. Submit documentation showing permits have been obtained from Owner and from Regulatory Agencies for excess material disposal sites to Public Works and Utilities Department prior to beginning any work.

PART 2 - PRODUCTS

2.01 UTILITY PIPE AND APPURTENANCE MATERIALS

- A. Water Utility Distribution Piping: Follow 33 11 00.

B. Sanitary Sewerage: Follow 33 30 00.

C. Storm Drainage: Follow 33 40 00.

2.02 BEDDING AND COVER MATERIALS

A. Crushed stone chips: Follow SWS 8.43.2.

B. Sand: Follow SWS 8.43.2 Table 35.

C. Around and over Underground Facilities: Granular backfill.

D. Polyethylene pipe embedment: 3/8 inch crushed stone chips. Follow SWS 8.43.2.

E. Cover: Same material as bedding.

2.03 BACKFILL

A. Granular: Granular Backfill shall be used on new installation and mainline reconstruction projects. Follow SWS 8.43.4.

B. Spoil: Spoil Backfill shall meet the gradation of granular backfill per SWS 8.43.5. Approval required from Public Works and Utilities Department before Spoil Backfill may be used. Follow SWS 8.43.5.

C. Aggregate slurry: To be used for existing spot repairs. Follow SWS 8.43.8.

2.04 LOCATION AIDS

A. Warning tape:

1. "Terra Tape Standard" by Reef Industries, Inc. or "Shieldtec" standard non-detectable tape by Empire Level Manufacturing Corporation.
2. Tape shall read:
 - a. Water: "CAUTION WATER LINE BURIED BELOW".
 - b. Sanitary: "CAUTION SEWER LINE BURIED BELOW".
 - c. Storm: "CAUTION SEWER LINE BURIED BELOW".
3. Color: Follow State Statutes 182.0175 and American National Standards Institute (ANSI) Uniform Color Code:
 - a. Water: Blue.
 - b. Sanitary: Green.
 - c. Storm: Brown.
4. Width: 3 inches.

B. Tracer wire:

1. Follow SWS 2.11.0.
2. For open-cut: Direct-burial-rated insulated AWG #10 copper conductor.
3. For trenchless installation:
 - a. Aircraft cable, nylon-coated stainless-steel, 3/8-inch diameter.
4. Splices: Copperhead Dry Conn 3-way direct bury lug or approved equal.
5. Color:
 - a. Water: Blue.
 - b. Sanitary: Green.
 - c. Storm: Brown

- C. Location boxes for tracer wire access.
 - 1. Buried:
 - a. SnakePit Test Station, by Copperhead Industries, or approved equal.
- D. Grounding anode rod to have a minimum of 1.5 pounds of magnesium and 12 gauge wire lead.
- E. Marker flag: Follow 33 11 00.
 - 1. HYDRAFINDER or approved equal.
 - 2. 5 feet long.
 - 3. Fiberglass, red and white, fully wrapped/taped.
 - 4. Spring load action.

2.05 SURFACE RESTORATION

- A. Pavement: Follow 34 71 00.
 - 1. Asphalt pavement: Follow WisDOT Standard Specification 460.
 - 2. Concrete pavement: Follow WisDOT Standard Specification 415.
- B. Lawn: Follow SWS 2.7.4 Type C. Follow 32 90 00.
- C. Curb and gutter: Follow WisDOT Standard Specification 601. Follow 34 71 00.
- D. Concrete sidewalk: Follow WisDOT Standard Specification 602. Follow 34 71 00.
- E. Temporary seeding: Follow WDNR Technical Standard 1059.

2.06 INSULATION

- A. Follow SWS 8.50.0.

2.07 POLYETHYLENE FILM WRAP

- A. Follow SWS 8.21.0.
- B. Hydrants, Valves, and Fitting shall be wrapped in a single layer 8-mil thickness, and secured with tape.

PART 3 - EXECUTION

3.01 CONNECTING DISSIMILAR PIPE MATERIALS

- A. Follow pipe manufacturers' recommendations and design details.

3.02 EXCAVATION IN PAVEMENT

- A. Pavement sawing: Follow State Specifications 690.3 cut depth: Full pavement thickness.
 - .
- B. Sealed surface pavement: Cut evenly along excavation edges before removal to avoid excess removal or ragged, uneven edges.
- C. Utility trench cut locations: Follow SWS File No. 1 Drawing.

- D. Bridging: Furnish and install trench bridging over open trenches crossing roadways when requested by Engineer. Use steel plates, composite timber construction, or prefabricated structural steel members. Do not fabricate structural steel bridging on job Site. Design to support HS-20 wheel loading. Secure installed bridging against shifting. Do not leave bridging in roadway during winter months without Engineer's approval.

3.03 UTILITY PIPE AND APPURTENANCE INSTALLATION

- A. Water Utility Distribution Piping: Follow 33 11 00.
- B. Sanitary Sewerage: Follow 33 30 00.
- C. Storm Drainage: Follow 33 40 00.

3.04 POLYETHYLENE FILM WRAP

- A. Follow SWS 4.4.4.
- B. All ductile iron or cast iron.
 - 1. Mains.
 - 2. Laterals.
 - 3. Fittings.

3.05 LOCATION AIDS

- A. Tracer wire:
 - 1. SWS 2.11.0.
 - 2. Tape maximum of 10-foot spacing at crown of pipe.
 - 3. Test detector wire continuity prior to acceptance of pipe installation.
- B. Install tracer wire at:
 - 1. Water mains.
 - a. Every hydrant. Extend detector wire through a test station box that is to be located adjacent to the hydrant.
 - 2. Sanitary and Storm Sewers, laterals.
 - a. Every manhole.
 - b. Sanitary wires should be brought to the surface in a test station box adjacent to the manhole. Do not place wires below the frame.
 - c. Every sanitary and storm lateral. Extend detector wire to end of lateral at right of way and bring to surface in a test station box.
- C. Grounding anode rod:
 - 1. Install at every hydrant using wire connector extended from main.
 - 2. Install at every curb stop box using wire connector extended from main.
- D. Demonstrate continuity of tracer wires to Engineer. Provide a temporary above-ground wire between adjacent location boxes. Connect ohm meter in a series loop with tracer wire and above-ground wire. Circuit resistance shall not exceed 5 ohms.
- E. Test locating. Contact Owner to locate all utilities.
 - 1. After completion of continuity test.
 - 2. Before acceptance for use.

3.06 EXCAVATED MATERIAL

- A. Surplus excavated shall be disposed at Contractor's cost. Follow submittal requirements for each disposal site utilized. After delivery to the designated location, such material shall be graded level by Contractor.

3.07 INSULATION

- A. Follow SWS 4.17.2 and SWS Drawing File No. 48 when requested by Engineer or when depth of cover is less than 7 feet over sanitary sewer, water main and force main or where storm sewers cross over water main or laterals.

3.08 BEDDING AND COVER

- A. Follow SWS 3.2.6(b) Class B, except use 6 inches of bedding material.

3.09 TRENCH BACKFILLING AND CONSOLIDATION

- A. Material:
 - 1. From 5 feet behind existing or future back-of-curb or edge-of-pavement to and including paved areas and driveways:
 - a. Granular. Follow 34 71 00.
 - b. Aggregate slurry. Use in private utility trenches or where shown or as directed by Engineering Department.
 - 2. Around and over Underground Facilities: Granular backfill.
- B. Consolidation:
 - 1. Mechanically compact trench backfill. Follow SWS 2.6.14(b) except Contractor shall furnish and pay for compaction testing services deemed necessary by the Engineering Department.

3.10 SURFACE RESTORATION

- A. Pavement: Follow 34 71 00.
- B. Lawn: Follow 32 90 00.
- C. Curb and gutter: Follow 34 71 00
- D. Concrete sidewalk: Follow 34 71 00
- E. Temporary seeding: Follow WDNR Technical Standard 1059..

3.11 CLEARING AND GRUBBING

- A. Follow SWS 2.1.2. Cleanly prune damaged trees.

3.12 CLEANUP

- A. Clean dirt and construction material from haul roads:
 - 1. At end of each working day.
 - 2. As needed during the day to avoid creating hazards or complaints.
 - 3. As requested by Owner.

SECTION 33 11 00

WATER UTILITY DISTRIBUTION PIPING

PART 1 - GENERAL

1.01 SECTION INCLUDES

- A. Water mains, control and distribution appurtenances.

1.02 RELATED SECTIONS

- A. 01 33 00 - Submittal Procedures.
- B. 33 05 00 - Common Work Results for Utilities.

1.03 REFERENCES

- A. Wisconsin Administrative Code Chapters:
 - 1. NR 105 - Surface Water Quality Criteria and Secondary Values for Toxic Substances.
 - 2. NR 106 - Procedures for Calculating Water Quality Based Effluent Limitations for Point Source Discharges to Surface Waters.
- B. ASTM International.
 - 1. ASTM C478 Standard Specification for Precast Reinforced Concrete Manhole Sections.
 - 2. ASTM C858 Standard Specification for Underground Precast Concrete Utility Structures.
 - 3. ASTM C913 Standard Specification for Precast Concrete Water and Wastewater Structures.
 - 4. ASTM C923 - Standard Specification for Resilient Connectors Between Reinforced Concrete Manhole Structures, Pipes and Laterals.
- C. American Water Works Association (AWWA):
 - 1. AWWA C104 - Cement-Mortar Lining for Ductile-Iron Pipe and Fittings.
 - 2. AWWA C110 - Ductile-Iron and Gray-Iron Fittings.
 - 3. AWWA C150 - Thickness Design of Ductile-Iron Pipe.
 - 4. AWWA C151 - Ductile-Iron Pipe Centrifugally Cast.
 - 5. AWWA C502 - Dry Barrel Fire Hydrants.
 - 6. AWWA C504 - Rubber Seated Butterfly Valves.
 - 7. AWWA C509 - Resilient Seated Gate Valves for Water Supply Service.
 - 8. AWWA C550 - Protective Interior Coatings for Valves and Hydrants.
 - 9. AWWA C900 - Polyvinyl Chloride (PVC) Pressure Pipe and Fabricated Fittings 4 In. Through 12 In. for Water Distribution.
 - 10. AWWA C905 - Polyvinyl Chloride (PVC) Pressure Pipe and Fabricated Fittings 14 In. Through 48 In.

1.04 SUBMITTALS

- A. Action:
 - 1. Submit to Water Utility and Engineering Department:
 - a. Product data.
 - b. Water main safe sample test reports.

PART 2 - PRODUCTS

2.01 LEAD REDUCTION

- A. Products and parts thereof with wetted surfaces in contact with drinking water shall meet or exceed the requirements of Public Law 111-380-Reduction of Lead in Drinking Water Act, which is an amendment to the Safe Drinking Water Act.

2.02 WATER MAIN PIPE AND APPURTENANCES

- A. Pipe, 3-inch and larger. Provide one type from following:
 - 1. Ductile iron:
 - a. For 3-inch diameter: Follow AWWA C151, thickness Class 53 with cement lining.
 - b. For 4-inch diameter and larger: Follow AWWA C151 Class 52 with cement lining.
 - c. Tyton gasketed joint pipe.
 - d. Cable bond connectors.
 - e. Follow SWS 8.18.0.
 - 2. PVC:
 - a. For 4 through 60-inch diameter: Follow AWWA C900, CIOD Class 235 pressure pipe with DR 18 or less.
 - b. Integral elastomeric bell and spigot joints.
 - c. Follow SWS 8.20.0.
- B. Butterfly valves:
 - 1. Follow AWWA C-504 and SWS 8.28.0. All valves 16-inch or larger shall be butterfly valves manufactured by M&H (450), Mueller Line Seal, Clow (2810-F5365). Valves shall have non-rising stems, epoxy coating, stainless steel bolts, mechanical joint ends, turn counterclockwise to open, and a 2-inch square operating nut.
- C. Resilient seated gate valves:
 - 1. Follow AWWA C509 or C515 including:
 - a. Nonrising stem.
 - b. Mechanical joint.
 - c. Actuator: wrench nut.
 - d. Opens counterclockwise.
 - e. Stem seals: O-ring.
 - f. Epoxy interior and exterior coating following ANSI/AWWA C550.
 - g. Stainless steel bolts.
 - h. 2-inch square operating nut.
 - i. Follow SWS 8.27.0.
 - 3. American Flow Control Series 2500 (formerly Waterous).
 - 4. Kennedy 8571 or 7571
 - 5. Clow C-509 Series, Clow C2640.
 - 6. Mueller 2360 or 2361.
- D. Valve enclosures:
 - 1. Boxes:
 - a. Cast iron assembly, 668 style, cover marked "WATER".
 - b. American Made Manufacturers: Tyler 6850, East Jordan 8550
 - c. Follow SWS 8.29.0.
 - d. Valve box adapters: Adaptor, II
 - e. If operating nut is greater than 7-feet in depth, operating nut shall be brought up to within 4-feet of finished grade, plus or minus 6-inches.

- E. Hydrant assembly.
1. Follow AWWA C502 and SWS 8.26.0:
 - a. Bury depth: 6'-6" minimum.
 - b. Opens counterclockwise.
 - c. Break-flange.
 - d. 5-1/2 inch minimum main valve opening, two National Standard 2-1/2 inch hose nozzle and 5 - inch Storz pumper nozzle.
 - e. Paint:
 - i. Public: red.
 - ii. Private: yellow.
 - f. Mechanical joint connection.
 - g. Barrel extensions: Same manufacturer as hydrants.
 2. Mueller Centurion A-423.
 3. Hydrant lead:
 - a. PVC: Follow AWWA C150 SDR 18 or less.
 - b. 6-inch, unless noted otherwise.
 - c. Shall use two Mega-lugs. One on the hydrant and one on the hydrant valve.
 - d. Provide Clow F1217 or Tyler C-153 anchoring tee which shall be secured to the hydrant.
 - e. Atleast one continuous length of pipe shall be used between hydrant and valve. If length between valve and hydrant is greater than 20-feet, all joints shall be restrained in manner approved by the Utilities Department.
 4. Marker Flag:
 - a. "HYDRAFINDER" or approved equal.
 - b. 5 feet long.
 - c. Fiberglass, red and white.
 - d. Springload action.
- F. Fittings: Follow SWS 8.22.0.:
1. Joints:
 - a. Buried: Mechanical.
 - b. In structures: Flanged.
 2. Pressure rating:
 - a. Full body: 250 PSI.
 - b. Compact: 350 PSI.
 3. Material:
 - a. Ductile iron:
 - 1) Class 52 wall thickness.
 - 2) Bituminous exterior coating following ANSI/AWWA C110(C153)/A21.10.
 - 3) Cement lined and bituminous coated interior following ANSI/AWWA C104/A21.4.
 - 4) Cor-Blue tee bolts.
- G. Service lines, valves and fittings.
1. Lines.
 - a. Size: 1 1/4" for HDPE Service, 1" for Copper Service
 - b. 2 inch and smaller shall follow SWS 8.24.0 and:
 - 1) Type K copper tubing. Use compression fittings.
 - 2) Polyethylene (HDPE) SDR 9 CTS. Stainless steel stiffeners to be used.
 - c. 3 inch and larger: Follow 33 11 00 2.02.A.
 2. Corporation valves for HDPE:
 - a. Must withstand 150 PSI pressure test.

- b. Use compression fittings with stainless steel stiffeners
 - c. Mueller B-25008, Ford FB1000, A.Y. McDonald 74701-22-BQ.
- 3. Curb valves for HDPE:
 - a. Must withstand 150 PSI pressure test.
 - b. Use compression fittings with stainless steel stiffeners.
 - c. A.Y. McDonald 76104-22-Q, Mueller B25155-Q, Ford B44-XXX-MQ.
- 4. Curb boxes:
 - a. American Made CISB Buffalo style.
 - b. Tyler 101F.
- 5. Stainless steel curb stem extension rod with floating guide ring under top box section and stainless hardware to be used, installed within 24-inches of final grade.
- H. PVC main tapping saddle for service lines 2-inch and smaller:
 - 1. Double strap.
 - 2. Epoxy-coated ductile iron, stainless steel, or brass.
 - 3. Romac 202NS, Smith-Blair 317, or Ford FCD202.
- I. Tapping sleeves with gate valve 16-inch and under:
 - 1. Stainless steel with ductile iron flange.
 - 2. Flange accessories need stainless steel hardware.
- J. Air release assemblies:
 - 1. In valve box: Follow SWS 4.12.0
 - 2. In vault: Follow SWS 4.11.0. and 8.39.0, except provide HS20 load-rated flat top slab.
- K. Restrained joints:
 - 1. Strapping following SWS 4.9.0 with number and size of retaining rods recommended by pipe restraint manufacturer for the type and size of pipe used.
 - 2. EBAA Iron Megalug, Tyler Series 2000, and Ford Series 1400.
 - 3. In addition to Megalugs, hardwood or solid concrete block buttresses may be used.

2.03 INCIDENTAL CONSTRUCTION

- A. Follow 33 05 00 for:
 - 1. Bedding.
 - 2. Cover.
 - 3. Backfill.
 - 4. Location aids.
 - 5. Trenchless utilities.
 - 6. Insulation.
 - 7. Polyethylene film.
 - 8. Surface restoration.

PART 3 - EXECUTION

3.01 WATER MAIN INSTALLATION

- A. Follow SWS Part IV.
- B. The minimum depth of cover between finished grade and the top of the water main pipe shall be 6' 6".
- C. For ductile iron, provide electric continuity using strapping or metallic retainer glands.

- D. PVC pipe:
 - 1. Remove beveled pipe end at connections to mechanical joint or flanged fittings.
 - 2. Use tapping saddles for services.
- E. Butterfly valve actuators and boxes installed toward curb.
- F. Set valve boxes to ½-inch below finished surface grade. Provide ring cut on top end.
- G. Hydrants:
 - 1. Secure hydrant valves directly to main lines with the following:
 - a. Mechanical joint anchoring type hydrant tees.
 - 2. Provide minimum 6-foot cover over lead.
 - 3. Position centerline of lowest hydrant outlet nozzle 18-23 inches above finish grade.
 - 4. Hydrants located in non curb and gutter or ditchline roadways shall position centerline of lowest hydrant outlet nozzle 18-23 inches above edge of gravel shoulder elevation and breakaway shall be supported.
 - 5. Hydrants located in non curb and gutter or ditchline roadways shall be installed on level, paved surface that may require the installation of a retaining wall with minimum 3-foot clearance around hydrant.
 - 6. Maximum of one barrel extension.
- H. Buttrresses: Follow SWS 4.3.13.
- I. Services:
 - 1. Wet tap service connections at normal operating system pressure.
 - 2. Direct taps into PVC water main not allowed. Saddles only.
 - 3. Direct taps in ductile iron allowed.
 - 4. Lateral locations on Drawings are tentative. Actual locations shall be marked by property owners with wooden stakes. Contact Engineer if stake not found.
 - 5. For 2 inch and smaller follow SWS Part V and:
 - a. Provide curb valve and box at right-of-way line.
 - b. Provide 2 by 6 inch hardwood marker at curb box location from invert of service to 2 feet above finished grade.
 - c. Provide 10-foot long tailpiece. Follow SWS Drawing File No. 51 drawing.
 - 6. For 2-1/2 inch and larger follow SWS Part IV and V and:
 - a. Provide tee connection.
 - b. Anchor valve to tee with anchor tee or strapping.
 - c. Provide plug and buttress.
 - d. Provide 2 by 6 inch hardwood marker at end of service from invert of service to 2 feet above finished grade.
- J. Pressure test before services 2-inch and smaller are installed. Follow SWS 4.15.0.
- K. Disinfect pipelines following SWS 4.3.12 and 4.16.0.
- L. After performing pressure test, bacteriological water sampling and laboratory testing shall be done following SWS 4.16.0 by: Contractor with Wisconsin DNR-certified independent laboratory. Two safe water test results shall be taken greater than 24-hours apart and shall be received in hand prior to continuing work. Contractor to provide both the Water Utility and Engineering Department with a copy of the results. Testing shall be observed by Village Representative.
- M. Water wasted from pipeline that may reach bodies of surface water may not contain any substances in concentrations that adversely affect the water following Wisconsin

Administrative Code NR 105 and 106. For chlorine, no total residual chlorine may be measured in water being discharged to a surface water. Advise Utility and Engineer of proposed discharge schedule to arrange DNR-required measurements. Water may be allowed to be flushed to sanitary sewer, with Utility approval. All water shall be metered at Contractor's cost.

- N. Connections to existing mains and services: Make after all services are installed, tests passed, and safe sample report is received by Utility and Engineer.
- O. Restrained joints: Follow manufacturer's recommendations for length of pipe to be restrained in each direction from horizontal bends, vertical bends or offsets, tees, reducers and dead ends. Two forms of restraints shall be used.
- P. Operation of valves and flushing: Only Village personnel shall initiate flushing. All valves shall only be operated by Village personnel.
- Q. Water main shall be a minimum of 8-inch diameter for single family residential development and a minimum of 12-inch diameter for development greater than single family residential. The Village, at it's discretion, may require a main size that is larger than the minimum.

3.02 INCIDENTAL CONSTRUCTION

- A. Follow 33 05 00 for:
 - 1. Connecting dissimilar pipe materials.
 - 2. Excavation in pavement.
 - 3. Bedding.
 - 4. Cover.
 - 5. Backfill.
 - 6. Location aids.
 - 7. Insulation.
 - 8. Polyethylene film.
 - 9. Excess excavated material.
 - 10. Surface restoration.

 2. AWWA C110 - Ductile-Iron and Gray-Iron Fittings.
 3. AWWA C151 - Ductile-Iron Pipe Centrifugally Cast.

4. AWWA C900 - Polyvinyl Chloride (PVC) Pressure Pipe and Fabricated Fittings 4 In. Through 12 In. for Water Distribution.
5. AWWA C905 - Polyvinyl Chloride (PVC) Pressure Pipe and Fabricated Fittings 14 In. Through 48 In.

1.04 SUBMITTALS

A. Action:

1. Submit to Engineering Department:
 - a. Product data.
 - b. Sanitary sewer main video inspection records.
 - c. Submittals designed and sealed by manufacturer's Wisconsin-licensed professional engineer:
 - 1) Manhole Shop Drawings showing details, dimensions, materials, jointing methods, pipe connections and reinforcement consistent with Drawings. Do not start manhole production before Engineer's approval.
 - 2) Shop Drawings showing details of special pipe features indicating alignment and grade, laying dimensions, fabrication, fitting, and special details, with plan view detailing pipe invert elevations, bends, and other critical features. Show station numbers for fittings consistent with Drawings. Do not start pipe and fittings production before Engineer's approval.
 - 3) Summary of criteria used in manhole design including, as minimum, material properties, loadings, load combinations, and dimensions assumed. Include certification from manufacturer that precast manhole design is in full accordance with ASTM C478 and design criteria specified herein.

B. Informational:

1. Submit to Engineering Department:
 - a. Certificates by independent testing laboratory contracted by manufacturer, showing concrete pipes meet applicable standards when tested following ASTM C497, ASTM C361 and Bureau of Reclamation Standard Specifications for Reinforced Concrete Pressure Pipe.

PART 2 - PRODUCTS

2.01 GRAVITY SANITARY SEWER

A. Pipe. If not shown on Drawings, use one type from following:

1. Polyvinyl chloride and fittings solid wall:
 - a. 4 through 15 inch: Type PSM, Follow ASTM D3034, SDR 35.
 - b. 18 through 21 inch: Type PSM, Follow ASTM F679, 12454C.
 - c. Follow SWS 8.3.0 and 8.10.0.

B. Pressure-rated pipe. If not shown on Drawings use one type from following:

1. Polyvinyl chloride pipe:
 - a. 4 through 12 inch: Follow AWWA C900 SDR18 or less.
 - b. 14 through 20 inch: Follow AWWA C900 SDR 18 or less.
2. Fittings for PVC and ductile iron pipe shall follow SWS 8.22.0 and:
 - a. Joints:
 - 1) Buried: Mechanical.
 - 2) In structures: Flanged.
 - b. Pressure rating:
 - 1) Full body: 250 PSI.

- 2) Compact: 350 PSI.
 - c. Material:
 - 1) Ductile iron class 52 wall thickness.
 - 2) Bituminous exterior coating following ANSI/AWWA C110/A21.10.
 - 3) Cor-Blue tee bolts.
 - C. Bulkhead and Plug: Follow SWS 3.2.25.
 - D. Structures:
 - 1. Manholes:
 - a. Follow SWS 3.5.0. and SWS 8.39.0.
 - b. Follow ASTM C478.
 - c. If not shown on Drawings: 48-inch inside diameter (minimum).
 - 2. Steps:
 - a. Follow SWS 3.5.4.(g).
 - b. Do not locate over pipe penetrating manhole wall. Follow SWS Drawing File No. 13.
 - 3. Frame:
 - a. Neenah R-1661.
 - 4. Cover: "T" sealing, concealed pick hole, no vents, sanitary lid. Follow SWS Drawing File No. 14B, approximate weight 108 pounds.
 - 5. Combination external/internal rubber sleeves for frame/chimney seal:
 - a. Cretex External X-85.
 - b. Adaptor, Inc.
 - 6. Pipe to manhole connection: Follow SWS 3.5.7.
 - 7. Frame and chimney sealants: PenngROUT or Mastic. Follow SWS 8.42.0.
 - 8. Flat decks - HS20 loading.
 - 9. Grade adjusters for castings:
 - a. Cretex Pro-Ring with M1 adhesive or approved equal.
 - b. Do not use bricks, stones, wood, nor pieces thereof.
 - 10. External joint wrap:
 - a. Mac Wrap (Mar Mac Construction Products Inc.).
 - b. Ez – Wrap (Press-Seal Corp.).
 - c. Cretex Wrap (Cretex Specialty Products).
 - E. Risers:
 - 1. Follow SWS 3.2.26.
 - 2. For flexible riser to flexible main greater than 6 feet in height, or main greater than 16 feet deep, see Drawings.
 - F. Laterals:
 - 1. Follow SWS 5.3.10 and SWS 5.3.11 and same material as main.
 - 2. 6 inch.
 - 3. Connection to main: Wyes.
 - 4. Adapt pressure rated pipe to SDR35 with manufactured (molded) fittings.
 - 5. Romac tapping saddle.
 - G. Repair Coupling:
 - 1. Strong Back RC Series
- 2.02 SANITARY SEWER FORCE MAIN
- A. Pipe. If not shown on Drawings, use one type from following:
 - 1. PVC, with integral elastomeric bell-and-spigot joints, and one of following:
 - a. Follow AWWA C900 for 6 through 12-inch diameter. Class 150 pressure pipe with DR 18 or less. Follow SWS 8.51.0.

- b. Follow AWWA C905 for 14 through 36-inch diameter. CIOD pressure pipe rated 235 PSI with DR18 or less. Follow SWS 8.51.0.
 - c. Follow ASTM D2241 with Plastics Pipe Institute hydrostatic design stress of 200 PSI and SDR of 26 or less.
 - 2. High density polyethylene (HDPE):
 - a. Follow SWS 8.51.3.
 - b. Material designation: PPI PE3408/3608.
 - c. Material classification: Type III, Class C, Category 5, Grade P36.
 - d. Cell classification: 345464C following ASTM D3350.
 - e. DR9.
 - f. DIPS.
- B. Fittings for ductile iron and PVC pipe: Follow SWS 8.22.0.
 - 1. Joints:
 - a. Buried: Mechanical.
 - b. In structures: Flanged.
 - 2. Pressure rating:
 - a. Full body: 250 PSI.
 - b. Compact: 350 PSI.
 - 3. Material:
 - a. Ductile iron:
 - 1) Class 52 wall thickness.
 - 2) Bituminous exterior coating following ANSI/AWWA C110/A21.10.
 - 3) Buried: Cor-Blue tee bolts. Exposed: Stainless steel.
 - 4) All metallic fittings shall be wrapped.
- C. Restrained joints:
 - 1. Strapping following SWS 4.9.0.
 - 2. EBAA Iron Megalug, Tyler Series 2000, Ford Series 1400.
 - 3. All metallic fittings shall be wrapped.
- D. Fittings for polyethylene pipe:
 - 1. Follow ASTM D3261.
 - 2. Pressure class:
 - a. Molded fittings: Match pipe.
 - b. Fabricated fittings: Increase pressure rating one class.
 - 3. Butt fused or flanged.
 - 4. Exposed: Molded flange adaptor with ductile iron or stainless steel backup ring and stainless steel bolts.
 - 5. Buried: Molded mechanical restrained joint adaptor with stainless steel internal stiffener and ductile iron or stainless steel backup ring with Cor-Ten hardware.
 - 6. All metallic fittings shall be wrapped.
- E. Plug valves:
 - 1. Manufacturers: DeZurik Series 100, Val-Matic Cam-Centric, no equal or substitution permitted.
 - 2. Valve boxes:
 - a. Cast iron, size DD, cover marked "SEWER".
 - b. American Made Manufacturers: Tyler 6860S.
 - c. Follow SWS 8.29.0.
 - d. Valve box adaptors: Adaptor, Inc.
 - 3. Actuator: Rotary gear type for valves 8 inches and larger.
 - 4. Valve stem extenders: To be used on depths greater than 7-Feet.
 - a. Securely attached to valve operator.

- b. Extend to 4 feet (plus-or-minus 6 inches) below finished grade.
 - c. For 6 feet and longer provide solid shaft.
 - d. Stainless steel.
5. All metallic fittings shall be wrapped.

F. Structures:

- 1. Valve manholes:
 - a. Follow SWS 3.5.0 and follow SWS 8.39.0.
 - b. Follow ASTM C478.
 - c. If not shown on Drawings: 48-inch inside diameter (minimum).
- 2. Frame: Follow SWS Drawing File No. 14A. Approximate weight 385 pounds.
 - a. Neenah 1661.
- 3. Cover: "T" sealing, concealed pick hole, no vents. Follow SWS Drawing File No. 14B, approximate weight 108 pounds.
- 4. Combination external/internal rubber sleeves for frame/chimney seal:
 - a. Cretex External X-85.
 - b. Adaptor, Inc.
- 5. Pipe to manhole connection: Follow SWS 3.5.7.
- 6. Frame and chimney sealants: PenngROUT or Mastic. Follow SWS 8.42.0.
- 7. Flat decks - HS20 loading.
- 8. Grade adjusters for castings:
 - a. Cretex Pro-Ring with M1 adhesive, or approved equal.
 - b. Do not use bricks, stones, wood, nor pieces thereof.
- 9. External joint wrap:
 - a. Cretex Wrap.
 - b. EZ-Wrap.
 - c. Mac Wrap.

G. Air release assemblies:

- 1. In valve box: Follow SWS 4.12.0 except include:
 - a. Valve stem extenders.
 - b. Lid: Plain or "SEWER".
 - c. Drain stop: Female iron pipe inlet and copper outlet. Ford 11-444SWM.
 - d. Drain stop: A.Y. McDonald 6105 with A.Y.

2.03 INCIDENTAL CONSTRUCTION

A. Follow 33 05 00 for:

- 1. Bedding.
- 2. Cover.
- 3. Backfill.
- 4. Location aids.
- 5. Trenchless utilities.
- 6. Insulation.
- 7. Polyethylene film.
- 8. Surface restoration.

PART 3 - EXECUTION

3.01 GRAVITY SANITARY SEWER INSTALLATION

- A. Before starting, bulkhead and/or plug the connection to existing sewer. Leave in place until new sewer has been cleaned and accepted.
- B. Follow SWS Part III.

- C. Set manhole frames to ½-Inch below finished grade after placement of curb and gutter and before asphalt placement. Frame shall not be adhered to chimney.
 - D. Chimney:
 - 1. Height: 4 to 14 inches.
 - 2. No steps in chimney.
 - 3. Maximum of 30 inches between top of frame and top step.
 - E. Laterals. Follow SWS Part V and:
 - 1. 1/4 inch per foot minimum slope.
 - 2. Provide test station box with tracer wire brought to surface at end of lateral at right of way.
 - 3. Lateral locations on Drawings are tentative. Actual locations shall be marked by property owners with wooden stakes. Contact Engineer if stake not found.
 - 4. Laterals not allowed to be connected into manholes.
 - 5. Tapping saddles to be used for new lateral connection into existing main.
 - 6. Lateral connections at the main shall be at the 2 or 10 o'clock positions.
 - F. Before testing, repair or replace piping, valves, fittings, structures or other parts of system which have visible defects or leakage even if leakage or pressure loss may be below allowable limits.
 - G. Air test: Follow SWS 3.7.3.
 - H. Go-No-Go Test: Follow SWS 3.2.6(i)4.
 - I. Manhole chimney seals:
 - 1. Prepare chimney, cone, and frame following seal manufacturer's requirements.
 - 2. Install combination external/internal Cretex or Adaptor seals.
 - J. Manhole vacuum test:
 - 1. Follow SWS 3.7.6.
 - 2. Test after backfilling.
 - K. Use external joint wrap on all manhole joints.
 - L. Televising mains and record video. Televising exclusive to The Expeditors, Inc. Use self-propelled crawler camera. Follow 33 01 30.16. Follow SWS 7.1.2. Perform after (before paving):
 - 1. Manhole benches installed.
 - 2. Pipework successfully tested.
 - M. Convey copy of video record to Engineer. Furnish on USB flashdrive.
- 3.02 SANITARY SEWER FORCE MAIN INSTALLATION
- A. Follow SWS Part IV (Delete 4.3.12.).
 - B. Before testing, repair or replace piping, valves, fittings, structures or other parts of system which have visible defects or leakage even if leakage or pressure loss may be below allowable limits.
 - C. Pressure test. Follow SWS 4.15.2 except test at pipe pressure rating or 150 PSI whichever is less.

- D. Set manhole frames to ½-Inch below finish grade after placement of curb and gutter and before asphalt placement.
 - E. Chimney:
 - 1. Height: 4 to 14 inches
 - 2. Include no steps.
 - F. Manhole chimney seals.
 - 1. Prepare chimney, cone, and frame following seal manufacturer's requirements.
 - 2. Install combination external/internal Cretex or Adaptor seal.
 - G. Use external joint wrap on manhole joints more than 10 feet below finish grade.
 - H. Polyethylene:
 - 1. Butt-fuse joints following ASTM D2657 and manufacturer's recommendations.
 - 2. Connect to flanged pipe with molded flange adaptor with ductile iron backup ring.
 - 3. Install following ASTM D2321, SWS, and manufacturer's recommendations.
 - 4. Provide embedment material from 6 inches below pipe to 12 inches above top of pipe and compact to 85 percent Standard Proctor density following AASHTO T99.
 - I. Protect cut ends and bell fittings with factory-supplied, field-applied touchup coating.
 - J. PVC pipe:
 - 1. Remove beveled pipe end at connections to mechanical joint or flanged fittings.
 - 2. Use tapping saddles for services.
- 3.03 INCIDENTAL CONSTRUCTION
- A. Follow 33 05 00 for:
 - 1. Connecting dissimilar pipe materials.
 - 2. Excavation in pavement.
 - 3. Bedding.
 - 4. Cover.
 - 5. Backfill.
 - 6. Location aids.
 - 7. Insulation.
 - 8. Polyethylene film.
 - 9. Excess excavated material.
 - 10. Surface Restoration.

1.04 SUBMITTALS

A. Action:

1. Submit the following to the Village Engineer:
 - a. Product data.
 - b. Storm sewer main video inspection records.
 - c. Submittals designed and sealed by manufacturer's Wisconsin-licensed professional engineer:
 - 1) Manhole and catch basin Shop Drawings showing details, dimensions, materials, jointing methods, pipe connections and reinforcement consistent with Drawings. Do not start manhole production before Engineer's approval.
 - 2) Shop Drawings showing details of special pipe features indicating alignment and grade, laying dimensions, fabrication, fitting, and special details, with plan view detailing pipe invert elevations, bends, and other critical features. Show station numbers for fittings consistent with Drawings. Do not start pipe and fittings production before Engineer's approval.
 - 3) Summary of criteria used in manhole design including, as minimum, material properties, loadings, load combinations, and dimensions assumed. Include certification from manufacturer that precast manhole design is in full accordance with ASTM C478 and design criteria specified herein.

B. Informational:

1. Submit the following to the Village Engineer:
 - a. Certificates by independent testing laboratory contracted by manufacturer, showing concrete pipes meet applicable standards when tested following ASTM C497, ASTM C361 and Bureau of Reclamation Standard Specifications for Reinforced Concrete Pressure Pipe.

PART 2 - PRODUCTS

2.01 STORM SEWER

A. Main lines:

1. Concrete pipe.
 - a. Joints: Rubber-gasket following ASTM C443.
 - b. Reinforced concrete pipe (RCP): Follow ASTM C76 and SWS 8.6.0.
 - c. Nonreinforced concrete pipe: Follow SWS 8.5.0.
 - d. Reinforced concrete horizontal elliptical pipe: Follow ASTM C507 and SWS 8.6.0.
 - e. Reinforced concrete arch pipe: Follow ASTM C506 and SWS 8.6.0.
2. Corrugated metal pipe: Follow SWS 8.14.0.
3. Corrugated aluminum pipe: Follow SWS 8.15.0.
4. Polyvinyl chloride (PVC):
 - a. Solid wall.
 - b. Integral elastomeric bell and spigot joints.
 - c. For 6 through 12-inch diameter: Follow AWWA C900, Class 150 pressure pipe with DR18 or less.
 - d. For 14 through 24-inch diameter: Follow AWWA C905, CIOD pressure pipe rated 235 PSI with DR18 or less.
 - e. Follow SWS 8.20.0.

5. High density polyethylene (HDPE):
 - a. Follow AASHTO M252 and M294-96(s).
 - b. Joints:
 - 1) Follow AASHTO requirements for soil tightness.
 - 2) Bell and spigot pipe end.
 - 3) Double bell couplings.
 - c. Smooth interior.
 - d. Double wall.
 6. Anti-Seepage Collars.
- B. Sump lines and sump line cleanouts:
1. Follow SWS 8.10.0.
 2. PVC SDR 35.
- C. Structures:
1. Manholes: 48-Inch minimum diameter. Follow SWS 3.5.0 and SWS 8.39.0.
 2. Follow ASTM C478.
 3. Catch basin frame and cover: Neenah R-3067 with Type L grate.
 4. Catch basin: Follow SWS 3.6.0 for precast.
 5. Manhole frame and cover: Neenah R-1661, non-rocking, vented cover.
 6. Inlet and catch basin mortar: Follow State Specifications 519.2.3.
 7. Grade adjusters for castings:
 - a. Cretex Pro Ring, with approved adhesive.
 - b. Do not use bricks, stones, wood, nor pieces thereof.
- D. Apron endwalls: Follow State Specifications 520 through 525 for apron endwalls and same material as pipe.
- E. Pipe grates: Follow SWS 8.16.0.
1. Grate shall be hinged on top.
- 2.02 UNDERDRAINS
- A. Follow State Specifications 612.
- 2.03 INCIDENTAL CONSTRUCTION
- A. Follow 33 05 00 for:
1. Bedding.
 2. Cover.
 3. Backfill.
 4. Location aids.
 5. Insulation.
 6. Polyethylene film.
 7. Surface restoration.
- PART 3 - EXECUTION
- 3.01 STORM SEWER INSTALLATION
- A. Follow SWS Part III.
- B. Set manhole frames to 1/2-inch to 3/4-inch below finished grade after placement of curb and gutter and before asphalt placement. Set casting flanges onto a full bed of mortar.

- C. Set inlet frames to binder grade after placement of curb and gutter. Casting flanges shall not be adhered to the adjusting ring.
- D. Sump lines:
 - 1. Pitch to inlet or manhole.
 - 2. Bed and cover PVC following SWS 3.2.6.i.
- E. Before testing, repair or replace piping, valves, fittings, structures or other parts of system which have visible defects or leakage even if leakage or pressure loss may be below allowable limits.
- F. High Density Polyethylene (HDPE) installation.
 - 1. Follow AASHTO Section 30 and ASTM D2321.
 - 2. Structural bedding and cover:
 - a. Crushed stone.
 - 1) Size to fill voids in corrugations.
 - 2) Compaction: Follow AASHTO 30.5.3. and 30.5.4. Maximum 6-inch lifts with 95 percent following ASTM D698 "standard" density.
 - 3) Material must be adequately knifed into haunch and in between corrugations.
 - 4) Ponding and jetting prohibited.
 - 3. Minimum cover over top of pipe to subgrade 24 inches.
 - 4. Trench width.
 - a. Wider than compaction equipment in pipe zone.
 - b. Not less than pipe outside diameter plus 16 inches.
 - 5. Provide floatation resistance: Restraints or weights.
 - 6. Perform odd leg mandrel (go-no-go) deflection tests:
 - a. Follow SWS 3.2.6.1.4.
 - b. Perform 5 percent test twice:
 - 1) After backfill compaction and before paving.
 - 2) After paving and surface restoration.
 - c. Perform 7-1/2 percent test twice:
 - 1) 30 days after acceptance.
 - 2) 11 months after acceptance.

3.02 UNDERDRAIN INSTALLATION

- A. Follow State Specifications 612.

3.03 INCIDENTAL CONSTRUCTION

- A. Follow 33 05 00 for:
 - 1. Connecting dissimilar pipe materials.
 - 2. Excavation in pavement.
 - 3. Bedding.
 - 4. Cover.
 - 5. Backfill.
 - 6. Location aids.
 - 7. Insulation.
 - 8. Polyethylene film.
 - 9. Excess excavated material.
 - 10. Surface restoration.

END OF SECTION

SECTION 34 71 00
ROADWAY CONSTRUCTION

PART 1 - GENERAL

1.01 SECTION INCLUDES

- A. Earthwork.
- B. Base course.
- C. Pavement and surface course.
- D. Incidental construction:
 - 1. Curb and gutter.
 - 2. Sidewalks.
 - 3. Curb ramps.
 - 4. Drive approaches, and driveways.
 - 5. Pavement sawing.
 - 6. Pavement markings.
 - 7. Drainage facilities.
 - 8. Signs.
 - 9. Traffic control.
 - 10. Guardrail.
 - 11. Retaining walls.
 - 12. Restoration.
 - 13. Asphalt curb.
 - 14. Parking lot bumpers.

1.02 RELATED SECTIONS

- A. 33 05 00 – Common Work Results for Utilities.
- B. 32 90 00 – Planting.

1.03 SUBMITTALS

- A. Action:
 - 1. Submit the following to the Public Works, Utilities Department, and Village Engineer:
 - a. Product data.
 - b. Sieve analyses from State-certified laboratory.
 - c. Concrete Mix design. Submit at least 7 days before paving:
 - 1) Portland cement concrete curb and gutter, pavement, driveway, and sidewalk.
 - 2) High-early-strength concrete. Follow State Specification 415.2.1.
 - d. Wisconsin DOT-verified hot mix asphalt (HMA) pavement mix design for each pavement classification specified. Submit at least 7 days before paving.
- B. Informational:
 - 1. Base compaction test reports.
 - 2. Subbase compaction test reports.

3. Paving mix delivery tickets.
 - a. Asphaltic materials:
 - 1) Furnish ticket before placing material.
 - 2) Display on ticket:
 - a) Project.
 - b) Date.
 - c) Time.
 - d) Ticket number.
 - e) Type of mix.
 - f) Gross weight.
 - g) Tare weight.
 - h) Net weight.
 - i) Job total.
 - b. Concrete:
 - 1) Furnish tickets after delivery.
 - 2) Display on ticket:
 - a) Project.
 - b) Date.
 - c) Time.
 - d) Ticket number.
 - e) Class of concrete.
 - f) Grade of concrete.
 - g) Cement Weight.
 - h) Fly Ash type and weight.
 - i) Fine aggregate weight.
 - j) Coarse aggregate weight.
 - k) Gallons of water.
 - l) Time water was added.
 - m) Additives.
4. Base course delivery tickets that display:
 - a. Project.
 - b. Date.
 - c. Ticket number.
 - d. Type of material.
 - e. Gross weight.
 - f. Tare weight.
 - g. Net weight.
 - h. Job total.
5. Written concrete cylinder compression test results. Submit to Owner.
6. Provide Quality Management Program following State Specifications 460.2.8.1 General and 460.2.8.2 Contractor Testing control plan including:
 - a. Do not use 460.2.8.3 Department Testing.
7. Documentation showing permits have been obtained from Owner and from Regulatory Agencies for excess material disposal sites.

1.05 REGULATORY REQUIREMENTS

- A. Pay for local, county or state permits for Work on right-of-ways. Damage to pavements and to all property, public and private, due to this Work shall be repaired to same or better condition before construction by Contractor.

1.06

- A. As a condition of acceptance, arrange, conduct, and pay for tests necessary to demonstrate satisfactory compliance with Contract Documents. Make adjustments at the plant necessary to meet requirements of Specifications including the instructions.
- B. Lab testing:
 - 1. Test material from the plant at least once a day.
 - 2. Meet the following parameters:
 - a. Air voids (Va): Follow State Specifications 460.2.8.3.1.6
 - b. Voids in the mineral aggregate (VMA): Follow State Specifications Table 460-1.
 - c. Gradations: Job mix formula (JMF): Follow Paragraph 1 of State Specification - Additional Special Provision 460.2.8.2.1.5 issued under ASP-6.
- C. Density testing:
 - 1. Take a minimum one test per location and one test per 250 tons.
 - a. Use nuclear method.
 - b. Targets specified hereinafter.
 - 2. Locations will be at Engineer's request.
- D. Results and reports:
 - 1. Make field adjustments to keep material within specified tolerances. If test results fall out of tolerance, increase testing frequency until material is within specification.
 - 2. Submit test reports within 48 hours to Engineering Department.

PART 2 - PRODUCTS

2.01 EMBANKMENTS

- A. Follow State Specifications 207. Do not use logs, stumps, brush, perishable material, frozen material or humus-bearing materials. No large stones larger than 3-inches or lumps allowed within entire subgrade of roadway, approaches, curb and gutter, or sidewalk..

2.02 EXCAVATION BELOW SUBGRADE (EBS) BACKFILL

- A. Borrow: Follow State Specifications 208.
- B. Granular backfill: Follow State Specifications 209, Grade 1
- C. Breaker run: State Specification 311, maximum particle size 3 inches.
- D. Geotextile subgrade stabilization material: Follow State Specification 645, Type SAS

2.03 BASE COURSE AND CRUSHED AGGREGATE SHOULDERS

- A. Follow State Specifications 305. Use 1-1/4" crushed limestone TB for bottom layer and 3/4" crushed limestone TB for upper layer.

2.04 ASPHALTIC CONCRETE (HMA) PAVEMENT

- A. Binder course (Lower and Intermediate Layers): Follow State Specification 460.2 and:
 - 1. Type: See Village of Mukwonago Detail Drawings.
 - 2. Surface Gradation: See Village of Mukwonago Detail Drawings.
 - 3. Binder Grade: PG 58-28S
 - 4. Maximum recycled content: Follow State Specifications 460.2.5.
- B. Surface course (Upper Layer): Follow State Specification 460.2 and:
 - 1. Type: See Village of Mukwonago Detail Drawings.
 - 2. Surface Gradation: See Village of Mukwonago Detail Drawings.
 - 3. Binder Grade: PG 58-28S
 - 4. Maximum recycled material content: Follow State Specifications 460.2.5.
- C. Tack coat: Follow State Specification 455.2.5 asphaltic material dependent on weather conditions.
- D. Joint adhesive: Crafc0 Pavement Joint Adhesive.

2.05 CONCRETE PAVEMENT

- A. Follow State Specification 415.
- B. Concrete: Follow State Specifications 501 with:
 - 1. Slump:
 - a. Slip-formed: 2.5 inches or less.
 - b. Non-slip-formed: 4 inches or less.
 - 2. Compressive strength: 3,500 pounds per square inch minimum.
 - 3. Do not add calcium chloride.
 - 4. Admixtures:
 - a. Set retarder: Follow State Specifications 501.2.3.2.
 - b. Water reducer: Follow State Specifications 501.2.3.3.
 - c. Air entrainment: Follow State Specifications 501.2.2.
 - d. Evaporation retardant: Eucobar by Euclid.
 - 5. High early strength concrete: Follow State Specifications 415.2.1, submit mix design.
- C. Steel reinforcement: Follow State Specifications 505 and:
 - 1. Deformed tie bars:
 - a. Grade: 60.
 - b. Length: 2 feet.
 - c. Size: No. 6.

- d. Epoxy coated.
- 2. Metal chairs: Epoxy Coated.3.Dowel bars. Follow State Specifications 505.2.6.2.
Smooth and:
 - a. Grade: 60.
 - b. Length: 2 feet.
 - c. Size: No. 10.
 - d. Epoxy coated.
- 4. Joint sealant: Hot poured elastic.

2.06 INCIDENTAL CONSTRUCTION

- A. Concrete curb and gutter:
 - 1. Follow State Specifications 601.
 - 2. Do not add calcium chloride.
- B. Concrete sidewalks:
 - 1. Follow State Specifications 602.2.
 - 2. Do not add calcium chloride.
- C. Curb ramps.
 - 1. Neenah cast iron detectable warning fields. Detectable warning fields shall be unpainted.
 - 2. Follow State Specifications 602.2. Furnish detectable warning field from the DOT approved products list for the detectable warning field defined above.
- D. Drive approaches, and driveways.
 - 1. Concrete:
 - a. Follow State Specifications 501. Use high-early-strength cement.
 - b. Do not add calcium chloride.
 - 2. Asphaltic concrete (HMA): Follow specifications for surface course under ASPHALTIC CONCRETE PAVEMENT in this Section. Follow State Specifications 465.
- E. Pavement marking: Follow State Specifications 646 and:
 - 1. Paint.
 - 2. Temporary pavement marking: Follow State Specifications 649.
 - a. Removable tape.
- F. Drainage facilities:
 - 1. Culvert pipe.
 - a. Corrugated steel: Follow State Specifications 521.
 - b. Reinforced Concrete Pipe in Village Right-of-Way. Follow State Specifications 522.
 - 2. Bedding: 3/8-inch clear stone chips.
 - 3. Backfill: Granular.
 - 4. Apron endwalls: Same as pipe material.
- G. Signs: Follow State Specifications 637 Type H reflective sheeting
 - 1. Posts: Follow State Specifications 634.
 - a. 1 – 3/4" square galvanized.
- H. Traffic Control: Follow State Specifications 643.
 - 1. Contractor shall prepare and submit traffic control plan for approval.
 - 2. Traffic control plan shall conform to latest version of Wisconsin MUTCD.
- I. Guardrail: Follow State Specifications 614.

- J. Retaining Wall: Follow State Specifications 504.
- K. Restoration: Follow 32 90 00.
- L. Parking lot bumpers: Precast concrete. Nominal dimensions 72 by 9 by 6 inches high with 5/8-inch diameter holes at both ends. Include 18-inch long 1/2-inch diameter bars for securement.

2.07 SOURCE QUALITY CONTROL

- A. Asphaltic paving materials scale: Follow State Specification 450.3.1.1.1.
- B. Concrete paving materials scale: Follow State Specification 501.3.4.5.2.
- C. Base course materials scale: Follow State Specifications 109.1.4.

PART 3 - EXECUTION

3.01 EARTHWORK

- A. Clearing and grubbing: Follow State Specifications 201.3.
 - 1. Cut wood to maximum 6 foot lengths, stack outside of right-of-way for land owner use. Remove wood not claimed by landowner.
- B. Removing old culverts and bridges: Follow State Specifications 203.3.
- C. Removing miscellaneous structures. Follow State Specifications 204.3 for:
 - 1. Curb and gutter.
 - 2. Asphaltic concrete pavement.
 - 3. Sidewalk.
 - 4. Guardrail.
- D. Roadway and drainage excavation. Follow State Specifications 205.3 for:
 - 1. Common excavation. No organic material or stones larger than 3-inches allowed within upper 12-inches of subgrade in a cut section. No organic material or stones larger than 3-inches allowed within entire subgrade layer in a fill section.
- E. Embankment: Follow State Specifications 207.3.
 - 1. Maximum layer thickness: 8 inches.
 - 2. Compaction: Standard
 - a. 95 percent of maximum density determined by ASTM D698 (Standard Proctor).
 - b. Subgrade must be proof rolled before acceptance.
- F. Preparation of roadway foundation: Follow State Specifications 211.3.
- G. Subgrade proof roll: Allow Engineer to inspect prepared subgrade and to witness proof roll test by a fully loaded quad-axle dump truck. Reconstruct where deflection is greater than 1/2 inch. Additional proof roll tests will be performed until entire subgrade passes.

3.02 BASE COURSE AND CRUSHED AGGREGATE SHOULDERS

- A. Crushed aggregate base course: Follow State Specifications 301 and 305.
 - 1. Compaction: Standard compaction.
 - a. 95 percent of maximum density determined by Modified Proctor.

- b. Allow Engineer to inspect prepared base course and to witness proof roll test by a fully loaded, quad-axle dump truck. Reconstruct where deflection is greater than 1/2 inch as determined by the engineer. Additional proof roll tests will be performed until entire base course passes.
2. Allowable deviation from design grade: 1/2 inch
3. Utility structures: Set to 1/2-inch to 3/4-inch below finish surface course elevation.

3.03 PAVEMENT MILLING/PULVERIZING SHAPING AND GRADING

- A. Follow State Specification 325 and:
 1. Remove and stockpile excess milled/pulverized materials to Owner approved location.
 2. At completion of each working day, ramp ends of milled/pulverized material flush to adjacent pavement for all traffic lanes.
 3. Excavate and remove topsoil and unstable subgrade materials and replace with on-site sound material.
 4. Grade, shape, and compact milled/pulverized materials.
 5. Redistribute materials as needed within project to fill areas with insufficient materials, low areas, and settled utility trenches.
 6. Move excess material to other areas within the project.
 7. Use new crushed stone base material only when existing materials are depleted and Engineer approves.
 8. Allow Engineer to inspect new base course before paving.
 9. Allowable deviation from design grade: 1/2 inch.
 10. Utility structures: Set to finish course elevation.
 11. Compaction: Standard compaction.
 - a. Allow Engineer to inspect prepared base course and to witness proof roll test by a fully loaded quad-axle dump truck. Reconstruct where deflection is greater than 1/2 inch as determined by the engineer. Additional proof roll tests will be performed until entire base course passes.
- B. Abutting existing pavement:
 1. Provide full depth saw cut at match lines.
 2. Provide butt joint at locations specified in field. Anticipate 25-foot length.
 3. Pulverize existing pavement within construction limits.
 4. Stockpile milled/pulverized materials at location secured by Contractor.
 5. Over-excavate, remove and dispose of earth material over butt joint length.
 6. Taper thickness of removed materials from 4 inches at match line to 0 inches at opposite end of butt joint.
 7. Re-spread milled/pulverized materials over excavated area.
 8. Remove sufficient material to maintain minimum pavement and base thickness as specified herein at saw cut.

3.04 EXCAVATED MATERIAL

- A. Surplus excavated material shall be hauled and disposed of at Contractor's expense unless otherwise indicated by Public Works and Utilities Departmentsf.

3.05 PAVEMENT AND SURFACE COURSES

- A. Tack coat: Follow State Specification 455.3.2.
 1. Apply between each layer of asphaltic concrete.
 2. Allow to cure before paving.

- B. Mill butt joints: Mill and dispose of 1-1/2 inches of existing pavement at locations shown.
- C. Asphaltic concrete pavement: Follow State Specifications 450 and 460
 - 1. Do not use 460.2.8.3 Department Testing.
 - 2. Maximum variations:
 - a. 1/8 inch across a 5-foot straight edge.
 - b. Thickness: Within 1/4 inch of design.
 - c. Finish elevation: Within 1/4 inch of design.
 - 3. Temperatures:
 - a. Asphaltic concrete at placement: Between 265 and 330 degrees Fahrenheit.
 - b. Subgrade: Above 32 degrees Fahrenheit.
 - c. Air temperature: Follow State Specifications 450.3.2.1.2.3.
 - 1) Contractor may submit cold weather paving plan for review if air temperature falls below specified limits. Engineer reserves the right to reject plan without cause. If implemented, plan shall be at no additional cost to Owner.
 - 4. Layer thickness: Shown on Drawings.
 - 5. Compaction: Follow State Specifications 460.3.3 Maximum Density Method
 - 6. Saw cut, excavate and remove unstable binder course, base course and subgrade materials. Replace removed materials. Clean binder pavement by sweeping or flushing before applying surface pavement.
 - 7. Allow Engineer to inspect binder course before applying surface course.
 - 8. Joints: Crafcu joint adhesive shall be used for all longitudinal joints and curb flanges.
 - 9. Ramp curb flanges if surface course is not planned to be paved within one week of binder course installation.

3.06. CONCRETE PAVEMENT

- A. Follow State Specification 415 and 501.
- B. Placement delays.
 - 1. If less than 30 minutes: Cover unfinished end with wet burlap.
 - 2. If greater than 30 minutes: Install construction joint.
 - 3. If concrete attains initial set: Install construction joint.
 - 4. If finishing equipment breaks down: Discontinue placement.
 - 5. If finishing and curing operations cannot be kept within their time sequence: Discontinue placement.
 - 6. Engineer reserves the right to order discontinuation of placement for any reasons deemed detrimental to the quality of the finished material.
- C. Maximum delivery time:
 - 1. Below 60 degrees Fahrenheit: 1-1/2 hours.
 - 2. Above 60 degrees Fahrenheit: 1 hour.
 - 3. Begins with addition of water to cement or cement to aggregates. Time ends when completely discharged.
 - 4. Extend time above 60 degrees Fahrenheit to 1-1/2 hours with approved retarder.
 - 5. Concrete must be totally discharged within maximum delivery time and/or 300 drum revolutions, whichever occurs first.
- D. Joints:
 - 1. Saw cut joints to prevent surface shrinkage cracks.
 - a. Longitudinal: Saw cut joints within 36 hours after placing concrete.
 - b. Transverse: Saw cut joints by approximately midnight of the same day of the concrete pour.
 - 2. Spacing: 10 feet minimum and as shown on Drawings.

3. Width: 1/4 inch.
 4. Depth: Pavement thickness/3.
 5. Tie bars: 3 feet on center placed at mid depth of slab. Follow details on Drawings.
 6. Dowel bars: 1 foot on center placed at mid depth of slab. Follow details on Drawings.
- E. Curing: Apply impervious coating. Follow State Specification 415.3.12
- F. Cold weather concreting:
1. Do not place below 35 degrees Fahrenheit.
 2. Do not place on frozen grade.
 3. Cover completed Work: Follow State Specifications 415.3.13.2.
- G. Testing:
1. Follow State Specifications 501.3.10.
 2. Perform slump test. Follow State Specifications 501.3.7.1
 3. Measure air entrainment: Follow State Specifications 501.3.2.4.2, AASHTO T152.
 4. Cast 6-inch diameter by 12 inch high compression strength cylinders.
 5. Cast 3 test cylinders for every 100 cubic yards placed.
 6. Allow Engineer to observe field testing.
 7. Test cylinders in lab:
 - a. 1 at 7 days.
 - b. 2 at 28 days.
 - c. Follow State Specifications 501, AASHTO T22 and T23.
- H. Opening to traffic: Permitted when design compressive strength achieved by lab test samples and with Engineer's approval.

3.07 INCIDENTAL CONSTRUCTION

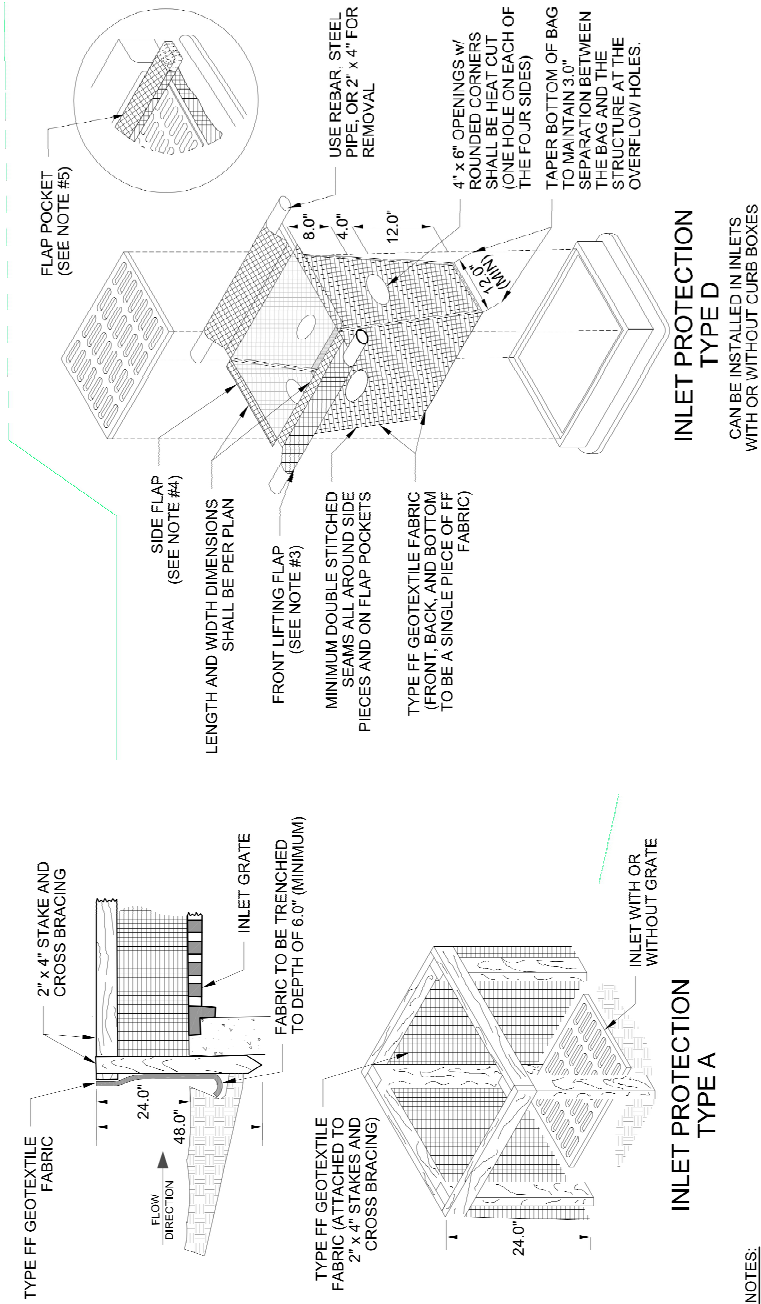

- A. Concrete curb and gutter: Follow State Specification 601.3.
1. Joints.
 - a. Construct expansion joints at:
 - 1) 5 feet from inlets or catch basins.
 - 2) End of curves.
 - 3) 50 feet maximum intervals.
 - 4) At one end of all curb and gutter removed and replaced
 - 5) Single layer 1/2-inch thick expansive material.
 - b. Construct contraction joints at 10 feet spacing.
 - 1) Minimum spacing: 6 feet.
 - 2) Maximum spacing: 12 feet.
 - 3) Match abutting concrete joints.
 - 4) Depth: Minimum 2 inches.
 2. Curing:
 - a. Apply impervious coating within one hour of placement.
 - b. Coat all sides of curb including exposed surface after forms removed.
 - c. Apply two coats in perpendicular directions.
- B. Sidewalks: Follow State Specifications 602.3.
1. Required on both sides of all streets.
 2. Joints.
 - a. Provide expansion joints abutting existing construction and structures with 1/2 inch expansion joint filler.
 - 1) 50 feet maximum interval.
 - 2) At one end of all sidewalk removed and replaced.
 - b. Provide contraction joints at spacing equal to width of walk and:

- 1) Minimum 3 feet.
 - 2) Maximum 12 feet.
 - 3) Depth: Minimum 1 inch.
 - 4) Width: Approximately 1/8 inch.
 3. Curb ramps: Follow State Specifications 602.3.
 - a. Construct curb ramps to ADA specifications and the latest version of the Wisconsin Department of Transportation curb ramp detail drawings.
 4. Curing:
 - a. Follow State Specifications 415.3.12.
 - b. Apply impervious coating within one hour of placement.
 - c. Coat all sides of sidewalk including exposed surface after forms removed.
 - d. Apply two coats in perpendicular directions.
 5. Steps: Follow State Specifications 602.3.4.
- C. Concrete drive approaches: Follow Village Standard Detail for Concrete Driveway Approach.
1. Joints.
 - a. Expansion Joints abutting curb or walk: Use 1/2-inch expansion joint filler.
 - b. Contraction Joints: Locate at midpoint of drive, perpendicular to curb.
 - 1) Minimum spacing 6 feet.
 - 2) Maximum spacing 12 feet.
 2. Curing.
 - a. Follow State Specifications 415.3.12.
 - b. Apply impervious coating within one hour of placement.
 - c. Coat all sides of concrete drive approach including exposed surface after forms removed.
 - d. Apply two coats in perpendicular directions.
- D. Asphaltic concrete drive approaches. Only allowed with approval from Public Works and Village Engineer. Follow PAVEMENT AND SURFACE COURSES in this Section, except place single 3-inch layer thickness.
- E. Pavement sawing. Follow State Specifications 690.3. Cut depth: Full pavement thickness
- F. Pavement marking: Follow State Specifications 646.3.
1. Apply same day on pavements open to traffic: State Specifications 646.3.1.
 2. Pavement surface temperature:
 - a. Painted: Above 35 degrees Fahrenheit.
 3. Provide clean pavement to ensure proper bonding.
 4. Provide temporary centerline marking at 50-foot interval between paving operations and application of final pavement marking.
 5. Temporary pavement marking: Follow State Specification 649.3 and Drawings.
- G. Drainage facilities:
1. Pipe culverts:
 - a. Follow State Specification 520.3, except do not use Paragraph 1 in Section 520.3.1.
 - b. Bedding: Provide 6 inches of 3/4-inch crushed stone chips below pipe.
 2. Private entrance and temporary culverts. Provide 6 inches of 3/8-inch crushed stone chips below pipe.
 3. Backfill with:
 - a. Excavated material when granular gradation is met and with Engineering Department approval.
 - b. Granular backfill.

- 4. Consolidate backfill by: Mechanical compaction.
 - 5. Salvaged pipe: Follow State Specifications 524.
 - 6. Apron endwalls:
 - a. Material: Same as pipe.
- H. Signs: Follow State Specifications 637.3.
 - 1. Relocating signs: Follow State Specifications 638.3.2.
- I. Traffic control: Follow State Specification 643.3.
 - 1. Warning lights: Type A.
- J. Guardrail: Follow State Specification 614.3.
- K. Retaining walls: Follow State Specifications 504.3.
- L. Restoration: Follow 32 90 00.
- M. Asphaltic curb: Follow State Specifications 465.3.2.

END OF SECTION

FIGURE 1. INLET PROTECTION TYPES A AND D

NOTES:

1. TAPER BOTTOM OF BAG TO MAINTAIN THREE INCHES OF CLEARANCE BETWEEN THE BAG AND THE STRUCTURE, MEASURED FROM THE BOTTOM OF THE OVERFLOW OPENINGS TO THE STRUCTURE WALL.
2. GEOTEXTILE FABRIC TYPE FF FOR FLAPS, TOP AND BOTTOM OF OUTSIDE OF FILTER BAG, FRONT, BACK, AND BOTTOM OF FILTER BAG BEING ONE PIECE.
3. FRONT LIFTING FLAP IS TO BE USED WHEN REMOVING AND MAINTAINING FILTER BAG.
4. SIDE FLAPS SHALL BE A MAXIMUM OF TWO INCHES LONG. FOLD THE FABRIC OVER AND REINFORCE WITH MULTIPLE STITCHES.
5. FLAP POCKETS SHALL BE LARGE ENOUGH TO ACCEPT WOOD 2" x 4". THE REBAR, STEEL PIPE, OR WOOD SHALL BE INSTALLED IN THE REAR FLAP AND SHALL NOT BLOCK THE TOP HALF OF THE CURB FACE OPENING.

MAINTENANCE NOTES:

1. WHEN REMOVING OR MAINTAINING INLET PROTECTION, CARE SHALL BE TAKEN SO THAT THE SEDIMENT TRAPPED IN THE FABRIC DOES NOT FALL INTO THE STRUCTURE. MATERIAL THAT HAS FALLEN INTO THE INLET SHALL BE IMMEDIATELY REMOVED.

Re: 2023-2025 Village Engineering Services Agreement

Dear Mr. Schnook:

I am enclosing a proposed agreement for Village Engineering Services for 2023 thru 2025. Ruekert & Mielke, Inc. (R/M) has been providing Village Engineering Services since the 1960's and we value our long-term working relationship. The proposed agreement identifies discounts that we are offering in recognition of our assignment as Village Engineer.

We are available to meet with you to discuss the proposed agreement or other ideas that you have.

If you have any questions, please feel free to call me. I look forward to continuing to work with you and your team.

Respectfully,

RUEKERT & MIELKE, INC.

Jerad J. Wegner, P.E. (WI)
Team Leader/Project Manager
jwegner@ruekert-mielke.com

Respectfully,

RUEKERT & MIELKE, INC.

Ryan T. Amtmann, P.E. (WI, IL, MI)
Vice President

Michael E. Michalski, Ruekert & Mielke, Inc.

**AGREEMENT FOR VILLAGE ENGINEER SERVICES
FOR THE VILLAGE OF MUKWONAGO**

IT IS HEREBY AGREED that Ruekert & Mielke, Inc. (R/M) will serve as Village Engineer for the Village of Mukwonago subject to the terms and conditions of this Agreement.

RECITALS

1. The Village of Mukwonago is a Wisconsin municipal corporation engaged in the practice of local government in Waukesha County, Wisconsin.
2. The Village Engineer has been engaged in and has had a great deal of experience in municipal and civil engineering as well as significant historical knowledge of the Village of Mukwonago's infrastructure systems.
3. Both parties are willing to enter into this Agreement.
4. For the above reasons, and in consideration of the mutual promises and agreements hereinafter set forth, the Village of Mukwonago and the Village Engineer agree as follows:

SECTION I: DUTIES AND RESPONSIBILITIES

The Village of Mukwonago hereby engages R/M as the Village Engineer for the Village of Mukwonago, Wisconsin, to perform the following duties and services.

1. To perform duties as identified in Exhibit "A" of this agreement including engineering for public works, storm water, and the water and sewer utilities.
2. To perform such other municipal engineering duties and have such other responsibilities, not inconsistent with law, as shall from time to time be prescribed or directed.
3. To attend Village Board Meetings upon request and other requested meetings that may require the Village Engineer's expertise.

The Village Engineer hereby accepts and agrees to such engagement, subject to the general supervision and pursuant to the order, advice and direction of the Village Board and Village Administrator.

SECTION II: PRIMARY ENGINEER/ASSIGNABILITY

Over the course of this 3-year agreement, it is R/M's intent to continue utilizing Jerad J. Wegner, P.E. as the primary engineer. Jerad will serve as the client manager and coordinate day-to-day activities with R/M's service to the Village of Mukwonago. Ryan Amtmann will serve as R/M's Principal in charge. Michael E. Michalski and Peter W. Gesch, P.E. will continue to serve the Village as Project Manager's for Village CIP and development review projects. Other personnel in the firm may directly service the needs of the Village under the direction and coordination of Jerad and with the consent of the Village.

R/M shall not assign any interest in this Agreement and shall not transfer any interest in same whether by assignment, notation or any other matter without the prior written consent of the Village. Provided, however, that claims for money due or to become due R/M from the Village under this Agreement, may be assigned to a bank, trust company or a financial institution without such approval. Notices of assignments or transfers shall be furnished promptly to the Village.

SECTION III: TERM OF AGREEMENT

The term of this agreement shall be three (3) years commencing January 1, 2023, and terminating December 31, 2025, subject, however, to prior termination as provided in Section IV. At least three (3) months prior to the expiration of this Agreement the Village and Village Engineer shall renegotiate the terms of this Agreement. In the event that mutually agreeable terms cannot be reached, then this Agreement shall terminate on December 31, 2025 as provided hereof.

R/M and the Village agree that the Village will conduct annual evaluations of R/M's performance of the engineering services provided for hereunder. R/M and Village staff have developed mutually agreeable metrics and goals for which the evaluations will be conducted.

Audits and Inspections. At any time during normal business hours and as often as the Village or if federal or state grants or aids are involved as the appropriate federal or state agency may deem necessary, there shall be made available to the Village or such agency for examination all of R/M's records with respect to all matters covered by this Agreement. This Agreement will permit the Village or such agency and/or representative to audit, examine or make excerpts or transcripts from such records and to make audits of all contracts, invoices, and other data relating to all matters covered by this agreement.

SECTION IV: COMPENSATION

The Village shall pay for the services provided under this Agreement at rates as listed in Exhibit "B" for 2023. Jerad J. Wegner, P.E. will be billed at the Engineer 7 level which is anticipated to have a normal hourly rate of \$215/hour. Jerad's rate will be discounted by \$15/hour, to \$200/hour, for the term of this Agreement. Michael E. Michalski will be billed at the Engineer 4 level which is anticipated to have a normal hourly rate of \$175/hour. Mike's rate will be discounted by \$10/hour, to \$165/hour, for the term of this Agreement. David W. Arnott, P.E., will be billed at the Engineer 7 level, which is anticipated to have a normal hourly rate of \$215/hour. Dave's rate will be discounted by \$10/hour, to \$205/hour, for the term of this Agreement.

Upon the commencing of a new year, R/M issues a new set of rates for the year. The 2023 rates listed in Exhibit B will be increased by the Consumer Price Index (CPI) within the Midwest Region for 2024 and 2025.

- A. The Village Engineer will provide task orders for each project for which the Village requires engineering services and has budgeted funds. These task orders will detail the level of effort, cost of services and timeline for providing our services. These task orders will be approved by the Village's Public Works Committee. For other day-to-day activities, the Village Engineer will bill for its services on a time and material basis.
- B. The Village Engineer shall submit to the Village an invoice statement every four weeks. The Village shall pay amounts due within thirty (30) days of the receipt of the invoice statement.
- C. The Village shall not provide administrative services or employment benefits of any kind to the Village Engineer.
- D. The Village shall reimburse the Village Engineer for all disbursements the firm makes regarding the services provided to the Village including such items as mileage, postage, copies, plots and permit fees.

SECTION V: ADDED VALUE DISCOUNT

Over the course of the last three years the Village has made great strides with the implementation of its cloud GIS portal. During the term of this agreement R/M will provide a discount of \$12,990/year from the Village's GIS software subscription charge, bringing the total charge to \$4,000.00/year.

SECTION VI: CONFLICT OF INTEREST

The Village Engineer shall not advise or represent any other client in matters directly related to Village affairs, or in real or potential conflict of interest with the Village. The Village Engineer shall notify the Village Board promptly of any real or potential conflicts of interest as they arise. The firm shall withdraw from a matter as a result of any real or potential conflict of interest and request the Village appoint alternative engineering professionals for that matter.

SECTION VII: MODIFICATION OF CONTRACT

No waiver or modification of this Agreement or for any covenants, condition or limitation herein contained shall be valid unless in writing and duly executed by the party to be charged therewith. No evidence of any waiver or modification shall be offered or received in evidence in any proceeding, arbitration or litigation between the parties hereto arising out of or affecting this Agreement or the rights or obligations of the parties hereunder, unless such waiver or modification is in writing, fully executed as aforesaid. The parties further agree that the provisions of this section may not be waived, except as specifically herein set forth.

SECTION VIII: STANDARD TERMS & CONDITIONS

Our Engineering related services will be provided to you under our standard terms and conditions titled *Ruekert & Mielke, Inc. Standard Terms and Conditions (Engineering Services)* and dated June 17, 2014.

Our GIS related services will be provided to you under our standard terms and conditions titled *Ruekert & Mielke, Inc. Standard Terms and Conditions (GIS Services)* and dated May 19, 2015.

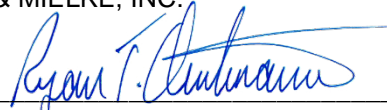

Regulations. R/M agrees to comply with all of the requirements in effect at the time of performance of all federal, state and local laws, as well as codes, specifications or requirements related to the performance of the services under this agreement.

No waiver or modification of this Agreement or for any covenants, condition or limitation herein contained shall be valid unless in writing and duly signed by each party.

Dated this _____ day of _____, 2022.

EXHIBIT "A"

VILLAGE ENGINEER
DESCRIPTION OF SERVICESScope of Services

The Village Engineer shall perform all engineering and support activities as requested by the Village Board, Plan Commission, Park Board, Village Administrator or Department Heads. The Village Engineer will report directly to the Village Administrator.

R/M and the Village agree that while the scope of this Agreement will include standard engineering consulting services by R/M for the Village, such as those services listed below, the Village reserves the right to contract for ancillary services, such as environmental matters, with other firms. In addition, the Village would also reserve the right to consult with other engineering firms for Village lead projects, partnerships with developers and TIF projects, but only with the approval of the Village Public Works Committee.

- 1) Attend meetings as requested, including but not limited to the following:
 - a) Village Board, 1 per month,
 - c) Public Hearings, as necessary
 - d) Other special meetings, as necessary.
- 2) Planning related work as requested, including but not limited to the following:
 - a) Review and comment on projects submitted by developers,
 - b) Preparation of ordinances and revisions,
 - c) Review and preparation of miscellaneous plans,
 - d) Preparation of long range utility plans, capital project improvement plans,
 - e) Review of floodplain information,
 - f) Coordination with other local, county, state & federal agencies,
 - g) Planning survey work,
 - h) Preliminary cost estimates,
 - i) Preparation of legal descriptions, easements, maps, etc.
- 3) Design engineering as requested including but not limited to the following:
 - a) Preparation of plans, specifications and cost estimates for capital improvement projects,
 - b) Preparation of special assessment reports,
 - c) Design survey work,
 - d) Coordination with various agencies. Construction engineering as requested, including but not limited to the following:
 - e) Construction staking,
 - f) Construction review and testing
 - g) Follow-up design work
 - h) Review of pay requests
 - i) Final project inspections
 - j) Coordination with various agencies
 - k) Preparation of as-built plans
- 4) General activities and responsibilities as necessary to complete the above listed activities:
 - a) All management and supervisory personnel
 - b) Drafting services and supervisory personnel
 - c) Survey services and personnel

A. Standards of Performance

The standard of care for all professional engineering and related services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Engineer makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Engineer.

B. Authorized Representative

With the execution of this Agreement, Engineer and Owner shall designate specific individuals to act as Engineer's and Owner's representatives with respect to the services to be performed or furnished by Engineer and duties and responsibilities of Owner under this Agreement. Such individuals shall have authority to transmit instructions, receive information, and render decisions relative to the Assignment on behalf of the respective party whom the individual represents.

C. Payments to Engineer

Invoices will be prepared in accordance with Engineer's standard invoicing practices and will be submitted to Owner by Engineer monthly, unless otherwise agreed. Invoices are due and payable within 30 days of receipt. If Owner fails to make any payment due Engineer for services and expenses within 30 days after receipt of Engineer's invoice therefore, the amounts due Engineer will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) from said thirtieth day. In addition, Engineer may, after giving seven days written notice to Owner, suspend services under this Agreement until Engineer has been paid in full all amounts due for services, expenses, and other related charges.

D. Ownership and Reuse of Documents

All documents prepared or furnished by Engineer pursuant to this Agreement are instruments of service, and Engineer shall retain an ownership and property interest therein (including the copyright and the right of reuse at the discretion of the Engineer) whether or not the Project is completed. Engineer grants Owner a limited license to use the documents on the Project, extensions of the Project, and for related uses of the Owner, subject to receipt by Engineer of full payment due and owing for all services relating to preparation of the documents. Such limited license shall not create any rights in third parties. Reuse of any documents pertaining to this Agreement by Owner shall be at Owner's sole risk; and Owner agrees to indemnify, defend, and hold Engineer harmless from all claims, damages, and expenses including reasonable attorney's fees arising out of such reuse of documents by Owner or by others acting through Owner.

E. Construction Review

Engineer will observe the work as agreed to for general compliance with the construction documents. Engineer shall not at any time supervise, direct, control, or have authority over any contractor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a contractor to comply with Laws and Regulations applicable to that contractor's furnishing and performing of its work. Engineer shall not be responsible for the acts or omissions of any contractor. Engineer has no stop work authority.

F. Environmental

Engineer assumes no liability for the detection or removal of any hazardous substances found at or adjacent to the Project site.

G. Owner Provided Information

Engineer shall have the right to rely on the accuracy of any information provided by Owner. Engineer will not review this information for accuracy.

H. Permits and Approvals

It is the responsibility of the Owner to obtain all necessary permits and approvals for the Project. Engineer will assist the Owner in obtaining permits and approvals as mutually agreed to in writing.

I. Access

Owner shall arrange for safe access to and make all provisions for Engineer and Engineer's consultants to enter upon public and private property as required for Engineer to perform services under this Agreement.

J. Limit of Liability

To the fullest extent permitted by law, the total liability, in the aggregate, of Engineer and Engineer's officers, directors, partners, employees, agents, and consultants, or any of them to Owner and anyone claiming by, through, or under Owner, for any and all injuries, losses, damages and expenses, whatsoever arising out of, resulting from, or in any way related to this Agreement from any cause or causes including but not limited to the negligence, professional errors or omissions, strict liability or breach of contract or warranty, express or implied, of Engineer or Engineer's officers, directors, partners, employees, agents, and consultants, or any of them, shall not exceed the total amount of \$2,000,000.

K. Insurance

Engineer will maintain insurance coverage for Workers' Compensation, General Liability, and Automobile Liability and will provide certificates of insurance to Owner upon request.

L. Termination of Contract

Either party may at any time terminate this Agreement with 7 days written notice for cause in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. Owner may terminate this Agreement for convenience with 30 days written notice, or the Project may be suspended by Owner with 30 days written notice. In the event of suspension or cancellation for convenience by Owner, Owner shall pay to Engineer all amounts owing to Engineer under this Agreement, for all work performed up to the effective date of notice.

M. Indemnification and Allocation of Risk

1. To the fullest extent permitted by law, Engineer shall indemnify and hold harmless Owner, Owner's officers, directors, partners, and employees from and against costs, losses, and damages (including but not limited to reasonable fees and charges of engineers, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of Engineer or Engineer's officers, directors, partners, employees, and consultants in the performance of Engineer's services under this Agreement.

2. To the fullest extent permitted by law, Owner shall indemnify and hold harmless Engineer, Engineer's officers, directors, partners, employees, and consultants from and against costs, losses, and damages (including but not limited to reasonable fees and charges of engineers, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of Owner or Owner's officers, directors, partners, employees, and consultants with respect to this Agreement.

3. To the fullest extent permitted by law, Engineer's total liability to Owner and anyone claiming by, through, or under Owner for any injuries, losses, damages and expenses caused in part by the negligence of Engineer and in part by the negligence of Owner or any other negligent entity or individual, shall not exceed the percentage share that Engineer's negligence bears to the total negligence of Owner, Engineer, and all other negligent entities and individuals.

4. The indemnification provision of paragraph M.1. is subject to and limited by the provisions agreed to by Owner and Engineer in paragraph J. "Limit of Liability," of this Agreement.

N. Independent Contractor

All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Owner and Engineer and not for the benefit of any other party. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either Owner or the Engineer. Engineer's services under this Agreement are being performed solely for the Owner's benefit, and no other entity shall have any claim against Engineer because of this Agreement or the performance or nonperformance of services hereunder. Owner agrees to include a provision in all contracts with contractors and other entities involved in this Project to carry out the intent of this paragraph.

O. Force Majeure

Engineer shall not be liable for any loss or damage due to failure or delay in rendering any service called for under this Agreement resulting from any cause beyond Engineer's reasonable control.

P. Severability and Waiver of Provisions

Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Engineer, who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision. Non-enforcement of any provision by either party shall not constitute a waiver of that provision, nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

Q. Dispute Resolution

Owner and Engineer agree that they shall first submit any and all unsettled claims, counterclaims, disputes, and other matters in questions between them arising out or relating to this Agreement or the breach thereof ("disputes") to mediation as a condition precedent to litigation.

R. Public Records

Engineer agrees to comply with the requirements of Wisconsin Statutes Sections 19.32 to 19.39 and Sections 19.81 to 19.98 – Wisconsin Public Records Law and Open Meetings Law.

END OF DOCUMENT

A. Standards of Performance

The standard of care for all professional consulting and related services performed or furnished by Consultant under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Consultant makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Consultant.

B. Authorized Representative

With the execution of this Agreement, Consultant and Owner shall designate specific individuals to act as Consultant's and Owner's representatives with respect to the services to be performed or furnished by Consultant and duties and responsibilities of Owner under this Agreement. Such individuals shall have authority to transmit instructions, receive information, and render decisions relative to the Assignment on behalf of the respective party whom the individual represents.

C. Payments to Consultant

Invoices will be prepared in accordance with Consultant's standard invoicing practices and will be submitted to Owner by Consultant monthly, unless otherwise agreed. Invoices are due and payable within 30 days of receipt. If Owner fails to make any payment due Consultant for services and expenses within 30 days after receipt of Consultant's invoice therefor, the amounts due Consultant will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) from said thirtieth day. In addition, Consultant may, after giving seven days written notice to Owner, suspend services under this Agreement until Consultant has been paid in full all amounts due for services, expenses, and other related charges.

D. Ownership and Reuse of Documents

All materials developed, prepared, completed, or acquired by Consultant during the performance of the services specified in this contract, including all finished or unfinished surveys, data, drawings, maps, photographs, and reports, shall become the property of Owner and shall be delivered to Owner during the contract period. Such materials shall not be released by Consultant or used for other purposes at any time without the written approval of Owner.

No drawings, maps, photographs, documents, reports, or other data prepared or completed under this contract agreement shall be copyrighted by Consultant, nor shall any notice of copyright be registered by Consultant in connection with any such material prepared or completed under this contract.

E. Owner Provided Information

Consultant shall have the right to rely on the accuracy of any information provided by Owner. Consultant will not review this information for accuracy.

F. Access

Owner shall arrange for safe access to and make all provisions for Consultant and Consultant's consultants to enter upon public and private property as required for Consultant to perform services under this Agreement.

G. Limit of Liability

To the fullest extent permitted by law, the total liability, in the aggregate, of Consultant and Consultant's officers, directors, partners, employees, agents, and consultants, or any of them to Owner and anyone claiming by, through, or under Owner, for any and all injuries, losses, damages and expenses, whatsoever arising out of, resulting from, or in any way related to this Agreement from any cause or causes including but not limited to the negligence, professional errors or omissions, strict liability or breach of contract or warranty, express or implied, of Consultant or Consultant's officers, directors, partners, employees, agents, and Consultants, or any of them, shall not exceed the total amount of \$2,000,000.00.

H. Insurance

Consultant will maintain insurance coverage for Workers' Compensation, General Liability, and Automobile Liability and will provide certificates of insurance to Owner upon request.

I. Termination of Contract

Either party may at any time terminate this Agreement with 7 days written notice for cause in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. Owner may terminate this Agreement for convenience with 30 days written notice, or the Project may be suspended by Owner with 30 days written notice. In the event of suspension or cancellation for convenience by Owner, Owner shall pay to Consultant all amounts owing to Consultant under this Agreement, for all work performed up to the effective date of notice.

J. Indemnification and Allocation of Risk

1. To the fullest extent permitted by law, Consultant shall indemnify and hold harmless Owner, Owner's officers, directors, partners, and employees from and against costs, losses, and damages (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of Consultant or Consultant's officers, directors, partners, employees, and consultants in the performance of Consultant's services under this Agreement.

2. To the fullest extent permitted by law, Owner shall indemnify and hold harmless Consultant, Consultant's officers, directors, partners, employees, and consultants from and against costs, losses, and damages (including but not limited to reasonable fees and charges of consultants, architects, attorneys, and other professionals, and reasonable court or arbitration or other dispute resolution costs) caused solely by the negligent acts or omissions of Owner or Owner's officers, directors, partners, employees, and consultants with respect to this Agreement.

3. To the fullest extent permitted by law, Consultant's total liability to Owner and anyone claiming by, through, or under Owner for any injuries, losses, damages and expenses caused in part by the negligence of Consultant and in part by the negligence of Owner or any other negligent entity or individual, shall not exceed the percentage share that Consultant's negligence bears to the total negligence of Owner, Consultant, and all other negligent entities and individuals.

4. The indemnification provision of paragraph J.1. is subject to and limited by the provisions agreed to by Owner and Consultant in paragraph G. "Limit of Liability," of this Agreement.

K. Independent Contractor

All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Owner and Consultant and not for the benefit of any other party. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either Owner or the Consultant. Consultant's services under this Agreement are being performed solely for the Owner's benefit, and no other entity shall have any claim against Consultant because of this Agreement or the performance or nonperformance of services hereunder. Owner agrees to include a provision in all contracts with Contractors and other entities involved in this project to carry out the intent of this paragraph.

L. Force Majure

Consultant shall not be liable for any loss or damage due to failure or delay in rendering any service called for under this Agreement resulting from any cause beyond Consultant's reasonable control.

M. Severability and Waiver of Provisions

Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Consultant, who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision. Non-enforcement of any provision by either party shall not constitute a waiver of that provision, nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

N. Dispute Resolution

Owner and Consultant agree that they shall first submit any and all unsettled claims, counterclaims, disputes, and other matters in questions between them arising out of or relating to this Agreement or the breach thereof ("disputes") to mediation as a condition precedent to litigation. This Agreement shall be interpreted according to and governed by the laws of the State of Wisconsin.

O. Public Records

Consultant agrees to comply with the requirements of Wisconsin Statutes Sections 19.32 to 19.39 and Sections 19.81 to 19.98 – Wisconsin Public Records Law and Open Meetings Law.

PLANNING COMMISSION

November 15, 2022, at 6:30 pm
Mukwonago, WI

ZONING CODE AMENDMENTS

Project Summary

Request:	Text amendment and rezoning
Applicant:	Mukwonago Area School District
Application number:	2022-61
Location:	560 Bay View Road (for rezoning)
Parcel number:	MUKV2010978017
Acreage:	1.0581 acres
Current Use:	Commercial building
Zoning Classification:	B-2 General Business district

Planning Staff Review

Text amendment Section 100-251 of the Village's zoning code allows schools in the P-1 district as a conditional use, provided the school is located on a parcel that is more than 2 acres and buildings are at least 50 feet from any lot line.

The Mukwonago Area School District has submitted a petition to modify that part of the code to allow low-enrollment schools (less than 50 on-site students) on parcels less than 2 acres without the 50-foot setback.

By way of context there is no minimum lot size in the P-1 district or minimum building setback requirements.

Rezoning A second part of the School District's petition is to rezone the property at 560 Bay View Road from B-2 to P-1.

If the Plan Commission recommends approval, the Village Board will conduct a formal public hearing to accept public input on both parts of the School District's request.

Potential Plan Commission Motion:

Recommend approval of the proposed revisions to Section 100-251 of the zoning code and the rezoning of the property at 560 Bay View Road from B-2 (General Business) to P-1 (Public and Semipublic) as set forth in Ordinance 2022-1011 (as drafted OR as amended).

Mukwonago Area School District

Building Better Schools Together

DATE: October 6, 2022

TO: Village of Mukwonago & Planning Commission

FR: Tom Karthausser, Director of Business Services

RE: Zoning District Change Application

To Whom This May Concern:

We are interested in purchasing the property at 560 Bay View Road. The property is currently zone as B2. We are requesting that it be zoned as P1 for use an educational facility. We would like to house an offsite educational program here, as well as our 18-21-year-old program. Our offsite program is currently housed at St. James Catholic Church, and previously, was housed at the Lillian Rose building. Our 18-21 year-old program is currently housed at Mukwonago High School. The 18-21 year-old program is intended to help our intellectually disabled students develop independent living skills, and this would be best accomplished away from a traditionally school setting.

In addition to the zoning change request, we would like for the Village to amend the text of the zoning code to remove the two-acre minimum lot size for schools in the P1 district.

Please contact me at 262-363-6300 ext. 24102 if you have further questions or at karthto@masd.k12.wi.us. I am willing to attend any meeting to answer questions that Commission members or Village Board members may have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Tom Karthausser'.

Tom Karthausser

Mukwonago Ara School District

**VILLAGE OF MUKWONAGO
WAUKESHA AND WALWORTH COUNTIES**

ORDINANCE NO. 1011

**ORDINANCE TO AMEND CHAPTER 100 OF THE VILLAGE OF MUKWONAGO
MUNICIPAL CODE REGARDING THE PUBLIC AND SEMIPUBLIC DISTRICT AND THE
ZONING CLASSIFICATION OF THE PROPERTY LOCATED AT 560 BAY VIEW ROAD**

SECTION 1

Repeal and recreate section 100-251, which relates to the Public and Semipublic District, to read as revised below.

§ 100-251 Regulations.

- (a) Permitted uses. Parks, arboretums, playgrounds, fishing, wading, swimming, beaches, skating, sledding, sustained yield forestry, wildlife preserves, soil and water conservation, water measurement and water control facilities, golf courses and cemeteries, churches and other places of worship.
- (b) Conditional uses.
 - (1) All structures.
 - (2) Airports (provided that the site area is greater than 20 acres).
 - (3) Governmental and cultural uses (such as fire and police stations, municipal buildings, community centers, libraries, and public emergency shelters).
 - (4) Colleges, universities, hospitals, and museums ~~and public and private schools~~ (provided that the site area is more than two acres and that all principal structures and uses are greater than 50 feet from any lot line).
 - (5) Recreational uses such as archery ranges, camps, driving ranges, marinas, music halls, pools, riding academies, sports fields, stadiums, and zoological or botanical gardens, provided that the lot area for all uses listed in this paragraph are not less than three acres and all structures are not less than 50 feet from any district boundary.
 - (6) Elementary, middle, and high schools (K-12) provided that any school with more than 50 on-site students must be located on a parcel that is more than 2 acres and principal buildings must be at least 50 feet from any lot line.

SECTION 2

Amend the zoning map by changing the classification of the parcel located at 560 Bay View Road (MUKV2010978017) from B-2 (General Business) to P-1 (Public and Semipublic), provided a conditional use application for a school is submitted to the Village and the Village grants approval of the same within 12 months of the date of adoption of the ordinance.

SECTION 3

The several sections of this Ordinance shall be considered severable. If any section shall be considered by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the other portions of the Ordinance.

SECTION 4

This Ordinance shall take effect upon passage and publication as approved by law, and the Village Clerk shall so amend the Code of Ordinances of the Village of Mukwonago, and shall indicate the date and number of this amending ordinance therein.

PASSED AND ADOPTED by the Village Board this 21st day of December, 2022.

APPROVED:

Fred Winchowky, Village President

Countersigned:

Diana Dykstra, Village Clerk/Treasurer

PLANNING COMMISSION

November 15, 2022, at 6:30 pm

Mukwonago, WI

Date: November 9, 2022

To: Village of Mukwonago Plan Commission

From: Tim Schwecke, Interim Village Planner

Subject: Potential zoning code revisions relating to popup venues

The Plan Commission recommended approval of an ordinance amendment regarding popup venues and the Village Board approved it as Ordinance 1008 (attached).

A minor modification to that ordinance is required to accommodate a popup venue project being proposed by Brad Zojork.

The draft ordinance with those revisions is attached for your consideration.

If the Commission is agreeable to the potential zoning code amendment, a motion can be made recommending the change to the Village Board. The Board will then conduct the public hearing allowing for proper public notice.

ORDINANCE NO. 1008

**AN ORDINANCE TO AMEND CHAPTER 100 OF THE VILLAGE OF MUKWONAGO
MUNICIPAL CODE REGARDING POPUP VENDOR VENUES AS A PLANNED
DEVELOPMENT DISTRICT**

The Village Board of the Village of Mukwonago, Waukesha/Walworth Counties, Wisconsin do ordain as follows:

SECTION I

SECTION 1. Create Article XV of the zoning code as set forth in Exhibit 1.

SECTION II

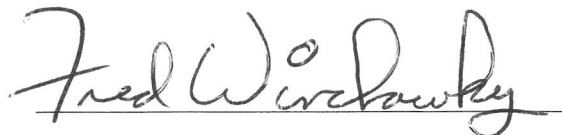

All Ordinances or parts of Ordinances contravening the terms and conditions of this ordinance are hereby to that extent repealed.

SECTION III

This Ordinance shall take effect upon passage and publication as approved by law, and the Village Clerk shall so amend the Code of Ordinances of the Village of Mukwonago and shall indicate the date and number of this amending Ordinance therein.

PASSED AND ADOPTED by the Village Board this, 21st day of September 2022.

APPROVED:

Fred Winchowky, Village President

Countersigned:

Diana Dykstra, Village Clerk/Treasurer

Exhibit 1.

ARTICLE XV POPUV VENDOR VENUE

100-910 Generally

A popup vendor venue is a place where multiple vendors offer their goods from various buildings, including shipping containers and food trucks, which are located on a single parcel in a preplanned and coordinated manner. A vendor unit may be in a single independent building or the units may be connected to other units by interior connections or exterior walkways. The vendor units are typically supplied by the site operator. Typical vendors include restaurants, taverns, retail, and limited personal services (barber, manicurist, and the like). Vendors specially excluded include tattoo shops and body piercing.

100-911 Application and review procedure

A popup vendor venue is reviewed as a planned development district as set forth in this chapter.

100-912 Where allowed

A popup vendor venue is only allowed in the B-2 zoning district. Given the potential off-site impacts, a popup vendor venue shall not abut a residential property.

100-913 General design requirements

In the design of a popup vendor venue the following design principles must be satisfied:

- (1) The placement of the individual buildings must be well coordinated so as to create an inviting and accessible space.
- (2) In addition to any other required landscaping required by the zoning code, the buildings need to be well landscaped along the rear of the building or otherwise screened if visible from the public right-of-way.
- (3) The venue must include one or more common areas with seating and similar amenities where patrons may gather and socialize.
- (4) Outdoor lighting is allowed subject to review and approval of the Plan Commission as set forth in the final development plan.
- (5) The site operator must provide trash collection and restroom facilities for all of the vendors and their patrons.
- (6) The venue may from time-to-time host live music, provided ample parking is available, and the details are reviewed and approved by the Plan Commission.
- (7) Buildings shall be oriented in a pattern that is compatible with the development pattern in the surrounding area.
- (8) The project shall accommodate emergency vehicles to the satisfaction of the Village of Mukwonago fire chief.
- (9) The project shall include an internal network of pedestrian paths.
- (10) Low-impact stormwater techniques should be incorporated into the project to the extent feasible.

100-914 Parking

Parking standards are established in the final development plan depending on the proposed mix of vendors.

100-915 Lot coverage

Impervious surfaces within the project site shall not exceed 60 percent. Patios, pedestrian walks, and other similar surfaces that are an integral part of the open space areas are not be counted in impervious surface calculations.

100-916 Screening

Screening, such as landscaping, decorative fencing, or berms, shall be provided around the perimeter of a popup vendor venue to the extent deemed appropriate by the Plan Commission to ensure the project fits in with the character of the area.

100-917 Amendment

Once a popup vendor venue is approved as a planned development district, such district may be amended as set forth in this chapter.

**VILLAGE OF MUKWONAGO
WAUKESHA AND WALWORTH COUNTIES**

ORDINANCE NO. 1012

**AN ORDINANCE TO AMEND CHAPTER 100 OF THE VILLAGE OF MUKWONAGO MUNICIPAL
CODE REGARDING POPUP VENDOR VENUES AS A PLANNED DEVELOPMENT DISTRICT**

The Village Board of the Village of Mukwonago, Waukesha/Walworth Counties, Wisconsin do ordain as follows:

SECTION I

SECTION 1. Repeal and recreate Section 100-911 of the zoning code to read as revised below.

100-911 Application and review procedure

A popup vendor venue is reviewed as a planned development district as set forth in this chapter, except as modified in this section. There is not minimum lot size for a popup vendor venue, the architectural standards in the base zoning do not apply, and a developer agreement may be required, but is not mandatory.

SECTION II

All Ordinances or parts of Ordinances contravening the terms and conditions of this ordinance are hereby to that extent repealed.

SECTION III

This Ordinance shall take effect upon passage and publication as approved by law, and the Village Clerk shall so amend the Code of Ordinances of the Village of Mukwonago and shall indicate the date and number of this amending Ordinance therein.

PASSED AND ADOPTED by the Village Board this, 21st day of December 2022.

APPROVED:

Fred Winchowky, Village President

Diana Dykstra, Village Clerk/Treasurer

PLAN COMMISSION RESOLUTION 2022-21

RESOLUTION APPROVING AN AMENDMENT OF THE SITE PLAN FOR WALMART LOCATED AT 250 E WOLF RUN, PARCEL MUKV2013994001

WHEREAS, pursuant to Section 100-601, and 100-153 of the Zoning Code, Walmart has submitted an application to the Village to amend the site plan for the subject property at 250 E Wolf Run for an addition of 7,622 square feet to the existing building; and

WHEREAS, the Village Plan Commission reviewed the proposed project consistent with the requirements in the zoning code at their meeting on November 15, 2022; and

NOW, THEREFORE, BE IT RESOLVED the Plan Commission of the Village of Mukwonago, Wisconsin hereby approves the proposed building addition as proposed subject to the following conditions:

1. **Expiration.** The developer must obtain all required building permits within 9 months of the date of this approval and start construction with 6 months of the date of building permit issuance and continue in good faith to completion. The zoning administrator may allow a one-time extension of 12 months provided the developer submits the request in writing before the above-mentioned time periods and the project still complies with all applicable zoning requirements.
2. **Strict compliance.** All work performed, improvements constructed, and use of the property shall be according to the submitted application materials, the municipal code, and all other applicable ordinances, regulations, and permits.
3. **Minor modifications.** The zoning administrator is authorized to approve minor modifications to exterior building plans and/or to the site plan and related plans during the initial development phase so long as the overall project elements remain unchanged. If the administrator determines that the proposed revisions as submitted by the developer are not minor modifications, the proposed changes must be submitted to the Plan Commission for review.
4. **Developer responsibility.** While the Village has reviewed various plans related to this project, the developer and the developer's agents are ultimately responsible for the thoroughness and accuracy of all plans and specifications and compliance with all state and local codes, ordinances, and procedures. Modifications to approved plans may be required should errors or changed conditions be found at a future date.
5. **Impact fees.** Prior to issuance of a building permit, the developer must pay all impact fees imposed by the Village as set forth in Resolution 2021-99. The amount of the impact fees for police and fire protection is based on the size of the building (in square feet). The amount for sewer, sewer connection, and water is based on anticipated usage as measured in Residential Equivalent Units (REUs). The resolution with the fee schedule is available from the Village building inspector and is posted on the Village's website.
6. **Erosion control plan.** Prior to any land-disturbing activity, the developer must submit an erosion control plan to the Village engineer and obtain approval of the same.
7. **Prior approvals.** All other aspects of any prior approvals, remain unchanged.

Passed and dated this 15th day of November 2022.

Being a combination of Lots 1, 2 and 3, Block 3, Phantom Lake Park, together with unplatted lands, all being a part of the Southeast 1/4 of the Southeast 1/4 of Section 27 and the Northeast 1/4 of the Northeast 1/4 of Section 34, Town 5 North, Range 18 East, Town of Mukwonago, Waukesha County, Wisconsin.

SURVEYOR'S CERTIFICATE

STATE OF WISCONSIN)
MILWAUKEE COUNTY) SS

I, Dennis C. Sauer, Professional Land Surveyor, do hereby certify:

That I have surveyed, divided and mapped a combination of Lots 1, 2 and 3, Block 3, Phantom Lake Park, together with unplatted lands, all being a part of the Southeast 1/4 of the Southeast 1/4 of Section 27 and the Northeast 1/4 of the Northeast 1/4 of Section 34, Town 5 North, Range 18 East, Town of Mukwonago, Waukesha County, Wisconsin; bounded and described as follows: Commencing at the meander corner for the Northeast corner of the Northeast 1/4 of Section 34, Town 5 North, Range 18 East; thence S 88°16'11" W along the North line of said Northeast 1/4, 571.65 feet to a point on the West line of Hillside Drive; thence N 32°36'50" E along said West line, 14.43 feet to the East corner of Lot 1, Block 3, Phantom Beach Park, said point being the point of beginning of the lands to be described; thence N 57°23'27" W along the North line of said Lot 1, 125.00 feet to the North corner of said Lot 1; thence N 53°56'36" W, 200.12 feet to a point; thence S 32°37'24" W, 162.22 feet to a point; thence S 57°25'26" E, 324.79 feet to a point on the aforementioned Hillside Drive; thence N 32°36'50" E along said West line, 150.00 feet to the point of beginning.
Said lands containing 49,949 sq. ft (1.15 acres).

That I have made such survey, land division and map by the direction of Wayne M Pringle and Dolores R Pringle, husband and wife, owners of said land.

That such map is a correct representation of all the exterior boundaries of the land surveyed and the land division thereof made.

That I have fully complied with the provisions of Chapter 236.34 of the Wisconsin State Statutes, and the ordinances of Waukesha County, Town of Mukwonago and the Village of Mukwonago, in surveying, dividing and mapping the same.

VILLAGE OF MUKWONAGO RESOLUTION 2022-75

**RESOLUTION APPROVING A CERTIFIED SURVEY FOR A PROPERTY LOCATED AT
W301S10329 HILLSIDE DRIVE IN THE TOWN OF MUKWONAGO**

WHEREAS, Wayne and Delores Pringle own the property located at W301S10329 Hillside Drive in the Town of Mukwonago and have submitted a certified survey map to the Village for review; and

WHEREAS, the property is located in the Village's extraterritorial review area and is therefore subject to the review by the Village; and

WHEREAS, the Village Plan Commission reviewed the petitioner's request at their meeting on December 13, 2022, and recommended approval of the same as set forth in this resolution; and

NOW, THEREFORE, BE IT RESOLVED, the Village Board of the Village of Mukwonago approves the proposed certified survey map subject to the following conditions:

1. The surveyor's seal, signature, and date must appear on all sheets of the final CSM. The same revision date must also be noted on each sheet.
2. The certified survey map must comply with the Town of Mukwonago's approval which was granted on September 7, 2022.
3. The property owner must pay all fees and charges that are owed to the Village.

The Village President is authorized to sign the original certified survey map when the above conditions have been satisfied as determined by the village planner.

PLANNING COMMISSION

December 13, 2022, at 6:30 pm
Mukwonago, WI

MONUMENT SIGN FOR MEADOWLANDS TOWNHOMES

Project Summary

Request:	Monument sign for Meadowlands Townhomes
Applicant:	Bielinski Homes, Inc (John Donovan, agent)
Application number:	2022-64
Acreage:	NA
Current Use:	Residential
Proposed Use:	Residential
Land Use Classification:	Residential
Zoning Classification:	Residential
Staff Recommendation:	Approve with conditions

Project Summary

Meadowland Townhomes LLC (Bielinski Homes) has submitted a sign permit application to install a monument sign for Meadowlands Townhomes along the northerly lot line (along CTH EE).

Planning Staff Review

Section 64-21 of the sign regulations allow monument signs for condominiums complexes subject to Plan Commission review and approval.

The proposed design (masonry base), sign area (20 sf), height (<6 ft), and placement (>10 ft from lot line) complies with applicable requirements. Further, the sign placement will not interfere with intersection visibility or impede the flow of stormwater.

The monument sign will not be internally lit. Ground-mounted lighting is not proposed.

Landscaping around the base of the sign is apparently not proposed. The approved landscape plan for the townhome development shows a new tree in the place where the monument sign will be placed. The landscape plan will need to be revised to show where that one tree will now be located.

Potential Plan Commission Motion:

Approve the monument sign as proposed subject to the draft resolution (as drafted OR as amended).

GUIDELINES

The undersigned petition is to consider a request, as stated herein, for the specified parcel(s) of land and will be reviewed by the Plan Commission and Village Board of the Village of Mukwonago. The application packet must be filed with the Village Clerk at least 30 days prior to the meeting of the Planning Commission at which action is desired. The Plan Commission meets on the second Tuesday of each month at 6:30 p.m.

Materials listed below must be provided to the Village of Mukwonago in accordance with Village Municipal Code Chapter 100 Article IX. Section 100-601(f) and other pertinent sections of Village ordinances, and, as necessary, to permit review that is consistent with proper planning practice. The Village will strive to accommodate reasonable requests for informal preliminary staff review, however the Village shall not place any items on the agenda for Plan Commission consideration until such time as the application is complete in accordance with all requirements specified on this and other attached application forms.

Mail completed applications to: Village Planner

PROCEDURAL CHECKLIST FOR SITE PLAN/ARCHITECTURAL PLAN/PUD REVIEW AND APPROVAL

Submittals for review must include and be accompanied by the following:

Application:

- ☒ Completed application form including the procedural checklist.
- ☒ Application fee: See page 1.
- ☐ Agreement for Reimbursable Services (separate application). In place

Other Documents:

- ☒ Five(5) complete sets of Application and materials, in addition to the original, for Village of Mukwonago review.
- ☒ Project Summary: Please attach a statement detailing the reasons and background for this request including: details of proposal, services provided, wares sold, plans and hours of operation, number of employees, frequency of customer visits, frequency of deliveries to site, description of any interior/exterior modifications or additions to be made to property, any outside storage (dumpsters, trucks, materials...), number of parking stalls, screening/buffer type, any other information available. **PLEASE EXPLAIN IN DETAIL.**
- ☒ **Electronic Submittals are required.** Email (or CD ROM) with all plans and submittal materials in Adobe PDF to planner@villageofmukwonago.com.
- ☐ Any additional information as determined by Village staff.

- Upon receipt of a complete submittal, staff review will be conducted within ten business days.
- All Site Plan, Architectural, and Planned Unit Development review requests require Plan Commission review and Village Board approval.

All documents related to this sign submission have been sent to Tim Schwecke at the Village of Mukwonago.

CERTIFICATION

Applicant hereby certifies that:

1. All of the above statements and other information submitted as part of this application are true and correct to the best of his or her knowledge.
2. Affirms that no Village of Mukwonago elected or appointed official or employee has a proprietary interest in the above referenced property for which this applications being filed (except as stated below under "Exceptions").
3. None of the above referenced individuals has been promised or given any contract for consultation, planning or construction in relation to this project (except as stated below under "Exceptions").
4. Applicant has read and understands all information in this packet.

Applicant further understands the policies of the Village regarding change of zonings and property development. Conditions of the resolution regarding all approvals are strictly followed. Certificates of Occupancy are not given until all conditions of approval have been met

By the execution of this application, applicant hereby authorizes the Village of Mukwonago or its agents to enter upon the property during the hours of 7:00 am to 7:00 pm daily for the purpose of inspection. Applicant grants this authorization to enter even if this land has been posted against trespassing pursuant to Section 943.13 WI Stats.

(The applicant's signature must be from a Managing Member if the business is an LLC, or from the President or Vice President if the business is a corporation. A signed applicant's authorization letter may be provided in lieu of the applicant's signature below, and a signed property owner's authorization letter may be provided in lieu of the property owner's signature[s] below. If more than one, all of the owners of the property must sign this Application).

PLAN COMMISSION RESOLUTION 2022-22

RESOLUTION APPROVING SIGNAGE FOR MEADOWLAND TOWNHOMES

WHEREAS, Meadowland Townhomes LLC (Bielinski Homes, Inc) submitted a sign permit application to the Village for review consistent with the review procedures in Chapter 64 of the municipal code; and

WHEREAS, the proposed sign consists of a monument sign for Meadowland Townhomes located on Parcel Number MUKV1960999003; and

WHEREAS, the Plan Commission reviewed the proposed sign at their meeting on December 13, 2022; and

NOW, THEREFORE, BE IT RESOLVED, the Plan Commission of the Village of Mukwonago, Wisconsin hereby approves the monument sign as proposed subject to the following conditions:

1. The applicant must obtain a building permit for the approved work within 6 months of this date and begin construction and work in good faith to completion.
2. The applicant must pay any outstanding fees/charges related to this application.
3. The address of the property must be displayed on the sign face as required by the sign regulations.
4. The landscape plan for the project must be revised to show where the tree will now be located.

Passed and dated this 13th day of December, 2022.

Agenda Cover Report

Date: 12/15/22	Committee/Board: Health and Recreation Committee
Submitted by: Ron Bittner	Department: Public Works
Date of Committee Action: N/A	Date of Village Board Action: N/A

Subject: Naming of the performance stage.
Executive Summary: Marketing of the performance stage is a strategic part in providing performances at the venue. Acronyms are also a big part of marketing when naming a venue. Beaver Dam named theirs the Dam Stage, Konkell Park in Greenfield is the AMP (amphitheater). The M.O.P.S resource development team discussed potential names such as The Village Stage or Amphitheater, The Bear Amphitheater. and The Phantom View Stage or Amphitheater. At the January 4 th committee meeting we will be asking the board to engage in a stage naming discussion. Once the venue is named; a logo design will be created for advertising and signage on the stage.
Fiscal Impact: N/A
Executive Recommendation/Action: Discussion Only

Library Director Report: December 2022

Director Meetings and Activities

Much of my time this month was spent handling follow-up to our NAGPRA Summary submission for the Grutzmacher Collection. There is a significant amount of administrative work necessary to ensure that we document our contact, share photos respectfully and sensitively, and follow up with Tribes. I am extremely grateful that the Board has kept on Bernstein & Associates to help with this work as they are handling booking consultations, organizing contact, and answering my questions. None of us were prepared for the very high interest in the Collection, and it took me most of November to get through the backlog of initial requests for further information and finally start in on follow up phone calls to Tribes I hadn't heard from. Though I am proud of the work I've accomplished and how much I've learned about respectfully managing the items in our Collection, I'm exhausted. It is mentally and psychologically very taxing to have to learn new things every single day about a topic I have no background or training for and deal with items and tasks that are neither part of my job description nor anything an average library director would ever expect to do. As a surrogate for the Federal Government in this matter, this is also not something I can easily delegate. Especially without an assistant director or anyone else empowered to make decisions at the library, I've struggled to juggle this monumental task at the same time as running the library, building the strategic plan, writing policies, preparing for and following up on all the Board and Committee meetings, overseeing AV and locker installations, building the budget, and continuously hiring employees.

The new phones were installed the day before Thanksgiving. We are now on the new Vonage system the Village purchased in June. One component that took a lot of time was having the Village's IT person figure out which adapter for our PA system was needed, then setting up and testing the component. Porting the phone number also took time as Charter and Vonage have complete control over the switch, which is why we wound up with a horrible date of transfer. Since some staff were gone on that day and a holiday immediately followed, it took us about a week to get everyone caught up, create the new online logins, and relocate phones as I was unaware that the new phones need both an ethernet connection and a power outlet (our old ones were PoE, power over ethernet). So far the new, cordless phones are working well and allow us better mobility to serve customers.

Midnight Magic is a busy time of year for the Library and this year we offered two separate tree lightings (more in the "Community Engagement Coordinator" report below) as a kickoff to the weekend's events, both at which I was the official "tree lighter." I was also again invited by the Chamber of Commerce to be one of the dignitaries Lynch of Mukwonago drives through the parade. I'm proud to represent the Library and annually thrilled that this community thinks of their Library so highly as to feature it in this way.

Circulation (Emily Ceithamer)

In November we were really excited to update our hold shelf signs as I knew we needed something that looked sharp as well as functional. I reached out to other circulation supervisors

in Bridges asking to send pictures of their hold shelves to help my search in updating ours. Our old signs were made from cardboard magazine boxes and paper and were not holding up over time. We decided on bright yellow bookends with a crisp, black letter for easy visibility and inclusivity to patrons with vision limitations or color blindness. We're happy with how they turned out!

We also had our phones updated towards the end of the month and I am working on getting all our part-time circulation clerks comfortable with the change. We are extremely happy to have cordless phones in circulation as it helps us get answers for patrons quicker. Before we had to put them on hold to get to a computer or check in with someone else on the team. I've already noticed putting patrons on hold has almost completely been eliminated with the cordless phones which has led to better customer service.

Since our last circulation clerk quit right after we hired them, Director Armour and I decided we would hire a new shelper instead with the goal of finding someone who would be interested in “training up” to be a full circulation clerk in the future. With constant training and turnover, it's been impossible to get everything shelved on time and we frequently have several carts sitting in the back or have to ask other staff to help. Getting up to (and staying at) full staffing in circulation and me going full time in January should help significantly.

Children's Department (Jane DeAngelis)

Novice ballet dancers of all ages—from school-age to teen to adult--came to the library to learn **Dance Athleticism** from two real ballerinas from the Milwaukee Ballet. The session included a warm up, the basic positions, a short dance routine, and a cool down. Afterward, there was a photo op with the ballerinas.

Over 50 people attended the **Identifying Dinosaur** program where we answered the question "Are dinosaurs alive today?" (Yes!), worked with soft brushes to reveal real dinosaur fossils from an actual dig site, and had the opportunity to hold dinosaur poop—a hit with the young boys.

New this season, the early childhood program **Discovery Time** has consistently brought families with toddlers and preschoolers to the library to investigate educational toys such as building blocks, gears, and fruit to sort by color, magnetic tiles, lacing cards, fidget toys, stackables, puzzles, the ever-popular balance beam and stepping stones and, of course, books.

Reference and Adult Services (Chris Stape)

As we all know, November was the big A/V system install month. Had to cancel one Adult Bingo, but other than that it wasn't very disruptive. Speaking of Bingo, it's still growing. I bumped it up to twice per month over the summer, and now we're getting requests for weekly sessions, though we don't have the capacity to handle that. We had a fantastic program about the sinking of the Edmund Fitzgerald presented by the Badger Talk series. The speaker was

great, and we had 52 folks in attendance—one of our biggest turnouts since COVID-19 hit. Next month's biggest event is the Christmas Tea Party—one for the kids, and another for teens and adults. It was very popular last year, so I have high hopes for this year too. Lastly, I think we've found an average for our Spice of the Month Club: 70 kits handed out seems to be the rough number each month—far more than I expected when we started, but it's really gained a following. I look forward to building the same following over next year's Seed of the Month.

Technical Services and Thingery (Mary Jo Isely)

Over 650 new items were processed and catalogued in November. As the budget for 2022 will close by month's end, no orders will be submitted after November 30. Seasonal Thingery items were shifted. Snowshoes, the toboggan, sleds and snow fort kits are now available for checkout. New and replaced Thingery items were ordered and arriving daily. A portable paper shredder was added to Tech Tools in the Thingery. The shredder has an adjustable arm which allows it to be used on a waste basket. The Mindfulness Kit has proved unpopular and was deleted. The Therapy Light, part of the Mindfulness Kit, is now repurposed as a separate Thingery item in the Fitbrary theme for checkout. The light can serve as therapy for individuals with seasonal affective disorder. Magazine sale began November 28. The titles represent older issues that are commonly not retained by the library and is an annual revenue stream for the library. Weeding continues in Adult Fiction.

MetaSpace 511 & Technology (Nancy Aycok)

MetaSpace 511 is running at a much higher capacity than in the past due to more patrons who have been stopping in for tours and coming in to learn how to use the space. Lead Innovator Nancy went on vacation for a week in November and had to close MetaSpace 511 since there was no available adult staff to work with patrons. In response to finding full email and voicemail boxes with messages requesting appointments, the decision was made to streamline the process of appointment-making and create an online sign-up. In less than two weeks, without any advertising, the online sign-up has 49 of 142 one-hour slots, some of which overlap, reserved by patrons for the last two weeks of November and the month of December.

MetaSpace 511 is still having to turn away patrons from programs due to not being able to have larger classes due to room space, limits on equipment, and not enough adult staffing of the space. Patrons have requested multiple sessions for the laser engraving/cutting, 3D printing, Cricut Maker, Kids Who Code, and STEAM Design Lab classes due to them filling up within 9 minutes of registration opening, as commented on by patrons who said they are now setting alarms to try to get into classes. We have been able to modify the STEAM Design Lab to add in a few more spaces, but only when computers are not being used, which does limit the lesson ideas like using Tinkercad to learn 3D design for 3D printing, which the kids enjoy.

There has been an exciting and positive culture shift in MetaSpace 511 with patrons who are trained on equipment and coming in regularly now helping new MetaSpace 511 patrons work on their creative projects. We have seen patrons grow more skillful and independent in their making skills, and they are now sharing with each other, creating a collaborative space, showing

the maker spirit, and trying out innovative ideas. This change has allowed Lead Innovator Nancy to be able to schedule overlapping times for people who need less staff assistance and offer more time slots for patrons.

Volunteers and the Friends of the Library helped staff prepare the Annual Tree Lighting Make & Take Ornaments that Lead Innovator Nancy created. The trees were laser engraved and cut using leftover white hardboard from the Community Art Project along with donated beads and yarn. The activity was held inside MetaSpace 511 with additional tables outside in the Children's area due to the small size of MetaSpace 511. The activity was developed to show how to tie in using the laser machine and create a craft. MetaSpace 511 staff and library youth helped decorate the Maker Tree outside of MetaSpace 511 to show all the different types of ornaments that can be made in MetaSpace 511.

Friends of the Library helped prepare 300 kits for the Holiday Tree Lighting ornament

Parachute making from STEAM Design Lab

Community Engagement Coordinator (Eric Huemmer)

Community Engagement

The Midterm Elections in early November was a great opportunity to showcase how the Village and the Library can partner on community projects like the "I Voted" Sticker Design Contest. At the exit of the election polls was the in-person voting for the sticker design as well as a fully stocked Library display table; with over 4,000 residents voting in-person that day, that was a great bit of visibility for the Library! So a big thank you to the Village for the opportunity.

The Library has been connecting with a few individuals and organizations to support patrons with autism or developmental disabilities, including the Haase House, a student job shadow with Director Armour, and the Autism Society of Southeastern Wisconsin partnering on a growing Autism Resource & Support Group and the first annual Sensory Friendly Holiday Tree Lighting.

Events & Programs

Speaking of tree lighting, the end of the month wrapped up with not one, but two tree lightings: our second Annual Holiday Tree Lighting on Wednesday, November 30, and the new Library Director Report: December 2022
prepared by Director Abby Armour

Sensory Friendly Holiday Tree Lighting on Thursday, December 1 to help kick off the Mukwonago Chamber's Midnight Magic weekend. These events are made possible via partnerships with the Chamber, Educator's Credit Union, Mukwonago Historical Society, ASSEW, and volunteers from the Teen Advisory Board.

One consistent bit of feedback we receive from the Teen Advisory Board is that teens are looking for more events and programs, including forming a film club. The MetaSpace 511 will be taking the lead on that with the equipment and technology needed as well as an opportunity to get more teens in the makerspace.

Finally, we've already begun work on the AARP Tax Aide Program for next year and not a moment too soon as we're already received requests from patrons about when they can schedule an appointment early next year. We are always happy to partner with AARP to offer this valuable service to the community.

The Vision and Mission of the Village of Mukwonago Police Department

VISION

A Village of Mukwonago where all citizens can live safely and without fear, protected by a police department with the highest ethical and professional standards.

MISSION

The staff of the Village of Mukwonago Police Department strives to provide all citizens, residents and visitors with professional law enforcement. We accept our obligation to protect the rights and liberties of all persons, regardless of race, sex, religious background, or ethnicity. We understand the importance that people place on their personal safety and the safety of their property.

We pledge to:

- Be responsive to the community and understand that the needs of the community may change over time.
- Be proactive in matters of crime prevention and community involvement.
- Be impartial in our contacts with all.
- Work in partnership with the members of the community, to make Mukwonago a better place to live, work and visit.

CORE VALUES

COMPETENCE

We are prudent stewards of the public's grant of authority and resources. We are accountable for the quality of our performance and the standards of our conduct. We are exemplary leaders and exemplary followers.

COURAGE

We place the safety of others before our own and accept our moral responsibility to take action against injustice and wrongdoing. Police members are expected to take prudent risks on behalf of the public.

INTEGRITY

We recognize the complexity of police work and exercise discretion in ways that are beyond reproach and worthy of public trust. Honesty and truthfulness are fundamental elements of integrity. It is our duty to earn public trust through consistent words and actions. We are honest in word and deed.

LEADERSHIP

We seek to influence human behavior to achieve organizational goals that serve the public while developing individuals, teams and the organization for future service. We accept our responsibility to be leaders, both within the community and among our peers and for the actions of our colleagues and ourselves. We are all responsible for the performance, reputation and morale of the department.

RESPECT

We hold life in the highest regards. We treat all citizens and colleagues with dignity and respect, and are fair and impartial as we perform our duties.

RESTRAINT

We use the minimum force and authority necessary to accomplish a proper police purpose. We demonstrate self-discipline, even when no one is listening or watching.

Message from the chief

Message from the Chief

I am pleased to share with you the Village of Mukwonago Police Department's 2021 Annual Report.

Your Village Police Department consists of 15 sworn officers including command staff, 7 dispatchers/clerks, and currently 5 Police Reserve Officers who assist the department at special events.

The department provides police service to the Village of Mukwonago 24-hours-per-day, 7 days-per-week. Our dispatch center provided dispatch service to the Village of Mukwonago PD, the Town of Mukwonago PD and boat patrol and the Town of Eagle boat patrol.

Every member of the department remains committed to our core values (Competence, Courage, Integrity, Leadership, Respect, and Restraint). We strive to achieve our vision of a community where all citizens can live safely and without fear. We are dedicated to our mission of providing professional law enforcement to all by being responsive to the community needs, be proactive in crime prevention and community involvement, be impartial in our contacts with everyone and work together with all members of the community.

I would like to thank the Village Board, Police Commission and all other employees of the Village of Mukwonago. Together we can and have made a difference. On behalf of all the members of the department, thank you for providing us with the resources to complete our mission.

In 2021, we said goodbye to Chief Kevin Schmidt after 43 years of service with the department. I personally want to thank Chief Schmidt for being a mentor to me and preparing me to lead this department. I have big shoes to fill and promise to do my very best.

I want to thank Chaplain Kevin and Chaplain Rob for the many hours they have volunteered to our community. The dedication and passion for the Chaplain program is very evident in both of these fine men. They have assisted our officers with grieving residents who have lost a loved one. Both Chaplains have a dedication to serve our Community and I cannot thank them enough for all they do.

Lastly, I want to give my sincere thanks to the men and women of the department. Our job is not an easy one. We put in long hours, work nights, weekends and holidays when our families want us with them. Many times, we see the worst in people and the unthinkable things one human being does to another human being. Yet every member of this department remains dedicated to our mission. Thank you for all your hard work and support. And on behalf of all the residents, business owners and visitors in Mukwonago, thank you for working to keep us all safe.

Daniel J. Streit

Chief of Police

Daniel J. Streit

Goodbye & Thank you

On June 11, 2021, Chief Kevin Schmidt retired after 43 years with the Village of Mukwonago Police Department.

Chief Schmidt was hired as a Police Cadet on February 1, 1978. He was promoted to Police Officer in 1981, Sergeant/Investigator in 1988, Lieutenant Investigator in 2001 and Chief of Police in 2011.

His personnel file is filled with commendations and letters of recognition, many related to his work as an investigator. Chief Schmidt is known for his thorough investigations, thoughtfulness and consideration for victims of crimes. This is not only recognized by members of the Village of Mukwonago Police Department but by other law enforcement agencies and the Waukesha County District Attorney's Office.

Shortly after he became Chief of Police, Chief Schmidt rewrote the department's mission and vision statements to reflect what he believed the department should stand for.

In 2021, Chief Schmidt reorganized the department creating a new position of Assistant Chief of Police. He mentored his subordinate supervisors to prepare them for future leadership of the department.

Chief Schmidt led by example over his career while demonstrating our department core values of competence, courage, integrity, leadership, respect and restraint.

Employee Recognition

Employee Recognition/Promotion

On March 18th, 2021 Officer Shaun Pinkowski received a “Unit Award” from the Waukesha County Sheriff’s Department for being a member of the Civil Disturbance Unit. The unit was deployed 30 times in 2020. Shaun is seen here with Chief Streit, who was with him when he received this award.

On April 25th, 2021, Chief Kevin Schmidt (Retired) received the Officer of the Year award from the VFW post. Kevin was with the Village of Mukwonago for 43 years. Happy Retirement Chief!

On June 28, 2021, Lieutenant Chris DeMotto was promoted to the position of Assistant Chief of Police.

(Left) Linda Gourdoux administers the Oath of Honor to Assistant Chief DeMotto.

Support from the Community

Thank you to everyone in our community and local businesses for your support. We can not express enough how much we appreciate all that you do for us.

Thank you to David Alan Alan's for bringing lunch for our department on June 30th, 2021. It was delicious and very much appreciated.

Thank you to the anonymous citizen(s) who dropped off this beautiful gift for our department in July, 2021. A note with kind words was attached. We truly appreciate the time and effort you put in to making this for us.

Support from the Community

(Above) Chief Dan Streit receives a generous donation again this year from Jim Khasria, owner of the Village Pumper and Village Wine & Liquor. The donation is for the department's bullet proof vest fund.

(Above) Lt. Kreiser saying thank you to Midwest Heating and Cooling for bringing in lunch to our Department on August, 31st, 2021.

(Left) Officer Wilson accepting a donation of snacks for our officers from Waukesha State Bank who were participating in #PayIt Forward Patrol on April 7, 2021.

There were many other donations of food, packaged goods, equipment, or money to purchase equipment made to our department in 2021. However, due to space, we cannot list them all.

We want all of our supporters to know that we truly appreciate each and every one of you. When part of the country is shouting to defund or get rid of us, you tend to feel not so appreciated. Then, you come into the department and see or hear about all of the donations from our citizens and local businesses and your spirits are lifted. We realize how lucky and privileged we are to work for such a wonderful community.

From the bottom of our hearts, thank you so much for all you do for the department.

Traffic Safety Grants

Once again, the Southern Waukesha Traffic Task Force, consisting of the Village of Mukwonago, City of Muskego and City of New Berlin Police Departments, were targeted by the Wisconsin Department of Transportation - Bureau of Traffic Safety (BOTS) for three traffic safety grants. The three grants targeted impaired driving, aggressive driving, speeding and lack of seatbelt usage. The goal is to help reduce traffic crashes and injuries from those accidents. We also participated in all three national mobilizations; Click It or Ticket, Drive Sober Get Pulled Over and Drive Sober Winter.

Our task force provided extra patrol within our communities for primary enforcement of seatbelt violations, speeding violations, OWI and reckless driving violations. These deployments focused on the areas that are most impacted by crashes and traffic related issues. Higher visibility and adding the additional officers to primarily focus on traffic related issues helped to work towards lowering the amount of traffic crashes and enforced seat belt violations. Our task force monitored Community Maps and crash data to focus deployments in the areas that are believed to have the greatest amount of issues.

In 2021, the Southern Waukesha Traffic Task Force was deployed and conducted 259 traffic stops to help increase safety on the road.

Civilian Response to an Active Shooter Event

Law enforcement officers and agencies are frequently requested by schools, businesses and community members for direction and presentations on what they should do if confronted with an active shooter event. The Civilian Response to Active Shooter Events (CRASE) course, designed and built on the Avoid, Deny, Defend (ADD) strategy developed by ALERT in 2004, provides strategies, guidance, and a proven plan for surviving an active shooter event. Topics include the history and prevalence of active shooter events, civilian response options, medical issues, and considerations for conducting drills.

In 2021, the Village of Mukwonago Police Department presented Avoid, Deny, Defend to local businesses as an option for them in these events. The Village of Mukwonago Police Department is available to present this plan. If interested in having this presentation at your business, contact Lt. Michael Kubiak at mkubiak@mkpd.org.

Police Chaplain Program

Since its inception at the end of 2015, the chaplain program continues to be staffed by volunteers: Rev. Rob Jadrnicek (Lead Pastor at LifePoint Church) and Rev. Kevin Clark (Pastor at First Congregational Church). Having received formal training in police and fire chaplaincy and Critical Incident Stress Management, our chaplains are available whenever a crisis arises.

They are also proactively involved in the police and fire departments by:

- Regularly riding along
- Attending various department trainings
- Assisting with National Night Out
- Attending swearing in ceremonies of new officers
- Participating in the 9/11 Memorial Ceremony at the Fire Department
- Attending the Waukesha County Police Memorial Service
- Providing support to officers, EMS and their families

Rev. Rob Jadrnicek

Rev. Kevin Clark

Suburban Critical Incident Team (S.C.I.T)

The Suburban Critical Incident Team has 33 tactical officers, 1 K9 handler, 3 command positions, and 18 negotiators. These officers are from nine area police departments; City of Brookfield, City of New Berlin, City of Muskego, City of Delafield, Village of Mukwonago, Village of Pewaukee, Village of Chenequa, Village of Hartland and the Village of Elm Grove. Officer Cory Kirkpatrick is currently assigned as a tactical officer and Officer Petted is assigned to the crisis negotiator team.

To join SCIT; officers must demonstrate skill, knowledge and competence, at their department, to be selected by their supervisor to apply for the team. There are three main phases to the application process; physical fitness, marksmanship and an oral interview. Failure in any one area results in removal from the process however officers may be able to participate in the application process the following year. If an officer is selected to join the team, they attend a basic swat training class and will continue to training with the team until approved by command to be operational, which can take a year.

SCIT was faced with many difficult challenges during 2021 and experienced an increase in activations from 2020. A total of 21 activations occurred in 2021. Of the 21 activations, SCIT assisted the City of Milwaukee with the Milwaukee Bucks championship events, the City of Muskego with a suspect actively shooting at law enforcement, and the Waukesha parade tragedy. In addition to the major events, SCIT conducted two dignitary protection details, eight warrants, and three barricaded suspect calls.

Prescription Drop Box / Drug Take Back Events

The medication disposal unit installed in the lobby in 2014 was again put to good use throughout 2021. **In 2021 we accepted approximately 360 pounds of medications in the drop box!** The red drop box can be accessed in the lobby 24-hours-per-day.

We also participated in the Drug Take Back event at Walgreens and took in 98 pounds of prescription pills. Between the drop box and the event, we collected approximately 458 pounds of prescription pills to be properly disposed of.

Making a difference

In December, we held our second “Shop with a Cop” program. Through donations from WalMart, the Mukwonago Professional Police Association and anonymous donors, we were able to raise money for the event. We worked with some local churches to identify families who needed a little help at Christmas time. Thank you to all officers, reserve officers and dispatchers for volunteering their time. We also would like to thank all the donors for helping us make this event successful.

Neighborhood Watch Program

The Neighborhood Watch program is one of the department's oldest community programs. The program helps join police officers with the residents they serve. The goal is to work together to deter crime and help keep Mukwonago safe. We rely on members of the community to help notice strangers or activity that is out of place. To start your own Neighborhood Watch program, talk to your neighbors, find out who is interested in participating and set up a meeting. Meetings can be held at someone's home or a community room. Contact Lt. Michael Kubiak at (262) 363-6435 or email him at mkubiak@mkpd.org to help you get started.

Talks / Tours / Events

The Mukwonago Police Department provides numerous educational talks and tours to the public. Several times a year Girl and Boy Scout troops meet at the department to earn a merit badge in crime prevention. The tour takes the children to our dispatch center where they can see where 911 calls go to and see how emergency vehicles are dispatched to calls. They also see the officer work areas, prisoner process area, armory, squad cars and the officer's equipment. We also educate them and provide handouts containing anti-drug messages, crime prevention, stranger danger and other general safety practices.

If you have a group that would like a tour, please call the department for more information. You can reach us at 262-363-6435. information or to schedule your tour, or talk.

National Night Out

The Village of Mukwonago Police Department, working in conjunction with the Mukwonago Neighborhood Watch group, is very proud of the growing popularity of this annual event held at Field Park on the first Tuesday of August each year.

The National Night Out event aims to heighten crime and drug prevention awareness, generate support for and the participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to local criminals that neighborhoods are organized, on the look out, and fighting back!

The Village of Mukwonago Police Department was proud to partner with the Town of Mukwonago Police Department, Village of Mukwonago Public Works, and Mukwonago Fire Department to host the event.

Donors included:

- WE Energies
- Kwik Trip
- Citizen's Bank of Mukwonago
- Culvers
- AM Towing
- Lynch Mukwonago
- Walmart
- Brew 52
- David Allen Alan's
- Mukwonago Animal Hospital
- Mukwonago YMCA
- Sweet Delight Kettle Corn
- Siege Paintball
- Aurora Clinic
- Mukwonago Family Dentistry
- Newby's Seasonal Service
- Track 42
- Fork in the Road
- Klements Sausage
- Green Bay Packers
- Dousman Transport
- Milwaukee Brewers

The financial and material support of the above donors helped greatly to make the event a huge success.

Thank you to all the wonderful people that make up the fabric of our community - all in the name of keeping Mukwonago a safe place to work, visit and play!

National Night Out *continued*

We are also very proud to partner with the Village of Mukwonago Board of Trustees and President who attended this event as well as the staff of the Mukwonago Police who also volunteered for this event.

School Resource Officer Program

The School Resource Officer Program began at the Mukwonago High School in December 1999 as a result of a partnership with the Village of Mukwonago Police Department and the Mukwonago Area School District. In September 2018, we also partnered to place a School Resource Officer in the Park View Middle School.

This program is a proactive approach towards reducing and preventing problems associated with adolescents in the school. The program assists in providing the students with a safe learning environment and preventing incidents of school violence. The Officers are also involved in many programs in the Schools and the community.

Prime for Life - a program which provides drug and alcohol information to at risk students.

Tobacco Abatement Resolution – Developing measures to stop using tobacco products.

Quick 25/50 Program - Coordinator of crime stoppers and the Quick 25/50 Program.

Our current School Resource Officer at Mukwonago High School is **Officer Jason Steinbrenner** and at Park View Middle School is **Officer Joseph Petted**.

Reserve and Explorer Programs

2021 took some steps toward “getting back to normal.” The majority of the Village’s special events returned this year. Though our numbers were stretched a bit thin, our Reserve Officers continued to take on these events, providing excellent service to our citizens, visitors and third party associates. I would like to extend my gratitude to all for a job well done.

The Department hired four new Reserve Officers throughout the year- Jeremy Peterson, Kade Cribb-Wimer, Anthony Gonzalez and Anna Becker. Reserve Officer Peterson is an Army Veteran who served as a Military Police Officer. He wished to continue his career in Law Enforcement. Reserve Officer Cribb-Wimer is a current Marine Reserve, hoping to pursue a career in Law Enforcement. Reserve Officer Gonzalez is currently finishing his four-year degree at Northern Michigan University, and hopes to pursue a career in Law Enforcement. Reserve Officer Becker recently completed her two-year degree in Criminal Justice from Waukesha County Technical College, and is hoping to gain experience working toward her career goals.

We sponsored three Reserve Officers to attend the 720-hour Police Recruit Academy at Waukesha County Technical College in January 2021. Reserve Officer Paulson, Reserve Officer Mayek and Reserve Officer Roberts all successfully completed the program and graduated in June 2021.

Reserve Officer Mayek was hired full-time by the Village of Pewaukee Police Department shortly after completion of the Academy, and Reserve Officer Roberts was hired by the City of New Berlin Police Department upon graduation. Reserve Officer Becht resigned his position in March of 2021, to focus on his new career with the Veteran’s Administration Police at the Zablocki Medical Center in Milwaukee. Reserve Officer Perez resigned from her position in April of 2021. Reserve Officer Boyd resigned from his position in December of 2021. Reserve Officer Xiong also resigned from his position in 2021. We would like to wish all of our former Reserve Officers continued success in their career fields.

Reserve Officer Paulson was hired as a full time Police Officer for the Village of Mukwonago Police Department in September 2021. Officer Paulson was a long-time Police Explorer and Reserve Officer for the Village of Mukwonago.

Our Explorer Post has grown exponentially this year. We currently have nine Police Explorers with the Post- the most we have had in recent memory. Officer Paulson and I have been working together to improve the program, adding separate Explorer meetings each month, improving the curriculum and making those meetings more enjoyable for all. We also visited the City of Muskego to see how their program is run and look for areas where our program could be improved. A huge thank you to Officer Paulson for her assistance and ideas for improving the program.

As 2022 begins, I am confident our Reserve Officers will continue providing outstanding service to the community and Department.

2021 NIBRS Data

National Incident Based Reporting System

In 2015, the Department began working to upgrade crime reporting from the Uniform Crime Report (UCR) to the National Incident Based Reporting System (NIBRS). We obtained a grant to fund updating the department's ProPhoenix Records Management System and developed tools to assist officers with NIBRS compliant data entry.

UCR and NIBRS are both regulated by the FBI and both use the same general concepts. NIBRS goes into greater detail than UCR and has 46 Group A offenses while UCR only has 8 Part I offenses. UCR does not differentiate between completed and attempted crimes while NIBRS does. Also, UCR tends to only report the most serious offense reported when multiple crimes are reported in the same period of time, location, and person/group of people. The great thing about NIBRS is the data can be submitted electronically in the form of ASCII text files, needing no manual input. UCR data is written documents that have to be hand entered into a computer system for analysis. Within a few years, the FBI will require all law enforcement agencies to report NIBRS data instead of UCR data.

Group A Reported Arrests		
Crimes Against Persons	Offenses	Total Arrests

**2021 NIBRS Data *continued****National Incident Based Reporting System*

NIBRS only reports the highest level arrest for any incident where UCR report all arrests. For example, if you look at our Drug Equipment number, we had 12 incidents but only 6 arrests. That is because in most of those incidents, we also arrested the person for Possession of a Controlled Substance so only that arrest is reported, not the Narcotic Equipment arrest.

Training and Career Development

Over the course of 2021, Mukwonago Dispatch Center logged 229.5 hours of training for dispatcher/clerks. This is an average of almost 33 hours of training per dispatcher. Mukwonago Dispatch is here 24 hours a day, 7 days a week and are the first point of contact whether you show up at the police department lobby or call in to the department via one of the three 911 lines or on one of the eight non-emergency lines.

Each fiscal year the State of Wisconsin requires law enforcement officers to receive a minimum of 24 hours of training. In 2021, our 15 fulltime police officers logged 1660.25 hours of training. They received training in use of force, pursuit and emergency vehicle operations, responding to an active shooter, de-escalation and officer override training, to name a few topics. Some of these trainings are held at local departments, technical colleges or are in house trainings presented by the departments five State certified instructors.

Department Members

Years of service to the department and the community

41 - 45 Years

Chief Kevin Schmidt (1978)
Crossing Guard Judy Podany (1978)

36 - 40 Years

30-35 Years

Officer Joseph Petted (1987)

25 - 29 Years

Assistant Chief Daniel Streit (1992)
Dispatcher/Clerk Cynthia Wellman (1993)
Reserve Officer Scott Buchholtz (1993)
Lieutenant Christopher DeMotto (1995)
Officer Jason Steinbrenner (1996)

20 - 24 Years

Dispatcher/Clerk Brenda DiMaggio (1997)
Dispatch Supervisor/Clerk Deborah Zaeske (2000)
Dispatcher/Clerk Tracy Tipton (2000)

15 - 19 Years

Officer John Schubel (2006)

10-14 Years

Officer Robert Kreiser (2009)
Officer Chet Wilson (2009)
Officer Cory Kirkpatrick (2011)

5 - 9 Years

Reserve Officer Gary Walters (2012)
Reserve Officer Ryan Becht (2015)
Reserve Officer Chris Holtz (2015)
Reserve Officer Jon Schroeder (2015)
Dispatcher/Clerk Italia Hench (2016)

0—4 Years

Reserve Officer Adam Boyd (2017)	Officer Richard Rogers (2019)
Officer Michael Kubiak (2018)	Officer Kayla Tipton (2020)
Officer Brian Cieszynski (2018)	Dispatcher/Clerk Kristine Redlinger (2020)
Officer Shaun Pinkowski (2018)	Dispatcher/Clerk Nicole Robertson (2020)
Officer Taylor Zajichek (2018)
