#### **Staff Review**

<b>Engineering</b>	No concerns
<b>Public Works</b>	No concerns
<b>Utilities</b>	No concerns
<b>Police</b>	No concerns
<b>Fire</b>	99 or less with all occupants (including performers, staff, and audience) or suppression would be required.
<b>Building Inspection</b>	No concerns
<b>Planning</b>	34 On-site spaces for the 99 occupants allowed is sufficient, which is unchanged from when LifePoint was there.

The Village Players are a local group of performers who have been in the Village for 52 seasons.

Previously they have held their performances at The Black Box Theater which held a conditional use permit for this type of use. They have also performed at the Greenwald Performance Center at the High School which also is incorporated in the schools' operations.

They inquired about an alcohol license with the Clerk's office on 2/15/24, and this was referred to the Planning/Zoning office to see if the current conditional use and occupancy type allowed for theater performances. The current conditional use and occupancy type do not allow for this in the B-2 district, hence the request for an amendment. The Village Players and Thelen's were not aware that they needed a conditional use permit. The code does not allow temporary uses either, which was explored.

The Planner notified the current tenant (Thelen's) that this was not allowed under their conditional use on 2/19/24 upon return from vacation.

On 2/21/24, the Planner, Fire Chief and Clerk/Interim Administrator met onsite with the Thelen's daughter. A follow-up email was sent with the next steps when they confirmed that they wanted to move forward with the amendment to their Conditional Use Permit.

We were asked to hold a special meeting to avoid them having to cancel performances. We were able to meet the public hearing and notice requirements per our code, in order to hold the special meeting.

---

#### **Conditional Use Request**

The applicant is requesting use of the former Lifepoint Church as a Hall for funeral home patrons, other small events (current use) and theater performances (additional use). No interior or exterior alterations are being proposed at this time.

Staff has reviewed the use and determined this meets the conditional use criteria for the B-2 Zoning District.

1. The establishment, maintenance or operation of the conditional use will not be detrimental to or endanger the public health, safety or welfare of the Village.
2. The uses, values and enjoyment of other property in the surrounding neighborhood that are already permitted shall be, in no foreseeable manner, substantially impaired or diminished by the establishment, maintenance or operation of the conditional use.
3. The establishment of the conditional use will not impede the normal and ordinary development and improvement of the surrounding property for uses permitted within the district and/or which are consistent with the standards in the Comprehensive Plan.
4. Adequate utilities, access roads, drainage and other necessary site improvements have been or are being made to accommodate the use.
5. Adequate measures have been taken or will be taken providing ingress and egress to minimize traffic congestion on public streets so as not to diminish the level of service of any intersection which is impacted by traffic arising from the conditional use.

In addition, the tenant has shown compliance with the requirements set forth in the Village's zoning regulations for the specified use.

### **Recommendation**
