**COMMITTEE OF THE WHOLE  
OF THE VILLAGE BOARD OF TRUSTEES  
Wednesday October 2, 2019**

**MINUTES**

**Call to Order**

Village President Fred Winchowky called the meeting to order at 5:30 p.m. located in the Board Room of the Mukwonago Municipal Building, 440 River Crest Ct.

**Roll Call**

Committee members present: Eric Brill  
Jim Decker  
Darlene Johnson  
Jason Wamser  
Jay Vermeulen  
Roger Walsh  
Fred Winchowky, Village President

Also present: Ron Bittner, Public Works Director  
Mark Blum, Village Attorney  
Diana Doherty, Finance Director  
Diana Dykstra, Clerk-Treasurer  
Ben Kohout, Planner-Zoning Administrator  
Kevin Schmidt, Police Chief  
Jerad Wegner, Village Engineer  
John Weidl, Village Administrator

**Approval of minutes from the regular Committee of the Whole Meeting September 4, 2019.**

Decker/Johnson motion to approve. Unanimously carried.

**Presentation from the Mukwonago Outdoor Performance Stage Committee regarding the development of an outdoor performance stage.**

Ken Werner provided a presentation to discuss points of emphasis and review of the CORP plan as it relates to his proposed improvement. He presented a Mukwonago Outdoor Stage design replicating a train station from Bray Architects. Trustee Decker discussed the design planning in 2020 and the construction phase in 2021. There was discussion regarding the possible financing options, fundraising, grants, or borrowing. He additionally requested DPW Director Bittner present his less expensive alternatives. Bittner presented those options to the Board also noting there were concerns with the access to water and the railroad easements. There was further discussion regarding the financial commitment. Administrator Weidl noted he has \$750,000 currently in the 2021 Capital Budget Plan as a placeholder. It was recommended the group produce phased plan so the Village can better evaluate their financial obligation.

**Presentation from the Library Director Angela Zimmerman regarding Library Facility Study.**

Library Director was not able to make the meeting. Finance Director Doherty noted they want to discuss with the board a facility study and establish a focus group. They should watch for their email.

**Committee Reports**

**Finance Committee, Trustee Vermeulen**

**Vouchers payable AP payment batches in the amount of \$350,330.52**

Johnson/Decker motion to approve. Unanimously carried.

**August 2019 Monthly Treasury Report, Revenue/Expenditure Guideline Report**

Report was placed on file in the office.

**Discussion and possible recommendation to the Village Board regarding elected official compensation**

Trustee Decker noted he requested to discuss this item. He has been on the Board for nine years and the salary has always been the same. A survey of similar communities was reviewed.

Wamser/Decker motion to increase the Trustee wage to \$400 per month and the same proportionate amount for the President.

It is noted the current salary for Trustee is \$4,200 annually which would be considered at \$4,800 and current annual salary for Village President is \$7,200 which would be considered at \$7,800.

Roll Call: "Yes" Trustee Brill, Johnson, Walsh, Wamser "No" Trustee Decker, Vermuelen, and Winchowky. Motion carried 4-3.

**Recommendation to the Village Board to approve the purchase of "Badger Books" an electronic poll book integration package with the Wisconsin Election Commission, with 2019 unspent Village Hall Capital Improvement Funds not to exceed \$18,000.**

Decker/Walsh motion to approve the purchase of "Badger Books" an electronic poll book integration package with the Wisconsin Election Commission, with 2019 unspent Village Hall Capital Improvement Funds not to exceed \$18,000. Motion carried. Trustee Johnson opposed.

**Health and Recreation Committee, Trustee Decker**

**Discussion and possible recommendation regarding the drafting of a policy on future corporate donations to accommodate corporate advertising into the items donated to the Village.**

Trustee Decker requested this item be referred to the next committee meeting for the Staff to draft a policy. It was noted various samples were in the packet from other communities.

**Mukwonago Area Chamber of Commerce acknowledgement of the 2020 Farmers Market Season fee schedule.**

Trustee Decker wanted to be sure that the Trustees saw this acknowledgement and noted it will need to be added to the Fee Schedule.

**Public Works Committee, Trustee Wamser**

**Recommend to the Village Board to approve the Storm Water Management Plan dated August 5, 2019 and approve the Storm Water Maintenance Agreement for ProHealth Care.**

Vermeulen/Johnson motion to recommend to the Village Board to approve the Storm Water Management Plan dated August 5, 2019 and approve the Storm Water Maintenance Agreement for ProHealth Care. Engineer Wegner confirmed the agreement was ready, submitted, and acceptable. Motion carried. Trustee Brill abstained.

**Recommend to the Village Board to approve the Storm Water Management Plan and approve the Storm Water Maintenance Agreement for Chapman Farms Villas.** Vermeulen/Decker motion to Recommend to the Village Board to approve the Storm Water Management Plan and approve the Storm Water Maintenance Agreement for Chapman Farms Villas including any conditions from the Engineer. Engineer Wegner confirmed it was acceptable. Unanimously carried.

**Recommend to the Village Board to approve Task Order Amendment No. 2 for DeBack Drive Infrastructure additional design and engineering related services not to exceed \$65,825.**

Administrator Weidl noted this item needed to change the roadway and asked to reconfigure the storm water pond to have 1.6 acres for the Village to sell. Brill/Decker motion to recommend to the Village Board to approve Task Order Amendment No. 2 for DeBack Drive Infrastructure additional design and engineering related services not to exceed \$65,825. Unanimously carried.

**Recommend to the Village Board to approve Village Hall Generator Addition bid award to Hady Electric in the amount of \$86,300.**

Decker/Johnson motion to Recommend to the Village Board to approve Village Hall Generator Addition bid award to Hady Electric in the amount of \$86,300. Unanimously carried.

**Request direction from the committee on the revisiting street lighting improvements.**

DPW Director Bittner reviewed adding (4) fixtures and return to LED from Pearl to Henry Street. There was a discussion regarding expanded scope for next months' meeting creating a larger scope Holtz Parkway decorative to match and calling WE Energies to get quote for the next meeting. No action was required at this time.

Announcement of the Chapman Farms Special Assessment Public Hearing on October 16, 2019 at 6:30pm. *(this is for information only)*

**Protective Services, Trustee Brill**

**Recommend to the Village Board to approve the restructure of the Village of Mukwonago Police Department command staff, beginning in 2020.**

Chief Schmidt reviewed his attached proposal to restructure the command staff for succession planning. Currently there are two Lieutenants and a Sergeant and they would move to Chief, Assistant Chief, and two Lieutenants. He noted they will not be filling the Sergeant position. Administrator Weidl suggested removal of the Sergeant position if it will not be filled.

Vermuelen/Decker motion to recommend to the Village Board to approve the restructure of the Village of Mukwonago Police Department command staff, beginning in 2020 with the removal of the Sergeant position. It was noted the salary ranges are included in the budget.

Unanimously carried.

**Downtown Development Committee, Trustee Walsh**

**Recommendation to the Village Board to send out a Request for Proposals for the selection of a professional firm to provide the Village of Mukwonago with a Downtown Streetscaping & Wayfinding/Signage Design Plan, utilizing 2019 unspent budgeted funds.**

Trustee Walsh noted that the DDC meets as a group of volunteers assisting in the process and they have had some excellent feedback. They have voted to have a small committee review the RFP's when they are returned. They also reviewed the downtown web site which they would like to bring forward and freshen up to be utilized to reaching out to the public. They will be reviewing the timeline with the Village Planner and have the document for the Village Board meeting on October 16<sup>th</sup> ready to send out.

Walsh/Wamser motion to recommend to the Village Board to send out a Request for Proposals for the selection of a professional firm to provide the Village of Mukwonago with a Downtown Streetscaping & Wayfinding/Signage Design Plan, utilizing 2019 unspent budgeted funds. Unanimously carried.

**Adjournment**

Meeting adjourned at 7:39pm.

Respectfully Submitted,

## AGENDA ITEM REQUEST FORM

Committee/Board:	Public Works / Committee of Whole
Topic:	Speed Limit Reduction/ Wolf Run Traffic Signal Modification
From:	Michael Michalski
Department:	Public Works
Presenter:	Michael Michalski
Date of Committee Action (if required):	November 6, 2019
Date of Village Board Action (if required):	

### Information

**Subject:** A representative from Wisconsin Department of Transportation, Brian Bliesner, will speak about the speed limit along the STH 83 corridor from Wolf Run south to the Village of Mukwonago municipal limits and the queueing for the southbound left turn lane at STH 83 and Wolf Run.

**Background Information/Rationale:** The Village of Mukwonago has made numerous requests with the support from the Village of Mukwonago Police Department and Ruekert & Mielke, Inc. for the reduction of the posted speed limit along STH 83 between Wolf Run south to the Village of Mukwonago municipal limits from 55 mph to 45 mph. In addition, the Wisconsin Department of Transportation has reviewed the traffic situation for the southbound left turn lane at the WIS 83 & Wolf Run intersection. WisDOT has requested that the Village of Mukwonago restripe the southbound left turn lane to a dual left turn per the MOU agreement. These improvements will require the addition and replacement of the traffic signal head for the southbound left turn lanes.

**Key Issues for Consideration:** Representatives from the Village of Mukwonago and the Wisconsin Department of Transportation met on August 26, 2019 to discuss the rationale for the protected left turn phasing that was implemented and to further consider the need to reduce the speed limit along STH 83 between Wolf Run south to the Village of Mukwonago municipal limits from 55 mph to 45 mph. The Wisconsin Department of Transportation agreed to conduct a speed limit study as the first step to determine whether a speed reduction is warranted.

**Fiscal Impact (If any):**

**Requested Action by Committee/Board:** To listen to Brian Bliesner discuss the upcoming speed study and the warrants that would justify intersection/ traffic signal modifications.

Re: STH 83 Speed Limit  
Village of Mukwonago

Dear Mr. Bliesner:

On behalf of the Village of Mukwonago, I am writing in regard to the speed limit along the STH 83 corridor from Wolf Run south to the Village of Mukwonago municipal limits. The Wisconsin Department of Transportation (WisDOT) requested that the Village provide evidence and support of the reduced speed limit following correspondence with the Village Administrator dated August 20, 2019. Ruekert & Mielke, Inc. (R/M) has previously completed a sight distance impact analysis for this stretch of roadway as part of the Boxhorn Drive access location in 2017.

The analysis involved taking a fluorescent object, approximately 2-foot by 2-foot, and locating it the appropriate distance away per stopping sight distance for design speeds of 50 mph (45 mph speed limit) and 60 mph (55 mph speed limit). The crest vertical curve that is located within this stretch of highway was tested to determine a proper location for a connection roadway from the proposed TID #5 development to STH 83. The results of the testing showed that the crest vertical curve, near McCarthy driveway, does not have the adequate stopping sight distance for a design speed of 60 mph (55 mph speed limit). A design speed of 50 mph (45 mph speed limit) is found to be adequate for most, not all, of the corridor. The analysis is attached to this correspondence.

With the addition of the TID #5 infrastructure improvements and the corresponding development that has already taken place and that is anticipated in the very near future, the traffic volumes in this stretch of roadway have increased and will continue to do so. The sight distances at the current speed limit make it challenging to access northbound STH 83 from either Boxhorn Drive or Dewey Drive. The Chief of Police has previously voiced concern regarding the current speed limit and the need to reduce it. He has written another letter which is attached to this correspondence also.

At the time of the stopping sight field analysis, the Village Board drafted and passed a resolution regarding the access connection for Boxhorn Drive at STH 83 given the existing conditions and inadequate distances observed. The Village Board openly discussed the speed limit in this stretch of highway at a recent meeting and they would be more than happy to draft and adopt a similar resolution stating the need for a lower speed limit.

Given the stopping sight field analysis and the support from the elected governing body, Police Chief, Village Engineer, and numerous other staff persons, the Village is requesting that the speed limit be reduced to 40 mph from 55 mph at this time. As development in the area continues, the speed limit may need to be revisited in the future and another reduction requested.

**Re: Resolution Regarding Reduction of Speed Limit on STH 83 in the  
Village of Mukwonago**

Dear Mr. Weidl:

Please accept this letter in support of the Village of Mukwonago's request to reduce the speed limit on State Trunk Highway 83 in the area of Boxhorn Drive to 40 MPH. Currently the speed limit decreases from 55 MPH to 40 MPH for north bound traffic and increases from 40 MPH to 55 MPH for south bound traffic just south of Dewey Drive. I recommend the entire section of STH 83 between the Waukesha/Walworth County line and the I-43 interchange be set at a 40 MPH zone.

The south side of the Village along STH 83 housed a few agricultural driveways making the current 55 mph speed limit warranted. With the industrial development occurring on off of STH 83 and Boxhorn Drive, traffic has and will continue to increase in the very near future. This reduction of the speed limit is for the safety of semi-trailers turning in and out of Boxhorn Drive onto STH 83 to make deliveries or move freight from these businesses; for the numerous employees of these new businesses when turning into and out of Boxhorn onto STH 83 from these businesses; and finally for all vehicles traveling on STH 83 when vehicles are turning in or out of Boxhorn Drive. Northbound STH 83 traffic at 55mph will come around a curve a short distance south of Boxhorn Drive and be forced to immediately slow down for traffic turning northbound on STH 83 from Boxhorn Drive.

When I completed my March 11, 2019 letter, two businesses were being built in the new industrial park on Boxhorn Drive. Today, the two businesses are open and another two businesses are being built. A third new business will begin construction shortly. Traffic into and out of Boxhorn Drive onto STH 83 has already begun with the opening of the two businesses. When the three new businesses under construction are completed, the traffic will increase substantially.

The Village of Mukwonago had our consulting engineers, Ruekert & Mielke, examine the sight distances of the current McCarthy driveway. Their study found that the sight distance for the current McCarthy drive does not have a satisfactory sight distance for the current 55 MPH speed limit looking south; however, were the speed limit in this area be reduced to 40 MPH, there would be satisfactory sight distance.

I would ask that the Wisconsin Department of Transportation consider extending the 40 MPH on STH 83 to approximately 1,200 feet south of existing Dewey Drive intersection with STH 83; extending the 40 MPH speed zone to the Waukesha/Walworth County line. As Chief of Police of the Village of Mukwonago I strongly believe the reduction to 40 MPH will make this subject section of highway a much safer corridor.

Should you have any questions or concerns please feel free to contact me.

Respectfully Submitted,

**Intersection Sight Distance: Satisfactory**

**Test 6:**

HWY 83 at Proposed Intersection 420ft from McCarthy Driveway Looking North  
60 mph Design Speed (55 mph speed limit)

**Intersection Sight Distance: Satisfactory**

**Summary:**

The McCarthy driveway does not have a satisfactory sight distance for the current 55 mph speed limit (60 mph design speed) along STH 83 looking south. However, reducing the speed limit to 45 mph (50 mph design speed) will result in the intersection having a satisfactory sight distance. See Exhibit A. A sight distance analysis was not performed along STH 83 looking north from the McCarthy driveway since the length of the existing descending gradient exceeds the required sight distance for both the 50 and 60 mph design speed.

The proposed Sugden Development intersection at the WisDOT's recommended distance of 500' from the McCarthy driveway does not have a satisfactory sight distance for both the current 55 mph speed limit (60 mph design speed) and 45 mph speed limit (50 mph design speed) along STH 83 looking north. See Exhibit B. This alternative would require the roadway crest to be cut down to allow for acceptable sight distance for either speed limit. A sight distance analysis was not performed along STH 83 looking south from the proposed intersection since the length of the existing descending gradient exceeds the required sight distance for both the 50 and 60 mph design speed.

The proposed Sugden Development intersection at the Village's desired location (distance of 420' from the McCarthy driveway) does have a satisfactory sight distance for both the current 55 mph speed limit (60 mph design speed) and 45 mph speed limit (50 mph design speed) along STH 83 looking north. See Exhibit C. This alternative would not require the roadway crest needing to be cut down. A sight distance analysis was not performed along STH 83 looking south from the proposed intersection since the length of the existing descending gradient exceeds the required sight distance for both the 50 and 60 mph design speed.

**RESOLUTION 2017-085**

**A RESOLUTION REQUESTING RECONSIDERATION BY THE WISCONSIN DEPARTMENT OF TRANSPORTATION OF ITS RESTRICTION ON THE ACCESS POINT TO STATE HIGHWAY 83 FOR THE PROPOSED DEVELOPMENT ON THE SUGDEN PROPERTY**

**WHEREAS**, the Village is aware of proposed development of what is known as the Sugden property, which property is described on the attached map, Exhibit A; and

**WHEREAS**, the DOT has considered the proposed development and has recommended an access point to STH 83 500' from the current driveway serving the McCarthy property adjacent thereto; and

**WHEREAS**, the speed limit on STH 83 at the proposed Sugden Drive location is 55 mph with a design speed of 60 mph for the property heading south on STH 83, and a speed limit of 55 mph with a 60 mph design speed along STH 83 proceeding north; and

**WHEREAS**, the topography of STH 83 in this location is such that there is a crest in the roadway; and

**WHEREAS**, Village Staff is concerned about the adequacy of the sight lines at the DOT's recommended intersection location for the Sugden property in light of the road crest and speed limits in that location;

**WHEREAS**, the Village has asked its consulting engineers, Ruekert & Mielke, to examine the adequacy of the sight distances for this proposed driveway location; and

**WHEREAS**, Ruekert & Mielke has conducted testing, which testing is set forth in the attached Exhibit B; and

**WHEREAS**, said testing reveals that the current McCarthy property driveway does not have a satisfactory sight distance for the current 55 mph speed limit on STH 83 looking south; however, were the speed limit to be reduced to 45 mph, there would be a satisfactory sight distance; and

**WHEREAS**, the testing further found that the proposed Sugden development intersection, at 500' from the McCarthy driveway, does not have a satisfactory sight distance for either the current 55 mph or proposed 45 mph speed limit looking north. They have concluded that in order to utilize this location, the crest of the roadway would need to be cut down to allow for acceptable sight distances for either speed limit at that location; and

**WHEREAS**, Village Staff observes that the proposed Sugden development intersection, at a distance of 420' from the McCarthy driveway, does have a satisfactory sight distance for both the current 55 mph speed limit (60 mph design limit) and the 45 mph speed limit looking north. They also noted that a sight distance analysis was not performed along STH 83 looking south since the length of the existing descending gradient exceeds the required sight distance for both the 50 mph and 60 mph design speeds; and

**WHEREAS**, the Village Board has considered the report from Ruekert & Mielke and has concerns with the impact of the DOT's recommended location on traffic safety.

**NOW, THEREFORE**, the Village Board of the Village of Mukwonago does hereby resolve as follows:

**BE IT RESOLVED** that Staff be directed to forward the results of the testing performed by Ruekert & Mielke regarding the adequacy of the sight lines along STH 83 at the proposed Sugden property access location.

**BE IT FURTHER RESOLVED** that the DOT be advised that the Village is concerned with the impact on public safety of the proposed Sugden property intersection to STH 83 as proposed by DOT, and asks that DOT reconsider its position in light of the Ruekert & Mielke report and consent to a revised intersection location 420' from the McCarthy property driveway.

**BE IT FURTHER RESOLVED** that Village Staff is directed to take such steps as may be necessary to effectuate the intention of these resolutions.

Passed and adopted this 15<sup>th</sup> day of August, 2017.

Re: President/Trustee Compensation

Members of the Village Board:

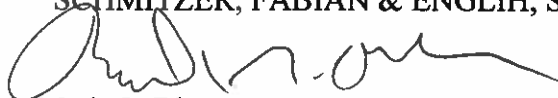

I am writing to advise you concerning the legal consequence of your vote to approve a modification to the salaries of the Village President and Village Trustees. The allowance of compensation for the Members of the Village Board is established under Wisconsin Statute Sec. 61.32. That Statute provides that under general or special law, the Village Board may, by a three-fourths vote of all of its Members, determine that a salary be paid to the President and Trustees. Based upon this, the affirmative vote of six Trustees would be necessary in order to approve any compensation or amendment to compensation for Village Board Members or the Village President. The Motion that occurred at your last meeting did provide for such an amendment; however, I would note that only five Members of the Board voted in favor of this and therefore, pursuant to this Statute, this amendment would not be effective.

## VILLAGE OF MUKWONAGO PARK DONATION AND NAMING POLICY

---

### A. Introduction

The Village of Mukwonago gratefully accepts gifts and donations from private individuals, businesses, community organizations and /or public entities that are given to support ~~the~~ our Parks system. This policy covers gifts that are related to donations and naming opportunities.

### B. Purpose.

The purpose of the Village of Mukwonago Naming Policy is to establish and set guidelines and standards for the sponsorship and naming of vehicles, major recreational programs or events, landscape features, or buildings within the park system.

### C. Policy.

It is the policy of the Village of Mukwonago:

1. To encourage and facilitate public and/or private donations, and such ~~contributions~~ donations that improve, supplement, support, or otherwise benefit the Village Parks system.
2. To accept gifts that are consistent with the mission, policies, and goals of the parks and recreation system, ~~existing~~ facilities and amenities, the ~~most~~ Comprehensive Parks and Recreation Open Space Plan and recreation facilities and programs.
- ~~3.~~ The Village recognizes that the actual or perceived conflicts of the interest might arise in relation to contributions ~~donations~~ from individuals, foundations or corporations. Therefore the ~~V~~ Village will not accept contributions ~~donations~~ that:
  - ~~4.~~
  - ~~1-3.~~ Create significant actual or perceived damage to the Village of Mukwonago or Parks and Recreation Systems mission, public image or reputation.
    - ~~ii. Create significant actual or perceived damage to the Village of Mukwonago's mission, public image or reputation.~~
- ~~5-4.~~ The Village will not accept contributions ~~donations~~ from individuals, Foundations or corporations ~~Corporations~~ that:
  - i. Have a history of environmental abuse or regulatory noncompliance, unless the eCorporations are engaged in a credible effort to change past practice.
  - ii. Expect significant publicity for the contribution ~~donation~~ beyond the life expectancy as determined by the normal sponsorship and naming recognition described in this policy ~~what~~ the Village Board allows.

- iii. Expect award of any proposed ~~work in the connection with the Village~~ Village Public Works projects in exchange for the ~~contribution~~ donation.

~~6.5.~~ If the Village learns of the existence of any of these disqualifying conditions with respect to a particular donor at any time prior to or after the receipt of a ~~contribution~~ donation by the donor, it will withdraw its acceptance and return the donation.

~~7. If the Village learns of the existence of any of these disqualifying conditions with respect to a particular donor after that donor's contribution has been received, it will return the contribution if reasonably responsible.~~

#### **D. Sponsorship Contribution Donation & Recognition.**

A sponsorship ~~contribution~~ donation is considered a “sponsorship” if it is restricted to provide relatively short-term (usually two years or less) support for programs or events, or for the maintenance of existing Equipment or physical structures.

The Village may provide sponsorship recognition of individuals or businesses that provide sponsorships in one or more ways, including through plaques or signs affixed to buildings that identify the donor as the sponsor, along with recognition proclamations.

When accepting donations and/or sponsorship ~~contributions~~ donations the Village will be guided by the following principals:

1. All sponsorships must relate to and be consistent with the mission, policies and goals of the Park and Recreation System.
2. Sponsorship benefits must be commensurate with the relative value of the sponsorship, as determined by the Village staff and appropriate Village Board Committees.
3. If Public Works staff has concerns that a proposed d sponsorship donor may be controversial, prior to accepting the sponsorship donation they shall afford the Village Board the opportunity to comment on any such donor.
4. The decision of the Village Board is final.

#### **E. Naming Contribution Donation & Recognition.**

A ~~contribution~~ donation involves a naming if the donor would be recognized by having a program, landscape feature or a building named after the donor in recognition of a significant gift that will provide long term or permanent support or payment for a major capital improvement.

Requirements applicable to all naming:

1. With any naming, the proposed name will not:

- i. Create significant actual or perceived damage to the Village of Mukwonago or the Park and Recreation systems mission, public image or reputation.
  - ~~ii. Create significant actual or perceived damage to the Village of Mukwonago's mission, public image or reputation. The determination of what is significant shall be in the sole judgment of the Village of Mukwonago.~~
  - ~~iii.~~ii. Result in undue commercialization of the property or violation of any Park rule or regulation.
2. When naming is contemplated for all or any portion of a building (including any significant addition to an existing building), the following applies:
- i. Approval of the ~~v~~Village Board, before accepting a ~~contribution~~donation connection with which such a naming opportunity will be accepted.
  - ii. A naming donation must cover ~~at least 60%~~a significant portion of the capital construction costs associated with a new building. A building renovation. Or significant addition to an existing building.
  - iii. The decision of the Village Board is final,

~~Adopted~~Revised this 5<sup>th</sup> \_\_\_ day of ~~May~~, 201519.

Date of Committee Action (if required):	11/6/19
Date of Village Board Action (if required):	11/20/19

### Information

**Subject:** Installation of parking lot lights in Miniwaukan and Phantom Glen Parks

**Background Information/Rationale:** Lighting for the asphalt parking lot at Miniwaukan Park and the Phantom Glen lighting improvements were identified in the capital plan for 2019. Currently Miniwaukan does not have lighting in the lot. The lighting at Phantom Glen is outdated and is not in the optimal location. Both parks will have black coach light LED fixtures on black poles.

**Key Issues for Consideration:** Approval of the parking lot lighting improvements at Miniwaukan and Phantom Glen Parks.

**Fiscal Impact (If any):** \$31,650.51 for the installation and \$148.40 added to the monthly lighting charges.

**Requested Action by Committee/Board:** We are requesting a recommendation to the Village Board to approve the lighting project and authorize the Village President to sign the WE Energies lighting agreements.

Subject: Work Request 4429459; Lighting at Miniwaukan Park

Dear Ron :

This letter details a work request for We Energies Outdoor Lighting. The upfront charge for this work, which expires 90 days from the date of this letter, is \$18,265.71, and does not include site restoration. Net monthly charges will initially increase by \$89.04, which is subject to future rate changes as approved by the Public Service Commission of Wisconsin.

Review the following prior to providing authorization and payment:

- Luminaires are controlled to provide dusk to dawn operation.
- Customer must contact We Energies for lighting maintenance.
- Fixtures are warranted until removed.
- Non-Standard poles and conductors are warranted for 15 years.
- Customer must locate private underground facilities and grant or obtain, without expense to We Energies, access to property, necessary permissions, easements, ordinance satisfaction and permits for installation, removal and maintenance of lighting facilities.
- Termination or change requests after installation and prior to conclusion of the initial term result in customer charges. Monthly rates for fixtures on the LED rate are reduced after the initial term.
- All applicable lighting tariff terms and conditions are available at we-energies.com.
- We Energies does not guarantee this installation meets AASHTO or the Illuminating Engineering Society's minimum recommended standards for lighting.

Please sign the enclosed documents and return them, along with payment for the upfront charge (payable to We Energies) in the envelope provided. Material will be ordered upon receipt of required authorizations and payment. Work request will be scheduled when all contingencies are met. If you have any questions, please call me at 920-563-1273. We look forward to working with you on your lighting project.

Sincerely,

Deborah Domagalski

9. As much as practicable, the majority of the work shall be staged from the public roadways and road shoulders, keeping equipment out of adjacent wetlands.
10. All work shall be conducted to minimize soil disturbance. No rutting will be allowed within the wetlands.
11. If soils are not frozen or stable to a point that avoids rutting, timber mats, mud tracks, or equivalent shall be utilized to access pole locations.
12. Excavated soils cannot be stockpiled in wetlands.

27. A frac-out contingency plan shall be on-site and implemented accordingly. The contingency plan shall incorporate the following components:

- Continuously inspect the bore paths for frac-outs in order to respond quickly and appropriately.
- Containment materials (e.g. silt fence, straw bales, sand bags, etc.) shall be on site and available should a frac-out occur.
- A vac truck shall be accessible on short notice in order to respond quickly to a frac-out.

Re: Ordinance Regarding Property Maintenance

Dear Kevin:

I am writing to follow up on our conversation regarding property maintenance standards. I had previously sent you and John copies of the Ordinance which I am familiar with in the Village of Pewaukee that establish property maintenance minimums. As we discussed, these are primarily nuisance-based regulations and while the Village has some standards regarding prohibiting nuisances, there are general maintenance standards which are not included in our Ordinance. It is my understanding there is a desire on the part of the Village Board to see such standards incorporated into our Code and therefore, towards that end, I have drafted the attached Ordinance for your consideration.

However, in drafting the Ordinance, I did go through Section 34-32 of our Code, which enumerates public nuisances affecting peace and safety. As a result of my review of that Section, I am questioning whether we may want to add to that list by possibly inserting the following:

1. Grading that allows or causes water to accumulate.
2. Steps, walks, driveways, parking spaces, private roads and similar paved areas that are not maintained so as to afford safe passage under normal use and weather conditions. (I believe this language would speak to the concern that the Village President expressed regarding a private road between STH 83 and Marshview Drive.)
3. Heavy undergrowth and accumulations of plant growth that are noxious or detrimental to health.
4. Equipment or materials stored in a manner that detracts from or has a devaluing effect upon surrounding properties, including dirt piles, brush, weeds, broken glass, stumps, garbage, trash and debris.
5. Dead trees, limbs or other natural growth that, for reason or rotting or deteriorating conditions, or storm damage, constitute a hazard.

Please look this over and let me know if you would like to see an Ordinance drafted to incorporate any of the foregoing. Perhaps this could be brought before the Board to receive their comments regarding these issues before we finalize the Ordinance to be brought forward.

### Option #2

#### Amend 34-32, adding 6 Recommendations (18-23)

**(NOTE: Police Chief Schmidt, Department Heads, & Village Attorney) will be submitting an amendment to Section 34-32 adding (18) through (22) at a later date) and possibly (23) per Direction**

#### **34-32 Public nuisances affecting peace and safety (Existing Ordinance)**

- (23) The exterior of every building and accessory structure shall not have any serious defects, such as leaning, buckling, sagging, large holes, loose or substantial areas of flaking paint.

#### **Previously proposed Section 34-32 Amendment Items (18) through (22)**

- (18) Grading that allows or causes water to accumulate
- (19) Steps, walks, driveways, parking spaces, private roads and similar paved areas that are not maintained so as to afford safe passage under normal use and weather conditions. (Addresses Marshview Drive)
- (20) Heavy undergrowth and accumulations of plant growth that are noxious or detrimental to health. (SEE 34-1 MOWING)
- (21) Equipment or materials stored in a manner that detracts from or has a devaluing effect upon surrounding properties, including dirt piles, brush, weeds, broken glass, stumps, garbage, trash and debris.
- (22) Dead trees, limbs or other natural growth that for reason of rotting or deteriorating conditions, or storm damage, constitute a hazard. (SEC 34-3 TREE REMOVAL CONTROL AND 34-127 THROUGH 34-141 URBAN FORESTRY RELATED)

### Option #3 ORIDNANCE 965 REVISION

#### Create new section to cover Blight Sec 34-33

Section 34-33 of the Municipal Code of the Village of Mukwonago is hereby created to read as follows:

#### **34-33 Maintenance of Buildings and Structures**

The exterior of the premises and the exterior of all structures on the premises shall be maintained so the appearance of the premises and the structures on the premises shall not constitute or contribute to blight.

The exterior of every building and accessory structure shall be maintained in good repair, free of ***broken glass, loose shingles, crumbling stone or brick, substantial areas of peeling/flaking paint, loose boards or other*** conditions detrimental to health and/or safety and free of conditions reflecting deterioration or inadequate maintenance to the end that the property itself may be preserved, safety and fire hazards eliminated, and adjoining properties protected from blighting influences. (REVISED LANGUAGE FROM PREVIOUS DRAFT ORDINANCE 965 IN BOLD ITALICS)

*Exterior wood surfaces of buildings and structures that are not inherently resistant to deteriorations shall be periodically treated with a protective coating of paint, stain or other suitable preservative.* (ADDED LANGUAGE FROM PREVIOUS DRAFT IN ITALICS)

It shall be the duty of any person owning or controlling any vacant lot and/or any premises and the building or structures on the premises, to maintain the exterior of such premises in a reasonably clean or orderly manner, and to a standard conforming to other premises in that area. ***The exterior of every building and accessory structure shall not have any serious defects, such as leaning, buckling, sagging, large holes, loose or substantial areas of flaking paint.*** (SIMILAR TO ADDITION #23 ADDED LANGUAGE IN ITALICS)

It shall be a violation of this Section to ***“neglect the condition or appearance of any premises so as to permit to accumulate trash, rubbish and/or refuse and litter”***, or to permit

grass and/or weeds exceeding 12” in height to grown on property.

(34-33 DRAFT LANGUAGE ONLY-NOT FOUND IN EXISTING 34-32, AMENDMENTS OR ADDITIONS)

(SEE EXISTING 34-1 MOWING-

- Sec. 34-1. - Mowing of property.

(a)

*Required.* No person owning property within the village shall permit to grow or pollinate upon his premises or in the parkway any weeds or grasses, Burdock, Canada Thistle, Bindweed or Creeping Jennie, Leafy Spurge, Bull Thistle, Sow Thistle, Wild Mustard, Yellow Rocket, Yellow Dock, Russian Thistle, Giant Foxtail, English Charlock, Musk Thistle, Velvet Leaf, Quack or Quitchgrass, Wild Radish, Buckhorn Plantain, Goatsbeard, Harmful Barberry, and Marijuana, all of which cause or produce hay fever in human beings, exhale unpleasant or noxious weed odors or conceal filthy deposits. In order to prevent such growth and pollination, it shall be the duty of every property owner to mow or cause to be mowed upon his premises and parkway all grasses or weeds exceeding one foot in height and in such manner as shall

effectively prevent them from bearing seed or spreading to adjoining property. The word "parkway" means that area between the property's front lot line or sidewalk and the nearest curbline or edge of pavement of the road running parallel or generally parallel thereto.

• **Sec. 34-32. - Public nuisances affecting peace and safety. (*Existing Ordinance to be Amended.*)**

The following acts, omissions, places, conditions and things are hereby declared to be public nuisances affecting peace and safety, but such enumeration shall not be construed to exclude other nuisances affecting public peace or safety:

- (1) All signs and billboards, awnings and other similar structures over or near streets, sidewalks, public grounds or places frequented by the public, so situated or constructed as to endanger the public safety.
- (2) All buildings erected, repaired or altered within the fire limits of the village in violation of the provisions of the ordinances of the village, relating to materials and manner of construction of buildings and structures within the district.
- (3) All unauthorized signs, signals, markings or devices placed or maintained upon or in view of any public highway or railway crossing which purport to be or may be mistaken as an official traffic control device, railroad sign or signal or which because of its color, location, brilliance or manner of operation interferes with the effectiveness of any device, sign or signal.
- (4) All trees, hedges, billboards or other obstructions which prevent persons driving vehicles on public streets, alleys or highways from obtaining a clear view of traffic when approaching an intersection or pedestrian crosswalk.
- (5) All limbs of trees which project over and less than 14 feet above the surface of a public sidewalk or street or less than ten feet above any other public place.
- (6) All use or display of fireworks except as provided by the laws of the state and ordinances of the village.
- (7) All buildings or structures so old, dilapidated or out of repair as to be dangerous, unsafe, insanitary or otherwise unfit for human use. **SEE ADDITION 23**
- (8) All wires over streets, alleys or public grounds which are strung less than 15 feet above the surface thereof.
- (9) All loud, discordant and unnecessary noises or vibrations of any kind.
- (10) All obstructions of streets, alleys, sidewalks or crosswalks and all excavations in or under the same, except as permitted by the ordinances of the village or which, although made in accordance with such ordinances, are kept or maintained for an unreasonable or illegal length of time after the purpose thereof has been accomplished. Obstructions of streets or alleys includes the depositing or placing of leaves, brush or snow into the street or alley.
- (11) All open and unguarded pits, wells, excavations or unused basements freely accessible from any public street, alley or sidewalk.
- (12) All abandoned refrigerators or iceboxes, from which the doors and other covers have not been removed or which are not equipped with a device for opening from the inside.
- (13) Any unauthorized or unlawful use of property abutting on a public street, alley or sidewalk which causes large groups of people to gather, obstructing traffic and free use of the streets or sidewalks.

(14) Repeated or continuous violations of the ordinances of the village or laws of the state relating to the storage of flammable liquids.

(15) All snow and ice not removed or sprinkled with ashes, sawdust or sand as provided in section 74-7.  
**ADD SALT ?**

(16) The conducting of any junk business or the use of any open lot or vacant parcel of land or any part thereof or any uncovered or exposed premises outside of a building as a junkyard or for the purpose of exposing any such junk for sale or for the storage thereof. For the purpose of this article, junk shall consist of scraps of old metal, glass, automobiles wholly or partially dismantled, or the parts thereof, or other partially dismantled machinery, or the parts thereof, or old boxes or other refuse matter. It is intended in this article that no violation of this subsection occurs where the junk is contained wholly within a building so as not to be visible outside of such building. **SEE JUNK AND ABANDONED VEHICLES ATTACHMENT. (34-46 THROUGH 34-76 RELATED)**

(17) Camping within the Village of Mukwonago is hereby prohibited. This prohibition includes, but is not limited to, tent camping, mobile home or motor home camping, as well as pop-up (or wagon) camping. Camping activities will be prohibited on all village-owned property, retail or commercial business locations, and along any county or state highways as prohibited under W.S.A. § 86.025. Camping will also be prohibited on any green spaces within the village. Exceptions to this subsection are:

(a) Any designated official campground with sanitary and water provisions.

(b) On the private property of residents, so long as there is no charge or fee for such camping, and sanitary and water provisions are provided by such property owner, and the number of campers does not exceed 20.

(c) Any special event located in a village-owned park that has been approved either by committee, village board or the village clerk's office.

(Code 1966, § 16.02(4)(a)—(q); Ord. No. 611, § I, 1-6-98; Ord. No. 804, § I, 5-15-07)

**ORDINANCE TO AMEND SECTION 34-47 (a)  
OF THE VILLAGE OF MUKWONAGO MUNICIPAL CODE  
REGARDING ABANDONED OR JUNKED MOTOR VEHICLES**

---

**SECTION I**

Section 34-47(a) of the Municipal Code of the Village of Mukwonago is hereby repealed and recreated to read as follows:

**Sec 34-47 - Storage**

- (a) No person owning or having custody of any abandoned or junked motor vehicle or motor vehicle accessories shall store or permit any such vehicle or accessories to remain unscreened on any private property within the Village. No person owning any private property in the Village, as determined from the tax assessment records of the Village, shall store or permit to remain any such vehicles or accessories on said property. Such storage is hereby declared to be a public nuisance and may be abated or removed, and forfeitures may be imposed as provided in this Code. No such person shall be deemed to have violated this Section until the expiration of the 72-hour cure period provided for in Section 34-49(d) of this Code. For purposes of this Ordinance, the term "unscreened" shall be defined to be a vehicle or accessory that is visible, in whole or in part, at any time of the year, from a public place or public right-of-way.

**SECTION II**

All Ordinances or parts of Ordinances contravening the terms and conditions of this Ordinance are hereby to that extent repealed.

**SECTION III**

The several sections of this Ordinance shall be considered severable. If any section shall be considered by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the other portions of the Ordinance.

**SECTION IV**

This Ordinance shall take effect upon passage and publication as approved by law, and the Village Clerk shall so amend the Code of Ordinances of the Village of Mukwonago, and shall indicate the date and number of this amending ordinance therein.

### Information

**Subject:** Request for educational pay incentive from Officer Richard Rogers

**Background Information/Rationale:** Article 6 of the Mukwonago Professional Police Association contract states as follows:

"For employees hired after 3/1/95, credits earned and approved in the foregoing program will be compensated per annum, in the following manner:

Associates + 15 credits	Associates + 30 credits	Associates + 45 credits	Bachelors Degree
\$ 700	\$ 800	\$ 900	\$ 1,500

All new officers on the Mukwonago Police Department, having previously enrolled, will have their credits evaluated by the Police Commission, who in turn will make a recommendation to the Personnel Committee of the Mukwonago Village Board."

**Key Issues for Consideration:** Officer Richard Rogers was hired by the department on September 7, 2019. He holds a Bachelor of Science degree in Criminal Justice from the Helen Bader School of Social Welfare at the University of Wisconsin-Milwaukee.

During Officer Rogers background check, we received a sealed transcript from the University of Wisconsin-Milwaukee and verified that Officer Rogers completed the course work for the degree.

The Village of Mukwonago Police Commissioners reviewed Officer Rogers request and the transcript and voted unanimously to recommend the Village Personnel Committee approve the \$1,500 compensation to Officer Rogers.

**Fiscal Impact (If any):** \$ 1,500 broken down into 26 pay periods.

**Requested Action by Committee/Board:** Personnel Committee recommend the Village Board approve Officer Rogers request for the educational pay incentive.

Re: Request for educational pay incentive for Officer Richard Rogers.

A request for educational pay incentive for Officer Ryan Rogers was brought forth by Chief Schmidt at the Police Commission meeting of September 25<sup>th</sup>, 2019. Chief Schmidt advised the Commission that Officer Richard Rogers has requested the pay incentive for education currently provided to officers who have obtained a bachelor's degree. Per the Police Officers contract, this request is to be reviewed by the Police Commission who will in turn make a recommendation to the Personnel Committee.

The Commission reviewed the materials provided to them and by unanimous vote makes the recommendation to the Village's Personnel Committee to approve the \$1500 in compensation as outlined in the Police Contract to Officer Richard Rogers.

Subject: Work Request 4373983; Lighting at Chapman Villas at Chapman Farms Subdivision

Dear Ron Bittner:

This letter details a work request for We Energies Outdoor Lighting. The upfront charge for this work, which expires 90 days from the date of this letter, is \$21,276.22 (to be paid by the Developer), and does not include site restoration. Net monthly charges will initially increase by \$103.88, which is subject to future rate changes as approved by the Public Service Commission of Wisconsin.

Review the following prior to providing authorization and payment:

- Luminaires are controlled to provide dusk to dawn operation.
- Customer must contact We Energies for lighting maintenance.
- Fixtures are warranted until removed.
- Non-Standard poles and conductors are warranted for 15 years.
- Customer must locate private underground facilities and grant or obtain, without expense to We Energies, access to property, necessary permissions, easements, ordinance satisfaction and permits for installation, removal and maintenance of lighting facilities.
- Termination or change requests after installation and prior to conclusion of the initial term result in customer charges. Monthly rates for fixtures on the LED rate are reduced after the initial term.
- All applicable lighting tariff terms and conditions are available at we-energies.com.
- We Energies does not guarantee this installation meets AASHTO or the Illuminating Engineering Society's minimum recommended standards for lighting.

Please sign the enclosed documents and return them, along with payment for the upfront charge (payable to We Energies) in the envelope provided. Material will be ordered upon receipt of required authorizations and payment. Work request will be scheduled when all contingencies are met. If you have any questions, please call me at 414-944-5645. We look forward to working with you on your lighting project.

Sincerely,  

Nicole Warwick  
Energy Services Consultant  
nicole.warwick@we-energies.com

By signing this letter, you authorize us to do this work and acknowledge acceptance of the rates and conditions of the specified tariffs as approved by the Public Service Commission of Wisconsin.

<b>WE ENERGIES WORK REQUEST ENVIRONMENTAL NOTES (Notes 1 through 7 apply to ALL work requests)</b>													
<b>General</b>													
1. If WDNR and/or USACE permits were obtained for the project, all permit conditions shall be met during construction of the project.													
<b>Erosion Control</b>													
2. If soil disturbance occurs on slopes or channels/ditches leading to wetlands or waterways, or within wetlands, the disturbed areas shall be stabilized and appropriate erosion control Best Management Practices (BMP's) shall be implemented.													
3. Erosion Control BMP's shall meet or exceed the approved WDNR Storm Water Management Technical Standards ( <a href="http://dnr.wi.gov/topic/stormwater/standards/const_standards.html">http://dnr.wi.gov/topic/stormwater/standards/const_standards.html</a> ). Refer to We Energies Construction Site Sediment and Erosion Control Standards.													
4. Inspect installed erosion control BMP's at least one time per week and after 1/2" rain events: repair as necessary.													
5. When temporary stabilization is required (e.g. for winter or short-term construction) prior to final restoration, soil stabilizer shall be installed wherever possible. Erosion mat shall be used temporarily only where appropriate, in accordance with state standards, and when approved by the Operations Supervisor.													
<b>Contaminated Soils</b>													
6. Whenever soil exhibiting obvious signs of contamination (e.g., discoloration, petroleum or solvent odor, free liquids other than water, buried containers or tanks, or other obvious signs of environmental impacts) is encountered during excavation or installation, cease work immediately, take appropriate immediate precautions to ensure worker health and safety, and contact the Operations Supervisor or Inspector.													
<b>Spills</b>													
7. If an oil spill occurs during construction, call the Environmental Incident Response Team (EIRT) at 414-430-3478: a. Any quantity of oil is spilled into surface water; b. Any oil spill greater than 50 ppm PCB into a sewer, vegetable garden, or grazing land; c. Any oil spill containing greater than 500 ppm PCB; d. Five gallons or more of oil spilled to the ground; e. Any oil spill involving a police department, fire department, DNR, or concerned property owner.													
<b>Notes 8 through 27 apply as noted at specific points within each work request:</b>													
<b>Dewatering</b>													
8. Dewatering of pits or trenches shall be done in accordance with state standards. Use an approved sediment bag, a straw bale dewatering basin, a combination of both, or equivalent.													
<b>Wetlands</b>													
9. As much as practicable, the majority of the work shall be staged from the public roadways and road shoulders, keeping equipment out of adjacent wetlands.													
10. All work shall be conducted to minimize soil disturbance. No rutting will be allowed within the wetlands.													
11. If soils are not frozen or stable to a point that avoids rutting, timber mats, mud tracks, or equivalent shall be utilized to access pole locations.													
12. Excavated soils cannot be stockpiled in wetlands.

## AGENDA ITEM REQUEST FORM

Committee/Board:	Public Works/Committee of Whole/Village Board
Topic:	DeBack Drive Infrastructure – Bid Results
From:	Michael Michalski
Department:	Public Works
Presenter:	Michael Michalski
Date of Committee Action (if required):	November 6, 2019
Date of Village Board Action (if required):	November 20, 2019

---

### Information

**Subject:** We reviewed the documentation submitted by the Bidders and had follow-up calls with Contractors and Suppliers. We were alerted that the bids for the sanitary sewer were inflated over \$400,000 due to the potential of bedrock removal and dewatering which was separate for the rock removal bid item which was approximately an additional \$250,000.

**Background Information/Rationale:** A Contractor who previously performed Work within TID #3 (Wolf Run) recalled the significant amount of bedrock encountered during construction. They made the other Contractors bidding on DeBack Drive Infrastructure aware of the potential bedrock and dewatering which exaggerated the bid prices for the sanitary sewer. Soil borings obtained for TID #3 indicated high level of groundwater and bedrock within the vicinity of the creek but bedrock significantly deepens away from the creek.

**Key Issues for Consideration:** Prior to soliciting Bids for the DeBack Drive Infrastructure we increased the estimated quantities for rock removal to provide the Village a more favorable unit price and a conservative quantity of bedrock potentially being removed.

**Fiscal Impact (If any):** Estimated construction cost provided to the Village for the Base Bid was \$2,100,00, which does not include the increased quantity of bedrock. The apparent low Bid equated to \$2,836,068.65.

**Requested Action by Committee/Board:** Recommendation to hold the Bids and complete a geotechnical engineering exploration along the proposed sanitary sewer and water main alignment to confirm whether bedrock and/or water table will be encountered.

Date of Committee Action (if required):	November 6, 2019
Date of Village Board Action (if required):	November 22, 2019

### Information

**Subject:** Approval of the agreement between members of the Suburban Critical Incident Team (SCIT) for the purchase of an armored/rescue vehicle.

**Background Information/Rationale:** In August, the Village Board approved the Police Department to participate in the SCIT team purchase of a rescue vehicle for the SCIT team. Elm Grove has agreed to obtain the loan for the vehicle, with each member community then paying an equal amount for the purchase, either a one-time fee or yearly installments until the loan is paid off. The total cost of the vehicle is approximately \$300,000. The estimated amount assessed to each member community would be approximately \$33,333.00.

**Key Issues for Consideration:** Attorney's for the member communities have come up with this agreement, for each community to sign. Attorney Mark Blum was involved in the discussions on behalf of the Village of Mukwonago, the Village of Pewaukee and the City of New Berlin.

The goal is to order the vehicle prior to January, so we will have the vehicle by July of 2020.

**Fiscal Impact (If any):** The total Village cost will not exceed \$33,333.00. To date, funds have been raised to help offset the cost to the communities. We won't know our final share until fund raising ends at the end of the year.

Even though the vehicle would be ordered in 2019, no funds would be due by the Village of Mukwonago Police Department until the budget year of 2020.

**Requested Action by Committee/Board:** Recommend to the Village Board approval of the agreement between members of the Suburban Critical Incident Team for the purchase of an armored/rescue vehicle, with the Village of Mukwonago portion owed for the vehicle not to exceed \$33,333.00 and authorize the Village President and Finance Director to sign the agreement.

<b>TITLE:</b>	<b>SUBURBAN CRITICAL INCIDENT TEAM MUTUAL AID AGREEMENT</b>				
<b>ISSUED:</b>	<b>09-12-95</b>	<b>UPDATED:</b>	<b>12-15-13</b>	<b>PAGES:</b>	<b>4</b>

The undersigned municipalities agree pursuant to Wisconsin Statutes S66.30, S66.305, and S66.315 as follows:

## **Section 1. PURPOSE OF AGREEMENT**

This agreement is made in recognition of the fact that certain situations which may occur are beyond the ability of the individual community to deal with effectively in terms of manpower and equipment on hand at a given time. The City of Brookfield, Village of Chenequa, City of Delafield, Village of Elm Grove, Village of Hartland, Village of Mukwonago, City of Muskego, City of New Berlin, and the Village of Pewaukee has and does express its intent to assist its neighbor communities by assigning specially trained officers and resources to an affected community. The specific intent of this agreement is to permit the Police Departments of each community to more fully safeguard the lives, persons, and property of all citizens.

## **Section 2. DEFINITIONS**

### **A. CRITICAL INCIDENT TEAM (CIT)**

An organization of Waukesha County Police Departments participating in this mutual aid agreement.

### **B. TACTICAL INCIDENT**

An emergency situation or potential situation that threatens or causes loss of life and property and exceeds the physical and organizational capabilities of a unit of local government.

### **C. "MUNICIPALITY"**

A city, village, or town having a recognized Police Department by State Statutes.

### **D. "MUTUAL AID"**

An operating procedure for the team and plan whereby regular response and assistance is provided in the event of incidents from locations in a stricken municipality by the aiding

municipalities in accordance with assignments as developed by the Police Chiefs of the participating member municipalities.

E. "PARTICIPATING MUNICIPALITIES"

A municipality that commits itself to this mutual aid agreement by passage of a resolution or ordinance authorizing participation in the program with other participating member municipalities for rendering and receiving mutual aid and in the event of a special incident in accordance with team operating procedures.

F. "STRICKEN MUNICIPALITY"

The municipality in which an incident occurs that is of such magnitude that it cannot be adequately handled by the local Police Department.

G. "AIDING MUNICIPALITY"

A municipality furnishing police equipment and manpower to a stricken municipality.

**Section 3.                    AGREEMENT TO EFFECTUATE THE MUTUAL AID PLAN**

The Village President, Mayor, or Town Chairman of each participating member municipality is authorized on behalf of that municipality to enter into and from time to time alter and amend on the advice of the Police Chief and with the consent of the governing body of that municipality, an agreement with other municipalities for mutual aid according to the following:

- A. Whenever a tactical incident is in progress or potential incident may occur that is of such magnitude and consequence that is deemed advisable by the senior officer of the stricken municipality, to request assistance of the aiding member municipalities, the senior officer is hereby authorized to utilize the CIT Team, under the terms of this mutual aid agreement.

The senior officers of aiding member municipality are authorized to and forthwith take the following action:

1. As soon as possible, determine what resources are required according to the situation.
  2. As soon as possible, determine if the required equipment and personnel can be committed in response to the request from the stricken municipality.
  3. Dispatch as soon as possible, the personnel and equipment required to the stricken municipality in accordance with the team operating procedures.
- B. The rendering of assistance under the terms of this mutual aid agreement is mandatory, unless local conditions exist at the time of the tactical incident that may prohibit a response. In that event, it is the responsibility of the aiding municipality to immediately notify the stricken municipality of same.

- C. The Chief of Police or designated command officer of the stricken municipality shall assume full responsibility and command for the operations at the scene in conjunction with the incident commander of the CIT Team.
- D. It is expected that requests for mutual aid under this agreement will be initiated only when the needs exceed the resources of the stricken municipality. Officers from the aiding municipalities will be released and returned to duty in their own community as soon as the situation is restored to the point which permits the stricken municipality to satisfactorily handle the incident with its own resources. The releasing of the officers involved in the tactical incident shall be the decision of the Chief of Police or designated command officer of the stricken community in conjunction with incident commander of the CIT Team.
- E. All service performed under this agreement shall be rendered without reimbursement of any party from the other(s). Requests for reimbursement for unusual or burdensome costs incurred in the performance of mutual aid may be submitted by the aiding municipality to the stricken municipality. Reimbursement of such cost shall be at the discretion of the respective elected municipal Board or Councils.
- F. Each participating member municipality assumes the responsibility for members of its police force acting pursuant to this agreement.
- G. The Governing Board shall consist of the Police Chiefs of the participating member municipalities. The governing board shall establish an operational plan for giving and receiving aid under this agreement. Said plan shall be reviewed and updated as necessary.

#### **Section 4.                    TERMINATION**

Any municipality may withdraw from the Suburban Critical Incident Team agreement by notifying the Police Chiefs of the other participating member municipalities in writing, whereupon the withdrawing municipality will terminate participation ninety (90) days from the date of written notice.

#### **Section 5.                    ADOPTION**

This mutual aid agreement shall be in full force and in effect with the passage and approval of an ordinance or resolution by all participating member municipalities, in the manner provided by law, and in the signing of this agreement by the Village President, City Mayor, or Town Chairman.

IN WITNESS WHEREOF, the Agreement has been duly executed by the following parties on this \_\_\_\_\_ day of the \_\_\_\_\_ month in the year \_\_\_\_\_

# **Agreement Between Members of the Suburban Critical Incident Team For Purchase of an Armored Vehicle**

Pursuant to Wis. Stat. § 66.0301, this agreement (the “Agreement”) is made by and between City of Brookfield (“Brookfield”), Village of Hartland (“Hartland”), City of New Berlin (“New Berlin”), Village of Chenequa (“Chenequa”), Village of Mukwonago (“Mukwonago”), Village of Pewaukee (“Pewaukee”), City of Delafield (“Delafield”), City of Muskego (“Muskego”), and Village of Elm Grove (“Elm Grove”) (collectively, the “Parties”).

## **RECITALS:**

WHEREAS, the Parties are Wisconsin municipal corporations and each operate a duly authorized law enforcement agency within their municipalities;

WHEREAS, the Parties are authorized to enter into cooperative intergovernmental agreements for the mutual benefits of their citizens pursuant to Wis. Stat. § 66.0301;

WHEREAS, the Parties are members of the Suburban Critical Incident Team (“CIT”) as memorialized in the Suburban Critical Incident Team Mutual Aid Agreement (“MAA”), which is attached hereto as Exhibit A and incorporated herein.

WHEREAS, the CIT wishes to purchase an armored vehicle (“Vehicle”) for the Parties to utilize in law enforcement;

WHEREAS, the Parties wish to formalize and clarify the terms and conditions of the purchase;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the Parties hereby agree as follows:

### **I. Recitals.**

The recitals set forth above are hereby incorporated into and made a part of this Agreement with the same force and effect as if the recitals were repeated fully, including all defined terms referenced therein.

### **II. Purchase of Vehicle.**

The Parties agree to jointly purchase the Vehicle from Terradyne Armored Vehicles, Inc. (“Seller”) at the total cost of approximately \$300,000 per quote dated, June 2, 2019 (Exhibit B). Elm Grove shall facilitate the purchase of the Vehicle within 30 days of all Parties executing and approving this Agreement and shall utilize funds in its possession for the payment of the purchase price of Vehicle to the Seller.

### **III. Cost Sharing and Payment.**

- a. Each Party shall pay an equal amount for the purchase of the Vehicle; the estimated amount assessed to each Party is \$33,333.00 (“Assessed Amount”).
- b. Elm Grove shall be the payee for each Party’s Assessed Amount. The Assessed Amount should be sent to the attention of:

Mary Stredni, Clerk  
Village of Elm Grove  
13600 Juneau Boulevard  
Elm Grove WI 53122.

- c. The Assessed Amount shall be paid in full upon all Parties’ execution of the Agreement or, at each Party’s option, in five equal installments, plus interest, over a period of five years. The first installment shall be due upon all Parties’ execution of the Agreement, and each subsequent installment, plus interest, shall be paid on an annual basis on the anniversary of the first installment payment until paid in full. The interest rate on the installment plan shall be the interest on funds borrowed by Elm Grove for purchase of the Vehicle. Any Party may prepay all or a portion of its Assessed Amount installment at any time without penalty.
- d. Any donations received by the Parties for the Vehicle shall be sent to Elm Grove and credited in equal shares to each Party’s Assessed Amount.

### **IV. Storage of Vehicle.**

Upon delivery, the Vehicle shall be securely stored at the New Berlin Police Department when not in use. New Berlin agrees to add the Vehicle to its property insurance coverage for its replacement cost and maintain property insurance coverage on the Vehicle as long as it is owned by CIT. CIT shall be listed as the loss payee.

### **V. Ownership of Vehicle.**

- a. Pursuant to Article XII of the CIT By-laws, the vehicle is owned by CIT and each Party has an equal share in its ownership. Nevertheless, for the purposes of obtaining property and liability insurance coverage and titling the vehicle, New Berlin shall title the vehicle in its name. The Parties acknowledge that in the event of a loss New Berlin's liability policy has a self-insured retention limit of \$50,000.00 and \$5,000.00 for property damage claims. The self-insured retention limit includes defense costs and expenses, including attorney fees, as well as the payment of any settlement or judgment for an amount less than said limit. The Parties agree to reimburse the CIT for said self-insured retention limit costs and expenses in the event of a loss subject to the terms of the CIT By-Laws, as well as Wisconsin Statutes Secs. 893.80, 345.05, 895.46, 66.0313 and 66.0314 and 895.045 concerning principles of comparative negligence. Decisions concerning the settlement of claims shall be reviewed by the CIT, which shall make a recommendation to the governing bodies of the Parties.
- b. If a future sale of the vehicle occurs, any sale proceeds shall be divided equally among the Parties less any Assessed Amounts due Elm Grove as provided for in Section III above. The Parties further agree that to the extent New Berlin incurs liability and claims over and above its share as a member of CIT, arising from the vehicle being titled in its name, the other Parties agree to indemnify and hold harmless New Berlin as and against said liability and claims, subject to the terms of the CIT By-Laws, as well as Wisconsin Statutes Sec 893.80, 345.05, 895.46, 66.0313 and 66.0314 and 895.045 concerning principles of comparative negligence.

## **VI. General Provisions.**

- a. Entire Agreement. This Agreement supersedes any prior or contemporaneous representations or agreements, whether written or oral, between the Parties and contains the entire agreement.
- b. Amendments. Any modification or amendment to this Agreement shall require a written agreement signed by all Parties.
- c. Governing Law. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Wisconsin. All proceedings related to this Agreement shall have venue only in the state court of Waukesha County, Wisconsin or federal court of Milwaukee County, Wisconsin.
- d. Waiver. The waiver by either Party of any breach or failure to comply with any provision of this Agreement by any other Party shall not be construed as or constitute a continuing waiver of such provision or a waiver of any other breach of or failure to comply with any other provision of this Agreement.

- e. Savings Clause. If any court finds any portion of this Agreement to be contrary to law, invalid, or unenforceable, the remainder of the Agreement will remain in full force and effect.
- f. Counterparts. This Agreement may be signed in counterparts, each of which shall be deemed an original, and which taken together shall be deemed to be one and the same document.
- g. Construction. Each Party and its counsel have had the opportunity to review and revise this Agreement. The normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Agreement or any amendments or exhibits hereto.
- h. Successors and Assigns. The Parties each bind themselves, their partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns, and legal representatives of the other party with respect to all covenants of this Agreement.
- i. Titles. The headings or titles of sections of this Agreement are used for convenience and ease of reference and are not intended to limit the scope or intent of the sections.

## **VII. Adoption of Agreement**

This Agreement shall be in full force and in effect with the passage and approval of an ordinance or resolution by all participating member municipalities, in the manner provided by law, and in the signing of this agreement by the Village President or City Mayor, and the comptroller or clerk, as applicable.

**IN WITNESS WHEREOF,** the parties hereto have herein executed this Agreement on the dates below given.

## Terradyne Rental Purchase Program

The rental purchase option gives your agency the flexibility to rent the vehicle for up to 60 months (12/24/36/48 month terms also available) at which point you could return the vehicle to Terradyne. If you decide to purchase the vehicle, we would apply a significant percentage of the rental payments towards the purchase price. The balance owing would depend on the rental rate.

With the rental option, you are not making a capital purchase and you can evaluate the usefulness of the vehicle to your operation. If after the end of term New Berlin Police Department does not want to own the vehicle, you could send it back to Terradyne and have not had to make the capital outlay for the full amount.

If you encounter resistance considering the rental purchase option you will have the following arguments:

- 1) This is a rental trial, the vehicle can go back, no penalties
- 2) If proven useful, it can be purchased with a significant portion of the rental applying to the purchase, so the rental payments have not been wasted.
- 3) Costs are spread out over several budget years.
- 4) May fit under an operating budget, and not a capital acquisition until the end of the rental. Capital acquisition amount will then be smaller.

Below are term scenarios based on a total cost of \$309,200 as an example:

Term (Months)	12	24	36	48	60
Purchase Price	309,200.00	309,200.00	309,200.00	309,200.00	309,200.00
Monthly Payment	25,766.67	12,883.33	8,588.89	6,441.67	5,153.33
End Of Term Buyout	61,840.00	69,570.00	77,300.00	85,030.00	92,760.00

## Terradyne Limited Warranty

Terradyne warrants any items installed, and conversion related to custom workmanship for (1) one year, or 20,000 miles, whichever occurs first; any suspected warranty related work must be first be confirmed as being necessary by means of a technical consultation with a representative of **TERRADYNE ARMORED VEHICLES INC.** Technical consultation regarding any deficiency repairs or malfunctions is available by telephone during our normal business hours Eastern Standard time at 905-895-1010.

**Ballistic transparencies** are warranted for two (2) years; however the Warranty excludes damage to bullet resistant glass caused by stones, malicious damage, projectiles or other flying objects.

Warranty work to be directly covered by TERRADYNE may be performed locally only after assessment and authorization by TERRADYNE. TERRADYNE shall, upon consultation and approval, make payment for any/all repairs deemed to be of a reasonable nature by the Company.

TERRADYNE does not cover any OEM vehicle parts and components that we have not been modified nor performed work on, during the armoring process. Such parts and components are the sole responsibility of the client and the vehicle's Original Equipment Manufacturer.

TERRADYNE assumes no responsibility for damages incurred through vehicle misuse or abuse, negligence, accidental damage, or any unauthorized modifications or alterations made to the vehicle following delivery of the vehicle to the client. Under the terms of this limited warranty, TERRADYNE shall in no way be held liable for any incidental or consequential damages arising from loss of use or loss of time, inconvenience, or commercial loss resulting from the need for warranty work. This warranty covers the repair and/or replacement of warranty related items only, and any non-warranty related additional costs incurred remain the responsibility of the client.

Accessories not directly related to the armoring process (winches, lighting, antenna, shields, turrets etc.) shall be covered by the warranties of their respective manufacturers and are not included in the warranty coverage provided by this agreement. However, although TERRADYNE does not warrant these items directly in any way, we do agree to offer all reasonable assistance in obtaining service from their companies of origin. Should there be any undue difficulties with obtaining servicing of these accessories; TERRADYNE will also agree to replace them for the client at our current wholesale cost price. The client shall remain responsible for any/all shipping and handling fees or incidental costs associated with the replacement of such items, as well as the aforementioned replacement costs.

Terradyne optional limited warranty extension available: 1 year / 20,000 miles

### **Ford Motor Company Warranty Coverage:**

Powertrain: 5 years / 60,000 miles
